#### Art. 4419e. Blind and Otherwise Handicapped Persons; Use of Public Facilities

##### Policy

Sec. 1. The policy of the State of Texas is to encourage and enable persons who are blind or otherwise physically handicapped to achieve maximum personal independence, to become gainfully employed, and to otherwise fully enjoy and use all public facilities available within the state.

##### Definitions

Sec. 2. (a) In this Act, unless the context requires a different definition,

(1) "White cane" means a cane or walking stick which is metallic or white in color or white tipped with some contrasting color, and which is carried by a blind person to assist the blind person in travelling from place to place.

(2) "Dog guide" means a dog which:

(A) is fitted with a special harness so as to be suitable as an aid to the mobility of a blind person,

(B) is used by a blind person who has satisfactorily completed a specific course of training in the use of a dog as an aid to personal travel, and

(C) has been trained by an organization generally recognized by agencies involved in the rehabilitation of the blind as reputable and competent to provide dogs with training of this type;

(3) "Public facilities" include streets, highways, sidewalks, walkways, all com-

mon carriers, airplanes, motor vehicles, railroad trains, motor buses, street cars, boats or any other public conveyances or modes of transportation, hotels, motels or other places of lodging, public buildings maintained by any unit or subdivision of government, buildings to which the general public is invited, college dormitories and other educational facilities, restaurants or other places where food is offered for sale to the public, and all other places of public accommodation, amusement, convenience or resort to which the general public or any classification of persons from the general public is regularly, normally or customarily invited.

(b) Terms or phrases not specifically defined in this section shall be given the meaning usually given to such terms or phrases as a matter of common knowledge.

#### Discrimination Prohibited

Sec. 3. (a) Subject only to such limitations and conditions as might be established by law and applicable alike to all persons, persons who are blind or otherwise physically handicapped shall have the same right as the able-bodied to the full use and enjoyment of any public facility in the state.

(b) No common carrier, airplane, railroad train, motor bus, street car, boat or other public conveyance or mode of transportation operating within the State of Texas may refuse to accept as a passenger any person who is blind or otherwise physically handicapped solely because of such person's handicap, nor shall any handicapped person be required to pay an additional fare because of his use of a dog guide, wheelchair, crutches or other types of devices used to assist the handicapped person in travel.

(c) No person who is blind or otherwise physically handicapped, regardless of whether or not using a white cane, dog guide, wheelchair, crutches or other devices of assistance in mobility, may be denied admittance to any public facility in the State of Texas because of the handicapped person's use of a white cane, dog guide, wheelchair, crutches or other devices of assistance in mobility, or because such person may be handicapped.

(d) The discrimination prohibited by this section includes discrimination through an open and obvious refusal to allow a handicapped person to use or be admitted to any public facility, as well as discrimination based upon a ruse or subterfuge calculated to prevent or discourage a handicapped person from using or being admitted to a public facility. Regulations relating to the use of public facilities by any designated class of persons from the general public shall in no manner be drafted to prohibit the use of particular public facilities by handicapped persons who, except for their handicaps and use of dog guides or other devices for assistance in travel, would fall within

the designated class. Lists containing the names of persons who desire to use particular public facilities shall not be composed or manipulated so as to deny a handicapped person a fair and equal opportunity to use or be admitted to any public facility.

(e) No provision of this Act shall be construed as in any manner limiting the prerogative of the owner or manager of any public facility to refuse to admit, to refuse to serve or to evict from a public facility any person who is so unkempt as to be clearly offensive to others using the public facility, or who is obviously intoxicated, or who conducts himself in a belligerent, boisterous, profane or other offensive manner which unreasonably interferes with the right of other persons to use and enjoy the public facility.

#### Responsibilities of Persons Who are Blind or Otherwise Physically Handicapped

Sec. 4. (a) A person who is blind and who uses a dog guide to assist him in travel shall be liable for any damages done to the premises of facilities by such dog.

(b) A person who is blind and who uses a dog guide to assist him in travel shall keep such dog guide properly harnessed, and any person who might be injured by such dog guide because of a blind person's failure to properly harness the dog guide shall be entitled to maintain a cause of action for damages in any court of competent jurisdiction within this state, subject to the same rules, principles and doctrines as are applicable under the common law of this state to other causes brought for the redress of injuries caused by animals.

(c) A person who is blind or otherwise physically handicapped and who, after being duly warned of a danger unique to a handicapped person's use of a particular public facility, is injured in using the public facility and is injured because of a danger of the type about which warning was given, shall be deemed to have assumed the risk of using the public facility.

#### Penalties for Improper Use of Dog Guides

Sec. 5. (a) Any person who fits a dog with a harness of the type commonly used by blind persons who use dog guides for purposes of travel, in order to represent that his dog is a specially trained dog guide when training of the type described in Section 2 of this Act has not in fact been provided, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Two Hundred Dollars (\$200.00).

(b) Any person who habitually abuses or neglects to feed or otherwise neglects to properly care for his dog guide shall be entitled to none of the benefits of this Act otherwise available to those who use dog guides, but shall instead be required to surrender his dog guide upon demand to the person or organization furnishing the dog or to other competent authorities.

**Penalties For and Damages Resulting from  
Discrimination**

(b) In addition to the penalty provided for in Subsection (a) of this Section, any person or persons, firm, association, corporation or other organization, or the agent of any person, firm, association, corporation or other organization who shall violate the provisions of Section 3 of this Act shall be deemed to have deprived a handicapped person of his civil liberties. In such case, the handicapped person who has been deprived of his civil liberties shall be entitled to maintain a cause of action for damages in any court of competent jurisdiction, and there shall be a conclusive presumption of damages in the amount of at least One Hundred Dollars (\$100.00) to the handicapped person.

**Dissemination of Information on State Policy Relating  
to the Handicapped**

Sec. 7. (a) In order that there might be maximum public awareness of the policies set forth in this Act, the Governor is authorized each year to issue a proclamation taking suitable public notice of October 15 as White Cane Safety Day. Such proclamation shall contain appropriate comment about the significance of various devices used by handicapped persons to assist them in traveling, and shall call to the attention of the public the provisions of this Act and of other Acts relating to the safety and well-being of this state's handicapped citizens.

(b) State agencies regularly mailing forms or information to significant numbers of public facilities operating within the state are authorized and directed to cooperate with state agencies responsible for the rehabilitation of the handicapped, by sending information about this Act to those to whom regular mailings are sent. Such information, which shall be sent only upon the request of state agencies responsible for the rehabilitation of the handicapped and not more than once each year, may be included either in regular mailings or else sent separately. If sent separately, the cost of mailing shall be borne by the state rehabilitation agency or agencies requesting the mailing and, regardless of whether sent separately or as part of a regular mailing, the cost of preparing information about this Act shall be borne by the state rehabilitation agency or agencies requesting distribution of this information.

No members shall be removed from office except for neglect of duty, incompetence, malfeasance, or conviction of a felony, and then only after notice of the charge made and a full hearing before the appointing bodies with the right of the member removed to appeal to the Courts and have a trial de novo, provided, however, that if any member misses any three (3) consecutive regular meetings without being excused by the Board as a whole, the Board shall declare a vacancy and notify the appointing authority of such fact, so that same may be filled. The Licensing Agency shall not be bound by strict rules of evidence or procedure in the conduct of its proceedings but the determinations shall be founded on sufficient legal evidence to sustain it.

The Licensing Agency shall have the right to institute an action in its own name to enjoin the violation of any of the provisions of this Act. Said actions for an injunction shall be in addition to any other action, proceeding, or remedy authorized by law.

#### Organization of the Board

Sec. 4. (1) As soon as practicable after appointment, appointive members of the board shall be certified by the Governor's office and shall take the constitutional oath of office for officers of the State of Texas. The board shall elect from its appointive members a chairman and vice chairman and these officers shall be elected to serve for the calendar year or so much thereof as shall remain, and elections for these offices shall be held annually thereafter for the term of a calendar year. Elections to fill vacancies shall be held in the same manner for the balance of any unexpired term. The board shall also elect a secretary to the board who shall serve at the pleasure of the board and who shall be the executive officer to the board but not a member thereof. The secretary shall have such powers and shall perform such duties as may be prescribed by law or delegated to him by the board under its rules and regulations. At no time shall the fidelity bond or bonds be for an amount less than \$25,000.00.

(3) The board shall hold not less than two meetings per year after due notice thereof and at any meeting a majority of the board shall constitute a quorum. Board members shall receive a per diem of \$25.00 while engaged in board business together with actual and necessary expenses.

#### Exclusive Jurisdiction

Sec. 5. The board shall have exclusive authority to determine the qualifications, skill and fitness of any person to serve as an administrator of a nursing home under the provisions of this Act and the holder of a license under the provisions of this Act shall be deemed to be qualified to serve as the administrator of any nursing home for all purposes.

#### Functions and Duties of the Board

Sec. 6. It shall be the function and duty of the board to:

(1) develop, impose, and enforce standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training or experience in the field of institutional administration, are qualified to serve as nursing home administrators;

(2) develop and apply appropriate techniques, including examinations and investigations, for determining whether an individual meets such standards;

(3) issue licenses to individuals determined, after application of such techniques, to meet such standards, and revoke or suspend licenses previously issued by the board in any case where the individual holding any such license is determined substantially to have failed to conform to the requirements of such standards;

(4) establish and carry out procedures designed to insure that individuals licensed as nursing home administrators will, during any period that they serve as such, comply with the requirements of such standards;

(5) receive, investigate, and take appropriate action with respect to, any charge or complaint filed with the board to the ef-

fect that any individual licensed as a nursing home administrator has failed to comply with the requirements of such standards;

(6) conduct a continuing study and investigation of nursing homes and administrators of nursing homes within the State with a view to the improvement of the standards imposed for the licensing of such administrators and of procedures and methods for the enforcement of such standards with respect to administrators of nursing homes who have been licensed as such;

(7) conduct or cause to be conducted, one or more courses of instruction and training sufficient to meet the requirements of this Act, and make provisions for the conduct of such courses and their accessibility to residents of this State, unless it finds that there are a sufficient number of courses conducted by others within this State to meet the needs of the State. In lieu thereof the board may approve courses conducted within and without the State as sufficient to meet the education and training requirements of this Act.

#### Prohibition of Operation or Practice Without a License

Sec. 7. Effective July 1, 1970, no nursing home in the State may operate unless it is under the supervision of an administrator who holds a currently valid nursing home administrator's license issued pursuant to this Act. No person shall after such date practice or offer to practice nursing home administration in this State or use any title, sign, card or device to indicate that he is a nursing home administrator, unless such person shall have been duly licensed as a nursing home administrator as required by this Act.

#### Rule Making Authority

Sec. 8. The Board shall have the authority to make rules and regulations not inconsistent with law as may be necessary or proper for the performance of its duties, and to take such other actions as may be necessary to enable the State to meet the requirements set forth in Section 1908 of the Social Security Act,<sup>1</sup> the Federal rules and regulations promulgated thereunder, and other pertinent Federal authority; provided, however, that no rule shall be promulgated, altered or abolished without the approval of a two-thirds majority of the Board.

<sup>1</sup> 42 U.S.C.A. § 1396g.

#### Qualifications for Licensure

Sec. 9. The Board shall have authority to issue licenses to qualified persons as nursing home administrators, and shall establish qualification criteria for such nursing home administrators. No license shall be issued to a person as a nursing home administrator unless:

(1) he is at least 21 years of age, of good moral character, sound in mental and

physical health, and is a citizen of the United States or has duly declared his intention of becoming a citizen of the United States;

(2) he has satisfactorily completed a course of instruction and training prescribed by the board, which course shall be so designed as to content and so administered as to present sufficient knowledge of the proper needs to be served by nursing homes; laws governing the operation of nursing homes and the protection of the interests of patients therein; and the elements of good nursing home administration; or has presented evidence satisfactory to the board of sufficient education, training or experience in the foregoing fields to enable him to administer, supervise and manage a nursing home;

(3) he has passed an examination administered by the board and designed to test for competence in the subject matters referred to in subsection (2) hereof;

(4) that applicant submit written evidence, on forms provided for such purpose by the board, that he has successfully completed a course of study and has been graduated from a high school or secondary school approved and recognized by the educational authorities of the State in which such school is located, or a political division thereof, or has submitted a certificate indicating that he has obtained high school or secondary school equivalency, such certificate being certified by a State educational authority or a political division thereof; and

(5) that applicant has complied with all other qualifications and requirements as may have been established by rule and regulation of the board.

(6) Notwithstanding other requirements and qualifications to the contrary set forth in this Section, the Board may issue a Provisional License to any individual applying therefor who (1) has served as a nursing home administrator during all of the calendar year immediately preceding July 1, 1970, (2) meets the standards of the Board and of this Act relating to good moral character, suitability, age, and citizenship, and (3) has paid the license fee prescribed in Section 10 of this Act. Such Provisional License shall terminate after two (2) years, or at midnight, June 30, 1972, whichever is earlier, and shall be cancelled and be of no legal force or effect thereafter; provided, however, that if, prior to the expiration of such Provisional License, the holder thereof shall have passed a qualifying examination and complied with all other requirements of this Act and the Board, a nursing home administrator's license shall be issued to him. A Provisional License or extension thereof may not be issued to any person after June 30, 1972.

#### Licenses and Fees

Sec. 10. (1) The Board shall license nursing home administrators in accordance with rules and regulations issued, and from time to time revised by it. A nursing home administrator's license shall not be transferable and shall be valid for the period issued until surrendered for cancellation or suspended or revoked for violation of this Act or rules and regulations issued pursuant hereto.

(2) Every holder of a nursing home administrator's license shall renew it biennially, by making application to the board. Renewals of licenses shall be granted as a matter of course, unless the board finds, after due notice and hearing, that the applicant has acted or failed to act in such a manner or under circumstances, as would constitute grounds for suspension or revocation of a license.

(3) Each person licensed as a nursing home administrator shall pay an initial license fee to be fixed by the board which shall not exceed \$100.00. Each license issued under this Act shall expire on June 30 of even-numbered years and may be renewable. Renewal licenses shall be issued biennially at a fee to be set by the board which shall not exceed \$100.00 for the biennium. Reasonable fees shall be set by the board for the issuance of copies of public records in its office as well as for certificates or transcripts and duplicates of lost instruments. Each applicant for examination and license shall accompany the application with an examination fee of \$70.00, which shall not be refundable, for investigation, processing, and testing purposes. Upon the certification by any department, division, board or agency of the State of Texas of the necessity therefor, all examination fees and license fees provided for herein shall be waived for any employee of such state entity so long as such person remains an employee of the State of Texas and does not serve as a nursing home administrator of a nursing home operated other than by such state entity.

(4) The board may issue a nursing home administrator's license for the regular fee to any person who holds a current license as a nursing home administrator from another jurisdiction, provided that the board finds that the standards for licensure in such other jurisdiction are at least the substantial equivalent of those prevailing in this State; that the applicant is otherwise qualified; and that the other state gives similar recognition and endorsement to nursing home administrators licenses of the State of Texas.

(5) The board shall have authority to receive and disburse funds received pursuant to Section 1908(e)(1) of the Social Security Act<sup>1</sup> or from any other Federal source of funds or grants for the furtherance of board duties and responsibilities hereunder.

(6) All fees or other monies received by said board under this law shall be deposited to the account of the board in federally insured accounts and shall be paid out on vouchers duly

issued in a manner directed by the board. All monies so received and placed to the account of the board may be used by the board in defraying its expenses in carrying on the provisions of this law. No expenses incurred by said board shall be paid by the State.

<sup>1</sup> 42 U.S.C.A. § 1396g(e)(1).

#### Expiration Dates of Licenses; Proration of Fees

Sec. 10A. The board by rule may adopt a system under which licenses expire on various dates during the year. For the year in which the expiration date is changed, license fees payable on June 30 shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee which is allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license fee is payable.

#### Disciplinary Action

Sec. 11. (1) The board shall be authorized to revoke, suspend, or refuse to renew, a nursing home administrator's license after due notice and hearing upon the following grounds or any of them:

(a) upon proof that such licensee has wilfully or repeatedly violated any of the provisions of this Act or the rules adopted in accordance therewith;

(b) upon proof that such licensee has wilfully or repeatedly acted in a manner inconsistent with the health and safety of the patients of the home of which he is administrator;

(c) upon proof that the licensee was guilty of fraud in securing his license;

(d) upon proof of the intemperate use of alcohol or drugs which in the opinion of the board creates a hazard to patients;

(e) upon proof of a judgment of a court of competent jurisdiction finding the licensee insane; and

(f) upon proof that such licensee has been convicted in a court of competent jurisdiction of a misdemeanor or a felony involving moral turpitude.

(2) The board shall have jurisdiction to hear all disciplinary charges brought under the provisions of this Act against persons licensed as nursing home administrators and upon such hearings shall determine such charges upon their merits. Proceedings under this Act shall be begun by filing with the board written charges under oath. Such charges may be preferred by any person and after notice in writing of not less than fifteen (15) full days, stating the place and date of the hearing, accompanied by a copy of the complaint or charges, the board, or a majority thereof, shall hold a hearing on said charges, cause a written record to be made of the evidence given at the hearing, accord the person charged a right to present evidence, be represented by an attorney, and to cross-examine the witnesses. In this connection the board shall be authorized to issue sub-

poenas for witnesses at the hearing, either at the request of the person cited or on behalf of the board or its representative; to compel the attendance of witnesses, and administer oaths to witnesses. Disobedience of a subpoena duly issued by the board or by its secretary under its direction, shall constitute a contempt of the board which shall be enforceable by any district court sitting in the county in which the hearing is being held upon petition of the board and the presentation to the court of evidence of wilful disobedience and if the district judge is of the opinion and finds that the subpoena was wilfully disobeyed, such judge shall be authorized to punish a subpoenaed witness in like manner and to the extent provided in like cases in civil actions in the district courts of Texas.

(3) Strict rules of evidence shall not apply in a hearing before the board but all decisions of the board shall be supported by sufficient legal and competent evidence.

#### Restoration of Licenses

Sec. 12. The board may, in its discretion, reissue a license to any person whose license has been revoked under such rules and regulations as the board may prescribe.

#### Review

Sec. 13. (1) Any person aggrieved by any action of the board, whether it be a failure to license, or the revocation or suspension of a license, shall have a right to a review of the board's action. First, a person feeling aggrieved by action of the board shall, within ten (10) days following the board's decision or action, file a motion for rehearing with the board which the board shall act on within fifteen (15) days and notify the person affected by such action in writing concerning the decision of the board on the motion for rehearing. If such action of the board is adverse to the person affected, he may, within thirty (30) days after the board's adverse action on his motion, file a written petition in a district court of Travis County, Texas, complaining of the action of the board and seeking to set aside or modify such action. A decision or action of the board shall not be suspended by the filing of a motion for rehearing or by the filing of a petition for review in the district court of Travis County, Texas, but such board action will only be suspended by injunctive order issued by a court of competent jurisdiction. The venue of any action against the board or any of its members concerning official action of the board shall be exclusively in Travis County, Texas.

(2) Any notice required to be given under this section shall be deemed sufficient if sent by registered or certified mail to the person charged at the address shown on his most recent license application or application for renewal of license. When no such address is available the board shall cause to be published once a week for two consecutive weeks a notice of the hearing in a newspaper published in the

county where the person charged was last known to practice nursing home administration, and shall mail a copy of such charges and such notice to such person's last known address. When publication of the notice is necessary, the date of the hearing shall be not less than ten days after the date of the last publication of the notice.

#### Penalties

Sec. 14. On and after July 1, 1970, it shall be unlawful and constitute a misdemeanor for any person to hold himself out as a nursing home administrator or to act or serve in the capacity of a nursing home administrator unless he is the holder of a license as a nursing home administrator issued in accordance with the provisions of this Act and any person who violates this section or any other provision of this Act, shall, upon conviction be punished by imprisonment in the County Jail for not less than one day nor more than thirty days, or by fine of not less than \$100.00 nor more than \$1,000.00, or by both such imprisonment and fine.

Such safety and health standards may include consideration of adequate and proper supervision at all times wherever camp activities are conducted; sufficient and properly qualified directors, supervisors and staff; proper safeguards for sanitation and public health; adequate medical services for personal health and first aid; proper procedures for food preparation, handling and mass feeding; healthful and sufficient water supply; proper waste disposal; proper water safety procedures for swimming pools, lakes and waterways, and safe boating equipment; proper maintenance and safe use of motor vehicles; safe buildings and physical facilities; proper fire precautions; safe and proper recreational and other equipment; and proper regard for density and use of premises.

rule or regulation promulgated thereunder has been violated, or that a violation has occurred or is occurring on any premises for which a license has been issued, the department shall give written notice to the holder of the license, setting forth the nature of the violation or violations and directing that such violation or violations cease. If the licensee refuses or fails to comply with the notice in the time and manner directed in the notice, the department may initiate steps to revoke the license.

(b) Before revoking a license, the department shall give written notice, by certified or registered mail, to the licensee that revocation is contemplated and the reasons therefor. The notice shall state the time and place for a hearing, at which the licensee may present evidence and testimony. After such hearing, the department may revoke a license.

#### Hearings

Sec. 2.08. The State Board of Health may call and hold hearings, administer oaths, receive evidence, issue subpoenas for witnesses, papers and documents related to the hearing and make findings of fact and decisions with respect to administering the provisions of this Act or rules and regulations promulgated under this Act. The authority to call and hold hearings may be delegated to employees of the department. Reasonable notice of a hearing shall be given to all parties involved.

#### Appeal to Board

Sec. 2.09. Any person affected by any ruling, order or decision of the department may appeal to the State Board of Health by giving written notice of intent to appeal to the Commissioner of Health. ## Enforcement by Department

Sec. 3.02. Whenever it appears that a person has violated, or is violating or is threatening to violate any provision of this Act or of any rule, regulation or order of the department, then the department may cause a civil suit to be instituted in a district court for injunctive relief to restrain the person from continuing the violation or threat of violation, or for the assessment and recovery of a civil penalty of not less than fifty dollars (\$50) nor more than one thousand dollars (\$1,000) for each act of violation, as the court may deem proper, or for both injunctive relief and civil penalty. Upon application for injunctive relief and a finding that a person is violating or threatening to violate any provision of this Act or of any rule, regulation or order of the department, the district court shall grant the injunctive relief or civil penalties or both, as the facts may warrant.

## Emergency Enforcement

Sec. 3.03. Whenever it appears that any person is violating, or threatening to violate, any provision of this Act or any rule, regulation or order of the department or any other action of any youth camp that creates an emergency condition that constitutes an imminent danger to the health, safety or welfare of campers at a youth camp, the department may institute in a district court an application for temporary restraining order to halt immediately any such violation or other action creating the emergency condition.

## Venue and Procedure

(b) The petition must be filed within thirty days after the date of the department's action.

(c) Service of citation on the department must be accomplished within thirty days after the date the petition is filed. Citation may be served on the commissioner or any member of the board.

(d) The plaintiff shall pursue his action with reasonable diligence. If the plaintiff does not prosecute his action within one year after the action is filed, the court shall presume that the action has been abandoned. The court shall dismiss the suit on a motion for dismissal made by the department unless the plaintiff, after receiving due notice, can show good and sufficient cause for the delay.

flour (as above defined) unless the following vitamins and other ingredients are contained in each pound of such flour:

(a) Not less than 1.66 milligrams of Vitamin B1 (thiamin); not less than 6 milligrams of nicotinic acid (also recognized under the name of niacin) or nicotinic acid amide (also known under the name of niacin amide); and not less than 6 milligrams of iron (Fe). (b) The enrichment of flour shall be accomplished by a milling process, addition of vitamins from natural or synthetic sources, addition of minerals, or by a combination of these methods, or by any method which is permitted by the Federal Security Agency with respect to flour introduced into interstate commerce.

(c) The State Health Officer<sup>2</sup> is empowered with the authority and directed to change, or add to, the specifications for ingredients and the amounts thereof required to conform to the State or Federal definition of enriched flour when promulgated or as may be from time to time amended.

(d) Iron shall be added only in forms which are assimilable and harmless and which do not impair the enriched flour.

Whenever the State Health Officer finds that such shortage no longer exists, he shall issue an order, to be effective not less than ten days after publication thereof, revoking such order. In the absence of any such order or factual information the State Health Officer, upon receiving the sworn statement of any persons subject to this Act that such a shortage exists or is imminent or has ceased, shall, within ten days thereafter, hold a public hearing with respect thereto, at which time any interested person may present evidence in support of such sworn statement, and any such finding by the State Health Officer may be based upon the evidence so presented. The State Health Officer shall publish notice of any such hearing at least ten days prior thereto.

(c) All orders, rules, and regulations adopted by the State Health Officer pursuant to this Act shall be published in the manner hereinafter prescribed, and within the limits specified by this Act, shall become effective upon such date as the State Health Officer shall fix.

(d) Whenever under this Act publication of any notice, order, rule or regulation is required, such publication shall be made at least three times in ten days in newspapers of general circulation in three different sections of the state.

(e) The State Health Officer is authorized to collect samples for analysis and to conduct examinations and investigations for the purposes of this Act, through any officers or employees under his supervision; and all such officers and employees shall have authority to enter to inspect any factory, mill, warehouse, shop, or establishment where flour or bread is manufactured, processed, packed, sold, or held, or any vehicle and any flour or bread therein, and all pertinent equipment, materials, containers and labeling.

In determining the quantity of such added substance to be tolerated in or on different articles of food, the Commissioner of Health shall take into account the extent to which the use of such substance is required, cannot be avoided in the production of each such article, or serves a useful purpose, and the other ways in which the consumer may be affected by the same or other poisonous or deleterious substances.

(C) if it bears or contains any food additive which is unsafe within the meaning of Section 409 of the Federal Food, Drug, and Cosmetic Act;<sup>2</sup>

(3) if it consists in whole or in part of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;

(4) if it has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

(7) if it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to Section 409 of the Federal Food, Drug, and Cosmetic Act;

(8) if any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is; or

(9) if it is margarine containing animal fat and any of the raw material used therein consisted in whole or in part of any filthy, putrid, or decomposed substance.

(k) The term "misbranded" shall apply to any livestock product or poultry product under one or more of the following circumstances:

(1) if its labeling is false or misleading in any particular;

(2) if it is offered for sale under the name of another food;

(6) if any word, statement, or other information required by or under authority of this Act to appear on the label or other labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(9) if it is not subject to the provisions of subparagraph (7), unless its label bears (A) the common or usual name of the food, if any there be, and (B) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings may, when authorized by the commissioner, be designated as spices, flavorings, and colorings without naming each: provided, that, to the extent that compliance with the requirements of clause (B) of this subparagraph (9) is impracticable, or results in deception or unfair competition, exemptions shall be established by regulations promulgated by the commissioner;

(12) if it fails to bear, directly thereon and on its container, as the commissioner may by regulations prescribe, the inspection legend and establishment number of the establishment where the product was prepared, and, unrestricted by any of the foregoing, such other information as the commissioner may require in such regulations to assure that it will not have false or misleading labeling and that the public will be informed of the manner of handling required to maintain the article in a wholesome condition.

<sup>2</sup> 21 U.S.C.A. § 348.

<sup>3</sup> 21 U.S.C.A. § 376.

<sup>4</sup> 21 U.S.C.A. § 601 et seq.

<sup>5</sup> 21 U.S.C.A. § 301 et seq.

Sec. 2. Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that

the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged meat and meat food products, and result in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the State Commissioner of Health and cooperation by this state and the United States as contemplated by this Act are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this Act.

Sec. 3. For the purpose of preventing the use in intrastate commerce, as hereinafter provided, of meat and meat food products which are adulterated, the commissioner shall cause to be made, by inspectors appointed for that purpose, an examination and inspection of all cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds before they shall be allowed to enter into any slaughtering, packing, meat-canning, rendering, or similar establishment in this state in which slaughtering and preparation of meat and meat food products of such animals are conducted solely for intrastate commerce; and all cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the commissioner as herein provided for.

Sec. 4. For the purposes hereinbefore set forth the commissioner shall cause to be made by inspectors appointed for that purpose, as hereinafter provided, a post-mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, capable of use as human food, to be prepared at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in this state in which such articles are prepared solely for intrastate commerce; and the carcasses and parts thereof of all such animals found to be not adulterated shall be marked, stamped, tagged, or la-

beled, as "Inspected and Passed"; and said inspectors shall label, mark, stamp, or tag as "Inspected and Condemned" all carcasses and parts thereof of animals found to be adulterated; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the commissioner may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become adulterated and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be adulterated, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the commissioner may remove inspectors from any establishment which fails to do so destroy any such condemned carcass or part thereof.

Sec. 4a. (1) Whenever, in his judgment, the commissioner determines that it is in the best interest of public health that investigations be made of disease findings by inspectors operating under the provisions of Sections 3 and 4 of this Act, the commissioner shall have the authority to cause such investigations to be made.

(2) Whenever any disease condition is found in the course of inspection provided for in this Act, which is inimical to public health, the commissioner shall have the authority to quarantine any premise or premises determined to be harboring any animal afflicted with any stage of the disease which may be transmitted to man or animals. Quarantined animals may be removed from quarantined areas only upon permission and supervision by the commissioner.

Sec. 5. The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds or the meat or meat products thereof, capable of use as human food, which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where inspection under this title is maintained, and such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products; and the foregoing provisions shall also apply to all such products which, after having been issued from any such slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained. The commissioner may limit the entry of carcasses, parts of carcasses, meat and meat food products, and other materials into any establishment at which

inspection under this title is maintained, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this Act.

Sec. 6. For the purposes hereinbefore set forth the commissioner shall cause to be made by inspectors appointed for that purpose an examination and inspection of all meat food products prepared in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where such articles are prepared solely for intrastate commerce and for the purposes of any examination and inspection said inspectors shall have access at all times, by day or night, whether the establishment be operated or not, to every part of said establishment; and said inspectors shall cause to be marked, stamped, tagged, or labeled as "Texas inspected and passed" all such products found to be not adulterated; and said inspectors shall cause to be labeled, marked, stamped, or tagged as "Texas inspected and condemned" all such products found adulterated, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided, and the commissioner may remove inspectors from any establishment which fails to so destroy such condemned meat food products.

Sec. 7. (a) When any meat or meat food product prepared for intrastate commerce which has been inspected as hereinbefore provided and marked "Texas inspected and passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "Texas inspected and passed" under the provisions of this Act, and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.

(b) All carcasses, parts of carcasses, meat, and meat food products inspected at any establishment under the authority of this Act and found to be not adulterated, shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the commissioner may require, the information required under paragraph (k) of Section 1 of this Act.

(c) The commissioner, whenever he determines such action is necessary for the protection of the public, may prescribe: (1) the styles and sizes of type to be used with respect

to material required to be incorporated in labeling to avoid false or misleading labeling of any articles or animals subject to this title or Title II of this Act; (2) definitions and standards of identity or composition for articles subject to this title and standards of fill of container for such articles not inconsistent with any such standards established under the Federal Food, Drug, and Cosmetic Act,<sup>1</sup> or under the Federal Meat Inspection Act,<sup>2</sup> or under the Federal Poultry Products Inspection Act,<sup>3</sup> and there shall be consultation between the commissioner and the Secretary of Agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

(d) No article subject to this title shall be sold or offered for sale by any person, firm, or corporation, in intrastate commerce, under any name or other marking or labeling which is false or misleading, or in any container of a misleading form or size, but established trade names and other marking and labeling and containers which are not false or misleading and which are approved by the commissioner are permitted.

(e) If the commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this title is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as it may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the marking, labeling, or container does not accept the determination of the commissioner, such person, firm, or corporation may request a hearing, but the use of the marking, labeling, or container shall, if the commissioner so directs, be withheld pending hearing and final determination by the commissioner. Any such determination by the commissioner shall be conclusive unless, within 30 days after receipt of notice of such final determination, the person, firm, or corporation adversely affected thereby appeals to the district court.

<sup>2</sup> 21 U.S.C.A. § 601 et seq.

<sup>3</sup> 21 U.S.C.A. § 451 et seq.

Sec. 8. The commissioner shall cause to be made, by experts in sanitation, or by other competent inspectors, such inspection of all slaughtering, meat-canning, salting, packing, rendering, or similar establishments in which cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds are slaughtered and the meat and meat food products thereof are prepared solely for intrastate commerce as may be necessary to inform himself concerning the sanitary conditions of the same, and to prescribe the rules and regulations of sanitation under which such establishments shall be maintained; and where the sanitary conditions of any such establishment are such that the meat or meat food products are rendered adul-

terated, he shall refuse to allow said meat or meat food products to be labeled, marked, stamped, or tagged as "Texas inspected and passed."

Sec. 9. The commissioner shall cause an examination and inspection of all cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, and the food products thereof, slaughtered and prepared in the establishments hereinbefore described for the purposes of intrastate commerce to be made during the nighttime as well as during the daytime when the slaughtering of said cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, or the preparation of said food products is conducted during the nighttime. Provided that the commissioner, when he determines that operating hours of any person, firm, or corporation, are set in a capricious or at unnecessarily difficult times, shall have the authority to set the time and duration of operations of the said person, firm, or corporation.

Sec. 10. No person, firm, or corporation shall, with respect to any cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, or any carcasses, parts of carcasses, meat, or meat food products of any such animals:

(a) slaughter any such animals or prepare any such articles which are capable of use as human food, at any establishment preparing such articles solely for intrastate commerce, except in compliance with the requirements of this Act;

(b) sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce (1) any such articles which (A) are capable of use as human food, and (B) are adulterated or misbranded at the time of such sale, transportation, offer for sale or transportation, or receipt for transportation; or (2) any articles required to be inspected under this title unless they have been so inspected and passed;

(c) do, with respect to any such articles which are capable of use as human food, any act while they are being transported in intrastate commerce or held for sale after such transportation, which is intended to cause or has the effect of causing such articles to be adulterated or misbranded;

(d) sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce or from an official establishment, any slaughtered poultry from which the blood, feathers, feet, head, or viscera have not been removed in accordance with regulations promulgated by the commissioner, except as may be authorized by regulations of the commissioner.

Sec. 11. (a) No brand manufacturer, printer, or other person, firm, or corporation shall cast, print, lithograph, or otherwise make any device containing any official mark or simulation thereof, or any label bearing any such mark or simulation, or any form of official certificate or simulation thereof, except as authorized by the commissioner.

(b) No person, firm, or corporation shall:

(1) forge any official device, mark, or certificate;

(2) without authorization from the commissioner use any official device, mark, or certificate, or simulation thereof, or alter, detach, deface, or destroy any official device, mark, or certificate;

(3) contrary to the regulations prescribed by the commissioner, fail to use, or to detach, deface, or destroy any official device, mark, or certificate;

(4) knowingly possess, without promptly notifying the commissioner or his representative, any official device or any counterfeit, simulated, forged, or improperly altered official certificate or any device or label or any carcass of any animal, or part or product thereof, bearing any counterfeit, simulated, forged, or improperly altered official mark;

(5) knowingly make any false statement in any shipper's certificate or other nonofficial or official certificate provided for in the regulations prescribed by the commissioner; or

(6) knowingly represent that any article has been inspected and passed, or exempted, under this Act when, in fact, it has, respectively, not been so inspected and passed, or exempted.

Sec. 12. No person, firm, or corporation shall sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce, any carcasses of horses, mules, or other equines or parts of such carcasses, or the meat or meat food products thereof, unless they are plainly and conspicuously marked or labeled or otherwise identified as required by regulations prescribed by the commissioner to show the kinds of animals from which they were derived. When required by the commissioner with respect to establishments at which inspection is maintained under this title, such animals and their carcasses, parts thereof, meat, and meat food products shall be prepared in establishments separate from those in which cattle, sheep, swine, goats, poultry, domestic rabbits, and domesticated game birds are slaughtered or their carcasses, parts thereof, meat, or meat food products are prepared.

Sec. 13. The commissioner shall appoint from time to time inspectors to make examination and inspection of all cattle, sheep, swine, goats, horses, mules, equines, poultry, domestic rabbits, and domesticated game birds, the inspection of which is hereby provided for, and of all carcasses and parts thereof, and of all

meats and meat food products thereof, and of the sanitary conditions of all establishments in which such meat and meat food products hereinbefore described are prepared; and said inspectors shall refuse to cause to be stamped, marked, tagged or labeled any carcass or any part thereof, or meat food product therefrom, prepared in any establishment hereinbefore mentioned, until the same shall have actually been inspected and found to be not adulterated; and shall perform such other duties as are provided by this Act and by the rules and regulations to be prescribed by said commissioner; and said commissioner shall, from time to time, make such rules and regulations as are necessary for the efficient execution of the provisions of this Act, and all inspections and examinations made under this Act shall be such and made in such manner as described in the rules and regulations prescribed by said commissioner not inconsistent with the provisions of this Act. This section shall not affect in any way other provisions of this Act for withdrawal of inspection services under Title I from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts, meat, or meat food products.

(b) For the purpose of this section a person shall be deemed to be responsibly connected with the business if he was a partner, officer, director, holder, or owner of 10 per centum or more of its voting stock or employee in a managerial or executive capacity. The determination and order of the commissioner with respect thereto under this section shall be final and conclusive unless the affected applicant for, or recipient of, inspection service files application for judicial review within 30 days after the effective date of such order in the appropriate court as provided in Section 404. Judicial review of any such order shall be upon the record upon which the determination and order are based.

If the article or animal is condemned it shall, after entry of the decree, be disposed of by destruction or sale as the court may direct and the proceeds, if sold, less the court costs and fees, and storage and other proper expenses, shall be paid into the treasury of this state, but the article or animals shall not be sold contrary to the provisions of this Act, or the Federal Meat Inspection Act,<sup>1</sup> or the Federal Poultry Products Inspection Act,<sup>2</sup> or the Federal Food, Drug, and Cosmetic Act;<sup>3</sup> provided, that upon the execution and delivery of a good and sufficient bond conditioned that the article or animal shall not be sold or otherwise disposed of contrary to the provisions of this Act, or the laws of the United States, the court may direct that such article or animal be delivered to the owner thereof subject to such supervision by authorized representatives of the commissioner of health as is necessary to insure compliance with the applicable laws. When a decree of condemnation is entered against the article or animal and it is released under bond, or destroyed, court costs and fees, and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article or animal. (b) (1) For the purposes of this Act the commissioner shall at all reasonable times have access to, for the purpose of examination, and the right to copy any documentary evidence of any person, firm, or corporation being investigated or proceeded against, and may require by subpoena the attendance and testimony of witnesses and the production of all documentary evidence of any person, firm, or corporation relating to any matter under investigation. The commissioner may sign subpoenas and may administer oaths and affirmations, examine witnesses, and receive evidence.

(3) If any person, firm, or corporation required by this Act to file any annual or special report shall fail so to do within the time fixed by the commissioner for filing the same, and such failure shall continue for 30 days after notice of such default, such person, firm, or corporation shall forfeit to this state the sum of \$100 for each and every day of the continuance of such failure, which forfeiture shall be payable into the treasury of this state, and shall be recoverable in a civil suit in the name of the state brought in the district court of the county where the person, firm, or corporation has his or its principal office or where he or it shall do business. It shall be the duty of the various district attorneys, under the direction of the attorney general of this state, to prosecute for the recovery of such forfeitures.

(4) Any officer or employee of this state who shall make public any information obtained by the commissioner, except with the approval of the commissioner, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding \$5,000, or by imprisonment, not exceeding one year, or by both such fine and imprisonment, in the discretion of the court.

**Art. 4476-13. Hazardous Substances; Labeling; Sale.**

**Definitions**

Sec. 1. When used in this Act, unless the context requires a different definition:

(1) "Department" means the Department of Health.

(2) "Person" includes any individual, partnership, corporation or association, or legal representative or agent.

(3) "Commerce" means any and all commerce within the State of Texas and subject to the jurisdiction thereof; and includes the operation of any business or service establishment.

(4) "Hazardous substance" means any substance or mixture of substances which is toxic, corrosive, flammable, an irritant, a strong sensitizer, or generates pressure through decomposition, heat, or other means, if the substance or mixture of substances may cause substantial personal injury or substantial illness during or as a proximate result of any customary or reasonably foreseeable handling or use, including reasonably foreseeable ingestion by children; and any radioactive substance if, with respect to the substance as used in a particular class of article or as packaged, the department finds by regulation that the substance is sufficiently hazardous to require labeling in accordance with the provisions of this Act in order to protect the public health. The term "hazardous substance" does not apply to economic pesticides subject to the State or Federal Insecticide, Fungicide, and Rodenticide Act<sup>1</sup> nor to foods, drugs, and cosmetics subject to the Federal Food, Drug, and Cosmetic Act<sup>2</sup> or to beverages complying with or subject to the Federal Alcohol Administration Act,<sup>3</sup> or to the Texas Food, Drug, and Cosmetic Act,<sup>4</sup> nor to substances intended for use as fuels when stored in containers and used in the heating, cooking or refrigeration system of a private residence, nor does it apply to or include any source material, special nuclear material, or by-product material as defined in the federal Atomic Energy Act of 1954, as amended,<sup>5</sup> and regulations issued pursuant thereto by the Atomic Energy Commission.

(5) "Toxic" means any substance other than a radioactive substance which has the capacity to produce personal injury or illness to any person through ingestion, inhalation, or absorption through any body surface.

(6) "Highly toxic" means any substance which produces death within 14 days in half or more than half of a group of 10 or more laboratory white rats each weighing between 200 and 300 grams, at a single dose of 50 milligrams or less per kilogram of body weight, when orally administered, or when inhaled continuously for a period of one hour or less at an atmospheric concentration of 200 parts per million by volume or less of gas or vapor or two milligrams per liter by volume or less of mist or dust, if the inhaled concentration is likely to be encountered by any person when the substance is used in any reason-

bly foreseeable manner; or which produces death within 14 days in half or more than half of a group of 10 or more rabbits tested in a dosage of 200 milligrams or less per kilogram of body weight, when administered by continuous contact with the bare skin for 24 hours or less. However, if the department finds that available data based on human experience indicate results different from those obtained on animals, the human data shall take precedence.

(7) "Corrosive" means any substance which in contact with living tissue will cause destruction of that tissue by chemical action. It does not refer to chemical action on inanimate surfaces.

(8) "Irritant" means any noncorrosive substance which on immediate, prolonged, or repeated contact with normal living tissue will induce a local inflammatory reaction.

(9) "Strong sensitizer" means any substance which will cause on normal living tissue, through an allergic or photodynamic process, a hypersensitivity which becomes evident on reapplication of the same substances. Before designating any substance as a strong sensitizer, the department, upon consideration of the frequency of occurrence and severity of the reaction, shall find that the substance has a significant potential for causing hypersensitivity.

(10) "Flammable" applies to any substance which has a flash point of above 20 degrees to and including 80 degrees Fahrenheit, as determined by the Tagliabue Open Cup Tester. Any substance which has a flash point at or below 20 degrees Fahrenheit, as determined by the Tagliabue Open Cup Tester shall be designated "extremely flammable." However, the flammability of solids, children's clothing, and of the contents of self-pressurized containers shall be determined by methods found by the department to be generally applicable to these materials or containers, and shall be established by regulations issued by the department.

(11) "Radioactive substance" means a substance which emits ionizing radiation.

(12) "Label" means a display of written, printed, or graphic matter upon the immediate container of any substance, or in the case of an article which is unpackaged or is not packaged, in an immediate container intended or suitable for delivery to the ultimate consumer, a display of this matter directly on the article involved or on a tag or other suitable material affixed thereto.

(13) "Immediate container" does not include package liners.

(14) "Misbranded hazardous substance" means a hazardous substance (including a toy, or other article intended for use by children, which is a hazardous substance,

or which bears or contains a hazardous substance in a manner which is susceptible of access by a child to whom the toy or other article is entrusted, intended or packaged in a form suitable for use in the household or by children), which fails to bear a proper label as required by this Act.

#### Labeling

Sec. 2. (a) It shall be the responsibility of the department to see that hazardous substances are labeled sufficiently to inform users of dangers involved in the use, storage, or handling of such substances, together with instructions for actions to be followed or avoided and instructions where necessary for proper first aid treatment. The department shall develop labeling instructions consistent with and in conformity with federal requirements.

(b) Any statement required by the provisions of Subsection (a) of this section shall be located prominently and shall be written in the English language in conspicuous and legible type which contrasts in typography, layout, or color with other printed matter on the label. The department may also require any such statement to be written in the Spanish language in addition to the English language.

(c) Any statement required by the provisions of Subsection (a) of this section shall also appear on the outside container or wrapper of any substance, and on any container sold separately and intended for the storage of a hazardous substance, unless the statement is easily legible through the outside container or wrapper, and on all accompanying literature where there are directions for use, written or otherwise.

#### Banned Hazardous Substances

Sec. 3. (a) Any article of clothing (other than diapers) intended for the use of children which is not in compliance with flammability standards for such clothing established by the department shall be declared to be a banned hazardous substance by the department. The determination by the department that articles of clothing of a specified range of sizes are intended for the use of a child 14 years or younger shall be conclusive.

(b) Any toy or other article other than clothing intended for use by children, which is a hazardous substance, or which bears or contains a hazardous substance in a manner susceptible of access by a child to whom the toy or other article is entrusted, shall be declared to be a banned hazardous substance by the department.

(c) Any hazardous substance intended, or packaged in a form suitable for, use in a household, which, notwithstanding cautionary labeling required by this Act, is potentially so

dangerous or hazardous when present or used in a household, that the protection of the public health and safety can be adequately served only by keeping the substance out of the channels of commerce, shall be declared to be a banned hazardous substance by the department.

(d) Any article subject to the provisions of this Act which cannot be labeled adequately to protect the public health and safety, or which presents an imminent danger to the public health and safety, shall be declared a banned hazardous substance by the department.

(e) The provisions of this section do not apply to any toy or article such as chemical sets which by reason of functional purpose requires the inclusion of a hazardous substance, and which bears labeling which in the judgment of the department gives adequate directions and warnings for safe use, and is intended for use by children who have attained sufficient maturity and may reasonably be expected to read and heed these directions and warnings; nor do the provisions of this section apply to the manufacture, sale, distribution, or use of fireworks of any class.

#### Examinations and Investigations

Sec. 4. (a) In order to enforce the provisions of this Act, any officer, employee, or agent of the department may, upon the presentation of appropriate credentials to the owner, operator, or agent, enter at reasonable times any factory, warehouse, or establishment in which any hazardous substance is manufactured, processed, packaged, or held for introduction into commerce or is held after introduction into commerce, or any vehicle used to transport or hold any hazardous substance in commerce, for the purpose of inspecting within reasonable limits and in a reasonable manner, such factory, warehouse, establishment or vehicle, and all pertinent equipment, finished and unfinished materials, and labeling therein.

(b) The officer, employee, or agent may obtain samples of any materials, packaging, and labeling; however, he shall pay or offer to pay the owner, operator, or agent in charge for any sample and shall give a receipt describing the samples obtained.

#### Rules and Regulations; Hearings; Appeals

Sec. 5. (a) The department may, after public hearing following due notice, issue reasonable rules and regulations necessary for the efficient enforcement of this Act. The rules and regulations shall conform with regulations established pursuant to the federal Hazardous Substances Act,<sup>1</sup> where applicable.

(b) If any person affected by any rule or regulation adopted and established by the department should take exception to the adoption and issuance of any rule or regulation, such person may request a hearing before the department, in which event the department shall not enforce such rule or regulation except as hereafter provided. Within thirty days after receipt of such request, the hearing must be

held. The complaining person shall be given at least ten days notice of the place, date and time of such hearing. After fair hearing the department shall issue a written order or decision, upholding, amending, extending or reversing the previous action, and stating reasons therefor. If within thirty days of the date of such order or decision, there is no appeal as provided for in Subsection (c) hereof, such rule or regulation shall become effective.

(c) If any person be dissatisfied with an order or decision following a hearing pursuant to Subsection (b) of this section, such person may bring suit against the department to repeal, amend, vacate or set aside such order, decision, rule or regulation, in a District Court of Travis County, Texas. When such suit is filed, the plaintiff may apply for an injunction restraining the department from enforcing its order or decision pending the outcome of the trial on the merits, and the court in its discretion may grant such application for injunction or the court may continue the department's order or decision in effect where the court finds it necessary to protect the public health. Upon a trial on the merits, the rights of the parties thereto shall be determined by the court upon a trial of the matters in controversy under rules governing the trial of other civil suits in the same manner and to the same extent as though the matter had been committed to the courts in the first instance and there had been no intervening administrative action, order or decision. All such appeals shall be de novo as that term is used and understood in appeals from Justice of the Peace Courts to County Courts.

## Authority to Control

Sec. 2.09. (a) The legislature, under the directions hereinafter expressed, delegates to the commissioner with approval of the State Board of Health the power to add substances to, or delete or reschedule any substance enumerated in, the schedules enumerated in Sections 2.03 through 2.07 of this Act. The commissioner may not add any substance to the schedules if the substance has been deleted from the schedules by the legislature, or sought to be added to the schedules by the legislature but failed to pass when considered by a quorum of either house. The commissioner shall have no authority to extend scheduling to distilled spirits, wine, malt beverages, or tobacco.

(b) In making a determination regarding a substance, the commissioner shall consider the following:

(d) If the commissioner designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

(e) If any substance is designated, rescheduled, or deleted as a controlled substance under federal law and notice thereof is given to the commissioner, the commissioner shall similarly control the substance under this Act after the expiration of 30 days from publication in the Federal Register of a final order designat-

ing a substance as a controlled substance or rescheduling or deleting a substance unless within that 30-day period the commissioner objects to inclusion. In that case, the commissioner shall publish the reasons for objection and afford all interested parties an opportunity to be heard. At the conclusion of the hearing, the commissioner shall publish his decision, which shall be final unless altered by statute. Upon publication of objection to inclusion, rescheduling, or deleting, control as to that particular substance under this Act is stayed until the commissioner publishes his decision.

(f) The commissioner, in making his decision as to which schedule a controlled substance shall be assigned, shall perform the tests enumerated in Sections 2.10 through 2.14.

(g) Within 10 days of any action taken pursuant to Subsection (a) of this section, the commissioner shall provide written notice of such action to the director and to each state licensing board having jurisdiction over practitioners.

- (1) the substance has a potential for abuse less than the substances listed in Schedules I and II;
- (2) the substance has currently accepted medical use in treatment in the United States; and
- (3) abuse of the substance may lead to moderate or low physical dependence or high psychological dependence.

Sec. 2.13. The commissioner shall place a substance in Schedule IV if he finds that:

- (1) the substance has a low potential for abuse relative to substances in Schedule III;

(2) the substance has currently accepted medical use in treatment in the United States; and

(3) abuse of the substance may lead to limited physical dependence or psychological dependence relative to the substances in Schedule III.

(b) Persons registered by the director under this Act to manufacture, distribute, dispense, analyze, or conduct research with controlled substances may possess, manufacture, distribute, dispense, analyze, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this Act.

(c) No registration to manufacture, distribute, analyze, or conduct research with controlled substances shall be issued without a signed consent form executed by the applicant granting the director or his designee the right to inspect the controlled premises as defined in Subchapter 5 of this Act.

(d) No registration to dispense controlled substances shall be issued without a signed consent form executed by the applicant granting the director or his designee the right to inspect records required to be kept by this Act.

(e) The following persons need not register and may lawfully possess controlled substances under this Act:

(1) an agent or employee of any registered manufacturer, distributor, analyzer, or dispenser of any controlled substance if he is acting in the usual course of his business or employment;

(2) a common or contract carrier or warehouseman, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment; or

(3) an ultimate user, as that term is defined herein, or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in lawful possession of a Schedule V substance.

(f) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, distributes, dispenses, analyzes, or possesses controlled substances.

(g) The director may inspect the establishment of an applicant for registration in accordance with this Act.

(h) The director may waive by rule the requirement for registration of certain manufacturers, distributors, or dispensers if he finds it consistent with the public health and safety, provided the Attorney General of the United States has issued a similar waiver pursuant to the Federal Controlled Substances Act.<sup>1</sup>

<sup>1</sup> See 21 U.S.C.A. § 822(d).

Rules

(c) Those registrants licensed by a state agency shall include the annual registration fee as a part of the license fee to the state agency.

(d) The director by rule may provide for remittance of registration fees collected by state agencies for the department of public safety.

Registration

Sec. 3.03. (a) The director shall register an applicant to manufacture or distribute or analyze controlled substances included in Schedules II through V, if:

(c) The director shall not require separate registration under this subchapter for a practitioner engaged in research with nonnarcotic controlled substances in Schedules II through V where the registrant is already registered under this subchapter in another capacity. Only practitioners registered under federal law to conduct research with or analyze Schedule I substances may conduct research with or analyze Schedule I substances within this state upon furnishing the director evidence of that federal registration.

(d) The director may authorize persons engaged in research on the use and effects of controlled substances to withhold the names and other identifying characteristics of individuals who are the subjects of the research. Persons who obtain this authorization are not compelled in any civil, criminal, administrative, legislative, or other proceeding to identify the individuals who are the subjects of research for which the authorization was obtained.

(e) The director may authorize the possession, distribution, planting, and cultivation of controlled substances by persons engaged in research. Persons who obtain this authorization are exempt from state prosecution for possession and distribution of controlled substances to the extent of the authorization.

Grounds for Revocation and Suspension

(c) If a registration is suspended or revoked, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state as provided under Section 5.04 of this Act.

(d) The purpose of this Act being to promote the public health and welfare by the control of the illegal drug traffic, the operation of any registrant in violation of the regulations specified in this section is hereby declared to be a public nuisance, and the director may apply to any court of competent jurisdiction for and may obtain an injunction suspending the registration of the offender.

(e) The Rules of Civil Procedure shall govern proceedings under this section except when in conflict herewith.

(b) No property shall be forfeited under this subchapter by reason of any act established by the owner thereof to have been committed without his knowledge or consent.

(c) A forfeiture of property encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of or consented to the act which caused the property to be subject to forfeiture.

#### Seizure

Sec. 5.04. (a) Property subject to forfeiture under this subchapter may be seized by any peace officer under authority of a search warrant issued pursuant to this Act.

(b) Seizure of any property subject to forfeiture may be made without warrant if:

(1) the owner, operator, or agent in charge of the property consents;

(2) the seizure is incident to a search to which the owner, operator, or agent in charge of the property consents;

(3) the property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this Act; or

(4) the seizure was incident to a lawful arrest, lawful search, or lawful search incident to arrest.

## Notification of Forfeiture Proceedings

Sec. 5.05. (a) When any property is seized, proceedings under this section shall be instituted promptly.

(b) The seizing officer shall immediately cause to be filed in the name of the State of Texas with the clerk of the district court of the county in which the seizure is made a notice of the seizure and intended forfeiture. Certified copies of the notice shall be served upon the following persons as provided for the serving of process by citation in civil cases:

(1) the owner of the property, if address is known;

(2) any secured party who has registered his lien or filed a financing statement as provided by law; and

(3) any other bona fide lienholder or secured party or other person holding an interest in the property in the nature of a security interest of whom the Texas Department of Public Safety has knowledge.

(c) If the property is a motor vehicle susceptible of registration under the motor vehicle registration laws of this state and if there is any reasonable cause to believe that the vehicle has been registered under the laws of this state, the officer in charge of initiating the forfeiture proceedings shall make inquiry of the State Highway Department as to what the records of the State Highway Department show as to who is the record owner of the vehicle and who, if anyone, holds any lien or security interest which affects the vehicle.

(d) If the property is a motor vehicle and is not registered in Texas, then the officer in charge of initiating the proceeding shall attempt to ascertain the name and address of the person in whose name the vehicle is licensed, and if the vehicle is licensed in a state which has in effect a certificate of title law, he shall make inquiry of the appropriate agency of that state as to what the records of the agency show as to who is the record owner of the vehicle and who, if anyone, holds any lien, security interest, or other instrument in the nature of a security device which affects the vehicle.

(e) If the property is of a nature that a financing statement is required by the laws of this state to be filed to perfect a security interest affecting the property and if there is any reasonable cause to believe that a financing statement covering the security interest has been filed under the laws of this state, the officer in charge of initiating the proceeding shall make inquiry of the appropriate official designated in Chapter 9, Business & Commerce Code, as to what the records show as to who is the record owner of the property and who, if anyone, has filed a financing statement affecting the property.

(f) If the property is an aircraft or part thereof and if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, then the officer in charge of initiating the proceedings

shall make inquiry of the administrator of the Federal Aviation Administration as to what the records of the administrator show as to who is the record owner of the property and who, if anyone, holds an instrument in the nature of a security device which affects the property.

(g) In the case of all other property subject to forfeiture, if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, then the officer in charge of initiating the proceeding shall make a good faith inquiry to identify the holder of any such instrument.

(h) In the event the answer to an inquiry states that the record owner of the property is any person other than the person who was in possession of it when it was seized, or states that any person holds any lien, security interest, or other interest in the nature of a security interest which affects the property, the officer in charge of initiating the proceeding shall cause any record owner and also any lienholder, secured party, or other person who holds an interest in the property in the nature of a security interest which affects the property to be named a party to the proceeding and to be served with citation of the pendency thereof as provided by the Texas Rules of Civil Procedure.

(i) If a person was in possession of the property subject to forfeiture at the time that it was seized, he shall also be made a party to the proceeding.

(j) If no person was in possession of the property subject to forfeiture at the time that it was seized and if the owner of the property is unknown, the officer in charge of initiating the proceeding shall file with the clerk of the court in which the proceeding is pending an affidavit to such effect, whereupon the clerk of the court shall issue a citation for service by publication addressed to "the Unknown Owner of . . .", filling in the blank space with a reasonably detailed description of the property subject to forfeiture. The citation shall contain the other requisites prescribed in Rules 114 and 115 and shall be served as provided by Rule 116 of the Texas Rules of Civil Procedure.

(k) No proceedings instituted pursuant to the provisions of this subchapter shall proceed to hearing unless the judge conducting the hearing is satisfied that this section has been complied with, and the officer initiating the proceeding shall introduce into evidence at the hearing any answer received from an inquiry required by Subsections (c) through (g) of this section.

## Replevy of Seized Property

Sec. 5.06. (a) Any property, other than a controlled substance or raw material, seized under this subchapter may be replevied by the owner, lienholder, secured party, or other party holding an interest in the nature of a security interest affecting the property, upon execution by him of a good and valid bond with sufficient surety in a sum double the appraised val-

ue of the property replevied, which bond shall be approved by the seizing officer and shall be conditioned upon return of the property to the custody of the officer on the day of hearing of the forfeiture proceeding and abide the judgment of the court.

#### Forfeiture Hearing

Sec. 5.07. (a) An owner of property that has been seized shall file a verified answer within 20 days of the mailing or publication of notice of seizure. If no answer is filed, the court shall hear evidence that the property is subject to forfeiture and may upon motion forfeit the property to the Texas Department of Public Safety. If an answer is filed, a time for hearing on forfeiture shall be set within 30 days of filing the answer and notice of the hearing shall be sent to all parties.

(b) If the owner of the property has filed a verified answer denying that the property is subject to forfeiture then the burden is on the state to prove beyond a reasonable doubt that the property is subject to forfeiture. However, if no answer has been filed by the owner of the property, the notice of seizure may be introduced into evidence and is prima facie evidence that the property is subject to forfeiture.

(c) At the hearing any claimant of any right, title, or interest in the property may prove his lien, security interest, or other interest in the nature of a security interest, to be bona fide and created without knowledge or consent that the property was to be used so as to cause the property to be subject to forfeiture.

(d) If it is found beyond a reasonable doubt that the property is subject to forfeiture, then the judge shall upon motion forfeit the property to the Department of Public Safety. However, if proof at the hearing discloses that the interest of any bona fide lienholder, secured party, or other person holding an interest in the property in the nature of a security interest is greater than or equal to the present value of the property, the court shall order the property released to him. If such interest is less than the present value of the property and if the proof shows beyond a reasonable doubt that the property is subject to forfeiture, the court shall order the property forfeited to the Department of Public Safety.

(e) Except as otherwise provided in this section, the judge of the district court having jurisdiction may order destruction of all forfeited controlled substances and raw materials. A record of the place where the controlled substances and raw materials were seized, of the kind and quantities so destroyed, and of the time, place, and manner of destruction, shall be kept, and a return under oath, reporting the destruction, shall be made to the District Court by the officer who destroys them.

#### Disposition of Forfeited Property

Sec. 5.08. (a) Regarding all controlled substances and raw materials which have been forfeited, the director is authorized to:

(1) retain the property for its official purposes;

(2) deliver the property to a government agency or department for official purposes;

(3) deliver the property to a person authorized by the director to receive it; or

(4) destroy the property that is not otherwise disposed.

(b) All other property that has been forfeited, except as provided below, shall be sold at a public auction under the direction of the county sheriff after notice of public auction as provided by law for other sheriff's sales. The proceeds of the sale shall be delivered to the district clerk and shall be disposed of as follows:

(1) to any bona fide lienholder, secured party, or other party holding an interest in the property in the nature of a security interest, to the extent of his interest; and

(2) the balance, if any, after deduction of all storage and court costs, shall be forwarded to the state comptroller and deposited with and used as general funds of the state.

(c) The Department of Public Safety may maintain, repair, use, and operate for official purposes all property that has been forfeited to it if it is free from any interest of a bona fide lienholder, secured party, or other party who holds an interest in the property in the nature of a security interest. The department may purchase the interest of a bona fide lienholder, secured party, or other party who holds an interest so that the property can be released for use by the department. The department may maintain, repair, use, and operate the property with money appropriated to the department for current operations. If the property is a motor vehicle susceptible of registration under the motor vehicle registration laws of this state, the department is deemed to be the purchaser and the certificate of title shall be issued to it as required by Subsection (e) of this section.

