The service fee applies to all support payments ordered paid to a child support office after the effective date of this amendment and to all other such payments, even though ordered prior to the effective date of this amendment, when the person ordered to make such payments has defaulted and has been cited for contempt of court. In those instances where the payee is charged with the responsibility of making the service fee payments, the first payment shall be due on the date of receipt of the initial support payment and annually thereafter on the anniversary of the date of the receipt of the first support allotment check so long as the payor is a member of the armed services and so long as support allotment payments exceed the amount of support ordered by the court. Failure or refusal of a person to pay the service fee on time and in the amount ordered by the court shall make that person susceptible to an action of contempt of court. A record shall be kept of all service fees collected and expended. The Child Support Fund is subject to regular audit by the County Auditor or other duly authorized person. Annual reports of receipts and expenditures in this account shall be made to the Commissioners Court.

**Art. 5154a. Labor Unions, Regulation of****Preamble of Public Policy**

Sec. 1. Because of the activities of labor unions affecting the economic conditions of the country and the State, entering as they do into practically every business and industrial enterprise, it is the sense of the Legislature that such organizations affect the public interest and are charged with a public use. The working man, unionist or non-unionist, must be protected. The right to work is the right to live.

It is here now declared to be the policy of the State, in the exercise of its sovereign constitutional police power, to regulate the activities and affairs of labor unions, their officers, agents, organizers, and other representatives, in the manner, and to the extent hereafter set forth.

**Definitions**

Sec. 2. #### Officers

Sec. 4. All officers, agents, organizers, and representatives of such labor union shall be elected by majority vote of the members present and participating; provided, however, that labor unions, if they so desire, may require more than a majority vote for election of any officer, agent, organizer or representative, and may take any such vote of the entire membership by mailed ballots. Such election shall be held at least once each year, and the determination taken by secret ballot, of which election the membership shall be given at least seven (7) days' notice by written or printed notice mailed to the member's last known address, or by posting notice of such election in a place public to the membership, or by announcement at a regular stated meeting of the union, whichever is most convenient to the union. The result of such election when held shall be ascertained and declared by the president and the secretary at the time in the presence of the members or delegates participating.

Provided, the requirement for annual elections herein made, or the methods of holding same, shall not apply to any labor union that for four (4) years prior to the effective date of the law shall have held its elections for officers, delegates and the like representatives less frequently than annually but which have held such elections either every three (3) years or every four (4) years under their constitution, bylaws, or other organization rules, and which unions have during the last ten (10) years charged not more than Ten Dollars (\$10) initiation fee to members.

#### Aliens or Convicts as Officers

Sec. 4a. It shall be unlawful for any alien or any person convicted of a felony charge to serve as an officer or official of a labor union or as a labor organizer as defined in this Act. This Section shall not apply to a person who may have been convicted of a felony and whose rights of citizenship shall have been fully restored.

#### Political Contributions Prohibited

Sec. 4b. It shall be unlawful for any labor union to make any financial contribution to any political party or to any persons running for political office as a part of the campaign expenses of such individual.

#### Organizers

Sec. 5. All labor union organizers operating in the State of Texas shall be required to file with the Secretary of State, before soliciting any members for his organization, a written request by United States mail, or shall apply in person for an organizer's card, stating (a) his name in full; (b) his labor union affiliations, if any; (c) describing his credentials and attaching thereto a copy thereof, which application shall be signed by him. Upon such applications being filed, the Secretary of State shall issue to the applicant a card on which shall appear the following: (1) the applicant's name; (2) his union affiliation; (3) a space for his personal signature; (4) a designation, "labor organizer"; and, (5) the signature of the Secretary of State, dated and attested by his seal of office. Such organizer shall at all times, when soliciting members, carry such card, and shall exhibit the same when requested to do so by a person being so solicited for membership.

#### Working Agreements

Sec. 6. All labor unions are hereby required to forward to the Secretary of State a copy of all existing working agreements with employers under which that organization is operating, within twenty (20) days after the execution of such working agreements, but only if such agreements contain a clause, or as a part of such agreement, which provides that the dues or any other collections for the benefit of the labor union are deducted from the worker's check or salary by the employer. Such working agreements shall be available only to the Secretary of State, the Commissioner of Labor Statistics, and the Attorney General, but shall also be open to grand juries, judicial and quasi-judicial inquiries. This shall not in anywise be construed to vitiate the Statute of Frauds.<sup>1</sup>

<sup>1</sup> Business and Commerce Code, § 26.01.

#### Fees, Dues, Fines and Assessments

Sec. 7. It shall be unlawful for any labor union, its officers, agent or any member to make any charge or exaction, or to receive any moneys for initiation fees, dues, fines, assessments, or other pecuniary exactions, which will create a fund in excess of the reasonable requirements of such union, in carrying out its lawful purpose or activities, if such fees, dues, fines, assessments, or other pecuniary exactions create, or will create, an undue hardship on the applicant for initiation to the union, or upon the union members. Nothing in this Section shall be deemed or construed to prevent the collection by a labor union of dues or assessments for purposes which are beneficial to the members of

the union according to the established practice, and/or to maintain funds or make investments of funds for such beneficial purposes. Neither shall this Section be construed to prevent dues, collections or other assessments for old age benefits, death and burial benefits, hospitalization, unemployment, health and accident, retirement or other forms of mutual insurance, for legislative representation, grievance committee, or for gifts, floral offerings, or other charitable purposes, or any other legitimate purposes when the union engages in or decides to engage in such a field or practice; provided that the members contributing share or can reasonably expect to share in the benefits for which they are assessed; neither shall this Section be construed to prevent assessments, dues, or other collections, except initiation fees, to be placed in the funds or as a part of the funds of the union for the use by the union in paying its members while such members are on a strike; provided such funds shall remain under control of the labor union members. This Section shall be liberally construed, however, to prevent excessive initiation fees.

#### Advance Fees

Sec. 8. It shall be unlawful for any labor organizer, union official or officer, or member of a labor union, or their agents, to collect any fees, dues, or sum of money whatsoever, in respect to membership in a labor union, or for the privilege to work or as a permit to work, from any person, without giving such person at that time a receipt therefor signed by such labor organizer, union official or officer, or member of the labor union, or their agent, reciting that such sum of money so received is to be delivered to the labor union, and be held intact until said person has been duly elected, and has become a bona fide voting member of said labor union. Provided that it shall be unlawful for any labor organizer, union official or officer, or member of a labor union, or their agents to collect any fee for the privilege to work or as a permit to work and no charge shall ever be made nor shall any fee ever be collected for the privilege to work in this State. Provided, however, this shall not prevent the collection of reasonable initiation fees as provided in this Act. Upon the payment in full by an applicant for membership in a labor union of any and all initiation fees or dues regularly assessed by such union, such labor union shall (a) elect such applicant to membership, or (b) shall forthwith return in full said money thus paid by the applicant. Upon such election, however, such advance fees thus paid may be applied by the labor union to the purposes and uses for which same were advanced. All unions, its members, officers, or agents, shall collect all fees in good faith, and no union shall elect a person to membership merely for the purpose of obtaining his initiation fee. Neither shall any labor union engage in the practice of collecting initiation fees from members and proceeding thereafter to discharge, suspend or drop such member, or cause his employer to discharge such employee, without reasonable

and just cause. If any labor union shall engage in such practice, it shall be guilty of a violation of this Act, and shall be subject to the civil penalties herein prescribed. Nothing hereinabove stated shall be construed to prevent a closed shop contract or other type of bargaining agreement or to limit the bargaining power of a labor union.

#### Collecting Fees for Privilege to Work Forbidden

Sec. 8a. It shall be unlawful for any labor union, any labor organizer, any officer, any agent or representative or any member of any labor union to collect, receive or demand, directly or indirectly, any fee, assessment, or sum of money whatsoever, as a work permit or as a condition for the privilege to work from any person not a member of the union; provided, however, this shall not prevent the collection of initiation fees as above stated.

#### Books of Accounts

Sec. 9. It shall be the duty of any and all labor unions in this State to keep accurate books of accounts itemizing all receipts from whatsoever source and expenditures for whatsoever purpose, stating such sources and purposes. Any member of such labor union shall be entitled at all reasonable times to inspect the books, records and accounts of such labor union, and any enforcement officer shall be entitled upon demand, subject to the approval of the Attorney General at all reasonable times, to inspect such books, records, and accounts of such labor union. Such books, records, and accounts shall also be open to grand juries and judicial and quasi judicial inquiries in legal proceedings.

#### Members' Rights

Sec. 10. It shall be unlawful for any labor union to refuse to give any person desiring membership therein a reasonable time, after obtaining the promise of employment, within which to decide whether or not he desires to become a member of such labor organization, as a condition to such person's employment by the employer. It shall also be unlawful for any labor union to expel any member thereof except for good cause, and upon a fair and public hearing by and within the organization, after due notice and an opportunity to be heard on specific charges preferred. Any Court of competent jurisdiction upon his petition therefor, shall order reinstatement of any member of the labor organization who shall be expelled without good cause.

#### Members in Armed Forces

Sec. 10a. Any employee who is a member of any union, who, because of services with the armed forces of the United States, has been unable to pay any dues, assessments, or sums levied by any union, shall not hereafter be required to make such back payments as a condition to reinstatement in good standing as a member of any union to which he belonged.

#### Penalties

Sec. 11. If any labor union violates any provision of this Act, it shall be penalized civilly in a sum not exceeding One Thousand Dollars (\$1,000) for each such violation, the sum recovered as a penalty in a Court of competent jurisdiction, in the name of the State, acting through an enforcement officer herein authorized. Any officer of a labor union and any labor organizer who violates any provision of this Act shall be deemed guilty of a misdemeanor, and upon conviction thereof in a Court of competent jurisdiction, shall be punished by a fine not to exceed Five Hundred Dollars (\$500) or by confinement in the county jail not to exceed sixty (60) days, or by both such fine and imprisonment.

#### Enforcement by Civil Procedure

Sec. 12. The District Courts of this State and the Judges thereof shall have full power, authority and jurisdiction, upon the application of the State of Texas, acting through an enforcement officer herein authorized, to issue any and all proper restraining orders, temporary or permanent injunctions, and any other and further writs or processes appropriate to carry out and enforce the provisions of this Act. Such proceedings shall be instituted, prosecuted, tried and heard as other civil proceedings of like nature in said Courts.

#### Enforcement Officer

Sec. 13. It is hereby made the duty of the Attorney General and the District Attorneys and County Attorneys of this State, within their respective jurisdictions, to prosecute any and all criminal proceedings and to institute and maintain any and all civil proceedings herein authorized for the enforcement of this Act.

#### Liberal Construction Required

Sec. 14. The provisions of this Act are to be liberally construed so as to effectuate the purposes expressed in the preamble and in such manner as to protect the rights of laboring men to work and/or to organize for their mutual benefit in connection with their work; nor shall anything in this Act be construed to deny the free rights of assembling, bargaining, and petitioning, orally or in writing with respect to all matters affecting labor and employment.

#### Separability Clause with Respect to Constitutional Invalidity

Sec. 15. If any Section or part whatsoever of this Act shall be held to be invalid, as in contravention of the Constitution, such invalidity shall not affect the remaining portions thereof, it being the express intention of the Legislature to enact such Act without respect to such Section or part so held to be invalid.

[Acts 1943, 48th Leg., p. 180, ch. 104. Amended by Acts 1975, 64th Leg., p. 355, ch. 150, § 1, eff. Sept. 1, 1975.]

#### Art. 5154b. Liability of Labor Organizations for Damages

Sec. 1. A labor organization whose members picket or strike against any person, firm or corporation shall be liable in damage for any loss resulting to such person, firm or corporation by reason of such picketing or strike in the event that such picketing or strike is held to be breach of contract by a Court of competent jurisdiction.

Sec. 2. The term "labor organization" means any organization of any kind, or any agency or employee, representation committee or plan in which employees participate and which exists for the purpose, in whole or in part, of dealing with one or more employers concerning grievances, labor disputes, wages, rates of pay, hours of employment or conditions of work.

The term "picketing" as used in this Act, shall include the stationing or posting of one person or of others for and in behalf of any organization in order to induce or attempting to induce, anyone not to enter the premises in question, or to apprise the public, by signs, banners, or by any other means, of the existence of a dispute, or to observe the premises so as to ascertain who enters or patronizes the same, or to follow employees or patrons of the place being picketed either to or from said place so as either to observe them or to attempt to persuade them to cease entering or of patronizing the premises being picketed.

Sec. 3. #### Art. 5154c. Public Employees, Collective Bargaining Contracts With Organizations Representing; Strikes; Loss of Civil Service and Other Rights

Sec. 1. It is declared to be against the public policy of the State of Texas for any official or group of officials of the State, or of a County, City, Municipality or other political subdivision of the State, to enter into a collective bargaining contract with a labor organization respecting the wages, hours, or conditions of employment of public employees, and any such contracts entered into after the effective date of this Act shall be null and void.

Sec. 2. It is declared to be against the public policy of the State of Texas for any such official or group of officials to recognize a labor organization as the bargaining agent for any group of public employees.

Sec. 3. It is declared to be against the public policy of the State of Texas for public employees to engage in strikes or organized work stoppages against the State of Texas or any political subdivision thereof. Any such employee who participates in such a strike shall forfeit all civil service rights, re-employment rights and any other rights, benefits, or privileges which he enjoys as a result of his employment or prior employment, providing, however, that the right of an individual to cease work shall not be abridged so long as the individual is not acting in concert with others in an organized work stoppage.

Sec. 4. It is declared to be the public policy of the State of Texas that no person shall be denied public employment by reason of membership or nonmembership in a labor organization.

Sec. 5. The term "labor organization" means any organization of any kind, or any agency or employee, representation committee or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with one or more employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

Sec. 6. The provisions of this Act shall not impair the existing right of public employees to present grievances concerning their wages, hours of work, or conditions of work individually or through a representative that does not claim the right to strike.

Sec. 7. If any clause, sentence, paragraph or part of this Act or the application thereof to any person or circumstances, shall for any reason be adjudged to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Act and the application thereof, but shall be confined in its operation to the portion of the Act directly involved in the controversy in which judgment shall have been rendered and to the person or circumstances involved.

[Acts 1947, 50th Leg., p. 231, ch. 135.]

#### Art. 5154c-1. The Fire and Police Employee Relations Act

##### Designation of Act

Sec. 1. This Act shall be known as "The Fire and Police Employee Relations Act."

##### Policy

Sec. 2. (a) It is declared to be the policy of the State of Texas that cities, towns, and other political subdivisions within the state having police and/or fire departments shall provide the firefighters and policemen, in said departments, with compensation

and other conditions of employment that are substantially the same as compensation and conditions prevailing in comparable private sector employment.

(b) (1) It is also the policy of the State of Texas that firefighters and policemen, like employees in the private sector, should have the right to organize for purposes of collective bargaining, for collective bargaining is deemed to be a fair and practical method for determining wages and other conditions of employment for the employees who comprise the paid fire and police departments of the cities, towns, and other political subdivisions within this state. A denial to such employees of the right to organize and bargain collectively would lead to strife and unrest, with consequent injury to the health, safety, and welfare of the public. The protection of the health, safety, and welfare of the public, however, demands that strikes, lockouts, work stoppages and slowdowns of firefighters and policemen be prohibited; therefore, it is the obligation of the state to make available reasonable alternatives to strikes by employees in these protective services.

(2) In view of the essential and emergency nature of the public service performed by firefighters and policemen, a reasonable alternative to such strikes is a system of arbitration conducted under adequate legislative standards. Another reasonable alternative, which should be provided in the event the parties fail to agree to arbitrate, is judicial enforcement of the requirements of this Act regarding the compensation and working conditions applicable to firefighters and policemen.

(3) With the right to strike prohibited, it is requisite to the high morale of firefighters and policemen, and to the efficient operation of the departments which they serve, that alternative procedures be expeditious, effective, and binding. To that end, the provisions of this Act should be liberally construed.

##### Definitions

Sec. 3. As used in this Act, the following terms have the following meanings:

(1) The term "firefighter" means each permanent paid employee in the fire department of any city, town, or other political subdivision within the state, with the sole exception of the chief of the department. Nothing herein shall apply to volunteer firefighters.

(2) The term "policeman" means each sworn certified full-time paid employee, whether male or female, who regularly serves in a professional law enforcement capacity in the police department of any city, town, or other political subdivision within the state, with the sole exception of the chief of the department.

(3) The term "public employer" means the proper official or officials within any city, town, or other political subdivision whose duty is to establish the wages, salaries, rates of pay, hours, working condi-

tions, and other terms and conditions of employment of firefighters and/or policemen whether such person or persons be the mayor, city manager, town manager, town administrator, city council, director of personnel, personnel board, commissioners, or other officials, by whatever name designated, or by a combination of such persons.

(4) The term "association" means any organization of any kind, or any agency or employee representation committee or plan, in which firefighters and/or policemen participate and which exists for the purpose, in whole or in part, of dealing with one or more employers, whether public or private, concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work affecting firefighters and/or policemen.

(5) "Strike" means the failure, in concerted action with others, to report for duty, the wilful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, or in any manner interfering with the operation of any municipality, for the purpose of inducing, influencing, or coercing a change in the conditions or compensation or the rights, privileges, or obligations of employment.

#### Requirement for Prevailing Wages and Conditions

Sec. 4. Cities, towns, and other political subdivisions within the state employing firefighters and/or policemen shall provide those protective service employees with compensation and other conditions of employment that are substantially the same as compensation and other conditions of employment which prevail in comparable private sector employment; therefore, compensation and other conditions of employment for those employees shall be based on prevailing private sector wages and working conditions in the labor market area in other jobs, or portions of other jobs, which require the same or similar skills, ability, and training, and which may be performed under the same or similar conditions.

#### Right to Organize and Bargain Collectively

Sec. 5. (a) Upon the adoption of the provisions of this Act by any city, town, or political subdivision in this state to which this Act applies, as herein in this section provided, firefighters and/or policemen shall have the right to organize and bargain collectively with their public employer as to wages, hours, working conditions, and all other terms and conditions of employment.

(b) The provisions of this Act may be adopted by any city, town, or other political subdivision to which this Act applies by the following method:

Upon receiving a petition signed by the lesser of five percent or 20,000 of the qualified voters voting in the last preceding general election in such city, town, or political subdivision, the governing body of such city, town, or political subdivision shall hold an election within 60 days after said petition has been

filed with such governing body. If at said election, a majority of the votes cast shall favor the adoption of this Act, then such governing body shall place this Act into effect within 30 days after the beginning of the first fiscal year of said city or town after said election. The question which shall be submitted to the vote of the qualified electors shall be as follows:

FOR or AGAINST the following:

Adoption of the state law applicable to "firefighters and policemen" or "firefighters" or "policemen", (whichever shall be applicable), which establishes collective bargaining when a majority of the affected employees favor representation by an employees' association and which preserves the prohibition of strikes and lockouts and provides penalties therefor.

(c) In any city, town, or political subdivision in which the provisions of this Act have been in effect for a period of one year, if a petition signed by the lesser of five percent or 20,000 of the qualified voters voting in the last preceding general election in such city, town, or political subdivision shall be presented to the governing body thereof to call an election for the repeal of the adoption of the provisions of this Act, then and in that event, the governing body shall call an election of the qualified voters to determine if they desire to repeal such adoption. If at said election, a majority of the votes cast shall favor the repeal of the adoption of this Act, then the provisions hereof shall become null and void as to such city, town, or political subdivision. The question which shall be submitted to the vote of the qualified electors shall read as follows:

FOR or AGAINST the following:

Repeal of the adoption of the state law applicable to "firefighters and policemen" or "firefighters" or "policemen", (whichever shall be applicable), which establishes collective bargaining when a majority of the affected employees favor representation by an employees' association and which preserves the prohibition of strikes and lockouts and provides penalties therefor.

(d) When any election has been held in any city, town, or political subdivision at which election the adoption or rejection of the adoption of this Act has been submitted as aforesaid, a like petition for another such election shall not be filed for at least one year subsequent to the election so held.

#### Recognition of Bargaining Agent

Sec. 6. (a) An association selected by a majority of the paid firefighters of a fire department in any city, town, or other political subdivision, excluding the chief of the the department, shall be recognized by the public employer as the sole and exclusive bargaining agent for all of the firefighters of that department, unless and until recognition of such association is withdrawn by a majority of those firefighters.

(b) An association selected by a majority of the sworn certified full-time paid policemen of a police

department in any city, town, or other political subdivision, excluding the chief of the the department, shall be recognized by the public employer as the sole and exclusive bargaining agent for all of the policemen of that department, unless and until recognition of such association is withdrawn by a majority of those policemen.

(c) In the event of a question as to whether or not an association is the majority representative of the employees in a department, pursuant to this section, such question concerning representation shall be resolved by a fair election conducted according to procedures agreeable to the parties. If the parties are unable to agree on such procedures, either party may request the American Arbitration Association to conduct the election and to certify the results thereof. Certification of the results of an election held pursuant to this section shall resolve the question concerning representation. The public employer shall be responsible for the expenses of the election, provided however that if two or more associations seek recognition as the bargaining agent then said associations shall share the costs of such election equally.

(d) Although the fire and police departments within the same city, town, or other political subdivision shall constitute separate collective bargaining units under this Act, nothing contained herein shall prevent associations representing employees in both of these departments within the same city, town, or other political subdivision from voluntarily joining together for purposes of collective bargaining with the public employer.

#### Obligation to Bargain in Good Faith

Sec. 7. (a) Whenever the firefighters and/or the policemen of a city, town, or other political subdivision of the state are represented by an association in accordance with Section 6 of this Act, the public employer and the association shall be obligated to bargain collectively.

(b) For purposes of this section, to bargain collectively is the performance of the mutual obligation of the public employer and the association to meet at reasonable times and confer in good faith with respect to wages, hours, and other terms and conditions of employment, or the negotiation of an agreement, or any question arising thereunder, and the execution of a written contract incorporating any agreement reached if requested by either party, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

(c) The association or the public employer may designate any person or persons to negotiate or bargain on its behalf; and the parties may utilize mediation, pursuant to Section 9 of this Act to assist them in arriving at an agreement.

(d) Whenever wages, rates of pay, or any other matter requiring appropriation of money by any governing body are included as a matter for collec-

tive bargaining pursuant to this Act, it shall be the obligation of the association to serve written notice of request for such collective bargaining on the public employer at least 120 days before the conclusion of the current fiscal operating budget.

(e) All deliberations pertaining to collective bargaining between an association and a public employer or any deliberation by a quorum of members of an association authorized to bargain collectively or by a member of a public employer authorized to bargain collectively shall be open to the public and in compliance with the Acts of the State of Texas.

#### Enforceability of Agreements

Sec. 8. Whenever a public employer and an association reach an agreement on compensation and/or other terms and conditions of employment for firefighters or policemen, pursuant to the provisions of this Act, the public employer shall be deemed to be in compliance with the requirements of Section 4 hereof as to such terms and conditions of employment for the duration of agreement. The agreement shall be enforceable and shall be binding upon the public employer, the association, and the firefighters or policemen covered therein.

#### Impasse Procedures and Voluntary Mediation

Sec. 9. (a) In any dispute between a public employer and its protective services employees represented by an association, pursuant to this Act, where an impasse is reached in the collective bargaining process, or where the appropriate lawmaking body fails to approve a contract reached through collective bargaining, and as a result the public employer and the employees are unable to effect a settlement, then either party to the dispute, after written notice to the other party containing specifications of the issue or issues in dispute, may request appointment of an arbitration board; provided, however, a party shall not request arbitration more than once during any fiscal year.

(b) For purposes of this section, an impasse in the collective bargaining process shall be deemed to occur when the parties do not reach a settlement of the issue or issues in dispute by way of a written agreement within 60 days after initiation of the collective bargaining proceedings. The period, however, may be extended by written agreement for additional periods of time, provided each such extension of time is for a definite period not to exceed 15 days.

(c) Prior to invoking arbitration, the parties shall make every reasonable effort to settle their dispute through good-faith collective bargaining; such efforts shall include mediation, provided a mediator can be appointed by agreement of the parties or by an appropriate agency of the state. If a mediator is appointed, his function shall be to assist all parties to reach a voluntary agreement. He may hold separate or joint conferences as he deems expedient to effect a voluntary, amicable, and expeditious

adjustment and settlement of the differences and issues between the parties. He shall make no public recommendation on any negotiation issue in connection with the performance of his service nor shall he make a public statement or report which evaluates the relative merits of the position of the parties. The mediator may, however, recommend or suggest to the parties any proposal or procedure which in his judgment might lead to settlement.

#### Arbitration

Sec. 10. (a) The request for arbitration referred to in Section 9 hereof shall be initiated within five days following the expiration of the 60-day pre-impassé period or within five days following an agreed extension of the period, as provided in Section 9. If both parties elect to settle their dispute by arbitration, such election shall be made within five days following the request for arbitration, and shall be in the form of a written agreement to arbitrate. The issues to be arbitrated shall be all matters which the parties have been unable to resolve through collective bargaining in accordance with the procedures of Sections 7 and 9 of this Act.

(b) Although the policy of this Act favors and encourages the parties to elect voluntary arbitration, nothing contained herein shall be deemed a requirement for compulsory arbitration.

#### Arbitration Board

Sec. 11. If the parties elect arbitration, within five days following the execution of the agreement to arbitrate they shall select and name one arbitrator and shall immediately notify each other in writing of the name and address of the person so selected. The two arbitrators so selected and named shall, within 10 days from the execution of the agreement to arbitrate, attempt to agree upon a third (neutral) arbitrator. If on the expiration of the said 10-day period the two arbitrators have been unable to agree upon the selection of the third arbitrator, either party may request the American Arbitration Association to utilize its procedures for selection of the neutral arbitrator, and said association shall be authorized to effect the appointment of the neutral arbitrator according to fair and regular procedures. Unless both parties consent, the neutral arbitrator so selected will not be the same person selected as a mediator pursuant to Section 9 hereof. The third (neutral) arbitrator, whether selected as a result of agreement between the two arbitrators previously selected or selected pursuant to American Arbitration Association procedures, shall serve as chairman of the arbitration board.

#### Hearings

Sec. 12. (a) The arbitration board shall, acting through its chairman, call a hearing to be held within 10 days after the date of the appointment of the chairman; and the board shall, acting through its chairman, give the other two arbitrators; the association, and the public employer at least seven

days' notice in writing of the time and the place of such hearing. The hearing shall be informal, and the rules of evidence prevailing in judicial proceedings shall not be binding. Any and all documentary evidence and other data deemed relevant by the arbitrators may be received in evidence. The arbitrators shall have the power to administer oaths and to require by subpoena the attendance and testimony of witnesses, the production of books, records, and other evidence relative or pertinent to any issue presented to them for determination.

(b) The hearing conducted by the arbitration board shall be concluded within 20 days of the time of commencement; within 10 days after the conclusion of the hearing the arbitration board shall make written findings, in accordance with Section 12 of this Act, and render a written award on the issues presented. A copy of the findings and award shall be mailed or otherwise delivered to the association and to the public employer.

(c) Time periods specified in this section may be extended for reasonable periods by written agreement of the parties. Time periods may also be extended, for good cause, by the arbitration board, provided the cumulative period of the extensions granted by the board shall not exceed 20 days.

#### Scope of the Arbitrators' Authority, Effect of the Award, and Enforceability

Sec. 13. (a) It shall be the duty of the arbitration board to render an award in accordance with the requirements of Section 4 of this Act. Accordingly, hazards of employment, physical qualifications, educational qualifications, mental qualifications, job training, and skills are factors, among others, which the arbitrators shall consider in settling disputes relating to wages, hours, and other terms and conditions of employment.

(b) When an arbitration award is rendered in accordance with these provisions, the public employer involved shall be deemed to be in compliance with the requirements of Section 4 hereof as to the terms and conditions provided by said award for the duration of the collective bargaining period for which the award is applicable.

(c) A majority decision of the arbitration board, if supported by competent, material, and substantial evidence on the whole record, shall be final and binding upon the parties, and may be enforced, at the instance of either party or of the arbitration board, in the state district court for the judicial district in which a majority of the affected employees reside.

(d) The commencement of a new fiscal year following the initiation of arbitration procedures under this Act, but prior to the rendition of the arbitration award or its enforcement, shall not render a dispute moot or otherwise impair the jurisdiction or authority of the arbitration board or its award. Increases in rate of compensation awarded by the arbitration board under this section may be effective only at

the start of the fiscal year next commencing after the date of the arbitration award. If a new fiscal year has commenced since initiation of arbitration procedures under this Act, the foregoing limitation shall be inapplicable and such awarded increases may be retroactive to the commencement of such fiscal year, any other statute or charter provision to the contrary notwithstanding.

(e) The parties may amend or modify an arbitration award by agreement in writing at any time.

#### Judicial Review of the Arbitration Award

Sec. 14. Awards of the arbitration board shall be reviewable by the state district court for the judicial district in which the municipality is located, but only on the following grounds: (1) that the arbitration panel was without or exceeded its jurisdiction; (2) that the order is unsupported by competent material, and substantial evidence on the whole record; or (3) that the order was procured by fraud, collusion, or other such unlawful means. The pendency of a proceeding for review shall not automatically stay the order of the arbitration board.

#### Compensation of Arbitrators and Expenses

Sec. 15. The compensation, if any, of the arbitrator appointed for the firefighters and/or policemen shall be paid by the association representing the firefighters and/or policemen. The compensation of the arbitrator appointed for the public employer shall be paid by the public employer. The compensation of the neutral arbitrator, as well as all stenographic and other expenses incurred by the arbitration board in connection with the arbitration proceedings, shall be paid jointly in even proportions by the association representing the firefighters and/or the policemen and the public employer. If either party in the arbitration requires a transcript of the arbitration proceedings that party shall be required to bear the cost of the transcript.

#### Judicial Enforcement When the Public Employer Declines to Arbitrate

Sec. 16. Should a public employer choose not to elect arbitration when arbitration has been requested by an association pursuant to Sections 9, 10, and 11 hereof, on the application of the association, the state district court of the judicial district in which a majority of the affected employees reside shall have full power, authority, and jurisdiction to enforce the requirements of Section 4 hereof as to any unsettled issue relating to compensation and/or other terms and conditions of employment for firefighters and/or policemen. The court costs of any such action, including costs for a master if one is appointed, shall be taxed against the public employer. In the event the court finds the public employer in violation of Section 4 hereof, it shall: (1) order the public employer to make the affected firefighters and/or policemen whole as to their past losses; (2) declare the compensation and/or other terms and conditions of employment required by Section 4

hereof for the period as to which the parties had been bargaining, but not to exceed a period of one year, and (3) award the employees' association reasonable attorney's fees.

#### Strikes and Lockouts

Sec. 17. (a) Strikes, lockouts, work stoppages, and slowdowns of firefighters and/or policemen shall be unlawful, and they are hereby prohibited.

(b) In the case of a lockout of firefighters or policemen by a municipality, or its designated representative or agent, or a department or agency head, the Court shall (i) issue an order restraining and enjoining such violation, and/or (ii) impose on any individual violator a fine of not more than \$2,000.

(c) Upon the finding by the district court in which the municipality is located that a fire or police service association has called, ordered, aided, or abetted in a strike of firefighters or policemen, the Court shall impose upon such employee organization, for each day of such violation a fine fixed in an amount equal to  $\frac{1}{2}$  of the total amount of annual membership dues of such association or \$20,000, whichever is the lesser; provided, however, that where an amount equal to  $\frac{1}{2}$  of the total amount of annual membership dues of such employee organization is less than \$2,500, such fine shall be fixed in the amount of \$2,500. In addition, the Court shall order forfeiture of any membership dues checkoff for a specified period of time not to exceed 12 months. If, however, the association alleges, and the Court finds, that the appropriate municipality or its representatives engaged in such acts of extreme provocation as to detract substantially from the responsibility of the association for the strike, the Court may, in its discretion, reduce the amount of the fine imposed.

(d) If an association appeals a fine imposed pursuant to the preceding paragraph, such employee organization shall not be required to pay such fine until such appeal is finally determined.

(e) If a firefighter or policeman engages in a strike, or interferes with the municipality, or prevents the municipality from engaging in its duty, or commits, attempts or directs any employee of the municipality to stop or decline to work, or slowdown work, or causes any other person to fail or refuse to deliver to the municipality goods or services, or pickets for any of the above illegal acts, or conspires to perform any of the above acts, the wages or compensation in any form of such firefighter or policeman shall not increase in any manner or form, until after the expiration of one year from the date such firefighter or policeman resumes normal working duties, and said firefighter or policeman shall be on probation for two years with respect to civil service status, tenure of employment, or contract of employment, which that person may have theretofore been entitled.

**Judicial Enforcement Generally**

Sec. 18. The state district court of the judicial district in which the municipality is located, and any judge thereof, shall have full power, authority, and jurisdiction, on the application of either party aggrieved by an action or omission of the other party, when such action or omission pertains to the rights, duties, or obligations provided in this Act, to issue any and all proper restraining orders, temporary or permanent injunctions, and any other and further writ, order, or process, including but not limited to contempt orders, that are appropriate to carrying out and enforcing the provisions of this Act.

**Severability**

Sec. 19. If any provision of this Act or the application of such provision to any person or circumstance is held invalid, the remainder of the Act or the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

**Act Takes Precedence**

Sec. 20. (a) This Act shall supersede all conflicting provisions in previous statutes concerning this subject matter; to the extent of any conflict the previous conflicting statutory provision is hereby repealed; and this Act shall preempt all contrary local ordinances, executive orders, legislation, rules, or regulations adopted by the state or by any of its political subdivisions or agents, such as, but not limited to, a personnel board, a civil service commission, or a home-rule municipality.

(b) Provisions of collective bargaining contracts made pursuant to this Act shall take precedence over state or local civil service provisions whenever the collective bargaining contract, by agreement of the parties, specifically so provides. Otherwise, the civil service provisions shall prevail. Civil service provisions, however, shall not be repealed or modified by arbitration or judicial action; although arbitrators and courts, where appropriate, may interpret and/or enforce civil service provisions.

(c) Nothing contained in this Act shall be construed as repealing any existing benefit provided by statute or ordinance concerning firefighters' or policemen's salaries, pensions, or retirement plans, hours of work, conditions of work, or other emoluments; this Act shall be cumulative and in addition to the benefits provided by said statutes and ordinances.

(d) Nothing contained in this Act shall be deemed a limitation on the authority of a fire chief or police chief of a city under Chapter 325, Acts of the 50th Legislature, 1947 (Article 1269m, Vernon's Texas Civil Statutes), except to the extent the parties through collective bargaining shall agree to modify such authority.

[Acts 1973, 63rd Leg., p. 151, ch. 81, eff. Aug. 27, 1973. Amended by Acts 1981, 67th Leg., p. 2634, ch. 707, § 4(12), eff. Aug. 31, 1981.]

**Art. 5154d. Picketing**

Sec. 1. It shall be unlawful for any person, singly or in concert with others, to engage in picketing or any form of picketing activity that shall constitute mass picketing as herein defined.

"Mass picketing," as that term is used herein, shall mean any form of picketing in which:

1. There are more than two (2) pickets at any time within either fifty (50) feet of any entrance to the premises being picketed, or within fifty (50) feet of any other picket or pickets.

2. Pickets constitute or form any character of obstacle to the free ingress to an egress from any entrance to any premises being picketed or to any other premises, either by obstructing said free ingress or egress by their persons or by the placing of vehicles or other physical obstructions.

The term "picket," as used in this Act, shall include any person stationed by or acting for and in behalf of any organization for the purpose of inducing, or attempting to induce, anyone not to enter the premises in question or to observe the premises so as to ascertain who enters or patronizes the same, or who by any means follows employees or patrons of the place being picketed either to or from said place so as either to observe them or attempt to persuade them to cease entering or patronizing the premises being picketed.

The term "picketing," as used in this Act, shall include the stationing or posting of one's person or of others for and in behalf of any organization to induce anyone not to enter the premises in question, or to observe the premises so as to ascertain who enters or patronizes the same, or to follow employees or patrons of the place being picketed either to or from said place so as either to observe them or attempt to persuade them to cease entering or patronizing the premises being picketed.

Sec. 2. It shall be unlawful for any person, singly or in concert with others, by use of insulting, threatening or obscene language, to interfere with, hinder, obstruct, or intimidate, or seek to interfere with, hinder, obstruct, or intimidate, another in the exercise of his lawful right to work, or to enter upon the performance of any lawful vocation, or from freely entering or leaving any premises.

Sec. 3. It shall be unlawful for any person, singly or in concert with others, to engage in picketing or any form of picketing activities, where any part of such picketing is accompanied by slander, libel, or the public display or publication of oral or written misrepresentations.

Sec. 4. It shall be unlawful for any person, singly or in concert with others, to engage in picketing, the purpose of which, directly or indirectly, is to secure the disregard, breach or violation of a valid subsisting labor agreement arrived at between an employer and the representatives designated or selected by the employees for the purpose of collective

bargaining, or certified as the bargaining unit under the provisions of the National Labor Relations Act.<sup>1</sup>

Sec. 4a. It shall be unlawful for any person, singly or in concert with others, to declare, publicize or advertise the continued existence of picketing, actual or constructive, at any point or directed against any premises after a court of competent jurisdiction has enjoined and restrained the continuance of such picketing at said point or premises.

Sec. 5. Any person guilty of violating any of the Sections of this Act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than Twenty-five Dollars (\$25) nor more than Five Hundred Dollars (\$500), or be imprisoned in jail not to exceed ninety (90) days, or both. Each separate act of violation shall constitute a separate offense.

Sec. 6. If any clause, sentence, paragraph or part of this Act or the application thereof, to any person or circumstances, shall for any reason be adjudged to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Act and the application thereof, it being the expressed intention of the Legislature to enact such Act without respect to such Section or part so held to be invalid.

**Art. 5154e. Contracts for Withholding Union Dues From Employee's Wages Invalid Without Employee's Consent**

Any contract which permits, requires, prescribes or provides for the retention of any part of the compensation of an employee for the purpose of paying dues or assessments on his part to any labor union, without the written consent of the employee delivered to the employer authorizing the retention or the withholding of such sum shall be null and void and against public policy. The provisions of this Section shall not apply to any contract or contracts heretofore executed but shall apply to any renewal or extension of existing contracts and to any new agreement or contract executed after the effective date of this Act.

[Acts 1947, 50th Leg., p. 487, ch. 284, § 1.]

**Art. 5154f. Secondary Strikes, Picketing and Boycotts Prohibited**

Sec. 1. It shall be unlawful for any person or persons, or association of persons, or any labor union, incorporated or unincorporated, or the members or agents thereof, acting singly or in concert with others, to establish, call, participate in, aid or abet a secondary strike, or secondary picketing, or a secondary boycott, as those terms are defined herein.

Sec. 2. As used in this Act:

a. The term "labor union" means every association, group, union, national and local, branch or

subordinate organization of any union of working men, incorporated or unincorporated, organized and existing in part for the purpose of protecting themselves and improving their working conditions, wages, or employment relationships in any manner; and shall include the local, state, national and international affiliates of such organizations or unions.

b. "Secondary strike" shall mean a temporary stoppage of work by the concerted action of two or more employees of an employer where no labor dispute exists between the employer and such employees, and where such temporary stoppage results from a labor dispute to which such two or more employees are not parties.

c. The term "picket" shall include any person stationed by or acting in behalf of any organization for the purpose of inducing anyone not to enter the premises in question; or for apprising the public by signs, banners or other means, of the existence of a labor dispute at or near the premises in question; or for observing the premises so as to ascertain who enters or patronizes the same; or any person who by any means follows employees or patrons of the place being picketed either to or from such place so as to either observe them or to attempt to persuade them to cease entering or patronizing the premises being picketed.

d. The term "secondary picketing" shall mean the act of establishing a picket or pickets at or near the premises of any employer where no labor dispute, as that term is defined in this Act, exists between such employer and his employees.

e. The term "secondary boycott" shall include any combination, plan, agreement or compact entered into or any concerted action by two or more persons to cause injury or damage to any person, firm or corporation by whom they are not employees, by

If the plaintiff shall recover judgment in such case, it shall include a penalty of twenty-five (25) per cent of the amount due and a reasonable fee for the plaintiff's attorney for his services in the suit, all of which, as well as to costs, shall be taxed against the defendant.

It is the intent and understanding of the Legislature that if a piece rate worker does not harvest the number of units of a particular commodity that would provide the minimum wage as established for a worker of average ability and diligence, none the less that worker need be paid for only those number of units of production harvested by him.

(c) The commissioner shall accumulate data regarding the actual productivity of hand harvesters of agricultural commodities in this state in sufficient quantity to serve as a reasonable basis for establishing a piece rate for each commodity. On the basis of this data the average hourly productivity of hand harvest laborers with respect to each agricultural commodity commercially produced in substantial quantity in this state shall be calculated in terms of units of each commodity or units of the weight or measure customarily used with respect to each commodity. The minimum wage for agriculture provided for in Section 6(a) of this Act shall then be divided by the average hourly production of hand harvesters of each commodity and in each case the result, rounded to the nearest cent, shall be the piece rate established by the commissioner for that commodity.

(d) When, in the judgment of the commissioner, insufficient data is available for determining the average hourly productivity of hand harvesters of a particular commodity, or when in the judgment of

the commissioner a particular commodity is not commercially produced in this state in sufficient quantity or volume to warrant the determination of a piece rate, then no piece rate shall be established for the harvesting of the commodity and the provisions of Section 6(a) of this Act shall be applicable to employers employing hand harvest laborers to harvest any commodity for which piece rate has not been established. The decision of the commissioner not to establish a piece rate for a particular commodity at any given time shall not preclude the establishment of a piece rate for the commodity at any subsequent time when, in the judgment of the commissioner, sufficient data are available and the volume of production of the commodity warrants the establishment of a piece rate.

(e) The commissioner shall retain all data used in determining any piece rate for the period of time that the piece rate based on the data is in effect, and all the data shall be available for public inspection.

(f) Before issuing an order establishing any piece rate or rates the commissioner, or such person as may be designated by the commissioner for such purpose, shall hold a public hearing at which the proposed rate or rates and the data upon which the rate or rates are based shall be presented. A reasonable opportunity shall be afforded to agricultural employers and employees, or their representatives, to be heard and to protest the establishment of any proposed rate, and following the hearing the commissioner may modify any proposed rate before finally establishing it. The judgment of the commissioner in establishing any piece rate shall be final and binding upon all parties subject to this Act unless set aside by judgment of a court of competent jurisdiction. In the event a piece rate for any commodity is set aside by final judgment of a court of competent jurisdiction, the minimum hourly wage provided in Section 6(a) of this Act shall apply to harvesting the commodity until a valid piece rate is established.

(g) The provisions of this section relating to the duties and authority of the commissioner shall become effective on the effective date of this Act and the commissioner shall proceed forthwith to collect data for the establishment of piece rates to become applicable on February 1, 1971. Initial piece rates shall be established and promulgated by the commissioner not later than December 31, 1970, and thereafter all orders of the commissioner establishing or modifying piece rates shall be issued at least 30 days in advance of the date when the rates become effective.

(h) After the establishment of any piece rate or rates the order establishing same shall be kept on file in the office of the commissioner in Austin, Texas, and shall be available for public inspection. The commissioner shall make copies available to anyone on request and may charge a reasonable amount to cover the cost of making and distributing

the copies. A copy of each order establishing a piece rate or rates shall be furnished by the commissioner to the Bureau of Labor Statistics.

(i) At any time the data available to the commissioner indicates a substantial change in condition a new piece rate may be established for any commodity in the manner provided in this Act for the establishment of piece rates in the first instance. The commissioner shall review all piece rates at least once a year and determine whether any new rates are needed.

(j) The provisions of this section apply to contract labor as well as to any person directly employed by any owner, operator, or manager of a farm.

(k) In case of emergency caused by flood, hurricane, or other natural calamity or other disaster or by any occurrence that may result in the excessive loss of agricultural products, piece rates may be suspended by order of the commissioner for not more than 30 days in any area defined in the order of suspension.

(l) The commissioner may make rules and regulations necessary for the proper administration of this Act, including procedures for giving notice of and conducting hearings.

#### Agricultural Exemption

Sec. 8. The provisions of Sections 5, 6, and 7 shall not apply to any agricultural employer who during any calendar quarter during the preceding calendar year did not use more than 300 man-days of agricultural labor, nor to any agricultural employer with respect to employees engaged in the production of livestock and in activities in support thereof.

#### Special Provisions for Certain Workers

Sec. 9. (a) In order to prevent curtailment of employment opportunities, any person whose earning or productive capacity is impaired by age, physical or mental deficiency, or injury or who is over the age of 65 years may be employed at wages lower than the minimum wage applicable under this Act, but at not less than 60 percent of the minimum wage. Provided, that the provisions of the section shall not be applicable to persons employed in agriculture as piece rate workers.

(b) An employer employing a person mentioned in Subsection (a) of this section at a wage lower than the applicable minimum wage under this Act shall not be relieved of liability under Section 13 of this Act, unless, prior to the employment of the person or within 90 days after the effective date of this Act, the employer secures a medical certificate signed by a physician licensed to practice medicine by the Texas State Board of Medical Examiners, certifying that because of age, physical or mental deficiency, or injury the productive or earning capacity of the person seeking employment is materially impaired.

(c) The medical certificate shall be retained by the employer during the period of employment of the person and for two years after the employment is terminated. The statement of earnings given to the person by the employer, as required by Section 11 of this Act shall include the words "medical certificate."

#### Sheltered Workshops

Sec. 10. Nonprofit charitable organizations which are engaged in evaluating, training, and employment services for handicapped clients and which comply with federal regulations covering these activities will be considered to have complied with this Act.

#### Mental Health and Retardation Department Patient-Student Workers

Sec. 10a. Patients and students who are clients of any facility of the Texas Department of Mental Health and Mental Retardation, whose productive capacity is impaired and who are assisting in the operation of the institutions as part of their therapy, or who are receiving occupational training in sheltered workshops or other programs operated by the Texas Department of Mental Health and Mental Retardation, where the institution or department derives an economic benefit from their services, may be compensated for such services at a percentage of the base wage, which percentage corresponds to the percentage of their productive capacity when compared with employees not so impaired performing the same or similar tasks. The Texas Department of Mental Health and Mental Retardation shall promulgate rules for determining said base wage and said percentage of productive capacity of such clients and such other rules as may be necessary to fulfill the provisions of this section of the Act. It is the specific intent of the legislature that this provision be enacted in order to prevent the curtailment of appropriate occupational training or therapeutic opportunities for such clients. To further such purpose, it is specifically provided that the services rendered and the payment provided for such services herein shall not be construed to create an employer-employee relationship between the Texas Department of Mental Health and Mental Retardation and the patients and students engaged in such training, therapeutic or rehabilitative services.

#### Employer's Statement

Sec. 11. (a) At the end of each pay period, the employer shall give each employee an earnings statement in writing covering that pay period. The earnings statement shall be signed by the employer or his agent and shall include:

- (1) the name of the employee;
- (2) the rate of pay;
- (3) the total amount of pay earned by the employee during the pay period;
- (4) any deductions made from the employee's pay;

(5) the amount of pay after all deductions are made; and

(6) the total number of hours worked by the employee if paid on an hourly basis, or the total amount of work done by the employee during the pay period in units of production if the employee is paid on the piece rate basis.

(b) If the employee is employed in agriculture under the provisions of Section 6(a), 6(b), or 6(c) of this Act, the employer's statement shall include a notation to that effect.

(c) The earnings statement may be in any form determined by the employer and it shall be sufficient if the information required by Subsection (a) of this section is stated on a check voucher or bank draft given to the employee for his wages.

#### Criminal Penalty

Sec. 12. Any employer, who, for the purpose of depriving an employee of any wages to which the employee is entitled, shall furnish to the employee a statement required under the provisions of Section 11 of this Act which the employer knows to be false, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than \$100 nor more than \$500 or by confinement in the county jail for not less than 5 nor more than 30 days or by both.

#### Civil Penalty

Sec. 13. (a) Any employer who violates the provisions of Section 5, 6, 7, or 9 of this Act is liable to the employee or employees affected in the amount of the unpaid wages plus an additional equal amount as liquidated damages.

(b) An action to recover the liability may be maintained in any court of competent jurisdiction in the county where the cause of action accrued by one or more employees for himself or themselves and other employees similarly situated. No employee shall be a party plaintiff to any action brought under this section unless he gives his written consent and his written consent is filed in the court in which the action is brought.

(c) At the trial of any cause of action brought under this section, the plaintiff shall recover if the jury or the court finds from a preponderance of the evidence that

(1) the plaintiff or plaintiffs are or have been employed by the defendant at any time during the two years immediately preceding the institution of the suit;

(2) the defendant has failed, up until the time of the filing of the suit, to furnish plaintiff or plaintiffs a statement or statements of earnings as required by Section 11 of this Act;

(3) the original petition filed by or on behalf of plaintiff or plaintiffs is verified and contains a de-

(4) the defendant persisted in failing or refusing to furnish the statement or statements; and

(5) that the defendant had failed to pay to plaintiff or plaintiffs the minimum wage as set forth in Section 5, 6, 7 or 9 of this Act.

(d) In addition to any judgment awarded to the plaintiff or plaintiffs, the court shall allow a reasonable attorney's fee and costs of the action to be paid by the defendant.

(e) An action to recover upon any liability imposed by this section must be commenced within two years after the unpaid wages are due and payable.

