The Coordinating Board, Texas College and University System, or its successor or successors, hereafter referred to as the Board, shall administer the student loan program authorized by this Act pursuant to Section 50b, Article III, Constitution of the State of Texas. Such personnel and other expenses as may be required to properly administer this Act shall be provided in the biennial Appropriation Acts.

Delegation of Powers and Duties

Sec. 2. The Board may delegate to the Commissioner of the Coordinating Board, Texas College and University System, the powers, duties and functions authorized by this Act, except those relating to the sale of bonds and the letting of contracts for insurance.

ARTICLE II. ISSUANCE OF BONDS

Issuance of Bonds

Section 1. The Board, by appropriate action, is hereby authorized from time to time to provide, by resolution, for the issuance of negotiable bonds in a total aggregate amount not exceeding Eighty-five Million Dollars ($85,000,000). All of such bonds shall be on a parity and shall be called the Texas College Student Loan Bonds. The proceeds from the sale of any bond, or bonds, shall be used for the purpose of creating the Texas Opportunity Plan Fund authorized by the Constitution. To assure the orderly and economical marketing of bonds and reasonable availability of money in the Texas Opportunity Plan Fund, said bonds may be issued in one (1) or several installments. The bonds of each issue shall be dated, and shall bear interest at a rate not exceeding four percent (4%) per annum, which interest may, at the option of the Board,
be payable annually or semi-annually; shall mature serially or otherwise, not later than forty (40) years from their date; and may be redeemable before maturity, at the option of the Board, at such price or prices, and under such terms and conditions as may be fixed by the Board in the resolution providing for the issuance of the bonds. The Board shall determine the form of the bonds, including the form of any interest coupon to be attached thereto, and shall fix the denomination or denominations of said bonds and the place or places of the payment of the principal and interest thereon. Said bonds shall be executed on behalf of the Coordinating Board, Texas College and University System or its successor or successors as general obligations of the State of Texas in the following manner: They shall be signed by the Chairman and Vice-Chairman respectively of the Board, and the seal of the Board shall be impressed thereon, and they shall be signed by the Governor and attested by the Secretary of State of the State of Texas with the Seal of the State of Texas impressed thereon. The resolution authorizing the issuance of any installment or series of bonds may prescribe the extent to which facsimile signatures and facsimile seals in lieu of manual signatures and manually impressed seals may be used in executing such bonds and appurtenant coupons. Interest coupons may be signed by the facsimile signatures of the Chairman and Vice-Chairman of the Board. In the event any officer whose manual or facsimile signature appears on any bond, or whose facsimile signature shall appear on any coupon, shall cease to be such officer before the delivery of the bonds, the signature shall, nevertheless, be valid and sufficient for all purposes the same as if he had remained in office until such delivery had been made. The resolution may provide for registration of the bonds as to ownership and for successive conversion and reconversion from registered to bearer bonds and vice versa. Before any such bonds so issued are delivered to the purchasers, the record pertaining thereto shall have been examined by the Attorney General of Texas and said records and bonds shall be approved by him. After such approval, the bonds shall be registered in the office of the Comptroller of Public Accounts of Texas: All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas. The performance of official duties prescribed by Article III, Section 50b of the Constitution in reference to the provision for the payment and the payment of such bonds may be enforced in any court of competent jurisdiction through mandamus or other appropriate proceedings. All bonds issued in accordance with and under the provisions of this Act shall be, and are hereby declared to be negotiable instruments under the laws of this state. The Board is fully authorized to provide for the replacement of any bond which may be mutilated, lost or destroyed.

Refunding Bonds

Sec. 2. The Board is hereby authorized to provide by resolution for the issue of refunding bonds for the purposes of refunding any bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon. The issuance of such refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the Board in respect to the same, shall be governed by the foregoing provisions of this Act in so far as the same may be applicable. The refunding bonds may be exchanged for the outstanding bonds or may be sold and the proceeds used to retire the outstanding bonds.

Bonds as Investments

Sec. 3. All bonds hereafter issued pursuant to the provisions of this Act shall be and are hereby declared to be legal and authorized
investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, guardians, and for the sinking funds of cities, towns, villages, counties, school districts and all other political subdivisions and public agencies of the State of Texas. Such bonds, when accompanied by all unmatured coupons appurtenant thereto, shall be lawful and sufficient security for all deposits of state funds and of all funds of any agency or political subdivision of the state, of counties, school districts, cities and all other municipal corporations or subdivisions at the par value of said bonds. Such bonds and the income therefrom, including the profits made on the sale thereof, shall at all times be free from taxation within this state.

Sale of Bonds

Sec. 4. When the Board shall have authorized the issuance of a series of said bonds and shall have determined to call for bids therefor, it shall be the duty of the Board to publish at least one (1) time not less than twenty (20) days before the date of said sale an appropriate notice thereof. Such publication shall be made in a daily newspaper of general state-wide circulation which is published not less than seven (7) times weekly. Said notice shall also be published for such number of times as the Board may determine in one or more recognized financial publications of general circulation published within the state and one (1) or more such publications published outside the state. The Board shall demand of bidders, other than the administrators of the state funds, that their bids be accompanied by exchange or bank cashier's check for such sum as it may consider adequate to be a forfeit guaranteeing the acceptance and payment for all bonds covered by such bids, and accepted by the Board.

Competitive Bids

Sec. 5. No installment or series of said bonds shall be sold for an amount less than the face value of all of the bonds comprising such installment or series with accrued interest from their date, and all of such bonds shall be sold after competitive bidding to the highest and best bidder. The Board shall have the right to reject any and all bids.

Proceeds from Bond Sale

Sec. 6. All proceeds from the sale of said bonds shall be deposited in the State Treasury in the Texas Opportunity Plan Fund.

Should such moneys be insufficient to provide the above requirements for the Interest and Sinking Fund, the additional amount necessary to meet such requirements shall be transferred from the bond proceeds remaining in the Texas Opportunity Plan Fund. If in any year moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Opportunity Plan Fund and may be used for the same purposes and upon the same terms and conditions prescribed for the proceeds derive from the sale of the Texas College Student Loan Bonds. In the event that after all of the moneys received by the Board in any fiscal year as repayments of student loans granted under this Act and interest

Duties of Comptroller and Treasurer

Sec. 8. The Comptroller of Public Accounts is hereby authorized and directed to make the transfers required under any provision of this Act. The Treasurer of the State of Texas is hereby authorized and directed to pay or cause to be paid principal and interest on bonds as they mature and come due.

Investment of Funds

Sec. 9. All moneys standing to the credit of the Reserve portion of the Interest and Sinking Fund and any moneys in the Texas Opportunity Plan Fund in excess of the amount necessary for student loans may be invested by the Board in direct obligations of the United States or its agencies or in other obligations unconditionally guaranteed by the United States, or bonds of the State of Texas, or of the several counties or municipalities or other political subdivisions of the State of Texas; herein provided, however, that money in the Interest and Sinking Fund, except for that which is in the Reserve portion of such fund, may be invested only in direct obligations of or unconditionally guaranteed by the United States which are scheduled to mature prior to the date money must be available for use for its intended purpose. All of such bonds and obligations owned in the Interest and Sinking Fund or in the Texas Opportunity Plan Fund are defined as "Securities." The Board may sell any Securities owned in the Interest and Sinking Fund or in the Texas Opportunity Plan Fund at the prevailing market price.

Sec. 3. The amount of the loan to any qualified applicant shall be limited to the difference between the financial resources available to him (including but not limited to his income from parents and other sources, scholarships, gifts, grants, other financial aid and the amount he can reasonably be expected to earn) and the amount necessary to pay his reasonable expenses as a student at the participating higher educational institution where he has been accepted for enrollment, under such rules and regulations as shall be adopted by the Board. The total loan to any individual student shall never be more than the amount he can reasonably be expected to repay in a maximum period of five (5) years after he is last enrolled in a participating institution, except as otherwise provided for in other Sections of this Act.

Payments to Student

Sec. 4. No payment shall be made to any student until he shall have executed a note payable to the Texas Opportunity Plan Fund for the full amount of any authorized loan plus interest. For the purposes of this Act, a student shall have the capacity to contract and shall be bound by any contract executed by him; and the defense that he was a minor at the time he executed a note shall not be available to him in any action arising on said note. Payments to students executing such notes may be made annually, semi-annually, quarterly, monthly or for each semester as the Board may determine depending upon the demonstrated capacity of the student to manage his financial affairs. Disbursements may be made by the Board or by the participating institution pursuant to a contract between the Board and the institution executed in conformity with this Act. Loan Interest

Sec. 6. The Board shall annually, not later than September 1, fix the interest to be charged for any student loan at a rate sufficient to pay the interest on outstanding bonds plus any expenses incident to their issuance, sale and retirement. Interest shall be postponed by the Board so long as a student is enrolled at a participating institution and may be postponed at the Board's discretion so long as a student is enrolled at any other higher educational institution, provided that the total interest paid shall be equal to that fixed at the time the note evidencing the loan is executed.

Insurance

Sec. 7. The Board may contract with any insurance company, or companies licensed to do business in Texas for insurance on the life of any student borrower in an amount sufficient to retire the principal and interest owed under a loan made as provided in this Act. The cost of such insurance shall be paid by the student borrower. No contract for
insurance as provided for in this Section may be approved except by the Board, and during a regular meeting attended by a quorum of the total Board membership.

Sec. 8. Repayment of any loan and interest authorized under this Act shall be made monthly and shall begin not later than four months after the date the student borrower is last enrolled in a participating institution or any other higher educational institution and in no event later than five years from the date the first note evidencing a loan under this Act is executed; provided, however, the Board may authorize a longer period before beginning repayment of loans to medical, dental and other students seeking professional or graduate degrees; and provided further, that the Board may extend the time for beginning repayment for unusual financial hardships, subject to approval by the Attorney General. Art. 2792. 2862 County or city assessor and collector for independent
district

part thereof is located, or collected only by the county or city tax collector,
same may be assessed and collected, or collected only, as the case may
be, by said county or city officers, as may be determined by the Board of
Trustees of said independent school district, and turned over to the treas­
urer of the independent school district for which such taxes have been
collected. The property of such districts having their taxes assessed and
collected by the county or city assessor and collector may be assessed at
a greater value than that assessed for city, county and State purposes,
and in such cases the city or county tax assessor and collector may assess
the taxes for said district on separate assessment blanks furnished by said
district and shall prepare the rolls for said district in accordance with
the assessment values which have been equalized by a Board of Equaliza­
tion appointed by the Board of Trustees for that purpose. If said taxes
are assessed by a special assessor of the independent district and are col­
clected only by the city or county tax collector, the city or county tax col­
lector in such cases shall accept the rolls prepared by the special asses­
or and approved by the Board of Trustees as provided in the preceding
Article. When the county assessor and collector is required to assess and
collect the taxes of independent school districts, the Board of Trustees of
such school district may contract with the Commissioners Court of said

And the tax collector shall place to the credit of the common or other school districts using the county depository such moneys as are apportioned to them.

d. Any eligible child residing in a school district which is under agreement with a neighboring school district designated to operate and accept such in its area vocational school program shall, on timely application of his parents for enrollment in the vocational program, be received by the designated area district free of tuition without the necessity of a formal transfer, any existing law to the contrary notwithstanding.
e. f. Upon certification of the acceptance and vocational program enrollment of such children from one district to another, by the superintendent of the receiving district, the State Department of Education shall adjust its records to pay over directly the state per capita apportionment to the respective district in which such children are received and educated.

Whenever any territory has been annexed to a Junior College District for Junior College purposes only in either manner provided by
this Act, then, within thirty (30) days after such annexation, the governing board of the Junior College District shall, without the prerequisite of the filing of any petition, order an election to be held in the Junior College District as enlarged by the annexation on the question of the levy and collection of taxes for the support and maintenance of such Junior College District as enlarged under the provisions of Chapter 70, Acts of the 50th Legislature, 1947. 1 Article 2815h—3b.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Acts 1965, 59th Leg., p. 195, ch. 80, § 1 amended section 21 of this article; section 2 of the 1965 amendatory act provided:

"This Act is cumulative to all existing laws, except that Chapter 52, Acts of the 57th Legislature, 1961, codified as Section 21a of Article 2815h, Vernon's Texas Civil Statutes, is hereby repealed."

Acts 1965, 59th Leg., p. 296, ch. 129 § 2 amended this article by adding section 13A relating to the removal of territory of a school district from a union junior college district lying wholly within one county. Section 1 of the amendatory act of 1965, entitled "Legislative Policy", provided:

"The Legislature recognises that union junior colleges are a voluntary association of school districts where information regarding their creation has been freely and publicly disseminated.

"The policy of the Legislature expressed in this Act is to correct certain injustices which can occur when there has been a lack of free and public dissemination of full and accurate information regarding the creation of a union junior college district. It is not the intention of this Legislature to weaken the integrity or structure of the junior college system, to interfere with the boundaries of presently functioning union junior college districts, nor to establish legislative precedent for removing territory from union junior college districts, now in existence or to be created in the future."

The repealed article, derived from Acts 1959, 56th Leg., p. 283, ch. 160, related to the jurisdiction of the Central Education Agency, State Board of Education and State Commission of Education over public junior colleges. For provisions relating to the jurisdiction of the Coordinating Board, Texas College and University System over public junior colleges, see art. 2919e-2, §§ 17-19.

the formula provided for in Section 2 of this Act; except, however, that Twenty-Five Million Dollars ($25,000,000) of taxable assessed value of property shall be used in said formula instead of the Ten Million Dollars ($10,000,000) of assessed valuation provided for in Section 2 hereof.

**Effect of decrease in taxable values**

**Determination of assessed valuation; number of trustees; call of election; voting boxes; terms of office**

Sec. 7. The Board of Trustees shall on the first Monday in April of each year determine the amount of the assessed valuation in each district, according to the last approved assessment rolls for Junior College purposes, and shall determine the number of trustees to be elected in accordance with the provisions of this Act, and shall thereafter order an election for the purpose of electing trustees. Said order shall be made at least twenty (20) days prior to the date of said election and shall establish a voting box or boxes in the original Junior College District and in each annexed district involved. Art. 2.03

ELECTION CODE

CHAPTER TWO—TIME AND PLACE

Art. 2.03. Held in public buildings

In all cases where it is practicable to do so, all elections—general, special, or primary—shall be held in some school house, fire station, or other public building within the limits of the election precinct in which such election is being held. No charge shall be made for the use of such building, except that any additional expense actually incurred by the authorities in charge of such building on account of the holding of the election therein shall be repaid to them by the party who is liable for the expenses of holding the election under the existing law. If there is no public building available, the Commissioners Court of any county having a population of more than 31,000 and less than 60,000 according to the last preceding Federal Census, and an assessed valuation in excess of $78,000,000 shall provide suitable space for conducting the elections held at the expense of the county, which space may be provided by renting or constructing a voting house or building. As amended Acts 1965, 59th Leg., p. 1314, ch. 603, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Art. 2.04. County election precincts formed by commissioners court

(a) Each county shall be divided into convenient election precincts by the Commissioners Court of the county, each of which precincts shall be differently numbered and described by natural or artificial boundaries or survey lines by an order entered upon the minutes of the Court. At any July or August term, the Court may make such changes in the election precincts as they deem proper, by such order entered upon the minutes of the Court. When such an order is entered, they shall immediately thereafter publish in some newspaper in the county for three consecutive weeks a notice of the entry of such order, giving a brief description in general terms of the changes made, without the necessity of including in such notice the field notes or other detailed description of the precinct boundaries. If there be no newspaper in the county, then a copy of such order shall be posted in some public place in each election precinct in the county which is affected by the order.

(b) No election precinct shall be formed out of two or more justice precincts or commissioners precincts, nor out of the parts of two or more justice precincts or commissioners precincts; and no election precinct shall be formed out of two or more Congressional Districts or State Senatorial Districts or State Representative Districts, nor out of the parts of two or more such Districts. If in September of any year there exists any election precinct in the county which does not comply with the foregoing requirements, the Commissioners Court shall make the necessary changes before the first day of October, either at a regular meeting or at a special meeting called for that purpose; and the order shall be published as provided in Paragraph (a) of this Section. No election precinct shall have resident therein more than two thousand voters as ascertained by the current certified lists of qualified voters; provided, however, that in precincts in which voting machines have been adopted for use, the maximum number of voters shall be three thousand.

(c) In cities and towns having ten thousand or more inhabitants, each ward shall constitute an election precinct unless there shall reside in said ward more than two thousand qualified voters. In such cities and towns, no precinct shall be made out of parts of two wards; and
no precinct shall include territory outside the corporate limits of the city or town unless the Commissioners Court finds that adjacent unincorporated territory is so situated that it cannot be formed into or included within an election precinct wholly outside the city, of suitable size and shape and containing a suitable number of voters. If the Commissioners Court finds this condition to exist, it may include such territory in a precinct or precincts formed within the city or town, and the finding of the Commissioners Court shall be conclusive.

(d) In cities, towns and villages of less than ten thousand inhabitants, election precincts may be formed without regard to the wards or the corporate limits of the city, town or village.

(e) Changes in election precincts shall not become operative in the holding of elections until the beginning of the following voting year. The Commissioners Court shall cause to be made out and delivered to the County Tax Collector before the first day of each September a certified copy of such last order for the year following; provided, however, that any order entered during the month of September, as provided in Paragraph (b) of this Section, shall be delivered to the Tax Collector forthwith. As amended Acts 1963, 58th Leg., p. 1017, ch. 424, § 7; Acts 1965, 59th Leg., p. 1552, ch. 678, § 1, emerg. eff. June 18, 1965.

CHAPTER THREE—OFFICERS OF ELECTION

Art. 3.01. Appointment of election officers

(a) For county elections. The commissioners court at its February term shall appoint from among the citizens of each election precinct one qualified voter as presiding judge of elections held at the expense of the county in that precinct and one qualified voter as alternate presiding judge, each of whom shall continue to act until his successor is appointed. Whenever a vacancy arises in either of such offices, the commissioners court may fill the vacancy at any regular or special term of court. All orders appointing judges and alternates shall be entered of record. Each presiding judge shall appoint two qualified voters, who are residents of the precinct, to serve as election clerks, and shall appoint for each election as many additional clerks as he deems necessary for the proper conduct of the election, not to exceed the maximum number authorized by the commissioners court. The commissioners court shall fix the maximum number of clerks which may be appointed for each precinct, and may fix different maximums depending on the type of election. The clerks shall be selected from different political parties, when practicable.

(b) For municipal elections. Unless a different method is prescribed by the city charter, the mayor, or if he fails to do so, then the governing body of the municipality, shall appoint for each municipal election precinct a presiding judge and an alternate presiding judge for elections held by such municipality and shall fix the maximum number of clerks which may be appointed to serve in each precinct, which shall be not less than two; and the presiding judge for each precinct shall appoint two clerks, and as many additional clerks within the authorized limit as he deems necessary for the proper conduct of the election, who shall be selected from different political parties when practicable.

(c) For elections held by other political subdivisions. In any election held by a political subdivision other than a city or a county, the statutes pertaining to the particular type of election shall govern the appointment of election officers if such statutes provide for their appointment. In the absence of such provisions, the governing body of the subdivision shall appoint a presiding judge and an alternate presiding judge for each election precinct of the subdivision and shall fix the maximum
number of clerks which may be appointed to serve in each precinct, which shall be not less than two; and the presiding judge for each precinct shall appoint two clerks and as many additional clerks within the authorized limit as he deems necessary for the proper conduct of the election.

(d) For primary elections. The primary elections of a political party shall be conducted in each precinct by a presiding judge, to be appointed by the chairman of the county executive committee of the party, with the assistance and approval of a majority of the members of the county executive committee. The presiding judge shall select two clerks to assist in conducting the election; and additional clerks may be appointed under such rules as may be made by the county executive committee. An alternate presiding judge shall be appointed for each precinct in like manner as the presiding judge.

(e) Alternate judge to preside. Whenever the regularly appointed presiding judge is unable to serve at an election, the alternate presiding judge shall serve as the presiding judge for that election. In any election conducted by the regularly appointed presiding judge, he shall appoint the alternate presiding judge as one of the clerks to serve at such election.

(f) Appointment of election officers for certain elections ordered by county officers. The election judges appointed under Paragraph (a) of this Section shall hold all elections ordered by the Governor or by the County Judge, county Commissioners Court, or other county authority, which are required to be held in the regular county election precincts established pursuant to Section 12 of this Code. In any election ordered by the Commissioners Court, the County Judge, the county board of school trustees, or other county authority, which are not required to be held in the regular county election precincts or for which other election precincts may be designated under the provisions of Section 10 of this Code, the statutes pertaining to the particular type of election shall govern the appointment of election officers if such statutes provide for their appointment. In the absence of such provisions, the authority calling the election shall appoint a presiding judge and an alternate presiding judge for each election precinct and shall fix the maximum number of clerks which may be appointed to serve in each precinct, which shall not be less than two; and the presiding judge for each precinct shall appoint two clerks and as many additional clerks within the authorized limit as he deems necessary for the proper conduct of the election. As amended Acts 1965, 58th Leg., p. 1017, ch. 424, § 8; Acts 1965, 59th Leg., p. 1552, ch. 678, § 2, emerg. eff. June 18, 1965.

Art. 3.08. Pay of judges and clerks

The pay of judges and clerks of general and special elections shall be determined by the Commissioners Court of the county where such services are rendered and, in primary elections, by the County Executive Committee of the party conducting such primary election, but the same shall not exceed Twelve Dollars and Fifty Cents ($12.50) per day for each judge or clerk; provided, however, that in counties having a population of 500,000 or more according to the last preceding Federal Census, said judges and clerks may each be paid at the rate of $1.25 per hour for any time in excess of a day’s work as hereafter defined. A judge who delivers returns of the election immediately after the votes have been counted shall be paid Five Dollars ($5) for that service; provided also, he shall make returns of all election supplies not used when he makes the
return of the election. Ten (10) working hours shall be considered a day within the meaning of this Article. The compensation of the judges and clerks of general and special elections shall be paid by the County Treasurer of the county where such service was rendered upon the order of the Commissioners Court. As amended Acts 1963, 58th Leg., p. 1017, ch. 424, § 11; Acts 1965, 59th Leg., p. 1552, ch. 678, § 3, emerg. eff. June 18, 1965.

CHAPTER FOUR—ORDERING ELECTIONS

Art. 4.12. Special elections for members of the Legislature

Section 1. Whenever there is a special election in any representative or senatorial district in this State for the election of any Member of the Legislature, a majority vote of the electors participating in the election shall be necessary for election. If no candidate receives a majority of the votes cast at the first election, the Governor shall, within five days after the results of the election are officially declared, call a second election to be held 21 days after the date of the proclamation or order calling the election. In the second special election the candidates shall be limited to the participants in the first election who received the largest and next largest number of votes at the first election.

Sec. 2. (a) Whenever there is a special election in any representative or senatorial district in this State for the election of any Member of the Legislature, the Commissioners Court of each county in the district shall meet within three days after the election is held and canvass the returns. The county judge of each county in which the election was held shall, within 24 hours after the Commissioners Court has canvassed the result, make out duplicate returns of the election, one of which he shall immediately transmit to the seat of government of the state, sealed in an envelope, directed to the Secretary of State, and endorsed "Election Returns for ______ County, for ______" (filling the first blank with the name of the county and the other blank with the name of the office for which the election was held); and the other of the returns shall be deposited in the office of the county clerk where the election was held.

(b) On the seventh day after the election, the day of the election excluded, the Secretary of State in the presence of the Governor and the citizen appointed under Article 120 of this code shall canvass the returns of the election and declare the results. If one person has received a majority of the votes cast at the election, the Secretary of State shall immediately make out, sign, and deliver a certificate of election to him for the unexpired term of the office for which he was a candidate. If no candidate has received a majority of the votes cast at the election, the Governor shall call a second election as provided in Section 1 of this article; and the Secretary of State shall within five days after the results of the first election are officially declared, certify to the county clerk of each county in the district the names of the two candidates who are eligible to participate in the second election, and the clerks shall make up the ballot for election according to the certificate. Notice of the second election shall be given in the manner provided by law but 10 days notice shall be sufficient, and the county judge shall, 10 days prior to the election, notify each presiding judge of his duty to hold the election. The returns of the second election shall be canvassed and the results declared in the same manner as provided for the first election, and the Secretary of State shall issue to the candidate who receives the largest number of votes in the second

Sec. 3. All special elections called for the purpose of filling vacancies in the offices to which this Article applies shall be conducted according to existing law as supplemented by this Article, but if there is a conflict between this Article and the existing law, the provisions of this Article shall prevail. CHAPTER FIVE—SUFFRAGE

Art. 5.14a Application for poll tax receipts and exemption certificates mailed before February 1st [New].

Art. 5.16a Applications for poll tax exemption certificates [New].

Art. 5.02. Qualification and requirements for voting

Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States, and who shall have resided in this State one year next preceding an election, and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector, provided that any voter who is subject to pay a poll tax under the laws of this State shall have paid said tax before offering to vote and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election, and any voter who is exempt from paying a poll tax must procure a certificate showing his or her exemption, as required by this Code. If such voter shall have lost or misplaced said tax receipt or certificate of exemption, he or she shall be entitled to vote upon making and leaving with the judge of the election an affidavit that such tax was paid or such certificate was obtained in the manner and during the time allowed by law preceding such election at which he or she offers to vote, and that such receipt or certificate has been lost, misplaced, or left at home.

The provisions of this Section shall apply to all elections, including general, special, and primary elections; provided that a city poll tax shall not be required to vote in any election in this State except in city elections. As amended Acts 1963, 58th Leg., p. 1017, ch. 424, § 13; Acts 1965, 59th Leg., p. 760, ch. 354, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

No. 1, Acts 1963, 58th Leg., p. 1797. The proposed constitutional amendment was rejected by the voters at election held on Nov. 2, 1963, and therefore Acts 1963, 58th Leg., p. 1103, ch. 430, § 1 did not become effective or operative as a law.

Art. 5.02a. Voting for federal offices

Subdivision 1. Qualification and requirements for voting for federal offices. Notwithstanding any other provision of this Code or of the Constitution of this state, the payment of the poll tax shall not be required as a condition for voting for United States Senator, for United States Representative (including Congressman-at-Large), or for President and Vice-President or electors for President and Vice-President of the United States, in any general, special, or primary election. To be eligible to vote for such offices, a person must be a qualified elector under the Constitution and laws of this state in all other respects. If he is not subject to payment
of the poll tax, he must have obtained an exemption certificate in accordance with the provisions of this Code if he is required to hold an exemption certificate as a condition for voting generally. If he is subject to payment of the poll tax, he must have paid the tax and obtained a receipt therefor prior to the first day of February preceding the election; or he must have obtained a poll tax receipt without payment of the tax, in the manner and within the time provided in Subdivision 2 of this section.

Subdivision 2. Issuance of poll tax receipts without payment of the tax. A person who is subject to payment of the poll tax and who is in other respects a qualified elector may apply to the tax collector of the county of his residence at any time between the first day of October and the thirty-first day of January following for issuance of a poll tax receipt without payment of the tax, to be used to identify him in voting for offices enumerated in Subdivision 1 of this section during the voting year beginning on the first day of February thereafter; provided, however, that a receipt to identify the voter at elections held during the voting year in which this section takes effect may be obtained at any time within the period of thirty days after the effective date, but must have been obtained at least four days before any election at which he offers to vote; and if this section takes effect during the month of January, a receipt to identify the voter at elections held during the ensuing voting year may be obtained at any time within the period of thirty days after its effective date. The applicant shall furnish to the tax collector all the information necessary to enable the tax collector to fill out the blanks in the poll tax receipt, and the tax collector shall issue the receipt as in cases where the poll tax is paid, except that he shall place the following notation on the face of the original and duplicate receipt: "Poll tax not paid." The application may be made in either of the manners authorized in Section 43 of this Code, and all laws pertaining to issuance of poll tax receipts shall apply to issuance of receipts without payment of the tax insofar as they can be made applicable, except as otherwise provided in this section. At the time the tax collector makes up the lists of qualified voters, he shall make up separate lists of those persons to whom poll tax receipts have been issued without payment of the tax, and shall furnish the lists to the election boards at the same time that he furnishes other lists.