### SUBCHAPTER 6. MISCELLANEOUS

#### Saving Provision

Section 6.01. (a) Except as provided in Subsections (b) and (c) of this section, this

Act applies only to offenses committed on and after its effective date, and a criminal action for an offense committed before this Act's effective date is governed by the law existing before the effective date, which law is continued in effect for this purpose, as if this Act were not in force. For purposes of this section, an offense is committed on or after the effective date of this Act if any element of the offense occurs on or after the effective date.

(b) Conduct constituting an offense under existing law that is no longer an offense under this Act may not be prosecuted after the effective date of this Act. If, on the effective date of this Act, a criminal action is pending for conduct that does not constitute an offense under this Act, the action is dismissed on the effective date of this Act. However, a final conviction existing on the effective date of this Act, for conduct constituting an offense under existing law, is valid and unaffected by this Act.

(c) In a criminal action pending, on appeal, or commenced on or after the effective date of this Act, for an offense committed before the effective date, the defendant, if adjudged guilty, shall be assessed punishment under this Act if he so elects by written motion filed with the trial court requesting that the court sentence him under the provisions of this Act.

The cause

shall be tried by the court without a jury in the same manner as civil actions generally and all fact issues material to the validity of such act, order, ruling or decision shall be re-determined in such trial on the preponderance of the competent evidence but no evidence shall be admissible which was not either tendered to the State Department of Health or in its file while the matter was pending before the Department for decision. Appeals from any final judgment may be taken in the manner provided for in ordinary civil actions generally. No appeal bond shall be required by the State Department of Health. All acts, orders, rulings and decisions of the State Department of Health shall be final unless an action to set aside as herein authorized is filed within thirty days after the action, ruling or decision is taken or made by the State Department of Health.

#### Permits

Sec. 6. (a) No person shall engage in the business of manufacturing, wholesaling, renovating, and selling any article of bedding in or into the State of Texas unless he shall have first obtained a permit from the Department, nor shall any processor of filling materials to be used in articles of bedding sell such materials in or into the State of Texas unless he shall have first obtained a permit from the Department.

(b) No person shall be considered to have qualified to apply an acceptable germicidal process until such process has been registered with and approved by the Department, after which a numbered permit shall then be issued by the Department. Such permit shall expire one year from date of issue and shall thereafter be annually renewed at the option of the permit holder upon submission of proof of continued compliance with the provisions of this Act and the regulations of the Department. Every person to whom a permit has been issued shall keep such permit conspicuously posted on the premises of his place of business near the treatment device. Holders of permits to apply germicidal treatment shall be required to keep an accurate record of all materials which have been subjected to germicidal treatment, including the source of material, date of treatment, and name and address of the owner of each item. Such records shall be available for inspection at any time by authorized representatives of the Department.

##### Sec. 7. (a) Stamping.

(1) No person shall manufacture, renovate, sell or lease or have in his possession with intent to sell or lease in the State of Texas, any article of bedding covered by the provisions of this Act, unless there be affixed to the tag required by this Act by the person manufacturing, renovating, selling or leasing the same, an adhesive stamp prepared and issued by the Department, except that any person desiring to do so may make application to the Department for a stamp exemption, which, if issued, will relieve the holder of the above requirement that an inspection stamp be attached to every tag.

(2) The Department shall register all applicants for stamps and assign to every such person a registry number and/or separate and different serial numbers to be printed on each stamp as a means of identifying the applicant and the stamps issued thereto, and such identification shall not be used by any other person.

(3) Adhesive stamps as provided for by this Act shall be furnished by the Department in quantities of not less than five hundred (500), for which the applicant shall pay at the rate of Five Dollars (\$5) for each five hundred (500) stamps. The Department is hereby authorized to prepare and cause to be printed, adhesive stamps which shall contain a replica of the Seal of the State of Texas, the registry number and/or serial numbers assigned by the Department, and such other matter as the Department shall direct.

Such exemption shall not be transferable and shall not be used by any other person.

(2) For all stamp exemptions as stated in Paragraph (b)(1) of this Section, there shall at the time of issuance thereof, be

paid by the applicant to the Department a fee of Twenty-five Dollars (\$25). ##### (c) Reporting.

(1) Each holder of a stamp exemption shall file with the Department a report within fifteen (15) days after the expiration of each two-month period. Such report shall be made under oath by the owner or official of the registrant that the information therein is true to his best knowledge and belief and shall show the exact number of articles of bedding sold in or into the State of Texas during the said two-month period. The registrant shall remit with said report an amount of money computed as follows: The sum of one cent (1¢) for each article of bedding sold in or into the State of Texas during said report period. The first report required by this Section shall be for the period September 1, 1967, through October 31, 1967.

(2) The requirement for reporting as set out in Paragraph (c)(1) of this Section shall apply to each holder of a stamp exemption who makes or causes to be made the initial sale of an article of bedding in or into the State of Texas.

(3) Each holder of a stamp exemption shall keep accurate records of all articles of bedding manufactured, renovated and sold in or into the State of Texas. The Department shall have the authority to verify necessary shipping records when a registrant fails to make a report as required by Paragraph (c)(1) of this Section or when such report is unsatisfactory for purposes of determining the correct payment due from said registrant.

(4) In case of default in payment, failure to report or evidence of false reporting the registrant shall automatically forfeit his stamp exemption. Any exemption which has been revoked or forfeited as the result of a failure to comply with any of the provisions of the Act or the regulations of the Department shall not be renewed or reissued unless and until the applicant for said exemption presents satisfactory evidence to the Department that he will abide by all provisions of the Act and all rules and regulations promulgated under the Act.

##### (d) Exceptions.

Processors of filling materials shall be excluded from the stamping, exemption and reporting requirements as set out in Paragraphs (a), (b) and (c) of this Section, but each processor shall be required to identify

any shipment or delivery, however contained, of processed filling materials used for filling articles of bedding by affixing thereto in a conspicuous place a tag, label or indelible marking which clearly indicates the kind of material, whether the material is new or secondhand and the permit number of the processor.

Proceeds Placed in General Fund

Sec. 8. All moneys obtained from the sale of stamps, fees and other moneys collected in the administration of this Act shall be payable to the Department, and when collected shall thereafter be transmitted to the State Treasury and be placed in the General Fund and be appropriated out in such amounts that may be deemed necessary by the Legislature. In the administration of this enactment the Regular Departmental Appropriation Bill will be adopted.

The introductory clause of Acts 1967, 60th Leg., p. 572, ch. 260, § 1 purports to amend "Section 1 of Senate Bill No. 200, General Laws of the 46th Legislature, Regular Session, page 376, 1939, as amended by Chapter 297, Acts of the 51st Legislature". The reference to "Chapter 297" probably should read "Chapter 497".

Acts 1967, 60th Leg., p. 572, ch. 260, which amended various sections of this article, provided in sections 6 and 7:

"Sec. 6. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of conflict only.

(3) Any document accepted as evidence, other than an affidavit of personal knowledge, shall be at least five years old. A copy or abstract of such document may be accepted if certified as true and correct by the custodian of the document.

6. When an applicant does not submit the documentary evidence as specified above, or when the State Registrar finds reason to question the validity or adequacy of the certificate or the documentary evidence, the State Registrar shall not register the delayed certificate, but shall furnish the applicant with a statement of the reasons for such action, and shall advise the applicant of his right to appeal to the county court for probate matters of the county of birth as provided in Subsection C of this Section.

7. A certificate of birth registered one year or more after the date of birth shall show on its face the date of the registration and shall be marked "Delayed."

8. If an application for a delayed registration of birth is not actively prosecuted, the State Registrar shall return the application, supporting evidence, and any related instruments to the applicant or make such other disposition thereof as the State Registrar may deem appropriate.

9. For each application for a delayed certificate of birth, the State Registrar shall be entitled to a fee of Three Dollars (\$3.00), said fee to be paid by the applicant. All such fees received by the State Registrar under the provisions of this Section shall be deposited and used as provided in Section 21 of this Act.<sup>1</sup>

3. The petition shall be accompanied by a statement of the State Registrar issued in accordance with Subsection B(6) of this Section and all documentary evidence which was submitted to the State Registrar in support of such registration.

All certificates, either of birth or death, shall be written legibly, in durable black ink, and no certificate shall be held to be complete and correct that does not supply all of the items of information called for therein, or satisfactorily account for their omission.

(2) handle or arrange for the handling of such correspondence, make or arrange for such inspections and investigations, and obtain, assemble or prepare such reports and data as the board may direct or authorize.

**Staff Services**

Sec. 2.09. The basic personnel and necessary laboratory and other facilities as may be required to carry out the provisions of this Act shall be the personnel, laboratory, and other facilities of the Texas Air Control Board. The board may by agreement secure such services as it may deem necessary from any other departments and agencies of the state government and may arrange for compensation for such services, and may employ and compensate, within appropriations available therefor, such professional consultants, technical assistants, and employees on a full or part-time basis as may be necessary to carry out the provisions of this Act and prescribe their powers and duties. The board may request, and upon request shall receive, the assistance of any state educational institution, experimental station, or other state agency.

**Funds and Equipment from the State Department of Health**

Sec. 2.10. Any legislative appropriation made or to be made to the State Department of Health for air pollution control and all federal grants, loans or other federal monies received as matching funds to these appropriations or any other federal funds for air pollution control purposes received or to be received by the State Department of Health and all previous or presently pending equipment purchases from any State Department of Health appropriation

for air pollution control shall be transferred to the board.

#### Gifts and Grants

Sec. 2.11. The board may apply for, request, solicit, contract for, receive, and accept money and other assistance from any source to carry out its duties. The board shall show in its records the source of all moneys or other things of value received by the board under this section from sources other than public sources.

#### Special Fund

Sec. 2.12. Money received by the board under Section 2.10 or Section 2.11 of this code shall be deposited in the state treasury and credited to a special fund. The board may use this fund for salaries, wages, professional and consulting fees, travel expenses, equipment, and other necessary expenses incurred in carrying out its duties under this Act, as provided by legislative appropriation.

#### Documents, Etc., Public Property

Sec. 2.13. All information, documents and data collected by the board in the performance of its duties are the property of the state. Subject to the limitations of Section 1.07 of this Act, all records of the board are public records open to inspection by any person during regular office hours.

#### Copies of Documents, Proceedings, Etc.

Sec. 2.14. Subject to the limitations of Section 1.07 of this Act, on the application of any person, the board shall furnish certified or other copies of any proceeding or other official act of record, or of any map, paper, or document filed with the board. A certified copy with the seal of the board and the signature of the chairman of the board or the executive secretary is admissible as evidence in any court or administrative proceeding. The board shall prescribe in its rules the fees which shall be charged for copies and is authorized to furnish copies, certified or otherwise, to a person without charge when the furnishing of the copies serves a public purpose. Any other Acts concerning fees for copies of records do not apply to the board except that the fees set by the board for copies prepared by the board shall not exceed those prescribed in Article 3913, Revised Civil Statutes of Texas, 1925, as last amended by Section 1, Chapter 446, Acts of the 59th Legislature, Regular Session, 1965.

#### Biennial Reports

Sec. 2.15. The board shall make biennial written reports to the governor and to the Legislature and shall include in each report a statement of its activities.

#### Fees

Sec. 2.16. Except as specifically authorized in this Act, no fees may be charged by the executive secretary or the board for the performance of any of their duties and functions under this Act.

#### Seal

Sec. 2.17. The board shall adopt a seal.

### SUBCHAPTER C. POWERS AND DUTIES OF THE BOARD

#### In General

Sec. 3.01. The board shall administer the provisions of this Act and shall establish the level of quality to be maintained in, and shall control the quality of, the air resources in this state as provided in this Act. The board shall seek the accomplishment of the purposes of this Act through the control of air contaminants by all practical and economically feasible methods consistent with the powers and duties of the board. The board has the powers and duties specifically prescribed in this Act and all other powers necessary or convenient to carry out its responsibilities.

#### State Air Control Plan

Sec. 3.02. The board shall prepare and develop a general, comprehensive plan for the proper control of the air resources of the state.

#### Emission Inventory

Sec. 3.03. The board is authorized to require the submission of information by persons whose activities cause emissions of air contaminants to enable the board to develop an inventory of the emissions of air contaminants in the state.

#### Research, Investigations

Sec. 3.04. The board shall conduct, or have conducted, any research and investigations it considers advisable and necessary for the discharge of its duties under this Act.

#### Power to Enter Property

Sec. 3.05. The members, employees and agents of the board have the right to enter any public or private property at any reasonable time, other than property designed for and used exclusively as a private residence housing not more than three families, for the purpose of inspecting and investigating conditions relating to emissions of air contaminants to or the concentration of air contaminants in the atmosphere. Any member, employee or agent who, acting under the authority in this section, enters private property which has management in residence shall notify management, or the person then in charge, of his presence and exhibit proper credentials. Members, employees, or agents entering private property shall observe the establishment's rules and regulations concerning safety, internal security, and fire protection. Should any member, employee or agent of the board be refused the right to enter in or upon such public or private property, the board may have the remedies authorized in Section 4.02 of this Act.

#### Monitoring Requirements; Power to Examine Records

Sec. 3.06. The board may prescribe reasonable requirements for the measurement and monitoring of the emissions of air contami-

nants from any source or from any activity causing or resulting in the emission of air contaminants subject to the jurisdiction of the board under this Act; the board may also prescribe reasonable requirements for the owner or operator of the source to make and maintain records on the measurement and monitoring of emissions. The members, employees and agents of the board may examine during regular business hours any records or memoranda pertaining to the operation of any air pollution or emission control equipment or facility, or pertaining to any emission of air contaminants. This authority does not extend to the records or memoranda pertaining to the operation of such equipment or facility on a property designed for and used exclusively as a private residence housing not more than three families.

#### Enforcement Proceedings

Sec. 3.07. The board, or the executive secretary when authorized by the board, may cause legal proceedings to be instituted in courts of competent jurisdiction to compel compliance with the provisions of this Act or the rules, regulations, orders, variances or other decisions of the board.

#### Contracts, Instruments

Sec. 3.08. The board may make contracts and execute instruments that are necessary or convenient to the exercise of its powers or the performance of its duties.

#### Rule-Making

Sec. 3.09. (a) The board has the power, in accordance with the procedures in this section, to make rules and regulations consistent with the general intent and purposes of this Act and to amend any rule or regulation it makes.

(b) Before adopting any rules and regulations, or any amendment or repeal thereof, the board shall hold a public hearing. If the rule or regulation, or amendment or repeal thereof, will have state-wide effect, notice of the date, time, place, and purpose of the hearing shall be published one time at least 20 days prior to the scheduled date of the hearing in at least three newspapers whose combined circulation will, in the judgment of the board, give reasonable circulation throughout the state; if the rule or regulation, or amendment or repeal thereof, will have effect in only a part of the state, the notice shall be published one time at least 20 days prior to the scheduled date of the hearing in a newspaper or newspapers having general circulation in the area or areas to be affected. The board shall also comply, as appropriate, with the requirements of Chapter 274, Acts of the 57th Legislature, Regular Session, 1961, as amended (Article 6252-13, Vernon's Texas Civil Statutes).

(c) Any person may appear and be heard at the hearing on any rules or regulations. A record of the names and addresses of the persons appearing shall be made by the executive secretary. Any person heard or represented at

the hearing, or requesting notice of the action taken by the board, shall be sent written notice by mail of the action taken by the board.

(d) Before it becomes effective, any rule or regulation, or amendment or repeal thereof, shall be approved in writing by at least five members of the board, and a certified copy filed with the secretary of state for the time specified in Article 6252-13, Vernon's Texas Civil Statutes.

#### Content of Rules

Sec. 3.10. (a) A rule or regulation, or any amendment thereof, adopted by the board may differ in its terms and provisions as between particular conditions, particular sources, and particular areas of the state. In adopting rules and regulations, the board shall give due recognition to the fact that the quantity or characteristic of air contaminants or the duration of their presence in the atmosphere, which may cause a need for air control in one area of the state, may not cause need for air control in another area of the state, and the board shall take into consideration, in this connection, all factors found by it to be proper and just including existing physical conditions, topography, population, and prevailing wind directions and velocities, and the fact that a rule or regulation and the degrees of conformance therewith which may be proper as to an essentially residential area of the state may not be proper either as to a highly developed industrial area of the state or as to a relatively unpopulated area of the state.

(b) Except as provided in Subsections (c), (d), (e) and (f) of this section, the rules and regulations may not specify any particular method to be used to control or abate air pollution, nor the type, design or method of installation of any equipment to be used to control or abate air pollution, nor the type, design, or method of installation or type of construction of any manufacturing processes or other kinds of equipment.

(c) The board is authorized to adopt rules and regulations to control and prohibit the outdoor burning of waste and combustible material. The board may include in the rules and regulations requirements as to the particular method to be used to control or abate the emission of air contaminants resulting from the outdoor burning of waste or combustible material.

(d) The board may include in the rules and regulations requirements as to the particular method to be used to control and reduce emissions from motors and engines used in propelling land vehicles. Any rules or regulations pursuant to this paragraph shall be consistent with provisions of federal law, if any, relating to the control of emissions from the vehicles concerned. The board shall not require, as a condition precedent to the initial sale of a vehicle or vehicular equipment the inspection, certification or other approval of any feature or equipment designed for the control of emis-

sions from motor vehicles, if that feature or equipment has been certified, approved or otherwise authorized pursuant to federal law.

(e) The board, when it deems control of air pollution is necessary, shall establish rules and regulations concerning the control of emissions of particulate matter from plants handling, loading and unloading, drying, manufacturing, and processing the following agricultural products: grain, seed, legumes and vegetable fibers, according to a formula derived from the process weight of the materials entering the process. Any person affected by a rule or regulation issued under the authority of this subsection may use the process weight method for controlling and measuring the emissions from the plant, or any other method selected by that person which the board or the executive secretary, when so authorized by the board, finds will provide adequate emission control efficiency and measurement.

(f) The board is authorized to prescribe the sampling methods and procedures which shall be used in determining violations of and compliance with the rules, regulations, variances, and other orders of the board. The board may prescribe ambient air sampling, stack-sampling, visual observation, or any other sampling method or procedure generally recognized in the field of air pollution control. The board may also prescribe new sampling methods and procedures when, in the judgment of the board, existing methods or procedures are not adequate to meet the needs and objectives of the rules, regulations, variances and other orders of the board, and where the scientific applicability of the new methods or procedures can be satisfactorily demonstrated to the board.

#### Limitations on Board Actions

Sec. 3.11. (a) The board may not make any rule, regulation, determination or order with respect to air conditions existing solely within buildings and structures used for commercial and industrial plants, works or shops when the source of the offending air contaminants is under the control of the person who owns or operates the plant, works or shops, or which affects the relations between employers and their employees with respect to or arising out of any air condition from such a source. This provision does not and is not intended to limit or restrict in any way the authority or powers granted to the board under the provisions of Subsections (c) and (f) of Section 3.10 of this Act.

(b) Nothing in this Act vests in the board any power with respect to any matter subject to the jurisdiction of the Texas Radiation Control Agency, as provided in Chapter 72, Acts of the 57th Legislature, Regular Session, 1961 (Article 4590f, Vernon's Texas Civil Statutes), or over any source licensed by the atomic energy commission under the Atomic Energy Act of 1954, 42 U.S.C. 2011-2281.<sup>1</sup>

<sup>1</sup> 42 U.S.C.A. §§ 2011 to 2281.

#### Orders

Sec. 3.12. (a) The board is authorized to enter orders and determinations as may be necessary to effectuate the purposes of this Act. Except where otherwise specifically authorized in this Act, all orders shall be made by the board.

(b) If the board determines that air pollution exists, it may order such action as is indicated by the circumstances to control the condition. The board shall grant such time for the owner or operator of a source to comply with its order as is provided for in the rules and regulations of the board, which shall make provisions for such time gauged to such general situations as the hearings on any proposed rules and regulations may indicate are necessary.

#### Factors to be Considered

Sec. 3.13. In making orders and determinations, the board shall consider all of the facts and circumstances bearing upon the reasonableness of any emissions being made, including:

- (1) the character and degree of injury to, or interference with, the health and physical property of the people;
- (2) the social and economic value of the source;
- (3) the question of priority of location in the area involved; and
- (4) the technical practicability and economic reasonableness of reducing or eliminating the emissions resulting from the source.

#### Emergency Conditions

Sec. 3.14. (a) Whenever it appears to the board or the executive secretary that a generalized condition of air pollution exists and that it creates an emergency requiring immediate action to protect human health or safety, the board or the executive secretary shall, with the concurrence of the governor, order any persons causing or contributing to the air pollution to reduce or discontinue immediately the emission of air contaminants. The order shall fix a time and place for a hearing to be held before the board, which shall be held as soon after the order is issued as is practicable. The requirements of Section 3.17 as to the time for notice, newspaper notice, and method of giving a person notice do not apply to such a hearing, but such general notice of the hearing shall be given as in the judgment of the board or the executive secretary is practicable under the circumstances. Not more than twenty-four hours after the commencement of the hearing, and without adjournment of the hearing, the board shall affirm, modify or set aside the order.

(b) Whenever the board or the executive secretary finds that emissions from one or more air contaminant sources is causing imminent danger to human health or safety, but

that there is not a generalized condition of air pollution of the type referred to in Subsection (a) of this section, the board or the executive secretary may order the person or persons responsible for the emissions to reduce or discontinue the emissions immediately. In such event, the provisions in Subsection (a) of this section pertaining to a hearing before the board, notice, and affirmance, modification or setting aside of orders shall apply.

(c) Nothing in this section shall be construed to limit any power which the governor or any other officer may have to declare an emergency and to act on the basis of that declaration, if the power is conferred by statute or constitutional provision, or inheres in the office.

#### Hearing Powers

Sec. 3.15. The board may call and hold hearings, administer oaths, receive evidence at the hearing, issue subpoenas to compel the attendance of witnesses and the production of papers and documents related to the hearing, and make findings of fact and decisions with respect to administering the provisions of this Act or the rules, regulations, orders or other actions of the board.

#### Delegation of Hearing Powers

Sec. 3.16. (a) The board may delegate the authority to hold hearings called by the board to:

- (1) one or more members;
  - (2) the executive secretary;
  - (3) one or more employees of the board;
- or

(4) with the concurrence of the state commissioner of health, one or more employees of the State Department of Health.

(b) Except for those hearings required to be held before the board under Section 3.14 of this Act, the board may authorize the executive secretary to call and hold hearings on any subject on which the board may hold a hearing. The board also may authorize the executive secretary to delegate the authority to hold any hearing called by the executive secretary to one or more employees of the board or, with the concurrence of the state commissioner of health, to one or more employees of the State Department of Health.

(c) The board may establish the qualifications required of the individuals who may be delegated the authority by the board or the executive secretary to hold hearings.

(d) Any individual or individuals holding a hearing under authority of this section are empowered to administer oaths and receive evidence at the hearing and shall report the hearing in the manner prescribed by the board.

#### Notice of Hearings; Continuance

Sec. 3.17. (a) Except as otherwise specified in Subsection (b) of Section 3.09 and in Section 3.14 of this Act, the provisions of this

section apply to all hearings conducted pursuant to this Act.

(b) Notice of the hearing shall describe briefly and in summary form the purpose of the hearing and the date, time, and place of the hearing.

(c) Notice of the hearing shall be published at least once in a newspaper regularly published or having general circulation in each county where by virtue of the county's geographical relation to the subject matter of the hearing, the board has reason to believe persons reside who may be affected by the action that may be taken as a result of the hearing. The date of the publication shall be not less than 20 days before the date set for the hearing.

(d) If notice of the hearing is required by this Act to be given to a person, the notice shall be served personally or mailed to the person at his last address known to the board, not less than 20 days before the date set for the hearing. If the party is not an individual, the notice may be given to any officer, agent or legal representative of the party.

(e) The individual or individuals holding the hearing (hereafter in this subsection called the hearing body) shall conduct the hearing at the time and place stated in the notice. The hearing body may continue the hearing from time to time and from place to place without the necessity of publishing, serving, mailing or otherwise issuing new notice. If a hearing is continued and a time and place for the hearing to reconvene are not publicly announced by the hearing body at the hearing before it is recessed, a notice of any further setting of the hearing shall be served personally or mailed in the manner prescribed in Subsection (d) of this section at a reasonable time prior to the new setting, but it is not necessary to publish a newspaper notice of the new setting.

#### Air Quality Control Regions

Sec. 3.18. The board is authorized to designate air quality control regions based on jurisdictional boundaries, urban-industrial concentrations, and other factors, including atmospheric areas, necessary to provide adequate implementation of air quality standards.

#### Cooperation and Assistance; Compacts

Sec. 3.19. The board shall:

(1) encourage voluntary cooperation by persons, or affected groups in the restoration and preservation of the purity of the air resources within this state;

(2) encourage and conduct studies, investigations and research concerning air control;

(3) collect and disseminate information on air control;

(4) advise, consult and cooperate with other agencies of the state, political subdivisions of the state, industries, other states and the federal government, and with interested persons or groups in re-

gard to matters of common interest in air control; and

(5) represent the State of Texas in any and all matters pertaining to plans, procedures or negotiations for interstate compacts.

#### Investigations; Action on Violations

Sec. 3.20. (a) The executive secretary is authorized to make or cause to have made investigations as he may deem advisable in administering the provisions of this Act and the rules, regulations, orders and determinations of the board, including without limitation investigations of violations and general air pollution problems or conditions. The executive secretary shall make or cause to have made such investigations as may be requested or directed by the board.

(b) Whenever it appears that any provision of this Act or any rule, regulation, determination or order of the board is being violated, the board, or the executive secretary when authorized by the board or this Act, may proceed under Section 4.02 of this Act, or hold a public hearing and enter orders on the alleged violation, or take any other action authorized in this Act as the facts may warrant.

(c) If a public hearing is held on an alleged violation, the board or the executive secretary shall give notice of the hearing to the person complained against and to such other interested persons as the board or executive secretary may designate. The executive secretary, on behalf of the board, at the request of the person complained against, shall subpoena and compel the attendance of those witnesses, and shall require the production for examination of any book or paper relating to the matter under investigation at the hearing, as that person may reasonably designate.

#### Board May Grant Variances

Sec. 3.21. The board may grant individual variances beyond the limitations prescribed in this Act or in the rules and regulations of the board whenever it is found, upon presentation of adequate proof, that compliance with any provision of this Act, or any rule or regulation of the board, will result in an arbitrary and unreasonable taking of property, or in the practical closing and elimination of any lawful business, occupation or activity, in either case without sufficient corresponding benefit or advantage to the people. Any person seeking a variance or to amend a variance shall submit a petition to the executive secretary containing all information reasonably required by the board or the executive secretary.

#### Action on Petition

Sec. 3.22. (a) The executive secretary shall mail a copy of the variance petition or a summary of its contents to the mayor and health authorities of the city or town, and the county judge and health authorities of the county, in which the source or sources are or will be located, and to the same officials of other coun-

ties, cities and towns which, in the judgment of the executive secretary or the board, may be affected. The information shall be sent not less than 20 days before the date on which the petition is to be considered by the board.

(b) The executive secretary shall also proceed promptly to investigate the petition and to make a recommendation to the board on the disposition to be made of it.

(c) Any person may file with the board his comments or recommendations on the requested variance.

(d) Upon receiving the recommendation of the executive secretary, the board may, if the recommendation is for the granting of a variance, do so without hearing. If the executive secretary recommends against the granting of the variance, if a local government requests a hearing, or if the board in its discretion concludes that a hearing would be advisable, then a hearing shall be held before the board acts on the petition for variance.

#### Conditions of Variance

Sec. 3.23. (a) In determining under what conditions and to what extent a variance from this Act or from a rule or regulation of the board may be granted, the board shall give due recognition to the progress which the person requesting the variance has made in controlling or preventing air pollution.

(b) In each variance, the board, in conformity with the intent and purpose of this Act to protect health and property, shall prescribe the conditions with which the holder of the variance shall comply, including:

- (1) the duration of the variance;
- (2) the extent of the abatement of emissions of air contaminants to be accomplished over a stated period of time, which shall be the time the board considers reasonable under the circumstances;
- (3) any requirements as to the submission of periodic reports on the progress which the holder of the variance makes toward compliance with the Act or any rule or regulation as to which the variance has been granted; and
- (4) the character and level of the emissions of air contaminants which may be made under the variance.

(c) After a public hearing, notice of which shall be given to the holder of the variance, the board may require the holder of a variance, from time to time, for good cause, to conform to new or additional conditions. The board shall allow the holder a reasonable time to conform to the new or additional conditions and, on application of the holder, the board may grant additional time.

(d) A variance does not become a vested right in the holder; and it may be revoked or suspended for good cause, after a public hearing, notice of which shall be given to the hold-

er of the variance, on any of the following grounds:

(1) the holder has failed or is failing to comply with the conditions of the variance;

(2) the variance or operations under the variance have been abandoned; or

(3) the variance is no longer needed by the holder.

(e) The notice required by Subsections (c) and (d) of this section shall be sent to the holder of the variance at his last known address as shown by the records of the board.

#### Extensions of Variances

Sec. 3.24. The holder of a variance may request the board for an extension of the term of the variance. Notice of the request shall be mailed to the public officials as specified in Subsection (a) of Section 3.22 of this Act at least 10 days before the board acts on the request. Except as to the time for notice as specified in this section, the procedure which the board shall follow on a request for an extension of a variance shall be the same as in the case of an original petition for variance.

#### Failure of Board to Act on Variance

Sec. 3.25. Upon the failure of the board to take action within 120 days after receipt in proper form of a petition for variance or to amend a variance, or of a request to extend a variance, the petitioner shall be entitled to assume that his petition has been denied, and he may perfect an appeal on this basis in the manner provided in Section 6.01 of this Act. However, until such time as the petitioner files his appeal in the manner provided in Section 6.01 of this Act, the board shall continue to have jurisdiction to act on the petition.

#### Effect of Filing a Variance Petition

Sec. 3.26. The filing of a petition for variance or to amend a variance, or of a request to extend a variance, does not serve to abate any suit, whether by the board or a local government, or any hearing, investigation, or other proceeding which the board or a local government may then have in process or may thereafter initiate. The granting of a variance or amendment to a variance, or of an extension of a variance, shall operate to authorize emissions of air contaminants or other activities beyond the limitations prescribed in this Act or in the rules and regulations of the board from the effective date of the board's action, but only for the period and to the extent specified in the board's order.

#### Construction Permit

Sec. 3.27. (a) Any person who plans to construct any new facility or to engage in the modification of any existing facility which may emit air contaminants into the air of this State shall apply for and obtain a construction permit from the board before any actual work is begun on the facility. The board may exempt certain facilities or types of facilities from the

requirements of Section 3.27 and Section 3.28 if it is found upon investigation that such facilities or types of facilities will not make a significant contribution of air contaminants to the atmosphere.

(b) Along with the application for the permit, the person shall submit copies of all plans and specifications necessary for determining whether the proposed construction will comply with applicable air control standards and the intent of the Texas Clean Air Act, together with any other information which the board considers necessary.

(c) If, from the information submitted under subsection (b) of this section, the board finds no indication that the proposed facility will contravene the intent of the Texas Clean Air Act, including proper consideration of land use, the board shall grant within a reasonable time a permit to construct or modify the facility. If the board finds that the emissions from the proposed facility will contravene these standards or will contravene the intent of the Texas Clean Air Act, it shall not grant the permit and shall set out in a report to the applicant its specific objections to the submitted plans of the proposed facility.

(d) If the person applying for a permit makes the alterations in his plans and specifications to meet the specific objections of the board, the board shall grant the permit, but the board may refuse to accept new applications by a person until all previous objections of the board to the previously submitted plans of that person are rectified. If the person fails or refuses to alter the plans and specifications, the board shall refuse to grant the permit.

(e) A permit granted under this section may be revoked by the board if the board later determines that any of the terms of the permit are being violated or that emissions from the proposed facility will contravene air pollution control standards set by the board or will contravene the intent of the Texas Clean Air Act.

(f) The board or the executive director may seek an injunction in a court of competent jurisdiction to halt work on a facility which is being done without a permit issued under this section or is in violation of the terms of a permit issued under this section.

(g) The powers and duties set out in Section 3.27 and Section 3.28 may be delegated by the board to the executive director. The applicant may appeal to the board any decision made by the executive director under these sections.

(h) Provided, however, that at the time this Act becomes effective no provision of this Act shall apply where any person, firm, partnership or corporation has let any contract, or begun any construction for any addition, alteration or modification to any new or existing facility. Any contracts under this subsection shall have a beginning construction date no later than six months after the effective date of this Act to qualify for this exemption.

#### Operating Permit

Sec. 3.28. (a) If a permit to construct is issued, then within sixty days after the facility has begun operation, the person in charge of the facility shall apply for an operating permit. The board may require the submission of monitoring data to demonstrate compliance with applicable rules and regulations and with the Texas Clean Air Act in support of the application for an operating permit. If start-up or testing requires more than sixty days, this period may be extended by the board.

(b) When all stipulations of the construction permit are met and the operation of the facility will not contravene air pollution control standards set by the board or will not contravene the intent of the Texas Clean Air Act, the board shall issue within a reasonable time the operating permit.

(c) If the board determines that the operation of such a facility will contravene the air pollution control standards set by the board or will contravene the intent of the Texas Clean Air Act it shall set out in a report to the applicant the specific objections which it finds to the facility and shall not grant the permit.

(d) The board shall refuse to accept new applications by a person for an operating permit until all the previous objections to that facility submitted by the board are rectified.

(e) A permit issued under this section may be revoked by the board if the board later determines that any of the terms of the permit are being violated or that emissions from the facility contravene air pollution control standards set by the board or contravene the intent of the Texas Clean Air Act.

(f) The board or the executive director may seek an injunction in a court of competent jurisdiction to halt the operation of any facility which is operating without a permit issued under this section or which is operating in violation of the terms of a permit issued under this section.

### SUBCHAPTER D. PROHIBITION AGAINST AIR POLLUTION; ENFORCEMENT

#### Unauthorized Emissions Prohibited

Sec. 4.01. (a) Except as authorized by a rule, regulation, variance or other order of the board, no person may cause, suffer, allow or permit the emission of any air contaminant or the performance of any activity which causes or contributes to, or which will cause or contribute to, a condition of air pollution.

(b) No person may cause, suffer, allow or permit the emission of any air contaminant or the performance of any activity in violation of this Act or of any rule, regulation, variance, or other order of the board.

(c) Any person who violates any provision of this Act or of any rule, regulation, variance, or other order of the board is subject to a civil penalty of not less than \$50 nor more than \$1,000 for each day of violation and for each

act of violation, as the court may deem proper, to be recovered in the manner provided in this Subchapter.

#### Enforcement by Board

Sec. 4.02. (a) Whenever it appears that a person has violated or is violating, or is threatening to violate any provision of this Act or of any rule, regulation, variance or other order of the board, then the board, or the executive secretary when authorized by the board, may cause a civil suit to be instituted in a district court for injunctive relief to restrain the person from continuing the violation or threat of violation, or for the assessment and recovery of a civil penalty of not less than \$50 nor more than \$1,000 for each day of violation and for each act of violation, as the court may deem proper, or for both injunctive relief and civil penalty. Upon application for injunctive relief and a finding that a person is violating or threatening to violate any provision of this Act or of any rule, regulation, variance or other order of the board, the district court shall grant the injunctive relief the facts may warrant.

(b) At the request of the board, or the executive secretary when authorized by the board, the attorney general shall institute and conduct a suit in the name of the State of Texas for injunctive relief or to recover the civil penalty, or for both injunctive relief and penalty, as authorized in Subsection (a) of this section.

#### Enforcement by Local Governments

Sec. 4.03. Whenever it appears that a violation or threat of violation of any provision of Section 4.01 of this Act, or of any rule, regulation, variance or other order of the board has occurred or is occurring within the jurisdiction of a local government, exclusive of its extraterritorial jurisdiction, the local government, in the same manner as the board, may cause to be instituted through its own attorney a suit for the injunctive relief or civil penalties, or both, as authorized in Subsection (a) of Section 4.02 of this Act against the person who committed, or is committing or threatening to commit, the violation. This power may not be exercised by a local government unless its governing body adopts a resolution authorizing the exercise of the power. In a suit brought by a local government under this section, the board is a necessary and indispensable party.

#### Venue and Procedure

Sec. 4.04. (a) A suit for injunctive relief or for recovery of a civil penalty, or for both injunctive relief and penalty, may be brought either in the county where the defendant resides or in the county where the violation or threat of violation occurs.

(b) In any suit brought to enjoin a violation or threat of violation of this Act or of any rule, regulation, variance or other order of the board, the court may grant the board or the local government, without bond or other undertaking, any prohibitory or mandatory injunction the facts may warrant including tempo-

rary restraining orders after notice and hearing, temporary injunctions, and permanent injunctions.

(c) A suit brought under this Act shall be given precedence over all other cases of a different nature on the docket of the trial or appellate court.

(d) Either party may appeal from a final judgment of the court as in other civil cases.

(e) All civil penalties recovered in suits instituted by the State of Texas under this Act shall be paid to the general revenue fund of the State of Texas.

(f) All civil penalties recovered in suits instituted by a local government or governments under this Act shall be equally divided between the State of Texas on the one hand and the local government or governments first instituting the suit on the other, with fifty percent of the recovery to be paid to the general revenue fund of the State of Texas and the other fifty percent equally to the local government or governments first instituting the suit.

#### Act of God, War, Etc.

Sec. 4.05. The liabilities which would otherwise be imposed by this Act upon persons violating any provision of this Act or of any rule, regulation, variance, determination or order issued under this Act shall not be imposed due to any violation caused by an act of God, war, strike, riot, or other catastrophe.

### SUBCHAPTER E. AUTHORITY OF LOCAL GOVERNMENTS

#### Inspections; Power to Enter Property

Sec. 5.01. (a) A local government has the same power as the board has under Section 3.05 of this Act to inspect the air and to enter public and private property within its territorial jurisdiction to determine whether or not:

(1) the level of air contaminants in any area within its territorial jurisdiction meets the level set by the board or, in the case of a city or town, the level set by the governing body of that city or town under the authority of Section 5.05 of this Act;

(2) the emissions from any source meet the level set for that source by the board or, in the case of a city or town, by the governing body of that city or town under the authority of Section 5.05 of this Act; or

(3) a person is complying with this Act or any rule, regulation, variance or other order issued by the board.

(b) The local government in exercising the powers granted in this section is subject to the same provisions and restrictions as the board.

(c) When requested by the board, a local government shall transmit the results of its inspections to the board.

#### Recommendations to Board

Sec. 5.02. A local government may make recommendations to the board concerning any

rule, regulation, determination, variance or other order of the board that affects any area within its territorial jurisdiction. The board shall give maximum consideration to the recommendations of a local government.

#### Enforcement Action

Sec. 5.03. A local government may bring an enforcement action under this Act in the manner provided in Subchapter D of this Act for local governments.

#### Cooperative Agreements

Sec. 5.04. A local government may execute cooperative agreements with the board or other local governments:

(1) to provide for the performance of air quality management, inspection, and enforcement functions and to provide technical aid and educational services to any party to the agreement; and

(2) for the transfer of money or property from any party to the agreement to another party to the agreement for the purpose of air quality management, inspection, enforcement, technical aid and education.

#### Authority of Cities and Towns

Sec. 5.05. (a) Subject to the provisions of Section 1.05 of this Act, an incorporated city or town has such powers and rights as are otherwise vested by law in the city or town to:

(1) abate a nuisance; and

(2) enact and enforce any ordinance for the control and abatement of air pollution, or any other ordinance, not inconsistent with the provisions of this Act or the rules, regulations or orders of the board.

(b) Any ordinance enacted by an incorporated city or town shall be consistent with the provisions of this Act and the rules, regulations and orders of the board, and shall not make unlawful any condition or act approved or otherwise authorized pursuant to this Act or the rules, regulations or orders of the board.

### SUBCHAPTER F. JUDICIAL REVIEW

#### Appeal of Board Action

Sec. 6.01. (a) A person affected by any ruling, order, decision, or other act of the board may appeal by filing a petition in a district court of Travis County.

(b) The petition must be filed within thirty days after the date of the board's action, or, in case of a ruling, order or decision, within thirty days after its effective date.

(c) Service of citation on the board must be accomplished within thirty days after the date the petition is filed. Citation may be served on the executive secretary or any member of the board.

(d) The plaintiff shall pursue his action with reasonable diligence. If the plaintiff does not prosecute his action within one year after the action is filed, the court shall presume that

the action has been abandoned. The court shall dismiss the suit on a motion for dismissal made by the attorney general unless the plaintiff, after receiving due notice, can show good and sufficient cause for the delay.

(e) In an appeal of a board action other than cancellation or suspension of a variance, the issue is whether the action is invalid, arbitrary, or unreasonable.

(f) An appeal of the cancellation or suspension of a variance shall be tried in the same manner as appeals from the justice court to the county court.

However, until such time as the petitioner files his appeal in the manner provided in Section 6.01 of this Act, the board shall continue to have jurisdiction to act on the petition."

**Art. 4477-5a. Clean Air Financing Act**

**Short Title**

Sec. 1. This Act may be cited as the Clean Air Financing Act.

**Policy and Purpose**

Sec. 2. (a) It is the policy of this state and the purpose of this Act to safeguard the air resources of the state from pollution by controlling or abating air pollution and emissions of air contaminants, consistent with the protection of health, general welfare, and physical property of the people, including the esthetic enjoyment of the air resources by the people and the maintenance of adequate visibility. The accomplishment of the purposes stated in this Act will implement such policy, and is for

the health and welfare of the people of this state and for the improvement and protection of their properties. The issuer in carrying out the purposes of this Act will be performing an essential public function under the constitution. The issuer shall not be required to pay any tax or assessment on the control facilities or any part thereof, and the bonds issued hereunder and their transfer and the income therefrom shall at all times be free from taxation within this state. This section shall not be construed as affecting the laws of this state relating to ad valorem taxes imposed on persons or leaseholds or other interests of persons which are not public agencies or political subdivisions. Any control facilities that are the subject of any contract for purchase or use under this Act shall be construed to be subject to ad valorem taxation payable by the person contracting with the issuer as if such contract created a leasehold.

(b) It is hereby determined by the legislature and also declared to be the policy of this state that the control of air pollution is essential to the well-being and survival of its inhabitants and the protection of the environment, and that specifically the control, prevention, and abatement of air pollution are and will be for the specific purpose of the conservation and development of the natural resources of the state, within the meaning of Article XVI, Section 59(a), of the Texas Constitution, through the prevention of further damage to or destruction of the environment, resulting in further conservation and development of such natural resources.

**Control Facilities; Acquisition and Construction;  
Lease and Sale; Location**

Sec. 4. (a) Each issuer is authorized to acquire, construct, and improve, or cause to be acquired, constructed, and improved, control facilities. The issuer is also authorized to acquire real property as deemed appropriate by the issuer for the control facilities. Such control facilities may be located upon property owned by the issuer or upon property of another

person or persons. The issuer is authorized to enter into leases or other contracts with persons whereby such persons shall use or acquire control facilities of the issuer. The issuer is authorized to sell such facilities to any person or persons including a person or persons using such facilities, such sale to be by installment payments or otherwise and upon such conditions as the issuer deems desirable.

(b) As to a river authority such control facilities may be situated outside its boundaries if they are located wholly or partially within its river basin or a coastal basin adjoining its boundaries, and may be located anywhere in the state if such control facilities are financed at the same time and with the same issue of bonds also financing control facilities located within its boundaries or wholly or partially within its river basin or a coastal basin adjoining its boundaries.

(c) As to a city, town, or village such control facilities must be located wholly or partially within its corporate limits or wholly or partially within its extraterritorial jurisdiction as the term is used in the Municipal Annexation Act, as amended (Article 970a, Vernon's Texas Civil Statutes).

(d) As to a district other than a river authority and as to a county such control facilities must be located wholly or partially within its boundaries.

**Bonds and Notes; Issuance; Security; Payments; Election**

Sec. 5. (a) Each issuer is empowered to issue its negotiable bonds or notes payable from revenues of the issuer for the purpose of paying the cost of acquiring, constructing, or improving or causing to be acquired, constructed, or improved, control facilities, including real property required for the control facilities. Pending the issuance of definitive bonds or notes the issuer may authorize the delivery of negotiable interim bonds or notes eligible for exchange or substitution by use of the definitive bonds or notes. Bonds or notes shall not be issued to acquire existing control facilities solely for the purpose of again leasing or selling the same to the same person or one controlled by such person, but bonds may be issued to acquire existing control facilities which are to be substantially improved and then leased or sold to the same person or one controlled by the same person.

(b) Such bonds or notes shall be authorized by resolution of the governing body and shall have characteristics and bear such designation as may be determined by the governing body provided that the designation of the bonds or notes shall include the name or names of the person or persons using or purchasing the control facilities being financed with the bonds or notes or in the alternative the name or names of the person or persons guaranteeing the contractual obligations of the person or persons using or purchasing such control facilities, or if the control facilities are to be used or pur-

chased by a group of persons the designation may state that a group of persons will be using or purchasing such control facilities as therein provided. The bonds or notes shall be signed by the presiding officer or the assistant presiding officer of the governing body, shall be attested by its secretary, and shall bear the seal of the issuer of the governing body. It is provided, however, that such signatures may be printed or lithographed on the bonds if authorized by the governing body, and such may be impressed on the bonds or notes or may be printed or lithographed thereon. The issuer may adopt or use for any purpose the signature of any person who shall have been an officer, notwithstanding the fact that he may have ceased to be such officer at the time when bonds or notes shall be delivered to a purchaser or purchasers. The bonds or notes shall mature serially or otherwise in not to exceed 40 years, may bear interest at a rate or rates, may be sold at a price or under terms determined by the governing body to be the most advantageous reasonably obtainable, within the discretion of the governing body, may be made callable prior to maturity at such times and prices as may be prescribed in the resolution authorizing the bonds or notes, and may be in coupon form with or without provisions for registration as to principal or may be registrable as to both principal and interest.

(c) Such bonds or notes may be issued in more than one series and from time to time as required for carrying out the purposes of this Act.

(d) (1) The bonds or notes of any issuer may be secured by a pledge of all or any part of the revenues of the issuer derived from the use and/or sale of control facilities and the use and/or sale of, or services rendered by, disposal systems as specified by resolution of the governing body or in any trust indenture or other instrument securing the bonds or notes.

(2) In the alternative, the bonds or notes of a city, town, village or county may be secured by a pledge of said revenues and also by other utility revenues of the city, town, village or county specified by resolution of the governing body or in the trust indenture or other instrument securing the bonds or notes.

(3) Any such pledge under Subsection (1) or (2) of this paragraph may reserve the right, under conditions therein specified, to issue additional bonds or notes which will be on a parity with or subordinate to the bonds or notes then being issued. Bonds or notes issued for the purposes set out in this Act may be combined in the same issue with bonds or notes issued for other purposes authorized by law.

(e) It shall be the duty of the governing body to fix and from time to time revise payments under leases and other contracts for the use or sale of the control facilities of the governing body in order that such payments together with any other pledged revenues will be sufficient to pay such bonds or notes and the

interest thereon as the same mature and become due and to maintain the reserve or other funds as provided in the resolutions authorizing such bonds or notes or the trust indenture or other instruments securing such bonds or notes. The governing body shall have the power to direct the investment of moneys in the funds created by such resolutions, trust indentures, or other instruments securing the bonds or notes.

(f) From the proceeds from the sale of the bonds or notes, the governing body may set aside amounts for payments into the interest and sinking fund and reserve funds, and provisions for such may be made in the resolution authorizing the bonds or notes or the trust indenture or other instrument securing the bonds or notes. Proceeds from the sale of the bonds or notes shall be used for the payment of all expenses of issuing and selling the bonds or notes. The proceeds from the sale of the bonds or notes may be invested: (1) in direct or indirect obligations of the United States government or its agencies maturing in the manner that may be specified by the resolution authorizing the bonds or notes or the trust indenture or other instrument securing the bonds or notes; or (2) in certificates of deposit of any bank or trust company which deposits are secured by such obligations. Any bank or trust company with trust powers may be designated to act as depository of the proceeds of bonds, notes or of contract or lease revenues. Such bank or trust company shall furnish such indemnifying bonds or pledge such securities as may be required by the issuer to secure the deposits.

(g) The resolution authorizing the issuance of the bonds or notes or the trust indenture or other instrument securing them may provide that in the event of a default or under the conditions therein stated, a threatened default, in the payment of principal or of interest on bonds or notes, any court of competent jurisdiction may, upon petition of the holders of outstanding bonds or notes, appoint a receiver with authority to collect and receive pledged income, and such instruments may limit or qualify the rights of less than all of the holders of the outstanding bonds or notes payable from the same source to institute or prosecute any litigation affecting the issuer's property or income.

(h) All such bonds or notes shall be special obligations payable solely from the revenues pledged to their payment and shall not be considered general obligations of the governing body, an issuer, or the State of Texas. The holder of the bonds or notes shall never have the right to demand payment from moneys derived by taxation or any other revenues of the issuer except those revenues pledged to the payment of the bonds or notes.

(i) (1) Before any city, town, village, or county issues any bonds or notes secured by the revenues described in Section 5(d)(1) of this Act, such city, town, village, or county

must publish notice of its intention to issue the bonds or notes at least one time in a newspaper of general circulation within the boundaries of such city, town, village, or county. Within 30 days after the date of such publication not less than 10 percent of the qualified electors of the city, town, village, or county issuing such bonds or notes, may file a petition with the clerk or secretary, as the case may be, of the governing body, praying the governing body to order an election for the purpose of submitting the proposition to issue such bonds or notes to a vote of the qualified electors of such city, town, village, or county, as the case may be. Upon the filing of such petition, such governing body shall order an election to be held in such city, town, village, or county to determine whether or not such bonds or notes shall be issued as indicated in such notice. The governing body shall determine the time and the place or places of holding said election; and the manner of holding same shall be governed by the Texas Election Code. If the proposition for the issuance of such bonds or notes be sustained by a majority of the qualified electors voting at such election on such proposition, then such bonds or notes shall be authorized and may be issued by the governing body. In the event no such petition is presented to the governing body within the time hereinabove prescribed, no election on the proposition shall be required, and such governing body shall then have the power to proceed with the issuance of the bonds or notes, as the case may be.

(2) Before any city, town, village, or county issues any bonds or notes secured by the revenues described in Section 5(d)(2) of this Act, the governing body of such city, town, village, or county must order an election to be held in that city, town, village, or county to determine the time and the place or places of holding the election; and the manner of holding it shall be governed by Chapter 1 of Title 22, Revised Civil Statutes of Texas, 1925, as amended.<sup>1</sup> If the issuance of bonds or notes be favored by a majority vote of the qualified electors voting at such election, then the bonds or notes shall be authorized and may be issued by the governing body.

<sup>1</sup> Article 701 et seq.

#### Refunding Bonds and Notes

Sec. 6. The governing body is authorized to issue refunding bonds or notes for the purpose of refunding the principal, interest and redemption premium, if any, on outstanding bonds authorized by this Act. Such refunding bonds or notes may be issued to refund more than one series of outstanding bonds or notes and combine the revenues pledged to the outstanding bonds or notes for the security of the refunding bonds or notes, and may be secured by other or additional revenues and deed of trust liens. The provisions of this law with reference to the issuance by the governing body of bonds or notes, their security, and their approval by the attorney general and the

remedies of the holders shall be applicable to refunding bonds or notes. Refunding bonds or notes shall be registered by the comptroller upon surrender and cancellation of the bonds or notes to be refunded, but in lieu thereof, the resolution authorizing their issuance may provide that they shall be sold and the proceeds thereof deposited in the bank where the original bonds or notes are payable, in which case the refunding bonds or notes may be issued in an amount sufficient to pay the principal of, any redemption premium, and the interest on the original bonds or notes to their option date or maturity date, and the comptroller shall register them without concurrent surrender and cancellation of the original bonds or notes.

#### Additional Security for Bonds and Notes; Trust Indenture

Sec. 7. Any bonds or notes (including refunding bonds or notes) authorized by this law may be additionally secured by a trust indenture under which the trustee may be a bank having trust powers situated either within or outside the State of Texas. Such bonds or notes, within the discretion of the governing body, may be additionally secured by a mortgage or a deed of trust lien or security interest upon designated control facilities of the governing body and all property, franchises, easements, leases, and contracts and all rights appurtenant to such properties, vesting in the trustee power to sell such control facilities for the payment of the indebtedness, power to operate such control facilities and all other powers and authority for the further security of the bonds or notes. Such trust indenture, regardless of the mortgage or the deed of trust lien or security interest in the properties may contain any provisions prescribed by the governing body for the security of the bonds or notes and the preservation of the trust estate, and may make provision for amendment or modification thereof, may condition the right to expend the issuer's money or sell the issuer's control facilities upon approval of a registered professional engineer selected as provided therein, and may make such other provisions for protecting and enforcing the rights and remedies of the bondholders or noteholders as may be reasonable and proper and not in violation of law. Any purchaser at a sale made under the mortgage or the deed of trust lien, where one is given, shall be the absolute owner of the control facilities and rights so purchased. The trust indenture may also contain provisions governing the issuance of bonds and notes to replace lost, stolen, or mutilated bonds or notes.

#### Submission of Bonds, Notes and Contracts to Attorney General; Approval; Registration; Incontestability

Sec. 8. After any bonds and notes, including refunding bonds and notes, are authorized by the governing body, such bonds and notes and the record relating to their issuance shall be submitted to the attorney general for his examination as to the validity thereof. Where

such bonds and notes recite that they are secured by a pledge of the proceeds of a lease or leases or other contract or contracts theretofore made between the issuer and any person, such contracts may also be submitted to the attorney general. If such bonds or notes have been authorized and if such contracts have been made in accordance with the constitution and laws of the State of Texas, he shall approve the bonds or notes and such contracts, and the bonds or notes then shall be registered by the comptroller of public accounts. After the bonds or notes, and the leases or other contracts, if any, have been approved by the attorney general and the bonds or notes registered by the comptroller of public accounts, such bonds or notes and any such leases or contracts shall be incontestable for any cause.

**Term of Lease or Contract**

Sec. 9. Any lease or other contract entered into pursuant to this Act may be for such term as the parties may agree, and may provide that it shall continue in effect until the bonds or notes specified therein or refunding bonds or notes issued in lieu of such bonds or notes are fully paid.

**Bonds and Notes as Legal Investments and Security for Deposits**

Sec. 10. All bonds or notes issued pursuant to this Act shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fiduciaries, trustees, and for the sinking fund of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas. Such bonds or notes shall be eligible to secure the deposit of any and all public funds of the State of Texas, and any and all public funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for said deposits to the extent of their face value, when accompanied by all unmatured coupons appurtenant thereto.

**Construction Contracts; Performance Bonds and Bids**

Sec. 11. The provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended, relating to performance and payment bonds, shall apply to construction contracts let by the issuer; however, there shall be no obligation for an issuer to receive construction bids on any project and Chapter 163, Acts of the 42nd Legislature, 1931, as amended (Article 2368a, Vernon's Texas Civil Statutes), or any other law requiring competitive bids, shall not apply to construction contracts for projects authorized by this Act.

**Relocation Expenses**

Sec. 12. In the event any issuer, in the exercise of the power of relocation, or any other power, makes necessary the relocation, raising,

lowering, rerouting, or changing the grade of, or altering the construction of any highway, railroad, electric transmission line, telegraph or telephone properties and facilities, or pipelines, all such necessary relocation, raising, lowering, rerouting, changing of grade, or alteration of construction shall be accomplished at the sole expense of the issuer, and such expense shall be paid from the proceeds of any bonds or notes issued to finance control facilities, the installation of which results in such expense. The term "sole expense" shall mean the actual cost of such relocation, raising, lowering, rerouting, or changing the grade of, or alteration of construction to provide comparable replacement, without enhancement, of such facilities, after deducting therefrom the net salvage value derived from the old facility.

**Applicability to Air Control Act and Board, Districts and Local Governments; Remedies of Private Persons**

Sec. 13. Nothing in this Act diminishes or limits, or is intended to diminish or limit, the authority of the Texas Air Control Board, districts, or local governments in performing any of the powers, functions, and duties vested in such entities by other laws. The Texas Clean Air Act, as amended, shall be enforced without regard to ownership of any control facilities financed under this Act. The Act shall be wholly sufficient authority within itself for the issuance of the bonds or notes and the performance of the other acts and procedures authorized hereby, without reference to any other laws, or any restrictions or limitations contained therein, except as herein specifically provided; and when any bonds or notes are being issued under this Act, then to the extent of any conflict or inconsistency between any provisions of the Act and any provisions of any other law, the provisions of the Act shall prevail and control; provided, however, that any issuer shall have the right to use the provisions of any other laws, not in conflict with the provisions hereof, to the extent convenient or necessary to carry out any power or authority, express or implied, granted by this Act. Nothing in this Act affects the right of any private person to pursue against a person contracting with an issuer pursuant to this Act all common law remedies available to abate a condition of pollution or other nuisance or recover damages therefor, or both. No person contracting with an issuer for the purchase or use of control facilities shall ever be entitled to urge the defense of sovereign immunity by reason of the ownership of such control facilities by an issuer. Notwithstanding the provisions of this section, it is further provided that nothing in this Act shall in any way limit or diminish the power and authority of the Texas Air Control Board or of a local government to enact and enforce rules and regulations and to carry out other duties authorized by the Texas Clean Air Act, as amended (Article 4477-5, Vernon's Texas Civil Statutes).

#### Certification of Control Facilities

Sec. 14. In certifying facilities as control facilities the Texas Air Control Board may prescribe necessary criteria and procedures for such certification and can limit such certification to confirming that the proposed facility is intended for the purpose of controlling air pollution. No certification as to the adequacy of the facility or its expected performance or other specifications shall be necessary.

#### Conformance with Constitutions

Sec. 15. Nothing in this Act shall be construed to violate any provision of the United States or state constitutions, and all acts done under this Act shall be in such manner as will conform thereto, whether expressly provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the issuer shall have the power by resolution to provide an alternative procedure conformable with such constitutions.

#### Severability

Sec. 16. The provisions of this Act are severable. If any word, phrase, clause, paragraph, sentence, section, part, or provision of this Act or the application thereof to any person or circumstance shall be held to be invalid or unconstitutional, the remainder of this Act shall nevertheless be valid; and the legislature hereby declares that the Act would have been enacted without such invalid or unconstitutional word, phrase, clause, paragraph, sentence, section, part, or provision.

be stored for a period not exceeding 48 hours in such a manner as to prevent a nuisance and/or malodorous condition.

(7) All cooking or other dehydration operations shall be accomplished in such a manner as will prevent survival of disease-producing organisms in the material processed.

(22) Every dead animal hauler shall keep the record of activities set forth in Section 16 below.

#### Related Stations

Sec. 5. Any person or persons who operate or maintain a related station not as a part or subsidiary of the rendering establishment or establishments served thereby, and who are not employees of any such establishment, shall nevertheless be subject to the provisions and requirements of Section 4, and shall obtain from the Health Authority a Related Station Operating License.

#### Dead Animal and Rendering Raw Material Haulers

Sec. 6. A dead animal and/or rendering raw material hauler, who operates separately and apart from and not as a part or subsidiary of the rendering establishment or establishments and/or the related station or stations served by him and who is not an employee of any such establishment or station, shall nevertheless be subject to the provisions and requirements of Section 4, and shall obtain from the Health Authority a Dead Animal Hauler Operating License and/or Rendering Raw Material Hauler Operating License.

#### Operating Licenses

Sec. 7. (a) Application for an operating license shall be under oath, shall state what type

of operations are contemplated (whether rendering establishment, related station, or dead animal and/or rendering raw material hauler), shall give the location from which the business is to be conducted, and shall include such relevant information as the Health Authority may require to determine the applicant's compliance with Section 4 of the Act.

(b) Upon filing of an application and payment of the fee required by this Act, the Health Authority shall investigate the facts, and if it shall find that the applicant's operations or proposed operations are within the requirements of Section 4, it shall grant such application and issue to the applicant an operating license which shall be his license and authority to carry on a rendering business or a related station or to move dead animals or rendering raw materials, as the case may be, under the provisions of this Act.

(c) If the Health Authority shall not so find, it shall deny the application and notify the applicant in writing of the particular or particulars in which he fails to meet the requirements of Section 4. The applicant shall have 90 days in which to correct or remedy such shortcomings, after which the Health Authority shall again investigate the facts. If the Health Authority shall then determine that the applicant's operations do not meet the requirements of Section 4, it shall again deny the application and shall promptly notify the applicant in writing of the particular or particulars in which he fails to meet said requirements.

(d) An application twice denied by the Health Authority under Section 7(c) next above shall be deemed cancelled, and no license shall issue thereon; provided, however, that an applicant shall, upon request within 30 days after the second denial, be entitled to a hearing on such application before the Commissioner of Health within 30 days after the date of such request.

(e) The Health Authority shall grant or deny each application within 30 days from its filing with the required fees, or from the expiration of the period in which to correct any shortcomings, if any, or from the hearing thereon, if any, unless the period is extended by written agreement between the applicant and a Health Authority.

#### Construction and General Layout Requirements

Sec. 8. (a) All construction of or within rendering establishments which is subject to this Act shall be such as will provide for sanitary operations and environmental conditions, prevent the spread of disease-producing organisms and infectious or noxious materials, and prevent the development of malodorous conditions or a nuisance. Rendering Establishment Construction Permits (when and as required by this Act) shall be granted by the Health Authority only to those persons who demonstrate their compliance with this subsection.