#### Collective Bargaining Not Impaired

Sec. 14. Nothing in this Act shall be considered to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers through representatives of their own choosing in order to establish wages in excess of the applicable minimum under the provisions of this Act.

#### Dissemination of Information

Sec. 15. The Bureau of Labor Statistics shall disseminate information to the public regarding the provisions of this Act to the end that both employers and employees in this state will be fully aware of their respective rights and responsibilities, the exemptions specified, and the penalties and liabilities which may be incurred for violations of the provisions of this Act.

#### Severability

Sec. 16. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

#### CHAPTER FOUR. CONTRACTORS' PERFORMANCE AND PAYMENT BONDS

Art.

5160. Bond for Labor and Material; Performance Bond. 5160a to 5164. Repealed.

**Art. 5160. Bond for Labor and Material; Performance Bond****Contractors' Bonds for Performance and Payment for Labor and Material**

A. Any person or persons, firm, or corporation, hereinafter referred to as "prime contractor," entering into a formal contract in excess of \$25,000 with this State, any department, board or agency thereof; or any county of this State, department, board or agency thereof; or any municipality of this State, department, board or agency thereof; or any school district in this State, common or independent, or subdivision thereof; or any other governmental or quasi-governmental authority whether specifically named herein or not, authorized under any law of this State, general or local, to enter into contractual agreements for the construction, alteration or repair of any public building or the prosecution or completion of any public work, shall be required before commencing such work to execute to the aforementioned governmental authority or authorities, as the case may be, the statutory bonds as hereinafter prescribed, but no governmental authority may require a bond if the contract does not exceed the sum of \$25,000. Each such bond shall be executed by a corporate surety or corporate sureties duly authorized to do business in this State. In the case of contracts of the State or a department, board, or agency thereof, the aforesaid bonds shall be payable to the State and shall be approved by the Attorney General as to form. In case of all other contracts subject to this Act, the bonds shall be payable to the governmental awarding authority concerned, and shall be approved by it as to form. Any bond furnished by any prime contractor in an attempted compliance with this Act shall be treated and construed as in conformity with the requirements of this Act as to rights created, limitations thereon, and remedies provided.

(a) A Performance Bond in the amount of the contract conditioned upon the faithful performance of the work in accordance with the plans, specifications, and contract documents. Said bond shall be solely for the protection of the State or the governmental authority awarding the contract, as the case may be.

(b) A Payment Bond, in the amount of the contract, solely for the protection of all claimants supplying labor and material as hereinafter defined, in the prosecution of the work provided for in said contract, for the use of each such claimant.

**Rights of Person Furnishing Labor or Material; Notice Required**

B. Every claimant who has furnished labor or material in the prosecution of the work provided for in such contract in which a Payment Bond is furnished as required hereinabove, and who has not been paid in full therefor, shall have the right, if his claim remains unpaid after the expiration of sixty (60) days after the filing of the claim as herein

required, to sue the principal and surety or sureties on the Payment Bond jointly or severally for the amount due on the balance thereof unpaid at the time of filing the claim or of the institution of the suit plus reasonable attorneys' fees; provided:

(a) Notices Required for Unpaid Bills, other than notices solely for Retainages as hereinafter described.

Such claimant shall have given within ninety (90) days after the 10th day of the month next following each month in which the labor was done or performed, in whole or in part, or material was delivered, in whole or in part, for which such claim is made, written notices of the claim by certified or registered mail, addressed to the prime contractor at his last known business address, or at his residence, and to the surety or sureties. Such notices shall be accompanied by a sworn statement of account stating in substance that the amount claimed is just and correct and that all just and lawful offsets, payments, and credits known to the affiant have been allowed. Such statement of account shall include therein the amount of any retainage or retainages applicable to the account that have not become due by virtue of terms of the contract between the claimant and the prime contractor or between the claimant and a subcontractor. When the claim is based on a written agreement, the claimant shall have the option to enclose, with the sworn statement of account, as such notice a true copy of such agreement and advising completion or value of partial completion of same.

(1) When no written contract or written agreement exists between the claimant and the prime contractor or between the claimant and a subcontractor, except as provided in subparagraph B(a)(2) hereof, such notices shall state the name of the party for whom the labor was done or performed or to whom the material was delivered, and the approximate dates of performance and delivery, and describing the labor or materials or both in such a manner so as to reasonably identify the said labor or materials or both and amount due therefor. The claimant shall generally itemize his claim and shall accompany same with true copies of documents, invoices or orders sufficient to reasonably identify the labor performed or material delivered for which claim is being made. Such documents and copies thereof shall have thereon a reasonable identification or description of the job and destination of delivery.

(2) When the claim is for multiple items of labor or material or both to be paid for on a lump sum basis such notice shall state the name of the party for whom the labor was done or performed or to whom the material was delivered, the amount of the contract and whether written or oral, the amount claimed and the approximate date or dates of performance or delivery or both and describing the labor or materials or both in such a manner as to reasonably identify the said labor or materials.

(3) When a claimant who is a subcontractor or materialman to the prime contractor or to a subcontractor has a written unit price agreement, completed or partially completed, such notices shall be sufficient if such claimant shall attach to his sworn statement of account a list of units and unit prices as fixed by said contract and a statement of such units completed and of such units partially completed.

(b) Additional Notices Required of Claimants Who Do Not Have a Direct Contractual Relationship With the Prime Contractor.

Excepting an individual mechanic or laborer who is a claimant for wages, no right of action shall be legally enforceable, nor shall any suit be maintained under any provision of this Act by a claimant not having a direct contractual relationship with any prime contractor for material furnished or labor performed under the provisions of this Act unless such claimant has complied with those of the following additional requirements which are applicable to the claim:

(1) If any agreements exist between the claimant and any subcontractors by which payments are not to be made in full therefor in the month next following each month in which the labor was performed or the materials were delivered or both, such claimant shall have given written notice by certified or registered mail addressed to the prime contractor at his last known business address, or at his residence, within thirty-six (36) days after the 10th day of the month next following the commencement of the delivery of materials or the performance of labor that there has been agreed upon between the claimant and such subcontractors such retention of funds. Such notice shall indicate generally the nature of such retainage.

(2) Such Claimant shall have given written notice by certified or registered mail as described in the preceding subparagraph B(b)(1) to the prime contractor within thirty-six (36) days after the 10th day of the month next following each month in which the labor was done or performed, in whole or in part, or material delivered, in whole or in part, that payment therefor has not been received. A copy of this statement sent to the subcontractor shall suffice as such notice.

(3) If the basis of the claim is an undelivered specially fabricated item or items as described in paragraph C(b)(2), such claimant shall have given written notice by certified or registered mail as described in the preceding subparagraph B(b)(1) to the prime contractor within forty-five (45) days after the receipt and acceptance of an order for hereinafter described specially fabricated material that such an order has been received and accepted.

(c) Notices of Unpaid Retainages Required. Retainage Defined.

Retainage as referred to in this Act is defined as any amount representing any part of the contract

payments which are not required to be paid to the claimant within the month next following the month in which the labor was done or material furnished or both.

When a contract between the prime contractor and such claimant, or between a subcontractor and such claimant provides for retainage, such claimant shall have given, on or before ninety (90) days after the final completion of the contract between the prime contractor and the awarding authority, written notices of the claim for such retainage by certified or registered mail to the prime contractor at his last known business address, or at his home address, and to the surety or sureties. Such notices shall consist of a statement showing the amount of the contract, the amount paid, if any, and the balance outstanding. No claim for such retainage contained in such notices shall be valid to an extent greater than the amount specified in the contract between the prime contractor or the subcontractor and the claimant to be retained, and in no event greater than ten per cent (10%) of such contract. However, such notices shall not be required if the amount claimed is part of a prior claim which has been made as heretofore described.

#### Claimant Defined

C. A claimant is defined as anyone having direct contractual relationship with the Prime Contractor, or with a subcontractor, to perform the work or a part of the work, or to furnish labor or materials or both as a part of the work as follows:

(a) Labor is to be construed to mean labor used in the direct prosecution of the work.

(b) Material is to be construed to mean any part or all of the following:

(1) Material incorporated in the work, or consumed in the direct prosecution of the work, or ordered and delivered for such incorporation or such consumption.

(2) Material specially fabricated on the order of the Prime Contractor or of a subcontractor for use as a component part of said public building, or other public work so as to be reasonably unsuitable for use elsewhere, even though such material has not been delivered or incorporated into the public building or public work, but in such event only to the extent of its reasonable costs, less its fair salvage value, and only to the extent that such specially fabricated material is in conformity and compliance with the plans, specifications, and contract documents for same.

(3) Rent at a reasonable rate and actual running repairs at a reasonable cost for construction equipment, used in the direct prosecution of the work at the project site, or reasonably required and delivered for such use.

(4) Power, water, fuel and lubricants, when such items have been consumed or ordered and delivered

for consumption, in the direct prosecution of the work.

(c) A subcontractor is any person or persons, firm or corporation who has furnished labor or materials or both as defined above to fulfill an obligation to the prime contractor or to a subcontractor to perform and install all or part of the work required by the prime contract.

A subcontractor shall have a claim, but such claim, including previous payments however, shall not exceed that proportion of the subcontract price which the work done bears to the total of the work covered by the subcontract.

(d) When a claim is assigned to a third party then and in that event such third party shall stand in the same position as a claimant, provided the notices required in this Act are given.

#### Penalty for Fraudulent Claims

D. Any person who shall willfully file a false and fraudulent claim hereunder shall be subject to the penalties for false swearing.

#### Termination of Contract

E. In the event any contractor, who shall have furnished the bonds provided in this Statute, shall abandon performance of his contract or the awarding authority shall lawfully terminate his right to proceed with performance thereof because of a default or defaults on his part, no further proceeds of the contract shall be payable to him unless and until all costs of completion of the work shall have been paid by him. Any balance remaining shall be payable to him or his surety as their interest may appear, as may be established by agreement or judgment of a court of competent jurisdiction.

#### Copy of Bonds to be Furnished

F. The contracting authority is authorized and directed to furnish to any person making application therefor who submits an affidavit that he has supplied labor, rented equipment, or materials for such work, or that he has entered into a contract for specially fabricated material, and payment therefor has not been made, or that he is being sued on any such bond, a certified copy of such payment bond and the contract for which it was given, which copy shall be prima facie evidence of the contents, execution and delivery of the original. Applicants shall pay for such certified copies such reasonable fees as the contracting authority may fix to cover the actual cost of preparation thereof.

#### Venue

G. All suits instituted under the provisions of this Act shall be brought in a court of competent jurisdiction in the county in which the project or work, or any part thereof, is situated. No suit shall be instituted on the performance bond after the expiration of one (1) year after the date of final completion of such contract. No suit shall be insti-

tuted by a claimant on the payment bond after the expiration of one (1) year after the date suit may be brought thereon under the provisions of Section 1.B. hereof. The State of Texas shall not be liable for the payment of any cost or the expenses of any suit instituted by any party or parties on the payment bond.

5165.1. Eight Hours a Day's Work.

5165.2. Violating Eight Hour Law.

5165.3. Penalty.

5165a. Weekly Working Hours of State Office Employees.

5166, 5167. Repealed.

5167a. Hours of Peace Officers and Compensation for Extra Hours in Counties Over 500,000.

#### Art. 5165. Eight Hours a Day's Work

Eight hours shall constitute a day's work for all laborers, workmen or mechanics who may be employed by or on behalf of the State of Texas, or by or on behalf of any county, municipality, or political subdivision of the State, county or municipality in any one calendar day, where such employment, contract or work is for the purpose of constructing, repairing or improving buildings, bridges, roads, highways, streams, levees, or other work of a similar character, requiring the service of laborers, workmen or mechanics.

[Acts 1925, S.B. 84.]

#### Art. 5165.1. Eight Hours a Day's Work

Eight hours shall constitute a day's work for all laborers, workmen or mechanics who may be employed by or on behalf of the State of Texas, or by or on behalf of any county, municipality, or political subdivision of the State, county or municipality in any one calendar day, where such employment, contract or work is for the purpose of constructing, repairing or improving buildings, bridges, roads, highways, streams, levees, or other work of a simi-

[1925 P.C.]

**Art. 5165.2. Violating Eight Hour Law**

All contracts made by or on behalf of the State of Texas, or by or on behalf of any county, municipality or other legal or political subdivision of the State, with any corporation, person or association of persons for performance of any work, shall be deemed and considered as made upon the basis of eight (8) hours constituting a day's work. The time consumed by the laborer in going to and returning from the place of work shall not be considered as part of the hours of work. It shall be unlawful for any corporation, person or association of persons having a contract with the State or any political subdivision thereof, to require or permit any such laborers, workmen, or mechanics to work more than eight (8) hours per calendar day in doing such work, except in cases of emergency, which may arise in times of war, or in cases where it may become necessary to work more than eight (8) hours per calendar day for the protection of property, human life or the necessity of housing inmates of public institutions in case of fire or destruction by the elements or in cases where the total number of hours per week required or permitted of any such laborer, workman or mechanic, engaged on work financed in whole or in part by the Federal Government or any agency thereof, does not exceed the number of hours per week allowed by any regulation of the Federal Government or any agency thereof. In such emergencies the laborers, workmen, or mechanics so employed and working to exceed eight (8) hours per calendar day shall be paid on the basis of eight (8) hours constituting a day's work. Not less than the current rate of per hour wages for like work in the locality where the work is being performed shall be paid to the laborers, workmen, mechanics or other persons so employed by or on behalf of the State, or for any county, municipality or other legal or political subdivision of the State, county or municipality, and every contract hereafter made for the performance of work for the State, or for any county, municipality or other legal or political subdivision of the State, county or municipality, must comply with the requirements of this Chapter.

[1925 P.C. Amended by Acts 1935, 44th Leg., p. 644, ch. 259, § 1.]

**Art. 5165.3. Penalty**

Any person, or any officer, agent or employé of any person, corporation or association of persons, or any officer, agent or employé of the State, county, municipality, or any legal or political subdivision of the State, county or municipality, who shall fail or refuse to comply with any provision of this chapter or who shall violate any of its provisions shall be fined not less than fifty nor more than one thousand dollars, or be imprisoned in jail not to exceed six

Provided, however, that the administrative heads of agencies whose functions are such that certain services must be maintained on a twenty-four (24) hours per day basis are authorized to require that essential employees engaged in performing such services be on duty for a longer work-week in necessary or emergency situations. Provided further that the provisions of this Act do not apply to houseparents who are employed by and who live at the facilities of the Texas Youth Commission.

**Sec. 2.** Except as otherwise provided in Section 1 of this Act, and except on legal holidays authorized by law, the normal office hours of state departments, institutions and agencies shall be from 8:00 a.m. to 5:00 p.m., Mondays through Fridays, and these shall be the regular hours of work for all full-time employees; provided, however, that such normal working hours for employees of state departments and agencies in the Capitol Area in Austin may be staggered in such manner as biennial Appropriations Acts of the Legislature may stipulate or authorize in the interests of traffic regulation and public safety. Where an executive head deems it necessary or advisable, offices may also be kept open during other hours and on other days, and the time worked on such other days shall count toward the forty (40) hours per week which are required under Section 1 of this Act. It is further provided that exceptions to the minimum length of the work week may be made by the executive head of a state agency to take care of any emergency or public necessity that he may find to exist. In making such findings, the board may consider among other relevant factors:

(1) the cause of industrial accidents and occupational injuries and the extent to which they may result from the use of, or failure to use, particular equipment, devices, processes, plant layouts, and methods of inspection, maintenance and construc-

The members of such subcommittees shall be selected primarily for their general qualifications to cope expertly with the various subjects assigned to them, and, to the extent practicable, the same impartial balance of representation by employer members and employee members shall be preserved. Qualification to serve on subcommittees shall not require membership on the General Advisory Occupational Safety Committee, but members of such safety committee shall also be assigned to serve on such subcommittees by the engineer. The public member of the board shall be available to the subcommittees, upon their request or the request of the engineer, to aid the subcommittees in formulating their programs, recommended rules, and reports. All hearings shall be open to the public.

(c) Upon receipt of such petition, the engineer, after consultation with the board, may determine the same by *confirming without hearing* his previous determination. If the material issues presented by the petition have not been previously considered at a hearing, the engineer shall refer the matter to the board for hearing for consideration of the issues involved and for its recommendations. Notice of the time and place of such hearing shall be given to the petitioner and to such other persons as the engineer may find directly interested in the issues involved in the petition.

(d) If the board shall find that the rule, standard, regulation, amendment, modification, change or repeal complained of is unreasonable, it shall, in accordance with the procedure set forth in the provisions of this Act, formulate and propose such substitute rule, standard or regulation as the board shall determine to be reasonable, and a hearing shall be directed and held upon such substitute rule as provided in Section 9 hereof.

#### Effective Date of Rules: Publication

Sec. 11. (a) Every rule, standard, or regulation and all amendments, substitutions, changes and repeals thereof shall, unless otherwise prescribed by the board, take effect 30 days after the first publication thereof and certified copies thereof shall be filed in the office of the Secretary of State.

Said action shall have precedence over all other causes on the docket of a different nature, and shall be tried and determined as other civil causes in said court. Either party to said action may appeal as in other civil cases to the court having jurisdiction of said causes; and said action so appealed shall have precedence in said appellate court of all causes of different character therein pending. Provided further that no preliminary injunction shall be issued without notice to the opposite party and a hearing had thereon.

#### Enforcement and Penalties

Sec. 13. (a) The engineer shall administer and enforce the provisions of this Act through his powers and authority under the provisions of this Act, and under such powers as may be lawfully delegated to him by the board under this Act.

<sup>1</sup> Article 1396-1.01 et seq.

#### Bonds Payable From Revenue

Sec. 3. Bonds issued under the provisions of this Act shall not be deemed to constitute a debt of the State, the issuer or of any other political subdivision or agency of this State or a pledge of the faith and credit of any of them, but such bonds shall be payable solely from the funds herein provided therefor from revenues. All such revenue bonds shall contain on the face thereof a statement to the effect that neither the State, the issuer or any political subdivision or agency of the State shall be obligated to pay the same or the interest thereon except from revenues of the particular project or medical project

for which they are issued and that neither the faith and credit nor the taxing power of the State, the issuer or any political subdivision or agency thereof is pledged to the payment of the principal of or the interest on such bonds. The issuer shall not be authorized to incur financial obligations which cannot be paid from revenues realized from the lease of a project or medical projects.

#### Powers of Issuers

Sec. 4. (a) In addition to any other powers which it may now have, each issuer shall have without any other authority the following powers:

(1) to acquire, whether by construction, purchase, devise, gift, or lease or any one or more of such methods, one or more medical projects or projects, located within this State, and within or partially within its limits, provided that as to a city, such project or medical project may be situated outside its territorial limits if within its extraterritorial jurisdiction as provided by the Municipal Annexation Act;<sup>1</sup>

(2) to lease to a lessee any or all of its projects and medical projects for such rentals and upon such terms and conditions as the governing body may deem advisable and as shall not conflict with the provisions of this Act;

(3) to issue revenue bonds for the purpose of defraying all or part of the cost of acquiring or improving any project or medical project, and to secure the payment of such bonds as provided in this Act;

(4) to sell and convey all or any part of any real or personal property acquired as provided by Subdivision (a) of this section, and make such order respecting the same as may be deemed conducive to the best interest of the issuer. No issuer shall have the power to operate any project as a business or in any manner except as the lessor thereof, nor shall they have any power to acquire any such project, or any part thereof, by the exercise of eminent domain. Land previously acquired by an issuer in the exercise of the power of eminent domain may be sold, leased or otherwise utilized under the provisions of this Act, provided the governing body determines (a) that such use will not interfere with the purpose for which such land was originally acquired or is no longer needed for such purpose, and (b) at least seven years have elapsed since such land was so acquired, and (c) such land was not acquired for park purposes unless such sale or lease of park land has been approved at an election held under authority of Article 1112, Revised Civil Statutes of Texas, 1925, as amended.

<sup>1</sup> Article 970a.

#### Lease Agreements; Commission Approval; Rules and Regulations; Filing; Appeal

Sec. 5. No issuer shall institute proceedings to authorize bonds under the provisions of Section 6(a) or 6(c) until the Commission has given tentative

approval to the suggested contents of the lease agreement, and if a lessee is permitted to sublease, the Commission has also tentatively approved the financial responsibility of the ultimate lessee.

The Commission shall prescribe rules and regulations setting forth minimum standards for lease agreements and guidelines with respect to financial responsibilities of the lessee and ultimate lessee, if any, but in no event shall the Commission give final approval to any agreement unless it affirmatively finds the lessee and ultimate lessee have the business experience, financial resources and responsibility to provide reasonable assurance that all bonds and interest thereon to be paid from or by reason of such agreement will be paid as the same become due.

Appeal from any adverse ruling or decision of the Commission under this section may be made by an issuer to the District Court of Travis County. The substantial evidence rule shall apply.

Rules, regulations and guidelines promulgated by the Commission, and amendments thereto, shall be effective only after they have been filed with the Secretary of State.

**Issuance of Bonds; Resolution of Intent, Publication; Protest; Election, Procedures**

Sec. 6. (a) Before issuing any bonds hereunder the governing body shall adopt a resolution declaring its intention to do so, stating the amount of bonds proposed to be issued, the purpose for which the bonds are to be issued, and the tentative date upon which the governing body proposes to authorize the issuance of such bonds. Such resolution shall be published once a week for at least two consecutive weeks in at least one newspaper of general circulation in the territorial limits of the issuer. The first publication shall be made not less than 14 days prior to the tentative date fixed in such resolution for the authorization of the bonds. If 10 percent of the qualified electors of the issuer shall file a written protest against the issuance of such bonds on or before the tentative date specified for the authorization of such bonds, then an election on the question of the issuance of such bonds shall be called and held as herein provided.

If no such protest be filed, then such bonds may be issued without an election at any time within a period of two years after the tentative date specified in the resolution; provided, however, the governing body of such issuer, in its discretion, may call an election on such question, in which event it shall not be necessary to publish the notice of its intention to issue bonds.

(b) Where an election is called, notice thereof shall be published once a week for at least two consecutive weeks, in at least one newspaper of general circulation within the territorial limits of the issuer. The first publication of such notice shall be made not less than 14 days prior to the date fixed for such election. The election shall be conducted in

accordance with the general laws of Texas pertaining to general elections, except as modified by the provisions of this Act. The order calling the election shall specify the date, place or places of holding the election, the presiding judge and alternate judge for each voting place, and shall provide for clerks as provided in the Election Code. Only qualified property taxpaying electors who own taxable property which has been duly rendered for taxation shall be permitted to vote at such election.

The form of ballot shall be in conformity with Sections 61, 62, and 63, Texas Election Code, as amended (Article 6.05, 6.06, 6.07, Vernon's Texas Election Code), so that ballots provide for voting for or against the proposition: "The issuance of revenue bonds for the (medical project or project)."

Within 10 days after such election is held, or as soon thereafter as possible, the governing body of the issuer shall convene and canvass the returns of the election, and in the event such election results are favorable (majority vote) to the proposition such governing body shall so find and declare and shall be (subject to the provisions of Section 5) authorized to proceed with the authorization of bonds.

(c) A series of bonds may be issued for each project or medical project and any of such projects may be combined in a single series of bonds if the governing body, in the exercise of its discretion, deems the same to be in the best interest of the issuer, but each project or medical project shall be considered separately with respect to the provisions of Section 5, 6(a), 6(b) and 6(c).

(d) Bonds shall be issued and delivered within three years of the tentative approval of the Commission, or within three years of the final judgment in any litigation affecting the validity of the bonds or the provision made for their payment, whichever date is later. Nothing herein shall be construed as prohibiting the Commission from conditioning its approval of the project or medical project upon the completion of the financing thereof within a lesser period of time.

**Form of Bonds; Use of Proceeds; Interim Receipts or Temporary Bonds; Approval and Registration**

Sec. 7. Each issuer is hereby authorized to provide by resolution, from time to time, for the issuance of revenue bonds for the purpose of paying all or any part of the cost of acquiring, constructing, enlarging or improving a project, including a project in an enterprise zone designated under the Texas Enterprise Zone Act,<sup>1</sup> or medical project. However, revenue bonds for a medical project may not be authorized by a district. The principal of and the interest on such bonds shall be payable solely from the funds provided for such payment and from the revenues of the particular project for which such bonds were authorized. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times, not exceeding forty years from their date, as may be

determined by the issuer and may be made redeemable before maturity, at the option of the issuer, at such price or prices and under such terms and conditions as may be fixed by the issuer prior to the issuance of the bonds.

The issuer shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within the State. Provision may be made for execution of the bonds and coupons (if any) under the provisions of Chapter 204, Acts of the 57th Legislature, 1961, as amended (Article 717j-1, Vernon's Texas Civil Statutes). In cases where any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until such delivery. The bonds may be issued in coupon or in registered form, or both, as the issuer may determine, and provisions may be made for the registration of any coupon bonds as to the principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. If the duty of such reconversion is imposed on the Trustee in a Trust Agreement the substituted coupon bonds need not be reapproved by the Attorney General of Texas, and they shall remain incontestable. The issuer may sell bonds so the net interest cost (as defined in Chapter 3, Acts of the 61st Legislature, 1969, as amended, Article 717k-2, Vernon's Texas Civil Statutes) shall not exceed 10 percent per annum and such bonds shall be sold to the highest bidder for cash (not exchanged for property).

The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or medical project for which issued, and shall be disbursed in such manner and under such restrictions, if any, provided in the resolution authorizing their issuance or in the trust agreement securing the same. If the proceeds of the bonds of any issue shall exceed the cost of the project or medical project for which the same shall have been issued, the surplus shall be deposited to the credit of the sinking fund for such bonds.

Prior to the preparation of definitive bonds, the issuer may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable or definitive bonds when such bonds shall have been executed and are available for delivery. Bonds may be issued under the provisions of this Act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Act.

Before any issuer may deliver any bonds authorized hereunder to the purchaser thereof, the proceedings authorizing their issuance and securing the bonds shall be presented to the Attorney General of Texas for examination and approval. If the bonds shall have been duly authorized in accordance with the Constitution and laws of the State and constitute valid and binding obligations of the Authority, according to their tenor and effect, and proper revenues have been pledged to their payment, he shall approve the bonds. Without such approval the bonds cannot be so issued and delivered to the purchaser. The bonds when approved shall be registered by the Comptroller of Public Accounts of the State of Texas. After such approval and registration the bonds shall be incontestable.

<sup>1</sup> Article 5190.7.

#### Refunding Bonds

Sec. 8. An issuer is hereby authorized to provide by resolution for the issuance of its revenue refunding bonds for the purpose of refunding any bonds then outstanding, issued on account of a project or medical project, which shall have been issued under the provisions of this Act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the issuer, for the additional purpose of constructing improvements, extensions or enlargements to the project or medical project in connection with which the bonds to be refunded shall have been issued. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the issuer in respect of the same, shall be governed by the provisions of this Act insofar as the same may be applicable. Within the discretion of the issuer the refunding bonds may be issued in exchange for outstanding bonds or may be sold and the proceeds used for the purpose of redeeming outstanding bonds.

#### Trust Agreement as Security

Sec. 9. Any bonds issued under the provisions of this Act may be secured by a trust agreement by and between the issuer and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the State. Any such trust agreement may pledge or assign lease revenues to be received from a lessee or ultimate lessee.

The trust agreement may evidence a pledge of the lease income to be received for the use of any project or medical projects for the payment of principal of and interest on such bonds as the same shall become due and payable and may provide to create and maintain reserves for such purposes. Any such trust agreement or any resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and

proper and not in violation of law, including covenants setting forth the duties of the issuer, or lessee in relation to the acquisition of property and the construction, improvement, maintenance, repair, operation and insurance of the project or medical project in connection with which such bonds shall have been authorized, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the issuer. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of corporations. In addition to the foregoing, any such trust agreement may contain such provisions as the issuer may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of any such trust agreement may be treated as a part of the cost of the operation of the project or medical project.

**Default in Payment; Enforcement; Option to Purchase**

Sec. 10. Each bond issued under the provisions of this Act shall contain substantially the following language: "No pecuniary obligation is or may be imposed upon the issuer of this bond in the event there is a failure to pay all or part of the principal or interest thereon, except the issuer is obligated to apply rental income it receives from the project (or medical project) to such purposes."

Any agreement between a lessee and ultimate lessee relating to any project shall be for the benefit of the issuer as shall any agreement between the issuer and the lessee. Any such agreement shall contain a provision that, in the event of a default in the payment of the principal or of the interest on such bonds or in the performance of any agreement contained in such proceedings, mortgage, or instrument such payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and to apply the revenues from the project in accordance with such resolution, mortgage or instrument.

Any mortgage to secure bonds issued thereunder may also provide that, in the event of a default in the payment thereof or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed and sold under proceedings in equity or in any other manner now or hereafter permitted by law. Such mortgage may also provide that any trustee under such mortgage or the holder of any of the bonds secured thereby may become the purchaser at any foreclosure sale if the highest bidder therefor.

An issuer may grant a lessee or ultimate lessee an option to purchase all or any part of a project or medical project when all bonds of the issuer delivered to provide such facilities have been paid or provision has been made for their final payment, provided during the time the bonds or interest thereon remains unpaid there is no failure to pay the lease rentals at the time and in the manner as the same become due, provided a payment shall be deemed paid when and as due if no event of default is declared and the payment is made within 15 calendar days of the date it was scheduled to become due. The provisions of this law are procedurally exclusive for authority to convey or grant an option to purchase, and reference to no other law shall be required.

**Removal of Business from Existing Facilities**

Sec. 11. No issuer may acquire or construct any project or medical project for any individual, firm, partnership, or corporation, or make or permit any lease to any individual, firm, partnership, or corporation where the effect of such lease shall be to remove lessee's business from existing facilities within the State of Texas.

**Authority of Governing Body; Conditions of Approval**

Sec. 12. Except as limited by the provisions of this law or as limited by the rules, regulations and guidelines of the Commission, each governing body shall have full and complete authority with respect to bonds, lease agreements and the provisions thereof.

No bonds shall be approved by the Attorney General until the Commission has given final approval to the lease agreement, nor shall such bonds be approved if any authorizing proceedings or provisions for security and payment of lease payments are not in conformity with this law.

**Advertising for Contracts; Performance Bonds; Leasing Restriction**

Sec. 13. All contracts for construction or purchases involving the expenditure of more than \$2,000 may be made only after advertising in the manner provided by Chapter 163, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 2368a, Vernon's Texas Civil Statutes). The provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended, relating to performance and payment bonds, shall apply to construction contracts let by the issuer.

Bonds shall not be issued to acquire existing facilities for the purpose of again leasing the same to the same industrial concern or one controlled by such industrial concern and it shall be the duty of the Commission to investigate such matters before giving its tentative approval of any project or medical project.

**Bonds and Profits Not Taxable; Bonds and Coupons Deemed Security**

Sec. 14. In carrying out the purposes of this Act, the issuer will be performing an essential public function and any bonds issued by it and their transfer and the issuance therefrom, including any profits made in the sale thereof, shall at all times be free from taxation by the State or any municipality or political subdivision thereof.

Bonds issued under the provisions of this Act, and coupons (if any) representing interest thereon, shall when delivered be deemed and construed (i) to be a "Security" within the meaning of Chapter 8, Investment Securities, of the Uniform Commercial Code (Chapter 785, Acts of the 60th Legislature, Regular Session, 1967),<sup>1</sup> and shall be exempt securities under the Texas Securities Act. A lease agreement under this Act shall not be a security within the meaning of the Texas Securities Act.

<sup>1</sup> Business and Commerce Code, § 8.101 et seq.

**Legal and Authorized Investments; Security for Deposit of Public Funds**

Sec. 15. Bonds approved by the Attorney General shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, and guardians, and for any sinking funds of cities, towns, villages, counties, school districts and other political corporations or subdivisions of the State of Texas. Such bonds shall be eligible to secure the deposit of any and all public funds of the State of Texas and any and all public funds of cities, towns, villages, counties, school districts and other political corporations or subdivisions of the State of Texas, and shall be lawful and sufficient security for said deposits at their face value when accompanied by all unmailed coupons, if any, appurtenant thereto.

**Relocation of Highway, etc. at Sole Expense of Political Subdivision**

Sec. 16. In the event any city, county, navigation district or other political subdivision, in the exercise of the power of relocation, or any other power, makes necessary the relocation, raising, lowering, rerouting, or changing the grade of, or altering the construction of any highway, railroad, electric transmission line, telegraph or telephone properties and facilities, or pipelines, all such necessary relocation, raising, lowering, rerouting, changing of grade, or alteration of construction shall be accomplished at the sole expense of the city, county, navigation district or other political subdivision. The term "sole expense" shall mean the actual cost of such relocation, raising, lowering, rerouting, or changing the grade of, or alteration of construction to provide comparable replacement, without enhancement, of such facilities, after deducting therefrom the net salvage value derived from the old facility.

**Qualification of Electors**

Sec. 17. The Legislature hereby recognizes there is some confusion as to the proper qualification of electors in the light of recent court decisions. It is the intention of this Act to provide a permitted procedure for an election to authorize the issuance of revenue bonds, but in each instance the authority shall be predicated upon the expression of the will of the majority of those who cast valid ballots at an election called for the purpose. Should the governing body calling an election determine that all qualified electors, including those who own taxable property which has been duly rendered for taxation, should be permitted to vote at an election (by reason of the aforesaid court decisions), nothing herein shall be construed as a limitation upon the power to call and hold an election, provided provision is made for the voting, tabulating, and counting of the ballots of the resident qualified property taxpaying electors who own taxable property which has been duly rendered for taxation separately from those who are qualified electors, and in any election so called a majority vote of the resident qualified property taxpaying voters who own taxable property which has been duly rendered for taxation and a majority vote of the qualified electors, including those who own taxable property which has been duly rendered for taxation, shall be required to sustain the proposition.

**Purpose and Effectiveness of Act**

Sec. 18. It is hereby found, determined and declared:

(a) that the present and prospective health, safety, right to gainful employment and general welfare of the people of this State requires as a public purpose the promotion and development of new and expanded industrial manufacturing, medical and research enterprises;

(b) that community industrial development corporations in Texas have themselves invested substantial funds in successful industrial development projects and experience difficulty in undertaking additional such projects by reason of the partial inadequacy of their own funds or funds potentially available from local subscription sources and by reason of limitations of local financial institutions in providing additional and sufficiently sizable first mortgage loans;

(c) that communities in this State are at a critical disadvantage in competing with communities in other states for the location or expansion of such enterprises by virtue of the availability and prevalent use in all other states of financing and other special incentives, therefore, the issuance of revenue bonds by political subdivisions of the State as hereinafter provided for the promotion of industrial development, employment, public health and research is hereby declared to be in the public interest and a public purpose.

This law shall be effective without the necessity of a constitutional amendment to the full extent permitted by present provisions of the Texas Constitution. With respect to the powers granted herein, any provision of this law which may be effective only as the result of a change in the Texas Constitution shall become effective upon the adoption of the amendment proposed by Senate Joint Resolution No. 33 in the 62nd Legislature, the Legislature recognizing such constitutional amendment may be required to enable districts to proceed under this law. In no event shall any appropriation be made by the Legislature to pay all or any part of the obligation of any issuer under the provisions of this Act, and any expenses incurred by the Commission shall be paid out of funds appropriated to that agency.

#### Construction of Act; Severability

Sec. 19. Nothing in this Act shall be construed to violate any provision of the federal or State constitutions, and all acts done under this Act shall be in such manner as will conform thereto, whether expressly provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the issuer shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, such fact shall not affect the validity of any other provisions of this Act, and the Legislature hereby declares that it would have enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

[Acts 1971, 62nd Leg., p. 2555, ch. 840, eff. June 9, 1971. Amended by Acts 1983, 68th Leg., p. 4794, ch. 841, § 8, eff. Sept. 1, 1983.]

(c) "Federal agency" shall mean and include the United States of America, the President of the United States of America, and any department of or corporation, agency or instrumentality heretofore or hereafter created, designated or established by the United States of America.

(d) "Industrial Development Agency" means a corporation established under the Texas Non-Profit Corporation Act<sup>1</sup> to promote and encourage industrial development within the State or a designated area of the State whose articles of incorporation provide that upon dissolution or winding up of its corporate affairs any property remaining after payment of debts of the corporation shall be conveyed, transferred, or vest in the Rural Industrial Development Fund of the State, a school district, a city, or county or be conveyed to a nonprofit corporation established for similar purposes.

(e) "Project" means the land, buildings, equipment, facilities and improvements (one or more) found by the Commission to be required or suitable for the promotion of industrial development and for use by manufacturing or industrial enterprise, irrespective of whether in existence or required to be acquired or constructed after the making of such finding by the Commission. <sup>1</sup> Article 1396-1.01 et seq.

**Loan to Agency from Commission; Amount,  
Interest, Etc.**

Sec. 3. When it has been determined by the Commission (upon application of an industrial development agency and hearing thereon) that the establishment of a particular project of such industrial development agency has accomplished or will accomplish the public purposes of this Act, the Commission may contract to loan such industrial development agency an amount not in excess of a percentage of the cost of such project, as established or to be established as hereinafter set forth, subject, however, to the following conditions:

The Commission may contract to loan the industrial development agency an amount not in excess of 40% of the cost of such project if it has determined that the industrial development agency holds funds or property in an amount or value equal to not less than 10% of the cost of the project, which funds or property are then available for and are pledged to be applied to the establishment of such project.

Prior to the making of any loan the Commission shall have determined that the industrial development agency has obtained from other independent and responsible financial sources a firm commitment for all other funds, over and above the loan of the Commission and such funds or property as the industrial development agency may hold necessary for payment of all of the cost of establishing the project, and that the sum of all these funds, together with the machinery and equipment to be provided by the responsible tenant or responsible buyer, is adequate for the completion and operation of the industrial development project.

Any such loan of the Commission shall be for such period of time and shall bear interest at such rate as shall be determined by the Commission and shall be secured by bond or note of the industrial development agency and by mortgages on the project for which such loan was made, such mortgage to be second and subordinate only to the mortgage securing the first lien obligation issued to secure the commitment of funds from the aforesaid independent and responsible sources and used in the financing of the project.

In those instances where a federal agency participates in the financing of a project through a loan or a grant such participation shall be considered an independent and responsible source to the extent of the obligation of the federal agency to so participate under a loan or grant or similar agreement, and in such instance the Commission may accept a bond or note of the industrial agency and a mortgage on the project inferior to all first and second lien obligations, provided (a) the participation of the federal agency exceeds the loan by the Commission and (b)

the federal agency's participation is conditioned upon its participation being secured by a lien superior to that of the Commission.

Money loaned by the Commission to the industrial development agencies shall be withdrawn from the Industrial Development Fund and paid over to the industrial development agency in such manner as shall be provided and prescribed by the rules and regulations of the Commission.

All payments of interest on said loans and installments of principal shall be deposited by the Commission as received in the Industrial Development Fund.

**Loan Application; Hearings and Examinations**

Sec. 4. No loan shall be made by the Commission except upon application by an industrial development agency, (in such form as may be required by the Commission) which shall include the following:

(a) A general description of the industrial development project and a general description of the industrial or manufacturing enterprise for which the project has been or is to be established.

(b) A legal description of all real estate necessary for the project.

(c) Such plans and other documents as may be required to show type, structure and general character of the project.

(d) A general description of the type, classes and number of employees employed or to be employed in the operation of the industrial development project.

(e) Cost or estimates of cost of establishing the project.

(f) A general description and statement of value of any property, real or personal, of the industrial development agency applied or to be applied to the establishment of the project;

(g) A statement of cash funds previously applied, or then held by the industrial development agency which are available for and are to be applied to the establishment of the project;

(h) Evidence of the arrangement made by the industrial development agency for the financing of all cost of the project over and above the participation of the industrial development agency;

(i) Information on the responsible tenant to which the industrial development agency has leased or will lease the project or of the responsible buyer to which the industrial development agency has sold or will sell the project.

(j) A copy of the lease or sales agreement entered into or to be entered into by and between the industrial development agency and its responsible tenant or responsible buyer.

The Commission shall hold such hearings and examinations as to each loan application received as shall be necessary to determine whether the public

purposes of this Act will be accomplished by the granting of a loan.

**Powers of Commission; Staff Services**

#### Purpose of Act

Sec. 8. It is hereby found, determined and declared:

(a) that the present and prospective health, safety, right to gainful employment and general welfare of the people of this State requires as a public purpose the promotion and development of new and expanded industrial and manufacturing enterprises;

(b) that community industrial development corporations in Texas have themselves invested substantial funds in successful industrial development projects and experience difficulty in undertaking additional such projects by reason of the partial inadequacy of their own funds or funds potentially available from local subscription sources and by reason of limitations of local financial institutions in providing additional and sufficiently sizable mortgage loans;

(c) that communities in this State are at a critical disadvantage in competing with communities in other states for the location or expansion of such enterprises by virtue of the availability and prevalent use in all other states of financing and other special incentives; therefore, this Act provides for the promotion of industrial development and employment and is hereby declared to be in the public interest and a public purpose.

#### Appropriations; Special Revolving Fund

Sec. 9. Funds for the implementation and administration of this Act shall be provided by the General Appropriations Bill.

A special account in the Treasury of the State of Texas to be known as the Rural Industrial Development Fund is hereby created and the amount so appropriated hereby and any subsequent appropriation made by the Legislature for such purpose, as well as such other deposits as principal and interest on loans are repaid shall be deposited in said fund. It is the intent of this Act that the Industrial Development Fund shall operate as a revolving fund whereby all appropriations and payments made thereto may be applied and reapplied to the purposes of this Act. To the extent the constitution requires such funds be appropriated and reapropri-

ated for the aforesaid purpose, such action is hereby taken and such funds are hereby appropriated and reapropriated and it shall be the duty of the Legislature to take the same action in the future to the extent required by the constitution.

#### Construction of Act; Severability

Sec. 10. Nothing in this Act shall be construed to violate any provision of the federal or State constitutions and all acts done under this Act shall be in such manner as will conform thereto, whether expressly provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the issuer shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, such fact shall not affect the validity of any other provisions of this Act, and the Legislature hereby declares that it would have enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

Any service so had on the secretary of state shall be returnable in not less than 30 days.

(c) The secretary of state shall keep a record of all processes, notices, and demands served upon him under this article and shall record therein the time of such service and his action with reference thereto.

Sec. 11. (a) The corporation shall have a board of directors in which all powers of the corporation shall be vested and which shall consist of any number of directors, not less than three, each of whom shall be appointed by the governing body of the unit under whose auspices the corporation was created for a term of no more than six years, and each of whom shall be removable by the unit for cause or at will. The directors shall serve as such without compensation except that they shall be reimbursed for their actual expenses incurred in the performance of their duties hereunder.

(b) The board of directors is subject to the open meetings act, Chapter 271, Acts of the 60th Legislature, Regular Session, 1967, as amended (Article 6252-17, Vernon's Texas Civil Statutes).

#### Organizational Meeting of Board

Sec. 12. After the issuance of the certificate of incorporation, an organizational meeting of the board of directors named in the articles of incorporation shall be held within this state for the purpose of adopting bylaws, electing officers, and for such other purposes as may come before the meeting. The incorporators calling the meeting shall give at least three days' notice thereof by mail to each director named in the articles of incorporation, which notice shall state the time and place of the meeting.

#### Adoption and Approval of Initial Bylaws

Sec. 13. The initial bylaws of a corporation shall be adopted by its board of directors and approved by resolution of the governing body of the unit under whose auspices the corporation was created.

#### Quorum; Actions of Majority at Meeting; Action Without Meeting

Sec. 14. (a) A quorum for the transaction of business by the board of directors shall be whichever is less:

(1) a majority of the number of directors fixed by the bylaws or in the absence of a bylaw fixing the number of directors a majority of the number of directors stated in the articles of incorporation; or

(2) any number, not less than three, fixed as a quorum by the articles of incorporation or the bylaws.

(b) The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless the act of a greater number is required by the articles of incorporation or the bylaws.

(c) Any action required by this Act to be taken at a meeting of the directors of a corporation or any action which may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall be signed by all of the directors. Such consent shall have the same force and effect as a unanimous vote and may be stated as such in any articles or document filed with the secretary of state under this Act.

#### Application of Open Records Act

Sec. 14A. The board of directors is subject to the open records act, Chapter 424, Acts of the 63rd Legislature, Regular Session, 1973, as amended (Article 6252-17a, Vernon's Texas Civil Statutes).

(b) If the corporation has not fully indemnified him, the court in the proceeding in which any claim against such director or officer has been asserted or any court having the requisite jurisdiction of an action instituted by such director or officer on his claim for indemnity may assess indemnity against the corporation, its receiver, or trustee for the amount paid by such director or officer (including attorneys' fees) in satisfaction of any judgment or in compromise of any such claim (exclusive in either case of any amount paid to the corporation), actually and necessarily incurred by him in connection therewith to the extent that the court shall deem reasonable and equitable; provided, nevertheless, that indemnity may be assessed under this section only if the court finds that the person indemnified was not guilty of negligence or misconduct in respect of the matter in which indemnity is sought.

(c) Regular meetings of the board of directors may be held within the state with or without notice as prescribed in the bylaws. Special meetings of the board of directors shall be held upon such notice as is prescribed in the bylaws. Attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any regular or special meeting of the board of directors need be specified in the notice or waiver of notice of such meeting, unless required by the bylaws.

(d) Whenever any notice is required to be given to any member or director of a corporation under the provisions of this Act or under the provisions of the articles of incorporation or bylaws of the corporation, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice.

In the absence of any such provisions, all officers shall be elected or appointed annually by the board of directors. One person may hold more than one office, except that the president may not hold the office of secretary.

#### Amendment of Articles

Sec. 17. (a) The articles of incorporation may at any time and from time to time be amended, provided that the board of directors files with the governing body of the unit under whose auspices the corporation was created a written application requesting that the unit approve such amendment to the articles of incorporation, specifying in such application the amendment or amendments proposed to be made. If the governing body by appropriate resolution finds and determines that it is advisable that the proposed amendment be made, authorizes the same to be made, and approves the form of the proposed amendment, the board of directors shall proceed to amend the articles as hereinafter provided.

(b) The articles of incorporation may also be amended at any time by the governing body of the unit under whose auspices the corporation was created at its sole discretion by adopting an amendment to the articles of incorporation of the corporation by resolution of such governing body and delivering the articles of amendment to the secretary of state as hereinafter provided.

#### Execution and Verification of Amendments

Sec. 18. The articles of amendment shall be executed in duplicate by the corporation by its president or by a vice-president and by its secretary or an assistant secretary or by the presiding officer and the secretary or clerk of the governing body of the unit under whose auspices the corporation was created, shall be verified by one of the officers signing such articles, and shall set forth:

(3) the fact that such amendment was adopted or approved by the governing body of the unit and the date of the meeting at which the amendment was adopted or approved by such governing body.

#### Certificate of Amendment; Effect of Amendment

Sec. 19. (a) Triplicate originals of the articles of amendment shall be delivered to the secretary of state. If the secretary of state finds that the arti-

(b) A certificate of amendment together with an original of the articles of amendment affixed thereto by the secretary of state shall be delivered to the corporation or its representative and to the governing body of the unit under whose auspices the corporation was created.

(c) Upon the issuance of the certificate of amendment by the secretary of state, the amendment shall become effective and the articles of incorporation shall be deemed to be amended accordingly.

(d) No amendment shall affect any existing cause of action in favor of or against such corporation or any pending suit to which such corporation shall be a party or the existing rights of persons other than members; and in the event the corporate name shall be changed by amendment, no suit brought by or against such corporation under its former name shall abate for that reason.

#### Restated Articles of Incorporation and Restated Certificate of Incorporation

Sec. 20. (a) A corporation may, by following the procedure to amend the articles of incorporation provided by this Act including obtaining the approval of the governing body of the unit under whose auspices the corporation was created, authorize, execute, and file restated articles of incorporation which may restate either:

(2) the entire text of the articles of incorporation as amended or supplemented by all certificates of amendment previously issued by the secretary of state and as further amended by such restated articles of incorporation.

(b) If the restated articles of incorporation restate the entire articles of incorporation as amended and supplemented by all certificates of amendment previously issued by the secretary of state without making any further amendment thereof, the introductory paragraph shall contain a statement that the instrument accurately copies the articles of incorporation and all amendments thereto that are in effect to date and that the instrument contains no change in the provisions thereof, provided that the number of directors then constituting the board of directors and the names and addresses of the persons then serving as directors may be inserted in lieu of similar information concerning the initial

board of directors, and the name and address of each incorporator may be omitted.

(c) If the restated articles of incorporation restate the entire articles of incorporation as amended and supplemented by all certificates of amendment previously issued by the secretary of state and as further amended by such restated articles of incorporation, the instrument containing such articles shall:

(1) set forth for any amendment made by such restated articles of incorporation a statement that each such amendment has been effected in conformity with the provisions of this Act and shall further set forth the statements required by this Act to be contained in articles of amendment, provided that the full text of such amendments need not be set forth except in the restated articles of incorporation as so amended;

(2) contain a statement that the instrument accurately copies the articles of incorporation and all amendments thereto that are in effect to date and as further amended by such restated articles of incorporation and that the instrument contains no other change in any provision thereof; provided that the number of directors then constituting the board of directors and the names and addresses of the persons then serving as directors may be inserted in lieu of similar information concerning the initial board of directors, and the names and addresses of each incorporator may be omitted; and

(3) restate the text of the entire articles of incorporation as amended and supplemented by all certificates of amendment previously issued by the secretary of state and as further amended by the restated articles of incorporation.