Subdivision 3. Voting on receipts issued without payment of the tax. A person subject to payment of the poll tax who has obtained a receipt without payment of the tax shall not be eligible to vote at any election or on any office or proposition except at elections for the offices enumerated in Subdivision 1 of this Section. When such persons offer to vote, the election officers shall enter their names on a separate poll list and shall furnish them with a ballot containing only the offices and candidates on which they are entitled to vote. When other offices or propositions are to be voted on at the same election, the election officers may provide separate ballots listing only the Federal offices to be voted on, or may use the regular ballots prepared for the election, from which all other offices and propositions have been stricken. The same ballot boxes and stub boxes may be used for both the regular ballots and the ballots for Federal offices only, and the ballots may be tallied on the same tally sheets. When other offices are to be voted on and the regular voting is to be conducted on a voting machine or machines, the election officers may provide paper ballots for voting for Federal offices only, or they may provide for voting on a voting machine by persons entitled to vote for Federal offices only, by locking out all other offices as listed on the regular ballot, leaving only the Federal offices open for the voting, or by listing the Federal offices as a separate ballot on the face of the same machine, locking out the entire regular ballot, or by listing the Federal offices on a separate machine. When the ballot is to be cast on a voting machine, all other offices and propositions shall be locked out before the voter enters the machine. The returns of the

election shall show, separate from other voters, the number of persons voting on poll tax receipts issued without payment of the tax.

Art. 5.11.
The introductory portion of Acts 1963, 58th Leg., p. 1103, ch. 430, § 7 made this article effective and operative as a law upon the condition that the 24th amendment to the Constitution of the United States proposed by Senate Joint Resolution No. 29 of the 87th Congress became part of that Constitution prior to amendment of the Constitution of the State of Texas abolishing the payment of the poll tax to be effective on the date of publication of the certifying statement of the Administrator of General Services that the amendment had been ratified. The 24th amendment was declared by the Administrator of General Services on Feb. 4, 1964 to have been ratified. The amendment to the Constitution of the State of Texas proposed by H.J.R. No. 13, Acts 1965, 59th Leg., p. A-88, providing for the repeal of the poll tax as a requirement for voting, is to be submitted to a vote of the electors at an election to be held on the first Tuesday after the first Monday in November, 1966.

Art. 5.05.

Absentee voting

Subdivision 1a. Elections to which applicable; officer to conduct absentee voting

(1) General provisions. Absentee voting shall be conducted in all elections, general, special, or primary, and in each election it shall be conducted by the officer designated or appointed in accordance with the applicable provision of this subdivision. In every election, the absentee voting shall be conducted under the same rules and in the same manner provided in this Section for absentee voting conducted by the County Clerk, and all references in other subdivisions of this Section to the County Clerk shall be deemed to mean the appropriate officer for conducting the absentee voting in that election unless the context requires a different construction.

(2) County-wide elections held at the expense of the county. In general elections for State and County officers, in special elections called by the Governor (including both county-wide elections and elections to fill vacancies in offices elected by districts which are less than county-wide), in all other county-wide elections held at the expense of the county, and in any other elections held at the expense of the county where a specific statute expressly requires it, the absentee voting shall be conducted by the County Clerk.

(3) Elections less than county-wide which are ordered by county authority. In elections less than county-wide which are ordered by the county Commissioners Court, the County Judge, the county board of school trustees, or other county authority, the authority calling the election shall appoint a clerk for absentee voting and shall designate the place for conducting the absentee voting. If the election is held at the expense of the county, the absentee voting clerk may be either the County Clerk or any qualified voter of the county. If the county clerk is appointed, the place for conducting the absentee voting by mail shall be at the office of the clerk, but the place for absentee voting by personal appearance may be either at the office of the clerk, regardless of whether it is situated within the territory covered by the election, or may be at some other public place which shall be within the boundaries of the territory covered by the election. If the expenses of the election are not paid out of county funds, the person appointed to conduct the absentee voting shall be a qualified voter of the county, and the place designated for conducting the absentee voting, both by mail and by personal appearance, shall be within the boundaries of the territory covered by the election. The County Clerk may delegate to one or more of his deputies any duty devolving upon him under this subdivision. Where some person other than the County Clerk is appointed, the authority calling the election may also appoint such
number of deputy clerks, who shall be qualified voters of the county, as it deems necessary to assist in the conduct of the absentee voting. In any election ordered by county authority, or by any other authority, which election involves the creation, organization, reorganization, functioning or existence of one or more municipalities or other political subdivisions, only one clerk for absentee voting shall be appointed if only one political subdivision is affected by the election; but where more than one political subdivision is affected, the authority calling the election may appoint more than one clerk for absentee voting, and if more than one is appointed, the authority shall designate the political subdivision or subdivisions to be served by each clerk and the location at which he is to serve. No territory shall be served by more than one clerk.

(4) Municipal elections. In all elections held by a city or town, the absentee voting shall be conducted by the city secretary or city clerk.

(5) Primary elections. In primary elections held by political parties for nominating candidates to be voted on at general and special elections held at the expense of the county, the absentee voting shall be conducted by the County Clerk. In primary elections for nominating candidates for city offices, the absentee voting shall be conducted by the city secretary or city clerk.

(6) Elections held by other political subdivisions. In elections held by any school district, conservation district, or other defined district or political subdivision authorized to hold elections in this State, the absentee voting shall be conducted by a clerk for absentee voting, to be appointed by the governing board or other authority of the political subdivision empowered to call the election, which may also appoint such number of deputy clerks as it deems necessary to assist in the conduct of the absentee voting. Each clerk or deputy clerk shall be a qualified voter in the subdivision; provided, however, that if the election affects more than one political subdivision, residence anywhere within the territory covered by the election shall be sufficient. Persons in the employment of the political subdivision shall be eligible for appointment if otherwise qualified.

(7) Places and hours for absentee voting. Where the absentee voting is conducted at the regular office of the County Clerk or city secretary or city clerk, the provisions of Subdivision 3 of this Section relating to the days and hours for voting, as modified by Subdivisions 3d, shall apply. Where the voting is conducted at some other place, either by the County Clerk or by a clerk specially appointed for that purpose, the authority calling the election shall designate the hours during which the clerk for absentee voting shall keep his office open, which for the purposes of this Section shall constitute the clerk's regular working hours, and shall require that the office remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday. Except in elections for which absentee voting is required by law to be conducted by the County Clerk or city secretary or city clerk, the place or places and hours for absentee voting shall be stated in the order calling the election and in the election notice, which shall also state the clerk’s mailing address to which ballot applications and ballots voted by mail may be sent.

(8) Compensation of clerk for absentee voting. Neither the County Clerk nor the city secretary or city clerk shall receive any additional compensation for performing the duties devolving upon him under this Section, but additional deputies necessitated thereby may be appointed and compensated under the General Law pertaining to appointment of deputies. Except as herein required or expressly authorized, the County Clerk shall not conduct absentee voting in any election. In all elections where some person other than the County Clerk or city secretary or city clerk conducts the absentee voting, the authority calling the election shall fix the com-

Compensation of such person and his deputies, if any, which shall be paid out of the same fund as other expenses of the election are paid. Employees of the authority calling the election or employees of any political subdivision of the State which is affected by the election, with the permission of its governing board, may be appointed to serve as clerk or deputy clerk for absentee voting without additional compensation. Acts 1963, 58th Leg., p. 1017, ch. 424, § 14, as amended Acts 1965, 59th Leg., p. 1552, ch. 678, § 5, emerg. eff. June 18, 1965.

Subdivision 2a. Absentee voting by members of the Armed Forces, etc. Notwithstanding any provision of Subdivision 1 or Subdivision 2 of this Section, any qualified voter within any of the following categories shall be entitled to vote absentee by mail upon making a sworn application by mail for an absentee ballot on an official Federal Post Card Application for Absentee Ballot, without the necessity of accompanying the application with the voter's poll tax receipt or exemption certificate, and no further statement of his eligibility to vote absentee by mail shall be required of him, provided the application is mailed from outside the county and the ballot is to be mailed to an official address outside the county:

(1) Members of the Armed Forces of the United States and their spouses and dependents residing with or accompanying them.

(2) Members of the Merchant Marine of the United States, and their spouses and dependents residing with or accompanying them.

(3) Members of religious or welfare organizations assisting service-men, and their spouses and dependents residing with or accompanying them.

(4) Civilians employed by the United States Government outside the territorial limits of the United States, and their spouses and dependents residing with or accompanying them.

Application made on a Federal Post Card Application by a voter coming within either of the foregoing categories shall not be subject to the provision of Paragraph (ii) of Subdivision 1 of this Section which requires that the application be made not more than sixty days before the day of the election; and an application received earlier than that date, but within the voting year during which the election is held, shall be accepted.

Before mailing an absentee ballot in response to a Federal Post Card Application which is not accompanied by the voter's poll tax receipt, exemption certificate, or affidavit in lieu thereof as provided in Subdivision 2 of this Section, the clerk shall ascertain that the voter's name appears on the list of qualified voters for the precinct of his residence and shall not mail a ballot to him unless his name is so listed.

The foregoing provisions shall not be construed as preventing the clerk from accepting either a sworn or an unsworn Federal Post Card Application for Absentee Ballot from any other person who is permitted by Federal law to use such application form, but unless the applicant comes within one of the categories listed above he shall furnish the information required by Subdivision 2 of this Section in addition to the information regularly supplied on the Federal Post Card Application, shall accompany the application with his poll tax receipt, exemption certificate, or affidavit in lieu thereof, and shall be subject to all of the provisions of Subdivision 1 of this Section pertaining to absentee voting by mail.

Where a poll tax receipt or exemption certificate accompanies a Federal Post Card Application, it shall be mailed back to the voter at the official address to which the ballot was mailed, unless the voter requests the clerk to mail it to some other address. (b) The Commission may in its discretion furnish materials, tools, books, and other necessary apparatus and assistance for use in rehabilitating such persons.

(c) The Commission may establish workshops and salesrooms, and shall have authority to use any receipts or earnings that accrue from the operation of industrial schools, salesrooms or workshops as provided in this Chapter, but detailed statements of receipts or earnings and expenditures shall be made monthly to the Auditor of the state.

(e) The Commission shall maintain a current register of the blind and of persons handicapped by a visual condition which is likely to deteriorate either to blindness or to a substantial visual handicap.

(f) The Commission shall take such measures as it may deem advisable to prevent blindness and to conserve eyesight.

(g) In cases where it determines that it may appropriately and adequately do so, the Commission may provide supplemental services to visually handicapped children, in addition to those provided by the regularly established educational agencies and authorities of the state, and provide them with whatever other services the Commission determines necessary for better equipping them to achieve self-supporting economic status and to otherwise enjoy a fuller and richer life; it is the intention of the Legislature that there be full and complete cooperation between all concerned state agencies or departments toward the realization of these purposes.

(h) In cases where it determines that it may appropriately and adequately do so, the Commission shall provide vocational guidance and related services through its vocational rehabilitation division to adults having seriously defective sight.
(i) The Commission may receive and expend gifts, bequests, and devises from individuals, associations and corporations, in accordance with the provisions of this Act.

(3) "visual handicap" includes any eye condition for which there is a medical prognosis indicating that the eye condition is of a progressive nature and may deteriorate either to blindness or to a substantial loss of vision, or any eye condition meeting the definition of blindness contained in Subsection (2) of this Section, and shall include any physical or psychological handicap which accompanies or complements a disorder or imperfection of the eye; and

(4) "visually handicapped children," in addition to including any child with a visual handicap as defined in Subsection (3) of this Section, includes any child with a visual problem requiring cosmetic treatment, psychological assistance, counseling or other assistance which the Commission can render and which deals with a problem that relates to an unfavorable visual condition. Responsibility for rendering services to the visually handicapped; inter-agency agreements; cooperation with federal government

Sec. 2a. (a) In order to promote the greater consolidation of counseling, guidance, restoration and rehabilitation services to visually handicapped adults and children, the Commission is designated as the state agency having primary responsibility for rendering all services to the visually handicapped except those which are purely of a welfare nature or, in the case of visually handicapped children, those which are provided by the regularly established educational agencies and authorities of the state.

(b) In cases involving individuals with multiple handicaps, where one of the handicaps is of a visual nature and the other handicap is not complementary to the visual handicap, the Commission and any other agency authorized to render services shall enter into inter-agency agreements regarding the treatment of the individual with a multiple handicap. The agreement is to be negotiated with a view to providing the most beneficial service to the multiple handicapped individual with the greatest possible economy. The Commission and all other concerned state agencies are authorized to enter into general agreements regarding individuals with multiple handicaps, so that a new agreement will not have to be negotiated for each particular case.

(c) The Commission shall cooperate, pursuant to agreements, with the Federal Government in carrying out the purposes of any Federal Statutes pertaining to services authorized by Sections 2 and 2a of this Chapter and is authorized to adopt such methods of administration as are found by the Federal Government to be necessary for the proper and efficient operation of such agreements or plans, and to comply with such conditions as may be necessary to secure the full benefits of applicable Federal Statutes.

(1) The names in alphabetical order and the last known addresses, if any, of persons listed in the report and entitled to notice as hereinbefore specified; and

(2) A statement that information concerning the amount and description of the property and the name and address of the holder may be obtained by any person possessing or claiming an interest in the property by addressing an inquiry to the holder so reporting. Within ten (10) days after receipt of said notice, it shall be the duty of the Sheriff to post it on the courthouse door or the courthouse bulletin board, where it shall remain posted for a period of not less than thirty (30) days. Thereafter the Sheriff shall return the notice to the State Treasurer with his certificate showing the date and time of posting required by this Section.

(b) Within 120 days from the filing of the report specified in Section 2, the State Treasurer shall cause notice to be published in an English language newspaper of general circulation in the county in which is located the last known address of any person to be named in the notice. If no address is listed or if the address is outside this State, the notice shall be published in the county in which the holder of the abandoned property has his principal place of business or registered office or agent for service within this State.

(c) The published notice shall be entitled “Notice of Names of Persons Appearing to be Owners of Abandoned Property” and shall contain:

(1) The names in alphabetical order and last known addresses, if any, of persons listed in the report and entitled to notice within the county as hereinbefore specified.

(2) A statement that information concerning the amount or description of the property and the name and address of the holder may be obtained by any person possessing an interest in the property by addressing an inquiry to the State Treasurer.

(3) A statement that if proof of claim is not presented by the owner to the holder and if the owner’s right to receive the property is not established to the holder’s satisfaction within 60 days from the date of the published notice, then not later than 90 days after such publication date the property will be deemed abandoned and escheated to the State and will be placed in the custody of the State Treasurer to whom all further claims must thereafter be directed.
(d) The State Treasurer is not required to publish in such notice any item which is not in excess of Fifty Dollars ($50) unless he deems such publication to be in the public interest.

(e) Within 120 days from the receipt of the report specified in Section 2, the State Treasurer shall mail a notice to each person having an address listed therein, who appears to be entitled to property of the value of more than Fifty Dollars ($50) which is reported under this Article.

(f) The mailed notice shall contain:

(1) A statement that, according to a report filed with the State Treasurer, property is being held to which the addressee appears entitled.

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder.

(3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the date specified in the published notice, the property will be placed in the custody of the State Treasurer, to whom all further claims must be directed.

(g) The fact that the publication and mailing of the notice required by this Section does not occur within the specified 120 day period shall not affect the right of the owner to claim the property from the holder within 60 days after the date the required notice is published or the duty of the holder to deliver the property to the State Treasurer within 90 days after the date the required notice is published. Added Acts 1961, 57th Leg., 1st C.S., p. 49, ch. 21, § 1; as amended Acts 1965, 59th Leg., p. 1230, ch. 565, § 1, emerg. eff. June 17, 1965.

Payment or delivery of abandoned property

Sec. 4. (a) All personal property reported under the provisions of this Article remaining unclaimed at the expiration of ninety (90) days from the date of publication of the notice required by Section 3 or, if no publication is required, at the expiration of 120 days from the date the report was filed, shall be deemed to be abandoned and shall escheat to the State of Texas.

(b) At the expiration of ninety (90) days from the date of publication of the notice required by Section 3 or, if no publication is required, at the expiration of 120 days from the date the report was filed, every person who has filed a report under this Article shall pay or deliver to the custody of the State Treasurer all property contained in such report which is deemed to be abandoned and escheated to the State, except that, if the owner establishes his right to receive the abandoned property to the satisfaction of the holder within the time specified in Section 3, or if it appears that for some other reason the presumption of abandonment is erroneous, the holder need not pay or deliver the property, which will no longer be presumed abandoned, to the State Treasurer, but in lieu thereof shall file a verified written explanation of the proof of claim or of the error in the presumption of abandonment.

(c) Upon the payment or delivery of abandoned property to the State Treasurer, the State shall assume custody and shall be responsible for the safekeeping thereof. Any person who pays or delivers abandoned property to the State Treasurer under this Article is relieved of all liability to the extent of the value of the property so paid or delivered for any claim which then exists or which thereafter may arise or be made in respect to the property.
Art. 3272a REvised Statutes 694

(d) In the event that any person fails or refuses to deliver property to the State Treasurer as required by this Section, the Attorney General shall, upon the relation of the State Treasurer, bring an action in the name of the State of Texas to compel delivery of such property. Venue for such suits shall be in any District Court of Travis County, Texas. The fact that such suit may seek to compel the delivery of property from several different holders shall not be grounds for objections as to misjoinder of parties or causes of action. In such suits it shall be shown that the notice required by Section 3 has been given, and the verified report of the holder, unless rebutted, shall, when introduced into evidence, constitute sufficient evidence that such property is abandoned and has escheated and for entry of judgment transferring such property to the State Treasurer. Added Acts 1961, 57th Leg., 1st C.S., p. 49, ch. 21, § 1; as amended Acts 1965, 59th Leg., p. 1230, ch. 565, § 2, emerg. eff. June 17, 1965.

Claim of Interest in Abandoned Money and Intangible Personal Property Escheated to the State

Sec. 6. (a) Any person claiming an interest in any property paid or delivered to the State Treasurer which has been presumed abandoned and escheated to the State under the provisions of this Article may file a claim to such property with the State Treasurer, which claim shall be filed on forms and through procedures prescribed by the State Treasurer. Provided that any such person claiming an interest in money which has been paid to the State Treasurer by any insurance company may file his claim to such property with the insurance company where such money was originally deposited, which claim shall be filed on forms and through procedures prescribed by the State Treasurer. Upon approval of any such claim the insurance company shall pay the amount of any such claim. Any insurance company paying such a claim may file a claim for reimbursement as provided for in Section 7 of this Act.

(b) No person holding a power of attorney from a claimant who files a claim to such property as hereinabove provided on behalf of any claimant, shall contract for or receive from the claimant for his services an amount in excess of ten per cent (10%) of the value of the property recovered, except that where suit has been instituted as provided in Section 8 hereof, such person may contract for and receive a fee to be fixed by the Court, not to exceed twenty-five per cent (25%) of the value of the property recovered. Added Acts 1961, 57th Leg., 1st C.S., p. 49, ch. 21, § 1; as amended Acts 1965, 59th Leg., p. 1230, ch. 565, § 3, emerg. eff. June 17, 1965.

Determination of Claims

Sec. 7. (a) It shall be the joint duty and responsibility of the State Treasurer and the Attorney General or their duly authorized assistants, to consider the validity of any claim filed under this Article.

(b) The State Treasurer and the Attorney General may hold a hearing and receive evidence concerning any claim filed under the provisions of Section 6 of this Article. If a hearing is deemed necessary in order to determine a claimant's right to receive funds which have escheated to the State, a finding and a decision in writing on each claim filed, stating the substance of the evidence heard and the reasons for such decision, shall be signed by both the State Treasurer and the Attorney General, and shall be a public record. If the claim is allowed as a valid, just and equitable one in the discretion of the above-mentioned officers, it shall be approved and signed by both officers.

(c) If the claim is for money which has been declared abandoned and escheated under the provisions of Section 4 of this Article, and the claim has been allowed, approved, and signed as provided herein,
the claim shall be paid by the State Treasurer from the Escheat Expense and Reimbursement Fund. If the claim is for personal property other than money which has been declared to be abandoned and escheated under the provisions of Section 4 of this Article, and the property has not been sold by the State Treasurer as provided in Section 5 of this Article, the State Treasurer shall promptly deliver such property to the claimant. If such property has been sold, as provided in Section 5 of this Article, the full amount of the claim shall be paid to the claimant without deduction for costs of administration, service charges, or notices of any kind whatsoever.

(d) If the claim is for reimbursement by any insurance company for payments made pursuant to Section 6, and if such claim has been allowed, approved, and signed as provided herein, the claim shall be paid to such insurance company by the State Treasurer from the Escheat Expense and Reimbursement Fund. Added Acts 1961, 57th Leg., 1st C.S., p. 49, ch. 21, § 1; as amended Acts 1965, 59th Leg., p. 1230, ch. 565, § 4, emerg. eff. June 17, 1965.

Prior reports under this article

Sec. 16. (a) Personal property reported under this Article prior to the effective date of this Act, and which is not the present subject of a judicial proceeding to declare such property abandoned and escheated, shall, upon the giving of the notice required by Section 3 as hereby amended, be paid or delivered to the State Treasurer in accordance with Section 4 as hereby amended. Provided that, if the notice specified in Section 3(a) has heretofore been given it shall not be necessary to give such notice again.

(b) In any pending judicial proceeding to declare the abandonment and escheat of personal property reported under this Article prior to the effective date of this amendment, the defendant holder of such property may pay or deliver same to the custody of the State Treasurer. Provided that the citation by publication made at the institution of such judicial proceeding shall be deemed to be in lieu of any notice required to be given under Section 3(b) or 3(e). Upon the certification by the State Treasurer of such delivery, the Attorney General shall move to dismiss such defendant holder from the court action.

(c) In those instances where a defendant shall fail or refuse to comply with Subsection (b) of this Section, the court action then pending shall be considered to be an action to compel delivery of the abandoned and escheated property to the custody of the State Treasurer. The State shall have leave to amend its petition so as to conform the allegations and prayer to the provisions of this Act. Notwithstanding any provisions of the Rules of Civil Procedure to the contrary, all Exhibits attached to the petition as originally filed shall become Exhibits to the petition as amended and the contents of said Exhibits may be incorporated in such pleadings by reference. In these suits it shall not be necessary for the State to allege or prove compliance with Section 3(b) or 3(e), but in lieu thereof it shall be shown that notice has been posted and citation published in compliance with Section 3 and Section 4(d) of House Bill No. 5, Acts of the 57th Legislature, First Called Session, 1961, Page 49, Chapter 21, as such Sections read prior to the effective date of this amendment, and the verified report of the holder, unless rebutted, shall, when introduced in evidence, constitute sufficient evidence that the property is abandoned and has escheated and for entry of judgment transferring such property to the State Treasurer. The judgment entered shall accord the defendant the full protection of the provisions of this Article with regard to the property decreed abandoned. Added Acts 1965, 59th Leg., p. 1230, ch. 565, § 5, emerg. eff. June 17, 1965.

1 Sections 3 and 4(d) of this article.
Art. 3272b

Duties of Depositories of Dormant or Inactive Accounts

Section 1. Every depository holding dormant deposits or inactive accounts of depositors or owners whose existence and whereabouts are unknown to the depository, shall preserve intact the deposits and accounts so long as they remain in a dormant or inactive status.

a. The term "depository" as used in this Article means any bank, savings and loan association, banking institution or organization which receives and holds for others deposits of money or its equivalent in banking practice or other personal property in this State, or in other States for residents last known to have resided in this State.

b. The terms "dormant deposits" and "inactive accounts" mean those demand, savings, or other deposits of money or its equivalent in banking practice, including but not limited to sums due on certified checks, dividends, notes, accrued interest, or other evidences of indebtedness, held by a depository for repayment to the depositor or creditor, or his order, which on or after the effective date of this Article have continuously remained inactive for a period of more than one (1) year without credit or debit whatsoever through the act of the depositor, either in person or through an authorized agent other than the depository itself. "Dormant deposits" and "inactive accounts" lose their status as such when a deposit is made by the depositor, or a check is drawn or withdrawal is made therefrom by such depositor, either in person or through an authorized agent other than the depository itself.

Conversion or Reduction Prohibited

Sec. 2. It shall be unlawful for any depository to transfer, convert or reduce any dormant deposit or inactive account to the profits or assets of the depository, either through book transfer, assessments, service charges or any other procedure so long as the deposit or account remains in a dormant or inactive status. This shall not apply to the charges hereinafter specifically authorized for efforts to locate the depositors.

Advertising for Owners

Sec. 3. When, on or after the effective date of this Article, dormant deposits or inactive accounts have remained in such condition for more than seven (7) years, and the depository does not know the whereabouts of the depositors or any owners thereof, the depository, during the first month of May following the seven (7) year period, shall cause to be published once in a newspaper, published in the city or county in which the depository is located, a notice entitled "Notice of the names of persons appearing as the owners of unclaimed amounts held by (name and address of depository)" which shall list the names, in alphabetical order, and the last known address, if any, of such missing depositors, but not the amounts of such deposits. Newspapers eligible for such publications shall be those defined in Section 2 of Article 28a, Revised Civil Statutes of Texas, 1925, as amended, and if no such newspaper is published in the county of a depository, publication shall be made in a newspaper published in an adjoining county.

Annually thereafter during the month of May of each year the depository shall again publish in like manner the names of such depositors or creditors whose deposits or accounts have not been reported and delivered to the State in accordance with Section 4 hereof, if the whereabouts of any owner thereof still remains unknown to the depository and their deposits or accounts still remain in a dormant or inactive status as herein defined.

Each of such publications shall state that the unclaimed amounts will be paid upon proof of ownership at the office of the depository with-

in nine (9) months, and that if unclaimed thereafter they may be subject to report to and conservation by the State Treasurer in accordance with Article 3272b. Duplicate copies of each publication shall be mailed to the State Treasurer together with sworn proof of publication, and the publication thereof shall constitute notice on the part of the depository and the State that the listed deposits or accounts may be subject to the provisions of this Article. The depository shall certify under oath of the subscribing officer that the attached list is a full and complete list of the names of all depositors and creditors for whom dormant deposits or inactive accounts have been held for more than seven (7) years and whose existence and whereabouts are unknown to the depository, and that such listed depositors and creditors have not asserted any claim or exercised any act of ownership with respect to their deposits or accounts during the past seven (7) years.

Newspapers shall charge for such publications not to exceed the rate for legal notice publications fixed in Article 29, Revised Civil Statutes of Texas, 1925, as amended. The amount paid to a newspaper for such publications may be charged equally against the accounts owing to the persons whose names are published.

Report to State Treasurer

Sec. 4. On or before May 1st of the year following the first publication required by this Article, the depository shall submit in duplicate copies a report to the State Treasurer listing the names of all such depositors or creditors whose names were published, whose whereabouts and the whereabouts of any owner of such deposit or credit still remain unknown, and each of whose deposits or accounts are Twenty-five Dollars ($25) or less and still remain in a dormant or inactive status. Under the same conditions the depository may include in the report the same information with respect to any deposit or account in excess of Twenty-five Dollars ($25) if it should conclude that further cost and effort to locate the depositor or creditor would be unwarranted. Such report shall set forth in alphabetical order the name and last known address of the depositor or creditor, the date and amount appearing to be due each depositor or creditor when the account first became dormant or inactive, or on January 1, 1959, whichever date is later, the amount credited to such account at the time of the report, the date of the last transaction with the depositor or creditor, and its identification number, if any. If the amount then credited to an account is less than the amount of the initial dormant deposit or inactive account, except for its share of publication costs, the reason for such reduction shall be stated.