(b) Any new construction of a rendering establishment or involving the addition to or replacement in an existing rendering establishment of one or more of the component parts set forth below, shall be in compliance as to such new construction with the following specific requirements (or so many thereof as may apply), and compliance therewith shall be deemed to be compliance with Subsection (a) above:

(1) Rendering establishments shall provide sufficient space for the conduct in a sanitary manner of rendering operations and processes carried on therein; for the installation of necessary utility equipment; and for the installation of processing equipment in such a manner that such equipment is easily accessible for cleaning.

(2) Rendering establishments shall be constructed so as to be easily maintained in a sanitary condition and to prevent harborage areas for rodents, roaches, and other vermin.

(3) All floors in rendering establishments shall be constructed of good quality concrete, metal, or other equally impervious and easily cleanable material, and shall be smooth, graded to drain, and provided with an adequate number of trapped drains or other waste-disposal facilities approved by the Health Authority. Gutters, if used to conduct such drainage, shall be so constructed and located as to be easily cleaned and maintained in a sanitary condition.

(4) Walls, partitions, and posts in all rooms and areas of rendering establishments shall be finished with smooth, washable surfaces of concrete, metal, or other equally impervious and easily cleanable material.

(5) Ceilings, or the underside of the roof if used as a ceiling, and exposed overhead structures in all rooms or areas of rendering establishments shall have easily cleanable surfaces.

(6) All outer walls and roofs and openings therein shall be protected against the entrance of insects, rodents, and other vermin; and interior walls, partitions, posts, ceilings, and other overhead structures shall contain no crevices or openings which may provide harborage for rodents or insects.

(7) Sufficient ventilation shall be provided in rendering establishments to dispel disagreeable odors, condensate, and vapor. For this purpose, ventilating equipment such as individual fans, vents, and hoods shall be provided where necessary. Any mechanical ventilating equipment shall be so located and controlled as to prevent finished products or processing equipment from being contaminated from nearby or preceding operations or from other sources.

(8) Employee toilet rooms and dressing rooms shall be adequately vented to the outside air; and all space heaters, gas stoves, water heaters, and any other equipment giving off noxious odors, fumes, or vapors shall be vented to the outside air.

(9) All exhaust outlets from mechanical ventilation devices shall be conducted to the outside air and shall be so arranged, placed, and extended as to avoid creating a nuisance to adjacent areas.

(10) The water supply of each rendering establishment shall be from a public water supply acceptable to the Health Authority; or shall be from a private source complying with the requirements of the Health Authority, located, constructed, and, if necessary, treated so as to provide water of a safe, sanitary quality.

(11) There shall be no physical connection between the plant's water supply and any unsafe or questionable supply. The use of water from any such unsafe or questionable supply shall be permitted only for limited purposes such as fire control or ammonia condensers. In all cases supply lines for unsafe or questionable water shall be clearly identified.

(12) Hot and cold water shall be conveniently accessible to all parts of the establishment. Such water shall be under ample pressure and shall be available through such outlets and in such quantities as may be necessary to meet effectively the needs of the establishment at all times. The hot water system shall have sufficient capacity to furnish ample water with a temperature of at least 180 degrees F. during all periods of processing and cleanup operations.

(13) The plumbing system in each rendering establishment shall be installed in compliance with the state law and applicable local plumbing ordinances; and shall be so designed, installed, and maintained as to protect the plant's water supply from contamination through cross-connections, back siphonage, back-flow leakage, or condensation. The plumbing system shall readily carry away all liquid wastes.

(14) Where necessary to prevent discharge into the drainage system of solid wastes likely to clog the drainage system, the liquid wastes containing such solid materials shall be passed through a separator or indirect-waste receptor which shall effectively retain such solids prior to discharge into the drainage system.

(15) Rendering establishments shall provide toilet and dressing room facilities for employees of each sex. The design, construction, and equipment of such rooms shall require approval of the Health Authority. Provided, however, that this requirement shall have no application to toilet and/or dressing facilities contained in

the managerial office area of a rendering establishment.

(16) A paved area, adequate in size and provided with adequate drains leading to a sanitary sewer system, shall be provided for the washing and sanitizing of trucks.

(c) The provisions of this section shall not apply to rendering establishments in existence and doing business as of the effective date of this Act; provided, however, that should an existing rendering establishment enter upon a program whereby its existing facilities are improved through new construction by the addition thereto or replacement of one or more of the component parts set forth in Subsection (b) above, then such new construction involving an addition or replacement of a Subsection (b) component (but only such new construction and not any other new construction or any already existing Subsection (b) component) shall be in compliance with this section, and a construction permit shall be obtained from the Health Authority (when and as required by this Act).

(d) Nothing contained herein shall require a construction permit from the Health Authority for construction of a new rendering establishment or new construction involving the addition or replacement in an existing rendering establishment of one or more Section 8(b) components where the cost to the rendering establishment of all Section 8(b) components involved and included in the new rendering establishment or the new construction to an existing rendering establishment is less than \$5,000; provided, however, that any and all such construction, notwithstanding the fact that no construction permit is required therefor, shall be undertaken and carried out in compliance with the requirements of Section 8.

#### Related Station Construction

Sec. 9. The construction of a new related station, or any new construction involving the addition to or replacement in an existing related station of one or more of the component parts set forth in Section 8(b) above, not undertaken in connection with and as a part of the construction of or new construction involving an addition of a Section 8(b) component or components to a rendering establishment for which a Rendering Establishment Construction Permit including the related station has been obtained, shall be subject to the provisions and requirements of Section 8, and shall be undertaken and carried out only in compliance with the requirements of Section 8 and after obtaining from the Health Authority (when and as required by this Act) a Related Station Construction Permit.

#### Construction Permits

Sec. 10. (a) Application for a construction permit shall be under oath, shall state what type of construction is contemplated (whether new rendering establishment or new construc-

tion involving the addition or replacement of a Section 8(b) component or components; rendering establishment or related station) shall specify when the proposed construction is to take place, and shall include such relevant information as the Health Authority may require to determine the applicant's compliance with Section 8 of this Act.

(b) Upon filing of an application and payment of the fees required by this Act, the Health Authority shall investigate the facts, and if it shall find that the applicant's proposed construction is within the requirements of Section 8, it shall grant such application and issue to the applicant a construction permit which shall be his permit and authority to carry forward with and complete the proposed construction.

(c) If the Health Authority shall not so find, it shall deny the application and notify the applicant in writing of the particular or particulars in which he fails to meet the requirements of Section 8. The applicant shall have 90 days in which to correct or remedy such shortcomings, at the end of which the Health Authority shall again investigate the facts. If the Health Authority shall then determine that the applicant's operations do not meet the requirements of Section 8, it shall again deny the application and shall promptly notify the applicant in writing of the particulars in which he fails to meet said requirements.

(d) An application twice denied by the Health Authority under Section 10(c) next above shall be deemed cancelled, and no license shall issue thereon; provided, however, that an applicant shall, upon request within 30 days after the second denial, be entitled to a hearing on such application before the Commissioner of Health within 30 days after the date of such request.

(e) The Health Authority shall grant or deny each application within 30 days from its filing with the required fees, or from the expiration of the period in which to correct any shortcomings, if any, or from the hearing thereon, if any, unless the period is extended by written agreement between the applicant and the Health Authority.

#### Contents and Location of Licenses and Permits

Sec. 11. Each operating license and construction permit shall state the address of the rendering establishment, related station, or in the case of a Dead Animal and/or Rendering Raw Material Hauler Operating License, the dead animal and/or rendering raw material hauler, and the name of the licensee or permittee. The license or permit shall be displayed at the place of business named in the license or the place of construction named in the permit. The license or permit shall not be transferable or assignable except upon approval by the Health Authority.

## License and Permit Fees

Sec. 12. The following fees shall accompany each application for an operating license or a construction permit:

## (a) Operating Licenses:

(1) Rendering Establishment Operating License: \$100;

(2) Related Station Operating License: \$75;

(3) Dead Animal Hauler Operating License: \$50;

(4) Rendering Raw Material Hauler Operating License: \$50;

(5) Dead Animal Hauler Operating License and Rendering Raw Material Hauler Operating License combined: \$75.

(b) Construction permits: Rendering Establishment and Related Station Construction Permit fees, both for construction of new rendering establishments or new related stations and for new construction involving an addition or replacement of a Section 8(b) component in an existing rendering establishment or related station, shall be based upon the dollar value (at the cost to the rendering establishment or related station) of the Section 8(b) components included in the new rendering establishment or new related station or the new construction to an existing rendering establishment or related station, according to the following schedule:

Cost of Section 8(b) components	Fee
(1) Less than \$5,000	No Permit Required

## Annual Renewal

Sec. 13. Each license and permit shall remain in full force and effect until relinquished, suspended, revoked, or expired. All operating licenses shall be issued and granted for one year only, and shall be renewed annually, if desired, by the licensee. The annual renewal fee shall be the same as the original

application fee set forth in Section 12 above. Every licensee desiring to renew his operating license shall, on or before each January 1st, pay the Health Authority the required fee. Upon receipt of said fee, the license shall be automatically renewed for the ensuing calendar year. If the annual renewal fee remains unpaid 15 days after written notice of delinquency has been given to the licensee by the Health Authority, the license shall, unless good cause for such failure to renew is shown, thereupon expire, and thereafter shall be renewed only upon a new application pursuant to the provisions of this Act.

## Revocation of Operating Licenses or Construction Permits

Sec. 14. (a) The Commissioner of Health may, after notice and hearing, suspend or revoke any operating license or construction permit if it finds:

(1) that the licensee, either knowingly or without the exercise of due care to prevent the same, has violated any provision of this Act or any regulation or order lawfully made pursuant to and within the authority of this Act; or

(2) that any fact or condition exists which, had it existed or been known to exist at the time of the original application for such license or permit, would have justified the Health Authority in refusing to issue such license or permit.

Upon observing any such violation of this Act, the Commissioner of Health shall call the violation to the attention of the licensee or permittee and allow him a reasonable time to correct the violation; upon the failure of the licensee or permittee to do so, the Health Authority shall give notice of a hearing to suspend or revoke the license or permit, as hereinafter provided.

(b) The hearing shall be held upon 30 days' notice in writing setting forth the time and place thereof and a concise statement of the facts alleged to sustain the suspension or revocation. The hearing shall be full, fair, and public. Such suspension or revocation and its effective date shall be set forth in a written order accompanied by findings of fact, and a copy thereof shall be forthwith delivered to the licensee, or permittee. Such order, findings, and the evidence considered by the Commissioner of Health shall be filed with the public records of the Health Authority.

(c) The Commissioner of Health may reinstate a suspended license or permit or issue a new license or permit to a person whose license or permit has been revoked if no fact or condition exists which would have justified the Health Authority in refusing originally to issue such license or permit under this Act.

## Inspection Required

Sec. 15. At least once each year and at such other times as the Health Authority shall deem necessary, the Health Authority shall make an examination of the place of business

of each operating licensee and the place of construction, so long as it is continuing, of each construction permittee, and shall inquire into and examine the premises, equipment, and operations of such licensee or permittee insofar as they pertain to the matters regulated by this Act. In the course of such examination, the Health Authority shall have free access to the place of business of each operating licensee and the place of construction of each construction permittee. Any licensee or permittee who shall unreasonably fail or refuse to cooperate with and assist the Health Authority in its examination of the licensee or permittee shall thereby be deemed in violation of this Act, and such failure or refusal shall constitute grounds for the suspension or revocation of such license or permit.

#### Dead Animal Records

Sec. 16. (a) Each licensed rendering establishment, related station (under Section 5 above), and dead animal hauler (under Section 6 above) shall provide itself with a Dead Animal Log of a type and size prescribed by the Health Authority. Each such log shall contain in the front thereof the name of the licensed rendering establishment, related station, or dead animal hauler who will use the log. When a licensed rendering establishment, related station, or dead animal hauler receives a dead animal or animals, it shall for each such animal immediately enter upon the Dead Animal Log the following information:

- (1) date and time of pick-up of animal;
- (2) name of driver of collection vehicle;
- (3) description of the dead animal;
- (4) location of the dead animal, including county; and
- (5) the owner of the dead animal, if known.

A record of the general route followed in making such collection shall likewise be kept, either in the log or in an appendix thereto.

(b) The Dead Animal Log maintained by each licensed rendering establishment, related station, or dead animal hauler shall be open for inspection by the Health Authority, or by persons with written authorization from the Health Authority, at all reasonable times. Repeated or willful failure or refusal to produce such log for, or to permit inspection thereof by, persons properly authorized to inspect such log shall constitute grounds for the revocation of such person's operating license.

#### Regulations

Sec. 17. (a) The Commissioner of Health may make regulations necessary for the enforcement of this Act and consistent with all its provisions. Each such regulation shall include reference only to the section or subsection to which it applies. Before making a regulation, the Commissioner of Health shall give every licensee and current permittee at least 30 days' written notice of a public hearing, stating the time and place thereof and the terms or

substance of the proposed regulation. At the hearing, any licensee or current permittee may be heard and may introduce evidence, data, or arguments or place the same on file. No regulation shall be promulgated except after consideration of all relevant matter presented, and every such regulation shall be in written form, stating its effective date and the date of promulgation. Each regulation shall be entered in a permanent book which shall be a public record and be kept in the office of the Health Authority. A copy of every regulation shall be mailed to each licensee and current permittee and no regulation shall become effective until the expiration of at least 30 days after such mailing.

(b) On application of any person and payment of the cost thereof, the Health Authority shall furnish, under its seal and signed by an authorized representative, a certificate of good standing, and a certified copy of any license, permit, regulation, or order.

(c) Any transcript of any hearing held by the Commissioner of Health or findings by the Commissioner of Health or the Health Authority under this Act shall be a public record and open to inspection at all reasonable times.

#### Hearings and Review

Sec. 18. (a) At all hearings before the Commissioner of Health under the provisions of this Act, parties in interest shall have the right to appear in person and by counsel, and to present oral and written evidence. If requested by a party in interest, a record shall be made of all evidence offered by such party and all other evidence considered by the Commissioner of Health.

(b) Any party in interest aggrieved by any order, ruling, or decision of the Commissioner of Health may, within 30 days after the date of entry, file in the District Court of Travis County, Texas, a petition against the Health Authority officially as defendant, alleging therein in brief detail the order, ruling, or decision complained of and praying for a reversal or modification thereof. The Health Authority shall within 30 days after the service upon it of such petition, certify to said district court the record of the proceedings to which the petition refers, or such portion thereof as may be required by the petitioner. The cost of preparing and certifying such record shall be paid to the Health Authority by the petitioner and taxed as a part of the costs of the case. Upon the filing of an answer by the Health Authority, the case before the district court shall be at issue, without further pleadings, and upon application of either party shall be advanced and heard without further delay upon a trial de novo as that term is used in appealing from justice of the peace court to county courts.

(c) Upon a showing of cause therefor by any party in interest, the Commissioner of Health or the court may enter an order staying, pending appeal, the effect of an order of the Commissioner of Health from which the party in interest desires to appeal.

## Penalty for Violations

Sec. 19. (a) Any person who continues operations or construction which is subject to regulation under this Act without obtaining and keeping in force a valid operating license or construction permit, or who willfully falsifies any of the records required by this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than \$50 nor more than \$500, or by imprisonment in the county jail for a period of not more than 30 days, or by both such fine and imprisonment. Each day of such violation shall be a separate offense.

(b) In addition to all actions provided for in this Act and without prejudice thereto, the Health Authority may bring an injunction suit in any district court of this state having jurisdiction and venue to compel compliance with any provision of this Act or restrain any actual or threatened violation thereof. In any such action an order or judgment may be entered awarding such preliminary or final injunction as may be deemed proper.

## Powers of Municipalities, Texas Commercial Feed Control Act of 1957, Pollution Control Laws and Regulations; Unaffected

Sec. 20. Nothing in this Act shall be construed as precluding any municipality from passing any ordinance regulating the rendering business within its boundaries, or as affecting or nullifying any existing municipal law or ordinance regulating such; provided, however, that all rendering establishments, related stations, and dead animal and/or rendering raw material haulers subject to regulation under this Act shall at all times comply with and adhere to the provisions of this Act, whether so required by municipal ordinance or not. Likewise, nothing in this Act shall be construed as affecting, amending or repealing the "Texas Commercial Feed Control Act of 1957," Chapter 23, Acts of the 55th Legislature, Regular Session, 1957,<sup>1</sup> or as repealing or affecting any law of this state or rule or regulation of any public regulatory body having as its subject the control of water or air pollution.

#### State Solid Waste Agency; Designations; Duties

Sec. 3. (a) The department is hereby designated the state solid waste agency with respect to the collection, handling, storage, and disposal of municipal solid waste, and shall be the coordinating agency for all municipal solid waste activities. The department shall be guided by the State Board of Health in its activities relating to municipal solid waste. The department shall seek the accomplishment of the purposes of this Act through the control of all aspects of municipal solid waste collection, handling, storage, and disposal by all practical and economically feasible methods consistent with the powers and duties given the department under this Act and other existing legislation. The department has the powers and duties specifically prescribed in this Act and all other powers necessary or convenient to carry out its responsibilities. The department shall consult with the board with respect to the water pollution control and water quality aspects, and with the Texas Air Control Board with respect to the air pollution control and ambient air quality aspects, of the matters placed under the jurisdiction of the department by this Act.

(b) The board is hereby designated the state solid waste agency with respect to the collection, handling, storage and disposal of industrial solid waste, and shall be the coordinating agency for all industrial solid waste activities. The board shall seek the accomplishment of the purposes of this Act through the control of all aspects of industrial solid waste collection, handling, storage and disposal by all practical and economically feasible methods consistent with the powers and duties given it under this Act and other existing legislation. The board has the powers and duties specifically prescribed in this Act and all other powers necessary or convenient to carry out its responsibilities. The board shall consult with

the department with respect to the public health aspects, and with the Texas Air Control Board with respect to the air pollution control and ambient air quality aspects of the matters placed under the jurisdiction of the board by this Act.

(c) Where both municipal solid waste and industrial solid waste are involved in any activity of collecting, handling, storing or disposing of solid waste, the department is the state agency responsible and has jurisdiction over the activity; and, with respect to that activity, the department may exercise all of the powers, duties and functions vested in the department by this Act.

#### State Agencies; Authority and Powers; Permits

Sec. 4. (a) As used in this section, the term "state agency" refers to either the department or the board, and "state agencies" means both the department and the board.

(b) The department is authorized to develop a state municipal solid waste plan, and the board is authorized to develop a state industrial solid waste plan. The state agencies shall coordinate the solid waste plans developed. Before a state agency adopts its solid waste plan or makes any significant amendments to the plan, the Texas Air Control Board shall have the opportunity to comment and make recommendations on the proposed plan or amendments, and shall be given such reasonable time to do so as the state agency may specify.

(c) Each state agency may adopt and promulgate rules and regulations consistent with the general intent and purposes of this Act, and establish minimum standards of operation for all aspects of the management and control of the solid waste over which it has jurisdiction under this Act, including but not limited to collection, handling, and storage, and disposal by incineration, sanitary landfill, composting, or other method.

(d) Each state agency is authorized to inspect and approve sites used or proposed to be used for the disposal of the solid waste over which it has jurisdiction.

(e) Except as provided in Subsection (f) of this section with respect to certain industrial solid wastes, each state agency has the power to require and issue permits authorizing and governing the operation and maintenance of sites used for the disposal of solid waste. This power may be exercised by a state agency only with respect to the solid waste over which it has jurisdiction under this Act. If this power is exercised by a state agency, that state agency shall prescribe the form of and reasonable requirements for the permit application and the procedures to be followed in processing the application, to the extent not otherwise provided for in this subsection. The following additional provisions apply if a state agency exercises the power authorized in this subsection:

(1) The state agency to whom the permit application is submitted shall mail a

copy of the application or a summary of its contents to the Texas Air Control Board, to the other state agency, to the mayor and health authorities of any city or town within whose extraterritorial jurisdiction the solid waste disposal site is located, and to the county judge and health authorities of the county in which the site is located. The governmental entities to whom the information is mailed shall have a reasonable time, as prescribed by the state agency to whom the application was originally submitted, to present comments and recommendations on the permit application before that state agency acts on the application.

(2) A separate permit shall be issued for each site. The permit shall include the names and addresses of the person who owns the land where the waste disposal site is located and the person who is or will be the operator or person in charge of the site; a legal description of the land on which the site is located; and the terms and conditions on which the permit is issued, including the duration of the permit.

(3) The state agency may extend or renew any permit it issues in accordance with reasonable procedures prescribed by the state agency. The procedures prescribed in Paragraph (1) of this Subsection (e) for permit applications apply also to applications to extend or renew a permit.

(4) Before a permit is issued, extended or renewed, the state agency to which the application is submitted shall issue notice and hold a hearing in the manner provided for other hearings held by the agency.

(5) Before a permit is issued, extended or renewed, the state agency to which the application is submitted may require the permittee to execute a bond or give other financial assurance conditioned on the permittee's satisfactorily closing the disposal site on final abandonment.

(6) If a permit is issued, renewed or extended by a state agency in accordance with this Subsection (e), the owner or operator of the site does not need to obtain a license for the same site from a county, or from a political subdivision exercising the authority granted in Section 6 of this Act.

(7) A permit is issued in personam and does not attach to the realty to which it relates. A permit may not be transferred without prior notice to and prior approval by the state agency which issued it.

(8) The state agency has the authority, for good cause, after hearing with notice to the permittee and to the governmental entities named in Paragraph (1) of this Subsection (e), to revoke or amend any permit it issues for reasons pertaining to public health, air or water-pollution, land use, or violation of this Act or of any oth-

er applicable laws or regulations controlling the disposal of solid waste.

(9) Manufacturing and processing establishments, commonly known as rendering plants, which process for any purpose waste materials originating from animals, poultry, and fish (all hereinafter referred to as "animals") and materials of vegetable origin, including without limitation animal parts and scraps, offal, paunch manure, and waste cooking grease of animal and vegetable origin are subject to regulation under the industrial solid waste provisions of this Act and may also be regulated under the Water Quality Act. When a rendering establishment is owned by a person who operates the rendering establishment as an integral part of an establishment engaged in manufacturing or processing for animal or human consumption food derived wholly or in part from dead, slaughtered, or processed animals, poultry, or fish, the combined business may operate under authority of a single permit issued pursuant to the Water Quality Act. The provisions of this subsection do not apply to those rendering plants in operation and production at the time of the effective date of this Act.

(f) This subsection applies to the collection, handling, storage, and disposal of industrial solid waste which is disposed of within the property boundaries of a tract of land owned and controlled by the owners or operators of the particular industrial plant, manufacturing plant, mining operation, or agricultural operation from which the waste results or is produced, and which tract of land is within 50 miles from the plant or operation which is the source of the industrial solid waste. This subsection does not apply if the waste is collected, handled, stored, or disposed of with solid waste from any other source or sources. The board may not require a permit under this Act for the disposal of any solid waste to which this subsection applies, but this does not change or limit any authority the board may have with respect to the requirement of permits, the control of water quality, or otherwise, under the Texas Water Quality Act. However, the board may adopt rules and regulations as provided under Subsection (c) of this section to govern and control the collection, handling, storage and disposal of the industrial solid waste to which this subsection applies so as to protect the property of others, public property and rights-of-way, groundwater, and other rights requiring protection. The board may require a person who disposes or plans to dispose of industrial solid waste under the authority of this subsection to submit to the board such information as may be reasonably required to enable the board, or the executive director of the board when so authorized by the board, to determine whether in the judgment of the board or the executive director the waste disposal activity is one to which this subsection applies.

(g) The state agencies may, either individually or jointly:

(1) provide educational, advisory, and technical services to other agencies of the state, regional planning agencies, local governments, special districts, institutions, and individuals with respect to solid waste management and control, including collection, storage, handling and disposal;

(2) assist other agencies of the state, regional planning agencies, local governments, special districts, and institutions in acquiring federal grants for the development of solid waste facilities and management programs, and for research to improve the state of the art; and

(3) accept funds from the federal government for purposes relating to solid waste management, and to expend money received from the federal government for those purposes in the manner prescribed by law and in accordance with such agreements as may be necessary and appropriate between the federal government and each state agency.

If a state agency engages in any of the programs and activities named in this subsection on an individual basis, it may do so only as the participation by that state agency is related to the management and control of the solid waste over which it has jurisdiction. When the state agencies do not participate jointly, they shall coordinate on any efforts undertaken by either one individually so that similar programs and activities of the state agencies will be compatible.

(h) The state agencies are authorized to administer and expend state funds provided to them by legislative appropriations, or otherwise, for the purpose of making grants to local governments for solid waste planning, the installation of solid waste facilities, and the administration of solid waste programs. The grants made under the terms of this Act shall be distributed in a manner determined by the state agency to whom the appropriation is made. Any financial assistance granted by the state through either of the state agencies to any local government under the terms of this Act must, at a minimum, be equally matched by local government funds.

#### County Powers

Sec. 5. (a) Every county has the solid waste management powers which are enumerated in this Section 5. However, the exercise of the licensing authority and other powers granted to counties by this Act does not preclude the department or the board from exercising any of the powers vested in the department or the board under other provisions of this Act, including specifically the provisions authorizing the department and the board to issue permits for the operation and maintenance of sites for the disposal of solid waste. The powers specified in Subsections (d) and (e) of this section and Section 18 of House Bill No.

727, Acts of the 62nd Legislature, 1971,<sup>1</sup> may not be exercised by a county with respect to the industrial solid waste disposal practices and areas to which Subsection (f) of Section 4 of this Act applies. The board, by specific action or directive, may supersede any authority or power granted to or exercised by a county under this Act, but only with respect to those matters which are, under this Act, within the jurisdiction of the state agency acting.

(b) A county is authorized to appropriate and expend money from its general revenues for the collection, handling, storage and disposal of solid waste and for administering a solid waste program; and to charge reasonable fees for the services.

(c) A county may develop county solid waste plans and coordinate those plans with the plans of local governments, regional planning agencies, other governmental entities, the department, and the board.

(d) Except as provided in Subsection (a) of this section, a county is empowered to require and issue licenses authorizing and governing the operation and maintenance of sites used for the disposal of solid waste in areas not within the territorial limits of incorporated cities and towns. If this power is exercised, the county shall prescribe the form of and reasonable requirements for the license application and the procedures to be followed in processing the application, to the extent not otherwise provided for in this subsection. The following additional provisions apply if a county exercises the power authorized in this Subsection (d):

(1) The county shall mail a copy of the license application or a summary of its contents to the department, the board, and the Texas Air Control Board, and to the mayor and health authorities of any city within whose extraterritorial jurisdiction the solid waste disposal site is located. The governmental entities to whom the information is mailed shall have a reasonable time, as prescribed by the county, to submit comments and recommendations on the license application before the county acts on the application.

(2) A separate license shall be issued for each site. The license shall include the names and addresses of the person who owns the land where the waste disposal site is located and the person who is or will be the operator or person in charge of the site; a legal description of the land on which the site is located; and the terms and conditions on which the license is issued, including the duration of the license. The county is authorized to charge a fee for a license of not to exceed \$100.00, as set by the commissioners court of the county. Receipts from the fees shall be placed in the general revenue fund of the county.

(3) The county may extend or renew any license it issues in accordance with

reasonable procedures prescribed by the county. The procedures prescribed in Paragraph (1) of this Subsection (d) apply also to applications to extend or renew a license.

(4) No license for the use of a site for disposal of solid waste may be issued, renewed, or extended without the prior approval, as appropriate, of the department or the board, or the executive director of the board when so authorized by the board. If a license is issued, renewed, or extended by a county in accordance with this Subsection (d), the owner or operator of the site does not need to obtain a permit from the department or the board for the same site.

(5) A license is issued in personam and does not attach to the realty to which it relates. A license may not be transferred without prior notice to and prior approval by the county which issued it.

(6) The county has the authority, for good cause, after hearing with notice to the licensee and to the governmental entities named in Paragraph (1) of this Subsection (d), to revoke or amend any license it issues for reasons pertaining to public health, air or water pollution, land use, or violation of this Act or of any other applicable laws or regulations controlling the disposal of solid waste. For like reasons, the department and the board each may, for good cause, after hearing with notice to the licensee, the county which issued the license, and the other governmental entities named in Paragraph (1) of this Subsection (d), revoke or amend any license issued by a county, but only as to those sites which fall, under the terms of this Act, within the jurisdiction of the state agency acting.

(e) Subject to the limitation specified in Subsection (a) of this section, a county may designate land areas not within the territorial limits of incorporated cities and towns as suitable for use as solid waste disposal sites. The county shall base these designations on the principles of public health, safety, and welfare, including proper land use, compliance with state statutes, the reasonable projections of growth and development for any city or town within whose extraterritorial jurisdiction the land area may be located, and any other pertinent considerations.

(f) A county is authorized to enforce the requirements of this Act and the rules and regulations promulgated by the department and the board as related to the handling of solid waste.

(g) Repealed by Acts 1971, 62nd Leg., p. 1763, ch. 516, § 20, eff. Aug. 30, 1971.

(h) A county may enter into cooperative agreements with local governments and other governmental entities for the purpose of the joint operation of solid waste collection, han-

dling, storage and disposal facilities, and to charge reasonable fees for the services.

<sup>1</sup> Article 4477-8, § 18.

#### Political Subdivisions with Jurisdiction in Two or More Counties

Sec. 6. This section applies to a political subdivision of the state which has jurisdiction over two or more counties or parts of two or more counties, and which has been granted the power by the Legislature to regulate solid waste handling or disposal practices or activities within its jurisdiction. The governing body of such a political subdivision may, by formal resolution, assume for the political subdivision the exclusive authority to exercise, within the area subject to its jurisdiction, the powers granted in this Act to a county, to the exclusion of the exercise of the same powers by the counties otherwise having jurisdiction over the area. In the exercise of these powers the political subdivision is subject to the same duties, limitations and restrictions applicable to counties under this Act. When a political subdivision assumes this authority, it shall also serve as the coordinator of solid waste handling and disposal practices and activities for all cities, counties and other governmental entities within its jurisdiction which have solid waste disposal regulatory powers or engage in solid waste handling or disposal practices or activities. Once a political subdivision assumes the authority granted in this section, it is empowered to and shall exercise the authority so long as the resolution of the political subdivision remains in effect.

#### Restrictions on Use of Disposal Site or Sanitary Landfill

Sec. 6a. (a) No incorporated city or town may abolish or restrict the use or operation of a solid waste disposal site or sanitary landfill within its limits or extraterritorial jurisdiction if the solid waste disposal site or sanitary landfill:

(1) was in existence at the time the city or town was incorporated or was in existence at the time the city or town annexed the area where it is located; and

(2) is operated in substantial compliance with all applicable state and county regulations.

(b) An incorporated city or town or a political subdivision operating a solid waste disposal site or sanitary landfill shall not be prevented from operating the solid waste disposal site or sanitary landfill on the ground that it is located within the limits or extraterritorial jurisdiction of another city or town.

#### Right of Entry; Inspections

Sec. 7. The authorized agents or employees of the department, the board, and local governments have the right to enter at all reasonable times in or upon any property, whether public or private, within the governmental entity's jurisdiction, including in the case of an incorporated city or town its extraterritorial jurisdic-

tion, for the purpose of inspecting and investigating conditions relating to solid waste management and control. Agents and employees shall not enter private property having management in residence without notifying the management, or the person in charge at the time, of their presence and exhibiting proper credentials. The agents and employees shall observe the rules and regulations of the establishment being inspected concerning safety, internal security, and fire protection.

**Prohibited Acts; Violations; Penalties; Injunction**

Sec. 8. (a) No person may cause, suffer, allow or permit the collection, storage, handling or disposal of solid waste, or the use or operation of a site for the disposal of solid waste, in violation of this Act or of the rules, regulations, permits, licenses or other orders of the department or the board, or a county or a political subdivision exercising the authority granted in Section 6 of this Act within whose jurisdiction the violation occurs.

(b) Any person who violates any provision of this Act or of any rule, regulation, permit, license, or other order of the department or the board, or a county or a political subdivision exercising the authority granted in Section 6 of this Act within whose jurisdiction the violation occurs, is subject to a civil penalty of not less than \$50.00 nor more than \$1,000.00 for each act of violation and for each day of violation, as the court may deem proper, to be recovered in the manner provided in this Section 8.

(c) Whenever it appears that a person has violated, or is violating or threatening to violate, any provision of this Act, or of any rule, regulation, permit, or other order of the department or the board, then the department or the board, or the executive director of the board when so authorized by the board, may cause a civil suit to be instituted in a district court for injunctive relief to restrain the person from continuing the violation or threat of violation, or for the assessment and recovery of a civil penalty of not less than \$50.00 nor more than \$1,000.00 for each act of violation and for each day of violation, as the court may deem proper, or for both injunctive relief and civil penalty. Upon application for injunctive relief and a finding that a person is violating or threatening to violate any provision of this Act or any rule, regulation, permit, or other order of the department or the board, the district court shall grant appropriate injunctive relief. At the request of the department or the board, or the executive director of the board when so authorized by the board, the attorney general shall institute and conduct a suit in the name of the State of Texas for injunctive relief or to recover the civil penalty, or for both injunctive relief and penalty, as authorized in this subsection.

(d) Whenever it appears that a violation or threat of violation of any provision of this Act, or of any rule, regulation, permit, license, or other order of the department, the board, a county, or a political subdivision exercising the

authority granted in Section 6 of this Act, has occurred or is occurring within the jurisdiction of that county or political subdivision, the county or political subdivision, in the same manner as the board and the department, may cause a civil suit to be instituted in a district court through its own attorney for the injunctive relief or civil penalties, or both, as authorized in Subsection (c) of this section, against the person who committed, is committing, or is threatening to commit, the violation.

(e) Whenever it appears that a violation or threat of violation of any provision of this Act, or of any rule, regulation, permit, license, or other order of the department, the board, a county, or a political subdivision exercising the authority granted in Section 6 of this Act, has occurred or is occurring within the area of the extraterritorial jurisdiction of an incorporated city or town, or is causing or will cause injury to or an adverse effect on the health, welfare or physical property of the city or town or its inhabitants, then the city or town, in the same manner as the board and the department, may cause a civil suit to be instituted in a district court through its own attorney for the injunctive relief or civil penalties, or both, as authorized in Subsection (c) of this section, against the person who committed, is committing, or is threatening to commit, the violation.

(f) A suit for injunctive relief or for recovery of a civil penalty, or for both injunctive relief and penalty, may be brought either in the county where the defendant resides or in the county where the violation or threat of violation occurs. In any suit brought to enjoin a violation or threat of violation of this Act or of any rule, regulation, permit, license or other order of the board, the department, a county, or a political subdivision exercising the authority granted in Section 6 of this Act, the court may grant the governmental entity bringing the suit, without bond or other undertaking, any prohibitory or mandatory injunction the facts may warrant, including temporary restraining orders after notice and hearing, temporary injunctions, and permanent injunctions.

(g) In a suit brought by a local government under Subsection (d) or (e) of this section, the board and the department are necessary and indispensable parties.

(h) Any party to a suit may appeal from a final judgment as in other civil cases.

(i) All civil penalties recovered in suits instituted under this Act by the State of Texas through the board or the department shall be paid to the General Revenue Fund of the State of Texas. All civil penalties recovered in suits first instituted by a local government or governments under this Act shall be equally divided between the State of Texas on the one hand and the local government or governments on the other, with 50 per cent of the recovery to be paid to the General Revenue Fund of the State of Texas and the other 50 per cent equally to the local government or governments first instituting the suit.

Appeals

Sec. 9. A person affected by any ruling, order, decision, or other act of the department or the board may appeal by filing a petition in a district court of Travis County. A person affected by any ruling, order, decision, or other act of a county, or of a political subdivision exercising the authority granted in Section 6 of this Act, may appeal by filing a petition in a district court having jurisdiction in the county or political subdivision. The petition must be filed within 30 days after the date of the action, ruling, order, or decision of the governmental entity complained of. Service of citation must be accomplished within 30 days after the date the petition is filed. The plaintiff shall pursue his action with reasonable diligence. If the plaintiff does not prosecute his action within one year after the action is filed, the court shall presume that the action has been abandoned. The court shall dismiss the suit on a motion for dismissal made by the governmental entity whose action is appealed, unless the plaintiff, after receiving due notice, can show good and sufficient cause for the delay. In an appeal from an action by the department, the board, a county, or a political subdivision exercising the authority granted in Section 6 of this Act, the issue is whether the action is invalid, arbitrary or unreasonable.

Cumulative Act

Sec. 10. This Act is cumulative of and supplemental to any other laws and parts of laws relating to the same subject and does not repeal those other laws or parts of laws. Nothing in this Act diminishes or limits, or is intended to diminish or limit, the authority of the department, the board, the Texas Air Control Board, or local governments in performing any of the powers, functions, and duties vested in those governmental entities by other laws.

Severability

Sec. 11. The provisions of this Act are severable. If any word, phrase, clause, sentence, section, provision or part of this Act should be held to be invalid or unconstitutional, it shall not affect the validity of the remaining portions, and it is hereby declared to be the legislative intent that this Act would have been passed as to the remaining portions, regardless of the invalidity of any part.

Disposal Systems; Acquisition, Etc., Purchase, Sale or Operating Agreements; Leases

Sec. 4. A county may acquire, construct, improve, enlarge, extend, repair, operate, or maintain all or any part of one or more solid waste disposal systems, and may make contracts with any person under which the county will collect, transport, handle, store, or dispose of solid waste for such person. A county may also enter into contracts with any person to purchase or sell, by installments over such

term as may be deemed desirable, or otherwise, all or any part of any solid waste disposal system. A county is also authorized to enter into operating agreements with any person, for such terms and upon such conditions as may be deemed desirable, for the operation of all or any part of any solid waste disposal system by any person or by the county; and a county may lease to or from any person, for such term and upon such conditions as may be deemed desirable, all or any part of any solid waste disposal system.

#### Eminent Domain

Sec. 5. A county shall have the power and right to acquire by purchase, lease, gift, condemnation, or in any other manner, and to own, maintain, use, and operate any and all property of any kind, real, personal, or mixed, or any interest therein necessary or convenient to the exercise of the powers and purposes authorized by this Act. Such power of eminent domain shall be restricted to the respective county and be exercised in the manner provided in the laws applicable or available to counties.

#### Public Agencies; Contracts with County for Disposal Services; Authorization

Sec. 6. Public agencies are hereby authorized to make contracts with a county under which the county will make all or any part of a solid waste disposal system available to a public agency or group of public agencies or to other persons and furnish solid waste collection, transportation, handling, storage, or disposal services by the county's system. The contract may be upon such terms and for such periods of time as the parties may agree and may provide that it will remain in effect until any bonds issued or to be issued by the county, and any bonds which may be issued to refund the same, are paid; the contract may contain provisions to assure equitable treatment of parties who contract with the county for solid waste collection, transportation, handling, storage, or disposal services from all or any part of the same solid waste disposal system; shall provide the method of determining the amounts to be paid by the public agency to the county; may provide for the sale or lease to or use of by the county of any solid waste disposal system or any part thereof at the time owned or to be acquired by the public agency; may provide that the county shall operate any solid waste disposal system or part thereof at the time owned or to be acquired by the public agency; may provide that the public agency shall have the right to continued performance of such services after the amortization of the county's investment in the disposal system during the useful life thereof upon payments of reasonable charges therefor, reduced to take into consideration such amortization; and may contain such other provisions and requirements as the county and the public agency may determine to be appropriate or necessary. A city may also provide in its contract that the county shall

have the right to use the streets, alleys, and public ways and places within the city during the term of the contract.

#### Payments by Public Agency to County for Disposal Services; Sources

Sec. 7. Payments by a public agency to the county for solid waste collection, transportation, handling, storage, or disposal services may be made from the income of the public agency's solid waste disposal fund as may be prescribed in the contract between the county and the public agency. Such payments shall constitute an operating expense of such fund the revenues of which are thus to be applied. Payments to be made under the contract by the public agency may also be made from the revenues of the public agency's water, sewer, electric, gas, or any combination of utility systems, but in such event shall be subordinate to amounts required to be paid from the revenues of such system or systems for principal of and interest on bonds of the public agency which are outstanding at the time of the making of the contract and which are payable from such revenues unless the ordinance or resolution authorizing such outstanding bonds of the public agency expressly reserves the right to accord such contract payments a position of parity with, or a priority over, such public agency's bond requirements. Unless the alternative procedure prescribed in Section 8 is followed, neither the county nor a holder of any bonds of the county shall have the right to demand payment of the public agency's obligation out of any funds raised or to be raised by taxation. If the alternative procedure prescribed in Section 8 is followed, payments under the contract may be payable from and constitute solely an obligation against the taxing powers of the public agency or may be payable both from taxes and from such revenues as may be prescribed in the contract.

#### Alternative Procedure for Payments by Public Agency to County; Bond Election; Taxes

Sec. 8. (a) If an election is held substantially according to applicable procedure prescribed in Chapter 1, Title 22, Revised Civil Statutes of Texas, as amended,<sup>1</sup> in reference to the issuance of bonds by cities, by a public agency having taxing powers, and in such election it is determined that the governing body of the public agency is authorized to levy an ad valorem tax to pay all or a portion of the payments to be made by the public agency under a contract between the public agency and a county to be authorized by the governing body of the public agency, the contract, in such event, will constitute an obligation against the taxing power of the public agency to the extent therein provided. No election is required for the exercise of any power conferred by this Act except for the levy of such tax.

(b) Only qualified electors of the public agency shall be entitled to vote at such election. Except as otherwise provided in this sec-

tion and in said Chapter 1, Title 22, the general election code<sup>2</sup> shall govern such election.

<sup>2</sup> Election Code, art. 1.01 et seq.

**Payments by Public Agency to County from Solid Waste Disposal Fund; Adjustment of Rates for Adequate Revenue**

Sec. 9. Whenever a public agency shall have executed a contract with a county under this Act and the payments thereunder are to be made either wholly or partly from the revenues of the public agency's solid waste disposal fund, the duty is hereby imposed on the public agency to establish and maintain and from time to time to adjust the rates charged by the public agency to the end that the revenues therefrom, together with any taxes levied in support thereof, will be sufficient at all times to pay the expense of operating and maintaining such service or system, all of the public agency's obligations to the county under the contract, and all of the public agency's obligations under and in connection with bonds theretofore issued, or which may be issued thereafter, secured by revenues of such service or system. The contract may require the use of consulting engineers and financial experts to advise the public agency whether and when such rates are to be adjusted.

**Rendering of Disposal Services Concurrently to More Than One Person; Contracts; Allocation of Cost**

Sec. 10. Any contract or group of contracts under this Act may provide for services to be rendered concurrently by the county to more than one person relating to the construction or operation of all or any part of a solid waste disposal system and provide that the cost of such services shall be allocated among the several persons as determined in the contract or group of contracts.

**Bonds; Pledge of Revenues from Contracts**

Sec. 11. For the purpose of acquiring constructing, improving, enlarging, extending, and repairing all or any part of a solid waste disposal system or systems, a county is authorized to issue bonds payable from and secured by a pledge of all or any part of the revenues to accrue under any contract or contracts made under this Act and from any other income pledged by the county. Said bonds shall constitute investment securities governed by Chapter Eight, Uniform Commercial Code,<sup>1</sup> and shall be in such form and denomination and shall bear such rate or rates of interest as are prescribed by the governing body of the county. A county is likewise authorized to refund any bonds issued under this Act upon such terms and conditions and bearing such rate or rates of interest as the governing body may prescribe. Said bonds may be sold at such price or prices and upon the terms determined by the governing body of the county at public or private sale or may be exchanged for property of any kind, real, personal, or mixed, or any interest therein deemed by the governing

body of the county to be necessary or convenient to the purposes authorized by this Act. Pending the issuance of definitive bonds, a county may issue negotiable interim bonds or obligations eligible for exchange or substitution by use of definitive bonds.

<sup>1</sup> Business and Commerce Code, § 8.101 et seq.

**Collection of Rates and Charges to Maintain Adequate Revenue; Allocation of Bond Proceeds**

Sec. 12. While any such bonds are outstanding, it shall be the duty of the governing body of the county to fix, maintain, and collect rates and charges for services furnished or made available by the solid waste disposal system adequate to pay maintenance and operation costs of and expenses allocable to the solid waste disposal system and the principal of and interest on such bonds and to provide and maintain the funds created by the resolution authorizing the bonds. Interest to accrue on the bonds, administrative expenses to estimated date when the solid waste disposal system will become revenue producing, and reserve funds created by the resolution authorizing the bonds may be set aside out of bond proceeds.

**Establishment of Disposal Service as a Utility; Use of Service; Fees; Enforcement of Collection**

Sec. 13. Any public agency or any county may offer solid waste disposal service to persons within its boundaries, may require the use of such service by any or all such persons, may charge fees therefor, and may establish said service as a utility separate from other utilities within its boundaries. To aid in enforcing collection of fees for such solid waste disposal service, any public agency or county may suspend service from any or all other utilities owned or operated by it to any person who may become delinquent in payment of solid waste disposal service fees until such delinquency has been paid in full.

**Approval of Bonds and Contracts; Registration; Validation**

Sec. 14. After any bonds are authorized to be issued by a county pursuant to the powers provided in this Act, such bonds and the record relating to their issuance may be submitted to the Attorney General for his examination as to the validity thereof. Where such bonds recite that they are secured by pledge of the proceeds of a contract or contracts between the county and a public agency, a copy of such contract and the proceedings of the public agency authorizing same may also be submitted to the Attorney General. If the Attorney General finds that such bonds have been authorized and the contracts have been made in accordance with the Constitution and laws of the State of Texas, he shall approve the bonds and such contracts; and the bonds shall be registered by the Comptroller of Public Accounts. Thereafter, the bonds and contracts, if any, shall be valid and binding and shall be incontestable for any cause. In lieu of, or in addition to, such approval by the Attorney General, the board of directors of the district may have

any such bonds validated by suit in the District Court in the manner and with the effect provided in Chapter 316, Acts of the 56th Legislature.<sup>1</sup> The interest rate and sale price of the bonds need not be fixed until after the termination of the validation proceedings or suit. If the proposed bonds recite that they are secured by the proceeds of a contract or contracts made by the district and one or more public agencies, the petition shall so allege; and the notice of the suit shall mention such allegation and each public agency's fund or revenues from which such contract or contracts are payable. Such suit shall be in the nature of a proceeding in rem. The judgment shall be res adjudicata as to the validity of such bonds and any such contract or contracts and the pledge of revenues thereof.

<sup>1</sup> Article 4717m.

#### Investment of Bond Proceeds

Sec. 15. Proceeds from the sale of bonds may be invested, pending their use, in such securities or time deposits as are specified in the resolution authorizing the issuance of the bonds or the trust indenture securing them; and the earnings on such investments may be applied as provided in such resolution or trust indenture.

#### Bonds as Legal Investments and Security for Deposits

Sec. 16. All bonds issued under this Act shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fiduciaries, trustees, and for the sinking funds of cities, towns, villages, school districts, or any other political corporation or subdivision of the State of Texas. Such bonds shall be eligible to secure the deposits of any and all public funds of the State of Texas and of any political subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for said deposits to the extent of their value when accompanied by all unmatured coupons appurtenant thereto.

#### Relocation of Highways, Railroads, or Utility Facilities at County Expense

Sec. 17. In the event that any county, in the exercise of the power of eminent domain or power of relocation, or any other power granted hereunder, makes necessary the relocation, raising, rerouting or changing the grade of, or altering the construction of, any highway, railroad, electric transmission line, telegraph or telephone properties and facilities, or pipeline, all such necessary relocation, raising, rerouting, changing of grade or alteration of construction shall be accomplished at the sole expense of the county. The term "sole expense" shall mean the actual cost of such relocation, raising, lowering, rerouting, or change in grade or alteration of construction in providing comparable replacement without enhancement of such facilities, after deducting therefrom the net salvage value derived from the old facility.

#### Regulations; Ordinances; Guidelines; Adoption Procedures

Sec. 18. (a) Subject to the limitation prescribed in Subsection (a), Section 5, Solid Waste Disposal Act,<sup>1</sup> a county, acting through its commissioners court, may make regulations for the areas of the county not within the territorial limits or extraterritorial jurisdiction of incorporated cities and towns to provide for governing and controlling solid waste collection, handling, storage, and disposal. The regulations shall not authorize any activity, method of operation, or procedure which is prohibited by the Solid Waste Disposal Act or by the rules and regulations of the State Department of Health or the Texas Water Quality Board or the board. The county shall not, in its regulations, under the licensing power granted in the Solid Waste Disposal Act, or otherwise, impose any unreasonable requirements on the disposal of such solid waste in the county not warranted by the circumstances. The county may prohibit the disposal of any solid waste within the county if the disposal of the solid waste is a threat to the public health, safety, and welfare. The county may institute legal proceedings to enforce its regulations.

(b) To prohibit the disposal of solid waste within the county, the commissioners court must adopt an ordinance in the general form as prescribed for municipal ordinances specifically designating the area of the county in which the disposal of solid waste shall not be prohibited, unless such county has adopted solid waste disposal guidelines approved by the State Department of Health.

(c) The ordinance required in Subsection (b) of this section may be passed on first reading; however, such proposed ordinance must be published in a newspaper of general circulation in the county for two consecutive weeks before such proposed ordinance is taken up by the Commissioners court, and such publication shall contain:

(1) a statement of the time, place, and date such proposed ordinance shall be considered by the commissioners court, and

(2) notice that any interested citizen of the county may testify at such hearing.

(d) A public hearing shall be had on the proposed ordinance before it is considered by the commissioners court, and any interested citizen of the county shall be allowed to testify.

<sup>1</sup> Article 4477-7, § 5(a).

Sections 21 to 24 of the 1971 act provided:

"Sec. 21. This Act is cumulative of other statutes now or hereafter enacted governing the Texas Water Quality Board, the Texas Air Control Board, and the Texas State Department of Health relating to the issuance of bonds; the collection, transportation, handling, storage, or disposal of solid wastes; and the design, construction, acquisition, or approval of facilities for such purposes.

"Sec. 22. This Act and all of the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein, and the powers granted under this Act shall be in addition to and not in derogation of any and all existing powers of any county or public agency. Chapter 854, Acts of the 61st Regular

Legislature (compiled as Article 2351g-2, Vernon's Texas Civil Statutes) is hereby repealed; otherwise, this Act shall not be deemed to repeal, expressly or by implication, any power or right granted to any county or to any public agency; and any county or public agency having powers under existing law similar to or in the nature of those granted hereunder may continue to operate and act in the exercise of such powers or may operate and act under the powers granted herein or both. This Act shall, however, constitute full authority for any county and any public agency and any person to enter into any contracts as authorized herein, for any county to authorize and issue bonds in accordance with the provisions hereof, and for any county to exercise any power granted herein without reference to the provisions of any other general or special law or specific act or charter; and no other general or special law or specific act or charter provision which in any way limits or restricts or imposes additional requirements upon the carrying out of any of the matters herein authorized to be done shall ever be construed as applying to any action or proceeding taken hereunder or done pursuant hereto except as expressly provided to the contrary in this Act.

"Sec. 23. All acts and proceedings of the governing bodies of any county or any public agency heretofore accomplished in the authorization and execution of solid waste disposal contracts as contemplated by said Chapter 854 as well as the terms and provisions of said contracts themselves are hereby ratified, approved, confirmed, and validated in all respects as of the respective dates thereof with the parties thereto bound accordingly until the terms and provisions of said contracts are lawfully changed by mutual consent of the parties thereto. All bonds authorized and issued by any district as contemplated by said Chapter 854 are also hereby ratified, approved, confirmed, and validated. Notwithstanding the foregoing provisions of this section, nothing herein shall validate any contract or any bonds now involved in litigation questioning the validity thereof if the question is ultimately determined against the validity thereof.

"Sec. 24. If any section, sentence, clause, or phrase of this Act is for any reason held to be unconstitutional, such invalid portion shall not affect the validity of the remaining portions of this Act. The Legislature hereby declares that it would have passed the valid portions of this Act irrespective of the fact that any one or more portions be declared unconstitutional."

Any person who shall dump or otherwise dispose of trash, junk, garbage, refuse, unsightly matter, or other solid waste on public highways, rights-of-way, on other public or private property, or into any inland or coastal waters of Texas without written consent of the owner, his agent, or the public official in charge thereof shall be guilty of a misdemeanor and upon conviction shall be fined not less than \$15 nor more than \$200. Every law enforcement officer of this State and its subdivisions shall have authority to enforce the provisions of this Act.

(b) All local health authorities shall keep a careful and accurate record of all cases of tuberculosis as reported to them with the date, name, age, sex, race, location, and such other necessary data as may be prescribed by the Texas State Department of Health. Such health authorities shall make a monthly report of all tuberculosis cases of which they may be cognizant to the Department before the fifth of the following month upon blank forms provided by the Department. These reports may be used by the Department for any and all purposes consistent with the care and treatment of individuals afflicted with tuberculosis, for research purposes, for statistical purposes, for investigative purposes, with the ultimate goal being the eradication of tuberculosis in Texas.

(c) It shall be the duty of every physician and of every other person who examines or treats a person having tuberculosis to instruct him in measures for preventing the spread of such disease and of the necessity for treatment until cured. All local health authorities are hereby directed and authorized to maintain isolation and practice disinfection of all such tuberculosis patients, vehicles, or premises which are infected or are suspected

of being infected with tuberculosis whenever found.

Measures for Protection of Persons Not Infected  
by Tuberculosis

Sec. 5. Upon receipt of a report of a case of tuberculosis, the local health authority shall institute measures for protection of other persons from infection by such diseased person.

(a) All duly authorized health authorities of this State are authorized to notify any person who is known to be infected with tuberculosis, to place himself under the medical care of a physician licensed by the Texas State Board of Medical Examiners, hospital, or clinic, for treatment or examination until such physician, hospital, or clinic shall furnish such health authority with a certificate that such person examined or treated is free from tuberculosis in an infectious or contagious state. The certificate shall state that the person examined has been given an actual and thorough examination. The test or tests for tuberculosis shall be that type of test or tests as approved by the Department. Such certificates shall also contain the report of the test.

(b) Physicians, local health authorities, and all other persons are prohibited from issuing certificates of freedom from tuberculosis unless the examination and tests provided for are complied with and the person so examined is found free from tuberculosis in an infectious or contagious state. Before a certificate of freedom from tuberculosis can be issued in the case of a person who has previously been infected with tuberculosis, it will be necessary that the physician or person on giving the certificate shall submit to the local health authority a report of the person showing that a test or tests as are prescribed by the Department to prove freedom from tuberculosis have been given by such physician or made by a laboratory approved by the Department and that the results show that the person is no longer infected with tuberculosis in an infectious or contagious state.

(c) Any person who violates the provisions of Section 4(d), or who fails to follow the directions of the local health authority, or who fails to follow the directions of his attending physician pursuant to Section 4(c), or who in the opinion of the local health authority cannot be treated with reasonable safety to the public, at home, may be quarantined, as that term is hereinafter defined, and the local health authority may direct, pursuant to rules and regulations promulgated by the Department, the removal of the person to a suitable place for examination, and if such person is found to be infected with tuberculosis in an infectious and contagious state, then such person may be quarantined, as that term is hereinafter defined,

until such person is no longer in an infectious and contagious state.

Quarantine, as used in this Section, means the limitation of movement and separation, during that period of time while infectious and contagious, from other persons not so infected, in such places and under such conditions as will prevent the direct or indirect conveyance of such infectious or contagious condition to others not so infected.

A person found to be infected with tuberculosis in an infectious and contagious state and quarantined under the provisions of this Section may be placed in any place suitable for the detention and segregation required under the provisions of this Section. If suitable facilities are not available within the jurisdiction of the local health authority, then in such event, the person so quarantined may be transported to a State tuberculosis hospital designated by the Board. The Board is hereby empowered and directed to provide suitable facilities for detention of such individuals.

The Commissioners Courts of the various counties and the governing body of all incorporated towns and cities are hereby empowered to provide suitable places for the detention of persons who may be subject to quarantine and who should be segregated for the execution of the provisions of this Section; and such commissioners courts and governing body of incorporated cities and towns are hereby authorized to incur on behalf of their said counties, cities, or towns, the expenses necessary to the enforcement of this Section.

The Commissioners Courts of the various counties and the governing body of all incorporated towns and cities are hereby empowered and directed to provide transportation to the State tuberculosis hospital so designated by the Board for any person quarantined under the provisions of this Section when suitable facilities are not available within the jurisdiction of the local health authority.

The local health authority shall inform all persons who are to be released from quarantine for tuberculosis, in case they are not cured, what further treatment should be taken to complete their cure.

(d) It shall be the duty of all persons infected with tuberculosis, or who, from exposure to tuberculosis, may be liable to endanger others who may come in contact with them, to strictly observe such instructions as may be given them by any local health authority of the State in order to prevent the spread of tuberculosis.

(e) If an attending physician or other person knows or has good reason to suspect that a person having tuberculosis is so conducting himself or herself so as to expose other persons to infection or is

about so to conduct himself or herself, he shall notify the local health authority of the name and address of the diseased person and the essential facts in the case, and the local health authority shall investigate the facts of the case and shall adopt or employ the necessary sanitary measures as set out herein.

(f) No person shall offer for hire or cause or permit any one to occupy residences or living premises previously occupied by a person ill with tuberculosis until such residences or living premises shall have been disinfected under the supervision of the local health authority.

(g) Whenever these rules and regulations, or whenever the order or direction of the local health authority requiring the disinfection of articles, premises, or apartments, shall not be complied with, or in case of any delay, said authority shall forthwith cause to be placed upon the door of the residence or living premises a placard as follows: "These residences or living premises have been occupied by a patient suffering with tuberculosis and they may have become infected. They must not again be occupied until my orders directing the renovation and disinfection of same have been complied with. This notice must not be removed, under penalty of law, except by an authorized health official."

(h) Every hotel proprietor, keeper of a boarding house or inn, and householder or head of a family in a house wherein any case of tuberculosis may occur, shall report the same to the local health authority within twelve (12) hours of the time of his or her first knowledge of the nature of such disease, unless previous notice has been given by the physician in attendance, nor shall any occupant of said house change his residence elsewhere without the consent of the local health authority.

No hotel proprietor, keeper of a boarding house or inn, or householder or head of a family wherein any case may occur shall be held liable for reporting a known or suspected case of tuberculosis so long as such report is based upon reasonable belief that the individual or individuals so reported have, or are suspected of having, tuberculosis.

(i) Immediately after being notified of any case of tuberculosis, the local health authority shall send to the attending physician or with his approval directly to the patient, any such information that might be available by either the Department or the Board relative to the prevention and control of such disease.

#### Violations; Penalties

Sec. 6. Any person violating the provisions of Sections 4 or 5 of this Act shall be guilty of a misdemeanor and upon conviction shall be

punished by a fine of not less than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) and/or by imprisonment in the county jail for not more than thirty (30) days.

#### Local Regulations

Sec. 7. These regulations shall not be construed to prevent any city, county, or town from establishing such types of disinfection, isolation, control, and management of tuberculosis cases which they deem necessary for the preservation of the health of the individuals and the public; provided that such rules and regulations are not inconsistent with the provisions of this Code and are subordinate to said Code, and the rules and regulations prescribed by the Department. The local health authority shall at once furnish the Department with a true copy of any such regulations adopted by said local authorities.

Provided, however, that no provision in this Act shall be construed in any manner such that it would deprive any person of his right to depend on prayer or spiritual means alone for healing, in the practice of the principles, tenets, or teachings of his religion; provided that in so doing the sanitary, isolation and quarantine rules and regulations under this Act are complied with.

#### Who Admitted

Sec. 8. Persons afflicted with tuberculosis who shall have been residents of this State at the time of filing of their applications with the county judge as hereinafter provided, shall be admitted to State Tuberculosis Hospitals.

Non-resident indigents afflicted with tuberculosis who have been quarantined under the provisions of Section 5 herein may be admitted to a State tuberculosis hospital pending their return to the State of their residence.

#### Classification of Patients

Sec. 9. Patients admitted to State tuberculosis hospitals shall be two (2) classes:

- (1) Indigent public patients and
- (2) Non-indigent public patients.

(a) Indigent public patients are those who possess no property of any kind nor have anyone legally responsible for their support, and who are unable to reimburse the State. This class shall be supported at the expense of the State.

(b) Non-indigent public patients are those who possess some property out of which the State may be reimbursed, or who have someone legally responsible for their support. This class shall be kept and maintained at the expense of the State as in (a) above, but in such case the State shall have the right to be reimbursed for the support of such patients, and the claim of the State shall constitute a valid lien against any property of any such patient, or in case he has a

guardian, against any property of his which is in the possession of said guardian, or against the person or persons who may be legally responsible for his support and financially able to contribute as herein provided. Such claim may be collected by suit or other proceedings in the name of the State of Texas by the County or District Attorney of the county from which said patient is sent or the Attorney General against such patient or his guardian or the person or persons legally responsible for his support; and the suit shall be brought in the county from which such patient was sent. Such suit shall be instituted upon the written request of the head of the State tuberculosis hospital accompanied by a certificate as to the amount due the State, which in no case shall exceed the actual cost of maintaining and treating such patient. In all suits or proceedings, the certificate of the head of the hospital shall be sufficient evidence of the amount due the State for the support of such patient. It shall be the duty of said Attorney upon such request being made to institute and conduct such proceedings and for which he shall be entitled to a commission of ten per cent (10%) of the amount collected. All moneys so collected, less such commission, shall be paid by said County Attorney to the head of said hospital, who shall receive and receipt for the same.