(d) Such restated articles of incorporation shall be executed in triplicate by the corporation by its president or a vice-president and by its secretary or an assistant secretary and shall be verified by one of the officers signing such articles. Triplicate originals of the restated articles of incorporation shall be delivered to the secretary of state. If the secretary of state finds that the restated articles of incorporation conform to law, he shall, when a fee of \$25 has been paid:

(1) endorse on each of such originals the word "Filed" and the month, day, and year of the filing thereof;

(2) file one of such originals in his office; and

(e) A restated certificate of incorporation together with a triplicate original of the restated articles of incorporation affixed thereto by the secretary of state shall be delivered to the corporation or its representative and to the governing body of the unit under whose auspices the corporation was created.

(f) Upon the issuance of the restated certificate of incorporation by the secretary of state, the origi-

Sec. 21. Every unit is hereby authorized to utilize a corporation to issue bonds on its behalf to finance the cost of projects, including projects in enterprise zones designated under the Texas Enterprise Zone Act,<sup>1</sup> to promote and develop industrial and manufacturing enterprises to promote and encourage employment and the public welfare. No unit is or shall be authorized to lend its credit or grant any public money or thing of value in aid of a corporation. <sup>1</sup> Article 5190.7.

**Bonds Not Debt of State or Political Subdivision; Corporation as Constituted Authority and Instrumentality but Not Political Subdivision or Corporation**

Sec. 22. Bonds issued under the provisions of this Act shall be deemed not to constitute a debt of the state, of the unit, or of any other political corporation, subdivision, or agency of this state or a pledge of the faith and credit of any of them, but such bonds shall be payable solely from the funds herein provided therefor from revenues. All such revenue bonds shall contain on the face thereof a statement to the effect that neither the state, the unit, nor any political corporation, subdivision, or agency of the state shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the state, the unit, or any other political corporation, subdivision, or agency thereof is pledged to the payment of the principal of or the interest on such bonds. The corporation shall not be authorized to incur financial obligations which cannot be paid from proceeds of the bonds or from revenues realized from the lease or sale of a project or realized from a loan made by the corporation to finance or refinance in whole or in part a project. The corporation when established and created pursuant to the terms of the Act shall be a constituted authority and an instrumentality (within the meaning of those terms in the regulations of the treasury and the rulings of the Internal Revenue Service prescribed and promulgated pursuant to Section 103 of the Internal Revenue Code of 1954, as amended)<sup>1</sup> and shall be authorized to act on behalf of the unit under whose auspices it is created for the specific public purpose or purposes authorized by such unit; but the corporation is not intended to be and shall not be a political subdivision or a political corporation within the meaning of the constitution and the laws of the state, including without limitation Article III, Section 52, of the

Texas Constitution, and a unit shall never delegate to a corporation any of such unit's attributes of sovereignty, including the power to tax, the power of eminent domain, and the police power.

126 U.S.C.A. § 103.

#### Powers of Corporation

Sec. 23. (a) The corporation shall have and exercise all of the rights, powers, privileges, authority, and functions given by the general laws of this state to nonprofit corporations incorporated under the Texas Non-Profit Corporation Act, as amended (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes); but to the extent that the provisions of the general laws are in conflict or inconsistent with this Act, this Act prevails. In addition, the corporation shall have the following powers with respect to projects together with all powers incidental thereto or necessary for the performance of those hereinafter stated:

(1) to acquire, whether by construction, devise, purchase, gift, lease, or otherwise or any one or more of such methods and to construct, improve, maintain, equip, and furnish one or more projects located within the state or within the coastal waters of the state and within or partially within the limits of the unit under whose auspices the corporation was created or within the limits of a different unit where the governing body thereof requests the corporation to exercise its powers therein;

(2) to lease to a lessee all or any part of any project for such rentals and upon such terms and conditions as its board of directors may deem advisable and not in conflict with the provisions of this Act;

(3) to sell by installment payments or otherwise and convey all or any part of any project for such purchase price and upon such terms and conditions as its board of directors may deem advisable and not in conflict with the provisions of this Act;

(4) to make secured or unsecured loans for the purpose of providing temporary or permanent financing or refinancing of all or part of the cost of any project, including the refunding of any outstanding obligations, mortgages, or advances issued, made, or given by any person for the cost of a project; and to charge and collect interest on such loans for such loan payments and upon such terms and conditions as its board of directors may deem advisable and not in conflict with the provisions of this Act;

(5) to issue bonds for the purpose of defraying all or part of the cost of any project, to secure the payment of such bonds as provided in this Act, and to sell bonds at a price or prices determined by the board of directors or to exchange bonds for property, labor, services, material, or equipment comprising a project or incidental to the acquisition of a project, and those bonds may bear interest at any rate or rates determined by the board of directors, subject to the limitations set forth in this Act;

(6) as security for the payment of the principal of and interest on any bonds issued and any agreements made in connection therewith, to mortgage and pledge any or all of its projects or any part or parts thereof, whether then owned or thereafter acquired, and to assign any mortgage and repledge any security conveyed to the corporation to secure any loan made by the corporation and to pledge the revenues and receipts therefrom;

(7) to sue and be sued, complain and defend, in its corporate name;

(8) to have a corporate seal and to use the same by causing it or a facsimile thereof to be impressed on, affixed to, or in any manner reproduced upon instruments of any nature required to be executed by its proper officers;

(9) to make and alter bylaws not inconsistent with its articles of incorporation or with the laws of this state with the approval of the unit under whose auspices the corporation was created by resolution of the governing body for the administration and regulation of the affairs of the corporation;

(10) to cease its corporate activities and terminate its existence by voluntary dissolution as provided herein; and

(11) whether included in the foregoing or not, to have and exercise all powers necessary or appropriate to effect any or all of the purposes for which the corporation is organized which powers shall be subject at all times to the control of the governing body of the unit under whose auspices the corporation was created.

(b) The corporation shall not have the power to own or operate any project as a business other than as lessor, seller, or lender or pursuant to the requirements of any trust agreement securing the credit transaction. Accordingly, the lessee, purchaser, or borrower pursuant to any lease, sale, or loan agreement relating to a project shall be considered to be the owner of the project for the purposes of the application of any ad valorem, sales, and use taxes or any other taxes levied or imposed by this state or any political subdivision of this state. The purchase and holding of mortgages, deeds of trust, or other security interests and contracting for any servicing thereof shall not be deemed the operation of a project.

#### Leases, Sales, and Loan Agreements; Approval of Bonds, Leases, Sales, or Loan Agreements; Permit for Offer and Sale of Securities; Fee Schedules and Bond Procedures; Rules and Regulations

Sec. 24. (a) The commission shall approve the contents of any lease, sale, or loan agreement made under this Act. The commission shall prescribe rules and regulations setting forth minimum standards for project eligibility and for lease, sale, and loan agreements and guidelines with respect to the business experience, financial resources, and responsibilities of the lessee, purchaser, or borrower under any such agreement, but in no event shall the

commission approve any agreement unless it affirmatively finds that the project sought to be financed is in furtherance of the public purposes of this Act. Appeal from any adverse ruling or decision of the commission under this subsection may be made by the corporation to the District Court of Travis County. The substantial evidence rule shall apply. Rules, regulations, and guidelines promulgated by the commission and amendments thereto shall be effective only after they have been filed with the secretary of state.

(b) The corporation may submit a transcript of proceedings in connection with the issuance of the bonds to the commission and request that the commission approve the bonds. On filing a request for the commission's approval of issuance of the bonds, the corporation shall pay to the commission a non-refundable filing fee. The commission shall set the amount of the fee at an amount reasonable in relation to the costs of administration, but not greater than \$1,500. If the commission refuses to approve the bond issue solely on the basis of law, the corporation may seek a writ of mandamus from the Supreme Court, and for this purpose the chair of the commission shall be considered a state officer as provided in Article 1733, Revised Civil Statutes of Texas, 1925.

(c) The commission may delegate to the executive director of the commission the authority to approve a lease, sale, or loan agreement made under this Act or bonds issued by a corporation or any documents submitted as provided herein.

(d) No corporation shall sell or offer for sale any bonds or other securities until a permit authorizing the corporation to offer and sell such securities has been granted by the securities commissioner under the registration provisions of The Securities Act, as amended (Article 581-1 et seq., Vernon's Texas Civil Statutes), except as the State Securities Board may exempt from registration by rule, regulation, or order. Appeal from any adverse decision of the securities commissioner or the State Securities Board shall be as provided by the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes). The substantial evidence rule shall apply in all such appeals.

(e) The commission by rule shall require corporations to file fee schedules and bond procedures. Bond counsel and financial advisors participating in an issue shall be mutually acceptable to the corporation and the user.

(f) The commission shall adopt rules and regulations governing programs for small businesses receiving loans guaranteed in whole or in part by the Small Business Administration or other federal agencies. The commission may also adopt rules and regulations governing the terms and conditions of loans by a corporation to banks or other lending institutions the proceeds of which are reloaned as permanent or temporary financing of a project.

#### Bonds and Proceeds of Bonds

Sec. 25. (a) The principal of and the interest on any bonds issued by a corporation shall be payable solely from the funds provided for such payment and from the revenues of the one or more projects for which the bonds were authorized. The bonds of each issue shall be dated, shall bear interest at such rate or rates that are fixed, variable, floating, or otherwise, shall mature at such time or times not exceeding 40 years from their date as may be determined by the board of directors, and may be made redeemable before maturity at the option of the board of directors at such price or prices and under such terms and conditions as may be fixed by the board of directors of the corporation prior to the issuance of the bonds.

(b) The board of directors shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. In cases where any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature for all purposes is the same as if he had remained in office until such delivery. The bonds may be issued in coupon or in registered form or both as the board of directors of the corporation may determine, and provisions may be made for the registration of any coupon bonds as to the principal alone and also as to both principal and interest and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The corporation may sell bonds at public or private sale and at an interest rate not to exceed that permitted by the constitution or laws of the state.

(c) The proceeds of the bonds of each issue shall be used for the payment of all or part of the cost of or for the making of a loan in the amount of all or part of the cost of the project or projects for which authorized as defined herein and shall be disbursed in such manner and under such restrictions, if any, provided in the resolution authorizing the issuance of the bonds or in the trust agreement securing the same. Bond proceeds may be used to pay all costs incurred in issuing the bonds, interest on the bonds for such time as may be determined by the board of directors of the corporation, and to establish reserve funds and sinking funds for the bonds. If the proceeds of the bonds of any series issued with respect to the cost of any project shall exceed the cost of the project for which the same shall have been issued, the surplus shall be deposited to the credit of the sinking fund for such bonds or used to purchase bonds in the open market.

(d) Prior to the preparation of definitive bonds, the corporation may under like restrictions issue interim or temporary bonds with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available

for delivery. Bonds may be issued and lease, sale, and loan agreements entered into under the provisions of this Act without obtaining the consent or approval of any department, division, commission, board, bureau, or agency of the state except as otherwise provided herein.

(e) The principal of and interest on any bonds issued by the corporation shall be secured by a pledge of the revenues and receipts derived by the corporation from the lease or sale of the project so financed or from the loan made by the corporation with respect to the project so financed or refinanced and may be secured by a mortgage covering all or any part of such project, including any enlargements of and additions to such project thereafter made. The resolution under which the bonds are authorized to be issued and any such mortgage may contain any agreements and provisions respecting the maintenance of the project covered thereby, the fixing and collection of rents, purchase price payments or loan payments, the creation and maintenance of special funds from such revenues and the rights and remedies available in the event of default, all as the board of directors shall deem advisable and not in conflict with the provisions hereof. Each pledge, agreement, and mortgage made for the benefit or security of any of the bonds of the corporation shall continue effective until the principal of and interest on the bonds for the benefit for which the same were made have been fully paid.

(f) No issue of bonds, including refunding bonds, shall be delivered by the corporation without a resolution of the governing body adopted no more than 60 days prior to the date of delivery of the bonds specifically approving the resolution of the corporation providing for the issuance of the bonds.

(g) Bonds issued under this Act, and coupons, if any, representing interest on the bonds, are securities as defined by Chapter 8, Business & Commerce Code, as amended, and are negotiable if issued in accordance with this Act.

#### Refunding Bonds

Sec. 26. Each corporation is hereby authorized to provide by resolution for the issuance of its refunding bonds for the purpose of refunding any bonds then outstanding, issued on account of a project, which shall have been issued under the provisions of this Act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds and, if deemed advisable by the corporation, for the additional purpose of financing improvements, extensions, or enlargements to the project in connection with which the bonds to be refunded shall have been issued or for another project. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties, and obligations of the corporation in respect to the same shall be governed by the provisions of this Act insofar as the same may be applicable. Within the discretion of the corpora-

tion, the refunding bonds may be issued in exchange for outstanding bonds or may be sold and the proceeds used for the purpose of redeeming outstanding bonds.

#### Trust Agreements

Sec. 27. Any bonds issued under the provisions of this Act may be secured by a trust agreement by and between the corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state. Any such trust agreement may evidence a pledge or assignment of the lease, sale, or loan revenues to be received from a lessee or purchaser of or borrower with respect to a project for the payment of principal of and interest and any premium on such bonds as the same shall become due and payable and may provide for creation and maintenance of reserves for such purposes. Any such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties in relation to the acquisition of property and the construction, improvement, maintenance, repair, operation, and insurance of the project in connection with which such bonds shall have been authorized, and the custody, safeguarding, and application of all money. It shall be lawful for any bank or trust company incorporated under the laws of the state which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the corporation. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of private corporations. In addition to the foregoing, any such trust agreement may contain such provisions as the corporation may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of any such trust agreement may be treated as a part of the cost of the operation of the project.

#### Enforcement of Agreements or Mortgages

Sec. 28. (a) Any agreement relating to any project shall be for the benefit of the corporation. Any such agreement shall contain a provision that, in the event of a default in the payment of the principal of or the interest or premium on such bonds or in the performance of any agreement contained in such proceedings, mortgage, or instrument, such payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents, purchase price payments, and loan payments and to apply the revenues from the project in ac-

cordance with such resolution, mortgage, or instrument.

(b) Any mortgage to secure bonds issued thereunder may also provide that, in the event of a default in the payment thereof or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed and sold under proceedings in equity or in any other manner now or hereafter permitted by law. Such mortgage may also provide that any trustee under such mortgage or the holder of any of the bonds secured thereby may become the purchaser at any foreclosure sale if the highest bidder therefor.

#### Option to Purchase Granted to Lessee

Sec. 29. A corporation may grant a lessee an option to purchase all or any part of a project when all bonds of the corporation delivered to provide such facilities have been paid or provision has been made for their final payment. The provisions of this law are procedurally exclusive for authority to convey or grant an option to purchase, and reference to no other law shall be required.

#### Authority of Corporation Regarding Bonds, Lease, Sale, or Loan Agreements

Sec. 30. Except as limited by the provisions of this Act or as limited by the rules, regulations, and guidelines of the commission, each corporation shall have full and complete authority with respect to bonds, lease, sale, or loan agreements and the provisions thereof.

#### Bonds as Legal and Authorized Investments

Sec. 31. Any bonds issued pursuant to this Act shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fiduciaries, trustees, and for the sinking funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas. #### Art. 5190.7. Texas Enterprise Zone Act

The Texas Enterprise Zone Act is adopted to read as follows:

##### Short Title

Sec. 1. This Act shall be known and may be cited as the Texas Enterprise Zone Act.

##### Legislative Findings and Purpose

Sec. 2. (a) The legislature finds that:

(1) the health, safety, and welfare of the people of this state are dependent on the continual encouragement, development, growth, and expansion of the private sector within this state; and

(2) there are certain depressed urban and rural areas of this state that need the particular attention of government to help attract private sector investment to them; and

(3) the state and local governments have a legitimate interest in furthering the development of the depressed areas so that they become economically viable thus providing jobs and income to their residents and, therefore, contribute to the general health and welfare as well as to the health and welfare of their residents.

(b) Based on these findings, the legislature declares the purpose of this Act to stimulate and encourage business and industrial growth and to stimulate neighborhood revitalization of residential units and public services in these depressed areas of the state by means of the removal of unnecessary governmental regulatory barriers to economic growth and the provision of tax incentives.

#### Procedure for Designation of Zones by Board

Sec. 8. (a) A city, town, county, or combination of these local governments that has designated a qualified economically distressed area within its jurisdiction as a potential enterprise zone shall make

written application to the board to have the area declared to be a local enterprise zone. The application shall include a description of the location of the area in question and other information as the board may require.

(b) On receipt of an application from a city, town, county, or combination of these local governments, the board shall review the application to determine if the area described in the application qualifies to be designated as an enterprise zone under the criteria of Section 4 of this Act.

(c) If the area is found to be qualified to be an enterprise zone, the board or its designee shall, not later than the 45th day after the day the application is received, hold at least one public hearing in a central location within the proposed zone on the question of whether the area proposed to be an enterprise zone should be so designated. Not later than the 15th day before the day of the hearing, the board shall place a notice of the hearing in at least two newspapers circulated in the area of the proposed zone and shall notify public officials, community and neighborhood organizations, and public agencies located within the proposed zone of the public hearing.

(d) After the public hearing, the board shall begin negotiations for an agreement with the governing body or bodies filing the application. The negotiated agreement must designate the enterprise zone. The negotiated agreement must designate the administrative authority, if any, and its functions and duties. The board shall complete the negotiations and sign the agreement not later than the 120th day after the day of the conclusion of the public hearing. The board may extend this deadline for an additional 30 days. If an agreement is not completed within the stated period, the board shall provide the applicant with the specific areas of concern and a final proposal for the agreement. The board shall inform the governing body or bodies of the specific reasons for the denial.

(e) The governing body or bodies of an area that previously had been designated as a local enterprise zone by the board may make written application to the board for designation as a state-federal enterprise zone. The board may only grant a state-federal designation to an area contingent on the area's designation as a federal enterprise zone by the federal agency responsible for administering the federal enterprise zone program.

(f) If the board designates two or more areas of the state as state-federal enterprise zones, at least one-third of the areas must be rural enterprise zones.

(g) In deciding the areas that should be designated as local or state-federal enterprise zones, the board shall give preference to:

(1) areas with the highest levels of poverty, unemployment, and general distress;

(2) areas that have the widest support from the government seeking designation and the community, residents, local businesses, and private organizations; and

(3) areas for which the government seeking the designation has made or will make the greatest effort to encourage economic activity and remove impediments to job creation, including a reduction of tax rates or fees, an increase in the level or efficiency of local services, and a simplification or streamlining of governmental requirements on employers or employees, taking into account the resources available to the government to make the efforts.

(h) During any 12-month period, the board may not designate more than five local enterprise zones nor more than three state-federal enterprise zones. The total number of local enterprise zones in existence at any one time may not exceed 20; the total number of state-federal enterprise zones in existence at any one time may not exceed 10.

**Art. 5221b-1. Benefits**

(a) **Payment of Benefits:** On and after January 1, 1938, benefits shall become payable from the fund. All benefits shall be paid through the Texas Employment Commission, in accordance with such regulations as the Commission may prescribe.

(b) **Benefit Amount for Total Unemployment:** Each eligible individual who is totally unemployed in any benefit period shall be paid with respect to such benefit period, benefits at the rate of one twenty-fifth ( $\frac{1}{25}$ ) of his wages received from employment by employers during that quarter in his base period in which wages were highest, provided that:

(1) If such rate is not an even multiple of One Dollar (\$1), it shall be adjusted to the next higher multiple of One Dollar (\$1); and

(2) Such rate shall not be more than Eighty-four Dollars (\$84) per benefit period nor less than Fifteen Dollars (\$15) per benefit period on valid initial claims filed on or after October 1, 1977; provided that if the annual average of the manufacturing production workers average weekly wage in Texas exceeds by Ten Dollars (\$10) the average weekly wage for those workers in 1976 as determined by the Texas Employment Commission and published in its report, "The Average Weekly Wage," the maximum weekly benefit amount shall be increased by Seven Dollars (\$7) and the minimum weekly benefit amount shall be increased by One Dollar (\$1) above the maximum and minimum amounts established herein, the increases to become effective on valid initial claims filed on or after October 1 following publication of "The Average Weekly Wage" report. Thereafter, each cumulative (additional) Ten Dollar (\$10) increase in the average weekly wage for manufacturing production workers in Texas, as annually determined and reported by the Texas Employment Commission, shall cumulatively increase the maximum weekly benefit amount by an additional Seven Dollars (\$7) and the minimum weekly benefit amount by an additional One Dollar (\$1) beginning with the next October 1 following publication of "The Average Weekly Wage" report. The maximum benefit amount payable per benefit period under this section to any individual on the effective date of a valid claim shall remain the maximum benefit amount payable to that individual until that individual establishes a new benefit year.

(c) **Benefit for partial unemployment:** Each eligible individual who is partially unemployed in any benefit period shall be paid with respect to such benefit period a partial benefit, provided that such individual shall meet the requirements of subsection 4(a) of this Act.<sup>1</sup> Such partial benefit shall be the benefit amount plus (i) Five Dollars (\$5), or (ii) twenty-five per cent (25%) of the benefit amount, whichever of (i) or (ii) is greater, less the wages earned during such benefit period, provided that if the result of such computation is not an even multiple of One Dollar (\$1), it shall be adjusted to the next higher multiple of One Dollar (\$1).

(d) **Duration of Benefits:** The Commission shall establish wage credits for each individual by crediting him with the wages for employment received by him during his base period from employers. The maximum total amount of benefits payable to any eligible individual during any benefit year shall not exceed whichever is the lesser of:

(1) Twenty-six (26) times his benefit amount, or

(2) Twenty-seven per cent (27%) of such wage credits; provided that if such is not an even multiple of One Dollar (\$1), it shall be adjusted to the next higher multiple of One Dollar (\$1).

(e) **Benefit Wage Credits:** "Benefit wage credits" means those wages as defined in this subsection of the Act, which are used in determining an individual's right to benefits. "Wages" as used in this Section shall be as defined in subsection (n) of Section 19 of this Act,<sup>2</sup> except that the six-thousand-dollar limitation on wages as set out in subsection (n)(1) of Section 19 shall not be applicable for the purposes of this Section 3; provided that, for the purposes of this Section 3, wages received by an individual in any calendar year shall include all remuneration from each employer for employment up to the maximum amount of wages as defined in the Federal Insurance Contributions Act (Section 3121, Chapter 21, Subtitle C, Internal Revenue Code of 1954),<sup>3</sup> as amended, or as it may hereafter be amended; and provided further, that wages which have been used to qualify an individual for regular benefits under this Act or under any other unemployment compensation law shall not be used again to qualify such individual for regular benefits.

If an employer fails to report wages which were paid to a claimant during a base period when requested by the Commission, the Commission may establish wage credits for such claimant for such base period on the basis of the best information which has been obtained by the Commission.

(f) **Equal Treatment:** Benefits based on services for all employers in employment defined in subsection 19(f) shall be payable in the same amount, on the same terms, and subject to the same conditions; except that:

(1) with respect to services in an instructional, research, or principal administrative capacity for an educational institution; benefits shall not be payable based on those services for any week commencing during the period between two (2) successive academic years or terms (or, when an agreement provides instead for a similar period between two (2) regular but not successive terms, during that period) to any individual if the individual performs those services in the first of the academic years (or terms) and if there is a contract or reasonable assurance that the individual will perform services in that capacity for any educational institution in the second of the academic years (or terms);

(2) with respect to services in any other capacity for an educational institution:

(A) benefits shall not be payable on the basis of those services to any individual for any week which commences during a period between two (2) successive academic years or terms if the individual performs those services in the first of the academic years or terms and there is a reasonable assurance that the individual will perform those services in the second of the academic years or terms; except that

(B) if benefits are denied to any individual for any week under Paragraph (A) of this subdivision and the individual was not offered an opportunity to perform the services for the educational institution for the second of the academic years or terms, the individual is entitled to a retroactive payment of the benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of Paragraph (A); and

(3) with respect to any services described in Paragraphs (1) and (2), benefits shall be denied to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

(g) Athletes: Benefits shall not be payable to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two (2) successive sport seasons (or similar periods) if the individual performed those services in the first of the seasons (or similar periods) and there is a reasonable assurance that the individual will perform those services in the later of the seasons (or similar periods).

(h) Aliens: Benefits shall not be payable on the basis of services performed by an alien unless the alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law at the time such services were performed (including an alien who was lawfully present in the United States as a result of the application of the provisions of Section 203(a)(7) or Section 212(d)(5) of the Immigration and Nationality Act),<sup>4</sup> provided that:

(1) any data or information required of individuals applying for benefits to determine whether or not benefits are payable to them because of their alien status shall be uniformly required from all applicants for benefits; and

(2) in the case of an individual whose application for benefits would otherwise be approved, no determination that benefits are not payable to that individual because of his alien status may be made except on a preponderance of the evidence.

Provided that any modifications to the provisions of Section 3304(a)(14) of the Federal Unemployment Tax Act as provided by Public Law 94-566<sup>5</sup> which specify other conditions or other effective date for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under state law as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act shall be considered applicable under the provisions of this Section.

(i) Previously Uncovered Services: With respect to weeks of unemployment beginning after December 31, 1977, benefit wage credits shall include wages for previously uncovered services, provided that benefit payments based on those services are reimbursable from the federal government in accordance with provisions of Public Law 94-566 and provided that no employer's account shall be charged with payments based on those benefit wage credits either as chargebacks or reimbursements. For the purpose of this subsection, the term "previously uncovered services" means services which were not employment and which were not services for an employer under any provision of this Act at any time during the one-year period ending December 31, 1975, and which constitute employment and services for an employer after December 31, 1977, in accordance with the provisions of Section 19 of this Act as services in agricultural labor, domestic services, services for a governmental employer, or services for a nonprofit educational institution which is not an institution of higher education, except to the extent that assistance under Title II of the federal Emergency Jobs and Unemployment Assistance Act of 1974<sup>6</sup> was paid on the basis of those services.

Sections 20 to 22 of the 1977 amendatory act provided:

"Sec. 20. All laws or parts of laws in conflict herewith, insofar as they do conflict herewith, are hereby repealed, but such repeal may in no way be construed as forfeiting or waiving any rights of the State of Texas or of the Texas Employment Commission which have accrued thereunder, including but not limited to the right to collect contributions, interest, or penalties that have accrued and

the right of prosecution for violation of any provision thereof; nor may this repeal in any way be construed as forfeiting or waiving the rights of any individual to benefits which accrued thereunder; provided that the commission's determination of the benefit year, the benefit amount for total unemployment, and the duration of benefits made with respect to an initial claim filed prior to January 1, 1978, shall be effective for the remainder of that benefit year.

"Sec. 21. The amendment to Subsection (b), Section 3, Texas Unemployment Compensation Act, as amended (Article 5221b-1, Vernon's Texas Civil Statutes), contained in Section 1 of this Act takes effect on October 1, 1977. All other provisions of this Act take effect on January 1, 1978.

"Sec. 22. If any provision of this Act is held invalid, the invalidity does not affect any provision of this Act which can be given effect without the invalid provision. Provided further, should any part or parts of Public Law 94-566 or the federal acts it amends be finally adjudged unconstitutional or invalid by any court of competent jurisdiction, then this Act is automatically repealed to the extent of such invalidity."

Section 7 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies only to claims for unemployment compensation benefits filed on or after that date. Claims filed before that date are governed by the law in effect on the filing date, and that law is continued in effect for that purpose."

**Art. 5221b-2. Benefit Eligibility Conditions**

An unemployed individual shall be eligible to receive benefits with respect to any benefit period only if the Commission finds that:

(a) He has registered for work at, and thereafter has continued to report at, an employment office in accordance with such regulations as the Commission may prescribe;

(b) He has made a claim for benefits in accordance with the provisions of Subsection 6(a) of this Act;<sup>1</sup>

(c) He is able to work;

(d) He is available for work;

(e) He has within his base period received benefit wage credits for employment by employers of not less than Five Hundred Dollars (\$500) and has total benefit wage credits in his base period of not less than one and one-half (1½) times his high quarter benefit wage credits in his base period, or within at least one quarter of his base period received wages for employment by employers equal to two-thirds (⅔) of the maximum amount of wages as defined in the Federal Insurance Contributions Act (Section 3121, Chapter 21, Subtitle C, Internal Revenue Code),<sup>2</sup> as amended, or as it may hereafter be amended, provided that any claimant who has had a prior benefit year must have earned wages of Two Hundred Fifty Dollars (\$250) or more subsequent to the beginning date of the prior benefit year.

(f) Prior to the first payment of benefits following an initial claim he has been totally or partially unemployed for a waiting period of seven (7) consecutive days. No week shall be counted as a waiting period week for the purposes of this Subsection:

(1) Unless he has registered for work at an employment office in accordance with Subsection (a) of this Section;

(2) Unless it is a week following the filing of an initial claim;

(3) Unless he reports at an office of the Commission and certifies that he has met the waiting period requirements herein prescribed for the preceding seven (7) days;

(4) If benefits have been paid or are payable with respect thereto;

(5) If the individual does not meet the eligibility conditions of Subsections (c) and (d) of this Section 4;

**Art. 5221b-2a. Prohibitions Against Denial of Benefits**

(a) Benefits shall not be denied to an individual because he is in training with the approval of the Commission, nor shall such individual be denied benefits with respect to any benefit period in which he is in training with the approval of the Commission by reason of the application of provisions in this Act relating to availability for work, active search for work, or refusal to apply for, or a refusal to accept, suitable work. Approval of training shall be in accordance with rules prescribed by the Commission.

(b) Benefits shall not be denied or reduced to an individual solely because he files a claim in another state (or a contiguous country with which the United States has an agreement with respect to unemployment compensation) or because he resides in another state (or such a contiguous country) at the time he files a claim for unemployment compensation.

(c) Benefits shall not be denied to an individual solely on the basis of pregnancy or termination of pregnancy.

(d) Notwithstanding any other provision of this Act, an otherwise eligible individual may not be denied benefits for any weeks because he is in training approved under Section 236(a)(1), Trade Act of 1974 (Pub.L. 93-618),<sup>1</sup> and the individual may not be denied benefits by reason of leaving work to enter that training if the work left is not suitable employment, or because of the application to any week in training of provisions in this Act or in any applicable federal unemployment compensation law relating to availability for work, active search for work, or refusal to accept work. In this subsection 'suitable employment' means, with respect to an individual, work which is of a substantially equal or higher skill level than the individual's past adversely affected employment, as that term is used by the Trade Act of 1974, and for which the wages are not less than 80 percent of the individual's average weekly wage as determined for the purposes of the Trade Act of 1974.

<sup>1</sup> 19 U.S.C.A. § 2296(a)(1).

Section 7 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies only to claims for unemployment compensation benefits filed on or after that date. Claims filed before that date are governed by the law in effect on the filing date, and that law is continued in effect for that purpose."

#### Art. 5221b-3. Disqualification for Benefits

An individual shall be disqualified for benefits:

(a) If the Commission finds that he has left his last work voluntarily without good cause connected with his work. The disqualification continues until the claimant has returned to employment and either worked for six weeks or earned wages equal to six times his weekly benefit amount, unless the individual left work to move with a spouse from the area in which the individual worked. In that case, the disqualification shall be for not less than six (6) nor more than twenty-six (26) benefit periods following the filing of a valid claim, as determined by the Commission according to the circumstances in each case. Provided no claimant shall be disqualified because of his or her leaving due to medically verified illness, injury, disability, or pregnancy and is still available for work. Military personnel who do not reenlist may not be considered to have left work voluntarily without good cause connected with work.

(b) If the Commission finds he has been discharged for misconduct connected with his last work. The disqualification continues until the claimant has returned to employment and either worked for six weeks or earned wages equal to six times his weekly benefit amount.

(c) If the Commission finds that during his current benefit year he has failed, without good cause, either to apply for available, suitable work when so directed by the Commission or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the Commission. The disqualification continues until the claimant has returned to employment and either worked for six weeks or earned wages equal to six times his weekly benefit amount.

(1) In determining whether or not any work is suitable for an individual, the Commission shall consider the degree of risk involved to his health, safety and morals at the place of performance of his work, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

(2) Notwithstanding any other provisions of this Act, no work shall be deemed suitable and benefits shall not be denied under this Act to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lockout, or other labor dispute; (b) If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) For any benefit period with respect to which the Commission finds that his total or partial unemployment is (i) due to the claimant's stoppage of work because of a labor dispute at the factory, establishment, or other premises (including a vessel) at which he is or was last employed, or (ii) because of a labor dispute at another place, either within or without this State, which is owned or operated by the same employing unit which owns or operates the premises at which he is or was last employed, and supplies materials or services necessary to the continued and usual operation of the premises at which he is or was last employed; provided that this subsection shall not apply if it is shown to the satisfaction of the Commission that:

(1) He is not participating in or financing or directly interested in the labor dispute; provided, however, that failure or refusal to cross a picket line or refusal for any reason during the continuance of such labor dispute to accept and perform his available and customary work at the factory, establishment, or other premises (including a vessel) where he is or was last employed shall be considered as participation and interest in the labor dispute; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the labor dispute, there were mem-

bers employed at the premises (including a vessel) at which the labor dispute occurs, any of whom are participating in or financing or directly interested in the dispute; provided, that if in any case separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises; and where a disqualification arises from the employee's failure to meet the requirements of this paragraph (2) of this subsection (d) his disqualification shall cease if he shall show that he is not, and at the time of the labor dispute was not, a member of a labor organization which is the same as, represented by, or directly affiliated with, or that he, or such organization of which he is a member, if any, is not acting in concert or in sympathy with a labor organization involved in the labor dispute at the premises at which the labor dispute occurred, and he has made an unconditional offer to return to work at the premises at which he is or was last employed.

(e) For any benefit period with respect to which he is receiving or has received remuneration in the form of:

(1) Wages in lieu of notice;

(2) Compensation for temporary partial disability, temporary total disability or total and permanent disability under the Workmen's Compensation Law of any State or under a similar law of the United States;

(3) Old Age Benefits under Title II of the Social Security Act as amended,<sup>1</sup> or similar payments under any Act of Congress, or a State Legislature; provided, that if such remuneration is less than the benefits which would otherwise be due under this Act, he shall be entitled to receive for such benefit period, if otherwise eligible, benefits reduced by the amount of such remuneration. If any such benefits, payable under this subsection, after being reduced by the amount of such remuneration, are not an even multiple of One Dollar (\$1), they shall be adjusted to the next higher multiple of One Dollar (\$1).

(f) For a benefit period occurring from the date of the sale of a business until the date that an individual is employed and is eligible for benefits based on the wage credits received through the new employment, if:

(1) the business is a corporation and the individual is:

(A) an officer of the corporation;

(B) a majority or controlling shareholder in the corporation; and

(C) involved in the sale of the corporation;

(2) the business is a limited or general partnership and the individual is a limited or general part-

ner who is involved in the sale of the partnership; or

(3) the business is a sole proprietorship and the individual is the proprietor who sells the business.

(g) For the duration of any period of unemployment with respect to which the Commission finds that such individual has left his most recent work for the purpose of attending an established educational institution; provided, that this subsection shall not apply during a period in which an individual is in training with the approval of the Commission.

(h) For weeks of unemployment beginning after March 31, 1980, for any benefit period with respect to which the individual is receiving a governmental or other pension, retirement or retired pay, annuity, or any other similar periodic payment which is based on the previous work of the individual and which is reasonably attributable to that benefit period; provided that if the remuneration is less than the benefits which would otherwise be due under this Act, the individual shall be entitled to receive for that benefit period, if otherwise eligible, benefits reduced by the amount of the remuneration. If those benefits payable under this subsection, after being reduced by the amount of the remuneration, are not an even multiple of One Dollar (\$1), they shall be adjusted to the next higher multiple of One Dollar (\$1).

The Legislature declares that the preceding paragraph is enacted because Section 3304(a)(15) of the Federal Unemployment Tax Act as provided in Public Law 94-566<sup>2</sup> requires this provision in State law as of January 1, 1978, as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act; and it further declares that if Section 3304(a)(15) is amended to provide modifications of these requirements, the modified requirements, to the extent that they are required for full tax credit, shall be considered applicable under the provisions of this Section rather than the provisions stated in the preceding paragraph.

(i) This Section does not disqualify a claimant whose work-related reason for separation from employment was urgent, compelling, and of a necessary nature so as to make separation involuntary.

<sup>2</sup> 26 U.S.C.A. § 3304(a)(15).

Section 3 of the 1981 amendatory act provides:

"The disqualification for benefits of a person who, on the effective date of this Act, is disqualified under Subsection (a), (b), or (c), Section 5, Texas Unemployment Compensation Act, as amended [this article], is governed by the law as it existed before amendment by this Act. For that purpose, the prior law is continued in effect as if it had not been amended by this Act."

Prior to amendment in 1981, subses. (a) to (c) of this article read:

"(a) If the Commission finds that he has left his last work voluntarily without good cause connected with his work. Such disqualification shall be for not less than one (1) nor more than twenty-five (25) benefit periods following the filing of a valid claim, as determined by the Commission according to the circumstances in each case.

"(b) If the Commission finds he has been discharged for misconduct connected with his last work. Such disqualification shall be for not less than one (1) nor more than twenty-six (26) benefit periods following the filing of a valid claim, as determined by the Commission according to the seriousness of the misconduct.

"(c) If the Commission finds that during his current benefit year he has failed, without good cause, either to apply for available, suitable work when so directed by the Commission or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the Commission. Such disqualification shall be for not less than one (1) nor more than thirteen (13) benefit periods following the failure, as described above to apply for or accept suitable work, the degree of disqualification to be determined by the Commission according to the circumstances in each case.

"(1) In determining whether or not any work is suitable for an individual, the Commission shall consider the degree of risk involved to his health, safety and morals at the place of performance of his work, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

"(2) Notwithstanding any other provisions of this Act, no work shall be deemed suitable and benefits shall not be denied under this Act to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lockout, or other labor dispute; (b) If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization."

#### Art. 5221b-4. Claims for Benefits

(a) Filing: Claims for benefits shall be made in accordance with such regulations as the Commission may prescribe. Each employer shall post and maintain in places accessible to individuals in his employ printed notices giving general information about filing a claim for unemployment benefits. Such notices shall be supplied by the Commission to each employer without cost to him.

(b) An unemployed individual who has no current benefit year may file an initial claim in accordance with rules or regulations prescribed by the Commission. The Commission shall mail a notice of the filing of such initial claim to the individual or organization for which the claimant last worked prior to the effective date of the initial claim. If the individual or organization has more than one branch or division operating at different locations, notice of the filing of such initial claim shall be mailed to the branch or division where claimant last worked. Mailing of notice of the initial claim to the correct address of the individual or organization or the

branch or division where claimant last worked shall constitute due notice to such individual or organization. A governmental employer may designate in writing to the Commission an address for mail service. When a governmental employer has so designated a mailing address, mailing of notice of claims, determinations, or other decisions to such address shall constitute due notice to the governmental employer. If the individual or organization to which such notice is mailed has knowledge of any facts that may adversely affect such claimant's right to benefits, or that may affect a charge to its account, it shall notify the Commission of such facts promptly. If such individual or organization does not mail or deliver such notification to the Commission within twelve (12) days from the date notice of a claim was mailed to it by the Commission, such individual or organization shall be deemed to have waived all rights in connection with such claim, including any rights it may have under subsection 7(c)(2) of this Act,<sup>1</sup> except with respect to a clerical or machine error as to the amount of its chargeback or maximum potential chargeback in connection with such claim.

The Commission shall determine whether such initial claim is valid. If such initial claim is valid, the Commission shall determine the benefit year, the benefit amount for total unemployment and the duration of benefits. A notice of the determination of the initial claim shall be mailed to the claimant at his last known address as reflected by Commission records. The claimant may within twelve (12) calendar days from the date such notice was mailed request a redetermination or appeal in the manner provided in this Section.

If such individual or organization for which claimant last worked has filed a notification with the Commission in accordance with this Section, an examiner shall make a determination as to whether the claimant is disqualified from receipt of benefits under Section 5 (Article 5221b-3) of this Act, as to any other issue affecting the claimant's right to receive benefits which may have arisen under any other provision of this Act, and as to whether a chargeback shall be made to the account of the individual or organization if benefits are paid, and shall mail a copy of the determination to the claimant and to such individual or organization, or the branch or division for which the claimant last worked, or to the address for mail service designated by a governmental employer. In the absence of such notification from such individual or organization, if, from information on the claim or other information secured, an issue is raised affecting the claimant's rights to benefits under any provision of this Act, an examiner shall prepare a determination reflecting his decision and mail a copy of it to the claimant at his last known address.

Unless the claimant or the individual or organization or branch thereof to which the copy of the determination is mailed files an appeal from such determination within twelve (12) calendar days after

such copy of the determination is mailed to his or its last known address as reflected by Commission records, such determination shall be final for all purposes and benefits shall be paid or denied in accordance therewith; provided, that within the same period of time, an examiner may file an appeal from such determination, or may, if he discovers error in connection therewith or additional information not previously available, reconsider and redetermine any such determination, and such redetermination shall replace such determination and shall become final unless an appeal therefrom is filed by such claimant or such individual or organization within twelve (12) calendar days after a copy of such redetermination was mailed to his or its last known address as reflected by Commission records.

Notwithstanding any provision in this Act under which benefits may be paid or denied, benefits shall be paid promptly in accordance with a determination or redetermination of an examiner, a decision of an appeal tribunal, the Commission, or a reviewing court, on the issuance of that determination, redetermination or decision (regardless of the pendency of the period to apply for reconsideration, file an appeal, or petition for judicial review, or the pendency of that application, filing, or petition), unless and until that determination, redetermination, or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied in accordance with the modifying or reversing redetermination or decision. If a determination or decision is finally modified or reversed to deny benefits, no chargeback shall be made to the employer's account by reason of payments made to the claimant for any benefit period with respect to which he is finally denied benefits, or if the last employer is a reimbursing employer, and the modification or reversal occurred before the employer was billed for the benefits subject to the modification or reversal, then the last employer shall not be billed for reimbursements with respect to such benefits. Any benefits paid to the claimant which were not in accordance with the final decision shall be refunded by the claimant to the Commission or in the discretion of the Commission shall be deducted from future benefits payable to him under this Act, and the amount of benefits paid which were not in accordance with the final decision shall also be collectible in the manner provided in Section 14(b) of this Act for the collection of past due contributions.

(c) Appeals: Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the determination of the examiner. The parties to the appeal shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the Commission, unless within ten (10) days after the date of mailing of such decision, further appeal is initiated pursuant to subsection (e) of this Section.

(d) Appeal Tribunals: To hear and decide disputed claims, the Commission, if it is necessary to insure prompt disposal of cases on appeal, shall establish one or more impartial appeal tribunals consisting in each case of a salaried examiner.

(e) Commission Review: The Commission may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The Commission may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceeding so removed to the Commission shall be heard by a quorum thereof. The Commission shall promptly mail to the parties before it a copy of its findings and decision.

(f) Procedure: The manner in which disputed claims shall be presented, the reports thereon required from the claimant and from employers, or other individuals or organizations, and the conduct of hearings and appeals shall be in accordance with rules or regulations prescribed by the Commission for determining the rights of the parties. A full and complete record shall be kept of all proceedings in connection with a disputed claim and all testimony at any hearing upon a disputed claim shall be recorded.

(g) Witness Fees: Witnesses subpoenaed pursuant to this Section shall be allowed fees at a rate fixed by the Commission, and such fees shall be deemed a part of the expense of administering this Act.

(h) Appeal to Courts: Any decision of the Commission shall become final ten (10) days after the date of mailing thereof, unless, within such ten (10) days, the appeal is reopened by Commission order or a party to the appeal files a written motion for rehearing, and judicial review of any final decision of the Commission shall be permitted only after any party claiming to be aggrieved thereby has exhausted his remedies (not including a motion for rehearing) before the Commission as provided by this Act. The Commission shall be deemed to be a party to any judicial action involving any such decision and may be represented in any such judicial action by any qualified attorney who is a regular salaried employee of the Commission and has been designated and appointed for that purpose by the Attorney General of Texas.

(i) Court Review: Within ten (10) days after the decision of the Commission has become final, and not before, any party aggrieved thereby may secure judicial review thereof by commencing an action in any court of competent jurisdiction in the county of claimant's residence against the Commission for the review of its decision, in which action any other party to the proceeding before the Commission shall be made a defendant, provided that if a claimant is a non-resident of the State of Texas such action

may be filed in a court of competent jurisdiction in Travis County, Texas, or in the county in Texas in which the last employer has his principal place of business, or in the county of claimant's last residence in Texas. Such trial shall be de novo. In such action, a petition which need not be verified, but which shall state the grounds upon which a review is sought, shall be served upon a member of the Commission or upon such person as the Commission may designate and such service shall be deemed completed service on all parties, but there shall be left with the party so served as many copies of the petition as there are defendants and the Commission shall forthwith mail one such copy to each such defendant. Such action shall be given precedence over all other civil cases except cases arising under the Workmen's Compensation law of this State. An appeal may be taken from the decision of the trial court, in the same manner, as is provided in other civil cases. It shall not be necessary, in any judicial proceedings under this Section, to enter exceptions to the rulings of the Commission and no bond shall be required for entering such appeal. Upon the final determination of such judicial proceeding, the Commission shall enter an order in accordance with such determination. A petition for judicial review shall not act as a supersedeas.

1 Article 5221b-5(c)(2).

Section 3 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies only to unemployment compensation claims filed with the Texas Employment Commission on or after that date."

#### Art. 5221b-4a. Extended Benefits

(a) Definitions: As used in this Section, unless the context clearly requires otherwise:

(1) "Extended benefit period" means a period which:

(A) begins with the third (3rd) week after a week for which there is a State "on" indicator; and

(B) ends with either of the following weeks, whichever occurs last:

(i) the third (3rd) week after the first (1st) week for which there is a State "off" indicator, or

(ii) the thirteenth (13th) consecutive week of such period;

Provided, that no extended benefit period may begin by reason of a State "on" indicator before the fourteenth (14th) week following the end of a prior extended benefit period which was in effect with respect to this State.

(2) There is a State "on" indicator for this State for a week if the Commission determines, in accordance with the regulations of the United States Secretary of Labor, that, for the period consisting of such week and the immediately preceding twelve (12) weeks, the rate of insured unemployment (not seasonally adjusted) under this Act:

(A) equaled or exceeded one hundred and twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in each of the preceding two (2) calendar years, and

(B) equaled or exceeded five percent (5%).

(3) There is a State "off" indicator for this State for a week if the Commission determines, in accordance with the regulations of the United States Secretary of Labor, that, for the period consisting of such week and the immediately preceding twelve (12) weeks, either paragraph (A) or (B) of subdivision (2) is not satisfied. Provided that the determination of whether there has been a State "on" or "off" indicator beginning or ending any extended benefit period shall be made under this section as if subdivision (2) did not contain paragraph (A) thereof, and as if the figure "five" (5) contained in paragraph (B) thereof were "six" (6); except that, notwithstanding any other provision of this Section, any week for which there would otherwise be a State "on" indicator shall continue to be such a week and shall not be determined to be a week for which there is a State "off" indicator.

(4) "Rate of insured unemployment," for purposes of paragraphs (2) and (3) of this subsection, means the percentage derived by dividing:

(A) the average weekly number of individuals filing claims for regular compensation in this State for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the Commission on the basis of the Commission's reports to the United States Secretary of Labor, by

(B) the average monthly employment covered under this Act for the first four (4) of the most recent six (6) completed calendar quarters ending before the end of such 13-week period.

(5) "Regular benefits" means benefits payable to an individual under this Act or under any other state law (including benefits payable to federal civilian employees and ex-servicemen pursuant to 5 U.S.C. Chapter 85<sup>1</sup>) other than extended benefits.

(6) "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. Chapter 85) payable to an individual under the provisions of this Section for benefit periods of unemployment in his eligibility period.

(7) "Eligibility period" of an individual means the period consisting of the benefit periods in his benefit year which begin in an extended benefit period and, if his benefit year ends within such extended

benefit period, any benefit periods thereafter which begin in such period.

(8) "Exhaustee" means an individual who, with respect to any benefit period of unemployment in his eligibility period:

(A) has received, prior to such benefit period, all of the regular benefits that were available to him under this Act or any other state law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. Chapter 85) in his current benefit year that includes such benefit period;

Provided, that, for the purposes of this subparagraph, an individual shall be deemed to have received all of the regular benefits that were available to him although, as a result of a pending appeal with respect to wage credits that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits, or

(B) had a benefit year that expired prior to such benefit period and has no, or insufficient, wage credits on the basis of which he could establish a new benefit year that would include such benefit period; and

(C)(i) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act,<sup>2</sup> the Trade Expansion Act of 1962,<sup>3</sup> the Automotive Products Trade Act of 1965,<sup>4</sup> or such other federal laws as are specified in regulations issued by the United States Secretary of Labor, and

(ii) has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada; but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law, he is considered an exhaustee.

(9) "State Law" means the unemployment compensation law of any state that is approved by the United States Secretary of Labor under Section 3304 of the Internal Revenue Code of 1954.<sup>5</sup>

(b) Effect of State Law Provisions Relating to Regular Benefits on Claims for, and the Payment of, Extended Benefits: The provisions of this Act, and the rules or regulations of the Commission which apply to claims for, and the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits except when the result would be inconsistent with the other provisions of this Section.