The subscribing officer shall certify under oath that the report is a complete and correct statement of all dormant deposits and inactive accounts held by the depository subject to the reporting provisions of Section 4 of Article 3272b; that the existence and whereabouts of the listed depositors or creditors are unknown to the depository; and that the listed depositors or creditors have not asserted any claim or exercised any act of ownership with respect to the reported accounts during the past seven (7) years.

Together with the foregoing report, the depository shall deliver to the State Treasurer a sum equal to the total amount of the accounts listed in the report, and the State Treasurer shall sign a receipt therefor and shall assume custody thereof. The State shall be responsible for the safekeeping thereof, and any depository delivering such deposits or accounts to the State Treasurer under this Act is relieved of all liability for any claim which then exists or which may thereafter arise or be made in respect to the property.
Art. 3272b

REVISED STATUTES

698

The depository shall also attach a list certified under oath of the names of the depositors and creditors of all other dormant deposits or inactive accounts in excess of Twenty-five Dollars ($25) which were advertised under Section 3 hereof, but which have been retained by the depository for further advertising, and the depository shall be responsible for the safekeeping thereof until such sums are finally delivered to the owners or to the State Treasurer under Section 4 of this Article, or until otherwise directed by escheat proceedings filed under other Articles of this Title.

State Conservator Fund

Sec. 5. All funds received by the State Treasurer under the provisions of this Article or from the escheat of any deposit, credit, account or other property held by any bank or other institution covered by Section 1(a) hereof shall be deposited into a separate fund to be known as the "State Conservator Fund," from which there shall be set aside and maintained a revolving expense fund of Twenty-five Thousand Dollars ($25,000) for the purpose of paying expenses incurred by the State Treasurer in the enforcement of the provisions of this Article, including the expense of publications, forms, notices, examinations, travel, and employment of necessary personnel; and thereafter any amounts remaining unpaid to owners shall be transferred to the Available School Fund; provided that the State Conservator Fund shall never be reduced below Two Hundred and Fifty Thousand Dollars ($250,000). This sum shall remain available for payments to those who may at any time in the future establish their ownership or right as herein provided to any deposit or account delivered to the State Treasurer under this Act. The moneys in such fund over Fifty Thousand Dollars ($50,000) shall be invested from time to time by the State Treasurer in investments which are approved by law for the investment of any State funds, and the income thereof shall be and become a part of the said State Conservator Fund. The expense fund of Twenty-five Thousand Dollars ($25,000) is hereby appropriated to the State Treasurer for the purposes above stated for the biennium ending August 31, 1963.

The State Banking Commissioner shall transfer to the State Treasurer for deposit in the State Conservator Fund all dormant deposits and other funds formerly owned by or deposited in liquidated depositories which have been held by the Commissioner for more than twenty (20) years and of which the whereabouts of the depositors, creditors or owners have been unknown to him for more than twenty (20) years. Upon delivery, together with a certificate of such facts under oath of the State Banking Commissioner, the funds shall be subject to conservation and disposition under the terms of this Article. The State Banking Commissioner shall deliver to the State Treasurer a record of the names of the liquidated depositories, and the names and last known addresses of the depositors and creditors and the amounts of the deposits, credits, or other funds.

The State Treasurer shall keep a record of the name and last known address of each depositor or creditor listed on the depository reports and the amount of each depositor account. The record shall be available for inspection at all reasonable business hours by anyone satisfying the State Treasurer that he has an interest or possible interest therein.

Future Claims of Owners

Sec. 6. Any person claiming an interest in any property delivered to the State and deposited in the State Conservator Fund may file a claim thereto and receive payment thereof from the State Conservator Fund by following the procedures set out in Sections 6 and 7 of Article 3272a. All of such claims, determinations thereof, and all other rights, fees, procedures, and actions with respect thereto, shall be governed
by and conducted in accordance with the applicable provisions of Sections 6, 7 and 8 of Article 3272a, the same as if the delivery of funds had been made to the State Treasurer under that Article, except that payments to owners shall be made from the State Conservator Fund.

Provided, however, that any person claiming an interest in money which has been paid to the State Treasurer by a depository under this Article may file his claim with the depository, which claim shall be filed on forms and through procedures prescribed by the State Treasurer. If the depository finds in good faith that such claim is valid, the depository may pay the same, and if the amount is One Hundred Dollars ($100) or less, the State Treasurer shall reimburse the depository upon receipt of a written statement subscribed and sworn to by an officer of the depository, listing the name and address of the person to whom payment was made and stating that the depository believes in good faith that such claim was and is valid. If the amount is in excess of One Hundred Dollars ($100), the claim and any supporting affidavit or evidence thereof shall be examined, approved, and signed by the State Treasurer and the Attorney General, after which reimbursement shall be made to the depository. Any such reimbursements shall be made by the State Treasurer out of the State Conservator Fund.

Presumption

Sec. 7. Any person or persons who shall have dormant deposits or inactive accounts held by any depository for seven (7) years or more, whose existence and whereabouts are reported under oath to be unknown to the depository after advertising therefor, and who shall not have asserted any claim thereto or exercised any act of ownership thereof for a period of seven (7) years, shall be presumed, unless shown to the contrary, to have died intestate and without heirs. The sworn report of any depository filed under this Article or any evidence thereof adduced under oath shall constitute prima facie evidence of the facts stated therein.

Rules and Regulations

Sec. 8. The State Treasurer is hereby authorized to make necessary rules and regulations to carry out the provisions of this Act, provided such rules and regulations shall not become operative until and unless they have been filed with the Secretary of State as provided by law. The State Treasurer is hereby authorized to examine the records of any depository to determine that this law is being complied with.

Penalties

Sec. 9. Any depository or person who wilfully fails to publish the list of depositors or creditors, or who fails to file a report as required by this Article, or who violates any provision of this Article, shall be punished by a fine of not less than Five Hundred Dollars ($500), nor more than One Thousand Dollars ($1,000), or by confinement for not more than six (6) months in the county jail, or both, and in addition, shall be subject to civil penalties of not exceeding One Hundred Dollars ($100) for each day of such failure or refusal or other violation, said civil penalties to be collected by suit in a district court of Travis County, Texas, by the Attorney General in the name of the State of Texas.

Intent and purpose of act; powers and duties of board; recommendations, orders and determinations; personnel and laboratory facilities; limitations on authority

Sec. 4. It is the intent and purpose of this Act to maintain purity of the air resources of the State consistent with the protection of the health and physical property of the people, maximum employment and the full industrial development of the State. The Board shall seek the accomplishment of this objective through the control of the items defined in Section 2(A) by all practical and economically feasible methods consistent with its powers and duties as hereinafter set forth.

(A) The Board shall have the power:

1. To prepare and develop a general plan for the proper control of the air resources of Texas.

2. To adopt and promulgate rules and regulations consistent with the general intent and purposes of this Act in accordance with the provisions of Section 6 hereof. Such rules and regulations may not specify any particular method to be used to reduce undesirable levels as defined in Section 2(C) hereof, nor the type, design, or method of installation of any equipment to be used to reduce undesirable levels as defined in Section 2(C), nor the type, design, method of installation of type of construction of any manufacturing processes or other kinds of equipment. undesirable levels as defined in Section 2(C), which arise from the outdoor burning of waste material or refuse.

(3) To develop such facts and make such investigations as are consistent with the purposes of this Act, and in connection therewith to enter at all reasonable times in or upon any private or public property except private residences or dwellings of not more than three families for the purpose of inspection and investigation of any condition which the Board shall have reasonable cause to believe to be a source as defined in Section 2(B). Provided, however, before entering private property an agent of the Board shall present in writing to the owner of such property or his agent the conditions alleged to exist which warrants the belief that such property is a "source" as defined herein. The results of any such inspection and investigation shall be reduced to writing and a copy shall be furnished to the owner or operator of the source.

(4) To hold hearings upon complaints or upon petitions for variance and in connection therewith to issue subpoenas requiring the attendance of witnesses and the production of such papers and documents as are related to such hearing.

(5) (a) To enter such orders or determinations as may be necessary to effectuate the purposes of this Act. If the Board shall determine that a condition as defined in Section 2(C) hereof exists, it may recommend such action as is indicated by the circumstances to cause the control of such condition.

The Board shall grant such time for the owner or operator of a source to comply with its recommendation as is provided for in the rules and/or regulations it shall adopt pursuant to the provisions of Section 4(A) (2) which shall make provision for such time gauged to such general situations as hearings on such proposed rules and regulations may indicate are necessary.

(b) If such recommendations of the Board are not complied with in the required time then the Board may order such action as is indicated by the circumstances to cause the control of such condition.

In making its recommendations, order and determinations hereunder, the Board shall take into consideration all the facts and circumstances bearing upon the reasonableness of the emissions involved including, but not limited to:

(i) The character and degree of injury to, or interference with, the health and physical property of the people;
(ii) The social and economic value of the source of the undesirable levels as defined in Section 2(C);
(iii) The question of priority of location in the area involved; and
(iv) The technical practicability and economic reasonableness of reducing or eliminating the emissions resulting from such source.

(6) To cause to be instituted in a court of competent jurisdiction legal proceedings to compel compliance with any order entered by the Board.

(7) To request and be entitled to receive the assistance of any State educational institution, experiment station, board, department or other State agency and the officials and employees thereof when it is deemed necessary or beneficial by the Board to carry out the provisions of this Act.

(5) Represent the State of Texas in any and all matters pertaining to plans, procedures, or negotiations for interstate compacts.

(6) The basic personnel and necessary laboratory and other facilities as may be required to carry out the provisions of this Act shall be personnel employed by the Texas State Department of Health; provided, however, that the Board, through the Department of Health acting as the agent of the Board, may by agreement secure such services as it may deem necessary from any other departments and agencies of the state government and may arrange for compensation for such services, and may employ and compensate, within appropriations available therefor such consultant and technical assistants on a full- or part-time basis as may be necessary to carry out the provisions of this Act and to prescribe their powers and duties.

(C) Nothing contained in this Act shall be deemed to grant to the Board any jurisdiction or authority to make any rule, regulation, recommendation or determination or to enter any order with respect to air conditions existing solely within the property boundaries of commercial and industrial plants, works or shops or to affect the relations between employers and employees with respect to or arising out of any air condition. Provided further that nothing contained in this Act shall vest the Board any power with respect to any matter subject to the jurisdiction of the Texas Radiation Control Agency as defined in Article 4590F, Revised Civil Statutes of Texas, as amended, or over any source licensed by the Atomic Energy Commission under the Atomic Energy Act of 1954, Title 42 USC 2011-2281, Incl.

Executive Secretary; powers and duties

Sec. 5. The Executive Secretary of the Board shall have the following powers and duties:

(A) The Executive Secretary shall prepare and recommend to the Board plans and procedures necessary to effectuate the aims and objects of this Act, including but not limited to rules and regulations, and proposals of administrative procedures not inconsistent with this Act.

(B) The Executive Secretary, or his authorized representative, shall attend all meetings of the Board but shall not be entitled to a vote.

(C) The Executive Secretary, or his authorized representative, during the interim between meetings of the Board, shall handle such correspondence, make or arrange for such inspections and investigations, and obtain, assemble or prepare such reports and data as the Board may direct or authorize.

(D) The Executive Secretary shall exercise general supervision over all persons employed by the Board. He shall be responsible for the investigation of complaints, the recommendation to the Board of the issuance of formal complaints by the Board and for the presentation of such complaints before the Board, and shall have such other duties as the Board may prescribe.

Adoption of rules and regulations or amendments; hearing and notice; differences in rules for particular areas

Sec. 6. (A) Any rule or regulation or amendment or repeal thereof shall not be deemed adopted or in force and effect until it shall have been approved in writing by at least six (6) members of the Board. A rule or regulation or any amendment or repeal thereof shall not be adopted until

after a public hearing. Notice of such hearing shall be given at least thirty (30) days prior to the scheduled date of the hearing by public advertise­
ment in at least three (3) newspapers with state-wide circulation of the
date, time, place and purpose of such hearing as required for public notice
in Article 29a, Revised Civil Statutes of Texas, as amended. At such hear­
ing, opportunity to be heard by the Board with respect to the subject there­
of shall be given to any person. A record of the names and addresses of
such persons shall be made by the Executive Secretary. A rule or regula­
tion or an amendment or repeal thereof shall not become effective until
a certified copy thereof has been filed with the Secretary of State. Any
person heard or represented at such hearing or requesting notice shall be
given written notice by registered or certified mail of the action of the
Board with respect to the subject thereof.

(B) A rule or regulation or any amendment thereof which shall be
adopted by the Board may differ in its terms and provisions as between
particular conditions, as between particular sources and as between
particular areas of the State. In exercising the power granted it by Sec­
tion 4 to adopt and promulgate rules and regulations for air control, the
Board shall give due recognition to the fact that the quantity or character­
istics of air contaminants or the duration of their presence in the atmos­
phere, which may cause a need for air control in one area of the State
may not cause need for air control in another area of the State, and it shall take
into consideration in this connection such factors, among others found
by it to be proper and just, as existing physical conditions, topography and
prevailing wind directions and velocities and also the fact that a rule or
regulation and the degree of conformance therewith which may be proper
as to an essentially residential area of the State may not be proper as to a
highly developed industrial area of the State.

Validity of rule or regulation; declaratory judgment

Sec. 7. The validity of any rule or regulation may be determined upon
the petition of any person as defined in Section 2(E) for a .declaratory
judgment thereon addressed to the District Court of the judicial district
in which petitioner has his principal place of business in Texas, or where
the property affected is located, when the rule or regulation or its threaten­
ed application interferes with or impairs, or threatens to interfere with or
impair the legal rights or privileges of the petitioner. The Board shall be
made a party to the proceedings, and service shall be made upon the Execu­
tive Secretary of the Board, whose domicile for the purpose of service un­
der this Act shall be deemed to be the office of the Board.

Investigation of alleged violations; complaints and answers;
hearing and determination

Sec. 8. (A) The Executive Secretary shall cause investigations to be
made upon the request of the Board. Upon receipt of information con­
cerning an alleged violation of this Act or any rule or regulation promul­
gated hereunder, the Executive Secretary may cause investigations to be
made as he shall deem advisable.

(B) If, in the opinion of the Executive Secretary or of the Board, such
investigation discloses that a violation does exist, he or the Board shall by
private conference, conciliation and persuasion, endeavor to the fullest
extent possible to eliminate such violation. In case of the failure of such
conference, conciliation and persuasion to correct or remedy any claimed
violation and the filing by the Executive Secretary of a formal complaint
with the Board, the Board may cause to have issued and served upon the
person complained against a written notice, together with a copy of the
formal complaint, which shall specify the provision of this Act or the rule
or regulation hereunder which such person is said to be in violation, and a
statement of the manner in, and the extent to, which such person is said
to violate this Act or such rule or regulation and shall require the person so complained against to answer the charges of such formal complaint at a hearing before the Board at a time not less than thirty (30) days after the date of notice.

(C) The respondent to such a formal complaint may file a written answer thereto and may appear at such hearing in person or by representative, with or without counsel, and may make oral argument, offer testimony and cross-examine any witnesses or take any combination of such actions.

The Executive Secretary, on behalf of the Board, at the request of any respondent to a formal complaint made pursuant hereto, shall subpoena and compel the attendance of such witnesses as the respondent may reasonably designate and shall require the production for examination of any book or paper relating to the matter under investigation at any such hearing as the respondent may reasonably designate.

At such hearings the Board shall be controlled by the rules of evidence in effect in the District Courts of the State of Texas at the time of such hearing.

(D) After due consideration of the written and oral statements, the testimony and arguments that shall be submitted at the hearing upon such complaint or, upon default in appearance of the respondent on the return day which shall be specified in the notice given as provided in Subsection (B) hereof, the Board shall issue and make and enter the recommendations called for by Section 4(A) (5) (a) hereof. If such recommendations are not complied with within the time specified in Section 4(A) (5) (a) then the Board shall make such final determination and enter such order as is provided for in Section 4(A) (5) (a) as it shall deem appropriate under the circumstances giving due regard to the matters required to be considered under Section 4 hereof, and it shall immediately notify the respondent thereof in writing by registered mail.

In all proceedings before the Board with respect to any alleged violation of this Act or any rule or regulation hereunder, the burden of proof shall be upon the Executive Secretary. Any determination, recommendation or order by the Board shall be approved in writing by at least six (6) members of the Board.

Public hearings; testimony; transcripts; examination of witnesses

Sec. 9. (A) At any public hearing, all testimony taken before the Board shall be under oath and recorded stenographically. The transcript so recorded shall be made available to any member of the public or to the respondent or party to a hearing on a complaint upon payment of the usual charges therefor.

(B) In any such hearings, any member of the Board may examine witnesses.

(C) All hearings shall be had before at least five (5) members of the Board.

Confidential information; disclosure

Sec. 10. No information identified as confidential when submitted relating to secret processes or methods of manufacture or production shall be disclosed at any public hearing or otherwise. Wilful disclosure or conspiracy to disclose confidential information obtained under this Act shall constitute an offense against the State. Any member of the Board or employee thereof having knowledge of confidential information who shall wilfully disclose or conspire to disclose such information in violation of this provision shall forfeit his appointment and shall be subject to the punishment provided in Section 15(B).
Sec. 11. (A) The Board may grant individual variance beyond the limitations prescribed in this Act, whenever it is found, upon presentation of adequate proof, that compliance with any provision of this Act, or any rule or regulation, final order or determination of the Board, will result in an arbitrary and unreasonable taking of property or in the practical closing and elimination of any lawful business, occupation or activity, in either case without sufficient corresponding benefit or advantage to the people.

(B) In determining under what conditions and to what extent a variance from this Act or rule or regulation hereunder may be granted, the Board shall give due recognition to the progress which the person requesting such variance shall have made in controlling or preventing any condition which may have existed as defined by Section 2(C). In such a case, the Board shall grant such variance conditioned upon such person effecting a partial abatement over a period of time which the Board shall consider reasonable under the circumstances; or the Board, in conformity with the intent and purpose of this Act to protect health and property, may prescribe other and different requirements with which the person who receives such variance shall comply.

(C) Any variance granted pursuant to the provisions of this Section shall be granted for such period of time as shall be specified by the Board at the time of the grant of such variance. Any variance may be granted by the Board upon the condition that the person who received it shall make such periodic reports to the Board as the Board shall specify as to the progress which such person shall have made toward compliance with any rule or regulation as to which a variance has been granted. Such variance may be extended by affirmative action of the Board upon recommendation of the Executive Secretary.

(D) Any person seeking a variance shall do so by filing a petition for variance with the Executive Secretary. The Executive Secretary shall promptly investigate such petition and make a recommendation to the Board as to the disposition thereof. Upon receiving the recommendation of the Executive Secretary, the Board may, if such recommendation is for the granting of a variance, do so without hearing. If the recommendation of the Executive Secretary is against the granting of a variance, or the Board, in its discretion, concludes that a hearing would be advisable, then a hearing shall be held as provided in Section 8 hereof, except that the burden of proof shall be on the petitioner.

Sec. 12. (A) Upon the failure of the Executive Secretary to take action within sixty (60) days after receipt of a petition for variance, or upon the failure of the Board to enter a final order or determination within sixty (60) days after the final argument in any hearing held under Section 8, the person affected shall be entitled to treat for all purposes such failure to act as a grant of the variance or of finding favorable to the respondent in any hearing under Section 8 hereof, as the case may be.

(B) No fees shall be charged by the Executive Secretary or the Board for the performance of any of their respective functions under this Act.

Sec. 13. All orders or determinations of the Board hereunder shall be subject to judicial review by the District Court of any judicial district wherein is located, in whole or in part, the property affected by the order of determination, or in the District Court of Travis County, Texas. In any such review, the record made before the Board shall be admissible as evidence, but either the petitioner or the Board may introduce additional
Trials de novo; substantial evidence rule; severability

Sec. 14. In all appeals prosecuted in any of the Courts of this State pursuant to the provisions of this Act, such trials shall be de novo as that term is used and understood in appeals from Justice of the Peace Courts to County Courts. When such an appeal is filed and the Court thereby acquires jurisdiction, all administrative or executive action taken prior thereto shall be null and void and of no force and effect, and the rights of the parties thereto shall be determined by the Court upon a trial of the matters in controversy under rules governing the trial of other civil suits in the same manner and to the same extent as though the matter had been committed to the Courts in the first instance and there had been no intervening administrative or executive action or decision. Under no circumstances shall the substantial evidence rule as interpreted and applied by the Courts of Texas in other cases ever be used or applied to appeals prosecuted under the provisions of this Act. The Legislature hereby specifically declares that the provisions of this Section shall not be severable from the balance of this Act, and further specifically declares that this Act would not have been passed without the inclusion of this Section. If this Section, or any part thereof, is for any reason ever held by any Court to be invalid, unconstitutional or inoperative in any way, such holding shall apply to this entire Act, and in such event this entire Act shall be null, void and of no force and effect.

Injunctive relief; wilful disclosure of confidential information; liabilities

Sec. 15. (A) In the event the Board determines that any order made by it and not then the subject of judicial review is being violated, the Board may cause to have instituted a civil action in the District Court for any county in which the violation occurs for injunctive relief to prevent any further violation of such order and/or for the assessment of such penalty not to exceed $50 per day for each day such violation continues as the court may deem proper. It shall be the duty of the Attorney General to bring such action, at the request of the Board, in the name of the State of Texas.

(B) Any member of the Board or employee thereof who is convicted of wilful disclosure or conspiracy to disclose confidential information identified as confidential when submitted to any person other than one entitled to the information under this Act, in violation of Section 10, is guilty of a felony, and shall be confined in the penitentiary not less than two (2) nor more than ten (10) years, or shall be fined not less than Two Hundred Dollars ($200) nor more than Five Thousand Dollars ($5,000), or shall be punished by both such fine and imprisonment.

(C) The liabilities which shall be imposed pursuant to any provision of this Act upon persons violating the provisions of this Act or any standard, rule or regulation hereunder shall not be imposed due to any violation caused by an Act of God, war, strike, riot, or other catastrophe.

Basis for proceedings or actions

Sec. 16. The basis for proceedings or other actions that shall result from violations of any rule or regulation which shall be promulgated by the Board shall inure solely to and shall be for the benefit of the people of the State generally and it is not intended to create in any way new rights or to enlarge existing rights or to abrogate existing private rights. A determination by the Board that the conditions defined in Section 2(C) exist or that any rule or regulation has been disregarded or violated; whether or not a proceeding or action may be brought by the State, shall not create
by reason thereof any presumption of law or finding of fact which shall inure to or be for the benefit of any person other than the State.

Partial invalidity

Sec. 17. If any Section, Subsection, sentence or clause of this Act shall be adjudged unconstitutional, such adjudication shall not affect the validity of the Act as a whole or of any Section, Subsection, sentence or clause hereof not adjudged unconstitutional.

Municipal ordinances or resolutions

Sec. 18. Regulations, ordinances, or resolutions, now or hereafter in effect, of other State Agencies, the governing body of a municipality or county or board of health relating to air pollution shall not be superseded by this Act; provided, that such regulations, resolution or ordinances are and continue to be consistent with the rules and regulations promulgated by the Agency under the provisions of this Act. It is provided, however, that said Hospital Board shall not be authorized to encumber, sell, lease, or convey any real or personal property unless such encumbrance, sale, lease, or conveyance is approved, prior to the final consummation thereof, by resolutions of the commissioners court of said county and the governing body of said city, respectively. Said county and said city, respectively, further shall be authorized to enter into contracts with said Hospital Board for the care and treatment of indigent or needy patients, or for any other hospital services, and each shall be authorized to expend money and make payments to said Hospital Board pursuant to such contracts, and to levy ad valorem taxes, and to pledge any of their funds or resources, for the payments to be made under said contracts. Said Hospital Board shall be authorized to apply for, receive, and expend any available funds from the federal or state government for hospital purposes. Further, said county and said city, respectively, may adopt resolutions authorizing and designating such Hospital Board as the lawful agency to apply for, receive, and expend any available funds from the federal or state government for county or city hospital purposes; and to the extent of such authorization the Hospital Board may apply for, receive, and expend any such funds.

Bond issue

Sec. 6. For the purpose of carrying out any power, duty, or function authorized by this Act, said Hospital Board shall be authorized to issue its revenue bonds to be payable from, and secured by a pledge of, all or any part of the revenues, income, or resources of the Hospital Board and the hospital facilities of said Board. Said bonds may be additionally secured by mortgages and deeds of trust on any real or personal property, and said Board may authorize the execution and delivery of trust indentures, or other forms of encumbrances to evidence same. Said Hospital Board shall have no right or power whatsoever to levy taxes of any nature, and all bonds issued by said Board shall contain substantially the following statement: "The owner hereof shall never have the right to demand payment of this obligation from taxes levied by said Hospital Board." If so provided in the proceedings authorizing the issuance of the bonds, any required part of the proceeds from the sale thereof may be used for paying interest on the bonds during the period of the construction of any hospital facilities to be acquired through the issuance of said bonds, and for the payment of operation and maintenance expenses of said hospital facilities to the extent, and for the period of time, specified in said proceedings, and also for the creation of reserves for the payment of the principal of and interest on the bonds; and such moneys may be invested, until needed, to the extent and in the manner provided in the Bond Resolution or any trust indenture executed in connection therewith.
Interest rate; additional parity bonds

Sec. 7. Said bonds may be issued to mature serially or otherwise within not to exceed 40 years from their date, and may be issued to bear interest at any rate or rates not to exceed 6% per annum. In the authorization of any such bonds, the Directors may provide for the subsequent issuance of additional parity bonds, or subordinate lien bonds, under such terms or conditions as may be set forth in the proceedings authorizing the issuance of said bonds, all within the discretion of the Directors. Said bonds, and any interest coupons appertaining thereto, shall be negotiable instruments (provided that such bonds may be made registrable as to principal alone or as to both principal and interest), and they may be made redeemable prior to maturity, and may be issued in such form, denominations, and manner, and under such terms, conditions, and details, and shall be executed, as provided by the Directors in the proceedings authorizing the issuance of said bonds. Said bonds may be sold at public or private sale and at a price and under such terms as shall be determined by the Directors, provided that the interest cost to said Hospital Board, including any discount on the bonds, shall not exceed 6% per annum calculated by the use of standard bond interest tables currently in use by insurance companies and investment banking companies.

Sec. 8. Notwithstanding the foregoing provisions of this Act, said Hospital Board shall not deliver any bonds unless the issuance thereof is approved by resolutions adopted by the commissioners court of said county and the governing body of said city, respectively.

Charges for services and facilities

Sec. 9. All hospital facilities of said Hospital Board shall be operated for the use and benefit of the public, but it shall be the duty of said Board to establish and collect sufficient charges for services and facilities, and to utilize all other available sources of revenues and income, in order to pay all expenses in connection with the ownership, operation, and maintenance of its hospital facilities, to pay the principal of and interest on its bonds, and to create and maintain reserves and any other funds as provided in the proceedings authorizing the issuance of its bonds. In the proceedings authorizing the issuance of its bonds said Hospital Board may prescribe systems, methods, routines, and procedures under which its hospital facilities shall be operated and maintained.

Notice of bond resolution; petition for election; adoption of bond resolution

Sec. 10. (a) Before authorizing the issuance of any bonds, other than refunding bonds, the Directors shall cause a notice to be prepared stating that the Directors of said Hospital Board intend to adopt a resolution (herein called the "Bond Resolution") authorizing the issuance of bonds, on a named date, and stating the maximum amount and maximum maturity thereof. Such notice shall be published once each week for two consecutive weeks in a newspaper having general circulation in the county and the city, with the first publication thereof to be made at least fourteen days prior to the date set for adopting the Bond Resolution.