#### Application for Admission

Sec. 10. The patient, or parent, guardian, or friend of any patient, seeking admission may make application in writing and under oath to the county judge of the county wherein such patient resides, for admission of said patient into a State tuberculosis hospital. Such application for admission shall be in the form and contain such information as prescribed by the Board.

Provided, however, that upon the recommendation of any physician licensed to practice medicine in Texas the Board in its discretion may admit, immediately and directly to a State tuberculosis hospital, without application being made to the County Judge of the county wherein the patient resides, any child under the age of six (6) years who is afflicted with tuberculosis.

#### Certificate of Examination

Sec. 11. The application for admission to a State tuberculosis hospital shall be accompanied by a certificate of a physician licensed to practice medicine in the State of Texas by the Texas State Board of Medical Examiners, or in the case of indigent patients by a certificate from the local health authority if such individual or individuals are licensed to practice med-

icine in the State of Texas by the Texas State Board of Medical Examiners, stating that he has thoroughly examined the person for whose admission application has been made, and that such person is suffering from tuberculosis. The certificate shall be in the form and contain such information as prescribed by the Board.

In the event that the person applying for admission to a State tuberculosis hospital is afflicted with a contagious, infectious, or transmissible disease other than tuberculosis, then in such event the head of the State tuberculosis hospital to whom application has been made may use the presence of such contagious, infectious, or transmissible disease other than tuberculosis as a valid reason for delaying admission until such contagious disease is rendered non-contagious.

It shall be the duty of the County Judge to certify that the physician making the certificate is a reputable physician actively engaged in the practice of his profession, and has complied with the laws of this State governing licenses to practice medicine.

#### Duties of Board

Sec. 12. (a) The Board upon receiving an application for admission to a State tuberculosis hospital shall designate the State tuberculosis hospital to which the application shall be sent. The hospital so designated by the Board upon receipt of such application shall review the same for purpose of approval or disapproval. Due consideration shall be given by the Board to the wishes of the patient and the accessibility to the State tuberculosis hospital when designating the hospital to which the application for admission will be sent.

(b) The Board shall prepare and adopt by-laws, rules, and regulations for the government, control, and management of all State tuberculosis hospitals, prescribing the duties of all officers and employees, and for enforcing the necessary discipline and restraint of all patients.

(c) The Board shall appoint for each of said tuberculosis hospitals a physician licensed to practice medicine in the State of Texas by the Texas State Board of Medical Examiners. Each physician so appointed shall be the head of the hospital under his control and shall have power to remove with just cause any person employed in said hospital over which he has such authority. Any such physician so appointed shall be removable at the discretion of the Board. The provisions applying to the powers and duties of the Board and of the head of the hospital as set forth in this Section are in addition to any others provided for by law. The Board shall supply each hospital with the necessary personnel for the operation and maintenance of such hospital.

(d) In addition to the specific authority granted by other provisions of law, the Board is authorized to prescribe the form of application, certificates, records, and reports provided for under this Code and the information re-

quired to be contained therein; to require reports from the head of any State tuberculosis hospital relating to the admission, examination, diagnosis, release, or discharge of any patient; to visit each hospital regularly to review the admitting procedures and care and treatment of all new patients admitted between visits; to investigate by personal visit complaints made by any patient or by any person on behalf of a patient; and to adopt such rules and regulations not inconsistent with the provisions of this Code as may be necessary for proper and efficient hospitalization of tuberculous patients.

(e) Unless otherwise expressly provided in this Code, a power granted to, or a duty imposed upon the Board may be exercised or performed by an authorized employee, but the delegation of a duty does not relieve the Board from its responsibility.

Unless otherwise expressly provided in this Code, a power granted to, or a duty imposed upon the head of a hospital may be exercised or performed by an authorized employee, but the delegation of a duty does not relieve the head of a hospital from his responsibility.

(f) The Board may return a non-resident patient admitted to a State tuberculosis hospital in this State to the proper agency of the State of his residence.

The Board may permit the return of any resident of this State who is admitted to a tuberculosis hospital in another state.

All expenses incurred in returning admitted patients to other states shall be paid by this State. The expense of returning residents of this State shall be borne by the states making the return.

(g) The Board is authorized to enter into reciprocal agreements with the proper agencies of other states to facilitate the return to the states of their residence of patients admitted to State tuberculosis hospitals in this or other states.

#### Duties of County Judge

Sec. 13. (a) If the County Judge is not satisfied as to the showing made in said application and certificate, or either, he may subpoena witnesses and examine them under oath concerning such matter, and if it appears to the County Judge that such person is entitled to admission into a State tuberculosis hospital under the provisions of this Code, he shall forward the application for admission, together with the certificate of examination hereinbefore described to the Board.

(b) If said County Judge shall find that the person for whom application is made is in fact not indigent, then he shall make application for such person as a non-indigent patient.

(c) If the County Judge shall determine not to make such an application for such person, then such person may make an application direct to the Board, and if in the judgment and opinion of the Board such patient is entitled to

admission into a State tuberculosis hospital, then the Board shall order him to be admitted.

(d) The County Judge shall see that each patient admitted to a State tuberculosis hospital is supplied with such necessary clothing as may be prescribed by the Board. The expenses of the clothing and transportation of public indigent patients shall be paid by the county from which the patient is sent. In the event that an indigent patient is admitted under the provisions of the preceding paragraph, the head of the State tuberculosis hospital where the patient is admitted shall supply the patient with such clothing as is necessary and his certificate thereof shall be full evidence that the same was so supplied and of the value thereof, and the county from which said patient comes shall pay the cost thereof upon presentation of said certificate. Non-indigent public patients shall pay for their clothing and transportation.

#### No Preference in Admission

Sec. 14. (a) No patient in any state tuberculosis hospital shall be discriminated against but all patients shall be treated alike, given equal facilities, equal attention and equal treatment; it being recognized, however, that the condition of the individual patient may necessitate a greater or lesser degree of care and treatment.

(b) No patient in any such hospital shall be permitted to give any officer, servant, agent, or employee in any such hospital any tip, pay, or reward of any kind, and if such patient does so, it shall be a cause for his expulsion from said hospital, and the discharge of any servant accepting the same; and the Board shall see that this provision is rigidly enforced.

#### Private Additions to State Tuberculosis Hospitals

Sec. 15. (a) The Board is hereby authorized, on request of any charitable fraternity or society in this State, to permit the erection, furnishing, and maintenance by such fraternities or societies upon the grounds of any State tuberculosis hospital or dormitories and such other accommodations as may be desired by any such fraternity or society for the proper treatment and care of any member or members of such fraternity or society or for any members of their families, or for the widows and children of deceased members of such fraternity or society, who may be afflicted with tuberculosis, and which accommodations so erected shall be reserved for the preferential use of such members and members of their families and of the widows and children of deceased members of the fraternity or society so erecting, furnishing, and maintaining such accommodations hereunder. The State shall be at no expense whatever in the erection, furnishing, or maintenance of such accommodations, and the fraternity or society entering a patient or patients shall provide such pro rata part for the maintenance of such patient or patients as may be found just and equitable pending the next succeeding appropriation to be made by the Legislature for the maintenance of said

State tuberculosis hospitals. "Children" under this Article shall mean any minor child of a deceased member of such fraternity or society. Such accommodations or any part of them not being used or required by those entitled to such preference, may be used and occupied by other patients in said State tuberculosis hospitals at the discretion of the head of the hospital and without any charge therefor against the State.

#### (b) Plan of buildings.

All matters pertaining to the location, construction, style or character of buildings, term of their existence and all other questions arising in connection with the granting of the permission to erect and maintain the accommodations contemplated in the preceding Section, shall be arranged and agreed upon in writing by and between the Board on the part of the State and the properly authorized officers, board, or committee of each respective charitable fraternity or society, and such written agreement in each case shall be recorded at length upon the minutes of the Board.

#### (c) Rules of admission.

The members of such charitable fraternities or societies, members of their families, and the widows and children of deceased members thereof, shall be classified according to the facts the same as other patients of said State tuberculosis hospitals are classified, and shall be admitted, maintained, cared for and treated in said hospitals upon the same terms and conditions and under the same regulations as all other patients therein, save and except that they shall at all times have the preference and right to occupy the accommodations erected and maintained hereunder by their several and respective fraternities or societies when not already filled with others having the same preferential right.

#### Relief of Indigent Persons

Sec. 16. When any indigent person suffering from tuberculosis is in a county other than his residence and makes application for financial relief to any local health authority or commissioners court or to the mayor, before any relief is granted, he shall make an affidavit that he is indigent and unable to provide for himself. When such affidavit is made, the local health authority or commissioners court or mayor or county judge shall forthwith notify the State Health Officer of the case, giving the name of the patient and the place of his residence. If such patient is a bona fide resident of any county within this State, it shall be the duty of the State Health Officer and he shall have the power to provide for and furnish said indigent person with the necessary means of transportation and subsistence to return such indigent to the county of his residence.

#### Conveyances by Counties in Establishing Tuberculosis Hospitals

Sec. 17. All counties in this State are hereby authorized to donate and convey land to the

State of Texas in consideration of the establishment of a State tuberculosis hospital by the Board for Texas State Hospitals and Special Schools. The desirability, manner, and form of the donation and conveyance shall be within the discretion of the Commissioners Court of the particular county. No provision of this Section shall authorize the Commissioners Court of any such county to convey any land given or donated or granted to the county for the purpose of education in any manner other than that which is or shall be directed by law.

**CHAPTER FOUR C. KIDNEY DISEASE**

**Art. 4477-20. Kidney Health Care Act**

Short Title

Sec. 1. This Act shall be known and may be cited as the "Texas Kidney Health Care Act."

## Purpose

Sec. 2. The State of Texas hereby finds and declares that one of the most serious and tragic problems facing the public health and welfare is the death of hundreds of persons in the State of Texas each year from chronic kidney disease, when the present state of the medical art and technology could return most of these stricken individuals to a socially productive life. Advances and discoveries in the treatment of patients suffering from chronic kidney disease now allow, not only mere survival, but rehabilitation of such patients to their normal occupations and activities. Presently, these patients are dying for lack of personal financial resources to pay for the expensive equipment and care necessary for survival. No parallel situation exists in the public health and welfare today where techniques have been developed for the diagnosis and prevention of disease which would save lives, yet at the same time people continue to progress to chronic kidney disease and death only for the lack of facilities for diagnosis and treatment. The State of Texas hereby recognizes its responsibility to its citizens to allow them to keep their health without being pauperized and to use the resources and organization of the state in gathering and disseminating information on the prevention and treatment of chronic renal disease. It is imperative that a comprehensive program to combat kidney disease be implemented through the combined and correlated efforts of state and local governments, medicine, universities, non-profit organizations and individuals. The program provided by this Act is designed to bring to bear all possible resources of the state and to coordinate the efforts of the state in this vital matter of public health.

## Division of Kidney Health Care; Creation and Powers

Sec. 3. For the purpose of administering and carrying out the provisions of this Act, there is hereby created within the State Department of Health a Division of Kidney Health Care to be administered by the State Board of Health, hereinafter referred to as the board, which is hereby empowered and authorized to:

(1) Establish and maintain standards for the accreditation of all facilities designed or intended to deliver care or treatment for sufferers from chronic kidney disease;

(2) Determine the terms, conditions and standards for the eligibility of persons suffering from chronic kidney disease for aid, care or treatment provided under the provisions of this Act;

(3) Cooperate with private, public, civic, municipal, state or federal agencies to facilitate the availability of adequate care to all citizens suffering from chronic kidney disease;

(4) Institute and supervise educational programs for the public and for health

providers with respect to chronic kidney disease and the prevention and treatment thereof. The board may utilize existing programs and groups for this purpose, whether or not such programs and groups are governmental;

(5) Assist in the development and expansion of programs for the care and treatment of persons suffering from chronic kidney diseases, including dialysis and other medical procedures and techniques which will have a life-saving effect in the care and treatment of persons suffering from these diseases;

(6) Institute and carry on educational programs among physicians, hospitals, public health departments, and the public concerning chronic kidney diseases, including the dissemination of information in the conducting of educational programs concerning the prevention, care and treatment of chronic renal diseases and the methods for the care and treatment of persons suffering from these diseases;

(7) Conduct surveys of all existing facilities within the state having to do with the diagnosis, evaluation and treatment of patients with kidney disease and to prepare and submit its findings and a specific program of action;

(8) Evaluate the need for the creation of local or regional facilities and for the establishing of a major kidney research center;

(9) Develop and administer scientific investigations into the cause, prevention, methods of treatment and cure of kidney diseases, including research into transplantation of kidneys;

## Art. 4478. Authority

The commissioners court of any county shall have power to establish a county hospital and any medical or other health facilities and to enlarge any existing hospitals or facilities for the care and treatment of persons suffering from any illness, disease or injury, subject to the provisions of this chapter. At intervals of not less than twelve months, ten per cent of the qualified property tax paying voters of a county may petition such court to provide for the establishing or enlarging of a county hospital, or any medical or other health facilities, in which event said court within the time designated in such petition shall submit to such voters at a special or regular election the proposition of issuing bonds in such aggregate amount as may be designated in said petition for the establishing or enlarging of such hospital or facilities. Whenever any such proposition shall receive a majority of the votes of the qualified property tax payers voting at such election, said commissioners court shall establish and maintain such hospital or facilities and shall have the following powers:

1. To purchase and lease real property therefor, or acquire such real property, and easements therein, by condemnation proceedings.
2. To purchase or erect all necessary buildings, make all necessary improvements and repairs and alter any existing buildings, for the use of said hospital or facilities. The plans for such erection, alteration, or repair shall first be approved by the State Health Officer, if his approval is requested by the said commissioners court.
3. To cause to be assessed, levied and collected, such taxes upon the real and personal property owned in the county as it shall deem necessary to provide the funds for the maintenance thereof, and for all other necessary expenditures therefor.
4. To issue county bonds to provide funds for the establishing, enlarging and

equipping of said hospital or facilities and for all other necessary permanent improvements in connection therewith; to do all other things that may be required by law in order to render said bonds valid.

5. To appoint a board of managers for said hospital or facilities, or both.

6. To accept and hold in trust for the county, any grant or devise of land, or any gift or bequest of money or other personal property or any donation to be applied, principal or income or both, for the benefit of said hospital or facilities, and apply the same in accordance with the terms of the gift.

7. The Commissioners Court may lease all or part of any medical facility so constructed, purchased or acquired under this Act.

[Acts 1925, S.B. 84; Acts 1973, 63rd Leg., p. 1332, ch. 502, § 1, eff. June 14, 1973.]

#### Art. 4478a. Intervals Between Elections

The provision contained in Article 4478, Revised Civil Statutes of Texas of 1925, which restricts the presentation of petitions to the Commissioners Court of a county for the establishment of a county hospital to intervals of not less than twelve (12) months shall not be applicable to counties which at the time of presentation of any such petition have no county-owned hospital. Provided however that nothing in this Article will permit the Commissioners Court to submit a bond election for the above purposes to the voters of their respective county more than twice in any twelve-month period.

[Acts 1953, 53rd Leg., p. 13, ch. 18, § 1.]

#### Art. 4479. Board of Managers

When the Commissioners Court shall have acquired site for such hospital and shall have awarded contracts for the necessary buildings and improvements thereon, it shall appoint six (6) resident property taxpaying citizens of the county who shall constitute a board of managers of said hospital. The term of office of each member of said board shall be two (2) years, except that in making the first appointments after this Act takes effect three (3) members shall be appointed for one (1) year and three (3) members for two (2) years so that thereafter three (3) members of said board will be appointed every two (2) years. In case of a tie vote of said board the deadlock may be voted off one way or the other by the county judge of the county. Appointments to fill vacancies occurring by death, resignation or other cause shall be made for the unexpired term. Failure of any manager to attend three (3) consecutive meetings of the board shall cause a vacancy in his office, unless said absence is excused by formal action of the board of managers. The managers may receive compensation for their services to consist of such insurance plan as may be deemed necessary by the Commissioners Court to provide hospital-

ization insurance. The managers shall be allowed their actual and necessary traveling and other expenses within this state to be audited and paid by the Commissioners Court in the same manner as other expenses of the hospital. Any manager after being cited may at any time for cause be removed from office by said court.

[Acts 1925, S.B. 84; Acts 1927, 40th Leg., p. 268, ch. 189, § 1; Acts 1961, 57th Leg., p. 456, ch. 227, § 1.]

#### Art. 4480. Powers of Board

The board of managers shall elect from among its members a president, and one or more vice-presidents and a secretary and a treasurer. It shall appoint a superintendent of the hospital who shall hold office at the pleasure of said board. Said superintendent shall not be a member of the board, and shall be a qualified practitioner of medicine, or be specially trained for work of such character.

The board shall also appoint a staff of visiting physicians who shall serve without pay from the county, and who shall visit and treat hospital patients at the request either of the managers or of the superintendent.

Said board shall fix the salaries of the superintendent and all other officers and employes within the limit of the appropriation made therefor by the commissioners court, and such salaries shall be compensation in full for all services rendered. The board shall determine the amount of time required to be spent at the hospital by said superintendent in the discharge of his duties. The board shall have the general management and control of the said hospital, grounds, buildings, officers and employees thereof; of the inmates therein, and of all matters relating to the government, discipline, contracts and fiscal concerns thereof; and make such rules and regulations as may seem to them necessary for carrying out the purposes of such hospital. They shall maintain an effective inspection of said hospital and keep themselves informed of the affairs and management thereof; shall meet at the hospital at least once in every month, and at such other times as may be prescribed in the by-laws; and shall hold an annual meeting at least three weeks prior to the meeting of the commissioners court at which appropriations for the ensuing year are to be considered.

[Acts 1925, S.B. 84.]

#### Art. 4481. Clinics

The board of managers may also establish and operate an outpatient department or free dispensary and clinic at the hospital or in the city nearest to which the hospital is located, with branch dispensaries or clinics in every city or town in the county of five thousand population and over. They shall appoint a physician or physicians, who shall serve at such dispensaries or clinics, and shall determine the amount of time required to be spent at such dispensaries or clinics by such physicians, and shall fix the salaries, if any, of such physicians. Said board shall also appoint one or

more trained visiting nurses to serve in connection with each such dispensary or clinic, and in connection with the hospital, and shall fix their salaries within the limits of the appropriation made therefor by the commissioners court.

[Acts 1925, S.B. 84.]

#### Art. 4482. School for Children

The board may also establish, at the hospital or in the city nearest to which the hospital is situated, or in the largest city in the county, a special and separate school for the education, care and treatment of children suffering from tuberculosis. Said school shall be conducted as a branch of the hospital and the pupils and inmates of said school shall be considered as inmates of the hospital and subject to all the provisions of this law. Said board shall appoint a teacher or teachers, specially qualified, to instruct and care for the pupil inmates of said school. Said board shall delegate the superintendent of the hospital, a member or members of the staff of visiting physicians, a physician or physicians in attendance upon any county dispensary, or shall employ a physician, to attend the inmates of said school, and to supervise their care and treatment, and shall delegate one of the hospital nurses, or a visiting nurse, or shall employ a nurse to assist in the care and treatment of said pupils.

[Acts 1925, S.B. 84.]

#### Art. 4483. Health Bulletins

The State Board of Health, from time to time, shall make rules and regulations for the care of persons suffering from communicable disease and for the prevention and spread of such diseases; and prepare bulletins and other publications giving information as to the cause, nature, treatment and prevention of disease. The board of managers shall, from time to time, purchase from the State Board of Health, at the actual cost of printing, printed copies of such rules and regulations, bulletins and other publications, or shall have same printed, and shall send or deliver such copies to all practicing physicians in the county, to all public schools and to such private schools as request such copies, and such organizations, churches, societies, unions and individuals as may present written requests for copies of circulars, pamphlets, bulletins and such other publications prepared by the State Board of Health.

[Acts 1925, S.B. 84.]

#### Art. 4484. Records

The board of managers shall keep in a book provided for that purpose a proper record of its proceedings, which shall be open at all times to the inspection of its members, to the members of the commissioners court and to any citizen of the county. The board shall certify all bills and accounts, including salaries and wages, and transmit them to the commissioners court, who shall provide for their pay-

ment in the same manner as other charges against the county are paid.

The board of managers shall make to the commissioners court annually, and at such times as said court shall direct, a detailed report of the operation of the hospital dispensaries and school during the year, showing the number of patients received and the methods and results of their treatment, together with suitable recommendations and such other matter as may be required of them, and shall furnish full and detailed estimates of the appropriations required during the ensuing year for all purposes, including maintenance, the erection of buildings, repairs, renewals, extensions, improvements, betterments or other necessary purposes.

[Acts 1925, S.B. 84.]

#### Art. 4485. Superintendent

The superintendent shall be the chief executive officer of the hospital, but shall at all times be subject to the by-laws, rules and regulations thereof, and to the powers of the board of managers.

He shall, with the consent of the board of managers, equip the hospital with all necessary furniture, appliances, fixtures and all other needed facilities for the care and treatment of patients, and for the use of officers and employes thereof, and shall purchase all necessary supplies, not exceeding the amount provided for such purposes by the commissioners court.

He shall have general supervision and control of the records, accounts and buildings of the hospital, and all internal affairs, and maintain discipline therein, and enforce compliance with and obedience to all rules, bylaws and regulations adopted by the board of managers for the government, discipline and management of said hospital and the employes and inmates thereof. He shall make such further rules, regulations and orders as he may deem necessary, not inconsistent with law or with the rules, regulations and directions of the board of managers. He shall, with the consent of the board of managers, appoint such resident officers and such employes as he may think proper and necessary for the efficient performance of the business of the hospital, and prescribe their duties; and for cause stated in writing, he may discharge any such officer or employe at his discretion, after giving such officer or employe an opportunity to be heard.

He shall cause proper accounts and records of the business and operations of the hospital to be kept regularly from day to day in books and on records provided for that purpose; and shall see that such accounts and records are correctly made up for the annual report as required by this law, and present the same to the board of managers who shall incorporate them in their report to the commissioners court.

He shall receive into the hospital, under the general direction of the board of managers, in order of application, or according to the urgen-

cy of need of treatment, any person found to be suffering from any illness, disease or injury, who has been an actual resident and inhabitant of the county for a period of at least one year prior to his application for admission to said hospital. He shall also receive into the hospital, patients sent by the commissioners court of any adjacent county, which has contracted with the board for the care and treatment of its sick and diseased and injured persons, resident in such counties for a period of at least one year. Such patients shall not be received and cared for unless there is sufficient provision for the care of the sick, diseased and injured of the county in which the hospital is situated. Said superintendent shall cause to be kept proper accounts and records of the admission of all patients, their names, age, sex, color, marital condition, residence, occupation and place of past employment.

He shall cause a careful examination to be made of the physical condition of all persons admitted to the hospital and provide for the treatment of each such patient according to his need; and shall cause a record to be kept of the condition of each patient when admitted and from time to time thereafter.

He shall temporarily or permanently discharge from said hospital any patient who shall wilfully or habitually violate the rules thereof; or who is found not to be sick, diseased or injured; or who is found to have recovered therefrom; or who for any other reason is no longer a suitable patient for treatment therein; and shall make a full report thereof at the next meeting of the board, and the said board shall make such final disposition of the case as they may think proper. From the decision of the board of managers there shall be no appeal.

He shall collect and receive all moneys due the hospital, keep an accurate account of the same, report the same at the monthly meeting of the board of managers, and transmit the same to the county collector within ten days after such meeting.

He shall before entering upon the discharge of his duties, give a bond in such sum as the board of managers may determine, to secure the faithful performance of the duties of his office.

[Acts 1925, S.B. 84.]

#### Art. 4486. Admission of Patients

Any resident of the county in which the hospital is situated, desiring treatment in such hospital, may apply in person to the superintendent or to any reputable physician for examination, and such physician, if he finds that such person is suffering from any illness, disease or injury may apply to the superintendent of the hospital for his admission. Blank forms for such application shall be provided by the hospital and shall be forwarded by the superintendent thereof free to any reputable physician in the county upon request. So far as practi-

cable, applications for admission to the hospital shall be made upon such forms. The superintendent upon receipt of such application, if it appears therefrom that the patient is suffering from illness, disease or injury, and if there be a vacancy in said hospital, shall notify the person named in such application to appear in person at the hospital. If, upon personal examination of such patient, or of any patient applying in person for admission, the superintendent is satisfied that such person is suffering from any illness, disease or injury, he shall admit him to the hospital as a patient. All such applications shall state whether, in the judgment of the physician, the person is able to pay in whole or in part for his care and treatment while at the hospital. Every application shall be filed and recorded in a book kept for that purpose in the order of its receipt. No discrimination shall be made in the accommodations, care or treatment of any patient because of the fact that the patient or his relatives contribute to the cost of his maintenance, in whole or in part. No patient shall be permitted to pay for his maintenance in such hospital a greater sum than the average per capita cost of maintenance therein, including a reasonable allowance for the interest on the cost of the hospital. No officer or employee of such hospital shall accept from any patient thereof, any fee, payment or gratuity whatsoever for his services.

[Acts 1925, S.B. 84.]

#### Art. 4487. Support of Patients

Whenever a patient has been admitted to said hospital from the county in which the hospital is situated, the superintendent shall cause inquiry to be made as to his circumstances, and of the relatives of such patient legally liable for his support. If he finds that such patient or said relatives are liable to pay for his care and treatment in whole or in part, an order shall be made directing such patient, or said relatives to pay to the treasurer of such hospital for the support of such patient a specified sum per week, in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The superintendent shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the superintendent finds that such patient, or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the county. Should there be a dispute as to the ability to pay, or doubt in the mind of the superintendent, the county court shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which there shall be no appeal.

[Acts 1925, S.B. 84.]

**Art. 4488. Inspection**

The resident officer of the hospital shall admit the managers into every part of the hospital and the premises and give them access on demand to all books, papers, accounts, and records pertaining to the hospital, and shall furnish copies, abstracts, and reports whenever required by them. All hospitals established or maintained under the provisions of this law shall be subject to inspection by any duly authorized representative of the State Board of Health, or any State board of charities that may hereafter be created, and of the commissioners court of the county; and the resident officers shall admit such representatives into every part of the hospital and its buildings and give them access on demand to all records, reports, books, papers and accounts pertaining to the hospital.

[Acts 1925, S.B. 84.]

**Art. 4489. Poorhouse**

Wherever a county hospital for the care and treatment of persons suffering from any illness, disease or injury exists in connection with, or on the grounds of a county poorhouse or elsewhere, the commissioners' court shall appoint a board of managers for such hospital, and such hospital and its board of managers shall thereafter be subject to each provision of this law, in like manner as if it had been originally established hereunder. Any hospital which may hereafter be established by any commissioners court shall in like manner be subject to each provision of this law.

[Acts 1925, S.B. 84.]

**Art. 4490. Additional Hospitals**

When deemed advisable by the commissioners court, and approved by the State Board of Health, a county may maintain more than one county hospital for the purpose aforesaid.

[Acts 1925, S.B. 84.]

**Art. 4491. Contract with Hospital**

Any commissioners court of any county which has no city with a population of more than ten thousand persons, may contract for a period not exceeding one year, with any regularly incorporated society or hospital or municipality within the county maintaining a hospital, or with any other adjacent county, for the care of any or all of the sick, diseased or injured inhabitants of the county, upon such terms and conditions as they may by agreement think proper. Where a county has established such hospital, the board of managers may contract with any regularly incorporated society or hospital or city or town within the county maintaining a hospital, for the care of some of the sick, injured or diseased persons applying for admission to the county hospital.

[Acts 1925, S.B. 84.]

**Art. 4492. Contracts with Cities**

Sec. 1. Any Commissioners Court may cooperate with and join the proper authorities of

any city having a population of ten thousand (10,000) persons or more in the establishment, building, equipment and maintenance of a hospital in said city, and to appropriate such funds as may be determined by said Court, after joint conference with the authorities of such city or town, and the management of such hospital shall be under the joint control of such Court and city authorities.

Sec. 2. Any Commissioners Court may cooperate with and join the proper authorities of any two (2) or more cities in the establishment, building, equipment and maintenance of a hospital in said county, and to appropriate such funds as may be determined by said Court, after a joint conference with the authorities of such cities or towns, and the management of such hospital shall be under the joint control of such Court and city authorities.

[Acts 1925, S.B. 84; Acts 1953, 53rd Leg., p. 526, ch. 190, § 1.]

**Art. 4493. Adequate Facilities**

Where no county hospital is now provided for the purpose aforesaid, or where such provision is inadequate, the commissioners court of each county which may have a city with a population of more than ten thousand persons, within six months from the time when such city shall have attained such population, such population to be ascertained by such court in such manner as may be determined upon resolution thereof, shall provide for the erection of such county hospital or hospitals as may be necessary for that purpose, and provide therein a room or rooms, or ward or wards for the care of confinement cases, and a room or rooms or ward or wards for the temporary care of persons suffering from mental or nervous disease, and also make provision in separate buildings for patients suffering from tuberculosis and other communicable diseases, and from time to time add thereto accommodations sufficient to take care of the patients of the county. This time may be extended by the State Board of Health for good cause shown. Unless adequate funds for the building of said hospital can be derived from current funds of the county available for such purpose, issuance of county warrants and script, the commissioners court shall submit, either at a special election called for the purpose, or at a regular election, the proposition of the issuance of county bonds for the purpose of building such hospital. If the proposition shall fail to receive a majority vote at such election said court may be required thereafter at intervals of not less than twelve months, upon petition of ten per cent of the qualified voters of said county, to submit said proposition until same shall receive the requisite vote authorizing the issuance of the bonds.

[Acts 1925, S.B. 84.]

**Art. 4493a. Validation of County Hospital Bond Elections in Counties Containing Large City**

Sec. 1. In each instance where a county containing a city of not less than one hundred

and fifty thousand (150,000) population, according to the last preceding Federal Census, has held an election resulting favorably to the issuance of bonds for the purpose including any one or more of the following: constructing, building, equipping, improving, extending, or enlarging a county hospital or sanitarium, or for the purpose including any one or more of the following: constructing, building, equipping, improving, extending, or enlarging a city-county hospital or sanitarium, the act of the Commissioners Court in calling and noticing said election, the election, the act of the Commissioners Court in canvassing the returns of such election and declaring the results thereof, each and all are hereby expressly validated; all such bonds heretofore executed, approved by the Attorney General, registered by the Comptroller, sold and delivered, are hereby in all things validated; and all such bonds so voted but not heretofore sold, when they shall have been executed, approved by the Attorney General, and registered by the Comptroller, shall constitute valid and binding obligations of such county.

Sec. 2. Provided however, that this Act shall not affect any litigation pending at the time this Act becomes effective, in which the validity of any such election or bonds is being questioned.

[Acts 1937, 45th Leg., 2nd C.S., p. 1920, ch. 37.]

#### Art. 4494. Counties May Join

Where found to be more practicable, and when approved by the State Board of Health, two or more adjacent counties, having each a population of less than fifteen thousand persons, may join for the purposes of this law, and erect one or more hospitals for their joint use, under the terms and conditions above set forth for a single county.

In such cases such combined counties shall have the same powers and be subject to the same liabilities as a single county, herein provided for.

[Acts 1925, S.B. 84.]

#### Art. 4494a. Lease of County Hospital

Said Hospital Board shall have the same rights as counties and cities under Article 3268, as amended, of said Title 52. The amount and character of interest in land or other property thus to be acquired shall be determined by the Directors.

#### Investment of Funds

Sec. 17. The law as to the security for, and the investment of, funds of counties and cities shall be applicable to funds of said Hospital Board. The Bond Resolution, or any trust indenture executed in connection therewith, may further restrict the securing and investment of funds of said Hospital Board. ## Cumulative Effect; Conflicting Laws

Sec. 18. This Act shall be cumulative of all other laws on the subject, but this Act shall be wholly sufficient authority within itself for the issuance of the bonds and the performance of the other acts and procedures authorized hereby, without reference to any other laws or any restrictions or limitations contained therein, except as herein specifically provided; and when any bonds are being issued under this Act, then to the extent of any conflict or inconsistency between any provisions of this Act and any provisions of any other law, the provisions of this Act shall prevail and control; provided, however, that any Hospital Board shall have the right to use the provisions of any other laws, not in conflict with the provisions hereof, to the extent convenient or necessary to carry out any power or authority, express or implied, granted by this Act.

[Acts 1949, 51st Leg., p. 141, ch. 85.]

**Art. 4494l. Lease of County Hospital by Any County**

Authority to Lease

Sec. 1. Any county in this State having a county hospital which is operated by said county, may, and such county is hereby authorized to lease such hospital, provided the Commissioners Court of said county shall find and determine by an order entered in the minutes of said Court that it is to the best interest of said county to lease such hospital. The proposed lease of such county hospital shall not be completed until the Commissioners Court of such county shall have complied with the provisions of this Act.

Notice and Hearing

Sec. 2. When the Commissioners Court of any such county owning and operating its hospital shall determine and find that it is to the best interest of such county that such hospital be leased, it shall be the duty of the Court to fix a time and place at which such question will be heard and considered by it, which date shall be not less than fifteen (15) days nor more than thirty (30) days from the date of the order. The county clerk shall forthwith issue a notice of such time and place of hearing, which notice shall inform all qualified electors of said county and all other persons who may be interested in the question of the leasing of such county hospital of the time and place of the hearing and of their right to appear at such hearing and contend for or protest the proposed leasing of the county hospital. The county clerk shall cause such notice to be published in such county once a week for two (2) consecutive weeks prior to the time set for hearing and considering such question by the Court, the date of the first publication to be at least fourteen (14) days prior to the date fixed for conducting such hearing. If there is no newspaper published in such county, notice of

such hearing shall be given by posting a notice thereof at the county courthouse door for fourteen (14) days prior to the date fixed for such hearing and determination.

Petition for Referendum; Conduct of Hearing;  
Adjudication

Sec. 3. If, by the time fixed for such hearing and consideration by the Court, as many as ten per cent (10%) in number of the qualified voters of said county shall petition the Commissioners Court in writing to submit to a referendum vote the question as to whether or not the county hospital shall be leased or shall be continued under county operation, then such Commissioners Court shall not be authorized to lease such hospital and shall not finally lease the same unless the proposition to lease such county hospital is sustained by a majority of the votes cast at said election. Such election shall be held under and governed by the election provisions of Article 4478, Revised Civil Statutes of 1925, of the State of Texas.

If such petition is not so filed with the county clerk, then the Commissioners Court may proceed with the hearing of all evidence relative to the advisability of leasing such hospital. Any person interested may appear before the Court in person or by attorney and contend for or protest the leasing of such county hospital. Such hearing may be adjourned from day to day and from time to time as the Court may deem necessary. Upon the completion of such hearing the Court may proceed to adjudicate such matter by entering an order determining whether or not such hospital shall be leased. Even though such petition is not filed with the county clerk, the Commissioners Court may at its discretion also submit such question to a vote of the people and may withhold its final determination of such question pending the holding of such election.

Orders When No Petition Submitted

Sec. 4. If no petition is submitted upon the date fixed for such hearing, and the Commissioners Court, after holding the hearing, finds that due notice has been given, no petition has been filed, and that the proposed leasing of such hospital would be for the best interests and benefit of the county, then such Court may make and cause to be entered upon its minutes an order directing that such county hospital shall be leased. Such Court shall thereupon be fully authorized and empowered to lease such county hospital to be operated as a hospital by the lessee of same under such terms and conditions as may be satisfactory to the Commissioners Court and the lessee. The Commissioners Court of such county upon its own motion may order such an election or such election shall be ordered by the Commissioners Court of any such county upon petition of not less than ten per cent (10%) of such voters and shall be otherwise held under and governed by the elec-

tion provision of Article 4478, Revised Civil Statutes, 1925, of the State of Texas.

**Art. 4494n. County Hospital Districts; Counties of 190,000 or More and Galveston County**

**Creation of District**

Sec. 1. Any county having a population of 190,000 or more, and Galveston County, that does not own or operate, or that does own and operate a hospital or hospital system, by itself or jointly with a city, for indigent and needy persons, may be constituted a Hospital District as hereinafter set out, and may take over the hospital or hospital system, either owned separately by a county or jointly with a city, or may provide for the establishment of a hospital or hospital system to furnish medical aid and hospital care to the indigent and needy persons residing in said Hospital District; provided, however, that such Hospital District shall not be created unless and until an election is duly held in said county for such purpose, which said election may be initiated by the Commissioners Court upon its own motion or upon a petition of one hundred (100) resident qualified property taxpaying voters, to be held not less than thirty (30) days from the time said election is ordered by the Commissioners Court. At said election there shall be submitted to the qualified property taxpaying voters the proposition of whether or not a Hospital District shall be created in the county; and a majority of the qualified property taxpaying voters participating in said election voting in favor of the proposition shall be necessary. The ballots shall have printed thereon:

“FOR the creation of a Hospital District; providing for the levy of a tax not to exceed Seventy-five Cents (75¢), on the One Hundred Dollars (\$100.00) valuation”; and

“AGAINST the creation of a Hospital District; providing for the levy of a tax not to exceed Seventy-five Cents (75¢) on One Hundred Dollars (\$100.00) valuation”;

If such county or city, either or both of them, has any outstanding bonds theretofore issued for hospital purposes (which by the provisions of Section 4 of this Act are required to be assumed by the Hospital District), then the ballots for such election shall, instead of the foregoing, have printed thereon:

“FOR the creation of a Hospital District; providing for the levy of a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation; and providing for the assumption by such District of all outstanding bonds heretofore issued by \_\_\_\_\_ County, and by any city in said county for hospital purposes”; and

“AGAINST the creation of a Hospital District; providing for the levy of a tax

not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation; and providing for the assumption by such District of all outstanding bonds heretofore issued by \_\_\_\_\_ County, and by any city in said county for hospital purposes.”

**Taxes of District; Deposit of Taxes and Other Income**

Sec. 2. The Commissioners Court of any county which has voted to create a Hospital District shall have the power and the authority, and it shall be its duty, to levy on all property subject to hospital district taxation for the benefit of the District at the same time taxes are levied for county purposes, using the county values and the county tax roll, a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of all taxable property within the Hospital District, for the purpose of

(1) paying the interest on and creating a sinking fund for bonds which may have been assumed or which may be issued by the Hospital District for hospital purposes, as herein provided;

(2) providing for the operation and maintenance of the hospital or hospital system; and

(3) when requested by the Board of Hospital Managers and approved by the Commissioners Court, for the purpose of making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor, by purchase, lease or condemnation.

The tax so levied shall be collected on all property subject to Hospital District taxation by the Assessor and Collector of Taxes for the county on the county tax values, and in the same manner and under the same conditions as county taxes. The Assessor and Collector of Taxes shall charge and deduct from payments to the Hospital District the fees for assessing and collecting the tax at the rate of not exceeding one and one-half (1½%) per cent of the amounts collected as may be determined by the Commissioners Court. Such fees shall be deposited in the county's general fund, and shall be reported as fees of office of the Tax Assessor and Collector. Interest and penalties on taxes paid to the Hospital District shall be the same as in the case of county taxes. Discounts shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository; and such funds shall be withdrawn only as provided herein. All other income of the Hospital District shall be deposited in like manner with the district depository. Warrants against Hospital District funds shall not require the signature of the County Clerk.

The Commissioners Court shall have the authority to levy the tax aforesaid for the entire year in which the said Hospital District is established, for the purpose of securing funds to

initiate the operation of the Hospital District, and to pay assumed bonds.

Hospital Districts in Counties of 450,000 or More; Assessment and Collection of Taxes; Rate; Fees; Election and Ballots

Sec. 2a. Hospital Districts created under this Act, in counties which contain a population of 450,000 or more, according to the last preceding Federal Census, shall have the taxes of said Hospital Districts assessed and collected by the Assessor and Collector of Taxes in the manner provided for in Section 2, except as in this Section 2a, provided. The property assessed for said Hospital Districts, upon the order of the Commissioners Court of the county, shall be assessed at such percentage of its fair cash market value as the Commissioners Court orders, which may be a greater percentage than that used in assessing the property for state and county purposes.

Further, the Assessor and Collector of Taxes of said counties shall charge and deduct from payments to the Hospital District the fees for assessing and collecting the tax at the rate of not exceeding one and one-half (1½) per cent of the amounts assessed as approved by the Board of Equalization and one and one-half (1½) per cent of the amounts collected, as may be determined by the Commissioners Court.

Provided, however, that the property within said Hospital District shall not be assessed at a greater percentage of its fair cash market value than the percentage at which it is assessed for county and state purposes, nor shall the Assessor and Collector of Taxes of such county charge a fee for assessing and collecting the tax at a rate different from that authorized in Section 2 unless and until an election is duly held in said Hospital District for the purpose of approving such procedure. Said election may be initiated by the Commissioners Court upon its own motion or upon petition of one hundred (100) resident qualified property taxpaying voters, to be held not less than thirty (30) days from the time said election is ordered by the Commissioners Court. At said election there shall be submitted to the qualified property taxpaying voters the proposition of whether the property within said Hospital District, upon the order of the Commissioners Court to the Assessor and Collector of Taxes of the county, shall be assessed at a greater percentage of its fair cash market value than that percentage assessed for county and state purposes, as may be determined by the Commissioners Court, and a majority of the qualified property taxpaying voters participating in said election shall determine the result of the election. The ballots shall have printed thereon:

FOR authorizing the County Assessor and Collector of Taxes, upon the order of the Commissioners Court, to assess the property within the Hospital District at a greater percentage of its fair cash market value than that assessed for state and county purposes.

AGAINST authorizing the County Assessor and Collector of Taxes, upon the order of the Commissioners Court, to assess the property within the Hospital District at a greater percentage of its fair cash market value than that assessed for state and county purposes.

Hospital Districts in Counties of 650,000 or More; Assessment of Taxes; Rate

Sec. 2b. In Hospital Districts created under this Act located in counties containing a population of 650,000 or more according to the last preceding Federal Census and having teaching hospital facilities that are affiliated with a state-supported medical school, the Commissioners Court, on its own motion or on the approval of the qualified property taxpaying electors at an election held pursuant to the provisions of Section 2a of this Act, may order the Assessor and Collector of Taxes to assess the property in the Hospital District at a greater percentage of its fair cash market value than that used in assessing the property for state and county purposes, but in no instance shall that amount exceed fifty (50) per cent of fair cash market value. Such order to the assessor and collector of taxes spread upon the minutes of Commissioners Court shall constitute notice for all purposes to the taxpayers of said Hospital District of the intention to increase assessments.

Bonds of District; Taxes to Pay Bonds and Interest; Sinking Fund

Sec. 3. The Commissioners Court shall have the power and authority to issue and sell as the obligations of such Hospital District, and in the name and upon the faith and credit of such Hospital District, bonds for the acquisition, purchase, construction, equipment and enlargement of the hospital or hospital system, and for any or all of such purposes; provided, that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures provided said tax together with any other taxes levied for said District shall not exceed Seventy-five Cents (75¢) in any one year. Such bonds shall be executed in the name of the Hospital District and on its behalf by the County Judge of the county within which the Hospital District is created, and countersigned by the County Clerk, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of such county; and the approval of such bonds by the Attorney General shall have the same force and effect as is by law given to his approval of bonds of such county. No bonds shall be issued by such hospital district (except refunding bonds) until authorized by a majority vote of the legally qualified property taxpaying voters, residing in such Hospital District, voting at an election called

and held in accordance with the provisions of Chapter 1 of Title 22 of the Revised Civil Statutes of the State of Texas (1925), as amended, relating to county bonds. Such election may be called by the Commissioners Court of its own motion, or shall be called by it after request therefor by the Board of Hospital Managers; and the same persons shall be responsible for the conduct of such election and the arrangement of all details thereof as the persons charged therewith in connection with other county-wide elections. The cost of any such election shall be a charge upon the Hospital District and its funds; and the Hospital District shall make provision for the payment thereof before the Commissioners Court shall be required to order such an election.

In the manner hereinabove provided, the bonds of such Hospital District may, without the necessity of any election therefor, be issued for the purpose of refunding and paying off any bonded indebtedness theretofore assumed by such Hospital District and any bonds theretofore issued by such Hospital District; such refunding bonds may be sold and the proceeds thereof applied to the payment of any such outstanding bonds or may be exchanged in whole or in part for not less than a like amount of said outstanding bonds and interest matured thereon, but unpaid; provided the average interest cost per annum on the refunding bonds, computed in accordance with recognized standard bond interest cost tables, shall not exceed the average interest cost per annum so computed upon the bonds to be discharged out of the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged out of such proceeds. In the foregoing computations, any premium or premiums required to be paid upon the bonds to be refunded as a condition to payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the Hospital District of the refunding bonds.

If the city and the county, or either of them, has voted bonds to provide hospital facilities, but such bonds have not been sold at the date of the creation of the Hospital District, the authority for such bonds shall be canceled, and they shall not be sold.

County or City Property or Funds; Transfer to District

Sec. 4. Any lands, buildings or equipment that may be jointly or separately owned by such county and city, and by which medical services or hospital care, including geriatric care, are furnished to the indigent or needy persons of the city and county, shall become the property of the Hospital District; and title thereto shall vest in the Hospital District; provided, however, that whenever any of such property is deemed by the Board of Managers of the Hospital District to be of no further use, presently or in the future, for the purposes for which it was transferred to the Hospital Dis-

trict, the Board of Managers of the Hospital District may, by deed transfer such property, upon any terms deemed suitable by the Board of Managers and the Commissioners Court, back to the city or county from which such property was transferred to the Hospital District upon creation of the Hospital District; and any funds of the city and county, or either, which are the proceeds of any bonds assumed by the Hospital District, as hereby provided, shall become the funds of the Hospital District; and title thereto shall vest in the Hospital District; and there shall vest in the Hospital District and become the funds of the Hospital District the unspent portions of any funds theretofore set up or appropriated by budget or otherwise by the city or the county, or either of them, for the support and maintenance of the hospital facilities for the year within which the Hospital District comes into existence, thereby providing such Hospital District with funds with which to maintain and operate such facilities for the remainder of such year. All obligations under contract legally incurred by the city or county, or either of them, for the building of, or the support and maintenance of, hospital facilities, prior to the creation of the said District but outstanding at the time of the creation of the District, shall be assumed and discharged by it without prejudice to the rights of third parties, provided that the management and control of the property and affairs of the present hospital system shall continue in the Board of Managers of such system until appointment and organization of the Board of Managers of the Hospital District, at which time the Board of Managers of the present hospital system shall turn over all records, property and affairs of said hospital system to the Board of Managers of the Hospital District and shall cease to exist as a hospital system Board of Managers.

Any outstanding bonded indebtedness incurred by the city or county, either or both of them, in the acquisition of such lands, buildings and equipment, or in the construction and equipping of such hospital facilities, together with any other outstanding bonds issued by either of them for hospital purposes, and the proceeds of which are in whole or in part still unspent, shall be assumed by the Hospital District and become the obligation of the Hospital District; and the city or county, either or both of them, that issued such bonds, shall be by the Hospital District relieved of any further liability for the payment thereof, or for providing interest and sinking fund requirements thereon; provided that nothing herein contained shall limit or affect any of the rights of any of the holders of such bonds against the city or the county, as the case may be, in the event of default in the payment of the principal or interest on any of such bonds in accordance with their respective terms.

The Commissioners Court and the city, where a hospital or hospital system is jointly operated, or the Commissioners Court, where the county owns the hospital or hospital system, as

the case may be, as soon as the Hospital District is created and authorized at the election hereinabove provided, and there have been appointed and qualified the Board of Hospital Managers hereinafter provided for, shall execute and deliver to the Hospital District, to wit: to its said Board of Hospital Managers, an instrument in writing conveying to said Hospital District the hospital property, including lands, buildings and equipment; and shall transfer to said Hospital District the funds hereinabove provided to become vested in the Hospital District, upon being furnished the certificate of the Chairman of the Board to the fact that a depository for the District's funds has been selected and has qualified; which funds shall, in the hands of the Hospital District and of its Board of Hospital Managers, be used for all or any of the same purposes as, and for no other purposes than, the purposes for which the county or the city transferring such funds could lawfully have used the same had they remained the property and funds of such county or city.

#### Board of Hospital Managers

Sec. 5. The Commissioners Court shall appoint a Board of Hospital Managers, consisting of not less than five (5) nor more than seven (7) members, who shall serve for a term of two (2) years, with overlapping terms if desired, and with initial appointments to terms of office arranged accordingly, without pay, and whose duties shall be to manage, control and administer the hospital or hospital system of the Hospital District. The Board of Managers shall have the power and authority to sue and be sued and to promulgate rules and regulations for the operation of the hospital or hospital system.

The Board shall appoint a general manager, to be known as the Administrator of the Hospital District. The Administrator shall hold office for a term not exceeding two (2) years, and shall receive such compensation as may be fixed by the Board. The Administrator shall be subject to removal at any time by the Board. The administrator shall perform all duties which may be required of him by the Board, and shall supervise all of the work and activities of the District, and have general direction of the affairs of the District, within such limitations as may be prescribed by the Board. He shall be a person qualified by training and experience for the position of Administrator.

The Board of Managers shall have the authority to appoint to the staff such doctors and to employ such technicians, nurses and other employees of every kind and character as may be deemed advisable for the efficient operation

of the hospital or hospital system; provided that no contract or term of employment shall exceed the period of two (2) years.

The Board of Managers, with the approval of the Commissioners Court shall be authorized to contract with any county for care and treatment of such county's sick, diseased and injured persons, and with the State and agencies of the Federal Government for the care and treatment of such persons for whom the State and such agencies of the Federal Government are responsible. Further, under the same conditions, the Board of Managers may enter into such contracts with the State and Federal Government as may be necessary to establish or continue a retirement program for the benefit of its employees.

If care or treatment is given to a resident of a county outside the Hospital District which has not contracted with the Board of Managers for such services, and said non-resident is wholly without financial means except such as are derived from charity, that County shall, upon presentation of a certified statement that care or treatment was necessary for the preservation of human life and was actually performed, be obligated to reimburse the Hospital District in an amount not to exceed the actual cost of the service rendered.

A majority of the Board of Hospital Managers shall constitute a quorum for the transaction of any business. From among its members, the Board shall choose a Chairman, who shall preside; or in his absence a Chairman pro tempore shall preside; and the Administrator or any member of the Board may be appointed Secretary. The Board shall require the Secretary to keep suitable records of all proceedings of each meeting of the Board. Such record shall be read and signed after each meeting by the Chairman or the member presiding, and attested by the Secretary. The Board shall have a seal, on which shall be engraved the name of the Hospital District; and said seal shall be kept by the Secretary and used in authentication of all acts of the Board.

(c) This amendment to Chapter 266, Acts of the 53rd Legislature, Regular Session, as amended (Article 4494-n, Vernon's Annotated Civil Statutes as amended), shall be considered and construed as more specifically expressing certain existing powers and cumulatively granting certain other powers to hospital districts created or which may be created under such Act.

The Hospital District shall pay all salaries and expenses necessarily incurred by the county or any of its officers and agents in performing any duties which may be prescribed or required under this section. Such report shall show in detail the operations of the District for the term. Under the direction of the Board of Managers, he shall prepare an annual budget which shall be approved by the Board of Managers and shall then be presented to the Commissioners Court for final approval. In like manner all budget revisions shall be subject to approval by the Commissioners Court.

In condemnation proceedings being prosecuted by the said District, the District shall not be required to pay in advance or to give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction relating to a condemnation proceeding, nor to give bond for costs or for supersedeas on any appeal or writ of error proceeding to any Court of Civil Appeals, or to the Supreme Court.

The Administrator shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the

manner provided by law for the collection of expenses of the last illness of a deceased person. If the Administrator finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the Hospital District. Should there be a dispute as to the ability to pay, or doubt in the mind of the Administrator, the County Court shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which appeal shall lie to the District Court by either party to the dispute.

All acts of the Commissioners Courts of the counties of such districts in ordering an election or elections submitting to a vote of the qualified property taxpaying voters of the counties the following statutory proposition:

"The creation of a hospital district; providing for the levy of a tax not to exceed seventy-

five cents (75¢) on the One Hundred Dollars (\$100) valuation; and providing for the assumption by such district of all outstanding bonds heretofore issued by \_\_\_\_\_ County, and by any City in said County for hospital purposes" are hereby ratified, validated and confirmed. Such election or elections and all acts of the Commissioners Courts in such counties in declaring the results thereof are hereby ratified, validated and confirmed. The fact that by inadvertence or oversight any act was omitted by the Commissioners Court or any official of any such county in ordering an election or elections or in giving sufficient statutory notice thereof or in declaring the results thereof, shall in nowise invalidate any of such proceedings or the creation of the hospital district sought to be created by such proceedings.

Sec. 3. This Act shall not apply to any hospital district which is now involved in litigation in any district court of this State, the Court of Civil Appeals, or the Supreme Court of Texas, at the effective date of this Act, in which litigation the validity of the organization or creation of such hospital district is attacked, if such litigation is ultimately determined against the validity of the organization or creation of the hospital district.

Sec. 2. Provided that all construction projects originated or initiated under the terms of this Act, shall be let by contract, which contract shall contain the prevailing wage for all mechanics, laborers, and persons employed in the construction of such project. Sec. 3. Said petition may also incorporate therein a request for the Commissioners Court, in the event an election is ordered for the creation of such district, to submit at the same election the question of levying a tax for the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, in the event same is created, and/or the bonds to be issued for the construction and/or the acquisition of sites therefor, and to provide for the interest and sinking fund for such bonds by levying of such taxes as will be necessary in this connection.

**Cash Deposit with Petition; Disposition**

Sec. 3. Said petition shall be accompanied by Two Hundred Dollars (\$200.00) in cash, which shall be deposited with the clerk of said court, and by him held until after the results of the election for the creation of the district and issuance of bonds is officially made known. If said election is in favor of the establishment of said district, then the clerk shall return said deposit to the petitioners, their agent or attorney. If said election is against the establishment of such district, then the clerk shall pay out of said deposit upon vouchers approved and signed by the County Judge, all costs and expenses pertaining to said proposed district up to and including said election, and the balance shall be returned to the petitioners, their agent or attorney.

request to submit the question of levying of a tax for the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, in the event same is created and/or bonds to be issued for the construction and/or equipment of hospital buildings and/or the acquisition of sites therefor, and to provide for the interest and sinking fund for such bonds by levying of such taxes as will be necessary in this connection, then such order shall also submit such question of levying a tax and/or issuing bonds according to the terms of said petition. Such order shall contain a description of the metes and bounds of such Public Hospital District to be formed, and shall fix the date of such election. A majority vote of the qualified taxpaying voters in said district voting in said election shall determine the question or questions submitted in said order.

**Canvass of Election Returns; Declaration and Entry of Results**

Sec. 6. Said Commissioners Court shall within ten (10) days after holding such election make a canvass of the returns and declare the results of the election. The court shall then enter an order in the minutes as to the results.

The five candidates for Public District Hospital Trustees receiving the highest number of votes at such election shall be declared the Trustees of such Public District Hospital. Such Trustees so elected, when duly qualified hereunder, shall be the legal and rightful Public District Hospital Trustees for such district within the full meaning and purpose of this law. Such Trustees shall hold office until the next regular election for state and county officers and shall then and thereafter be elected every two years at each general election. Any candidate desiring to be voted upon as such first Trustee shall present a petition to the Commissioners Court not later than three days before the order authorizing the election is issued by the court, and shall be accompanied by a petition of not less than one hundred (100) of the qualified voters in such district, requesting that his name be placed on the ticket as a candidate for such Trustee. Said Board of Trustees shall adopt such rules, regulations, and bylaws as they may deem proper, and they shall have exclusive power to manage and govern said Public District Hospi-

tal and as such they shall constitute a body corporate by the name of "\_\_\_\_\_ County Public Hospital District No. \_\_\_\_\_" and in that name may acquire and hold real and personal property, sue and be sued, and may receive bequests and donations or other moneys or funds coming legally into their hands and may perform other acts for the promotion of health in said district.

#### Oath of Trustees

Sec. 8. Before entering upon his duties, each Trustee shall take and subscribe before the County Judge an oath faithfully to discharge the duties of his office without favor or partiality, and to render a true account of his activities to the court whenever requested to do so. Such oath shall be filed by the clerk of the court and preserved as a part of the district records.

Three Trustees shall constitute a quorum which shall be sufficient in all matters pertaining to the business of said district. All proceedings of the Board of Trustees shall be by motion or resolution recorded in a book or books kept for such purpose, which shall be public records. The Board of Trustees shall adopt an official seal.

#### Superintendent and Other Officers

Sec. 11. The Board of Trustees of such Public Hospital District shall appoint a superintendent and such other officers as they may deem necessary and fix the salary or other compensation to be received by each of them. All such appointments shall be for an indefinite time and may be removable at the will of the Board of Trustees. The superintendent shall be the chief administrative officer of the Public District Hospital and shall have control of administrative functions of said hospital. He shall be responsible to the Board of Trustees for the efficient administration of all affairs of the hospital. In case of the absence or temporary disability of the superintendent a competent person shall be appointed by the Board of Trustees. The superintendent shall be entitled to attend all meetings of the Board of Trustees and its committees and to take part in the discussion of any matters pertaining to the duties of his department, but shall have no vote. Such Public Hospital District superin-

tendent shall have power, and it shall be his duty:

1. To carry out the orders of the Board of Trustees, and to see that all the laws of the state pertaining to matters within the functions of his department are duly enforced;

2. To keep the Board of Trustees fully advised as to the financial condition and needs of the district. To prepare, each year, an estimate for the ensuing fiscal year of the probable expenses of his department, and to recommend to the Board of Trustees what development work should be undertaken, and what extensions and additions, if any, should be made, during the ensuing fiscal year, with an estimate of the costs of such development work, extensions and additions. To certify to the Board of Trustees all the bills, allowances and payrolls, including claims due contractors of public works. To recommend to the Board of Trustees salaries of the employees of his office and a scale of salaries or wages to be paid for the different classes of service required by the district.

#### Additional Bond Issue; Election

Sec. 12. If the proceeds of the original bond issue shall be insufficient to complete the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, or if the Trustees determine to provide for additional construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds, they shall certify to said court the necessity for an additional bond issue, stating the amount required, the purpose of same, the rate of interest of said bonds and the time for which they are to run. Said court shall thereupon order an election on the issuance of said bonds to be held within such district at the earliest possible legal time. The outstanding bonds and the additional bonds so ordered shall not exceed in amount one-fourth of the assessed value of the real property in such district, as shown by the latest annual assessment thereof made for state and county taxation.

#### Changes in Proposed District; Procedure; Notice

Sec. 13. After the issuance of bonds is authorized the Trustees may make changes in said proposed Public District Hospital, additions, or betterments thereto, extensions thereof, or equipment therefor, which will be of advantage to the Public District Hospital, which changes will not increase the cost of such proposed project beyond the amount of bonds authorized. Such changes may be made by the Trustees by entering on the minutes a notation of such changes. Notice of such change or changes shall be given by publication of such notation with the book and page number of the minutes for two successive weeks in some newspaper of general circulation, published in the English language, within the county in which such district is situated.

**Record Book for Bonds; Inspection; Recording Fees**

Sec. 14. Before issuing any bonds hereunder, the court shall provide a well-bound book, in which a record shall be kept by the County Clerk of all bonds issued, with their numbers, amount, rate of interest and date of issue, when due, where payable and amount received for the same, and the annual rate of assessment made each year to pay the interest on said bonds and provide a sinking fund for their payment, and upon the payment of any bond an entry thereof shall be made in said book. Said book shall at all times be open to inspection of all parties interested in said district either as taxpayers or bondholders. The County Clerk shall receive for his service in recording all bonds and other instruments of the district the same fees as provided by law for other like records.

**Bonds; Issuance; Procedure; Denominations; Interest Rate; Majority**

Sec. 15. All bonds issued hereunder shall be issued in the name of the district, signed by the County Judge and attested by the County Clerk, with the seal of the court affixed thereto. Such bonds shall be issued in denominations of not less than One Hundred Dollars (\$100.00) nor more than One Thousand Dollars (\$1,000.00) each, and shall bear interest at not exceeding six per cent (6%) per annum, payable annually or semi-annually. Such bonds shall by their terms provide the time, place, manner and conditions of their payment, and the rate of interest thereon, as may be determined and ordered by the court. No bonds shall be made payable more than thirty (30) years after the date thereof.

**Attorney General; Certification of Validity of Bonds**

Sec. 16. Before any bonds are offered for sale, the district shall forward to the Attorney General a copy of the bonds to be issued, a certified copy of the order of the court levying the tax to pay the interest and provide a sinking fund, and a statement of the total bonded indebtedness of such district as such, including the series of bonds proposed, and the assessed value of property for the purpose of taxation as shown by the latest official assessment of the county, with such other information as the Attorney General may require. Such officer shall carefully examine said bonds, and if he shall find that they are issued in conformity with the constitution and laws, and that they are valid and binding obligations upon such district, he shall so officially certify.

**Registration of Bonds by Comptroller; Prima Facie Evidence; Defenses Against Validity**

Sec. 17. When said bonds have been so approved, they shall be registered by the Comptroller in a book to be kept for that purpose, and the certificate of their approval shall be preserved of record for use in the event of litigation. Thereafter, said bonds shall be held prima facie valid and binding obligations in every action, suit or proceeding in which their validity is brought in question. In every suit

to enforce the collection of said bonds, the certificate of the Attorney General, or a duly certified copy thereof, shall be admitted and received in evidence as prima facie proof of the validity of such bonds, together with the coupons attached thereto. The only defense that can be offered against the validity of such bonds shall be forgery or fraud.