(c) Eligibility Requirements for Extended Benefits: An individual shall be eligible to receive extended benefits with respect to any benefit period of unemployment in his eligibility period only if the Commission finds that with respect to such benefit period:

(1) he is an "exhaustee" as defined in subsection (a)(10) of this Section, and

(2) he satisfies the requirements of this Act for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

(d) Weekly Extended Benefit Amount: The weekly extended benefit amount payable to an individual for a week or total unemployment in his eligibility period shall be an amount equal to the weekly benefit amount payable to him during his applicable benefit year.

(e) Total Extended Benefit Amount: The total extended benefit amount payable to any eligible individual with respect to his applicable benefit year shall be fifty percent (50%) of the total amount of regular benefits which were payable to him under this Act in his applicable benefit year.

(f)(1) Beginning and termination of extended benefit period: Whenever an extended benefit period is to become effective in this State (or in all states) as a result of a State or a national "on" indicator, or an extended benefit period is to be terminated in this State as a result of State and national "off" indicators, the Commission shall make a public announcement thereof in accordance with rules prescribed by the Commission.

(2) Computations required by the provisions of subsection (a)(6) of this Section shall be made by the Commission in accordance with regulations prescribed by the United States Secretary of Labor.

(g) Financing:

(1) Extended benefits shall be paid from the Unemployment Compensation Fund.

(2) Payments made by the Federal Government for its share of extended benefits shall be deposited into the Unemployment Compensation Fund.

(3) Fifty percent (50%) of the extended benefit payments based on wage credits from a reimbursing employer shall be charged to the account of such employer and reimbursed by such employer in the same manner as regular benefit payments, and such payments shall not be used in determining the replenishment ratio provided for in subsection 7(c)(5) of this Act.<sup>6</sup>

(4) Fifty percent (50%) of extended benefit payments based on wage credits from a taxed employer shall be deemed chargebacks and charged to the account of such employer and used in determining the benefit ratio of such employer unless it was determined that chargebacks were not to be made against the account of the employer when regular benefits with respect to an individual were paid. Fifty percent (50%) of extended benefit payments based on wage credits from a taxed employer (whether or not charged to an employer) shall be used in the numerator of the replenishment ratio. Chargebacks resulting from the payment of extended benefits shall be used in the denominator of the replenishment ratio.

(5) When a taxed base period employer is notified of a claim for benefits under subsection 7(c)(2) of this Act,<sup>7</sup> such notice shall state that if the claim results in the payment of extended benefits, the maximum potential chargeback may be increased by as much as twenty-five percent (25%). No further notice of potential chargeback regarding extended benefit payments need be given to a taxed base period employer when the extended benefits are paid.

(6) Notwithstanding any other provision in this Act, with respect to weeks of unemployment beginning after December 31, 1978, extended benefit payments based on benefit wage credits earned from a state, or any political subdivision thereof, or any instrumentality of any one (1) or more of the foregoing which is wholly owned by one (1) or more states or political subdivisions shall be charged to the employer at the rate of one hundred per cent (100%) rather than at the rate of fifty per cent (50%) as provided for other employers under this Act, and any such employer which is a taxed employer shall receive notice that its maximum potential chargeback may be increased by as much as fifty per cent (50%) rather than twenty-five per cent (25%) as provided for other employers.

(h)(1) Notwithstanding the provisions of Subsection (b) of this section, an individual shall be ineligible for payment of extended benefits for any week of unemployment in his eligibility period if the commission finds that during such period:

(A) he failed to accept any offer of suitable work as defined under Subdivision (3) of this subsection or failed to apply for any suitable work to which he was referred by the commission; or

(B) he failed to engage actively in seeking work as prescribed under Subdivision (5) of this subsection.

(2) Any individual who has been found ineligible for extended benefits by reason of the provisions of Subdivision (1) of this subsection shall also be denied benefits beginning with the first day of the week following the week in which such failure occurred and until he has been employed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration equal to not less than four times the extended weekly benefit amount;

(3) For purposes of this Subsection (h), the term "suitable work" means, with respect to any individual, any work which

(A) is within such individual's capabilities; provided, however, that the gross average weekly remuneration payable for the work must exceed the sum of:

(i) the individual's weekly extended benefit amount as determined under Subsection (d) of this section plus

(ii) the amount, if any, of supplemental unemployment compensation benefits, as defined in Section

501(c)(17)(D) of the Internal Revenue Code of 1954,<sup>8</sup> payable to such individual for such week; and further,

(B) pays wages not less than the higher of

(i) the minimum wage provided by Section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C.A. Sec. 206), without regard to any exemption; or

(ii) the applicable state or local minimum wage.

(C) Provided, however, that no individual shall be denied extended benefits for failure to accept an offer of or apply for any job which meets the definition of suitability as described above if:

(i) the position was not offered to such individual in writing and was not listed with the employment service;

(ii) such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants in Section 5(c) of this Act, as amended (Article 5221b-3, Vernon's Texas Civil Statutes), to the extent that the criteria of suitability in that section are not inconsistent with the provisions of this Subdivision (3);

(iii) the individual furnishes satisfactory evidence to the commissioner that his or her prospects for obtaining work in his or her customary occupation within a reasonably short period are good. If such evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work for regular benefit claimants in Section 5(c) of this Act without regard to the definition specified by this Subdivision (3).

(4) Notwithstanding the provisions of Subsection (b) to the contrary, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions required by Section 3304(a)(5) of the Internal Revenue Code of 1954.

(5) For the purposes of Paragraph (B) of Subdivision (1) of this subsection, an individual shall be treated as actively engaged in seeking work during any week if

(A) the individual has engaged in a systematic and sustained effort to obtain work during such week, and

(B) the individual furnishes tangible evidence that he has engaged in such effort during such week.

(6) The employment service shall refer any claimant entitled to extended benefits under this Act to any suitable work which meets the criteria prescribed in Subdivision (3) of this subsection.

(7) An individual shall not be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period if such individual has been disqualified for regular or extended benefits under this Act because he or she voluntarily left work, was discharged for misconduct, or

failed to accept an offer of or apply for suitable work unless the disqualification imposed for such reasons has been terminated in accordance with specific conditions established under this Act requiring the individual to perform service for remuneration subsequent to the date of such disqualification.

(i) Notwithstanding any other provision of this Act, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that the individual would, but for this section, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances under the Trade Act of 1974 (Pub.L. 93-618)<sup>9</sup> within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

(j)(1) Cessation of Extended Benefits When Paid Under an Interstate Claim in a State Where Extended Benefit Period Is Not in Effect: Except as provided by Subdivision (2) of this subsection, an individual is not eligible for extended benefits for any week if:

(A) extended benefits are payable for the week under an interstate claim filed in any state under an interstate benefit payment plan; and

(B) no extended benefit period is in effect for the week in that state.

(2) Subdivision (1) of this subsection does not apply with respect to the first two weeks for which extended benefits are payable determined without regard to this subsection under an interstate claim filed under an interstate benefit payment plan to the individual from the extended benefit account established for the individual with respect to the benefit year.

"Sec. 12. All laws or parts of laws in conflict herewith, insofar as they do conflict herewith, are hereby repealed but such repeal shall in no way be construed as forfeiting or waiving any rights of the State of Texas or of the Texas Employment Commission, which have accrued thereunder, including, without limiting or without

being limited thereto, the right to collect contributions, interest, or penalties that have accrued, and the right of prosecution for violation of any provision thereof; nor shall such repeal in any way be construed as forfeiting or waiving the rights of any individual to benefits which accrued thereunder; provided that the Commission's determination of the benefit year, the benefit amount for total unemployment, and the duration of benefits made with respect to an initial claim filed prior to January 1, 1972, shall be effective for the remainder of such benefit year, and provided further, that nothing in this Section shall be construed as preventing Section 6-A of the Act from being effective on and after January 1, 1972.

"Sec. 13. If any word, phrase, sentence, paragraph, subsection or section of this Act shall be held invalid or unconstitutional, such holding shall not invalidate any other word, phrase, sentence, paragraph, subsection, or section hereof, and the Legislature hereby expressly declares that it would have passed such remaining words, phrases, sentences, paragraphs, subsections, and sections despite such invalidity.

Section 7 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies only to claims for unemployment compensation benefits filed on or after that date. Claims filed before that date are governed by the law in effect on the filing date, and that law is continued in effect for that purpose."

#### Art. 5221b-5. Contributions

(a) Payment: Contributions shall accrue and become payable by each employer for each calendar year, or portion thereof, in which he is subject to this Act, with respect to wages for employment paid during such calendar year, or portion thereof. Such contributions shall become due and be paid by each employer to the Commission for the fund in accordance with such rules or regulations as the Commission may prescribe, and shall not be deducted in whole or in part from the wages of individuals in such employer's employ. For agricultural employers subject to this Act, the Commission may require estimated contributions quarterly, but shall require a full report only once each year.

(b) Rate of contributions: Each employer shall pay contributions equal to two and seven-tenths percentum (2<sup>7</sup>/<sub>10</sub>%) of wages paid by him with respect to employment, except as provided in subsection (c) of this Section.

(c) Experience rating:

(1) Each employer's contribution rate shall be two and seven-tenths percent (2.7%) until his account has been chargeable with benefits throughout each calendar month of the four (4) consecutive calendar quarters immediately preceding the date as of which such employer's rate is determined. The contribution rate of each employer who has had at

least four (4) such calendar quarters of compensation experience shall be determined as provided below; except that the contribution rate of any employing unit which becomes an employer for the first time during the calendar year 1972, other than one which first becomes an employer because of the provisions of subsection 19(f)(2) of this Act,<sup>1</sup> shall be one percent (1%) rather than two and seven-tenths percent (2.7%) until such time as his account has been chargeable with benefits for four (4) consecutive calendar quarters and an experience rate is computed for him in accordance with this Act.

(2)(A) With respect to any benefit year beginning after September 30, 1967, the amount of benefit payments paid to a claimant shall be charged to the account of the claimant's base period employer or employers. With respect to any benefit year beginning prior to September 30, 1967, if the first benefit payment during such benefit year is not made until after September 30, 1967, then the amount of benefit payments shall be charged to the account of the claimant's base period employer or employers. When a benefit payment is made to a claimant who has two or more employers in his base period the chargeback to each employer shall be allocated in direct proportion to the percentage of the claimant's total benefit wage credits paid by such employer. This process may be designated as charging benefits to an employer's account, and benefits thus charged may be designated as chargebacks.

The chargebacks of each employer for a given calendar quarter shall be the benefits paid to all of his employees or former employees during such quarter; provided, that the chargebacks of an employer shall not include benefit payments which are based on wage credits of an employee or former employee, if the Commission finds that the employee's last separation from such employer's employment, prior to the benefit year in conjunction with which such base period was established, was (i) a separation required by a Federal or a Texas statute or a Texas municipal ordinance; or (ii) a separation for which a disqualification under subsections 5(a) or 5(b) of this Act<sup>2</sup> would have been imposed if such employer's employment of the employee or former employee had been the employee's last work; or (iii) a separation with respect to which a disqualification was imposed under subsection 5(a) or 5(b) of this Act,<sup>3</sup> and provided further that for the purpose of this paragraph the term "last separation" shall, with respect to an employee whose initial determination disqualified him for benefits under subsection 5(d) of this Act,<sup>4</sup> mean his next later separation from such employer's employment.

(2)(B) To each employer to whom notice of an initial claim has not already been mailed under subsection 6(b) of this Act,<sup>5</sup> and whose account is potentially chargeable with benefits as the result of such initial claim and payment of benefits, a notice of his maximum potential chargebacks shall be mailed when benefits are first paid and an opportunity afforded for protest of his potential charge-

backs. If any such employer desires to protest his potential chargebacks, he shall, within twelve (12) days after such notice was mailed to him, mail his protest, including a statement of the facts upon which his protest is based, to the Commission at Austin, Texas. Any employer who does not protest his potential chargebacks within twelve (12) days after notice was mailed to him shall be deemed to have waived his right to protest such chargebacks. If a timely protest is filed, the examiner shall promptly decide the issues involved in such protest and shall mail a notice of his decision thereon to the protesting employer. Such decision shall become final twelve (12) days from the date of mailing thereof, unless such employer mails to the Commission at Austin, Texas, a written appeal therefrom within such twelve (12) days. Administrative review hereunder shall be in accordance with Commission rules or regulations, and appeals to the Courts shall be permitted only after such employer has exhausted his administrative remedies (not including a motion for rehearing) before the Commission, and within the time prescribed by subsection 6(h) and subsection 6(i) of this Act<sup>6</sup> with respect to Commission decisions on benefits. Venue and jurisdiction of appeals to the Courts with respect to chargebacks shall be the same as venue and jurisdiction of suits to collect contributions and penalties under this Act.

If notice of the claim has been sent previously to the employer under the provisions of Section 6 of this Act,<sup>7</sup> the employer shall be mailed a notice of the amount of his potential chargeback resulting from the claim, and may, within twelve (12) days from the date such notice was mailed, protest any clerical or machine error as to amounts. Such employer shall be mailed a decision on such protest and may appeal within twelve (12) days from the date notice of such decision was mailed to him.

(3) For the purposes of this Section, benefits shall be deemed to have been paid at the time the claim therefor shall have been certified by the Commission to the State Comptroller for payment.

(4) The benefit ratio of each employer shall be a percentage equal to the total of his chargebacks for the thirty-six (36) consecutive completed calendar months immediately preceding the date as of which the employer's tax rate is determined divided by his total taxable wages for the same months on which contributions have been paid to the Commission on or before the last day of the month in which the computation date occurs; provided that, in the event the employer has less than three (3) years but at least four (4) calendar quarters of compensation experience throughout which his account has been chargeable with benefits, his benefit ratio shall be a percentage equal to the total of all of his chargebacks for all completed calendar months immediately preceding the date as of which such employer's tax rate is determined divided by his total taxable wages for the same months on which contributions have been paid to the Commission on or before the

last day of the month in which the computation date occurs.

(5) The replenishment ratio for a calendar year is a quotient, stated to the nearest hundredth, derived from the following numerator and denominator.

The numerator of the replenishment ratio shall be the amount of benefits that are effectively charged to employers' accounts and paid from the Unemployment Compensation Fund during the twelve (12) months ending September 30 of the preceding year, plus one-half of the amount of benefits paid during that period that are not charged to an employer's account, that are charged to employers' accounts after the employers have reached maximum liability because of the maximum tax rate, or that are charged but considered not collectible. In determining each amount, deductions shall be made for:

- (A) benefit warrants canceled,
- (B) repayment of benefits which have been overpaid, and
- (C) benefits paid which are repayable from reimbursing employers, the federal government, or any other governmental entity.

The denominator of the replenishment ratio shall be the total amount of benefits paid during the twelve (12) months ending September 30 of the preceding year that are effectively charged to employer's accounts.

The replenishment ratio for each calendar year shall be determined prior to the due date of the first contribution payment with respect to wages for employment paid in that year and such replenishment ratio thus determined shall not be affected or revised by virtue of any subsequent adjustment.

In this section, "effectively charged" means benefits other than those not charged to an employer's account, charged to employers' accounts after the employers have reached maximum liability because of the maximum tax rate, or charged but considered not collectible.

(6)(A) The general tax rate for each rated employer shall be in accordance with the following table based upon the replenishment ratio and the employer's benefit ratio:

The Employer's Tax Rate Shall Be:

3.7% 3.8% 3.9% 4.0% 4.1% 4.2% 4.3% 4.4% 4.5%

The Commission shall extend the foregoing table by supplying additional replenishment ratios, benefit ratios, and tax rates up to six percent (6%). The Commission shall use the same mathematical principles used in constructing said table.

(B) For purposes of this subdivision, the floor of the Unemployment Compensation Fund is an amount equal to the greater of Four Hundred Million Dollars (\$400,000,000) or one percent (1%) of the total taxable wages for the four calendar quarters ending the preceding June 30. When the amount in the fund on the October 1 computation date is less than the floor, for the next calendar year a deficit tax rate shall be added to the general rate for each employer entitled to an experience rate for that year. The deficit tax rate is equal to the deficit ratio (determined under Paragraph (C)) multiplied by the employer's tax rate computed under this Act for the year in which the computation occurs. An employer's deficit tax rate may not exceed two percent (2%).

(C) The deficit ratio is a quotient, stated to the nearest hundredth, derived from the following numerator and denominator. The denominator is the total amount of contributions under the general tax rate and the replenishment rate due for the four calendar quarters ending the preceding September 30 from employers entitled to an experience rate on the computation date. The numerator is the amount by which the balance of the fund is less than the floor. Except for the computations in 1983, 1984, and 1985 that amount includes any federal advance or other liability of the fund.

(D) For purposes of this subdivision, the ceiling of the fund is two percent (2%) of the total taxable wages for the four calendar quarters ending the preceding June 30. When the amount in the fund on the October 1 computation date is more than the ceiling, each employer entitled to an experience rate on the computation date is entitled to a credit to be applied beginning with contributions for the first quarter of the following year. The amount of the credit is equal to a surplus ratio (determined under Paragraph (E)) multiplied by the employer's contributions due for the four calendar quarters ending the preceding September 30.

(E) The surplus ratio is a quotient, stated to the nearest hundredth, derived from the following numerator and denominator. The numerator is an amount equal to the balance in the fund minus the ceiling. The denominator is the total of contributions due for the four calendar quarters ending the preceding September 30 from employers entitled to an experience rate on the computation date.

(F) A credit may not be used against delinquent contributions and may not be applied until the employer has paid any delinquent contributions.

(7) If an employing unit acquires all or a part of the organization, trade or business of an employer, such acquiring successor employing unit and such predecessor employer may jointly make written ap-

plication to the Commission for that compensation experience of such predecessor employer which is attributable to the organization, trade or business or the part thereof acquired to be treated as compensation experience of such successor employing unit. The Commission shall approve such application if it finds that: (i) immediately after such acquisition the successor employing unit continued operation of substantially the same organization, trade or business or part thereof acquired; and (ii) the predecessor employer has waived, in writing, all his rights to an experience rating based on the compensation experience attributable to the organization, trade or business or part thereof acquired by the successor employing unit; and (iii) in the event of the acquisition of only a part of a predecessor employer's organization, trade or business, such acquisition was of a part to which a definitely identifiable and segregable part of the predecessor's compensation experience was and is attributable; and (iv) if the successor employing unit was not an employer at the time of the acquisition, such successor has elected to become an employer as of the date of the acquisition or has otherwise become an employer during the year in which the acquisition took place.

If the application for transfer of experience is approved and the successor employing unit was an employer immediately prior to the acquisition, such successor shall pay contributions from the date of the acquisition until the end of the calendar year in which the acquisition occurred at the rate applicable to the successor on the date of the acquisition. If such application is approved and the successor employing unit was not an employer immediately prior to the date of the acquisition, such successor shall pay contributions from the date of the acquisition until the end of the calendar year in which the acquisition occurred at the highest rate applicable at the time of the acquisition to any predecessor employer who was a party to the acquisition with respect to which the joint application was made.

In the event the acquisition is the result of the death of the predecessor employer, the requirements of this subsection relating to the necessity for the predecessor to join in the application and the requirements of condition (ii) hereof shall not apply.

"Compensation experience," as used in this subsection includes duration of chargeability with benefit wages or benefits as well as all factors mentioned in subsection 7(c) of this Section necessary to the computation of experience rating under subsection 7(c) of this Section.

(8) In addition to the general rate provided by Subdivision (6) of this subsection, each employer entitled to an experience rate shall pay a replenishment tax at a rate equal to a percentage, stated to the nearest hundredth, derived from the following numerator and denominator. The numerator is an amount equal to one-half of the amount of benefits paid during the twelve (12) months ending the pre-

ceding September 30 that are not charged to an employer's account, that are charged to employers' accounts after the employers have reached maximum liability because of the maximum tax rate, or that are charged but considered not collectible. The denominator is the total taxable wages for the four quarters ending the preceding June 30.

(d) The computation date for all experience tax rates shall be as of October 1 of the year preceding the calendar year for which such rates are to be effective, and such rates shall be effective on January 1 of the calendar year immediately following such computation date for the entire year; provided that the experience tax rate for each employer who, for the first time, and at the close of any calendar quarter, has completed four (4) full consecutive calendar quarters throughout each month of which the employer was chargeable with benefit payments, shall be computed and determined as of the first day of the calendar quarter next following such close, and such rate shall be effective on the date as of which it was computed, and for the remainder of the calendar year in which such computation date occurs.

Section 2 of the 1982 amendatory act provides:

"(a) Notwithstanding other law, the tax rate increase resulting for 1983 or 1984 under Section 7(c)(6)(B), Texas Unemployment Compensation Act (Article 5221b-5, Vernon's Texas Civil Statutes), as amended by this Act, may not exceed an additional five-tenths of one percent added to the tax rate in either year.

"(b) In addition to the tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), for the last calendar quarter of 1982 and the first calendar quarter of 1983 a separate and additional tax is levied on each employer eligible for an experience tax rate that year. For the last quarter of 1982 the rate of that tax is three-tenths of one

percent. For the first quarter of 1983, the rate is one-tenth of one percent. The tax applies to the same wage base to which the employer's unemployment tax applies for the quarter, shall be levied and collected in the same manner, and is subject to the same penalty for late payment. The receipts shall be deposited to the credit of the advance interest trust fund established under Section 9c, Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), as added by Section 3 of this Act."

Acts 1983, 68th Leg., p. 135, ch. 32, provides:

"Sec. 1. In addition to the tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), for the calendar year 1983, a separate and additional tax is levied on each employer which was entitled to an experience rating during calendar year 1982 and which is liable to pay contributions under Section 7 of the said Act with respect to the first calendar quarter of 1983. The amount of this additional tax is five percent (5%) of the amount of taxes paid by the employer for that portion of the calendar year 1982 for which the employer was entitled to an experience rating.

"Sec. 2. The tax levied by this Act is separate from, and additional to, any tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes) or Chapter 2, Acts of the 67th Legislature, 3rd Called Session, 1982.

"Sec. 3. The tax levied by this Act is due on August 1, 1983, and shall be collected in the same manner as the employer's unemployment tax and is subject to the same penalty for late payment.

"Sec. 4. Receipts from the tax levied by this Act shall be deposited to the credit of the advance interest trust fund established under Section 9c, Texas Unemployment Compensation Act (Article 5221b-7c et seq., Vernon's Texas Civil Statutes)."

Sections 5 to 7 of the Acts 1983, 68th Leg., p. 2230, ch. 416, provide:

"Sec. 5. Solvency Tax. In addition to other taxes provided by law, for eight calendar quarters beginning with the third quarter of 1983 an additional tax of .10 percent is levied on each employer eligible for an experience tax rate. The tax applies to the same wage base to which the employer's unemployment tax applies for the quarter, and shall be levied and collected in the same manner, and is subject to the same penalty for late payment as the employer's unemployment tax. The receipts shall be deposited to the credit of the unemployment compensation fund.

"Sec. 6. Interest Tax. (a) In addition to other taxes provided by law, for the calendar years 1984 and 1985, a separate and additional tax is levied on each employer who was entitled to an experience rate for the previous year and who is liable for unemployment tax for the first quarter of 1984 or 1985, as applicable. Unless a higher rate is set by the governor under Subsection (b) of this section, the rate of this additional tax is 25 percent for 1984 and 10 percent for 1985, applied to the amount of taxes paid or due by the employer for that portion of the previous calendar year for which the employer was entitled to an experience rating. The tax is due at the same time as the employer's unemployment tax payment for the second quarter.

"(b) If the governor determines that the rate provided by Subsection (a) of this section is insufficient to pay the interest on federal advances, the governor by proclamation may increase the rate. The rate may not exceed 30 percent in 1984 or 12 percent in 1985. In setting the rate, the governor shall consider the recommendations of the commission. The increased rate must be set before the unemployment tax statements for the second calendar quarter are mailed to employers.

"(c) In addition to other taxes provided by law, for the calendar year 1986 a separate and additional tax of .10 percent is levied on each employer eligible for an experience tax rate. The tax applies to the same wage base to which the employer's unemployment tax applies for that year.

"(d) Taxes levied under this section shall be collected in the same manner as the employer's unemployment tax, and is subject to the same penalty for late payment.

"(e) Receipts from the taxes levied under this section shall be deposited to the credit of the advance interest trust fund established under Section 9c, Texas Unemployment Compensation Act (Article 5221b-7c, Vernon's Texas Civil Statutes).

"Sec. 7. Deficit Tax Computation for 1983. Before any deficit tax is computed in 1983 under Section 7(c)(6)(B), Texas Unemployment Compensation Act (Article 5221b-5, Vernon's Texas Civil Statutes), as amended by this Act, the commission shall subtract from each employer's tax rate the amount that was added to the employer's general rate under that section as it existed for the 1982 computation."

#### Art. 5221b-5a. Reimbursements

(a) Reimbursing Employers: Payments in lieu of contributions shall be made in accordance with the provisions of this Section. An employer making payments in accordance with this Section shall be referred to as a "reimbursing employer" and such payments shall be referred to as "reimbursements."

(b) Payments by a Reimbursing Employer: At the end of each calendar quarter the Commission shall bill each reimbursing employer for an amount equal to the amount of the regular benefits plus one-half (1/2) of the amount of the extended benefits paid during such quarter which are attributable to service in the employ of such employer, and reimbursements shall be paid by the reimbursing employer to the Commission for the fund in accordance with such rules as the Commission shall prescribe. An employer which has elected to pay reimbursements under Section 8(b)(1), 8(b)(2), or 8(b)(3) of this Act shall also pay, in accordance with such rules, an amount equal to Thirty Dollars (\$30) for each initial claim which is ultimately found to be valid submitted to the Commission. Amounts so received shall be deposited in the Unemployment Compensation Administration Fund, and shall constitute fees for coverage and administration under such elections.

(c) Allocation of Benefit Costs: Each employer that is liable for reimbursements shall pay to the Commission for the fund the amount of the regular benefits plus the amount of one-half (1/2) of the extended benefits paid which are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one (1) employer and one (1) or more of such employers are liable for reimbursements, the amount payable to the fund by each such employer that is liable for reimbursements shall be determined in accordance with the provisions of the following subparagraph (1) or subparagraph (2):

(1) Proportionate Allocation (When Fewer Than All Base Period Employers Are Liable for Reimbursements): If benefits paid to an individual are based on wage credits paid by one (1) or more employers who are liable for reimbursements and on wage credits paid by one (1) or more employers who are liable for contributions, the amount of reimbursement payable by each employer that is liable for reimbursements shall be an amount which bears the same ratio to the total benefits paid to the

individual as the total base period wage credits paid to the individual by such employer bears to the total base period wage credits paid to the individual by all of his base period employers.

(2) Proportionate Allocation (When All Base Period Employers Are Liable for Reimbursement): If benefits paid to an individual are based on wages paid by two (2) or more employers that are liable for reimbursements, the amount of reimbursement payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wage credits paid to the individual by such employer bears to the total base period wage credits paid to the individual by all of his base period employers.

(d) Records and Reports: Reimbursing employers shall maintain records and submit reports in accordance with subsection 11(e) of the Act<sup>1</sup> and rules prescribed by the Commission.

(e) Collections: If any reimbursing employer shall fail to pay reimbursements due under this Act on the date on which they are due and payable, as prescribed by the Commission, or if any such employer shall fail to submit records and reports as prescribed by the Commission, such employer shall be subject to the provisions set forth in Section 14 of this Act;<sup>2</sup> provided, that where Section 14 refers to contributions due from employers such Section shall be regarded as also referring to reimbursements due from reimbursing employers.

(f) Waiver of Rights: Reimbursing employers are entitled to the rights and privileges and subject to the duties and responsibilities of all provisions of this Act except the provisions of Section 7.<sup>3</sup> Section 7 shall be inapplicable to reimbursing employers (except where specifically mentioned therein) and an election to become a reimbursing employer shall constitute a waiver of the rights afforded under Section 7 of the Act.

(g) Continued Liability: All regular benefits paid and one-half (1/2) of extended benefits paid which are attributable to service in the employ of a reimbursing employer during the period for which he elected reimbursement pursuant to Section 8<sup>4</sup> shall be reimbursed by the employer even though the employer may no longer be a reimbursing employer when the benefit payments are made.

(h) Group Accounts: Two (2) or more reimbursing employers may file a joint application with the Commission for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purpose of this paragraph. Upon approval of the application, the Commission shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the Commission received the application

and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two (2) years and thereafter until terminated at the discretion of the Commission or upon application by the group, and such termination shall be effective only at the beginning of the next calendar year. Upon establishment of the account, each member of the group shall be liable for reimbursements with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bears to the total wages paid during such quarter for service performed in the employ of all members of the group. Each member of the group shall keep true and accurate employment records and submit such reports as the Commission may require with respect to persons employed by such member. The Commission shall prescribe such rules as may be necessary with respect to the type of records to be kept by and reports to be submitted by groups of employers, applications for the establishment, maintenance and termination of group accounts that are authorized by this paragraph, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts of reimbursements that are payable under this paragraph by members of the group and the time and manner of such payments.

(i) Authority to Terminate Elections: If any reimbursing employer is delinquent in making reimbursements as provided under this Section, the Commission may terminate such reimbursing employer's election to make reimbursements as of the beginning of the next taxable year and such termination shall be effective for that and the succeeding taxable year.

(j) Bond: In the discretion of the Commission, any reimbursing employer (or group of such employers) that elects to become liable for reimbursements may be required to execute and file with the Commission a surety bond approved by the Commission. The amount of such bond shall be determined in accordance with rules prescribed by the Commission. The Commission may require adjustments to be made in a previously filed bond if it deems such action appropriate. Failure by any reimbursing employer covered by such bond to pay the full amount of reimbursements when due, together with any applicable interest and penalties provided for under this Act, shall render the surety liable on such bond to the extent of the bond, as though the surety was such employer. If any reimbursing employer fails to make bond when directed to do so by the Commission, the Commission may terminate such employer's election to make reimbursements as of the beginning of the next taxable year and such termination shall be effective for that and the succeeding taxable year.

(k) Additional Safeguards: The Commission is authorized to provide such additional safeguards as may be needed to ensure that reimbursing employers pay the reimbursements required under this Section.

(l) Benefit Payments: Benefits based upon wages earned from a reimbursing employer shall be paid from the fund, but such benefits paid and reimbursements for such benefits shall not be used in computing the replenishment ratio provided for in subsection 7(c)(5) of this Act.<sup>5</sup>

(m) Notwithstanding any other provision in this Act, with respect to benefits paid for weeks of unemployment beginning after December 31, 1978, if the reimbursing employer is a state or political subdivision thereof, or any instrumentality of any one (1) or more of the foregoing which is wholly owned by one (1) or more states or political subdivisions, that employer shall pay one hundred percent (100%) of the extended benefits based on benefit wage credits earned from that employer instead of one-half (½) or fifty percent (50%) as indicated for other employers covered under this Act.

Section 3 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies only to unemployment compensation claims filed with the Texas Employment Commission on or after that date."

#### Art. 5221b-5b. Special Contributions for Governmental Employers

(a) Notwithstanding any provision in this Act to the contrary, after December 31, 1977, a governmental employer subject to the provisions of this Act and which pays contributions shall pay in accordance with the following.

(b) Contributions:

(1) Payments: Contributions shall accrue and become payable by each governmental employer for each calendar year, or portion thereof, in which it is subject to this Act with respect to wages for employment paid during the calendar year or portion thereof. The contributions shall become due and be paid by each such employer to the Commission for the fund in accordance with rules prescribed by the Commission and shall not be deducted in whole or in part from the wages of individuals in the employer's employ.

(2) Rate of Contributions: Each governmental employer shall pay contributions equal to one percent (1%) of the wages paid by the employer with respect to employment during each quarter for calendar years 1978 and 1979. The contribution rate

for calendar year 1980 shall be a percentage adjusted to the next higher one-tenth of one percent ( $\frac{1}{10}$  of 1%) based on the following numerator and denominator: The numerator shall include all benefits paid during the preceding two (2) calendar years based on wage credits earned from employers which pay contributions under this Section (not including benefit payments which are reimbursable from any other source), and the denominator shall include the total wages paid by all employers which pay contributions under this Section for the same period. The contribution rate for calendar year 1981 and each calendar year thereafter shall be derived in the same manner as for calendar year 1980, except the numerator and denominator shall include benefit payments and wages paid by the employers for only the one calendar year prior to the calendar year for which the rate is computed.

Provided, if the total benefits paid during the period used for determining the rate are greater than the total contributions paid by these same employers for the same period, the amount of benefits paid in excess of the amount of contributions collected for the period shall be added to the numerator in determining the contribution rate, and if the amount of benefits paid for the period is less than the contributions paid by these employers for the same period, that amount shall be deducted from the numerator in computing the rate; provided that in no year shall the contribution rate under this Section be less than one-tenth of one percent ( $\frac{1}{10}$  of 1%).

(3) Interest and Penalties on Past Due Contributions: If any governmental employer shall fail to pay contributions due under this Section on the date on which they are due and payable as prescribed by the Commission, the employer shall be subject to the same penalties as provided for other employers under subsection 14(a) of this Act.<sup>1</sup>

(c) Collections:

(1) The provisions for collecting delinquent contributions provided under Section 14 of this Act<sup>2</sup> shall be applicable with respect to governmental employers.

(2) If any governmental employer is delinquent in payment of contributions or reimbursements under any section of this Act, the Commission shall notify the Comptroller of Public Accounts in writing of the name of the governmental employer and the amount of the delinquency. On receipt of this notice, the Comptroller shall pay a sum to the Commission in the amount of the delinquency from any funds which would otherwise be due from the State to the delinquent governmental employer.

(d) Reports: Each governmental employer shall keep such records and file such reports with the Commission with respect to individuals in its employment as the Commission may prescribe by rules. A governmental employer failing to keep or file these reports when due shall be subject to the

same penalties as provided for other employers under subsection 14(c) of this Act.<sup>3</sup>

(e) Separate Accounting: Benefit payments based on wages from employers under this Section shall be paid from the fund; provided the Commission shall establish separate accounting with respect to benefits paid and contributions collected under this Section and these benefits and contributions shall not be used in determining contribution rates under Section 7 of this Act.<sup>4</sup>

**Art. 5221b-6. Duration of Coverage and Elections**

(a) Any employing unit which is or becomes an employer subject to this Act within any calendar year shall be subject to this Act during the whole of such calendar year.

(b)(1) A nonprofit organization (or group of organizations) as described in Section 501(c)(3) of the Internal Revenue Code of 1954<sup>1</sup> which is exempt from income tax under Section 501(a) of such Code<sup>2</sup> and is subject to this Act may file an election to pay reimbursements as provided in Section 7-A of this Act<sup>3</sup> in lieu of paying contributions as provided in Section 7 of this Act.<sup>4</sup> Such election shall be made within forty-five (45) days after the date notice is mailed to the employer that he is subject to the provisions of this Act. The election will be effective January 1 of the year in which the employer became subject to this Act and such election shall be for a minimum period of two (2) calendar years and cannot be terminated prior to that time, except as provided in subsections 7-A(i) and 7-A(j) of this Act.<sup>5</sup> An election may be withdrawn by a written application by the employer filed with the Commission not later than thirty (30) days prior to the beginning of the year with respect to which the employer wishes to change his method of payment. Thereafter, there must again be a minimum of two (2) calendar years and a timely application filed before the method of payment may again be changed.

An election to pay reimbursements in lieu of paying contributions will be terminated at any time coverage is terminated under this Act. An employer whose election has been terminated as the result of termination of coverage shall upon again becoming an employer subject to this Act be given an opportunity to file another election to pay reimbursements in lieu of paying contributions under the same terms and conditions described above.

(2) A State or an instrumentality thereof may voluntarily elect, for a period of not less than two (2) calendar years, to pay reimbursements for benefits paid or to pay contributions.

(3) A political subdivision of a State or any instrumentality thereof may voluntarily elect for a period of not less than two (2) calendar years to pay reimbursements for benefits paid or to pay contributions.

(4) An election by an employer under subsection 8(b)(2) or 8(b)(3) of this Act to be a reimbursing employer shall be made within forty-five (45) days after the date notice is mailed to the employer that it is subject to the provisions of this Act. The election will be effective January 1 of the year in which the employer became subject to the Act. All elections under subsections 8(b)(2) and 8(b)(3) of this Act may be terminated after the minimum required period by filing with the Commission a written request for termination not later than thirty (30) days preceding the last day of a calendar year, and such termination shall be effective January 1 of the following year.

(5) Any employing unit other than one to which subsection 8(b)(1), 8(b)(2), or 8(b)(3) of this Act is applicable, not otherwise subject to this Act, may voluntarily elect coverage as an employer subject to this Act for a period of not less than two (2) calendar years and shall with the written approval of such election by the Commission become an employer subject hereto to the same extent as all other employers as of the date stated in such approval.

(6) Any employing unit for which services that do not constitute employment as defined in this Act are performed may file with the Commission a written election that all such services performed by individuals in its employ in one (1) or more distinct establishments or places of business shall be deemed to constitute employment for all purposes of this Act for not less than two (2) calendar years. Upon the written approval of such election by the Commission, such services shall be deemed to constitute employment subject to this Act from and after the date stated in such approval and during the period of the election.

(c)(1) No employing unit shall cease to be an employer subject to this Act except as of the first day of January of any calendar year, and only then if such employer files with the Commission, within the period from January 1 through March 31 of such year, a written application for termination of coverage, and the Commission finds that the employing unit was not an employer as defined in subsection 19(f) of this Act<sup>6</sup> during the preceding year.

(2) Regardless of whether or not an application for termination of coverage has been filed, an employing unit shall cease to be an employer subject to this Act as of the first day of January of any year if the Commission finds that the employing unit has not had any individuals in employment on any one (1) or more days within the three (3) immediately preceding consecutive calendar years.

(d) Any employing unit which is or becomes an employer subject to this Act, and which under the

provisions of this Section ceases to be an employer subject to this Act, and subsequent to such time again becomes an employer subject to this Act by reason of any of the provisions thereof, shall upon again becoming an employer subject to this Act be considered a new employer without regard to any rights acquired by it during the time that it had theretofore been an employer.

**Art. 5221b-7. Unemployment Compensation Fund**

(a) Establishment and Control: There is hereby established as a special fund, separate and apart from all public moneys or funds of this State, an Unemployment Compensation Fund, which shall be administered by the Commission exclusively for the purposes of this Act.<sup>1</sup> This fund shall consist of (1) all contributions collected under this Act; (2) interest earned upon any moneys in the fund; (3) any property or securities acquired through the use of moneys belonging to the fund; (4) all earnings of such property or securities; and (5) all other moneys received for the fund from any other source. All moneys in the fund shall be mingled and undivided.

(b) Accounts and Deposits: The State Treasurer shall be treasurer and custodian of the fund. He shall administer such fund in accordance with the directions of the Commission, and the Comptroller shall issue warrants upon it in accordance with such regulations as the Commission shall prescribe. The Treasurer shall maintain within the fund three (3) separate accounts: (1) a clearing account, (2) an unemployment trust fund account, and (3) a benefit account.

All moneys payable to the fund, upon receipt thereof by the Commission, shall be forwarded to the Treasurer who shall immediately deposit them in the clearing account. All moneys in the clearing account, after clearance thereof, shall except as herein otherwise provided, be immediately deposited with the Secretary of the Treasury of the United States of America to the credit of the account of this State in the Unemployment Trust Fund, established and maintained pursuant to Section 904 of the Social Security Act, as amended,<sup>2</sup> any provisions of the law in this State relating to the deposit, adminis-

tration, release, or disbursement of moneys in the possession or custody of this State to the contrary notwithstanding. Refunds payable pursuant to Section 14 of this Act<sup>3</sup> may be paid from the clearing account or the benefit account upon warrants issued by the Comptroller under the direction of the Commission, except that refund of penalties which are erroneously collected, and which are to be refunded in accordance with the provisions of Subsection 14(j) of this Act,<sup>4</sup> shall be paid out of the Unemployment Compensation Special Administration Fund. The benefit account shall consist of all moneys requisitioned from this State's account in the Unemployment Trust Fund in the United States Treasury. Except as herein otherwise provided, moneys in the clearing and benefit accounts may be deposited by the Treasurer, under the direction of the Commission, in any bank or public depository in which general funds of the State may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. All moneys in this fund shall be deposited, administered and disbursed, in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury. The State Treasurer shall be liable, on his official bond, for the faithful performance of his duties in connection with the Unemployment Compensation Fund provided under this Act. Such liability on the official bond shall be effective immediately upon the enactment of this provision, and such liability shall exist in addition to the liability on any separate bond existent on the effective date of this provision, or which may be given in the future. All sums recovered for losses sustained by the fund shall be deposited therein.

(c) Withdrawals: Moneys requisitioned from this State's account in the Unemployment Trust Fund shall be used exclusively for the payment of benefits and for refunds pursuant to Section 14 and this Section, except that money credited to this State's account pursuant to section 903 of the Social Security Act,<sup>5</sup> as amended, may be requisitioned and used by the Commission only to the extent and under the conditions prescribed by said Section 903, as amended. The Commission shall from time to time requisition from the Unemployment Trust Fund such amounts, not exceeding the amounts standing to its account therein, as it deems necessary for the payment of benefits and refunds for a reasonable future period. Upon receipt thereof, the Treasurer shall deposit such moneys in the benefit account, and the Comptroller shall issue his warrants for payment of benefits solely from such benefit account. Expenditures of such moneys in the benefit account, and refunds from the clearing account, shall not be subject to any provision of law which may require itemization or other formal release by State officers of money in their custody. All warrants issued for the payment of benefits and refunds shall bear the signature of the Treasurer and the countersignature of a member of the Commission, or its duly authorized agent, for that purpose. Any balance of moneys requisitioned from the Un-

employment Trust Fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned, shall either be deducted from estimates for, and may be utilized for the payment of benefits and refunds during succeeding periods, or, in the discretion of the Commission, shall be redeposited with the Secretary of the Treasury of the United States of America, to the credit of this State's account in the Unemployment Trust Fund as provided in subsection (b) of this Section.

(d) If a warrant has been issued by the Comptroller in payment of benefits as provided under this Act, and if the claimant entitled to receive such warrant has lost or loses, or for any reason failed or fails to receive such warrant after such warrant is or has been issued by the Comptroller, and upon satisfactory proof of such, the Comptroller may issue to claimant a duplicate warrant as provided for in Article 4365, Revised Civil Statutes of Texas, 1925, but in no event shall a duplicate warrant be issued after one year from the date of the original warrant.

If, after any warrant has been issued by the Comptroller payable to a claimant for benefits under the provisions of this Act, and such warrant shall have been lost or misplaced, or if claimant for any reason fails or refuses to present said warrant for payment within twelve (12) months after the date of issuance of such warrant, such warrant shall be cancelled, and thereafter no payment shall be made by the Treasurer on such warrant, and no duplicate warrant in place thereof shall ever be issued.

(e) Management of Funds Upon Discontinuance of Unemployment Trust Fund: The provisions of subsections (a), (b), (c), and (d) to the extent that they relate to the Unemployment Trust Fund, shall be operative only so long as such Unemployment Trust Fund continues to exist and so long as the Secretary of the Treasury of the United States of America continues to maintain for this State a separate book account of all funds deposited therein by this State for benefit purposes, together with this State's proportionate share of the earnings of such Unemployment Trust Fund, from which no other State is permitted to make withdrawals. If and when such Unemployment Trust Fund ceases to exist, or such separate book account is no longer maintained, all moneys, properties, or securities therein, belonging to the Unemployment Compensation Fund of this State, shall be transferred to the Treasurer of the Unemployment Compensation Fund, who shall hold, invest, transfer, sell, deposit, and release such moneys, properties, or securities in a manner approved by the Commission, in accordance with the provisions of this Act; provided, that such moneys shall be invested in the following readily marketable classes of securities: bonds or other interest-bearing obligations of the United States of America; and provided further, that such investment shall at all times be so made that all the

assets of the fund shall always be readily convertible into cash when needed for the payment of benefits. The Treasurer shall dispose of securities or other properties belonging to the Unemployment Compensation Fund only under the direction of the Commission.

The Social Security Board shall determine both such amount after consultation with the Commission and the Railroad Retirement Board. The preliminary amount shall consist of that proportion of the balance in the Unemployment Compensation Fund as of June 30, 1939, as the total amount of contributions collected from "employers" (as the term "employer" is defined in Section 1(a) of the Railroad Unemployment Insurance Act)<sup>3</sup> and credited to the Unemployment Compensation Fund bears to all contributions theretofore collected under this Act and credited to the Unemployment Compensation Fund. The liquidating amount shall consist of the total amount of contributions collected from "employers" (as the term "employer" is defined in Section 1(a) of the Railroad Unemployment Insurance Act) pursuant to the provisions of this Act during the period July 1, 1939, to December 31, 1939, inclusive.

#### Art. 5221b-7c. Advances From Federal Fund

(a) The Advance Interest Trust Fund is established. The fund is a trust fund in the custody of the State Treasurer and may be used without appropriation by the Governor only for the purpose of paying interest incurred on advances from the federal Unemployment Trust Fund. Income from investment of the fund shall be deposited to the credit of the fund. If the amount of the fund exceeds the amount required to pay interest incurred on advances, the Governor shall transfer all or part of the surplus to the unemployment compensation fund for the payment of benefits.

(b) If the Governor applies for an advance from the federal Unemployment Trust Fund, the Governor shall limit the amount applied for to an amount that, when added to previous advances, does not exceed the total amount for which principal and interest may be paid from taxes on employers.

(c) In addition to other authorized purposes, the Unemployment Compensation Special Administration Fund may be appropriated for payment of interest on advances.

Sections 2(b) and 4 of the 1982 Act provide:

"Sec. 2. (b) In addition to the tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), for the last calendar quarter of 1982 and the first calendar quarter of 1983 a separate and additional tax is levied on each employer eligible for an experience tax rate that year. For the last quarter of 1982 the rate of that tax is three-tenths of one percent. For the first quarter of 1983, the rate is one-tenth of one percent. The tax applies to the same wage base to which the employer's unemployment tax applies for the quarter, shall be levied and collected in the same manner, and is subject to the same penalty for late payment. The receipts shall be deposited to the credit of the advance interest trust fund established under Section 9c, Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), as added by Section 3 of this Act."

"Sec. 4. The unobligated and unencumbered balance (as of the effective date of this section) of the unemployment compensation special administration fund is appropriated to the office of the governor for the payment of interest on advances from the federal unemployment trust fund."

Acts 1983, 68th Leg., p. 135, ch. 32, provides:

"Sec. 1. In addition to the tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes), for the calendar year 1983, a separate and additional tax is levied on each employer which was entitled to an experience rating during calendar year 1982 and which is liable to pay contributions under Section 7 of the said Act with respect to the first calendar quarter of 1983. The amount of this additional

tax is five percent (5%) of the amount of taxes paid by the employer for that portion of the calendar year 1982 for which the employer was entitled to an experience rating.

"Sec. 2. The tax levied by this Act is separate from, and additional to, any tax levied under the Texas Unemployment Compensation Act (Article 5221b-1 et seq., Vernon's Texas Civil Statutes) or Chapter 2, Acts of the 67th Legislature, 3rd Called Session, 1982.

"Sec. 3. The tax levied by this Act is due on August 1, 1983, and shall be collected in the same manner as the employer's unemployment tax and is subject to the same penalty for late payment.

"Sec. 4. Receipts from the tax levied by this Act shall be deposited to the credit of the advance interest trust fund established under Section 9c, Texas Unemployment Compensation Act (Article 5221b-7c et seq., Vernon's Texas Civil Statutes)."

(a) In addition to other taxes provided by law, for the calendar years 1984 and 1985, a separate and additional tax is levied on each employer who was entitled to an experience rate for the previous year and who is liable for unemployment tax for the first quarter of 1984 or 1985, as applicable. Unless a higher rate is set by the governor under Subsection (b) of this section, the rate of this additional tax is 25 percent for 1984 and 10 percent for 1985, applied to the amount of taxes paid or due by the employer for that portion of the previous calendar year for which the employer was entitled to an experience rating. The tax is due at the same time as the employer's unemployment tax payment for the second quarter.

"(b) If the governor determines that the rate provided by Subsection (a) of this section is insufficient to pay the interest on federal advances, the governor by proclamation may increase the rate. The rate may not exceed 30 percent in 1984 or 12 percent in 1985. In setting the rate, the governor shall consider the recommendations of the commission. The increased rate must be set before the unemployment tax statements for the second calendar quarter are mailed to employers.

"(c) In addition to other taxes provided by law, for the calendar year 1986 a separate and additional tax of .10 percent is levied on each employer eligible for an experience tax rate. The tax applies to the same wage base to which the employer's unemployment tax applies for that year.

(3) a member violates a prohibition established by Subsection (a), (b) or (c) of this section.