(b) If, prior to the date set for the adoption of the Bond Resolution, there is presented to the secretary of said Hospital Board a petition signed by not less than ten per centum (10%) of the qualified voters residing within the county and any part of the city which is not within the county, praying that the Directors order an election be held on the proposition of the issuance of the bonds, such bonds shall not be issued unless an election is held and such bonds are duly and favorably voted at said election.
Such election shall be called by the Directors and held within said county and any part of the city which is not within the county, substantially in accordance with the procedures prescribed in Chapter 1, Title 22, Revised Civil Statutes of Texas, 1925, as amended. If no such petition is filed, the Bond Resolution may be adopted on the date set therefor, or within not to exceed thirty days thereafter, and the bonds may be issued and delivered without any election in connection with the issuance thereof or the creation of any encumbrance pertaining thereto. It is provided, however, that the Directors may call such election on their own motion, if they deem it advisable, on the proposition of the issuance of such bonds, without the filing of any petition.

**Examination and approval of bonds; registration**

Sec. 11. All bonds permitted to be issued under this Act, and the appropriate proceedings authorizing their issuance, shall be submitted to the Attorney General of the State of Texas for examination. If he finds that such bonds have been authorized in accordance with this Act he shall approve them, and thereupon they shall be registered by the Comptroller of Public Accounts of the State of Texas; and after such approval and registration such bonds shall be incontestable in any court, or other forum, for any reason, and shall be valid and binding obligations in accordance with their terms for all purposes.

**Refunding bonds**

Sec. 12. Any bonds issued under this Act may be refunded by the issuance of refunding bonds for such purpose, in such manner as may be determined by the Directors; and any such refunding bonds shall be issued as provided herein for other bonds authorized under this Act, except that the refunding bonds may be issued to be exchanged for the bonds being refunded thereby. In such case, the Comptroller of Public Accounts shall register the refunding bonds and deliver the same to the holder or holders of the bonds being refunded thereby, in accordance with the provisions of the proceedings authorizing the refunding bonds, and any such exchange may be made in one delivery, or in several installment deliveries.

**Bonds as legal and authorized investment**

Sec. 13. All bonds issued under this Act shall be legal and authorized investments for all banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies of all kinds and types, fiduciaries, trustees and guardians, and for all interest and sinking funds and other public funds of the State of Texas and all agencies, subdivisions, and instrumentalities thereof, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies and bodies politic. Said bonds also shall be eligible and lawful security for all deposits of public funds of the State of Texas and all agencies, subdivisions, and instrumentalities thereof, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies, and bodies politic, to the extent of the value of said bonds, when accompanied by any unmatured interest coupons appurtenant thereto.

**Depository**

Sec. 14. Said Hospital Board may select a depository or depositories according to the procedures provided by law for the selection of county and city depositories, or it may enter into a depository contract with any depository or depositories selected by the county or the city, and on the same terms.

**Exemption of facilities from taxation**

Sec. 15. Recognizing the fact that all hospital facilities of said Hospital Board will be held for public purposes only, and will be devoted

Sec. 16. For the purpose of carrying out any power, duty, or function authorized by this Act, said Hospital Board shall have the right to acquire the fee simple title or any other interest in land and any other property by condemnation in the manner provided by Title 52, Revised Civil Statutes of Texas, 1925, as amended, relating to eminent domain. Said Hospital Board shall have the same rights as counties and cities under Article 3268, as amended, of said Title 52. The amount and character of interest in land or other property thus to be acquired shall be determined by the Directors.

Investment of funds

Sec. 17. The law as to the security for, and the investment of, funds of counties and cities shall be applicable to funds of said Hospital Board. The Bond Resolution, or any trust indenture executed in connection therewith, may further restrict the securing and investment of funds of said Hospital Board. Also, said Hospital Board shall have the power to invest all or any part of the proceeds received from the sale and delivery of its bonds, until such proceeds are needed, in direct obligations of the United States of America, to the extent authorized in the Bond Resolution or any trust indenture executed in connection therewith.

Cumulative effect; conflicting laws

Sec. 18. This Act shall be cumulative of all other laws on the subject, but this Act shall be wholly sufficient authority within itself for the issuance of the bonds and the performance of the other acts and procedures authorized hereby, without reference to any other laws or any restrictions or limitations contained therein, except as herein specifically provided; and when any bonds are being issued under this Act, then to the extent of any conflict or inconsistency between any provisions of this Act and any provisions of any other law, the provisions of this Act shall prevail and control; provided, however, that any Hospital Board shall have the right to use the provisions of any other laws, not in conflict with the provisions hereof, to the extent convenient or necessary to carry out any power or authority, express or implied, granted by this Act. The property assessed for said Hospital Districts, upon the order of the Commissioners Court of the county, shall be assessed at such percentage of its fair cash market value as the Commissioners Court orders, which may be a greater percentage than that used in assessing the property for state and county purposes.

Further, the Assessor and Collector of Taxes of said counties shall charge and deduct from payments to the Hospital District the fees for assessing and collecting the tax at the rate of not exceeding one and one-half (1 1/2%) per cent of the amounts assessed as approved by the Board of Equalization and one and one-half (1 1/2%) per cent of the amounts collected, as may be determined by the Commissioners Court.

Provided, however, that the property within said Hospital District shall not be assessed at a greater percentage of its fair cash market value than the percentage at which it is assessed for county and state purposes, nor shall the Assessor and Collector of Taxes of such county charge a fee for assessing and collecting the tax at a rate different from that authorized in Section 2 unless and until an election is duly held in said Hospital District for the purpose of approving such procedure. At said election there shall be submitted to the qualified property taxpaying voters the proposition of whether the property within said Hospital District, upon the order of the Commissioners Court to the Assessor and Collector of Taxes of the county, shall be assessed at a greater percentage of its fair cash market value than that percentage assessed for county and state purposes, as may be determined by the Commissioners Court, and a majority of the qualified property taxpaying voters participating in said election shall determine the result of the election. At said election there shall be submitted to the legally qualified property taxpaying electors the proposition of whether or not a hospital district shall be created in the county; and a majority of the legally qualified property taxing electors participating in said election voting in favor of the proposition shall be necessary. The ballots shall have printed thereon:

Canvass of returns; board of directors; terms of office; bond; officers

Sec. 3. Within ten (10) days after such election is held, the Commissioners Court of Wilbarger County shall convene and canvass the returns of the election, and if a majority of the legally qualified property taxing electors voting at said election voted in favor of the proposition, the court shall so find and declare the hospital district established and created and appoint seven (7) persons as directors of the hospital district to serve until the first Saturday in April, 1966, at which time seven (7) directors shall be elected. The four (4) directors receiving the highest vote at such first election shall serve for two (2) years, the other three (3) directors shall serve for one (1) year. Thereafter, all directors shall serve for a period of two (2) years and until their successor has been duly elected or appointed and qualified. No person shall be appointed or elected as a member of the board of directors of said hospital district unless he is a resident thereof and owns land subject to taxation therein and unless at the time of such election or appointment he shall be more than twenty-one (21) years of age. Each member of the board of directors shall qualify

Any four (4) members of the board of directors shall constitute a quorum and a concurrence of four (4) shall be sufficient in all matters pertaining to the business of the district. A meeting of the board of directors may be called by the president or any four (4) directors. Notice of the time and place of any meeting must be given to all the directors not less than seven (7) days prior to the time of the meeting. Nothing herein shall prevent the board of directors from establishing by resolution a regular time and place for meetings, for which no special notice need be given. All vacancies in the office of director shall be filled for the unexpired term by appointment of the remainder of the board of directors. In the event the number of directors shall be reduced to less than four (4) for any reason, the remaining directors shall immediately call a special election to fill said vacancies, and upon failure to do so a district court may, upon application of any voter or taxpayer of the district, issue a mandate requiring that such election be ordered by the remaining directors.

A regular election of directors shall be held on the first Saturday in April of each year and notice of such election shall be published in a newspaper of general circulation in the county one (1) time at least ten (10) days prior to the date of the election. Such petition shall be filed with such secretary at least twenty-five (25) days prior to the date of election.

Sec. 4. The management and control of such hospital district created pursuant to the provisions of this Act is hereby vested in the board of directors of the district who shall serve without compensation but may be reimbursed for actual expenses incurred in the performance of their official duties upon the approval of such expenses by the board of directors.

Taxes; levy and collection

Sec. 5. Upon the creation of such hospital district, the board of directors shall have the power and authority and it shall be their duty to levy on all property subject to hospital district taxation for the benefit of the district at the same time taxes are levied for county purposes, using the county values and the county tax rolls, a tax of not to exceed Fifty Cents (50¢) on the One Hundred Dollars ($100) valuation of all taxable property within the hospital district, for the purpose of: (1) paying the interest on and creating a sinking fund for bonds which may be issued by the hospital district for hospital purposes as herein provided; (2) providing for the operation and maintenance of the hospital or hospital system; and (3) for the purpose of making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor, by purchase, lease or condemnation.

Not later than October 1st of each year, the board of directors shall levy the tax on all taxable property within the district which is subject to taxation and shall immediately certify such tax rate to the tax assessor and collector of Wilbarger County. The tax so levied shall be collected on all property subject to hospital district taxation by the assessor and
collector of taxes for the county on the county tax values, and in the same manner and under the same conditions as county taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one per cent (1%) of the amounts collected as may be determined by the board of directors but in no event in excess of Five Thousand Dollars ($5,000) for any one (1) fiscal year. Such fees shall be deposited in the county's general fund, and shall be reported as fees of office of the tax assessor and collector. Interest and penalties on taxes paid to the hospital district shall be the same as in the case of county taxes. Discounts shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository and such funds shall be withdrawn only as provided herein. All other income of the hospital district shall be deposited in like manner with the district depository.

The board of directors shall have the authority to levy the tax aforesaid for the entire year in which the said hospital district is established for the purpose of securing funds to initiate the operation of the hospital district.

Bonds

Sec. 6. The board of directors shall have the power and authority to issue and sell as the obligations of the hospital district, and in the name and upon the faith and credit of the hospital district, bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping the same for hospital purposes and for any and all of such purposes; provided, that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures, provided that the maintenance and operation tax, together with the bond tax, shall not exceed Fifty Cents (50¢) in any one (1) year, or such maximum amount as may hereafter be voted as provided in Section 7 hereof. Such bonds shall be executed in the name of the district and on its behalf by the president of the board of directors, and countersigned by the secretary of the board of directors, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of such county. Upon the approval of such bonds by the Attorney General of Texas the same shall be uncontestable for any cause. No bonds shall be issued by the hospital district (except refunding bonds) until authorized by a majority vote of the legally qualified property taxpaying electors, residing in the hospital district, voting at an election called and held for such purpose. Such election may be called by the board of directors on its own motion, shall specify the place or places where the election shall be held, the presiding officers thereof, the purpose for which the bonds are to be issued, the amount thereof, the maximum interest rate (not to exceed six per cent (6%) per annum) and the maximum maturity date of such bonds (not to exceed forty (40) years from their date of issuance). Notice of election shall be given by publishing a substantial copy of the order calling the election in a newspaper of general circulation in such county once a week for two (2) consecutive weeks prior to the date of election, the date of the first publication being at least fourteen (14) full days prior to the date set for the election. The costs of such election shall be paid by the hospital district.

In the manner hereinafore provided, the bonds of such hospital district may, without the necessity of any election therefor, be issued for the purpose of refunding and paying off any bonded indebtedness theretofore issued by such hospital district; such refunding bonds may be sold and the proceeds thereof applied to the payment of any such outstanding bonds.

or may be exchanged in whole or in part for not less than a like amount of said outstanding bonds and interest matured thereon, but unpaid; provided the average interest cost per annum on the refunding bonds, computed in accordance with recognized standard bond interest cost tables, shall not exceed the average interest cost per annum so computed, upon the bonds to be discharged out of the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged out of such proceeds. In the foregoing computations, any premium or premiums required to be paid upon the bonds to be refunded as a condition to payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the hospital district of the refunding bonds.

Increasing tax rate; election

Sec. 7. The board of directors shall have the authority to call an election on the question of whether or not the tax hereinabove provided for shall be increased to a specified rate not to exceed Seventy-Five Cents (75¢) on the One Hundred Dollars ($100) valuation of all taxable property within the hospital district, if and when the board of directors determines that an increase in such tax rate is necessary to carry out the purposes for which the initial tax rate was authorized. Said election shall be held in the same manner as the election for the creation of the district and the levy of the initial tax as hereinabove provided.

The board of directors is specifically empowered to adopt rules and regulations governing the operation of the district and its facilities which rules and regulations shall supplement but shall not contravene any of the provisions of this Act. Such rules and regulations may, upon approval of the board of directors, be published in booklet or pamphlet form at the expense of the district and may be made available to any taxpayer upon request.

Sec. 9. The fiscal year of the hospital district authorized to be established by the provisions hereof shall commence on October 1st of each year and end on September 30th of the following year. The district directors shall cause an annual independent audit to be made of the books and records of the district, such audit to be made covering such fiscal year, and the same shall be filed with the Comptroller of Public Accounts of the State of Texas and at the office of the district not later than December 31st of each year.

The district shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the agent designated by the district to handle such affairs finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the hospital district. Should there be a dispute as to the ability to pay, or doubt in the mind of the person designated as aforesaid, the district's directors shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which appeal shall lie to the district court.

Sec. 20. After creation of the hospital district, neither Parker County, Texas, nor any city or town therein shall thereafter issue bonds or other evidences of indebtedness for hospital purposes or for medical treatment of indigent persons within such boundaries, nor shall such political subdivisions levy taxes for either of such purposes. The said hospital district shall assume full responsibility for the operation of all hospital facilities for the furnishing of medical and hospital care of indigent persons within its boundaries.

State not to be obligated

Sec. 21. The support and maintenance of the Parker County Hospital District shall never become a charge against or obligation of the State of Texas, nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such District.

Severability clause

Sec. 22. If any of the provisions of this Act, or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Any outstanding bonded indebtedness incurred by said County and said cities or towns, or any of them, in the acquisition of such lands, buildings, improvements and equipment, or in the construction and equipping of such hospital facilities, shall be assumed by the District and become the obligation of the District. Said Matagorda County and said cities or towns, or any of them, which issued such bonds shall be by the District relieved of any further liability for the payment thereof, or for providing interest and sinking fund requirements thereon; provided that nothing herein contained shall limit or affect any of the rights of any of the holders of such bonds against said County or said city or town, as the case may be, in the event of default in the payment of the principal of or interest on any of such bonds in accordance with their respective terms. Such election shall be initiated by a petition to the Matagorda County Commissioners Court signed by at least fifty (50) qualified property taxing electors residing within the boundaries of the proposed District. Within ten (10) days after the presentation of said petition to the Commissioners Court of Matagorda County, Texas, said Court shall order an election to be held within said District not less than thirty (30) days from the date said election is ordered. Notice of said election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in the area of the proposed District, once a week for two consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date set for the election. The failure of any such election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose.

Canvass of returns; board of hospital managers; administrator of district

Sec. 4. After such creation and tax levy election is held, the officials conducting same shall make due returns to the Matagorda County Commissioners Court which shall canvass the returns thereof. If a majority of the qualified property taxing electors voting at said election voted in favor of the proposition to create said District and levy said tax, said Court shall so find and declare said District established and created. As soon as possible thereafter, the Commissioners Court of Matagorda County shall appoint a Board of Hospital Managers, consisting of not less than five (5) nor more than seven (7) members, who shall serve for a term of two (2) years, with overlapping terms if desired, and with initial appointment to terms of office arranged accordingly, without pay, and whose duties shall be to manage, control and administer the hospital or hospital system of the District. by the board. The Board of Managers shall have the authority to employ
such doctors, technicians, nurses, and other employees of every kind and
character as may be deemed advisable for the efficient operation of the
hospital or hospital system; provided that no contract or term of em­

gers, with the approval of the Matagorda County Commissioners Court,
shall be authorized to contract with any county for care and treatment of
such county's sick, diseased and injured persons, and with the state and
agencies of the Federal government for the care and treatment of such
persons for whom the state and such agencies of Federal government
are responsible. Further, under the same conditions, the Board of Man­
gers may enter into such contracts with the state and Federal govern­
ment as may be necessary to establish or continue a retirement program
for the benefit of its employees. A majority of the Board of Hosp­i­tal

hereof may also include a proposition on the issuance of bonds of said
District. Such bond election may be called by a separate election order,
or as a part of the order calling such election provided for in said Section
3. The provisions of Section 10 hereof shall apply to such bond election,
except that such election shall be called by said Matagorda County Com­
mッションers Court and the returns canvassed by said Court. If the bonds
are authorized at said election, they shall then be issued by the board of
managers, assuming that the proposition specified in Section 3 is favored
by a majority vote. With the exception of bonds authorized by this Sec­
tion 5, all bond elections shall be ordered and the returns thereof shall
be canvassed by said Board of Managers.

Taxation; purposes

Sec. 6. Upon the creation of such District, the Board of Managers
shall have the power and authority, and it shall be their duty, to levy on
all property subject to District taxation for the benefit of the District, a
tax at a rate not to exceed Seventy-Five Cents (75¢) on the One Hundred

The tax so levied shall be collected, on all property subject to District taxation, by said assessor and collector on said Matagorda County tax values, and in the same manner and under the same conditions as said county taxes. The amount of said annual District tax may be included on the annual county tax statements mailed or sent out by said Matagorda County assessor and collector. Said assessor and collector shall charge and deduct from payments to such District the fees for assessing and collecting the tax at the rate of not exceeding one per cent (1%) of the amounts collected as may be determined by the District's Board of Managers but in no event in excess of Five Thousand Dollars ($5,000) for any one fiscal year. Interest and penalties on taxes paid such District shall be the same as for said county taxes. The remainder of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the District's depository and may be withdrawn as directed by said District's Board of Managers. All other income of such District shall be deposited in said depository. Said board shall have authority to levy said tax for the entire year in which said District is established to obtain funds to initiate the operation of the District.

District depository

Sec. 8. As soon as practicable after the election and qualification of the first Board of Managers of said District, said board shall by resolution designate a bank within the County as the District's depository, and all funds of said District shall be secured in the manner now provided for the security of County funds. Such depository shall serve for a period of two (2) years and until a successor has been selected.

Eminent domain

Sec. 9. Said District shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind or character, real, personal or mixed, or any interest therein, including outright ownership of such property in fee simple absolute, within the boundaries of said District, necessary or convenient to the exercise of the rights, powers, privileges and functions conferred upon it by this Act in the manner provided by General Law with respect to condemnation; provided that said District shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph 2 in Article 3268, Revised Civil Statutes of Texas, 1925, as amended, or to make the bond required therein. In condemnation proceedings being prosecuted by said District, said District shall not be required to pay in advance or to give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction relating to a condemnation proceeding, nor to give bond for costs or for supersedeas on any appeal or writ of error proceeding to any Court of Civil Appeals, or to the Supreme Court.

Sec. 10. The Board of Managers shall have the power and authority to issue and sell, as the obligations of such District, and in the name and upon the faith and credit of such District, bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping the same for hospital purposes and for any or
all of such purposes. Said bonds shall be sold at such time or times, in such manner, at such price and on such terms as may be determined by said board. A sufficient annual tax shall be levied to create an interest and sinking fund to pay the interest on and principal of said bonds as same mature, providing said tax together with any other taxes levied for said District shall not exceed a rate of Seventy-Five Cents (75¢) on the One Hundred Dollars ($100) valuation of all taxable property within said District in any one year. Such bonds shall be executed in the name of the District and on its behalf by the Chairman of the Board of Managers, countersigned by the Secretary of said board, and shall be subject to the same requirements in the manner of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of counties of this state. Upon the approval of such bonds by the Attorney General of Texas and registration by the Comptroller, the same shall be incontestable for any cause. Until such time as the bond proceeds are needed to carry out the bond purpose, such proceeds may be invested in direct obligations of the United States of America or may be placed on time deposit (either or both). No bonds (except refunding bonds) shall be issued by such District until authorized by a majority vote of the duly qualified resident electors of said District who own taxable property within said District and who have duly rendered the same for taxation, voting in an election called and held for such purpose. Such election shall be called (except as provided in Section 5) by the Board of Managers on its own motion, and the order calling said election shall specify the date of same, the place or places where the election shall be held, the presiding officers thereof, the purpose for which the bonds are to be issued, the amount thereof, maximum interest (not to exceed six per cent (6%) per annum), and the maximum maturity date of such bonds (not to exceed forty (40) years from their date or dates of issuance). Said bonds may be made optional for redemption prior to their maturity date at the discretion of the Board of Managers. The District may, without election, issue bonds to refund and/or pay off any validly issued and outstanding District bonds, provided that such refunding bonds shall bear interest at the same rate or at a lesser rate than the bonds being refunded, unless it be shown mathematically that a savings will result in the total amount of interest to be paid.

**Inspection of district**

Sec. 11. After the creation and establishment of said District, it shall be subject to inspection by any duly authorized representative of the State Board of Health, the State Department of Public Welfare or other state agency created for a similar purpose that may hereafter be created, and resident officers shall admit such representatives into all District facilities and give them access on demand to all records, reports, books, papers and accounts pertaining to said District.

If he finds that such patient or said relatives are liable to pay for his care and treatment in whole or in part, an order shall be made directing such patient, or said relatives, to pay to the Hospital District for the care of such patient a specified sum per week, in proportion to their financial ability, but such sum shall not exceed the usual and customary charges for services rendered. The Administrator shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the Administrator finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the Hospital District. Should there be a dispute as to the ability to pay, or doubt in the mind of the Administrator, the County Court shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which appeal shall lie to the District Court by either party to the dispute.

 Levy and collection of tax; bond of assessor and collector; interest and penalties

Sec. 13. The Board of Hospital Managers shall have the power and authority, and it shall be its duty, to levy on all property subject to Hospital District taxation, a tax of not to exceed Seventy-five Cents ($0.75) on the One Hundred Dollars ($100.00) valuation of all taxable property within the Hospital District for the purpose of (1) paying the interest on and creating a sinking fund for bonds which may have been assumed or which may be issued by the Hospital District for hospital purposes as herein

provided; (2) providing for the operation and maintenance of the hospital or hospital system; and (3) making further improvements and additions to the hospital system and acquiring necessary sites therefor, by purchase, lease or condemnation.

The tax so levied shall be collected on all property subject to Hospital District taxation by the Assessor and Collector of Taxes for the County on the county values, and in the same manner, and under the same conditions, as county taxes; provided, however, that the Hospital District may appoint its own Assessor and Collector of Taxes and may assess and collect taxes in the same manner as now provided by General Law for independent school districts. When the County Assessor and Collector of Taxes is serving as Assessor and Collector for the Hospital District, he shall charge and deduct from payments to the Hospital District the fees for assessing and collecting the tax at the rate of one and one-half percent (1½%) of the amounts collected. Such fees shall be deposited in the County's General Fund, and shall be reported as fees of office of the Tax Assessor and Collector.

The Assessor and Collector of Taxes shall execute a bond payable to the Hospital District in an amount prescribed by the Board of Hospital Managers, which shall be not less than the maximum amount of money which will be held by such Assessor and Collector of Taxes at any one time. A report shall be filed with the Board of Hospital Managers on the first day of each month by the Assessor and Collector of Taxes showing the amount of taxes collected during the previous month and the amount so collected shall be deposited by the Assessor and Collector of Taxes in the District's depository or depositories to the credit of the Hospital District.

Interest and penalties on taxes paid to the Hospital District shall be the same as in the case of county taxes. Discounts shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the District depository or depositories; and such funds shall be withdrawn only as provided herein. All other income of the Hospital District shall be deposited in like manner with the District depository or depositories.

The Board of Hospital Managers shall have the authority to levy the tax aforesaid for the entire year in which the said Hospital District is established for the purpose of securing funds to initiate the operation of the Hospital District, and to pay the principal of and interest on all bonds issued or assumed by the District.

Authorization of bonds

Sec. 14. The Board of Hospital Managers shall have the power and authority to issue and sell, as the obligations of such Hospital District, bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes and for any or all of such purposes; provided that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures and that said tax, together with any other taxes levied for said District, shall not exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of taxable property in any one year. Such bonds shall be executed in the name of the Hospital District and on its behalf by the Chairman of the Board of Hospital Managers, and countersigned by the Secretary of the Board, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of the County; and the approval of such bonds by the Attorney General shall have the same force and effect.
as is by law given to his approval of bonds of the County. No bonds shall be issued by such Hospital District (except refunding bonds) until authorized by a majority vote of the legally qualified property taxpaying voters residing in such Hospital District voting at an election called and held in accordance with the provisions of Chapter 1, Title 22, of the Revised Civil Statutes of the State of Texas (1925), as amended, relating to county bonds. Such election shall be called by the Board of Hospital Managers, and such Board shall designate the places for holding said election and shall name the persons who shall conduct said election, in the manner provided by General Law. In the event the initial bonds are voted at an election called by the Commissioners Court at the time of the election for the creation of the District, such initial election shall be governed by the provisions of Section 2 hereof.

In the manner hereinabove provided, the bonds of such Hospital District may, without the necessity of any election therefor, be issued for the purpose of refunding or paying off any bonded indebtedness theretofore assumed by the Hospital District and any bonds theretofore issued by the Hospital District; such refunding bonds may be sold and the proceeds thereof applied to the payment of any such outstanding bonds or may be exchanged in whole or in part for not less than a like amount of said outstanding bonds and interest matured thereon, but unpaid; provided the average interest cost per annum on the refunding bonds, computed in accordance with the recognized standard bond interest cost tables, shall not exceed the average interest cost per annum so computed upon the bonds to be discharged out of the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged out of such proceeds. In the foregoing computations, any premium or premiums required to be paid upon the bonds to be refunded as a condition to the payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the Hospital District of the refunding bonds.

Transfer of hospital facilities; assumption of indebtedness and assets

Sec. 15. Any lands, buildings or equipment that may be owned by the County, and by which medical services or hospital care, including geriatric care, are furnished to the indigent or needy persons of the County, shall become the property of the Hospital District; and title thereto shall vest in the Hospital District; and any funds of the County which are the proceeds of any bonds assumed by the Hospital District, as hereby provided, shall become the funds of the Hospital District; and title thereto shall vest in the Hospital District; and there shall vest in the Hospital District and become the funds of the Hospital District the unspent portions of any funds theretofore set up or appropriated by budget or otherwise by the County for the support and maintenance of the hospital facilities for the year within which the Hospital District comes into existence, thereby providing such Hospital District with funds with which to maintain and operate such facilities for the remainder of such year. All obligations under contract legally incurred by the County for the building of, or the support and maintenance of, hospital facilities, prior to the creation of the said District but outstanding at the time of the creation of the District, shall be assumed and discharged by it without prejudice to the rights of third parties, provided that the management and control of the property and affairs of the present hospital system shall continue in the Board of Managers of the present hospital system until appointment and organization of the Board of Hospital Managers of the Hospital District, at which time the Board of Managers of the present hospital system shall turn over all records, property and affairs of said hospital system to the Board of Hospital Managers of the Hospital District.
Art. 4494q-27 REVISED STATUTES

Any outstanding bonded indebtedness incurred by the County in the acquisition of such lands, buildings and equipment, or in the construction and equipping of such hospital facilities, together with any other outstanding bonds issued by the County for hospital purposes, and the proceeds of which are in whole or in part still unspent, shall be assumed by the Hospital District and become the obligation of the Hospital District; and the County shall be by the Hospital District relieved of any further liability for the payment thereof, or for providing interest and sinking fund requirements thereon; provided that nothing herein contained shall limit or affect any of the rights of any of the holders of such bonds against the payment of the principal or interest on any of such bonds in accordance with their respective terms.

The Commissioners Court, as soon as the Hospital District is created and authorized at the election hereinabove provided, and there have been appointed and qualified the Board of Hospital Managers hereinabove provided for, shall execute and deliver to the Hospital District, to wit: to its said Board of Hospital Managers, an instrument in writing conveying to said Hospital District the hospital property, including lands, buildings and equipment; and shall transfer to said Hospital District the funds hereinabove provided to become vested in the Hospital District, upon being furnished the certificate of the Chairman of the Board to the fact that a depository for the District's funds has been selected and has qualified; which funds shall, in the hands of the Hospital District and of its Board of Hospital Managers, be used for all or any of the same purposes as, and for no other purposes than, the purposes for which the County could lawfully have used the same had they remained the property and funds of such County.

