This volume supplements the 1948 edition of Vernon’s Texas Statutes and the 1950, 1952, 1954 and the 1956 Supplements. Many important new laws were enacted at the 1957 sessions including the new Mental Health Code and the State Purchasing Act of 1957.

The constitutional amendments approved by the voters on November 6, 1956 and November 5, 1957 are also included.

To assist the user in readily locating any article or section affected by legislation from 1949 through 1957, a special Table of Articles has been prepared and is printed on the colored pages herein.

Vernon’s Texas Statutes 1948 and Supplements are under the same classification and arrangement as Vernon’s Annotated Texas Statutes. This means that users of this popular edition may go from any article therein to the same article in Vernon’s Annotated Texas Statutes where the complete constructions of the law by the state and federal courts, as well as complete historical data relative to the origin and development of the law, are conveniently available.

The same practical features which have served to popularize the 1948 Edition, such as a complete index, tables, etc., are continued in the Supplements.

The Publisher extends appreciative thanks to the office of the Secretary of State, as well as to other state officials, for guidance and suggestions during the preparation of this work.

CONSTITUTION OF THE STATE OF TEXAS

ADOPTED

ARTICLE I
BILL OF RIGHTS

Sec. 11-a. Multiple convictions; denial of bail

Any person accused of a felony less than capital in this State, who has been theretofore twice convicted of a felony, the second conviction being subsequent to the first, both in point of time of commission of the offense and conviction therefor may, after a hearing, and upon evidence substantially showing the guilt of the accused, be denied bail pending trial, by any judge of a court of record or magistrate in this State; provided, however, that if the accused is not accorded a trial upon the accusation within sixty (60) days from the time of his incarceration upon such charge, the order denying bail shall be automatically set aside, unless a continuance is obtained upon the motion or request of the accused; provided, further, that the right of appeal to the Court of Criminal Appeals of this State is expressly accorded the accused for a review of any judgment or order made hereunder. Adopted Nov. 6, 1956.

Sec. 15-a. Commitment of persons of unsound mind

No person shall be committed as a person of unsound mind except on competent medical or psychiatric testimony. The Legislature may enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for a waiver of trial by jury, in cases where the person under inquiry has not been charged with the commission of a criminal offense, by the concurrence of the person under inquiry, or his next of kin, and an attorney ad litem appointed by a judge of either the County or Probate Court of the county where the trial is being held, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury. Adopted Nov. 6, 1956.

Tex.St.Supp. '58 XLV
§ 48a. Retirement fund; public schools, colleges and universities

Sec. 48a. In addition to the powers given the Legislature under Section 48, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the State; provided that the amount contributed by the State to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each such person by the State and/or school districts, and shall in no one (1) year exceed the sum of Five Hundred Four Dollars ($504.00) for any such person; and provided that no person shall be eligible for retirement who has not rendered ten years of creditable service in such employment, and in no case shall any person retire before either attaining the age fifty-five (55) or completing thirty (30) years of creditable service, but shall be entitled to refund of moneys paid into the fund.

The Legislature may authorize all moneys coming into such fund to be invested in bonds or other evidences of indebtedness of the United States, or of this State, or any county, city, school district, or other municipal corporation or district of this State; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State; provided a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may be provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other State pension retirement funds or direct aid from the State of Texas, unless such other State pension or retirement fund, contributed by the State, is released to the State of Texas as a condition to receiving such other pension aid; providing, however, that this section shall not amend, alter, or repeal Section 63 of Article 16 of the Constitution of Texas as adopted November, 1954, or any enabling legislation passed pursuant thereto. As amended Nov. 6, 1956.

§ 49-b. Veterans' Land Board; bond issue; Veterans' Land Fund; purchase of lands and resale to Texas veterans

Sec. 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Commissioner of the General Land Office, and two citizens of the State who shall be appointed by the Governor with the advice and consent of the Senate. The Governor shall biennially appoint one such member to serve for a term of four years, with the initial appointments to the Board under this section to be for terms of two and four years, respectively, and all subsequent appointments to be according to provisions of this section. One such appointive
member shall be well versed in veterans' affairs and the other such appointive member shall be well versed in finances. The Commissioner of the General Land Office shall act as Chairman of the Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as may be now or hereafter provided by law. The compensation for said appointive members shall be as fixed by the Legislature, and each shall make bond in such amount as may be prescribed by the Legislature. The Veterans' Land Board may issue not to exceed Two Hundred Million Dollars ($200,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now provided by law or as may hereafter be provided by law; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation. Provided, however, the portion of the Veterans' Land Fund not immediately committed for the purchase of lands may be invested in short term United States bonds or obligations until such funds are needed for the purchase of lands. The interest accruing thereon shall become a part of the Veterans' Land Fund.

All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

The lands of the Veterans' Land Fund shall be sold by the State to Texas veterans of the present war or wars, commonly known as World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

All monies received and which have been received under the Constitutional Amendment as adopted by the people of Texas at the election held on November 13, 1951, and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans of World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such monies as may be necessary during the period ending December 1, 1959, to pay the principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board, shall be set aside for that purpose. After De-
December 1, 1959, all monies received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of bonds heretofore issued and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total Two Hundred Million Dollars ($200,000,000) of bonds herein authorized, the sum of One Hundred Million Dollars ($100,000,000) has heretofore been issued; said bonds heretofore issued are hereby in all respects validated and declared to be obligations of the State of Texas.

The additional bonds herein authorized may be sold in such installments as deemed necessary and advisable by the Veterans' Land Board. All monies received from the sale of land and for interest on deferred payments on land purchased with the proceeds of such additional bonds, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans, as herein provided, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds provided for herein, for a period ending December 1, 1965; provided, however, that so much of such monies as may be necessary to pay interest on the additional bonds herein provided for shall be set aside for that purpose. After December 1, 1965, all monies received by the Veterans' Land Board from the sale of the lands and interest on payments, or so much thereof as may be necessary, shall be set aside for the retirement of said additional bonds and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

This amendment shall be effective on and after January 1, 1957. As amended Nov. 6, 1956.

§ 49—c. Texas Water Development Board; bond issue; Texas Water Development Fund

There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under this provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars ($100,000,000). The Legislature of Texas, upon two-thirds (2/3) vote of the elected Members of each House, may authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars ($100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be called "Texas Water Development Bonds," shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such install-
ments as the Board finds feasible and practical in accomplishing the purpose set forth herein.

All moneys received from the sale of State bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

Such fund shall be used only for the purpose of aiding or making funds available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1982 moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water Development Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds. No grant of financial assistance shall be made under the
provisions of this Section after December 31, 1982, and all moneys there­after received as repayment of principal for financial assistance or as interest thereon shall be deposited in the interest and sinking fund for the State bonds; except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside; and pro­vided, that after all State bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund.

All bonds issued hereunder shall after approval by the Attorney Gen­eral, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitu­te general obligations of the State of Texas under the Constitution of Texas.

Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature.

§ 51a. Payment of assistance to needy aged, needy blind and needy children

The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

(1) Needy aged persons who are actual bona fide citizens of Texas and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application; provided that the max­imum payment per month from state funds shall not be more than Twenty-five Dollars ($25) per person; and provided further that no payment in excess of Twenty-one Dollars ($21) shall be paid out of state funds to an individual until and unless such additional amounts are matched by the Federal Government.

(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assis­tance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas at least five (5) years during the nine (9) years immediately pre­ceding the application for such assistance and continuously for one (1) year immediately preceding such application.

(3) Needy children who are actual bona fide citizens of Texas and are under the age of sixteen (16) years; provided that no such assistance shall be paid on account of any child over one (1) year old who has not continuously resided in Texas for one (1) year immediately preceding the application for such assistance, or on account of any child under the age of one (1) year whose mother has not continuously resided in Texas for one (1) year immediately preceding such application.

The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not inconsistent with restrictions herein set forth; provided how-
ever, that the amount of such assistance out of state funds to each person assisted shall never exceed the amount so expended out of federal funds; and provided further, that the total amount of money to be expended out of state funds for such assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-seven Million Dollars ($47,000,000) per year.

The Legislature shall enact appropriate laws to make lists of the recipients of aid hereunder available for inspection.

Supplementing legislative appropriations for assistance payments authorized by this section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning December 1, 1957 and ending August 31, 1959: Four Million, Nine Hundred Thousand Dollars ($4,900,000) for Old Age Assistance, One Hundred, Seventy-Five Thousand Dollars ($175,000) for Aid to the Blind, and Five Hundred, Twenty-five Thousand Dollars ($525,000) for Aid to Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments and otherwise shall be subject to the provisions of currently existing laws making allocations and appropriations for these purposes.

§ 51-b. Assistance for totally and permanently disabled individuals

Sec. 51-b. The Legislature shall have the power to provide by general laws, under such limitations and restrictions as may be deemed by the Legislature expedient, for assistance to needy individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday, who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps and not feasible for vocational rehabilitation, and who are residents of the State of Texas, who have resided in this State for at least one (1) year continuously immediately preceding the application and who have resided in the State for at least an additional five (5) years during the nine (9) years immediately preceding the application for assistance; and providing further that no individual shall receive assistance under this program for the permanently and totally disabled during any period when he is receiving old age assistance, aid to the needy blind, or aid to dependent children, nor while he is residing permanently in any completely State supported institution; and provided further that not more than Twenty Dollars ($20) a month out of State funds may be paid to any individual recipient; and provided further that the amount paid out of State funds to any individual may never exceed the amount paid to that individual out of Federal funds; and provided further that the amount paid out of State funds for assistance payments shall not exceed One Million, Five Hundred Thousand Dollars ($1,500,000) per year.

The Legislature shall have the authority to accept from the Government of the United States such financial aid for individuals who are permanently and totally disabled as that Government may offer not inconsistent with the restrictions herein provided. Added Nov. 13, 1956.

§ 51-c. Aid or compensation to persons improperly fined or imprisoned

Sec. 51-c. The Legislature may grant aid and compensation to any person who has heretofore paid a fine or served a sentence in prison, or who may hereafter pay a fine or serve a sentence in prison, under the laws
of this State for an offense for which he or she is not guilty, under such regulations and limitations as the Legislature may deem expedient. Added Nov. 6, 1956.

ARTICLE VII

EDUCATION

§ 11a. Investment of Permanent University Fund

In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in first lien real estate mortgage securities guaranteed in any manner in whole by the United States Government or any agency thereof and in such corporation bonds, preferred stocks and common stocks as the Board of Regents of The University of Texas may deem to be proper investments for said fund; and the interest and dividends accruing from the securities listed in Section 11 and Section 11a, except the portion thereof which is appropriated by the operation of Section 18 of Article VII for the payment of principal and interest on bonds or notes issued thereunder, shall be subject to appropriation by the Legislature to accomplish the purposes declared in Section 10 of Article VII of this Constitution. In making each and all of such investments said Board of Regents shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital; provided, however, that not more than fifty per cent (50%) of said fund shall be invested at any given time in corporate stocks and bonds, nor shall more than one per cent (1%) of said fund be invested in securities issued by any one corporation, nor shall more than five per cent (5%) of the voting stock of any one corporation be owned; and provided, further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting, and shall become effective upon its adoption, provided, however, that the Legislature shall provide by law for full disclosure of all details concerning the investments in corporate stocks and bonds and other investments authorized herein. Added Nov. 6, 1956.

§ 17. Tax rate for pensions and state building fund; additional tax for buildings and improvements at institutions; bonds; allocation of proceeds; maximum state tax

In lieu of the State ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars ($100) valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of Two Cents (2¢) on the One Hun-
ADOPTED AMENDMENTS   Art. 7, § 17

dred Dollars ($100) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article 3, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article 3, of the Constitution.

Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of Five Cents (5¢) on the One Hundred Dollars ($100) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three per cent (3%) per annum and shall mature serially or otherwise not later than September 1, 1968, and September 1, 1978, respectively; provided, the power to issue bonds or notes hereunder is expressly limited to a period of twenty (20) years from the effective date of this amendment; and provided further, that the Five Cent (5¢) tax hereby levied shall expire finally upon payment of all bonds or notes hereby authorized; provided, further, that the State tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars ($100) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

Funds raised from said Five Cent (5¢) tax levy for the ten-year period beginning January 1, 1958, shall be allocated by the Comptroller of Public Accounts of the State of Texas on June first of that year, based on the average long session full-time student equivalent enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, to the following State institutions of higher learning then in existence, to wit:

Texas State College for Women at Denton
Texas College of Arts and Industries at Kingsville
Texas Technological College at Lubbock
East Texas State Teachers College at Commerce
North Texas State College at Denton
Sam Houston State Teachers College at Huntsville
Southwest Texas State Teachers College at San Marcos
Stephen F. Austin State College at Nacogdoches
Sul Ross State College at Alpine
West Texas State College at Canyon
Texas Southern University at Houston
Lamar State College of Technology at Beaumont

Not later than June first of the beginning year of each succeeding ten-year period, the Comptroller of Public Accounts of the State of Texas,
based on the average long session full-time student equivalent enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, shall re-allocate, to the above-designated institutions of higher learning then in existence, all funds to be derived from said Five Cent (5¢) ad valorem tax for said ten-year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Five Cent (5¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This amendment shall be self-enacting; provided, however, it shall not become operative or effective upon its adoption so as to supersede or repeal the former provisions of this Section, but shall become so operative and effective on January 1, 1958; provided, further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any State institution of higher learning under this Section prior to the adoption of this amendment, but such notes or bonds shall be paid, both as to principal and interest, from the fund as heretofore allocated to any such institution under this Section, nor shall the provisions of this amendment affect in any way the prior allocation of the revenue for the ten-year period beginning January 1, 1948, as heretofore authorized by the provisions of Section 17 of Article VII of this Constitution as adopted August 23, 1947. Chapter 330, Acts, Regular Session, Fifty-third Legislature is repealed upon the effective date of this Amendment; but the principal and interest due on any obligations incurred by the governing boards of Lamar State College of Technology at Beaumont and of Texas Southern University at Houston under the provisions of said Chapter 330 prior to its repeal shall be paid from the allocations to Lamar State College of Technology and Texas Southern University from the funds raised by the Five Cent (5¢) ad valorem tax levy as provided in this Section, and the annual allocations to these institutions under this Section shall be first devoted to current requirements for meeting such obligations in accordance with their terms. As amended Nov. 16, 1956.

TAXATION AND REVENUE

§ 9. Maximum state tax; county, city and town levies; local road laws
Sec. 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars ($100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property tax paying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. COUNTIES

Sec. 5. City of Amarillo; Wichita County; Jefferson County; creation of hospital districts

(a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars ($100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars ($100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries ex-...

isted on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxpaying voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall such bonds be issued or such tax be levied until so approved by such voters.

The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpaying voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

Proposed by Senate Joint Resolution No. 3, Acts 1957, 55th Leg., p. 1628. For submission to the people in Nov. 1958.

All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund,
as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid.

ARTICLE 82a  ELECTIVE PROVISIONS; ADDITIONAL POWERS OF COMMISSIONER OF AGRICULTURE

Purpose of Act

Section 1. It is hereby declared to be the purpose of the Texas Legislature in the enactment of this law to grant additional powers to the Texas Commissioner of Agriculture to aid in furthering the enforcement of laws heretofore enacted, same being to eradicate menace to the cotton industry of Pectinophora Gossypiella, Saunders, commonly known as pink bollworm.

Election

Sec. 2. The cotton growers of this State shall have the opportunity to approve or reject the provisions of this Act. Immediately after the passage of this Act the Commissioner shall divide the State into districts of at least four (4) cotton-growing counties and shall designate a number for each of said districts so divided.

The Commissioner of Agriculture or his authorized agent shall upon receipt of a petition signed by not less than one hundred (100) eligible voters as hereinafter defined, establish and conduct each year the necessary election procedures and safeguards to ascertain the will of the cotton growers of the various districts to participate or not to participate under this Act. The election shall be conducted between September 1st and September 30th on the date that the Commissioner shall designate during the ginning season to determine whether the provisions of this Act shall apply for the following year. Notice of such election shall be given by publishing such notice in a newspaper or newspapers of general circulation in each county contained in the district once each week for three (3) consecutive weeks. Said elections shall be conducted and said ballots on the prescribed forms shall be collected at those polling places so designated by the Commissioner of Agriculture, which designation shall include at least one polling place in each county in the district. The election and collection of the ballots shall be conducted and supervised by representatives of the Commissioner of Agriculture on
such forms and under such rules as shall be determined by the Commissioner of Agriculture to assure a fair and just determination of the will of the growers of the district. Only cotton farmers of the district shall be eligible to vote and only one (1) vote shall be allowed for each grower regardless of the number of bales ginned or the volume of cotton grown by said grower. A grower under the terms of this Act shall be any person who has applied and received a permit to plant cotton pursuant to authority vested in the Commissioner of Agriculture under the provisions of Articles 68–82, Vernon's Civil Statutes of Texas, or who is the owner and holder of an allotment card issued by the United States Secretary of Agriculture through the County Agricultural Services and Conservation Committee.

Escrow account as security; payments into by cotton growers; forfeitures for violations; disposition of proceeds

Sec. 3. The Commissioner of Agriculture is hereby authorized to promulgate such additional rules and regulations necessary to establish a system whereby each cotton farmer in those districts approving by a majority vote under Section 2 above is required to pay into escrow account Seven Dollars and Fifty cents ($7.50) per bale of cotton grown by such cotton farmer.

The sum of Seven Dollars and Fifty cents ($7.50) per bale as herein authorized is to be deposited and to be held in escrow solely for the purpose of assuring the compliance by the permittee with the rules and regulations of the Commissioner of Agriculture and the conditions of the permit relating to planting and the destruction of cotton stalks. Under existing statutory authority of the Commissioner, applicants for growers' permits shall file such application with the Commissioner of Agriculture or his duly appointed agent on forms to be furnished by said Commissioner. These permits will authorize the planting of such cotton only during periods to be determined by the Commissioner of Agriculture. Each application for permit would provide that where a majority of growers in a district has approved the system the Commissioner of Agriculture is authorized upon receipt of such funds to deduct a portion thereof as escrow fees and to hold the balance for the benefits of the applicant until satisfactory destruction of cotton stalks has been completed. Upon satisfactory destruction of cotton stalks the grower shall be entitled to a refund of the balance of all moneys he has paid into the escrow account less the fee for escrow handling unless the grower has failed to comply with existing requirements for eradication of the pink bollworm menace within a reasonable time to be designated by the Commissioner.

Where a grower has willfully failed or refused to plow up or in other respects has not complied with the rules and regulations as promulgated by the Commissioner of Agriculture for the purposes of eradicating pink bollworm he shall forfeit that part of his Seven Dollars and Fifty Cents ($7.50) per bale contribution which he is required to pay or compensate for the plow up or conditioning of property to render same safe from pink bollworm danger. The plow up or conditioning of the property shall be under the supervision of representatives of the Commissioner of Agriculture and such funds here designated shall be used to defray the costs of plow up. Any balances remaining to the credit of the defaulting grower over and above the costs of plow up and escrow fees so provided in the Act shall revert to and be payable to the grower depositor. The purpose here being not to penalize any failures but to assure plow
up and conditioning by the grower depositor or in the event he fails or refuses to do so to provide a method whereby it can be done by the Commissioner out of these deposited funds. Any further accumulation of funds unclaimed, including unused escrow fees, shall be disbursed as the Commissioner may authorize towards research and improvement of present controls whereby the menace of pink bollworm can be eliminated. At the end of each calendar year, the Commissioner shall account for all funds received and disposed of under this program.

The Seven Dollars and Fifty Cents ($7.50) per bale surety as required herein shall be paid to a representative or authorized agent of the Commissioner of Agriculture at the gin where the cotton is ginned and at the time of ginning of each bale. Such agent or representative shall be required by the Commissioner to transfer the receipts to a depository to be selected as provided in Section 4 of this Act, such transfer to be made at least once a week.

The Commissioner is hereby authorized and instructed upon receipt of such funds to deduct as escrow fees not to exceed one per cent (1%) of the deposits received hereunder, to be expended for the purpose of paying compensation of inspectors, and defraying other necessary costs to carry out the provisions of this Act.

Selection of Depository

Sec. 4. The depository or depositories shall be any institution organized under the laws of this State or of the United States to conduct a depository or fiduciary business and which institution is domiciled in the district where the cotton growers have elected to be governed under this Act. Such depository shall be named and selected by the grower. If the grower fails to select such depository, the Commissioner of Agriculture shall make the selection.

The Commissioner of Agriculture is hereby authorized to supplement by such rules and regulations by him deemed necessary to supplement the program described herein so long as such rules and regulations are consistent with the provisions of this Act. Acts 1955, 54th Leg., p. 541, ch. 170, as amended Acts 1957, 55th Leg., p. 372, ch. 177, § 1.

Section 2 of the amendatory Act of 1957 was a severability clause.

Section 5 of the Act of 1955 was a severability clause.

Inedible eggs

Sec. 5. It shall be unlawful to sell in bulk or in containers or sub-containers eggs that are or contain inedible eggs and which are not denatured, provided that not to exceed five per cent (5%) by count of inedibles shall be permitted when eggs are going to a dealer for candling and grading or to a breaking plant for breaking purposes. In the case of eggs offered for sale uncartoned, a sign showing the proper designation of size and grade must be clearly displayed attached to the container. This sign must be distinctly legible in letters at least one (1) inch high.

(c) Any enforcement officer may while enforcing the provisions of this Act issue and enforce a written or printed "stop sale" order on any eggs held to be in violation of the Act, which shall prohibit further sales of any such eggs until such officer has evidence that the law has been complied with. In case of a dispute the egg vendor shall have the right of prompt reinspection by an authorized U. S. D. A. inspector. If upon reinspection the eggs shall fail to meet the specifications of such grades labelled, they shall be remarked or repackaged so as to meet the specifications for their grades, and the egg vendor shall be deemed to be operating in violation of the law.

(d) The Commissioner shall prescribe methods of selecting samples or lots or containers of eggs similar to methods prescribed by the United States Department of Agriculture, which shall be reasonably calculated to produce by such sampling fair representations of the entire lots or containers sampled. Any sample taken hereunder or an official certificate of the grade shall be prima facie evidence, in any court in this state, of the true condition of the entire lot in the examination of which said sample was taken.

(e) The Commissioner shall make and enforce such rules and regulations as are necessary to carrying out the provisions of this Act, provided such rules are approved in writing by the Attorney General of Texas, such approval to remain on file for public inspection.

Annual license fee; amounts; disposition

Sec. 16. The annual license fee for dealers, wholesalers, and processors shall be determined according to the average weekly volume of the month in which the licensee handled the most eggs during the preceding twelve (12) months ending on May 31st except that for a new business the fee shall be determined according to the average weekly volume of the month in which the licensee handled the most eggs through May of the first license year. In the case of a new business, a fee based on an estimate of the volume of business to be done shall be paid at the time the license is obtained, and an adjustment in the payment shall be made when the year's records are available.

cause presented by him in writing to the presiding judge of his adminis-
trative district, he shall be relieved of such assignment by such presiding
judge; provided, however, after the presentation of a written statement
denying such duty for good cause by such district judge, if the presiding
judge refuses to relieve the district judge from the assignment, the dis-
trict judge may, within five days after such refusal, petition the Chief
Justice of the Supreme Court of the State of Texas to be relieved from such
assignment for good cause, which said Chief Justice may at his discre-
tion grant or refuse.

The compensation, salaries and expenses of such judges while so as-
signed or reassigned shall be paid in accordance with the laws of the
state, except that the salary of such retired judges shall be paid out of
moneys appropriated from the General Revenue Fund for such purpose
in an amount representing the difference between all of the retirement
benefits of such judge as a retired district judge and the salary and com-
ensation from all sources of the judge of the court wherein he is as-
signed, and determined pro-rata for the period of time he actually sits as
such assigned judge. Added Acts 1957, 55th Leg., p. 1236, ch. 408, § 1.

MEMBERS OF THE STATE BAR OF TEXAS
and
Promulgated by
THE SUPREME COURT OF TEXAS
As Amended to January 22, 1957

Order of the Supreme Court dated January 22, 1957 in relation to amendments approved by members of the State Bar, deleted "Section 2 of Article III, Section 5 of Article IV, Sections 1, 2, 3, 4, 5 and 6 of Article V, Sections 1, 1a, 3 and 6 of Article VI, Section 1 of Article VII, Sections 2 and 7 of Article VIII, and Sections 1, 2, and 3 of Article X."
The order with certain exceptions, substituted new Rules, bearing the same numbers, in lieu of those deleted.

ARTICLE III—PURPOSES AND ADMINISTRATION

Section 2. Reports to Annual Meetings
The several sections and committees shall deliver to the Executive Director at least forty-five days before the annual meeting their respective reports and recommendations. Such reports and recommendations may be printed and sent to each member of the State Bar before the annual meeting, but any section or committee may present at the annual meeting any additional report or recommendation. The President, the President-Elect, and the Board may also present reports and recommendations in the same manner.

Section 6. Effect of referendum
The result of a referendum, as determined by a majority of those voting, shall control the action of the State Bar, its officers, Sections, Committees, and employees unless and until the same may be set aside, changed or modified (and then only to the extent so changed or modified) on a subsequent referendum.

ARTICLE IV—REGISTRATION AND DUES

Section 5. Suspension for Non-payment of Fees
A member in default of payment of the fee for sixty days after it is due shall be regarded as delinquent and shall be given written notice thereof by the Clerk of the Supreme Court. If the delinquent member fails to
pay such fee within thirty days thereafter, he shall cease to be a member, but shall be reinstated upon payment of the fees due at the time he ceased to be a member, together with fees for the current year and for any intervening fiscal years during which he has practiced law in the State of Texas. If at the end of ninety days after June 1, a member has not paid to the Clerk membership dues for the current year, the Clerk shall strike from the rolls of the State Bar the name of the delinquent member.

Any County or District Judge, or any Judge of any Appellate Court of this State, shall have the right, and it shall be his duty to refuse any person the privilege of practicing in such court, unless such person is currently a member of the State Bar of Texas in good standing. Any lawyer in this State whose name has been stricken from the rolls of the State Bar for non-payment of dues, and who has not been reinstated, shall not be permitted to practice law in this State, and if such lawyer does engage in the practice of law, such continued practice of law by such delinquent member shall constitute the unauthorized practice of law on the part of such person, and he may be enjoined by any court of competent jurisdiction.

ARTICLE V—OFFICERS

Section 1. Officers Named

The Officers of the State Bar of Texas shall be a President, a President-Elect, a Vice-President, a General Counsel, and an Executive Director. The President, President-Elect and Vice-President shall each serve for a term of one year, and neither shall succeed himself in office.

Section 2. How President, President-Elect, and Vice-President Elected

The State Bar shall elect annually from its membership a President-Elect and a Vice-President in the manner and form provided in Article VI, Section 3, for the election of Directors, except that the election shall be for the entire state instead of by districts. The ballots cast at any such election shall be marked and returned by the voting members and thereafter canvassed and the results declared, as prescribed in said Section 3.

At its regular January meeting each year, the Board of Directors shall nominate by majority vote not fewer than two members of the State Bar as candidates for President-Elect and not fewer than two members of the State Bar as candidates for Vice-President for the ensuing year, which nominations shall be published in the Bar Journal and by all other practicable means. All such names shall be printed on the official ballot.

Any other member's name shall be printed also on the ballot as a candidate for President-Elect or Vice-President when a petition in writing, signed by not fewer than 175 members requesting such action, is filed with the Executive Director on or before May 1. Any member may write in the names of some other member or members whose names are not printed on the official ballot, designating the order of his preference as between them, and as between them and the candidates whose names are printed on such ballot. If no candidate receives a majority of first choices, the first and second choices for each candidate shall be added together and the member receiving the highest total of first and second choices shall be declared elected.

Every such ballot for President-Elect and Vice-President shall be designated as "Official Ballot, State Bar of Texas." The ballots shall be mailed to members at the same time as ballots for the election of Directors are mailed, or a combined ballot may be used for both Officers and Directors.
Art. 5 § 2 THE STATE BAR OF TEXAS

The President-Elect shall automatically become President at the conclusion of his term as President-Elect. However, in the event of the death of the President-Elect before taking office as President, or in event that he notifies the Board of his inability or refusal to serve as President, the Vice-President shall succeed to the Presidency and the Board shall thereupon be authorized to elect a new Vice-President by a majority vote of its members.

During the interim between the adoption of these rules and the election of Officers to serve during the 1957–58 fiscal year, candidates for President shall be nominated in the manner specified above for the office of President-Elect and Vice-President, and in the ensuing election, State Bar members shall elect a President in addition to the other Officers hereinabove mentioned.

Section 3. When Officers Assume Duties

The President-Elect, Vice-President, and Directors shall take office immediately upon the adjournment of the annual meeting next after their election. The President shall take office immediately upon the adjournment of the annual meeting held at the close of his term as President-Elect.

Section 4. How Executive Director Elected

The Executive Director shall be elected by a majority vote of the Board of Directors and shall hold office during the pleasure of the Board, but his term in no event shall exceed two years. He may be re-elected as many times as the Board of Directors may choose. He shall be a member of the State Bar. The Executive Director shall also be Treasurer of the State Bar and shall receive from the Clerk of the Supreme Court all funds of the State Bar after deducting all expenses provided for in Section 7 of this Article.

Section 4a. How General Counsel Elected

The General Counsel shall be elected by a majority vote of the Board of Directors and shall hold office during the pleasure of the Board, but his term in no event shall exceed two years. He may be re-elected as many times as the Board of Directors may choose. He shall be a member of the State Bar and shall have had at least seven years’ experience in the practice of law within the State of Texas. The Board of Directors may appoint such assistants to the General Counsel as it deems necessary, such assistants to be appointed with the advice of the General Counsel.

Section 4b. Duties of the General Counsel

The duties of the General Counsel shall include all of those duties usually expected of and performed by a general counsel in private law practice. It shall be the duty of the General Counsel to expedite, coordinate, and standardize throughout all Grievance Districts of Texas the procedure, method and practice for the processing of grievance complaints and the control of unauthorized practice of law. Also, where time permits, the General Counsel and his assistants, if any, shall assist in the investigation and development of the cases of grievance and unauthorized practice matters, and may sit through and participate in the trials. The General Counsel and his assistants, if any, shall perform such other and further duties as may be directed by the Board. The Board shall fix the salaries of
Section 5. Duties of President, President-Elect, and Vice-President

The President shall preside at all meetings of the State Bar, and in his absence or inability to act, or at his request, the President-Elect or the Vice-President shall preside. Each shall perform such other duties as usually belong to his office. The President-Elect shall be an ex-officio member of all standing and special committees and shall have responsibility for coordinating the work of the various committees and sections.

Section 6. Duties of the Executive Director

The Executive Director shall be responsible for the execution of the policies and directives of the Board with reference to all activities of the State Bar, except such activities as may be made the responsibility of the General Counsel by the Board or under these rules. He shall expedite and assist in the work of all standing and special committees, and shall serve as Editor-In-Chief of the Texas Bar Journal. He shall serve as Secretary to the Board and the State Bar, performing all duties required of the Secretary by these rules and other duties usually required of a secretary and a treasurer, including such other duties as may be assigned to him by the Board of Directors. Wherever the word “Secretary” is used in these Rules, it shall be taken to mean Executive Director. The Board shall fix his salary, which shall be paid in equal monthly installments. He shall be required to execute a corporate surety bond in such amount as the Board may direct, conditioned upon the faithful performance of his duties, the premium for which shall be paid by the State Bar. All of his accounts shall be audited annually by accountants selected by the Board of Directors, and a statement of the audit shall be printed in full in the next issue of the Bar Journal following the filing of such report. The Executive Director, with the approval of the Board of Directors, may employ such administrative, stenographic, and clerical assistants as the work of his office may require, salaries to be fixed by the Board of Directors and paid out of the funds of the State Bar.

ARTICLE VI—BOARD OF DIRECTORS

Section 1. How Comprised

The Board shall consist of one Director elected from each of the Congressional Districts of this State and any additional district hereafter created. The President, President-Elect, and Vice-President of the State Bar shall be ex-officio members of the Board with the same powers and duties as those of elected members.

At the first meeting after the Directors assume office, the Board shall elect one of their own number as Chairman. He shall serve for one year and shall preside at all meetings of the Board.

Section 1a. Deleted

Section 2. Qualifications of Director; Vacancies; How Filled

Each elected Director shall be a resident of the district for which he is elected and upon removal from the district shall thereby automatically vacate his office. No member, except residents of Bexar, Dallas, Harris and Tarrant Counties, may be a candidate for director if the county of his
Art. 6 § 2  THE STATE BAR OF TEXAS 46

residence was the county of residence of the last preceding director from that district.

If there be any vacancy, the President shall appoint some member who is a resident of the district in which the vacancy exists to serve until the next regular annual election of Directors.

Each last immediate retiring President shall be a member ex-officio of the Board of Directors for one year next succeeding his retirement.

Section 3. How Chosen

Each Director of the State Bar shall be elected by the members of the Bar residing in the district which such Director is to serve.

No member's name shall be printed on the ballot as a candidate for Director unless a petition in writing requesting such action, signed by at least five per cent of the members residing in such district is filed with the Executive Director of the State Bar. Each such petition or application must be filed with the Executive Director on or before April 15 of each year after 1940.

On or before the tenth day of May of each year, the Executive Director of the State Bar shall cause to be printed a ballot for each district in which a Director is to be elected for that year. On each ballot shall be printed names of each candidate with his office address and county of residence. If the election is to fill an unexpired term, the ballot shall so specify.

The Executive Director on May 15 (unless that day be Sunday or a legal holiday, in which event, on the next following working day) of each year, shall send by first-class mail to each registered member of the State Bar residing in any district for which a Director is to be elected during that year, at his office address, a true copy of the ballot containing the printed names of the several candidates for Director for that district.

Each member shall indicate the order of his preference as between the several candidates on the ballot by placing a figure following each name beginning with the figure “1” for his first choice, then “2” for his second choice, and so on through the list. Any member may write in the names of other qualified member or members as his first or subsequent choice for Director and following with his order of preference as between him, or them, and the candidates whose names are printed on the ballot. Any such ballot shall be counted and tallied the same as if the ballot had been cast by merely indicating a preference as between those whose names were printed thereon. Where there are more than two nominees for the same office, no ballot shall be counted unless the voter indicates at least his first and second choice preferences. However, when there are not more than two nominees for an office and there are an insufficient number of write-in votes to vary the result when the foregoing rule is applied, then all ballots which clearly indicate the preference of the voter as between the two original nominees listed on the ballot may be counted, irrespective of the method adopted by the voter in marking his ballot.

The Board shall adopt such further regulations as they may deem advisable to insure the validity and secrecy of ballots. The member shall return his ballot in accordance with any such regulations adopted by the Board, and within fifteen days after the ballot has been mailed and postmarked at the city of the principal office of the State Bar. Otherwise, the ballot shall not be counted.

The Executive Director shall keep the ballots unopened in a safe container under private lock until the day following the deadline for voting. Thereafter, he, together with the Clerk of the Supreme Court, and such assistants as they may require and designate, shall count and tally all
voters cast in all the several districts, but the final count shall not be announced until June 5 (or the next succeeding working day if June 5 be Sunday or a legal holiday). The person receiving the majority of first choice votes in each district shall be declared elected Director for that district for the succeeding term. If no candidate receives a majority of first-choice votes, the candidate receiving the highest total of first and second-choice votes added together shall be declared elected Director for such district for the ensuing term.

The Executive Director shall certify officially to all such results and shall immediately mail copies of his certificate to the President of the State Bar, to the Chairman of the Board, and to the Clerk of the Supreme Court.

If the final result of any election shall be a tie vote between the two candidates remaining after all others have been eliminated in the count of ballots as hereinabove provided, the Executive Director shall certify both names to the Board of Directors, whereupon such Board shall immediately break the tie by designating which of the two candidates shall serve, and the Board shall notify both candidates, the Executive Director, and the Clerk of the Supreme Court of its decision.

All Directors when elected shall assume office immediately after adjournment of the annual meeting next after their election. All expenses reasonably incident to holding, canvassing, and declaring the results of the elections for Directors referred to in this Article shall be paid out of State Bar funds.

Section 4. Staggered Terms

At the first meeting of the Board of Directors after this amended rule is adopted and becomes effective (but not earlier than the September 1948 meeting) the eleven newly-elected Directors shall draw for three-year terms and two-year terms, the seven newly-elected Directors drawing three-year terms to serve for one year beyond the two-year term for which they were elected and the remaining four such Directors to serve for the balance of the two-year term to which elected. Likewise, the Directors whose terms under the former rule would expire in 1949 shall draw for three-year and two-year terms, the three Directors drawing three-year terms to serve for one year beyond the two years for which they were elected. In 1949 Directors shall be elected in the Districts of the remaining seven Directors and each of the seven so elected, as well as each Director thereafter elected at any annual election for Directors shall serve for a term of three years unless he shall be elected or appointed to fill an unexpired term, in which event he shall serve for the unexpired term only.

In any event any additional Congressional District is hereafter created, a Director therefor shall be elected at the next ensuing annual election for Directors for a three-year term. No Director who has served for three years shall succeed himself.

Section 4a. Removal of Directors

If any Director should, as determined by the Board of Directors, become incapacitated from performing his duties as Director, or if any Director should be absent from any two consecutive regular meetings of the Board of Directors or from a total of any four meetings, without cause deemed adequate by the Board of Directors, he may be removed by the Board of Directors at any regular meeting by resolution declaring his position vacant.
ARTICLE VII—COMMITTEES AND SECTIONS

Section 1. Creation; Membership; Officers
The Board of Directors shall create from time to time such committees and sections as it may deem advisable and necessary and shall define powers and functions. As soon as practicable after the close of each fiscal year, the incoming President, with the advice and consent of the Board of Directors, shall appoint the members of all such committees for the ensuing year. Officers of sections shall be elected by such sections at the annual meeting.

ARTICLE VIII—MEETINGS OF STATE BAR

Section 1. Time and Place of Annual Meeting
The annual meeting of the State Bar shall be held between June 15th and July 15th of each year at a time and place to be determined by vote of the Board of Directors at its regular January meeting preceding. The Board of Directors may at any regular or special meeting prior to the holding of an annual meeting change the date (within the above period of time) or the place of, or cancel, such annual meeting for that year.

Section 2. Program for Annual Meetings
The program for the annual meeting shall be prepared by the President, with the advice and consent of the Board of Directors. Programs for each section meeting, to be held in conjunction with the annual meeting of the State Bar, shall be prepared by the presiding officer of each section with the advice and consent of the President of the State Bar and the Board of Directors. All programs shall be submitted to the Board for approval at its regular April meeting preceding the annual meeting.

Section 7. Rules to Govern Proceedings
All proceedings at any meeting of the State Bar shall be governed by Roberts’ Rules of Order, unless and until any rules therein contained may be superseded by other rules adopted by majority vote at an annual meeting; provided, however, that any new rule adopted by an annual meeting shall not be effective until the following annual meeting.
ARTICLE X—FISCAL

Section 1. Budget Committee

There is hereby created a Budget Committee, and its membership shall consist of the President of the State Bar, who shall be ex-officio Chairman, the President-Elect, the Vice-President, the Chairman of the Board, and two members of the Board of Directors to be appointed by the President, and who shall serve for one year.

Section 2. Annual Budget

It shall be the duty of the Budget Committee to advise with and assist the Executive Director in the preparation of the annual budget for the State Bar for the fiscal year, next after their appointment. The budget shall be fully prepared and ready for consideration by the Board of Directors at its regular April meeting in each year. The Board may amend the budget as it deems proper, but the budget, whether amended or not, shall be approved by the Board at its April meeting. The budget shall itemize all purposes for which warrants may be issued against State Bar funds for the ensuing fiscal year and shall show the total amounts which may be expended for each purpose, and no warrants may be drawn for any purpose after the total amount allocated thereto shall have been exhausted.

The budget may be amended at any time, to meet any unforeseen emergency, by two-thirds vote of the members present at any regular or special meeting of the Board of Directors. Each amendment shall specify the items and purposes for which additional expenditures are allowed and specify the total amount additionally allocated to each purpose.

Section 3. Bar Warrants; How and for What Purposes Drawn

No warrant on account of the State Bar of Texas shall be drawn against State Bar funds, nor paid out of the funds, unless the warrant is countersigned by the Executive Director, the President, or the Vice-President. The Executive Director shall see that no warrant is so drawn and issued except to pay some item of expense authorized in the annual budget, or some amendment thereto; and that no warrant is drawn, if its payment shall overdraw the amount allocated by the budget or its amendments to the payment of that item. Each warrant shall specify thereon what item of expenditure it is drawn to pay.

The Board of Directors and Officers of the State Bar shall be without authority to make any contract or incur any debt that cannot be paid from the receipts for the current year, except with the concurrent approval obtained by referendum of all members of the State Bar and the Supreme Court.

Any violation by the Executive Director of the terms of this Section, or neglect by him to perform the duties imposed by this Section, shall constitute a breach of trust and he shall be liable therefor on his bond to the State Bar.
ARTICLE XII

DISCIPLINE OF MEMBERS

UNAUTHORIZED PRACTICE OF LAW

The sections of original Article XII are repealed and new sections 1 to 96, inclusive, are substituted therefor.

A. GRIEVANCE COMMITTEES

Section 1. Grievance Committee Districts

Each Congressional District shall have one or more Grievance Committees as hereinafter set forth. At the first meeting of the Board of Directors after adoption of this amendment, the Board, with the advice of the Director for each Congressional District, shall determine whether the duties of a Grievance Committee can be performed effectively by one committee for the entire district, or whether the same should be divided into two or three Grievance Committee Districts; and where more than one such district is deemed in order, the Board shall create such districts, naming the county or counties to be included in each. The Board shall have the power to change the boundaries of such districts, and to create new ones, from time to time, as may be required by virtue of Congressional redistricting, or for other good reason.

Section 2. Grievance Committee Districts, Designation of

The Grievance Committee Districts shall be designated according to the Congressional Districts, that is, for example, "Grievance Committee District No. 5", corresponding with Congressional District No. 5, and where there shall be more than one committee for the Congressional District, the designation, for example, shall be "Grievance Committee District No. 21-A" (or 21-B, or 21-C).

Section 4. Appointment and Tenure of Grievance Committee Members

The President, upon recommendation of the Director, shall appoint the members of the Grievance Committee or Committees for the Congressional District. Each member of a Grievance Committee shall be a resident of the Grievance Committee District for which he is appointed. Except as hereinafter provided, each member shall serve for a term of three years, beginning with the adjournment of the annual meeting of the State Bar.

All members shall be eligible to re-appointment.

The President and Directors shall give precedence to Grievance Committee appointments, and notice of the appointments, when made, shall be given the appointees, the holdover members, and the retiring members, of the Committee. Delay in making appointments shall not deprive the
Committee of its power to act, and retiring members shall continue to hold office pending the organization meeting of the new committee.

In making appointments for the first time after this amended rule has been adopted and become effective, or after Congressional re-districting, or after change in boundaries of districts, the President shall specify which members of the Committee whose terms have not expired shall serve for one more year, which for two more years, and which, if any, shall serve for three more years, and likewise with reference to appointments then being made, which members shall serve for one, two, or three years, to the end that thereafter the terms of approximately one-third of the Committee shall expire each year.

Section 5. Organization of Grievance Committees and Quorum

It shall be the duty of the Director to call promptly the first meeting of the Grievance Committee or Committees in his District and to preside until after the Committee shall have elected its own Chairman. A majority of the Committee shall constitute a quorum for all purposes.

Section 6. Disqualification of Members

If a matter shall arise before a Committee where the Committee considers one or more of the members disqualified to act, such member or members shall be excluded from further participation therein, and if the Chairman, or a majority of the remainder of the Committee, shall be of the opinion that one or more temporary members should be appointed to act in his or their stead, the President shall make such appointment on request, to be effective only so far as concerns the matter in question.

B. GRIEVANCE COMMITTEE ACTION ON COMPLAINTS

Section 7. “Complaint” and “Formal Complaint” Distinguished

The term “complaint” shall embrace all complaints brought before a Grievance Committee, whether verbally or in writing. By “Formal Complaint” is meant the pleading by which a disciplinary action is instituted by a Grievance Committee in District Court.

Section 8. Professional Misconduct, What Constitutes

For the purpose of these rules, professional misconduct shall include the following:

(a) Barratry, as defined by the laws of this State, malpractice, or any fraudulent or dishonorable conduct, whether or not connected with the practice of law, regardless of the fact that such act or acts may constitute an offense under the Penal Code of this State, and regardless of whether the accused attorney is being prosecuted for, or has been convicted of, or has been acquitted of, the violation of such penal provision.

(b) Any willful violation of any Canon of Ethics contained in these rules or amendments thereto.

Section 10. Four-year Limitation Rule and Exceptions

Except in cases where disbarment is compulsory under Section 9, no member shall be reprimanded, suspended, or disbarred for misconduct occurring more than four years prior to the time of filing of a complaint with the Grievance Committee; but limitation will not run where fraud or concealment is involved until such misconduct is discovered or should have been discovered by reasonable diligence. The complaint shall be considered as filed when made in writing to the Committee or any member thereof.

In cases where the accused attorney has been found guilty of professional misconduct, evidence may be introduced after the close of the trial, relating to misconduct otherwise barred by limitation, for consideration in determining the punishment to be decreed.

Section 11. Complaints, Filing of

It shall be the duty of each District Grievance Committee and its members to receive complaints of professional misconduct, alleged to have been committed by an attorney within the district, or by an attorney having his office or residence therein; and each Committee member shall report to his committee any case of professional misconduct which shall come or be brought to his attention. The Committee may, in any case, require a sworn statement setting forth the matter complained of as a condition to taking further action.

Section 12. Complaints, Investigation of

The Committee shall make such investigation of each complaint as it may deem appropriate under the circumstances of the case, preliminary to taking action as set forth under Section 16. In conducting a hearing as a part of any investigation, the Committee may require testimony to be given under oath or affirmation. The name of the accused member and the proceedings shall be kept private, so far as is consistent with development of the facts. Where the complaint appears to be of such nature as will not call for disciplinary action and can probably be dismissed without the necessity of hearing the accused attorney, the Committee need not notify him of the filing of the complaint.

Such notices shall be issued at the request of the Committee, or the accused attorney, but in the latter case without expense to the State Bar. Such notice must be in writing and signed by the presiding member of the
Committee, and shall notify the witness of the time and place he is to appear. If the witness is commanded to produce documentary or other evidence, the notice shall contain a brief description of such evidence.

Section 15. Examination of Witness before District Judge; Procedure

If any witness, other than the accused attorney, after such notice has been given, fails or refuses to appear before the Committee, or to produce books, papers, documents, letters, or other evidence described in the notice, or refuses to be sworn, or testify, or if a witness is not a resident of, or is not to be found in, the county in which the hearing is being held, such witness shall be compelled by a Judge of any district court to appear and testify at a hearing before such judge in the same manner as witnesses may be compelled to appear and testify in a civil suit in the district court. Application for such hearing may be filed by any party to such proceeding in any district court of the county in which such witness resides or may be found. The judge shall fix by order a time and place for such hearing and shall provide for such notice to the Grievance Committee and the accused attorney as he deems proper. If such witness fails to appear, or testify, or produce such documentary or other evidence as may be requested, he shall be punished as in cases of contempt.

Section 16. Complaints, Action on, after Investigation

At the conclusion of its investigation, the Committee shall take action on the complaint in one of the following ways:

(a) If the Committee shall be of the opinion that no disciplinary action is warranted, it shall dismiss the complaint and notify the complainant, and the accused attorney also, if he shall have had notice of the complaint.

(b) If, in a case where the accused has had notice of the complaint and opportunity to be heard, the Committee shall decide that he should be reprimanded, the reprimand shall be reduced to writing. At its discretion, the Committee may require the accused to appear before it for delivery of the reprimand, or it may send copy thereof to him by registered mail; and it shall determine what publicity, if any, shall be given the reprimand.

If the accused shall deem the reprimand unwarranted, he may, within ten days after delivery or mailing thereof, file suit in the district court of the county of his residence to set the same aside, failing which, the reprimand shall become final, and a copy thereof, together with a copy of the complaint, shall be mailed to the Clerk of the Supreme Court, also to the Secretary of the State Bar, and a memorandum of the reprimand shall be made on the membership rolls kept by said Clerk. At the discretion of the Committee, a third copy of the reprimand may be delivered to the Clerk of the District Court of the residence or office address of the attorney for entry upon the minutes of the court.

Copies of the judgment, together with copies of the complaint, shall be mailed to the Secretary of the State Bar, the Clerk of the Supreme Court, and the Clerk of the District Court of the county of residence of the accused, in the last case for entry upon the minutes of court. (3) The right to sell or re-sell such securities has not been enjoined by any court of competent jurisdiction in this state by proceedings instituted by an officer or agency of this state charged with enforcement of this Act; and

(4) The right to sell such securities has not been revoked or suspended by the Commissioner under any of the provisions of this Act, or, if so, such revocation or suspension is not in force and effect; and

(5) At the time of such sale, information as to the issuer of such securities shall appear in either Moody's, Standard and Poors, or Fitch, or in a nationally distributed manual of securities approved for use hereunder by the Commissioner; or the information is furnished in writing to the Commissioner in form and extent acceptable to the Commissioner; such information either in the manual, or other form, shall include at least a statement of the issuer's principal business, a statement of the assets and liabilities of such issuer as of a date not more than eighteen (18) months prior to the date of such sale, and a net income and dividend record of such issuer for a period of not less than three (3) complete fiscal years ended not more than eighteen (18) months next prior to the date of such sale or for the period that the issuer has actually been engaged in business if the issuer has been in business for less than three (3) years; and

(6) At the time of such sale, the issuer of such securities shall be a going concern actually engaged in business and shall then be neither in an organization stage nor in receivership or bankruptcy.

The Commissioner may by order revoke or suspend the exemption under this subsection O with respect to any security if he has reasonable cause
to believe that the plan of business of the issuer of such security, the security, or the sale thereof, would tend to work a fraud or deceit upon any purchaser or purchasers thereof, such order to be subject to review in the manner provided by Section 24 of this Act. Notices of any court injunction enjoining the sale, or resale, of any such security, or of any order revoking or suspending the exemption under this subdivision with respect to any security, shall be delivered or shall be mailed by ordinary mail, or by registered mail with return receipt requested, to any dealers believed to be selling, or offering for sale, securities of the type referred to in the notice; and the prohibitions of (3) and (4) above of this subsection shall be inapplicable to any dealer until he has received actual notice from the Commissioner of such revocation or suspension;

P. The execution by a dealer of an unsolicited order for the purchase of securities, where the initial offering of such securities has been completed and provided that the dealer acts solely as an agent for the purchaser, has no direct or indirect interest in the sale or distribution of the security ordered, and receives no commission, profit, or other compensation from any source other than the purchaser;

Acts 1957, 55th Leg., p. 575, ch. 269, § 5.

Art. 581—6. Exempt Securities

Except as hereinafter in this Act expressly provided, the provisions of this Act shall not apply to any of the following securities when offered for sale, or sold, or dealt in by a registered dealer or salesmen of a registered dealer:

A. Any security issued or guaranteed by the United States or by any territory or insular possession thereof, or by the District of Columbia, or by any state or municipal corporation or political subdivision thereof or by any public agency or instrumentality of any of the foregoing;

B. Any security issued or guaranteed by any foreign government with which the United States is at the time of the sale, or offer of sale thereof, maintaining diplomatic relations, or by any state, province or political subdivision thereof having the power of taxation or assessment, which security is recognized at the time it is offered for sale in this state as a valid obligation by such foreign government or by such state, province, or political subdivision thereof issuing the same; provided, however, such securities must be on the list approved by the Securities and Exchange Commission of the United States;

C. Any security issued by and representing an interest in or a direct obligation of a national bank, or of a government agency created or existing by an Act of the Congress of the United States other than corporations created or existing under the Code of Laws for the District of Columbia or under the Code of Laws for any territory or possession of the United States;

D. Any security issued or guaranteed either as to principal, interest, or dividend, by a corporation owning or operating a railroad or any other public service utility; provided, that such corporation is subject to regulation or supervision either as to its rates and charges or as to the issue of its own securities by the Railroad Commission of Texas, or by a public commission, agency, board or officers of the Government of the United States, or of any territory or insular possession thereof, or of any state or municipal corporation, or of the District of Columbia, or of the Dominion of Canada, or any province thereof; also equipment trust certificates or

E. Any security issued and sold by a domestic corporation without capital stock and not organized and not engaged in business for profit;

F. Securities which at the time of sale have been fully listed upon the American Stock Exchange, the Boston Stock Exchange, the Midwest Stock Exchange or the New York Stock Exchange, or upon any recognized and responsible stock exchange approved by the Commissioner as herein-after in this section provided, and also all securities senior to, or if of the same issues, upon a parity with, any securities so listed or represented by subscription rights which have been so listed, or evidence of indebtedness guaranteed by any company, any stock of which is so listed, such securities to be exempt only so long as the exchange upon which such securities are so listed remains approved under the provisions of this section. Application for approval by the Commissioner may be made by any organized stock exchange in such manner and upon such forms as may be prescribed by the Commissioner, but no approval of any exchange shall be given unless the facts and data supplied with the application shall be found to establish:

(1) That the requirements for the listing of securities upon the exchange so seeking approval are such as to effect reasonable protection to the public;

(2) That the governing constitution, by-laws or regulations of such exchange shall require:

1st: An adequate examination into the affairs of the issuer of the securities which are to be listed before permitting trading therein;

2nd: That the issuer of such securities, so long as they be listed, shall periodically prepare, make public and furnish promptly to the exchange, appropriate financial, income, and profit and loss statements;

3rd: Securities listed and traded in on such exchange to be restricted to those of ascertained, sound asset or income value;

4th: A reasonable surveillance of its members, including a requirement for periodical financial statements and a determination of the financial responsibility of its members and the right and obligation in the governing body of such exchange to suspend or expel any member found to be financially embarrassed or irresponsible or found to have been guilty of misconduct in his business dealings, or conduct prejudicial of the rights and interests of his customers;

The approval of any such exchange by the Commissioner shall be made only after a reasonable investigation and hearing, and shall be by a written order of approval upon a finding of fact substantially in accordance with the requirements hereinabove provided. The Commissioner, upon ten (10) days notice and hearing, shall have power at any time to withdraw approval theretofore granted by him to any such stock exchange which does not at the time of hearing meet the standards of approval under this Act, and thereupon securities so listed upon such exchange shall be no longer
entitled to the benefit of such exemption except upon the further order of said Commissioner approving such exchange;

G. Any security issued or guaranteed by or representing an interest in or a direct obligation of a state bank incorporated under the laws of and subject to the examination, supervision and control of any state or territory of the United States or any insular possession thereof; or issued or guaranteed by any building and loan association or savings institution under the control of the Banking Department of this state;

I. Notes, bonds, or other evidence of indebtedness or certificates of ownership which are equally and proportionately secured without reference of priority of one over another, and which, by the terms of the instrument creating the lien, shall continue to be so secured by the deposit with a trustee of recognized responsibility approved by the Commissioner of any of the securities specified in subsections A or D, or of any of the securities, other than stock, specified in subsection B of this Section 6; such deposited securities, if of the classes described in subsections A and B hereof, having an aggregate par value of not less than one hundred and ten per cent (110%) of the par value of the securities thereby secured, and if of class specified in subsection D hereof, having an aggregate par value of not less than one hundred and twenty-five per cent (125%) of the par value of the securities thereby secured;

Art. 581—7. Permit or Registration for Issue by Commissioner; Information for Issuance of Permit or Registration

A. Qualification of Securities.

(1) No dealer, agent or salesman shall sell or offer for sale any securities issued after September 6, 1955, except those which shall have been registered by Notification under subdivision B or by Coordination under subdivision C of this Section 7 and except those which come within the classes enumerated in subdivisions A to P, both inclusive, of Section 5 of this Act, or subdivisions A to K, both inclusive, of Section 6 of this Act, until the issuer of such securities or a dealer registered under the provisions of this Act shall have been granted a permit by the Commissioner; and no such permit shall be granted by the Commissioner until the issuer of such securities or a dealer registered under the provisions of this Act shall have filed with the Commissioner a sworn statement, verified under the oath of an executive officer or partner of the issuer, or of such registered dealer, and attested by the secretary or partner thereof, setting forth the following information:

a. The names, residences and post office addresses of the officers and directors of the company;

b. The location of its principal office and of all branch offices in this state, if any;
c. A copy of its articles of incorporation or partnership or association, as the case may be, and of any amendments thereto, if any; if a corporation, a copy of all minutes of any proceedings of its directors, stockholders or members relating to or affecting the issue of said security; if a corporation, a copy of its by-laws and of any amendments thereto; if a trustee, a copy of all instruments by which the trust is created and in which it is accepted, acknowledged or declared;

d. A statement showing the amount of capital stock, if any, and if no capital stock, the amount of capital of the issuer that is contemplated to be employed; the number of shares into which such stock is divided, or if not divided into shares of stock, what division is to be made or is contemplated; the par value of each share, or if no par stock, the price at which such security is proposed to be sold; the promotional fees or commissions to be paid for the sale of same, including any and all compensations of every nature that are in any way to be allowed the promoters or allowed for the sale of same; and how such compensation is to be paid, whether in cash, securities, service or otherwise, or partly of either or both; also, the amount of cash to be paid, or securities to be issued, given, transferred or sold to promoters for promotion or organization services and expenses, and the amount of promotion or organization services and expenses which will be assumed or in any way paid by the issuer;

e. Copies of certificates of the stock and all other securities to be sold, or offered for sale, together with application blanks therefor; a copy of any contract it proposes to make concerning such security; a copy of any prospectus or advertisement or other description of security prepared by or for it for distribution or publication;

f. A detailed statement prepared in accordance with generally accepted auditing standards and procedures and generally accepted accounting principles, showing all the assets and all the liabilities of the issuer, said statement to reflect the financial condition of the issuer on a day not more than ninety (90) days prior to the date such statement is filed. Such statement shall list all assets in detail and shall show how the value of such assets was determined, that is, whether the value set forth in said statement represents the actual cost in money of such assets, or whether such value represents their present market value, or some other value than the actual cost in money, and shall show the present actual value of said assets; also, whether the value set forth in the statement is greater or less than the actual cost value in money and greater or less than the present market value of such assets. If any of the assets consist of real estate, then said statement shall show the amount for which said real estate is rendered for state and county taxes, or assessed for taxes. If any such assets listed shall consist of anything other than cash and real estate, same shall be set out in detail so as to give the Commissioner the fullest possible information concerning same, and the Commissioner shall have the power to require the filing of such additional information as he may deem necessary to determine whether or not the true value of said assets are reflected in the statement filed. Should any of the assets listed in said statement be subject to any re-purchase agreement, or any other agreement of like character, by the terms of which the absolute ownership of, or title to said assets is qualified or limited in any way, then the terms and conditions of said agreement by which the absolute ownership of, or title to said assets is qualified or limited, as well as the amount and character of the assets subject thereto shall be fully stated. Said state-
ment shall list all current liabilities, that is, all liabilities which will mature and become due within one year from the date of such application, and shall list separately from such current liabilities, all other liabilities, contingent or otherwise, showing the amount of those which are secured by mortgage or otherwise, the assets of the issuer which are subject to such mortgage, and the dates of maturity of any such mortgage indebtedness. Such application shall also include a detailed profit and loss statement, prepared in accordance with generally accepted auditing standards and procedures and generally accepted accounting principles, which shall cover the last three (3) years operations of the issuer, if such issuer has been in operation for three (3) years, but if not, said profit and loss statement shall cover the time that said issuer has been operating. If said issuer has not been operating, but is taking over a concern of any kind which has been previously operating, then a financial and profit and loss statement showing the operations of the concern thus taken over for a period of the last three (3) years next preceding the taking over of said concern shall be included in said statement; said profit and loss statement shall clearly reflect the amount of net profit or net loss incurred during each of the years shown.

B. Registration by Notification.

(1) Securities may be registered by notification under this subsection B if they are issued by an issuer which has been in continuous operation for not less than three (3) years and which has shown, during the period of not less than three (3) years next prior to the date of registration under this section, average annual net earnings after deducting all prior charges including income taxes except charges upon securities to be retired out of the proceeds of sale, as follows:

a. In the case of interest-bearing securities, not less than one and one-half times the annual interest charges on such securities and on all other outstanding interest-bearing securities of equal rank;

b. In the case of securities having a specified dividend rate, not less than one and one-half times the annual dividend requirements on such securities and on all other outstanding interest-bearing securities of equal rank;

c. In the case of securities wherein no dividend rate is specified, not less than five per cent (5%) on all outstanding securities of equal rank, together with the amount of such securities then offered for sale, based upon the maximum price at which such securities are to be offered for sale. The ownership by an issuer of more than fifty per cent (50%) of the outstanding voting stock of a corporation shall be construed as the proportionate ownership of such corporation and shall permit the inclusion of the earnings of such corporation applicable to the payment of dividends upon the stock so owned in the earnings of the issuer of the securities being registered by notification.

(2) Securities entitled to registration by notification shall be registered by the filing with the Commissioner by the issuer or by a registered dealer of a registration statement as required by subsection (a), and completion of the procedures outlined in subsection b hereof:

a. A registration statement in a form prescribed by the Commissioner signed by the applicant filing such statement and containing the following information:

1. Name and business address of main office of issuer and address of issuer's principal office, if any, in this state;

2. Title of securities being registered and total amount of securities to be offered;

Tex.St.Supp. '58-6
3. Price at which securities are to be offered for sale to the public, amount of securities to be offered in this state, and amount of registration fee, computed as hereinafter provided;

4. A brief statement of the facts which show that the securities are entitled to be registered by notification;

5. Name and business address of the applicant filing statement;

6. Financial statements to include a certified profit and loss statement, a certified balance sheet, and certified statements of surplus, each to be for a period of not less than three (3) years prior to the date of registration. These financial statements shall reflect the financial condition of the issuer as of a date not more than ninety (90) days prior to the date of such filing with the Commissioner;

7. A copy of the prospectus, if any, describing such securities;

8. Payment of a filing fee of Five Dollars ($5.00) and a registration fee of one-tenth of one per cent (1/10 of 1%) of the aggregate amount of securities proposed to be sold in this state based upon the price at which such securities are to be offered to the public;

9. Filing of a consent to service of process conforming to the requirements of Section 85 of this Act, if the issuer is registering the securities and is not a resident of this state or is not incorporated under the laws of this state.

b. Such filing with the Commissioner shall constitute the registration of securities by notification and such registration shall become effective five (5) days after receipt of the registration statement and all accompanying papers by the Commissioner; provided that the Commissioner may in his discretion waive or reduce the five (5) days waiting period in any case where he finds no injury to the public will result therefrom. Upon such registration by notification, securities may be sold in this state by registered dealers and registered salesmen. Upon the receipt of a registration statement, prospectus, if any, payment of the filing fee and registration fee, and, if required, a consent to service of process, the Commissioner shall record the registration by notification of the securities described. Such registration shall be effective for a period of one (1) year and may be renewed for additional periods of one (1) year, if the securities are entitled to registration under this subsection at the time of renewal, by a new filing under this section together with the payment of the renewal fee of Ten Dollars ($10.00).

c. If at any time, before or after registration of securities under this section, in the opinion of the Commissioner the information in a registration statement filed with him is insufficient to establish the fact that the securities described therein are, or were, entitled to registration by notification under this section, or that the registration information contains, or contained, false, misleading or fraudulent facts, he may order the applicant who filed such statement to cease and desist from selling, or offering for sale, such securities registered, or proposed to be registered, under provisions of this section, until there is filed with the Commissioner such further information as may in his judgment be necessary to establish the fact that such securities are, or were, entitled to registration under this section. The provisions of Section 246 of this Act as to hearing shall be applicable to an order issued hereunder.

C. Registration by Coordination.

(1) Any security for which a registration statement has been filed under the Federal Securities Act of 1933, as amended, in connection with the same offering, may be registered by coordination. A registration statement under this section shall be filed with the Commissioner by the

issuer or any registered dealer and shall contain the following information and be accompanied by the following documents:

a. Three copies of the prospectus filed under the Federal Securities Act together with all amendments thereto;

b. The amount of securities to be offered in this state;

c. The states in which a registration statement or similar document in connection with the offering has been or is expected to be filed;

d. Any adverse order, judgment or decree previously entered in connection with the offering by any court or the Securities and Exchange Commission;

e. A copy of the articles of incorporation and by-laws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

f. If the Commissioner requests any other information, or copies of any other documents, filed under the Federal Securities Act of 1933;

g. An undertaking to forward promptly all amendments to the federal registration statement, other than an amendment which merely delays the effective date;

h. Payment of a filing fee of Five Dollars ($5.00) and a registration fee of one-tenth of one per cent (\(\frac{1}{10}\%\)) of the aggregate amount of securities proposed to be sold in this state based upon the price at which such securities are to be offered to the public; and

i. If the registration statement is filed by the issuer, or by a dealer who will offer such securities for sale as the agent of the issuer, and the issuer is not a resident of this state or is not incorporated under the laws of this state, a consent to service of process conforming to the requirements of Section 8.

(2) Upon receipt of a registration statement under this section the Commissioner shall examine such registration statement and he may enter an order denying registration of the securities described therein if he finds that the registrant has not proven the proposed plan of business of the issuer to be fair, just and equitable, and also that any consideration paid, or to be paid, for such securities by promoters is fair, just and equitable when such consideration for such securities is less than the proposed offering price to the public, and that the securities which it proposes to issue and the methods to be used by it in issuing and disposing of the same will be such as will not work a fraud upon the purchaser thereof. If the Commissioner enters an order denying the registration of securities under this section, he shall notify the registrant immediately. The provisions of Section 24 of this Act as to hearing shall be applicable to an order issued hereunder. A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied:

a. No order has been entered by the Commissioner denying registration of the securities;

b. The registration statement has been on file with the Commissioner for at least ten (10) days; and

c. A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two full business days or such shorter period as the Commissioner expressly permits and the offering is made within those limitations. The registrant shall promptly notify the Commissioner by
telephone or telegram of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and shall promptly file a post-effective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the Commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this subsection, if he promptly notifies the registrant by telephone or telegram (and promptly confirms by letter or telegram when he notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of this subsection as to notice and post-effective amendment, the stop order is void as of the time of its entry. The Commissioner may waive either or both of the conditions specified in clauses b and c. If the federal registration statement becomes effective before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all the conditions are satisfied. If the registrant advises the Commissioner of the date when the federal registration statement is expected to become effective the Commissioner shall promptly advise the registrant by telephone or telegram, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the issuance of an order denying registration; but this advice by the Commissioner does not preclude the issuance of such an order at any time.

(3) Registration of securities under this subsection shall be effective for a period of one (1) year and may be renewed for additional periods of one (1) year, if a renewal fee of Ten Dollars ($10.00) is paid, and if the securities are entitled to registration at the time of renewal by the same standards of fairness, justice and equity as prescribed by this subsection for original approval. Acts 1957, 55th Leg., p. 575, ch. 269, § 7.

Art. 581—8. Consent to Service and Certificate of Good Standing

If the application for a permit to sell securities be filed by an issuer, or by a dealer who will offer such securities for sale as the agent of the issuer, and the issuer is organized under the laws of any other state, territory, or government, or domiciled in any other state than Texas, such application shall also contain a certificate executed by the proper officer of such state, territory or government dated not more than thirty (30) days prior to the date of filing of the application showing that such issuer is authorized to transact business in such state, territory or government, and is not delinquent in any taxes or assessments required to be paid to such state, territory or government. Such application shall also contain a written instrument duly executed by an executive officer of such issuer, under proper resolution of its board of directors, and au-
Art. 581-9. Protection to Purchasers of Securities

A. In the event any company, as defined herein, shall sell, or offer for sale, any securities, as defined in this Act, the Commissioner, if he deems it necessary to protect the interests of prospective purchasers of such securities, may require the company so offering such securities for sale to deposit all, or any part, of the proposed securities, or all, or any part, of the moneys and funds received from the sale thereof, except such amounts thereof as the Commissioner deems necessary to be used, and not to exceed the amount allowed as expenses and commissions for the sale of such securities, to be deposited in a trust account in some bank or trust company approved by the Commissioner and doing business in the State of Texas, until such time as such proposed company or existing company shall have sold a specified monetary amount or number of shares of such securities as in his opinion will reasonably assure protection of the public. When the Commissioner makes a written finding that the terms of the escrow agreement have been fully met, the bank or trust company shall transfer such funds to the proposed or existing corporation and its executive officers for the purpose of permitting it to use such securities or money in its business. In the event such proposed or existing company shall fail within two (2) years to sell the minimum amount of capital necessary under the escrow agreement, the Commissioner may authorize, and the bank or trust company shall return to the subscribers, upon receipt of such authority from the Commissioner, that portion of the funds which were deposited or escrowed under such escrow agreement; provided, however, that any securities held by such bank or trust company under the escrow agreement shall be returned to the corporation only after the bank or trust company has received evidence of cancellation thereof from the issuer. At the time of making the deposits, as herein provided for, the dealer or issuer shall furnish to such bank or trust company, and to the Commissioner, the names of the persons purchasing or subscribing for such securities, and the amount of money paid in by each.

B. The total expenses for marketing any securities, including organization expenses, all commissions for the sale of stock or securities, and all other incidental selling expenses, shall not in the aggregate exceed twenty per cent (20%) of the price at which the stock or other securities of any proposed or existing company are to be sold, or offered for sale, to the public of this state; and this amount may be limited by the Commissioner to a less percentage which is in his opinion fair, just and equitable under the facts of the particular case.

C. In connection with any permit to sell securities the Commissioner shall require all offers for sale of said securities to be made through and by prospectus which fairly discloses the material facts about the plan of finance and business. Said prospectus shall be filed
Art. 581—10. Examination of Application; Permit

A. Commissioner to Examine Application; Grant or Deny.

Upon the filing of an application for qualifying securities under Section 7A, it shall be the duty of the Commissioner to examine the same and the papers and documents filed therewith. If he finds that the proposed plan of business of the applicant appears to be fair, just and equitable, and also that any consideration paid, or to be paid, for such securities by promoters is fair, just and equitable when such consideration for such securities is less than the proposed offering price to the public, and that the securities which it proposes to issue and the methods to be used by it in issuing and disposing of the same are not such as will work a fraud upon the purchaser thereof, the Commissioner shall issue to the applicant a permit authorizing it to issue and dispose of such securities.

Should the Commissioner find that the proposed plan of business of the applicant appears to be unfair, unjust or inequitable, he shall deny the application for a permit and notify the applicant in writing of his decision.

B. Permit, Form and Contents; Term and Renewals.

Every permit qualifying securities shall be in such form as the Commissioner may prescribe, and shall recite in bold type that the issuance thereof is permissive only, and does not constitute a recommendation or endorsement of the securities permitted to be issued. Such permit shall be for a period of one (1) year; provided, however, that if the securities authorized to be sold are not sold within the term provided by the permit, a renewal application may be filed with the Commissioner. Such renewal application shall recite the total number of shares sold in Texas, the total number of shares sold elsewhere, total number of shares outstanding, and shall contain a detailed balance sheet, an operating statement, and such other information as the Commissioner may require. The Commissioner shall examine applications for renewal by the same standards as stated in subsection A of this section for original applications and upon that basis issue or deny renewal permits; such permits, if issued, shall be for a period of one (1) year and be in such form as the Commissioner may prescribe. The Commissioner shall charge such fees for the issuance of permits to sell securities as are hereinafter provided. No permit instrument need be issued if securities are registered under Sections 7B or C of this Act, but the Commissioner will examine the registration papers to determine their sufficiency under the requirements there stated.

C. Use of Permit to Aid Sale of Securities Prohibited.

It shall be unlawful for any dealer or issuer, agent or salesman, to use a permit authorizing the issuance of securities in connection with any sale or effort to sell any security. Acts 1957, 55th Leg., p. 575, ch. 269, § 10.
Art. 581—11. Papers Filed with Commissioner; Records Open to Inspection

All information, papers, documents, instruments and affidavits required by this Act \(^1\) to be filed with the Commissioner shall be deemed public records of this state, and shall be open to the inspection and examination of any purchaser or prospective purchaser of said securities or the agent or representative of such purchaser or prospective purchaser; and the Commissioner shall give out to any such purchaser or prospective purchaser or his agent or representative any information required to be filed with him under the provisions of this section, or any other part of this Act, and shall furnish any such purchaser, prospective purchaser, or his agent or representative requesting it, certified copies of any and all papers, documents, instruments and affidavits filed with him under the provisions of this section or of any part of this Act. Provided, however, this provision shall not apply to the information supplied by dealers or salesmen under Sections 13 and 18 \(^2\) in response to requirements for licenses to sell securities, which shall be confidential except for the courts or governmental agencies in the performance of official duties. But the Commissioner shall maintain a record, which shall be open for public inspection, upon which shall be entered the names and addresses of all registered dealers and salesmen and all orders of the Commissioner denying, suspending or revoking registration. Acts 1957, 55th Leg., p. 575, ch. 269, § 11.

\(^1\) Articles 581-1 to 581-39.
\(^2\) Articles 581-13, 581-18.

Art. 581—12. Registration of persons selling

Except as provided in Section 5 of this Act, \(^1\) no person, firm, corporation or dealer shall, directly or through agents or salesmen, offer for sale, sell or make a sale of any securities in this state without first being registered as in this Act \(^2\) provided. No salesman or agent shall, in behalf of any dealer, sell, offer for sale, or make sale of any securities within the state unless registered as a salesman or agent of a registered dealer under the provisions of this Act. Acts 1957, 55th Leg., p. 575, ch. 269, § 12.

\(^1\) Article 581-5.
\(^2\) Articles 581-1 to 581-39.

Art. 581—13. Method of Registration Required of Each Dealer and Each Agent or Salesman of Each Dealer

A dealer to be registered must submit sworn application therefor to the Commissioner, which shall be in such form as the Commissioner may determine and which shall state the principal place of business of the applicant wherever situated; the location of the principal place of business, and all branch offices in this state, if any; the name or style of doing business and the address of the dealer; the names, residences, and business addresses of all persons interested in the business as principals, officers, directors, or managing agents, specifying as to each his capacity and title; the general plan and character of business of such applicant and the length of time during and the places at which the dealer has been engaged in business. Such application shall also contain such additional information as to applicant's previous history, record, associations and present condition as may be required by the Commissioner, or as is necessary to enable the Commissioner to determine
whether the sale of any security proposed to be issued or dealt in by such applicant would be fraudulent or would result in fraud. Each application shall be accompanied by certificates or other evidences satisfactory to the Commissioner establishing the good repute in business of the applicant, his directors, officers, co-partners, or principals. A. If it appears to the Commissioner at any time that the sale or proposed sale or method of sale of any securities, whether exempt or not, except the sale of securities as defined in subsection A of Section 6, would not be in compliance with this Act or would tend to work a fraud on any purchaser thereof or would not be fair, just or equitable to any purchaser thereof, the Commissioner may, after notice to the issuer, the registrant and the person on whose behalf such securities are being or are to be offered, by personal service or the sending of a confirmed telegraphic notice, and after opportunity for a hearing (at a time fixed by the Commissioner) within fifteen days after such notice by personal service or the sending of such telegraphic notice, if the Commissioner shall determine at such hearing that such sale would not be in compliance with the Act or would tend to work a fraud on any purchaser thereof or would not be fair, just and equitable to any purchaser thereof, issue a written cease and desist order, prohibiting or suspending the sale of such securities or denying or revoking the registration of such securities. No dealer, agent or salesman shall thereafter knowingly sell or offer for sale any security named in such cease and desist order.

B. No dealer, agent or salesman shall publish within this state or use in connection with any sale or offer of sale any circular, advertisement, prospectus, program or other matter in the nature thereof, after notice in writing has been given him by the Commissioner that, in the Commissioner's opinion, the same contains any statement that is false or misleading or otherwise likely to deceive a reader thereof.

C. The Commissioner may, in the exercise of reasonable discretion hereunder, at any time, require a dealer to file with the Commissioner a list of securities which he has offered for sale or has advertised for sale within this state during the preceding six (6) months, or which he is at the time offering for sale or advertising, or any portion thereof. Within thirty (30) days after receipt of such request, the hearing must be held, except that the Commissioner may continue same on consent of the complaining party. The complaining party shall be given at least seven (7) days notice of the time and date of such hearing. After fair hearing, the Commissioner shall issue a written order or decision, upholding, amending, extending, or reversing the previous action, and stating reasons therefor. Notice of the time and place of any such hearing shall be sent to such dealer or salesman at least seven (7) days prior thereto. The dealer or salesman shall not be regarded as registered under the provisions hereof until restored to registration by the Commissioner, either on the Commissioner's own initiative or upon the order of the court, as in this Act hereinafter provided. The revocation of the dealer's registration shall constitute a revocation of the registration of any agent or salesman of the dealer and notice of its operation on such agent or salesman shall be forthwith sent by the Commissioner to each of such agents or salesmen. All registrations revoked shall at once be surrendered to the Commissioner upon request. Acts 1957, 55th Leg., p. 575, ch. 269, § 25.

In case of disobedience of any subpoena, or of the contumacy of any witness appearing before the Commissioner, the Commissioner may invoke the aid of the District Court within whose jurisdiction any witness may be found, and such court may thereupon issue an order requiring the person subpoenaed to obey the subpoena or give evidence, or produce books, accounts, records, papers, and correspondence touching the matter in question. Any failure to obey such order of the court may be punished by such court as contempt thereof.

In the course of an investigation looking to the enforcement of this Act, or in connection with the application of a person or company for registration or to qualify securities, the Commissioner or Deputy Commissioner shall have free access to all records of the Board of Insurance Commissioners, including company examination reports to the Board and reports of special investigations made by personnel of the Board, as well as records and reports of and to any other department or agency of the state government. The District Court of any county, wherein it is shown that the acts complained of have been or are about to be committed, shall have jurisdiction of any action brought under this section, and this provision shall be superior to any provision fixing the jurisdiction or venue with regard to suits for injunction. No bond for injunction shall be required of the Commissioner or Attorney General in any such proceeding. Acts 1957, 55th Leg., p. 575, ch. 269, § 32.

Short Title

Section 1. This Act shall be known and may be cited as the State Purchasing Act of 1957.

Purpose

Sec. 2. It is the purpose of this Act to give the Board of Control authority to institute and maintain an effective and economical system for purchasing supplies, materials, services, and equipment for the State of Texas.

Definitions

Sec. 3. As used in this Act:

(b) "Services" includes only services of the type heretofore contracted for by the State Board of Control and it is not intended by the use of this term to enlarge in any manner the authority of the State Board of Control to contract for personal or business services for any state agency, institution, board or commission.
(c) The term "Department of the State Government" includes only departments and agencies of the type heretofore required to make purchases through the Board of Control. River authorities, conservation and reclamation districts, and other political subdivisions created by the Legislature are not required to purchase through the Board of Control unless some other statute specifically requires it.

Organization

**Propriety of specifications and conditions; justification of purchase**

Sec. 6. The Board may question the propriety of the specifications and conditions of purchase of any supplies, materials, equipment or services desired to be purchased, and may require written justification for the purpose thereof or for the use of the requested specifications.

If the Board does not regard the purchase to be justified in the best interests of the state because of restrictive specifications or conditions, it shall report the reasons for its exceptions to the specifications or conditions to the agency and to the State Auditor before purchasing the supplies, materials, services or equipment.

**Purchasing**

Sec. 7. The Board may determine the purchasing methods to be used in buying any supplies, materials, services, and equipment. It may use, but is not limited to, the contract purchase procedure and open market purchase procedures set out in this Act. The Board shall have the authority to combine orders in a system of scheduled purchasing, and it shall at all times try to benefit from purchasing in bulk. (c) Bid Deposits. When deemed necessary by the Board bid deposits in amounts to be set by the Board shall be prescribed in the public notices and the invitation to bid. The Board shall establish and maintain records of bid deposits and their disposition with the cooperation of the State Auditor, and upon the award of bids or rejection of all bids, bid deposits shall be returned to unsuccessful bidders making bid deposits. The Board may accept a bid deposit in the form of a blanket bond from any bidder.

(d) Bid Opening Procedure. Bids shall be submitted to the Board sealed and identified as bids on the envelope. Bids shall be opened by
the Board at the time and place stated in the public notices and the invitation to bid; provided, the State Auditor or a member of his staff may be present at any bid opening. (g) Bid Record. When an award is made a statement of the basis for placing the order with the successful bidder shall be prepared by the purchasing division and filed with other papers relating to the transaction.

(h) Tie Bids. In case of tie bids, quality and service—being equal, the contract shall be awarded under rules and regulations to be adopted by the Board.

(i) Performance Bonds. The Board may require a performance bond before entering a contract in such amount as it finds reasonable and necessary to protect the interests of the state. Any bond required under this subsection shall be conditioned that the bidder will faithfully execute the terms of the contract into which he has entered. Any bond required shall be filed with the Board and recoveries may be had thereon until it is exhausted.

Open Market Purchase Procedure

Sec. 9. When the Board determines that any purchases of supplies, materials, equipment or services may be made most effectively in the open market, such purchases may be made without newspaper advertising.

(a) Minimum Number of Bids. All open market purchases shall, wherever possible, be based on at least three competitive bids, and shall be awarded to the lowest and best bidder in accordance with the standards set forth under Section 8 of this Act.

Specifications and standards program; testing and inspecting program

Sec. 10. The Board shall have the authority to establish and maintain a specifications and standards program; to coordinate the establishment and maintenance of uniform standards and specifications for materials, supplies and equipment purchased by the Board. The Board shall enlist the cooperation of other State Agencies in the establishment, maintenance, and revision of uniform standards and specifications and shall encourage and foster the use of standard specifications in order that the most efficient purchase of materials, supplies and equipment may be continuously accomplished. The Board may also establish and maintain a program of testing and inspecting to insure that materials, supplies, services, and equipment meet specifications, and may make contracts for testing. If any using agency determines that any supplies, materials, services or equipment received do not meet specifications it shall promptly notify the Board in writing detailing the reasons why the supplies, materials, services, or equipment do not meet the specifications of the contract. The Board shall immediately determine whether or not the reported supplies, materials, services, or equipment meet specifications. The sole power to determine whether materials, supplies, services and equipment meet specifications shall rest with the Board. When the Board finds that contract specifications or conditions have not been complied with, it shall take action, with the assistance of the Attorney General, if necessary, against the defaulting contractor.

Usage figures

Sec. 11. The Board shall maintain usage figures on the consumption and use of supplies, materials, services and equipment purchased for state agencies, institutions, boards and commissions, and the Board shall furnish using agencies upon request usage and consumption figures maintained. The Board is directed to cooperate with the State Budget Offices and the State Auditor in the preparation of usage and consumption figures of supplies, materials, services, and equipment. The Board may establish statistical compilation activities, acquire necessary equipment by rental, lease or purchase, and employ the necessary trained personnel to carry out the provisions of this section.

Sec. 12. No member of the Board or any employee or appointee of the Board shall be interested in, or in any manner connected with, any contract or bid for furnishing supplies, materials, services, and equipment of any kind to any agency of the State of Texas. Neither shall any member or employee or appointee, under penalty of dismissal, accept or receive from any person, firm or corporation to whom any contract may be awarded, directly or indirectly, by rebate, gift or otherwise, any money or other thing of value whatever, nor shall he receive any promise, obligation or contract for future reward or compensation from any such party.

When any manufactured products of visually handicapped persons or workshops for the blind, produced under the supervision and direction of the Commission for the Blind, or in any other workshop which has been approved by the Commission for the Blind, meet the state specifications as to quality, quantity and price, such products shall have preference in purchases made of those types of items by the Board.

Regulations

Sec. 14. The Board may establish all necessary rules and regulations to execute the provisions of this Act and shall make such rules and regulations public and available to all interested parties.

Delegation of authority

Sec. 15. The Board shall act under the provisions of Acts 1953, Chapter 208, Section 1, (compiled as Article 601, Texas Civil Statutes) in the execution of this law, and any power, authority or duties imposed on the Board by this Act may be exercised or performed by an authorized employee, but the delegation of a duty does not relieve the Board from its responsibility.

Savings Clause

Sec. 16. The repeal of any law by this Act shall not affect or impair any act done or right, obligation or penalty existing or accrued under the authority of the law repealed; and such law shall be treated as still remaining in force for the purpose of sustaining any proper action concerning any such act, right, obligation or penalty. CHAPTER FOUR—PUBLIC BUILDINGS AND GROUNDS DIVISION

Art. 666a—2. Texas Hall of State Building and site; lease to city of Dallas [New].

Art. 666. Salvage and Surplus Act of 1957

Short Title

Section 1. This Act shall be known and may be cited as the Salvage and Surplus Act of 1957.
Purpose

Sec. 2. It is the purpose of this Act to save the state money and recover as much money as possible for the state by giving the Board of Control authority to implement the transfer and use the best means of sale and disposal of all serviceable state personal property no longer needed by state agencies, and authority to use the best means for the sale and disposal of all state-owned personal property that is depleted, worn out, damaged or consumed to the extent that it is no longer usable.

Definitions

Sec. 3. As used in this Act:
(a) “Board” means the State Board of Control.
(b) “Comptroller” means the Comptroller of Public Accounts.
(c) “Auditor” means the State Auditor.
(d) “Property” means personal property, and does not mean real property, or any interest in real property. Personal property affixed to real property may be sold under this law if its removal and disposition is to carry out a lawful objective under this law or any other law.
(e) “Surplus property” means any personal property which is in excess of the needs of any state agency and which is not required for its foreseeable needs. Surplus property may be used or new, but possesses some usefulness for the purpose for which it was intended or for some other purpose.
(f) “Salvage property” means any personal property which through use, time, or accident is so depleted, worn out, damaged, used or consumed that it has no value for the purpose for which it was originally intended.

Surplus Property

Sec. 4. (a) All state agencies which determine that they have surplus property shall inform the Board of the kind, number, location, condition, and original cost or value and date of acquisition of the property. The Board may inform other state agencies of the existence, kind, number, location and condition of any surplus property. Any state agency when so informed may negotiate directly with the other agencies for an inter-agency transfer of the property but shall inform the Board of its interest in order that the property will not be sold or disposed of before a transfer may be made. If a transfer of surplus property is made the agencies taking part in the transfer shall mutually agree on the value of the transferred property and shall report the value to the Comptroller. The Comptroller shall credit and debit their respective appropriations and adjust the state inventory records to show the transfer if inventoried property is transferred. Transfers of surplus property shall be reported to the Board but the consent of the Board shall not be required for any transfer. After surplus property is reported to the Board it shall not be sold by the reporting agency unless written authority to sell is given by the Board.

