The Board shall give notice thereof to the Insurance Commissioner or other similar officer of every state, and shall publish notice thereof. The Board shall give such company at least ten (10) days' notice in writing of its intention to suspend the company's right to do business or revoke the certificate of authority granted by it, stating specifically the reason why the Board intends such action.

**Report to Attorney General**

8. It shall report promptly and in detail to the Attorney General any violation of law relative to insurance companies or the business of insurance.

## See That No Company Does Business

15. 17. (a) In the event any insurance company organized and doing business under the provisions of this Code shall be required by any other state, country or province as a requirement for permission to do an insurance business therein to make or maintain a deposit with an officer of any state, country, or province, such company, at its discretion, may voluntarily deposit with the State Treasurer such securities as may be approved by the Commissioner of Insurance to be of the type and character authorized by law to be legal investments for such company, or cash, in any amount sufficient to enable it to meet such requirements. The State Treasurer is hereby authorized and directed to receive such deposit and hold it exclusively for the protection of all policyholders or creditors of the company wherever they may be located, or for the protec-

tion of the policyholders or creditors of a particular state, country or province, as may be designated by such company at the time of making such deposit. The company may, at its option, withdraw such deposit or any part thereof, first having deposited with the Treasurer, in lieu thereof, other securities of like class and of equal amount and value to those withdrawn, which withdrawal and substitution must be approved by the Commissioner of Insurance. The proper officer of each insurance company making such deposit shall be permitted at all reasonable times to examine such securities and to detach coupons therefrom, and to collect interest thereon, under such reasonable rules and regulations as may be prescribed by the State Treasurer and the Commissioner of Insurance. Any deposit so made for the protection of policyholders or creditors of a particular state, country or province shall not be withdrawn, except by substitution as provided above, by the company, except upon filing with the Commissioner of Insurance evidence satisfactory to him that the company has withdrawn from business, and has no unsecured liabilities outstanding or potential policyholder liabilities or obligations in such other state, country or province requiring such deposit, and upon the filing of such evidence the company may withdraw such deposit at any time upon the approval of the Commissioner of Insurance. Any deposit so made for the protection of all policyholders or creditors wherever they may be located shall not be withdrawn, except by substitution as provided above, by the company except upon filing with the Commissioner of Insurance evidence satisfactory to him that the company does not have any unsecured liabilities outstanding or potential policy liabilities or obligations anywhere, and upon filing such evidence the company may withdraw such deposit upon the approval of the Commissioner of Insurance. For the purpose of state, county and municipal taxation, the situs of any securities deposited with the State Treasurer hereunder shall be in the city and county where the principal business office of such company is fixed by its charter.

(b) Any voluntary deposit now held by the State Treasurer or State Board of Insurance heretofore made by any insurance company in this State, and which deposit was made for the purpose of gaining admission to another state, may be considered, at the option of such company, to be hereinafter held under the provisions of this Act.

(c) When two or more companies merge or consolidate or enter a total reinsurance contract by which the ceding company is dissolved and its assets acquired and liabilities assumed by the surviving company, and the companies have on deposit with the State Treasurer two or more deposits made for identical purposes under ei-

(d) Any company which has made a deposit or deposits under Article 1.10, Section 17, Texas Insurance Code, as amended, or Article 4739, Revised Civil Statutes of Texas (1925), as amended and now repealed, shall be entitled to a return of such deposits upon proper application therefor and a showing before the Commissioner that such deposit or deposits are no longer required under the laws of any state, country or province in which such company sought or gained admission to do business upon the strength of a certificate of such deposit by the State Board of Insurance or its predecessor.

(e) Upon being furnished a certified copy of the Commissioner's order issued under Subsection (c) or (d) above, the Treasurer of the State of Texas shall release, transfer and deliver such deposit or deposits to the owner as directed in said order.

#### Art. 1.11. May Change Form of Annual Statement

The Board may, from time to time, make such changes in the forms of the annual statements required of insurance companies of any kind, as shall seem to it best adapted to elicit a true exhibit of their condition and methods of transacting business. Such form shall elicit only such information as shall pertain to the business of the company.

[Acts 1951, 52nd Leg., ch. 491.]

#### Art. 1.12. When Parties Refuse to Testify

If any person refuses to appear and testify or to give information authorized by this chapter to be demanded by the Board, such Board may file the sworn application of any member thereof with any district judge or district court within this State, where said witness is summoned to appear, and said judge shall summon said witness and require answers to such questions.

[Acts 1951, 52nd Leg., ch. 491.]

#### Art. 1.13. Officers Shall Execute Service

Peace officers shall execute process directed to them by the Board and make return thereof to it, as in the case of process issued from any court.

[Acts 1951, 52nd Leg., ch. 491.]

#### Art. 1.14. Shall Issue Certificate of Authority

Sec. 1. No individual, group of individuals, association or corporation, unless now or hereafter other-

wise permitted by statute, shall be permitted to engage in the business of insuring others against those losses which may be insured against under the laws of this state. Should the State Board of Insurance be satisfied that any insurance carrier applying for a certificate of authority has in all respects fully complied with the law, it shall be its duty to issue to such carrier a certificate of authority, under its seal, authorizing such carrier to transact insurance business, naming therein the particular kinds of insurance. Each such certificate of authority heretofore or hereafter issued shall be in full force and effect until it is revoked, canceled or suspended according to law; provided, however, that failure to file any annual statement required by law will subject the certificate of authority to being revoked, canceled or suspended.

Sec. 2. The word "Carrier" as herein used is defined as that type of insurer which, in consideration of premium, issues policies to others insuring against those losses which may be insured against under the provisions of the law, including stock companies, reciprocals or inter-insurance exchanges, Lloyds' associations, fraternal benefit societies and mutual companies of all kinds, including state-wide assessment associations, local mutual aids, burial associations, and county and farm mutual fire associations. Provided that the Board of Insurance Commissioners shall give preference to applications of domestic companies in checking and approving annual statements and issuing Certificates of Authority.

Sec. 3. The Board may inquire into the competence, fitness and reputation of the officers and directors of each carrier. If, after inquiry, and based on substantial evidence, it shall appear to the Board that such officers and directors, or any of them, are not worthy of the public confidence, it shall give such carrier notice in writing of its intention to refuse the application for Certificate of Authority, or to revoke the certificate once granted, stating specifically why the Board intends such action, and the place and time for hearing by the Board, not sooner than ten (10) days nor later than twenty (20) days thereafter.

After notice and hearing, the Board shall forthwith record in its official minutes its findings and order, which shall be subject to full review in a suit filed in a District Court in Travis County. The filing of such suit shall operate as a stay of the Board's order until the court directs otherwise. The court shall consider all of the facts, and shall hear, try and determine said suit de novo as other civil cases. The court may modify, affirm or set aside the action of the Board in whole or in part, and shall enter such judgment as the evidence introduced in court may warrant, including an order directing the Board to take such action as may be justified. Provided, however, that fraternal benefit societies that sell insurance policies only as an incidental benefit to their members and which are now so organized and licensed by the Board of Insurance Commissioners of

Texas or which are now exempt under the provisions of Article 10.12 or Article 10.38 of the Insurance Code are hereby exempted from the provisions of this Act.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 413, ch. 117, § 3; Acts 1955, 54th Leg., p. 826, ch. 307, § 2; Acts 1959, 56th Leg., p. 434, ch. 194, § 1.]

Section 2 of the 1959 amendatory act provided: "All laws and parts of laws in conflict herewith are hereby expressly repealed, including but not limited to Articles 1.14, 3.06, 3.08, 3.57, 8.20, 9.10, 10.22, 11.02, 14.17, and 20.02, of the Insurance Code to the extent that they require periodic renewal of certificates of authority; provided, however, that nothing herein shall repeal any provision of law requiring the payment of annual license fees."

### Art. 1.14-1. Unauthorized Insurance

#### Purpose

Sec. 1. The purpose of this Article is to subject certain persons and insurers to the jurisdiction of the State Board of Insurance, of proceedings before the Board, and of the courts of this state in suits by or on behalf of the state and insureds or beneficiaries under insurance contracts. The Legislature declares that it is a subject of concern that many residents of this state hold policies of insurance issued by persons and insurers not authorized to do insurance business in this state, thus presenting to such residents the often insuperable obstacle of asserting their legal rights under such policies in forums foreign to them under laws and rules of practice with which they are not familiar. The Legislature declares that it is also concerned with the protection of residents of this state against acts by persons and insurers not authorized to do an insurance business in this state by the maintenance of fair and honest insurance markets, by protecting the premium tax revenues of this state, by protecting authorized persons and insurers, which are subject to strict regulation, from unfair competition by unauthorized persons and insurers and by protecting against the evasion of the insurance regulatory laws of this state. In furtherance of such state interest, the Legislature herein provides methods for substituted service of process upon such persons or insurers in any proceeding, suit or action in any court and substitute service of any notice, order, pleading or process upon such persons or insurers in any proceeding before the State Board of Insurance to enforce or effect full compliance with the insurance and tax statutes of this state, and declares in so doing it exercises its power to protect residents of this state and to define what constitutes doing an insurance business in this state, and also exercises powers and privileges available to this state by virtue of P.L. 79-15 (1945), (Chapter 20, 1st Sess., S. 340), 59 Stats. 33, as amended,<sup>1</sup> which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

1. The making of or proposing to make, as an insurer, an insurance contract.
2. The making of or proposing to make, as guarantor or surety, any contract of guaranty or suretyship as a vocation and not merely incidental to any other legitimate business or activity of the guarantor or surety.

The provisions of this subdivision shall not operate to prohibit full-time salaried employees of a corporate insured from acting in the capacity of an insurance manager or buyer in placing insurance in behalf of such employer.
7. The doing of any kind of insurance business specifically recognized as constituting the doing of an insurance business within the meaning of the statutes relating to insurance.

5. Transactions in this state involving group life, health or accident insurance (other than credit insurance) and group annuities where the master policy of such groups was lawfully issued and delivered in a state in which the company was authorized to do an insurance business and such transactions are authorized by other statutes of this state.

Sec. 3. No person or insurer shall directly or indirectly do any of the acts of an insurance business set forth in this Article except as provided by and in accordance with the specific authorization of statute. In respect to the insurance of subjects resident, located or to be performed within this state this section shall not prohibit the collection of premium or other acts performed outside of this state by persons or insurers authorized to do business in this state provided such transactions and insurance contracts otherwise comply with statute.

Sec. 6. (a) Before any unauthorized person or insurer files or causes to be filed any pleading in any court action, suit or proceeding or in any notice, order, pleading or process in such administrative proceeding before the State Board of Insurance instituted against such person or insurer, by service made as provided in Sections 4 and 5, such person or insurer shall either:

(c) Nothing in Paragraph (a) is to be construed to prevent an unauthorized person or insurer from filing a motion to quash a writ or to set aside service thereof made as provided in Sections 4 or 5 on the ground that such unauthorized person or insurer has not done any of the acts enumerated in this Article or that the person on whom service was made pursuant to Section 4(d) was not doing any of the acts therein enumerated.

Failure of the person or insurer to defend any such action shall be deemed prima facie evidence that its failure to make payment was vexatious and without reasonable cause.

#### Validity of Insurance Contracts

Sec. 8. Except for lawfully procured surplus lines insurance and contracts of insurance independently procured through negotiations occurring entirely outside of this state which are reported and on which premium tax is paid in accordance with this Article or Article 1.14-2, any contract of insurance effective in this state and entered into by an unauthorized insurer is unenforceable by such insurer. In event of failure of any such unauthorized insurer to pay any claim or loss within the provisions of such insurance contract, any person who assisted or in any manner aided directly or indirectly in the procurement of such insurance contract shall be liable to the insured for the full amount thereof pursuant to the provisions of such insurance contract.

#### Investigation and Disclosure of Insurance Contracts

(a) Whenever the State Board of Insurance has reason to believe that insurance has been effectuated by or for any person in this state with an unauthorized insurer the State Board of Insurance shall in writing order such person to produce for examination all insurance contracts and other documents evidencing insurance with both authorized and unauthorized insurers and to disclose to the

State Board of Insurance the amount of insurance, name and address of each insurer, gross amount of premium paid or to be paid and the name and address of the person or persons assisting or aiding in the solicitation, negotiation or effectuation of such insurance.

(b) Every person who, for 30 days after such written order pursuant to Paragraph (a), neglects to comply with the requirements of such order or who wilfully makes a disclosure that is untrue, deceptive or misleading shall forfeit \$50 and an additional \$50 for each day of neglect after expiration of said 30 days.

#### Reporting of Unauthorized Insurance

Sec. 10. (a) Every person investigating or adjusting any loss or claim on a subject of insurance in this state shall immediately report to the State Board of Insurance every insurance policy or contract which has been entered into by any insurer not authorized to transact such insurance in this state.

(b) This section does not apply to transactions in this state involving a policy lawfully solicited, written, and delivered outside of this state covering only subjects of insurance not resident, located or expressly to be performed in this state at the time of issuance, and which transactions are subsequent to the issuance of such policy.

#### Unauthorized Insurance Premium Tax

Sec. 11. (a) Except as to premiums on lawfully procured surplus lines insurance and premiums on independently procured insurance on which a tax has been paid pursuant to this Article or Article 1.14-2, every unauthorized insurer shall pay to the State Board of Insurance before March 1 next succeeding the calendar year in which the insurance was so effectuated, continued or renewed a premium receipts tax of 3.85 percent of gross premiums charged for such insurance on subjects resident, located or to be performed in this state. Such insurance on subjects resident, located or to be performed in this state procured through negotiations or an application, in whole or in part occurring or made within or from within or outside of this state, or for which premiums in whole or in part are remitted directly or indirectly from within or outside of this state, shall be deemed to be insurance procured, or continued or renewed in this state. The term "premium" includes all premiums, membership fees, assessments, dues and any other consideration for insurance. Such tax shall be in lieu of all other insurance taxes. On default of any such unauthorized insurer in the payment of such tax the insured shall pay the tax. If the tax prescribed by this subsection is not paid within the time stated, the tax shall be increased by a penalty of 25 percent and by the amount of an additional penalty computed at the rate of one percent per month or any part thereof from the date such payment was due to the date paid.

(b) If a policy covers risks or exposures only partially in this state, the tax payable shall be computed on the portions of the premiums which are properly allocable to the risks or exposures located in this state. In determining the amount of premiums taxable in this state, all premiums written, procured, or received in this state and all premiums on policies negotiated in this state shall be deemed written on property or risks located or resident in this state, except such premiums as are properly allocated or apportioned and reported as taxable premiums of any other state or states.

*Independently Procured Insurance*

Sec. 12. (a) Every insured who procures or causes to be procured or continues or renews insurance with any unauthorized insurer, or any insured or self-insurer who so procures or continues excess loss, catastrophe or other insurance, upon a subject of insurance resident, located or to be performed within this state, other than insurance procured through a surplus lines agent pursuant to the surplus lines law of this state shall within 60 days after the date such insurance was so procured, continued or renewed, file a report of the same with the State Board of Insurance in writing and upon forms designated by the State Board of Insurance and furnished to such an insured upon request. The report shall show the name and address of the insured or insureds, name and address of the insurer, the subject of the insurance, a general description of the coverage, the amount of premium currently charged therefor, and such additional pertinent information as is reasonably requested by the State Board of Insurance.

(b) Any insurance in an unauthorized insurer of a subject of insurance resident, located or to be performed within this state procured through negotiations or an application, in whole or in part occurring or made within or from within or outside of this state, or for which premiums in whole or in part are remitted directly or indirectly from within or outside of this state, shall be deemed to be insurance procured, or continued or renewed in this state within the intent of Paragraph (a).

(c) There is hereby levied upon the obligation, chose in action, or right represented by the premium charged for such insurance, a premium receipts tax of 3.85 percent of gross premiums charged for such insurance. The term "premium" shall include all premiums, membership fees, assessments, dues and any other consideration for insurance. Such tax shall be in lieu of all other insurance taxes. The insured shall, before March 1 next succeeding the calendar year in which the insurance was so procured, continued or renewed, pay the amount of the tax to the State Board of Insurance. In event of cancellation and rewriting of any such insurance contract the additional premium for premium receipts tax purposes shall be the premium in excess of the unearned premium of the canceled insurance contract.

(d) If a policy covers risks or exposures only partially in this state, the tax payable shall be computed on the portions of the premium which are properly allocable to the risks or exposures located in this state. In determining the amount of premiums taxable in this state, all premiums written, procured or received in this state and all premiums on policies negotiated in this state shall be deemed written on property or risks located or resident in this state, except such premiums as are properly allocated or apportioned and reported as taxable premiums of any other state or states.

(e) If the insured fails to withhold from the premium the amount of tax herein levied, the insured shall be liable for the amount thereof and shall pay the same to the State Board of Insurance within the time stated in Paragraph (c). If the tax prescribed by this subsection is not paid within the time stated in Paragraph (c), the tax shall be increased by a penalty of 25 percent and by the amount of an additional penalty computed at the rate of one percent per month or any part thereof from the date such payment was due to the date paid.

(f) The Attorney General, upon request of the State Board of Insurance, shall proceed in the courts of this or any other state or in any federal court or agency to recover such tax not paid within the time prescribed in this section.

(g) This section shall not be construed or deemed to abrogate or modify any provision of this Article. This section does not apply as to individual life or individual disability insurance.

*Exception in Respect of Filing of Reports of Taxes Due*

Sec. 12A. As respects corporations, the Franchise Tax Report filed with the Comptroller of Public Accounts will report the amount of taxes due and payable to the State of Texas under the provisions or under authority of Section 12 of this Article, and such taxes shall not be due until the Franchise Tax Report is due, any other provision of this Article to the contrary notwithstanding. All companies or persons other than corporations filing franchise tax returns shall report to the State Board of Insurance.

*Penalty for Unauthorized Insurance*

Sec. 13. (a) Any unauthorized insurer who does any unauthorized act of an insurance business as set forth in this Article shall be fined not more than \$5,000.

(b) In addition to any other penalty provided for herein or otherwise provided by law, any person or insurer violating this Article shall forfeit to this state the sum of \$500 for the first offense and an additional sum of \$500 for each month during which any such person or insurer continues such violation.

*Unconstitutional Application Prohibited*

Sec. 14. This Article and law does not apply to any insurer or other person to whom, under the

Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

## Art. 1.14-2. Surplus Lines Insurance

### Purpose

Sec. 1. Insurance transactions which are entered into by citizens of this state with unauthorized insurers through a surplus lines agent as a result of difficulty in obtaining coverage from licensed insurers are a matter of public interest. The Legislature declares that such transaction of surplus lines insurance is a subject of concern and that it is necessary to provide for the regulation, taxation, supervision and control of such transactions and the practices and matters related thereto by requiring appropriate standards and reports concerning the placement of such insurance; by imposing requirements necessary to make such regulation and control reasonably complete and effective; by providing orderly access to insurers that are not authorized to transact the business of insurance in this state; by insuring the maintenance of fair and honest markets; by protecting the revenues of this state; and by protecting authorized insurers, which under the laws of this state must meet strict standards as to the regulation of the business of insurance and the taxation thereof, from unfair competition by unauthorized insurers. In order to properly regulate and tax such unauthorized insurance within the meaning and intent of P.L. 79-15 (1945), (Chap. 20, 1st Sess., S. 340), 59 Stat. 33,<sup>1</sup> the Legislature herein provides an orderly method for the insuring public of this state to effect insurance with unauthorized insurers through qualified, licensed and supervised surplus line agents in this state and under reasonable and practical safeguards so that such insurance coverage may be obtained by residents of this state to the extent that the coverage is not procurable from duly licensed, regulated insurers conducting business in this state.

### Definitions, Classification, and Qualification

Sec. 2. (a) (1) "Surplus lines agent" (i) is an agent authorized under Article 21.14 who is granted a surplus lines license in accordance with this Article, or (ii) is a managing general agent (authorized to be licensed and licensed under the Managing General Agents' Licensing Act, Acts, 1967, 60th Legislature, Chapter 727, codified by Vernon as Article 21.07-3) who is granted a surplus lines license in accordance with this Article and who complies with the provisions of this Article, except it is not necessary that the managing general agent be licensed as a recording agent.

(2) Each "surplus lines agent," as a condition of being licensed as a surplus lines agent and as a condition of continuing to be licensed as a surplus lines agent, shall offer proof of financial solvency and demonstrate capacity in respect of responsibility to insureds under policies of surplus lines insurance, or in the alternative show proof of adequate bond and surety in respect of his transactions with insureds under policies of surplus lines insurance and as the reasonable rules and regulations of the State Board of Insurance shall provide.

(3) Any surplus lines license granted to an agency authorized under the Managing General Agents' Licensing Act, Acts, 1967, 60th Legislature, Chapter 727, that is not also licensed under Article 21.14 of the Insurance Code shall be limited to the acceptance of business originating through a regularly licensed recording agent and shall not authorize such surplus lines agency to transact business directly with the applicant for insurance.

(4) The State Board of Insurance is authorized to classify surplus lines agents and to issue licenses to surplus lines agents in accordance with such classification and as the reasonable rules and regulations of the Board shall prescribe.

(b) "Surplus lines insurer" means an unauthorized insurer in which an insurance coverage is placed or may be placed under this Article.

### Surplus Lines Insurance Authorized

Sec. 3. (a) If insurance coverages of subjects resident, located or to be performed in this state cannot be procured from licensed insurers after diligent effort, such coverages, hereinafter designated as surplus line insurance, may be procured from unauthorized insurers subject to the following conditions:

1. The insurance must be eligible for surplus lines under Section 5.
2. The insurer must be an eligible surplus lines insurer under Section 8.
3. The insurance must be placed through a licensed Texas surplus lines agent resident in this state.
4. The other applicable provisions of this section must be complied with.

(b) Any insurance of subjects resident, located or to be performed in this state, procured through negotiations or an application, in whole or in part occurring or made within or from within this state, or for which premiums in whole or in part are remitted directly or indirectly from within this state, shall be deemed to be insurance procured, or continued or renewed in this state within the intent of Paragraph (a).

### Surplus Lines Agent's License

Sec. 4. (a) The State Board of Insurance may issue a surplus lines license to any authorized agent which shall grant such agent authority to procure the kinds of insurance provided for in this Article

from companies not licensed in this state under the conditions prescribed in this Article. Every license issued pursuant to this section shall be for a term expiring on the 31st day of December next following the date of issuance and may be renewed for ensuing periods of 12 months. Before any such license shall be issued and before each renewal thereof a written application shall be filed by the applicant in such form as the State Board of Insurance prescribes and the fee provided therefor by this Article shall be paid.

(b) The fee for the issuance of a surplus lines license shall be \$25.00, which fee shall be placed in the separate fund that is provided pursuant to Section 21 of Article 21.14 of the Insurance Code. No diminution of the license fee herein provided shall occur as to any license effective after January 1 of any year.

#### Eligibility for Surplus Lines Insurance

Sec. 5. (a) No insurance coverage shall be eligible for surplus lines unless the full amount of insurance required is not procurable, after a diligent effort has been made to do so, from among the insurers licensed to transact and actually writing that kind and class of insurance in this state, and the amount of insurance eligible for surplus lines shall be only the amount in excess of the amount so procurable from licensed insurers.

(b) Policy or contract forms shall not be eligible unless the use is reasonably necessary for the principal purposes of the coverage or unless the use would not be contrary to the purposes of this Article with respect to the reasonable protection of authorized insurers from unwarranted competition by unauthorized insurers.

#### Procedure for Effecting Surplus Lines Contracts

Sec. 6. (a) Before any new or renewal insurance shall be procured in an unlicensed insurer the agent shall make an affidavit, which shall be promptly filed with the State Board of Insurance, that he is after diligent effort unable to procure from any licensed insurer or insurers the full amount of insurance required to protect the interest of the insured. If the annual premiums paid by the insured for such surplus lines coverage exceed \$25,000, the insured may execute the affidavit in lieu of the surplus lines agent.

(b) Upon placing a new or renewal surplus line coverage, the surplus lines agent shall promptly issue and deliver to the insured or his agent, as the case may be, evidence of the insurance consisting either of the policy as issued by the insurer or, if such policy is not then available, a certificate, cover note or other confirmation of insurance.

(c) Within 60 days after the effectuation of any new or renewal surplus lines insurance the surplus lines agent shall file with the State Board of Insurance an exact copy of the policy issued. If a policy

has not been issued, the surplus lines agent shall so file an exact copy of his certificate, cover note or other confirmation of insurance as delivered to the insured. The surplus lines agent shall likewise promptly file with the State Board of Insurance an exact copy of any substitute certificate, cover note or other confirmation of insurance, and of every endorsement of an original policy, certificate, cover note or other confirmation of insurance, delivered to an insured, together with such surplus lines agent's memorandum informing the State Board of Insurance as to the substance of any change represented by such substitute certificate, cover note or other confirmation, or of any such endorsement, as compared with the coverage as originally placed or issued. Except, however, as respects this Subsection (c), equivalent information may be filed as required by the Board.

(d) No surplus lines agent shall deliver any such document, or purport to insure or represent that insurance will be or has been granted by any unauthorized insurer unless he has prior written authority from the insurer for the insurance, or has received information from the insurer in the regular course of business that such insurance has been granted, or an insurance policy providing the insurance actually has been issued by the insurer and delivered to the insured.

(e) If after the delivery of any such document there is any change as to the identity of the insurers, or the proportion of the direct risk assumed by the insurer as stated in the original certificate, cover note or confirmation, or in any other material respect as to the insurance coverage evidenced by such a document, the surplus lines agent shall promptly deliver to the insured a substitute certificate, cover note, confirmation or endorsement for the original such document, accurately showing the current status of the coverage and the insurers responsible thereunder. No such change shall result in a coverage or insurance contract which would be in violation of this Article if originally issued on such basis.

(f) If a policy issued by the insurer is not available upon placement of the insurance and the surplus lines agent has delivered a certificate, cover note or confirmation, as hereinabove provided, upon request therefor by the insured the surplus lines agent shall as soon as reasonably possible procure from the insurer its policy evidencing the insurance and deliver the policy to the insured in replacement of the certificate, cover note or confirmation theretofore issued.

#### Requirements for Surplus Lines Contracts

Sec. 7. (a) Every new or renewal insurance contract certificate, cover note or other confirmation of insurance procured and delivered as a surplus line coverage pursuant to this Article shall bear the name and address of the insurance agent who procured it and shall have stamped or affixed upon it the following: "This insurance contract is with an

insurer not licensed to transact insurance in this state and is issued and delivered as a surplus line coverage pursuant to the Texas insurance statutes. Article 1.14-2, Texas Insurance Code, requires payment of 3.85 percent tax on gross premium."

(b) Such document shall show the description and location of the subject of the insurance, coverage, conditions and term of the insurance, the premium and rate charged and premium taxes to be collected from the insured, and the name and address of the insured and insurer. If the direct risk is assumed by more than one insurer, the document shall state the name and address and proportion of the entire direct risk assumed by each insurer.

#### Eligibility of Surplus Lines Insurers

Sec. 8. (a) A surplus lines agent shall not knowingly place surplus lines insurance with financially unsound insurers. The agent shall make a reasonable effort to ascertain the financial condition of the unauthorized insurer before placing insurance therewith. An insurer shall not be eligible unless it has capital and surplus or its equivalent that is adequate in relation to its premium writings and the exposure it assumes.

(b) The unauthorized insurer must be of good repute and provide reasonably prompt service to its policyholders in the payment of just losses and claims.

(c) No unauthorized insurer shall be eligible if the management is incompetent or untrustworthy, or so lacking in insurance company managerial experience as to make its proposed operation hazardous to the insurance-buying public; or if the State Board of Insurance has good reason to believe that it is affiliated directly or indirectly through ownership, control, reinsurance transactions or other insurance or business relations, with any person whose business operations are or have been detrimental to policyholders, stockholders, investors, creditors or to the public.

(d) No unauthorized insurer shall be eligible if the insurer or its agents have failed to submit to any fine or penalty levied pursuant to statute. The State Board of Insurance may order revocation of insurance contracts issued by insurers that do not conform with the eligibility requirements of this section.

(e) No new or renewal surplus lines insurance shall be placed with any surplus lines insurer which requires as a condition precedent to writing such new or renewal insurance that the prospective insured or the insured place other insurance not eligible as surplus lines insurance with such surplus lines insurer.

(f) This section shall not be deemed to cast upon the State Board of Insurance any duty or responsibility to determine the actual financial condition or claims practice of any unauthorized insurer.

#### Validity of Contracts

Sec. 9. (a) Insurance contracts procured as surplus line coverage from unauthorized insurers in accordance with this Article shall be fully valid and enforceable as to all parties, and shall be given recognition in all matters and respects to the same effect and extent as like contracts issued by authorized insurers.

(b) A contract of insurance placed in effect by an unauthorized insurer in violation of this Article is unenforceable by the insurer. The insured shall not be precluded from enforcing his rights in accordance with the terms and provisions of such contract.

#### Liability of Surplus Lines Insurer for Losses and Unearned Premiums

Sec. 10. If the surplus lines insurer has assumed the risk in accordance with this Article and if the premium therefor has been received by the surplus lines agent who placed such insurance, then in all questions thereafter arising under the coverage as between the insurer and the insured the insurer shall be deemed to have received the premium due to it for such coverage; and the insurer shall be liable to the insured as to losses covered by such insurance, and for unearned premiums which may become payable to the insured upon cancellation of such insurance, whether or not in fact the surplus lines agent is indebted to the insurer with respect to such insurance or for any other cause. Each surplus lines insurer assuming a surplus lines risk under this Article shall be deemed thereby to have subjected itself to the terms of this subsection.

#### Actions Against Insurer; Service of Process

Sec. 11. A surplus lines insurer may be sued upon any cause of action arising in this state under any surplus lines insurance contract issued by it or certificate, cover note or other confirmation of such insurance issued by the surplus lines agent, pursuant to the same procedure as is provided for unauthorized insurers in Article 1.14-1. Any such policy issued by the insurer, or any certificate of insurance issued by the surplus lines agent, shall contain a provision stating the substance of this section and designating the person to whom the Commissioner of Insurance shall mail process. Each surplus lines insurer assuming a surplus lines risk pursuant to this Article shall be deemed thereby to have subjected itself to the terms of this section. This section shall be cumulative to any other methods which may be provided by law for service of process upon the insurer.

#### Surplus Lines Insurance Premium Tax

Sec. 12. (a) The premiums charged for surplus lines insurance are subject to a premium receipts tax of 3.85 percent of gross premiums charged for such insurance. The term premium includes all premiums, membership fees, assessments, dues or any other consideration for insurance. Such tax shall be in lieu of all other insurance taxes. The surplus lines agent shall collect from the insured the amount

of the tax at the time of delivery of the cover note, certificate of insurance, policy or other initial confirmation of insurance, in addition to the full amount of the gross premium charged by the insurer for the insurance. No agent shall absorb such tax nor shall any agent, as an inducement for insurance or for any other reason, rebate all or any part of such tax or his commission. The surplus lines agent shall report, under oath, to the State Board of Insurance within 30 days from the 1st day of January and July of each year the amount of gross premiums paid for such insurance placed through him in nonlicensed insurers, and shall pay to the Board the tax provided for by this Article. If a surplus lines policy covers risks or exposures only partially in this state, the tax payable shall be computed on the portions of the premium which are properly allocable to the risks or exposures located in this state. In determining the amount of premiums taxable in this state, all premiums written, procured, or received in this state and all premiums on policies negotiated in this state shall be deemed written on property or risks located or resident in this state, except such premiums as are properly allocated or apportioned and reported as taxable premiums of any other state or states. In event of cancellation and rewriting of any surplus lines insurance contract the additional premium for premium receipts tax purposes shall be the premium in excess of the unearned premium of the canceled insurance contract.

(b) All surplus lines premium receipt taxes collected by a surplus lines agent are trust funds in his hands and the property of this state. Such funds shall be maintained by the surplus lines agent in a separate account and shall not be mingled with any other funds, either business or private. Any surplus lines agent who fails or refuses to pay over to the state the surplus lines premium receipts tax at the time required in this section, or who fraudulently withholds or appropriates or otherwise uses such money or any portions thereof belonging to the state is guilty of theft and shall be punished as provided by law for the crime of theft, irrespective of whether any such surplus lines agent has or claims to have any interest in such money so received by him.

(c) If the property of any surplus lines agent is seized upon any mesne or final process in any court in this state, or when the business of any surplus lines agent is suspended by the action of creditors or put into the hands of any assignee, receiver or trustee, all surplus lines premium receipts tax money and penalties due the state from such surplus lines agent shall be considered preferred claims and the state shall be a preferred creditor and shall be paid in full.

(d) The Attorney General, upon request of the State Board of Insurance, shall proceed in the courts of this or any other state or in any federal court or agency to recover such license fees or tax not paid within the time prescribed in this section.

#### Surplus Lines Agents May Advertise

Sec. 13. Any agent who is granted a surplus lines license in accordance with this Article may bring announcements or statements before the public in respect to his ability to place such surplus lines insurance as may be permitted by this Article.

#### Surplus Lines Agents' Commissions

Sec. 14. Agents licensed in accordance with this Article may not pay the whole or any part of the commission on surplus lines insurance to any person, except that such commissions may be shared or divided with any other licensed agent.

#### Records of Surplus Lines Agent

Sec. 15. (a) Each surplus lines agent shall keep in his office in this state a full and true record of each surplus lines contract procured by him, including a copy of the daily report, if any, and showing such of the following items as may be applicable:

1. Amount of the insurance and perils insured against;
2. Brief general description of property insured and where located;
3. Gross premium charged;
4. Return premium paid, if any;
5. Rate of premium charged upon the several items of property;
6. Effective date of the contract, and the terms thereof;
7. Name and post office address of the insured;
8. Name and home office address of the insurer;
9. Amount collected from the insured; and
10. Other information as may be required by the State Board of Insurance.

(b) The record shall at all times be open to examination by the State Board of Insurance without notice, and shall be so kept available and open to the State Board of Insurance for three years next following expiration or cancellation of the contract.

#### Annual Report of Surplus Lines Agent

Sec. 16. Each surplus lines agent shall, before March 1 in each year, make a report to the State Board of Insurance for the preceding calendar year, on the form prescribed by it, of such facts as it requires and including a showing that the amount of insurance procured from such unauthorized insurer or insurers is only the amount in excess of the amount procurable from licensed insurers.

#### Penalty

Sec. 17. Any violation of this section shall subject the agent to suspension of his agent's license for a period of not less than 90 days and a fine of not more than \$500.

If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions and applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

"Sec. 4. All laws or parts of laws in conflict herewith, including Article 21.38 of the Insurance Code, are hereby repealed; provided, however, licenses heretofore issued under authority of Article 21.38 shall remain in effect, subject to the provisions of Article 21.38 before this amendment, until they expire according to their terms; and provided further that all taxes which have accrued under Article 21.38 before this amendment shall be payable at the rates and in accordance with the provisions of Article 21.38 as they existed before this amendment became effective."

Sec. 1. The State Board of Insurance shall, once in each six (6) months for the first three (3) years after organization or incorporation, once in each year for the fourth through sixth years after organization or incorporation and thereafter once in each three (3) years, or oftener, if the Board deems necessary, in person or by one or more examiners commissioned by such Board in writing, visit each carrier organized under the laws of this state and examine its financial condition and its ability to meet its liabilities, as well as its compliance with the laws of Texas affecting the conduct of its business; and such Board shall similarly, in person or by one or more commissioned examiners, visit and examine, either alone or jointly with representatives of the insurance supervising departments of other states, each insurance carrier not organized under the laws of this state but authorized to transact business in this state. Such Board or its commissioned examiners shall have free access to all the books and papers of the carrier or agents thereof relating to the business and affairs of such carrier, and shall have power to summon and examine under oath the officers, agents, and employees of such carrier and any other person within the state relative to the affairs of such carrier. Such Board may revoke or modify any certificate of authority issued by such Board or by any predecessor in office when any condition or requirement prescribed by law for granting it no longer exists. Such Board shall give such company at least ten (10) days written notice of its intention to revoke or modify such certificate of authority stating specifically the reason for the action it proposes to take.

Sec. 2. The State Board of Insurance in administering any provision of the Insurance Code, Acts 1951, 51st Legislature, Chapter 491, shall be authorized and empowered in determining "value" or "market value" of any investment in or upon real estate or the improvements thereon by any carrier authorized to do business in the State of Texas to

consider any and all matters and things relating thereto, including but not restricted to, appraisals by real estate boards or other qualified persons, affidavits by other persons familiar with such values, tax valuations, cost of acquisition, with proper deductions for depreciation and obsolescence, cost of replacement, sales of other comparable property, enhancement in value from whatever cause, income received or to be received, improvements made or any other factor or any other evidence which to said Board may be deemed proper and material.

Sec. 3. Any insurer whose investment in or upon real estate or the improvements thereon may have been determined or found by said Board shall be entitled to make a written request to the Board for a written finding by the Board; and upon such request being made to the Board, the Board shall, within ten (10) days after receipt of such request, enter its written order or finding setting out separately its finding upon each factor or matter upon which its said determination or finding of "value" or "market value" was made and shall in such written order or finding give the names and addresses of all persons who furnished such evidence as to each such matter, factor or thing and upon whom the Board relied in making such determination or finding and shall deliver a copy of such written finding or order to the carrier so requesting the same.

Sec. 4. Any rule, regulation, order, decision or finding of the Board under this Act shall be subject to full review in any suit filed by any interested party in any District Court of the State of Texas in Travis County, Texas, and not elsewhere. The filing of such suit shall operate as a stay of any such rule, regulation, order, decision or finding of the Board until the court directs otherwise. The court may review all the facts, shall hear, try and determine said suit de novo as other civil cases in said court; and in disposing of the issues before it, may modify, affirm, or reverse the action of the Board in whole or in part.

**Art. 1.16. Expenses of Examinations; Disposition of Sums Collected**

The expenses of all examinations of domestic insurance companies made on behalf of the State of Texas by the Board of Insurance Commissioners or under its authority shall be paid by the corporations examined in such amount as the Board of Insurance Commissioners shall certify to be just and reasonable.

Assessments for the expenses of such domestic examination which shall be sufficient to meet all the expenses and disbursements necessary to comply with the provisions of the laws of Texas relating to the examination of insurance companies and to comply with the provisions of this Article and Articles 1.17 and 1.18 of this Code, shall be made by the

Board of Insurance Commissioners upon the corporations or associations to be examined taking into consideration annual premium receipts, and/or admitted assets and/or insurance in force; provided such assessments shall be made and collected only at the time such examinations are made.

All sums collected by the Board of Insurance Commissioners, or under its authority, on account of the cost of examinations assessed as hereinabove provided for shall be paid into the State Treasury to the credit of the Insurance Examination Fund; and the salaries and expenses of the actuary of the Board of Insurance Commissioners and of the examiners and assistants, and all other expenses of such examinations, shall be paid upon the certificate of the Board of Insurance Commissioners by warrant of the Comptroller drawn upon such fund in the State Treasury.

If at any time it shall appear that additional pro rata assessments are necessary to cover all of the expenses and disbursements required by law and necessary to comply with this Article and Articles 1.17 and 1.18 of this Code, the same shall be made, and any surplus arising from any and all such assessments, over and above such expenses and disbursements, shall be applied in reduction of subsequent assessments in the proportion assessed so that there shall be so assessed and collected the funds necessary to meet such expenses and disbursements and no more.

In case of an examination of a company not organized under the laws of Texas, whether such examination is made by the Texas authorities alone, or jointly with the insurance supervisory authorities of another state or states, the expenses of such examination due to Texas' participation therein, shall be borne by the company under examination. Payment of such cost shall be made by the company upon presentation of itemized written statement by the Board of Insurance Commissioners, and shall consist of the examiners' remuneration and expenses, and the other expenses of the Department of Insurance properly allocable to the examination. Payment shall be made directly to the Board of Insurance Commissioners, and all money collected by assessment on foreign companies for the cost of examination shall be deposited in the State Treasury by the Board of Insurance Commissioners to the credit of the Insurance Examination Fund out of which shall be paid, by warrant of the State Comptroller of Public Accounts on voucher of the Board of Insurance Commissioners, the examiners' remuneration and expenses in the amounts determined by the method hereinafter provided, when verified by their affidavit and approved by the Board of Insurance Commissioners; and said money is hereby appropriated for that purpose, the balance, if any, to remain in the Insurance Examination Fund in the State Treasury subject to be expended for the purposes as are other funds placed therein. Examiners' remuneration and expenses shall be the same as that which would be paid by the home state of a company

under examination to persons conducting the examination of a Texas company admitted to do business in that State. If there be no recognized charge for such service, the Board of Insurance Commissioners shall fix the remuneration and expense allowance of the examiners at such reasonable figure as it may determine.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 826, ch. 307, § 4.]

**Art. 1.17. Appointment of Examiners and Assistants and Actuary by Board of Insurance Commissioners; Salaries**

The Board of Insurance Commissioners shall appoint such number of examiners, one of whom shall be the chief examiner, and such number of assistants as it may deem necessary for the purpose of making on behalf of the State of Texas and of the Board of Insurance Commissioners all such examinations of insurance companies, at the expense of such companies or corporations, as are required to be made or provided for by law; and it shall also appoint an actuary to the Board of Insurance Commissioners to advise the Board in connection with the performance of its duties and for aid and advice and counsel in connection with all such examinations required by law. include therein such information as may be prescribed by the Board, including the affidavit or affidavits provided by Article 2.05, and the proposed Articles of Incorporation or of Association, and shall deposit with the Board the fees prescribed by law.

Upon receipt of such application, the Board may set a date for the hearing of the same notifying all interested parties by notice published in one or more daily newspapers of this State of the place and date thereof, which date shall be not less than ten (10) nor more than thirty (30) days after the date of such notice.

A copy of such notice shall be given to the Attorney General of Texas. A representative of the Attorney General shall attend such hearing. The original examination report provided by Article 2.04 shall be a part of the record of the hearing.

Should the Board by an affirmative finding determine any of the above issues adversely to the applicants, it shall reject the application in writing giving the reason therefor. Otherwise such Board shall approve the application and submit the same to the Attorney General. If the Articles and the record and the procedure and action thereon shall be found by the Attorney General to be in accordance with the law of this State, and if he shall find that the applicants have complied with all applicable requirements of this Code, he shall attach thereto his certificate to that effect, whereupon such Articles shall be deposited with the Board in the office of its Chairman.

surplus required of a Lloyds, full coverage automobile insurance shall be construed as one line of casualty insurance;

4. The amount of its capital stock and its surplus, which shall in no case be less than \$100,000.00 capital and \$50,000.00 surplus in the event the company is incorporated to engage in the business of fire insurance and its allied lines, or marine insurance, or both, and which in no case shall be less than \$150,000.00 capital and \$75,000.00 surplus if the company is incorporated to engage in the casualty insurance business, including fidelity, guaranty, surety and trust business, and which in no case shall be less than \$200,000.00 capital and \$100,000.00 surplus in the event the company is incorporated to engage in the business of fire insurance and its allied lines, or marine insurance, or both fire and marine insurance, and the business of casualty insurance.

Upon such filing the Board may give notice by publication in one or more daily newspapers of this State of a public hearing upon such application, copy of such notice to be delivered to the Attorney General, and the representative of the Attorney General to appear at such hearing; provided that no hearing shall be required in event amendment to charter involves only a stock dividend by means of lawful transfer of surplus to capital or a change of name or a change of locality of the principal business office of said company or a combination of such amendments.

3. The applicants are acting in good faith;
4. If an amendment to charter involves a diminution of the company's charter powers with respect to the kinds of insurance business in which it may engage, in the manner prescribed by this Code, that all liabilities incident

to the exercise of the powers to be eliminated have been terminated or wholly reinsured;

5. The property involved in any increase of capital or surplus or both is properly valued and is as authorized by Article 2.08 or Article 2.10 of this Code, as same may be applicable.

Should the Board determine any of the above issues adversely to the applicants, it shall reject the application. Otherwise the Board shall approve the application and shall forward the application, the amendment, and complete files relating to the charter and the charter amendment, as well as its findings and the record thereof to the Attorney General for examination. If said amendment shall be found by the Attorney General to be in accordance with the law of this State, he shall attach thereto his certificate to that effect, whereupon such amendment shall be deposited with the Board in the office of its Chairman, and shall become effective.

#### Art. 2.07. Shares of Stock

##### Division

Sec. 1. (a) The shares of any insurance company organized under the laws of this State, if shares with a nominal or par value, shall be divided into shares of not less than One Dollar (\$1) each, and not more than One Hundred Dollars (\$100) each and the stockholders of any such company authorizing the issuance of its stock with a nominal or par value shall be required in good faith to subscribe and fully pay for shares representing at least fifty per cent (50%) of the aggregate par value of the shares authorized to be issued with a nominal or par value before said company shall be chartered or have its charter amended so as to authorize the issuance of shares with a nominal or par value. At the time of filing of an original charter or any amendment of an existing charter authorizing issuance of stock of a nominal or par value, the company shall file a statement under oath with the State Board of Insurance setting forth the aggregate number of shares with a nominal or par value subscribed and the actual aggregate consideration received by the company for such shares. Any and all such shares with a nominal or par value issued in accordance with the provisions of this Section shall be fully paid stock and not liable to any further call or assessment thereon, nor shall the subscriber or holder be liable for any further payments. The consideration received for such shares shall constitute capital to the extent of the par value of such share, and the excess, if any, of such consideration shall constitute surplus. In no event shall the capital or surplus be less than the minimum required by this Chapter.

(b) In the event all of the shares with a nominal or par value, authorized by the original charter or any amendment, are not subscribed and paid for at the time the original charter is granted, or the amendment is filed, then when such remaining shares with nominal or par value are sold and issued, the company shall file with the State Board of Insurance, within ninety (90) days after the issuance of such shares a certificate authenticated by the majority of the directors setting forth the aggregate number of such additional shares so issued and the

actual aggregate consideration received by the company for such shares. The consideration received for such shares shall constitute capital to the extent of the par value of such shares, and the excess, if any, of such consideration shall constitute surplus. All shares with a nominal or par value issued by the company shall be fully paid for prior to issuance at a rate of not less than the par value thereof. No further act on the part of the company and no charter amendment shall be necessary to effect the increase in capital or surplus, or both, of the company.

(c) The aggregate number of shares which the company has authority to issue may be increased or decreased from time to time by lawful charter amendment as long as shares representing at least fifty per cent (50%) of the aggregate par value of the shares authorized to be issued with a nominal or par value is in good faith subscribed and paid for in full.

(d) The privileges and powers conferred by this Article shall be in addition to any and all powers and privileges conferred by any other law or laws, and not in restriction or limitation of any of the powers now permitted to such companies; provided, however, life, health, or accident insurance companies operating under Chapter 3 of this Code<sup>1</sup> shall not utilize the provisions of this Article but shall comply with the provisions of Chapter 3 of this Code as amended.

Every such share shall be equal in all respects to every other such share; provided, however, that the stockholders of any such company authorizing the issuance of its stock without nominal or par value, shall be required in good faith to subscribe and pay for at least fifty (50) per cent of the authorized shares to be issued without nominal or par value, before said corporation shall be chartered or have its charter amended so as to authorize the issuance of shares without nominal or par value; and provided further that in no event shall the amount so paid be less than Two Hundred Fifty Thousand (\$250,000.00) Dollars.

##### Disposition of Authorized Capital Stock; Nominal or Par Value Shares Fully Paid and Unassessable

Sec. 3. Such companies may issue and dispose of their authorized shares having no nominal or par value for money or those notes, bonds, mortgages and stocks of which the law requires that capital stock of insurance companies shall consist. Any and all shares without nominal or par value issued for the consideration prescribed or fixed in accordance with the provisions of this Section shall be fully paid stock and not liable to any further call or assessment

thereon, nor shall the subscriber or holder be liable for any further payments.

Filing Certificate and Articles of Incorporation; Approval of Attorney General; Fee

Sec. 4. Insurance companies authorizing the issuance of shares of their stock without a nominal or par value, shall furnish to and file with the Board at the time of the filing of the charter or amendment to the charter, authorizing the issuance of such stock, a certificate authenticated by the incorporators as to the original charter and by a majority of the directors as to an amendment, setting forth the number of shares without nominal or par value subscribed, and the actual consideration received by the company for such shares, and upon receiving such certificate, together with a charter fee of Twenty-five (\$25.00) Dollars, it shall be the duty of the Board to submit such certificate and the articles of incorporation to the Attorney General for examination; and if he approves the same as conforming with law, he shall so certify and deliver same to the Chairman of the Board, who shall, upon receipt thereof, record the same in a book kept for that purpose; and upon receipt of a fee of One (\$1.00) Dollar, he shall furnish a certified copy of the charter to the incorporators or of the amendment to the directors, and same shall be effective. In case of original incorporation, said companies shall proceed to organize in the manner now provided by law for the organization of insurance companies.

Certificate Covering Shares of Nominal or No Par Value Sold or Issued

Sec. 5. In the event all of the shares of stock without nominal or par value, authorized by the original charter or any amendment, are not subscribed and paid for at the time the original charter is granted, or the amendment is filed, then when such remaining shares of stock without nominal or par value are sold and issued, the company shall file with the Board, within ninety (90) days after the issuance of such shares a certificate authenticated by a majority of the directors setting forth the number of such shares so issued and the actual consideration received by the company for such shares. That portion of the consideration received by the company for such shares and fixed by the Board of Directors, unless the charter or articles of incorporation reserve to the shareholders the right to fix the consideration, shall constitute capital, and the excess, if any, of such consideration shall constitute surplus. No further action on the part of the company and no charter amendment shall be necessary to effect the increase in capital or surplus, or both, of the company. The consideration received for such shares shall be the same as that required by Article 2.03, Section 5 of this Code.

Powers Granted Additional to Existing Powers

Sec. 6. The privileges and powers conferred by this article shall be in addition to any and all powers and privileges conferred by any other law or laws, and not in restriction or limitation of any of the

powers now permitted to such companies; provided, however, life, health or accident insurance companies operating under Chapter 3 of this Code shall not utilize the provisions of this article but shall comply with the provisions of Chapter 3 of this Code as amended.

Sec. 7. (a) Any such company desiring to purchase, either by tender offer or through negotiated private transaction, issued and outstanding shares of the capital stock of such company may purchase said shares in the name of such company, in accordance with the provisions of the Texas Business Corporation Act, provided prior approval is first obtained from the State Board of Insurance. Application for approval shall specify the number of shares offered, their description, the price offered by the company, the book value of said shares, their market value if a market exists, and any other pertinent information regarding the value of said shares and show that said shares will be purchased out of uncommitted earned surplus. A copy of said application shall be given to the seller prior to the filing of said application with the State Board of Insurance. Said application shall be promptly approved by the State Board of Insurance if the application appears to involve a reasonably fair price and complies with this Article and the Texas Business Corporation Act.

(b) Any such company, the shares of whose capital stock are listed on a national securities exchange and which desires to purchase in its own name and for its own account issued and outstanding shares of such capital stock by means of purchases from time to time on the open market may do so in accordance with the provisions of the Texas Business Corporation Act, provided prior approval is first obtained from the State Board of Insurance. (b) All electronic machines, constituting a data-processing system or systems, and all other office equipment, furniture, machines and labor-saving devices heretofore or hereafter purchased for and used in connection with the business of an insurance company to the extent that the total actual cash market value of all of such systems, equipment, furniture, machines and devices constitute less than five per cent (5%) of the otherwise admitted assets of such company; and provided further, that the total value of all such property of a company must exceed Two Thousand Dollars (\$2,000), to qualify hereunder.

(c) The Commissioner of Insurance may adopt regulations defining electronic machines and systems, office equipment, furniture, machines and labor-saving devices as used in subsection (b), and provide for the maximum period for which each such class of equipment may be amortized.

a life insurance company, or accident insurance company, or life and accident, health and accident, or life, health and accident insurance company. No such company shall transact more than one of the foregoing classes of business except in separate and distinct departments. In order to form such a company, the incorporators shall sign and acknowledge its articles of incorporation and file the same in the office of the Board of Insurance Commissioners. Such articles shall specify:

1. The name and place of residence of each of the incorporators;

2. The name of the proposed company, which shall contain the words "Insurance Company" as a part thereof, and the name selected shall not be so similar to that of any other insurance company as to be likely to mislead the public;

3. The location of its home office;

4. The kind or kinds of insurance business it proposes to transact;

5. The amount of its capital stock, not less than One Hundred Thousand (\$100,000.00) Dollars; all of which capital stock must be fully subscribed and fully paid up and in the hands of the incorporators before said articles of incorporation are filed. Such insurance company shall not be incorporated unless, at the time of incorporation, such company is possessed of at least One Hundred Thousand (\$100,000.00) Dollars surplus in addition to its capital; provided, the amount of such surplus need not be stated in its articles of incorporation. Such minimum capital and surplus shall, at the time of incorporation, consist only of lawful money of the United States or bonds of the United States or of this State or of any county or incorporated municipality thereof, or government insured mortgage loans which are otherwise authorized by this chapter, and shall not include any real estate; provided, however, that fifty (50%) per cent of the minimum capital may be invested in first mortgage real estate loans. After the granting of charter the surplus may be invested as otherwise provided in this Code. Notwithstanding any other provisions of this Code, such minimum capital shall at all times be maintained in cash or in the classes of investments described in this article;

6. The period of time it is to exist, which shall not exceed five hundred years;

7. The number of shares of such capital stock;

8. Such other provisions not inconsistent with the law as the incorporators may deem proper to insert therein.

Sec. 2. From and after the effective date of this Act the capital and surplus requirements of Paragraph 5 of Section 1 of Article 3.02 of this Code shall be the minimum capital and surplus requirements for any company which is subject to the provisions of Chapter 3 of this Code as amended; provided,

however, that no such company which was licensed and doing such business in this State prior to May 15, 1955 shall be required to increase the amount or convert the class or form if its existing capital or surplus to comply with the capital and surplus requirements of said Paragraph 5 of Section 1 hereof, but such company shall comply with the requirements of Subsection (a) hereof;

(a) Until the capital and surplus of such company is at least One Hundred Thousand (\$100,000.00) Dollars, no such company shall insure any life for more than Twenty Thousand (\$20,000.00) Dollars in the event of death from natural causes nor more than Forty Thousand (\$40,000.00) Dollars in the event of death from accidental causes. Provided, however, that when the net capital and surplus of any such company is not more than Thirty-five Thousand (\$35,000.00) Dollars, the excess over One Thousand (\$1,000.00) Dollars natural death benefit and Two Thousand (\$2,000.00) Dollars accidental death benefit under any policy issued by it shall be reinsured in some legal reserve company licensed in Texas; that when the net capital and surplus is Thirty-five Thousand and One (\$35,001.00) Dollars to Fifty Thousand (\$50,000.00) Dollars, the natural death benefit over Two Thousand (\$2,000.00) Dollars and accidental death benefit over Four Thousand (\$4,000.00) Dollars shall be so reinsured; that when the net capital and surplus is Fifty Thousand and One (\$50,001.00) Dollars to Seventy-five Thousand (\$75,000.00) Dollars, the natural death benefit over Three Thousand (\$3,000.00) Dollars and accidental death benefit over Six Thousand (\$6,000.00) Dollars shall be so reinsured; and when the net capital and surplus is Seventy-five Thousand and One (\$75,001.00) Dollars to less than One Hundred Thousand (\$100,000.00) Dollars, the natural death benefit over Four Thousand (\$4,000.00) Dollars and accidental death benefit over Eight Thousand (\$8,000.00) Dollars shall be so reinsured.

Sec. 3. Every life insurance company, or accident insurance company, or life and accident, health and accident, or life, health and accident insurance company incorporated or transacting such business in this State shall be subject to this Chapter 3 unless otherwise expressly provided by this Code.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 3.]

#### Art. 3.02a. Shares of Stock

(a) The shares of any life, health or accident insurance company organized or operating under the provisions of this Chapter may be divided or converted into shares of either par value or no par value, or some of each, and all issued shares shall be fully paid and nonassessable. If divided or converted into shares of par value, each share shall be for not less than One Dollar (\$1) nor more than One Hundred Dollars (\$100) and the stockholders of any such

company authorizing the issuance of its stock with a nominal or par value shall be required in good faith to subscribe and fully pay for shares representing at least fifty per cent (50%) of the aggregate par value of the shares authorized to be issued with a nominal par value before said company shall be chartered or have its charter amended so as to authorize the issuance of shares with a nominal or par value. At the time of filing of an original charter or any amendment of an existing charter authorizing the issuance of stock with a nominal or par value, the company shall file a statement under oath with the State Board of Insurance setting forth the aggregate number of shares with a nominal or par value subscribed and the actual aggregate consideration received by the company for such shares. If divided or converted into shares of no par value, every such share shall be equal in all respects to every other such share. At the time of filing of an original charter or any amendment of an existing charter authorizing the issuance of stock with no par value, the company shall file a statement under oath with the State Board of Insurance setting forth the number of shares without par value subscribed and the actual consideration received by the company for such shares. Provided, however, that the stockholders of any such company authorizing the issuance of its stock without nominal or par value, shall be required in good faith to subscribe and pay for at least fifty per cent (50%) of the authorized shares to be issued without nominal or par value, before said corporation shall be chartered or have its charter amended so as to authorize the issuance of shares without nominal or par value; and provided further, that in no event shall the amount so paid be less than Two Hundred Fifty Thousand Dollars (\$250,000). The aggregate number of shares which the company has authority to issue may be increased or decreased from time to time by lawful charter amendment so long as at least fifty per cent (50%) of the aggregate number of the authorized shares to be issued without nominal or par value is in good faith subscribed and paid for and so long as shares representing at least fifty per cent (50%) of the aggregate par value of the shares authorized to be issued with a nominal or par value has been in good faith subscribed and paid for in full; provided that authorized but unissued shares shall not constitute capital or stock or capital stock of such company.

(b) Such companies may issue and dispose of their authorized shares having no nominal or par value for money or those notes, mortgages and stocks of which the law requires that capital stock of insurance companies shall consist. Any and all shares without nominal or par value issued for the consideration prescribed or fixed in accordance with the provisions of this Article shall be fully paid stock and not liable to any further call or assessment thereon, nor shall the subscriber or holder be liable for any further payments. The consideration received for shares with a nominal or par value shall constitute capital to the extent of the par value of such shares, and the excess, if any, of such consider-

ation shall constitute surplus. In the case of issuance of shares without a nominal or par value, that portion of the consideration fixed by the Board of Directors, unless the charter or the articles of incorporation reserve to the shareholders the right to fix the consideration, shall constitute capital and the excess, if any, of such consideration shall constitute surplus. All shares with a nominal or par value issued by the company shall be fully paid for prior to issuance at a rate of not less than the par value thereof. In no event shall the capital or surplus be less than the minimum required by this Chapter.

(c) In the event all of the shares without nominal or par value, authorized by the original charter or any amendment, are not subscribed and paid for at the time the original charter is granted, or the amendment is filed, then when such remaining shares without nominal or par value are sold and issued, the company shall file with the State Board of Insurance within ninety (90) days after the issuance of such shares, a certificate authenticated by a majority of the directors setting forth the number of such shares so issued and the actual consideration received by the company for such shares. In the event all of the shares with a nominal or par value, authorized by the original charter or any amendment, are not subscribed and paid for at the time the original charter is granted, or the amendment is filed, then when such remaining shares with a nominal or par value are sold and issued, the company shall file with the Board, within ninety (90) days after the issuance of such shares, a certificate authenticated by a majority of the directors setting forth the aggregate number of shares so issued and the actual aggregate consideration received by the company for such shares. In the case of the issuance by a company of any of its authorized shares having a nominal or par value, the consideration received therefor shall constitute capital to the extent of the par value of such shares, and the excess, if any, of such consideration shall constitute surplus. In case of the issuance by a company of any of its authorized shares without a nominal or par value, that portion of the consideration fixed by the Board of Directors, unless the charter or articles of incorporation of the company reserve to the shareholders the right to fix the consideration, shall constitute capital, and the excess, if any, shall constitute surplus. All shares with a nominal or par value issued by the company shall be fully paid for prior to issuance at a rate of not less than the par value thereof. No further action on the part of the company and no charter amendment shall be necessary to effect the increase in capital or surplus, or both, of the company.

(d) Nothing herein contained shall be construed to impair the charter rights of companies heretofore authorized to issue stock of no par value or par value.

[Acts 1955, 54th Leg., p. 916, ch. 363, § 4; Acts 1961, 57th Leg., p. 1112, ch. 503, § 2.]

### Art. 3.03. Repealed by Acts 1955, 54th Leg., p. 916, ch. 363, § 5

The repealed article was derived from: Acts 1951, 52nd Leg., ch. 491; R.S.1925, art. 4752 (Acts 1909, p. 210, § 56; R.S.1911, art. 4762) as amended by Acts 1941, 47th Leg., p. 797, ch. 495, § 1; Acts 1947, 50th Leg., p. 351, ch. 199, § 1.

For provisions relating to incorporation of insurance companies, see now art. 3.02.

### Art. 3.04. Application, Charter and Organization

Sec. 1. As a condition precedent to the granting of a charter of any such company, the incorporators shall file with the Board of Insurance Commissioners the following:

1. An application for charter on such form and including therein such information as may be prescribed by the Board;

2. The articles of incorporation as provided in this Code;

3. An affidavit made by two (2) or more of its incorporators that all of the stock has been subscribed in good faith and fully paid for, as required by law, in the amount of not less than One Hundred Thousand Dollars (\$100,000) capital and that such company is possessed of at least One Hundred Thousand Dollars (\$100,000) surplus, as required by law, in addition to its capital; which affidavit shall state that the facts set forth in the application and the articles of incorporation are true and correct and that the capital and surplus is the bona fide property of such company. The State Board of Insurance may, in its discretion, at the expense of the incorporators, require other and additional satisfactory evidence of the matters required to be set forth in said affidavit before it shall be required to file the articles of incorporation, application for charter or follow the procedure hereinafter set forth;

4. A charter fee of Twenty-five Dollars (\$25.00).

Sec. 2. When such application for charter, articles of incorporation, affidavit, and charter fee are filed with the Board of Insurance Commissioners, the Board may set a date for a public hearing of the same, which date shall be not less than ten (10) nor more than thirty (30) days after the date of notice thereof. The Board shall notify in writing the person or persons submitting such application of the date for such hearing and shall furnish a copy of such notice to the Attorney General of Texas and to all interested parties including any parties who have theretofore requested a copy of such notice. The Board shall, at the expense of the incorporators, publish a copy of such notice in any newspaper of general circulation in the county of the proposed home office of said company. In all such public hearings on such applications, a record shall be made of such proceedings, and no such application shall be granted except when same is adequately supported by competent evidence. Any interested party shall have the right to oppose or support the granting or

denial of such application and may intervene and participate fully and in all respects in any hearing or other proceeding had on any such application. Any such intervenor shall have and enjoy all the rights and privileges of a proper or necessary party in a civil suit in the courts of this state, including the right to be represented by counsel.

Sec. 3. In considering any such application, the Board shall, within thirty (30) days after public hearing, determine whether or not:

(a) The minimum capital and surplus, as required by law, is the bona fide property of the company;

(b) The proposed officers, directors and managing executive have sufficient insurance experience, ability and standing to render success of the proposed company probable;

(c) The applicants are acting in good faith.

Sec. 4. If the Board shall determine by an affirmative finding any of the above issues adversely to the applicants, it shall reject the application in writing giving the reason therefor. Otherwise, the Board shall approve the application and submit such application together with the articles of incorporation and the affidavit to the Attorney General for examination. If the application, articles of incorporation, the affidavit and the procedure and action thereon shall be found by the Attorney General to be in accordance with the laws of this state, he shall attach thereto his certificate to that effect, whereupon all such documents shall be deposited with the Board. Upon receipt by the Board of such documents so certified by the Attorney General, the Board shall record the same in a book kept for that purpose; and upon receipt of a fee of One Dollar (\$1.00), it shall furnish a certified copy of the same to the incorporators, upon which they shall become a body politic and corporate and may proceed to complete the organization of the company, for which purpose they shall forthwith call a meeting of the stockholders who shall adopt bylaws for the government of the company, and elect a board of directors of not less than five (5) members; which board shall have full control and management of the affairs of the corporation, subject to the bylaws thereof as adopted or amended from time to time by the stockholders or directors, and to the laws of this state. The board of directors so elected shall serve until the fourth Tuesday in April thereafter, on which date, there shall be held a meeting of the stockholders at the home office, and a board of directors elected for the ensuing year; provided, however, that when the board of directors shall consist of nine (9) or more members, in lieu of electing the whole number of directors annually, the bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the terms of office of directors of the first class to expire at the first annual meeting of stockholders after their election, that of the second class to expire at the second annual meeting after their election,

and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No classification of directors shall be effective prior to the first annual meeting of stockholders. Annual meetings of the stockholders, after the first meeting, shall be held at the home office of the company on or before April 30 of each year as may be prescribed in the bylaws of the corporation. If the stockholders fail to elect directors at any annual meeting, directors may be elected at a special meeting of the stockholders called for that purpose. Neither directors nor officers need be stockholders unless the articles of incorporation or bylaws so require. The directors shall choose a president from their own number, and all other officers shall be chosen in accordance with the bylaws of the company, and none of such other officers need be a director except as required by the bylaws of such company. The duties and compensation of officers of such company shall be in accordance with the bylaws of the company, or, to the extent of the absence of provisions governing the same in the bylaws, then the duties and compensation of officers shall be defined and fixed by the directors. The directors shall keep a full and correct record of their transactions to be open during business hours to the inspection of stockholders. The directors shall fill any vacancy which occurs in the board or in any office of such company. A majority of the board shall be a quorum for the transaction of such business. At all meetings of the stockholders, each stockholder shall be entitled to one vote for each share of stock fully paid up appearing in his name on the books of the company, except to the extent that the voting rights of the shares of any class or classes of stock are increased, limited or denied by the articles of incorporation as authorized or permitted by the Texas Business Corporation Act, which vote may be given in person or by written proxy. The majority of the paid up capital stock at any meeting of the stockholders shall be a quorum.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 6; Acts 1957, 55th Leg., p. 261, ch. 122, § 1; Acts 1959, 56th Leg., p. 937, ch. 433, § 1; Acts 1965, 59th Leg., p. 16, ch. 8, § 1, eff. Feb. 25, 1965.]

#### Art. 3.05. Amendment of Charter

(a) At any regular or called meeting of the stockholders, they may, by resolution, provide for any lawful amendment to the charter or articles of incorporation; and such amendment, accompanied by a copy of such resolution duly certified by the president and secretary of the company, shall be filed and recorded in the same manner as the original charter, and shall thereupon become effective. Stockholders representing a majority of the capital stock of any such company may in such manner also increase or

reduce the amount of its capital stock. The capital stock shall in no case be reduced to less than the minimum amount of fully paid up capital stock required by applicable provisions of law. A statement of any such increase or reduction shall be signed and acknowledged by two officers of the company and filed and recorded along with the certified copy of the resolution of the stockholders provided therefor in the same manner as the charter or amendment thereto. For any such increase or reduction, the company may require the return of the original certificates as other evidence of stock in exchange for new certificates issued in lieu thereof. The shares of stock of such company shall be transferable on its books, in accordance with law and the by-laws of the company, by the owner in person or his authorized agent. Every person becoming a stockholder by such transfer shall succeed to all rights of the former holder of the stock transferred, by reason of such ownership.

(b) Any legal reserve life insurance company may purchase in the name of such company, issued and outstanding shares of the capital stock of such company in accordance with the provisions of the Texas Business Corporation Act. Purchases of stock under this paragraph shall not be deemed an investment nor shall such purchases be held in violation of the provisions of the Texas Insurance Code governing eligible investments for such company. Any such company, immediately or within ten days after such purchase, shall file a statement with the Commissioner of Insurance, which statement shall set forth the name of the shareholder or shareholders from whom such shares have been purchased and the sum of money paid for such shares.

[Acts 1951, 52nd Leg., ch. 491; Acts 1967, 60th Leg., p. 720, ch. 301, § 1, eff. Aug. 28, 1967.]

#### Art. 3.06. Original Examination and Certificate

When the first meeting of the stockholders shall be held and the officers of the company elected, the president or secretary shall notify the Board of Insurance Commissioners; and it shall thereupon immediately make, or cause to be made, at the expense of the company, a full and thorough examination thereof. If it finds that all of the capital of the company, as required by law, has been fully paid up and that the capital and surplus is in the custody of the officers, in cash or securities of the class authorized by Article 3.02 of the Insurance Code as amended, it shall issue to such company a certificate of authority to transact such kind or kinds of insurance business within this State as such officers may apply for and as may be authorized by its charter; which certificate shall be issued for a period of not more than fifteen (15) months, and not extending more than ninety (90) days beyond the last day of February next after date of its issuance, on which date such certificate shall expire by its terms unless revoked or suspended according to law. Before such certificate is issued, not less than two (2) officers of such company shall execute and file with the Board of Insurance Commissioners a sworn schedule of all

the assets of the company exhibited to the Board upon such examination showing the value thereof, together with a sworn statement that the same are bona fide, the unconditional and unencumbered property of the company, and are worth the amount stated in such schedule. No original or first certificate of authority shall be granted, except in conformity herewith, regardless of the date of filing of the articles of incorporation with the Board of Insurance Commissioners.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 7.]

*[Repeal of this article to the extent that it requires periodic renewal of certificates, see note under art. 1.14.]*

#### Art. 3.07. Shall File Annual Statement

Each "domestic" company shall, after the first day of January of each year and before the first day of March following, and before the renewal of its certificate of authority to transact business, prepare, under oath of two of its officers, and deposit in the office of the Board of Insurance Commissioners, a statement, accompanied with the fee for filing annual statements of Twenty (\$20.00) Dollars, showing the condition of the company on the thirty-first day of December the next preceding, which shall include a statement in detail showing the character of its assets and liabilities on that date, the amount and character of business transacted, moneys received and how expended during the year, and the number and amount of its policies in force on that date in Texas, and the total amount of its policies in force.

[Acts 1951, 52nd Leg., ch. 491.]

#### Art. 3.08. Renewal Certificates

Whenever any such company, transacting insurance business in this State, shall have filed its annual statement in accordance with the preceding article, showing a condition which entitles it to transact business in this State in accordance with the provisions of this chapter, the Board of Insurance Commissioners shall, upon a receipt of a fee of One (\$1.00) Dollar, issue a renewal certificate of authority to such company for a period of not more than fifteen (15) months, and not extending more than ninety (90) days beyond the last day of February next after the date of its issuance, on which date such certificate shall expire by its terms unless revoked or suspended according to law.

[Acts 1951, 52nd Leg., ch. 491.]

*[Repeal of this article to the extent that it requires periodic renewal of certificates, see note under art. 1.14.]*

#### Art. 3.09. Copy of Certificates for Agents

Any such company organized under the laws of this State, having received authority from the Board of Insurance Commissioners to transact business in this State, shall receive from such Board, upon written request therefor, a certified copy of its certificate of authority for each of its agents in this State.

[Acts 1951, 52nd Leg., ch. 491.]

**Art. 3.10. May Reinsure**

Any domestic company may reinsure in any insurance company licensed to transact business in any state or district of the United States, any risk or part of a risk which it may assume; provided, however, no credit for the reserve liability on such reinsurance may be taken by the ceding company unless the assuming insurer is licensed to do business in this state and, provided further, no company operating under Section 2(a) of Article 3.02 shall reinsure any risk or part of a risk with any insurer which is not licensed to do business in this state. No such company shall have the power to reinsure its entire outstanding business unless the assuming insurer is licensed in this state and until the contract therefor shall be submitted to the Commissioner of Insurance of Texas and approved by him as protecting fully the interests of all policyholders. [Acts 1951, 52nd Leg., ch. 401; Acts 1961, 57th Leg., p. 447, ch. 220, § 1.]

**Art. 3.11. Dividends; How Paid**

No life insurance company shall declare or pay any dividends to its policyholders, except from the expense loading and profits made by such company; provided, however, any such company not showing a profit may pay dividends on its participating policies from the expense loading on such policies; and provided further, that any payment of dividends from the expense loading shall not be discriminatory as between policyholders. This shall not prohibit the issuance of policies guaranteeing, by coupons or otherwise, definite payments or reductions in premiums, but any such guarantee contained in policies or coupons issued after the effective date of this Act shall be treated as a definite contract benefit and so valued according to the reserve requirements of this Chapter using in the case of policies or coupons issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law) reserve valuation net premium for such benefits which is a uniform percentage of the gross premium, provided that any policy containing such a contract benefit may be valued on a basis which provides for not more than one (1) year preliminary term insurance, and using in the case of policies or coupons issued on or after the operative date of Article 3.44a the commissioners reserve valuation method as defined in Article 3.28. No such company shall declare or pay any dividends to its stockholders, except from the earned surplus of said company, as defined in, and in the manner authorized or provided by the Texas Business Corporation Act. Nothing in this Section with respect to reserves shall apply to any policy issued prior to September 7, 1955.

[Acts 1951, 52nd Leg., ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 8; Acts 1963, 58th Leg., p. 1117, ch. 434, § 1; Acts 1963, 58th Leg., p. 1362, ch. 518, § 1.]

Acts 1963, 58th Leg., p. 1362, ch. 518, § 2 provided: "All laws or parts of laws relating to stockholder dividends of life insurance companies organized under Chapter 3 of the Insurance Code which are in conflict with this Act are expressly repealed to the extent of the conflict only; and this Act shall prevail over any conflicting provisions or laws."

**Art. 3.12. Compensation of Officers and Others; Including Pensions**

(a) No "domestic" company shall pay any salary, compensation or emolument to any officer, trustee, or director thereof, nor any salary, compensation or emolument amounting in any year to more than Twenty Thousand Dollars (\$20,000) to any person, firm or corporation, unless such payment be first authorized by a vote of the board of directors of such company, or by a committee of such board charged with the duty of authorizing such payments. The limitation as to time contained herein shall not be construed as preventing any "domestic" company from entering into contracts with its agents for the payment of renewal commissions.

(b) The stockholders of any such "domestic" company may authorize the inauguration of a plan or plans for the payment of pensions, retirement benefits or group insurance to its officers and employees. The stockholders may delegate to the board of directors authority and responsibility for the preparation, inauguration, putting into effect, final approval and administration of any such plan or plans or any amendments thereof.

(c) Mutual companies, acting through their policyholders, may exercise the same discretion and shall have the same authority, privileges and rights as are conferred upon "domestic" companies under Subparagraph (b) next above.

[Acts 1951, 52nd Leg., ch. 491; Acts 1957, 55th Leg., p. 1330, ch. 451, § 1; Acts 1971, 62nd Leg., p. 2857, ch. 936, § 1, eff. June 15, 1971.]

Section 2 of the 1971 amendatory act provided: "If any provision of this Act or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect any other provision or application of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

**Art. 3.13. Disbursement by Vouchers**

No "domestic" company shall make any disbursement of One Hundred (\$100.00) Dollars or more, unless the same be evidenced by a voucher signed by, or on behalf of, the person, firm or corporation receiving the money and correctly describing the consideration for the payment. If the expenditure be for both services and disbursements, the voucher shall set forth the service rendered and statement of the disbursement made. If the expenditure be in connection with any matter pending before any legislature or public body, or before any department or officer of any state or government, the voucher shall correctly describe, in addition, the nature of the matter and of the interest of such company therein. When such voucher cannot be obtained, the expenditure shall be evidenced by a paid check or an affidavit describing the character and object of the expenditure, and stating the reason for not obtaining such voucher.

[Acts 1951, 52nd Leg., ch. 491.]

**Art. 3.14. To Deposit Funds in Name of Company**

charged with the duty of handling or investing its funds, shall not deposit or invest such funds, except in the corporate name of such company; shall not borrow the funds of such company; shall not be interested in any way in any loan, pledge, security, or property of such company, except as stockholder; shall not take or receive to his own use any fee, brokerage, commission, gift or other consideration for, or on account of, a loan made by or on behalf of such company.

[Acts 1951, 52nd Leg., ch. 491.]

#### Art. 3.15. Deposit of Securities in Amount of Capital Stock

(a) Any "domestic" company may, at its option, deposit with the Treasurer of this State, securities in which its capital stock is invested, or securities equal in amount to its capital stock, of the class in which the law of this State permits such insurance companies to invest their capital stock, and may, at its option, withdraw the same or any part thereof, first having deposited with the Treasurer, in lieu thereof, other securities of like class and equal amount and value to those withdrawn. Any such securities, before being so originally deposited or substituted, shall be approved by the Board of Insurance Commissioners. When any such deposit is made, the Treasurer shall execute to the company making such deposit a receipt therefor, giving such description of said stock or securities as will identify the same, and stating that the same are held on deposit as the capital stock investments of such company; and such company shall have the right to advertise such fact or print a copy of the Treasurer's receipt on the policies it may issue; and the proper officer or agent of each insurance company making such deposit shall be permitted at all reasonable times to examine such securities and to detach coupons therefrom, and to collect interest thereon, under such reasonable rules and regulations as may be prescribed by the Treasurer and the Board of Insurance Commissioners. The deposit herein provided for, when made by any company, shall thereafter be maintained so long as said company shall have outstanding any liability to its policyholders in this State. For the purpose of state, county and municipal taxation, the situs of securities deposited with the treasurer by domestic insurance companies shall be in the city and county where the principal business office of such company is fixed by its charter.

(b) When two or more companies merge or consolidate or enter a total reinsurance contract by which the ceding company is dissolved and its assets acquired and liabilities assumed by the surviving company, and the companies have on deposit with the State Treasurer two or more deposits made under Article 3.15 of the Texas Insurance Code, as amended, all such deposits, except the deposit of greatest amount and value may be withdrawn by the new, surviving or reinsuring company upon proper showing before the Commissioner that the company is the owner thereof. The Treasurer of the State of Texas

shall release, transfer and deliver such deposit or deposits to the owner as directed by order of the Commissioner.

Said State Board of Insurance may cause any such securities or real estate to be appraised and valued prior to their being deposited with or conveyed to it, in trust as aforesaid; the reasonable expense of such appraisal or valuation to be paid by the company. Under the provisions of this Article, registered as well as unregistered United States Government securities may be deposited.

## SUBCHAPTER C. RESERVES AND INVESTMENTS

### Art. 3.28. Standard Valuation Law

#### Title

Sec. 1. This Article shall be known as the Standard Valuation Law.

Valuation of Reserve Liabilities for Life Policies and Endowment Contracts

Sec. 2. The State Board of Insurance shall annually value, or cause to be valued, the reserve liabilities (hereinafter called reserves) for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurance company doing business in this state, except that in the case of an alien company, such valuation shall be limited to its United States business, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest and methods (net level premium method or other) used in the calculation of such reserves. In calculating such reserves, the Board may use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves herein required of any foreign or alien company, the Board may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard herein provided and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the State Board of Insurance when such certificate states the valuation

to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction.

Terms and Rules in Computing Reserve Liability on Policies and Contracts Issued Prior to Operative Date of Standard Non-forfeiture Law

Sec. 3. This Section shall apply only to those policies and contracts issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law). The reserve liability of all such policies and contracts shall be computed in accordance with their terms and the following rules:

(1) As respects policies issued prior to the first day of January, 1910, the computation shall be on the basis of the American Experience Table of Mortality and four and one-half per cent (4½%) interest per annum.

(2) As respects policies issued after the 31st day of December, 1909, and prior to January 1, 1948, the computation shall be on the basis of the Actuaries or Combined Experience Table of Mortality with four per cent (4%) interest per annum, if the interest rate guaranteed in the policy is four per cent (4%) per annum or higher. If any such policies were issued upon a reserve basis of an interest rate lower than four per cent (4%) per annum, then the computation shall be made on the basis of the American Experience Table of Mortality with interest at such lower specified rate.

(3) As respects policies issued after the 31st day of December, 1947, the computation shall be on the basis of the mortality table and interest rate specified in the respective policies, provided that (1) the specified rate of interest shall not exceed three and one-half per cent (3½%) per annum; (2) the specified table for policies other than policies of industrial life insurance shall be the American Experience Table of Mortality, the American Men Ultimate Table of Mortality, the Commissioners 1941 Standard Ordinary Mortality Table, or, as respects policies issued after the 31st day of December, 1959, the Commissioners 1958 Standard Ordinary Mortality Table; and (3) the specified table for policies of industrial life insurance shall be the American Experience Table of Mortality, the Standard Industrial Mortality Table, the Sub-Standard Industrial Mortality Table, the 1941 Standard Industrial Mortality Table, or the 1941 Sub-Standard Industrial Mortality Table, or, as respects policies issued after the 31st day of December, 1963, the Commissioners 1961 Standard Industrial Mortality Table.

(4) As respects policies on female risks issued after the 31st day of December, 1959, other than policies of industrial life insurance, computation shall be based on any mortality table and rate of interest permitted under the preceding paragraph (3) and specified in the respective policies, but may at the option of the company be based

on an age not more than three (3) years younger than the actual age of the insured.

(5) Except as otherwise provided in Subsection (b) of Section 4 with respect to coverages purchased on or after the operative date of such subsection under group annuity and pure endowment contracts, as respects policies issued on substandard risks and annuity contracts and contracts or policies for disability benefits and accidental death benefits, the computation shall be on the basis of the standards and methods adopted by the respective companies and approved by the State Board of Insurance.

(6) The reserve values of all policies of group insurance issued prior to May 15, 1947, shall be computed upon the basis of the American Men Ultimate Table of Mortality with interest at the rate of three per cent (3%) or three and one-half per cent (3½%) per annum as provided in such policies. The reserve values of all policies of group insurance issued on and subsequent to May 15, 1947, and prior to January 1, 1961, shall be computed upon the basis of either the American Men Ultimate Table of Mortality or the Commissioners 1941 Standard Ordinary Mortality Table with interest at a rate not in excess of three and one-half per cent (3½%) per annum as provided in such policies. The reserve values of all policies of group insurance issued on and subsequent to January 1, 1961, shall be computed on the basis of an interest rate not exceeding three and one-half per cent (3½%) per annum and such mortality table as shall be adopted by the company with the approval of the State Board of Insurance.

Sec. 4. (a) This Section shall apply to only those policies and contracts issued on or after the operative date of Article 3.44a (the Standard Non-forfeiture Law), except as otherwise provided in Subsection (b) of this Section for coverages purchased on or after the operative date of such subsection under group annuity and pure endowment contracts issued prior to such operative date. Except as otherwise provided in Subsection (b) of this Section, the minimum standard for the valuation of all such policies and contracts shall be the commissioners reserve valuation method defined in Section 5, three and one-half per cent (3½%) interest, or in the case of policies and contracts other than annuity and pure endowment contracts, issued on or after the effective date of this amendatory Act of 1973 and prior to January 1, 1986, four per cent (4%) interest, and the following tables:

(2) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies, the 1941 Standard Industrial Mortality Table for such policies issued prior to the operative date of Section 7 of Article 3.44a (the Standard Non-forfeiture Law) as amended, and the Commissioners 1961 Standard Industrial Mortality Table for such policies issued on or after such operative date.

(3) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies, the 1937 Standard Annuity Mortality Table or, at the option of the company, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the State Board of Insurance.

(5) For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1974, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit; for policies or contracts issued on or after the operative date of Article 3.44a, and prior to January 1, 1974, either such tables or, at the option of the company, the Class (3) Disability Table (1926), or such other basis as may be approved by the State Board of Insurance. Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(6) For accidental death benefits in or supplementary to policies, for policies issued on or after January 1, 1974, the 1959 Accidental Death Benefits Table; for policies issued on or after the operative date of Article 3.44a, and prior to January 1, 1974, either such table or, at the option of the Company, the Inter-Company Double Indemnity Mortality Table, or such oth-

(7) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the State Board of Insurance.

(b) The minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after the operative date of this Section 4(b), as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, regardless of the issue date of such contracts, shall be the commissioners reserve valuation method defined in Section 5 and the following tables and interest rates:

(1) For individual annuity and pure endowment contracts issued prior to January 1, 1986, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and six per cent (6%) interest for single premium immediate annuity contracts, and four per cent (4%) interest for all other individual annuity and pure endowment contracts.

(3) For all annuities and pure endowments purchased prior to January 1, 1986, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and six per cent (6%) interest.

(4) For all annuities and pure endowments purchased on or after January 1, 1986, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and three and one-half per cent (3½%) interest.

date for individual annuity and pure endowment contracts from that elected for group annuity and pure endowment contracts. If a company makes no such election, the operative date of this Subsection (b) for such company shall be January 1, 1979.

Reserves for Life Insurance and Endowment Benefits of Policies Providing Uniform Amount of Insurance and Requiring Payment of Uniform Premiums

Sec. 5. Reserves according to the commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of (a) over (b), as follows:

(a) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the nineteen year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy.

(b) A net one year term premium for such benefits provided for in the first policy year.

Reserves according to the commissioners reserve valuation method for (1) life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums, (2) annuity and pure endowment contracts, (3) disability and accidental death benefits in all policies and contracts, and (4) all other benefits, except life insurance and endowment benefits in life insurance policies, shall be calculated by a method consistent with the principles of the preceding paragraph, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums. Such impairments and special hazards may also be disregarded in determining present value of benefits.

Aggregate Reserves for all Life Policies; Minimum Amount

Sec. 6. In no event shall a company's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after the operative date of Article 3.44a (the Stand-

ard Non-forfeiture Law), be less than the aggregate reserves calculated in accordance with the method set forth in Section 5 and the mortality table or tables and rate or rates of interest used in calculating non-forfeiture benefits for such policies.

Calculation of Reserves for Policies and Contracts Issued Prior to Operative Date of Standard Non-forfeiture Law; Standards

Sec. 7. Reserves for all policies and contracts issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law) may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.

Reserves for any category of policies, contracts or benefits as established by the State Board of Insurance, issued on or after the operative date of Article 3.44a (the Standard Non-forfeiture Law), may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used shall not be higher than the corresponding rate or rates of interest used in calculating any non-forfeiture benefits provided for therein. Provided, however, that reserves for participating life insurance policies issued on or after the operative date of Article 3.44a (the Standard Non-forfeiture Law) may, with the consent of the State Board of Insurance, be calculated according to a rate of interest lower than the rate of interest used in calculating the non-forfeiture benefits in such policies, with the further proviso that if such lower rate differs from the rate used in the calculation of the non-forfeiture benefits by more than one-half ( $\frac{1}{2}\%$ ) per cent the company issuing such policies shall file with the State Board of Insurance a plan providing for such equitable increases, if any, in the cash surrender values and non-forfeiture benefits in such policies as the State Board of Insurance shall approve.

Any such company which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the State Board of Insurance, adopt any lower standard of valuation, but not lower than the minimum herein provided.

#### PART III. SEPARATE ACCOUNTS

Any domestic life insurance company may establish one or more separate accounts, and may allocate to such separate account or accounts, in accordance with the terms of a written agreement, any amounts paid to the company in connection with a pension, retirement or profit sharing plan which are to be applied to provide benefits payable in fixed or variable dollar amounts, subject to the following conditions and limitations:

(a) The amounts allocated to each such account and accumulations thereon may be invested and reinvested in any class of investments which may be authorized in the written agreement without regard to any requirements or limitations prescribed by this Chapter Three of the Insurance Code or by any other laws of this state governing the investments of domestic life insurance companies; provided, that to the extent that the company's reserve liability with regard to (1) benefits guaranteed as to amount and duration, and (2) funds guaranteed as to principal amount or stated rate of interest is maintained in any separate account, a portion of the assets of such separate account at least

equal to such reserve liability shall be invested in accordance with the laws of this state governing the investments of domestic life insurance companies. The investments in such separate accounts shall not be taken into account in applying the investment limitations applicable to other investments of the company.

(b) The income, if any, and gains and losses, realized or unrealized on each account shall be credited to or charged against the amounts allocated to the account in accordance with the written agreement, without regard to other income, gains or losses of the company.

(c) Assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, than in accordance with the terms of the applicable written agreement; provided, that the portion of the assets of such separate account at least equal to the company's reserve liability with regard to the guaranteed benefits and funds referred to in Subsection (a) hereof, if any, shall be valued in accordance with the rules otherwise applicable to the company's assets.

(e) No investment shall be transferred between separate accounts or between separate and other accounts, unless the State Board of Insurance shall authorize such transfer in circumstances where such transfer would not be inequitable.

(f) If the agreement provides for payment of benefits in variable amounts, any contract delivered, issued or used in this state providing for such variable benefits shall be a group annuity contract. Such contract shall:

(1) Contain an undertaking by the insurance company to provide, to the extent of the interest in such separate account of the employer and of the covered employees, for the future issue of annuities payable to covered employees on or after their retirement, whether such annuities are payable only in variable dollar amounts or in both variable and fixed dollar amounts; and

(2) Be made in connection with a plan (other than one covering employees some or all of whom are employees within the meaning of Section 401(c)(1), as it now exists or may hereafter be amended, of the Internal Revenue Code) which meets the requirements for qualifications under Section 401, as it now exists or may hereafter be amended, of the Internal Revenue Code or the requirements for deduction of the employers' contributions under Section 404(a)(2), as it now exists or may hereafter

be amended, of said Code whether or not the employer deducts the amount paid for the contract under such section; and

(3) Prohibit the allocation to the separate account of any payment or contribution made by the employee; and

(g) No domestic life insurance company, and no foreign life insurance company admitted to transact business in this state, shall be authorized to deliver, issue or use within this state any group annuity contract providing benefits in variable amounts until said company has satisfied the State Board of Insurance that its condition or methods of operation in connection with the issuance of such contracts will not be such as would render its operation hazardous to the public or its policyholders in this state. In determining the qualification of a company requesting authority to deliver such contracts within this state, the State Board of Insurance shall consider, among other things,

(1) The history and financial condition of the company;

(2) The character, responsibility and general fitness of the officers and directors of the company; and

(3) In the case of a foreign company whether the regulation provided by the state, province or country of its domicile provides a degree of protection to policyholders and the public which is substantially equal to that provided by this section and the rules and regulations issued thereunder.

(h) Nothing contained in this Part III of Article 3.39 of the Insurance Code shall be deemed to authorize the delivery, issue or use in this state of any annuity contract providing benefits in variable amounts other than the group annuity contracts meeting the requirements of paragraph (f) of this Part III of Article 3.39, and the reserve liability for such group annuity contracts shall be established by the State Board of Insurance pursuant to the requirements of the Standard Valuation Law in accordance with actuarial procedures that recognize the variable nature of the benefits provided.

(i) Notwithstanding any other provision of law, the State Board of Insurance shall have sole authority to issue such reasonable rules and regulations as may be necessary to carry out the purposes and provisions of this Part III of Article 3.39 of the Insurance Code.

(j) Nothing herein shall be construed or applied so as to authorize any life insurance company to invest any of its funds or accumulations in real property unless authorized to do so by this Act or some other existing law of the State of Texas.

the disposition of its property shall be at all times within the control of its Board of Directors. [Acts 1961, 57th Leg., p. 925, ch. 410, § 2.]

#### Art. 3.40. May Hold Real Estate

Every such insurance company may secure, hold and convey real property only for the following purposes and in the following manner:

1(a). One building site and office building for its accommodation in the transaction of its business and for lease and rental; and such office building may be on ground on which the company owns a lease having not less than fifty (50) years to run from the date of its acquisition by the company, provided that the company shall own, or be entitled to the use of, all the improvements thereon, and that the value of such improvements shall at least equal the value of the ground, and shall be not less than twenty (20) times the annual average ground rentals payable under such lease; and provided such office building shall have an annual average net rental of at least twice such annual ground rental; and provided further, that such company shall be liable for and shall pay all State and local taxes levied and assessed against such ground and the improvements thereon, which for the purposes of taxation shall be deemed real estate owned by the company. Provided that an acquisition of such an office building on leased ground shall be approved by the State Board of Insurance before such investment.

Branch office buildings in the State of Texas and elsewhere within the United States wherein such company is authorized to do business as shall be requisite for its convenient accommodation in the transaction of its business and for lease and rental and also parking facilities adjacent to or in the vicinity of each office building owned by such insurance company as shall be reasonably requisite for such insurance company and tenants of the buildings; however, at least fifty per cent (50%) of the space in each such branch office building which is available for occupancy for business purposes shall be used by such insurance company for the transaction of its business and not for lease and rental to others; provided, however, that such investments in the properties described in this paragraph shall only be made in towns or cities having a population of fifteen thousand (15,000) or more according to the last Federal Census.

1(b). No such company shall make any investment in the properties described in Subdivision 1(a) above if, after making such investment, the total investment of the company in such properties is in excess of thirty-three and one-third per cent (33⅓%) of its admitted assets as of December 31st next preceding the date of such investment; provided, however, that such investment may be increased to as much as fifty per cent (50%) of the company's admitted assets

upon advance approval by the State Board of Insurance; provided further, that such investment may be further increased if the amount of such additional increase is paid for only from surplus funds and is not included as an admitted asset of the company.

1(c). The value of each such investment in the properties described in Subdivision 1(a) shall be subject to the approval by the State Board of Insurance; and the Board may, in its discretion, at the time such investment is made or any time when an examination of the company is being made, cause any such investment to be appraised by an appraiser appointed or approved by the Board, and the reasonable expense of such appraisal shall be paid by such insurance company and shall be deemed to be a part of the expense of examination of such company. No such insurance company may hereafter make any increase in the valuation of any of the properties described in Subdivision 1(a) unless and until such increased valuation shall be likewise approved by the Board, subject to the limitations and conditions set out in Subdivision 1(b);

3. Such as have been conveyed to it in the satisfaction of debts previously contracted in the course of its dealings;

4. Such as have been purchased at sales under judgment or decrees of court, or mortgage or other liens held by such companies.

5. All such real property specified in Subdivisions 2, 3, and 4 of this Article which shall not be necessary for its accommodation in the convenient transactions of its business, except interests in minerals and royalties reserved upon the sale of land acquired under such Subdivisions 2, 3, and 4 hereof prior to January 1, 1942, and further excepting interests in producing minerals or producing royalties otherwise acquired prior to April 1, 1959, shall be sold and disposed of within five (5) years after the company shall have acquired title to the same, or within five (5) years after the same shall have ceased to be necessary for the accommodation of its business. It shall not hold such property for a longer period, unless it shall procure a certificate from the Board that its interests will suffer materially by the forced sale thereof; in which event the time for the sale may be extended to such time as the Board shall direct in such certificate.

In addition to, and without limitation on, the purposes for which real property may be acquired, secured, held or retained pursuant to other provisions of this Article, every such insurance company may secure, hold, retain and convey production payments as an investment for the production of income; provided, however, that the total amount of

all such investments in production payments plus the total amount of investments in home office and branch office properties under Subdivision 1(a) of this Article shall not exceed the total amount permitted by and shall be subject to all of the limitations and restrictions of Subdivisions 1(b) and 1(c) of this Article and for this purpose all investments in production payments pursuant to the provisions of this paragraph shall be deemed to be "properties described in Subdivision 1(a)" of this Article; and provided further, that in valuing each such production payment for the purposes of Subdivision 1(c) of this Article the State Board of Insurance may establish such value as being the maximum amount which the company purchasing such production payment could loan against a first lien on such production payment under the provisions of Section 2 of Article 3.39 of the Insurance Code; and provided further, no such company shall make any investment in such production payments solely as an investment for the production of income if, after making such investment, the total investment of the company at cost in such production payments is in excess of ten per cent (10%) of its admitted assets as of December 31st next preceding the date of such investment. For the purposes of this paragraph, a production payment is defined to mean a right to oil, gas or other minerals in place or as produced that entitles its owner to a specified fraction of production until a specified sum of money, or a specified number of units of oil, gas or other minerals, has been received, and shall not include fee interests, leasehold interests or working interests, and shall not include royalties, overriding royalties, or other mineral interests which are not limited as set forth in the foregoing definition.

The provisions of this article shall not apply to indigent care nor to chronic disease care, in an eleemosynary institution, sanitarium, sanatorium, mental treatment facility of every type, tuberculosis treatment facility of every type, and cancer treatment facility of every type, where any such care is provided in or by any such facility (regardless of the type or name) owned or controlled by the state government or by any unit of local government. [Acts 1973, 63rd Leg., p. 1037, ch. 402, § 1, eff. Aug. 27, 1973.]

Section 2 of the 1973 Act added a subsec. (D) to art. 3.70-2; § 3 thereof provided:

"Any presently approved policy form containing any provision in conflict with the requirements of this Act may continue to be issued by any insurer regulated by the provisions of this Act, provided there is attached to such previously approved policy form at time of issue a rider or endorsement amending such previously approved policy form to conform to the provisions of this Act."

#### Art. 3.42-1. Notice Included in Health Insurance Policies

(a) As used in this article, "health insurance policy" means a policy, contract, or certificate of insurance which insures against loss resulting from sickness or accidental bodily injury.

(b) No health insurance policy which is subject to an increase in the premium at time of renewal, which is subject to nonrenewal on the insured attaining a certain age, or which is subject to both of these conditions and limitations, may be delivered, issued, or used in this state unless there is printed, above the first of the policy provisions on the first page in 10-point type, notice that the policy is subject to any or all of the conditions stated in this section.

(c) Until June 1, 1974, any company may continue to use any policy form heretofore approved for issuance by the State Board of Insurance by either (i) stamping or affixing such language at the top of the first policy page or (ii) affixing an endorsement containing such required language at the top of the first page of each such policy form, either of which shall be at least in 10-point type.

[Acts 1973, 63rd Leg., p. 1249, ch. 453, § 1, eff. Aug. 27, 1973.]

Section 3 of the 1973 amendatory act provided: "If any provision of this Act or the application thereof to any person or circumstance is held invalid by any court of competent jurisdiction such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

#### Art. 3.43. Repealed by Acts 1957, 55th Leg., p. 1463, ch. 501, § 2.

The repealed article was derived from Acts 1951, 52nd Leg., ch. 491 and art. 4750, R.S.1925 (Acts 1909, p. 207, § 45; R.S.1911, art. 4760). It authorized the Board of Insurance Commissioners to approve certain policy forms. See, now, art. 3.42.

**Art. 3.44. Policies Shall Contain Certain Provisions**

No policy of life insurance shall be issued or delivered in this State, or be issued by a life insurance company organized under the laws of this State, unless the same shall contain provisions substantially as follows:

1. That all premiums shall be payable in advance either at the home office of the company or to an agent of the company upon delivery of a receipt signed by one or more of the officers who are designated in the policy.

2. For a grace of at least one month, for the payment of every premium after the first, which may be subject to an interest charge, during which month the insurance shall continue in force, which may stipulate that if the insured shall die during the period of grace the overdue premium will be deducted in any settlement under the policy.

3. That the policy, or policy and application, shall constitute the entire contract between the parties and shall be incontestable after it has been in force during the lifetime of the insured for two (2) years from its date, except for non-payment of premiums, and which provisions may, at the option of the company, contain an exception for violation of the conditions of the policy relating to naval and military service in time of war.

4. That all statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties.

5. That if the age of the insured has been understated, the amount payable under the policy shall be such as the premium paid would have purchased at the correct age.

