PREFACE

This Pamphlet contains the text of the Alcoholic Beverage Code as amended through the 1983 Regular and First Called Sessions of the 68th Legislature. The Alcoholic Beverage Code constitutes a unit of the Texas Legislative Council's statutory revision program. The Code was originally enacted by Acts 1977, 65th Leg., ch. 194.

Disposition and Derivation Tables are included preceding the Code, thus providing a means of tracing repealed subject matter into the Code and, on the other hand, of searching out the source of Code sections.

A detailed descriptive word Index at the end of the Code is furnished to facilitate the search for specific textual provisions.

Comprehensive coverage of the judicial constructions and interpretations of the Code, together with cross references, references to law review commentaries discussing particular provisions, and other editorial features, is provided in the volumes of Vernon's Texas Statutes and Codes Annotated.

§ 1.01. Purpose of Code

(a) This code is enacted as a part of the state's continuing statutory revision program, begun by the Texas Legislative Council in 1963 as directed by the legislature in Chapter 448, Acts of the 58th Legislature, 1963 (Article 5429b-1, Vernon's Texas Civil Statutes). The program contemplates a topic-by-topic revision of the state's general and permanent statute law without substantive change.

(b) Consistent with the objectives of the statutory revision program, the purpose of this code is to make the general and permanent alcoholic beverage law more accessible and understandable, by:

- (1) rearranging the statutes into a more logical order;
- (2) employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;
- (3) eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and
- (4) restating the law in modern American English to the greatest extent possible.

[Acts 1977, 65th Leg., p. 393, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 1.02. Construction of Code

The Code Construction Act (Article 5429b-2, Vernon's Texas Civil Statutes) applies to the construction of each provision in this code, except as otherwise expressly provided by this code.

[Acts 1977, 65th Leg., p. 393, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 1.03. Public Policy

This code is an exercise of the police power of the state for the protection of the welfare, health, peace, temperance, and safety of the people of the state. It shall be liberally construed to accomplish this purpose.

[Acts 1977, 65th Leg., p. 393, ch. 194, § 1, eff. Sept. 1, 1977.]

(b) The commission or administrator shall refuse to issue an original permit authorizing the retail sale of alcoholic beverages unless the applicant for the permit files with the application a certificate issued by the comptroller of public accounts stating that the applicant holds, or has applied for and satisfies all legal requirements for the issuance of, a sales tax permit, if required, for the place of business for which the alcoholic beverage permit is sought.

Section 17 of the 1981 amendatory act provides:

"This Act does not affect the eligibility of a person who holds a license or permit on the effective date of this Act to continue to hold the license or permit and to continue to engage in the activities authorized by the license or permit until the expiration of the license or permit."

§ 11.47. Refusal of Permit: Interest in Beer Establishment

The commission or administrator may refuse to issue an original or renewal permit with or without a hearing if it has reasonable grounds to believe and finds that the applicant or a person with whom he is residentially domiciled has a financial interest in a permit or license authorizing the sale of beer at retail, except as is authorized by Section 22.06, 24.05, or 102.05 of this code. This section does not apply to an applicant for a permit which authorizes the sale of mixed beverages.

[Acts 1977, 65th Leg., p. 409, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.48. Refusal of Package Store or Mixed Beverage Permit

(a) The commission or administrator may refuse to issue an original or renewal mixed beverage permit with or without a hearing if it has reasonable grounds to believe and finds that the applicant, directly or indirectly, or through a subsidiary, affiliate, agent, or employee, or through an officer, director, or firm member, owns an interest of any kind in the premises, business, or permit of a package store.

(b) The commission or administrator may refuse to issue an original or renewal package store permit with or without a hearing if it has reasonable grounds to believe and finds that the applicant, directly or indirectly, through a subsidiary, affiliate, agent, or employee, or through an officer, director, or firm member, owns an interest of any kind in the premises, business, or permit of a mixed beverage establishment.

(c) This section does not apply to anything permitted by Section 102.05 of this code.

[Acts 1977, 65th Leg., p. 409, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.49. Premises Defined; Designation of Licensed Premises

(a) In this code, "premises" means the grounds and all buildings, vehicles, and appurtenances pertaining to the grounds, including any adjacent premises if they are directly or indirectly under the control of the same person.

(b) (1) Subject to the approval of the commission or the administrator, and except as provided in Subsection (c) of this section, an applicant for a permit or license may designate a portion of the grounds, buildings, vehicles, and appurtenances to be excluded from the licensed premises. (2) If such a designation has been made and approved as to the holder of a license or permit authorizing the sale of alcoholic beverages at retail or as to a private club registration permit, the sharing of space, employees, business facilities, and services with another business entity (including the permittee's lessor, which, if a corporation, may be a domestic or foreign corporation, but excluding a business entity holding any type of winery permit, a manufacturer's license, or a general, local, or branch distributor's license), does not constitute a subterfuge or surrender of exclusive control in violation of Section 109.53 of this code or the use or display of the license for the benefit of another in violation of Subdivision (15) of Subsection (a) of Section 61.71 of this code. This subsection shall not apply to original or renewal package store permits, wine only package store permits, local distributor's permits, or any type of wholesaler's permits.

(c) An applicant for an original or renewal package store permit, wine only package store permit, local distributor's permit, or any type of wholesaler's permit may not take advantage of the right conferred by Subsection (b) of this section except as permitted in Section 11.50 or 109.53 of this code.

(d) Any package store, wine only package store, wholesaler's, or local distributor's permittee who is injured in his business or property by another person (other than a person in his capacity as the holder of a wine and beer retailer's permit, wine and beer retailer's off-premise permit, private club registration permit, or mixed beverage permit or any

person in the capacity of lessor of the holder of such a permit) by reason of anything prohibited in this section or Section 109.53 of this code is entitled to the same remedies available to a package store permittee under Section 109.53 of this code. Except for actions brought against a person in his capacity as the holder of or as the lessor of the holder of a wine and beer retailer's permit, wine and beer retailer's off-premise permit, mixed beverage permit, or private club registration permit, the statute of limitations for any action brought under this section or Section 109.53 of this code for any cause of action arising after the effective date of this Act is four years unless a false affidavit has been filed with the commission in which event the statute of limitations is 10 years for all purposes.

(e) When a designation under Subsection (b) of this section is made by a wine and beer retailer or a beer retailer, selling primarily for off-premise consumption, or by a wine and beer retailer's off-premise permittee, no more than 20 percent of the retail floor and display space of the entire premises may be included in the licensed premises, and all the retail floor and display space in the licensed premises must be compact and contiguous and may not be gerrymandered. However, the retail floor and display space included in the licensed premises may be in two separate locations within the retail premises if the total retail floor and display space included in the licensed premises does not exceed 20 percent of the floor and display space of the entire premises and each of the two portions of floor and display space included in the licensed premises is itself compact and contiguous and not gerrymandered. In addition to the one or two separate locations of retail floor and display space on the premises, the licensed premises may include the cash register and check-out portions of the premises provided that (1) no alcoholic beverages are displayed in the check-out or cash register portion of the premises, and (2) the area of the check-out and cash register portions of the premises are counted towards the total of 20 percent of the retail floor and display space that may be dedicated to the sale and display of wine and beer. A storage area that is not accessible or visible to the public may be included in the licensed premises but shall not be considered retail floor and display space for purposes of this section. The commission or administrator shall adopt rules to implement this subsection and to prevent gerrymandering.

[Acts 1977, 65th Leg., p. 410, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1979, 66th Leg., p. 1443, ch. 634, § 1, eff. Aug. 27, 1979.]

Section 5 of the 1979 amendatory act provided:

"This Act takes effect immediately, except that Section 11.49(d), Alcoholic Beverage Code, as it applies to injury caused by a wine only package store permittee takes effect September 1, 1980."

§ 11.491. Expired

Former § 11.491, added by Acts 1979, 66th Leg., p. 1444, ch. 634, § 2, and relating to a change of license or permit, expired of its own terms on September 1, 1980, except that it continues in effect for consideration and disposition of applications for changes of licenses or permits filed before that date.

§ 11.492. Change of License or Permit From On-Premise to Off-Premise

(a) A holder of a wine and beer retailer's permit may change the permit to a wine and beer retailer's off-premise permit, and a holder of a retail dealer's on-premise license may change the license to a retail dealer's off-premise license, in the manner provided by this section.