(b) If no state agency desires to receive any property reported as surplus the Board shall dispose of the property and recover for the state the maximum money value possible. The Board may by rules and regulations establish procedures for the sale and disposition of surplus property, but shall always seek competitive bids in all sales. If the value of any property or lot of property is estimated to be over One Thousand Dollars ($1,000:00) the sale shall be advertised at least one

time in at least one newspaper of general circulation in the vicinity where the property is located.

When the Board sells any surplus property it shall report the items sold and the sale price to the agency that declared such property as surplus.

(c) If the value of the property to be sold by the agency under this subsection is estimated to exceed One Thousand Dollars ($1,000.00) the sale shall be advertised by the agency at least one time in at least one newspaper of general circulation in the vicinity where the property is located.

(d) All agencies for whom surplus property is sold or who sell surplus property under authorization of the Board shall report the sale together with the prices realized to the Comptroller; and if the property is on the state inventory the Comptroller then shall be authorized to remove it from the inventory. Authorization by the Board shall not be required for the deletion of any surplus property except its own from the state inventory.

(e) The proceeds from the sale of any surplus property less the cost of advertising the sale shall be deposited to the credit of the item of appropriation to the agency for whom the sale was made. A portion of the proceeds from the sale of any surplus property equal to the cost of advertising the sale shall be deposited in the State Treasury to the credit of the item of appropriation to the State Board of Control from which such cost was expended.

Salvage Property

Sec. 5. (a) All state agencies which determine that they have salvage property shall inform the Board of the kind, number, location, condition, original value, and date of acquisition of the salvage. The Board shall either:

(1) sell the salvage for all state agencies, or

(2) issue written permission to any agency to sell all or part of its salvage, or

(3) issue written permission to any agency to destroy salvage property if it is worthless and cannot be sold.

If the value of any salvage or lot of salvage offered for sale is estimated to be over One Thousand Dollars ($1,000.00) the sale shall be advertised at least once in at least one newspaper of general circulation in the vicinity where the salvage is located.

(b) The proceeds from the sale of any salvage property less the cost of advertising the sale shall be deposited to the credit of the item of appropriation to the agency for whom the sale was made. A portion of the proceeds from the sale of any salvage property equal to the cost of advertising the sale shall be deposited in the State Treasury to the credit of the item of appropriation to the State Board of Control from which such cost was expended.

(c) If the Board cannot sell or dispose of any property reported to it as surplus or salvage it may order the property destroyed as worthless salvage and report the destruction to the declaring agency and to the Comptroller. All agencies for whom salvage property is sold or who sell salvage property under authorization of the Board or who destroy, worthless salvage under authorization of the Board or for whom the Board has ordered destruction of property as worthless salvage shall report the items sold, destroyed and the prices realized, if any, to the Comptroller. A report of disposal of salvage by any of these
methods shall authorize the Comptroller to then remove reported property from the state inventory if any reported items were on the state inventory. Authorization by the Board to delete salvage items not its own from the state inventory shall not be required. It is not the intention of this subsection to alter, enlarge or amend the law providing for the deletion from inventory upon the authorization of the Auditor of property that is missing from any agency.

(d) When the Board sells any surplus property it shall report the items sold and the sale price to the agency that declared such property as salvage.

**Trade-in of surplus or salvage property; definitions; exceptions; rules and regulations**

Sec. 6. Any state agency may offer surplus or salvage property which has become unfit for use as a trade-in on new property of the same general type when such exchange is in the best interests of the state.

For purposes of this Act the terms "Surplus" and "Salvage" shall not apply to products and by-products of research, forestry, agricultural, livestock and industrial products in excess of that quantity required for consumption by the producing agency, such products being those of the University of Texas, the Texas A. & M. College System and the Texas Prison System, and/or other agencies of like character, and then only when such agencies have, on the effective date of this Act, a continuing and adequate system of marketing research and sales, the efficiency of which shall be certified to the Board of Control by the State Auditor. Provided, however, that the Board of Control shall be furnished by such agency with a copy of the rules and regulations and latest revisions thereof laid down by the policy making body of each agency or institution for the guidance and administration of the programs enumerated herein. And further provided that when requested by such agency or institution to do so, and under the terms and conditions set forth in Sections 4 and 5 above, the Board of Control will dispose of the said property as provided for in this Act.

**Continuing Service**

Sec. 7. The Board shall at all times try to realize the maximum return to the state in the sale and disposal of salvage and surplus. It shall maintain a list of prospective buyers of salvage and surplus and it may in all cases reject any or all offers if it finds rejection to be in the best interests of the state. It shall cooperate with all state agencies in a continuing program of salvage and surplus evaluation to minimize losses from accumulations and it shall cooperate at all times with the Auditor in salvage and surplus analysis.

**Title of purchaser**

Sec. 8. Any purchaser of surplus or salvage at a sale made by the Board or by any agency under authorization of the Board shall obtain good title to any property purchased if the purchaser has in good faith complied with the conditions of the sale and the applicable rules and regulations of the Board.

**Rules and regulations; delegation of authority**

Sec. 9. The Board shall have authority to carry out the provisions of this law by making rules and regulations. In carrying out the pro-
visions of this law the Board shall act under the provisions of Chapter 208, Section 1 of Acts 1953, 53rd Legislature (compiled as Texas Civil Statutes 601) and any power, duties or authority imposed on the Board by this Act may be exercised or performed by an authorized employee, but the delegation of a duty does not relieve the Board from its responsibility.

Reports and forms; powers to prescribe

Sec. 10. The Comptroller is authorized to prescribe reports and forms, and rules and regulations pertaining to such forms or reports necessary to accomplish the object of this Act subject to the approval of the State Auditor.

Legislative intent declared

Sec. 11. It is the intent of the Legislature that the Board may authorize an agency to dispose of surplus or salvage property where the agency demonstrates to the Board its ability to make such disposition under the rules and regulations set up by the Board, as provided for herein. It is the further intent of the Legislature that state eleemosynary institutions and institutions and agencies of higher learning shall be excepted from the terms of this Act. As amended Acts 1957, 55th Leg., p. 1247, ch. 414, § 1.

Effective September 1, 1957.

Section 2 of the amendatory Act of 1957 provided that the following Statutes and Acts: Section 2 of Chapter 289, Acts of the 50th Legislature, Regular Session, 1947; Sections 2 and 3 of Chapter 447, Acts of the 51st Legislature, Regular Session, 1949, codified in Vernon's as Articles 666-1 and 666-2, Vernon's Civil Statutes; Chapter 276, Acts of the 44th Legislature, Regular Session, 1935, codified in Vernon's as Article 666a-1, Vernon's Civil Statutes, and all other laws or parts of laws in conflict with the provisions of this Act, are hereby repealed.

Nothing in this Act shall be construed as removing any authority, duty or responsibility now vested in the "Executive Director". The only purpose is to change the title of the office from "Executive Director" to "Commissioner of Public Welfare".

Whenever the title "Executive Director" (of the Department of Public Welfare) or any reference thereto appears in the Legislative Statutes of Texas or in any amendments thereto, such title and such reference shall hereafter mean and apply to the "Commissioner of Public Welfare" in order to conform to the new title as provided herein. Added Acts 1957, 55th Leg., p. 237, ch. 114, § 1.

Permanently and totally disabled persons; assistance to; acceptance of money from Federal government

The State Department of Public Welfare is hereby designated as the State Department to administer financial assistance to needy individuals who are permanently and totally disabled as defined in this Act, and is designated as the State Department to cooperate with the Department of Health, Education, and Welfare or any other Federal Agency which may hereafter be designated by Federal Statute to administer such aid to needy individuals who are permanently and totally disabled, so as to provide assistance payments to permanently and totally disabled persons who meet the eligibility requirements as are herein prescribed or as may hereafter be provided.

The State Department of Public Welfare is hereby authorized to accept money from the Federal Government for the purposes enumerated in this Act, and is hereby authorized to expend such sums as may be received for such purposes and in the manner prescribed in this Act or as otherwise provided by law. Added Acts 1957, 55th Leg., p. 672, ch. 284, § 1.

Emergency. Effective May 23, 1957, as limited by section 6 of this Act.
Permanently and totally disabled persons; eligibility for assistance; definitions; amount of assistance

Sec. 16-B. Assistance to the Permanently and Totally Disabled shall be given under the provisions of this Act to any needy person:

1. Who is permanently and totally disabled as hereinafter defined; and

2. Who is eighteen (18) years of age or older but less than sixty-five (65) years of age; and

3. Who is a citizen of the United States; and

4. Who has resided in the State of Texas for five (5) years or more within the last nine (9) years preceding the date of his application for assistance and has resided in the State of Texas continuously for one (1) year immediately preceding the application; and

5. Who is not at the time of receiving assistance an inmate in a public institution (except as a patient in a medical institution) or is not a patient in an institution for tuberculosis or mental disease, or who has not been diagnosed as having tuberculosis or psychosis and is a patient in a medical institution as a result thereof; and

6. Who is in need as hereinafter defined; and

7. Who is not receiving Old Age Assistance, Aid to the Blind, or Aid to Dependent Children; and

8. Who has not disposed of property, either personal or real, for the purpose of qualifying or increasing need for assistance, provided that the property, if still available, would affect either eligibility or the amount of the assistance payment.

No application for assistance under the provisions of this Act shall be approved until it has been established in accordance with the rules and regulations promulgated by the State Department of Public Welfare that the applicant is permanently and totally disabled by reason of a mental or physical impairment or a combination of both.

The term "permanently and totally disabled," as used in this Act, means that the individual has a physical or mental impairment, disease, or loss, or a combination of such, which is irreversible, or progressive, and not amenable to treatment, or requires treatment that is continuous, extremely hazardous, or of questionable benefit, and renders the individual completely invalided, as demonstrated by the fact that he is helpless, or is bed-fast, chair-fast, or requires considerable help in locomotion from others, or because the physical or mental impairment is such that the individual requires close and constant supervision and personal care by others, and which physical or mental impairment renders him unfeasible for vocational rehabilitation.

"Permanent and total disability," as defined herein, shall be established on the basis of a currently applicable medical report of examination by a physician legally licensed to practice medicine in the State of Texas and who has been approved by the State Department of Public Welfare to make such examinations. The examining physician shall certify in writing, upon forms prescribed by the State Department, such information as the Department may require for proper diagnosis, prognosis, and recommendations as to medical and surgical treatment. Said reports shall be reviewed by a physician legally licensed to practice medicine in the State of Texas and employed by the State Department of Public Welfare, who shall approve or disapprove the medical evidence to substantiate the finding of 'permanent and total disability'. Said reviewing physician shall also determine the feasibility of referring said applicant for vocational re-
habilitation. The State Department of Public Welfare shall adopt a reasonable fee schedule for examinations, when examinations are considered necessary by the State Department of Public Welfare for the purpose of determining eligibility for assistance of individuals who are permanently and totally disabled under the provisions of this Act, and the Department of Public Welfare is hereby authorized to pay for such examinations out of the funds appropriated to the State Department for the purpose of assistance to the permanently and totally disabled persons under the provisions of this Act or for administrative expense. The State Department of Public Welfare is hereby authorized to incur claims for medical examinations which may be paid later out of subsequent appropriations for medical expenses when the current appropriation is inadequate to pay for such medical examinations.

The State Department of Public Welfare is hereby authorized to use in addition to any amounts appropriated for the payment of medical examinations any unexpended balance which has been appropriated for the purpose of providing assistance during the fiscal year beginning September 1, 1957, and ending August 31, 1958 for the purpose of paying the cost of medical examinations required to establish eligibility during the fiscal year beginning September 1, 1958 and ending August 31, 1959.

Each recipient of assistance who is permanently and totally disabled shall submit to a re-examination whenever such re-examination is deemed necessary by the State Department of Public Welfare for the continuance of the assistance grant.

The Department of Public Welfare is authorized to provide through employment of properly qualified personnel such medical, social and related services as are found necessary for proper administration of this Act, and for most effective use of other resources for rehabilitation and restoration to health and independence. The Department of Public Welfare shall refer recipients who can be benefited thereby to the appropriate public and private resources for rehabilitation through retraining, restorative services, or treatment and therapy.

In determining “need”, the State Department of Public Welfare shall adopt reasonable rules and regulations for the purpose of determining eligibility, and shall take into consideration all of the resources and income available to the individual from any source. Assistance may not be granted if such individual has available resources which are sufficient to provide a reasonable subsistence compatible with health and decency; provided that in consideration of income and resources actually available to an applicant, the State Department shall take into consideration the income and resources which may be available to the relatives of an applicant or a recipient who are responsible for his support. “Responsible relatives” for the purpose of this Act, shall include spouses, parents, step-parents, children, step-children, brothers, sisters, and any other relative who has assumed responsibility for his care.

The State Department of Public Welfare shall adopt reasonable rules and regulations for determining the amounts of assistance given to an applicant. The amount of assistance given shall be determined by the State Department of Public Welfare through its District or County Agents in the County or District in which the needy person resides. The amount granted shall provide such person with a reasonable subsistence compatible with health and decency and within the limitations and provisions of the Constitution of the State of Texas, as is now provided or may hereafter be provided. The amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal
funds. The method of investigation and the determination of the amount
of assistance granted shall comply with the limitations and provisions of
the Federal Social Security Act \(^1\) as is now provided or may hereafter be
provided.

No provision of this Act is intended to release the Federal or State in­
stitutions in this State from the specific responsibility which is currently
borne by them in the care of those persons currently residing in either Fed­
eral or State hospitals or institutions for the care or treatment of mentally
retarded or mentally ill persons or for the treatment of tuberculosis, or
those who may hereafter be eligible for or entitled to care or treatment in
such institutions. It is further provided that none of the moneys appro­
priated for assistance to or on behalf of the permanently and totally dis­
able shall be used for the payment of assistance grants or for providing
services to or on behalf of persons who are so hospitalized or whose mental
or physical condition is such that his welfare and that of the general pub­
lic would best be served by care and treatment in such public institution
and such public institutional care is available. Added Acts 1957, 55th
Leg., p. 672, ch. 284, § 1.

gottiable bonds of the county and to levy and collect taxes in payment thereof to pay for the cost of such block books and the compilation of such information.

Sec. 3. The Commissioners Court may submit at any bond election one proposition for the issuance of such bonds, which proposition may include all the purposes authorized herein for which such bonds may be issued; or it may, at its option, submit at any bond election one or more separate propositions for the issuance of such bonds, each of which separate propositions may include any one or more of the purposes authorized herein for which such bonds may be issued.

Sec. 4. Such bonds under and pursuant to the provisions of this Act shall be an obligation of and a charge against the county; and it shall be the duty of such Commissioners Court to have assessed and collected a tax sufficient to pay the principal of and interest on such bonds as such principal and interest become due, which tax shall be levied pursuant to the authority of Article 8, Section 9, of the Constitution of the State of Texas, as amended, for general fund purposes. Such bonds may mature serially or otherwise as may be determined by the Commissioners Court of such county, not exceeding forty (40) years from their date; and such bonds may contain such option or options of redemption, or no option of redemption, as may be determined by the Commissioners Court; and the issuance of such bonds and the levying and collection of such taxes shall otherwise be in accordance with the provisions of Chapters 1 and 2, Title 22, Revised Civil Statutes, 1925, as amended, governing the issuance of bonds by cities, towns and counties of this state.

Sec. 5. The provisions of this Act are in addition to all the powers given by, and are cumulative of, all other provisions of the laws of the State of Texas on the same subject. Acts 1957, 55th Leg., p. 1371, ch. 467.

Section 6 of the Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

cerning any proposition so submitted; and the governing body of any such city is hereby in all things authorized to operate and maintain any facilities acquired or constructed with the proceeds from the sale of such bonds. Acts 1957, 55th Leg., 1st C.S., p. 48, ch. 21, § 1.

Title of Act:

An Act validating all proceedings in connection with city tax bonds heretofore favorably voted for off-street parking, or park and off-street parking purposes; authorizing the issuance and delivery of any such bonds and the operation and maintenance of any facilities acquired or constructed with the proceeds from the sale of any such bonds; enacting other provisions related to the subject; prescribing a severability provision; and declaring an emergency. Acts 1957, 55th Leg., 1st C.S., p. 48, ch. 21.
Art. 881a—23. Joint shares

Shares or share accounts issued by any building and loan or savings and loan association doing business in this State in the name of two (2) or more persons or to two (2) or more persons or the survivor of either, may be withdrawn on the signature of either party to whom such shares or share accounts were issued, or where such shares or share accounts are issued to one (1) person, for the benefit of or in trust for another, without the terms of the trust being disclosed to the association in writing, such shares and share accounts may be withdrawn on the signature of such trustee, or on the death or disability of the trustee on the signature of the named beneficiary, and such association shall have no further liability for the amounts so paid. When shares or share accounts are issued in the name of two (2) or more persons or in the name of their survivor, the survivor or either party shall have power to act in all matters relating to such shares or share accounts, whether the other person or persons named in such shares or share accounts be living or dead. Such a joint account shall create a single membership in such association, and the repurchase or withdrawal value of shares or share accounts issued in joint names and dividends thereon, or other rights relating thereto, may be paid or delivered in whole or in part, to any of such persons who shall make requests therefor, whether the other person or persons be living or dead. The payment or delivery to any such person, on a receipt or acquittance signed by any such person, to whom any such payment or any such delivery of rights is made, shall be a valid and sufficient release and discharge of any such association for the payment or delivery so made. A married woman or a minor is authorized to enter into, fulfill, and receive the benefits of contracts for such joint accounts, as if such married woman was a feme sole, or as if such minor was of legal age, provided, however, that where shares or share accounts are payable under the provisions hereof to a minor, payment may be made to such minor unless a parent or guardian of such minor delivers to an executive of the association written notice to make payment only to the legally appointed and qualified guardian of such minor.

Joint shares or share accounts issued in the name of a husband and wife may constitute a partition between them of any community funds invested in such shares or share accounts under the provisions of Article 16, Section 15 of the Constitution of this State if the parties so provide by executing a written instrument and acknowledge the same in the manner now required by law for the conveyance of realty. As amended Acts 1958, 53rd Leg., p. 1028, ch. 425, § 1; Acts 1957, 55th Leg., p. 1319, ch. 445, § 1. Emergency. Effective June 6, 1957.

Art. 881a—34. Membership; Liability; Capital Definition; Lien on Accounts

A member of a building and loan association shall be any person, persons, firm, copartnership, association or corporation owning any of the shares of stock or share accounts of a building and loan association, or holding a certificate of membership as a borrower from any such building and loan association. The manner of voting and the extent of the voting privilege shall be provided in the bylaws of each association, and voting may be by proxy. In the consideration of all questions requiring action
by the members, the bylaws may provide that each shareholder shall be entitled to cast one (1) vote for each share owned or may provide that each shareholder shall be entitled to cast one (1) vote for each One Hundred Dollars ($100), or fraction thereof, of the withdrawal value of his shares; and each holder of a share account shall be permitted to cast one (1) vote for each One Hundred Dollars ($100), or fraction thereof, of the participation value of his share account. A borrowing member shall be entitled, as a borrower, to cast one vote, and to cast the number of votes to which he may be entitled as the holder of shares or a share account. Membership shall continue until such shares or share accounts have matured and been paid, withdrawn, transferred, retired, or forfeited, or until the loan has been completely repaid. The payments made to any such association upon shares issued by it shall be called "dues." The capital of an association shall consist of the aggregate of accumulated payments actually made upon the shares and upon share accounts by its members, plus dividends credited to such shares and accounts, either individually or by series, less repurchase and withdrawal payments. The capital shall be accumulated only by payments by members upon shares and share accounts and earnings on accounts, as provided in this Act.\(^1\) It shall be unlawful for any association to represent itself as having, either by newspaper advertising, letter, circular, or otherwise, a greater capital than that herein described. The value of the participation in the capital of each share or share account held by a member shall be the aggregate of payments made upon such share or share account, plus dividends credited thereto, less repurchase or withdrawal payments, or other lawful charges. The shares issued by such association may have a paid up or matured or par value of any amount from Ten Dollars ($10) to One Hundred Dollars ($100) each and the amount shall be set out in the bylaws. No preference between shareholders and/or account holders shall be created with respect to the payment of withdrawals or the distribution of assets upon voluntary or involuntary liquidation, dissolution or winding up of an association except such preference as has been created by the Building and Loan Act where associations issue or have issued and have outstanding reserve fund or permanent shares. No association shall have the power to contract with respect to the capital or participation in the capital in a manner inconsistent with the provisions of this Act. The members of an association shall not be responsible for any losses which its capital shall not be sufficient to satisfy, and the shares or share accounts shall not be subject to assessment, nor shall the members be liable for any unpaid installments on their share subscriptions. To secure loans to members, an association shall have a lien, without further agreement or pledge, upon all accounts owned by the borrower. Upon default upon any loan, the association may, without any notice to, or consent of the borrower, cancel on its books all or any accounts owned by the borrower and apply the value of such accounts in payment on account of the loan. An association may by written instrument waive its lien in whole or in part. Any association may take the pledge of an account or accounts of the association owned by a member other than the borrower as additional security for any loan secured by an account or by an account and real estate, or as additional security for any real estate loan. As amended Acts 1957, 55th Leg., p. 1319, ch. 445, § 2.

Section 1. All cities and towns in Texas of five thousand (5,000) inhabitants or less, heretofore incorporated, or attempted to be incorporated under any of the terms and provisions of the General Laws of the State of Texas, whether under the aldermanic or commission form of government, and which are now functioning or attempting to function as incorporated cities and towns, are hereby in all respects validated as of the date of such incorporation, or attempted incorporation; and the incorporation of such cities and towns shall not be held invalid by reason of the fact that the election proceedings or other incorporation proceedings may not have been in accordance with law, or by reason of a failure to properly define the limits of said city or town.

Sec. 2. The areas and boundary lines of all such cities and towns affected by this Act are in all things validated and the incorporation of such cities and towns shall not be held invalid because of the inclusion in such limits of more territory than is expressly authorized in Article 971 of the Revised Civil Statutes of the State of Texas of 1925, or by reason of the inclusion in the corporate area of territory other than that which is intended to be used for strictly town purposes, or by reason of the shape, form or outline of the area or territory included within the boundaries of such city or town.

Sec. 3. The provisions of this Act shall not apply to any city or town now involved in litigation questioning the legality of the incorporation or any of the acts or proceedings hereby validated if such litigation is ultimately determined against the legality thereof. Acts 1957, 55th Leg., p. 1328, ch. 450.

Sec. 2. In each instance where a charter or amendment or amendments to a charter of a home rule city has been (a) submitted to a vote of the qualified voters of such city at an election, and (b) a majority of the voters participating in such election of such city have approved the charter or amendment or amendments, and (c) the home rule city has functioned under the home rule charter or home rule charter as amended, the charter or the amendment or amendments to the home rule charter shall not be held invalid by reason of the fact that the election proceedings or other proceedings required to adopt or amend home rule charters may not have been in accordance with law.

Sec. 3. In each instance where two or more incorporated cities (including home rule cities), towns or villages in this State have consolidated or attempted to consolidate under one government, and the question of consolidation has been approved by a majority of the electorate participating in the election in each of the cities sought to be consolidated, the consolidation or attempted consolidation of such cities is hereby in all things ratified, validated, and confirmed, and the consolidation of such cities, towns or villages shall not be held invalid by reason of the fact that the election proceedings or other proceedings of consolidation may not have been in accordance with law.

Sec. 4. The boundary lines of all cities (including home rule cities), towns or villages, including the boundary lines covered by the original incorporation or consolidation and by any subsequent extension thereof, are hereby in all things validated.

Sec. 6. In any instance where an incorporated city, town or village has changed its name by an election in which the question of the change of the name of such city, town or village has been submitted to a vote of the qualified voters of such city, and the majority of the voters of such city voting in such election have approved such change of name, such change of name is hereby validated, ratified and confirmed as of the date of such election, without regard to the fact that the election proceedings or other proceedings involved in such change of name may not have been in compliance with law.

Sec. 7. The validation provisions of this Act shall not apply to litigation pending in any court of competent jurisdiction in this State on the effective date of this Act which litigation questions the legality of any of the matters which would otherwise be validated by the provisions hereof, if such litigation ultimately results in holdings or holding that the matters questioned thereby are invalid. Acts 1957, 55th Leg., p. 136, ch. 58.

Art. 974d—7. Validation of orders of county judges declaring incorporation of certain cities, towns or villages; boundaries; elections and proceedings; exceptions

Section 1. In each instance where an election has been held for the purpose of incorporating a city, town or village, and the territory to be contained in such city, town or village was inadequately or incorrectly described in connection with such election proceedings, or such territory contained a greater area than was permitted by law, and where, thereafter, the County Judge of the county in which such city, town or village is situated entered an order declaring the inhabitants of such city, town or village, incorporated under the General Laws of the State of Texas relating to cities and towns, and fixing and declaring the boundaries thereof, as he finds such boundaries to exist at the time of entering such order, and finding and declaring the names of the officials of any such city, such order by the County Judge is hereby in all things validated, ratified and approved, and such city, town or village shall be known by the name specified in such order.

Sec. 2. Any city, town or village declared to be incorporated by an order as mentioned in Section 1 of this Act is hereby validated and declared to be a duly incorporated city with the boundaries as defined in such order, and the act of the governing body thereof in accepting the provisions of Title 28, Revised Civil Statutes, as amended, relating to cities and towns is hereby validated and the officials named in such order are hereby declared to have been the mayor, aldermen and city secretary of such city at the time of the entry of said order, and all elections held for the election of city officials are hereby validated and ratified.

Sec. 3. Any election held heretofore but after the entry of such order by the County Judge resulting favorably to the issuance of bonds of such city, town or village is hereby validated and shall constitute sufficient authority for the governing body to proceed with the issuance of the bonds thus voted.

Sec. 4. This Act shall not apply to any municipality which is now involved in litigation in any District Court of this State, the Court of Civil Appeals, or the Supreme Court of Texas, in which litigation the validity of the organization, incorporation or creation of such municipality is attacked; and this Act shall not apply to any municipality involved in formal proceedings now pending before such municipality's commission or council in which proceedings the organization or creation of such municipality is attacked. Provided further, that this Act shall not apply to any municipality which has heretofore been declared invalid by a court of competent jurisdiction of this state or which may have been established and which was later returned to its original status. 1. CITY OWNED UTILITIES

Art. 1109h. Eligible city authorized to issue revenue bonds; construction and equipment of water supply project

Eligible city defined

Section 1. An "eligible" city under this Act is one having a population of more than 275,000 under the last preceding federal census, in which a majority of the resident qualified voters who shall have duly rendered their property for taxation, participating in an election, have voted to authorize such city to enter into a contract to acquire a water supply from a River Authority (hereinafter called an "Authority") created by the Legislature under Article XVI, Section 59 of the Constitution, and
Alternative financing procedure

Sec. 2. The right of an eligible city and of an Authority to proceed with the financing of the entire cost or the portion of such cost which is not to be provided by such city of the water supply project under law through the issuance by the Authority of its revenue bonds based on the voted contract with an eligible city is not affected by the passage of this Act. But as an alternative procedure an eligible city and an Authority may amend the voted contract so as to implement the provisions of this Act, including, but without limiting the extent of such amendments, provisions defining the extent of the city's rights in such water supply project, and the procedures under which the city will make available to the Authority the proceeds of revenue bonds issued under authority of this Act, as needed for payment of construction costs including such city's intake structures, pumping and filtration equipment, or such portion thereof as Authority is not required under such contract to provide through the issuance of its revenue bonds, and arrangements for auditing the funds and accounts to be used in the construction program. Such eligible city may proceed with the issuance and sale of its revenue bonds, payable from the revenues of its waterworks system or, if combined in such city, its waterworks and sanitary sewer system (hereinafter called the “city revenue bonds”) and the use of the proceeds as provided in succeeding sections of this Act.

Ordinance authorizing bond issue; notice; petition; bond election

Sec. 3. Before passage of an ordinance authorizing the issuance of bonds under this Act, the governing body of such city shall give notice of the time when such ordinance is to be passed. Such notice shall be published in a newspaper of general circulation in such city, in at least two issues thereof, the date of the first publication to be not less than fourteen (14) days prior to the date so fixed for passage of the ordinance. Unless prior to the scheduled time for passing the ordinance a petition is filed with the city secretary, signed by not less than 10% of the qualified voters of the city who have duly rendered their property for taxation, requesting that an election be held on the question of issuing such bonds, the governing body may proceed in the issuance thereof without an election. If such petition is duly filed, it shall be the duty of the governing body to proceed in the manner prescribed in Chapter I of Title 22 of the Revised Civil Statutes, with an election on the question, and such bonds shall not be issued unless a majority of the voters, voting at such election, vote favorably on the question. The governing body within its discretion may call an election for the issuance of the bonds without awaiting the filing of a petition requesting a referendum election.

Passage of bond issue ordinance; prerequisites; extent of project

Sec. 4. When the designs, plans and specifications for the water supply project of the Authority shall have been completed to the extent that they have been approved by the governing body of the Authority which will actually construct the water supply project and likewise by the governing body of such city, such eligible city may pass an appropriate ordinance or ordinances authorizing the issuance of its revenue bonds in an amount estimated to cover the entire cost to be incurred by the Authority in constructing the water supply project, or such portion thereof as
Art. 1109h  REVISED CIVIL STATUTES  136

such city shall have contracted to provide, including city's intake structures, pumping and filtration equipment. The project may consist of a dam, reservoir, intake structures and related equipment and facilities, or any or all of such elements, including but without limiting the meaning of "cost," lands, easements, flowage rights and interest during construction. Within the discretion of such city the bonds may be authorized and sold at one time or in installments from time to time.

 Bonds, requisites and provisions; additional bond issues; rates, tolls and charges; refunding bonds

Sec. 5. (a) Such eligible city may authorize such revenue bonds by ordinance. The bonds shall be signed by the Mayor and by another designated officer of the city and the seal of the city shall be impressed thereon; but within the discretion of the governing body evidenced in the ordinance, bonds may be issued bearing the facsimile signature of the Mayor and the seal of such city may be printed thereon, but the signature of the other designated officer in such cases must be manually affixed. Such bonds shall mature serially or otherwise within such period and at such times as may be prescribed in the ordinance but not exceeding a maximum of 40 years. The bonds may be sold at a price and under terms determined by the governing body of such city to be the most advantageous reasonably obtainable, provided that the interest cost to the city calculated by use of standard bond interest tables currently in use by insurance companies and investment houses does not exceed 6% per annum. The bonds may be registrable as to principal only or as to both principal and interest. Appropriate provisions may be inserted in the ordinance authorizing the execution and delivery of bonds for the conversion of registered bonds into bearer of bonds and vice versa. Provision may be made in the bond ordinance for substitution of new bonds for those lost or mutilated.

(b) In the ordinance authorizing such revenue bonds, the right may be reserved under the conditions therein specified to issue additional revenue bonds which will be on a parity with or subordinate to the bonds when being issued.

(c) After such revenue bonds shall have been issued, it shall be the duty of the governing body of such city to fix and from time to time to revise the rates, tolls and charges for sales and services rendered by the city's waterworks system or waterworks and sanitary sewer system, as the case may be, to the end that such rates, tolls and charges will yield sufficient money to pay the expense of operating and maintaining such system or systems, the principal of and interest on said bonds as such principal and such interest mature, and to create and maintain the reserve funds and other funds as prescribed in the ordinance authorizing the bonds.

(d) From the proceeds of the sale of any such issue of bonds such city may set aside an amount for the payment of interest anticipated to accrue during the construction period, and for not more than two additional years, and to provide for deposits into the reserve and other funds to the extent and in the manner prescribed in the ordinance authorizing such bonds. The proceeds from the sale of such bonds shall be deposited by such city in a fund which will be utilized solely to pay the expense of issuing and selling said bonds and to pay the construction cost of said project or the portion thereof which city shall be obligated to provide under the contract with Authority, including cost of city's intake structures, pumping and filtration equipment, as such costs are payable by the Authority, and each expenditure shall be pre-audited by such city in
accordance with the terms of the contract by and between such city and Authority, under which such project is being constructed by such Authority.

(e) Pending the issuance of definitive bonds, such city may authorize the delivery of negotiable interim bonds, eligible to be exchanged for definitive bonds.

(f) Such city is authorized to issue refunding bonds for the purpose of refunding any outstanding bonds and interest thereon, authorized by this Act. The governing body, in its discretion, may inject additional security for the refunding issue. Refunding bonds shall be registrable by the Comptroller of Public Accounts upon surrender and cancellation of the bonds to be refunded, but in lieu of such procedure the ordinance authorizing the issuance of the refunding bonds may provide that they shall be sold and the proceeds thereof deposited in the bank, or in one (1) or more of the banks where the original bonds are payable. In the latter case, the refunding bonds may be issued in an amount sufficient to pay the interest on the original bonds to their maturity date or to the date on which the bonds are to be redeemed, and the amount of the call premium, if any, as to bonds called for redemption prior to maturity, and in such event the Comptroller shall register the refunding bonds without the concurrent surrender and cancellation of the original bonds. No election shall be necessary in connection with the authorization and issuance of refunding bonds.

(g) No such bonds shall be issued by such city until they shall have been approved by the Attorney General of the State of Texas. After the bonds shall have been approved by the Attorney General and registered by the Comptroller of Public Accounts of the State of Texas, they shall as well as such bonds as shall be issued by Authority be negotiable instruments and shall be incontestable, provided that when the bonds of an issue shall have been thus approved and registered, the bonds thereafter delivered by such city in lieu thereof, pursuant to subsection (a) of this Section, in connection with the exchange of registered for unregistered bonds, or unregistered bonds for registered bonds, or in lieu of lost or mutilated bonds, need not be reapproved by the Attorney General or re-registered by the Comptroller of Public Accounts. Nevertheless, such bonds shall likewise be incontestable, and except for the limitations resulting from registration shall be negotiable.

(h) Proceeds from the sale of any such issue of bonds may be invested during the period of construction or prior to their use for construction purposes, in bonds or other direct obligations of the United States government, and such securities may be sold pursuant to the directions of the governing body of the city when needed for construction purposes.

Bonds as legal investments; security for deposits of public funds

Sec. 6. All such bonds shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, saving and loan associations and insurance companies. Such bonds shall be eligible to secure the deposit of any and all public funds of the State of Texas and any and all public funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas, and such bonds shall be lawful and sufficient security for said deposits to the extent of the principal amount thereof, or their value on the market, whichever is the lesser, when accompanied by all unmatured coupons appurtenant thereto.
Precedence over conflicting provisions

Sec. 7. The provisions of this Act shall take precedence over conflicting and inconsistent provisions of other statutes and special and home rule charters.

Severability provision

Sec. 8. The provisions of this Act are severable. If any provisions of this Act or the application thereof to any person or circumstances shall be held to be invalid or unconstitutional, the remainder of the Act and the application of such provisions to other persons or circumstances shall not be affected thereby. Acts 1957, 55th Leg., p. 73, ch. 35.

Art. 1109i. Water supply and sewage transportation and disposal contracts of certain cities with Trinity River Authority

Eligible city

Section 1. Each City or town which is situated wholly or partly within the boundaries of Trinity River Authority of Texas, created by Chapter 518, 51 Acts of the Regular Session of the Fifty-fourth Legislature, and any amendments thereto (hereinafter called the "Authority"), is an "Eligible City" within the meaning of this Act.

Contracts authorized; revenues received, disposition, etc.

Sec. 2. An Eligible City, pursuant to an ordinance passed by its governing body, is hereby authorized to make a contract with the Authority under which the Authority will make available to and provide for the Eligible City, sewage transportation and disposal (including treatment) services or any or all of such services, and when prescribed therein, provision for stand-by service. Such contract may be upon such terms and for such period of time as the parties may agree, and may provide that it will remain in effect until the bonds issued by the Authority as mentioned therein and refunding bonds issued in lieu thereof, are paid. Such City shall have the right to the continued performance of such services after the amortization of the Authority's investment in such facilities during the useful life thereof, upon payment of charges reduced to take into consideration such amortization.

The revenues received by the Authority from the participating Eligible Cities shall be used only (1) for payment of principal of and interest on, and to provide reserves created for, the bonds to be issued by Authority to finance such transportation, disposal (including treatment) facilities, and (2) to pay the operation and maintenance expenses (including within the meaning of the term, legal, administrative and management supervision fees and expenses) in connection therewith; provided that such part of any surplus accumulated for the benefit of a participating Eligible City, as may be prescribed in contract between such City and the Authority, may be expended by the Authority for enlargements and betterments of Authority's facilities which are used to serve, especially, such City.

In consideration of payments made by an Eligible City under such contract, and the services performed by the Authority the Authority shall become the owner of sewage accepted by it for transportation and treatment and shall be solely responsible for the proper treatment and disposal of such sewage and the effluent, and no participating Eligible City shall
be entitled to any rights in, nor shall it be liable for any improper treatment or disposal of, such sewage or effluent.

No city shall be entitled to credit of any type either in the exchange of water, money or other consideration for any effluent delivered to the Authority, and no such exchange or sale can be made a condition to any contract hereunder.

Payments by city to authority; source; operating expense

Sec. 3. Payments by such City to the Authority shall be made from the City's waterworks system or its sanitary sewer system or of both systems or of its combined water and sanitary sewer system, as prescribed in the contract between such City and the Authority, and shall constitute an operating expense of the system or systems whose revenues are thus pledged. Unless the alternative procedure prescribed in Section 4 is followed, neither the Authority nor the holder of any bonds of the Authority shall have the right to demand payment of the City's obligation out of any funds raised or to be raised by taxation.

Elections; bond issues

Sec. 4. (a) If an election is held and carried substantially according to the procedure prescribed in Chapter 1, Title 22 of the Revised Civil Statutes, as amended, in reference to the issuance of bonds by Cities, determining that the governing body of the City is authorized to execute the proposed contract for sewage transportation and disposal (including treatment) or for any of such services, and to levy ad valorem taxes to pay such obligation to the Authority, whether or not the City's obligation is to be credited with application of certain revenues of such system or systems, the contract, in such an event, will constitute an obligation against the taxing power of such City, but may be payable both from taxes and such revenues, as may be prescribed in the contract.

(b) Only qualified electors of the City who own taxable property therein and who have duly rendered the same for taxation shall be entitled to vote at such election. Except as otherwise provided in this Section and in such Chapter 1, Title 22 of the Revised Civil Statutes as amended, the general election laws shall govern such election.

(c) If a majority of the votes cast at said election are in favor of the proposition the governing body shall pass an ordinance prescribing the form and substance of the contract, and directing the proper officers of the City to sign it.

Rates for services

Sec. 5. Whenever any such City shall have executed a contract with the Authority involving the performance of such duties by the Authority, if the payments thereunder are to be made either wholly or partly from the revenues of the City's waterworks system or sanitary sewer system or from both systems or a combination of both systems, the duty is hereby imposed on such City and it is hereby authorized to establish and maintain and from time to time to adjust the rates charged by the City for the services of such system or systems, to the end that the revenues therefrom will be sufficient at all times to pay: the expense of operating and maintaining such system in accordance with current standards and requirements for preventing stream pollution; the City's obligations to Authority under such contract; and all of such City's obligations under and in connection with revenue bonds theretofore issued, or which may be issued thereafter for such system or systems. Any such City may charge the users of the system or systems whose revenues are to be used in paying
the City's obligation under the contract rates sufficient to pay such obligation of the City. Any such contract may require the use of consulting engineers and financial experts to advise the City whether and when such service rates are to be adjusted.

**Contract provisions**

Sec. 6. Any such contract between the Authority and such City may provide for services to be rendered concurrently by the Authority to more than one (1) City through the construction and operation of a multiple City system or plant, the cost for such services to be allocated among the several Cities as determined in such contract or group of contracts. It is expressly provided and recognized that all of the compensation to be received by, and all of the security pledged to the Authority by each such City and all such Cities will be available to the Authority as security for the bonds it will issue to provide necessary construction funds. Any such contract, if to be used by the Authority, as security for Authority's bonds, issued to finance its plant and facilities, must be submitted by Authority to the Attorney General for examination, and when such bonds and contract have been approved by the Attorney General, such contract thereafter shall be incontestable.

**Validation of contracts**

Sec. 7. All contracts heretofore executed by and between Eligible Cities and the Authority, pursuant to ordinances passed respectively by the governing bodies thereof and pursuant to action of the Board of Directors of the Authority obligating the Authority to render service which includes transportation and disposal (including treatment) of sanitary sewage or any or all of such services, and obligating the City to pay for such services out of its waterworks system revenues or sanitary sewer system revenues or a combination of its water and sanitary sewer system revenues, are hereby validated. Any such contract for which a tax was levied, when an election has been held resulting favorably to the execution of such contract, including the obligation to make payments from ad valorem taxes, is hereby validated. Acts 1957, 55th Leg., p. 1288, ch. 430.

Section 8 of the Act of 1957 was a severability provision.

2. **ENCUMBERED CITY SYSTEM**

Art. 1118n—8. Refunding bonds, issuance by certain cities operating under general law and owning waterworks, natural gas and sewer systems

**Eligible city**

Section 1. This Act shall be applicable to cities operating under general law, which own and operate waterworks, natural gas and sanitary sewer systems, and whose outstanding tax bond indebtedness, including accrued and unpaid interest thereon, exists in an aggregate amount of not less than twenty per cent (20%) of the assessed valuation of the property in such city according to the latest approved official tax rolls. Any such city for the purposes of this Act shall be an "eligible" city.
Refunding bonds authorized; powers of governing body; definition

Sec. 2. Any eligible city is authorized to issue refunding bonds for the purpose of taking up all or any part of its outstanding indebtedness, regardless of whether such indebtedness is in its original form or has been funded, or refunded, in whole or in part, such refunding bonds to bear interest at a rate or rates to be determined by the governing body of said city, not exceeding the average rate or rates of interest borne by the indebtedness to be refunded, and no election shall be required as a condition precedent to the issuance of the said refunding securities. The governing body of such eligible city, in addition to the levying of a tax to pay the principal and interest of said refunding bonds, is authorized to pledge to the payment of such principal and interest, a designated annual amount or a designated proportion of the net revenues from the operation of any one or more of the utility systems owned and operated by said city, which pledge shall remain in full force and effect so long as any part of the principal or interest of said refunding bonds is outstanding and unpaid. For the purposes of this Act the expression "net revenues" shall mean the gross revenues of such system or systems after the payment of the reasonable and necessary expenses of operation, maintenance, and collection of income and the payment of interest on and principal of any and all bonds theretofore issued, the payment of which is secured by a pledge of the revenues of any or all of said systems. When such city issues refunding bonds under the provisions of this law it shall be the duty of the city, after making said pledge of such utility revenues, to establish and maintain said utility systems and to fulfill the city's pledge of said utility revenues.

Amount of bond issue; procedure for issuance; registration

Sec. 3. The refunding bonds authorized in this Act may be issued in an amount not exceeding the combined amount of outstanding principal, matured interest coupons, and accrued interest on said original securities and shall mature at such time or times as the governing body may prescribe. The procedure for the issuance of said refunding bonds shall be that which is prescribed in the statutes for the issuance of refunding bonds to take up outstanding bonds.

Such refunding bonds shall be registered by the Comptroller of Public Accounts in exchange for and upon cancellation of such original indebtedness after they shall have been approved by the Attorney General, and when so registered shall have all of the elements of protections of bonds approved by the Attorney General of Texas under the provisions of Articles 709 to 715, both inclusive, of the Revised Civil Statutes of 1925.

Negotiability

Sec. 4. Refunding Bonds issued under this Act shall be fully negotiable coupon bonds payable to bearer, constituting general obligations of the issuing city, and the holders thereof shall succeed to all the privileges of the holders of the indebtedness constituting the basis of the refunding bonds except as modified and changed by the express terms of the proceedings employed in the refunding operation.

Act as cumulative; conflicting laws

Sec. 5. This law shall be cumulative of all other laws on the subject. In the event that any provisions of this Act conflict with, or are incon-
Art. 1118v. Refunding outstanding revenue bonds issued for certain utilities or combination of utilities

Section 1. Any incorporated city or town, including any home rule city, which now has or hereafter may have outstanding revenue bonds payable from and secured by a pledge of revenues from the operation of its electric light and power system, gas system, water system, sewer system, or any combination of two or more of such systems, and other outstanding revenue bonds payable from and secured by a pledge of revenues from the operation of another of any such system or systems, which bonds have been issued in the manner provided by Articles 1111 to 1118, Vernon's Texas Civil Statutes, as amended, or under any similar law, may issue refunding bonds to refund such outstanding bonds and pledge the revenues derived from the operation of all the systems whose revenues are pledged for the payment of the bonds to be refunded (regardless of the fact one or more issues of outstanding bonds to be refunded are payable from the revenues of one or more particular systems, and another issue or issues of such outstanding bonds to be refunded are payable from the revenues of a different system or systems); provided, however, that no bonds payable from and secured by a pledge of revenues of a particular system or systems shall be refunded under this Act unless all bonds then outstanding which are so payable from the revenues of that system or systems are so refunded. Refunding bonds issued under this Act shall bear interest at the same or lower rate than borne by the bonds refunded unless it is shown mathematically that a saving will result in the total amount of interest to be paid.

Sec. 2. The provisions of this Act shall be cumulative of other laws.

Acts 1957, 55th Leg., p. 479, ch. 229.

Section 3 of the Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

Art. 1118w. Street transportation systems; power to own, construct, acquire, operate, etc.; revenue bonds

Power to own, hold, purchase, construct, operate, etc.

Section 1. Any city or town, including any Home Rule City operating under Title 28, Revised Civil Statutes of the State of Texas of 1925, as amended (hereinafter referred to as "city" or "such city") shall have power to own, hold, purchase, construct, improve, extend and operate street transportation systems for the carrying of passengers for hire within such city, its suburbs and adjacent areas.

Revenue bonds or notes; power to issue, etc.

Sec. 2. Any such city shall have full power to issue bonds and notes from time to time and in such amounts as it shall consider necessary or appropriate for the acquisition, purchase, construction, improvement or extension of such street transportation systems. All such bonds and notes shall be fully negotiable and may be made redeemable before maturity, at
the option of the issuing city, at such price or prices and under such terms and conditions as may be fixed by the issuing city in the ordinance authorizing such bonds or notes. Such bonds and notes shall be sold for such price as the governing body of the city shall consider to be for the best interest of such city, provided that no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at a rate of more than six per cent (6%) per annum, computed with relation to the absolute maturity of the bonds or notes in accordance with standard tables of bond values, excluding however, from such computations the amount of any premium to be paid on redemption of any bonds or notes prior to maturity. Subject to the restrictions contained in this Act each such governing board is given complete discretion in fixing the form, conditions and details of such bonds and notes.

Approval of obligations by Attorney General; incontestability

Sec. 3. Prior to delivery thereof, all bonds and notes authorized to be issued hereunder and the records relating to their issuance shall be submitted to the Attorney General of Texas for examination and if he finds that they have been issued in accordance with the Constitution and this Act, and that they will be binding special obligations of the city issuing same, he shall approve them, and thereupon they shall be registered by the Comptroller of Public Accounts of the State of Texas, and after such approval and registration they shall be incontestable.

Notice of bond issue ordinance; petition for election

Sec. 4. Before passage of an ordinance authorizing the issuance of bonds or notes under this Act, the governing body of such city shall give notice of the time when such ordinance is to be passed. Such notice shall be published in a newspaper of general circulation in such city, in at least two (2) issues thereof, the date of the first publication to be not less than fourteen (14) days prior to the date so fixed for passage of the ordinance. Unless prior to the scheduled time for passing the ordinance a petition is filed with the City Secretary, signed by not less than ten per cent (10%) of the qualified voters of the city who have duly rendered their property for taxation, requesting that an election be held on the question of issuing such bonds or notes, the governing body may proceed in the issuance thereof without an election. If such petition is duly filed, it shall be the duty of the governing body to proceed in the manner prescribed in Chapter I of Title 22 of the Revised Civil Statutes of Texas of 1925, with an election on the question, and such bonds or notes shall not be issued unless a majority of the voters, voting at such election, vote favorably on the question. The governing body within its discretion may call an election for the issuance of the bonds or notes without awaiting the filing of a petition requesting a referendum election.

Power to encumber; additional security

Sec. 5. In order to secure the payment of such bonds or notes such cities shall have full power and authority to encumber all or any part of such street transportation systems, the properties thereof, the revenues therefrom, the franchise thereof, and everything pertaining thereto acquired or to be acquired, including but not limited to properties, both real and personal, including motor buses or other vehicles, machinery and other equipment of any nature used in the operation thereof. As additional security for the payment of any such bonds or notes, any such
city may, by the terms of the instrument evidencing such encumbrance, grant to the purchaser under the power of sale in such instrument, a franchise to operate any such transportation system, and the properties thereof so purchased, for a term of not over twenty-five (25) years after purchase, subject to all laws regulating same then in force. No such obligation of any such system shall ever be a debt of such city, but solely a charge upon the properties, including the pledged revenues, of the system so encumbered and shall never be reckoned in determining the power of any such city to issue any bonds or notes for any purpose authorized by law. But no such city shall be prohibited from making payment of such bonds or notes out of any other funds which may be lawfully used for the purpose. Any such city shall have full power and authority to encumber separately any item of real estate or personalty, including motor buses or other vehicles, machinery or other equipment of any nature, or to acquire, use, hold, contract for any such property under any lease arrangement, chattel mortgage or conditional sale, including but not limited to transactions commonly known as equipment trust transactions. Nothing herein shall be construed as prohibiting any such city from encumbering any one or more transportation systems for the purpose of purchasing, building, constructing, mortgaging, enlarging, extending, repairing, or reconstructing another one or more of said systems and purchasing necessary property, both real and personal in connection therewith.

Additional bond issues; extension or improvement of system; lien of bonds

Sec. 6. Any city issuing bonds or notes payable from and secured by a pledge of revenue from the operation of a street transportation system and while all or part of such bonds remain outstanding, shall have the power, from time to time, and on one or more occasions to issue bonds or notes for the purpose of extending or improving, or both, any such transportation system, or to acquire another or other such transportation system or systems, and such bonds or notes shall constitute a lien upon the revenues, in the order of their issuance, inferior to the liens securing the payment of any or all issues and series of bonds or notes previously issued; provided, however, the foregoing provisions shall not be construed to prevent the passage of an ordinance or execution and issuance of any deed of trust, trust indenture, or similar instrument, providing therein for the subsequent issuance of additional bonds or notes on a parity with or of equal dignity with the previously issued revenue bonds or notes, and where any such ordinance, deed of trust, trust indenture or similar instrument may so provide, any such city shall have the power to authorize, issue, and sell additional bonds or notes, from time to time and in different series, payable from the revenues of such transportation system, and the revenues to be derived from such added sources, on a parity with bonds or notes previously issued and secured by liens on such transportation system, on a parity with and of equal dignity with the lien securing bonds or notes previously issued, subject to such conditions as may be contained in the ordinance, deed of trust or trust indenture providing for or securing such issue of original bonds or notes.

Refunding bonds or notes

Sec. 7. Refunding bonds or notes may be issued for the purpose of refunding the bonds or notes of a single series or issue or two (2) or more issues or series of bonds or notes and such refunding bonds or notes shall enjoy the same priority of lien on the revenues pledged to their pay-
For Annotations and Historical Notes, see Vernon's Texas Annotated Statutes

ment as pledged to the bonds or notes refunded, provided that when two (2) or more series or issues of bonds or notes are refunded in a single issue of refunding bonds or notes the lien of all such refunding bonds or notes shall be equal if all of the outstanding bonds or notes of the several series or issues of bonds or notes to be refunded are thus refunded. No refunding bonds or notes shall attain any degree or priority of lien greater than that enjoyed by the series or issues then to be refunded having the highest priority of lien. Such refunding bonds or notes shall bear interest at the same or lower rate than borne by the bonds or notes refunded, unless it is shown mathematically that a saving will result in the total amount of interest to be paid and that the annual principal and interest burden will not be increased so as to infringe upon or impair the rights of the holders of any bonds or notes, if any, enjoying a prior or inferior lien. Any such bonds or notes may be so refunded by the issuance of refunding bonds or notes, either to be exchanged for the bonds or notes being refunded and cancelled, or to be sold, with the proceeds thereof to be used for the redemption and cancellation of the bonds or notes being refunded. Such city may provide in any refunding bond or note issue such money as may be needed for paying any call premium and for payment of interest to the date fixed for calling for redemption the outstanding bonds or notes.

Operating expenses as first lien on income; priorities of liens; rates

Sec. 8. Whenever the revenues of any street transportation system shall be encumbered under this law, the expense of operation and maintenance, including all salaries, labor, materials, interest, repairs, and extensions necessary to render efficient service and every proper item of expense shall always be a first lien and charge against such revenues. Provided, that only such extensions, as in the judgment of the governing body of such city, are necessary to keep the system in operation and render adequate service to such city and the inhabitants thereof, or such as might be necessary to meet some condition which would otherwise impair the original securities shall be a charge prior to any existing lien. The fares charged for transportation of passengers by any transportation system may be based on a zone system of determining fares or other fare classification determined by such city to be reasonable. There shall be charged and collected for such service a sufficient rate to pay all operating, maintenance, depreciation, replacement charges (and to provide for extensions to the extent permitted and limited hereby) and to provide and maintain in the manner and at the times prescribed in such ordinances, deeds of trust and indentures, money sufficient for debt service and reserves for the security and orderly payment of such bonds or notes. Except as may be otherwise permitted under the ordinance authorizing or the deed of trust or indenture securing the bonds or notes, no part of the revenues of any such system shall ever be used to pay any other debt, expense, or obligation of such city, except that any such city may receive payments from any such system in lieu of ad valorem taxes previously paid by the owners of an acquired system until the indebtedness so secured shall have been finally paid.

Obligations as legal investments

Sec. 9. All such bonds and notes shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, saving and loan associations and insurance companies. Such bonds and notes shall be eligible to secure the deposit of any and all public funds of the State of Texas and

Tex.St.Supp. '58—10
any and all public funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas, and such bonds and notes shall be lawful and sufficient security for said deposits to the extent of the principal amount thereof, or their value on the market, whichever is the lesser, when accompanied by all unmatured coupons appurtenant thereto.

Records and accounts; annual reports; penalties

Sec. 10. It shall be the duty of the mayor of such city to install and maintain, or cause to be installed and maintained, a complete system of records and accounts showing the revenues collected and showing separately the amount either expended or set aside for operation, salaries, labor, materials, repairs, maintenance, depreciation, replacements, extensions, and for debt service as to such bonds or notes. It shall likewise be the duty of the superintendent or manager of such system to file with the mayor of such city, not later than February 1st, a detailed report of the operations for the year ending January 1st preceding, showing the total sums of money collected and the balance due, as well as the total disbursements made and the amounts remaining unpaid as the result of operation of such system during such calendar year. Failure or refusal on the part of the mayor to install and maintain, or cause to be installed and maintained, such system or records and accounts within ninety (90) days after the completion of such system, or on the part of such superintendent or manager, to file or cause to file such report, shall constitute a misdemeanor and, on conviction thereof, such mayor or superintendent or manager shall be subject to a fine of not less than One Hundred Dollars ($100) nor more than One Thousand Dollars ($1,000); and any taxpayer or holder of such indebtedness residing within such city shall have the right, by appropriate civil action in the District Court of the County in which such city is located, to enforce the provisions of this Act.

Management pending encumbrance; lease of system

Sec. 11. During the time any such system is encumbered either as to its revenues or as to both its physical properties and revenues, the management and control of such system may by the terms of the instrument evidencing such encumbrance, be placed with the governing body of such city, or may be placed with a board of trustees to be named in such instrument, consisting of not more than five (5) members, one (1) of whom shall be the mayor of such city. The compensation of such trustees shall be fixed by such instrument, but shall never exceed two per cent (2%) of the gross receipts of such system in any one (1) year. The terms of office of such board of trustees, their powers and duties, the manner of exercising same, the election of their successors, and all matters pertaining to their organization and duties may be specified in such instrument. In all matters where such instrument is silent, the laws and rules controlling the governing body, of such city shall govern said board of trustees so far as applicable. The governing body of any such city or any board of trustees in whose management and control any such system may be placed, with the approval of the governing body of such city, evidenced by adoption of a resolution, in lieu of operating any such system, shall have power and authority to enter into any lease or other contractual arrangement for the operation of same by any privately owned and operated corporation in consideration of such rentals either guaranteed or contingent, based on revenues or gross profits or net profits, or any other basis of compensation, which may be determined to be reasonable by such govern-
CHAPTER THIRTEEN—HOME RULE

Art. 1182c—1. Cities which have annexed territory within water control and improvement or supply districts

Application

Section 1. This Act shall apply to all incorporated cities and towns, including Home Rule Cities, and those operating under general laws or special charters (hereinafter called “city” or “cities”), which have heretofore annexed, or hereafter may annex, all or any part of the territory within one (1) or more water control and improvement districts or fresh water supply districts, which districts were organized for the primary purpose of providing such municipal functions as the supply of fresh water for domestic or commercial uses, or the furnishing of sanitary sewer service, any or all. Such cities shall succeed to the powers, duties, assets, and obligations of such district or districts in the manner and to the extent hereinafter provided. Nothing herein shall prohibit any city from continuing to operate utility facilities within such districts in which such facilities are owned and are operated by such city at the effective date of annexation. This Act shall not apply in the case of any such district, the territory of which is now situated in more than one (1) incorporated city.

Taking over assets and liabilities; contracts

Sec. 2. In case all the territory within any such district is so annexed, such city shall take over all properties and assets, shall assume all debts, liabilities and obligations and shall perform all functions and services of such district, and after such annexation such district shall be abolished at the time and in the manner as provided in the sentence immediately following. The governing body of such city shall, by ordinance, designate the date upon which the city shall take over, shall assume all debts, and such district shall be abolished, and said date shall be in no event later than ninety (90) days after the effective date of such annexation; provided, that if the city fails to adopt such ordinance, the city shall
automatically take over and assume such debts and the district shall be abolished ninety (90) days after the effective date of such annexation.

In case less than all of the territory within any such district is so annexed, the governing authorities of such city and district shall be authorized to enter into contracts in regard to the division and allocation of duplicate and overlapping powers, functions and duties between such agencies, and in regard to the use, management, control, purchase, conveyance, assumption and disposition of the properties, assets, debts, liabilities and obligations of such district. Any such district is expressly authorized to enter into agreements with such city for the operation of the district’s utility systems and other properties by such city, and may provide for the transfer, conveyance or sale of such systems and properties of whatever kind and wherever situated (including properties outside the city) to such city upon such terms and conditions as may be mutually agreed upon by and between the governing bodies of such district and city. Such operating contracts may extend for such period of time not exceeding thirty (30) years as may be stipulated therein and shall be subject to amendment, renewal or termination by mutual consent of such governing bodies. No such contract shall contain any provision impairing the obligation of any existing contract of such city or district.

In the absence of such contract, such district shall be authorized to continue to exercise all the powers and functions which it was empowered to exercise and perform prior to such annexation, and the city shall not duplicate services rendered by the district within the district’s boundaries without the district’s consent, but may perform therein all other municipal functions in which the district is not engaged.

Dissolution of water control and improvement districts within city

Sec. 2a. All water control and improvement districts which have heretofore been created out of territory which, at the time of such creation, was situated wholly within the corporate limits of any incorporated city may be abolished in the manner herein provided. The governing body of such city shall be authorized, by majority vote, to adopt an ordinance abolishing such water control and improvement district if such governing body finds (a) that such water control and improvement district is no longer needed or (b) that the services furnished and functions performed by such district can be served and performed by the city and (c) that it would be to the best interests of the citizens and property within said district and the citizens and property within such city that such district be abolished, and (d) that the Board of Directors of such water control and improvement district shall have adopted a resolution evidencing the consent of such Board of Directors to abolition of such water control and improvement district.

If prior to the date when an ordinance adopted pursuant to this Section shall take effect, or within thirty (30) days after the same takes effect, or the publication of same, a petition signed and verified by the qualified voters of the city equal in number to ten percent (10%) of the total vote cast at the city election next preceding the filing of said petition shall be filed with the city secretary protesting against the enactment or enforcement of such ordinance, it shall be suspended from taking effect and no action theretofore taken under such ordinance shall be legal or valid. Immediately upon the filing of such petition the secretary shall present it to the governing body of the city. Thereupon the governing body shall immediately reconsider such ordinance and if it does not entirely repeal the same shall submit it to popular vote at the next municipal elec-

Art. 1182c—1

For Annotations and Historical Notes, see Vernon’s Texas Annotated Statutes

Sec. 3. When any district bonds, warrants or other obligations payable in whole or in part from ad valorem taxes have been assumed by such city, the governing body of such city shall thereafter levy and cause to be collected upon all taxable property within such city, taxes sufficient to pay principal of, and interest on, such bonds, warrants or obligations as they respectively become due and payable. Such city shall be authorized to issue refunding bonds in its own name to refund any bonds, warrants or other obligations, including unpaid earned interest thereon, so assumed by it. Such refunding bonds shall be issued in the manner provided in the Bond and Warrant Law of 1931, as heretofore or hereafter amended, provided that it shall not be necessary to give any notice of intention to issue such refunding bonds and no right of referendum thereon shall be available.

Sec. 4. When all of the territory within such a district has been annexed as hereinabove provided and in cases where such district has outstanding bonds, warrants or other obligations payable from the net revenues from the operation of any utility system or properties, such city shall nevertheless take over and operate such system or properties and shall apply the net revenues from the operation thereof to the payment of such outstanding district revenue bonds, warrants or other funded obligations in all respects as though the district had not been abolished. If such city does not itself have outstanding revenue bonds, warrants or other obligations payable from, and secured by a pledge of, the net revenues of its own utility system or properties of like kind, such city may, at its option, combine such utility system or properties acquired from such district with

its own similar utility system or properties and in such case the net revenues of the combined system or properties shall automatically be pledged to the payment of principal of, and interest on, any such assumed bonds, warrants or other obligations so secured.

If such city does have outstanding bonds, warrants or other funded obligations payable from, and secured by a pledge of, the net revenues of the city's said utility system or properties of like kind, then, until the refunding hereinafter authorized has been accomplished, the city shall continue to operate former properties of the district separate and apart from any similar properties of the city and shall not commingle in any way the revenues of such several systems. Such city shall faithfully perform all duties, functions and obligations imposed by law or by contract upon the governing body of such district in regard to the outstanding bonds, warrants or other obligations payable from the revenues of such former district's utility system or properties and shall likewise, separate and apart, perform all duties, functions and obligations imposed upon such city in connection with its own revenue bonds, warrants or other obligations; provided that overhead expenses may be allocated between any two (2) or more such systems or properties in direct proportion of the gross income of each.

Revenue refunding bonds

Sec. 5. Any such city shall have authority to issue revenue refunding bonds in its own name for the purpose of refunding outstanding district revenue bonds, warrants or other obligations (including unpaid accrued interest thereon) assumed by such city and shall also have authority to combine any number of different issues of both district and city revenue bonds, warrants or other obligations into one series of revenue refunding bonds and pledge the net revenues of such utility systems or properties to the payment of such refunding bonds as the governing body shall deem proper. The provision of Articles 1111 to 1118, Vernon's Texas Civil Statutes, as amended, shall apply to such revenue refunding bonds except as otherwise provided herein and provided that no election for the issuance of such bonds shall be necessary. Such refunding bonds shall bear interest at the same or lower rate than that borne by the obligations refunded, unless it is shown mathematically that a saving will result in the total amount of interest to be paid.

Newly incorporated cities or towns

Sec. 6. When any city or town is newly incorporated over all or any part of the territory within a water control and improvement district or a fresh water supply district, the governing body may adopt an ordinance making the provisions of this Act applicable to such city or town and, upon the adoption of such an ordinance by a vote of not less than two-thirds (%) of the entire membership of such governing body, the provisions of this Act shall thereafter be applicable to such city or town and to such districts situated in whole or in part therein.

Such agreement shall further provide for a division of duties between the respective cities relative to continued performance of the functions and services of the district, and shall state a date when the abolition of the district shall be effective. Provided however, that such agreement need be adopted by ordinance passed by the respective cities wherein such district lies, which ordinance need be finally adopted prior to the effective date for abolition of the district as set out in such agreement. Such district or districts upon notice of intention given by the governing bodies of the cities wherein such district lies that such cities intend to enter into an agreement dissolving the district, shall upon request provide such cities with any and all information available to the district necessary for the preparation of such agreement.

Obligations of district; assumption by city

Such properties as are taken over from district may be converted into and made a part of the cities own utility system. Such cities shall faithfully perform all duties, functions and obligations imposed by law or by contract upon the governing body of such district in regard to the outstanding bonds, warrants or other obligations assumed by them payable from the revenues of the former district’s utility system or properties.

service; and (c) to apply for and accept grants from the Federal Government or other sources in connection with any such assistance, study, or report, and to contract, with respect thereto. The regular functions of the Texas State Department of Health may be utilized on this program, provided that any additional employees shall be paid from sources other than General Revenue Funds of the State.

Effective 90 days after May 23, 1957, date of adjournment.

Title of Act:
An Act authorizing the State Department of Health to arrange planning assistance for municipalities of twenty-five thousand (25,000) population or less, and to accept grants therefor under the provisions of the Federal Housing Act of 1954 or from other sources; and declaring an emergency. Acts 1957, 55th Leg., p. 235, ch. 112.

Art. 1269l—3. Urban Renewal Law

Short Title

Section 1. This Act shall be known and may be cited as the "Urban Renewal Law."

Findings and Declarations of Necessity

Sec. 2. It is hereby found and declared that there exist in cities of the State slum and blighted areas (as herein defined) which constitute a serious and growing menace, injurious and inimical to the public health, safety, morals and welfare of the residents of the State; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, necessitating excessive and disproportionate expenditures of public funds for the preservation of the public health and safety, for crime prevention, correction, prosecution, and punishment and for the treatment of juvenile delinquency and for the maintenance of adequate police, fire and accident protection and other public services and facilities, and that the existence of such areas constitutes an economic and social liability, substantially impairs or arrests the sound growth of such cities and retards the provision of housing accommodations; that the prevention and elimination of slum and blighted areas is a matter of State policy and State concern in order that the State and its cities shall not continue to be endangered by areas which are focal centers of disease, constitute pernicious environments for the young, and while contributing little to the tax income of the State and its cities, consume an excessive proportion of its revenues because of the extra services required for police, fire and other forms of protection; that by such prevention and elimination property values, freed from the depressing influence of blight, will be stabilized, and tax burdens will be distributed more equitably, and the financial and capital resources of the State, required for the prosperity of, and provision of necessary governmental services to, its people, will be strengthened; that this menace can best be remedied by conjunctive action of private enterprise, of the cities through the regulatory process and the exercise of other powers provided hereunder, and of other public bodies, acting pursuant to approved urban renewal plans; that the carrying out of plans for a program of voluntary or compulsory repair and rehabilitation of buildings and improvements in such areas, the public acquisition of real property and demolition or removal of buildings and improvements where necessary to eliminate slum conditions or conditions of blight or to prevent the development, spread or recurrence of such conditions in such areas, the disposition of any property acquired in such areas incidental to the foregoing, and any assistance which may be given by any public body in connection therewith, are public uses and
Art. 1269l-3 REVISED CIVIL STATUTES

purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.

It is further found and declared that slum and blighted areas, if permitted to continue without the governmental aids herein provided, will produce the conditions and evils hereinabove enumerated; that a slum area or a badly deteriorated area may require clearance therefrom of the buildings and improvements thereon, as provided in this Act, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that a less deteriorated area, a deteriorating area, or an area blighted for other reasons may, through the means provided in this Act, be susceptible of rehabilitation in such manner that the conditions and evils hereinabove enumerated may be remedied or prevented; and that it is the intent of this Act that to the greatest extent feasible, and compatible with sound and enduring urban renewal objectives—to wit, eliminating slums and urban blight, preventing the spread or recurrence thereof, and remedying the physical causes thereof in terms of blighted properties—private enterprise shall, in the administration of this Act, be encouraged to carry out such objectives to the extent of its capacity to do so with the assistance of the aids herein provided.

Not Available for Public Housing

Sec. 3. No real property acquired under the provisions of this Act shall be sold, leased, granted, conveyed or otherwise made available for any public housing.

(n) "Real Property" shall include all lands, including improvements and fixtures thereon, and property of any nature appurtenant thereto, or used in connection therewith, and every estate, interest, right and use, legal or equitable, therein, including terms for years and liens by way of judgment, mortgage or otherwise.

Finding of Necessity by City Council

Sec. 5. No city shall exercise any of the powers conferred upon cities by this Act until after the City Council shall have adopted a resolution, after giving notice and ordering an election on the question of whether the City Council shall adopt such resolution, finding that: (1) one or more slum or blighted areas exist in such city; and (2) the rehabilitation, conservation, or slum clearance and redevelopment, or a combination thereof, of such area or areas is necessary in the interest of public health, safety, morals or welfare of the residents of such city. Such notice shall be published at least twice in the newspaper officially designated by the City Council and shall state that on a date certain, which
date shall be stated in the notice and shall be not less than sixty (60) days after the publication of the first of such notices, the City Council will consider the question of whether or not it will order an election to determine if it should adopt such a resolution. On the date specified in the notice to consider such question the City Council may, on its own motion, call an election to determine whether it shall adopt such a resolution and shall, in any event, call such election if there has been presented to it during such period a petition that such election be held, signed by at least five per cent (5%) of the legally qualified voters residing in such city and owning taxable property within the boundaries thereof, duly rendered for taxation. If it be determined to call such an election, at least thirty (30) day's notice thereof shall be given. Notwithstanding any other provisions of this Act, no powers granted by this Act shall be exercised by any city until an election shall have been held as herein provided with a majority of the votes cast at such election being cast in favor of the exercise of such powers by such city. Only qualified voters residing in said city, owning taxable property within the boundaries thereof, who have duly rendered the same for taxation, shall be entitled to vote at such election. If a majority of those voting at such election shall vote in favor of the adoption of such resolution, the City Council shall then be authorized to adopt it. If a majority of those voting at such election shall vote against the adoption of such resolution, the City Council shall not adopt it and such resolution shall not again be proposed within the period of one (1) year.

Workable Program

Sec. 6. A city, in furtherance of the urban renewal objectives of this Act, may formulate a workable program for utilizing appropriate private and public resources (including those specified in Section 8 hereof) to encourage needed urban rehabilitation, to provide for the redevelopment of slum and blighted areas, or to undertake such of the aforesaid activities or other feasible municipal activities as may be suitably employed to achieve the objective of such a workable program. Such workable program should include specifically, without limitation, provision for the prevention of the spread of blight into areas of the city which are free from blight, through diligent enforcement of housing and occupancy controls and standards; the rehabilitation or conservation of slum and blighted areas, in so far as it shall be practicable to convert them into areas free from blight, by replanning, removing congestion, providing parks, playgrounds and other public improvements, encouraging voluntary rehabilitation, and compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of slum areas.

Preparation and Approval of Urban Renewal Plan

Sec. 7. (a) A city shall not prepare an urban renewal plan for an urban renewal area unless the City Council has, by resolution, determined such an area to be a slum area or a blighted area or a combination thereof, and designated such area as appropriate for an urban renewal project. The City Council shall not approve an urban renewal plan until a general plan for the city has been prepared. A city shall not acquire real property for an urban renewal project unless the City Council has approved the urban renewal plan in accordance with subsection (d) hereof.

(b) Any person or agency, public or private, may submit an urban renewal plan to the city. Prior to its approval of such an urban renewal plan, the City Council shall submit such proposed plan to the urban renewal agency and the planning commission of the city, if any, for review.
and recommendations as to its conformity with the general plan for the development of the city as a whole. The agency and planning commission shall submit their written recommendations with respect to the proposed urban renewal plan to the City Council within thirty (30) days after receipt of the plan for review. Upon receipt of such recommendations or, if no recommendations are received within said thirty (30) days, then without such recommendations, the City Council may proceed with the hearing on the proposed urban renewal plan prescribed by subsection (c) hereof.

(c) The City Council shall hold a public hearing on the proposed urban renewal plan before it may approve the urban renewal plan, after notice of hearing has been given by publication three (3) times in a newspaper having a general circulation in the city, the first of which notices shall be published at least thirty (30) days prior to the hearing. Such notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area and shall outline the general scope of the urban renewal project under consideration.

(d) Following such hearing, the City Council may approve an urban renewal plan if it finds that (1) a feasible method exists for the location of families or individuals who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families or individuals; (2) the urban renewal plan conforms to the general plan of the city as a whole; and (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the city as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

(e) An urban renewal plan may be modified at any time; provided, that if modified after the lease or sale by the city of real property in the urban renewal project area, such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. If any proposed modification of the urban renewal plan adopted for an area should affect the street layout, land use, public utilities, zoning, if any, open space and density, then such modification shall not be made until it has been submitted to the planning commission and a report rendered to the City Council as outlined in subsection (b) hereof.

(f) Upon the approval of an urban renewal plan by the city, the provisions of said plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto.

(g) In any urban renewal area or project, if there exists a building or buildings in good state of repair and so located that the building or buildings can be incorporated into the renewal project pattern or plan adopted for that area, such building or buildings shall not be acquired without the consent of the owner or owners; provided further that if any owner of property in such area agrees to use such property in a manner not inconsistent with the purposes of the urban renewal plan and the improvements on such property do not constitute a fire or health hazard, then such property shall not be subject to the powers of eminent domain. Any property owner shall have the right to contest before the City Council such powers of eminent domain as respects his individual ownership and shall have the right of appeal to the District Court with a trial de novo.

(h) Notwithstanding any other provisions of this Act, where the local governing body certifies that an area is in need of redevelopment or rehabilitation as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe respecting which the Governor of the State has certi-
Encouragement of Private Enterprise

Sec. 8. A city, to the greatest extent it determines to be feasible in carrying out the provisions of this Act, shall afford maximum opportunity, consistent with the sound needs of the city as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A city shall give consideration to this objective in exercising its powers under this Act, including the formulation of a workable program, the approval of urban renewal plans (consistent with the general plan of the municipality), the exercise of its zoning powers, and enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements.

Powers

Sec. 9. A city shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this Act, including the following powers in addition to others herein granted:

(a) To conduct preliminary surveys to determine if the undertakings and carrying out of urban renewal projects is feasible.

(b) To undertake and carry out urban renewal projects within its area of operation.

(c) To make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this Act.

(d) To provide or arrange or contract for the furnishing or repair by any person or agency, public or private, of services, privileges, works, streets, roads, public utilities or other facilities for or in connection with an urban renewal project; to install, construct and reconstruct streets, utilities, parks, playgrounds, and other public improvements necessary for carrying out urban renewal projects.

(e) To acquire by purchase, lease, option, gift, grant, or bequest, devise, eminent domain or otherwise, any real property (or personal property for its administrative purposes) together with any improvements thereon, necessary or incidental to an urban renewal project; to hold, improve, clear or prepare for redevelopment any such property; to mortgage, pledge, hypothecate or otherwise encumber or dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the city against any risks or hazards, including the power to pay premiums on any such insurance; and to enter into any contracts necessary to effectuate the purpose of this Act.

(f) To invest any urban renewal project funds held in reserves or sinking funds or any such funds not required for immediate disbursements, in property or securities in which banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to Section 15 of this Act at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be cancelled.

(g) To borrow money and to apply for and accept advances, loans, grants, contributions and any other form of financial assistance from the Federal Government, the State, County or other public body or from any
sources, public or private, for the purposes of this Act, and to give such security as may be required and to enter into and carry out contracts in connection therewith. A city may include in any contract for financial assistance with the Federal Government for an urban renewal project such provisions and conditions imposed pursuant to Federal Law as the city may deem reasonable and appropriate and which are not inconsistent with the purposes of this Act.

(h) Within its area of operation, to make or have made all plans necessary to the carrying out of the purposes of this Act and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify and amend such plans. The city is authorized to develop, test and report methods and techniques and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight, and to apply for, accept and utilize grants of funds from the Federal Government for such purposes.

(i) To prepare plans and provide reasonable assistance for the relocation of persons (including families, business concerns, and others) displaced from an urban renewal project area to the extent essential for acquiring possession of and clearing such area or parts thereof to permit the carrying out of the urban renewal project.

(j) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this Act, and to levy taxes and assessments for such purposes; to close, vacate, plan or replan streets, roads, sidewalks, ways or other places; to plan or replan, zone or rezone any part of the city and to make exceptions from building regulations; and to enter into agreements with an urban renewal agency vested with urban renewal powers under Section 15 of this Act (which agreements may extend over any period, notwithstanding any provision or rule or law to the contrary), restricting action to be taken by such city pursuant to any of the powers granted by this Act; provided, however, that no taxes or assessments shall be levied under authority or for the purposes of this Act unless and until such levy shall first have been submitted to a vote of the property-owning taxpayers of said city, and said proposition shall have received a majority of the votes cast as being “for” such levy.

(k) Within its area of operation to organize, coordinate and direct the administration of the provisions of this Act as they apply to such city in order that the objective of remediying slum and blighted areas and preventing the causes thereof within such city may be most effectively promoted and achieved, and to establish such new office or offices of the city or to reorganize existing offices in order to carry out such purpose most effectively.

(l) To exercise all or any part or combination of powers herein granted.

Eminent Domain

Sec. 10. A city shall have the right to acquire by condemnation any interest in any real property, including a fee simple title thereto, which it may deem necessary for or in connection with an urban renewal project under this Act; provided, however, that if any such urban renewal project shall include a "slum clearance and redevelopment section," as that term is hereinafter defined, which section a city shall propose to clear for redevelopment and re-use other than for a public use, a city may not acquire by condemnation any such "slum clearance and redevelopment section" or portion thereof, unless it shall appear, and the City Council shall have found and determined, by resolution duly adopted, that the rehabilitation of such section without clearance would be impractical, infeasible
and ineffective, based upon its finding that at least fifty per cent (50%) of the structures in such section are dilapidated beyond the point of feasible rehabilitation, or are otherwise unfit for rehabilitation, and that there exist other blighting characteristics, such as overcrowding of structures on the land, mixed uses of structures, narrow, crooked, inconvenient, congested, unsafe or otherwise deficient streets, or deficiencies in public utilities or recreational and community facilities. A city may exercise the power of eminent domain in the manner provided in Articles 3264 to 3271, both inclusive, Revised Civil Statutes of Texas, 1925, and acts amendatory thereof or supplementary thereto. Property already devoted to a public use may be acquired in like manner; provided, that no real property belonging to the State, or any political subdivision thereof, may be acquired without its consent. The term "slum clearance and redevelopment section," as that term is used in this Section, shall be construed as meaning, and shall mean, any substantial contiguous part or portion of an urban renewal area which a city shall propose to acquire and clear of all buildings, structures and other improvements thereon for redevelopment and re-use in accordance with the urban renewal plan.

Relocation of transmission lines, etc.

Sec. 10a. In the event any city or urban renewal agency or other public body, in exercising any of the powers conferred by this Act, makes necessary the relocation, raising, re-routing or changing the grade of or altering the construction of any railroad, electric transmission line, telephone or telegraph property or facility, or pipeline, all such necessary relocation, raising, re-routing, changing of grade or alteration of construction, shall be accomplished at the expense of the city, urban renewal agency or other public body making the same necessary.

Disposal of Property in Urban Renewal Area

Sec. 11. (a) A city may sell, lease, or otherwise transfer real property or any interest therein acquired by it, and may enter into contracts with respect thereto, in an urban renewal area for residential, recreational, commercial, industrial or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be in the public interest or necessary to carry out the purposes of this Act, all of which shall be written into the instrument transferring or conveying titles; provided, that such sale, lease, other transfer, or retention or any agreement relating thereto may be made only after approval of the urban renewal plan by the City Council. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with conditions enumerated in the deed of conveyance, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than the fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a city shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by the purchaser or lessee or by the city retaining the property; the objectives of such plan for the prevention of the recurrence of slums or blighted areas; and such other matters as the city shall specify as being appropriate. The
Art. 1269l—3 REVISED CIVIL STATUTES

city or renewal agency in an instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee may sell any or all of the unimproved property without profit to the seller. The purchaser, after improving a parcel or parcels of land in accordance with the plan of development adopted for the area, may sell the same before he completes the development of the area or tract of land he purchased; provided, however, that such sale of parcel or parcels of improved land will not relieve him from the obligation of completing the development of the area of land that he had purchased. The purchaser likewise may sell a parcel or parcels of land that he has purchased for redevelopment to another person who will be obligated to improve the parcel or parcels purchased by him in accordance with the plan of development for that project; provided, however, that such resale of any unimproved parcel of land will be without profit to the seller and provided that any subsequent purchaser will be obligated to improve the property as provided by the urban renewal plan and the conditions set forth in the deed of conveyance. Real property acquired by a city which, in accordance with the provisions of the urban renewal plan, is to be sold to private developers shall be sold as rapidly as feasible in the public interest consistent with the carrying out of the provisions of this urban renewal plan.

Any instrument executed by a city or urban renewal agency and purporting to convey any right, title or interest in any property under this Act shall be presumed to be executed in compliance with the provisions of this Act in so far as title or other interest of any bona fide lessees or transferees or purchasers, of such property is concerned.

(b) All sales of real property in an urban renewal area to private persons shall be sold upon competitive sealed bids after advertising in the official publication or newspaper of general circulation, said advertisement to be published once at least fifteen (15) days before such sale, inviting bids for purchase of real estate in the urban renewal area in whole or parcels as the city may determine. Prior to the advertising for bids for the sale of any real estate the city shall adopt as part of the specifications in the general plan of improvement the conditions that will be binding upon the purchaser, his heirs, assigns or successors in title as the case may be. The city or renewal agency shall have the right to accept the highest and best responsible bid and the purchase price must be paid in cash. If the city or agency shall be of the opinion that the bids are not satisfactory in adequacy of price, or bid, they may reject all and readvertise; provided, however, that the agency will not make a sale of any property unless the price and conditions are approved by the governing body of the city. It is the declared policy of this Act that any real estate acquired in connection with an urban renewal and rehabilitation project shall be sold by the city or urban renewal agency within a reasonable length of time for purposes applicable to each project, save and except that land the city will retain for the use of the general public for municipal purposes. Land to be resold shall be resold within a reasonable time, taking into account the general economic condition at that time.

(c) Any real estate except real property not fit for human habitation or real property declared sub-standard by any governmental agency, acquired in an urban renewal area may be temporarily leased by the city, provided that any such temporary lease shall provide for the right of cancellation so that the city may sell or dispose of the property for the purposes intended by this Act.

(d) Any real property acquired under the terms of this Act which is not, within a reasonable length of time, devoted to a purpose or pur-
poses applicable to the urban renewal project for which it was acquired, may, after notice, be repurchased by the former owner as a matter of right, at the price for which it was acquired from him, less any actual damages sustained by him by virtue of such taking of his land, unless the land be devoted to such purpose or purposes within sixty (60) days after such former owner shall have given the record owner and the city notice in writing of his intention to exercise his right of repurchase; provided, that after such repurchase by such former owner, any building or buildings placed or allowed to remain on such property shall be made to conform to the pattern and intent of the urban renewal project if and when it be carried out.

(e) Any purchaser, lessee, or subsequent purchaser or lessee referred to above as private developers of any portion of the lands acquired under this Act is expressly authorized to give said lands as security for loans for the purpose of financing the development of the property. Such purchasers and lessees are expressly authorized to execute and deliver to any lenders, notes, deeds of trust with powers of sale, mortgages and any other instruments which may be required in connection with obtaining and securing the repayment of such loans, it being the intention of this section that purchasers, and lessees of such lands have all the rights, titles and incidents of ownership therein which are enjoyed by purchasers and lessees of lands generally, and that as such purchasers and lessees they be entitled to mortgage and encumber said lands either for purchase price or for improvements in accordance with the objectives of this Act as any other purchaser or lessee of land in Texas might be entitled to do, and that any subsequent owner or lessee of said land who might acquire title by virtue of a foreclosure of any lien given to secure such indebtedness or by conveyance or assignment in satisfaction of debt shall become the owner or lessee of said land subject only to the restrictive covenants with respect to the use and improvement of said land which might be set forth in the original conveyance from the municipality, and subject in no manner to any condition precedent or condition subsequent which might result in reverter or forfeiture of title and without restraint as to the amount for which said property may thereafter be resold or leased.

Property Exempt from Taxes and from Levy and Sale by Virtue of an Execution

Sec. 12. (a) All property of a city, including funds, owned or held by it for the purposes of this Act shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall judgment against a city be a charge or lien upon such property; provided, however, that the provisions of this Section shall not apply to or limit the right of obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this Act by a city on its rents, fees, grants or revenues from urban renewal projects.

(b) Where real estate property in the project area is acquired and is owned as a part of the project by the city or the urban renewal agency and such project is not subject to ad valorem taxes by reason of its ownership due to the provisions of Section 12(a) hereof there may be, as a part of gross project cost, reasonable payments in lieu of taxes.

Co-operation of Public Bodies

Sec. 13. (a) For the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project located within the
area in which it is authorized to act, any public body may, if it determines that such project will benefit and be of advantage to the public body or its residents, upon such terms, with or without consideration, as it may determine: (1) dedicate, sell, convey or lease any of its interest in any project or grant easements, licenses, or other rights or privileges therein to a city; (2) incur the entire expense of any public improvements made by such public body in exercising the powers granted in this Section; (3) do any and all things necessary to aid or co-operate in the planning or carrying out of an urban renewal plan; (4) lend, grant or contribute funds to a city; (5) enter into agreements which may extend over any period notwithstanding any provision or rule of law to the contrary with a city or other public body respecting action to be taken by such public body pursuant to any of the powers granted by this Act, including the furnishing of funds or other assistance in connection with an urban renewal project; and (6) cause public buildings and public facilities, including parks, playgrounds, recreational, community, educational, water, sewer, or drainage facilities, or any other works which it is otherwise empowered to undertake to be furnished; furnish, dedicate, pave, install, grade, regrade, plan or replan streets, roads, sidewalks, ways or other places; plan or replan, zone or rezone any part of the public body or make exceptions from building regulations; and cause administrative and other services to be furnished to the city. If at any time title to or possession of any urban renewal project is held by the Federal Government, the provisions of the agreement referred to shall inure to the benefit of and may be enforced by the Federal Government. As used in this subsection, the term "city" shall also include an urban renewal agency vested with all of the urban renewal project powers pursuant to the provisions of Section 15.

(b) Any sale, conveyance, lease or agreement provided for in this Section may be made by and between public bodies without appraisal, public notice, advertisement or public bidding.

(c) For the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of an urban renewal agency hereunder, a city (in addition to its other powers and upon such terms, with or without consideration, as it may determine) may do and perform any or all of the actions or things which, by the provisions of subsection (a) of this Section, a public body is authorized to do or perform, including the furnishing of financial and other assistance.