6. That after three (3) full years' premiums have been paid, the company, at any time while the policy is in force, will advance upon proper assignment of the policy and upon the sole security thereof at a specified rate of interest a sum equal to, or at the option of the owner of the policy less than, the cash value of the policy and of any dividend additions thereto; and that the company may deduct from such loan value any existing indebtedness on the policy and any unpaid balance of the premiums for the current policy year, and may collect interest in advance on the loan to the end of the current policy year, which provision may also provide that such loans may be deferred for not exceeding six (6) months after the application therefor is made. It shall also be stipulated in the policy that failure to repay any such advance, or to pay interest, shall not void the policy until the total indebtedness thereon to the company shall equal or exceed the cash value. No condition other than as herein provided shall be exacted as a prerequisite to any such advance. This provision shall not be required in term insurance, nor

in pure endowments issued or granted as original policies, or in exchange for lapsed or surrendered policies.

7. Provisions for non-forfeiture benefits in the event of default in premium payments and for cash surrender values in accordance with the provisions of this Section 7 and Section 8 of this Article 3.44 in the case of policies issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law), and in accordance with provisions of Article 3.44a in the case of policies issued on or after said date. Policies issued prior to the operative date of Article 3.44a shall contain a provision substantially as follows: a provision which, in the event of default in the premium payments after premiums shall have been paid for three (3) full years, shall secure a stipulated form of insurance on the life of the Insured, the net value of which shall be equal to the reserve (exclusive of any reserve for disability or accidental death benefits) at the date of default on the policy, and on any dividend additions thereto, according to the mortality table, rate of interest and method adopted for computing such reserve, less a sum of not more than two and one-half per cent (2½%) of the amount insured by the policy and of any existing dividend additions thereto, and less any existing indebtedness to the company on the policy; provided, however, that if the mortality table adopted for computing such reserve is either the American Men Ultimate Table of Mortality or the Commissioners 1941 Standard Ordinary Mortality Table, then in calculating the value of paid-up term insurance with accompanying pure endowment, if any, a rate of mortality may be assumed which is not more than one hundred thirty per cent (130%) of the rate of mortality according to such adopted table or, in case of sub-standard policies, the adopted multiple thereof; provided further, that if the mortality table adopted for computing such reserve is the Commissioners 1958 Standard Ordinary Mortality Table, then in calculating the value of paid-up term insurance with accompanying pure endowment, if any, a rate of mortality may be assumed which is not more than that shown in the Commissioners 1958 Extended Term Insurance Table, or, in case of sub-standard policies, the adopted multiple thereof; and provided further as respects policies on female risks, other than policies of industrial insurance, the net value of any such stipulated form of insurance may be calculated according to an age not more than three (3) years younger than the actual age of the insured, provided the same age differential has been used in computing the policy reserves under such policies. The policy shall state: (1) the amount and term of the stipulated form of insurance calculated upon the assumption of no indebtedness on the policy and no dividend additions thereto; and (2) the method, rate of interest, and mortality table (including

any age differential applicable in making such computations on policies issued to female risks) for computing the policy reserve, which must be such as may be authorized by law for use in computing the reserve liability of the company on such policy. Such provision shall also stipulate that the policy may be surrendered to the company at its home office within one month from the due date of any premium for its cash value, which shall be specified in the policy and which shall be at least equal to the sum which would otherwise be available for the purchase of insurance, as aforesaid, but not more than the reserve on the policy, and may stipulate that the company may defer payment for not more than six (6) months after application therefor is made. This provision shall not be required in term insurance.

8. In the case of policies issued prior to the operative date of Article 3.44a, a table showing in figures the cash values, and the options available under the policy each year, upon default in premium payments during the first twenty (20) years of the policy or the period during which premiums are payable, beginning with the year in which such values and options become available.

9. That if, in event of default in premium payments, the value of the policy shall be applied to the purchase of other insurances; and if such insurance shall be in force and the original policy shall not have been surrendered to the company and canceled, the policy may be reinstated within three (3) years from such default upon evidence of insurability satisfactory to the company and payments of arrears of premiums with interest.

10. That when a policy shall become a claim by the death of the insured, settlement shall be made upon receipt of or not later than two (2) months after due proof of death and the right of the claimant to the proceeds.

11. A table showing the amounts of installments in which the policy may provide its proceeds may be payable.

Any foregoing provision, not applicable to single premium policies shall, to that extent, not be incorporated therein.

12. In all family group life insurance policies there shall be clearly stated the maximum amount which is payable to the payee in the policy in the case of the death of any insured person or persons. Regardless of what the maximum amount of said policy is or may be, any provision for payment other than the full amount of said policy shall be clearly stated in the policy.

### Art. 3.44a. Standard Non-forfeiture Law

Title

Sec. 1. This Article shall be known as the Standard Non-forfeiture Law.

Default in Premium Payment on Policies Issued after Operative Date of Standard Non-forfeiture Law; Paid-up Non-forfeiture Benefits and Cash Surrender Values; Mortality Tables and Interest Rates

Sec. 2. In the case of policies issued on or after the operative date of this Article (as defined in Section 10 of this Article), no policy of life insurance, except as stated in Section 9, shall be issued or delivered in this state unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the State Board of Insurance are at least as favorable to the defaulting or surrendering policyholder:

(1) That, in the event of default in any premium payment, the company will grant, upon proper request not later than sixty (60) days after the due date of the premium in default, a paid-up non-forfeiture benefit on a plan stipulated in the policy, effective as of such due date, of such value as may be hereinafter specified.

(2) That, upon surrender of the policy within sixty (60) days after the due date of any premium payment in default after premiums have been paid for at least three (3) full years in the case of ordinary insurance or five (5) full years, in the case of industrial insurance, the company will pay, in lieu of any paid-up non-forfeiture benefit, a cash surrender value of such amount as may be hereinafter specified.

(3) That a specified paid-up non-forfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than sixty (60) days after the due date of the premium in default.

(4) That, if the policy shall have become paid-up by completion of all premium payments or if it is continued under any paid-up non-forfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the company will pay, upon surrender of the policy within thirty (30) days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified.

(5) A statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up non-forfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up non-forfeiture benefit, if any, available under the policy on each policy anniversary either during the first twenty (20) policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no

dividends or paid-up additions credited to the policy and that there is no indebtedness to the company on the policy.

(6) A statement that the cash surrender values and the paid-up non-forfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up non-forfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the company on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up non-forfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The company shall reserve the right to defer the payment of any cash surrender value for a period of six (6) months after demand therefor with surrender of the policy.

Amount of Cash Surrender Value Available Under Policy on Default  
in Premium Payment Due on Policy Anniversary

Sec. 3. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by Section 2, shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of (a) the then present value of the adjusted premiums as defined in Sections 5, 6 and 7, corresponding to premiums which would have fallen due on and after such anniversary, and (b) the amount of any indebtedness to the company on the policy. The preceding sentence shall not require any cash surrender value greater than the reserve for the policy calculated as provided by Article 3.28. Any cash surrender value available within thirty (30) days after any policy anniversary under any policy paid-up by completion of all premium payments or any policy continued under any paid-up non-forfeiture benefit, whether or not required by Section 2, shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by an indebtedness to the company on the policy.

Value of Paid-up Non-forfeiture Benefits Available Under Policy  
on Default in Premium Payment Due on Policy Anniversary

Sec. 4. Any paid-up non-forfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this Article in the absence of the condition that premiums shall have been paid for at least a specified period.

Adjusted Premiums

Sec. 5. Except as provided in the third paragraph of this Section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (i) the then present value of the future guaranteed benefits provided for by the policy; (ii) two per cent (2%) of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (iii) forty per cent (40%) of the adjusted premium for the first policy year; (iv) twenty-five per cent (25%) of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. Provided, however, that in applying the percentages specified in (iii) and (iv) above, no adjusted premium shall be deemed to exceed four per cent (4%) of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this Section shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this Section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age ten were the amount provided by such policy at age ten.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (b) the adjusted premiums for such term insurance, the foregoing items (a) and (b) being calculated separately and as specified in the first two paragraphs of this Section except that, for the purposes of (ii), (iii) and (iv) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (b) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (a).

Except as otherwise provided in Sections 6 and 7, all adjusted premiums and present values referred to in this Article shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding three and one-half per cent (3½%) per annum, specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than one hundred and thirty per cent (130%) of the rates of mortality according to such applicable table. Provided further, that for insurance issued on a sub-standard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the Company and approved by the State Board of Insurance.

Calculation of Adjusted Premiums and Present Values of Ordinary Policies Issued On or After Operative Date of This Section

Sec. 6. In the case of ordinary policies issued on or after the operative date of this Section as defined herein, all adjusted premiums and present values referred to in this Article shall be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits provided that such rate of interest shall not exceed three and one-half per cent (3½%) per annum except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after the effective date of this amendatory Act of 1973 and

prior to January 1, 1986 and provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to age not more than three years younger than the actual age of the insured. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1958 Extended Term Insurance Table. Provided further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the State Board of Insurance.

On or after the operative date of this Article, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Section after a specified date before January 1, 1974. After the filing of such notice, then upon such specified date (which shall be the operative date of this Section for such company), this Section shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of this Section for such company shall be January 1, 1974.

Industrial Policies; Adjusted Premiums and Present Values

Sec. 7. In the case of industrial policies issued on or after the operative date of this Section as defined herein, all adjusted premiums and present values referred to in this Article shall be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits provided that such rate of interest shall not exceed three and one-half per cent (3½%) per annum, except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after the effective date of this amendatory Act of 1973 and prior to January 1, 1986. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. Provided further, that for insurance issued on a sub-standard basis, the calculations of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the State Board of Insurance.

On or after the operative date of this Article, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Section after a specified date before January 1, 1974. After the filing of such notice, then upon such specified date (which shall be

the operative date of this Section for such company), this Section shall become operative with respect to the industrial policies thereafter issued by such company. If a company makes no such election, the operative date of this Section for such company shall be January 1, 1974.

Cash Surrender Values and Paid-up Non-forfeiture Benefits on  
Default in Premium Payment Due at Time Other Than  
on Policy Anniversary

Sec. 8. Any cash surrender value and any paid-up non-forfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary; provided, however, such cash surrender value or non-forfeiture benefit shall not be required unless such cash surrender value or non-forfeiture benefit was required on the preceding policy anniversary. All values referred to in Sections 3, 4, 5, 6 and 7 may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall not be less than the dividends used to provide such additions. Notwithstanding the provisions of Section 3, additional benefits payable (a) in the event of death or dismemberment by accident or accidental means, (b) in the event of total and permanent disability, (c) as reversionary annuity or deferred reversionary annuity benefits, (d) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this Article would not apply, (e) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child if such term insurance expires before the child's age is twenty-six, is uniform in amount after the child's age is one, and has not become paid-up by reason of the death of a parent of the child, and (f) as other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and non-forfeiture benefits required by this Article, and no such additional benefits shall be required to be included in any paid-up non-forfeiture benefits.

Application of Article

Sec. 9. This Article shall not apply to any reinsurance, group insurance, pure endowment, annuity or reversionary annuity contract, nor to any term policy of uniform amount, or renewal thereof, of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy, nor to any term policy of decreasing amount on which each adjusted premium, calculated as specified in Sections 5, 6 and 7, is less than the adjusted premium so calculated, on such twenty year term policy issued at the same age and for the same initial amount of insurance, nor to any policy which shall be delivered outside this state

through an agent or other representative of the company issuing the policy.

Notice of Election to Comply with Provisions of Standard Non-forfeiture Law

Sec. 10. After the effective date of this Act, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Article after a specified date before January 1, 1974. After the filing of such notice, then upon such specified date (which shall be the operative date of Article 3.44a for such company), this Article shall become operative with respect to the policies thereafter issued by such company. If a company makes no such election, the operative date of this Article for such company shall be January 1, 1974.

[Acts 1963, 58th Leg., p. 1117, ch. 434, § 5; Acts 1973, 63rd Leg., p. 1068, ch. 410, §§ 1, 2, eff. June 14, 1973.]

Section 3 of the 1973 amendatory act provided: "If any provision of this Act or the application thereof to any person or circumstance is held invalid by any court of competent jurisdiction such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

**Art. 3.45. Policies Shall Not Contain Certain Provisions**

No policy of life insurance shall be issued or delivered in this State, or be issued by a life insurance company incorporated under the laws of this State, if it contains any of the following provisions:

1. A provision limiting the time within which any action at law or in equity may be commenced to less than <sup>1</sup> two (2) years after the cause of action shall accrue.

2. A provision by which the policy shall purport to be issued or to take effect more than six (6) months before the original application for the insurance was made, if thereby the insured would rate at any age younger than his age at date when the application was made, according to his age at nearest birthday.

3. A provision for any mode of settlement at maturity of less value than the amounts insured on the face of the policy, plus dividend additions, if any, less any indebtedness to the company on the policy, and less any premium that may by the terms of the policy be deducted; provided, however, that any company may issue a policy promising a benefit less than the full benefit in case of the death of the insured by his own hand while sane or insane, or by following stated hazardous occupations, or in the event the death of the insured should result from aviation activities under the conditions specified in the policy, to be approved by the Board of Insurance Commissioners, as provided in this chapter. This provision shall not apply to purely accident and health policies. No foregoing provision relating to policy forms shall apply to policies issued in lieu of, or in exchange for, any other policies issued before July 10, 1909.

**Art. 3.46. Level Premium Policies**

No level premium policy of life insurance shall be issued or sold by any company in this state which provides for more than one year preliminary term insurance. **Art. 3.47. Policies of Foreign Companies**

The policies of a life insurance company not organized under the laws of this State may contain any provision which the law of the state, territory, district or county under which the company is organized, prescribes shall be in such policies when issued in this State; and the policies of a life insurance company organized under the laws of this State may, when issued or delivered in any other state, territory, district or county contain any provision required by the laws of the state, territory, district or county in which the same are issued, anything in this chapter to the contrary notwithstanding.

[Acts 1951, 52nd Leg., ch. 491.]

**Art. 3.48. Payments to Designated Beneficiaries**

Whenever any person shall procure the issuance of a policy of insurance on his or her life in any legal reserve life insurance company, and designate in writing filed with the company the beneficiary to receive the proceeds thereof, the company issuing such policy shall, in the absence of the receipt by it of notice of an adverse claim to the proceeds of the policy from one having a bona fide legal claim to such proceeds or a part thereof, pay such proceeds becoming due on the death of the insured to the person so designated as beneficiary, and such payment so made, in the absence of such notice received by the insurance company prior to the date of the payment of the proceeds, shall discharge the company from all liability under the policy.

Sec. 1. Any person of legal age may apply for insurance on his life in any legal reserve or mutual assessment life insurance company and in such application designate in writing any person, persons, partnership, association, corporation or other legal entity, or any combination thereof, as the beneficiary or beneficiaries, or the absolute or partial owner or owners, or both beneficiary and owner, of any policy or policies issued in connection with such application; and with respect to any such policy or policies any such beneficiary or owner so designated shall at all times thereafter have an insurable interest in the life of such person, except as provided in Section 3 hereof.

This Act is enacted in specific recognition of the provisions of Article 21.23 of the Texas Insurance Code, 1951, that the interest of any beneficiary in a life insurance policy is forfeited if the beneficiary is the principal or an accomplice in bringing about the death of the insured.

This Act shall be liberally construed to effectuate its purposes, and its provisions are not to be limited or restricted by previous declarations or holdings of the Courts of Texas defining the term insurable interest.

(f) During the time in which any such minor is not less than fourteen (14) years of age his applications for such policies and contracts and all agreements with respect to same, or the

Sec. 3. The proceeds of the insurance as received by the trustee or trustees shall not be subject to debts of the insured nor to inheritance tax to any greater extent than if such proceeds were payable to beneficiaries other than the executor or administrator of the estate of the insured.

Sec. 4. Such insurance proceeds so held in trust may be commingled with any other assets which may properly come into such trust.

Sec. 5. Nothing in this Act shall affect the validity of any life insurance policy beneficiary designation heretofore made naming trustees of trusts established by will.

#### **SUBCHAPTER E. GROUP, INDUSTRIAL AND CREDIT INSURANCE**

#### **Art. 3.50. Group Life Insurance**

##### **Definitions**

Sec. 1. No policy of group life insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy

may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's fund or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least seventy-five percent (75%) of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at least ten (10) employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustees. No policy may be issued which provides insurance on any employee which together with any other insurance under any group life insurance policies issued to the employer or to the trustees of a fund established by the employer exceeds Twenty Thousand Dollars (\$20,000.00), unless two hundred per cent (200%) of the annual compensation of such employee from his employer or employers exceeds Twenty Thousand Dollars (\$20,000.00), in which event all such term insurance shall not exceed Fifty Thousand Dollars (\$50,000.00), or two hundred per cent (200%) of such annual compensation, whichever is the lesser, except that this limitation shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a

pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(2) A policy issued to a labor union, which shall be deemed the employer and policyholder, to insure the members of such union who are actively engaged in the same occupation and who shall be deemed to be the employees of such union within the meaning of this Article.

(3) A policy issued to any association of employees of the United States Government or any subdivision thereof, provided the majority of the members of such association are residents of this state, an association of public employees, an incorporated city, town or village, an independent school district, common school district, state colleges or universities, any association of state employees, any association of state, county and city, town or village employees, and any association of any combination of state, county or city, town or village employees and any department of the state government which employer or association shall be deemed the policyholder to insure the employees of any such incorporated city, town or village, of any such independent school district, of any common school district, of any such state college or university, of any such department of the state government, members of any association of state, county or city, town or village or of the United States Government or any subdivision thereof, provided the majority of such employees reside in this state, employees for the benefit of persons other than the policyholder subject to the following requirements:

(a) The persons eligible for insurance under the policy shall be all of the employees of the employer or if the policyholder is an association, all of the members of the association.

(b) The premium for a policy issued to any policyholder authorized to be such policyholder under Subsection (3) of Section 1, Article 3.50, Texas Insurance Code, may be paid in whole or in part from funds contributed by the employer, or in whole or in part from funds contributed by the persons insured under said policy; or in whole or in part from funds contributed by the insured employees who are members of such association of employees; provided, however, that any monies or credits received by or allowed to the policyholder pursuant to any participation agreement contained in or issued in connection with the policy shall be

applied to the payment of future premiums and to the pro rata abatement of the insured employees' contribution therefor; and provided further, that the employer may deduct from the employees' salaries the employees' contributions for the premiums when authorized in writing by the respective employees so to do. Such policy may be placed in force only if at least 75% of the eligible employees or if an association of employees is the policyholder, 75% of the eligible members of said association, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required premium contributions and become insured thereunder. Any group policies heretofore issued to any of the groups named in Section 1(3) above and in existence on the effective date of this Act shall continue in force even though the number of employees or members insured thereunder is less than 75% of the eligible employees or members on the effective date of this Act.

(c) The policy must cover at least ten (10) employees at date of issue, or if an association of employees is the policyholder, ten (10) members of said association at date of issue.

(d) The term employees as used herein in addition to its usual meaning shall include elective and appointive officials of the state.

(4) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall all be members of a group of persons numbering not less than fifty (50) at all times, who become borrowers, or purchasers of securities, merchandise or other property, under agreement to repay the sum borrowed or to pay the balance of the price of the securities, merchandise or other property purchased, to the extent of their respective indebtedness, but not to exceed Ten Thousand Dollars (\$10,000.00) on any one life; provided, however, the face amount of any loan or loan commitment, totally or partially executed, made to a debtor for educational purposes or to a debtor with seasonal income by a creditor in good faith for general agricultural or horticultural purposes, secured or unsecured, where the debtor becomes personally liable for the payment of such loan, may be so insured in an initial amount of such insurance not to exceed the total amount repayable under the contract of indebtedness and, when such indebtedness is repayable in substantially equal installments, the amount of

insurance shall at no time exceed the scheduled or actual amount of unpaid indebtedness, whichever is greater, and such insurance on such credit commitments not exceeding one year in duration may be written up to the amount of the loan commitment on a nondecreasing or level term plan, but such insurance shall not exceed Twenty-Five Thousand Dollars (\$25,000.00) on any one life.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor's funds or from charges collected from the insured debtors, or both.

(c) The insurance issued shall not include annuities or endowment insurance.

(d) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment; provided that in the case of a debtor for educational purposes or of a debtor with seasonal income, under a loan or loan commitment for general agricultural or horticultural purposes of the type described in paragraph (a), the insurance in excess of the indebtedness to the creditor, if any, shall be payable to the estate of the debtor or under the provision of a facility of payment clause.

(5) A policy issued to the trustees of a fund established by two or more employers in the same industry or by one or more labor unions, or to the trustees of a fund established by one or more employers in the same industry and one or more labor unions, or by one or more employers and one or more labor unions whose members are in the same or related occupations or trades, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the union, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers and the employees of the trade association of such employers or all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or both. The policy may provide that the term "employees" shall include retired employees, and the individual proprietor or partners if an employer is an individual proprietor or a partnership. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is ac-

tively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or, partly from such funds and partly from funds contributed by the insured persons, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month. A policy on which part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance may be placed in force only if at least seventy-five percent (75%) of the then eligible persons of each participating employer unit, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at date of issue at least one hundred (100) persons; unless the policy is issued to the trustees of a fund established by employers which have assumed obligations through a collective bargaining agreement and are participating in the fund either pursuant to those obligations with regard to one or more classes of their employees which are encompassed in the collective bargaining agreement or as a method of providing insurance benefits for other classes of their employees, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder or employer. No policy may be issued which provides term insurance on any person which together with any other term insurance under any group life insurance policy or policies issued to trustees or employers exceeds Twenty Thousand Dollars (\$20,000.00), unless two hundred percent (200%) of the annual compensation of such employee from his employer or employers exceeds Twenty Thousand Dollars (\$20,000.00), in which event all such term insur-

ance shall not exceed Fifty Thousand Dollars (\$50,000.00), or two hundred percent (200%) of such annual compensation, whichever is the lesser.

(e) The limitation as to amount of group insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amount provided by the policy which it replaces, or the amounts provided above whichever is greater.

(f) No policy may be issued (i) to insure employees of any employer whose eligibility to participate in the fund as an employer arises out of considerations directly related to the employer being a commercial correspondent or business client or patron of another employer (regardless of whether such other employer is or is not participating in the fund); or (ii) to insure employees of any employer which is not located in this state, unless the majority of the employers whose employees are to be insured are located in this state, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(6) No policy of wholesale, franchise or employee life insurance, as hereinafter defined, shall be issued or delivered in this state unless it conforms to the following requirements:

(a) Wholesale, franchise or employee life insurance is hereby defined as: a term life insurance plan under which a number of individual term life insurance policies are issued at special rates to a selected group. A special rate is any rate lower than the rate shown in the issuing insurance company's manual for individually issued policies of the same type and to insureds of the same class.

(b) Wholesale, franchise or employee life insurance may be issued to (1) the employees of a common employer or employers, covering at date of issue not less than five employees; or (2) the members of a labor union or unions covering at date of issue not less than five members; or (3) the members of a credit union or credit unions covering at date of issue not less than five (5) members.

(c) The premium for the policy shall be paid either wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions or by

both, or partly from such funds and partly from funds contributed by the insured person, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month.

(d) No policy may be issued on a wholesale, franchise or employee life insurance basis which, together with any other term life insurance policy or policies issued on a wholesale, franchise, employee life insurance or group basis, provides term life insurance coverage for an amount in excess of Twenty Thousand Dollars (\$20,000.00), unless two hundred percent (200%) of the annual compensation of such employee from his employer or employers exceeds Twenty Thousand Dollars (\$20,000.00), in which event all such term insurance shall not exceed Fifty Thousand Dollars (\$50,000.00), or two hundred percent (200%) of such annual compensation, whichever is the lesser. An individual application shall be taken for each such policy and the insurer shall be entitled to rely upon the applicant's statements as to applicant's other similar coverage upon his life.

(e) Each such policy of insurance shall contain a provision substantially as follows:

A provision that if the insurance on an insured person ceases because of termination of employment or of membership in the union, such person shall be entitled to have issued to him by the insurer, without evidence of insurability an individual policy of life insurance without disability or other supplementary benefits, provided application for the individual policy shall be made, and the first premium paid to the insurer, within thirty-one (31) days after such termination.

(f) Each such policy may contain any provision substantially as follows:

(1) A provision that the policy is renewable at the option of the insurer only;

(2) A provision for termination of coverage by the insurer upon termination of employment by the insured employee;

(3) A provision requiring a person eligible for insurance to furnish evidence of individual insurability satisfactory to the insurer as condition to coverage.

(g) The limitation as to amount of group and wholesale, franchise or employee life insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan,

and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(h) Nothing contained in this Subsection (6) shall in any manner alter, impair or invalidate (1) any policy heretofore issued prior to the effective date of this Act; nor (2) any such plan heretofore placed in force and effect provided such prior plan was at date of issue legal and valid; nor (3) any policy issued on a salary savings franchise plan, bank deduction plan, pre-authorized check plan or similar plan of premium collection.

(6A) A policy may be issued to a principal, or if such principal is a life or life and accident or life, accident and health insurer, by or to such principal, covering when issued not less than ten (10) agents of the principal, subject to the following requirements:

(a) As used in this section, the term "agents" shall be deemed to include general agents, subagents and salesmen.

(b) The agents eligible for insurance under the policy shall be those who are under contract to render personal services for the principal for a commission or other fixed or ascertainable compensation.

(c) The premium for the policy shall be paid either wholly by the principal or partly from funds contributed by the principal and partly from funds contributed by the insured agents. A policy on which no part of the premium is to be derived from funds contributed by the insured agents must insure all of the eligible agents or all of any class or classes thereof determined by conditions pertaining to the services to be rendered by the agents to the principal. A policy on which part of the premium is to be derived from funds contributed by the insured agents must cover at issue at least seventy-five percent (75%) of the eligible agents or at least seventy-five percent (75%) of any class or classes thereof determined by conditions pertaining to the services to be rendered by the agents; provided, however, that the benefits may be extended to other classes of agents as seventy-five percent (75%) thereof express the desire to be covered.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the principal or by the agents. No policy may be issued which provides term insurance on any agent which together with any other term insurance under any group life insur-

ance policy or policies issued to the principal exceeds Twenty Thousand Dollars (\$20,000.00), unless two hundred percent (200%) of the annual commissions or other fixed or ascertainable compensation of such agent from the principal exceeds Twenty Thousand Dollars (\$20,000.00), in which event all such term insurance shall not exceed Fifty Thousand Dollars (\$50,000.00), or two hundred percent (200%) of such annual commissions or other fixed or ascertainable compensation, whichever is the lesser.

(e) The insurance shall be for the benefit of persons other than the principal.

(7) A policy issued to the Veterans Land Board of the State of Texas, who shall be deemed the policyholder to insure persons purchasing land under the Texas Veterans Land Program as provided in Section 16(B) of Article 5421m, Vernon's Texas Civil Statutes (Chapter 318, Acts of the 51st Legislature, Regular Session, 1949, as amended).

(8) Any policy of group term life insurance may be extended, in the form of group term life insurance only, to insure the spouse and minor children, natural or adopted, of an insured employee, provided the policy constitutes a part of the employee benefit program established for the benefit of employees of the United States government or any subdivision thereof, and provided further, that the spouse or children of other employees covered by the same employee benefit program in other states of the United States are or may be covered by group term life insurance, subject to the following requirements:

(a) The premiums for the group term life insurance shall be paid by the policyholder from funds solely contributed by the insured employee.

(b) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured employee or by the policyholder, provided that group term life insurance upon the life of a spouse shall not exceed the lesser of (1) Five Thousand Dollars (\$5,000.00) or (2) one-half of the amount of insurance on the life of the insured employee under the group policy; and provided that group term life insurance on the life of any minor child shall not exceed One Thousand Dollars (\$1,000.00).

(c) Upon termination of the group term life insurance with respect to the spouse of any insured employee by reason of such person's termination of employment or death, or termination of the group contract, the spouse insured pursuant to this section shall have the same conversion rights as to the group term life insurance on his or her life as is provided for the insured employee.

(d) Only one certificate need be issued for delivery to an insured employee if a statement concerning any dependent's coverage is included in such certificate.

(1) A provision that the policyholder is entitled to a grace period of thirty-one (31) days for the payment of any premium due except the first, during which grace period the death benefit coverage shall continue in force, unless the policyholder shall have given the insurer written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the policy. The policy may provide that the policyholder shall be liable to the insurer for the payment of a pro rata premium for the time the policy was in force during such grace period.

(2) A provision that the validity of the policy shall not be contested, except for nonpayment of premiums, after it has been in force for two (2) years from its date of issue; and that no statement made by any person insured under the policy relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two (2) years during such person's lifetime nor unless it is contained in a written instrument signed by him.

(3) A provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such person or to his beneficiary.

(4) A provision setting forth the conditions, if any, under which the insurer reserves the right to require a person eligible for insurance to furnish evidence of individual insurability satisfactory to the insurer as a condition to part or all of his coverage.

(5) A provision specifying an equitable adjustment of premiums or of benefits or of both to be made in the event the age of a person insured has been misstated, such provision to contain a clear statement of the method of adjustment to be used.

(6) A provision that any sum becoming due by reason of the death of a person insured shall be payable to the beneficiary designated by the person insured, or his assignee, subject to the provisions of the policy in the event there is no designated beneficiary as to all or any part of such sum living at the death of the person insured, and subject to any right reserved by the insurer in the policy and set forth in the certificate to pay at its option a part of such sum not exceeding Two Hundred and Fifty (\$250) Dollars to any person appearing to the insurer to be equitably entitled thereto by reason of having incurred funeral or other expenses incident to the last illness or death of the person insured.

(7) A provision that the insurer will issue to the policyholder for delivery to each person insured an individual certificate setting forth a statement as to the insurance protection to which he is entitled, to whom the insurance benefits are payable, and the rights and conditions set forth in (8), (9), and (10) following.

(8) A provision that if the insurance, or any portion of it, on a person covered under the policy ceases because of termination of employment or of membership in the class or classes eligible for coverage under the policy, such per-

(b) The individual policy shall be in an amount not in excess of the amount of life insurance which ceases because of such termination, provided that any amount of insurance which shall have matured on or before the date of such termination as an endowment payable to the person insured, whether in one sum or in installments or in the form of an annuity, shall not, for the purpose of this provision, be included in the amount which is considered to cease because of such termination; and

(c) The premium on the individual policy shall be at the insurer's then customary rate applicable to the form and amount of the individual policy, to the class of risk to which such person then belongs, and to his age attained on the effective date of the individual policy.

(9) A provision that if the group policy terminates or is amended so as to terminate the insurance of any class of insured persons, every person insured thereunder at the date of such termination whose insurance terminates and who has been so insured for at least five (5) years prior to such termination date shall be entitled to have issued to him by the insurer an individual policy of life insurance, subject to the same conditions and limitations as are provided by (8) above, except that the group policy may provide that the amount of such individual policy shall not exceed the smaller of (a) the amount of the person's life insurance protection ceasing because of the termination or amendment of the group policy, less the amount of any life insurance for which he is or becomes eligible under any group policy issued or reinstated by the same or another insurer within thirty-one (31) days after such termination, and (b) Two Thousand (\$2,000) Dollars.

### Art. 3.52. Industrial Life Insurance

#### Definitions

Sec. 1. For the purposes of this article, industrial life insurance shall mean that form of life insurance either

(a) under which the premiums are payable weekly, or

(b) under which the premiums are payable monthly or oftener, but less often than weekly, if the face amount of insurance provided in the policy is not more than One Thousand (\$1,000.00) Dollars; provided that in either case the words "Industrial Policy" are printed on the face of the policy as part of the descriptive matter thereof. When an industrial life insurance policy is issued providing for accident and health benefits, in addition to natural death benefits, the provisions of this article shall apply only to the life insurance benefits provided in the policy, except as hereinafter otherwise specifically provided.

#### Required Policy Provisions

Sec. 2. No policy of industrial life insurance shall be delivered or issued for delivery in this State, unless the same shall contain in substance the following provisions:

(a) A provision that the insured is entitled to a stated period of grace of at least four (4) weeks within which the payment of any premium after the first may be made. During such period of grace the policy shall continue in full force, but in case the policy becomes a claim during the grace period, before the overdue premiums are paid, the amount of overdue premiums may be deducted in any settlement under the policy.

(b) A provision that the policy shall constitute the entire contract between the parties, but if the insurer desires to make the application a part of the contract it may do so, provided a copy of such application shall be endorsed upon or attached to the policy when issued, and in such case the policy shall contain a provision that the policy and the application therefor shall constitute the entire contract between the parties. The policy shall also contain a provision that all statements made by the insured or on his behalf shall in the absence of fraud be deemed representations and not warranties.

(c) A provision that the policy shall be incontestable after it has been in force during the lifetime of the insured for two (2) years from its date, except for non-payment of premiums, and

except for violation of the conditions of the policy, if any, relating to naval or military service in time of war, and except as to provisions and conditions granting or relating to benefits in the event of total or permanent disability as defined in the policy, and those granting or relating to additional insurance specifically against death by accident or by accidental means, or to additional insurance against loss of, or loss of use of, specific members of the body.

(d) A provision that if the age of the insured has been misstated, the amount payable under the policy shall be such as the premium would have purchased at the correct age.

(e) Provisions for non-forfeiture benefits in event of default in premium payments and for cash surrender values in accordance with the provisions of subsections (e), (f) and (g) of this Section in the case of policies issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law), and in accordance with provisions of Article 3.44a in the case of policies issued on or after said date. Policies issued prior to the operative date of Article 3.44a shall contain a provision substantially as follows: a provision that in event of default in premium payments after premiums shall have been paid for three (3) full years there shall be available a stipulated form of insurance effective from the due date of the defaulted premium; and in event of default in premium payments after premiums shall have been paid for five (5) full years there shall be available, in lieu of the stipulated form of insurance, at the option of the insured, a specified cash surrender value. The net value of the stipulated form of insurance, and the specified cash surrender value, shall not be less than the reserve on the policy at the end of the last completed quarter of the policy year for which premiums shall have been paid, including the reserve for any paid-up additions thereto and the amount of any dividends standing to the credit of the policy, and excluding any reserve on total and permanent disability, as defined in the policy, and additional accidental death benefits, less a sum of not more than:

(1) Two and one-half per cent (2½%) of the maximum amount insured by the policy and dividend additions thereto, if any, when the issue age is under ten (10) years;

(2) Two and one-half per cent (2½%) of the current amount insured by the policy and dividend additions thereto, if any, when the issue age is ten (10) years or older; and less any existing indebtedness to the insurer on or secured by the policy.

If the mortality table adopted for computing such reserve is the 1941 Standard Industrial Mortality Table or the 1941 Sub-standard Industrial Mortality Table, then in calculating the value of the paid-up term insurance with accom-

panying pure endowment, if any, a rate of mortality may be assumed which is not more than one hundred thirty per cent (130%) of the rate of mortality according to the table used. If the mortality table adopted for computing such reserve is the Commissioners 1961 Standard Industrial Mortality Table, then in calculating the value of paid-up term insurance with accompanying pure endowment, if any, a rate of mortality may be assumed which is not more than that shown in the Commissioners 1961 Industrial Extended Term Insurance Table, or, in the case of sub-standard policies, such other table of mortality as may be specified by the company and approved by the State Board of Insurance. The policy shall state the amount and term of the stipulated form of insurance calculated upon the assumption of no indebtedness on the policy and no dividend additions thereto.

The policy may be surrendered to the insurer at its home office within the period of grace after the due date of the defaulted premium for the specified cash surrender value, provided that the insurer may defer payment for not more than six (6) months after the application therefor is made. In the event that application, which must be in writing, for a stipulated form of insurance or the specified cash surrender value when the same are available, is not made within the grace period, it shall be provided that a stipulated form of insurance shall automatically become effective.

(f) In the case of policies issued prior to the operative date of Article 3.44a, a provision specifying the mortality table, rate of interest, and method of valuation if other than net level premium, adopted for computing the life insurance reserves on the contract.

(g) In the case of policies issued prior to the operative date of Article 3.44a, a table showing in figures the non-forfeiture options available under the policy at the end of each year upon default in premium payments during the premium paying period, but not to exceed the first twenty (20) years of the policy. Such table is to begin with the year in which such values become available. At the expiration of the period for which such values are shown in the policy, the insurer will furnish upon request an extension of such table.

(h) A provision that the policy may be reinstated within one (1) year, or, at the option of the insurer, within fifty-two (52) weeks from the date of default in payment of premiums, unless the cash surrender value has been paid or the period of extended insurance has expired, upon payment of all overdue premiums, the payment or reinstatement of any other indebtedness due to the insurer upon said policy, and upon the presentation of evidence of insurability satisfactory to the insurer. The overdue premiums may, at the option of the insurer, be subject

to interest at a rate not exceeding six (6%) per cent per annum as may be specified in the policy.

(i) A provision that when a policy shall become a claim by the death of the insured, settlement shall be made upon receipt of, at the insurer's home office, or not later than two (2) months after such receipt of, proof of death satisfactory to the insurer and the right of the claimant to the proceeds.

(j) A title on the face of the policy briefly describing its form.

(k) In the case of an insurer issuing participating policies in this State, a provision that the insurer shall annually ascertain and apportion any divisible surplus accruing on the policy.

(l) A provision that no agent shall have the power or authority to waive, change, or alter any of the terms or conditions of any application or any policy delivered or issued for delivery pursuant to the terms of this Article.

Any of the provisions of Section 2, or portions thereof, not applicable to nonparticipating or term policies shall, to that extent, not be incorporated therein.

The provisions of Section 2 shall not apply to policies issued or granted pursuant to the nonforfeiture provisions prescribed in clause (e) of said Section, nor shall clauses (e) and (g) of said Section be required in term insurances of twenty (20) years or less.

#### Application to Existing Policies

Sec. 3. Any policy of industrial life insurance delivered or issued for delivery in this State prior to March 29, 1941, and pursuant to the provisions of Article 3.43, and upon which premiums have been paid for three (3) full years, which does not by its terms secure, upon default in payments of premiums, to the insured or beneficiary thereof, a stipulated form of insurance, shall nevertheless entitle such insured or beneficiary to either extended or paid-up insurance, the net value of which shall be determined as is provided in clause (e) of Section 2 of this article, providing such insured or beneficiary elects and notifies the home office of the insurer in writing, prior to the expiration of the period of extended insurance, which of said two (2) forms he has elected to take; and any such insured or beneficiary failing to elect and notify the insurer in writing of such election within such time shall be deemed to have elected extended insurance.

#### Authorized Provisions

Sec. 4. In addition to the provisions required by Section 2, any policy of industrial life insurance delivered or issued for delivery in this State may contain, in substance, the following provisions, in addition to any other provision or provisions not elsewhere prohibited by this Article:

(a) A provision excluding liability or promising a benefit less than the full amount payable as a death benefit in case of the death of the insured by his own hand while sane or insane, or by following stated hazardous occupations.

Approval of Policy, Rider, Endorsement, Etc., By Board of Insurance Commissioners

Sec. 6. No insurance company transacting business in this State shall hereafter deliver or issue for delivery in this State any policy of industrial life insurance, or any policy of industrial life insurance providing for accident and health benefits in addition to natural death benefits, or attach to, or print or stamp upon such policy, any rider, or endorsement, until the form of such policy, rider, or endorsement has been submitted to and approved by the Board of Insurance Commissioners of the State of Texas. It shall be the duty of the Board of Insurance Commissioners to disapprove any such policy, rider, or endorsement if it violates any of the provisions of this article, and to give written notice to the insurer of such disapproval in which notice the Board shall specify the particulars in respect to which the policy, rider, or endorsement violates the provisions of this article. If the Board of Insurance Commissioners shall disapprove any such policy, rider, or endorsement, the insurer may, within ninety (90) days after the mailing of the written notice of such disapproval by the Board, institute proceedings in the District Court of Travis County, Texas, to review the action of the Board thereon.

Sec. 4. A. Credit Life Insurance.

(1) The initial amount of credit life insurance on any debtor shall not exceed the total amount repayable under the contract of indebtedness and, where an indebtedness is repayable in substantially equal installments, the amount of insurance shall at no time exceed the scheduled or actual amount of unpaid indebtedness, whichever is greater.

The total amount of indemnity payable by credit accident and health insurance in the event of disability as defined in the policy on any debtor, shall not exceed the total amount repayable under the contract of indebtedness and the amount of each periodic indemnity payment shall not exceed the scheduled periodic installment payment on the indebtedness.

Term of Credit Life Insurance and Credit Accident and Health Insurance

Sec. 5. The term of any credit life insurance or credit accident and health insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor, except that, where a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to such indebtedness shall commence on the effective date of the policy or the date of enrollment for coverage under the group policy, whichever is later. Where evidence of insurability is required and such evidence is furnished more than thirty (30) days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date on which the insurance company determines the evidence to be satisfactory, and in such event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. The term of such insurance shall not extend more than fifteen (15) days beyond the scheduled maturity date of the indebtedness except when extended without additional cost to the debtor. If the indebtedness is discharged due to renewal or refinancing prior to the scheduled maturity date, the insurance in force shall be terminated before any new insurance may be issued in connection with the renewed or refinanced indebtedness. In all cases of termination prior to scheduled maturity, a refund shall be paid or credited as provided in Section 8.

Sec. 6. A. All credit life insurance and credit accident and health insurance shall be evidenced by an individual policy, or in the case of group insurance by a certificate of insurance, which individual policy or group certificate of insurance shall be delivered to the debtor.

B. Each individual policy or group certificate of credit life insurance, and/or credit accident and health insurance shall, in addition to other requirements of law, set forth the name and home office address of the insurer, the name or names of the debtor and, in the case of a certificate under a group policy, the identity by name or otherwise of the person or persons insured, the full amount of premium or the total identifiable insurance charge, if any, to the debtor, separately for credit life insurance and credit accident and health insurance, a description of the coverage including the amount and term thereof, and any exceptions, limitations and restrictions, and shall state that the benefits shall be paid to the

creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance may exceed the unpaid indebtedness, that any such excess shall be payable to a beneficiary, other than the creditor, named by the debtor or to his estate.

C. Said individual policy or group certificate of insurance shall be delivered to the insured debtor at the time the indebtedness is incurred except as hereinafter provided.

D. If said individual policy or group certificate of insurance is not delivered to the debtor at the time the indebtedness is incurred, a copy of the application for such policy or a notice of proposed insurance, signed by the debtor and setting forth the name and home office address of the insurer, the name or names of the debtor, the full amount of premium or the total identifiable insurance charge, if any, to the debtor, separately for credit life insurance and credit accident and health insurance, the amount, term and a brief description of the coverage provided, shall be delivered to the debtor at the time such indebtedness is incurred. The copy of the application for, or notice of proposed insurance, shall also refer exclusively to insurance coverage, and shall be separate and apart from the loan, sale or other credit statement of account, instrument or agreement, unless the information required by this Subsection is prominently set forth therein. Upon acceptance of the insurance by the insurer and within thirty (30) days of the date upon which the indebtedness is incurred, the insurer shall cause the individual policy or group certificate of insurance to be delivered to the debtor. Said application or notice of proposed insurance shall state that upon acceptance by the insurer, the insurance shall become effective as provided in Section 5.

E. If the named insurer does not accept the risk, then and in such event the debtor shall receive a policy or certificate of insurance setting forth the name and home office address of the substituted insurer and the amount of the premium to be charged, and if the amount of premium is less than that set forth in the notice of proposed insurance an appropriate refund shall be made.

#### Filing, Approval and Withdrawal of Forms

Sec. 7. A. All policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders delivered or issued for delivery in this State and the schedules of premium rates pertaining thereto shall be filed with the Commissioner.

B. The Commissioner shall within thirty (30) days after the filing of any such policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders, disapprove any such form if the benefits provided therein are not reasonable in relation to the premium charge, or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the coverage, or are con-

trary to any provision of the Insurance Code or of any rule or regulation promulgated hereunder.

C. If the Commissioner notifies the insurer that the form is disapproved, it is unlawful thereafter for such insurer to issue or use such form. In such notice, the Commissioner shall specify the reason for his disapproval and state that a hearing will be granted within twenty (20) days after request in writing by the insurer. No such policy, certificate of insurance, notice of proposed insurance, nor any application, endorsement or rider, shall be issued or used until the expiration of thirty (30) days after it has been so filed, unless the Commissioner shall give his prior written approval thereto.

D. The Commissioner may, at any time after a hearing held not less than twenty (20) days after written notice to the insurer, withdraw his approval of any such form on any ground set forth in Subsection B above. The written notice of such hearing shall state the reason for the proposed withdrawal.

E. It shall not be lawful for the insurer to issue such forms or use them after the effective date of such withdrawal.

F. If a group policy of credit life insurance or credit accident and health insurance

(i) has been delivered in this State before the effective date of this Act, or

(ii) has been or is delivered in another State before or after the effective date of this Act,

the insurer shall be required to file only the group certificate and notice of proposed insurance delivered or issued for delivery in this State as specified in Subsection B of Section 6 of this Act and such certificate shall be approved by the Commissioner if it conforms with the requirements specified in said Subsection and if the schedule of premium rates applicable to the insurance evidenced by such certificate or notice is not in excess of the insurer's schedule of premium rates filed with the Commissioner; provided, however, the premium rate in effect on existing group policies may be continued until the first policy anniversary date following the date this Act becomes operative as provided in Section 12.

G. Any order or final determination of the Commissioner under the provisions of this Section shall be subject to the appeal and review provisions of Article 1.04, Insurance Code of Texas.

#### Premiums and Refunds

Sec. 8. A. Any insurer may revise its schedules of premium rates from time to time, and shall file such revised schedules with the Commissioner. No insurer shall issue any credit life insurance policy or credit accident and health insurance policy for which the premium rate exceeds that determined by the schedules of such insurer as then on file with the Commissioner.

B. Each individual policy, or group policy and group certificate shall provide that in the event of termination of the indebtedness or the insurance prior to the scheduled maturity date of the indebtedness, any refund of an amount paid by or charged to the debtor for insurance shall be paid or credited promptly to the person entitled thereto; provided, however, no refund need be made if the amount thereof is less than One Dollar (\$1). The formula to be used in computing such refund shall be filed with and approved by the Commissioner.

C. If a creditor requires a debtor to make any payment for credit life insurance or credit accident and health insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to such debtor and shall promptly make an appropriate credit to the account.

D. The amount charged to a debtor by the creditor for any credit life or credit accident and health insurance issued to the debtor shall not exceed the actual premium charged the creditor by the insurer for such insurance, as computed at the time the charge to the debtor is determined.

#### Issuance of Policies

Sec. 9. All policies of credit life insurance and credit accident and health insurance shall be delivered or issued for delivery in this State only by an insurer authorized to do an insurance business therein, and shall be issued only through holders of licenses issued by the Commissioner. The premium or cost of such insurance allowed herein shall not be deemed interest, or charges, or consideration, or an amount in excess of permitted charges in connection with the loan or other credit transaction, and any benefit or return or other gain or advantage to the creditor arising out of the sale or provision of such insurance shall not be deemed a violation of any law, General or Special, of the State of Texas.

#### Claims

Sec. 10. A. All claims shall be promptly reported to the insurer or its designated claim representative, and the insurer shall maintain adequate claim files. All claims shall be settled as soon as possible and in accordance with the terms of the insurance contract.

B. All claims shall be paid either by draft drawn upon the insurer or by check of the insurer to the order of the claimant to whom payment of the claim is due pursuant to the policy provisions, or upon direction of such claimant to one specified.

C. No plan or arrangement shall be used whereby any person, firm or corporation other than the insurer or its designated claim representative shall be authorized to settle or adjust claims. The creditor shall not be designated as claim representative for the insurer in settling or adjusting claims; provided, that a group policyholder may, by arrangement with the group insurer, draw drafts or checks

in payment of claims due to the group policyholder subject to audit and review by the insurer.

#### Existing Insurance—Choice of Insurer

Sec. 11. When credit life insurance or credit accident and health insurance is required as additional security for any indebtedness, the debtor shall, upon request to the creditor, have the option of furnishing the required amount of insurance through existing policies of insurance owned or controlled by him or of procuring and furnishing the required coverage through any insurer authorized to transact an insurance business within this State.

#### Enforcement

Sec. 12. The State Board of Insurance may, after notice and hearing, issue such rules and regulations as it deems appropriate for the supervision of this Act. Whenever the Commissioner finds that there has been a violation of this Act or any rules or regulations issued pursuant thereto, and after written notice thereof and hearing given to the insurer or other person authorized or licensed by the Commissioner, he shall set forth the details of his findings together with an order for compliance by a specified date. Such order shall be binding on the insurer and other person authorized or licensed by the Commissioner on the date specified unless sooner withdrawn by the Commissioner or a review thereof and appeal therefrom has been taken to the State Board of Insurance or the Courts under Article 1.04, Insurance Code of Texas. The provisions of Sections 5, 6, 7 and 8 of this Act shall not be operative until ninety (90) days after the effective date of this Act, and the Commissioner in his discretion may extend by not more than an additional ninety (90) days the initial period within which the provisions of said Sections shall not be operative.

#### Judicial Review

Sec. 13. Any party to any proceeding affected by an order of the Commissioner or the State Board of Insurance shall be entitled to judicial review by following the procedure set forth in Article 1.04, Insurance Code of Texas.

#### Penalties

Sec. 14. In addition to any other penalty provided by law, any person, firm or corporation which violates an order of the Commissioner after it has become final, and while such order is in effect, shall, upon proof thereof to the satisfaction of the court, forfeit and pay to the State of Texas a sum not to exceed Two Hundred and Fifty Dollars (\$250) which may be recovered in a civil action, except that if such violation is found to be willful, the amount of such penalty shall be a sum not to exceed One Thousand Dollars (\$1,000). The Commissioner, in his discretion, may revoke or suspend the license or certificate of authority of the person, firm or corporation guilty of such violation. Such order for suspension or revocation shall be upon notice and hear-

ing, and shall be subject to judicial review as provided in Section 13 of this Act.

"Further, the provisions of this Act shall not repeal or broaden the provisions of Article 3.50, Texas Insurance Code, as amended, and the provisions of such Article 3.50 shall remain in full force and effect after the effective date hereof, but all credit insurance written under the authority of said Article 3.50 shall be subject to the provisions of this Act after the effective date hereof."

#### SUBCHAPTER F. MISCELLANEOUS PROVISIONS

##### Art. 3.54. Limitation of Business

It shall be unlawful for any insurance company incorporated or licensed under the provisions of this chapter to take any kind of risks or issue any policies of insurance, except those of life, accident or health; nor shall the business of life insurance in this State be in anywise conducted or transacted by any company which, in this or any other State or country, is engaged or concerned in writing any kinds of insurance other than life, health and accident insurance. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

##### Art. 3.55. Board May Revoke Certificate

If any such insurance company, while holding a certificate of authority to transact business in this State, shall fail or refuse to comply with any of the provisions or requirements of this chapter, the Board of Insurance Commissioners upon ascertaining such fact, shall notify such company by actual notice in writing delivered to an executive officer of such company, of its intention to revoke its certificate of authority to transact business in this State at the expiration of thirty (30) days after the mailing of such registered letter, or the date upon which such actual notice is served. If such provisions or requirements are not fully complied with upon the expiration of said thirty (30) days, it shall be the duty of said Board to revoke the certificate of authority of such company. In case of such revocation, such company shall not be entitled to receive another certificate of authority for a period of one (1) year, and until it shall have fully and in good faith complied with all such provisions and requirements of this chapter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

##### Art. 3.55-1. Hazardous Financial Condition

(1) Whenever the financial condition of any company transacting the kinds of business authorized in this Chapter, when reviewed in conjunction with the kinds and nature of risks insured, the loss experience and ownership of the company and the ratio of total annual premium and net investment income to commission expenses, general insurance expenses, policy benefits paid and required policy reserve increases,

indicates a condition such that the continued operation of the company might be hazardous to its policyholders, creditors or the general public, then the Commissioner of Insurance may, after notice and hearing, order the company to take such action as may be reasonably necessary to rectify the existing condition, including but not necessarily limited to one or more of the following steps:

(a) to reduce the total amount of present and potential liability for policy benefits by reinsurance;

(b) to reduce the volume of new business being accepted;

(c) to reduce general insurance and commission expenses by specified methods;

(d) to suspend or limit the writing of new business for a period of time; or

(e) to increase the company's capital and surplus by contribution.

(2) The State Board of Insurance is authorized, by rule and regulations, to fix uniform standards and criteria for early warning that the continued operation of any company might be hazardous to its policyholders, creditors, or the general public, and to fix standards for evaluating the financial condition of any company transacting the kinds of business authorized in this Chapter; which standards shall be consistent with the purposes expressed in paragraph (1) of this Article.

(3) The Commissioner of Insurance is authorized to enter into arrangements or agreements with the insurance regulatory authorities of other jurisdictions concerning the management, volume of business, type of risks to be insured, expenses of operation, plans for reinsurance, rehabilitation or reorganization, and method of operations of an insurance company that is licensed in such other jurisdictions and that is deemed to be in a hazardous financial condition or needful of specific remedies which may be imposed by the Commissioner of Insurance and insurance regulatory authorities of such other jurisdictions.

(4) The authority granted by the provisions of this article is in addition to other provisions of law and not in substitution, restriction or diminution thereof. [Acts 1973, 63rd Leg., p. 1384, ch. 533, § 2, eff. Aug. 27, 1973.]

If any such company shall intentionally fail or refuse to make the investments required by this chapter, or make any report required by this chapter, or to make any special report requested by the Board of Insurance Commissioners under authority of this chapter, or generally to comply with any provision or requirements of this chapter, while holding a certificate of authority to transact business in this State, or after it shall cease to write new business or cease to hold such certificate, such failure or refusal shall subject such company, in addition to the penalty provided in the preceding article, in cases to which said article may be applicable, to

the payment of a penalty of Twenty-five (\$25.00) Dollars per day for each day that such company shall remain in default after the Board shall notify such company of such default, in the manner provided in the preceding article, to be recovered in a suit that may be brought by the Attorney General in behalf of the State in the District Court of Travis County. In any suit brought to recover such penalty, there shall be a prima facie presumption subject to rebuttal, that any default that may have occurred was intentional; that the notice required by this chapter was given, and the burden of proof shall be on the defendant company to prove that the investments required by this chapter were made as herein required whenever the question of whether or not such investments were thus made is in issue.

Such certificate of authority shall expire on the day fixed by the Board under Articles 3.06 and 3.08 of this code and shall be renewed annually so long as the company shall continue to comply with the laws of the State, such renewals to be granted upon the same terms and considerations as the original certificate.

<sup>1</sup> Article 3.70-1 et seq.

**Art. 3.70-2. Form of Policy; Designation of Practitioners of the Healing Arts; Dependent Children**

(A) No policy of accident and sickness insurance shall be delivered or issued for delivery to any person in this state unless:

(1) the entire money and other consideration therefor are expressed therein or in the application, if it is made a part of the policy; and

(2) the time at which the insurance takes effect and terminates is expressed therein; and

(3) it purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policy holder, any two or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed twenty-five years, and any other person dependent upon the policy holder; and

(4) the style, arrangement and over-all appearance of the policy gives no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers (except copies of applications and identification cards) are plainly printed in lightfaced type of a style in general use, the size of which shall be uniform and not less than ten-point with a lower-case unspaced alphabet length not less than one hundred and twenty-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description, if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in Section 3 of this Act,<sup>1</sup> are printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "Exceptions" or "Exceptions and Reductions"; provided that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

(7) it contains no provision purporting to make any portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or shortrate table filed with the Board; and

(8) it shall have printed thereon or attached thereto a notice stating in substance that the person to whom the policy is issued shall be permitted to return the policy within ten (10) days of its delivery to such person and to have the premium paid refunded if, after examination of the policy, such person is not satisfied with it for any reason. If such person pursuant to such notice, returns the policy to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy had been issued. This subdivision shall not apply to single premium nonrenewable policies.

(B) No policy of accident and sickness insurance shall make benefits contingent upon treatment or examination by a particular practitioner or by particular practitioners of the healing arts hereinafter designated unless such policy contains a provision designating the practitioner or practitioners who will be recognized by the insurer and those who will not be recognized by the insurer. Such provision may be located in the "Exceptions" or "Exceptions and Reductions" provisions, or elsewhere in the policy, or by endorsement attached to the policy, at the insurer's option. In designating the practitioners who will and will not be recognized, such provision shall use the following terms: Doctor of Medicine, Doctor of Osteopathy, Doctor of Dentistry, Doctor of Chiropractic, Doctor of Optometry, Doctor of Podiatry. For purposes of this Act, such designations shall have the following meanings:

Doctor of Medicine: One licensed by the Texas State Board of Medical Examiners on the basis of the degree "Doctor of Medicine";

Doctor of Osteopathy: One licensed by the Texas State Board of Medical Examiners on the basis of the degree of "Doctor of Osteopathy";

Doctor of Dentistry: One licensed by the State Board of Dental Examiners;

Doctor of Chiropractic: One licensed by the Texas Board of Chiropractic Examiners;

Doctor of Optometry: One licensed by the Texas State Board of Examiners in Optometry; and

Doctor of Podiatry: One licensed by the State Board of Chiropody Examiners.

(C) Any policy of accident and sickness insurance, including policies issued by companies subject to Chapter 20, Texas Insurance Code, as amended, delivered or issued for delivery in this state, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the policy shall also provide in substance that attainment of the limiting age shall not operate to terminate the coverage of the child while the child is both (1) incapable of self-sustaining employment by reason of mental retardation or physical handicap and (2) chiefly dependent upon the insured for support and mainte-

nance. Proof of the incapacity and dependency shall be furnished to the insurer by the insured within 31 days of the child's attainment of the limiting age and subsequently as may be required by the insurer but not more frequently than annually after the two-year period following the child's attainment of the limiting age.

*[Text of subsec. (D) added by Acts 1973, 63rd Leg., p. 1038, ch. 402, § 2]*

(D) No individual policy or group policy of accident and sickness insurance delivered or issued for delivery to any person in this state which provides coverage for mental illness or mental retardation or both mental illness and mental retardation shall exclude benefits for the support, maintenance and treatment of such mental illness or mental retardation provided by a tax supported institution of the State of Texas, including community centers for mental health and mental retardation services, provided charges for the care or treatment of such mental illness or mental retardation are regularly and customarily charged to non-indigent patients by such tax supported institution. In determining whether or not a patient is a non-indigent patient, as provided in Chapter 152, Acts of the 45th Legislature, Regular Session, 1937 (Article 3196a, Vernon's Texas Civil Statutes), such tax supported institution shall consider any insurance policy (or policies) which provides coverage for mental illness or mental retardation or both mental illness and mental retardation to such patients.

*[Text of subsec. (D) added by Acts 1973, 63rd Leg., p. 1076, ch. 413, § 1]*

(D) No individual policy or group policy of accident and sickness insurance, including policies issued by companies subject to Chapter 20, Texas Insurance Code, as amended, delivered or issued for delivery to any person in this state which provides for accident and sickness coverage of additional newborn children or maternity benefits, may be issued in this state if it contains any provisions excluding or limiting initial coverage of a newborn infant for a period of time, or limitations or exclusions for congenital defects of a newborn child.

<sup>1</sup> Article 3.70-3.

Section 2 of the amendatory act of 1965 provided that the act should take effect on January 1, 1966.

Section 2 of the amendatory act of 1967 amended article 3.70-8; sections 3 to 5 thereof provided:

"Sec. 3. This Act shall take effect January 1, 1968, and shall apply to all accident and sickness policies issued and delivered in the State of Texas or issued for delivery in the State of Texas after such date, but shall not apply to any policies issued and delivered in the State of Texas or issued for delivery in the State of Texas prior to such date. With respect to any policy forms approved by the State Board of Insurance prior to the effective date hereof, an insurer is authorized to achieve compliance with this Act by the use of endorsements or riders, provided such endorsements or riders are approved by the State Board of Insurance as being in compliance with this Act.

"Sec. 4. All laws, or parts of laws, in conflict with the provisions of this Act are hereby repealed to the extent of the conflict only.

"Sec. 5. If any Section, paragraph or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining Sections, paragraphs or provisions of this Act, but the same shall remain in full force and effect."

The 1971 amendatory act, which by sections 1 and 2 added subsection (C) to this article and amended article 3.70-8 respectively, in sections 3 to 5 thereof provided:

"Sec. 3. This Act shall take effect January 1, 1972, and shall apply to all accident and sickness policies issued and delivered in the State of Texas or issued for delivery in the State of Texas after that date but shall not apply to any policies issued and delivered in the State of Texas or issued for delivery in the State of Texas prior to that date. With respect to any policy forms approved by the State Board of Insurance prior to the effective date of this Act, an insurer is authorized to achieve compliance with this Act by the use of endorsements or riders, provided the endorsements or riders are approved by the State Board of Insurance as being in compliance with this Act.

"Sec. 4. All laws or parts of laws in conflict with the provisions of this Act are repealed to the extent of the conflict only.

"Sec. 5. If any section, paragraph, or provision of this Act is declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining sections, paragraphs or provisions of this Act, and they shall remain in full force and effect."

Acts 1973, 63rd Leg., p. 1076, ch. 413, § 1, which added a subsec. (D) to this article, provided in §§ 2, 3:

"Sec. 2. This Act shall apply to all accident and sickness policies issued or issued for delivery, renewed, extended, or amended in the State of Texas on and after January 1, 1974. The insurer, upon a renewal, extension, or amendment, may charge such additional premiums as are just and reasonable for the additional risk incurred by compliance with this Act. With respect to any policy forms approved by the State Board of Insurance prior to the effective date of this Act, an insurer is authorized to achieve compliance with this Act by the use of endorsements or riders provided such endorsements or riders are approved by the State Board of Insurance as being in compliance with this Act and other provisions of the Texas Insurance Code.

"Sec. 3. If any provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining provisions of this Act, but the remaining provisions shall remain in full force and effect."

### Art. 3.70-3. Accident and Sickness Policy Provisions

(A) Required Provisions. Except as provided in paragraph (C) of this section each such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subsection in the words in which the same appear in this section; provided, however, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the Board which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Board may approve.

(1) A provision as follows:

Entire Contract; Changes: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

(2) A provision as follows:

Time Limit on Certain Defenses: (a) After two years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two-year period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during

such initial two-year period, nor to limit the application of Section 3(B), (1), (2), (3), (4), and (5) in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "incontestible":

After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestible as to the statements contained in the application.)

(b) No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(3) A provision as follows:

Grace Period: A grace period of . . . . . (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies, and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision, subject to the right of the insurer to cancel in accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision:

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.)

(4) A provision as follows:

Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium

tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.)

(5) A provision as follows:

Notice of Claim: Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at . . . . . (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every . . . . . (insert a number not less than one nor more than six) months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of . . . . . (insert a number not less than one nor more than six) months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in

the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of . . . . . (insert a number not less than one nor more than six) months preceding the date on which such notice is actually given).

(6) A provision as follows:

**Claim Forms:** The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(7) A provision as follows:

**Proofs of Loss:** Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the insurer is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible; and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

(8) A provision as follows:

**Time of Payment of Claims:** Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid . . . . . (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

(9) A provision as follows:

**Payment of Claims:** Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or

to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding \$. . . . . (insert an amount which shall not exceed \$1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.)

(10) A provision as follows:

**Physical Examinations and Autopsy:** The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

(11) A provision as follows:

**Legal Actions:** No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

(12) A provision as follows:

**Change of Beneficiary:** Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.)

## (B) Other Provisions.

Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section; provided, however, that the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the Board which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Board may approve.

## (1) A provision as follows:

**Change of Occupation:** If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro-rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

## (2) A provision as follows:

**Misstatement of Age:** If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

## (3) A provision as follows:

**Other Insurance in This Insurer:** If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for . . . . .

(insert type of coverage or coverages) in excess of \$. . . . . (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate; or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

## (4) A provision as follows:

**Insurance With Other Insurers:** If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

(If the foregoing policy provision is included in a policy which also contains the next following policy provision, there shall be added to the caption of the foregoing provision the phrase: "Expense Incurred Benefits". The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the Board, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the Board. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability

statute) whether provided by a governmental agency or otherwise, shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage".)

(5) A provision as follows:

**Insurance With Other Insurers:** If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro-rata portion for the indemnities thus determined.

(If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase: "Other Benefits". The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the Board, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the Board. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage".)

(6) A provision as follows:

**Relation of Earnings to Insurance:** If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his average monthly earnings for the period of two years immediately preceding a disability for which claim is

made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro-rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of Two Hundred Dollars (\$200.00) or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

(The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the Board, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the Board or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.)

(7) A provision as follows:

**Unpaid Premium:** Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

(8) A provision as follows:

**Cancellation:** The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return

No such company shall invest in excess of the greater of (i) Twenty-Five Thousand Dollars (\$25,000) or (ii) five per cent (5%) of the assets of any such separate account, or (iii) ten per cent (10%) of the assets of all such separate accounts in securities or common capital stock of any one corporation, except that subject to the approval of the State Board of Insurance all of the assets of a separate account may be invested in the shares of an open-end investment company or companies reg-

istered under the Federal Investment Company Act of 1940<sup>1</sup>. The assets and investments of such separate accounts shall not be taken into account in applying the quantitative investment limitations applicable to other investments of the company. In the purchase of common capital stock or other equities, the insurer shall designate to the broker, or to the seller if the purchase is not made through a broker, and to the transfer agent, when necessary, the specific separate account for which the investment is made.

(c) Reserves for benefits guaranteed by variable life insurance contracts shall be maintained in either the general account or in a separate account, subject to requirements of the State Board of Insurance.

(d) Unless otherwise approved by or not contrary to regulations of the State Board of Insurance, assets allocated to a separate account shall be valued (1) at their market value on the date of valuation, or if there is no readily available market, (2) as provided under the terms of the contract or the rules or other written agreement applicable to such separate account and (3) in accordance with the rules or regulations prescribed by appropriate authority; provided, that unless otherwise specified by the State Board of Insurance, the portion, if any, of the assets of such separate account in excess of the reserves and other contract liabilities required to be held in the separate account shall be valued in accordance with the rules otherwise applicable to the company's assets.

(e) Amounts allocated to a separate account in the exercise of the power granted by this Act shall be owned by the company, and the company shall not be, nor hold itself out to be, a trustee with respect to such amounts except under such circumstances as are otherwise provided by this article. If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the company may conduct. In the event of the insolvency of the company the net assets of each separate variable life insurance account shall be applied to the contractual claims of the owners or beneficiaries of the variable life insurance contracts applicable thereto.

(f) (1) All transfers made into or out of a separate account shall be made only as authorized by the provisions of this Act and shall be by a transfer in cash, except as otherwise provided herein.

(2) No sale, exchange or other transfer of assets may be made by a company between any of its separate accounts or between any other investment account and one or more of its sepa-

rate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made by a transfer of cash, or by a transfer of securities having a readily determinable market value, provided that such transfer of securities is approved by the State Board of Insurance. The State Board of Insurance may approve other transfers among such accounts if, in its opinion, such transfers would not be inequitable.

(g) To the extent such company deems it necessary to comply with any applicable federal or State laws, such company, with respect to any separate account, including any separate account which is a management investment company or a unit investment trust, may provide for persons having an interest therein appropriate voting and other rights and special procedures for the conduct of the business of such account, including special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such company, to manage the business of such account.

#### Statement of Variable Benefits

Sec. 4. Any life insurance contract providing benefits payable in variable amounts delivered or issued for delivery in this State shall contain a statement of the essential features of the procedures to be followed by the insurance company in determining the dollar or unit amount of such variable benefits. Any such life insurance contract under which the benefits vary to reflect investment experience, including a group life insurance contract and any certificate in evidence of variable benefits issued thereunder, shall state that the dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

#### Qualification of Insurers

Sec. 5. No company shall deliver or issue for delivery within this State variable life insurance contracts unless it is licensed or organized to do a life insurance business in this State, and the State Board of Insurance is satisfied that its condition or method of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this State. In this connection, the State Board of Insurance shall consider among other things:

(a) The history and financial condition of the company;

(b) The character, responsibility and fitness of the officers and directors of the company; and

(c) The law and regulation under which the company is authorized in the state of domicile to issue variable contracts.

If the company is a subsidiary of an admitted life insurance company, or affiliated with such company through common management or ownership, it may be deemed by the State Board of Insurance to have met the provisions of this section if either it or the parent or the affiliated company meets the requirements hereof.

The provisions of this article shall not be construed to prevent a domestic life insurance company from qualifying to do business in another state, and such companies are authorized to do a variable contract business in another state in accordance with the laws of that state, provided that any such business done and any transaction arising therefrom is capable of being identified separately.

No insurer may file a variable life insurance contract for approval by the State Board of Insurance unless it has complied with such advance clearance procedures as may be established by the State Board of Insurance.

#### Rules and Regulations

Sec. 6. Notwithstanding any other provision of law, the State Board of Insurance shall have sole authority to regulate the issuance and sale of variable life insurance contracts, and to issue such reasonable rules and regulations as may be appropriate to regulate and to carry out the purposes and provisions of this Act and in augmentation thereof. The State Board of Insurance may make such provision as is necessary to achieve conformity with federal law.

#### Construction of Act; Exceptions; Grace Provisions; Reserve Liability

Sec. 7. Except for Paragraphs 2, 6, 7, 8, 9, 11, and 12 of Article 3.44, Insurance Code, Article 3.44a, Insurance Code, Paragraph 3 of Article 3.45, Insurance Code, Section 2, Paragraph (1) of Article 3.50, Insurance Code, Article 11.12, Insurance Code, Article 11.13, Insurance Code, and Article 11.14, Insurance Code, and except as otherwise provided in this article, all pertinent provisions of this Code not conflicting with this article shall apply to such separate accounts and contracts relating thereto. The provisions of this article shall be considered and interpreted as being in conjunction with the provisions of Article 3.72 and other applicable statutes except that any conflict or ambiguity arising from such consideration shall be resolved on the basis of provisions in this article. Any individual variable life insurance contract, delivered or issued for delivery in this State, shall contain grace, reinstatement, and nonforfeiture provisions appropriate to such a contract. Any group variable life insurance contract, delivered or issued for delivery in this State,

shall contain a grace provision appropriate to such a contract.

The reserve liability for variable contracts shall be established in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality or other contractual guarantees.

Use of Account or Portfolio

Sec. 8. No separate account or segregated portfolio of investments shall be used for both variable life insurance contracts and variable annuity contracts.

Effective Date

Sec. 9. The provisions of this Act shall take effect on September 1, 1971.

[Acts 1971, 62nd Leg., p. 1792, ch. 529, § 1, eff. Sept. 1, 1971.]

Sections 2 and 3 of the 1971 act provided:

"Sec. 2. This Act is cumulative of and in addition to the authority granted by any other law of this State relating to separate accounts for insurance companies and shall not be deemed to repeal any such laws but all other laws or parts of laws in conflict herewith are hereby repealed to the extent of such conflict only.

"Sec. 3. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

#### Art. 4.08. Unclaimed Funds Statute for Life Insurance Companies

Title

Sec. 1. This Article shall be known as the "Unclaimed Funds Statute for Life Insurance Companies."

## Scope

Sec. 2. This Article shall apply to unclaimed funds, as defined in Section 3 hereof, of any life insurance company doing business in this state where the last known address, according to the records of such company, of the person entitled to such funds is within this state, provided that if a person other than the insured or annuitant be entitled to such funds and no address of such person be known to such company or if it be not definite and certain from the records of such company what person is entitled to such funds, then in either event it shall be presumed for the purposes of this Article that the last known address of the person entitled to such funds is the same as the last known address of the insured or annuitant according to the records of such company.

## Definitions

Sec. 3. The term "unclaimed funds" as used in this Article shall mean and include all monies held and owing by any life insurance company doing business in this state which shall have remained unclaimed and unpaid for seven years or more after it is established from the records of such company that such monies became due and payable under any life or endowment insurance policy or annuity contract which has matured or terminated. A life insurance policy not matured by actual proof of the prior death of the insured shall be deemed to be matured and the proceeds thereof shall be deemed to be "due and payable" within the meaning of this Article only if such policy is in force when the insured shall have attained the limiting age under the mortality table on which the reserve is based. Annuities and other obligations, the payment of which is conditioned upon the continued life of any person, shall not be deemed to be "due and payable" in the absence of actual proof that such person was alive at the time or times required by the contract. Monies otherwise admittedly due and payable under any such life or endowment insurance policy or annuity contract shall be deemed to be "held and owing" within the meaning of this Article although the policy or contract shall not have been surrendered as required.

## Reports

Sec. 4. Every such life insurance company shall on or before the first day of May of each year make a report in writing to the State Treasurer of Texas of all unclaimed funds, as hereinbefore defined, held and owing by it on the 31st day of December next preceding, provided, however, such report shall not be required to include amounts of less than Five Dollars (\$5.00) which on the effective date of this Article shall have been unclaimed and unpaid for more than eleven years, or amounts which have been paid to another state or jurisdiction under any escheat or unclaimed funds law thereof. Such report shall be signed and sworn to by an officer of such company and shall set forth:

(1) in alphabetical order the full name of the insured or annuitant, his last known address according to the company's records, and the policy or contract number;

(2) the amount appearing from the company's records to be due on such policy or contract;

(3) the date such unclaimed funds became payable;

(4) the name and last known address of each beneficiary or other person who, according to the company's records, may have an interest in such unclaimed funds; and

(5) such other identifying information as the State Treasurer may require; provided, however, that amounts of less than Ten Dollars (\$10.00) each may be reported in the aggregate without furnishing any of the information required in Clauses (1), (2), (3), (4), and (5) of this Section.

## Notice; Publication

Sec. 5. (a) On or before the first day of September following the making of such reports under Section 4, the State Treasurer shall cause to be published notices based on the information contained in such reports and entitled: "NOTICE OF CERTAIN UNCLAIMED FUNDS HELD AND OWING BY LIFE INSURANCE COMPANIES." Such a notice shall be published once in a newspaper published or having a general circulation in each county of this state in which is located the last known address of a person appearing to be entitled to such funds.

(b) Each such notice shall set forth in alphabetical order the names of the insureds or annuitants under policies or contracts where the last known address of the person appearing to be entitled to such funds is in the county of publication or general circulation, together with: (1) the amount reported due and the date it became payable; (2) the name and last known address of each beneficiary of other person who, according to the company's reports, may have an interest in such unclaimed funds; and (3) the name and address of the company. The notice shall also state that such unclaimed funds will be paid by the company to persons establishing to its satisfaction before the following December 1st their right to receive the same, and that not later than the following December 20th such unclaimed funds still remaining will be paid to the State Treasurer who shall thereafter be liable for the payment thereof.

(c) It shall not be obligatory upon the State Treasurer to publish any item of less than Fifty Dollars (\$50) in such notice, unless the State Treasurer deems such publication to be in the public interest. The expenses of publication shall be charged against the special trust fund provided for in Section 9.

## Payment to State Treasurer

Sec. 6. All unclaimed funds contained in the report required to be filed by Section 4 of this Article,

excepting those which have ceased to be unclaimed funds, shall be paid over to the State Treasurer on or before the following December 20th.

The State Treasurer shall have the power, for cause shown, to extend for a period of not more than one year the time within which a life insurance company shall file any report and in such event the time for publication and payment required by this Article shall be extended for a like period.

**Custody of Unclaimed Funds in State; Insurers Indemnified**

Sec. 7. Upon the payment of such unclaimed funds to the State Treasurer the state shall assume, for the benefit of those entitled to receive the same and for the safety of the money so paid, the custody of such unclaimed funds, and the life insurance company making such payment shall immediately and thereafter be relieved of and held harmless by the state from any and all liability for any claim or claims which exist at such time with reference to such unclaimed funds or which thereafter may be made or may come into existence on account of or in respect to any such unclaimed funds.

**Reimbursement for Claims Paid by Insurers**

Sec. 8. (a) Any life insurance company which has paid monies to the State Treasurer pursuant to the provisions of this Article may make payment to any person appearing to such company to be entitled thereto and upon proof of such payment the State Treasurer shall forthwith reimburse such company for such payment.

(b) In the event legal proceedings are instituted by any other state, in this state or in any other state or federal court with respect to any of the unclaimed funds paid to the State Treasurer, the life insurance company making the payment shall notify the State Treasurer and the Attorney General of this state of such proceedings and the Attorney General may, in his discretion, intervene therein. If after the life insurance company making the payment has actively defended in such proceedings, or has been notified in writing by the Attorney General that no defense need be made in respect to such funds, a judgment is entered against such life insurance company for any amount paid to the State Treasurer under this Article (including any increment to the amount so paid resulting from the differential in time at which payments are made to this state and the other state involved), the State Treasurer shall, upon being furnished proof of payment in satisfaction of said judgment, immediately reimburse the life insurance company the amount so paid in satisfaction of the judgment. The State Treasurer shall also immediately reimburse the life insurance company for any legal fees, costs and other expenses incurred in such legal proceedings.

(c) If, as to any claim for reimbursement made under this Section 8, the State Treasurer shall fail to make reimbursement within ninety days after the making of such claim, or if he shall notify the life

insurance company prior to the expiration of the ninety days of his refusal to make reimbursement, the life insurance company making such claim for reimbursement may institute suit therefor in a court of competent jurisdiction in Travis County, Texas, naming the State Treasurer as defendant, and such court shall have jurisdiction of any such action to recover any amount for which the right to reimbursement is herein provided. Any action hereunder must be brought within one hundred eighty days after the making of a claim for reimbursement against the State Treasurer.

(d) The rights to reimbursement set forth in, and provided by, this Section shall be the obligation of the State of Texas and any amounts recoverable under this Section 8, whether or not due under any judgment against the State Treasurer, shall be paid from the special trust fund established by this Act, or if the special trust fund is insufficient from the general funds of the State of Texas.

**Special Trust Fund; Administration**

Sec. 9. Upon receipt of any unclaimed funds from such life insurance companies by the State Treasurer, he shall pay forthwith three-fourths of the amount thereof into the general funds of the state for the use of the state. The remaining one-fourth shall be administered by him as a special trust fund for the purposes of this Article, and deposited in the manner provided by law for the deposit of said funds. At the end of each calendar year, any unclaimed funds which shall have been a part of such special trust fund for a period of seven years or more shall be paid into the general funds of the state for the use of the state, provided that the special trust fund shall never be so reduced to less than One Hundred Thousand Dollars (\$100,000.00).

**Determination and Review of Claims**

Sec. 10. Any person claiming to be entitled to unclaimed funds paid to the State Treasurer may file a claim at any time with such official. The State Treasurer shall possess full and complete authority to accept or reject any such claim. If he rejects such claim or fails to act thereon within ninety days after receipt of such claim, the claimant may institute suit therefor in a court of competent jurisdiction naming the State Treasurer as defendant.

**Payment of Allowed Claims**

Sec. 11. Any claim which is accepted by the State Treasurer or ordered to be paid by him by a court of competent jurisdiction shall be paid out of the special trust fund in his custody, or in the event such special trust fund shall be insufficient, out of the general funds of the state.

**Records Required**

Sec. 12. The State Treasurer shall keep in his office a public record of each payment of unclaimed funds received by him from any life insurance company. Except as to amounts reported in the aggre-

gate, such record shall show in alphabetical order the name and last known address of each insured or annuitant, and of each beneficiary or other person who, according to the company's reports, may have an interest in such unclaimed funds, and with respect to each policy or contract, its number, the name of the company, and the amount due.

Other Acts Not Applicable

Sec. 13. No other Statute of this state relating to escheat or unclaimed funds now in force shall apply to life insurance companies, nor shall any such Statute hereafter enacted so apply unless specifically made applicable by its terms; provided that Article 3272a, House Bill No. 5, Acts of the 57th Legislature, First Called Session, shall be in force as to personal property subject to escheat reported or required to be reported by January 6, 1962, under the terms of said Act and the provisions of Section 8 hereof shall be applicable in such cases.

Penalty

Sec. 14. Any person who wilfully fails to file a report required by this Article, or who violates any of the other terms and provisions of this Article shall be punished by a fine not less than Five Hundred Dollars (\$500.00), nor more than One Thousand Dollars (\$1000.00), or by confinement for not more than six months in the county jail, or both, and in addition, shall be subject to civil penalties of not exceeding One Hundred Dollars (\$100.00) for each day of such wilful failure or refusal, said civil penalties to be collected by suit in a District Court of Travis County, Texas, by the Attorney General in the name of the State of Texas.  
[Acts 1963, 58th Leg., p. 865, ch. 333, § 1.]

**Art. 4.09. Fees for the Privilege of Writing Credit Life Insurance or Credit Accident and Health Insurance or Both Credit Life Insurance and Credit Accident and Health Insurance**

Sec. 1. The State of Texas shall assess and collect from each credit insurer writing in Texas credit life insurance or credit accident and health insurance or both credit life insurance and credit accident and health insurance, as defined in Article 3.53 of the Insurance Code, an annual fee for such privilege of Five Hundred Dollars (\$500), which shall be independent of and in addition to all other fees and taxes now imposed, or which may hereafter be imposed by law. Such fee shall be for the privilege of doing business from January 1 through December 31, and shall be due and payable at the time the insurer first engages during each calendar year in the writing of such credit insurance. The fee shall be for the privilege of writing such credit insurance for the remainder of the calendar year in which the fee becomes payable, and the amount of the fee shall not be reduced even though the privilege does not cover a full calendar year.

Sec. 2. All fees collected by virtue of this Article shall be deposited in the State Treasury and appropriated to the use and benefit of the State Board of Insurance to be used in the payment of salaries and other expenses arising out of and in connection with the examination of insurance companies and/or the licensing of insurance companies and investigations of violations of the insurance laws of this State.

**SUBCHAPTER A. MOTOR VEHICLE OR  
AUTOMOBILE INSURANCE**

**Art. 5.01. Fixing Rate of Automobile Insurance**

Every insurance company, corporation, interinsurance exchange, mutual, reciprocal, association, Lloyd's or other insurer, hereinafter called insurer, writing any form of motor vehicle insurance in this State, shall annually file with the Board of Insurance Commissioners, hereinafter called Board, on forms prescribed by the Board, a report showing its

premiums and losses on each classification of motor vehicle risks written in this State.

The Board shall have the sole and exclusive power and authority, and it shall be its duty to determine, fix, prescribe, and promulgate just, reasonable and adequate rates of premiums to be charged and collected by all insurers writing any form of insurance on motor vehicles in this State, including fleet or other rating plans designed to discourage losses from fire and theft and similar hazards and any rating plans designed to encourage the prevention of accidents. In promulgating any such rating plans the Board shall give due consideration to the peculiar hazards and experience of individual risks, past and prospective, within and outside the State and to all other relevant factors, within and outside the State. The Board shall have the authority also to alter or amend any and all of such rates of premiums so fixed and determined and adopted by it, and to raise or lower the same or any part thereof.

Said Board shall have authority to employ clerical help, inspectors, experts, and other assistants, and to incur such other expenses as may be necessary in carrying out the provisions of this law; provided, however, that the number of employees and salary of each shall be fixed in the General Appropriation Bill passed by the Legislature. The Board shall ascertain as soon as practicable the annual insurance losses incurred under all policies on motor vehicles in this State, make and maintain a record thereof, and collect such data as will enable said Board to classify the various motor vehicles of the State according to the risk and usage made thereof, and to classify and assign the losses according to the various classes of risks to which they are applicable; the Board shall also ascertain the amount of premiums on all such policies for each class of risks, and maintain a permanent record thereof in such manner as will aid in determining just, reasonable and adequate rates of premiums.

Motor vehicle or automobile insurance as referred to in this subchapter shall be taken and construed to mean every form of insurance on any automobile or other vehicle hereinafter enumerated and its operating equipment or necessitated by reason of the liability imposed by law for damages arising out of the ownership, operation, maintenance, or use in this State of any automobile, motorcycle, motorbicycle, truck, truck-tractor, tractor, traction engine, or any other self-propelled vehicle, and including also every vehicle, trailer or semi-trailer pulled or towed by a motor vehicle, but excluding every motor vehicle running only upon fixed rails or tracks. Workmen's Compensation Insurance is excluded from the foregoing definition.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 64, ch. 50, § 2.]

**Art. 5.02. Authority to Assign Certain Types or Classes to Appropriate Rating Laws**

There shall be excluded from regulation under the provisions of this subchapter any insurance against

liability for damages arising out of the ownership, operation, maintenance or use of or against loss of or damage to motor vehicles described in the foregoing section which may, in the judgment of the Board, be a type or class of insurance which is also the subject of or may be more properly regulated under the terms or provisions of other insurance rating laws heretofore or hereafter enacted covering such insurance. If such situation shall be found to exist, then the Board shall make an order declaring which of the said rating laws shall be applicable to such type or class of insurance, and to any motor vehicle equipment mentioned in Article 5.01 of this subchapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.03. Promulgated Rates as Controlling

(a) On and after the filing and effective date of such classification of such risks and rates, no such insurer, except as otherwise provided herein, shall issue or renew any such insurance at premium rates which are greater or lesser than those promulgated by the Board as just, reasonable, adequate and not excessive for the risks to which they respectively apply, and not confiscatory as to any class of insurance carriers authorized by law to write such insurance after taking into consideration the deviation provisions of this Article. Any insurer desiring to write insurance at rates different from those promulgated by the Board shall make a written application to the Board for permission to file a uniform percentage deviation for a lesser or greater rate, on a statewide basis unless otherwise ordered by the Board, from the class rates or classes of rates promulgated by the Board. Any insurer desiring to write insurance under a classification plan different from that promulgated by the Board shall make written application to the Board for permission to do so; provided, however, the Board shall approve the use of only such additions or refinements in its classification plan as will produce subclassifications which, when combined, will enable consideration of the insurer's experience under both the Board classification plan and its own classification plan. Such application shall be approved in whole or in part by the Board, provided the Board finds that the resulting premiums will be just, adequate, reasonable, not excessive and not unfairly discriminatory, taking into consideration the following:

- (1) the financial condition of the insurer;
- (2) the method of operation and expenses of such insurer;
- (3) the actual paid and incurred loss experience of the insurer;
- (4) earnings of the insurer from investments together with a projection of prospective earnings from investments during the period for which the application is made; and
- (5) such application meets the reasonable conditions, limitations, and restrictions deemed necessary by the Board.

In considering all matters set forth in such application the Board shall give consideration to the composite effect of items (2), (3), and (4) above and the Board shall deny such application if it finds that the resulting premiums would be inadequate, excessive, or unfairly discriminatory. Provided, however, that no application for a deviation for a greater rate shall be approved by the Board unless such plan of deviation provides that all insureds or persons authorized to act in relation to the risk to be insured shall acknowledge in writing his receipt of notice of and his consent to such greater rate, except that the plan of deviation may provide that the acknowledgement in writing of the receipt of notice of and consent to such greater rate be limited to the insured's original application to a company for a policy of insurance issued for a greater rate, if the initial policy, and all renewals thereof, have stamped on the face of such policies the following language: "The premium charged for this policy is greater than the premium rates promulgated by the State Board of Insurance." The stamped provision shall be in letters no smaller than 14 point boldface type. The written consent shall be kept by the insurer and be available for inspection by the Board.

Except as the Board may authorize, the deviation provisions in this Article shall not apply to insurance written pursuant to other provisions of this Chapter in which a deviation from standard rates is authorized, including, but not limited to, automobile liability experience rating and fleet rating plans.

(b) The Board shall issue its order in writing setting forth the terms of approval or reasons for denial of each application filed for deviation. On January 1, 1974 and thereafter if the Board has not issued its order within 30 days after the filing of an application, the application shall be "deemed approved" by the Board. Provided, however, that the Board may thereafter require the applicant insurer to furnish proof to the Board that the matters set out in the application are true and correct and that such application meets the requirements of this Article. If after notice and hearing the Board determines that any application "deemed to have been approved" by the Board contains false or erroneous information or the Board determines that the application does not meet the requirements of this Article the Board may suspend or revoke the approval "deemed to have been granted."

An insurer that has received approval, or is "deemed to have received approval" for the use of a deviation may apply for an amendment to such deviation or by notice to the Board withdraw the deviation.

(c) From and after the effective date of an application approved by the Board, or "deemed to have been approved" by the Board, such insurer may write insurance in accordance with such approval. Provided, however, that the right to write insurance at a lesser or greater rate as approved may be suspended or revoked by the Board, after notice and hearing, if upon examination or at any time it

appears to or is the opinion of the Board that such insurer:

- (1) has had a change in its financial condition since the granting of the application; or
- (2) the actual paid and incurred losses of the insurer have materially changed since the granting of the application; or
- (3) there has been a material increase in expenses of such insurer since the granting of the application; or
- (4) there has been a material reduction in earnings from investments by the insurer since the granting of the application; or
- (5) the insurer has failed or refused to furnish information required by the Board; or
- (6) the insurer has failed to abide by or follow its rate deviation previously approved by the Board. The Board may suspend the right of an insurer to write insurance at the rates approved under such application, pending hearing, provided that the Board in or accompanying the order suspending such right, sets such hearing within not less than 10 nor more than 30 days following the issuance of its order. The Board shall conduct the hearing within not less than 10 nor more than 30 days following the issuance of its order suspending such right, unless the insurer subject to the order requests the Board to delay the hearing beyond 30 days. The right to write insurance at the lesser or greater rate previously approved by the Board shall automatically terminate, except as herein provided, upon the promulgation by the Board of new or different rates as provided for in the first sentence of "Section (a)" of this Article, and as further provided in paragraphs one and two of Article 5.01, Insurance Code, as amended. After the effective date of the Board's promulgation or authorization of new or different rates, the insurer may not thereafter write insurance at a lesser or greater rate, except that an insurer may continue to write insurance at a deviated rate by applying the percentage of the previously approved deviation applicable to the prior rates as the percentage of deviation applicable to the new or different rates promulgated by the Board, limited, however, to a period of 60 days after the effective date of the new or different rates, and not thereafter, and only if such insurer within 30 days following promulgation by the Board of new or different rates, shall make a written application to the Board for permission to deviate from the new or different rates promulgated by the Board. The Board by order may extend the use of prior approved deviations beyond the 60 day period hereinabove set out.

(d) It is expressly provided, however, that notwithstanding any other provision of this chapter to the contrary, a rate or premium for such insurance greater than the standard rate or premium that has

been promulgated by the Board may be used on any specific risk if:

- (1) a written application is made to the Board naming the insurer and stating the coverage and rate proposed;
- (2) the person to be insured or person authorized to act in relation to the risk to be insured consents to such rate;
- (3) the reasons for requiring such greater rate or premium are stated in or attached to the application;
- (4) the person to be insured or person authorized to act for such person signs the application; and
- (5) the Board approves the application by order or by stamping.

(e) In the administration of this Act the Board shall resolve by rules and regulations, to the extent permitted by law, any conflicts or ambiguities as may be necessary to accomplish the purposes of this Act.

(f) This Article, as amended, is effective September 1, 1973.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1971, 62nd Leg., p. 864, ch. 104, § 1, eff. April 30, 1971; Acts 1973, 63rd Leg., p. 1118, ch. 425, § 1, eff. Sept. 1, 1973.]

Sections 2 and 3 of the act of 1971 provided:

"Sec. 2. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared severable.

"Sec. 3. All laws and parts of laws in conflict herewith are hereby repealed to the extent of such conflict."

#### Art. 5.04. Experience as Factor

To insure the adequacy and reasonableness of rates the Board may take into consideration past and prospective experience, within and outside the State, and all other relevant factors, within and outside the State, gathered from a territory sufficiently broad to include the varying conditions of the risks involved and the hazards and liabilities assumed, and over a period sufficiently long to insure that the rates determined therefrom shall be just, reasonable and adequate, and to that end the Board may consult any rate making organization or association that may now or hereafter exist.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 64, ch. 50, § 3.]

#### Art. 5.05. Reports on Experience

(a) Recording and Reporting of Loss Experience and Other Data.

The Board shall, after due consideration, promulgate reasonable rules and statistical plans, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss experience and such other data as may be required, in order that the total loss and expense experience of all insurers may be made available at least biennially in such form and detail as may be necessary to aid in determining whether rates comply with the standards set forth in Article

5.04. In promulgating such rules and plans, the Board shall have due regard for the rates approved by it, and in order that such rules and plans may be as uniform as is practicable, to the rules and to the form of the plans used in other states. The Board may designate one or more rating organizations or other agencies to gather and compile such experience.

(b) Interchange of Rating Plan Data.

Reasonable rules and plans may be promulgated by the Board after due consideration, requiring the interchange of loss experience necessary for the application of rating plans.

(c) Consultation with other States.

In order to further uniform administration of rating laws, the Board and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may consult and cooperate with them with respect to rate-making and the application of rating systems.

(d) The Commissioner is hereby authorized and empowered to require sworn statements from any insurer affected by this Act, showing its experience on any classification or classifications of risks and such other information which may be necessary or helpful in determining proper classification and rates or other duties or authority imposed by law. The Commissioner shall prescribe the necessary forms for such statements and reports, having due regard to the rules, methods and forms in use in other states for similar purposes in order that uniformity of statistics may not be disturbed.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 64, ch. 50, § 4.]

### Art. 5.06. Policy Forms and Endorsements

In addition to the duty of approving classifications and rates, the Board shall prescribe policy forms for each kind of insurance uniform in all respects except as necessitated by the different plans on which the various kinds of insurers operate, and no insurer shall thereafter use any other form in writing automobile insurance in this State; provided, however, that any insurer may use any form of endorsement appropriate to its plan of operation, provided such endorsement shall be first submitted to and approved by the Board; and any contract or agreement not written into the application and policy shall be void and of no effect and in violation of the provisions of this subchapter, and shall be sufficient cause for revocation of license of such insurer to write automobile insurance within this State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

### Art. 5.06-1. Uninsured Motorist Coverage Required; Insolvency Protection; Right of Rejection

(1) No automobile liability insurance (including insurance issued pursuant to an Assigned Risk Plan established under authority of Section 35 of the

Texas Motor Vehicle Safety-Responsibility Act),<sup>1</sup> covering liability arising out of the ownership, maintenance, or use of any motor vehicle shall be delivered or issued for delivery in this state unless coverage is provided therein or supplemental thereto, in the limits described in the Texas Motor Vehicle Safety-Responsibility Act, under provisions prescribed by the Board, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom. The coverage required under this Article shall not be applicable where any insured named in the policy shall reject the coverage; and provided further, that unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured has rejected the coverage in connection with a policy previously issued to him by the same insurer.

(2) For the purpose of this coverage, the term "uninsured motor vehicle" shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency. The State Board of Insurance is hereby authorized to promulgate the forms of the uninsured motorist coverage. The Board may also, in such forms, define "uninsured motor vehicle" to exclude certain motor vehicles whose operators are in fact uninsured.

(3) In the event of payment to any person under the coverage required by this Section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury, sickness or disease, or death for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer; provided, however, whenever an insurer shall make payment under a policy of insurance issued pursuant to this Act, which payment is occasioned by the insolvency of an insurer, the insured of said insolvent insurer shall be given credit in any judgment obtained against him, with respect to his legal liability for such damages, to the extent of such payment, but such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had if the insured of the insolvent insurer had made the payment.

[Acts 1967, 60th Leg., p. 448, ch. 202, § 1, eff. Oct. 1, 1967.]

<sup>1</sup> Civil Statutes, art. 6701h, § 35.

**Art. 5.06-2. Garage Insurance**

(1) Definitions. As used in this Act:

(a) "Garage Insurance" means motor vehicle or automobile insurance as defined in Article 5.01 hereof issued to a named insured engaged in the business of selling, servicing or repairing motor vehicles as now or hereafter defined by rules, regulations or orders of the State Board of Insurance;

(b) "Garage Customer" means any person or organization other than the named insured, or an employee, director, officer, stockholder, partner, or agent of the named insured; or a resident of the same household as the named insured, such employee, director, officer, stockholder, partner, or agent;

(c) "Financial Responsibility Limits" means the minimum limits specified by the Texas Motor Vehicle Safety-Responsibility Act.

(2) A policy of garage insurance may contain a provision to the effect that garage customers are not insureds under the garage insurance policy and that the garage insurance shall not apply to garage customers, except to the extent that other valid and collectible insurance, if any, available to the garage customer is not equal to the financial responsibility limits. Notwithstanding any provision to the contrary in such other policy or policies of insurance as to whether such insurance is primary, excess, or contingent insurance, or otherwise, such other valid and collectible insurance shall be primary insurance as to the garage customer. Any garage insurance policy containing such a provision shall not cover garage customers except to such extent, notwithstanding the terms and provisions of such other policy or policies of insurance.

(3) This Act shall apply only to insurance policies issued or renewed or made subject to this Act by endorsement after the effective date hereof.

[Acts 1969, 61st Leg., 2nd C.S., p. 193, ch. 35, § 1, eff. Sept. 19, 1969.]

**Art. 5.06-3. Personal Injury Protection Coverage**

(a) No automobile liability insurance policy, including insurance issued pursuant to an assigned risk plan established under authority of Section 35 of the Texas Motor Vehicle Safety-Responsibility Act,<sup>1</sup> covering liability arising out of the ownership, maintenance, or use of any motor vehicle shall be delivered or issued for delivery in this state unless personal injury protection coverage is provided therein or supplemental thereto. The coverage provided in this article shall be applicable unless the insured named in the policy rejects the coverage in writing, and the coverage shall be provided in or supplemental to a renewal policy unless it is rejected in writing by the insured named in the policy.

(b) "Personal injury protection" consists of provisions of a motor vehicle liability policy which provide for payment to the named insured in the motor vehicle liability policy and members of the insured's household, any authorized operator or passenger of

the named insured's motor vehicle including a guest occupant, up to an amount of \$2,500 for each such person for payment of all reasonable expenses arising from the accident and incurred within three years from the date thereof for necessary medical, surgical, X-ray and dental services, including prosthetic devices, and necessary ambulance, hospital, professional nursing and funeral services, and in the case of an income producer, payment of benefits for loss of income as the result of the accident; and where the person injured in the accident was not an income or wage producer at the time of the accident, payments of benefits must be made in reimbursement of necessary and reasonable expenses incurred for essential services ordinarily performed by the injured person for care and maintenance of the family or family household. The insurer providing loss of income benefits may require, as a condition of receiving such benefits, that the insured person furnish the insurer reasonable medical proof of his injury causing loss of income. The personal injury protection in this paragraph specified shall not exceed \$2,500 for all benefits, in the aggregate, for each person.

(c) The benefits required by this Act shall be payable without regard to the fault or non-fault of the named insured or the recipient in causing or contributing to the accident, and without regard to any collateral source of medical, hospital, or wage continuation benefits. An insurer paying benefits pursuant to this Act shall have no right of subrogation and no claim against any other person or insurer to recover any such benefits by reason of the alleged fault of such other person in causing or contributing to the accident.

(d) All payments of benefits prescribed under this Act shall be made periodically as the claims therefor arise and within thirty (30) days after satisfactory proof thereof is received by the insurer subject to the following limitations:

(1) The coverage described in this Act may prescribe a period of not less than six months after the date of accident within which the original proof of loss with respect to a claim for benefits must be presented to the insurer.

(2) The coverage described in this Act may provide that in any instance where a lapse occurs in the period of total disability or in the medical treatment of an injured person who has received benefits under such coverage and such person subsequently claims additional benefits based upon an alleged recurrence of the injury for which the original claim for benefits was made, the insurer may require reasonable medical proof of such alleged recurrence; provided, that in no event shall the aggregate benefits payable to any person exceed the maximum limits prescribed in the policy.