(b) Annual Report: As soon after the close of each State fiscal year as is practicable, the Commission shall submit to the Governor and the Legislature a report covering the administration and operation of this Act during the preceding State fiscal year, and the Commission shall make such recommendations for amendments to this Act as the Commission deems proper. Such report shall include a balance sheet of the moneys in the fund in which there shall be provided, if possible, a reserve against the liability in future years to pay benefits in excess of the then current contributions, which reserve shall be set up by the Commission in accordance with accepted actuarial principles on the basis of statistics of employment, business activity, and other relevant factors for the longest possible period. The report shall also include the annual report prepared by the State Advisory Council as prescribed by Section 10(e) of this Act,<sup>1</sup> the Commission's long-term and short-term goals and objectives for the future, and any information requested by the Legislature or the Legislative Budget Board. (c) Regulations and General and Special Rules: General and special rules may be adopted, amended, or rescinded by the Commission only after public hearing or opportunity to be heard thereon, of which proper notice has been given. General rules shall become effective ten (10) days after filing with the Secretary of State and publication in one or more newspapers of general circulation in this State. Special rules shall become effective ten (10) days after notification to or mailing to the last known address of the individuals or concerns affected thereby. Act, the Commission's regulations and general rules, and its annual reports to the Governor and the Legislature. The Agency Administrator may delegate to any such person so appointed such power and authority as the Agency Administrator deems reasonable and proper for the effective administration of this Act, and may, at the Agency Administrator's discretion, bond any person handling moneys or signing checks hereunder. The Agency Administrator or the Agency Administrator's designee shall develop a system of annual performance evaluations based on measurable job tasks. All merit pay for Commission employees must be based on the system established under this subsection.

Such records shall be open to inspection and subject to being copied by the Commission or its authorized representatives at any reasonable time and as often as may be necessary. The Commission may require from any employing unit any sworn or unsworn reports, with respect to persons employed by it, which the Commission deems necessary for the effective administration of this Act. Information thus obtained or otherwise secured shall not be published or be open to public inspection (other than to public employees in the performance of their public duties) except as the Commission may deem necessary for the proper administration of this Act. Any employee or member of the Commission who violates any provision of this subsection shall be fined not less than Twenty Dollars (\$20), nor more than Two Hundred Dollars (\$200), or imprisoned for not longer than ninety (90) days, or both.

compel the attendance of witnesses and the production of books, papers, correspondence, memoranda, and other records deemed necessary as evidence in connection with a disputed claim or the administration of this Act. Notwithstanding the provisions of Article 3912e, Vernon's Texas Civil Statutes, or any other provision of the laws of this state, the fees of sheriffs and constables for serving such subpoenas shall be paid by the Commission out of administrative funds, and the Comptroller of Public Accounts shall issue warrants for such fees as directed by the Commission.

(i) **Subpoenas:** In case of contumacy by, or refusal to obey a subpoena issued by a member of the Commission or any duly authorized representative thereof to any person, any County or District Court of this State within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which said person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the Commission or its duly authorized representative, shall have jurisdiction to issue to such person an order requiring such person to appear before a commissioner, the Commission, or its duly authorized representative, there to produce evidence if so ordered or there to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof. Any person who shall without just cause fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, and other records, if it is in his power so to do, in obedience to a subpoena of the Commission, shall be punished by a fine of not less than Two Hundred Dollars (\$200), or by imprisonment for not longer than sixty (60) days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(j) **Protection Against Self Incrimination:** No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda, and other records before the Commission or in obedience to the subpoena of the Commission or any member thereof or any duly authorized representative of the Commission, in any cause or proceeding before the Commission, on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he is compelled, after having claimed his privilege against self incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying. No statement whether oral or in writing made to the Commission or its employees in connection with the discharge of their duties under this

Act shall ever be made the basis for an action for defamation of character.

Upon request therefor, the Commission shall furnish to any agency of the United States charged with the administration of public works or assistance through public employment, the name, address, ordinary occupation, and employment status of each recipient of benefits and such recipient's rights to further benefits under this Act.

(l) Funds: Except as otherwise provided in this subsection, all sums of money paid to the Commission under this Act shall be deposited in the State Treasury and may be used only for the administration of this Act. Funds are not required to be deposited if a state or federal law or regulation prohibits deposit in the treasury or if deposit would result in a loss of any federal funds.

(m) Audit: The state auditor shall audit the financial transactions of the Commission during each fiscal year.

(n) Complaint: The Commission shall keep an information file about each complaint filed with the Commission relating to a service rendered by the Commission.

(o) Hearing: If a written complaint is filed with the Commission relating to a service rendered by the Commission, the Commission, at least as frequently as quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint.

(a) Texas State Employment Service, as provided for under Act of the Forty-fourth Legislature, Regular Session, Chapter 236, page 552,<sup>1</sup> is hereby transferred to the Commission as a division thereof. The Commission, through such division, shall establish and maintain free public employment offices in such number and in such places as may be necessary for the proper administration of this Act, and for purposes of performing such duties, as are within the purview of the Act of Congress entitled "An Act to provide for the establishment of a national employment system and for cooperation with the States in the promotion of such system and for other purposes," approved June 6, 1933, (48 Stat. 113; U.S.C., Title 29, Section 49(c)) as amended. All moneys which are deposited or paid into this fund are hereby appropriated and made available to the Commission and shall be continuously available to the Commission for expenditure in accordance with the provisions of this Act,<sup>1</sup> and shall not lapse at any time or be transferred to any other fund. All moneys in this fund shall be deposited, administered, and disbursed, in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury. The State Treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the Unemployment Compensation Administration Fund provided under this Act. Such liability on the official bond shall be effective immediately upon the enactment of this provision, and such liability shall exist in addition to any liability upon any separate bond existent on the effective date of this provision, or which may be given in the future. Upon receipt of notice of such a finding by the Social Security Board or successor the Commission shall promptly report the amount required for such reimbursement to the Governor and the Gover-

In addition to the penalties provided above, whenever the maximum penalty of twenty-five per cent (25%) shall accrue or shall have accrued as provided above in cases in which the liability of the employer is reduced to judgment, thereafter in addition to the penalties provided above, contributions included in such judgment shall bear interest at the rate of one-half of one per cent (½ of 1%) per month or part of a month.

(b) Collections: If, after notice, any employer defaults in any payment of contributions, penalties or interest thereon, the amount due shall be collected by civil action in a District Court in Travis County, Texas, in the name of the State and the Attorney General, and the employer adjudged in default shall pay the costs of such action; provided, however, that no court action shall be begun to collect contributions or penalties from an employer after the expiration of three (3) years from the due date of such contributions, except that, in any case of a willful attempt in any manner to evade any of the provisions of the Unemployment Compensation Law or Commission rules or regulations promulgated thereunder, such action may be begun at any time.

An employer liable for contributions, penalties, or interest under this Act who fails to pay such sums when due shall, after judgment has been entered therefor and execution returned unsatisfied, forfeit his right to employ individuals in this State until he enters into a bond with sureties to be approved by the Commission, in an amount not to exceed double the sum then due plus contributions estimated by the Commission to become due by said employer during the next calendar year, said bond to be conditioned upon payment of all contributions, penalties, interest, and court costs due and owing by the employer within thirty (30) days after the expiration of the next ensuing calendar year, and in the event the employer fails to furnish such bond or pay the taxes, interest, and penalty then found to be due, the Commission may proceed by injunction to prevent the continuance of such employment upon such failure by the employer by applying to the court which previously entered judgment against the employer for contributions, penalties, or interest, and a temporary injunction enjoining the employer from employing persons in this State without first posting bond as aforesaid may be granted after reasonable notice of not less than ten (10) days by said court; and such temporary injunction may upon final hearing be made permanent and shall remain in full force and effect until the requirements of this Section have been fully satisfied.

(c)(1) If any employer shall fail to file any reports of wages paid or contributions due as required by this Act or by the rules or regulations of the Commission, such employer shall forfeit to the State for the Unemployment Compensation Special Administration Fund as penalties: (i) for the first fifteen days or part thereof of violation, the sum of Five Dollars (\$5); and (ii) for the remainder of the month or part thereof of violation, the sum of Five Dollars (\$5) plus 1/20th of 1% of wages paid which the employer failed to report when due to the Commission; and (iii) for the second successive month or part thereof of violation, an additional Ten Dollars (\$10) plus 1/10th of 1% of wages paid which the employer failed to report when due to the Commission; and (iiii) for the third successive month, or part thereof of violation, an additional Ten Dollars (\$10) plus 1/5th of 1% of wages which the employer failed to report when due to the Commission. The penalties hereinbefore provided in (i), (ii), (iii), and (iiii) are cumulative and in addition to any other penalties provided in this Act, and if such penalties are not paid to the Commission at the time they are forfeited, they shall be collected by civil action as provided in this Section.

(2) If any employing unit shall (i) fail to keep any of the records required to be kept by the provisions of this Act or by the rules or regulations of the Commission, (ii) make a false report to the Commission, or (iii) fail or refuse to abide by the provisions of this Act, or the rules or regulations of the Commission promulgated hereunder, or violate the same, and if no civil penalty is otherwise provided

by this Act, such employing unit shall forfeit to the State for the Unemployment Compensation Special Administration Fund as a penalty the sum of Ten Dollars (\$10).

In cases where the violation is of continuous and continuing nature, whether or not any other civil penalty is otherwise provided by this Act, each day's violation after written notice of the existence of the violation is given to the employing unit shall constitute a separate offense and incur another penalty of Ten Dollars (\$10). The penalty for each day's violation shall be forfeited and become cumulative on the tenth (10th) calendar day after date of written notice is given or mailed to the employing unit by the Commission or its authorized representative. If such penalties are not paid when demanded by the Commission or its duly authorized representative, they shall be collected by civil action as provided in this Section.

(3) If any employer shall fail to make any reports to the Commission, required by this Act or by rules or regulations of the Commission, the Commission may estimate, from any sources of information available to it, the amount of taxable wages paid by such employer during the period in question, and the Commission may proceed to collect taxes and penalties on the basis of such estimates the same as if the estimated wages had been properly reported by the employer.

(4) The collection remedies provided in this Section shall be cumulative and no action shall be construed as an election on the part of the Commission to pursue any given remedy or action hereunder to the exclusion of any other remedy or action for which provision is made in this Act or in the General Laws of the State of Texas.

(d) If any employer fails or refuses to pay any contributions, penalties or interest within the time and manner provided by this Act, or by the rules or regulations adopted by the Commission hereunder, and it becomes necessary to bring suit or to intervene in any manner for the establishment or collection of said claim in any judicial proceeding, any report filed in the offices of the Texas Employment Commission by such employer or his agents or representatives, or a certified copy thereof certified to by the Chairman or any member of said Commission or any employee designated for the purpose by said Commission, showing the amount of wages paid by such employer or his agents or representatives, with respect to which contributions, penalties or interest have not been paid, or any audit made by the Texas Employment Commission or its representatives from the books of such employer when signed and sworn to by such representative as being made from the records of said employer, such report or audit shall be admissible in evidence in such proceedings and shall be prima facie evidence of the contents thereof; provided, however, that the incorrectness of said report or audit may be shown.

(e) When an action is filed under the terms of subsection (b) of this Section 14 and is supported by a statement, report or audit, and the affidavit of a member of the Commission, a representative of the Commission, or the attorney representing the Commission, taken before some officer authorized to administer oaths, to the effect that the contributions, penalties or interest shown to be due by said statement, report, or audit are, within the knowledge of affiant, past due and unpaid and that all just and lawful offsets, payments, and credits have been allowed the same shall be taken as prima facie evidence thereof, unless the defendant in said action shall, before an announcement of ready for trial, file a written denial, under oath, stating that such contributions, penalties or interest are not due, in whole or in part, stating the particulars as to any part of said contributions, penalties or interest claimed to be not due; provided that when such counter-affidavit shall be filed on the day of the trial, the plaintiff shall have the right to postpone such cause for a reasonable time. When the defendant fails to file such affidavit, he shall not be permitted to deny the claim for contributions, penalties or interest, or any item thereof.

(f) All sums due by any employing unit under this Act shall become a lien upon all the property both real and personal belonging to such employing unit or to any individual so indebted. Such lien shall attach at the time any contributions, penalties, interest, or other charges become delinquent and may be recorded in the "State Tax Liens" book kept by county clerks as provided in Article 1.07A of Title 122A, Revised Civil Statutes of Texas, 1925, as amended,<sup>1</sup> and such liens may be released in the manner there provided for other state tax liens. The Commission shall pay by warrant drawn by the State Comptroller to the county clerk of the county in which a notice of lien provided by this subsection has been filed the usual fee for filing and recording other similar instruments. Such fee shall be added to the amount due from the employer. When the liability secured by the lien is fully paid, the Commission shall mail to the employer a release of the said lien and it shall be the employer's responsibility to file such release with the appropriate county clerk and to pay the county clerk's fee for recording the release.

(g) If any employer shall fail to remit proper contributions when due, or if any employer shall fail to make such reports to the Commission as are required by this Act, or, as are required by the regulations adopted by the Commission pursuant to authority granted in this Act, the Commission may employ auditors or other persons to ascertain the correct amount of contributions due and to prepare the correct reports due, and if such contributions have not been properly remitted, or, if such reports have not been properly made, the employer shall pay the reasonable expenses incurred in such investigation which shall be paid as additional penalty, and such additional penalty may be collected by the

Commission in the manner prescribed in this Section; provided that nothing herein shall prevent the Commission from using other funds available to it for the purpose of making audits and preparing or assisting in preparing reports of employers when the Commission determines that such action is necessary.

(h) Whenever any suit shall be instituted on behalf of the Commission, or at the request of the Commission under this Section or under Section 17 of this Act,<sup>2</sup> the costs adjudged against the State or the Commission shall be paid by the Commission out of the administrative fund herein provided for. All such costs as are chargeable against the Commission shall be paid by the Commission to the officers of the Courts of Texas at the time that the same become due under the provisions of the General Laws of this State.

(i) Priorities under legal dissolutions or distributions: In the event of any distribution of an employer's assets pursuant to an order of any Court under the laws of this State, including any receivership, assignment for benefit of creditors, adjudicated insolvency, composition or similar proceedings, contributions then or thereafter due shall be entitled to the same priority as is now accorded by the General Laws of the State of Texas to other tax claims.

(j)(1) Where any employing unit has made a payment to the Commission of contributions and/or penalties alleged to be due, and it is later determined that such contributions and/or penalties were not due, in whole or in part, the employing unit making such payment may make application to the Commission for an adjustment thereof in connection with contribution payments then due, or for a refund thereof because such adjustment cannot be made. If the Commission shall determine that such contributions or penalties, or any portion thereof were erroneously collected, the Commission shall allow such employing unit to make an adjustment thereof without interest in connection with contribution payments then due by such employing unit. If such adjustment cannot be made, the Commission shall refund said amount without interest from the fund. It is provided, however, that no application for adjustment or refund shall ever be considered by the Commission unless the same shall have been filed within three (3) years from the date on which such contributions and/or penalties would have become due, had such contributions and/or penalties been legally collectible by the Commission from such employing unit, and provided further that with respect to applications for refund or adjustment filed on or after January 1, 1956, if the approval of such application and the making of a refund or adjustment in connection therewith would require the deletion, removal, or disregarding of any benefit wages which became benefit wages, or which were charged as benefit wages, more than three (3) years before the filing of such application for refund or adjustment of contributions and/or penalties, no such application for adjustment or refund shall ever

be considered by the Commission. The deletion, removal, or disregarding of benefit wages referred to herein shall not include the transfer of compensation experience as described in subsection 7(c) (7) of this Act.<sup>3</sup> For like cause, and within the same period, adjustments or refunds without interest may be so made on the Commission's own initiative.

(2) When an employing unit has made a payment to the Commission of contributions and/or penalties alleged to be due and has, within three (3) years from the date on which such contributions and/or penalties would have become due had such contributions and/or penalties been legally collectible by the commission from such employing unit, made application to the Commission for a refund or adjustment thereof, and such application for refund or adjustment has been denied by the Commission, such employing unit may, within one (1) year from the date on which notice of such denial was mailed to it, commence an action in any court of competent jurisdiction in Travis County, Texas, against the Commission for a refund of the contributions and/or penalties which the Commission refused to refund; provided, however, that such action may not be based upon an application for a refund or adjustment of contributions and/or penalties, or upon the denial of such an application, which application involved the consideration of wages which became benefit wages, or which were charged as benefit wages, more than three (3) years before the filing of such application for refund or adjustment of contributions. The action herein provided shall be exclusive and no action shall be brought under any other provision of law for such refund. Such action shall be de novo; and such recovery, if any, shall be without interest.

(k) Whenever it shall appear that any individual or employing unit is violating or threatening to violate any of the provisions of this Act, or of any rule, regulation or order of the Commission promulgated under this Act, relative to the collection of contributions, penalties, or interest, or the filing of reports relative to employment, the Commission, through the Attorney General, shall bring suit, in the name of the State of Texas against such employing unit or individual in any Court of competent jurisdiction in the county of the residence of the defendant, or if there be more than one (1) defendant, in the county of the residence of any of them, or in the county in which such violation is alleged to have occurred, to restrain such person or employing unit from violating such statute, or such rules, regulation or order of the Commission or any part thereof, and in such suit the Commission in the name of the State of Texas may obtain such injunctions, prohibitory and mandatory, including temporary restraining orders and temporary injunctions, as the facts may warrant.

The violation by any person or employing unit of any injunction granted under the provisions of this Act shall be sufficient grounds for the appointment by the Court, either upon its own motion or that of

the Commission in the name of the State of Texas, of a receiver to take charge of such properties of such person or employing unit and to exercise such powers as in judgment of the Court shall be necessary in order to bring about compliance with such injunction; provided, however, that no such receiver shall be appointed except after notice and hearing. The power to appoint a receiver as herein provided shall be in addition to and cumulative of the power to punish for contempt.

(l) Taxes, penalties, interest and court costs owed by an employer under a final court judgment under this Act shall be deemed to be a debt owed to the State of Texas by the employer for the purposes of Article 4350. Vernon's Texas Civil Statutes, provided, however, that this subsection shall apply only to warrants which would otherwise be issued by the State Comptroller in refund of taxes, fees, assessments and other deposits required under the laws of Texas and to warrants otherwise owed to the employer as compensation for goods and services (other than warrants owed in payment for services performed as an elective or appointive employee of this state and warrants owed in reimbursement of expenses incurred in the performance of such state employment).

(m) Any qualified attorney who is a regular salaried employee of the Commission may represent any employment security agency of any other state in proceedings in court in this state to collect contributions, penalties, interest, and court costs for which liability has been incurred by an employing unit under an unemployment compensation law or unemployment insurance law of any other state, provided that such liability has been reduced to judgment in a court of record in the state of the requesting agency, and provided further, that the unemployment compensation law or unemployment insurance law of the requesting state provides for like action on behalf of the Commission by the requesting state agency. Venue of such proceedings shall be the same as for actions to collect delinquent contributions, penalties and interest due under this Act.

(n) In cases where it has become necessary for the commission to reduce to judgment its claim against an employer for taxes, penalty or interest, the Commission shall pay by warrant drawn by the State Comptroller to the county clerk of the county or counties in which an abstract of such judgment shall be recorded the usual fee for filing and recording such abstract of judgment. When the liability secured by the lien is fully paid, the Commission shall mail to the employer a release of said lien and it shall be the employer's responsibility to file such release with the appropriate county clerk and to pay the county clerk's fees for recording such release.

(o) Any individual or employing unit which acquired the organization, trade, or business, or substantially all of the assets thereof, of another which at the time of such acquisition was an employer subject to this Act and was indebted to the Commission

for taxes, penalty, or interest shall be liable to the Commission for prompt payment of such taxes, penalty, or interest and if not paid, suit may be brought by the Commission for the collection of same as though the taxes, penalty, or interest had been incurred by the successor employer.

**Effective date, repeals, etc.** Section 2 of the amendatory Act of 1943 read as follows:

"The provisions of this Act shall repeal all parts of Section 14 of Chapter 482, Acts of the 44th Legislature, Third Called Session, as amended, in conflict herewith, and all laws or parts of laws in conflict herewith, insofar as they do conflict herewith, but shall in no way be construed as forfeiting or waiving rights to collect contributions that have accrued under said Chapter 482, as amended, or penalties, not exceeding twenty-five (25%) per centum of the amount of contributions due at due date, that have accrued under said Chapter 482, as amended, nor the right of prosecution for violating any provision thereof."

Sections 3 and 4 of the amendatory Act of 1947 read as follows:

"Sec. 3. All laws or parts of laws in conflict herewith, in so far as they do conflict herewith, are hereby repealed, but such repeals shall in no way be construed as forfeiting or waiving any rights of the State of Texas or of the Texas Unemployment Compensation Commission which have accrued under the repealed sections of law, including, without limiting or without being limited thereto, the right to collect contributions, interest or penalties that have accrued, and the right of prosecution for any violation thereof.

"Sec. 4. If any section, subsection, paragraph, sentence, clause, phrase, or word of this Act, or the application thereof to any person or circumstance, is held invalid, such holding shall not affect the validity of the remaining portions of the Act, and the Legislature hereby declares that it would have enacted such remaining portions despite such invalidity."

#### Art. 5221b-13. Protection of Rights and Benefits

(a) **Waiver of Rights Void:** No agreement by an individual to waive, release, or commute his rights to benefits or any other rights under this Act shall be valid, except that an employer's waiver under the terms of subsections 7(c)(7)<sup>1</sup> or 7-A(f)<sup>2</sup> of this Act shall be valid. No agreement by any individual in the employ of any person or concern to pay all or any portion of an employer's contributions or reimbursements, required under this Act from such employer, shall be valid. No employer shall directly or indirectly make or require or accept any deduction from wages to finance the employer's contributions or reimbursements required from him or require or accept any waiver of any right hereunder by any individual in his employ. Any employer or officer or agent of an employer who violates any provision of this subsection shall, for each offense, be fined not less than One Hundred Dollars (\$100) nor more than One Thousand Dollars (\$1,000), or be imprisoned for not more than six (6) months, or both.

(b) **Limitation of Fees:** No individual claiming benefits shall be charged fees of any kind in any proceeding under this Act by the Commission or its representatives or by any court or any officer thereof. Any individual claiming benefits in any proceeding before the Commission or a court may be represented by counsel or other duly authorized agent; but no such counsel or agents shall either charge or receive for such services more than an amount approved by the Commission. Any person who violates any provision of this subsection shall for each such offense, be fined not less than Fifty (\$50.00) dollars, nor more than Five Hundred (\$500.00) Dollars, or imprisoned for not more than six (6) months, or both.

(c) **No Assignment of Benefits; Exemptions:** No assignment, pledge, or encumbrance of any right to benefits which are or may become due or payable under this Act shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy whatsoever provided for the collection of debt; and benefits received by any individual, so long as they are not mingled with other funds of the recipient, shall be exempt from any remedy whatsoever for the collection of all debts except debts incurred for necessities furnished to such individual or his spouse or dependents during the time when such individual was unemployed. No waiver of any exemption provided for in this subsection shall be valid. The protec-

tions and limitations contained in the preceding portion of this section are superseded, to the extent of any conflict, by the provisions regarding child support obligations set out in Subsection (d) of this section.

#### (d) Child Support Obligations:

(1) An individual filing a new claim for benefits shall, at the time of filing the claim, disclose whether or not the individual owes child support obligations as defined by Subdivision (7) of this subsection. If the individual discloses that he owes child support obligations and is determined to be eligible for benefits, the Commission shall notify the state or local child support enforcement agency enforcing the obligation that the individual has been determined to be eligible for benefits.

(2) The Commission shall deduct and withhold from any benefits payable to an individual that owes child support obligations an amount equal to:

(A) the amount specified by the individual to the Commission to be deducted and withheld under this subdivision, if neither Paragraph (B) nor (C) is applicable;

(B) the amount, if any, determined pursuant to an agreement submitted to the Commission under Section 454(20)(B)(i), Social Security Act,<sup>3</sup> by the state or local child support enforcement agency, unless Paragraph (C) is applicable; or

(C) any amount otherwise required to be so deducted and withheld from the benefits pursuant to legal process, as that term is defined by Section 462(e), Social Security Act,<sup>4</sup> properly served upon the Commission.

(3) The Commission shall pay any amount deducted and withheld under Subdivision (2) of this subsection to the appropriate state or local child support enforcement agency.

(4) Any amount deducted and withheld under Subdivision (2) of this subsection shall for all purposes be treated as if it were paid to the individual as benefits and paid by the individual to the state or local child support enforcement agency in satisfaction of the individual's child support obligations.

(5) In subdivisions (1) through (4) of this subsection, "benefits" includes amounts payable by the Commission under an agreement entered under any federal law that provides for compensation, assistance, or allowances with respect to unemployment.

(6) This subsection applies only if appropriate arrangements have been made for reimbursement by the state or local child support enforcement agency for the administrative costs incurred by the Commission under this subsection which are attributable to child support obligations being enforced by the state or local child support enforcement agency.

(7) In this subsection "child support obligations" includes only obligations that are being enforced pursuant to a plan described by Section 454 of the Social Security Act that has been approved by the

Secretary of Health and Human Services under Part D, Title IV, Social Security Act.<sup>5</sup>

(8) In this subsection "state or local child support enforcement agency" means any agency of this state or a political subdivision of this state operating pursuant to a plan described by Subdivision (7) of this subsection.

The Legislature declares that the preceding portion of this Subsection (d) and the last paragraph of Subsection (c) immediately above are enacted because Section 303(e) of the Social Security Act<sup>6</sup> requires these provisions in state law as a condition for federal funding of administration of the state unemployment compensation laws; and it further declares that if Section 303(e) of the Social Security Act is repealed, the preceding portion of this Subsection (d) and the last paragraph of Subsection (c) immediately above shall no longer have any force and effect.

(b) Any employing unit or any officer or agent of an employing unit or any other person who makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this Act, or who willfully fails or refuses to make any such contribu-

(c) Any person who shall willfully violate any provision of this Act or any rule or regulation thereunder, the violation of which is made unlawful or the observance of which is required under the terms of this Act, and for which a penalty is neither prescribed herein nor provided by any other applicable statute, shall be punished by a fine of not less than Twenty (\$20.00) Dollars, nor more than Two Hundred (\$200.00) Dollars, or by imprisonment for not longer than sixty (60) days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(d) Any person who, by reason of the nondisclosure or misrepresentation by him or by another, of a material fact (irrespective of whether such nondisclosure or misrepresentation was known or fraudulent) has received any sum as benefits under this Act while any conditions for the receipt of benefits imposed by this Act were not fulfilled in his case, or while he was disqualified from receiving benefits, shall, in the discretion of the Commission, either be liable to have such sum deducted from any future benefits payable to him under this Act or shall be liable to repay to the Commission for the Unemployment Compensation Fund, a sum equal to the amount so received by him, and such sum shall be collectible in the manner provided in Section 14(b) of this Act<sup>2</sup> for the collection of past due contributions.

(e) Any person who by willful nondisclosure or misrepresentation by him, or by another for him, of a material fact, has received any sum as benefits under this Act while any conditions for receipt of benefits imposed by this Act were not fulfilled in his case, or while he was disqualified from receiving benefits, forfeits such benefits and the rights to benefits which remain in the benefit year in which such nondisclosure or misrepresentation occurred. The Commission may to the same extent cancel such benefit rights of any person who has attempted by such willful nondisclosure or misrepresentation to obtain or increase benefits. Such forfeiture or cancellation may be effective only after opportunity for fair hearing before the Commission or its duly designated representative has been afforded such person.

#### Art. 5221b-22a. Unemployment Compensation Special Administration Fund

There is hereby established as a special fund, separate and apart from all public moneys or funds of this State, an Unemployment Compensation Special Administration Fund which may be used by the Commission for the purposes of paying costs of the administration of this Act including the costs of reimbursing the Unemployment Compensation Benefit Accounts for unemployment compensation benefits paid to former employees of the State of Texas which are based on service for the state, and the costs of construction and purchase of buildings and land necessary in such administration. The State Treasurer shall be the Treasurer and custodian of the fund. He shall administer such fund in accordance with the directions of the Commission, and the Comptroller shall issue warrants upon it in accordance with the directions of the Commission. All

interest and penalties collected under the provisions of this Act and all moneys now on deposit in the Unemployment Compensation Special Administration Fund shall be paid into this fund. Said moneys shall not be expended or available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) Federal funds which would, in the absence of said moneys, be available to finance expenditures for the administration of the Texas Unemployment Compensation Act. Nothing in this Section, however, shall prevent said moneys from being used as a revolving fund, to cover expenditures, necessary and proper under the Texas Unemployment Compensation Act, for which Federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. The Commission may, by resolution duly entered in its Minutes, authorize to be charged against said moneys any expenditures which it deems proper in the interest of good administration of this Act, provided the Commission in such resolution finds that no other funds are available or can properly be used to finance such expenditures. All moneys which are deposited or paid into the Unemployment Compensation Special Administration Fund may be expended in accordance with the provisions of this Act, upon appropriation by the legislature, and shall not lapse at any time or be transferred to any other fund. All moneys in the Unemployment Compensation Special Administration Fund shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds. The State Treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the Unemployment Compensation Special Administration Fund provided herein. Such liability on the official bond shall be effective immediately upon the enactment of this provision, and such liability shall exist in addition to any liability upon any separate bond existent on the effective date of this provision, or which may be given in the future. All sums recovered on any Surety Bond for losses sustained by the Unemployment Compensation Special Administration Fund shall be deposited in said Unemployment Compensation Special Administration Fund. If it be determined by the Commission in accordance with the provisions of subsection 14(j) of this Act that the Commission should refund penalties which have been erroneously collected and which have been deposited in the Unemployment Compensation Special Administration Fund, the refund of such penalties shall be made, without interest, out of the Unemployment Compensation Special Administration Fund, notwithstanding the provisions of subsection 14(j) of this Act<sup>1</sup> that payment of all refunds shall be made out of the Unemployment Compensation Fund. Such refunds paid out of the Unemployment Compensation Special Administration Fund shall be paid upon warrants issued

by the Comptroller under the direction of the Commission.

The nine members shall have experience with boilers, and at least four, when available, shall be registered professional engineers licensed in the State of Texas. Three members shall be representatives of owners or users of boilers, one shall be representative of boiler manufacturers or installers, three shall be representatives of companies insuring boilers in this State, one shall be a mechanical engineer on the faculty of a recognized engineering college within the State, and one shall be a representative of a labor union.

The Chief Inspector shall serve as chairman, and the Commissioner shall be an ex officio member. No decision of the Board shall be effective unless supported by the vote of at least five members.

The Board shall act in an advisory capacity to the Commissioner in formulating definitions, rules and regulations for the safe construction, installation, inspection, operating limits, alteration, and repair of boilers and their appurtenances.

The Board members shall serve without salary, but are entitled to reimbursement for actual expenses incurred in the performance of their duties as board members.

#### Inspections; Ordering Repairs to Unsafe Boiler; Hearing; Temporary Certificate of Operation

Sec. 4. The Commissioner shall cause boilers subject to the provisions of this Act to be inspected internally and externally (except as provided for in Sections 4 and 4a) as follows:

(1) Power boilers shall receive a certificate inspection annually and shall also be externally inspected annually while under pressure if possible.

(2) Steam heating boilers and hot water heating boilers shall receive a certificate inspection biennially.

(3) Hot water supply boilers and lined potable water heaters shall receive a certificate inspection triennially.

(4) Portable steam boilers shall be inspected externally each time it is moved to a new location, provided that an internal inspection shall be made of each such boiler at least once each twelve (12) months.

(5) Nuclear boilers shall be inspected and reported in such form and with such appropriate information as the Commissioner shall designate.

If such boilers referred to herein are found, upon inspection, to be in a safe condition for operation, a Certificate of Operation shall be issued by the Commissioner for its operation for a period not longer than the interval required for certificate inspections. If any inspection authorized hereunder shall show the inspected boiler to be in an unsafe or dangerous condition, the Chief Inspector or any Deputy Inspector shall issue a preliminary order requiring such repairs and alterations to be made to such boiler as may be necessary to render it safe for use, and may also order the use of such boiler discontinued until such repairs and alterations are made or such dangerous and unsafe conditions are remedied. Unless such preliminary order be complied with by the owner or user, a hearing before the Commissioner shall be allowed, upon written request, at which the owner or user, making the request, shall have opportunity to appear and show cause why the preliminary order should not be complied with. If it shall thereafter appear to the Commissioner that such boiler is unsafe and that the requirements contained in said preliminary order should be complied with, or that other things should be done to make said boiler safe, the Commissioner may order or confirm the withholding of the Certificate of Operation for said boiler and may make such requirements as may be deemed proper for the repair or alteration of said boiler or the correction of such dangerous and unsafe conditions. The Chief Inspector may issue a

temporary Certificate of Operation for a period not to exceed thirty (30) days, pending the completion of replacements or repairs. Nothing in this Section shall be construed to limit the authority of the Commissioner as set forth in Section 6 of this Act. Any boiler which cannot be rendered safe for use shall be condemned and the use of such boiler shall be prohibited.

#### Interval Between Internal Inspections

Sec. 4a. Upon the approval of the Commissioner and the inspection agency having jurisdiction, the interval between internal inspections may be extended to a period not to exceed twenty-four (24) months for power boilers and forty-eight (48) months for waste heat boilers and for other unfired steam boilers using heat resulting from the operation of a process system, the interval may be extended to the next scheduled down time, but not to exceed 60 months provided: (1) continuous water treatment under competent and experienced supervision has been in effect since the last internal inspection for the purpose of controlling and limiting corrosion and deposits; (2) accurate and complete records are available showing that since the last internal inspection samples of boiler water have been taken or monitored at regular intervals not greater than twenty-four (24) hours of operation and that the water condition in the boiler is satisfactorily controlled; (3) accurate and complete records are available showing the dates such boiler has been out of service and the reasons therefor since the last internal inspection, and such records shall include the nature of all repairs to the boiler, the reasons why such repairs were made; and (4) the last internal and current external inspection of the boiler indicates the inspection period may be safely extended. The Commissioner and inspection agency having jurisdiction may grant an additional extension for up to one hundred twenty (120) days to the inspection interval covered by the Certificate of Operation on receipt of a request stating that an emergency exists. However, before an extension is allowed, the Authorized Inspector shall make an external inspection and items (1) through (4) of this Section must be complied with. When such an extended period between internal inspections has been approved by the Commissioner and the inspection agency having jurisdiction, as outlined in this Section, a new Certificate of Operation shall be issued for that extended period of operation.

#### Intervals of Inspection for Nuclear Boilers

Sec. 4b. Intervals of inspection for Nuclear Boilers shall be as established by the Commissioner and the owner.

#### Insurance Company Reports; Inspection by Authorized Inspector; Certificate of Operation; Notice of Cancellation or Expiration of Insurance Policy

Sec. 5. Every insurance company authorized to insure and inspect boilers in this State shall, within thirty (30) days after a certificate inspection file a

report with the Commissioner stating the condition of the boiler. The report shall also include the location of the boiler, date inspected, and the name of the inspector.

Any boiler inspected by an authorized inspector shall be exempt from other inspections and inspection fees under the provisions of this Act; provided nothing in this Section shall prevent the Commissioner from authorizing the inspection of any boiler at any reasonable time when, in the opinion of the Commissioner, such boiler may be in an unsafe condition. The Commissioner shall contact the insurance company carrying insurance on the boiler and request the authorized inspector to participate with the Chief Inspector or Deputy Inspector to jointly inspect the boiler, within twenty (20) days. No additional charge shall be made for this inspection.

The Commissioner is authorized to issue a Certificate of Operation to the owner or user of all boilers subject to inspection under this Act. The fee for the Certificate of Operation shall not exceed the sum of Fifteen Dollars (\$15).

Every insurance company shall notify the Commissioner in writing of the cancellation or expiration of every policy of insurance issued by it with reference to boilers in this State, after the expiration or cancellation of said policy, giving the cause or reason for such cancellation or expiration. Such notice of cancellation or expiration shall show the date of the policy and the date when the cancellation or expiration has or will become effective.

#### Rules and Regulations; Special Inspection Service; Exchange of Information

Sec. 6. The Commissioner is hereby authorized and empowered to promulgate and enforce a code of rules and regulations in keeping with standard usage, for the construction, inspection, installation, use, maintenance, repair, alteration, and operation of boilers. The Commissioner may adopt rules and regulations to provide inspection procedures for use of nondestructive examination equipment to comply with the inspection requirements specified in Section 4 of this Act. The Commissioner is empowered to provide special inspection service to owner-users and manufacturers including surveys required for certification to construct, assemble or repair boilers or pressure vessels. Provided that the Commissioner or any employee of the Department, shall not have authority to prescribe the make, brand or kind of boilers to buy or purchase.

The Commissioner may exchange information and experience data with other authorities having boiler inspection divisions or departments in assembling data for the promulgation of rules and regulations authorized under the provisions of this Act.

Prior to the adoption, amendment, or repeal of any rules, the Commissioner shall give at least 30 days' notice of the intended action. Notice of the proposed rule shall be filed with the secretary of

state and published by the secretary of state in the Texas Register. The notice must include:

- (1) a brief explanation of the proposed rule;
- (2) the text of the proposed rule prepared in a manner to indicate the words to be added or deleted from the current text, if any;
- (3) a statement of the statutory or other authority under which the rule is proposed to be promulgated;
- (4) a request for comments on the proposed rule from any interested person; and
- (5) any other statement required by law.

Each notice of a proposed rule becomes effective as legal notice when published in the Texas Register. The notice shall be mailed to all persons who have made timely written requests of the Commissioner for advance notice of the rulemaking proceedings. However, failure to mail the notice does not invalidate any actions taken or rules adopted.

Prior to the adoption of any rule, the Commissioner shall afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In the case of substantive rules, opportunity for public hearing must be granted if requested by at least 25 persons or by any association having at least 25 members. The Commissioner shall consider fully all written and oral submissions concerning the proposed rule. On adoption of a rule, the Commissioner if requested to do so by an interested person either prior to adoption or within 30 days after adoption, shall issue a concise statement of the principal reasons for and against its adoption, incorporating in the statement its reasons for overruling the considerations urged against its adoption.

If the Commissioner finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule on fewer than 30 days' notice and states in writing his reasons for that finding, he may proceed without prior notice or hearing or on any abbreviated notice and hearing that he finds practicable to adopt an emergency rule. The rule may be effective for a period of not longer than 120 days renewable once for a period not exceeding 60 days, but the adoption of an identical rule under the provisions of this section is not precluded. An emergency rule adopted under these provisions and the Commissioner's written reasons for the adoption, shall be filed in the office of the secretary of state for publication in the Texas Register.

No rule adopted is valid unless adopted in substantial compliance with this section and the provisions of the Administrative Procedure and Texas Register Act.<sup>1</sup>

**Art. 5221f. Manufactured Housing Standards Act**

**Short Title**

Sec. 1. This Act may be cited as the Texas Manufactured Housing Standards Act.

**Purpose**

Sec. 2. The legislature finds that there is a growing need to provide the citizens of the state with safe, affordable, and well-constructed housing. The legislature finds that manufactured housing has become a primary housing source of many of the state's citizens. It is the specific intent of the

legislature to encourage the construction of housing for the state's citizens and to improve the general welfare and safety of purchasers of manufactured housing in this state. The legislature finds that existing statutes and regulations are not adequate to provide for the full protection of the consumer and to prevent certain discriminations that exist in the state with regard to manufactured housing. The legislature finds that it is the responsibility of the state to provide for the protection of its citizens who desire to purchase housing by imposing certain regulations on the construction and installation, to provide economic stability of manufactured housing manufacturers, retailers, installers, and brokers, and to provide fair and effective consumer remedies. In recognition of these findings, the legislature deems it necessary to expand various regulatory powers to deal with these problems. The legislature finds this to be the most economical and efficient means of dealing with this problem and serving the public interest. Accordingly, this Act shall be liberally construed and applied to promote its underlying policies and purposes.

#### Definitions

Sec. 3. Whenever used in this Act, unless the context otherwise requires, the following words and terms have the following meanings:

(a) "Mobile home" means a structure that was constructed before June 15, 1976, transportable in one or more sections, which, in the traveling mode, is eight body feet or more in width or 40 body feet or more in length, or, when erected on site, is 320 or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems.

(b) "Retailer" means any person engaged in the business of buying for resale, selling, or exchanging manufactured homes or offering such for sale, exchange, or lease-purchase to consumers. No person shall be considered a retailer unless engaged in the sale, exchange, or lease-purchase of two or more manufactured homes to consumers in any consecutive 12-month period.

agent of any party involved in the transaction. A person who maintains a location for the display of manufactured homes is not a broker but is a retailer. The term shall not apply if the manufactured home is affixed to a permanent foundation, the manufacturer's certificate or the document of title is canceled, and the home is offered as real estate; however, the provisions of The Real Estate License Act (Article 6573a, Vernon's Texas Civil Statutes) shall apply.

(g) "Consumer" means any person who seeks or acquires by purchase, exchange, or lease-purchase a manufactured home.

(l) "Installer" means any person, including a retailer or manufacturer, who performs installation functions on manufactured housing.

(m) "Alteration" means the replacement, addition, and modification, or removal of any equipment or its installation after sale by a manufacturer to a retailer but prior to sale and installation by a retailer to a purchaser which may affect the construction, fire safety, occupancy, plumbing, heat-producing or electrical system. It includes any modification made in the manufactured home which may affect the compliance of the home with the standards, but it does not include the repair or replacement of a component or appliance requiring plug-in to an electrical receptacle where the replaced item is of the same configuration and rating as the one being

replaced. It also does not include the addition of an appliance requiring "plug-in" to an electrical receptacle, which appliance was not provided with the manufactured home by the manufacturer, if the rating of the appliance does not exceed the rating of the receptacle to which it is connected.

(n) "Lease-purchase" means to enter into a lease contract with a provision conferring on the lessee an option to purchase the manufactured home.

(o) "Commissioner" means the Commissioner of the Texas Department of Labor and Standards.

(p) "Code" means the Texas Manufactured Housing Standards Code.

The term includes the plumbing, heating, air-conditioning, and electrical systems. It is expressly provided, however that the term modular home shall not mean nor apply to: (i) housing constructed of sectional or panelized systems not utilizing modular components; (ii) any ready-built home which is constructed so that the entire living area is contained in a single unit or section at a temporary location for the purpose of selling it and moving it to another location; and (iii) any dwelling constructed in modules incorporating concrete as the basic and predominant structural component.

(r) "Salesperson" means any person who for any form of compensation sells or lease-purchases or offers to sell or lease-purchase manufactured housing to consumers as an employee or agent of a retailer or broker.

(s) "Manufactured housing" or "manufactured home" means a HUD-code manufactured home, a mobile home, or a modular home and collectively means and refers to all three.

(t) "Registrant" means any person who has registered with the department and has been issued a certificate of registration as a manufactured housing manufacturer, retailer, broker, salesperson, recycler, or installer.

(u) "HUD-code manufactured home" means a structure, constructed on or after June 15, 1976, according to the rules of the United States Department of Housing and Urban Development, transportable in one or more sections, which, in the traveling mode, is eight body feet or more in width or 40 body feet or more in length, or, when erected on site, is 320 or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems.

#### Manufactured Housing Standards

Sec. 4. (a) The department shall adopt standards and requirements for the installation and for the construction of manufactured housing, that are reasonably necessary in order to protect the health, safety, and welfare of the occupants and the public. The collection of these standards and requirements is the Texas Manufactured Housing Code.

(1) The requirements and standards for the plumbing, heating, air-conditioning, and electrical systems and construction of mobile homes in effect on September 1, 1979, remain in full force and effect until amended in accordance with the procedure set forth in this section.

(2) The department shall adopt standards and requirements for the construction of HUD-code manufactured homes in compliance with the federal standards and requirements established under Title VI of the Housing and Community Development Act of 1974, entitled the National Manufactured Home Construction and Safety Standards Act of 1974.<sup>1</sup>

(3) The department shall adopt standards and requirements for the construction of modular homes and modular components which, from an engineering performance standpoint, shall be substantially equivalent to the standards and requirements contained in the Standard (Southern) Building Code or the Uniform Building Code and the National Electrical Code as those codes existed on January 1, 1983, for the construction of residential dwellings. If these codes are revised after January 1, 1983, the department shall appropriately revise the standards and requirements to conform with those revisions if such revisions are in the public interest and consistent with the purposes of this Act.

(b) The department shall adopt standards and requirements for the installation of all manufactured housing in the state that are necessary for the protection of the health, safety, and welfare of all the citizens. The standards must assure that manu-

factured housing in the first two tiers of coastal counties in the state is capable of withstanding winds of hurricane-force velocity of not less than 105 miles per hour and that manufactured housing in all other counties of the state is capable of withstanding winds of a minimum gale-force velocity.

(1) The requirements and standards for the installation of mobile homes as adopted by the department in existence on August 31, 1979, remain in force until amended in accordance with the procedure set forth in this section.

(2) All manufactured housing must be installed in compliance with the standards, rules, regulations, or administrative orders of the department.

(3) Repealed by Acts 1983, 68th Leg., p. 4681, ch. 817, § 2, eff. Sept. 1, 1983.

(c) A political subdivision of this state, without the express approval of the department following a hearing on the matter, may not adopt different standards from those promulgated by the department for the construction or installation of manufactured housing within the political subdivision.

(d) Before the adoption or promulgation of any standards or requirements authorized by this section, any change in or addition to the standards authorized in this section, or the approval of different standards by any political subdivision, the department shall publish a notice and conduct a public hearing in accordance with the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes), not sooner than the 30th day following the publication of notice.

(e) Every requirement or standard or modification, amendment, or repeal of a requirement or standard adopted by the department shall state the date it shall take effect.

(f) The department shall cooperate with all units of local government in this state and shall authorize local units of government, on request, to make and perform inspection and enforcement activities related to the construction of foundation systems and the erection and installation of manufactured housing at the homesite pursuant to contracts or other official designations and the rules and regulations of the department. The department shall encourage local building inspection officials to perform enforcement and inspection activities for manufactured housing installed within the local governmental unit and may establish cooperative inspection training programs. The department may withdraw the authorization if the local governmental unit fails to follow the rules, regulations, interpretations, and written instructions of the department.

142 U.S.C.A. § 5401 et seq.

Sec. 5. Repealed by Acts 1979, 66th Leg., p. 1417, ch. 625, § 18, eff. Sept. 1, 1979.

#### Regulations

Sec. 6. (a) It is unlawful for any manufacturer to construct HUD-code manufactured homes in this state for sale or resale unless such manufacturer has supplied the department with proof of acceptance by a Design Approval Primary Inspection Agency authorized by the Department of Housing and Urban Development, has purchased the required labels, and has all HUD-code manufactured homes manufactured in this state inspected by an accepted In-Plant Inspection Agency authorized by the Department of Housing and Urban Development. It is unlawful for a manufacturer to ship HUD-code manufactured homes into the state for sale or resale unless the manufacturer has complied with all requirements of the National Manufactured Home Construction and Safety Standards Act of 1974 and all standards, rules, and regulations of the Department of Housing and Urban Development.

(b) It is unlawful for any manufacturer to construct modular homes or modular components in the state or to ship modular homes or modular components into the state for sale or resale unless constructed to the code and unless the manufacturer has received approval by the department of the design and specifications for the construction of its modular homes or modular components and of its quality control program to assure compliance with the requirements and standards of the Texas Manufactured Housing Standards Code, has purchased the required decals, and has the modular homes or modular components inspected pursuant to the regulations of the department.

(c) Before the sale of a manufactured home to a consumer and before its installation, it is unlawful for any manufacturer, retailer, broker, or installer to make any alteration on a manufactured home to which a seal, label, or decal has been affixed or cause such an alteration to be made, unless prior written approval has been obtained from the department.

(d) It is unlawful for any retailer, broker, or salesperson to sell, exchange, or lease-purchase or offer to sell, exchange, or lease-purchase any manufactured home to a person in the state for use as a residence or dwelling, unless the manufactured home has affixed to it the appropriate seal, label, or decal.

(e) It is unlawful for a manufacturer to sell, exchange, or lease-purchase or offer to sell, exchange, or lease-purchase a manufactured home to any person in the state other than a registered retailer.

(f) A person may not sell, exchange, or lease-purchase any manufactured home to another person in the state for use as a dwelling or residence, unless the manufactured home is habitable.

(g) A person may not make any announcement concerning the sale, exchange, or lease-purchase of, nor offer to sell, exchange, or lease-purchase, a

manufactured home to consumers in this state through any form of advertising unless such person is a duly registered manufacturer, retailer, or broker. This prohibition against advertising shall not apply to a person to whom a certificate or document of title has been issued showing such person to be the owner of the home, provided that such person does not offer to sell, exchange, or lease-purchase two or more manufactured homes in any consecutive 12-month period. This prohibition also shall not apply to the advertising of real estate on which a manufactured home has been permanently attached and affixed.

(h) It is unlawful for a retailer to purchase for resale to a consumer, or to sell, exchange, or lease-purchase or offer to sell, exchange, or lease-purchase, any new manufactured home which was not constructed by a registered manufacturer.

(i) It is unlawful for any manufacturer, retailer, or installer to purchase, use, or possess any recycled tires, wheels, and axles for manufactured homes except those acquired from a person registered with the department as an approved recycler.

(j) It is unlawful for a retailer or broker to use the phrase "no down payment" or "nothing down," or any similar phrase or term in any advertisement, without identifying in the advertisement the specific source of the funds for the loan or credit advance and setting forth the conditions of qualification of the purchaser for approval of the loan or credit advance without down payment. This prohibition shall not apply to credit transactions to be guaranteed by the Veterans Administration of the United States provided that the phrase or term includes the words "to qualified veterans."

(k) It is unlawful for a retailer or broker to fail to comply with the requirements and provisions of the Texas Credit Code or the federal Truth-in-Lending Act<sup>1</sup> or to advertise any interest rate or finance charge which is not expressed as an annual percentage rate.