Donations

Sec. 16. The Board of Hospital Managers of the Hospital District is authorized on behalf of said Hospital District to accept donations, gifts, and endowments for the Hospital District, to be held in trust and administered by the Board of Hospital Managers for such purposes and under such directions, limitations, and provisions as may be prescribed in writing by donor, not inconsistent with proper management and objects of the Hospital District.

Bonds eligible for investment and to secure deposits

Sec. 17. All bonds (including refunding bonds) issued by or assumed by the District authorized to be established and created under the provisions of this Act shall be and are declared to be legal and authorized investments for banks, savings banks, trust companies, fiduciaries, building and loan associations, insurance companies, trustees, guardians, and for the sinking funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for deposits to the extent of their face value when accompanied by all unmatured coupons appurtenant thereto.

Publication of notice

Sec. 18. The Legislature hereby finds affirmatively that thirty (30) days' public notice was duly given in accordance with the provisions of Article IX, Section 9, of the Constitution of the State of Texas, of the intention to apply to this Legislature to enact a law providing for the creation, establishment, maintenance and operation of the Hospital District herein provided for.

be held to be invalid or unconstitutional, the remainder of this Act, and
and the application of such word, phrase, sentence, section, portion or
provision to other persons or circumstances, shall not be affected thereby.
In the event any of the provisions hereof shall be in conflict with any other
law of this State, the provisions of this Act shall prevail. Acts 1965,

Not later than October 1st of each year, the board of directors shall levy the tax on all taxable property within the district which is subject to taxation and shall immediately certify such tax rate to the tax assessor and collector of Palo Pinto County, provided that the taxes initially levied can be levied at any time and shall be levied for the entire year in which such taxes are levied. The tax so levied shall be collected on all property subject to the hospital district taxation by the assessor and collector of tax for Palo Pinto County on the county tax values, and in the same manner and under the same conditions as county taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one percent (1%) of the amounts collected as may be determined by the board of directors but in no event in excess of Five Thousand Dollars ($5,000) for any one (1) fiscal year. Such fees shall be deposited in the county's general fund, and shall be reported as fees of office of the tax assessor and collector. Interest and penalties on taxes paid to the hospital district shall be the same as for county taxes. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository; and such funds shall be withdrawn only as provided herein. All other income of the hospital district shall be deposited in like manner with the district depository.

Authorization of bonds

Sec. 6. The board of directors shall have the power and authority to issue and sell as the obligations of such hospital district, and in the name and upon the faith and credit of such hospital district, bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping the same for hospital purposes and for any or all of such purposes; provided, that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as same matures, providing said tax together with any other taxes levied for said district shall not exceed Seventy-Five Cents (75¢) in any one (1) year. Such bonds shall be executed in the name of the hospital district and on its behalf by the president of the board of directors, and countersigned by the secretary of the board of directors, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of counties of this state. The cost of such election shall be paid by the hospital district.
The bonds of the district may be made optional for redemption prior to their maturity date at the discretion of the board of directors.

The district may without an election issue bonds of the district to refund and pay off any validly issued and outstanding bonds heretofore or hereafter issued by the district, provided any such refunding bonds shall bear interest at the same rate or at a lesser rate than the bonds being refunded unless it be shown mathematically that a savings will result in the total amount of interest to be paid.

Sec. 12. Except as herein provided, neither Palo Pinto County, nor any city or town within the hospital district, shall levy any tax against any property within the hospital district for hospital purposes; and such hospital district shall assume full responsibility for the furnishing of medical and hospital care for the needy and indigent persons residing in said hospital district from the date that taxes are collected for the hospital district.

Patients; inquiry as to ability to pay; liability of relatives

Sec. 13. Whenever a patient residing in the hospital district has been admitted to the facilities of the hospital district, the directors shall cause inquiry to be made as to his circumstances, and of the relatives of such patient legally liable for his support. If they find that such patient or said relatives are liable to pay for his care and treatment in whole or in part, an order shall be made directing such patient, or said relatives, to pay to the treasurer of the hospital district for the support of such patient a specified sum per week, in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The district shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the agent designated by the district to handle such affairs finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the hospital

court to be violative of either of such constitutions, the district shall
have the power by resolution to provide an alternative procedure conform­
able with such constitutions. If any provision of this Act should be
invalid, such fact shall not affect the authorization for the creation of
the district or the validity of any other provisions of this Act, and the
Legislature hereby declares that it would have created the district and
enacted the valid provisions of this Act notwithstanding the invalidity of
any other provision or provisions hereof.

Election; notice and ballots

Sec. 3. The District shall not be created nor shall any tax therein be authorized unless and until such creation and such tax are approved by a majority of the qualified property taxpaying electors of the District voting at an election called for such purpose. Such election shall be called by a majority of the temporary or provisional directors of the District and shall be held not less than twenty (20) nor more than thirty-five (35) days from the time such election is ordered. The failure of any such election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose. At said election there shall be submitted to the qualified property taxpaying electors of said proposed District the proposition of whether or not Stamford Hospital District shall be created with authority to levy annual taxes at a rate not to exceed seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District for the purpose of meeting the requirements of the District's bonds, and its maintenance and operating expenses, and a majority of the qualified property taxpaying electors of the District voting at said election in favor of the proposition shall be sufficient for its adoption. The ballots shall have printed thereon the following:

At the time of the issuance of any such bonds a tax shall be levied by the Board sufficient to create an interest and sinking fund and to pay the interest on and principal of said bonds as same mature, providing such tax together with any other taxes levied for said District shall not exceed seventy-five cents (75¢) on each one hundred dollar valuation of taxable property in any one year. Such bonds shall be issued under the provisions of Chapter 1, Title 22 of the Revised Civil Statutes of Texas, as amended, but shall be executed in the name of the Hospital District and in its behalf by the president of the Board and attested by the secretary, as provided by Article 717j–1, Vernon’s Annotated Texas Civil Statutes, and

The Election Order shall specify the date of the election, the amount of bonds to be authorized, the maximum maturity thereof, the maximum rate of interest they are to bear, the place or places where the election shall be held and the presiding officers thereof. A proposition as to whether or not the Board of Directors of the District (in the event same is created) shall be authorized to issue bonds for the purposes specified herein may be submitted at the same election and on the same ballot as the proposition (provided in Section 3) for the creation of the District and the levy of a tax. The bonds of the District may be issued for the purpose of refunding and paying off any bond or other refundable indebtedness issued by the District. Such refunding bonds may be sold and the proceeds thereof applied to the payment of any outstanding bonds or other refundable indebtedness, or may be exchanged in whole or in part for not less than a like principal amount of such outstanding bonds or refundable indebtedness; provided that if such refunding bonds are to be exchanged for a like amount of said outstanding bonds or other refundable indebtedness the interest thereon, computed in accordance with recognized standard bond interest cost tables, shall not exceed the average interest cost per annum so computed upon the bonds or other indebtedness to be refunded; and provided further that if such refunding bonds are to be sold and the proceeds thereof applied to the payment of any such outstanding bonds or other refundable indebtedness same shall be issued and payments made in the manner specified by Article 717k, Revised Civil Statutes of Texas, as amended.

Sec. 10. The Board of Directors of the District shall name one or more banks within the District to serve as depository for the funds of the District. All such funds shall, as derived and collected, be immediately deposited with such depository bank or banks except that sufficient funds shall be remitted to the bank or banks for the payment of principal of and interest on the outstanding bonds of the District in time that such money may be received by said bank or banks of payment on or prior to the date of maturity of such principal and interest so to be paid. To the extent that funds in the depository bank or banks are not insured by the Federal Deposit Insurance Corporation, they shall be secured in the manner provided by law for security of county funds. Membership on the Board of Directors of an officer or director of a bank shall not disqualify such bank from being designated as depository.

For his services the tax assessor-collector of the Stamford County Line Independent School District shall be allowed such compensation as may be provided for by contract with the District but not to exceed the amount allowed for assessment and collection of school district taxes. The bond of the tax assessor-collector of the Stamford County Line Independent School District shall stand as security for the proper performance of his duties as assessor-collector of the District, or, if in the judgment of the District Board of Directors, it is necessary that additional bond payable to the District may be required. In all matters pertaining to the assessment, collection, and enforcement of taxes for the District, the tax assessor-collector of the Stamford County Line Independent School District

Whenever an indigent or needy patient residing within the District has been admitted to the facilities thereof, the administrator or manager shall cause inquiry to be made as to his circumstances and those of the relatives of such patient legally liable for his support. If he finds that such patient or said relatives are able to pay for his care and treatment, in whole or in part, an order shall be made directing such patient, or said relatives, to pay to the Hospital District for the support of such patient a specified sum per week in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The administrator or manager shall have power and authority to collect such sums from the estate of the patient or his relatives legally liable for his support in the manner provided by law for the collection of expenses in the last illness of a deceased person. If the administrator or manager finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, same shall become a charge upon the Hospital District as to the amount of the inability to pay. Should there be any dispute as to the ability to pay or doubt in the mind of the administrator or manager, the Board of Directors shall hear and determine same, after calling witnesses, and shall make such order or orders as may be proper.

The Board of Directors of the Hospital District is authorized on behalf of such District to accept donations, gifts, and endowments to be held in trust and administered by the Board of Directors for such purposes and under such directions, limitations, and provisions as may be prescribed in writing by the donor, not inconsistent with proper management and object of the Hospital District.

Sec. 3. The District authorized to be created by this Act is charged with the responsibility of establishing a hospital or a hospital system within its boundaries to furnish hospital and medical care to the residents of the District. After this District is created as provided in Section 4 of this Act, no other municipality or political subdivision of this state may levy taxes or issue bonds or other obligations of indebtedness for the purpose of providing hospital service or medical care within the District. This District shall provide all necessary hospital and medical care for the needy inhabitants of the District.

A copy of this order shall be placed in the minutes of the court.

(f) If a majority of the persons voting at the election vote against the creation of the District, this does not prevent the holding of other elections for the same purpose.

(g) The ballot for this election must be substantially as follows:

"FOR the creation of the Hospital District of Maverick County, Texas."

"AGAINST the creation of the Hospital District of Maverick County, Texas."

Board of directors, creation

Sec. 5. (a) The management and control of the District is vested in a Board of Directors which consists of five (5) members, to be elected by the qualified electors who own taxable property within the District and who have duly rendered that property for taxation.

(d) Thereafter, each year on the first Tuesday of September an election is to be held for the purpose of electing the appropriate number of directors to the Board. At the first election held under this provision there shall be elected two (2) directors to serve in the place of the two (2) appointed by the commissioners court for terms of one year. Their election shall be for terms of two years. At the second election held under this provision there shall be elected three (3) directors to serve in the place of the three (3) appointed by the commissioners court for terms of two years. Their election shall be for terms of two years.

(e) All elected directors shall serve for a two year term. In every case the directors shall serve until their successor has been elected and qualified for the office and in every case a director shall be eligible for re-election.
Board of directors, organization

Sec. 6. (a) When a person is elected to the Board of Directors he shall qualify for office by executing the constitutional oath of office and a good and sufficient commercial bond for $1,000 payable to the District, conditioned upon the faithful performance of his duties. The oath and bond are to be deposited with the District depository for safekeeping. The cost of the bond is an expense of the District.

(b) The directors shall, at the first meeting after the election, elect a president, a secretary, and a treasurer from their number.

(c) A member of the Board of Directors is not entitled to compensation for his services. However, each member is entitled to reimbursement for any necessary expense incurred by him in the performance of the duties of his office.

Taxes, election

Sec. 7. (a) At the time of the election to create the District and to elect directors, the commissioners court may order an election to determine whether the District may levy taxes within the District. This tax may not exceed 50 cents on the $100 valuation of all taxable property within the District. If the commissioners court does not include this election in the order for the election to create the District, the Board of Directors may order this election at any time.

(b) Prior to this election, notice must be given by the appropriate governmental unit, either the commissioners court or the Board of Directors in the same manner provided in Section 4 of this Act. The presiding judge of each voting place shall certify the results to the appropriate governmental unit which shall declare the results. The results are to be of public record.

(c) The ballot for this election must contain substantially the following:

"FOR the levy of a tax not to exceed 50 cents on the $100 valuation on all property subject to taxation within the District.

AGAINST the levy of a tax not to exceed 50 cents on the $100 valuation on all property subject to taxation within the District."

(d) The Board of Directors shall not levy any tax within the District until a majority of the qualified electors who own taxable property within the District and who have duly rendered that property for taxation voting in an election for this purpose vote for the levy of this tax.

Taxes, levy, assessment, and collection

Sec. 8. (a) After a majority of those persons voting at the election vote for the levy of a tax, the Board of Directors shall levy a tax not to exceed 50 cents on the $100 valuation on all property subject to taxation within the District.

(b) The Board shall use the same valuation used by the commissioners court in taxing the property for county purposes which appears on the county tax rolls.

(c) The Board may use the proceeds of this tax for the following purposes, only:

1. paying the interest on and creating a sinking fund for bonds issued under the provisions of this Act;
2. providing for the operation and maintenance of the hospital district and the hospital system;
3. making improvements and additions to the hospital system;
4. acquiring sites for the additions to the hospital system.
(d) On or before October 1 of each year, the Board shall levy the tax and immediately certify the tax rate to the tax assessor and collector of the county in which the District is located. The tax assessor and collector of that county shall collect the taxes for the District. The taxes of the District are subject to the same conditions as the taxes of the county.

(e) The assessor and collector of taxes is entitled to a fee as compensation for his services of not more than one per cent of the total tax collected, but not to exceed $5,000 in any one fiscal year. The Board shall fix the exact amount of compensation. The tax assessor and collector shall deduct this fee from the payments made to the District of the taxes collected, and deposit that amount in the general fund of the county as a fee of office of the tax assessor and collector.

(f) The Board may levy this tax for the entire year in which the District is established to secure funds necessary to initiate the operation of the hospital district.

Bonds, election

Sec. 9. (a) At the time of the election to create the District the commissioners court may order an election to determine whether the District may issue bonds for the purchase, construction, acquisition, repair, or renovation of buildings and improvements, and for equipping the buildings for hospital purposes. If the commissioners court does not include this election in the order for the election to create the District, the Board of Directors may order this election at any time.

(b) The order and notice of election and the certification declaration of the results to the County Clerk are governed by Section 4 of this Act. In addition to the provisions of that section, the order of this election must include:

(1) the purpose for which the bonds are to be issued;
(2) the amount of the proposed bond issue;
(3) the maximum interest rate;
(4) the maximum maturity date of the bonds.

(c) The Board shall not issue any bond unless the interest rate is six per cent per annum or less. The Board of Directors shall not issue any bond which matures more than 40 years from the date of issuance.

(d) The Board of Directors shall not issue any bonds until a majority of the qualified electors who own taxable property within the District and who have duly rendered that property for taxation voting in an election for this purpose vote for the issuance of these bonds.

Bonds, issuance, redemption, and refund

Sec. 10. (a) After a majority of those persons voting at the election vote for the levy of a tax, the Board may issue bonds, the total of the face value not to exceed the amount specified in the order of the election.

(b) The president of the Board shall execute the bonds in the name of and on behalf of the hospital district. The secretary of the Board of Directors shall countersign the bonds. The Attorney General of the State of Texas shall approve the bonds if they meet the same requirements as provided by law for bonds issued by a county. The bonds are to be registered by the Comptroller of Public Accounts of the State of Texas in the same manner as provided by law for the registration of bonds issued by a county. After approval and registration the bonds are incontestable for any reason.

(c) The Board may not issue any bonds unless a sufficient tax is levied to create an interest and sinking fund to pay the interest and principal as it matures.
(d) All bonds issued by the District may be made optional for redemption prior to their maturity date in the discretion of the Board.

(e) The Board may elect to refund and pay off any validly issued and outstanding bonds issued by the District. However, the refund bonds issued must bear interest at the same or a lower rate than the bonds being refunded unless it is shown mathematically that a savings will result in the total interest to be paid.

Powers and duties of the board of directors

Sec. 11. (a) The Board of Directors has full power to manage and control the District. Any provision of this Act which provides a specific power or duty does not limit the general authority of the District to carry out the purposes of this Act.

(b) The Board shall keep all books, records, accounts, notices, minutes, and other matters of the District and its operation at the office of the District. The Board shall make these items available for public inspection at reasonable times.

(c) The Board shall adopt rules for the efficient operation of the District and its facilities which are not inconsistent with this Act. The Board shall publish these rules and regulations in book form and furnish copies to interested persons upon request and at the expense of the District.

(d) The Board shall require an annual independent audit of the books and records of the District and shall file a copy of the audit with the Comptroller of Public Accounts and a copy with the District not later than December 1 of each year.

(e) The Board may

(1) prescribe the method of making purchases and expenditures and the manner of accounting and control used by the District;

(2) employ an attorney, general manager, bookkeeper, architect, and other employees necessary for the efficient operation of the District;

(3) employ an administrator to manage the operations of the hospital system, who may hire necessary personnel to perform the services provided by the system.

(f) The Board may accept donations, gifts, and endowments for the District. The Board shall hold all donations, gifts, and endowments in trust and shall administer them under any direction, limitation, or provisions as may be prescribed in writing by the donor, as long as it is not inconsistent with the proper management of the District.

(g) The Board may enter into any contract with a municipality or other political subdivision to provide hospital and medical care for needy persons who reside outside the District.

Budget

Sec. 12. (a) The fiscal year of the hospital district is from October 1 of each year to September 30 of the following year.

(b) The Board shall prepare a budget showing

(1) the proposed expenditures and disbursements;

(2) the estimated receipts and collections for the next fiscal year;

(3) the amount of taxes required to be levied and collected during the next fiscal year to meet the proposed budget.

(c) The Board shall hold a public hearing on the proposed budget after publication of notice in a newspaper of general circulation in the District. The notice must be given at least once not less than 10 days prior to the hearing.
(d) Any person who owns taxable property within the District and has duly rendered that property for taxation is entitled to appear at the hearing and be heard with reference to any item in the proposed budget.

Inquiry into ability to pay

Sec. 13. (a) A person who resides within the District is entitled to receive necessary medical and hospital care whether he has the ability to pay for the care or not. A person who resides within the District may make application to receive this care without cost.

(b) The Board or the administrator shall employ a person to investigate the ability of the patient and the ability of any relative who is liable for the support of the patient to pay for the medical and hospital care which the patient receives.

(c) If the patient or a relative of the patient who is legally liable for his support is able to pay for this care in whole or in part, the Board shall order the patient or his relatives to pay to the treasurer each week an amount specified in the order. The amount must be in proportion to the ability to pay.

(d) The District may collect this amount from the estate of the patient, or from his relatives who are liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person.

(e) If the investigator finds that neither the patient, nor a relative who is legally liable for his support, is able to pay in whole or in part for this care the expense of this care becomes a charge on the District.

(f) If there is a dispute as to the ability to pay, or a doubt in the mind of the investigator, the Board shall hear and determine the question, after calling witnesses, and make the proper order based upon its findings.

(g) A party to the hearing who is not satisfied with the result of the order, may appeal to the district court. The appeal is de novo as that term is used in appeals from the justice courts to the county court.

Eminent domain

Sec. 14. (a) The District has the power of eminent domain for the purpose of acquiring by condemnation any interest, including fee simple absolute, in any real, personal, or mixed property within the boundaries of the District that is necessary or convenient to the exercise of the powers and duties conferred upon it by this Act.

(b) The Board shall exercise this power of eminent domain in the same manner as provided by general law. However, the District is not required to make deposits in the registry of the trial court or to post bond as required by Paragraph 2, Article 3268, Revised Civil Statutes of Texas, 1925, as amended.

(c) The District is not required to pay in advance or to give any bond or other security for costs in the trial court otherwise required for the issuance relating to a condemnation proceeding, nor is it required to give a bond for costs or for supersedeas on an appeal or writ of error proceeding to a Court of Civil Appeals or to the Supreme Court.

Sec. 15. Within 30 days after the qualification of the Board of Directors, the Board shall by resolution designate a bank within the county in which the District is located to be the depository of the District. All funds of the District shall be deposited in the depository and shall be secured in the manner now provided for the security of county funds. The depository shall serve for a period of two years and until a successor has been named in accordance with this section.
Art. 4494q-30  REVISED STATUTES

Sec. 17. The support and maintenance of the hospital system of the District and any indebtedness incurred by the District under this Act shall never become a charge against nor an obligation of the State of Texas, nor shall any direct appropriation be made by the Legislature of the State of Texas for the construction, maintenance or improvement of any of the facilities of the District.

The District shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the agent designated by the District to handle such affairs finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the District. Should there be a dispute as to the ability to pay, or doubt in the mind of the person designated as aforesaid, the Board of Directors shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which appeal shall lie to the district court by either party to the dispute.

Nothing in this Act shall be construed to violate any provision of the Federal or State Constitution, and all acts done under this Act shall be in such manner as will conform thereto, whether expressly provided or not. Where any procedure hereunder may be held by any court to be violative of either of such Constitution, the District shall have the power by resolution to provide an alternative procedure conformable with such Constitutions. If any provision of this Act should be invalid, such fact shall not affect the authorization for the creation of the Hospital District or the validity of any other provision of this Act, and the Legislature here declares that it would have created the Hospital District and enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions thereof.

Publication of notice

Sec. 21. Purpose of district; election; ballots

Sec. 2. The said district hereby provided for shall assume full responsibility for providing medical and hospital care for the needy residing within the district; provided, however, that said hospital district shall not be created unless and until an election is duly held in the district for such purpose, which said election shall be initiated by order of the Commissioners Court upon its own motion or upon receipt by it of a petition of fifty (50) resident qualified property taxpayers electors. Said petition may contain an additional request that the Commissioners Court at the same election held for the creation of said district submit an additional
proposition authorizing the district to issue bonds for any of the purposes set forth in Section 6 of this Act in the maximum amount, and with the maximum rate of interest (not to exceed 6%) and the maximum maturity date (not to exceed 40 years from their date of issuance) stated in the petition. If such request is made, the Commissioners Court shall submit such bond proposition. It is provided, however, that neither the submission, passage nor defeat of any such bond proposition shall affect the authority of the Board of Directors of such district to exercise the power to call bond elections or issue bonds as provided in Section 6 of this Act.

The order calling the election shall specify the time and place or places of holding the same, the form of ballot and the presiding judge for each voting place. The ballots, in addition to any such bond proposition, shall have printed thereon the following:

"FOR the creation of the Hunt County Hospital District, and providing for the levy of annual taxes not to exceed Seventy-Five Cents (75¢) on the One Hundred Dollar ($100) valuation of all taxable property within such District."

"AGAINST the creation of the Hunt County Hospital District, and providing for the levy of annual taxes not to exceed Seventy-Five Cents (75¢) on the One Hundred Dollar ($100) valuation of all taxable property within such District."

Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in Hunt County Hospital District once a week for two (2) consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date established for the election.

The failure at any such election of the proposition to create said district shall not operate to prohibit the calling and holding of subsequent elections for the same purpose by the Commissioners Court upon its own motion or upon receipt by it of a petition of fifty (50) resident qualified property taxing voters, which petition may again or for the first time contain a request to submit a proposition for the issuance of bonds as hereinabove authorized.

Canvass of returns

Sec. 3. Within ten (10) days after such election is held the Commissioners Court shall convene and canvass the returns of the election, and if a majority of the qualified property taxing electors voting at said election voted in favor of the proposition, they shall so find and declare the hospital district established and created, and if a bond proposition was submitted and likewise favorably voted by a majority of the property taxing electors voting at said election, the Commissioners Court shall so declare and said bonds may be issued by the board of directors the same as if voted pursuant to an election called by it under Section 6 of this Act.

Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the district shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, such fact shall not affect the authorization for the creation of the district or the validity of any other provisions of this Act, and the Legislature hereby declares that it would have created the district and enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in Gray County Hospital District once a week for two (2) consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date established for the election.

**Canvass of returns**

Sec. 3. Within ten (10) days after such election is held the Commissioners Court shall convene and canvass the returns of the election, and if a majority of the qualified property taxing electors voting at said election voted in favor of the proposition, they shall so find and declare the hospital district established and created.

The three (3) directors receiving the highest vote at such first election shall serve for four (4) years, the other three (3) directors shall serve for two (2) years. Thereafter, all directors shall serve for a period of four (4) years and until their successors have been duly elected or appointed and qualified. Not later than October 1st of each year, the board of directors shall levy the tax on all taxable property within the district which is subject to taxation and shall immediately certify such tax rate to the tax assessor and collector of Gray County, provided that the taxes initially levied can be levied at any time and shall be levied for the entire year in which such taxes are levied. The tax so levied shall be collected on all property subject to the hospital district taxation by the assessor and collector of tax for Gray County on the county tax values, and in the same manner and under the same conditions as county taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one percent (1%) of the amounts collected as may be determined by the board of directors but in no event in excess of Five Thousand Dollars ($5,000) for any one (1) fiscal year. Such fees shall be deposited in the county’s general fund, and shall be reported as fees of office of the tax assessor and collector. Interest and penalties on taxes paid to the hospital district shall be the same as for county taxes.

The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the district depository; and
such funds shall be withdrawn only as provided herein. All other income
of the hospital district shall be deposited in like manner with the district
depository.

or all of such purposes; provided, that a sufficient tax shall be levied to
create an interest and sinking fund to pay the interest and principal as
same matures, providing said tax together with any other taxes levied for

year. Such bonds shall be executed in the name of the hospital district
and on its behalf by the president of the board of directors, and counter-

the approval of such bonds by the Attorney General of Texas and registra­

the election. The cost of such election shall be paid by the hospital
district.

The bonds of the district may be made optional for redemption prior
to their maturity date at the discretion of the board of directors.

The district may without an election issue bonds of the district to
refund and pay off any validly issued and outstanding bonds heretofore or
hereafter issued by the district, provided any such refunding bonds shall
bear interest at the same rate or at a lesser rate than the bonds being
refunded unless it be shown mathematically that a savings will result in
the total amount of interest to be paid.

Sec. 7. The board of directors of such district shall have the power
to prescribe the method and manner of making purchases and expenditures
by and for such hospital district, and also shall prescribe all accounting

Any person who is a taxpayer of the district shall have the right to appear at the time and place designated in the notice and be heard with reference to any item shown in the proposed budget. The proposed budget shall also show the amount of taxes required to be levied and collected during such fiscal year and upon final approval of the budget, the board of directors shall levy such tax as may be required and certify the tax rate for such year to the county tax assessor and collector as provided in Section 5 hereof, and it shall be the duty of the said tax assessor and collector to assess and collect such tax.

Eminent domain

Sec. 9. The district shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind or character, real, personal or mixed, or any interest therein, including outright ownership of such property in fee simple absolute, within the boundaries of the said district, necessary or convenient to the exercise of the rights, power, privileges and functions conferred upon it by this Act, in the manner provided by General Law with respect to condemnation; provided that the said district shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph No. 2 in Article 3268, Vernon's Annotated Civil Statutes, 1925, or to make the bond required therein. therefore set up or appropriated by budget or otherwise by the county for
the support and maintenance of the hospital facilities for the year within
which the hospital district comes into existence, thereby providing such
hospital district with funds with which to maintain and operate such
facilities for the remainder of such year. All obligations under contract
legally incurred by the county for the building of, or the support and
maintenance of, hospital facilities, prior to the creation of the said district
but outstanding at the time of the creation of the district, shall be as­

by the hospital district and become the obligation of the hospital district;
and the county shall be by the hospital district relieved of any further
liability for the payment thereof, or for providing interest and sinking
fund requirements thereon; provided that nothing herein contained shall
limit or affect any of the rights of any of the holders of such bonds against

If they find that such patient or said relatives are liable to pay for his care and treatment in whole or in part, an order shall be made directing such patient, or said relatives, to pay to the treasurer of the hospital district for the support of such patient a specified sum per week, in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The district shall have power and authority to collect such sum from the estate of the patient, or his relatives legally liable for his support, in the manner provided by law for the collection of expenses of the last illness of a deceased person. If the agent designated by the district to handle such affairs finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, the same shall become a charge upon the hospital district. Should there be a dispute as to the ability to pay, or doubt in the mind of the person designated as aforesaid, the district's directors shall hear and determine same, after calling witnesses, and shall make such order as may be proper, from which appeal shall lie to the district court by either party to the dispute.