(3) In the event the insurer fails to pay such benefits when due, the person entitled to such benefits may bring an action in contract to

recover the same; and, in the event the insurer is required to pay such benefits, the person entitled to such benefits shall be entitled to recover reasonable attorneys fees plus 12% penalty, plus interest thereon at the legal rate from the date such sums became overdue.

(e) An insurer shall exclude benefits to any insured, or his personal representative, under a policy required by Section 1, when the insured's conduct contributed to the injury he sustained in any of the following ways:

(1) Causing injury to himself intentionally.

(2) While in the commission of a felony, or while seeking to elude lawful apprehension or arrest by a law enforcement official.

(f) The State Board of Insurance is hereby authorized to prescribe the form, or forms, of insurance policies, including riders and endorsements, to provide the coverage described in this article. The Board shall also prescribe the premium rates under the provisions of this Subchapter A, Chapter 5, Texas Insurance Code. Provided, however, the foregoing provisions relative to forms and rates shall apply only to coverage written to comply with this article; such provisions shall not apply to other accident or health policies even though they promise indemnity against automobile-connected injuries. Provided further, County Mutual Insurance Companies shall not be subject to the rate making authority herein conferred on the board.

(g) Nothing contained in this Act shall affect the offering of medical payments coverage, disability benefits, and accidental death benefits, as presently prescribed by the State Board of Insurance; and nothing contained in this Act shall be construed to prevent an insurer from providing broader benefits than the minimum benefits enumerated in this Act subject to the rules and forms prescribed by the State Board of Insurance.

(h) When any liability claim is made by any guest or passenger described in paragraph (b) hereof against the owner or operator of the motor vehicle in which he was riding or the owner's or operator's liability insurance carrier, the owner or operator of such motor vehicle or his liability insurance carrier shall be entitled to an offset, credit or deduction against any award made to such guest or passenger in an amount of money equal to the amounts paid by the owner, operator or his automobile liability insurance carrier under "personal injury protection" as defined in this Act to such guests or passengers; provided, however, that nothing herein shall be construed to authorize a direct action against a liability insurance company if such right does not presently exist at law.

[Acts 1973, 63rd Leg., p. 90, ch. 52, § 1, eff. Aug. 27, 1973.]

<sup>1</sup> Civil Statutes, art. 6701h, § 35.

Section 2 of the 1973 Act provided: "If any portion of this Act, any part thereof, any paragraph, sentence, or other part shall be declared illegal or unconstitutional for any reason, such declaration shall not affect the validity of the remaining portions hereof; and in that connection the legislature hereby specifically declares that all portions hereof shall be severable and that the remaining portions hereof would have been enacted notwithstanding the absence of any such portion as may be declared illegal and unconstitutional."

#### Art. 5.07. Participating Policies

Nothing in this subchapter shall be construed to prohibit the operation hereunder of any stock company, mutual company, reciprocal or interinsurance exchange or Lloyd's association or to prohibit any stock company, mutual company, reciprocal or interinsurance exchange or Lloyd's association issuing participating policies; provided no distribution of profit or dividends to insured shall take effect or be paid until the same shall have been approved by the Board; and provided further that no such distribution shall be approved until adequate reserves shall have been provided, such reserves to be computed on the same basis for all classes of insurers operating under this subchapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.08. Special Favors and Profit Sharing

It shall be unlawful for any insurer, as defined in this subchapter, or its officers, directors, general agent, state agents, special agents, local agents or other representatives, to grant to or contract with insured for any special favor or advantage in dividends or other profits, or any commissions or dividends of commissions or profits to accrue thereon, or any compensation or any valuable consideration not specified in the policy contract, or any inducement not specified in the policy contract, for the purpose of writing the insurance of any insured. Nothing in this article, however, shall be construed to prohibit an insurer from sharing its profits after the same have been earned with its policyholders under and in accordance with an agreement as to such profit sharing contained in its policy contract. Any profit sharing under any policy with insured shall be uniform as between such insured, and shall consist only and solely of an equitable distribution under and in accordance with the terms of the policy of earnings between such insured, and no such insurer shall discriminate in any distribution of profits between insured of a class, and no classes for such distribution shall be made or established except on the approval of the Board. No part of any profit shall be distributed to any insured under any such policy until the expiration of the policy contract. Any violation of the terms of this section shall constitute unjust discrimination and shall constitute rebating, and shall be sufficient grounds for the revocation of the permit of the insurer or of the license of the agent being guilty of such unjust discrimination and rebating.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.09. Discriminations or Distinctions

No insurer coming within the terms of this subchapter shall, in its business in this State, make or permit any distinction or discrimination in favor of the insured having a like hazard, in the matter of the charge of premiums for insurance, or in dividends or other benefits payable under any policy, nor shall any such insurer or agent make any contract of insurance, or agreement as to such insurance, other than expressed in the policy, nor shall

any such insurer or its agents or representatives pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to insured, any rebate payable upon the policy or any special favor or advantage in dividends or other benefits to accrue, or anything of value whatsoever, not specified in the policy; provided that nothing in this subchapter shall be construed to prohibit the modification of rates by rating plans designed to encourage the prevention of accidents, and to take account of the peculiar hazards and experience of individual risks, past and prospective, within and outside the State, and of all other relevant factors, within and outside the State, provided such plan shall have been approved by the Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 64, ch. 50, § 5.]

#### Art. 5.10. Rules and Regulations

The Board is hereby empowered to make and enforce all such reasonable rules and regulations not inconsistent with the provisions of this subchapter as are necessary to carry out its provisions, including full power and control over any administrative agencies and/or stamping office which may be organized or established by insurer with the Board's approval to carry into effect the provisions of this subchapter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.11. Hearing on Grievances

Any policyholder or insurer shall have the right to a hearing before the Board on any grievance occasioned by the approval or disapproval by the Board of any classification, rate, rating plan, endorsement or policy form, or any rule or regulation established under the terms hereof, such hearing to be held in conformity with rules prescribed by the Board. Upon receipt of request that such hearing is desired, the Board shall forthwith set a date for the hearing, at the same time notifying all interested parties in writing of the place and date thereof, which date, unless otherwise agreed to by the parties at interest, shall not be less than ten (10) nor more than thirty (30) days after the date of said notice. Any party aggrieved shall have the right to apply to any court of competent jurisdiction to obtain redress.

No hearing shall suspend the operation of any classification, rate, rating plan or policy form unless the Board shall so order.

#### Art. 5.12. Tax on Gross Motor Vehicle Insurance Premiums

The State of Texas shall assess and collect an additional one-fifth ( $\frac{1}{5}$ ) of one (1%) per cent of the gross motor vehicle insurance premiums, of all insurers writing motor vehicle insurance in this State, according to the reports made to the Board of Insurance Commissioners as required by law. The tax herein required shall supersede the tax heretofore collected upon fire premiums of automobile insurance for the support of the Board of Insurance

Commissioners. Said taxes when collected shall be deposited with the State Treasurer to the credit of a special fund to be designated as the Motor Vehicle Insurance Division Fund, to be used for the sole purpose of administering this subchapter; and to be expended only on warrants issued by the Comptroller upon vouchers drawn by the Board of Insurance Commissioners, such vouchers to be accompanied by itemized sworn statements of the expenditures, and to be in addition to all taxes now imposed, or which may hereafter be imposed, not in conflict with this section of this subchapter. Should there be an unexpended balance at the end of any year in said fund, the Board of Insurance Commissioners shall reduce the assessment for the succeeding year so that the amount produced and paid into the State Treasury together with said unexpended balance in the Treasury will not exceed the amount necessary for the current year to pay all expenses of maintaining the Motor Vehicle Division of the Board of Insurance Commissioners.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.12-1. Penalty for Violation of Act

Any insurer or officer or representative thereof which shall violate any provision of this Act<sup>1</sup> shall be subject to a revocation of his or its license by the Board of Insurance Commissioners and in addition shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than One Hundred (\$100.00) Dollars nor more than Five Hundred (\$500.00) Dollars for each such offense.

### SUBCHAPTER B. CASUALTY INSURANCE AND FIDELITY, GUARANTY AND SURETY BONDS

#### Art. 5.13. Scope of Sub-chapter

This Sub-chapter applies to every insurance company, corporation, interinsurance exchange, mutual, reciprocal, association, Lloyds or other organization or insurer writing any of the characters of insurance business herein set forth, hereinafter called "Insurer"; provided that nothing in this entire Sub-chapter shall ever be construed to apply to any county or farm mutual insurance company or association, as regulated under Chapters 16 and 17 of this Code.

This Sub-chapter applies to the writing of casualty insurance and the writing of fidelity, surety, and guaranty bonds, on risks or operations in this State except as herein stated.

This Sub-chapter does not apply to the writing of motor vehicle, life, health, accident, professional liability, reinsurance, aircraft, fraternal benefit, fire, lightning, tornado, windstorm, hail, smoke or smudge, cyclone, earthquake, volcanic eruption, rain, frost and freeze, weather or climatic conditions, excess or deficiency of moisture, flood, the rising of the waters of the ocean or its tributaries, bombardment, invasion, insurrection, riot, civil war or commotion,

military or usurped power, any order of a civil authority made to prevent the spread of a conflagration, epidemic or catastrophe, vandalism or malicious mischief, strike or lockout, water or other fluid or substance, resulting from the breakage or leakage of sprinklers, pumps, or other apparatus erected for extinguishing fires, water pipes or other conduits or containers, or resulting from casual water entering through leaks or opening in buildings or by seepage through building walls, including insurance against accidental injury of such sprinklers, pumps, fire apparatus, conduits or container, workmen's compensation, inland marine, ocean marine, marine, or title insurance; nor does this Sub-chapter apply to the writing of explosion insurance, except insurance against loss from injury to person or property which results accidentally from steam boilers, heaters or pressure vessels, electrical devices, engines and all machinery and appliances used in connection therewith or operation thereby.

This Sub-chapter shall not be construed as limiting in any manner the types or classes of insurance which may be written by the several types of insurers under appropriate statutes or their charters or permits.

The regulatory power herein conferred is vested in the Board of Insurance Commissioners of the State of Texas. Within the Board, the Casualty Insurance Commissioner shall have primary supervision of regulation herein provided, subject however to the final authority of the entire Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 359, ch. 76, § 1.]

#### Art. 5.14. Making of Rates

All rates shall be made in accordance with the following provisions:

1. Due consideration shall be given to the past and prospective loss experience within and outside the State, to catastrophe hazards, if any, to expenses of operation, to a reasonable margin for profit and contingencies, and to all other relevant factors, within and outside the State.

2. Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in such risks on the basis of any or all of the factors mentioned in the preceding paragraph.

3. Rates shall be reasonable, adequate, not unfairly discriminatory, and non-confiscatory as to any class of insurer.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.15. Filing of Rates and Rating Information; Approval

(a) Every insurer shall file with the Board every manual of classifications, rules and rates, every rating plan and every modification of any of the foregoing which it proposes to use. Every such filing

shall indicate the character and extent of the coverage contemplated and shall be accompanied by the policies and endorsement forms proposed to be used, and the information upon which the insurer supports the filing.

(b) An insurer may satisfy its obligation to make such filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings and by authorizing the Board to accept such filings on its behalf.

(c) Any filing made pursuant to this article shall be approved by the Board unless it finds that such filing does not meet the requirements of this sub-chapter. As soon as reasonably possible after the filing has been made the Board shall in writing approve or disapprove the same; provided, that any filing shall be deemed approved unless disapproved within thirty (30) days; provided, that the Board may by official order postpone action for such further time not exceeding thirty (30) days as it deems necessary for proper consideration.

(d) Any filing for which there is no approved rate shall be deemed approved from the date of filing to the date of such formal approval or disapproval.

(e) If at any time the Board finds that a filing so approved no longer meets the requirements of this subchapter, it may, after a hearing held on not less than twenty days' notice specifying the matters to be considered at such hearing, to every insurer and rating organization which made such filing, issue an order withdrawing its approval thereof. Said order shall specify in what respects the Board finds that such filing no longer meets the requirements of this subchapter and shall be effective not less than thirty (30) days after its issuance. Copies of such order shall be sent to every such insurer and rating organization.

(f) Any person or organization aggrieved by the action of the Board with respect to any filing may, within thirty (30) days after such action, make written request to the Board for a hearing thereon. The Board shall hear such aggrieved party within thirty (30) days after receipt of such request and shall give not less than ten days' written notice of the time and place of the hearing to the insurer or rating organization which made the filing and to any other aggrieved party. Within thirty (30) days after such hearings the Board shall affirm, reverse or modify its previous action. Pending such hearing and decision thereon the Board may suspend or postpone the effective date of its previous action.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.16. Rating Organizations

(a) A corporation, an unincorporated association, a partnership or an individual, whether located within or outside the State, may make application for license as a rating organization for such kinds of insurance or subdivisions thereof as are specified in its application and shall file therewith (1) a copy of its constitution, its articles of agreement or association or its certificate of incorporation, and of its

by-laws and rules governing the conduct of its business; (2) a list of its members and subscribers; (3) the name and address of a resident of the State upon whom notices or orders of the Board affecting such rating organizations may be served and (4) a statement of its qualification as a rating organization. If the Board finds that the applicant is qualified, it shall issue a license specifying the kinds of insurance or subdivisions thereof for which the applicant is authorized to act as a rating organization. Every such application shall be granted or denied in whole or in part by the Board within sixty (60) days of the date of its filing with it. Licenses issued pursuant to this Article shall remain in effect until suspended or revoked by the Board. The fee for said license shall be Twenty-five (\$25.00) Dollars.

A rating organization shall not be granted a license as to any class of insurance unless and until two or more insurers have designated it to act for them as to such class of insurance in the manner prescribed herein.

(b) Each rating organization shall, subject to reasonable rules and regulations, permit any insurer, not a member, to become a subscriber to its rating services, and shall furnish such services without discrimination to its members and subscribers. The refusal of any rating organization to admit an insurer as a subscriber shall, at the request of such insurer, be reviewed by the Board at a hearing held upon at least ten (10) days' written notice to such rating organization and such insurer. Every rating organization shall notify the Board promptly of every change in the list of its members and subscribers.

(c) No rating organization shall adopt any rule the effect of which would be to prohibit or regulate the payment of dividends to policyholders.

(d) The Board shall, at least once in five (5) years, make or cause to be made an examination of each rating organization licensed in this State. The reasonable costs of such examination shall be paid by the rating organization examined upon presentation to it of a detailed account of such cost. The officers, managers, agents and employees of such rating organization may be examined under oath and shall exhibit all books, records, accounts, documents or agreements governing its method of operation. The Board may waive such examination upon proof that such rating organization has, within a reasonably recent period, been examined by the insurance supervisory official of another state, pursuant to the laws of such state, and upon the filing with the Board of a copy of the report of such examination. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.17. Appeal by Minority

Any member of or subscriber to a rating organization may appeal to the Board from the decision of such rating organization in approving or rejecting any proposed change in or addition to the filings of such rating organization; and the Board shall, after a hearing held on not less than ten (10) days' written

notice to the appellant and to such rating organization, issue an order approving the decision of such rating organization or directing it to give further consideration to such proposal.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.18. Information to be Furnished Insureds; Hearings and Appeals of Insureds

Every insurer which files its own rates and every rating organization shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charges as it may make, furnish to any person then or thereafter affected by such rate or any modification thereof properly made, or to the authorized representative of such person, all information pertinent thereto.

Every insurer which files its own rates and every rating organization shall provide within this State reasonable means whereby any person aggrieved by the application of its rating system may be heard, in person or by his authorized representative, on his written request to review the manner in which such rating system has been applied in connection with the insurance afforded him. Any party affected by the action of such rating organization or such insurer on such request may, within ten (10) days after written notice of such action, appeal to the Board. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.19. Rate Administration

(a) Recording and Reporting of Loss Experience and Other Data.—The Board shall, after due consideration, promulgate reasonable rules and statistical plans which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss experience and such other data as may be required, in order that the total loss and expense experience of all insurers may be made available at least biennially in such form and detail as may be necessary to aid in determining whether rating plans comply with the standards set forth in Article 5.14 of this subchapter. In promulgating such rules and plans, the Board shall have due regard for the rating plans approved by it, and in order that such rules and plans may be as uniform as is practicable, to the rules and to the form of the plans used in other states. The Board may designate one or more rating organizations or other agencies to gather and compile such experience.

(b) Interchange of Rating Plan Data.—Reasonable rules and plans may be promulgated by the Board after due consideration, requiring the interchange of loss experience necessary for the application of rating plans.

(c) Consultation with Other States.—In order to further uniform administration of rating laws, the Board and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may consult and

cooperate with them with respect to rate making and the application of rating systems.

(d) Rules and Regulations.—The Board may make reasonable rules and regulations necessary to effect the purposes of this subchapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.20. Rebates Prohibited

No insurer or employee thereof, and no broker or agent shall knowingly issue any policy of insurance nor charge, demand or receive a premium thereon except in accordance with the applicable filing which has been approved by the Board. No insurer or employee thereof, and no broker or agent shall pay, allow or give, or offer to pay, allow, or give, directly or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium named in a policy of insurance, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducement whatever, not specified in the policy of insurance, except to the extent provided for in such applicable filing. No insured named in a policy of insurance, nor any employee of such insured shall knowingly receive or accept, directly or indirectly, any such rebate, discount, abatements, or reduction of premium, or any special favor or advantage or valuable consideration or inducement. Nothing in this article, however, shall be construed to prohibit an insurer from sharing its profits after the same have been earned with its policyholders under and in accordance with an agreement as to such profit sharing contained in its policy contract. Any profit sharing under any policy with insured shall be uniform as between such insured, and shall consist only and solely of the equitable distribution under and in accordance with the terms of the policy of earnings between such insured, and no such insurer shall discriminate in any distribution of profits between insured of a class, and no classes for such distribution shall be made or established except on the approval of the Board. No part of any profit shall be distributed to any insured under any such policy until the expiration of the policy contract, provided no distribution of profits or dividends to insured shall take effect or be paid until the same shall have been approved by the Board; and provided further, that no such distribution shall be approved until adequate reserves shall have been provided, such reserves to be computed on the same basis for all classes of insurers operating under this subchapter. Any violation of the terms of this article shall constitute unjust discrimination and shall constitute rebating, and shall be sufficient grounds for the revocation of the permit of the insurer or of the license of the agent being guilty of such unjust discrimination and rebating; provided further, that nothing in this subchapter shall be construed to prohibit the modification of rates by any rating plan approved by the Board as hereinbefore provided.

As used in this article the word "insurance" includes suretyship, and the word "policy" includes bond.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.21. False or Misleading Information

No person or organization shall knowingly give false or misleading information to the Board, to any insurer, or to any rating organization, which will in any manner affect the proper determination of rates or premiums.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.22. Penalties

The Board may suspend the license of any rating organization or insurer which fails to comply with an order of the Board within the time limited by such order, or any extension thereof which the Board may grant. The Board shall not suspend the license of any rating organization or insurer for failure to comply with an order until the time prescribed for an appeal therefrom has expired or, if an appeal has been taken, until such order has been affirmed. The Board may determine when a suspension of license shall become effective and it shall remain in effect for the period fixed by it, unless it modifies or rescinds such suspension or until the order upon which such suspension is based is modified, rescinded or reversed.

No license shall be suspended except upon a written order of the Board, stating its findings, made after a hearing held upon not less than ten (10) days' notice to such person or organization specifying the alleged violation.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.23. Judicial Review

Any order or decision of the Board shall be subject to review, which shall be on the basis of the record of the proceedings before the Board and shall not be limited to questions of law, by direct action in the District Court of Travis County, instituted by any party aggrieved by any action taken under this subchapter.

Pending final disposition of any proceedings which attack the correctness of a rate, any insurer affected by such order may continue to charge the rate which obtained prior to such order of decrease or may charge the rate resulting from such order of increase, on condition that the difference in the premiums be deposited in a special account by said insurer, to be held in trust by said insurer, and to be retained by said insurer or paid to the holders of policies issued after the order of the Board, as the court may determine.

In all other cases, the court shall determine whether the filing of the appeal shall operate as a stay. The court may, in disposing of the issue before it, modify, affirm or reverse the order or decision of the Board in whole or in part.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.24. Maintenance Tax**

The State of Texas shall assess and collect not exceeding an additional two-fifths ( $\frac{2}{5}$ ) of one (1%) per cent of the gross premiums on all classes of insurance covered by this subchapter, of all insurers writing such insurance in this state, according to the reports made to the Board of Insurance Commissioners as required by law. Said taxes when collected shall be deposited with the State Treasurer to the credit of a special fund to be designated as the Casualty Insurance Fund, which fund shall be kept separate and apart from all other funds and moneys in his hands, to be used for the sole purpose of administering this subchapter; and to be expended only on warrants issued by the Comptroller upon vouchers drawn by the Board of Insurance Commissioners, such vouchers to be accompanied by itemized sworn statements of the expenditures, and to be in addition to all taxes now imposed, or which may hereafter be imposed, not in conflict with this article of this subchapter. Should there be an unexpended balance at the end of any year in said fund, the Board shall reduce the assessment for the succeeding year so that the amount produced and paid into the Treasury will not exceed the amount necessary for the current year to pay all expenses of maintaining the division of the Board of Insurance Commissioners administering this subchapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**SUBCHAPTER C. FIRE INSURANCE AND ALLIED LINES**

**Art. 5.25. Board Shall Fix Rates**

The Board of Insurance Commissioners shall have the sole and exclusive power and authority and it shall be its duty to prescribe, fix, determine and promulgate the rates of premiums to be charged and collected by fire insurance companies transacting business in this State. Said Board shall also have authority to alter or amend any and all such rates of premiums so fixed and determined and adopted by it, and to raise or lower the same, or any part thereof, as herein provided. Said Board shall have authority to employ clerical help, inspectors, experts and other assistants, and to incur such other expenses as may be necessary in carrying out the provisions of this law. Such expenses, including the salaries of the members of the Board, shall not exceed in the aggregate, for any fiscal year, the sum of One Hundred and Thirty Thousand (\$130,000.00) Dollars. Said Board shall ascertain as soon as practicable the annual fire loss in this State; obtain, make and maintain a record thereof and collect such data with respect thereto as will enable said Board to classify the fire losses of this State, the causes thereof, and the amount of premiums collected therefor for each class of risks and the amount paid thereon, in such manner as will aid in determining equitable insurance rates, methods of reducing such fire losses and reducing the insurance rates of the State, or subdivisions of the State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.25-1. Reserved for future legislation****Art. 5.25-2. City Fire Loss Lists**

Sec. 1. In this article,

(1) "list" means the list of fire and lightning losses in excess of \$100 paid under the Texas Standard Policy in a particular city or town prepared by the State Board of Insurance for distribution to the city or town;

(2) "board" means the State Board of Insurance.

Sec. 2. (a) The board shall compile for each city or town in Texas a list of the insured fire losses paid under the Texas Standard Policy in that city or town for the preceding statistical year.

(b) The list shall include

(1) the names of persons recovering losses under Texas Standard Policies;

(2) the addresses or locations where the losses occurred;

(3) the amount paid by the insurance company on each loss.

(c) The board shall obtain the information to make the lists from insurance company reports of individual losses during the statistical year.

Sec. 3. Upon the request of any city or town, or its duly authorized agent or fire marshal, the board shall provide that city and town with a copy of the list for its particular area.

Sec. 4. Each city or town shall investigate its list to determine the losses actually occurring in its limits and shall make a report to the board which report shall include

(1) a list of the losses that actually occurred in the limits of the city or town;

(2) a list of any losses not occurring in the limits of the city or town; and

(3) other evidence essential to establishing the losses in the city or town.

Sec. 5. The board shall make such changes or corrections as to it shall seem appropriate in order to correct the list of insured fire and lightning losses paid under the Texas Standard Policy in a particular city or town and said list of losses, as changed or corrected, shall be used to determine the fire record credit or debit for each particular city or town for the next year.

Sec. 6. The board shall set and collect a charge for compiling and providing a list of fire and lightning losses paid under the Texas Standard Policy in a particular city or town and as the board shall deem appropriate to administer the fire record system.

Sec. 7. The board is authorized to require each and every city or town in the State of Texas and each and every insurance company or carrier of every type and character whatsoever doing business

in the State of Texas to furnish to it a complete and accurate list of all fire and lightning losses occurring within the State of Texas and reflected in their records for the purpose of accumulating statistical information for the control and prevention of fires.

Sec. 8. The board may, at its discretion, furnish such list only during such time as the fire record system remains in force and effect.

[Acts 1967, 60th Leg., p. 2063, ch. 765, § 1, eff. Aug. 28, 1967.]

Acts 1967, 60th Leg., p. 2063, ch. 765, § 2 provided: "All laws and parts of laws in conflict with the provisions of this Act are hereby repealed."

#### Art. 5.26. Maximum Rate Fixed, and Deviations Therefrom

(a) A maximum rate of premiums to be charged or collected by all companies transacting in this state the business of fire insurance, as herein defined, shall be exclusively fixed and determined and promulgated by the Board, and no such fire insurance company shall charge or collect any premium or other compensation for or on account of any policy or contract of fire insurance as herein defined in excess of the maximum rate as herein provided for; provided, however, upon the written application of the insured stating his reasons therefor, filed with and approved by the Board, a rate in excess of the maximum rate promulgated by the Board may be used on any specific risk.

(b) Any insurer desiring to write insurance at a less rate than the maximum rate provided for in paragraph (a) above shall make a written application to the Board for permission to file a uniform percentage deviation for a lesser rate than the maximum rate, on a state-wide basis or by reasonable territories as approved by the Board, from the class rates or schedules or rating plans respecting fire insurance and its allied lines of insurance or class of risk within such kind of insurance or a combination thereof promulgated by the Board. Such application shall specify the basis of the deviation, and shall be accompanied by the data upon which the applicant relies; provided, however, such application, data and all other information filed in connection with such deviation shall be public records open to inspection at any reasonable time. The provisions of this paragraph shall not be construed to prohibit the application of a uniform scale of percentage deviations from the maximum rate provided the general standards fixed in paragraph (d) hereof are met.

(c) Provided further, that any insurer desiring to write insurance at a lesser net rate than the maximum rate provided for in paragraph (a) above, either individually or as a member of a group or association, said lesser net rate being obtained by the application of a rating plan or procedure in use by it or by a group or association of which it is a member, which said rating plan or procedure shall apply only to special types or classes of risk in connection with which an inspection or engineering service and set of standards all acceptable to the Board are used, and which inspection or engineering

services and set of standards have been and will continue to be maintained, shall make a written application to the Board for permission to file its said rating plan or procedure, the application of which would produce such lesser net rate. Said application shall specify the basis of the modification and shall be accompanied by the data on which applicant relies. Every insurer or group or association which avails itself of the provisions of this paragraph shall thereafter follow in the conduct of its business as to such classes or types of risks, only such rating plan or procedure ordered as permitted by the Board for its use as to said special types or classes of risks. If the Board shall issue an order permitting such deviation, such insurer or such group or association for it shall file with the Board all rates of premium or deposit for individual risks underwritten by it, which rates shall be considered as deviations from the rates that would have been promulgated by the Board on such risks.

(d) In considering any application provided for in (b) or (c) above, the Board shall give consideration to the factors applied by insurers or rating organizations generally used by such insurers or rating organizations in determining the bases for rates; the financial condition of the insurer; the method of operation and expenses of such insurer; the loss experience of the insurer, past and prospective, including where pertinent the conflagration and catastrophe hazards, if any, both within and without this state; to all factors reasonably related to the kind of insurance involved; to a reasonable margin for an underwriting profit for the insurer, and, in the case of participating insurers, to policyholders' dividends. The Board shall issue an order permitting the deviation for such insurer to be filed if it is found to be justified upon the applicant's showing that the resulting premiums would be adequate and not unfairly discriminatory. The Board shall issue an order denying such application if it finds that the resulting premiums would be inadequate or unfairly discriminatory. As soon as reasonably possible after such application has been made the Board shall in writing permit or deny the same; provided, that any such application shall be deemed permitted unless denied within thirty (30) days; provided, that the Board may by official order postpone action for one additional period not exceeding thirty (30) days if deemed necessary for proper consideration; except that deviations in effect at the time this Act becomes effective shall be controlled by subdivision (f) hereof. Each deviation permitted to be filed shall be effective for a period of one (1) year from the date of final granting of such permission whether by the Board in the first instance or upon direction of the court. However, a deviation may be withdrawn at any time with the approval of the Board or terminated by order of the Board, which order must specify the reasons for such termination. From and after the effective date of this Act all deviations from maximum rates shall be governed by this Article.

(e) No policy of insurance in force prior to the taking effect of any changes in rate that result from the provisions of this Act shall be affected thereby, unless there shall be a change in the hazard of the risk necessitating a change in the rate applicable to such risk, in which event such policy shall be subject to new rates developed under the provisions hereof.

(f) Any deviations from maximum rates on file with the Board and in effect until the effective time of this Act shall remain in effect for a period of thirty (30) days after such effective time, and if during such thirty (30) day period a written application to the Board is made for permission to file such deviations under this Act, same shall remain in effect until the Board has entered its order either permitting or denying the application and during the full course of any hearings on and appeal from any such order.

(g) The Board may call a public hearing on any application for permission to file a deviation or a hearing on a permitted deviation and shall call a hearing upon the request of any aggrieved policyholder of the company filing the deviation made within thirty (30) days after the granting or denying of any deviation. The Board shall give reasonable notice of such hearings and shall hear witnesses respecting such matters. Any applicant dissatisfied with any order of the Board made without a hearing under this Article may within thirty (30) days after entry of such order make written request of the Board for a hearing thereon. The Board shall hear such applicant within twenty (20) days after receiving such request and shall give not less than ten (10) days written notice of the time and place of the hearing. Within fifteen (15) days after such hearing the Board shall affirm, reverse or modify by order its previous action, specifying in such order its reasons therefor. Any applicant who may be dissatisfied with any order of the Board respecting its application may appeal to the District Court of Travis County, Texas, and not elsewhere, by filing a petition within thirty (30) days after the rendition or entry of such order setting forth its grounds of objection thereto, in which said action the appealing applicant shall be plaintiff and the Board shall be defendant. The action shall not be limited to questions of law and the substantial evidence rule shall not apply, but such action shall be tried and determined upon a trial de novo to the same extent as now provided in the case of an appeal from the Justice Court to the County Court. The judgment of the District Court shall be appealable as in any other civil case. Such action shall have precedence over other civil cases on the dockets of the trial and appellate courts. Should the Board terminate or refuse to renew a permitted deviation or refuse permission for filing of a deviation under subdivision (f) hereof, then such deviation shall remain in effect during the course of any hearing thereon and thirty (30) days thereafter, and during the course of any appeal taken from such order and until final judgment of the courts. The Board shall not be required to give any appeal or supersedeas bond in any cause arising hereunder. All hearings before the Board and appeals to the District Courts under this Article shall be governed exclusively by this Article.

(h) This Article shall not apply to any companies now operating under Chapters 12 and 13 of Title 78 of the Revised Civil Statutes of 1925, as amended, which have heretofore been repealed, or to Farm Mutual Insurance Companies operating under Chapter 16 of this Code; County Mutual Insurance Companies operating under Chapter 17 of this Code; Underwriters at a Lloyd's operating under Chapter 18 of this Code; Reciprocals and inter-insurance exchanges operating under Chapter 19 of this Code; nor shall it apply to other purely mutual or to other purely profit-sharing fire insurance companies incorporated or unincorporated under the laws of this state, and carried on by the members thereof solely for the protection of their property and not for profit.

local agents of the rates and premiums collected for fire insurance on each class of risks, on all property in this State and of the causes of fire, if such be known, if they are in possession of such data, and information, or can obtain it at a reasonable expense; and said Board is empowered to require such statements showing all necessary facts and information to enable said Board to make, amend and maintain the general basis schedules provided for in this law and the rules and regulations for applying same and to determine reasonable and proper maximum specific rates and to determine and assist in the enforcement of the provisions of this law. The said Board shall also have the right, at its discretion, either personally, or by someone duly authorized by it, to visit the office whether general, local or otherwise, of any insurance company doing business in this State, and the home office of said company outside of this State, if there be such, and the office of any officers, directors, general agents, state agents, local agents or representatives of such company, and there require such company, its officers, agents or representatives, to produce for inspection by said Board or any of its duly authorized representatives all books, records and papers of such company or such agents and representatives; and the said Board or its duly authorized agents or representatives shall have the right to examine such books and papers and make or cause to be made copies thereof; and shall have the right to take testimony under oath with reference thereto, and to compel the attendance of witnesses for such purpose. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.29. Schedule and Report

The rates of premium fixed by said Board in pursuance of the provision of this subchapter shall be at all times reasonable and the schedules thereof made and promulgated by said Board shall be in such forms as will in the judgment of the Board most clearly and in detail disclose the rate so fixed and determined by said Board to be charged and collected for policies of fire insurance. Said Board may employ and use any facts obtainable from and concerning fire insurance companies transacting business in this State, showing their expense and charges for fire insurance premiums for any period or periods said Board may deem advisable, which in their opinion will enable them to devise and fix and determine reasonable rates of premiums for fire

insurance. The said Board in making and publishing schedules of the rates fixed and determined by it shall show all charges, credits, terms, privileges and conditions which in anywise affect such rates, and copies of all such schedules shall be furnished by said Board to any and all companies affected by this subchapter applying therefor, and the same shall be furnished to any citizens of this State applying therefor, upon the payment of the actual cost thereof. No rate or rates fixed or determined by the Board shall take effect until it shall have entered an order or orders fixing and determining same, and shall give notice thereof to all fire insurance companies affected by this subchapter, authorized to transact business in the State. The Board, and any inspector or other agent or employee thereof, who shall inspect any risk for the purpose of enabling the Board to fix and determine the reasonable rate to be charged thereon, shall furnish to the owner of such risk at the date of such inspection a copy of the inspection report, showing all defects that may operate as charges to increase the insurance rate.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.30. Analysis of Rate

When a policy of fire insurance shall be issued by any company transacting the business of fire insurance in this State, such company shall furnish the policyholder with a written or printed analysis of the rate or premium charged for such policy, showing the items of charge and credit which determine the rate, unless such policyholder has theretofore been furnished with such analysis of such rate. All schedules of rates promulgated by said Board shall be open to the public, and every local agent of such fire insurance company shall have and exhibit to the public copies of such schedules covering all risks upon which he is authorized to write insurance.

Such company or companies shall immediately report to said Board such risk so written, and the rates collected therefor, and such rates shall always be subject to review by the Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

Said Board shall also have the power and authority to compel any company to give any or all policy holders credit for any and all hazards said policy holder or holders may reduce or remove. For the purposes of this Article, the installation of a new standard fire hydrant approved by the State Board of Insurance within the required distance of a risk as prescribed by the State Board of Insurance shall constitute a reduction in hazard by the policy holder or holders. Said credit shall be in proportion to such reduction or removal of such hazard and said company or companies shall return to such policy holder or holders such proportional part of the unearned premium charged for such hazard that may be reduced or removed.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1971, 62nd Leg., p. 3005, ch. 992, § 1, eff. June 15, 1971.]

#### Art. 5.34. Revising Rates

The Board shall have authority after having given reasonable notice, not exceeding thirty (30) days, of its intention to do so, to alter, amend or revise any rates of premium fixed and determined by it in any schedules of such rates promulgated by it, and to give reasonable notice of such alteration, amendment or revision to the public, or to any company or companies affected thereby. Such altered, amended or revised rates shall be the rates thereafter to be charged and collected by all fire insurance companies affected by this subchapter. No policy in force prior to the taking effect of such changes or amendments shall be affected thereby, unless there shall be a change in the hazard of the risk, necessitating a change in the rate applicable to such risk, in which event such policy shall be subject to the new rates.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.35. Uniform Policies

The Board shall make, promulgate and establish uniform policies of insurance applicable to the various risks of this State, copies of which uniform policies shall be furnished each company now or hereafter doing business in this State. After such uniform policies shall have been established and promulgated and furnished the respective companies doing business in this State, such companies shall, within sixty (60) days after the receipt of such forms of policies, adopt and use said form or forms and no other; also all companies which may commence

business in this State after the adoption and promulgation of such forms of policies, shall adopt and use the same and no other forms of policies.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.36. Standard Forms

The Board shall prescribe all standard forms, clauses and endorsements used on or in connection with insurance policies. All other forms, clauses and endorsements placed upon insurance policies shall be placed thereon subject to the approval of the Board. The Board shall have authority in its discretion to change, alter or amend such form or forms of policy or policies, and such clauses and endorsements used in connection therewith, upon giving notice.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

Any provision in any policy of insurance issued by any company subject to the provisions of this subchapter to the effect that if said property is encumbered by a lien of any character or shall after the issuance of such policy become encumbered by a lien of any character, then such encumbrance shall render such policy void, shall be of no force and effect. Any such provision within or placed upon any such policy shall be null and void.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.38. Co-insurance Clauses

No company subject to the provisions of this subchapter may issue any policy or contract of insurance covering property in this State, which shall contain any clause or provision requiring the assured to take out or maintain a larger amount of insurance than expressed in such policy, nor in any way providing that the assured shall be liable as a co-insurer with the company issuing the policy for any part of the loss or damage which may be caused by fire to the property described in such policy, and any such clause or provisions, except as herein provided, shall be null and void, and of no effect; provided, co-insurance clauses and provisions may be inserted in policies written upon cotton, grain, or other products in process of marketing, shipping, storing or manufacturing.

Provided, further, it shall be optional with an insured to accept a policy or contract of insurance containing such clause or provision covering other classes of property, except private dwellings, and except stocks of merchandise offered for sale at retail when of a value less than Ten Thousand (\$10,000.00) Dollars, when a reduction in the rate is allowed for such policy, and said clause in such policy shall be valid and binding; and the Board of Insurance Commissioners shall have power to name the rates to apply when such co-insurance clause or provision shall be used.

Provided, further, that by appropriate order the Board of Insurance Commissioners may authorize, and in its discretion require the use of any form of co-insurance clauses on or in connection with insurance policies covering against the hazards of torna-

do, windstorm and hail, on any or all classes of property; the Board to make such rules and regulations with reference to such clauses and the use thereof, as well as credits in premium rates for the use thereof on policies covering against the hazards mentioned as it may deem proper.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.39. Complaint of Rates or Orders

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 5.40. Hearing of Protests

The Board shall give the public and all insurance companies to be affected by its orders or decisions, reasonable notice thereof, not exceeding thirty (30) days, and an opportunity to appear and be heard with respect to the same; which notice to the public shall be published in one or more daily papers of the State, and such notice to any insurance company to be affected thereby shall be mailed addressed to the State or general agent of such company, if such address be known to the Board, or if not known, then such letter shall be addressed to some local agent of such company, or if the address of a local agent be unknown to the Board, then by publication in one or more of the daily papers of the State, and the Board shall hear all protests or complaints from any insurance company or any citizen or any city, or town, or village or any commercial or civic organization as to the inadequacy or unreasonableness of any rates fixed by it or approved by it, or as to the inadequacy or unreasonableness of any general basis schedules promulgated by it or the injustice of any

order or decision by it, and if any insurance company, or other person, or commercial or civic organization, or any city, town or village, which shall be interested in any such order or decision shall be dissatisfied with any regulation, schedule or rate adopted by such Board, such company or person, commercial or civic organization, city, town or village shall have the right, within thirty (30) days after the making of such regulation or order, or rate, or schedule or within thirty (30) days after hearing above provided for, to bring an action against said Board in the District Court of Travis County to have such regulation or order or schedule or rate vacated or modified; and shall set forth in a petition therefor the principal grounds of objection to any or all of such regulations, schedules, rates or orders. In any such suit the issue shall be formed and the controversy tried and determined as in other civil cases. The court may set aside and vacate or annul any or all or any part of any regulation, schedule, order or rate promulgated or adopted by said Board, which shall be found by the court to be unreasonable, unjust, excessive or inadequate, without disturbing others. No injunction, interlocutory order or decree suspending or restraining, directly or indirectly, the enforcement of any schedule, rate, order or regulation of said Board shall be granted. In such suit, the court, by interlocutory order, may authorize the writing and acceptance of fire insurance policies at any rate which in the judgment of court is fair and reasonable, during the pending of such suit, upon condition that the party to such suit in whose favor the said interlocutory order of said court may be, shall execute and file with the Board a good and sufficient bond to be first approved by said court, conditioned that the party giving said bond will abide the final judgment of said court and will pay to the Board whatever difference in the rate of insurance, it may be finally determined to exist between the rates as fixed by the Board complained of in such suit, and the rate finally determined to be fair and reasonable by the court in said suit, and the said Board, when it receives such difference in money, shall transmit the same to the parties entitled thereto.

Whenever any action shall be brought by any company under any provision of this article within said period of thirty (30) days, no penalties nor forfeitures shall attach or accrue on account of the failure of the plaintiff to comply with the orders, schedules, rates or regulations sought to be vacated in such action until the final determination of the same.

Either party to any such action, if dissatisfied with the judgment or decree of said court, may appeal therefrom as in other civil cases. No action shall be brought in any court of the United States to set aside any orders, rates, schedules or regulations made by said Board under the provisions of this law until all of the remedies provided herein shall have been exhausted by the party complaining.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

No company shall engage or participate in the insuring or reinsuring of any property in this State against loss or damage by fire except in compliance with the terms and provisions of this law; nor shall any such company knowingly write insurance at any lesser rate than the rates herein provided for, and it shall be unlawful for any company so to do, unless it shall thereafter file an analysis of same with the Board, and it shall be unlawful for any company, or its officers, directors, general agents, state agents, special agents, local agents, or its representatives, to grant or contract for any special favor or advantages in the dividends or other profits to come thereon, or in commissions in the dividends or other profits to accrue thereon, or in commissions or division of commission, or any position or any valuable consideration or any inducement not specified in the policy contract of insurance; nor shall such company give, sell or purchase, offer to give, sell or purchase, directly or indirectly, as an inducement to insure or in connection therewith, any stocks, bonds or other securities of any insurance company or other corporation, partnership or individual, or any dividends or profits accrued or to accrue thereon, or anything of value whatsoever, not specified in the policy. Nothing in this law shall be construed to prohibit a company from sharing its profits with its policyholders, if such agreement as to profit sharing shall be placed on or in the face of the policy, and such profit sharing shall be uniform and shall not discriminate between individuals or between classes. No part of the profit shall be paid until the expiration of the policy. Any company, or any of its officers, directors, general agents, state agents, special agents, local agents or its representatives, doing any of the acts in this article prohibited, shall be deemed guilty of unjust discrimination. If any agent or company shall issue a policy without authority, and any policyholder holding such policy shall sustain a loss or damage thereunder, said company or companies shall be liable to the policyholder thereunder, in the same manner and to the same extent as if said company had been authorized to issue said policies, although the company issued said policy in violation of the provisions of this subchapter. But this shall not be construed to give any company the right to issue any contract or policy of insurance other than as provided in this subchapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.41-1. Penalty for Accepting Rebates**

Whoever shall knowingly receive or accept from any insurance company or from any of its agents, sub-agents, brokers, solicitors, employes, intermediaries or representatives, or any other person, any rebate of premium payable on policy, or any special favor or advantage in the dividends or other financial profits accrued or to accrue thereon, or any valuable consideration, position or inducement not specified in the policy of insurance, shall be fined not

exceeding one hundred dollars or be imprisoned in jail not exceeding ninety days, or both.  
[1925 P.C.]

**Art. 5.42. Not Retroactive**

The provisions of this subchapter shall not deal with the collection of premiums, but each company shall be permitted to make such rules and regulations as it may deem just between the company, its agents, and its policyholders; and no bona fide extension of credit shall be construed as a discrimination, or in violation of the provisions of this subchapter. All policies heretofore issued which provide that said policies shall be void for non-payment of premiums at a certain specified time, shall be and the same are in full force and effect, provided, that the company or any of its agents have accepted the premium on said policies after the expiration of the dates named in said provisions fixing the date of payment.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

The State Fire Marshal shall have the power to administer oaths, take testimony, compel the attendance of witnesses and the production of documents. When, in his opinion, further investigation is necessary, he shall take or cause to be taken the testimony on oath of all persons supposed to be cognizant of any facts, or to have knowledge in relation to the matter under investigation, and shall cause the same to be reduced to writing, and if he shall be of the opinion that there is evidence sufficient to charge any person with arson, or with attempt to commit arson, or of conspiracy to defraud or criminal conduct in connection with such, he shall arrest or cause to be arrested such person, and shall furnish to the proper prosecuting attorney all evidence secured, together with the names of witnesses and all information obtained by him, including a copy of all material testimony taken in the case, and it shall be the duty of the State Fire Marshal to

All investigations held by or under the direction of the State Fire Marshal may, in his discretion, be private, and persons other than those required to be present may be excluded from the place where such investigation is held, and the witnesses may be kept separate from each other and not allowed to communicate with such others until they have been examined; and all testimony taken in an investigation under the provisions of this law may, at the election of the State Fire Marshal, be withheld from the public.

If the investigation of a fire is made at the request of an insurance company, or at the request of a policyholder sustaining loss, or at the request of the mayor, town clerk or chief of the fire department of any city, village or town in which the fire occurred, then the expenses of the Fire Marshal, clerical expenses, witnesses and officers fees incident and necessary to such investigation shall be paid by such insurance company, or such policyholder or such city or town as the case may be, otherwise the expenses of such investigation are to be paid as part of the expenses of the Board. The party or parties, company or companies, requesting such investigation, shall before such investigation is commenced deposit with the Board an amount of money in the judgment of said Board sufficient to defray the expenses of said Fire Marshal in conducting such investigation.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.47. To Cancel Authority**

If any insurance company affected by the provisions of this subchapter shall violate any provision of this subchapter, the Board shall, by and with the consent of the Attorney General, cancel its certificate of authority to transact business in this State. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.48. Revocation of Certificate**

The Board, upon ascertaining that any insurance company or officer, agent or representative thereof, has violated any provision of this subchapter, may, at its discretion, and with the consent and approval of the Attorney General, revoke the certificate of authority of such company, officer, agent, or representative but such revocation of any certificate shall in no manner affect the liability of such company, officer, agent, or representative to the infliction of any other penalty provided by law. Any action, decision or determination of the Board and the Attorney General in such cases shall be subject to the review of the courts of this State as herein provided. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

The taxes levied and assessed by this article shall be independent of and in addition to all other taxes now imposed, or which may hereafter be imposed by law, against any company mentioned herein.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.53. Application to Inland Marine Insurance, Rain Insurance, or Hail Insurance on Farms Crops; Definitions; Rates and Rating Plans Filed; Policy Forms; Checking Offices**

The provisions of this article shall apply to all insurance which is now or hereafter defined by statute, by ruling of the Board of Insurance Commissioners, or by lawful custom, as inland marine insurance, rain insurance, or insurance against loss by hail on farm crops. None of the terms contained in this article and Article 5.52 shall be deemed to include insurance of vessels or craft, their cargoes, marine builder's risk, marine protection and indemnity, or other risk commonly insured under marine as distinguished from inland marine insurance policies.

Whenever used in this article the term "Marine Insurance" shall mean and include insurance and reinsurance against any and all kinds of loss or damage to the following subject matters of insurance interest therein:

Marine Insurance. Hulls, vessels and craft of every kind, aids to navigation, dry docks and marine railways, including marine builders' and repairers' risks, and whether complete or in process of or awaiting construction; also all marine protection and indemnity risks; also all goods, freights, cargoes, merchandise, effects, disbursements, profits, moneys, bullion, precious stones, securities, choses in action, evidences of debt, valuable papers, bottomry and respondentia interests, and all other kinds of property and interests therein, in respect to, appertaining to or in connection with any and all risks or perils of navigation, transit or transportation on or under any seas, lakes, rivers, or other waters or in the air, or on land in connection with or incident to export, import or waterborne risks, or while being assembled, packed, crated, baled, compressed or similarly prepared for such shipment or while awaiting the same, or during any delays, storage, transshipment or reshipment incident thereto, including the insurance of war risks in respect to any or all of the aforesaid subject matters of insurance.

(a) As to all classes of insurance contained in this article, for which class rates or rating plans are customarily fixed by rating bureaus or associations of underwriters, rates or rating plans, together with applicable policy forms and endorsements, shall be filed by all authorized insurers

writing such classes with the Board in such manner and form as it shall direct; and all rates on risks not falling within a recognized class fixed by any such bureau or association, together with applicable policy forms and endorsements, shall be similarly filed. Due consideration shall be given to past and prospective loss experience within and outside the State, including catastrophe hazard, to a reasonable margin for profit and contingencies, and to all other relevant factors within and outside the State.

(b) As soon as reasonably possible after the filing has been made, the Board shall in writing approve or disapprove the same; provided that any filing of class rates or rating plans, together with applicable policies and endorsements, shall be deemed approved unless disapproved within thirty (30) days; provided the Board may by official order postpone action for such further time not exceeding thirty (30) days, as it deems necessary for proper consideration; and provided further that rates on risks not falling within a recognized class fixed by a rating bureau or association of underwriters, together with applicable policies and endorsements, shall be deemed approved from the date of filing to the date of formal approval or disapproval. The Board may investigate rates not required to be filed under the provisions of this article and may require the filing of any particular rate, together with applicable policies and endorsements, not otherwise required to be filed.

(c) Any filing by an insurer of a rate less than an approved rate relative to any of the rates mentioned in sub-division (a) of this article may be used by such insurer after same shall have been approved by the Board, or after same shall have been on file with the Board without action for thirty (30) days.

(d) If at any time the Board finds that an approved filing no longer meets the requirements of this article, it may after hearing issue an order withdrawing its approval thereof.

(e) An insurer may satisfy its obligation to make such filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings, and by authorizing the Board to accept such filings on its behalf. A corporation, an unincorporated association, a partnership, or an individual, whether located within or outside the State, may be licensed as a rating organization in connection with any of the sorts of insurance mentioned in this article, subject to the conditions, not inconsistent herewith, prescribed by law for such

organizations in connection with other kinds of insurance, provided two or more insurers have designated it to act for them as to any such class or classes of insurance in the manner prescribed herein. An insurer may belong or subscribe to rating bureaus or associations for other types of insurance.

(f) Insurers may, subject to the supervision of the Board, operate any checking office or offices deemed necessary or advisable.

(g) The writing of inland marine insurance, rain insurance and insurance against loss by hail on farm crops, shall be governed by the provisions of Articles 5.25 to 5.48, inclusive, and also Articles 5.50 to 5.51, inclusive, of this subchapter and Article 5.67 of Subchapter D. of this chapter, in the same manner and to the same extent as fire insurance and fire insurance rates are now affected by the provisions of said articles, except that wherever in any of said articles reference is made to making, fixing, prescribing, determination or promulgation by the Board of rates or policy forms or endorsements, the provisions of this article shall control.

**Art. 5.56. To Prescribe Standard Forms**

The Board shall prescribe standard policy forms to be used by all companies or associations writing workmen's compensation insurance in this State. No company or association authorized to write workmen's compensation insurance in this State shall, except as hereinafter provided for, use any classifications of hazards, rates of premium, or policy forms other than those made, established and promulgated and prescribed by the Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.57. Uniform Policy**

The Board shall prescribe a uniform policy for workmen's compensation insurance and no company or association shall thereafter use any other form in writing workmen's compensation insurance in this State, provided that any company or association may use any form of endorsement appropriate to its plan of operation, if such endorsement shall be first submitted to and approved by the Board, and any contract or agreement not written into the application and policy shall be void and of no effect and in violation of the provisions of this subchapter, and shall be sufficient cause for revocation of license to write workmen's compensation insurance within this State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 5.58. Rate Administration**

(a) Recording and Reporting of Loss Experience and other data.

The Board shall, after due consideration, promulgate reasonable rules and statistical plans, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss experience and such other data as may be required, in order that the total loss and expense experience of all insurers may be made available at least biennially in such form and detail as may be necessary to aid in determining whether rates comply with the standards set forth in Article 5.60. In promulgating such rules and plans, the Board shall have due regard for the rates approved by it, and in order that such rules and plans may be as uniform as is practicable, to the rules and to the form of the plans used in other states. The Board may designate one or more rating organizations or other agencies to gather and compile such experience.

(b) Interchange of Rating Plan Data.

Reasonable rules and plans may be promulgated by the Board after due consideration, requiring the interchange of loss experience necessary for the application of rating plans.

(c) Consultation with other States.

In order to further uniform administration of rating laws, the Board and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may

consult and cooperate with them with respect to rate-making and the application of rating systems.

The Board shall prescribe the necessary forms for such statements and reports, having due regard to the methods and forms in use in other states for similar purpose in order that uniformity of statistics may not be disturbed.

To insure the adequacy and reasonableness of rates, the Board shall take into consideration the experience, past and prospective, within and outside the State, and all other relevant factors, within and outside the State, gathered from a territory sufficiently broad to include the varying conditions of the industries in which the classifications are involved, and over a period sufficiently long to insure that the rates determined therefrom shall be just, reasonable, and adequate rates.

by the Board. No such dividend shall be approved until adequate reserve has been provided, said reserves to be computed on the same basis for all classes of companies or associations operating under this subchapter as prescribed under the applicable provisions of this code.

(b) If, after a hearing, the Board of Insurance Commissioners finds that any activity or practice of any such group, association or other organization is unfair or unreasonable or otherwise inconsistent with the provisions of this subchapter or with the laws applicable thereto, it may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of the applicable laws, and requiring the discontinuance of such activity or practice.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

(c) If, after a hearing, the Board finds that the furnishing of such information or assistance involves any act or practice which is unfair or unreasonable or otherwise inconsistent with the provisions of this subchapter or with the applicable laws referred to in Article 5.75 of this subchapter, it may issue a written order specifying in what respects such act or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this subchapter, or with the applicable laws referred to in Article 5.75 of this subchapter, and requiring the discontinuance of such act or practice.

(d) No insurer which makes its own filings nor any rating organization shall support its filings by statistics or adopt rate making recommendations, furnished to it by an advisory organization which has not complied with this section or with an order of the Board involving such statistics or recommendations issued under sub-section (c) of this article. The officer, manager, agents and employees of such group, association or other organization may be examined at any time under oath and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation. In lieu of any such examination the Board may accept the report of an examination made by the insurance supervisory official of another state, pursuant to the laws of such state.

assume as a direct writer under authority of law. No such company shall have the power to so reinsure its entire outstanding business until the contract therefor shall be submitted to the Board of Insurance Commissioners, and be by it approved, as protecting fully the interests of all the policyholders. This Article shall be cumulative of the provisions of this Code pertaining to reinsurance.

[Acts 1955, 54th Leg., p. 413, ch. 117, § 15.]

### SUBCHAPTER G. WORKMEN'S COMPENSATION AND LONGSHOREMEN'S AND HARBOR WORKERS' COMPENSATION INSURANCE

#### Art. 5.76. Prevention of Injuries and Assignment of Rejected Risks

(a) The words "company" and "association" used in this Subchapter shall mean the Texas Employers' Insurance Association, or any stock company, or any mutual company, or any reciprocal, or any inter-insurance exchange, or Lloyds association authorized to write Workmen's Compensation and/or Longshoremen's and Harbor Workers' Compensation Insurance in this State. The word "Board" shall mean the Board of Insurance Commissioners of this State.

(b) For the purpose of carrying into effect the provisions of this Article, and with the approval of the Board, there shall be organized and maintained in this State, by insurance companies and associations as defined herein, an Administrative Agency to be known as "The Texas Workmen's Compensation Assigned Risk Pool" (hereinafter referred to as "Agency"), and every such company and association shall be a member of the Agency. Provided, that any company or association not engaged in writing such insurance for members of the public generally shall, upon being so certified by the Board and under such conditions and for such time as the Board may determine, be exempt from the provisions of this Article during the period of any such certification.

(c) It shall be the duty of the companies and associations, members of the agency established pursuant to Paragraph (b) of this article, to provide insurance, in the manner herein provided, for any risk under the Workmen's Compensation Law of Texas<sup>1</sup> and/or the Longshoremen's and Harbor Workers' Compensation Act,<sup>2</sup> or for any city, county or any other political subdivision, agency or department of the State authorized to provide workmen's compensation insurance for its employees under any laws of the State of Texas, heretofore or hereafter enacted, which risk shall have been tendered to and rejected by any member of said agency. It shall be the further duty of the companies and associations, members of the agency established pursuant to Paragraph (b) of this article, to provide insurance in the manner herein provided on all policies and claims in existence for any insurance company which has been declared insolvent by the courts of this State or

any other state in the same manner as if said policies had been written by servicing companies of this agency. With respect to said claims in existence at the time of said declaration of insolvency and paid by the agency, the agency shall have the same rights against the receiver of said insolvent company as are provided by the laws of this State for workmen's compensation loss claimants of the insolvent insurance company. From and after the date the rules made and adopted under paragraph (e) have been approved by the Board the procedures and remedies established under this article shall be the sole and exclusive procedure and remedies, either at law or in equity, of any applicant for such insurance whose insurance has been rejected or cancelled by any company or association.

(d) When any such rejected risk is called to the attention of said Agency and it appears that said risk is in good faith entitled to insurance, said Agency shall calculate the deposit premium therefor in accordance with the classifications and rates promulgated by the Board and upon payment thereof, the Agency shall designate a member whose duty it shall be to issue a policy on such form and for such limits of liability as shall be prescribed by the Board as provided in paragraph (g) of this Article, but the undertakings of said policy shall be entirely reinsured by all members of said Agency, and the liability of the member issuing said policy shall be limited to its liability as a reinsurer. On all such policies all members of said Agency shall be reinsurers as among themselves in proportion to the amount which the premiums on such insurance written in this State during the preceding calendar year by such member bears to the total such premiums written in this State during the preceding calendar year by all members of said Agency, and each said policy may be endorsed to reflect the plan of reinsurance hereinabove provided.

(e) The Agency shall make and adopt such rules as may be necessary to carry this Article into effect, subject to the approval of the Board.

(f) As a prerequisite to the writing of such insurance in this State every company and association, members of the Agency established pursuant to paragraph (b) of this Article, shall file with the Board written authority permitting said Agency to act in its behalf, as provided in this Article.

(g) The Board, in addition to the provisions prescribed by Subchapter (d) is hereby authorized and empowered to determine, fix, prescribe, promulgate, change, or amend policy forms, endorsements, rates, rating plans or minimum premiums normally applicable to a risk so as to apply to any and every risk assigned by said Agency such policy forms, endorsements, rates, rating plans and minimum premiums as are commensurate with the greater hazard of the risk, considering in connection therewith, the experience, physical or other conditions of such risk. In promulgating a rate or rates for any risk or risks assigned by said Agency the Board shall give due consideration to an appropriate allowable for losses,

claims expense, audit expenses, taxes, general administration expense, acquisition expense, inspection expense, an allowance for profit and contingencies, and any other relevant factors in connection with insuring and servicing such risk or risks.

(h) Any company or association may make and enforce reasonable rules for the prevention of injuries to employees of its policyholders or applicants for insurance under the Workmen's Compensation Act. For this purpose, representatives of any such company or association, and representatives of the Board, shall be granted free access to the premises of each such policyholder or applicant during regular working hours. Failure or refusal by any such policyholder or applicant to comply with any such reasonable rule for the prevention of injuries as shall be prescribed by the Agency, together with such other relevant factors, shall determine the issue of whether said policyholder or applicant in good faith is entitled to such insurance. Any policyholder or applicant aggrieved by any such rule for the prevention of injuries may, within thirty (30) days after notice of such rule, petition the Board for a review, and the Board, upon a hearing held after notice and in conformity with Article 5.65 of this Code, shall affirm, modify or annul such rule.

[Acts 1953, 53rd Leg., p. 716, ch. 279, § 1; Acts 1971, 62nd Leg., p. 1080, ch. 230, § 1, eff. Aug. 30, 1971.]

*Another Article 5.76 was added by Acts 1955, 54th Leg., p. 413, ch. 117, § 15 under Subchapter F. See Article 5.76, ante.*

Sections 2 to 4 of the 1971 amendatory act provided:

"Sec. 2. As respects claims for injury sustained prior to the effective date of this Act, no inchoate, vested, matured, existing or other rights, remedies, powers, duties, or authority, either of any employee or legal beneficiary, or of the Board, or of the association, or of any other person shall be in any way affected by any of the amendments or repeals herein made to the original law hereby amended or repealed, but all such rights, remedies, powers, duties, and authority shall remain and be in force as under the original law just as if the amendments or repeals hereby adopted had never been made, and to that end it is hereby declared that as respects such injuries occurring prior to the effective date of this Act, said original law is not repealed, but the same is, and shall remain in full force and effect as to all such rights, remedies, powers, duties, and authority; and further this Act insofar as it adopts the law of which it is an amendment is a continuation thereof, and only in other respects a new enactment.

"Sec. 3. If any word, phrase, clause, paragraph, sentence, part, portion or provision of this Act or the application thereof to any person or circumstance shall be held to be invalid or unconstitutional, the remainder of the Act in all its particulars and to all other persons and circumstances shall be valid and of full force and effect, and the Legislature hereby declares that this Act would have been enacted without such invalid or unconstitutional word, phrase, clause, paragraph, sentence, part, portion or provision and to this end the provisions of this Act are declared to be severable.

"Sec. 4. All laws or parts of laws in conflict with this Act are hereby repealed to the extent of such conflict only."

#### Art. 5.76-1. Accident Prevention Services

(a) Any insurer desiring to write workmen's compensation insurance in Texas shall maintain or provide accident prevention facilities as a prerequisite for a license to write such insurance. Such facilities shall be adequate to furnish accident prevention services required by the nature of its policyholder's operations and shall include surveys, recommendations, training programs, consultations, analyses of accident causes, industrial hygiene and industrial health services, to implement the program of accident prevention services. Each field safety representative shall be either a college graduate who shall

have a bachelor's degree in science or engineering, a registered professional engineer, a certified safety professional, a certified industrial hygienist, an individual with ten (10) years experience in occupational safety and health, or an individual who shall have completed a course of training in accident prevention services approved by the State Board of Insurance.

(b) The insurer shall render accident prevention services to its policyholders reasonably commensurate with the risks and exposures and experience of the subscriber's business. To provide such facilities, the insurer may employ qualified personnel, retain qualified independent contractors, contract with the policyholder to provide qualified accident prevention personnel and services, or use a combination of the methods enumerated in this subsection. Such personnel shall have the qualification required for field safety representatives as provided in Subsection (a).

(c) If the Commissioner of Insurance shall determine that reasonable accident prevention services are not being maintained or provided by the insurer or are not being used by the insurer in a reasonable manner to prevent injury to employees of its policyholders, the fact shall be reported to the State Board of Insurance, and the Board shall order a hearing to determine if the insurer is not in compliance with this Article. If it is determined that the insurer is not in compliance, its license to write workmen's compensation insurance in Texas shall be revoked.

(d) The State Board of Insurance may promulgate reasonable rules and regulations for the enforcement of this Article after holding a public hearing on the proposed rules and regulations.

[Acts 1973, 63rd Leg., p. 192, ch. 88, § 9, eff. Sept. 1, 1973.]

#### SUBCHAPTER H. PREMIUM RATING PLANS

##### Art. 5.77. Premium Rating Plans; Powers of Board

The Board of Insurance Commissioners is hereby authorized and empowered to make or approve and promulgate premium rating plans designed to encourage the prevention of accidents, to recognize the peculiar hazards of individual risks and to give due consideration to interstate as well as intrastate experience of such risks for Workmen's Compensation, Motor Vehicle and other lines of Casualty Insurance to be applicable separately for each class of insurance, or in combination of two or more of such classes. Such plans may be approved on an optional basis to apply prospectively, or retrospectively and may include premium discount plans, retrospective rating plans or other systems, plans or formulas, however named, if the rates thereby provided are not excessive, inadequate or unfairly discriminatory. The Board shall also have authority to make or approve and promulgate such reasonable rules and regulations as may be necessary, not in conflict with provisions of this Act.

[Acts 1953, 53rd Leg., p. 64, ch. 50, § 1.]

2 West's Tex. Stats. & Codes—31

##### Art. 5.78. Consideration of All Relevant Factors

Before the Board of Insurance Commissioners approves class rates or rating plans, due consideration shall be given to all relevant factors to the end that no unfair discrimination shall exist in class rates or rating plans as they may affect risks of various size. [Acts 1953, 53rd Leg., p. 64, ch. 50, § 1a.]

##### Art. 5.79. Optional Selection and Application

If for any form of casualty insurance affected by this Act more than one rating plan is approved for optional selection and application, the selection of the plan shall rest with the applicant.

[Acts 1953, 53rd Leg., p. 64, ch. 50, § 1b.]

#### SUBCHAPTER I. MULTI-PERIL POLICIES

##### Art. 5.81. Multi-Peril Policies; Premium and Rate Adjustment Plans; Powers of Board

The State Board of Insurance is hereby authorized and empowered to make, approve, promulgate, and prescribe policy forms and rates for multi-peril policies of insurance. Such multi-peril policies and rates may be in respect to one or more of the perils that are otherwise separately and differently subject to regulation under the provisions of one or more of the other subchapters of Chapter 5 of this Code. In prescribing, promulgating, or approving policy forms and rates the board shall have the authority to designate the rating procedure which will be used in making the rates and forms and may choose the procedure under any of the subchapters of Chapter 5 for the purpose of determining forms and rates. In making rates on multi-peril policies the board may make a cumulative rate or premium or it may rate such multi-peril policies on the basis of the experience resulting from the experience under the multi-peril policy alone or the separate experience as respects each peril and coverage. The board may permit discounts from what the rates would otherwise be based on the actual savings in expense as is effected by the combining of coverages otherwise regulated under separate subchapters of this chapter and as respects any multi-coverage policy or "multi-peril" policy or any like combination of forms and rates. No such form shall include unnecessary coverages as determined by the board and no rate or premium authorized by this article shall be excessive, inadequate, or unfairly discriminatory. The board may authorize rate filings and such further discounts as may be warranted by provisions for inspection, premises operation standards, loss prevention requirements, or any other considerations and requisites as will improve the loss experience of the risk insured.

To provide for multi-peril policies and in order to preserve normal and accepted rating procedures, included as necessary level rating methods, and to provide mathematical consistency in rate making, any deductible provision and any rate or premium reduction shall be made as may be appropriate after

first arriving at a base rate or premium without the deductible. In arriving at base rates and premiums and in determining and evaluating the reported loss experience in the rate-making process, the method shall include provision that the amount of the deductible shall be added to any losses paid on policies containing such deductible as a proper and necessary function of calculating the base rate or premium, and as indicated, or in the event statistics are not available and adequate, there shall be added to the loss experience an amount which in the judgment of the board represents those losses occurring to the insureds which were less than the deductible and for which no insured loss was paid but which would have been paid except for the deductible provision.

Additionally, any deductible provision, or any provision to pay the excess of loss over a stated amount, or any percentage deductible shall be applied so as to determine the amount of loss as is calculated after deducting the amount of the deductible from the loss and after deducting the amount of the deductible from the policy limit, and the amount of loss payable under such deductible multi-peril policy shall be the lesser amount established by such calculations notwithstanding any other provision of the Insurance Code requiring certain policy language or any provision of an insurance contract to the contrary.

In carrying out the provisions of this article, the State Board of Insurance shall make, approve, and enforce such rules and regulations as in the best judgment of the board are necessary and desirable in carrying out the purposes of this article and in achieving the objectives hereof.

[Acts 1973, 63rd Leg., p. 162, ch. 83, § 1, eff. Aug. 27, 1973.]

Sections 2 and 3 of the 1973 Act provided:

"Sec. 2. If any portion of this Act, any part thereof, any paragraph, sentence, or other part shall be declared illegal or unconstitutional for any reason, such declaration shall not affect the validity of the remaining portions hereof; and in that connection the legislature hereby specifically declares that all portions hereof shall be severable and that the remaining portions hereof would have been enacted notwithstanding the absence of any such portion as may be declared illegal and unconstitutional.

"Sec. 3. All laws or parts of laws in conflict herewith are hereby modified or repealed to the extent of such conflict, and in the event of such conflict, the provisions hereof shall prevail."

#### **Art. 6.04. Reduction of Capital Stock to Make Good Impairment of Surplus**

Whenever the minimum surplus of any fire, fire and marine, or marine insurance company of this State becomes impaired to a greater extent than that provided by Section 5 of Article 1.10, the Board may, in its discretion, permit the said company by amendment to charter as provided by Article 2.03, to reduce its capital stock and par value of its shares in proportion to the extent of permitted impairment; provided that the par value of said shares shall not be reduced below the sum provided by Section 1 of Article 2.07. In fixing such reduced capital, no sum exceeding \$125,000.00 shall be deducted from the assets and property on hand, which shall be retained as surplus assets. No part of such assets and property shall be distributed to the stockholders, nor shall the capital stock of a company or its surplus in any case be reduced to an amount less than the minimum capital and the minimum surplus provided by Article 2.02 of this Code, subject to the provisions of Section 5 of Article 1.10 of this Code.

Any fire, marine or inland insurance company having received notice from the Board to make good any impairment of its required capital or to make good its surplus within 60 days as provided by Section 5 of Article 1.10 shall forthwith call upon its stockholders for such amounts as shall make its capital and its surplus equal to the amount required by Article 2.02, subject to the provisions of said Section 5 of Article 1.10 of this Code.

#### **Art. 6.06. Stockholder Failing to Pay**

If any stockholder of such company shall neglect or fail to pay the amount so called for, after notice personally given, or by advertisement for such time and in such manner as said Board shall approve, it shall be lawful for said company to require the

return of the original certificate of stock held by such stockholder, and in lieu thereof to issue a new certificate for such number of shares as such defaulting stockholder may be entitled to in the proportion that the ascertained value of the funds of said company, calculated without inclusion of any money or property paid by stockholders in response to such call, may be found to bear to the total of the original capital and the minimum surplus of said company as required by Article 2.02; as qualified by the provisions of Section 5 of Article 1.10 of this Code, the value of such shares for which new certificates are issued shall be ascertained under the direction of said Board and the company shall pay for the fractional parts of shares.

Any interested person may pay part or all of the amount of the deficit resulting from such default and the company shall issue to each such person a stock certificate for the number of shares to which he is entitled, such certificate to be for the number of shares in proportion to the whole number of forfeited shares which the payment made by the recipient of the new stock certificate bears to the deficit which resulted from such forfeited shares. #### Art. 6.16. Reinsurance

1. No insurance company incorporated under the laws of the United States or of any State thereof and authorized to do business in this State in the writing of fire and allied lines of insurance as those terms may now or hereafter be defined by statute, by ruling of the Board of Insurance Commissioners of Texas, hereinafter called the "Board," or by lawful custom, shall expose itself to any loss or hazard on any one (1) risk, except when insuring cotton in bales, and grain, to an amount exceeding ten (10%) per cent of its paid-up capital stock and surplus, unless the excess shall be reinsured by such company in another solvent insurer. Similarly, no insurance company incorporated under a jurisdiction other than that of the United States or a state thereof and authorized to do business in this State in the writing of said lines of insurance shall expose itself to any loss or hazard on any one (1) risk, except when insuring cotton in bales, and grain, to an amount exceeding ten (10%) per cent of the company's deposit with the statutory officer in the state through which the company gains admission to the United States, together with ten (10%) per cent of the other surplus to policyholders of the company's United States Branch, unless the excess shall be reinsured by such company in another solvent insurer.

2. Any insurance or reinsurance company authorized to transact insurance or reinsurance within this State as to lines of insurance defined in Section 1 hereof, may reinsure the whole or any part of an individual risk in another solvent insurer. The consent of the Board shall be obtained when an insurer reinsures all of its liability on its risks within any class of insurance defined in Section 1 hereof with another insurer not authorized to do business in Texas.

3. No credit for the reserve for unearned premium liability on such reinsurance shall be taken by the ceding insurer unless the assuming insurer is licensed to do business in this State, except that a ceding insurer domiciled in Texas may reinsure the whole or any part of risk or risks located without the State of Texas, the assuming insurer to be a solvent insurer duly licensed in the State or district where such reinsured risk or risks be located; but provided further that credit for reserves for unearned premium liability and loss reserves may be taken on such reinsurance if the assuming insurer is a group of alien individual unincorporated insurers writing insurance on the so-called Lloyd's plan, and is licensed to do business in a state of the United States and does maintain funds held in trust for the protection of United States policy holders and beneficiaries in a bank or trust company organized under the laws of

the United States of America or any state thereof which is a member of the Federal Reserve System and such trust funds amount to at least \$50,000,000, invested in such assets as are enumerated under Article 2.08 of the Texas Insurance Code.

4. The Board shall require schedules of reinsurance to be filed by every insurer at the time of making the annual report and at such other times as it may direct.

5. As to the risk or classes of risks mentioned in Section 1 hereof, no credit shall be allowed to any ceding insurer for reinsurance made, ceded, renewed, or otherwise becoming effective after January 1, 1950, as an admitted asset or as a reduction of liability, unless by the terms of a written reinsurance agreement the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding insurer under any policy or contract reinsured without diminution because of the insolvency of the ceding insurer, nor unless under the contract or contracts of reinsurance the liability of such reinsurance is assumed by the assuming insurer or insurers as of the same effective date. Such reinsurance agreement may provide that the liquidator or receiver or statutory successor of an insolvent ceding insurer shall give written notice of a pendency of a claim against the insolvent ceding insurer on the policy reinsured within a reasonable time after such claim is filed in the insolvency proceeding, and that during the pendency of such claim any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where the claim is to be adjudicated any defense or defenses which it may deem available to the ceding insurer or its liquidator or receiver or statutory successor. Subject to court approval, the expense thus incurred by the assuming insurer shall be chargeable against the insolvent ceding insurer as part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer.

Where two (2) or more assuming insurers are involved in the same claim and a majority in interest elect to interpose defense to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding company.

6. Any licensed company may act in the obtaining of reinsurance from an insurer not licensed to do business in Texas through any of its officers or appointed representatives.

7. "Assuming insurer" means that insurer which under a contract of reinsurance incurs to another insurer called the "ceding insurer," an obligation of which the performance is contingent upon the incurring of liability or loss by the ceding insurer under its contract or contracts of insurance made with third persons.

8. None of the provisions of this article shall prohibit the making of contracts to protect against

catastrophe losses. Any ceding licensed insurer shall have the right to make such contracts with an assuming non-licensed insurer and shall not be required to make the report thereof.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1967, 60th Leg., p. 278, ch. 130, § 1, eff. May 5, 1967.]

#### Art. 8.24. Mexican Casualty Insurance Companies; Policies in Force While Insured Persons or Property are in Mexico; Requirements for Issuance in State; Premium Tax; Rates; Enforcement

Any insurance carrier lawfully organized under the laws of the Republic of Mexico, or under the laws of any state thereof, and duly authorized by such laws and by its charter or articles of association and by current license of the appropriate insurance regulatory authority of such Republic or any state thereof to underwrite risks of the kinds and in the circumstances hereinafter mentioned, may issue in the State of Texas, under license of the Board of Insurance Commissioners of Texas, policies of insurance affording any and all kinds of automobile coverage, accident insurance and/or other casualty coverage, upon persons and/or personal property, to be in force only while such persons and/or personal property shall be physically within the boundaries of the Republic of Mexico, by complying with the following requirements:

(a) Such insurance carrier shall file with the Board of Insurance Commissioners of the State of Texas (called Board) a written application for certificate to do business in this State, accompanied by a correct English translation of its charter and by-laws, duly certified by two of its principal officers and by the insurance regulato-

ry officials under whose supervision it operates in the Republic of Mexico, and of all of its policy forms, application forms, claim forms, and other forms of every nature which it uses or expects to use in underwriting the coverage hereby authorized to be written in Texas, all of which shall be subject to the approval of such Board.

(b) Before admission, and annually thereafter, such carrier shall also file with such Board a photostatic copy of its current license or licenses to operate in the Republic of Mexico, and shall file a copy of its latest financial reports or statements, and of the latest examination reports of its affairs and financial condition by the insurance regulatory authorities under which it operates in Mexico.

(c) Such carrier shall deposit with the Treasurer of the State of Texas at least Twenty-five Thousand (\$25,000.00) Dollars in lawful money of the United States or in securities eligible for other casualty insurers licensed in Texas and approved by such Board, which deposit shall be liable for all lawful claims and final judgments against such insurance carrier, including taxes due the State of Texas, and policy claims and other debts and obligations incurred in the course of operations hereunder as provided herein, and such deposit shall be kept replenished from time to time with like cash or approved securities to maintain a minimum total deposit of Twenty-five Thousand (\$25,000.00) Dollars. Such deposit or the unincumbered balance thereof shall be returned to such carrier with approval of such Board upon withdrawing from the business authorized hereby and upon a showing to such Board that all of its policies written in Texas hereunder have expired or have been cancelled and that all of its claims and obligations upon policies written in this State which would constitute lawful charges against such deposits have been satisfied.

(d) Such carrier shall file with the Board a power of attorney, in a form designated by the Board, designating an agent or attorney in fact upon whom legal process may be served within this State, which appointment shall continue until revoked and a successor duly appointed by the carrier, and further authorizing service of legal process upon the Chairman of the Board of Insurance Commissioners of Texas and his successors in office as alternate attorney in fact for such carrier upon whom service of process may be had in event such process cannot be served upon the designated agent or attorney in fact for service as herein provided, upon suits for any alleged liability incurred in operations of the carrier pursuant to this law, with like effect as if such process had been served personally upon the appropriate persons, representatives or officials of such carrier within its home jurisdiction in the Republic of Mexico. In event process shall be served upon the Chairman of the Board,

as provided above, he shall immediately give written notice thereof to such carrier and shall forward such process by registered mail, postage prepaid, and properly addressed to the president of such carrier at its home office as furnished to the Board; and no judgment by default shall be taken in any such cause until after the expiration of forty (40) days after said process and notice shall have been received at the home office of such carrier. Until rebutted, the presumption shall obtain that such notice and process was received at the home office of the carrier on the fifth (5th) day after being deposited in the mail at Austin, Texas, as herein provided. The State Treasurer, upon the approval of the Board, shall pay from the deposit required herein any unsatisfied final judgment obtained against such carrier in any court of competent jurisdiction in Texas based upon such substituted service as authorized herein.

(e) Such carrier shall pay the State of Texas annually a premium or occupation tax based solely upon its gross premium receipts from insurance policies issued by it in Texas which cover resident citizens of Texas or property or risks principally domiciled or located in this State, as shown by reports made to the Board each year, upon the same percentage rate, and in the same manner, as other licensed insurance carriers in Texas writing accident and casualty coverage. Each such carrier likewise shall pay such other maintenance fees, charges and taxes and upon the same basis as other licensed insurance carriers writing accident and casualty coverage in Texas are required by law to pay; and shall make the same reports as are required of such other insurance carriers, but in such adapted forms as may be prescribed by the Board of Insurance Commissioners for such purposes.

(f) The coverage hereby authorized shall be underwritten only at rates prescribed or approved from time to time by such Board.

(g) Such Board shall have the authority to examine at any or all times, at the expense of such carrier, the affairs and condition and all books and records of such carrier for the purpose of ascertaining its financial condition and solvency, and its compliance with the applicable laws of this State and of its home jurisdiction.

(h) Such carrier shall file in English a document executed by its officials expressly accepting the terms of this article and agreeing that such Board may at any time in its lawful discretion revoke, suspend or refuse to grant or renew the license of such Board to such carrier to conduct in Texas the business hereby authorized, upon a determination by such Board that it is insolvent or in dangerous financial condition, or that it has violated any applicable law of this State or of its home jurisdiction.

(i) It shall underwrite business in Texas only through its resident Texas agents thereunto

duly authorized by it in writing and duly licensed by such Board under the provisions of Article 21.14 of this code, as the same now exists or as it may be amended hereafter, and the license issued to such Texas agents shall specially authorize them to write for such foreign carriers complying herewith the risks authorized hereby.

(j) The State Board of Insurance shall have authority to suspend or revoke the certificate of authority of any insurance carrier authorized to do business in Texas under this Article, if the Board, after notice and opportunity for hearing, shall find that such carrier has systematically, with neglect and with willful disregard, failed to comply with its obligations derived from the contracts of insurance, and the laws applicable thereto, as contained in policies issued in the State of Texas.

Any carrier aggrieved by an order of the Board hereunder shall be entitled to appeal therefrom pursuant to the provisions of Article 1.04(f) of the Insurance Code.

Such corporations may also exercise the following powers by including same in the charter when filed originally, or by amendment:

(2) To make and sell abstracts of title in any counties of Texas or other states;

(3) To accumulate and lend money, to purchase, sell or deal in notes, bonds, and securities, but without banking privileges;

#### Art. 9.04. Governed by Other Laws

Any corporation heretofore chartered under the provisions of Article 9.03 of this Act, or its antecedents, Article 9.01, Texas Insurance Code, or Chapter 40, Acts, 41st Legislature, 1929 (codified as Article 1302a, Vernon's Texas Civil Statutes), having as one of its powers "to act as trustee under any lawful trust committed to it by contract or will, appointment by any court having jurisdiction of the subject matter, as trustee, receiver or guardian and as executor or guardian under the terms of any will and as any administrator of the estates of decedents under the appointment of the court" may transfer and assign to a state bank or trust company created under the provisions of the Texas Banking Code of 1943, as amended, all of its fiduciary business in which such corporation is named or acting as guardian, trustee, executor, administrator or in any other fiduciary capacity, whereupon said state bank or trust company shall, without the necessity of any judicial action in the courts of the State of Texas or any action by the creator or beneficiary of such trust or estate, continue the guardianship, trusteeship, executorship, administration or other fiduciary relationship, and perform all of the duties and obligations of such corporation, and exercise all of the powers and authority relative thereto now being exercised by such corporation, and provided further that the transfer or assignment by such corporation of such fiduciary business being conducted by it under the powers granted in its original charter, as

amended, shall not constitute or be deemed a resignation or refusal to act upon the part of such corporation as to any such guardianship, trust, executorship, administration, or any other fiduciary capacity; and provided further that the naming or designation by a testator or the creator of a living trust of such corporation to act as trustee, guardian, executor, or in any other fiduciary capacity, shall be considered the naming or designation of the state bank or trust company and authorizing such state bank or trust company to act in said fiduciary capacity. All transfers and assignments of fiduciary business by such corporations to a state bank or trust company consistent with the provisions of this Act are hereby validated.

Sec. 2. The power and authority of such corporation to transfer and assign its fiduciary business to a state bank or trust company as provided in Section 1 hereof shall expire on April 30, 1962.

All title insurance companies created and operating under the provisions of this Act must have a paid up capital of not less than Two Hundred Fifty Thousand Dollars (\$250,000) and a surplus of not less than One Hundred Thousand Dollars (\$100,000), provided, however, that the minimum unimpaired capital and surplus for a corporation which was authorized to transact title insurance business on the effective date of this Act and which on that date had an unimpaired capital of less than Two Hundred Fifty Thousand Dollars (\$250,000) and a surplus of less than One Hundred Thousand Dollars (\$100,000) shall be as follows:

(a) One Hundred Thousand Dollars (\$100,000) capital until July 1, 1968 (no requirement as to minimum surplus during this period);

(b) From July 1, 1968, to July 1, 1969, One Hundred Thirty Thousand Dollars (\$130,000) capital and Twenty Thousand Dollars (\$20,000) surplus;

(c) From July 1, 1969, to July 1, 1970, One Hundred Sixty Thousand Dollars (\$160,000) capital and Forty Thousand Dollars (\$40,000) surplus;

(e) From July 1, 1971, to July 1, 1972, Two Hundred Twenty Thousand Dollars (\$220,000) capital and Eighty Thousand Dollars (\$80,000) surplus; and

(f) After July 1, 1972, every such corporation shall be required to have and maintain unimpaired capital of not less than Two Hundred Fifty Thousand Dollars (\$250,000) and surplus of not less than One Hundred Thousand Dollars (\$100,000) as otherwise required by this Article.

[Acts 1967, 60th Leg., p. 493, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.07. Policy Forms and Premiums**

Corporations organized under this Act, as well as foreign corporations and those created under Subdivision 57, Article 1302, of the Revised Civil Statutes of 1925, or under Chapter 8 of this Code, or any other law insofar as the business of either may be a title insurance business, shall operate in Texas under the control and supervision and under such uniform rules and regulations as to forms of policies and underwriting contracts and premiums therefor, and such underwriting standards and practices as may be from time to time prescribed by the Board; and no Texas or foreign corporation, whether incorporated under this Act or any other law of the State of Texas shall be permitted to issue any title policy of any character, or underwriting contract, on Texas property other than under this Act and under such rules and regulations. No policy of title insurance or guarantee of any character on Texas titles shall be issued or valid unless written by a corporation complying with all provisions of and authorized or qualified under this Act. Before any rate provided for herein shall be fixed or charged, reasonable notice shall issue, and a hearing afforded to the companies authorized or qualified under this Act. Under no circumstances may any company use any form until the same shall have been promulgated and approved by the Board.

The Board shall have the right and it shall be its duty to fix and promulgate the rates to be charged by corporations created or operating under this Act for premiums on policies or certificates, and underwriting contracts. The rates fixed by the Board shall be reasonable to the public and nonconfiscatory as to the company. For the purpose of collecting data on which to determine the proper rates to be fixed, the Board shall have the right to require the companies operating in Texas to submit such information in such form as it may deem proper, all information as to loss experience, expense of operation, and other material matter for its consideration.

Rates when once fixed shall not be changed until after a public hearing shall be had by the Board, after proper notice sent direct to all companies qualified or authorized to do business under this Act, and after public notice in such manner as to give fair publicity thereto for two (2) weeks in advance. The Board must call such hearing to consider rate changes at the request of a company writing title insurance, or if the Board thinks that a change in rates may be proper. Any company or other person interested, feeling injured by any action of the Board with regard to rates, shall have the right to file a suit in the District Court of Travis County, within thirty (30) days after the Board has made such order, to review the action. Such cases shall be tried de novo in the District Court in accordance with the provisions of Article 21.44 of the Insurance Code and shall be governed by the same rules of evidence and procedure as other civil cases in said court; in which suit the court may enter a judgment setting aside the Board's order, or affirming, the

action of the Board. Under no circumstances shall any rate or premium be charged for policies or underwriting contracts different from those fixed and promulgated by the Board.

[Acts 1967, 60th Leg., p. 493, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.08. Prohibiting Guarantee of Payment of Obligations of Others—and "Insuring Around"**

Title insurance companies, domestic or foreign, operating under this chapter shall not have the right to guarantee the payment of mortgages which cover real estate, and if any such corporation shall do so it shall forthwith forfeit and surrender its permit to do business.

"Insuring around" is defined as the willful issuance of a title binder or title insurance policy showing no outstanding enforceable recorded liens while the issuer knows that in fact a lien or liens are of record against the real property, and shall be prohibited, except under circumstances as the State Board of Insurance under its rule-making powers shall approve.

Any person who willfully violates the provisions of this Article 9.08, or who disobeys an order of the Board refusing to approve an application to insure around, shall, upon proof thereof to the satisfaction of the District Court of Travis County, Texas, forfeit and pay to the State of Texas a sum not to exceed \$5,000, which may be recovered in a civil action.

The Board, upon giving thirty (30) days' notice by registered mail, and upon hearing had for that purpose, may forfeit the Certificate of Authority to do business of any company violating the provisions of this Article 9.08.

[Acts 1967, 60th Leg., p. 494, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.09. Prohibiting Transacting of Other Kinds of Insurance by Title Insurance Companies or The Transacting of Title Insurance by Other Types of Insurance Companies**

Corporations, domestic or foreign, operating under this Act, shall not transact, underwrite or issue any kind of insurance other than title insurance; nor shall title insurance be transacted, underwritten or issued by any company transacting any other kinds of insurance; provided, however, that the above prohibitions shall not apply as to any corporation, domestic or foreign, which on the effective date of this Act was transacting, underwriting and issuing within the State of Texas title insurance and any other kind of insurance. Any corporation now organized and doing business under the provisions of Chapter 8 and actively writing title insurance shall be subject to all the provisions of this Act except Article 9.18 relating to investments.

[Acts 1967, 60th Leg., p. 494, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.10. Foreign Corporations**

Corporations organized under the laws of any other state shall be permitted to do business in this

state on exactly the same basis and subject to the same rules, regulations and prices and supervision as fixed for Texas corporations doing business under this Act.

[Acts 1967, 60th Leg., p. 495, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.11. Revocation of License

Any foreign or domestic corporations issuing any form of policy or underwriting contracts, or charging any premium rates on either owners', mortgagee's or other policies, or on underwriting contracts on Texas properties other than forms and rates prescribed by the Board, under the provisions of this Act shall forfeit its right to do business in Texas; but this shall not be construed as intended to require the charge made by one title insurance company, qualified to do business under this Act and doing a general title insurance business for the public in this state, for reinsuring or underwriting all or any part of the business of another such company, to be the same as the charge to the public.

[Acts 1967, 60th Leg., p. 495, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.12. Deposits

All title insurance companies, domestic and foreign, engaged in the title insurance business must at all times have and keep on deposit with the State Treasury or such other depository in the State of Texas as may be named by such corporation and approved by the Board, either cash or such securities as are listed in Article 9.18 of this Act as approved investments for title insurance companies, to an amount equal to one-fourth of the authorized capital of such corporation; provided, however, that such deposit shall in no event exceed the sum of One Hundred Thousand Dollars (\$100,000). Such corporation, at its option may withdraw from time to time such securities or any part thereof, first having deposited in such depository in lieu thereof other securities of sufficient value to maintain the required deposit. Funds deposited under this provision shall never be used for the payment of any obligation other than those connected with title insurance, and in the event of the insolvency or dissolution of a corporation, the fund hereby provided shall be used to protect title insurance policyholders even though there be no accrued title insurance claims and even though there be unpaid obligations of other sorts; provided, however, that same shall be applied to the payment of other obligations and liabilities of said corporation and/or distribution to stockholders after complete payment of the obligations and liabilities of the corporation connected with title insurance business and the establishment of adequate reserves or reinsurance for the protection of any subsequently accruing or maturing title insurance obligations and liabilities, the amount of such reserves and the handling and distribution of same to be subject to the control and discretion of the Board, same to be reviewable in judicial proceedings to be governed by like rules as are applicable to review of rates under Article 9.07 of this Act. This deposit shall be for the benefit of all policyholders.

If a foreign title insurance company has on deposit with insurance regulatory bodies in the United States sums aggregating the amount of deposit required by this Article in such manner as to secure all policyholders wherever located, then no deposit shall be required in this state, but a certificate of deposit under the hand and seal of such insurance regulatory body or bodies with whom the deposits have been made shall be filed with the Board.

(2) Such reserve shall be cumulative and shall be established and shall consist of the following:

(a) The reserve which has been established as has been required to be established by such companies up to the effective date of this Act, pursuant to Article 9.11 of the Insurance Code, Acts of the 52nd Legislature, Regular Session, 1951, Chapter 491 as amended by the Acts of the 54th Legislature, Regular Session, 1955, Chapter 489, and the Acts of the 56th Legislature, 1959, Chapter 219; and

(b) Beginning on January 1, 1959, each insurer which has accumulated the maximum unearned premium reserve of One Hundred Thousand Dollars (\$100,000) required by Article 9.11, Chapter 9 of the Insurance Code, as amended by Acts of the 54th Legislature, Regular Session, 1955, and Acts of the 56th Legislature, 1959, shall reserve a sum equal to three (3%) percent of the premiums charged for title insurance contracts; and

(c) Beginning on January 1, 1959, each insurer which has not accumulated the maximum unearned premium reserve of One Hundred Thousand Dollars (\$100,000) required by Article 9.11, Chapter 9 of the Insurance Code, as amended by Acts of the 54th Legislature, Regular Session, 1955, and Acts of the 56th Legislature, 1959, shall reserve a sum equal to five (5%) percent of the premiums charged for title insurance contracts until the unearned premium reserve shall have reached a total of One Hundred Thousand Dollars (\$100,000) and thereafter such insurer shall reserve a sum equal to three (3%) percent of the premium charged for title insurance contracts; and

(d) Beginning on January 1, 1959, each domestic insurer shall reserve a sum equal to ten (10%) percent of the risk rate charged for title insurance contracts on property outside the State of Texas. This requirement shall be cumulative of, and not in addition to, the reserve requirement that might be imposed upon such insurer in such other state or states.

(3) The term "premium" as used herein means the total amount of premium as fixed and promulgated by the State Board of Insurance in accordance with Article 9.07 of this Code for title insurance contracts covering property in this state.

(4) The reserves as provided in Subdivision (2) of this Article shall be reduced in the following manner, which reduction may be used for any corporate purpose:

(a) As to insurers which have accumulated the maximum unearned premium reserve of One Hundred Thousand Dollars (\$100,000) under the provisions of (2)(a) above, as of the effective date of this Act, such unearned premium shall be reduced at the rate of one-twentieth ( $\frac{1}{20}$ ) thereof per year beginning at the end of calendar year 1959 and a like amount at the end

of each calendar year thereafter for nineteen (19) consecutive years.

(b) As to insurers which have accumulated reserves as provided in (2)(b) and (2)(d) above, such unearned premium shall be reduced at the end of each calendar year in which the title insurance contract was issued at the rate of one-twentieth ( $\frac{1}{20}$ ) of such sum for the first year and a like amount at the end of each calendar year thereafter for nineteen (19) consecutive years.

(c) As to insurers which have accumulated reserves as provided in (2)(c) above, such unearned premium shall be reduced at the rate of one-twentieth ( $\frac{1}{20}$ ) of such sum per year beginning at the end of the calendar year in which such One Hundred Thousand Dollars (\$100,000) shall have been accumulated and a like amount at the end of each calendar year thereafter for nineteen (19) consecutive years.

(5) Any foreign title insurance company doing business in this state shall be required to comply with the provisions of this Article unless by the laws of its state of domicile, it is required to set aside and maintain unearned premium reserve in substantially the same amount as required by this Article.

(6) Such reserve fund shall be held in cash or invested in first mortgage notes or such securities as are admissible for investment by life insurance companies under the laws of this state.

(7) In the event of the insolvency or dissolution of any such insurer, such reserve fund shall be used to protect title insurance contract holders, even though there be no accrued title insurance claims and even though there be unpaid obligations of other sorts. (a) All title insurance companies operating under the provisions of this Act shall at all times establish and maintain, in addition to other reserves, a reserve against (1) unpaid losses, and (2) loss expense, and shall calculate such reserves by making a careful estimate in each case of the loss and loss expense likely to be incurred, by reason of every claim presented, pursuant to notice from or on behalf of the insured, of a title defect in or lien or adverse claim against the title insured, that may result in a loss or cause expense to be incurred for the proper disposition of the claim. The sums of items so estimated shall be the total expenses of such title insurance company.

(b) The amounts so estimated may be revised from time to time as circumstances warrant, but shall be redetermined at least once each year.

(c) The amounts set aside in such reserve in any year shall be deducted in determining the net profits for such year of any title insurance company. [Acts 1967, 60th Leg., p. 497, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.18. Admissible Investments for Title Insurance Companies**

(5) reasonably necessary for the purpose of maintaining or enhancing the sale value of real property previously acquired or held by it under Subparagraphs (1), (2), (3) or (4) of this Section; provided, however, that no title insurance company shall hold any real estate acquired under Subparagraphs (2), (3) or (4) for more than ten (10) years without written approval of the Board.

Such company may reinsure any or all of its policies and contracts issued on real property in Texas provided the reinsuring company shall be licensed to do business in Texas and the form of reinsurance contract shall be first approved by the Board.

After the Board has approved one or more forms of reinsurance contract for a company, such company may thereafter continue using such form or forms without submitting individual reinsurance contracts to the Board; provided, however, that the Board shall retain the right to change the form of reinsurance contract for future use after giving written notice to the title insurance companies to be affected.

When it appears advisable, in the discretion of the Board, that reinsurance should be permitted with a company not licensed to do business in the State of Texas but otherwise qualified, application may be made to the Board, and the Board shall be authorized to grant or deny permission to reinsure with such unlicensed company on an individual policy or facultative basis. An unlicensed company reinsuring in accordance with this provision shall not thereby be deemed to be doing business in Texas.

The Board is hereby vested with power and authority under this Act to promulgate and enforce rules and regulations prescribing underwriting standards and practices upon which title insurance contracts are to be issued, and is hereby further vested with the power and authority to define risks which may not be assumed under title insurance contracts. #### Art. 9.29. Supervision, Conservation and Liquidation of Title Insurance Companies

##### PART I

Sec. A. If, upon examination or at any other time, it shall appear to the Board that any of the following conditions exist relative to any company organized under the laws of this state and doing a title insurance business in this state:

- (1) the minimum surplus requirements of said company are impaired to the extent of fifty (50%) percent and have remained in such state of impairment continuously for at least sixty (60) days; or
- (2) the capital stock of said company is impaired; or
- (3) the company is issuing policies of title insurance contrary to law or regulations promulgated by the Board; or
- (4) the company has refused to permit the examination of its books and records by the Board or by its duly commissioned examiners, and has failed and refused to answer inquiries made by the commissioner; or
- (5) in the opinion of the Board, the condition of the company is such as to render the continuance of its business hazardous to the public or to its policyholders; or
- (6) the business of a company is being conducted fraudulently;

then the Board shall notify the company of its determination that such condition or conditions ex-

ist, and such company shall have thirty (30) days under the supervision of the Board in which to correct such condition in accordance with the requirements of the Board.

During the period of supervision, the Board may appoint a supervisor to supervise such company and may provide that the company shall not do any or all of the following things during the period of supervision without the prior approval of the Board or its supervisor:

- (1) Dispose of, convey or encumber any of its assets;
- (2) Withdraw any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation or liability; or
- (7) Merge or consolidate with another company.

Sec. B. 1. The Board after hearing and notice to any company organized under the laws of this state and doing a title insurance business in this state, may appoint the liquidator designated under the provisions of Article 21.28 of the Texas Insurance Code as conservator of any such company if it finds, based upon substantial evidence, any of the following:

(a) The company has failed within the thirty-day time set out in any notice provided under this Article to correct any aforesaid condition set out in the notice in accordance with the requirements of the Board.

(b) The company has had its certificate of authority to do business in the State of Texas revoked or suspended or has voluntarily surrendered such certificate of authority.

2. The Board may without notice and hearing appoint the liquidator designated under the provisions of Article 21.28 of the Texas Insurance Code as conservator of any company organized under the laws of this state and doing a title insurance business in this state when requested to do so by the board of directors of said company. The board of directors of any such company shall also have the right to waive any notice provision provided in this Article by filing with the Board a written instrument in the form of a resolution passed by them or by an instrument signed by a majority of them specifically stating such waiver of notice.

Sec. C. After appointment, the conservator shall immediately take charge of such company and all of the property, books, records and effects thereof, and conduct the business thereof, and take such steps toward the removal of the causes and conditions, which have necessitated such order, as the Board may direct. During the pendency of conservatorship, the conservator shall make such reports to the Board from time to time as may be required by the Board, and shall be empowered to take all necessary

measures to preserve, protect and recover any assets or property of such title insurance company, and to deal with the same in his own name as conservator including claims or causes of action belonging to or which may be asserted by such title insurance company, and shall be empowered to file, prosecute and defend any suit or suits which have been filed or which may thereafter be filed by or against such title insurance company which are deemed by the conservator to be necessary to protect all of the interested parties or any property affected thereby. If, at the time of appointment of a conservator or at any time during the pendency of such conservatorship, it appears that the interest of the policyholders or certificate holders of such title insurance company can best be protected by reinsuring the same, the conservator may, with the approval of or at the direction of the Board, reinsure all or any part of such company's policies or certificates of insurance with some solvent title insurance company or association authorized to transact title insurance business in this state, and to the extent that such title insurance company in conservatorship is possessed of funds and assets, including reserves and deposits, the conservator may transfer to the reinsuring title company such funds and assets or any portion thereof as may be required to consummate the reinsurance of such policies, and any such funds and assets so transferred shall not be deemed a preference of creditors.