(b) Any time before the expiration of a wine and beer retailer's permit or a retail dealer's on-premise license the permittee or licensee may file an application for a change of permit or license under Subsection (a) of this section. The applicant must make the application on a form provided by the commission and the application must be accompanied by the appropriate fee for the permit or license sought.

(c) The commission shall consider an application under this section in the same manner and according to the same criteria as it would consider a renewal application of the license or permit held by the permittee or licensee. Procedures applicable to an application for an original license or permit do not apply. The commission shall issue a new license or permit to an applicant if the commission determines the applicant is eligible to hold the license or permit sought. The license or permit takes effect on the expiration of the old license or, if requested in the application, on approval. The former license is canceled on the effective date of the new license. The licensee or permittee is not entitled to a refund for the unexpired portion of a canceled license or permit.

[Acts 1983, 68th Leg., p. 2427, ch. 429, § 1 eff. Sept. 1, 1983.]

§ 11.50. Licensing a Portion of a Building as Premises

(a) This section applies to a package store permit which was issued on or before April 1, 1971, and which was in good standing, not under suspension, and in actual operation and doing business on that date, unless temporarily prevented from operation by a natural disaster. This section does not apply to a permit if a change in the size or location of the licensed premises has occurred subsequent to April 1, 1971, or if after that date a change in ownership has occurred, by majority stock transfer or otherwise, except by devise or descent where the holder of the permit died on or after April 1, 1971.

(b) Notwithstanding any other provision of this code, the holder of a package store permit to which this section applies may continue to operate a pack-

age store on premises comprising a portion of a building if not later than November 28, 1971, he clearly defined the licensed premises by isolating it from the remainder of the building by the erection of a wall or screen so that the licensed premise is accessible from the remainder of the building only through a door or archway, eight feet or less in width, in the wall or screen. The door or archway must be kept closed during the hours in which it is not legal to sell liquor.

(c) If the right to continue operation under this exception terminates for any reason, the right shall not revive.

[Acts 1977, 65th Leg., p. 410, ch. 194, § 1, eff. Sept. 1, 1977.]

(20) the permittee permitted a person to open a container of alcoholic beverage or possess an open container of alcoholic beverage on the licensed premises unless a mixed beverage permit has been issued for the premises.

(c) The commission or administrator may refuse to renew or, after notice and hearing, suspend for not more than 60 days or cancel a permit if the commission or administrator finds that the permittee:

(2) is shown on the records of the comptroller of public accounts as being subject to a final determination of taxes due and payable under the Limited Sales, Excise and Use Tax Act (Chapter 151, Tax Code), or is shown on the records of the

§ 11.611. Conviction of Offense Relating to Discrimination

The commission or administrator may suspend for not more than 60 days or cancel an original or renewal permit if it is found, after notice and hearing that:

(1) the permittee has been finally convicted of any offense under state or federal law or a municipal ordinance prohibiting the violation of an individual's civil rights or the discrimination against an individual on the basis of the individual's race, color, creed, or national origin; and

(2) the offense was committed on the licensed premises or in connection with the operation of the permittee's business.

[Acts 1979, 66th Leg., p. 1440, ch. 632, § 1, eff. Aug. 27, 1979.]

§ 11.62. Hearing for Cancellation or Suspension of Permit

The commission or administrator may, on the motion of either, set a date for a hearing to determine if a permit should be cancelled or suspended. The commission or administrator shall set a hearing on the petition of the mayor, chief of police, city marshal, or city attorney of the city or town in which the licensed premises are located or of the county judge, sheriff, or county or district attorney of the county in which the licensed premises are located. The petition must be supported by the sworn statement of at least one credible person. The commission or administrator shall give the permittee notice of the hearing and of his right to appear and show cause why the permit should not be cancelled.

[Acts 1977, 65th Leg., p. 412, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.64. Alternatives to Suspension, Cancellation

(a) When the commission or administrator is authorized to suspend a permit or license under this code, the commission or administrator shall give the permittee or licensee the opportunity to pay a civil penalty rather than have the permit or license suspended. The commission or administrator shall determine the amount of the penalty and in doing so shall consider the economic impact a suspension would have on the permittee or licensee. The amount of the civil penalty may not be less than \$150 for each day the permit or license was to have been suspended. If the licensee or permittee does not pay the penalty before the sixth day after the commission or administrator notifies him of the amount, he loses the opportunity to pay it and the commission or administrator shall impose the suspension.

(b) In the case of a violation of this code by a permittee or a retail dealer's off-premise licensee, the commission or administrator may relax any provision of the code relating to the suspension or cancellation of the permit or license and assess a sanction the commission or administrator finds just under the circumstances, and the commission or administrator may reinstate the license or permit at any time during the period of suspension on payment by the permittee or licensee of a fee of not less than \$75 nor more than \$500, if the commission or administrator finds that any of the circumstances described in Subsection (c) of this section exists.

(c) The following circumstances justify the application of Subsection (b) of this section:

- (1) that the violation could not reasonably have been prevented by the permittee or licensee by the exercise of due diligence;
- (2) that the permittee or licensee was entrapped;
- (3) that an agent, servant, or employee of the permittee or licensee violated this code without the knowledge of the permittee or licensee;
- (4) that the permittee or licensee did not knowingly violate this code; or
- (5) that the violation was a technical one.

(d) Fees and civil penalties received by the commission under this section shall be deposited in the confiscated liquor fund until the unexpended and unencumbered balance contained in the confiscated liquor fund on September 1, 1983, and the amount deposited in the fund from all sources on or after September 1, 1983, totals \$2.4 million. Thereafter, fees and civil penalties received by the commission under this section shall be deposited in the general revenue fund.

[Acts 1977, 65th Leg., p. 413, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1977, 65th Leg., p. 1180, ch. 453, § 1, eff. Sept. 1, 1977; Acts 1983, 68th Leg., p. 1355, ch. 278, § 59 eff. Sept. 1, 1983.]

§ 11.65. Notice of Cancellation or Suspension

A notice of cancellation or suspension of a license or permit shall be given to the licensee or permittee personally or by registered or certified mail. Cancellation or suspension takes effect when the notice is given or delivered.

[Acts 1977, 65th Leg., p. 412, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.67. Appeal From Cancellation, Suspension, or Refusal of License or Permit

(a) An appeal from an order of the commission or administrator refusing, cancelling, or suspending a permit or license may be taken to the district court of the county in which the applicant, licensee, or permittee resides or in which the owner of involved real or personal property resides.

(b) The appeal shall be under the substantial evidence rule and against the commission alone as defendant. The rules applicable to ordinary civil suits apply, with the following exceptions, which shall be construed literally:

- (1) the appeal shall be perfected and filed within 30 days after the date the order, decision, or ruling of the commission or administrator becomes final and appealable;
- (2) the case shall be tried before a judge within 10 days from the date it is filed;
- (3) neither party is entitled to a jury; and
- (4) the order, decision, or ruling of the commission or administrator may be suspended or modified by the court pending a trial on the merits, but the final judgment of the district court may not be modified or suspended pending appeal.

[Acts 1977, 65th Leg., p. 413, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1981, 67th Leg., p. 2636, ch. 707, § 18, eff. Aug. 31, 1981.]

§ 11.68. Activities Prohibited During Suspension

No permittee may sell, offer for sale, distribute, or deliver any alcoholic beverage while his permit is suspended.

[Acts 1977, 65th Leg., p. 413, ch. 194, § 1, eff. Sept. 1, 1977.]

is suspended or cancelled or a receiver or successor in interest of a deceased, insolvent, or bankrupt permittee or licensee may dispose of in bulk the alcoholic beverages on hand at the termination of the use of the permit or license.

[Acts 1977, 65th Leg., p. 413, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.70. Liability of Surety

(a) If a permittee or a person having an interest in a permit is finally convicted of the violation of a provision of this code or of a rule or regulation of the commission, or if a permit is cancelled by the commission and no appeal is pending, the commission may institute action in its own name, for the benefit of the state, on the bond supporting the permit. If the cancellation or conviction is proved, the court shall render judgment in favor of the commission for all fines, costs, and 15 percent of the face value of the bond.

(b) If a permittee fails to seasonably remit any money due the state, the surety on his bond is liable for the amount of money due the state plus a penalty of 15 percent of the face value of the bond.