(d) For the purpose of this Section or for the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of a city, such city may in addition to any authority to issue bonds pursuant to Section 15 hereof, issue and sell its general obligation bonds. Any bonds issued by a city pursuant to this Section shall be issued in the manner and within the limitations prescribed by the laws of this State for the issuance and authorization of bonds by such city for public purposes generally.

Title of Purchaser

Sec. 14. Any instrument executed by a city or by an urban renewal agency and purporting to convey any right, title or interest in any property under this Act shall be conclusively presumed to have been executed in compliance with the provisions of this Act in so far as title or other interest of any bona fide purchasers, lessees or transferees of such property is concerned.
Sec. 15. (a) A city itself may exercise its urban renewal project powers (as herein defined) or may, if the City Council by resolution determines such action to be in the public interest, elect to have such powers exercised by an urban renewal agency created by Section 16 hereof. In the event the City Council makes such determination, the urban renewal agency shall be vested with all of the urban renewal project powers in the same manner as though all such powers were conferred on such agency instead of the city. If the City Council does not elect to make such determination, the city in its discretion may exercise its urban renewal project powers through a board or commission or through such officers of the city as the City Council may by resolution determine.

(b) As used in this Section, the term “urban renewal project powers” shall include the rights, powers, functions and duties of a city under this Act, except the following: the power to determine an area to be a slum or blighted area or combination thereof and to designate such area as appropriate for an urban renewal project; the power to approve and amend urban renewal plans and to hold any public hearings required with respect thereto; the power to establish a general plan for the locality as a whole; the power to establish a workable program under Section 6; the power to make the determinations and findings provided for in Section 5, Section 7(d) and Section 8; the power to issue general obligation bonds; and the power to appropriate funds, to levy taxes and assessments, and to exercise other powers provided for in Section 9(j).

(c) In the event the city elects to create an urban renewal agency under the terms of this Act, no renewal or rehabilitation project shall be undertaken by the agency unless the area proposed to be a renewal or rehabilitation area and the plan of improvement of the project area is approved by the governing body of such city.

(d) An urban renewal agency created by Section 16 hereof, shall, in addition to all other powers which may be vested in it, have power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this Act, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the urban renewal agency derived from or held in connection with its undertaking and carrying out of urban renewal projects under this Act; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the Federal Government or other source, in aid of any urban renewal projects of the urban renewal agency under this Act, and by a mortgage of any such urban renewal projects, or any part thereof, title to which is in the urban renewal agency. Bonds issued under this Section of this Act shall not constitute an indebtedness of the State of Texas or any county or political subdivision of such state other than the issuing urban renewal agency, and shall not be subject to the provisions of any other law relating to the authorization, issuance or sale of bonds. Bonds issued under this Section of this Act are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempt from all taxes. Bonds issued under this Section shall be authorized by resolution or ordinance of the governing body of the urban renewal
agency and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rates or rate, not exceeding six per centum (6%) per annum, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto. Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area of operation and in such other medium of publication as the urban renewal agency may determine or may be exchanged for other bonds on the basis of par; provided, that such bonds may be sold to the Federal Government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the Federal Government, the balance may be sold at private sale at not less than par at an interest cost to the urban renewal agency of not to exceed the interest cost to the urban renewal agency of the portion of the bonds sold to the Federal Government. In case any of the officials of the urban renewal agency whose signatures appear on any bonds or coupons issued under this Act shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this Act shall be fully negotiable. In any suit, action or proceeding involving the validity or enforceability of any bond issued under this Act or the security therefor, any such bond reciting in substance that it has been issued by the urban renewal agency in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purposes and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this Act.

(e) All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business; all insurance companies, insurance associations, and other persons carrying on an insurance business; and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or other obligations issued by an urban renewal agency pursuant to this Act; provided that such bonds and other obligations shall be secured by an agreement between the issuer and the Federal Government in which the issuer agrees to borrow from the Federal Government and the Federal Government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which (together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this Section to authorize any persons,
political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this Section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

Urban Renewal Agency

Sec. 16. (a) There is hereby created in each city a public body corporate and politic to be known as the “urban renewal agency” of the city; provided, that such agency shall not transact any business or exercise its powers hereunder until or unless the City Council has made the findings prescribed in Section 5 and has elected to have the urban renewal project powers exercised by an urban renewal agency as provided in Section 15, and has submitted such proposition to a vote of the people of said city, and received a favorable vote thereon, as provided in Section 5 of this Act.

(b) If an urban renewal agency is created by the city under this Act to exercise the powers of this Act, the mayor, by and with the advice and consent of the City Council, shall appoint a board of commissioners of the urban renewal agency which shall consist of not less than five (5) members nor more than nine (9) members who shall serve for two (2) years. The commissioners shall designate one of their number to serve as Chairman and one as Vice-chairman, for terms of one (1) year, respectively. A commissioner must be a resident citizen of the city and a real property owner. The actual number of commissioners of the urban renewal agency shall be determined by the City Council at the time of appointment and the number may not be increased or decreased more than once every two (2) years. At the time of their original appointment, a bare majority of the commissioners shall be designated to serve for one (1) year and the remaining for two (2) years, respectively. In the event of a vacancy caused by death, removal from the city or any valid cause, such vacancy shall be filled in the same manner as the original appointment but only for the unexpired term. A commissioner shall hold office until his successor has been appointed and has qualified.

(c) A commissioner shall receive no compensation for his services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. A certificate of the appointment or re-appointment of each commissioner shall be filed with the clerk of the city and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A majority of the commissioners shall constitute a quorum; provided, however, that if the agency is composed of five (5), seven (7) and nine (9) members, respectively, any action to be valid must be adopted or rejected by a vote of a majority of the total commissioners of the agency. An urban renewal agency may employ an executive director, technical experts and such other agents and employees, permanent and temporary, as it may require, and determine their qualifications, duties and compensation. For such legal service as it may require, an agency may employ or retain its own counsel and legal staff. An agency authorized to conduct business and exercise powers under this Act shall file with the city on or before March 31st of each year a report of its activities for the preceding calendar year, or quarterly if requested by the City Council. Said report shall include a complete financial statement by the agency setting forth its assets, liabilities, income and operating expense as of the end of such calendar year. At the time of filing the report, the agency shall publish
a notice in a newspaper of general circulation in the city that such report has been filed with the city and that the report is available for inspection during business hours in the office of the city secretary and in the office of the agency.

(d) For inefficiency or neglect of duty or misconduct in office, a commissioner may be removed by the City Council only after a hearing and after he shall have been given a copy of the charges at least ten (10) days prior to such hearing and have had an opportunity to be heard in person or by counsel.

Judicial Proceedings

Sec. 17. In all suits brought to review, modify, suspend, or satisfy rules, orders, decisions, or other acts of the City Council, or other agency, the trial shall be de novo, as that term is used and understood in an appeal from a Justice of the Peace Court to the County Court. In such de novo trials, no presumption of validity or reasonableness or presumption of any character shall be indulged in favor of any such order, rule or regulation, nor shall evidence as to the validity or reasonableness thereof be heard, and the determination in respect thereto shall be made upon facts found therein, as in other civil cases, and the procedure for such trials and the determination of the orders and judgments to be entered therein shall be governed solely by the rules of law, evidence and procedure prescribed for the courts of this State by its Constitution, statutes and rules of procedure applicable to the trial of civil actions. It is the intent of the Legislature that such trial shall be strictly de novo and that the decision in each such case shall be made independently of any action taken by the Board, upon preponderance of the evidence adduced at such trial and entirely free of the so-called "substantial evidence" rule enunciated by the courts in respect to orders of other administrative or quasi-judicial agencies.

Interested Public Officials, Commissioners or Employees

Sec. 18. No public official or employee of a city (or board or commission thereof) and no commissioner or employee of an urban renewal agency which has been vested by a city with urban renewal project powers under Section 15 hereof, shall voluntarily acquire any interest, direct or indirect, in any urban renewal project or in any property included or planned to be included in any urban renewal project of such city or in any contract or proposed contract in connection with such urban renewal project. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the City Council and such disclosure shall be entered upon the minutes of the City Council. Such official or employee shall then, within three (3) months after such involuntary disclosure, either resign his position, or divest himself of his interest in such urban renewal project. If any such official, commissioner or employee shall own or control or shall have owned or controlled within the preceding two (2) years, any interest, direct or indirect, in any property which he knows is included or planned to be included in any urban renewal project, he shall immediately disclose this fact in writing to the City Council, and such disclosure shall be entered upon the minutes of the City Council, and any such official, commissioner or employee shall not participate in any action by the City (or board or commission thereof), or urban renewal agency affecting such property. Any disclosure required to be made by this Section to the City Council shall concurrently be made to any urban renewal agency which has been vested with urban renewal project powers by the city pursuant to the provisions of Section 15. No commissioner
or other officer of any urban renewal agency, board or commission exercising powers pursuant to this Act shall hold any other public office under the city other than his commissionership or office with respect to such urban renewal agency, board or commission. Any violation of the provisions of this Section shall constitute misconduct in office.

Separability of Provisions

Sec. 19. Notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that if any provision of this Act, or the application thereof to any person or circumstances, is held invalid, the remainder of the Act and the application of such provisions to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.

Inconsistent Provisions

Sec. 20. In so far as the provisions of this Act are inconsistent with the provisions of any other law, the provisions of this Act shall be controlling but shall not repeal any charter provision of any home rule city which provides for the same purposes set forth in this Act and shall be considered cumulative of the powers of the cities.

Additional Conferred Powers

Sec. 21. The powers conferred by this Act shall be in addition and supplemental to the powers conferred upon cities by any provision of the Constitution of Texas, the general laws of the State of Texas, or by the charters of home rule cities of the State of Texas.

Right to repurchase

Sec. 22. Provided, however, the original owner from which property was acquired hereunder by condemnation or through the threat of condemnation, shall have the first right to repurchase at the price at which same shall be offered. Acts 1957, 55th Leg., p. 704, ch. 298.

Effective 90 days after May 23, 1957, date of adjournment.

Sec. 9. The Commission shall make provisions for open, competitive and free examinations for persons making proper application and meeting the requirements as herein prescribed. All eligibility lists for applicants for original positions in the Fire and Police Departments shall be created only as a result of such examinations, and no appointments shall ever be made for any position in such Departments except as a result of such examination, which shall be based on the applicant's knowledge of and qualifications for fire fighting and work in the Fire Department, or for police work in the Police Department, as shown by competitive examinations in the presence of all applicants for such position, and shall provide for thorough inquiry into the applicant's general education and mental ability.

An applicant who has served in the armed forces of the United States and who received an honorable discharge shall receive five (5) points in addition to his competitive grades.

Appropriate physical examinations shall be required of all applicants for beginning or promotional positions, and the examinations shall be given by a physician appointed by the Commission and paid by such city; and in the event of rejection by such physician, the applicant may call for further examination by a board of three (3) physicians appointed by the Commission, but at the expense of the applicant, and whose findings shall be final. The age and physical requirements shall be set by the Commission in accordance with provisions of this law and shall be the same for all applicants. Provided no person shall be certified as eligible for a beginning position who has reached his thirty-sixth birthday.

All police officers and firemen coming under this Act must be able to intelligently read and write the English language.

When a Fireman or Policeman is given a physical examination to determine if he is physically able to continue his duties, the physician appointed by the Commission to make such examination shall submit a complete physical report to the Chief of the Fire Department if the person so examined is a Fireman, and to the Chief of the Police Department if the person so examined is a Policeman. The Chief of each respective Department shall be the sole judge as to whether or not such Fireman or Policeman is able to continue his duties. As amended Acts 1957, 55th Leg., p. 1171, ch. 391, § 2.

Probationary and full-fledged firemen and policemen

Sec. 12. A person who has received appointment to the Fire Department or Police Department hereunder, shall serve a probationary period of six (6) months. During such probationary period, it shall be the duty of the Fire Chief or head of the Fire Department or Police Chief or head of the Police Department to discharge all Firemen or Policemen whose appointments were not regular, or not made in compliance with the provisions of this Act, or of the rules or regulations of the Commission, and to eliminate from the payrolls any such probationary employee. When Firemen or Policemen, however, have served the full probationary period, having been appointed in substantial compliance with Sections 9, 10, and 11 of this Act and not otherwise, they shall automatically become full-fledged civil service employees and shall have full civil service protection. All positions in the Fire Department, except that of Chief or head of the Department, and in the Police Department,
except that of Chief or head of the Department, shall be classified by
the Commission and the positions filled from the eligibility lists as pro-
vided herein.

All offices and positions in the Fire Department or Police Depart-
ment shall be established by ordinance of the City Council or governing
body, provided however that the failure of a City Council or governing
body to establish a position by ordinance shall not result in the loss of
Civil Service benefits under this Act by any person appointed to such
position in substantial compliance with the provisions of Sections 9, 10
and 11 of this Act, or entitled to Civil Service Status under Section 24 of
this Act. As amended Acts 1957, 55th Leg., p. 1171, ch. 391, § 3.

Notice of examinations

Sec. 13. Ten (10) days in advance of any entrance examination
or examination for promotion, the Commission shall cause to be posted
on a bulletin board located in the main lobby of the city hall, and the
office of the Commission, and in plain view, a notice of such examina-
tion, and said notice shall show the position to be filled or for which ex-
amination is to be held, with date, time, and place thereof, and in case
of examination for promotion, copies of such notice shall be furnished in
quantities sufficient for posting in the various stations or subdepart-
ments in which position is to be filled. No one under eighteen (18)
years of age shall take any entrance examination, and appointees to the
Police and Fire Department shall not have reached their thirty-sixth
birthday for entrance into the Fire Department or Police Department.
The results of each examination for promotion shall be posted on a bul-
letin board located in the main lobby of the city hall by the Commission
within twenty-four (24) hours after such examination. As amended Acts
1957, 55th Leg., p. 1171, ch. 391, § 4.

Promotions; filling vacancies

Sec. 14. The Commission shall make rules and regulations gov-
erning promotions and shall hold promotional examinations to provide
eligibility lists for each classification in the Police and Fire Departments,
which examinations shall be held substantially under the following re-
quirements:

A. All promotional examinations shall be open to all policemen
and firemen who have held a continuous position for two (2) years or more
in the classification immediately below in salary of that classification for
which the examination is to be held; except where there is not a sufficient
number of members in the next lower position with two (2) years service
in that position to provide an adequate number of persons to take the
examination, the Commission may extend the examination to the mem-
bers in the second lower position in salary to that for which the examina-
tion is to be held.

B. Each applicant shall be given one (1) point for each year of
seniority in his Department, but never to exceed ten (10) points.

C. The Commission shall formulate proper procedure and rules for
semi-annual efficiency reports and grade of each member of the Police or
Fire Departments, which efficiency reports shall be made on each man by
his immediate superior, and each efficiency report shall be based on thirty
(30) points as the highest grade in efficiency. The immediate superior
officer of each member, after completing such report, shall deliver the
Art. 1269m

original and two (2) copies, with suggestions for improvement and reasons for grade, to his immediate superior officer, who shall correct and approve the same and forward one (1) copy to the member reported on, and forward the original and one (1) copy to the Head of the Department who shall retain one (1) copy and forward the original to the Commission for filing. Upon examination for promotion each applicant shall receive a credit of not to exceed thirty (30) points based on the average of his semi-annual efficiency reports filed with the Commission from the effective date of this Act, but not to exceed the last two (2) semi-annual efficiency reports prior to the time of examination.

D. All applicants shall be given an identical examination in the presence of each other, which promotional examination shall be entirely in writing and no part of which shall be by oral interview, and all of the questions asked therein shall be prepared and composed in such a manner that the grading of the examination papers can be promptly completed immediately after the holding of the examination and shall be prepared so as to test the knowledge of the applicants concerning information and facts, and all of said questions shall be based upon material which has been made available to all members of the Fire or Police Department involved and shall be based upon the duties of the position sought and upon any study courses given by such Departmental Schools of Instruction and upon the applicant's efficiency. When one of the applicants taking an examination for promotion has completed his answers, the grading of such examination shall begin, and all of the examination papers shall be graded as they are completed, at the place where the examination is given and in the presence of any applicants who wish to remain during the grading. The grade which shall be placed on the eligibility list for each applicant shall be computed by adding such applicant's points for seniority and his credit based on the average of his last two (2) semi-annual efficiency reports to his grade on such written examination. Grades on such written examinations shall be based upon a maximum grade of seventy (70) points and shall be determined entirely by the correctness of each applicant's answers to such questions. Each applicant shall have the opportunity to examine his examination and his answers thereto together with the grading thereof and if dissatisfied shall, within five (5) days, appeal the same to the Commission for review in accordance with the provisions of this Act. No person shall be eligible for promotion unless he has served in such Department for at least two (2) years immediately preceding the day of such promotional examination in the next lower position or other positions specified by the Commission, and no person with less than four (4) years actual service in such Department shall be eligible for promotion to the rank of Captain.

No person shall be eligible for appointment as Chief or Head of the Fire or Police Department of any city coming under the provisions of this Act who has not been a bona fide firefighter in a Fire Department or a bona fide law enforcement officer for five (5) years in the State of Texas.

E. Upon written request by the Heads of the Departments for a person to fill a vacancy in any classification, the Commission shall certify to the Head of the Department the three (3) names having the highest grades on such eligibility list for such classification for the vacancy requested to be filled, and the Head of such Department shall appoint the person having the highest grade, except where such Head of the Department shall have a valid reason for not appointing such highest name, and in such cases he shall, before such appointment, file his reasons in writing, for rejection of the higher name or names, with the Commission, which reasons shall be valid and subject to review by the Commission upon the application of such rejected person.
The name of each person on the eligibility lists shall be submitted to the Head of the Department three (3) times; and if passed over three (3) times with written reasons filed thereafter and not set aside by the Commission, he shall thereafter be dropped from the eligibility list. All eligibility lists shall remain in existence for one (1) year unless exhausted, and at the expiration of one (1) year they shall expire and new examinations be given.

F. The Commission shall proceed to hold examinations to create eligibility lists within ninety (90) days after a vacancy in any classification occurs, or new positions are created, unless an eligibility list is in existence.

G. In the event any new classification is established either by name or by increase of salary, the same shall be filled by competitive examination in accordance with this law. As amended Acts 1955, 54th Leg., p. 706, ch. 255 § 1; Acts 1957, 55th Leg., p. 1171, ch. 391, § 5.

Employees shall be allowed to accumulate fifteen (15) working days of sick leave with pay in one (1) calendar year.

Sick leave with pay may be accumulated without limit and may be used while an employee is unable to work because of any bona fide illness. In the event that the said employee can conclusively prove that the illness was incurred while in performance of his duties, an extension of sick leave in case of exhaustion of time shall be granted.

In the event that a Fireman or Policeman for any reason leaves the classified service, he shall receive, in a lump sum payment, the full amount of his salary for the period of his accumulated sick leave, provided that such payment shall not be based upon more than ninety (90) working days of accumulated sick leave. Provided, that in order to facilitate the settlement of the accounts of deceased employees of the Fire or Police Departments, all unpaid compensation due such employee at the time of his death shall be paid to the person or persons surviving at the date of death, in the following order or precedence and such payments shall be a bar to recovery by any other person of amounts so paid.

First, to the beneficiary or beneficiaries designated by the employee in writing to receive such compensation filed with the Civil Service Commission prior to the employee's death;

Fifth, if there be none of the above, to the duly appointed legal representative of the estate of the deceased employee, or if there be
none, to the person or persons determined to be entitled thereto under the laws of descent and distribution of the State of Texas.

Provided that all such cities coming under the provisions of this Act shall provide injury leaves of absence with full pay for periods of time commensurate with the nature of injuries received while in line of duty for at least one (1) year. At the expiration of said one-year period, the City Council or governing body may extend such injury leave, at full or reduced pay, provided that in cities that have a Firemen’s or Policemen’s Pension Fund, that if said injured employee’s salary should be reduced below sixty per cent (60%) of his regular monthly salary, said employee shall be retired on pension until able to return to duty. As amended Acts 1955, 54th Leg., p. 706, ch. 255, § 6; Acts 1957, 55th Leg., p. 1171, ch. 391, § 6.

Effective 90 days after May 23, 1957, date of adjournment.

Vacations; accumulations of vacation leave

Sec. 26(a). All firemen and policemen in the classified service shall earn a minimum of fifteen (15) working days vacation with pay in each year. In computing the length of time during which a fireman or policeman may be absent from work for the vacation provided by this Section, only those calendar days during which the member would be required to work if he were not on vacation shall be counted as vacation days. Vacation leave may not be accumulated from year to year, except as approved by the governing body of the city. Added Acts 1957, 55th Leg., p. 1171, ch. 391, § 7.

Upon receiving a petition signed by qualified voters in said city in number not less than ten per cent (10%) of the total number voting in the last preceding municipal election, the governing body of said city shall call an election within sixty (60) days after said petition has been filed with governing body. If at said election a majority of the votes cast shall favor the adoption of this Act, said governing body shall put such Act into effect within thirty (30) days after the beginning of the first fiscal year of said city after said election. The question shall be submitted for the vote of the qualified electors as follows:

TITLE 44—COURTS—COMMISSIONERS

2. POWERS AND DUTIES

Art. 2351a-6. Rural fire prevention districts

Organization authorized

Section 1. Rural Fire Prevention Districts may be organized in the State of Texas under the provisions of Section 48-d of Article III of the State Constitution for the protection of life and property from fire and for the conservation of natural resources as in this Act provided.

District within one county; petition to county judge

Sec. 2. (1) When it is proposed to create a Rural Fire Prevention District under the provisions of this Act wholly within one county, there shall be presented to the County Judge of that county a petition signed by not less than one hundred (100) of the qualified voters who own taxable real property within the proposed district, or in the event there are less than one hundred such voters then by a majority of such voters.

(2) The County Judge of each county shall have jurisdiction to receive and act on the petition if it shows:

(a) That the district is to be created and operated under the provisions of Article III, Section 48-d of the Constitution of Texas;

(b) Name of the proposed district, which shall be "County Rural Fire Prevention District No. —,” filling in name of county and proper consecutive number;

(c) Designation of the boundaries of the proposed district by metes and bounds, or other sufficient legal description;

(d) That none of the land encompassed within said district is now included within any other rural fire protection district;

(e) The mail address of each petitioner.

(3) Said petition shall in addition contain the signed agreement of at least two of the petitioners therein, obligating themselves to pay the cost incident to the formation of the proposed district not to exceed One Hundred Fifty Dollars ($150.00), which shall include, among any other necessary and incidental expenses, the cost of publication of notices and election costs.

Filing of and hearing on petition

Sec. 3. If the petition is in proper form, the County Judge shall file same with the County Clerk. The Commissioners Court shall at its next
regular or special session set the place, day and hour when it will hear and consider the petition.

**Notices of hearing**

Sec. 4. The County Clerk shall issue notices of such hearing, which shall state that such district is proposed and shall further state:
(a) That the district is to be created and operated under the terms of Article III, Section 48-d of the Constitution of Texas;
(b) Name of the proposed district;
(c) Designation of the boundaries of said districts, as stated in the petition therefor;
(d) The place, day and hour of hearing on the petition;
(e) and shall notify all persons who may have an interest therein that they are invited to attend said hearing and present their grounds, if any, for or against the formation of said district.

Said notice shall be prepared in multiple copies, one of which shall be retained by the clerk, and sufficient additional copies as may be necessary delivered to the Sheriff.

The Sheriff shall post one copy at the court house door at least twenty (20) days prior to the date of hearing, and have published in a newspaper of general circulation in the proposed district once a week for two consecutive weeks, the first publication thereof to be made at least twenty (20) days prior to the date of hearing.

The return of each officer executing such notice shall be endorsed or attached to a copy of the same, and show the execution of the same, specifying the dates of posting, and publication, and shall be accompanied by a printed copy of such publication.

**Hearing on petition by commissioners court; jurisdiction and powers**

Sec. 5. At the time and place set for the hearing of the petition, or such subsequent date as may then be fixed, the Commissioners Court shall proceed to hear such petition and all issues in respect to the creation of such proposed district, and any person interested may appear before the court in person or by attorney and contend for or contest the creation of such district, and offer testimony pertinent to any issue thereon. Such court shall have exclusive jurisdiction to determine all issues in respect to the creation of such district, may adjourn the hearing from day to day and from time to time as the facts may require, and shall have power to make all incidental orders deemed proper in respect to the matters before it.

**Granting or denying petition; fixing boundaries of district**

Sec. 6. If it shall appear on hearing by the court that the organization of a district as prayed for is feasible and practicable, would benefit the land included therein, and will be conclusive to the public safety, welfare and convenience, and aid in the conservation of the real property or natural resources within said district, the court shall so find and grant the petition and fix the boundaries thereof; otherwise it shall deny the petition.

**Appeal to district court by persons aggrieved**

Sec. 7. Any person or other owner of real or personal property situated within said district as created, who may consider himself aggrieved by the decision of the Commissioners Court, may appeal to the district court in the same manner as is provided for appeals in cases involving estates of decedents.
Elections

Sec. 8. Upon granting of the petition, the Commissioners Court shall call an election to confirm the organization and authorize the levy of a tax, not to exceed three cents (3¢) on the One Hundred Dollars ($100.00) valuation. The election shall be held not less than thirty (30) nor more than sixty (60) days from the order calling the same; and notice of such election shall be given in the same mode and manner as hereinabove required for hearing on the petition to form the District. The notice shall contain the proposition submitted, the classification of voters who are authorized to vote, and the time and place for holding the election.

Except as modified by this Act the general law relating to elections shall govern the election required by this Act.

The election to confirm the district and to authorize the levy of the tax shall be submitted as a single proposition to the people residing therein who are qualified to vote.

Incorporated city, town or village included in proposed district; referendum

Sec. 8(a). If the area of the proposed District encompasses the territory of any incorporated city, town or village, the Commissioners Court, in making the determinations required in Section 6 of this Act, shall also determine whether those findings would be the same as to the remaining portion of the proposed district excluding any or all such incorporated municipalities in the event any one or more of such incorporated municipalities should fail to cast a majority vote in favor of the district and the tax.

This finding shall be made as to each particular city, town or village whose territory is proposed to be included within the area of the proposed district.

No district hereafter created shall include the area of any incorporated city, town, or village, unless a majority of the electors residing in the municipality and participating in the election called by the Commissioners Court to confirm the district and levy the tax have voted in favor of both the creation of the district and the levy of the tax.

Should a majority of the voters residing in a municipality and participating in the election vote against creation of the district or levy of the tax, the municipality shall not be included within the district, but its exclusion shall not affect the creation of the district embracing the remainder of the proposed territory if the findings of the Commissioners Court made as required in Section 6 and in this section of this Act are favorable to the creation of the district, as thus restricted.

Election favoring confirmation of district; order of commissioners court

Sec. 9. If a majority of those voting at such election, as provided in Section 2 of this Act, vote in favor of the confirmation of the district, it shall thenceforth be deemed an organized Rural Fire Prevention District under this Act; and the Commissioners Court shall enter its order accordingly in its minutes in the following substantial form:

Whereas, at an election duly and regularly held on the ____ day of ______, A. D. 19__, within that portion of ______ County, State of Texas, described as: (insert description unless the district is county-wide) there was submitted to the legal voters thereof the question whether the above described territory shall be formed into a Rural Fire Protection District under the provisions of the laws of this state; and
Whereas, at such election votes were cast in favor of formation of said district and votes were cast against such formation; and

Whereas, the formation of such Rural Fire Prevention District received the affirmative vote of the majority votes cast at such election as provided by law;

Now, therefore, the County Commissioners Court of County, State of Texas, does hereby find, declare and order that the tract hereinbefore described has been duly and legally formed into a Rural Fire Prevention District under the name of, under and pursuant to Article III, Section 48-d of the Constitution of Texas, and with the powers vested in such district conferred by law."

Districts declared political subdivisions of state; powers

Sec. 10. Such fire protection districts are hereby declared to be political subdivisions of the state, and shall have full authority to carry out the objects of their creation and to that end are authorized to acquire, purchase, hold, lease, manage, occupy and sell real and personal property or any interest therein; to enter into and to perform any and all necessary contracts; to appoint and employ the necessary officers, agents and employees; to sue and be sued; to levy and enforce the collection of taxes in the manner and subject to the limitations herein provided against the lands and other property within the district for the district revenues; to accept and receive donations; and to do any and all lawful acts required and expedient to carry out the purposes of this Act.

Further powers of districts

Sec. 11. Any fire protection district organized under the provisions of this Act shall further have authority:

(2) To lease, own and maintain real property, improvements and fixtures thereon suitable and convenient for housing, repairing and caring for fire-fighting equipment;

(3) To enter into contracts with any others, including incorporated cities or towns or other districts whereby fire fighting facilities and fire extinguishment services may be available to the district, upon such terms as the governing body of the district shall determine. The contract may provide for reciprocal operation of service and facilities if the contracting parties find that such operation would be mutually beneficial, and not detrimental to the district.

(4) The Board of Fire Commissioners may cause inspections to be made within the district pertinent to the causes and prevention of fires therein, and may promote such educational programs as it may deem proper to more fully effect the purposes of this Act.

(5) To do and perform all things in its discretion proper and necessary to fully carry out the intent of this Act.

Limitation on indebtedness; tax levy

Sec. 12. No indebtedness shall be contracted in any one year in excess of funds then on hand or which may be satisfied out of current revenues for the year. The Board of Fire Commissioners shall annually levy and cause to be assessed and collected a tax upon all properties, real and personal, situated within the district and subject to taxation, in an amount

The values of property in the said district shall be the same values as are shown on the county tax rolls.

Board of Fire Commissioners; organization, officers; bond of treasurer

Sec. 13. (1) The Board of Fire Commissioners, who shall be appointed by the Commissioners Court, shall be the governing body of the districts created under the provisions of this Act. They shall serve for a term of two years and until their successors are appointed and qualified.

(2) Upon the canvass of the election returns and entering of the order creating the district (provided in Section 9), the Commissioners Court shall name five commissioners to serve until January 1st of the next year. On that date, the court shall designate three of such commissioners to serve for a term of two years and two commissioners to serve for one year. Annually on January 1st thereafter, the court shall appoint a successor to each commissioner whose term has expired. Vacancies on the board shall be filled by the Commissioners Court for their unexpired term.

Each of said fire commissioners shall take the official oath required of members of the Legislature of this state before entering upon his duties.

(3) Said fire commissioners shall choose from their number a president, vice-president, secretary and treasurer, who shall have and perform respectively, the duties usually incumbent upon their said offices. The office of secretary and treasurer may be vested in the same person.

The treasurer shall enter into and file with the county clerk his bond conditioned upon the faithful performance of the duties of his office. The sufficiency and amount of the bond shall be determined by the County Judge before it may be filed.

Powers and duties of fire commissioners; meetings; records; quorum; compensation

Sec. 14. The Board of Fire Commissioners shall administer all the affairs of said district in accordance with the provisions of this Act; shall hold regular monthly meetings, and such other meetings as deemed advisable; and shall keep proper minutes and records of all their acts and proceedings. A majority of said board shall constitute a quorum.

No fire commissioner shall receive any compensation for his services, but when on official business of the district may be compensated for their reasonable and necessary expenses. All moneys of the district shall be disbursed by check signed by the treasurer countersigned by the president, but no payments from tax moneys shall be paid unless a sworn itemized account covering the same has been presented to and approved by the board.

The board shall not later than February 1st of each year render in writing to the Commissioners Court of the county an accounting of its administration for the preceding calendar year and of the financial condition of the district.

The board shall further render such reports as may be required from time to time by the State Fire Marshall and other authorized party or agency.

No fire commissioner shall become interested in any contract or transaction in which said district is a party whereby he may receive any money
consideration or other thing of value, other than as a resident or property owner of the district.

Liberal construction of act; partial invalidity

Sec. 15. The provisions of this Act and proceedings thereunder shall be liberally construed with a view to effect their objects. If any section or provision of this Act shall be adjudged to be invalid or unconstitutional, such adjudications shall not affect the validity of the Act as a whole, or any section, provision, or part thereof not adjudged to be invalid or unconstitutional.

onders Court of a county or the governing body of a city (including home-rule
cities) or town in this state has entered into contracts for the construc-
tion of public works or improvements, the purchase of land or interests
in land, or for the purchase of materials, supplies, equipment, labor, su-

or justice of the peace courts, or the county jail or any other county fa-

purchase and improve the necessary site or sites therefor, and may use
such building or buildings for any or all of such purposes, provided that
any such building or buildings so acquired shall be located in the county
seat, and provided that no justice of the peace court shall be housed, con-
ducted or maintained in any such building if said building is located out
of the boundaries of the precinct of such justice of the peace court.

Use of buildings

Sec. 2. Such building or buildings, when purchased, constructed or
otherwise acquired and equipped may also be used for the purpose of car-
rying on such other public business as may be authorized by the Commis-
sioners Court, and/or the Commissioners Court may also lease or rent any
part or parts of any such building or buildings, (which may not be pre-

of its political subdivisions, and the Federal Government.
Bond issue; levy of taxes

Sec. 3. To pay for the purchase, construction, reconstruction, remodeling, improvement and equipment of any such building or buildings and/or jail or jails, including the purchase and improvement of the site or sites therefor, the Commissioners Court is authorized to issue negotiable bonds of the county and to levy and collect taxes in payment thereof, which taxes shall be levied, pursuant to the authority of Article 8, Section 9 of the Constitution of the State of Texas, as amended, for permanent improvement fund purposes; and such bonds may mature serially or otherwise as may be determined by the Commissioners Court of the county, not exceeding forty (40) years from their date, and such bonds may contain such option or options of redemption or no option of redemption as may be determined by the Commissioners Court; and the issuance of such bonds and the levy and collection of such taxes shall otherwise be in accordance with the provisions of Chapter 1, Title 22, Revised Civil Statutes of Texas, governing the issuance of bonds by cities, towns and/or counties in this State.

Sec. 5. The acquisition or use of any such building or buildings for any of the purposes herein authorized shall not alter, change or affect any requirement of any law to the effect that certain notices shall be posted at the courthouse door of the county; all notices which have heretofore been required to be posted at the courthouse door of the county shall be posted at the door of the main courthouse and nothing in this Act shall require that additional notices shall be posted at the door or doors of the building or of any of the buildings acquired or used pursuant to the authority herein granted.

Provisions cumulative

Sec. 6. The provisions of this Act are in addition to all the powers given by, and are cumulative of, all other provisions of the Laws of the State of Texas on the same subject. Acts 1957, 55th Leg., p. 1386, ch. 476.

Section 7 of the Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.
Art. 2481. Guaranty fund [New].

From the income of each credit union for each fiscal year which remains after the deduction of all expenses for such year, the following amounts shall be credited to a reserve designated as the guaranty fund: twenty per cent (20%) for each of the first five (5) fiscal years of the existence of the credit union, and ten per cent (10%) for each of the remaining fiscal years. The term, "expenses," as used in this Section and the next Section of this Act shall not be construed to include losses on bad debts. The term, "existence," as used herein, includes existence as a predecessor credit union, State or Federal. Said fund belongs to the association and shall be held to meet contingencies and losses in its business. In any fiscal year, the credit union may charge all its losses on bad debts for that year against the guaranty fund to the extent of any balance therein, regardless of whether the net income after expenses is sufficient to cover any of such losses. If the guaranty fund is exhausted, then losses in excess thereof shall be charged against any income after expenses. All entrance fees shall be added at once to the guaranty fund. But upon the recommendation of the Board of Directors, the members at an annual meeting may increase, and whenever said fund equals or exceeds ten per cent (10%) of the amount of capital stock actually paid in, may decrease the amount required by this Article to be credited as a guaranty fund. Formerly article 2482. Reassigned and codified as article 2481 and amended Acts 1957, 55th Leg., p. 679, ch. 285, § 1.

Section 3 of the amendatory Act of 1957 repealed all conflicting laws and parts of laws to the extent of such conflict. Section 4 was a severability provision.

Art. 2482. Dividend [New].

A dividend may be paid from income which has been actually collected from the time the credit union began business to the close of the fiscal year next preceding such payment, after deduction of all expenses and the statutory guaranty fund to the close of said fiscal year. Before any such dividend may be paid, it shall first be declared at the annual meeting. Such dividend shall be paid on all fully paid shares outstanding at the close of the fiscal year, but shares which become fully paid during the year shall be entitled only to a proportional part of said dividend, calculated from the first day of the month following such payment in full. Dividends due to a member shall be paid to him in cash or credited to the account of partly paid shares for which he has subscribed. Dividends shall not exceed six per cent (6%) per annum. Formerly art. 2482. Reassigned and codified as art. 2482 and amended Acts 1957, 55th Leg., p. 679, ch. 285, § 2.

Former article 2482 was reassigned and codified as article 2481 and amended by Acts 1957, 55th Leg., p. 679, ch. 285, § 1.

Repeal of conflicting laws and severability provision of amendatory Act of 1957, see note under art. 2481.
Art. 2514. May incorporate Securities Act inapplicable to sale and issuance of securities, see art. 581-5.

Art. 2603a. Board for lease of oil and gas land

Method of sale of oil and gas

Sec. 4. Whenever there shall be such demand for the purchase of oil and gas in any university land as will reasonably insure that said oil and gas may be sold advantageously, the Board shall place said oil and gas in said lands on the market in separate tracts of such area and extent as the Board may determine most suitable for the profitable marketing thereof, but in no event shall any tract in which oil and gas is offered for sale as a unit exceed an area of six thousand (6,000) acres. The sale of said oil and gas shall be made at public auction and shall be held in Austin, Texas, at any hour between ten o'Clock A.M. and five o'Clock P.M. The Board shall cause an advertisement to be made of such sale in two or more newspapers of general circulation in this state. Such advertisement shall state the method, time and place of sale; the primary term of the lease proposed to be executed covering any sale; the royalty to be paid; and that lists describing the land to be sold may be obtained from the Board; and such other matters as in the judgment of the Board are deemed advisable. In addition to the foregoing mandatory provisions, the Board in its discretion may cause said advertisement to be placed in oil and gas journals in and out of the state and to be mailed generally to such persons as they think might be interested. As amended Acts 1957, 55th Leg., p. 528, ch. 245, § 1.

Sale by competitive bids

Sec. 5. The oil and gas in each tract shall be offered for sale for a bonus in addition to the stipulated royalty. Each tract shall be offered separately. Each bid shall be subject to such royalty as is specified in the official advertisement preceding the sale, but in no event shall be less than one-eighth (1/8) of the gross production of oil and gas in the land; and shall further be subject to the payment of an annual rental after the first year of not less than Ten Cents (10¢) per acre, payable each year in advance, unless the royalties received from such land during the preceding year shall equal or exceed the amount of the annual rental payment; and shall be subject to the payment of a special fee equal to one per cent (1%) of the total sum bid, which special payment shall constitute a special fund from which the Board for Lease is hereby authorized and directed to defray the expenses of the sale, including the payment for the services of the auctioneer crying the sale, and for the payment of the general operating expenses in geologizing, oil field supervision and auditing oil and gas production of university lands, including salaries and traveling expenses of persons employed by the Board of Regents of The University of Texas for said purposes; provided the Board for Lease is also hereby authorized to direct the Comptroller of The University of Texas to transmit to the State Treasurer for deposit to the credit of the Permanent Uni-
versity Fund any unexpended balances remaining in said special fund after reserving a sufficient amount therein for the payment of current expenses as set out herein. The highest successful bidder shall pay to the Commissioner of the General Land Office on the day said bid is accepted the full amount of bonus bid and the fee to defray the expenses provided herein. As amended Acts 1957, 55th Leg., p. 206, ch. 94.

Emergency. Effective April 24, 1957.

Sec. 3. The proceeds from the sale of this property to the Sealy-Smith Foundation shall be a part of the local funds of the Medical Branch of The University of Texas for the use and benefit of the Medical Branch and the consideration received from the sale of this property is hereby appropriated for this purpose.

Sec. 4. The land herein authorized to be conveyed is to be used as a site of a psychopathic hospital, and in the event the land is not so utilized the title to the same shall revert to the Board of Regents of The University of Texas.

Sec. 5. No state funds, either local, from the general revenue, or from other sources, shall be used for the constructing or equipping of this hospital facility.

Tuition Scholarships shall be awarded to students with the approval of the President or other administrative heads of each such respective institution in accordance with such rules and regulations governing the award of such Tuition Scholarships as may be promulgated by the Governing Boards of said respective institutions. (6) Not later than thirty (30) days after the close of each fiscal year, each institution shall transfer any unused balances in the fund set up
for scholarship awards to the tuition income account from which the scholarship fund was established.

(c) The Governing Boards of the several institutions of collegiate rank supported in whole or in part by public funds appropriated from the State Treasury shall cause to be collected from each non-resident student registered for twelve (12) or more semester credit hours of work per semester of four and one-half (4½) months, or for a summer session of twelve (12) weeks, tuition or registration fees as follows: for the year beginning on September 1, 1957, a fee of not less than One Hundred and Twenty-five Dollars ($125) or more than Two Hundred Dollars ($200), such fee to be not less than Fifty Dollars ($50) greater than the fee in effect for non-resident students at the beginning of the preceding year; for the year beginning on September 1, 1958, a fee not less than One Hundred and Seventy-five Dollars ($175) or more than Two Hundred Dollars ($200), providing that no tuition rate shall be reduced thereby; and for the year beginning on September 1, 1959, and thereafter, a fee of not less than Two Hundred Dollars ($200).

(d) Any non-resident tuition may, within the discretion of the institution, be charged to the United States Government for veterans enrolled under the provisions of any Federal law and regulations authorizing educational or training benefits for veterans.

(e) The term "residence" as used in this Act means "domicile"; the term "resided in" means "domiciled in"; provided, the Governing Board of each institution required under this Act to charge a non-resident registration fee is hereby authorized and directed to promulgate such rules and regulations as may be necessary to administer this Act. For the purposes of this Act, the status of a student as a "resident", or "non-resident" student is to be determined as follows:

1. A non-resident student is hereby defined to be a student of less than twenty-one (21) years of age, living away from his family and whose family resides in another state, or whose family has not resided in Texas for the twelve (12) months immediately preceding the date of registration; or a student of twenty-one (21) years of age or over who resides out of the state or who has not been a resident of the state twelve (12) months immediately preceding the date of registration.

2. Individuals who have come from without the state and who are gainfully employed within the state for a period of twelve (12) months prior to registering in an educational institution shall be classified as "resident students" as long as they continue to maintain such legal residence in the state.

3. Individuals who have come from without the state and who register in an educational institution prior to having resided in the state for a period of twelve (12) months shall be classified as "non-resident students," and such "non-resident student" classification shall be presumed to be correct as long as the residence of such individual in the state is during their attendance at educational institutions, regardless of whether such individuals have become qualified voters, registered motor vehicles and paid personal property taxes thereon, obtained Texas drivers' licenses, or have otherwise attempted to establish legal residence within the state; and provided further, that the provisions of this paragraph relating to non-resident student registration fees shall not apply to junior colleges located immediately adjacent to State boundary lines, which institutions shall collect from each non-resident student who registers for twelve (12) or more semester or term hours of work an amount equivalent to the amount charged students from Texas by similar schools in the State of which the said non-resident student shall be a resident.
(4) Individuals of twenty-one (21) years of age or less whose families have not resided in Texas for the twelve (12) months immediately preceding the date of registration, shall be classified as "non-resident students" regardless of whether such individuals have become the legal wards of residents of Texas or have been adopted by residents of Texas while such individuals are attending educational institutions in Texas or within a year prior to such an attendance or under circumstances indicating that such guardianship or adoption was for the purpose of obtaining status as a "resident student."

(f) All aliens shall be classified as "non-resident students"; provided, however, that an alien who is living in this country under a visa permitting permanent residence or who has filed a Declaration of Intention to become a citizen with the proper federal immigration authorities shall have the same privilege of qualifying for resident status for fee purposes under this Act as has a citizen of the United States. Provided, however, that a resident alien residing in a junior college district located immediately adjacent to State boundary lines shall be charged the resident tuition by such junior college.

(g) The Governing Boards of the several state-supported institutions of higher learning are hereby authorized to assess and collect from each non-resident student failing to comply with the rules and regulations of the Governing Boards concerning non-resident fees, a penalty not to exceed Ten Dollars ($10) a semester.

S. degrees the Board of Regents of The University of Texas is authorized to charge the same tuition in effect at the Main University of The University of Texas.

Sections 2-4, 6, of the amendatory Act of 1957 read as follows:

"Sec. 2. It is the intent of the Legislature by increasing the tuition fees at the state-supported institutions of higher education to provide additional funds for both increased teaching salaries and new teaching positions at these institutions, while at the same time providing tuition scholarships to protect any student who would incur financial hardship in paying the increased fees; and such intent shall be a
primary consideration of the Texas Commission on Higher Education in making recommendations to the Legislature, and of the Legislature in appropriating such funds to the respective institutions.

"Sec. 3. All tuition and registration fees collected or becoming due prior to the effective date of this Act shall be governed by the laws existing prior to the passage of this Act, and no additional fee shall be charged to students registering before the effective date of this Act for semesters or terms for which they are registered.

"Sec. 4. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of such conflict. Provided nothing herein shall be construed or intended to repeal Article 2654b, Acts of the Forty-first Legislature, 1929, Second Called Session, Page 90, Chapter 52, Section 1; and Article 2654b-1, Acts of the Forty-third Legislature, 1933, First Called Session, Page 10, Chapter 6, Acts of the Forty-eighth Legislature, 1943, Page 568, Chapter 337, Section 1, and Acts of the Fifty-third Legislature, 1953, Page 75, Chapter 55, Section 1.

"Sec. 6. This Act shall become effective as to tuition and registration fees charged beginning September 1, 1957."

Section 5 of the amendatory Act of 1957 was a severability clause. Section 2 of the Act of 1953 provided that partial invalidity should not affect any other portion of the Act. Section 3 read as follows: "Provided that the terms of this Act shall not be applicable to students, their husbands or wives as the case may be, who are in attendance at institutions of higher learning under contractual arrangements between said institutions and the Armed Forces of the United States, as described in Section 6 [former subsection (6) of section 1 of this article] hereof, whereby the student's tuition is paid by the said Armed Forces."

Art. 2654d—1. Investments and time deposits; student deposit fund

Section 1. That the governing boards of the several State institutions of higher education may, at their discretion, invest in United States Government securities, or place on time deposit with a bank located in the State of Texas, provided such time deposit shall be fully secured by United States Government securities, not more than eighty-five per cent (85%) of the 'General Property Deposits' which is permitted by Chapter 221, Acts of the Regular Session of the Forty-third Legislature (Article 2654d, Section 2, Vernon's Annotated Civil Statutes).

Sec. 2. There is hereby established a student deposit fund which shall be used for the purpose of scholarship awards and for the support of student union programs at the respective institutions in the manner hereinafter set forth. The income from the investment or time deposits shall become a part of this fund, and any general property deposits which heretofore or hereafter remain without call for refund for a period of four (4) years from the date of last attendance at any of the institutions shall be forfeited and become a part of and operative to the permanent use and purpose of the student deposit fund. Direct expenses of the administration of the funds shall be paid from the student deposit fund. Nothing in this Act shall be construed to prohibit refund of any balance remaining in the 'General Property Deposits' when made on proper demand and provided the above limitation of four (4) years has not run. The governing boards of the respective institutions may require that no student withdraw his deposit until he has been graduated or has apparently withdrawn permanently from school.

Sec. 3. The student deposit fund, consisting of the income from the investment or time deposits of the 'General Property Deposits' and forfeited 'General Property Deposits,' as provided in this Act, shall be used, at the discretion of the respective governing boards of the several institutions of higher education, either for the purpose of making student scholarship awards to needy and deserving students, or for the support of a general student union program, or for both such purposes. The governing boards shall administer the scholarship awards for the institutions under their jurisdiction, including the selection of recipients and the amounts and conditions of the awards; provided, however, that the recipients of such awards are residents of the State of Texas as de-
fined for tuition purposes. Any use of such funds for the support of student union programs shall be approved as to amount and purpose by the respective governing boards of the several institutions; provided, however, that at the Main University of The University of Texas, A. & M. College at College Station, and Texas Technological College at Lubbock such funds shall be available for scholarship purposes only. As amended Acts 1957, 55th Leg., p. 1349, ch. 459, § 1.

Art. 2901a. Transfer and placement of pupils to schools within and outside district; transfer of funds and teachers

Legislative finding and declaration of policy

Section 1. The Legislature finds and declares that the rapidly increasing demands upon the public economy for the continuance of education as a public function and the efficient maintenance and public support of the public school system require, among other things, consideration of a more flexible and selective procedure for the establishment of units, facilities and curricula and as to the qualification and assignment of pupils.

The Legislature also recognizes the necessity for a procedure for the analysis of the qualifications, motivations, aptitudes and characteristics of the individual pupils for the purpose of placement, both as a function of efficiency in the educational process and to assure the maintenance of order and good will indispensable to the willingness of its citizens and taxpayers to continue an educational system as a public function, and also as a vital function of the sovereignty and police power of the State.

Continuing studies by State Board of Education

Sec. 2. To the ends aforesaid, the State Board of Education shall make continuing studies as a basis for general reconsideration of the efficiency of the educational system in promoting the progress of pupils in
accordance with their capacity and to adapt the curriculum to such capacity and otherwise conform the system of public education to social order and good will. Pending further studies and recommendations by the school authorities the Legislature considers that any general or arbitrary reallocation of pupils heretofore entered in the public school system according to any rigid rule of proximity of residence or in accordance solely with request on behalf of the pupil would be disruptive to orderly administration, tend to invite or induce disorganization and impose an excessive burden on the available resources and teaching and administrative personnel of the schools.

Authority of local boards; limitation

Sec. 3. Pending further studies and legislation to give effect to the policy declared by this Act, the respective district and county Boards of School Trustees hereinafter referred to as “Local Boards,” are not required to make any general reallocation of pupils heretofore entered in the public school system and shall have no authority to make or administer any general or blanket order to that end from any source whatever, or to give effect to any order which shall purport to or in effect require transfer or initial or subsequent placement of any individual or group in any unit or facility without a finding by the Local Board or authority designated by it that such transfer or placement is as to each individual pupil consistent with the test of the public and educational policy governing the admission and placement of pupils in the public school system prescribed by this Act.

Assignment, transfer and continuance of pupils; authority of local boards; factors to be considered

Sec. 4. Subject to appeal in the respect herein provided, each Local Board of School Trustees shall have full and final authority and responsibility for the assignment, transfer and continuance of all pupils among and within the public schools within its jurisdiction, and may prescribe rules and regulations pertaining to those functions. Subject to review by the Board as provided herein, the Board may exercise this responsibility directly or may delegate its authority to the Superintendent or other person or persons employed by the Board. In the assignment, transfer or continuance of pupils among and within the schools, or within the classroom and other facilities thereof, the following factors and the effect or results thereof shall be considered, with respect to the individual pupil, as well as other relevant matters: Available room and teaching capacity in the various schools; the availability of transportation facilities; the effect of the admission of new pupils upon established or proposed academic program; the suitability of established curricula for particular pupils; the adequacy of the pupil’s academic preparation for admission to a particular school and curriculum; the scholastic aptitude and relative intelligence or mental energy or ability of the pupil; the psychological qualification of the pupil for the type of teaching and associations involved; the effect of admission of the pupil upon the academic progress of other students in a particular school or facility thereof; the effect of admission upon prevailing academic standards at a particular school; the psychological effect upon the pupil of attendance at a particular school; the possibility or threat of friction or disorder among pupils or others; the possibility of breaches of the peace or ill will or economic retaliation within the community; the home environment of the pupil; the maintenance or severance of established social and psychological relationships with other pupils and with teachers; the
choice and interests of the pupil; the morals, conduct, health and personal standards of the pupil; the request or consent of parents or guardians and the reasons assigned therefor.

In considering the factors and the effect or results thereof the Board or its agents shall not consider and shall not use as an element of its evaluation any matter relating to the national origin of the pupil or the pupil's ancestral language.

Local Boards may require the assignment of pupils to any or all schools within their jurisdiction on the basis of sex, but assignments of pupils of the same sex among schools reserved for that sex shall be made in the light of the other factors herein set forth.

Mutual agreements between local boards

Sec. 5. Local Boards may, by mutual agreement, provide for the admission to any school of pupils residing in adjoining districts whether in the same or different counties, and for transfer of school funds or other payments by one Board to another for or on account of such attendance.

Teachers; assignment and reassignment

Sec. 6. Subject to the provisions of law governing the tenure of teachers, Local Boards shall have authority to assign and reassign or transfer all teachers in schools within their jurisdiction.

Objections to or petition for assignment of pupil; hearing; investigations; examination of pupils

Sec. 7. A parent or guardian of a pupil may file in writing with the Local Board objections to the assignment of the pupil to a particular school, or may request by petition in writing assignment or transfer to a designated school or to another school to be designated by the Board. Unless a hearing is requested, the Board shall act upon the same within thirty (30) days, stating its conclusion. If a hearing is requested the same shall be held beginning within thirty (30) days from receipt by the Board of the objection or petition, at a time and place within the school district designated by the Board.

The Board must conduct such hearing and such hearing shall be final on behalf of the Board.

In addition to hearing such evidence relevant to the individual pupil as may be presented on behalf of the petitioner, the Board shall be authorized to conduct investigations as to any objection or request, including examination of the pupil or pupils involved, and may employ such agents and others, professional and otherwise, as it may deem necessary for the purpose of such investigations and examinations.

Commingling of races; written objection of parent or guardian

Sec. 8. Any other provisions of law notwithstanding, no child shall be compelled to attend any school in which the races are commingled when a written objection of the parent or guardian has been filed with the Board, if such be the decision of the Local Board. If in connection therewith a requested assignment or transfer is refused by the Board, the parent or guardian may notify the Board in writing that he is unwilling for the pupil to remain in the school to which assigned, and the assignment and further attendance of the pupil shall thereupon terminate; and such child shall be entitled to such aid for education as may be authorized by law.
Finality of board's decision; appeal

Sec. 9. The action of the Board shall be final except that in the event that the pupil or the parent or guardian, if any, of any minor or, if none, of the custodian of any such minor shall, as next friend, file exception before such Board to the final action of the Board as constituting a denial of any right of such minor guaranteed under the Constitution of the United States, and the Board shall not, within fifteen (15) days reconsider its final action, an appeal may be taken from the final action of the Board, on that ground alone, to the District Court of the county in which the School Board is located by filing with the Clerk within thirty (30) days from the date of the Board's final decision a petition stating the facts relevant to such pupil as bearing on the alleged denial of his rights under the Constitution, accompanied by bond with sureties approved by the Clerk, conditioned to pay all costs of appeal if the same shall not be sustained.

Prior action by district unaffected

Sec. 9A. Nothing in this Act shall affect any action heretofore taken by any school district in this State covering the subject matter of this Act.

Partial invalidity

Sec. 10. The provisions of this Act are severable, and if any section or provision of this Act shall be held to be in violation of the Constitution of Texas or of the United States, such decision shall not affect the validity or enforceability of the remainder of this Act. Acts 1957, 55th Leg., p. 683, ch. 287.

Emergency. Effective 90 days after May 23, 1957, date of adjournment.

Art. 2906. School terms and attendance; late afternoon and evening school programs

(a) Public schools shall be taught for five days in each week. Schools shall not be closed on legal holidays unless so ordered by the trustees. A school month shall consist of not less than twenty school days, inclusive of holidays, and shall be taught for not less than seven hours each day, including intermissions and recesses.

(b) In school districts having 10,000 schoolastics or more the Board of Trustees of such school district may provide for late afternoon and evening school programs. The Board of Trustees of any district providing for such late afternoon and evening school programs shall determine which pupils shall be admitted or assigned to such school programs. The attendance of eligible pupils as defined from time to time by the policies of the State Board of Education shall be applicable to those pupils attending such late afternoon or evening school programs. As amended Acts 1957, 55th Leg., p. 1258, ch. 419, § 1.

Art. 2906—1. Maintenance of law and order; closing of schools; transfer of pupils

Section 1. The purpose of this Act is to further provide for the maintenance of law, peace, and order in the operation of the public schools without resort to military occupation or control. The duties and powers vested in public officials and school boards under this Act shall be in addition to and cumulative of those with which they are vested
under existing law for accomplishment of the purpose of this Act or any
section thereof.

Sec. 2. The Governor, through the Department of Public Safety,
shall provide assistance when called upon by local authorities to prevent
violence and maintain peace and order in the operation of public schools;
provided that the Texas National Guard and other military forces shall
not be used for direction or control of the operation, or attendance at
such schools. In any instance where the Governor by written proclama-
tion, or the school board having jurisdiction finds that violence or the
danger thereof cannot be prevented except by resort to military force or
occupation of a public school, the school board may close the school and
suspend its operation for such period as the board finds it necessary to
maintain order and the public peace in accordance with the terms of this
Act.

Sec. 2½. In any instance where the school board having jurisdic-
tion finds that violence or the danger thereof cannot be prevented except
by resort to military force or occupation of a public school, and certifies
such fact to the Governor, it shall be the duty of the Governor to close
such school and suspend its operation until such time as the aforesaid
school board shall certify to the Governor that such closure is no longer
necessary in the maintenance of order and public peace; and upon such
certification that the closure is no longer necessary, the Governor must
cancel and annul such closure, and issue a proclamation to that effect.

In the event a school is closed under the provisions of this section,
then the provisions of Sections 4 and 5 of this Act shall apply.

The provisions of this section are in addition to and cumulative of
other provisions of this Act.

Sec. 3. In the event the National Guard or any other military troops
or personnel are employed or used upon order of any Federal authority
on public school property or in the vicinity of any public school for di-
rection or control of the order, operation, or attendance at such school,
the school board having jurisdiction may close the school and suspend its
operation so long as said troops remain on or within the vicinity of the
school for any of such purposes.

Sec. 4. If any school is closed pursuant to Sections 2 and 3 hereof,
the salaries of school officials, teachers, and employees shall not be affect-
ed, and they shall be assigned to such duties as may be determined by
the school board having jurisdiction. Neither shall state aid as provid-
ed by law or school accreditation be affected. The school board may
authorize and provide for the transfer of pupils to another school in the
district upon petition of the parents or persons standing in loco parentis.
Compulsory attendance laws shall not be applicable when pupils are un-
able to attend school because of the application of this Act.

Sec. 5. Upon closure of any school pursuant to Sections 2 and 3 here-
of, the school board and the State Board of Education shall use all per-
sonnel, funds and facilities necessary to provide out-of-classroom in-
struction for the pupils concerned and for the reopening of such school
at the earliest possible time that peace and order can be maintained
without the use or occupation of military forces. Acts 1957, 55th Leg.,
2nd C. S., p. 161, ch. 7.

Effective 90 days after Dec. 3, 1957, date
of adjournment.

In order to help prevent situations which might result in the occupation of public schools by military forces or the closure thereof, the Attorney General is authorized to assist any public school board which requests his assistance in the defense of any lawsuit in a Federal Court which seeks to challenge the constitutionality of a statute of this state; provided that this section shall not apply with respect to any controversy which may occur between a public school board and an agency of the state which, under existing law, the Attorney General is authorized or required to represent. Sec. 4. Information filed pursuant to Section 3 of this Act is hereby declared public and subject to the inspection of any interested party.

Sec. 5. Any person or organization who shall violate any of the provisions of this Act shall be deemed guilty of a misdemeanor and upon

Any bonds or notes heretofore or hereafter issued pursuant to the constitutional provisions described in Section 1 hereof, or issued pursuant to this Act, may be refunded by the governing board which issued any such bonds or notes, upon such terms and conditions, including interest rates and maturities, as may be determined by said Board, provided that such terms and conditions shall not be inconsistent with the applicable constitutional provisions. Any such bonds or notes may be so refunded by the issuance of refunding bonds or notes, either to be exchanged for the bonds or notes being refunded and cancelled, or to be sold, with the proceeds thereof to be used for the redemption and cancellation of the bonds or notes being refunded.

Examination of refunding bonds by Attorney General; incontestability after approval and registration

Sec. 3. Art. 2919g. Annual audit of school district accounts

Section 1. The board of school trustees of each and every school district of the State, whether created under General or Special Law, for the scholastic year beginning September 1, 1957, and annually thereafter, shall have its school district fiscal accounts audited at district expense by a Texas certified or public accountant holding a permit from the Texas State Board of Public Accountancy. Such annual audit shall be completed following the close of each such fiscal year.

Sec. 2. Such independent audit shall meet at least the minimum requirements as shall be, and in such form as may be prescribed by the State Board of Education and approved by the State Auditor.

Sec. 3. Each treasurer (depository) receiving or having control of any school fund of any school district shall keep a full and separate itemized account with each of the different classes of its school funds coming into his hands; provided further, the treasurer's records of the district's itemized accounts and records shall be made available to audit.
Sec. 4. A copy of the annual audit report, approved by the board of school trustees, shall be filed by the district with the Texas Central Education Agency on or prior to the first day of December next following the close of the scholastic year for which audit was made. Where the board of trustees declines or refuses to approve its auditor's report, it shall nevertheless file with the said Central Education Agency a copy of the audit report with its statement detailing reasons for failure to approve same.

Sec. 5. The audit reports shall be reviewed by the Central Education Agency, and the State Commissioner of Education shall notify the board of trustees of objections, violations of sound accounting practices or law and regulation requirements, or of recommendations concerning same should he desire to make any. Where the audit report reflects that Penal Laws have been violated, the Commissioner of Education shall address such information to the appropriate county or district attorney, and to the Attorney General of Texas. The Commissioner of Education shall have access to all vouchers, receipts, district fiscal and financial records, and such other school records as he may deem needed and appropriate for the review, analysis and passing on audit reports.

Sec. 6. CHAPTER NINETEEN A—RURAL HIGH SCHOOLS

Art. 2922a. Authority to establish

Publication of annual financial statements by districts, see art. 29b.

Art. 2922f. Elementary Schools—Abolition, Annexation and Consolidation

No elementary school district shall be abolished, annexed or consolidated with any other elementary school district except in the following manner:

(a) Abolishment. When an elementary school district in any rural high school district fails to have an average daily attendance of at least twenty pupils the preceding scholastic year in the school or schools within said district, it may be discontinued by the board of trustees of such elementary school district; or if such elementary school district does not have a regularly elected and qualified board of trustees, then by the board of trustees of the rural high school district in which it is a component district. The provisions of this subsection shall not, however, apply to any independent school district which has been previously created by a special Act of the Legislature of the State of Texas.

(b) Annexation. After the discontinuance of such school or schools in said elementary school district, the board of trustees of the rural high school district in which it is situated may petition the county board of school trustees for the annexation of such abolished elementary
school district to any other elementary school district in said rural high
school district, which is contiguous thereto; and thereupon such ele-
mentary school district may be abolished by the county board of school
trustees and the territory theretofore comprising said elementary school
district may be annexed to any contiguous elementary school district
in said rural high school district. Such annexation shall be for all pur-
poses. When an elementary school district has thus been enlarged by
annexation of another elementary school district, either its own board
of trustees, or in event it does not have a regularly elected and qualified
board of trustees, then the board of trustees of the rural high school
district in which it is a component district shall have authority to move
or otherwise dispose of the buildings and other property of the discon-
tinued or abolished elementary district as such board of trustees may
in its discretion deem proper and for the benefit of the district as a
whole.

(c) Consolidation. Any one or more of the elementary school dis-
tricts situated in and being a part of a rural high school district may con-
solidate with any one or more of the other elementary school districts
which are also component districts of said rural high school district,
provided they are contiguous, by following the procedure for consolida-
tion in conformity with Article 2806, Revised Civil Statutes of Texas,
1925. In this manner any number or all of the component elementary
districts within a rural high school district may become consolidated
for all school purposes. This consolidation of all of the elementary
school districts within a rural high school district shall not affect in
any manner the rural high school district which has previously existed;
but in cases where all component elementary districts of a rural high
school district consolidate, the consolidation shall result in one com-
ponent elementary school district being situated in and forming the entire
area of a rural high school district and the board of trustees of the rural
high school district shall continue to act as the board of trustees not
only of the rural high school district but also of the enlarged component
district.

(d) Consolidation for all Purposes. When all of the component
elementary districts within a rural high school district shall cease to
maintain separate schools in said districts and shall transfer all scho-
lastics to one central school in the rural high school district where
both elementary and high school grades are maintained under one ad-
ministration, and thereby all elementary schools shall discontinue and
abandon the operation of schools therein, thereupon by following the
procedure for consolidation in conformity with Article 2806, Revised
Civil Statutes of Texas, 1925, all such districts may become one con-
solidated district for both elementary and high school district purposes
and each elementary school district shall cease to maintain any sep-
arate identity. Such consolidated district may maintain its status as
a rural high school district and may thereby become known as a con-
solidated rural high school district or it may through such consolida-
tion proceedings change its status to an independent school district.
The petitions, orders for elections in each district, notices of elections,
order canvassing returns, declaring results and ordering final consoli-
dation shall recite whether or not the district as consolidated shall
maintain its status as a consolidated rural high school district or shall
become a consolidated independent school district, as provided in Ar-
ticle 2806, Revised Civil Statutes of Texas. Such instruments shall like-
wise stipulate the name by which said district is to be known in event
such elections result in affirmative vote for such consolidation in each
of the component districts.
(e) Validation of Previous Annexations and Consolidations. All acts of the school trustees of any elementary school district, the school trustees of any rural high school district, the county board of school trustees in any county in the State of Texas and the County Judge and Commissioners Court in abolishing, annexing and consolidating an elementary school district in any rural high school district in this state and in ordering elections under the provisions of Article 2922f, Chapter 19–a of the Revised Civil Statutes of Texas, are hereby in all things ratified, confirmed and validated, and any and all elections pursuant to such orders where a majority of the voters voting in such elections in each district voted in favor of the consolidation of such districts are hereby in all respects confirmed, ratified and validated. All elections ordered and held in such enlarged consolidated elementary districts or in the rural high school district as a whole following such consolidation for the purpose of authorizing a maintenance tax, assumption of bonded indebtedness and authorization of construction bonds, and which elections resulted favorably to the levy of such taxes, the assumption of such bonded indebtedness and the issuance of new construction bonds, are hereby ratified, confirmed and validated. All consolidation proceedings, elections and orders had under the provisions of Article 2922f, Chapter 19–a, of the Revised Civil Statutes of Texas, whereby all component elementary school districts of an existing rural high school district consolidated for school purposes, and in the proceedings for such consolidation the consolidated district was considered as a rural high school district, and in all cases subsequent to such election the board of trustees of such rural high school district, the county and state school authorities and the voters of said district have recognized such consolidated district as a consolidated rural high school district, are hereby in all respects ratified, confirmed and validated and all such districts shall be and are hereby declared to be consolidated rural high school districts by such consolidation proceedings to the same extent as if such district had been consolidated under the provisions of this Act. This validating section shall not apply to any such district which on the effective date hereof is involved in litigation which questions the legality of the creation of such district, or the validity of any election held in the creation thereof of any election held subsequent thereto for the purpose of authorizing the levy of maintenance taxes, the assumption of bonded indebtedness or the issuance of new construction bonds. As amended Acts 1957, 55th Leg., p. 1252, ch. 416, § 1.

Section 2 of the amendatory Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

Section 3 repealed all conflicting laws and parts of laws to the extent of such conflict.

Art. 2922i. Warrants

Budgets and accounting systems, common and rural high school districts, see art. 689a–19a.

Art. 2922l(8). Collector of taxes in certain districts; appointment; duties; compensation; bonds

Section 1. In any rural high school district having an assessed valuation in excess of Four Million Dollars ($4,000,000) according to the last preceding assessment roll and having an average daily attendance of more than five hundred and fifty (550) students during the preceding school year, the board of trustees may appoint a collector of taxes, who
shall perform the duties in the collection of taxes of the district which are now required of the county tax collector. The collector of taxes shall receive such compensation for his services as the trustees of the district may allow, not to exceed five per cent (5%) of the total amount of taxes received by him. He shall give bond in the estimated amount of taxes coming annually into his hands payable to and to be approved by the president of the board, conditioned for the faithful discharge of his duties and that he will pay over to the depository for such rural high school district all funds coming into his hands by virtue of his office as such collector. Any premium on his bond shall be payable out of funds of the district. As amended Acts 1957, 55th Leg., p. 1424, ch. 492, § 1.

CHAPTER TWENTY—TEACHERS' RETIREMENT

Art. 2922—1. Teachers' Retirement System

Creditable Service

Sec. 4. 1. Prior Service Credits.

5. Reinstatement of Former Service Credits.

(a) Any teacher or auxiliary employee who has heretofore executed a waiver of membership in the Retirement System shall have the privilege of electing to receive full former service credit, provided such teacher or auxiliary employee after becoming a member of the Retirement System shall deposit before August 31, 1959, all back deposits, assessments and dues which he would have paid or deposited had he been a member of the System during each of the years that he actually taught or was employed as an auxiliary employee in the public schools following the date on which he first became eligible for membership in the System, together with interest from the date each amount was payable at the rate of two and one-half per cent (2½%) per annum.

(b) Any person who heretofore became a member of the Retirement System and who thereafter terminated such membership and withdrew his accumulated deposits, but who has since returned to service as a teacher or auxiliary employee or who returns to service as a teacher or auxiliary employee prior to September 1, 1959, and who, following such resumption of membership, renders service for five (5) consecutive years, shall have the privilege of depositing the total amount withdrawn plus all back assessments and dues, together with simple interest thereon at two and one-half per cent (2½%) per annum from date of withdrawal of same to date of redeposit, and thereupon such member shall be entitled to credit for all prior service and membership former service to which he was entitled prior to such termination and withdrawal. The amounts to be deposited shall be determined in each case by the Board of Trustees and in no event shall any such person be granted retirement upon such former service credits until the amount so determined shall have been paid in full.

Provided further, that membership in either the Teacher Retirement System or the State Employees Retirement System would qualify an individual to deposit funds in either of the two systems under the provisions of this Act. As amended Acts 1957, 55th Leg., p. 240, ch. 116.

Article 2922–1 became effective November 6, 1956, upon adoption of the amendment to Const. art. 3, § 48a, proposed by S.J.R. No. 5, Acts 1955, 54th Leg., p. 1814.
CHAPTER TWENTY-TWO—FOUNDATION SCHOOL PROGRAM

Art. 2922—16a. Finances; annual local fund assignment; determination; appropriation [New].

Art. 2922—13. Units

(4) Exceptional Children Teacher Units. Exceptional children teacher units, special or convalescent, for each school district, separate for whites and separate for negroes, shall be allotted as follows:

a. It is the purpose of this allotment of exceptional children teacher units to provide competent educational services for the exceptional children in Texas between and including the ages of six (6) and seventeen (17), for whom the regular school facilities are inadequate or are not available.

In interpreting and carrying out the provisions of this Act, the words "exceptional children" wherever used, will be construed to mean physically handicapped children and mentally retarded children; the words "physically handicapped children" wherever used, will be construed to include any child of educable mind whose body functions or members are so impaired that he cannot be safely or adequately educated in the regular classes of the public schools, without the provision of special services; and the words "mentally retarded children" wherever used, will be construed to include any child whose mental condition is such that he cannot be adequately educated in the regular classes of the public schools, without the provision of special services. The term "special services" may be interpreted to mean transportation; special teaching in the public school curriculum; corrective teaching, such as lip reading, speech correction, sight conservation, and corrective health habits; and the provision of special seats, books and teaching supplies, and equipment required for the instruction of exceptional children. As amended Acts 1957, 52nd Leg., p. 323, ch. 197, § 1; Acts 1957, 55th Leg., p. 1160, ch. 386, § 1.

Art. 2922—15. Services and operating costs

Services, transportation

Sec. 2. (1) The County Boards of School Trustees of the several counties of this state, subject to the approval of the State Commissioner of Education, are hereby authorized to establish and operate an economical public school transportation system within their respective counties. In establishing and operating such transportation systems, the County Boards of School Trustees shall: (1) requisition buses and supplies from the State Board of Control as provided for in this Article; (2) prior to June 1st of each year, with said Commissioner's approval, establish school bus routes within their respective counties for the succeeding school year; (3) employ school bus drivers; and (4) be responsible for the maintenance and operation of school buses. State warrants for transportation shall be made payable to the County School Transportation Fund in each county for the total amount of transportation funds for which the county is eligible under the provisions of this Act.

Provided, however, that when requested by the Board of Trustees of an independent school district, the County Board of School Trustees shall authorize such independent district to: (1) employ its school bus drivers; (2) be responsible for the maintenance and operation of its school buses; and (3) receive transportation payments direct from the state. When the County School Superintendent reports such authorization to the State Commissioner of Education, state warrants for transportation funds for which the district is eligible shall be made to the District Transportation Fund, which is hereby created.
The County Boards of School Trustees and the State Commissioner of Education shall promulgate regulations in regard to the use of school buses for purposes other than transporting eligible pupils to and from their classes.

School buses shall be operated upon approved school bus routes, and no variations shall be made therefrom. The penalty for varying from authorized routes and for unauthorized use of buses shall be the withholding of transportation funds from the offending county or school district. In the event the violation is committed by a district which receives no Foundation School Funds, the penalty provisions of Article XI, Section 2, of Senate Bill No. 116, Acts of the 51st Legislature, shall be invoked.

(2) The total annual transportation cost allotment for each district or county shall be based on the following formula:

(a) A typical bus route is defined as being from forty-five (45) to fifty-five (55) miles of daily travel and composed of sixty per cent (60%) surfaced roads and forty per cent (40%) dirt roads, over which fifteen (15) or more pupils who live two (2) or more miles from school are transported.

(b) Allowable total base costs of maintenance, operation, salaries, depreciation, etc., for each bus shall be:

- 72 capacity bus $2,350.00 per year
- 60-71 capacity bus 2,250.00 per year
- 49-59 capacity bus 2,150.00 per year
- 42-48 capacity bus 2,050.00 per year
- 30-41 capacity bus 1,950.00 per year
- 20-29 capacity bus 1,850.00 per year
- 15-19 capacity bus 1,450.00 per year

The capacity of a bus shall be interpreted as the number of eligible children being transported who live two (2) or more miles from school along the approved route served by the bus. A bus that makes two (2) or more routes or serves two (2) or more schools shall be considered as having a capacity equal to the largest number of eligible children on the bus at any one time.

(c) For each one per cent (1%) increase of dirt road above forty per cent (40%), add one-half per cent (½%) to the allowable total cost.

(d) For each five (5) miles or major fraction thereof increase in daily bus travel above fifty-five (55) miles add one per cent (1%) of the total cost of operation. For each five (5) miles or major fraction thereof less than forty-five (45) miles daily travel, deduct one per cent (1%) from the total cost of operation.

(e) [Blank]

(f) The State Commissioner of Education may grant not to exceed Seventy-five Dollars ($75.00) per pupil per year for private or commercial transportation for eligible pupils from isolated areas. The need for this type of transportation grant shall be determined on an individual basis and the amount granted shall not exceed the actual cost. Such grants shall be made only in extreme hardship cases and no such grants shall be made if such pupils live within two (2) miles of an approved school bus route or city public transportation services.

(3) All bus routes and transportation systems shall be reviewed by the State Commissioner of Education and he shall be responsible for establishing criteria for evaluating the several transportation systems of this state, but all such criteria shall be subject to the approval of the State Board of Education. The Commissioner shall evaluate all transportation systems as rapidly as possible. No new bus routes or bus route extensions shall be approved prior to the survey of the transportation sys-
of the district or county requesting new equipment or extensions. In cities having public transportation, no child residing within the city limits of such city shall be eligible to be transported at state expense unless such child resides more than two (2) miles, measured by the nearest practical route, from public transportation service of such city.

In approving a transportation system for a district or a county, consideration shall be given to providing transportation for only those pupils who live two (2) or more miles from the school they attend, and no consideration shall be given to providing transportation for pupils from one district to another when their grades are taught in their home districts unless the transfer of such pupils has been approved by the County Boards of School Trustees as provided by law. There shall be no duplication of bus routes or duplication of services within sending districts by buses operated by two (2) school districts and/or counties except upon approval by the Commissioner of Education. All funds paid to the several transportation units for the operation of transportation systems of this state shall be expended for no other purpose. The Commissioner of Education shall formulate rules and regulations for enforcing the transportation sections of this Act, subject to the approval of the State Board of Education. Appeals may be had from policies of County Boards of Trustees affecting transportation to the Commissioner of Education, and to the State Board of Education in matters relating thereto.

(4) Motor vehicles used for the purpose of transporting school children, including school buses, chassis and/or bodies of school buses purchased through the State Board of Control as provided for in Section 3, Article V of this Act (Article 634(B), V.C.S.) shall be paid for by the State Board of Control and the Legislature may appropriate out of any money in the State Treasury not otherwise appropriated, a certain sum not exceeding Two Hundred Fifty Thousand Dollars ($250,000.00) or so much thereof as necessary, to the State Board of Control to be used for such purchases.

As amended Acts 1951, 52nd Leg., p. 325, ch. 198, § 1; Acts 1957, 55th Leg., p. 1237, ch. 409, § 1.

In all elections, both county-wide and less than county-wide, the authority charged with holding the election may in its discretion determine by proper resolution to have absentee ballots counted by a special canvassing board as provided in Subdivision 6 of Section 37 1 of this Code. Should the authority determine to use this method, it shall cause a notice to that effect to be posted in the office of the county clerk or other officer conducting the absentee voting in that election, at least twenty (20) days before the day of the election, and the procedure set out herein shall be used in conducting the absentee voting and in counting and making return of the absentee ballots in that election.

The ballot used shall be the stub ballot provided for elsewhere in this Code. The voter must in every case explain in the English language how he wishes to vote, and no judge of the election shall use any other than the English language in aiding the voter, or in performing any duty as such judge of the election. If the election be a general election, the judges who assist such voters shall be of different political parties, if there be such judges present, and if the election be a primary election one or more supervisors may be present when the assistance herein permitted is being given, but each supervisor must remain silent except in cases of irregularity or violation of the law.

directing that the nomination and election of a United States Senator
or of a Congressman-at-Large to fill such vacancy shall be accomplished
in the manner provided by law for the nomination and election of the

special election or at special elections, the first of which shall be called
by writ of election, issued by the Governor within five (5) days after the
vacancy occurs, directing that a special election be held throughout the

time not less than thirty (30) or more than ninety (90) days after the vacancy occurs.

5. In all special elections called to fill a vacancy in the office of United States Senator or in the office of Congressman-at-Large a majority vote of the electors participating in said elections shall be necessary for election. In event no candidate receives a majority of the votes cast at the first election, the Governor shall, within five (5) days after the results of said election were officially declared, call a second election to be held throughout the State on a specified day which shall be not less than thirty (30) nor more than forty (40) days after the date of the writs issued by the Governor. In the second special election the candidates shall be limited to the participants in the first election who received the largest and next largest number of votes at the first election. The candidate who receives the largest number of votes in the second election shall receive a Certificate of Election to the unexpired term of the office for which he was a candidate.

The qualified voters of each voting precinct of the county shall assemble on the date named and shall be called to order by a precinct chairman who shall have been previously elected by the qualified voters of the precinct; or if such elected chairman is unavailable, then the precinct chairman appointed by the county executive committee of the party, and who shall be a qualified voter of said election precinct; or in his absence, by any qualified voter. Before transacting any business the precinct chairman shall cause to be made a list of all qualified voters present. The name of no person shall be entered upon said list nor shall he be permitted to vote, be present at, or to participate in the business of such convention until it is made to appear that he is a qualified voter in said precinct from a certified list of the qualified voters, the same as is required in conducting a general election. The record, and a copy thereof, shall be signed officially, sealed up and safely transmitted by the permanent chairman of the precinct convention within three (3) days after the precinct convention to the county clerk of the county, who shall affix his file mark thereto and who shall promptly deliver the original copy of such return to the chairman of the county executive committee, and the return filed with the county clerk shall be open to public inspection during the regular office hours. The chairman of the county executive committee shall deliver the list of delegates named by the precinct conventions in the county to the county convention, and said lists shall constitute the temporary roll of those selected as delegates to the county convention and only delegates on such temporary roll shall be permitted to vote in the temporary organization of said county convention. The county convention shall elect a permanent chairman and such other officers as may be necessary to conduct its business and immediately upon the adjournment of each such county convention the permanent chairman thereof shall make out a certified list of the delegates chosen, together with a copy of all resolutions adopted by the county convention, and shall sign the same, the permanent secretary of such convention attesting his signature, and within five (5) days after said county convention shall forward such certified list, resolutions and copies of each thereof by sealed registered letter to the Secretary of State in Austin, Texas, who shall affix his file mark thereon and who shall deliver the originals thereof to the chairman of the state executive committee, prior to the state convention, who shall deliver the same to the state convention; and such lists shall constitute the temporary roll of those selected as delegates to such convention, and only delegates on such temporary roll shall be permitted to vote in the temporary organization of the state convention. This notice shall also be posted at least ten (10) days prior to the date of the county convention. Should the county chairman fail to post such orders and file such notices, then any member of the county executive committee may post such orders and file such notices and such shall constitute the orders and notices required herein. Should more than one such member of the county executive committee post such orders and file such notices, then the first posting and filing in point of time shall prevail. Representatives of newspapers, wire news services, radio and television stations shall have the right to attend precinct conventions, the county conventions, and the state convention for the purpose of reporting the proceedings thereof. Acts 1951, 52nd Legislature, p. 1097, ch. 492, art. 212, as amended Acts 1957, 55th Leg., p. 430, ch. 206, § 1.

Effective 90 days after May 23, 1957, date of adjournment.
Art. 13.43a. Contests for office of precinct chairman or county chairman

Notwithstanding any other provision of this Code, and particularly notwithstanding Section 220 thereof, the district courts of this state are vested hereby with jurisdiction to order recounts and to hear and determine election contests relative to the party offices of precinct chairman and county chairman, the same as though it were a contest for a place on a party ticket for public office.

Any candidate for precinct chairman or county chairman, within two days after the canvass of the votes by the county executive committee, may file in the district court an application for a recount of the votes for such office. The sum of Fifty Dollars ($50.00) in cash to cover the cost of such recount shall be deposited with the clerk at the time of filing. Thereupon it shall be the duty of the court to order forthwith a recount of such votes by three disinterested commissioners appointed by the court. The report of the commissioners showing the results of such recount shall be filed with the court at such time as the court may direct, but in no event later than five days from the date of the order of the court appointing the commissioners. Either party within three days from the filing of such report may file a contest as to such election, and the recount thereof, and the same shall be tried and adjudicated the same as though it were a contest for a place on a party ticket for public office. The court shall have the power to issue all orders and writs necessary to protect its jurisdiction and effectuate and facilitate such recount and the trial of any such election contest.

If no contest is filed within such three-day period by either party, and there be only two candidates for such office, the court shall enter an order declaring the person receiving the highest number of votes as shown by such recount to be duly elected precinct chairman or county chairman.

If there be more than two such candidates, and none of them is shown by the recount to have received a majority of the votes cast in such race, the court shall enter its order declaring the two persons receiving the highest number of votes to be the two candidates to be placed on the ballot for the second primary.

In its final judgment the court shall assess the costs as in any civil suit. Appeals shall lie from the orders of the court the same as though it were a contest for a place on a party ticket for public office. Acts 1951, 52nd Leg., p. 1097, ch. 492, art. 220a, added Acts 1957, 55th Leg., p. 545, ch. 254, § 1.

Period of treatment; voluntary consent to detention; waiver of right to release

However, no person otherwise eligible for admittance to a state hospital under the provisions of this Article shall be denied admittance thereto, and care and treatment therein, because of financial inability to pay for his maintenance.

Delinquent children as addicts; commitment

Sec. 5. When any juvenile is declared to be a delinquent child because of his habitual use of or addiction to narcotic drugs, or when the judge of the juvenile court finds that any delinquent child under the jurisdiction of the court is addicted to the use of narcotic drugs, the court may order the child to be committed to the custody of the Board for Texas State Hospitals and Special Schools for treatment in a state hospital, providing there are facilities available in a State Hospital and the Board consents to such admission, to remain in the hospital until the medical authorities of the hospital certify that he is cured or that further treatment will not likely be beneficial. The delinquent child shall continue to be subject to the jurisdiction and orders of the committing court during the time of his confinement in the hospital, and shall be remanded to the court upon his discharge. Any portion of such a mixture that was produced by the purchaser or acquired by him from a source other than from the person who mixes, mills, or processes the mixture is exempt from payment of the inspection fee, but the name and quantity of each item supplied by the purchaser must be shown and properly identified as such on the invoice furnished the purchaser and the portion of such mixture that is furnished by the person or distributor who processes, mixes, mills or otherwise prepares such mixture, shall likewise be shown on the invoice setting forth the information provided for in Section 6(c) of this Act.

(d) The terms "custom-mixed," "custom-milled," or similar terms, mean the service rendered a customer or purchaser in the milling, mixing or processing of materials produced by the customer or purchaser or acquired by him from a source other than from the person who mixes, mills, or processes the mixture, and are not subject to the provisions of this Act.

Registration

Sec. 5. (a) Each brand of commercial feed, except customer-formula feed, shall be registered before being offered for sale, sold or otherwise distributed in this state. The application for registration shall be submitted to the Director on forms furnished by the Director, and if the Director so requests, shall also be accompanied by a label or other printed matter describing the product. Upon approval by the Director, a copy of the registration shall be furnished to the applicant if the registration forms are submitted in duplicate. All registrations are considered permanent unless new registrations are called for by the Director or unless cancelled by the registrant. The application shall include the following information:

1. The name and principal address of the person responsible for distributing the commercial feed;

2. The name or brand under which the commercial feed is to be sold, offered for sale, delivered or distributed;

3. The guaranteed analysis, listing:
   a. The minimum percentage of crude protein;
   b. The minimum percentage of crude fat;
   c. The maximum percentage of crude fiber;

4. When authorized by the Director, in accordance with rules and regulations which he is authorized to issue, the maximum or minimum or the maximum and minimum quantity determinable by laboratory methods of minerals, vitamins, antibiotics, antioxidants, medicines, drugs, chemicals, and other substances, materials, or elements or parts thereof regardless of whether the claim, if any, as to the use and purpose of any such item or items shall be prophylactic, therapeutic, or otherwise. All such items shall, when guaranteed or claimed, be subject to inspection and analysis in accordance with the methods and regulations that may be prescribed by the Director;

5. The common or usual name of each ingredient used in the manufacture of the commercial feed.

(b) A distributor shall not be required to register any brand of commercial feed which is already registered under this Act by another person.

(c) Changes in the guarantee of either chemical or ingredient composition of a commercial feed may be permitted provided satisfactory evidence is submitted showing that such changes would not result in a lowering of the feeding value of the product for the purpose for which designed.

(d) The Director is empowered to refuse registration of any application not in compliance with all provisions of this Act, and to cancel after.
thirty (30) days notice any registration when it is subsequently found to be in violation of any provision of this Act or when he has satisfactory evidence that the registrant has used fraudulent or deceptive practices in attempted evasion of the provisions of this Act or regulations thereunder. Provided, however, that no registration shall be refused or cancelled until the registrant shall have been given opportunity to be heard.