If, upon the appointment of a conservator or at any time during the pendency of conservatorship, the Board finds that such title insurance company is not in condition to satisfactorily continue business in the interest of its policyholders or certificate holders under a conservatorship as above provided, the Board may proceed to liquidate such title insurance company through such conservator or request the Attorney General of Texas to institute proceedings to liquidate and dissolve the title insurance company.

Sec. D. The cost incident to the supervisor's or conservator's services shall be fixed and determined by the Board and shall be a charge against the assets and funds of the company to be allowed and paid as the Board may determine.

## PART II

Sec. A. If, upon examination or at any other time, it shall appear to the Board that any of the conditions enumerated in Section A of Part I of this Article exist relative to any company not organized under the laws of this state and conducting a title insurance business in this state, then the Board shall notify the company of its determination that such condition or conditions exist, and such company shall have thirty (30) days under the supervision of the Board in which to correct such condition in accordance with the requirements of the Board.

During the period of supervision, the Board may appoint a supervisor to supervise the assets in the State of Texas, and the policy liabilities owed to residents of the State of Texas and may provide,

with reference to any of such assets and liabilities that such company shall not do any or all of the following things during the period of supervision without the prior approval of the Board or its supervisor:

- (1) Dispose of, convey or encumber any of its assets;
- (2) Withdraw any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation or liability; or
- (7) Merge or consolidate with another company.

Sec. B. 1. The Board, after hearing and notice to any company not organized under the laws of this state or any person or noncorporate firm doing a title insurance business in this state, may appoint the liquidator designated under the provisions of Article 21.28 of the Texas Insurance Code as conservator of any such company if it finds, based upon substantial evidence, any of the following:

(a) The company has failed within the thirty-day time set out in any notice provided under this Article to correct any aforesaid condition set out in the notice in accordance with the requirements of the Board.

(b) The company has had its certificate of authority to do business in the State of Texas or the state of its domicile revoked or suspended or has voluntarily surrendered either of such certificates.

(c) The company, person or noncorporate firm does not have a certificate of authority to do business in this state.

2. The Board may without notice and hearing appoint the liquidator designated under the provisions of Article 21.28 of the Texas Insurance Code as conservator of any such company, person or noncorporate firm doing a title insurance business in this state when requested to do so by the Board of Directors or the governing body of such noncorporate firm or by the person conducting the business or at the request of any receiver or conservator of such company, noncorporate firm or person.

Sec. C. The conservator as to records and assets in the State of Texas of such company, noncorporate firm and person and policyholder liabilities owed to residents of this state shall have the same rights, obligations and duties as provided to a conservator appointed under the provisions of Part I of this Article.

Sec. D. The cost incident to the supervisor's or conservator's services shall be fixed and determined by the Board and shall be a charge against the assets and funds in the State of Texas of the company to be allowed and paid as the Board may determine.

### PART III

Sec. A. In all actions and proceedings brought by or against the supervisor or conservator because of or as the result of his being appointed under the provisions of this Article or against assets in his possession or under his control as the result of his being appointed conservator under the provisions of this Article or brought by or against a company while subject to an order of conservatorship, venue shall be in Travis County, Texas.

Sec. B. The provisions of this Article shall be cumulative of all other laws, general and special, relating to the subject matter hereof.

Sec. C. The provisions of Article 21.28 of the Texas Insurance Code shall apply to all companies subject to Chapter Nine of the Texas Insurance Code and the same shall not be deemed to be restricted in any way by the provisions of this Article. #### Art. 9.30. Rebates and Discounts

[Acts 1967, 60th Leg., p. 504, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.31. Fees and Occupation Tax on Foreign Corporations

Any corporation organized and incorporated under the laws of any other state, territory or country for the purpose of transacting a title insurance or title guaranty business shall be required to pay the same filing fees and occupation tax as any foreign casualty company is required to pay in order to procure a permit to do business in Texas. Such foreign title companies will not be required to pay a franchise tax.

[Acts 1967, 60th Leg., p. 505, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.32. Prohibiting Further Chartering of Corporations Under Article 1302

No corporation shall be chartered under Subdivision 57, Article 1302, Revised Statutes of Texas, 1925, but all corporations heretofore incorporated and now doing business in Texas shall be permitted to continue in business and shall be subject to all the provisions of this Act, and such companies shall be required to comply with the requirements of this Act with reference to investments and deposits.

[Acts 1967, 60th Leg., p. 505, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.33. To Cancel License; Appeals by Companies**

The terms and provisions of this Act are conditions upon which corporations doing the business provided for in this Act may continue to exist, and failure to comply with any of them or a violation of any of the terms of this Act shall be proper cause for revocation of the permit and forfeiture of charter of a domestic corporation or the permit of a foreign corporation.

Any company qualified or seeking to qualify under this Act, feeling aggrieved by any action of the Board, especially, but not limited to, any action against such company, shall have the right to file a suit in the District Court of Travis County, within thirty (30) days after the Board has made its order or ruling; provided, however, that if the order or ruling is directed against such company, whether or not directed against other companies, such company shall have thirty (30) days after receipt of official notice of such ruling from the Board to review such action of the Board. Such cases shall be tried de novo in such District Court in accordance with the provisions of Article 21.44 of the Insurance Code and shall be governed by the same rules of pleading, including rights of amendments thereof, evidence, and procedure as are applicable to other civil cases in the original jurisdiction of a District Court.

[Acts 1967, 60th Leg., p. 505, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.34. Determination of Insurability**

No policy or contract of title insurance shall be written unless and until the title insurance company (a) has caused a search of title to be made from the title evidence prepared from an abstract plant as herein defined, or if no such abstract plant of the county exists, or the owner of such plant refuses to furnish the title insurance company desiring to insure, such title evidence at its regular charge and within a reasonable period of time, then such policy or contract of title insurance shall be based upon the best title evidence available, and (b) has caused to be made a determination of insurability of title in accordance with sound title underwriting practices. Evidence thereof shall be preserved and retained in the files of the title insurance company or its agent for a period of not less than fifteen (15) years after the policy or contract of title insurance has been issued. In lieu of retaining the original copy, the title insurance company or the agent of the title insurance company, may in the regular course of business establish a system whereby all or part of these writings are recorded, copied or reproduced by any photographic, photostatic, microfilm, micro-card, miniature photographic, or other process which accurately reproduces or forms a durable medium for reproducing the original. This Article shall not ap-

ply to (a) a company assuming no primary liability in a contract of reinsurance, or (b) a company acting as a co-insurer if one of the other co-insuring companies has complied with this Article.

[Acts 1967, 60th Leg., p. 505, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.35. Requirements for Agents**

No person, firm, association or corporation shall act within this state as agent for any title insurance company, domestic or foreign, without first having been (1) licensed as an agent by the Board and (2) filing a bond or cash deposit in lieu thereof as required in Article 9.38; and no title insurance company shall allow or permit any person, firm, association or corporation to act as its agent within the state unless said person, firm, association or corporation shall first have obtained a license, and filed a bond as required by this Act.

[Acts 1967, 60th Leg., p. 506, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.36. Agent's Licenses: Application, Issuance, Renewal and Cancellation**

A. Before an initial license is issued to any person, firm, association or corporation to act as agent within the State of Texas for any title insurance company, there shall first be filed by the title insurance company with the Board an application for agent's license, on forms to be provided by the Board, accompanied by a fee of Two Dollars (\$2). The application shall be signed and duly sworn to by the title insurance company and the proposed agent. Such application shall contain the following:

(1) That the proposed agent, if an individual, is a bona fide resident of Texas; or if a firm or association, that it is composed wholly of Texas residents; or if a corporation, that it is a Texas corporation or a foreign corporation which has been authorized to do business in Texas; and

(2) That the proposed agent (and if a corporation, its managerial personnel) has reasonable experience or instruction in the field of title insurance; and

(3) That the proposed agent is known to the title insurance company to have a good business reputation and is worthy of the public trust and said title insurance company knows of no fact or condition which would disqualify him from receiving a license; and

(4) That the proposed agent qualified as a title insurance agent as defined in this Act.

The Board shall grant such license if it determines from the application and its own investigation that the foregoing requirements have been met.

B. On or before the first day of June of each year, every title insurance company, domestic or foreign, operating under the provisions of this Act, shall certify to the Board, on forms provided by the Board, the names and addresses of every title insurance agent of said company within the state, and shall apply for and pay a fee of \$2.00 for an annual license in the name of each such agent included in said list; if any such company shall terminate any

licensed agent, it shall immediately notify the Board in writing of such act and request cancellation of such license, notifying the agent of such action. No such title insurance company shall permit any agent appointed by it to write, sign, or deliver title insurance within the state until the foregoing conditions have been complied with, and the Board has granted said license. The Board shall deliver such license to the title insurance company for transmittal to the Agent.

Licenses shall continue until the first day of the next June unless previously cancelled; provided, however, that if any title insurance company surrenders or has its certificate of authority revoked by the Board, all existing licenses of its title insurance agents shall automatically terminate without notice.

Any title insurance agent may be licensed to represent one or more such title insurance companies, with a separate license granted for each.

The Board shall keep a record of the names and addresses of all licensed agents in such manner that the agents appointed by any company authorized to transact title insurance business within the State of Texas may be conveniently ascertained and inspected by any person upon request.

C. If a title insurance company terminates its contract with a title insurance agent or gives notice of termination to the title insurance agent, then any such agent may, within thirty (30) days after either occurrence apply to the Board for continuation of his license with an amendment thereto showing the name of another title insurance company for whom he is or will be authorized to act.

[Acts 1967, 60th Leg., p. 506, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.37. Agent's Licenses: Surrender, Forfeiture; Grounds for Revocation; Notice, Hearing and Appeal**

A. Any title insurance agent may voluntarily surrender his license at any time by giving notice to the Board and to the title insurance company concerned. Any agent shall automatically forfeit the license under the title insurance company represented if he shall terminate his agency contract with such company.

B. The license of any agent may be denied, or a license duly issued may be suspended or revoked or a renewal thereof refused by the Board, if, after notice and hearing as hereafter provided, it finds that the applicant for or holder of such license:

- (1) Has wilfully violated any provision of this Act; or
- (2) Has intentionally made a material misstatement in the application for such license; or
- (3) Has obtained, or attempted to obtain, such license by fraud or misrepresentation; or
- (4) Has misappropriated or converted to his own use or illegally withheld money belonging to a title insurance company, an insured or any other person; or

(5) Has otherwise demonstrated lack of trustworthiness or competence to act as an agent; or

(6) Has been guilty of fraudulent or dishonest practices; or

(7) Has materially misrepresented the terms and conditions of title insurance policies or contracts; or

(8) Is not of good character or reputation; or

(9) Has failed to maintain a separate and distinct accounting of escrow funds, and has failed to maintain an escrow bank account or accounts separate and apart from all other accounts.

C. Before the license of any title insurance agent shall be denied, or suspended or revoked, or the renewal thereof refused hereunder, the Board shall give notice of its intention so to do, by registered mail, to the applicant for, or holder of such license and to the title insurance company or companies who desire that such license be granted or continued in effect, and shall set a date not less than twenty (20) days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the title insurance company may appear to be heard and produce evidence. In the conduct of such hearing, the Commissioner or any regular salaried employee specially designated by him for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon his own initiative or upon the request of the applicant or licensee. Upon termination of such hearing, findings shall be reduced to writing and, upon approval by the Commissioner, shall be filed in his office and notice of the findings sent by registered mail to the applicant or licensee and the title company or companies concerned.

D. No applicant or licensee whose license has been denied, refused or revoked hereunder shall be entitled to file another application for a license as an agent within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Board unless the applicant shows good cause why the denial, refusal or revocation of his license shall not be deemed a bar to the issuance of a new license.

E. If the Board shall refuse an application for any license provided for in this Act, or shall suspend, revoke or refuse to renew any such license at said hearing, then any such applicant or licensee, and any title insurance company or companies concerned, may appeal from said order by filing suit against the Board as defendant in any of the District Courts of Travis County, Texas, and not elsewhere, within twenty (20) days from the date of the order of said Board. Said action shall have precedence over all

other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Any party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The Board shall not be required to give any appeal bond in any cause arising hereunder.

[Acts 1967, 60th Leg., p. 507, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.38. Bonds for Agents

(a) Every person, firm, association, or corporation which has been licensed as a title insurance agent shall make, file, and pay for a surety bond with a corporate surety company authorized to write surety bonds in this state, payable to the State Board of Insurance in the sum of Seven Thousand Five Hundred Dollars (\$7,500) which bond shall obligate the principal and surety to pay such pecuniary losses as may result to any participant in an insured real estate transaction which shall be sustained through acts of fraud, dishonesty, theft, embezzlement, or wilful misapplication on the part of any title insurance agent. In lieu of such bond any title insurance agent may deposit with the Board cash (or securities approved by the Board) which cash and securities shall be in the amount of Seven Thousand Five Hundred Dollars (\$7,500) and subject to the same conditions as provided for in said bond.

(b) If at any time it appears to the Board that the terms of any agent's bond may have been violated, the Board may require the agent to appear in Travis County with such records as the Board deems proper on a named date not earlier than ten (10) days nor later than fifteen (15) days from service of notice, and there conduct an examination into the matter. If upon such examination the Board is satisfied that the terms of said bond have been violated, the Board shall immediately notify the surety and prepare a written statement covering the facts and deliver it to the Attorney General of Texas, whose duty it shall be to investigate the charges, and if satisfied that the terms of said bond have been violated, then to enforce the liability against cash or securities, or by suit on said bond in Travis County in the name of the Board for the benefit of all parties who have suffered any loss because of breach of the terms of said bond.

[Acts 1967, 60th Leg., p. 508, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.39. Annual Audit and Report of Agents

Every title insurance agent shall have an annual audit, at its or his expense, made of trust fund accounts, and within ninety (90) days from the termination of its fiscal year, shall send by certified mail, postage prepaid, to the Board one copy of such

audit report with a letter of transmittal, and each such agent, shall also send a copy of such letter of transmittal and audit report to every title insurance company which it represents.

The Board shall promulgate regulations setting forth the standards of audit and the form of audit report required.

Said audit shall be made by an independent certified public accountant or licensed public accountant, or a firm composed of either, recommended by said agent and approved by each title insurance company represented by said agent.

Each title insurance company shall examine and analyze the audit report furnished by each of its agents, and shall within three (3) months of receipt of same report to the Board on forms to be furnished by the Board the findings and results of its examination and analysis of such audit report. If a title insurance company fails to receive an audit report from any of its agents within the time specified above, it shall forthwith report such omission to the Board.

All such reports and analyses furnished by the title insurance company to the Board shall, at the election of the Commissioner, be classed as confidential and privileged after having been filed with the Board.

If any agent shall fail or refuse to furnish an audit report within the time required, or shall furnish an audit report which reveals any shortage or other irregularity, or any practice not in keeping with sound, honest business practices, the Board may, after notice to the agent and each title insurance company involved and after a hearing at which the agent and title insurance company may offer evidence explaining or excusing such omissions or irregularity, revoke the license of such agent.

Any agent or title insurance company feeling aggrieved by any action of the Board hereunder shall have the right to file a suit in the District Court of Travis County in the time and manner provided in Article 9.37.

[Acts 1967, 60th Leg., p. 509, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.40. Right of Title Insurance Company to Examine Agent's Trust Fund Accounts and to Require Reports

Any title insurance company may at such time or times as it sees fit, through its examiners or auditors or through independent certified public accountants commissioned by it, examine the trust fund accounts and records pertaining thereto of any of its title insurance agents, such examination to be made at the expense of the title insurance company; or the title insurance company may require special reports from any such agent regarding any of its transactions.

[Acts 1967, 60th Leg., p. 509, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.41. Requirements for Escrow Officers

No person shall act in the capacity of escrow officer without (1) being licensed by the Board, and

(2) obtaining and maintaining a surety bond as required by Article 9.45; and no title insurance agent shall employ any person as escrow officer who is not licensed and bonded in accordance with the provisions of this Act.  
 [Acts 1967, 60th Leg., p. 509, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.42. List of Escrow Officers Must be Filed**

Every title insurance agent licensed and operating under the provisions of this Act shall on or before the first day of June of each year, certify to the Board on forms provided by the Board the names and addresses of every person employed by it to serve in the capacity of escrow officer within the state, and shall apply for and pay an annual license fee of Two Dollars (\$2) for each such person included in said list. If it shall terminate any licensed escrow officer, it shall immediately notify the Board in writing of such act and request cancellation of the license, notifying such escrow officer of such action. No agent shall permit any person to act as escrow officer within the state until the foregoing conditions have been complied with, and the Board has granted the said license.

Licenses shall continue until the first day of the next June, unless previously cancelled. Provided, however, that if any title insurance agent surrenders all its licenses, or has all its licenses revoked by the Board, all existing licenses of its escrow officers shall automatically terminate without notice.

The Board shall keep a record of the names and addresses of all escrow officers licensed by it in such manner that the escrow officers employed by any title insurance agent within the state may be conveniently determined.  
 [Acts 1967, 60th Leg., p. 509, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.43. Application for Escrow Officer's License**

A. Before an initial license is issued to any person to act as escrow officer within the State of Texas for any title insurance agent, there shall be first filed by such title insurance agent with the Board an application for an escrow officer's license on forms provided by the Board, accompanied by a fee of Two Dollars (\$2). The application shall be signed and duly sworn to by such title insurance agent and by the proposed escrow officer.

B. Such application shall contain the following:

- (1) that the proposed escrow officer is a natural person and a bona fide resident of the State of Texas;
- (2) that the proposed escrow officer has reasonable experience or instruction in the field of title insurance;
- (3) that the proposed escrow officer is known to the agent to have a good business reputation and is worthy of the public trust and the agent knows of no fact or condition which would disqualify him from receiving a license;
- (4) that the proposed escrow officer qualifies as an escrow officer as defined in this Act.

The Board shall grant such license, if it determines from the application and its own investigation that the foregoing requirements have been met.  
 [Acts 1967, 60th Leg., p. 510, ch. 219, § 1, eff. Oct. 1, 1967.]

**Art. 9.44. Annual License of Escrow Officers; Surrender and Cancellation**

A. Any escrow officer may voluntarily surrender his license at any time by giving notice to the Board. An escrow officer shall likewise automatically forfeit his license if he shall fail to be employed as an escrow officer.

B. The license of any escrow officer may be denied, or a license duly issued may be suspended or revoked or a renewal thereof refused by the Board, if, after notice and hearing as hereafter provided, it finds that the applicant for or holder of such license:

- (1) has wilfully violated any provision of this Act; or
- (2) has intentionally made a material misstatement in the application for such license; or
- (3) has obtained, or attempted to obtain, such license by fraud or misrepresentation; or

- (6) has been guilty of fraudulent or dishonest practices; or
- (7) has materially misrepresented the terms and conditions of title insurance policies or contracts; or
- (8) is not of good character or reputation.

C. Before the license of any escrow officer shall be denied, or suspended or revoked, or the renewal thereof refused hereunder, the Board shall give notice of its intention so to do, by registered mail, to the applicant for, or holder of such license and to the title insurance agent which is either the employer of the holder of such license or desires that such license be granted, continued or renewed and shall set a date not less than twenty (20) days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the title insurance agent may appear to be heard and produce evidence. In the conduct of such hearing, the Commissioner or any regular salaried employee specially designated by him for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon his own initiative or upon the request of the applicant or licensee. Upon termination of such hearing, findings shall be reduced to writing and, upon approval by the Commissioner shall be filed in his office and notice of the findings sent by registered mail to the applicant or licensee and the agent concerned.

D. No applicant or licensee whose license has been denied, refused or revoked hereunder shall be entitled to file another application for a license as an escrow officer within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Board unless the applicant shows good cause why the denial, refusal or revocation of his license shall not be deemed a bar to the issuance of a new license.

E. If the Board shall refuse an application for any license provided for in this Article, or shall suspend, revoke or refuse to renew any such license at said hearing, then any such applicant may appeal from said order by filing suit against the Board as defendant in any of the District Courts of Travis County, Texas, and not elsewhere, within twenty (20) days from the date of the order of said Board. Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The Board shall not be required to give any appeal bond in any cause arising hereunder. [Acts 1967, 60th Leg., p. 510, ch. 219, § 1, eff. Oct. 1, 1967.]

#### Art. 9.45. Bonds for Escrow Officers

(a) Every title insurance agent shall procure at its expense for its escrow officers, a bond of such type as may be approved by the State Board of Insurance with a surety licensed by the Board to do business in Texas, in an amount to be determined by multiplying the number of escrow officers by Five Thousand Dollars (\$5,000) but not exceeding Fifty Thousand Dollars (\$50,000) payable to the State Board of Insurance, which bond shall obligate the principal and surety to pay such pecuniary loss as the agent shall sustain through acts of fraud, dishonesty, forgery, theft, embezzlement, or wilful misapplication on the part of such escrow officer, either directly and alone, or in connivance with others. In lieu of such bond, cash (or securities approved by the Board) in multiples of Five Thousand Dollars (\$5,000) per escrow officer employed but not exceeding Fifty Thousand Dollars (\$50,000) may be deposited by the agent with the Board, subject to the same conditions as provided for in said bond.

(b) If at any time it appears to the Board that the terms of any such bond as provided in Paragraph (a) of this Article 9.45 may have been violated, the Board may require the escrow officer to appear in Travis County with such records as the Board deems

proper on a named date not earlier than ten (10) days nor later than fifteen (15) days from service of notice, copies of which notice shall also be sent to any title insurance agent concerned, and there conduct an examination into the matter. If upon such examination the Board is satisfied that the terms of said bond have been violated by an escrow officer, the Board shall immediately notify the surety and agent concerned and prepare a written statement covering the facts and deliver it to the Attorney General of Texas, whose duty it shall be to investigate the charges, and if satisfied that the terms of said bond have been violated, then to enforce the liability against cash or securities, or by suit on said bond in Travis County in the name of the Board for the benefit of all parties who have suffered any loss because of breach of the terms of said bond.

To defray the expense of carrying out the provisions of this Act the State of Texas shall assess and collect not exceeding an additional one (1%) percent of the gross premiums collected by every insurer on all title insurance premiums according to the reports made to the Board as required by law. Said taxes when collected shall be deposited with the State Treasurer to the credit of a special fund to be designated as the Title Insurance Fund, which fund shall be kept separate and apart from all other funds and moneys in his hands, to be used for the sole purpose of administering the provisions of this chapter; and to be expended only on warrants issued by the Comptroller upon vouchers drawn by the Board, such vouchers to be accompanied by itemized sworn statements of the expenditures, and to be in addition to all taxes now imposed, or which may hereafter be imposed, not in conflict with this Article. Should there be an unexpended balance at the end of any year in said fund, the Board shall reduce the assessment for the succeeding year so that the amount produced and paid into the Treasury will not exceed the amount necessary for the current year to pay all expenses of maintaining the division of the Board administering the provisions of this Act.

Unless otherwise provided in the contract, such funds shall be held, invested and disbursed for the use and benefit of the society, and no member or beneficiary shall have or acquire individual rights therein or become entitled to any apportionment of the surrender of any part thereof, except as provided in Article 10.05 of this chapter. The funds from which benefits shall be paid and the funds from which the expenses of the society shall be defrayed shall be derived from periodical or other payments by the members of the society and accretions of said funds. No society, domestic or foreign, shall hereafter be incorporated or admitted to transact business in this State which does not provide for stated periodical contributions sufficient to provide for meeting the mortuary obligations contracted, when valued upon the basis of the National Fraternal Congress Table of Mortality as adopted by the National Fraternal Congress, August 23, 1899, or any higher standard with interest assumption not more than four (4%) per cent per annum, nor write or accept members for temporary or permanent disability benefits except upon tables based upon reliable experience, with an interest assumption not higher than four (4%) per cent per annum. Deferred payments or installments of claims shall be considered as fixed liabilities on the happenings of the contingency upon which such payments or installments are thereafter to be paid. Such liability shall be the present value of such future payments or installments upon the rate of interest and mortality assumed by the society for valuation, and every society shall maintain a fund

sufficient to meet such liability regardless of proposed future collections to meet any such liabilities. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

In case the Constitution and by-laws of the Grand Lodge or governing body of any such association provides that all or any part of the beneficiary or mortuary or insurance fund of such association that is paid in by or collected from the members of such subordinate or local lodge may be retained in the custody of and controlled and managed by such subordinate or local lodge, and designate what officer of such subordinate or local lodge shall have the custody and control of such fund and authorize such local officers to loan or invest the same, and such local officer shall have executed and filed, and shall from time to time when required by the Board of Insurance Commissioners, file with the Board such bond or other written instrument to be prescribed and approved in terms and amount by such Board as will indemnify such fund against waste, depletion or loss through loans, investment or otherwise, then such fund so secured shall be exempt from the provisions of this chapter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

(b) A society may create, maintain, invest, disburse and apply any special fund or funds necessary to carry out any purpose permitted by the laws of such society.

(c) Every society, the admitted assets of which are less than the sum of its accrued liabilities and reserves under all of its certificates when valued according to standards required for certificates issued one year from the effective date of this Article, shall, in every provision of the laws of the society for payments by members of such society, in whatever form made, distinctly state the purpose of the same and the proportion thereof which may be used for expenses, and no part of the money collected for mortuary or disability purposes or the net accretions thereto shall be used for expenses.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1959, 56th Leg., p. 352, ch. 169, § 2.]

**Art. 10.19. Qualification**

Hereafter, only such corporation, society, order of voluntary association, having not less than five hun-

dred (500) members and ten (10) subordinate lodges, without capital stock organized and carried on solely for the mutual benefit of its members, and not for profit, and having a lodge system and representative form of government, or which limits its membership to a secret fraternity having a lodge system and representative form of government, may, provided that it has been in continuous operation for a period of not less than five (5) years immediately preceding the filing of its articles of incorporation or association as hereinafter provided, qualify as a Fraternal Benefit Society as defined in Article 10.01 for the purpose of providing for the payment of benefits as provided in Article 10.05, by filing with the Board duly certified articles of incorporation or association. Such articles shall set out:

1. The name of the society, which shall not so closely resemble the name of any society or insurance company already transacting business in this state as to mislead the public or lead to confusion.

2. The purpose for which it is formed, which shall not include more liberal powers than are granted by this Chapter. Any lawful, social, intellectual, educational, charitable, benevolent, moral or religious advantages may be set forth among the purposes of the society, and the mode in which its corporate powers are to be exercised.

Such articles of incorporation or association and duly certified copies of the Constitution and laws, rules and regulations, and copies of all proposed forms of benefit certificates, applications therefor and circulars to be issued by such society, and a bond in the sum of Five Thousand Dollars (\$5,000.00), with sureties approved by the State Board of Insurance, conditioned upon the return of the advance payments, as provided in this article, to applicants, if the organization fails to qualify within one (1) year, shall be filed with such Board who may require such further information as it deems necessary, and if the purposes of the society conform to the requirements of this law, and all provisions of law have been complied with, said Board shall so certify and retain and record or file the articles of incorporation or association and furnish the incorporators a preliminary certificate authorizing said society to solicit from its members applications for insurance benefits as hereinafter provided.

Upon receipt of said certificate from the State Board of Insurance, said society may solicit from its members applications for insurance benefits for the purpose of completing its qualification and shall collect from each applicant the amount of not less than one (1) regular monthly payment, in accordance with its table of rates as provided by its constitution and laws, and shall issue to each such applicant a receipt for the amount so collected. No such society shall incur any liability other than for such advanced payments, nor issue any benefit certificate nor pay or allow, or offer or promise to pay or allow, to any person any death or disability benefit until actual

bona fide applications for death benefit certificates have been secured upon at least five hundred (500) lives for at least One Thousand Dollars (\$1,000.00) each, and all such applicants for death benefits shall have been regularly examined by legally qualified practicing physicians, and certificates of such examination have been duly filed and approved by the chief medical examiner of such society; nor until there shall be established ten (10) subordinate lodges or branches into which said five hundred (500) applicants have been initiated; nor until there has been submitted to said Board, under oath of the president and secretary or corresponding officers of such society, a list of such applicants, giving their names, addresses, date examined, date approved, date initiated, name and number of the subordinate branch of which each applicant is a member, amount of benefits to be granted, rate of stated periodical contributions, which shall be sufficient to provide for meeting the mortuary obligation contracted, when valued for death benefits upon the basis of the National Fraternal Congress Table of Mortality, as adopted by the National Fraternal Congress, August 23, 1899, or any higher standard, at the option of the society, and for disability benefits by tables based upon reliable experience and for combined death and permanent total disability benefits by tables based upon reliable experience, with an interest assumption not higher than four per cent (4%) per annum; nor until it shall be shown to the Board by the sworn statement of the treasurer or corresponding officer of such society, that at least five hundred (500) applicants have each paid in cash at least one (1) regular monthly payment as herein provided per One Thousand Dollars (\$1,000.00) of indemnity to be effected, which payments in the aggregate shall amount to at least Twenty-Five Hundred Dollars (\$2,500.00); all of which shall be credited to the mortuary or disability fund on account of such applicants and no part of which may be used for expenses.

Said advanced payments shall, during the period of completing qualification, be held in trust, and if such qualification is not completed within one (1) year as hereinafter provided, returned to said applicants.

The Board may make such examination and require such further information as it deems advisable; and upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the Board shall issue to such society a certificate to that effect. Such certificate shall be prima facie evidence of the qualification of such society at the date of such certificate. The Board shall cause a record of such certificate to be made and a certified copy of such record may be given in evidence with like effect as the original certificate.

Unless the five hundred (500) applicants herein required have been secured and the organization has qualified as a fraternal benefit society as herein provided, the preliminary certificate granted under the provisions of this article shall be null and void

after one (1) year from its date, or after such further period, not exceeding one (1) year, as may be authorized by the State Board of Insurance upon cause shown.

Provided, however, that this Article shall not apply to societies specifically exempted from the provisions of Chapter 10 of the Insurance Code and provided further, that the above provisions of this article shall not apply to Fraternal Benefit Societies authorized to transact business in this state on June 1, 1965, so long as their licenses or renewals or extensions thereof continue in force. The following provisions of this article shall apply to such Fraternal Benefit Societies authorized to transact business in this state on June 1, 1965.

When any domestic society shall have discontinued business for the period of one (1) year, or has less than four hundred (400) members holding benefit certificates, its permanent certificate shall become null and void. Every such society shall have the power to make a constitution and bylaws for the government of the society, the admission of its members, the management of its affairs and the fixing and readjusting of the rates of contribution of its members from time to time; and it shall have the power to change, alter, add to, or amend such constitution and bylaws and shall have such other powers as are necessary and incidental to carrying into effect its object and purposes.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1965, 59th Leg., p. 1188, ch. 551, § 1.]

#### Art. 10.20. Powers Retained; Amendments

Any society now engaged in transacting business in this State may exercise all of the rights conferred hereby, and all of the rights, powers and privileges now exercised or possessed by it under its charter or articles of incorporation not inconsistent with this chapter, if incorporated; or if it be a voluntary association, it may incorporate hereunder. But no society already organized shall be required to reincorporate hereunder, and any such society may amend its articles of incorporation from time to time in the manner provided therein or in its Constitution and laws, and all such amendments shall be filed with the Board and shall become operative upon such filing, unless a later time be provided in such amendments or in its articles of incorporation, Constitution or laws.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.21. Mergers and Transfers

No domestic society shall merge with or accept the transfer of the membership or funds of any other society unless such merger or transfer is evidenced by a contract in writing, setting out in full the terms and conditions of such merger or transfer, and filed with the Board of Insurance Commissioners, together with a sworn statement of the financial condition of each of said societies by its president and secretary, or corresponding officers, and a certificate of such officers, duly verified under oath of said offi-

cers of each of the contracting societies, that such merger or transfer has been approved by a vote of two-thirds ( $\frac{2}{3}$ ) of the members of the supreme legislative or governing body of each of said societies.

Upon the submission of said contract, financial statements and certificates, said Board shall examine the same, and if it shall find such statements to be correct and the said contract to be in conformity with the provisions of this article, and that such merger or transfer is just and equitable to the members of each of said societies, the Board shall approve said merger or transfer, issue its certificate to that effect, and thereupon the said contract or merger or transfer shall be of full force and effect. In case such contract is not approved, the fact of its submission and its contents shall not be disclosed by said Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.22. Annual License

Societies which are now authorized to transact business in this State may continue such business until their present licenses expire and the authority of such societies may thereafter be renewed annually for a period of not more than fifteen (15) months, and not extending more than ninety (90) days beyond the last day of February next after the date of its issuance. The license shall continue in full force and effect until the new license be issued or specifically refused. For each such license or renewal the society shall pay the Board of Insurance Commissioners Ten (\$10.00) Dollars. A duly certified copy or duplicate of such license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of this chapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

*Repeal of this article to the extent that it requires periodic renewal of certificates, see note under art. 1.14.*

#### Art. 10.23. Admission of Foreign Society

No foreign society now transacting business, organized prior to the passage of this law, which is not now authorized to transact business in this State, shall transact any business herein without a license from the Board of Insurance Commissioners. Any such society shall be entitled to a license to transact business within this State upon filing with said Board a duly certified copy of its charter or articles of association; a copy of its Constitution and laws, certified by its secretary or corresponding officer; a power of attorney to the Chairman of the Board as hereinafter provided; a statement of its business under oath of its president and secretary or corresponding officers in the form required by said Board of Insurance Commissioners, duly verified by an examination made by the supervising insurance official of its home state or other state satisfactory to the Board of Insurance Commissioners; a certificate from the proper official in its home state, province or country that the society is legally organized; a copy of its contract, which must show that benefits

are provided for by periodical or other payments by persons holding similar contracts; and upon furnishing the Board such other information as it may deem necessary to a proper exhibit of its business and plan of working, and upon showing that its assets are invested in accordance with the laws of the state, territory, district, province or country where it is organized, said Board shall issue a license to such society to do business in this State for the period of not more than fifteen (15) months, and not extending more than ninety (90) days beyond the last day of February next following the date of said certificate, and such license shall, upon compliance with the provisions of this chapter, be renewed annually. The license shall continue in full force and effect until the new license be issued or specifically refused. Any foreign society desiring admission to this State shall have the qualifications required of domestic societies organized under this chapter and have its assets invested as required by the laws of the state, territory, district, country or province where it is organized. For each such license or renewal the Society shall pay the Board of Insurance Commissioners Ten (\$10.00) Dollars. When said Board refuses to license any society or revokes its authority to do business in this State, the Board shall reduce its decision to writing and file the same in its office, and shall furnish a copy thereof, together with a statement of its reasons, to the officers of the society, upon request, and the action of said Board of Insurance Commissioners shall be reviewable by proper proceedings in any court of competent jurisdiction within the State. Nothing in this or the preceding article shall be construed as preventing any such society from continuing in good faith all contracts made in this State during the time such society was legally authorized to transact business herein.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.24. Service of Process

Every society, whether domestic or foreign, hereafter applying for admission, shall before being licensed, appoint in writing the Chairman of the Board of Insurance Commissioners and his successors in office to be its true and lawful attorney upon whom all legal process in any action or proceeding against it shall be served, and in such writing shall agree that any lawful process against it which is served upon such attorney shall be of the same legal force and validity as if served upon the society and that the authority shall continue in force so long as any liability remains outstanding in this State.

Copies of such appointment certified by said Chairman of the Board shall be deemed sufficient evidence thereof and shall be admitted in evidence with the same force and effect as the original thereof might be admitted. Service shall only be made upon such attorney, must be made in duplicate upon said Chairman of the Board, or, in his absence, upon the person in charge of his office, and shall be deemed sufficient service upon such society. No

such service shall be valid or binding against any such society when it is required thereunder to file its answer, pleading or defense in less than thirty (30) days from the date of mailing the copy of such service to such society. When legal process against any such society is served upon said Chairman of the Board he shall forthwith forward by registered mail, one of the duplicate copies prepaid and directed to its secretary or corresponding officer. Legal process shall not be served upon any such society except in the manner provided herein.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.25. Place of Meeting

Each domestic society shall have its principal office in this State, but may provide that the meetings of its legislative or governing body may be held in any state, district, province or territory wherein such society has subordinate branches. All business transacted at such meetings shall be as valid in all respects as if such meetings were held in this State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.26. No Personal Liability

Officers and members of the supreme, grand or any subordinate body of any such incorporated society shall not be individually liable for the payment of any disability or death benefit provided for in the laws and agreements of such society. The same shall be payable only out of the funds of such society and in the manner provided by its law.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.27. Waiving Provisions of Law

The constitution and laws of the society may provide that no subordinate body nor any of its subordinate officers or members shall have the power or authority to waive any provision of the laws and Constitution of the society, and the same shall be binding on the society and each and every member thereof and on all beneficiaries of members. All grand lodges, by whatever name known, whether incorporated or not, holding charters from any supreme governing body, which were conducting business in this State upon the passage of this law as a fraternal beneficiary association, upon what is known as the separate jurisdiction plan, shall be treated as single State organizations, and all reports required by the provisions of this chapter shall be made and furnished by the officers of such supreme State governing body and shall embrace and contain the transactions, liabilities and assets of such State organization.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.28. Benefit Not Attachable

No money or other benefit, charity or relief or aid to be paid, provided or rendered by any such society shall be liable to attachment, garnishment, or other process, or be seized, taken or appropriated or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or

beneficiary or any other person who may have a right thereunder, either before or after payment. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.29. Constitution and Laws

Every society transacting business under this chapter shall file with the Board, a duly certified copy of all amendments of, or additions to, its Constitution and laws within ninety (90) days after the enactment of the same. Printed copies of the Constitution and laws, as amended, changed, or added to, certified by the secretary or corresponding officer of the society, shall be prima facie evidence of the legal adoption thereof.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.30. Annual Reports

Every society transacting business in this State shall annually, on or before the first day of March, file with the Board of Insurance Commissioners in such form as the Board may require, a statement under oath of its president and secretary or corresponding officers, of its condition and standing on the thirty-first day of December next preceding, and its transactions for the year ending on that date, and shall furnish such other information as said Board may deem necessary to a proper exhibit of its business and plan of working. The Board may at other times require any further statement it may deem necessary to be made relating to such society.

In addition to such annual report, each society shall annually report to said Board a valuation of its certificates in force on December 31st last preceding, excluding those issued within the year for which the report is filed, in cases where the contributions for the first year in whole or in part are used for current mortality and expenses. Such report of valuation shall show as contingent liabilities the present mid-year value of the promised benefits provided in the constitution and laws of such society, under the certificates subject to valuation; and as contingent assets the present mid-year value of the future net contributions provided in the Constitution and laws as the same are in practice actually collected. At the option of any society, in lieu of the above, the valuation may show the net value of the certificates subject to valuation hereinbefore provided, and said net value, when computed in case of monthly contributions, may be the mean of the terminal values for the end of the preceding and of the current insurance years. Such valuation shall be certified by a competent accountant or actuary, or, at the request and expense of the society, verified by the actuary of the Department of Insurance of the home State of the society, and shall be filed with the Board of Insurance Commissioners within ninety (90) days after the submission of the last preceding annual report. The legal minimum standard of valuation for all certificates, except for disability benefits, shall be the National Fraternal Congress Table of Mortality as adopted by the National Congress, August 23, 1899; or, at the option of the society, any

higher table; or, at its option, it may use a table based upon the society's own experience of at least twenty (20) years, and covering not less than one hundred thousand (100,000) lives with interest assumption not more than four (4%) per centum per annum. Each such valuation report shall set forth clearly and fully the mortality and interest basis and the method of valuation.

Any society providing for disability benefits shall keep the net contributions for such benefits in a fund separate and apart from all other benefit and expense funds and the valuation of all other business of the society; provided, that where a combined contribution table is used by a society for both death and permanent total disability benefits, the valuation shall be according to tables of reliable experiences, and in such cases a separation of the funds shall not be required.

The valuation herein provided for shall not be considered or regarded as a test of the financial solvency of the society, but each society shall be held to be legally solvent so long as the funds in its possession are equal to or in excess of its matured liabilities. A report of such valuation and an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each beneficiary member of the society not later than June 1st of each year; or in lieu thereof, such report of valuation and showing of the society's condition as thereby disclosed may be published in the society's official paper and the issue containing the same mailed to each beneficiary member of the society.

The laws of such society shall provide that if the stated periodical contributions of the members are insufficient to pay all matured death and disability claims in full, and to provide for the creation and maintenance of the funds required by its laws additional, increased or extra rates of contributions shall be collected from the members to meet such deficiency; and such laws may provide that, upon the written application or consent of the member, his certificate may be charged with its proportion of any deficiency disclosed by valuation, with interest not exceeding five (5%) per centum per annum.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.31. Provisions to Insure Security

If the valuation of the certificates, as hereinbefore provided, on December 31, 1917, shall show that the present value of future net contributions, together with the admitted assets, is less than the present value of the promised benefits and accrued liabilities, such society shall thereafter maintain said financial condition at each succeeding triennial valuation as to the degree of deficiency as shown in the valuation as of December 31, 1917. If at any succeeding triennial valuation such society does not show at least the same condition, the Board of Insurance Commissioners shall direct that it thereafter comply with the requirements herein specified. If the next succeeding triennial valuation after the

receipt of such notice shall show that the Society has failed to maintain the conditions required herein, said Board may, in the absence of good cause shown for such failure, institute proceedings for the dissolution of such society, or in the case of a foreign society, its license may be cancelled in the manner provided in this chapter. Any such society shown by any triennial valuation, subsequent to December 31, 1917, not to have maintained the condition herein required, shall, within two (2) years thereafter, make such improvement as to show a percentage of deficiency not greater than as of December 31, 1917, or thereafter, as to all new members admitted, be subject so far as stated rates of contributions are concerned, to the provisions of this chapter applicable to the organization of new societies. The net mortuary or beneficiary contributions and funds of new members shall be kept separate and apart from the other funds of the society. If such required improvement is not shown by the succeeding triennial valuation, then the said new members may be placed in a separate class and their certificates valued as an independent society in respect of contributions and funds.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.32. Accumulation Basis

In lieu of the requirements of the two preceding articles, any society accepting in its laws the provisions of this article may value its certificates on a basis herein designated "accumulation basis," by crediting each member with the net amount contributed for each year and with interest at approximately the next rate earned and by charging him with his share of the losses for each year, herein designated "cost of insurance," and carrying the balance, if any, to his credit. The charge for the cost of insurance may be according to the actual experience of the society applied to a table of mortality recognized by the law of this State, and shall take into consideration the amount at risk during each year, which shall be the amount payable at death less the credit to the member. Except as specifically provided in its articles or laws or contracts, no charge shall be carried forward from the first valuation hereunder against any member for any past share of losses exceeding the contributions and credit. If, after the first valuation, any member's share of losses for any year exceeds his credit, including the contribution for the year, the contribution shall be increased to cover his share of the losses. Any such excess share of losses chargeable to any member may be paid out of a fund of contribution especially created or required for such purpose. Any member may transfer to any plan adopted by the society with net rates on which tabular reserves are maintained and on such transfer shall be entitled to make such application of his credit as provided in the laws of the society. Certificates issued, rerated or adjusted on a basis providing for adequate rates with adequate reserves to mature such certificates upon assumption for mortality and interest recognized by the law of this State shall be valued on such basis, herein designat-

ed the "Tabular Basis." If on the first valuation under this article a deficiency in reserve shall be shown for any such certificate, the same shall be valued on the accumulation basis.

Whenever in any society having members upon the tabular basis and upon the accumulation basis, the total of all costs of insurance provided for any year shall be insufficient to meet the actual death and disability losses for the year, the deficiency shall be met for the year from the available funds after setting aside all credits in the reserve or from increased contributions or by an increase in the number of assessments applied to the society, as a whole or to classes of members as may be specified in its laws. Savings from a lower amount of death losses may be returned in like manner as may be specified in its laws. If the laws of the society so provide, the assets representing the reserves of any separate class of members may be carried separately for such class as if in an independent society. The required reserve accumulation of such class so set apart shall not thereafter be mingled with the assets of other classes of the society.

A table showing the credits to individual members for each age and year of entry and showing opposite each credit the tabular reserve required on the whole life, or other plan of insurance, specified in the contract, according to assumptions for mortality and interest recognized by the law of this State and adopted by the society, shall be filed by the society with each annual report, and also be furnished to each member before July 1st of each year.

In lieu of the aforesaid statement there may be furnished to each member within the same time a statement giving the credit for such member and giving the tabular reserve and level rate required for a transfer carrying out the plan of insurance specified in the contract. No table or statement need be made or furnished where the reserves are maintained on the tabular basis. For this purpose individual bookkeeping accounts for each member shall not be required and all calculations may be made by the actuarial methods.

Nothing herein shall prevent the maintenance of such surplus over and above the credits on the accumulation basis, and the reserves on the tabular basis pursuant to its laws; nor be construed as giving to the individual member any right or claim to any such reserve or credit other than in manner as expressed in the contract and its laws; nor as making any such reserve or credits a liability in determining the legal solvency of the society.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.33. Examination of Domestic Societies

The Board of Insurance Commissioners or any person it may appoint, shall have the power of visitation and examination into the affairs of any domestic society. It may employ assistants for the purpose of such examination, and it, or any person it may appoint, shall have free access to all the books,

papers and documents that relate to the business of the society, and may summon and qualify as witnesses under oath and examine its officers, agents and employees or other persons in relation to the affairs, transactions and conditions of the society. The expense of such examination shall be paid by the society examined, upon statement furnished by the Board of Insurance Commissioners, and the examination shall be made at least once in three (3) years. Whenever after examination the Board is satisfied that any domestic society has failed to comply with any provisions of this chapter, or is exceeding its powers, or is not carrying out its contracts in good faith, or is transacting business fraudulently; or whenever any domestic society, after the existence of one (1) year or more, shall have a membership of less than four hundred (400), or shall determine to discontinue business, said Board may present the facts relating thereto to the Attorney General, who shall, if he deem the circumstances warrant, commence an action in quo warranto in a court of competent jurisdiction, and if it shall then appear upon the trial that such society should be closed, said society shall be enjoined from carrying on any further business and some person shall be appointed receiver of such society and shall proceed at once to take possession of the books, papers, moneys and other assets of the society, and shall forthwith, under the direction of the court, proceed to close the affairs of the society, and to distribute its funds to those entitled thereto. No such proceeding shall be commenced by the Attorney General against any such society until after notice has been duly served on the chief executive officers of the society and a reasonable opportunity given to it, on a date named in said notice, to show cause why such proceedings should not be commenced.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.34. Application for Receiver, etc.

No application for injunction against or proceedings for the dissolution of or the appointment of a receiver for any such domestic society or branch thereof shall be entertained by any court in the State unless the same is made by the Attorney General.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.35. Examination of Foreign Societies

The Board of Insurance Commissioners, or any person whom it may appoint, may examine any foreign society transacting or applying for admission to transact business in this State. The said Board may employ assistants, and it, or any person it may appoint, shall have free access to all the books, papers and documents that relate to the business of the society, and may summon and qualify as witnesses under oath and examine its officers, agents and employees and other persons in relation to the affairs, transactions and conditions of the society. It may, in its discretion, accept in lieu of such examination the examination of the Insurance Department of the state, territory, district, province

or country where such society is organized. The actual expense of examiners making such examination shall be paid by the society, upon statements furnished by the Board. If any such society or its officers refuse to permit such examination or to comply with the provisions of the law relative thereto, the authority of such society to write new business in this State shall be suspended, or license refused, until satisfactory evidence is furnished the Board of Insurance Commissioners relating to the condition and affairs of the society, and during suspension the society shall not write any new business in this State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.36. No Adverse Publications

Pending, during or after an examination or investigation of any such society, either domestic or foreign, the Board of Insurance Commissioners shall make public no financial statement, report or finding, nor shall it permit to become public any financial statement, report or finding affecting the status, standing or rights of any such society until a copy thereof shall have been served upon such society, at its home office, nor until such society shall have been afforded a reasonable opportunity to answer any such financial statement or report or finding, and to make such showing in connection therewith as it may desire.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.37. Revocation of License

When the Board of Insurance Commissioners on investigation is satisfied that any foreign society transacting business under this law has exceeded its powers, or has failed to comply with any provision of this chapter, or is conducting business fraudulently, or is not carrying out its contracts in good faith, the Board shall notify the society of its findings, and state in writing the grounds of the Board's dissatisfaction, and after reasonable notice require said society, on a date named, to show cause why its license should not be revoked. If, on the date named in said notice, such objections have not been removed to the satisfaction of said Board or the society does not present good and sufficient reason why its authority to transact business in this State should not at that time be revoked, the Board may revoke the authority of the society to continue business in this State. All decisions and findings of said Board made under the provisions of this article may be reviewed by proper proceedings in any court of competent jurisdiction.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.38. Examination of Certain Societies

Nothing in this chapter shall be construed to affect or apply to grand or subordinate lodges of Masons, Odd Fellows or Knights of Pythias (exclusive of the insurance department of the supreme lodge Knights of Pythias) and the Junior Order of the United American Mechanics (exclusive of their beneficiary degree of insurance branch) or societies

which limit their membership to any one hazardous occupation nor to similar societies which do not issue insurance certificates nor to an association of local lodges of a society now doing business in this State which provides death benefits not exceeding Five Hundred (\$500.00) Dollars to any one person or disability benefits not exceeding Three Hundred (\$300.00) Dollars in any one year to pay one person or both, nor to any contracts of reinsurance business on such plan in this State nor to domestic societies which limit their membership to the employees of a particular city or town, designated firm, business house or corporation, nor to domestic lodges, orders or associations of a purely religious, charitable and benevolent description which do not provide for a death benefit of more than One Hundred (\$100.00) Dollars or for disability benefits of more than One Hundred and Fifty (\$150.00) Dollars to any person in one (1) year. The Board of Insurance Commissioners may require from any society such information as will enable it to determine whether such society is exempt from the provisions of this law.

Any fraternal benefit society heretofore organized and incorporated and operating within the definition set forth in the first three articles of this chapter, providing for the benefits in case of death or disability resulting solely from accidents, but which does not obligate itself to pay death or sick benefits, may be licensed under the provisions of this chapter and shall have all the privileges and shall be subject to all the provisions and regulations of this law, except that the provisions of this law requiring medical examinations, valuations of benefit certificates and that the certificates shall specify the amount of benefits, shall not apply to such society.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.39. Exemption from Taxation

Every fraternal benefit society organized or licensed under the provisions of Chapter 8 of Title 78 of the Revised Civil Statutes of Texas or this Chapter is hereby declared to be a charitable and benevolent institution, and all of the funds of such fraternal benefit society shall be exempt from all and every state, county, district, municipal and school tax, including occupation taxes, other than taxes or<sup>1</sup> real estate and office equipment when used for other than lodge purposes.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 10.40. Conversion of Fraternal Benefit Society into Mutual or Stock Company

Sec. 1. Any fraternal benefit society with a lodge system and representative form of government, doing business in the State of Texas, may convert itself into a Mutual Benefit Company, or into an incorporated Stock Company, by conforming to the provisions of this act.

Sec. 2. When it shall be determined by the governing body of a Fraternal Benefit Society to submit

the proposed change to the members of the society, a meeting shall be called not less than ninety (90) days hence, and notice of such purpose with a general plan of the changes shall be mailed to each member or policyholder of the Society to their post office address as shown by the Society records, and all the subordinate lodges or branches of the Society, which notice shall be mailed at least forty (40) days prior to the day named in the call by the governing body. Within twenty (20) days after the receipt of such notice, each lodge or subordinate branch shall in Regular or Called Session pass upon the proposal and choose a representative or delegate, by whatever name the representative may be known, to the governing body for the State (if such Society be operating in more than one State). When the delegates or representatives so chosen to the State body shall have assembled they shall choose the requisite number of representatives or delegates to which the State may be entitled to the Supreme or Grand Lodge, if same be located in the State of Texas. Provided that no such society shall convert itself into a mutual benefit or incorporated stock company except upon such terms and conditions as in the opinion of the Board of Insurance Commissioners of Texas shall fully protect the rights and interests of its members and policyholders; and the plan of such change shall be submitted to and approved by the Board of Insurance Commissioners before it shall be submitted to the members or policyholders and the subordinate lodges or branches as hereinbefore provided.

Sec. 3. Pursuant to said notice and convening of the supreme governing body, there shall be adopted a resolution by delegates representing lodges which comprise not less than sixty (60%) per cent of the total membership of the association authorizing the conversion of the said fraternal benefit society into a mutual or stock life insurance company, and shall set forth or ratify a certificate of incorporation, amending the society's charter, and shall set forth:

(a) The name of the society, and the name of the new corporation by which it shall thereafter be known, which shall preferably be a continuation of the same name. Provided that if the new corporation shall change from the former name of the society, it shall not adopt the same name as that of any other such society doing business in this State, nor a name similar to that of any other society doing business in this State;

(b) The object of the corporation;

(c) The location of its principal office, which must be within the State of Texas; and the names of the principal officers of such corporation, who shall serve until their successors are elected and qualified;

(d) The period, if any, for the duration of the corporation;

(e) If the conversion is into a mutual benefit company there shall be set forth the amount of the free surplus which in amount and form shall

comply with Article 11.01 of this Code as amended; and such conversion shall comply with the requirements of Article 11.02 of this Code as amended, and upon such conversion such company shall be subject to all of the provisions of Chapter 11 of this Code. If the conversion is into an incorporated stock company, there shall be set forth the amount of the surplus and the amount of the capital stock authorized, the number of shares into which it is divided, and the amount of capital stock to be immediately paid in, and in amount and form such capital and surplus shall be in conformity with Articles 3.02 and 3.02a of this Code, as amended; and such conversion shall comply with the requirements of Article 3.04 of this Code as amended, and upon such conversion such company shall be subject to all of the provisions of Chapter 3 of this Code.

Sec. 4. The certificate of incorporation so adopted or amended shall be filed with the Board of Insurance Commissioners and be incorporated in the charter of the proposed Company.

Sec. 5. A report of said meeting certified to by the presiding officers under the corporate seal of such Society shall also be filed with the Board of Insurance Commissioners.

Sec. 6. If such Fraternal Benefit Society be converted into a Stock Life Insurance Company, each and every policyholder, certificate holder, or other member of such Society, shall have a preference right for ninety (90) days after such determination to subscribe for the proportion of the total capital stock offered for sale, which the amount of his insurance bears to the Society's total insurance in force at the time of the conversion, which time shall be that at which the supreme governing body authorize the change.

Before any of the stock shall be offered for public sale, the membership of the Society shall have a preference in the purchase thereof, provided that no one member shall be allowed to subscribe or purchase more than twenty-five (25%) per cent of the capital stock of the new company, nor shall he subscribe or be allowed to purchase more than ten (10%) per cent of the capital stock of the new company if there be other members applying in writing for the purchase of stock whose subscriptions are not filled. If the membership shall not have subscribed for the total capital stock authorized, then others who were not members of the Society at the time of the conversion may be permitted to subscribe for stock and be allowed equal rights in the ownership thereof, with all other stockholders. It shall be the duty of such Fraternal Benefit Society desiring to be converted into a Stock Company to advise every member or policyholder of his right to subscribe for and purchase the stock of such Stock Life Insurance Company and of the amount of such stock for which he is entitled to subscribe and all

other terms and conditions, in a form to be approved by the Board of Insurance Commissioners within ten (10) days after such Society shall be voted to so convert itself into a Stock Company. Proof of depositing a letter addressed to all members or policyholders, conveying the advice, in the approved form as herein provided for, shall be deemed proof of compliance with the foregoing requirement.

Sec. 7. When such Fraternal Benefit Societies shall have complied with the provisions of this article and the other laws of this State regulating the incorporation of Life Insurance Companies, and shall have received from the Board of Insurance Commissioners its charter or certificate of authority to transact business as a Stock Life Insurance Company, its reorganization and conversion into such Stock Company shall be complete. Such reorganization and converted corporation shall be deemed in law to have all the rights, privileges, powers, and authority of any other Stock corporation organized for doing a Life Insurance business in the State of Texas, and controlled by the laws applying thereto. The new corporation shall be deemed in law to be a continuation of the business of the Fraternal Benefit Society when the reorganization and conversion shall have been accomplished by the formation of a new Company or by amendment to its former charter, and such reorganized corporation shall succeed to and become invested with all and singular the rights, privileges, franchises, and all property, real, personal, or mixed, of the former Society, and all debts due on any account and all other things and choses in action theretofore belonging to such Fraternal Benefit Society, and all property rights, privileges, franchises, and all other interest, shall thereafter be as effectually the property of such organized and converted corporation as they were the property of the former Fraternal Benefit Society, and the title to any real estate by deed or otherwise vested in the former Fraternal Benefit Society shall forthwith vest in such organized converted corporation, and the title thereto shall not in any way be impaired by reason of such change or reincorporation.

Sec. 8. The rights of all members, policyholders, creditors, and the standing of all claims under the former Fraternal Benefit Society shall be preserved unimpaired under the new corporation, and all debts, liabilities, and duties of the former Fraternal Benefit Society shall thenceforth attach to the reorganized corporation, and may be enforced against it to the same extent as if said debts and liabilities had been incurred or contracted by the new corporation, and all outstanding benefit certificates or policies issued by the said Fraternal Benefit Society shall be valid obligations of the new incorporation without the issuance of new policies.

Sec. 9. Such organized and converted corporation shall be obliged to carry out and perform all of the obligations of every kind and character owing by the former Fraternal Benefit Society to the holders of its policies or beneficial certificates, and the same

may be enforced against it to the extent as if said policies and beneficial certificates had been issued by it after conversion. Any pending suits wherein the former Fraternal Benefit Society was a party shall be unaffected by the conversion thereof and shall be prosecuted by or against such reorganized and converted corporation the same as if the conversion had not taken place.

Sec. 10. The members of such Fraternal Benefit Society, or the policyholders in the chartered incorporated Company, may form local clubs for social and charitable purposes, but the same shall have no connection with the management of the affairs of the corporation or affect its liability or the insurance in effect.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 16.]

#### Art. 10.41. False Statements; Penalty

Any person, officer, member or examining physician of any society authorized to do business under the laws of this State relating to fraternal benefit societies who wilfully makes any false or fraudulent statement or representation in or with reference to any application for membership, or for the purpose of obtaining money from or benefit in any society transacting business under this law, shall be fined not less than one hundred nor more than five hundred dollars, or be imprisoned in jail for not less than thirty days nor more than one year, or both. [1925 P.C.]

#### Art. 10.43. Soliciting Without Certificate of Authority; Penalty

Whoever solicits for or organizes lodges of such association as are defined to be a fraternal benefit society under the laws of this State, without first obtaining from the Commissioner of Insurance a certificate of authority showing that the association has complied with the provisions of such laws and is entitled to do business in this State, shall be fined not less than one hundred nor more than two hundred and fifty dollars, or be imprisoned in jail for not less than three nor more than six months, or both.

[1925 P.C.]

#### Art. 10.44. Exceptions

No provision of the preceding articles shall prohibit any member of a local or subordinate lodge from soliciting any person to become a member of any local or subordinate lodge already in existence, nor apply to any members of any local or subordinate lodge who participate in, direct or conduct the organization or establishment of any local or subordinate lodge within the limits of the county of their residence or lodge district.

[1925 P.C.]

#### Art. 10.45. General Penalty

Any officer, agent or employé of any fraternal benefit society organized under the laws of this State who neglects or refuses to comply with or who violates any provision of the laws of this State governing such societies, shall where the penalty is not provided for in the preceding articles of this chapter, be fined not exceeding two hundred dollars.

#### Art. 11.01. Incorporation

Sec. 1. Nine or more persons, residents of this State, may form a mutual life insurance company for the purposes of insuring the lives of individuals on the mutual level premium, legal reserve plan, and any such company heretofore or hereafter created may issue, combined or separately, life, health and accident insurance policies, subject to the provisions of this chapter, by executing and acknowledging articles of incorporation for that purpose. Such articles of incorporation shall set forth:

1. The name and residence of each incorporator;
2. The name of the proposed company, which shall contain the words "Mutual Life Insurance Company" as a part thereof; and the name selected shall not be so similar to that of any

other insurance company as to be likely to mislead the public;

3. The location of the principal office from which the business of the company is to be transacted;

4. The number of directors and the name and residence of each one who is to serve until the first regular election of directors;

5. The amount of its free surplus which shall, at the time of incorporation, be not less than Two Hundred Thousand (\$200,000.00) Dollars. Such free surplus shall, at the time of incorporation, consist only of lawful money of the United States or bonds of the United States or of this State or of any county or incorporated municipality thereof, or government insured mortgage loans which are otherwise authorized by this chapter, and shall not include any real estate as a part of its free surplus; provided, however, that twenty-five (25%) per cent of the minimum free surplus may be invested in first mortgage real estate loans. Notwithstanding any other provision of this Code, a minimum of One Hundred Thousand (\$100,000.00) Dollars of such free surplus shall at all times be maintained in cash or in the classes of investments described in this article. After the granting of charter the free surplus in excess of such One Hundred Thousand (\$100,000.00) Dollars may be invested as otherwise provided in this Code for stock companies.

Sec. 2(a). From and after the effective date of this Act the surplus requirement of Paragraph 5 of Section 1 of Article 11.01 of this Code shall be the minimum surplus requirement for any company which is subject to the provisions of Chapter 11 of this Code as amended; provided, however, that no such company which was licensed and doing business in this State prior to May 1, 1955 shall be required to increase the amount or convert the class or form of its existing surplus to comply with the surplus requirement of said Paragraph 5 of Section 1 of Article 11.01 of this Code as amended, nor shall any such company be denied the right of writing new business if such company does not maintain the surplus stated in Article 11.17 of this Code, so long as all other laws are complied with.

(b) Each such mutual life insurance company shall have the right to apportion to its free surplus all or any portion of the contingency reserves provided for in Article 11.11 of the Insurance Code while and whenever the free surplus of such company shall be less than One Hundred Thousand (\$100,000.00) Dollars.

(c) Any mutual life insurance company heretofore organized or operating under the provisions of Chapter 11 of this Code may convert into a stock legal reserve life insurance company subject to the following conditions:

1. There shall be contributed in cash of the United States the sum of not less than Fifty Thousand (\$50,000.00) Dollars in capital and not less than Twenty-five Thousand (\$25,000.00) Dollars in surplus, which contributed capital and surplus shall be in addition to all assets of such company at the date of conversion;

2. Such conversion shall only be made on a vote of the policy holders of such company at a meeting called for such purpose. Pursuant to such policy holder authorization, the Board of Directors and officers of such mutual legal reserve life insurance company shall amend its existing charter or articles of incorporation so as to comply with the requirements of Article 3.02 of this Code, as amended, except as to the capital and surplus requirements thereof;

3. After compliance with the provisions hereof and approval of the proposed conversion by the Attorney General of the State of Texas and the Board of Insurance Commissioners, such company shall be and become a legal reserve stock life insurance company, except that such company so converted shall not: (1) insure any life for more than Five Thousand (\$5,000.00) Dollars in event of death; nor (2) declare or pay any cash dividend unless and until the capital and surplus of such stock legal reserve life insurance company shall be increased to not less than the minimum capital and surplus required for the organization of a stock legal reserve life insurance company under the provisions of Chapter 3 of this Code as amended;

4. Any such company so converted shall within ten years from the date of its conversion increase its capital and surplus to not less than the minimum capital and surplus then required to organize a stock legal reserve life insurance company under the provisions of Chapter 3 of this Code, or its certificate of authority to do business shall be revoked by the Board of Insurance Commissioners;

5. From and after the date of such conversion such legal reserve life insurance company shall be governed by the provisions of Chapter 3 of this Code, as amended, except as otherwise herein provided.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 916, ch. 363, § 17.]

#### Art. 11.02. Application, Charter and Certificate of Authority

Sec. 1. As a condition precedent to the granting of a charter of any such insurance company, the incorporators shall file with the Board of Insurance Commissioners the following:

1. An application for charter on such form and include therein such information as may be prescribed by the Board;

2. The articles of incorporation as provided in this Code;

3. An affidavit made by two (2) or more of its incorporators that such company is possessed of at least Two Hundred Thousand (\$200,000.00) Dollars free surplus, as required by law, which affidavit shall state that the facts set forth in the application and articles of incorporation are true and correct and that the free surplus is the bona fide property of such company. The Board of Insurance Commissioners may, in its discretion, at the expense of the incorporators, require other and additional satisfactory evidence of the matters required to be set forth in said affidavit before it shall be required to file the articles of incorporation, application for charter, or follow the procedure hereinafter set forth;

4. A charter fee of Twenty-five (\$25.00) Dollars.

When such application for charter, articles of incorporation, affidavit and charter fee are filed with the Board of Insurance Commissioners, the Board may set a date for a public hearing of the same, which date shall be not less than ten (10) nor more than thirty (30) days after the date of notice thereof. The Board shall notify in writing the person or persons submitting such application of the date for such hearing, and shall furnish a copy of such notice to the Attorney General of Texas and to all interested parties, including any other parties who have theretofore requested a copy of such notice. The Board shall, at the expense of the incorporators, publish a copy of such notice in any newspaper of general circulation in the county of the proposed home office of said company. In all such public hearings on such applications, a record shall be made of such proceedings and no such application shall be granted except when same is adequately supported by competent evidence. Any interested party shall have the right to oppose or support the granting or denial of such application and may intervene and participate fully and in all respects in any hearing or other proceeding had on any such application. Any such intervenor shall have and enjoy all the rights and privileges of a proper or necessary party in a civil suit in the courts of this State, including the right to be represented by counsel.

In considering any such application, the Board shall within thirty (30) days after public hearing, determine whether:

- (a) The minimum free surplus, as required by law, is the bona fide property of the company;
- (b) The proposed officers, directors and managing executive have sufficient insurance experience, ability and standing to render success of the proposed company probable;
- (c) The applicants are acting in good faith.

If the Board shall determine by an affirmative finding any of the above issues adversely to the applicants, it shall reject the application in writing, giving the reason therefor. Otherwise, the Board shall approve the application and submit such application together with the articles of incorporation

and the affidavit to the Attorney General for examination. If the application, articles of incorporation, affidavit and the procedure and action thereon shall be found by the Attorney General to be in accordance with the laws of this State, he shall attach thereto his certificate to that effect, whereupon all such documents shall be deposited with the Board.

Sec. 2. The Board shall thereupon immediately make, or cause to be made, at the expense of the company, a full and thorough examination thereof. If it finds that the company has complied with all applicable laws and is possessed of a free surplus of not less than Two Hundred Thousand (\$200,000.00) Dollars and that such surplus is in the custody of the officers either in cash or classes of investments as provided in Paragraph 5 of Article 11.01 of this Code, as amended, it shall issue to such company a certificate of authority to transact a life, health or accident insurance business within this State as such officers may apply for and as may be authorized by its charter issued pursuant to Article 11.01 of this chapter; which certificate shall be issued for a period of not more than fifteen (15) months and not extending more than ninety (90) days beyond the last day of February next after the date of its issuance, on which date such certificate shall expire by its terms unless revoked or suspended according to law. The foregoing requirement as to free surplus shall apply to mutual assessment companies or associations which may convert to mutual legal reserve companies under the provisions of Article 11.10 of the Insurance Code as amended. No original or first certificate of authority shall be granted, except in conformity herewith.

*Repeal of this article to the extent that it requires periodic renewal of certificates, see note under art. 1.14.*

#### Art. 11.03. Directors

The business of a mutual life insurance company shall be controlled and directed by a board of directors consisting of not less than five (5) members, who shall be elected annually as provided in this chapter. The directors who are to serve until the first annual election shall be named in the charter, and they shall hold office until their successors shall be elected and qualified, or until they shall be removed for improper practices. The board of directors shall elect the officers of the company, which shall be a president, and such number of vice presidents as the by-laws may provide; a secretary, a treasurer, a medical director and such other officers as the by-laws may provide for; and shall fix the compensation of all such officers. The duties of all officers shall be prescribed by the by-laws. There shall be an annual meeting of all the policyholders of each mutual life insurance company at the home office of such company or at such other place as may be properly announced to the policyholders, on the fourth Tuesday in April after it shall have received a certificate of authority to transact the business of life insurance, and annually thereafter, at which the directors shall be elected for the succeeding year, and at which bylaws for the government of the company, not inconsistent with the provisions of this Chapter or with the laws of this state may be adopted, and at which the existing bylaws may be repealed or amended. Provided, however, the bylaws of the company may set an annual meeting date on any day prior to April 30 in each year; and provided further, that when the Board of Directors shall consist of nine or more members, in lieu of electing the whole number of directors annually, the bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the terms of office of directors of the first class to expire at the first annual meeting of policyholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No classification of directors shall be effective prior to the first annual meeting of policyholders. At an annual or special meeting, each policyholder shall be entitled to one vote for each Five Hundred Dollars (\$500.00) of insurance held by him. Any policyholder may execute his proxy authorizing and entitling the holder to exercise his voting powers, unless such proxy shall be revoked previous to such annual or special meeting.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1965, 59th Leg., p. 273, ch. 114, § 1.]

#### Art. 11.08. Agents and Commissions

Any such mutual life insurance company which has received authority from the Board of Insurance Commissioners to transact business in this State shall receive from such Board, upon written request therefor, a certificate of authority for each of its agents in this State. Contracts between such companies and such agents shall not provide for commissions or other compensation to such agents in excess of the expense loading in the premiums of policies issued upon the applications procured by such agents, collected therefor, and paid to the company in cash.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 11.09. Repealed by Acts 1963, 58th Leg., p. 1117, ch. 434, § 10, eff. August 23, 1963

The repealed article, "Annual Valuation of Policies," was derived from Acts 1951, 52nd Leg., ch. 491; Acts 1959, 56th Leg., p. 960, ch. 448, § 3, and provided:

"(A) The State Board of Insurance shall annually make valuations of all outstanding policies of mutual life insurance companies as of December 31st of each year. In making such valuation the Board may use group methods and approximate averages for fractions of a year or otherwise. In making such valuation the reserve liability of all outstanding policies of sub-standard insurance shall be computed in accordance with the laws relating specifically to such policies. In making such valuation the reserve liability of all other outstanding policies of insurance and annuity contracts shall be computed on the net premium basis and in accordance with their terms and the following rules:

"(1) As respects policies issued prior to January 1, 1948, the computation shall be on the basis of the American Experience Table of Mortality, with interest at such rate as may be specified in such policy contracts.

"(2) As respects policies issued after the 31st day of December, 1947, the computation shall be on the basis of the mortality table and interest rate specified in the respective policies, provided that (I) the specified rate of interest shall not exceed three and one half per cent (3½%) per annum, (II) the specified table for policies other than policies of industrial life insurance shall be the American Experience Table of Mortality,

the American Men Ultimate Table of Mortality, the Commissioners 1941 Standard Ordinary Mortality Table, or the Commissioners 1958 Standard Ordinary Mortality Table, and (III) the specified table for policies of industrial life insurance shall be the American Experience Table of Mortality, the Standard Industrial Mortality Table, the Sub-standard Industrial Mortality Table, the 1941 Standard Industrial Mortality Table, or the 1941 Sub-standard Industrial Mortality Table.

"(3) As respects annuity contracts and contracts or policies for disability benefits and accidental death benefits, the computation shall be on the basis of the standards and methods adopted by the respective companies and approved by the State Board of Insurance.

"(4) As respects policies on female risks issued after the 31st day of December, 1959, other than policies of industrial life insurance, computation shall be based on any mortality table and rate of interest permitted under the preceding paragraph (2) and specified in the respective policies, but may at the option of the company be based on an age not more than three (3) years younger than the actual age of the insured.

"(B) If the gross premium charged by any mutual life insurance company on any policy or contract is less than the net premium for the policy or contract, according to the mortality table, rate of interest and method used in computing the reserve liability thereon, there shall be maintained on such policy or contract a deficiency reserve in addition to all other reserves required by law. For each such policy or contract the deficiency reserve shall be the present value according to such standard, of an annuity of the difference between such net premium and the premium charged for such policy or contract, running for the remainder of the premium paying period."

See, now, the Standard Valuation Law, art. 3.48.

#### Art. 11.10. Mutual Assessment Companies May Convert

Mutual assessment companies and associations organized and operating under the laws of this State on May 17, 1943 which desire to convert to a mutual legal reserve company, and qualify under Chapter 11 of the Insurance Code, shall be required at the time of conversion to be possessed of free surplus of not less than Two Hundred Thousand (\$200,000.00) Dollars. In order to convert, such company shall comply with the provisions of Articles 11.01 and 11.02 of the Insurance Code as amended, and upon such conversion shall be subject to all of the provisions of Chapter 11 of this Code.

Nothing in this article or in the provisions of this chapter or Chapter 3 of this Code shall ever be construed to mean that any of the associations or similar concerns, by whatsoever name or class designated, whether specifically named herein or not,

shall be required by the Board of Insurance Commissioners to convert to mutual legal reserve companies as herein authorized unless they voluntarily decide to do so; and if such associations have not heretofore voluntarily decided to come under this chapter, and if such associations do not hereafter so voluntarily decide to come under this chapter, then this chapter shall not in any way apply to any such associations.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 1010, ch. 415, § 2; Acts 1955, 54th Leg., p. 916, ch. 363, § 19.]

#### Art. 11.11. Contingency Reserve

Any mutual, level premium, legal reserve life insurance company organized and doing business under the provisions of this Chapter may accumulate and maintain a contingency reserve, over and above all of its reserves and liabilities required or specifically permitted by the provisions of this Chapter, in an amount not exceeding Ten Thousand Dollars (\$10,000), or an amount equal to the sum of ten per cent (10%) of all of its policy reserves and policy liabilities, plus one per cent (1%) of the amount of its life insurance then in force, if such sum be greater than Ten Thousand Dollars (\$10,000), but in no event to exceed Seven Hundred and Fifty Thousand Dollars (\$750,000), or ten per cent (10%) of all of its policy reserves and policy liabilities, whichever shall be greater. The term "policy reserves and policy liabilities" as used in this Section of this Act shall include only its reserves on outstanding life insurance policies and annuity contracts, contracts issued as supplemental thereto or in connection therewith or provisions included therein insuring against disability or against death by accident or accidental means, and including liabilities required under optional modes of settlement, and for dividends left on deposit at interest, after deducting the net value of its risks reinsured by other solvent assuming insurers, but this shall not affect any existing contingency reserve held by any such company on the effective date of this Act, save that whenever and as long as such existing contingency reserve shall exceed the limit above-mentioned, it shall not be entitled to maintain any additional contingency reserve.

The Board of Insurance Commissioners may, for good cause shown by an official order, permit any such company to accumulate and maintain a contingency reserve in excess of the maximum amount hereinbefore prescribed, for a period, not exceeding one (1) year under any one order, which shall be specified in such order. The Board of Insurance Commissioners shall state in such order its reasons therefor.

All such contingency reserves as provided for by this Act shall be invested according to law under the supervision of the Board of Insurance Commissioners and shall be used exclusively for the payment of death claims and dividends to policyholders. All interests and earnings from such investments in excess of the maximum contingency reserves as provided for in this Act shall be paid in dividends to policyholders according to present laws.

The contingency reserve described in this Article shall be deemed to be unassigned surplus, and in addition to any free surplus elsewhere required or allowed, may be so designated in all financial statements and reports and treated as such.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 814, ch. 301, § 1.]

#### Art. 11.12. Surplus and Dividends

Each such company shall make an annual accounting and apportionment of divisible surplus to each policyholder, beginning not later than the end of the second policy year on all policies issued; and each such policyholder shall be entitled to and credited with or paid such portion of the entire divisible surplus as may be equitably apportioned to his policy. Upon the 31st day of December of each year, or as soon thereafter as may be practicable, each such company shall truly ascertain the surplus earned by it during such year; and after setting aside from such surplus such portion thereof as the Board of Insurance Commissioners may approve for retirement of any unpaid advances theretofore made pursuant to Article 11.16 of this chapter, and after deducting the contingency reserve and the amount of earned surplus, if any, apportioned to free surplus as provided for in this chapter, it shall apportion to each of its policies upon which all premiums due and payable for at least two (2) years have been paid, an equitable proportion of the remainder of such surplus, and shall immediately submit a detailed report of such apportionment under oath of its president or secretary to the Board of Insurance Commissioners. If such Board shall find such apportionment to be equitable and just to the policyholders and in accordance with the provisions of this chapter, it shall approve the same, and it shall become effective. If it shall not approve such apportionment, it shall make such changes therein as it shall deem equitable and just and necessary to make the same comply with the provisions of this chapter, and shall certify such changes to such company, whereupon such apportionment as changed by such Board shall become effective. Each dividend declared as aforesaid shall be paid in cash, or in the equivalent of its cash value in any option stated in the policy and selected by the policyholder, notice of which selection by the policyholder shall be given to the company in writing.

It is further provided that each such company heretofore organized or converted and operating under the provisions of Chapter 11 of this Code which does not at the effective date of this amendment to this Code maintain the minimum free surplus specified in Article 11.01 as amended shall have the right, subject to the limitations herein set forth, to pay dividends but shall not be obligated by the provisions of this article to pay dividends to the policyholders until the minimum free surplus specified in Article 11.01 as amended has been acquired or accumulated by such company. The divisible surplus available for payment of dividends shall not include:

(a) Any portion of the free surplus, required by Article 11.01 as amended, of companies organized after the effective date of this amendment;

(b) Any portion of the free surplus of any company theretofore apportioned from earned surplus, transferred from contingency reserves or otherwise accumulated or acquired by such company as a part of its free surplus;

(c) That portion of the earned surplus for the preceding calendar year in excess of seventy-five (75%) per cent thereof whenever the free surplus of any company shall be less than Twenty-five Thousand (\$25,000.00) Dollars; it being the intent and purpose of this clause that each company whose free surplus is less than Twenty-five Thousand (\$25,000.00) Dollars shall be obligated to apportion a minimum of twenty-five (25%) per cent of the net earned surplus for the preceding calendar year to the free surplus of such company until such company shall have acquired or accumulated a free surplus of at least Twenty-five Thousand (\$25,000.00) Dollars.

No such company shall ever be required by the provisions of this article to pay dividends to policyholders at any time when the free surplus theretofore accumulated or acquired by said company shall be impaired.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 1010, ch. 415, § 3; Acts 1955, 54th Leg., p. 916, ch. 363, § 20.]

#### Art. 11.13. Policies

Mutual life insurance companies are authorized to transact business throughout this State and in other states to which they may be admitted; they shall issue no policies except upon the participating plan with dividends payable annually as provided in this chapter; the form of all policies issued by any such company shall be approved by the Board of Insurance Commissioners, and all such policies shall have plainly printed on both the face and the reverse sides thereof the words, "The form of this policy is approved by the Board of Insurance Commissioners of the State of Texas," and the Board shall revoke the certificate of authority of any such company which shall issue any policy except upon such form so approved. No such company shall issue any policy or policies by which, after deducting reinsurance, if any, it shall be bound for more than Five Thousand (\$5,000.00) Dollars upon any one life at any time when the total amount of its insurance in force is less than Ten Million (\$10,000,000.00) Dollars.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 11.14. Table of Guaranteed Values

Each policy issued by such company shall contain a table of guaranteed values, which shall become non-forfeitable not later than upon the payment of the third full annual premium; such tables of values

shall be drawn in accordance with the law governing life, health and accident insurance companies.  
[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 11.15. Incurring Debts

No mutual life insurance company shall have the power except as provided in this chapter, to borrow money for any purpose other than the payment of death losses. No such company shall have the power to incur any debt on any account except under policies issued by it or for money borrowed to pay death losses, for which any portion of its assets over and above that which may represent or be derived from the expense loading of the premiums collected by it, shall, in any event be subject to execution upon a judgment therefor.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 11.16. Advances to Company

Any officer or director of a mutual life insurance company or any person so authorized in Article 21.27 of this code, may advance to such company any sum of money for the purpose of promoting or conserving its business, or to enable it to comply with any requirement of the law; and such money, together with such interest thereon as may have been agreed upon, not exceeding ten (10%) per cent per annum, shall be payable only out of the surplus remaining after providing for all reserves and other liabilities, and shall not otherwise be a liability or claim against the company or any of its assets. No commission or promotion expenses shall be paid in connection with the advance of any such money to the company, and the amount of such advance shall be reported in each annual statement.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 11.17. Liabilities

Any such insurance company transacting business within this State shall at all times have and maintain a minimum free surplus of not less than One Hundred Thousand (\$100,000.00) Dollars and if such minimum free surplus shall become impaired to the extent of thirty-three and one-third (33 $\frac{1}{3}$ %) per cent thereof, computing its liabilities in the manner provided by the laws of this State, it shall make good such impairment within sixty (60) days; and failing to make good such impairment within said time shall forfeit its right to write any business in this State until said impairment shall have been made good. The Board of Insurance Commissioners may apply to any court of competent jurisdiction for the appointment of a receiver to wind up the affairs of such company when its above mentioned minimum free surplus shall become impaired to the extent of fifty (50%) per cent thereof, computing its reserve liability in the manner provided by the laws of this State for the computation of such reserve liability. No company shall write new business unless it is possessed of the minimum free surplus required by this article, except to the extent it may be otherwise expressly authorized by this Code to do so.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1953, 53rd Leg., p. 1010, ch. 415, § 4; Acts 1955, 54th Leg., p. 916, ch. 363, § 21.]

#### Art. 11.19. Other Laws to Govern

The provisions of Chapter 3 of this Code, when not in conflict with the Articles of this Chapter, shall apply to and govern mutual life insurance companies organized under the provisions of this Chapter, provided, however, that when any mutual life insurance company organized under the provisions of this Chapter has a surplus equal to or greater than the minimum of capital and surplus required of capital stock companies under the provisions of Article 3.02 of Chapter 3, Insurance Code of the State of Texas, Revised Civil Statutes of Texas of 1925, the following provisions of Chapter 11 only shall apply to such mutual companies: 11.01, 11.02, 11.03, 11.04, 11.05, 11.06, 11.07, 11.10, 11.11, 11.12, 11.14, 11.16, 11.17, 11.18, 11.19, 11.20, and 11.21. [Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 546, ch. 171, § 1; Acts 1963, 58th Leg., p. 1117, ch. 434, § 11, eff. Aug. 23, 1963; Acts 1967, 60th Leg., p. 219, ch. 121, § 1, eff. May 5, 1967.]

#### Art. 11.20. Mergers and Consolidations

Sec. 1. Any two or more mutual life insurance companies may merge into one of such companies,

domestic or foreign, or consolidate into a new mutual life insurance company, domestic or foreign, by compliance with the procedures provided in this Article.

Sec. 2. When it shall be determined by a majority vote of the Board of Directors, respectively, of two or more mutual life insurance companies, to either merge or consolidate, said Boards of Directors shall prepare a plan of merger or consolidation, as the case may be, and file such plan with the Commissioner of Insurance for approval. Such plan may contain provisions for future apportionment of then existing or prospective accumulations, or both, of divisible surplus, or any other equitable arrangement, whereby the equitable interests, if any, of affected policyholders may be adjusted.

Sec. 3. As soon as practicable after such filing, the Commissioner of Insurance shall hold a hearing on the question of whether he should approve such plan. As soon as practicable after such hearing, said Commissioner shall approve such plan unless he finds that such plan:

- (1) is contrary to law, or
- (2) effectuation of such plan would not be in the best interest of the policyholders of any one or more domestic mutual life insurance company which is a party to such plan, or
- (3) effectuation of such plan would substantially reduce the security of or service to be rendered to policyholders, whether residents of this state or elsewhere, of any domestic mutual insurance company which is a party to such plan.

In making such decision, the Commissioner of Insurance may consider all facts, elements, matters and financial conditions relating thereto, including but not limited to past, present and prospective operations and accumulations of said companies desiring to merge or consolidate.

If the Commissioner of Insurance disapproves such plan, he shall within a reasonable time after such hearing specify in detail his reasons therefor and so notify all of the parties to such plan. If the Commissioner of Insurance approves such plan, he shall so notify all of the parties thereto, whereupon each board of directors of each domestic company party thereto shall proceed to submit such plan for adoption or rejection to its respective policyholders as hereinafter provided.

Sec. 4. As soon as practicable after receipt of notice of approval of a plan of merger or consolidation to which a company is a party, each domestic party thereto shall cause such plan to be submitted to a vote of its policyholders at a meeting thereof, which meeting may be either an annual or a special meeting. Written or printed notice shall be given to each policyholder, addressed to his last known address, in accordance with the applicable bylaws, but not less than fifteen (15) days before such meeting. And each such notice shall specifically state that at

least one of the purposes of such meeting is to vote upon such plan, a copy of which shall accompany such notice. At each such meeting of policyholders of a domestic party to such plan, each policyholder shall: (i) be entitled to a number of votes determined as provided in Article 11.04 of this Chapter of this Code, and (ii) may vote in person, by proxy to whomever the policyholder may designate in writing, or by mailed ballot. The plan of merger or consolidation shall be considered approved by the policyholders of such company upon receiving the affirmative vote of at least two-thirds ( $\frac{2}{3}$ ) of the votes cast at such meeting on such question.

Sec. 5. (a) Upon the required approval of such plan by the policyholders of each domestic company which is a party to such plan and, if one or more foreign companies is a party thereto, upon the approval thereof in compliance with such foreign law or laws as may be applicable thereto, the president or a vice-president and the secretary or an assistant secretary of each company which is a party to such plan shall execute and file with the Commissioner of Insurance an affidavit that such plan has been approved as herein required.

(b) If the Commissioner of Insurance finds that such affidavit conforms to law, he shall endorse thereon the word "Filed," and the date of filing thereof; and

(1) if the plan be a plan of merger, the Commissioner shall then execute and deliver a Certificate of Merger to the surviving company or its representative; or

(2) if the plan be a plan of consolidation, the Commissioner shall execute and deliver a Certificate of Consolidation to the new company when such new company shall be issued a charter and license upon submission of proper articles of incorporation to the Commissioner of Insurance, and upon his approval together with approval of the Attorney General in accordance with the procedure now required for the issuance of a new charter, and proof that the new company has surplus of not less than the surplus of the mutual life insurance company involved in such consolidation having the largest surplus.

Sec. 6. Upon the issuance by the Commissioner of a Certificate of Merger or Consolidation, as the case may be, the merger or consolidation referred to in such certificate shall thereupon be deemed effective unless some subsequent date be specifically stated as the effective date thereof in the plan therefor.

Sec. 7. As of the time that such merger or consolidation is deemed effective:

(1) All policies of insurance outstanding against any company so merged or consolidated shall be deemed to be assumed by the new or surviving mutual life insurance company on the same terms and under the same conditions as if such policies had continued in force against the original issuer thereof and the new or surviving

company shall carry out the terms of such policies and be entitled to all the rights and privileges thereof and the reserves and surplus accumulating on such policy prior to such merger or consolidation.

(2) All the rights, franchises and interests of the companies so merged or consolidated, in and to every species of property, real, personal and mixed, and the things in action thereunto belonging, shall be deemed as transferred to and vested in the surviving or new mutual life insurance company, without any other deed or transfer; and simultaneously therewith the surviving or new mutual life insurance company shall be deemed to have assumed all of the liabilities of the merged or consolidated companies;

(3) All investments of each mutual life insurance company which was a party to such merger or consolidation that were authorized when made by the laws of the state in which such mutual life insurance company was organized, as proper securities or assets, including real property, for investment of funds of any mutual life insurance company and which investments are taken over by the surviving or new company by virtue of such merger or consolidation under the provisions of this Act, shall be, under the laws of this state, considered as valid securities or assets, including real property, of such new or surviving company, provided such investments are approved by the Commissioner of Insurance in this state, and the same are taken over on terms satisfactory to said Commissioner; provided, however, that in the event the new or surviving company acquires by virtue of such merger or consolidation real estate or property beyond or in excess of that permitted by the applicable Articles pertaining to owning or holding real estate, such company shall sell or dispose of all such excess real estate within the time specified in such applicable Articles unless it shall procure a certificate from said Commissioner that the interest of such company will materially suffer from the forced sale or disposition thereof, in which event the time for the sale or disposition thereof may be extended to such time as the Commissioner of Insurance shall direct in such certificate. Provided further, that this Section will not preclude the designation and use of such acquired excess real estate as branch offices in accordance with the applicable provisions of this Code.

(4) The divisible surplus of each company which is a party to such merger or consolidation which was available for apportionment to policyholders in accordance with the provisions of Article 11.12 of this Chapter of this Code immediately prior to the effectiveness of such merger or consolidation shall continue to be available to the policyholders of the surviving or new company in accordance with the provisions of such Article.

Sec. 8. Nothing herein shall be construed as affecting, modifying, amending or repealing in any manner the Anti-Trust Statutes of this state.

[Acts 1967, 60th Leg., p. 219, ch. 121, § 2, eff. May 5, 1967.]

Section 1 of the act of 1967 amended article 11.19; section 3 thereof is codified as article 11.21; sections 4 and 5 provided:

"Sec. 4. If any Section, paragraph or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining Sections, paragraphs or provisions of this Act, but the same shall remain in full force and effect.

"Sec. 5. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of such conflict only."

#### Art. 11.21. Total Direct Reinsurance Agreements

Sec. 1. #### Art. 12.03. Territorial Limitation of Association

Any local mutual aid association or association defined in Article 14.37, Chapter 14, of this code, shall be permitted to operate in any county in this State. If the Articles of Association of such association provides for its operation in a limited portion or area of this State, such local mutual aid association or association defined in Article 14.37, Chapter 14, of this code, may hereafter amend such Articles of Association so as to permit it to operate and do business on a statewide basis, and after such amendment it shall be entitled to receive a certificate of authority covering all such territory, provided such association shall not be possessed of a permissive deficiency reserve as provided in Article 14.15 of this Chapter 14 of this Code.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1967, 60th Leg., p. 1830, ch. 708, § 1, eff. June 17, 1967.]

Acts 1967, 60th Leg., p. 1830, ch. 708, § 2 amended article 22.05, and section 3 thereof provided: "If any section, paragraph, or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining sections, paragraphs or provisions of this Act, but the same shall remain in full force and effect."

#### Art. 12.04. Independent Associations

There shall be no connection between any two associations operating under this chapter and no one association shall contribute anything by way of salary or compensation to any executive officer for the purposes of such other association.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.05. Organization

Any number of persons not less than five, all of whom must be citizens of the United States and residents of the territory to be embraced within

their field of operation may organize a local mutual aid association or an association as defined in Article 14.37 of Chapter 14 of this code in the following manner:

(1) They shall draw up articles of association which shall be executed in triplicate, acknowledged as required for instruments intended to be recorded, and which shall state:

(a) The name of the association, which must be distinctly different from associations operating in the same radius.

(b) The location of the principal office and the territory to which its operation shall be confined.

(c) The object for which the association is created, including the upper and lower age limits of persons to whom benefit certificates may be issued.

(d) Titles of the officers of the association and the number of directors, and the names of the persons who will, pending permanent organization, fill such offices.

(2) The said articles of association so executed shall be presented to the Board of Insurance Commissioners of the State of Texas, together with the application for a permit to solicit members, and together with the bond in a sum of Five Thousand (\$5,000.00) Dollars, which said bond shall be payable to the Board of Insurance Commissioners, executed by the organizers as principals and one surety company, acceptable to the Board, as surety, conditioned that if the persons organizing the association shall fail to secure the requisite number of members or for any other reason shall not consummate the organization of the association within six (6) months from its date, then the advance membership dues and assessments shall be returned to the parties paying same.

(3) The constitution and by-laws under which the association will operate pending permanent organization, together with the certificate of membership which the association proposes to issue, shall be submitted to the Board for approval.

(4) The Board shall make an investigation of the individuals who shall make such application, and when the Board shall be satisfied that the organizers are responsible persons, and of the probability that territory to be served can support such association and that the articles of association, constitution, by-laws and certificates are in proper form and the bond shall have been approved, it shall issue a permit to the organizers authorizing them to solicit membership in the association and to collect the membership fee and one death assessment.

(5) When such permit to solicit membership has been issued by the Commissioners, the organizers may solicit members, and when they shall have received not less than five hundred

(500) bona fide applications for membership in the association in all classes and when they shall have collected from such members the membership fees and one advance assessment, they shall make a showing to the Board of Insurance Commissioners of Texas in such form as is required, setting forth the facts. Such membership should be completed within six (6) months from date of filing application. Thereupon the Board shall require, and the officer of the association designated to have charge of the funds of the association shall make and file a surety bond executed by a surety company authorized to do business in the State of Texas, satisfactory to the Board as surety, payable and in an amount and conditioned as required and specified in Article 14.08, Chapter 14 of this code.

Provided, however, that the provisions of this Article shall not apply to any local mutual aid association now organized and operating whose total membership shall at no time exceed one thousand (1,000) members and which shall never charge for annual dues or assessments in excess of One (\$1.00) Dollar each, and whose membership fee shall at no time exceed Two Dollars and Fifty Cents (\$2.50). However, such association thus exempted shall file a bond, conditioned as herein above provided, in the amount of One Thousand (\$1,000.00) Dollars with the Board of Insurance Commissioners of Texas.

(6) The Board shall then issue to such association a certificate of authority to do business in Texas, which shall expire on May 31st following, together with a certified copy of the charter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.06. Names of Association

Upon application for charter to do business in Texas the Board of Insurance Commissioners may determine whether the name of the association would be confusing and misleading to the public; if so, it may refuse the certificate or charter, and prohibit the doing of business under the name.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.07. Failure to Consummate Organization

If the organizers shall not complete the membership within the time required, the money collected shall be returned and the temporary permit issued shall be revoked.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.08. By-Laws

The constitution, by-laws and form of certificates of each association submitted to the Board and approved before writing of business is commenced, shall be effective until the first annual meeting of the association, at which time they must be confirmed by such meeting, with or without amendments as the association may decide. The constitution and by-laws of such association shall not violate any of the provisions of this law, but shall be in harmony herewith.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.09. Kinds of Benefits

Any association hereafter organized under the provisions of this chapter shall provide for the payment of death benefits only and may not provide for old age benefits and benefits in case of accidental injuries or sickness. Any association heretofore organized prior to March 21, 1929, and paying death, old age and accident benefits may continue to pay same. Anyone or all of said benefits and the benefits to be provided shall be clearly set out in the policy issued by the association.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.10. May Not Issue Guaranteed Certificates

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.11. Revocation of Right to Do Business

The Board shall not revoke the right of any association to do business in this State except upon the judgment of a court of competent jurisdiction or upon the filing of articles of dissolution by the members of said association or the officers for them or upon a statement being filed with said Board showing that said membership had been merged and taken over by another society or association.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.12. Corporate Existence

Any association organized under the provisions hereof or which has accepted the provisions hereof shall for the purposes of operation be and become a body corporate with authority to sue and be sued in its own name and to exercise the other powers and functions specifically herein granted, but not otherwise. Except as herein provided, such association shall be governed by this chapter and Chapter 14 of this code and shall be exempted from all other provisions of the insurance laws of this State. No law hereafter enacted shall apply to them unless they be expressly designated therein.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.13. Dissolution and Forfeitures

Associations may dissolve at any time by vote of the majority of the members at a regular meeting called by the secretary or a special meeting called for the purpose of considering dissolution; any class or group which has been in existence for six (6) months or more shall also be dissolved automatically and shall forfeit its right to do business at any time the membership shall fall below fifty (50%) per cent of the maximum value of the policy issued, or when any class or group shall cease to operate for a period of one (1) year, and no action by any supervisory officer of the state shall be necessary to such dissolution or forfeiture. In the event of said membership becoming less than fifty (50%) per cent of the maximum amount provided in said class or group, said members by a majority vote of said officers for

them shall have the right to transfer and merge said members with any other society or association after obtaining the approval of the Board of Insurance Commissioners; provided, however, that if any such association or society shall have engaged in business continuously for a period of ten (10) years, then it shall not automatically be dissolved nor forfeit its right to do business, at any time the membership shall fall below fifty (50%) per cent of the maximum value of the policy issued, but it shall become dissolved only in the event the membership shall fall below twenty-five (25%) per cent of the maximum value of the policy issued. Provided, further, that when membership becomes less than fifty (50%) per cent, the association will be dissolved automatically in event it fails to notify each member when assessment is made of the amount paid on the next preceding death claim.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

If any association heretofore or hereafter doing a local mutual aid business as herein defined or as defined in Article 14.37, Chapter 14 of this code shall cease to operate, or shall fall below the requirements of this Chapter or shall undertake to operate without a permit or certificate of authority, or shall fail or refuse to make reports as and when by law required, or shall refuse to submit to examination or pay the cost thereof, or shall conduct its business in a fraudulent, illegal or dishonest manner, or shall violate any of the terms of this chapter, shall, in addition to any other penalties imposed on it or on its members or officers, subject itself to forfeiture of its right to do business and to dissolution; and the Attorney General shall at the request of the Board of Insurance Commissioners file such suit as may be necessary to wind up the affairs of such association and if necessary have a receiver appointed for that purpose, the venue of all of which suits shall be laid in Travis County, Texas.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.15. Penalty

Any person or persons who shall violate any of the provisions of this Chapter shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not more than Five Hundred (\$500.00) Dollars.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.16. Exemptions

The provisions of this chapter shall not apply to labor unions, domestic orders or associations which do not provide a death benefit of more than One Hundred and Fifty (\$150.00) Dollars, nor to the associations which are now described in Article 10.38 of this code, nor any society or association, if any, heretofore legally operating statewide on an assessment basis under any charter heretofore granted under any valid statute of this State; provided, nothing herein shall affect those associations defined

in Article 14.37, Chapter 14 of this code, organized and operating under the provisions of this chapter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 12.17. Fraternal Law Not Applicable

#### Art. 13.03. Branch Offices

No corporation operating under this chapter shall be permitted to operate any independent branch office, separate group, club, or class, under any other name than that of said corporation, but all of its policies shall be issued in the home office of said corporation. Nothing herein shall be construed, however, as to prohibit any corporation hereunder from providing by its by-laws for the creation of separate groups, clubs, or classes, based upon such a reasonable classification as specified in the by-laws, and providing in the policies issued to the members of such groups, clubs, or classes that the benefits under said policies shall be limited to the assessments made, levied, and collected from any such particular group, club, or class, respectively. #### Art. 14.09. Recovery on Bond

[Acts 1963, 58th Leg., p. 330, ch. 125, § 1.]

Acts 1963, 58th Leg., p. 330, ch. 125, § 2, provided: "Sec. 2. Precedence of Act in Cases of Conflict. The rights, power, authority, and procedures granted in the foregoing Section of this Act shall be deemed to be in addition to all other rights, authorities and procedures now existing and conferred by the laws of the State of Texas, and any pre-existing Act which tends to hamper or limit the rights, authorities and procedures granted in this Act shall be deemed to be superseded by the provisions hereof and, to the extent that any other law is in conflict with, or inconsistent with the provisions hereof, the provisions of this Act shall take precedence and be effective."