(c) A suit for the collection of any of the amounts specified in this section shall be brought in a court of competent jurisdiction in Travis County.

(d) Nothing in this code shall be construed as imposing on a surety a greater liability than the total amount of the bond less any portion of the bond which has been extinguished by a prior recovery.

[Acts 1977, 65th Leg., p. 413, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 11.71. Surety May Terminate Liability

A surety under the bond of a permittee may terminate its liability by giving 30 days' written notice of termination, served personally or by registered mail on the principal and the commission. The surety is discharged from all liability under the bond for any act or omission of the principal occurring after the expiration of 30 days from the date the notice is served. If the principal fails to duly file a new bond in the same amount and with the same conditions as the original bond before the expiration of the 30-day period, his permit shall terminate when the 30-day period expires.

"(c) As to an application for an original license or permit for which the fee is paid directly to the commission, the fee set by the law in effect at the time the completed application is accepted for processing at an office of the commission is the applicable fee, even though the original license or permit applied for may not actually be issued by the commission until on or after the effective date of this Act or the effective date of an increase of a fee under this Act.

Amendment by Acts 1977, 65th Leg., p. 1713, ch. 681, § 1

Acts 1977, 65th Leg., p. 1713, ch. 681, § 1, purports to add art. 666-11b to Penal Code (1925), without reference to repeal of the Liquor Control Act by Acts 1977, 65th Leg., p. 557, ch. 194, § 2. As so added, art. 666-11b reads:

"(a) The Commission or Administrator shall refuse to issue an original or renewal permit authorizing the retail sale of alcoholic beverages unless the applicant for the permit files with his application a certificate issued by the Comptroller of Public Accounts stating that the applicant holds, or has applied for and satisfies all legal requirements for the issuance of, a sales tax permit, if required, for the place of business for which the alcoholic beverage permit is sought.

"(b) The Commission or Administrator may suspend for not more than sixty (60) days or cancel a permit under this Act if the Commission or Administrator finds, after notice and hearing, that the permittee:

"(1) no longer holds a sales tax permit, if required, for the place of business covered by the alcoholic beverage permit; or

"(2) is shown on the records of the Comptroller or Public Accounts as being subject to a final determination of taxes due and payable under the Limited Sales, Excise and Use Tax Act (Chapter 20, Title 122A, Taxation—General, Revised Civil Statutes of Texas, 1925, as amended), or is shown on the records of the Comptroller of Public Accounts as being subject to a final determination of taxes due and payable under the Local Sales and Use Tax Act, as amended (Article 1066c, Vernon's Texas Civil Statutes)."

Section 3.11(c) of the Code Construction Act (Civil Statutes, art. 5429b-2) provides, in part, that the repeal of a statute by a code does not affect an amendment of the statute by the same legislature which enacted the code and that the amendment is preserved and given effect as part of the code provision.

§ 28.04. Change in Corporate Control

(a) A mixed beverage permit held by a corporation may not be renewed if the commission or administrator finds that legal or beneficial ownership of over 50 percent of the stock of the corporation has changed since the time the original permit was issued.

(b) The commission or administrator may adopt reasonable rules and regulations in accordance with the provisions of this section.

(c) A corporation which is barred from renewing a permit because of this section may file an application for an original permit and may be issued an original permit if otherwise qualified.

(d) This section does not apply to a change in corporate control:

(1) brought about by the death of a shareholder if his surviving spouse or descendants are his successors in interest; or

The transporter may acquire the alcoholic beverages only on the written order of the holder of the mixed beverage permit. The alcoholic beverages must be accompanied by a written statement furnished and signed by the local distributor showing the name and address of the consignee and consignor, the origin and destination of the shipment, and any other information required by the commission or administrator. The person in charge of the alcoholic beverages while they are being transported shall exhibit the written statement to any representative of the commission or any peace officer on demand, and the statement shall be accepted by the representative or officer as prima facie evidence of the lawful right to transport the alcoholic beverages.

(c) If a mixed beverage permittee holds a beverage cartage permit and his premises are located in a regional airport governed by a board, commission, or authority composed of members from two or more counties, and there is no local distributor at the airport, the mixed beverage permittee may purchase alcoholic beverages from any local distributor in a trade area served by the airport and transport them to his licensed premises. (b) Each holder of a mixed beverage permit shall provide at all service counters where distilled spirits are poured from bottles the necessary facilities for the invalidation of identification stamps on bottles so that persons emptying distilled spirits bottles may immediately invalidate the identification stamps on them.

(b) In this section, "primary American source of supply" means the distiller, the producer, the owner of the commodity at the time it becomes a marketable product, the bottler, or the exclusive agent of any of those. To be the "primary American source of supply" the nonresident seller must be the first source, that is, the manufacturer or the source closest to the manufacturer, in the channel of commerce from whom the product can be secured by American wholesalers.

(b) The commission or its authorized agents shall test the contents and examine the label and contain-

(c) As to distilled spirits imported directly from the distiller, bottler, or the exclusive agent of either, or distilled spirits distilled or bottled by the nonresident seller or by a distiller or bottler for whom the nonresident seller is the exclusive agent, if the samples are approved under Subsection (b) of this section, the permittee is not required to submit additional samples unless there is a change in the label, contents, or style or size of the container, or unless he is directed to do so by the commission.

(d) As to all other distilled spirits, samples must be furnished to the commission for each brand and size in each proposed shipment into the state, together with a sworn statement of the quantity and sizes to be shipped, the permittee to whom the spirits are to be shipped, and the person or firm from whom they are to be shipped. The permittee may not ship the distilled spirits until he has in his possession a certificate of approval from the commission.

(e) Until January 1, 1980, the submission of samples and applications for label and container approval shall not be required for any distilled spirit imported direct from the distiller, bottler, or the exclusive agent of the distiller or bottler, or for any distilled spirit distilled or bottled by the holder of a nonresident seller's permit or by a distiller or bottler for whom he is the exclusive agent if a certificate of approval has previously been granted and the only change in container size is to the metric system container most nearly equivalent to a previously approved United States standard gallon system container, and the only change in label is the substitution of the metric measure for the formerly used statement of quantity content. This subsection expires January 1, 1980.

[Acts 1977, 65th Leg., p. 447, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1977, 65th Leg., p. 1182, ch. 453, § 7, eff. Sept. 1, 1977.]

(b) If an officer wishes to examine the books, accounts, records, minutes, letters, memoranda, documents, checks, telegrams, constitution and bylaws, or other records of a nonresident seller's permittee, he shall make a written request to the permittee or

his duly authorized manager or representative or, if the permittee is a corporation, to any officer of the corporation. An officer may examine the records as often as he considers necessary.

(c) When a request for an examination is made, the person to whom it is directed shall immediately allow the officer to conduct the examination, and the person shall answer under oath any question asked by the officer relating to the records.

(d) The officer may investigate the organization, conduct, and management of any nonresident seller's permittee and may make copies of any records which in the officer's judgment may show or tend to show that the permittee has violated state law or the terms of his permit.

(e) An officer may not make public any information obtained under this section except to a law enforcement officer of this state or in connection with an administrative or judicial proceeding in which the state or commission is a party concerning the cancellation or suspension of a nonresident seller's permit, the collection of taxes due under state law, or the violation of state law.

(f) The commission shall cancel or suspend a nonresident seller's permit in accordance with this code if a permittee or his authorized representative fails or refuses to permit an examination authorized by this section or to permit the making of copies of any document as provided by this section, without regard to whether the document is inside or outside the state, or if the permittee or his authorized representative fails or refuses to answer a question of an officer incident to an examination or investigation in progress.

On certification, unless good cause for refusal is shown, the commission or administrator shall grant permission, by letter or otherwise, for the receiver or successor in interest to operate the business during the unexpired portion of the license. The license may not be renewed, but the receiver or successor in interest may apply for an original license. A receiver or successor in interest operating for the unexpired portion of the license is subject to the provisions of this code relating to the suspension or cancellation of a license.

§ 61.31. Application for License

(a) A person may file an application for a license to manufacture, distribute, or sell beer in termtime or vacation with the county judge of the county in which he desires to conduct business. He shall file the application in duplicate.

(b) The county judge shall set the application for a hearing to be held not less than 5 nor more than 10 days after the application is filed.

(c) Each applicant for an original license, other than a branch or temporary license, shall pay a hearing fee of \$5 to the county clerk at the time of the hearing. The county clerk shall deposit the fee in the county treasury. The applicant is liable for

no other fee except the annual license fee prescribed by this code.