**Bond of County Judge; Payment of Premium**

Sec. 18. After the Public Hospital District bonds have been registered, the County Judge shall at once execute a good and sufficient bond, payable to the Trustees and approved by them, for an amount not less than the amount of the bonds issued, conditioned upon the faithful discharge of his duties. If said bond is executed by a satisfactory surety company, the district may pay a reasonable amount as premium on said bond, which shall be paid out of the construction and maintenance fund upon presentation of the bill therefor to the Trustees. If there is any controversy as to the reasonableness of the amount claimed as such premium, such controversy may be determined by any court of competent jurisdiction. Said premium may be deducted by the Board of Trustees from the commission allowed the County Judge on the sale of bonds by him.

**Sale of Bonds; Disposition of Proceeds; District Funds**

Sec. 19. When the bonds have been registered, the County Judge shall, under the direction of the Commissioners Court, advertise and sell such bonds on the best terms and for the best price possible, not less than the par value and accrued interest. All money received from such sale shall be turned over as received by the County Judge to the County Treasurer and shall be by him placed to the credit of the district in the construction and maintenance fund thereof. The County Treasurer of the county in which such district is situated shall be the treasurer of the district, and all funds in the district shall be paid to him as such treasurer and shall be disbursed by him only by warrants drawn and signed by the chairman of the Board of Trustees, or such other officer of the district as may be selected and designated by the Board of Trustees. The County Treasurer shall maintain in the name of the Public Hospital District such funds as may be created by the Board of Trustees, and into which shall be placed such moneys as the Board of Trustees may by its resolution direct. All such Public Hospital District funds shall be deposited with the county depositories under the same resolutions, contracts and securities as are provided by statute for county depositories, and all interest collected on such hospital funds shall belong to such Public Hospital District.

**Tax Levy to Pay Bonds and Interest; Sinking Fund**

Sec. 20. When bonds have been voted, the court shall annually levy and cause to be assessed and collected taxes upon all property within the district, whether real, personal, or otherwise, and sufficient in amount to pay the interest on such bonds as it falls due, and to

redeem such bonds at maturity. Such taxes when so collected shall be placed in the interest and sinking fund.

**Annual Report by Trustees**

Sec. 21. The Trustees shall annually, on or before the first day of June, prepare and file with the court a full detailed report of the condition of the Public District Hospital with an estimate of the probable cost of maintenance, operation, and needed repairs during the ensuing year, together with an inventory of all funds, effects, property and accounts belonging to such district and a list of all lawful demands, debts, and obligations against the district. Such report shall be verified by the Trustees and carefully investigated and considered by the court before any levy of taxes is made under the succeeding section.

**Assessment and Collection of Taxes; Maximum Rate; Disposition**

Sec. 22. Following the investigation and consideration of said above report, the Commissioners Court shall cause to be assessed and collected taxes upon all property in the district, whether real, personal, or otherwise, sufficient to maintain, keep in repair, to preserve and operate the Public District Hospital, and to pay all legal, just, and lawful debts, damages, and obligations against such district. Such levy shall never, in any one year, exceed two-tenths of one per cent ( $\frac{2}{10}$  of 1%) of the total assessed valuation of such district for such year. Such taxes when so collected shall be placed in the construction and maintenance fund.

**Sale of Bonds Not Required for Purpose for Which Voted**

Sec. 23. If any bonds remain which are not required for the purpose for which they were voted, then with the consent of the Commissioners Court duly made of public record, such bonds or a part thereof may be sold and the proceeds of the sale thereof may be placed in the construction and maintenance fund and used for the purpose stated in the section next preceding.

**County Tax Assessor; Powers and Duties; Board of Equalization**

Sec. 24. In the assessment and collection of the taxes authorized hereunder, and in all matters pertaining thereto or connected therewith, the County Tax Assessor and Collector shall have the same powers and shall be governed by the same rules, regulations, and proceedings as provided for the assessment and collection of state and county taxes, unless otherwise herein provided. The Commissioners Court shall constitute a board of equalization for such district, and all laws governing boards of equalization for state and county taxing purposes shall govern such district board.

**Lien and Due Date of Taxes; Penalty for Non-payment**

Sec. 25. The taxes authorized hereunder shall be a lien upon all property assessed therefor. The Commissioners Court shall, and

it is empowered to, fix the time and determine the date when such taxes shall become due and payable; otherwise they shall become due and payable at the same time as state and county taxes. Upon the failure to pay such taxes when due, the penalty provided by law for failure to pay state and county taxes at maturity shall in every respect apply to taxes hereunder.

**Additional Books Provided; Assessments; Compensation of Assessor; Removal from Office**

Sec. 26. The Commissioners Court shall provide all necessary additional books for the use of the Assessor and Collector and the County Clerk of such district, and charge the cost of same to the district. When ordered by the Commissioners Court, the Assessor shall assess all property within the district and list the same for taxation in the books or rolls furnished him by said Commissioners Court for said purpose, and return said books or rolls when he returns the state and county rolls for correction and approval. If said court finds them correct, it shall approve the same and direct the County Clerk to issue a warrant against the County Treasurer in favor of the Assessor to be paid from the district funds. The Assessor shall receive for said services such pay as the Commissioners Court deems proper. If the Assessor fails or refuses to comply with such order, he shall be suspended from the further discharge of his duties by the Commissioners Court, and removed from office in the mode prescribed by law for the removal of county officers.

**Duties of County Tax Collector; Additional Bond**

Sec. 27. The County Tax Collector shall be charged by the Commissioners Court with the assessment rolls of the district, and shall be allowed such compensation for the collection of said taxes as is allowed for the collection of other taxes. The Commissioners Court shall require said officer to give an additional bond or security in such sum as they deem proper and safe to secure the collection of said taxes. If such officer fails or refuses to give such additional security when requested by the court, within the time provided by law for such purposes, he shall be suspended from office by the Commissioners Court and immediately thereafter be removed from office in the mode prescribed by law.

**Certified List of Tax Delinquent Property; Tax Sale**

Sec. 28. The collector shall make a certified list of all delinquent property upon which the Public District Hospital tax has not been paid, and return same to the Commissioners Court, which shall proceed to have the same collected by the sale of such property in the same manner provided by law for the sale of property for the collection of state and county taxes. The Trustees may purchase any property so sold, for the benefit of the district.

**Elections as to Separate Officers for District; Notice**

Sec. 29. After the establishment of a district, and upon the petition of not less than

five per cent (5%) of the qualified taxpaying voters thereof, the court may order an election to determine whether or not such district shall have a separate tax assessor, separate tax collector, and separate board of equalization for the assessment and collection of district taxes. Notice of such election shall be given as in the original election, and if said proposition carries by a two-thirds vote, the said Trustees shall appoint a suitable person as assessor and other such person as collector, and they shall give bond and exercise the same powers and perform the same duties as provided herein for the County Assessor and Collector; and the Trustees shall exercise all of the powers herein conferred upon said court with relation to the equalization of taxes. The general laws relating to the assessment, collection and equalization of taxes, in so far as applicable, shall apply to the assessment, collection and equalization of district taxes.

#### County Treasurer's Duties

Sec. 30. The County Treasurer shall open an account with the district and keep an accurate account of all money received by him belonging to such district, and of all amounts paid out by him. He shall pay out no money except upon a voucher signed by the chairman or any two members of the Board of Trustees. He shall carefully preserve on file all orders for the payment of money, and as often as required by the Trustees or the court, he shall render a correct account to them of all matters pertaining to the financial condition of the district.

#### Compensation of Treasurer

Sec. 31. The treasurer shall be allowed as pay for his services as such, one-fourth of one per cent upon all money received by him for the account of such district, and one-eighth of one per cent upon all money by him paid out upon the order of the district. He shall not be entitled to any commissions on any district money received by him from his predecessor in office.

#### Payment of Obligations Incurred in Establishing District; Sources

Sec. 32. After the establishment of a Public Hospital District all legal and just expenses, debts, and obligations other than bonds and interest thereon arising and created after the filing of the original petition and necessarily incurred in the creation, establishing, operation, and maintenance of such Public District Hospital shall be paid out of the construction and maintenance fund of such district, which fund shall consist of all money, effects, property, and proceeds received by such district from all sources, except that portion of the tax collections which shall be necessary to pay the interest on the bonded indebtedness as it falls due and the payment of bonds at maturity. Said tax collections shall be placed in and paid out of the interest and sinking fund of such district for such purposes, and such fund may be invested for the benefit of the district in

such bonds and securities as the Attorney General may approve. Such funds shall be held for the respective purposes for which they were created, and if money is improperly paid out of either, the Commissioners Court may cause the County Treasurer to make the necessary transfer of such amount in the district accounts to restore the fund so improperly used.

#### Powers of Districts

Sec. 33. All Public Hospital Districts organized under the provisions of this Act shall have the power:

(a) To construct, condemn and purchase, purchase and acquire, lease, add to, maintain, operate, develop and regulate, sell and convey all lands, property, property rights, equipment, hospital facilities and systems for the maintenance of hospitals, buildings, structures and any and all other facilities, and to exercise the right of eminent domain to effectuate the foregoing purposes or for the acquisition and damaging of the same or property of any kind appurtenant thereto, and such right of eminent domain shall be exercised and instituted pursuant to a resolution of the Board of Trustees and constituted in the same manner and by the same procedure as is or may be provided by law for the exercise of the power of eminent domain by incorporated cities and towns of the State of Texas in the acquisition of property rights. It is provided, however, that no Public Hospital District shall have the right of eminent domain and the power of condemnation against any hospital, clinic, or sanatorium operated as a charitable, non-profit establishment or against a hospital, clinic or sanatorium operated by a religious group or organization, or against any privately owned or operated hospital or clinic, corporate or otherwise, in said district;

(b) To lease existing hospitals and equipment and/or other property used in connection therewith, and to pay such rental therefor as the Trustees shall deem proper; to provide hospital service for residents of said district in hospitals located outside the boundaries of said district, by contract or in any other manner said Trustees may deem expedient or necessary under the existing conditions; and said hospital district shall have the power to contract with other communities, corporations, or individuals for the services provided by said hospital district; and they may further receive in said hospital and furnish proper and adequate services to all persons not residents of said district at such reasonable and fair compensation as may be considered proper; provided, that it must at all times make adequate provision for the needs of the district, and residents of said district shall have prior rights to the available facilities of said

hospitals, at rates set by the District Trustees;

(c) For the purposes aforesaid, it shall be lawful for any district so organized to take, condemn and purchase, lease, or acquire, any and all property, and property rights, for any of the purposes aforesaid, and any and all other facilities necessary or convenient, and in connection with the construction, maintenance and operation of any such hospital, except as herein duly excepted in paragraph (a) of this section;

(d) To contract indebtedness or borrow money for corporate purposes on the credit of the corporation or the revenues of the public hospitals thereof, and to issue bonds as herein provided;

(f) To sue and be sued in any court of competent jurisdiction; provided, that said Public Hospital District shall not be liable for negligence for any act of any officer, agent or employee of said district; and provided that all suits against the Public Hospital District shall be brought in the county in which the Public Hospital District is located;

Sec. 34. Any contract of any nature whatsoever entered into by the Board of Trustees on behalf of said Public Hospital District in excess of Two Thousand Dollars (\$2,000.00) shall be let to the lowest bidder after advertising the same in one or more newspapers of general circulation in this state once a week for four consecutive weeks, and by posting notices thereof for at least twenty-five (25) days in four public places in the county, one at the courthouse door and at least two within the district. Any person, firm, or corporation desiring to bid on any such contract shall, upon application to the Trustees, be furnished with a copy of the plans and specifications or other data necessary in making said bid. All bids shall be in writing and sealed and delivered to the chairman of the Board of Trustees, with a certified check for at least five per cent (5%) of the total amount bid, which shall be forfeited to the district in case the bidder refuses to enter into a proper contract if his bid is accepted. Any bid may be rejected if deemed too high. The contractor shall give bond in the amount of the contract price, payable to the Trustees, condi-

**Art. 4494p. Optional Hospital District Law of 1957**

**Short Title**

Sec. 1. This Act shall be known and may be cited as the Optional Hospital District Law of 1957.

**Purpose**

Sec. 2. The purpose of this Act is to provide a method for establishment and administration of county-wide hospital districts, in addition to the method provided in Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended;<sup>1</sup> and this Act shall in no way be considered as an amendment to any existing hospital district law nor shall it in any way be construed or considered as a repeal of any existing laws, but shall be cumulative of any and all existing laws providing for the creation and management of hospital districts. Any county may elect under which Act it desires to create its hospital district, and when it has so elected it shall be governed by the specific law under which it was so created unless and until changed by an election as provided in Section 18 of this Act.

<sup>1</sup> Article 4494u.

**Creation of District**

Sec. 3. (a) Any county authorized to establish a hospital district pursuant to Section 4 of Article IX of the Constitution of Texas, that does not own or operate, or that does own and operate a hospital or hospital system, by itself or jointly with a city, for indigent and needy persons, may be constituted a hospital district as hereinafter set out, and may take over the hospital or hospital system, either owned separately by a county or jointly with a city, or may provide for the establishment of a hospital or hospital system to furnish medical aid and hospital care to the indigent and needy persons residing in the hospital district; provided, however, that such hospital district shall not be created unless and until an election is duly held in the county for such purpose, which election may be initiated by the Commissioners Court upon its own motion or upon a petition of one hundred (100) resident qualified property taxpaying voters, to be held not less than thirty days from the time the election is ordered by the Commissioners Court.

(b) At the time the order for the holding of such election is entered by the Commissioners Court, the Commissioners Court shall determine the amount of tax needed for the operation and maintenance of such hospital system and the retirement of any outstanding bonded indebtedness which is to be assumed by such district not to exceed seventy-five cents (75¢)

on the One Hundred Dollars (\$100) assessed valuation.

(c) At the election there shall be submitted to the qualified property taxpaying voters the proposition of whether or not a hospital district shall be created in the county; and a majority of the qualified property taxpaying voters participating in said election voting in favor of the proposition shall be necessary. The ballots shall have printed thereon:

"FOR the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount determined by order of the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation"; and

"AGAINST the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount determined by order of the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation."

If such county or city, either or both of them, has any outstanding bonds theretofore issued for hospital purposes (which by the provisions of Section 6 of this Act are required to be assumed by the hospital district), then the ballots for such election shall, instead of the foregoing, have printed thereon:

"FOR the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount of tax determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation; and providing for the assumption by such district of all outstanding bonds heretofore issued by \_\_\_\_\_ County, and by any city in said county for hospital purposes"; and

"AGAINST the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount of tax determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation; and providing for the assumption by such district of all outstanding bonds heretofore issued by \_\_\_\_\_ County, and by any city in said county for hospital purposes."

#### Taxes of District; Deposit of Taxes and Other Income

Sec. 4. (a) The Commissioners Court of any county which has voted to create a hospital district shall have the power and the authority, and it shall be its duty, to levy on all property subject to hospital district taxation for the benefit of the district at the same time taxes are levied for county purposes, using the county values and the county tax roll, a tax of not to exceed the amount determined by the Commissioners Court in calling the election

and so stated on the ballot in which the district was approved, on the One Hundred Dollars (\$100) valuation of all taxable property within the hospital district, for the purpose of:

(1) paying the interest on and creating a sinking fund for bonds which may have been assumed or which may be issued by the hospital district for hospital purposes, as herein provided;

(2) providing for the operation and maintenance of the hospital or hospital system; and

(3) for the purpose of making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor, by purchase, lease or condemnation.

(b) The tax so levied shall be collected on all property subject to hospital district taxation by the assessor and collector of taxes for the county on the county tax values, and in the same manner and under the same conditions as county taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one and one-half per cent (1½%) of the amounts collected as may be determined by the Commissioners Court. Such fees shall be deposited in the county's general fund, and shall be reported as fees of office of the tax assessor and collector. Interest and penalties on taxes paid to the hospital district shall be the same as in the case of county taxes. Discounts shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository; and such funds shall be withdrawn only as provided herein. All other income of the hospital district shall be deposited in like manner with the district depository. Warrants against hospital district funds shall not require the signature of the county clerk.

(c) The Commissioners Court shall have the authority to levy the tax aforesaid for the entire year in which the hospital district is established, for the purpose of securing funds to initiate the operation of the hospital district, and to pay assumed bonds.

(d) After the creation of such district the tax levy so approved in the creation of the district shall not be increased unless and until an election is duly held in the county for such purpose, which election may be initiated by the Commissioners Court upon its own motion or upon a petition of one hundred (100) resident qualified property taxpaying voters, to be held not less than thirty (30) days from the time the election is ordered by the Commissioners Court. In calling the election the Commissioners Court shall determine the amount of increase in the tax levy needed for the proper maintenance of such hospital system, provided the increase together with the existing levy for the district shall not exceed seventy-five cents (75¢) in any one year. There shall be submit-

ted to the qualified property taxpaying voters the proposition of whether or not the tax levy for the hospital district shall be increased, and a majority of the qualified property taxpaying voters participating in the election voting in favor of the proposition shall be necessary. The ballot shall have printed thereon:

"FOR the increase of the hospital district tax from (the existing tax levy) to (the amount of existing tax plus the increase determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation"; and

"AGAINST the increase of the hospital district tax from (the existing tax levy) to (the amount of existing tax plus the increase determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation."

(e) Increases in such hospital district tax levy may be had in the above manner from time to time so long as the total levy never exceeds seventy-five cents (75¢) on the One Hundred Dollars (\$100) valuation.

**Bonds of District; Taxes to Pay Bonds and Interest;  
Sinking Funds**

Sec. 5. (a) The Commissioners Court shall have the power and authority to issue and sell as the obligations of such hospital district, and in the name and upon the faith and credit of such hospital district, bonds for the acquisition, purchase, construction, equipment and enlargement of the hospital or hospital system, and for any or all of such purposes; provided, that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures, but such tax together with any other taxes levied for the district shall not exceed seventy-five cents (75¢) in any one year. Such bonds shall be executed in the name of the hospital district and on its behalf by the county judge of the county within which the hospital district is created, and counter-signed by the county clerk, and shall be subject to the same requirements in the manner of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of such county; and the approval of such bonds by the Attorney General shall have the same force and effect as is by law given to his approval of bonds of such county.

(b) No bonds shall be issued by such hospital district (except refunding bonds) until authorized by a majority vote of the legally qualified property taxpaying voters, residing in such hospital district, voting at an election called and held in accordance with the provisions of Chapter 1 of Title 22 of the Revised Civil Statutes of the State of Texas (1925), as amended, relating to county bonds. Such election may be called by the Commissioners Court

at any time it deems advisable except that no election shall be held within two (2) years after a previous election. The same persons shall be responsible for the conduct of such election and the arrangement of all details thereof as the persons charged therewith in connection with other county-wide elections. The cost of any such election shall be a charge upon the hospital district and its funds; and the hospital district shall make provision for the payment thereof before the Commissioners Court shall be required to order such an election.

(c) In the manner hereinabove provided, the bonds of the hospital district may, without the necessity of any election therefor, be issued for the purpose of refunding and paying off any bonded indebtedness theretofore assumed by the hospital district and any bonds theretofore issued by the hospital district. Such refunding bonds may be sold and the proceeds thereof applied to the payment of any such outstanding bonds or may be exchanged in whole or in part for not less than a like amount of said outstanding bonds and interest matured thereon, but unpaid; provided the average interest cost per annum on the refunding bonds, computed in accordance with recognized standard bond interest cost tables, shall not exceed the average interest cost per annum so computed upon the bonds to be discharged out of the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged out of such proceeds. In the foregoing computations, any premium or premiums required to be paid upon the bonds to be refunded as a condition to payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the hospital district of the refunding bonds.

(d) If the city and the county, or either of them, has voted bonds to provide hospital facilities, but such bonds have not been sold at the date of the creation of the hospital district, the authority for such bonds shall be canceled, and they shall not be sold.

**County or City Property or Funds; Transfer to District**

Sec. 6. (a) Any lands, buildings or equipment that may be jointly or separately owned by such county and city, and by which medical services or hospital care, including geriatric care, are furnished to the indigent or needy persons of the city and county, shall become the property of the hospital district, and title thereto shall vest in the hospital district; and any funds of the city and county, or either, which are the proceeds of any bonds assumed by the hospital district, as hereby provided, shall become the funds of the hospital district, and title thereto shall vest in the hospital district; and there shall vest in the hospital district and become the funds of the hospital district the unspent portions of any funds theretofore set up or appropriated by budget or otherwise by the city or the county, or either of

them, for the support and maintenance of the hospital facilities for the year within which the hospital district comes into existence, thereby providing such hospital district with funds with which to maintain and operate such facilities for the remainder of such year. All obligations under contract legally incurred by the city or county, or either of them, for the building of, or the support and maintenance of, hospital facilities, prior to the creation of the district but outstanding at the time of the creation of the district, shall be assumed and discharged by it without prejudice to the rights of third parties. As soon as practicable after the declaration of the result of the election, the board of managers of the existing hospital system shall turn over all records, property and affairs of the hospital system to the board of managers of the hospital district and shall cease to exist as a hospital system board of managers.

(b) Any outstanding bonded indebtedness incurred by the city or county, either or both of them, in the acquisition of lands, buildings and equipment for such hospital system, or in the construction and equipping of such hospital facilities, together with any other outstanding bonds issued by either of them for hospital purposes, and the proceeds of which are in whole or in part still unspent, shall be assumed by the hospital district and become the obligation of the hospital district; and the city or county, either or both of them, that issued such bonds, shall be by the hospital district relieved of any further liability for the payment thereof, or for providing interest and sinking fund requirements thereon; provided that nothing herein contained shall limit or affect any of the rights of any of the holders of such bonds against the city or the county, as the case may be, in the event of default in the payment of the principal or interest on any of such bonds in accordance with their respective terms.

(c) As soon as the hospital district is created and authorized at the election hereinabove provided, the Commissioners Court acting for the county and the city governing board acting for the city shall execute and deliver to the board of managers of the hospital district an instrument in writing conveying to the hospital district the hospital property, including lands, buildings and equipment owned by the county or the city or jointly owned by the county and the city; and shall transfer to the hospital district the funds hereinabove provided to become vested in the hospital district, upon being furnished the certificate of the chairman of the board to the fact that a depository for the district's funds has been selected and has qualified; which funds shall, in the hands of the hospital district and of its board of managers, be used for all or any of the same purposes as, and for no other purposes than, the purposes for which the county or the city transferring such funds could lawfully have used the same had they remained the property and funds of such county or city.

## Board of Managers

Sec. 7. (a) The Commissioners Court is hereby designated as the board of managers of the hospital district with the county judge as chairman thereof and they shall serve in this capacity without any compensation other than that provided by law for county judges and commissioners, and whose duty shall be to manage, control and administer the hospital or hospital system of the hospital district. The board of managers shall have the power and authority to sue and be sued and to promulgate rules and regulations for the operation of the hospital or hospital system.

(b) The board shall appoint a general manager, to be known as the administrator of the hospital district. The administrator shall hold office for a term not exceeding two (2) years, and shall receive such compensation as may be fixed by the board. The administrator shall be subject to removal at any time by the board. The administrator shall, before entering into the discharge of his duties, execute a bond payable to the district, in the amount of not less than Ten Thousand Dollars (\$10,000), conditioned that he shall well and faithfully perform the duties required of him, and containing such other conditions as the board may require. The administrator shall perform all duties which may be required of him by the board, and shall supervise all of the work and activities of the district, and have general direction of the affairs of the district, within such limitations as may be prescribed by the board. He shall be a person qualified by training and experience for the position of administrator.

(c) The board of managers shall have the authority to employ such doctors, technicians, nurses and other employees of every kind and character as may be deemed advisable for the efficient operation of the hospital or hospital system; provided that no contract of employment shall exceed the period of two years.

(d) The Commissioners Court as the board of managers of such district may include the employees of such district in any county employees' pension or retirement program now in existence or which may be created in the future for the benefit of such district's employees.

(d) The county clerk shall act as secretary to the board of managers and shall keep suitable records of all proceedings of each meeting of the board. The seal of the Commissioners Court of such county shall be the seal of the district and used in the authentication of all acts of the board.

## Powers of Commissioners Court; Duties of District, County Officers, Employees or Agents

Sec. 8. The Commissioners Court shall have the power to prescribe the method and manner of making purchases and expenditures by and for the hospital district, and also shall be authorized to prescribe all accounting and control procedures. The hospital district shall pay all

salaries and expenses necessarily incurred by the county or any of its officers and agents in performing any duties which may be prescribed or required under this section. It shall be the duty of any officer, employee or agent of such county to perform and carry out any function or service prescribed by the Commissioners Court hereunder.

#### Assistant to Administrator

Sec. 9. In the event of incapacity, absence or inability of the administrator to discharge any of the duties required of him, the board may designate an assistant to the administrator to discharge any duties or functions required of the administrator. Such assistant or other persons shall give such bond and have such limitations upon his authority as may be fixed by the order of the board.

#### Reports of Administrator; Budget

Sec. 10. Once each year, as soon as practicable after the close of the fiscal year, the administrator of the hospital district shall report to the Commissioners Court, the State Board of Health and the State Comptroller a full sworn statement of all moneys and choses in action received by such administrator and how disbursed or otherwise disposed of. Such report shall show in detail the operations of the district for the term. He shall prepare an annual budget which shall be subject to approval by the Commissioners Court. In like manner all budget revisions shall be subject to approval by the Commissioners Court.

#### Eminent Domain

Sec. 11. A hospital district organized in pursuance of this Act shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind or character, real, personal or mixed, or any interest therein, including outright ownership of such property in fee simple absolute, within the boundaries of the district, necessary or convenient to the exercise of the rights, powers, privileges and functions conferred upon it by this Act, in the manner provided by general law with respect to condemnation; provided that the district shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph numbered 2 in Article 3268, Revised Civil Statutes, 1925, or to make the bond required therein. In condemnation proceedings being prosecuted by the district, the district shall not be required to pay in advance or to give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction relating to a condemnation proceeding, nor to give bond for costs or for supersedeas on any appeal or writ of error proceeding to any Court of Civil Appeals, or to the Supreme Court.

#### Depository for District; Selection

Sec. 12. Within thirty (30) days after the creation of any district under this Act, the

board of managers shall select a depository for the district in the manner provided by law for the selection of county depositories; and such depository shall be the depository of the district for a period of two (2) years thereafter, until its successor is selected and qualified. In the alternative, the board may elect to use the depository theretofore selected by the county.

#### Inspection of Districts

Sec. 13. All hospital districts established or maintained under the provisions of this Act shall be subject to inspection by any duly authorized representative of the State Board of Health or any other state board hereafter created or designated to exercise supervision over hospitals, and resident officers shall admit such representatives into all hospital district facilities and give them access on demand to all records, reports, books, papers, and accounts pertaining to the hospital district.

#### Legal Representative of District

Sec. 14. It shall be the duty of the county attorney, district attorney or criminal district attorney, as the case may be, charged with the duty of representing the county in civil matters, to represent the hospital district in all legal matters; provided, however, that the board of managers shall be authorized at its discretion to employ additional legal counsel when the board deems advisable.

The hospital district shall contribute sufficient funds to the general fund of the county for the account of the budget of the county attorney, district attorney or criminal district attorney, as the case may be, to pay all additional salaries and expenses incurred by such officer in performing the duties required of him by the district.

#### Medical and Hospital Care Assumed by District; Delinquent Taxes Owed to Cities and Counties

Sec. 15. (a) No county that has been constituted a hospital district, and no city therein, shall thereafter levy any tax for hospital purposes; and the hospital district shall be deemed to have assumed full responsibility for the furnishing of medical and hospital care for the needy and indigent persons residing in the hospital district.

(b) That portion of delinquent taxes owed cities and counties on levies for separate or joint city and county hospital systems, or for the payment of bonds issued by such systems, shall continue to be paid to the hospital district by the city and county as collected, and applied by the hospital district to the purposes for which such taxes originally were levied.

#### Patients; Inquiry as to Ability to Pay

Sec. 16. (a) The Commissioners Court as the board of managers for such hospital system shall by order duly entered in the record of the hospital district set forth in detail its definition of an indigent or needy person so as to determine who is qualified for admission to the

facilities of the hospital district. Such order shall also state in detail under what basis any person shall be admitted on an emergency basis without regard to indigency and how long and on what basis such person shall be permitted to stay in such district facilities.

(b) The board shall have the right to set up such requirements of proof of indigency as it sees fit, including affidavits of inability to pay, and may employ such personnel as necessary for the purpose of handling admissions and determining the eligibility of admissions.

(c) Any person who makes a false statement for the purpose of obtaining admission to the hospital district facilities and who is able to pay for such hospital care shall be liable for such care and shall also be guilty of a misdemeanor and punishable by a fine not to exceed Two Hundred Dollars (\$200).

Donations, Gifts and Endowments for District;  
Payments by the State

Sec. 17. (a) The board of managers of the hospital district is authorized on behalf of the district to accept donations, gifts, and endowments for the hospital district, to be held in trust and administered by the board of managers for such purposes and under such directions, limitations, and provisions as may be prescribed in writing by the donor, not inconsistent with proper management and objects of the hospital district.

(b) The board of managers is expressly authorized to contract with the State for the receipt of any payments or grants which may be provided by the State for the care or treatment of hospital patients, and to receive any payments or grants which may be made by the State for the care and treatment of patients in the facilities of the hospital district.

Conversion of District

Sec. 18. (a) Any hospital district heretofore or hereafter created in accordance with Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended,<sup>1</sup> may be converted into a district subject to the provisions of this Act, or any district created in accordance with this Act may be converted into a district subject to the provisions of the said Chapter 266, in the following manner. Upon petition to the Commissioners Court by qualified property taxpaying voters of the district equal in number to five per cent (5%) of the property taxpayers of the county as shown by the current assessment rolls of the county, requesting the calling of an election on the question of conversion, the Commissioners Court within twenty (20) days after receipt of the petition shall order such election, to be held not less than thirty (30) days nor more than ninety (90) days from the time the election is ordered by the Commissioners Court. At the election there shall be submitted to the qualified property taxpaying voters of the district the proposition of whether or not the district is to be converted, and a majority of the qualified property taxpaying voters participating in the election shall determine the result thereof.

(b) If the election is on the question of conversion of a district created in accordance with this Act, the ballot shall have printed thereon:

“FOR conversion of the hospital district from a district operated under the Optional Hospital District Law of 1957 to a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, and the levy of a tax not to exceed seventy-five cents (75¢) on the One Hundred Dollars (\$100) valuation”; and

“AGAINST conversion of the hospital district from a district operated under the Optional Hospital District Law of 1957 to a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, and the levy of a tax not to exceed seventy-five cents (75¢) on the One Hundred Dollars (\$100) valuation.”

If the election is on the question of conversion of a district created in accordance with the said Chapter 266, at the time the order for holding such election is entered the Commissioners Court shall determine the amount of tax needed for the purpose of (1) paying the interest on and creating a sinking fund for bonds which may have been assumed by the district originally created (but excluding any bonds issued by the district); (2) providing for the operation and maintenance of the hospital or hospital system; and (3) making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor. If there are no outstanding bonds issued by the district, the ballot shall have printed thereon:

“FOR conversion of the hospital district from a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, to a district operated under the Optional Hospital District Law of 1957, and the levy of a tax not to exceed (the amount determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation”; and

“AGAINST conversion of the hospital district from a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, to a district operated under the Optional Hospital District Law of 1957, and the levy of a tax not to exceed (the amount determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation.”

If there are outstanding bonds issued by the district, the ballot shall have printed thereon:

“FOR conversion of the hospital district from a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, to a district operated under the Optional Hospital Dis-

trict Law of 1957, and the levy of a tax not to exceed seventy-five cents (75¢) on the One Hundred Dollars (\$100) valuation until presently outstanding bonds issued by the district have been retired, and thereafter the levy of a tax not to exceed (the amount determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation"; and

"AGAINST conversion of the hospital district from a district operated under Chapter 266, Acts of the Fifty-third Legislature, Regular Session, as amended, to a district operated under the Optional Hospital District Law of 1957, and the levy of a tax not to exceed seventy-five cents (75¢) on the One Hundred Dollars (\$100) valuation until presently outstanding bonds issued by the district have been retired, and thereafter the levy of a tax not to exceed (the amount determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars (\$100) valuation."

(c) If the proposition fails to carry at the election, no further election on the proposition shall be held for a period of two (2) years. If a majority of the qualified taxpaying voters

participating in the election vote in favor of the proposition, the conversion shall become effective thirty (30) days after declaration of the result of the election. The identity of the district shall not be affected by the conversion, and the district shall be liable for all outstanding debts and obligations as fully as when originally assumed or incurred by it. However, any bonds voted by a district originally created under Chapter 266 which have not been issued on the date of the election for conversion shall not be issued and the authority for such bonds shall be canceled. Upon conversion of a district from one operated under Chapter 266 to one operated under this Act, the district shall not have the power to levy a tax in excess of the amount determined by the Commissioners Court in its order calling the election for any purposes other than providing a sinking fund for payment of interest on and principal of unpaid bonds issued by the district prior to the conversion.

(d) At any time after five (5) years from the date of a conversion, a further election on the question of reconversion may be held in the manner herein provided for the original conversion.

**Art. 4494r. County Hospital Authority Act****Creation of Authorities**

Sec. 1. County Hospital Authorities without taxing power may be created as hereinafter provided. This law shall be known as the "County Hospital Authority Act."

**Definitions**

Sec. 2. As used in this law, "County" means any county in the State of Texas; "Governing Body" means the Commissioners Court of a county; "Authority" means a County Hospital Authority created under this Act; "Board" or "Board of Directors" means the board of directors of the Authority; "Bond Resolution" means the resolution authorizing the issuance of revenue bonds; "Trust Indenture" means the mortgage, deed of trust or other instrument pledging revenues of, or creating a mortgage lien on properties, or both, to secure the revenue bonds issued by the Authority; "Trustee" means the trustee under the Trust Indenture.

**Order; Territory of Authority; Body Politic and Corporate; Powers**

Sec. 3. When the Governing Body of a county shall find that it is to the best interest of the County and its inhabitants to create a County Hospital Authority, it shall pass an order creating the Authority and designating the name by which it shall be known. The Authority shall comprise only the territory included within the boundaries of such County and shall be a body politic and corporate and a political subdivision of the State. It shall have the power of perpetual succession, have a seal, may sue and be sued and may make, amend and repeal its bylaws.

**Board of Directors; Appointment; Terms; Expenses**

Sec. 4. (a) The Authority shall be governed by a Board of Directors consisting of not less than seven (7) nor more than eleven (11) members to be determined at the time of creating the Authority. Except as hereinafter in this Section provided, the first Directors shall be appointed by the Governing Body of the County, and they shall serve until their successors are appointed as hereinafter provided. When the Authority issues its revenue bonds the resolution authorizing the issuance of the bonds or the Trust Indenture securing them may prescribe the method of selecting and the term of office of a majority of the members of the Board. The remaining members of the Board shall be appointed by the Governing Body of the County. The Trust Indenture may also provide that, in event of default as defined in the Trust Indenture, the Trustee may appoint all of the Directors, in which event the terms of the Directors then in office shall automatically terminate. Unless and until provision is made in the Bond Resolution or Indenture in connection with the issuance of bonds for the appointment by other means of part of the Directors, all of the Directors shall be appointed by the Governing Body of the County for terms not to exceed three (3) years, but the terms of Directors ap-

pointed prior to the issuance of the first issue of revenue bonds shall be subject to the exercise of the provision herein made for appointment of a majority of the members of the Board in connection with the issuance of the bonds. No officer or employee of any such County shall be eligible for appointment as a Director. Directors shall not receive compensation for services but shall be entitled to reimbursement of their expenses incurred in performing such service.

(b) In the event the Authority purchases from a nonprofit corporation a hospital then in existence or in process of construction, the first members of the Board of Directors and their successors shall be determined as provided in the contract of purchase.

**Officers; Quorum; Manager or Executive Director of Hospital**

Sec. 5. The Board of Directors shall elect from among their members a president and vice president, and shall elect a secretary and a treasurer who may or may not be Directors, and may elect such other officers as may be authorized by Authority's bylaws. The offices of secretary and treasurer may be combined. The president shall have the same right to vote on all matters as other members of the Board. A majority of the members of the Board shall constitute a quorum and when a quorum is present action may be taken by a majority vote of Directors present. The Board shall employ a manager or executive director of the Hospital and such other employees, experts and agents as it may see fit, but it may delegate to the manager the power to employ and discharge employees. The Board may employ legal counsel.

**Construction, Operation and Equipment of Hospitals**

Sec. 6. The Authority shall have the power to construct, enlarge, furnish and equip hospitals, purchase existing hospitals, furnishings and equipment for its hospitals, and to operate and maintain hospitals. A hospital must be located within the County creating the Authority.

**Revenue Bonds**

Sec. 7. The Authority may issue revenue bonds to provide funds for any of its purposes. Such bonds shall be payable from and secured by a pledge of the net revenues to be derived from the operation of the hospital or hospitals and any other revenues resulting from the ownership of the hospital properties. The bonds may be additionally secured by a mortgage or deed of trust on real property of Authority or by a chattel mortgage on its personal property, or by both.

**Content of Bonds; Maturity**

Sec. 8. The bonds shall be authorized by resolution adopted by a majority vote of a quorum of the Board of Directors, and shall be signed by the president or vice president and countersigned by the secretary, or either or both of their facsimile signatures may be

printed thereon. The seal of the Authority shall be impressed or printed thereon. The bonds shall mature serially or otherwise in not to exceed forty (40) years and may be sold at a price and under terms determined by the Board of Directors to be the most advantageous reasonably obtainable, provided that the interest cost to the Authority, including the discount, if any, calculated by use of standard bond interest tables currently in use by insurance companies and investment houses does not exceed six per cent (6%) per annum, and within the discretion of the Board, may be made callable prior to maturity at such times and prices as may be prescribed in the resolution authorizing the bonds, and may be made registrable as to principal or as to both principal and interest.

**Bond Resolution; Publication; Referendum Petition**

Sec. 9. (a) Before authorizing the issuance of bonds, other than refunding bonds, the Board of Directors shall cause a notice to be issued stating that it intends to adopt a resolution (herein called "Bond Resolution") authorizing the issuance of the bonds, the maximum amount thereof, and the maximum maturity thereof. The notice shall be published once each week for two (2) consecutive weeks in a newspaper or newspapers having general circulation in the Authority, the first such publication shall be at least fourteen (14) days prior to the day set for adopting the Bond Resolution.

(b) If, prior to the day set for the adoption of the Bond Resolution, there is presented to the secretary or president of the Board of Directors a petition signed by not less than ten per cent (10%) of the qualified voters residing within the boundaries of the County comprising the Authority, who own taxable property in the Authority and who have duly rendered the same for taxation to the County in which such property is located or situated, requesting an election on the proposition for the issuance of the bonds, the bonds shall not be issued unless an election is held and a majority vote is in favor of the bonds. Such election shall be called and held in accordance with the procedure prescribed in Chapter 1, Title 22, Revised Civil Statutes of 1925, as amended, with the Board of Directors, president and secretary performing the functions therein assigned to the governing body of the County, the County Judge and County Clerk respectively. If no such petition is filed the bonds may be issued without an election. It is provided, however, that the Board of Directors may call such election on its own motion without the filing of the referendum petition.

**Junior Lien Bonds; Parity Bonds**

Sec. 10. Bonds constituting a junior lien on the net revenues or properties may be issued unless prohibited by the Bond Resolution or Trust Indenture. Parity bonds may be issued under conditions specified in the Bond Resolution or Trust Indenture.

**Payment of Interest**

Sec. 11. Money for the payment of not more than two (2) years' interest on the bonds and an amount estimated by the Board to be required for operating expenses during the first year of operation may be set aside for those purposes out of the proceeds from the sale of the bonds.

**Refunding Outstanding Bonds**

#### Art. 4494r-1. Issuing and Refunding Revenue Bonds

Sec. 1. All hospital districts heretofore or hereafter created pursuant to Article IX, Section 9, of the Constitution are hereby authorized to issue, and to refund any previously issued, revenue bonds for purchasing, constructing, acquiring, repairing, equipping or renovating buildings and improvements for hospital purposes, and for acquiring sites therefor, such bonds to be payable from and secured by a

pledge of all or any part of the revenues of the district to be derived from the operation of its hospital or hospitals, and such bonds may be additionally secured by a mortgage or deed of trust lien on any part or all of its properties.

Sec. 2. Such bonds shall be issued in the manner and in accordance with the procedures and requirements specified for the issuance of revenue bonds by County Hospital Authorities in Sections 8 to 13, both inclusive, and with effect specified in Section 20, of the County Hospital Authority Act, Chapter 122, Acts 1963, 58th Legislature (compiled as Article 4494r, Vernon's Texas Civil Statutes).

[Acts 1967, 60th Leg., p. 681, ch. 285, eff. May 25, 1967.]

#### Art. 4494r-2. Issuance of Revenue Bonds in Counties of 200,000 or More

Sec. 1. The commissioners court of every county containing a population of 200,000 or more, according to the last preceding federal census, wherein there exists a hospital district which has been created by law pursuant to any Section of Article IX of the Texas Constitution shall be authorized and have the power to issue revenue bonds for the purpose of providing funds to acquire, purchase, construct, repair, renovate, improve, enlarge, and/or equip any hospital facilities, and to acquire any real or personal property in connection therewith, for and on behalf of said hospital district. Provided however, that there shall be no authority to issue such revenue bonds on behalf of a hospital district for the purchase of nursing homes for long term care. Such commissioners court shall be authorized to issue said revenue bonds to be payable from and secured by liens on and pledges of all or any part of the revenues and income of every nature derived by the hospital district from the operation and/or ownership of its hospital facilities (exclusive of ad valorem taxes). Also, the commissioners court shall be authorized to pledge to the payment of said bonds all or any part of any grant, donation, or income received or to be received from the United States government or any other public or private source, whether pursuant to an agreement or otherwise. Said bonds may be additionally secured by mortgages and deeds of trust on any real property on which any hospital facilities of the hospital district are or will be located, and any real or personal property incident or appurtenant to said facilities, and the commissioners court may authorize the execution and delivery of trust indentures, mortgages, deeds of trust, or other forms of encumbrances to evidence same. Said bonds may be issued to mature serially or otherwise not to exceed 40 years from their date. In the authorization of any such bonds, the commissioners court may provide for the subsequent issuance of additional parity bonds, or subordinate lien bonds, or other types of bonds, under such terms or conditions as may be set forth in the order authorizing the issuance of said bonds, all within the discretion of the commissioners court. Said bonds,

and any interest coupons appertaining thereto, shall be negotiable instruments (provided that such bonds may be issued registrable as to principal alone or as to both principal and interest), and shall be executed, and may be made redeemable prior to maturity, and may be issued in such form, denominations, and manner, and under such terms, conditions, and details, and may be sold in such manner, at such price, and under such terms, and said bonds shall bear interest at any rate or rates, all as shall be determined and provided by the commissioners court in the order authorizing the issuance of said bonds. If so permitted in the bond order, any required part of the proceeds from the sale of the bonds may be used for paying interest thereon during the period of the construction of any hospital facilities to be provided through the issuance of said bonds, and for the payment of operation and maintenance expenses of said facilities to the extent, and for the period of time, specified in said bond order, and also for the creation of reserves for the payment of the principal of and interest on the bonds; and such moneys may be invested, until needed, to the extent, and in the manner provided, in said bond order. The commissioners court or the board of hospital managers or directors of the hospital district shall be authorized to fix and collect charges for the occupancy or use of any of said hospital facilities, and the services thereof, in such amounts and in such manner as may be determined by such commissioners court or board; and such charges shall be fixed and collected in such amounts as will be at least sufficient, together with any other pledged resources, to provide for all payments of principal, interest, and any other amounts required in connection with said bonds, and, to the extent required by the bond order, to provide for payment of all or any part of the operation, maintenance, and other expenses of the hospital facilities. The commissioners court or the board of hospital managers or directors of the hospital district shall make provision in each annual hospital district budget for the payment of all operation and maintenance expenses of the hospital district. In preparing the budget, the commissioners court or board may take into consideration the estimated excess revenues and income from hospital facilities that will be available for paying operation and maintenance expenses after providing for all principal, interest, and reserve requirements in connection with said bonds. To the extent that such excess revenues and income are not available at any time to make payment of all operation and maintenance expenses of the hospital district, ad valorem taxes of the hospital district shall be used to make such payment, and the proceeds of an annual ad valorem tax may be pledged for such payment in the order authorizing the issuance of said bonds. If such annual ad valorem tax is thus pledged it shall be the duty of the commissioners court, during each year while any of said bonds are outstanding, to compute and ascertain a rate and

amount of ad valorem tax which will be sufficient to raise and produce the money required to make the aforesaid payment of operation and maintenance expenses to the extent required; and said tax shall be based on the latest approved tax rolls of the hospital district, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax shall be levied, and ordered to be levied, against all taxable property in the hospital district, for each year while any of said bonds are outstanding; and said tax shall be assessed and collected each such year and used for such purpose to the extent so required. Said rate and amount of ad valorem tax shall be levied and ordered to be levied against all taxable property within the hospital district subject to hospital district taxation for each year while any of said bonds are outstanding; and said tax shall be assessed and collected each such year and used for such purposes to the extent so required.

Sec. 2. Any revenue bonds issued by any such commissioners court under this Act, and any revenue bonds issued by any such commissioners court under any other Texas statute and payable from revenues from any hospital facilities, may be refunded or otherwise refinanced by such commissioners court, and in such case all pertinent and appropriate provisions of this Act shall be fully applicable to such refunding bonds. In refunding or otherwise refinancing any such bonds the commissioners court may, in the same authorizing proceedings, refund or refinance bonds issued pursuant to this Act and bonds issued pursuant to any other such Texas statute and combine all said refunding bonds and any other additional new bonds to be issued pursuant thereto into one or more issues or series of bonds, and may provide for the subsequent issuance of additional parity bonds, or subordinate lien bonds, or other type of bonds. All refunding bonds shall be issued and delivered under such terms and conditions as may be set forth in the authorizing proceedings.

Sec. 3. All bonds issued pursuant to this Act, and the appropriate proceedings authorizing their issuance, shall be submitted to the Attorney General of the State of Texas for examination. If he finds that such bonds have been authorized in accordance with law he shall approve them, and thereupon they shall be registered by the Comptroller of Public Accounts of the State of Texas; and after such approval and registration such bonds shall be incontestable in any court, or other forum, for any reason, and shall be valid and binding obligations in accordance with their terms for all purposes.

Sec. 4. All bonds issued pursuant to this Act shall be legal and authorized investments for all banks, trust companies, building and loan associations, savings and loan associations, small business investment corporations, insurance companies of all kinds and types, fiduciaries, trustees, and guardians, and for all

interest and sinking funds and other public funds of the State of Texas and all agencies, subdivisions, and instrumentalities thereof, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies and bodies politic. Said bonds also shall be eligible and lawful security for all deposits of public funds of the State of Texas and all agencies, subdivisions, and instrumentalities thereof, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies, and bodies politic, to the extent of the market value of said bonds, when accompanied by any unmatured interest coupons appurtenant thereto.

Sec. 5. In every case where a hospital district created by law pursuant to Article IX of the Texas Constitution does not have its ad valorem taxes levied for and on its behalf by the commissioners court of the county in which the hospital district is located, then, notwithstanding any provisions of this Act to the contrary, the board of directors or other governing body of the hospital district shall have all of the authority, powers, and duties provided for a commissioners court under this Act.

Sec. 6. This Act shall be cumulative of all other laws on the subject but this Act shall be wholly sufficient authority within itself for the issuance of the bonds and the performance of the other acts and procedures authorized hereby, without reference to any other laws or any restrictions or limitations contained therein, except as herein specifically provided; and when any bonds are being issued under this Act, then to the extent of any conflict or inconsistency between any provisions of this Act and any provision of any other law, the provisions of this Act shall prevail and control; provided, however, that any commissioners court shall have the right to use the provisions of any other laws, not in conflict with the provisions hereof, to the extent convenient or necessary to carry out any power or authority, express or implied, granted by this Act.

All counties of this state are hereby authorized to issue, and to refund any previously issued, revenue bonds for purchasing, constructing, acquiring, repairing, equipping or renovating buildings and improvements for county hospital purposes, and for acquiring sites therefor, such bonds to be payable from and secured by a pledge of all or any part of the revenues of the county to be derived from the operation of its hospital or hospitals, and such bonds may be additionally secured by a mortgage or deed of trust lien on any part or all of its hospital properties.

Sec. 2. Such bonds shall be issued in the manner and in accordance with the procedures and requirements specified for the issuance of

revenue bonds by County Hospital Authorities in Sections 8 to 13, both inclusive, and with effect specified in Section 20, of the County Hospital Authority Act, Chapter 122, Acts, 1963, 58th Legislature (compiled as Article 4494r, Vernon's Texas Civil Statutes).

Sec. 3. The powers granted under this Act shall be cumulative and in addition to all other powers of counties presently or hereafter in effect.

[Acts 1969, 61st Leg., p. 1958, ch. 658, eff. June 12, 1969.]

#### Art. 4494r-4. Adoption of Tax Rolls by Hospital Districts; Board of Equalization; Assessment and Collection of Taxes

Sec. 1. That hospital districts organized pursuant to the provisions of Article IX, Section 9, of the Constitution of the State of Texas, may prepare and adopt their own tax rolls. Prior to the levy of any taxes, the governing board of the hospital district shall appoint a board of equalization to be composed of five (5) resident property owners of the district and cause property to be assessed, evaluated, and equalized and the tax rolls to be prepared. The taxes of the hospital district shall be assessed and collected upon all taxable property situated within the district, subject to hospital district taxation by the assessor and collector of taxes for the county in which the hospital district is located, or the hospital district may appoint its own assessor and collector of taxes for the hospital district. Such taxes shall be assessed, equalized, and collected in the same manner and under the same conditions as county taxes, except as herein provided.

Sec. 2. If the hospital district prepares its first tax rolls, and the normal rendition period for county taxes has expired, the governing board of the hospital district shall give thirty (30) days written notice to all property owners to render their property to the hospital district's tax assessor and collector. After this period, the hospital district shall appoint its board of equalization who shall then proceed to equalize the taxes and establish the tax rolls as soon as possible.

#### Art. 4498a. Registration of Practitioners and Interns; Fees

Sec. 1. It shall be the duty of all persons now lawfully qualified to practice medicine in this State as defined in Article 4510, Revised Civil Statutes of 1925, or who shall hereafter be licensed for such practice by the Texas State Board of Medical Examiners, to be registered as such practitioners with the Texas State Board of Medical Examiners on or before the first day of January, A. D., 1932, and thereafter to register in like manner annually, on or before the first day of January of each succeeding year. Each person so registered with the Texas State Board of Medical Examiners shall pay, in connection with each annual registration and for the receipt hereinafter provided for, a fee of not more than Ten Dollars (\$10), which fee shall accompany the application of every such person for such registration. Such payment shall be made to the Texas State Board of Medical Examiners. Every person so registered shall file with the Texas State Board of Medical Examiners a written application for annual registration, setting forth his full name, his age, his post office address, his place of residence, the county or counties in which his certificate entitling him to practice medicine has been registered, and the place or places where he is engaged in the practice of medicine, as well as the school of medicine to which he professes to belong and the number and date of his license certificate. All persons desiring to serve as interns or residents at hospitals in this State shall register with the Texas State Board of Medical Examiners within thirty (30) days after beginning their service as a resident or intern, and shall pay a registration fee of One Dollar (\$1) to the Texas State Board of Medical Examiners.

Upon termination of said internship or residency, notification of such termination shall be given within thirty (30) days to the Texas State Board of Medical Examiners. Registration as an intern or resident does not authorize the practice of medicine as defined by law unless the other provisions regulating the practice of medicine have been complied with.

When a licensee under this Act shall have failed to pay his annual registration fee by March 1st, it shall be the duty of the Board, acting through its Secretary, to notify such licensee at his last known address by registered mail that his annual registration fee is due and unpaid. Fifteen (15) days after date of mailing such notice, it shall be the duty of the Board, acting through its Secretary, to suspend his license for nonpayment of the annual registration fee and to notify such licensee of such suspension by registered letter addressed to his last known address. If the said registration fee is not then paid within thirty (30) days from date of such notice of suspension, the Board shall then cancel such license. Practicing medicine as defined in Article 4510, Revised Civil Statutes of Texas, without an annual registration receipt for the current year as provided herein shall have the same force and effect and be subject to all penalties of practicing medicine without a license. After the Board shall have declared a license cancelled as provided herein, the Board may thereafter in its discretion refuse to issue a new license until such licensee has passed the regular examination for license as provided in this Act.

Upon receipt of such application, accompanied by the proper registration fee, the Texas State Board of Medical Examiners, after ascertaining, either from the records of the Board or from other sources deemed by it to be reliable, that the applicant is a licensed practitioner of medicine in this state, shall issue to the applicant an annual registration receipt, certifying that the applicant has filed such application and has paid the registration fee mentioned for the year in question; provided, that the filing of such application, the payment of the registration fee, and the issuance of such receipt shall not entitle the holder thereof to lawfully practice medicine within the State of Texas, unless he has in fact been previously licensed as such practitioner by the Texas State Board of Medical Examiners, as prescribed by law, and has recorded his license certificate entitling him to practice, as issued by said Board, in the District Clerk's Office of the several counties in which the same may be required by law to be recorded, and unless his license to practice medicine is in full force and effect; and provided further, that in any prosecution for the unlawful practice of medicine as denounced in Chapter 6, Title 12, of the Penal Code of Texas, such receipt showing payment of the annual registration fee required by this Act shall not be treated as evidence that the holder thereof is lawfully entitled to practice medicine.

Sec. 2. If any person required to register as a practitioner of medicine under the provisions of Article 4498a of the Revised Civil Statutes of Texas of 1925, as amended, shall fail, neglect, or refuse to apply for and pay such annual registration fee as provided for in Article 4498a of the Revised Civil Statutes of Texas, he shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) and by imprisonment in the county jail for not more than thirty (30) days. Each day of such violation shall be a separate offense. Provided, however, that if any such practitioner licensed by the Texas State Board of Medical Examiners shall have had any prosecutions filed against him when such license stood suspended, revoked or cancelled, or if any penalties have been incurred by such practitioner during such period, any reinstatement of said practitioner shall in no way abate such prosecutions or penalties.

Sec. 3. All annual registration fees collected by the Texas State Board of Medical Examiners under this Act shall be placed in the State Treasury, to the credit of a special fund to be known as the "Medical Registration Fund," and the Comptroller shall upon requisition of the Board from time to time draw warrants upon the State Treasurer for the amounts specified in such requisition; provided, however, the fees from this Medical Registration Fund shall be expended as specified by itemized appropriation in the General Departmental Appropriation Bill, and shall be used by the Texas State Board of Medical Examiners, and under its direction, in the enforcement of the laws of this State prohibiting the unlawful practice of medicine, and in the dissemination of information to prevent the violation of such laws and to aid in the prosecution of those who violate such laws. The Texas State Board of Medical Examiners shall be authorized to employ and to compensate from such special fund employees and such other persons as may be found necessary to assist the local prosecuting officers of any county in the enforcement of all the laws of the State prohibiting the unlawful practice of medicine, and to carry out the other purposes for which said fund is hereby appropriated. Provided that all such prosecutions shall be subject to the direction and control of the regularly and duly constituted prosecuting officers, and nothing in this Act shall be construed as depriving them of any authority vested in them by law.

In performing the duties devolved by this Act upon the Board of Medical Examiners, said Board shall act through the Secretary-Treasurer of the Board of Medical Examiners. The Secretary-Treasurer shall receive a salary to be fixed by the Legislature in its General Appropriation Bill for the performance of such duties under this Act, and shall make and file a surety bond in favor of the Texas State Board of Medical Examiners in the sum of not

Such salary shall be paid out of said "Medical Registration Fund" and shall not be, in any way, a charge upon the general revenue of the State. The Texas State Board of Medical Examiners shall employ and provide such clerks and employees as may be necessary to assist the Secretary-Treasurer in performing his duties and in carrying out the purposes of this Act; provided, that the compensation of all persons authorized to be employed under this chapter, shall be paid only out of said "Medical Registration Fund." All disbursements from said fund shall be made only upon written approval of the President and Secretary-Treasurer of the State Board of Medical Examiners and upon warrants drawn by the Comptroller to be paid out of said fund.

Sec. 4. The annual registration fee shall apply to all persons licensed by the Texas State Board of Medical Examiners, whether or not they are practicing within the borders of this State.

The date for sending notice that the fee is due and payable and the date for license suspension due to nonpayment shall be adjusted accordingly. For the year in which the expiration date is changed, registration fees payable on or before January 1 shall be prorated on a monthly basis so that each registrant shall pay only that portion of the registration fee which is allocable to the number of months during which the registration is valid. On renewal of the registration on the new expiration date, the total registration fee is payable.

All applicants shall be given due notice of the date and place of such examination; provided that the partial examinations provided for in Article 4503 of the Revised Civil Statutes of Texas shall not be disturbed by this Article. Provided further that all students regularly enrolled in medical schools whose graduates are now permitted to take the medical examination prescribed by law in this State shall upon completion of their medical college courses be permitted to take the examination prescribed herein. If any applicant, because of failure to pass the required examination, shall be refused a license, he or she, at such time as the Texas State Board of Medical Examiners may fix, shall be permitted to take a subsequent examination, upon such subjects required in the original examination as the Board may prescribe, upon the payment of such part of Fifty Dollars (\$50) as the Board may determine to be reasonable. In the event satisfactory grades shall be made on the subjects prescribed and taken on such re-examination, the Board may grant the applicant a license to practice medicine. The Board shall determine the credit to be given examinees on answers turned in on the subjects of complete and partial examination, and its decision thereon shall be final. Provided, however, the Secretary may issue a temporary license to practice medicine to an applicant only after he has filed his completed application, together with an additional fee of Ten Dollars (\$10), with the Secretary of the Texas State Board of Medical Examiners, and that all of the other requirements as required for a permanent license are complied with; such temporary license shall be valid only until the date of the next Board meeting, and at that date the temporary license automatically expires, and is of no further effect. If the applicant fails the examination, no further permit shall be issued until he has successfully passed the examination, or is eligible for and has been granted reciprocity.

Proceedings under this Article shall be begun by filing charges with the Texas State Board of Medical Examiners in writing and under oath. Said charges may be made by any person or persons. The President of the Texas State Board of Medical Examiners shall set a time and place for hearing, and shall cause a copy of the charges, together with a notice of the time and place fixed for hearing, to be served on the respondent or his counsel at least ten (10) days prior thereto. When personal service is impossible, or cannot be effected, the Board shall cause to be published once a week for two (2) successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to practice, and shall mail a copy of the charges and of such notice to the respondent at his last known address. When publication of the notice is necessary, the date of hearing shall not be less than ten (10) days after the date of the last publication of the notice. At said hearing the respondent shall have the right to appear either personally or by counsel, or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses, and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records and publications authorized or

required by the terms of this Act shall be privileged.

Any person whose license to practice medicine has been cancelled, revoked or suspended by the Board may, within twenty (20) days after the making and entering of such order, take an appeal to any of the district courts in the county of his residence, but the decision of the Board shall not be enjoined or stayed except on application to such district court after notice to the Board. The proceeding on appeal shall be under the substantial evidence rule, and which appeal shall be taken in any District Court of the county in which the person whose certificate of registration or license is involved, resides. Upon application, the Board may reissue a license to practice medicine to a person whose license has been cancelled or suspended, but such application, in the case of cancellation or revocation, shall not be made prior to one (1) year after the cancellation or revocation, and shall be made in such manner and form as the Board may require.

Provided, however, that the Board shall have the right and may, upon majority vote, rule that the order revoking, cancelling, or suspending the practitioner's license be probated so long as the probationer conforms to such orders and rules as the Board may set out as the terms of probation. The Board, at the time of probation, shall set out the period of time which shall constitute the probationary period. Provided further, that the Board may at any time while the probationer remains on probation hold a hearing, and upon majority vote, rescind the probation and enforce the Board's original action in revoking, cancelling, or suspending the practitioner's license, the said hearing to rescind the probation shall be called by the President of the Texas State Board of Medical Examiners who shall cause to be issued a notice setting a time and place for the hearing and containing the charges or complaints against the probationer, said notice to be served on the probationer or his counsel at least ten (10) days prior to the time set for the hearing. At said hearing the respondent shall have the right to appear either personally or by counsel, or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses, and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records and publications authorized or required by the terms of this Act shall be privileged. The order revoking or rescinding the probation shall not be subject to review or appeal.

Sec. 4a. The Texas Board of Chiropractic Examiners shall have the power to appoint committees from its own membership, and to make such rules and regulations not inconsistent with this law as may be necessary for the performance of its duties, the regulation of the practice of chiropractic, and the enforcement of this Act.

The duties of any such committees appointed from the Texas Board of Chiropractic Examiners membership shall be to consider such matters pertaining to the enforcement of this Act and the regulations promulgated in accordance therewith as shall be referred to such committees, and they shall make recommendations to the Texas Board of Chiropractic Examiners with respect thereto.