Donations

Sec. 15. The board of directors of the hospital district is authorized on behalf of said hospital district to accept donations, gifts and endowments for the hospital district to be held in trust and administered by the board of directors for such purposes and under such direction, limitations, and provisions as may be prescribed in writing by donor, not inconsistent with proper management and objects of the hospital district.

Violation of constitution; alternative procedures

Sec. 18. Nothing in this Act shall be construed to violate any provision of the federal or state constitutions, and all acts done under this Act shall be in such manner as will conform thereto, whether expressly provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the district shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, such fact shall not affect the authorization for the creation of the district or the validity of any other provisions of this Act, and the Legislature hereby declares that it would have created the district and enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

The order calling such election shall specify the date and place or places of holding same, the form of ballot and the presiding judge for each voting place. At such election there shall be submitted to the qualified property taxpaying electors of said proposed District the proposition of whether or not Mathis Hospital District of San Patricio County, Texas, shall be created with authority to levy annual taxes at a rate not to exceed seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District for the purpose of meeting the requirements of the District's bonds and its maintenance and operating expenses, and a majority of the qualified property taxpaying electors of the District voting in said election in favor of the proposition shall be sufficient for its adoption. The ballots of said election shall conform to the requirements of the Texas Election Code, as amended, and shall have printed thereon the following:

taxable property within such District." Notice of said election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in the area of the proposed District, once a week for two consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date set for the election. The failure of any election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose.

Board of directors; terms

Sec. 4. At the election there shall also be submitted to the resident qualified electors of said proposed District a separate ballot containing the names of all qualified persons who shall file applications, not later than twenty (20) days prior to the date set for said election, to have their names placed on the ballot for election to the board of directors. To be qualified to serve as a director of the District a person must be a resident of the District, at least twenty-one years of age and own land subject to taxation within said District. Each voter shall vote for five persons and the five persons receiving the highest number of votes shall constitute the first board of directors. Said persons shall serve until the second Tuesday in January, 1967.

At that time a general election shall be held at which five directors shall be elected. The three persons receiving the highest number of votes shall serve for two years. The other two persons shall serve for one year. At the second annual election two directors shall be elected to serve two years, and thereafter there shall be an annual election of three directors in one year and two directors in the next year in continuing sequence.

Canvass of returns; bonds of directors

Sec. 5. After such creation, tax levy and first director's election is held, the officials conducting same shall make due return to the San Patricio County Commissioners Court which shall canvass the returns thereof. If a majority of the qualified property taxing electors voting at the election voted in favor of the proposition to create the District and levy the tax, the Court shall so find and declare the District established and created. That Court shall also determine the five persons receiving the highest number of votes for directors and shall declare those persons elected. Each member of the board of directors shall qualify by executing the constitutional oath of office and by making a good and sufficient bond, to be approved by said Commissioners Court, for Five Thousand Dollars ($5,000) payable to said District and conditioned upon the faithful performance of his duties as director, and the oaths and bonds shall be kept in the permanent records of the District. Except for the first board of directors, the bonds of the directors shall be approved by the District board of directors.

Officers; management and control of district; meetings; books and reports; vacancies

Sec. 6. (a) The board of directors of the District shall elect a president and secretary from their number to serve until the next succeeding directors' election. Any four (4) of the directors shall constitute a quorum, and a concurrence of four (4) shall be sufficient in all matters pertaining to the business of the District.

(b) Not by way of limitation, the board shall have the complete management and control of all the business of the District, including but not limited to the power and authority to negotiate and equip a hospital system, and to operate and maintain a hospital or hospitals, and to negotiate and contract with other political subdivisions of the State or private individuals, associations or corporations for such purposes, all as may be determined to be necessary or desirable for the District by the board; and the board shall have all powers necessary, convenient or incidental to carry out the purposes for which said District is created.
(c) The board of directors shall keep a true account of all their meetings and proceedings and shall preserve all contracts, records of notices, duplicate vouchers, duplicate receipts and all accounts and records of whatever kind in a safe place and shall be delivered to their successors in office.

(d) The board of directors shall have kept a complete book of accounts for the District, and shall on June 1st of each year select a competent auditor who shall examine the accounts, books and reports of the depository, the assessor and collector and the board of directors, and make full report thereon, a copy of which shall be filed with the depository, and a copy with the board of directors, and one with the county clerk. The reports shall state for what purposes the money from each fund has been expended.

(e) The board of directors of the District shall serve without compensation but may be reimbursed for actual expenses incurred by them in the performance of their official duties upon the approval of such expenses by the board of directors thereof.

(f) All vacancies in the office of director shall be filled for the unexpired term by appointment of the remainder of the board. If the number of directors is reduced to less than four (4), the remaining directors shall immediately call a special election to fill said vacancies. Upon failure to do so, a District Court may, upon application of any voter or taxpayer of the District, issue a mandate requiring such directors to call and hold such election.

Levy of tax

Sec. 7. Upon the creation of such District, the board of directors shall have the power and authority, and it shall be their duty, to levy on all property subject to District taxation for the benefit of the District, a tax at a rate not to exceed seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District, for the purpose of:

1. meeting the requirements of the District's bonds;
2. providing for the District's maintenance and operating expenses; and
3. for the purpose of making improvements and additions to its hospitals or hospital system, and for the acquisition of the necessary sites therefor, by gift, purchase, lease or condemnation. It is provided specifically that the support and maintenance of the District's hospital system shall never become a charge against or obligation of the State of Texas.

Tax assessor; powers and duties

Sec. 8. The office of tax assessor and collector of said District shall be filled by one person who shall be appointed by the District's board of directors. He shall give good and sufficient bond, to be approved by said directors, in the sum of Five Thousand Dollars ($5,000), conditioned upon the faithful performance of his duties as tax assessor and collector and for paying over to the District's depository all funds or other things of value coming into his hands as such officer. Not later than October 1 of each year the board of directors shall levy the tax on all property within the District which is subject to taxation and shall immediately certify the rate to said assessor and collector. The board shall have authority to levy the tax for the entire year in which the District is established to obtain funds to initiate the operation of the District. The compensation to be paid to the tax assessor and collector shall be fixed by the board of directors. The tax assessor and collector shall make an assessment of all taxable property in the District; and property subject to taxation in the District shall be determined by and governed by the
laws of this State providing for taxation for State and County purposes. The tax assessor and collector shall compile a record of all taxpayers and those subject to the payment of taxes in the District, and of all taxable property and the name and address of the owner thereof. It shall be the duty of the owner of any and all property subject to taxation in the District to file in the office of the tax assessor and collector a full, accurate and complete statement made under oath of all property owned by him, her, or either of them, subject to taxation therein. Said statement or rendition shall be filed on or before the last day of April of each year and shall state the true value of all property listed and owned by the party rendering same subject to taxation in the District. The tax assessor and collector shall have authority to administer oaths to carry out his duties in the assessment of property for taxation, and all laws and penal statutes of this State providing for the rendition of property for State and County purposes and providing penalties for making oaths and providing penalties for failure to render such property shall apply to the rendition of the property for taxation in the District except as may herein be otherwise provided. If, after the establishment and creation of the District, it shall become necessary to have the property therein rendered for taxation at a later date in the year than herein provided for the regular assessment thereof, then the directors of the District shall fix and determine the time the renditions shall be made and the time within which the other necessary things herein provided to be done in connection therewith shall be done. After the first year, however, the assessments and other things shall be made as herein provided.

Board of equalization

Sec. 9. After election and qualification, the directors of the District shall, as soon as practicable, and annually thereafter, appoint three (3) commissioners, each being a qualified voter and resident landowner of the District, who shall be styled the “Board of Equalization.” At the same meeting the directors shall fix the time for the meeting of the board of equalization for the first year, and the board of equalization shall convene at the time fixed by the directors to receive all assessment lists or books of the assessor and collector for the District for examination, correction, equalization, appraisement and approval. At all meetings of the board of equalization, the secretary of the board of directors shall act as secretary thereof and keep a permanent record of all the proceedings of said board of equalization. Before entering upon the duties of such board of equalization, each of the members thereof shall take and subscribe the following oath: “I, __________, do solemnly swear (or affirm) that I will to the best of my ability, make a full and complete examination, correction, equalization, and appraisement of all property contained within the District as shown by the assessment lists or books of the assessor and collector for the District.” The board of equalization, after the first year, shall convene on the first Monday of June of each year and shall complete their work by the first day of September, or as soon thereafter as possible. The board of equalization shall cause the assessor and collector to bring before it all his assessment lists or books for its examination; and this board shall have power to send for persons and papers, to administer oaths to persons who testify before this board, to ascertain the value of all property subject to taxation. They may lower the valuation of property rendered or raise the valuation thereof. The board of equalization shall have power to correct any and all errors of assessment and renditions and to cause all property not rendered to be placed on the District’s tax rolls. The board of equalization shall equalize as near as possible the value of all property rendered for taxation and fix the value thereof for taxation. When the board of equalization shall have passed upon such renditions or upon rendition of taxable property to such District, it shall fix a date for hearing protests from those whose renditions have been raised. Notice
in writing shall be given to all those whose assessments have been raised of the date, time and place of the hearing. Failure to give notice shall not relieve the owner of any such property of his duty to take notice of the meeting of the board of equalization and to appear at the meeting. The board of equalization at such meeting shall hear and consider all complaints and protests and reconsider the valuation of all property, the valuation of which has theretofore been raised by it and finally fix the valuation of all property. When the tax assessor and collector has made out his tax rolls, the board of equalization shall meet and consider same and make all necessary corrections therein and endorse its approval thereon. The action of the board of equalization at the last meeting finally approving the rolls shall be final and shall not be subject to revision by the board or in any other tribunal thereafter. The compensation of the members of the board shall be fixed by the directors of the District.

Due date and lien for taxes; suits for taxes; penalties and interest

Sec. 10. All District taxes shall become due and payable on the first day of October of each year and shall be paid on or before the 31st day of January thereafter. All taxes which have not been paid on the last day of January shall become delinquent on the first day of February each year and shall be and remain a lien upon the property on which they were assessed even if the owner be unknown, the property be listed in the name of a person not the actual owner thereof, or the ownership be changed. All property upon which there is a lien may be sold under a judgment of a court for all taxes, interest, penalties, and costs assessed against same at any time after the taxes become delinquent. The District shall have authority to file suits for the collection of taxes against any and all property assessed for taxes and if the owner be unknown such suit may be filed against an unknown owner and the property sold under the judgment of the court. District taxes shall not be barred by any law of limitation, and no law providing for a period of limitation as to debts or actions shall apply to such taxes. All taxes becoming delinquent shall have added thereto a penalty of 10% of the amount thereof, which charges shall accrue at the time same became delinquent. All such delinquent taxes shall bear interest at the rate of 6% per annum from the date upon which they became delinquent.

Eminent domain

Sec. 11. The District shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind or character, real, personal or mixed, or any interest therein, including outright ownership of the property in fee simple absolute, within the boundaries of the District, necessary or convenient to the exercise of the rights, powers, privileges and functions conferred upon it by this Act in the manner provided by General Law with respect to condemnation; provided that said District shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph 2, Article 3268, Revised Civil Statutes of Texas, 1925, as amended, or to make the bond required therein. In condemnation proceedings being prosecuted by the District, the District shall not be required to pay in advance or to give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction relating to a condemnation proceeding, nor to give bond for costs or for supersedeas on any appeal or writ of error proceeding to any Court of Civil Appeals, or to the Supreme Court.

For construction, acquisition, repair or renovation of buildings and improvements and equipping the same for hospital purposes and for any or all of such purposes, provided however, that the total amount expended by the District for the purchase, construction, acquisition, repair, renovation and maintenance of buildings shall not exceed $350,000. A sufficient annual tax shall be levied to create an interest and sinking fund to pay the interest on and principal of the bonds as they mature, providing this tax together with any other taxes levied for the District shall not exceed a rate of seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within the District in any one year. The bonds shall be executed in the name of the District and on its behalf by the president of the board of directors, countersigned by the secretary of the board, and shall be subject to the same requirements in the manner of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of counties of this State. Upon the approval of the bonds by the Attorney General of Texas and registration by the Comptroller, they shall be incon-testable for any cause. Until such time as the bond proceeds are needed to carry out the bond purpose, the proceeds may be invested in direct obligations of the United States of America or may be placed on time deposit, or both. No bonds (except refunding bonds) shall be issued by the District until authorized by a majority vote of the duly qualified resident electors of said District who own taxable property within said District and who have duly rendered the same for taxation, voting in an election called and held for that purpose. This election shall be called by the board of directors on its own motion, and the order calling the election shall specify the date of same, the place or places where the election shall be held, the presiding officers thereof, the purpose for which the bonds are to be issued, the amount thereof, maximum interest (not to exceed six per cent (6%) per annum), and the maximum maturity date of the bonds (not to exceed forty (40) years from their date or dates of issuance). Notice of the election shall be given by publishing a substantial copy of the order calling the election in a newspaper of general circulation within the area of the District once a week for two consecutive weeks, the date of the first publication to be at least fourteen (14) days prior to the date set for the election. The bonds may be made optional for redemption prior to their maturity date at the discretion of the board of directors. The District may, without election, issue bonds to refund or pay off any validly issued and outstanding District bonds, or both, provided that such refunding bonds shall bear interest at the same rate or at a lesser rate than the bonds being refunded, unless it be shown mathematically that a savings will result in the total amount of interest to be paid.

Sec. 13. After the creation and establishment of the District, it shall be subject to inspection by any duly authorized representative of the State Board of Health, the State Board of Public Welfare, or any other agency of the state created for a similar purpose, and the resident officers shall admit these representatives into all District facilities and give them access on demand to all records, reports, books, papers and accounts pertaining to the District.

Sec. 14. All bonds issued by the District shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, guardians, and for the sinking funds of cities, towns, villages, counties, school districts or other political corporations or subdivisions of the State of Texas; and such bonds shall be lawful and suffi-

Sec. 15. As soon as practicable after the election and qualification
of the first board of directors of the District, the board shall by resolution
designate a bank within the County as the District's depository, and all
funds of the District shall be secured in the manner now provided for the
security of County funds. The depository shall serve for a period of two
(2) years and until a successor has been selected.

Suits

Sec. 16. The hospital district created under this Act shall be and is
declared to be a political subdivision of the State of Texas, and as a gov­
ernmental agency may sue and be sued in any and all courts of this State
in the name of such District.

Dissolution of district

Sec. 17. (a) The District may be dissolved after it is created by fol­
lowing the procedure set forth in this Section if, at the time for dissolu­
tion, there are no bonds outstanding and all contractual obligations and
liabilities incurred by the District do not exceed the total of the funds
on hand, the funds to be derived from all taxes levied prior to dissolution,
and the market value of the assets of the District.

(b) Within 10 days after the receipt of a petition signed by at least
the same number of qualified electors who own taxable property within the
District and have rendered that property for taxation as would be required
to authorize the creation of the District at the time of filing this petition,
the Commissioners Court shall set a time and place for a public hearing
on the petition. The hearing must be held within 45 days after the receipt
of the petition but only after 20 days notice to the residents of the District.

(c) The public hearing is for the purpose of presenting evidence on
whether the District is capable of being dissolved and arguments for and
against the proposed dissolution.

(d) If the Commissioners Court finds that the District is qualified for
dissolution under Subsection (a) of this Section, the court shall order
an election to determine whether the District is to be dissolved. This
election shall be held in the same manner as is required to create the
District. The results shall be recorded in the minutes of the Commis­sioners Court. If a majority of the qualified electors who own taxable
property within the District and have rendered that property for taxation
and who vote in the election vote for dissolution of the District, the Com­missioners Court shall order the dissolution of the District and place
a copy of the order in its minutes.

(e) The ballot for the election must be substantially as follows:
"FOR the dissolution of Mathis Hospital District in San Patricio Coun­ty, Texas.

"AGAINST the dissolution of Mathis Hospital District in San Patricio
County, Texas."

(f) Immediately after the order to dissolve the District is made, the
board of directors shall transfer all records, funds, and assets over to
the Commissioners Court. The Court shall wind up the operation and
affairs of the District and shall determine the validity of all claims against
the District and satisfy totally all valid claims.

(g) When all claims have been settled the Commissioners Court shall
by written order, entered upon the minutes of the Court, declare the Dis­
trict dissolved. The Court shall file a copy of this final order with the
county clerk. The District ceases to exist upon the filing of the order
with the clerk.
(h) After payment of all claims against the District, any asset of the District remaining shall be liquidated and the proceeds shall be returned to the taxpayers of the District in the same proportion to the tax paid by the taxpayer for the current year as the excess of the assets bears to the total taxes levied for the current year.

(i) The District shall not levy any tax nor conduct any transactions except those absolutely essential to the operation of any hospital facility after the petition is filed. If the Commissioners Court finds that the District is not qualified to be dissolved or the majority of the qualified electors voting in the election vote against the dissolution of the District, the District shall resume its functions as if the petition had not been filed.

(j) If the Commissioners Court finds that the District is not qualified to be dissolved or the majority of the qualified electors voting in the election vote against the dissolution of the District, the Commissioners Court shall not accept another petition within one year from the date of the filing of the next previous petition.

(k) If the District is dissolved, all power and authority to provide hospital services and medical care shall revert to the county, municipality, or other political subdivision which had that power and authority before the District was created.

(l) This Act expires on January 1, 1967, if the District has not been created by a majority of those persons voting at an election for that purpose before that date.

Donations

Sec. 18. Not by way of limitation, the board of directors of said District is authorized in its behalf to accept donations, gifts and endowments for the District to be held in trust and administered by the board of directors for such purposes and under such direction, limitations and provisions as may be prescribed in writing by donor, not inconsistent with proper management and objects of the District.

Violation of constitution; alternative procedures

Sec. 19. Nothing in this Act shall be construed to violate any provision of the Federal or State Constitution, and all things done under this Act shall be in a manner as will conform thereto, whether expressly so provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the District shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, such fact shall not affect the authorization for the creation of the District or the validity of any other provisions of this Act, and the Legislature hereby declares that it would have created the District and enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

Publication of notice

Sec. 20. Proof of publication of the Constitutional Notice required in the enactment hereof under the provisions of Section 9 of Article IX of the Texas Constitution has been made in the manner and form provided by law pertaining to the enactment of Local and Special Laws and is hereby found and declared to be proper and sufficient to satisfy such requirement. The Board of Directors shall provide the necessary ballots for said election, which shall be printed.

(d) Immediately after the election the presiding judges shall make return of the result in the same manner as provided for in general elections for State and County officials. The return shall be made to the Board of Directors who shall at a regular or special session canvass the vote, and if a majority of the votes favor the issuance of bonds and levy of taxes, the Board of Directors shall so declare and enter the results in their minutes.

(e) After declaring the result of the election, the Board of Directors shall make and enter an order in their minutes directing the issuance of bonds for the District sufficient in amount to pay for the proposed project with all necessary, actual, and incidental expenses connected therewith not to exceed the amount specified in the order and voted at the election. The Attorney General shall carefully examine the bonds in connection with the record and Constitution and laws of the State governing the issuance of such bonds; and if the examination shows that such bonds are issued in conformity thereto, and that they are valid and binding obligations upon the District, he shall so officially certify.

(g) When the bonds are approved, they shall be registered by the Comptroller in a book kept for that purpose and the certificate of the Attorney General as to their validity shall be preserved of record; whereupon such bonds shall be held prima facie valid in every action, suit or proceeding in which their validity may be brought into question. Upon the payment of any bond, the treasurer shall make an entry thereof in the
book; and he shall receive for such services the same fees allowed by law to the county clerk for recording deeds.

(d) The District when it has issued bonds, may, by consent of the holders thereof, refund any bonds heretofore issued by issuing new coupon bonds for that purpose. Refunding bonds shall not bear a greater rate of interest than the bonds in lieu of which they are issued. This election shall be held in the same manner as is required to create the District. The results shall be recorded in the minutes of the Commissioners Court. Section 1. In accordance with the provisions of Article IX, Section 9, Constitution of the State of Texas, this Act shall be operative so as to authorize the creation, establishment, maintenance and operation of a hospital district within the State of Texas with boundaries identical with those of Motley County, Texas, to be known as Motley County Hospital District. This District shall have the rights, powers and duties as are hereinafter prescribed. It is hereby found and determined that neither Motley County nor any city therein has acquired or operates any hospital facilities and therefore the District if created shall have no indebtedness to assume, nor shall it have any properties to take over under the provisions of the aforementioned constitutional provision.

Purpose of district; election; ballots

Sec. 2. The Hospital District herein authorized to be created shall provide for the establishment of a hospital system to furnish medical and hospital care to persons residing in said District by the purchase, construction, acquisition, repair or renovation of buildings and improvements; and the equipping of same and the administration thereof for hospital purposes. Such District shall assume full responsibility for providing medical and hospital care for its needy inhabitants. Such District shall not be created nor shall any tax therein be authorized unless and until such creation and such taxes are approved by a majority of the qualified property taxing electors of the District voting in an election called for such purpose. Such election may be initiated by the Commissioners Court of Motley County upon its own motion or upon the petition of one hundred (100) resident qualified property taxing electors residing within the boundaries of the proposed Hospital District. Such election when called shall be held not less than thirty (30) nor more than sixty (60) days from the day it is ordered.
The order calling the election shall specify the time and place or places of holding same, the form of ballot and the presiding judge for each voting place. At such election there shall be submitted to the qualified property taxpaying electors the proposition of whether or not Motley County Hospital District shall be created with authority to levy annual taxes at a rate not to exceed seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District for the purpose of meeting the requirements of the District's bonds and its maintenance and operating expenses. The ballots shall have printed thereon the following:

Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in the area of the proposed District once a week for two (2) consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date established for the election.

The failure of any such election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose.

Canvass of returns; board of directors; officers

Sec. 3. Within ten (10) days after such election is held the Commissioners Court in such County shall convene and canvass the returns of the election, and if a majority of the qualified property taxpaying electors voting at said election vote in favor of the proposition, the Court shall so find and declare the Hospital District established and created and appoint five (5) persons as directors of the Hospital District to serve until the first Saturday in April following the creation and establishment of the District, at which time five (5) directors shall be elected. The three (3) directors receiving the highest vote at such first election shall serve for two (2) years, the other two (2) directors shall serve for one (1) year. Thereafter all directors shall serve for a period of two (2) years and until their successors have been duly elected or appointed and qualified. All qualified voters of Motley County shall be entitled to vote for all directors. Each member of the board of directors shall qualify by executing the constitutional oath of office, but it shall not be necessary to execute a public official's bond.

The board of directors shall organize by electing one of their number as president and one of their number as secretary. Any three (3) members of the board of directors shall constitute a quorum and a concurrence of three (3) shall be sufficient in all matters pertaining to the business of the District. All vacancies in the office of directors shall be filled for the unexpired term by appointment by the remainder of the board of directors. In the event the number of directors shall be reduced to less than three (3) for any reason, the remaining directors shall immediately call a special election to fill said vacancies, and upon failure to do so a district court may, upon application of any voter or taxpayer of the District, issue a mandate requiring that such election be ordered by the remaining directors.

A regular election of directors shall be held on the first Saturday in April of each year, and notice of such election shall be published in a news-
paper of general circulation in the county one (1) time at least ten (10) days prior to the date of election. Any person desiring his name to be printed on the ballot as a candidate for director shall file a petition signed by not less than five (5) qualified voters asking that such name be printed on the ballot, with the secretary of the board of directors of the District. Such petition shall be filed with such secretary at least twenty-five (25) days prior to the date of election.

The board of directors shall have the authority to levy the tax aforesaid for the entire year in which the said Hospital District is established for the purpose of securing funds to initiate the operation of the Hospital District.

Such bonds shall be executed in the name of the Hospital District and on its behalf by the president of the board of directors and countersigned by the secretary of the board of directors, and shall be subject to the same requirements in the matter of approval thereof by the Attorney General of the State of Texas and the registration thereof by the Comptroller of Public Accounts of the State of Texas as are by law provided for such approval and registration of bonds of counties of this State. Upon the approval of such bonds by the Attorney General of Texas and registration by the Comptroller the same shall be incontestable for any cause. The cost of such election shall be paid by the Hospital District.

The bonds of the District may be optional for redemption prior to their maturity date at the discretion of the board of directors.

The District may without an election issue bonds to refund and pay off any validly issued and outstanding bonds theretofore issued by the District, providing any such refunding bonds shall bear interest at the same rate or at a lesser rate than the bonds being refunded unless it be shown mathematically that a savings will result in the total amount of interest to be paid.

Buildings; contracts for facilities

Sec. 7. The board of directors is hereby given complete discretion as to the type of buildings (both as to number and location) required to establish and maintain an adequate hospital system. Nothing herein shall prohibit the establishing and equipping of a clinic as a part of the hospital system. The board of directors is further authorized to enter into an operating or management contract with regard to its facilities, or parts thereof, or the board may lease all or part of its buildings and facilities upon terms and conditions it considers to the best interest of the inhabitants, provided that in no event shall any lease be for a period in excess of twenty-five (25) years from the date the same is entered.

It is expressly provided that the conveyance of the properties may be conditioned upon the District's assumption of contractual obligations of the Authority in connection with the operation of the hospital facilities so acquired.

Sec. 11. In carrying out the purposes of this Act the District will be performing an essential public function and any bonds issued by it and their transfer and the revenues therefrom including any profits made in the sale thereof shall at all times be free from taxation by the State or any municipality or political subdivision thereof.

All such funds shall, as derived and collected, be immediately deposited with such depository bank or banks for the payment of principal of and interest on the outstanding bonds of the District in time that such money may be received by said bank or banks for payment on or prior to the date of maturity of such principal and interest so to be paid. To the extent that funds in the depository bank or banks are not insured by the Federal Deposit Insurance Corporation, they shall be secured in the manner provided by law for security of county funds. Membership on the Board of Directors of an officer or director of a bank shall not disqualify such bank from being designated as depository.

Bonds eligible for investment and to secure deposits

Sec. 14. All bonds of the District shall be and are hereby declared to be legal and authorized investments of banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fiduciaries, trustees, and sinking funds of cities, towns, villages, counties, school districts or other political subdivisions.

Assessment and collection of taxes

Sec. 16. District taxes shall be assessed and collected on county tax values in the same manner as provided by law with relation to county taxes upon all taxable property within said District, subject to Hospital District taxation. The Tax Assessor and/or Collector of Cooke County shall be charged and required to accomplish the assessment and collection of all taxes levied by and on behalf of the District. The Assessor and Collector of taxes shall charge and deduct from payments to the Hospital District the dues for assessing and collecting the taxes at a rate of not to exceed one per cent (1%) for assessing and one per cent (1%) for collecting as may be agreed upon by the District and the Tax Assessor, but in no event shall the amount of such compensation exceed a total of Five Thousand Dollars ($5,000) in any one fiscal year of the District. Such fees shall be deposited in the officers' salary fund of the county and reported as fees of office of the county Tax Assessor and Collector. Interest and penalties on taxes paid to the Hospital District shall be the same as in the case of county taxes. Discounts shall be the same as allowed by the county. The residue of tax collections, after deduction of discounts and fees for assessing and collecting, shall be deposited in the District's depository. The Board of Directors shall have the authority to levy the aforesaid tax for the entire year in which said District is established as the result of the election herein provided. The bond of the county Tax Assessor-Collector shall stand as security for the proper performance of his duties as Assessor-Collector of the District or, if in the judgment of the District Board of Directors it is necessary, additional bond payable to the District may be required. In all matters pertaining to the assessment, collection and enforcement of taxes for the District, the county Tax Assessor-Collector shall be authorized to act in all respects according to the laws of the State of Texas relating to state and county taxes.