(d) No person may sell beer during the pendency of his original license application. No official may advise a person to the contrary.

[Acts 1977, 65th Leg., p. 462, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 61.32. Hearing by County Judge

(a) On hearing an application, if the county judge finds that all facts stated in the application are true and no legal ground to refuse a license exists, he shall enter an order certifying those findings and give the applicant a copy of the order. If the county judge finds otherwise, he shall enter an order accordingly.

(b) If the county judge enters an order favorable to the applicant, the applicant shall present a copy of the order to the assessor and collector of taxes of the county and pay that officer the appropriate license fee. The assessor and collector of taxes then shall report to the commission on a form prescribed by the commission, certifying that the application was approved and that all required fees have been paid and furnishing any other information the commission requires. The assessor and collector of taxes shall attach a copy of the original application to the report.

(c) In the case of an application to sell beer at retail, the county judge shall give due consideration to any recommendations made by representatives of the commission, the sheriff or county or district attorney of the county where the license is sought, or the mayor or chief of police of the incorporated city where the applicant seeks to conduct business.

[Acts 1977, 65th Leg., p. 462, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 61.33. Action by Commission or Administrator

(a) On receiving a report from the assessor and collector of taxes under Section 61.32(b) of this code, the commission or administrator shall issue the appropriate license if the commission or administrator finds that the applicant is entitled to a license. The license shall show the class of business the applicant is authorized to conduct, the amount of fees paid, the address of the place of business, the date the license is issued and the date it expires, and any other information the commission considers proper.

(b) The commission or administrator may refuse to issue a license after receiving the report of the assessor and collector of taxes if the commission or administrator possesses information from which it is determined that any statement in the license application is false or misleading or that there is other legal reason why a license should not be issued. If the commission or administrator refuses

to issue a license, it or he shall enter an order accordingly and the applicant is entitled to a refund of any license fee he paid the assessor and collector of taxes in connection with the application.

[Acts 1977, 65th Leg., p. 463, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 61.34. Appeal From Denial

(a) If the county judge, commission, or administrator denies an application, the applicant may appeal within 30 days from the date the order becomes final and appealable to the district court of the county where the application was made. The appeal is governed by Section 11.67 of this code, and the court may hear the appeal in termtime or vacation.

(b) If the judgment of the district court is in favor of the applicant, regardless of whether an appeal is taken, a copy of the judgment shall be presented to the assessor and collector of taxes of the county where the application was made. The assessor and collector of taxes shall accept the fees required by this code and proceed as provided under Section 61.32 of this code as if the county judge had approved the application.

(c) If a license is issued on the basis of a district court judgment and that judgment is reversed on appeal, the mandate of the appellate court automatically invalidates the license and the applicant is entitled to a proportionate refund of fees for the unexpired portion of the license. As much of the proceeds from license fees collected under this subtitle as is necessary may be appropriated for the payment of those refunds.

(d) A person appealing from an order under this section shall give bond for all costs incident to the appeal and shall be required to pay those costs if the judgment on appeal is unfavorable to the applicant, but not otherwise. No bond is required on appeals filed on behalf of the state.

§ 61.35. License Fees

(a) A separate license fee is required for each place of business that manufactures, imports, or sells beer.

(b) All license fees, except those for temporary licenses, shall be deposited as provided in Section 205.02 of this code. The assessor and collector of taxes shall make statements of the amounts collected by him under this code to the commission at the times and in the manner required by the commission or administrator.

(c) No licensee may obtain a refund on the surrender or nonuse of a license except as provided by this code.

(d) If a licensee engaged in selling beer is prevented from continuing in business by a local option election, he is entitled to a refund of a proportionate amount of the license fees he has paid covering the unexpired term of his license. As much of the proceeds derived under the provisions of this subtitle as is necessary may be appropriated for that purpose.

The commissioners court of a county may levy and collect a fee equal to one-half the state fee for each license, except a temporary or agent's beer license, issued for premises located within the county. Those authorities may not levy or collect any other fee or tax from the licensee except general ad valorem taxes, the hotel occupancy tax levied under Chapter 63, Acts of the 59th Legislature, Regular Session, 1965, as amended (Article 1269j-4.1, Vernon's Texas Civil Statutes), and the local sales and use tax levied under the Local Sales and Use Tax Act, as amended (Article 1066c, Vernon's Texas Civil Statutes).

(b) The commission or administrator may cancel a license if it finds the permittee has not paid a fee levied by a city under this section. A licensee who sells an alcoholic beverage without first having paid a fee levied under this section commits a misdemeanor punishable by a fine of not less than \$10 nor more than \$200.

(c) Nothing in this code shall be construed as a grant to any political subdivision of the authority to regulate licensees except by collecting the fees authorized in this section and exercising those powers granted to political subdivisions by other provisions of this code.

(b) The city secretary or clerk of the city in which an application for a license is made shall certify whether the location or address given in the application is in a wet area and whether the sale of

(b) When an original application to sell beer at retail at a location previously licensed is filed, the county clerk shall post at the courthouse door a written notice containing the substance of the application and the date set for hearing.

(c) When an original application to sell beer at retail at a location not previously licensed is filed, the county clerk shall publish notice for two consecutive issues in a newspaper of general circulation published in the city or town in which the applicant's place of business is to be located. If no newspaper of general circulation is published in that city or town, the notice shall be published in a newspaper of general circulation in the county where the applicant's business is to be located. If no newspaper of general circulation is published in that county, the notice shall be published in a newspaper which is published in the closest neighboring county and is circulated in the county where the license is sought. The notice shall be in 10-point boldface type and shall set forth the type of license applied for; the exact location of the business; the name of the owner or owners; the trade name, if operating under an assumed name; and in the case of a corporate applicant, the names and titles of all officers of the corporation. At the time the application is filed, the applicant shall deposit with the clerk the cost of publishing notice, which the clerk shall use to pay for the publication.

[Acts 1977, 65th Leg., p. 465, ch. 194, § 1, eff. Sept. 1, 1977.]

No security for costs may be required of an officer of a county or incorporated city or town.

No license may be issued for a premises, location, or place of business for which a license is in effect unless the holder of the existing license has shown to the satisfaction of the commission that he will no longer exercise any privilege granted by the existing license at that location. If the holder of the existing license desires to transfer the license to another location, he may apply for a transfer of location in accordance with this code. If the holder of the existing license has made a declaration required by the commission that he will no longer use the license, he may not manufacture or sell beer or possess it for the purpose of sale until the license has been reinstated. The holder may apply to the county judge for the reinstatement of his license in the same manner and according to the same procedure as in the case of an original license application. The county judge or the commission or administrator may deny reinstatement of the license for any cause for which an original license application may be denied.

§ 62.03. Statement of Intention

(a) Each applicant for a manufacturer's license shall file with his application a sworn statement that he will be engaged in the business of brewing and packaging beer in Texas in quantities sufficient to make of his operation that of a bona fide brewing manufacturer within three years of the issuance of his original license. If the applicant is a corporation, the statement must be signed by one of its principal officers. The county judge shall not approve an application unless it is accompanied by the required sworn statement.

(b) This section does not apply to the holder of a manufacturer's license which was in effect on January 1, 1953.

- (1) preliminary engineering;
- (2) preparing drawings and specifications;
- (3) conducting engineering, architectural, or equipment studies; or
- (4) preparing for the taking of bids from contractors.

(b) During the three-year period following the issuance of a manufacturer's license, as long as the licensee is engaged in construction or in a preliminary stage of construction enumerated in Subsection (a) of this section, the commission shall issue each renewal license to take effect immediately on the expiration of the expiring license and shall not require the licensee to make an original application.

(c) After two years and 11 months has expired following the issuance of an original manufacturer's license, the commission shall not issue a renewal license if it finds that the licensee has not complied with his sworn statement filed with his original application or that he has not begun construction of a plant or initiated any of the preliminary stages of construction enumerated in Subsection (a) unless the commission also finds that the applicant has been prevented from doing so by causes beyond his reasonable control. If the commission finds that the licensee has been prevented from complying by causes beyond his reasonable control, it may grant one additional renewal for the licensee to comply with the terms of his sworn statement. Otherwise, the commission shall deny the renewal application and may not grant a subsequent original application by the licensee for a period of two years following the date of the denial.