(e) If the home office or principal place of business of the applicant for registration of a commercial feed is located outside of the State of Texas, the applicant must deposit with the Director an instrument in writing appointing a resident agent upon whom service may be had in actions filed by the state in the administration and enforcement of the provisions of this Act, or by a claimant for the recovery of damages.

Labeling

Sec. 6. (a) Manufacturers or other persons shall, before selling, delivering, or offering for sale any commercial feed in this state except customer-formula feed, have placed on or affixed to the container, on the outside thereof, in one group, in such size type and in such place and order as may be prescribed by the Director, a plainly printed statement in the English language showing:

(1) The net weight of the commercial feed in the container, or a statement to the effect that the net weight is shown on the container, in which case the net weight must be plainly printed in a conspicuous place on the container in type the size of which may be prescribed by the Director;

(2) The information authorized by Section 5(a) (1), (2), (3), (4), and (5) of this Act.

(b) Manufacturers or other persons shall, at the time of delivery of a commercial feed sold in bulk, except customer-formula feed sold in bulk or otherwise, furnish the purchaser a printed or written statement showing the information authorized by Section 5(a) (1), (2), (3), (4), and (5) of this Act.

(c) A customer-formula feed shall be labeled by invoice to show the following:

(1) Name and address of the mixer, miller or processor;

(2) Name and address of the purchaser;

(3) Date of the sale;

(4) Name or brand and number of pounds of each registered commercial feed used in the mixture, and the name and number of pounds of each ingredient added, including the portion, if any, supplied by the purchaser, and shall be in compliance with the provisions of Section 5(a) (4) of this Act; provided, however, that the Director may, only when all ingredients are furnished by the mixer, miller or processor, as an alternate to the method required by the preceding language of this Section 6(c) (4), promulgate procedures and prescribed forms that will permit a customer-formula feed to be invoiced and labeled by means of an identifying name, number or similar designation in order to eliminate the necessity of itemizing the name and quantity of each separate item or ingredient contained in such a customer-formula feed.

(5) The invoice bearing the above information shall accompany delivery and be supplied to the purchaser at the time of delivery.

Inspection Fee

Sec. 7. (a) For the purpose of administering the Texas Commercial Feed Control Act of 1957, including the cost of equipment and facilities and the cost of inspecting, analyzing, and examining commercial feed
manufactured for sale, sold, offered or exposed for sale or otherwise distributed in this state, and the expense of experiments and research relative to the value thereof, persons engaged in the manufacture, sale, or distribution of commercial feeds or the components of commercial feeds shall pay to the Director, at his office in College Station, Texas, an inspection fee of Ten Cents (10¢) per ton on all such commercial feed. The inspection fee herein levied shall be deposited in the State Treasury and shall be set apart as a special fund to be known as the Feed Control Fund, and shall be used with the approval and consent of the Board of Directors of the Agricultural and Mechanical College of Texas for the purposes stated in this Section 7(a) of this Act.

(b) The procedure for paying the inspection fee of Ten Cents (10¢) per ton shall, subject to the approval and consent of the Director, be either by the use of tax tags (or certificates) or by means of the tonnage reporting system or by a combination of both such procedures, and shall, in addition to regulations which the Director is herewith authorized to issue, be in compliance with all the provisions of this Act.

(c) When the inspection fee is to be paid by the use of the tax tag (or certificate) on any commercial feed which is manufactured for sale, sold, or offered for sale, or otherwise distributed in this state, the manufacturer or any other person who causes it to be manufactured for sale or who sells the same or offers it for sale or makes delivery or distribution of any such commercial feed within the State of Texas, shall affix to each container or package of such commercial feed, except customer-formula feed, and to the invoice of such customer-formula feed distributed in bulk or otherwise, and to the invoice of each lot of such other commercial feed distributed in bulk, a tag (or certificate), to be furnished by the Director, stating that all charges specified in this Article have been paid, and containing the information provided for in Section 6 of this Act. The Director is hereby authorized, empowered, and directed to prescribe the form and denomination of such tags and certificates; provided, however, that if at any time the actual cost to the Feed Control Service of tags (or certificates), including the printing and handling thereof, should be in excess of fifty per cent (50%) of the amount of the inspection fee as provided in this Section 7, the Director may, after giving reasonable notice in such manner as he deems desirable, charge all persons who cause commercial feed to be manufactured, sold, exposed, or offered for sale or otherwise distributed, for the total actual cost of such tags (or certificates) in addition to the inspection fee of Ten Cents (10¢) per ton; and provided further, that on individual containers of five (5) pounds or less, a manufacturer or other person may for each state fiscal year (September 1st to August 31st, inclusive) or any fractional part thereof, pay in advance a fee of Twenty-five Dollars ($25.00) for each brand of commercial feed manufactured for sale, sold, offered for sale or otherwise distributed in this state, and such manufacturer or other person shall not be required to affix official tags (or certificates) to such containers of the brands of commercial feed so registered.

(d) When the inspection fee is to be paid by means of the Tonnage Reporting System, the Director is authorized, at his discretion and under such rules and regulations as he may promulgate, to prescribe and furnish such forms and to require the filing of such reports, and shall issue permits bearing a number assigned by the Director on application therefor to any person who manufactures, sells, offers for sale, or who otherwise distributes or has available for distribution in this state, regardless of the manner, means or circumstances as to its entry, presence or existence within this state, any commercial feed. Each applicant for the issuance of a permit must deposit with the Director cash in the amount of
One Thousand Dollars ($1,000.00) or securities acceptable to and approved by the Director of a value of at least One Thousand Dollars ($1,000.00), or must post with the Director a surety bond payable to the State of Texas in the amount of One Thousand Dollars ($1,000.00), executed by a corporate surety company authorized to do business in Texas and approved by the Director, conditioned upon the faithful performance of the provisions of this Article; or must post with the Director a bond with at least two good and sufficient and solvent personal sureties, payable to the State of Texas in the amount of One Thousand Dollars ($1,000.00) and approved by the Director, conditioned upon the faithful performance of the provisions of this Article. Each such bond shall be in such form and be effective for such period of time as the Director may prescribe. In addition to all other provisions of this Act, each person who is issued a permit to sell, offer for sale, or otherwise distribute commercial feed and pay the inspection fee in accordance with the tonnage reporting system shall:

(1) Maintain and furnish such records as the Director may require to reflect accurately the total tonnage of all feed handled, and the portion of such tonnage that is sold, offered for sale, or otherwise distributed as commercial feed and is subject to the inspection fee of Ten Cents (10¢) per ton. The Director or his duly authorized representatives shall have permission to examine the records of the permittee at all reasonable times. All records shall be preserved and retained in usable condition, and shall be available for examination by the Director or his representatives for a period of not less than two (2) years unless otherwise authorized by the Director, and the Director may require the retention of such records for a period of more than two years in instances where it is deemed desirable to do so.

(2) File in the office of the Director at College Station, Texas, within thirty (30) days after the close of each quarter year ending with the last day of November, February, May, and August, sworn reports covering the tonnage of all feed sold during the preceding quarter together with the payment of tax due for such quarter. A penalty of ten per cent (10%) of any tax which is not paid within the time allowed shall be added to the amount of the tax due, and the amount of the tax and the penalty shall constitute a debt, and shall be recoverable out of the bond hereinbefore referred to; provided that the Director may, if he deems it desirable to do so, require additional reports for the purpose of identification and verification of records.

(3) When located outside of the State of Texas and when distributing commercial feed in the State of Texas, maintain in the State of Texas the records and information required by this Section 7(d) of this Act or pay all costs incurred in the auditing of records at a location outside of the state. The Director is authorized and directed to revoke the permit and cancel all registrations of any permittee who fails to comply with this requirement. Itemized statements of costs incurred in any such audits shall be furnished the permittee by the Director promptly upon completion of any such audit, and he must pay the same within thirty (30) days from the date of such statement.

(4) Affix to each container or package of such commercial feed, except customer-formula feed, and to the invoice of each lot of commercial feed, except customer-formula feed, sold or otherwise distributed in bulk a printed statement setting forth the information provided for in Section 6(a) and (b) of this Act.

(5) Affix to the invoice of each customer-formula feed sold or otherwise distributed a statement setting forth the information provided for in Section 6(c) of this Act.

Sec. 8. A commercial feed shall be deemed to be adulterated:
(a) When its composition, quantity, or quality falls below or differs from that which it is purported or represented to possess by its labeling;
(b) When it is moldy, sour, heated, or otherwise damaged whereby it is rendered injurious to animals;
(c) When any ingredient has been in whole or in part omitted or extracted therefrom;
(d) When any substance has been substituted wholly or in part therefore;
(e) When damage or inferiority has been concealed in any manner;
(f) When any substance has been added thereto or mixed or packed therewith so as to deceptively increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is;
(g) When it bears or contains any poisonous or deleterious substance which may render it injurious to animals under ordinary conditions of use;
(h) When it bears or contains any added hulls, shells, screenings, straw, stalks, corn cobs, or any other low-grade feeding material or filler, unless the name and percentage of such material are clearly and prominently printed on the label and labeling thereof;
(i) When it consists in whole or in part of any diseased, filthy, putrid, or decomposed substance, unless such substance has been rendered harmless by sterilization or other effective processes;
(j) When it is otherwise unfit for feeding to animals.

Misbranding

Sec. 9. A commercial feed shall be deemed to be misbranded:
(a) When its container does not bear a tag (or certificate) as required by Section 7(c) of this Act, unless it is in compliance with the provisions of Section 7(d) of this Act;
(b) When its container does not bear the labeling as required by Section 6 of this Act;
(c) When its labeling is false in any particular;
(d) When its container is so made, formed, or filled as to be misleading;
(e) When it purports to be or is represented as a commercial feed for which a definition of identity and a minimum standard have been prescribed by regulation, unless it conforms to such definitions and standards;
(f) When it is not subject to the provisions of this Section 9(e) of this Act, unless its label bears the common or usual name of the commercial feed, if any there be, and in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient;
(g) When any medicines, drugs, or any of the other items named in Section 5(a) (4) of this Act are incorporated in such commercial feed, and the quantity of such item and warning statements and directions for use are not shown on the labeling in compliance with regulations issued by the Director.

Inspection, Sampling, and Analysis

Sec. 10. (a) The Director shall have reasonable access during regular business hours to all places of business, mills, buildings, vehicles, con-
tainers, bins, and parcels of whatsoever kind used in the manufacture, transportation, importation, sale or storage of any commercial feed, and shall have the power and authority to inspect each such place, mill, or vehicle, and to open any container, bin or parcel containing or supposed to contain any commercial feed, and to take samples therefrom in the manner prescribed by regulation by the Director as he deems necessary to determine whether such commercial feed is in compliance with the provisions of this Act.

(b) Each such sample shall be taken in the presence of the manufacturer or of any such other person, or in the presence of their representative, and shall be taken from a parcel, lot, or number of parcels in such number and quantity as the Director may determine to be representative of the parcel, lot or number of parcels. When the person in possession of commercial feed refuses to be present and to take part in the sampling of same, the Director may take such samples in the presence of two disinterested witnesses.

(c) In order that each sample may be properly identified with the lot of commercial feed sampled, the Director may examine and make copies of any invoice, transportation record, or other records pertaining thereto.

(d) In the case of bulk lots of feed, a composite sample shall be made up of portions taken at random from not less than four different positions in the bulk lot. The composite sample shall be thoroughly mixed and divided so that each division shall fairly represent the whole, and the said sample or any portion thereof shall be considered the official composite sample of said feed.

(e) Each such sample shall be sealed, with a label placed thereon which states the serial number of the sample and the date that it is taken, and which bears the signature of the person taking the sample, and shall be sent to the Director or his representative. A report stating the name or brand of the commercial feed or material sampled, the serial number, the manufacturer thereof, if known, the name of the person from whose possession the sample was taken, the date and place of taking the sample, and the name of the person taking the sample, and the name of the person witnessing the taking of the sample, shall also be sent to the Director or his representative.

(f) All analyses of samples shall be made according to the official methods adopted by the Association of Official Agricultural Chemists of North America, and such other methods as the Director may deem authentic by research and investigation.

(g) Each such sample shall be divided into not less than four (4) equal parts. If the Director causes one (1) or more portions of such sample to be analyzed, he shall retain not less than three (3) portions of such sample for the purpose stated in this Section 10(h) of this Act.

(h) In the event the Director finds, through chemical analyses or any other methods or procedure, that a commercial feed is in violation of any provision of this Act, he shall so notify in writing the manufacturer or other person who caused the feed to be sold, offered for sale or otherwise distributed, giving full details. The manufacturer or the person who causes the feed to be sold, offered for sale or otherwise distributed may thereupon, within fifteen (15) days after said notice has been received, request, and the Director shall so direct if requested, that two (2) retained portions of the sample of such feed be submitted for analysis to two (2) qualified chemists selected by the Director, and the Director shall if so requested within the same fifteen (15) day period direct that one (1) retained portion of the sample be furnished such manufacturer or other person. Each of said chemists shall certify in duplicate, under oath, his findings to the Director, whereupon one such duplicate from each chemist

shall be forwarded by the Director to the manufacturer or other person. The three (3) chemical analyses thus obtained may be considered in determining whether any violation of this Act has occurred. The manufacturer or other person requesting the analyses shall pay the cost of such analyses except that if it is thus determined that no violation has occurred, the Director shall pay such expense.

Rules and Regulations

Sec. 11. The Director is hereby authorized to:

(a) Enforce the provisions of this Act and prescribe and enforce administrative rules and regulations promulgated under the authority of this Act.

(b) Prescribe, adopt, and publish regulations establishing definitions and minimum standards for commercial feed which, to the extent practicable in the discretion of the Director, shall be in harmony with the official pronouncements of the Association of American Feed Control Officials; provided, however, that prior to the issuance of any rules and regulations, the Director shall hold public hearings on any such proposed rules and regulations, the public hearings to be held pursuant to not less than fifteen (15) days notice in writing. Each such notice shall set forth the time and place of the hearing and a copy of the proposed rules and regulations, and shall be mailed upon request to such organizations which reasonably may be expected to be vitally affected by said proposed rules and regulations.

(c) Rule exempt from the inspection fee provision of this Act any commercial feed manufactured, sold, or delivered solely for investigational, experimental, or laboratory use by qualified persons, when such investigation or experiment is conducted in the public interest.

(d) Publish from time to time such information relative to feeds as he deems necessary or desirable to the public interest; provided, however, that the information concerning production and use of commercial feed shall not disclose the business or financial operations of any person.

Detained Commercial Feeds

Sec. 12. (a) Whenever the Director shall find a commercial feed which he has reasonable cause to believe is being sold or offered for sale in violation of any provision of this Act, he shall affix to the container of such feed a written notice stating that such feed has been detained and warning all persons not to dispose of such feed in any manner until permission is given by the Director, or by a court, or until the detainer expires as hereinafter provided. If the Director finds that detained feed is not in violation of any provision of this Act, he shall forthwith remove the detainer notice from such feed. The detainer notice shall expire and shall become a nullity at the expiration of ten (10) days after it is affixed to any feed unless prior to such time the Director has instituted proceedings to condemn such feed pursuant to the provisions of this Section 12(b) of this Act.

(b) If detained commercial feed is found, after examination and analysis, to be in violation of any provision of this Act, the Director shall petition the district or county court in whose jurisdiction the feed is located for an order for condemnation and confiscation of such feed. If it be determined by the court that the commercial feed violates any provision of this Act, such feed shall be disposed of by destruction or by sale in accordance with the judgment of the court, and if the feed is sold, the proceeds from such sale, less court costs and charges, shall be paid into the State Treasury. Provided, however, that when the violation of this Act which is
found by the court with respect to such feed can be corrected by proper processing or labeling, the court, after entry of the decree and after all costs, fees, and expenses have been paid and a good and sufficient bond, conditioned that such feed shall be properly processed or labeled, has been executed, shall make an order directing that such feed be delivered to the owner thereof for such processing or labeling under the supervision of the Director. The expense of such supervision shall be paid by the owner of the feed. The bond shall be returned to the owner when the Director notifies the court that the feed is no longer in violation of this Act, and that the supervision expense aforesaid has been paid.

Unlawful Acts

Sec. 13. It is hereby declared unlawful for any person to commit any of the following acts, or to conspire to commit any of such acts, or to cause any of such acts to be committed within the State of Texas:

(a) To engage in the preparation, manufacture, sale, exposure, or offer for sale or otherwise distribute a customer-formula feed in violation of any of the provisions of Section 4 or any other Section applicable to customer-formula feed;

(e) To sell, offer, expose, or distribute for sale any commercial feed which is not labeled in accordance with the provisions of Section 6 hereof;

(f) To sell, offer, expose, or distribute for sale any commercial feed which is adulterated within the meaning of Section 8 hereof;

(g) To sell, offer, expose, or distribute for sale any commercial feed which is misbranded within the meaning of Section 9 hereof;

(h) To refuse to permit entry or inspection, or to refuse to permit the acquisition of samples and the examining and the copying of invoices and transportation records, of a commercial feed, or otherwise fail to comply with the provisions of Section 10 hereof;

(i) To refuse to make records available, furnish reports, pay the inspection fee, permit the examination of records, or otherwise fail to comply with the provisions of Section 7(d) of this Act;

(j) To dispose of a detained commercial feed in violation of Section 12 hereof.

Penalties

Sec. 14. (a) Any person who performs any act herein declared to be unlawful, or who causes such act to be performed or who conspires to perform such act, shall, upon conviction, be guilty of a misdemeanor and shall be subject to a fine of not less than Fifty Dollars ($50.00) nor more than Two Hundred Dollars ($200.00). Before the Director reports a violation for such prosecution, an opportunity shall be given the distributor to present his views.

(b) Any person who violates any of the provisions of this Act shall, upon conviction, be guilty of a misdemeanor and shall be subject to a fine of not less than Fifty Dollars ($50.00) nor more than Two Hundred Dol-

(d) If the Director deems any violation of this Act to be of a minor nature, and if he is of the opinion that the public interest will be served and protected by the issuance of a written warning to the violator, he shall have discretion to forego the filing of any criminal or condemnation proceeding with respect to such violation, and to refrain from taking any further administrative action relative thereto.

(e) It shall be the duty of each district attorney, criminal district attorney, or county attorney, to whom the Director or his duly appointed representative reports any violation of this Act, to cause appropriate proceedings to be instituted and prosecuted in the proper courts without delay in the manner provided by law.

(f) The Director is authorized to cancel all registrations and revoke the permit of and refuse to issue tags (or certificates) to any manufacturer or other person who fails to comply with any of the provisions of this Act or any rules or regulations issued under authority of this Act.

Publications

Sec. 15. The Director shall publish at least once a year, in such form as he may deem proper, information concerning the sales of commercial feeds, together with such data on their production and use as he may consider advisable, and a report of the results of the analyses of official samples of commercial feeds sold, offered for sale, or otherwise distributed within the state as compared with the analyses guaranteed in the registration and on the label; provided, however, that information concerning production and use of commercial feed shall not disclose the scope of operations of any person.

Pending Court Cases

Sec. 16. Any court cases which are pending on the effective date of this Act shall not be affected by the passage of this Act, but shall be acted upon in accordance with the provisions of Title 17, Revised Criminal Statutes, 1925, as amended, and Title 60, Revised Civil Statutes, 1925, as amended.

Any person at interest aggrieved by any order or ruling of the Director may appeal from such order or ruling to the district court in the county of his residence by filing a petition in such district court within twenty (20) days from the date of such ruling or order. The action shall be tried and determined as in other civil causes, but the burden of proof shall rest upon the person appealing to show the regulation, order, ruling, acts, or charges complained of are unreasonable and unjust to him and constitute a gross abuse of the discretion vested in the Director. Either party to the action may appeal the decision of the district court to the appellate court having jurisdiction of the cause.

Sec. 20. If any provision of this Act is declared unconstitutional or if the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of the Act and the applicability thereof to other persons or circumstances shall not be affected thereby; and the Legislature hereby declares that it would have passed this Act and each section, subsection, sentence, clause and phrase hereof regardless of the fact that the Act might not validly be applicable to certain persons or circumstances. Sec. 8. The bonds shall be authorized by resolution adopted by a majority vote of a quorum of the Board of Directors, and shall be signed by the president or vice-president and countersigned by the secretary, or either or both of their facsimile signatures may be printed thereon. The seal of the Authority shall be impressed or printed thereon. The bonds shall mature serially or otherwise in not to exceed forty (40) years and may be sold at a price and under terms determined by the Board of Directors to be the most advantageous reasonably obtainable, provided that the interest cost to the Authority, including the discount, if any, calculated by use of standard bond interest tables currently in use by insurance companies and investment houses does not exceed six per cent (6%) per annum, and within the discretion of the Board, may be made callable prior to maturity at such times and prices as may be prescribed in the resolution authorizing the bonds, and may be made registerable as to principal or as to both principal and interest.

Such election shall be called and held in accordance with the procedure prescribed in Chapter 1, Title 22, Revised Civil Statutes of 1925, as amended, with the Board of Directors, president and secretary performing the functions therein assigned to the governing body of the City, the mayor and city secretary respectively. If no such petition is filed the bonds may be issued without an election. It is provided, however, that the Board of Directors may call such election on its own motion without the filing of the referendum petition.

Junior lien bonds; parity bonds

Sec. 10. Bonds constituting a junior lien on the net revenues or properties may be issued unless prohibited by the Bond Resolution or Trust Indenture. Parity bonds may be issued under conditions specified in the Bond Resolution or Trust Indenture.

Reserves for operating expenses

Sec. 11. Money for the payment of not more than two (2) years interest on the bonds and an amount estimated by the Board to be required for operating expenses during the first year of operation may be set aside for those purposes out of the proceeds from the sale of the bonds.

Refunding bonds

Sec. 12. Rule 39a. Report of stillborn.—Subject to the regulations of the State Department of Health, a certificate of each stillbirth which occurs in this state shall be filed with the local registrar of the district in which the stillbirth occurred, and if the place of stillbirth is not known, the certificate shall be filed with the local registrar of the district in which the body was found. The standard certificate of stillbirth shall be in such form and shall provide for such items of information as may be prescribed by the State Department of Health. All items prescribed on the certificate of stillbirth are hereby declared necessary for the legal, social and sanitary purposes subserved by registration records. The person in charge of interment or of removal of the body from the district for disposition shall be responsible for obtaining and filing the certificate and shall supply on such certificate over his signature the data relating to the disposition of the body. He shall obtain the required information from the following persons, over their respective signatures: (a) Personal data shall be supplied by the person best qualified to supply them; (b) Except as otherwise provided, the medical certification shall be made by the person in attendance at the stillbirth. Stillbirths occurring without attendance shall be treated as deaths without medical attendance as provided in Rule 41a, Article 4477, Revised Civil Statutes of Texas. The certificate of stillbirth shall be filed in the same manner as a certificate of death and a burial-transit permit shall be required. As amended Acts 1951, 52nd Leg., p. 128, ch. 79, § 2; Acts 1957, 55th Leg., p. 534, ch. 250, § 1.

Rule 47a. Form and contents of birth certificates; supplementary certificate; certificates of adoption, annulment and revocation.—The standard certificate of birth shall be in such form and shall provide for such items of information as may be prescribed by the State Department of Health. All items prescribed on the certificate of birth are hereby declared necessary for the legal, social and sanitary purposes subserved by registration records. Provided that the name of the father, or any information by which he might be identified, shall not be written into the birth or death certificate of any illegitimate child; and provided further, that any statement that the father of an illegitimate child wishes to make as to its parentage may, when placed in the form of an affidavit, be attached to the original birth record. The state registrar, county clerk, or local registrar shall not issue a certified copy disclosing illegitimacy or otherwise disclose illegitimacy unless the issuance of the certified copy or the disclosure is authorized by order of the county court of the county in which the birth, death, or fetal death occurred.

Subject to the regulations of the State Department of Health, any person: (a) legitimated by the subsequent marriage of its parents; (b) whose
For Annotations and Historical Notes, see Vernon's Texas Annotated Statutes

parentage has been determined by a court of competent jurisdiction; or
(e) adopted under the law existing at the time of adoption in this state
or any other state or territory of the United States of America may request
the state registrar to file a supplementary certificate of birth on the basis
of the status subsequently acquired or established and of which proof is
submitted. The application to file a supplementary certificate of birth may
be filed by the person, if of age, or a legal representative of the person.
The state registrar shall require such proof in these cases as the State De-
partment of Health may by regulation prescribe. The preparation and fil-
ing of supplementary certificates of birth based on legitimation, paternity
determination, and adoption shall be in accordance with the regulations
of the State Department of Health. Provided, however, that when a child
is adopted the new birth certificate shall be in the names of the parents
by adoption, and the copies of birth certificates or birth records made
therefrom shall not disclose the child to be adopted. After the supple-
mentary certificate is filed, any information disclosed from the record shall
be made from the supplementary certificate, and access to the original
certificate of birth and to the documents filed upon which the supplemen-
tary certificate is based shall not be authorized except upon order of a
court of competent jurisdiction.

A certificate of each adoption, annulment of adoption, and revocation
of adoption ordered or decreed in this state shall be filed with the
state registrar as hereinafter provided. The information necessary
to prepare the certificates shall be supplied to the clerk of the court by the
petitioner for adoption, annulment of adoption, or revocation of adoption
at the time the petition is filed. The clerk of the court shall thereupon pre-
pare the certificate on a form furnished by and containing such items of
information as may be determined by the State Department of Health and
shall, immediately after the decree becomes final, complete the certificate.
On or before the 10th of each month, the clerk shall forward to the state
registrar the certificates completed by him for decrees which have become
final during the preceding calendar month.

Provided, that the above provisions shall not, in any way, be construed
as affecting the property rights of natural or adoptive parents or of nat-
ural or adopted children, or as amending, modifying, or repealing any of
the present laws of the State of Texas governing descent and distribution
of property.

Subject to the regulations of the State Department of Health, any per-
son whose name has been changed by court order may request the state
registrar to attach to the original birth record an amendment reflecting
the change of name. The request to attach such amendment may be made
by the person, if of age, or a legal representative of the person. The state
registrar shall require such proof of change of name as the State De-
partment of Health may by regulation prescribe. As amended Acts 1951,
52nd Leg., p. 355, ch. 223, § 2; Acts 1957, 55th Leg., p. 532, ch. 249, § 1.

Rule 51a. Blanks and registration forms; index of births and deaths;
records; transcripts; fees; trial of issue regarding birth or death ab-
sent affidavit.—The State Department of Health shall prepare, print, and
supply to local registrars all blanks and forms used in registering, re-

purposes of this Act, and each city and incorporated town shall supply its
local registrar, and each county shall supply the county clerk with perma-
nent record books, in form approved by the State Registrar, for the re-
cord of all births, deaths, and stillbirths occurring within their re-
spective jurisdictions. The State Registrar shall prepare and issue such
detailed instructions as may be required to procure the uniform observance of its provisions and the maintenance of a perfect system of registration; and no other forms shall be used than those approved by the State Department of Health. He shall carefully examine the certificates received monthly from the local registrars, and if any such are incomplete or unsatisfactory he shall require such further information to be supplied as may be necessary to make the record complete and satisfactory. All physicians, midwives, informants, or undertakers, and all other persons having knowledge of the facts, are hereby required to supply, upon a form provided by the State Department of Health, or upon the original certificate, such information as they may possess regarding any birth, death, or stillbirth upon demand of the State Registrar, in person, by mail, or through the local registrar. After its acceptance for registration by the local registrar, no record of any birth, death, or stillbirth shall be altered or changed; provided, however, that if any such record is incomplete, or satisfactory evidence can be submitted proving the record to be in error in any respect, an amending certificate may be filed for the purpose of completing or correcting such record, which amendment shall be in a form prescribed by the State Department of Health and shall, if accepted for filing, be attached to and become a part of the legal record of such birth, death, or stillbirth. The State Registrar shall further arrange, bind, and permanently preserve the certificates in a systematic manner, and shall prepare and maintain a comprehensive index of all births and deaths registered; said index to be arranged alphabetically, in the case of deaths, by the names of decedents, and in the case of births, by the names of fathers and mothers. If any organization or individual is in possession of any record of births or deaths which may be of value in establishing the genealogy of any resident of this state, such organization or individual may file such record or a duly authenticated transcript thereof with the State Registrar. If any person desires a transcript of any such record, the State Registrar shall furnish the same upon application, together with a certificate that it is a true copy of such record, as filed in his office, and for his services in so furnishing such transcript and certificate he shall be entitled to a fee of Ten Cents (10¢) per folio, Fifty Cents (50¢) per hour or fraction of an hour necessarily consumed in making such transcript, and to a fee of Twenty-five Cents (25¢) for the certificate, which fees shall be paid by the applicant; provided, that before the issuance of any such transcript, the State Registrar shall be satisfied that the applicant is properly entitled thereto, and that it is to be used only for legitimate purposes.

"Provided further, that any citizen of the State of Texas wishing to file the record of any birth or death occurring in Texas prior to 1903, or occurring during or subsequent to 1903 and not previously registered as evidenced by a statement to that effect issued by the State Registrar, may submit to the probate court of the county in which the birth or death occurred, a record of that birth or death, written on the adopted forms of birth and death certificates; and provided further, that any citizen of the State of Texas wishing to file the record of any birth or death that occurred outside the State of Texas and not previously registered as evidenced by a statement to that effect issued by the proper State Registrar, may submit to the probate court in the county where he resides a record of that birth or death written on the adopted form of birth and death certificates. The certificate shall be substantiated by the affidavit of the physician, if any, present at the time of the birth, or in case of death, the affidavit of the physician last in attendance upon the deceased, or the undertaker who buried the body. When the affidavit of the physician or undertaker cannot be secured, the certificate shall be supported by (a) the
affidavit of some person who was acquainted with the facts surrounding the birth or death, at the time the birth or death occurred, provided that any person making such affidavit in support of a record falsified in any respect shall be guilty of a misdemeanor and upon conviction shall be fined in any sum of not less than One Hundred Dollars ($100.00) and not more than Five Hundred Dollars ($500.00), or by imprisonment in the county jail for not less than sixty (60) days and not more than one (1) year, or may be punished by both such fine and imprisonment; and (b) the affidavit of some person who was acquainted with the facts surrounding the birth or death, and who is not related to the individual by blood or marriage. Provided that when application is made as provided in this paragraph, a fee of One Dollar ($1.00) shall be collected by the probate court, Fifty Cents (50¢) of which shall be retained by the court, and Fifty Cents (50¢) of which shall be retained by the clerk of the county court for recording said birth or death certificate. If the affidavit heretofore mentioned of some person acquainted with the facts at the time the birth or death occurred cannot be secured, then the county judge shall order a trial of the issue as to the applicant's birth and hear the evidence of such witnesses and consider such documents relating thereto as may be available, including testimony regarding the family history, and after such hearing if the court concludes that it has been established beyond a reasonable doubt that the applicant was born within the United States, and at the time and place stated in the certificate, he shall enter judgment finding such facts relating to the applicant which judgment shall be accepted in lieu of the affidavit mentioned above, and sufficient, and shall order the State Registrar to accept the certificate of the applicant’s birth. The fee for this hearing shall be the same as those set out in Article 3925 and Article 3930, Revised Civil Statutes of Texas, 1925, as heretofore amended. Within seven (7) days after the certificate has been accepted and ordered filed by the probate court, the clerk of that court shall forward the certificate to the State Bureau of Vital Statistics with an order from the court to the State Registrar that the certificate be accepted. The State Registrar is authorized to accept the certificate when verified in the above manner, and shall issue certified copies of such records as provided for in Section 21 of this Act. Such certified copies shall be prima facie evidence in all courts and places of the facts stated thereon. The State Bureau of Vital Statistics shall furnish the forms upon which such records are filed, and no other form shall be used for that purpose. As amended Acts 1951, 52nd Leg., p. 355, ch. 223, § 2; Acts 1957, 55th Leg., p. 256, ch. 120, § 1.

And any such copy of a record, when properly certified by the State Registrar, shall be prima facie evidence in all courts and places of the facts therein stated. The State Registrar shall,
upon request of any parent or guardian, supply, without fee, a certificate limited to a statement as to the date of birth of any child when the same shall be necessary for admission to school, or for the purpose of securing employment. The State Registrar shall keep a true and correct account of all money by him received under these provisions, and deposit the same with the State Treasurer at the close of each month and at such other intervals as the Registrar deems advisable, and all such money shall be kept by the State Treasurer in a special and separate fund, to be known as the vital statistics fund, and the amounts so deposited in this fund shall be used for defraying expenses incurred in the enforcement and operation of this Act.

The State Registrar shall refund to the applicant any fee received for services which the Bureau cannot render. If the money has been deposited in the vital statistics fund, the Comptroller shall issue a warrant against the fund, upon presentation of a claim signed by the State Registrar, for the purpose of refunding the payment. Art. 4494o. Public hospital Districts; counties of 75,000 or less population

Section 1. The Commissioners Courts may establish one or more Public Hospital Districts in their respective counties in the manner provided by this Act, which said districts shall be empowered to own and operate hospitals and to supply hospital services for the residents of such districts and other persons. Such districts may or may not include villages, towns, and municipal corporations, or any portion thereof, but no land shall at the same time be included in more than one Public Hospital District created hereunder. It is provided, however, that no such district shall be formed unless the assessed valuation of all property in such district shall exceed Twenty-five Million Dollars ($25,000,000.00), within a county having an assessed valuation of not less than Two Hundred Million Dollars ($200,000,000.00), nor shall any such district be created in counties hav-
ing in excess of 75,000 population according to the then next preceding federal census.

Petition for election; tax levy; bond issue

Sec. 2. When it is proposed to establish a Public Hospital District as above provided, a petition praying for an election therefor, signed by not less than five per cent (5%) of the qualified taxpaying voters of the proposed territory, shall be presented to the Commissioners Court of the county in which the proposed district is situated, stating the boundaries of the proposed district, the public necessity therefor, and designating a name for such district, which shall include the name of the county. Said petition may also incorporate therein a request for the Commissioners Court, in the event an election is ordered for the creation of such district, to submit at the same election the question of levying a tax for the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, in the event same is created, and/or the bonds to be issued for the construction and/or the acquisition of sites therefor, and to provide for the interest and sinking fund for such bonds by levying of such taxes as will be necessary in this connection.

Cash deposit with petition; disposition

Sec. 3. Said petition shall be accompanied by Two Hundred Dollars ($200.00) in cash, which shall be deposited with the clerk of said court, and by him held until after the results of the election for the creation of the district and issuance of bonds is officially made known. If said election is in favor of the establishment of said district, then the clerk shall return said deposit to the petitioners, their agent or attorney. If said election is against the establishment of such district, then the clerk shall pay out of said deposit upon vouchers approved and signed by the County Judge, all costs and expenses pertaining to said proposed district up to and including said election, and the balance shall be returned to the petitioners, their agent or attorney.

At the same session when said petition is presented, the court shall set said petition down for hearing at some regular or special session called for the purpose, not less than thirty (30) days nor more than sixty (60) days from the presentation of the said petition, and shall order the clerk to give notice of the date and place of said hearing by posting a copy of said petition and other order of the court thereon for twenty (20) days prior to the election in five public places in said county; one at the courthouse door, and four within the limits of the district.

Order for election; prerequisites; questions submitted

Sec. 5. If at the hearing, the court finds that such petition has been signed by the requisite number of qualified taxpaying voters, correctly describes the boundaries of the proposed district, and otherwise conforms to the provisions of this Act, then the court shall so find and shall enter an order for an election to be held in the proposed district within a time not less than twenty (20) days and not more than thirty (30) days after such order is issued, to determine whether or not such Public Hospital District shall be created and formed; and in the event the petition for the creation of such Public Hospital District was accompanied by a request to submit the question of levying of a tax for the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, in the event same is created and/or bonds to be issued
for the construction and/or equipment of hospital buildings and/or the acquisition of sites therefor, and to provide for the interest and sinking fund for such bonds by levying of such taxes as will be necessary in this connection, then such order shall also submit such question of levying a tax and/or issuing bonds according to the terms of said petition. Such order shall contain a description of the metes and bounds of such Public Hospital District to be formed, and shall fix the date of such election. A majority vote of the qualified taxing voters in said district voting in said election shall determine the question or questions submitted in said order.

Canvass of election returns; declaration and entry of results

Sec. 6. Said Commissioners Court shall within ten (10) days after holding such election make a canvass of the returns and declare the results of the election. The court shall then enter an order in the minutes as to the results.

Sec. 7. Such Public Hospital District shall be governed, administered and controlled by and under the direction of a Board of five Public District Hospital Trustees elected at large from the Public Hospital District by the qualified voters of said district, it being provided that whenever an election is ordered for the creation of such district at the same election at which shall be determined the creation of such district, there shall also be submitted and voted upon the question of who shall be the Public District Hospital Trustees, in the event such district is created. The five candidates for Public District Hospital Trustees receiving the highest number of votes at such election shall be declared the Trustees of such Public District Hospital. Such Trustees so elected, when duly qualified hereunder, shall be the legal and rightful Public District Hospital Trustees for such district within the full meaning and purpose of this law. Such Trustees shall hold office until the next regular election for state and county officers and shall then and thereafter be elected every two years at each general election. Any candidate desiring to be voted upon as such first Trustee shall present a petition to the Commissioners Court not later than three days before the order authorizing the election is issued by the court, and shall be accompanied by a petition of not less than one hundred (100) of the qualified voters in such district, requesting that his name be placed on the ticket as a candidate for such Trustee. Said Board of Trustees shall adopt such rules, regulations, and bylaws as they may deem proper, and they shall have exclusive power to manage and govern said Public District Hospital and as such they shall constitute a body corporate by the name of "County Public Hospital District No. ___" and in that name may acquire and hold real and personal property, sue and be sued, and may receive bequests and donations or other moneys or funds coming legally into their hands and may perform other acts for the promotion of health in said district.

Oath of trustees

Sec. 8. Before entering upon his duties, each Trustee shall take and subscribe before the County Judge an oath faithfully to discharge the duties of his office without favor or partiality, and to render a true account of his activities to the court whenever requested to do so. Such oath shall be filed by the clerk of the court and preserved as a part of the district records.
Bond of trustees

Sec. 9. Each Trustee shall give a good and sufficient bond for Five Thousand Dollars ($5,000.00) payable to the County Judge for the use and benefit of the district, conditioned upon the faithful performance of his duties.

Compensation of trustees; expenses; organization; quorum; seal

Sec. 10. The Trustees shall serve without compensation but shall be reimbursed for actual expenses incurred in the performance of their duties hereunder. The Trustees shall organize by electing one of their number chairman and one secretary, and such other officers as they may deem fit. Three Trustees shall constitute a quorum which shall be sufficient in all matters pertaining to the business of said district. All proceedings of the Board of Trustees shall be by motion or resolution recorded in a book or books kept for such purpose, which shall be public records. The Board of Trustees shall adopt an official seal.

Superintendent and other officers

Sec. 11. The Board of Trustees of such Public Hospital District shall appoint a superintendent and such other officers as they may deem necessary and fix the salary or other compensation to be received by each of them. All such appointments shall be for an indefinite time and may be removable at the will of the Board of Trustees. The superintendent shall be the chief administrative officer of the Public District Hospital and shall have control of administrative functions of said hospital. He shall be responsible to the Board of Trustees for the efficient administration of all affairs of the hospital. In case of the absence or temporary disability of the superintendent a competent person shall be appointed by the Board of Trustees. The superintendent shall be entitled to attend all meetings of the Board of Trustees and its committees and to take part in the discussion of any matters pertaining to the duties of his department, but shall have no vote. Such Public Hospital District superintendent shall have power, and it shall be his duty:

1. To carry out the orders of the Board of Trustees, and to see that all the laws of the state pertaining to matters within the functions of his department are duly enforced;

2. To keep the Board of Trustees fully advised as to the financial condition and needs of the district. To prepare, each year, an estimate for the ensuing fiscal year of the probable expenses of his department, and to recommend to the Board of Trustees what development work should be undertaken, and what extensions and additions, if any, should be made, during the ensuing fiscal year, with an estimate of the costs of such development work, extensions and additions. To certify to the Board of Trustees all the bills, allowances and payrolls, including claims due contractors of public works. To recommend to the Board of Trustees salaries of the employees of his office and a scale of salaries or wages to be paid for the different classes of service required by the district.

Additional bond issue; election

Sec. 12. If the proceeds of the original bond issue shall be insufficient to complete the construction and/or equipment and/or maintenance and/or purchase of hospital buildings and grounds for such district, or if the Trustees determine to provide for additional construction and/or equipment and/or maintenance and/or purchase of hospital buildings and
grounds, they shall certify to said court the necessity for an additional bond issue, stating the amount required, the purpose of same, the rate of interest of said bonds and the time for which they are to run. Said court shall thereupon order an election on the issuance of said bonds to be held within such district at the earliest possible legal time. The outstanding bonds and the additional bonds so ordered shall not exceed in amount one-fourth of the assessed value of the real property in such district, as shown by the latest annual assessment thereof made for state and county taxation.

Changes in proposed district; procedure; notice

Sec. 13. After the issuance of bonds is authorized the Trustees may make changes in said proposed Public District Hospital, additions, or betterments thereto, extensions thereof, or equipment therefor, which will be of advantage to the Public District Hospital, which changes will not increase the cost of such proposed project beyond the amount of bonds authorized. Such changes may be made by the Trustees by entering on the minutes a notation of such changes. Notice of such change or changes shall be given by publication of such notation with the book and page number of the minutes for two successive weeks in some newspaper of general circulation, published in the English language, within the county in which such district is situated.

Record book for bonds; inspection; recording fees

Sec. 14. Before issuing any bonds hereunder, the court shall provide a well-bound book, in which a record shall be kept by the County Clerk of all bonds issued, with their numbers, amount, rate of interest and date of issue, when due, where payable and amount received for the same, and the annual rate of assessment made each year to pay the interest on said bonds and provide a sinking fund for their payment, and upon the payment of any bond an entry thereof shall be made in said book. Said book shall at all times be open to inspection of all parties interested in said district either as taxpayers or bondholders. The County Clerk shall receive for his service in recording all bonds and other instruments of the district the same fees as provided by law for other like records.

Bonds; issuance; procedure; denominations; interest rate; majority

Sec. 15. All bonds issued hereunder shall be issued in the name of the district, signed by the County Judge and attested by the County Clerk, with the seal of the court affixed thereto. Such bonds shall be issued in denominations of not less than One Hundred Dollars ($100.00) nor more than One Thousand Dollars ($1,000.00) each, and shall bear interest at not exceeding six per cent (6%) per annum, payable annually or semi-annually. Such bonds shall by their terms provide the time, place, manner and conditions of their payment, and the rate of interest thereon, as may be determined and ordered by the court. No bonds shall be made payable more than thirty (30) years after the date thereof.

Attorney General; certification of validity of bonds

Sec. 16. Before any bonds are offered for sale, the district shall forward to the Attorney General a copy of the bonds to be issued, a certified copy of the order of the court levying the tax to pay the interest and provide a sinking fund, and a statement of the total bonded indebtedness of such district as such, including the series of bonds proposed, and the assessed value of property for the purpose of taxation as shown by the lat-
est official assessment of the county, with such other information as the Attorney General may require. Such officer shall carefully examine said bonds, and if he shall find that they are issued in conformity with the constitution and laws, and that they are valid and binding obligations upon such district, he shall so officially certify.

Registration of bonds by Comptroller; prima facie evidence; defenses against validity

Sec. 17. When said bonds have been so approved, they shall be registered by the Comptroller in a book to be kept for that purpose, and the certificate of their approval shall be preserved of record for use in the event of litigation. Thereafter, said bonds shall be held prima facie valid and binding obligations in every action, suit or proceeding in which their validity is brought in question. In every suit to enforce the collection of said bonds, the certificate of the Attorney General, or a duly certified copy thereof, shall be admitted and received in evidence as prima facie proof of the validity of such bonds, together with the coupons attached thereto. The only defense that can be offered against the validity of such bonds shall be forgery or fraud.

Bond of county judge; payment of premium

Sec. 18. After the Public Hospital District bonds have been registered, the County Judge shall at once execute a good and sufficient bond, payable to the Trustees and approved by them, for an amount not less than the amount of the bonds issued, conditioned upon the faithful discharge of his duties. If said bond is executed by a satisfactory surety company, the district may pay a reasonable amount as premium on said bond, which shall be paid out of the construction and maintenance fund upon presentation of the bill therefor to the Trustees. If there is any controversy as to the reasonableness of the amount claimed as such premium, such controversy may be determined by any court of competent jurisdiction. Said premium may be deducted by the Board of Trustees from the commission allowed the County Judge on the sale of bonds by him.

Sale of bonds; disposition of proceeds; district funds

Sec. 19. When the bonds have been registered, the County Judge shall, under the direction of the Commissioners Court, advertise and sell such bonds on the best terms and for the best price possible, not less than the par value and accrued interest. All money received from such sale shall be turned over as received by the County Judge to the County Treasurer and shall be by him placed to the credit of the district in the construction and maintenance fund thereof. The County Treasurer of the county in which such district is situated shall be the treasurer of the district, and all funds in the district shall be paid to him as such treasurer and shall be disbursed by him only by warrants drawn and signed by the chairman of the Board of Trustees, or such other officer of the district as may be selected and designated by the Board of Trustees. The County Treasurer shall maintain in the name of the Public Hospital District such funds as may be created by the Board of Trustees, and into which shall be placed such moneys as the Board of Trustees may by its resolution direct. All such Public Hospital District funds shall be deposited with the county depositories under the same resolutions, contracts and securities as are provided by statute for county depositories, and all interest collected on such hospital funds shall belong to such Public Hospital District.
Tax levy to pay bonds and interest; sinking fund

Sec. 20. When bonds have been voted, the court shall annually levy and cause to be assessed and collected taxes upon all property within the district, whether real, personal, or otherwise, and sufficient in amount to pay the interest on such bonds as it falls due, and to redeem such bonds at maturity. Such taxes when so collected shall be placed in the interest and sinking fund.

Annual report by trustees

Sec. 21. The Trustees shall annually, on or before the first day of June, prepare and file with the court a full detailed report of the condition of the Public District Hospital with an estimate of the probable cost of maintenance, operation, and needed repairs during the ensuing year, together with an inventory of all funds, effects, property and accounts belonging to such district and a list of all lawful demands, debts, and obligations against the district. Such report shall be verified by the Trustees and carefully investigated and considered by the court before any levy of taxes is made under the succeeding section.

Assessment and collection of taxes; maximum rate; disposition

Sec. 22. Following the investigation and consideration of said above report, the Commissioners Court shall cause to be assessed and collected taxes upon all property in the district, whether real, personal, or otherwise, sufficient to maintain, keep in repair, to preserve and operate the Public District Hospital, and to pay all legal, just, and lawful debts, damages, and obligations against such district. Such levy shall never, in any one year, exceed two-tenths of one per cent (\(\frac{2}{10}\%) of 1\%\) of the total assessed valuation of such district for such year. Such taxes when so collected shall be placed in the construction and maintenance fund.

Sale of bonds not required for purpose for which voted

Sec. 23. If any bonds remain which are not required for the purpose for which they were voted, then with the consent of the Commissioners Court duly made of public record, such bonds or a part thereof may be sold and the proceeds of the sale thereof may be placed in the construction and maintenance fund and used for the purpose stated in the section next preceding.

County tax assessor; powers and duties; board of equalization

Sec. 24. In the assessment and collection of the taxes authorized hereunder, and in all matters pertaining thereto or connected therewith, the County Tax Assessor and Collector shall have the same powers and shall be governed by the same rules, regulations, and proceedings as provided for the assessment and collection of state and county taxes, unless otherwise herein provided. The Commissioners Court shall constitute a board of equalization for such district, and all laws governing boards of equalization for state and county taxing purposes shall govern such district board.

Lien and due date of taxes; penalty for non-payment

Sec. 25. The taxes authorized hereunder shall be a lien upon all property assessed therefor. The Commissioners Court shall, and it is empowered to, fix the time and determine the date when such taxes shall become due and payable; otherwise they shall become due and payable at the same time as state and county taxes. Upon the failure to pay such taxes when
due, the penalty provided by law for failure to pay state and county taxes at maturity shall in every respect apply to taxes hereunder.

Additional books provided; assessments; compensation of assessor; removal from office

Sec. 26. The Commissioners Court shall provide all necessary additional books for the use of the Assessor and Collector and the County Clerk of such district, and charge the cost of same to the district. When ordered by the Commissioners Court, the Assessor shall assess all property within the district and list the same for taxation in the books or rolls furnished him by said Commissioners Court for said purpose, and return said books or rolls when he returns the state and county rolls for correction and approval. If said court finds them correct, it shall approve the same and direct the County Clerk to issue a warrant against the County Treasurer in favor of the Assessor to be paid from the district funds. The Assessor shall receive for said services such pay as the Commissioners Court deems proper. If the Assessor fails or refuses to comply with such order, he shall be suspended from the further discharge of his duties by the Commissioners Court, and removed from office in the mode prescribed by law for the removal of county officers.

Duties of county tax collector; additional bond

Sec. 27. The County Tax Collector shall be charged by the Commissioners Court with the assessment rolls of the district, and shall be allowed such compensation for the collection of said taxes as is allowed for the collection of other taxes. The Commissioners Court shall require said officer to give an additional bond or security in such sum as they deem proper and safe to secure the collection of said taxes. If such officer fails or refuses to give such additional security when requested by the court, within the time provided by law for such purposes, he shall be suspended from office by the Commissioners Court and immediately thereafter be removed from office in the mode prescribed by law.

Certified list of tax delinquent property; tax sale

Sec. 28. The collector shall make a certified list of all delinquent property upon which the Public District Hospital tax has not been paid, and return same to the Commissioners Court, which shall proceed to have the same collected by the sale of such property in the same manner provided by law for the sale of property for the collection of state and county taxes. The Trustees may purchase any property so sold, for the benefit of the district.

Elections as to separate officers for district; notice

Sec. 29. After the establishment of a district, and upon the petition of not less than five per cent (5%) of the qualified taxpaying voters thereof, the court may order an election to determine whether or not such district shall have a separate tax assessor, separate tax collector, and separate board of equalization for the assessment and collection of district taxes. Notice of such election shall be given as in the original election, and if said proposition carries by a two-thirds vote, the said Trustees shall appoint a suitable person as assessor and other such person as collector, and they shall give bond and exercise the same powers and perform the same duties as provided herein for the County Assessor and Collector; and the Trustees shall exercise all of the powers herein conferred upon said court with relation to the equalization of taxes. The general laws re-
Section 30. The County Treasurer shall open an account with the district and keep an accurate account of all money received by him belonging to such district, and of all amounts paid out by him. He shall pay out no money except upon a voucher signed by the chairman or any two members of the Board of Trustees. He shall carefully preserve on file all orders for the payment of money, and as often as required by the Trustees or the court, he shall render a correct account to them of all matters pertaining to the financial condition of the district.

Section 31. The treasurer shall be allowed as pay for his services as such, one-fourth of one per cent upon all money received by him for the account of such district, and one-eighth of one per cent upon all money by him paid out upon the order of the district. He shall not be entitled to any commissions on any district money received by him from his predecessor in office.

Section 32. After the establishment of a Public Hospital District all legal and just expenses, debts, and obligations other than bonds and interest thereon arising and created after the filing of the original petition and necessarily incurred in the creation, establishing, operation, and maintenance of such Public District Hospital shall be paid out of the construction and maintenance fund of such district, which fund shall consist of all money, effects, property, and proceeds received by such district from all sources, except that portion of the tax collections which shall be necessary to pay the interest on the bonded indebtedness as it falls due and the payment of bonds at maturity. Said tax collections shall be placed in and paid out of the interest and sinking fund of such district for such purposes, and such fund may be invested for the benefit of the district in such bonds and securities as the Attorney General may approve. Such funds shall be held for the respective purposes for which they were created, and if money is improperly paid out of either, the Commissioners Court may cause the County Treasurer to make the necessary transfer of such amount in the district accounts to restore the fund so improperly used.

Section 33. All Public Hospital Districts organized under the provisions of this Act shall have the power:

(a) To construct, condemn and purchase, purchase and acquire, lease, add to, maintain, operate, develop and regulate, sell and convey all lands, property, property rights, equipment, hospital facilities and systems for the maintenance of hospitals, buildings, structures and any and all other facilities, and to exercise the right of eminent domain to effectuate the foregoing purposes or for the acquisition and damaging of the same or property of any kind appurtenant thereto, and such right of eminent domain shall be exercised and instituted pursuant to a resolution of the Board of Trustees and constituted in the same manner and by the same procedure as is or may be provided by law for the exercise of the power of eminent domain by incorporated cities and towns of the State of Texas in the acquisition of property rights. It is provided, however, that no
Public Hospital District shall have the right of eminent domain and the power of condemnation against any hospital, clinic, or sanatorium operated as a charitable, non-profit establishment or against a hospital, clinic or sanatorium operated by a religious group or organization, or against any privately owned or operated hospital or clinic, corporate or otherwise, in said district;

(b) To lease existing hospitals and equipment and/or other property used in connection therewith, and to pay such rental therefor as the Trustees shall deem proper; to provide hospital service for residents of said district in hospitals located outside the boundaries of said district, by contract or in any other manner said Trustees may deem expedient or necessary under the existing conditions; and said hospital district shall have the power to contract with other communities, corporations, or individuals for the services provided by said hospital district; and they may further receive in said hospital and furnish proper and adequate services to all persons not residents of said district at such reasonable and fair compensation as may be considered proper; provided, that it must at all times make adequate provision for the needs of the district, and residents of said district shall have prior rights to the available facilities of said hospitals, at rates set by the District Trustees;

(c) For the purposes aforesaid, it shall be lawful for any district so organized to take, condemn and purchase, lease, or acquire, any and all property, and property rights, for any of the purposes aforesaid, and any and all other facilities necessary or convenient, and in connection with the construction, maintenance and operation of any such hospital, except as herein duly excepted in paragraph (a) of this section;

(d) To contract indebtedness or borrow money for corporate purposes on the credit of the corporation or the revenues of the public hospitals thereof, and to issue bonds as herein provided;

(e) To enter into any contract with the United States government or any state, municipality, or other hospital district, or any department of those governing bodies, for carrying out any of the powers authorized by this Act;

(f) To sue and be sued in any court of competent jurisdiction; provided, that said Public Hospital District shall not be liable for negligence for any act of any officer, agent or employee of said district; and provided that all suits against the Public Hospital District shall be brought in the county in which the Public Hospital District is located;

(g) To make contracts, employ superintendents, attorneys and other technical or professional assistance and all other employees; to print and publish information or literature and to do all other things necessary to carry out the provisions of this Act.

Contracts exceeding $2000; competitive bidding; bond of contractor

Sec. 34. Any contract of any nature whatsoever entered into by the Board of Trustees on behalf of said Public Hospital District in excess of Two Thousand Dollars ($2,000.00) shall be let to the lowest bidder after advertising the same in one or more newspapers of general circulation in this state once a week for four consecutive weeks, and by posting notices thereof for at least twenty-five (25) days in four public places in the county, one at the courthouse door and at least two within the district. Any person, firm, or corporation desiring to bid on any such contract shall, upon application to the Trustees, be furnished with a copy of the plans and specifications or other data necessary in making said bid. All bids shall be in writing and sealed and delivered to the chairman of the Board of Trustees, with a certified check for at least five per cent
(5%) of the total amount bid, which shall be forfeited to the district in case the bidder refuses to enter into a proper contract if his bid is accepted. Any bid may be rejected if deemed too high. The contractor shall give bond in the amount of the contract price, payable to the Trustees, conditioned that he will faithfully perform the obligations, agreements, and covenants of the contract, and that in default thereof he will pay to said district all damages sustained by reason thereof. Said bond shall be approved by the Board of Trustees. Acts 1957, 55th Leg., p. 406, ch. 199.

Art. 4494p. Optional Hospital District Law of 1957

Short title

Section 1. This Act shall be known and may be cited as the Optional Hospital District Law of 1957.

Purpose

Sec. 2. The purpose of this Act is to provide a method for establishment and administration of county-wide hospital districts, in addition to the method provided in Chapter 266,1 Acts of the Fifty-third Legislature, Regular Session, as amended; and this Act shall in no way be considered as an amendment to any existing hospital district law nor shall it in any way be construed or considered as a repeal of any existing laws, but shall be cumulative of any and all existing laws providing for the creation and management of hospital districts. Any county may elect under which Act it desires to create its hospital district, and when it has so elected it shall be governed by the specific law under which it was so created unless and until changed by an election as provided in Section 18 of this Act.

Sec. 3. (a) Any county authorized to establish a hospital district pursuant to Section 4 of Article IX of the Constitution of Texas, that does not own or operate, or that does own and operate a hospital or hospital system, by itself or jointly with a city, for indigent and needy persons, may be constituted a hospital district as hereinafter set out, and may take over the hospital or hospital system, either owned separately by a county or jointly with a city, or may provide for the establishment of a hospital or hospital system to furnish medical aid and hospital care to the indigent and needy persons residing in the hospital district; provided, however, that such hospital district shall not be created unless and until an election is duly held in the county for such purpose, which election may be initiated by the Commissioners Court upon its own motion or upon a petition of one hundred (100) resident qualified property taxpaying voters, to be held not less than thirty days from the time the election is ordered by the Commissioners Court.

(b) At the time the order for the holding of such election is entered by the Commissioners Court, the Commissioners Court shall determine the amount of tax needed for the operation and maintenance of such hospital system and the retirement of any outstanding bonded indebtedness which is to be assumed by such district not to exceed seventy-five cents (75¢) on the One Hundred Dollars ($100) assessed valuation.

(c) At the election there shall be submitted to the qualified property taxpaying voters the proposition of whether or not a hospital district...
shall be created in the county; and a majority of the qualified property taxpayers voting in favor of the proposition shall be necessary. The ballots shall have printed thereon:

"FOR the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount determined by order of the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation"; and

"AGAINST the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount determined by order of the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation."

If such county or city, either or both of them, has any outstanding bonds theretofore issued for hospital purposes (which by the provisions of Section 6 of this Act are required to be assumed by the hospital district), then the ballots for such election shall, instead of the foregoing, have printed thereon:

"FOR the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation; and providing for the assumption by such district of all outstanding bonds heretofore issued by ——— County, and by any city in said county for hospital purposes"; and

"AGAINST the creation of a hospital district under the Optional Hospital District Law of 1957; providing for the levy of a tax not to exceed (the amount of tax determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation; and providing for the assumption by such district of all outstanding bonds heretofore issued by ——— County, and by any city in said county for hospital purposes."

Taxes of district; deposit of taxes and other income

Sec. 4. (a) The Commissioners Court of any county which has voted to create a hospital district shall have the power and the authority, and it shall be its duty, to levy on all property subject to hospital district taxation for the benefit of the district at the same time taxes are levied for county purposes, using the county values and the county tax roll, a tax of not to exceed the amount determined by the Commissioners Court in calling the election and so stated on the ballot in which the district was approved, on the One Hundred Dollars ($100) valuation of all taxable property within the hospital district, for the purpose of (1) paying the interest on and creating a sinking fund for bonds which may have been assumed or which may be issued by the hospital district for hospital purposes, as herein provided; (2) providing for the operation and maintenance of the hospital or hospital system; and (3) for the purpose of making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor, by purchase, lease or condemnation.

(b) The tax so levied shall be collected on all property subject to hospital district taxation by the assessor and collector of taxes for the county on the county tax values, and in the same manner and under the same conditions as county taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one and one-half per cent (1½%) of the amounts collected as may be determined by the Commissioners Court. Such fees shall be deposited in the county's
general fund, and shall be reported as fees of office of the tax assessor and collector. Interest and penalties on taxes paid to the hospital district shall be the same as in the case of county taxes. Discounts shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository; and such funds shall be withdrawn only as provided herein. All other income of the hospital district shall be deposited in like manner with the district depository. Warrants against hospital district funds shall not require the signature of the county clerk.

(c) The Commissioners Court shall have the authority to levy the tax aforesaid for the entire year in which the hospital district is established, for the purpose of securing funds to initiate the operation of the hospital district, and to pay assumed bonds.

(d) After the creation of such district the tax levy so approved in the creation of the district shall not be increased unless and until an election is duly held in the county for such purpose, which election may be initiated by the Commissioners Court upon its own motion or upon a petition of one hundred (100) resident qualified propertytaxpaying voters, to be held not less than thirty (30) days from the time the election is ordered by the Commissioners Court. In calling the election the Commissioners Court shall determine the amount of increase in the tax levy needed for the proper maintenance of such hospital system, provided the increase together with the existing levy for the district shall not exceed seventy-five cents (75¢) in any one year. There shall be submitted to the qualified propertytaxpaying voters the proposition of whether or not the tax levy for the hospital district shall be increased, and a majority of the qualified propertytaxpaying voters participating in the election voting in favor of the proposition shall be necessary. The ballot shall have printed thereon:

"FOR the increase of the hospital district tax from (the existing tax levy) to (the amount of existing tax plus the increase determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation"; and

"AGAINST the increase of the hospital district tax from (the existing tax levy) to (the amount of existing tax plus the increase determined by the Commissioners Court in its order calling the election) on the One Hundred Dollars ($100) valuation."

(e) Increases in such hospital district tax levy may be had in the above manner from time to time so long as the total levy never exceeds seventy-five cents (75¢) on the One Hundred Dollars ($100) valuation.

Bonds of district; taxes to pay bonds and interest; sinking funds

Sec. 5. (a) The Commissioners Court shall have the power and authority to issue and sell as the obligations of such hospital district, and in the name and upon the faith and credit of such hospital district, bonds for the acquisition, purchase, construction, equipment and enlargement of the hospital or hospital system, and for any or all of such purposes; provided, that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures, but such tax together with any other taxes levied for the district shall not exceed seventy-five cents (75¢) in any one year. Such bonds shall be executed in the name of the hospital district and on its behalf by the county judge of the county within which the hospital district is created, and counter-signed by the county clerk, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of such county; and the approval of such bonds by the
Attorney General shall have the same force and effect as is by law given
to his approval of bonds of such county.

(b) No bonds shall be issued by such hospital district (except refund­
ing bonds) until authorized by a majority vote of the legally qualified
property taxing voters, residing in such hospital district, voting at an
election called and held in accordance with the provisions of Chapter 1
of Title 22 of the Revised Civil Statutes of the State of Texas (1925), as
amended, relating to county bonds. Such election may be called by the
Commissioners Court at any time it deems advisable except that no elec­
tion shall be held within two (2) years after a previous election. The
same persons shall be responsible for the conduct of such election and
the arrangement of all details thereof as the persons charged therewith
in connection with other county-wide elections. The cost of any such
election shall be a charge upon the hospital district and its funds; and
the hospital district shall make provision for the payment thereof before
the Commissioners Court shall be required to order such an election.

(c) In the manner hereinabove provided, the bonds of the hospital
district may, without the necessity of any election therefor, be issued for
the purpose of refunding and paying off any bonded indebtedness thereto­
fore assumed by the hospital district and any bonds theretofore issued by
the hospital district. Such refunding bonds may be sold and the proceeds
thereof applied to the payment of any such outstanding bonds or may be
exchanged in whole or in part for not less than a like amount of said out­
standing bonds and interest matured thereon, but unpaid; provided the
average interest cost per annum on the refunding bonds, computed in
accordance with recognized standard bond interest cost tables, shall not
exceed the average interest cost per annum so computed upon the bonds
to be discharged out of the proceeds of the refunding bonds, unless the
total interest cost on the refunding bonds, computed to their respective ma­
aturity dates, is less than the total interest cost so computed on the bonds to
be discharged out of such proceeds. In the foregoing computations, any
premium or premiums required to be paid upon the bonds to be refunded
as a condition to payment in advance of their stated maturity dates shall
be taken into account as an addition to the net interest cost to the hos­
pital district of the refunding bonds.

(d) If the city and the county, or either of them, has voted bonds to
provide hospital facilities, but such bonds have not been sold at the date of
the creation of the hospital district, the authority for such bonds shall be
canceled, and they shall not be sold.

County or city property or funds; transfer to district

Sec. 6. (a) Any lands, buildings or equipment that may be jointly
or separately owned by such county and city, and by which medical serv­
ices or hospital care, including geriatric care, are furnished to the indi­
gent or needy persons of the city and county, shall become the property
of the hospital district, and title thereto shall vest in the hospital
district; and any funds of the city and county, or either, which are
the proceeds of any bonds assumed by the hospital district, as here­
by provided, shall become the funds of the hospital district, and title
thereto shall vest in the hospital district; and there shall vest in the
hospital district and become the funds of the hospital district the unspent
portions of any funds theretofore set up or appropriated by budget or oth­
nerwise by the city or the county, or either of them, for the support and
maintenance of the hospital facilities for the year within which the hos­
pital district comes into existence, thereby providing such hospital dis­
trict with funds with which to maintain and operate such facilities for the
remainder of such year. All obligations under contract legally incurred by the city or county, or either of them, for the building of, or the support and maintenance of, hospital facilities, prior to the creation of the district but outstanding at the time of the creation of the district, shall be assumed and discharged by it without prejudice to the rights of third parties. As soon as practicable after the declaration of the result of the election, the board of managers of the existing hospital system shall turn over all records, property and affairs of the hospital system to the board of managers of the hospital district and shall cease to exist as a hospital system board of managers.

(b) Any outstanding bonded indebtedness incurred by the city or county, either or both of them, in the acquisition of lands, buildings and equipment for such hospital system, or in the construction and equipping of such hospital facilities, together with any other outstanding bonds issued by either of them for hospital purposes, and the proceeds of which are in whole or in part still unspent, shall be assumed by the hospital district and become the obligation of the hospital district; and the city or county, either or both of them, that issued such bonds, shall be by the hospital district relieved of any further liability for the payment thereof, or for providing interest and sinking fund requirements thereon; provided that nothing herein contained shall limit or affect any of the rights of any of the holders of such bonds against the city or the county, as the case may be, in the event of default in the payment of the principal or interest on any of such bonds in accordance with their respective terms.

(c) As soon as the hospital district is created and authorized at the election hereinabove provided, the Commissioners Court acting for the county and the city governing board acting for the city shall execute and deliver to the board of managers of the hospital district an instrument in writing conveying to the hospital district the hospital property, including lands, buildings and equipment owned by the county or the city or jointly owned by the county and the city; and shall transfer to the hospital district the funds hereinabove provided to become vested in the hospital district, upon being furnished the certificate of the chairman of the board to the fact that a depository for the district’s funds has been selected and has qualified; which funds shall, in the hands of the hospital district and of its board of managers, be used for all or any of the same purposes as, and for no other purposes than, the purposes for which the county or the city transferring such funds could lawfully have used the same had they remained the property and funds of such county or city.

Board of managers

Sec. 7. (a) The Commissioners Court is hereby designated as the board of managers of the hospital district with the county judge as chairman thereof and they shall serve in this capacity without any compensation other than that provided by law for county judges and commissioners, and whose duty shall be to manage, control and administer the hospital or hospital system of the hospital district. The board of managers shall have the power and authority to sue and be sued and to promulgate rules and regulations for the operation of the hospital or hospital system.

(b) The board shall appoint a general manager, to be known as the administrator of the hospital district. The administrator shall hold office for a term not exceeding two (2) years, and shall receive such compensation as may be fixed by the board. The administrator shall be subject to removal at any time by the board. The administrator shall, before entering into the discharge of his duties, execute a bond payable to the district, in the amount of not less than Ten Thousand Dollars ($10,000), conditioned that he shall well and faithfully perform the duties required of him, and
containing such other conditions as the board may require. The administrator shall perform all duties which may be required of him by the board, and shall supervise all of the work and activities of the district, and have general direction of the affairs of the district, within such limitations as may be prescribed by the board. He shall be a person qualified by training and experience for the position of administrator.

(c) The board of managers shall have the authority to employ such doctors, technicians, nurses and other employees of every kind and character as may be deemed advisable for the efficient operation of the hospital or hospital system; provided that no contract of employment shall exceed the period of two years.

(d) The Commissioners Court as the board of managers of such district may include the employees of such district in any county employees' pension or retirement program now in existence or which may be created in the future for the benefit of such district's employees.

(e) The county clerk shall act as secretary to the board of managers and shall keep suitable records of all proceedings of each meeting of the board. The seal of the Commissioners Court of such county shall be the seal of the district and used in the authentication of all acts of the board.

Powers of Commissioners Court; duties of district, county officers, employees or agents

Sec. 8. The Commissioners Court shall have the power to prescribe the method and manner of making purchases and expenditures by and for the hospital district, and also shall be authorized to prescribe all accounting and control procedures. The hospital district shall pay all salaries and expenses necessarily incurred by the county or any of its officers and agents in performing any duties which may be prescribed or required under this section. majority of the qualified taxpaying voters participating in the election vote in favor of the proposition, the conversion shall become effective thirty (30) days after declaration of the result of the election. The identity of the district shall not be affected by the conversion, and the district shall be liable for all outstanding debts and obligations as fully as when originally assumed or incurred by it. However, any bonds voted by a district originally created under Chapter 266 which have not been issued on the date of the election for conversion shall not be issued and the authority for such bonds shall be canceled. Provided, however, that as a prerequisite to the annual registration or renewal and before such chiropractic registration or renewal may be issued, the licensee shall present to the Board (a) satisfactory evidence that in the year preceding the application for renewal said licensee attended two (2) days of seminar, educational lectures, post-graduate course, or annual convention of any State Association or Society, or regular organized (recognized) Chiropractic College, or (b) satisfactory evidence that he was unavoidably prevented by sickness or otherwise attending such educational or postgraduate program, together with a recommendation of two (2) reputable licensed Texas Chiropractors who personally know the licensee and vouch for his good standing in the profession; provided that new licensees during twelve (12) months immediately preceding said January 1st, by examination, shall be granted renewal without attending said educational programs. Said daily compensation shall be exclusive of the necessary costs of travel of any Board member, or any other expenses necessary to the performance of his duty; provided also that the premium of any bond required by the Board of any officer or employee of the Board shall be paid out of said fund, as well as the necessary expenses of any employee incurred in the performance of his duties.

All disbursements from said fund shall be made only upon written approval of the President and Secretary-Treasurer of the Texas Board of Chiropractic Examiners upon warrants drawn by the Comptroller to be paid out of said fund. As amended Acts 1957, 55th Leg., p. 360, ch. 168, § 3.

Sec. 14. The Texas Board of Chiropractic Examiners shall have the right to cancel, revoke, or suspend the license of any practitioner of chiropractic or place licenses upon probation for such length of time as may be deemed proper by the Board upon proof of the violation of the law in any respect with regard thereto, or for any cause for which the Board shall be authorized to refuse to admit persons to its examinations.

The President of the Texas Board of Chiropractic Examiners shall set a time and place for hearing and shall cause a copy of the charges, together with a notice of the time and place fixed for hearing, to be served on the respondent or his counsel at least ten (10) days prior thereto. When personal service is impossible, or cannot be effected, the Board shall cause to be published once a week for two (2) successive weeks a notice of the hearing in a newspaper published in the county wherein the respondent was last known to practice, and shall mail a copy of the charges and of such notice to the respondent at his last known address. At said hearing the respondent shall have the right to appear either personally or by counsel, or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses and to have subpoenas issued by the Board. The Board shall thereupon determine the charges upon their merits. All charges, complaints, notices, orders, records and publications authorized or required by the terms of this Act shall be privileged.

Any person whose license to practice chiropractic has been cancelled, revoked or suspended by the Board may, within twenty (20) days after the
making and entering of such order, take an appeal to any of the district courts in the county of his residence, but the decision of the Board shall not be enjoined or stayed except on application to such district court after notices to the Board. The proceeding on appeal shall be a trial de novo, as such term is commonly used and intended in an appeal from the justice court to the county court, and which appeal shall be taken in any District Court of the county in which the person whose certificate of annual renewal or license is involved, resides. Upon application, the Board may reissue a license to practice chiropractic to a person whose license has been cancelled or suspended, but such application, in the case of cancellation or revocation, shall not be made prior to one (1) year after the cancellation or revocation, and shall be made in such manner and form as the Board may require. (a) No “domestic” company shall pay any salary, compensation or emolument to any officer, trustee, or director thereof, nor any salary, compensation or emolument amounting in any year to more than Ten Thousand Dollars ($10,000) to any person, firm or corporation, unless such payment be first authorized by a vote of the board of directors of such company, or by a committee of such board charged with the duty of authorizing such payments. The limitation as to time contained herein shall not be construed as preventing any “domestic” company from entering into contracts with its agents for the payment of renewal commissions.

(b) The stockholders of any such “domestic” company may authorize the inauguration of a plan or plans for the payment of pensions, retirement benefits or group insurance to its officers and employees. The stockholders may delegate to the board of directors authority and responsibility for the preparation, inauguration, putting into effect, final approval and administration of any such plan or plans or any amendments thereof.

(c) Mutual companies, acting through their policyholders, may exercise the same discretion and shall have the same authority, privileges and rights as are conferred upon “domestic” companies under subparagraph (b) next above. As amended Acts 1957, 55th Leg., p. 1330, ch. 451, § 1.

Art. 3.15. Deposit of Securities in Amount of Capital Stock

Any "domestic" company may, at its option, deposit with the Treasurer of this State, securities in which its capital stock is invested, or securities equal in amount to its capital stock, of the class in which the law of this State permits such insurance companies to invest their capital stock, and may, at its option, withdraw the same or any part thereof, first having deposited with the Treasurer, in lieu thereof, other securities of like class and equal amount and value to those withdrawn. Any such securities, before being so originally deposited or substituted, shall be approved by the Board of Insurance Commissioners. When any such deposit is made, the Treasurer shall execute to the company making such deposit a receipt therefor, giving such description of said stock or securities as will identify the same, and stating that the same are held on deposit as the capital stock investments of such company; and such company shall have the right to advertise such fact or print a copy of the Treasurer's receipt on the policies it may issue; and the proper officer or agent of each insurance company making such deposit shall be permitted at all reasonable times to examine such securities and to detach coupons therefrom, and to collect interest thereon, under such reasonable rules and regulations as may be prescribed by the Treasurer and the Board of Insurance Commissioners. The deposit herein provided for, when made by any company, shall thereafter be maintained so long as said company shall have outstanding any liability to its policyholders in this State. For the purpose of state, county, and municipal taxation, the situs of securities deposited with the Treasurer by domestic insurance companies shall be in the city and county where the principal business office of such company is fixed by its charter. As amended Acts 1957, 55th Leg., p. 812, ch. 344, § 1.

The physical delivery of such securities to the Board of Insurance Commissioners shall be sufficient without being accompanied by a written transfer of any lien securing them. Any such company may deposit lawful money of the United States in lieu of the securities above referred to, or any portion thereof, and may also, for the purposes of such deposit, convey to said Board of Insurance Commissioners in trust the real estate in which any portion of its said reserve may be lawfully invested. In such case, the Board of Insurance Commissioners shall hold the title thereto in trust until other securities in lieu thereof shall be deposited with it, whereupon it shall reconvey the same to such company. Said Board of Insurance Commissioners may cause any such securities or real estate to be appraised and valued prior to their being deposited with, or conveyed to, it in trust as aforesaid, the reasonable expense of such appraisement or valuation to be paid by the company. Under the provisions of this Article, registered as well as unregistered United
States Government securities may be deposited. For the purpose of state, county, and municipal taxation, the situs of securities deposited with the Board of Insurance Commissioners shall be in the city and county where the principal business office of such company is fixed by its charter. (e) The Board of Insurance Commissioners may, by written order, exempt from the requirements of this Article for so long as it deems proper, any insurance document or form specified in such order, to which in its opinion this Article may not practicably be applied, or the filing and approval of which are, in its opinion, not desirable or necessary for the protection of the public.

(f) The Board of Insurance Commissioners shall forthwith disapprove any such form, or withdraw any previous approval thereto if, and only if,

(1) It is in any respect in violation of or does not comply with this Code.

(2) It contains provisions which encourage misrepresentation or are unjust, unfair, inequitable, misleading, deceptive or contrary to law or to the public policy of this state.

(3) It has any title, heading or other indication of its provisions which is misleading.

CHAPTER FIVE—RATING AND POLICY FORMS

SUBCHAPTER C. FIRE INSURANCE AND ALLIED LINES

Art. 5.26. Maximum Rate Fixed, and Deviations Therefrom

(a) A maximum rate of premiums to be charged or collected by all companies transacting in this state the business of fire insurance, as herein defined, shall be exclusively fixed and determined and promulgated by the Board, and no such fire insurance company shall charge or collect any premium or other compensation for or on account of any policy or contract of fire insurance as herein defined in excess of the maximum rate as herein provided for; provided, however, upon the written application of the insured stating his reasons therefor, filed with and approved by the Board, a rate in excess of the maximum rate promulgated by the Board may be used on any specific risk.

(b) Any insurer desiring to write insurance at a less rate than the maximum rate provided for in paragraph (a) above shall make a written application to the Board for permission to file a uniform percentage deviation for a lesser rate than the maximum rate, on a state-wide basis or by reasonable territories as approved by the Board, from the class rates or schedules or rating plans respecting fire insurance and its allied lines of insurance or class of risk within such kind of insurance or a combination thereof promulgated by the Board. Such application shall specify the basis of the deviation, and shall be accompanied by the data upon which the applicant relies; provided, however, such application, data and all other information filed in connection with such deviation shall be public records open to inspection at any reasonable time. The provisions of this paragraph shall not be construed to prohibit the application of a uniform scale of percentage deviations from the maximum rate provided the general standards fixed in paragraph (d) hereof are met.

(c) Provided further, that any insurer desiring to write insurance at a lesser net rate than the maximum rate provided for in paragraph (a) above, either individually or as a member of a group or association, said lesser net rate being obtained by the application of a rating plan or procedure in use by it or by a group or association of which it is a member, which said rating plan or procedure shall apply only to special types or classes of risk in connection with which an inspection or engineering service and set of standards all acceptable to the Board are used, and which inspection or engineering services and set of standards have been and will continue to be maintained, shall make a written application to the Board for permission to file its said rating plan or procedure, the application of which would produce such lesser net rate. Said application shall specify the basis of the modification and shall be accompanied by the data on which applicant relies. Every insurer or group or association which avails itself of the provisions of this paragraph shall thereafter follow in the conduct of its business as to such classes or types of risks, only such rating plan or procedure ordered as permitted by the Board for its use as to said special types or classes of risks. If the Board shall issue an order permitting such deviation, such insurer or such group or association for it shall file with the Board all rates of premium or de-
Art. 5.26  REVISED CIVIL STATUTES  404

pos it for individual risks underwritten by it, which rates shall be con-
sidered as deviations from the rates that would have been promulgated
by the Board on such risks.

(d) In considering any application provided for in (b) or (c) above,
the Board shall give consideration to the factors applied by insurers or
rating organizations generally used by such insurers or rating organiza-
tions in determining the bases for rates; the financial condition of the in-
surer; the method of operation and expenses of such insurer; the loss
experience of the insurer, past and prospective, including where per-
mitted the conflagration and catastrophe hazards, if any, both within and
without this state; to all factors reasonably related to the kind of ins-
urance involved; to a reasonable margin for an underwriting profit for
the insurer, and, in the case of participating insurers, to policyholders’
dividends. The Board shall issue an order permitting the deviation for
such insurer to be filed if it is found to be justified upon the applicant’s
showing that the resulting premiums would be adequate and not un-
fairly discriminatory. The Board shall issue an order denying such
application if it finds that the resulting premiums would be inadequate
or unfairly discriminatory. As soon as reasonably possible after such
application has been made the Board shall in writing permit or deny
the same; provided, that any such application shall be deemed permit-
ted unless denied within thirty (30) days; provided, that the Board may
by official order postpone action for one additional period not exceeding
thirty (30) days if deemed necessary for proper consideration; except
that deviations in effect at the time this Act becomes effective shall be
controlled by subdivision (f) hereof. Each deviation permitted to be filed
shall be effective for a period of one (1) year from the date of final grant-
ing of such permission whether by the Board in the first instance or
upon direction of the court. However, a deviation may be withdrawn at
any time with the approval of the Board or terminated by order of the
Board, which order must specify the reasons for such termination. From
and after the effective date of this Act all deviations from maximum rates
shall be governed by this Article.

(e) No policy of insurance in force prior to the taking effect of any
changes in rate that result from the provisions of this Act shall be
affected thereby, unless there shall be a change in the hazard of the risk
necessitating a change in the rate applicable to such risk, in which
event such policy shall be subject to new rates developed under the pro-
visions hereof.

(f) Any deviations from maximum rates on file with the Board and
in effect until the effective time of this Act shall remain in effect for a
period of thirty (30) days after such effective time, and if during such
thirty (30) day period a written application to the Board is made for
permission to file such deviations under this Act, same shall remain in
effect until the Board has entered its order either permitting or denying
the application and during the full course of any hearings on and appeal
from any such order.

(g) The Board may call a public hearing on any application for per-
mission to file a deviation or a hearing on a permitted deviation and shall
call a hearing upon the request of any aggrieved policyholder of the com-
pany filing the deviation made within thirty (30) days after the granting
or denying of any deviation. The Board shall give reasonable notice of
such hearings and shall hear witnesses respecting such matters. Any
applicant dissatisfied with any order of the Board made without a hear-
ing under this Article may within thirty (30) days after entry of such
order make written request of the Board for a hearing thereon. The
Board shall hear such applicant within twenty (20) days after receiving such request and shall give not less than ten (10) days written notice of the time and place of the hearing. Within fifteen (15) days after such hearing the Board shall affirm, reverse or modify by order its previous action, specifying in such order its reasons therefor. Any applicant who may be dissatisfied with any order of the Board respecting its application may appeal to the District Court of Travis County, Texas, and not elsewhere, by filing a petition within thirty (30) days after the rendition or entry of such order setting forth its grounds of objection thereto, in which said action the appealing applicant shall be plaintiff and the Board shall be defendant. The action shall not be limited to questions of law and the substantial evidence rule shall not apply, but such action shall be tried and determined upon a trial de novo to the same extent as now provided in the case of an appeal from the Justice Court to the County Court. The judgment of the District Court shall be appealable as in any other civil case. Such action shall have precedence over other civil cases on the dockets of the trial and appellate courts. Should the Board terminate or refuse to renew a permitted deviation or refuse permission for filing of a deviation under subdivision (f) hereof, then such deviation shall remain in effect during the course of any hearing thereon and thirty (30) days thereafter, and during the course of any appeal taken from such order and until final judgment of the courts. The Board shall not be required to give any appeal or supersedeas bond in any cause arising hereunder. All hearings before the Board and appeals to the District Courts under this Article shall be governed exclusively by this Article.

(h) This Article shall not apply to any companies now operating under Chapters 12 and 13 of Title 78 of the Revised Civil Statutes of 1925, as amended, which have heretofore been repealed, or to Farm Mutual Insurance Companies operating under Chapter 16 of this Code; County Mutual Insurance Companies operating under Chapter 17 of this Code; Underwriters at a Lloyd's operating under Chapter 18 of this Code; Reciprocals and inter-insurance exchanges operating under Chapter 19 of this Code; nor shall it apply to other purely mutual or to other purely profit-sharing fire insurance companies incorporated or unincorporated under the laws of this state, and carried on by the members thereof solely for the protection of their property and not for profit. As amended Acts 1957, 55th Leg., p. 1443, ch. 497, § 1.

Effective 90 days after May 23, 1957, date of adjournment.

All records maintained by such Youth Council shall not be public records, but shall only be available upon the order of a District Court.

(d) Failure of the Youth Council to examine a delinquent child committed to it, or to re-examine him within one (1) year of a previous examination, shall not of itself entitle the child to discharge from the control of the Youth Council, but shall entitle him to petition the committing court for an order of discharge, and the court shall discharge him unless the Youth Council upon due notice satisfies the court of the necessity for further control.

(b) See that the buildings and premises are kept in good sanitary order;
(c) Cause to be kept the books of the school or facility fully exhibiting all moneys received and disbursed, the source from which received and purposes for which same is expended. When funds are available for the purpose, the Youth Council may enter into agreements with the appropriate private or public official for separate care and special treatment in existing institutions of persons subject to the control of the Youth Council.

(b) Nothing herein shall be construed as giving the Youth Council control over existing facilities, institutions or agencies other than those listed in Section 8, or as requiring such facilities, institutions or agencies to serve the Youth Council inconsistently with their functions, or with the authority of their offices, or with the laws and regulations governing their activities; or as giving the Youth Council power to make use of any private institution or agency without its consent; or to pay a private institution or agency for services which a public institution or agency is willing and able to perform.

(c) The Youth Council is hereby given the right and shall be required periodically to inspect all public and all private institutions and agencies whose facilities it is using. Every institution and agency, whether public or private, is required to afford the Youth Council reasonable opportunity to examine or consult with children committed to the Youth Council who are for the time being in the custody of the institution or agency.

(d) Placement of a child by the Youth Council in any institution or agency not operated by the Youth Council, or the release of such child from such an institution or agency, shall not terminate the control of the Youth Council over such child. No child placed in such institution or under such an agency may be released by the institution or agency without the approval of the Youth Council.
Power to Establish Additional Facilities

Sec. 26. When funds are available for the purpose, the Youth Council may:

The Youth Council may, at any time, until finally discharged by the Youth Council, resume the care and custody of any child released under parole supervision.

Clothing, Money and Transportation Furnished on Release

Sec. 28. (a) The Youth Council shall insure that each delinquent child it releases under supervision has suitable clothing, transportation to his home, or to the county in which a suitable home or employment has been found for him, and such an amount of money as the rules of the Youth Council authorize.
(b) The expenditure for clothing and for transportation and the payment of money may be made from funds for support and maintenance appropriated to the Youth Council or to the institution from which such child was released, or from local funds, or from any appropriation specifically made for such purposes by the Legislature of the State of Texas.

Sec. 29. A boy or girl committed to the Youth Council as a delinquent child and placed by it in any institution or facility, who has escaped therefrom, or who has been released under supervision and broken the conditions thereof, may be arrested without a warrant by a sheriff, deputy sheriff, constable, police officer, or parole officer employed or designated by the Youth Council, and may be kept in custody in a suitable place and there detained until such boy or girl may be returned to the custody of the Youth Council.

The records of commitment of a delinquent child to the Youth Council shall be withheld from public inspection except with the consent of the Youth Council, but such records concerning any child shall be open at all reasonable times to the inspection of the child, his or her parents or parent, guardian, or attorney, or any of them. To this end the Youth Council shall maintain a record of arrests and commitments of its wards subsequent to their discharge from the jurisdiction of the Youth Council and shall tabulate, analyze, and publish biennially these data so that they may be used to evaluate the relative merits of methods of treatment. The Youth Council shall cooperate with courts, private and public agencies in the collection of statistics and information regarding juvenile delinquency, arrests made, complaints, informations, and petitions filed, and the disposition made thereof, and other information useful in determining the amount and causes of juvenile delinquency in this state.