Patients; inquiry as to ability to pay; liability of relatives

If he finds that such patient or said relatives are able to pay for his care and treatment, in whole or in part, an order shall be made directing such patient or said relatives to pay to the Hospital District for the support of such patient a specified sum per week in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The administrator or manager shall have power and authority to collect such sums from the estate of the patient or his relatives legally liable
for his support in the manner provided by law for the collection of expenses in the last illness of a deceased person. If the administrator or manager finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, same shall become a charge upon the Hospital District to the amount of the inability to pay, as care for indigents. Should there be any dispute as to the ability to pay, or doubt in the mind of the administrator or manager, the Board of Directors shall hear and determine same, after calling witnesses, and shall make such order or orders as may be proper. Appeals from a final order of the Board shall lie to the District Court. The substantial evidence rule shall apply. The provisions of this Section shall also apply to non-residents of the District who are admitted as emergency patients.

Sec. 18. The Board of Directors of the Hospital District is authorized on behalf of such District to accept donations, gifts and endowments to be held in trust and administered by the Board of Directors for such purposes and under such directions, limitations and provisions as may be prescribed in writing by the donor, not inconsistent with proper management and object of the Hospital District.

At the conclusion of the hearing the Board shall enter on its minutes an order levying taxes for the ensuing year and such order shall state the rate of tax levied for meeting the requirements of the District’s bonds and the rate levied for the care of indigents.

District alone to incur indebtedness for hospital purposes

Sec. 20. After creation of Muenster Hospital District as herein provided, no other municipality or political subdivision therein shall thereafter issue bonds or other evidences of indebtedness or levy taxes for hospital purposes for medical treatment of indigent persons within the boundaries of said District, and the said Muenster Hospital District shall assume full responsibility for the operation of all hospital facilities for the furnishing of medical and hospital care of indigent persons within its boundaries.

State not to be obligated

Sec. 21. The support and maintenance of Muenster Hospital District shall never become a charge against or obligation of the State of Texas, nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such District.

Severability

Sec. 22. If any of the provisions of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Within ten (10) days after the presentation of the petition to the Commissioners Court of San Patricio County, Texas, said Court shall order an election to be held within the District not less than thirty (30) days from the date said election is ordered. The order calling the election shall specify the date and place or places of holding same, the form of ballot and the presiding judge for each voting place. At the election there shall be submitted to the qualified property taxpaying electors of said proposed District the proposition of whether or not Taft Hospital District of San Patricio County, Texas, shall be created with authority to levy annual taxes at a rate not to exceed seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District for the purpose of meeting the requirements of the District's bonds and its maintenance and operating expenses, and a majority of the qualified property taxpaying electors of the District voting in said election in favor of the proposition shall be sufficient for its adoption. The ballots of said election shall conform to the requirements of the Texas Election Code, as amended, and shall have printed thereon the following:

seventy-five cents (75¢) on the one hundred dollar valuation of all taxable property within such District."

Notice of said election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in the area of the proposed District, once a week for two consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date set for the election. The failure of any such election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose.

**Board of directors; qualifications; terms of office**

Sec. 4. At said election there shall also be submitted to the resident qualified electors of said proposed District a separate ballot containing the names of all qualified persons who shall file applications, not later than twenty (20) days prior to the date set for said election, to have their names placed on said ballot for election to the board of directors. To be qualified to serve as a director of such District a person must be a resident of such District, at least twenty-one years of age and own land subject to taxation within said District. Each voter shall vote for seven persons and the seven persons receiving the highest number of votes shall constitute the first board of directors. These persons shall serve until the second Tuesday in January, 1967. At that time a general election shall be held at which seven directors shall be elected. The four persons receiving the highest number of votes shall serve for two years. The other three persons shall serve for one year. At the second annual election three directors shall be elected to serve two years, and thereafter there shall be an annual election of four directors in one year and three directors in the next year in continuing sequence.

**Canvass of returns; oath and bond**

Sec. 5. After such creation, tax levy, and first directors' election is held, the officials conducting same shall make due returns to the San Patricio County Commissioners Court which shall canvass the returns thereof. If a majority of the qualified property taxing electors voting at the election voted in favor of the proposition to create the District and levy the tax, said Court shall so find and declare the District established and created. The Court shall also determine the seven persons receiving the highest number of votes for directors and shall declare those persons elected. Each member of the board of directors shall qualify by executing the Constitutional Oath of office and by making a good and sufficient bond, to be approved by said Commissioners Court, for $5,000 payable to the District and conditioned upon the faithful performance of his duties as director, and the oaths and bonds shall be kept in the permanent records of the District. Except for the first board of directors, the bonds of the directors shall be approved by the District board of directors.

**Bond election**

Sec. 6. A bond election may also be held on the same day as the creation, tax levy and directors' election, and the petition mentioned in Section 3 of this Act may also include a proposition on the issuance of bonds of the District. Such bond election may be called by a separate election order, or as a part of the order calling the election provided for in Section 3. The provisions of Section 12 of this Act shall apply to such bond election, except that the election shall be called by the San Patricio County Commissioners Court and the returns canvassed by the Court. If the bonds are authorized at the election, they shall then be issued by the board of directors, assuming that the proposition specified in Section 3 of this Act is favored by a majority vote. With the exception of bonds authorized by this section, all bond elections shall be ordered and the returns thereof shall be canvassed by said board of directors.

(b) Within ten (10) days after the receipt of a petition signed by at least the same number of qualified electors who own taxable property within the District and have rendered that property for taxation as would be required to authorize the creation of the District at the time of filing this petition, the Commissioners Court shall set a time and place for a public hearing on the petition. The hearing must be held within forty-five (45) days after the receipt of the petition but only after twenty (20) days notice to the residents of the District.

(c) The public hearing is for the purpose of presenting evidence on whether the District is capable of being dissolved and arguments for and against the proposed dissolution.

(d) If the Commissioners Court finds that the District is qualified for dissolution under Subsection (a) of this Section, the Court shall order an election to determine whether the District is to be dissolved. This election shall be held in the same manner as is required to create the District. The results shall be recorded in the minutes of the Commissioners Court. (g) When all claims have been settled the Commissioners Court shall by written order, entered upon the minutes of the court, declare the District dissolved. The court shall file a copy of this final order with the county clerk. The District ceases to exist upon the filing of the order with the clerk.
(h) After payment of all claims against the District, any asset of the District remaining shall be liquidated and the proceeds shall be returned to the taxpayers of the District in the same proportion to the tax paid by the taxpayer for the current year as the excess of the assets bears to the total taxes levied for the current year.

(i) The District shall not levy any tax nor conduct any transactions except those absolutely essential to the operation of any hospital facility after the petition is filed. If the Commissioners Court finds that the District is not qualified to be dissolved or the majority of the qualified electors voting in the election vote against the dissolution of the District, the District shall resume its functions as if the petition had not been filed.

(j) If the Commissioners Court finds that the District is not qualified to be dissolved or the majority of the qualified electors voting in the election vote against the dissolution of the District, the Commissioners Court shall not accept another petition within one year from the date of the filing of the next previous petition.

(k) If the District is dissolved, all power and authority to provide hospital services and medical care shall revert to the county, municipality, or other political subdivision which had that power and authority before the District was created.

(l) This Act expires on January 1, 1967, if the District has not been created by a majority of those persons voting at an election for that purpose before that date.

Violation of constitution; alternative procedures

Sec. 18. Nothing in this Act shall be construed to violate any provision of the Federal or State Constitution, and all things done under this Act shall be in such manner as will conform thereto, whether expressly so provided or not. Where any procedure hereunder may be held by any court to be violative of either of such constitutions, the District shall have the power by resolution to provide an alternative procedure conformable with such constitutions. If any provision of this Act should be invalid, that fact shall not affect the authorization for the creation of the District or the validity of any other provisions of this Act, and the Legislature hereby declares that it would have created the District and enacted the valid provisions of this Act notwithstanding the invalidity of any other provision or provisions hereof.

(f) The Board may levy this tax for the entire year in which the District is established to secure funds necessary to initiate the operation of the hospital district.

Bonds, election

Sec. 9. (a) At the time of the election to create the District the Commissioners Court may order an election to determine whether the District may issue bonds for the purchase, construction, acquisition, repair, or renovation of buildings and improvements, and for equipping the buildings for hospital purposes. (d) All bonds issued by the District may be made optional for redemption prior to their maturity date in the discretion of the board.

(e) The Board may elect to refund and pay off any validly issued and outstanding bonds issued by the District. Powers and duties of the board of directors

Sec. 11. (a) The Board of Directors has full power to manage and control the District. Any provision of this Act which provides a specific power or duty does not limit the general authority of the District to carry out the purposes of this Act.

Upon receipt of such application, accompanied by the proper registration fee, the Texas State Board of Medical Examiners, after ascertaining, either from the records of the Board or from other sources deemed by it to be reliable, that the applicant is a licensed practitioner of medicine in this state, shall issue to the applicant an annual registration receipt, certifying that the applicant has filed such application and has paid the registration fee mentioned for the year in question; provided, that the filing of such application, the payment of the registration fee, and the issuance of such receipt shall not entitle the holder thereof to lawfully practice medicine within the State of Texas, unless he has in fact been previously licensed as such practitioner by the Texas State Board of Medical Examiners, as prescribed by law, and has recorded his license certificate entitling him to practice, as issued by said Board, in the District Clerk's Office of the several counties in which the same may be required by law to be recorded, and unless his license to practice medicine is in full force and effect; and provided further, that in any prosecution for the unlawful practice of medicine as denounced in Chapter 6, Title 12, of the Penal Code of Texas, such receipt showing payment of the annual registration fee required by this Act shall not be treated as evidence that the holder thereof is lawfully entitled to practice medicine. SUBCHAPTER A. TERMS DEFINED; DOMESTIC COMPANIES

Art. 3.04. Application, charter and organization

Sec. 4. If the Board shall determine by an affirmative finding any of the above issues adversely to the applicants, it shall reject the application in writing giving the reason therefor. Otherwise, the Board shall approve the application and submit such application together with the articles of incorporation and the affidavit to the Attorney General for examination. If the application, articles of incorporation, the affidavit and the procedure and action thereon shall be found by the Attorney General to be in accordance with the laws of this state, he shall attach thereto his certificate to that effect, whereupon all such documents shall be deposited with the Board. Upon receipt by the Board of such documents so certified by the Attorney General, the Board shall record the same in a book kept for that purpose; and upon receipt of a fee of One Dollar ($1.00), it shall furnish a certified copy of the same to the incorporators, upon which they shall become a body politic and corporate and may proceed to complete the organization of the company, for which purpose they shall forthwith call a meeting of the stockholders who shall adopt bylaws for the government
of the company, and elect a board of directors of not less than five (5) members; which board shall have full control and management of the affairs of the corporation, subject to the bylaws thereof as adopted or amended from time to time by the stockholders or directors, and to the laws of this state. The board of directors so elected shall serve until the fourth Tuesday in April thereafter, on which date, there shall be held a meeting of the stockholders at the home office, and a board of directors elected for the ensuing year; provided, however, that when the board of directors shall consist of nine (9) or more members, in lieu of electing the whole number of directors annually, the bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the terms of office of directors of the first class to expire at the first annual meeting of stockholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No classification of directors shall be effective prior to the first annual meeting of stockholders. Annual meetings of the stockholders, after the first meeting, shall be held at the home office of the company on or before April 30 of each year as may be prescribed in the bylaws of the corporation. If the stockholders fail to elect directors at any annual meeting, directors may be elected at a special meeting of the stockholders called for that purpose. Neither directors nor officers need be stockholders unless the articles of incorporation or bylaws so require. The directors shall choose a president from their own number, and all other officers shall be chosen in accordance with the bylaws of the company, and none of such other officers need be a director except as required by the bylaws of such company. The duties and compensation of officers of such company shall be in accordance with the bylaws of the company, or, to the extent of the absence of provisions governing the same in the bylaws, then the duties and compensation of officers shall be defined and fixed by the directors. The directors shall keep a full and correct record of their transactions to be open during business hours to the inspection of stockholders. The directors shall fill any vacancy which occurs in the board or in any office of such company. A majority of the board shall be a quorum for the transaction of such business. At all meetings of the stockholders, each stockholder shall be entitled to one vote for each share of stock fully paid up appearing in his name on the books of the company, except to the extent that the voting rights of the shares of any class or classes of stock are increased, limited or denied by the articles of incorporation as authorized or permitted by the Texas Business Corporation Act, which vote may be given in person or by written proxy. The majority of the paid up capital stock at any meeting of the stockholders shall be a quorum. As amended Acts 1965, 59th Leg., p. 16, ch. 8, § 1, emerg. eff. Feb. 28, 1965.

PART III. SEPARATE ACCOUNTS

Any domestic life insurance company may establish one or more separate accounts, and may allocate to such separate account or accounts, in accordance with the terms of a written agreement, any amounts paid to the company in connection with a pension, retirement or profit sharing plan which are to be applied to provide benefits payable in fixed or variable dollar amounts, subject to the following conditions and limitations:

(a) The amounts allocated to each such account and accumulations thereon may be invested and reinvested in any class of investments which may be authorized in the written agreement without regard to any requirements or limitations prescribed by this Chapter Three of the
Insurance Code or by any other laws of this state governing the investments of domestic life insurance companies; provided, that to the extent that the company's reserve liability with regard to (1) benefits guaranteed as to amount and duration, and (2) funds guaranteed as to principal amount or stated rate of interest is maintained in any separate account, a portion of the assets of such separate account at least equal to such reserve liability shall be invested in accordance with the laws of this state governing the investments of domestic life insurance companies. The investments in such separate accounts shall not be taken into account in applying the investment limitations applicable to other investments of the company.

(b) The income, if any, and gains and losses, realized or unrealized on each account shall be credited to or charged against the amounts allocated to the account in accordance with the written agreement, without regard to other income, gains or losses of the company.

c) Assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then in accordance with the terms of the applicable written agreement; provided, that the portion of the assets of such separate account at least equal to the company's reserve liability with regard to the guaranteed benefits and funds referred to in Subsection (a) hereof, if any, shall be valued in accordance with the rules otherwise applicable to the company's assets.

d) Amounts allocated to a separate account in the exercise of the power granted by this section shall be owned by the company and the company shall not be, or hold itself out to be, a trustee with respect to such amounts.

e) No investment shall be transferred between separate accounts or between separate and other accounts, unless the State Board of Insurance shall authorize such transfer in circumstances where such transfer would not be inequitable.

(f) If the agreement provides for payment of benefits in variable amounts, any contract delivered, issued or used in this state providing for such variable benefits shall be a group annuity contract. Such contract shall:

(1) Contain an undertaking by the insurance company to provide, to the extent of the interest in such separate account of the employer and of the covered employees, for the future issue of annuities payable to covered employees on or after their retirement, whether such annuities are payable only in variable dollar amounts or in both variable and fixed dollar amounts; and

(2) Be made in connection with a plan (other than one covering employees some or all of whom are employees within the meaning of Section 401(e) (1), as it now exists or may hereafter be amended, of the Internal Revenue Code) which meets the requirements for qualifications under Section 401, as it now exists or may hereafter be amended, of the Internal Revenue Code or the requirements for deduction of the employers' contributions under Section 404(a) (2), as it now exists or may hereafter be amended, of said Code whether or not the employer deducts the amount paid for the contract under such section; and

(3) Prohibit the allocation to the separate account of any payment or contribution made by the employee; and

(4) Cover at least twenty-five employees at the time of its execution; and

(5) Contain a statement of the essential features of the procedure to be followed by the company in determining the dollar amount of such variable benefits; and
(6) State that such dollar amount may decrease or increase, and contain on its first page, in a prominent position, a statement that the benefits thereunder are on a variable basis, and this requirement shall apply also to any certificate issued under any such contract.

(g) No domestic life insurance company, and no foreign life insurance company admitted to transact business in this state, shall be authorized to deliver, issue or use within this state any group annuity contract providing benefits in variable amounts until said company has satisfied the State Board of Insurance that its condition or methods of operation in connection with the issuance of such contracts will not be such as would render its operation hazardous to the public or its policyholders in this state. In determining the qualification of a company requesting authority to deliver such contracts within this state, the State Board of Insurance shall consider, among other things,

(1) The history and financial condition of the company;
(2) The character, responsibility and general fitness of the officers and directors of the company; and
(3) In the case of a foreign company whether the regulation provided by the state, province of country of its domicile provides a degree of protection to policyholders and the public which is substantially equal to that provided by this section and the rules and regulations issued thereunder.

(h) Nothing contained in this Part III of Article 3.39 of the Insurance Code shall be deemed to authorize the delivery, issue or use in this state of any annuity contract providing benefits in variable amounts other than the group annuity contracts meeting the requirements of paragraph (f) of this Part III of Article 3.39, and the reserve liability for such group annuity contracts shall be established by the State Board of Insurance pursuant to the requirements of the Standard Valuation Law in accordance with actuarial procedures that recognize the variable nature of the benefits provided.

(i) Notwithstanding any other provision of law, the State Board of Insurance shall have sole authority to issue such reasonable rules and regulations as may be necessary to carry out the purposes and provisions of this Part III of Article 3.39 of the Insurance Code.

(j) Nothing herein shall be construed or applied so as to authorize any life insurance company to invest any of its funds or accumulations in real property unless authorized to do so by this Act or some other existing law of the State of Texas. Added Acts 1965, 59th Leg., p. 375, ch. 181.

Effective Aug. 30, 1965, 90 days after date of adjournment.

SUBCHAPTER E. GROUP INDUSTRIAL AND CREDIT INSURANCE

Art. 3.50. Group Life Insurance

Sec. 1. Definitions. No policy of group life insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof...
determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's fund or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least seventy-five percent (75%) of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at least ten (10) employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustees. No policy may be issued which provides insurance on any employee which together with any other insurance under any group life insurance policies issued to the employer or to the trustees of a fund established by the employer exceeds Twenty Thousand Dollars ($20,000.00), unless one hundred fifty percent (150%) of the annual compensation of such employee from his employer or employers exceeds Twenty Thousand Dollars ($20,000.00), in which event all such term insurance shall not exceed Forty Thousand Dollars ($40,000.00), or one hundred fifty percent (150%) of such annual compensation, whichever is the lesser, except that this limitation shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(2) A policy issued to a labor union, which shall be deemed the employer and policyholder, to insure the members of such union who are actively engaged in the same occupation and who shall be deemed to be the employees of such union within the meaning of this Article.

(3) A policy issued to any association of employees of the United States Government or any subdivision thereof, provided the majority of the members of such association are residents of this state, an incorporated city, town or village, an independent school district, common school district, state colleges or universities, any association of state employees, any association of state, county and city, town or village employees, and any association of any combination of state, county or city, town or village employees and any department of the state government which employer or association shall be deemed the policyholder to insure the employees of any such incorporated city, town or village,
of any such independent school district, of any common school district, of any such state college and university, of any such department of the state government, members of any association of state, county or city, town or village or of the United States Government or any subdivision thereof, provided the majority of such employees reside in this state, employees for the benefit of persons other than the policyholder subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer or all of any class or classes thereof determined by conditions pertaining to their employment.

(b) The premium for the policy shall be paid by the policyholder wholly from funds contributed by the insured employees, provided, however, that any moneys or credits received by or allowed to the policyholder pursuant to any participation agreement contained in or issued in connection with the policy shall be applied to the payment of future premiums and to the pro rata abatement of the insured employees’ contributions therefor; and provided further, that the employer may deduct from the employees’ salaries the required contributions for the premiums when authorized in writing by the respective employees so to do; and provided further, the premium for the policy may be paid by the policyholder wholly or partly from funds contributed by any incorporated city, town or village policyholder when authorized by the charter of such city, town or village, or by any independent school district in counties having a population of over one hundred fifty thousand (150,000) according to the most recent United States Government census. Such policy may be placed in force only if at least seventy-five percent (75%) of the eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required premium contributions and become insured thereunder.

(c) The policy must cover at least ten (10) employees at date of issue.

(4) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall all be members of a group of persons numbering not less than fifty (50) at all times, who became borrowers, or purchasers of securities, merchandise or other property under agreement to repay the sum borrowed or to pay the balance of the price of the securities, merchandise or other property, purchased to the extent of their respective indebtedness, or the face amount of any loan or loan commitment, totally or partially executed, made to a debtor with seasonal income by a creditor in good faith for general agricultural or horticultural purposes, secured or unsecured, where the debtor becomes personally liable for the payment of such loan, but not to exceed Ten Thousand Dollars ($10,000.00) on any one life.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor’s funds or from charges collected from the insured debtors, or both.

(c) The insurance issued shall not include annuities or endowment insurance.

(d) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment; provided that in the case of a debtor with seasonal income, under a loan or loan commitment for general agricultural or horticultural purposes of the type described in paragraph (a), the insurance in excess of the indebtedness to the creditor, if any shall be payable to the estate of the debtor or under the provision of a facility of payment clause.
(5) A policy issued to the trustees of a fund established by two or more employers in the same industry or by one or more labor unions, or to the trustees of a fund established by one or more employers in the same industry and one or more labor unions, or by one or more employers and one or more labor unions whose members are in the same or related occupations or trades, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the union, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers and the employees of the trade association of such employers or all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or both. The policy may provide that the term “employees” shall include retired employees, and the individual proprietor or partners if an employer is an individual proprietor or a partnership. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term “employees” shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or partly from such funds and partly from funds contributed by the insured persons, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month. A policy on which part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance may be placed in force only if at least seventy-five percent (75%) of the then eligible persons of each participating employer unit, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at date of issue at least one hundred (100) persons; unless the policy is issued to the trustees of a fund established by employers which have assumed obligations through a collective bargaining agreement and are participating in the fund either pursuant to those obligations with regard to one or more classes of their employees which are encompassed in the collective bargaining agreement or as a method of providing insurance benefits for other classes of their employees, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder or employer. No policy may be issued which provides term insurance on any person which together with any other term insurance under any group life insurance policy or policies issued to trustees or employers exceeds Twenty Thousand Dollars ($20,000.00), unless one hundred fifty percent (150%) of the annual compensation of such person from his employer or employers exceeds Twenty Thousand Dollars ($20,000.00), in which event all such term insurance shall not
Art. 3.50  REVISED STATUTES  952

exceed Forty Thousand Dollars ($40,000.00) or one hundred fifty percent (150%) of such annual compensation, whichever is the lesser.

(e) The limitation as to amount of group insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amount provided by the policy which it replaces, or the amounts provided above whichever is greater.

(f) No policy may be issued (i) to insure employees of any employer whose eligibility to participate in the fund as an employer arises out of considerations directly related to the employer being a commercial correspondent or business client or patron of another employer (regardless of whether such other employer is or is not participating in the fund); or (ii) to insure employees of any employer which is not located in this state, unless the majority of the employers whose employees are to be insured are located in this state, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(6) No policy of wholesale, franchise or employee life insurance, as hereinafter defined, shall be issued or delivered in this state unless it conforms to the following requirements:

(a) Wholesale, franchise or employee life insurance is hereby defined as: a term life insurance plan under which a number of individual term life insurance policies are issued at special rates to a selected group. A special rate is any rate lower than the rate shown in the issuing insurance company's manual for individually issued policies of the same type and to insureds of the same class.

(b) Wholesale, franchise or employee life insurance may be issued to (1) the employees of a common employer or employers, covering at date of issue not less than five employees; or (2) the members of a labor union or unions covering at date of issue not less than five members; or (3) the members of a credit union or credit unions covering at date of issue not less than five (5) members.

(c) The premium for the policy shall be paid either wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions or by both, or partly from such funds and partly from funds contributed by the insured person, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month.

(d) No policy may be issued on a wholesale, franchise or employee life insurance basis which, together with any other term life insurance policy or policies issued on a wholesale, franchise, employee life insurance or group basis, provides term life insurance coverage for an amount in excess of Twenty Thousand Dollars ($20,000.00) unless one hundred fifty percent (150%) of the annual compensation of such person from his employer or employers exceeds Twenty Thousand Dollars ($20,000.00), in which event all such term insurance shall not exceed Forty Thousand Dollars ($40,000.00), or one hundred fifty percent (150%) of such annual compensation, whichever is the lesser. An individual application shall be taken for each such policy and the insurer shall be entitled to rely upon the applicant's statements as to applicant's other similar coverage upon his life.

(e) Each such policy of insurance shall contain a provision substantially as follows:

A provision that if the insurance on an insured person ceases because of termination of employment or of membership in the union, such person
shall be entitled to have issued to him by the insurer, without evidence of insurability an individual policy of life insurance without disability or other supplementary benefits, provided application for the individual policy shall be made, and the first premium paid to the insurer, within thirty-one (31) days after such termination.

(f) Each such policy may contain any provision substantially as follows:

1. A provision that the policy is renewable at the option of the insurer only;
2. A provision for termination of coverage by the insurer upon termination of employment by the insured employee;
3. A provision requiring a person eligible for insurance to furnish evidence of individual insurability satisfactory to the insurer as condition to coverage.

(g) The limitation as to amount of group and wholesale, franchise or employee life insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(h) Nothing contained in this Subsection (6) shall in any manner alter, impair or invalidate (1) any policy heretofore issued prior to the effective date of this Act; nor (2) any such plan heretofore placed in force and effect provided such prior plan was at date of issue legal and valid; nor (3) any policy issued on a salary savings franchise plan, bank deduction plan, pre-authorized check plan or similar plan of premium collection.

(7) A policy issued to the Veterans Land Board of the State of Texas, who shall be deemed the policyholder to insure persons purchasing land under the Texas Veterans Land Program as provided in Section 16 (B) of Article 5421m, Vernon's Texas Civil Statutes (Chapter 318, Acts of the 51st Legislature, Regular Session, 1949, as amended). As amended Acts 1962, 57th Leg., 3rd C.S., p. 134, ch. 45, § 2.

Art. 3.50—1. Guaranteeing issuance of policy without evidence of insurability

No provision in the Insurance Code shall be construed to prohibit a life insurance company authorized to do business in this state from guaranteeing to issue individual life insurance policies insuring participants in a qualified pension or profit-sharing plan on other than the term plan without evidence of insurability. The term "qualified pension or profit-sharing plan" means a plan meeting the requirements of Sections 401 or 403 of the United States Internal Revenue Code as now or hereafter amended, or any corresponding provisions of prior or subsequent United States revenue laws. Acts 1951, 52nd Leg., p. 868, ch. 491, art. 3.50—1 added Acts 1965, 59th Leg., p. 563, ch. 286, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.
Art. 3.70-2. Form of policy

(A) No policy of accident and sickness insurance shall be delivered or issued for delivery to any person in this state unless:

(1) the entire money and other consideration therefor are expressed therein or in the application, if it is made a part of the policy; and

(2) the time at which the insurance takes effect and terminates is expressed therein; and

(3) it purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policy holder, any two or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed twenty-five years, and any other person dependent upon the policy holder; and

(4) the style, arrangement and over-all appearance of the policy gives no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers (except copies of applications and identification cards) are plainly printed in lightfaced type of a style in general use, the size of which shall be uniform and not less than ten-point with a lower-case unspaced alphabet length not less than one hundred and twenty-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description, if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in Section 3 of this Act, are printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "Exceptions" or "Exceptions and Reductions"; provided that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

(7) it contains no provision purporting to make any portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or shortrate table filed with the Board.

(8) it shall have printed thereon or attached thereto a notice stating in substance that the person to whom the policy is issued shall be permitted to return the policy within ten (10) days of its delivery to such person and to have the premium paid refunded if, after examination of the policy, such person is not satisfied with it for any reason. If such person pursuant to such notice, returns the policy to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy had been issued. This subdivision shall not apply to single premium non-renewable policies. As amended Acts 1965, 59th Leg., p. 329, ch. 154, § 1, eff. Jan. 1, 1966.