#### Art. 14.15. Annual Statement; Certificate of Authority; Reserves; Permissive Deficiency Reserve

##### Annual Statement; Certificate of Authority

Sec. 1. On or before the 1st day of April of each year, each association or company operating under the provisions of this Chapter shall file with the State Board of Insurance a complete and full sworn statement of its condition on the 31st day of December next preceding. Such statement shall exhibit all real and contingent assets, and all liabilities and an account of income and disbursements to and from the mortuary and expense funds during the year, and on forms which the State Board of Insurance shall furnish for the making of such annual statements. Upon examination of said annual statement, the State Board of Insurance shall, if such report shows that the company or association is in all things complying with the requirements of law, issue such company or association a certificate of authority to transact its business in this State for the year next succeeding the filing of said report, or continue its certificate of authority in force as is provided in Article 1.14 of this Insurance Code.

##### Method of Calculating Reserves

Sec. 2. In the manner as in this Article is hereinafter provided, each company or association regulated by the provisions of this Chapter, except assessment-as-needed associations or companies, shall in each year, commencing as of December 31, 1965, compute or cause to be computed its reserve liability on all outstanding and in force policies of insurance. In making such computation each company or association is authorized to use group methods and approximate averages for fractions of a year or otherwise. Such reserve liability shall be computed upon the net premium basis in accordance with the reserve table and interest rate adopted by such company or association and approved by the State Board of Insurance and such reserve liability may be calculated on not more than a one year preliminary term basis with allowance for the permissive deficiency reserve provided for in this Chapter 14. Such reserves shall be calculated and determined as follows:

(a) (1) Each individual life policy insuring one or more persons at individual premiums for each such person shall be reserved and each company or association regulated by the provisions of this Chapter shall maintain reserves on

such individual life policies in accordance with any reserve standards adopted by such company or association and approved by the State Board of Insurance, provided such reserves are at least equal in the aggregate to reserves based on the 1956 Chamberlain Reserve Table with interest not to exceed three and one half per cent (3½%) per annum. Any company or association is hereby authorized to use the 1956 Chamberlain Reserve Table with interest not to exceed three and one half per cent (3½%) per annum.

(2) Family group life policies upon which a group premium is charged, and which premium is not reduced upon the death of any insured, shall be reserved and each company or association shall maintain reserves on such family group policies in any one of the following methods of calculation as may be selected by such company or association:

(i) The reserves shall be equal to the reserves which would be required in accordance with the provisions of this Article on individual life policies on the lives of the then living two oldest members of each such family group; the amount of insurance for such two members shall be based on the assumption that the elder of such two members will be the first to die; or

(ii) The reserves shall be equal to the reserves which would be required, in accordance with the provisions of this Article, on individual life policies, on the lives of the then living members of such family group; the amount of insurance for each such member of the family group shall be based on the assumption that each such member will be the first to die; or

(iii) Any table or any method of calculating reserves as shall be approved in advance by the State Board of Insurance.

(3) As is applicable to all life policies (individual and family group) in force on December 31, 1965, or upon which a rate increase is effected after December 31, 1965, life reserves (individual and family group) may be determined as follows:

(i) the issue year shall be the last calendar year for which the gross premium on the reserve table and interest rate adopted by the company or association at the attained age in that calendar year is equal to or less than the premium rate charged by the company or association on such policy so reserved, and

(ii) the issue age shall be the attained age in the calendar year just defined.

Gross premium as herein used shall mean the renewal net premium plus such expense loading as shall be designated by the company or association or as shall otherwise be regulated by the provisions of this Chapter 14.

(b) All health, accident, hospitalization and sickness insurance shall be reserved by the company or association and such company or association shall maintain reserves on such insurance in the same manner as is required by a company writing such coverage under the provisions of Chapter 22 of this Insurance Code, as amended.

#### Reserve Liability, Computation

Sec. 3. The State Board of Insurance, as soon as practical, in each year, shall compute or cause to be computed the reserve liability of each company or association regulated by the provisions of this Chapter 14. In making such computation the said Board may use group methods and approximate averages for fractions of a year or otherwise.

#### Permissive Deficiency Reserve, Reduction of Permissive Deficiency Reserve

Sec. 4. (a) As of December 31, 1965, each such company or association regulated by the provisions of this Chapter shall so calculate the amount of the required reserves as aforeprovided in this Article, and shall also determine the amount of the net assets (net assets being the gross amount of such mortuary fund assets at such date, but less any liabilities of said fund, exclusive of reserves) of its mortuary or claim fund, or by whatever name said fund may be designated. In the event the net assets of the mortuary fund are insufficient to equal the amount of the required reserves as in this Article provided, the difference shall be designated and carried as a permissive deficiency reserve.

(b) In the event any company or association shall, as of December 31, 1965, possess a permissive deficiency reserve, it shall not later than July 1, 1966: (1) file an application with the State Board of Insurance seeking approval of a rate increase whereby such rate increase shall be accomplished by charging a premium based upon the advancement of ages of such insureds, from age at issue date, or such ages so previously advanced, in order to totally eliminate such permissive deficiency reserve or to partially eliminate such permissive deficiency reserve in connection with a plan to cure such permissive deficiency reserve; or (2) file an application with the State Board of Insurance for approval of a plan whereby such permissive deficiency reserve will be eliminated over a period of time not to exceed eighteen (18) years. Such plan shall reasonably demonstrate the anticipated ability of the company or association to correct such permissive deficiency reserve during such period of time. Such plan may include any reasonable method, procedure or financial arrangement in order to accomplish the required reduction of the permissive deficiency reserve over such period of eighteen (18) years. Provided said plan is found to reasonably demonstrate the ability of the company or association during such period of time to eliminate such permissive deficiency reserve, then such permissive deficiency reserve shall be allowed without creating the insolvency of the company or

association, but the company or association shall reduce said permissive deficiency reserve so determined by at least  $\frac{1}{8}$ th thereof during each calendar year thereafter, commencing as of December 31, 1966, so that as of December 31, 1983, the permissive deficiency reserve will be fully paid and satisfied, provided, however, that such required reduction in the permissive deficiency reserve shall never exceed the cumulative aggregate amount of  $\frac{1}{8}$ th per annum.

In the event that such plan be not finally approved, such company or association shall increase rates as provided in Section 4, Paragraph (b)(1) of this Article.

(c) Each company or association may, in addition to, or in combination with, or in lieu of, such rate adjustment or readjustments of rates as in this Chapter provided, offer each insured a proportionate reduction in the amount of insurance, or some lesser reduction, provided such plan is agreed to by the individual insured or the controller of said policy.

(d) Any decision made by the State Board of Insurance as to approval or disapproval of the plan for curing such permissive deficiency reserve shall be subject to judicial review in accordance with Article 21.44 of Sub-Chapter F of Chapter 21 of this Insurance Code.

#### Net Premiums to be Charged

Sec. 5. (a) Any company or association using an approved plan to cure its permissive deficiency reserve, but possessing as of December 31, 1965, a permissive deficiency reserve equal to or in excess of 50% of its required reserve so determined to exist as of such date, shall, by July 1, 1966, furnish to the State Board of Insurance an affidavit executed by its President, Vice President or Secretary, certifying that at least the renewal net premium based upon:

(1) the table of rates and reserves adopted by the company or association; and

(2) the age of each insured at date from which reserves are calculated, is being deposited to the company's or association's mortuary or claim fund upon each in force life policy or life policy in combination with other type benefits. In the event such company or association cannot so furnish such affidavit, said company or association shall:

(1) forthwith alter the division of premiums between the mortuary and expense funds so that such renewal net premium so calculated at age from which reserves are calculated on each such policy is placed in the company's or association's mortuary fund; or

(2) forthwith apply to the State Board of Insurance for approval of a rate increase whereby the rate charged on each such policy will thereafter contribute to the mortuary fund at least the renewal net premi-

um so determined under such table at age from which reserves are calculated.

(b) Any company or association using an approved plan to cure its permissive deficiency reserve, but possessing as of December 31, 1965, a permissive deficiency reserve of less than 50% of its required reserve so determined to exist as of such date, shall, by July 1, 1966, furnish to the State Board of Insurance an affidavit executed by its President, Vice President or Secretary, certifying that in the aggregate premiums deposited to the mortuary or claim fund equal or exceed at least the aggregate amount of the renewal net premiums on all policies in force on December 31, 1965, based upon

(1) the table of rates and reserves adopted by the company or association, and

(2) the age of each insured at date from which reserves are calculated. In the event such company or association cannot so furnish such affidavit, said company or association shall:

(1) forthwith:

(i) alter the division of premiums between the mortuary and expense funds so that such renewal net premium in the aggregate on all policies in force on December 31, 1965, so calculated at age from which reserves are determined on each policy in force is placed in the company's or association's mortuary fund, and

(ii) provide in its bylaws that annually thereafter in each calendar year an amount, from the premiums collected, in the aggregate equal to the renewal net premium on all policies in force on December 31st of each such year will be deposited to the company's or association's mortuary fund; or

(2) forthwith apply to the State Board of Insurance for approval of a rate increase whereby the rate charged on each such policy will thereafter contribute to the mortuary fund at least the renewal net premium so determined under such table at age from which reserves are calculated.

#### Adjustment of Premiums to Reduce Permissive Deficiency Reserve

Sec. 6. In the event any annual required reduction of the permissive deficiency reserve is not accomplished as of December 31st of each year involved, the Board of Directors of the company or association shall by appropriate action increase rates by charging a premium based upon the advancement of ages of such insureds from age at issue date or such ages so previously advanced, or by any other equitable or reasonable rate adjustment, so as to correct the failure to make the required reduction of the permissive deficiency reserve. In the event of the failure of the Board of Directors of the company or association to so act within thirty (30) days following such calculation of its reserves, the company or association shall be dealt with in accordance with this Chapter as if it were insolvent. In like manner

if it shall be apparent at any time during any calendar year that the annual required reduction of the permissive deficiency reserve cannot be accomplished as of December 31st of each or any year, the Board of Directors of the company or association may by appropriate action increase rates by charging a premium based upon the advancement of ages of such insureds from age at issue date or such ages so previously advanced, or by any other equitable or reasonable rate adjustment so as to correct the failure to accomplish such annual required reduction of the permissive deficiency reserve on all or any part of the permissive deficiency reserve. Any such rate adjustment or readjustment shall be deemed and considered as assessments upon said policies.

#### Rate Adjustment Required to Maintain Reserves

Sec. 7. In the event any company or association at any future time does not possess in its mortuary fund the required reserves, less any permissive deficiency reserve, the Board of Directors of the company or association shall by appropriate action increase rates on policies in force by charging a premium based upon the advancement of ages of such insureds from age at issue date or such ages so previously advanced, or by any other equitable or reasonable rate adjustment so as to correct such reserve inadequacy. Such rate adjustment may be made at any time, and from time to time, provided it shall be apparent that such reserve inadequacy will exist as of December 31st of the year in which such rate adjustment is made, and any such rate adjustment or readjustment so made shall be deemed and considered as an assessment upon said policies. In the event of the failure of the Board of Directors of the company or association to so act in adjusting rates within thirty (30) days following the calculation of reserves as of the dates in this Chapter provided, the company or association shall be dealt with in accordance with this Chapter as if it were insolvent.

#### Dividends

Sec. 8. In the event that the amount of the mortuary or claim fund of the company or association shall exceed the amount of the required reserves to be maintained, such company or association may pay dividends from said fund to its policyholders provided:

(a) no permissive deficiency reserve exists at date of payment; and

(b) the amount of the dividend and method of distribution thereof is equitable and nondiscriminating and approved in advance of payment by the State Board of Insurance.

#### State Board of Insurance Approval

Sec. 9. Whenever rates shall be increased subsequent to date of issue of a policy, such increase shall not be placed in effect until first approved by the State Board of Insurance as provided in Article 14.23 of this Chapter 14.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1965, 59th Leg., p. 457, ch. 234, § 1, eff. May 21, 1965.]

**Art. 14.16. Examination**

In addition to the annual report required by this chapter, the Chairman of the Board of Insurance Commissioners shall, once in every two (2) years or oftener if he deems it advisable, require the books, records, accounts, and affairs of any corporation or association qualifying and acting under this chapter to be examined and audited by an accountant or accountants or examiner designated and commissioned by him. For the purpose of any examination, the Chairman of the Board and the auditors and examiners shall have free access to all books, records, papers, and accounts of the corporation; and the cost for the time required in making such examination and audit and all necessary expenses in connection therewith shall be paid by the corporation upon presentation of a bill showing the charges made by the Department, which shall include the salaries, traveling expenses, hotel bills, and other expenses of such auditors and/or examiners, together with all other expenses in connection with such examination. Each corporation or association shall be charged with the salary of the auditors and examiners for the time required in making such examination and the time required in connection with going to and coming from the place or places necessary in connection with such examination, together with all expenses incurred by such auditors and/or examiners, and in addition thereto such corporation or association shall be charged by the Board with an amount equal to the salaries of the actuary, examination clerk or clerks, stenographers, and all other employees employed in connection with the examination work in the Department for the time said employees are performing duties in connection with the examination of each corporation so examined.

The amounts so collected shall be paid into the Examination Fund of the State Treasury Department and paid out in accordance with the general examination laws.

The Chairman of the Board of Insurance Commissioners or his deputy or any examiner shall have the right to require any officer, agent, or employee of any company or association operating under this law, or any other person, to be sworn and to answer under oath any questions regarding the affairs or activities of said association or company, and said Chairman of the Board, his deputy, and/or any examiner or auditor is hereby authorized to administer such oath.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.17. Certificate of Authority Required; Exemptions**

It shall be the duty of the Board of Insurance Commissioners to require any corporation, person, firm, association, local mutual aid association, or any local association, company, or organization to have a certificate of authority before being authorized to

carry on any insurance business in this State. If, in any event, any such company, person, firm, association, corporation, local aid association, or local organization is writing any form of insurance whatsoever without a permit or certificate of authority issued by the Department of Insurance of Texas, it shall be the duty of the Board to make known said fact to the Attorney General of the State of Texas, who is hereby required to institute proceedings in the District Court of Travis County, Texas, to restrain such corporation, person, firm, association, company, local aid association, or organization from writing any insurance of any kind or character without a permit; provided no provision of this and the preceding Article shall be construed to apply to associations which limit their membership to the employees and the families of employees of any particular designated firm, corporation, or individual, nor shall it apply to associations which limit their membership to bona fide borrowers of a Federal agency in Texas and members of the borrower's immediate family who are living with him and who are not engaged in nonfarm work for their chief income, and which association has been in existence for at least five (5) years, and which are not operated for profit and which pay no commissions to anyone and whose operating expenses do not exceed Three Hundred Dollars (\$300) per month; provided, however, that all such associations shall make annual reports to the Department of Insurance on blanks furnished for that purpose, showing the financial condition, the receipts and expenditures, and such other facts as the Board of Insurance Commissioners may require. No such association shall be permitted to operate, however, without making report to the Insurance Department of the State of Texas and securing a permit to so function. Such permit shall be for the current year or fractional part thereof and shall expire on the thirty-first day of May thereafter and shall be renewed annually upon the approval of the financial statement of the organization by the Board of Insurance Commissioners.

*Repeal of this article to the extent that it requires periodic renewal of certificates, see note under art. 1.14.*

**Art. 14.18. Policies or Certificates**

Every policy or certificate of insurance issued by an association shall state definitely on the front page the amount of death benefit to be paid, and the circumstances or conditions under which it shall be paid shall be plainly stated in the policy. Every health, accident or other benefit shall be plainly stated in the policy, and the terms and conditions under which they shall be paid shall be stated plainly in the policy.

An application for each certificate must be signed by the applicant, unless the applicant is a minor, in

which event the application may be signed by a parent or guardian; and a copy thereof must be attached to and made part of such certificate. If the certificate is to provide that misstatement as to the health or physical condition of the applicant may void the policy within the contestable period, the application shall so state in not less than ten point type in language acceptable to the Board. All statements in the application shall in the absence of fraud be regarded as representations and not warranties.

All conditions of the certificate must be stated thereon, including such portions of the by-laws of the association as may affect the insurance rights of the parties in any material way; and amendments to the by-laws which might affect such rights of members must forthwith be mailed by first-class mail to each certificate holder affected. In case of controversy the burden of proof shall be on the company to prove the amendment was mailed to the member. Each certificate must provide that it shall be incontestable, after having been in force during the lifetime of the insured for a period of two years from date of issue, except for non-payment of dues or assessments. It shall also provide that in case the age of the insured is misstated, the amount of insurance shall be that which the premium actually paid would purchase at the correct age, based on rates in force at the time of the death of the insured. No certificate issued by such association, nor any application for the certificate shall contain language or be in such form as to mislead the applicant or the policyholder as to the type of insurance afforded.

It shall be unlawful for any association to assume liability on a life insurance risk on any one life in an amount in excess of Five Thousand (\$5,000.00) Dollars.

Every certificate issued must be approved by the Board as to form and language before it is used by an association. It is not mandatory that these forms be uniform for all associations, but the Board is directed to bring about as great uniformity as is feasible as early as practicable by cooperation with the several associations. All certificate forms hereafter used must be in accord with the provisions of this chapter and with all other laws regulating such associations as are embraced in this chapter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.19. Renewals of Certificates

In case a certificate shall terminate for any reason, and in case it shall be a rule of the association that all reinstated certificates shall be regarded as new certificates, then the application for reinstatement shall carry the statement in at least ten point type that the same rules apply to it as to the original certificate, and that it can be invalidated within the contestable period for false statements respecting the health or physical condition of the applicant, or other matters material to the risk. A true and correct copy of the application for reinstatement shall be mailed by first-class mail to the certificate holder upon the reinstatement of the certificate. In

case of controversy the burden of proof shall be on the association to prove the copy of reinstatement application was mailed to the member. In the event a renewal certificate is issued, such renewal certificate shall have a copy of the application for reinstatement attached and made a part thereof.

It is specifically provided, however, that in case an association shall renew or reinstate a certificate after termination, the payments by the reinstated member shall be divided between the funds in the same percentage as is required of regular payments in the particular by-laws, unless nine (9) months have elapsed between termination and reinstatement. If nine (9) months have elapsed between termination and reinstatement, a reinstatement fee not in excess of the membership fee may be charged and placed in the expense fund. Furthermore, in case of renewal or reinstatement, the renewal or reinstatement certificate shall not be contestable for any cause except nonpayment of assessments for longer than six (6) months from date thereof, unless the reinstatement or renewal is within the original two (2) year contestable period, in which case the same may be extended for six (6) months from the date on which it would have originally expired. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.20. Reduced Benefits or Excluded Coverage on Life Policies; Health and Accident Policies Excluded

Sec. 1. Any company or association licensed and operating under this chapter, may with the approval of the Board of Insurance Commissioners issue policies providing for reduced benefits when death or injury occurs while the insured is engaged in military, naval, aerial service, or aerial flight in time of peace or war; or in case of death of the member by his own hand while sane or insane; or while engaged in certain hazardous occupations to be named in the policy; or if death of<sup>1</sup> injury is caused by mob violence or legal execution; or reduce or exclude benefits for sickness from certain named causes. Attention shall be called on the front page of the policy to any reduction or exclusion of benefits provided herein, and the circumstances or conditions under which reduction or exclusion of benefits are applicable shall be plainly stated in the policy. The provisions of this section shall apply to all outstanding policies already containing such limitations.

Sec. 2. The provisions of Section 1 of this article shall not apply to health and accident policies. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

<sup>1</sup> Probably should read "or".

#### Art. 14.21. Policies May be Issued at Stipulated Rate; May Provide for Deduction of Unpaid Balance of Annual Premium from Benefits

Any insurance company or association licensed by the Board of Insurance Commissioners to operate

under this chapter may issue policies on the stipulated or specified premium plan which allows the insured the privilege of paying regular premiums weekly, monthly, quarterly, semi-annually, or annually, as he may choose from time to time. Such policies may also provide that upon the maturity of benefits payable under the policy or certificate any balance of premium for the current policy year remaining unpaid shall be deducted from the benefits payable. The provisions of this article shall apply to all outstanding policies already containing such a provision.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### **Art. 14.22. Certificates Subject to Constitution, By-Laws**

Certificates issued by an association shall state that said certificate is issued subject to all the terms of the constitution and by-laws of the association then in force and as the same might thereafter be amended and that said certificate shall be governed by such by-laws and constitutional provisions that the Board of Insurance Commissioners shall theretofore and thereafter approve.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### **Art. 14.23. Assessments and Premiums; Adjustment of Rates; Penalty For Failure to Comply; Authority of State Board of Insurance**

##### **Assessments and Premiums**

Sec. 1. (a) Each company or association shall levy regular and periodical assessments by whatever name they may be called. These assessments must be in such amounts and at such proper intervals as will meet the reasonable operating expenses of the company or association and pay in full the claims arising under its certificates.

(b) All premiums or assessments upon policies hereafter issued insuring the life of one or more persons shall be in accordance with the reserve table standards adopted by the company or association and approved by the State Board of Insurance, except that any company or association is hereby authorized to use the 1956 Chamberlain Reserve Table with interest not to exceed 3½% per annum, and shall be in an amount so as to deposit in the mortuary or claim fund an amount at least equal to the renewal net premiums calculated in accordance with the reserve standard adopted by such company or association and approved by the State Board of Insurance.

##### **Rate Adjustments**

Sec. 2. When, or if, in the course of operation the amount of the mortuary fund of the company or association is not equal to or in excess of the required reserves under the reserve standard adopted by the company or association and approved by the State Board of Insurance on such policies, but less

any permissive deficiency reserve, the amount of the premiums shall be increased in the manner as prescribed in this Chapter 14 until such rates are adequate to eliminate the inadequacy of the required reserve, less any permissive deficiency reserve, and the State Board of Insurance shall so order.

##### **Penalty**

Sec. 3. When any company or association shall refuse to comply with the order of the State Board of Insurance respecting rates or assessments as in this Chapter authorized, it shall be treated as insolvent.

##### **Authority of the Board of Directors**

Sec. 4. The Board of Directors of each company or association by resolution may increase rates on life policies in force up to the rate on an attained age basis in accordance with the 1956 Chamberlain Reserve Table, with interest at 3½% per annum, or any other reasonable, equitable or necessary increase, and may likewise adjust rates on health, accident, sickness and hospitalization policies in force. Any increase rate or rate adjustment on policies in force shall apply to all classes of the same or similar policies.

##### **State Board of Insurance Approval**

Sec. 5. Any increase in rates on policies in force shall not be placed in effect without the advance approval of the State Board of Insurance approving the same as being in compliance with the provisions of this Chapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1961, 57th Leg., p. 234, ch. 121, § 1; Acts 1965, 59th Leg., p. 457, ch. 234, § 2, eff. May 21, 1965.]

#### **Art. 14.24. Revenues from Fees and Assessments**

The funds of the association shall be derived from membership fees and assessments. Assessments shall be made upon the membership to meet benefit claims and for surplus funds and for expenses. Calls for assessments must specify the purpose for which made. Before suspending any member from membership it shall be necessary for the association to mail a notice, by first-class mail, to the member, which notice shall state the final date of payment. All funds collected that belong to the association shall be deposited within five (5) days in a state or national bank.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### **Art. 14.25. Division of Funds; Bylaw Provisions; Investment of Funds**

##### **Division of Funds**

Sec. 1. The provisions of this Section 1 shall apply to all companies or associations regulated by the provisions of this Chapter, except companies or associations operating upon an assessment-as-needed basis.

(a) Assessments or premiums upon (i) policies issued after December 31, 1965, insuring the life of one or more persons, and (ii) policies insuring the life of one or more persons issued prior to December 31, 1965, and upon which the rate has been increased based upon an age other than age at date of issue, when collected shall be divided into at least two funds. One of these shall be the mortuary or relief fund, by whatever name it may be called in the different companies or associations, and from which fund claims under certificates shall be paid, and nothing else, except:

(1) dividends to policyholders when paid in accordance with this Chapter,

(2) income taxes, if any, which may be due by reason of the income to or operation of said fund, and

(3) other expenditures permitted by law; and the other fund shall be the expense fund from which expenses may be paid. As applies to all such policies, as defined in (i) and (ii) of this subparagraph and insuring the life of one or more persons, an amount at least equal to the renewal net premium, calculated at the age of issue or some other advanced age in accordance with the reserve standard adopted by such company or association, shall be placed in the mortuary fund. All other portions of the premiums may be placed in the expense fund. Whenever any life premium rate is increased in accordance with the provisions of this Chapter at any age other than at age of issue, the expense loading on the new premiums shall not, upon all ages fifty and above, exceed twenty-five per cent (25%) of such gross premium charged, unless an additional expense loading is approved by the State Board of Insurance as being reasonable and necessary.

(b) Premiums or assessments upon all policies in force on December 31, 1965, except as in Subparagraph (a) of this Section 1 provided, and upon all health, accident, sickness and hospitalization policies shall be divided so that at least sixty per cent (60%) of such premium, exclusive of the membership fee, shall be placed in the mortuary fund of the company or association. The membership fee and the remaining portion of the premium may be placed in the expense fund. As to policies in force on December 31, 1965, insuring the life of one or more persons and upon which a rate increase has not been accomplished, any company or association may at its election divide the premiums on such life policies so as to place at least the net renewal premium, based upon the reserve table adopted by it, in its mortuary fund and place the remaining portion of said premium in its expense fund.

#### Assessment-as-Needed, Division of Funds

Sec. 2. The provision of this Section 2 shall apply to all companies or associations operating upon an assessment-as-needed basis.

(a) Assessments when collected shall be divided into at least two funds. One of these shall be the mortuary or relief fund, by whatever name it may be called in the different associations; and the other fund shall be the expense fund. At least sixty per cent (60%) of assessments collected except the membership fee, must be placed in the mortuary or relief fund.

#### Bylaw Provision

Sec. 3. Each company or association shall provide in its bylaws for the method and procedure for the allocation of premiums to be made between the mortuary and expense funds.

#### Investment of Funds

Sec. 4. The mortuary fund may be invested only in such securities and investments as are a legal investment for the reserve funds of a domestic life, health and accident insurance company regulated by the provisions of Chapter 3 of this Insurance Code, as amended, and the expense fund may be invested in any securities and investments as are legal investments for the surplus funds of a domestic life, health and accident insurance company regulated by the provisions of Chapter 3 of this Insurance Code, as amended.

#### Use of Funds

Sec. 5. Each company or association mortuary fund and expense fund shall be expended only in the manner as is provided for each fund in Subparagraph (a) of Section 1 of Article 14.25 of this Chapter of this Insurance Code and invested only as provided in Section 4 of Article 14.25 of this Chapter of this Insurance Code.

#### Cost of Defending Contested Claims

Sec. 6. The reasonable costs of defending contested claims on health, accident, sickness or hospitalization policies only may be paid from the mortuary or claim fund of any company or association authorized to write health, accident, sickness or hospitalization insurance, provided:

(a) each such expenditure for that purpose is approved by the State Board of Insurance, and

(b) such company or association possess the required reserves as provided in this Chapter 14 but less any permissive deficiency reserve.

#### Limitation Upon Rate Increases on Certain Life Policies

Sec. 7. Any other provision of this Chapter 14 of this Insurance Code, as amended, notwithstanding, rates on life policies issued after the effective date of this Act may not be increased during any consecutive five-year period more than double the rate than charged such insured at the time of such rate increase.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1965, 59th Leg., p. 457, ch. 234, § 3, eff. May 21, 1965.]

**Art. 14.26. Investments**

Any surplus funds on hand belonging to any such association must be invested, if at all, in such securities as the funds of stock life, health and accident insurance companies may be invested in. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.27. Groups or Class of Members**

The constitution and by-laws of each association shall state the number of members to be admitted in a class or group of the association. Accounts of the mortuary assessments of the several classes shall be kept separately; and the funds of one group or class shall not be used to pay claims for any other classes.

In the creation of a new group, club, or class, an association may have six (6) months from the date of its creation within which to build said group, club, or class up to the required membership to pay claims in full, provided in the interim the certificates provide for no more than a Five Hundred (\$500.00) Dollar benefit, unless the association has funds out of which it may lawfully make and actually does make the full payment of benefits in the interim. Creation of any new group shall be subject to advance approval by the Board of Insurance Commissioners. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.28. Beneficiaries**

The payment of death benefits shall be confined to the wife or husband of a member, or relatives by blood to the fourth degrees, or by marriage to the third degree, or to persons actually dependent upon the member, and creditor, estate or any one having an insurable interest or any purely charitable or religious institution.

The interest of a beneficiary in a life insurance policy or contract heretofore or hereafter issued shall be forfeited when the beneficiary is the principal or an accomplice in willfully bringing about the death of the insured. When such is the case the nearest relative of the insured shall receive said insurance. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.29. Payment of Claims**

It is the primary purpose of this chapter to secure to the members of the associations and their beneficiaries the full and prompt payment of all claims according to the maximum benefit provided in their certificates. It is therefore required of all associations that all claims under certificates be paid in full within sixty (60) days after receipt of due proof of claims.

Written notice of claim given to the association shall be deemed due proof in the event the association fails upon receipt of notice to furnish the claimant, within fifteen (15) days, such forms as are usually furnished by it for filing claims.

Any association which shall become unable to pay its valid claims in full within sixty (60) days after due proofs are received, shall for the purpose of this

chapter be regarded as insolvent, and dealt with as is more fully provided hereinafter. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.30. Contests**

It shall not be unlawful for an association to contest claims for valid reasons; but claims may not be contested for delay only or for captious or inconsequential reasons, or to force settlement at less than full payment. Therefore, if liability is to be denied on any claim, the association is hereby required to notify the claimant within sixty (60) days after due proofs are received that the claim will not be paid, and failing to do so, it will be presumed as a matter of law that liability has been accepted.

The Board shall cancel the certificate of authority of any association found to be operating fraudulently or improperly contesting its claims.

Reports regarding the costs of contests must be made under oath of an officer of the association, with the annual report of all associations to the Board. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.31. Assessment-as-Needed Groups**

The provisions of this chapter requiring the full payment of claims shall not apply to any groups, club, or class previously organized and now operating on the post-mortem or assessment-as-needed plan and any association having such a group, club, or class may continue to operate it on said plan so long as any such group, club, or class has a sufficient membership at the assessment rate charged to produce, and so long as it does produce, for the mortuary or relief fund at least fifty (50%) per cent of the maximum value of the largest policy in said group, club, or class. In the event the membership of any group, club, or class is only sufficient in number to pay between fifty (50%) per cent and one hundred (100%) per cent of the maximum value, it shall be the duty of the officer of said association to have printed on each assessment notice the percentage of the maximum value of the certificate actually paid on the last death claim in said group, club, or class. Provided further, that no association and no group, club, or class in any association shall hereafter be organized to operate on the post-mortem or assessment-as-needed plan.

If on any assessment the amount realized is not sufficient to pay fifty (50%) per cent of the face of the certificate, the association shall be deemed insolvent and dealt with as hereinafter provided.

The benefits to be paid by such association shall be dependent upon the amount realized from assessments upon the membership, and the certificates issued shall so provide; and the certificates shall also state the maximum to be paid. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.32. Payments on Certificates Already in Force**

If the payments of the members of any association coming within the scope of this chapter on certificates issued and in force when this code takes effect, or the reinsurance or renewals of such certificates, shall prove insufficient to pay matured death and disability claims in the maximum amount stated in such policies or certificates, and to provide for the creation and maintenance of the funds required by its by-laws, such association may with the approval of the Board of Insurance Commissioners and after proper hearing before said Board provide for meeting such deficiency by additional, increased, or extra rates of payment. The members may be given the option of agreeing to reduced maximum benefits, or of making increased payments.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.33. Insolvency; Conservatorship; Receiver**

If, upon an examination or at any other time, it appears to the Commissioner that such association be insolvent, or its condition be, in the opinion of the Commissioner, such as to render the continuance of its business hazardous to the public, or to holders of its certificates, or if such association appears to have exceeded its powers or failed to comply with the law, or has a membership of less than five hundred (500) paying their assessments, then the Commissioner shall notify the association of his determination and said association shall have thirty (30) days under the supervision of the Commissioner within which to comply with the requirements of the Commissioner; and in the event of its failure to comply within such time, the Commissioner, acting for himself, or through a conservator appointed by the Commissioner for that purpose, shall immediately take charge of such association, and all of the property and effects thereof.

If the Commissioner is satisfied that such association can best serve its policyholders and the public through its continued operation by the conservator under the direction of said Commissioner, pending the election of new directors and officers by the membership in such manner as the Commissioner may determine, the same shall be done, and the conservator may, with the approval of the Commissioner, reinsure any part of such company's policies or certificates of insurance with some solvent insurance company or association authorized to transact business in this State. The conservator may transfer to the reinsurance company such mortuary funds or other assets or portions thereof as may be required to reinsure such policies or certificates. If the Commissioner, however, is satisfied that such association is not in condition to satisfactorily continue business in the interest of its policyholders under the conservator as above provided, the Commissioner shall proceed to reinsure the outstanding policies in some solvent association or company, authorized to transact business in this State, or the Commissioner shall proceed through such conserva-

tor to liquidate such association, or the Commissioner may give notice to the Attorney General who shall thereupon apply to any court in Travis County having jurisdiction thereof for leave to file a suit in the nature of quo warranto to forfeit the charter of such corporation or to require it to comply with the law or to satisfy the Commissioner as to its solvency. The court may, in its discretion, appoint agents or receivers to take charge of the effects and wind up the business of the corporation, under usages and practices of equity; and may make disposition of the business and membership of the corporation as in the discretion of the court may seem proper. No suit for receiver shall be filed against any such corporation, nor shall any receiver be appointed, except upon the application therefor by the Attorney General, and in no event shall any receiver for any such corporation be appointed until after reasonable notice has issued and a hearing had before the court.

It shall be in the discretion of the Commissioner to determine whether or not he will operate the association through a conservator, as provided above, or proceed to liquidate the association, or report it to the Attorney General, as herein provided.

When the policies of an association are reinsured or liquidated, as herein provided, the Commissioner shall report the same to the Attorney General, who shall take such action as may be necessary to effect the forfeiture or cancellation of the charter of the association so reinsured or liquidated. Where the Commissioner lends his approval to the merger, transfer, or consolidation of the membership of one association with that of another, the same shall be reported to the Attorney General who shall proceed to effect the forfeiture or cancellation of the charter of the association from which the membership was merged, transferred or consolidated, in the same manner as is provided for the charters of associations reinsured or liquidated. No merger or transfer shall be approved unless the association assuming the members transferred or merged is operating under the supervision of the Commissioner of Insurance. The cost incident to the conservator's services shall be fixed and determined by the Commissioner and shall be a charge against the assets and funds of the association to be allowed and paid as the Commissioner may determine.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1965, 59th Leg., p. 1638, ch. 705, § 1, eff. Aug. 30, 1965.]

**Art. 14.34. Service of Process**

In any lawsuit brought against an association operating under this chapter, service of citation shall be had upon the president, any acting vice-president, secretary, or general manager of said association or upon the Chairman of the Board of Insurance Commissioners, which service upon the Chairman shall be within the time required for service upon individuals. The Board when served with citation for such association shall forthwith transmit the same by registered mail to the association at the post office

address as designated in records on file with the Board of Insurance Commissioners.  
[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.35. Venue

In all actions brought against corporations operating under and subject to this chapter growing out of or based upon any right of claim or loss or proceeds due, arising from or predicated upon any claim for benefits under any policy or contract of insurance issued by such corporation, venue shall lie in the county where the policyholder or beneficiary instituting such suit resides or in the county of the principal office of such corporation.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.36. Special Disability Provision

If any of the provisions of this chapter may appear obscure when applied to health, accident or disability provisions in certificates issued by associations authorized to issue health, accident or disability certificates, then the Board is directed to interpret same in accord with the expressed purpose and spirit of this chapter looking to the full payment of claims, and at the same time preserving to members the benefit of the protection afforded by such association.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.37. Burial Association

Any individuals, firms, co-partnerships, corporations or associations doing the business of providing burial or funeral benefits, which under any circumstances may be payable partly or wholly in merchandise or services, not in excess of One Hundred and Fifty (\$150.00) Dollars, or the value thereof, are hereby declared to be burial companies, associations or societies, and shall organize under provisions of Chapter 12, and shall operate under and be governed by Chapter 12 and this chapter. It shall be unlawful for any individual, individuals, firms, co-partnerships, corporations, or associations, other than those defined above, to engage in the business of providing burial or funeral benefits, which under any circumstances may be paid wholly or partly in merchandise or services.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.37-1. Insurance Policies Payable in Merchandise or Burial Materials and Services; Penalty

Sec. 1. It shall hereafter be unlawful for any person, corporation, insurance company, fraternal organization, burial association or other association to write, sell or issue any certificate, policy, contract or membership, maturing upon the death of the person holding the same or upon the death of some member of the holder's family, if such certificate, policy, contract or membership provides that it is to be paid or settled, or if the plan of such person, corporation, organization or association provides that its certificates, policies, contracts or memberships

are to be paid or settled, in merchandise or services rendered, or agreed to be rendered, or by furnishing burial materials or burial services, or in discounts on the regular prices of merchandise, burial materials or funeral services or other services; or if such certificate, policy, contract or membership is to be paid at maturity in anything except money.

Sec. 2. Any person, corporation, insurance company, fraternal organization, burial association or other association which shall hereafter write, sell or issue any certificate, policy, contract, or membership prohibited by the foregoing section of this Act shall be guilty of a misdemeanor and upon conviction shall be subject to a fine of not less than Ten Dollars (\$10.00) nor more than Two Hundred Fifty Dollars (\$250.00), each sale of any such policy, contract or membership shall constitute a separate offense.

[Acts 1931, 42nd Leg., p. 247, ch. 147.]

#### Art. 14.38. Certificate of Burial Associations

Policies or certificates issued by burial associations shall provide for payment of the benefit in certain stipulated merchandise and burial service, which shall be scheduled in the policy or certificate and approved by the Board of Insurance Commissioners as being of the reasonable value as stated in the face of the policy, unless the insured shall at the time said policy is issued elect to have same paid in cash. The policy shall show in writing the election made. If the association issuing said policy shall fail or refuse to furnish the merchandise and services provided for in the policy same shall be paid in cash.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.39. Rules and Regulations

The Board is hereby authorized to promulgate reasonable rules and regulations to carry out the purposes of this chapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 14.40. Burial Association Rate Board

There shall be a Board, heretofore created, to be known as the "Burial Association Rate Board," to be composed of seven (7) members of which the Life Insurance Commissioner shall be an ex-officio member and Chairman. The other six (6) members shall be appointed by the Governor by and with the advice and consent of the Senate. Each of said six (6) members shall be an officer or director of a burial association and shall have had three (3) years experience as such prior to his appointment. The present terms of the appointed members of the Board shall expire June 21, 1955, as to the two (2) members appointed for the original two (2) year term; June 21, 1951, as to the two (2) members appointed for the original four (4) year term and June 21, 1957, as to the two (2) members appointed for the original six (6) year term, and thereafter, such terms shall run for six (6) years so that such memberships shall run for six (6) years and two (2) of such memberships shall expire every two (2) years. The appointed

members in office at the effective date of this code shall continue in office until the 21st day of June of the years in which their present respective terms expire and until their successors are appointed and qualified. Upon their appointment, each member shall take and subscribe to the Constitutional Oath of Office and file same with the Secretary of State. Members of this Board are specifically exempted from the provisions of Article 1.09 of this code. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.41. Compensation; Expenses**

As compensation for their services, each member of said Burial Association Rate Board shall receive Ten (\$10.00) Dollars per day for each day actually and necessarily used in attending and going to and returning from Board meetings plus their reasonable traveling and hotel expenses. Same shall be paid from the funds herein provided for upon vouchers drawn by the Secretary of the Board and countersigned by its Chairman, but provided no appropriation shall ever be made to defray the expenses of said Board except from the fund herein created; provided however, that no more than One Thousand Five Hundred (\$1,500.00) Dollars shall be expended in any single year for per diem expenses of said Board.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 14.42. Annual Assessment; Burial Association Rate Fund**

There is here now levied upon each burial association having a permit to do business in Texas and upon each burial association which may hereafter be granted a permit to do business in Texas, an annual assessment of one-half of one cent (½ of 1¢) per member in the association as of December thirty-first of each year but not less than Five (\$5.00) Dollars annually, which shall be in addition to any other fees now payable and which assessment shall be paid by each association between January first and March first of each year. Said assessments shall be paid to the Board of Insurance Commissioners of Texas along with and at the same time each association files with said Board its annual statement. Said assessment shall be based upon the calendar year and a proportionate part of said assessment for the remaining part of the current calendar year. **Art. 14.61. Conversion or Reinsurance of Domestic Local Mutual Aid Associations, etc., into Legal Reserve Companies**

Sec. 1. (a) Any domestic local mutual aid association; statewide life, or life, health and accident association; mutual assessment life, health and accident association; burial association; or any other similar concern, by whatsoever name or class designated, whether specifically named herein or not, organized and operating under the laws of the State of Texas, may convert or reinsure itself into a legal reserve insurance company operating under the provisions of Chapter 11 of this code, or be reinsured by any legal reserve insurance company operating under the provisions of Chapter 3 of this code by conforming to the provisions of this article. When it shall be determined by a majority vote of the Board of Directors of any such association to submit the proposed change to the members of the association, said board of directors shall prepare in detail plans for making such change, and such plans shall be submitted to the Board of Insurance Commissioners. Upon receipt of such Board's written approval of such plans, or of such plans amended to meet the requirements of such Board in accordance with the provisions of said chapters, said board of directors or such officer of such association as may be authorized by its by-laws to call a meeting of its members, shall mail to each member a copy of the proposed plans and shall enclose with each copy of such plans a notice of a meeting of said members to be held not earlier than fifteen (15) days after the date of mailing of such notice.

(b) Such meeting shall be held for the purpose of ratification or rejection of the proposed change, and the members may vote in person, by proxy, or by mail; provided that all votes shall be cast by ballot, and the Chairman of the meeting shall supervise and direct the method of procedure of said meeting and appoint an adequate number of inspectors to conduct the voting at said meeting, who shall have power to determine all questions concerning the verification

of the ballots, the ascertainment of the validity thereof, the qualifications of the voters, and the canvass of the vote, and who shall certify to the Chairman of the Board of Insurance Commissioners and to the association the result thereof, under such rules and regulations as shall be prescribed by the Board of Insurance Commissioners. A majority vote cast shall be sufficient for ratification of said change.

(c) When such association shall have complied with the provisions of this Article and the other laws of this State regulating the incorporation of such mutual legal reserve insurance companies, and shall have received from the Board of Insurance Commissioners its charter and certificate of authority to transact business as a mutual insurance company, its reorganization and conversion shall be complete. Such reorganized and converted or reinsured corporation shall be deemed in law to have the rights, privileges, powers and authority of any other corporation organized in accordance with the provisions of said Chapters. The new corporation shall be deemed in law to be a continuation of the business of the former association and shall succeed to and become invested with all and singular the rights and privileges not inconsistent with the provisions of said Chapters, and all property, real, personal or mixed of the former association, and all debts due on any account, and all other things and choses in action theretofore belonging to such association, and all property, rights, privileges, franchises, and all other interest, shall thereafter be as effectually the property of such organized and converted corporation as if they were the property of the former association, and the title to any real estate by deed or otherwise vested in the former association shall forthwith vest in such organized converted corporation and the title thereto shall not in any way be impaired by reason of such change or reincorporation. The standing of all claims under the former association shall be preserved unimpaired under the new corporation, and all debts, liabilities and duties of the former association shall thenceforth attach to the reorganized corporation and may be enforced against it to the same extent as if said debts and liabilities had been incurred or contracted by the new corporation, except that the liabilities created under the terms of policies or certificates outstanding at the date of conversion or reorganization may be altered in accordance with the provisions of said plans approved by the Board of Insurance Commissioners; provided, however, that no alteration shall be made in the renewability or noncancellability of any insurance agreement, contract, policy or certificate theretofore made or issued.

Sec. 2. The sums of any mortuary funds belonging to such association shall thereafter be effectually the property of such organized and converted corporation or corporation reinsuring the membership of such association, but may be disbursed for payment of valid claims outstanding and arising thereafter from policies issued by the legal reserve company to

the members of the assessment association under the approved agreement; to set up the legal reserve on new policies issued by the legal company to the members of the assessment association under said agreement; and to pay their actuarial portion of such mortuary fund to members of such association who refuse to accept the new policies offered them, and who make request therefor within sixty (60) days from the date of conversion or reinsurance.

The effective date of the legal reserve policies may be the effective date of the reinsurance contract. On conversion ten (10%) per cent of the mortuary fund credit allocated to each policy may be credited to the contingency reserve fund of the company for the benefit of the policyholders, and the balance of the mortuary credit may be applied in either of the following ways:

- (a) As a reserve credit to permit the legal reserve policy issued to be dated back as far as the reserve credit will permit; or
- (b) As an annuity to reduce the required premium either for a given term or for the whole of life.
- (c) No change shall ever be made until same shall have been approved by the Board of Insurance Commissioners.

Sec. 3. Providing further that nothing in this article or in the provisions of Chapter 11 or Chapter 3 of this code shall ever be construed to mean that any of the associations or other similar concerns, by whatsoever name or class designated, whether specifically named herein or not, shall be required by the Board of Insurance Commissioners to make the change herein provided for unless they voluntarily decide to do so, and that this article is purely permissive and if such associations do not so voluntarily decide to come under this article, or laws amended by it, then this article shall not in any way apply to such association.

e. After compliance with the provisions hereof, and approval of the same by the Attorney General of the State of Texas and the Board of Insurance Commissioners, such company or association shall be and become a legal reserve stock life insurance company, except that such company so converted shall not: (1) operate in any territory not previously authorized under the old charter or articles of association, as the case may be; nor (2) insure any life for more than Five Thousand (\$5,000.00) Dollars in event of death; nor (3) declare or pay any cash dividends; unless and until the capital and surplus of such converted company or association shall be increased to the minimum capital and surplus required for the organization of a stock legal reserve life insurance company under the provisions of Chapter 3 of this Code.

They shall also make such reports annually to the State Board of Insurance as the Board may require of them, or as shall be required by law.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1973, 63rd Leg., p. 292, ch. 139, § 1, eff. May 21, 1973.]

The application for such extensions shall set out in haec verbae the charter to be extended and it shall state the time to which it is to be extended and be signed and acknowledged by the president and secretary of the company.

Any such unincorporated farm mutual insurance company until receiving its charter shall nevertheless be subject to the provisions and requirements of this chapter to the extent pertinent.

**Art. 18.16. Assuming Risk**

No attorney for underwriters at a Lloyd's shall assume any one insurance risk exceeding one-tenth of the amount of the net assets of the underwriters as defined in this chapter and the additional liability assumed by the individual underwriters in the articles of agreement and in the policies or contracts of insurance, unless such excess shall be promptly reinsured.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 18.16-1. Assuming Undue Risk**

No attorney for underwriters at a Lloyd's shall assume any one insurance risk exceeding one-fifth of the amount of the net assets of the underwriters as defined by law and the additional liability assumed by the individual underwriters in the articles of agreement and in the policies or contracts of insurance, unless such excess shall be promptly reinsured.

[1925 P.C.]

**Art. 18.17. Action on Policy**

Action on any policy or contracts of insurance made by the attorney for the underwriters may be brought against the attorney or against the attorneys and the underwriters or any of them. In such action, summons and process shall be served on either the Chairman of the Board of Insurance Commissioners or on the attorney in fact and when so served shall have the same force and effect as if served on the attorney and on each underwriter personally. A judgment in any such action against the attorney or against any of the underwriters shall be binding upon and be a judgment against each and all of the underwriters as their several liabilities may appear in the contract of insurance on which the action is brought.

Such summons or other process shall be served in duplicate, and the Chairman of the Board shall forthwith by registered mail send one copy thereof to the attorney for the underwriters at the principal office designated in the application for license or latest amendments thereof. The party commencing any action against the underwriters at a Lloyd's and securing service of process in this manner shall at the time of such service pay to such Board for the use of the department a fee of Two (\$2.00) Dollars, which he shall be entitled to collect as taxable costs in the action if he shall prevail.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

**Art. 18.18. Winding Up Affairs**

Whenever it shall appear to the Board of Insurance Commissioners that the minimum assets provided for in Article 18.05 have become impaired, the Board shall immediately give notice to the attorney in fact for such Lloyd's to appear and show cause why the license of such attorney shall not be revoked, and if within thirty (30) days from the giving of such notice the impairment or insolvency shall not be made good by such underwriters, or their attorney, such license shall immediately be cancelled. If

such attorney or other person shall make any advancement to make good such impairment, the claim for such advancement against the assets of such underwriters shall be deferred to the claims for losses under policies or contracts of insurance. If such impairment is not made good within the time prescribed, then the Board shall proceed to take charge of the assets of such underwriters, and to effect a reinsurance of all business outstanding in Texas or covering property located in Texas, and for that purpose, the Board shall have the right to use the net assets, and to make provision for the payment of outstanding claims and losses. In case reinsurance cannot be effected by the said Board, then the affairs of such underwriters at Lloyd's shall be wound up through receivership proceedings instituted by the Attorney General of Texas at the request of the Board.

In case underwriters at a Lloyd's shall desire to withdraw from the insurance business, they may be permitted to do so, if and when they shall satisfy the Board that adequate provision has been made, through reinsurance or otherwise, for the payment of all unadjusted losses, and for the reinsurance of all outstanding risks in favor of citizens of Texas, or covering property in Texas, and thereupon any bond of the attorney in fact shall be released, and said Board shall release to such underwriters the net assets over which it may have been given joint control.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 18.19. Foreign Lloyd's

In case underwriters at a Lloyd's who are non-residents of Texas, or who maintain their principal office outside of Texas, apply for a permit to do business in Texas, such permit shall not be granted unless such underwriters have and maintain net assets in Texas which are subject to the joint control of their attorney in fact and the Board of Insurance Commissioners of this State sufficient to meet the minimum requirements of this chapter relative to the amount of net assets which underwriters at Lloyd's must have; or unless they submit to and file with the Board a bond executed by such corporate sureties as the Board may require, which corporate sureties must be licensed to do guaranty, fidelity and surety business in Texas, in a principal amount which would be required for net assets of underwriters at Lloyd's under foregoing provisions of this chapter, which said bond shall be payable to the Board of Insurance Commissioners, and which shall be conditioned for the payment of all claims arising upon contracts issued in Texas, or issued to residents and citizens of Texas, or covering property located in Texas, and which bond shall be held by the Board for the benefit of all persons having valid claims arising upon such contracts. It shall also provide that in the event the underwriters shall become insolvent or cease to transact business in this State at any time when there are outstanding policies of insurance in favor of citizens of this State, or upon

property in this State, the Board shall have power, after having given ten (10) days' notice to the attorneys for such underwriters, or any receiver in charge of its property and affairs, to contract with any other insurance carrier transacting business in this State for the assumption and reinsurance by it of all insurance risks outstanding in this State of such underwriters, which contract shall also provide for the assumption by such reinsurance carrier of all outstanding and unsatisfied lawful claims then outstanding against such underwriters. In the event of the Board making any such contract, and if the same shall be approved as reasonable by the Attorney General, the reinsuring carrier shall be entitled to recover from the makers of such bond the amount of the premium or compensation so agreed upon for such reinsurance. Such bond shall also bind any additional or substitute underwriters at such Lloyd's. If any underwriters desiring to do so, at their option, in lieu of giving the bond authorized by this article, shall submit admissible securities subject to the joint control of its attorney in fact and the Board of Insurance Commissioners, such deposits of securities shall be deemed to have been made upon such terms and conditions as provided by such bond.

If there shall be any recovery upon the bond or from the deposit hereinabove provided for, then the Board shall immediately demand additional security so as to bring the amount of the bonds up to the minimum sum required hereunder, which additional bond must be posted within thirty (30) days from the date of such demand. Provided, there may be successive recoveries on said bond until the principal sum thereof is exhausted.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 18.20. Provisions Applicable to Foreign Lloyd's

All of the provisions of this chapter are applicable to underwriters at a Lloyd's who are non-residents of Texas, or who maintain their principal office outside of Texas, in the same manner that they are applicable to underwriters of a Lloyd's who are residents of Texas and who maintain their principal office in this State.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 18.21. Reinsurance

The provisions of this Chapter shall not prevent any Texas Lloyd's from reinsuring its excess lines with a solvent foreign Lloyd's, acceptable to the Board of Insurance Commissioners, which has no license to do business in Texas nor from reinsuring any business from such foreign Lloyd's.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 18.22. Revocation and Suspension of License

If any attorney in fact or underwriters at Lloyd's shall violate any of the provisions of this chapter or any of the other laws of the State of Texas, which are applicable to them, the license of such attorney

shall be revoked and the right to do business in Texas shall be cancelled.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 18.22-1. Penalty for Violation of Act

Any person, who, as principal, attorney, agent, broker, or other representative, shall engage in the business of making insurance on the Lloyd's plan, as defined in this chapter and by the Revised Statutes<sup>1</sup> of this State, without complying with the requirements of such law governing such business, or who shall violate any provision of the four preceding articles,<sup>2</sup> shall be fined not exceeding five hundred dollars.

[1925 P.C.]

<sup>1</sup> Now, this chapter.

<sup>2</sup> Articles 18.01-1, 18.03-1, 18.11-1, 18.16-1.

#### Art. 18.23. Exemption from Insurance Laws with Limitations

Underwriters at a Lloyd's shall be exempt from the operation of all insurance laws of this State except as in this Chapter specifically provided, or unless it is specifically so provided in such other law that same shall be applicable. In addition to such Articles as may be made to apply by other Articles of this Chapter, underwriters at a Lloyds' shall not be exempt from and shall be subject to all of the provisions of Article 2.20 and of Article 5.35 and of Article 5.36 and of Article 5.38 and of Article 5.39 and of Article 5.40 and of Article 5.49 of this Code. #### Art. 18.24. Promotion of Lloyd's

(2) In no event shall more than ten (10%) per cent of the total amount of the subscription to such an enterprise by any underwriter be paid to any person by way of commission for the sale of "units" or interest in such Lloyd's business or in the procuring of underwriters therefor.

(3) This article shall not apply to the organization or the enlargement of a Lloyd's in which no promotion expense is deducted from the contributions made by the underwriters, and no commission of any sort is paid for the procuring of underwriters or subscriptions to the guaranty fund of such business.

(4) This article shall apply to the continued organization or the continued extension of any Lloyd's business which has heretofore been licensed by the

Insurance Department of this State, if in such further extension of such business any commission is to be paid, but such permit shall not be refused because of the contemplated size or amount of the guaranty fund of such Lloyd's.

(5) After such permission shall have been granted for the organization of enlargements of a Lloyd's, no securities shall be accepted as contributions to the guaranty fund of such Lloyd's, unless such securities shall have been approved in advance by the Board of Insurance Commissioners as complying with this law relative to the investment of the funds of such organizations.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 19.02. Attorney for Subscribers

Such contracts may be executed by a duly appointed attorney in fact duly authorized and acting for such subscribers. The office or offices of such attorney may be maintained at such place or places as may be designated by the subscribers in the power of attorney.

Any person, firm or corporation may act as such attorney in fact, provided such attorney in fact shall make a good and sufficient fidelity bond acceptable to the Board of Insurance Commissioners of Texas and payable to the subscribers at the exchange, or, in lieu thereof, payable to the said Board of Insurance Commissioners, such bond to be in the sum of Twenty-five Thousand (\$25,000.00) Dollars in the case of an individual or firm, and Fifty Thousand (\$50,000.00) Dollars in the case of a corporation, which said bond shall obligate the principal and surety to pay such pecuniary loss, not exceeding the penalty of the bond, as the exchange shall sustain of money or property by an act or acts of fraud,

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1959, 56th Leg., p. 355, ch. 172, § 1.]

#### Art. 19.03. Declaration of Subscribers

Such subscribers, so contracting among themselves, shall, through their attorney in fact file with the Board of Insurance Commissioners a declaration verified by the oath of such attorney in fact setting forth:

1. The name or title of the office at which subscribers propose to exchange such indemnity contracts. Said name or title shall contain the word "reciprocal," "inter-insurance exchange," "underwriters," "association," "exchange," "underwriting," "inter-insurers," or "inter-insurers," and shall not be so similar to any other name or title previously adopted by a similar organization, or by any insurance corporation or association, as in the opinion of said Board of Insurance Commissioners is calculated to confuse or deceive. The office or offices through which such indemnity contracts shall be exchanged shall be classified as reciprocal or inter-insurance exchanges;

If a Certificate of Authority is issued as provided by Article 19.10 and Article 2.20, the power of attorney or other authority executed by the subscribers at any such exchange shall provide that such subscribers at such exchange shall be liable, in addition to the premium or premium deposit specified in the policy contract, to a contingent liability equal in amount to one (1) additional annual premium or premium deposit. Such last mentioned provision may be eliminated if the free surplus of such exchange is equal to the minimum capital stock and minimum surplus required of a stock company transacting the same kinds of business. When any such subscribers and their attorney in fact shall be authorized to issue policies for cash premiums only, in pursuance of the authority of this Article, it may waive all contingent premiums.

4. The location of the office or offices from which such contracts or agreements are to be issued;

5. Such other information as may be prescribed by the Board, including the affidavit or affidavits provided by Article 2.05.

No commission or promotion expenses, or other bonus, shall be paid in connection with the advance of any such money to the exchange, and the amount of all such advances shall be reported in each annual statement.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 19.08. Financial Report

#### Failure of Applicant to Qualify for License

Sec. 5. If the State Board of Insurance is not satisfied that the applicant for a license is trustworthy and of good character, or, if applicable, that the applicant, if required to do so, has not passed the written examination to the satisfaction of the State Board of Insurance, the State Board of Insurance shall forthwith notify the applicant and the insurance carrier in writing that the license will not be issued to the applicant, and return to said agent the \$10.00 fee for application for license and the \$4.00 fee for appointment.

#### Agent May Be Licensed to Represent Additional Insurers

Sec. 6. Any agent licensed under this Article may represent and act as an agent for more than one insurance carrier at any time while his license is in force, if he so desires. Any such agent and the insurance carrier involved must give notice to the State Board of Insurance of any additional appointment or appointments authorizing him to act as agent for an additional insurance carrier or carriers. Such notice must set forth the insurance carrier or carriers which the agent is then licensed to represent, and shall be accompanied by a certificate from each insurance carrier to be named in each additional appointment, that said insurance carrier desires to appoint the applicant as its agent. This notice shall also contain such other information as the State Board of Insurance may require. The agent shall be required to pay a fee of \$4.00 for each additional appointment applied for, which fee shall accompany the notice.

#### Expiration and Renewal of License

Sec. 7. (a) Each license issued to an agent shall expire one year following the date of issue, unless prior thereto it is suspended or revoked by the State Board of Insurance or the authority of the agent to act for the insurance carrier is terminated.

(b) Licenses which have not expired or which have not been suspended or revoked may be renewed from year to year upon request in writing of the agent.

(c) Upon the filing of a request for renewal of license and payment of a renewal fee as hereinafter required for the license, prior to the date of expiration, the current license shall continue in force until the renewal license is issued by the State Board of Insurance or until the State Board of Insurance has refused, for cause, to issue the renewal license, as provided in this Article, and has given notice of the refusal in writing to the insurance carrier and the agent.

(d) The appointment or appointments given under any Section of this Article authorizing the agents to act as an agent for an insurance carrier shall continue in full force and effect without the necessity of renewal until terminated and withdrawn by the insurance carrier in accordance with Section 9 of this Article 21.07 or otherwise terminated in accordance with this Article 21.07, and each renewal license

issued to the agent shall authorize him to represent and act for the insurance carriers for which he holds an appointment until the appointment is so terminated, and the agent shall prima facie be deemed, for the purpose of this Article 21.07, to be the agent of the appointing insurance carriers, provided that on or before April 1st of each and every calendar year, commencing on or before April 1, 1970, each such insurance carrier so appointing such agent shall file with the State Board of Insurance a certificate, upon forms promulgated by the State Board of Insurance, certifying that such insurance carrier desires to continue the appointment of such agent, and if such insurance carrier shall for any reason fail to file such certificate for any year as relates to such agent, it shall be deemed and considered for all purposes that such insurance carrier has terminated the appointment of such agent in like manner as if compliance had been made by such insurance carrier with Section 9 of this Article.

Temporary License

Sec. 8. The State Board of Insurance, if it is satisfied with the honesty and trustworthiness of any applicant who desires to write health and accident insurance, may issue a temporary agent's license, authorizing the applicant to write health and accident insurance, as well as all other insurance authorized to be written by the appointing insurance carrier, effective for ninety (90) days, without requiring the applicant to pass a written examination, as follows:

To any applicant who has been appointed or who is being considered for appointment as an agent by an insurance carrier authorized to write health and accident insurance immediately upon receipt by the State Board of Insurance of an application executed by such person in the form required by this Article, together with a certificate signed by an officer or properly authorized representative of such insurance carrier certifying:

- (a) that such insurance carrier has investigated the character and background of such person and is satisfied that he is trustworthy and of good character;
- (b) that such person has been appointed or is being considered for appointment by such insurance carrier as its agent; and
- (c) that such insurance carrier desires that such person be issued a temporary license; provided that if such temporary license shall not have been received from the Board within seven days from the date on which the application and certificate were delivered to or mailed to the Board, the insurance carrier may assume that such temporary license will be issued in due course and the applicant may proceed to act as an agent; provided, however, that no temporary license shall be renewable or issued more than once in a consecutive six months period to the same applicant; and provided further, that no temporary license shall be granted to any person

who does not intend to actively sell health and accident insurance to the public generally and it is intended to prohibit the use of a temporary license to obtain commissions from sales to persons of family employment or business relationships to the temporary licensee, to accomplish which purposes an insurance carrier is hereby prohibited from knowingly paying directly or indirectly to the holder of a temporary license under this Section any commissions on the sale of a contract of health and accident insurance to any person related to temporary licensee by blood or marriage, and the holder of a temporary license is hereby prohibited from receiving or accepting commissions on the sale of a contract of health and accident insurance to any person included in the foregoing classes of relationship.

Insurance Carrier to Notify State Board of Insurance of Termination of Contract; Communications Privileged

Sec. 9. (a) Every insurance carrier shall, upon termination of the appointment of any agent, immediately file with the State Board of Insurance a statement of the facts relative to the termination of the appointment and the date and cause thereof. The Board shall thereupon terminate the license of such agent to represent such insurance carrier in this State.

(b) Any information, document, record or statement required to be made or disclosed to the Board pursuant to this Article shall be deemed a privileged communication and shall not be admissible in evidence in any court action or proceeding except pursuant to subpoena of a court of record.

Denial, Refusal, Suspension or Revocation of Licenses

Sec. 10. (a) A license may be denied, or a license duly issued may be suspended or revoked or the renewal thereof refused by the State Board of Insurance if, after notice and hearing as hereafter provided, it finds that the applicant for, or holder of, such license:

- (1) Has wilfully violated any provision of the insurance laws of this State; or
- (2) Has intentionally made a material misstatement in the application for such license; or
- (3) Has obtained, or attempted to obtain, such license by fraud or misrepresentation; or
- (4) Has misappropriated or converted to his own use or illegally withheld money belonging to an insurance carrier or an insured or beneficiary; or
- (5) Has otherwise demonstrated lack of trustworthiness or competence to act as an agent; or
- (6) Has been guilty of fraudulent or dishonest practices; or
- (7) Has materially misrepresented the terms and conditions of any insurance policy or contract; or

(8) Has made or issued, or caused to be made or issued, any statement misrepresenting or making incomplete comparisons regarding the terms or conditions of any insurance contract legally issued by any insurance carrier, for the purpose of inducing or attempting to induce the owner of such contract to forfeit or surrender such contract or allow it to lapse for the purpose of replacing such contract with another; or

(9) Is not of good character or reputation.

(b) Before any license shall be denied (except for failure to pass a required written examination), or suspended or revoked, or the renewal thereof refused hereunder, the Board shall give notice of its intention so to do, by registered mail, to the applicant for, or holder of, such license and the insurance carrier whom he represents or who desires that he be licensed, and shall set a date not less than twenty days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the insurance carrier may appear to be heard and produce evidence. In the conduct of such hearing, the Board or any regular salaried employee specially designated by it for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon its own initiative or upon the request of the applicant or licensee. Upon termination of such hearings, findings shall be reduced to writing and, upon approval by the Board, shall be filed in its office and notice of the findings sent by registered mail to the applicant or licensee and the insurance carrier concerned.

(c) No applicant or licensee whose license has been denied, refused or revoked hereunder (except for failure to pass a required written examination) shall be entitled to file another application for a license as an agent within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Board unless the applicant shows good cause why the denial, refusal or revocation of his license shall not be deemed a bar to the issuance of a new license.

#### Judicial Review of Acts of State Board of Insurance

Sec. 11. If the said Board shall refuse an application for any license provided for in this Article, or shall suspend, revoke or refuse to renew any such license or permit at said hearing, then any such applicant or accused may appeal from said order by filing suit against the State Board of Insurance as defendant in any of the District Courts of Travis County, Texas, or in any District Court in the county of the applicant's residence, and not elsewhere, within twenty (20) days from the date of the order of said State Board of Insurance.

Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The State Board of Insurance shall not be required to give any appeal bond in any cause arising hereunder.

#### Penalty

Sec. 12. Any person who individually, or as an officer or employee of an insurance carrier, or other corporation, wilfully violates any of the provisions of this Article shall, in addition to any other penalty specifically provided, be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$500.00 or imprisoned not more than six (6) months, or both, each such violation being a separate offense hereunder. In addition, if such offender holds a license as an agent, such license shall automatically expire upon such conviction.

(b) (1) For those agents writing life and accident insurance the annual license fee is Ten Dollars (\$10) and Four Dollars (\$4) for each appointment. The same fees shall be charged for those agents writing only health and accident insurance.

If any residue for any years shall remain in said fund over and above the amount necessary to carry on the work and investigation and pay the expenses herein provided for, the same shall be carried over to the following year or years and used in the continuation of the enforcement of this Article 21.07 and the insurance laws of this State and all such funds are hereby appropriated for such purpose. The funds collected under this provision shall be paid into the State Treasury at least once each week and kept in a special fund and shall be paid out for salaries, traveling expenses, office expenses and other incidental expenses incurred by the State Board of Insurance hereunder upon proper account duly approved by the State Board of Insurance.

Provided, however, that at the termination of each biennium after the payment of all expenses of enforcement hereinbefore provided, any surplus of the enforcement fund created by the collection of the fees provided herein shall be transferred by the State Treasurer to the Examination Fund of the State Board of Insurance for such use as the State Board of Insurance may deem necessary in furthering the duties of the Examining Division of the State Board of Insurance.

### Art. 21.07-1. Legal Reserve Life Insurance Agents; Examination; Licenses

#### Legal Reserve Life Insurance Agent Defined

Sec. 1. (a) This Act shall be known as The Texas Agents Qualification and License Law for Agents of Legal Reserve Life Insurance Companies authorized to do business in Texas. It repeals the provisions of Article 21.07 of the Texas Insurance Code, 1951, to the extent only as applicable to such agents. This Act has no application to agents for local mutual aid associations, or for statewide mutual associations or for any type or kind of insurance organization other than legal reserve life insurance companies, and existing statutes, including Article 21.07 of the Texas Insurance Code, 1951, applicable to such agents, other than agents of legal reserve life insurance companies, shall remain in full force and effect.

(b) The term "life insurance agent" for the purpose of this Act means any person who is an authorized agent of a legal reserve life insurance company, and any person who is a sub-agent of such agent, who acts as such in the solicitation of, negotiation for, or procurement of, or collection of premiums on, an insurance or annuity contract with a legal reserve life insurance company; except that the term "life insurance agent" shall not include:

(1) any regular salaried officer or employee of a legal reserve life insurance company, or of a licensed life insurance agent, who devotes substantially all of his or her time to activities other than the solicitation of applications for insurance or annuity contracts and receives no commission or other compensation directly dependent upon the business obtained, and who does not solicit or accept from the public applications for insurance or annuity contracts;

(2) employers or their officers or employees, or the trustees of any employee benefit plan, to the extent that such employers, officers, employees or trustees are engaged in the administration or operation of any program of employee benefits involving the use of insurance or annu-

ties issued by a legal reserve life insurance company, provided that such employers, officers, employees or trustees are not in any manner compensated, directly or indirectly, by the legal reserve life insurance company issuing such insurance or annuity contracts;

(3) banks or their officers and employees to the extent that such banks, officers and employees collect and remit premiums by charging same against accounts of depositors on the orders of such depositors;

(4) a ticket-selling agent of a public carrier with respect to accident life insurance tickets covering risks of travel;

(5) an agent selling credit life, health and accident insurance exclusively in connection with credit transactions, or acting as agent or solicitor for health and accident insurance under license issued pursuant to the provisions of Article 21.14 of the Texas Insurance Code.

(c) The term "sub-agent" means any person, except a regular salaried officer or employee of a legal reserve life insurance company, or of a licensed life insurance agent, engaging in activities defined in Paragraph 1(b), above, who acts for or on behalf of a licensed life insurance agent in the solicitation of, negotiation for, or procurement or making of, or collection of premiums on, an insurance or annuity contract, whether or not he is designated by such agent as a sub-agent or a solicitor or by any other title. Each such sub-agent shall be deemed to be a life insurance agent, as defined above, and wherever, in succeeding Sections of this Act, the term "life insurance agent" is used, it shall include sub-agents, whether or not they are specifically mentioned. Each such sub-agent shall be subject to the provisions of this Act to the same extent as a life insurance agent.

(d) The terms "insurance or annuity contract," "insurance contract," and "annuity contract," shall mean a contract or policy of life, health or accident (including hospitalization) insurance, or an annuity contract, issued by any legal reserve company or insurer engaged in the business of writing life, health or accident (including hospitalization) insurance, or annuity contracts.

(e) The term "excess risk" shall mean all or any portion of a life, health or accident insurance risk or contract of annuity for which application is made through an agent, and which exceeds the amount of insurance or annuity which will be provided by the insurer for which such agent is licensed.

(f) The term "rejected risk" shall mean a life, health or accident insurance risk or annuity contract for which application has been made through an agent and which insurance or annuity contract is declined by the insurer for which such agent is licensed.

(g) The terms "Industrial" and "weekly premium life insurance on a debit basis" refer to the type of

life insurance defined in Article 3.52 of the Texas Insurance Code.

Acting for Unauthorized Companies Prohibited

Sec. 2. (a) No person shall, within this State, solicit, procure, receive, or forward applications for life insurance or annuities, or issue or deliver policies for, or in any manner secure, help, or aid in the placing of any contract of life insurance or annuity for any person other than himself, directly or indirectly, with any legal reserve life insurance company not authorized to do business in this State.

(b) Any agent shall be personally liable for any loss sustained by any insured or beneficiary on any contract of life insurance or annuity made by or through such agent, directly or indirectly, with any legal reserve life insurance company not authorized to do business in this State and, in addition, for any premium taxes which may become due under any law of this State by reason of such contract.

Acting as Agent Without License Prohibited; No Commissions to be Paid to Unlicensed Persons

Sec. 3. (a) No person shall act as a life insurance agent within this State until he shall have procured a license as required by the laws of this State.

(b) No insurer or licensed life insurance agent doing business in this State shall pay directly or indirectly any commission, or other valuable consideration, to any person for services as a life insurance agent within this State, unless such person shall hold a currently valid license to act as a life insurance agent as required by the laws of this State; nor shall any person, other than a duly licensed life insurance agent, accept any such commission or other valuable consideration; provided, however, that the provisions of this Section shall not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because such person has ceased to hold a license to act as a life insurance agent.

Application for License

Sec. 4. (a) Each applicant for a license to act as a life insurance agent within this State shall file with the Life Insurance Commissioner his written application on forms furnished by the Commissioner. The application shall be signed and duly sworn to by the applicant. The prescribed form shall require the applicant to state his full name; residence; age; occupation and place of business for five years preceding date of the application; whether applicant has ever held a license to solicit life, or any other insurance in any State; whether he has been refused, or has had suspended or revoked a license to solicit life, or any other insurance in any State; what insurance experience, if any, he has had; what instruction in life insurance and in the insurance laws of this State he has had or expects to have; whether any insurer or general agent claims applicant is indebted under any agency contract, and if so, the name of the claimant, the nature of the claim

and the applicant's defense thereto; whether applicant has had an agency contract cancelled and, if so, when, by what company or general agent and the reasons therefor; whether applicant will devote all or part of his efforts to acting as a life insurance agent, and, if part only, how much time he will devote to such work, and in what other business or businesses he is engaged or employed; whether, if applicant is a married woman, her husband has ever applied for or held a license to solicit life, or any other insurance in any State and whether such license has been refused, suspended, or revoked; and such other information pertinent to the licensing of such agent as the Life Insurance Commissioner in his discretion may prescribe. It is not intended that the Life Insurance Commissioner shall be authorized to deny a license to an applicant on the sole ground that he will act only part time as a life insurance agent.

(b) The application shall be accompanied by a certificate on forms furnished by the Life Insurance Commissioner and signed by an officer or properly authorized representative of the legal reserve life insurance company he proposes to represent, stating that the insurer has investigated the character and background of the applicant and is satisfied that he is trustworthy and qualified to hold himself out in good faith to the general public as a life insurance agent and that the insurer desires that the applicant be licensed as a life insurance agent to represent it in this State.

(c) The application, when filed, shall be accompanied by a filing fee in the amount of \$5.00 and, in the case of applicants required to take an examination administered by the Life Insurance Commissioner as hereafter prescribed, by an examination fee in the amount of \$10.00. In the event an applicant fails to qualify for, or is refused a license, the filing fee shall be returned; the examination fee shall not be returned for any reason. An examination fee shall be paid for each and every examination.

(d) No corporation, association, partnership, or any legal entity of any nature, other than an individual person, may be licensed as a life insurance agent.

Examination of Applicant for License

Sec. 5. (a) Each applicant for a license to act as a life insurance agent within this State shall submit to a personal written examination administered, and as shall be prescribed by, the Life Insurance Commissioner, to determine his competence with respect to insurance and annuity contracts and his familiarity with the pertinent provisions of the laws of this State, and shall pass the same to the satisfaction of the Life Insurance Commissioner; except that no such written examination shall be required of:

(1) An applicant for the renewal of a license issued by the Board of Insurance Commissioners pursuant to Article 21.07, Texas Insurance Code, 1951, which is currently in force at the time of the effective date of this Act;

(2) An applicant whose license as a life insurance agent expired less than one year prior to the date of application may, in the discretion of the Life Insurance Commissioner, be issued a license without written examination;

(3) A person who holds the designation Chartered Life Underwriter (CLU).

(b) The Life Insurance Commissioner shall establish rules and regulations with respect to the scope, type and conduct of such written examinations and the times and places within this State where they shall be held; provided, that applicants shall be permitted to take such examinations at least once in each week at the office of the Life Insurance Commissioner, and at least once in each month in the county court house of the residence of the applicant. The rules and regulations of the Commissioner shall designate text books, manuals and other materials to be studied by applicants in preparation for examinations pursuant to this Section. Such text books, manuals or other materials may consist of matter available to applicants by purchase from the publisher or may consist of matter prepared at the direction of the Commissioner and distributed to applicants upon request therefor and payment of the reasonable cost thereof. All examination questions shall be prepared from the contents of the text books, manuals and other materials designated or prepared by the Commissioner pursuant to this Section.

(c) The Life Insurance Commissioner is authorized in his discretion to appoint an Advisory Board to make recommendations to him with respect to the scope, type, and conduct of written examinations and the times and places within the State where they shall be held. This Advisory Board, if appointed, shall consist of individuals experienced in the legal reserve life insurance business and in industrial life insurance, and may include legal reserve life insurance company officers and employees, general agents and managers, and licensed life insurance agents. The members of the Board shall serve without pay but, upon the authorization of the Life Insurance Commissioner, shall be reimbursed for their reasonable expenses in attending meetings of the Advisory Board.

(d) An applicant for a license to act as a combination life insurance agent for a combination company, or as an industrial life agent for an industrial company, may, in lieu of taking and passing to the satisfaction of the Life Insurance Commissioner a personal written examination as provided in Sub-section (a) of this Section 5, submit to a personal written examination given by the combination or industrial insurer for which he is to be licensed, subject to the following definitions and conditions:

(1) A combination life insurance agent is hereby defined as an agent writing both weekly premium life insurance on a debit basis and ordinary contracts of life insurance. An industrial life agent is an agent writing only weekly life insurance on a debit basis. A combination company is hereby defined as an insurer actual-

ly writing weekly premium life insurance on a debit basis and ordinary contracts of life insurance. An industrial company is an insurer writing only weekly premium life insurance on a debit basis.

(2) Any combination or industrial insurer desiring to qualify to administer the examination to its agents shall file with the Life Insurance Commissioner a complete outline and explanation of the course of study and instruction to be given such applicants and the nature and manner of conducting the examinations of applicants and, after official approval thereof by the Commissioner, may administer such examinations.

(3) The combination or industrial insurer shall certify as to each applicant that he has completed the approved course of study and instruction and has successfully passed the examination in writing without aid.

(4) It shall be the duty of the Life Insurance Commissioner to investigate the manner and method of instruction and examination of each combination and industrial insurer as often as deemed necessary by the Commissioner and the Commissioner may, in his discretion, withdraw from any insurer the privilege of examining agents in lieu of the examination administered by the Commissioner pursuant to Sub-section (a) of this Section 5.

(5) The license to act as a life insurance agent issued to an applicant pursuant to the provisions of this Sub-section (d) shall be stamped COMBINATION OR INDUSTRIAL LICENSE on its face and shall automatically expire and be of no further force and effect when the holder ceases to act as a combination or industrial agent for a combination or industrial company.

#### Issuance or Denial of License

Sec. 6. (a) If the Life Insurance Commissioner is satisfied that the applicant is trustworthy and competent and after the applicant, if required to do so, has passed the written examination to the satisfaction of the Commissioner, a license shall be issued forthwith. If the applicant has not passed the written examination, or if license is denied for any of the reasons set forth in Section 12 of this Act, the Life Insurance Commissioner shall notify the applicant and the insurer in writing that the license will not be issued to the applicant.

#### Non-residents May Be Licensed

Sec. 7. (a) A person not resident in this State may be licensed as a life insurance agent upon compliance with the provisions of this Act, provided that the State in which such person resides will accord the same privilege to a citizen of this State.

(b) The Life Insurance Commissioner is further authorized to enter into reciprocal agreements with the appropriate official or any other State waiving

the written examination of any applicant resident in such other State, provided:

- (1) That a written examination is required of applicants for a life insurance agent's license in such other State;
- (2) That the appropriate official of such other State certifies that the applicant holds a currently valid license as a life insurance agent in such other State and either passed such written examination or was the holder of a life insurance agent's license prior to the time such written examination was required;
- (3) That the applicant has no place of business within this State in the transaction of business as a life insurance agent;
- (4) That in such other State, a resident of this State is privileged to procure a life insurance agent's license upon the foregoing conditions and without discrimination as to fees or otherwise in favor of the residents of such other State.

#### Agent May Be Licensed to Represent Additional Insurers

Sec. 8. (a) Any life insurance agent licensed in this state may represent and act as a life insurance agent for more than one legal reserve life insurance company at any time while his license is in force, if he so desires. Any such life insurance agent and the company involved must give notice to the Commissioner of Insurance of any additional appointment or appointments authorizing him to act as a life insurance agent for an additional legal reserve life insurance company or companies. Such notice must set forth the insurer or insurers which the agent is then licensed to represent, and shall be accompanied by a certificate from each insurer to be named in each additional appointment, that said insurer desires to appoint the applicant as its agent. This notice shall also contain such other information as the Commissioner may require. The agent shall be required to pay a fee of \$2.00 for each additional appointment applied for, which fee shall accompany the notice. Any insurer may file a request with the Insurance Commissioner for notification in the event any agent licensed to represent such insurer has given the Commissioner of Insurance notice of an additional appointment to represent another insurer; and in such event the Commissioner shall notify the insurer filing such request.

(b) Any life insurance agent licensed in this state may place excess or rejected risks with any legal reserve life insurance company lawfully doing business in this state other than an insurer such agent is licensed to represent; provided, however, that such life insurance agent shall procure an additional appointment to represent such other insurer before receiving commissions or other compensation for his services.

#### Expiration and Renewal of License

Sec. 9. (a) Each license issued to a life insurance agent shall expire one year following the date of issue, unless prior thereto it is suspended or revoked by the Insurance Commissioner or the authority of the agent to act for the insurer is terminated.

(b) Licenses which have not expired or which have not been suspended or revoked, may be renewed from year to year upon request in writing of the agent.

(c) Each request for renewal of license shall show whether the agent devotes all or part of his efforts to acting as a life insurance agent, and if part only, how much time he devotes to such work.

(d) Upon the filing of a request for renewal of license, and payment of a renewal fee of \$5.00 for such license, prior to the date of expiration, the current license shall continue in force until the renewal license is issued by the Commissioner or until the Commissioner has refused, for cause, to issue such renewal license, as provided in Section 12, of this Act, and has given notice of such refusal in writing to the insurer and the agent.

(e) The appointment or appointments given under Section 4 or Section 8 of this Act authorizing the agents to act as a life insurance agent for a legal reserve life insurance company or companies, shall continue in full force and effect, without the necessity of renewal, until terminated and withdrawn by the companies in accordance with Section 11 of this Act, or otherwise terminated in accordance with this Act, and each renewal license issued to the agent shall authorize him to represent and act for the companies for which he holds an appointment until the appointment is so terminated, and the agent shall prima facie be deemed, for the purpose of this Article, to be the agent of the appointing companies, provided that on or before April 1st of each and every calendar year, commencing on or before April 1, 1968, each such company so appointing such life insurance agent shall file with the Commissioner a certificate, upon forms promulgated by the Commissioner, certifying that such legal reserve life insurance company desires to continue the appointment of such life insurance agent, and if such company shall for any reason fail to file such certificate for any year as relates to such agent, it shall be deemed and considered for all purposes that such company has terminated the appointment of such life insurance agent in like manner as if compliance has been made by such company with Section 11 of this Act.

#### Temporary License

Sec. 10. The Life Insurance Commissioner, if he is satisfied with the honesty and trustworthiness of the applicant, may issue a temporary life insurance agent's license, effective for ninety days, without requiring the applicant to pass a written examination, as follows:

- (a) To an applicant who has fulfilled the provisions of Section 4 of this Act where such

applicant will actually collect the premiums on industrial life insurance contracts during the period of such temporary license; provided, however, that if such temporary license is not received from the Commissioner within seven days from the date the application was sent to the Commissioner, the company may assume that the temporary license will be issued in due course and the applicant may proceed to act as an agent. For the purpose of this sub-section (a) an industrial life insurance contract shall mean a contract for which the premiums are payable at monthly or more frequent intervals directly by the owner thereof, or by a person representing the owner, to a representative of the company;

(b) To any person who has been appointed or who is being considered for appointment as an agent by an insurer immediately upon receipt by the Commissioner of an application executed by such person in the form required by Section 4 of this Act, together with a certificate signed by an officer or properly authorized representative of such insurer stating:

(1) that such insurer has investigated the character and background of such person and is satisfied that he is trustworthy;

(2) that such person has been appointed or is being considered for appointment by such insurer as its agent; and

(3) that such insurer desires that such person be issued a temporary license; provided that if such temporary license shall not have been received from the Commissioner within seven days from the date on which the application and certificate were delivered to or mailed to the Commissioner, the insurer may assume that such temporary license will be issued in due course and the applicant may proceed to act as an agent; provided, however, that no temporary license shall be renewable nor issued more than once in a consecutive six months period to the same applicant; and provided further, that no temporary license shall be granted to any person who does not intend to actively sell life insurance to the public generally and it is intended to prohibit the use of a temporary license to obtain commissions from sales to persons of family employment or business relationships to the temporary licensee, to accomplish which purposes an insurer is hereby prohibited from knowingly paying directly or indirectly to the holder of a temporary license under this sub-section (b) any commissions on the sale of a contract of insurance on the life of the temporary licensee, or on the life of any person related to him by blood or marriage, or on the life of any person who is or has been during the past six months

his employer either as an individual or as a member of a partnership, association, firm or corporation, or on the life of any person who is or who has been during the past six months his employee, and the holder of a temporary license is hereby prohibited from receiving or accepting commissions on the sale of a contract of insurance to any person included in the foregoing classes of relationship.

(4) The Commissioner shall have the authority to cancel, suspend, or revoke the temporary appointment powers of any life insurance company, if, after notice and hearing, he finds that such company has abused such temporary appointment powers. In considering such abuse, the Commissioner may consider, but is not limited to, the number of temporary appointments made by a company, the number of appointees sitting for examination as life insurance agents under this Article, and the number of appointees successfully passing said examination. Appeals from the Commissioner's decision shall be made in accordance with Section 13 hereof.

Company to Notify Commissioner of Termination of Contract;  
Communications Privileged

Sec. 11. (a) Every legal reserve life insurance company shall, upon termination of the appointment of any life insurance agent, immediately file with the Life Insurance Commissioner a statement of the facts relative to the termination of the appointment and the date and cause thereof. The Commissioner shall thereupon terminate the license of such agent to represent such insurer in this State.

(b) Any information, document, record or statement required to be made or disclosed to the Commissioner pursuant to this Section shall be deemed a privileged communication and shall not be admissible in evidence in any court action or proceeding except pursuant to subpoena of a court of record.

Denial, Refusal, Suspension, or Revocation of Licenses

Sec. 12. (a) A license may be denied, or a license duly issued may be suspended or revoked or the renewal thereof refused by the Life Insurance Commissioner if, after notice and hearing as hereafter provided, he finds that the applicant for, or holder of such license:

(1) Has wilfully violated any provision of the insurance laws of this State; or

(2) Has intentionally made a material misstatement in the application for such license; or

(3) Has obtained, or attempted to obtain, such license by fraud or misrepresentation; or

(4) Has misappropriated or converted to his own use or illegally withheld money belonging to an insurer or an insured or beneficiary; or

(5) Has otherwise demonstrated lack of trustworthiness or competence to act as a life insurance agent; or

(6) Has been guilty of fraudulent or dishonest practices; or

(7) Has materially misrepresented the terms and conditions of life insurance policies or contracts; or

(8) Has made or issued, or caused to be made or issued, any statement misrepresenting or making incomplete comparisons regarding the terms or conditions of any life insurance or annuity contract legally issued by any insurer, for the purpose of inducing or attempting to induce the owner of such contract to forfeit or surrender such contract or allow it to lapse for the purpose of replacing such contract with another; or

(9) Has obtained, or attempted to obtain such license, not for the purpose of holding himself out to the general public as a life insurance agent, but primarily for the purpose of soliciting, negotiating or procuring life insurance or annuity contracts covering himself or members of his family or business associates; or

(10) Is not of good character or reputation.

(b) Before any license shall be denied (except for failure to pass a required written examination), or suspended or revoked, or the renewal thereof refused hereunder, the Life Insurance Commissioner shall give notice of his intention so to do, by registered mail, to the applicant for, or holder of such license and the insurer whom he represents or who desires that he be licensed, and shall set a date not less than twenty days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the insurer may appear to be heard and produce evidence. In the conduct of such hearing, the Commissioner or any regular salaried employee specially designated by him for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon his own initiative or upon the request of the applicant or licensee. Upon termination of such hearing, findings shall be reduced to writing and, upon approval by the Commissioner, shall be filed in his office and notice of the findings sent by registered mail to the applicant or licensee and the insurer concerned.

(c) No applicant or licensee whose license has been denied, refused or revoked hereunder (except for failure to pass a required written examination) shall be entitled to file another application for a license as a life insurance agent within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Commissioner unless the applicant

shows good cause why the denial, refusal or revocation of his license shall not be deemed a bar to the issuance of a new license.

#### Judicial Review of Acts of Commissioner

Sec. 13. If the said Life Insurance Commissioner shall refuse an application for any license provided for in this Act, or shall suspend, revoke or refuse to renew any such license or permit at said hearing, then any such applicant or accused may appeal from said order by filing suit against the Life Insurance Commissioner as defendant in any of the District Courts of Travis County, Texas, or in any District Court in the county of the applicant's residence, and not elsewhere, within twenty (20) days from the date of the order of said Life Insurance Commissioner.

Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The Board shall not be required to give any appeal bond in any cause arising hereunder.

Any person who individually, or as an officer or employee of a legal reserve life insurance company, or other corporation, violates any of the provisions of this Act shall, in addition to any other penalty specifically provided, be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$500.00 or imprisoned not more than six months, or both, each such violation being a separate offense hereunder. In addition, if such offender holds a license as a life insurance agent, such license shall automatically expire upon such conviction.

(c) Each appointment to act as a managing general agent must be reported to the commissioner on forms required by him.

#### Denial, Refusal, Suspension, or Revocation of Licenses

Sec. 12. A license may be denied, suspended for a period of time, revoked or the renewal thereof refused by the commissioner if, after notice and hearing as hereinafter provided, he finds that the applicant for, or holder of such license:

#### Notice and Hearings

Sec. 13. (a) Before any license shall be denied (except for the failure to pass any examination required pursuant to this Act), or suspended or revoked, or the renewal thereof refused hereunder, the commissioner shall give notice of his intention so to do by certified mail to the applicant for, or holder of such license, and shall set a date not less than 20 days nor more than 30 days from the date of mailing of such notice when the applicant or licensee may appear to be heard and to produce evidence. (b) No applicant or licensee whose license has been denied, refused or revoked hereunder (except for failure to pass any examination required by this Act) shall be entitled to file another application for license herein provided within one year from the effective date of such denial, refusal, or revocation, or, if judicial review of such denial, refusal, or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the commissioner unless the applicant shows good cause why such denial, refusal, or revocation of his license shall not be deemed a bar to the issuance of a new license.

Sec. 14. If the commissioner shall refuse an application for license as provided in this Act, or shall suspend, revoke or refuse to renew any license at a hearing as hereinbefore provided, and such action is upheld upon review to the board as in this Code provided, and if the applicant or accused thereafter be dissatisfied with the action of the commissioner and the board he may appeal from such action by filing suit against the commissioner and the board as defendants in any of the district courts of Travis County, Texas, or in any district court in the county of applicant's residence, and not elsewhere, within 20 days from the date of the order and action of the said board.

Said action shall have precedence over all other causes of a different nature on the docket. Upon the filing and perfection of such appeal, orders of the commissioner and the board shall be suspended and held for naught until a final court order or decree affirming such action. This appeal shall not be limited to questions of law and shall be tried and determined upon trial de novo to the same extent as now provided in the case of an appeal from the justice court to the county court. Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. (b) "Adjuster" shall not include:

(1) an attorney at law who adjusts insurance losses from time to time and incidental to the practice of law, and who does not advertise or represent that he is an adjuster;

(2) a salaried employee of an insurer who is not regularly engaged in the adjustment, investigation, or supervision of insurance claims;

(3) persons employed only for the purpose of furnishing technical assistance to a licensed adjuster, including, but not limited to, photographers, estimators, private detectives, engineers, handwriting experts, and attorneys at law;

(4) a licensed agent or general agent of an authorized insurer who processes undisputed and/or uncontested losses for such

insurer under policies issued by said agent or general agent;

License Required; Penalty

Sec. 2. (a) No person shall act as or hold himself out to be an adjuster in this state unless then licensed therefor by this state, except that an individual, who is undergoing education and training as an adjuster under the direction and supervision of a licensed adjuster, may for a period not exceeding 12 months act as an adjuster without having an adjuster's license, if at the beginning of such training period, the name of such trainee has been registered as such with the commissioner. No license shall be required under this article of a nonresident insurance adjuster for the adjustment in this state of a single loss, or losses arising out of a catastrophe common to all such losses, or who is acting as a temporary substitute for a licensed adjuster, unless as outlined specifically in a separate section of this law.

(b) Any person who violates the provisions of this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$500, or by confinement in the county jail for not more than six months, or by both such fine and confinement.

Application for License

Sec. 3. Application for a license as an insurance adjuster shall be made to the board upon forms as prescribed and furnished by said board. As a part of, or in connection with any such application, the applicant shall furnish such information concerning his identity, personal history, experience, business record, and other pertinent facts as said board may reasonably require.

Nonresidents May Be Licensed

Sec. 4. (a) A person, not a resident of this state, may be licensed as an insurance adjuster upon compliance with the provisions of this Act, provided that the state in which such person resides will accord the same privilege to a citizen of this state.

(b) The commissioner is authorized to enter into a reciprocal agreement with the appropriate official of

any state whereby any examination of any applicant resident in such other state is waived, provided:

(1) that a written examination be required of applicants for an insurance adjuster's license in such other state;

(2) that the appropriate official of such other state certifies that such applicant holds a currently valid license as an insurance adjuster in such other state by passing such written examination, or holds a currently valid license issued by reason of the applicant's exemption from the requirements of an examination;

(3) that the applicant has no place of business in this state for the transaction of business as an insurance adjuster;

(4) that in such other state a resident of Texas is privileged to procure an insurance adjuster's license upon the foregoing conditions and without discrimination as to fees or otherwise in favor of the residents of such other state; and

(5) payment of fees as required by this Act.

Catastrophe or Emergency Adjusters

Sec. 5. In the event of a catastrophe or emergency which arises out of a disaster, act of God, riot, civil commotion, conflagration or other similar occurrence, the commissioner shall, upon application, issue an emergency license to persons who are residents or nonresidents of this state and who may or may not be otherwise licensed adjusters. Such emergency license shall remain in force for a period not to exceed 90 days, unless extended for an additional period of 90 days by the commissioner. The applicant must be certified by (i) a person licensed under the provisions of this Act, or by (ii) an insurer which maintains an office in this state and is licensed to do business in this state. The licensed adjuster or insurer who certifies said applicant under the provisions of this section of this Act shall be responsible for the loss or claims practices of the emergency license holder.

Within five days of any applicant commencing work as an adjuster hereunder, the employer of such adjuster shall certify to the commissioner such application without being deemed in violation of this Act, provided that the commissioner may, after notice and hearing, revoke said emergency license upon the grounds as otherwise contained in this Act providing for revocation of an adjuster's license.

The fee for an emergency license shall be \$10 and shall be due and payable within 30 days of the issuance of such emergency license.

Licensed Adjusters Required: Insurers' Responsibility

Sec. 6. (a) An insurer shall not knowingly refer any claim or loss for adjustment in this state to any person purporting to be or acting as an insurance adjuster unless such person is currently licensed as such as required in this Act.

(b) Prior to referring any such claim or loss, the insurer shall ascertain from the commissioner whether the proposed insurance adjuster is currently licensed as such. Having once ascertained that a particular person is so licensed, the insurer may assume that such licensee will continue to be so licensed until the insurer has knowledge, or receives information from the commissioner, to the contrary.

#### Qualifications for Adjuster's License

Sec. 7. The commissioner shall license as an insurance adjuster only an individual who has otherwise complied with this Act, and who has furnished evidence satisfactory to the board that:

- (1) he is at least 18 years of age;
- (2) he is a bona fide resident of this state, or is a resident of a state or country which will permit residents of this state to act as insurance adjusters in such other state or country;
- (3) if he is a nonresident of the United States, he has complied with all federal laws pertaining to employment or the transaction of business in the United States;
- (4) he is a trustworthy person;

- (6) he has successfully passed an examination as required by the commissioner in accordance with this Act or has been exempted according to the provisions of this Act.

#### Special Licenses

Sec. 8. (a) If the board considers it necessary, a special insurance adjuster's license may be issued under this Act to any license applicant in the manner provided for the issuance of an insurance adjuster's license.

(b) A special insurance adjuster's license shall specifically limit the lines of insurance which may be handled by the licensee.

(c) No person who is acting under a special insurance adjuster's license may handle any other lines of insurance other than those lines specified in the license.

(d) Any person who violates the provisions of Subsection (c) of this section is subject to the penalty provided in Subsection (b) of Section 2 of this Act.

#### Advisory Board

Sec. 9. The commissioner, with the approval of the board, shall appoint an advisory board to make recommendations to him with respect to the scope, time and conduct of written examinations, and the times and places within the state where they shall be

held, and such other matters as the commissioner may submit to the board for their recommendations. This advisory board shall consist of five members, namely, the chairman of the Joint Conference Committee on the Unauthorized Practice of Law of the State Bar of Texas and four members with knowledge and experience in the insurance adjusting profession, one member from a domestic insurance company authorized to do business in Texas, one member from a foreign insurance company licensed to do business in Texas, and two independent adjusters. The members of the advisory board shall serve without pay, but, upon authorization of the commissioner, shall be reimbursed for their reasonable expenses in attending meetings of the advisory board.

#### Examination for License

Sec. 10. Each applicant for a license as an adjuster shall, prior to the issuance of such license, personally take and pass, to the satisfaction of the commissioner, an examination given by the commissioner as a test of his qualifications and competency; but the requirement of an examination shall not apply to any of the following:

- (1) an applicant who for the 90-day period next preceding the effective date of this Act has been principally engaged in the investigation, adjustment, or supervision of losses and who is so engaged on the effective date of this Act;
- (2) an applicant for the renewal of a license issued hereunder; or
- (3) an applicant who is licensed as an insurance adjuster, as defined by this statute, in another state with which state a reciprocal agreement has been entered into by the commissioner;
- (4) any person who has completed a course or training program in adjusting of losses as prescribed and approved by the commissioner and is certified to the commissioner upon completion of the course that such person has completed said course or training program, and has passed an examination testing his knowledge and qualification, as prescribed by the commissioner.

#### Scope of Examination

Sec. 11. (a) Each examination for a license as an adjuster shall be as the board may prescribe and shall be of sufficient scope reasonably to test the applicant's knowledge relative to the kinds of insurance which may be dealt with under the license applied for, and of the duties and responsibilities of, and laws of this state, applicable to such a licensee.

(b) The board shall prepare and make available to applicants a manual or instructions specifying in general terms the subjects which may be covered in any examination for such a license.

#### Examination; Form; Time

Sec. 12. (a) The answers of the applicant to any such examination shall be written by the applicant

under supervision of the commissioner. Any such written examination may be supplemented by oral examination.

(b) The examination shall be given at such times and places within this state as the board deems necessary reasonably to serve the convenience of both the commissioner and applicants.

(c) The commissioner may require a waiting time of reasonable duration before giving a new examination to an applicant who has failed to pass a previous similar examination.

(d) Scheduling and administration of examinations by persons approved by the board pursuant to Section 10(4) shall be effected by such persons.

#### Form of Adjuster's License

Sec. 13. The commissioner shall prescribe the form of the insurance adjuster's license. The license shall contain:

- (1) the name of the insurance adjuster and the address of his place of business;
- (2) date of issuance and date of expiration of the license; and
- (3) firm or insurer with whom insurance adjuster is employed at time license is issued.

#### Fees for License and Examination

Sec. 14. (a) The commissioner shall collect in advance the following fees for an adjuster's license and examination:

- (1) Insurance adjuster's license, each year, not in excess of \$25.
- (2) For each examination, given by the board, a fee, not in excess of \$25.

(b) The fees prescribed in Subsection (1) of this section shall accompany the application for an original license or a renewal thereof.

#### Place of Business

Sec. 15. Every licensed adjuster shall have and maintain in this state a place of business accessible to the public. Such place of business shall be located where the adjuster principally conducts transactions under his license. The address of his place of business shall appear on all licenses of the licensee, and the licensee shall promptly notify the commissioner of any change thereof.