(d) This section does not apply to the holder of a license that was in effect on January 1, 1953.

The licensee may not import beer from outside the state directly or indirectly to an unlicensed warehouse.

(b) A warehouse or railway car in which orders for the sale of beer are taken or money from the sale of beer is collected is a separate place of business for which a license is required.

(c) A truck operated by a licensed distributor for the sale and delivery of beer to a licensed retail dealer at the dealer's place of business is not a separate place of business for which a license is required.

§ 62.09. Beer for Export

Regardless of any other provision of this code, a holder of a manufacturer's license may brew and package malt beverages or import them from outside the state, for shipment out of the state, even though the alcohol content, containers, packages, or labels make the beverages illegal to sell within the state. The licensee may export the beverages out of state or deliver them at his premises for shipment out of the state without being liable for any

state tax on beer, ale, or malt liquor sold for resale in the state.

[Acts 1977, 65th Leg., p. 476, ch. 194, § 1, eff. Sept. 1, 1977.]

With regard to such a sale, the manufacturer has the same authority and is subject to the same requirements as apply to a sale made by a general distributor's licensee.

(b) The authority granted by this section is additional to that granted by Section 62.01 of this code.

[Acts 1979, 66th Leg., p. 55, ch. 33, § 11, eff. Aug. 27, 1979.]

¹ Civil Statutes, art. 4476-15

Amendment by Acts 1977, 65th Leg., p. 1714, ch. 681, § 3

Acts 1977, 65th Leg., p. 1714, ch. 681, § 3, purports to add art. 667-5G to Penal Code (1925), without reference to repeal of the Liquor Control Act by Acts 1977, 65th Leg., p. 557, ch. 194, § 2. As so added, art. 666-11b reads:

"(a) The County Judge, Commission, or Administrator shall refuse to approve or issue an original or renewal Retail Dealer's or Retail Dealer's On-Premise License unless the applicant for the license files with his application a certificate issued by the Comptroller of Public Accounts stating that the applicant holds, or has applied for and satisfies all legal requirements for the issuance of, a sales tax permit for the place of business for which the license is sought.

"(b) The Commission or Administrator may suspend for not more than sixty (60) days or cancel a license if the Commission or Administrator finds, after notice and hearing, that the licensee:

"(1) no longer holds a sales tax permit for the place of business covered by the license; or

"(2) is shown on the records of the Comptroller of Public Accounts as being subject to a final determination of taxes due and payable under the Limited Sales, Excise and Use Tax Act (Chapter 20, Title 122A, Taxation—General, Revised Civil Statutes of Texas, 1925, as amended), or is shown on the records of the Comptroller of Public Accounts as being subject to a final determination of taxes due and payable under the Local Sales and Use Tax Act, as amended (Article 1066c, Vernon's Texas Civil Statutes)."

Section 3.11(c) of the Code Construction Act (Civil Statutes, art. 5429b-2) provides, in part, that the repeal of a statute by a code does not affect an amendment of the statute by the same legislature

which enacted the code and that the amendment is preserved and given effect as part of the code provision.

§ 69.07. Fingerprints

(a) An applicant for an original retail dealer's on-premise license shall submit to the county judge of the county in which the applicant desires to engage in business a complete set of fingerprints of the individual natural person applying for the license or, if the applicant is not an individual natural person, a complete set of fingerprints of the individual partner, officer, trustee, or receiver who is to be primarily responsible for the management of the premises.

(b) The county judge shall, no later than the next calendar day after receiving the prints, forward them by mail to the Texas Department of Public Safety. The department shall classify the prints and check them against their fingerprint files and shall certify their findings concerning the criminal record of the applicant, or the lack of record, to the county judge. No license may be issued until the certification is made to the county judge.

(c) The sheriff of any county, or any district office of the commission, shall take the fingerprints of an applicant for a license without charge on forms approved by and furnished by the Texas Department of Public Safety and shall immediately deliver them to the county judge of the county where the applicant desires to engage in business.

SUBCHAPTER A. GENERAL PROVISIONS

§ 102.01. Tied House Prohibited

(a) In this section, "tied house" means any overlapping ownership or other prohibited relationship between those engaged in the alcoholic beverage industry at different levels, that is, between a manufacturer and a wholesaler or retailer, or between a wholesaler and a retailer, as the words "wholesaler," "retailer," and "manufacturer" are ordinarily used and understood, regardless of the specific names given permits under Subtitle A, Title 3, of this code.

(b) In considering an original or renewal application for a permit issued under Subtitle A, Title 3, of this code, the commission or administrator may make any investigation or request any additional information necessary to enforce this section and to provide strict adherence to a general policy of prohibiting the tied house and related practices. The activities prohibited by this section are unfair competition and unlawful trade practices.

(c) No person having an interest in a permit issued under Subtitle A, Title 3, of this code may

secure or hold, directly or indirectly, an ownership interest in the business or corporate stocks, including a stock option, convertible debenture, or similar interest, in a permit or business of a permittee of a different level who maintains licensed premises in Texas.

(d) No person may act or serve as officer, director, or employee of the businesses of permittees at different levels.

(e) No permittee may own the premises, fixtures, or equipment of a permittee of a different level.

(f) No permittee may secure or in any manner obtain the use of any premises, fixtures, or equipment on the credit of a permittee of a different level.

(g) No permittee may loan to, or by means of his credit secure a loan for, a permittee of a different level. If a permittee secures a loan from a source outside the state, there is a presumption of a tied house relationship or subterfuge, and the permittee securing the loan has the burden of showing that he has not violated this section.

(h) No permittee may enter with a permittee of a different level or with another person or legal entity into a conspiracy or agreement to control or manage, financially or administratively, directly or indirectly, in any form or degree, the business or interests of a permittee of a different level.

(i) No permittee may enter with another permittee into any type of profit-sharing agreement or any agreement relating to the repurchase of any assets or any agreement attempting to effectuate the shipment or delivery of an alcoholic beverage on consignment.

(j) On finding that a person has violated any provision of Subsections (c) through (i) of this section, the commission or administrator shall suspend for not less than six months or cancel the permit of any permittee involved. A person who held or had an interest in a permit cancelled under this subsection is ineligible to hold or have an interest in a permit for one year after the cancellation.

(k) This section does not apply to the application for renewal of a permit held by an applicant who was engaged in the legal alcoholic beverage business in this state under a charter or permit before August 24, 1935, or to an application for a nonresident seller's or wholesaler's permit held by an applicant who continuously has been the holder of a permit of that type since January 1, 1941.

[Acts 1977, 65th Leg., p. 498, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 102.02. Athletic Facility Owned by Manufacturer

The total or partial ownership by a manufacturer of premises primarily designed and used for athletic

contests is not a ground for the denial, suspension, or cancellation of a retail license located on those premises.

[Acts 1977, 65th Leg., p. 499, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 102.03. Persons Barred From Interest in Premises of Retail Liquor Outlet

(a) This section applies to the holder of a brewer's, distiller's and rectifier's, winery, wholesaler's, class B wholesaler's, or wine bottler's permit.

(b) No holder of a permit named in Subsection (a) of this section may directly or indirectly, or through a subsidiary, affiliate, agent, employee, officer, director, or firm member, own an interest of any kind in the premises where a package store permittee, wine only package store permittee, or mixed beverage permittee conducts his business.

This section also applies to the agent, servant, or employee of a person who has an interest in one of those businesses.

(b) Except as permitted in Section 23.01 of this code, no person to whom this section applies may:

(1) have a direct or indirect interest in the business, premises, equipment, or fixtures of a mixed beverage establishment;

(2) furnish or lend any money, service, or other thing of value to a mixed beverage permittee or guarantee the fulfillment of a financial obligation of a mixed beverage permittee;

(3) enter or offer to enter into an agreement, condition, or system which in effect amounts to the shipment and delivery of alcoholic beverages on consignment;

(4) furnish, rent, lend, or sell to a mixed beverage permittee any equipment, fixtures, or supplies used in the selling or dispensing of alcoholic beverages;

(5) pay or make an allowance to a mixed beverage permittee for a special advertising or distributing service, or allow the permittee an excessive discount;

If a check or draft is accepted in payment, it must be deposited in the bank for payment or presented for payment within two days after it is received. If the check or draft is dishonored by the drawee, the licensee or permittee who accepted it shall report that fact to the commission within two days after receiving notice of dishonor. any amendments to it shall be filed with the administrator.