Added Acts 1957, 55th Leg., p. 782, ch. 319, § 1.

CHAPTER FOURTEEN—UNEMPLOYMENT COMPENSATION

Art. 5221b—22aa. Use of fund for payment of legislative expenses (New).

(b) Benefit amount for total unemployment: Each eligible individual who is totally unemployed in any benefit period shall be paid with respect to such benefit period, benefits at the rate of one twenty-sixth (\(\frac{1}{26}\)) of his wages received from employment by employers during that quarter in his base period in which such wages were highest, provided that:
(1) If such rate is not an even multiple of One Dollar ($1), it shall be adjusted to the next higher multiple of One Dollar ($1); and
(2) Such rate shall not be more than Twenty-eight Dollars ($28) per benefit period nor less than Seven Dollars ($7) per benefit period. As amended Acts 1955, 54th Leg., p. 1310, ch. 517, § 1.

(c) Benefit for partial unemployment: Each eligible individual who is partially unemployed in any benefit period shall be paid with respect to such benefit period a partial benefit, provided that such individual shall meet the requirements of subsection (a) of this Act.¹ Such partial benefit shall be the benefit amount plus (i) Five Dollars ($5), or (ii) twenty-five per cent (25%) of the benefit amount, whichever of (i) or (ii) is greater, less the wages earned during such benefit period, provided that if the result of such computation is not an even multiple of One Dollar ($1), it shall be adjusted to the next higher multiple of One Dollar ($1). As amended Acts 1949, 51st Leg., p. 282, ch. 148, § 1; Acts 1957, 55th Leg., p. 1350, ch. 460, § 1.

(d) Duration of Benefits: The Commission shall establish wage credits for each individual by crediting him with the wages for employment received by him during his base period from employers. The maximum total amount of benefits payable to any eligible individual during any benefit year shall not exceed whichever is the lesser of:
(1) Twenty-four (24) times his benefit amount, or
(2) One-fourth (1/4) of such wage credits;
provided that if such is not an even multiple of One Dollar ($1), it shall be adjusted to the next higher multiple of One Dollar ($1). As amended Acts 1949, 51st Leg., p. 282, ch. 148, § 1; Acts 1955, 54th Leg., p. 399, ch. 116, § 1; Acts 1957, 55th Leg., p. 1350, ch. 460, § 1.

¹ Article 5221b-2.

Effective 90 days after May 23, 1957, date of adjournment.

Section 12 of amendatory Act of 1957 repealed article 5221b-8, subsec. (f). Section 13 repealed article 5221b-18.

Section 14 provided that all laws or parts of laws in conflict herewith, in so far as they do conflict herewith, are hereby repealed, but such repeal shall in no way be construed as forfeiting or waiving any rights of the State of Texas or of the Texas Employment Commission which have accrued thereunder, including, without limiting or without being limited thereto, the right to collect contributions, interest or penalties that have accrued, and the right of prosecution for violation of any provision thereof; nor shall such repeal in any way be construed as forfeiting or waiving the rights of any individual to benefits which accrued thereunder; provided that the Commission's determination of the benefit year, the benefit amount for total unemployment, and the duration of benefits made with respect to an initial claim filed prior to July 1, 1957, shall be effective for the remainder of such benefit year.

Section 15 provided that partial invalidity should not affect the remaining portions of the Act.

Art. 5221b—3. Disqualification for benefits

An individual shall be disqualified for benefits:

(a) If the Commission finds that he has left his last work voluntarily without good cause connected with his work. Such disqualification shall be for not less than one (1) nor more than twenty-four (24) benefit periods following the filing of a valid claim, as determined by the Commission according to the circumstances in each case. As amended Acts 1955, 54th Leg., p. 399, ch. 116, § 3; Acts 1957, 55th Leg., p. 1350, ch. 460, § 2.

(b) If the Commission finds he has been discharged for misconduct connected with his last work. Such disqualification shall be for not less than one (1) nor more than twenty-four (24) benefit periods following the filing of a valid claim, as determined by the Commission according
to the seriousness of the misconduct. As amended Acts 1955, 54th Leg., p. 399, ch. 116, § 3; Acts 1957, 55th Leg., p. 1350, ch. 460, § 2.

Effective 90 days after May 23, 1957, date of adjournment.

Art. 5221b—4. Claims for benefits

(b) An unemployed individual who has no current benefit year may file an initial claim in accordance with regulations prescribed by the Commission. The Commission shall mail a notice of the filing of such initial claim to the employing unit for which the claimant last worked prior to filing the initial claim. If the employing unit to which such notice is mailed has knowledge of any facts that may adversely affect such claimant's right to benefits, or that may affect a charge to its account, it shall notify the Commission of such facts promptly. If such employing unit does not mail or deliver such notification to the Commission within ten (10) days from the date such notice was mailed to it by the Commission, such employing unit shall be deemed to have waived all rights in connection with such claim, including any rights it may have under subsection 7(c) (2) of this Act, except with respect to a clerical or machine error as to the amount of wages it may have paid the claimant and which were used to determine benefit wages in connection with such claim.

The Commission shall determine whether such initial claim is valid. If such initial claim is valid, the Commission shall determine the benefit year, the benefit amount for total unemployment and the duration of benefits. A notice of the determination of the initial claim shall be mailed to the claimant at his last known address as reflected by Commission records. The claimant may within twelve (12) calendar days from the date such notice was mailed request a redetermination or appeal in the manner provided in this Section.

If such employing unit has filed a notification with the Commission in accordance with this Section, an examiner shall make a determination as to whether the claimant is disqualified from receipt of benefits under Section 5 of this Act, as to any other issue affecting the claimant's right to receive benefits which may have arisen under any other provisions of this Act, and as to whether such employing unit's benefit wages shall include benefit wages of the claimant, and shall mail a copy of the determination to the claimant and to such employing unit. In the absence of such notification from such employing unit, if, from information on the claim or other information secured, an issue is raised affecting the claimant's rights to benefits under any provision of this Act, an examiner shall prepare a determination reflecting his decision and mail a copy of it to the claimant at his last known address.

Unless the claimant or the employing unit to which the copy of the determination was mailed files an appeal from such determination within twelve (12) calendar days after such copy of the determination was mailed to his or its last known address as reflected by Commission records, such determination shall be final for all purposes and benefits shall be paid or denied in accordance therewith; provided, that within the same period of time, an examiner may file an appeal from such determination, or may, if he discovers error in connection therewith or additional information not previously available, reconsider and redetermine any such determination, and such redetermination shall replace such determination and shall become final unless an appeal therefrom is filed by such claimant or such employing unit within twelve (12) calendar days after a copy of such redetermination was mailed to his or its last
known address as reflected by Commission records. If an appeal is duly filed, benefits with respect to the period of time prior to the final determination of the Commission shall be paid only after such determination; provided, that if an appeal tribunal affirms a determination of an examiner, or the Commission affirms a decision of an appeal tribunal, allowing benefits, such benefits shall be paid regardless of any appeal which may thereafter be taken, but if such decision is finally reversed, no benefit wages shall be charged to any employer's account by reason of such payment. As amended Acts 1957, 55th Leg., p. 1350, ch. 460, § 3.
Effective 90 days after May 23, 1957, date of adjournment.

(h) Appeal to Courts: Any decision of the Commission shall become final ten (10) days after the date of mailing thereof, unless, within such ten (10) days, the appeal is reopened by Commission order or a party to the appeal files a written motion for rehearing, and judicial review of any final decision of the Commission shall be permitted only after any party claiming to be aggrieved thereby has exhausted his remedies (not including a motion for rehearing) before the Commission as provided by this Act. The Commission shall be deemed to be a party to any judicial action involving any such decision and may be represented in any such judicial action by any qualified attorney who is a regular salaried employee of the Commission and has been designated and appointed for that purpose by the Attorney General of Texas. As amended Acts 1957, 55th Leg., p. 1350, ch. 460, § 3.
Effective 90 days after May 23, 1957, date of adjournment.

Art. 5221b—5. Contributions

(c) Experience Rating:

(2) (A) When, with respect to any benefit year, an individual is first paid benefits, his wages received during his base period shall be termed "benefit wages," and shall be treated for the purposes of this subsection 7(c) as though they had been paid in the calendar quarter in which such benefits are paid. This process may be designated as charging benefit wages to an employer's account, and benefit wages thus charged may be designated as chargebacks. Benefit wages shall include only the wages from employers available for wage credits in a base period and shall not exceed Two Thousand, Six Hundred and Eighty-eight Dollars ($2,688) for any one employee or former employee. If an employer fails to report wages which were paid to a claimant during a base period when requested by the Commission, the Commission may establish wage credits for such claimant for such base period on the basis of information which has been furnished by the claimant or on the basis of the best information which has been obtained by the Commission, and wage credits so established shall be used as benefit wages for such employer for the purposes of this Section 7. The benefit wages of each employer for a given calendar quarter shall be the total of the benefit wages received from such employer by all of his employees or former employees with respect to such quarter; provided, that the benefit wages of an employer shall not include wages received during any given base period from such employer by an employee or former employee, whose last separation from such employer's employment, prior to the benefit year in conjunction with which such base period was established, was (i) a separation required by a Federal or a Texas statute or a Texas
Art. 5221b—5 REVISED CIVIL STATUTES 444

municipal ordinance; or (ii) a separation for which a disqualification under subsection 5(a) or 5(b) of this Act would have been imposed if such employer's employment of the employee or former employee had been the employee's last work; or (iii) a separation with respect to which a disqualification was imposed under subsection 5(a) or 5(b) of this Act; and provided further that for the purpose of this paragraph the term 'last separation' shall, with respect to an employee whose initial determination disqualified him from benefits under subsection 5(d) of this Act, mean his next later separation from such employer's employment.

(2) (B) To each employer to whom notice of an initial claim has not already been mailed under subsection 6(b) of this Act, and whose account is chargeable with benefit wages as the result of such initial claim for benefits, a notice shall be mailed and an opportunity afforded for protest of his chargebacks. If any such employer desires to protest his chargebacks, he shall, within ten (10) days after such notice was mailed to him, mail his protest, including a statement of the facts upon which his protest is based, to the Commission at Austin, Texas. The examiner shall promptly decide the issues involved in such protest and shall mail a notice of his decision thereon to the protesting employer. Such decision shall become final twelve (12) days from the date of mailing thereof, unless such employer mails to the Commission at Austin, Texas, a written appeal therefrom within such twelve (12) days. Administrative review hereunder shall be in accordance with Commission regulations, and appeals to the Courts shall be permitted only after such employer has exhausted his administrative remedies (not including a motion for rehearing) before the Commission, and within the time prescribed by subsection 6(h) and subsection 6(i) of this Act with respect to Commission decisions on benefits. Venue and jurisdiction of appeals to the Courts with respect to benefit wages shall be the same as venue and jurisdiction of suits to collect contributions and penalties under this Act.

If notice of the claim has been sent previously to the employer under the provisions of Section 6 of this Act, the employer shall be mailed a notice of the amount of his chargeback resulting from the claim, and may, within ten (10) days from the date such notice was mailed, protest any clerical or machine error as to the amount of wages he may have paid the claimant and which were used to determine benefit wages in connection with such claim. Such employer may receive a decision on such protest and may appeal within twelve (12) days from the date notice of such decision was mailed to him. As amended Acts 1949, 51st Leg., p. 283, ch. 148, § 5; Acts 1955, 54th Leg., p. 399, ch. 116, § 5; Acts 1957, 55th Leg., p. 1350, ch. 460, § 4.

1 This article. Effective 90 days after May 23, 1957, date of adjournment.

(5) For the purpose of computing experience tax rates for any calendar year, the total amount of benefits paid from the Unemployment Compensation Fund during the one-year period ending September 30 of the preceding calendar year, less (i) the total amount of refunds of benefits credited to such Fund during such period and (ii) the total amount of benefit warrants cancelled during such period, shall be termed the 'amount required from employers.' The amount required from employers, divided by the State-wide total of the benefit wages of all employers for said period, after adjustment to the nearest multiple of one per cent (1%), shall be termed the 'State experience factor.' The State experience factor for any year shall be determined prior to the due date of the first contribution payment on wages for employment in that year and such determination shall be made upon the basis of figures for the
one-year period ending September 30 of the preceding calendar year; such State experience factor shall not be affected by any subsequent adjustment of any benefit wages of any employer. As amended Acts 1949, 51st Leg., p. 283, ch. 148, § 5B; Acts 1955, 54th Leg., p. 399, ch. 116, § 5; Acts 1957, 55th Leg., p. 1350, ch. 460, § 4.

Effective 90 days after May 23, 1957, date of adjournment.

(7) If an employing unit acquires all or a part of the organization, trade or business of an employer, such acquiring successor employing unit and such predecessor employer may jointly make written application to the Commission for that compensation experience of such predecessor employer which is attributable to the organization, trade or business or the part thereof acquired to be treated as compensation experience of such successor employing unit. The Commission shall approve such application if it finds that: (i) immediately after such acquisition the successor employing unit continued operation of substantially the same organization, trade or business or part thereof acquired; and (ii) the predecessor employer has waived, in writing, all his rights to an experience rating based on the compensation experience attributable to the organization, trade or business or part thereof acquired by the successor employing unit; and (iii) in the event of the acquisition of only a part of a predecessor employer’s organization, trade or business, such acquisition was of a part to which a definitely identifiable and segregable part of the predecessor’s compensation experience was and is attributable; and (iv) if the successor employing unit was not an employer at the time of the acquisition, such successor has elected to become an employer as of the date of the acquisition or has otherwise become an employer during the year in which the acquisition took place.

If the application for transfer of experience is approved and the successor employing unit was an employer immediately prior to the acquisition, such successor shall pay contributions from the date of the acquisition until the end of the calendar year in which the acquisition occurred at the rate applicable to the successor on the date of the acquisition. If such application is approved and the successor employing unit was not an employer immediately prior to the date of the acquisition, such successor shall pay contributions from the date of the acquisition until the end of the calendar year in which the acquisition occurred at the highest rate applicable at the time of the acquisition to any predecessor employer who was a party to the acquisition with respect to which the joint application was made.

In the event the acquisition is the result of the death of the predecessor employer, the requirements of this subsection relating to the necessity for the predecessor to join in the application and the requirements of condition (ii) hereof shall not apply.

“Compensation experience,” as used in this subsection includes duration of chargeability with benefit wages as well as all factors mentioned in subsection 7(c) of this Section necessary to the computation of experience rating under subsection 7(c) of this Section. As amended Acts 1949, 51st Leg., p. 283, ch. 148, § 5D; Acts 1953, 53rd Leg., p. 47, ch. 38, § 1; Acts 1957, 55th Leg., p. 1350, ch. 460, § 4.

Effective 90 days after May 23, 1957, date of adjournment.

(d) The computation date for all experience tax rates shall be as of October 1 of the year preceding the calendar year for which such rates are to be effective, and such rates shall be effective on January 1 of the calendar year immediately following such computation date for the en-

tire year; provided that the experience tax rate for each employer who, for the first time, and at the close of any calendar quarter, has completed four (4) full consecutive calendar quarters throughout each month of which he was chargeable with benefit wages, shall be computed and determined as of the first day of the calendar quarter next following such close, and such rate shall be effective on the date as of which it was computed, and for the remainder of the calendar year in which such computation date occurs. As amended Acts 1949, 51st Leg., p. 283, ch. 148, § 5E; Acts 1955, 54th Leg., p. 399, ch. 116, § 5; Acts 1957, 55th Leg., p. 1350, ch. 460, § 4.
Effective 90 days after May 23, 1957, date of adjournment.

Art. 5221b—6. Duration of coverage

(c) (1) Except as provided in paragraph (2) immediately below, no employing unit shall cease to be an employer subject to this Act except as of the first day of January of any calendar year, and only then if it files with the Commission, within the period from January 1 through March 31 of such year, a written application for termination of coverage, and the Commission finds that there were no twenty (20) different days within the preceding calendar year, each day being in a different calendar week, during each of which days such employing unit employed four (4) or more individuals in employment subject to this Act. As amended Acts 1957, 55th Leg., p. 1350, ch. 460, § 5.
Effective 90 days after May 23, 1957, date of adjournment.

Art. 5221b—7. Unemployment Compensation Fund

(c) Withdrawals: Moneys requisitioned from this State’s account in the Unemployment Trust Fund shall be used exclusively for the payment of benefits and for refunds pursuant to Section 141 and this Section, except that money credited to this State’s account pursuant to Section 903 of the Social Security Act,2 as amended, may be requisitioned and used by the Commission only to the extent and under the conditions prescribed by said Section 903, as amended. The Commission shall from time to time requisition from the Unemployment Trust Fund such amounts, not exceeding the amounts standing to its account therein, as it deems necessary for the payment of benefits and refunds for a reasonable future period. Upon receipt thereof, the Treasurer shall deposit such moneys in the benefit account, and the Comptroller shall issue his warrants for payment of benefits solely from such benefit account. Expenditures of such moneys in the benefit account, and refunds from the clearing account, shall not be subject to any provision of law which may require itemization or other formal release by State officers of money in their custody. All warrants issued for the payment of benefits and refunds shall bear the signature of the Treasurer and the countersignature of a member of the Commission, or its duly authorized agent, for that purpose. Any balance of moneys requisitioned from the Unemployment Trust Fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned, shall either be deducted from estimates for, and may be utilized for the payment of benefits and refunds during succeeding periods, or, in the discretion of the Commission, shall be redeposited with the Secretary of the Treasury of the United States of America, to the credit of this State’s account in the
Unemployment Trust Fund as provided in subsection (b) of this Section.

Art. 5221b—9. Administration

(g) Subpoenas: In case of contumacy by, or refusal to obey a subpoena issued by a member of the Commission or any duly authorized representative thereof to any person, any County or District Court of this State within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which said person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the Commission or its duly authorized representative, shall have jurisdiction to issue to such person an order requiring such person to appear before a commissioner, the Commission, or its duly authorized representative, there to produce evidence if so ordered or there to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof. Any person who shall without just cause fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, and other records, if it is in his power so to do, in obedience to a subpoena of the Commission, shall be punished by a fine of not less than Two Hundred Dollars ($200), or by imprisonment for not longer than sixty (60) days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense. Said bonds shall be executed by and on behalf of the Veterans' Land Board as obligations of the State of Texas in the following manner: They shall be signed by the Chairman and Secretary respectively of the Board, and the seal of the Board shall be impressed thereon, and they shall be signed by the Governor of the State of Texas, and attested by the Secretary of State of the State of Texas with the seal of the State of Texas impressed thereon. The resolution authorizing the issuance of any installment or series of bonds may prescribe the extent to which facsimile signatures and facsimile seals in lieu of manual signatures and manually impressed seals may be used in executing such bonds and appurtenant coupons. Interest coupons may be signed by the facsimile signatures of the Chairman and Secretary of the Board. In the event any officer whose manual or facsimile signature appears on any bond, or whose facsimile signature shall appear on any coupon, shall cease to be such officer before the delivery of bonds, the signature shall, nevertheless, be valid and sufficient for all purposes, the same as if he had remained in office until such delivery had been made. Before any such bonds so issued are delivered to the purchasers, the record pertaining thereto shall have been examined by the Attorney General of Texas and said record and bonds shall be approved by him. After such approval, the bonds shall be registered in the office of the State Comptroller of Public Accounts of Texas. Such bonds having been approved by the Attorney General and registered in the Comptroller's office shall be held, in every action brought to enforce collection of such bonds or any rights incident thereto, the certificate of approval by the Attorney General, or a duly certified copy thereof, shall be admitted and received in evidence of their validity. The only defense which can be offered against the validity of such bonds shall be forgery or fraud. All bonds issued under the provisions of this Act shall have, and are hereby declared to have, all of the qualities and incidents of negotiable instruments under the laws of this State. The Board is fully authorized to provide for the replacement of any bond which becomes mutilated, lost or destroyed. As amended Acts 1951, 52nd Leg., p. 550, ch. 324, § 1; Acts 1957, 55th Leg., p. 491, ch. 238, § 1.

Call for bids; bids accompanied by exchange or check

Sec. 6. When the Board shall have authorized the issuance of a series of said bonds and shall have determined to call for bids therefor, it shall be the duty of the Board to publish at least one (1) time not less than ten (10) days before the date of said sale an appropriate notice thereof. Such publication shall be made in a daily newspaper of general state-wide circulation which is published not less than seven (7) times weekly. Said notice shall also be published for such number of times as
the Board may determine in one or more popularly recognized financial journals of general circulation.

The Board may at its option demand of bidders, other than the administrators of the state funds herein mentioned, that their bids be accompanied by exchange or bank cashier's check for such sum as it may consider adequate to be a forfeit guaranteeing the acceptance and payment for all bonds covered by such bids, and accepted by the Board. As amended Acts 1957, 55th Leg., 2nd C. S., p. 159, ch. 5, § 1.

**Payment of principal and interest; legal investments**

Sec. 9(a). Each year until December 1, 1965, there shall be set aside and paid from the Veterans' Land Fund sufficient moneys to pay interest and principal due on all bonds theretofore issued and outstanding. After December 1, 1965, all moneys received by the Veterans' Land Board under the terms of this Act, or so much thereof as may be necessary, shall be set aside and used to pay principal and interest on bonds then outstanding as they shall mature. When there is in the Veterans' Land Fund an amount fully sufficient to pay all interest on, and principal of, the outstanding bonds due and to become due thereafter, any moneys in excess of such amount shall be deposited to the credit of the General Fund of the State of Texas to be appropriated to such purposes as may be prescribed by law. The moneys so set aside and not deposited to the credit of the General Revenue Fund may be invested by the Board in bonds or other obligations of the United States, or the State of Texas, or of the several counties or municipalities, or other political subdivisions of the State of Texas, and such Board may sell such securities, or any of them, at the governing market rate. As amended Acts 1957, 55th Leg., p. 491, ch. 238, § 2.

**Use of fund to purchase lands**

Sec. 10. Until December 1, 1965, the Veterans' Land Fund, except a sufficient amount to pay the interest and principal due on outstanding bonds, shall be used by the Board for the purpose of purchasing land situated in this State, and (a) owned by the United States, or any governmental agency thereof; (b) owned by the State Prison System, or any other governmental agency of the State of Texas; (c) owned by any person, firm, or corporation. The said land so purchased to be sold, as hereinafter provided, to Texas veterans, as hereinafter defined. As amended Acts 1951, 52nd Leg., p. 550, ch. 324, § 3; Acts 1957, 55th Leg., p. 491, ch. 238, § 3.

**Subdivision of land; notice of sale; preference of disabled veterans**

Sec. 12. Land acquired by the Board may be subdivided for the purpose of sale into tracts of such size as the Board may deem advisable; but prior to the sale thereof in bulk or in subdivided lots, notice of sale must be given once a week for four (4) consecutive weeks in one or more newspapers of general circulation in this state, one of which shall be in the county where the land is located; or if no paper is located in the county, then in the same area. The Board is authorized to determine the form and substance of such notices, and to formulate such other rules and regulations covering the sale of lands as it may require in carrying out the purposes of this Act; provided that all “veterans” as that term is hereinafter defined, who are disabled by reason of a service-connected disability sustained in combat, shall have a preference right over all other
veterans for ninety (90) days to purchase any of said land after same is placed on the market by the Board. The Board may not offer for sale, and no veteran will be permitted to buy, land under this Section which costs the Board more than Seven Thousand, Five Hundred Dollars ($7,500). As amended Acts 1957, 55th Leg., p. 491, ch. 238, § 4.

**Selling price; amount which veteran may purchase**

Sec. 13. Land shall not be sold at less than its actual cost to the Board, except that forfeited lands may be resold under the provisions of Section 19(A) hereof at less than its actual cost to the Board. No veteran shall be permitted to purchase more than one (1) tract of land under this Act. As amended Acts 1957, 55th Leg., p. 491, ch. 238, § 5.

**Contract of sale; payments; transfer; deed**

Sec. 17. The sale of all lands hereunder by the Board may be properly initiated by Contract of Sale and Purchase, and said contract shall be recorded in the deed records in the County where the land is located. The purchaser shall make an initial payment of at least five per cent (5%) of the selling price of the property. The balance of said selling price shall be amortized over a period to be fixed by the Board, but not exceeding forty (40) years, together with interest thereon at a rate to be fixed by the Board, not to exceed four per cent (4%) per annum; provided, however, that the purchaser shall have the right on any installment date to pay any or all installments still remaining unpaid; provided further that in any individual case, the Board may, for good cause, postpone from time to time, upon such terms as the Board may deem proper, the payment of the whole or any part of any installment of the selling price or interest thereon. The Board is empowered in each individual case to specify the terms of the contract entered into with the purchaser, not contrary to the provisions of this Act, but no property sold under the provisions of this Act shall be transferred, sold, or conveyed in whole or in part, until the original veteran purchaser has enjoyed possession for a period of three (3) years from the date of purchase of said property, and complied with all the terms and conditions of this Act and the rules and regulations of the Board; provided, however, that should the veteran purchaser die or become financially incapacitated by reason of illness or accident, the property may be conveyed before the expiration of said three (3) years by said purchaser or his heirs, administrators, or executors. After said three (3) year period, a purchaser may at any time, transfer, sell or convey land purchased under the provisions of this Act, provided all mature interest, principal and taxes have been paid and the terms and conditions of this Act and the rules and regulations of the Board have been met; provided, however, if the sale is to other than a qualified Texas veteran, the assignee and all subsequent assignees shall assume an interest rate on the indebtedness to the Board to be fixed by the Board at not less than five per cent (5%) per annum; provided further that property sold under the provisions of this Act may be transferred, sold or conveyed at any time after the entire indebtedness due the Board has been paid. Any land purchased under the provisions of this Act may not be leased by the purchaser for any term exceeding ten (10) years except for oil, gas or other minerals and so long thereafter as any minerals may be produced therefrom in commercial quantities, and no such lease shall contain any provision for option or renewal of such lease or re-lease of such property for any term. The taking of any option, renewal or re-lease agreement in a separate instru-
Sec. 19. If any portion of the interest or principal on any sale shall not be paid when due, or if any other provisions of this Act, the contract, and Board rules and regulations are not complied with, the contract of sale and purchase shall be subject to forfeiture by the Board upon thirty (30) days written notice to the original purchaser and his vendees. Such notice shall give the reason or reasons why the contract of sale and purchase is subject to forfeiture and shall be sufficient when given by registered mail to the last known address of the original purchaser and his vendees. If such reason or reasons for forfeiture are cured or corrected within said thirty-day period, the Board shall not enter an order of forfeiture. Such forfeiture shall be effective when the Board shall have met and adopted a resolution directing the Chairman of the Board to endorse upon the wrapper containing the papers of said sale, or upon the purchase contract filed in the Land Office, the word “forfeited,” or words of similar import, with the date of such action, and to sign officially; thereupon the lands and all payments theretofore made shall become forfeited. Upon forfeiture full title to the land, including both the surface and mineral estates, shall vest in the Board, and the Board shall recognize and continue in force and effect any outstanding valid oil, gas or mineral lease and collect all rentals, royalties, or other amounts payable thereunder. A notice of the action of the Board in forfeiting the original contract shall be mailed to the County Clerk of the county wherein the land is located, and the said Clerk shall enter on the margin of the page or pages containing the record of the original contract a notation of such forfeiture. Land included in such forfeited contract shall be subject to resale under the terms as set forth in Section 19(A) hereof. In any case where the sale has been forfeited and the title to the lands revested in the Veterans’ Land Fund, the original purchaser or his vendee shall have the right to reinstate his purchase contract at any time prior to the date on which the Board shall have met and ordered the said lands to be advertised for resale, or for lease for mineral development, but not thereafter. Any person exercising a right of reinstatement shall pay all delinquent installments, penalties and costs incident to the reinstatement, as shall be prescribed by the said Board. All interest and principal which shall become delinquent shall bear interest at the rate of five per cent (5%) per annum from the date the same becomes delinquent, until paid.

The Board, acting by and through the Attorney General, is hereby directed to institute such legal proceedings as may be necessary to enforce such forfeiture or to recover the full amount of the delinquent installments, interest, and other penalties as may be due the Board at the time such forfeiture occurred, or to protect any other right to such
land. The liability of the original veteran purchaser and any subsequent assignee or assignees of such veteran shall be joint and several, but the original veteran purchaser shall be primarily liable for payment of any and all moneys under the original contract of sale and purchase.

In any action brought in the courts against the State, after obtaining permission of the Legislature, involving the title to any tract of land to which the State has a warranty deed, the State shall have the right to plead all statutes of limitations in the General Laws of this State. This shall not be considered as a limitation to any other defense the State might have. As amended Acts 1955, 54th Leg., p. 1597, ch. 520, § 8; Acts 1957, 55th Leg., p. 491, ch. 238, § 7.

Resale of forfeited land; forfeiture of successful bidder's deposit

Sec. 19(A). The resale of land which has been forfeited under the provisions of this Act may be made to the highest bidder; provided, however, that sales shall be made to qualified veterans only and under the same terms and conditions as provided elsewhere in this Act for original sales. Such sales shall be held at such times and in such manner as the Board may prescribe, and the Board shall have the right to reject any and all bids. If the successful bidder refuses to execute a contract of sale and purchase, all moneys submitted with his bid shall be forfeited and deposited in the State Treasury and credited to the Veterans' Land Board Special Fund. Added Acts 1955, 54th Leg., p. 1597, ch. 520, § 9, as amended Acts 1957, 55th Leg., p. 491, ch. 238, § 8.

Rules and regulations; forms; forfeitures; fees for processing and servicing applications

Sec. 21. The Board is hereby authorized and empowered to make and promulgate such rules and regulations under this Act, and not inconsistent herewith, as it shall deem to be necessary or advisable. Such rules and regulations shall be considered a part of this Act and any violation thereof shall subject the offender to prosecution under the provisions of Section 32 hereof. The Board shall likewise have the power to prescribe the form and contents of all notices, bids, applications, awards, contracts, deeds or instruments whatsoever in any manner used by it in so carrying out such project and plan when the same shall not be in conflict with law. The Board is hereby made the sole judge of forfeiture of any purchase contract under this Act, and anyone availing himself of the provisions of this Act shall by so doing agree to abide by the same; and should the Board declare a forfeiture under said purchase contract, then the purchaser shall vacate the premises within forty-five (45) days after the date of letter giving notice of such declaration, such letter to be forwarded by registered mail to the last known address of such purchaser.

The Board is hereby authorized and required to collect a fee of Fifty Dollars ($50) from each applicant under Section 16 of this Act and a fee of Twenty-five Dollars ($25) from each successful bidder under Section 19(A) of this Act, which fees shall be held in a trust fund to be used for the purpose of payment for examination of title, recording fees and/or other expenses; and any unused balance remaining after payment for such items shall be refunded except as provided in Section 19(A) of this Act.

The Board is further authorized and required to charge and collect for the use of the State the following fees for the processing and servic-

On the date specified in said notice, such governing board or body shall receive and consider any and all bids submitted for the leasing of said lands or any portions thereof which are advertised for leasing, and in the discretion of such governing body shall award the lease to the highest and best bidder submitting a bid therefor, provided that if in the judgment of such governing

Public auction; amount of royalty; term of lease

Sec. 2a. Provided that all such leases may be granted by public auction and that no leases shall be executed in any case except and unless the lessor shall retain at least one-eighth royalty, provided further that in no case shall the primary term of said lease be for more than a period of ten (10) years from the date of execution and approval thereof. As amended Acts 1957, 55th Leg., p. 482, ch. 231, § 1.

Section 6 of the amendatory Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

Whenever any person shall remove any such property to a county other than the one in which the lien has been filed, the lien holder may within ninety (90) days thereafter file an itemized inventory of the property so removed, showing the amount due and unpaid thereon, with the clerk of the county to which it has been removed, which shall be recorded in the materialman's lien records of such county, and such filing shall operate as notice of the existence of the lien and the lien shall attach and extend to the land or leasehold and other premises, properties and appurtenances to which said
properties so removed shall attach, of the kind and character enumerated in Article 5473. As amended Acts 1957, 55th Leg., p. 482, ch. 231, § 2.

Art. 5476b. Furnishing under a single contract

When labor is performed by the day or week, then the indebtedness shall be deemed to have accrued at the end of each week during which labor is performed. When material or services are furnished, the indebtedness shall be deemed to have accrued at the date of the last delivery of such material or services; and all materials or services furnished by any person upon the same land, mine or quarry, gas, oil or mineral leasehold interest, gas pipeline or oil pipeline, or oil and gas pipeline right-of-way, shall for the purposes of this Act be considered as having been furnished under a single contract regardless of whether or not the same was furnished at different times or on separate orders, provided that no more than six (6) months shall have elapsed between the date of furnishing of such material and services and the date on which materials or services are next furnished. As amended Acts 1957, 55th Leg., p. 482, ch. 231, § 4.

No owner shall be liable to any such claimant for any amount in excess of the amount still owing to the original contractor at the time of receipt of such notice. Added Acts 1957, 55th Leg., p. 482, ch. 231, § 5.
Art. 5476d. Forfeiture of leasehold estate; failure of equitable or other interest to ripen into legal title; effect on lien

If a lien provided for in this Chapter attaches to an equitable interest or to a legal interest contingent upon the happening of a condition subsequent, failure of such interest to ripen into legal title or such condition subsequent to be fulfilled shall not impair any such lien as to material, machinery, supplies and the specific improvement located thereon and to which said lien attached prior to such failure. **Art. 5547—1. Short title**

This Act shall be known and may be cited as the Texas Mental Health Code. Acts 1957, 55th Leg., p. 505, ch. 243, § 1.

Effective date provisions, see art. 5547—104 and note.

**Title of Act:**

An Act concerning the hospitalization, commitment, care, observation and treatment of the mentally ill, including persons of unsound mind, and their status; imposing certain responsibilities upon the Board for Texas State Hospitals and Special Schools and Texas State Department of Health; licensing mental hospitals operated by private persons and political subdivisions; providing penalties for violations; providing the Act shall take effect on January 1, 1958; saving certain rights, obligations and procedures; repealing certain statutes and laws; and declaring an emergency. Acts 1957, 55th Leg., p. 505, ch. 243.

**Art. 5547—2. Purpose**

It is the purpose of this Code to provide humane care and treatment for the mentally ill and to facilitate their hospitalization, enabling them to obtain needed care, treatment and rehabilitation with the least possible
trouble, expense and embarrassment to themselves and their families and
to eliminate so far as possible the traumatic effect on the patient's mental
health of public trial and criminal-like procedures, and at the same time to
protect the rights and liberty of every one. In providing care and treat­
ment for the mentally ill, the State acts to protect the community from
harm and to serve the public interest by removing the social and economic
burden of the mentally ill on society and the burden and disturbing effect
of the mentally ill person on the family, and by care and treatment in a
mental hospital to restore him to a useful life and place in society. It is
also the legislative purpose that Texas contribute its share to the nation­
wide effort through care, treatment and research to reduce the prevalence

Art. 5547—3. Applicability of standard rules of construction and defini­
tions

Unless specifically supplanted by this Code or unless the context other­
wise requires, the provisions of Articles 10, 11, 12, 14, 22 and 23, Revised
Civil Statutes of Texas, 1925, and of Acts, Fiftieth Legislature, 1947,
Chapter 359, (compiled as Texas Civil Statutes, Article 23a (Vernon's
1948)) apply to this Code. Acts 1957, 55th Leg., p. 505, ch. 243, § 3.

Art. 5547—4. Definitions

As used in this Code, unless the context otherwise requires:

(a) “Board” means the Board for Texas State Hospitals and Special
Schools.

In particular, the discharge under this Code of any patient committed to a mental hospital under the prior law terminates any presumption that he is mentally incompetent. Unless these proceedings are completed within nine (9) months after the effective date of this Code they shall be governed by the provisions of this Code. Acts 1957, 55th Leg., p. 505, ch. 243, § 100.

Art. 5547—101. Saving clause

The repeal of any law by this Code shall not affect or impair any act done or right, obligation or penalty existing or accrued under the authority of the law repealed; and such law shall be treated as still remaining in force for the purpose of sustaining any proper action concerning any
such act, right, obligation or penalty. Acts 1957, 55th Leg., p. 505, ch. 243, § 101.

Art. 5547—102. Severability

If any provision of this Code or the application thereof to any person or circumstance is held invalid, this invalidity shall not affect other provisions or applications of the Code which can be given effect without the invalid provision or application, and to this end the provisions of this Code are declared severable. of an ineligible person as custodian, nor renunciation by the person desig-
nated as custodian affects the consummation of the gift.
Effect of Gift

Sec. 3. (a) A gift made in a manner prescribed in this Act is irrevocable and conveys to the minor indefeasibly vested legal title to the security or money given, but no guardian of the minor has any right, power, duty or authority with respect to the custodial property except as provided in this Act.

(f) The custodian may sell, exchange, convert or otherwise dispose of custodial property in the manner, at the time or times, for the price or prices and upon the terms he deems advisable, provided that a custodian may not acquire as custodial property any property other than securities or money. (h) The custodian shall keep records of all transactions with respect to the custodial property and make them available for inspection at reasonable intervals by a parent or legal representative of the minor or by the minor, if he has attained the age of fourteen (14) years.

(i) A custodian has and holds as powers in trust, with respect to the custodial property, in addition to the rights and powers provided in this Act, all the rights and powers which a guardian has with respect to property not held as custodial property.

Any such Board shall have the powers authorized in and shall perform the duties specified in this Act.

tificate shall be conclusive evidence of the due and proper appointment
of such Park Commissioner. Each Commissioner of said Board of Park
Commissioners shall annually receive as compensation a sum to be fixed
by the Commissioners Court not to exceed Fifteen Dollars ($15.00) for
each meeting attended for the first fifty-two (52) meetings held during a
calendar year, but shall receive no compensation for any additional

be compensated for all necessary expenses, including traveling, incurred
in performing their duties as Park Commissioners; when an account

Sec. 4. Each Park Commissioner so appointed shall within fifteen
(15) days after his appointment qualify by taking the official oath and
by filing a good and sufficient bond with the County Clerk of such county,

theretofore by the Commissioners Court of such county, but not less than
Five Thousand Dollars ($5,000.00). Said bond shall be conditioned upon
the faithful performance of the duties of such Park Commissioner, in­

paid by the Board.

Powers vested in commissioners; quorum; necessary vote;
officers; meetings; funds

Sec. 5. The powers under this Act shall be vested in the Board of
Park Commissioners as constituted from time to time. Four (4) Park
Commissioners shall constitute a quorum of the Board for the purposes
of conducting its business and exercising its powers, and for all other
purposes. The action of the Board may be taken by a majority vote of
the Park Commissioners present. At the time of the appointment of the
first Park Commissioners in any such county, the appointing power shall
designate one (1) of the Park Commissioners as Chairman of the Board,
who shall serve in that capacity until the expiration of the term for
which he was appointed (or within such period until he may have va­
cated his office as a Park Commissioner), thereafter the Board shall elect
a Chairman from among its Park Commissioners. The Board shall elect
from among its own members a Vice-chairman, a Secretary, and a Treas­
urer. The office of Secretary and Treasurer may be held by the same
person, and in the absence or unavailability of either the Secretary or the
Treasurer in the event two (2) persons are holding said positions the
other such officer may act for and perform all of the duties of such ab­

The Board may employ secretaries, stenographers, bookkeepers, accountants, technical experts, and such other agents and employees, permanent or temporary, as it may require and shall determine their qualifications, duties, and compensation. In addition the Board may also employ and compensate a manager for any park or parks and may give him full authority in the management and operation of the park or parks subject only to the direction and orders of the Park Board. The County Attorney of any such county shall perform all the necessary legal services for such Board of Park Commissioners. The Board shall adopt a seal which shall be placed on all leases, deeds, and other instruments which are usually executed under seal, and on such other instruments as may be required by the Board.

Personal interest

Sec. 7. No Park Commissioner or employee of the Board shall acquire any pecuniary interest, direct or indirect, in any improvements, concessions, equipment or any business located within the confines of or in any way related to any public park administered by such Board, nor shall he have any interest, direct or indirect, in any contract or proposed contract for construction, materials or services in connection with or related to any park under control of the Board.

Records

Sec. 8. The Board of Park Commissioners shall keep a true and full account of all its meetings and proceedings and preserve its minutes, contracts, accounts, and all other records in a fire proof vault or safe. All such records shall be the property of the Board and shall be subject to inspection by the Commissioners Court at all reasonable times during office hours on business days.

Sec. 9. Such Board shall have full and complete authority to enter into any contract, lease or other agreement connected with or incident to or in any manner affecting the acquisition, financing, construction, equipping, maintaining, or operating all facilities located or to be located on or pertaining to any park or parks under its control. It shall also have authority to disburse and pay out all funds under its control for any lawful purpose for the benefit of any such park or parks.

Contracts, leases and agreements necessary and convenient

Sec. 10. Such Board shall have general power and authority to make and enter into all contracts, leases and agreements which said Board shall deem necessary and convenient to carry out any of the purposes and powers granted in this Act. Any such contract, lease or agreement may be entered into, with any person, real or artificial, any corporation, municipal, public or private, any governmental agency or bureau, including the United States Government and the State of Texas, and may make contracts, leases, and agreements, with any such persons, corporation or entities for the acquisition, financing, construction or operation of any facilities in, connected with or incident to any such park. Any and all contracts, leases and agreements herein authorized, to be effective, shall be approved by resolution of the Board and shall be executed by its Chairman or Vice-chairman and attested by its Secretary or Treasurer.

Suits

Sec. 11. Such Board shall have the right to sue and be sued in its own name.

Revenue bonds

Sec. 12. (a) For the purpose of providing funds to acquire, improve, equip and repair such park or parks, or for the acquisition by construction or otherwise of any facilities to be used in or connected with or incident to any such park or parks, or for any one or more of such purposes, the Board shall have the power from time to time and is hereby authorized by resolution (hereinafter sometimes called the "Resolution"), to procure the issuance of revenue bonds, hereinafter sometimes called the "Revenue Bonds," which shall be fully negotiable instruments under the Uniform Negotiable Instruments Law and all other laws of Texas. Included but without limiting, among the permanent improvements and facilities which may be acquired through the issuance of Revenue Bonds are the following: stadia, coliseums, auditoriums, athletic fields, pavilions, and building and grounds for assembly, together with parking facilities and other improvements incident thereto. Provided that no Revenue Bonds shall be issued under authority of such Resolution unless and until said Resolution shall have first been approved by the Commissioners Court of such county, evidenced by an order to that effect and approved by a vote of the qualified taxpaying voters in the county as hereinafter provided. Such Revenue Bonds shall be issued in the name of such county, signed by the County Judge and attested by the County Clerk and ex officio clerk of the Commissioners Court of said county. They shall have impressed thereon the seal of the Commissioners Court of said county, shall mature serially or otherwise in not to exceed forty (40) years and may be sold by the Board at a price and under terms determined by the Board to be the most advantageous reasonably obtainable, provided that the average interest cost, taking into consideration the maturity date or dates of the Revenue Bonds calculated by the use of standard bond interest tables currently in use by insurance companies and investment houses, shall not exceed six per cent (6%) per annum. The Resolution authorizing the issuance of the bonds, rendered effective by the approving order of the Commissioners Court, shall prescribe the details as to the Revenue Bonds. It may contain provisions for the calling of the Revenue Bonds for redemption prior to their respective maturity dates at such prices and at such times as may be prescribed in such Resolution, but except for such rights of redemption expressly reserved in the Resolution and in the Revenue Bonds they shall not be subject to redemption prior to their scheduled maturity date or dates. The bonds may be made payable at such times and at such places, within or without the State of Texas, as may be prescribed in the Resolution, and they may be made registerable as to principal, or as to both principal and interest.

(b) The Revenue Bonds may be issued in one or more series from time to time as required for carrying out the purposes of this Act.

(c) The bonds may be secured by a pledge of all or a part of the Net Revenues (as defined in Section 12(d) hereof) from the operation of such park or parks, or the facilities thereof and incident thereto, or by a pledge of the net revenues both from said park or parks and said facilities or any one or more thereof. The net revenues of any one or more contracts, operating contracts, leases or agreements theretofore or thereafter made or to be made may be pledged as the sole, or as additional security, for the support of the bonds. Any other revenue other than tax
revenue may be specified in the Resolution of the Boards or may be pledged as additional security for the bonds. In any such Resolution the Board may reserve the right under conditions therein specified to issue additional bonds which will be on a parity with, or subordinate to the bonds then being issued.

(d) The term "Net Revenues" as used in this section and in this Act shall mean the gross revenues from the operation of the park or the parks, and the facilities thereof, leases, agreements and contracts, and incidents thereto, or from any one or more thereof, whose revenues shall have been thus pledged, after deduction of the necessary expenses as defined in Section 14 hereof.

(e) From the proceeds of the Revenue Bonds the Board may set aside, as shall be prescribed in the Resolution, an amount for payment of interest estimated to accrue during the construction period and in addition thereto such reserve for the interest and sinking fund as may be deemed proper. From the proceeds of the Revenue Bonds all expenses necessarily incurred in issuing and in selling the Revenue Bonds shall be paid. The remainder of such proceeds shall be used for the purposes specified in Section 12(d) of this Act.

(f) Said bonds shall never be construed to be a debt of the county or the State of Texas within the meaning of any constitutional or statutory provisions, but shall be payable solely and only from the revenues pledged to their payment as herein provided. No principal or interest on such bonds or any refunding bonds shall ever be a debt against the tax revenues of such county, but solely a charge upon the pledged revenues. Such bonds shall never be reckoned in determining the power of the county to incur obligations payable from taxation. Each Revenue Bond shall contain on its face substantially the following provisions:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

(g) So long as any of the Revenue Bonds are outstanding no additional bonds of equal dignity shall be issued against the pledged revenues except to the extent and in the manner expressly permitted in the Resolution.

(h) No such bonds shall ever be issued or sold unless authorized by a majority of the resident qualified taxing voters of said county who own taxable property in said county who have duly rendered the same for taxation, voting at an election called for such purpose, which election shall be held and notice thereof given as is provided in Chapter 1, Title 22, Revised Civil Statutes of Texas, 1925, as amended, except that the proposition to be submitted shall not provide for the levy of any tax whatsoever, and the ballot shall so provide, and be substantially as follows:

"FOR the issuance of $__________ in bonds for the purpose of _______ which bonds and the interest thereon shall be payable solely from revenues from the operation of such facilities and not from tax revenues."

"AGAINST the issuance of $__________ in bonds for the purpose of _______ which bonds and the interest thereon shall be payable solely from revenues from the operation of such facilities and not from tax revenues."

(i) Before any such bonds are delivered to the purchaser they shall be submitted to the Attorney General along with the record pertaining thereto for his examination and approval. It shall be the duty of the Attorney General to approve the Revenue Bonds when issued in accordance
with this Act. Bonds thus approved by the Attorney General and registered within the office of the Comptroller of Public Accounts shall be incontestable.

Refunding bonds

Sec. 13. Revenue Bonds which likewise will be fully negotiable, may be issued by Resolution first adopted by the Board and thereafter approved by order of the Commissioners Court of such county for the purpose of refunding bonds issued under this Act. The refunding bonds may be secured in the manner provided in this Act for securing original Revenue Bonds. No election shall be required for the issuance of any refunding bonds. Such refunding bonds may be sold and the proceeds used to retire the original bonds, or may be issued in exchange for the original bonds, as may be provided in the resolution authorizing their issuance.

Expenses; fees and tolls

Sec. 14(a). The expense of operation and maintenance of facilities whose revenues are pledged to the payment of bonds shall always be a first lien on and charge against the income thereof. So long as any of said bonds or interest thereon remain outstanding the Board shall charge or require the payment of fees and tolls for the use of such facilities which shall be equal and uniform within classes defined by the Board and which shall yield revenues at least sufficient to pay the expenses of such operation and maintenance, and to provide for the payments prescribed in the Resolution for "Debt Service" as that term may be defined in the Resolution (which without limitation may include provisions for any or all of the following: the payment of principal and interest as such principal and interest respectively mature, the establishment and maintenance of funds for extensions and improvements, and operating reserve, and an interest and sinking fund reserve).

(b) The Board is authorized to determine the rates, charges and tolls which must be charged by it for the use, operation or lease of such facilities.

Provisions applicable to bonds

Sec. 15. The following provisions shall be applicable as to Revenue Bonds issued under this Act:

(a) It shall be the duty of the Board to fix such tolls and charges for the use of the facilities whose revenues are thus pledged as will yield revenues fully sufficient to operate and maintain such facilities and to permit full compliance by the Board with the covenants contained in the Resolution for the making of payments into the Debt Service Fund, including payments into any reserve accounts or funds created in the Resolution in connection with the issuance of the Bonds. In the event that any part of the security for the Revenue Bonds consists of money to be received by the Board as consideration for facilities belonging to the Board but operated by another or others under some form of lease or operating contract, it shall be the duty of the Board to fix and authorize rates, charges and tolls to be made by such person or persons for services to be rendered by such facilities, at least sufficient to assure the receipt by the Board of money which the Board is committed to pay from such source for Debt Service under the terms of the Resolution.

(b) The proceeds of the bonds shall be used and shall be disbursed under such restrictions as may be provided in the Resolution, and there shall be and there is hereby created and granted a lien upon such moneys, until so applied, in favor of the holders of the Revenue Bonds or of any trustee provided for in respect to such bonds, but neither the depository of such funds nor the trustee shall be obligated to see to the proper ap-
plication of such fund except as expressly provided in the Resolution or in the indenture securing the bonds. Any surplus remaining from the bond proceeds after providing for the following: interest during construction and for such additional period as may be prescribed in the Resolution, and the creating of any reserve fund prescribed in the Resolution and the accomplishment of the bond purpose, shall be used for retiring the bonds to the extent that they can be purchased at prevailing market prices, with any remainder after such purchase to be deposited in the fund established in the Resolution for Debt Service.

(c) The Resolution may provide that such Revenue Bonds shall contain a recital that they are issued pursuant to and in strict conformity with this Act and such recital when so made shall be conclusive evidence of the validity of the Revenue Bonds and the regularity of their issuance.

(d) Any Revenue Bond issued pursuant to the provisions of this Act shall be exempt from taxation by the State of Texas or by any municipal corporation, county, or other political subdivision or taxing district of the state.

(e) If so provided in the Resolution an indenture securing the bonds may be executed by and between the county and a corporate trustee, and such Resolution may provide also for execution of the indenture by a corporate or individual co-trustee. Any such corporate trustee or corporate co-trustee shall be any trust company or bank within or without the State of Texas having the powers of a trust company.

(f) Either the Resolution or such indenture may contain such provisions for protecting or enforcing the rights or remedies of the bondholders as may be considered by the Board reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in reference to maintenance, operation or repair, and insurance (including within the discretion of the Board insurance against loss of use and occupancy) of the facility whose revenues are pledged, and the custody, safeguarding and application of all moneys received from the sale of the Revenue Bonds, and from revenues to be received from the operation of the project.

(g) It shall be lawful for any bank or trust company in this state to act as depository for the proceeds of the bonds or revenues derived from the operation of facilities whose revenues may be pledged, or for the special funds created to assure payment of principal and interest on the Revenue Bonds, including reserve funds and accounts, or for one or more of such classes of deposits, and to furnish such indemnity bonds or to pledge such securities as may be required by the Board.

(h) The Board may select such depository or depositories without the necessity of seeking competitive bids. Such deposits shall be secured in the manner required by law for the security of money belonging to counties. Provided that the Board in the Resolution or the indenture securing the Revenue Bonds may bind the Board to the use of direct obligations of the United States Government or obligations unconditionally guaranteed by the United States Government as security for such deposits. Such indenture, or ordinance, may set forth the rights and remedies of the bondholders and of the Trustee and may restrict the individual rights of action of the bondholders. The Resolution may contain all other suitable provisions such as the Board may deem reasonable and proper for the security of the bondholders, including but without limitation covenants prescribing all happenings or occurrences which constitute events of default and the terms and conditions upon which any or all of the bonds shall become, or may be declared to be due be-
fore maturity, and as to the rights, liabilities, powers and duties arising from the breach by the Board of any of its duties or obligations.

(i) That any holder or holders of the Revenue Bonds issued hereunder, including a trustee or trustees for such holders, shall have the right in addition to all other rights by mandamus or other proceedings in any court of competent jurisdiction to enforce his or their rights against the Board or its employees, the agents and employees thereof, or any lessee or any of said facilities whose revenues are pledged, including but not limited to the right to require the Board to impose and establish and enforce sufficient and effective tolls and charges to carry out the agreements contained in the Resolution and indenture, or in both the Resolution and indenture, and to perform all agreements and covenants therein contained and duties arising therefrom, and in the event of default as defined in the Resolution authorizing the Revenue bonds or in the indenture securing the Revenue Bonds to apply for and obtain the appointment of a receiver for any of the properties involved. If such receiver be appointed he shall enter and take possession of the facilities whose revenues shall have been pledged and until the Board and the county may be no longer in default, or until relieved by the court, retain possession of the properties involved and collect and receive all revenues and tolls arising therefrom in the same manner as the Board itself might do, and shall dispose of all such moneys and apply same in accordance with the obligations of the Board under the Resolution or indenture, and as the court may direct. Nothing in this Act shall authorize any bondholder to require the Board to use any funds in the payment of the principal or of interest on the bonds except from the revenues pledged for their payment.

(j) The Resolution or the indenture securing the bonds may contain provisions to the effect that so long as the revenues of such park facilities are pledged to the payment of Revenue Bonds no free service shall be rendered by any of such facilities of the park for which tolls, charges and rentals are to be effective under the Resolution.

(k) All such revenue bonds shall be and are hereby declared to be legally authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, and for the sinking funds and other funds of the State of Texas, and of all municipal corporations, counties, political subdivisions, public agencies, and taxing districts within the State of Texas. Such bonds shall be eligible to secure the deposit of any and all public funds of the State of Texas and any and all public funds of all municipal corporations, counties, political subdivisions, public agencies and taxing districts within the State of Texas, and such bonds shall be lawful and sufficient security for such deposits to the extent of their face value when accompanied by all matured coupons appurtenant thereto.

(l) The provisions contained in the Resolution and in the indenture and the applicable provisions of this Act shall constitute an irrepealable contract between the Board and the county on the one part and the holders of such bonds on the other part.

Leases or operating agreements made prior to, or concurrently with, authorization of bonds

Sec. 16. At any time prior to the authorization of Revenue Bonds secured by a pledge of the revenues from any designated facility or facilities of the park or parks, the Board may with the approval of the Commissioners Court of the county and for such period of time as it may determine make a contract or lease agreement with a company, corpora-
tion, or individual, for the operation of such facility, or facilities, the consideration for such contract or lease agreement to be specified, or the method of determining such consideration to be prescribed in such contract or lease agreement. The revenues from any such contract or agreement may be pledged in the Resolution or indenture as security or additional security for the Revenue Bonds. Any such facility or facilities may likewise be leased under such contract or lease agreement concurrently with the authorization of the issuance of said Revenue Bonds, and the revenues therefrom pledged as security or additional security for the Revenue Bonds; and in the event that issuance of said Revenue Bonds is authorized concurrently with the contract or lease agreement then the revenues from such contract or agreement shall constitute the sole or substantially all of the security for the Revenue Bonds such contract or agreement must provide that the rentals, tolls and charges to be enforced by such lessee for the use or services provided by such facility or facilities shall be sufficient at least to yield in the aggregate money necessary to pay the reasonable operation and maintenance expenses to assure proper operation and maintenance of such facility or facilities, plus an amount which will assure income to the Board to permit and assure payments into the several funds and accounts in the manner, at the times and in the amounts specified in the Resolution. Any such lease agreement or contract may provide that such rentals, tolls and charges may be sufficient to yield a reasonable profit to the other party to the lease agreement or contract, but to be realized only after payment in full of the obligation to the Board; any such operating or lease contract may provide for payment of the annual consideration or rental in monthly installments approximately equal and that failure to pay any required sum when due may be declared to be a breach of contract or agreement, entitling the Board under regulations prescribed therein to declare the contract or agreement forfeited and to take over the operation and maintenance of such facility or facilities, but such remedy shall be cumulative of all others therein provided or recognized.

Annual financial statement; budget; operation without seeking appropriation

Sec. 17. Before July 1st of each year the Board shall prepare and not later than July 1st, file with the County Judge of such county, a complete statement showing the financial status of the Board, its properties, funds and indebtedness. The statement shall be so prepared as to show separately all information concerning the Revenue Bonds, the income from pledged facilities, and expenditures of such revenues, and all information concerning moneys which may have been appropriated to the Board by the Commissioners Court for operational and maintenance expenses. Concurrently with the filing of such statement, the Board shall file with the County Judge of such county a proposed budget of its needs for the next succeeding calendar year. After approval of such budget, the County Judge shall incorporate the same in the county budget to be prepared by him during the month of July of each year. As a part of the county's tentative budget, the items thus certified by the Board shall be subject to the procedure for the county budget prescribed by Chapter 206, Acts of the Regular Session of the 42nd Legislature, Sections 10 to 13, both inclusive, carried forward in Vernon's Annotated Statutes as Articles 689-a-9 to 689-a-12. It shall be the duty of the Board to so operate said park or parks that there will be available from the gross revenues received from the operation of park facilities whose revenues are pledged to the payment of Revenue Bonds money
sufficient to pay the operation and maintenance expenses of said facilities without the appropriation of tax money for the expense of maintaining and operating such facilities.

Rules and regulations

Sec. 18. The Board shall have the power to adopt and promulgate all reasonable regulations and rules, applicable to tenants, concessionaires, residents and users of park facilities, regulating hunting, fishing, boating and camping and all recreational and business privileges in any such park or parks.

Acceptance of grants and gratuities

Sec. 19. The Board is hereby authorized to accept grants and gratuities in any form from any source approved by the Board and the Commissioners Court including the United States Government or any agency thereof, the State of Texas or any agency thereof, any private or public corporation; and any other person, for the purpose of promoting, establishing and accomplishing the objectives and purposes and powers herein set forth.

Exercise of powers by Commissioners Court

Sec. 20. In the event the County Commissioners Court of any such county, as hereinbefore defined, does not pass a Resolution authorizing the establishment of such Board of Park Commissioners, or in the event the establishment of any such Board of Park Commissioners be declared by the courts to be invalid, then, in either event, the County Commissioners Court of any such county is hereby expressly granted the right to exercise, solely if the establishment of no such Board has been attempted or by ratification of the actions of any such Board prior to the declaration of the invalidity of said Board's establishment, any and all of the powers, acts and authority by this Act conferred, authorized and delegated to said Board of Park Commissioners.

Law cumulative; conflict with other law

Sec. 21. This Act is cumulative of all other laws relating to county parks, but this Act shall take precedence in the event of conflict.

Partial invalidity

Sec. 22. 1. Members of the State Legislature or any incumbent of an office normally filled by a vote of the people, nor any person who is covered by the Teachers Retirement System or the Judicial Retirement System of the State of Texas.

2. Persons employed on a piecework basis or operators of equipment or drivers of teams whose wages are included in the rental rate paid the owners of said equipment or team.

3. Employees who are employed in a position normally requiring less than nine hundred (900) hours per year.

B. Any person who becomes an employee on or after September 1, 1958, shall become a member of the Retirement System on the first day of the month following the month in which he is employed as a condition of his employment. Contributions by such an employee under this Act shall begin with the first monthly payroll period following the month in which he is employed and creditable service shall then begin to accrue.

C. Should any member in any period of six (6) consecutive years after becoming a member be absent from service more than sixty (60) consecutive months he would automatically terminate membership if he has less than fifteen (15) years creditable service or should he withdraw his accumulated contributions, or should he become a beneficiary, or upon death, he shall thereupon cease to be a member. However, during the time the United States was or is involved in organized conflict whether in a state of war or in a police action involving conflict with foreign forces, or for reason of a crisis within this country, and within a period of twelve (12) months thereafter, time spent by a member of the Employees Retirement System (1) in the Armed Forces of the United States of America and their auxiliaries and/or in the Armed Forces Reserve of the United States of America and their auxiliaries and/or in the service of the American Red Cross as a result of having volunteered or having been drafted and/or conscripted thereinto, or (2) in war work as a direct result of having been drafted and/or conscripted into said war work, shall not be construed as absent from service in so far as the provisions of this Act are concerned. The State Board of Trustees shall determine and by order define the period or periods which shall be recognized as involving organized conflict or crisis within the contemplation of this Act.

Creditable Service

Sec. 4. A. Under such rules and regulations as the State Board of Trustees shall adopt, each person who was employed, as defined in this Act, at any time prior to the establishment of the system and who becomes an employee and continues as such for a period of five (5) consecutive years, or who was a member at the beginning of the system, shall file a detailed statement of all Texas service, as an employee, rendered by him prior to the date of the establishment of the Retirement System, for which he claimed credit.

B. The State Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year is equivalent to
one (1) year of service, but in no case shall more than one (1) year of service be creditable for all service in one (1) year.

C. Subject to the above restrictions and to such other rules and regulations as the State Board of Trustees may adopt, the State Board of Trustees shall verify and adjust, as soon as practicable after the filing of such statements of service, the service therein claimed.

D. Upon adjustment and verification of the statement of service, the State Board of Trustees shall issue prior service certificates certifying to each member the length of Texas service rendered prior to the date of the establishment of the Retirement System, with which he is credited on the basis of his statement of service. So long as membership continues a prior service certificate shall be final and conclusive for retirement purposes as to such service, provided, however, that any member may, within one (1) year from the date of issuance or modification of such certificate, request the State Board of Trustees to modify or correct his prior service certificate. When membership ceases, such prior service certificate shall become void. Should the employee again become a member, such person shall enter the System as a member not entitled to prior service credit except as provided elsewhere in this Act.

E. Each person who was employed as defined in this Act and who was a member of the Retirement System prior to September 1, 1958, and who had withdrawn his contributions and cancelled his accumulated creditable service for retirement purposes, may, if he has or does return to State employment and continues as such for a period of five (5) consecutive years, be entitled to refund to the Retirement System the amount withdrawn with a penalty of ten per cent (10%) and fees and have his creditable service reinstated for retirement purposes, however, it is provided that the amount withdrawn by the person and deposited with the System shall be placed in his individual account in the Employees Saving Fund and the ten per cent (10%) penalty shall be placed in the State Accumulation Fund. The amounts to be deposited shall be determined in each case by the Board of Trustees of the Employees Retirement System; and in no event shall any such person be granted retirement upon such former service credits until the amount so determined shall have been paid in full.

F. Credit for Military Service.

During the time the United States was or is involved in organized conflict whether in a state of war or a police action involving conflict with foreign forces or for reason of a crisis within this country, and within a period of twelve (12) months thereafter, time spent by a member of the Employees Retirement System (1) in the Armed Forces of the United States of America and its auxiliaries and/or in the service of the American Red Cross as a result of having volunteered or having been drafted and/or conscripted thereto, or (2) in war work as a direct result of having been drafted and/or conscripted into war work shall count towards creditable service, provided, however, that the time so credited shall be limited to two (2) years and further provided that such service shall not be credited unless the member enters into such service directly from State employment without other intervening employment and further that said employee contributes to the Employees Retirement System a sum equal to the number of months in active service as set forth herein times the rate of his last contribution prior to entering such service. The funds so contributed shall be deposited to the credit of the employee's individual account in the Employees Saving Fund, and shall be treated in the same manner as funds contributed by the member while he was employed by the State. said member at the time so specified for his retirement shall have attained
the age of sixty (60) years and shall have completed ten (10) or more
years of creditable service. Any member in service who has attained the
age of sixty-five (65) years shall be retired forthwith, provided that with
the approval of his employer he may remain in service thereafter as long
as he is capable of serving the State efficiently. It is provided further,
however, that a member who has completed ten (10) or more years of
creditable service as a commissioned peace officer engaged in criminal
law enforcement activities of the Department of Public Safety, Game and
Fish Commission, Liquor Control Board, or as a custodial employee of the
State Prison System of the State of Texas and who has attained the age
of fifty-five (55) years shall be retired forthwith, provided that with the
approval of his employer he may remain in service thereafter as long as
he is capable of serving the State efficiently.

2. Any member may withdraw from service prior to the attainment
of the age of sixty (60) years who shall have completed at least fifteen
(15) years of creditable service and shall become entitled to a service re­

at his option, at any date subsequent to his attainment of said age pro­
vided that such member was then living and had not withdrawn his con­
tributions.

3. Any member may withdraw from service prior to the attainment
of the age of sixty (60) years who shall have completed at least thirty (30)
years of creditable service and shall become entitled to a service retire­
ment allowance provided that such member has attained the age of fifty­
five (55) and provided further that his retirement allowance shall be
actuarially reduced from age sixty (60) to the earlier retirement age. It is
further provided that a member who has completed twenty (20) or more
years of creditable service as a commissioned peace officer engaged in
criminal law enforcement activities of the Department of Public Safety,
Game and Fish Commission, Liquor Control Board, or as a custodial em­
ployee of the State Prison System of the State of Texas, may withdraw
from service prior to the attainment of the age of fifty-five (55) years and
shall become entitled to a service retirement allowance provided such
member has attained the age of fifty (50) and provided further that his
retirement allowance shall be actuarially reduced from age fifty-five (55) to
the earlier retirement age.

4. A custodial employee of the Texas Prison System shall be defined
as an employee whose duties require supervision of or frequent contact
with the inmates of the Prison System, including any employee who is
subject to call at the risk of life to suppress riots.

B. Allowance for Service Retirement.

1. The allowance for service retirement shall be computed on the
basis of the average annual compensation of the member for the five
(5) highest consecutive years of compensation during the last ten (10) years of creditable service. The rate of benefits shall be based on the following schedule:

- First ten (10) years service: 0.75% per year
- Second ten (10) years service: 1.25% per year
- Third ten (10) years service: 1.50% per year
- All subsequent years: 1.75% per year

It is provided, however, that if the retirement annuity calculated on the basis of the Rate of Benefits set forth herein is less than Thirty Dollars ($30) per month then the benefits shall be increased to equal the sum of Thirty Dollars ($30) per month.

It is expressly provided that any annuity or allowance payable under the provisions of this Act shall begin with the last day of the month following the effective date of retirement and shall be paid in monthly installments and shall cease with the last day of the month preceding the month in which the beneficiary or person dies who is receiving such an annuity or allowance as provided in this Act.

2. It is expressly provided that no annuity being paid to a beneficiary of the Retirement System who retired prior to September 1, 1958, shall be decreased by the provisions of this Act.

"With the provision that no selection shall be effective in case a beneficiary dies during the month after retirement, and that such a beneficiary shall be considered as an active member at the time of death, until the first payment on account of any service benefit becomes normally due, any member may elect to receive his annuity in an annuity payable throughout life, or he may elect to receive the actuarial equivalent at that time, or his annuity in a reduced annuity payable throughout life with the provisions that:

Option (1) Upon his death, his reduced annuity shall be continued throughout the life of, and paid to, such person as he shall nominate by written designation duly acknowledged and filed with the State Board of Trustees at the time of his retirement; or

Option (2) Upon his death, one-half (½) of his reduced annuity shall be continued through the life of, and paid to, such person as he shall nominate by written designation duly acknowledged and filed with the State Board of Trustees at the time of his retirement; or

Option (3) In the event of his death before sixty (60) monthly payments of such annuity have been made, such payments shall be continued to such person as he may nominate in writing, or to the administrator of his estate, until the remainder of the sixty (60) payments have been made; or

Option (4) In the event of his death before one hundred and twenty (120) monthly payments of such annuity have been made, such payments shall be continued to such person as he may nominate in writing, or to the administrator of his estate, until the remainder of the one hundred and twenty (120) payments have been made; or

Option (5) Such other benefit arrangement as may be approved by the Board of Trustees and the whole of which benefit is certified by the Actuary to constitute the reduced actuarial equivalent of the retirement benefit to which the member is entitled.

4. Re-employment of Retired Employees.

Any member of the State Employees Retirement System who has accepted Service Retirement may return to State Employment on a temporary basis provided, however, that such re-employment shall not be for a longer period than nine (9) months within any one (1) year. It is
provided that in the event a retired State employee resumes temporary employment with a State department, commission, institution or agency, he shall notify the Retirement System in writing prior to resuming actual employment, and further it shall be mandatory upon the head of any State department, commission, institution or agency of the State to likewise notify the Retirement System in writing before employment of a retired State employee and shall furnish the Retirement System the name of said retired employee and the dates of employment. During the time a retired employee is so employed, retirement benefit payments that would otherwise have been paid to said member, shall be suspended and shall be resumed when said member leaves said employment, provided that the annuity payments so suspended shall be paid into the State Accumulation Fund. Part month employment shall constitute a full month and any portion of a month employed shall void a retirement benefit payment for said month of employment. It is provided further that if the retired member had elected to receive an annuity in a guaranteed payment for a certain number of years or months after retirement, that the time so spent in State employment by such retired member after the initial or original retirement shall count as time within said certain number of years or months, the same as if said retired member had not returned to State employment, provided that said retired member temporarily employed shall not contribute to the Retirement System during such reemployment, and the Retirement Plan in effect at the time of his original retirement shall remain unchanged.

C. Disability Retirement Benefits.

1. Upon the application of a member or his employer or his legal representative acting in his behalf, any member, under age sixty (60), who has had ten (10) or more years of creditable service may be retired by the State Board of Trustees, not less than thirty (30) and not more than ninety (90) days next following the date of filing such application, on a nonoccupational disability retirement allowance, provided that the Medical Board, after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for the further performance of duty, that such incapacity is likely to be permanent, and that such member should be retired.

Upon the application of a member or his employer or his legal representative acting in his behalf, any member regardless of age and regardless of creditable service may be retired by the State Board of Trustees, not less than thirty (30) and not more than ninety (90) days next following the date of filing such application on an Occupational Disability Retirement Allowance provided that the Medical Board after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for the further performance of duty, as such incapacity is likely to be permanent and such persons should be retired.

2. Allowance on Disability Retirement—Nonoccupational.

Upon retirement for disability (nonoccupational) a member shall receive a service retirement allowance if he has attained the age of sixty (60) years, otherwise, he shall receive a disability retirement allowance computed at one and one-fourth per cent (1 1/4%) per year of service, multiplied by the average annual compensation in the five (5) highest consecutive years during his last preceding ten (10) years of creditable service, provided however, that in no event will his disability retirement allowance be less than twenty-five per cent (25%) of his average compensation so computed, nor his maximum benefit exceed fifty per cent (50%) of his average compensation so computed.

3. Allowance on Occupational Disability Retirement.
Upon retirement for occupational disability, a member shall receive a disability retirement allowance or benefit computed at sixty per cent (60%) of his last monthly compensation rate, provided however, that said allowance or benefit shall be reduced to the extent of any other benefit, allowance, pension, payment or compensation received from any other State and Federal agency where a portion of a cost of such other additional benefit, allowance, pension, payment or compensation is paid for by State funds.

4. Once each year during the first five (5) years following retirement of a member on a disability retirement allowance, and once in every three-year period thereafter, the State Board of Trustees may, and upon his application shall, require any disability beneficiary who has not yet attained the age of sixty (60) to undergo a medical examination, such examination to be made at the place of residence of said beneficiary or any other place mutually agreed upon, by a physician or physicians designated by the State Board of Trustees. Should any disability beneficiary who has not yet attained the age of sixty (60) years refuse to submit to at least one (1) medical examination in any such periods by a physician or physicians designated by the State Board of Trustees, his allowance shall be discontinued until his withdrawal of such refusal, and should his refusal continue for one (1) year, all his rights in and to his allowance shall be revoked by the State Board of Trustees.

5. Should the Medical Board report and certify to the State Board of Trustees that such disability beneficiary is no longer physically or mentally incapacitated for the performance of duty, or that such disability beneficiary is engaged in or is able to engage in gainful occupation, and should the State Board of Trustees by a majority vote concur in such report, then the amount of his allowance shall be discontinued or reduced to an amount by which the amount of the last year’s salary of the beneficiary, as an employee, exceeds his present earning capacity. Should his earning capacity be later changed, the amount of his allowance may be further modified; provided that the revised allowance shall not exceed the amount of the allowance originally granted, nor shall it exceed an amount which, when added to the amount earnable by the beneficiary, equals the amount of his compensation for the last year prior to retirement.

6. Should a disability beneficiary under the age of sixty (60) years be restored to active service, his retirement allowance shall cease, he shall again become a member of the Retirement System, and the balance of his retirement reserve shall be transferred to the Employees Saving Fund and to the State Accumulation Fund, respectively, in proportion to the original sum transferred to the Retirement Annuity Reserve Fund at retirement. Upon restoration to membership, any prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and in addition, upon his subsequent retirement he shall be credited with all his membership service. Should a disability beneficiary die or be removed from the disability list for any cause other than restoration to active service, an amount equal to the amount by which such beneficiary’s accumulated contributions at the time of disability retirement exceed the annuity payments received by such beneficiary under his disability allowance, if any such excess exists, shall be paid from the Retirement Annuity Reserve Fund to such beneficiary if living; otherwise, such amount shall be paid as provided by the laws of descent and distribution of Texas unless the beneficiary has directed such amount to be paid otherwise.

It is provided, however, that if the disability beneficiary has been retired for occupational disability and should such beneficiary die while
receiving such occupational disability benefits, an amount equal to the amount by which such beneficiary’s accumulated contributions at the time of occupational disability retirement plus an amount equal to the annual salary of the disability beneficiary at the rate of pay at the time of the occupational disability retirement, exceeds the annuity payments received by such beneficiary under his occupational disability allowance, if any such exists, shall be paid as provided by the laws of descent and distribution of Texas unless the beneficiary has directed such amount to be paid otherwise and provided further, that this refund as set forth herein shall be made only if the cause of the death of the beneficiary is from or connected with the occupational injury or disability resulting in the occupational disability retirement, otherwise, the provisions above set forth in this paragraph shall apply.

7. It is expressly provided herein a member who applies for Occupational Disability Retirement benefits shall be required to furnish the Board of Trustees all information and data requested by the Board of Trustees and provided further that the head and all employees of the department in which the member applying for Occupational Disability Retirement is employed shall be required to furnish all information and data concerning the application for Occupational Disability Retirement of the member and further the Board of Trustees shall have the right to inquire and require any additional data concerning the application for Disability Retirement, in order that the Board may have all information necessary to act upon said application for Occupational Disability. In the event that such information is withheld or denied then the Board of Trustees may refuse to accept the application for Occupational Disability Retirement and shall consider the application only for Nonoccupational Disability Retirement benefits. It is expressly provided herein that the Board of Trustees shall act upon the facts and their decision regarding Occupational Disability Retirement herein applied for, shall be final.

D. RETURN OF ACCUMULATED CONTRIBUTIONS.

1. Should a member with less than fifteen (15) years of creditable service cease to be employed except by death or retirement under the provisions of this Act, he shall be paid in full the amount of accumulated contributions standing to the credit of his individual account in the Employees Savings Fund, provided, however, that in the event the member withdraws his account before he has accumulated a minimum of five (5) years of service, then the amount of interest previously credited to the account of the member shall be deducted and transferred to the State Accumulation Fund and only the amount contributed by the member shall be refunded.

2. Should an employee die before retirement the amount of his accumulated contributions standing to the credit of his individual account shall be paid as provided by the laws of Descent and Distribution of Texas unless he has directed the account to be paid otherwise.

3. Provided, however, in the event that the death of the member is an occupational death, there shall be refunded in addition to the accumulated contributions of the member an amount equal to the full annual salary of the member based upon his rate of pay at the time of death but such additional refund shall be paid only to the surviving spouse and/or dependent children if any, and provided that such additional death benefit shall be paid from the State Accumulation Fund. The Board of Trustees shall determine if the death is an occupational death and their decision shall be final.

4. After such cessation of service if no previous demand has been made any accumulated contributions of a contributor shall be returned
to him or to his heirs. If the contributor or his heirs cannot be found after seven (7) years, his accumulated contributions shall be forfeited to the Retirement System and credited to the State Accumulation Fund.

5. It is provided that any member who has completed thirty (30) years of creditable State service in Texas, may by written designation in such form as the Board of Trustees may prescribe, select a nominee and an optional allowance for retirement as set forth under the preceding subsection B, paragraph 3, providing for optional allowances for service retirements, and which selection shall become effective and payable to such nominee beginning with the month following the month in which the member died, provided, however, unless such a member, having completed thirty (30) creditable years of State service in Texas shall have selected both a nominee and an optional allowance herein, then the provisions of the preceding subsection D, paragraphs 1 and 2, pertaining to death benefits shall apply upon death of the member.

6. It is provided that any member who has completed twenty (20) years of creditable State service in Texas, but less than thirty (30) years of creditable State service in Texas, may by written designation in such form as the Board of Trustees may prescribe, select a nominee and an optional allowance for retirement as set forth under the preceding subsection B, paragraph 3, providing for optional allowances for service retirements, and which shall become effective and payable to such nominee beginning with the month following the month in which the member died, provided, however, that it is required that said member shall be actively employed or on temporary sick leave or on workman’s compensation at the time of his death. Unless such a member having completed twenty (20) creditable years of State service in Texas shall have selected both a nominee and an optional allowance herein, then the provisions of the preceding subsection D, paragraph 1 and 2, pertaining to the death benefits shall apply upon the death of the member.

Notwithstanding any other provision of this Act, it is hereby specially provided that any eligible and qualified fireman who shall have completed twenty (20) years of service before reaching the age of fifty-five (55) years may apply to the Board of Trustees for, and it shall be the Board's duty to issue, a certificate showing the completion of such service and showing and certifying that such fireman, when reaching the age of fifty-five (55) years, will be entitled to the retirement and other applicable benefits of this Act; provided further, that when any fireman shall have been issued such certificate he shall, when reaching retirement age, be entitled to all the applicable benefits of the Act, even though he shall not have been engaged in active service as a fireman after the issuance of such certificate. Provided further, that in order to participate in the benefits authorized under this Act all persons shall continue to pay into the Firemen's Relief and Retirement Fund the amounts provided for all participants thereunder up to the time of their retirement. If any person shall die from any cause whatsoever and if, at the time of death, such person shall have retired with or shall have been entitled to retire with an additional monthly pension allowance as hereinabove provided by this section, and if such deceased shall leave surviving him a widow who married the deceased prior to his retirement, then a sum equal to two-thirds (\(\frac{2}{3}\)) of the amount of the additional monthly pension allowance with which the deceased was retired or entitled to retire shall be paid monthly to the widow of such deceased so long as she remains his widow, and such allowance provided by this paragraph shall be paid in addition to any other benefits provided by this Act.

Provided, however, that the provisions of this section shall not be applicable to any particular relief and retirement fund until after an election has been held and the majority of the participating members of that respective fund have voted to include the provisions contained in this section within that Relief and Retirement Fund. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 3.

Cities of 500,000 or more population; pensions and additional pension allowances; certificate of completion of service period

Sec. 6B. Any person who has been duly appointed and enrolled and who has attained the age of fifty (50) years, and who has served actively for a period of twenty (20) years in any rank in one or more regularly organized fire departments in any city in this State having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census, which city is now within or may come within the provisions of this Act, shall be entitled to be retired from such service or department and shall be entitled to be paid from the Firemen's Relief and Retirement Fund of that city or town, a monthly pension equal to forty per cent (40%) of his average monthly base salary, such average monthly base salary to be based on the monthly average of his base salary over the five (5) year period preceding the date of retirement; provided, however, that such monthly pension shall not be less than One Hundred and Fifty Dollars ($150) per month.

Any fireman who shall be entitled to be retired under the provisions of this Section or Section 7B or Section 7C, and who shall retire with more than twenty (20) years of service and of participation in a Fund shall be entitled to be paid from the Firemen's Relief and Retirement Fund of the city in which he last served, in addition to any other benefits provided by this Act, an additional monthly pension allowance which shall be computed as follows: the sum of Two Dollars ($2) per month shall be allowed for each full year of service and of participation
in a Fund after the date upon which such fireman shall have completed twenty (20) years of service and of participation in a Fund; provided, however, that such additional pension allowance shall not exceed the sum of Thirty Dollars ($30) per month.

No fireman who retires under the provisions of this Section, or Section 7B, or Section 7C shall receive any pension allowance in excess of that which an Assistant Fire Chief would receive, and no fireman in cities which come within the provisions of said Sections shall be required to pay a contribution to a fund in excess of that which an Assistant Fire Chief would pay.

Notwithstanding any other provision of this Act, it is hereby specially provided that any eligible and qualified fireman who shall have completed twenty (20) years of service in a city to which this Section is applicable, before reaching the age of fifty (50) years, may apply to the Board of Trustees for, and it shall be the Board's duty to issue, a certificate showing the completion of such service and showing and certifying that such fireman, when reaching the age of fifty (50) years, will be entitled to the retirement and other applicable benefits of this Act; provided further, that when any fireman shall have been issued such certificate he shall, when reaching retirement age, be entitled to all the applicable benefits of the Act, even though he shall not have been engaged in active service as a fireman after the issuance of such certificate. Provided further, that in order to participate in the benefits authorized under this Act all persons shall continue to pay into the Firemen's Relief and Retirement Fund the amounts provided for all participants thereunder up to the time of their retirement. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 4.

Retirement on disability

Sec. 7. Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city or town in the State having a population of less than five hundred thousand (500,000) according to the last preceding Federal Census, which city or town is now within, or may hereafter come within the provisions of this Act, shall become physically or mentally disabled while in and/or in consequence of, the performance of his duty, said Board of Trustees shall upon his request, or without such request if it shall deem proper and for the good of the department, retire such person from active service either upon total or partial disability as the case may warrant and shall order that he be paid from such Fund, (a) if for total disability, an amount equal to one-half ($50) the average monthly salary of such fireman, not to exceed the sum of One Hundred Dollars ($100) per month, except as hereinafter provided, such average monthly salary to be based on the monthly average of his salary for the five (5) year period, or so much thereof as he may have served, preceding the date of such retirement; provided that if such average monthly salary be Fifty Dollars ($50) or less per month, or if he be a volunteer fireman with no salary, the amount so ordered paid shall not be less than Twenty-five Dollars ($25) per month; and provided further that any regularly organized "full paid" fire department in any city or town in this State now within or that may come within the provisions of this Act may, upon a majority vote of the participating members of that respective Fund, increase the maximum disability pension to One Hundred and Fifty Dollars ($150) per month; or, (b) if the disability be less than total, then such sum as in the judgment of the Board of Trustees may be proper and commen-
surate with the degree of disability; provided further, that if and when such disability shall cease, such retirement or disability allowance shall be discontinued and such person shall be restored to active service at not less than the same salary he received at the time of his retirement for disability. As amended Acts 1953, 53rd Leg., p. 352, ch. 82, § 2; Acts 1957, 55th Leg., p. 617, ch. 275, § 5.

Death or disability from cause not resulting from performance of duties

Sec. 7A. Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city or town in the State having a population of less than five hundred thousand (500,000) according to the last preceding Federal Census, which city or town is now within or may hereafter come within the provisions of this Act, shall die or become disabled from any cause other than a disability acquired in the performance of his duty as a fireman, a pension allowance shall be paid to the widow or fireman. The monthly pension allowance shall be computed as follows: five per cent (5%) of the total amount the individual fireman or widow would have been entitled to receive under Section 7 or Section 12 had such death or disability occurred as the result of such fireman's being incapacitated or killed while in and/or in consequence of the performance of his duty as a fireman shall be allowed for each year of participation in the relief and retirement fund, provided that such allowance shall not be computed on the basis of more than twenty (20) years. In no event, however, shall such fireman or widow receive an amount less than Fifty Dollars ($50) per month. If such fireman be a volunteer fireman and thereby receiving no salary, the amount so ordered paid, if all of the other conditions have been met, shall be not less than Twelve Dollars and Fifty Cents ($12.50) per month.

If any such fireman who is a member of a “full paid” fire department shall die from any cause not growing out of and not in consequence of his duty as a fireman and shall leave surviving him a child or children under the age of eighteen (18) years or a dependent parent, said Board of Trustees shall order paid a monthly pension allowance as follows: (a) to the guardian of each child the sum of Twenty Dollars ($20) per month until such child reaches the age of eighteen (18) years; (b) in the event the widow dies after being entitled to her allowance as herein provided or in the event there be no widow to receive an allowance, then the amount to be paid to the guardian of any dependent minor child or children under the age of eighteen (18) years shall be Forty Dollars ($40) per month for each such dependent minor child; and (c) to the dependent parent only in case no widow or child is entitled to allowance, the amount the widow would have received to be paid to but one (1) parent and such parent to be determined by the Board of Trustees; provided however, that the total allowance to be paid all beneficiaries or dependents as herein provided shall not exceed the monthly allowance to be paid the pensioner had he continued to live or be retired on allowance at the date of his death; and further provided, that if such amount be insufficient to pay the full schedule of benefits as herein provided, such benefits shall be prorated. Allowance or benefits payable to any minor child shall cease when such child becomes eighteen (18) years of age or marries.

Provided, however, that the provisions of this Section shall not apply if the death or disability of the fireman was caused while such fireman was gainfully employed by someone other than the respective fire department for which he was employed or contributed his services.
PENSIONS

For Annotations and Historical Notes, see Vernon's Texas Annotated Statutes

The provisions of this Section as amended shall be automatically applicable to any relief and retirement fund in which such Section was included by majority vote of the members prior to the effective date of this amending Act, provided however that the paragraph providing benefits for surviving beneficiaries of a member of a “full paid” fire department shall only be applicable to beneficiaries of a member of a “full paid” fire department. Provided further however, that the provisions of this Section shall not be applicable to any particular relief and retirement fund in which such Section was not included prior to the effective date of this amending Act until after an election has been held and the majority of the participating members of that respective fund have voted to include the provisions contained in this Section within the Relief and Retirement Fund. At such election the effective date of these provisions shall also be set. Added Acts 1953, 53rd Leg., p. 352, ch. 82, § 3, as amended Acts 1957, 55th Leg., p. 617, ch. 275, § 6.

Retirement for disability; cities of 500,000 or more

Sec. 7B. Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city in the State having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census, which city is now within or may come within the provisions of this Act, shall become physically or mentally disabled while in and/or in consequence of, the performance of his duty, or shall become physically or mentally disabled from any cause whatsoever after he has become entitled to a pension certificate, said Board of Trustees shall, upon his request, or without such request if it shall deem proper and for the good of the department, retire such person from active service either for total or partial disability as the case may warrant and shall order that he be paid a monthly pension allowance from such Fund, (a) if for total disability, an amount equal to forty per cent (40%) of the average monthly base salary of such fireman, such average monthly base salary to be based on the monthly average of his base salary for the five (5) year period, or so much thereof as he may have served, preceding the date of such retirement; provided, however, that the monthly pension allowance provided by this Section shall not be less than One Hundred and Fifty Dollars ($150) per month; (b) if the disability be less than total, then such sum as in the judgment of the Board of Trustees may be proper and commensurate with the degree of disability; provided further, that if and when such disability shall cease, such disability allowance shall be discontinued and such person shall be restored to active service at not less than the same salary he received at the time of his retirement for disability. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 7.