#### Expiration and Renewal of Licenses

Sec. 16. (a) An adjuster's license shall expire one year next following the date of issuance.

(b) Subject to the right of the commissioner to suspend, revoke, or refuse to renew an adjuster's license, any such license may be renewed by filing, on the form prescribed by the commissioner, on or before the expiration date, a written request, by or on behalf of the licensee, for such renewal, accompanied by payment of the renewal fee.

(c) If the request and fee for renewal of an adjuster's license are filed with the commissioner prior to the expiration of the existing license, the licensee may continue to act under such license, unless sooner revoked or suspended, until the issuance of a renewal license or until the expiration of five days after the commissioner has refused to renew the license and has mailed notice of such refusal to the licensee. Any request for renewal filed after the date of expiration may be considered by the commissioner as an application for a new license.

#### Denial, Suspension, or Revocation of License

Sec. 17. The commissioner may deny, suspend, revoke, or refuse to renew any adjuster's license for any of the following causes:

- (1) for any cause for which issuance of the license could have been refused had it been existent and been known to the board;
- (2) if the licensee willfully violates or knowingly participates in the violation of any provision of this Act;
- (3) if the licensee has obtained or attempted to obtain any such license through willful misrepresentation or fraud, or has failed to pass any examination required under this Act;
- (4) if the licensee has misappropriated, or converted to his own use, or has illegally withheld moneys required to be held in a fiduciary capacity;
- (5) if the licensee has, with intent to deceive, materially misrepresented the terms or effect of an insurance contract, or has engaged in any fraudulent transactions;
- (6) if a licensee is convicted, by final judgment, of a felony; or
- (7) if in the conduct of his affairs under the license, the licensee has shown himself to be, and is so deemed by the commissioner, incompetent, untrustworthy, or a source of injury to the public.

#### Procedure for Refusal, Suspension, or Revocation

Sec. 18. (a) The commissioner may revoke or refuse to renew any license of an adjuster immediately and without hearing, upon the licensee's conviction of a felony, by final judgment, in any court of competent jurisdiction.

(b) The commissioner may deny, suspend, revoke, or refuse to renew a license:

- (1) by order or notice given to the licensee not less than 15 days in advance of the effective date of the order or notice, subject to the right of the licensee to demand in writing, a hearing, before the board after receipt of notice and before the effective date of the revocation. Pending such hearing, the license may be suspended.

(2) by an order after a hearing which is effective 10 days after the order is issued subject to appeal to a district court in Travis County.

#### Duration of Suspension

Sec. 19. (a) Every order suspending any such license shall specify the period during which the suspension shall be effective, which period shall in no event exceed 12 months.

(b) The holder of any such license which has been revoked or suspended shall surrender the license certificate to the commissioner at his request.

#### Reinstatement or Relicensing

Sec. 20. The commissioner shall not reinstate the license of, or reissue a license to, any licensee or former licensee, whose license has been suspended, revoked or renewal thereof refused until the cause for the suspension, revocation, or refusal of such license is no longer existing and subject to the approval of the commissioner.

#### Repeal

Sec. 21. All laws and parts of laws in conflict with this Act are hereby repealed. Upon the passage of this Act the provisions of The Private Investigators and Private Security Agencies Act, as amended (Article 4413 (29bb), Vernon's Texas Civil Statutes), will have no applicability to insurance adjusters licensed pursuant to this Act. Article 19-01(3), Title 122-A, Taxation—General, Revised Civil Statutes of Texas, 1925, as amended, is hereby expressly repealed.

#### Severability

Sec. 22. If any provisions of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provisions or application, and to this end the provisions of this Act are declared to be severable.

#### Art. 21.08. Renewal or Service Commissions to Agents of Life Companies Discontinuing Business in State; Statements and Reports

If any life insurance company now engaged or which hereafter may be engaged in the business of issuing policies of life insurance upon the lives of citizens of this State shall discontinue such business, it shall nevertheless continue to be liable for the payment of renewal or service commissions on policies of life insurance theretofore written in accordance with the terms of its agency contracts theretofore made with agents residing in the State of Texas.

Every such company shall furnish monthly to each person who may be entitled to receive service or

renewal commissions from such company a statement showing such policies written by such person for such company as shall have terminated during the month for which the statement is made, and shall furnish to each such person not less than quarterly a detailed statement of all policies written by such person for such company on the lives of residents of the State of Texas, showing the policies in force, the policies which have terminated, and the reason for termination. Provided, however, that no such statements need be furnished after the period during which service or renewal commissions are payable has ended as to all of the policies written by such person for such company.

In any suit against any such company for the recovery of service or renewal commissions, it shall be presumed that all policies written in such company upon the lives of residents of Texas by the person bringing such suit have continued in effect unless and until the contrary is proven by the defendant by competent evidence.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 21.09. Resident Agents, Companies Excepted

Any fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety, or fidelity insurance company, legally authorized to do business in this State is hereby prohibited from authorizing or allowing any person, agent, firm or corporation that is a nonresident of the State of Texas to issue, or cause to be issued, to sign or countersign, or to deliver, or cause to be delivered, any policy or policies of insurance on property, person or persons located in this State, except through regularly licensed local recording agents of such companies in Texas. By the term "Local Recording Agent" is meant a person or firm engaged in soliciting and writing insurance, being authorized by an insurance company or insurance carrier including Fidelity and Surety Companies to solicit business and to write, sign, execute and deliver policies of insurance and to bind companies on insurance risks, and who maintains an office and a record of such business and the transactions which are involved, who collects premiums on such business and otherwise performs the customary duties of a local recording agent representing an insurance carrier in its relation with the public.

This law shall not apply to property owned by the railroad companies or other common carriers. Upon oath made in writing by any person that he can not procure insurance on property through such agents in Texas it shall be lawful for any insurance company not having an agent in Texas to insure property of any person upon application of said person, upon his filing said oath with the county clerk of the county in which such person resides, and with the Board of Insurance Commissioners.

This Article shall not apply to insurance companies whose general plan of operation does not contemplate the use of local recording agents, and such

companies may issue policies signed by any of their other resident licensed agents.

This Article shall not apply to bid bonds issued by any surety company authorized to do business in the State of Texas in connection with any public or private contract.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1963, 58th Leg., p. 69, ch. 47, § 1.]

#### Art. 21.10. Affidavit of Company

Before a certificate or license to any fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance company is issued authorizing it to transact business in this State, the Board shall require in every case, in addition to the other requirements already made and provided by the law, that each such insurance company shall file with the Board an affidavit that it has not violated any provision of Articles 21.09, 21.11, 21.12, and 21.13 of this code.

[Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 21.11. Commissions to Non-Residents; Cancellation of Non-Resident Agent's License; Non-Resident Agent not to Act as Excess Agent

Any person, agent, firm, or corporation licensed by the Board to act as a fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance agent in the State of Texas, is hereby prohibited from paying, directly or indirectly, any commission, brokerage or other valuable consideration on account of any policy or policies covering property, person or persons in this State, to any person, persons, agent, firm or corporation that is a non-resident of this State, or to any person or persons, agent, firm or corporation not duly licensed by the Board as a fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance agent; excepting however, that on any policy of insurance originated by a Licensed Non-Resident Insurance Agent, as hereinafter defined, and covering property or persons in this State, a Texas Local Recording Agent may divide the commission with the originating Licensed Non-Resident Insurance Agent, but in any such case the insurance company or carrier shall pay to the Texas Local Recording Agent through which such policy is issued, signed or countersigned, his minimum share, which shall be a sum not less than the amount of commission or brokerage required to be paid by the laws or regulations of the State of such originating Non-Resident Agent when a similar policy of insurance is originated by a Texas Local Recording Agent covering persons or property in such other State.

Nothing herein shall prevent a Texas Local Recording Agent from dividing with, or paying commissions to, another Texas Local Recording Agent.

Nothing herein shall relieve any insurance company or carrier covered thereby from writing Texas risks through Texas agents as provided in Article 21.09, Insurance Code.

A Licensed Non-Resident Insurance Agent is any person, firm or corporation residing or domiciled in another State and having a Non-Resident Insurance Agent's license as is hereinafter authorized.

Upon application, in such form as the Board of Insurance Commissioners may require, a non-resident of this State who is duly licensed to transact insurance other than life under the laws of the State wherein such applicant resides, if such State does not prohibit residents of this State from acting as insurance agent therein, the Board of Insurance Commissioners may issue to such applicant a Non-Resident Agent's license.

The issuance of a Non-Resident Agent's license shall be for the purpose of permitting a Local Recording Agent of Texas to divide commission with an agent of another State on insurance covering property or persons in this State placed with or through a Local Recording Agent, and to permit an agent of another State, who qualifies and is licensed as a Non-Resident Agent, to inspect and service such risks in Texas, which license shall be subject to the same fees, qualifications, requirements and restrictions as apply to Local Recording Agents of this State, except that an office shall not be maintained in this State by a Non-Resident Agent and all such insurance transacted shall be through licensed Local Recording Agents as provided in Article 21.09 of the Texas Insurance Code; and provided further that a Non-Resident Agent shall transact all matters with the Board of Insurance Commissioners relating to rates and rate engineering and terminology of standard policy forms through Local Recording Agents, and nothing contained herein shall be construed as granting authority to a Non-Resident Agent to transact such matters directly with the Board of Insurance Commissioners; and, except that the Board of Insurance Commissioners, at its discretion, on payment by applicant of the examination fee, may enter into a reciprocal arrangement with the officer having jurisdiction of insurance business in any other State to accept in lieu of the written examination of such an applicant residing therein, a certificate of such officer to the effect that the applicant is licensed as an insurance agent in such State and has complied with its qualification standards in respect to the following:

(a) Experience or training;

(b) Reasonable familiarity with the broad principles of insurance, licensing and regulatory laws, and with provisions, terms, and conditions of the insurance which applicant proposes to transact; and

(c) A fair and general understanding of the obligations and duties of an insurance agent.

Nothing contained herein shall be construed to permit any person or firm who is licensed solely as a

broker in the State of his residence to be granted a Non-Resident license as referred to herein; provided further that nothing contained herein shall be construed to permit a holder of a Non-Resident Agent's license to act as an Excess Agent under the provisions of present Article 21.38 of the Insurance Code or to perform any of the acts permitted thereunder or to permit any person or firm who holds a Non-Resident Agent's license as authorized herein to engage in any form of direct solicitation of insurance within this State. A Non-Resident Agent's license shall be cancelled and not be subject to reissuance when it is found by the Board of Insurance Commissioners that such license was obtained or is being used for the purpose of transacting insurance through a Local Recording Agent in such a manner as to permit a Non-Resident Agent, by subterfuge, to transact insurance as a Local Recording Agent, and in which event the license of the Local Recording Agent likewise shall be cancelled and not be subject to reissuance and all insurance transacted under such arrangement shall be cancelled, provided further that the provisions of Sections 16 and 17, Article 21.14 of the Insurance Code shall apply to such cancellation.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 604, ch. 210, § 1.]

#### Art. 21.11-1. Cancellation of Agency Contracts by Fire and Casualty Insurance Companies

Sec. 1. (a) After an agency contract has been in effect for a period of two years an insurance company writing fire and casualty insurance in this state may not terminate an agency contract with any appointed agent unless the company gives the agent notice in writing of the termination at least six months in advance.

(b) The company shall renew all contracts for fire and casualty insurance for the agent during a period of six months from the effective date of the termination, but in the event any risk shall not meet current underwriting standards of the company, the company may decline its renewal, provided that the company shall give the agent not less than 60 days' notice of its intention not to renew the contract of insurance.

(c) No new business or increases in liability on renewal or in force business shall be written by the agent for the company after notice of termination without the written approval of the company.

(d) Nothing contained in this Act shall ever be deemed or construed to prohibit an amendment or addendum subsequent to the inception date of the original agency agreement providing in such subsequent amendment or addendum that the original agency agreement may be terminated at a sooner time than is required by this Act provided the agent agrees in writing to such sooner termination.

Sec. 2. During the term of the contract the company shall not refuse to renew such business from the agent as would be in accordance with the company's current underwriting standards.

Sec. 3. The provisions of this article shall not apply to the termination of an agent's contract for insolvency, abandonment, gross and willful misconduct, or failure to pay over to the company money due to the company after his receipt of a written demand therefor, or after revocation of the agent's license by the State Board of Insurance; nor to the termination of agents where the policies and the insurance business is owned by the company and not by the agent.

Sec. 4. All existing contracts presently in effect between an agent and a company writing fire and casualty insurance in the State of Texas are subject to the provisions of this article.

Sec. 5. If it is found, after notice and an opportunity to be heard as determined by the board, that an insurance company has violated this article, the insurance company shall be subject to a civil penalty of not less than \$1,000 nor more than \$10,000, and it shall be subject to a civil suit by the agent for damages suffered because of the premature termination of the contract by the company.

[Acts 1971, 62nd Leg., p. 2951, ch. 977, § 1, eff. Aug. 30, 1971.]

#### Art. 21.11-2. Unearned Premiums Under Agency Contracts with Insolvent Insurers

Every agency contract entered into on and after the effective date of this Act by an insurance company writing fire and casualty insurance in Texas shall contain, or shall be construed to contain, the following provision:

Notwithstanding any other provision of this contract, the obligation of the agent to remit written premiums to the company shall be changed upon the commencement of delinquency proceedings as defined in Article 21.28, Insurance Code of Texas of 1951, as amended. Subsequent to the commencement of delinquency proceedings, the obligation of the agent to remit premiums shall be confined to premiums earned prior to the commencement of such proceedings. The agent shall not owe or remit to the company or to the Liquidator-Receiver any premiums that are unearned as of the date of the commencement of such delinquency proceedings, and any such unearned premiums in the possession of the agent on such date shall be returned promptly by the agent to the insured who paid them or, with the approval of the insured, be used to purchase new coverage for the insured with a different insurer. [Acts 1973, 63rd Leg., p. 1263, ch. 462, § 1, eff. Aug. 27, 1973.]

#### Art. 21.12. Board May Examine

The Board is hereby authorized, and it is made its duty, at the expense of the company investigating,

to examine at the head office, located within the United States of America, all books, records and papers of such company and also any officers or employees thereof under oath, as to violations of this article or Articles 21.09, 21.10, 21.11, or 21.13 of this code and the Board is further empowered to examine person or persons, administer oaths, and send for papers and records, and failure or refusal upon the part of any life, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance company, person or persons, agent, firm or corporation, licensed to do business in the State of Texas to appear before the Board when requested to do so, or to produce records and papers, or answer under oath, shall subject such fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance company, person, persons, agent, firm or corporation to the penalties of Article 21.13 of this code. [Acts 1951, 52nd Leg., p. 868, ch. 491.]

#### Art. 21.13. Penalty for Violation

Whenever the Board shall have or receive notice or information of any violation of any provision of Articles 21.09 to 21.12, inclusive, of this code, it shall immediately investigate, or cause to be investigated, such violation, and if a fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance company has violated any of such provisions, the Board shall immediately revoke its license for not less than three (3) months nor more than six (6) months for the first offense and, for each offense thereafter, for not less than one year; and if any person, agent, firm or corporation licensed by such Board as a fire, fire and marine, marine, tornado, rent, accident, casualty, liability, health, elevator, disability, plate glass, burglary, bonding, title, surety or fidelity insurance agent shall violate or cause to be violated any provision of Articles 21.09 to 21.12, inclusive, of this code, he shall, for the first offense, have his license revoked for all companies for which he has been licensed, for not less than three months, and for the second offense he shall have his license revoked for all companies for which he is licensed and shall not thereafter be licensed for any company for one (1) year from date of such revocation. *Definitions; Certain Orders, Societies or Associations Not Affected*

Sec. 2. By the term "Local Recording Agent" is meant a person or firm engaged in soliciting and writing insurance, being authorized by an insurance company or insurance carrier, including fidelity and surety companies, to solicit business and to write, sign, execute, and deliver policies of insurance, and to bind companies on insurance risks, and who maintain an office and a record of such business and the transactions which are involved, who collect premiums on such business and otherwise perform the customary duties of a local recording agent representing an insurance carrier in its relation with the public; or a person or firm engaged in soliciting and writing insurance, being authorized by an insurance company or insurance carrier, including fidelity and surety companies, to solicit business, and to forward applications for insurance to the home office of the insurance companies and insurance carriers, where the insurance company's and insurance carrier's general plan of operation in this State provides for the appointment and compensation of agents for insurance and for the execution of policies of insurance by the home office of the insurance company or insurance carrier, or by a supervisory office of such insurance company or insurance carrier, and who maintain an office and a record of such business and the transactions which are involved, and who collect premiums on such business and otherwise qualify and perform the customary duties of a local recording agent representing an insurance carrier in its relation with the public.

By the term "Solicitor" is meant a person who is a bona fide solicitor in the office of, and engaged in the business of soliciting insurance on behalf of a local recording agent, and who offices with such local recording agent, and who does not sign and execute policies of insurance, and who does not maintain company records of such transactions. This shall not be construed to make a solicitor of a local recording agent, who places business of a class which the rules of the company or carrier require to be placed on application or to be written in a supervisory office.

By the term "Board", as used in this article, is meant the Board of Insurance Commissioners.

Where reference is made in this article to "Company" or "Carrier" such reference means any insurance company, corporation, inter-insurance exchange, mutual, reciprocal, association, Lloyds or other insurance carrier licensed to transact business in the State of Texas other than as excepted herein.

Nothing contained in this article shall be so construed as to affect or apply to orders, societies, or associations which admit to membership only persons engaged in one or more crafts or hazardous occupations in the same or similar lines of business, and the ladies' societies, or ladies' auxiliary to such orders, societies or associations, or any secretary of a Labor Union or organization, or any secretary or agent of any fraternal benefit society, which does not operate at a profit.

## Application for License; To Whom License May be Issued

Sec. 3. (a) When any person, partnership or corporation shall desire to engage in business as a local recording agent for an insurance company, or insurance carrier, he or it shall make application for a license to the State Board of Insurance, in such form as the Board may require. Such application shall bear a signed endorsement by a general, state or special agent of a qualified insurance company, or insurance carrier that applicant or each member of the partnership or each stockholder of the corporation is a resident of Texas, trustworthy, of good character and good reputation, and is worthy of a license.

(b) The Board shall issue licenses to individuals or to individuals engaging as partners in the insurance business, provided the names of all persons interested in any such partnership are named in the license, and each named as active in the business of the partnership qualify, and it be established that none not active have interest in the partnership principally to have written and be compensated therefor for insurance on property controlled through ownership, mortgage or sale, family relationship, or employment; and provided further, that all licensed agents must be residents of Texas. Provided, that a person who may reside in a town through which the state line may run and whose residence is in the town in the adjoining state may be licensed, if his business office is being maintained in this state. All persons acting as agent or solicitor for health and accident insurance within the provisions hereof, and who represent only fire and casualty companies, and not life insurance companies, shall be required to procure only one license, and such license as is required under the provisions of this article.

(c) The Board shall issue a license to a corporation if the Board finds:

(1) That the corporation is a Texas corporation organized or existing under the Texas Business Corporation Act having its principal place of business in the State of Texas and having as one of its purposes the authority to act as a local recording agent; and

(2) That every officer, director and shareholder of the corporation is individually licensed as a local recording agent under the provisions of this Insurance Code; and

(3) That such corporation will have the ability to pay any sums up to Twenty-Five Thousand Dollars (\$25,000.00) which it might become legally obligated to pay on account of any claim made against it by any customer and caused by any negligent act, error or omission of the corporation or any person for whose acts the corporation is legally liable in the conduct of its business as a local recording agent. The term "customer" as used herein shall mean any person, firm or corporation to whom such corporation sells or attempts to sell a policy of insurance, or from whom such corporation accepts an

application for insurance. Such ability shall be proven in one of the following ways:

(a) An errors and omissions policy issued by an insurance company licensed to do business in the State of Texas insuring such corporation against errors and omissions in at least the sum of Fifty Thousand Dollars (\$50,000.00), with no more than a Two Thousand Five Hundred Dollars (\$2,500.00) deductible feature; or

(b) A bond executed by such corporation as principal and a surety company authorized to do business in this state, as surety, in the principal sum of Twenty-Five Thousand Dollars (\$25,000.00), payable to the State Board of Insurance for the use and benefit of customers of such corporation, conditioned that such corporation shall pay any final judgment recovered against it by any customer; or

(c) A deposit of cash or securities of the class authorized by Articles 2.08 and 2.10 of this Code, having a fair market value of Twenty-Five Thousand Dollars (\$25,000.00) with the State Treasurer. The State Treasurer is hereby authorized and directed to accept and receive such deposit and hold it exclusively for the protection of any customer of such corporation recovering a final judgment against such corporation. Such deposit may be withdrawn only upon filing with the Board evidence satisfactory to it that the corporation has withdrawn from business, and has no unsecured liabilities outstanding, or that such corporation has provided for the protection of its customers by furnishing an errors and omissions policy or a bond as hereinbefore provided. Securities so deposited may be exchanged from time to time for other qualified securities.

A binding commitment to issue such a policy or bond, or the tender of such securities, shall be sufficient in connection with any application for license.

Nothing contained herein shall be construed to permit any unlicensed employee or agent of any corporation to perform any act of a local recording agent without obtaining a local recording agent's license. The Board shall not require a corporation to take the examination provided in Section 6 of this Article 21.14.

If at any time, any corporation holding a local recording agent's license does not maintain the qualifications necessary to obtain a license, the license of such corporation to act as a local recording agent shall be cancelled or denied in accordance with the provisions of Sections 16, 17 and 18 of this Article 21.14; provided, however, that should any person who is not a licensed local recording agent acquire shares in such a corporation by devise or descent, they shall have a period of ninety (90) days from

date of acquisition within which to obtain a license as a local recording agent or to dispose of the shares to a licensed local recording agent.

Should such an unlicensed person acquire shares in such a corporation and not dispose of them within said period of ninety (90) days to a licensed local recording agent, then they must be purchased by the corporation for their book value, that is, the value of said shares of stock as reflected by the regular books and records of said corporation, as of the date of the acquisition of said shares by said unlicensed person. Should the corporation fail or refuse to so purchase such shares, its license shall be cancelled.

Any such corporation shall have the power to redeem the shares of any shareholder, or the shares of a deceased shareholder, upon such terms as may be agreed upon by the Board of Directors and such shareholder or his personal representative, or at such price and upon such terms as may be provided in the Articles of Incorporation, the Bylaws, or an existing contract entered into between the shareholders of the corporation.

Each corporation licensed as a local recording agent shall file, under oath, a list of the names and addresses of all of its officers, directors and shareholders with its yearly application for renewal license.

Each corporation licensed as a local recording agent shall immediately notify the State Board of Insurance upon any change in its officers, directors or shareholders.

The term "firm" as it applies to local recording agents in Sections 2, 12 and 16 of this Article 21.14 shall be construed to include corporations.

**Persons other than Licensed Local Recording Agents Who May Share in Profits of Local Recording Agent**

Sec. 3a. (1) Upon the death of a duly licensed local recording agent who is a member of an agency partnership, the surviving spouse and children, if any, of such deceased partner, or a trust for such surviving spouse and children, may share in the profits of such agency partnership during the lifetime of such surviving spouse or such children, as the case may be, if and as provided by a written partnership agreement, or in the absence of any written agreement, if and as agreed by the surviving partner or partners and the surviving spouse, the trustee, and the legal representative of the surviving child or children. Such surviving spouse and any such surviving children or trusts shall not be required to qualify as local recording agents to participate in such profits, but shall not do or perform any act of a local recording agent on behalf of such partnership without having qualified as a local recording agent; provided, however, that a duly licensed local recording agent who is a member of an agency partnership may, with the approval of the other members of the partnership, transfer an interest in the agency partnership to his children or a trust for same, and may operate such interest for

their use and benefit; and such children or trusts may share in the profits of such agency partnership. Such child or children or trusts shall not be required to qualify as a local recording agent to participate in such profits, but shall not do or perform any act of a local recording agent on behalf of such partnership without having qualified as a local recording agent.

(2) Upon the death of a duly licensed local recording agent, who is not a member of an agency partnership, unless otherwise provided by the last will of such deceased agent, the surviving spouse and children, if any, of such deceased agent, or a trust for such spouse or children, may share in the profits of the continuance of the agency business of said deceased agent, provided such agency business is continued by a duly licensed local recording agent. Said surviving spouse, trusts or children, may participate in such profits during the lifetime of such surviving spouse and said children. Said surviving spouse, trusts or children shall not be required to qualify as local recording agents in order to participate in the profits of such agency, but shall not do or perform any act of a local recording agent in connection with the continuance of such agency business without first having been duly licensed as a local recording agent; provided, however, that a duly licensed local recording agent who is not a member of an agency partnership may transfer an interest in his agency to his children, or a trust for same, and may operate such interest for their use and benefit; and such children may share in the profits of such local recording agency during their lifetime, and during such time shall not be required to qualify as a local recording agent in order to participate in such profits, but shall not do or perform any act of a local recording agent in connection with such agency business without first having been duly licensed as a local recording agent.

(3) Except as provided in Subsections (1) and (2) above, and as may be provided in Section 6a, Article 21.14 of the Texas Insurance Code, no person shall be entitled to perform any act of a local recording agent nor in any way participate as a partner in the profits of any local recording agent, without first having qualified as a duly licensed local recording agent and having successfully passed the examination required by the Texas Insurance Code; provided, however, that all persons, or trusts for any person, that received licenses before March 1, 1963, as silent, inactive or non-active partners, or who are silent, inactive or non-active partners in an agency which was so qualified before such date, shall continue to receive licenses, or renewals thereof, as partners in such agency or in any successor agency, providing: (a) that such persons are members of an agency in which there is at least one partner who has qualified as a duly licensed local recording agent; (b) that such non-active partner or partners do not actively solicit insurance; and (c) that such agency is not a limited partnership.

## Acting Without License Forbidden

Sec. 4. It shall be unlawful for any person, firm, partnership or corporation or any officer, director or shareholder of a corporation to act as a local recording agent or solicitor in procuring business for any insurance company, corporation, inter-insurance exchange, mutual, reciprocal, association, Lloyds or other insurance carrier, until he or it shall have in force the license provided for herein.

## Active Agents or Solicitors Only to be Licensed

Sec. 5. No license shall be granted to any person, firm, partnership or corporation, either as a local recording agent or solicitor, for the purpose of writing any form of insurance, unless it is found by the State Board of Insurance that such person, firm, partnership or corporation, is or intends to be, actively engaged in the soliciting or writing of insurance from the public generally; that each person or individual of a firm is a resident of Texas, of good character and good reputation, worthy of a license, and is to be actively engaged in good faith in the business of insurance, and that the application is not being made in order to evade the laws against rebating and discrimination either for the applicant or for some other person, firm, partnership or corporation. Nothing herein contained shall prohibit an applicant insuring property which the applicant owns or in which the applicant has an interest; but it is the intent of this Section to prohibit coercion of insurance and to preserve to each citizen the right to choose his own agent or insurance carrier, and to prohibit the licensing of an individual, firm, partnership or corporation to engage in the insurance business principally to handle business which the applicant controls only through ownership, mortgage or sale, family relationship or employment, which shall be taken to mean that an applicant who is making an original application for license shall show the State Board of Insurance that he or it has a bona fide intention to engage in business in which at least twenty-five per cent (25%) of the total volume of premiums shall be derived from persons or organizations other than applicant and from property other than that on which the applicant shall control the placing of insurance through ownership, mortgage, sale, family relationship or employment; and which shall be taken to mean, in the case of application for renewal of license, that at least twenty-five per cent (25%) of applicant's total volume of premiums, during the year preceding such application for renewal, shall have been derived from persons other than applicant and from property other than that on which the applicant controlled the placing of insurance through ownership, mortgage, sale, family relationship or employment. Nothing herein contained shall be construed to authorize a corporation to receive a license as a solicitor.

## Requirement as to Knowledge or Instruction for Local Recording Agent's License

Sec. 5a. (a) Every applicant for local recording agent's license from and after October 1, 1971, shall

upon the successful passage of the examination for local recording agent's license as promulgated by the State Board of Insurance pursuant to the provisions of this Article 21.14 be issued a temporary local recording agent's license. The holder of a temporary local recording agent's license shall have the same authority and be subject to the same provisions of the law as local recording agents until such temporary license shall expire. Each such temporary license so issued shall expire upon the happening of any one of the following, whichever shall first occur, to wit:

Upon the successful completion of any one of the above courses of study within the one year period, the temporary agent shall then be entitled to receive from the State Board of Insurance his local recording agent's license.

- (6) To any person desiring to apply for a license to solicit and write exclusively all forms of insurance authorized to be solicited and writ-

Such person shall continue to apply for and qualify to be licensed under the other provisions of Article 21.14 of the Insurance Code of Texas. Provided, such applicant shall be required to take and pass, to the satisfaction of the State Board of Insurance, an examination, promulgated by said Board, covering only those forms of insurance referred in this paragraph. Provided, when such a person so applies and qualifies, he shall be issued a license which shall contain on the face of said license the following language: "Agent's license to solicit and write all forms of motor vehicle insurance only." An agent holding such a limited license hereby created shall solicit only those forms of insurance hereinabove provided, but shall be subject to all other laws relating to local recording agents.

(c) There is hereby created an Agents' Education Advisory Board whose duties shall be to advise with and make recommendations to the State Board of Insurance concerning the curriculum, course content and schools to be approved under Subsection (a) above. The members of said Advisory Board shall be appointed by the chairman of the State Board of Insurance and shall serve for one year, from September 1 to August 31, or until their successors are appointed. Said Advisory Board shall be composed of the following persons: Two (2) members, each of whom shall be a resident of Texas and have a minimum of ten (10) years' experience as an executive of a fire and casualty company doing business in Texas and whose company operates an agents' school; two (2) members, each of whom shall be a licensed local recording agent in Texas with a minimum of ten (10) years' experience as an agent; and one (1) member who shall be a teacher of insurance at a four-year accredited college or university in Texas. Any applicant for local recording agent's license who has prior to the date of such

application been licensed as a local recording agent, shall be entitled to a local recording agent's license without examination, provided the other requirements of this article are met. Provided, further, that printed copies of a manual of questions and answers thereto pertaining to the examination published under the direction of the Board of Insurance Commissioners shall be made available to all companies, general agents, and managers for the use of their prospective agents, to all agents for the use of their prospective solicitors in preparing for such examination. The questions to be asked on such examination shall be based upon the questions and answers contained in the manual.

Sec. 8. Every license issued to a local recording agent shall expire one year from the date of its issue, unless an application to qualify for the renewal of any such license shall be filed with the Board of Insurance Commissioners and fee paid on or before such date, in which event the license sought to be renewed shall continue in full force and effect until renewed or renewal is denied. Every license issued to a solicitor for a local recording agent shall expire on the same date that the license of the local record-

order to determine whether such person has been or is engaged in any unfair method of competition or in any unfair or deceptive act or practice prohibited by Section 3 of this Act.

Hearings, Witnesses, Appearances, Production of Books and Service of Process

Sec. 6. (a) Whenever the Board shall have reason to believe that any such person has been engaged or is engaging in this state in any unfair method of competition or any unfair or deceptive act or practice defined in Section 4, and that a proceeding by it in respect thereto would be to the interest of the public, it shall issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon to be held at a time and place fixed in the notice, which shall not be less than five days after the date of the service thereof;

(b) At the time and place fixed for such hearing, such person shall have an opportunity to be heard and to show cause why an order should not be made by the Board requiring such person to cease and desist from the acts, methods or practices so complained of. Upon good cause shown, the Board shall permit any person to intervene, appear and be heard at such hearing by counsel or in person;

(c) Nothing contained in this Act shall require the observance at any such hearing of formal rules of pleading or evidence;

(d) The Board, upon such hearing, may administer oaths, examine and cross-examine witnesses, receive oral and documentary evidence, and shall have the power to subpoena witnesses, compel their attendance, and require the production of books, papers, records, correspondence, or other documents which it deems relevant to the inquiry. The verified return by the person so serving such

statement, notice, order, or other process, setting forth the manner of such service, shall be proof of the same, and the return postcard receipt for such statement, notice, order or other process, registered and mailed as aforesaid, shall be proof of the service of the same.

Cease and Desist Orders

Sec. 7. (a) If, after such hearing under the terms of Section 6 of the Act, the Board shall determine that the method of competition or the act or practice in question is defined in Section 4 of this Article, or rules or regulations issued under this Article, or in Section 17.46 of the Business & Commerce Code, as amended, and that the person complained of has engaged in such method of competition, act or practice of violation of this Article or rules and regulations issued under this Article or of the Deceptive Trade Practices—Consumer Protection Act (Sections 17.41 et seq., Business & Commerce Code), as specified in Section 17.46 of the Business & Commerce Code, it shall reduce its findings to writing and issue and cause to be served upon the person charged with the violation an order requiring such person to cease and desist from engaging in such method of competition, act or practice.

(b) Until a petition appealing from such order shall have been filed in a District Court of Travis County, Texas, in accordance with Subchapter F of Chapter 21 of the Insurance Code of this state,<sup>2</sup> or any amendment thereof, the Board may at any time, upon such notice and in such manner as it shall deem proper, modify or set aside in whole or in part any order issued under this section.

(c) Any person who violates the terms of a cease and desist order under this section shall be given notice to appear and show cause, at a hearing to be held in conformity with Section 6 of this Article, why he should not forfeit and pay to the state a civil penalty of not more than \$1,000 per violation and not to exceed a total of \$5,000. In determining whether or not a cease and desist order has been violated, the Board shall take into consideration the maintenance of procedures reasonably adapted to insure compliance with the order.

(d) An order of the Board awarding civil penalties under Subsection (c) of this section applies only to violations of this order incurred prior to the awarding of the penalty order.

No Relief from Liability Under Other Laws

Sec. 8. No order of the Board under this Act or order of a court to enforce the same shall in any way relieve or absolve any person affected by such order from any liability under any other laws of this state.

Sec. 11. The powers vested in the Board by this Act shall be additional to any other powers to enforce any penalties, fines or forfeitures authorized by law with respect to the methods, acts and practices hereby declared to be unfair or deceptive.

Immunity from Prosecution

Sec. 12. If any person shall ask to be excused from attending and testifying or from producing any books, papers, records, correspondence or other documents at any hearing on the ground that the testimony or evidence required of him may tend to incriminate him or subject him to a penalty or forfeiture, and shall notwithstanding be directed to give such testimony or produce such evidence, he must nonetheless comply with such direction, but he shall not thereafter be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he may testify or produce evidence pursuant thereto, and no testimony so given or evidence produced shall be received against him upon any criminal action, investigation or proceeding; provided, however, that no such individual so testifying shall be exempt from prosecution or punishment for any perjury committed by him while so testifying and the testimony or evidence so given or produced shall be admissible against him upon any criminal action, investigation or proceeding concerning such perjury, nor shall he be exempt from the refusal, revocation or suspension of any license, permission or authority conferred, or to be conferred, pursuant to the Insurance Code of this state. Any such individual may execute, acknowledge and file in the office of the Board a statement expressly waiving such immunity or privilege in respect to any transaction, matter or thing specified in such statement and thereupon the testimony of such person or such evidence in relation to such transaction, matter or thing may be received or produced before any judge or justice, court, tribunal, grand jury or otherwise, and if so received or produced such individual shall not be entitled to any immunity or privilege on account of any testimony he may so give or evidence so produced.

Rules and Regulations

Sec. 13. (a) The State Board of Insurance is authorized to promulgate and may promulgate and enforce reasonable rules and regulations and may order such provision as is necessary in the accomplishment of the purposes of this Article and Article 21.20, including, but not limited to, such express provision within the purposes of these Articles as it deems necessary or as is required to affect necessary uniformity with the laws of other states or the United States or in conformity with the adopted procedures of the National Association of Insurance Commissioners notwithstanding any previous definition or interpretation of terms used in these Articles had in or derived from the common law or other statutory law of this state.

(b) A petition may be submitted to the Board to adopt, amend, or repeal a regulation. The petition must be signed by 100 interested persons and supported by evidence that a particular act or practice has been or could be false, misleading or deceptive to the insurance buying public, or that an act or practice declared to be false, misleading, or deceptive by a regulation of the Board is not in fact false, misleading, or deceptive. Within 30 days after receipt of the petition the Board must either deny the petition or initiate hearing proceedings under this section.

(c) On denial of the petition the Board must state the reason or reasons for denial in writing. Denial is expressly authorized if the action sought by the petition would destroy uniformity with the laws of other states or of the United States or would not be in conformity with the adopted procedures of the National Association of Insurance Commissioners.

(d) If in response to the petition the Board determines to hold a hearing, such hearing shall be open to the public and any person may present testimony, data, or other information in writing or orally to the Board regarding the acts or practices under consideration.

(e) A person aggrieved by the denial of the hearing under Subsection (b) of this section or by the adoption, amendment, or repeal of a regulation or failure to issue a regulation under this section, may file a petition in a district court of Travis County for a declaratory judgment on the validity or applicability of a regulation adopted, amended, or repealed under this section or on the denial of a hearing under Subsection (b) of this section. The Board shall be made a party to the action. In a suit under this subsection the district court may issue injunctions.

(f) The action of the Board in adopting, amending, repealing, or failing to adopt a regulation or denying a hearing may be invalidated only if it is found that it:

- (1) violates a constitutional or state statutory provision;
- (2) exceeds the statutory authority of the Board;

(3) is arbitrary or capricious or characterized by abuse of discretion or unwarranted exercise of discretion;

(4) is so vague that it does not establish sufficiently definite standards with which conduct can be conformed;

(5) is made on unlawful procedure; or

(6) is clearly erroneous in view of the reliable, probative, and substantial evidence in the whole record as submitted.

#### Administrative Class Action

Sec. 14. (a) In connection with the issuance of a cease and desist order as provided in Section 7 of this Article or upon application of any aggrieved person, the Board may, after notice and hearing as provided in Section 6 of this Article, in connection with the issuance of a cease and desist order resulting from a finding that an insurer has engaged in a method of competition, act or practice in violation of this Article, rules or regulations issued under this Article, or Section 17.46, Business & Commerce Code, as amended, or upon finding by the Board that the aggrieved person and persons similarly situated were induced to purchase a policy of insurance as a result of the insurer engaging in a method of competition, act or practice in violation of this Article, rules or regulations issued under this Article or Section 17.46, Business & Commerce Code, as amended, the Board may require the insurer to account for all premiums collected for policies issued during the immediately preceding two years in connection with such acts in violation of this Article and require: (i) such insurer to give notice to all persons from whom such premiums were collected, and (ii) to refund the total of all premiums collected from each such person, electing to accept a premium refund in exchange for cancellation of the policy of insurance issued. Premiums so refunded shall be net of policy benefits actually paid by such insurer while the policy of insurance was in force. The Board shall specify a reasonable time within which the insurer shall be required to make such premium refunds.

(b) If an insurer fails to comply with the Board's requirement to refund such premiums within the time specified, the Board may, in addition to any other sanctions provided for in the Insurance Code and other applicable laws, report such failure to the Attorney General and request the Attorney General to file a suit to enforce the Board's requirement for refund of premiums. Venue for such suit shall lie in the District Court of Travis County, Texas, and upon finding by the court that such requirement of the Board was lawfully entered and that the insurer has failed to comply with such requirement, the Court shall enter an appropriate order to enforce such Board order. The Court may enforce its order through contempt proceedings.

(c) Compliance or attempts to comply with the Board's requirement to refund premiums shall be an offer to compromise and shall be inadmissible as

evidence. Compliance or attempts to comply with the Board's requirement for refund of premium shall not be considered as admission of engaging in an unlawful act or practice. Evidence of compliance or attempts to comply with the Board's requirements of refund or premium may be introduced by the defendant for the purpose of establishing good faith or to show compliance with the Board's requirement.

#### Injunctions

Sec. 15. (a) If the Board has reason to believe that any person in the insurance business in this state is engaging in, has engaged in, or is about to engage in any act or practice declared to be unlawful by this Article or rules or regulations issued under this Article or by Section 17.46 of the Business & Commerce Code, as amended, and that proceedings would be in the public interest, the Board may request the Attorney General to bring an action in the name of the state against the person to restrain by temporary or permanent injunction the use of such method, act, or practice.

(b) An action brought under Subsection (a) of this section may be commenced in the district court of the county in which the person against whom it is brought resides, has his principal place of business, is doing business, or in the district court of the county where the transaction occurred or any substantial portion of the transaction occurred, or in a district court of Travis County. The court may issue appropriate temporary or permanent injunctions, and the injunctions shall be issued without bond.

(c) In addition to the request for a temporary or permanent injunction in a proceeding brought under Subsection (a) of this section, the Attorney General, on a finding by the court that the defendant has engaged or is engaging in a practice declared to be unlawful by Article 17.46 of the Business & Commerce Code, as amended, this Article, or rules or regulations issued under this Article, may request a civil penalty of not more than \$2,000 per violation and not to exceed a total of \$10,000 to be paid to the state.

(d) The court may make such additional orders or judgments as are necessary to compensate identifiable persons for actual damages or restoration of money or property, real or personal, which may have been acquired by means of any act or practice restrained. Damages may not include any damages incurred beyond a point two years prior to the institution of the action.

(e) Any person who violates the terms of an injunction under this section shall forfeit and pay to the state a civil penalty of not more than \$10,000 per violation not to exceed \$50,000. In determining whether or not an injunction has been violated the court shall take into consideration the maintenance of procedures reasonably adapted to insure compliance with the injunction. For the purposes of this section, the district court issuing the injunction shall retain jurisdiction, and the cause shall be continued,

and in such cases, the Attorney General with prior notice to the Board, acting in the name of the state, may petition for recovery of civil penalties under this section.

(f) An order of the court awarding civil penalties under Subsection (e) of this section applies only to violations of the injunction incurred prior to the awarding of the penalty order. Second or subsequent violations of an injunction issued under this section are subject to the same penalties set out in Subsection (e) of this section.

#### Relief Available to Injured Parties

Sec. 16. (a) Any person who has been injured by another's engaging in any of the practices declared in Section 4 of this Article or in rules or regulations lawfully adopted by the Board under this Article to be unfair methods of competition and unfair and deceptive acts or practices in the business of insurance or in any practice defined by Section 17.46 of the Business & Commerce Code, as amended, as an unlawful deceptive trade practice may maintain an action against the company or companies engaging in such acts or practices.

(b) In a suit filed under this section, any plaintiff who prevails may obtain:

- (2) an order enjoining such acts or failure to act;
- (3) any other relief which the court deems proper.

(c) On a finding by the court that an action under this section was groundless and brought in bad faith or for the purpose of harassment, the court may award to the defendant reasonable attorneys' fees in relation to the amount of work expended.

(d) In an action under this section, damages may not include any damages incurred beyond a point two years prior to the institution of the action.

#### Class Actions

Sec. 17. (a) If a member of the insurance buying public has been damaged by an unlawful method, act, or practice defined in Section 4 of this Article or by the rules and regulations lawfully adopted by the Board under this Article or by any practice defined by Section 17.46 of the Business & Commerce Code, as amended, as an unlawful deceptive trade practice, the Board may request the Attorney General to bring a class action, or the individual damaged may bring an action on behalf of himself and others similarly situated, to recover damages and relief as provided in this section.

(b) A plaintiff who prevails in a class action under this section may recover:

- (1) court costs and attorneys' fees reasonable in relation to the amount of work expended in addition to actual damages;

(2) an order enjoining the act or failure to act;

(3) any other relief which the court deems proper.

(c) On a finding by the court that an action under this section was brought by an individual plaintiff in bad faith or for the purpose of harassment, the court may award to the defendant reasonable attorneys' fees in relation to the work expended and court costs.

(d) In an action under this section, damages may not include any damages incurred beyond a point two years prior to the institution of the action.

(e) An action under this section may not be maintained if an administrative class action under Section 14 of this Article has been initiated or has resulted in a final determination regarding the same acts or practices and the same defendant in the action under this section.

#### Class Action: Procedure

Sec. 18. (a) The court shall permit one or more members of a class to sue or be sued as representative parties on behalf of the class only if:

- (1) the class is so numerous that joinder of all members is impracticable;
- (2) there are questions of law or fact common to the class;
- (3) the claims or defenses of the representative parties are typical of the claims or defenses of the class; and
- (4) the representative parties will fairly and adequately protect the interests of the class.

(b) An action may be maintained as a class action if the prerequisites of Subsection (a) of this section are satisfied and in addition:

(1) the prosecution of separate actions by or against individual members of the class would create a risk of:

(A) inconsistent or varying adjudications with respect to individual members of the class which would establish incompatible standards of conduct for the party opposing the class; or

(B) adjudication with respect to individual members of the class which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests; or

(2) the party opposing the class has acted or refused to act on ground generally applicable to the class, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to the class as a whole; or

(3) the court finds that the questions of law or fact common to the members of the class predominate over any questions affecting only

individual members, and that a class action is superior to other available methods for the fair and efficient adjudication of the controversy. The matters pertinent to the findings include:

(A) the interest of members of the class in individually controlling the prosecution or defense of separate actions;

(B) the extent and nature of any litigation concerning the controversy already commenced by or against members of the class;

(C) the desirability or undesirability of controversy concentrating the litigation of the claims in the particular forum; and

(D) the difficulties likely to be encountered in the management of a class action.

(c) In construing this section, the courts of Texas shall be guided by the decisions of the federal courts interpreting Rule 23, Federal Rules of Civil Procedure, as amended.

(d) As soon as practicable after the commencement of an action brought as a class action, the court shall determine by order whether it is to be maintained as a class action. An order under this subsection may be altered or amended before a decision on the merits. An order determining that the action may or may not be brought as a class action is an interlocutory order which is appealable and the procedures provided in Rule 385, Texas Rules of Civil Procedure, apply.

(e) If the action is permitted as a class action, the court shall direct to the members of the class the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort.

(f) The notice shall contain a statement that:

(1) the court will exclude the member notified from the class if he so requests by a specified date;

(2) the judgment, whether favorable or not, will include all members who do not request exclusion; and

(3) any member who does not request exclusion, if he desires, may enter an appearance through counsel.

(g) A class action may not be dismissed, settled, or compromised without the approval of the court, and notice of the proposed dismissal, settlement, or compromise shall be given to all members of the class in such manner as the court directs.

(h) When appropriate, an action may be brought or maintained as a class action with respect to particular issues or a class may be divided into subclasses and each subclass treated as a class, and the provisions of this section shall be construed and applied accordingly.

(i) The judgment in a class action shall describe those to whom the notice was directed and who have not requested exclusion and those the court finds to be members of the class. The court shall direct to

the members of the class the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort.

(j) In the conduct of a class action the court may make appropriate orders:

(1) determining the course of proceedings or prescribing measures to prevent undue repetition or complication in the presentation of evidence or argument;

(2) requiring, for the protection of the members of the class or otherwise for the fair conduct of the action, that notice be given in such manner as the court may direct to some or all of the members or to the Attorney General of any step in the action, or of the proposed extent of the judgment, or of the opportunity of members to signify whether they consider the representation fair and adequate, to intervene and present claims or defenses, or otherwise to come into the action;

(3) imposing conditions on the representative parties or on intervenors;

(4) requiring that the pleadings be amended to eliminate allegations as to representation of absent persons, and that the action proceed accordingly; or

(5) dealing with similar procedural matters.

(k) The filing of a suit under this section tolls the statute of limitations for bringing a suit by an individual under Section 16 of this Article. An order of the court denying the bringing of a suit as a class action does not affect the ability of an individual to bring the same or a similar suit under Section 16 of this Article.

#### Preliminary Notice

Sec. 19. (a) At least 30 days prior to the commencement of a class action suit for damages under Section 17 of this Article, the prospective plaintiff must notify the intended defendant of his complaint and make demand that the defendant provide relief to the prospective plaintiff and others similarly situated. A copy of the notice must also be sent to the commissioner of insurance.

(b) The notice must be in writing and sent by certified or registered mail, return receipt requested, to the place where the transaction occurred, the intended defendant's principal place of business in this state, or if neither will effect notice, to the office of the Secretary of State of Texas.

(c) An action for injunctive relief under Section 17 of this Article may be commenced without compliance with Subsection (a) of this section. Not less than 30 days after the commencement of an action for injunctive relief, and after compliance with the provisions of Subsection (a) of this section, the plaintiff may amend his complaint without leave of court to include a request for damages.

(d) No damages may be awarded to a class under Section 17 of this Article if within 30 days of receipt of the notice the intended defendant furnished the plaintiff, by certified or registered mail, return receipt requested, a written offer of settlement. The offer of settlement must include a statement that:

(1) all others similarly situated have been adequately identified or a reasonable effort to identify such others has been made, and a description of the class so identified and the method employed to identify them;

(2) all persons so identified have been notified that upon request the intended defendant will provide relief to them and all others similarly situated, and a complete explanation of the relief being afforded and a copy of the notice or communication which the intended defendant is providing to the members of the class;

(3) the relief being afforded the consumer has been, or if said offer is accepted by the consumer, will be given within a stated reasonable time; and

(4) the practice complained of has ceased.

(e) Attempts to comply with the provisions of this section by a person receiving a demand shall be an offer to compromise and shall be inadmissible as evidence. Attempts to comply with a demand shall not be considered an admission of engaging in an unlawful act or practice. Evidence of compliance or attempts to comply with the provisions of this section may be introduced by a defendant for the purpose of establishing good faith or to show compliance with the provisions of this section.

Damages: Defense

Sec. 20. No award of damages may be given in any class action filed under Section 17 of this Article if the defendant:

(1) proves that the action complained of resulted from a bona fide error notwithstanding the use of reasonable procedures adopted to avoid any error; and

(2) made restitution of any consideration received from any member of the class.

Venue

Sec. 21. Any action brought under this Article shall be commenced in a district court of Travis County, Texas, if the State Board of Insurance is a party thereto.

Voluntary Compliance

Sec. 22. (a) In the administration of this Article the Board may accept assurance of voluntary compliance with respect to any act or practice which violates this Article or regulations issued under this Article or any act declared to be unlawful in Section 17.46 of the Business & Commerce Code, as amended, from any person who is engaging in, has engaged in, or is about to engage in the act or practice. The

assurance shall be in writing and shall be filed with the Board.

(b) The acceptance of an assurance of voluntary compliance may be conditioned on the stipulation that the person in violation of this Article or regulations issued under this Article, or Section 17.46, Business & Commerce Code, as amended, restore to any person in interest any money which may have been acquired by means of acts or practices which violate this Article or regulations issued under this Article, or Section 17.46, Business & Commerce Code, as amended.

(c) An assurance of voluntary compliance shall not be considered an admission of prior violation of this Article or regulations issued under this Article or Section 17.46, Business & Commerce Code, as amended. However, unless an assurance has been rescinded by agreement, subsequent failure to comply with the terms of an assurance is prima facie evidence of a violation of this Article or regulations issued under this Article or Section 17.46, Business & Commerce Code, as amended.

(d) Matters closed by the filing of an assurance of voluntary compliance may be reopened at any time. Assurance of voluntary compliance shall in no way affect individual rights of action under this Article, except that the right of individuals with regard to money received pursuant to a stipulation in the voluntary compliance under Subsection (b) of this section are governed by the terms of the voluntary compliance.

Payment of Penalties, Costs, Etc.

Sec. 23. Those civil penalties, premium refunds, judgments, compensatory judgments, individual recoveries, orders, class action awards, costs, damages, or attorneys' fees which are assessed or awarded as provided in this Article shall be paid only from the capital or surplus funds of the offending insurance company, and no such payments shall take precedence over, be in priority to, or in any manner be applicable to the provisions of Article 21.28-B, Texas Insurance Code, known as the Loss Claimant's Priorities Act, Article 21.28-C, Texas Insurance Code, known as the Property and Casualty Insurance Guaranty Act, Article 21.28-E, Texas Insurance Code, known as the Texas Life, Health and Accident Guaranty Act, any other similar insurance guaranty act hereafter enacted by the Texas Legislature, or Article 21.39-A, Texas Insurance Code, known as the Asset Protection Act, and such special statutes and the priorities of funds created thereby shall be exempt from the provisions of this Article.

#### Art. 21.21-1. Unauthorized Insurers False Advertising Process Act

##### Purpose of Act

Sec. 1. (a) The purpose of this Act is to subject to the jurisdiction of the State Board of Insurance of this state and to the jurisdiction of the courts of this state insurers not authorized to transact business in this state which place in or send into this state any false advertising designed to induce residents of this state to purchase insurance from insurers not authorized to transact business in this state. The Legislature declares it is in the interest of the citizens of this state who purchase insurance from insurers which solicit insurance business in this state in the manner set forth in the preceding sentence that such insurers be subject to the provisions of this Act. In furtherance of such state interest, the Legislature herein provides a method of substituted service of process upon such insurers and declares that in so doing, it exercises its powers to protect its residents and also exercises powers and privileges available to the state by virtue of Public Law 15, 79th Congress of the United States, Chapter 20, 1st Session, S. 340,<sup>1</sup> which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states; the authority provided herein to be in addition to any existing powers of this state.

(b) The provisions of this Act shall be liberally construed.

Definitions

Sec. 2. (a) The term "foreign or alien insurer" shall mean any insurance company organized under the laws of any other state or territory of the United States or any foreign country.

(b) "Unfair Trade Practice Act" shall mean the Act of 1957, 55th Legislature, page 401, Chapter 198, also known as Article 21.21 of the Insurance Code.

(c) "Residents" shall mean and include person, partnership or corporation, domestic, alien or foreign.

Notice to Domiciliary Supervisory Official

Sec. 3. No unauthorized foreign or alien insurer shall make, issue, circulate or cause to be made, issued or circulated, to residents of this state any advertisement, estimate, illustration, circular, pamphlet, or letter, or cause to be made in any newspaper, magazine or other publication or over any radio or television station, any announcement or statement to such residents misrepresenting its financial condition or the terms of any contracts issued or to be issued or the benefits or advantages promised thereby, or the dividends or share of the surplus to be received thereon in violation of the Unfair Trade Practice Act, and whenever the State Board of Insurance shall have reason to believe that any such insurer is engaging in such unlawful advertising, it shall be its duty to give notice of such fact by registered mail to such insurer and to the insurance supervisory official of the domiciliary state of such insurer. For the purpose of this Section, the domiciliary state of an alien insurer shall be deemed to be the state of entry or the state of the principal office in the United States.

Action by State Board of Insurance

Sec. 4. If after thirty (30) days following the giving of the notice mentioned in Section 3 such insurer has failed to cease making, issuing, or circulating such false misrepresentations or causing the same to be made, issued or circulated in this state, and if the State Board of Insurance has reason to believe that a proceeding by it in respect to such matters would be to the interest of the public, and that such insurer is issuing or delivering contracts of insurance to residents of this state or collecting premiums on such contracts or doing any of the acts enumerated in Section 5, the said Board shall take action against such insurer under the Unfair Trade Practice Act.

Service Upon Unauthorized Insurer

Sec. 5. (a) Any of the following acts in this state, affected by mail or otherwise, by any such unauthorized foreign or alien insurer:

- (1) The issuance or delivery of contracts of insurance to residents of this state,
- (2) the solicitation of applications for such contracts,

(3) the collection of premiums, membership fees, assessments or other considerations for such contracts, or

(4) any other transaction of insurance business, is equivalent to and shall constitute an appointment of such insurer of the Commissioner of Insurance of this state and his successor or successors in office, to be its true and lawful attorney, upon whom may be served all statements of charges, notices and lawful process in any proceeding instituted in respect to the misrepresentations set forth in Section 3 hereof under the provisions of the Unfair Trade Practice Act, or in any action, suit or proceeding for the recovery of any penalty therein provided, and any such act shall be signification of its agreement that such service of statement of charges, notices, or process is of the same legal force and validity as personal service of such statement of charges, notices or process in this state, upon such insurer.

(b) Service of a statement of charges and notices under said Unfair Trade Practice Act shall be made by any deputy or employee of the State Board of Insurance delivering to and leaving with the Commissioner of Insurance or some person in apparent charge of his office, two (2) copies thereof. Service of process issued by any court in any action, suit or proceeding to collect any penalty under said Act provided, shall be made by delivering and leaving with the Commissioner of Insurance, or some person in apparent charge of his office, two (2) copies thereof. The Commissioner shall forthwith cause to be mailed by registered mail one (1) of the copies of such statement of charges, notices or process to the defendant at its last known principal place of business, and shall keep a record of all statements of charges, notices and process so served. Such service of statement of charges, notices or process shall be sufficient provided they shall have been so mailed and the defendant's receipt issued by the post office with which the letter is registered, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the person mailing such letter showing a compliance herewith are filed with the Commissioner of Insurance in the case of any statement of charges or notices, or with the clerk of the court in which such action is pending in the case of any process, on or before the date the defendant is required to appear or within such further time as may be allowed.

(c) Service of statement of charges, notices and process in any such proceeding, action or suit shall in addition to the manner provided in Subsection (b) of this Section be valid if served upon any person within this state who on behalf of such insurer is:

- (1) Soliciting insurance; or
- (2) Making, issuing, or delivering any contract of insurance; or

(3) Collecting or receiving in this state any premium for insurance; and a copy of such statement of charges, notices or process is sent within ten (10) days thereafter by registered mail by or on behalf of the Commissioner of Insurance to the defendant at the last known principal place of business of the defendant, and the defendant's receipt, or the receipt issued by the post office with which the letter is registered, showing the name of the sender of the letter, the name and address of the person to whom the letter is addressed, and the affidavit of the person mailing the same showing a compliance herewith, are filed with the Commissioner of Insurance in the case of any statement of charges or notices, or with the clerk of the court in which such action is pending in the case of any process, on or before the date the defendant is required to appear or within such further time as the court may allow.

(d) No cease or desist order or judgment by default under this Section shall be entered until the expiration of thirty (30) days from the date of the filing of the affidavit of compliance.

(e) Service of process and notice under the provisions of this Act shall be in addition to all other methods of service provided by law, and nothing in this Act shall limit or prohibit the right to serve any statement of charges, notices or process upon any insurer in any other manner now or hereafter permitted by law.

**Art. 21.21-2. Unfair Claim Settlement Practices**

Short Title

Sec. 1. This Act shall be known as the Unfair Claim Settlement Practices Act.

Prohibited Practices

Sec. 2. No insurer doing business in this state under the authority, rules and regulations of Subchapter G of Chapter 3 or Subchapters A, B and C of Chapter 5 of the Insurance Code, as amended,<sup>1</sup> shall engage in unfair claim settlement practices. Any of the following acts by an insurer, if committed without cause and performed with such frequency as determined by the State Board of Insurance as provided for in this Act, shall constitute unfair claim settlement practices:

(a) Knowingly misrepresenting to claimants pertinent facts or policy provisions relating to coverages at issue;

(b) Failing to acknowledge with reasonable promptness pertinent communications with respect to claims arising under its policies;

(c) Failing to adopt and implement reasonable standards for prompt investigation of claims arising under its policies;

(d) Not attempting in good faith to effectuate prompt, fair, and equitable settlements of claims submitted in which liability has become reasonably clear;

(e) Compelling policyholders to institute suits to recover amounts due under its policies by offering substantially less than the amounts ultimately recovered in suits brought by them;

(f) Failure of any insurer to maintain a complete record of all the complaints which it has received during the preceding three years or since the date of its last examination by the commissioner of insurance, whichever time is shorter. This record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of these complaints and the time it took to process each complaint. For the purposes of this subsection, "complaint" means any written communication primarily expressing a grievance; or

(g) Committing other actions which the State Board of Insurance has defined, by regulations adopted pursuant to the rule-making authority granted it by this Act, as unfair claim settlement practices.

<sup>1</sup> Article 3.70-1 et seq. and art. 5.01 et seq.

Periodic Reports

Sec. 3. If it shall be found by the State Board of Insurance, based on complaints of unfair claims settlement practices as defined in Section 2 of this Act, that an insurer is substantially out of line and should be subjected to closer supervision with respect to such practices, it may require such insurer to file a report at such periodic intervals as the board deems necessary. The board shall also devise a statistical plan for such periodic reports, which is to contain a minimum of the following information:

(a) The total number of written claims filed, including the original amount filed for by the insured and the classification by line of insurance of each individual written claim, for the past 12 month period or from the date of the insurer's last periodic report, whichever time is shorter;

(b) The total number of written claims denied, for the past 12 month period or from the date of the insurer's last periodic report, whichever time is shorter;

(c) The total number of written claims settled, including the original amount filed for by the insured, the settled amount, and the classification of line of insurance of each individual settled claim, for the past 12 month period or

from the date of the insurer's last periodic report, whichever time is shorter;

(d) The total number of written claims for which lawsuits were instituted against the insurer, including the original amount filed for by the insured, the amount of final adjudication, the reason for the lawsuit and the classification by line of insurance of each individual written claim, for the past 12 month period or from the date of the insurer's last periodic report, whichever time is shorter; and

(e) All information required by Subsection (f) of Section 2 of this Act.

For the purposes of this section, "written claim" shall include only those claims reduced to writing and filed by a Texas resident with an insurer as defined in Section 2 of this Act. The board may, at any time, rescind the requirement to file periodic reports if it finds that such requirement is no longer necessary to accomplish the objectives set out in this Act.

Investigation Procedures

Sec. 4. (a) The commissioner is authorized to hire additional employees and examiners as needed for the effective enforcement of the provisions of this Act.

(b) The commissioner shall compile the information received from an insurer pursuant to Section 3 of this Act in such a manner as to enable him to compare it to a minimum standard of performance which shall be promulgated by the State Board of Insurance. If the commissioner, after such comparison is made, finds that the insurer falls below the minimum standard of performance, he shall cause an investigation to be made of said insurer as to the reason, if any, for said substandard performance.

(c) The commissioner shall also provide for the receiving and processing of individual complaints alleging violations of this Act by both insurers who are required to make periodic reports and those who are not required to make such reports. If the commissioner in his complaint experience determines that the number and type of complaints against an insurer do not meet the board's minimum standard of performance and/or are out of proportion to those against other insurers writing similar lines of insurance, he shall cause an investigation to be made of the respective insurer.

Hearings

Sec. 5. (a) Upon the receipt of the results of an investigation instituted pursuant to Section 4 of this Act, the commissioner shall review the results and shall determine whether, in the light of the standards set out in Section 2 of this Act, further action is required. If the commissioner deems further action necessary, he shall set a date for a public hearing to review the alleged violations of this Act. At such public hearings, the accused insurer shall be permit-

ted to present his case with the assistance of counsel. Any evidence as to numbers and types of complaints or claims prepared by the commissioner, pursuant to Sections 3 and 4 of this Act, shall be admissible in evidence in such hearings or any judicial proceeding pursuant thereof. Notice as to the date of such hearing and the nature of the charges is to be given the insurer not later than 30 days prior to the date set for the hearing. Such hearings are to be conducted pursuant to the rules and regulations promulgated by the State Board of Insurance and the provisions of the Insurance Code, as amended. Provided, that no insurer shall be deemed in violation of this Act solely by reason of the numbers and types of such complaints or claims.

(b) Any insurer which is affected by any ruling or action of the commissioner shall have the right to have such ruling or action reviewed by the State Board of Insurance by making an application to the board as provided for in Article 1.04 of the Insurance Code, as amended.

Penalties: Judicial Review: Attorneys' Fees

Sec. 6. (a) The State Board of Insurance, upon finding an insurer in violation of the provisions of this Act, shall issue a cease and desist order to said insurer directing it to stop such unlawful practices. If the insurer refuses or fails to comply with said order, the board shall have the authority to revoke or suspend the insurer's certificate of authority as provided for in the Insurance Code, as amended. The board shall also have the authority to limit, regulate, and control the insurer's line of business, the insurer's writing of policy forms or other particular forms, and the insurer's volume of its line of business or its writing of policy forms or other particular forms. The board shall use the above authority to the extent it deems necessary to obtain the insurer's compliance to its order. The attorney general shall offer his assistance if requested by the board to enforce the board's orders.

(b) Any insurer affected by a ruling or order of the board pursuant to the provisions of this Act may appeal same by filing suit in any of the district courts of Travis County, Texas, within 20 days from the date of the order of said board. Such appeal shall be by trial de novo. Reasonable attorneys' fees shall be awarded the board if judicial action is necessary for the enforcement of its orders.

Specific Application

Sec. 7. The provisions of this Act are to specifically apply to the following insuring organizations: proprietorships, partnerships, corporations and unincorporated associations, stock and mutual life, health, accident, fire, casualty, fire and casualty, hail, storm, title, and mortgage guarantee companies; mutual assessment companies; local mutual aid associations; local mutual burial associations; statewide mutual assessment companies; stipulated

premium companies; fraternal benefit societies; group hospital service organizations; county mutual insurance companies; Lloyds; reciprocal or inter-insurance exchanges and farm mutual insurance companies.

**Rules and Regulations**

Sec. 8. The State Board of Insurance is authorized and directed to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this Act, and in augmentation thereof.

**Unconstitutional Application Prohibited**

Sec. 9. This Act and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

**SUBCHAPTER D. CONSOLIDATION, LIQUIDATION, REHABILITATION, REORGANIZATION OR CONSERVATION OF INSURERS**

**Art. 21.25. Mergers and Consolidations of Stock Insurers**

**Authority to Merge or Consolidate; Procedure**

Sec. 1. Any two (2) or more insurance corporations doing a similar line of business, may merge or consolidate. The procedure for, the effect of, and the rights and duties of creditors, shareholders, and the corporations involved in such merger or consolidation shall be governed by applicable provisions of the "Texas Business Corporation Act," as amended, insofar as the same are not inconsistent with the provisions of this Act, and the Insurance Code of the State of Texas. Wherever in said "Texas Business Corporation Act" some duty, responsibility, power, authority, or act is vested in, required of, or to be performed by the Secretary of State such is to be vested in, required of, or performed by the Commissioner of Insurance insofar as such Act is applicable to insurance corporations under the provisions hereof.

**Approval of Directors and Shareholders**

Sec. 2. Before any such proposed plan of merger or consolidation is submitted to the shareholders for their approval, as provided under the "Texas Business Corporation Act," it shall first be approved by the Boards of Directors of the two or more corporations planning to merge or consolidate; and thereafter such plan shall be submitted to the shareholders of each of the corporations which are parties to the plan at separate regular or special meetings of the shareholders of the corporations, called in the manner provided by the By-Laws of the respective corporations and may be approved by the affirmative vote of the holders of two-thirds ( $\frac{2}{3}$ ) of the shares of the capital stock of each of such corporations.

Sec. 3. After such plan has been approved as provided in Section 2 hereof, it shall then be filed

with the Commissioner of Insurance. The Commissioner shall hold a hearing within fifteen (15) days of filing the plan and shall then give approval in writing to each insurer involved within fifteen (15) days after the hearing unless he finds the plan contrary to law or that it would not be in the best interests of the policyholders affected by the plan and would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this state or elsewhere. The Commissioner of Insurance may extend the fifteen (15) day period within which he may affirmatively approve or disapprove such plan when such action is concurred in by representatives of applicants to the merger or consolidation. In the event of disapproval of the plan, he shall specify in detail his reasons therefor. The merger shall be effective upon the date specified in the proposed plan of merger; or where consolidation results, the new corporation shall be issued a charter and license upon submission of proper articles of incorporation to the Commissioner of Insurance, and upon his approval together with approval of the Attorney General in accordance with the procedure now required for the issuance of a new charter, and proof that it has capital and surplus of not less than the capital and surplus of the corporation involved in such consolidation having the largest capital and surplus, and it shall be effective upon such date of issuance. A merger or consolidation involving a corporation organized under the laws of another state shall not be effective until the merger or consolidation has been approved by the proper official of the domiciliary state of the out-of-state corporation, when such approval is required under the laws of such domiciliary state.

#### Outstanding Policies

Sec. 4. All policies of insurance outstanding against any corporation so merged or consolidated shall be assumed by the new or surviving corporation on the same terms under the same conditions as if such policies had continued in force in the original corporation, and such insurer shall carry out the terms of such policy and be entitled to all the rights and privileges thereof and the reserves accumulating on such policy prior to such merger or consolidation.

#### Investments; Acquisition of Excess Real Estate; Branch Offices

Sec. 5. In the event of the merger or consolidation of any two or more insurance corporations under the provisions of this Act, all investments of such corporations so absorbed, that were authorized when made by the laws of the state in which such insurance corporations were organized, as proper securities or assets, including real property, for investment of funds of an insurance corporation and which are taken over by such new or surviving corporation by virtue of a merger or consolidation under the provisions of the Act, shall be, under the laws of this state, considered as valid securities or assets, including real property, of such new or surviving corporation by virtue of a merger or consolidation under the provisions of this Act, provided

such investments are approved by the Commissioner of Insurance in this state, and the same are taken over on terms satisfactory to said Commissioner; provided, however, that in the event the new or surviving corporation acquires by virtue of such merger or consolidation real estate or property beyond or in excess of that permitted by the applicable Articles pertaining to owning or holding real estate, such new or surviving corporation shall sell and dispose of all such excess real estate within the time specified in such applicable Articles; provided that the new or surviving corporation shall not hold such property for a longer period unless it shall procure a certificate from said Commissioner that its interests will materially suffer by the forced sale thereof; in which event the time for the sale thereof may be extended to such time as the Commissioner shall direct in such certificate. Provided further, that this Section will not preclude the designation and use of such acquired excess real estate as branch offices in accordance with the applicable provisions of this Code.

#### Treasury Stock; Retirement and Cancellation

Sec. 6. If, after any merger or consolidation is completed, the new or surviving corporation acquires its own shares as a result of distribution of shares to the shareholders of the other corporation or corporations which are being merged or consolidated, or acquires its own stock as a result of purchase of stock of the dissenting shareholders, such stock may be held as treasury stock for a period of one (1) year, after which time such corporation shall retire and cancel such stock by proper charter amendment, if the same has not previously been reissued.

#### Purchase of Outstanding Stock; Conditions and Limitations

Sec. 7. One insurance corporation may purchase or contract to purchase all or part of the outstanding stock of another insurance corporation as a part of a plan of merger or consolidation. The provisions contained in Article 3.39 of the Insurance Code which limits investments in the corporate stock of another corporation shall not apply provided that such purchase or contract to purchase shall be subject to the following conditions or limitations:

(a) The intention to merge or consolidate is evidenced by a resolution adopted by the Board of Directors of the purchasing corporation at or prior to the purchase of such stock or the execution of a contract to purchase such stock; and

(b) The purchasing corporation shall initially purchase or contract to purchase the number of shares of the stock of the other insurance corporation necessary to vote an approval of such merger or consolidation under the laws of the state in which such other insurance corporation was organized; and

(c) No purchase of stock in excess of the limits of Article 3.39 of the Insurance Code may be made until such merger or consolidation has been approved by the appropriate regulatory

authority of the domiciliary state of each of the corporations being so merged or consolidated, where the laws of such state require such an approval; nor shall any binding liability accrue on the contract to purchase such stock unless and until the merger or consolidation has been so approved; and

(d) The merger or consolidation becomes effective on or before December 31st in the year following the year in which the initial purchase of such stock is made or the initial contract to purchase is executed, whichever shall occur first; and

(e) In the event the purchasing company does not initially purchase or contract to purchase all of the stock of the corporation being merged or consolidated, such purchasing corporation shall at least fifteen (15) days prior to the effective date of such merger or consolidation offer to purchase the remaining shares at the price paid on the initial purchase or offered in any contract to purchase, under subparagraph (a) hereof; except, however, that if such offer is not accepted prior to the effective date of the merger or consolidation the non-acceptance of the offer shall not affect the merger or consolidation except as otherwise provided by law; and

(f) In no event shall such sums actually paid out for the purchase of stock include the minimum capital, minimum surplus, and policy reserves required by law for such corporations.

*Affect on Anti-Trust Statutes*

Sec. 8. Nothing herein shall be construed as affecting, modifying, amending or repealing in any manner the Anti-Trust Statutes of this state. [Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1961, 57th Leg., p. 593, ch. 284, § 1.]

**Art. 21.26. Purchase of Stock for Total Assumption Reinsurance**

Sec. 1. Nothing in this Act or in the Insurance Code shall be construed as in any way affecting or limiting the right of a life insurance corporation organized or operating under Chapter Three (3) or Chapter Eleven (11) of the Insurance Code of the State of Texas to purchase or to contract to purchase all or part of the outstanding shares of another life insurance corporation, domestic or foreign, doing a similar line of business for the purpose of reinsuring all of the business of such other insurance corporation and assuming all of the liabilities and taking over all of the assets of such other corporation. The provisions contained in Article 3.39 of the Insurance Code limiting investments in the purchase of the corporate shares of another corporation shall not apply to such purchase or contract to purchase provided that:

(a) The intention to reinsure is evidenced by a resolution adopted by the Board of Directors of the reinsuring corporation at or prior to the purchase of such stock or the execution of a contract to purchase such stock; and

(b) The reinsuring corporation shall initially purchase or contract to purchase the number of shares of the stock of the other insurance corporation necessary under the laws of the state in which the reinsured company was organized to vote an approval of a total assumption reinsurance agreement; and

(c) No purchase of stock in excess of the limits of Article 3.39 of the Insurance Code may be made until such reinsurance agreement has been approved by the appropriate regulatory authority of the domiciliary state of the corporation to be reinsured, where the laws of such state require such an approval; and

(d) The reinsurance agreement becomes effective on or before December 31st in the year following the year in which the initial purchase of such stock is made or the initial contract to purchase is executed, whichever shall occur first; and

(e) In the event the reinsuring corporation does not initially purchase or contract to purchase all of the stock of the corporation to be reinsured, such reinsuring corporation shall at least fifteen (15) days prior to the effective date of such reinsurance agreement offer to purchase the remaining shares at the price paid on the initial purchase or offered in the initial contract to purchase, pursuant to subparagraph (a) hereof, except, however, that if such offer is not accepted prior to the effective date of the reinsurance agreement the non-acceptance of the offer shall not affect the reinsurance agreement except as otherwise provided by law; and

(f) In no event shall such sums actually paid out for the purchase of stock include the minimum capital, minimum surplus and policy reserves required by law of the reinsuring corporation.

Sec. 2. All investments of such reinsured corporation shall be subject to Section 5 of Article 21.25 hereof, as if such corporation had been merged or consolidated.

Sec. 3. Nothing herein shall be construed as affecting, modifying, amending or repealing in any manner the Anti-Trust Statutes of this state. [Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1959, 56th Leg., p. 697, ch. 319, § 1; Acts 1961, 57th Leg., p. 593, ch. 284, § 2.]

Sec. 1. Any stock insurance company which is a domestic company, as defined by law, may become a

mutual company owned and controlled by its policyholders, and to that end may carry out a plan for the acquisition of shares of its capital stock; provided, however, that such plan:

(1) Shall enable each stockholder to dispose of the same proportion of his holdings at the same price per share and on the same terms;

(2) Shall have been adopted by a vote of a majority of the directors of such corporation;

(3) Shall have been approved by a vote of stockholders representing a majority of the capital stock at a meeting of stockholders called for the purpose;

(5) Shall have been submitted to the Chairman of the Board of Insurance Commissioners

and shall have been approved by him in writing, provided that every payment for the acquisition of any shares of the capital stock of such corporation, the purchase price of which is not fixed by such plan, shall be subject to the approval of the Chairman of the Board of Insurance Commissioners and provided that neither such plan, nor any such payment, shall be approved by the Chairman of the Board of Insurance Commissioners, unless at the time of such approvals respectively the corporation, after deducting the aggregate sum appropriated by such plan, to be paid in cash or other assets of the corporation, for the acquisition of any part or all of its capital stock, and in the case of any payment not fixed by such plan and subject to separate approval as aforesaid after the approval of such plan, after deducting also the amount of such payment, shall be possessed of assets sufficient to equal the entire liability of the corporation, including the net values of its outstanding contracts computed as required by law, and also all funds, contingent reserves, and a surplus over and above all liabilities of not less than Five Hundred Thousand (\$500,000.00) Dollars.

#### Acquisition of Shares in Trust; Appointment of Trustees

Sec. 2. If any insurance corporation shall determine to become a mutual insurance corporation in accordance with the provisions of Section 1 of this article, it may, in carrying out any plan to that end under such provisions, acquire any shares of its own stock by gift, bequest or purchase; and until all of such shares are acquired, any shares so acquired shall be acquired in trust for the policyholders of the corporation as hereinafter provided, and shall be assigned and transferred on the books of the corporation to three trustees and be held by them in trust and be voted by such trustees at all corporate meetings at which stockholders have the right to vote, until all the capital stock of such corporation is acquired, and the purchase price therefor, including all annuity bonds issued on account thereof shall be fully paid off, whereupon the entire capital stock shall be retired and cancelled, and thereupon the corporation shall be and become a mutual insurance corporation without capital stock, and shall thereafter be controlled by the laws of Texas governing such mutual companies. Said trustees shall be appointed and vacancies shall be filled as provided in the plan adopted under Section 1 of this article. Said trustees shall file with the corporation a verified acceptance of their appointments and declaration that they will faithfully discharge their duty as such trustees. All dividends and other sums received on said shares of stock so acquired, after paying the necessary expenses of executing said trust, shall be immediately repaid to said corporation for the benefit of all who are, or may become, policyholders of said corporation, and entitled to participate in the profits thereof, and shall be added to and become a part of the surplus earned by said corporation and be appor-

tionable accordingly, as a part of said surplus among said policyholders.

#### Annuity Bonds in Payment of Stock

Sec. 3. The plan provided for in Section 1 of this article may provide that part or all of the purchase price of any part or all of the shares of stock of the corporation acquired by the corporation under the provisions of such plan may be paid by the corporation issuing its annuity bonds to be payable in such annual amounts, and to run for such number of years as may be provided for in said plan, provided that such annuity bonds issued by any such company shall expressly provide, on the face thereof, that they shall be payable only out of the surplus of the company remaining after providing for all reserves and other liabilities, and shall not otherwise be a liability or claim against the company or any of its assets, as is provided by Article 11.16 of this code with respect to advances made to mutual life insurance companies; and provided that not more than three-fourths ( $\frac{3}{4}$ ) of the net earnings of the corporation during any calendar year shall be used or applied to the payment of such annuities.

The word "assets," as used in this Article, includes all deposits and funds of a special or trust nature.

(d) "Liquidator" means the person designated by the Board of Insurance Commissioners as receiver, liquidator, rehabilitator, or conservator of all insurers as defined herein.

(e) "Board" means the Board of Insurance Commissioners of the State of Texas.

(f) "Court," unless the same clearly appears to the contrary from the text of this article, means the court in which the delinquency proceeding is pending.

#### General Procedures

Sec. 2. (a) Receiver Taking Charge. Whenever under the law of this State a court of competent jurisdiction finds that a receiver should take charge of the assets of an insurer domiciled in this State, the liquidator designated by the Board of Insurance Commissioners as hereinafter provided for shall be such receiver. The liquidator so appointed receiver shall forthwith take possession of the assets of such insurer and deal with the same in his own name as receiver or in the name of the insurer as the court may direct.

(b) Title in Receiver. The property and assets of such insurer shall be in the custody of the court as of the date of the commencement of such delinquency proceedings. The said receiver and his successors in office shall be vested by operation of law with the title to all of the property, contracts, and rights of action of such insurer, wherever located, as of the date of entry of the order directing possession to be taken. Such title of the receiver shall relate back to the date of the commencement of the delinquency proceedings unless the court shall otherwise provide. The filing or recording of such an order in any record office of the State shall impart the same notice as would be imparted by a deed, bill of sale, or other evidence of title duly filed or recorded by such insurer.

(c) Rights Fixed. The rights and liabilities of any such insurer and of its creditors, policyholders, members, officers, directors, stockholders, agents, and all other persons interested in its estate, shall, unless otherwise directed by the court, be fixed as of the date of the commencement of the delinquency proceedings, subject, however, to the provisions of Sec-

tion 3 with respect to the rights of claimants holding contingent claims, and as otherwise expressly provided in this Article.

(d) Bonds. The receiver shall be responsible, on his official bond hereinafter provided for, for all assets coming into his possession. The court may require an additional bond, or bonds, from the said receiver, and, if deemed desirable for the protection of the assets, may require a bond, or bonds, of any special deputy liquidator, or other assistant or employee appointed by or under the authority of this Article.

(e) Conducting of Business. Upon taking possession of the assets of a delinquent insurer the receiver shall, subject to the direction of the court, immediately proceed to conduct the business of the insurer, or to take such steps as may be necessary to conserve the assets and protect the rights of policyholders and claimants for the purpose of liquidating, rehabilitating, reinsuring, reorganizing or conserving the affairs of the insurer.

(f) Inventory. An inventory in duplicate of the insurer's assets shall be prepared forthwith by the receiver, one of which shall be filed in the office of the Board and one in the office of the clerk of the court having jurisdiction, which inventories shall be open to inspection.

(g) Disposal of Property; Settling Claims. The receiver may, subject to the approval of the court, (1) sell or otherwise dispose of the real and personal property, or any part thereof, of an insurer against whom a proceeding has been brought under this Article, and (2) sell or compound all doubtful or uncollectible debts, or claims owed by or owing to such insurer, including claims based upon an assessment levied against a member of a mutual insurer, reciprocal exchange, or an underwriter at Lloyds. Whenever the amount of any such debt or claim owed by or owing to such insurer or the value of any item of property of the insurer does not exceed Five Hundred Dollars (\$500), exclusive of interest, the receiver may compromise or compound such debt or claim or sell such property upon such terms as he may deem for the best interests of said insurer without obtaining the approval of the court. The receiver may, subject to the approval of the court, sell or agree to sell, or offer to sell, any assets of such an insurer to such of its creditors who may desire to participate in the purchase thereof, to be paid for, in all or in part, out of dividends payable to such creditors, and, upon the application of the receiver, the court may designate representatives to act for such creditors in the purchase, holding and/or management of such assets, and the receiver may, subject to the approval of the court, advance the expenses of such representatives against the security of the claims of such creditors.

(h) Depositories. All money collected by the receiver shall be forthwith deposited in any bank or banks in this State which are members of the Federal Deposit Insurance Corporation. The funds collected or realized from the assets of each insurer

shall be kept separate and apart from all other funds. Whenever any account in any such bank exceeds the maximum amount insured by said Federal Deposit Insurance Corporation, the receiver is hereby authorized and directed to make such contracts and require such security as it may deem proper for the safeguarding of such deposit upon approval of the Board.

#### Claims

Sec. 3. (a) Time for Filing. Where a liquidation, rehabilitation, or conservation order has been entered in a proceeding against an insurer under this Article, all persons who may have claims against such insurer shall present proof of the same to the receiver at a place specified by him within a period of time to be specified by the court, in no event, however, less than ninety (90) days nor more than one (1) year after the date of the entry of the order specifying such time. The receiver shall notify all persons who may have claims against such insurer as disclosed by its books and records, to present proof of the same to him within the time as fixed. The last day for the filing of proofs of claim shall be specified in the notice. Such notice shall be given in a manner determined by the court.

(b) Late Filing. Proofs of claims may be filed subsequent to the date specified but in no event later than one (1) year after the entry of the court's order specifying the time for filing claims. Claims filed subsequent to the date specified in the court's order, but prior to the expiration of one (1) year after the entry of such order, may participate only in future dividends. Claims which are not filed within the expiration of such one-year period shall not participate in any distribution of the assets by the receiver.

(c) Proof Necessary. A proof of claim shall consist of a written statement under oath signed by the claimant, setting forth the claim, the consideration therefor, and whether any, and if so, what securities are held therefor, and any right of priority of payment or other specific rights asserted by the claimant, and whether any, and if so, what payments have been made thereon, and such other matters as may be required by the court, and that the sum claimed is justly owing from the insurer to the claimant. Whenever a claim is founded upon an instrument in writing, such instrument, unless lost or destroyed, shall be filed with the proof of claim. After the filing of such instrument, the receiver may in his discretion permit the claimant to substitute a true copy of such instrument, until the final disposition of the claim. If such instrument is lost or destroyed, a statement of such fact and of the circumstances of such loss or destruction shall be filed under oath with the claim.

(d) Contingent Claims. No contingent claim shall share in a distribution of the assets of an insurer in liquidation except that such claim shall be considered if properly presented, and may be allowed to

share where (1) such claim becomes absolute against the insurer on or before the last day fixed for filing of proof of claims against the assets of such insurer, or (2) there is a surplus and the liquidation is thereafter conducted upon the basis that such insurer is solvent. For the purposes of this Article, "contingent claim" means a claim for which the right of action is dependent upon the occurrence or nonoccurrence of some future event which may or may not happen.

(e) Third Party Claims. Where a liquidation, rehabilitation or conservation order has been entered in a proceeding against an insurer under this Article, any person who has a cause of action against an insured of such insurer under a liability insurance policy issued by such insurer, shall have the right to file a claim with the receiver, regardless of the fact that such claim may be contingent, and such claim may be approved (1) if it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and (2) if such persons shall furnish suitable proof that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and (3) if the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater than its total liability would be were it not in liquidation, rehabilitation or conservation. No judgment against an insured taken after the date of the commencement of the delinquency proceedings shall be considered in the proceedings as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default or by collusion prior to the commencement of the delinquency proceedings shall be considered as conclusive evidence in the proceeding, either of the liability of such insured to such person upon such cause of action, or of the amount of damages to which such person is therein entitled.

(f) Offsets. In all cases of mutual debts or mutual credits between the insurer and another person in connection with any claim or proceeding under this Article, such credits and debts shall be set off and the balance only shall be allowed or paid, except as provided in subsection (g).

(g) No Offsets. No offsets shall be allowed in favor of any person, however, where (1) the obligation of the insurer to such person would not at the date of the commencement of the delinquency proceedings or as otherwise provided in Section 2(c), entitle him to share as a claimant in the assets of such insurer, or (2) the obligation of the insurer to such person was purchased by or transferred to such person subsequent to the commencement of the delinquency proceedings or with a view of its being used as an offset, or (3) the obligation of such person is to pay an assessment levied against the members of a mutual insurer, or reciprocal exchange, or underwriters at Lloyds, or to pay a balance upon a subscription to the capital stock of a

stock insurance corporation, or (4) the obligation of such person is as a trustee or fiduciary.

(h) Action on Claims. The receiver shall have the discretion to approve or reject any claim filed against the insurer. Objections to any claim not rejected may be made by any party interested, by filing the objections with the receiver, who shall forthwith present them to the court for determination after notice and hearing. Upon the rejection of each claim either in whole or in part, the receiver shall notify the claimant of such rejection by written notice. Action upon a claim so rejected must be brought in the court in which the delinquency proceeding is pending within three (3) months after service of notice; otherwise, the action of the receiver shall be final and not subject to review. Such action shall be de novo as if originally filed in said court and subject to the rules of procedure and appeal applicable to civil cases.

#### Actions

Sec. 4. (a) Injunctions. Upon an application by the receiver, the receivership court may, with or without notice, issue an injunction restraining the insurer named in the order, its officers, directors, stockholders, members, trustees, agents, servants, employees, policyholders, attorneys, managers, attorneys-in-fact, associate, deputy, substitute attorneys-in-fact, and all other persons from the transaction of its business or the waste or disposition of its property, or requiring the delivery of its property and/or assets to the receiver subject to the further order of the court.

(b) Other Orders. Such court may at any time during a proceeding under this Article issue such other injunctions or orders as may be deemed necessary to prevent interference with the receiver or the proceeding, or waste of the assets of the insurer, or the commencement or prosecution of any actions; or the obtaining of preferences, judgments, attachments, garnishments, or other liens, or the making of any levy against the insurer or against its assets or any part thereof.

(c) No Preferences. Any claim, judgment, lien or preference against the insurer or its receiver obtained, after the date of receivership, in derogation of the terms of any such injunction or order of the receivership court may be denied by the receiver until proof of the justness of such claim, judgment, lien, preference or demand is made before and approved by the receivership court.

(d) Pending Lawsuits. No judgment or order rendered by any court of this State in any action pending by or against the delinquent insurer after the commencement of delinquency proceedings shall be binding upon the receiver unless the receiver shall have been made a party to such suit.

(e) One Year Extension. The receiver shall not be required to plead to any suit in which he may be a proper party plaintiff or defendant, in any of the courts in this State until one (1) year after the date

of his appointment as receiver, and the provisions of Articles 2310 and 2311 of the Revised Civil Statutes of Texas of 1925, as amended, shall not apply to insolvent insurance companies being administered under this Article.

(f) New Lawsuits. The court of competent jurisdiction of the county in which the delinquency proceedings are pending under this Article shall have venue to hear and determine all action or proceedings instituted after the commencement of delinquency proceedings by or against the insurer or receiver.

#### Voidable Transfers

Sec. 5. (a) Transfers or Liens Voidable. Any transfer or lien upon the property or assets of an insurer which is made or created within four (4) months prior to the commencement of delinquency proceedings under this Article, with the intent of giving to any creditor or enabling him to obtain a greater percentage of his debt than of any other creditor of the same class, and which is accepted by such creditor, having reasonable cause to believe that such preference will occur, shall be voidable.

(b) Personal Liability. Every director, officer, agent, employee, stockholder, member, attorney-in-fact, associate, substitute or deputy attorney-in-fact, underwriter, subscriber, and any other person acting on behalf of such insurer, who shall be concerned in any such prohibited act or deed, and every person receiving thereby property of such insurer, or the benefit thereof, shall be personally liable therefor, and shall be bound to account to the receiver for the benefit of the creditors of the insurer.

(c) Avoiding and Recovery. The receiver in any proceeding under this Article, may avoid any transfer of, or lien upon the property or assets of an insurer which any creditor, stockholder or member of such insurer might have avoided, and may recover the property so transferred or its value from the person to whom it was transferred, unless he was a bona fide holder for value prior to the date of the commencement of proceedings under this Article. Such property or its value may be recovered from anyone who has received it, except a bona fide holder for value as above specified.

#### Priority of Claims for Wages

Sec. 6. All wages actually owed to employees of an insurer against whom a proceeding under this Article is commenced, for services rendered within three (3) months prior to the commencement of such proceeding not exceeding Three Hundred Dollars (\$300) to each employee shall be paid prior to the payment of every other debt or claim, and in the discretion of the court may be paid as soon as practicable after the proceeding has been commenced, except that at all times there shall be reserved such funds as will be sufficient for the expenses of administration by the receiver.

#### Assessments

Sec. 7. (a) Application. Within four (4) years from the date of an order of rehabilitation, or liquidation, of a domestic insurer, the receiver may make an application to the court to levy an assessment against the members of a mutual insurer, or the underwriters or members of a reciprocal exchange, or the underwriters at Lloyds. Such application shall set forth the reasonable value of the assets of such insurer, its probable liabilities, and the probable necessary assessment, if any, to pay all possible claims and expenses in full, including expenses of administration and collection.

(b) Levy. Upon such notice as may be designated by the court, the court shall proceed to consider such report and may levy one or more assessments. Such assessment or assessments shall cover the excess of the probable liabilities over the reasonable value of the assets, together with the estimated cost of collection and percentage of uncollectibility thereof. No such assessment shall be levied against any member or subscriber with respect to any policy which contains a nonassessable or noncontingent liability provision or provisions and which has been issued under authority granted by the Board.

(c) Collection. After the entry of such an order of assessment and the expiration of the time for appeal, the receiver shall proceed to collect such assessments, and for the purpose of such collection may bring suit for the same in any court of competent jurisdiction in the county in which such delinquency proceeding is pending.

(d) Provisions Cumulative. The provisions of this Section are cumulative of any other remedies for the levy and collection of assessments.

#### Distribution of Assets

Sec. 8. (a) Payments to Creditors. Under the direction of the court the receiver shall make payments and dividends to the creditors.

(b) Interest. Interest shall not accrue on any claim subsequent to the date of the commencement of delinquency proceedings.

(c) Foreign Claimants. If any claimant of another state or foreign country shall be entitled to or shall receive a dividend upon his claim out of a statutory deposit or the proceeds of any bond or other asset located in such other state or foreign country, then such claimants shall not be entitled to any further dividend from the receiver until and unless all other claimants of the same class, irrespective of residence or place of the acts or contracts upon which their claims are based, shall have received an equal dividend upon their claims; and after such equalization, such claimants shall be entitled to share in the distribution of further dividends by the receiver, along with and like all other creditors of the same class, wheresoever residing.

(d) Setoff by Receiver. Upon the declaration of a dividend, the receiver shall apply the amount of such

dividend against any indebtedness owed to the insurer by the person entitled to such dividend.

(e) Unclaimed Funds. Unclaimed dividends on approved claims, unclaimed returned assessments, and all other unclaimed funds subject to distribution to claimants, policyholders or other persons, remaining in the receiver's hands after payment of the final dividend shall be delivered to the Board at the time the receivership is closed, or in the event a final dividend is paid less than ninety (90) days prior to the closing of the receivership, the receiver may continue the bank account or accounts of such receivership from which such funds might be paid, for a period of time not to exceed ninety (90) days from the date of the closing of said receivership, before the same are so delivered to the Board. Such funds shall be deposited by the Board in trust in a special account to be maintained with the State Treasurer.

(f) Recovery by Owner. On receipt of satisfactory written and verified proof of ownership within two (2) years from the date such funds are so deposited with the State Treasurer, the Board shall certify such facts to the Comptroller of Public Accounts, who shall issue proper warrant therefor in favor of the parties respectively entitled thereto, drawn on the State Treasurer.

(g) Declaration of Abandonment. After such funds have remained unclaimed for two (2) years, the Liquidator may initiate action to have them declared to be abandoned, and the property of the State Board of Insurance. Such action shall be commenced by the filing by the Liquidator, in the court of competent jurisdiction in the county in which the delinquency proceeding is, or was pending, of a notice of his intention to declare such funds to be abandoned, and that he is claiming the same as the property of the State Board of Insurance. Such action may be for all or any part of such funds accumulated in any one particular receivership. Such notice shall state the name or names of the person or persons entitled thereto, his or their last known address, and the nature or source and amount of the fund or funds. Upon the filing of such notice by the Liquidator, the court shall set a date for the hearing of the application, and shall make notation thereon of the date of such hearing, which date shall be at least twenty (20) days subsequent to the date of the filing of said notice. A copy of said notice, with the judge's notation thereon shall be posted on the courthouse door of said court for at least twenty (20) days before a hearing is had thereon. Notice of the filing of the application shall be published at least once, and at least ten (10) days prior to the date set for such hearing, in a newspaper of general circulation in the county where the application is pending. Such notice shall be addressed to the true owners of unclaimed funds in the particular receivership involved in the application and shall state generally that a hearing shall be had on the date specified for the purpose of declaring such funds to be abandoned and the property of the State Board of Insurance. Upon the hearing on such application

of the Liquidator, proof to the satisfaction of the court:

(1) That such funds, or the checks therefor, had previously been sent by the Receiver to the last known address of the person or persons entitled thereto;

(2) That such funds, or the checks therefor, had been returned unclaimed or that the check or checks therefor had not been cashed;

(3) That the funds had been delivered to the Board as required by Subsection (e) above;

(4) That such money remained unclaimed with the Board for two (2) years; and

(5) That notice of the filing of the application has been published as herein provided, shall be prima facie evidence of the intention of the person or persons entitled thereto to abandon the same, and that the Board is the rightful owner thereof. Upon such finding by the court, the court shall be authorized to render judgment accordingly. Upon receipt of such judgment, the Board shall certify such fact to the Comptroller of Public Accounts, who shall issue proper warrant therefor to the State Board of Insurance. The Board shall forthwith deposit such funds in accordance with the provisions of Section 2(h) of this Article, except that such funds derived through any one insurer need not be kept separate from such funds derived through any other insurer.

(h) Use of Abandoned Funds. Such funds so deposited by the Board in accordance with Subsection (g) above may be expended by the Liquidator, with the consent of the Board, for the purpose of paying expenses of the office of the Liquidator and/or Receiver that are not properly chargeable to any one receivership or conservatorship estate, and for the purpose of financing continued operation of any receivership or conservatorship then being administered by the Liquidator as Receiver or Conservator, when in the discretion of the Board it appears to be in the best interest of such receivership or conservatorship estate that it not be closed, and that additional administration be had thereon. Any funds so applied from this source to another receivership or conservatorship estate are to be repaid from the assets of the receivership or conservatorship estate to which they were applied before additional dividends are paid in any such receivership, or before the conservatorship is released for continued operation.

Settlement of Claims; Abandoned Funds; Re-opening  
of Receiverships

Sec. 8A. Any and all assets other than cash remaining in the receiver's hands after payment of the final dividend may be conveyed, transferred or assigned to the State Insurance Liquidator and his successors in office, to be handled as a trust. The State Insurance Liquidator shall have authority to convey, transfer, and assign any assets, including

causes of action, judgments, and claims, and to settle or release causes of action, judgments, claims, and liens on such terms and for such amounts as he deems for the best interest of such trust, whether such assets have heretofore or may hereafter come into his hands. From proceeds derived from any such assets the Liquidator shall defray the costs incident to the sale, settlement, release or other transaction whereby such proceeds are obtained, and deliver the remainder to the Board to be deposited by it in trust in a special account to be maintained with the State Treasurer to be handled, disposed of and used as follows:

An order directing disposition of such funds may be made by a court of competent jurisdiction of Travis County, Texas, upon application of the Liquidator, after notice and hearing. Notice shall be posted on the courthouse door of said court for at least twenty (20) days before a hearing is had on the Liquidator's application, and notice shall be published at least once, and at least ten (10) days prior to the date set for such hearing, in a newspaper of general circulation in Travis County. Such notice shall state the amount of the funds and the receivership from which they were derived. It shall be addressed to all persons having an interest, as claimant or otherwise, in the assets of the particular receivership involved in the application, and shall state generally that a hearing shall be had on the date specified for the purpose of determining the disposition to be made of such funds, including a declaration that such funds are abandoned and the property of the State Board of Insurance.

If the court finds that funds derived from any receivership are sufficient to justify re-opening of the receivership and payment of a dividend, then such may be ordered, but otherwise, if such funds are insufficient for that purpose, the court may declare such funds abandoned and a certified copy of such judgment will be authority for the Comptroller of Public Accounts to issue a Warrant therefor to the State Board of Insurance. The Board shall forthwith deposit such funds in accordance with the provisions of Section 2(h) of this Article, except that funds derived from one insurer need not be kept separate from funds derived through any other insurer.

Such funds may be used as provided in Section 8(h) of this Article.

#### Closing

Sec. 9. (a) Excess Assets—Stock Companies. When the receiver shall have made provision for unclaimed dividends and all of the liabilities of a stock insurance company, he shall call a meeting of the stockholders of the insurer by giving notice thereof in one (1) or more newspapers in the county where the principal office of the insurer was located, and by written notice to the stockholders of record at their last known address. At such meeting, the stockholders shall appoint an agent or agents to take

over the affairs to continue the liquidation for benefit of the stockholders. Voting privileges shall be governed by the insurer's bylaws. A majority of the stock shall be represented at the agent's appointment. Such agent or agents shall execute and file with the court such bond or bonds as shall be approved by it, conditioned on the faithful performance of all the duties of the trust. Under order of the court the receiver shall then transfer and deliver to such agent or agents for continued liquidation under the court's supervision all assets of insurer remaining in his hands, whereupon the receiver and the Board, and each member and employee thereof, shall be discharged from any further liability to such insurer and its creditors and stockholders; provided, however, that nothing herein contained shall be so construed as to permit the insurer to continue in business as such, but the charter of such insurer and all permits and licenses issued thereunder or in connection therewith shall be ipso facto revoked and annulled by such order of the court directing the receiver to transfer and deliver the remaining assets of such insurer to such agent or agents.