(l) It is unlawful for a retailer to set forth in any retail installment sales contract or other credit document any down payment unless all of the down payment has actually been received by the retailer at the time of execution of the contract or document. If any part of the down payment is represented by a loan, trade-in, or any consideration other than cash, this fact shall be expressly set forth on the retail installment sales contract or credit document. No amount of the cash down payment shall be from any rebate or other consideration received by, or to be given to, the consumer from the retailer.

#### Registration

Sec. 7. (a) A person may not construct or assemble a manufactured home in the state or ship a manufactured home into the state, unless the person is registered as a manufactured housing manu-

facturer by the department and possesses a valid manufacturer's certificate of registration.

(b) A person may not sell, exchange, lease-purchase, or offer to sell, exchange, or lease-purchase two or more manufactured homes to consumers in the state in any consecutive 12-month period, unless the person possesses a valid manufactured housing retailer's certificate of registration.

(c) A person may not offer to negotiate or negotiate for others a bargain or contract for the sale, exchange, or lease-purchase of two or more manufactured homes to consumers in the state in any 12-month period, unless the person possesses a valid manufactured housing broker's certificate of registration.

(d) A person may not perform any installation functions on manufactured housing in the state, unless the person possesses a valid installer's certificate of registration and files proof of insurance as required by the department. The department may issue a temporary installer's certificate of registration to a homeowner for the installation of the owner's home in accordance with applicable requirements, standards, and regulations of the department, on application and payment of the required fee and on submission of proof of insurance by the owner as required by the department.

(e) Each applicant for a certificate of registration as a manufacturer, retailer, broker, or installer must file with the department an application for registration containing the following information:

(1) the legal name, address, and telephone number of the applicant;

(2) the trade name by which the applicant does business and, if incorporated, the name registered with the secretary of state and the address of the business; and

(3) the dates on which the applicant became the owner and operator of the business.

(f) Each application for a certificate of registration must be accompanied by proof of the security required by this Act and payment of the required fee for the issuance of the certificate.

(g) All certificates of registration are valid for one year from the date of issue and are renewable annually on payment of the annual fee; provided, however, that the initial certificates of registration issued to registrants as of September 1, 1979, may be issued for periods of less than one year and the annual fee shall be prorated proportionally.

(h) The department by rule may adopt a system under which the licenses issued under this article expire on various dates during the year. For the year in which the expiration date is changed, license fees payable on the date of issuance shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee that is applicable to the number of months during which the license is valid. On renewal of the license on

the new expiration date, the total license fee is payable.

(i) If a change occurs in the information filed with the department under Subsection (e) of this section, the applicant shall file an amendment to his or her application that states the correct information.

(j) While acting as an agent for a registrant, an employee is covered by the business entity's certificate of registration and is not required to be individually registered. An independent contractor or business entity may not operate under the certificate of registration of another business entity except as an agent or subcontractor of a registered installer who shall remain fully responsible for all installation functions performed by such agent as subcontractor except as provided in Subsection (m) of this section.

(k) The commissioner, after notice and hearing, may revoke or suspend for a definite period of time and for a particular geographic area any certificate of registration issued under this Act if the commissioner finds that the registrant:

(1) knowingly and willfully violated any provision of this Act or any rule or regulation made pursuant to this Act after receipt of actual notice of any failure to comply;

(2) without lawful authorization retained or converted any money, property, or any other thing of value from consumers in the form of down payments, sales and use taxes, deposits, or insurance premiums;

(3) failed to deliver proper title documents or certificates of title to consumers;

(4) failed to give or breached any manufactured home warranty required by this Act or by the Federal Trade Commission;

(5) engaged in any false, misleading, or deceptive acts or practices as the term is set forth in and as those acts are declared unlawful by the provisions of Chapter 17, Subchapter E, Business & Commerce Code;<sup>1</sup> or

(6) failed to furnish or file any reports required by the department for the administration and enforcement of this Act.

(l) The commissioner shall conduct any hearing involving the revocation or suspension of a certificate of registration in accordance with the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes).

(m) A retailer or an installer may not contract with any person for the installation of any air-conditioning equipment, devices, or components in connection with the installation of a manufactured home unless the person is registered as an installer with the department or is otherwise licensed by the state as an air-conditioning contractor. This subsection shall not apply to a new manufactured home being installed on a permanent foundation within a

municipality which regulates air-conditioning contractors unless some other state statute provides otherwise.

(n) A person may not act as a salesperson of manufactured housing unless the person is registered with the department. Each applicant for a certificate of registration shall file with the department an application giving such information as the department deems necessary and pay the required fee. The owner of a sole proprietorship, a partner in a partnership, or an officer of a corporation which is duly registered as a retailer or broker does not have to register as a salesperson so long as such individual is properly listed in the retailer's or broker's application for registration. The salesperson is the agent of the retailer or broker, and the department may require the execution of an appropriate agency designation.

(o) A person may not acquire or purchase, or sell or offer to sell, any recycled tires, wheels, or axles for manufactured homes unless the person is duly registered with the department. Each applicant for a certificate of registration shall file with the department an application giving the information as the department deems necessary and pay the required fee.

<sup>1</sup> Business and Commerce Code, § 17.41 et seq.

#### Used Mobile Homes

Sec. 8. A retailer or broker may not sell, exchange, or lease-purchase or negotiate for the sale, exchange, or lease-purchase of a used mobile home manufactured after December 12, 1969, unless an appropriate seal or label is affixed to it. If the used mobile home does not have a seal or label, the retailer or broker must apply to the department for a seal with an affidavit that the manufactured home is habitable.

#### Administration and Enforcement

Sec. 9. (a) The department is hereby charged with the administration and enforcement of this Act.

(b) The department shall adopt rules and regulations, promulgate administrative orders, and take all action necessary to assure compliance with the intent and purpose of this Act to effectuate and to provide for uniform enforcement of all provisions of this Act and of the Texas Manufactured Housing Standards Code. The department shall make and enforce rules and regulations reasonably required to effectuate the notification and correction procedures provided in Section 615 of the National Manufactured Home Construction and Safety Standards Act of 1974.<sup>1</sup>

(c) The department shall adopt rules and regulations, promulgate administrative orders, and take all actions necessary to comply with the provisions of the National Manufactured Home Construction and Safety Standards Act of 1974<sup>2</sup> and to provide for the effective enforcement of all HUD-code man-

(d) At least 30 days before the adoption or promulgation of any change in or addition to the rules and regulations authorized in Subsections (b) and (c) of this section, the department shall publish in the Texas Register a notice including:

(1) a copy of the proposed changes and additions; and

(2) the time and place that the department will consider any objections to the proposed changes and additions.

(e) After giving the notice required by Subsection (d) of this section, the department shall afford interested persons an opportunity to participate in the rule-making through submission of written data, views, or arguments with or without opportunity to present the same orally on any matter.

(f) Every rule or regulation or modification, amendment, or repeal of a rule or regulation adopted by the department shall state the date it shall take effect.

(g) Immediately after their promulgation, the department shall publish in the Texas Register all rules and regulations or amendments thereto.

(h) The department through its authorized representatives is authorized to enter at reasonable times and without advance notice any factory, warehouse, establishment, or location of a registrant to make any inspections that are reasonably required to determine whether a registrant is in compliance with this Act and the rules, regulations, and administrative orders promulgated under this Act.

(i) The department is authorized to inspect, at reasonable times and within reasonable limits and in a reasonable manner, any such factory, warehouse, or establishment, and to inspect such books, papers, records, plans, and documents as may reasonably be required. Each such inspection shall be commenced and completed with reasonable promptness.

(j) The department may employ state inspectors to carry out the functions required of the department pursuant to this Act, to effectuate the provisions of this Act, and to enforce the rules, regulations, and administrative orders promulgated pursuant to this Act. The department may authorize state inspectors to travel inside or outside of the state to inspect manufacturing facilities in connection with the enforcement of this Act.

(k) The department may contract with any federal agency or any agency or political subdivision of any state for the performance of any inspections or inspection programs pursuant to this Act or the rules and regulations of the department to assure that manufactured homes sold or installed in the state comply with the Texas Manufactured Housing Standards Code.

(l) The department may enter into contracts with the Department of Housing and Urban Development or its designees to monitor the Department of Housing and Urban Development programs.

(m) When necessary or required by law, the department may obtain inspection search warrants.

(n) The department may inspect manufactured homes at the borders of this state and adopt rules and regulations necessary for the inspection of all manufactured homes entering this state to assure compliance with the National Manufactured Home Construction and Safety Standards Act of 1974, the Texas Manufactured Housing Standards Code, and the rules and regulations of the department, and to assure payment of any use tax which may be due the State of Texas.

(o) In order to protect the public health, safety, and welfare, and to assure the availability of low cost manufactured housing for all consumers, the department shall establish rules and regulations for the protection of the interests of consumers who occupy or desire to purchase manufactured housing and for the business conduct of those persons required to be registered under this Act.

142 U.S.C.A. § 5414.

242 U.S.C.A. § 5401 et seq.

Sec. 10. Repealed by Acts 1979, 66th Leg., p. 1417, ch. 625, § 18, eff. Sept. 1, 1979.

#### Fees

Sec. 11. (a) There shall be a fee in an amount set by the commissioner for the inspection of the installation of mobile and HUD-code manufactured homes which shall be paid by the installer of the home. Said fee shall be paid to the state and shall accompany notification to the department of the exact location of the home. The department shall make appropriate fee distributions to local governmental units performing inspections pursuant to contracts or other official designations.

(b) Looking for guidance to the rules and regulations promulgated under Title VI of the Housing and Community Development Act of 1974<sup>1</sup> and to that Act itself, the commissioner shall set fees for the following functions:

(1) There shall be a schedule of fees for the review of HUD-code manufactured home blueprints and supporting data when the department acts as a Design Approval Primary Inspection Agency. This fee shall be paid by the manufacturer seeking approval.

(2) There shall be an inspection fee on all HUD-code manufactured homes manufactured or assembled within the State of Texas. This fee shall be paid by the manufacturer of the home. The manufacturer shall also be charged for the actual cost of travel for representatives of the department to and from the manufacturing facility.

(3) The fees in Subsections (1) and (2) shall not be applicable when an accepted inspection agency authorized by the Department of Housing and Urban Development, other than the department, acts as the Design Approval Primary Inspection Agency or the In-Plant Inspection Agency.

(4) There shall be a fee for inspection of used mobile and HUD-code manufactured homes at retailer locations to check compliance with the code and to determine if the home has been damaged in transit. This fee shall be paid by the retailer in possession of the homes at the time the inspection was made. For any given home at a retailer location, this fee may not be assessed more than one time.

(5) There shall be a fee charged on an hourly basis for inspection of alterations made upon the structure, plumbing, heating, or electrical systems of HUD-code manufactured homes. This fee shall be paid by the person making the alteration. The person shall also be charged for the actual cost of travel for representatives of the department to and from the place of inspection.

(6) There shall be a fee for the issuance of seals for used mobile or HUD-code manufactured homes which shall be paid by the retailer or broker.

(c) The installer of a modular home shall pay to the state a fee set by the commissioner for the inspection of the installation of the modular home. Before installation the installer shall notify the department of the exact location of the modular home and shall pay the fee. The department shall make appropriate fee distributions to each local governmental unit performing inspections pursuant to contracts or other official designations or the department may waive the inspection fee if the installer has paid applicable inspection fees to the appropriate local government officials.

(d) Following a hearing pursuant to the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes), the commissioner shall set fees for the following functions:

(1) a fee paid by the manufacturer for the review of modular home and modular component designs, blueprints, and specifications;

(2) an inspection fee paid by the manufacturer for all modular homes manufactured in the state and for all modular homes manufactured outside of the state to be transported to retailers or consumers in the state;

(3) a fee charged on an hourly basis and paid by the person making the alteration for an inspection of the alterations made on a modular home after construction and certification by the manufacturer and before the closing of a sale to the consumer;

(4) annual fees for the issuance and renewal of manufacturers', retailers', brokers', salespersons',

recyclers', and installers' certificates of registration; and

(5) a fee for the issuance of decals that shall be paid by the manufacturer.

(e) The person required to pay an inspection fee set in accordance with Subsection (d) of this section shall pay the cost of travel to and from the place of the inspection for representatives of the department who make the inspection.

(f) All fees assessed under this Act shall be paid to the State Treasurer and placed in the General Revenue Fund except the inspection fees paid pursuant to Subsections (a) and (c) of this section. Those fees shall be placed in a special manufactured housing inspection fund created in the state treasury which shall be used by the department as may be appropriated for the costs of inspections and fee distributions to local governmental entities performing inspections pursuant to contracts or other official designations.

(g) The fees charged by the department in effect August 31, 1983, shall remain in effect until the new schedule of fees set forth in this section has been promulgated and adopted.

(h) The commissioner shall set each fee imposed under this section in an amount that is reasonable and necessary to defray the costs of administering this Act.

142 U.S.C.A. § 5401 et seq.

Sec. 12. [Deleted.]

#### Security Required

Sec. 13. (a) The department may not issue a certificate of registration, unless the applicant first files a surety bond, a cash deposit, or other security in such form as the commissioner may prescribe and a written irrevocable designation of the commissioner as agent for service of legal process.

(b) If a surety bond is filed, it shall be continuous and remain in effect until cancelled by the surety company with notice as provided by this Act. A cash deposit or other security need not be posted annually so long as the applicable amount specified in this section remains posted. If a claim is made against a cash deposit causing the deposit to be lessened, the depositor has 20 calendar days in which to deposit additional money or other security so that compliance may be had with the requirements of this section. If the deficit is not eliminated within 20 days, the certificate of registration of the inadequately covered manufacturer, retailer, broker, or installer is immediately suspended. If a bond is cancelled, the certificate of registration is immediately suspended.

(c) If a cash deposit or other security is posted, the interest from said deposit shall go to the depositor.

(d) The bond shall be a surety bond issued by a company authorized to do business in this state and

shall be in conformity with the Insurance Code. The cash deposit or other security shall be in such a form as the commissioner may deem appropriate.

(e) The bond, cash deposit, or other security shall be to the state for the use by a consumer, the state, or any political subdivision thereof who secures any judgment against a manufacturer, retailer, broker, or installer for damages, restitution, or expenses including reasonable attorney's fees resulting from a cause of action connected with the sale, lease-purchase, exchange, brokerage, or installation of a manufactured home, including but not limited to:

(1) retention or conversion of money, property, or any other thing of value from consumers in the form of down payments, any sales and use taxes, deposits, or insurance premiums;

(2) failure to give proper title documents or certificates of title to consumers;

(3) failure to give or the breach of any manufactured home warranty required by this Act or by the Federal Trade Commission or the violation of any requirements of the Texas Credit Code or of the federal Truth-in-Lending Act; or

(4) engaging in any false, misleading, or deceptive acts or practices as the term is set forth in and as those acts or practices are declared unlawful by the provisions of Chapter 17, Subchapter E, Business & Commerce Code. The bond or other security shall not be liable for judgments resulting from tort claims, except as expressly set forth hereinabove, nor for any punitive, exemplary, or treble damages. A consumer, the state, or any political subdivision thereof may recover against the principal or surety jointly and severally for such damages, restitution, or expenses; provided, however, that in no event shall a surety or the cash deposit or other security posted under this section be liable for an amount in excess of actual damages, restitution, or expenses, including reasonable attorney's fees. Any judgment obtained against a principal is conclusive against the surety or other security if notice of the filing of suit is given as required by this section. The bond or other security shall be open to successive claims up to the amount of face value of the bond or other required security. The surety shall not be liable for successive claims in excess of the bond amount, regardless of the number of years the bond remains in force.

(f) A consumer shall inform the manufacturer, retailer, or installer, and the department of any claim against the bond or security no later than two years after the purchase of the mobile home. Whenever the department receives notice of a claim against a bond, the department shall promptly notify the bonding company involved. If the consumer claim results in a private lawsuit being filed by the consumer, the consumer shall notify the attorney general's office and the surety company by certified mail of the filing of the lawsuit. At the time of sale or delivery of a manufactured home to a consumer, the consumer must be given conspicuous written

notification of this two-year limit and the notice requirements.

(g) Any manufacturer, retailer, broker, or installer who maintains a place of business at one or more locations shall file with the department a separate bond or other security for each location. Property used for the business that is not contiguous to a bonded location requires a separate bond. Any location at which a manufactured home is shown to the public or is offered for sale, exchange, or lease-purchase by a retailer to consumers is a location which is required to be bonded. A manufactured home installed on a permanent foundation system and offered for sale as real estate is not a business location that requires a bond. A temporary location for a bona fide trade show sponsored by a nonprofit corporation which qualifies for tax exemption pursuant to Section 501(c) of the U.S. Internal Revenue Code<sup>1</sup> is not a location which requires a bond.

(h) A manufacturer shall be bonded, supply a cash deposit or other security in the amount of \$100,000. A retailer shall be bonded, supply a cash deposit or other security in the amount of \$50,000. A broker shall be bonded, supply a cash deposit or other security in the amount of \$40,000. An installer shall be bonded, supply a cash deposit or other security in the amount of \$10,000. Retailers, brokers, and installers registered with the department and bonded prior to September 1, 1983, shall have until January 1, 1984, to provide the additional amount of bond, cash deposit, or other security required by this Act. A retailer holding a valid certificate of registration shall not be required to be bonded or file any security to secure a certificate of registration as a broker or an installer.

(i) The bonding company must provide written notification to the department at least 60 days prior to the cancellation of any bond required by this Act. Any cash deposit or other security on file with the department shall remain on file with the department two years after the person ceases business as a manufacturer, retailer, broker, or installer or at such time as the department may determine that no claims exist against the cash deposit or security.

<sup>1</sup> 26 U.S.C.A. § 501(e).

#### Warranties

Sec. 14. (a) After the effective date of this Act, all new manufactured homes sold to consumers in the state shall be covered by the manufactured home warranty set forth in this section.

(b) The manufactured home warranty provided for in this Act is given by the manufacturer of the manufactured home.

(c) The manufactured home warranty shall be set forth in a separate written document; shall be delivered to the consumer by the retailer at the time the contract of sale is signed; and shall contain, but is not limited to, the following terms:

(1) that the manufactured home complies with the code;

(2) that the warranty shall be in effect for a period of at least one year from date of sale or initial installation, whichever is later;

(3) that the manufactured home and all appliances and other equipment installed and included therein by the manufacturer or retailer are free from defects in materials or workmanship;

(4) that the manufactured home is installed in accordance with all standards, rules, regulations, administrative orders, and requirements of the department;

(5) that the manufacturer or the retailer or both shall take appropriate corrective action within a reasonable period of time in instances of defects in materials or workmanship, or failures to comply with the code;

(6) that the warranty contains the address of the retailer and manufacturer where notices of defects may be given; and

(7) that the purchaser shall notify either the manufacturer or the retailer or both in writing of the need for appropriate corrective action in instances of defects in materials or workmanship or in failures to comply with the code.

(d) The manufacturer and retailer are jointly and severally liable to the consumer for the fulfillment of the manufactured home warranty.

(e) For all secondary installations not covered by the new home warranty as set forth in Subsection (c) of this section, the installer shall give each manufactured home owner a written warranty that the installation of the home was done in accordance with all standards, requirements, rules, regulations, and administrative orders of the department.

(f) If the new manufactured home is moved from the initial installation site during the term of the warranty period, the new home warranty shall not apply to any defect or damage caused by the move. Conspicuous notice of this provision shall be given the consumer at the time of sale. The burden of proof is placed on the warrantor to establish that the defect is caused by the move.

(g) In any action brought against a registrant for failure to perform warranty service or repairs, the \$1,000 limitation set forth in Section 17.50(b)(1) of Subchapter E, Chapter 17, Business & Commerce Code, shall be adjusted to reflect changes in the Consumer Price Index for Urban Wage Earners and Clerical Workers: U.S. City Average, All Items, 1967 = 100, compiled by the Bureau of Labor Statistics, United States Department of Labor. The \$1,000 limitation shall be increased or decreased by multiplying the \$1,000 limitation by the percentage of increase or decrease in the Consumer Price Index from the 1967 base of 100 to the time at which damages are awarded by final judgment or settle-

ment and adding or subtracting such resulting amount to or from the \$1,000 limitation.

Sec. 15. Repealed by Acts 1979, 66th Leg., p. 1417, ch. 625, § 18, eff. Sept. 1, 1979.

#### Judicial review

Sec. 16. (a) Any party to a hearing aggrieved by the decision or order of the commissioner may secure judicial review thereof in the following manner:

(1) The petition must be filed in a district court of Travis County, Texas, within 30 days after the decision or order of the commissioner becomes final.

(2) The filing of a petition for review shall not itself stay the effect of the decision or order complained of, but the commissioner or the reviewing court may order a stay upon appropriate terms and if a stay is so granted no supersedeas bond shall be required.

(3) Service of process: the petition for review shall be served on the commissioner and upon all parties of record in any hearing before the commissioner in respect to the matter for which review is sought. After service of such petition upon the commissioner and within the time permitted for filing an answer, or as soon thereafter as the record is made available to the commissioner, the commissioner shall certify to the district court in which such petition is filed the record of the proceedings to which the petition refers. The cost of preparing and certifying such record shall be paid to the commissioner by the petitioner and taxed as part of the cost in the case, to be paid as directed by the court upon final determination of said cause.

(4) The review of any decision or order of the commissioner shall be tried by the court without a jury in the same manner as civil actions generally, but no evidence shall be admissible which was not adduced at the hearing.

(5) The burden of proof shall be on the plaintiff. The reviewing court may affirm the action complained of or remand the matter to the commissioner for further proceedings.

(6) Appeals from any final judgment may be taken by either party in the manner provided for in civil actions generally, but no appeal bond shall be required of the commissioner.

#### Penalties

Sec. 17. (a) A person, individual, or director, officer, or agent of a corporation who knowingly and willfully violates a provision of this Act or any rule, regulation, or administrative order of the department in a manner that threatens the health or safety of any purchaser or consumer commits a misdemeanor and on conviction shall be fined not more than \$1,000 or shall be confined in the county jail not longer than one year or both.

(b) Any person who violates any provision of this Act or the rules and regulations of the department may be assessed a civil penalty to be paid to the State of Texas in an amount not to exceed \$1,000 for each such violation as the court may deem proper, except that the maximum civil penalty may not exceed \$1,000,000 for any related series of violations occurring within one year from the date of the first violation.

(c) Whenever it appears that any person has violated or is threatening to violate any of the provisions of this Act or of the rules, regulations, and administrative orders of the department, either the attorney general or the department may cause a civil suit to be instituted either for injunctive relief to restrain the person from continuing the violation or threat of violation or for the assessment and recovery of the civil penalty or for both.

(d) Failure by a manufacturer or retailer to comply with the warranty provisions of this Act or any implied warranties or the violation of any provision of this Act by any person is a deceptive trade practice in addition to those practices delineated in Chapter 17, Subchapter E, Business & Commerce Code<sup>1</sup> and is actionable pursuant to said subchapter. As such, the venue provisions and all remedies available in said subchapter apply to and are cumulative of the remedies in this Act.

(e) Civil suits filed pursuant to this section shall be filed in a district court in Travis County, Texas, or in the county in which the violation, or threat of violation, occurred.

<sup>1</sup> Business and Commerce Code, § 17.41 et seq.

#### Miscellaneous Provisions

Sec. 18. (a) Any waiver by a consumer of the provisions of this Act is contrary to public policy and is unenforceable and void.

(b) No provision of this Act shall exclude any other remedy available at law or equity to the consumer.

(c) If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

(d) If a retailer, broker, salesperson, or installer does not possess a valid certificate of registration at the time of entering into any contract with a consumer, the contract between the consumer and the retailer, broker, salesperson, or installer is voidable at the option of the consumer. A consumer's contract for the purchase, exchange, or lease-purchase of a new manufactured home is also voidable if the retailer purchased the home from an unregistered manufacturer in violation of Section 6, Subsection (h), of this Act.

(e) Nothing in this Act shall be construed to modify or amend any provisions of The Real Estate License Act, as amended (Article 6573a, Vernon's Texas Civil Statutes). The provisions of this article, as amended, shall not apply to a person licensed as a real estate broker or salesman pursuant to The Real Estate License Act, as amended (Article 6573a, Vernon's Texas Civil Statutes), who, as agent of the buyer or seller, negotiates the sale or lease of a mobile home and the real property to which it is affixed; provided that the ownership of the mobile home and real property are of record in the same person and that such sale or lease shall be in a single real estate transaction.

(f) Notwithstanding any provisions of any other statute, regulation, or ordinance to the contrary, an installer is not required to secure any permit, certificate, or license or pay any fee for the transportation of manufactured housing to the place where it is to be installed except as required by the department or the State Department of Highways and Public Transportation. The State Department of Highways and Public Transportation shall cooperate with the department in the routing of the transportation of housing and shall not issue any permits for the transportation of manufactured housing except to persons holding valid certificates of registration issued by the department.

(g) A local governmental unit may not require any permit, fee, bond, or insurance for the installation of manufactured housing by a registered installer except as may be approved by the department.

#### Manufactured Home Titles

Sec. 19. (a) In this section:

(1) "Debtor" has the same meaning as given it by Section 9.105(a)(4), Business & Commerce Code.

(2) "Document of title" means a written instrument issued solely by and under the authority of the department that sets forth:

(A) the name and address of the purchaser and seller at the first retail sale, or the transferee and transferor at any subsequent sale or transfer;

(B) the manufacturer's name and address and, if any, the model designation;

(C) in accordance with applicable rules of the department, the outside dimensions of the manufactured home when installed for occupancy exclusive of the tongue or other towing device as measured to the nearest one-half of one foot at the base of the home, and the approximate square footage of the home when installed for occupancy;

(D) the identification number or numbers for each section or module of the manufactured home;

(E) the county of this state in which the manufactured home is installed for occupancy;

(F) the dates of any liens, and the names and addresses of the lienholders, in chronological order of recordation, and if no liens are registered or

recorded on the manufactured home, a statement of that fact;

(G) the signature of the owner signed with pen and ink on receipt of the certificate;

(H) that if a husband and wife file, with the application for document of title, an agreement signed by both providing that the manufactured home is to be held jointly with rights of survivorship, the department will issue the document of title in both names; and

(I) any other data the department requires.

(3) "First retail sale" means the initial acquisition by a consumer of a manufactured home by purchase, exchange, or lease-purchase from a retailer and includes a bargain, sale, transfer, or delivery with intent to pass an interest other than a lien, to a manufactured home for which a document of title has not been previously issued by the department.

(4) "Identification number" means the permanent number affixed to, or imprinted on, a manufactured home or section of the home as prescribed by the rules of the department.

(5) "Inventory" has the meaning given it by Section 9.109(4), Business & Commerce Code, as amended.

(6) "Lien" means a security interest that is created by any kind of lease, conditional sales contract, deed of trust, chattel mortgage, trust receipt, reservation of title, or other security agreement of whatever kind or character if an interest, other than an absolute title, is sought to be held or given in a manufactured home, and any lien on a manufactured home that is created or given by the constitution or a statute.

(7) "Manufacturer's certificate" means a document, or a form prescribed by the department, that shows the original transfer of a manufactured home from the manufacturer to the retailer, and if presented with an application for a document of title, the certificate must show, on a form prescribed by the department, each subsequent transfer between retailers and retailer to owner.

(8) "Mortgagee" means a secured party or any other person who holds a lien on a manufactured home.

(9) "Mortgagor" means a debtor or other person who gives a lien on a manufactured home, any person who agrees that a lien may be retained on the home or any part of it, or any person against whom a lien arises under the constitution or a statute.

(10) "Secured party" has the meaning given it by Section 9.105(a)(13), Business & Commerce Code.

(11) "Security interest" has the meaning given it by Section 1.201(37), Business & Commerce Code.

(12) "Security agreement" has the meaning given it by Section 9.105(a)(12), Business & Commerce Code.

(13) "Subsequent sale" means a bargain, sale, transfer, or delivery with intent to pass an interest, other than a lien, to a manufactured home from a person to another person subsequent to the first retail sale and initial issuance of a document of title.

(b) The department shall prescribe forms and adopt rules relating to manufacturer's certificates, to applications for documents of title, and to the issue of documents of title at the first retail sale and for each subsequent sale or transfer of a manufactured home.

(c) At the first retail sale, the retailer and purchaser shall apply for the issuance of a document of title. As a part of the application, the retailer shall surrender the original manufacturer's certificate. At a subsequent sale or transfer the seller and purchaser, or the transferor and transferee, shall apply for the issuance of a new document of title. As a part of the application, the seller or transferor shall surrender the original document of title. The department shall review the application and issue a document of title if the department is satisfied that the document of title should be issued.

(d) If there are no liens registered or recorded, the department shall issue a document of title marked "ORIGINAL" on its face and shall send the original by first class mail to the purchaser or transferee at the address on the application. If a lien is shown in the application or recorded with the department, the department shall issue a document of title marked "ORIGINAL" on its face and send the original by first class mail to the first lienholder. The department shall mail, first class, a copy of the document of title conspicuously marked "NON-TRANSFERABLE COPY" on its face to the purchaser or transferee and any other lienholder at the address shown on the application.

(e) The owner designated in the original document of title must transfer the title on a form prescribed by the department executed before a notary public and must file the form with the department before a manufactured home may be conveyed, transferred, or otherwise disposed of at a subsequent sale. The form must include any information the department requires and must include an affidavit that the person signing is the owner of the manufactured home and that there are no liens on the home except a lien shown on the document of title or described in the affidavit. A title to a manufactured home may not pass or vest at a subsequent sale until the transfer is executed as provided by this section and an application for the issuance of a new document of title is sent to the department.

(f) When the ownership of a manufactured home in this state is transferred by operation of law, as in an inheritance, a devise, or a bequest, bankruptcy, receivership, judicial sale, or any involuntary divestiture of ownership, the department shall issue a new document of title when the department is provided with a certified copy of the order or bill of

sale from an officer making a judicial sale, or the order appointing a temporary administrator, the probate proceedings, the letters testamentary, the letters of administration, or an affidavit by all of the heirs at law showing that no administration is necessary and showing in whose name the certificate should be issued. If a security interest or other lien is foreclosed in accordance with law by nonjudicial means and the secured party or other mortgagee files an affidavit with the department showing the nonjudicial foreclosure in accordance with law, the department may issue a new document of title in the name of the purchaser at the foreclosure sale. If the foreclosure is of a constitutional or statutory lien and the mortgagee files an affidavit showing the creation of the lien and of the divestiture of title because of the lien in accordance with law, the department may issue a new document of title in the name of the purchaser. If an agreement providing for right of survivorship is signed by the husband and wife and if on the death of either spouse the department is provided with a copy of the death certificate of the deceased spouse, the department shall issue a new document of title to the surviving spouse.

(g) If an original document of title is lost or destroyed, the owner or lienholder may obtain a certified copy of the original from the department by making an affidavit on a form prescribed by the department; but the department shall issue the certified copy only to the first lienholder if a lien is disclosed on the original. The certified copy shall be conspicuously marked "CERTIFIED COPY OF ORIGINAL" on its face. If the original is recovered, the owner or lienholder shall immediately surrender the original to the department with the certified copy of the original document of title, and the department shall issue a new original document of title.

(h) The department shall record all state tax liens as filed by the comptroller on manufactured homes installed for use and occupancy in this state. The department may not issue or transfer the title to a manufactured home on which a state tax lien has been filed until the tax, penalties, and interest are paid. On receipt of a notice that the comptroller has filed a lien, the department shall notify the owner and all lienholders.

(i) A lien on the manufactured homes in the inventory is perfected by filing a security agreement with the department in a form that contains the information the department requires. Failure to pay or satisfy any inventory lien filed and recorded against a manufactured home pursuant to the terms of the security agreement by the retailer is sufficient cause to revoke or suspend the retailer's registration with the department.

(j) If a manufactured home is affixed to real estate by installation on a permanent foundation, as defined by the department, the manufacturer's certificate or the original document of title may be surrendered to the department for cancellation.

The address and location of the real estate must be given to the department when the certificate or document of title is surrendered. The department may require the filing of other information. The department may not cancel a manufacturer's certificate or a document of title if a lien has been registered or recorded on the manufactured home. If a lien has been registered or recorded, the department shall notify the owner and each lienholder that the title and a description of the lien have been surrendered to the department and that the department will not cancel the title until the lien is released. Permanent attachment to real estate does not affect the validity of a lien recorded or registered with the department before the manufactured home is permanently attached. The rights of a prior lienholder pursuant to a security agreement or the provisions of a credit transaction and the rights of the state pursuant to a tax lien are preserved.

(k) The registration and recordation of a lien with the department is notice to all persons that the lien exists. Liens recorded or registered with the department have priority, in the chronological order of recordation, over other liens or claims against the manufactured home.

(l) Notwithstanding any other provisions of this section, the filing of a security agreement by a secured party perfecting a lien in the inventory of a retailer shall not prevent a buyer in the ordinary course of business as defined by Sections 1.201(9) and 9.307(a) of the Business & Commerce Code from acquiring good title free and clear of such interest, and the department shall not consider such security interest as a lien for the purpose of title issuance.

(m) The department shall furnish each county tax assessor-collector in this state a quarterly report that lists the name of the owner of each manufactured home installed in the county during the preceding calendar quarter, the name of the manufacturer, the model designation, the identification number of each section or module, and the address or location where the manufactured home is installed.

(n) The express provisions of this article supersede any conflicting provisions of the Business & Commerce Code; otherwise, the provisions of the Business & Commerce Code apply to transactions relating to manufactured housing.

(o) A certificate of title to a manufactured home issued pursuant to the Certificate of Title Act, as amended (Article 6687-1, Vernon's Texas Civil Statutes), before March 1, 1982, is subject to this article. A lien registered or recorded with the State Department of Highways and Public Transportation before March 1, 1982, for the purposes of this article is registered or recorded with the department.

(p) Each month the State Department of Highways and Public Transportation shall send the department either a copy of each permit issued in the preceding month for the movement of manufactured housing on the highways or a list of the permits issued and the information on the permits.

The department shall pay the reasonable cost of providing the copies or the list and information.

(g) The department shall adopt rules consistent with this article for the titling of a manufactured home that has been previously registered or titled in this state or any other state. The rules must protect a lienholder recorded on a certificate or document of title.

(r) The department shall set a fee for issuing titles to manufactured housing; it shall not be higher than is necessary to pay the estimated expenses of administering this section. These fees shall be paid to the State Treasurer and placed in the general revenue fund.

#### Notice to Consumers Before Title Transfer

Sec. 20. (a) A retailer or manufacturer shall not transfer title to a manufactured home nor otherwise sell, assign or convey a manufactured home to a consumer without delivering the notice required by this section subject to applicable rules of the department and Subsection (c) of this section. The notice shall be delivered to the consumer prior to the execution of any mutually binding sales agreement or retail installment sales contract.

(b) The notice shall be of such type, size, and format as prescribed by the department. A retailer or manufacturer shall not vary the provisions or form of the notice; it shall read as follows:

#### WARNING

\* CERTAIN BUILDING MATERIALS USED IN THE CONSTRUCTION OF RESIDENTIAL DWELLINGS MAY RELEASE FORMALDEHYDE GAS INTO YOUR HOME OVER A LONG PERIOD OF TIME AND CAUSE OR CONTRIBUTE TO ADVERSE HEALTH EFFECTS.

\* FORMALDEHYDE GAS MAY CAUSE EYE, NOSE, AND THROAT IRRITATION, COUGHING, SHORTNESS OF BREATH, SKIN IRRITATION, NAUSEA, DROWSINESS, HEADACHES, AND DIZZINESS. PEOPLE WITH ASTHMA OR OTHER RESPIRATORY PROBLEMS OR ALLERGIES MAY SUFFER MORE SERIOUS REACTIONS, ESPECIALLY PERSONS ALLERGIC TO FORMALDEHYDE.

\* PROPER VENTILATION OF YOUR HOME MAY HELP REDUCE THE LEVEL OF FORMALDEHYDE. THEREFORE, PERIODIC AIRING OF YOUR HOME IS RECOMMENDED.

\* IF YOU HAVE QUESTIONS CONCERNING FORMALDEHYDE, CONTACT THE TEXAS DEPARTMENT OF LABOR AND STANDARDS. IF YOU HAVE HEALTH PROBLEMS, CONSULT YOUR DOCTOR.

(c)(1) The legislature finds that substantial questions currently exist as to the health effects, if any, of formaldehyde gas; that sufficient evidence is not now available to determine whether or not formaldehyde is a health hazard; and further that additional research, testing, and hearings are necessary to make these determinations.

(2) The department shall determine whether or not formaldehyde emitted by building products and materials into the ambient air of manufactured housing is a serious health hazard and at what levels or concentrations, if any, it becomes a serious health hazard. This determination shall be made by contracting for appropriate research and for the testing of homes, by collecting data and information through coordination with all appropriate federal agencies and with the Texas Department of Health and Texas Air Control Board, and by conducting and holding hearings as necessary.

(3) If the department determines that there is not a serious health hazard, or that there is not a serious health hazard at or below certain levels or concentrations, the notice requirement contained in Subsection (a) of this section shall not apply except to those manufactured homes in which there is a level or concentration of formaldehyde, if any, deemed by the department to be a serious health hazard.

(4) If it is determined that a serious health hazard exists at certain levels or concentrations, the department shall establish performance standards for building products and materials, prescribe testing procedures and the standards and conditions under which tests shall be conducted, and shall adopt rules and regulations, all as may be deemed necessary for the protection of the health, safety, and welfare of the consumer. The department shall also amend or modify the warning set forth in Subsection (b) of this section as required to assure that the consumer receives adequate information and notice of the health effects, if any, of formaldehyde in indoor ambient air and the risks, if any, of living in the home.

(d) The provisions of this section shall not be deemed to imply or infer that the retailer or manufacturer had, or did not have, prior to the passage of this Act any duty to warn any consumer concerning possible health effects of formaldehyde. Failure to comply with the notice provisions of this section or the performance standards for building products and materials which may be established by the department shall, after the effective date of this section, be evidence of wanton disregard for the health and safety of the consumer; compliance with such notice provisions and standards shall be evidence that the home is habitable and that the manufacturer and retailer had due regard for the health and safety of the consumer.

Due to the significantly increasing number of manufactured homes being constructed and purchased, it is the intent of the legislature that the Texas Department of Labor and Standards shall perform inspection and enforcement activities at manufacturing plants and facilities and that, to the extent practical and feasible, municipalities shall perform inspection and enforcement at the local level."

"Sec. 20. Nothing in this Act shall be construed to limit or diminish, nor increase nor add to, the authority of cities, towns, or villages, including home-rule cities, to limit or otherwise regulate the location of manufactured homes, HUD-code manufactured homes, or mobile homes. **Specific Rules of Construction**

Sec. 1.04. (a) In this Act, "because of age" or "on the basis of age" refers only to discrimination because of age or on the basis of age against an individual 40 years of age or older and under 70 years of age. Nothing in this Act prohibits the compulsory retirement of any employee who has attained 65 years of age but not 70 years of age, and who, for the two-year period immediately before retirement, is employed in a bona fide executive or high policy-making position, if the employee is entitled to an immediate, nonforfeitable annual retirement benefit from a pension, profit-sharing, savings, or deferred compensation plan, or any combination of plans, of the employer of the employee, that equals, in the aggregate, at least \$27,000.

Women affected by pregnancy, childbirth, or related medical conditions shall be treated the same for all employment-related purposes, including receipt of benefits under fringe benefit programs, as other individuals not so affected but similar in their ability or inability to work. #### ARTICLE 5. DISCRIMINATION IN EMPLOYMENT

##### Employers

Sec. 5.01. It is an unlawful employment practice for an employer:

(1) to fail or refuse to hire or to discharge an individual or otherwise to discriminate against an individual with respect to compensation or the terms, conditions, or privileges of employment because of race, color, handicap, religion, sex, national origin, or age; or

(2) to limit, segregate, or classify an employee or applicant for employment in a way that would deprive or tend to deprive an individual of employment opportunities or otherwise adversely affect the status of an employee because of race, color, handicap, religion, sex, national origin, or age.

##### Employment Agencies

Sec. 5.02. It is an unlawful employment practice for an employment agency to fail or refuse to refer for employment or otherwise to discriminate against an individual because of race, color, handicap, religion, sex, national origin, or age, or to classify or refer for employment an individual on the basis of race, color, handicap, religion, sex, national origin, or age.

##### Labor Organizations

Sec. 5.03. It is an unlawful employment practice for a labor organization:

(1) to exclude or to expel from membership or otherwise to discriminate against an individual because of race, color, handicap, religion, sex, national origin, or age;

(2) to limit, segregate, or classify members or applicants for membership or to classify or to fail or refuse to refer for employment an individual because of race, color, handicap, religion, sex, national origin, or age in a way:

(A) that would deprive or tend to deprive an individual of employment opportunities; or

(B) that would limit employment opportunities or otherwise adversely affect the status of an employee or of an applicant for employment; or

(3) that would cause or attempt to cause an employer to violate this article.

##### Training Programs

Sec. 5.04. Unless the training or retraining opportunities or programs are provided under an affirmative action plan approved according to federal law, rule, or order, it is an unlawful employment practice for an employer, labor organization, or joint labor-management committee controlling an apprenticeship, on-the-job, or other training or retraining program to discriminate against an individual because of race, color, religion, sex, or national origin in admission to or participation in a program established to provide apprenticeship, on-the-job, or other training or retraining opportunities.

##### Other Discriminatory Employment Practices

Sec. 5.05. (a) It is an unlawful employment practice for an employer, labor union, or employment agency:

(1) to retaliate or discriminate against a person who has opposed a discriminatory practice or who has made or filed a charge, filed a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this Act;

(2) to aid, abet, incite, or coerce a person to engage in a discriminatory practice;

(3) wilfully to interfere with the performance of a duty or the exercise of a power by the commission, one of its staff, or its representatives; or

(4) wilfully to obstruct or prevent a person from complying with the provisions of this Act or a valid rule or order issued under this Act.

(b) Unless handicap, religion, sex, national origin, or age is a bona fide occupational qualification, it is an unlawful employment practice for an employer, labor organization, employment agency, or joint labor-management committee controlling an apprenticeship, on-the-job, or other training or retraining program to print or publish or cause to be printed or published a notice or advertisement relating to employment indicating a preference, limitation, specification, or discrimination based on race, color, handicap, religion, sex, national origin, or age, if the notice or advertisement concerns an employee's status, employment, or admission to or membership or participation in a labor union or an apprenticeship, on-the-job, or other training or retraining program.

##### Exceptions

Sec. 5.06. This article does not apply to:

(1) the employment of an individual of a particular religion by a religious corporation, association,

or society to perform work connected with the performance of religious activities by the corporation, association, or society;

(2) the employment of an individual by his parent, spouse, or child; or

(3) any labor union, firm, association, or individual participating in a U.S. Department of Labor-approved statewide hometown plan on the effective date of this Act.

#### Nondiscriminatory Practices

Sec. 5.07. (a) Notwithstanding any other provision of this article, it is not an unlawful employment practice:

(1) for an employer to hire and to employ employees, for an employment agency to classify or refer for employment an individual, for a labor organization to classify its members or to classify or refer for employment an individual, or for an employer, labor organization, or joint labor-management committee controlling an apprenticeship, on-the-job, or other training or retraining program to admit or employ an individual in its program, on the basis of handicap, religion, sex, national origin, or age, if handicap, religion, sex, national origin, or age is a bona fide occupational qualification reasonably necessary to the normal operation of the particular business or enterprise;

(2) for a religious educational institution or an educational organization operated, supervised, or controlled, in whole or in substantial part, by a religious corporation, association, or society to limit employment or give preference to members of the same religion;

(3) for an employer to apply different standards of compensation or different terms, conditions, or privileges of employment under a bona fide seniority system, bona fide merit system, or a bona fide employee benefit plan such as a retirement, pension, or insurance plan, which is not a subterfuge to evade this Act, or under a system that measures earnings by quantity or quality of production if those different standards are not discriminatory on the basis of race, color, handicap, religion, sex, national origin, or age, except that no employee benefit plan may excuse a failure to hire on the basis of age and no seniority or employee benefit plan may require or permit involuntary retirement on the basis of age;

(4) for an employer to apply to employees who work in different locations different standards of compensation or different terms, conditions, or privileges of employment if those different standards are not discriminatory on the basis of race, color, handicap, religion, sex, national origin, or age;

(5) for an employer to impose minimum or maximum age requirements for peace officers or fire fighters;

(6) for a public school official to adopt or implement a plan reasonably designed to end discriminatory school practices; or

(7) for an employer to engage in any practice that has a discriminatory effect and that would otherwise be prohibited by this Act if the employer establishes that the practice is not intentionally devised or operated to contravene the prohibitions of this Act and is justified by business necessity.

(b) The employment of one person in place of another, standing by itself, is not evidence of an unlawful employment practice.

#### No Liability for Good Faith Reliance on Commission Rules

Sec. 5.08. In any action or proceeding based on any alleged unlawful employment practice, no person is subject to any liability arising out of the commission of an unlawful employment practice if he pleads and proves that the act or omission complained of was in good faith, in conformity with, and in reliance on any written interpretation or opinion of the commission.

#### Imbalance Plans

Sec. 5.09. This Act may not be interpreted to require a person subject to this Act to grant preferential treatment to an individual or to a group on the basis of the race, color, handicap, religion, sex, national origin, or age of that individual or group because an imbalance exists between the total number or percentage of persons of that individual's or group's race, color, handicap, religion, sex, national origin, or age employed by an employer, referred or classified for employment by an employment agency or labor organization, admitted to membership or classified by a labor organization, or admitted to or employed in any apprenticeship, on-the-job, or other training or retraining program, and the total number or percentage of persons of that race, color, handicap, religion, sex, national origin, or age in any community, this state, region, or other area, or in the available work force in any community, this state, region, or other area.

#### Application of Act; Persons Employed Outside of Texas

Sec. 5.10. This Act does not apply to an employer with respect to the employment of persons outside the State of Texas.

### ARTICLE 6. ADMINISTRATIVE REVIEW

#### Complaints; temporary relief

Sec. 6.01. (a) A person claiming to be aggrieved by an unlawful employment practice, or that person's agent, may file with the commission a complaint, which must be in writing under oath or affirmation, stating that an unlawful employment practice has been committed, setting forth the facts on which the complaint is based, including the date, place, and circumstances of the alleged unlawful

employment practice, and setting forth facts sufficient to enable the commission to identify the person charged (hereinafter referred to as the respondent). The executive director or his designee shall within 10 days serve the respondent with a copy of the complaint and shall invite both the complainant and respondent to attempt voluntarily to resolve their dispute prior to initiation and completion of an investigation. A complaint under this section must be filed within 180 days after the date the alleged unlawful employment practice occurred; untimely complaints shall be dismissed by the commission. The executive director or any other staff member of the commission designated by the executive director shall investigate a complaint and determine if there is reasonable cause to believe that the respondent has engaged in an unlawful employment practice as alleged in the complaint. If the federal government has referred the complaint to the commission or has deferred jurisdiction over the subject matter of the complaint to the commission, the executive director or his designee shall promptly investigate the allegations set forth in the complaint.

(b) If, after an investigation, the executive director or his designee determines that there is not reasonable cause to believe that the respondent has engaged in an unlawful employment practice, as alleged in the complaint, the executive director or his designee shall issue a written determination incorporating his finding that the evidence does not support the complaint and dismissing the complaint and shall serve a copy of the determination on the complainant, the respondent, and other agencies as required by law.

(c) If, after an investigation, the executive director or his designee determines that there is reasonable cause to believe that the respondent has engaged in an unlawful employment practice, as alleged in the complaint, the executive director or his designee shall review the evidence in the record with a panel of three commissioners. If, after the review, at least two of the three commissioners determine that there is reasonable cause to believe that the respondent has engaged in an unlawful employment practice, the executive director shall issue a written determination incorporating his finding that the evidence supports the complaint and shall serve a copy of the determination on the complainant, the respondent, and other agencies as required by law. The commission shall endeavor to eliminate the alleged unlawful employment practice by informal methods of conference, conciliation, and persuasion. The commission, its executive director, or its other officers or employees may not make public, without the written consent of the complainant and respondent, information about the efforts in a particular case to resolve an alleged discriminatory practice by conference, conciliation, or persuasion, whether or not there is a determination of reasonable cause.

(d) A showing of undue hardship by the respondent is a defense to a complaint of discrimination

made by an employee or applicant based on handicap. With respect to a complaint based on handicap, the commission's order must take into account the reasonableness of the cost of any necessary work place accommodation and the availability of alternatives or other appropriate relief.

(e) If the commission concludes, on the basis of preliminary investigation of an alleged unlawful employment practice contained in a complaint, that prompt judicial action is necessary to carry out the purposes of this Act, the commission shall file a petition in the district court in a county in which the alleged unlawful employment practice that is the subject of the complaint occurred, or in a county in which the respondent resides, seeking appropriate temporary relief against the respondent, pending final determination of proceedings under this Act. No temporary injunctive relief may issue absent a showing by the commission of substantial likelihood of success on the merits and irreparable harm to the complainant, in the absence of the preliminary relief, pending final determination on the merits.

(f) No person who has initiated any action in a court of competent jurisdiction or who has an action pending before any administrative agency under any other law or any local ordinance of any political subdivision of the state based on an act that would be an unlawful employment practice under this article may file a complaint under this section with respect to the same grievance.