Procedure and Hearings; Injunction Against Violations; Cancellation of License

Sec. 4b. The Texas Board of Chiropractic Examiners shall have the power, and may delegate the said power to any committee, to issue subpoenas, and subpoenas duces tecum to compel the attendance of witnesses, the production of books, records and documents, to administer oaths and to take testimony concerning all matters within its jurisdiction. The Texas Board of Chiropractic Examiners shall not be bound by strict rules of evidence or procedure, in the conduct of its proceedings and hearings, but the determination shall be founded on sufficient legal evidence to sustain it. The Texas Board of Chiropractic Examiners shall have the right to institute an action in its own name to enjoin the violation of any of the provisions of this Act. Said action for an injunction shall be in addition to any other action, proceeding, or remedy authorized by law.

Before entering any order cancelling or suspending a license to practice chiropractic, the Board shall hold a hearing in accordance with the procedure set out in Article 4512b, Section 14, Vernon's Revised Civil Statutes of Texas, as amended.

Records

Sec. 5. The Board shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place, and duration of residence of each applicant, the time spent in the study of chiropractic in respective chiropractic schools, together with such other information as the Board may desire to record. Said register shall also show whether applicants were rejected or licensed and shall be prima-facie evidence of all matters contained therein. The secretary of the Board shall on May 1st of each year transmit an official copy of said register to the Secretary of State for permanent record, a certified copy of which, with hand and seal of the secretary of said Board or the Secretary of State, shall be admitted in evidence in all courts.

Registration of Certificate

Sec. 6. It shall be unlawful for anyone to practice chiropractic within the limits of this

State who has not registered in the district clerk's office of the county in which he may reside and in each and every county in which he may maintain an office or may designate as a place for practicing chiropractic, the certificate evidencing his right to practice chiropractic as issued to him by the Texas Board of Chiropractic Examiners. The holder of every such certificate must have the same recorded upon each change of residence to another county, as well as in each and every county in which he may maintain an office, or in which he may designate a place for practicing chiropractic; and the absence of such a record in any place where such record is hereby required shall be prima-facie evidence of the want of possession of such certificate.

Chiropractic Register; Certificate of Non-registration

Sec. 7. Every district clerk shall keep as a permanent record in his office a book of suitable size, to be known as the "Chiropractic Register," and shall record therein all licenses to practice chiropractic issued by the Texas Board of Chiropractic Examiners which shall be presented to him for registration, and all the matter and things required by the preceding Section to be recorded, and shall as required by law, make therein notation of the cancellation of licenses so registered, and of the death and removal from the county of chiropractors whose licenses are so registered. When any District Court shall cancel the license of any person to practice chiropractic, the clerk of said court shall, if said license is registered in his county, note the cancellation of said license upon the Chiropractic Register of said county and shall forthwith certify to the secretary of the Texas Board of Chiropractic Examiners, under the seal of said court, the fact that said license was so cancelled by said court, giving the exact date of said cancellation, and shall tax the fee for making said certificate as part of the costs of the suit to cancel said license. The notation of such cancellation shall consist of writing in large, legible letters across the face of the record of the license cancelled the words "Cancelled by the District Court of \_\_\_\_\_ County on the day of \_\_\_\_\_, \_\_\_\_\_" (filling in the blanks so as to correctly indicate the name of the county and the date of the cancellation), and such notation shall be dated and signed officially by the clerk. When any chiropractor shall die or remove from the county, it shall be the duty of the district clerk to note the fact of such death or removal upon the record of the license of such chiropractor who has died or removed from the county, in large, legible letters, the date of said notation and the official signature of the clerk. The district clerk shall collect from each chiropractor who presents a license for registration the sum of One Dollar (\$1) at the time such license is presented to him for registration, and that sum shall be full compensation for recording said license and making all notations in the chiropractic register required by law to be so made in reference to

the chiropractor named in said license. All matters pertaining to each chiropractor shall be kept and written upon one page of said chiropractic register, and no other entry or registration shall ever be made on said page. It shall be unlawful for any district clerk to make a certified copy of any page or entry in said chiropractic register, or any part thereof, which is not an exact copy of the entire page, or which does not include all notations regarding the cancellation of license, death, or removal of the chiropractor in question, appearing in the office of said clerk. A copy from the chiropractic register pertaining to any person whose license is registered therein, certified to by the district clerk having the custody of such chiropractic register, under the seal of said court, shall be competent evidence in all trial courts. The certificate of a district clerk under the seal of his office, certifying that the person named in said certificate is not registered as a chiropractor in the office of said district clerk, shall also be prima facie evidence in all trial courts.

**Registration With Board; Fee**

Sec. 8. It shall be unlawful for any person who shall be licensed for the practice of chiropractic by the Texas Board of Chiropractic Examiners as created by this Act, unless such person be registered as such practitioner with the Texas Board of Chiropractic Examiners on or before the first day of January A.D. 1950, or thereafter registered in like manner annually as provided by this Act on or before the first day of January each year to practice chiropractic in this State. Each person so licensed and registered shall be deemed to have complied with the requirements and prerequisites of the laws governing the practice of chiropractic in this State. Each person so registered with the Texas Board of Chiropractic Examiners shall pay in connection with each annual registration and for the receipt hereafter provided for, a fee fixed by the Texas Board of Chiropractic Examiners not to exceed Twenty-five Dollars (\$25), which fee shall accompany the application of every such person for registration. Such payment shall be made to the Texas Board of Chiropractic Examiners. Every person so registered shall file with said Board a written application for annual registration, setting forth his full name, his age, post office address, his place of residence, the county or counties in which his certificate entitling him to practice chiropractic has been registered, and the place or places where he is engaged in the practice of chiropractic, as well as the college of chiropractic from which he graduated, and the number and date of his license certificate. Upon receipt of such application, accompanied by the registration fee, the Texas Board of Chiropractic Examiners, after ascertaining either from the records of the Board or from other sources deemed by it to be reliable, that the applicant is a licensed practitioner of chiropractic in this State, shall issue to the applicant an annual registration receipt certifying

that the applicant has filed such application and has paid the registration fee mentioned for the year in question; provided, that the filing of such application, the payment of the registration fee and the issuance of such receipt shall not entitle the holder thereof to lawfully practice chiropractic within the State of Texas unless he has, in fact, been previously licensed as such chiropractor by the Texas Board of Chiropractic Examiners, as prescribed by law, and has recorded his license certificate entitling him to practice, as issued by said Board, in the district clerk's office of the several counties in which same may be required by law to be recorded, and unless his license to practice chiropractic is in full force and effect; and providing further that, in any prosecution for the unlawful practice of chiropractic as denounced in Section 6 hereof, such receipt showing payment of the annual registration fee required by this Section shall not be treated as evidence that the holder thereof is lawfully entitled to practice chiropractic.

**Notice of Nonpayment of Annual Registration Fee; Suspension of License; New License**

Sec. 8a. When a licensee under this Act shall have failed to pay his annual registration fee by January 1st, it shall be the duty of the Board, acting through its Secretary, to notify such licensee at his last known address by registered mail that his annual registration fee is due and unpaid. Fifteen (15) days after date of mailing such notice, it shall be the duty of the Board, acting through its Secretary, to suspend his license for nonpayment of the annual registration fee and to notify such licensee of such suspension by registered mail addressed to his last known address. If the said registration fee is not then paid within thirty (30) days from date of such notice of suspension, the Board shall then cancel such license. Practicing chiropractic as defined in Section 1 of this Act without an annual registration receipt for the current year as provided herein shall have the same force and effect and be subject to all penalties of practicing chiropractic without a license. After the Board shall have declared a license cancelled as provided herein the Board may thereafter in its discretion refuse to issue a new license until such licensee has passed the regular examination for license as provided in this Act.

**Application of Act and Registration Provisions; Prerequisites to Annual Registration or Renewal**

Sec. 8b. The provisions of this Act shall apply to all persons licensed by the Texas Board of Chiropractic Examiners and the annual registration fee shall apply to all persons licensed by the Texas Board of Chiropractic Examiners, whether or not they are practicing within the borders of this State. Provided, however, that as a prerequisite to the annual registration or renewal and before such chiropractic registration or renewal may be issued, the licensee shall present to the Board (a) satisfactory evidence that in the year preceding the application for renewal said licensee at-

tended two (2) days of seminar, educational lectures, post-graduate course, or annual convention of any State Association or Society, or regular organized (recognized) Chiropractic College, or (b) satisfactory evidence that he was unavoidably prevented by sickness or otherwise attending such educational or post-graduate program, together with a recommendation of two (2) reputable licensed Texas Chiropractors who personally know the licensee and vouch for his good standing in the profession; provided that new licensees during twelve (12) months immediately preceding said January 1st, by examination, shall be granted renewal without attending said educational programs.

#### Expiration Dates of Registration; Proration of Fees

Sec. 8c. The Board by rule may adopt a system under which registrations expire on various dates during the year. For the year in which the expiration date is changed, registration fees payable on January 1 shall be prorated on a monthly basis so that each registrant shall pay only that portion of the registration fee which is allocable to the number of months during which the registration is valid. On renewal of the registration on the new expiration date, the total registration fee is payable.

#### License to Practitioners of Other States or Territories

Sec. 9. The Texas Board of Chiropractic Examiners shall upon payment by an applicant of a fee of Fifty Dollars (\$50), grant license to practice chiropractic to licentiates of other states or territories having requirements and practices equal to those established by the laws of this State. Applications for license under the provisions of this Section shall be in writing, and upon a form to be prescribed by the Texas Board of Chiropractic Examiners. Said application shall be accompanied by a license, or a certified copy of license to practice chiropractic, lawfully issued to the applicant, upon examination, by some other state or territory of the United States. Said application shall also be accompanied by an affidavit made by the president or secretary of the Board of Chiropractic Examiners which issued the said license, or by a legally constituted chiropractic registration officer of the state or territory by which the license was granted, and on which the application for chiropractic registration in Texas is based, reciting that the accompanying license has not been cancelled or revoked, and that the statement or qualifications made in the application for chiropractic license in Texas is true and correct. Applicants for license under the provisions of this Section shall subscribe to an oath in writing before an officer authorized by law to administer oaths, which shall be a part of said application, stating that the license under which the applicant practiced chiropractic in the State or territory from which the applicant removed, was at the time of such removal in full force, and not suspended or cancelled. Said application shall also state that the applicant is the identical person to whom the said certificate was issued, and

that no proceeding has been instituted against the applicant for the cancellation of said certificate to practice chiropractic in the State or territory by which the same was issued; and that no prosecution is pending against the applicant in any State or Federal Court for any offense which, under the law of Texas is a felony.

#### Examination of Applicants for License; Persons Practicing or Beginning Study Before Date of Act

Sec. 10. All applicants for license to practice chiropractic in this State, not otherwise licensed under the provisions of this law, must successfully pass an examination by the Texas Board of Chiropractic Examiners established by this law. The Board is authorized to adopt and enforce rules of procedure not inconsistent with the statutory requirements. All applicants shall be eligible for examination who are citizens of the United States and present satisfactory evidence to the Board that they are more than twenty-one (21) years of age, of good moral character, and have at least graduated from a first grade high school or who have such equivalent preliminary education as would permit them to matriculate in The University of Texas, and are graduates of bona fide reputable chiropractic schools (whose entrance requirements and course of instruction are as high as those of the better class of chiropractic schools in the United States); a reputable chiropractic school shall maintain a resident course of instruction equivalent to not less than four (4) terms of eight (8) months each, or a resident course of not less than the number of semester hours required by The University of Texas for the granting of a Bachelor of Arts degree; shall give a course of instruction in the fundamental subjects named in Section 12 of this Act; and shall have the necessary teaching force and facilities for proper instruction in all of said subjects. Applications for examination must be made in writing, verified by affidavit, and filed with the secretary of the Board, on forms prescribed by the Board, accompanied by a fee of Twenty-five Dollars (\$25). All applicants shall be given due notice of the date and place of such examination.

The Board may grant a license without a written examination to an applicant that holds a National Board of Chiropractic Examiners certificate who meets the requirements of this chapter and who has satisfactorily passed a personal interview and a practical examination and has paid an additional fee of Fifty Dollars (\$50).

If any applicant, because of failure to pass the required examination, shall be refused a license, he or she, at such time as the Texas Board of Chiropractic Examiners may fix, not exceeding one (1) year, shall be permitted to take a subsequent examination, upon such subjects required in the original examination as the Board may prescribe except that the applicant shall not be required to take a re-examination on subjects in which he has made a

grade of seventy-five per cent (75%) or more, provided the applicant shall apply for re-examination within one (1) year upon the payment of such part of Twenty-five Dollars (\$25) as the Board may determine and state. In the event satisfactory grades shall be made in the subjects prescribed and taken on such re-examination, the Board shall grant to the applicant a license to practice chiropractic. The Board shall determine the grade to be given the examinees on the answers turned in on the subjects of complete and partial examination, and its decision thereupon shall be final.

Provided, however, that those who are regularly engaged in the practice of chiropractic in this State on April 18, 1949, and who have completed a resident course and hold diplomas from schools recognized by the Board as being regularly organized and conducted as chiropractic schools at the time of the issuance of such diplomas, shall be licensed under this Act, provided they apply therefor within six (6) months after the effective date of this Act, and provided further that they shall meet the provisions of this Act with reference to citizenship, age, and good moral character; and

Said daily compensation shall be exclusive of the necessary costs of travel of any Board member, or any other expenses necessary to the performance of his duty; provided also that the premium of any bond required by the Board of any officer or employee of the Board shall be paid out of said fund, as well as the necessary expenses of any employee incurred in the performance of his duties.

All disbursements from said fund shall be made only upon written approval of the Presi-

dent and Secretary-Treasurer of the Texas Board of Chiropractic Examiners upon warrants drawn by the Comptroller to be paid out of said fund.

#### Conduct of Examinations; Subjects

Sec. 12. All examinations for license to practice chiropractic shall be conducted in writing in the English language and in such manner as to be entirely fair and impartial to all applicants. All applicants shall be known to the examiners only by numbers, without names or other method of identification on examination papers by which members of the Board may be able to identify such applicants, or examinees, until after the general averages of the examinees' numbers in the class have been determined, and license granted or refused. Examinations shall be conducted on practical and theoretical chiropractic and in the subjects of anatomy, physiology, symptomatology, pathology and analysis of the human spine, and hygiene and public health. Upon satisfactory examination, conducted as aforesaid under the rules of the Board, which shall consist of an average grade of not less than seventy-five per cent (75%) with not less than sixty per cent (60%) in any one subject, applicants shall be granted license to practice chiropractic. All questions and answers, with the grades attached, authenticated by the signature of the examiner, shall be preserved in the executive office of the Board for one (1) year. All applicants examined at the same time shall be given identical questions. All certificates shall be attested by the seal of the Board, and signed by all members of the Board, or a quorum thereof.

#### Rights of Physicians and Surgeons

Sec. 13. Nothing in this Act<sup>1</sup> shall limit or affect the rights and powers of physicians and surgeons, duly qualified and registered as such under the laws of this State, to practice medicine as that term may now or hereafter be defined by law.

<sup>1</sup> This article and arts. 4504, 4504a, 4510 and 4510a.

#### Cancellation, Revocation or Suspension of License; Probation; Procedure; Appeal

Sec. 14. The Texas Board of Chiropractic Examiners shall have the right to cancel, revoke, or suspend the license of any practitioner of chiropractic or place licenses<sup>1</sup> upon probation for such length of time as may be deemed proper by the Board upon proof of the violation of the law in any respect with regard thereto, or for any cause for which the Board shall be authorized to refuse to admit persons to its examinations.

Proceedings under this Article shall be begun by filing charges with the Texas Board of Chiropractic Examiners in writing and under oath. Said charges may be made by any person or persons. The President of the Texas Board of Chiropractic Examiners shall set a time and place for hearing and shall cause a copy of the charges, together with a notice of

the time and place fixed for hearing, to be served on the respondent or his counsel at least ten (10) days prior thereto. When personal service is impossible, or cannot be effected, the Board shall cause to be published once a week for two (2) successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to practice, and shall mail a copy of the charges and of such notice to the respondent at his last known address. When publication of the notice is necessary, the date of hearing shall not be less than ten (10) days after the date of the last publication of the notice. At said hearing the respondent shall have the right to appear either personally or by counsel, or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records and publications authorized or required by the terms of this Act shall be privileged.

Any person whose license to practice chiropractic has been cancelled, revoked or suspended by the Board may, within twenty (20) days after the making and entering of such order, take an appeal to any of the district courts in the county of his residence, but the decision of the Board shall not be enjoined or stayed except on application to such district court after notices to the Board. The proceeding on appeal shall be a trial de novo, as such term is commonly used and intended in an appeal from the justice court to the county court, and which appeal shall be taken in any District Court of the county in which the person whose certificate of annual renewal or license is involved, resides. Upon application, the Board may reissue a license to practice chiropractic to a person whose license has been cancelled or suspended, but such application, in the case of cancellation or revocation, shall not be made prior to one (1) year after the cancellation or revocation, and shall be made in such manner and form as the Board may require.

Sec. 11. An applicant is qualified to take the examination for certification as a psychologist:

- (a) if he has received the doctoral degree based upon a program of studies whose content was primarily psychological from an accredited educational institution or its substantial equivalent in both subject matter and extent of training, and if he has had no less than two years of satisfactory supervised experience in rendering psychological services, one of which is subsequent to the granting of the doctoral degree,
- (b) if he is at least twenty-one years of age,
- (c) if he is a resident of this state,
- (d) if he is of good moral character, and
- (e) if he is a citizen of the United States or has legally declared his intention of becoming a citizen.

**Application**

Sec. 12. Application for examination for certifications as a psychologist or for certification without examination as a psychologist shall be upon the forms prescribed by the Board. The Board may require that the application be verified. The certification fee shall accompany the application.

**Evaluation of Experience**

Sec. 13. In determining the acceptability of the applicant's professional experience, the Board may require such documentary evidence of the quality, scope and nature of the applicants' experience as it deems necessary.

**Examinations**

Sec. 14. The Board shall administer examinations to qualified applicants for certification at least once a year. The Board shall determine the subject and scope of the examinations. Written examinations may be supplemented by such oral examinations as the Board shall determine. An applicant who fails his examination may be re-examined at a subsequent examination upon payment of another certification fee. The Board may waive the examination requirement for Diplomats of the American Board of Examiners in Professional Psychology and/or when in the Board's judgment the applicant has already demonstrated competence in areas covered by the examination.

**Certification**

Sec. 15. (a) A qualified applicant for certification who has successfully passed the examination prescribed by the Board and has paid the certification fee shall be certified by the Board as a psychologist.

(b) Until December 31, 1970 a person who is at least twenty-one years of age, a resident of this state, of good moral character, and is a citizen of the United States or has legally declared his intention of becoming a citizen may, upon application and payment of the certification fee, be certified without examination by the Board as a psychologist if

(1) he has a doctor's degree from an accredited institution based upon a program which is primarily psychological or the substantial equivalent thereof in both subject and extent of training, and, in addition, has had three years of professional experience satisfactory to the Board, or

(2) has a master's degree from an accredited institution based upon a program which is primarily psychological and, in addition, has had eight years of professional psychological experience.

(c) The Board may, upon application therefor and payment of the certification fee, certify as a psychologist any person who is licensed or certified as a psychologist by any other state, territory or possession of the United States if the requirements of that state, territory or possession for such license or certifi-

cate are the substantial equivalent of the requirements of this Act.

**Fees**

Sec. 16. The certification fee, the licensing fee, and the renewal fees shall be an amount fixed by the Board. The Board shall fix the amount of the fees so that the total fees collected will be sufficient to meet the expenses of administering this Act and so that unnecessary surpluses in the Psychologists Licensing Fund are avoided.

**Certification—Expiration—Renewal**

Sec. 17. (a) The Board shall issue a certificate to each person whom it registers as a psychologist. The certificate shall show the full name of the psychologist and his address and shall bear a serial number. The certificate shall be signed by the Chairman and the Secretary of the Board under the seal of the Board.

(b) Certificates will be renewed no less than once every two years. Certificates expire on December 31st in the appropriate year following their issuance or renewal and are invalid thereafter unless renewed.

(c) The Board shall notify every person certified under this Act of the date of expiration of his certificate and the amount of the renewal fee. This notice shall be mailed at least one month before the expiration of the certificate. Renewal may be made at any time during the months of November or December upon application therefor by payment of the renewal fee. Failure on the part of any person certified to pay his renewal fee before January 1 does not deprive him of his right to renew his certificate, but the fee to be paid for renewal after December shall be increased ten per cent for each month or fraction thereof that the payment of the renewal fee is delayed. However, the maximum fee for delayed renewal shall not exceed twice the normal renewal fee. A psychologist who wishes to place his certificate upon an inactive status may do so upon application by payment of a fee of Three Dollars (\$3.00); such a psychologist shall not accrue any penalty for late payment of the renewal fee.

**Expiration Dates of Certifications; Proration of Fees**

Sec. 17A. The board by rule may adopt a system under which certifications expire on various dates during the year. For the year in which the certification expiration date is changed, certification fees payable before January 1 shall be prorated on a monthly basis so that each certificate holder shall pay only that portion of the certification fee which is allocable to the number of months during which certification is valid. On renewal of the certification on the new expiration date, the total certification renewal fee is payable.

**Roster of Certified and Licensed Psychologists**

Sec. 18. During the month of April of each year, the Board shall publish a list of all psychologists certified or licensed under this Act. The list shall contain the name and address of

the psychologist and such other information that the Board deems desirable. The list shall be arranged both alphabetically and geographically. The Board shall mail a copy of this list to each person licensed under this Act, shall place a copy on file with the Secretary of State and shall furnish copies to the public upon request.

#### Sub-doctoral Certification

Sec. 19. The Board shall set standards for qualification and issue certificates of qualification for sub-doctoral levels of psychological personnel. Sub-doctoral personnel must have a master's degree in a program that is primarily psychological in nature in an accredited university or college. Sec. 23. The Texas State Board of Examiners of Psychologists shall have the right to cancel, revoke or suspend the license or certification of any psychologist upon proof that the psychologist:

The Chairman of the Board shall set a time and place for hearing, and shall cause a copy of the charges, together with a notice of the time and place fixed for hearing, to be served on the respondent or his counsel at least ten (10) days prior thereto. When personal service is impossible, or cannot be effected, the Board shall cause to be published once a week for two (2) successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to live, and shall mail a copy of the charges and of such notice to the respondent at his last known address. When publication of the notice is necessary, the date of hearing shall not be less than ten (10) days after the date of the last publication of the notice. The proceeding on appeal shall be under the substantial evidence rule, and which appeal shall be taken in any District Court of the county in which the person whose certificate of registration or license is involved resides. Upon application, the Board may recertify the applicant or reissue a license to a person whose license has been cancelled or sus-

Provided, however, that the Board shall have the right and may, upon majority vote, rule that the order revoking, cancelling, or suspending the psychologists' license or certification be probated so long as the probationer conforms to such orders and rules as the Board may set out as the terms of probation. The Board, at the time of probation, shall set out the period of time which shall constitute the probationary period. Provided further, that the Board may at any time while the probationer remains on probation hold a hearing, and upon majority vote, rescind the probation and enforce the Board's original action in revoking, cancelling, or suspending the psychologists' license or certification, the said hearing to rescind the probation shall be called by the Chairman of the Texas State Board of Examiners of Psychologists who shall cause to be issued a notice setting a time and place for the hearing and containing the charges or complaints against the probationer, said notice to be served on the probationer or his counsel at least ten (10) days prior to the time set for the hearing. When personal service is impossible, or cannot be effected, the same provisions for service in lieu of personal service as heretofore set out in this Act shall apply. At said hearing the respondent shall have the right to appear either personally or by counsel or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses, and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records, and publications authorized or required by the terms of this Act shall be privileged. The order revoking or rescinding the probation shall not be subject to review or appeal.

#### Injunctions

Sec. 24. The Texas State Board of Examiners of Psychologists shall have the right to institute an action in its own name to enjoin the violation of any provisions of this Act. The salaries paid to persons employed by the Board shall be comparable to those prescribed in the General Appropriations Act for persons holding comparable positions. To the extent applicable, the general rules of the General Appropriations Act shall apply to the expenditure of funds under this appropriation.

#### Severability Clause

Sec. 27. If any provision of this Act or the application thereof to any person or circumstance is held invalid, this invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared severable.

The president of the board shall set a time and place for hearing and shall cause a copy of the charges together with a notice of time and place fixed for the hearing to be served on the person charged at least 10 days prior thereto. Notice shall be sufficient if sent by registered or certified mail to the person charged at the address shown on his or her most recent application for certificate of registration or re-registration. At least twice each year the Board shall hold examinations for qualified applicants for licensure. Examinations may be held in such cities throughout the State as the Board may designate under the supervision of a Board member or such other person as the Board may specify. Not less than sixty (60) days notice of the holding of the examination shall be given by publication in at least three (3) daily newspapers of general circulation, to be selected by the Board; special meetings shall be held upon request of four (4) members of the Board or upon the call of the president; six (6) members of the Board shall constitute a quorum for the transaction of business, and should a quorum not be present on the day appointed for any meeting, those persons present may adjourn from day to day until a quorum shall be present, providing that such period shall not be longer than three (3) successive days; each member of said Board shall be paid Twenty Dollars (\$20.00) per day for each day he attends meetings of the Board, not to exceed five (5) days for each meeting, and the time going to and returning from meetings shall be included in computing said time; in addition thereto, each member shall receive expenses incurred while actually engaged in the performance of the duties of the Board.

#### Appointments Beginning in 1957; Composition of Board

Sec. 4½. Beginning in 1957, and as terms of Board members expire, Licensed Vocational Nurses shall replace one Registered Nurse, one licensed physician, and one hospital administrator, until the Board shall thereafter be composed of six (6) Licensed Vocational Nurses, registered with the Board of Vocational Nurse Examiners, who shall have been in active practice in this State as a Licensed Vocational Nurse for three (3) years immediately preceding their appointment; one (1) Registered Nurse, registered with the State Board of Nurse Examiners of Texas, who is actively engaged in a teaching, administrative or supervisory capacity in a State accredited school of vocational or professional nursing; one (1) physician, licensed by the Texas State Board of Medical Examiners, who has been actively engaged in the practice of medicine for a period of five (5) years prior to his appointment and who is not actively engaged as a hospital administrator; and one (1) hospital administrator who is not licensed either as a nurse or by the Texas State Board of Medical Examiners or by any other board which licenses persons to practice the healing arts in this State, and who has been actively engaged in hospital administration for a period of five (5) years prior to appointment in a general hospital whose staff is composed of persons licensed by the Texas State Board of Medical Examiners.

#### Examinations and Issuance of Licenses

Sec. 5. (a) Except as provided in Section 6 and Section 7 of this Act, every person desiring to be licensed as a Licensed Vocational Nurse or use the abbreviation L. V. N. in the State of Texas, shall be required to pass the examination given by the Board of Vocational Nurse Examiners or its delegate. The applicant shall make application by presenting to the secretary of the Board, on forms furnished by the Board, satisfactory sworn evidence that the applicant has had at least two (2) years of high school education or its equivalent; has attained the age of eighteen (18) years; is of good moral character; is in good physical and mental health (evidence of this fact shall be made by submitting an unsworn statement by a physician on a form prescribed by the Board); is a citizen of the United States or has made a declaration of intention of becoming a citizen; and has completed an accredited course of not less than twelve (12) months in an accredited school for training vocational nurses. An accredited school as used herein shall mean one accredited by the Board. Application for examination by the Board or its delegate shall be made at least thirty (30) days prior to the date set for the examination.

(b) The Board in its discretion may waive the requirement in subdivision (a) of this Section for completion of a course in an accredited school for training Vocational Nurses upon presentation of satisfactory sworn evidence that the applicant is domiciled in this State and has completed at least two (2) years of training in a nursing school accredited by the State Board of Nurse Examiners of Texas or in some other school of professional nurse training accredited by a similar board or licensing agency of another State of the United States.

(c) In conducting examinations and in accrediting schools of Vocational Nurses and hospitals as provided for in this Act, it shall be mandatory upon the Board to ascertain that each Vocational Nurse shall have been taught the fundamentals of basic bedside nursing in the home and in the hospital. The course prescribed shall include cooking and preparation of standard simple diets for the sick; room cleaning and arrangement of the sickroom in the home or hospital; bed making; bathing and personal care of patients; cleansing and care of utensils used by the sick; the simple principles of hygiene and sanitation in the home and hospital; the methods of taking and recording temperature, pulse rate, respirations, blood pressure readings, fluid intake and output measurements, administration of foods and drugs by mouth, by rectum, by subcutaneous hypodermic injection, and such other subjects and procedures as may be regularly taught in the majority of such training programs.

(d) The Board shall issue Temporary Permits to any Vocational Nurse who furnishes proof of graduation from an accredited school of Vocational Nursing in this or any other State to practice Vocational Nursing from the

time of receipt of application until the time of completion of the next regular or special examination conducted by the Board.

(e) Any nurse who is licensed under the provisions of this Act, when on duty, whether in a public hospital or private, shall be authorized to wear identifying insignia on white caps and uniforms.

**Existing Vocational Nurses Licensed  
Without Examination**

Sec. 6. All persons who have practiced or engaged in the activity as a Vocational Nurse, or any similar title used for a non-professional unregistered nurse, under a licensed physician or a director of nursing service for one (1) year immediately prior to the effective date of this Act, may procure a license as a Licensed Vocational Nurse from the Board without examination upon the satisfactory proof as prescribed by the Board of such activity for the required time, and upon the payment of the fee hereafter required. Applicants for a license under this Section may apply for a license hereunder within one (1) year after the effective date of this Act and not thereafter.

**Reciprocity**

Sec. 7. Any applicant of good character who holds a license as an Attendant Nurse, Nursing Attendant, Nurse Aid, Nursing Aid, Practical Nurse, Technical Nurse, Nurse Technician, Vocational Nurse or any similar title used for a nonprofessional nurse unqualified for licensure as a Registered Nurse from another state whose requirements are equal to those of Texas, and whose individual qualifications shall be equivalent to those required by this law, may be granted a license to practice nonprofessional nursing as a Licensed Vocational Nurse in this State without examination provided the required fee is paid to the Board by such applicant.

**Renewal**

Sec. 8. Before the first day of August of each year, the Secretary of the Board shall mail an application form for a renewal certificate to all licensees. The application shall contain such information as the Board may deem necessary for its records. On or before the first day of September of each year every Licensed Vocational Nurse in this State shall pay to the Secretary-Treasurer of the Board of Vocational Nurse Examiners the required fee for the renewal of such person's license as a Licensed Vocational Nurse for the current year. On receipt of said annual renewal fee and application the Board shall issue an annual renewal certificate bearing the number of the license and the year for which renewed. When a Licensed Vocational Nurse shall have failed to pay the annual renewal fee before November 1st of each year, it shall be the duty of the Board to notify such Licensed Vocational Nurse at the licensee's address known to the Board that such annual renewal fee is due and unpaid and if payment of the fee is not re-

ceived by the Secretary of the Board of Vocational Nurse Examiners within twenty (20) days after notification, said license shall be suspended and such person in order to be reinstated shall be required to pay one (1) annual renewal fee as a penalty in addition to all fees said person may be in arrears. Said annual renewal fee shall be due on September 1st of each year and shall become delinquent on November 1st of each year.

Practicing as a Licensed Vocational Nurse without an annual renewal certificate for the current year as provided herein shall have the same force and effect and be subject to all penalties of practicing as a Licensed Vocational Nurse without a license.

**Expiration Dates of Licenses; Proration of Fees**

Sec. 8A. The board by rule may adopt a system under which licenses expire on various dates during the year. All dates for mailing notice regarding payment of fees and the date of license suspension for nonpayment of fees shall be adjusted accordingly. For the year in which the expiration date is changed, license fees payable on September 1 shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee which is allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license renewal fee is payable.

**Fees**

Sec. 9. The following shall be the fees charged by the Board under this Act: application and examination fee not to exceed Twenty-five Dollars (\$25); reexamination fee not to exceed Twenty-five Dollars (\$25); annual renewal fee not to exceed Five Dollars (\$5); penalty for late annual renewal fee not to exceed Five Dollars (\$5); fee for license by reciprocity not to exceed Twenty-five Dollars (\$25); fee for accrediting training programs not to exceed Fifty Dollars (\$50).

All expenses under this Act shall be paid from fees collected by the Board under this Act, and no expense incurred under this Act shall ever be charged against the funds of the State of Texas.

**Revocation or Suspension**

Sec. 10. The Board may revoke or suspend any license issued under the provisions of this Act for gross incompetence, dishonesty, malpractice, intemperate use of drugs or alcoholic beverages, false or deceptive representations in obtaining a license, insanity of the licensee, proof of the conviction of the licensee of a felony involving moral turpitude under the laws of this State or of any other State or of the United States, or for any other reason which shall be deemed just cause by the Board. Such revocation or suspension shall be accomplished by a majority vote of the Board after a hearing held on specific charges filed against such licensee, which charges shall be made in writing, under oath and filed by the Secretary. A certified copy of the charges and a notice of

the hearing before the Board shall be served on the licensee whose license is sought to be revoked or suspended not less than thirty (30) days prior to the hearing of such charges.

If the Board shall make and enter an order revoking or suspending any license as hereinabove authorized, the person whose license shall have been revoked or suspended may, within thirty (30) days after the entering of such order, and not thereafter, take an appeal to the District Court of the county of residence of the person whose license shall have been so revoked or suspended, by filing an appropriate petition for such purpose. Said cause shall be placed on the docket of said Court in the name of the party filing same, as plaintiff, and the Board as defendant. It shall be the duty of said Board, upon the filing of a petition asking for an appeal and review of such proceedings of said Board, after citation in such cause has been issued and served as in other civil cases, to prepare and transmit to such District Court a transcript of the order hereinabove provided for, the same to be certified as true and correct by the Secretary of said Board. The District Court shall thereafter set such cause for hearing as in other civil cases. Said trial shall be de novo as that term is used in appeals from Justice of the Peace Courts to County Courts and shall not be subject to the substantial evidence rule in sustaining administrative action by the Board. In all such cases the burden of proof shall be on the Board to sustain its action by a preponderance of the evidence. Either party may demand a jury in such trial, and either party may appeal the judgment of the Court, as in other civil cases. If no appeal be taken from the order of the trial Court, the same shall become final after thirty (30) days.

**Membership in Organization Recognizing Right to Strike or Engage in Organized Work Stoppage**

Sec. 10A. It shall be unlawful for any individual who has been licensed as a Licensed Vocational Nurse to be a member of any group, organization, association, or union which advocates or recognizes the right to strike, or which permits its members to engage in an organized work stoppage. Any person who has been licensed as a Licensed Vocational Nurse and who violates this Section of this Act, shall have his or her license suspended for a period of two (2) years, and the Board shall thereupon enter an order to such effect upon its minutes. It shall be incumbent upon the individual after the expiration of two (2) years to apply for a new license as a Licensed Vocational Nurse should such individual desire to engage in such work as herein authorized by this Act. It is the declared public policy of this State that a person who requires nursing care should be protected from organized work stoppages of any kind or character.

**Injunctions**

Sec. 11. Six (6) years after the effective date of this Act, any person practicing nursing

who is not licensed as a Vocational Nurse, or as a Registered Nurse, or as a Tubercular Nurse, and who does not come under any of the exceptions set out in this Act, may be enjoined and restrained by a District Court from practicing nursing upon petition of the Board.

**Accrediting of Training Programs**

Sec. 12. (a) Any general hospital in regular use for patients which has a registered nurse in charge of nursing, and whose staff consists of one or more licensed physicians licensed by the State Board of Medical Examiners, may qualify as an accredited hospital for Vocational Nurse Training, provided it can and will meet requirements of the Board for the training of Vocational Nurses.

(b) Any institution which shall be qualified under Section 5, and under regulations promulgated by the Board to conduct a course for training Vocational Nurses shall apply to the Board and shall accompany said application with evidence that it is prepared to give a course of not less than twelve (12) months for the training of Vocational Nurses; such application shall be accompanied by the appropriate fee provided for in Section 9 of this Act; upon receipt of such application the Board shall cause a survey of the institution making such application to be made by a qualified representative of such Board. If in the opinion of a majority of the members of the Board, the requirements for an accredited course for training Vocational Nurses are met by such institution, such institution shall be placed on an accredited list of such accredited institutions given for training Vocational Nurses. It shall further be the duty of the Board, from time to time, to survey all courses for such training of Vocational Nurses offered within the State. Written reports of such surveys shall be submitted to the Board. If the Board shall determine as a result of such surveys that any training school, hospital or institution heretofore accredited as an institution for such training for Vocational Nurses is not maintaining the standards required by law and by the rules and regulations promulgated by the Board, notice thereof shall immediately be given to such training school, hospital or institution. If the requirements of the Board are not complied with within a reasonable time set by the Board in such notices, such institution shall be removed from the list of approved training schools, hospitals or institutions offering courses for training Vocational Nurses within this State.

**Custody and Use of Revenues**

Sec. 13. Upon and after the effective date of this Act, all moneys derived from fees, assessments, or charges under this Act shall be paid by the Board into the State Treasury for safekeeping, and shall by the State Treasurer be placed in a separate fund to be available for use of the Board in the administration of the act upon requisition of the Board. All such moneys so paid into the State Treasury are

hereby allocated to the Board for the purpose of paying the salaries and expenses of all persons employed or appointed as provided herein for the administration of this Act, and all other expenses necessary and proper for the administration of this Act, including equipment and maintenance of any supplies for such offices or quarters as the Board may occupy, and necessary traveling expenses for the Board or persons authorized to act for it when performing duties hereunder at the request of the Board. The Comptroller shall, upon requisition of the Board, from time to time, draw warrants upon the State Treasurer for the amount specified in such requisition, not exceeding, however, the amount in such fund at the time of making any requisition; provided, however, that all moneys expended in the administration of this Act shall be specified and determined by itemized appropriation in the General Departmental Appropriation Act or other appropriation acts. At the end of a fiscal year, any unused portion of said fund in excess of the amount appropriated for the following fiscal year shall be set over and paid into the General Revenue Fund.

#### Constitutionality

Sec. 14. If any section, subsection or part of this Act shall be held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the remaining portions thereof, it being the express intention of the Legislature to enact such Act without respect to such section, subsection or a part so held to be invalid or unconstitutional.

Sec. 1. The State Board of Pharmacy shall be composed of six (6) members to be appointed by the Governor, each of whom shall have been a registered pharmacist in this state under the

provisions of law for a period of five (5) years next preceding the appointment, and who continues to be actively engaged in the practice of pharmacy while serving the term for which he is appointed; and shall at the time of such appointment be in good standing and engaged in retail pharmacy and who is not a member of the faculty of any college or school of pharmacy, or shall have a financial interest in such school or college, and the majority of the Board shall be graduates of a recognized college or school of pharmacy. The term of office of each member of said Board shall be six (6) years. In case of death, resignation or removal of any member of the Board, the vacancy of the unexpired term shall be filled by the Governor in the same manner as other appointments. Each appointee to the State Board of Pharmacy shall within fifteen (15) days from the date of his appointment qualify by taking the Constitutional Oath of office. Provided that the present members of the Board shall serve the term for which they have been appointed.

#### Order of Appointment of Members; Vacancies

Sec. 2. In making the first appointment the Governor shall appoint two members of said board for two years, two for four years and two for six years, and thereafter the term of each member shall be six years so that the terms of two members shall expire every two years. Vacancies on the board shall be filled by the Governor for the unexpired term only.

#### Funds Received, Use Of

Sec. 3. The fund realized from all fees payable under this Act shall first be applied to the payment of all necessary expenses of the Board, and the remainder is to be applied by order of the Board to compensate members of said Board; said compensation to each member of the Board not to exceed Twenty-five Dollars (\$25) per day, exclusive of necessary expenses in performance of his duties. Provided, however, that the premium on any bond required of the Secretary, or any other employee of the Board, shall be paid out of said fund, as well as the expenses of any employee incurred in the performance of his duties. The State Board of Pharmacy shall defray all expenses under this law from fees provided in this Act, and the State of Texas shall never be liable for the compensation or expenses of any member of the Board, or its officers or employees, or any other expenses thereof.

#### Officers of Board; Salary; Bond; By-laws and Regulations

Sec. 4. Said Board within thirty (30) days after appointment shall meet and organize by electing a president and vice-president and treasurer from its membership, and a secretary who may or may not be a member of the Board, whose salary shall be fixed by the Board. The secretary and treasurer shall each be required to execute a bond in the sum of Ten Thousand (\$10,000.00) Dollars for the faithful performance of his duties, payable to the State of Tex-

as. The Board shall have the power to make by-laws and regulations, not inconsistent with the law, for the proper performance of its duties and the duties of its officers and employees, and shall have the power to employ the necessary employees to carry out the provisions of this Act.

**Powers and Duties of Board; Records**

Sec. 5. The Board shall preserve a record of its proceedings in a book kept for that purpose. A record shall be kept showing the name, age and last known mailing address of each applicant for examination, the name and location of the University, School or College of Pharmacy from which he holds credentials, and time devoted to the study and practice of pharmacy, together with such other information as the Board may desire to record. Said record shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters therein contained.

The Board shall have power to appoint committees from its own membership. The duties of such committees shall be to consider such matters pertaining to the enforcement of this Act and the regulations promulgated in accordance therewith as shall be referred to said Committees, and they shall make recommendations to the Board with reference thereto.

The Board, any Committee, or any member thereof, shall have the power to issue subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of books, records, and documents; to administer oaths and to take testimony concerning all matters within its or his jurisdiction. The Board shall not be bound by strict rules of procedure or by the rules of evidence in the conduct of its proceedings, but the determination shall be founded upon sufficient legal evidence to sustain it. The Board may be represented by the Attorney General, or by the District Attorney or the County Attorney, and by other counsel when necessary.

The Board shall have the right to institute an action in its own name to enjoin the violation of any of the provisions of this Act. Said action for injunction shall be in addition to any other action, proceeding or remedy authorized by law.

If a witness refuses to comply with said subpoena issued by said Board, or if a witness in attendance before the Board, or one of its duly appointed Committees, refuses without reasonable cause to be examined or to answer a legal or pertinent question, or to produce books, records or papers, or to furnish other information when ordered to do so by the Board, the Board may apply to the Judge of the District Court of any county, and, upon proof of affidavit of the fact, have a rule or order, returnable in not less than one (1) nor more than five (5) days, directing such witness to show cause before the court who made the order, or any other District Judge of said county, why he should not be punished for contempt. Upon the return

of such order, the Judge before whom the matter shall come for hearing shall examine under oath such witness or person, and such person shall be given an opportunity to be heard, and if the Judge shall determine that such person has refused, without reasonable cause or legal excuse, to be examined or answer a legal or pertinent question, or to produce such books, records and documents as he was ordered to bring or produce, he shall forthwith punish the offenders as for contempt of court.

Subpoenas shall be served and witnesses' fees and mileage paid, as in civil cases in the District Court in the county to which such witnesses shall be called. Witnesses subpoenaed at the instance of the Board shall be paid their fees and mileage by the Board out of the funds provided for in this Act.

The Board shall adopt an official seal and license of suitable design and shall maintain an office where all of the permanent records shall be kept.

**Meetings for Examination of Applicants;  
Reports to Governor**

Sec. 6. The State Board of Pharmacy shall hold regular meetings for the examination of applicants for registration, and for the transaction of such other business as may legally come before it twice a year, and may hold such additional special meetings as may be necessary. The time and place of the regular meetings shall be designated at a regular session of the Board, and the additional meetings to be held at such places and on such dates as may be designated by the President of the Board.

Packages, Unlawful; Exceptions**

Sec. 8. It shall be unlawful for any person who is not a registered pharmacist under the provisions of this Act to compound, mix, manufacture, combine, prepare, label, sell, or distribute at retail or wholesale any drugs or medicines, except in original packages. Provided that all persons now registered as pharmacists in this State shall have all the rights granted to pharmacists under this Act. Provided, however, that nothing in this Act shall apply to or interfere with any licensed practitioner of medicine, dentistry, or chiropody, who is duly registered as such by his respective State

Board of Examiners of this State, who shall supply his or her patients, as a physician, dentist, or chiroprapist, and by them employed as such, with such remedies as he or she may desire and who does not keep a pharmacy, open shop, or drug store, advertised or otherwise, for the retailing of medicines or poisons; and provided, further, that nothing contained in this Act shall be construed to prevent the personal administration of drugs and medicines carried by any physician, surgeon, dentist, chiroprapist, or veterinarian licensed by his respective Board of Examiners of this State, in order to supply the immediate needs of his patients; nor to prevent the sale by persons, firms, joint stock companies, partnerships, or corporations, other than registered pharmacists, of patent or proprietary medicines, or remedies and medicaments generally in use and which are harmless if used according to instructions as contained upon the printed label, with the exception, however, of exempt narcotics; and insecticides and fungicides and chemicals used in the arts, when properly labeled; nor insecticides or fungicides that are mixed or compounded for purely agricultural purposes.

(2) senior students of a reputable college or school of Pharmacy recognized by the Texas State Board of Pharmacy who perform their services without pay in the presence and under the direct supervision of a registered pharmacist who is a member of the staff of a reputable college or school of Pharmacy recognized by the Texas State Board of Pharmacy, provided that the sale of such preparations and prescriptions so compounded by such senior students shall be restricted to duly registered students of the college or university attended by such senior students.

(3) pharmacist-interns, certified by the Board of Pharmacy, who are graduate students or, if the Board shall so determine, undergraduate students lacking no more than 30 credit hours of work toward their baccalaureate pharmacy degree, both of which are performing their services as a part of their internship in the presence of and under the supervision of a registered pharmacist who has been certified by the Board of Pharmacy as a preceptor for undergraduate or post-graduate internship and who shall be personally responsible to the Board of Pharmacy for the action of the pharmacist-intern.

If the applicant does not actually work substantially all of one (1) year in any calendar year period, the time actually worked may be added to work he may perform during the following year or years in order to fulfill one thousand (1,000) hours of practical experience. A university, school, or college of pharmacy is reputable whose entrance requirements and course of instruction are as high as those adopted by recognized universities, schools, or colleges of pharmacy, and whose course of instruction shall be the equivalent of not less than four (4) terms of eight (8) months each, and approved by the Board.

Each applicant for license to practice pharmacy in Texas shall be given due notice of the time and place of examination. All examinations shall be conducted in writing and by such other means as the State Board of Pharmacy shall deem adequate to ascertain the qualifications of applicants, and in such manner as shall be entirely fair and impartial to all individuals in every recognized school of pharmacy. All applicants examined at the same time shall be given the same regular examinations, and each applicant successfully passing the examination and meeting all requirements of the State Board of Pharmacy shall be registered by the Board as possessing the qualifications

required by this law, and shall receive from said Board a license to practice pharmacy in this State. Provided that the State Board of Pharmacy may, in its discretion, upon the payment of One Hundred Dollars (\$100), grant a license to practice pharmacy to persons who furnish proof that they have been registered as such in some other state or territory, and that they are of good moral character, provided that such other Board in its examination required the same general degree of fitness required by this State, and grants the same reciprocal privileges to pharmacists of this State.

No person who is a member of the Communist Party, or who is affiliated with such party, or who believes in, supports, or is a member of any group or organization that believes in, furthers, or teaches the overthrow of the United States Government by force or by any illegal or unconstitutional methods, shall be authorized to practice pharmacy in the State of Texas, or to receive a license to practice pharmacy in the State of Texas.

Every person admitted to practice pharmacy in the State of Texas shall, before receiving his license, make oath that he is not a member of the Communist Party or affiliated with such party, and that he does not believe in and is neither a member of nor supports any group or organization that believes in, furthers, or teaches the overthrow of the United States Government by force or by any illegal or unconstitutional methods.

Any person who shall falsely make the affidavit prescribed in the foregoing paragraph shall be deemed guilty of fraudulent and dishonorable conduct, and malpractice, and shall be subject to all penalties which may be prescribed for making false affidavit.

**Unlawful to Impersonate Applicant or Fraudulently Acquire License**

Sec. 10. It shall be unlawful for any person to impersonate before the Board an applicant applying for registration or license under this Act, or to fraudulently acquire a license in any other manner than provided for in this Act.

**Fees, Examination of Books and Records**

Sec. 11. The State Board of Pharmacy shall charge a fee of Twenty Dollars (\$20) for examining an applicant for license, which fee must accompany the application. If an applicant who, because of failure to pass the examination, is refused a license, he shall be permitted to take a second examination without additional fee, provided the second examination is taken within a period of one (1) year. The State Auditor of the State of Texas shall, not less than once each year, examine and audit the books and records of the State Board of Pharmacy, and report his findings to the Governor of the State of Texas.

**Revocation or Suspension of License; Appeal**

Sec. 12. The State Board of Pharmacy may in its discretion refuse to issue a license to any applicant, and may cancel, revoke, or suspend

the operation of any license by it granted for any of the following reasons:

Any inspector, member, or official of the Board is hereby empowered to take charge of such permit pending final hearing before the Board, as to revocation of same.

(f) The permit provided for in Subsection (a) of this Section shall be issued annually by the Board upon receipt of the proper application accompanied by a fee of Twenty-five Dollars (\$25).

#### Repeals

Sec. 18. Chapter 8 of Title 71 of the Revised Civil Statutes of 1925 and all other laws and parts of laws in conflict with this Act are hereby repealed, provided that nothing herein contained shall be construed to amend or repeal any Acts or sections of Acts which govern the manufacture, sale or distribution of narcotics or spirituous liquors.

#### Pharmacy, Drug Store, Dispensary, Apothecary Shop or Prescription Laboratory Defined

Sec. 19. A pharmacy, drug store, dispensary, apothecary shop, or prescription laboratory, as used in this Act, is any store or place where drugs or medicines are sold or furnished in any manner at retail or for a fee to the consumer wherein a registered pharmacist is employed.

Provided, however, that no provision of this Act shall be construed to apply to any hospital or clinic maintaining or operating a dispensary, apothecary shop or prescription laboratory for the care of its patients as long as a licensed pharmacist is continually employed to compound said prescriptions.

#### Definitions

Sec. 20. A "pharmacist" as used in this Act shall mean a person licensed by the State Board of Pharmacy to practice the profession of pharmacy, and to prepare, compound, and dispense physicians' prescriptions, drugs, medicines, and poisons.

A "manufacturer," as used in this Act, shall mean one who processes, combines, mixes, compounds, prepares, labels, packages or manufactures medicines or drugs for sale or distribution, either at wholesale or retail.

It is further declared to be a matter of public interest and concern that the practice of pharmacy, as defined in this Act, merit and receive the confidence of the public and that only qualified persons be permitted to practice pharmacy in the State of Texas. This

Act shall be liberally construed to carry out these objects and purposes.

#### Prices of Common Prescriptions; Compilation and Posting; Deceptive Advertising

Sec. 20A. I. Definitions: In this Act, unless the context requires a different definition:

(1) "100 most commonly prescribed drugs" means the 100 most commonly prescribed in Texas by brand name or generic name by manufacturer as determined by the State Board of Pharmacy.

(2) "Person" means a natural person, association of natural persons, corporation, partnership, or other private legal entity.

(3) "Consumer patient" is a person as defined under the terms of this Act.

II. Policy. (a) It is the policy of this state to permit and encourage, for the benefit of the citizens of this state, the availability of factual information regarding charges by licensed pharmacists or pharmacies for prescription drugs and the professional services and non-professional convenience services associated with the dispensing of such drugs. It is the stated purpose of this Section, when read in conjunction with Section 17(d)(3) to permit and encourage the availability of such factual information in a manner which will not encourage unfair or deceptive competitive practices but will assist the public in making informed purchasing decisions based on total value received for prescription drug expenditures and not based on price alone. It is also the policy of this state, recognizing that prescription drugs are designated as such by law because they are potent medications not safe for use except when medically necessary and then only under close professional supervision and control, that information permitted and encouraged by this Section when read in conjunction with Section 17(d)(3), shall be provided the public only in a manner which will not serve to create artificial demand for prescription drugs; and it is likewise intended that the provisions of this Section be the exclusive method by which price information shall be available to the general public.

(b) A licensed pharmacy shall have available to the public at the prescription department or other dispensing area in complete public view, in a standard format authorized by rule or regulation of the Texas State Board of Pharmacy, a poster containing the one hundred (100) most prescribed drugs in Texas and the maximum charges to the public for prescription drugs, including charges for professional services and nonprofessional convenience services specified by rule or regulation of the Texas State Board of Pharmacy which the pharmacy includes and does not include within the posted maximum charge.

(c) A licensed pharmacy having posted maximum charges for prescription drugs as permitted by, and in compliance with, this Sec-

tion shall be deemed in compliance with these requirements.

(d) No notice or advertising to the general public shall contain promotional claims or statements comparing, either directly or indirectly, the charges either listed or otherwise charged for specific prescription drugs or prescription drugs generally, with the charges either listed or otherwise charged for specific prescription drugs generally by any other pharmacist or pharmacy; and provided, further, that no such notice shall contain any claims or statements comparing, either directly or indirectly, the professional services or non-professional convenience services provided the public by any other pharmacist or pharmacy; nor shall any pharmacy publish or display or cause or permit to be published or displayed in any newspaper or by radio, television, window display, poster, sign, billboard or any other means or media any statement or advertising concerning prescription medication which is fraudulent, deceitful or misleading, including statements or advertisements of bait, discounts, premiums, price, gifts or any statement or advertisements of a similar nature, import or meaning, or any statement or advertisement of or reference to the price of prescription medication except in compliance with this Act.

(e) The State Board of Pharmacy may, in its discretion, cancel, revoke or suspend the operation of any pharmacy permit granted under Section 17 of this Act, if they find that a pharmacy has failed to comply with any of the provisions hereof. Appeals from the decision of the Board shall be in accordance with Section 12 of this Act.

**Display of License; Application for Renewal; Penalty**

Sec. 21. Every license to practice pharmacy, and every license to any proprietor or employee to conduct a drug store, pharmacy or factory, and every renewal of such license or annual renewal certificate shall be conspicuously displayed in the place of business of which the pharmacy or person to whom it is issued is the owner or manager, or in which he is employed.

Every licensed pharmacist who desires to continue in the practice of his profession shall within thirty (30) days next preceding the expiration of his license or annual renewal certificate file with the Board his application for the renewal thereof.

If any pharmacist shall fail for a period of sixty (60) days after the expiration of his license or annual renewal certificate to make application to the Board for its renewal, his name shall be stricken from the register of licensed pharmacists. The name of the responsible manager of every pharmacy, drug store or apothecary shop shall be conspicuously displayed outside of such place of business.

Any person not being licensed as a pharmacist who shall compound, mix, blend, dispense, prepare or sell at retail any drugs, medicines, poisons or pharmaceutical preparations upon a

physician's prescription, or otherwise, and whoever, being the manager or owner of the drug store, pharmacy or factory, or other place of business, shall manufacture, or permit anyone not licensed as a pharmacist to compound, mix, blend, dispense any drugs, medicines, poisons or pharmaceutical preparations, on physician's prescription, contrary to any of the provisions of this Act, shall be subject to the penalties of this Act.

Any license or permit or renewal certificate obtained through fraud or by false or fraudulent representations shall be void and of no effect in law, and shall be subject to the penalties provided for in this Act.

Any person who shall make any false or fraudulent representations for the purpose of procuring a license or renewal certificate, either for himself or for another, shall be subject to the penalties provided for in this Act.

Any person being the holder of a pharmacist's license or renewal certificate who shall fail to display such license or renewal certificate in a conspicuous position in the place of business to which such license or permit relates, or in which the holder thereof is employed, shall be subject to the penalties provided for in this Act, and each day such license or renewal certificate is not displayed shall be a separate offense.

Any person being the holder of any license or renewal certificate or store or manufacturer's permit under this law who shall, after the expiration of such license or manufacturer's permit, drug store or pharmacy permit, fail to renew same, and who continues to carry on the business for which such license, renewal certificate or permit was granted shall be subject to the penalties provided for in this Act.

Any person, firm, corporation, partnership, or joint stock company violating any provision of this Act shall be guilty of a misdemeanor and upon conviction shall be fined not less than Fifty (\$50.00) Dollars, nor more than Five Hundred (\$500.00) Dollars, or be confined in jail for not less than one (1), nor more than six (6) months, or by both such fine and imprisonment. Each day of such violation shall be a separate offense.

It shall be unlawful for any member of the Board to permit any applicant to take the examination herein provided for, unless such applicant furnishes written proof to said Board that such applicant is qualified as herein provided in this Act to take such examination. Any member of the Pharmacy Board violating this Section shall be guilty of a misdemeanor and shall be punished as provided in the preceding paragraph.

**Imposition and Disposition of Fines**

Sec. 21a. Notwithstanding any other Section contained in this Act, the State Board of Pharmacy shall have, in addition to the sanctions available in Sections 12 and 17 hereof, the authority to impose fines for violation of

this Act. Such fines shall be up to, but no higher than, Two Hundred Fifty Dollars (\$250.00) for each count or violation, and such fines may be assessed independently or in conjunction with the other sanction authorized by this Act.

All fines assessed for violations of this Act shall be paid to the fund created by Section 3 of this Act for use in accordance with the provisions of that Section.

<sup>1</sup> See, now, article 4546a et seq.

##### Revocation, Cancellation or Suspension of License

Sec. 4. The State Board of Dental Examiners shall, and it shall be their duty, and they are hereby authorized to revoke, cancel or suspend any license or licenses that may have been issued by such Board, if in the opinion of a majority of such Board, any person or persons to whom a license has been issued by said Board to practice dentistry in this State, shall have, after the issuance of such license, violated any of the provisions of the Statutes of the State of Texas relating to the practice of dentistry in this State, or any of the provisions of Chapter 7, Title 12 of the Penal Code of the State of Texas, or any amendments that may hereafter be made thereto. All revocations, cancellations or suspensions of licenses by the Texas State Board of Dental Examiners shall be made as hereinafter provided.

All complaints to be considered by the Board shall be made in writing, subscribed and sworn to by the person presenting such complaint, which complaint shall set out the alleged violations of such Statutes and Penal Code and declaring it to be the opinion of the person presenting such complaint that the person or persons so accused have so violated said Statutes or Penal Code.

All complaints as received shall be presented to the Secretary of the Board or an authorized employee of the Board who shall cause copies of all complaints to be made and mailed or delivered to each member of the Board. When a complaint is made by a member of the Board, its agents or employees, the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such docketed complaint by registered mail to the accused person under the jurisdiction of the Texas State Board of Dental Examiners charged with having violated such Statutes or Penal Code. When a complaint is made by others than the members of the Board, its agents or employees, the Board or its duly authorized representative shall cause an investigation of such complaint to be made to determine the facts in such case, and if the facts as determined by such investigation, in the discretion of the Secretary of the Board, justify the docketing of such complaint for hearing before the Board, then the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such docketed complaint by registered mail to the accused person under the jurisdiction of the Texas State Board of Dental Examiners charged with having violated such Statutes or Penal Code.

The Secretary of the Board or its authorized officer or employee shall not less than ten (10) days prior to the next meeting of the Board called for the purpose of hearing and considering such complaint, mail by registered mail to the last known address of such person or persons against whom a complaint has been so docketed a notice of hearing, which notice shall contain the date, time, and place of the meeting of the Texas State Board of Dental Examiners called to consider such complaint, and such notice shall contain the alleged violations of such Statutes and Penal Code, and shall state that such accused person may appear and offer such evidence as is pertinent to his defense to such complaint. Such hearing shall be governed by such rules and regulations as may be prescribed by the Board, and the Board shall have the authority to subpoena and compel the attendance of such licensees or other persons deemed to have knowledge which would aid the Board in reaching a proper decision and for the enforcement of this Act. After such hearing, the Board shall enter an order in its minutes, as in the opinion of the majority of the Board the facts brought out at such hearing justify and require. Provided, however, that any order cancelling or revoking or suspending such license or licenses shall be signed by a majority of such Board and by all the members of such Board present at such hearing. Provided that when the license of such licensee is revoked or cancelled he shall be allowed to continue the practice of his pro-

#### Appeal to Court

Sec. 5. If said Board shall make and enter any order cancelling or suspending any license or licenses as hereinabove provided, the person or persons whose license shall have been so cancelled and revoked or suspended may, within thirty (30) days after the making and entering of such order, take an appeal to the District Court of the county in which the alleged offense occurred by filing an appropriate petition for such purpose. Said cause shall be placed on the docket of said Court in the name of the party or parties filing same, as plaintiff, and the State Board of Dental Examiners, as defendant. It shall be the duty of said Board, upon the filing of a petition asking for an appeal and review of such proceedings of said Board by the person or persons accused, and after citation in such cause has been issued and served as in other civil cases, to prepare and transmit to such District Court upon notice from such Court a transcript of the orders hereinabove provided for, the same to be certified as true and correct by the Secretary of said Board. Such District Court shall thereafter and under the rules of procedure applicable to other civil cases, proceed to set such cause for hearing as in other civil cases. Upon the hearing of such cause, if such Court shall find that the action of such Board, in cancelling or revoking or suspending such license or licenses is not well taken or that same would or might deprive such licensee unjustly of his license to practice dentistry in this State, such Court shall by appropriate order and judgment set aside such action of said Board; but if such Court shall sustain such action of said Board in cancelling and revoking or suspending such license or licenses, an order shall be made and entered in appropriate form sustaining and affirming the action of such Board, from which order an appeal may be taken to the Court of Civil Appeals, as in other civil causes. If no appeal be taken from such order of such Court within thirty (30) days, the same shall become final. If an appeal be taken from the District Court to a Court of Civil Appeals, the order of such Court shall become final within thirty (30) days after the making and entry of such order by such Court of Appeals. Provided in all such cases of appeal that the Court shall give preference to same, and advance them on the docket of said Court so that speedy action may be had; providing also that trial in the District Court shall be de novo.