(b) A holder of general, local, or branch distributor's license may not purchase, possess, transport, or sell any brand of beer outside of the county in which the distributor's licensed premises are located unless the distributor has a written assigned territory from the holder of a manufacturer's or nonresident manufacturer's license covering that brand of beer.

Sections 2 and 3 of the 1981 Act provide:

§ 102.72. Purposes

(a) This Act is promulgated pursuant to authority of the state under the provisions of the 21st amendment to the United States Constitution to promote the public's interest in the fair, efficient, and competitive distribution of beer within this state by requiring manufacturers and distributors to conduct their business relations so as to assure:

(1) that the beer distributor is free to manage its business enterprise, including the right to independently establish its selling prices; and

(b) This Act shall govern all relations between manufacturers and their distributors, including any renewals or amendments to agreements between them, to the full extent consistent with the constitutions and laws of this state and the United States.

(c) The effect of this Act may not be varied by agreement. Any agreement purporting to do so is

void and unenforceable to the extent of such variance only.

[Acts 1981, 67th Leg., p. 60, ch. 26, § 1, eff. April 8, 1981.]

(a) Except as provided in Subsection (c) of this section, and except as may be specifically agreed upon at the time by the parties, no manufacturer or beer distributor may cancel, fail to renew, or otherwise terminate an agreement unless the manufacturer or distributor furnishes prior notification in accordance with Subsection (b) of this section to the affected party.

(b) The notification required under Subsection (a) of this section shall be in writing and must be received by the affected party not less than 90 days before the date on which the agreement will be cancelled, not renewed, or otherwise terminated. Such notification shall contain a statement of intention to cancel, failure to renew, or otherwise terminate an agreement, a statement of reasons therefor, and the date on which such action shall take effect.

(c) A manufacturer or distributor may cancel, fail to renew, or otherwise terminate an agreement without furnishing any prior notification for any of the following reasons:

(2) in the event the other party shall make an assignment for the benefit of creditors or similar disposition of substantially all of the assets of such party's business;

(3) in the event of a conviction or plea of guilty or no contest to a charge of violating a law or regulation or the revocation or suspension of a license or permit for a period of 30 days or more relating to the business and which materially and adversely affects the party's ability to continue in business; or

(4) in the event of the failure to pay amounts owing the other when due, upon demand therefor, in accordance with agreed payment terms.

§ 102.74. Cancellation

No manufacturer or beer distributor may cancel, fail to renew, or otherwise terminate an agreement unless the party intending such action has good cause for such cancellation, failure to renew, or termination and, in any case in which prior notification is required under Section 102.73 of this code, the party intending to act has furnished said prior notification and the affected party has not eliminated the reasons specified in such notification as the reasons for cancellation, failure to renew, or termi-

nation within 90 days after the receipt of such notification.

[Acts 1981, 67th Leg., p. 60, ch. 26, § 1, eff. April 8, 1981.]

§ 102.75. Prohibited Conduct

No manufacturer shall:

(1) induce or coerce, or attempt to induce or coerce, any distributor to engage in any illegal act or course of conduct;

Upon the death of one of the partners of a partnership operating the business of a distributor, no manufacturer shall deny the surviving partner or partners of such partnership the right to become a successor-in-interest to the agreement between the manufacturer and such partnership. Provided that the survivor has been active in the management of the partnership and/or is otherwise capable of carrying on the business of the partnership.

(b) Notwithstanding the provisions of Subsection (a) of this section, upon the death of a distributor no manufacturer shall deny approval for any transfer of ownership to a surviving spouse or adult child of an owner of a distributor; provided, however, that such subsequent transfers of such ownership by such surviving spouse or adult child shall thereafter be subject to the provisions of Subsection (a) of this section.

In determining fair market value, consideration shall be given to all elements of value, including but not limited to goodwill and going concern value.

(b) In the event that the manufacturer and the distributor are unable to mutually agree on whether or not good cause exists for cancellation under Section 102.74 of this code or on the reasonable compensation to be paid for the value of the distributor's business, as defined herein, the matter may, at the option of either the distributor or manufacturer, be submitted to three arbitrators, one of whom shall be named in writing by each party and the third of whom shall be chosen by the two arbiters so selected. Should the arbiters selected fail to choose a third arbiter within 10 days, a judge of a district court in the county in which the distributor's principal place of business is located shall select the third arbiter. Arbitration shall be conducted in accordance with the Texas General Arbitration Act, as amended (Article 224, Revised Civil Statutes of Texas, 1925). which the distributor's principal place of business is located.

(b) In any action under Subsection (a) of this section, the court may grant such relief as the court determines is necessary or appropriate considering the purposes of this Act.

(c) The prevailing party in any action under Subsection (a) of this section shall be entitled to actual damages, including the value of the distributor's business, as specified in Section 102.77 of this code, reasonable attorney's fees, and court costs.

SUBCHAPTER B. OUTDOOR ADVERTISING

§ 108.51. Definitions

In this subchapter:

- (1) "Outdoor advertising" means any sign bearing a word, mark, description, or other device that is used to advertise an alcoholic beverage or the business of a person who manufactures, sells, or distributes an alcoholic beverage if the sign is displayed outside the walls or enclosure of a building or structure where a license or permit is issued or if it is displayed inside a building but

within five feet of an exterior wall facing a street or highway so that it is visible by a person of ordinary vision from outside the building. "Outdoor advertising" does not include advertising appearing on radio or television, in a public vehicular conveyance for hire, or in a newspaper, magazine, or other literary publication published periodically. For the purpose of this definition the word "sign," with respect to a retailer, does not include an identifying label affixed to a container as authorized by law or to a card or certificate of membership in an association or organization if the card or certificate is not larger than 80 square inches.

(2) "Billboard" means a structure directly attached to the land, a house, or a building having one or more spaces used to display a sign or advertisement of an alcoholic beverage or a person engaged in the manufacture, sale, or distribution of alcoholic beverages, whether or not the structure is artificially lighted. "Billboard" does not include a bench or a wall or other part of a structure used as a building, fence, screen, front, or barrier.

(3) "Electric sign" means a structure or device other than an illuminated billboard by which artificial light produced by electricity is used to advertise the alcoholic beverage business by a person who manufactures, sells, or distributes alcoholic beverages or to advertise an alcoholic beverage.

§ 108.52. Permissible Outdoor Advertising

(a) No outdoor advertising is permitted in this state except that which is authorized by this section or under rules of the commission or administrator promulgated pursuant to Section 108.03 of this code.

(b) Billboards and electric signs are permitted if they are not located in a manner contrary to this code.

(c) Retail licensees and permittees may erect or maintain one sign at each place of business which may read as follows:

- (1) if a beer retailer, the sign may read "Beer";
- (2) if an off-premises beer retailer, the sign may read "Beer" or "Beer to Go";
- (3) if a wine and beer retailer, the sign may read "Beer," "Beer and Wine," or "Beer, Wine and Ale";
- (4) if a wine and beer off-premises retailer, the sign may read "Beer," "Beer to Go," "Beer and Wine," "Beer and Wine to Go," "Beer, Wine and Ale," or "Beer, Wine and Ale to Go";
- (5) if a package store permittee, the sign may read "Package Store," "Liquors," or "Wines and

Liquors," and if a retail dealer's off-premise license is also held, the sign may read "Package Store," "Wines, Liquors and Beer," or "Wine, Liquors and Beer to Go"; or

(6) if a wine only package store permittee, the sign may read "Wine" or "Wines," and if a retail dealer's off-premise license is also held, the sign may read "Wines and Beer," "Wine and Beer," or "Wine and Beer to Go."

(d) A sign erected under Subsection (c) of this section may be placed inside or outside the place of business so as to be visible to the general public. None of the letters on a sign may be more than 12 inches in height, and no sign may contain any wording, insignia, or device representative of the brand or name of an alcoholic beverage. The commission or administrator may permit a licensee or permittee to erect or maintain one sign at each entrance or side of a building occupied by him if it faces more than one street or highway.

(e) Billboards, electric signs, or other signs to designate the firm name or business of a permittee or licensee authorized to manufacture, rectify, bottle, or wholesale alcoholic beverages may be displayed at the licensee's or permittee's place of business.