## ARTICLE 7. JUDICIAL ACTION

### Judicial Action; Enforcement

Sec. 7.01. (a) If the commission has made a determination that there is reasonable cause to believe that the respondent has engaged in an unlawful employment practice, and the commission's efforts to resolve the discriminatory practice to the satisfaction of the complainant and respondent through conciliation have been unsuccessful, the commission may bring a civil action against the respondent named in the charge if a majority of the commissioners determine that the civil action may effectuate the purposes of this Act. The complainant has the right to intervene in a civil action brought by the commission. If the complaint filed with the commission pursuant to Section 6.01 of this Act is dismissed by the commission, or if within 180 days after the date of filing of the complaint the commission has not filed a civil action under this section or has not successfully negotiated a conciliation agreement between the complainant and respondent, the commission shall so notify the complainant in writing by certified mail. Within 60 days after the date of receipt of the notice, a civil action may be brought by the complainant against the respondent named in the charge. After timely application, the court may in its discretion permit the commission to intervene in any civil action filed under this subsection on certification that the case is of general public importance and if the commission has, before commencement of the civil action by the complain-

ant, issued a determination of reasonable cause to believe that the Act has been violated. In no event may any action be brought pursuant to this article more than one year after the date of filing of the complaint to which the action relates.

(b) The court shall assign any action brought under this article for hearing at the earliest practicable date to expedite the action.

(c) If the court finds that the respondent has engaged in an unlawful employment practice as alleged in the complaint, the court may enjoin the respondent from engaging in an unlawful employment practice and order such additional equitable relief as may be appropriate.

(d) Additional equitable relief may include but is not limited to:

(1) the hiring or reinstatement, with or without back pay, but back pay liability may not accrue for any date more than two years before the date of filing of a complaint with the commission, and interim earnings and unemployment compensation benefits received shall operate to reduce the back pay otherwise allowable;

(2) the upgrading of employees with or without pay;

(3) the admission or restoration of union membership;

(4) the admission to or participation in a guidance program, apprenticeship, on-the-job, or other training or retraining program, with the use of objective job-related criteria in the admission of individuals to these programs;

(5) the reporting on the manner of compliance with the terms of a final order issued under this Act; and

(6) the payment of court costs.

(e) In any action or proceeding under this Act, the court in its discretion may allow the prevailing party, other than the commission, a reasonable attorney's fee as part of the costs. The state or an agency or a political subdivision of the state is liable for costs to the same extent as a private person, except that the state, a state agency, or a political subdivision is not liable for attorney's fees.

(f) In the case of handicapped employees or applicants, the court must take into account the undue hardship defense, including the reasonableness of the cost of any necessary work place accommodation and the availability of alternatives or other appropriate relief.

(g) In any case in which an employer, employment agency, or labor organization fails to comply with an order of a court issued in a civil action brought under this article, a party to the action or the commission, on the written request of a person aggrieved by the failure, may commence proceedings to compel compliance with the order.

(h) All judicial proceedings under this Act shall be by trial de novo, and no commission findings, recommendations, determinations, or other actions are binding on any court.

## ARTICLE 8. RECORDS

### Preservation and Use

Sec. 8.01. (a) Notwithstanding any other section of this Act, a person under investigation in connection with a charge filed under this Act and subject to this Act must make and keep records relevant to the determination of whether unlawful employment practices have been or are being committed, preserve these records for periods required by the commission's rules or by court order, and make reports from these records as prescribed by the commission's rules or court order as reasonable, necessary, or appropriate for the enforcement of this Act or rules or orders issued under this Act.

(b) The commission by rule shall require that each person subject to this Act who controls an apprenticeship, on-the-job, or other training or retraining program:

(1) keep all records reasonably necessary to carry out the purposes of this Act, including but not limited to a list of applicants who wish to participate in the program and the chronological order in which applications for the program were received; and

(2) furnish to the commission on request a detailed description of the manner in which individuals are selected to participate in the apprenticeship, on-the-job, or other training or retraining program.

(c) Records and reports required by the commission under this section must conform to similar records and reports required by federal law, 42 U.S.C. Section 2000e-8(c).

### Secrecy; Access to Records; Noncompliance

Sec. 8.02. (a) An officer or employee of the commission may not make public any information obtained by the commission under its authority under Section 6.01 of this Act except as necessary to the conduct of a proceeding under this Act.

(b) If a person fails to permit access, examination, photographing, or copying or fails to make, keep, or preserve records or make reports in accordance with this article, the commission may issue a subpoena requiring compliance. On a failure to comply with a subpoena of the commission, the commission shall apply to the district court of the county in which the person is found, resides, or transacts business for an order directing compliance.

The Comptroller may direct that such moneys, when so paid by the Federal Public Housing Authority, be remitted through the county tax assessor-collector in the county where lands are located on which the payment or tender is made in lieu of taxes by such Federal Authority, and require the tax assessor-collector of such county to make remittance to the State Treasury in the same manner as he is now required to do when remitting for ad valorem taxes; but in no event shall any tax assessor-collector or any other county or state official be entitled to any fee for services in handling these funds.

The authority herein granted to the Governor of the State of Texas extends only to the bed and banks of the Pecos, Devils, and Rio Grande Rivers to the extent that title to such bed and banks is by law vested in the State of Texas whether under the civil law, or common law, or court decisions of the State of Texas, or otherwise; provided, however, that any grant or grants made to the United States of America in accordance with this authority shall contain a reservation that in the event any part of the property so granted shall ever cease to be used for the purposes set out within this Act for a continuous period of five (5) years after the beginning of such use, the part or parts of said property which are not so used shall immediately

and automatically revert to the State of Texas after the expiration of said five (5) year period.

Sec. 2. When the Commissioner of the United States Section of the International Boundary and Water Commission, United States and Mexico, shall make application to the Governor of the State of Texas describing the area and the interest therein which is determined necessary or expedient for use under the treaty and the Act, the governor shall issue a grant of such interest for and on behalf of the State of Texas to the United States of America, conveying to it the area and the interest described in the application, and the grant, except as provided in Section 3 of this Act, shall reserve to the State of Texas all minerals, except rock, sand, and gravel needed by the United States in the operation or construction by the United States or its agents of any of the works described in Section 1 of this Act, subject to the proviso that the minerals so reserved to the state may not be explored for, developed, or produced in a manner which will at any time prevent or interfere with the operation or construction

Sec. 3. In locations where the United States Commissioner applies for fee title to the bed and banks of the Rio Grande to be granted to the United States for the relocation and rectification of the channel under the treaty causing a portion of the existing channel to be within the territorial limits of Mexico after its relocation and rectification, the grant shall contain the same reservations and provisos as those prescribed in Section 2 of this Act on that portion only of the existing channel which will remain within the territorial limits of the United States on completion of the relocation and rectification project.

It shall be unlawful for any person to practice or offer to practice land surveying in this state as defined in this Act or to use in connection with his or her name or otherwise assume or advertise any title or description tending to convey the impression that such person is a land surveyor, unless that individual is duly registered, licensed, or exempted under the provisions of this Act.

**Exemptions**

Sec. 4. The provisions of this Act do not apply to any of the following:

The chief clerk shall perform the duties of the commissioner as a member of the board if the commissioner is sick, is absent, resigns, or dies and in such capacity shall have the same powers and authority as the commissioner.

The licensed state land surveyor members of the board shall be appointed by the governor upon the recommendation of the commissioner and with the advice and consent of the senate and shall have been actively engaged in the practice of state land surveying for not less than five consecutive years immediately prior to his or her appointment. Upon the appointment of the first board under this Act and upon February 10th of each odd-numbered year thereafter, the governor shall appoint from among the membership of the board a chairman. Before entering upon the duties of his or her office, each member of the board shall take and subscribe to the constitutional oath of office, and the same shall be filed with the secretary of state. All vacancies occurring in the membership of the board shall be filled by appointment by the governor for the unexpired term of the membership in the manner provided by this Act. All appointments made under this Act shall be made without regard to race, creed, sex, religion, or national origin. A member of the board may be appointed to succeed himself or herself, except that no member

shall be eligible to serve more than two consecutive terms.

(c) The persons serving on the effective date of this Act as appointed members of the Board of Examiners of Licensed State Land Surveyors and of the State Board of Registration for Public Surveyors plus one public member constitute the initial Texas Board of Land Surveying.

A person who holds office on the effective date of this Act as a member of the State Board of Registration for Public Surveyors holds office as a member of the Texas Board of Land Surveying for the term for which the member was originally appointed. A person who holds office on the effective date of this Act as a member of the Board of Examiners of Licensed State Land Surveyors and whose term as a member of that board would expire December 2, 1980, holds office as a member of the Texas Board of Land Surveying for a term expiring September 6, 1979. The term of office succeeding a Texas Board of Land Surveying member's term that expires September 6, 1979, expires January 31, 1985. The term of office succeeding a board member's term that expires September 6, 1981, expires January 31, 1987. The term of office succeeding a board member's term that expires September 6, 1983, expires January 31, 1989. Each succeeding term of office expires January 31 of an odd-numbered year.

**Conflict of Interest Provisions for Board Members and Employees**

Sec. 7. (a) A member or employee of the board may not be at any time during the member's term in office or the employee's term of employment any of the following:

- (1) an executive officer, employee, or paid consultant of a trade or professional association in the regulated profession or industry; or
- (2) related within the second degree of affinity or consanguinity to a person who is an executive officer, employee, or paid consultant of a trade or professional association in the regulated profession or industry.

(b) Members of the board, except those members who are licensed or registered under this Act, may not personally have nor be related to persons within the second degree by affinity or third degree by

consanguinity who have, except as consumers, financial interests in the practice of public or state land surveying as officers, directors, partners, owners, employees, attorneys, or paid consultants.

(c) Any person who violates this section is ineligible to hold or continue to hold office or a position of employment with the board.

(d) A person who is required to register as a lobbyist under Chapter 422, Acts of the 63rd Legislature, Regular Session, 1973, as amended (Article 6252-9c, Vernon's Texas Civil Statutes), may not serve as a member of the board or act as the general counsel to the board. The general counsel and board members may appear and represent the board at committee hearings and other formal meetings of organs of the legislative or executive departments of government when invited to do so.

#### Organization and Meetings of the Board

Sec. 8. (a) The first board created under the provisions of this Act shall hold its first meeting within 90 days after the effective date of this legislation and shall elect from its number a vice-chairman, who shall thereafter be elected at the first meeting of the board subsequent to February 10th of each odd-numbered year. An executive secretary shall be appointed by the board to hold office at the pleasure of the board. The secretary shall make and file a bond with the comptroller of public accounts in an amount not less than \$2,500. The premium for the bond shall be paid out of the "Land Surveying Fund" as provided in this Act. It is the duty of the Texas Board of Land Surveying to hold meetings at least twice each year at such times and places as the board may determine for the purpose of transacting its business and to examine all applicants for registration or licensure as a public surveyor or state land surveyor. Regular meetings of the board shall be held at such times as the board may fix and determine. Special meetings of the board shall be held at such times as the board may fix and determine. Special meetings of the board may be called by the chairman or in his absence from the state or inability to act by the vice-chairman of the board. A majority of the membership of the board constitutes a quorum.

(b) Each member of the board shall be present for at least one-half of the regularly scheduled meetings held each year by the board. The failure of a member to meet this requirement automatically removes the member from the board and creates a vacancy on the board.

(c) The board is subject to the open meetings law, Chapter 271, Acts of the 60th Legislature, Regular Session, 1967, as amended (Article 6252-17, Vernon's Texas Civil Statutes), and the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes).

#### Powers of the Board

Sec. 9. (a) The board shall have the authority and power to make and enforce all reasonable and necessary rules, regulations, and bylaws not inconsistent with the Texas Constitution, the laws of this state, and this Act for the performance of its duties in administering this Act and for the purpose of establishing standards of conduct and ethics for surveyors registered or licensed under this Act. The board shall not promulgate rules restricting competitive bidding by licensees and shall not promulgate rules restricting advertising by licensees except to the extent necessary to prohibit false, misleading, and deceptive practices. The violation by any registered public surveyor or licensed state land surveyor of any provision of this Act or any rule or regulation of the board is sufficient reason or ground to suspend or revoke the certificate of registration or licensure of the surveyor. In addition to any other action, proceeding, or remedy authorized by law, the Texas Board of Land Surveying has the right to institute an action in its own name in a district court of Travis County against any person, firm or corporation, partnership, or any other group or combination of persons to enjoin a violation of any provision of this Act or any rule or regulation of the board. Either party to such an action may appeal to the appellate court having jurisdiction of the cause. The board shall not be required to give an appeal bond in any cause under this Act. The attorney general or his assistants shall act as legal advisor to the board and render such legal assistance as shall be necessary. If the appropriate standing committees of both houses of the legislature, acting under Subsection (g) of Section 5 of the Administrative Procedure and Texas Register Act, as added (Article 6252-13a, Vernon's Texas Civil Statutes), transmit to the board statements opposing adoption of a rule under this section, the rule may not take effect, or if the rule has already taken effect, the rule is repealed effective as of the date upon which the board receives the committees' statements.

(b) All rules and regulations promulgated by the State Board of Registration for Public Surveyors and the Board of Examiners of Licensed State Land Surveyors prior to the effective date of this Act shall remain in full force and effect until 180 days from the effective date of this Act or until sooner ratified by the board in the manner provided by the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes).

(c) A roster showing the names and places of business of all licensed state land surveyors and registered public surveyors, the rules and regulations promulgated by the board, and a copy of this Act and any amendments thereto shall be prepared by the secretary of the board during the month of July of each odd-numbered year. Copies of this roster shall be mailed to each person so registered or licensed, placed on file with the secretary of

state, and furnished to the public upon request without charge.

(d) The board may adopt rules and regulations creating and providing for the administration of a staggered renewal program for all certificates of registration and licensure issued by it beginning in 1981.

(e) The board shall establish a public information program for the purpose of informing the public regarding the practice and regulation of land surveying in this state, including a standard complaint form, and such information shall be made readily available to the general public and other appropriate agencies of the state. Such program shall also include information designed to inform prospective applicants regarding the qualifications and requirements for registration or licensure under this Act.

(f) The board shall employ an executive secretary to conduct the administrative affairs of the board under the board's direction. The board may also employ or retain such other persons as are necessary for the proper performance of its work under this Act, including services of an investigative nature, and may make expenditures for this purpose. The board is authorized to accept at no cost to the board such services from private sources. The compensation paid under this Act shall not be in excess of compensation paid for similar work in other state departments.

(g) The board shall arrange for such suitable office space and equipment as it may deem necessary, and the rental for such office space and the cost of such equipment shall be considered administration expenses.

#### Compensation and Expenses of Board Members

Sec. 10. Members of the board, other than the commissioner, shall receive as compensation the sum of \$25 per day for each day they are actually engaged in official board duties, including time spent in necessary travel, together with all legitimate expenses incurred in the performance of their duties. All per diem and expenses incurred under this Act shall be paid from the "Land Surveying Fund" as provided in this Act. The commissioner shall not receive per diem compensation or actual expenses for the discharge of his duties as a member of the board, except as otherwise provided by law.

#### Records and Reports

Sec. 11. (a) The board shall keep a record of its proceedings, which is open to public inspection at all reasonable times, and which includes a record of all money received and expended by the board and a register of all applicants for registration or licensure, showing the following:

- (1) the name, age, and residence of each applicant;
- (2) the date of application;

- (3) the place of business of such applicant;
- (4) the applicant's qualifications;
- (5) any reasons for rejection of an application;
- (6) the dates and results of all examinations;
- (7) the date and number of all certificates of registration or licensure issued; and
- (8) such other information as may be deemed necessary by the board.

(b) The board also shall keep a record of all registered professional engineers engaged in public surveying who register with the board, which includes the following:

- (1) the name, age, and residence of all registrants;
- (2) the place of business of the registrant;
- (3) the date and serial number of registration as a professional engineer;
- (4) the date of registration with the board; and
- (5) any other information that may be deemed necessary by the board.

#### Provisions for the Transfer of Personnel, Property, and Assets

Sec. 12. The personnel employed by the State Board of Registration for Public Surveyors and the records, property, and assets in the custody of the State Board of Registration for Public Surveyors and the Board of Examiners of Licensed State Land Surveyors on the effective date of this Act are hereby transferred to the Texas Board of Land Surveying.

#### Receipts and Disbursements

Sec. 13. The secretary of the board shall receive and account for all fees received under the provisions of this Act and shall deposit these funds in the State Treasury to the credit of a special fund to be known as the "Land Surveying Fund." At the beginning of each biennium all money then in such fund which is not then appropriated or obligated shall be set over and paid into the General Revenue Fund. This fund shall be paid out only by warrants of the comptroller of public accounts upon itemized vouchers approved by the secretary of the board. Under no circumstances shall the total amount of warrants issued by the comptroller of public accounts in payment of the expenses and compensation provided for in this Act exceed the amount in the Land Surveying Fund. All payments to persons retained or employed by the board or to members of the board and all per diem and expenses incurred under this Act shall be paid out of the Land Surveying Fund provided herein, and no part of the expense of administering this Act shall ever be a charge against the general funds of the State of Texas. The board shall as of August 31 of each year after the passage of this Act make a report to the governor, lieutenant governor, and speaker of

the house of representatives for all receipts and disbursements under this Act. The financial transactions of the board shall be audited annually by the state auditor.

#### Practitioners at the Time of Enactment

Sec. 14. (a) All persons holding valid certificates of registration or licenses on the effective date of this Act from either the State Board of Registration for Public Surveyors or the Board of Examiners of Licensed State Land Surveyors shall be automatically registered or licensed under this Act. Those holding a certificate of registration as a registered public surveyor shall be registered as registered public surveyors and those holding a licensed state land surveyor's license shall be licensed as licensed state land surveyors. Those so registered shall retain their same registration numbers and those so registered or licensed shall retain their former certificate or license until such certificate or license is renewed as provided herein.

(b) Any person holding a valid license on the effective date of this Act from the State Board of Registration for Professional Engineers who has been engaged in the practice of surveying for a period of not less than one year immediately preceding the effective date of this Act may apply for registration as a public surveyor within a period of one year from the effective date of this Act and on payment of the registration fee shall be registered as a public surveyor. The Texas Board of Land Surveying and the State Board of Registration for Professional Engineers shall determine whether an applicant qualifies for registration under this subsection. If the boards disagree about whether an applicant qualifies for registration under this subsection, the decision of the State Board of Registration for Professional Engineers controls.

(c) All persons registered or licensed under this section are presumed to be qualified as long as they annually renew their certificate of registration or licensure as required under this Act.

#### Qualifications for Registration and Licensure

Sec. 15. (a) No person, except those exempt from the operation of this Act, shall engage or continue in the practice of public surveying as defined in this Act, unless the person is registered or licensed as provided by this Act.

(b) The following classes of persons are qualified for registration or licensure:

(1) all registered professional engineers engaged in the practice of surveying on the effective date of this Act who register with the board in accordance with this Act;

(2) all persons who apply to take and successfully pass a written examination developed and given as provided by this Act under rules developed by the board to determine the knowledge and ability of the applicant shall be qualified for registration as a registered public surveyor; and

(3) all registered public surveyors who apply to take and successfully pass a written examination as provided by this Act under rules developed by the board on the theory of surveying, the law of land boundaries, the history and functions of the General Land Office, and such other matters pertaining to surveying as the board may determine shall be qualified for licensure as a licensed state land surveyor.

(c) All applicants for licensure as a registered public surveyor, except a registered professional engineer, must meet the following minimum requirements:

(1) be of good professional character and reputation;

(2) have satisfied one of the following educational and experience requirements:

(i) have successfully completed a full four-year course of study at an accredited college or university leading to a bachelor's or higher degree and have a specific experience of two or more years as a subordinate to a registered public surveyor or a person qualified in land surveying in the active practice of land surveying of a character indicating the applicant was in delegated responsible charge of the accuracy and correctness of the surveying work performed. The course of study shall have included not less than 32 semester hours of study or its academic equivalent in any combination of courses in civil engineering, land surveying, mathematics, photogrammetry, forestry, or land law and the physical sciences; or

(ii) have successfully completed a course of study in land surveying or board-approved survey-related courses of 32 semester hours of study or its academic equivalent and have a specific experience record of four or more years as a subordinate to a registered public surveyor or a person qualified in land surveying in the active practice of land surveying of a character indicating that the applicant was in delegated responsible charge as defined herein; or

(iii) have graduated from an accredited high school and have a specific experience record of six or more years as a subordinate to a registered public surveyor or a person qualified in land surveying in the active practice of land surveying of a character indicating that the applicant was in delegated responsible charge of the accuracy and correctness of the surveying work performed. Applicants under this subsection without the college, university, or board-approved courses listed in paragraphs (i) and (ii) must show they have become self-educated in the surveying field.

(d) Notwithstanding the requirements for registration set forth in Subdivision (2) of Subsection (c) of this section, the board shall adopt reasonable rules and regulations necessary to establish a surveyor-in-training program designed to reduce the educational and experience requirements set forth

in said Subsection (c) through a concentrated course of study and training. Such program shall include the following provisions:

(i) minimum educational requirements of a lesser degree than those set forth in said Subsection (c);

(ii) examination for basic mathematical skills necessary to the practice of public surveying;

(iii) a board-approved program of intensive study through formal educational programs, private educational and professional programs and seminars, or both; and

(iv) a board-approved program of intensive experience covering a lesser period of time than that set forth in said Subsection (c); and

(v) examination for other basic skills and knowledge necessary to the practice of public surveying.

Upon proof of qualification under Paragraph (i) of this subsection and successful completion of the basic examination required by Paragraph (ii) of this subsection, an applicant shall receive a certificate declaring him or her a surveyor-in-training in a form to be approved by the board, and a record shall verify and note successful completion of each additional requirement of the surveyor-in-training program by the applicant. Upon successful completion of the program, the applicant shall receive a certificate of registration as a registered public surveyor upon payment of the necessary fee.

#### Applications, Examinations, and Fees for Licensure

Sec. 16. Any applicant seeking registration as a registered public surveyor or licensure as a licensed state land surveyor shall file an application in writing with the Texas Board of Land Surveying. An application fee, not to exceed \$50, shall be submitted with the application. If the board determines that the applicant is qualified to take the examination, it shall set and notify the applicant of the time and place of the examination. The applicant may take the examination on payment of an examination fee determined by the board, not to exceed \$100 for registered public surveyor examinations or \$50 for licensed state land surveyor examinations.

Applications for registration or licensure shall be on forms prescribed and furnished by the board and shall contain statements made under oath showing the applicant's education and experience. Applications for registration shall contain a detailed summary of the applicant's technical work and references of at least three surveyors having personal knowledge of his surveying experience.

The scope of the examination and the methods of procedure shall be prescribed by the board with special reference to the applicant's ability in order to insure the public safety, welfare, and property rights.

Not later than the 30th day after the day on which a person completes an examination adminis-

tered by the board, the board shall send to the person his or her examination results. If requested in writing by a person who fails the examination, the board shall send to the person not later than the 30th day after the day on which the request is received by the board an analysis of the person's performance on the examination.

An applicant failing an examination may apply for and take a subsequent examination at the expiration of six months from the date of the preceding examination by filing an updated application and paying an additional examination fee not to exceed \$100.

On passing the appropriate examination, the applicant is entitled to a certificate of registration as a registered public surveyor or a certificate of licensure as a licensed state land surveyor. No certificate of licensure as a licensed state land surveyor shall be issued until the applicant has taken the oath of office and filed the bond as required by this Act. Each registered public surveyor shall also be issued a registration number which shall not thereafter be assigned to nor used by any other surveyor. The number shall be placed on the certificate of registration and recorded in the permanent records of the board and shall constitute the registration number of that surveyor to be used on all official documents. The certificate of registration and the certificate of licensure shall also show the full name of the registrant or licensee and shall be signed by the chairman and secretary of the board.

#### Renewal, Renewal Fees, Penalty for Late Renewals

Sec. 17. All certificates of registration or licensure shall expire on December 31 of each year or on a date set by the board as part of a staggered renewal system and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the board to notify every person registered under this Act of the date of expiration of his or her certificate and the amount of the fee that shall be required for its renewal for one year. The notice shall be mailed at least one month in advance of the date of expiration of the certificate. For this and other purposes, each registrant or licensee shall notify the secretary of any change of address as it occurs. For the year in which the expiration date is changed, renewal fees payable on December 31 shall be prorated on a monthly basis so that each registrant or licensee shall pay only that portion of the renewal fee which is allocable to the number of months during which the renewal is valid. On renewal of the registration or license on the new expiration date, the total renewal fee is payable. Renewal may be effected at any time during the month of expiration by the payment of a fee set by the board, not to exceed \$50 for certificates of registration of registered public surveyors or \$25 for certificates of licensure for licensed state land surveyors. On receipt of the required fee within the time and in the manner prescribed by the board, the designated officer or employee of the board shall issue to the licensed or registered surveyor a

certificate of renewal of his or her certificate for the term of one year. The failure on the part of a surveyor to renew a certificate annually by the expiration date established by the board shall not deprive an individual of the right of renewal, but shall result in an increase in the renewal fee of \$20. If failure to renew shall continue for more than 90 days after the date of expiration of the certificate of registration or licensure, the board may require such registrant or licensee to reapply for registration or licensure and he or she must qualify and pay all fees provided herein as an original applicant therefor. All renewal certificates of registration shall carry the same registration number as the original certificate. All original and renewal certificates of registration or licensure shall be evidence that the person whose name and registration number appears thereon is qualified to practice as a registered public surveyor or a licensed state land surveyor so long as the certificate is valid and in force. Each person holding a certificate of registration or licensure shall display it at his or her place of business or practice and be prepared to substantiate annual renewal for the current year. The secretary shall immediately notify the commissioner whenever the license of any licensed state land surveyor is rendered invalid for his or her failure to timely renew such license.

#### Official Seals

Sec. 18. Each registered public surveyor on receiving a certificate of registration shall obtain an authorized seal bearing the registrant's name and number and the legend "Registered Public Surveyor." No licensee shall affix his or her name, seal, or certification to any plat, design, specification, or other work constituting the practice of the occupation regulated by this Act and prepared by an unlicensed person, unless the work was performed under the direction and supervision of the licensee and the unlicensed person is an employee of the same firm and under the licensee's direct supervision. For the purpose of this section, an "employee" means an individual who receives compensation for work performed from a firm which employs or has a principal licensed or registered surveyor on a full-time basis. No licensee shall allow a nonlicensed person to exert control over the end product of his or her professional work. Only one surveyor's seal is required for the documents of a single project as prepared by each firm. However, the surveyor whose seal is to be used must be a principal in the firm who has the primary responsibility for the particular project. In addition, the seals of other professionals in the firm may be used. When there is a joint surveying venture comprising an association of two or more firms, each firm shall use the seal of the surveyor who has the primary responsibility for the firm. Each licensed state land surveyor shall procure a seal of office. Around the margin shall be the words "Licensed State Land Surveyor," which shall be his or her official title, and between the points of the star in the seal shall

be the word "Texas." A licensed state land surveyor shall attest with the seal all official acts authorized under the provisions of the law. No act, paper, or map of a licensed state land surveyor shall be filed in the county records of the General Land Office unless certified to under the seal of the surveyor.

#### Oath and Bond

Sec. 19. (a) Before a licensed state land surveyor's license is issued and before one who has successfully passed the examination as provided in this Act is authorized to perform the duties of a licensed state land surveyor, he or she shall take the official oath and shall make a good and sufficient bond in the sum of \$1,000, payable to the governor and conditioned that he or she will faithfully, impartially, and honestly perform all the duties of a licensed state land surveyor to the best of his or her skill and ability in all matters wherein he or she may be employed. No state land surveyor's license may be issued under this Act to any person residing outside the State of Texas.

(b) The bond may be executed by two or more solvent personal sureties or by a solvent surety company authorized to transact business in this state. If the bond is signed by personal sureties, each shall take and subscribe an oath that he or she is worth, over and above all debts and exemptions, at least double the penalty of the bond. A personal bond also shall be approved by the commissioners court of the county where the applicant resides. After the oath and bond have been executed as provided by this Act, they shall be recorded in the office of the county clerk of the county in which the applicant resides and after being so recorded shall be filed at the Texas Board of Land Surveying, accompanied by a filing fee in an amount to be fixed by the board. Thereupon a license shall be issued to the applicant, and he or she is authorized to enter upon the discharge of the duties of a licensed state land surveyor. If for any reason the liability on the bond provided for by this Act is terminated, the licensee is not authorized to perform the duties of a licensed state land surveyor until a new bond is made as in the first instance. No surety on a bond shall be relieved of liability on the bond without first giving the board 30 days' notice in writing. The termination of a bond as provided in this Act or the revocation of a surveyor's license does not relieve the sureties on the bond from any liability that may have theretofore accrued on the bond. The board is directed to provide the General Land Office with a current list of bondholders.

(c) The secretary shall immediately advise the commissioner whenever any applicant has qualified for and has been issued a license as a licensed state land surveyor under this Act. The secretary shall also immediately advise the commissioner whenever the liability on the bond of any licensee under this Act has been terminated for any reason.

**Reciprocal Certificate**

Sec. 20. The Texas Board of Land Surveying shall issue a certificate of registration as a registered public surveyor on a reciprocal basis to any person who:

(1) holds a public surveyor license or other form of permission issued by a governmental authority outside of this state if the licensing standards of the governmental authority are substantially equivalent to those of this state; and

(2) applies with the board for the certificate of registration and pays a fee set by the board not to exceed \$50.

**Firm Names; Assumed Names**

Sec. 21. Registrants and licensees holding current certificates of registration or licensure may organize or engage in any form of individual or group practice of surveying allowed by the statutes of this state, if the firm identity of that practice does not publicly imply registration authority to practice public or state land surveying without properly identifying the registrant responsible for that practice. Any person engaging in the practice of surveying in this state under any business title other than the real name or names of those legally authorized to engage in public or state land surveying, whether individually or as an association, partnership, or corporation, shall file in the office of this board a certificate stating the full name and residence of each person engaging in that practice and the place, including street, number, city, and zip code, where that practice or business is principally conducted.

**Resignation of a Licensed State Land Surveyor**

Sec. 22. A licensed state land surveyor may resign as such surveyor at any time by filing a resignation in writing with the Texas Board of Land Surveying. On the receipt of the resignation, the board shall note the receipt and inform the General Land Office. Resignation does not relieve the principal and sureties of the surveyor's official bond of any liability that may have accrued prior to the effectiveness of the resignation.

**Penalties**

Sec. 23. (a) The Texas Board of Land Surveying has the power to reprimand or suspend or to revoke the license and/or registration of any surveyor found guilty of:

(1) the practice of any fraud or deceit in obtaining a certificate of registration for registered public surveyors or a certificate of licensure for licensed state land surveyors;

(2) any gross negligence, incompetency, or misconduct in the practice of surveying as a registered public surveyor or licensed state land surveyor; or

(3) the violation of a provision of this Act or a rule or regulation promulgated by the board.

(b) The license of any licensed state land surveyor found to be directly or indirectly interested in the purchase or acquisition of title to public land is subject to revocation.

(c) After the effective date of this Act, any person found guilty of the following offenses shall be deemed guilty of a Class B misdemeanor:

(1) practicing or offering to practice public surveying or state land surveying in this state without being registered or licensed or exempt in accordance with the provisions of this Act;

(2) presenting or attempting to use the certificate of registration or licensure or seal of another;

(3) giving any false or forged evidence in order to obtain or assist another in obtaining a certificate of registration or licensure; or

(4) violating any of the provisions of this Act or any rules or regulations promulgated by the board.

**Enforcement; Complaints; Hearings**

Sec. 24. (a) Any person may file a complaint with the Texas Board of Land Surveying regarding a violation of this Act or any rule or regulation of the board. The board may also institute proceedings against a registrant or licensee on its behalf without a formal written third party complaint. Each alleged violation of applicable statutes, when duly reported and substantiated by sworn affidavits, shall be investigated. The board may employ the investigators or inspectors necessary to enforce properly the provisions of this Act.

(b) If it is determined that the complaint is not within the board's jurisdiction, the complainant shall be notified in writing within 30 days. If the board determines the complaint to be within its statutory jurisdiction, a written notice stating the nature of the charge or charges and the time and place of the hearing before the board shall be served on the accused not less than 20 days prior to the date of the hearing and within three months after the date on which the complaint was filed. The board or its legal counsel is authorized to hold conferences before or during the hearing process for the settlement or simplification of the issues and for such purposes as the demands of justice require. At any hearing, the respondent is entitled to appear in person and by counsel, present all relevant evidence and witnesses on his or her own behalf, cross-examine witnesses, and examine such evidence as may be produced against him or her. The failure of a respondent to appear at a hearing may be deemed a waiver of all rights except the right to be served with any sanction imposed by the board. The board may, however, grant continuances on a written request, indicating good cause for failure to appear, filed with the board prior to the date of the hearing. The board is empowered to issue notices, subpoena witnesses, administer oaths, hear testimony, rule on objections and motions, and otherwise regulate and expedite the course and conduct of the hearing.

Any individual appearing at a hearing in response to a subpoena or by request or permission of the board may be accompanied, represented, or advised by counsel.

(c) After all the parties have been given an opportunity to present proposed findings and arguments, the board shall prepare findings of fact, conclusions of law, and any subsequent order, ruling, or decision of the board to be served on all parties. In the proceedings under this section and the other sections of this Act, a majority of the board shall constitute a quorum.

(d) A stenographic record or tape recording of all hearings shall be kept and transcribed. A transcript shall be made available to any party on payment of the lawfully prescribed cost.

(e) A person, firm, partnership, or corporation aggrieved by an order, ruling, or decision of the board may file a motion for rehearing which must be filed within 15 days after the rendition of the order, ruling, or decision. Replies to motions for rehearings must be filed within 25 days after the rendition of the order, ruling, or decision. A party aggrieved by a final order, ruling, or decision of the board has the right to file suit in a district court of Travis County. The petition must be filed within 30 days after the decision, ruling, or order in question is final and appealable. The board may not be required to give bond in any cause or appeal arising under this Act. Neither the Texas Board of Land Surveying nor any member of the board is liable to any person, firm, or corporation charged or investigated by the board for any damages incident to the investigation or incident to any complaint, charge, prosecution, proceeding, or trial of the results of the investigation.

(f) The board for reasons it may deem sufficient may reissue a certificate of registration or licensure to any surveyor whose certificate has been revoked provided five or more members vote in favor of the reissuance. A new certificate of registration or licensure to replace a certificate revoked, lost, destroyed, or mutilated may be issued, subject to the rules of the board and a charge of \$5.

(g) The attorney general or his assistants shall act as legal advisor to the board and shall render such legal assistance as may be necessary in enforcing the provisions of this Act and the rules and regulations of the board.

(h) The board shall keep an information file on the disposition of each complaint filed with the board relating to a registrant or licensee. If a written complaint is filed with the board relating to a registrant or licensee, the board at least as frequently as quarterly shall notify the complainant of the status of the complaint until finally determined.

**Authority of Licensee and Method of Obtaining Right to Survey on Private Land**

Sec. 25. (a) Licensed state land surveyors licensed under this Act are authorized to perform

WTSC Civil Statutes—21

surveys under the provisions of Section 21.011, Natural Resources Code, and to perform the duties that may be performed by the county surveyors and are subject to the direction of the Commissioner of the General Land Office in matters of land surveying in such cases as may come under the supervision of such authorities. The jurisdiction of such licensees shall be coextensive with the limits of the state.

(b) Licensed state land surveyors may hold the office of county surveyor, and if so elected shall qualify as provided by law for county surveyors. The election of a county surveyor for a particular county does not limit the jurisdiction of the surveyor to that county, and the election of a county surveyor for any particular county does not prevent any licensed state land surveyor from performing the duties of a surveyor in that county.

(c) All official field notes made by a surveyor licensed under this Act shall be signed by the surveyor, followed by the designation, "Licensed State Land Surveyor."

(d) If a licensed state land surveyor is denied permission to cross the land owned by a private party when surveying in his or her official capacity, the county attorney of the county in which the land is located shall promptly seek an order from a court of competent jurisdiction giving the licensee authority to cross the private lands.

**Field Notes to be Recorded**

Sec. 26. The field notes and plats of every survey of public land made by a licensed state land surveyor licensed under this Act shall be recorded in the county surveyor's records of the county in which the land is situated. The field notes and plats of public land made by a licensed state land surveyor affecting the lines, boundaries, and areas of such land shall be forwarded to the General Land Office after the same have been recorded under the provisions of this Act. All field notes made by licensed state land surveyors in any county in this state have the same force and effect and are admissible in evidence the same as field notes made by a county surveyor.

**Undisclosed Land**

Sec. 27. If a licensed state land surveyor discovers any undisclosed tract of public land, the surveyor shall not make known that fact to anyone except to such person as may have it enclosed, except that the surveyor shall forward to the Commissioner of the General Land Office a report of the existence of the tract, the acreage in the tract, and its probable value.

**County Surveyor Authorized to Record Field Notes and Documents in County Surveyor's Records; Exceptions; Fees; Access to Records**

Sec. 28. (a) In cases where a county has a county surveyor, the county surveyor alone is authorized to file and record field notes and plats of all surveys

made in that county and other documents required by law to be recorded in the county surveyor's records and to issue certificates of fact and certify the correctness of copies of any document, record, or entry shown by the records of a county surveyor. However, if a county surveyor and his or her authorized deputy or deputies are absent from the office, the county clerk of the county has free access to the county surveyor's office and public records and, in such event, is authorized to record field notes, plats, and other documents required to be recorded in the county surveyor's records and to issue certificates of fact and certify the correctness of copies of any document, record, or entry shown on the official records of the county surveyor. In cases where a county has no county surveyor, the county clerk of the county is the legal custodian of the surveyor's records and is authorized to make all the certificates and certify the copies that a legally authorized county surveyor may make.

(b) The fees for recording documents in the surveyor's records and issuing certificates and making certified copies are the fees now or hereafter provided by law. The county surveyor is entitled to fees for all documents recorded by the county surveyor or his or her deputies and for all certificates and certified copies issued by the county surveyor or his or her deputies. The county clerk is entitled to all fees for documents recorded by the county clerk and for all certificates and certified copies issued by the county clerk under the provisions of this Act.

(c) All licensed state land surveyors shall for the purpose of information and examination have access to the records of county surveyors, and no examination fee shall be charged in cases where an investigation of the records is being made with a view to making surveys of public lands under the laws regulating the sale or lease of the same or of identifying and establishing the boundaries of public land. All examinations shall be made under such regulations as may be provided by the county surveyor or the commissioners court for the safekeeping and preservation of the records.

#### Informing the Public Concerning the Regulation of Surveying

Sec. 29. All written contracts for surveying services in this state shall contain the name, mailing address, and telephone number of the regulatory board having jurisdiction over that licensed individual in responsible charge of providing those services and shall contain a statement that complaints about<sup>1</sup> surveying services may be forwarded to that regulatory board.

<sup>1</sup> So in enrolled bill.

**Art. 5330a. Regulating Sale and Patenting of Lands Formerly Part of Oklahoma; Special Land Board Abolished; Powers and Duties of General Land Office**

#### Land Offered to Claimants; Consideration

Sec. 1. All of the lands along the 100th degree of west longitude on the East side of the Panhandle of the State of Texas and the west side of the State of Oklahoma, found to be in the State of Texas by the final decree of the Supreme Court of the United States, entered March 17th, 1930, in the case of the State of Oklahoma vs. the State of Texas, the United States of America, Intervenor, theretofore claimed by Oklahoma but now located in Lipscomb, Hemphill, Wheeler, Collingsworth and Childress Counties, are hereby offered for sale to the claimants of said lands as reflected by the Deed Records or other public records of the State of Oklahoma and under the laws of the State of Oklahoma at the time of the rendition of said decree by the Supreme Court of the United States, and said lands shall be sold to such claimants as would have then owned said lands had the same been a part of Oklahoma, or who have acquired or may hereafter acquire title by foreclosure of a line valid and enforceable under the laws of Oklahoma at the time of the rendition of such decree. The consideration for such sale shall be the sum of One (\$1.00) Dollar per acre.

#### Special Land Board Abolished; Transfer of Rights and Duties

Sec. 2. The rights and duties of the Special Land Board are transferred to the General Land Office, and the Special Land Board is abolished. The General Land Office shall have the power to ascertain the bona fide claimants of said lands as shown by the public records and under the laws of the State of Oklahoma, to make such surveys and investigations as may be necessary to carry out the provisions of this Act, and to adopt such rules, regulations and forms as it may deem expedient.

#### Application; fee; Investigation and Award

Sec. 3. Any claimant to any portion of said lands who would have had title to same had it been located in Oklahoma, may make application to the Commissioner of the General Land Office to purchase the land claimed. Such application shall be accompanied by field notes of the tract claimed, together with a filing fee of One (\$1.00) Dollar, an examination fee of Fifteen (.15¢) Cents per acre, and with such other information as the Land Board may require to be given, including certified copies of all muniments of title under the laws of Oklahoma. Upon receipt of such application the Land Board shall cause an investigation to be made as to the status of the public records of the State of Oklahoma, and in event it is found that the applicant would have been the owner of said land at the time of the decree of the Supreme Court of the United States had the same been located in Oklahoma, or holds title by reason of foreclosure of a lien valid and enforceable under the laws of Oklahoma at the time of such decree of the Supreme Court of the United States, such application shall be approved, and said land awarded to said applicant. Within sixty days after such award such applicant shall pay to the Commissioner of the General Land Office the sum of One (\$1.00) Dollar per acre for said land, and upon receipt of such payment the Commissioner of the General Land Office shall issue to the claimant a patent to said lands in such form as the Land Commissioner shall prescribe.

#### Sale to Lien Holder

Sec. 4. In event the claimant fails or refuses to purchase same or to apply for a patent as provided for herein, then the holder of a lien against any of said lands may make such purchase or apply for such patent on behalf of said owner and pay the consideration provided for, and all fees and expenses, and such amounts when paid by such lien holder shall be added to and become a part of the total amount secured by the lien. A failure on the part of the said owner to make purchase, or application for patent, for a period of four months after the last publication by said Land Board as provided in this Act shall constitute such failure to apply as will warrant the lien holder in making such application to purchase. The patent issued upon application and purchase of a lien holder shall be in the name of the person, persons or company who would have owned said lands had the same been a part of Oklahoma.

#### Recording Deeds, Mortgages, Etc.; Evidence; Force and Effect

Sec. 5. All deeds, mortgages, contracts and instruments of every nature, or in case of loss of any such instrument a certified copy from the record in the Oklahoma County may be so used, affecting the title to said lands, or that would have formed a part of the chain of title to the same under the laws of the State of Oklahoma, and now of record on the

public records of the State of Oklahoma, may be filed and recorded in the county in Texas in which the land is now located. All deeds, mortgages, conveyances and all other instruments which would be valid under the laws of the State of Oklahoma and admissible in evidence under the laws of said State, shall be valid in Texas and shall be admissible in evidence in any court in this State, and copies of said instruments certified as provided by the laws of Oklahoma, as well as the originals thereof, may be introduced in evidence in the same manner as if executed with the formalities required by the laws of the State of Texas, and as if certified as required by the laws of this State. All such deeds, deeds of trust, mortgages, conveyances and contracts, affecting the title to any of said lands shall be given the same force and effect in the State of Texas as same would have been given in the State of Oklahoma, and all bona fide liens, incumbrances, or debentures, now outstanding and unsatisfied, and existing against said lands at the time of the rendition of said decision of the Supreme Court of the United States are here expressly validated, save and except as to purchase money due to the State of Oklahoma, or the United States, and except taxes, general or special, due to the State of Oklahoma, or any city, county, school district or other political subdivision of the State of Oklahoma. In determining whether any lien against said land shall be enforced, the period of time intervening between the rendition of the decision by the Supreme Court of the United States and the issuance of a patent to the land involved by the State of Texas, shall not be computed in applying the Statutes of Limitation of either the State of Oklahoma or the State of Texas, and this Act shall be liberally construed in the enforcement of liens against said land, it being the intention of the Legislature that all sections and parts hereof are independent of each other, and if any section or part hereof be held unconstitutional such invalid section shall not affect the remaining sections or parts hereof.

#### Deposit and Use of Fees

Sec. 6. The examination fees provided for in Section 3 of this Act shall be deposited with the State Treasurer in a special fund to the credit of the Land Board created in Section 2 hereof. All such moneys so paid into the State Treasury are hereby specifically appropriated to said Land Board for the purpose of defraying the authorized and necessary expenses incident to the enforcement of this Act incurred by said Board in determining the identity of persons entitled to the benefits of this Act. The Comptroller shall, from time to time, upon requisition of the Commissioner of the General Land Office, draw warrants upon the State Treasurer for the amounts specified in such requisition, not exceeding, however, the amount of such fund on deposit at the time of the making of any requisition therefor. Any sum remaining in such fund after all expenses have been paid shall be transferred to the Permanent School Fund. The amount of money

accruing to the State of Texas as consideration for the sale of the land as provided for in Section 3 hereof shall be placed to the credit of the Permanent School Fund.

#### Determination by Board; Proclamation; Time for Application

Sec. 7. The Land Board, upon the passage of this Act, is authorized to determine when such lands are available for purchase, and said Board shall by proper proclamation give notice to all persons desiring to file an application to purchase said land, by causing such proclamation to be published once each week for two consecutive weeks in some newspaper of general circulation in each county in which any part of said lands may be located, and by filing a copy of such proclamation with the County Clerk of each such county. Applications to purchase such lands shall be filed with the Commissioner of the General Land Office within four months from and after the last publication, and if said claims are not filed within said time an additional filing fee of Ten (10¢) Cents per acre shall be required. No land shall be patented or sold under the provisions of this Act unless claimed and applied for within twelve months after the publication of said proclamation, and the proclamation shall so state.

**Art. 5341d. Extension of Leases on University Land; War Agency Restrictions**

Sec. 1. In the case of any non-producing oil, gas or mineral lease on University land, if one hundred twenty (120) days before expiration of the primary term there be in effect any restrictions issued by a Federal war agency prohibiting the drilling or completion of a well thereon, the holder of such lease shall have the right to negotiate an extension or

renewal of such lease for a period of not longer than two (2) years with the Board of Regents of the University of Texas and the Commissioner of the General Land Office.

The Board of Regents of the University of Texas and the Commissioner of the General Land Office, in considering an application for an extension or renewal of any such lease above described, shall take into consideration in establishing the consideration for such lease the diligence with which the lessee has followed his duties under the existing lease, the present value of the land upon which an extension or renewal of the lease is sought, and all other good business practices. The lessee in presenting his application for extension or renewal of such lease or leases shall present evidence to the Board of Regents of the University of Texas and to the Commissioner of the General Land Office showing it was impossible for him or any of his co-owners to comply with the restrictions which he claims prohibited the drilling or completion of the well on said tract.

If the lessee should claim as grounds for an extension or renewal of any such lease that there is insufficient acreage within the tract under lease by him to comply with the Federal restriction then no extension or renewal shall be granted unless said lessee also show that there is no adjacent and adjoining acreage to said tract wherein said applicant is a party in interest that could have been combined with the tract upon which the application for extension or renewal is made in order to comply with the Federal restriction.

#### Art. 5341e. Suspension of Running of Terms of Leases While Owner is Denied Access by United States

If the owner of any valid oil and gas lease granted by the State covering University lands is denied access to or is denied a permit to drill upon or produce from the leased premises by any duly constituted authority of the United States of America, after a bona fide attempt has been made by such owner to obtain access or permit to drill upon or produce from the leased premises, and denial of access as used herein shall include agreements by the lessee or his assigns under any such lease with a duly constituted authority of the United States not to enter upon and engage in drilling operations on any such oil and gas lease made under compulsion or threat of condemnation by such duly constituted authority of the United States, such owner may file with the Board for Lease of University Lands an application describing and giving the date of the action which deprives him of the right of access or the right to drill upon or produce from the premises, and if said Board is satisfied that the facts set forth in the application are true, the Board may enter an order upon its minutes suspending the running of both the primary and the principal term of such lease, or suspending any condition, obligation, or duty thereunder as of the date of the origin of the cause of suspension and during the existence of the cause of suspension, so long as the lessee continues to make on each anniversary date of such lease the annual rental payments stipulated in the lease during the period of suspension. Such oil and gas lease shall remain in status quo, and all obligations and conditions existing during such lease or such of them as may be suspended by said Board, shall be inoperative and of no force and effect, except the obligation to pay delay rentals as provided for herein, until ninety (90) days after the Board for Lease of University Lands shall enter an order upon its minutes reciting that the cause for suspension has ceased to exist, at which time such oil and gas lease shall, provided the rental payments have been made during the period of suspension, again become operative and all of the suspended obligations and conditions, including the payment of rentals under same, shall again attach and be in force, and in the case of the suspension of the primary and/or principal terms of the lease, the lease shall thereafter continue in force for a period equivalent to the unexpired term of the lease on the date or origin of the cause for suspension. The Commissioner of the General Land Office shall give notice immediately to the lessee of the entry of the order that the cause for suspension has ceased to exist; provided, however, that the annual rental payments have been met.