- (a) Proceedings before the Texas State Board of Dental Examiners shall be as follows:

All complaints to be considered by the Board shall be made in writing, subscribed and sworn to by the person presenting such complaint, which complaint shall set out the alleged violations of such Statutes and declaring it to be the opinion of the person presenting such complaint that the person or persons so accused have so violated said Statutes.

All complaints as received shall be presented to the Secretary of the Board or an authorized employee of the Board who shall cause copies of

all complaints to be made and mailed or delivered to each member of the Board. When a complaint is made by a member of the Board, its agents or employees, the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such docketed complaint by registered mail to the accused person under the jurisdiction of the Texas State Board of Dental Examiners charged with having violated such Statutes. When a complaint is made by others than the members of the Board, its agents or employees, the Board or its duly authorized representative shall cause an investigation of such complaint to be made to determine the facts in such case, and if the facts as determined by such investigation, in the discretion of the Secretary of the Board, justify the docketing of such complaint for hearing before the Board, then the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such docketed complaint by registered mail to the accused person under the jurisdiction of the Texas State Board of Dental Examiners charged with having violated such Statutes.

The Secretary of the Board or its authorized officer or employee shall not less than ten (10) days prior to the next meeting of the Board called for the purpose of hearing and considering such complaint, mail by registered mail to the last known address of such person or persons against whom a complaint has been so docketed a notice of hearing, which notice shall contain the date, time, and place of the meeting of the Texas State Board of Dental Examiners called to consider such complaint, and such notice shall contain the alleged violations of such Statutes, and shall state that such accused person may appear and offer such evidence as is pertinent to his defense to such complaint. Such hearing shall be governed by such rules and regulations as may be prescribed by the Board, and the Board shall have the authority to subpoena and compel the attendance of such licensees or other persons deemed to have knowledge which would aid the Board in reaching a proper decision and for the enforcement of this Act. After such hearing, the Board shall enter an order in its

minutes, as in the opinion of the majority of the Board the facts brought out at such hearing justify and require. Provided, however, that any order revoking or suspending such license or licenses shall be signed by a majority of such Board and by all the members of such Board present at such hearing.

If said Board shall make and enter any order revoking or suspending any license or licenses as hereinabove provided, the person or persons whose license shall have been so revoked or suspended may, within thirty (30) days after the making and entering of such order, take an appeal to the District Court of the County of the residence of the person or persons whose license shall have been so revoked or suspended, by filing an appropriate petition for such purpose. Such District Court shall thereafter and under the rules of procedure applicable to other civil cases, proceed to set such cause for hearing as in other civil cases. Upon receipt of such applications, accompanied by such fees, said Board, after ascertaining either from its records or other sources deemed by it to be reliable, that the applicant is a duly licensed practitioner of dentistry in this State, shall issue to the applicant an annual registration certificate or receipt certifying that he has filed such application and has paid the required fee; provided, that the filing of such application, the payment of such fee, and the issuance of such receipt therefor, shall not entitle the holder thereof to lawfully practice dentistry within the State of Texas unless he has in fact been previously licensed as such practitioner by the State Board of Dental Examiners, as provided by this law, and has duly recorded his license in the county or counties in which the same may be required by law to be recorded, and unless said license is in full force and effect; and provided further, that in any prosecution for the unlawful practice of dentistry such receipt showing payment of the annual registration fee required by this chapter shall not be treated as evidence that the holder thereof is lawfully entitled to practice dentistry.

Provided, that such license shall be reinstated at any time within three years upon written application of the holder made to said Board with such information or facts which the Board may require, accompanied by the payment of the annual registration fees in arrears and an additional fee of Five Dollars (\$5). Any license or certificate issued by the Texas State Board of Dental Examiners shall be subject to cancellation for failure to pay all annual registration fees required by law where such license or certificate holder shall have failed to register and pay such fees for three consecutive years. A revocation to be valid for failure to pay such fees shall be based upon written notice to such person at his last known address not less than 90 days prior to the date of hearing and intended cancellation if not so paid. Upon such cancellation the Board, in its discretion in each instance, may reinstate such person's license or certificate upon an affirmative showing by such person that he or she has the degree of professional skill and knowledge currently required of such licensees or certificate holders, and that such person is not mentally or physically incompetent and has not been guilty of any immoral or unprofessional conduct. Provided, that all such prosecutions shall be subject to the direction and control of the regularly and duly constituted prosecuting officers, and nothing in this Act shall be construed as depriving them of any authority vested in them by law.

4. To aid the Board in performing the duties prescribed in this Section, the Board is

hereby authorized to employ an Executive Secretary who shall receive a salary to be fixed by the Board, and who shall make and file a surety bond in a sum not less than Five Thousand Dollars (\$5,000) conditioned for the faithful performance of all the duties of his office and the safekeeping and proper disbursement of said "Dental Registration Fund" and all other funds coming into his hands; such salary shall be paid out of said "Dental Registration Fund" and shall not be in any way a charge upon the general revenue of the State. For the year in which the expiration date is changed, registration fees payable on or before March 1 shall be prorated on a monthly basis so that each registrant shall pay only that portion of the registration fee which is allocable to the number of months during which the registration is valid. #### Proceedings, Board and Court

Sec. 11. Proceedings to suspend or revoke a certificate for the practice of dental hygiene on account of any one or more of the causes set forth in this Article shall be taken as follows:

(a) Proceedings before the Texas State Board of Dental Examiners shall be as follows:

All complaints to be considered by the Board shall be made in writing, subscribed and sworn to by the person presenting such complaint, which complaint shall set out the alleged violations of such Statutes, or rules and regulations of the Board, and declaring it to be the opinion of the person presenting such complaint that the person or persons so accused have so violated said Statutes or rules and regulations of the Board.

All complaints as received shall be presented to the Secretary of the Board or an authorized employee of the Board who shall cause copies of all complaints to be made and mailed or delivered to each member of the Board. When a complaint is made by a member of the Board, its agents or employees, the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such docketed complaint by registered mail to the accused person, under the jurisdiction of the Texas State Board of Dental Examiners, charged with having violated such Statutes or rules and regulations of the Board. When a complaint is made by others than the members of the Board, its agents or employees, the Board or its duly authorized representative shall cause an investigation of such complaint to be made to determine the facts in such case; and if the facts as determined by such investigation, in the discretion of the Secretary of the Board, justify the docketing of such complaint for hearing before the Board, then the Secretary of the Board shall cause such complaint to be docketed on its records in the name of the Texas State Board of Dental Examiners versus the person against whom such complaint has been made, and shall mail a copy of such

docketed complaint by registered mail to the accused person under the jurisdiction of the Texas State Board of Dental Examiners charged with having violated such Statutes or rules and regulations of the Board.

The Secretary of the Board or its authorized officer or employee shall not less than (10) days prior to the next meeting of the Board called for the purpose of hearing and considering such complaint, mail by registered mail to the last known address of such person or persons against whom a complaint has been so docketed a notice of hearing, which notice shall contain the date, time, and place of the meeting of the Texas State Board of Dental Examiners called to consider such complaint, and such notice shall contain the alleged violations of such Statutes or rules and regulations of the Board, and shall state that such accused person may appear and offer such evidence as is pertinent to his or her defense to such complaint. Such hearing shall be governed by such rules and regulations as may be prescribed by the Board, and the Board shall have the authority to subpoena, and compel the attendance of such persons deemed to have knowledge which would aid the Board in reaching a proper decision and for the enforcement of this Act. After such hearing, the Board shall enter an order in its minutes, as in the opinion of the majority of the Board the facts brought out at such hearing justify and require. Provided, however, that any order revoking or suspending such certificate or certificates shall be signed by a majority of such Board and by all the members of such Board present at such hearing.

If said Board shall make and enter any order revoking or suspending any certificate or certificates as hereinabove provided, the person or persons whose certificate shall have been so revoked or suspended may, within thirty (30) days after the making and entering of such order, take an appeal to the District Court of the county of the residence of the person or persons whose certificate shall have been so revoked or suspended, by filing an appropriate petition for such purpose. Said cause shall be placed on the docket of said Court in the name of the party or parties filing same, as plaintiff, and the Texas State Board of Dental Examiners, as defendants. It shall be the duty of said Board, upon the filing of a petition asking for an appeal and review of such proceedings of said Board by the person or persons accused, and after citation in such cause has been issued and

served as in other civil cases, to prepare and transmit to such District Court upon notice from such Court a transcript of the orders hereinabove provided for, the same to be certified as true and correct by the Secretary of said Board. Such District Court shall thereafter and under the rules of procedure applicable to other civil cases, proceed to set such cause for hearing. Upon the hearing of such cause, all orders of the Board shall be valid if supported by substantial evidence and if such Court shall find that the action of such Board, in revoking or suspending such certificate or certificates, is based upon substantial evidence as provided by law, such Court shall by appropriate order and judgment affirm and sustain such action of said Board; but if such Court shall find that such action of said Board in revoking or suspending such certificate or certificates is not based upon substantial evidence, then an order shall be made and entered in appropriate form setting aside the action of such Board.

(b) Proceedings before the District Courts of this State shall be as follows:

It shall be the duty of the several District and County Attorneys of this State, on the request of any member of the Texas State Board of Dental Examiners or by complaint presented to any District Court of the State or county in which such alleged offense occurred, to file and prosecute appropriate judicial proceedings in the name of the State against the person or persons alleged to have so violated such Statute or rules and regulations of the Board. Such complaint shall be made in writing and filed in the District Court of the State or county in which the alleged offense occurred, and such complaint shall distinctly set forth the charges and grounds thereof and shall be subscribed and sworn to. When such complaint is made by any County or District Attorney, as herein provided, it shall be subscribed and sworn to by the prosecutor and shall be filed with the clerk of the Court. The Court, upon the filing of said complaint, shall order the accused certificate holder to show cause why his or her certificate to practice dental hygiene in this State shall not be suspended or revoked.

Citation therein shall be issued in the name of the State of Texas and in manner and form as in other cases and the same shall be served upon the defendant at least ten (10) days before the trial date set therein. Upon the return of said citation executed, if

the defendant shall appear and deny the charge, the cause shall be docketed for trial and conducted in the name of the State of Texas against the defendant. A jury of twelve (12) men shall be summoned as in cases during term time of the Court when no regular jury is available and as prescribed by law and shall be impanelled unless waived by the defendant, and the cause shall be tried in like manner as in other civil cases. If the said accused certificate holder be found guilty or shall fail to appear and deny the charge after being cited as aforesaid, the court may, by proper order entered on the minutes, suspend his or her certificate for a time or revoke and cancel it entirely and may also give proper judgment of costs, from which order an appeal may be taken to the Court of Civil Appeals as in other civil cases.

**ARTICLE 1. GENERAL PROVISIONS**

**Art. 4552-1.01. Short title**

This Act may be cited as the Texas Optometry Act.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 1.01, eff. Sept. 1, 1969.]

**Art. 4552-1.02 Definitions**

As used in this Act:

(1) The "practice of optometry" is defined to be the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state. Nothing herein shall be construed to prevent selling ready-to-wear spectacles or eyeglasses as merchandise at retail, nor to prevent simple repair jobs.

(2) "Ascertaining and measuring the powers of vision of the human eye" shall be construed to include:

(A) The examination of the eye to ascertain the presence of defects or abnormal conditions which may be

corrected, remedied, or relieved, or the effects of which may be corrected, remedied or relieved by the use of lenses or prisms, or

(B) The employment of any objective or subjective means to determine the accommodative or refractive condition or the range or powers of vision of muscular equilibrium of the human eye, or

(C) The employment of any objective or subjective means for the examination of the human eye for the purpose of ascertaining any departure from the normal, measuring its power of vision or adapting lenses or prisms for the aid or relief thereof, and it shall be construed as a violation of this Act, for any person not a licensed optometrist or a licensed physician to do any one act or thing, or any combination of acts or things, named or described in this subdivision; provided, that nothing herein shall be construed to permit optometrists to treat the eye for any defect whatsoever in any manner, nor to administer any drug or physical treatment whatsoever, unless said optometrist is a duly licensed physician and surgeon, under the laws of this state.

(3) "Fitting lenses or prisms" shall be construed to include:

(A) Prescribing or supplying, directly or indirectly, lenses or prisms, by the employment of objective or subjective means or the making of any measurements whatsoever involving the eyes or the optical requirements thereof; provided, however, that nothing in this Act shall be construed so as to prevent an ophthalmic dispenser, who does not practice optometry, from measuring interpupillary distances or from making facial measurements for the purpose of dispensing, or adapting ophthalmic prescriptions or lenses, products and accessories in accordance with the specific directions of a written prescription signed by a licensed physician or optometrist; provided, however, the fitting of contact lenses shall be done only by a licensed physician or licensed optometrist as defined by the laws of this state, but the lenses may be dispensed by an ophthalmic dispenser on a fully written contact lens prescription issued by a licensed physician or optometrist, in which case the ophthalmic dispenser may fabricate or order the contact lenses and dispense them to the patient with appropriate instructions for the care and handling of the lenses, and may make mechanical adjustment of the lenses, but shall make no measurements of the eye or the cornea or eval-

uate the physical fit of the lenses, by any means whatsoever; provided that the physician or optometrist who writes or issues the prescription shall remain professionally responsible to the patient.

(B) The adaptation or supplying of lenses or prisms to correct, relieve or remedy any defect or abnormal condition of the human eye or to correct, relieve or remedy or attempt to correct, relieve or remedy the effect of any defect or abnormal condition of the human eye.

(C) It shall be construed as a violation of this Act for any person not a licensed optometrist or a licensed physician to do any one thing or act, or any combination of things or acts, named or described in this Article.

(c) When an optometrist shall fail to pay his annual renewal fee by March 1 of each year, it shall be the duty of the board to notify such optometrist by registered mail at his last known address that said annual renewal fee is due and unpaid. Provided, that if said annual renewal fee is not paid within 60 days from the date of mailing of such notice, the board shall then cancel said license. The board shall notify the county clerk of the county in which such license may have been recorded of such cancellation, and such clerk, upon receipt of such notice from said board, shall enter upon the optometry register of such county the fact that such license has been cancelled for nonpayment of annual renewal fee and shall notify the board in writing that such entry has been made.

(b) Proceedings under this section shall be begun by filing charges with the board in writing and under oath. Said charges may be made by any person or persons. The chairman of the board shall fix a time and place for a hearing and shall cause a copy of the charges, together with a notice of the time and place fixed for the hearing, to be served on the respondent or his counsel at least 10 days prior thereto. When personal service cannot be effected, the board shall cause to be published once a week for two successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to practice, and shall mail a copy of the charges and of such notice to the respondent at his last known address. ##### Art. 4552-5.02 Recordation of License

It shall be unlawful for any person to practice optometry within the limits of this state who has not registered and recorded his license in the office of the county clerk of the county in which he resides, and in each county in which he practices, together with his age, post-office address, place of birth, subscribed and verified by his oath. The fact of such oath and record shall be endorsed by the county clerk upon the license. The absence of record of such license in the office of the

county clerk shall be prima facie evidence of the lack of the possession of such license to practice optometry.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.02, eff. Sept. 1, 1969.]

#### Art. 4552-5.03 Optometry Register

Each county clerk in this state shall purchase a book of suitable size, to be known as the "Optometry Register" of such county, and set apart at least one full page for the registration of each optometrist, and record in said optometry register the name and record of each optometrist who presents for record a license or certificate issued by the state board. When an optometrist shall have his license revoked, suspended, or cancelled, said county clerk, upon being notified by the board, shall make a note of the fact beneath the record in the optometry register, which entry shall close the record and be prima facie evidence of the fact that the license has been so cancelled, suspended or revoked. The county clerk of each county shall, upon the request of the secretary of the board, certify to the board a correct list of the optometrists then registered in the county, together with such other information as the board may require.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.03, eff. Sept. 1, 1969.]

#### Art. 4552-5.04. Practice Without License; Fraud; House-to-House

It shall be unlawful for any person to:

(1) falsely impersonate any person duly licensed as an optometrist under the provisions of this Act or to falsely assume another name;

(2) buy, sell, or fraudulently obtain any optometry diploma, license, record of registration or aid or abet therein;

(3) practice, offer, or hold himself out as authorized to practice optometry or use in connection with his name any designation tending to imply that he is a practitioner of optometry if not licensed to practice under the provisions of this Act;

(4) practice optometry during the time his license shall be suspended or revoked;

(5) practice optometry from house-to-house or on the streets or highways, notwithstanding any laws for the licensing of peddlers. This shall not be construed as prohibiting an optometrist or physician from attending, prescribing for and furnishing spectacles, eyeglasses or ophthalmic lenses to a person who is confined to his abode by reason of illness or physical or mental infirmity, or in response to an unsolicited request or call, for such professional services.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.04, eff. Sept. 1, 1969.]

#### Art. 4552-5.05. Treating Diseased Eyes

Anyone practicing optometry who shall prescribe for or fit lenses for any diseased condi-

tion of the eye, or for the disease of any other organ of the body that manifests itself in the eye, shall be deemed to be practicing medicine within the meaning of that term as defined by law. Any such person possessing no license to practice medicine who shall so prescribe or fit lenses shall be punished in the same manner as is prescribed for the practice of medicine without a license.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.05, eff. Sept. 1, 1969.]

#### Art. 4552-5.06. Spectacles as Premiums

It shall be unlawful for any person in this state to give, or cause to be given, deliver, or cause to be delivered, in any manner whatsoever, any spectacles or eyeglasses, separate or together, as a prize or premium, or as an inducement to sell any book, paper, magazine or any work of literature or art, or any item of merchandise whatsoever.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.06, eff. Sept. 1, 1969.]

#### Art. 4552-5.07. Prescribing Without Examination

No licensed optometrist shall sign, or cause to be signed, a prescription for an ophthalmic lens without first making a personal examination of the eyes of the person for whom the prescription is made.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.07, eff. Sept. 1, 1969.]

#### Art. 4552-5.08. Practice While Suffering from Contagious Disease

No licensed optometrist shall practice optometry while knowingly suffering from a contagious or infectious disease.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.08, eff. Sept. 1, 1969.]

#### Art. 4552-5.09. Advertising by Optometrist

(a) No optometrist shall publish or display, or knowingly cause or permit to be published or displayed by newspaper, radio, television, window display, poster, sign, billboard, or any other advertising media, any statement or advertisement of any price offered or charged by him for any ophthalmic services or materials, or any statement or advertisement concerning ophthalmic lenses, frames, eyeglasses, spectacles, or parts thereof which is fraudulent, deceitful, misleading, or which in any manner whatsoever tends to create a misleading impression, including statements or advertisements of bait, discount, premiums, gifts, or any statements or advertisements of a similar nature, import, or meaning.

(b) This section shall not operate to prohibit optometrists who also own, operate, or manage a dispensing opticianry from advertising in any manner permitted under any section of this bill so long as such advertising is done in the name of the dispensing opticianry and not

in the name of the optometrist in his professional capacity.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.09, eff. Sept. 1, 1969.]

#### Art. 4552-5.10 Advertising by Dispensing Opticians

(a) No person, firm or corporation shall publish or display or cause or permit to be published or displayed in any newspaper or by radio, television, window display, poster, sign, billboard or any other means or media any statement or advertisement concerning ophthalmic lenses, frames, eyeglasses, spectacles or parts thereof which is fraudulent, deceitful or misleading, including statements or advertisements of bait, discount, premiums, price, gifts or any statements or advertisements of a similar nature, import or meaning.

(b) No person, firm or corporation shall publish or display or cause or permit to be published or displayed in any newspaper, or by radio, television, window display, poster, sign, billboard or any other means or media, any statement or advertisement of or reference to the price or prices of any eyeglasses, spectacles, lenses, contact lenses or any other optical device or materials or parts thereof requiring a prescription from a licensed physician or optometrist unless such person, firm or corporation complies with the provisions of Subsections (c)-(j) of this section.

(c) The person, firm or corporation shall obtain from the board an "Advertising Permit," which permit shall be granted to any person, firm or corporation which is engaged in the business of a dispensing optician in Texas.

(d) Such person, firm or corporation shall after receipt of such permit, but before beginning any such advertising, file with the board a list of prices which shall be charged for such eyeglasses, spectacles, lenses, contact lenses or other optical devices or materials or parts thereof in each and all of the following categories:

- (1) single vision lenses;
- (2) kryptok bifocal lenses;
- (3) regular bifocal lenses;
- (4) trifocal lenses;
- (5) aphakic lenses;
- (6) prism lenses;
- (7) double segment bifocal lenses;
- (8) subnormal vision lenses;
- (9) contact lenses.

(e) No change may be made in any such price advertisement until the change has been filed with the board.

(f) Any advertisement or statement published or displayed as above described which contains the price of any of the categories shown above shall also contain the prices of all other categories and all such items, and the prices thereof, shall be published or displayed with equal prominence. No advertisement which

shows the price of items listed in the categories shown above shall contain any language which directly or indirectly compares the prices so quoted with any other prices of similar items. In the event an "Advertising Permit" is issued to a dispensing optician there shall be displayed prominently in each reception room and display room of each office owned or operated by such dispensing optician a complete current list of all prices on file with the board as provided above. In showing the price of "all other categories and all such items" as required by this section, it shall be permissible to combine two or more categories into one general category of "all other lenses" and designate the price thereby of "up to \$\_\_\_\_\_," which represents the highest price of any lenses included within this combined general category. Should there be a category in which two or more price differentials exist, it shall be permissible for the category to have a single listing in the advertisement with the lowest and the highest price in the category designated.

(g) In the event the dispensing optician owns more than one office, the prices for all such eyeglasses, spectacles, lenses, contact lenses or other optical devices or materials or parts thereof in the same category shall be the same in all offices located within the geographical limits of a county or a city regardless of the name under which such dispensing optician operates such offices.

(h) All such eyeglasses, spectacles, lenses, contact lenses, or other optical devices or materials or parts thereof must conform to standards of quality as promulgated by the American Standards Association, Inc., and commonly known as Z80.1-1964 standards.

(i) On or before April 1, of each calendar year each person, firm or corporation holding an "Advertising Permit" hereunder shall file with the board a statement sworn to by such person or officer of such firm or corporation specifying separately for each office owned by such person, firm or corporation the percentage of the total unit sales of each such office owned by such person, firm or corporation allocated to sales of single vision lenses, bifocal lenses, trifocal lenses, contact lenses and all other lenses requiring a prescription from a licensed physician or optometrist during the prior calendar year. The person making such sworn statement shall be subject to the obligations and penalties of Article 310 of the Penal Code.

(j) All items advertised by price in accordance with this section shall be available at the advertised price without limit to quantity to all persons including, but not limited to, individuals, physicians, optometrists, dispensing opticians or the employees of any of them.

(k) Willful or repeated violation by any person, firm or corporation holding an "Advertising Permit" hereunder of any provision of Subsections (d)-(j) of this section shall be grounds for suspension of such "Advertising

Permit" by the board for a period not to exceed six months. If after the expiration of such suspension, the board, after a hearing, finds that there has been a second or subsequent willful or repeated violation of any provision of Subsections (d)-(j) of this section such "Advertising Permit" shall be permanently cancelled and may not be reissued or renewed. [Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.10, eff. Sept. 1, 1969.]

#### Art. 4552-5.11 Window Displays and Signs

(a) It shall be unlawful for any optometrist:

(1) to display or cause to be displayed any spectacles, eyeglasses, frames or mountings, goggles, lenses, prisms, contact lenses, eyeglass cases, ophthalmic material of any kind, optometric instruments, or optical tools or machinery, or any merchandise or advertising of a commercial nature in his office windows or reception rooms;

(2) to make use of or permit the continuance of any colored or neon lights, eyeglasses or eye signs, whether painted, neon, decalcomania, or any other either in the form of eyes or structures resembling eyes, eyeglass frames, eyeglasses or spectacles, whether lighted or not, or any other kind of signs or displays of a commercial nature in his optometric office.

(b) Any optometrist practicing optometry on or after April 15, 1969 in a manner, or under conditions, contrary to any of the provisions of this Section 5.11 by virtue of occupying premises under an existing or negotiated lease in effect on April 15, 1969, shall not be subject to the provisions of this Section 5.11 until the expiration of the primary term of the lease, or until January 1, 1979, whichever occurs sooner, but no such lease may be extended beyond the primary term by the exercise of any option. Provided, however, that as to any such lease expiring on or before June 1, 1970, such lease may be continued in effect until June 1, 1970.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.11, eff. Sept. 1, 1969.]

#### Art. 4552-5.12 Basic Competence

(a) In order to insure an adequate examination of a patient for whom an optometrist signs or causes to be signed a prescription for an ophthalmic lens, in the initial examination of the patient the optometrist shall make and record, if possible, the following findings of the condition of the patient:

(1) Case History (ocular, physical, occupational and other pertinent information).

(2) Far point acuity, O.D., O.S., O.U., unaided; with old glasses, if available, and with new glasses, if any.

(3) External examination (lids, cornea, sclera, etc.).

(4) Internal ophthalmoscopic examination (media, fundus, etc.).

(5) Static retinoscopy, O.D., O.S.

(6) Subjective findings, far point and near point.

(7) Phorias or ductions, far and near, lateral and vertical.

(8) Amplitude or range of accommodation.

(9) Amplitude or range of convergence.

(10) Angle of vision, to right and to left.

(b) Every prescription for an ophthalmic lens shall include the following information: interpupillary distance, far and near; lens prescription, right and left; color or tint; segment type, size and position; the optometrist's signature.

(c) The willful or repeated failure or refusal of an optometrist to comply with any of the foregoing requirements shall be considered by the board to constitute prima facie evidence that he is unfit or incompetent by reason of negligence within the meaning of Section 4-04(a)(3) of this Act,<sup>1</sup> and shall be sufficient ground for the filing of charges to cancel, revoke or suspend his license. The charges shall state the specific instances in which it is alleged that the rule was not complied with. At a hearing pursuant to the filing of such charges, the person charged shall have the burden of establishing that compliance with the rule in each instance in which proof is adduced that it was not complied with was not necessary to a proper examination of the patient in that particular case.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.12, eff. Sept. 1, 1969.]

#### Art. 4552-5.13 Professional Responsibility

(a) The provisions of this section are adopted in order to protect the public in the practice of optometry, better enable members of the public to fix professional responsibility, and further safeguard the doctor-patient relationship.

(b) No optometrist shall divide, share, split, or allocate, either directly or indirectly, any fee for optometric services or materials with any lay person, firm or corporation, provided that this rule shall not be interpreted to prevent an optometrist from paying an employee in the regular course of employment, and provided further, that it shall not be construed as a violation of this Act for any optometrist to lease space from an establishment on a percentage or gross receipts basis or to sell, transfer or assign accounts receivable.

(c) No optometrist shall divide, share, split or allocate, either directly or indirectly, any fee for optometric services or materials with another optometrist or with a physician except upon a division of service or responsibility provided that this rule shall not be interpreted to prevent partnerships for the practice of optometry. This Act does not prohibit an optometrist from being employed on a salary, with or without bonus arrangements, by a licensed op-

tometrists or physician, regardless of the amount of supervision exerted by the employing optometrist or physician over the office in which the employed optometrist works, provided such bonus arrangements, if any, shall not be based in whole or in part on the business or income of any optical company.

(d) No optometrist shall practice or continue to practice optometry under, or use in connection with his practice of optometry, any assumed name, corporate name, trade name, or any name other than the name under which he is licensed to practice optometry in Texas; provided, however, that optometrists practicing as partners may practice under the full or last names of the partners. Optometrists who are employed by other optometrists shall practice in their own names, but may practice in an office listed under the name of the individual optometrist or partnership of optometrists by whom they are employed. In event of the death or retirement of a partner, the surviving partner or partners practicing optometry in a partnership name may, with the written permission of the retiring partner or the deceased optometrist's widow or other legal representative, as the case may be, continue to practice with the name of the deceased partner in the partnership name for a period not to exceed one year from the date of his death, or during the period of administration of a deceased partner's estate as provided by Section 4.04(f) of this Act,<sup>1</sup> whichever period shall be the longer.

(e) No optometrist shall use, cause or allow to be used, his name or professional identification, as authorized by Article 4590e, as amended, Revised Civil Statutes of Texas, on or about the door, window, wall, directory, or any sign or listing whatsoever, of any office, location or place where optometry is practiced, unless said optometrist is actually present and practicing optometry therein during the hours such office, location or place of practice is open to the public for the practice of optometry.

(f) No optometrist shall practice or continue to practice optometry in any office, location or place of practice where any name, names or professional identification on or about the door, window, wall, directory, or any sign or listing whatsoever, or in any manner used in connection therewith, shall indicate or tend to indicate that such office, location or place of practice is owned, operated, supervised, staffed, directed or attended by any person not actually present and practicing optometry therein during the hours such office, location or place of practice is open to the public for the practice of optometry.

(g) The requirement of Subsections (e) and (f) of this section that an optometrist be "actually present" in an office, location or place of practice holding his name out to the public shall be deemed satisfied if the optometrist is, as to such office, location or place of practice, either:

(1) physically present therein more than half the total number of hours such office, location, or place of practice is open to the public for the practice of optometry during each calendar month for at least nine months in each calendar year; or

(2) physically present in such office, location, or place of practice for at least one-half of the time such person conducts, directs, or supervises any practice of optometry.

(h) Nothing in this section shall be interpreted as requiring the physical presence of a person who is ill, injured, or otherwise incapacitated temporarily.

(i) The requirement of Subsections (e) and (f) of this section that an optometrist be "practicing optometry" at an office, location, or place of practice holding his name out to the public shall be deemed satisfied if the optometrist regularly makes personal examination at such office, location, or place of practice of the eyes of some of the persons prescribed for therein or regularly supervises or directs in person at such office, location or place of practice such examinations.

(j) The willful or repeated failure or refusal of an optometrist to comply with any of the provisions of this section shall be considered by the board to constitute prima facie evidence that such optometrist is guilty of violation of this Act, and shall be sufficient ground for the filing of charges to cancel, revoke or suspend his license. The charges shall state the specific instance or instances in which it is alleged that the rule was not complied with. Alternatively, or in addition to the above, it shall be the duty of the board to institute and prosecute an action in a court of competent jurisdiction to restrain or enjoin the violation of any of the preceding rules.

(k) Any optometrist practicing optometry on or after April 15, 1969 in a manner, or under conditions, contrary to Subsections (b), (c), (d), and (f) of this Section 5.13 by virtue of occupying premises under an existing or negotiated lease in effect on April 15, 1969, shall not be subject to said Subsections (b), (c), (d) and (f) of this Section 5.13 until the expiration of the primary term of the lease, or until January 1, 1979, whichever occurs sooner, but no such lease may be extended beyond the primary term by the exercise of any option. Provided, however, that as to any such lease expiring on or before June 1, 1970, such lease may be continued in effect until June 1, 1970.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.13, eff. Sept. 1, 1969.]

<sup>1</sup> Article 4552-4.04(f).

#### Art. 4552-5.14 Lease of Premises from Mercantile Establishment

(a) In order to safeguard the visual welfare of the public and the optometrist-patient relationship, fix professional responsibility, estab-

lish standards of professional surroundings, more nearly secure to the patient the optometrist's undivided loyalty and service, and carry out the prohibitions of this Act against placing an optometric license in the service or at the disposal of unlicensed persons, the provisions of this section are applicable to any optometrist who leases space from and practices optometry on the premises of a mercantile establishment.

(b) The practice must be owned by a Texas-licensed optometrist. Every phase of the practice and the leased premises shall be under the exclusive control of a Texas-licensed optometrist.

(c) The prescription files and all business records of the practice shall be the sole property of the optometrist and free from involvement with the mercantile establishment or any unlicensed person. Except, however, that those business records essential to the successful initiation or continuation of a percentage of gross receipts lease of space may be inspected by the applicable lessor.

(d) The lease space shall be definite and apart from the space occupied by other occupants of the premises. It shall be separated from space used by other occupants of the premises by solid, opaque partitions or walls from floor to ceiling. Railings, curtains, and other similar arrangements are not sufficient to comply with this requirement.

(e) The leased space shall have a patient's entrance opening on a public street, hall, lobby, corridor, or other public thoroughfare. The aisle of a mercantile establishment does not comply with this requirement. An entrance to the leased space is not a patient's entrance within the meaning of this subsection unless actually used as an entrance by the optometrist's patients.

(f) No phase of the optometrist's practice shall be conducted as a department or concession of the mercantile establishment; and there shall be no legends or signs such as "Optical Department," "Optometrical Department," or others of similar import, displayed on any part of the premises or in any advertising.

(g) The optometrist shall not permit his name or his practice to be directly or indirectly used in connection with the mercantile establishment in any advertising, displays, signs, or in any other manner.

(h) All credit accounts for patients shall be established with the optometrist and not the credit department of the mercantile establishment. However, nothing in this subsection prevents the optometrist from thereafter selling, transferring, or assigning any such account.

(i) Any optometrist practicing optometry on or after April 15, 1969, in a manner, or under conditions, contrary to any of the provisions of this Section 5.14 by virtue of occupying premises under an existing or negotiated lease in effect on April 15, 1969, shall not be subject to

the provisions of this Section 5.14 until the expiration of the primary term of the lease, or until January 1, 1979, whichever occurs sooner, but no such lease may be extended beyond the primary term by the exercise of any option. Provided, however, that as to any such lease expiring on or before June 1, 1970, such lease may be continued in effect until June 1, 1970. [Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.14, eff. Sept. 1, 1969.]

#### Art. 4552-5.15 Relationships with Dispensing Opticians

(a) The purpose of this section is to insure that the practice of optometry shall be carried out in such a manner that it is completely and totally separated from the business of any dispensing optician, with no control of one by the other and no solicitation for one by the other, except as hereinafter set forth.

(b) If an optometrist occupies space for the practice of optometry in a building or premises in which any person, firm, or corporation engages in the business of a dispensing optician, the space occupied by the optometrist shall be separated from the space occupied by the dispensing optician by solid partitions or walls from floor to ceiling. The space occupied by the optometrist shall have a patient's entrance opening on a public street, hall, lobby, corridor, or other public thoroughfare. An entrance is not a patient's entrance within the meaning of this subsection unless actually used as an entrance by the optometrist's patients.

(c) An optometrist may engage in the business of a dispensing optician, own stock in a corporation engaged in the business of a dispensing optician, or be a partner in a firm engaged in the business of a dispensing optician, but the books, records, and accounts of the firm or corporation must be kept separate and distinct from the books, records, and accounts of the practice of the optometrist.

(d) No person, firm, or corporation engaged in the business of a dispensing optician, other than a licensed optometrist or physician, shall have, own, or acquire any interest in the practice, books, records, files, equipment, or materials of a licensed optometrist, or have, own, or acquire any interest in the premises or space occupied by a licensed optometrist for the practice of optometry other than a lease for a specific term without retention of the present right of occupancy on the part of the dispensing optician. In the event an optometrist or physician who is also engaged in the business of a dispensing optician (whether as an individual, firm, or corporation) does own an interest in the practice, books, records, files, equipment or materials of another licensed optometrist, he shall maintain a completely separate set of books, records, files, and accounts in connection therewith. Any optometrist practicing optometry on or after April 15, 1969 in a manner, or under conditions, contrary to any of the provisions of this Section 5.15 by virtue of occupying premises under an existing

or negotiated lease in effect on April 15, 1969, shall not be subject to the provisions of this Section 5.15 until the expiration of the primary term of the lease, or until January 1, 1979, whichever occurs sooner, but no such lease may be extended beyond the primary term by the exercise of any option. Provided, however, that as to any such lease expiring on or before June 1, 1970, such lease may be continued in effect until June 1, 1970.

(e) If, after examining a patient, an optometrist believes that lenses are required to correct or remedy any defect or abnormal condition of vision, the optometrist shall so inform the patient and shall expressly state that the patient has two alternatives for the preparation of the lenses according to the optometrist's prescription: First, that the optometrist will prepare or have the lenses prepared according to the prescription; and second, that the patient may have the prescription filled by any dispensing optician (not naming or suggesting any particular dispensing optician) but should return for an optometrical examination of the lenses. If the patient chooses the first alternative, the optometrist may refer the patient to a particular dispensing optician for selection of frames and filling the prescription.

(f) If any person, on visiting the premises of any dispensing optician without presenting a prescription written by a licensed physician or optometrist, makes any inquiry or request concerning an examination or the obtaining of any ophthalmic materials or services requiring such a prescription, then the optician or his agent or employee may not respond in any manner except to state in effect that the optician cannot examine the patient or prescribe or fit glasses or lenses, but that the patient seeking such service must go to a licensed physician or optometrist. If there is no further inquiry from the prospective patient, the optician or his agent or employee may not make any further statement of any kind. If, however, the prospective patient makes an inquiry as to where or to whom he may go to obtain such service, the optician or his agent or employee shall give the prospective patient the names and addresses of at least three persons, each of whom is either a licensed ophthalmologist or a licensed optometrist whose practice is located within a radius of five miles from the optician's place of business, or if there are fewer than three of these, the name and address of each licensed ophthalmologist or licensed optometrist whose practice is so located.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.15, eff. Sept. 1, 1969.]

#### Art. 4552-5.16 Leasing Space on Percentage Basis; Transferring Accounts Receivable

It shall not be construed as a violation of this Act for any optometrist to lease space from an establishment on a percentage or gross receipts basis or to sell, transfer or assign accounts receivable.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.16, eff. Sept. 1, 1969.]

#### Art. 4552-5.17 Exceptions

Nothing in this Act shall be construed to apply to persons who sell ready-to-wear spectacles and eyeglasses as merchandise at retail or officers or agents of the United States or the State of Texas, in the discharge of their official duties. Nothing in this Act shall prevent, limit, or interfere with the right of a physician duly licensed by the Texas State Board of Medical Examiners to treat or prescribe for his patients or to direct or instruct others under the control, supervision, or direction of such a physician to aid or minister to the needs of his patients according to the physician's specific directions, instructions or prescriptions; and where such directions, instructions, or prescriptions are to be followed, performed, or filled outside or away from the physician's office such directions, instructions, or prescriptions shall be in writing.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.17, eff. Sept. 1, 1969.]

#### Art. 4552-5.18 Penalty

A person who violates any provision of this Act is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than \$50 nor more than \$500 or by confinement in the county jail for not less than two months nor more than six months, or both. A separate offense is committed each day a violation of this Act occurs or continues.

[Acts 1969, 61st Leg., p. 1298, ch. 401, § 5.18, eff. Sept. 1, 1969.]

### ARTICLE 6. MISCELLANEOUS PROVISIONS

#### Art. 4552-6.01 Board of Examiners Abolished

The Texas State Board of Examiners in Optometry is abolished. [Acts 1969, 61st Leg., p. 1298, ch. 401, § 6.02, eff. Sept. 1, 1969.]

The members of the State Board of Chiropractic Examiners shall, before entering upon the duties of their offices, qualify, by subscribing to, before a notary public or other officer authorized by law to administer oaths, and filing with the Secretary of State, the constitutional oath of office. (e) Whenever it appears that a person has violated or is violating any provision of this Article or of a rule adopted or determination made by the Board pursuant to Section (a) of this Article, then the Board may cause a civil suit to be instituted in a district court for injunctive relief to restrain the person from continuing the violation, or for the assessment and recovery of a civil penalty of not less than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) for each day of violation, as the court may deem proper, or for both injunctive relief and civil penalty. At the request of the Board, the attorney general shall institute and conduct a suit in the name of the State of Texas for injunctive relief or to recover the civil penalty, or for both injunctive relief and penalty.

The name "State Board of Chiropody Examiners" and the words "chiropody" and "chiropodists" were changed to "State Board of Podiatry Examiners", "podiatry" and "podiatrists" by Acts 1967, 60th Leg., p. 181, ch. 96. See art. 4567a.

Section 2 of the 1971 Act amended art. 4573. Sections 3 and 4 thereof provided:

"Sec. 3. Nothing in this Act in any way invalidates or affects or shall be construed to invalidate or affect any valid license duly issued by the State Board of Podiatry Examiners and in effect on the effective date of this Act, or the lawful renewal or reinstatement of any license which was originally lawfully issued by that Board.

"Sec. 4. Severability Clause. The provisions of this Act are severable. If any word, phrase, sentence, section, provision or part of this Act should be held to be invalid or unconstitutional, it shall not affect the validity of the remaining portions, and it is hereby declared to be the legislative intent that this Act would have been passed as to the remaining portions, regardless of the invalidity of any part."

#### Art. 4571. Annual Renewal Fee; Lost or Destroyed License; Display of License and Certificate

It shall be the duty of the Secretary-Treasurer of the Texas State Board of Chiropody Examiners on or before August first of each year to notify, by mail, all Texas licensed Chiropodists at their last known address that the annual license renewal fee is due on September first of each year. Every registered Chiropodist shall renew his license on or before September first of each year by the payment of an annual license renewal fee of Twenty Dollars (\$20) to

the Secretary-Treasurer of the Texas State Board of Chiropody Examiners. If such renewal fee is not paid on or before December first, the delinquent licensee shall be notified by mail at his last known address by the Secretary-Treasurer that such fee is due and unpaid and a delinquent penalty of Twenty Dollars (\$20) is assessed and shall be paid on or before January first. If such fees are not paid by January first, it shall be the duty of the Texas State Board of Chiropody Examiners to suspend or revoke the said license for nonpayment of the annual renewal and delinquent fees for the current year. The Board shall notify the district clerk of the county in which such license may have been recorded and such clerk, upon receipt of notification from said Board, shall enter upon the chiropody register of such county the fact that such license is suspended or revoked for nonpayment of the annual renewal fee, and shall notify the Board in writing that such entry has been made. Practicing chiropody without an annual renewal certificate for the current year, as provided herein, shall have the same force and effect and subject to all penalties of practicing chiropody without a license. After the Board has declared a license suspended or revoked, as provided for in this Act, the Board may thereafter in its discretion refuse to reinstate such license or issue a new license until such chiropodist, whose license has been declared suspended or revoked for nonpayment of annual renewal fee, has passed a regular examination for license. Any license issued by this Board, that may be lost, destroyed or stolen from the legally qualified and authorized person to whom it was issued, shall be reported to the Secretary-Treasurer of the State Board of Chiropody Examiners, in affidavit form and such affidavit shall set forth detailed information as to its loss, destruction or theft; giving dates, place and circumstances. A duplicate license shall be issued upon regular application of the owner of the original license and payment of the fee of Ten Dollars (\$10) to the Board for such license; provided however that the Board shall not issue a duplicate license until sufficient evidence by the owner of the original license has been submitted and proven to be lost, and that the records of the Board show a license had been issued and being in full force and effect at the time of such loss, destruction or theft.

#### Recording of License

Each district clerk in this State shall purchase a book of suitable size to be known as the "Chiropody Register" and set apart at least one (1) full page for the registration of each chiropodist and record in said chiropody register the name and address of each chiropodist who presents for record a license or certificate issued by the Texas State Board of Chiropody Examiners. The district clerk shall receive One Dollar (\$1) for each document registered as provided in this Article, which shall be his full compensation for all duties herein re-

quired. When a chiroprapist shall have his license revoked, said district clerk, upon being notified by the Texas State Board of Chiroprapist Examiners, shall make a note of the fact beneath the record in the chiroprapist register which entry shall close the record. On the first day of January in each year, said district clerk shall, upon the request of the Texas State Board of Chiroprapist Examiners, certify to the Secretary-Treasurer of the said Board a correct list of the chiroprapists then registered in the county, together with such other information that the said Board may require. The absence of record of such license in the district clerk's office shall be prima-facie evidence of the lack of possession of such license to practice chiroprapist.

#### Exhibit of License and Renewal Certificate

Every person licensed by the State Board of Chiroprapist Examiners to practice in the State of Texas shall conspicuously display both his license and an annual renewal certificate for the current year of practice in the place or office wherein he practices and shall be required to exhibit such license and renewal certificate to a representative of the Board upon such representative's official request for its examination or inspection.

Any licensed chiroprapist whose license has been suspended or revoked or whose annual renewal certificate has expired while he has been engaged in Federal service or on active duty with the Army of the United States, the United States Navy, the United States Marine Corps, the United States Coast Guard, the United States Air Force, or the United States Maritime Service or the State Militia, called into service or training of the United States of America or in the training or education under the supervision of the United States preliminary to induction into the military service, may have his license renewed without paying any lapsed renewal fee or without passing any examination, if, within one (1) year after termination of said service, training or education, other than by dishonorable discharge, he furnishes the State Board of Chiroprapist Examiners with affidavit to the effect that he has been so engaged and that his service, training or education has been so terminated.

For the year in which the license renewal date is changed, license fees payable on September 1 shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee which is allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license renewal fee is payable.

The person or persons filing the charges and the respondent have the right to appear at the hearing either personally or by counsel, or both, to produce witnesses or evidence, to cross-examine witnesses, and to have subpoenas issued by the Board. The proceeding on appeal shall be under the substantial evidence rule.

(d) The Board may, upon majority vote, rule that the order revoking, cancelling, or suspending the practitioner's license be probated so long as the probationer conforms to such orders and rules as the Board may set out as the terms of probation. The Board, at the time of probation, shall set out the period of time constituting the probationary period.

(e) At any time while the probationer remains on probation, the Board may hold a hearing and, upon majority vote, rescind the probation if the terms of the probation have been violated, and enforce the Board's original action in revoking, cancelling, or suspending the practitioner's license. The hearing to rescind the probation shall be called by the President of the Texas State Board of Podiatry Examiners, who shall cause to be issued a notice setting a time and place for the hearing and containing the charges or complaints against the probationer. The notice shall be served on the probationer or his counsel, and any person or persons complaining of the probationer or their counsel, at least ten (10) days prior to the time set for the hearing. When personal service is impossible, or cannot be effected, the same provisions for service in lieu of personal service set out in Subsection (b) of this Article shall apply. and shall be made in such manner and form as the Board may require.

<sup>1</sup> Acts 1973, 63rd Leg., p. 1723, ch. 626, classified as art. 5923b, changed the age of majority to eighteen.

C. The Board is hereby authorized and empowered and it shall be its duty to approve a course of instruction to be given by any college of mortuary science or recognized school of higher learning that desires to be approved by the Board. And it shall be the duty of the Board to examine and supervise the activities of an accredited school or college of mortuary science so as to insure that said college or school is meeting the requirements of the Board.

D. It shall be the duty of the Board to prescribe and supervise the course of instruction received by an apprentice while serving his or her apprenticeship, consistent with the following requirements to establish such an apprenticeship registration procedure:

1. Apprenticeship for embalmer: A license to practice the science of embalming shall not be issued unless and until the applicant therefor has served an apprenticeship period of not less than twenty-four (24) months under the personal supervision and instruction of a licensed embalmer and has successfully completed all requirements of apprenticeship. The only exception to this requirement shall be in the case of an applicant under reciprocity.

(a) Any person, eighteen (18) years of age or more, who desires to practice the science of embalming in this state, files application therefor, meets the requirements of the law and this Board, and, in the discretion of the Board, is of good moral character and possesses such qualification to enter into apprenticeship training, may be registered as an apprentice. Apprenticeship for a license to practice the science of embalming may be served in two ways: (1) the applicant may apply for and serve twelve (12) months apprenticeship before entry into a school of embalming or college of mortuary science, and the remaining

twelve (12) months after graduation from such school or college and after successfully taking the Board's examination for embalming as prescribed herein; or (2) the applicant may serve the full twenty-four (24) months period after completing and graduating from a school or college of mortuary science and after successfully taking the Board's examination for embalming as prescribed herein. No part of the apprenticeship time may be served during the year in which the applicant is attending a school or college of mortuary science as defined herein. Applicant shall pay a fee not to exceed Ten Dollars (\$10) at the time he requests such apprenticeship registration.

(1) A person qualifying in this manner shall serve at least one (1) year of apprenticeship immediately following the successful passing of the written examination accorded him by the Board.

(2) An applicant for a license to practice the science of embalming who attains a grade of 70% or higher on the written examination given by the Board upon payment of a fee not to exceed Ten Dollars (\$10) therefor, shall be registered as an apprentice within six (6) months of such examination.

(b) Each registered apprentice embalmer shall be issued a certificate of apprenticeship or other means of apprenticeship identification by the Board to be served in the State of Texas. During the period of apprenticeship he shall assist in embalming a minimum of one hundred (100) dead human bodies, ten (10) of which bodies the apprentice shall embalm after the first year of apprenticeship without aid but in the immediate presence and under the personal supervision of an embalmer duly and currently licensed in the State of Texas. No more than two (2) apprentices may receive credit due for work on any one body.

(c) An apprentice embalmer must report within ten (10) days thereof of each separate case handled by him or with which he has assisted in handling. Each such report shall be certified by the licensee under whom the apprentice performed his work. Throughout the period of apprenticeship, the apprentice shall report on at least one (1) such case of embalming each calendar month, within the month. In any month in which he did not embalm at least one (1) case under the direction of a licensed em-

balmer a report shall be made to the Board notwithstanding.

2. Apprentice for Funeral Director: The term of apprenticeship for a funeral director's license shall be a period of not less than twelve (12) months, and may be served concurrently with apprenticeship for an embalmer's license; however, apprenticeship must be served in twelve (12) consecutive months. A person desiring to become an apprentice funeral director shall make application to the Board on a form provided by the Board, and if the Board desires, he shall appear before at least one (1) member of the Board, or a designated representative thereof, for approval of his application, subject to review of it by the entire Board. Applicant must be not less than nineteen (19) years of age, a person of good moral character and have completed the educational requirements prescribed for a funeral director, except an applicant for a funeral director's license may elect to serve apprenticeship therefor in like manner to that of one who has applied for a license to practice the science of embalming, by serving one (1) year of apprenticeship prior to completing a course of study in funeral directing prescribed by the Board and graduating from a school of embalming or college of mortuary science. The application for registration shall be sworn to and accompanied by a fee of not to exceed Ten Dollars (\$10). If the application is accepted, applicant will be issued a certificate of apprenticeship registration upon determination by the Board that his qualifications are satisfactory.

(a) An applicant for a funeral director's license and the examination therefor who has not completed one (1) year of apprenticeship prior to graduation from a school of embalming or college of mortuary science shall be admitted to apprenticeship only in the event he shall have attained a grade of 70% or higher on the written, oral and practical examinations given by the Board, and the payment of a fee of not to exceed Ten Dollars (\$10) therefor, whereupon he shall be registered as an apprentice. Provided, however, applicant must register as an apprentice within six (6) months of such examination.

(b) An apprentice funeral director must report within ten (10) days thereof of each separate case with which he has assisted in handling. Each such report shall be certified by the licensee under whom the apprentice performed the work. Throughout the period of apprenticeship the apprentice shall report on at least one (1) such case each calendar month, within the month. In any

month within which he did not assist a funeral director in handling a funeral, a report shall be made to the Board notwithstanding.

(c) During the course of apprenticeship each apprentice shall assist a licensed funeral director in this state to prepare, other than by embalming, and to make final disposition of not less than one hundred (100) dead human bodies, ten (10) of which bodies the apprentice shall handle, after graduation from an approved school of embalming or college of mortuary science, where one (1) year of apprenticeship was served prior to entrance into an institution for preparation by him to become a funeral director. The Board may require other evidence of his ability, in its discretion. No more than two (2) apprentices may receive credit for work done on any one body.

3. Annual renewal apprenticeship certificate: Each certificate of apprenticeship issued by the Board to an apprentice embalmer or apprentice funeral director must be renewed on the first day of January of each year and will be renewed upon payment by the apprentice of a renewal fee not to exceed Ten Dollars (\$10), provided the apprentice has conducted himself with propriety and observed the rules and regulations of the Board with respect to his apprenticeship. Notice shall be mailed, during the month of December each year, to each registered apprentice at his last known address, notifying him that the renewal fee is due. If the renewal fee is not paid on or before the 31st day of January in the year in which it became due, a penalty in the sum of not to exceed Ten Dollars (\$10) will be added to the renewal fee of each certificate when paid. Fifteen (15) days after the grace period as above provided, if said annual renewal fee and penalty still remain unpaid, it shall be the duty of the Board, acting through its Secretary, to suspend his certificate for nonpayment of the annual renewal fee and to notify such apprentice of such suspension by registered mail, addressed to his last known address. If the said renewal fee and penalty is not then paid within thirty (30) days from the date of such notice of suspension, the Board shall then cancel such certificate. Provided, however, after an apprentice certificate has been cancelled, the apprentice may apply for reinstatement within eighteen (18) months from the date such apprentice certificate was cancelled and the Board may, in its discretion, reinstate said apprentice provided he meets all other requirements of the Board. It is provided that the registration fee of any apprentice who is actively engaged in the military service of the United States may, in the discretion of

the Board, be remitted for the duration of such service or for such fees and such time as the Board may deem advisable upon presentation of proper evidence required by the Board.

3a. The board by rule may adopt a system under which certificates expire on various dates during the year. The date for sending notice that payment is due, the dates of the grace period, the date on which penalty attaches, and the date for suspension due to nonpayment shall be adjusted accordingly. For the year in which the certificate expiration date is changed, certification fees payable on January 1 shall be prorated on a monthly basis so that each certificate holder shall pay only that portion of the certification fee which is allocable to the number of months during which the certificate is valid. On renewal of the certificate on the new expiration date the total renewal fee is payable.

4. Notification of the Board upon entry into apprenticeship: When an apprentice enters the employ of a licensed embalmer or funeral director, he shall immediately notify the Board the name and place of business of the licensed embalmer or funeral director whose service he has entered and the name of the funeral director or embalmer under whom he will train, and such notification shall be signed by the embalmer or funeral director in each case. If at any time thereafter such apprentice leaves the employ of the licensed embalmer or funeral director whose services he has entered, the said licensed embalmer or funeral director shall give to such apprentice an affidavit showing the length of time he has served as an apprentice with him and the number of cases handled while so employed; the original of said affidavit shall be filed with the Board and made a matter of record, and a copy shall be furnished to the apprentice. The Board shall furnish report forms to be used by each apprentice.

(a) Any apprentice registration shall be cancelled, and the applicant required to re-register, including paying the required fees, for failure to pass the Board's examination of such apprentice after only part of the apprenticeship has been completed. Provided, however, such applicant shall be given credit for apprenticeship time served under the cancelled license in any new registration.

5. Certificate of Apprenticeship may be suspended or revoked as provided and set forth in Section 3, subsection H.

E. Any person engaged or desiring to engage in the practice of embalming or funeral directing in this state, in connection with the care and disposition of dead human bodies, shall make written application to the Board for

a license accompanying same with a fee not to exceed Fifty Dollars (\$50). The license or licenses when issued shall be signed by a majority of the Board and shall authorize the licensee to practice the science of embalming and/or funeral directing. All licenses shall be registered in the office of the County Clerk in any county in which the holder thereof resides and practices embalming and/or funeral directing and shall be displayed conspicuously in the place of business. Every licensed embalmer and/or funeral director who desires to continue his practice shall annually pay to the Secretary of the said Board a fee not to exceed Ten Dollars (\$10) for the renewal of each funeral director's license and each embalmer's license. Said license shall become due and payable annually on the 31st day of May, and the Board will give written notice on or before April 1st, of each year that the license fees are due and payable. When a licensee under this Act shall fail to pay his annual registration fee, it shall be the duty of the Board to notify such licensee at his last known address that his annual registration fee is due and unpaid and that a penalty equal to the amount of the registration fee has been added. If such fee and penalty are not paid within fifteen (15) days after notification by regular mail, it shall be the duty of the Board to suspend the license and notify the licensee by certified mail, return receipt requested, of such suspension. Thirty (30) days after the Board shall have declared a license suspended, as provided herein, the license shall be automatically cancelled and the Board may thereafter in its discretion refuse to reinstate the licensee until the applicant has passed a regular examination for license as provided in this Act. If any license issued under this Act shall be lost or destroyed, the holder of any such license may present his application for duplicate license to the State Board of Morticians, on a form to be prescribed by the Board, together with his affidavit of such loss or destruction, and that he is the same person to whom such license was issued, and such other information concerning its loss or destruction as the State Board of Morticians shall require, and shall, upon payment of a fee not to exceed Ten Dollars (\$10), as determined by the Board, be granted a duplicate license; provided further, that the same fee as set forth above for duplicate licenses shall also apply to endorsements by the Board.

1. Any license that has been cancelled, suspended or lapsed for a period of five (5) years or more may be reinstated only after the applicant shall have passed an oral and practical examination by the Board on embalming and/or an oral examination on funeral directing.

2. The board by rule may adopt a system under which licenses expire on various dates during the year. All dates for sending notice regarding payment of fees and dates for license suspension for nonpay-

ment shall be adjusted accordingly. For the year in which the license expiration date is changed, license fees payable on May 31 shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee which is allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license renewal fee is payable.

F. (1) The Board is authorized to make certain reciprocal arrangements. The State Board of Morticians may in its discretion, upon payment by an applicant of a fee of One Hundred Dollars (\$100), grant a license to practice as a funeral director and/or embalmer to persons who furnish proof that they have been registered for at least three (3) years as such, in some other state or territory of the United States; provided that the licensing board of such other state or territory in its examination requires the same general degree of fitness required by this state. Said application shall be accompanied by an affidavit made by the President or Secretary of the Board of Mortician Examiners which issued the license, or by a duly constituted registration officer of the state or territory by which the certificate or license was granted, and on which the application for registration in Texas is based, reciting that the accompanying certificate or license has not been cancelled, suspended or revoked, and that the statement of the qualifications made in the application for a license in Texas is true and correct. Applicants for a license under the provisions of this Act shall subscribe to an oath in writing before an officer authorized by law to administer oaths, which shall be a part of such application, stating that the license, certificate, or authority under which the applicant practiced as a funeral director or embalmer in the state or territory from which the applicant removed, was at the time of such removal in full force and effect and not cancelled or suspended or revoked. Said application shall also state that the applicant is the identical person to whom the said certificate, license, or commission was issued, and that no proceeding has been instituted against the applicant for the cancellation, suspension or revocation of such certificate or license in the state or territory in which the same was issued; and that no prosecution is pending against the applicant in any state or federal court for any offense which, under the laws of the State of Texas, is a felony, or a misdemeanor involving moral turpitude.

(2) Licenses granted under this subsection shall be on the following basis: Before a license is granted, the applicant shall receive a temporary permit good for one (1) year from date of issuance by the Board. At the end of one (1) year, the holder of said temporary permit shall again be considered by the Board, and if his application for license has been maintained and he meets all other requirements, the Board, in its discretion, may grant said applicant a license.

G. Licenses currently outstanding shall be recognized under this Act. Any person, personally holding a current funeral director's and/or embalmer's license granted by the proper authorities in this state, shall not be required to make application for or submit to an examination, but shall be entitled to a renewal of his license, upon expiration of such current license, under the terms and conditions as herein provided for the renewal of licenses of those who may be licensed after the passage of this Act. All such persons shall be subject to every other provision of this Act.

H. The State Board of Morticians is hereby authorized and empowered and it shall be its duty to conduct hearings to revoke, suspend, or place on probation any licensed funeral director and/or embalmer, or apprentice and may refuse to admit persons to examination for any of the following reasons:

1. The presentation to the Board of any license, certificate, or diploma which was illegally or fraudulently obtained, or when fraud or deception has been practiced in passing the examination;
2. Conviction of a crime of the grade of a felony or of a misdemeanor involving moral turpitude;
3. Unfit to practice as a funeral director and/or embalmer by reason of insanity or has been adjudged by a court of competent jurisdiction to be of unsound mind;
4. The use of any advertising statement of a character which misleads or deceives the public, or use, in connection with advertisements, the names of persons who do not hold a license as a funeral director or embalmer and represent them to be so licensed;
5. The purchase, sale, barter, or use, or any offer to purchase, sell, barter, or use any license, certificate, or transcript of license or certificate, in or incident to an application to the Board of Morticians for license to practice as a funeral director and/or embalmer;
6. Altering, with fraudulent intent, any funeral director and/or embalmer license, certificate, or transcript of license or certificate;
7. The use of any funeral director and/or embalmer license, certificate, diploma, or transcript of any such funeral director and/or embalmer license, certificate, or diploma, which has been fraudulently purchased, issued, counterfeited, or materially altered;
8. The impersonation of, or acting as proxy for, another in any examination required by this Act for a funeral director and/or embalmer license;
9. The impersonation of a licensed funeral director or embalmer as authorized hereunder, or permitting, or allowing another to use his license, or certificate to

practice as a funeral director or embalmer or mortician in this state, for the purpose of embalming or practicing the science of embalming, in connection with the care and disposition of the dead, or acting as a funeral director or practicing as a funeral director in this state, in connection with the care and disposition of the dead;

10. Using profane, indecent or obscene language within the immediate hearing of the family or relatives of a decedent, in proximity to a deceased person whose body has not yet been interred or otherwise disposed of; or the indecent exposure of a dead human body;

11. Refusing to promptly surrender a dead human body, upon the express order of a person in possession of lawful authority therefor, to a licensed funeral director or embalmer or an agent or employee of the same;

12. Wilfully making any false statement on a certificate of death;

13. Employment directly or indirectly of any apprentice, agent, assistant, embalmer, funeral director, employee, or other person on a part or full-time basis, or on commission, for the purpose of calling upon individuals or institutions by whose influence dead human bodies may be turned over to a particular funeral director or embalmer;

14. Presentation of false certification of work done as an apprentice on apprenticeship records;

15. Unfitness by reason of drug addiction; and

16. Whenever a licensee, apprentice, or any other person, whether employee, agent or representative, or one in any manner associated with a funeral establishment shall solicit business or offer any inducement, pecuniary or otherwise, for the purpose of securing or attempting to secure business for such funeral establishment, unless such solicitation is made pursuant to a permit issued under the provisions of Article 548b, Vernon's Texas Civil Statutes, or Senate Bill No. 129, Acts of the 58th Legislature, Regular Session, 1963.