(f) A display composed of alcoholic beverages or printed or lithographed material advertising alcoholic beverages located inside the licensed premises is permitted if the alcoholic beverages or advertising material is not placed within six inches of a window or opening facing a street, alley, or highway. A card or certificate of membership in an association or organization is not "advertising material" for the purpose of this subsection if it is not larger than 80 square inches.

(g) Outdoor advertising of an alcoholic beverage or of the business of any person engaged in the manufacture, sale, or distribution of an alcoholic beverage is permitted to be placed on or affixed to a bench unless:

(b) The commission or administrator shall provide permit application forms, which may contain any information the commission or administrator deems necessary. The application shall contain a statement that the erection or maintenance of the billboard or electric sign will not have the effect of advertising or directing patronage to a particular retail establishment authorized to sell alcoholic beverages. Application shall be made under oath, addressed to the commission or administrator.

(c) The commission or administrator shall issue a permit if either of them finds that all statements in the application are true and the erection or maintenance of the billboard or electric sign will not be contrary to this code or to a rule of the commission. Otherwise, the commission or administrator shall refuse to issue a permit.

[Acts 1977, 65th Leg., p. 521, ch. 194, § 1, eff. Sept. 1, 1977.]

(a) An incorporated city or town by charter or ordinance may:

(1) prohibit the sale of beer in a residential area; and

(2) regulate the sale of beer and prescribe the hours when it may be sold, except the city or town may not permit the sale of beer when its sale is prohibited by this code.

(b) In a county that has only one incorporated city or town that has a majority of the population of the county, according to the most recent federal census, and where the city or town has shortened the hours of sale for beer on Sundays by a valid charter amendment or ordinance before January 1, 1957, the commissioners court may enter an order prohibiting the sale of beer on Sundays during the hours it is prohibited in the city or town. The order may apply to all or part of the area of the county located outside the city or town. The commissioners court may not adopt the order unless it first publishes notice for four consecutive weeks in a newspaper of general circulation in the county published in the county or a nearby county.

(c) In exercising the authority granted by this section, the city, town, or county may distinguish between retailers selling beer for on-premises consumption and retailers, manufacturers, or distributors who do not sell beer for on-premises consumption.

§ 109.33. Sales Near School, Church, or Hospital

(a) The commissioners court of a county may enact regulations applicable in areas in the county outside an incorporated city or town, and the governing board of an incorporated city or town may enact regulations applicable in the city or town, prohibiting the sale of alcoholic beverages by a dealer whose place of business is within 300 feet of a church, public school, or public hospital.

(b) The measurement of the distance between the place of business where alcoholic beverages are sold and the church or public hospital shall be along the property lines of the street fronts and from front door to front door, and in direct line across intersections. The measurement of the distance between the place of business where alcoholic beverages are sold and the public schools shall be from the nearest property line of the public school to the nearest doorway by which the public may enter the place of business, along street lines and in direct line across intersections. A copy of the notice must be submitted to the commission with the application. This Subsection (c) does not apply to a permit or license covering a premise where minors are prohibited from entering the premises under Section 109.53.

This subsection applies only as long as the place of business is continuously in operation from that date, whether or not under the same license or permit.

(e) The commissioners court of a county or the governing board of a city or town that has enacted a regulation under Subsection (a) of this section may also allow variances to the regulation if the commissioners court or governing body determines that enforcement of the regulation in a particular

instance is not in the best interest of the public, constitutes waste or inefficient use of land or other resources, creates an undue hardship on an applicant for a license or permit, does not serve its intended purpose, is not effective or necessary, or for any other reason the court or governing board, after consideration of the health, safety, and welfare of the public and the equities of the situation, determines is in the best interest of the community.

No person under the age of 19 years, unless accompanied by his or her parent, guardian, adult husband or adult wife, or other adult person into whose custody he or she has been committed for the time by some court, shall knowingly be allowed on the premises of the holder of a package store permit. The prohibition against the presence of a person under the age of 19 years on the premises of the holder of a package store permit does not apply to the presence on the premises of the holder or a person lawfully employed by the holder. Any package store permittee who shall be injured in his

Section 6 of the 1983 amendatory act provides:

"(a) This Act takes effect September 1, 1983.

The total of the bonds, certificates, and letters of credit of a permittee subject to the gross receipts tax on mixed beverages must be in an amount that, in the opinion of the commission or administrator, will protect the state, but in no case may the commission or administrator set the amount at less than \$1,000 or more than \$25,000.

SUBCHAPTER C. PROCEDURE FOLLOWING ELECTION

§ 251.51. Canvass of Votes; Declaration of Result

(a) On the fifth day after the election, or as soon after the fifth day as practicable, the commissioners court shall meet in special session to canvass the returns. On completing the canvass, the commissioners court shall make an order declaring the result and cause the clerk of the commissioners court to record the order as provided by law.

(b) If, in a prohibitory election, a majority of the votes cast favor the issue "Against the legal sale . . .," the court's order must state that the sale of the type or types of beverages stated in the issue at the election is prohibited effective 30 days after the order is entered. The prohibition remains in effect until changed by a subsequent local option election held under this code.

(c) If, in a legalization election, a majority of the votes cast favor the issue "For the legal sale . . ." the legal sale of the type or types of beverages stated in the issue at the election is legal on the entering of the court's order. The legalization remains in effect until changed by a subsequent local option held under this code.

(d) The local option status of a subdivision is not changed if:

(1) in a prohibitory election, a majority of the votes cast favor the issue "For the legal sale . . ."; or

(2) in a legalization election, a majority of the votes cast favor the issue "Against the legal sale . . ."

[Acts 1977, 65th Leg., p. 553, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.511. Recount: Paper Ballots

(a) A recount of the paper ballots may be obtained on the following grounds:

(1) the difference between the number of votes cast on the winning and losing sides of the meas-

ure is less than five percent of the number of votes cast on the winning side; or

(2) affidavit by an election judge and certification by the secretary of state that votes were miscounted, as provided by the Texas Election Code for a recount of paper ballots in a general election.

(b) The recount must be requested in writing by at least 25 registered voters of the territory covered by the election. To be valid, a request must contain the signature, residence address, and voter registration number of the requestor and be filed in accordance with the procedure for requesting a recount in a general election. A single document may contain the requests of more than one requestor.

(c) Except as otherwise provided by this section, the provisions of the Texas Election Code regulating the recount of paper ballots apply to a recount under this section with appropriate changes to account for the fact that the election is on a measure instead of for a public office.

[Acts 1979, 66th Leg., p. 1158, ch. 560, § 4, eff. Sept. 1, 1979.]

Section 8(b) of the 1979 amendatory act provided:

"The provisions of this Act relating to election recounts apply to any local option election held on or after the effective date of this Act. Those provisions do not apply to an election held before the effective date of this Act."

§ 251.512. Recount: Voting Systems

A recheck of the results registered on a voting machine, recount of the results of voting by an electronic voting system or an examination of the electronic system program, or a recount of the results of voting by any other method of voting other than paper ballot shall be conducted in the same manner as in a general election.

[Acts 1979, 66th Leg., p. 1158, ch. 560, § 4, eff. Sept. 1, 1979.]

Nonapplication of provisions of this section to elections held before September 1, 1979, see note under § 251.511.

§ 251.52. Order Prima Facie Evidence

The order of the commissioners court declaring the result of the election is prima facie evidence that all provisions of law have been complied with in giving notice of and holding the election, counting and returning the votes, and declaring the result of the election.

[Acts 1977, 65th Leg., p. 554, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.53. Certification of Result

Within three days after the result of a local option election has been declared, the county clerk shall certify the result to the secretary of state and

the commission. The clerk may not charge a fee for this service.

[Acts 1977, 65th Leg., p. 554, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.54. Posting Order Prohibiting Sale

A commissioners court order declaring the result of a local option election and prohibiting the sale of any or all types of alcoholic beverages must be published by posting the order at three public places in the county or other political subdivision in which the election was held. The posting of the order shall be recorded in the minutes of the commissioners court by the county judge. The entry in the minutes or a copy certified under the hand and seal of the county clerk is prima facie evidence of posting.

[Acts 1977, 65th Leg., p. 554, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.55. Election Contest

(a) A qualified voter of the county, justice precinct, or incorporated city or town where a local option election is held may contest the election any time within 30 days after the result of that election is declared.