(b) Excess Assets—Other Companies. After the receiver shall have made provision for unclaimed dividends and all of the liabilities of any insurer other than a stock insurance company, he shall dispose of any remaining assets as directed by the receivership court.

(c) No Limitation. Each receivership or other delinquency proceeding prescribed by this Article shall be administered continuously hereunder for whatever length of time is necessary to effectuate its purposes. No arbitrary period prescribed elsewhere by the laws of Texas limiting the time for the administration of receiverships or of corporate affairs generally shall be applicable thereto.

(d) Reopening. If after the receivership shall have been closed by final order of the court, the liquidator shall discover assets not known to him during receivership, he shall report his findings to the court. It shall be within the discretion of the court as to whether the value of the after-discovered assets shall justify the reopening of the receivership for continued liquidation.

#### Reinsurance

Sec. 10. (a) Reinsurer's Liability. If the receiver has claims under policies covered by reinsurance, there shall be no diminution of the liability of the reinsurer because of the delinquency proceeding against the delinquent company, regardless of any provisions in the reinsurance contract to the contrary.

(b) Notice to Reinsurer. The liquidator or receiver shall give written notice to the affected reinsurers of the pendency of a claim against the receiver under a policy covered by reinsurance within a reasonable time after such claim is filed in the delinquency proceeding, and during the pendency of such

claim any affected reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where the claim is to be adjusted any defense or defenses which it may deem available to the delinquent company, the liquidator or the receiver. Subject to court approval, the expense thus incurred shall be chargeable against the delinquent company as part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the delinquent company solely as a result of the defense undertaken by the assuming insurer.

(c) Provided, however, that Article 6.16 of the Insurance Code of 1951, Acts Regular Session of the Fifty-second Legislature, 1951, Chapter 491, page 868, shall remain in full force and effect and shall govern as to those insurance companies affected thereby.

#### Evidence in Records

Sec. 11. (a) Records Admitted. All books, records, documents and papers of any delinquent insurer received by the liquidator and held by him in the course of the delinquency proceedings, or certified copies thereof, under the hand and official seal of the Board and/or liquidator, shall be received in evidence in all cases without proof of the correctness of the same and without other proof, except the certificate of the Board and/or liquidator that the same was received from the custody of the delinquent insurer or found among its effects.

(b) Certificates. The liquidator shall have the authority to certify to the correctness of any paper, document or record of his office, including those described in (a) of this section, and to make certificates under seal of the Board and certified by the liquidator certifying to any fact contained in the papers, documents or records of the Liquidation Division; and the same shall be received in evidence in all cases in which the originals would be evidence.

(c) Prima-facie Evidence. Such original books, records, documents and papers, or certified copies thereof, or any part thereof, when received in evidence shall be prima-facie evidence of the facts disclosed thereby.

#### Liquidator, Assistants, Expense Accounts

Sec. 12. (a) Liquidator, Bond. The liquidator herein named shall be appointed by a majority of the Board of Insurance Commissioners, and shall be subject to removal by a majority of said Board, and before entering upon the duties of said office, shall file with the Board of Insurance Commissioners a bond in the sum of Ten Thousand Dollars (\$10,000), payable to the Board of Insurance Commissioners for the benefit of injured parties, and conditioned upon the faithful performance of his duties and the proper accounting for all moneys and properties received or administered by him.

(b) Appointments, Expenses. The Board shall have the power to appoint and fix the compensation of the liquidator and of such special deputy liquidators, counsel, clerks, or assistants, as it may deem necessary. The payment of such compensation and all expenses of liquidation shall be made by the liquidator out of funds or assets of the insurer on approval of the Board. An itemized report of such expenses, sworn to by the liquidator and approved by the Board, shall be presented to the court from time to time, which account shall be approved by the court unless objection is filed thereto within ten (10) days after the presentation of the account. The objection, if any, must be made by a party at interest and shall specify the item or items objected to and the ground of such objection. The court shall set the objection down for hearing, notifying the parties of the setting. The burden of proof shall be upon the party objecting to show that the items objected to are improper, unnecessary or excessive.

(c) Filing Reports. Said liquidator shall file reports with the Board of Insurance Commissioners upon its request showing the operation, receipts, expenditures, and general condition of any organization of which he may have charge at that time, and, upon request, shall file a copy of said report with the court in which said receivership proceeding is pending. He shall also file a final report of each organization which he has liquidated or handled showing all receipts and expenditures, and giving a full explanation of the same and a true statement of the disposition of all of the assets of each organization.

#### Legislative Appropriations

Sec. 12A. It is the sense of the Legislature, as necessary to state policy, that facilities be immediately and continually available to meet any or all of the requirements of preparing for, placing in, continuing or completing any liquidation, rehabilitation, reorganization or conservation of insurers, and in order to make such provision and to provide that the Liquidator and employees be used for other Insurance Department duties when not involved in liquidation or conservation matters, the Legislature may make provisions for the Liquidator and employees and their expenses, in whole or in part, by making appropriations therefor, or by appropriating or permitting use of funds, other than funds or assets of insurers being liquidated, rehabilitated, reorganized or conserved, which are received by or made available to the Board, or by establishing disappearing or partially or wholly reimbursable revolving funds in the Appropriation Acts, notwithstanding any other provision of Article 21.28 of Chapter 21 of the Insurance Code.

The provisions of this Act are cumulative of existing law and in the event of conflict the provisions of this Act shall govern.

#### Ancillary Delinquency Proceedings

Sec. 13. Whenever under the laws of this State, a receiver is to be appointed in delinquency proceed-

ings for an insurer domiciliary in another state, a court of competent jurisdiction in this State shall, on the petition of the Board of Insurance Commissioners of this State, appoint the liquidator herein provided as ancillary receiver in this State of such insurer. The Board shall file such petition (a) if it finds that there are sufficient assets of such insurer located in this State to justify the appointment of an ancillary receiver, or (b) if ten (10) or more persons resident in this State, having claims against such insurer, file a petition or petitions in writing with the Board, requesting the appointment of such ancillary receiver. Such ancillary receiver shall have the right to sue for and reduce to possession the assets of such insurer in this State, and shall have the same powers and be subject to the same duties with respect to such assets, as are possessed by a receiver of a domiciliary insurer under the laws of this State. The remaining provisions of this Article shall be applicable to the conduct of such ancillary proceedings.

#### Contracts with Foreign Receiver

Sec. 14. In cases where a receiver of any delinquent insurer has been appointed both in Texas and in some other state, the Texas receiver, either domiciliary or ancillary, may, under supervision of the Texas receivership court, contract with the receiver in such other state for the administration of the affairs of their respective receiverships in any manner consistent with this Article which will enable the respective receivers to coordinate their activities in the interest of efficiency and economy.

#### Borrowing on the Pledge of Assets

Sec. 15. For the purpose of facilitating the rehabilitation, liquidation, conservation or dissolution of an insurer pursuant to this Article the receiver may, subject to the approval of the court, borrow money and execute, acknowledge and deliver notes or other evidences of indebtedness therefor and secure the repayment of the same by the mortgage, pledge, assignment, transfer in trust, or hypothecation of any or all of the property whether real, personal or mixed of such insurer, and the receiver, subject to the approval of the court, shall have power to take any and all other action necessary and proper to consummate any such loans and to provide for the repayment thereof. The receiver shall be under no obligation personally or in his official capacity as receiver to repay any loan made pursuant to this section.

#### Conflicts of Law

Sec. 16. In the event of conflict between the provisions of this Article and the provisions of any existing law, the provisions of this Article shall prevail, and all laws, or parts of law, in conflict with the provisions of this Article, are hereby repealed to the extent of such conflict.

[Acts 1951, 52nd Leg., p. 868, ch. 491; Acts 1955, 54th Leg., p. 737, ch. 267; Acts 1961, 57th Leg., p. 997, ch. 435, § 1; Acts 1963, 58th Leg., p. 1309, ch. 499, § 1; Acts 1965, 59th Leg., p. 1520, ch. 661, § 1, eff. Aug. 30, 1965.]

### Art. 21.28-A. Insurer Delinquencies and Prevention of Insurer Delinquencies; Supervision of Insurers and Proceedings, Conservatorships, Liquidations—Additional and Alternate Provisions

#### Purposes and Findings

Sec. 1. It is the sense of the Legislature that existing provisions and conditions of law and the ordered procedures of law are sometimes not adequate, nor appropriate under all circumstances, in respect of a need to remedy the financial condition and the management of certain insurers. Neither are the laws adequate for the rehabilitation of insurers who voluntarily request rehabilitation. A void exists in the laws with respect to those insurers most susceptible to rehabilitation or the regaining of solvency. The Legislature finds and determines that the placing of an insurer in receivership often destroys or diminishes, or is likely to destroy or diminish, one or more of the following values or assets:

- (a) the value of the insurance account or in-force business of the insurer,
- (b) the value of the insurer as a going concern,
- (c) the value of its agency force, and
- (d) the value of other of its assets.

The Legislature declares that such values and assets should be preserved if the circumstances of the insurer's financial condition warrant an attempt to conserve or rehabilitate such insurer and such rehabilitation or conservation is otherwise feasible.

It is the purpose of the Legislature to provide for rehabilitation and conservation of insurers by authorizing and requiring the additional facility of supervision and conservatorship by the State Board of Insurance, to authorize action to resolve whether an attempt be made to rehabilitate and conserve an insurer, and to avoid, if possible and feasible, the necessity of temporary or permanent receivership. It is the further purpose of this Act to provide for protection of the assets of an insurer pending determination of whether or not an insurer can be successfully rehabilitated. It is not the sense of the Legislature that rehabilitation will be accomplished in every case, but it is the purpose of this Article to provide a facility and direction for attempting the rehabilitation without immediate resort to the harsher remedy of receivership. In the event that receivership ultimately becomes necessary, it is nevertheless the belief and finding of the Legislature that the preliminary supervision and conservatorship is preventive of a dissipation of assets and will thus benefit policyholders, creditors and owners; and the State Board of Insurance is directed, in its discretion, to the use of this authorization. The Legislature further finds that an insurer delinquency, or the state's incapacity to properly proceed in a threatened delinquency, directly or indirectly affects

other insurers by creating a lack of public confidence in insurance and in insurance companies. As respects the state, insurer delinquencies are destructive of public confidence in the capacity of the state to regulate insurers. These and other harmful results of insurer delinquency are properly minimized by a further enactment designed to protect and in aid of insureds, creditors and owners. The Legislature intends and expects that the inappropriate as well as the appropriate concerns in respect of insurance and insurers will be reduced by the existence and operation of this law. The Legislature declares that it is a proper concern of this state and proper policy to attempt to correct or remedy insurer misconduct, ineptness or misfortune. It is the purpose of the Legislature to express, or to imply from context when not expressed, an authorization, provision and enabling of the promulgation of rules and regulations by the State Board of Insurance as directed in these legislative findings and in the augmentation of this law; and to provide also for any other requisite administrative action. In consequence of the foregoing, the substance and procedure of this Article is here declared to be the public policy of this state and necessary to the public welfare. Such policy and welfare requires the availability of this law and the application of this law whenever circumstances warrant; and it is therefore a condition of doing an insurance business in this state; and it is made applicable and is a consequence of any other transactions in respect of an insurer or insurance. And in conjunction with existing law, the rationale is effected in the provision herein for a generally ordered sequence, and review at each such step, of supervision, concurrent conservation and rehabilitation (including reinsurance), and, as may at any time or ultimately be indicated or determined, cessation of the conservation by accomplishment of rehabilitation or by receivership and liquidation.

#### Definition, Application and Scope

Sec. 2. As used in this Article, the following words, terms and phrases (in single quotes in this Section of the Article but not in quotes in other Sections) include the meanings, significance or application described in this Section, except as another meaning is clearly requisite from the purposes or is otherwise clearly indicated by the context.

(a) "Insurance Company" (used interchangeably with "insurer") is any person, organization, association or company, (authorized or unauthorized, admitted or non-admitted) acting as an insurer, or as principal or agent of an insurer, including stock companies, reciprocals or inter-insurance exchanges, Lloyds associations, fraternal benefit societies, stipulated premium companies, and mutual companies of all kinds, including state-wide mutual assessment corporations, local mutual aids, burial associations, and county mutual insurance companies and farm mutual insurance companies.

(b) In respect of an insurance company or insurer, "insolvent" or "insolvency" and the phrases in further identity of insurer delinquency and threatened insurer delinquency, mean and include, and the conditions to which this Article is applicable include, but are not limited to, any one or more of the following circumstances or conditions.

(1) if an insurance company's required surplus, capital, or capital stock is impaired to an extent prohibited by law, or

(2) if an insurance company continues to write new business when it is not possessed of the surplus, capital or capital stock which is required of it by law to permit it to do so, or

(3) if the business of any such insurance company is being conducted fraudulently, or

(4) if any such insurance company attempts to dissolve or liquidate without first having made provisions, satisfactory to the Commissioner of Insurance, for liabilities arising from policies of insurance issued by such company.

(c) "Exceeded its Powers" includes and means but is not limited to the following circumstances:

(1) if an insurance company has refused to permit examination of its books, papers, accounts, records, or affairs by the Commissioner of Insurance, his deputy, or duly commissioned examiners; or if any insurance company, organized in the State of Texas, has removed from the state such books, papers, accounts or records necessary for an examination of such insurance company, or

(2) if an insurance company has failed to promptly answer inquiries authorized by Article 1.25 of this Code, or

(3) if an insurance company has neglected or refused to observe an order of the Commissioner to make good, within the time prescribed by law, any prohibited deficiency in its capital, capital stock, or surplus, or

(4) if an insurance company without first having obtained written approval of the Commissioner has by contract or otherwise: (i) totally reinsured its entire outstanding business, or (ii) merged or consolidated substantially its entire property or business with another insurer; or

(5) if any insurance company is continuing to write business after its license has been revoked or suspended.

(d) "Consent," as used in this Act, includes and means agreement to either supervision or conservatorship by the insurance company.

Notice to Comply With Written Requirements of Commissioner;  
Noncompliance; Taking Charge as Conservator

Sec. 3. If upon examination or at any other time it appears to or is the opinion of the Commissioner of Insurance that any insurance company is insolvent, or its condition is such as to render the continuance of its business hazardous to the public or to holders of its policies or certificates of insurance, or if such company appears to have exceeded its powers (as defined herein) or has failed to comply with the law, or if such insurance company gives its consent (as defined herein), then the Commissioner of Insurance shall upon his determination (a) notify the insurance company of his determination, and (b) furnish to the insurance company a written list of the Commissioner's requirements to abate his determination, and (c) if the Commissioner makes a further determination to supervise he shall notify the insurance company that it is under the supervision of the Commissioner of Insurance and that the Commissioner is applying and effecting the provisions of this Article. Such insurance company shall comply with the lawful requirements of the Commissioner of Insurance and if placed under supervision shall under supervision have sixty (60) days from the date of notice within which to comply with the requirements of the Commissioner, subject however to the provisions of this Article. In the event of such insurance company's failure to comply within such time, the Commissioner of Insurance, acting for himself, or through a conservator appointed by the Commissioner of Insurance for that purpose, shall immediately, after due and proper notice and hearing, take charge as conservator of the insurance company and all of the property and effects thereof.

Prohibited Acts During Sixty (60) Day Period of Supervision

Sec. 4. (a) During the period of supervision, the Commissioner may appoint a supervisor to supervise such insurance company and may provide that the insurance company may not do any of the following things, during the period of supervision, without the prior approval of the Commissioner or his supervisor:

- (1) Dispose of, convey or encumber any of its assets or its business in force;
- (2) Withdraw any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation or liability;
- (7) Merge or consolidate with another company; or
- (8) Enter into any new reinsurance contract or treaty.

(b) The Liquidator of the State Board of Insurance, or his duly appointed deputy, may be appointed to serve as the supervisor.

Conservatorship or Liquidation

Sec. 5. If, after notice, and after hearing, at the conclusion of said sixty (60) day period, it is determined that such insurance company has failed to comply with the lawful requirements of the Commissioner, or upon consent by an insurance company, the Commissioner may appoint a conservator, who shall immediately take charge of such insurance company and all of the property, books, records, and effects thereof, and conduct the business thereof, and take such steps toward the removal of the causes and conditions, which have necessitated such order, as the Commissioner may direct. During the pendency of conservatorship, the conservator shall make such reports to the Commissioner from time to time as may be required by the Commissioner, and shall be empowered to take all necessary measures to preserve, protect, and recover any assets or property of such insurance company, including claims or causes of action belonging to or which may be asserted by such insurance company, and to deal with the same in his own name as conservator, and shall be empowered to file, prosecute, and defend any suit or suits which have been filed or which may thereafter be filed by or against such insurance company which are deemed by the conservator to be necessary to protect all of the interested parties or any property affected thereby. If at the time of appointment of a conservator or at any time during the pendency of such conservatorship it appears that the interest of the policyholders or certificate holders of such insurance company can best be protected by reinsuring the same, the conservator may, with the approval of or at the direction of the Commissioner: (1) reinsure all or any part of such insurance company's policies or certificates of insurance with some solvent insurance company authorized to transact business in this state, and (2) to the extent that such insurance company in conservatorship is possessed of reserves attributable to such policies or certificates of insurance, the conservator may transfer to the reinsuring company such reserves or any portion thereof as may be required to consummate the reinsurance of such policies, and any such reserves so transferred shall not be deemed a preference of creditors. The liquidator of the State Board of Insurance, or his duly appointed deputy, may be appointed to serve as the conservator. If the Commissioner of Insurance, however, is satisfied that such insurance company is not in condition to continue business in the interest of its policy or certificate holders, under the conservator as above provided, the Commissioner of Insurance shall give notice to the Attorney General who shall thereupon apply to any Court in Travis County, Texas, having jurisdiction thereof for leave to file a suit in the nature of quo warranto to forfeit the charter of such insurance company or to require it to comply with the law or to satisfy the Commissioner of Insurance as to its solvency, and to satisfy the requirement that its condition is such as to render the continuance of its business not hazardous to the public or to the holders of its policies or certificates of insurance. It shall be

in the discretion of the Commissioner of Insurance to determine whether or not he will operate the insurance company through a conservator, as provided above, or report it to the Attorney General, as herein provided. When all the policies of an insurance company are reinsured or terminated, and all of its affairs concluded, as herein provided, the Commissioner of Insurance shall report the same to the Attorney General, who shall take such action as may be necessary to effect the forfeiture or cancellation of the charter of the insurance company so reinsured and liquidated. Where the Commissioner of Insurance lends his approval to the merger, consolidation or reinsurance of all the policies of one insurance company with that of another, the same shall be reported to the Attorney General who shall proceed to effect the forfeiture or cancellation of the charter of the insurance company from which the policies were merged, consolidated or reinsured, in the same manner as is provided for the charters of companies totally reinsured or liquidated. The cost incident to the supervisor's and conservator's service shall be fixed and determined by the Commissioner of Insurance and shall be a charge against the assets and funds of the insurance company to be allowed and paid as the Commissioner of Insurance may determine.

#### Out of State Companies

Sec. 6. This Article shall apply to insurance companies doing an insurance business but not domiciled in the State of Texas, whether authorized to do business in this state or not. In the event that the Commissioner of Insurance makes any of the findings provided for in Section 3 of this Article concerning any such insurance company or finds that any such insurance company is not possessed of the minimum surplus or capital or capital stock required by the Insurance Code of the State of Texas for similar type domestic companies, or if a conservator, rehabilitator, receiver, or liquidator has been appointed in the state of domicile, or if the insurance company gives its consent as defined herein, the Commissioner of Insurance shall have the same power and jurisdiction to appoint a supervisor or conservator as to the assets of such out of state insurer located in this state as provided herein for domestic insurance companies. In the event that any such out of state insurance company shall fail to comply with the provisions of Section 4 of this Article with respect to any of its assets or policies located within this state during any sixty (60) day period of supervision, such act or violation shall constitute sufficient grounds for the immediate revocation of its certificate of authority to do business in this state and for the immediate appointment of a conservator to take charge of its assets located within this state. Any supervisor or conservator appointed with respect to assets located in this state belonging to an out of state insurance company shall have all of the powers and authority provided for in Section 5 of this Article with respect to such assets located in this state and, in addition, may reinsure all or any part of such

insurance company's policyholders or certificate holders located within this state with some solvent insurance company authorized to transact business in this state and may transfer to the reinsuring company, as reserve funds, assets or any portion thereof in his possession as may be required to consummate the reinsurance of such policies and any of such assets transferred as reserve funds shall not be deemed a preference of creditors.

#### Review and Stay of Action

Sec. 7. During the period of supervision and during the period of conservatorship, the insurance company may request the Commissioner of Insurance or in his absence, the duly appointed deputy for such purpose, to review an action taken or proposed to be taken by the supervisor or conservator, specifying wherein the action complained of is believed not to be in the best interests of the insurance company, and such request shall stay the action specified pending review of such action by the Commissioner or his duly appointed deputy. Any order entered by the Commissioner appointing a supervisor and providing that the insurance company shall not do certain acts as provided in Section 4 of this Article, any order entered by the Commissioner appointing a conservator, and any order by the Commissioner following the review of an action of the supervisor or conservator as hereinabove provided shall be immediately reviewed by the State Board of Insurance upon the filing of an appeal by the insurance company. The Board shall review the action complained of in a public hearing and render its decision at the earliest possible date thereafter, and the requirement of ten (10) days notice set out in Article 1.04(d) of this Code may be waived by the parties of record. The Board may stay the effectiveness of any order of the Commissioner, pending its review of such order. Such appeal shall have precedence over all other business of a different nature pending before the Board, and in the public hearing any and all evidence and matters pertaining to the appeal may be submitted to the Board, whether included in the appeal or not, and the Board shall make such other rules and regulations with regard to such applications and their consideration as it deems advisable. If such insurance company be dissatisfied with any decision, regulation, order, rule, act or administrative ruling adopted by the State Board of Insurance, such dissatisfied insurance company after failing to get relief from the State Board of Insurance, may file a petition setting forth the particular objection to such decision, regulation, order, rule, act or administrative ruling, or to either or all of them, in the District Court of Travis County, Texas, and not elsewhere, against the State Board of Insurance as defendant. Said action shall have precedence over all other causes on the docket of a different nature. The action shall not be limited to questions of law and the substantial evidence rule shall not apply, except as interpretation of the Constitution may require, but such action shall be tried and determined upon a trial de novo to the same extent as

now provided for in the case of an appeal from the Justice Court to the County Court. Either party to said action may appeal to the Appellate Court having jurisdiction of said cause and said appeal shall be at once returnable to said Appellate Court having jurisdiction of said cause and said action so appealed shall have precedence in said Appellate Court over all causes of a different character therein pending. The Board shall not be required to give any appeal bond in any cause arising hereunder.

Venue

Sec. 8. Except for causes of action based upon terms of an insurance policy or policy or policies issued by an insurance company placed in conservatorship, any suit filed against an insurance company or its conservator, after the entrance of an order by the Commissioner of Insurance placing such insurance company in conservatorship and while such order is in effect, shall be brought in a court of competent jurisdiction in Travis County, Texas, and not elsewhere. The conservator appointed hereunder for such company may file suit in any court of competent jurisdiction in Travis County, Texas, against any person for the purpose of preserving, protecting, or recovering any assets or property of such insurance company including claims or causes of action belonging to or which may be asserted by such insurance company.

Duration of Conservatorship

Sec. 9. As respects a conservatorship, the conservator shall serve for such time as is necessary to accomplish the purposes of the conservatorship as intended by this Act. If rehabilitated, the rehabilitated insurance company shall be returned to management or new management under such reasonable conditions as will best tend to prevent the defeat of the purposes for which it was placed in conservatorship.

Administrative Election of Proceedings

Sec. 10. (a) If the Commissioner determines to act under authority of this Article, or is directed by the State Board of Insurance or a court of competent jurisdiction to act under this Article, the sequence of his acts and proceedings shall be as set forth herein. However, it is a purpose and substance of this Article to authorize administrative discretion—to allow the State Board of Insurance and the Commissioner administrative discretion in the event of insurance company delinquencies—and in furtherance of that purpose, the Commissioner is hereby authorized in respect of insurance company delinquencies or suspected delinquencies to proceed and administer either under this Article or under any other applicable law, or under this law in conjunction with other law, either as such law is now existing or as is hereafter enacted, and it is so provided.

Rules and Regulations

Sec. 11. The State Board of Insurance shall be empowered to adopt and promulgate such reasonable

rules and regulations as may be necessary for the augmentation and accomplishment of this Act, including its purposes.

Other Laws; Conflicts

Sec. 12. Other statutes authorized for use and application in conjunction with this Article are Section 14 of Article 17.25, and Articles 14.33 and 22.22 of the Insurance Code. Also authorized for use, in conjunction with this Article, in delinquency proceedings or threatened insolvencies of insurers, or any other statutes or laws possible of application with this Act or in the procedures of this Act, or in augmentation of this Act whether or not directed as applicable by such other statute; but in the event of conflict between this Article and any other Article, the provisions of this Article shall govern.

[Acts 1967, 60th Leg., p. 671, ch. 281, § 1, eff. Aug. 28, 1967.]

Acts 1967, 60th Leg., p. 677, ch. 281, §§ 2, 3 provided:

"Sec. 2. This Act shall be cumulative of all other laws, general and special, relating to the subject matter hereof, and if in conflict with any other laws, general and special, the provisions hereof shall control and govern.

"Sec. 3. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

Art. 21.28-B. Loss Claimant's Priorities Act

Title

Sec. 1. This Article shall be known as the Loss Claimant's Priorities Act.

Purpose

Sec. 2. The purpose of this Article as amendatory of the Insurance Code is to provide for the protection of the person with a loss claim against an insurer subject to an insolvency, liquidation, or bankruptcy proceeding, by creating a preference in payment of his loss claim prior to, during or in respect of that proceeding. It is the sense of the Legislature that the purpose of insurance as an instrument of progress and as an invention of society is for the many to share the financial burdens of the few who suffer loss. An individual bands together with other individuals by the purchase of insurance to assure that the financial burdens incurred by his loss which he alone cannot bear will be shared by others; the private insurer accomplishes this purpose by collecting premiums from its policyholders for distribution to those policyholders who suffer a loss. The purpose for which private insurers exist and the reason for which an individual purchases insurance are defeated by the failure to give preference in the payment of loss claims over other claims. It is the purpose of this Article to establish a preference in the payment of the whole of the amount of loss claims against an insurer that is the subject of an insolvency, liquidation, or bankruptcy proceeding.

Definition

Sec. 3. As used in this Article, loss claim is the claim of an insured, a third party beneficiary, or any

other person entitled thereto, under a contract of insurance or indemnification, for a loss arising within the terms of coverage provided in a contract of insurance or indemnification for an amount within the express limits of such insurance policy, but excluding a claim for unearned premium.

Scope and Application

Sec. 4. The provisions of this Article shall apply to all loss claims arising within the terms of coverage provided in any type of property-casualty insurance policy, including, but not limited to, insurance policies issued for the purpose of insuring those losses or risks mentioned or enumerated in the Insurance Code in Articles 6.03, 7.19-1, 8.01 (except Section 10 thereof), 16.01, and 17.01. The provisions of this Article shall apply to loss claims under all insurance policies issued by insurers organized or operating under Chapters 16, 17, 18, and 19 of the Insurance Code, any provisions of these Chapters to the contrary notwithstanding.

Consonant with the provision of Section 15, Article 1.10, Insurance Code, loss claims under insurance policies issued by insurers either organized or operating under Chapters 3, 9, 10, 11, 12, 13, 14, 20, and 22 of the Insurance Code, shall be excluded from the provisions of this Article. Provided, however, that the preceding exclusion shall not apply to loss claims under workmen's compensation insurance policies, and liability insurance policies issued by the insurers enumerated in the preceding exclusion, and loss claims under these insurance policies shall be entitled to the preference in payment of loss claims as provided in this Article.

Preference of Loss Claims

Sec. 5. The whole of the amount legally or lawfully determined to be due upon the loss claim, or any award or judgment thereon, shall be entitled to the same preference in payment in a liquidation proceeding, insolvency proceeding, or bankruptcy proceeding, or in the administration of liquidation, as is given by any law of this state or by the Federal Bankruptcy Act to claims for wages. The expenses necessary to the administration of a liquidation proceeding, insolvency proceeding, or bankruptcy proceeding, shall be met before payment of loss claims. To the extent that any other law is in conflict with or inconsistent with the provisions of this Article, the provisions of this Article shall take precedence and be effected.

Unconstitutional Application Prohibited

Sec. 6. This Article and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

[Acts 1967, 60th Leg., p. 431, ch. 196, § 1, eff. May 15, 1967.]

Section 2 of Acts 1967, 60th Leg., p. 432, ch. 196 amended article 17.22; section 3 thereof provides: "Severability Clause. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can

be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

Art. 21.28-C. Property and Casualty Insurance Guaranty Act

Title

Sec. 1. This article shall be known and may be cited as the "Texas Property and Casualty Insurance Guaranty Act."

Purpose

Sec. 2. This Act is for the purposes and findings set forth in Section 1 of Article 21.28-A of the Insurance Code and in supplementation thereto by providing funds in addition to assets of impaired insurers for the protection of the holders of "covered claims" as defined herein through payment and through contracts of reinsurance or assumption of liabilities or of substitution or otherwise.

Scope

Sec. 3. This Act shall apply to all kinds of insurance written by stock and mutual fire insurance companies, casualty insurance companies and fire and casualty insurance companies licensed to do business in this State; and shall also include all kinds of insurance written by county mutual insurance companies, Lloyd's and reciprocal exchanges licensed to do business in this State; but shall not apply to insurance written by farm mutual insurance companies or title insurance companies or title insurance written by any insurer; and shall not apply to mortgage guaranty insurance companies or mortgage guaranty insurance, nor to ocean marine insurance; and shall not apply to Mexican casualty insurance companies or to policies of insurance issued by Mexican casualty insurance companies.

Construction

Sec. 4. This Act shall be liberally construed to effect the purpose under Section 2 which shall constitute an aid and guide to interpretation.

Definitions

Sec. 5. As used in this Act

(1) A. "State Board of Insurance" is the State Board of Insurance of this State.

B. "Commissioner" is the Commissioner of Insurance of this State.

(2) "Covered claim" is an unpaid claim of an insured or third party liability claimant which arises out of and is within the coverage and not in excess of the applicable limits of an insurance policy to which this Act applies, issued or assumed (whereby an assumption certificate is issued to the insured) by an insurer licensed to do business in this State, if such insurer becomes an "impaired insurer" after the effective date of this Act and (a) the third party claimant or liability claimant or insured is a resident of this State at the time of the insured event; or (b) the property from which the claim arises is

permanently located in this State. "Covered claim" shall also include fifty percent (50%) of unearned premiums but in no event shall a "covered claim" for unearned premiums exceed Five Hundred Dollars (\$500). Individual "covered claims" shall be limited to Fifty Thousand Dollars (\$50,000) and shall not include any amount in excess of Fifty Thousand Dollars (\$50,000). "Covered claim" shall not include any amount due any reinsurer, insurer, insurance pool or underwriting association, as subrogation recoveries or otherwise. "Covered claim" shall not include supplementary payment obligations, including but not limited to adjustment fees and expenses, attorneys fees and expenses, court costs, interest and bond premiums, incurred prior to the determination that an insurer is an "impaired insurer" under this Act.

(3) "Insurer" is stock and mutual fire insurance companies, casualty insurance companies and fire and casualty insurance companies licensed to do business in this State; and also is county mutual insurance companies, Lloyd's and reciprocal exchanges licensed to do business in this State; but shall not include farm mutual insurance companies, title insurance companies, mortgage guaranty insurance companies or Mexican casualty insurance companies.

(4) "Impaired insurer" is (a) an insurer which, after the effective date of this Act, is placed in temporary or permanent receivership under an order of a court of competent jurisdiction based on a finding of insolvency, and which has been designated an "impaired insurer" by the Commissioner; or (b) after the effective date of this Act, an insurer placed in conservatorship after it has been deemed by the Commissioner to be insolvent and which has been designated an "impaired insurer" by the Commissioner.

(5) "Payment of covered claims" is actual payment and also is utilization of funds derived from assessments for consummation of contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for liabilities for covered claims.

(6) "Net direct written premiums" is the gross amount of premiums received from policies of insurance issued in this State to which this Act applies, less return premiums and dividends paid or credited to policyholders. The term does not include premiums for indemnity reinsurance accepted from other licensed insurers, and there shall be no deductions for premiums for indemnity reinsurance ceded to other insurers.

(7) "Lines of business" is policies of insurance falling within one of the three following categories:

1. Workmen's Compensation insurance.
2. Automobile insurance.
3. All other insurance to which this Act applies.

#### Termination of Policies

Sec. 6. This Act shall apply to covered claims existing prior to the determination that an insurer is an impaired insurer and to covered claims arising within thirty (30) days after the determination of impairment, or before the policy expiration date if less than thirty (30) days after the determination of impairment, or before the insured replaces the policy or effects its cancellation, if he does so within thirty (30) days of the determination of impairment.

Upon the determination by the Commissioner that an insurer is an impaired insurer, the Commissioner shall notify the insureds of the impaired insurer of the determination and of their rights under this Act. Such notification shall be by mail at each insured's last known address, where available, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation printed in this State shall be sufficient.

#### Assessments

Sec. 7. Whenever the Commissioner determines that an insurer has become an impaired insurer the receiver appointed in accordance with Article 21.28 of the Insurance Code or the conservator appointed under the authority of Article 21.28-A of the Insurance Code shall promptly estimate the amount of additional funds, by lines of business, needed to supplement the assets of the impaired insurer immediately available to the receiver or the conservator for the purpose of making payment of all covered claims. Thereafter, the Commissioner shall be empowered to make such assessments as may be necessary to produce the additional funds needed to make payment of all covered claims. The Commissioner may make partial assessments as the actual need for additional funds arises for each impaired insurer.

The Commissioner in determining the proportionate amount to be paid by individual insurers under an assessment shall take into consideration the lines of business written by the impaired insurer and shall assess individual insurers in proportion to the ratio that the total net direct written premium collected in the State of Texas by the insurer for such line or lines of business during the next preceding year bears to the total net direct written premium collected by all insurers (except impaired insurers) in the State of Texas for such lines of business. Assessments during a calendar year may be made up to, but not in excess of, two percent (2%) of each insurer's net direct written premium for the preceding calendar year in the lines of business written by the impaired insurer. If the maximum assessment in any calendar year does not provide an amount sufficient for payment of covered claims of impaired insurers, assessments may be made in the next and successive calendar years.

Insurers designated as impaired insurers by the Commissioner shall be exempt from assessment from and after the date of such designation and until the

Commissioner determines that such insurer is no longer an impaired insurer.

The Commissioner shall designate the impaired insurer for which each assessment or partial assessment is made and it shall be the duty of each insurer to pay the amount of its assessment to the conservator or receiver, as the case may be, within thirty (30) days after the Commissioner gives notice of the assessment, and assessments may be collected by the conservator or receiver through suits brought for that purpose. Venue for such suits shall lie in Travis County, Texas, and actions to collect such assessments shall have precedence over all other causes on the docket of a different nature. Either party to said action may appeal to the appellate court having jurisdiction over said cause and said appeal shall be at once returnable to said appellate court having jurisdiction over said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. Neither the receiver nor the conservator shall be required to give an appeal bond in any cause arising hereunder.

Funds derived from assessments under the provisions of this Act shall not become assets of the impaired insurer but shall be deemed a special fund loaned to the receiver or the conservator for payment of covered claims, which loan shall be repayable to the extent available from the funds of such impaired insurer, as herein provided.

#### Penalty for Failure to Pay Assessments

Sec. 8. The Commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any insurer who fails to pay an assessment when due.

Any insurer whose certificate of authority to do business in this State is cancelled or surrendered shall be liable for any unpaid assessments made prior to the date of such cancellation or surrender.

#### Accounting for and Repayment of Assessments

Sec. 9. Upon receipt from an insurer of payment of an assessment or partial assessment, the receiver or conservator shall provide the insurer with a participation receipt which shall create a liability against the impaired insurer, and the holder of such participation receipt shall be regarded as a general creditor of the impaired insurer; provided, however, that with reference to the remaining balance of any portions of assessments received by the receiver or conservator and not expended in payment of "covered claims" the holders of such participation receipts shall have preference over other general creditors and shall share pro rata with other holders of participation receipts. The receiver or conservator of any impaired insurer shall adopt accounting procedures reflecting the expenditure and use of all funds received from assessments or partial assessments and shall make a final report of the expenditure and use of such funds to the Commissioner,

which final report shall set forth the remaining balance, if any, from the funds collected by assessment. The receiver or conservator shall also make any interim reports concerning such accounting as may be required by the Commissioner. Upon completion of the final report the receiver or conservator shall, as soon thereafter as is practicable, refund pro rata the remaining balance of such assessments to the holders of the participation receipts.

#### Payment of Covered Claims

Sec. 10. When an insurer has been designated by the Commissioner as an impaired insurer, the receiver or conservator, as the case may be, shall marshal all assets of the impaired insurer, including but not limited to those which are designated as or that constitute reserve assets offsetting reserve liabilities for all liabilities falling within the definition of "covered claim" as defined in this Act. The receiver or conservator shall apply all of such assets to the payment of covered claims, but may utilize funds received from assessments in the payment of claims, pending orderly liquidation or disposition of such assets. When all covered claims have been paid or satisfied by the receiver or conservator, any balance remaining from the liquidation or disposition of such assets shall first be applied in repayment of funds expended from assessments. Such repayments shall be credited as remaining balances and be refunded as provided in Section 9 of this Act.

In addition to authorization to make actual payment of covered claims, the receiver or conservator is specifically authorized to utilize such marshalled assets and funds derived from assessments for the purpose of negotiating and consummating contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for outstanding liabilities of covered claims. This Act shall not be construed to impose restrictions or limitations upon the authority granted or authorized the Commissioner, the conservator or the receiver elsewhere in the Insurance Code and other statutes of this State but shall be construed and authorized for use in conjunction with other portions of the Insurance Code dealing with delinquency proceedings or threatened insolvencies or supervisions or conservatorships.

#### Approval of Covered Claims

Sec. 11. Covered claims against an impaired insurer placed in temporary or permanent receivership under an order of liquidation, rehabilitation or conservation by a court of competent jurisdiction shall be processed and acted upon by the receiver or ancillary receiver in the same manner as other claims as provided in Article 21.28 of the Insurance Code and as ordered by the court in which such receivership is pending; provided, however, that funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the receiver and the amount of the assets marshalled by the receiver for payment to holders of covered claims; and provided further,

that in ancillary receiverships in this State, funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the ancillary receiver and the amount of assets marshalled by the receivers in other states for application to payment of covered claims within this State. Such funds received from assessments shall not be liable for any amount over and above that approved by the receiver for a covered claim and any action brought by the holder of such covered claim appealing from the receiver's action shall not increase the liability of such funds; provided, however, that the receiver may review his action in approving a covered claim and for just cause modify such approval at any time during the pendency of the receivership.

If a conservator is appointed to handle the affairs of an impaired insurer the conservator shall determine whether or not covered claims should or can be provided for in whole or in part by reinsurance, assumption or substitution. Upon determination by the conservator that actual payment of covered claims should be made the conservator shall give notice of such determination to claimants falling within the class of "covered claims." The conservator shall mail such notice to the latest address reflected in the records of the impaired insurer. If the records of the impaired insurer do not reflect the address of a claimant, the conservator may give notice by publication in a newspaper of general circulation. Such notice shall state the time within which the claimant must file his claim with the conservator, which time shall in no event be less than ninety (90) days from the date of the mailing or publication of such notice. The conservator may require, in whole or in part, that sworn claim forms be filed and may require that additional information or evidence be filed as may be reasonably necessary for the conservator to determine the legality or the amount due under a covered claim. When an impaired insurer has been placed in conservatorship, the funds received from assessments shall be liable only for the difference between the amount of the covered claim approved by the conservator and the amount of assets marshalled by the conservator for payment to holders of covered claims. Any action brought by the holder of such covered claim against the impaired insurer shall not increase the liability of such funds; provided, however, that the conservator may review his action in approving a covered claim and may for just cause modify such approval at any time during the pendency of the conservatorship.

Upon determination by the conservator that actual payment of covered claims should be made or upon order of the court to the receiver to give notice for the filing of claims, any person who has a cause of action against an insured of the impaired insurer under a liability insurance policy issued or assumed by such insurer shall (if such cause of action meets the definition of "covered claim") have the right to file a claim with the receiver or the conservator,

regardless of the fact that such claim may be contingent, and such claim may be approved as a "covered claim" (1) if it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and (2) if such person shall furnish suitable proof that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and (3) if the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater than its total liability would be were it not in liquidation, rehabilitation or conservation. In the proceedings of considering "covered claims" no judgment against an insured taken after the date of the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default or by collusion prior to the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as conclusive evidence either (1) of the liability of such insured to such person upon such cause of action, or (2) of the amount of damages to which such person is therein entitled.

The acceptance of payment from the receiver or conservator by the holder of a covered claim or the acceptance of the benefits of contracts negotiated by the receiver or conservator providing for reinsurance or assumption of liabilities or for substitution shall constitute an assignment to the impaired insurer of any cause of action or right of the holder of such covered claim arising from the occurrence upon which the covered claim is based. Such assignment shall be to the extent of the amount accepted or the value of the benefits provided by such contracts of reinsurance or assumption of liabilities or substitution.

#### Nonduplication of Recovery

Sec. 12. Any person having a claim against an insurer under any provision in an insurance policy other than a policy of an impaired insurer, which is also a covered claim, shall be required to exhaust first his right under such policy. Any amount payable on a covered claim under this Act shall be reduced by the amount of any recovery under such insurance policy.

Any recovery under this Act shall be reduced by the amount of recovery under any other insurance guaranty act, or its equivalent, in any other state. Any person having a covered claim who is a resident of another state shall not be entitled to payment under this Act unless and until he furnishes adequate sworn proof that he has exhausted any and all rights of recovery that he has in his state of residence and the state of residence of the insured under any insurance guaranty act or its equivalent; provided, however, that any nonresident holder of a covered claim for damage to property with a perma-

ment location in this State shall be entitled to payment of the covered claim without first having exhausted his right of recovery in his state of residence.

*Release from Conservatorship or Receivership*

Sec. 13. An impaired insurer placed in conservatorship or receivership for which assessments have been made under the provisions of this Act shall not be authorized, upon release from conservatorship or receivership, to issue new or renewal insurance policies until such time as the impaired insurer has repaid in full to each holder of a participation receipt the assessment amount paid by the receipt holder or its assigns; provided, however, the Commissioner may, upon application of the advisory association and after hearing, permit the issuance of new policies in accordance with a plan of operations by the released insurer for repayment of assessments. The Commissioner may, in approving such plan, place such restrictions upon the issuance of new or renewal policies as he deems necessary to the implementation of the plan. The Commissioner shall give ten (10) days notice of such hearing to the insurers to whom the participation receipts were issued for an assessment made for the benefit of the released insurer and the holders of the receipts shall be entitled to appear at and participate in such hearing.

*Creation of Advisory Association*

Sec. 14. There is created by this Act an advisory association to be known as the "Texas Property and Casualty Advisory Association," herein called the "advisory association" to be composed of eight insurers. Within thirty (30) days after the effective date of this Act, the State Board of Insurance shall appoint the insurers who will serve as the initial advisory association. Of the initial advisory association members, two shall be appointed to serve for a one year term of office, two shall be appointed to serve for a two year term of office, two shall be appointed to serve for a three year term of office, and two shall be appointed to serve a four year term of office. Subsequent members of the advisory association shall serve for the term of office as stated above and shall be elected by insurers, subject to the approval of the Commissioner.

The initial members of the advisory association and subsequent members shall be chosen to afford fair representation to all insurers subject to this Act giving due consideration to the various categories of premium income, geographical location and segments of the industry represented in Texas. Vacancies on the advisory association shall be filled for the remaining period of the term in the same manner as the initial appointments.

The advisory association shall conduct its meetings in Austin, Texas, in the Insurance Building of the State of Texas. Meetings shall be held upon call by the Commissioner or upon written request of a ma-

majority of the members. Meetings shall not be open to the public and only members of the advisory association, members of the State Board of Insurance, the Commissioner and persons authorized by the Commissioner shall attend such meetings.

The advisory association shall advise and counsel with the Commissioner upon matters relating to the solvency of insurers. The Commissioner shall call a meeting of the advisory association when he determines that an insurer is insolvent or impaired and may call a meeting of the advisory association when he determines that a danger of insolvency or impairment of an insurer exists. The advisory association shall, upon majority vote, notify the Commissioner of any information indicating that an insurer may be unable or potentially unable to fulfill its contractual obligations and request a meeting with the Commissioner. At such meetings the Commissioner may divulge to the advisory association any information in his possession and any records of the State Board of Insurance, including examination reports or preliminary reports from examiners relating to such insurer. The Commissioner may summon officers, directors and employees of an insolvent or impaired insurer (or of an insurer the Commissioner considers to be in danger of insolvency or impairment) to appear before the advisory association for conference or for the taking of testimony. Members of the advisory association shall not reveal information received in such meetings to anyone unless authorized by the Commissioner or the State Board of Insurance or when required as witness in court. Advisory association members shall be subject to the same standard of confidentiality as is imposed upon examiners under Article 1.18 of the Insurance Code, except that no bond shall be required of advisory association members.

The advisory association shall, upon request by the Commissioner, attend hearings before the Commissioner and meet with and advise the Commissioner, the Liquidator or Conservator appointed by the Commissioner, on matters relating to the affairs of an impaired insurer and relating to action that may be taken by the Commissioner, Liquidator or Conservator to best protect the interests of persons holding covered claims against an impaired insurer and relating to the amount and timing of partial assessments and the marshalling of assets and the processing and handling of covered claims.

Reports or recommendations made by the advisory association to the Commissioner, Liquidator or Conservator shall not be considered public documents and there shall be no liability on the part of and no cause of action against a member of the advisory association or the advisory association for any report, individual report, recommendation or individual recommendation by the advisory association or members to the Commissioner, Liquidator or Conservator.

Members shall serve without pay but their expenses in attending meetings shall be paid subject to

the authorization by the Legislature in its appropriations bills or otherwise, and subject to the rules of the State Board of Insurance. Members shall serve until their successors are appointed.

Any insurer that has an officer, director or employee serving as a member of the advisory association shall not lose the right to negotiate for and enter into contracts of reinsurance or assumption of liability or contracts of substitution to provide for liabilities for covered claims with the Receiver or Conservator of an impaired insurer. The entering into any such contract shall not be deemed a conflict of interest.

The advisory association or any insurer assessed under this Act shall be an interested party under Section 3(h) of Article 21.28 of the Insurance Code.

The State Board of Insurance shall within ninety (90) days after the effective date of this Act promulgate reasonable organizational rules for the association which shall set forth, among other things, quorum and attendance requirements for meetings, procedural rules to be followed at association meetings and rules concerning the replacement of members.

**Recognition of Assessments in Rates and Premium Tax Offset**

Sec. 15. Insurers shall be entitled to recoup assessments up to one percent (1%) of their net direct written premiums from rates promulgated, established or approved by the State Board of Insurance in the next calendar year. The State Board of Insurance in promulgating, establishing or approving rates shall take into account assessments and refunds of assessments made in accordance with this Act and shall include in the formula forming the basis for promulgating, establishing or approving rates sums sufficient to provide for such recoupment.

Unless the State Board of Insurance has determined that all amounts paid by each insurer on assessments on total net direct written premiums have been included in the rates and premiums as provided above, any amounts not so included shall be allowed to such insurer as a credit against its premium tax under Article 7064, Revised Civil Statutes of Texas, 1925, as amended. The tax credit referred to herein shall be allowed at a rate of twenty percent (20%) per year for five (5) successive years following the date of assessment and at the option of the insurer may be taken over an additional number of years.

**Immunity**

Sec. 16. There shall be no liability on the part of and no cause of action of any nature shall arise against any insurer subject to this Act or its agents or employees, the advisory association or the Commissioner or his representatives for any action taken by them in the performance of their powers and duties under this Act.

**Rules and Regulations**

Sec. 17. The State Board of Insurance is authorized and directed to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this Act, and in augmentation thereof.

**Appeals**

Sec. 18. Any action or ruling of the Commissioner under this Act may be appealed as provided in Article 1.04 of the Insurance Code. The liability of the appealing insurer for an assessment shall be suspended pending appeal by such insurer contesting the amount or legality of such assessment.

**Control Over Conflicts**

Sec. 19. The provisions of this Act and the powers and functions authorized by this Act are to be exercised to the end that its purposes are accomplished. This Act is cumulative of existing laws, but in the event of conflict between this Act and any other law relating to the subject matter of this Act or its application, the provisions of this Act shall control.

**Unconstitutional Application Prohibited**

Sec. 20. This Act and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

**Severance Clause**

Sec. 21. If any provision of this Act or the application thereof to any person or circumstance is held invalid by any court of competent jurisdiction, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

**Art. 21.28-D. Life, Accident, Health, and Hospital Service Insurance Guaranty Association**

**Short Title**

Sec. 1. This Act shall be known and may be cited as the Life, Accident, Health, and Hospital Service Insurance Guaranty Association Act.

**Purpose**

Sec. 2. The purpose of this Act is to protect policyowners, insureds, beneficiaries, annuitants, payees, and assignees of life insurance policies; accident insurance policies; health insurance policies, annuity contracts, and supplemental contracts, and the holders of group hospital service contracts, subject to certain limitations, against failure in the performance of contractual obligation due to the impairment of the insurer issuing such policies or

contracts. To provide this protection, (1) an association of insurers is created to enable the guaranty of payment of benefits and of continuation of coverages, (2) members of the association are subject to assessment to provide funds to carry out the purpose of this Act, and (3) the association is authorized to proceed in the prescribed manner, in the detection and prevention of insurer impairments.

#### Scope

Sec. 3. (2) This Act shall not apply to:

(a) Any such policies or contracts, or any part of such policies or contracts, under which the risk is borne by the policyholder;

(b) Any kind of reinsurance contract or agreement between insurers, the terms of which do not create a direct liability of the assuming insurer, or the terms of which do not require the creation of a direct liability to the policyholder through issuance of an assumption certificate, or other written instrument;

(c) Any kind of insurance or annuities, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy to be maintained by the insurer or by a separate entity;

(d) Any such policies or contracts issued by a foreign or alien insurer on nonresidents of this state at the time such insurer becomes an impaired insurer as defined in this Act;

(e) Any such policy or contracts of a foreign or alien insurer whose domiciliary jurisdiction or state of entry provides by statutes or regulations for residents of this state protection substantially similar to that provided by this Act for residents of other states;

(f) Any such policies or contracts issued by mutual assessment companies, local mutual aid associations, statewide mutual assessment companies, local mutual burial associations, stipulated premium insurance companies, fraternal benefit societies and assessment-as-needed companies, nor to such policies or contracts issued by insurers subject to the provisions of Chapter 360, Acts of the 62nd Legislature, Regular Session, 1971 (Article 21.28-C, Vernon's Texas Insurance Code).

All member insurers shall be and remain members of the association as a condition precedent to their authority to transact insurance in this state. The association shall perform its functions under the plan of operation established and approved under Section 10 below, and shall exercise its powers through a board of directors established under Section 7 below. #### Board of Directors

Sec. 7. (1) The State Board of Insurance shall appoint a board of directors of the association consisting of nine members, three of whom shall be chosen from employees or officers chosen from the ten member companies having the largest total direct premium income based on the latest financial statement on file at date of appointment, and the remaining members shall be chosen from the other companies to give fair representation to all such member insurers based on due consideration of their varying categories of premium income and geographical location. Of the original board of directors, three members shall be designated to serve for a four-year term of office; three members shall be designated to serve for a two-year term of office; and three shall be designated to serve for a six-year term of office. Should any director cease to be an officer or employee of a member insurer during his term of office, such office shall become vacant until

his successor shall have been appointed. All directors shall be eligible to succeed themselves in office.

(2) Directors shall not receive any remuneration or emolument of office, but they shall be entitled to reimbursement for their actual expenses incurred in performing their duties as directors.

#### Powers and Duties of the Association

Sec. 8. In addition to the powers and duties enumerated in other sections of this Act,

(1) If a member insurer becomes an insolvent insurer, as that term is herein defined, and has been designated an "Impaired Insurer" by the commissioner, the association shall, upon entry by a court of competent jurisdiction after the effective date of this Act of an order appointing a receiver, either temporary or permanent, to take charge of the assets of such insolvent insurer, subject to any reasonable conditions imposed by the association and approved by the commissioner, guarantee, assume or reinsure, or cause to be guaranteed, assumed, or reinsured, the covered policies of such insolvent insurer, and shall make or cause to be made prompt payment of the contractual obligations of such insolvent insurer.

(2) If a member insurer becomes an impaired insurer, as that term is herein defined, the association may, subject to any conditions imposed by the association other than those which impair the contractual obligations of the impaired insurer, and approved by the impaired insurer and the commissioner:

(a) guarantee or reinsure, or cause to be guaranteed or reinsured, the impaired insurer's covered policies; or

(b) provide such moneys, pledges, notes, guarantees or other means as are proper to effectuate Subparagraph (a) above, and assure payment of the impaired insurer's contractual obligations pending action under Subparagraph (a) above, or

(c) loan money to the impaired insurer.

(3) In carrying out its duties under Paragraphs (1) and (2), above, the association may impose moratoriums or policy liens against the nonforfeiture values of any contractual obligation under a covered policy; and

(4) The association may render assistance and advice to the commissioner, upon his request, concerning rehabilitation, payment of claims, continuations of coverage, or the performance of other contractual obligations of any impaired insurer.

(5) The association shall have standing to appear before any court in this state with jurisdiction over an insolvent insurer or an impaired insurer concerning which the association is or may become obligated under this Act. Such

standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the insolvent insurer or the impaired insurer and the termination of the covered policies and contractual obligations.

(6) (a) Any person receiving benefits under this Act shall be deemed to have assigned his rights under the covered policy to the association to the extent of the benefits received because of this Act whether the benefits are payments of contractual obligations or continuation of coverage. The association may require an assignment to it of such rights by any payee, policy or contract owner, beneficiary, insured or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this Act upon such person. The association shall be subrogated to these rights against the assets of any impaired insurer.

(b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the insolvent insurer or the impaired insurer as that possessed by the person entitled to receive benefits under this Act.

(7) The contractual obligations of the insolvent insurer or impaired insurer for which the association becomes or may become liable shall be as great as but no greater than the contractual obligations of the insolvent insurer or impaired insurer would have been in the absence of an impairment unless such obligations are reduced as permitted by Paragraph (3).

(8) The association may:

(a) enter into such contracts as are necessary or proper to carry out the provisions and purposes of this Act;

(b) sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under Section 9;

(c) borrow money to effect the purposes of this Act. Any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;

(d) employ or retain such persons as are necessary to handle the financial transactions of the association, and to perform such other functions as become necessary or proper under this Act;

(e) negotiate and contract with any liquidator, rehabilitator, conservator, receiver, or ancillary receiver to carry out the powers and duties of the association;

(f) take such legal action as may be necessary to avoid payment of improper claims;

(g) exercise, for the purposes of this Act and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired insurer.

#### Assessments

Sec. 9. (1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall determine the amount necessary and the commissioner shall assess the member insurers, separately for each account, at such times and for such amounts as the board of directors finds necessary. All assessments ordered by the commissioner shall be payable to the association and the board of directors shall collect the assessments after 30 days' written notice to the member insurers before payment is due.

(2) There shall be two classes of assessments, as follows:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses not related to a particular insolvent or impaired insurer;

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under Section 8 with regard to an insolvent or impaired insurer.

(3) (a) The amount of any Class A assessment for each account shall be determined by the board of directors. The amount of any Class B assessment shall be divided among the accounts in the proportion that the premiums received by such insurer on all covered policies;

(b) Class A and Class B assessments against member insurers for each account shall be in the proportion that premiums received on all business by each assessed member insurer on policies covered by each account bears to such premiums received on all business by all assessed member insurers;

(c) Assessments for funds to meet the requirements of the association with respect to an insolvent or impaired insurer shall not be made until necessary to implement the purposes of this Act. Classification of assessments under Paragraph (2), above, and computation of assessments under this paragraph shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(4) The commissioner may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the commissioner, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed one percent of such insurer's premiums on the policies covered by the account.

(5) In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in Paragraph (4), above, the amount by which such assessment is abated or deferred, may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this paragraph. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this Act.

(6) The board of directors may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each member insurer, the amount by which the assets exceed the amount the board of directors finds is necessary to carry out during the coming year the obligations of the association with regard to that amount, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

(7) The association shall issue to each insurer paying a Class B assessment under this Act a certificate of contribution, in a form prescribed by the commissioner, for the amount so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or date of issue.

(8) The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this state of any insurer who fails to pay an assessment when due. Any insurer whose certificate of authority to do business in this state is cancelled or surrendered shall be liable for any unpaid assessments made prior to the date of such cancellation or surrender.

(9) The provisions of this section shall be valid and enforceable so long as the provisions of Section 19 remain in full force and effect.

#### Plan of Operation

Sec. 10. (1) (a) The association shall submit to the commissioner a plan of operation and any amendment thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner;

(b) If the association fails to submit a suitable plan of operation within 180 days following the effective date of this Act, or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner may, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this Act. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(2) All member insurers shall comply with the plan of operation.

(3) The plan of operation shall, in addition to requirements enumerated elsewhere in this Act:

(a) establish procedures for handling the assets of the association;

(b) establish the amount and method of reimbursing members of the board of directors under Section 7;

(c) establish regular places and times for meetings of the board of directors;

(d) establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors;

(e) establish any additional procedures for assessments under Section 9;

(f) contain additional provisions necessary or proper for the execution of the powers and duties of the association.

(4) The plan of operation may provide that any or all powers and duties of the association, except those under Paragraph (8)(c) of Section 8 and Section 9, are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of the association, or its equivalent, in two or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this paragraph shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not less favorably and effective than that provided by this Act.

#### Duties and Powers of the Commissioner

Sec. 11. In addition to the duties and powers enumerated elsewhere in this Act,

(1) The commissioner shall:

(a) notify the board of directors of the existence of an insolvent or an impaired insurer not later than three days after a determination of impairment is made or after receipt of notice of impairment, whichever is earlier. The commissioner shall within three days notify the association of a member insurer placed under supervision pursuant to Article 21.28, Insurance Code, as amended, and Chapter 281, Acts of the 60th Legislature, Regular Session, 1967 (Article 21.28-A, Vernon's Texas Insurance Code);

(b) upon request of the board of directors provide the association with a statement of the premiums for each member insurer;

(c) when an impairment is declared and the amount of the impairment is determined, serve a demand upon the insolvent

or impaired insurer to make good the impairment within a reasonable time. Notice to such insurer shall constitute notice to its shareholders, if any. The failure of such insurer to promptly comply with such demand shall not excuse the association from the performance of its powers and duties under this Act.

(2) The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture upon any member insurer which fails to pay an assessment when due. Such forfeiture shall not exceed five percent of the unpaid assessment per month, but no forfeiture shall be less than \$100 per month. Any forfeiture paid under this section shall be paid by the member insurer to the commissioner and by him deposited with the state treasurer for credit to the general fund of this state.

(3) Any action of the board of directors or the association may be appealed to the commissioner by any member insurer if such appeal is taken within 30 days of the action being appealed. Any final action or order of the commissioner shall be subject to appeal to the State Board of Insurance and to judicial review as provided in Sections (d) and (f), Article 1.04, Insurance Code, as amended.

#### Prevention of Impairments

Sec. 12. To aid in the detection and prevention of insurer impairments:

(1) The board of directors shall, upon majority vote, notify the commissioner of any information indicating any member insurer may be unable or potentially unable to fulfill its contractual obligations and may request appropriate investigation and action by the commissioner who may, in his discretion, make such investigation and take such action as he deems appropriate.

(2) The board of directors shall advise and counsel with the commissioner upon matters relating to the solvency of insurers. The commissioner shall call a meeting of the board of directors when he determines that an insurer is insolvent or impaired and may call a meeting of the board of directors when he determines that a danger of insolvency or impairment of an insurer exists. The board of directors shall, upon majority vote, notify the commissioner of any information indicating that an insurer may be unable or potentially unable to fulfill its contractual obligations and request a meeting with the commissioner. At such meetings the commissioner may divulge to the board of directors any information in his possession and any records of the State Board of Insurance, includ-

ing examination reports or preliminary reports from examiners relating to such insurer. The commissioner may summon officers, directors and employees of an insolvent or impaired insurer (or an insurer the commissioner considers to be in danger of insolvency or impairment) to appear before the board of directors for conference or for the taking of testimony. Members of the board of directors shall not reveal information received in such meetings to anyone unless authorized by the commissioner or the State Board of Insurance or when required as witness in court. Board members and all of such meetings and proceedings under this section shall be subject to the same standard of confidentiality as is imposed upon examiners under Article 1.18 of the Insurance Code, as amended, except that no bond shall be required of a board member.

The board of directors shall, upon request by the commissioner, attend hearings before the commissioner and meet with and advise the commissioner, liquidator or conservator appointed by the commissioner, on matters relating to the affairs of an impaired insurer and relating to action that may be taken by the commissioner, liquidator or conservator appointed by the commissioner to best protect the interests of persons holding covered contractual obligations against an impaired insurer and relating to the amount and timing of partial assessments and the marshalling of assets and the processing and handling of contractual obligations.

(3) The board of directors may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer. Such reports and recommendations shall not be considered public documents. Reports or recommendations made by the board of directors to the commissioner, liquidator or conservator shall not be considered public documents and there shall be no liability on the part of and no cause of action against a member of the board of directors or the board of directors for any report, individual report, recommendation or individual recommendation by the board of directors or members to the commissioner, liquidator or conservator.

(4) The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of member insurer impairments.

(5) The board of directors shall, at the conclusion of any member insurer impairment in which the association carried out its duties under this Act or exercised any of its powers under this Act, prepare a report on the history and causes of such impairment, based on the information available to the association, and submit a report on same to the commissioner.

(6) Any insurer that has an officer, director or employee serving as a member of the board

of directors shall not lose the right to negotiate for and enter into contracts of reinsurance or assumption of liability or contracts of substitution to provide for liabilities for contractual obligations with the receiver or conservator of an impaired insurer. The entering into any such contract shall not be deemed a conflict of interest.

(7) The association or any insurer assessed under this Act shall be an interested party under Section 3(h) of Article 21.28 of the Insurance Code, as amended.

#### Miscellaneous Provisions

Sec. 13. (1) Records shall be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under Section 8. Records of all such negotiations or meetings shall be made public only upon the termination of a receivership, liquidation, rehabilitation, conservatorship proceeding involving the insolvent insurer or impaired insurer, or upon the order of a court of competent jurisdiction. Nothing in this paragraph shall limit the duty of the association to render a report of its activities under Section 14.

(2) For the purpose of carrying out its obligations under this Act, the association shall be deemed to be a creditor of the insolvent insurer or impaired insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to Paragraph (6) of Section 8. All assets of the insolvent insurer or impaired insurer attributable to covered policies and all assets to which covered policyholders are given a right of priority shall be used to continue all covered policies and to pay all contractual obligations of such insurer as required by this Act.

(3) (a) Prior to the termination of any receivership, liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders and policyowners of the insolvent insurer or impaired insurer, and any other party with a bona fide interest in making an equitable distribution of the ownership rights of such insurer. In such a determination, consideration shall be given the welfare of the policyholders of the continuing or successor insurer.

(b) No distribution to stockholders, if any, of an insolvent or impaired insurer shall be made until and unless the total amount of assessments levied by the commissioner with respect to such insurer has been fully recovered by the association.

(4) The use in any manner of the protection afforded by this Act by any person in the sale of insurance shall constitute unfair competition and unfair practices under Article 21.21 of the Texas Insurance Code, as amended, and shall be subject to the provisions thereof.

(5) (a) If an order for receivership, liquidation, rehabilitation, or conservatorship of a member insurer has been entered, the receiver appointed under such order shall have the right to recover on behalf of such insurer from any affiliate as defined in Section 1, Chapter 356, Acts of the 62nd Legislature, Regular Session, 1971 (Article 21.49-1, Vernon's Texas Insurance Code), that controlled it the amount of distributions, other than stock dividends paid by such insurer on its capital stock, at any time during the five years preceding the petition for receivership, liquidation, rehabilitation, or conservatorship, subject to the limitations of Subparagraphs (b) to (d), below:

(b) No such dividend shall be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person who was an affiliate as defined in Section 1, Chapter 356, Acts of the 62nd Legislature, Regular Session, 1971 (Article 21.49-1, Vernon's Texas Insurance Code), that controlled the insurer at the time the distributions were paid shall be liable up to the amount of distributions he received. If two persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(d) The maximum amount recoverable under this paragraph shall be the amount needed in excess of all other available assets of the insolvent insurer or impaired insurer to pay the contractual obligations of such insurer.

(e) If any person liable under Subparagraph (c) is insolvent, all its affiliates as defined in Section 1, Chapter 356, Acts of the 62nd Legislature, Regular Session, 1971 (Article 21.49-1, Vernon's Texas Insurance Code), that controlled it at the time the dividend was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate as defined in Section 1, Chapter 356, Acts of the 62nd Legislature, Regular Session, 1971 (Article 21.49-1, Vernon's Texas Insurance Code).

#### Examination of the Association; Annual Report

Sec. 14. The association shall be subject to examination and regulation by the commissioner. The board of directors shall submit to the commissioner, not later than May 1 of each year, a financial report for the preceding calendar year in a form approved by the commissioner and a report of its activities during the preceding calendar year.

#### Tax Exemptions

Sec. 15. The association shall be exempt from payment of all fees and all taxes levied by this state or any of its subdivisions, except taxes levied on real property.

## Immunity

Sec. 16. There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer or its agents, or employees, the association or its agents or employees, members of the board of directors, or the commissioner or his representatives, for any action taken or not taken by them in the performance of their powers and duties under this Act.

## Continuing to Write Insurance Policies

Sec. 17. Companies subject to the provisions of this Act shall not be liable for assessments for contractual obligations arising from insurance policies issued after the effective date of and while an impaired insurer is subject to an order by the commissioner of insurance placing an impaired insurer in conservatorship unless the commissioner, in his order appointing the conservator, directs the conservator to continue the issuance of insurance policies, under such terms and conditions as the commissioner may prescribe. The commissioner shall furnish a copy of such order to the board of directors of the association. In the event that the commissioner, in his original order appointing the conservator, directs the conservator to continue the issuance of insurance policies in the impaired insurer, companies subject to the provisions of this Act shall not be liable for assessments for claims arising from insurance policies issued more than 90 days after the date of the commissioner's order appointing the conservator unless the commissioner, prior to the expiration of such 90 day period, determines, after public hearing, that it is in the best interests of the policyholders of the impaired insurer or in the public interest for the impaired insurer to continue the issuance of insurance policies. At least 10 days notice of such hearing shall be given to the board of directors of the association. The board of directors shall have the right to appear at and participate in the hearing. The conservator or his representative shall appear at such hearing and present evidence why it would be in the best interest of the policyholders of the impaired insurer to continue the issuance of policies.

Companies subject to the provisions of this Act shall not be liable for assessments for contractual obligations arising from insurance policies issued after the effective date of and while an impaired insurer is subject to an order by a court of competent jurisdiction placing an impaired insurer in temporary or permanent receivership.

## Release from Conservatorship or Receivership

Sec. 18. An impaired insurer placed in conservatorship or receivership for which assessments have been made under the provisions of this Act shall not be authorized, upon release from conservatorship or receivership, to issue new or renewal insurance policies until such time as the impaired insurer has repaid in full to the association the amount of Class B assessments paid to the association to carry out

the duties of the association under Section 8 in relation to such insurer the amount paid; provided, however, the commissioner may, upon application of the board of directors of the association and after hearing, permit the issuance of new policies in accordance with a plan of operations by the released insurer for repayment of assessments. The commissioner may, in approving such plan, place such restrictions upon the issuance of new or renewal policies as he deems necessary to the implementation of the plan.

## Tax Write-Offs of Certificate of Contribution

Sec. 19. (1) Unless a longer period of time has been required by the commissioner, a member insurer shall at its option have the right to show a certificate of contribution as an admitted asset in the form approved by the commissioner pursuant to Section 9, Paragraph (7), at percentages of the original face amount approved by the commissioner, for calendar years as follows:

- 100 percent for the calendar year of issuance;
- 80 percent for the first calendar year after the year of issuance;
- 60 percent for the second calendar year after the year of issuance;
- 40 percent for the third calendar year after the year of issuance;
- 20 percent for the fourth calendar year after the year of issuance.

(2) The insurer may offset the amount written off by it in a calendar year under Paragraph (1), above, against its premium tax liability to this state accrued with respect to business transacted in such year. Provided, however, an insurer may not be required to write off in any one year, an amount in excess of its premium tax liability to this state accruing within such year.

(3) Any sums acquired by refund, pursuant to Paragraph (6) of Section 9, from the association which have theretofore been written off by contributing insurers and offset against premium taxes as provided in Paragraph (2), above, and are not then needed for purposes of this Act, shall be paid by the association to the commissioner and by him deposited with the state treasurer for credit to the general fund of this state.

## Rules and Regulations

Sec. 20. The State Board of Insurance is authorized and directed to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this Act, and in augmentation thereof.

**Art. 21.28-E. Life, Health and Accident Guaranty Act**

Title

Sec. 1. This article shall be known and may be cited as the "Texas Life, Health and Accident Guaranty Act."

Purpose

Sec. 2. This Act is for the purposes and findings set forth in Section 1 of Article 21.28-A of the Insurance Code and in supplementation thereto by providing funds in addition to assets of impaired insurers for the protection of the holders of "covered claims" as defined herein through payment and through contracts of reinsurance or assumption of liabilities or of substitution or otherwise.

Scope

Sec. 3. This Act shall apply to all kinds of insurance written by mutual assessment companies, local mutual aid associations, local mutual burial associations, Statewide mutual assessment companies and stipulated premium insurance companies licensed to do business in this State, that elect to voluntarily participate under the provisions of this Act.

Construction

Sec. 4. This Act shall be liberally construed to effect the purpose of Section 2, which shall constitute an aid and guide to interpretation.

Definitions

Sec. 5. As used in this Act

(1) A. "State Board of Insurance" is the State Board of Insurance of this State.

B. "Commissioner" is the Commissioner of Insurance of this State.

(2) "Covered claim" is any policy benefit (including, but not limited to, death, disability, hospitalization, medical, premium deposits, advance premiums, supplemental contracts, cash surrender, loan, nonforfeiture, extended coverage, annuities, and coupon and dividend accumulations) to the owner, beneficiary, assignee, certificate holder, or third party beneficiary, arising from an insurance policy to which this Act applies, issued or assumed by an "insurer" (as defined herein), if such insurer becomes an "impaired insurer" after the effective date of this Act. "Covered claim" shall not include liabilities that are not policy benefits, including but not limited to adjustment fees and expenses, attorneys' fees and expenses, court costs, penalty and bond premiums.

(3) "Insurer" is such mutual assessment companies, local mutual aid associations, local mutual burial associations, Statewide mutual assessment companies and stipulated premium insurance companies, licensed to do business in this State, that voluntarily agree to participate under the provisions of this Act as hereinafter provided.

(4) "Impaired insurer" is (a) an insurer which, after the effective date of this Act, is placed in temporary or permanent receivership under an order of liquidation, rehabilitation or conservation by a court of competent jurisdiction and which has been determined an "impaired insurer" by the Commissioner; or (b) after the effective date of this Act, an insurer placed in conservatorship after it has been deemed by the Commissioner to be insolvent or its condition such as to render the continuance of its business hazardous to the public or to holders of its policies or certificates of insurance and which has been determined an "impaired insurer" by the Commissioner.

(5) "Payment of covered claims" is actual payment and also is utilization of funds derived from assessments for consummation of contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for liabilities for covered claims; and is also a utilization of future income, from assessments, pledged to retire liens against policies assumed or reinsured under such contracts of reinsurance or assumption of liabilities or substitution to provide for liabilities.

(6) "Net direct written premiums" is the gross amount of premiums collected on individual life and accident and health policies and certificates of group life and group accident and health insurance issued after the effective date of this Act, less premiums paid for reinsurance ceded, premium refunds, and dividends on said policies and certificates.

(7) "Lines of business" is policies of insurance falling within one of the two following categories:

1. Life Insurance.
2. Health and Accident Insurance.

Termination of Policies

Sec. 6. This Act shall apply to covered claims existing prior to the determination that an insurer is an impaired insurer and to covered claims arising within one hundred eighty (180) days after the determination of impairment, or before the policy expiration date if less than one hundred eighty (180) days after the determination of impairment, or before the insured replaces the policy or effects its cancellation, if he does so within one hundred eighty (180) days of the determination of impairment.

If the receiver or conservator of an impaired insurer has not provided for payment of covered

claims of an impaired insurer within one hundred fifty (150) days after such insurer has been determined an "impaired insurer" by the Commissioner, the Commissioner shall notify the insureds of the impaired insurer of their rights under this Act. Such notification shall be by mail at each insured's last known address, where available, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation printed in this State shall be sufficient.

#### Assessments

Sec. 7. Whenever the Commissioner determines that an insurer has become an impaired insurer the receiver appointed in accordance with Article 21.28 of the Insurance Code or the conservator appointed under the authority of Article 21.28-A of the Insurance Code shall promptly estimate the amount of additional funds, by lines of business, needed to supplement the assets of the impaired insurer immediately available to the receiver or the conservator for the purpose of making payment of all covered claims. Thereafter, the Commissioner shall be empowered to make such assessments as may be necessary to produce the additional funds needed to make payment of all covered claims. The Commissioner may make partial assessments as the actual need for additional funds arises for each impaired insurer.

The Commissioner in determining the proportionate amount to be paid by individual insurers under an assessment shall take into consideration the lines of business written by the impaired insurer and shall assess individual insurers in proportion to the ratio that the total net direct written premium collected in the State of Texas by the insurer for such line or lines of business during the next preceding year bears to the total net direct written premium collected by all insurers (except impaired insurers) in the State of Texas for such lines of business. Assessments during a calendar year may be made up to, but not in excess of, two percent (2%) of each insurer's net direct written premium for the preceding calendar year in the lines of business written by the impaired insurer. If the maximum assessment in any calendar year does not provide an amount sufficient for payment of covered claims of impaired insurers, assessments may be made in the next and successive calendar years.

Insurers designated as impaired insurers by the Commissioner shall be exempt from assessment from and after the date of such designation and until the Commissioner determines that such insurer is no longer an impaired insurer.

The Commissioner shall designate the impaired insurer for which each assessment or partial assessment is made and it shall be the duty of each insurer to pay the amount of its assessment to the conservator or receiver, as the case may be, within (30) days after the Commissioner gives notice of the assessment, and assessments may be collected by the conservator or receiver through suits brought for that

purpose. Venue for such suits shall lie in Travis County, Texas, and actions to collect such assessments shall have precedence over all other causes on the docket of a different nature. Either party to said action may appeal to the appellate court having jurisdiction over said cause and said appeal shall be at once returnable to said appellate court having jurisdiction over said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. Neither the receiver nor the conservator shall be required to give an appeal bond in any cause arising hereunder.

Funds derived from assessments under the provisions of this Act shall not become assets of the impaired insurer but shall be deemed a special fund loaned to the receiver or the conservator for payment of covered claims, which loan shall be repayable to the extent available from the funds of such impaired insurer, as herein provided.

#### Penalty for Failure to Pay Assessments

Sec. 8. The Commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any insurer who fails to pay an assessment when due.

Any insurer whose certificate of authority to do business in this State is cancelled or surrendered shall be liable for any unpaid assessments made prior to the date of such cancellation or surrender.

#### Accounting for and Repayment of Assessments

Sec. 9. Upon receipt from an insurer of payment of an assessment or partial assessment, the receiver or conservator shall provide the insurer with a participation receipt which shall create a liability against the impaired insurer, and the holder of such participation receipt shall be regarded as a general creditor of the impaired insurer; provided, however, that with reference to the remaining balance of any portions of assessments received by the receiver or conservator and not expended in "payment of covered claims" the holders of such participation receipts shall have preference over other general creditors and shall share pro rata with other holders of participation receipts. The receiver or conservator of any impaired insurer shall adopt accounting procedures reflecting the expenditure and use of all funds received from assessments or partial assessments and shall make a final report of the expenditure and use of such funds to the Commissioner, which final report shall set forth the remaining balance, if any, from the funds collected by assessment. The receiver or conservator shall also make any interim reports concerning such accounting as may be required by the Commissioner. Upon completion of the final report the receiver or conservator shall, as soon thereafter as is practicable, refund pro rata the remaining balance of such assessments to the holders of the participation receipts.

## Payment of Covered Claims

Sec. 10. When an insurer has been designated by the Commissioner as an impaired insurer, the receiver or conservator, as the case may be, shall marshal all assets of the impaired insurer, including but not limited to those which are designated as or that constitute reserve assets offsetting reserve liabilities for all liabilities falling within the definition of "covered claim" as defined in this Act. The receiver or conservator shall apply all of such assets to the payment of covered claims, but may utilize funds received from assessments in the payment of covered claims, pending orderly liquidation or disposition of such assets. When all covered claims have been paid or satisfied by the receiver or conservator, any balance remaining from the liquidation or disposition of such assets shall first be applied in repayment of funds expended from assessments. Such repayments shall be credited as remaining balances and be refunded as provided in Section 9 of this Act.

In addition to authorization to make actual payment of covered claims, the receiver or conservator is specifically authorized to utilize such marshaled assets and funds derived from assessments for the purpose of negotiating and consummating contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for outstanding liabilities of covered claims. This Act shall not be construed to impose restrictions or limitations upon the authority granted or authorized the Commissioner, the conservator or the receiver elsewhere in the Insurance Code and other statutes of this State but shall be construed and authorized for use in conjunction with other portions of the Insurance Code dealing with delinquency proceedings or threatened insolvencies or supervisions or conservatorships.

## Approval of Covered Claims

Sec. 11. Covered claims against an impaired insurer placed in temporary or permanent receivership under an order of liquidation, rehabilitation or conservation by a court of competent jurisdiction shall be processed and acted upon by the receiver or ancillary receiver in the same manner as other claims as provided in Article 21.28 of the Insurance Code and as ordered by the court in which such receivership is pending; provided, however, that funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the receiver and the amount of the assets marshaled by the receiver for payment to holders of covered claims; and provided further, that in ancillary receiverships in this State, funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the ancillary receiver and the amount of assets marshaled by the receivers in other states for application to payment of covered claims within this State. Such funds received from assessments shall not be liable for any amount over and above that approved by the receiver for a covered

claim and any action brought by the holder of such covered claim appealing from the receiver's action shall not increase the liability of such funds; provided, however, that the receiver may review his action in approving a covered claim and for just cause modify such approval at any time during the pendency of the receivership.

If a conservator is appointed to handle the affairs of an impaired insurer the conservator shall determine whether or not covered claims should or can be provided for in whole or in part by reinsurance, assumption or substitution. Upon determination by the conservator that actual payment of covered claims should be made the conservator shall give notice of such determination to claimants falling within the class of "covered claims." The conservator shall mail such notice to the latest address reflected in the records of the impaired insurer. If the records of the impaired insurer do not reflect the address of a claimant, the conservator may give notice by publication in a newspaper of general circulation. Such notice shall state the time within which the claimant must file his claim with the conservator, which time shall in no event be less than ninety (90) days from the date of the mailing or publication of such notice. The conservator may require, in whole or in part, that sworn claim forms be filed and may require that additional information or evidence be filed as may be reasonably necessary for the conservator to determine the legality or the amount due under a covered claim. When an impaired insurer has been placed in conservatorship, the funds received from assessments shall be liable only for the difference between the amount of the covered claim approved by the conservator and the amount of assets marshaled by the conservator for payment to holders of covered claims. Any action brought by the holder of such covered claim against the impaired insurer shall not increase the liability of such funds; provided, however, that the conservator may review his action in approving a covered claim and may for just cause modify such approval at any time during the pendency of the conservatorship.

The acceptance of payment from the receiver or conservator by the holder of a covered claim or the acceptance of the benefits of contracts negotiated by the receiver or conservator providing for reinsurance or assumption of liabilities or for substitution shall constitute an assignment to the impaired insurer of any cause of action or right of the holder of such covered claim is based. Such assignment shall be to the extent of the amount accepted or the value of the benefits provided by such contracts of reinsurance or assumption of liabilities or substitution.

## Nonduplication of Recovery

Sec. 12. Any recovery under this Act shall be reduced by the amount of recovery under any other insurance guaranty act, or its equivalent, in any other state. Any person having a covered claim who

is a resident of another state shall not be entitled to payment under this Act unless and until he furnishes adequate sworn proof that he has exhausted any and all rights of recovery that he has in his state of residence and the state of residence of the insured under any insurance guaranty act or its equivalent.

Release from Conservatorship or Receivership

Sec. 13. An impaired insurer placed in conservatorship or receivership for which assessments have been made under the provisions of this Act shall not be authorized, upon release from conservatorship or receivership, to issue new or renewal insurance policies until such time as the impaired insurer has repaid in full to each holder of a participation receipt the assessment amount paid by the receipt holder or its assigns; provided, however, the Commissioner may, upon application of the advisory association and after hearing, permit the issuance of new policies in accordance with a plan of operations by the released insurer for repayment of assessments. The Commissioner may, in approving such plan, place such restrictions upon the issuance of new or renewal policies as he deems necessary to the implementation of the plan. The Commissioner shall give ten (10) days notice of such hearing to the insurers to whom the participation receipts were issued for an assessment made for the benefit of the released insurer and the holders of the receipts shall be entitled to appear at and participate in such hearing.

Creation of Advisory Association

Sec. 14. There is created by this Act an advisory association to be known as the "Texas Life, Health and Accident Guaranty Association," herein called the "advisory association" to be composed of four insurers. Within thirty (30) days after this Act is placed in effect by the election of an adequate number of insurers electing to participate hereunder, the State Board of Insurance shall appoint the insurers who will serve as the initial advisory association. Of the initial advisory association members, two shall be appointed to serve for a one year term of office, and two shall be appointed to serve for a two year term of office. Subsequent members of the advisory association shall serve for the term of office as stated above and shall be elected by insurers, subject to the approval of the Commissioner.

The initial members of the advisory association and subsequent members shall be chosen to afford fair representation to all insurers subject to this Act giving due consideration to the various categories of premium income, geographical location and segments of the industry represented in Texas. Vacancies on the advisory association shall be filled for the remaining period of the term in the same manner as the initial appointments.

The advisory association shall conduct its meetings in Austin, Texas, in the Insurance Building of the State of Texas. Meetings shall be held upon call by the Commissioner or upon written request of a ma-

jority of the members. Meetings shall not be open to the public and only members of the advisory association, members of the State Board of Insurance, the Commissioner and persons authorized by the Commissioner shall attend such meetings.

The advisory association shall advise and counsel with the Commissioner upon matters relating to the solvency of insurers. The Commissioner shall call a meeting of the advisory association when he determines that an insurer is insolvent or impaired and may call a meeting of the advisory association when he determines that a danger of insolvency or impairment of an insurer exists. The advisory association shall, upon majority vote, notify the Commissioner of any information indicating that an insurer may be unable or potentially unable to fulfill its contractual obligations and request a meeting with the Commissioner. At such meetings the Commissioner may divulge to the advisory association any information in his possession and any records of the State Board of Insurance, including examination reports or preliminary reports from examiners relating to such insurer. The Commissioner may summon officers, director and employees of an insolvent or impaired insurer (or of an insurer the Commissioner considers to be in danger of insolvency or impairment) to appear before the advisory association for conference or for the taking of testimony. Members of the advisory association shall not reveal information received in such meetings to anyone unless authorized by the Commissioner or the State Board of Insurance or when required as witness in court. Advisory association members shall be subject to the same standard of confidentiality as is imposed upon examiners under Article 1.18 of the Insurance Code, except that no bond shall be required of advisory association members.

The advisory association shall, upon request by the Commissioner, attend hearings before the Commissioner and meet with and advise the Commissioner, the liquidator or conservator appointed by the Commissioner, on matters relating to the affairs of an impaired insurer and relating to action that may be taken by the Commissioner, liquidator or conservator to best protect the interests of persons holding covered claims against an impaired insurer and relating to the amount and timing of partial assessments and the marshaling of assets and the processing and handling of covered claims.

Reports or recommendations made by the advisory association to the Commissioner, liquidator or conservator shall not be considered public documents and there shall be no liability on the part of and no cause of action against a member of the advisory association or the advisory association for any report, individual report, recommendation or individual recommendation by the advisory association or members to the Commissioner, liquidator or conservator.

Members shall serve without pay but their expenses in attending meetings shall be paid subject to

the authorization of the Legislature in its appropriations bills or otherwise, and subject to the rules of the State Board of Insurance. Members shall serve until their successors are appointed.

Any insurer that has an officer, director or employee serving as a member of the advisory association shall not lose the right to negotiate for and enter into contracts of reinsurance or assumption of liability or contracts of substitution to provide for liabilities for covered claims with the receiver or conservator of an impaired insurer. The entering into any such contract shall not be deemed a conflict of interest.

The advisory association or any insurer assessed under this Act shall be an interested party under Section 3(h) of Article 21.28 of the Insurance Code.

The State Board of Insurance shall within ninety (90) days after the effective date of this Act promulgate reasonable organizational rules for the association which shall set forth, among other things, quorum and attendance requirements for meetings, procedural rules to be followed at association meetings and rules concerning the replacement of members.

#### Recognition of Assessments in Premium Tax Offset

Sec. 15. An insurer shall be entitled to recoup assessments made in any calendar year in excess of one percent (1%) of its net direct written premiums for the previous calendar year as a credit against its premium tax under Article 7064, Revised Civil Statutes of Texas, 1925, as amended. The tax credit referred to herein shall be allowed at a rate of twenty percent (20%) per year for five (5) successive years following the date of assessments, and at the option of the insurer may be taken over an additional number of years.

#### Immunity

Sec. 16. There shall be no liability on the part of and no cause of action of any nature shall arise against any insurer subject to this Act or its agents or employees, the advisory association or the Commissioner or his representatives for any action taken by them in the performance of their powers and duties under this Act.

#### Rules and Regulations

Sec. 17. The State Board of Insurance is authorized and directed to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this Act, and in augmentation thereof.

#### Appeals

Sec. 18. Any action or ruling of the Commissioner under this Act may be appealed as provided in Article 1.04 of the Insurance Code. The liability of the appealing insurer for an assessment shall be suspended pending appeal by such insurer contesting the amount or legality of such assessment.

#### Election to Participate; Withdrawal

Sec. 19. The provisions of this Act are voluntary only. No Statewide mutual assessment company, local mutual aid association, local mutual burial association, or stipulated premium insurance company shall be covered by the provisions of this Act unless such insurers shall elect to participate under the provisions of this Act. In the event any such Statewide mutual assessment company, local mutual aid association, local mutual burial association, or stipulated premium insurance company shall elect to participate hereunder, it may do so by filing such election in writing upon forms prescribed by the State Board of Insurance and filed with the Commissioner of Insurance; and such election forms shall be signed by the president, secretary, and each director of such electing insurer. Unless and until such written election is so filed, such insurer shall not be obligated under nor receive any benefit from the provisions of this Act. Any such insurer so electing to participate may withdraw from participation under the provisions of this Act provided that a majority of insurers that have elected to participate hereunder consent to such withdrawal. Such election to withdraw shall be upon forms promulgated by the State Board of Insurance and shall be filed with the Commissioner, and such withdrawal shall only be effective two (2) years following the date of such election. Six months prior to the effective date of such withdrawal the withdrawing insurer shall notify all of the holders of its policies or certificates of its withdrawal. Upon filing of election to withdraw an insurer shall cease advertising that its policies are protected under the provisions of this Act.

#### Effectiveness of Act

Sec. 20. This Act shall not be effective until such date that insurers having combined premium income in the immediately prior calendar year of at least Five Million Dollars (\$5,000,000.00) shall elect in writing to participate under the provisions of this Act. Immediately following the receipt of such elections the State Board of Insurance shall enter an order designating those insurers participating under this Act and shall thereafter supplement such order by listing those insurers who subsequently elect to participate and those who subsequently elect to withdraw.

#### Advertising Procedures

Sec. 21. Within ninety (90) days following the entry of the original Board order as specified in Section 20 of this Act, the State Board of Insurance, following notice and hearing, shall enter an order providing the method, manner, and procedures whereby such participating insurers may advertise that such insurers' policies are protected under the provisions of this Act.

#### Control Over Conflicts

Sec. 22. The provisions of this Act and the powers and functions authorized by this Act are to be

exercised to the end that its purposes are accomplished. This Act is cumulative of existing laws, but in the event of conflict between this Act and any other law relating to the subject matter of this Act or its application, the provisions of this Act shall control.

**Unconstitutional Application Prohibited**

Sec. 23. This Act and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

**Severance Clause**

Sec. 24. If any provision of this Act or the application thereof to any person or circumstance is held invalid by any court of competent jurisdiction, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 2. This Act is for the purpose of requiring insurers to have and maintain unencumbered assets in an amount equal to reserve liabilities; to provide preferential claims against assets in favor of owners, beneficiaries, assignees, certificate holders, or third party beneficiaries of insurance policies; and to prevent the hypothecation or encumbrance of assets in excess of certain amounts without prior written order of the Commissioner of Insurance.

**Scope**

Sec. 3. This Act shall apply to all of the following types of domestic insurance companies and to all kinds of insurance written by such companies; and where used herein "insurer" shall mean: all domestic stock and mutual life, health and accident, fire, casualty, fire and casualty and title insurance companies, including mutual assessment companies, local mutual aid associations, local mutual burial associations, Statewide mutual assessment companies, stipulated premium insurance companies, fraternal benefit societies, group hospital service insurance companies, county mutual insurance companies, Lloyd's and reciprocal exchanges and mortgage guaranty insurance companies. Any such insurer which shall pledge, hypothecate, or otherwise encumber any of its assets shall within (10) days thereafter report in writing to the Commissioner of Insurance the amount and identity of the assets so pledged, hypothecated, or encumbered and the terms and conditions of such transaction. (2) "Borrower" means any person, partnership, corporation, or association who has or acquires a legal or equitable interest in real property which is or becomes subject to a mortgage or deed of trust.

Prohibited Practices

Sec. 2. No Mortgage Lender shall require a fee of over Seven and <sup>50</sup>/<sub>100ths</sub> Dollars (\$7.50) for the substitution by the Borrower of an insurance policy for another insurance policy still in effect, or require any fee for the substitution by the Borrower of an insurance policy for an existing policy upon termination of the existing policy, when such existing or substituted insurance policy is provided through an insurance company duly licensed to do business in the State of Texas pursuant to the provisions of this Insurance Code; provided, however, nothing herein shall prevent a Mortgage Lender who is a duly licensed local recording agent from soliciting insurance on the mortgaged property. No Mortgage Lender shall directly or indirectly impose or require as a condition of any financing or lending of money or the renewal or the extension thereof, that the

purchaser or borrower or his successors, shall procure any policy of insurance or the renewal or extension thereof, covering the property involved in the transaction, from or through any particular agent or agents, solicitor or solicitors, broker or brokers, insurer or insurers, or any other person or persons, or from or through any particular type or class of any of the foregoing.

Exceptions

Sec. 3. Nothing contained in Section 2 hereof shall be deemed to prevent such Mortgage Lender from exercising the rights to:

(a) require evidence, to be produced at a reasonable time prior to the commencement or renewal of the risk, that the insurance with a fixed termination date providing adequate coverage has been obtained in an amount sufficient to cover the debt or loan and will not be cancelled without reasonable notice to the lender;

(b) require insurance in an insurer authorized to do business and having a licensed resident agent in this state; and

(c) refuse to accept or approve insurance in any particular insurer on reasonable and nondiscriminatory grounds relating to its financial soundness, or its facility to service the policy.

Violations

Sec. 4. A Borrower may recover from any Mortgage Lender who violates any of the provisions of this Act civil damages in an amount not to exceed three (3) times the annual premium for the policy of insurance in force upon the mortgaged property. In the event that such policy of insurance be for a period more than one (1) year, the annual premium shall be calculated by dividing the number of years of the duration of such policy into the total premium specified therein for such entire period.

Application to Title Insurance

Sec. 5. Nothing contained herein shall apply to title insurance.

Effective Date

Sec. 6. This Act shall be effective from and after the 1st day of January, 1966.

Art. 21.49. Catastrophe Property Insurance Pool Act

Declaration and Purpose

Sec. 1. It is hereby declared by the Legislature that an adequate market for windstorm, hail and fire insurance is necessary to the economic welfare of the State of Texas and that without such insurance the orderly growth and development of the State of Texas would be severely impeded. It is

therefore the purpose of this Act to provide a method whereby adequate windstorm, hail and fire insurance may be obtained in certain designated portions of the State of Texas.

Name of Act

Sec. 2. This Act shall be known as the "Texas Catastrophe Property Insurance Pool Act."

Definitions

Sec. 3. In this Act, unless the context clearly dictates to the contrary:

(a) "Board" means the State Board of Insurance of the State of Texas.

(b) "Association" means the Texas Catastrophe Property Insurance Association as established pursuant to the provisions of this Act.

(c) "Plan of Operation" means the plan for providing Texas windstorm and hail insurance in a catastrophe area and Texas fire and explosion insurance in an inadequate fire insurance area which plan has been approved by the Board for operation by the Association pursuant to the provisions of this Act, which plan may, among other things, provide for limits of liability for each structure insured, and/or the corporeal movable property located therein.

(d) "Texas Windstorm and Hail Insurance" means deductible insurance against direct loss to insurable property as a result of windstorm or hail as such terms shall be defined and limited in policies and forms approved by the State Board of Insurance.

(e) "Texas Fire and Explosion Insurance" means insurance against direct loss to insurable property as a result of fire and explosion as such terms shall be defined and limited in policies and forms approved by the State Board of Insurance.

(f) "Insurable Property" means immovable property at fixed locations in a catastrophe area or corporeal movable property located therein (as may be designated in the plan of operation) which property is determined by the Association, pursuant to the criteria specified in the plan of operation to be in an insurable condition against windstorm, hail and/or fire and explosion as appropriate, as determined by normal underwriting standards; provided, however, that insofar as windstorm and hail insurance is concerned, any structure located within the sea-coast territory as defined by the State Board of Insurance in the General Basis Schedule, commenced on or after the 30th day following the publication of the plan of operation, not built or continuing in compliance with building specifications set forth in the plan of operation shall not be an insurable risk under the terms of this Act. A structure, or an addition thereto, which is constructed in conformity with plans and specifications that comply with the specifications set forth in the plan of operation at the

time construction commences shall not be declared ineligible for windstorm and hail insurance as a result of subsequent changes in the building specifications set forth in the plan of operation. When repair of damage to a structure involves replacement of items covered in the building specifications as set forth in the plan of operation, such repairs must be completed in a manner to comply with such specifications for the structure to continue within the definition of Insurable Property for windstorm and hail insurance. Nothing in this Act shall preclude special rating of individual risks as may be provided in the plan of operation.

(g) "Net Direct Premiums" means gross direct written premiums less return premiums upon canceled contracts (irrespective of reinsurance assumed or ceded) written on property in this State as defined by the Board of Directors of the Association.

(h) "Catastrophe Area" means a city or county in which it may be determined by the Board, after notice of not less than 10 days and a hearing, that windstorm and hail insurance is not reasonably available to a substantial number of owners of insurable property within such city or county, due to such insurable property being located within a city or county subject to unusually frequent and severe damage resulting from windstorms and/or hailstorms. Such designation shall be revoked by the Board if it determines, after notice of not less than 10 days and a hearing, that windstorm and hail insurance in such catastrophe area is no longer reasonably unavailable to a substantial number of owners of insurable property within such designated city or county. If the Association shall determine that windstorm and hail insurance is no longer reasonably unavailable to a substantial number of owners of insurable property in any designated catastrophe area or areas, then the Association may request in writing that the Board revoke the designation of any or all of such catastrophe areas and, after notice of not less than 10 days and a hearing, but within 30 days of such hearing, the Board shall either approve or reject the Association's request and shall, if such request be approved, revoke such designation or designations.

(i) "Inadequate Fire Insurance Area" means a city or county which is, or is within an area, designated as a catastrophe area, as defined in Paragraph (h), above, and in which it may be determined by the Board, after notice of not less than 10 days and a hearing, that fire and explosion insurance is not reasonably available to a substantial number of owners of insurable property within such city or county. Such designation shall be revoked by the Board if it determines, after 10 days' notice and a hearing, that fire and explosion insurance in such inadequate fire insurance area is no longer reasonably una-

available to a substantial number of owners of insurable property within such designated city or county. If the Association shall determine that fire and explosion insurance is no longer reasonably unavailable to a substantial number of owners of insurable property in any designated inadequate fire insurance area or areas, then the Association may request in writing that the Board revoke the designation of any or all such inadequate fire insurance areas, and, after notice of not less than 10 days and a hearing, but within 30 days of such hearing, the Board shall either approve or reject the Association's request and shall, if such request is approved, revoke such designation or designations.

(j) "Insurance" as hereinafter used in this Act shall mean the types of insurance described in Paragraphs (d) and (e) of this Section 3.

(k) "Insurers" means all property insurers authorized to transact property insurance in this State and specifically includes and makes this Act applicable to county mutual companies, Lloyds and reciprocal or interinsurance exchanges, but shall not include (a) farm mutual insurance companies as authorized in Chapter 16 of this Code; (b) county mutual fire insurance companies which are writing exclusively industrial fire insurance policies as defined in Article 17.02 of this Code; and (c) any companies now operating under Chapters 12 and 13 of Title 78 of the Revised Civil Statutes of Texas, 1925, as amended, which have heretofore been repealed.

Creation of the Texas Catastrophe Property Insurance Association

Sec. 4. (a) The Association which is hereby created shall consist of all property insurers authorized to transact property insurance in this State, except those companies that are prevented by law from writing coverages available through the pool on a Statewide basis. Every such insurer shall be a member of the Association and shall remain a member of the Association so long as the Association is in existence, as a condition of its authority to transact the business of insurance in this State. Any insurer which ceases to be a member of the Association shall remain liable on contracts of insurance entered into during its membership in the Association to the same extent and effect as if its membership in the Association had not been terminated.

(b) The organizational plan of certain types of insurers precludes such insurers from writing insurance coverage for the State of Texas, any city, political subdivision or agency of the State. When insuring property of the State of Texas, any city, political subdivision or agency of the State, the Association shall not cause such policies to be issued in such companies, nor shall such companies be in-

cluded as reinsurers for any policies of insurance in this category.

Operation of the Texas Catastrophe Property Insurance Association.

Sec. 5. (a) The Association shall, pursuant to the provisions of this Act and the plan of operation, and with respect to insurance on insurable property, have the power on behalf of its members to cause to be issued policies of insurance to applicants, to assume reinsurance from its members, and to cede reinsurance to its members and to purchase reinsurance on behalf of its members.