17. Failure by the Federal Director in Charge to provide licensed personnel for attendance, direction, or personal supervision for a "first call," as that term is defined in this Act.

18. Conduct by a licensee which, in the discretion of the Board, after applying contemporary community standards, is found to be offensive to the common conscience and moral standards of the community where such conduct occurs.

19. Performing acts of funeral directing or embalming, as those terms are defined in this Act, which are outside the licensed scope and authority of the licensee.

20. Conviction by the Board, after a hearing as provided in this Act, of fraud or other similar deception against the public.

I. The Board may issue such rules and regulations as may be necessary or desirable to effect the intent of the provisions of this Section.

#### Funeral Establishments

Sec. 4. A. All funeral establishments shall be licensed by the Board. All licenses shall expire at midnight on September 30th of each year. The license fee shall not exceed Fifty Dollars (\$50) for issuance of licenses to existing establishments and for renewal licenses. Funeral establishments created after the effective date of this Act shall apply for a license, and upon satisfaction to the Board that this Section has been complied with and upon receipt of the licensing fee, which shall not exceed Two Hundred Fifty Dollars (\$250), an initial license shall be duly issued to such new establishments. Not later than thirty (30) days prior to the expiration date of licenses, the Board shall cause to be issued notification in writing by mail to each licensed funeral establishment that a renewal fee not to exceed Fifty Dollars (\$50) must be paid by October 1st before such license shall be renewed, and upon due receipt of such fees all existing licenses shall be considered automatically renewed. Any establishment which fails to pay its license renewal fee as herein provided within thirty (30) days after September 30th may be required by the Board to pay a penalty of Fifty Dollars (\$50) in addition to the regular fee, and if the delinquency is more than thirty (30) days, the establishment shall not be permitted to operate as a funeral home until it has applied for and has been granted a new license as in the case of original applications and licenses for new funeral establishments.

B. No funeral establishment shall conduct funeral business as intended under this Act unless duly licensed.

C. Each funeral establishment shall be required to have a physical plant, equipment and personnel consisting of the following:

1. Adequate facilities in which funeral services may be conducted;
2. A preparation room being used by such establishment that meets the sanitary code of the State of Texas and the municipality in which same is located;
3. A physical plant which meets building standards and fire safety standards of the state and of the municipality in which the establishment is located;
4. Access to rolling stock consisting of at least one motor hearse;
5. A preparation room that is secluded from the public, properly ventilated, and containing an operating table, sewer facilities, hot and cold running water, and suf-

ficient instruments and chemicals to embalm a dead human body;

6. A display room containing sufficient merchandise to permit reasonable selection, including five (5) or more adult caskets;

7. Sufficient licensed personnel who will be available to conduct the operation of the funeral establishment;

8. A physical plant located at a fixed place, and not located on any tax-exempt property or cemetery; and

9. A physical plant which meets the health standards or health ordinances of the state and of the municipality in which the establishment is located.

It is expressly provided, however, that an establishment which functions solely as a commercial embalmer, as that term is defined in this Act, shall have a funeral establishment license, but shall not be required to meet the requirements of sub-sections 1 and 6 of this paragraph C.

D. 1. The Board may initiate formal complaint or other action against a funeral establishment or in regard to the license of a funeral establishment only upon the following grounds:

(a) Failure of a funeral establishment to substantially comply with the provisions of Subsection B or C of this Section.

(b) Conducting or operating a funeral establishment in a manner which, in the discretion of the Board, after applying contemporary community standards, is found to be offensive to the common conscience and moral standards of the community where the funeral establishment is licensed or where such offensive conduct occurred.

(c) The use of any advertising statement of a character which misleads or deceives the public, or use, in connection with advertisements, the names of persons who do not hold a license as a funeral director or embalmer and represent them to be so licensed;

(d) Whenever a licensee, apprentice, or any other person, whether employee, agent or representative, or one in any manner associated with a funeral establishment shall solicit business or offer any inducement, pecuniary or otherwise, for the purpose of securing or attempting to secure business for such funeral establishment, unless such solicitation is made pursuant to a permit issued under the provisions of Article 548b, Vernon's Texas Civil Statutes, or Senate Bill No. 129, Acts of the 58th Legislature, Regular Session, 1963.

(e) Failure by the funeral director in charge to provide licensed personnel for attendance, direction, or personal supervision for a "first call" as that term is defined in this Act.

Provided, however, with respect to alleged violations of Subsection D-1(b), (c), (d), and (e), the Board may not initiate formal complaint or other action against a funeral establishment or in regard to the license of a funeral establishment when the ground or grounds of complaint are based on the conduct of employees, agents or representatives of such establishment performed outside the scope and authority of their employment or contrary to the instructions of the funeral establishment and its management.

2. As to asserted violations of provisions of this Section, the Board shall have the following powers, rights and duties:

(a) The Board may, in any case, require a sworn statement setting forth matter complained of as a condition to taking further action.

(b) The Board shall cause an investigation to be made whenever a complaint is filed with or by the Board. In any investigation or hearing by the Board, it may require the attendance of witnesses by issuing notices to witnesses and ordering them to appear and testify. The Board may require testimony to be given under oath or affirmation. Such notice to a witness shall be issued at the request of the Board or the accused licensee or the organization whose application for license has been denied. Such notice must be in writing and signed by presiding member of the Board, and shall notify the witness of the time and place to appear. Notice to a witness shall be served on him personally or by mailing same to him by registered mail, return receipt requested. Proof of such may be made by certificate of the person making the same, with return receipt attached when made by registered mail.

If any witness fails or refuses to appear before the Board, such witness shall be compelled by a Judge of any District Court to appear and testify at a hearing before such judge in the same manner as witnesses may be compelled to appear and testify in a civil suit in a District Court. Application for such hearing may be filed by any party to such proceedings in any District Court of the County in which such witness resides or may be found. The judge shall fix by order a time and place for such hearing and shall provide for such notice to the Board and the accused or the applicant for a license or certificate which has been denied as he determines proper. If such witness fails to appear or testify he shall be punished as in case of contempt.

(c) As to the licenses of funeral establishments, except when the accused admits a violation and agrees in writing to a judgment of the Board suspending or revoking the license in question or placing the accused on probation, the Board shall have no power or authority to suspend or revoke the license of the accused. How-

ever, the Board shall have the right to initiate a civil action in a District Court in the county in which the accused resides for the purpose of seeking a revocation or suspension of such license or probationary action all as hereinafter provided.

If the Board shall be of the opinion that the license of the accused should be revoked or suspended for a period not to exceed three years, and if the accused will accept a decision of the Board to such effect, it shall prepare a formal judgment and submit the same to him; and upon his agreement to its entry, evidenced by memorandum in writing signed and acknowledged by him, the Board shall enter judgment accordingly and the same shall have the force and effect of a judgment of the District Court of the county of the residence of the accused. A copy of the judgment, together with a copy of the complaint, shall be mailed to the clerk of the District Court of the county of residence of the accused for entry in the minutes of the court.

(d) The term "Accusation" or "Complaint" shall embrace all complaints brought before the Board. By the terms "civil suit," "court action" or "formal complaint" is meant the pleading by which disciplinary action is instituted by the Board in a District Court of this state.

The Texas rules of civil procedure shall govern the procedure in all proceedings under Civil Actions (Formal Complaint).

The District Attorney or the County Attorney of the county of residence of the accused licensee as defendant, or the Attorney General or such counsel as the Board may designate shall represent the Board as it shall determine.

The formal complaint shall be the pleading by which the proceeding is instituted. The formal complaint shall be filed in the name of the Texas State Board of Morticians as plaintiff against the accused licensee as defendant and shall set forth the violation with which the defendant is charged. The prayer may be that the defendant "be placed on probation or his (its) license suspended or revoked as the facts shall warrant."

The answer of the defendant to the formal complaint shall either admit or deny each allegation of the petition, except where the defendant is unable to admit or deny the allegation, in which case defendant shall set forth the reasons he (it) cannot admit or deny.

Proceedings under formal complaint shall be entitled to preferred setting at the request of either party.

If the court shall find from the evidence in a case tried without a jury, or from the verdict of the jury, if there be one, that the defendant is guilty of no violation, he shall enter judgment so declaring and dis-

miss the complaint; but if he shall find the defendant guilty, he shall determine whether the party shall be (a) placed under probation (in which case he shall specify the terms thereof), (b) the license suspended (in which case he shall fix the term of suspension), or (c) the license revoked; and he shall enter judgment accordingly. If the judgment be one finding the defendant guilty as aforesaid, it shall direct transmittal of certified copies of the judgment and complaint to the Secretary of the Board of Morticians; and the latter shall make proper notation on the membership rolls.

At any time after the expiration of one year from the date of final judgment or revocation of a license, such party may petition the District Court of the county of his residence for reinstatement. Notice of such action shall be given to the Secretary of the State Board of Morticians.

The Board shall have the right to institute an action in its own name to enjoin the violation of any of the provisions of this Section. Said action for an injunction shall be in addition to any other action, proceeding, or remedy recognized by law. The Board shall be represented by counsel designated by it, or, by the Attorney General and/or County and District Attorney of this state.

E. Each funeral establishment shall designate to the Board a funeral director in charge, and such funeral director in charge shall be directly responsible for the funeral directing and embalming business of the licensee. Any change or changes in such designation shall be given to the Board promptly.

F. The Board may issue such rules and regulations as shall comply with and shall effect the intent of the provisions of this Section.

G. Any premises on which funeral directing or embalming is practiced shall be open at all times to inspection by any agent of the Board or by any duly authorized agent of the state or of the municipality in which the premises are located. Each licensed funeral establishment shall be thoroughly inspected at least once each year by an agent of the Board or by an agent of the state or a political subdivision thereof whom the Board has authorized to make inspections on its behalf. A report of this annual inspection shall be filed with the Board.

#### Rules and Regulations

Sec. 5. A. The Board is authorized to promulgate such rules and regulations as it may deem advisable governing the granting, suspension and revocation of licenses as prescribed by the provisions of this Act.

B. Whenever it is provided in this Act that the Board may or shall issue any rules and regulations, such rules and regulations thereunder proposed shall be effective only after due notice and hearing.

#### Revocation, Cancellation or Suspension of Licenses of Funeral Directors, Embalmers and Apprentices

Sec. 6. The State Board of Morticians shall have the right to cancel, revoke, or suspend or place on probation the license of any individual person licensed under this Act as provided by subparagraph H of Section 3 above.

Proceedings under this Section shall be initiated by filing charges with the State Board of Morticians in writing and under oath. Said charges may be made by any person or persons. The President of the State Board of Morticians shall set a time and place for hearing, shall cause a copy of the charges, together with a notice of the time and place fixed for hearing, to be served on the respondent or his counsel at least ten (10) days prior thereto. When personal service is impossible, or cannot be effected, the Board shall cause to be published once a week for two (2) successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to reside and shall mail a copy of the charges and of such notice to the respondent at his last known address. When publication of the notice is necessary, the date of hearing shall not be less than ten (10) days after the date of the last publication of the notice. At said hearing the respondent shall have the right to appear either personally or by counsel, or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses, and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records and publications authorized or required by the terms of this Act shall be privileged.

Any licensed funeral director and/or embalmer whose license has been revoked, suspended or renewal refused, or a person to whom the Board has refused to issue a license under this Act, shall have the right of appeal, from any such decision of the Board to any District Court in the county in which he resides within twenty (20) days from and after the date the said Board announces its final decision. In a suit brought to review orders, decisions, or other acts of the Board, the trial shall be de novo as that term is used and understood in an appeal from a Justice of Peace Court to the County Court. The rights of the parties thereto shall be determined by the Court upon a trial of the matters in controversy under rules governing the trial of other civil suits in the same manner and to the same extent as though the matter had been committed to the courts in the first instance and there had been no intervening administrative or executive action or decision. Under no circumstances shall the substantial evidence rule as interpreted and applied by the courts of Texas in other cases ever be used or applied to appeals prosecuted under the provisions of this section. Upon application, the Board may reissue a license to practice as a funeral director or embalmer to a person whose license has

been cancelled or suspended, but such application, in the case of cancellation or revocation, shall not be made prior to one (1) year after the cancellation or revocation, and shall be made in such a manner and form as the Board may require.

The State Board shall have the power to appoint committees from the membership. The duties of any committees appointed from the State Board of Morticians membership may consider such matters pertaining to the enforcement of this Act as shall be referred to such committees, and they shall make recommendations to the State Board of Morticians with respect thereto. The State Board of Morticians shall have the power, and may delegate the said power to any committee, to issue subpoenas, and subpoenas duces tecum, and to compel the attendance of witnesses, the production of books, records and documents, to administer oaths, and to take testimony concerning all matters within its jurisdiction. The State Board of Morticians shall not be bound by such rules of evidence or procedure, in the conduct of its proceedings, but the determination shall be founded on sufficient legal evidence to sustain it. The State Board of Morticians shall have the right to institute an action in its own name to enjoin the violation of any of the provisions of this Act. Said action for an injunction shall be in addition to any other action, proceeding, or remedy authorized by law. The State Board of Morticians shall be represented by the Attorney General and/or the County or District Attorneys of this state, or counsel designated and empowered by the Board. Before entering any order cancelling, suspending, refusing to renew, or revoking a license to practice as a funeral director and/or embalmer, the Board shall hold a hearing in accordance with the procedure as set forth in this Act.

The provisions of this Section shall not apply to funeral establishments or licenses pertaining to funeral establishments.

#### Acting Without License

Sec. 6A. Any person posing as a funeral director, embalmer, or apprentice, holding himself out to the public as a funeral director, embalmer, or apprentice as those terms are defined in this Act, without being properly licensed under this Act shall be guilty of a violation of this Act, and on complaint of the Board may be prosecuted and punished under the provisions of Section 7.

#### Certificate for Foreign Students

Sec. 6B. Any citizen of a country other than the United States who has completed a full course of mortuary science at a Board-approved college in Texas, may upon application to the State Board, and after payment of the same examination fee required of others, be given the Board examinations in either embalming, funeral directing or both, and, upon successfully making the minimum grades required of other applicants, may be awarded a

"Certificate of Merit" by the Board. Such certificate shall in no manner authorize a holder thereof to practice embalming and/or funeral directing in this state unless the holder is otherwise licensed as an embalmer and/or funeral director under the provisions of this Act.

#### Penalty

Sec. 7. Any person who practices as a funeral director, embalmer or apprentice in violation of any provisions of this Act shall be fined not less than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) or shall be imprisoned in the county jail for not more than thirty (30) days, or both. Each day of such practice shall constitute a separate offense.

#### Exemption

Sec. 8. Nothing herein shall be construed as requiring that funeral establishments be owned by licensed persons.

Sections 2 and 3 of the 1971 amendatory act provided:

"Sec. 2. Severability. Every provision of this Act, every Section and every part of every Section, is hereby declared to be independent and severable insofar as this relation shall be necessary to the validity of this Act. Should any provisions of this Act be held to be invalid by a court of competent jurisdiction, for any reason, such holding shall not affect the validity of any remaining provision of this Act, it being the legislative intent that the Act shall stand, notwithstanding the invalidity of any such provision or Section; the fact that any provision, Section, or part of any Section, is void or invalid shall not be held to invalidate any other provision hereof.

4590-2. Anatomical Gift Act.

4590-3. Human Transplantations and Blood Transfusions; Liability for Negligence; Cash Payment for Blood.

**Art. 4583. Board and Duties**

The professor of anatomy and the professor of surgery of each of the medical schools or colleges now incorporated, and of the several medical and dental schools and colleges which may hereafter be incorporated in this State are constituted a board, to be known as the Anatomical Board of the State of Texas, for the distribution and delivery of dead human bodies, hereinafter described, to and among such institutions as, under the provisions of this law, are entitled thereto. The board shall have power to establish rules and regulations for its government, and to appoint and remove proper officers of such board, and shall keep full and complete minutes of its transactions. Records sufficient for identification shall also be kept, under its direction, of all bodies received and distributed by said board and of persons to whom the same may be distributed, which minutes and records shall be open at all times to the inspection of each member of said board and of any district attorney or county attorney of this State.

[Acts 1925, S.B. 84.]

**Art. 4584. Regulations for Delivering Bodies**

All public officers, agents and servants of the state and all officers, agents and servants of any county, city, town, district, or other municipality, and of any other institution, having charge or control of dead bodies required to be buried at public expense, or bodies not claimed for burial, are hereby required (after notification in writing to do so by the Anatomical Board or its duly authorized officers, or persons designated by the authorities of said Board, then and thereafter) to announce to said Board, its authorized officer or agent, whenever such body or bodies come into his or their possession, charge or control, and must deliver such body at the discretion of the Anatomical Board, and permit the said Board and its agents, and the physicians and surgeons from time to time designated by it, who may comply with the provisions of this law, to take and remove any such body to be used within this state for the advancement of medical science.

No such notice need be given, nor any such body be delivered, if any person claiming to be and satisfying the authorities in charge of such body that he or she is of a kindred or is related by marriage to the deceased, or is a bona fide friend or representative of an organization of which the deceased was a member, may claim the said body for burial. The body shall be surrendered to the claimant, without payment to the authority in charge. To claim a body as a bona fide friend, an individual must present in writing a statement of the rela-

tionship considered to be proof of being a true bona fide friend. A similar written statement is also required of an individual representing an organization of which the deceased was a member.

A bona fide friend is herein defined as one who is "like one of the family" and is not an ordinary acquaintance. It does not include the people that follow: any officer, agent or servant of the state, or of any county, town, city, district, or other municipality and any almshouse, prison, morgue, hospital, mortuary, or any other institution having charge of dead human bodies required to be buried at public expense, or bodies not claimed for burial; any employee of these with which the deceased was associated; and any patient, inmate, or ward of the institution or institutions with which the deceased was associated. These exceptions do not apply in case the friendship existed prior to the time the deceased entered the institution.

If no claimant appears immediately after death, the body shall be embalmed within twenty-four hours. It is further required that due effort be made for a period of seventy-two hours by those in charge of such almshouse, prison, morgue, hospital, mortuary, or other institution having charge or control of such dead human bodies, to find kindred or relatives of such deceased and to notify them of the death. Failure by kindred or relation to claim such body within forty-eight hours after receipt of such notification shall be recognized as bringing such body under the provision of this law, and delivery shall be made as soon thereafter as may be possible to the Anatomical Board, its officers or agents. The person in charge of such institution shall file with the County Clerk an affidavit that he has made diligent inquiry to find the kindred or relatives of the deceased, stating what inquiry he has made. A body may be claimed by relatives within sixty (60) days after it has been delivered to an institution or other agency entitled to receive the same under the provisions of the law, and it shall be released to them without cost. Permission for autopsy of unclaimed bodies may be granted only by the Anatomical Board following a specific request to the Board showing sufficient evidence of medical urgency. If the body was that of a traveler who died suddenly, the Anatomical Board shall direct the institution receiving the body that it be kept for six months for purposes of identification.

Any inhabitant of the State of Texas of legal age and of sound mind may, by his will or by other written instrument, arrange for or prescribe that his body be used for the purpose of advancing medical science and that it be delivered to a medical school or dental school, or other donee authorized by the Anatomical Board. Any such bequest shall be by written instrument signed by the person making or giving the same and shall be witnessed by two (2) persons of legal age. No particular form or words shall be necessary or required for the

bequest or authorization, provided that the instrument conveys the clear intention of the person making the same. No appointment of administrator, executor, or court order shall be necessary before delivery of said body. The donor may revoke this disposition of his body at any time by execution of a written instrument in the same or similar manner as the original donation and bequest.

In the event any political subdivision or agency thereof, having charge or control of dead bodies required to be buried at public expense, or bodies not claimed for burial, is not required by the Anatomical Board to deliver said body to said Anatomical Board or parties of its designation, then in such event all costs of preparation for burial, including but not limited to embalming, shall be paid by the political subdivision. In the event, however, that said political subdivision is required by the Anatomical Board to deliver said body to said Anatomical Board or parties of its designation, then in such event all costs of transportation and/or preparation for burial or transportation, including but not limited to embalming, shall be paid by the Anatomical Board.

[Acts 1925, S.B. 84; Acts 1929, 41st Leg., p. 328, ch. 152, § 1; Acts 1953, 53rd Leg., p. 361, ch. 87, § 1; Acts 1961, 57th Leg., 1st C.S., p. 147, ch. 36, § 1.]

#### Art. 4585. Distribution of Bodies to Institutions

The board, or their duly authorized agents, may take and receive such bodies so delivered as aforesaid, and shall, upon receiving them, distribute and deliver them to and among the schools, colleges, physicians and surgeons aforesaid in the manner following: Those bodies needed for lecture and demonstration in the said incorporated schools and colleges shall first be supplied; the remaining bodies shall then be distributed proportionately and equitably, the number assigned to each to be based upon the number of students receiving instruction or demonstration in normal or morbid anatomy and operative surgery, which number shall be certified by the dean of each school or college to the board at such times as it may direct. Instead of receiving and delivering said bodies themselves through their agent or servant, the said board may, from time to time, either directly or by their designated officer or agent authorize physicians and surgeons to receive them, and the number which each shall receive. [Acts 1925, S.B. 84.]

#### Art. 4585A. Delivery of Bodies to State Board of Embalming and to Schools of Embalming

The Board, or their duly authorized agents, may, upon receiving such bodies, deliver to the State Board of Embalming such number of the same as may be necessary for the use of said State Board of Embalming in conducting its semiannual examinations; and may further deliver to any School of Embalming in this State that is recognized and certified by the State

Board of Embalming such number of said bodies as the Board may in its judgment think necessary for use in instruction given in such School.

[Acts 1931, 42nd Leg., p. 310, ch. 184, § 1.]

#### Art. 4586. Regulations for Moving Bodies

The board may employ public carriers for the conveyance of said bodies, which shall be carefully deposited, with the least possible public display. The sender shall keep on permanent file a description by name, color, sex, age, place and cause of death of each body transmitted by him; or where the body shall be one of a person unknown, the color, age, sex, place and supposed cause of death; and any other data available for identification, such as scars, deformities, etc., shall be put on record. A duplicate of this description shall be mailed, or otherwise safely conveyed, to the person or institution to whom the body is being sent; and the person or institution receiving such body shall, without delay, safely transmit to the sender a receipt for the same in the full terms of the description furnished by the sender. All these records shall be filed in a manner to be determined by the board so that they may be at any time available for inspection by the board, or any district or county attorney of this State.

[Acts 1925, S.B. 84.]

#### Art. 4587. May Dissect Bodies

Any and all schools, colleges, and persons who may be designated by said Anatomical Board shall be authorized to dissect, operate upon, examine, and experiment upon such bodies hereinbefore described and distributed for the furtherance of medical science; and such dissections, operations, examinations, and experiments shall not be considered as amenable under any existing laws for the prevention of mutilation of dead human bodies. Such persons, schools, or colleges shall keep a permanent record, sufficient for identification of each body received from such anatomical board or agent, which record shall be subject to inspection by the board, or its authorized officer or agent. The board shall also have power to authorize incorporated schools or colleges and individual physicians and surgeons to experiment on the lower animals under bond as hereinafter designated.

[Acts 1925, S.B. 84.]

#### Art. 4588. Parties Receiving Bodies to Give Bond

No school, college, physician, or surgeon shall be allowed or permitted to receive any such body or bodies until bond shall have been given to the State by such physician or surgeon, or by or in behalf of such school or college, to be approved by the clerk of the county court in and for the county in which such physician or surgeon may reside, or in which such school or college may be situated, and to be filed in the office of said clerk; which bond shall be in the penal sum of one thousand dol-

lars, conditioned that all such bodies which the said physician or surgeon, or said college, shall receive thereafter shall be used, and that all experiments on the lower animals shall be conducted only for the promotion of medical science.

[Acts 1925, S.B. 84.]

#### Art. 4589. Expenses

Neither the State, nor any county, nor municipality, nor any officer, agent or servant thereof, shall be at any expense by reason of the delivery or distribution of any such body; but all expense thereof, and of said board of distribution, shall be paid by those receiving the bodies in such manner as may be specified by said Anatomical Board, or otherwise agreed upon.

[Acts 1925, S.B. 84.]

#### Art. 4590. Compensation of Board

No compensation other than actual traveling expenses shall be received for their services in this capacity by members of this board.

[Acts 1925, S.B. 84.]

#### Art. 4590.1. Violating Anatomical Board Act

Any person having duties imposed upon him by the provisions of the Anatomical Board Act who shall refuse, neglect or omit to perform any of them as required by said law, shall be fined not less than one hundred nor more than five hundred dollars for each offense.

[1925 P.C.]

#### Art. 4590-1. Repealed by Acts 1969, 61st Leg., p. 1176, ch. 375, § 9, eff. May 29, 1969

Sec. 3. (a) Any individual who has testamentary capacity under the Texas Probate Code may give all or any part of his body for any purpose specified in Section 4, the gift to take effect upon death.

(b) Any of the following persons, in order of priority stated, when persons in prior classes are not available at the time of death, and in the absence of actual notice of contrary indications by the decedent, or actual notice of opposition by a member of the same or a prior class, may give all or any part of the decedent's body for any purposes specified in Section 4:

- (1) the spouse,
- (2) an adult son or daughter,
- (3) either parent,
- (4) an adult brother or sister,
- (5) a guardian of the person of the decedent at the time of his death,
- (6) any other person authorized or under obligation to dispose of the body.

(c) If the donee, or the physician of a donee, has actual notice of contrary indications by the decedent, or that a gift by a member of a class is opposed by a member of the same or a prior class, the donee shall not accept the gift. The persons authorized by subsection (b) may make the gift after death or immediately before death.

(d) A gift of all or part of a body authorizes any examination necessary to assure medical acceptability of the gift for the purposes intended.

(e) The rights of the donee created by the gift are paramount to the rights of others except as provided by Section 8(d).

##### Persons Who May Become Donees, and Purposes for Which Anatomical Gifts May be Made

Sec. 4. The following persons may become donees of gifts of bodies or parts thereof for the purposes stated:

- (1) any hospital, surgeon, or physician, for medical or dental education, research, advancement of medical or dental science, therapy or transplantation; or
- (2) any accredited medical or dental school, college or university for education, research, advancement of medical or dental science or therapy; or
- (3) any bank or storage facility, for medical or dental education, research, advancement of medical or dental science, therapy or transplantation; or

(4) any individual specified by a licensed physician for therapy or transplantation needed by him.

#### Manner of Executing Anatomical Gifts

Sec. 5. (a) A gift of all or part of the body under Section 3(a) may be made by will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is nevertheless valid and effective.

(b) A gift of all or part of the body under Section 3(a) may also be made by document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the person, must be signed by the donor, in the presence of 2 witnesses who must sign the document in his presence. If the donor cannot sign, the document may be signed for him at his direction and in his presence, and in the presence of 2 witnesses who must sign the document in his presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

(c) The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee. The physician who becomes a donee under this subsection shall not participate in the procedures for removing or transplanting a part.

(d) Notwithstanding Section 8(b), the donor may designate in his will, card or other document of gift the surgeon or physician to carry out the appropriate procedures. In the absence of a designation, or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician for the purpose.

(e) Any gift by a person designated in Section 3(b) shall be made by a document signed by him, or made by his telegraphic, recorded telephonic or other recorded message.

#### Delivery of Document of Gift

Sec. 6. If the gift is made by the donor to a specified donee, the will, card or other document, or an executed copy thereof, may be delivered to the donee to expedite the appropriate procedures immediately after death, but delivery is not necessary to the validity of the gift. The will, card or other document, or an executed copy thereof, may be deposited in any hospital, bank or storage facility or registry office that accepts them for safekeeping or for facilitation of procedures after death. On request

of any interested party upon or after the donor's death, the person in possession shall produce the document for examination.

#### Amendment or Revocation of the Gift

Sec. 7. (a) If the will, card or other document or executed copy thereof, has been delivered to a specified donee, the donor may amend or revoke the gift by:

(1) the execution and delivery to the donee of a signed statement, or

(2) an oral statement made in the presence of 2 persons and communicated to the donee, or

(3) a statement addressed to an attending physician and communicated to the donee, or

(4) a signed card or document found on his person or in his effects.

(b) Any document of gift which has not been delivered to the donee may be revoked by the donor in the manner set out in subsection (a) or by destruction, cancellation, or mutilation of the document and all executed copies thereof.

(c) Any gift made by a will may also be amended or revoked in the manner provided for amendment or revocation of wills, or as provided in subsection (a).

#### Rights and Duties at Death

Sec. 8. (a) The donee may accept or reject the gift. If the donee accepts a gift of the entire body, the surviving spouse or any other person authorized to give all or any part of the decedent's body may authorize embalming and have the use of the body for funeral services, subject to the terms of the gift. If the gift is of a part of the body, the donee, upon the death of the donor and prior to embalming, shall cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the surviving spouse, next of kin or other persons under obligation to dispose of the body.

(b) The time of death shall be determined by a physician who attends the donor at his death, or, if none, the physician who certifies the death. This physician shall not participate in the procedures for removing or transplanting a part.

(c) A person who acts in good faith in accordance with the terms of this Act, is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his act, so long as the prerequisites for an anatomical gift have been met under the laws applicable at the time and place of the making of the anatomical gift.

(d) The provisions of this Act are subject to the laws of this state prescribing powers and duties with respect to autopsies.

[Acts 1969, 61st Leg., p. 1176, ch. 375, §§ 1 to 8, eff. May 29, 1969.]

**Art. 4590-3. Human Transplantations and Blood Transfusions; Liability for Negligence; Cash Payment for Blood**

**Declaration of Policy**

Sec. 1. The availability of scientific knowledge, skills and materials for the transplantation, injection, transfusion or transfer of human tissue, organs, blood and components thereof is important to the health and welfare of the people of this State. The imposition of legal liability without fault upon the persons and organizations engaged in such scientific procedures inhibits the exercise of sound medical judgment and restricts the availability of important scientific knowledge, skills and materials. It is therefore the public policy of this State to promote the health and welfare of the people by limiting the legal liability arising out of such scientific procedures to instances of negligence.

**Limitation of Liability**

Sec. 2. No physician, surgeon, hospital, blood bank, tissue bank, or other person or entity who donates, obtains, prepares, transplants, injects, transfuses or otherwise transfers, or who assists or participates in obtaining, preparing, transplanting, injecting, transfusing or transferring any tissue, organ, blood or component thereof from one or more human beings, living or dead, to another human being, shall be liable as the result of any such activity, save and except that each such person or entity shall remain liable for his or its own negligence.

**Exception**

Sec. 3. (a) No blood bank may pay cash for blood. No blood bank may pay a seller for blood by check unless the check is sent to the seller by United States mail not before the expiration of 15 days following the day the blood is taken from the seller.

(b) If a blood bank purchases blood in violation of Subsection (a) of this section and the blood contains harmful substances, the blood bank is not entitled to the immunity provided in this Act.

(c) In any suit brought under the exception in Subsection (b) of this section, the burden shall be on the blood bank to show that the blood was not purchased in violation of Subsection (a) of this section.

(d) "Blood bank" means a blood bank licensed by the Division of Biological Standards of the National Institute of Health, or the American Association of Blood Banks.

**Legislative Intent**

*The Governor filed the following letter with the Secretary of State along with House Concurrent Resolution No. 195, Acts 1971, 62nd Leg., p. 4122, which corrects Senate Bill No. 534 [Chapter 613 enacting this article]:*

*"Dear Mr. Secretary:*

*"On June 4, 1971, I signed Senate Bill No. 534. At that time, I was unaware that House*

*Concurrent Resolution No. 195 had been passed by the Legislature directing the Senate Enrolling Room to make certain changes in the bill. House Concurrent Resolution No. 195 evidently was misplaced, inasmuch as it was not received by my office until June 10, 1971.*

*"Although I have already signed Senate Bill No. 534 into law, I am filing with my signature H.C.R. No. 195 as evidence of the legislative intent embodied in Senate Bill No. 534.*

*"Sincerely, Preston Smith, Governor of Texas."*

*House Concurrent Resolution No. 195, which was filed with the Secretary of State on June 14, 1971, reads:*

*"WHEREAS, Senate Bill No. 534 has been passed by both houses and is now in the Senate Enrolling Room, and certain corrections need to be made in the bill; now, therefore, be it*

*"RESOLVED by the House of Representatives of the State of Texas, the Senate concurring, That the Enrolling Clerk of the Senate be directed to correct the bill so that all below the enacting clause reads as follows:*

*"Sec. 1. Declaration Policy. The availability of scientific knowledge, skills and materials for the transplantation, injection, transfusion or transfer of human tissue, organs, blood and components thereof is important to the health and welfare of the people of this state. The imposition of legal liability without fault, or the determination that the furnishing of human tissue, organs, blood and components thereof is a product as opposed to a service, upon persons and organizations engaged in such scientific procedures inhibits the exercise of sound medical judgment and imposes too rigid a standard of product liability. It is therefore the public policy of this state to promote the health and welfare of the people by limiting the legal liability arising out of such scientific procedures to instances of negligence.*

*"Sec. 2. Limitation of Liability. No physician, surgeon, hospital, blood bank, tissue bank, or other person or entity who donates, obtains, prepares, transplants, injects, transfuses or otherwise transfers, or who assists or participates in obtaining, preparing, transplanting, injecting, transfusing or transferring any tissue, organ, blood or component thereof from one or more human beings, living or dead, to another human being, shall not be considered for any purposes as having furnished a product thereby, but performing any of the foregoing shall be considered as having provided a service and the concept of product liability shall never be applied thereto.*

*"Sec. 3. Declaring on Emergency. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative pub-*

*lic necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted."*

**CHAPTER SIXTEEN. BASIC SCIENCES**

**Art. 4590c. Basic Science Law**

*Basic Science Certificate Required*

Sec. 1. No person shall be permitted to take an examination for a license to practice the healing art or any branch thereof, or be granted any such license, unless he has presented to the Board or officer empowered to issue such a license as the applicant seeks, a

certificate of proficiency in anatomy, physiology, chemistry, bacteriology, pathology, and hygiene and public health, hereinafter referred to as the basic sciences, issued by the State Board of Examiners in the Basic Sciences.

#### The Healing Art Defined

Sec. 2. For the purpose of this Act, the healing art includes any system, treatment, operation, diagnosis, prescription or practice for the ascertainment, cure, relief, palliation, adjustment or correction of any human disease, ailment, deformity, injury or unhealthy or abnormal physical or mental condition.

#### Board of Examiners

Sec. 3. The Governor, within thirty (30) days after this Act takes effect, shall appoint a State Board of Examiners in the Basic Sciences, hereinafter referred to as the Board, consisting of six (6) members. The said Board shall be appointed subject to the consent and confirmation of the Senate. Of the members first appointed, two (2) shall serve for a term of two (2) years, or until their successors shall be appointed and qualified; two (2) shall serve for a term of four (4) years, or until their successors shall be appointed and qualified; and the remaining two (2) members shall serve for a term of six (6) years, or until their successors shall be appointed and qualified. Thereafter at the expiration of the term of each member of the Board first appointed, his successor shall be appointed by the Governor for, and shall serve for, a term of six (6) years, or until his successor shall be appointed and qualified. On the death, resignation or removal of any member, the Governor shall fill the vacancy by appointment for the unexpired portion of the term. Every member shall serve until his successor is appointed and qualified. The members of the Board shall be selected because of their knowledge of the basic sciences named in this Act, and each member shall be a professor, or an assistant or associate professor or an instructor on the faculty of the University of Texas, the Agricultural and Mechanical College of Texas, the Texas Technological College, Baylor University, Southern Methodist University, Texas Christian University, St. Edwards University, Rice Institute, Southwestern University, or any other institution or college located within the State of Texas of equal academic standing and facilities for instruction. Each member shall have resided in the State of Texas not less than one (1) year next preceding his appointment. No member of the Board shall be actively engaged in the practice of the healing art or any branch thereof, nor possess or have in the past possessed a license to practice the healing art or any branch thereof, nor be employed or having in the past been employed by any medical branch of any school or college.

#### Organization, Officers and Compensation of Board

Sec. 4. The Board shall organize as soon as practicable after its appointment. It shall have authority to elect officers, to adopt a seal, and to make such rules and regulations, not in-

consistent with the law, as it deems expedient to carry this Act into effect. The Board shall keep a record of its proceedings, which shall be prima facie evidence of all matters contained therein. Each member of the Board shall take the constitutional oath of office.

In the discharge of duties devolved by this Act, the Board shall act through the Secretary-Treasurer. The Secretary-Treasurer shall be required to execute a bond in the sum of Ten Thousand Dollars (\$10,000.00) for the faithful performance of his duties, payable to the Texas State Board of Examiners in the Basic Sciences. The premium of such bonds shall be paid out of fees received.

Each member of the Board shall be paid Twenty-five Dollars (\$25.00) per day for each day actively engaged in the discharge of his duties, and the time spent in going to and returning from meetings of the Board shall be included in computing such time.

In addition to this per diem, each member of the Board shall be compensated for actual expenditures made while actually engaged in the performance of the duties of the Board.

#### Executive Secretary

Sec. 4a. The State Board of Examiners in the Basic Sciences shall employ an Executive Secretary who shall not be a member of the Board. The Executive Secretary is entitled to compensation and is entitled to reimbursement for necessary expenses while traveling on official business for the Board, as provided by legislative appropriation. Said Executive Secretary, before entering upon duties of his position, shall give a good and sufficient bond executed by a surety company authorized to do business in the State of Texas, in the sum of Ten Thousand Dollars (\$10,000), payable to the State of Texas, conditioned on the faithful performance of his duties, such bond to be approved by the Attorney General and filed in the office of the Secretary of State. The bond premium shall be paid by the Board as provided by law. The Executive Secretary shall serve at the pleasure of the Board and shall perform duties and responsibilities as may be assigned to him by the Board.

#### Fees Payable by Applicants

Sec. 5. Fees for examination by the Board shall be Twenty-five Dollars (\$25.00). The fee for re-examination within a twelve-month period shall be Fifteen Dollars (\$15.00), but the fee for re-examination after the twelve-month period has expired shall be the same as the original fee. The fee for the issue of a certificate by authority of waiver of examination shall be Fifty Dollars (\$50.00). The fee for the issue of a certificate by the authority of reciprocity, in the qualification as determined by the proper agency of some other state or territory or the District of Columbia, shall be Fifty Dollars (\$50.00). All fees shall be paid to the Board by the applicant when he files his application. The Board shall pay all money received as fees into the State Treasury, where such money will

be placed in a special fund to be known as "The Basic Science Examination Fund." All money so received and placed in such fund shall be held within six (6) months from the Basic Sciences in paying its compensation and defraying its expenses, and in administering, enforcing and carrying out the provisions of the law, subject to the amounts appropriated in the General Appropriation Act. The Board may hire such employees as are necessary in carrying out the provisions of the law as are provided in the General Appropriation Act. The State Treasurer shall pay out of the fund the compensation of and expenses incurred by the Board on warrants based upon vouchers signed by the President and the Secretary of the Board. Such compensation and expenses shall be limited to the amounts as are appropriated in the General Appropriation Act.

#### Examination

Sec. 6. The Board shall conduct examinations at such times and places as it deems best, provided, however, that the first examination shall be held within six (6) months from the effective date of this Act, and one examination shall be held during each period of six (6) months thereafter. Every applicant except as hereinafter provided, shall be examined to determine his knowledge, ability and skill in the basic sciences. The examinations shall be conducted in writing, and in such manner as to be entirely fair and impartial to all individuals and to every school or system of practice. All applicants shall be known to the examiners only by numbers, without names, or other method of identification on examination papers by which members of the Board may be able to identify such applicants or examinees, until after the general averages of the examinees' numbers in the class have been determined, and license granted or refused. If the applicant receives a credit of seventy-five per cent (75%) or more in each of the basic sciences, he shall be considered as having passed the examination. If the applicant receives less than seventy-five per cent (75%) in one subject and receives seventy-five per cent (75%) or more in each of the remaining subjects, he shall be allowed a re-examination at the examination next ensuing, on application and the payment of the prescribed fee, and he shall be required to be re-examined only in the subject in which he received a rating less than seventy-five per cent (75%). If the applicant receives less than seventy-five per cent (75%) in more than one subject, he shall be entitled to take a second examination after a period of six (6) months has elapsed from the date of the first examination, and he shall then be re-examined in all subjects. If the applicant receives less than seventy-five per cent (75%) in more than one subject on such second examination, he shall not be re-examined unless he presents proof, satisfactory to the Board, of additional study in the basic sciences sufficient to justify re-examination, and shall then be re-examined in all subjects. Provided, however, it is the in-

tent of this Act that the examinations given shall be similar to the examinations given in the subjects named in this Act at the colleges or universities named above.

#### Requirements for Certificate; Temporary License

Sec. 7. No certificate shall be issued by the Board unless the person applying for it submits evidence, satisfactory to the Board,

(1) that he is a citizen of the United States;

(2) that he is not less than nineteen (19) years of age;<sup>1</sup>

(3) that he is a person of good moral character;

(4) that he was graduated by a high school accredited by the State Committee on Classified and Accredited Schools, or a school of equal grade, or that he possesses educational qualifications equivalent to those required for graduation by such an accredited high school;

(5) he must have completed sixty (60) semester hours of college courses which would be acceptable at the time of completing same at the University of Texas on a Bachelor of Arts Degree or a Bachelor of Science Degree; and

(6) that he has a comprehensive knowledge of the basic sciences as shown by his passing the examination given by the Board as by this Act required.

This shall not be construed to prevent the issue of certificates under the provisions of Section 8 of this Act. Provided, however, the Secretary may issue a temporary license to practice medicine to an applicant only after he has filed his completed application with the Secretary, and that all of the other requirements as required for a permanent license are complied with, such temporary license shall be valid only until the date of the next Board Meeting, and at that date, the temporary license automatically expires and is of no further effect. If the applicant fails the examination, no further temporary license shall be issued until he has successfully passed the examination, or is eligible for and has been granted reciprocity.

<sup>1</sup> Acts 1973, 63rd Leg., p. 1723, ch. 626, classified as art. 5923b, changed the age of majority to eighteen.

#### Reciprocity

Sec. 8. The Board shall waive the examination required by Section 7, when proof satisfactory to the Board is submitted, showing

(1) that the applicant has passed in another State or Territory or the District of Columbia an examination in the basic sciences before a Board of Examiners in the Basic Sciences;

(2) that the requirements of that State or Territory or the District of Columbia are not less than those required by this Act as a condition precedent to the issue of a certificate;

(3) that the Board of Examiners in the Basic Sciences in that State or Territory or the District of Columbia grants like exemption from examination in the basic sciences to persons holding certificates from the State Board of Examiners in the Basic Sciences in Texas;

(4) that the applicant show satisfactory proof that he is a citizen of the United States; and

(5) that the applicant is a person of good moral character and the holder of an uncanceled basic science certificate from another State or Territory or the District of Columbia.

#### Appeal

Sec. 9. Any person aggrieved by any action of the Board may appeal to a district Court of any county in which the aggrieved person resides. Such appeals shall be taken by serving the Secretary of the Board with citation duly issued by the clerk of the district Court, and the same shall be served in the manner provided by law in the service of citations in suits of a civil nature, and at the expiration of twenty (20) days after the service of said citation, the said cause shall thereupon stand for trial. Such notice of appeal, or citation shall state the action from which the appeal is taken, and, if the appeal is from an order of the Board, stating such order or the part thereof from which the appeal is taken, and filing with the district clerk a bond in the sum of Five Hundred Dollars (\$500), conditioned for the payment of all costs of the appeal. All members of the Board who shall incur any expense on account of the trial of any proceeding in district Court incident to appeal from actions of the Board, shall receive the necessary and proper expenses, including traveling expenses incident thereto, same to be paid out of the funds of the Board in the same manner and by the same proceeding as other expenditures are authorized from said fund.

#### Certificates and Licenses Void

Sec. 10. Any basic science certificate or any license to practice the healing art, or any branch thereof, issued contrary to this Act, shall be void. Any license or certificate of authority to practice the healing arts, or any branch thereof, based upon a void basic science certificate shall be void and shall be so adjudged by any District Court in which the trial of a suit to adjudge the same void or cancel or revoke a license to practice the healing arts may be had. The procedure for such revocation or cancellation shall be in accordance with the provisions of the Act under which such license was issued authorizing the cancellation or revocation of licenses for the practice of the healing art generally. Any certificate of proficiency issued by the Board shall become void upon the revocation of the license of the holder thereof to practice the healing art, or any branch thereof.

Each day of such violation shall constitute a separate offense.

Sec. 13. Any person who shall bribe or offer to bribe any member of the Basic Science Board authorized to issue a certificate of proficiency in the basic sciences, for the purpose of obtaining a certificate of proficiency in the basic sciences, shall be confined in the penitentiary not less than two (2) nor more than five (5) years.

In the enforcement of this law, the Board shall be represented by the Attorney General and by the County and District Attorneys of this State. The Board, any committee or any member thereof, shall have the power to issue

subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of books, records and documents, to administer oaths and to take testimony concerning all matters within its or his jurisdiction. #### Art. 4639b. Suit Against Parent Failing to Support Child

Sec. 1. While the marriage relation exists, a suit for the support of a child or children may be brought in the district court against any parent who fails to provide for the support and maintenance of his or her child or children under eighteen years of age. Such suit may be brought by the parent with whom the child or children reside or by any person having the legal custody of the child or children. Where the parents are living separate and apart, but the marriage relation continues to exist, one parent likewise is authorized to bring suit against the other to fix the legal custody of their child or children under the age of eighteen years.

Sec. 2. Venue in such a suit for support or custody shall be in the county of the residence of the defendant.

Sec. 3. Upon the filing of such a suit citation shall issue as in other cases. Upon a hearing the court shall enter such order for support and maintenance and custody, or custody only, of such child or children as may seem necessary and proper. Upon change of conditions such order may be changed after application and hearing. A violation of or refusal to obey any order of the court may be punished as for contempt. Money paid under the provisions of this Act shall be paid into the district clerk's office, and disbursed under the order of the court.

Sec. 4. In the event, however, a suit for divorce be filed by one of the parties to an action brought under this Act, either as an independent suit or as a cross-action, and an order or orders be entered in the divorce suit providing for child support and child custody, then the orders entered in the divorce suit shall operate to control the matter of support and cus-

tody of children to the exclusion of the provisions of this Act.

Sec. 5. The provisions of this Act shall be cumulative of any provisions of law for support and custody of children now in effect.

[Acts 1955, 54th Leg., p. 934, ch. 365.]

#### Art. 4639c. Suits for Custody and Support of Children After Entry of Foreign Divorce Decree

Sec. 1. When the marriage relation no longer exists as a result of divorce action in a foreign jurisdiction, in which the court granting the decree was silent as to custody and support of a child or children under eighteen (18) years of age, a suit for the custody and support of such child or children may be brought in the district court against any parent who fails to provide for the support and maintenance of his or her child or children under eighteen (18) years of age. Such suit may be brought by either parent and shall be brought in the county where the said children actually reside.

Sec. 2. Upon the filing of such suit for custody and support under the provision of this Act, citation shall issue as in other cases. Upon a hearing the court shall enter such order for support and maintenance and custody of such child or children as may seem necessary and proper. Upon change of conditions such order may be changed after application and hearing. A violation of or refusal to obey any order of the court may be punished as for contempt. Money paid under the provisions of this Act shall be paid into the district clerk's office, and disbursed under the order of the court.

Sec. 3. The provisions of this Act shall be cumulative of any provisions of law for support and custody of children now in effect.

### 1. IN GENERAL

#### Art. 4642. Grounds For

Judges of the district and county courts shall, in term time or vacation, hear and determine applications for and may grant writs of injunction returnable to said courts in the following cases:

1. Where the applicant is entitled to the relief demanded and such relief or any part thereof requires the restraint of some act prejudicial to him.

2. Where a party does some act respecting the subject of pending litigation or threatens or is about to do some act or is procuring or suffering the same to be done in violation of the rights of the applicant when said act would tend to render judgment ineffectual.

3. Where the applicant shows himself entitled thereto under the principles of equity, and the provisions of the statutes of this State relating to the granting of injunctions.

4. Where a cloud would be put on the title of real estate being sold under an execution against a party having no interest in such real estate subject to the execution at the time of the sale, or irreparable injury to real estate or personal property is threatened, irrespective of any legal remedy at law.

[Acts 1925, S.B. 84.]

#### Art. 4643. Issuance by Non-resident Judge

No district judge shall grant a writ of injunction returnable to any other court than his own except in the following cases:

1. Where the resident judge cannot hear and act upon the application by reason of his absence, sickness, inability, inaccessibility, disqualification or refusal to act, when such facts are fully set out in the application or in an affidavit accompanying same, and if such judge refuses to act, such refusal shall be indorsed by said judge on such writ with his reasons therefor. In such case no district judge shall grant the writ when the application therefor has once been acted upon by another district judge of this State.

2. To stay execution, or to restrain foreclosure, sales under deeds of trust, trespasses, the removal of property, or acts injurious to or impairing riparian or easement rights, when satisfactory proof is made to such non-resident judge that it is impracticable for the applicant to reach the resident judge and procure his action in time to effectuate the purpose of the application.

3. When the resident judge cannot be reached by the ordinary and available means of travel and communication in sufficient time to effectuate the purpose of the writ sought. In such case the applicant or his attorney seeking a writ on the ground of such inaccessibility shall attach to his application an affidavit fully stating the facts of such inaccessibility and his efforts made to reach and communicate with said judge, and the result thereof, and unless such efforts appear to have been fair and reasonable the application shall not be heard. Such injunction may be subsequently dissolved upon it being shown that the petitioner did not first make reasonable efforts to procure a hearing upon said application before the resident judge.

[Acts 1925, S.B. 84.]

#### Art. 4644. Against Well or Mine Operator

No injunction or temporary restraining order shall ever be issued prohibiting sub-surface drilling or mining operations on the application of an adjacent land owner claiming injury to his surface or improvements or loss of or injury to the minerals thereunder, unless the party against whom drilling or mining operations is alleged as a wrongful act is shown to be unable to respond in damages for such injury as may result from such drilling or mining

operations; provided, however, that the party against whom such injunction is sought shall enter into a good and sufficient bond in such sum as the judge hearing the application shall fix, securing the complainant in the payment of any injuries that may be sustained by such complainant as the result of such drilling or mining operations. The court may, when he deems it necessary to protect the interests involved in such litigation, in lieu of such bond, appoint a trustee or receiver with such powers as the court may prescribe, to take charge of and hold the minerals produced from the lands of those complained against or the proceeds thereof subject to the final disposition of such litigation.

[Acts 1925, S.B. 84.]

#### Art. 4645. Against a Judgment

No injunction shall be granted to stay any judgment or proceeding at law, except so much of the recovery or cause of action as the complainant shall in his petition show himself equitably entitled to be relieved against and so much as will cover the costs.

[Acts 1925, S.B. 84.]

#### Art. 4646. To Stay Execution

No injunction to stay an execution upon any valid and subsisting judgment shall be granted after the expiration of one year from the rendition of such judgment, unless it be made to appear that an application for such injunction has been delayed in consequence of the fraud or false promises of the plaintiff in the judgment, practiced or made at the time, or after rendition, of such judgment, or unless for some equitable matter or defense arising after the rendition of such judgment. If it be made to appear that the applicant was absent from the State at the time such judgment was rendered and was unable to apply for such writ within the time aforesaid, such injunction may be granted at any time within two years from the date of the rendition of the judgment.

[Acts 1925, S.B. 84.]

#### Art. 4646a. Prohibiting Injunction Against Closing Streets

Sec. 1. No injunction shall be granted to stay or prevent the vacating, abandonment or closing, by the City Council or governing body of any incorporated city of this State, of any street or alley in any such incorporated city of this State, except at the suit of the owner or lessee of real property actually abutting on that part of such street or alley actually vacated, abandoned or closed, and then only in the event that the damages of said owner or lessee shall not have been released or shall not have been ascertained and paid in a condemnation suit by such city.

Sec. 2. Provided that any person, who under existing laws has the right to enjoin a city from vacating, abandoning or closing any street or alley of such city and whose right to such injunction is denied by this Act, shall

have the right to an action for damages for any injury that he may sustain by reason of the vacating, abandoning or closing of any street or alley by such city.

[Acts 1930, 41st Leg., 5th C.S., p. 257, ch. 84.]

#### Art. 4647 to 4655. Repealed by Rules of Civil Procedure (Acts 1939, 46th Leg., p. 201, § 1)

#### Art. 4656. Jurisdiction for Trial

Writs of injunction granted to stay proceedings in a suit, or execution on a judgment, shall be returnable to and tried in the court where such suit is pending, or such judgment was rendered; writs of injunction for other causes, if the party against whom it is granted be an inhabitant of the State, shall be returnable to and tried in the district or county court of the county in which such party has his domicile, according as the amount or matter in controversy comes within the jurisdiction of either of said courts. If there be more than one party against whom a writ is granted, it may be returned and tried in the proper court of the county where either may have his domicile.

[Acts 1925, S.B. 84.]

#### Arts. 4657 to 4659. Repealed by Rules of Civil Procedure (Acts 1939, 46th Leg., p. 201, § 1)

#### Art. 4660. Damages for Delay

Upon the dissolution of an injunction, either in whole or in part, on final hearing, where the collection of money has been enjoined, if the court be satisfied that the injunction was obtained only for delay, damages thereon may be assessed by the court, at ten per cent on the amount released by the dissolution of the injunction exclusive of costs.

[Acts 1925, S.B. 84.]

#### Art. 4661. Repealed by Rules of Civil Procedure (Acts 1939, 46th Leg., p. 201, § 1)

#### Art. 4662. Appeals

Any party to a civil suit wherein a temporary injunction may be granted or refused or when motion to dissolve has been granted or over-ruled, under any provision of this title, in term time or in vacation, may appeal from such order or judgment to the Court of Civil Appeals by filing the transcript in such case with the clerk of the said appellate court not later than twenty days after the entry of record of such order or judgment. Such appeal shall not have the effect to suspend the order appealed from unless it shall be so ordered by the court or judge who enters the order. Such case may be heard in the Court of Civil Appeals or Supreme Court on the bill and answer and such

affidavits and evidence as may have been admitted by the judge of the court below. If the appellant desires to file a brief in said appellate court he shall furnish the appellee with a copy thereof not later than two days before the case is called for submission in such court, and the appellee shall have until the day the case is called for submission to answer such brief. Such case may be advanced in the Court of Civil Appeals or Supreme Court on motion of either party, and shall have priority over other cases pending therein.

[Acts 1925, S.B. 84.]

#### Art. 4663. Principles of Equity Applicable

The principles, practice and procedure governing courts of equity shall govern proceedings in injunctions when the same are not in conflict with the provisions of this title or other law.

[Acts 1925, S.B. 84.]

### 2. IN PARTICULAR CASES

#### Art. 4664. Nuisance

Any hotel, rooming house or boarding house, country club, garage, rent car stand or other place to which the public commonly resort for board or lodging or commonly congregate for business or pleasure, where intoxicating liquors are kept, possessed, sold, manufactured, bartered or given away, or where intoxicating liquors are furnished to minors or to students of any educational institution, or where persons habitually resort for the purpose of prostitution or to gamble as prohibited by the Penal Code, is hereby declared to be a common nuisance. Any person who knowingly maintains such a place is guilty of maintaining a nuisance.

[Acts 1925, S.B. 84; Acts 1973, 63rd Leg., p. 988, ch. 399, § 2(I). eff. Jan. 1, 1974.]

#### Art. 4665. Nuisance; Evidence

Proof that any of said prohibited acts are frequently committed in any of said places shall be prima facie evidence that the proprietor knowingly permitted the same, and evidence that persons have been convicted of committing any said act in a hotel, boarding house or rooming house, is admissible to show knowledge on the part of the defendants that this law is being violated in the house. The original papers and judgments or certified copies thereof in such cases of convictions may be used in evidence in the suit for injunction and oral evidence is admissible to show that the offense for which said parties were convicted was committed in said house. Evidence of general reputation of said houses shall also be admissible to prove the existence of said nuisance.

[Acts 1925, S.B. 84.]

#### Art. 4666. Nuisance; Prosecution

Whenever the Attorney General, or the district or county attorney has reliable information that such a nuisance exists, either of them

shall file suit in the name of this State in the county where the nuisance is alleged to exist against whoever maintains such nuisance to abate and enjoin the same. If judgment be in favor of the State, then judgment shall be rendered abating said nuisance and enjoining the defendants from maintaining the same, and ordering that said house be closed for one year from the date of said judgment, unless the defendants in said suit, or the owner, tenant or lessee of said property make bond payable to the State at the county seat of the county where such nuisance is alleged to exist, in the penal sum of not less than one thousand nor more than five thousand dollars, with sufficient sureties to be approved by the judge trying the case, conditioned that the acts prohibited in this law shall not be done or permitted to be done in said house. On violation of any condition of such bond, the whole sum may be recovered as a penalty in the name and for the State in the county where such conditions are violated, all such suits to be brought by the district or county attorney of such county.

[Acts 1925, S.B. 84.]

#### Art. 4667. Injunctions to Abate Public Nuisances

(a) The habitual use, actual, threatened or contemplated, of any premises, place or building or part thereof, for any of the following uses shall constitute a public nuisance and shall be enjoined at the suit of either the State or any citizen thereof:

Acts 1967, 60th Leg., p. 608, ch. 274, § 1, read as follows:

#### "DECLARATION OF LEGISLATIVE INTENT

"The Legislature finds as facts and determines:

"(1) Many citizens of our State are being victimized and abused in various types of credit and cash transactions. These practices imposed a great hardship upon the people of our State.

"(2) Credit in its various forms is one of the most essential and vital elements of our economy. It can be truly said that credit affects every citizen every day. Credit transactions in our State amount to many billions of dollars per year.

"(3) Credit abuses now existing in our State stem from the fact that many types of credit transactions are not now subject to effective public regulation and control and the penalties imposed for usury do not provide effective or workable safeguards in this vital area of economic activity.

"(4) Such abuses are especially prevalent in the area of consumer transactions both cash and credit. Unscrupulous operators, lenders and vendors, many of whom are transient to our State, are presently engaged in many abusive and deceptive practices in the conduct of their businesses. These unregulated practices bring great social and economic hardship to many citizens of our State. They impose intolerable burdens on those segments of our society which can least afford to bear them—the uneducated, the unsophisticated, the poor and the elderly.

"(5) These facts conclusively indicate a need for a comprehensive code of legislation to clearly define interest and usury, to classify and regulate loans and lenders, to regulate credit sales and services, and place limitations on charges imposed in connection with such sales and services, to provide for consumer education and

debt counseling, to prohibit deceptive trade practices in all types of consumer transactions, and to provide firm and effective penalties for usury and other prohibited practices.

"(6) It is the intent of the Legislature in enacting this revision of Title 79 of the Revised Civil Statutes of Texas, 1925, to protect the citizens of Texas from abusive and deceptive practices now being perpetrated by unscrupulous operators, lenders and vendors in both cash and credit consumer transactions and to implement the mandate of Section II of Article XVI of the Constitution of Texas which authorizes the Legislature to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest, and thus serve the public interest of the people of this State."

#### Art. 5069-2.04. Hearings and Review

(1) At all hearings before the Consumer Credit Commissioner, parties in interest shall have the right to appear in person and by counsel, and to present oral and written evidence. If requested by a party in interest, a record shall be made of all evidence offered by such party and all other evidence considered by the Consumer Credit Commissioner.

(2) Any party in interest aggrieved by any order, ruling or decision of the Consumer Credit Commissioner may, within thirty days after the date of entry, file in the District Court of Travis County, Texas, a petition against the Consumer Credit Commissioner officially as defendant, alleging therein in brief detail the order, ruling or decision complained of and praying for a reversal or modification thereof. The Consumer Credit Commissioner shall, within twenty days after the service upon him of such petition, certify to said District Court the record of the proceedings to which the petition refers, or such portion thereof as may be required by the petitioner. The cost of preparing and certifying such record shall be paid to the Consumer Credit Commissioner by the petitioner and taxed as a part of the costs of the case. Upon the filing of an answer by the Consumer Credit Commissioner, the case before the District Court shall be at issue, without further pleadings, and upon application of either party shall be advanced and heard without further delay. The order of the Consumer Credit Commissioner shall be sustained unless the hearing was conducted in a manner contrary to the rudiments of a fair hearing; or the order was based upon an error of law which affected petitioner's substantial rights; or was arbitrary, capricious or unreasonable; or the findings of fact were not reasonably supported by substantial evidence in the record, considered as a whole, adduced before the Consumer Credit Commissioner. Provided, however, that any appeal to the District Court of Travis County, Texas, of an order, ruling or decision of the Consumer Credit Commissioner, refusing to grant a license or licenses to an applicant or revoking the license or licenses of a licensee, such appeal shall be upon trial de novo as that term is used in appealing from justice of the peace courts to county courts.

(3) Upon a showing of good cause therefor by a party in interest, the Consumer Credit Commissioner or the court may enter an order staying, pending appeal, the effect of an order

of the Consumer Credit Commissioner from which the party in interest desires to appeal. [Acts 1967, 60th Leg., p. 614, ch. 274, § 2, eff. Oct. 1, 1967.]