Death or disability from cause not resulting from performance of duties; cities of 500,000 or more

Sec. 7C. Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city in the State having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census, which city is now within or may hereafter come within the provisions of this Act, shall die or become disabled from any cause other than a disability acquired in the performance of his duty as a fireman, a monthly pension allowance
shall be paid to such fireman or his beneficiaries. Such monthly pension allowance shall be computed as follows:

(a) If such fireman shall become disabled, he shall be paid a monthly pension allowance equal to twenty per cent (20%) of the average monthly base salary of such fireman plus two per cent (2%) of such average monthly base salary for each full year of service and of participation in a Fund, provided however, that such monthly pension allowance shall not exceed forty per cent (40%) of such average monthly base salary. Such average monthly base salary shall be based on the monthly average of such fireman's base salary for the five (5) year period, or so much thereof as he may have served, preceding the date of such retirement.

(b) If such fireman shall die and shall leave surviving him both a widow who married such fireman prior to his retirement and a child or children of such fireman under the age of eighteen (18) years, said Board of Trustees shall order paid to the widow, so long as she remains the widow of such fireman, a monthly pension allowance equal to one half ($\frac{1}{2}$) of the amount such fireman would have been entitled to receive, if disabled, under the provisions of paragraph (a) of this Section; and in addition thereto the Board of Trustees shall order paid to such widow or other person having the care and custody of such child or children under the age of eighteen (18) years a monthly pension allowance, for the use and benefit of such child or children, equal to the amount hereinabove provided for the widow. If such fireman shall leave no child under the age of eighteen (18) years surviving him or if at any time after the death of such fireman no child is entitled to allowance, then the monthly pension allowance to be paid such widow, so long as she remains a widow, shall equal the full amount such fireman would have been entitled to receive, if disabled, under paragraph (a) of this Section, provided however, that such allowance to a widow, as herein provided if no child is entitled to allowance, shall not exceed one half ($\frac{1}{2}$) of the base salary provided for the position of pipeman at the time of the death of such fireman.

(c) If such fireman shall die and if his widow dies after being entitled to her allowance as herein provided, or in the event there be no widow to receive an allowance, then the amount of the monthly pension allowance to be paid such widow, so long as she remains a widow, shall equal the full amount such fireman would have been entitled to receive, if disabled, under paragraph (a) of this Section, provided however, that such allowance to a widow, as herein provided if no child is entitled to allowance, shall not exceed one half ($\frac{1}{2}$) of the base salary provided for the position of pipeman at the time of the death of such fireman.

(d) If such fireman shall die and only if no widow or child is entitled to an allowance under the provisions of this Section, a monthly pension allowance equal to one half ($\frac{1}{2}$) of the amount such fireman would have been entitled to receive, if disabled, under the provisions of paragraph (a) shall be paid to each parent of such deceased fireman upon proof to the Board of Trustees that such parent was dependent upon such fireman immediately prior to the death of such fireman, provided that the total monthly pension allowance provided hereby for
parents shall not exceed one half \((\frac{1}{2})\) of the base salary provided for the position of pipeman at the time of the death of such fireman.

Provided further, however, that in no event shall the total of the allowances paid to a fireman or to his beneficiaries under the provisions of this Section be less than Eighty Dollars \(($80)\) per month; provided that such minimum shall not be applicable if only one (1) child or only one (1) parent is entitled to an allowance.

Allowance or benefits payable under the provisions of this Section for any minor child shall cease when such child becomes eighteen (18) years of age or marries.

Provided, however, that the provisions of this Section shall not apply if the death or disability of the fireman was caused while such fireman was gainfully employed by someone other than the respective fire department for which he was employed.

Provided further that the provisions of this Section shall not be applicable to a fireman or his beneficiaries if such fireman's death or disability results from suicide or attempted suicide before such fireman shall have completed two (2) years of service with the fire department for which he was employed.

Provided further, however, that none of the provisions concerning pension allowances, as provided in this Section 7C, shall become effective until two (2) years after the effective date of this amending Act; and during such two-year period, and only during such period, a fireman, or his beneficiaries, coming within the provisions of the first sentence of this Section 7C shall be entitled to receive a pension allowance or allowances as provided under Section 7A of this Act in lieu of the pension provided by this Section 7C, notwithstanding the provision of Section 7A limiting such Section to cities having a population of less than five hundred thousand \((500,000)\). Added Acts 1957, 55th Leg., p. 617, ch. 275, § 8.

*Emergency. Effective May 22, 1957.*

**Certificates of disability**

**Sec. 9.** No person shall be retired either for total or temporary disability, except as herein provided, nor receive any allowance from said Fund, unless and until there shall have been filed with the Board of Trustees, certificates of his disability or eligibility signed and sworn to by said person and/or by the city or town physician, if there be one, or if none, then by any physician selected by the Board of Trustees. Said Board of Trustees, in its discretion, may require other or additional evidence of disability before ordering such retirement or payment aforesaid.

Any fireman or beneficiary who shall be entitled to receive a pension allowance under any provision of this Act shall be entitled to receive such allowance from and after the date upon which such fireman ceases to carry out his regular duties as a fireman, notwithstanding the fact that such fireman may remain on the payroll of his fire department or receive sick leave, vacation or other pay after the termination of his regular duties as a fireman; provided that, in the event of a delay resulting from the requirements of the first paragraph of this section, such fireman or beneficiary shall, when such allowance is approved by the Board, be paid the full amount of the allowance which has accrued since the termination of such fireman's regular duties as a fireman.

If any fireman or one or more beneficiaries of a fireman shall be or become entitled to receive payments from a Fund under the provisions of more than one section of this Act, such fireman or beneficiaries shall be entitled to and shall be required to elect one section under which such
Art. 6243e  REVISED CIVIL STATUTES  552

payments shall be computed and paid; provided however, that any payments provided by Section 6A or Section 8 shall be made in addition to payments provided by any other section. As amended Acts 1957, 55th Leg., p. 617, ch. 275, § 9.

Contributions by participants deducted from salaries

Sec. 10. Each city or town in which a Firemen's Relief and Retirement Fund has been created prior to the time at which this amending section of this Act takes effect and which has a part-paid or volunteer fire department, or the governing body of such city or town, shall henceforth be authorized to deduct from the salary or compensation of each fireman who is participating in such Fund when this amending section takes effect, or to collect from each such fireman, whatever amount shall have been authorized, or agreed to, by the filing by such fireman, with the Secretary-Treasurers of the Board of Firemen's Relief and Retirement Fund Trustees of such fireman's city or town, of a statement in writing under oath that he desires to participate in the benefits from such Fund, giving the name and relationship of his then actual dependents and authorizing said city or town or the governing body thereof to deduct not less than one (1) per centum nor more than three (3) per centum, the exact amount thereof to be determined by the vote of the fire department of which such person is a member, from his salary or compensation if a part-paid fireman whose salary or compensation is more than Fifty Dollars ($50) per month, but if a part-paid fireman whose salary is less than Fifty Dollars ($50) per month, or if a volunteer fireman, the statement shall include a promise and an obligation to pay to said Board of Trustees not less than Three Dollars ($3) nor more than Five Dollars ($5) per annum to be paid semi-annually, the exact amount thereof to be likewise determined by vote of the fire department of which such person is a member. Such money so deducted from salaries or compensation or agreed to be paid to become and form a part of the Fund herein designated and established as Firemen's Relief and Retirement Fund of that city or town. Failure or refusal to make and file the statement herein provided, or failure or refusal to allow deduction from salary or to pay the amount herein specified as herein provided on the part of any member shall forfeit his right to participate in any of the benefits from said Firemen's Relief and Retirement Fund. If any such member shall elect not to participate in such Fund, he shall not be liable for any salary deduction nor to pay as herein provided. As amended Acts 1957, 55th Leg., p. 617, ch. 275, § 10.

Contributions by cities

Sec. 10A. All cities having fully paid firemen where Firemen's Relief and Retirement Funds have been or shall be created under the provisions of this Act, and having a population of less than five hundred thousand (500,000) according to the last preceding Federal Census, shall annually contribute and appropriate to such fund an amount equal to the annual contributions made by such fully paid firemen under the provisions of this Act, which required contributions by the cities shall not exceed the sum of three per centum (3%) of the Fire Department's annual payroll. Any such city having a population of five hundred thousand (500,000) or more according to the preceding Federal Census shall contribute and appropriate monthly to such fund an amount equal to seven and one-half per centum (7½%) of the monthly payroll of the Fire
Department of such city, and each such city shall also contribute and appropriate monthly to such fund, for each person who holds a twenty (20) year pension certificate and who is not engaged in active service as a fireman and who has not retired, an amount equal to seven and one-half per centum (7½%) of the salary which such person was receiving immediately before terminating his active service as a fireman. In addition to the amount which a city is required to contribute, the governing body of a city may authorize the city to make a further annual contribution to its Firemen's Relief and Retirement Fund in whatever amount the governing body fixes, and the governing body of a city may authorize the city to make a contribution or agree to do so within two (2) years, not to exceed seven and one-half per centum (7½%) of the amount of the salary upon which the firemen's contributions are based, on the occasion of any payments to such fund by firemen, under Section 10B, for prior service time during which such fireman did not participate in a fund. All contributions shall be deposited to the credit of the Firemen's Relief and Retirement Fund, to be used with other money in the fund for the benefits provided under this Act. As amended Acts 1955, 54th Leg., p. 461, ch. 127, § 1; Acts 1957, 55th Leg., p. 617, ch. 275, § 11. Emergency. Effective May 22, 1957.

Application for participation in fund for prior service; amount of deductions; contributions for prior service

Sec. 10B. Any fireman who is a member of a regularly organized 'full paid' fire department having a Relief and Retirement Fund and who is not participating in such fund, or who is participating but has failed to participate in such fund during some period of his service as a fireman after April 9, 1937, and who desires himself or his beneficiaries to participate in such fund or the benefits therefrom with full credit under this Act for all of such fireman's service as a fireman, shall, within sixty (60) days after this amending section of this Act takes effect, file with the Secretary-Treasurer of the Board of Firemen's Relief and Retirement Fund Trustees of such fireman's city or town a statement in writing under oath that he desires to participate in the benefits from such fund with full credit for all of his service as a fireman and giving the name and relationship of his then actual dependents, and he shall therein authorize said city or town or the governing body thereof to thenceforth deduct not less than one per centum (1%) nor more than seven and one-half per centum (7½%), the exact amount as determined or to be determined by the vote of the fire department of which such person is a member, from his salary or compensation; provided that in cities having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census the amount of the deduction to be authorized shall be not less than five per centum (5%) nor more than seven and one-half per centum (7½%) of such salary or compensation, the exact amount to be determined by the Board of Firemen's Relief and Retirement Fund Trustees; and such fireman shall, at the time of filing such statement, pay to such Fund an amount of money equal to the sum of all contributions which such fireman did not pay but would have paid into said Fund if such fireman had participated in such Fund throughout his entire service as a fully paid fireman after April 9, 1937; provided, however, that in lieu of such full payment at the time of filing such statement such fireman may include in such statement a promise and obligation to pay to said Board of Trustees within two (2) years the full amount of such contributions for the period of such fireman's service while not participating in such Fund. If any fireman should die or re-
tire for any reason after filing such statement and before paying the "full amount of the contributions hereinabove provided; all benefits to which such fireman or his beneficiaries would have been entitled under the provisions of this section shall be withheld until the amount due from such fireman to the fund has been paid in full. When any such fireman, or any person acting for such fireman or for his beneficiaries, shall have paid to such Firemen's Relief and Retirement Fund the correct amount of his contributions for his entire period of service after April 9, 1937, such fireman and his beneficiaries shall be entitled to full credit, under the provisions of this Act, for all of his service as a fireman, and such fireman shall be deemed to have participated in such fund throughout his service as a fireman. Time of service on the "extra board" of a fire department by any person who is now a fully paid fireman entitled to the provisions of this section shall be deemed to be service as a fireman under the provisions of this section, and any fireman who has served on the "extra board" of his department shall be entitled to full credit under this Act for his time of service on such "extra board" if such fireman shall pay to such Fund the correct amount of his contributions for his period of service on such "extra board."

A fireman who is a member of a "full-paid" fire department and who complies with the provisions of this section within sixty (60) days after this amending section of this Act takes effect shall be deemed to have participated in and contributed to the Firemen's Relief and Retirement Fund of the fire department for which he is employed, during any period of time after first becoming a fully paid fireman during which period such fireman served in the military forces of the United States in time of war or national emergency; and the correct amount of such fireman's contributions for such period shall be deemed to have been paid in full; provided that this paragraph shall not be applicable to any fireman who does not have full participation credit for all prior time of service and who fails, within sixty (60) days of the effective date of this section, to claim full participation credit for all prior time of service during which he did not participate in a fund.

Provided, however, that no person shall be eligible to begin participation in a Fund in the manner hereinabove provided who was more than thirty-five (35) years of age at the time he began his service as a fireman for the first time.

Each city or town in which a Firemen's Relief and Retirement Fund has been created prior to the time at which this amending section of this Act takes effect and which has a fully paid fire department and which has a population of less than five hundred thousand (500,000) according to the preceding Federal Census, or the governing body of such city or town, shall henceforth be authorized to deduct not less than one per centum (1%) nor more than seven and one-half per centum (7½%), the exact amount thereof to be determined by the vote of the fire department of such city or town, subject to the approval of the governing body of said city or town, from the salary or compensation of each fireman who is participating in such Fund when this amending section takes effect. Each such city which has a population of five hundred thousand (500,000) or more according to the preceding Federal Census, or the governing body of such city, shall henceforth be authorized to deduct not less than five per centum (5%) nor more than seven and one-half per centum (7½%), the exact amount to be determined by the Board of Firemen's Relief and Retirement Fund Trustees of such city from the salary or compensation of each fireman who is participating in such city's Fund when this amending section takes effect.
Money deducted from salaries or compensation as provided by this section and the payments and contributions provided by this section shall become and form a part of the Firemen's Relief and Retirement Fund of the city or town in which the contributing fireman serves. Failure or refusal to allow deduction from salary as herein provided on the part of any fireman shall forfeit his right to participate in any of the benefits from said Firemen's Relief and Retirement Fund.

Any fireman who is a member of a department which had an existing Firemen's Relief and Retirement Fund prior to the effective date of this amending Act and who has elected and does elect not to participate in such Fund, shall not be liable for any salary deduction provided by this Act; but each person who shall hereafter join a fully paid fire department which then has a Relief and Retirement Fund shall file a statement in writing, in the manner hereinabove provided by this section, upon joining such department and shall thereafter participate in the contributions to and benefits from such Fund, as provided by this Act, unless such new fireman shall be rejected or excused therefrom by the Board of Trustees upon a determination by the Board that such person is not of sound health. Boards of Firemen's Relief and Retirement Fund Trustees are hereby authorized to require complete or partial physical examinations of any person joining a fire department and filing the statement hereinabove required. The applicant shall pay the cost of any physical examination or examinations so required. If a Board of Trustees determines that an applicant is not of sound health, such Board shall reject the filed statement of such person and shall deny such person participation in the Fund. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 12.

Allowances to beneficiaries of deceased members

Sec. 12. If any member of any department in any city or town having a population of less than five hundred thousand (500,000) according to the last preceding Federal Census, which city or town is now within or may hereafter come within the provisions of this Act, who has been retired on allowance because of length of service or disability, shall thereafter die from any cause whatsoever; or if while in service, any member shall die from any cause growing out of and/or in consequence of the performance of his duty; or shall die from any cause whatsoever after he has become entitled to an allowance or pension certificate and shall leave surviving a widow, a child or children under the age of eighteen (18) years or a dependent parent, said Board of Trustees shall order paid a monthly allowance as follows: (a) to the widow, so long as she remain a widow and provided she shall have married such member prior to his retirement, a sum equal to one-third (1/3) of the average monthly salary of the deceased at the time of his retirement on allowance or death; (b) to the guardian of each child until such child reaches the age of eighteen (18) years, the sum of Six Dollars ($6) per month for part paid or volunteer Departments, and the sum of Twenty Dollars ($20) per month for fully paid Departments; (c) in the event the widow dies after being entitled to her allowance as herein provided, or in the event there be no widow to receive an allowance, then the amount to be paid to the guardian of any dependent minor child or children under the age of eighteen (18) years shall be Twelve Dollars ($12) per month for each such dependent minor child for part-paid or volunteer Departments, and the sum of Forty Dollars ($40) per month for each such dependent minor child for fully paid Departments; (d) to the dependent parent only in case no widow or child is entitled to allowance,
the amount the widow would have received to be paid to but one (1) parent and such parent to be determined by the Board of Trustees; provided however, that the total allowance to be paid all beneficiaries or dependents as herein provided shall not exceed the monthly allowance to be paid the pensioner had he continued to live or be retired on allowance at the date of his death; and further provided, that if such amount be insufficient to pay the full schedule of benefits as herein provided, such benefits shall be prorated. Allowance or benefits payable to any minor child shall cease when such child becomes eighteen (18) years of age or marries. As amended Acts 1955, 54th Leg., p. 461, ch. 127, § 2; Acts 1957, 55th Leg., p. 617, ch. 275, § 13.

Allowances to beneficiaries of deceased members; cities of 500,000 or more

Sec. 12A. If any member of any fire department in any city having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census, which city is now within or may hereafter come within the provisions of this Act, who has been retired on allowance because of length of service or disability, shall thereafter die from any cause whatsoever; or if while in service, any member shall die from any cause growing out of and/or in consequence of the performance of his duty; or shall die from any cause whatsoever after he has become entitled to an allowance or pension certificate, and if such fireman shall leave surviving a widow, a child or children under the age of eighteen (18) years or a dependent parent or parents, said Board of Trustees shall order paid a monthly allowance which shall be based, as hereinafter provided, upon the amount which such fireman would have been entitled to receive had he continued to live and be retired on allowance at the date of his death. The allowance or allowances provided hereby shall be paid as follows:

(a) If such member shall die and shall leave surviving him both a widow who married such member prior to his retirement and a child or children of such member under the age of eighteen (18) years, said Board of Trustees shall order paid to the widow, so long as she remains the widow of such member, a monthly pension allowance equal to one half ($\frac{1}{2}$) of said amount such member would have been entitled to receive; and in addition thereto the Board of Trustees shall order paid to such widow or other person having the care and custody of such child or children under the age of eighteen (18) years a monthly pension allowance, for the use and benefit of such child or children, equal to the amount hereinabove provided for the widow. If such member shall leave no child under the age of eighteen (18) years surviving him or if at any time after the death of such member no child is entitled to allowance, then the monthly pension allowance to be paid such widow, so long as she remains a widow, shall equal the full amount such member would have been entitled to receive, provided however, that such allowance to a widow, as herein provided if no child is entitled to allowance, shall not exceed one half ($\frac{1}{2}$) of the base salary provided for the position of pipeman at the time of the death of such member.

(b) If such member shall die and if his widow dies after being entitled to her allowance as herein provided, or in the event there be no widow to receive an allowance, then the amount of the monthly pension allowance to be paid, for the use and benefit of the child or children under the age of eighteen (18) years, to the person having the care and custody of such child or children shall be computed as follows: an amount equal to one half ($\frac{1}{2}$) of said amount such member would have been entitled to receive shall be paid for each of such member's children under the age of
eighteen (18) years, provided that the total monthly pension allowance provided hereby for children shall not exceed said amount which such member would have been entitled to receive, nor shall such allowance for such children exceed one half ($\frac{1}{2}$) of the base salary provided for the position of pipeman at the time of the death of such member.

(c) If such member shall die and only if no widow or child is entitled to an allowance under the provisions of this Section, a monthly pension allowance equal to one half ($\frac{1}{2}$) of said amount such member would have been entitled to receive shall be paid to each parent of such deceased member upon proof to the Board of Trustees that such parent was dependent upon such member immediately prior to the death of such member, provided that the total monthly pension allowance provided hereby for parents shall not exceed one half ($\frac{1}{2}$) of the base salary provided for the position of pipeman at the time of the death of such member.

Provided further, however, that in no event shall the total of the allowances paid to one (1) member's beneficiaries under the provisions of this Section be less than Eighty Dollars ($80) per month, provided that such minimum shall not be applicable if only one (1) child or only one (1) parent is entitled to an allowance.

Allowance or benefits payable under the provisions of this Section for any minor child shall cease when such child becomes eighteen (18) years of age or marries.

Provided further, however, that none of the provisions concerning pension allowances, as provided in this Section 12A, shall become effective until two (2) years after the effective date of this amending Act; and during such two (2) year period, and only during such period, beneficiaries of a fireman coming within the provisions of the first sentence of this Section 12A shall be entitled to receive a pension allowance or allowances as provided under Section 12 of this Act in lieu of the allowance or allowances provided by this Section 12A, notwithstanding the provision of Section 12 limiting such section to cities having a population of less than five hundred thousand (500,000). Added Acts 1957, 55th Leg., p. 617, ch. 275, § 14.

Computation of length of service

Sec. 21. In computing the time or period for retirement for length of service as herein provided, less than one (1) year out of service or any time served in the armed forces of the Nation during war or National emergency shall be construed as continuous service, but if out more than one (1) year and less than five (5) years, credit shall be given for prior service, but deduction made for the length of time out of service. If out of service more than five (5) years no previous service shall be counted, provided however, that if a fireman be out of service over five (5) years through no fault of his own and subsequently returns to the department, this period of time shall not be counted against him in so far as his retirement time is concerned. Any fireman joining any regularly organized fire department coming within the provisions of this Act after the effective date hereof shall be entitled to benefits hereunder after he has filed a statement that he desires to participate in the benefits from the Firemen's Relief and Retirement Fund, as provided in Section 10 or Section 10B of this Act, but he shall not be entitled to any disability benefits on account of any sickness or injury received before the statement was filed. As amended Acts 1955, 54th Leg., p. 461, ch. 127, § 3; Acts 1957, 55th Leg., p. 617, ch. 275, § 15.

Added Acts 1957, 55th Leg., p. 617, ch. 275, § 16.

Investment advisory committee; cities of 500,000 or more

Sec. 23B. In cities having a population of five hundred thousand (500,000) or more according to the last preceding Federal Census, and only in such cities, the Mayor of such city shall appoint an Investment Advisory Committee consisting of not less than three (3) nor more than five (5) qualified persons to be selected from the personnel of the banks of such city. Such persons, so appointed, shall be experienced in the handling of securities and investment matters and shall serve for a two (2) year term. This Committee shall review the investments of the Fund as made by the Pension Board and shall make recommendations on the investment procedures and policies from time to time. This Committee shall also make an annual report to the Board of Pension Fund Trustees of such city within ninety (90) days after the end of each Calendar year. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 17.

Application and operation of act

Sec. 27A. This Act shall not apply to any city which has heretofore established and maintains a joint police and municipal employees pension and retirement system or a joint police, firemen's and fire alarm operator's Pension and Retirement System, provided however, that nothing in this Section 27A shall be construed so as to affect in any way any city or fire department which has a Firemen's Relief and Retirement Fund at or prior to the effective date of this amending Section; and this Section 27A shall not affect in any way any Firemen's Relief and Retirement Fund system which is in existence prior to the effective date of this amending Section. Added Acts 1957, 55th Leg., p. 617, ch. 275, § 17A.

Section 18 of the amendatory Act of 1957 provided that "This amending Act shall not diminish the rights of any person who became entitled to a pension allowance from any Firemen's Relief and Retirement Fund prior to the effective date of this amending Act."

Section 19 provided that partial invalidity should not affect the remaining portions of the Act.
Art. 6243f. Pensions for Policemen, Firemen and Fire Alarm Operators in cities having population of three hundred and fifty thousand (350,000) to four hundred and thirty thousand (430,000)

Who may share in fund

Sec. 7(a). Any person who has been duly appointed and enrolled in the Fire Department, Police Department, or Fire Alarm Operators Department of any city having the number of inhabitants provided for in Section 1, as amended, to a position or office expressly established and classified as a position or office in either of said departments by ordinance of the City Council or other governing body of such city, and who, after such due appointment and enrollment has served the probationary period in such position or office, if any, shall automatically become a member of the Pension Fund of such city upon expiration of ninety (90) days from date such city comes within the provisions of this Act, provided such person at the time of such appointment was not less than eighteen (18) years of age and not more than thirty-five (35) years of age. In all instances where a person is already a member of and contributor to such pension fund, he shall retain and be entitled to all rights and privileges due him by virtue of having been such a member and contributor.

(b) Any person not a member of the pension fund when this Act becomes effective, who thereafter is duly appointed and enrolled as a fireman, policeman, or fire-alarm operator of such city in a position or office expressly established and classified as a position or office in either of said departments by ordinance of the City Council or other governing body of such city, and who, after such due appointment and enrollment serves the probationary period in such position or office, if any, shall automatically, after six (6) months of service, become a member of the pension system as a condition of his employment, provided such person at the time of such appointment was not less than eighteen (18) years of age and not more than thirty-five (35) years of age.

(c) Members of this pension fund who are engaged in active military service shall not be required to make the monthly payments into the fund provided for in this Act, nor shall they lose any rights or benefits provided for in the Act by virtue of such military service.

(d) For the purposes of this Act, the regularity of an appointment shall not be presumed from the serving of the full probationary period, if any. And the service by an officer or employee of the probationary period in the Fire Department or Police Department or Fire-Alarm Operators Department shall not constitute the creation of a position or office to which a regular or a due appointment may be made under this Act. And the drawing of compensation by an officer or employee in the Fire Department, Police Department, or Fire-Alarm Operators Department, for his service therein shall not of itself make such person a member of said pension fund. As amended Acts 1951, 52nd Leg., p. 56, ch. 86, § 2, Acts 1957, 55th Leg., p. 14, ch. 11, § 1.

Retirement Pension

Sec. 8(a). Whenever any member of said department shall have contributed a portion of his salary as provided by this Act and shall have served for a period of twenty (20) years, twenty-five (25) years, or thirty (30) years in either of said departments, the Board of Trustees shall issue such member a Certificate of Retirement, which certificate shall state the period of contribution and the time served in the department,
and shall entitle the holder, on retirement, upon twenty (20) years of service, to two-fifths (2/5) of the base pay then received by him; upon twenty-five (25) years of service, to one-half (1/2) of the base pay then received by him; and upon thirty (30) years of service, to three-fifths (3/5) of the base pay then received by him. No member shall ever receive any award from this fund for retirement until he has served at least twenty (20) years in either or all of the departments. In determining the number of years of service in a department, the member shall be given full credit for such time, or periods of time, said member was actively engaged in the military service.

(b) From and after January 1, 1959, whenever any member of said departments shall have served for a period of thirty (30) years in either of said departments and shall have contributed a portion of his salary, as provided by this Act, for the same period of time, he shall be retired automatically from service upon attaining the age of sixty-five (65) years; failure of such employee to comply with this provision shall deprive the member, and his widow and children and dependent parents, of any and all pensions and benefits herein provided.

Provided, however, when a member in said departments attains the age of sixty-five (65) years without having served for a period of thirty (30) years in either of said departments and without having contributed a portion of his salary as provided by this Act for a period of thirty (30) years, he may continue his service until his period of service and period of pension fund contributions shall cover thirty (30) years. As amended Acts 1951, 52nd Leg., p. 86, ch. 56, § 3; Acts 1957, 55th Leg., p. 14, ch. 11, § 2.

Sec. 5. (a) There is hereby created a Pension Board of the Pension System, in which Board there is hereby vested the general administration, management and responsibility for the proper and effective operation of the Pension System. The Board shall be organized immediately after its members have qualified and taken the oath of office and shall serve without compensation.
(b) The Pension Board shall be composed of seven (7) members as follows:
(1) The Mayor of the City, or City Manager, if there be one, or his nominee.
(2) The Treasurer of the City or person performing the duties of Treasurer.
(3) Three (3) employees of the City having membership in the Pension System and elected by the members of such System. No city department shall have more than one (1) representative. The persons now serving as employee members of the Board shall continue in office until the expiration of their terms, in cities having established systems under the original Act.

The term of office of succeeding members so elected shall likewise be two (2) years and each such member shall continue to serve until his successor is duly elected and qualified. Vacancies occurring by death, resignation or removal of such representative shall be filled by members elected by the members of the Pension System. The first election of employee members in cities hereafter coming under this Act shall be held in such city at such time and place as shall be fixed by the governing body of the city, and to be not more than seventy-five (75) days from the date such city comes under the terms of this Act.

(4) Two (2) legally qualified taxpayers of such city, residents of Harris County, Texas, for the preceding three (3) years, to be chosen by the governing body of the city, being neither employees nor officers of such city. The two (2) members so chosen by the governing body of the city shall serve for two (2) years and until their successors are duly elected and qualified. Vacancies occurring by death, resignation, or removal of such representative shall be filled by the governing body of the city. Public members now on the boards of cities having established systems shall continue in office until the expiration of their terms.

(c) Each member of the Pension Board within ten (10) days after his appointment and election shall take an oath of office that so far as it devolves upon him he will diligently and honestly administer the affairs of the Pension System and that he will not knowingly violate, or willingly permit to be violated, any of the provisions of this law.

(d) The Board shall elect from its membership annually a Chairman, Vice-Chairman, and Secretary. Pursuant to the powers granted under the charter of such city, the Chief Administrative Officer of the City shall appoint one (1) or more employees whose positions and salaries shall be fixed by the governing body of the city and who, acting under direction of the Chief Administrative Officer of the City and City Treasurer, shall keep all of the records of and perform all of the clerical services for the Pension System. The salaries of such employees shall be paid by the city.

(e) Each member of the Board shall be entitled to one (1) vote in the Board. Four (4) concurring votes shall be necessary for a decision by the members at any meeting of the Board, and four (4) members shall constitute a quorum.

(f) A meeting of said Pension Board may be called at any time by the Chairman, Secretary, or by any four (4) members of such Pension Board.

(g) Notice shall be given to all members of such Pension Board unless waived in writing as to any proposed meeting by depositing of a written notice in the United States mail at least forty-eight (48) hours before such meeting, properly addressed to each such member. If a meeting is held, however, at which all of the members of the Board attend, no notice shall be necessary.

(h) No moneys shall be paid out of the Pension Fund except by warrant, check or draft signed by the Treasurer and countersigned by the Secretary, upon an order by said Pension Board duly entered in the minutes. Facsimile signatures may be authorized by the Board for monthly pension payments.
The Pension Board shall determine the prior service to be credited to each present employee who becomes a member of the Pension System. The Board shall rely upon the personnel records of such city in determining such prior service credit or upon affidavits if the personnel records are incomplete.

Treasurer of pension fund

Sec. 6. The City Treasurer of any such city, or the person discharging the duties of the City Treasurer, is hereby designated as the Treasurer of said Pension Fund for said city and his official bond to said city shall operate to cover his position of Treasurer of said Pension Fund and his sureties shall be liable in connection with the Treasurer's actions pertaining to such Fund as fully as they are liable under the terms of said bond for the other actions and conduct of said Treasurer. All moneys of every kind and character collected or to be collected for said Fund shall be paid over to said Treasurer and shall be administered and paid out only in accordance with the provisions of this Act.

Contributions by members

Sec. 7. Commencing with the first day of the month from the date any city comes under the provisions hereof, each member of the Pension Fund shall pay into such Fund the sum of not less than Ten Dollars ($10) per month, which payments shall be deducted by the city from the salary of each and every member at the rate of Five Dollars ($5) for each semimonthly or biweekly pay check, and paid to the Treasurer of said Pension Fund.

Contributions by city

Sec. 8. In addition to the payments provided for in the next preceding Section, such city shall pay monthly into such Pension Fund, from the General or other appropriate Fund, of any such city, an amount equal to one and one-half (1½) the total sum paid into such Fund by salary deductions of members as set out in the next preceding Section.

Increase in contributions

Sec. 9. The payments and/or contributions to be paid into the Pension Fund by the members thereof and such city, may at any time, be increased by ordinance of any such city to an amount not to exceed Seven Dollars and Fifty Cents ($7.50) for each pay period at the rate of Seven Dollars and Fifty Cents ($7.50) for each semimonthly or biweekly payroll, payable by each member, and one and one-half (1½) times the amount payable by each member by the city, which payments shall be made in the same manner as provided in Sections 7 and 8 respectively, of this Act; it being the intention hereof that such city shall contribute to such Pension Fund an amount equal to one and one-half (1½) the amounts paid by each member thereto, but no more.

Surplus: investment

Sec. 10. Whenever, in the opinion of the said Pension Board, there is on hand in said Pension Fund a surplus over and above a reasonably safe amount to take care of current demands upon such funds, such surplus, or so much thereof as in the judgment of the said Pension Board is deemed proper, may be invested in bonds or other interest bearing obligations and securities of the United States, the State of Texas, or any county, city or other political subdivision of the State of Texas and in such securities in which the State Permanent School Fund
Art. 6243g  REVISED CIVIL STATUTES  564

of Texas or the Permanent University Fund of the University of Texas may invest under present or hereinafter enacted laws.

**Investment advisory committee**

Sec. 11. The Mayor of such city shall appoint an Investment Advisory Committee consisting of not less than three (3) nor more than five (5) qualified persons to be selected from the personnel of the banks of such city. Such persons, so appointed, shall be experienced in the handling of securities and investment matters and shall serve for a two (2) year term. This Committee shall review the investments of the Fund as made by the Pension Board and shall make recommendations on the investment procedures and policies from time to time. This Committee shall also make an annual report to the Mayor of such city within ninety (90) days after the end of each calendar year.

**Retirement on pension**

Sec. 12. Any member of such Pension System who has been in the service of the city for the period of twenty-five (25) years and has attained fifty-five (55) years of age shall be entitled to a Retirement Pension of One Hundred Dollars ($100) per month for the rest of his life, upon his retirement from the service of said city. Upon the completion of said twenty-five (25) years of service and attaining fifty-five (55) years of age, such Pension Board shall issue to said member a certificate showing that he is entitled to said Retirement Pension and thereafter when such member retires, whether such retirement be voluntary or involuntary, such monthly payment shall begin forthwith and continue for the remainder of said member's life. Upon the date of any member's retirement, if he shall have served in excess of twenty-five (25) years, he shall, in addition to the said sum of One Hundred Dollars ($100) receive an additional sum of Four Dollars ($4) per month for each additional year served in excess of twenty-five (25) years. If any member of such System is retired for any reason prior to completing twenty-five (25) years service, and such member has completed at least ten (10) years service, and attained the age of sixty (60) years, he shall receive a monthly pension of less than One Hundred Dollars ($100) calculated on the pro rata basis that his total service bears to the full term of twenty-five (25) years. Provided, that where any member of any such System has completed ten (10) years service with such city and shall thereafter attain sixty (60) years of age, he may, at his option, be retired and upon retirement shall receive a monthly Pension which shall be calculated on the pro rata basis that his term of service upon reaching sixty (60) years of age bears to the full term of twenty-five (25) years. It shall be compulsory for any member to retire upon attaining sixty-five (65) years of age, unless his service is extended by the governing body of the city upon the recommendation of the chief administrative officer of such city, but in no event shall he remain a member of the Pension System after reaching seventy (70) years of age.

**Disability pensions**

Sec. 13. If any member has completed ten (10) years, but less than twenty-five (25) years service with the city, and shall thereafter become totally and permanently disabled for any reason whatsoever, he shall be retired on a monthly pension which shall be calculated on the pro rata basis that his term of service bears to the full term of twenty-five (25) years. If any member has completed twenty-five (25) years service with
the city and thereafter becomes totally and permanently disabled for any reason whatsoever, he shall be retired on the full One Hundred Dollars ($100) per month Pension, plus any bonus accrued for additional service as provided in Section 12 hereof.

If any member has completed less than ten (10) years service and becomes totally and permanently disabled as a result of the performance of his duties or, as a consequence of such performance, he shall be retired on a monthly pension of Forty Dollars ($40) per month.

By total and permanent disability is meant such disability as permanently incapacitates a member from performing the usual and customary duties which he has been performing for such city.

Before any disability pension is allowed, the Pension Board shall require such medical examination and such other evidence as it may see fit to establish such total and permanent disability, as above provided. The Board's decision shall be final.

When any member has been retired for total and permanent disability, he shall be subject at all times to re-examination by the Pension Board and shall submit himself to such further examination as the Pension Board may require. If any member shall refuse to submit himself to any such examination, the Pension Board may, within its discretion, order said payments stopped. If a member who has been retired under the provisions of this Section should thereafter recover so that in the opinion of the Pension Board he is able to perform the usual and customary duties formerly handled by him for said city, and such member is reinstated or tendered reinstatement to the position he held at the time of his retirement, then the Pension Board shall order such Pension payments stopped.

If any member of the Pension System, as herein defined, who has been retired on Pension because of length of service or disability, shall die from any cause whatsoever, or if, while in the service of the city, any member shall die from any cause growing out of and/or in consequence of the performance of his duty, or shall die from any cause whatsoever after he has become entitled to Pension and shall leave a surviving widow and/or widower and/or a child or children under the age of eighteen (18) years, said Board shall order paid a monthly allowance as follows:

(a) To the widow and/or widower, so long as she/he remains a widow and/or widower and provided she/he shall have married such member prior to his/her retirement, a sum equal to one-half ($\frac{1}{2}$) of the retirement benefits that the deceased would be, or had been entitled to, at the time of his/her retirement or death.

(b) To the guardian of each child the sum of Six Dollars ($6) per month until such child reaches the age of eighteen (18) years.

(c) In the event the widow and/or widower dies after being entitled to her/his allowance as provided, or in the event there be no widow and/or widower to receive such allowance, the amount to be paid to the guardian of any dependent minor child or children under the age of eighteen (18) years shall be increased to the sum of Twelve Dollars ($12) per month for each dependent minor child; provided, however, that the total allowance would be paid all beneficiaries or dependents, as herein provided, shall not exceed the monthly pension to be paid the pensioner had he continued to live or be retired on pension at the date of his death. Allowances or benefits payable to any minor child shall cease when such child becomes eighteen (18) years of age or marries. By the term "guardian," as used herein, shall be meant the surviving widow and/or widower, any guardian appointed by law, or the person standing in loco parentis to such dependent minor child responsible for his or her care and upbringing.
Refund of contributions

Sec. 14. If any member's employment by the City is terminated for other than total and permanent disability arising as a result of or as a consequence of the performance of his duties prior to his having completed ten (10) years of service with the city, he shall not be paid any pension whatsoever, but shall receive the amount paid by him into the Pension Fund by way of salary deduction without interest as provided in Section 17 of this Act.

Computing period of service

Sec. 15. In computing the twenty-five (25) years of service required for retirement pension, interruption of less than three (3) months out of service shall be construed as continuous service without any deduction therefor, but if out of service for more than three (3) months and less than five (5) years, credit shall be given for prior service, but deduction shall be made for the length of time out of service. If out of service more than five (5) years, no service prior to said time shall be counted.

Termination of employment; death; re-employment

Sec. 16. When any member of such Pension System shall leave the employment of such city, either voluntarily or involuntarily, before becoming eligible for a retirement or disability pension, he shall thereupon cease to be a member of such Pension System, but shall have refunded to him all of the payments made by him into said Pension Fund by way of salary deductions without interest, except the sum of Twenty-five Dollars ($25), which sum of Twenty-five Dollars ($25) shall be withheld from such refund to compensate the System for disability benefits during the period of coverage of such member, and if he shall have paid in less than Twenty-five Dollars ($25), he shall not be entitled to any reimbursement; provided, that if such member has completed twenty-five (25) years, or more, of service with the city, prior to becoming fifty-five (55) years of age, and leaves the employment of the city, he may allow his prior payments to remain in the Pension Fund until he becomes fifty-five (55) years of age, whereupon he will be entitled to a retirement pension for life for such amount as he had earned at the time of leaving the employment of the city.

It is contemplated that said sum shall be paid such departing member in a lump sum but if, in the opinion of the Pension Board, the funds on hand are too low to justify such lump sum payment, said payment shall be refunded on a monthly basis in such amounts as may be determined by the Pension Board.

When a member has left the service of the city, as aforesaid, and has therefore ceased to be a member of such Pension System, if such person shall thereafter be re-employed by the city, he shall thereupon be reinstated as a member of such Pension System, provided he is in good physical and mental condition as evidenced by a written certificate executed under oath by a duly licensed and practicing physician residing in said city, satisfactory to the Pension Board. Prior service of such member with such city shall not be counted toward his retirement Pension unless such member returns to the service of the city within five (5) years from his separation therefrom and also shall, within six (6) months after his re-employment by the city, repay to such Pension Fund all moneys withdrawn by him upon his separation from the service, plus in-
Reduction of benefits; dissolution of system

Sec. 17. In the event said Pension Fund becomes seriously depleted, in the opinion of the Pension Board said Pension Board may proportionately and temporarily reduce the benefits of all pensioners and beneficiaries, but such reductions shall thereafter be paid to such pensioners and beneficiaries, as and when said Fund is, in the opinion of the Pension Board, sufficiently re-established to do so. Should the reserve and/or surplus in the Pension Fund become exhausted and, at such time, the outgo of the Pension Fund exceeds the income thereto, then, in such event, the governing body of the city shall have the right, by ordinance duly passed, to dissolve the Pension System and require liquidation thereof without any liability to the city whatsoever.

Legal services

Sec. 18. The City Attorney of such city shall handle all legal matters for the Pension System which are referred to him by the Pension Board or city without additional compensation therefor. The Pension Board may, however, if it seems necessary, employ outside legal advice to the exclusion of, or to assist, the City Attorney, and pay reasonable compensation therefor out of said Pension Fund.

Actuary

Sec. 19. Such Pension Board may, at its discretion, from time to time, employ an actuary and pay his compensation therefor out of the Pension Fund. The governing body of the city may require that an actuarial study, survey and report be made of such Pension System not more than once every five (5) years.

Exemption from execution, attachment or other writ

Sec. 20. No portion of any such Pension Fund, either before or after its order of disbursement by said Pension Board, and no amounts due or to become due any beneficiary or pensioner, under this Act, shall ever be held, seized, taken, subjected to, detained, or levied upon by virtue of any execution, attachment, garnishment, injunction, or other writ, and no order or decree, or any process or proceeding whatsoever, shall issue out of or by any Court of this State for the payment or satisfaction in whole or in part out of said Pension Fund, of any debt, damage, claim, demand, or judgment against any such members, pensioners, dependents, or any person whomsoever, nor shall such Pension Fund or any part thereof, or any claim thereto, be directly or indirectly assigned or transferred and any attempt to transfer or assign the same or any part thereof, or any claim thereto, shall be void. Said Fund shall be sacredly held, kept, and disbursed for the purposes provided by this Act, and for no other purpose whatsoever.

Members in military service

Sec. 21. Members of the Pension System engaged in active military service shall not be required to make the monthly payments into the Pension Fund, provided for in this Act, nor shall they lose any previous years of service with the city caused by such military service. Furthermore, the city shall not be required to make any monthly payments into the Pension Fund on such member while he is engaged in the military service. Any member who engages in active military service shall be entitled to
receive credit for his time in such service upon paying into the Fund an amount equal to all monthly contributions for the total of the number of months he spent in such service, and the city shall pay into the Fund one and one-half \((1\frac{1}{2})\) times such amount. Credit for military service shall be limited to twenty-four (24) months, unless such period is extended by the Pension Board.

**Partial invalidity**

Sec. 22. If any provision, section, part, subsection, sentence, clause, phrase, or paragraph of this Act be declared invalid or unconstitutional, the same shall not affect any other portion or provision hereof, and all other provisions shall remain valid and unaffected by any invalid portion, if any.

**Employees on retirement when act enacted**

Sec. 23. Any former employee of any such city now on retirement by such city shall hereafter be paid at the same rate he is now receiving and it is not the intention of this Act to change the status of any member now on Pension by such city.

**Inapplicability of act**

Sec. 23a. This Act shall not apply to any city which has heretofore, or may hereafter, under its charter or ordinance, established or establish and operated or operate its own Pension and Retirement System or Systems for its municipal employees. As amended Acts 1951, 52nd Leg., p. 378, ch. 242, §§ 1, 2; Acts 1953, 53rd Leg., p. 888, ch. 367, §§ 1–5; Acts 1957, 55th Leg., p. 1194, ch. 398, § 1.

TEXAS PROBATE CODE

CHAPTER I—GENERAL PROVISIONS

§ 3. Definitions and Use of Terms

(aa) "Personal representative" or "Representative" includes executor, independent executor, administrator, temporary administrator, guardian, and temporary guardian, together with their successors. The inclusion of independent executors herein shall not be held to subject such representatives to control of the courts in probate matters with respect to settlement of estates except as expressly provided by law. As amended Acts 1957, p. 53, c. 31, § 2(a).

Effective 90 days after May 23, 1957, date of adjournment.

§ 33. Issuance, Contents, Service, and Return of Citation, Notices, and Writs in Probate Matters

(a) When Citation or Notice Necessary. No person need be cited or otherwise given notice except in situations in which this Code expressly provides for citation or the giving of notice; provided, however, that even though this Code does not expressly provide for citation, or the issuance or return of notice in any probate matter, the court may, in its discretion, require that notice be given, and prescribe the form and manner of service and return thereof.

(b) Issuance by the Clerk or by Personal Representative. The county clerk shall issue necessary citations, writs, and process in probate matters, and all notices not required to be issued by personal representatives, without any order from the court, unless such order is required by a provision of this Code.

(c) Contents of Citation, Writ, and Notice. Citations and all other forms of notice in probate matters shall be in writing, show the court in which the proceedings are pending, the number of the proceeding, dated, and signed officially by the clerk or other person issuing them, and shall state substantially the nature of the proceedings which the party to be cited or otherwise notified is called upon to answer, and the time when and place where he is required to appear or to perform the acts required of him. All citations, writs, and notices issued by the clerk, except citations and notices which are to be served by publication or by mail, shall be directed "to any sheriff or any constable within the State of Texas"; provided, however, that no citation, writ, or notice directed to the sheriff or any constable of a specific county within this State shall be held defective if such citation, writ, or notice is properly served within such county by such officer. Notices and citations issued by the clerk which are to be served by publication or by mail, and similar notices issued by personal representatives, shall be directed to the person or persons to whom such notices or citations are required to be given.

(d) Where No Specific Form of Notice, Service, or Return is Prescribed, or When Provisions Are Insufficient or Inadequate. In all situations in which this Code requires that notice be given, or that a person be cited, and in which a specific method of giving such notice or of citing such person, or a specific method of service and return of such citation or notice is not given, or an insufficient or inadequate provision appears with respect to any of such matters, such notice or citation shall be issued, serv-
ed, and returned in such manner as the court, by written order, shall direct in accordance with this Code and the Texas Rules of Civil Procedure.

(e) Service of Citation or Notice Upon Personal Representatives. Except where another specific and adequate method of service is provided in this Code, where this Code provides for the citing of, or the giving of notice to, an executor, independent executor, administrator, temporary administrator, community administrator, administrator with will annexed or de bonis non, guardian, temporary guardian, or receiver, the clerk issuing such citation or notice shall serve the same by sending the original thereof by registered or certified mail, stamped deliver to addressee only, with return receipt requested, addressed to the person who is to be cited or to whom notice is to be given. A copy of such citation or notice, together with the return receipt pertaining thereto, shall be filed and recorded. If a citation or notice so mailed is returned undelivered, the clerk shall issue a new citation or notice, and cause the same to be served by posting, noting on the docket the failure of delivery by mail.

(f) Methods of Serving Citations and Notices.
   (1) Personal Service. Where it is provided that personal service shall be had with respect to a citation or notice, any such citation or notice directed to a person within this State must be served by the sheriff or constable upon the party to be cited or notified, in person, by delivering to him a true copy of such citation or notice at least ten (10) days before the return day thereof, exclusive of the date of service. Where the person to be cited or notified is absent from the state, or is a non-resident, such citation or notice may be served by any disinterested person competent to make oath of the fact. Said citation or notice shall be returnable at least ten (10) days after the date of service, exclusive of the date of service. The return of the person serving the citation or notice shall be endorsed on or attached to same; it shall show the time and place of service, certify that a true copy of the citation or notice was delivered to the person directed to be served, be subscribed and sworn to before some officer authorized by the laws of this State to take affidavits, under the hand and official seal of such officer, and returned to the county clerk who issued same. If in either case such citation or notice is returned with the notation that the person sought to be served, whether within or without this State, cannot be found, the clerk shall issue a new citation or notice directed to the person or persons sought to be served, and service shall be by publication.
   (2) Posting. When citation or notice is required to be posted, it shall be posted by the sheriff or constable at the courthouse door of the county in which the proceedings are pending, or at the place in or near the courthouse where public notices customarily are posted, for not less than ten (10) days before the return day thereof, exclusive of the date of posting. The clerk shall deliver the original and a copy of such citation or notice to the sheriff or any constable of the proper county, who shall post said copy as herein prescribed and return the original to the clerk, stating in a written return thereon the time when and the place where he posted such copy. The date of posting shall be the date of service. When posting of notice by a personal representative is authorized or required, the method herein prescribed shall be followed, such notices to be issued in the name of the representative, addressed and delivered to, posted and returned by, the proper officer, and filed with the clerk.
   (3) Publication. When a person is to be cited or notified by publication, the citation or notice shall be published once in a newspaper of general circulation in the county in which the proceedings are pending, and said publication shall be not less than ten (10) days before the return day

§ 124. Nonresidents, appointment of guardians for
(a) Appointment of Non-Resident Guardian

A non-resident or non-residents of Texas, being natural persons or corporations, resident of another state or of the District of Columbia, or of any territory, or of any other nation or country, may be appointed and qualified as guardian, or co-guardian of his or its or their non-resi-
dent ward's estate situated in Texas in the same manner and by the same procedure provided in this Code for the appointment and qualification of a resident of this State as guardian of the estates of minors, persons of unsound mind, or habitual drunkards; provided that, by proceedings in and decree or decrees of a court of competent jurisdiction in another state, the District of Columbia, a territory, or another nation or country, of his or its or their residence, such non-resident applicant or applicants shall have been previously duly appointed and are still qualified as guardian, co-guardians, tutor, curator, committee, or fiduciary legal representative by whatever name known in such foreign jurisdiction, of the property or estate of his or its or their ward situated within the jurisdiction of such foreign court, whether such ward be a minor, a person of unsound mind, or an habitual drunkard; and provided further that, with his or its or their written application for appointment in the county court of any county in this state where all or part of such ward's estate is situated in this state, such non-resident applicant or applicants file also a full and complete transcript of the proceedings from the records of the court in which he or it or they were appointed in the jurisdiction of his or its or their residence, evidencing his or its or their due appointment and qualification as such guardian, co-guardians, tutor, curator, committee, or other fiduciary legal representative, of his or its or their ward's property or estate, which transcript shall be certified to and attested by the clerk of such foreign court, if there be a clerk, and, if there be no clerk, then by the officer of said court charged by law with the custody of the records thereof, under the seal of such court, to which transcript shall be attached the certificate of the judge, chief justice or presiding magistrate, as the case may be, of such foreign court to the effect that the said attestation of such transcript by the clerk or legal custodian of the court records is in due form; and provided further that, without the necessity of notice or citation of any character, an order of appointment be made and entered and that such non-resident applicant or applicants thus appointed, qualify by making and filing oath and bond, subject to the court's approval in all respects the same as required of residents thus appointed, and file with the court a power of attorney appointing a resident agent to accept service of process in all actions or proceedings with respect to the estate, whereupon the clerk shall issue the letters of guardianship to such non-resident guardian or co-guardians. Guardians so qualified shall file inventory and appraisement of the estate of the ward in this State subject to the jurisdiction of the court, as in ordinary cases, and shall be subject to and controlled by all applicable provisions of this Code with respect to the handling and settlement of estates by domestic guardians.

(b) Domestic Guardian of Non-Resident

When a non-resident minor or incompetent owns property in this State, guardianship of such estate may be granted when it is made to appear that a necessity exists therefor, in like manner as if such minor or incompetent resided in this State. The court making the grant of such guardianship shall be in the county in which the principal estate of the ward is situated, and said court shall take all such action and make all such orders with respect to the estate of the ward, for the maintenance, support and care, or the education, if necessary, of the ward, out of the proceeds of such ward's estate, in like manner as if the ward were a resident of this State, and guardianship of the person and estate of the ward had been granted by said court, and the ward had been sent abroad by the court for education or treatment. In the event there be a qualified non-resident guardian of such estate, who later desires to qualify in this State, as hereinabove set out, such non-resident guardian may do so, and it shall
be grounds for closing the resident guardianship. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 3. Effective 90 days after May 23, 1957, date of adjournment.

CHAPTER VI—SPECIAL TYPES OF ADMINISTRATION AND GUARDIANSHIP

§ 137. Collection of Small Estates Upon Affidavit

(d) There is filed with the clerk of the court having jurisdiction and venue an affidavit sworn to by such distributees as have legal capacity, and, if the facts warrant, by the natural guardian or next of kin of any minor or incompetent who is also a distributee, which affidavit shall be approved by the judge of the court having jurisdiction and venue, to be recorded in ‘Small Estates’ records by the clerk, showing the existence of the foregoing conditions, the names and addresses of the distributees, and their right to receive the money or property of the estate, or to have such evidences of money, property or other rights of the estate as found to exist transferred to them, being heirs, devisees, or assignees, and listing all assets and known liabilities of the estates; and

§ 144. Payment of Small Claims Without Guardianship

(d) Money in the Registry of a Court and Belonging to an Inmate of a State Eleemosynary Institution. Whenever it is made to appear to the judge of a county court, district court, or other court of the State of Texas, by an affidavit executed by the superintendent, business manager or field representative of any eleemosynary institution of the State of Texas, that a certain inmate therein is a lunatic, idiot, person of unsound mind or a person whose mental illness or mental incapacity, or both, renders him incapable of caring for himself and managing his property and financial affairs, and there is no known legal guardian appointed for the estate of such inmate, and that there is on deposit in the registry of the court a certain sum of money belonging to the inmate and not exceeding the sum of One Thousand Dollars ($1,000), the judge of the court may order the disposition of the funds as herein provided. The judge of the court, upon satisfactory proof by affidavit or otherwise, that the inmate is a lunatic, idiot, person of unsound mind, or a person whose mental illness or mental incapacity, or both, renders him incapable of caring for himself and managing his property and financial affairs, without a legally appointed guardian of his estate, may by order direct the clerk of the court to pay the money to the institution for the use and benefit of the inmate. The State institution to which the payment is made shall not be required to give bond or security for receiving the fund from the registry of the court, and the receipt from the State institution for such payment, or the cancelled check or warrant by which the payment was made, shall be sufficient evidence of the disposition thereof and the clerk of the court shall be relieved of further responsibility therefor. Upon receipt of the money the institution shall deposit all of the amount received to the trust account of the inmate, to be used by or for the personal use of the owner thereof under the regulations or custom of the institution in the expenditure of such funds by the inmate or for the use and benefit of the inmate by the responsible officer of the institution. The provisions of this sub-
division shall be cumulative of all other laws affecting the rights of lunatics, idiots, persons of unsound mind or of mental illness, and moneys belonging to such persons as inmates of a state eleemosynary institution.

Should such inmate become deceased leaving a balance in his trust account, such balance may be applied on the burial expenses of said inmate, or applied on his care, support and treatment account at said institution. After the expenditure of all funds in such trust account or after the death of such inmate the responsible officer shall furnish a statement of expenditures of such funds to nearest relative entitled to such statement; and, a copy of such statement shall be filed with the court which first granted the order to dispose of the funds in accordance with the provisions of this Act. Added Acts 1957, 55th Leg., p. 1304, ch. 437, § 1.

§ 145. Independent Administration

Any person capable of making a will may provide in his will that no other action shall be had in the county court in relation to the settlement of his estate than the probating and recording of his will, and the return of an inventory, appraisement, and list of claims of his estate. When such will has been probated, and the inventory, appraisement, and list aforesaid has been filed by the executor and approved by the court, as long as the estate is represented by an independent executor, further action of any nature shall not be had in the court except where this Code specifically and explicitly provides for some action in the court. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 2(b).

Effective 90 days after May 23, 1957, date of adjournment.

§ 146. Payment of Claims and Delivery of Exemptions and Allowances

An independent executor, in his administration of an estate, although free from the control of the court, shall nevertheless, independently of and without application to, or any action in or by the court, receive presentation of and classify, allow, and pay, or reject, claims against the estate in the same order of priority, classification, and proration prescribed in this Code, and set aside and deliver to those entitled thereto exempt property and allowances for support, and in lieu of homestead, as prescribed in this Code, to the same extent and result as if his actions had been accomplished in, and under orders of, the court. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 2(c).

Effective 90 days after May 23, 1957, date of adjournment.

§ 157. When Spouse Incompetent

Whenever a husband or wife is judicially declared to be incompetent, the other spouse, in the capacity of surviving partner of the marital partnership, thereupon acquires full power to manage, control, and dispose of the entire community estate, including the part which the incompetent spouse would legally have power to manage in the absence of such incompetency, and no administration, community or otherwise, shall be necessary. Guardianship of the estate of the incompetent spouse shall not be necessary when the other spouse is competent unless the incompetent spouse owns separate property, and then as to such separate property only. The qualification of a guardian of the estate of an incompetent spouse does not deprive the competent spouse of the right to manage, control, and dis-
CHAPTER VII—EXECUTORS, ADMINISTRATORS, AND GUARDIANS

§ 193. Bond of Guardian of Person

The bond of a guardian of the person shall be in an amount to be fixed by the Court granting such guardianship, not to exceed One Thousand Dollars ($1000), shall be payable to the county or probate judge, and to his successors in office, in the county in which the proceedings are pending, and may be approved by either of such judges in his official capacity. The bond shall be conditioned that the guardian will faithfully discharge the duties of guardian of the person of his ward. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 6(a).

Effective 90 days after May 23, 1957, date of adjournment.

§ 194. Bonds of Personal Representatives of Estates

Except when bond is not required under the provisions of this Code, before the issuance of letters testamentary, or of administration or guardianship of estates, the recipient of letters shall enter into bond conditioned as required by law, payable to the county judge or probate judge of the county in which the probate proceedings are pending and to his successors in office. Such bonds shall bear the written approval of either of such judges in his official capacity, and shall be executed and approved in accordance with the following rules:

1. Court to Fix Penalty.

The penalty of the bond shall be fixed by the judge, in an amount deemed sufficient to protect the estate and its creditors, as hereinafter provided.

2. Bond to Protect Creditors Only, When.

If the person to whom letters testamentary or of administration is granted is also entitled to all of the decedent's estate, after payment of debts, the bond shall be in an amount sufficient to protect creditors only, notwithstanding the rules applicable generally to bonds of personal representatives of estates.

3. Before Fixing Penalty, Court to Hear Evidence.

In any case where a bond is, or shall be, required of a personal representative of an estate, the court shall, before fixing the penalty of the bond, hear evidence and determine:

(a) The amount of cash on hand and where deposited, and the amount of cash estimated to be needed for administrative purposes, including operation of a business, factory, farm or ranch owned by the estate, and expenses of administration for one (1) year; and

(b) The revenue anticipated to be received in the succeeding twelve (12) months from dividends, interest, rentals, or use of real or personal property belonging to the estate and the aggregate amount of any installments or periodical payments to be collected; and

(c) The estimated value of certificates of stock, bonds, notes, or securities of the estate or ward, the name of the depository, if any, in which said assets are held for safekeeping, the face value of life insurance or other policies payable to the person on whose estate administration is
sought, or to such estate, and such other personal property as is owned by the estate, or by one under disability; and

(d) The estimated amount of debts due and owing by the estate or ward.

4. Penalty of Bond.

The penalty of the bond shall be fixed by the judge in an amount equal to the estimated value of all personal property belonging to the estate, or to the person under disability, together with an additional amount to cover revenue anticipated to be derived during the succeeding twelve (12) months from interest, dividends, collectible claims, the aggregate amount of any installments or periodical payments, and rentals for use of real and personal property; provided, that the penalty of the original bond shall be reduced in proportion to the amount of cash or value of securities or other assets authorized or required to be deposited or placed in safekeeping by order of court, or voluntarily made by the representative or by his sureties as hereinafter provided in Subdivisions 6 and 7 hereof.

5. Agreement as to Deposit of Assets.

It shall be lawful, and the court may require such action when deemed in the best interest of an estate or ward, for a personal representative to agree with the surety or sureties, either corporate or personal, for the deposit of any or all cash, and safekeeping of other assets of the estate in a domestic state or national bank, trust company, savings and loan association, or other domestic corporate depository, duly incorporated and qualified to act as such under the laws of this State or of the United States, if such deposit is otherwise proper, in such manner as to prevent the withdrawal of such moneys or other assets without the written consent of the surety, or an order of the court made on such notice to the surety as the court shall direct. No such agreement shall in any manner release from or change the liability of the principal or sureties as established by the terms of the bond.

6. Deposits Authorized or Required, When.

Cash or securities or other personal assets of an estate or ward may, and if deemed by the court in the best interest of such estate or ward shall, be deposited or placed in safekeeping as the case may be, in one or more of the depositories hereinabove described upon such terms as shall be prescribed by the court. The court in which the proceedings are pending, upon its own motion, or upon written application of the representative or of any other person interested in the estate or ward may authorize or require additional assets of the estate then on hand or as they accrue during the pendency of the probate proceedings to be deposited or held in safekeeping as provided above. The amount of the bond of the personal representative shall be reduced in proportion to the cash so deposited, or the value of securities or other assets placed in safekeeping. Such cash so deposited, or securities or other assets held in safekeeping, or portions thereof, may be withdrawn from a depository only upon order of the court, and the bond of the personal representative shall be increased in proportion to the amount of cash or the value of securities or other assets so authorized to be withdrawn.

7. Representative May Deposit Cash or Securities of His Own in Lieu of Bond.

It shall be lawful for the personal representative of an estate, in lieu of giving surety or sureties on any bond which shall be required of him, or for the purpose of reducing the amount of such bond, to deposit out of his own assets cash or securities acceptable to the court, with a depository such as named above or with any other corporate depository approved by
the court, if such deposit is otherwise proper, said deposit to be equal in amount or value to the amount of the bond required, or the bond reduced by the value of assets so deposited.

8. Rules Applicable to Making and Handling Deposits in Lieu of Bond or to Reduce Penal Sum of Bond.

(a) A receipt for a deposit in lieu of surety or sureties shall be issued by the depository, showing the amount of cash or, if securities, the amount and description thereof, and agreeing not to disburse or deliver the same except upon receipt of a certified copy of an order of the court in which the proceedings are pending, and such receipt shall be attached to the representative’s bond and be delivered to and filed by the county clerk after approval by the judge.

(b) The amount of cash or securities on deposit may be increased or decreased, by order of the court from time to time, as the interest of the estate shall require.

(c) Deposits in lieu of sureties on bonds, whether of cash or securities, may be withdrawn or released only on order of a court having jurisdiction.

(d) Creditors shall have the same rights against the representative and such deposits as are provided for recovery against sureties on a bond.

(e) The court may on its own motion, or upon written application by the representative or by any other person interested in the estate, require that adequate bond be given by the representative in lieu of such deposit, or authorize withdrawal of the deposit and substitution of a bond with sureties therefor. In either case, the representative shall file a sworn statement showing the condition of the estate, and unless the same be filed within twenty (20) days after being personally served with notice of the filing of an application by another, or entry of the court’s motion, he shall be subject to removal as in other cases. The deposit may not be released or withdrawn until the court has been satisfied as to the condition of the estate, has determined the amount of bond, and has received and approved the bond.

Upon the closing of an estate, any such deposit or portion thereof remaining on hand, whether of the assets of the representative, or of the assets of the estate, or of the surety, shall be released by order of court and paid over to the person or persons entitled thereto. No writ of attachment or garnishment shall lie against the deposit, except as to claims of creditors of the estate being administered, or persons interested therein, including distributees and wards, and then only in the event distribution has been ordered by the court, and to the extent only of such distribution as shall have been ordered.

10. Who May Act as Sureties.

The surety or sureties on said bonds may be authorized corporate sureties, or personal sureties.

11. Procedure When Bond Exceeds Fifty Thousand Dollars ($50,000).

When any such bond shall exceed Fifty Thousand Dollars ($50,000) in penal sum, the court may require that such bond be signed by two (2) or more authorized corporate sureties, or by one such surety and two (2) or more good and sufficient personal sureties. The estate shall pay the cost of a bond with corporate sureties.

12. Qualifications of Personal Sureties.

If the sureties be natural persons, there shall not be less than two (2), each of whom shall make affidavit in the manner prescribed in this Code,
and the judge shall be satisfied that he owns property within this State, over and above that exempt by law, sufficient to qualify as a surety as required by law. Except as provided by law, only one surety is required if the surety is an authorized corporate surety; provided, a personal surety, instead of making affidavit, or creating a lien on specific real estate when such is required, may, in the same manner as a personal representative, deposit his own cash or securities, in lieu of pledging real property as security, subject, so far as applicable, to the provisions covering such deposits when made by personal representatives.

   In case of a temporary administrator or guardian, the bond shall be in such sum as the judge shall direct.

14. Only One Bond for Guardian of Person and Estate.
   Where one person is appointed guardian of both the person and estate of a ward, only one bond shall be given by the guardian, in the same amount that would be required from a guardian of the estate only.

15. Increased or Additional Bonds When Property Sold, Rented, Leased for Mineral Development, or Money Borrowed or Invested.
   The provisions in this Section with respect to deposit of cash and safekeeping of securities shall cover, so far as they may be applicable, the orders to be entered by the court when real or personal property of an estate has been authorized to be sold or rented, or money borrowed thereon, or when real property, or an interest therein, has been authorized to be leased for mineral development or subjected to unitization, the general bond having been found insufficient, or when money is borrowed or invested on behalf of a ward. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 6(b).

Effective 90 days after May 23, 1957, date of adjournment.

§ 201. (a) Affidavit of Personal Surety; (b) Lien on Specific Property, When Required; (c) Subordination of Lien Authorized

(a) Affidavit of Personal Surety. Before the judge may consider a bond with personal sureties, each person offered as surety shall execute an affidavit stating the amount of his assets, reachable by creditors, of a value over and above his liabilities, the total of the worth of such sureties to be equal to at least double the amount of the bond, and such affidavit shall be presented to the judge for his consideration and, if approved, shall be attached to and form part of the bond.

(b) Lien on Specific Property, When Required. If the judge finds that the estimated value of personal property of the estate which cannot be deposited or held in safekeeping as hereinabove provided is such that personal sureties cannot be accepted without the creation of a specific lien on real property of such sureties, he shall enter an order requiring that each surety designate real property owned by him within this State subject to execution, of a value over and above all liens and unpaid taxes, equal at least to the amount of the bond, giving an adequate legal description of such property, all of which shall be incorporated in an affidavit by the surety, approved by the judge, and be attached to and form part of the bond. If compliance with such order is not had, the judge may in his discretion require that the bond be signed by an authorized corporate surety, or by such corporate surety and two (2) or more personal sureties.

(c) Subordination of Lien Authorized. If a personal surety who has been required to create a lien on specific real estate desires to lease such property for mineral development, he may file his written application in the court in which the proceedings are pending, requesting subordina-
§ 202. Bond as Lien on Real Property of Surety

When a personal surety has been required by the court to create a lien on specific real property as a condition of his acceptance as surety on a bond, a lien on the real property of the surety in this State which is described in the affidavit of the surety, and only upon such property, shall arise as security for the performance of the obligation of the bond. The clerk of the court shall, before letters are issued to the representative, cause to be mailed to the office of the county clerk of each county in which is located any real property as set forth in the affidavit of the surety, a statement signed by the clerk, giving a sufficient description of such real property, the name of the principal and sureties, the amount of the bond, and the name of the estate and the court in which the bond is given. The county clerk to whom such statement is sent shall record the same in the deed records of the county. All such recorded statements shall be duly indexed in such manner that the existence and character of the liens may conveniently be determined, and such recording and indexing of such statement shall constitute and be constructive notice to all persons of the existence of such lien on such real property situated in such county, effective as of date of such indexing. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 6(d).

Effective 90 days after May 23, 1957, date of adjournment.

§ 228. Powers, Duties, and Obligations of Guardian of Person Entitled to Governmental Funds

(a) A guardian of the estate of a person for whom it is necessary to have a guardian appointed to receive funds from a governmental agency shall have the power to administer only the funds so received from such governmental agency, and all earnings, interest, or profits derived therefrom and all property acquired therewith, and shall not be considered as a general guardian of the estate of such ward. Such guardian shall have the power to receive and receipt for such funds, to pay out under appropriate order of the court the expenses of administering the estate and, for the support, maintenance, and education of the ward and his dependents, and to invest under the order of the court the surplus funds as they accumulate in the estate, as authorized by Part 10 of Chapter 8 of this Code. The procedural, administrative, and penal provisions of this Code shall be binding upon the guardian in his original appointment and in the administration of the estate of such ward.

(b) All acts heretofore performed by guardians of the estate of a person for whom it is necessary to have a guardian appointed to receive and disburse funds due such person from a governmental source or agency, performed in conformance with orders of a county or probate court having venue with respect to the support, maintenance, and education of
the ward and his dependents, and the investment of surplus funds of the
ward under the general guardianship laws of this State, which acts are
not in issue as to legality in any probate proceeding or civil suit pending
on the effective date of this Act, are hereby validated. As amended Acts
1957, 55th Leg., p. 53, ch. 31, § 7.
Effective 90 days after May 23, 1957, date

§ 241. Compensation of Personal Representatives

(a) Compensation of Executors and Administrators. Executors and
administrators shall be entitled to receive, and may retain in their hands,
a commission of five per cent (5%) on all sums they may actually receive
in cash, and the same per cent on all sums they may actually pay out in
cash, in the administration of the estate; provided, no commission shall
be allowed for receiving cash belonging to the testator or intestate which
was on hand or on deposit to his credit in a bank at the time of his death,
nor for paying out cash to the heirs or legatees as such; provided, further,
however, that in no event shall the executor or administrator be entitled in
the aggregate to more than five per cent (5%) of the gross fair market val­
ue of the estate subject to administration. If the executor or administra­
tor manages a farm, ranch, factory, or other business of the estate, or if
the compensation as calculated above is unreasonably low, the court may
allow him reasonable compensation for his services. For this purpose,
the county court shall have jurisdiction to receive, consider, and act on
applications from independent executors.

(b) Compensation of Guardians. A guardian of the person alone is
entitled to no compensation. The guardian of the estate, or of the person
and estate, shall not be entitled to, or receive, any fee or commission on
the estate of the ward when it is first delivered to him; but shall be en­
titled to a fee of five per cent (5%) on the gross income of the ward's es­
tate and five per cent (5%) on all money paid out. The term 'money paid
out' shall not be construed to include any money loaned or invested or
paid over on the settlement of the guardianship. If the guardian man­
gages a farm, ranch, factory, or other business of his ward, or if the
compensation as calculated above is unreasonably low, the court may allow
him reasonable compensation for his services. As amended Acts 1957,
55th Leg., p. 53, ch. 31, § 8.
Effective 90 days after May 23, 1957, date
of adjournment.

CHAPTER VIII—PROCEEDINGS DURING ADMINISTRATION
AND GUARDIANSHIP

§ 253. Fees of Appraisers

Each appraiser appointed by the court, as herein authorized, shall be
entitled to receive a minimum compensation of Five Dollars ($5) per day,
payable out of the estate, for each day that he actually serves in perform­
ance of his duties as such. As amended Acts 1957, 55th Leg., p. 53,
ch. 31, § 9.
Effective 90 days after March 23, 1957,
date of adjournment.

§ 367. Mineral Leases After Public Notice

(c) 7. Term of Lease Binding. Every such lease, when executed
and delivered in compliance with the rules hereinabove set out, shall be
valid and binding upon the property or interest therein owned by the es-
estate and covered by the lease for the full duration of the term as provided therein, subject only to its terms and conditions, even though the primary term shall extend beyond the date when the estate shall have been closed in accordance with law; provided, the authorized primary term shall not exceed five (5) years, subject to terms and provisions of the lease extending it beyond the primary term by paying production, bona fide drilling, or reworking operations, whether in or on the same or additional well or wells, with no cessation of operations of more than sixty (60) consecutive days before production has been restored or obtained. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 10(a).

Effective 90 days after May 23, 1957, date of adjournment.

§ 368. Mineral Leases or Private Sale

(b) Action of the Court When Public Advertising Not Required. At any time after the expiration of five (5) days and prior to the expiration of ten (10) days from the date of filing and without an order setting time and place of hearing, the court shall hear the application to lease at private sale and shall inquire into the manner in which the proposed lease has been or will be made, and shall hear evidence for or against the same; and, if satisfied that the lease has been or will be made for a fair and sufficient consideration and on fair terms, and has been or will be properly made in conformity with law, the court shall enter an order authorizing the execution of such lease without the necessity of advertising, notice, or citation, said order complying in all other respects with the requirements essential to the validity of mineral leases as hereinabove set out, as if advertising or notice were required. No order confirming a lease or leases made at private sale need be issued, but no such lease shall be valid until the increased or additional bond required by the court, if any, has been approved by the court and filed with the clerk of the court. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 10(b).

Effective 90 days after May 23, 1957, date of adjournment.

§ 370. Special Ancillary Instruments Which May be Executed Without Court Order

As to any valid mineral lease or pooling or unitization agreement, executed on behalf of the estate prior to the effective date of this Code, or pursuant to its provisions, or by a former owner of land, minerals, or royalty affected thereby, the personal representative of the estate which is being administered may, without further order of the court, and without consideration, execute division orders, transfer orders, instruments of correction, instruments designating depository banks for the reception of delay rentals or shut-in gas well royalty to accrue or become payable under the terms of any such lease or leases, and similar instruments pertaining to any such lease or agreement and the property covered thereby. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 10(c).

Effective 90 days after May 23, 1957, date of adjournment.

§ 399. Annual Accounts Required

(a) Estates of Decedents and Wards Being Administered Under Order of Court. The personal representative of the estate of a decedent or ward being administered under order of court shall, upon the expiration of twelve (12) months from the date of qualification and receipt of letters, return to the court an exhibit in writing under oath setting forth a list of
all claims against the estate that were presented to him within the period covered by the account, specifying which have been allowed by him, which have been paid, which have been rejected and the date when rejected, which have been sued upon, and the condition of the suit, and show:

1. All property that has come to his knowledge or into his possession not previously listed or inventoried as property of the estate or ward, as the case may be.

2. Any changes in the property of the estate or ward which have not been previously reported.

3. A complete account of receipts and disbursements for the period covered by the account, and the source and nature thereof, with receipts of principal and income to be shown separately.

4. A complete, accurate and detailed description of the property being administered, the condition of the property and the use being made thereof, and, if rented, the terms upon and the price for which rented.

5. The cash balance on hand and the name and location of the depository wherein such balance is kept; also, any other sums of cash in savings accounts or other form, deposited subject to court order, and the name and location of the depository thereof.

6. A detailed description of personal property of the estate, which shall, with respect to bonds, notes, and other securities, include the names of obligor and obligee, or if payable to bearer, so state; the date of issue and maturity; the rate of interest; serial or other identifying numbers; in what manner the property is secured; and other data necessary to identify the same fully, and how and where held for safekeeping.

(b) Annual Reports Continue Until Estate Closed. Each personal representative of the estate of a decedent or ward shall continue to file annual accounts conforming to the essential requirements of those in Subsection (a) hereof as to changes in the assets of the estate after rendition of the former account so that the true condition of the estate, with respect to money, securities, and other property, can be ascertained by the court or by any interested person, by adding to the balances forward the receipts, and then subtracting the disbursements. The description of property sufficiently described in an inventory or previous account may be by reference thereto.

(c) Guardians of the Person. The guardian of the person, when there is a separate guardian of the estate, shall at the expiration of twelve (12) months from the date of his qualification and receipt of letters, and annually thereafter, return to the court his sworn account showing each item of receipts and disbursements for the support and maintenance of the ward, his education when necessary, and support and maintenance of the ward’s dependents, when authorized by order of court. All who are guardians of the person shall include in their reports facts concerning each ward’s physical welfare, his well-being, and his progress in education, if the latter be pertinent. Unless the judge is satisfied that the facts stated are true, he shall issue such orders as are necessary for the best interest of the ward.

(d) Supporting Vouchers, etc., Attached to Accounts. Annexed to all annual accounts of representatives of estates and wards, and, so far as applicable, accounts of guardians of the persons of wards and guardians of those wards entitled to receive governmental funds, required by this Section, shall be:

1. Proper vouchers for each item of credit claimed in the account, or, in the absence of such voucher, the item must be supported by evidence satisfactory to the court. Original vouchers may, upon application, be returned to the representative after approval of his account.
(2) An official letter from the bank or other depository in which the money on hand of the estate or ward is deposited, showing the amounts in general or special deposits.

(3) Proof of the existence and possession of securities owned by the estate, or shown by the accounting, as well as other assets held by a depository subject to orders of the court, the proof to be by one of the following means:

   a. By an official letter from the bank or other depository wherein said securities or other assets are held for safekeeping; provided, that if such depository is the representative, the official letter shall be signed by a representative of such depository other than the one verifying the account; or

   b. By a certificate of an authorized representative of the corporation which is surety on the representative's bonds; or

   c. By a certificate of the clerk or a deputy clerk of a court of record in this State; or

   d. By an affidavit of any other reputable person designated by the court upon request of the representative or other interested party.

   Such certificate or affidavit shall be to the effect that the affiant has examined the assets exhibited to him by the representative as assets of the estate in which the accounting is made, and shall describe the assets by reference to the account or otherwise sufficiently to identify those so exhibited, and shall state the time when and the place where exhibited. In lieu of using a certificate or an affidavit, the representative may exhibit the securities to the judge of the court who shall endorse on the account, or include in his order with respect thereto, a statement that the securities shown therein as on hand were in fact exhibited to him, and that those so exhibited were the same as those shown in the account, or note any variance. If the securities are exhibited at any place other than where deposited for safekeeping, it shall be at the expense and risk of the representative. The court may require additional evidence as to the existence and custody of such securities and other personal property as in his discretion he shall deem proper; and may require the representative to exhibit them to the court, or any person designated by him, at any time at the place where held for safekeeping.

   (e) Verification of Account. The representative filing the account shall attach thereto his affidavit that it contains a correct and complete statement of the matters to which it relates.

   (f) Annual Accounts May be Waived, When. In cases in which the income of a ward's estate from real property becomes negligible, and the estate owns no personal property, the estate may be closed, as hereinafter provided. If the estate owns personal property which produces negligible or fixed income, the court shall have the power to waive the filing of annual accounts, and the court may permit the guardian to receive all income and apply it to the support, maintenance, and education of the ward, and account to the court for income and corpus of the estate when the same must be closed. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 11(a).

§ 400. Penalty for Failure to File Annual Account

Should any personal representative of an estate, or guardian of the person of a ward, fail to return any annual account required by preceding sections of this Code, any person interested in said estate or ward may, upon written complaint, or the court upon its own motion may, cause the
personal representative to be cited to return such account, and show cause for such failure. If he fails to return said account after being so cited, or fails to show good cause for his failure so to do, the court, upon hearing, may revoke the letters of such representative, and may fine him in a sum not to exceed Five Hundred Dollars ($500). He and his sureties shall be liable for any fine imposed, and for all damages and costs sustained by reason of such failure, which may be recovered in any court of competent jurisdiction. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 11(b).

Effective 90 days after May 23, 1957, date of adjournment.

§ 401. Action Upon Annual Accounts

These rules shall govern the handling of annual accounts:

(a) They shall be filed with the county clerk, and the filing thereof shall be noted forthwith upon the judge’s docket.

(b) Before being considered by the judge, the account shall remain on file ten (10) days.

(c) At any time after the expiration of ten (10) days after the filing of an annual account, the judge shall consider same, and may continue the hearing thereon until fully advised as to all items of said account.

(d) No accounting shall be approved unless possession of cash, listed securities, or other assets held in safekeeping or on deposit under order of court has been proved as required by law.

(e) If the account be found incorrect, it shall be corrected. When corrected to the satisfaction of the court, it shall be approved by an order of court, and the court shall then act with respect to unpaid claims, as follows:

(1) Order for Payment of Claims in Full. If it shall appear from the exhibit, or from other evidence, that the estate is wholly solvent, and that the representative has in his hands sufficient funds for the payment of every character of claims against the estate, the court shall order immediate payment to be made of all claims allowed and approved or established by judgment.

(2) Order for Pro Rata Payment of Claims. If it shall appear from the account, or from other evidence, that the funds on hand are not sufficient for the payment of all the said claims, or if the estate is insolvent and the personal representative has any funds on hand, the court shall order such funds to be applied to the payment of all claims having a preference in the order of their priority if they, or any of them, be still unpaid, and then to the payment pro rata of the other claims allowed and approved or established by final judgment, taking into consideration also the claims that were presented within twelve (12) months after the granting of administration, and those which are in suit or on which suit may yet be instituted. As amended Acts 1957, 55th Leg., p. 53, ch. 31, § 11(c).

The purchase or power of Eminent Domain being hereby authorized is granted regardless of the location of any such land, property rights, or materials to be acquired, whether within or without the confines of any incorporated city, town or village, whether same are incorporated under general or special laws, including Home Rule Cities.

In the prosecution of any condemnation suit brought by the State Highway Commission in the name of the State of Texas for the acquisition of property pursuant to the powers granted in this Act, the Attorney General, at the request of the State Highway Commission, or, at the Attorney General's direction, the applicable County or District Attorney or Criminal District Attorney, shall bring and prosecute the suit in the name of the State of Texas and the venue of any such suit shall be in the county in which the property or a part thereof is situated.

further provided, that none of the powers granted herein shall be a
grant to the State Highway Commission for the purpose of condemning
property which is used and dedicated for cemetery purposes pursuant to
Articles 912a—10 et seq., Vernon's Revised Civil Statutes of Texas.

2. State and Other Public Lands. The governing body of every
county, city, town, village, political subdivision or public agency is here­
by authorized without any form of advertisement to make conveyance of
title or rights and easements, owned by any such body, to any property
needed by the State Highway Commission to effect its purposes in con­
nection with the construction or operation of the State Highway System.

Whether purchased or condemned by the State Highway Commission,
the lands, property rights and materials which are purchased or con­
demned may also include those belonging to the public, whether under
the jurisdiction of the State or any department or agency thereof, county,
city, town, village, including Home Rule Cities, or other entity or subdi­
vision thereof.

The State of Texas hereby consents to the use of all lands owned
by it, including lands lying underwater, which are deemed by the State
Highway Commission to be necessary for the construction or operation
of any State Highway; provided, however, that nothing herein shall be
construed as depriving the School Land Board of authority to execute
leases in the manner authorized by law for the development of oil, gas
and other minerals on State-owned lands adjoining any such State High­
way, or in tidewater limits, and to this end such leases may provide for
directional drilling from such adjoining land and tidewater area. The
State Highway Commission shall advise, and make arrangements with,
the State Department or agency having jurisdiction over such lands to
accomplish such necessary purposes. Any such State Department or
agency is hereby directed to cooperate with the State Highway Depart­
ment in this connection, and as to any such department or agency not ex­
pressly authorized to act through some designated representatives, ex­
press authority is hereby granted to such department or agency to do
whatever acts are necessary hereunder by and through the Chairman of
its Board, Department Head, or Executive Director, whether appointed
or elected, whichever may be appropriate.

If the land, property rights, or material to be acquired by the State
Highway Department are of such a nature that its acquisition under
the provisions of this Act will deprive any such department or agency
of the State of a thing of value to such department or agency in the ex­
ercise of its lawful functions, then adequate compensation therefor shall
be made, based upon vouchers drawn for this purpose payable to the fur­
nishing department or agency. Payments received by the furnishing
department or agency shall be credited to that department's or agency's
current appropriation items or accounts from which the expenditures of
that character were originally made, or if no such items or accounts
from which the expenditures of that character were originally made,
or if no such item or account exists, then to an account of such depart­
ment or agency determined to be appropriate thereto by the Comptroller
of Public Accounts.

In the event, but only in the event, the Highway Department and
such other department or agency are unable to agree upon adequate
compensation, then the Board of Control shall determine the fair, equita­
ble and realistic compensation to be paid. Acts 1957, 55th Leg., p. 724, ch.
300, § 4.
Art. 6674w—4. Relocation of utility facilities

Whenever the relocation of any utility facilities is necessitated by the improvement of any highway in this State which has been or may hereafter be established by appropriate authority according to law as a part of the National System of Interstate and Defense Highways, including extensions thereof within urban areas, such relocation shall be made by the utility at the cost and expense of the State of Texas provided that such relocation is eligible for Federal participation. Reimbursement of the cost of relocation of such facilities shall be made from the State Highway Fund to the utility owning such facilities, anything contained in any other provision of law or in any permit, or agreement or franchise issued or entered into by any department, commission or political subdivision of this State to the contrary notwithstanding. The term “utility” includes publicly, privately, and cooperatively owned utilities engaged in furnishing telephone, telegraph, communications, electric, gas, heating, water, railroad, storm sewer, sanitary sewer or pipeline service. The term “cost of relocation” includes the entire amount paid by such utility properly attributable to such relocation after deducting therefrom any increase in the value of the new facility and any salvage value derived from the old facility, and otherwise as may be fixed by regulations for Federal cost participation. It is further provided that by agreement with the affected utility the State Highway Department may relocate such utility facility in accordance with the provisions hereof. Acts 1957, 55th Leg., p. 724, ch. 300, § 4A.

Art. 6674w—5. Additional methods and precedence of act in cases of conflict

The powers, authority, jurisdiction and procedures granted to the State Highway Department and State Highway Commission in the foregoing Sections of this Act shall be deemed to provide additional powers, authority, jurisdiction, and procedures to those now existing and conferred by the laws of the State of Texas upon the State Highway Department and State Highway Commission and shall not be regarded as in derogation of any powers, authority, jurisdiction, or procedures now existing under the laws of Texas, except that restrictions placed upon the powers, authority, jurisdiction or procedures of the State Highway Department and State Highway Commission by other laws, which are in derogation of, or inconsistent with the powers, authority, jurisdiction and procedures prescribed in the foregoing Sections of this Act or which would tend to hamper or limit the State Highway Department and State Highway Commission in the lawful execution of the powers and authority granted by this Act for the proper accomplishment of its purposes, shall be deemed to have been superseded by the provisions hereof, and, to the extent that any other law is in conflict with or inconsistent with the provisions hereof, the provisions of this Act shall take precedence and be effective.