(b) The enforcement of local option laws in the political subdivision in which the election is being contested is not suspended during the election contest.

(c) The district court of the county in which the election is held has original and exclusive jurisdiction of all suits to contest the election. The district court has jurisdiction to try and determine all matters connected with the election. If it appears from the evidence that such irregularities existed in bringing about or holding the election that the true result of the election is impossible to determine or the result is very doubtful, the court shall hold the election to be void and order the proper officer to order another election to be held by having a certified copy of the judgment and order of the court to be delivered to that officer.

(d) The election contest is conducted in the same manner as an election contest of a general election.

(e) Election contests have precedence in the appellate courts.

(f) The result of an election contest finally settles all questions relating to the validity of that election. No person may call the legality of that election in question again in any other suit or proceeding.

(g) If no election contest is instituted within the 30-day time limit, it is conclusively presumed that

that election is valid and binding in all respects upon all courts.

[Acts 1977, 65th Leg., p. 554, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1981, 67th Leg., p. 2637, ch. 707, § 20, eff. Aug. 31, 1981.]

[Sections 251.56 to 251.70 reserved for expansion]

SUBCHAPTER D. MISCELLANEOUS LOCAL OPTION PROVISIONS

§ 251.71. Wet and Dry Areas

(a) An area is a "dry area" as to an alcoholic beverage of a particular type and alcohol content if the sale of that beverage is unlawful in the area. An area is a "wet area" as to an alcoholic beverage of a particular type and alcohol content if the sale of that beverage is lawful in the area.

(b) Those areas that are wet or dry when this code takes effect retain that status until the status of the area is changed as provided in this code.

(c) All trial courts of this state shall take judicial notice of the wet or dry status of an area in a criminal prosecution.

(d) In an information, complaint, or indictment, an allegation that an area is a dry area as to a particular type of alcoholic beverage is sufficient, but a different status of the area may be urged and proved as a defense.

[Acts 1977, 65th Leg., p. 555, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.72. Change of Status

Except as provided in Section 251.73 of this code, an authorized voting unit that has exercised or may exercise the right of local option retains the status adopted, whether absolute prohibition or legalization of the sale of alcoholic beverages of one or more of the various types and alcoholic contents on which an issue may be submitted under the terms of Section 251.14 of this code, until that status is changed by a subsequent local option election in the same authorized voting unit.

[Acts 1977, 65th Leg., p. 555, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.73. Prevailing Status: Resolution of Conflicts

To insure that each voter has the maximum possible control over the status of the sale of alcoholic beverages in the area where he resides:

(1) the status that resulted from or is the result of a duly called election for an incorporated city or town prevails against the status that resulted from or is the result of a duly called election in a justice precinct or county in which the incorporated city or town, or any part of it is contained; and

(2) the status that resulted or is the result of a duly called election for a justice precinct prevails

against the status that resulted from or is the result of a duly called election in an incorporated city or town in which the justice precinct is wholly contained or in a county in which the justice precinct is located.

[Acts 1977, 65th Leg., p. 555, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.74. Airport and Stadium as Wet Areas

(a) This section applies to any county:

- (1) that has a population of more than 240,000, according to the most recent federal census;
- (2) in which the sale of all alcoholic beverages has been legalized in all or any part of the county; and
- (3) where, at the general election on November 3, 1970, the voters approved the constitutional amendment authorizing the sale of mixed beverages on a local option basis.

(b) In a county covered by this section, the commissioners court may designate as an area wet for the sale of mixed beverages only:

- (1) the area encompassed by the building structure of a professional sports stadium, used wholly or partly for professional sporting events and having a seating capacity of at least 40,000, and not more than 125 acres of adjacent land used for the benefit of the stadium, regardless of ownership of the land, if no registered voters reside there; and
- (2) the area encompassed by a regional airport.

(c) The order of the commissioners court authorizes the issuance of a mixed beverage permit.

[Acts 1977, 65th Leg., p. 555, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1983, 68th Leg., p. 1324, ch. 276, § 1, eff. Aug. 29, 1983.]

§ 251.741. Certain Airports as Wet Areas

In addition to those areas declared wet by order of the commissioners court under the authority of Section 251.74 of this code, in a county with a population of more than 175,000 according to the most recent federal census where the sale of mixed beverages only is legalized in the most populous city in the county by a local option election held after May 18, 1971, the area actually encompassed by any municipal airport under the jurisdiction of that city is wet for the sale of mixed beverages only. Subsequent local option elections held by that city do not affect the local option status of the airport unless the result of the election prohibits the sale of mixed beverages, in which case the provisions of this section do not apply.

[Acts 1977, 65th Leg., p. 1184, ch. 453, § 14, eff. Sept. 1, 1977.]

§ 251.75. Continuance of Operation as Manufacturer or Brewer

Notwithstanding any other provision of this code, if the sale of beer or ale is prohibited in an area by a local option election, a holder of a manufacturer's license or brewer's permit that was issued prior to the election may not be denied an original or renewal manufacturer's license or brewer's permit for the same location on the ground that the local option status of the area prohibits the sale of beer or ale. Except for the right to sell beer or ale contrary to the local option status of the area, the licensee or permittee may engage in all activities authorized by the license or permit, including the manufacturing, brewing, possessing, storing, and packaging of beer or ale, and transporting it to an area where its sale is legal. The licensee or permittee may deliver beer or ale at his licensed premises to a purchaser from outside the state, an authorized carrier, distributor, or class B wholesaler. The purchaser, carrier, distributor, or class B wholesaler may not receive the beer or ale for transportation unless there has first been an order, acceptance, and payment or legal satisfaction of payment in an area where the sale of beer or ale is legal.

[Acts 1977, 65th Leg., p. 556, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.76. Continuance of Operation as Distiller and Rectifier

Notwithstanding any other provision of this code, a person who has been issued a distiller's and rectifier's permit may not subsequently be denied an original or renewal distiller's and rectifier's permit for the same location on the ground that the sale of distilled spirits has been prohibited in the area by a local option election. A person holding a permit at the time of the election or issued a permit under this section may exercise all privileges granted by this code to the holder of a distiller's and rectifier's permit, including the manufacturing, possessing, storing, packaging, and bottling of distilled spirits and the transportation of them to areas in which their sale is legal.

[Acts 1977, 65th Leg., p. 556, ch. 194, § 1, eff. Sept. 1, 1977. Amended by Acts 1983, 68th Leg., p. 1354, ch. 278, § 58, eff. Sept. 1, 1983.]

§ 251.77. Continuance of Operation as Distributor

(a) Notwithstanding any other provision of this code, if the sale of beer is prohibited by local option election, a licensed distributor of beer whose warehouse or other facilities used in connection with the distributorship are located in the area affected, has the right to continue to operate as a distributor in that area and maintain the necessary premises and facilities for distribution. The distributor continues to enjoy all the rights and privileges incident to distributorship, including the right to possess, store,

warehouse, and sell beer in that area, and deliver beer into and out of that area.

(b) A distributor in the area affected may sell or deliver beer only to licensed outlets located where the sale of beer is legal.

[Acts 1977, 65th Leg., p. 556, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.78. Continuance of Operation as Wholesaler

(a) Notwithstanding any other provision of this code, if the sale of the type or types of liquor authorized to be sold by the holder of a wholesaler's permit whose warehouse or other facility used in connection with the wholesale operation is prohibited in an area by local option election, the holder of the wholesaler's permit shall have the right to continue to operate as a wholesaler in that area and maintain the necessary premises and facilities for the wholesale operation. The wholesaler shall enjoy all the rights and privileges incident to the permit,

including the right to possess, store, warehouse, sell, deliver, and receive liquor.

(b) A wholesaler in the area affected may only sell or deliver liquor to permittees located where the sale of liquor is legal.

[Acts 1977, 65th Leg., p. 556, ch. 194, § 1, eff. Sept. 1, 1977.]

§ 251.79. Areas in Which Certain Permits and Licenses May be Issued

Notwithstanding any other provision of this code, a wholesaler's permit, general class B wholesaler's permit, local class B wholesaler's permit, or general, local or branch distributor's license may be issued and licensed premises maintained in any area where the sale of any alcoholic beverage is legal. A person issued a permit or license under this section may exercise all rights and privileges of other permittees and licensees of the same class.

[Acts 1977, 65th Leg., p. 557, ch. 194, § 1, eff. Sept. 1, 1977.]