**Art. 5366a. Extension of Oil and Gas Leases on Areas Covered by Coastal Waters or Within Gulf**

Sec. 1. In each case in which an oil and gas mineral lease has heretofore been granted or may hereafter be granted by the State of Texas on an area covered by the coastal waters of the State or within the Gulf of Mexico and in which the War Department of the United States refuses to grant a permit to the lessee or owner of such lease to drill a well thereon for oil, gas or other minerals (the area included in such lease being within the navigable waters of the United States) and in the event the primary term of such lease should expire during the period of time in which the War Department of the United States may continue to refuse to issue such permit, then and in such event the primary term of such lease is hereby extended for successive periods of one (1) year from and after the end of the original primary term of such lease while and so long as the War Department may continue such refusal to issue to the lessee or to the owner of such lease a permit to drill for oil gas or other minerals, on the area covered thereby; provided, that in order to make such extensions effectual the lessee or the owner of such lease shall, during each of the annual periods during which the primary term of the lease is so extended, apply to and seek to obtain from the War Department a permit to drill a well for oil, gas or other minerals on the area covered by such lease and be unsuccessful in its attempts to obtain a permit, or, if successful in obtaining a permit, commence operations for drilling a well upon the leased premises within sixty (60) days after obtaining such permit; and provided further that the lessee or the owner of such lease continues to pay the annual renewal rentals at the rate provided for in such lease for the period of time involved in such extensions. Should such lease be so extended and should the War Department at any time while such lease is still in force and effect issue a permit to the lessee or to the owner of such lease to drill a well thereon for oil, gas or other minerals, such lease shall

continue in force and effect if the lessee commences drilling operations upon the leased premises within sixty (60) days after obtaining such permit, and so long as the lessee or the owner of such lease shall continue to conduct drilling or mining operations thereon, or if oil, gas or other mineral be discovered thereon by the lessee or the owner of such lease, so long as oil, gas or other mineral is produced from such leased premises. Should the production of oil, gas or other mineral on said leased premises after once secured, cease from any cause, such lease shall not terminate if the lessee or owner of such lease commences additional drilling, reworking or mining operations within thirty (30) days thereafter or if it be within the original primary term of such lease, commences or resumes the payment or tender of rental on or before the rental paying date, if any, next ensuing; but if there be no rental paying date next ensuing, the lease shall in no event terminate prior to the expiration of the primary term.

Sec. 2. The Commissioner of the General Land Office is hereby authorized to issue to the lessee or owner of said lease such instrument in writing in the nature of an extension of said lease as may be necessary or proper to carry into effect the foregoing provisions of this Act.

**Art. 5415e-2. Coastal Waterway Act of 1975**

**Short Title**

Sec. 1. This Act may be cited as the "Texas Coastal Waterway Act of 1975."

**Policy**

Sec. 2. It is the policy of the State of Texas (i) to support the marine commerce and economy of this state by providing for the shallow draft navigation of the state's coastal waters in an environmentally sound fashion, and (ii) to prevent waste of both publicly and privately owned natural resources, to prevent or minimize adverse impacts on the environment, and to maintain, preserve, and enhance wildlife and fisheries; and to accomplish such policy the State of Texas shall act as the nonfederal sponsor of the main channel of the Gulf Coast Intracoastal Waterway from the Sabine River to the Brownsville Ship Channel, and shall satisfy the responsibilities of the nonfederal sponsor as determined by federal law consistent with the policy of the State of Texas as declared in this section.

**Findings**

Sec. 3. The legislature finds and declares that:

(a) Marine commerce is a vital element of the state's economy and the benefits derived therefrom are realized directly or indirectly by the entire state.

(b) The coastal public lands and the coastal marshes and similar coastal areas located on both publicly and privately owned lands are similarly vital elements of the state's economy, and to the maintenance, preservation, and enhancement of the environment, wildlife, and fisheries, the benefits of which are similarly realized directly or indirectly by the entire state.

(c) The coastal public lands and related natural resources constitute a vital asset of the state to be managed for the benefit of all citizens of the State of Texas.

(d) The Gulf Intracoastal Waterway traverses coastal public lands and areas in close proximity to the coastal marshes and similar coastal areas located on both publicly and privately owned lands.

(e) The Gulf Intracoastal Waterway can be maintained, operated, and improved in such a way as to prevent waste of both publicly and privately owned natural resources, that adverse environmental impacts are avoided or minimized, and that in some cases beneficial environmental effects can be realized.

(f) It is in the best interest of all citizens to accomplish the policy of the State of Texas as stated

in Section 2 of this Act for the State of Texas to meet the responsibilities as required by federal law of the nonfederal sponsor of the Gulf Intracoastal Waterway.

**Definitions**

Sec. 4. As used in this chapter:

(a) "Coastal public lands" means all or any portion of the state-owned submerged land, the waters overlying those lands, and all state-owned islands or portions of islands that may be affected by the ebb and flow of the tide.

(b) "Coastal marshes and similar areas" means those soft, low-lying watery or wet lands and drainage areas in the coastal areas of the state which may or may not be subject to the ebb and flow of the tide but which are of ecological significance to the environment and to the maintenance, preservation, and enhancement of wildlife and fisheries.

(c) "Commission" means the State Highway Commission.

(d) "Gulf Intracoastal Waterway" means the main channel, not including tributaries or branches, of the shallow draft navigation channel running from the Sabine River southward along the Texas coast to the Brownsville Ship Channel near Port Isabel that is generally referred to as the Gulf Intracoastal Canal.

(e) "Person" means any individual, firm, partnership, association, corporation (public or private, profit or nonprofit), trust, or political subdivision or agency of the state.

**Administrative Provisions**

Sec. 5. (a) This Act shall be administered by the State Highway Commission.

(b) The provisions of this Act are cumulative of all other Acts relating to the commission.

(c) Nothing in this Act shall diminish the duties, powers, and authorities of the School Land Board to manage the coastal public lands of the state.

**Duties and Powers**

Sec. 6. (a) The commission shall cooperate and work with the Department of the Army, all other appropriate federal and state agencies, navigation districts and port authorities, counties, and other appropriate persons to determine specifically what must be done by the State of Texas to satisfy federal local sponsorship requirements relating to the Gulf Intracoastal Waterway in a manner consistent with the policy of the State of Texas as stated in Section 2 of this Act.

(b) The commission shall fulfill, in a manner consistent with the policy of the state as stated in Section 2 of this Act, the local sponsorship requirements of the Gulf Intracoastal Waterway as agent for the state.

(c) Subject to the provisions of Subsection (g) of this section, the commission is authorized to acquire by gift, purchase, or condemnation any property or interest in property of any kind or character deemed necessary by the commission to fulfill its responsibilities under this Act as the nonfederal sponsor of the Gulf Intracoastal Waterway, including but not limited to easements and rights-of-way for dredge material disposal sites and easements and rights-of-way for channel expansion, relocation, or alteration, save and except oil, gas, sulphur, and other minerals of any kind or character which can be recovered without utilizing the surface of any such land for exploration, drilling, or mining purposes. All other provisions relating to the exercise of the power of eminent domain shall be in accord with the commission's existing powers and authority relating to eminent domain. However, the commission does not have the authority to condemn any submerged public lands under the jurisdiction of the School Land Board.

(d) Proposed actions and actions of the commission pursuant to this Act which have potential for significant environmental impact or effect upon coastal public lands, coastal marshes and similar areas, wildlife, and fisheries shall be coordinated with appropriate state and federal agencies having environmental, wildlife, and fisheries responsibilities.

(e) All agencies and political subdivisions of the State of Texas shall, within their legal authority and available resources, assist the commission in carrying out the purposes of this Act. All such agencies and political subdivisions are hereby authorized without any form of advertisement to make conveyance of title or rights and easements, owned by any such body, to any property needed by the commission to meet its responsibilities under this Act as the nonfederal sponsor of the Gulf Intracoastal Waterway.

(f) The commission, in cooperation with all appropriate persons, shall continually evaluate the Gulf Intracoastal Waterway as it relates to Texas. Such evaluations shall include an assessment of the importance of the Gulf Intracoastal Waterway, including an identification of direct and indirect beneficiaries; identification of principal problems and possible solutions to such problems, including estimated costs, economic benefits, and environmental effects; evaluation of the need for significant modifications to the Gulf Intracoastal Waterway; and specific recommendations for legislative actions that the commission believes to be in the best interest of the state in carrying out the policy of the state as declared in Section 2 of this Act. The results of this evaluation shall be published in a report to be presented to each regular session of the legislature.

(g) Prior to approval or implementation by the commission of any plan or project for acquisition or acquisition of any property or interest in property for any dredge material disposal site, or for the

widening, relocation, or alteration of the main channel of the Gulf Intracoastal Waterway which requires the acquisition of any additional property or interest in property, to satisfy federal local sponsor requirements, the commission shall hold public hearings for the purpose of receiving evidence and testimony concerning the desirability of such proposed dredge material disposal site and of any such widening, relocation, or alteration of the main channel of the Gulf Intracoastal Waterway, prior to which hearing the commission shall publish notice of such plan, project, and hearing, at least once a week for three successive weeks in a newspaper of general circulation published in the county seat of each county in which any such proposed dredge material disposal site or part thereof is located and in which the channel or any portion of the channel of the Gulf Intracoastal Waterway to be widened, relocated, or altered is located, of the date, time, and place of such hearing. If after such public hearing the commission shall determine that such proposed dredge material site plan or project or such proposed plan or project for widening, relocation, or alteration of the main channel of the Gulf Intracoastal Waterway, as the case may be, can be accomplished without unjustifiable waste of publicly or privately owned natural resources and without permanent substantial adverse impact on the environment, wildlife, or fisheries, the commission may then, upon its approval of such plan or project, proceed to implement such plan or project and acquire, in such manner as is provided in Section 6(c) of this Act, such additional property or interest in property necessary to satisfy federal local sponsorship requirements for implementation of such plans for such dredge material site or for such widening, relocation, or alteration of the main channel of the Gulf Intracoastal Waterway.

The commissioner of the general land office is hereby designated the officer of the state charged with the administration, implementation, and coordination of the provisions of this Act relating to the determination by state or local agencies that such an application complies with state and local laws relating to environmental protection, land and water use, and coastal zone management.

**Determination of Compliance with State and Local Law**

Sec. 5. (a) Upon receipt of a copy of an application transmitted from the secretary of transportation pursuant to the federal Deepwater Port Act of 1974, 33 U.S.C.A. 1501 et seq., the governor shall immediately transmit a copy of the application to the commissioner of the general land office and to the Attorney General of Texas.

(b) If the governor determines that the application transmitted from the secretary of transportation is substantially similar to a previous application already reviewed under the terms of this Act, the governor may notify the secretary of transportation whether the governor approves or disapproves the application, and there shall be no further proceedings under this Act on such application.

(c) Within 15 days after the receipt of an application from the governor, the commissioner shall publish notice of the application in any official register of the State of Texas, in the newspaper of greatest general circulation in Travis County and in each of the five most populous counties in Texas, according to the latest United States census, and in a newspaper in the adjacent coastal county and in any county adjoining the adjacent coastal county in which such notice would not have otherwise been published under this subsection.

(d) Within 30 days after the receipt of an application from the governor, the attorney general shall determine and forward to the governor and to the commissioner a list of the state or local agencies which have jurisdiction to administer laws relating to environmental protection, land and water use, and coastal zone management, and also within

whose boundaries are located facilities constituting a deepwater port, as defined by Section 3(5) herein.

(e) Upon receipt of the list of state or local agencies prepared by the attorney general pursuant to Subsection (d) of this section, the commissioner shall immediately transmit a copy of the application to each such state or local agency for review and determination of whether the application complies with the laws or regulations administered by such state or local agency.

(f) The state or local agency shall report such determination to the commissioner in writing within 60 days after its receipt of a copy of the application from the commissioner.

(g) If any state or local agency reports to the commissioner that the application is not in compliance, such agency shall set forth in detail the manner in which the application does not comply with any law or regulation administered by the agency and shall report to the commissioner how the application can be brought into compliance with the law or regulation involved. A copy of such report shall be forwarded by the commissioner to the applicant, and the applicant shall be entitled to respond in writing to the state or local agency which issued such report and to request that a public hearing be held by the commissioner on the provisions of the application determined by the state or local agency not to comply with state or local law.

(h) The failure of a state or local agency to forward a determination report to the commissioner within the time period established in Subsection (f) of this section shall constitute a presumption that the application complies with the law or regulations administered by that agency.

(i) One copy of the application shall be filed in the general land office and in the office of the county judge of the adjacent coastal county for public inspection and shall be available to the public for inspection or duplication during normal business hours. A person requesting a copy of the application may be charged a reasonable fee for duplicating and mailing costs. The applicant may be charged a reasonable fee to cover the costs of reproducing and mailing copies of applications to state and local agencies, unless the applicant provides the number of copies required by such agencies.

#### Hearings on the Application

Sec. 6. (a) As provided in Section 5(f) of this Act, an applicant shall be entitled to a public hearing on the provisions in his application which have been determined by a state or local agency not to be in compliance with the laws which they have jurisdiction to administer.

(b) Upon receipt of a request from an applicant for such a hearing, the commissioner shall publish notice of such hearing as provided in Section 5(b) of this Act. The notice shall describe the purpose of

the hearing and the date, time, and place of the hearing. The date of the publication and of any personal notice of the hearing shall be not less than 10 days before the date set for the hearing.

(c) The commissioner may also hold a public hearing on the determination of compliance reports submitted to him by the state and local agencies. Notice of such hearing shall be given as provided by Subsection (b) of this section.

(d) The commissioner may consolidate any hearing held under this section with the hearing required by the federal Deepwater Port Act of 1974, 33 U.S.C.A. 1501 et seq., to be held in Texas by the secretary of transportation.

(e) All hearings on the application shall be concluded not later than 120 days after the date on which the commissioner received the application from the governor; provided, however, that the commissioner shall be entitled to hold a hearing after such 120 day period if the federal hearing required to be held in Texas has not been held and the commissioner has determined and given notice that a hearing provided for in this section will be held in conjunction with the federal hearing.

(f) Notwithstanding Subsection (e) of this section, the commissioner shall be required to comply with the date provided in Section 7(a) for transmitting his report to the governor.

#### Report to the Governor

Sec. 7. (a) Within 150 days after the receipt of an application from the governor, the land commissioner shall transmit to the governor a report in the form of a written summary of the determination of compliance reports submitted by any state or local agency, together with the transcript and testimony from any public hearing held by the commissioner or any joint hearing held in the state with the secretary of transportation.

(b) If the commissioner's report contains a determination by a state or local agency that the application does not comply with a law relating to environmental protection, land and water use, or coastal zone management, the commissioner shall include in his report the manner in which the application does not comply and how the application can be brought into compliance.

(c) The failure of the commissioner to transmit his summary report to the governor within the time period established in Subsection (a) of this section shall constitute a presumption that the application complies with state and local law.

#### Action on the Application by the Governor

Sec. 8. (a) Upon receipt of the report from the commissioner, and not later than 45 days after the last public hearing held on the application by the secretary of transportation pursuant to Section 5(g) of the federal Deepwater Port Act of 1974, 33 U.S.C.A. 1501 et seq., the governor shall notify the

secretary of transportation whether he approves or disapproves the application.

(b) If the governor concludes that the application does not comply with state laws relating to environmental protection, land and water use, and coastal zone management, he may disapprove the application. However, if he concludes that the application can be amended to comply with such laws, he may approve the application and shall notify the secretary of transportation of the manner in which the application does not comply and how the application can be brought into compliance with such laws.

(c) The governor shall transmit copies of his notification to the secretary, the applicant, the commissioner, and to the state and local agencies to whom were transmitted copies of the application by the commissioner pursuant to Section 5(d) herein.

Sec. 4. All leases for grazing purposes heretofore issued by the Commissioner of the General Land Office which are covered or partially covered by any easement or surface lease granted hereunder are hereby made subordinate to such easement or surface lease. If the lessee under any existing oil and gas lease heretofore granted by the State on any area affected by an easement or surface lease granted hereunder, shall file or cause to be filed in the General Land Office an agreement, subordinating to the easement or surface lease granted hereunder all rights held by such lessee under such oil and gas lease, then and in that event the running of both the primary and principal terms of such lease shall be suspended during the existence of such easement or lease; provided, however, that lessee continues the annual rental payment stipulated in the lease during such suspended period. Such oil and gas lease shall remain in status quo, and all

obligations, duties, rights and privileges existing under such lease shall be inoperative and of no force and effect until the expiration of said easement or surface lease, at which time said oil and gas lease shall again become operative and all of the obligations, duties, rights and privileges, including the payment of rentals under same, shall again attach and be in force as they were on the date of the suspension and continue for the unexpired term of such lease. The School Land Board shall give notice immediately to such lessees that their leases are again in force when said easement or surface lease has terminated; provided, however, that the annual rental payments have been met.

Sec. 5. All areas on which there now exists oil, gas, or other mineral production are specifically excluded from the terms of this Act.

**Art. 5421c-12. Publication of Notice of Intended Sale or Trade of Land by Political Subdivision**

**Sec. 1.** No land owned by a political subdivision of the State of Texas may be sold or exchanged for other land without first publishing in a newspaper of general circulation in the county where the land is located or in an adjoining county, if there is no such newspaper, a notice that the land is to be offered for sale or exchange to the general public, its description, its location and the procedures under which sealed bids to purchase the land or offers to trade for the land may be submitted. Notice shall be so given at least on two separate occasions and no sale or exchange shall be held less than 14 days after the last notice.

**Sec. 2.** Bid procedures and publication requirements as set forth in Section 1 of this Article shall not be applicable in the sale or disposal of real property interests belonging to a political subdivision in the following circumstances:

(a) Narrow strips of land, or land so shaped or so small as to be incapable of being used independently as zoned or under applicable subdivision or other development control ordinances, in which event such land may be sold to the abutting property owner or owners in proportion to their abutting ownership, such division between owners to be made in an equitable manner.

(b) Streets or alleys, whether owned in fee or used by easement, in which event such land or interest may be sold to the abutting owner or owners in proportion to their abutting ownership, such division between owners to be made in an equitable manner.

(c) All types of easements where the abutting property owner or owners also own the underlying fee simple title, in which event such land or interest may be sold to the abutting property owner or owners in proportion to their abutting ownership, such division between owners to be made in an equitable manner.

(d) Any land or interest therein which was originally acquired for the purpose of streets, rights-of-way or easements which the political subdivision chooses to trade or exchange as consideration for other land acquired for streets, rights-of-way or easements, including transactions which may be partly for cash and partly by trade or exchange.

(e) Land owned by a political subdivision which it desires to have developed by contract with an independent foundation.

**Sec. 3.** Nothing in this Act shall require the governing body of any such political subdivision to accept any bid or offer or be required to consummate any sale or trade and does not apply to lands in the Permanent School Fund that are authorized by Legislative Act to be exchanged or traded for other lands of at least equal value.

Sec. 4. Any conveyance, sale or trade made under the exemptions set forth in Section 2, shall never be for less than the fair market value of the land or interest being conveyed, sold, or traded, as determined by an appraisal obtained by the political subdivision, which shall be conclusive of the fair market value thereof.

#### Art. 5421c-13. Trade of Interests in Public Free School Fund Lands

##### Authority

Sec. 1. (a) The School Land Board in conjunction with the General Land Office is authorized to trade fee and lesser interests in Public Free School Fund Lands for fee and lesser interests in lands not dedicated to the Public Free School Fund upon a decision by the School Land Board and the Commissioner of the General Land Office that such trade or trades are in the best public interest of the People of Texas. Such trade or trades may be made either for the purpose of aggregating sufficient acreage of contiguous lands to create a manageable unit; for acquiring lands having unique biological, geological, cultural, or recreational value; or to create a buffer zone for the enhancement of already existing public land, facilities, or amenities. Such trades shall be on an appraised value basis (such appraisal to be made by appraisers of the General Land Office and concurred in by the School Land Board, and such appraisal shall be conclusive proof of the value of the land). The trades shall be for land of at least equal value. Such trades shall be by a deed to be signed jointly by the Commissioner of the General Land Office and the Governor. Failure of the Governor to sign such a deed constitutes his veto of the proposed trade, and the proposed trade shall not be made.

(b) All lands acquired by trade under the authority of this Act shall be dedicated to the Public Free School Fund.

##### Subsurface Mineral Rights

Sec. 1A. If the State of Texas retains the subsurface mineral rights to all oil, gas, and other minerals in public free school fund land traded under Section 1 of this Act, an unrestricted right of ingress to and egress from the land by the state and its lessees shall be retained for the purpose of exploration, development, and production of the oil, gas, and other minerals to which rights are retained by the state. The state is entitled to lease the subsurface mineral rights retained under this sec-

tion in the same manner and under the same conditions as subsurface mineral rights in permanent school fund land in which the state owns the surface title and the subsurface mineral rights. A lessee of the subsurface mineral rights retained under this section is liable to the owner of the land for actual damages to the land that may occur as a result of exploration for and development and production of the oil, gas, and other minerals to which rights are retained under this section. Notwithstanding anything to the contrary in this article, the School Land Board, in order to consummate a trade of equal value, is given the discretionary right to convey the surface estate and to reserve all the oil, gas, and other minerals with the surface owner acting as agent for the state under what is commonly known as the Relinquishment Act,<sup>1</sup> thereby receiving one-half the bonus, rental, and royalty as agent for the state in leasing the land and for surface damages in the leasing of oil and gas. The surface owner shall also receive 40 percent of the bonus, rental, and royalty for leasing and as compensation for surface damages for all leases negotiated by such agent covering sulphur, coal, lignite, uranium, and potash as set out under Chapter 16, Acts of the 62nd Legislature, Regular Session, 1967, as amended (Article 5421c-10, Vernon's Texas Civil Statutes).<sup>2</sup>

##### Accountability

Sec. 2. In the event any such trade or trades be made, the School Land Board shall report each trade to the succeeding legislature, setting out such facts as warranted the trade or trades.

##### Expiration

Sec. 3. The authority granted by this Act to trade Public Free School Fund Lands shall expire on December 31, 1982, and no trades shall be made after that date.

##### Repealer

Sec. 4. All other laws or parts of laws in conflict with this Act are repealed to the extent of the conflict.

##### Severability

Sec. 5. The provisions of this Act are severable. If any word, phrase, clause, sentence, section, provisions, or part of this Act should be held to be invalid or unconstitutional, it shall not affect the validity of the remaining portions, and it is hereby declared to be the legislative intent that this Act would have been passed as to the remaining portions, regardless of the invalidity of any part.

**Art. 5421c-14. Sale of Surplus Real Property by Independent School Districts****Definitions**

Sec. 1. In this Act:

(a) "District" means any independent school district functioning under the Texas Education Code.

(b) "Board" means the governing body of a district.

(c) "Real property" means land and all buildings and fixtures permanently attached thereto, and any interest therein.

(d) "Bonds" means bonds, notes, contracts, and any other evidences of an obligation to pay a sum of money.

**Sale of Real Property; Requirements**

Sec. 2. The board of a district may sell real property owned by the district and issue revenue bonds payable from the proceeds of the sale subject to the following requirements:

(a) The board must find and determine by order duly passed that the real property is surplus to, and not required for, the then current needs of the district for educational purposes, and the proceeds from the sale are required and will be used for (i) the construction and/or equipment of school buildings in the district and/or the purchase of any necessary sites therefor, and/or (ii) for the payment of principal of, and interest and premium on, any bonds issued pursuant to this Act.

(b) The real property may be sold for such price and upon such terms and conditions as are found and determined by order duly passed by the board to be most advantageous to the district, and the sale may be made pursuant to an installment sale agreement or contract or any other method; provided, however, that the sale must be for cash and all payments for the real property must be scheduled to be paid not more than 10 years after the date of execution of the agreement or contract of sale, and no real property shall be sold for less than an aggregate price equal its fair market value as determined by an appraisal obtained by the district not more than 180 days prior to the publication of the notice required by Section 2(c)(iii) of this Act, which appraisal shall be conclusive of the fair market value thereof for the purposes of this Act.

(c) Prior to selling or executing any agreement or contract for the sale of the real property the board shall comply with the procedures as follows:

(i) determine which real estate is proposed to be sold;

(ii) determine the scope of the terms and conditions upon which it will consider selling the real property, and, if the sale price is to be paid in installments, require the purchasers of the real property to secure the payment of the sale price by escrowing collateral acceptable to the board such as a letter of credit, United States government bonds, or any other generally recognized form of guarantee or security;

(iii) publish a notice to prospective purchasers at least two weeks prior to the date set for receiving proposals in a real estate journal and in at least two newspapers of general circulation in the district, requesting sealed written proposals from prospective purchasers to purchase the real property, such notice to include the scope of the terms and conditions of sale which will be considered, and the time, date, and place where the proposals will be received; and

(iv) find and determine by order duly passed by the board which sealed written proposal is most advantageous to the district, and accept such proposal, or reject all proposals if deemed advisable.

(d) Prior to selling the real property, such sale shall have been approved by a majority of the qualified voters of the district voting at an election held in the district at which a proposition to ascertain such approval is submitted; provided, however, that no such election shall be required if the board finds and determines by order duly passed that the proceeds from the sale of the real property are required and will be used (i) for the construction and/or equipment of, or (ii) for the payment or principal of, and interest and premium, if any, on bonds issued pursuant to this Act for the purpose of construction and/or equipment of, a school building or school buildings which is or are to be constructed pursuant to or in accordance with an order or judgment entered by a United States District Judge in any action or cause in which the district is a party.

**Nonapplicability of Laws Pertaining to Sale of Public Property**

Sec. 3. The provisions and requirements of Chapter 455, Acts of the 61st Legislature, Regular Session, 1969 (Article 5421c-12, Vernon's Texas Civil Statutes), and Chapter 276, Acts of the 61st Legislature, Regular Session, 1969 (Article 5421g, Vernon's Texas Civil Statutes), and all other general laws affecting or pertaining to the sale of public property, shall not apply to sales of real property pursuant to this Act.

**Contracts; Authority and Terms**

Sec. 4. The district is authorized to execute contracts for the construction and/or equipment of school buildings in the district and/or the purchase of any necessary sites therefor in the manner provided by law, provided that if any such contract recites that payments thereunder are to be made either from (i) the proceeds from the sale of real property under an installment sale agreement or

any similar method pursuant to this Act, or (ii) from proceeds from the sale of bonds issued pursuant to this Act, then such contract may be made payable in installments to correspond with the receipt by the district either of (i) proceeds under any such sale agreement, or (ii) proceeds from the sale of any such bonds which are to be issued and delivered in more than one issue, series, or installment; and the contract shall not be deemed to constitute a prohibited debt or indebtedness of the district if the payments thereunder are required to be made solely from the proceeds from such sale of real property or such bonds.

#### Bonds; Requirements

Sec. 5. In addition to the foregoing powers granted and authorized by this Act, any board, for and on behalf of its district, may, at its option, issue, sell, and deliver revenue bonds of its district from time to time and in one or more issues, series, or installments, with the principal of, and interest and premium, if any, on such bonds, to be payable from and secured by liens on and pledges of all or any part of any of the revenue, income, payments, or receipts derived by the district from the sale of real property pursuant to this Act, and such amounts may be pledged by the district to the payee of the principal of, and interest and premium, if any, on such bonds, subject to the following requirements:

(a) Bonds must be issued by an order duly passed by the board (a "bond order").

(b) The bonds must be issued for the purpose of the construction and/or equipment of school buildings in the district and/or the purchase of any necessary sites therefor.

(c) The bonds shall mature, come due, or be payable serially, in installments, or otherwise, within not to exceed 90 days after the last date upon which the final payment is due to the district from the sale of the real property, and provisions may be made in the bond order for the subsequent issuance of additional parity bonds, or subordinate lien bonds, under any terms or conditions that may be set forth in the bond order.

(d) The bonds may be executed, made redeemable prior to maturity or due date, be issued in such form, denominations, and manner, and under such terms, conditions, and details, and may be sold in such manner, at such price, and under such terms, and the bonds may bear interest at such rates, all as shall be determined and provided in the bond order.

(e) If so provided in any bond order the proceeds from the sale of the bonds may be used for paying interest on the bonds during the period of construction and/or equipment of any school buildings to be provided through the issuance of the bonds, or for creating a reserve fund for the payment of principal and interest on the bonds, and such proceeds may be placed on time deposit, in certificates of deposit, or invested, until needed, all to the extent, and in

the manner provided, in any bond order, and such proceeds also may be used for paying the costs and expenses of issuing the bonds and selling the real property.

(f) The bonds shall be payable only from the revenues described above, and shall not be payable or paid from any taxes levied and collected in the district.

(g) Chapter 503, Acts of the 54th Legislature, Regular Session, 1955 (Article 717k, Vernon's Texas Civil Statutes) (and particularly Section 7A thereof), with respect to refunding, Chapter 3, Acts of the 61st Legislature, Regular Session, 1969 (Article 717k-2, Vernon's Texas Civil Statutes), with respect to interest rates, and Chapter 845, Acts of the 67th Legislature, Regular Session, 1981 (Article 717k-6, Vernon's Texas Civil Statutes), with respect to bond procedures, all being statutes of general application to all bonds, shall be applicable to bonds issues pursuant to this Act.

(h) If bonds are issued pursuant to this Act, such bonds, along with the appropriate proceedings authorizing their issuance, and the sale agreement the proceeds from which they are payable, shall be submitted to the attorney general of Texas for examination. If he finds that the bonds have been authorized, and such sale agreement has been executed, in accordance with law, he shall approve the bonds and the sale agreement, and thereupon the bonds shall be registered by the comptroller of public accounts of Texas, and after such approval and registration such bonds and sale agreement shall be valid, binding, and enforceable obligations in accordance with their terms and provisions for all purposes, and they shall be incontestable in any court or other forum for any reason. It is specifically provided, however, that if, after the initial issuance of any bonds under this Act payable from the proceeds of a particular sale agreement, one or more subsequent issues, series, or installments of bonds are issued as additional parity bonds, on a parity with such initial bonds and payable from the proceeds of that sale agreement, then, at the option of the board, such subsequent issues, series, or installments of bonds need not be submitted to the attorney general or approved by him, or registered by the comptroller of public accounts, and such subsequent bonds shall, upon delivery thereof and payment therefor, be valid, binding, enforceable, and incontestable in the same manner and with the same effect as if they had been approved by the attorney general and registered by the comptroller of public accounts as were the initial bonds.

#### Liberal Construction

Sec. 6. This Act shall be construed liberally to effectuate the legislative intent and the purposes of the Act, and all powers herein granted shall be broadly interpreted to effectuate such intent and purposes and not as a limitation of powers.

**Sale of Property and Issuance of Bonds Under  
Other Law; Nonrestriction**

Sec. 7. This Act does not restrict the power of a school district to sell property or issue bonds as provided by other law.

[Acts 1983, 68th Leg., p. 5201, ch. 948, §§ 1 to 7, eff. June 19, 1983.]

Section 8 of the 1983 Act provides:

"In case any one or more of the sections, provisions, clauses, or words of this Act or the application of such sections, provisions, clauses, or words to any situation or circumstance shall for any reason be held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect any other sections, provisions, clauses, or words of the Act or the application of such sections, provisions, clauses, or words to any other situation or circumstance, and it is intended that the Act shall be severable and shall be construed and applied as if any such invalid or unconstitutional section, provision, clause, or word had not been included herein."

**Art. 5421d. Patents to Lands Formerly Claimed  
as in New Mexico**

Sec. 1. That the Commissioner of the General Land Office is authorized and requested to prepare and issue, and the Governor is authorized to execute and deliver, patents for the lands and accretions thereto, heretofore claimed by New Mexico to be in that state, but determined by the Supreme Court of the United States by Decree entered April 9, 1928 (New Mexico against Texas, 276 U.S. 556) to be in Texas, to the persons who, on April 9, 1928, were in actual bona fide possession of said lands and claiming title to such lands under patent from the United States.

Sec. 2. In order to receive a patent under this Act, the person desiring such patent shall first make written application to the Commissioner of the General Land Office, describing the land for which a patent is sought and shall show in such application the facts necessary under this Act to entitle applicant to a patent hereunder, and the applicant shall verify the allegations in the application by any accompanying Affidavit, stating that such allegations are true to the best of the knowledge and belief of the applicant, and it shall be necessary that any such application be filed in the office of the Commissioner of the General Land Office within five (5) years from the date upon which this Act goes into effect, and the applicant shall, upon filing said application, deposit with the Commissioner of the General Land Office One Dollar (\$1.00) for each acre or fractional part of an acre in the land covered by the application, which shall constitute the purchase price for said land, and upon the delivery of any patent to any person under this Act, the purchase price shall be applied to the Public School Fund of the State of Texas.

Sec. 3. It is further provided that any land acquired by the patent issued under this Act shall be subject to the same liens other than liens for taxes and water and like quasi public charges that would have been against such land had it been in New Mexico.

Sec. 4. It is provided that patents issued under this Act shall be merely quitclaims, and the title conveyed by such patents shall be subject to any prior conveyances by this State, and the patents shall so read.

Sec. 5. As used in this Act, the term "person" applies to and includes an individual, corporation, partnership, or association.

Sec. 3.02. A statute is presumed to be prospective in its operation unless expressly made retrospective.

(b) If the penalty, forfeiture, or punishment for any offense is reduced by a reenactment, revision, or amendment of a statute, the penalty, forfeiture, or punishment (if not already imposed) shall be imposed according to the statute as amended.

(c) The repeal of a statute by a code does not affect an amendment, revision, or reenactment of the statute by the same legislature which enacted the code. The amendment, revision, or reenactment is preserved and given effect as part of the code provision which revised the statute so amended, revised, or reenacted.

(d) If any provision of a code conflicts with a statute enacted by the same legislature which enacted the code, the statute controls.

The Legislature feels that the functions of government must be conducted on a full-time basis, and it is the purpose of this Act to authorize the committees and other instrumentalities of the Legislature to continue their work and carry on their responsibilities with some degree of continuity whether or not the Legislature is convened in formal Session.

##### Selection of Committees

Sec. 4. Each House of the Legislature shall have authority, by adoption of its Rules of Procedure or by Simple Resolution, to determine the number, composition, function, membership, and authority of its committees, and the two Houses acting together by Concurrent Resolution shall have similar authority with respect to committees created jointly by the two Houses.

##### Function of Standing Committees

Sec. 5. Standing committees of each House of the Legislature shall be and they are hereby charged with the duty and responsibility of formulating legislative programs, initiating legislation, and making inquiry into the administration and execution of all laws pertaining to the matters within the jurisdiction of such committee. Each standing committee shall make a continuing study of the matters under its jurisdiction, as well as the instru-

mentalities of government administering or executing such matters, and shall conduct such investigations as the committee deems necessary to supply it with adequate information and material to discharge its responsibilities. To the extent that each standing committee shall deem it necessary and desirable, it shall draft legislation within the area of its jurisdiction and shall recommend such legislation to whichever House of the Legislature such committee is a part. It shall be the duty of the Chairman of each standing committee to introduce, or cause to be introduced, the legislative programs developed by such committee and to mobilize the efforts of such committee to secure the enactment into law of the proposals of such committee. No standing committee of either House of the Legislature shall be confined in its legislative endeavors to bills, Resolutions or proposals submitted to it by individual Members of the Legislature, but each standing committee shall have full authority and responsibility to seek out problems within its area of jurisdiction and to develop, formulate, initiate and secure passage of legislative programs which the committee deems desirable in its approach to such problems.

##### Meetings of Standing Committees

Sec. 6. To the extent practicable when the Legislature is in session, each standing committee shall conduct regular committee meetings in accordance with the Rules of Procedure and other requirements of its respective House of the Legislature. Each standing committee shall meet at such other times as may be determined by the committee. When the Legislature is not in session, to the extent authorized by the respective Houses by Resolution, each committee shall have full power and authority to determine the times and places it shall meet. Each committee shall meet as often as necessary to transact effectively the business of such committee. Unless otherwise determined by the committee, all committee meetings shall be in Austin, but such committee may meet elsewhere within the State of Texas if authorized by Resolution of the House creating such committee and if deemed necessary by the committee for the orderly transaction of its business.

##### Special Committees

Sec. 7. Each House of the Legislature acting individually, or the two Houses acting jointly, shall have full power and authority to provide for the creation of special committees to perform such functions and to exercise such powers and responsibilities as shall be determined in the Resolution creating such committee. During the life of a special committee, it shall have and exercise the same powers and authority as are herein granted to standing committees, subject to such limitations as may be imposed in the Resolution creating such special committee, and shall have such other and additional powers and authority as may be delegated to it by the Resolution creating the committee, subject to the limitations of law.

#### Legislative Consideration

Sec. 1.16. (a) No more than one state agency and its functions and advisory committees may be considered for continuation, transfer, or modification in a bill, except that when consolidation of agencies or advisory committees or their functions is proposed, only the agencies or advisory committees involved in the consolidation may be considered in a legislative bill.

(b) In a bill to continue a state agency, to transfer its functions, or to consolidate it with another agency, the affected agency or agencies shall be mentioned in the title of the bill.

#### After Termination

Sec. 1.17. (a) On abolishment in the odd-numbered year, each state agency may continue in existence until September 1 of the next succeeding year for the purpose of concluding its business. Unless otherwise provided by law abolishment does not

reduce or otherwise limit the powers or authority of each respective state agency during such concluding year. Upon the expiration of the one-year period after abolishment each respective state agency is terminated and shall cease all activities.

(b) Any unobligated and unexpended appropriations of a state agency or advisory committee lapse on September 1 of the even-numbered year after abolishment of the agency or advisory committee.

(c) All money in a dedicated fund of an abolished state agency or advisory committee on September 1 of the even-numbered year after abolishment of the agency or advisory committee is transferred to the General Revenue Fund, except as provided in subsection (f) of this section and as otherwise provided by law. The part of the law dedicating the money to a specific fund of an abolished agency becomes void on September 1 of the even-numbered year after abolishment of the agency.

(d) If an abolished state agency or advisory committee is funded in the General Appropriations Act for both years of the biennium, the abolished agency or advisory committee may not spend or obligate any of the money appropriated to it for the second year of the biennium, unless otherwise provided by law or rider in the appropriations bill.

(e) Property and records in the custody of a state agency or advisory committee on September 1 of the even-numbered year after abolishment of the agency or advisory committee are transferred to the State Board of Control, except that where an appropriate state agency is designated by the governor pursuant to Subsection (f) of this section, the property and records are transferred to the state agency so designated.

(f) The legislature recognizes the state's continuing obligation to pay bonded indebtedness incurred by any agency abolished by the terms of this Act, and it is not the intention of this Act to impair or impede the payment of bonded indebtedness in accordance with its terms. If an abolished state agency has remaining outstanding bonded indebtedness, the bonds remain valid and enforceable in accordance with their terms and subject to all applicable terms and conditions of the laws and proceedings authorizing the bonds, notwithstanding the abolishment of the agency that issued the bonds. The governor shall designate an appropriate state agency, which shall continue to carry out all covenants contained in the bonds and the proceedings authorizing them, including the issuance of bonds to complete the construction of projects, and shall provide payment from the sources of payment of the bonds in accordance with the terms of the bonds, whether from taxes, revenues, or otherwise, until the bonds and interest on the bonds are paid in full. All funds established by laws or proceedings authorizing the bonds shall remain with the State Treasurer or previously designated trustees, if so provided in the proceedings; if not so provided, the funds shall be transferred to the designated state agency.

**Subpoena Power**

Sec. 1.18. The commission may issue process to witnesses at any place in the state and compel their attendance and the production of books, records, papers, and other objects that may be necessary or proper for the purposes of the committee proceedings. The commission may issue attachments when necessary to obtain compliance with subpoenas or other process, which may be addressed to and served by any peace officer in this state. The chairman of the commission shall issue, in the name of the commission, the subpoenas that a majority of the commission may direct. In the event the chairman is absent, the designee of the chairman is authorized to issue subpoenas or any other process in the same manner as the chairman. Witnesses attending proceedings of the commission under process are entitled to the same mileage and per diem as allowed witnesses before a grand jury in this state. The testimony taken under subpoena must be reduced to writing and must be given under oath subject to the penalties of perjury.

**Assistance of and Access to State Agencies**

Sec. 1.19. (a) The commission may request the assistance of state agencies and officers, and they shall assist the commission when requested to do so.

(b) In carrying out their functions under this Act, the commission or its designated staff member may inspect the records, documents, and files of any state agency.

**Relocation of Employees**

**Saving Clause**

Sec. 1.21. Except as otherwise expressly provided, abolition of a state agency does not affect rights and duties that matured, penalties that were incurred, civil or criminal liabilities that arose, or proceedings that were begun before the effective date of the abolition.

### Art. 5429n. Adjustment of State Fees in General Appropriations Act

#### Legislative Finding and Intent

Sec. 1. (a) The legislature finds that, to ensure the efficient operation of state agencies and institutions of higher education and to allow for the assessment of fees adequate to reimburse the state for the costs of state services and regulatory functions, it will be in the public interest to provide for the adjustment of state fees by the legislature within the General Appropriations Act. It is the intent of the legislature that fees be adjusted biennially within the General Appropriations Act in a manner which provides for the recovery of any increased costs to the state resulting from the performance of services and functions for which a fee is levied. It is the intent of the legislature that, to the extent that senate and house rules allow, each substantive committee shall retain jurisdiction over any adjustment in fees as part of the appropriations process.

(b) Any increase in the amount of a fee made pursuant to this Act shall be for the purpose of recovering, on an annual basis, the costs to the state agency or institution of higher education increasing the fee. Where fee amounts are increased on a percentage basis, fee amounts may be rounded to the nearest whole dollar.

#### Application of Act

Sec. 2. This Act applies to all fees not set by the Constitution of the State of Texas, but shall not apply to fees that are dedicated to pay bonded indebtedness. The General Appropriations Act may not specify the amount of a fee unless imposition of that fee is authorized by general law. This Act does not apply to tuition charged by institutions of higher education.<sup>1</sup>

#### Amount of Fee

Sec. 3. (a) The amount of a fee, as covered in this Act, is the amount specified for that fee in the General Appropriations Act, however, for the fiscal years beginning September 1, 1983, and September 1, 1984, the amount of a fee specified in the General Appropriations Act shall not exceed by more than 100 percent the maximum amount of the fee set in general law. Subsequent to August 31, 1985, fee adjustments authorized through the General Appropriations Act shall be for the purpose of offsetting inflationary impacts. If a board of regents has the authority to establish a fee that falls within a statutory range, the amounts set under this Act shall constitute only the maximum amount for those fees.

(b) A law that specifies the amount of a fee subject to this Act is suspended to the extent that it

conflicts with the amount of the fee specified in the General Appropriations Act.

(c) If the General Appropriations Act does not specify the amount of the fee, the fee is the amount specified by law.

**Institutions of Higher Education; Fee  
Increases; Hearings**

Sec. 4. There will be no increase in fees at institutions of higher education unless a public hearing is held on the increase.

[Acts 1983, 68th Leg., p. 4676, ch. 815, eff. Aug. 29, 1983.]

Sec. 2. In this Act:

(1) "Attack" means any action or series of actions taken by an enemy of the United States resulting in substantial damage or injury to persons or property in this state whether through sabotage, bombs, missiles, shellfire, or atomic, radiological, chemical, bacteriological, or biological means or other weapons or methods.

(2) "Unavailable" means dead or unable for physical, mental, or legal reasons, to exercise the powers and discharge the duties of a legislator, whether or not the absence or inability would give rise to a vacancy under existing constitutional or statutory provisions.

**Designation of Emergency Interim Successors by  
Employees Retirement System of Texas**

Sec. 3. (a) For the purpose of designating emergency interim successors to legislators, the executive director of the Employees Retirement System of Texas shall submit to the lieutenant governor, if possible, the names of not less than three nor more than seven persons residing in each state senatorial district who:

(1) are members or retirees of the Employees Retirement System of Texas; and

(2) previously served as senators in the Texas Senate.

(b) The executive director of the Employees Retirement System of Texas shall submit to the speaker of the house of representatives, if possible, the names of not less than three nor more than seven persons residing in each state representative district who:

(1) are members or retirees of the Employees Retirement System of Texas; and

(2) previously served as representatives in the Texas House of Representatives.

(c) If the executive director of the Employees Retirement System of Texas submits less than seven names for a senatorial or representative district, the secretary of the senate or the chief clerk of the house shall submit to the lieutenant governor or the speaker, as appropriate, the names of former members living in the district. The lieutenant governor or the speaker shall rank the persons for each district according to years of service in the legislature, and shall add the names of persons with the most service to the list so that seven persons are designated, if possible.

(d) The list prepared for each senatorial and representative district shall rank the designees in descending order according to the number of years served in one house.

(e) The lieutenant governor and the speaker of the house shall contact each designee on their respective lists to determine if that person is willing to serve as an emergency interim successor if the legislator representing the district in which that person resides becomes unavailable to serve as provided by this Act. If a person is eligible to be included on both a senate and house of representatives list, the person must choose one list on which his name will remain.

(f) Each person contacted under Subsection (e) of this section who agrees to serve shall submit a written acceptance to the lieutenant governor or speaker of the house, as appropriate.

(g) The lieutenant governor and the speaker of the house shall submit to the secretary of state a list for each district in the order provided by Subsection (d) of this section of persons who have agreed to serve as emergency interim successors.

(h) Annually, the executive director of the Employees Retirement System of Texas, in cooperation with the secretary of the senate and the chief clerk of the house of representatives, shall review the lists submitted to the secretary of state to ensure that there are at least seven qualified emergency interim successors for each legislator, if possible. If revisions are necessary because of the death of a member or retiree of the system, because the member or retiree no longer resides in the district he was designated to represent, or because of the addition of more names, the executive director shall submit the revisions to the lieutenant governor or speaker of the house, as appropriate. The lieutenant governor and speaker of the house shall contact the new designees and, after receiving their written acceptance, shall submit the revisions to the secretary of state.

**Designation of Emergency Interim Successors  
by Legislator**

Sec. 4. (a) For the purpose of designating emergency interim successors, each legislator shall designate not less than three nor more than seven

persons to serve as emergency interim successors if the legislator becomes unavailable to serve as provided by this Act. Each person designated must be from the same political party as that legislator, must meet age and residence requirements for a senator or representative, as applicable, and must submit a written acceptance to the legislator.

(b) Each legislator shall submit a list of designees who have accepted, ranked in order of succession, to the secretary of state.

(c) Annually, each legislator shall review the lists submitted by him to the secretary of state to ensure that there are at least three qualified emergency interim successors. Each legislator shall make revisions to the list as necessary.

(d) If a legislator fails to designate emergency interim successors as required by this section, the lieutenant governor or speaker of the house, as appropriate, shall designate in order of succession not less than three nor more than seven persons to serve as emergency interim successors if that legislator becomes unavailable, and shall submit the list to the secretary of state.

(e) A list prepared for a district under this section is an alternate list to be used only if there are no designees on the list prepared under Section 3 of this Act or if those designees are unavailable.

#### Recording

Sec. 5. (a) Each designation of emergency interim successors becomes effective when the person making the designation files the successor's name, address, and written acceptance with the secretary of state.

(b) The removal of an emergency interim successor or a change in the order of succession becomes effective when a person authorized to make the change files that information with the secretary of state.

(c) Information filed under this section is public information.

#### Status and Qualifications of Emergency Interim Successors

Sec. 6. (a) An emergency interim successor is a person who is designated for possible temporary succession to the powers and duties, but not the office, of a legislator.

(b) A person may not be designated or serve as an emergency interim successor unless that person is legally qualified to hold the office of the legislator to whose powers and duties the person is designated to succeed.

#### Oath

Sec. 7. When the designation of an emergency interim successor becomes effective, the successor shall take the oath required for the legislator to whose powers and duties the successor is designated to succeed, and no other oath is required.

#### Assumption of Powers and Duties

Sec. 8. (a) If in the event of attack a legislator is unavailable, the secretary of state shall notify the legislator's emergency interim successor highest in order of succession who is not unavailable. The secretary of state shall inform each emergency interim successor of the place at which the legislature will meet, as soon as that is known, and shall also inform each of them of the date and time at which each must appear.

(b) The emergency interim successor shall exercise the powers and assume the duties of the legislator whom he succeeds, except that the successor may not designate emergency interim successors for himself.

(c) The emergency interim successor exercises those powers and assumes those duties until notified by the secretary of state that the incumbent legislator, an emergency interim successor higher in order of succession, or a legislator elected and legally qualified can act.

#### Privileges, Immunities, and Compensation

Sec. 9. (a) An emergency interim successor who exercises the powers and assumes the duties of an unavailable legislator is entitled to the privileges, immunities, compensation, and other allowances to which a legislator is entitled.

(b) This section does not affect the privileges, immunities, compensation, or other allowances to which an incumbent legislator is entitled.

(c) An emergency interim successor's performance of the powers and duties of an unavailable legislator does not affect the successor's entitlement to other compensation or benefits to which the successor might otherwise be entitled. Section 22-203(d), Title 110B, Revised Statutes, does not apply to a person serving as an emergency interim successor under this Act.

#### Duty to Remain Informed

Sec. 10. Each emergency interim successor shall keep himself generally informed as to the duties, procedures, practices, and current business of the legislature, and each legislator shall assist his emergency interim successors to keep themselves informed.

#### Quorum; Votes

Sec. 11. In the event of an attack, the quorum requirements imposed on the legislature are suspended. If the affirmative vote of a specified proportion of members is required to approve a bill or resolution, the same proportion of those present and voting on the bill or resolution is sufficient for its passage.

**Effective Date**

Sec. 12. This Act takes effect January 1, 1984, except that if the constitutional amendment proposed by H.J.R. No. 30, 68th Legislature, 1983, is not adopted by the voters, this Act has no effect. [Acts 1983, 68th Leg., p. 4841, ch. 854, eff. Jan. 1, 1984.]

Acts 1983, 68th Leg., p. 6715, H.J.R. No. 30, was adopted by vote of the people at an election held November 8, 1983.