The powers granted to the State Highway Department and State Highway Commission by this Act to perform acts and exercise powers within the limits of counties, incorporated cities, towns and villages, including Home Rule Cities, may be exercised without the consent or agreement of any such county, city, town or village, including Home Rule Cities, after complying with Subsection 1 of Section 2 hereof, and whenever the State Highway Department or the State Highway Commission performs any act or exercises any power within the limits of any county, incorporated city, town or village, including Home Rule Cities, as authorized in this Act, such act or exercise of power shall
qualify and render inexclusive the dominion of such counties, cities, towns or villages, including Home Rule Cities, with respect to the specific streets, alleys, and other public ways affected by such act or exercises of power, but only to the specific extent to which such act or the exercise of such power affects such streets, alleys and other public ways and their use. Provided, however, that all taxes, penalties and interest accruing, and all liens and obligations created, and all bonds executed to secure their payment before the effective date of this Act, shall be and remain legal and valid obligations to the State of Texas; and the punishment of offenses committed, and recovery of fines, forfeitures and penalties incurred before the effective date of this Act shall take place as if the law amended had remained in force.

Art. 7065b—2. Motor fuel; excise tax on each gallon; amount; interstate commerce; in lieu of other motor fuel taxes

(b) Provided, that the tax on one and one-half per cent (1\(\frac{1}{2}\)%) of the taxable gallons of motor fuel sold or distributed in this state shall be allocated to the persons selling, distributing, or handling said motor fuel or the taxes collected thereon, which said allocation or allowance shall be deducted in the payment of said tax to the State of Texas in the following manner: The tax on one and one-half per cent (1\(\frac{1}{2}\)%) of said taxable gallonage shall be deducted by the distributor who refines, imports into, or produces motor fuel in Texas and makes the first taxable sale or distribution thereof; the tax on one and four-tenths per cent (1\(\frac{4}{10}\)%) of said taxable gallonage shall be deducted by the distributor who purchases motor fuel tax free from another licensed distributor under authority issued by the Comptroller and makes a taxable resale or distribution thereof; and one-tenth of one per cent (\(\frac{1}{10}\) of 1%) of the tax collected upon the resale or distribution of motor fuel purchased tax free by a distributor shall be set aside in the State Treasury for use by the Comptroller as hereinafter provided.

The above allocation or allowance shall be for ordinary evaporation and other handling losses, not provided for in Section 13 of this Article, from the time of the first sale or distribution of motor fuel in this state until its ultimate delivery to the person using or consuming said motor fuel and for the expense of collecting, accounting for, reporting and handling such motor fuel and the taxes collected thereon, and shall be apportioned among all persons selling, distributing or handling motor fuel or the tax collected thereon in this state as follows:

I. One-half of one per cent (\(\frac{1}{2}\) of 1%) to the distributor who refines, imports into, or produces motor fuel in Texas and makes the first taxable sale or distribution of said motor fuel in this state;

II. One-half of one per cent (\(\frac{1}{2}\) of 1%) to the wholesaler or jobber who pays the tax to a distributor on motor fuel purchased for resale or distribution to retailers;
III. One-half of one per cent (½ of 1%) to the retailer or other person making a sale or distribution of such motor fuel to the person using or consuming said motor fuel;

IV. Provided that the tax on nine-tenths of one per cent (⅚ of 1%). of said taxable gallonage shall be apportioned to a distributor who performs functions both as a distributor and as a wholesaler or jobber by paying over to the State of Texas taxes collected upon the resale or distribution of motor fuel which has been purchased tax free under authority issued by the Comptroller and thereafter resold or distributed at wholesale to retailers;

V. One-tenth of one per cent (⅚ of 1%) of the taxes collected and paid over to the state upon the resale or distribution of motor fuel purchased tax free by a distributor under authority issued by the Comptroller shall be allocated to and set aside in the State Treasury for use by the Comptroller in the administration and enforcement of the provisions of this Article.

In the distribution of motor fuel in this state, if any person performs more than one (1) of the functions or activities referred to above (distributor, wholesaler or jobber, and retailer), then he shall be entitled to the apportionment or allowance for each such function or activity, subject to the limitations prescribed for each such function or activity, and provided that the aggregate allowance shall never exceed the total amount authorized herein for all three functions or activities. Provided further, if sales or distributions of motor fuel are made between wholesalers, jobbers, or distributors between the first sale made at the source of said motor fuel in Texas and its sale to the retailer, then the aggregate allowances shall never exceed one and one-half per cent (1½%).

Nothing contained herein shall be construed as entitling any person using or consuming motor fuel in this state to any portion of said allocation or allowance.

Pursuant to rules and regulations to be prescribed by the Comptroller the allocation or allowance hereinabove provided shall be distributed to the persons entitled thereto as follows: (1) Every distributor who makes a first sale or distribution of motor fuel to a wholesaler, jobber, or another distributor, upon which said first sale or distribution the tax is required to be collected and paid over to this state shall, after setting out the tax separately on the manifest as required by this Article, deduct one per cent (1%) from the amount of such tax and the balance shall be the amount such distributor shall be entitled to collect from such purchaser; and (2) every wholesaler, jobber or distributor who makes a sale, resale, or distribution of motor fuel upon which the tax is required to be collected, to a retailer of said motor fuel shall, after setting out the tax separately on the manifest as required by this Article, deduct one-half of one per cent (½ of 1%) from the amount of such tax and the balance shall be the amount such wholesaler, jobber or distributor shall be entitled to collect from such purchaser. As amended Acts 1953, 53rd Leg., p. 735, ch. 289, § 1; Acts 1957, 55th Leg., p. 416, ch. 200, § 6.

1 Article 7065b—13.

Art. 7065b—5. Sales without payment of tax for further refining, exporting and certain other purposes

(a) The Comptroller may authorize and permit any person producing natural gasoline, casing-head gasoline, drip gasoline, or any derivative or condensate of crude oil or natural gas, in their natural and unrefined state, or any person operating a pipeline as a common carrier, or any
licensed distributor of motor fuel in this state to make a sale, resale, or distribution of such products or of motor fuel without collecting the tax levied herein, to any distributor holding a valid permit under the terms of this Article when such distributor purchasing the same has, in the opinion of the Comptroller, a satisfactory and sufficient bond, and when the product is sold and purchased for the purpose of exportation, further refining, further processing, further treating, blending or compounding with other products to produce motor fuel, or non-motor fuel products, or for resale to the Federal Government for the exclusive use of said Federal Government, or for resale for some one (1) or more of such purposes and not otherwise.

(b) The Comptroller may also authorize and permit any licensed distributor to make sales or distributions of motor fuel without collecting the tax to any other licensed distributor purchasing said motor fuel for resale or distribution of said product at wholesale when said other licensed distributor holds a valid distributor's permit and has, in the opinion of the Comptroller, a satisfactory and sufficient bond to justify such tax free purchases.

Every such distributor who shall be authorized and permitted to purchase motor fuel without paying the tax thereon for the purpose of resale or distribution of said products at wholesale, shall collect and pay over to the State of Texas at the time and in the manner provided in this Article, a tax at the rate of Five Cents (5¢) per gallon upon the first sale or distribution of said motor fuel made thereafter for any purpose other than a tax free sale authorized by the Comptroller, and shall pay said tax at the rate aforesaid upon each gallon of motor fuel used or unaccounted for by said distributor during the calendar month next preceding the month said tax payment is required to be made, it being the intent hereof that said distributor shall on the 25th day of each calendar month report and pay to the State of Texas all taxes due on motor fuel purchased tax free and thereafter sold, resold, distributed, used or unaccounted for during the calendar month next preceding. Any motor fuel purchased tax free which is unaccounted for at the end of each calendar month shall be prima facie presumed to have been sold or used for taxable purposes.

The Comptroller may, upon request from any distributor, issue a certificate of authority to make sales of motor fuel without collecting the tax, under the terms and conditions provided in this Article, which certificate shall show the date issued, the names of the seller and purchaser of said motor fuel, the quantities authorized, and the period of time and the conditions under which said motor fuel may be sold and distributed tax free to the purchaser thereof, and any distributor who shall make sales of motor fuel in Texas without holding a valid certificate of authority or who shall make sales of motor fuel in excess of the quantities authorized shall be liable for the tax imposed upon the first sale or distribution of said motor fuel. The certificate of authority to make tax free sales of motor fuel shall be subject to revocation for failure or refusal by the seller or purchaser of said motor fuel to comply with any provisions of this Article or any rule and regulation duly promulgated by the Comptroller, or for the violation of the same, and said certificate of authority shall be revoked forthwith upon the failure of any distributor to report and pay all taxes due and owing the State of Texas within the time prescribed by this Article, or at the time fixed by the Comptroller for making periodical reports and tax payments, and no further tax free sales shall be made to a distributor named in any certificate of authority after said certificate has been revoked until such certificate has been reinstated or a new certificate of authority has been issued.
(c) Provided further, that any producer, pipeline operator, or licensed distributor who shall make any sale or distribution of motor fuel as provided herein, shall be required to make and keep all the records and manifests required of a distributor in Section 9(b) of this Article,¹ and shall be required to make and file with the Comptroller the return or report required by Section 3 of this Article,² showing all the information set out therein. When motor fuel is sold or distributed tax free under authority issued by the Comptroller, the manifest required to be issued shall bear the notation that said product is sold for the purpose of resale to the Federal Government, exportation, further refining, blending, or resale at wholesale, whichever the case may be. Provided further, that every producer and every pipeline operator shall qualify as a licensed distributor before selling the products named herein to any person other than a licensed distributor. All sales and distributions made without collecting the tax levied herein shall be made subject to any rules and regulations promulgated by the Comptroller.

(d) All taxes collected under the provisions of this Article shall be for the use and benefit of the State of Texas and shall not be appropriated or diverted to any other use. Said taxes shall be paid over to the state at the time and in the manner provided in this Article.

(e) It is the intent of this Article that when a certificate of authority has been issued to a licensed distributor to make tax free sales to another licensed distributor, said sales shall be tax free within the limitations set out in said certificate of authority. As amended Acts 1955, 54th Leg., p. 849, ch. 316, § 1; Acts 1955, 54th Leg., p. 1080, ch. 404, art. II, § 4; Acts 1957, 55th Leg., p. 416, ch. 200, § 4.

Art. 7065b—7. Bond or cash deposit; deposit of securities; default in payment of tax; suits

(a) Before any permit shall be issued and before engaging in the first sale, use, or distribution of motor fuel, upon which a tax is required to be paid in Texas, every distributor shall execute and file with the Comptroller a good and sufficient surety bond, which shall run concurrently with the permit required of a distributor to be obtained. The said bond shall be signed by said distributor and a good and sufficient surety company or companies authorized to do business in this state, to be approved by the Comptroller, and except as hereinafter provided, in an amount not less than One Thousand Dollars ($1,000.00) nor more than Fifty Thousand Dollars ($50,000.00), payable to the State of Texas, and conditioned upon the full, complete, and faithful performance by the distributor of all the conditions and requirements imposed upon him by this Article, or the rules and regulations of the Comptroller promulgated hereunder, on a form to be prescribed by the Comptroller with the approval of the Attorney General, expressly providing for the performance of said obligations, and the remittance and/or payment at Austin, Travis County, Texas, of all taxes collected and required to be collected for the use and benefit of the state, and all other taxes due and accruing upon the use of motor fuel by said distributor, and all costs, penalties, and interest provided in this Article; provided, however, that in any event the total of all recoveries under such bond for any and all breaches of its conditions occurring at any time while it remains in force to support a permit, shall not for any calendar year exceed the penal sum named therein; provided further, that any such bond, continuous in form, may be, if sufficient and acceptable to the
Comptroller, continued in effect by a renewal certificate, and if so continued in effect shall be sufficient to support the issuance of any new permit; and provided further, that the said renewal certificates as, if and when issued shall have all the force and effect of an original bond for the calendar year for which said renewal certificate is issued. The amount of any bond required of any distributor shall be fixed by the Comptroller, and subject to the limitations herein provided, additional bond may be required by the Comptroller at any time an existing bond becomes insufficient, unsatisfactory, or unacceptable. However, the distributor may demand a reduction of his bond after six (6) months from the effective date thereof to a sum to be not more than three (3) times the highest tax said distributor has collected and paid to the state for any month during the preceding six (6) months, or the highest tax that could accrue on motor fuel purchased tax free during any said month, but which shall never be less than the minimum aforesaid.

Provided, that when a distributor or other person produces, manufactures, refines, or acquires in any other manner any product of petroleum or natural gas for his own use and consumption as motor fuel and not to be sold or distributed, the Comptroller may accept a minimum bond in an amount of not less than Five Hundred Dollars ($500.00); said bond to be in the form and substance and conditioned as hereinabove provided.

thereafter, said amount to be provided for on the basis of equal monthly payments payable on the first day of each calendar month.

The public waters of this state may be appropriated for any of the following purposes:

Irrigation, mining, milling, manufacturing, development of power, the construction and operation of waterworks for cities and towns, for stockraising, public parks, game preserves, recreation and pleasure resorts, power and water supply for industrial purposes and plants and for domestic use. Those unappropriated public waters consisting of only storm and flood waters may also be appropriated for the purpose of recharging underground fresh water bearing sands and aquifers in that portion of the Edwards underground reservoir located within the counties of Kinney, Uvalde, Medina, Bexar, Comal and Hays, when it can be established by expert testimony that an unreasonable loss of such water will not occur and that such water can be withdrawn at a later time for application to a beneficial use; provided, that the normal or ordinary flow of a stream or watercourse shall never be authorized to be appropriated, diverted or used by a permittee for such recharging purpose; providing further, however, that any water so appropriated, hereunder, upon being put or allowed to sink into the ground, shall thereupon lose its character and classification and be considered percolating ground water. The amount or quantity of water to be appropriated for each purpose shall be specifically appropriated for such purpose or purposes, subject to the priority of appropriations as set forth in Article 7471. As amended Acts 1957, 55th Leg., p. 254, ch. 118.

Section 2 of the amendatory Act of 1957 provided that partial invalidity shall not affect the remaining portions of the act.

Art. 7471. Priority in appropriation of water

Acts 1957, 55th Leg., p. 449, ch. 221 (Article 8280—198) provides in section 25 that nothing in the act should be interpreted as amending or repealing Article 7471.

Bistone Municipal Water Supply District, acting creating as not amending or repealing this article, see art. 8280—206.

3. Construction and application

Texas statute establishing priorities for water use merely regulates priorities prospectively, and is not intended to upset normal time priority or to disturb outstanding permits. El Paso County Water Imp. Dist. No. 1 v. City of El Paso; D.C., 133 F. Supp. 894, reformed in part and affirmed in part 243 F.2d 927.

It is specifically provided that the Board of Water Engineers in its discretion is authorized to use the funds designated by items 8 through 13 by contractual agreements for surface water investigation to accomplish the purposes of this Act.

It is also provided that the Board is authorized in its discretion to use the funds designated in items 14 through 20 by contractual agreements for ground water research and investigation to accomplish the purposes of this Act.
At the request of the Board, the Comptroller shall transfer such sums as the Board specifies into separate accounts in order to carry out the provisions of the two paragraphs immediately preceding this one.

Expenditures from all the amounts specified hereinabove shall be governed by the provisions of Chapter 385, (H.B. 133), Acts Fifty-fifth Legislature, Regular Session, to the extent that such provisions will not conflict with this Act; provided, however, that money specified by this subsection which are hereby specifically transferred to the Board of Water Engineers for the purpose of carrying out the provisions of this Act may be transferred by the Board between such items, provided such transfers do not increase the salary rates specified hereinabove, with the advance, written approval of the Governor after obtaining the advice of the Legislative Budget Board.

It is further provided that line item positions and other expense items may be assigned by the Board to cooperative work with the United States Geological Survey upon approval by the Governor after obtaining the advice of the Legislative Budget Board.

(b) Funds heretofore appropriated for the Board of Water Engineers in line items 29 through 32 of H. B. 133, Acts Fifty-fifth Legislature, Regular Session, 1957, may be used by the Board for collecting information and data to accomplish the purposes of this Act. The Board may also use any other general revenue funds appropriated to it by H. B. 133, Acts Fifty-fifth Legislature, Regular Session, 1957, necessary to accomplish the purposes of this Act, provided such transfers do not increase the salary rates specified hereinabove. Provided, however, that not more than Four Hundred Thousand Dollars ($400,000) may be expended from the funds transferred by this subsection during the balance of the biennium ending August 31, 1959, for or by the Topographic Mapping Section described in items 5, 6, and 7 of subsection (a) of this Section 4.

That portion of said House Bill No. 133, Acts, 55th Legislature, Regular Session, 1957, immediately preceding Item Number 33 in the appropriation to the Board of Water Engineers and reading “Watershed Planning—None of the money appropriated in Items 33 through 39 below for the Watershed Planning shall be expended until and unless the Constitutional Amendment proposed by House Joint Resolution No. 3, of the Fifty-fifth Legislature is duly adopted by the voters of Texas” is hereby repealed. The sums appropriated in items 33 through 39 of the appropriation for the Board contained in said House Bill No. 133, totaling One Hundred Thousand, Two Hundred and Forty Dollars ($100,240) for the biennium ending August 31, 1959, are hereby transferred to the Board in a lump sum for the purposes specified in this Act.

The sum of Five Hundred Thousand Dollars ($500,000) appropriated to the Texas Prison System in that portion of House Bill No. 133, Chapter 385, General and Special Laws of the Fifty-fifth Regular Session, page 1051, entitled “Texas Prison System—Contingency Appropriations,” is hereby transferred to the Board of Water Engineers to be used in accomplishing the purposes of this Act.

Effective September 1, 1958, there is hereby transferred an amount not to exceed Two Hundred Ninety-four Thousand, Four Hundred Dollars ($294,400) or so much thereof as may be available, from the One Million, Two Hundred Fifty Thousand Dollars ($1,250,000) previously appropriated for allocation by the Texas Commission on Higher Education to meet student enrollment increases in the eighteen State Colleges and Universities (said appropriation being the one made by House Bill No. 133, Chapter 385, Acts, Fifty-fifth Legislature, Regular Session, Article V, item 15 under the heading “Texas Commission on Higher Education”)

Art. 7472d—1 REVISED CIVIL STATUTES 636
to the Board of Water Engineers to be used in accomplishing the purposes of this Act. It is specifically provided, however, that the manner or formula set forth in said Chapter 385 for allocating the One Million, Two Hundred Fifty Thousand Dollars ($1,250,000) for meeting student enrollment increases shall be fully applied, and only the amount remaining in such appropriation after the full allocations to general academic teaching institutions have been certified by the Commission on Higher Education on or before May 1, 1958, shall be transferred to the Board of Water Engineers by the provisions of this paragraph, not to exceed Two Hundred Ninety-four Thousand, Four Hundred Dollars ($294,400).

In addition to any funds made available by the Legislature, the Board is authorized to contract for, receive or accept money or services from anyone, or from any agency, political subdivision, or other legal entity, provided, however, that the same shall not be, become, held or considered as a debt or enforceable obligation against the State of Texas, and may then use such money to carry into effect the duties required by this Section. The money thus obtained shall be deposited by the Board in the State Treasury as a special fund and said money may be used by the Planning Division for any of its purposes, including wages, salaries, and other expenses.

(c) No person shall be appointed Planning Engineer who has not resided in the State of Texas for at least five years of the 10 years last preceding his appointment.

(d) No person shall be appointed as Planning Engineer, Assistant Engineer, or Chief Engineer of any section authorized by this Act who is not a registered Professional Engineer under the laws of the State of Texas.

Authority to Acquire Conservation Storage

Sec. 5. (a) When the Board finds it necessary, in the conservation of the water resources of the State, the Board is authorized and empowered to negotiate with the United States, or any agency of the United States, for the development and acquisition of conservation storage in reservoirs constructed by the United States, or any agency thereof, and may enter into preliminary agreements therefor; provided, however, any such action shall not abrogate, modify, implement, supplement, designate or in anywise effect rights in and to such water, or in anywise affect existing or vested rights of any kind or character.

(b) The Board shall, at the next succeeding session of the Legislature, whether general or special, report in writing to the Governor, the Lieutenant Governor, and the Speaker of the House, with sufficient copies for all members of the Legislature, the status of all such negotiations, and furnish copies of all such preliminary agreements made by the Board and the United States, or any agency thereof.

(c) No such preliminary agreement shall be binding upon the State of Texas or the Board of Water Engineers, or have any effect, unless such agreement is thereafter specially approved by the Legislature. Acts 1957, 55th Leg., 1st C.S., p. 23, ch. 11.

Section 6 of the Act of 1957, 1st C.S., was a severability provision.

Art. 7519a. Cancellation of unused permits or certified filings

1. All permits for the appropriation and use of public waters heretofore issued by the Board of Water Engineers of the State of Texas, at least ten (10) years prior to the effective date of this Act
or which shall have been issued at least ten (10) years prior to the date of the cancellation proceedings herein authorized, or certified filings filed with said Board in accordance with the provisions of Section 14 of Chapter 171, Acts of the Thirty-third Legislature of Texas, 1913, as amended, which said permits and certified filings authorize the appropriation and use of public waters, and under which no part of the water authorized to be withdrawn and appropriated has been put to beneficial use at any time during a period of ten (10) consecutive years next preceding the effective date of this Act or the date of the cancellation proceedings herein authorized, whichever is later in time, shall be presumed to have been wilfully abandoned in that the holder has not been diligent in applying any of such unused water to beneficial use under the terms of the permit or certified filing for each year during the ten-year period and has not been justified in such non-use for each year during the ten-year period. When the Board finds that its records do not show that any water has been beneficially used under any such permit or certified filing at any time during such ten-year period, it shall cause a public hearing to be held on the matter of cancelling such permit or certified filing. Provided, however, that before cancelling any such permit or certified filing, the Board shall send notice of such pending cancellation hearing by certified mail, return receipt requested, to the holder or holders of any such permit or certified filing as shown by the records of the Board of Water Engineers or its successors, at the last address shown by such records, and shall also cause a notice of such hearing to be published each week for two (2) consecutive weeks in a newspaper published in each county in which diversion of such water from the source of supply was authorized or proposed to be made and in each county in which the water was authorized to be used or proposed to be used according to the records of the Board, or, if there be no newspaper published in any such county then in a newspaper having general circulation in the county where no newspaper is published, at least thirty (30) days prior to such hearing date, and shall also give notice thereof by letter mail to all other holders of permits and certified filings in the same watershed; and the Board shall give such record holder or holders of the permit or certified filing sought to be cancelled and other persons interested in the questions to be determined at such hearing an opportunity to be heard and present evidence that water has, or has not, been beneficially used for the purposes authorized under the permit or certified filing during such ten-year period. At the conclusion of the hearing, if the Board finds that no water has been beneficially used for the purposes authorized during such ten-year period, such permit or certified filing shall be deemed as wilfully abandoned, shall be null, void and of no further force and effect, and shall be forfeited, revoked and cancelled by the Board.

2. When the Board of Water Engineers or its successor has determined from its records that all of the public waters authorized to be appropriated under a certified filing, or under a permit issued ten (10) years or more prior to the effective date of this Act, or prior to the date of cancellation proceedings herein authorized, has not been put to a beneficial use at any time during a period of ten (10) consecutive years next preceding the effective date of this Act, or the date of the cancellation proceedings herein authorized, it may cause a public hearing to be held on the matter of cancelling that portion of such permit or certified filing which has not been beneficially used at any time during such ten (10) consecutive years, and if it should appear to the Board that the holder of the permit or certified filing has
not been diligent in applying all or any part of such unused water to beneficial use under the terms of the permit or certified filing and has not been justified in such nonuse or does not have a bona fide intention of putting such unused waters to beneficial use under the terms of the permit or certified filing within a reasonable period of time after the date of such hearing, then such permit or certified filing shall be subject to forfeiture and cancellation by the Board as to such portion of such waters as to which such facts are found. The absence from the records of the Board of proof of use of such water during said ten-year period shall be sufficient for initiating such cancellation proceedings. In determining what constitutes a reasonable period of time in this paragraph, the Board shall give consideration to expenditures made or obligations incurred by the owner of such permit or certified filing in connection therewith, the purpose to which the water is to be applied, the priority under the general law of such purpose, and the amount of time usually necessary to put such water to a beneficial use for the same purpose when diligently developed.

Provided, however, that before cancelling any unused portion of a permit or certified filing the Board shall send notice of such hearing by certified mail, return receipt requested, to the holder or holders of any such permit or certified filing as shown by the records of the Board or its successor at the last address shown by such records, and shall also cause such notice to be published once each week for two (2) consecutive weeks in a newspaper regularly published in the county in which the diversion of such water from the source of supply was authorized or proposed to be made and in each county in which the water was authorized to be used or proposed to be used according to the records of the Board or, if there be no newspaper published in any such county, then in a newspaper having general circulation in the county where no newspaper is published, at least thirty (30) days prior to such hearing date, and shall also give notice thereof by letter mail to all other holders of permits and certified filings in the same watershed; and the Board shall give such record holder or holders of the unused portion of the permit or certified filing sought to be cancelled and other persons interested in the questions to be determined at such hearing, an opportunity to be heard and to present evidence on any matter pertinent to the questions at issue in said hearing.

If the Board should find as a result of such hearing that any portion of the water authorized to be diverted and used under such permit or certified filing has not been put to an authorized beneficial use during said ten-year period, and that reasonable diligence has not been used by the holder or holders in applying such unused portion of said water to beneficial use under the terms of the permit or certified filing, and that such holder has not been justified in such nonuse or does not have a then bona fide intention of putting such unused water to beneficial use under the terms of the permit or filing within a reasonable time after such hearing, the Board shall enter its order cancelling such permit or certified filing as to the portion of the water as to which such findings are made, and said portion of said water shall again be subject to appropriation.

Where the holder of a certified filing or permit has facilities for the storage of water in a reservoir, the Board shall allow such holder to retain a water appropriation to the extent of the conservation storage capacity of such reservoir owned by such holder of the certified filing or permit. Notwithstanding other provisions of this Article to the contrary, no portion of a certified filing held by a city, municipal water
district, town or village authorizing the use of water for municipal purposes shall be cancelled when water has been put to use under such certified filing for municipal purposes at any time during the ten-year period prior to the cancellation proceedings herein authorized.

Failure on the part of the Board to initiate a proceeding to cancel a permit or certified filing or portion thereof in accordance with the terms of this Article shall not be construed as validating or enhancing any such permit or certified filing or portion thereof not cancelled. Once cancellation proceedings have been initiated against a particular permit or certified filing and a hearing has been held thereon, the Board shall not initiate further cancellation proceedings against such permit or certified filing for a period of not less than five (5) years after the date of such public hearing.

3. The term 'other persons interested' as used in Subdivisions 1 and 2 of this Article shall be deemed to include any person, firm or corporation, public or private, other than a record holder, interested in such permit or certified filing, or whose interest would be served by the cancellation of such permit or certified filing in whole or in part. As amended Acts 1957, 55th Leg., p. 82, ch. 39, § 1.

Art. 7519b. Certified filing defined; appeals from board; hearing on appeal

For the purpose of this Act, the term “Certified Filing” shall mean any declaration of appropriation or affidavit filed with the State Board of Water Engineers under the provisions of Section 14 of Chapter 171, Acts of the Thirty-third Legislature of Texas, 1913, and amendments thereto.

Appeals from any Board order revoking, forfeiting or cancelling all or part of any permit or certified filing may be as is provided by Chapter 357, General Laws, Regular Session, Fifty-third Legislature, 1953, codified as Article 7477, Vernon's Civil Statutes of Texas, and the hearing on such appeal shall be as though the jurisdiction of the district court were original jurisdiction. As amended Acts 1957, 55th Leg., p. 82, ch. 39, § 1.

Art. 7537b. Natural pollution of tributaries of Red River; study of causes and means of elimination

The Texas Board of Water Engineers is hereby authorized and directed to study salt springs, gypsum beds, and other sources of natural pollution to tributaries of the Red River and to study means of elimination of such natural pollution and to prevent such pollution from reaching the Red River, within the limits of its facilities and appropriation of money. Acts 1957, 55th Leg., p. 834, ch. 362, § 1.

Title of Act: An Act authorizing the Texas Board of Water Engineers to study the causes of natural pollution to the tributaries of the Red River and to study means to eliminate such pollution within the limits of its facilities and appropriation of money; and declaring an emergency. Acts 1957, 55th Leg., p. 834, ch. 362.
3. REGULATION OF USE

Art. 7550a. Diversion of waters released from reservoirs or dam on international stream; rules and orders; appeals; penalties

Section 1. When stored storm and flood waters are released from a reservoir or dam on an international stream and such waters are designated for use or storage downstream by a specified user legally entitled to receive such water, it shall be unlawful for anyone without legal right to store, divert, appropriate, use or otherwise interfere with the passage of the waters that are designated for downstream use or storage. The Board of Water Engineers is hereby authorized and empowered to adopt and enforce rules, regulations and orders to effectuate the provisions of this Act and to avoid the unlawful taking of water in transit; provided that nothing in this Act shall in anywise affect any pending litigation involving the waters of any international stream. Such rules, regulations and orders may:

(a) Establish an orderly system for water releases and diversions so as to protect vested rights and to avoid the loss of water released from storage for downstream use;

(b) Prescribe the time that such releases of water may begin and end;

(c) Determine the proportionate quantities of the released waters in transit and the waters that would have been flowing in the stream without the addition of the released waters;

(d) Require each owner or operator of a dam and reservoir on the stream between the point of release and the point of destination to allow the free passage through the dam and reservoir of all such released waters in transit;

(e) Establish such other requirements as may be necessary in the opinion of the Board to effectuate the purposes of this Act.

The rules and regulations promulgated by the Board shall be adopted and may be enforced in accordance with Article 7531, Revised Civil Statutes of Texas, 1925, as amended by Section 1, Chapter 356, Acts of the 53rd Legislature, 1953. Orders adopted by the Board to implement and effectuate the rules and regulations that may be promulgated pursuant to the provisions of this Act shall require no publication in the manner set forth in said Article 7531; provided, however, that a copy of any such Board order shall be mailed by certified mail to each diverter of water and reservoir owner on the stream between the point of release and the point of destination of the released water, as shown by the records of the Board.

Appeals from any rule, regulation or order of the Board shall be in the manner provided for other appeals of Board decisions by Section 1, Chapter 357, Acts of the 53rd Legislature, 1953, codified as Article 7477. To enforce its rules, regulations and orders, the Board is authorized and empowered to proceed in the manner provided by Article 7550 of the Revised Civil Statutes of Texas, 1925, and by Article 7531 of the Revised Civil Statutes of Texas, 1925, as amended. Provided that nothing herein shall be construed to in anywise affect, diminish or enhance any vested rights including riparian rights.

Sec. 2. Anyone violating the provisions of this Act shall be guilty of the same offense and shall be subject to the same penalty as provided by Tex.St.Supp. '58—41
Art. 7550a

REVISED CIVIL STATUTES

Section 3 of the Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

Art. 7589b. Water master; appointment; suit to divert waters of stream; state a party

Application of act; water master

Section 1. The provisions of this Act shall apply in any suit to which the State of Texas is a party and the purpose of which suit is to determine the rights of parties to divert or use the waters of a surface stream in which suit rights are asserted to divert or use such waters in not more than four (4) counties, the Court having jurisdiction over such suit is authorized to appoint a water master with power to allocate and distribute the waters taken into judicial custody under the supervision and direction of the Court. In no event shall the Court be authorized to appoint a water master as herein provided to act both upstream and downstream from any reservoir constructed on any surface stream of this State.

Deputies and assistants; powers and duties

Sec. 2. Under such terms and conditions as the Court may order, the water master provided for in Section 1 shall have authority to appoint such necessary deputies and assistants and to perform such duties and assume such responsibility as may be delegated to him by the Court, including the power to police the stream and advise the Court of violations of the Court's order of allocation of any waters within the judicial custody of the Court, and to incur such expenses as the Court may deem necessary.

Compensation; expenses; assessment of cost

Sec. 3. The compensation of the water master and his staff shall be fixed by the Court, and the cost and expense of the water master and his office including all salaries and expenses authorized and approved by the Court shall be assessed by the Court monthly, or at such time intervals as may be ordered by the Court against all persons receiving an allocation of the waters taken into judicial custody. Such assessment of cost shall be based either on an acreage basis, an acre foot of allocated water basis, a per capita basis or such other basis as the Court after notice and hearing may determine to be the most equitable distribution of cost.

Determination of distribution of cost and expenses

Sec. 4. In determining the distribution of cost and expenses provided for in Section 3, the costs are not to be considered as ordinary court costs to be taxed in the manner otherwise provided by law, but are to be considered as costs necessary to protect the rights and privileges of the parties receiving allocations of water during the pendency of the litigation and shall be borne by such parties. If the costs assessed pursuant to the provisions of Section 3 of this Act are not paid within the time prescribed by the Court, the Court may after notice and hearing withdraw or limit allocations of water to any party failing or refusing to pay its share of such cost until all costs assessed against such party are paid in full.

Jurisdiction and powers of court

Sec. 5. The Court having jurisdiction of any suit described in Section 1 of this Act in addition to all other jurisdiction, powers and authority

Art. 7880—3c. Underground water conservation districts

A.

(9) Unconstitutional

Invalidity of subd. A(9) of this article as amended as providing that grazing lands could not be excluded from district unless tracts were in excess of 640 acres, did not invalidate remainder of statute which was not affected but left intact by saving clause providing for such invalidity. Ground Water Conservation Dist. No. 2 v. Hawley, Civ.App., 304 S.W.2d 764, error refused 306 S.W.2d 352.

Where subd. A(9) of this article as amended provided for exclusion of grazing lands and tracts of not less than 640 acres from water conservation district upon petition filed with proper authority and proper showing made so that such tracts would not be liable for bonded indebtedness of district which had levied a property tax to retire its bonds but no provision was made for excluding grazing land in tracts smaller than 640 acres, there was no reasonable basis for the discrimination between larger and smaller landowner, and statute violated equal rights provisions of Const. art. 1, § 3. Id.

Subd. A(9) of this article as amended providing for exclusion of grazing lands and tracts of not less than 640 acres from water conservation district so that such tracts will not be liable for bonded indebtedness of the district, but containing no provision for excluding grazing lands in tracts smaller than 640 acres, is unconstitutional as violating equal rights provisions of Const. art. 1, § 3, since there is no reasonable basis for discrimination between larger landowners and smaller landowners. Hawley v. Ground Water Conservation Dist. No. 2, Sup., 306 S.W.2d 352.

Art. 7880—16. Designation of districts

All districts organized under the provisions hereof may be known and designated as Water Control and Improvement Districts. Such districts lying in one county may be named: County Water Control and Improvement District, Number ——, filling in the name of the county and proper consecutive number, or any district organized under the provisions hereof may be known and designated by any term descriptive of the locale of the district and descriptive of the principal powers to be exercised by such district; provided, however, that the word 'district' shall be included in the designation and a consecutive number shall be assigned it if other districts of the same name have been created in the county. As amended Acts 1957, 55th Leg., p. 77, ch. 36, § 1.

Effective 90 days after May 23, 1957, date of adjournment.

Art. 7880—19. Granting or refusing petition

If it shall appear on hearing by the Commissioners Court or the Board of Water Engineers, as the case may be, that the organization of a district as prayed for is feasible and practicable, that the lands to be included and the residents thereof will be benefited thereby, that there is a public necessity or need therefor, and that the creation of such district would
further the public welfare, then the Commissioners Court or Board shall grant the petition; otherwise, the Court or Board shall refuse to grant the petition. Provided, however, that if the Court or Board finds that any of the lands sought to be included in the proposed district will not be benefited by inclusion in such district, the Court or Board may exclude such lands not to be benefited and shall redefine the boundaries of the proposed district to include only those lands that will receive benefits from such district.

The foregoing provisions shall not be applicable to underground water conservation districts seeking creation pursuant to the provisions of House Bill No. 162, Acts, Fifty-first Legislature, Regular Session, 1949, Chapter 306 (codified as Article 7880-3c), as heretofore or as may be hereafter amended. Such underground water conservation districts seeking creation shall be governed by the following provisions: If it shall appear on hearing by the Commissioners Court or the Board of Water Engineers, as the case may be, that the organization of an underground water conservation district as prayed for is feasible and practicable, that it would be a benefit to the land to be included therein, and be a public benefit, or utility, the Commissioners Court or Board shall so find and grant the petition. If the Court or Board should find that such proposed district is not feasible or practicable, would not be a public benefit or utility, or would not be a benefit to the land to be included therein, or is not needed, the Court or Board shall refuse to grant the petition. As amended Acts 1957, 55th Leg., p. 786, ch. 323, §1.

Art. 7880—23. Election; ballot

Whenever a district shall have been organized by the granting of a petition therefor by the Commissioners Court or by the State Board of Water Engineers, and the directors shall have qualified by giving bond and taking the oath of office, the directors shall meet, elect a president, vice-president, and secretary and enter upon the discharge of their duties.

Before such district shall incur any indebtedness other than for its operation and the holding of an election, and in any event within thirty (30) days after the date of their first meeting, they shall make and publish an order calling an election within and for such district for the purpose of confirming the organization of the district by a vote of the qualified electors. The ballots for such election shall contain the proposition: “FOR CONFIRMATION OF DISTRICT” and “AGAINST CONFIRMATION OF DISTRICT.”

The election shall be held as herein provided for other elections. At the same time, and at the same election, the proposition for the issuance of preliminary bonds may be submitted to the resident qualified property taxing voters if separate ballot boxes are provided for the different classification of voters. As amended Acts 1957, 55th Leg., p. 751, ch. 310, §1.

Art. 7880—43. Fees of directors

The directors shall receive as fees of office the sum of not to exceed Twenty-five Dollars ($25.00) per day for each day of service necessary to discharge their duties; provided, however, that such fees shall not exceed the sum of One Hundred Dollars ($100.00) for any one month regardless of the number of days of necessary service during that month. They
shall file with the secretary a verified statement showing the actual number of days of service each month on the last day of the month, or as soon thereafter as possible and before a warrant shall be issued therefore. As amended Acts 1957, 55th Leg., p. 1251, ch. 415, § 1.

Art. 7880—76. Lands Excluded from District

After a district has been organized, preliminary surveys have been completed, the district does adopt plans for the construction of a plant and improvements, and before the district calls an election for the authorization of construction bonds, there must be exclusions of land or other property, if any such exclusions are deemed practicable, just or desirable, from the district by means and upon conditions as follows:

1st. The directors of the district must before the holding of such election give notice of a time and place of a hearing to announce their own conclusions as to exclusions of lands or other property and to receive petitions for exclusion of land or other property. Such notice shall be published in one or more newspapers which will give general circulation in the district. The notice of such hearing shall be published once a week for two (2) consecutive weeks. The first of such publications shall appear not less than fifteen (15) days, nor more than forty (40) days, prior to the date of the hearing. Said notice shall give advice to all interested property owners of their right to present petitions for exclusions and to offer evidence in support thereof, or to contest any proposed exclusion and offer evidence in support thereof, whether to be based on a petition or upon the Board's own conclusions. Petitions for exclusion of lands must accurately describe the metes and bounds of such lands. Petitions for exclusions of other property shall describe the same for identification. In order to give the district opportunity to investigate the physical conditions of property sought to be excluded, all petitions for exclusions shall be filed with the district not later than ten (10) days prior to the hearing, must clearly set out the particular grounds on which the exclusion is sought and consideration shall be confined to the stated grounds. The grounds upon which exclusions from such districts may be made are as follows, viz:

(a) That to retain certain lands, or other property, within the district's taxing power would be arbitrary, not required to conserve the public welfare, and would in fact impair or destroy the value of the property desired to be excluded, and would in fact constitute the arbitrary imposition of a confiscatory burden.

(b) That to retain any given land, or other property, in the district and to extend to it, either presently or in the future, the benefits, service or protection of the district's works and facilities cannot be done without creating an undue and uneconomic burden on the remainder of the district.

(c) That the lands desired to be excluded cannot be bettered as to conditions of living and health, or served with water, or protected from flood, or drained or rendered free from interruption of traffic caused by any excess of water on the roads, highways, or other means of transportation serving such land, or otherwise benefited by the district's proposed improvements.

The hearing may be adjourned from one day to another and until all persons who desire to be heard are heard. Immediately on the hearing the directors shall specifically describe all property which they, on their own motion, proposed to exclude, and shall first hear protests and evidence against such exclusions.
If upon consideration of all engineering data in hand, and the other evidence, the directors determine that the facts disclose the affirmative of the propositions stated in paragraphs (a) or (b), or, in appropriate case, in paragraph (c) of this Section, then they shall enter of record their order excluding all lands, or other property, falling within the conditions by said respective paragraphs defined, and shall in said order redefine the boundaries of the district to embrace all lands not excluded. Anyone owning land or an interest in land affected by such order may within twenty (20) days after the effective date of such order, file a petition in an action to review, set aside, modify or suspend such order. The venue in any action shall be in any District Court having jurisdiction in the county wherein the district lies. If the district includes land in more than one county, the venue shall be in the District Court having jurisdiction in the county wherein lies the major portion in acreage of the land sought to be excluded from the district. In all suits brought to review, modify, suspend or set aside the order of the board of directors, the trial shall be de novo, as that term is used and understood in an appeal from a Justice of the Peace Court to the County Court. In such de novo trials, no presumption of validity or reasonableness or presumption of any character shall be indulged in favor of any such order, but determination will be made upon facts found therein, as in other civil cases, and the procedure for such trials and the determination of the orders and judgments to be entered therein shall be governed solely by the rules of law, evidence and procedure prescribed for the courts of this State by its Constitution, statutes and rules of procedure applicable to the trial of civil actions. It is the intent of the Legislature that such trial shall be strictly de novo and that the decision in each such case shall be made independently of any action taken by the board of directors upon a preponderance of the evidence adduced at such trial and entirely free of the so-called "substantial evidence" rule enunciated by the courts in respect to orders of other administrative or quasi-judicial agencies. Any party aggrieved by any judgment or order of a district court in any suit or judicial proceeding brought under the provisions of this Chapter shall have the right to review on appeal to the Court of Civil Appeals, and by appeal or writ of error to the Supreme Court, as in other civil cases in which the district court has original jurisdiction, and subject to the statutes and rules of practice and procedure in civil cases. As amended Acts 1957, 55th Leg., p. 787, ch. 324, § 1.

Effective 90 days after May 23, 1957, date of adjournment.

Art. 7880—111(c). Lease of facilities to bona fide water customers

Section 1. Any water control and improvement district heretofore organized, or hereafter to be organized, under Chapter 25, General Laws of the 39th Legislature, Regular Session, 1925, (Articles 7880—1 et seq., Title 19, Chapter 3A, Vernon's Texas Civil Statutes), as originally enacted or as heretofore or hereafter amended, is hereby granted, in addition to all the powers now conferred upon such district, the right, power and authority to lease any of its river pump stations, conveyance canals, off-channel reservoirs, reservoir pump stations, water mains, water treatment plants, or other facilities used in connection therewith, together with such of its lands as are necessary or appropriate to the utilization of the leased facilities (including but not limited to lands acquired by eminent domain), to any person, firm or corporation which is a bona fide water customer of such district.

Sec. 2. Such lease shall be upon such terms and conditions, and contain such provisions and stipulations, and be in such form, as may be
agreed upon between the directors of the district and the lessee; pro-
vided, however, that the term of the lease shall not be for a longer dur­
ation than the duration of the water contract between the district and the
lessee under the primary term of the water contract and any renewal or
extension thereof.

Sec. 3. Such lease, when duly authorized by the board of directors
of the district, shall be executed on behalf of the district by the president
or vice-president of the district and attested by its secretary, and no other
requirement or prerequisite on the part of the district or the board shall
be necessary to its validity or effectiveness. Acts 1957, 55th Leg., 2nd
C. S., p. 173, ch. 17.

Section 4 of the Act of 1957, 2nd C.S., re-
pealed all conflicting laws and parts of
laws to the extent of such conflict; section
5 was a severability provision.

Art. 7880—117. Lowest Responsible Bidder. Notice

Contracts involving an expenditure of more than Ten Thousand Dollars
($10,000.00) for the purchase of materials, machinery, construction,
and all things whatever, to constitute the plant, works, facilities and im­
provements of the district shall be made by the directors of the district, as
hereinafter specified. Such letting of contracts, save as later provided
hereby, shall be advertised as to the general conditions, time and place of
opening of sealed bids, by publishing notice thereof in one or more news­
papers having general circulation in the State of Texas, and further, by
making such publication in one or more newspapers published in each
county in which a district, in whole or in part, may be located, and to give
general circulation in the district; or if there are more than four (4)
counties within such district, publication may be made in any newspaper
of general circulation within the district; provided, that if there be no
such newspaper published in the county, or counties, of the district's lo­
cation, then the publication first above provided shall be deemed sufficient.
Such notice shall be so published once a week for three consecutive weeks
prior to the date upon which such bids will be opened, and the first of such
publications shall be circulated not less than twenty-one days prior to the
opening of sealed bids.

Contracts may be let to cover all of the improvements proposed to be
provided by the district; or the various elements of the improvements may
be segregated for the purpose of receiving bids and making award. Such
contracts may provide for the payment of a total sum to be the completed
cost of such improvement; or may be based on bids to cover cost of units
of the various elements entering into the works, as estimated, and approx­
imately specified by the district's engineers; or such contract may be let
and awarded in any other form, or composite of forms, and to such re­
sponsible person, or persons, as will, in the judgment of district's direc­
tors, be most advantageous to the district, and result in the best and most
economical completion of the district's proposed plant, improvements, fa­
cilities and works.

It is, however, expressly provided that the total sum required to fully
complete such proposed plant, works, facilities and improvements, as stip­
ulated by the district's adopted plans, shall not in any event exceed the
total sum estimated by the district's engineer in his plans, adopted by the
district prior to the election for the authorization of bonds, to be sufficient
to pay the completed cost of all elements of the proposed works, other than
the cost of lands, easements and other property necessary to be acquired
under the provisions of Sections 125 and 126 of said Chapter 25,1 or any
present or future amendments thereof. No contract which violates this
provision shall be valid. The provisions of this Section shall not apply to
Art. 7880—147c1. Abolition of Districts

All water control and improvement districts organized or operating under the provisions of Chapter 25 of the General Laws passed by the 39th Legislature at its Regular Session, as amended, situated entirely within counties having a population of less than eleven thousand (11,000), according to the last preceding United States census, may be abolished by a majority vote of the taxpaying qualified voters residing in such district at an election held for the purpose of determining whether or not such district shall be abolished. In the event any such district shall have outstanding bonds or other indebtedness maturing beyond the current year in which such abolition occurs, the Commissioners Court of the county in which such district is situated shall levy and cause to be collected as county taxes are assessed and collected sufficient taxes on all taxable property within such district to pay the principal and interest on such bonds and other indebtedness when due. As amended Acts 1957, 55th Leg., p. 109, ch. 53, § 1A.

Effective 90 days after May 23, 1957, date of adjournment.

Art. 7880—147c6a. Subsequent election; abolition of district

If the proposition to abolish such district fails to carry at the election held therefor, no other election for the same purpose shall be held within one (1) year after the date such election is held. Acts 1925, 39th Leg., p. 86, ch. 25, § 155 added Acts 1957, 55th Leg., p. 855, ch. 371, § 1.

Effective 90 days after May 23, 1957, date of adjournment.

Without in any way limiting the generalization of the foregoing, it is expressly provided that the area and boundary lines of said District, as redefined by order adopt-

Sec. 3. It is hereby found and determined that all of the lands and other property included within the boundaries of the District are, and will be, benefited by said District and its improvements and facilities to be constructed and acquired. rectors of said District to hold a hearing on the adoption of a plan of tax-
ation.

Sec. 4. The Legislature hereby exercises the authority conferred upon it by Section 59, Article 16, Constitution of Texas, and declares that said District is essential to the accomplishment of the purposes of said constitu-
tional provision, finds that all the land and other property included therein are, and will be, benefited thereby, and declares the District to be a governmental agency, a body politic and corporate, and a municipal corporation. Acts 1957, 55th Leg., p. 212, ch. 99.

Section 5 of the Act of 1957 provided that partial invalidity should not affect the re-
main ing portions of the Act.

Art. 7880—147z4. Validation of Brushy Creek Water Control and Improvement District No. 1; elections; proceedings, etc.

Section 1. The creation and organization of the Brushy Creek Water Control and Improvement District No. 1 of Williamson and Milam
Counties, hereinafter referred to as "District," is hereby in all things validated. Without limiting the generalization of the foregoing, it is specifically provided that the order adopted by the State Board of Water Engineers of Texas on the first day of November, 1956, creating said District; the election held within said District on the eighth day of January, 1957, for the confirmation of the organization of said District, the election of directors, and for the issuance of preliminary bonds and levy of taxes in payment therefor, and all proceedings in connection with the order and said election are in all respects validated and when said preliminary bonds have been issued and delivered to the purchaser or purchasers thereof, they shall be incontestable.

Sec. 2. All governmental proceedings and acts performed by the directors of said District are hereby in all things validated as of the respective date of such proceedings and acts.

All proceedings and actions heretofore taken by the directors of the said District in connection with exclusions of lands or other property be, and the same are hereby, in all things validated.

Sec. 4. The Legislature hereby exercises the authority conferred upon it by Section 59, Article 16, Constitution of Texas, and declares that said District is essential to the accomplishment of the purposes of said Constitutional provision, and declares the District to be a governmental agency, a body politic and corporate.

Sec. 5. The District shall have and possess all powers necessary or requisite to fully co-operate with the Federal Government, its agencies, departments and representatives thereof in securing and getting assistance, aid, benefits, grants, credit and money as provided in Public Law 566, Eighty-third Congress, Chapter 656, Second Session, H.R. 6788, as amended by Public Law 1018, Eighty-fourth Congress, Chapter 1027, Second Session, H.R. 8750. It is the intention of the Legislature to grant the District all the powers and authority necessary or requisite to fully qualify and gain the full benefits of said Public Laws, including but not limited to, the power and authority to secure a loan or loans from the proper agencies or departments of the Federal Government, and if necessary to issue bonds of the District as collateral or security therefor, for the purpose of paying or defraying the costs and expenses of the District in connection with its works and improvements. The provisions of said Public Laws that are applicable to the District are hereby enacted into this law by reference and made applicable to the District.

Sec. 6. For the purpose of providing dams, structures, projects and works of improvement for flood prevention, the conservation and development of water, and for other necessary plants, facilities and equipment in connection therewith and for the improvement, repair and operation of same and for carrying out any other powers or authority conferred by this Act or by Chapter 25 of the General Laws of the Thirty-ninth Legislature, Regular Session and the several amendments thereof, and for the purpose of paying all costs, charges and expenses
of the District, the District is empowered to issue negotiable bonds in the manner provided by general law for water control and improvement districts.

In the event that the District, in the exercise of the power of eminent domain or power of relocation, or any other power granted hereunder, makes necessary the relocation, raising, rerouting or changing the grade of, or altering the construction of any highway, railroad, electric transmission line, telephone or telegraph properties and facilities, or pipeline, all such necessary relocation, raising, rerouting, changing of grade or alteration of construction shall be accomplished at the sole expense of the District.

Sec. 7. No loan shall be consummated by the District from the Federal Government and no bonds shall hereafter be issued unless authorized at an election at which only qualified voters who reside in the District, and who own taxable property therein and who have duly rendered same for taxation, shall be qualified to vote unless a majority of the votes cast favor the proposition.

Sec. 8. tive of all other laws, both general and special, relating to compensation and ex-
penses of drainage district commission-
ers and shall not be deemed to repeal any other law on this subject.

Art. 8176b—1. Annexation of territory to certain drainage districts

Section 1. Any drainage district in this State heretofore or here-
after organized under the provisions of Section 52, Article III, Constitu-
tion of Texas, which district shall not have theretofore been converted
into a conservation and reclamation district under Section 59, Article
XVI, Constitution of Texas, and which district lies wholly within one
county and has no outstanding bonds, may have defined areas of terri-
tory contiguous to the district and lying wholly within the same county
but outside of any other drainage district and outside of any incorpo-
rated city, town or village added to said district in the following
manner:

(1) A petition praying for the annexation of such territory shall first
be presented to the Commissioners Court of said County, which petition
shall describe the territory proposed to be annexed by metes and bounds,
and which petition shall be signed by twenty-five (25) or a majority,
whichever is the lesser, of the freehold resident taxpayers in the territ-
ory proposed to be annexed and by twenty-five (25) or a majority,
whichever is the lesser, of the freehold resident taxpayers in the drain-
age district as it then exists.

(2) If the Commissioners Court finds that such petition meets the
requirements set forth in (1) above said Court shall at the same session
when said petition is presented set said petition down for hearing at some
regular or special session called for the purpose, not less than thirty (30)
nor more than sixty (60) days from the presentation of said petition, and
shall order the Clerk to give notice of the date and place of said hearing
by (a) posting a copy of said petition and a copy of the order of the Court
thereon for twenty (20) days prior to the date set for said hearing in five
(5) public places in said county, one (1) of which shall be at the court-
house door, two (2) of which shall be within the limits of the district
as it then exists, and the remaining two (2) of which shall be within the
limits of the territory proposed to be annexed, and (b) by publishing
a substantial copy of the Court's order in a newspaper having general
circulation within the district and within the territory proposed to be
annexed at least one (1) time, and at least fifteen (15) days prior to
the date set for said hearing.
(3) All persons whose land or other property might be affected by the proposed annexation or part thereof and all other interested persons may appear before said Court at the hearing and urge or contest the addition of such territory or parts thereof to the district and offer evidence pertinent to the issues mentioned in paragraph (4) of this Section 1, and said hearing may be adjourned by the Court from day to day.

(4) If at the hearing it appears to the Commissioners Court that the drainage of the territory proposed to be annexed is feasible and practicable, and that it is needed, that the drainage would be conducive to the public health or would be a public benefit or a public utility (either sanitary, agricultural or otherwise) and that both the district and the territory proposed to be annexed would be benefited by the addition of such territory to the district, then the Court by order duly entered upon its Minutes shall so find and shall declare and decree such proposed territory to be annexed to the district and in said order shall by metes and bounds set forth a description of the territory added to the district and a description by metes and bounds of the district as enlarged. But if said Court finds any of said issues in the negative, it shall enter an order on its Minutes denying the petition for the annexation of such territory to the district. If the Court finds in favor of annexing territory to the district, such order need not add to the district all of the territory described in the petition if upon the hearing a modification or change is found necessary or desirable and such order must exclude and not annex to the district those portions, if any, of the territory proposed by the petition to be added to the district as to which the Court shall find any of said issues in the negative. In the event the order annexes any territory to the district, a copy of such order shall be filed and recorded in the Deed Records of the county in which the district is situated, and such territory shall be a component part of the district from and after the recording of the copy of such order.

Sec. 2. The provisions of this Act shall be cumulative of all other laws pertaining to such drainage district. Acts 1957, 55th Leg., p. 814, ch. 345.

Section 3 of the Act of 1957 provided that partial invalidity should not affect the remaining portions of the Act.

Art. 8176c. Contracts for improvements with federal agency by drainage district converted into conservation and reclamation district

Section 1. Any drainage district in this State heretofore or hereafter organized under the provisions of Section 52, Article III, Constitution of Texas, which district has heretofore or shall hereafter be converted into a conservation and reclamation district under Section 59, Article XVI, Constitution of Texas, and which district lies wholly within one (1) county, may have defined areas of territory lying wholly within the same county added to said district (whether such territory is contiguous to said district or not) in the following manner:

(1) A petition praying for the annexation of such territory shall be filed with the Commissioners Court of said county, which petition shall describe the territory by metes and bounds, and which petition shall be signed by fifty (50) or a majority of those qualified resident voters of said territory who own taxable property within said territory and who have duly rendered the same for taxation.

(2) If the Commissioners Court finds that such petition meets the requirements set forth in (1) above, said Court shall order a hearing upon such petition, setting the time and place thereof, which hearing shall be held within thirty (30) days after the date of such order. Notice of said
hearing shall consist of a substantial copy of the order calling the same, and said notice shall be published in a newspaper giving general circulation within the district and within the territory proposed to be annexed at least one (1) time not less than ten (10) nor more than twenty (20) days before the date set for said hearing.

(3) All persons whose land or other property might be affected by the proposed annexation, and all other interested persons, may appear at the hearing and offer testimony or evidence either for or against said annexation, and said hearing may be adjourned from day to day. If the Commissioners Court shall at the conclusion of said hearing determine that both the district and the territory proposed to be annexed would be benefited by the same, it shall order an election upon the proposition of whether said Court shall annex such territory. Provision shall be made in the order calling said election for a voting place or places both in the district and in the territory proposed to be annexed, and only duly qualified resident electors of the district or of the territory proposed to be annexed, as the case may be, who own taxable property within said territory and who have duly rendered the same for taxation, shall be qualified to vote at said election. If the district has outstanding bonds payable in whole or in part from taxes, the proposition shall also include the assumption of such bonds. The ballots shall have written or printed thereon “FOR ANNEXATION” and “AGAINST ANNEXATION,” or if the district has outstanding tax bonds, “FOR ANNEXATION AND ASSUMPTION OF BONDS” and “AGAINST ANNEXATION AND ASSUMPTION OF BONDS.” Notice of said election shall be given in the same manner as the notice of hearing, as above provided. Except as provided herein, said election shall be called and held in accordance with the General Election Laws of this State. The Commissioners Court shall pass an order canvassing the returns cast at said election, and if a majority of those voting at said election within said district and if a majority of those voting at said election within the territory proposed to be annexed shall vote in favor of the proposition, said Commissioners Court shall pass an order declaring the annexation of said territory, and, in the case that there are outstanding district tax bonds, the assumption of said bonds by the district as enlarged by the annexation.

(4) If said election results favorably to the annexation of said territory, the Commissioners Court shall adopt an order defining the boundaries of the district as enlarged by the annexation, and a copy of such order shall be filed and recorded in the deed records of the county.

(5) Any such district shall have the right, in the accomplishment of the purposes for which the district was organized, created or established to enter into contracts for the construction of the improvements with the Government of the United States of America or any agency or instrumentality thereof, including but not limited to the Bureau of Reclamation of the Department of Interior. The governing body must approve the project, the plans and specifications and the methods of construction or reconstruction, and may then execute a contract for a specified number of years or until such plans or programs of the drainage district shall have been completed, and make payment of the obligations incurred thereunder by the issuance of bonds by the district approved by the voters of such district in the manner provided by general law for the issuance of bonds by a drainage district and not otherwise, and deliver same to the Government of the United States, or any agency or instrumentality thereof entering into such contract with said district.

Sec. 2. The provisions of this Act shall be cumulative of all other laws pertaining to such conservation and reclamation districts. Acts 1957, 55th Leg., p. 221, ch. 105.

Emergency. Effective April 24, 1957.

Sec. 3. (a) No contract may be made by the Board which encumbers future revenues of the District, unless the Commissioners Court shall have levied a special tax therefor, or unless the revenues of a particular facility or facilities are encumbered to discharge the obligation.

(b) The Board shall be authorized to make, or to authorize the General Manager to make, routine purchases or contracts not to exceed the sum of One Thousand Dollars ($1,000) upon requisitions signed by at least two (2) Commissioners, or the General Manager, which requisitions shall be executed at least in triplicate, one (1) copy to be delivered to the person, firm or corporation from whom the purchase is made, one (1) copy to be delivered to the County Auditor, and one (1) copy to remain on file with the Board, before any purchase shall be made. Such purchases and requisitions shall be subject to ratification and approval at the next succeeding meeting of the Board. This Act shall not be construed to permit the division or reduction of purchases or contracts for the purpose of avoiding the requirement of taking formal bids on purchases or contracts which would otherwise exceed One Thousand Dollars ($1,000).

(c) Cumulative of the provisions of Section 3(b) of this Act and the authority thereby extended, the Board may, by an order or regulation entered in its minutes, provide for the making of routine purchases or contracts in amount not to exceed One Thousand Dollars ($1,000) in any one (1) instance or for the payment of wages or salaries of its hourly-rated employees, in the interim between meetings of the Board, and such purchases, contracts or payroll payments shall be subject to ratification and approval at the next succeeding meeting of the Board; provided, however, that the making of such interim purchases or contracts or the interim payment of such payrolls shall be approved by the General Manager and by at least three (3) of the Navigation Commissioners; and when so approved, any requisition issued, and signed as and in the manner provided for in this Section 3(c), and any warrant issued or au-
authorized by the provisions of Section 4 of this Act, may be approved and certified by the County Auditor in full and complete reliance thereon in the same manner and to the same extent as if the same had been made and issued pursuant to the provisions of this Section 3(c) of this Act or other applicable laws; provided further, however, that nothing in this Section 3(c) shall apply or operate as a limitation upon the authority of the Board in cases of public calamity where it becomes necessary to act at once to appropriate money to relieve the distress of the citizens or to protect the property of the District; in cases of unforeseen damage to Navigation District property, machinery, or equipment, or in the handling of ships where time will not permit of advertisement; nor shall they apply to contracts for professional services. In all such cases the Board shall set out in the minutes of the District that an emergency exists and the facts which gave rise to the emergency. In instances provided in this Section 3(c), requisitions shall be executed at least in triplicate, signed by the General Manager, and to which shall be attached or with which shall be filed with the County Auditor a letter of approval of the item, account or subject covered by such requisitions, signed by said General Manager and at least three (3) of the Navigation Commissioners, one (1) copy of such requisition to be delivered to the person, firm or corporation from whom the purchase is made or with whom the contract is made, one (1) copy to be delivered to the County Auditor, and one (1) copy to remain on file with the Board, before any such purchase or contract shall be made; provided, however, that it shall be sufficient to issue only one (1) requisition (in at least triplicate) covering or in respect of any payroll for wages or salaries of all hourly-rated employees.

(d) In cases in which the materials, supplies, machinery, equipment, or other items sought to be purchased or the contract sought to be made shall exceed One Thousand Dollars ($1,000) written specifications shall be filed with the County Auditor and advertisement shall be published once a week for two (2) successive weeks or for such added time as the Board may require (in a newspaper of general circulation within said District prior to the last date for the receipt of the bids, in which advertisements shall be stated the items or things to be purchased or the contract sought to be made); the time and place of receipt of such bids; and the place where specifications may be obtained. The specifications shall state in detail what is desired; shall require that bids be sealed; and shall require the attachment to said bid of a certified or cashier's check payable to the Navigation District, drawn on a bank which is a member of the Federal Reserve System, for five per cent (5%) of the total amount of the bid, or a bidder's bond executed by a responsible corporate surety authorized to do business in Texas, conditioned that the successful bidder will enter into a contract and give bond as required by the specifications. All such contracts shall be awarded by the Board at a regularly scheduled or specially called meeting; shall be reduced to writing; executed for the District by the Chairman or General Manager; and filed with the proper officers of said District with a copy thereof filed with the County Auditor. Before any contract or requisition shall be placed into effect or become binding upon the Navigation District it shall be submitted to the County Auditor for his approval and certification that funds are or will be available to meet the contract when due and a requisition, purchase order or work order issued in triplicate, one (1) copy to be delivered to the contractor, one (1) copy to be delivered to the County Auditor, and one (1) copy to remain on file with the Navigation District. Provided, however, that the provisions of this Sec-
tion shall not apply in cases of public calamity where it becomes necessary to act at once to appropriate money to relieve the distress of the citizens or to protect the property of the Navigation District; in cases of unforeseen damage to Navigation District property, machinery, or equipment, or in the handling of ships where time will not permit of advertisement; nor shall they apply to contracts for professional services. In all such cases the Board shall set out in the minutes of the District that an emergency exists and the facts which gave rise to the emergency. In such cases, bids and the advertisement therefor may be waived.

(e) Any purchase or contract made without compliance with the provisions of this Act shall be void and unenforceable in any courts in this State. As amended Acts 1955, 54th Leg., p. 606, ch. 211, § 1; Acts 1957, 55th Leg., p. 160, ch. 71, § 1.

Emergency. Effective April 19, 1957.

Art. 8247b. Additional powers conferred on navigation districts

Sec. 1.

Sub-Sec. (b). Such Navigation District, through its Navigation and Canal Commission, shall have power to lease for oil, gas and minerals all rights of way, spoil grounds, spoil basins, or any other lands owned by such Navigation District, provided such leasing shall not interfere with the use of or obstruct any waterway, natural or artificial, of such Navigation District for navigation purposes. Before such lease or leases may be executed by the Navigation and Canal Commissioners of such District upon all or any part of such land, the Navigation and Canal Commission shall cause to be published in some newspaper of general circulation within said Navigation District, at least once per week for two (2) consecutive weeks preceding the last date for the receipt of bids, requesting bids on such leases, which notice shall contain the approximate amount of land offered for leasing, the general location thereof, the time and the place of receipt of such bids, the place where specifications may be obtained, and that each bid shall be accompanied by a certified check, cashier's check or bidder's bond with a responsible corporate surety authorized to do business in Texas, in an amount equal to the first rental payment and/or bonus offered for such lease over and above the royalty, to guarantee that such bidder will perform the terms of his bid, providing the same is accepted by the Navigation and Canal Commission and which notice shall state that the Navigation and Canal Commission reserves the right to reject any or all bids. The Navigation and Canal Commission may lease all or any part of such land providing that such lease is awarded to the highest and best bidder for the same and shall reserve at least one-eighth royalty of all gas, oil or minerals in or produced upon said land, and said lease shall contain such other provisions as shall be reasonably necessary to protect the interests of the Navigation District, and in no event shall be less favorable to the Navigation District than customary commercial leases in such locality, such leases to be executed by the chairman and secretary of the Navigation and Canal Commission pursuant to an order entered in the minutes thereof, which shall, among other things, give the consideration for such lease. As amended Acts 1957, 55th Leg., p. 170, ch. 77, § 1.

Sub-Sec. (c). Such Navigation District may sell or lease all or any part of any lands owned by it, whether said lands be acquired by gift, purchase or in settlement of any litigation, controversy, or claim in behalf of the District, or in any other manner, provided such lands are declared as surplus and are not necessary to be used by such Navigation District in connection with the development of such navigation project, and provided further that such sale or lease shall be made in the manner provided
Art. 8247e

Promotion and development funds in districts containing city over 100,000 population

Section 1. It is recognized that navigation districts in this State containing cities of one hundred thousand (100,000) or more population and operating ports or waterways and the harbor and terminal facilities thereof, are in keen competition with other ports, waterways, harbors and terminals outside this State, as well as being in active competition with privately owned port and terminal facilities within this State; that well situated and equipped ports and waterways in other nearby States, as well as the owners of substantial port and terminal facilities located within and without this State have been and are advertising, promoting and developing such competing ports, waterways, harbors and terminals through spending large funds without any sort of auditing or restriction on or in connection with such expenditures; and that such activities
and expenditures by the port authorities of such other nearby States and those of the owners of such competing port and terminal facilities within and without this State, have been and are thwarting and impeding the use, progress and development of the ports, waterways, harbors and terminals of this State, and that continuation of such hardship and injustice can best be met and coped with by more liberal use of some relatively small fund set aside from gross income from operations of such ports of this State, to be used in the manner hereinafter referred to.

Sec. 2. Any navigation district heretofore organized, or hereafter to be organized, under General or Special Law, which navigation district contains a municipality which has one hundred thousand (100,000) population or more by the last preceding or by any future Federal Census, is hereby granted, in addition to all of the powers now conferred upon such navigation districts and in addition to the expenditures heretofore and now being customarily made by such navigation districts, the right, power and authority to set aside out of current income from its operations a Promotion and Development Fund of not more than five per cent (5%) of its gross income from operations in each calendar year. From time to time such moneys shall be expended by the Commissioners of each such navigation district or as they may direct in payment of any expenses in connection with any activity or matter incidental to the advertising, development or promotion of such navigation district, or its port, waterway, harbor or terminal, or to furthering the general welfare of the same, or to the betterment of its relations with steamship and rail lines, shippers, consignees of freight, governmental officials or others interested or sought to be interested in such port, waterway, harbor or terminal.

Sec. 3. The moneys in each such Promotion and Development Fund shall be kept separate from all other funds and accounts of such navigation district, no amounts collected from assessing or levying taxes shall be placed in or mingled with said fund, and all of said fund shall be under the sole control of the Commissioners of such navigation district. Such Commissioners shall have full responsibility for auditing, approving and safeguarding the expenditure of said funds; County Auditors shall not audit disbursements from said fund, but shall be entitled to monthly statements showing the date of each disbursement from said fund, the amount disbursed, the person or concern to whom disbursed and the general purpose of such disbursement; and such auditors shall have and exercise their usual supervision and control to assure that such Commissioners of each such navigation district set aside no more than five per cent (5%) of its gross income from operations in each calendar year in any such Promotion and Development Fund.

Sec. 4. It is expressly provided that neither the setting aside of such Promotion and Development Fund nor the use or disbursements therefrom shall affect payment of other expenses heretofore and now customarily approved, audited and paid out of the regular funds of such navigation districts; it being the purpose and intention of this Act to authorize use and disbursements from such Promotion and Development Fund for unusual purposes and occasions not covered by existing laws. As amended Acts 1957, 55th Leg., p. 163, ch. 72, § 1.

Emergency. Effective April 19, 1957.

Section 2 of the amendatory Act of 1957 provided that this Act shall be cumulative of all other laws governing navigation districts not in conflict herewith.
VI. GENERAL PROVISIONS

Acts 1957, 55th Leg., p. 744, ch. 305, § 1.

Section 2 of the Act of 1957 repealed all conflicting laws and parts of laws to the extent of such conflict. Section 3 was a severability provision.

Creation; members; chairman; organization; quorum

Sec. 3. The Texas Water Development Board is hereby created and declared to be a State Agency for performing the governmental functions authorized by this Act and such other duties as the Legislature may prescribe from time to time. The Texas Water Development Board shall consist of six (6) members appointed by the Governor, with the advice and consent of the Senate. Each of the members of the Board shall have at least ten (10) years of successful business or professional experience and shall be selected from the following groups: One (1) from each of the fields of engineering, business, law, and a farmer or rancher, and two (2) with such experience in the field of public or private finance, and each member shall be from a different section of the State. Thereafter, each member shall serve for a term of six (6) years and until his successor is appointed and has qualified. Each of the six (6) members of the Board is hereby declared to be an officer of the State as defined by the Texas Constitution and each shall qualify by taking the official oath of office prescribed by law.

The members of the Texas Water Development Board shall receive a per diem of not more than Twenty-five Dollars ($25) for each day served in the performance of their duties, together with traveling and other necessary expenses.

Bond issues; approval by Attorney General

Sec. 4. The Board, by appropriate action, is hereby authorized from time to time to provide, by resolution, for the issuance of negotiable bonds in a total aggregate amount not exceeding One Hundred Million Dollars ($100,000,000) and the Board may, upon two-thirds (2/3) vote
of the elected members of each House at a subsequent Legislature, be given the power to issue additional negotiable bonds in an amount not to exceed One Hundred Million Dollars ($100,000,000). All of such bonds shall be on a parity and shall be called the "Texas Water Development Bonds." The proceeds from the sale of any bond, or bonds, shall be used for the purpose of creating the Texas Water Development Fund provided for in the Constitution. No bonds shall be sold until the project to be aided thereby has been finally approved by the Board. At the option of the Board, said bonds may be issued in one (1) or several installments. The Bonds of each issue shall be dated, and shall bear interest at a rate not exceeding four per cent (4%) per annum, which interest may, at the option of the Board, be payable annually or semi-annually; shall mature serially or otherwise not later than forty (40) years from their date; and may be redeemable before maturity, at the option of the Board, at such price or prices, and under such terms and conditions as may be fixed by the Board in the resolution providing for the issuance of the bonds. The Board shall determine the form of the bonds, including the form of any interest coupon to be attached thereto, and shall fix the denomination or denominations of said bonds and the place or places of the payment of the principal and interest thereon. Said bonds shall be executed on behalf of the Texas Water Development Board as general obligations of the State of Texas in the following manner: They shall be signed by the Chairman and Secretary respectively of the Board, and the seal of the Board shall be impressed thereon, and they shall be signed by the Governor and attested by the Secretary of State of the State of Texas with the Seal of the State of Texas impressed thereon. The resolution authorizing the issuance of any installment or series of bonds may prescribe the extent to which facsimile signatures and facsimile seals in lieu of manual signatures and manually impressed seals may be used in executing such bonds and appurtenant coupons. Interest coupons may be signed by the facsimile signatures of the Chairman and Secretary of the Board. In the event any officer whose manual or facsimile signature appears on any bond, or whose facsimile signature shall appear on any coupon, shall cease to be such officer before the delivery of the bonds, the signature shall, nevertheless, be valid and sufficient for all purposes the same as if he had remained in office until such delivery had been made. The resolution may provide for registration of the bonds as to ownership and for successive conversion and reconversion from registered to bearer bonds and vice versa. Before any such bonds so issued are delivered to the purchasers, the record pertaining thereto shall have been examined by the Attorney General of Texas and said records and bonds shall be approved by him. After such approval, the bonds shall be registered in the office of the Comptroller of Public Accounts of Texas. Such bonds having been approved by the Attorney General and registered in the Comptroller's office shall be held, in every action, suit or proceeding in which their validity is or may be brought into question, valid and binding obligations of the State of Texas. In every action brought to enforce collection of such bonds or any rights incident thereto, the certificate of approval by the Attorney General and a certificate of registration by the Comptroller, or duly certified copies thereof, shall be admitted and received in evidence as proof of their validity. All bonds issued in accordance with and under the provisions of this Act shall be, and are hereby declared to be negotiable instruments under the laws of this State. The Board is fully authorized to provide for the replacement of any bond which might have become mutilated, lost or destroyed.
Refunding bonds

Sec. 5. The Board is hereby authorized to provide by resolution for the issue of refunding bonds for the purposes of refunding any bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon. The issuance of such refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the Board in respect to the same, shall be governed by the foregoing provisions of this Act in so far as the same may be applicable. The refunding bonds may be sold and the proceeds used to retire the outstanding bonds or may be used in exchange for the outstanding bonds.

Bonds as legal investments; security for deposits of public funds; exemption from taxation

Sec. 6. All State bonds hereafter issued pursuant to the provisions of this Act shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, guardians, and for the sinking funds of cities, towns, villages, counties, school districts, and all other political subdivisions and public agencies of the State of Texas. Such State bonds, when accompanied by all unmatured coupons appurtenant thereto, shall be lawful and sufficient security for all deposits of State funds, and of all funds of any agency or political subdivision of the State, of counties, school districts, cities and all other municipal corporations or subdivisions at the par value of said bonds. Such State bonds and the income therefrom, including the profits made on the sale thereof, shall at all times be free from taxation within this State.

Publication of notice of sale of bonds; requirements of bidders

Sec. 7. When the Board shall have authorized the issuance of a series of said bonds and shall have determined to call for bids therefor, it shall be the duty of the Board to publish at least one (1) time not less than twenty (20) days before the date of said sale an appropriate notice thereof. Such publication shall be made in a daily newspaper of general state-wide circulation which is published not less than seven (7) times weekly. Said notice shall also be published for such number of times as the Board may determine in one or more recognized financial publications of general circulation published within the State and one or more such publications published outside the State. The Board shall demand of bidders, other than the administrators of the State funds, that their bids be accompanied by exchange or bank cashier's check for such sum as it may consider adequate to be a forfeit guaranteeing the acceptance and payment for all bonds covered by such bids, and accepted by the Board.

Sale of bonds at not less than face value; rejection of bids

Sec. 8. No installment or series of said bonds shall be sold for an amount less than the face value of all of the bonds comprising such installment or series with accrued interest from their date, and all of such bonds shall be sold after competitive bidding to the highest and best bidder. The Board shall have the right to reject any and all bids.

Special funds created

Sec. 9. All moneys coming into the hands of the Texas Water Development Board shall be deposited in the State Treasury. For the
purposes of administering such moneys, there are hereby created the following special funds:

(a) The “Texas Water Development Clearance Fund,” hereinafter called “Clearance Fund,” into which shall be deposited all moneys received by the Board except proceeds from the sale of Texas Water Development Bonds and except proceeds from the resale of bonds purchased from political subdivisions, and from which fund transfers shall be made as hereinafter set out.

(b) The “Texas Water Development Fund,” hereinafter called “Development Fund,” shall be a revolving fund into which there shall be deposited the proceeds derived from the sale of the Texas Water Development Bonds, and such other moneys as provided in this Act, and which fund shall be used upon the terms and conditions set out in this Act for the purpose of aiding and making funds available to the various political subdivisions for projects and purposes authorized under this Act, and upon the terms and conditions hereinafter set out.

(c) The “Texas Water Development Bonds Interest and Sinking Fund,” hereinafter called “Interest and Sinking Fund,” shall be a special fund into which there shall be accumulated and set aside from the sources hereinafter specified, an amount sufficient to pay all interest becoming due during the ensuing fiscal year on all the Water Development Bonds outstanding, and to pay all such bonds which mature during such fiscal year and collection charges and exchanges thereon, and to establish a reserve equal to the average annual principal and interest requirements on all outstanding Bonds issued under this Act.

(d) The “Texas Water Development Board Administrative Fund,” hereinafter called “Administrative Fund,” shall be the special fund into which there shall be transferred, from sources specified in this Act, sufficient moneys with which to pay the administrative expenses of the Board as authorized by appropriations of the Legislature to the Texas Water Development Board for administrative purposes.

Proceeds of bonds; disposition

Sec. 10-A. All proceeds from the sale of the Water Development Bonds shall be deposited to the account of the Development Fund except accrued interest which shall be deposited in the Interest and Sinking Fund.

Clearance Fund; payments into; transfers to other special funds

Sec. 10-B. With the exception of proceeds from the sale of Texas Water Development Bonds and proceeds from the sale of bonds of political subdivisions sold in accordance with the provisions of Section 15 hereof, all moneys received by the Board in any fiscal year, including all amounts received as repayment of financial assistance granted under this Act and interest on such loans, shall be paid into and accumulated in the Clearance Fund. Not later than fifteen (15) days following the end of each fiscal year, the funds standing to the credit of the Clearance Fund shall be transferred to the other special funds created by this Act in the following manner:

(a) There shall be determined the amount of interest becoming due on all Water Development Bonds then outstanding, together with the amount of principal of such bonds maturing and becoming payable during such ensuing fiscal year, and there shall also be determined the average annual principal and interest requirements on all outstanding bonds issued under this Act. There shall be transferred to the Interest and Sinking Fund, after taking into account any moneys already on deposit therein, such amount as may be necessary to pay all such principal and interest maturing on such bonds during the ensuing fiscal year, together
with all collection charges and exchanges thereon plus an amount sufficient to establish and maintain an additional reserve equal to the average annual principal and interest requirements on all outstanding Bonds issued under this Act. In the event the amount transferable from the Clearance Fund at the end of any fiscal year and the moneys on hand in the Interest and Sinking Fund is insufficient to pay the interest becoming due and the principal maturing on the Water Development Bonds during the ensuing fiscal year, then after the transfer to the Interest and Sinking Fund of so much as is available in the Clearance Fund, the State Treasurer shall transfer out of the first moneys coming into the Treasury of the State of Texas, not otherwise appropriated by the Constitution, such amount as shall be required to pay principal and interest on such Water Development Bonds during such fiscal year.

(b) If, after making the transfers provided in paragraph (a) in this Section, there remain other moneys in the Clearance Fund, then to the extent possible there shall be transferred from such fund to the Administrative Fund an amount sufficient to cover the appropriation for administrative appropriations of said Board, as authorized by the Legislature, for the ensuing fiscal year.

(c) If, after making the transfers provided for in paragraphs (a) and (b) in this Section, there remain other moneys in the Clearance Fund, the balance of such fund shall be transferred at the end of each fiscal year occurring before December 31, 1982, to the Development Fund, and such moneys so transferred may be used for all of the purposes for which the proceeds of the Water Development Bonds were authorized to be used.

(d) Any funds remaining in the Development Fund on December 31, 1982, shall be transferred to the Interest and Sinking Fund.

(e) After December 31, 1982, after making the transfers provided for in paragraphs (a) and (b) of this Section, any balance remaining in the Clearance Fund shall be transferred annually at the end of each fiscal year to the Interest and Sinking Fund until such time as there are on deposit in such Interest and Sinking Fund sufficient moneys to pay all bonds then remaining outstanding with interest to maturities; and when such amount shall be accumulated in the Interest and Sinking Fund, all amounts collected into the Clearance Fund in excess of the amounts needed to cover authorized administrative expenses shall annually be transferred and deposited into the General Revenue Fund of the State of Texas.

Transfers of funds; payments of bond interest and principal

Sec. 10-C. The Comptroller of Public Accounts is hereby authorized and directed to make the transfers required under any provision of this Act. The Treasurer of the State of Texas is hereby authorized and directed to pay or cause to be paid principal and interest on Bonds as they mature and come due.

Investment of moneys in Interest and Sinking Fund

Sec. 10-D. All moneys standing to the credit of the Interest and Sinking Fund which may not be needed to pay obligations maturing during the current fiscal year may be invested by the Board in bonds of the United States, or the State of Texas (or of the several counties or municipalities or other political subdivisions of the State of Texas, except bonds issued by any such political subdivision to finance the projects as herein defined); and such Board may sell such bonds, or any of them at the governing market rate; provided, however, to the extent that the resolution or resolutions authorizing the issuance of bonds hereunder further restrict the investment of such moneys in bonds of the United States, such restric-
tions shall be binding on the Board. Surplus moneys in the Development Fund which may not be needed for at least ninety (90) days may be invested in direct obligations of the United States of America maturing on or prior to the contemplated date on which said funds will be needed.

**Water Development Fund; purposes for which used**

Sec. 11. Until December 31, 1982, the Texas Water Development Fund shall be used by the Board hereof for the purpose of providing financial assistance and aid to the various political subdivisions as defined in Section 2 hereof, in the conservation and development of the water resources of the State of Texas by the construction, acquisition or improvement of projects, as defined in Section 2 hereof.

**Financial assistance; prerequisites to granting**

Sec. 12. No application for financial assistance shall be granted until the political subdivision shall have furnished to the Board a resolution adopted by the Board of Water Engineers certifying:

(a) The feasibility of the project based on preliminary investigation and studies, including the estimated cost of construction, operation and maintenance, and the quantity and quality of water;

(b) That there is an existing need or bona fide future need within a reasonable time, or both, for the water to be provided by the project:

(c) That the applicant is possessed of the necessary permit, or certified filing, authorizing it to impound, or otherwise appropriate and use, the waters to be made available by the project; and

(d) That if a dam is to be constructed or enlarged, the project contemplates the optimum development of the site of the project which is reasonably required under all existing circumstances.

**Application for financial assistance; requisites**

Sec. 13. The application for financial assistance from the Texas Water Development Board shall contain the name of the political subdivision, its principal officers, the authority of law under which the political subdivision was created and operates, the total costs of the project, the amount of State financial assistance requested, the plan for repayment of the total costs of the project and such other information as the Board may require to aid in the performance of its duties and for the protection of the public interest.

**Hearing and determination of application; regulations as to form of application**

Sec. 14. In passing upon such applications, the Board shall consider the needs of and the benefits to the area to be served by the project in relation to the needs and benefits appertaining to other projects requiring State assistance as well as the availability of revenues from all sources of the political subdivision for the ultimate repayment of the costs of such project, including interest, and whether the project can be financed without assistance of the State.

If after consideration of the foregoing, and the consideration of any other relevant factors, the Board finds that the public interest requires State participation in the project, that the project cannot be financed without State assistance, and if the Board makes the further finding that in its opinion the revenues or taxes or both pledged by the political subdivision will be sufficient to meet all of the obligations assumed by the political subdivision within not more than forty (40) years, the Board may approve the project within the limits set forth herein.

Application for financial assistance shall be in such form as prescribed herein and by regulations of the Board and shall not be accepted by the
Purchase of bonds of political subdivision by board; bond requirements; sale

Sec. 15. After the Board has examined an application of a political subdivision for financial assistance from the Fund and determined by resolution that same should be approved, the Board may give financial assistance to the political subdivision by the purchase with moneys out of the Texas Water Development Fund of bonds or other securities issued by the political subdivision for the purpose of providing funds to finance a project. The Board is hereby empowered to purchase such political subdivision bonds or other securities even though such bonds or other securities be secondary, or subordinate to other bonds or other securities issued by the political subdivision to finance the same project for which assistance from the Fund is sought. The Board shall never purchase bonds or other securities which have a maturity date in excess of forty (40) years from date of issuance. The Board shall never purchase bonds or other securities of a political subdivision in excess of one-third ($\frac{1}{3}$) of the total costs of a project for which assistance from the Fund is sought nor in excess of Five Million Dollars ($5,000,000), whichever is the lesser for any one (1) project. The Board shall never purchase from any single political subdivision bonds or other securities of such political subdivision in excess of Five Million Dollars ($5,000,000). Such bonds and other securities purchased from moneys in the Fund by the Board shall bear whichever of the following rates of interest is greater: (a) the weighted average effective interest rate on all State Bonds theretofore sold under the provisions of this Act plus one-half ($\frac{1}{2}$) of one per cent (1%); or (b) the effective interest rate of the bonds sold by the issuing agency for the purpose of providing the remaining funds which are required for the project. The Bonds shall bear coupons evidencing interest at such a rate or a combination of rates as shall approximate the effective rate as nearly as the Board shall deem practicable, and the effective rate shall be arrived at by the payment of premiums or the deduction of discounts as necessary. Before purchasing any bonds or other securities of a political subdivision, the Board shall be assured that such bonds or other securities have been approved by the Attorney General and registered by the Comptroller of Public Accounts and after such approval and registration and sale at not less than par and accrued interest, said bonds shall be valid, binding and incontestable. The Board is fully empowered and authorized to sell or dispose of political subdivision bonds purchased with moneys out of the Fund, provided that such bonds are sold at not less than par and accrued interest. The proceeds from such sale shall be deposited to the credit of the Fund and used in the same manner as other funds deposited therein, except accrued interest shall be deposited in the Interest and Sinking Fund. Should the Board determine to sell such political subdivision bonds, competitive bids therefor shall be received and notice of such sale shall be given and the sale conducted in the same manner as in the case of a sale of the State bonds authorized by this Act; provided, however, that the Board shall first have offered said bonds at their par value plus accrued interest to the issuing political subdivision at least thirty (30) days prior to the date of requesting competitive bids; and provided such political subdivision shall have failed within such thirty-day period to give notice to said Board of its desire to acquire such bonds at par and accrued interest.
Net revenues of project pledged to pay bonds; definition; proceedings to enforce

Sec. 16. Unless wholly supported by political subdivision taxes, any bonds or other securities of a political subdivision which may be purchased by the Board in accordance with the terms of this Act shall be secured by a pledge of all or part of the net revenues which result from the ownership and operation of the project of the political subdivision; the term "net revenues" as used in this Section shall mean the gross revenues of the project after deduction of the amount necessary to provide for principal, interest and reserve requirements of bonds superior to those purchased by the Board and the amount necessary to pay the cost of maintaining and operating the project of the political subdivision and the project properties. In the event of a default in the payment of principal or interest on bonds purchased by the Board, or should any other default as defined in the proceedings or indentures authorizing the issuance of the bonds of such political subdivision occur, the Attorney General of Texas shall thereupon institute appropriate proceedings by mandamus and all other legal remedies to compel the subdivision and/or its officers, agents and employees to perform those duties which they are obligated to perform under the law and under such proceedings or covenants, in order to cure such default. Venue in all actions by the Attorney General to enforce all rights, obligations and covenants in and under said bonds purchased by the Board shall lie in the District Courts of Travis County, Texas. The provisions of this Section shall be cumulative of all other remedies available by virtue of the resolution authorizing the issuance of or the terms of any trust agreement securing any such bonds or other securities.