(b) On or before 10 days after the effective date of this Act the Board shall appoint a temporary board of directors of the Association which shall consist of seven representatives of members of the Association, selected so as to fairly represent various classes of member insurers. Such temporary board of directors shall prepare and submit a plan of operation and shall serve until the permanent board of directors shall take office in accordance with said plan of operation.

(c) All members of the Association shall participate in its writings, expenses, profits and losses in the proportion that the net direct premiums of such member written in this State during the preceding calendar year bears to the aggregate net direct premiums written in this State by all members of the Association, as furnished to the Association by the Board after review of annual statements, other reports and other statistics, the Board shall deem necessary to provide the information herein required and which the Board is hereby authorized and empowered to obtain from any member of the Association, provided, however, that a member shall, in accordance with the plan of operation, be entitled to receive credit for similar insurance voluntarily written in the area designated by the Board and its participation in the writings in the Association shall be reduced in accordance with the provisions of the plan of operation. Each member's participation in the Association shall be determined annually in the same manner as the initial determination. For purposes of determining participation in the Association, two or more members having a common ownership or operating in this State under common management or control shall be treated as if they constituted a single member. Any insurer authorized to write and engaged in writing any insurance, the writing of which required such insurer to be a member of the Association, who becomes authorized to engage in writing such insurance after the effective date of this Act shall become a member of the Association on the 1st day of January immediately following such authorization and the determination of such insurer's participation in the Association shall be made as of the date of such membership in the same manner as for all other members of the Association.

(d) On or before 45 days after the effective date of this Act, the temporary board of directors of the Association shall submit to the Board for review and approval a proposed plan of operation. Such proposed plan shall set forth the number, qualifications, terms of office, and manner of election of the members of the board of directors and shall provide for the efficient, economical, fair, and nondiscriminatory administration of the Association. Such proposed plan may include a preliminary assessment of all members for initial expenses necessary to the commencement of operation, the establishment of necessary facilities, management of the Association, plan for assessment of members to defray losses and expenses, underwriting standards, procedures for the acceptance and cession of reinsurance, procedures for determining the amount of insurance to be provided to specific risks, time limits and procedures for processing applications for insurance, and for such other provisions as may be deemed necessary by the board of directors and the Board to carry out the purposes of this Act. The proposed plan shall be reviewed by the Board and approved, unless it finds that such plan does not properly fulfill the purposes of this Act. In the review of the proposed plan the Board may, in its discretion, consult with the directors of the Association and may seek any further information which it deems necessary for a decision. If the Board approves the proposed plan, it shall certify such approval to the directors and the plan shall become effective 10 days after such certification. If the Board disapproves all or any part of the proposed plan of operation, it shall return the same to the directors with its written statement setting forth the reasons for the disapproval and any recommendations it may wish to make. The directors may alter the plan in accordance with the recommendations of the Board or shall, within 15 days from the date of disapproval, return a new plan to the Board. In the event the Association has not proposed a plan satisfactory to the Board on or before the 14th day of May, 1971, the Board shall certify and adopt a plan under which the Association shall operate.

The Directors of the Association may, subject to the approval of the Board, amend the plan of operation at any time.

In the absence of an appeal, the Association shall adopt amendments to the plan proposed by the Board within 30 days.

#### Board Orders

Sec. 5A. (a) After notice and a hearing as provided in Subsection (b) of this section, the Board may issue any orders which it considers necessary to carry out the purposes of this Act including, but not limited to, maximum rates, competitive rates, and policy forms.

(b) Before an order is adopted by the Board, it shall post notice of a hearing on the order at the Secretary of State's office in the State Capitol and

shall hold a hearing to consider the proposed order. Any person may appear and testify for or against the adoption of the order.

#### Eligibility: Application

Sec. 6. (a) Any person having an insurable interest in insurable property located in an area designated by the Board shall be entitled to apply to the Association for insurance provided for under the plan of operation and for an inspection of the property under such rules and regulations, including an inspection fee, if any, as determined by the Board of Directors of the Association and approved by the State Board of Insurance. The term "insurable interest" as used in this subsection shall be deemed to include any lawful and substantial economic interest in the safety or preservation of property from loss, destruction or pecuniary damage. Application shall be made on behalf of the applicant by a Local Recording Agent and shall be submitted on forms prescribed by the Association. The application shall contain a statement as to whether or not the applicant has or will submit the premium in full from personal funds, or if not, to whom a balance is or will be due.

(b) If the Association determines that the property is insurable, the Association, upon payment of the premium, shall cause to be issued a policy of insurance as may be provided in the plan for a term of one year.

In the event an agent or some other person, firm, or corporation shall finance the payment of all or a portion of the premium and there is a balance due for the financing of such premium and such balance, or any installment thereof, is not paid within 10 days after the due date, the agent or other person, firm, or corporation to whom such balance is due may request cancellation of the insurance by returning the policy, with proof that the insured was notified of such return, or by requesting the Association to cancel such insurance by notice mailed to the insured and any others shown in the policy as having an insurable interest in the property. Upon completion of cancellation, the Association shall refund the unearned premium, less any minimum retained premium set forth in the plan of operation, to the person, firm, or corporation to whom the unpaid balance is due. In the event an insured requests cancellation of insurance, the Association shall make refund of such unearned premium payable to the insured and the holder of an unpaid balance. The Local Recording Agent, who submitted the application, shall refund the commission on any unearned premium in the same manner.

(c) Any policy issued pursuant to the provisions of this Act may be renewed annually, upon application therefor, so long as the property continues to meet the definition of "insurable property" set forth in Section 3 of this Act.

(d) Deleted by Acts 1973, 63rd Leg., p. 1043, ch. 406, § 4.

## Deletion of Coverages From Other Policies

Sec. 7. The Board shall prepare endorsements and forms applicable to the standard policies which it has promulgated providing for the deletion of coverages available through the Association and shall promulgate the applicable reduction of premiums and rates for the use of such endorsements and forms.

## Rates, Rating Plans and Rate Rules Applicable

Sec. 8. (a) The Association shall file with the Board every manual of classifications, rules, rates which shall include condition charges, every rating plan, and every modification of any of the foregoing which it proposes to use. Every such filing shall indicate the character and the extent of the coverage contemplated and shall be accompanied by the policies and endorsements forms proposed to be used, which said forms and endorsements may be designed specifically for use by the Association and without regard to other forms filed with, approved by, or promulgated by the Board for use in this State.

(b) For the purpose of making such filing the Association may utilize filings made by licensed rating organizations and it may utilize the loss or expense statistics or recommendations collected and furnished to the Board by an advisory organization authorized under Article 5.73, Insurance Code of Texas.

(c) Any filing made by the Association pursuant hereto shall be submitted to the Board and as soon as reasonably possible after the filing has been made the Board shall, in writing, approve, modify, or disapprove the same; provided that any filing shall be determined approved unless modified or disapproved within 30 days after date of filing.

(d) If at any time the Board finds that a filing so approved no longer meets the requirements of this Act, it may, after a hearing held on not less than 20 days' notice to the Association specifying the matters to be considered at such hearing, issue an order withdrawing its approval thereof. Said order shall specify in what respects the Board finds that such filing no longer meets the requirements of this Act and shall be effective not less than 30 days after its issuance.

(e) All rates shall be made in accordance with the following provisions:

(1) Due consideration shall be given to the past and prospective loss experience within and outside the State of hazards for which insurance is made available through the plan of operation, if any, to expenses of operation including acquisition costs, to a reasonable margin for profit and contingencies, and to all other relevant factors, within and outside the State.

(2) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accord-

ance with rating plans which establish standards for measuring variations in such risks on the basis of any or all of the factors mentioned in the preceding paragraph. Such rates may include rules for classification of risks insured hereunder and rate modifications thereof. All such provisions, however, as respects rates, classifications, standards and premiums shall be without prejudice to or prohibition of provision by the Association for consent rates on individual risks if the rate and risk are acceptable to the Association and as is similarly provided for, or as is provided for, in Article 5.26(a), Texas Insurance Code, and this provision or exception on consent rates is irrespective of whether or not any such risk would otherwise be subject to or the subject of a provision of rate classification or eligibility.

(3) Rates shall be reasonable, adequate, not unfairly discriminatory, and nonconfiscatory as to any class of insurer.

(4) Commissions paid to agents shall be reasonable, adequate, not unfairly discriminatory and nonconfiscatory.

(f) For the purpose of this Act the applicant under Section 6(a) hereof shall be considered to have consented to the appropriate rates and classifications authorized by this Act irrespective of any and all other rates or classifications.

(g) All premiums written and losses paid under this Act as appropriate shall be included in applicable classifications for general rate making purposes.

(h) Except as the State Board of Insurance shall determine to be necessary after a hearing thereon, or except as provided in "consent to rate" statutes, any rates established under the provisions of the Insurance Code covering any risks or classes of risks which are located inland of the Intracoastal Canal on the Texas coastline (or inward of the boundary here authorized to be established by the State Board of Insurance amending such Intracoastal Canal boundary), may not be more than the maximum rates set by the Board under Subchapter C, Chapter 5, Texas Insurance Code,<sup>1</sup> for similar risks or classes of risks under the same lines and kinds of insurance. The maximum rates applicable to risks and classes of risks located inland of the Intracoastal Canal on the Texas coastline shall apply also to similar risks and classes of risks located seaward of the Intracoastal Canal if the property is protected by a sea wall constructed by the Corps of Engineers, or if it is determined by the Board that the property or risk is protected by other adequate structure or by any natural physical feature of the terrain that provides protection, and the State Board of Insurance may adjust rates to take into account the degree of such protection.

If valid flood or rising water insurance coverage exists and is maintained on any risk being insured in the pool the State Board of Insurance may provide for a rate and reduction in rate of premium as may be appropriate.

The State Board of Insurance may make provision by rule and regulation requiring catastrophe reserves in respect of the premium received on risks or classes of risks located seaward of the boundary of the Intracoastal Canal and may require catastrophe reserves on risks or classes of risks located inland of the boundary of the Intracoastal Canal and as such boundary may be amended. The amount required to be reserved for catastrophes (as such catastrophes are defined by the Board) shall be that portion of the pure premium as is actuarially made attributable, as ascertained by the Board, to prospective catastrophic loss. The portion of the pure premium attributable to prospective catastrophic loss shall not be income and shall be unearned until the occurrence of an applicable catastrophe as defined and shall be held in trust by the pool or trustee of the pool until losses are paid therefrom under such reasonable rules and regulations as the State Board of Insurance shall prescribe or approve.

<sup>1</sup> Article 5.25 et seq.

#### Appeals

Sec. 9. Any person insured pursuant to this Act, or his duly authorized representative, or any affected insurer who may be aggrieved by an act, ruling or decision of the Association, may, within 30 days after such act, ruling or decision, appeal to the Board. In the event the Association is aggrieved by the action of the Board with respect to any ruling, order, or determination of the Board, it may, within 30 days after such action, make a written request to the Board for a hearing thereon. The Board shall hear the Association, or the appeal from an act, ruling or decision of the Association, within 30 days after receipt of such request or appeal and shall give not less than 10 days' written notice of the time and place of hearing to the Association making such request or the person, or his duly authorized representative, appealing from the act, ruling or decision of the Association. Within 30 days after such hearing, the Board shall affirm, reverse or modify its previous action or the act, ruling or decision appealed to the Board. Pending such hearing and decision thereon, the Board may suspend or postpone the effective date of its previous rule or of the act, ruling or decision appealed to the Board. The Association, or the person aggrieved by any order or decision of the Board may thereafter appeal to the District Court of Travis County, Texas, and not elsewhere, in accordance with Article 1.04(f) of the Insurance Code of Texas.

#### Immunity From Liability

Sec. 10. There shall be no liability on the part of and no cause of action of any nature shall arise against the Board or any of its staff, the Association or its agents or employees, or against any participating insurer or its agents or employees, for any inspections made under the plan of operation or any statements made in good faith by them in any reports or communications concerning risks submitted to the Association, or at any administrative

hearings conducted in connection therewith under the provisions of this Act.

#### Indemnification

Sec. 11. Each person serving as a director of the Association, each member of the Association, and each officer and employee of the Association shall be indemnified by the Association against all costs and expenses actually and necessarily incurred by him or it in connection with the defense of any action, suit, or proceeding in which he or it is made a party by reason of his or its being or having been a director or member of the Association, or an officer or employee of the Association except in relation to matters as to which he or it has been judged in such action, suit or proceeding to be liable by reason of misconduct in the performance of his or its duties as a director of the Association or a member or officer or employee of the Association, provided, however, that this indemnification shall in no way indemnify a member of the Association from participating in the writings, expenses, profits, and losses of the Association in the manner set out in this Act. Indemnification hereunder shall not be exclusive of other rights to which such member or officer may be entitled as a matter of law.

#### Annual Report

Sec. 12. The Association shall file in the office of the Board annually a statement which shall summarize the transactions, conditions, operations and affairs of the Association during the preceding year at such times and covering such periods as may be designated by the Board. Such statement shall contain such matters and information as are prescribed by the Board and shall be in such form as is required by it.

#### Effective Date

Sec. 13. This Act shall become effective from and after passage.

#### Conflicting Laws

Sec. 14. All laws or parts of laws in conflict herewith are hereby repealed to the extent necessary to accomplish the purposes of this Act.

#### Partial Invalidity

Sec. 15. If any provision of this Act or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 16. [Emergency provision].

#### Codification

Sec. 17. This Act is hereby codified as Article 21.49 of the Texas Insurance Code.

#### Application of Act

Sec. 18. This Act does not apply to farm mutual insurance companies, as defined in Article 16.01 of

the Insurance Code, nor does it apply to any existing company chartered under old Chapter 12, Title 78, Revised Civil Statutes of Texas, 1925, repealed by Chapter 40, Acts of the 41st Legislature, 1st Called Session, 1929, Chapter 40.

### Art. 21.49-1. Insurance Holding Company System Regulatory Act

#### Findings

Sec. 1. (a) It is hereby found and declared that it may not be inconsistent with the public interest and the interest of policyholders and shareholders to permit insurers to:

(1) engage in activities which would enable them to make better use of management skills and facilities;

(2) have free access to capital markets which could provide funds for insurers to use in diversification programs;

(3) implement sound tax planning conclusions; and

(4) serve the changing needs of the public and adapt to changing conditions of the social, economic, and political environment, so that insurers are able to compete effectively and to meet the growing public demand for institutions capable of providing a comprehensive range of financial services.

(b) It is further found and declared that the public interest and the interests of policyholders and shareholders are or may be adversely affected when:

(1) control of an insurer is sought by persons who would utilize such control adversely to the interest of policyholders or shareholders;

(2) acquisition of control of an insurer would substantially lessen competition or create a monopoly in the insurance business in this State;

(3) an insurer which is part of a holding company system is caused to enter into transactions or relationships with affiliated companies on terms which are not fair and reasonable; or

(4) an insurer pays dividends to shareholders which jeopardize the financial condition of such insurer.

(c) It is hereby declared that the policies and purposes of this article are to promote the public interest by:

(1) facilitating the achievement of the objectives enumerated in Subsection (a);

(2) requiring disclosure of pertinent information relating to and approval of changes in control of an insurer;

(3) requiring disclosure and approval of material transactions and relationships between the insurer and its affiliates, including certain dividends to shareholders paid by the insurer; and

(4) providing standards governing material transactions between the insurer and its affiliates.

(d) It is further declared that it is desirable to prevent unnecessary multiple and conflicting regulation of insurers. Therefore, this State shall exercise regulatory authority over domestic insurers and, unless otherwise provided in this article, not over non-domestic insurers, with respect to the matters contained herein.

#### Definitions

Sec. 2. As used in this article, the following terms shall have the respective meanings hereinafter set forth, unless the context shall otherwise require:

(a) Affiliate. An "affiliate" of, or person "affiliated" with, a specific person, is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(b) Commissioner. The term "Commissioner" shall mean the Commissioner of Insurance, his deputies, or the State Board of Insurance, as appropriate.

(c) Control. The term "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or non-management services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds irrevocable proxies representing, 10 percent or more of the voting securities or authority of any other person. This presumption may be rebutted by a showing made in the manner provided by Section 3(i) that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect, where a person exercises directly or indirectly either alone or pursuant to an agreement with one or more other persons such a controlling influence over the management or policies of an authorized insurer as to make it

necessary or appropriate in the public interest or for the protection of the policyholders or stockholders of the insurer that the person be deemed to control the insurer.

(d) Holding Company. The term "holding company" means any person who directly or indirectly controls any insurer.

(e) Controlled Insurer. The term "controlled insurer" means an insurer controlled directly or indirectly by a holding company.

(f) Controlled Person. The term "controlled person" means any person, other than a controlled insurer who is controlled directly or indirectly by a holding company.

(g) Insurance Holding Company System. The term "insurance holding company system" consists of two or more affiliated persons, one or more of which is an insurer.

(h) Insurer. The term "insurer" shall include all insurance companies organized or chartered under the laws of this State, or licensed to do business in this State, including capital stock companies, mutual companies, title insurance companies, fraternal benefit societies, local mutual aid associations, Statewide mutual assessment companies, county mutual insurance companies, Lloyds' Plan companies, reciprocal or interinsurance exchanges, stipulated premium insurance companies, and group hospital service companies, except that it shall not include agencies, authorities, or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(i) Person. A "person" is an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, any similar entity or any combination of the foregoing acting in concert, but shall not include any securities broker performing no more than the usual and customary broker's function.

(j) Securityholder. A "securityholder" of a specified person is one who owns any security of such person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any of the foregoing.

(k) Subsidiary. A "subsidiary" of a specified person is an affiliate controlled by such person directly or indirectly through one or more intermediaries.

(l) Voting Security. The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.

(m) Notwithstanding any other provision of this article, the following shall not be deemed holding companies: the United States, a state or any political subdivision, agency, or instrumen-

tality thereof, or any corporation which is wholly owned directly or indirectly by one or more of the foregoing.

(n) Notwithstanding any other provision of this article, this article shall not be applicable to any insurance holding company system in which the insurer, the holding company, if any, the subsidiaries, if any, the affiliates, if any, and each and every other member thereof, if any, is privately owned by not more than five (5) securityholders, each of whom is and must be an individual or a natural person, and the commissioner has found that it is not necessary that such holding company system be regulated under this article and has issued a total or partial exemption certificate to such holding company which shall effect the exemption until revoked by the commissioner.

#### Registration of Insurers

Sec. 3. (a) Registration. Every insurer which is authorized to do business in this State and which is a member of an insurance holding company system shall register with the commissioner, except a foreign or non-domestic insurer subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this article. Any insurer which is subject to registration under this section shall register within 60 days after the effective date of this article or 15 days after it becomes subject to registration, whichever is later, unless the commissioner for good cause shown extends the time for registration, and then within such extended time. The commissioner may require any authorized insurer which is a member of an insurance holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by such insurance company with the insurance regulatory authority of its domiciliary jurisdiction.

(b) Information and Form Required. Every insurer subject to registration shall file a registration statement on a form provided by the commissioner, which shall contain current information about:

(1) the identity of every member of the insurance holding company system;

(2) the capital structure, general financial condition, ownership and management of the insurer, its holding company, and the insurer's subsidiaries and, if deemed necessary in the judgment of the commissioner, any of its affiliates;

(3) the following agreements in force, relationships subsisting, and transactions currently outstanding between such insurer and its holding company, its subsidiaries, or its affiliates:

(i) loans, other investments, or purchases, sales or exchanges of securities of any of

the affiliates by the insurer or of the insurer by any of its affiliates;

(ii) purchases, sales, or exchanges of assets;

(iii) transactions not in the ordinary course of business;

(iv) guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;

(v) all management and service contracts and all cost-sharing arrangements, other than cost allocation arrangements based upon generally accepted accounting principles; and

(vi) reinsurance agreements covering one or more lines of insurance of the ceding company;

(4) other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the commissioner; and

(5) such filing shall include a copy of the charter or articles of incorporation and bylaws of such insurer's holding company and such insurer's subsidiaries and, if deemed necessary in the judgment of the commission, any of its affiliates.

(c) Materiality. No information need be disclosed on the registration statement filed pursuant to Section 3(b), or the amendments thereto pursuant to Section 3(d), if such information is not material for the purposes of this section. Unless the commissioner by rule, regulation, or order provided otherwise, either single transactions or the cumulative total of all transactions involving sales, purchases, exchanges, loans or extensions of credit, or investments, which involve either one-half of one percent or less of an insurer's admitted assets, or five percent or less of an insurer's surplus, determined by whichever is the lesser, as of the 31st day of December next preceding, shall not be deemed material for purposes of this section, but any such single transaction or the cumulative total of such transactions in excess of the lesser of such percentages shall be deemed material.

(d) Amendments to Registration Statements. Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the commissioner within 15 days after the end of the month in which it learns of each such change or addition; provided, however, that subject to Subsection (c) of Section 4, each registered insurer shall so report all dividends and other distributions to shareholders within two business days following the declaration thereof; and provided further that any transaction

authorized by Section 4(d) hereof need not be reported under this subsection.

(e) Termination of Registration. The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

(f) Consolidated Filing. The commissioner may require or allow two or more affiliated insurers subject to registration hereunder to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.

(g) Alternative Registration. The commissioner may allow an insurer which is authorized to do business in this State and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under Subsection (a) and to file all information and material required to be filed under this section.

(h) Exemptions. The provisions of this section shall not apply to any insurer, information, or transaction if and to the extent that the commissioner by rule, regulation, or order shall exempt the same from the provisions of this section.

(i) Disclaimer. Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or such a disclaimer may be filed by such insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between such person and such insurer as well as the basis for disclaiming such affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer's relationship with such person unless and until the commissioner disallows such a disclaimer. The commissioner shall disallow such a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support such disallowance.

(j) Violations. The failure to file a registration statement or any amendment thereto required by this section within the time specified for such filing shall be a violation of this section.

#### Transactions Within an Insurance Holding Company System

Sec. 4. (a) Transactions with Affiliates. Material transactions by registered insurers with their holding companies, subsidiaries, or affiliates shall be subject to the following standards:

- (1) the terms shall be fair and equitable;
- (2) charges or fees for services performed shall be reasonable;
- (3) the books, accounts, and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transactions;
- (4) expenses incurred and payments received shall be allocated to the insurer on an equitable

basis in conformity with customary insurance accounting principles consistently applied; and

(5) the insurer's surplus as regards policyholders following any dividends or distributions to the holding company or shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) Adequacy of Surplus. For the purposes of this article, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, shall be considered:

(1) the size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;

(2) the extent to which the insurer's business is diversified among the several lines of insurance;

(3) the number and size of risks insured in each line of business;

(4) the extent of the geographical dispersion of the insurer's insured risks;

(5) the nature and extent of the insurer's reinsurance program;

(6) the quality, diversification, and liquidity of the insurer's investment portfolio;

(7) the recent past and projected future trend in the size of the insurer's surplus as regards policyholders;

(8) the surplus as regards policyholders maintained by other comparable insurers;

(9) the adequacy of the insurer's reserves; and

(10) the quality and liquidity of investments in subsidiaries made pursuant to Section 6. The commissioner may treat any such investment as a nonadmitted or disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in his judgment such investment so warrants.

(c) Dividends and Other Distributions. (1) No insurer subject to registration under Section 3 shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until (i) 30 days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment, or (ii) the commissioner shall have approved such payment within such 30-day period.

(2) For purposes of this section an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of (i) 10 percent (20 percent if such insurer is a title insurer) of such insurer's surplus as regards policyholders as of the

31st day of December next preceding, or (ii) the net gain from operations of such insurer, if such insurer is a life or title insurer, or the net investment income, if such insurer is not a life or title insurer, for the 12-month period ending the 31st day of December next preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

(3) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner's approval thereof, and such a declaration shall confer no rights upon shareholders until (i) the commissioner has approved the payment of such dividend or distribution or (ii) the commissioner has not disapproved such payment within the 30-day period referred to above.

(d) Commissioner's Approval Required. (1) The prior written approval of the commissioner shall be required for the following transactions between a domestic insurer and any person in its holding company system: sales, purchases, exchanges, loans or extensions of credit, or investments, involving more than either five percent of the insurer's admitted assets or 25 percent of the insurer's surplus, whichever is the lesser, as of the 31st of December next preceding; provided, however, that the commissioner must give his decision of either approval or disapproval within 90 days after notification by the insurer and his failure to so act within such 90 days shall constitute approval of the transaction.

(2) The following transactions between a domestic insurer and any person in its holding company system may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into any such transaction at least 30 days prior thereto, or such shorter period as he may permit, and he has not disapproved it within such period:

(i) sales, purchases, exchanges, loans or extensions of credit, or investments, involving either more than one-half of one percent but less than five percent of the insurer's admitted assets, or more than five percent but less than 25 percent of the insurer's surplus, whichever is the lesser, as of the 31st day of December next preceding;

(ii) reinsurance treaties or agreements;

(iii) rendering of services on a regular or systematic basis; or

(iv) any material transactions, specified by regulation, which the commissioner determines may adversely affect the interests of the insurer's policyholders or stockholders or of the public.

(3) Nothing herein contained shall be deemed to authorize or permit any transactions which, in the case of a non-controlled insurer, would be otherwise contrary to law.

(4) The commissioner, in reviewing transactions hereunder, shall consider whether the transactions

comply with the standards set forth in Subdivision (a) hereof and whether they may adversely affect the interest of policyholders. Any disapproval by the commissioner of any such transactions shall set forth the specific reasons for such disapproval.

(5) The approval of any transaction under this section shall be deemed an amendment under Section 3(d) to an insurer's registration statement without further filing.

Acquisition or Retention of Control of or Merger With  
Domestic Insurer

Sec. 5. (a) Filing Requirements. (1) No person other than the issuer shall make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities for, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after the consummation thereof, such person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of such insurer, and no person shall enter into an agreement to merge with or otherwise to acquire control of a domestic insurer unless, at the time any such offer, request, or invitation is made or any such agreement is entered into, or prior to the acquisition of such securities if no offer or agreement is entered into, or prior to the acquisition of such securities if no offer or agreement is involved, such person has filed with the commissioner and has sent to such insurer, and such insurer has sent to its shareholders, a statement containing the information required by this section and such offer, request, invitation, agreement, or acquisition has been approved by the commissioner in the manner hereinafter prescribed.

Such list shall include for each such individual the information required by Paragraph (i) of this subsection;

(2) the source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction wherein funds were or are to be obtained for any such purpose, and the identity of persons furnishing such consideration, provided, however, that where a source of such consideration is a loan made in the lender's ordinary course of business, the identity of the lender shall remain confidential, if the person filing such statement so requests;

(3) fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding five fiscal years of each such acquiring party (or for such lesser period as such acquiring party and any predecessors thereof shall have been in existence), and similar unaudited information as of a date not earlier than 90 days prior to the filing of the statement;

Such description shall identify the persons with whom such contracts, arrangements or understandings have been entered into;

(9) a description of any recommendations to purchase any security referred to in Subsection (a) made during the 12 calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of such acquiring party;

(10) copies of all tender offers for, requests or invitations for tenders of exchange offers for, and agreements to acquire or exchange any securities referred to in Subsection (a), and (if distributed) of additional soliciting material relating thereto;

(11) the terms of any agreement, contract or understanding made with any broker-dealer as to solicitation of securities referred to in Subsection (a) for tender, and the amount of any fees, commissions or other compensation to be paid to broker-dealers with regard thereto;

If the person required to file the statement referred to in Subsection (a) is a partnership, limited partnership, syndicate, or other group, the commissioner may require that the information called for by Clauses (1) through (12) shall be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group, and each person who controls such partner or member. If any such partner, member, or person is a corporation or the person required to file the statement referred to in Subsection (a) is a corporation, the commissioner may require that the information called for by Clauses (1) through (12) shall be given with respect to such corporation, each officer and director of such corporation, and each person who is directly or indirectly the beneficial owner of more than 10 percent of the outstanding voting securities of such corporation.

If any material change occurs in the facts set forth in the statement filed with the commissioner and sent to such insurer pursuant to this section, an amendment setting forth such change, together with copies of all documents and other material relevant to such change, shall be filed with the commissioner and sent to such insurer within two business days after the person learns of such change. Such insurer shall send such amendment to its shareholders.

(c) Alternative Filing Materials. If any offer, request, invitation, agreement, or acquisition referred to in Subsection (a) is proposed to be made by means of a registration statement under the Securities Act of 1933, as amended,<sup>1</sup> or in circumstances

requiring the disclosure of similar information under the Securities Exchange Act of 1934, as amended,<sup>2</sup> or under a State law requiring similar registration or disclosure, the person required to file the statement referred to in Subsection (a) may utilize such documents in furnishing the information called for by that statement.

(d) Approval by Commissioner; Hearings. (1) The commissioner shall approve any merger or other acquisition of control referred to in Subsection (a) unless, after a public hearing thereon, he finds that:

(i) after the change of control the domestic insurer referred to in Subsection (a) would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(ii) the effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this State or tend to create a monopoly therein;

(iii) the financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining securityholders who are unaffiliated with such acquiring party;

(iv) the terms of the offer, request, invitation, agreement, or acquisition referred to in Subsection (a) are unfair and unreasonable to the securityholders of the insurer;

(v) the plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair, prejudicial, hazardous, or unreasonable to policyholders or stockholders of the insurer and not in the public interest;

(vi) the competence, trustworthiness, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(vii) such acquisition or merger would violate any law of this or any other state or of the United States.

(2) The public hearing referred to in Clause (1) hereof shall be held within 30 days after the statement required by Subsection (a) is filed, and at least 20 days' notice thereof shall be given by the commissioner to the person filing the statement. Not less than seven days' notice of such public hearing shall be given by the person filing the statement to the insurer and to such other persons as may be designated by the commissioner. The insurer shall give such notice to its securityholders. The commissioner shall make a determination within 30 days after the conclusion of such hearing. At such hearing, the person filing the statement, the insurer, any person

to whom notice of hearing was sent, and any other person whose interests may be affected thereby shall have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments in connection therewith.

(e) Mailings to Shareholders; Payment of Expenses. All statements, amendments, or other material filed pursuant to Subsection (a) or (b), and all notices of public hearings held pursuant to Subsection (d), shall be mailed by the insurer to its shareholders within five business days after the insurer has received such statements, amendments, other material, or notices. The expenses of mailing shall be borne by the person making the filing. As security for the payment of such expenses, such person shall file with the commissioner an acceptable bond or other deposit in an amount to be determined by the commissioner.

(f) Exemptions. The provisions of this section shall not apply to:

(1) any offers, requests, invitations, agreements, or acquisitions by the person referred to in Subsection (a) who is a broker-dealer under state or federal securities laws of any voting security referred to in Subsection (a) which, immediately prior to consummation of such offer, request, invitation, agreement, or acquisition, was not issued and outstanding which acquisition is solely for resale under a plan approved by the commissioner that will not reasonably result in acquisition of control on resale and where during the period prior to resale no actual positive act of control by virtue of those shares is committed;

(2) any transaction which is subject to the provisions of: (i) Article 21.25, Sections 1 through 5, of this code, dealing with the merger or consolidation of two or more insurers and complying with the terms of such article until the plan of merger or consolidation has been filed by the insurer with the Commissioner of Insurance. After the filing of such plan of merger or consolidation the transaction shall be subject to the provisions of Section 5 of this article. The Commissioner may exempt such transaction from any or all of the notice requirements of Section 5 of this article if he finds that the notice furnished to shareholders and security holders in connection with such merger or consolidation contained all material and information required under Section 5 of this article, (ii) Article 11.20 of this code, (iii) Article 11.21 of this code, (iv) Article 14.13 of this code, (v) Article 14.61 of this code, (vi) Article 14.63 of this code, (vii) Article 21.26 of this code, provided that all of 100% of the stock is initially and simultaneously purchased in order to effect a total reinsurance, (viii) Article 22.15 of this code, and (ix) Article 22.19 of this code, provided that the reinsurance is a total direct reinsurance agreement; or

(3) any offer, request, invitation, agreement, or acquisition which the commissioner by order shall exempt therefrom as (i) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or (ii) as otherwise not comprehended within the purposes of this section.

(g) Retention of Control. (1) The following conditions affecting any controlled insurer, regardless of when such control has been acquired, are violations of this article:

(i) the violation of this article, or other demonstration of untrustworthiness, by the insurer, its holding company or any controlling person, or any of the officers or directors of either; or

(ii) the violation of any provision of Chapter 15 of the Business and Commerce Code, Chapter 785, Acts of the 60th Legislature, 1967, as amended,<sup>3</sup> or any other antitrust law of this State by the insurer, the holding company or any affiliate.

If, after notice and an opportunity to be heard the commissioner determines that any of the foregoing violations exists, he shall reduce his findings to writing and shall issue an order based thereon and cause the same to be served upon the insurer and upon all persons affected thereby directing any person found to be in violation hereof to take appropriate action to cure such violation. Upon the failure of any such person to comply with such order, Section 3 of Article 1.14 of this code shall become applicable to such person, as well as any other provisions of this article.

(2) The commissioner may require the submission of such information as he deems necessary to determine whether any retention of control complies with this article and may require, as a condition of approval of such retention of control, that all or any portion of such information be disclosed to the insurer's stockholders.

(h) Duty of Insurer. Unless subject to registration under Section 3, or unless it is a foreign insurer not subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this article, or unless acquisition of its control is subject to Subsections (a), (b), and (c) hereof, every authorized insurer shall, on or before November 1, 1971, or within 30 days after any event requiring notice hereunder, whichever is later, notify the commissioner in writing of the identity of any person whom the insurer then knows, or has reason to believe, controls or has taken any action, other than preliminary negotiations or discussions, to acquire control of the insurer.

(i) Violations. The following shall be violations of this section:

(1) the failure to file any statement, amendment, or other material required to be filed pursuant to this section; or

(2) the effectuation or any attempt to effectuate an acquisition of control of, or merger with, a domestic insurer unless the commissioner has given his approval thereto.

(j) Jurisdiction; Consent to Service of Process. The courts of this State are hereby vested with jurisdiction over every person not resident, domiciled, or authorized to do business in this State who files a statement with the commissioner under this section, and over all actions involving such person arising out of violations of this section, and each such person shall be deemed to have performed acts equivalent to and constituting an appointment by such person of the commissioner to be his true and lawful attorney upon whom may be served all lawful process in any action, suit, or proceeding arising out of violations of this section. Copies of all such lawful process shall be served on the commissioner and transmitted by registered or certified mail by the commissioner to such person at his last known address.

#### Subsidiaries of Insurers

Sec. 6. Any domestic insurer, either by itself or in cooperation with one or more persons, may organize or acquire one or more subsidiaries, as an investment but only as permitted by the investment provisions of the Insurance Code.

#### Management of Controlled Insurers

Sec. 7. (a) Notwithstanding the control of an authorized insurer by any person, the officers and directors of the insurer shall not thereby be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this code.

(b) Nothing herein shall preclude an authorized insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one or more other persons under arrangements meeting the standards of Paragraph (4) of Section 4(a) hereof.

#### Prohibition of Indirect Action.

Sec. 8. No holding company or controlled person shall directly or indirectly or through another person do or cause to be done for or on behalf of the controlled insurer any act intended to affect, influence, change, or alter the insurance operations of the insurer which, if done by the insurer acting alone, would violate this code. Provided, however, this section shall not limit or prohibit such holding company or person within the holding company system from doing any type of business that would be normal and natural to such person if it were not within the holding company system so long as such business is conducted on behalf of such person.

#### Examination

Sec. 9. (a) Power of the Commissioner. Subject to the limitation contained in this section and in addition to the powers which the commissioner has under other articles of this code relating to the examination of insurers, the commissioner shall also have the power to order any insurer registered under Section 3 to produce such records, books, or other information papers in the possession of the insurer, its holding company, its subsidiaries, or its affiliates as shall be necessary to ascertain the financial condition or legality of conduct of such insurer. In the event such insurer fails to comply with such order, every holding company, every controlled person, subsidiary, or affiliate within the insurance holding company system shall be subject to examination by order of the commissioner if he has cause to believe that the operations of such persons may materially affect the operations, management, or financial condition of any controlled insurer within the system and that he is unable to obtain relevant information from such controlled insurer. The grounds relied upon by the commissioner for such examination shall be stated in his order, which order shall be subject to judicial review only at the instance of the person sought to be examined. Such examination shall be confined to matters specified in the order. The cost of such examination shall be assessed against the person examined and no portion thereof shall thereafter be reimbursed to it directly or indirectly by the controlled insurer.

(b) Purpose and Limitation of Examination. The commissioner shall exercise his power under Subsection (a) above only if the examination of the insurer under other sections of this code is inadequate or the interests of the policyholders of such insurer may be adversely affected.

(c) Use of Consultants. The commissioner may retain at the registered insurer's expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as shall be reasonably necessary to assist in the conduct of the examination under Subsection (a) above. Any persons so retained shall be under the direction and control of the commissioner and shall act in a purely advisory capacity.

(d) Expenses. Each registered insurer complying with the commissioner's order and producing for examination records, books, and papers pursuant to Subsection (a) above shall be liable for and shall pay the expense of such examination in accordance with Article 1.16 of this code.

#### Confidential Treatment

Sec. 10. All information, documents, and copies thereof obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to Section 9 and all information reported pursuant to Section 3, shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the

commissioner or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the commissioner, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interests of policyholders, shareholders, or the public will be served by the publication thereof, in which event he may publish all or any part thereof in such manner as he may deem appropriate.

#### Rules and Regulations

Sec. 11. The State Board of Insurance may, upon notice and opportunity for all interested persons to be heard, issue such rules, regulations, and orders as shall be consistent with and to carry out the provisions of this article and to govern the conduct of its business and proceedings hereunder. Respecting any other provisions of this article, the board shall not have any power or authority to change the meaning of any provision of this article by rule or regulation or to promulgate any rule or regulation which is in any way contrary to the underlying and fundamental purposes of this article.

#### Injunctions: Prohibitions Against Voting Securities: Sequestration of Voting Securities

Sec. 12. (a) Injunctions. Whenever it appears to the commissioner that any insurer or any director, officer, employee, or agent thereof has committed or is about to commit a violation of this article or of any rule, regulation, or order issued by the State Board of Insurance or by the commissioner hereunder, the commissioner may apply to the district court for Travis County for an order enjoining such insurer or such director, officer, employee, or agent thereof from violating or continuing to violate this article or any such rule, regulation, or order, and for such other equitable relief as the nature of the case and the interest of the insurer's policyholders, creditors, and shareholders or the public may require.

(b) Voting of Securities; When Prohibited. No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired in contravention of the provisions of this article or of any rule, regulation, or order issued by the State Board of Insurance or the commissioner hereunder may be voted at any shareholders' meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of shares may be taken as though such securities were not issued and outstanding; but no action taken at any such meeting shall be invalidated by the voting of such securities, unless the action would materially affect control of the insurer or unless the courts of this State have so ordered. If an insurer or the commissioner has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this article or of any rule, regulation, or order issued by the State Board of Insurance or the commissioner hereunder, the insurer or the commissioner may apply to the

district court for Travis County or to the district court for the county in which the insurer has its principal place of business to enjoin any offer, request, invitation, agreement, or acquisition made in contravention of Section 5 or any rule, regulation, or order issued by the commissioner thereunder to enjoin the voting of any such security so acquired, to void any vote of such security already cast at any meeting of shareholders, and for such other equitable relief as the nature of the case and the interests of the insurer's policyholders, creditors, and shareholders or the public may require.

(c) Sequestration of Voting Securities. In any case where a person has acquired or is proposing to acquire any voting securities in violation of this article or any rule, regulation or order issued by the State Board of Insurance or the commissioner hereunder the district court for Travis County or the district court for the county in which the insurer has its principal place of business may, on such notice as the court deems appropriate, upon the application of the insurer or the commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by such person, and issue such orders with respect thereto as may be appropriate to effectuate the provisions of this article. Notwithstanding any other provisions of law, for the purposes of this article the situs of the ownership of the securities of domestic insurers shall be deemed to be in this State.

#### Criminal Proceedings

Sec. 13. Whenever it appears to the commissioner that any insurer or any director, officer, employee, or agent thereof has committed a wilful violation of this article, the commissioner may cause criminal proceedings to be instituted by the district attorney for the county in which the principal office of the insurer is located or if such insurer has no such office in the state, then by the district attorney of Travis County against such insurer, or the responsible director, officer, employee, or agent thereof. Any insurer which wilfully violates this article may be fined not more than \$10,000. Any individual who wilfully violates this article may be fined not more than \$5,000 or, if such wilful violation involves the deliberate perpetration of a fraud upon an insurer, any subsidiary or policyholders, imprisoned not more than two years or both.

#### Receivership

Sec. 14. Whenever it appears to the commissioner that any person has committed a violation of this article which so impairs the financial condition of a domestic insurer as to threaten its insolvency or make the further transaction of its business hazardous to its policyholders, creditors, shareholders, or the public, then the commissioner may proceed as provided in Articles 21.28 and 21.28-A of this code to take possession of the property of such domestic insurer and to conduct the business thereof.

Revocation, Suspension, or Non-renewal of Insurer's License

Sec. 15. Whenever it appears to the commissioner that any person has committed a violation of this article which makes the continued operation of an insurer contrary to the interest of policyholders or the public, the commissioner may, after giving notice and an opportunity to be heard, determine to suspend, revoke, or refuse to renew such insurer's license or authority to do business in this State for such period as he finds is required for the protection of policyholders or the public. Any such determination shall be accompanied by specific findings of fact and conclusion of law.

Rescission, Revocation, and Reversal of Unauthorized Transactions

Sec. 16. Whenever it appears to the commissioner that any person has entered into any transaction or act without having first complied with the provisions of this article applicable to such transaction or act, and in violation hereof, the commissioner may, after giving notice and an opportunity to be heard, determine and order that such transaction or act be set aside, rescinded, revoked, reversed, and rendered void and of no force or effect, so that the parties to such transaction or act shall be returned to the position they would have occupied had not such transaction or act occurred in violation of this article.

Judicial Review; Mandamus

Sec. 17. (a) Any person aggrieved by any act, determination, rule, regulation, or order or any other action of the commissioner pursuant to this article may appeal therefrom under the procedures provided in Article 1.04 of this code.

(b) The filing of an appeal pursuant to this section shall stay the application of any such rule, regulation, order, or other action of the commissioner to the appealing party unless the court, after giving such party notice and an opportunity to be heard, determines that such a stay would be detrimental to the interests of policyholders, shareholders, creditors, or the public.

(c) Any person aggrieved by any failure of the commissioner to act or make a determination required by this article may petition the district court for Travis County for a writ in the nature of a mandamus or a peremptory mandamus directing the commissioner to act or make such determination forthwith.

Applicability to Foreign Insurers

Sec. 18. Each Texas-licensed foreign insurer domiciled in a jurisdiction which has not, by statute or regulation, adopted controls considered by the Commissioner of Insurance of the State of Texas to be substantially similar to those contained in this Article shall be subject to all provisions of Article

21.49-1 of the Insurance Code the same as Texas domestic insurers and is, in the event of non-compliance therewith, subject to all of the remedies, penalties, and sanctions authorized by the Insurance Code, including, but not limited to, after notice and hearing, suspension or revocation of certificate of authority to do business in Texas. (c) "Contingency reserve" means an additional premium reserve established for the protection of policyholders against the effect of adverse economic cycles or losses.

## Qualifications of Insurers

Sec. 2. Qualifications for mortgage guaranty insurers shall be as follows:

(1) An insurer, in order to qualify for writing mortgage guaranty insurance, must have the same minimum capital and surplus as that required of a company by Chapter 8, Texas Insurance Code.<sup>1</sup>

(2) A foreign or alien insurer writing mortgage guaranty insurance shall not be eligible for the issuance of a certificate of authority in Texas unless it has demonstrated a satisfactory operating experience in its state of domicile.

(3) A mortgage guaranty insurance insurer which anywhere transacts any class of insurance other than mortgage guaranty insurance is not eligible for the issuance of a certificate of authority to transact mortgage guaranty insurance in this State nor for the renewal thereof.

(4) A mortgage guaranty insurer which anywhere transacts the classes of insurance defined in Paragraphs (2) and (3) of Subdivision (a) of Section 1 is not eligible for the issuance of a certificate of authority to transact in this State the class of mortgage guaranty insurance defined in Paragraph (1) of Subdivision (a) of Section 1.

## Unearned Premium Reserve; Computation

Sec. 3. ## Loss Reserve; Determination

Sec. 4. On such insurance, the case basis method shall be used to determine the loss reserve, which shall include a reserve for claims incurred but not reported.

## Contingency Reserve; Withdrawals; Releases to Surplus

Sec. 5. In addition to the capital, surplus and reserves specified in Sections 2, 3 and 4 hereof, each mortgage guaranty insurer shall establish a contingency reserve, which shall be reported as a liability in the insurer's financial statements. To provide for and maintain such reserve, the company shall annually contribute to such reserve fifty per cent (50%) of the earned premiums on its mortgage guaranty insurance business. The earned premiums so reserved may be released to the insurer's surplus, annually, after they have been so maintained for 120 months. However, withdrawals may be made from such reserve by the insurer in any given year in which the insurer can demonstrate to the State Board of Insurance that the incurred losses for such year exceed thirty-five per cent (35%) of the corresponding earned premiums for such year. The amount so withdrawn and released for such losses shall reduce any subsequent annual release to surplus from the established contingency reserve by an amount equal to the amount so withdrawn, and any balance in excess of the normal annual release from such reserve shall carry over and be deducted from subsequent annual releases.

## Outstanding Total Liability; Limit

Sec. 6. A mortgage guaranty insurer shall not at any time have outstanding a total liability, net of reinsurance, under its aggregate mortgage guaranty insurance policies exceeding 25 times its capital, surplus and contingency reserve, such liability to be computed on the basis of the insurer's liability under its election as provided in Section 7 and such liability for leases to be computed on the basis of the insurer's liability as determined by the State Board of Insurance. In the event that any insurer has outstanding total liability exceeding 25 times its capital, surplus and contingency reserve, it shall cease transacting new mortgage guaranty business until such time as its total liability no longer exceeds 25 times its capital, surplus and contingency reserve.

## Limit on Coverage to Amount of Indebtedness; Election to Pay Entire Indebtedness

Sec. 7. A mortgage guaranty insurer shall limit its coverage for the class of insurance defined in Paragraphs (1) and (2) of Subdivision (a) of Section 1 to a maximum of twenty-five per cent (25%) of the entire indebtedness to the insured, or in lieu thereof, a mortgage guaranty insurer may elect to pay the entire indebtedness to the insured and acquire title to the authorized real estate security.

## Loans Secured by Properties in Single-housing or Contiguous Tracts; Limit

Sec. 8. A mortgage guaranty insurer shall not insure loans secured by properties in a single hous-

ing tract or a contiguous tract in excess of ten per cent (10%) of the insurer's capital, surplus and contingency reserve. In determining the amount of such risk, applicable reinsurance in any assuming insurer authorized to transact mortgage guaranty insurance in this State shall be deducted from the total direct risk insured. "Contiguous," for the purposes of this section, means not separated by more than one-half mile.

## Advertising of "Insured Loans"

Sec. 9. No bank, savings and loan association or insurance company, or an approved seller-servicer of the Federal National Mortgage Association, any of whose authorized real estate securities are insured by a mortgage guaranty insurance company, may state in any brochure, pamphlet, report or any form of advertising that the real estate loans of the bank, savings and loan association, insurance company or an approved seller-servicer of the Federal National Mortgage Association are "insured loans" unless the brochure, pamphlet, report or advertising also clearly states that the loans are insured by private insurers and the names of the private insurers are given and shall not make any such statement at all unless such insurance is by an insurer certificated to write in this State.

Sec. 1. Any five (5) or more, but not to exceed thirty-five (35), citizens of this state may associate themselves for the purpose of forming a stipulated premium life insurance company or a stipulated premium accident insurance company or a stipulated premium life and accident, health and accident, or life, health and accident insurance company. In order to form such a company, the corporators shall sign and acknowledge its articles of incorporation and file the same in the office of the State Board of Insurance. Such articles shall specify:

- 1. The name and place of residence of each of the incorporators;

- 2. The name of the proposed company, which shall contain the words "Insurance Company" as a part thereof, and the name selected shall not be so similar to the name of any other insurance company as to be likely to mislead the public;

- 3. The location of its home office;

- 4. The kind or kinds of insurance business it proposes to transact;

- 5. The amount of its capital stock, not less than Fifteen Thousand Dollars (\$15,000.00); all of which capital stock must be fully subscribed and paid up and in the hands of the corporators before said articles of incorporation are filed. Such stipulated premium insurance company shall not be incorporated unless at the time of incorporation such company is possessed of at least Seven Thousand Five Hundred Dollars (\$7,500.00) surplus, in addition to its capital; provided the amount of such surplus need not be stated in its articles of incorporation. Such minimum capital and surplus shall, at the time of incorporation, consist only of lawful money of the United States or bonds of the United States or of this state or of any county or incorporated municipality thereof, or government insured mortgage loans which are otherwise authorized by this chapter; and shall not include any real estate; provided, however, fifty per cent (50%) of the minimum capital may be invested in first mortgage real estate loans. After the granting of charter, the surplus may be invested as otherwise provided in this Chapter. Notwithstanding any other provisions of this Chapter, such minimum capital shall at all times be maintained in cash or in the classes of investments described in this article;

- 6. The period of time it is to exist, which shall not exceed five hundred (500) years;

- 7. The number of shares of such capital stock;

- 8. Such other provisions not inconsistent with the law as the corporators may deem proper to insert therein.

Sec. 2. Every stipulated premium company incorporated or transacting business in this state shall be subject to the provisions of this Chapter 22, unless otherwise expressly provided by this Code and no other insurance law of this state shall apply to any corporation chartered under this Chapter and no law hereafter enacted shall apply to stipulated premium companies unless they be expressly designated therein.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

**Art. 22.02. Shares of Stock**

The stock of any stipulated premium company shall be of par value. Each share shall be for not less than One Dollar (\$1.00) nor more than One Hundred Dollars (\$100.00). Such stipulated premium companies may issue and dispose of their autho-

rized shares having a par value for money or those notes, bonds and mortgages, of which Art. 22.01 of this Chapter authorizes for minimum capital and such shares shall thereafter be nonassessable. In the event all of the shares of stock, authorized by the original charter or any amendment, are not subscribed and paid for at the time the original charter is granted, or the amendment is filed, then when such remaining shares of stock are sold and issued, the company shall file with the State Board of Insurance, within ninety (90) days after the issuance of such shares, a certificate authenticated by a majority of the directors setting forth the number of shares so issued and the actual consideration received by the company for such shares.  
[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

### Art. 22.03. Application, Charter and Organization

Sec. 1. As a condition precedent to the granting of a charter of any such company, the incorporators shall file with the State Board of Insurance the following:

1. An application for charter on such form and including therein such information as may be prescribed by the Board;
2. The articles of incorporation as provided in this Code;
3. An affidavit made by two (2) or more of its incorporators that all of the stock has been subscribed in good faith and fully paid for, as required by law, in the amount of not less than Fifteen Thousand Dollars (\$15,000.00) capital and that such company is possessed of at least Seven Thousand Five Hundred Dollars (\$7,500.00) surplus, as required by law, in addition to its capital, which affidavit shall state that the facts set forth in the application and the articles of incorporation are true and correct and that the capital and surplus is the bona fide property of such company. The State Board of Insurance may, in its discretion, at the expense of the incorporators, require other and additional satisfactory evidence of the matters required to be set forth in said affidavit before it shall be required to file the articles of incorporation, application for charter or follow the procedure hereinafter set forth;
4. A charter fee of Twenty-five Dollars (\$25.00).

Sec. 2. When such application for charter, articles of incorporation, affidavit, and charter fee are filed with the State Board of Insurance, the Board may set a date for a public hearing of the same, which date shall be not less than ten (10) nor more than thirty (30) days after the date of notice thereof. The Board shall notify in writing the person or persons submitting such application of the date for such hearing and shall furnish a copy of such notice to the Attorney General of Texas and to all interested parties, including any parties who have thereto-

fore requested a copy of such notice. The Board shall, at the expense of the incorporators, publish a copy of such notice in any newspaper of general circulation in the county of the proposed home office of said company. In all such public hearings on such applications, a record shall be made of such proceedings, and no such application shall be granted except when same is adequately supported by competent evidence. Any interested party shall have the right to oppose or support the granting or denial of such application and may intervene and participate fully and in all respects in any hearing or other proceeding had on any such application. Any such intervenor shall have and enjoy all the rights and privileges of a proper or necessary party in a civil suit in the courts of this state, including the right to be represented by counsel.

Sec. 3. In considering any such application the Board shall, within thirty (30) days after public hearing, determine whether or not:

- (a) The minimum capital and surplus as required by law is the bona fide property of the company;
- (b) The proposed officers, directors and managing executives have sufficient insurance experience ability and standing to render success of the proposed company probable;
- (c) The applicants are acting in good faith.

Sec. 4. If the Board shall determine by an affirmative finding any of the above issues adversely to the applicants, it shall reject the application in writing, giving the reason therefor. Otherwise, the Board shall approve the application and submit such application, together with the articles of incorporation and the affidavit, to the Attorney General for examination. If the application, articles of incorporation, the affidavit and the procedure and action thereon shall be found by the Attorney General to be in accordance with the law of this state, he shall attach thereto his certificate to that effect, whereupon all such documents shall be deposited with the Board. Upon receipt by the Board of such documents so certified by the Attorney General, the Board shall record the same in a book kept for that purpose, and upon receipt of a fee of One Dollar (\$1.00), it shall furnish a certified copy of the same to the incorporators, upon which they shall become a body politic and corporate and may proceed to complete the organization of the company, for which purpose they shall forthwith call a meeting of the stockholders who shall adopt by-laws for the government of the company, and elect a Board of Directors, not less than five (5), composed of stockholders; which Board shall have full control and management of the affairs of the corporation, subject to the by-laws thereof as adopted or amended from time to time by the stockholders or directors, and to the laws of this state. The Board of Directors so elected shall serve until the second Tuesday in April thereafter, on which date, annually thereafter, there shall be held a meeting of the stockholders at the home

office, and a Board of Directors elected for the ensuing year. If the stockholders fail to elect directors at any such annual meeting, directors may be elected at a special meeting of the stockholders called for that purpose. The directors shall choose a President from their own number, and all other officers shall be chosen in accordance with the by-laws of the company, and none of such officers need be either a director or a stockholder except as required by the by-laws of such company. The duties and compensation of officers of such company shall be in accordance with the by-laws of the company, or, to the extent of the absence of provisions governing the same in the by-laws, then the duties and compensation of officers shall be defined and fixed by the directors. The directors shall keep a full and correct record of their transactions to be open during business hours to the inspection of stockholders. The directors shall fill any vacancy which occurs in the Board or in any office of such company. A majority of the Board shall be a quorum for the transaction of such business. At all meetings of the stockholders, each stockholder shall be entitled to one vote for each share of stock fully paid up appearing in his name on the books of the company, which vote may be given in person or by written proxy. The majority of the paid up capital stock at any meeting of the stockholders shall be a quorum.

At any regular or called meeting of the stockholders, they may, by resolution, provide for any lawful amendment to the charter or articles of incorporation; and such amendment, accompanied by a copy of such resolution duly certified by the President and Secretary of the company, shall be filed and recorded in the same manner as the original charter, and shall thereupon become effective. Stockholders representing a majority of the capital stock of any such company may in such manner also increase or reduce the amount of its capital stock. The capital stock shall in no case be reduced to less than the minimum amount of fully paid up capital stock required by applicable provisions of law. A statement of any such increase or reduction shall be signed and acknowledged by two officers of the company and filed and recorded along with the certified copy of the resolution of the stockholders provided therefor in the same manner as the charter or amendment thereto. For any such increase or reduction, the company may require the return of the original certificates as other evidence of stock in exchange for new certificates issued in lieu thereof. The shares of stock of such company shall be transferable on its books, in accordance with law and the by-laws of the company, by the owner in person or his authorized agent. Every person becoming a stockholder by such transfer shall succeed to all rights of the former holder of the stock transferred, by reason of such ownership.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

#### Art. 22.04. Amendment of Charter

At any regular or called meeting of the stockholders, they may, by resolution, provide for any lawful

amendment to the charter or articles of incorporation; and such amendment, accompanied by a copy of such resolution duly certified by the President and Secretary of the company, shall be filed and recorded in the same manner as the original charter, and shall thereupon become effective. Stockholders representing a majority of the capital stock of any such company may in such manner also increase or reduce the amount of its capital stock. The capital stock may in no case be reduced to less than One Hundred Thousand Dollars (\$100,000.00) except for the purpose of avoiding insolvency as provided in Art. 22.12 of this Chapter, but in such event never less than Fifteen Thousand Dollars (\$15,000.00). A statement of any such increase or reduction shall be signed and acknowledged by two officers of the company and filed and recorded along with the certified copy of the resolution of the stockholders provided therefor in the same manner as the charter amendment thereto. For any such increase or reduction, the company may require the return of the original certificates as evidence of stock in exchange for new certificates transferable on its books, in accordance with this Chapter and the by-laws of the company, by the owner in person or his authorized agent. Every person becoming a stockholder by such transfer shall succeed to all rights of the former holder of the stock transferred, by reason of such ownership.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

#### Art. 22.05. Original Examination and Certificate

When the first meeting of the stockholders shall be held and the officers of the company elected, the President or Secretary shall notify the State Board of Insurance and such Board shall thereupon immediately make or cause to be made at the expense of the company a full and thorough examination thereof. If it finds that all of the capital stock of the company amounting to not less than the minimum amount required by law has been fully paid up and is in the custody of the officers either in cash or securities of the class such companies are authorized by this Chapter to invest or loan their funds, it shall issue forthwith to such stipulated premium company a temporary certificate of authority limiting the activities of such stipulated premium company solely to the negotiating and obtaining of a direct reinsurance agreement with a company chartered and doing business under the provisions of Chapter 14<sup>1</sup> of the Insurance Code of Texas on the effective date of this Act. Such certificate of authority shall terminate twelve (12) months from its date, unless renewed by the State Board of Insurance for an additional period of twelve (12) months, provided that such stipulated premium company has not theretofore consummated a direct reinsurance agreement with such a company doing business under the provisions of Chapter 14 of the Insurance Code.

Before such temporary certificate of authority is issued, not less than two (2) officers of such company shall execute and file with the State Board of Insurance a sworn schedule of all the assets of the

company exhibited to the Board upon such examination showing the value thereof, together with a sworn statement that the same are bona fide, the unconditional and unencumbered property of the company, and are worth the amount stated in such schedule.

In the event a direct reinsurance agreement be not so consummated within such twelve (12) months period, unless renewed by the State Board of Insurance for an additional period of twelve (12) months, the certificate of authority shall automatically terminate and the incorporators of such stipulated premium company shall forthwith surrender its charter to the State Board of Insurance for cancellation.

In the event a direct reinsurance agreement as provided in this Chapter is consummated with such a company doing business under the provisions of Chapter 14 of this code, the State Board of Insurance shall forthwith and in accordance with the provisions of Article 22.15 of this Code issue to such a company a regular certificate of authority to transact business in the State of Texas. Likewise, such certificate of authority shall provide for the type of insurance business which may be written by the stipulated premium company; if the Chapter 14 company was engaged in the life business or was a burial association, the stipulated premium company shall be entitled and authorized to write life insurance policies as regulated by the provisions of this Chapter, and if the Chapter 14 company was permitted by its charter to write accident insurance, or health and accident insurance, or life, health and accident insurance, then the stipulated premium company shall be so permitted.

As such stipulated premium company thereafter directly reinsures additional Chapter 14 companies chartered and doing business under the provisions of Chapter 14 of the Insurance Code of Texas, its regular certificate of authority shall be amended to write any type of such insurance coverage as those authorized for any such Chapter 14 company whose policies are so assumed by the stipulated premium company.

Any stipulated premium company holding a permanent certificate of authority on the effective date of this Act, and which permanent certificate of authority limits the territory of operation or writing of business of such company to an area or territory less than the entire State of Texas may, at any time thereafter, make application for, and thereafter be entitled to receive a permanent certificate of authority to operate and issue policies of insurance as so previously authorized (or as may thereafter be authorized by compliance with the provisions of this Chapter 22), anywhere within the State of Texas. [Acts 1961, 57th Leg., p. 345, ch. 180, § 1; Acts 1967, 60th Leg., p. 1831, ch. 708, § 2, eff. June 17, 1967.]

The form of such annual statement shall be prepared and determined by the State Board of Insurance.

[Acts 1951, 52nd Leg., p. 868, ch. 491, art. 22.06; Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

Sec. 2. Until the surplus of any stipulated premium company is at least Fifty Thousand Dollars (\$50,000.00), no such stipulated premium company shall insure any life for more than One Thousand Dollars (\$1,000.00) in the event of death from natural causes nor more than Two Thousand Dollars (\$2,000.00) in the event of death from accidental causes, unless such stipulated premium company reinsures the amount of coverage above One Thousand Dollars (\$1,000.00) in the event of natural death and the amount of coverage above Two Thousand Dollars (\$2,000.00) in the event of accidental death with a legal reserve company authorized to write life, health and accident insurance in this state having a capital and surplus or surplus of at least Two Hundred Thousand Dollars (\$200,000.00); provided, however, the provisions of this Section of this Art. 22.07 shall not apply to policies of insurance assumed by a stipulated premium company pursuant to the provisions of Art. 22.15 of this Chapter.

[Acts 1951, 52nd Leg., p. 868, ch. 491, art. 22.07; Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

The limitation as to time contained herein shall not be construed as preventing any stipulated premium company from entering into contracts with its agents for the payment of renewal commissions.

(b) The stockholders of any such stipulated premium company may authorize the inauguration of a plan or plans for the payment of pensions, retirement benefits or group insurance to its officers and employees. The stockholders may delegate to the Board of Directors authority and responsibility for the preparation, inauguration, putting into effect, final approval and administration of any such plan or plans or any amendments thereof.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

**Art. 22.11. Reserves**

Individual and Group Life Policies; Amount of Reserves;  
Calculation

Sec. 1. (a) Each stipulated premium individual life policy shall be reserved and each stipulated premium company shall maintain reserves on such individual life policies in accordance with any reserve standards adopted by the company and ap-

proved by the State Board of Insurance, provided such reserves are at least equal, in the aggregate, to reserves based on the 1956 Chamberlain Reserve Table with interest not to exceed three and one-half per cent (3½%) per annum. Any stipulated premium company is hereby authorized to use the 1956 Chamberlain Reserve Table.

(b) Family group life policies, upon which a group premium is charged and under which there is a varying benefit dependent upon the sequence of deaths, shall be reserved and each stipulated premium company shall, at the election of the stipulated premium company, maintain reserves on such family group policies in either one of the following methods of calculation: (1) The reserves shall be equal to the reserves which would be required, in accordance with the provisions of this Section on individual life policies on the lives of the then living two (2) oldest members of each such family group; the amount of insurance for such two (2) members shall be based on the assumption that the elder of such members will be the first to die; or (2) The reserves shall be equal to the reserves which would be required, in accordance with the provisions of this Section on individual life policies on the lives of the then living members of such family group; the amount of insurance for each such member of the family group shall be based on the assumption that each such member will be the first to die. Each such stipulated premium company shall be permitted to select the method it shall use to calculate such reserves.

Health, Accident and Sickness Policies

Sec. 2. All health, accident and sickness policies shall be reserved by the stipulated premium company and each stipulated premium company shall maintain reserves on such policies in the same manner as is required by the companies writing such coverage under the provisions of Chapter 3 of the Insurance Code of Texas, except that an unearned premium reserve shall not be required to be maintained during the first policy year.

Reinsurance Agreements; Deficiency Reserve

Sec. 3. (a) On all policies of a Chapter 14 company assumed under a direct reinsurance agreement as in this Chapter provided by a stipulated premium company, such stipulated premium company shall at the effective date of such reinsurance agreement calculate the amount of the required reserves in accordance with the provisions of this Article and shall also calculate and determine the amount of the net assets transferred to the stipulated premium company under such reinsurance agreement. In the event the net assets of the Chapter 14 company are insufficient to equal the amount of the required reserve, the difference shall be designated and carried as a deficiency reserve. Such deficiency reserve shall be allowed without creating the insolvency of the stipulated premium company, but the stipulated premium company must reduce said deficiency so determined by at least ten per cent (10%)

thereof during each year following the date of the reinsurance agreement, but commencing such reduction as to the next succeeding annual statement filing date so that at the date of the eleventh annual statement filing date after the effective date of said reinsurance agreement, the deficiency reserve will be fully paid and satisfied, together with assumed rate of interest thereon; provided, however, that such required reduction in the deficiency reserve shall never exceed the cumulative aggregate amount of ten per cent (10%) per annum.

(b) In the event the annual required reduction of the deficiency reserve is not accomplished as of December 31st of each year involved, the Board of Directors of the stipulated premium company shall by appropriate action increase rates by advancing the age of the insureds at issue date, or by some other equitable rate adjustment, so as to correct the failure to reduce the amount of the deficiency. In the event of the failure of the Board of Directors of the stipulated premium company to so act within thirty (30) days following the calculation of reserves, the stipulated premium company shall be dealt with in accordance with this Chapter as if it were insolvent.

#### Reserve Liability; Computation

Sec. 4. The State Board of Insurance, as soon as practical, in each year, shall compute or cause to be computed the reserve liability of each stipulated premium company which has outstanding policies of insurance. In making such computations, the said Board may use group methods and approximate averages for fractions of a year or otherwise. Such reserve liability shall be computed upon the net premium basis in accordance with the reserve table and interest rate adopted by the stipulated premium company and approved by the State Board of Insurance and such reserve liability may be calculated on not more than a one-year preliminary term basis with allowance for the permissive deficiency reserve provided for in this Chapter 22.

#### Securities; Class and Character

Sec. 5. Having determined the required reserve on all policies in force, but excluding the permissive deficiency reserves authorized by this Chapter 22, the State Board of Insurance shall require that the stipulated premium company have in securities of the class and character required by the laws of this state the amount of said reserves less the permissive deficiency reserves after all the debts and claims against it and the minimum capital required by this Chapter have been provided.

#### Increase of Rates on Policies; Insolvency

Sec. 6. In the event the stipulated premium company does not have the required reserves, less any permissive deficiency reserve, plus the minimum capital required by this Chapter, the Board of Directors of the stipulated premium company shall by appropriate action increase rates on policies in force

by advancing the age of the insureds at issue date or by some other equitable rate adjustment so as to correct such reserve inadequacy. In the event of the failure of the Board of Directors of the stipulated premium company to so act within thirty (30) days following the calculation of reserves as of the date in this Chapter provided, the stipulated premium company shall be dealt with in accordance with this Chapter as if it were insolvent under the provisions of Art. 22.12 of this Chapter.

#### Premiums on Life Policies

Sec. 7. Premiums charged on all life policies issued by stipulated premium companies shall be at least equal to the renewal net premium calculated in accordance with the reserve standard adopted by the stipulated premium company and approved by the State Board of Insurance.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

#### Art. 22.12. Impairment of Capital Stock

Any stipulated premium company transacting business within this state, whose capital stock shall become impaired to the extent of thirty-three and one-third per cent (33 $\frac{1}{3}$ %) thereof, computing its liabilities in the manner provided for in this Chapter of this Code, shall make good such impairment within sixty (60) days by:

(a) a reduction of its capital stock (provided such capital stock shall in no case be less than the minimum amount required of a stipulated premium company by this Chapter); or

(b) by rate adjustment where permitted by policy contract; or

(c) by both such methods; and failing to make good such impairment within said time shall forfeit its right to write new business in this state until said impairment shall have been made good.

The State Board of Insurance may apply to any court of competent jurisdiction for the appointment of a receiver to wind up the affairs of such company when its capital stock shall become impaired to the extent of fifty per cent (50%) thereof; computing its reserve liability in the manner provided by this Chapter for the computation of such reserve liability. No stipulated premium company shall write new business unless it is possessed of the minimum capital required by this Chapter 22, except to the extent it may be otherwise expressly authorized by this Chapter of this Code.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

#### Art. 22.13. Policy Form Approval

##### Life Policy Forms

Sec. 1. (a) Every policy of life insurance issued by a stipulated premium company shall state on the front page the amount of death benefit to be paid, and the circumstances or conditions under which it shall be paid. An application for each policy must

be signed by the applicant, unless the applicant is a minor, in which event the application may be signed by a parent or guardian. The policy, or the policy and the application if a copy of the application is attached to the policy, shall constitute the entire contract. If the policy is to provide that misstatement as to the health or physical condition of the applicant may void the policy within the contestable period, the application shall so state in not less than ten (10) point type in language approved by the State Board of Insurance. All statements in the application shall in the absence of fraud be regarded as representations and not warranties. All conditions of the policy must be stated therein. Each policy must provide that it shall be incontestable, after having been in force during the lifetime of the insured for a period of two (2) years from date of issue, except for nonpayment of premiums. It shall also provide that in case the age of the insured is misstated, the amount of insurance shall be that which the premium actually paid would purchase at the correct age, based on premium rates in force at the time of the death of the insured. No policy nor the application therefor shall contain language or be in such form as to mislead the applicant or policyholder as to the type of insurance afforded nor as to his rights or benefits.

(b) It shall be unlawful for any stipulated premium company to assume liability on a life insurance risk on any one life in an amount in excess of Five Thousand Dollars (\$5,000.00).

#### Readjustment of Premiums

Sec. 3. Each stipulated premium company shall provide in all policies of insurance issued, reinsured, or assumed by it for an increase or readjustment, not inconsistent with the provisions of this Chapter,

of the rates of premium on any such insurance contracts, to be effectuated by resolution of its Board of Directors, whenever in their discretion such action becomes necessary. The Board of Directors shall have power in making any comprehensive readjustment of any class or classes of its policies, that any insured required to pay an increased premium may, at his option, in lieu thereof, or in combination therewith, consent to a reduction of the corresponding insurance benefits proportionate to the value of the increased premiums. Such requirement as to such policy provisions shall not apply to policy forms under which the premium for life insurance requires the payment of a premium for life insurance alone sufficient to maintain reserves at least equal to those computed on the basis of the 1958 Commissioners Standard Ordinary Table of Mortality with interest not to exceed three and one-half per cent (3½%) per annum and upon which the right to adjust rates has been relinquished by the stipulated premium company, provided that the stipulated premium company is possessed of free and unencumbered surplus in at least the amount of Fifty Thousand Dollars (\$50,000.00) at the date of issuance of each such policy.

#### Designation of Beneficiaries

Sec. 4. The designation of all beneficiaries under policies issued by stipulated premium companies shall comply with the provisions of Art. 3.49-1 and Art. 3.49-2 of Chapter 3 of this Code.

Attention shall be called on the front page of the policy to any reduction or exclusion of benefits provided in any life policy, and the circumstances or conditions under which reduction or exclusion of benefits are applicable shall be plainly stated in the policy.

#### Certain Words Prohibited from Appearing on Policies

Sec. 6. No policy of insurance shall be approved for issuance of a stipulated premium company which shall contain thereon the words, "Approved by the State Board of Insurance," or words of a similar import or nature, and it shall be unlawful for any stipulated premium company to ever issue a policy containing such words or words of a similar import or nature.

The State Board of Insurance shall determine whether such reinsurance agreement complies with the provisions of this Chapter, and if such reinsurance agreement be in compliance with the provisions of this Chapter, the State Board of Insurance shall approve the same for submission to the members of the company or association regulated by the provisions of Chapter 14 of this Code.

**Membership Meeting; Notice**

Sec. 3. After approval of the State Board of Insurance, the Board of Directors of the company or association regulated by the provisions of Chapter 14 of this Code shall, in accordance with the by-laws, call a meeting of its membership, and shall mail to each member a copy of the proposed direct reinsurance agreement and enclose therewith a copy of the notice of membership meeting to be held not earlier than fifteen (15) days after the date of mailing of the notice and reinsurance agreement.

**Ratification or Rejection; Vote; Procedure; Certification of Results**

Sec. 4. Such meeting of the membership shall be held for the purpose of ratification or rejection of the direct reinsurance agreement. Provided such reinsurance agreement be approved by the members in accordance with the provisions of this Art. 22.15, the company or association regulated by the provisions of Chapter 14 of this Code shall cease to do business and all of its assets be transferred to the assuming stipulated premium company and thereupon become its sole and exclusive property. All policy liability will be assumed by the stipulated premium company in accordance with the provisions of said reinsurance agreement; all other liabilities shall be assumed by the stipulated premium company in accordance with the method and mode of payment thereof. The company or association regulated by the provisions of Chapter 14 of this Code shall thereafter forthwith surrender its certificate of authority and charter to the State Board of Insurance, which shall dissolve the same, and the company's or association's corporate existence shall cease.

**Approval of Agreement; Assumption Certificate; Calculation of Net Assets, Required Reserves and Deficiency Reserve; Apportionment of Net Assets**

Sec. 6. Such reinsurance agreement shall provide that the stipulated premium company will assume the policies of the company or association regulated by the provisions of Chapter 14 of this Act subject to the provisions of this Chapter. Immediately following approval by the membership of such reinsurance agreement, the stipulated premium company shall issue to each such member a certificate of assumption setting forth the terms of the assumption, and the reserve and interest table under which such policy is assumed. The agreement shall also provide for the calculation at the effective date of such reinsurance agreement of the following:

Such deficiency reserve shall be permitted in accordance with the provisions of Art. 22.11 of this Chapter, but must thereafter be reduced in compliance with said Art. 22.11, or said reinsurance agreement may provide for immediate rate adjustments, in accordance with accepted actuarial practices and standards, so as to eliminate said deficiency at the time of reinsurance or during the period allowed in

Art. 22.11 for curing of the said reserve deficiency. The sum total of the net assets of the company or association regulated by the provisions of Chapter 14 of this Code shall be apportioned for reserve calculation purposes among the members assessed as follows: The percentage of the whole of the net assets allotted to any individual member shall be calculated with the amount of the required reserve for such individual insured under such reinsurance agreement as the numerator and the total of all of the required reserve for all the members under such reinsurance agreement as the denominator.

Each such reinsurance agreement shall also provide that each policyholder who is dissatisfied with such reinsurance agreement and who does not desire to accept the assumption certificate offered by the stipulated premium company, shall be entitled to receive, if he shall so request in writing to the stipulated premium company within sixty (60) days following the mailing of the assumption certificate, the amount of the reserve under his policy reduced by the deficiency reserve, if any, as applicable to such policy.

#### Submission of Facts to Board

Sec. 7. Within ninety (90) days following such membership meeting, all facts in connection therewith, including the accounting thereof and the calculation of the required reserves, shall be submitted under oath to the State Board of Insurance.

(a) The permissive deficiency reserve of the business of the Chapter 14 Company is less than 25% of the required reserve on such business to be reinsured, including the permissive deficiency premium reserve to be maintained as hereafter in this Section provided;

(b) The gross premium at time of reinsurance by the stipulated premium company of all family group policies is at least equal in the aggregate to 120% of the required net premiums upon such family group policies to be reinsured by the stipulated premium company; and

(c) There shall be maintained on each such policy contract a permissive deficiency premium reserve in addition to all other reserves required by law and for each such policy or contract the permissive deficiency premium reserve shall be the present value, according to such standard, of an annuity, the amount of which shall equal the difference between the premium charged and such net premium and the term of which in years shall equal the number of annual premiums for the remainder of the premium paying period. Such permissive deficiency premium reserve shall be included as a part of such permissive deficiency reserve and shall be reduced in like manner as in this Chapter provided for the permissive deficiency reserve.

<sup>1</sup> Civil Statutes, art. 581-1 et seq.

#### Art. 22.19. Total or Partial Direct Reinsurance Agreements

Sec. 1. Total or partial direct reinsurance agreements may be made and entered into between stipulated premium companies chartered under the provisions of this Chapter provided:

(a) The assuming company is authorized to transact the kinds of insurance provided by the policies assumed; and

(b) No total direct reinsurance agreement shall be made until the contract therefor has been submitted to and approved by the State Board of Insurance as protecting fully the interests of all the policyholders assumed.

Sec. 2. Any stipulated premium company may enter into total or partial direct reinsurance agreements with any legal reserve life insurance company lawfully doing business in this state upon compliance with the following terms and conditions:

(a) Such reinsurance agreement must be approved by a majority vote of the respective Boards of Directors of the respective companies parties thereto.

(b) In the event of the direct reinsurance of health, accident or sickness policies, the assuming company must assume the exact policy obligations of the stipulated premium policies; in the event the stipulated premium policy is non-cancellable or guaranteed renewable the assuming company may include in its assumption certificate a premium redetermination clause in lieu of the clause contained in the policy by reason of Art. 22.13 of this Chapter.

(c) In the event of the direct reinsurance of life policies or a combination of life and health, accident or sickness, such reinsurance agreement shall contain provisions in compliance with the following:

(1) In the event the assuming legal reserve company issues an assumption certificate providing whole life coverage for the life benefit, the policyholder shall not have the right to receive his individual reserve in cash by surrendering the assumption certificate;

(2) In the event the reserves and premium under the stipulated premium policy are inadequate to provide whole life coverage under the legal reserve assumption certificate and a term coverage assumption is afforded, the following options shall be afforded to each policyholder affected thereby so that he may select any one of the following:

(a) The amount of the individual reserve, reduced by the deficiency reserve, if any, shall be paid in cash to the legal owner and holder of the policy upon its surrender and if the same be requested within sixty (60) days following mailing of notice of the options afforded to the policyholder;

(b) An assumption certificate of another stipulated premium company chartered and doing business pursuant to the provisions of this Chapter; or

(c) The legal reserve company's certificate of assumption predicated upon term coverage, but which term coverage shall be renewable for the life of the insured without evidence of insurability and the rate for which shall be based on the legal reserve table selected by the assuming company at the attained age of the insured at the date of the renewal increased by an appropriate expense factor. Each affected policyholder

shall have the right to exercise his option within sixty (60) days following the date the assumption certificate of the legal reserve company is mailed to the policyholder.

In the event the term coverage is afforded by the legal reserve company, the individual reserve, less the amount of the deficiency, if any, of each policyholder shall be used by the assuming company either:

(a) As a reserve credit to permit the legal reserve assumption certificate to be back dated as far as the reserve credit will permit; or

(b) As an annuity to reduce the required premium during the initial period of the term coverage.

(d) Each such reinsurance agreement shall be submitted in advance to and approved by the State Board of Insurance as to compliance with the provisions of this Section of this Art. 22.19 prior to the same becoming effective.

Sec. 3. In the event of a total direct reinsurance agreement under the provisions of Section 1 or Section 2 of this Art. 22.19, the reinsured stipulated premium company shall forthwith surrender its certificate of authority to the State Board of Insurance and proceed by action of its stockholders and Board of Directors to effect its dissolution.

Sec. 4. All partial direct reinsurance agreements shall be filed with the State Board of Insurance prior to the effective date of said agreement and the assuming company shall furnish an assumption certificate to the policyholder to be attached to his policy.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

**Art. 22.20. Conversion to Chapter Three (3) Company**

At such time that a stipulated premium company shall be possessed with at least One Hundred Thousand Dollars (\$100,000.00) in capital and at least One Hundred Thousand Dollars (\$100,000.00) in free and unencumbered surplus and additionally shall have on hand sufficient reserves so as to reserve all of its policies under the provisions of Chapter 3 of this Code, the stockholders of the stipulated premium company may convert the stipulated premium company into a legal reserve company under the provisions of Chapter 3 of this Code. Within thirty (30) days following such conversion, the converted company shall furnish to each and every policyholder a certificate of assumption whereby the policy liability is assumed by the converted company and which said assumption certificate shall contain all of the provisions required by Chapter 3 of this Code. In consummating said conversion, each and every of the requirements of Chapter 3 of this Code shall be complied with and the State Board of Insurance shall approve such conversion only after determining that said converted company has complied with said Chapter 3 of this Code.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

**Art. 22.21. Formation of Additional Associations Prohibited**

From and after the effective date of this Act, no local mutual aid association or local mutual burial association may be organized under and pursuant to the provisions of Art. 12.05 of the Insurance Code of Texas. The provisions of this Art. 22.21 shall not, however, be applicable to:

(1) any company or association which holds a temporary or other certificate of authority at the effective date of this Act; or

(2) any company or association for which an application to the Commissioner of Insurance or the State Board of Insurance for a temporary or other certificate of authority is pending at the effective date of this Act.

[Acts 1961, 57th Leg., p. 345, ch. 180, § 1.]

**Art. 22.22. Insolvency; Conservatorship; Receiver**

If, upon an examination or at any other time, it appears to the Commissioner of Insurance that any stipulated premium company be insolvent, or its condition be, in the opinion of the Commissioner, such as to render the continuance of its business hazardous to the public, or to holders of its policies, or if such company appears to have exceeded its powers or failed to comply with the law, then the Commissioner of Insurance shall notify the company of his determination and said company shall have thirty (30) days under the supervision of the Commissioner of Insurance within which to comply with the requirements of the Commissioner of Insurance, and in the event of its failure to comply within such time, the Commissioner of Insurance, acting for himself, or through a conservator appointed by the Commissioner of Insurance for that purpose, shall immediately take charge of such company, and all of the property and effects thereof.

If the Commissioner of Insurance is satisfied that such company can best serve its policyholders and the public through its continued operation by the conservator under the direction of said Commissioner of Insurance pending the election of new directors and officers by the shareholders in such manner as the Commissioner of Insurance may determine, the same shall be done, and the conservator may, with the approval of the Commissioner of Insurance, reinsure any part of such company's policies or certificates of insurance with some solvent insurance company authorized to transact business in this State. The conservator may transfer to the reinsurance company such assets or portions thereof as may be required to reinsure such policies. If the Commissioner of Insurance, however, is satisfied that such company is not in condition to satisfactorily continue business in the interest of its policyholders and shareholders under the conservator as above provided, the Commissioner of Insurance shall proceed to reinsure the outstanding policies in some solvent company, authorized to transact business in this State, or the Commissioner of Insurance shall pro-

ceed through such conservator to liquidate such company, or the Commissioner of Insurance may give notice to the Attorney General who shall thereupon apply to any court in Travis County having jurisdiction thereof for leave to file a suit in the nature of quo warranto to forfeit the charter of such company or to require it to comply with the law or to satisfy the Commissioner of Insurance as to its solvency. The Court may, in its discretion, appoint agents or receivers to take charge of the effects and wind up the business of the company under usages and practices of equity; and may make disposition of the business and policies of the company as in the discretion of the court may seem proper. No suit for receiver shall be filed against any such company, nor shall any receiver be appointed, except upon the application therefor by the Attorney General, and in no event shall any receiver for any such company be appointed until after reasonable notice has issued and a hearing had before the court.

It shall be in the discretion of the Commissioner of Insurance to determine whether or not he will operate the company through a conservator, as provided above, or proceed to liquidate the company, or report it to the Attorney General, as herein provided.

When all the policies of a company are reinsured or liquidated, and all of its affairs concluded, as herein provided, the Commissioner of Insurance shall report the same to the Attorney General, who shall take such action as may be necessary to effect the forfeiture or cancellation of the charter of the company so reinsured and liquidated. Where the Commissioner of Insurance lends his approval to the merger, reinsurance or consolidation of the policies of one company with that of another, the same shall be reported to the Attorney General who shall proceed to effect the forfeiture or cancellation of the charter of the company from which the policies were merged, reinsured or consolidated, in the same manner as is provided for the charters of companies totally reinsured or liquidated. The cost incident to the conservator's services shall be fixed and determined by the Commissioner of Insurance and shall be a charge against the assets and funds of the company to be allowed and paid as the Commissioner of Insurance may determine. [Acts 1965, 59th Leg., p. 1638, ch. 705, § 2, eff. Aug. 30, 1965.]

#### Art. 22.23. Issuance of Life Insurance Policies by Stipulated Premium Companies

Each stipulated premium company possessing capital and unencumbered surplus of at least the combined total sum of \$100,000.00 may issue policies of life insurance as authorized and permitted under the provisions of Chapter Three of this Insurance Code provided that:

(1) no individual life shall be insured for more than \$5,000.00,

(2) each such policy shall be reserved and reinsured as required under the provisions of Chapter Three of this Insurance Code, and

(3) each such life policy shall be issued only upon an endowment or limited pay basis.

[Acts 1971, 62nd Leg., p. 1311, ch. 346, § 1, eff. May 24, 1971.]

Sections 2 to 5 of Acts 1951, 52nd Leg., p. 868, ch. 491, enacting the Insurance Code, provided:

Sec. 2. **SUBSTANTIVE LAW PRESERVED.**—Nothing contained in this Act shall be held or construed to effect any substantive change in the laws existing prior to the passage of this Act, or to affect or impair any act done, or right vested or accrued; or any proceeding, suit, or prosecution had or commenced in any cause, be it before the courts or the Board of Insurance Commissioners. But every such act done, or right vested or accrued, or proceeding, suit, or prosecution had or commenced shall remain in full force and effect to all intents as if the laws repealed by this Act had remained in force. No offense committed and no liability, penalty, or forfeiture, either civil or criminal, incurred prior to the effective date of this Act shall be discharged or affected by this Act. Prosecutions and suits for such offenses, liabilities, penalties, or forfeitures shall be instituted and proceeded with in all respects as if prior laws repealed by this Act had not been repealed. It is hereby declared that the Board of Insurance Commissioners, its officers, the term of its officers together with their powers and duties, as they existed prior to the passage of this Act, are expressly continued, and all existing licenses and certificates and other records of such Board are expressly continued to the date on which they would automatically expire by their own terms unless revoked or suspended according to law.

Sec. 3. **SEVERABILITY.**—If any part, section, subsection, paragraph, sentence, clause, phrase, or word contained in this Act shall be held by the Courts to be unconstitutional, such holding shall not affect the validity of the remaining portions of the Act, and the Legislature hereby declares that it would have passed such remaining portions despite such invalidity.

Sec. 4. **REPEAL OF CONFLICTING LAWS.**—In connection with the general purpose of this Bill the following Statutes and Acts, together with all laws or parts of laws in conflict herewith, are hereby repealed:

Articles 4680, 4682, Subdivisions 1-20, 4683, 4684, 4685, 4687, 4689, 4691, 4692, 4693, 4694, 4695, 4696, 4697, 4698, 4699, 4700, 4701, 4702, 4703, 4707, 4709, 4710, 4711, 4712, 4713, 4714, 4715, 4716, 4717, 4718, 4719, 4720, 4721, 4722, 4723, 4724, 4727, 4728, 4731, 4732, 4734, 4735, 4737, 4738, 4739, 4741, 4743, 4745, 4746, 4747, 4749, 4750, 4751, 4753, 4754, 4755, 4756, 4757, 4759, 4760, 4761, 4762, 4763, 4764, 4765, 4767, 4768, 4770, 4771, 4772, 4773, 4774, 4775, 4776, 4777, 4778, 4779, 4780, 4801, 4803, 4804, 4805, 4806, 4807, 4810, 4812, 4814, 4815, 4818, 4819, 4823, 4829, 4830, 4832, 4834, 4835, 4836, 4837, 4838, 4839, 4840, 4841, 4842, 4843, 4844, 4845, 4846, 4847, 4848, 4849, 4850, 4851, 4852, 4853, 4854, 4855, 4856, 4857, 4878, 4879, 4880, 4881, 4882, 4883, 4884, 4885, 4886, 4887, 4888, 4889, 4890, 4892, 4893, 4894, 4895, 4896, 4897, 4898, 4899, 4900, 4901, 4903, 4904, 4905, 4908, 4909, 4910, 4911, 4913, 4914, 4915, 4916, 4917, 4918, 4919, 4920, 4921, 4922, 4923, 4924, 4927, 4928, 4931, 4969, 4970, 4971, 4972, 4973, 4974, 4975, 4976, 4977, 4978, 4979, 4980, 4981, 4982, 4983, 4984, 4985, 4986, 4987, 4988, 4989, 4990, 4991, 4992, 4994, 4995, 4996, 4997, 4998, 4999, 5000, 5001, 5002, 5003, 5004, 5005, 5007, 5008, 5009, 5010, 5011, 5012, 5024, 5028, 5030, 5034, 5035, 5036, 5037, 5038, 5039, 5040, 5041, 5042, 5043, 5044, 5045, 5046, 5047, 5048, 5049, 5050, 5051, 5052, 5054, 5055, 5056, 5057, 5059, 5060, 5061, 5062, 5063, 5064, 5065, 5066, 5067 and 5068 of Title 78, Revised Civil Statutes of Texas, and all amendments to said Title and Articles, together with certain Acts from Titles 32, 61, 71 and 122, Revised Civil Statutes of Texas:

Sec. 5. EMERGENCY.—The fact that the present laws relating to insurance are in many respects inadequate, containing in many instances overlapping, ambiguous and inconsistent provisions and seriously interfering with the operation of the insurers as well as jeopardizing the insureds and protection of the public; and the further fact that jurisdictional uncertainties arising from the United States Supreme Court's decision holding that the business of insurance transacted across state lines is interstate commerce within the meaning of the Federal Constitution, making it practicable and necessary that such laws shall be made clear, concise, adequate and consistent for the protection of the insuring public as well as for the protection of those engaged in the insurance business, creates an emergency and an imperative public necessity, demanding that the Constitutional Rule requiring all bills to be read on three several days in each House be suspended, and also the Constitutional Rule which provides that laws shall not become effective until the expiration of ninety (90) days after the adjournment of the session, be suspended, and such rules are hereby suspended, and this Act shall take effect and be in full force from and after the date of its passage and it is so enacted.

**Art. 4769. Tax on Insurance Organizations not Organized under Laws of Texas**

Every group of individuals, society, association or corporation (all of which shall be deemed included in the term "insurance organization" wherever used in this Act) not organized under the laws of this State and transacting the business of life insurance, personal accident insurance, life and accident insurance, or health and accident insurance for profit, or for mutual benefit, or protection in this State shall on or before the first day of March of each year file its annual statement showing the gross amount of premiums collected during the year ending December 31st, preceding, from persons residing or domiciled in this State on policies of insurance, and showing in separate columns the first-year premiums and the renewal premiums collected on such Texas policies, and each such insurance organization, except local mutual aid associations, fraternal benefit societies, and fraternal insurance associations or societies that limit their membership to one (1) occupation, shall pay an annual tax of 3.3% of the gross amount of premiums collected during such year from persons residing or domiciled in the State of Texas on policies of insurance. Each such insurance organization shall also report to the Board of Insurance Commissioners on or before the first day of March of each year the amount that it had invested on the 31st of December, preceding, in Texas securities as defined by Article 4766 of the Revised Civil Statutes of Texas, 1925, as amended, and the amount that it had invested on said date in similar securities in the State in which it had its highest percentage of admitted assets invested, and in computing the amount of such investments it shall include as a part thereof that percentage of its investments in bonds of the United States of America that its reserves on policies of insurance issued on the lives of persons residing or domiciled in Texas are of its total reserves on all policies outstanding, but in no event shall it include any amount of such bonds in excess of the amount thereof reported by said Company as Texas Securities in its Texas tax return covering the year 1946. If the report of such insurance organization as of December 31st, preceding, shows that such organization, had invested in such Texas securities

an amount which is more than seventy-five per cent (75%) and not more than eighty per cent (80%) of the amount that it had invested in similar securities in the State in which it then had the highest percentage of its admitted assets invested, its tax shall be 3.025% of such gross premium receipts; if the report shows that such insurance organization had invested in such Texas securities on such date an amount which is more than eighty per cent (80%) and not more than eighty-five per cent (85%) of the amount that it had invested in similar securities in the State in which it then had the highest percentage of its admitted assets invested, its tax shall be 2.75% of such gross premium receipts; if the report shows that such insurance organization had invested in such Texas securities on such date an amount which is more than eighty-five per cent (85%) and not more than ninety per cent (90%) of the amount that it had invested in similar securities in the State in which it then had the highest percentage of its admitted assets invested, its tax shall be 2.2% of such gross premium receipts; if the report shows such insurance organization had invested in such Texas securities on such date an amount which is in excess of ninety per cent (90%) of the amount that it had invested in similar securities in the State in which it then had the highest percentage of its admitted assets invested, its tax shall be 1.925% of such gross premium receipts; provided, however, that all such insurance companies whose gross premium receipts are less than Four Hundred and Fifty Thousand Dollars (\$450,000) for the preceding year ending December 31st, wherever and irrespective of from whom collected, according to its annual statement which shall disclose such information, shall pay a tax of  $\frac{55}{80}$  of 1% of the gross amount of premiums collected during such year from persons residing or domiciled in the State of Texas except as to first-year premiums as provided herein; provided, however, that the gross premium taxes herein imposed shall not be applicable to first-year premiums; and provided further that where any policy is written on a term plan only the premium collected during the first year shall be deducted on such policy or any renewal, extension or substitution thereof by the company issuing such term policy, and provided further that the amount of examination and valuation fees paid in such taxable year to or for the use of the State of Texas by any insurance organization hereby affected shall be allowed as a credit on the amount of premium taxes to be paid by any such insurance organization for such taxable year. Such gross premium receipts so reported shall not include premiums received from other licensed companies for reinsurance of business in Texas and there shall be no deduction for premiums paid for reinsurance. If any such insurance organization does more than one (1) kind of insurance business, then it shall pay

the tax herein levied upon the gross premiums on each kind of insurance written. The report of the gross premium receipts and the invested assets shall be made upon the sworn statement of two (2) principal officers.

Upon receipt by it of the sworn statement above provided, the Board of Insurance Commissioners shall certify to the State Treasurer the amount of taxes due by such insurance organizations which shall be paid to the State Treasurer on or before the fifteenth day of March, following, and the State Treasurer shall issue his receipt therefor as evidence of the payment of such tax. Such taxes shall be for and on account of business transacted within this State during the calendar year ending December 31st, in which such premiums were collected, or for that portion of the year during which the insurance organization transacted business in this State. The taxes aforesaid shall constitute all taxes and license fees collectible under the laws of this State from any such insurance organization, not organized under the laws of this State, except, and only except unemployment compensation taxes levied under Senate Bill No. 5, passed at the Third Called Session of the Forty-fourth Legislature and amendments thereto;<sup>1</sup> and the fees provided for under Article 3920 of the Revised Civil Statutes of Texas, 1925, and amendments thereto; and in the case of companies operating under Article 4742 of the Revised Civil Statutes of Texas, 1925, the deposit fees prescribed by that Article and amendments thereto; and in case of companies writing workman's compensation insurance, the taxes otherwise provided by law on account of such business; and no other taxes shall be levied or collected by the State or any county, city, or town, except State, county and municipal ad valorem taxes upon real or personal properties of such insurance organizations.

Sec. 1. Every group of individuals, society, association, or corporation (all of which shall be deemed included in the term "insurance organization" wherever used in this Act) transacting the business of life insurance, personal accident insurance, life and accident insurance, or health and accident insurance for profit, or for mutual benefit, or protection in this State shall on or before the first day of March of each year file its annual statement showing the gross amount of premiums collected during the year ending December 31, preceding, from persons residing or domiciled in this State on policies of insurance, and showing in separate columns the first year premiums and the renewal premiums collected on such Texas policies, and each such insurance organization, except local mutual aid associations, fraternal benefit societies, and fraternal insurance associations or societies that limit their membership to one occupation, shall pay an annual tax of three and five-tenths per cent (3.5%) of the gross amount of premiums collected during such year from persons residing or domiciled in the State of Texas on policies of insurance. Each such insurance organization shall also report to the Board of Insurance Commissioners on or before the first day of March of each year the amount that it had invested on the 31st of December, preceding, in Texas securities as defined by Article 4766 of the Revised Civil Statutes of Texas, 1925, as amended, and the amount that it had invested on said date in similar securities in the state in which it had its highest percentage of admitted assets invested, and in computing the amount of such investments in such other state it shall include as a part thereof that percentage of its investment in bonds of the United States of America purchased between December 8, 1941, and the termination of the war in which the United States is now engaged that its reserves on policies of insurance issued on the lives of persons residing or domiciled in such state are of its total reserves on all policies outstanding. If the report of such insurance organization as of December 31, preceding, shows that such organization had invested in Texas securities as defined by Article 4766 of the Revised Civil Statutes of Texas, 1925, as amended, an amount which is not less than seventy-five per cent (75%) nor more than eighty per cent (80%) of the amount that it had invested in similar securities in the state in which it then had the highest percentage of its admitted assets invested, its tax shall be three per cent (3%) of such gross premium receipts; if the report shows such insur-

Such gross premium receipts so reported shall not include premiums received from other licensed companies for reinsurance of business in Texas and there shall be no deduction for premiums paid for reinsurance. If any such insurance organization does more than one kind of insurance business, then it shall pay the tax herein levied upon the gross premiums on each kind of insurance written. The report of the gross premium receipts and the invested assets shall be made upon the sworn statement of two (2) principal officers.

Upon receipt by it of the sworn statement above provided, the Board of Insurance Commissioners shall certify to the State Treasurer the amount of taxes due by such insurance organization which shall be paid to the State Treasurer on or before the fifteenth day of March, following, and the State Treasurer shall issue his receipt therefor as evidence of the payment of such tax. Such taxes shall be for and on account of business transacted within this State during the calendar year ending December 31, in which such premiums were collected, or for that portion of the year during which the insurance organization transacted business in this State. The taxes aforesaid shall constitute all taxes and license fees collectible under the laws of this State from any such insurance organization, foreign or domestic, except, and only except unemployment compensation taxes levied under Senate Bill No. 5, passed at the Third Called Session of the Forty-fourth Legislature and amendments thereto; and the fees provided for under Article 3920 of the Revised Civil Statutes of Texas, 1925, and amendments thereto; and in the case of companies operating under Article 4742 of the Revised Civil Statutes of Texas, 1925, the deposit fees prescribed by that Article and amendments thereto; and in case of companies writing workmen's compensation insurance, the taxes otherwise provided by law on account of such business; and no other taxes shall be levied or collected by the State or any county, city, or town except State, county, and municipal ad valorem taxes upon real or personal properties of such insurance organization.

Sec. 2. This Act shall apply to the premiums collected during 1945 and subsequent years and shall not affect the obligation of any such insurance organization for the payment of any taxes that have accrued on premium receipts for insurance issued during 1944 or in prior years, but the obligation as now provided by law for the payment of such taxes shall continue in full force and effect. No such insurance organization shall receive a permit to do business in Texas until all premium taxes due by it to the State of Texas are paid.

Sec. 3. This Act shall not in any manner affect the obligation of any such insurance organization to make investments in Texas securities in proportion to the amount of Texas reserves as required by Article 4765 of the Revised Civil Statutes of Texas, 1925, as amended.

Sec. 4. Article 7064a and Article 4769 of the Revised Civil Statutes of Texas, 1925, as amended, are repealed except for the continuing obligation of any such insurance organization for the payment of any taxes that have accrued under the provisions of either of said Articles. This Act shall be cumulative of all other laws but shall repeal Article 4758, Revised Civil Statutes of 1925, as amended; and shall repeal all other laws only in so far as they levy any tax on any of the organizations affected by this Act

or otherwise conflict with this Act, except as provided herein.

Sec. 5. If any section, paragraph, sentence or clause of this Act shall be held invalid, unconstitutional, or inoperative, this shall not affect the validity of the remaining portions of this Act, but the remainder of the Act shall be given effect as if such invalid, unconstitutional, or inoperative portion had not been included.