Financing payment of bonds of political subdivision

Sec. 17. The bonds of a political subdivision which the Board is authorized to purchase with moneys out of the Fund may be financed with income derived from revenues that accrue from operation of the project, may be supported by taxes levied by the political subdivision for that purpose, or may be supported by a combination of taxes and revenue and any other revenue available to the political subdivision. The Board, in its discretion and for the protection of the Texas Water Development Fund, may require as a condition precedent to purchasing any bonds of a political subdivision issued to finance a project, that the bonds be supported by both income derived from revenue as well as moneys collected from taxes, in such a ratio as to assure the Texas Water Development Board that the investment of moneys out of the Fund will be fully secured and protected. The Board shall make such other requirements and impose such other conditions for the purchase of bonds or other securities of a political subdivision as in the opinion of the Board may be commensurate with sound investment practices and in the public interest.

Contracts for construction of projects

Sec. 18. The governing body of every political subdivision receiving State financial assistance from the Texas Water Development Fund shall, in all contracts for the construction of a project, require that the contract shall be paid for in partial payments as the work progresses and such payments shall not exceed ninety per cent (90%) of the amount due at the time of such payment as shown by the engineer of the project. Such contract shall also require that upon completion of said contract, the remaining ten per cent (10%) due thereunder may be paid only after approval by the engineer for the political subdivision as may be required under the
bond proceedings and in addition upon obtaining from the Board of Water Engineers a certificate that the work to be done under the contract has been completed and performed in a satisfactory manner and in accordance with sound engineering principles and practices. The Board of Water Engineers shall have the privilege of inspecting the construction of any project at any time to assure itself that the engineering plans of a project, as submitted when approval of the feasibility of the project was sought, are being substantially complied with and that the works are being constructed in accordance with sound engineering principles, but such inspection shall never subject the State of Texas to any action for damages. No substantial or material alteration in the engineering plans of a project shall be made after approval of eligibility unless and until authorization to make such alteration has been given by the Board of Water Engineers. Failure to construct the project according to the plans as approved by or altered with approval of the Board of Water Engineers, failure to construct the works in accordance with sound engineering principles, or failure to comply with any term or terms of a construction contract, may be considered by the Board of Water Engineers as grounds for refusal to give a certificate of approval for any construction contract. A certified copy of every construction contract entered into and executed by the political subdivision for the construction of the project in whole or in part shall be filed in the office of the Board of Water Engineers. All such contracts shall contain or have attached thereto the specifications for all work included in the contract and the plans and details thereof and all such work shall be done in accordance with plans and specifications.

Rules and regulations

Sec. 19. The Board shall promulgate rules and regulations governing the form and contents of applications for financial assistance for the guidance of applicant political subdivisions (reserving the right to make additional requirements as hereinabove provided) and may make such other provisions as may be deemed necessary or advisable. Such rules and regulations and amendments thereto shall be approved by the Attorney General of Texas and filed with the Secretary of State.

Purchase of supplies

Sec. 20. The Board is hereby authorized to purchase through the State Board of Control any and all supplies including, but not by way of limitation, stationery, stamps, printing, record books, and such other things as may be needed at State expense, in order to carry on its functions as a State agency in the performance of the duties herein imposed upon it.

Meetings of board; executive secretary; seal; office space; employees

Sec. 21. The Board shall meet once each month on a day and at a place selected by it, and continue with each meeting until its docket is cleared, subject to recesses at the discretion of the Board. The Chairman of the Board may call a special meeting of same at any time he thinks necessary, by giving the other members notice thereof. The Board shall select an executive secretary who shall perform all duties required by this Act and by said Board. The Executive Secretary shall execute a bond in a sum to be determined by the Board, approved by the Board, and payable to it. Said bond shall be conditioned upon the faithful performance by the Secretary of his duties under the law, and for the delivery to his successor or other employee designated by the Board to receive the same, all moneys,
books and other property belonging to the State then in his hands or under his control, or with which he may be legally chargeable as Secretary of the Board. The premium on such bond shall be paid out of money available to the Board for administrative expenses. The Executive Secretary shall keep full and accurate minutes of all meetings of the Board and complete records of all its proceedings and transactions and of every resolution and decision made by it. The Secretary shall be custodian of all files and records of the Board. The Board shall procure and adopt a seal bearing the words “Texas Water Development Board” encircled by the oak and olive branches common to other official seals. The Board is authorized to rent office space and to employ such legal and financial experts, and such employees as may be necessary for the discharge of the duties herein prescribed and required of the Board. It is expressly provided, however, that all engineering services required by the Board in connection with a project under this Act shall be performed by the Board of Water Engineers. The Employees of the Board shall be deemed to be State employees, and all civil and criminal laws regulating the conduct and relations of other State employees shall apply in all things to the employees of the Board. All papers, records and archives of the Board shall be placed in a depository selected by the Board and shall be open to public inspection at all reasonable times.

Appropriation; budget; compensation of employees of board

Sec. 22. To pay the expense of administering the provisions of this Act, there is hereby appropriated for the use of the Board the sum of One Hundred and Forty-eight Thousand Dollars ($148,000) for the remainder of the biennium, it is expressly provided, however, that this appropriation shall lapse should this Act not become operative as specified in Section 1 hereof. The Board, upon their first meeting following the effective date of this Act shall prepare and file a budget with the Comptroller of Public Accounts, and may amend that budget from time to time provided the following limitations shall be observed:

All employees of the Board shall be paid compensation until the effective date of the next general Departmental Appropriation Act at a rate comparable with the rate being paid by the State to other State employees doing the same or similar type of work. All such employees shall be paid their compensation and perform their duties with the same rules, requirements and regulations of the general law governing the State employees in such respects. After September 1, 1959, employees of the Board shall receive such wages and salaries as may be authorized by the Legislature in Departmental Appropriation Acts. Art. 8306. Damages and compensation for personal injuries

Art. 8306, sec. 7. Medical services

Sec. 7. The association shall furnish such medical aid, hospital services, nursing, chiropractic services, and medicines as may reasonably be required at the time of the injury and at any time thereafter to cure and relieve from the effects naturally resulting from the injury. Such treatment shall include treatments necessary to physical rehabilitation, including proper fitting and training in the use of prosthetic appliances, for such period as the nature of the injury may require or as necessary to reasonably restore the employee to his normal level of physical capacity or as necessary to give reasonable relief from pain, but shall not include any other phase of vocational rehabilitation. The obligation of the association to provide hospital services as herein provided shall not be held to include any obligation on the part of the association to pay for medical, nursing or surgical services not ordinarily provided by hospitals as a part of their services. If the association fails to so furnish reasonable medical aid, hospital services, nursing, chiropractic services and medicines as and when needed after notice of the injury to the association or subscriber, the injured employee may provide said medical aid, nursing, hospital services, chiropractic services, and medicines at the cost and expense of the association. The employee shall not be entitled to recover any amount expended or incurred by him for said medical aid, hospital services, nursing, chiropractic services, or medicines, nor shall any person who supplied the same be entitled to recover of the association therefor, unless the association or subscriber shall have had notice of the injury and shall have refused, failed or neglected to furnish it or them within a reasonable time. At the time of the injury or immediately thereafter, if necessary, the employee shall have the right to call in any available physician, surgeon, or chiropractor to administer first-aid treatment as may be reasonably necessary at the expense of the association.

Upon receipt thereof, the Board shall promptly analyze each notice of injury incurred by an injured employee covered under this law. If the Board concludes that vocational rehabilitation is indicated in any such case, it immediately shall take the necessary steps to inform the injured employee of the services and facilities available to him under the Texas Program of Vocational Rehabilitation for Disabled Persons administered by the Vocational Rehabilitation Division of the Texas Education Agency and the Board immediately shall notify said Vocational Rehabilitation Division of such case. In each such case recommendation of services and facilities shall be made after consultation by the Board with the physician or chiropractor furnishing medical aid or chiropractic services as required by this Section, who shall retain general supervision of treatment of the injured employee and, should the
employee request it, the Board shall consult with a physician or chiropractor of his own selection. The Board shall co-operate with said Vocational Rehabilitation Division with reference to the work of said Division in providing said services and facilities to injured employees covered under the provisions of this law. As amended Acts 1957, 55th Leg., p. 1186, ch. 397, § 1.

**Savings Clause—1957 Amendment**

_Savings provisions with respect to claims for injury sustained prior to effective date of Acts 1957, 55th Leg., p. 1186, ch. 397, see section 4 of the act, set out in note under this section._

Savings clause. Acts 1957, 55th Leg., p. 1186, ch. 397, § 4 provided as follows:

"Sec. 4. As respects claims for injury sustained prior to the effective date of this Act, no inchoate, vested, matured, existing or other rights, remedies, powers, duties or authority, either of any employee or legal beneficiary, or of the Board, or of the Association, or of any other person shall be in any way affected by any of the amendments or repeals herein made to the original law hereby amended or repealed, but all such rights, remedies, powers, duties, and authority shall remain and be in force as under the original law just as if the amendments or repeals hereby adopted had never been made, and to that end it is hereby declared that as respects such injuries occurring prior to the effective date of this Act, said original law is not repealed, but the same is, and shall remain in full force and effect as to all such rights, remedies, powers, duties, and authority; and further this Act in so far as it adopts the law of which it is an amendment is a continuation thereof, and only in other respects a new enactment."

Section 5 of the amendatory Act of 1957 was a severability clause, § 6 repealed conflicting laws and parts of laws to the extent of the conflict, and § 7 provided that the Act should take effect September 1, 1957, subject to the provisions of § 4 set out above.

**Art. 8306, sec. 7c. Attorneys’ fees regulated by the board**

Sec. 7c. All fees of attorneys for representing claimants before the Board under the provisions of this law shall be subject to the approval of the Board. No attorneys’ fees for representing claimants before the Board shall be allowed or approved against any party or parties not represented by such attorney, nor exceeding an amount equal to fifteen per cent (15%) of the total recovery, in addition to the reasonable expenses incurred by the attorney in the preparation and presentation of the said claim before the Board, such expenses to be allowed by the Board. Where an attorney represents only a part of those interested in the allowance of a claim before the Board and his services in prosecuting such claim and obtaining an award therein inures to the benefit of others jointly interested therein, then the Board may take these facts into consideration and allow the attorney a reasonable charge, to be assessed against the interest of those receiving benefits from the service of such attorney. The attorneys’ fees herein provided for may be redeemed by the association by the payment of a lump sum or may be commuted by the agreement of the parties subject to the approval of the Board, but not until the claim represented by said attorney has been finally determined by the Board and recognized and accepted by the association. After the approval, as first above provided for, if the association be notified in writing of such claim or agreement for legal services, the same shall be a lien against any amount thereafter to be paid as compensation; provided, that where the employee’s compensation is payable by the association in periodical installments, the Board shall fix at the time of approval the proportion of each installment to be paid on account of said legal services. As amended Acts 1957, 55th Leg., p. 1186, ch. 397, § 1.

For representing the interest of any claimant in any manner carried from the Board into the courts, it shall be lawful for the attorney representing such interest to contract with any beneficiary under this law for an attorneys' fee for such representation, not to exceed twenty-five per cent (25%) of the amount recovered, such fee for services so rendered to be fixed and allowed by the trial court in which such matter may be heard and determined.

In fixing and allowing such attorney's fees the court must take into consideration the benefit accruing to the beneficiary as a result of such services. No attorney's fees (other than the amount which the Board may have approved) shall be allowed for representing a claimant in the trial court unless the court finds that benefits have accrued to the claimant by virtue of such representation, and then such attorney's fees may be allowed only on a basis of services performed and benefits accruing to the beneficiary.

Provided, however, in the event an appeal or proceeding in error is taken to an appellate court by any party, the attorney shall receive for his fee an amount not to exceed one-third \(\frac{1}{3}\) of the amount recovered. As amended Acts 1957, 55th Leg., p. 1186, ch. 397, § 1.

The period covered by such compensation shall be in no case greater than three hundred (300) weeks; provided that in no case shall the period of compensation for total and partial incapacity exceed four hundred and one (401) weeks from the date of injury. Compensation for all partial incapacity resulting from a general injury shall be computed in the manner provided in this Section, and shall not be computed on a basis of a percentage of disability. Sec. 12. For the injuries enumerated in the following schedule, the employee shall receive in lieu of all other compensation except medical aid, hospital services and medicines as elsewhere herein provided, a weekly compensation equal to sixty per cent (60%) of the average weekly wages of such employee, but not less than Nine Dollars ($9) per week nor exceeding Thirty-five Dollars ($35) per week, for the respective periods stated herein, to wit:

For the loss of a fourth finger, commonly known as the little finger, sixty per cent (60%) of the average weekly wages during fifteen (15) weeks.

The loss of the second or distal phalange of the thumb shall be considered to be equal to the loss of one-half (½) of such thumb; the
loss of more than one-half ($\frac{1}{2}$) of such thumb shall be considered to be equal to the loss of the whole thumb.

The loss of the third or distal phalange of any finger shall be considered to be equal to the loss of one-third ($\frac{1}{3}$) of such finger.

The loss of more than the middle and distal phalange of any finger shall be considered to be equal to the loss of the whole finger; provided that in no case shall the amount received for the loss of a thumb and more than one (1) finger on the same hand exceed the amount provided in this schedule for the loss of a hand.

For the loss of the metacarpal bone (bone or palm) for the corresponding thumb, finger or fingers above, add ten (10) weeks to the number of weeks as above subject to the limitation that in no case shall the amount received for the loss or injury to any one (1) hand be more than for the loss of the hand.

For ankylosis (total stiffness of) or contracture (due to scars or injuries) which make the fingers useless, the same number of weeks shall apply to such finger or fingers or parts of fingers (not thumb) as given above.

For the loss of a hand, sixty per cent (60%) of the average weekly wage during one hundred and fifty (150) weeks.

For the loss of an arm at or above the elbow, sixty per cent (60%) of the average weekly wage during two hundred (200) weeks.

For the loss of the great toe, sixty per cent (60%) of the average weekly wages during thirty (30) weeks.

The loss of more than two-thirds of any toe shall be considered to be equal to the loss of the whole toe.

The loss of less than two-thirds of any toe shall be considered to be equal to the loss of one-half ($\frac{1}{2}$) of the toe.

For the loss of a foot, sixty per cent (60%) of the average weekly wages during one hundred and twenty-five (125) weeks.

For the loss of a leg, at or above the knee, sixty per cent (60%) of the average weekly wages during two hundred (200) weeks.

For the total and permanent loss of the sight of one (1) eye, sixty per cent (60%) of the weekly wages during one hundred and fifty (150) weeks.

In the foregoing enumerated cases of permanent, partial incapacity, it shall be considered that the permanent loss of the use of a member shall be equivalent to and draw the same compensation as the loss of that member.

For the complete and permanent loss of the hearing in both ears, sixty per cent (60%) of the weekly wages during one hundred and fifty (150) weeks.

For the loss of an eye and leg above the knee, sixty per cent (60%) of the average weekly wages during a period of three hundred and fifty (350) weeks.

For the loss of an eye and a foot, sixty per cent (60%) of the average weekly wages during a period of three hundred (300) weeks.

Where the employee sustains concurrent injuries resulting in concurrent incapacities, he shall receive compensation only for the injury
which produces the longest period of incapacity; but this Section shall not affect liability for the concurrent loss or the loss of the use thereof of more than one (1) member, for which member compensation is provided in this schedule, compensation for specific injuries under this law shall be cumulative as to time and not concurrent.

In all cases of permanent partial incapacity it shall be considered that the permanent loss of the use of the member is equivalent to, and shall draw the same compensation as, the loss of that member; but the compensation in and by said schedule provided shall be in lieu of all other compensation in such cases.

In all other cases of partial incapacity, including any disfigurement which will impair the future usefulness or occupational opportunities of the injured employee, compensation shall be determined according to the percentage of incapacity, taking into account among other things any previous incapacity, the nature of the physical injury or disfigurement, the occupation of the injured employee, and the age at the time of injury. The compensation paid therefor shall be calculated by first determining a basic figure amounting to sixty per cent (60%) of the average weekly wages of the employee, but which basic figure shall not exceed Thirty-five Dollars ($35); such basic figure shall then be multiplied by the percentage of incapacity caused by the injury, and the result shall be the weekly compensation which shall be paid for such period not exceeding three hundred (300) weeks as the Board may determine. Whenever the weekly payments under this paragraph would be less than Three Dollars ($3) per week, the period may be shortened, and the payments correspondingly increased by the Board. As amended Acts 1957, 55th Leg., p. 1186, ch. 397, § 1.

Provided that whenever in the above adopted sections of Articles 8306, 8307, and 8309 of the Revised Civil Statutes of Texas, 1925, the words "association," "subscriber," or "employer," or their equivalents, appear in such articles, they shall be construed to and shall mean "the institution".

Payment of compensation

Sec. 9. It is the purpose of this Act that the compensation herein provided for shall be paid from week to week and as it accrues and directly to the person entitled thereto, unless the liability is redeemed as in such cases provided elsewhere herein.

Examination by physician; process and procedure

Sec. 10. The Board may require any workman claiming to have sustained injury to submit himself for examination before such Board or some one acting under its authority at some reasonable time and place within the state, and as often as may be reasonably ordered by the Board to a physician or physicians authorized to practice under the laws of this state. If the workman or the institution requests, he or it shall be entitled
to have a physician or physicians of his or its own selection present to participate in such examination. Refusal of the workman to submit to such examination shall deprive him of his right to compensation during the continuance of such refusal. When a right to compensation is thus suspended no compensation shall be payable in respect to the period of suspension. If any workman shall persist in insanitary or injurious practices which tend to either imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment or other remedial treatment recognized by the state, as is reasonably essential to promote his recovery, the Board may in its discretion order or direct the institution to reduce or suspend the compensation of any such injured workman. No compensation shall be reduced or suspended under the terms of this section without reasonable notice to the workman and an opportunity to be heard.

The institution shall have the privilege of having any injured workman examined by a physician or physicians of its own selection, at reasonable times, at a place or places suitable to the condition of the injured workman and convenient and accessible to him. The institution shall pay for such examination and the reasonable expense incident to the injured workman in submitting thereto. The injured workman shall have the privilege of having a physician of his own selection present to participate in such examination. Provided, when such examination is directed by the Board or the institution, the institution shall pay the fee of the physician selected by the workman, such fee to be fixed by the Board.

Process and procedure shall be as summary as may be under this Act. The Board or any member thereof shall have the power to subpoena witnesses, administer oaths, inquire into matters of fact, and examine such parts of the books and records of the parties to a proceeding as relate to questions in dispute. All rulings and decisions of the Board relating to disputed claims shall be upon questions of fact and in accordance with the provisions of this Act.

Decisions of Board; suits to set aside decisions; suit on order, ruling or decision; suit to collect award

Sec. 11. All questions arising under this Act, if not settled by agreement of the parties interested therein and within the provisions of this Act, shall, except as otherwise provided, be determined by the Board. Any interested party who is not willing and does not consent to abide by the final ruling and decision of said Board shall within twenty (20) days after rendition of said final ruling and decision by the said Board, file with said Board notice that he will not abide by said final ruling and decision. And he shall within twenty (20) days after giving such notice bring suit in the county where the injury occurred to set aside said final ruling and decision and said Board shall proceed no further toward the adjustment of such claim, other than hereinafter provided. Whenever such suit is brought, the rights and liability of the parties thereto shall be determined by the provisions of this Act and the suit of the injured workman or person suing on account of the death of such workman shall be against the institution. If the final order of the Board is against the institution, then the institution shall bring suit to set aside said final ruling and decision of the Board, if it so desires, and the court shall in either event determine the issues in such cause, instead of the Board, upon trial de novo, and the burden of proof shall be upon the party claiming compensation. The Board shall furnish any interested party in said claim pending in court, upon request, free of charge, with a certified copy of the notice of the institution becoming an insurer filed with the Board, and the same when properly certified to shall be admissible in evidence in any court in this
state upon trial of such claim therein pending and shall be prima facie proof of all facts stated in such notice in the trial of said cause unless same is denied under oath by the opposing party therein. In case of recovery the same shall not exceed the maximum compensation allowed under the provisions of this Act. If any party to any such final ruling and decision of the Board, after having given notice as above provided, fails within said twenty (20) days to institute and prosecute a suit to set the same aside, then said final ruling and decision shall be binding upon all parties thereto, and, if the same is against the institution, it shall at once comply with such final ruling and decision.

In all cases where the Board shall make a final order, ruling, or decision, as provided in the preceding section and against the institution, and the institution shall willfully fail and refuse to obey or comply with the same and shall fail or refuse to bring suit to set the same aside as in said section is provided, then in that event the claimant in addition to the rights and remedies given him and the Board in said section may, after demanding compliance, bring suit in a court of competent jurisdiction, upon said order, ruling, or decision. If he secures a judgment sustaining such order, ruling, or decision in whole or in part, he shall also be entitled to recover the further sum of twelve per cent (12%) as damages upon the amount of compensation so recovered in said judgment, together with a reasonable attorney's fee for the prosecution and collection of such claim.

Where the Board has made an award against the institution requiring the payment to an injured workman or his beneficiaries of any weekly or monthly payments, under the terms of this Act, and the institution should thereafter fail or refuse, without justifiable cause, to continue to make said payments promptly as they mature, then the said injured workman or his beneficiaries, in case of his death, shall have the right to mature the entire claim and to institute suit thereon to collect the full amount thereof, together with twelve per cent (12%) penalties and attorney's fees as herein provided for. Suit may be brought under provisions of this section, either in the county where the accident occurred, or in any county where the claimants reside, or where one or more of such claimants may have his place of residence at the time of the institution of the suit.

Record of injuries; reports

Sec. 12. The institution shall hereafter keep a record of all injuries, fatal or otherwise, sustained by its workmen in the course of their employment. Within eight (8) days after the occurrence of an accident resulting in an injury to a workman, causing his absence from work for more than one day, a written report thereof shall be made to the Board on blanks to be procured from the Board for that purpose. Upon the termination of the incapacity of the injured workman, or if such incapacity extends beyond a period of sixty (60) days, the institution shall make a supplemental report upon blanks to be procured for that purpose. The said report shall contain the name, age, sex and occupation of the injured workman and the character of work in which he was engaged at the time of the injury, and shall state the place, date and hour of receiving such injury and the nature and cause of the injury, and such other information as the Board may require. The institution shall be responsible for the submission of the reports in the time specified in this section.

Rules and regulations; designation of physicians and surgeons; reports of examinations

Sec. 13. The institution is authorized to promulgate and publish such rules and regulations and to prescribe and furnish such forms as may be necessary to the effective administration of this Act, and the institution
shall have authority to make and enforce such rules for the prevention of accidents and injuries as may be deemed necessary. It shall be the duty of the institution to designate a convenient number of regularly licensed practicing physicians and surgeons for the purpose of making physical examinations of all persons employed or to be employed in the service of the institution to determine who may be physically fit to be classified as "workman" as that term is defined in subsection 2 of Section 2 of this Act, and said physicians and surgeons so designated and so conducting such examinations shall make and file with the institution a complete transcript of said examination in writing and sworn to upon a form to be furnished by the institution. It shall be the duty of the institution to preserve as a part of the permanent records of the institution all reports of such examinations so filed with it.

Physical examination before certification

Sec. 14. No person shall be certified as a workman of the institution under the terms and provisions of this Act until he has submitted himself for a physical examination as provided in Section 13 herein and has been certified by the examining physician or surgeon to be physically fit to perform the duties and services to which he is to be assigned; provided that absence of a physical examination shall not be a bar to recovery.

Waiver of rights

Sec. 15. An agreement to waive his rights under this Act made in writing by any workman prior to his employment shall be valid.

Orders, awards or proceeding as evidence; certified copies; fees

Sec. 16. Any order, award, or proceeding of said Board when duly attested by any member of the Board or its secretary shall be admissible as evidence of the act of said Board in any court of this state.

Upon the written request and payment of the fees therefor, which fees shall be the same as those charged for similar services in the Secretary of State's office, the Board shall furnish to any person entitled thereto a certified copy of any order, award, decision, or paper on file in the office of said Board and the fees so received for such copies shall be paid into the State Treasury and credited to the General Revenue Fund; provided that the institution shall be furnished such certified copies without charge. No fee or salary shall be paid to any person in said Board for making such copies in excess of the fees charged for such copies.

Venue of suits; transfer to proper county

Sec. 17. Any interested party who is not willing and does not consent to abide by the final ruling and decision of the Board shall, in the manner and within the time provided by Section 11 of this Act, file notice with said Board, and bring suit in the county where the injury occurred to set aside said final ruling and decision; however, in the event such suit is brought in any county other than the county where the injury occurred, the court in which same is filed shall, upon ascertaining that it does not have jurisdiction to render judgment upon the merit, transfer the case to the proper court in the county where the injury occurred. Provided, however, that notice of said transfer shall be given to the parties and said suit when filed in the court to which the transfer is made, shall be considered for all purposes, the same as if originally filed in said court.

Time for hearing of claim

Sec. 18. When an injured workman has sustained an injury in the course of employment and filed claim for compensation and given notice as required by law, the Board shall hear his claim for compensation within a reasonable time. Provided, however, when such injured workman is being paid compensation as provided in this Act, and the institution is furnishing either hospitalization or medical treatment to such workman, the Board may, within its discretion, delay or postpone the hearing of his claim, and no appeal shall be taken from any such order made by the Board.

Amounts to be set aside for awards and expenses; accounts; reports

Sec. 19. The institution covered by this Act is hereby authorized to set aside from available appropriations other than itemized salary appropriations an amount not to exceed two per cent (2%) of the annual workman payroll of the institution for the payment of all costs, administrative expense, charges, benefits, insurance, and awards authorized by this Act.

The amounts so set aside shall be set up in a separate account in the records of the institution, which account shall show the disbursements authorized by this Act; provided the amounts so set aside in this account shall not exceed two per cent (2%) of the annual workman payroll at any one time. A statement of the amounts set aside for and disbursements from said account shall be included in reports made to the Governor and the Legislature and required by the statutes.

Legal representative of institution

Sec. 20. The Attorney General of the State of Texas shall be the legal representative of the institution and is hereby given power and authority to bring and defend all suits and hearings necessary to carry out the purposes of this Act.

Appeals; notice; duties of clerk of court and attorneys

Sec. 21. In every case appealed from the Board to any District or County Court, the clerk of such court shall, within twenty (20) days after the filing thereof, mail to the Board a notice giving the style, number, and date of filing such suit, and shall, within twenty (20) days after judgment is rendered in such suit, mail to the Board a certified copy of such judgment. The duties devolving upon district and county clerks under this Act shall constitute a part of their ex officio duties and for such services they shall not be entitled to any fee.

In every such case the attorney preparing the judgment shall file the original and a copy of same with the clerk of the court. However, the failure of such attorney to comply with this provision shall not excuse the failure of the clerk of a district or county court to mail a certified copy of such judgment to the Board as above provided.

Any clerk of a district or county court who fails to comply with the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Two Hundred and Fifty Dollars ($250.00), (Acts, 1931, 42nd Legislature, page 308, Chapter 182).

Option of institution as to appropriations

Sec. 22. The institution covered by this Act shall have an option to set aside available appropriations, depending on the availability of such
appropriations, as approved by the Legislature. Under no circumstances shall the institution be obligated to execute this Act should it jeopardize its existing financial operations.

Partial invalidity

Sec. 23. If any section, sentence, clause or part of this Act is for any reason held to be unconstitutional, such decision shall not affect the remaining portions of this Act. The Legislature hereby declares that it would have passed this Act and each sentence, clause and part thereof despite the fact that one or more sections, sentences, clauses or parts thereof be declared unconstitutional. Acts 1957, 55th Leg., p. 536, ch. 252.

Effective 90 days after May 23, 1957, date of adjournment.

Section 24 of the Act of 1957 repealed all conflicting laws and parts of laws to the extent of such conflict.

The defense of any other party, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts. After notice is served for taking a deposition on written interrogatories or by oral examination, upon motion seasonably made by any party or by the person to be examined and upon notice and for good cause shown, the court in which the action is pending may make an order that the deposition shall not be taken, or that it may be taken only before the court or at some designated place other than that stated in the notice or subpoena, or that it may be taken only on written interrogatories, or that it may be taken only by oral examination, or that certain matters shall not be inquired into, or that the examination shall be held with no one present except the witness and his counsel and the parties to the action and their officers and counsel, or that the deposition shall not be taken by or before the officer having the commission, or that after being sealed the deposition shall be opened only by order of the court, or that secret processes, developments or research need not be disclosed, or that the parties shall simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the court; or the court may make any other order which justice requires to protect the party or witness from undue annoyance, embarrassment, oppression, or expense. Added by order of March 19, 1957, effective Sept. 1, 1957.

Rule 187. Deposition to Perpetuate Testimony

When any person may anticipate the institution of a suit in which he may be interested, and may desire to perpetuate the testimony of a witness to be used in such suit, he, his agent or attorney, may file a written statement in the proper court of the county where such suit could be instituted, representing the fact and the names and residences, if known, of the persons supposed to be interested adversely to said person; a copy of which statement and writ shall be served on the persons interested adversely. Where such person, his agent or attorney, shall at the time of filing such statement make affidavit that the names and residences of the heirs, successors or legal representatives of any deceased person are unknown to the affiant, or reside beyond the jurisdiction of the State, the
clerk of the court or justice shall issue a like writ, which shall be served on such unknown or nonresident persons by publication in some newspaper in the mode and manner provided by law for the service of original citation upon nonresidents or unknown parties; after which the depositions of such witnesses may be taken and returned by the parties making the said statement in the form and under the rules prescribed for taking testimony by deposition; and such testimony may be used in any suit which may be thereafter instituted by or between any of the parties to the statement, or those claiming under them, in like manner as if such depositions had been taken after the institution of such suit.

When such suit has been instituted, all such depositions so taken and returned shall be subject to the like exceptions as other depositions. If the motion is denied and if the court finds that the motion was made without substantial justification, the court may require the examining party to pay to the refusing party or witness the amount of the reasonable expenses incurred in opposing the motion, including reasonable attorney's fees.

(b) Failure to Comply with Order. If a party or other witness refuses to be sworn or refuses to answer any question after being directed to do so by the court in which the action is pending or by the district court in the district in which the deposition is being taken, the refusal may be considered a contempt of that court. Or the court in which the action is pending may make such orders in regard to the refusal as are just, and among others, those permitted by Rule 170.

(c) Failure of Party or Witness to Attend. If a party or an officer or managing agent of a party, except for good cause shown, fails to appear before the officer who is to take his oral deposition or his answers to written interrogatories or cross-interrogatories under these rules, after proper service of subpoena, the court in which the action is pending on motion and notice may strike out all or any part of any pleading of that party, or dismiss the action or proceeding or any part thereof, or direct that such party shall not be permitted to present his grounds for relief or his defense, or enter a judgment by default against that party, or make such other order with respect thereto as may be just.

Any witness who, except for good cause shown, fails to appear before the officer who is to take his oral deposition or answers to written interrogatories or cross-interrogatories under these rules, after proper service of subpoena, may be punished as for contempt of the court in which the action is pending or of the district court in the district in which such deposition or answers are to be taken, and an attachment may issue out of such court for such witness, as in ordinary civil cases. J. NEW TRIALS

Rule 324. Prerequisites of Appeal

In all cases tried in the county or district court, where parties desire to appeal from a judgment of the trial court, a motion for new trial shall be filed as a prerequisite to appeal; provided that it shall not be so prerequisite where a peremptory instruction is given, a case is withdrawn from the jury and judgment is rendered by the court without a jury, a judgment is rendered, or denied, non obstante veredicto or notwithstanding the finding of the jury on one or more special issues, or a motion for judgment on the verdict is made by the party who becomes appellant and is overruled; nor shall a motion for new trial be so required in a non-jury case, in a case coming within the proviso of Rule 329-a, or in a case where the appeal is based upon some error of the trial court arising after its action upon the motion for new trial. But motion for new trial shall be a necessary prerequisite to consideration of the complaints mentioned in Rule 325. When judgment is rendered non obstante veredicto or notwithstanding the finding of the jury on one or more special issues, the appellee may bring forward by cross-point contained in his brief filed in the Court of Civil Appeals any ground which would have vitiated the verdict or would have prevented an affirmance of the judgment had one been entered by the trial court in harmony with the verdict, including although not limited to the ground that one or more of a jury's findings have insufficient support in the evidence or are against the overwhelming preponderance of the evidence as a matter of fact, and the ground that the verdict and judgment based thereon should be set aside because of improper argument of counsel. In the event appellee assigns error by cross-point based upon an alleged improper argument of counsel, he shall support the same by proper bill of exceptions. The failure to bring forward by cross-points such grounds as would vitiate the verdict shall be deemed a waiver thereof, save and except such grounds as require the taking of evidence in addition to that adduced upon the trial of the cause. A motion for new trial
shall not be necessary in behalf of appellee where he does not complain of the judgment or a part thereof. As amended by order of March 19, 1957, effective Sept. 1, 1957.

Source: Texas Rule 71a (for District and County Courts).

Change: Reference to fundamental error as an exceptional situation not requiring motion for new trial eliminated. Addition of last sentence commencing “Provided, however.”

Change by amendment of March 31, 1941: The second paragraph above has been added.

Change by amendment effective December 31, 1941: In the first paragraph the concluding wording beginning “by cross assignments of error” has been omitted, and the sentence beginning “A motion for new trial” has been added. Also, in the last paragraph as appearing in the amendment of March 31, 1941, after the words “instructed verdict” the following wording has been interpolated “or in withdrawing the case from the jury and rendering judgment.”

Change by amendment effective January 1, 1955: The Rule has been largely re-written and re-arranged.

Change by amendment effective September 1, 1957: Provisions of Rule dealing with cross-points of error of appellee when judgment has been rendered non obstante veredicto have been expanded to require cross-points, as to any matter, not requiring the taking of evidence, which would vitiate the verdict. The amendment is intended to modify the holding in De Winne v. Allen, 154 Tex. 316, 277 S.W. 2d 95, 99.

Rule 329a. County Court Cases

Motion for new trial when required in any case tried in a County Court shall be made within ten (10) days after the rendition of judgment if the term of court shall continue so long, if not, then before the end of the term, and may be amended under leave of the court. Such motions for new trial, original or amended, shall be determined at the term of the court, at which made. Provided, however, that if there is not remaining in the term five full days’ time from the rendition of the judgment to the adjournment of the court for the term in which the judgment is rendered, the filing of a motion for new trial shall never be a prerequisite to an appeal in a case tried in a county court. As amended by order of March 19, 1957, effective Sept. 1, 1957.

Note: New Rule.

Change by amendment effective September 1, 1957: Time for filing motion changed from two (2) days to ten (10) days.

In all proceedings for writs of mandamus, prohibition, injunction, and other like proceedings originating in the Court of Civil Appeals, the petitioner, upon the filing of the motion for leave to file, shall deposit with the clerk the sum of $10.00 as costs, and if the leave to file is granted, he shall deposit the additional sum of $15.00 to cover the costs in the Court of Civil Appeals. posit the sum of $10.00 with the clerk, which deposit shall cover all costs in such proceeding.

The court may dismiss a proceeding for failure to make proper deposit for costs; provided, however, that no such deposit shall be required of any party who, under these rules or the statutes, is not required to give security for costs. If any party is unable to pay the costs as above required, he may make affidavit of his inability to do so and deliver it to the clerk of the Court of Civil Appeals simultaneously with the tender of the record, petition, or motion. Contest of such affidavit in the Court of Civil Appeals shall be governed by the provisions of Rule 355. If the appellant has filed in the trial court an affidavit of inability to pay costs as required by Rule 355, then he shall be entitled to file the record in the Court of Civil Appeals without making an additional affidavit in that court. As amended by order of March 19, 1957, effective Sept. 1, 1957.

The Supreme Court is authorized to proceed to consider the application as soon as the answer is filed. The last sentence gives the court authority to shorten the period of delay where necessary. Art. 827b. Temporary registration for out of state visitors

Trucks, trailers, etc., used in movement of farm products; temporary registration permit to non-resident owners

Sec. 2A. To expedite and facilitate, during the harvesting season, the harvesting and marketing of wheat, oats, rye, barley, grain sorghums, flax, rice; vegetables in bulk, field crates, or bags, produced in this State, the Department is authorized to issue to a nonresident owner a thirty (30) day temporary registration permit for any truck, truck-tractor, trailer or semi-trailer to be used in the movement of such commodities from the place of production to market, storage or railhead, not more than seventy-five (75) miles distant from such place of production.

To expedite and facilitate, during the harvesting season, the harvesting and movement of farm products produced outside of Texas but marketed or processed in Texas or moved to points in Texas for shipment, the Department is authorized to issue to a nonresident owner a thirty (30) day temporary registration permit for any truck, truck-tractor, trailer or semi-trailer to be used in the movement of such farm commodities from the point of entry into Texas to market, storage, processing plant, railhead or seaport not more than eighty (80) miles distant from such point of entry into Texas. All mileages and distances referred to herein are State Highway mileages. Before such temporary registration provided for in this paragraph may be issued, the applicant must present satisfactory evidence that such motor vehicle is protected by such insurance and in such amounts as may be described in Section 5 of the Texas Motor Vehicle Safety-Responsibility Act (Article 6701h, Vernon's Texas Civil Statutes) as it is now written or as it may hereafter be amended, and such policies must be issued by an insurance company or surety company authorized to write Motor Vehicle Liability Insurance in this State; and that such vehicle has been inspected as required under the Uniform Act Regulating Traffic on Highways in Texas (Article XV of Article 6701d, Vernon's Texas Civil Statutes) as it is now written or as it may hereafter be amended.

The Department is authorized to prescribe the form of the application and the information to be furnished therein for such temporary registration permits. If the application is granted, the Department shall issue a special distinguishing insignia which must be attached to such vehicle in lieu of the regular Texas Highway registration plates. Such special insignia shall show its expiration date. The temporary registration permit fee shall be one-twelfth ($\frac{1}{12}$) of the annual Texas registration fee for the vehicle for which the special permit is secured.

The temporary permits herein authorized shall be issued only when the vehicle for which said permit is issued is legally registered in the nonresident owner's home State or Country for the current registration year; and said permit will remain valid only so long as the home State or Country registration is valid; but in any event the Texas temporary registration permit will expire thirty (30) days from the date of issuance. Not more than three (3) such temporary registration permits may be issued to a nonresident owner during any one (1) vehicle registration year in the State of Texas. A vehicle registered under the terms of this Act may not be operated in Texas after the expiration of the temporary permit unless the nonresident owner secures a second temporary permit as provided above, or unless the nonresident owner registers the vehicle under the appropriate Texas vehicular registration statutes, applicable to residents, for the remainder of the registration year. No such vehicle may be registered with a Texas farm truck license.
Art. 827b

THE PENAL CODE

Any person who shall transport any of the commodities described in this Act, under a temporary permit provided for herein, to a market, place of storage, processing plant, railhead or seaport, which is a greater distance from the place of production of such commodity in this State, or the point of entry into the State of Texas than is provided for in said temporary permit, or shall follow a route other than that prescribed by the Highway Commission, shall be punished by a fine of not less than Twenty-five Dollars ($25), nor more than Two Hundred Dollars ($200).

Nothing in this Act shall be construed to authorize such nonresident owner or operator to operate or cause to be operated any of such vehicles in this State in violation of Acts, 1929, Forty-first Legislature, Chapter 314, as amended (Article 911b, Vernon's Civil Statutes) or any of the other laws of this State. Such registration shall be for one (1) trip only between the points of origin and destination and such intermediate points as may be set forth in the application and registration receipt; and, except where the vehicle is a bus operating under charter which is not covered by a reciprocity agreement with the state or country in which it is registered, such registration shall be for the transit of the vehicle only, and the vehicle shall not at the time of the transit be used for the transportation of any passenger or property whatsoever, for compensation or otherwise. In no case shall such temporary registration be valid for a period longer than fifteen (15) days from the effective date of the registration.

Such registration may be obtained by submitting application therefor on a form prescribed and furnished by the Department, to the County Tax Collector of the county in which the vehicle is first to be operated on the public roads of this State, or to the Department in Austin, and by accompanying such application with a fee of Five Dollars ($5) in cash, post office money order or certified check. A registration receipt shall be issued on a form prescribed and furnished by the Department, which shall be recognized as legal registration and which shall contain all pertinent information required by this law. Said registration receipt shall be carried in the vehicle at all times during its transit within the State.

The Department may refuse, and notify the County Tax Collectors to refuse, to issue temporary registration for any vehicle, when, in its opinion, the vehicle or the owner thereof has been involved in operations which constitute an abuse of the privilege herein granted. Any registration issued after such notice to the County Tax Collectors shall be void.

Any person who shall operate or move any vehicle under registration provided for herein, outside the routes provided for therein, shall be fined not less than Twenty-five Dollars ($25) nor more than Two Hundred Dollars ($200).

This Act applies to registration of vehicles only, and nothing herein shall be construed to authorize the operation or movement of any vehicle

Nothing in this Act shall be construed to authorize any person to exceed any bag limit or to hunt deer during closed season provided for deer; and the fact that a deer tag was attached to the carcass or hide of any deer shall not be prima facie evidence that such deer was lawfully killed.

Disposition of Fees and Fines

Sec. 7. All moneys received from the sale of licenses provided for herein, after the payment of the fees allowed under this Act have been deducted, and all moneys received from penalties assessed for violations of this Act, and for violations of any of the hunting laws not otherwise disposed of by law, after deduction of fees allowed by law, shall be remitted to the Game and Fish Commission at Austin, and be deposited by said Commission in the State Treasury to the credit of the Special Game and Fish Fund, and shall be used for the propagation and distribution, management and protection of game animals in the State, including control of undesirable species and the dissemination of information pertaining to the conservation of game animals in this State. TITLE 14—TRADE AND COMMERCE

CHAPTER ELEVEN B—SALES LIMITATION ACT [NEW]

Art. 1111m. Unconstitutional

This article, consisting of eight sections, and known as the Sales Limitation Act, was derived from Acts 1955, 54th Leg., p. 1622, ch. 524. The article applied only to grocery stores and attempted to prohibit the sale of merchandise at less than cost when a limitation was placed by the seller on the quantity which might be purchased by a single customer. The article was held unconstitutional in the case of San Antonio Retail Grocers, Inc. v. Lafferty, Sup., 297 S.W.2d 813, on the ground that it denied equal protection of the laws in violation of U.S.C.A.Const. Amend. 14, and Vernon's Ann.St.Const. art. 1, §§ 3, 19, in that there was no reasonable basis for applying the Article to grocery stores and exempting other stores.

allows for entry any persons other than employees within such building
or vehicle unless such fireworks are kept where they cannot be reached
or handled by such persons. At all places where fireworks are stored
or sold, there must be posted signs with the words "Fireworks—No
Smoking" in letters not less than four (4) inches high. No fireworks are
to be sold at retail at any location where paints, oils, or varnishes are
kept for use or sale, unless such paints, oils and varnishes are kept in
the original unbroken containers, nor where resin, turpentine, gasoline,
or other inflammable substance which may generate inflammable vapor
is used, stored, or sold, or where the licensing authority or any police,
fire or regulatory body having direct supervision over the establishment

persons; throwing from or into motor vehicle

Sec. 8. Be it further enacted, that it shall be unlawful to offer for
retail sale or to sell any fireworks to children under the age of ten (10)
years or to any intoxicated or irresponsible person. It shall be unlawful
to explode or ignite fireworks within six hundred (600) feet of any
church, hospital, asylum, public school, or within one hundred (100)
feet of where fireworks are stored, sold, or offered for sale. No person

or throw the same from a motor vehicle while within, nor shall any per-
person place or throw any ignited article of fireworks into or at such a
motor vehicle.

Manufacturing, possessing or selling; permit

Sec. 9. Be it further enacted, that no person, firm, corporation or
association, without securing a permit from the State Fire Marshal,
shall manufacture, possess or sell any dangerous fireworks for any use or
purpose, including agricultural purposes or wild life control. Before
any dangerous fireworks may be manufactured, possessed, sold or used,
a permit therefor specifying the uses to be made thereof must be secured
from the State Fire Marshal. Any permittee, whether governmental
agency or commercial manufacturer, which distributes or sells at whole-
sale or retail agricultural or wild life fireworks shall require good and
sufficient proof of the lawful intended use of such fireworks by the pur-
chaser. The purchaser shall be required to exhibit the permit obtained
from the State Fire Marshal as a condition to such purchase; a true copy
of such permit and records specifying the uses to be made shall be given
to the purchaser and only thereafter shall the purchaser be permitted to
use the fireworks in the manner designated in the permit. Each such
permit shall be good only for the specific purposes stated therein and
for the time designated therein and at the end thereof shall be surren-
dered to the State Fire Marshal. The State Fire Marshal shall be paid
$1.00 for each such permit.

Class A fireworks; display, etc.; application for permit; surety bond

Sec. 10. Be it further enacted, that "Class A Fireworks," as used
in this part, shall include the following:
Colored bomb shells over 15 inches in circumference or consisting of more than one break;
Detonating shells, also known as aerial bombs, over nine inches circumference or consisting of more than one break;
Ground bombardments, also known as detonating reports, of all sizes which explode on the ground;
Such other fireworks which may be designated for such classification by the State Fire Marshal.

Any adult person or any firm, copartnership, corporation or association planning to make a public display of fireworks shall first make written application for a permit to the chief of the fire department or the chief fire prevention officer of the city or county in which the display is to be held, or to the State Fire Marshal, or to such authorized deputy as he may designate for such purpose if there be no chief of the fire department or chief fire prevention officer in the area, at least 24 hours in advance of the date of the proposed display.

It shall be the duty of the officer to whom the application for a permit is made to make an investigation as to whether such a display as proposed shall be of such a character and so located that it may be hazardous to property or dangerous to any person, and he shall in the exercise of reasonable discretion grant or deny the application, subject to such reasonable conditions, if any, as he may prescribe.

The applicant for such display permit shall at the time of application furnish proof that he carries compensation insurance for his employees as provided by the laws of this state, and he shall file with the officer to whom the application is made, a bond issued by an authorized surety company to be approved by such officer, conditioned upon the applicant's payment of all damages to persons or property which shall or may result from or be caused by such public display of fireworks, or any negligence on the part of the applicant, or his or its agents, servants, employees, or subcontractors in the presentation thereof, or a certificate evidencing the carrying of appropriate public liability insurance issued by an insurance carrier authorized to transact business in this state for the benefit of the person named therein as assured, as evidence of ability to respond in damages in at least such amount, said policies to be similarly approved. If the permit is granted, the sale, possession, and use of fireworks for public display is lawful for that purpose only. No permit granted is transferable.

In the case of an applicant for a permit to display Class A fireworks, or a combination of Class A and Class B fireworks, the amount of such a surety bond shall be not less than Ten Thousand Dollars ($10,000.00), and the amount of such insurance shall be not less than Twenty Thousand Dollars ($20,000.00).

In the case of an application for a permit to display Class B fireworks exclusively, the amount of the surety bond shall be not less than One Thousand Dollars ($1,000.00), and the amount of the insurance shall be not less than Five Thousand Dollars ($5,000.00). Provided, that in lieu of filing a surety bond, an applicant for such a Class B permit may file a bond in the sum of at least One Thousand Dollars ($1,000.00) with at least two good and sufficient sureties, subject to like conditions and to the approval of the officer issuing the permit.

Every public display of fireworks which includes in whole or in part "Class A Fireworks" shall be handled or supervised by a competent and experienced pyrotechnic operator approved by the chief of the fire department or the chief fire prevention officer of the city or county in which the display is to be held, or by the State Fire Marshal or his authorized deputy.
therefor, if there be no chief of the fire department or chief fire prevention officer in the area.

Public display of "Class B Fireworks" may be supervised or handled by any competent adult person approved by the officer issuing the permit.

The State Fire Marshal shall adopt reasonable rules and regulations not inconsistent with the provisions of this part, for the granting of permits for, and the presentation of, public displays of fireworks.

All public displays of fireworks shall be of such a character and so located, discharged, or fired as not to be hazardous or dangerous to persons or property.

Notwithstanding the provisions of this part, any adult person, or any firm, corporation, or copartnership may secure a general license for the public display of fireworks within the State of Texas, subject to the provisions of this part relative to the securing of local permits for displaying of fireworks in any city or county, excepting that in lieu of filing such bonds or certificate of public liability insurance as hereinabove provided in this part, a surety bond similarly conditioned in the amount of Twenty-five Thousand Dollars ($25,000.00) or a certificate evidencing public liability insurance in a like amount shall be filed with the State Fire Marshal, who shall have the authority to issue such licenses, subject to such reasonable rules and regulations, not inconsistent herewith, which he may adopt. A certificate evidencing such general license, when so obtained, shall be filed with the legislative body or officer granting a permit for the display of fireworks prior to the issuance thereof.

No permit shall be granted for the discharge of dangerous fireworks except in connection with public display of fireworks.

No person shall transport, convey or deliver any dangerous fireworks except for permittees making delivery to any other permittees, or to locations of public displays of fireworks authorized hereunder or to distributors outside of this state.

For purposes of license the sale and/or possession of "Class A" and "Class B" fireworks only, as described herein, shall require a Distributor's permit.

Violations as misdemeanors; punishment

Sec. 11. Be it further enacted, that any individual, firm, partnership, or corporation that violates any provisions of this Act shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than One Thousand Dollars ($1,000.00), or imprisoned for not more than one (1) year, or both, in the discretion of the court or jury.

License fees; disposition of proceeds

Sec. 12. Be it further enacted, that all moneys derived from the license fees provided in Section 5 of this Act shall be paid into the State Treasury by the State Fire Marshal for safe keeping and shall by the State Treasurer be placed in a separate fund to be made available in such amounts as may be appropriated by the Legislature for the use of the State Fire Marshal in the administration of this Act and upon requisition by the State Fire Marshal. All such moneys so paid into the State Treasury and thus appropriated may be used by the State Fire Marshal for salaries and expenses of all persons employed for the administration and enforcement of this Act including all necessary travel expenses of the State Fire Marshal, or any assistant or appointee, and the Attorney General or persons authorized to act for either, when performing duties hereunder.
On January 1st of each year the unused portion of said funds in said special account for the past fiscal year shall be paid over and become a part of the general revenue fund.

Partial invalidity

Sec. 13. Be it further enacted, if any portion of this Act be held unconstitutional, such holding shall not invalidate the remainder thereof.

Repealer

Sec. 14. Be it further enacted, that any Acts, laws or parts of laws in conflict herewith are hereby repealed to the extent of the conflict. However, this Act shall not repeal or affect any town, city or municipal ordinance which prohibits the sale and use of fireworks within the town, city or municipal boundaries which is in effect before the effective date of this Act, or that may be enacted after the effective date of this Act. Provided, however, that nothing herein shall be construed to limit or restrict the powers of cities, towns or villages as defined and delegated by Title 28, Revised Civil Statutes of Texas, to enact ordinances prohibiting or imposing further regulations on fireworks; and provided, however, that any ordinance or ordinances heretofore enacted by any city under the authority of the above mentioned Title shall remain in full force and effect until thereafter amended by such city.

Effective date

Sec. 15. Be it further enacted, that this Act shall be and become effective on February 1st next from and after the passage of this Act, and any and all fireworks other than those defined in Section 2 above in the possession of any manufacturer, distributor, jobber or retailer for use in the State of Texas from and after the effective date of this Act shall be considered as a violation hereof and such persons, firms, corporations or associations shall be subject to the penalties herein provided. When the accused is brought into Court for the purpose of being arraigned, if it appears that he has no counsel and is too poor to employ counsel, the Court shall appoint one (1) or more practicing attorneys to defend him.

The counsel so appointed shall have at least ten (10) days to prepare for trial, unless such time be waived in writing by said attorney. As amended Acts 1957, 55th Leg., p. 392, ch. 193.

Section 2 of the amendatory Act of 1957 repealed all conflicting laws and parts of laws to the extent of conflict only. Section 3 was a severability clause.

Art. 768. 855, 833 Pronouncing sentence; time; credit for time spent in jail between arrest and sentence or pending appeal

If a new trial is not granted, nor judgment arrested in felony and misdemeanor cases, the sentence shall be pronounced in the presence of the defendant at any time after the expiration of the time allowed for making the motion for a new trial or the motion in arrest of judgment; provided that in all criminal cases the judge of the court in which defendant was convicted may, within his discretion, give the defendant credit on his sentence for the time, or any part thereof, which said defendant has spent in jail in said cause, from the time of his arrest and confinement until his sentence by the trial court; and provided further, that in all cases where the defendant has been tried for any violation of the laws of the State of Texas, and has been convicted and has appealed from said judgment and/or sentence of conviction, and where said cause has been affirmed by the Court of Criminal Appeals, and after receipt of the mandate by the clerk of the trial court, the judge is authorized to again call said defendant before him; and if, pending appeal, the defendant has not made bond or entered into recognizance and has remained in jail pending the time of such appeal, said trial judge may then in his discretion resentence the defendant and may subtract from the original sentence pronounced upon the defendant, the length of time the defendant has lain in jail pending such appeal; provided, however, that the provisions of this Act shall not apply after conviction and sentence in felony cases in which bond or recognizance is not permitted by law. Acts 1957, 55th Leg., p. 466, ch. 226, enacting the Adult Probation and Parole Law of 1957 (Vernon's Ann. C.C.P. art. 781d) provides in section 35 for the repeal of various specific statutes and of all conflicting laws, but saves from repeal this and other articles therein enumerated.

Art. 781d. Adult Probation and Parole Law of 1957

Article I. Purpose of Act and Definitions

Section 1. It is the purpose of this Act to place wholly within the state courts of appropriate jurisdiction the responsibility for determining when the imposition or execution of sentence in certain cases shall be suspended, the conditions of probation, and the supervision of probationers, in consonance with the powers assigned to the judicial branch of this government by the Constitution of Texas. It is also the intent of this Act to provide for the release of persons on parole and for the method thereof, to designate the Board of Pardons and Paroles as the responsible agency of state government to recommend determination of paroles and to further designate the Board of Pardons and Paroles as responsible for the investigation and supervision of persons released on parole. It is the final purpose of this Act to remove from existing statutes the limitations, and questions of constitutionality, that have acted as barriers to effective systems of probation and paroles in the public interest.

Sec. 2. This Act may be cited as the Adult Probation and Parole Law of 1957. Unless the context otherwise requires, the following definitions shall apply to the specified words and phrases as used in this Act:

a. "Courts" shall mean the courts of record having original criminal jurisdiction of felony actions.

b. "Probation" shall mean the release of a convicted defendant by a court under conditions imposed by the court for a specified period during which the imposition or execution of sentence is suspended.

c. "Parole" shall mean the release of a prisoner from imprisonment but not from the legal custody of the state, for rehabilitation outside of prison walls under such conditions and provisions for disciplinary supervision as the Board of Pardons and Paroles may determine. "Parole" shall not be construed to mean a commutation of sentence or any other form of executive clemency.

d. "Probation officer" shall mean either a person duly appointed by one or more courts of record having original criminal jurisdiction, to supervise defendants placed on probation; or a person designated by such courts for such duties on a part-time basis.

e. "Parole officer" shall mean a person duly appointed by the Director of the Division of Parole Supervision and assigned the duties of investigating and supervising paroled prisoners to see that the conditions of parole are complied with.

f. "Board" shall mean the Board of Pardons and Paroles.

g. "Division" shall mean the Division of Parole Supervision of the Board of Pardons and Paroles.

h. "Director" shall mean the Director of the Division of Parole Supervision.

Article II. Probations

Sec. 3. The courts of the State of Texas having original jurisdiction of felony criminal actions, when it shall appear to the satisfaction of the court that the ends of justice and the best interests of the public as well
as the defendant will be subserved thereby, shall have the power, after conviction or a plea of guilty for any felony crime or offense except murder, rape, and offenses against morals, decency, and chastity, where the maximum punishment assessed the defendant does not exceed ten years imprisonment, and where the defendant has not been previously convicted of a felony, to suspend the imposition or the execution of sentence and may place the defendant on probation for the maximum period of the sentence imposed or, if no sentence has been imposed, for the maximum period for which the defendant might have been sentenced, or impose a fine applicable to the offense committed and also place the defendant on probation as hereinafter provided. Any such person placed on probation shall be under the supervision of such court.

Sec. 4. When directed by the court a probation officer shall fully investigate and report to the court in writing the circumstances of the offense, criminal record, social history and present condition of the defendant. Whenever practicable, such investigation shall include a physical and mental examination of the defendant. If a defendant is committed to any institution the probation officer shall send a report of such investigation to the institution at the time of commitment.

Sec. 5. Only the court in which the defendant was tried may grant probation, fix or alter the conditions, revoke the probation, or discharge the defendant, unless the court has transferred jurisdiction of the case to another court with the latter's consent. After a defendant has been placed on probation, jurisdiction of the case may be transferred to a court of the same rank in this state having geographical jurisdiction where the defendant is residing or where a violation of the conditions of probation occurs. Upon transfer, the clerk of the court of original jurisdiction shall forward a transcript of such portions of the record as the transferring judge shall direct to the court accepting jurisdiction, which latter court shall thereafter proceed as if the trial and conviction had occurred in that court. Any court having geographical jurisdiction where the defendant is residing or where a violation of the conditions of probation occurs may issue a warrant for his arrest, but the determination of action to be taken after arrest shall be only by the court having jurisdiction of the case at the time the action is taken.

Sec. 6. The court having jurisdiction of the case shall determine the terms and conditions of probation and may at any time during the period of probation alter or modify the conditions and may include, but shall not be limited to, the conditions that the probationer shall:

a. Commit no offense against the laws of this or any other state or the United States;

b. Avoid injurious or vicious habits;

c. Avoid persons or places of disreputable or harmful character;

d. Report to the probation officer as directed;

e. Permit the probation officer to visit him at his home or elsewhere;

f. Work faithfully at suitable employment as far as possible;

g. Remain within a specified place;

h. Pay his fine, if one be assessed, in one or several sums, and make restitution or reparation in any sum that the court shall determine; and

i. Support his dependents.

Sec. 7. At any time, after the defendant has satisfactorily completed one-third of the original probationary period or two years of probation, whichever is the lesser, the period of probation may be reduced or terminated by the court. Upon the satisfactory fulfillment of the conditions of probation, and the expiration of the period of probation, the court, by
order duly entered, shall amend or modify the original sentence imposed, if necessary, to conform to the probation period and shall discharge the defendant. In case the defendant has been convicted or has entered a plea of guilty, and the court has discharged the defendant hereunder, such court may set aside the verdict or permit the defendant to withdraw his plea, and shall dismiss the accusation, complaint, information or indictment against such defendant, who shall thereafter be released from all penalties and disabilities resulting from the offense or crime of which he has been convicted or to which he has pleaded guilty, except that proof of his said conviction or plea of guilty shall be made known to the court should the defendant again be convicted of any criminal offense.

Sec. 8. At any time during the period of probation the court may issue a warrant for violation of any of the conditions of the probation and cause the defendant to be arrested. Any probation officer, police officer or other officer with power of arrest, may arrest such defendant without a warrant upon the request of the judge of such court. A probationer so arrested may be detained in the county jail or other appropriate place of detention until he can be taken before the court. Such officer shall forthwith report such arrest and detention to such court. Thereupon, the court shall cause the defendant to be brought before it and, after a hearing without a jury, may continue or revoke the probation and shall in such case proceed to deal with the case as if there had been no probation.

Any probationer who removes himself from the State of Texas without permission of the court having jurisdiction of the case, shall be deemed and considered a fugitive from justice and shall be subject to extradition as now provided by law. No part of the time that the defendant is on probation shall be considered as any part of the time that he shall be sentenced to serve. The right of the probationer to appeal to the Court of Criminal Appeals for a review of the trial and conviction, as provided by law, shall be accorded the probationer at the time he is placed on probation. When he is notified that his probation is revoked for violation of the conditions of probation and he is called on to serve a jail or penitentiary sentence he may appeal the revocation.

Sec. 9. If, for good and sufficient reasons, probationers desire to change their residence within the state, such transfer may be effected by application to their supervising probation officer, which transfer shall be subject to the court's consent and subject to such regulations as the court may require in the absence of a probation officer in the locality to which the probationer is transferred.

Sec. 10. For the purpose of providing adequate probation services, the judge or judges having original jurisdiction of criminal actions in the county or counties, if applicable, are authorized, with the advice and consent of the Commissioners Court as hereinafter provided, to employ and designate the titles and fix the salaries of probation officers, and such administrative, supervisory, stenographic, clerical, and other personnel as may be necessary to conduct pre-sentence investigations, supervise and rehabilitate probationers, and enforce the terms and conditions of probation. Only those persons who have successfully completed education in an accredited college or university and two years full time paid employment in responsible probation or correctional work with juveniles or adults, social welfare work, teaching or personnel work; or persons who are licensed attorneys with experience in criminal law; or persons who are serving in such capacities at the time of the passage of this Act and who are not otherwise disqualified by Section 31 of this Act, shall be eligible for appointments as probation officers; provided that additional experience in any of the above work categories may be substituted year for
year for the required college education, with a maximum substitution of two years.

It is the further intent of this Act that the caseload of each probation officer not substantially exceed 75 probationers.

Where more than one probation officer is required, the judge or judges shall appoint a chief adult probation officer or director, who, with their approval, shall appoint a sufficient number of assistants and other employees to carry on the professional, clerical, and other work of the court.

Provided that the judge or judges, with the approval of the juvenile board of the county, may authorize the chief probation or chief juvenile officer to establish a separate division of adult probation and appoint adult probation officers and such other personnel as required. It is the further intent of this Act that the same person serving as a probation officer for juveniles shall not be required to serve as a probation officer for adults, and vice versa.

The judge or judges may, with the approval of the director of parole supervision, designate a parole officer or supervisor employed by the Division of Parole Supervision as a probation officer for the county or district.

Probation officers shall be furnished transportation, or alternatively, shall be entitled to an automobile allowance for use of personal automobile on official business, under the same terms and conditions as is provided for sheriffs.

The salaries of personnel, and other expenses essential to the adequate supervision of probationers, shall be paid from the funds of the county or counties comprising the judicial district or geographical area served by such probation officers. In instances where a district court has jurisdiction in two or more counties, the total expenses of such probation services shall be distributed approximately in the same proportion as the population in each county bears to the total population of all of those counties, according to the last preceding or any future federal census. In all the instances of the employment of probation officers, the responsible judges and county commissioners are authorized to accept grants or gifts from other political subdivisions of the state or associations and foundations, for the sole purpose of financing adequate and effective probationary programs in the various parts of the state. For the purposes of this Act, the municipalities of this state are specifically authorized to grant and allocate such sums of money as their respective governing bodies may approve to their appropriate county governments for the support and maintenance of effective probationary programs. All grants, gifts, and allocations of the character and purpose described in this section shall be handled and accounted for separately from other public funds of the county.

Sec. 11. For the purpose of determining when fees are to be paid to any officer or officers, the placing of the defendant on probation shall be considered a final disposition of the case, without the necessity of waiting for the termination of the period of probation or suspension of sentence.

**Article III. Paroles**

Sec. 12. The Board of Pardons and Paroles created by Article 4, Section 11 of the constitution of this state, shall administer the provisions of this Act respecting determinations of which prisoners shall be paroled from the Prison System of this state, the conditions of such paroles, and may recommend the revocation of paroles by the Governor.

Sec. 13. The members of the Board shall give full time to the duties of their office and shall be paid such salaries as the Legislature may de-
The members of the Board shall elect one of their number as chairman, who shall serve for a period of two years and until his successor is elected and qualified.

The Board shall meet at the call of the chairman and from time to time as may otherwise be determined by majority vote of the Board. A majority of the Board shall constitute a quorum for the transaction of all business.

The Board shall adopt an official seal of which the courts shall take judicial notice. Decisions of the Board shall be by majority vote.

The Board shall keep a record of its acts and shall notify each institution of its decision relating to the persons who are to have been confined therein. At the close of each fiscal year the Board shall submit to the Governor and to the Legislature a report with statistical and other data of its work.

All minutes of the Board and decisions relating to parole, pardon and clemency shall be matters of public record and subject to public inspection at all reasonable times.

Sec. 14. The necessary office quarters shall be provided for the Board in the manner that the same are furnished to other departments, boards, commissioners, bureaus and offices of the state.

Sec. 15. The Board is hereby authorized to release on parole with the approval of the Governor any person confined in any penal or correctional institution of this state, except persons under sentence of death, who has served one-third ($\frac{1}{3}$) of the maximum sentence imposed; provided that in any case he may be paroled after serving fifteen years; and provided further that where the maximum sentence is not four times as great as the minimum sentence, and the convict has served the minimum sentence, and where the maximum sentence is greater than four times the minimum sentence, and the convict has served one-fourth ($\frac{1}{4}$) of the maximum sentence, such convict may be paroled during good behavior for the balance of the term imposed upon him. All paroles shall issue upon order of the Board, duly adopted and approved by the Governor.

Within one year after a prisoner's admittance to the penal or correctional institution and at such intervals thereafter as it may determine, the Board shall secure and consider all pertinent information regarding each prisoner, except any under sentence of death, including the circumstances of his offense, his previous social history and criminal record, his conduct, employment and attitude in prison, and the reports of such physical and mental examinations as have been made.

Before ordering the parole of any prisoner, the Board may have the prisoner appear before it and interview him. A parole shall be ordered only for the best interest of society, not as an award of clemency; it shall not be considered to be a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the Board believes that he is able and willing to fulfill the obligations of a law-abiding citizen. Every prisoner while on parole shall remain in the legal custody of the institution from which he was released but shall be amenable to the orders of the Board.

The Board may adopt such other rules not inconsistent with law as it may deem proper or necessary, with respect to the eligibility of prisoners for parole, the conduct of parole hearings, or conditions to be imposed upon parolees. Whenever an order for parole is issued it shall recite the conditions thereof.

It shall be the duty of the Board at least ten days before ordering the parole of any prisoner or upon the granting of executive clemency by the Governor to notify the sheriff, the district attorney and the district judge.
in the county where such person was convicted that such parole or clemency is being considered by the Board or by the Governor.

If no parole officer has been assigned to the locality where a person is to be released on parole or executive clemency the Board shall notify the chairman of the Voluntary Parole Board of such county prior to the release of such person. The Board shall request such Voluntary Parole Board, in the absence of a parole officer, for information which would herein be required of such duly appointed parole officer. This shall not, however, preclude the Board from requesting information from any public agency in such locality.

Sec. 16. It shall be the duty of any judge, district attorney, county attorney, police officer or other public official of the state, having information with reference to any prisoner eligible for parole, to send in writing such information as may be in his possession or under his control to the Board, upon request of any member or employee thereof.

Sec. 17. It shall be the duty of all prison officials to grant to the members of the Board, or its properly accredited representatives, access at all reasonable times to any prisoner, to provide for the Board or such representatives facilities for communicating with and observing such prisoner, and to furnish to the Board such reports as the Board shall require concerning the conduct and character of any prisoner in their custody and any other facts deemed by the Board pertinent in determining whether such prisoner shall be paroled.

Sec. 18. The Board shall formulate rules as to the submission and presentation of information and/or arguments to the Board for and in behalf of any parolee under the jurisdiction of the Board.

All persons presenting information or arguments to the Board shall submit their statements in writing and not otherwise, and shall submit therewith an affidavit stating whether any fee has been paid or is to be paid for their services in the case, the amount of such fee, if any, and by whom such fee is paid or to be paid.

Sec. 19. The Board shall have power to issue subpoenas requiring the attendance of such witnesses and the production of such records, books, papers, and documents as it may deem necessary for investigation of the case of any person before it. Subpoenas may be signed and oath administered by any member of the Board. Subpoenas so issued may be served by a sheriff, constable, police, parole, or probation officer, or other law enforcement officer, in the same manner as similar process in courts of record having original jurisdiction of criminal actions. Any person who testifies falsely or fails to appear when subpoenaed, or fails or refuses to produce such material pursuant to the subpoena, shall be subject to the same orders and penalties to which a person before a court is subject. Any courts of record having original jurisdiction of criminal actions upon application of the Board, may in their discretion compel the attendance of witnesses, the production of such material and the giving of testimony before the Board, by an attachment for contempt or otherwise in the same manner as production of evidence may be compelled before such courts of record having original jurisdiction of criminal actions.

Sec. 20. The Board shall have the power and duty to make rules for the conduct of persons placed on parole by the Board.

Sec. 21. Upon order by the Governor, the Board is authorized to issue a warrant for the return of any paroled prisoner to the institution from which he was paroled. Such warrant shall authorize all officers named therein to return such paroled prisoner to actual custody in the penal institution from which he was paroled. Pending hearing, as hereinafter provided, upon any charge of parole violation, the prisoner shall remain incarcerated in such institution.
For Annotations and Historical Notes, see Vernon's Texas Annotated Statutes

Any peace officer, and any parole officer when so authorized by the stipulated conditions of parole, may arrest a parolee without a warrant when the parolee has, in the judgment of such officer, violated the conditions of his parole. The arresting officer shall present to the detaining authorities a statement in writing of the circumstances of violation. The arresting officer shall at once notify the Board of the arrest and detention of the parolee and shall submit in writing a report showing in what manner the parolee has violated the conditions of the parole.

A parolee for whose return a warrant has been issued by the Board shall, after the issuance of such warrant, be deemed a fugitive from justice and if it shall appear that he has violated the provisions of his parole, then the time from the issuing of such warrant to the date of his arrest shall not be counted as any part of the time to be served under his sentence. The law now in effect concerning the right of the State of Texas to extradite persons and return fugitives from justice, from other states to this state, shall not be impaired by this Act and shall remain in full force and effect.

Sec. 22. Any prisoner who commits a felony while at large upon parole and who is convicted and sentenced therefor, may be required by the Board to serve such sentence after the original sentence has been completed unless the court in imposing sentence shall have otherwise directed.

Whenever a paroled prisoner is accused of a violation of his parole on information and complaint by a law enforcement officer or parole officer, he shall be entitled to be heard on such charges before the Board under such rules and regulations as the Board may adopt; providing, however, said hearing shall be held within forty-five days of the date of arrest and at a time and place set by the Board. When the Board has heard the facts, it may recommend to the Governor that the parole be continued, or revoked, or modified in any manner the evidence may warrant. When the Governor revokes a prisoner's parole, he may be required to serve the portion remaining of the sentence on which he was released on parole, such portion remaining to be calculated without audit for the time from the date of his release on parole to the date of his arrest or charge of parole violation.

Sec. 23. A parolee shall be required to serve out the whole term for which he was sentenced, subject to the deduction of the time he had served prior to his parole and to any diminution of sentence earned for good behavior while imprisoned. This provision, however, shall not be construed so as to interfere with the Constitutional power conferred upon the Governor to grant pardons and to commute sentences.

When any paroled prisoner has fulfilled the obligations of his parole and has served out his term as conditioned in the preceding paragraph, the Board shall make a final order of discharge and issue to the parolee a certificate of such discharge.

Sec. 24. Whenever any prisoner serving an indeterminate sentence, as provided by law, shall have served for twelve months on parole in a manner acceptable to the Board, it shall review the prisoner's record and make a determination whether to recommend to the Governor that the prisoner be pardoned and finally discharged from the sentence under which he is serving.

When any prisoner who has been paroled has complied with the rules and conditions governing his parole until the end of the term to which he was sentenced, and without a revocation of his parole, the Board shall report such fact to the Governor prior to the issuance of the final order of discharge, together with its recommendation as to whether the prisoner should be restored to citizenship.
Sec. 25. On request of the Governor the Board shall investigate and report to the Governor with respect to any person being considered by the Governor for pardon, commutation of sentence, reprieve, or remission of fine or forfeiture, and make recommendations thereon.

Article IV. Supervision of Parolees

Sec. 26. The Board of Pardons and Paroles shall have general responsibility for the investigation and supervision of all prisoners released on parole. For the discharge of this responsibility, there is hereby created with the Board of Pardons and Paroles a Division of Parole Supervision. Subject to the general direction of the Board of Pardons and Paroles, the Division of Parole Supervision including its field staff shall be responsible for obtaining and assembling any facts the Board of Pardons and Paroles may desire in considering parole eligibility, and for investigating and supervising paroled prisoners to see that the conditions of parole are complied with, and for making such periodic reports on the progress of parolees as the Board may desire.

Sec. 27. All information obtained in connection with prison inmates applying for parole or individuals who may be on parole and under the supervision of the Division, or persons directly identified in any proposed plan of release for a parolee, shall be privileged information and shall not be subject to public inspection; provided, however, that all such information shall be available to the Governor and the Board of Pardons and Paroles upon request. It is further provided that statistical and general information respecting the parole program and system, including the names of paroled prisoners and data recorded in connection with parole services, shall be subject to public inspection at any reasonable time.

Sec. 28. Salaries of all employees of the Division of Parole Supervision shall be governed by Appropriation Acts of the Legislature. The Board of Pardons and Paroles shall appoint a Director of the Division, and all other employees shall be selected by the Director, subject to such general policies and regulations as the Board may approve.

It is expressly provided, however, that no person may be employed as a parole officer or supervisor, or be responsible for the investigations, surveillance, or supervision of persons on parole, unless he meets the following qualifications together with any other qualifications that may be specified by the Director of the Division, with the approval of the Board of Pardons and Paroles: 26 to 55 years of age, with four years of successfully completed education in an accredited college or university, and two years of full time paid employment in responsible correctional work with adults or juveniles, social welfare work, teaching, or personnel work. Additional experience in the above categories may be substituted year for year for the required college education, with a maximum substitution of two years.

Sec. 29. Any parole officer or supervisor employed by the Division of Parole Supervision may, with the approval of the Director, be designated as a probation officer by the judge of a court of the state having original jurisdiction of criminal actions. Any proportional part of the salary paid to a parole officer or supervisor so designated, however, in compensation for his service as a probation officer, shall be only with the prior written approval of the Director; and all such proportional salary payments shall be periodically reported to the Governor and the Legislature by the Director.

Sec. 30. In order to provide supervision of parolees or of persons granted executive clemency who reside in sparsely settled areas of the state and in localities not served by regularly employed parole officers, the Governor of this state is authorized to appoint chairmen of Voluntary
Parole Boards for such areas or localities. The appointed chairman may, with the advice and approval of the Director of the Division of Parole Supervision, appoint additional members of such Voluntary Parole Boards. The term of service by such appointed chairmen of Voluntary Parole Boards shall not exceed the term of office of the appointing Governor; and the terms of service of locally appointed additional members of such Voluntary Parole Boards shall not exceed the terms of office of the Director. However, it is expressly provided that the terms of service by such chairmen and additional members of Voluntary Parole Boards may be continued by appropriate reappointments. The chairman of the Voluntary Parole Board shall be responsible for assigning supervision of parolees to the members of such Board.

Sec. 31. No person who is serving as a sheriff, deputy sheriff, constable, deputy constable, city policeman, Texas Ranger, state highway patrolman, or similar law enforcement officer, or as a prosecuting attorney, assistant prosecuting attorney or investigator for a prosecuting attorney, shall act as a parole officer or be responsible for the supervision of persons on parole.

Sec. 32. Any parole officer or supervisor employed by the Division of Parole Supervision may, upon request of the Governor or the Board of Pardons and Paroles and by direction of the Director, be responsible for supervising persons placed on conditional pardon or furlough.

Article V. General Provisions

Sec. 33. The provisions of this Act shall not be construed to prevent or limit the exercise by the Governor of powers of executive clemency vested in him by the constitution of this state.

Sec. 34. The provisions of this Act shall not apply to parole from institutions for juveniles.

Sec. 35. The following statutes are hereby repealed: Chapter 452, Acts 50th Legislature, Regular Session, 1947, (Adult Probation and Parole Law of 1947, codified as Article 781b of Vernon's Texas Code of Criminal Procedure); Article 775a, Code of Criminal Procedure; Articles 959 through 966, Code of Criminal Procedure; all statutes authorizing appointment of adult probation and parole officers where a probation and parole officer had not been assigned in accordance with the provisions of Chapter 452, Acts of the 50th Legislature. All other laws or parts of laws in conflict herewith are hereby repealed in so far only as they conflict with the provisions of this Act. However, nothing in this Act shall be construed as repealing Articles 776 through 781 of the Texas Code of Criminal Procedure, 1925, as heretofore amended, or Section 4 of Chapter 43, General Laws, 42nd Legislature, 1931 (Article 776a of Vernon's Texas Code of Criminal Procedure), which statutes are commonly known as the Suspended Sentence Law; or as repealing Chapter 440, Acts of the 52nd Legislature, 1951, (Uniform Act for Out-of-State Parole Supervision).

Sec. 36. This Act shall not be deemed to alter or invalidate any probationary period fixed under statutes in force prior to the effective date of this Act or to limit the jurisdiction or power of a court to modify or terminate such probationary period. In other respects, persons placed on probation or parole prior to the effective date of this Act shall be amenable to the provisions of this Act in so far as it may be made applicable to them. All other actions pertaining to probations and paroles granted prior to the effective date of this Act shall be regulated according to the law in force at the time the probation or parole was granted. Acts 1957, 55th Leg., p. 466, ch. 226.

Effective 90 days after May 25, 1957, date of adjournment. Section 37 of the Act of 1957 was a severability clause.
Art. 921

CODE OF CRIMINAL PROCEDURE

TITLE 12—MISCELLANEOUS PROCEEDINGS

CHAPTER ONE—INSANITY AFTER CONVICTION

Art. 932—1. Mental illness after conviction

Sec. 10. A person who has been convicted of a criminal offense and sentenced to a term in the penitentiary or the county jail and whose sentence has been probated, suspended or served or who is on parole, is not by reason of that offense a person charged with a criminal offense as that phrase is used in Article 1, Sections 15 and 15a of the Constitution of the State of Texas, and such a person who is mentally ill may be hospitalized under the same procedures provided for other persons who are mentally ill.

Transfer from Penitentiary to Mental Hospital

Sec. 11. (a) The General Manager of the Texas Prison System may transfer a prisoner not under death sentence who is confined in the State Penitentiary to a State mental hospital if a prison physician is of the opinion that the prisoner is mentally ill and would benefit from treatment in a mental hospital and if he is advised by the head of a State mental hospital that facilities are available for treatment of the prisoner.

(b) A prisoner so transferred remains under the jurisdiction of the Texas Prison System.

(c) The General Manager shall transport the prisoner to and from the State mental hospital.

Transfer from County Jail to Mental Hospital

Sec. 12. (a) The county judge may transfer a prisoner who is serving a sentence in a county jail to a State mental hospital if the county health officer certifies that the prisoner is mentally ill and would benefit from treatment in a mental hospital and if the judge is advised by the head of a State mental hospital that facilities are available for treatment of the prisoner.

(b) A prisoner so transferred remains under the jurisdiction of the sheriff of the county.

(c) The county from which a prisoner is so transferred shall transport the prisoner to and from the State mental hospital, and shall pay the costs of his support, treatment and maintenance while in the State mental hospital as a prisoner.

Confinement in Mental Hospital

Sec. 13. The head of the State mental hospital in which a prisoner is being treated shall take reasonable precaution to prevent the escape of the prisoner and shall not discharge or furlough the prisoner or transfer him to any mental hospital other than a State mental hospital during the term of his sentence.
Escape from Mental Hospital

Sec. 14. The General Manager of the Texas Prison System or the sheriff from whose custody the prisoner was transferred is responsible for regaining custody of a prisoner who escapes from a State mental hospital.

Recovery before Expiration of Sentence

Sec. 15. When the head of the State mental hospital determines that a prisoner whose sentence has not expired no longer requires hospitalization for mental illness or will not benefit from continued hospitalization, he shall so notify the General Manager of the Texas Prison System or the county judge who transferred the prisoner to the State mental hospital. Upon receiving this notice the General Manager or the county judge shall immediately transport the prisoner from the State mental hospital to the penitentiary or county jail to serve the unexpired portion of his sentence.

Examination prior to Expiration of Sentence

Sec. 16. Prior to the date of the expiration of the sentence of a prisoner who is being treated in a State mental hospital, the head of the mental hospital shall have the prisoner examined and shall determine whether he requires further hospitalization as a mentally ill person and whether because of his mental illness he is likely to cause injury to himself or others if not restrained.

(a) The head of the mental hospital shall release the prisoner upon receiving notice of his discharge from the penitentiary or from jail, unless he determines that the prisoner requires further hospitalization as a mentally ill person and because of his mental illness is likely to cause injury to himself or others if not restrained.

(b) If the head of the hospital determines that the prisoner requires further hospitalization as a mentally ill person and because of his mental illness is likely to cause injury to himself or others if not restrained, he shall cause to be filed in the county court of the county in which the hospital is located a Certificate of Examination for Mental Illness and An Application for Temporary Hospitalization or Petition for Indefinite Commitment and may detain the person as a patient after his discharge from prison pending order of the court.

(c) If the head of the hospital determines that the prisoner requires further hospitalization as a mentally ill person, he shall so inform a responsible relative of the patient, and may cause an Application for Temporary Hospitalization or Petition for Indefinite Commitment to be filed in the county court of the proper county.

Time Credited

Sec. 17. The time a prisoner is confined in a State mental hospital for treatment shall be considered time served and shall be credited to the term of his sentence, but he shall not be entitled to any commutation of sentence for good conduct while he is under treatment in a mental hospital.

Discharge from Prison

Sec. 18. Upon the expiration of the sentence of a prisoner who is being treated in a State mental hospital, he shall receive a discharge from the penitentiary or the county jail as in all other cases. Acts 1957, 55th Leg., p. 1413, ch. 486.

Art. 932—1  CODE OF CRIMINAL PROCEDURE

Sections 1-9 of the 1957 Act, see art. 932b; Section 19, see Vernon's Ann.P.C. art. 34; Section 20, see art. 925-2.

Section 22 of the Act of 1957 provided that the following Statutes and Acts, together with all laws or parts of laws in conflict herewith, are hereby repealed:

Art. 932—2  Savings Clause

The repeal of any law by this Act shall not affect or impair any act done or right, obligation or penalty existing or accrued under the authority of the law repealed; and such law shall be treated as still remaining in force for the purpose of sustaining any proper action concerning any such act, right, obligation or penalty. Acts 1957, 55th Leg., p. 1413, ch. 486, § 20.

CHAPTER ONE A—INSANITY AS DEFENSE

Art. 932b. Insanity in defense or in bar [New].

Art. 932b. Insanity in defense or in bar

Insanity as a Defense

Section 1. In any case where the question of the insanity of a defendant is raised and that issue is tried alone before the main charge or is tried in connection with the main charge, the jury shall state in their verdict whether the defendant was sane or insane at the time the offense is alleged to have been committed and whether the defendant is sane or insane at the time of the trial.

(a) If the jury finds the defendant to have been insane at the time the offense is alleged to have been committed, the defendant shall stand acquitted of the alleged offense.

(b) If the jury finds the defendant to be insane at the time of trial, the court shall enter an order committing the defendant to a State mental hospital and placing him in the custody of the sheriff for transportation to a State mental hospital to be confined therein until he becomes sane. If the defendant is acquitted of the alleged offense the court shall so state in the commitment order.

Status of Patient Acquitted

Sec. 2. A person committed to a State mental hospital under this Act upon a jury finding of insanity at the time of trial who has been acquitted of the alleged offense is not by reason of that offense a person charged with a criminal offense, and therefore the head of the mental hospital to which he is committed may transfer, furlough and discharge him and shall treat him as any other patient committed for an indefinite period.

Insanity as Bar to Proceedings

Sec. 3. If the question of the sanity of the defendant is raised after his conviction and prior to the pronouncement of sentence in a felony
case or while an appeal from that conviction is pending, and sufficient proof is shown to satisfy the judge of the convicting court that a reasonable doubt exists as to the sanity of the defendant, the judge shall impanel a jury to determine whether the defendant is sane or insane. If the jury finds the defendant is insane, the court shall enter an order committing him to a State mental hospital to be confined therein as a person charged with a criminal offense until he becomes sane. If the jury finds the defendant is sane, the proceedings in the case against him shall continue.

Insanity as Bar to Execution of Death Sentence

Sec. 4. If the question of the sanity of a person under death sentence is raised and sufficient proof is shown to satisfy the judge of the convicting court or the judge of the district court of the county in which the person is confined that reasonable doubt exists as to his sanity, the judge shall impanel a jury to determine whether the person is sane or insane. If the jury finds the person is insane, the court shall enter an order committing him to a State mental hospital to be confined therein as a person charged with a criminal offense until he becomes sane. If the jury finds the person is sane, the court shall remand him to the proper authority for disposition according to law.

Suspension of Proceedings

Sec. 5. When a defendant is found to be insane and committed to a State mental hospital under this Chapter, all further proceedings in the case against him shall be suspended until he becomes sane, except that upon motion of a defendant's counsel an appeal from a conviction may be prosecuted.

Trial on Recovery of Sanity

Sec. 6. (a) If the head of a State mental hospital in which a person charged with a criminal offense is confined under this Chapter is of the opinion that the person is sane, he shall so notify the court which committed the person to the State mental hospital.

(b) Upon receiving this notice, the judge of the committing court shall impanel a jury to determine whether the person is sane or insane. If the jury finds the person is sane, the proceedings in the case against him shall continue. If the jury finds the person is insane, the court shall order his return to the State mental hospital until he becomes sane.

Trial on Issue of Insanity

Sec. 7. In a trial under this Chapter, the counsel for the defense has the right to open and conclude the argument on the issue of insanity. If the defendant has no counsel, the court shall appoint counsel to conduct the trial for him.

Medical Testimony Required

Sec. 8. No person shall be committed to a mental hospital under this Chapter except on competent medical or psychiatric testimony.

Time Credited

Sec. 9. The time a person charged with or convicted of a criminal offense is confined in a State mental hospital under this Chapter pending
trial, sentencing or appeal may in the discretion of the court be credited to the term of his sentence upon subsequent sentencing or resentencing. Acts 1957, 55th Leg., p. 1413, ch. 486.