Such articles shall set out:

1. The name of the society, which shall not so closely resemble the name of any society or insurance company already transacting business in this state as to mislead the public or lead to confusion.

2. The purpose for which it is formed, which shall not include more liberal powers than are granted by this Chapter. Any lawful, social, intellectual, educational, charitable, benevolent, moral or religious advantages may be set forth among the purposes of the society, and the mode in which its corporate powers are to be exercised.

Such articles of incorporation or association and duly certified copies of the Constitution and laws, rules and regulations, and copies of all proposed forms of benefit certificates, applications therefor and circulars to be issued by such society, and a bond in the sum of Five Thousand Dollars ($5,000.00), with sureties approved by the State Board of Insurance, conditioned upon the return of the advance payments, as provided in this article, to applicants, if the organization fails to qualify within one (1) year, shall be filed with such Board who may require such further information as it deems necessary, and if the purposes of the society conform to the requirements of this law, and all provisions of law have been complied with, said Board shall so certify and retain and record or file the articles of incorporation or association and furnish the incorporators a preliminary certificate authorizing said society to solicit from its members applications for insurance benefits as hereinafter provided.

Upon receipt of said certificate from the State Board of Insurance, said society may solicit from its members applications for insurance benefits for the purpose of completing its qualification and shall collect from each applicant the amount of not less than one (1) regular monthly payment, in accordance with its table of rates as provided by its constitution and laws, and shall issue to each such applicant a receipt for the amount so collected. No such society shall incur any liability other than for such advanced payments, nor issue any benefit certificate nor pay or allow, or offer or promise to pay or allow, to any person any death or disability benefit until actual bona fide applications for death benefit certificates have been secured upon at least five hundred (500) lives for at least One Thousand Dollars ($1,000.00) each, and all such applicants for death benefits shall have been regularly examined by legally qualified practicing physicians, and certificates of such examination have been duly filed and approved by the chief medical examiner of such society; nor until there has been submitted to said Board, under oath of the president and
secretary or corresponding officers of such society, a list of such applicants, giving their names, addresses, date examined, date approved, date initiated, name and number of the subordinate branch of which each applicant is a member, amount of benefits to be granted, rate of stated periodical contributions, which shall be sufficient to provide for meeting the mortuary obligation contracted, when valued for death benefits upon the basis of the National Fraternal Congress Table of Mortality, as adopted by the National Fraternal Congress, August 23, 1899, or any higher standard, at the option of the society, and for disability benefits by tables based upon reliable experience and for combined death and permanent total disability benefits by tables based upon reliable experience, with an interest assumption not higher than four per cent (4%) per annum; nor until it shall be shown to the Board by the sworn statement of the treasurer or corresponding officer of such society, that at least five hundred (500) applicants have each paid in cash at least one (1) regular monthly payment as herein provided per One Thousand Dollars ($1,000.00) of indemnity to be effected, which payments in the aggregate shall amount to at least Twenty-Five Hundred Dollars ($2,500.00); all of which shall be credited to the mortuary or disability fund on account of such applicants and no part of which may be used for expenses.

The Board may make such examination and require such further information as it deems advisable; and upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the Board shall issue to such society a certificate to that effect. Such certificate shall be prima facie evidence of the qualification of such society at the date of such certificate. The Board shall cause a record of such certificate to be made and a certified copy of such record may be given in evidence with like effect as the original certificate.

Unless the five hundred (500) applicants herein required have been secured and the organization has qualified as a fraternal benefit society as herein provided, the preliminary certificate granted under the provisions of this article shall be null and void after one (1) year from its date, or after such further period, not exceeding one (1) year, as may be authorized by the State Board of Insurance upon cause shown.

Provided, however, that this Article shall not apply to societies specifically exempted from the provisions of Chapter 10 of the Insurance Code and provided further, that the above provisions of this article shall not apply to Fraternal Benefit Societies authorized to transact business in this state on June 1, 1965, so long as their licenses or renewals or extensions thereof continue in force. The following provisions of this article shall apply to such Fraternal Benefit Societies authorized to transact business in this state on June 1, 1965.

When any domestic society shall have discontinued business for the period of one (1) year, or has less than four hundred (400) members holding benefit certificates, its permanent certificate shall become null and void. Every such society shall have the power to make a constitution and bylaws for the government of the society, the admission of its members, the management of its affairs and the fixing and readjusting of the rates of contribution of its members from time to time; and it shall have the power to change, alter, add to, or amend such constitution and bylaws and shall have such other powers as are necessary and incidental to carrying into effect its object and purposes. As amended Acts 1965, 59th Leg., p. 1188, ch. 551, § 1.

Provided, however, the bylaws of the company may set an annual meeting date on any day prior to April 30 in each year; and provided further, that when the Board of Directors shall consist of nine or more members, in lieu of electing the whole number of directors annually, the bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the terms of office of directors of the first class to expire at the first annual meeting of policyholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No classification of directors shall be effective prior to the first annual meeting of policyholders. At an annual or special meeting, each policyholder shall be entitled to one vote for each Five Hundred Dollars ($500.00) of insurance held by him. Abilities and an account of income and disbursements to and from the mortuary and expense funds during the year, and on forms which the State Board of Insurance shall furnish for the making of such annual statements. Upon examination of said annual statement, the State Board of Insurance shall, if such report shows that the company or association is in all things complying with the requirements of law, issue such company or association a certificate of authority to transact its business in this State for the year next succeeding the filing of said report, or continue its certificate of authority in force as is provided in Article 1.14 of this Insurance Code.

Method of calculating reserves

Sec. 2. In the manner as in this Article is hereinafter provided, each company or association regulated by the provisions of this Chapter, except assessment-as-needed associations or companies, shall in each year, commencing as of December 31, 1965, compute or cause to be computed its reserve liability on all outstanding and in force policies of insurance. In making such computation each company or association is authorized to use group methods and approximate averages for fractions of a year or otherwise. Such reserve liability shall be computed upon the net premium basis in accordance with the reserve table and interest rate adopted by such company or association and approved by the State Board of Insurance and such reserve liability may be calculated on not more than a one year preliminary term basis with allowance for the permissive deficiency reserve provided for in this Chapter 14. Such reserves shall be calculated and determined as follows:

(a) (1) Each individual life policy insuring one or more persons at individual premiums for each such person shall be reserved and each company or association regulated by the provisions of this Chapter shall maintain reserves on such individual life policies in accordance with any reserve standards adopted by such company or association and approved by the State Board of Insurance, provided such reserves are at least equal in the aggregate to reserves based on the 1956 Chamberlain Reserve Table with interest not to exceed three and one half per cent (3½%) per annum. Any company or association is hereby authorized to use the 1956 Chamberlain Reserve Table with interest not to exceed three and one half per cent (3½%) per annum.

(2) Family group life policies upon which a group premium is charged, and which premium is not reduced upon the death of any insured, shall be reserved and each company or association shall maintain reserves on such family group policies in any one of the following methods of calculation as may be selected by such company or association:

(i) The reserves shall be equal to the reserves which would be required in accordance with the provisions of this Article on individual life policies on the lives of the then living two oldest members of each such family group; the amount of insurance for such two members shall be based on the assumption that the elder of such two members will be the first to die; or

(ii) The reserves shall be equal to the reserves which would be required, in accordance with the provisions of this Article, on individual life policies, on the lives of the then living members of such family group; the amount of insurance for each such member of the family group shall be based on the assumption that each such member will be the first to die; or

(iii) Any table or any method of calculating reserves as shall be approved in advance by the State Board of Insurance.

(3) As is applicable to all life policies (individual and family group) in force on December 31, 1965, or upon which a rate increase is effected
after December 31, 1965, life reserves (individual and family group) may be determined as follows: (i) the issue year shall be the last calendar year for which the gross premium on the reserve table and interest rate adopted by the company or association at the attained age in that calendar year is equal to or less than the premium rate charged by the company or association on such policy so reserved, and (ii) the issue age shall be the attained age in the calendar year just defined.

Gross premium as herein used shall mean the renewal net premium plus such expense loading as shall be designated by the company or association or as shall otherwise be regulated by the provisions of this Chapter 14.

(b) All health, accident, hospitalization and sickness insurance shall be reserved by the company or association and such company or association shall maintain reserves on such insurance in the same manner as is required by a company writing such coverage under the provisions of Chapter 22 of this Insurance Code, as amended.

Reserve liability, computation

Sec. 3. The State Board of Insurance, as soon as practical, in each year, shall compute or cause to be computed the reserve liability of each company or association regulated by the provisions of this Chapter 14. In making such computation the said Board may use group methods and approximate averages for fractions of a year or otherwise.

Permissive deficiency reserve, reduction of permissive deficiency reserve

Sec. 4. (a) As of December 31, 1965, each such company or association regulated by the provisions of this Chapter shall so calculate the amount of the required reserves as aforeprovided in this Article, and shall also determine the amount of the net assets (net assets being the gross amount of such mortuary fund assets at such date, but less any liabilities of said fund, exclusive of reserves) of its mortuary or claim fund, or by whatever name said fund may be designated. In the event the net assets of the mortuary fund are insufficient to equal the amount of the required reserves as in this Article provided, the difference shall be designated and carried as a permissive deficiency reserve.

(b) In the event any company or association shall, as of December 31, 1965, possess a permissive deficiency reserve, it shall not later than July 1, 1966: (1) file an application with the State Board of Insurance seeking approval of a rate increase whereby such rate increase shall be accomplished by charging a premium based upon the advancement of ages of such insureds, from age at issue date, or such ages so previously advanced, in order to totally eliminate such permissive deficiency reserve or to partially eliminate such permissive deficiency reserve in connection with a plan to cure such permissive deficiency reserve; or (2) file an application with the State Board of Insurance for approval of a plan whereby such permissive deficiency reserve will be eliminated over a period of time not to exceed eighteen (18) years. Provided said plan is found to reasonably demonstrate the anticipated ability of the company or association to correct such permissive deficiency reserve during such period of time, the company or association shall reduce said permissive deficiency reserve so determined by at least $\frac{1}{8}$th thereof during each calendar year therea
after, commencing as of December 31, 1966, so that as of December 31, 1983, the permissive deficiency reserve will be fully paid and satisfied, provided, however, that such required reduction in the permissive deficiency reserve shall never exceed the cumulative aggregate amount of \( \frac{1}{4} \)th per annum.

In the event that such plan be not finally approved, such company or association shall increase rates as provided in Section 4, Paragraph (b) (1) of this Article.

(c) Each company or association may, in addition to, or in combination with, or in lieu of, such rate adjustment or readjustments of rates as in this Chapter provided, offer each insured a proportionate reduction in the amount of insurance, or some lesser reduction, provided such plan is agreed to by the individual insured or the controller of said policy.

(d) Any decision made by the State Board of Insurance as to approval or disapproval of the plan for curing such permissive deficiency reserve shall be subject to judicial review in accordance with Article 21.44 of Sub-Chapter F of Chapter 21 of this Insurance Code.

Net premiums to be charged

Sec. 5. (a) Any company or association using an approved plan to cure its permissive deficiency reserve, but possessing as of December 31, 1965, a permissive deficiency reserve equal to or in excess of 50% of its required reserve so determined to exist as of such date, shall, by July 1, 1966, furnish to the State Board of Insurance an affidavit executed by its President, Vice President or Secretary, certifying that at least the renewal net premium based upon: (1) the table of rates and reserves adopted by the company or association; and (2) the age of each insured at date from which reserves are calculated, is being deposited to the company's or association's mortuary or claim fund upon each in force life policy or life policy in combination with other type benefits. In the event such company or association cannot so furnish such affidavit, said company or association shall: (1) forthwith alter the division of premiums between the mortuary and expense funds so that such renewal net premium so calculated at age from which reserves are calculated on each such policy is placed in the company's or association's mortuary fund; or (2) forthwith apply to the State Board of Insurance for approval of a rate increase whereby the rate charged on each such policy will thereafter contribute to the mortuary fund at least the renewal net premium so determined under such table at age from which reserves are calculated.

(b) Any company or association using an approved plan to cure its permissive deficiency reserve, but possessing as of December 31, 1965, a permissive deficiency reserve of less than 50% of its required reserve so determined to exist as of such date, shall, by July 1, 1966, furnish to the State Board of Insurance an affidavit executed by its President, Vice President or Secretary, certifying that in the aggregate premiums deposited to the mortuary or claim fund equal or exceed at least the aggregate amount of the renewal net premiums on all policies in force on December 31, 1965, based upon (1) the table of rates and reserves adopted by the company or association, and (2) the age of each insured at date from which reserves are calculated. In the event such company or association cannot so furnish such affidavit, said company or association shall: (1) forthwith: (i) alter the division of premiums between the mortuary and expense funds so that such renewal net premium in the aggregate on all policies in force on December 31, 1965, so calculated at age from which reserves are determined on each policy in force is placed in the company's or association's mortuary fund, and (ii) provide in its bylaws that annually thereafter in each calendar year an amount, from the premiums collected, in the aggregate equal to the renewal net premium
on all policies in force on December 31st of each such year will be de­
posited to the company's or association's mortuary fund; or (2) forthwith 
apply to the State Board of Insurance for approval of a rate increase 
whereby the rate charged on each such policy will thereafter contribute 
to the mortuary fund at least the renewal net premium so determined under 
such table at age from which reserves are calculated.

Adjustment of premiums to reduce permissive deficiency reserve

Sec. 6. In the event any annual required reduction of the per­
missive deficiency reserve is not accomplished as of December 31st of 
each year involved, the Board of Directors of the company or association 
shall by appropriate action increase rates by charging a premium based 
upon the advancement of ages of such insureds from age at issue date or 
such ages so previously advanced, or by any other equitable or reasonable 
rate adjustment, so as to correct the failure to make the required reduction 
of the permissive deficiency reserve. In the event of the failure of the 
Board of Directors of the company or association to so act within thirty 
(30) days following such calculation of its reserves, the company or as­
sociation shall be dealt with in accordance with this Chapter as if it 
were insolvent. In like manner if it shall be apparent at any time during 
any calendar year that the annual required reduction of the permissive 
deficiency reserve cannot be accomplished as of December 31st of each 
or any year, the Board of Directors of the company or association may by 
appropriate action increase rates by charging a premium based upon the 
advancement of ages of such insureds from age at issue date or such ages 
so previously advanced, or by any other equitable or reasonable rate 
adjustment so as to correct the failure to accomplish such annual required 
reduction of the permissive deficiency reserve on all or any part of the 
permissive deficiency reserve. Any such rate adjustment or readjustment 
shall be deemed and considered as assessments upon said policies.

Rate adjustment required to maintain reserves

Sec. 7. In the event any company or association at any future 
time does not possess in its mortuary fund the required reserves, less 
any permissive deficiency reserve, the Board of Directors of the company 
or association shall by appropriate action increase rates on policies in 
force by charging a premium based upon the advancement of ages of 
such insureds from age at issue date or such ages so previously ad­
vanced, or by any other equitable or reasonable rate adjustment so as 
to correct such reserve inadequacy. Such rate adjustment may be made 
at any time, and from time to time, provided it shall be apparent that 
such reserve inadequacy will exist as of December 31st of the year 
in which such rate adjustment is made, and any such rate adjustment 
or readjustment so made shall be deemed and considered as an assess­
ment upon said policies. In the event of the failure of the Board of 
Directors of the company or association to so act in adjusting rates 
within thirty (30) days following the calculation of reserves as of the 
dates in this Chapter provided, the company or association shall be 
dealt with in accordance with this Chapter as if it were insolvent.

Dividends

Sec. 8. In the event that the amount of the mortuary or claim 
fund of the company or association shall exceed the amount of the 
required reserves to be maintained, such company or association may 
pay dividends from said fund to its policyholders provided: (a) no 
permissive deficiency reserve exists at date of payment; and (b) the 
amount of the dividend and method of distribution thereof is equitable 
and nondiscriminating and approved in advance of payment by the 
State Board of Insurance.
State board of insurance approval

Sec. 9. Whenever rates shall be increased subsequent to date of issue of a policy, such increase shall not be placed in effect until first approved by the State Board of Insurance as provided in Article 14.23 of this Chapter 14. As amended Acts 1965, 59th Leg., p. 457, ch. 234, § 1, emerg. eff. May 21, 1965.

Art. 14.23. Assessments and premiums; adjustment of rates; penalty for failure to comply; authority of State Board of Insurance

Assessments and premiums

Section 1. (a) Each company or association shall levy regular and periodical assessments by whatever name they may be called. These assessments must be in such amounts and at such proper intervals as will meet the reasonable operating expenses of the company or association and pay in full the claims arising under its certificates.

(b) All premiums or assessments upon policies hereafter issued insuring the life of one or more persons shall be in accordance with the reserve table standards adopted by the company or association and approved by the State Board of Insurance, except that any company or association is hereby authorized to use the 1956 Chamberlain Reserve Table with interest not to exceed 3½% per annum, and shall be in an amount so as to deposit in the mortuary or claim fund an amount at least equal to the renewal net premiums calculated in accordance with the reserve standard adopted by such company or association and approved by the State Board of Insurance.

Rate adjustments

Sec. 2. When, or if, in the course of operation the amount of the mortuary fund of the company or association is not equal to or in excess of the required reserves under the reserve standard adopted by the company or association and approved by the State Board of Insurance on such policies, but less any permissive deficiency reserve, the amount of the premiums shall be increased in the manner as prescribed in this Chapter 14 until such rates are adequate to eliminate the inadequacy of the required reserve, less any permissive deficiency reserve, and the State Board of Insurance shall so order.

Penalty

Sec. 3. When any company or association shall refuse to comply with the order of the State Board of Insurance respecting rates or assessments as in this Chapter authorized, it shall be treated as insolvent.

Authority of the board of directors

Sec. 4. The Board of Directors of each company or association by resolution may increase rates on life policies in force up to the rate on an attained age basis in accordance with the 1956 Chamberlain Reserve Table, with interest at 3½% per annum, or any other reasonable, equitable or necessary increase, and may likewise adjust rates on health, accident, sickness and hospitalization policies in force. Any increase rate or rate adjustment on policies in force shall apply to all classes of the same or similar policies.

State board of insurance approval

Sec. 5. Any increase in rates on policies in force shall not be placed in effect without the advance approval of the State Board of Insurance approving the same as being in compliance with the pro-
Art. 14.25. Division of funds; bylaw provisions; investment of funds

Division of funds

Section 1. The provisions of this Section 1 shall apply to all companies or associations regulated by the provisions of this Chapter, except companies or associations operating upon an assessment-as-needed basis.

(a) Assessments or premiums upon (i) policies issued after December 31, 1965, insuring the life of one or more persons, and (ii) policies insuring the life of one or more persons issued prior to December 31, 1965, and upon which the rate has been increased based upon an age other than age at date of issue, when collected shall be divided into at least two funds. One of these shall be the mortuary or relief fund, by whatever name it may be called in the different companies or associations, and from which fund claims under certificates shall be paid, and nothing else, except: (1) dividends to policyholders when paid in accordance with this Chapter, (2) income taxes, if any, which may be due by reason of the income to or operation of said fund, and (3) other expenditures permitted by law; and the other fund shall be the expense fund from which expenses may be paid. As applies to all such policies, as defined in (i) and (ii) of this subparagraph and insuring the life of one or more persons, an amount at least equal to the renewal net premium, calculated at the age of issue or some other advanced age in accordance with the reserve standard adopted by such company or association, shall be placed in the mortuary fund. All other portions of the premiums may be placed in the expense fund. Whenever any life premium rate is increased in accordance with the provisions of this Chapter at any age other than at age of issue, the expense loading on the new premiums shall not, upon all ages fifty and above, exceed twenty-five per cent (25%) of such gross premium charged, unless an additional expense loading is approved by the State Board of Insurance as being reasonable and necessary.

(b) Premiums or assessments upon all policies in force on December 31, 1965, except as in Subparagraph (a) of this Section 1 provided, and upon all health, accident, sickness and hospitalization policies shall be divided so that at least sixty per cent (60%) of such premium, exclusive of the membership fee, shall be placed in the mortuary fund of the company or association. The membership fee and the remaining portion of the premium may be placed in the expense fund. As to policies in force on December 31, 1965, insuring the life of one or more persons and upon which a rate increase has not been accomplished, any company or association may at its election divide the premiums on such life policies so as to place at least the net renewal premium, based upon the reserve table adopted by it, in its mortuary fund and place the remaining portion of said premium in its expense fund.

Assessment-as-needed, division of funds

Sec. 2. The provision of this Section 2 shall apply to all companies or associations operating upon an assessment-as-needed basis.

(a) Assessments when collected shall be divided into at least two funds. One of these shall be the mortuary or relief fund, by whatever name it may be called in the different associations; and the other fund shall be the expense fund. At least sixty per cent (60%) of assessments collected except the membership fee, must be placed in the mortuary or relief fund.
Art. 14.25  REVISED STATUTES 968

Bylaw provision

Sec. 3. Each company or association shall provide in its bylaws for the method and procedure for the allocation of premiums to be made between the mortuary and expense funds.

Investment of funds

Sec. 4. The mortuary fund may be invested only in such securities and investments as are a legal investment for the reserve funds of a domestic life, health and accident insurance company regulated by the provisions of Chapter 3 of this Insurance Code, as amended, and the expense fund may be invested in any securities and investments as are legal investments for the surplus funds of a domestic life, health and accident insurance company regulated by the provisions of Chapter 3 of this Insurance Code, as amended.

Use of funds

Sec. 5. Each company or association mortuary fund and expense fund shall be expended only in the manner as is provided for each fund in Subparagraph (a) of Section 1 of Article 14.25 of this Chapter of this Insurance Code and invested only as provided in Section 4 of Article 14.25 of this Chapter of this Insurance Code.

Cost of defending contested claims

Sec. 6. The reasonable costs of defending contested claims on health, accident, sickness or hospitalization policies only may be paid from the mortuary or claim fund of any company or association authorized to write health, accident, sickness or hospitalization insurance, provided: (a) each such expenditure for that purpose is approved by the State Board of Insurance, and (b) such company or association possess the required reserves as provided in this Chapter 14 but less any permissive deficiency reserve.

Limitation upon rate increases on certain life policies

Sec. 7. Any other provision of this Chapter 14 of this Insurance Code, as amended, notwithstanding, rates on life policies issued after the effective date of this Act may not be increased during any consecutive five-year period more than double the rate than charged such insured at the time of such rate increase. As amended Acts 1965, 59th Leg., p. 457, ch. 234, § 3, emerg. eff. May 21, 1965.

Art. 14.33 Insolvency; conservatorship; receiver

If, upon an examination or at any other time, it appears to the Commissioner that such association be insolvent, or its condition be, in the opinion of the Commissioner, such as to render the continuance of its business hazardous to the public, or to holders of its certificates, or if such association appears to have exceeded its powers or failed to comply with the law, or has a membership of less than five hundred (500) paying their assessments, then the Commissioner shall notify the association of his determination and said association shall have thirty (30) days under the supervision of the Commissioner within which to comply with the requirements of the Commissioner; and in the event of its failure to comply within such time, the Commissioner, acting for himself, or through a conservator appointed by the Commissioner for that purpose, shall immediately take charge of such association, and all of the property and effects thereof.

If the Commissioner is satisfied that such association can best serve its policyholders and the public through its continued operation by the
conservator under the direction of said Commissioner, pending the election of new directors and officers by the membership in such manner as the Commissioner may determine, the same shall be done, and the conservator may, with the approval of the Commissioner, reinsure any part of such company's policies or certificates of insurance with some solvent insurance company or association authorized to transact business in this State. The conservator may transfer to the reinsurance company such mortuary funds or other assets or portions thereof as may be required to reinsure such policies or certificates. If the Commissioner, however, is satisfied that such association is not in condition to satisfactorily continue business in the interest of its policyholders under the conservator as above provided, the Commissioner shall proceed to reinsure the outstanding policies in some solvent association or company, authorized to transact business in this State, or the Commissioner shall proceed through such conservator to liquidate such association, or the Commissioner may give notice to the Attorney General who shall thereupon apply to any court in Travis County having jurisdiction thereof for leave to file a suit in the nature of quo warranto to forfeit the charter of such corporation or to require it to comply with the law or to satisfy the Commissioner as to its solvency. The court may, in its discretion, appoint agents or receivers to take charge of the effects and wind up the business of the corporation, under usages and practices of equity; and may make disposition of the business and membership of the corporation as in the discretion of the court may seem proper. No suit for receiver shall be filed against any such corporation, nor shall any receiver be appointed, except upon the application therefor by the Attorney General, and in no event shall any receiver for any such corporation be appointed until after reasonable notice has issued and a hearing had before the court.

"It shall be in the discretion of the Commissioner to determine whether or not he will operate the association through a conservator, as provided above, or proceed to liquidate the association, or report it to the Attorney General, as herein provided.

When the policies of an association are reinsured or liquidated, as herein provided, the Commissioner shall report the same to the Attorney General, who shall take such action as may be necessary to effect the forfeiture or cancellation of the charter of the association so reinsured or liquidated. Where the Commissioner lends his approval to the merger, transfer, or consolidation of the membership of one association with that of another, the same shall be reported to the Attorney General who shall proceed to effect the forfeiture or cancellation of the charter of the association from which the membership was merged, transferred or consolidated, in the same manner as is provided for the charters of associations reinsured or liquidated. No merger or transfer shall be approved unless the association assuming the members transferred or merged is operating under the supervision of the Commissioner of Insurance. The cost incident to the conservator's services shall be fixed and determined by the Commissioner and shall be a charge against the assets and funds of the association to be allowed and paid as the Commissioner may determine. As amended Acts 1965, 59th Leg., p. 1638, ch. 705, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.
CHAPTER TWENTY ONE—GENERAL PROVISIONS

Art. 21.28. Liquidation, Rehabilitation, Reorganization or Conservation of Insurers

Sec. 12A. Legislative appropriations.

It is the sense of the Legislature, as necessary to state policy, that facilities be immediately and continually available to meet any or all of the requirements of preparing for, placing in, continuing or completing any liquidation, rehabilitation, reorganization or conservation of insurers, and in order to make such provision and to provide that the Liquidator and employees be used for other Insurance Department duties when not involved in liquidation or conservation matters, the Legislature may make provisions for the Liquidator and employees and their expenses, in whole or in part, by making appropriations therefor, or by appropriating or permitting use of funds, other than funds or assets of insurers being liquidated, rehabilitated, reorganized or conserved, which are received by or made available to the Board, or by establishing disappearing or partially or wholly reimbursable revolving funds in the Appropriation Acts; notwithstanding any other provision of Article 21.28 of Chapter 21 of the Insurance Code.

The provisions of this Act are cumulative of existing law and in the event of conflict the provisions of this Act shall govern. Added Acts 1965, 59th Leg., p. 1520, ch. 661, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Art. 21.48. Insurance Company Insider Trading and Proxy Regulation Act

Title of act

Section 1. This Article shall be known as the “Insurance Company Insider Trading and Proxy Regulation Act.”

Statement of beneficial ownership of equity securities of domestic stock companies; form and contents; filing

Sec. 2. Every person who is directly or indirectly the beneficial owner of more than ten per cent of any class of any equity security (other than an exempted security) of a domestic stock insurance company, or who is a director or an officer of such a company, shall file with the State Board of Insurance on or before the first day of July 1966 and thereafter within ten days after he becomes such beneficial owner, director, or officer, a statement, in such form as such Board may prescribe, of the amount of all equity securities of such company of which he is the beneficial owner, and within ten days after the close of each calendar month thereafter, if there has been a change in such ownership during such month, shall file in the office of such Board a statement, in such form as it may prescribe, indicating his ownership at the close of the calendar month and such changes in his ownership as have occurred during such calendar month.

Recovery by company of profits realized by beneficial owner from purchase and sale of equity securities; suits

Sec. 3. For the purpose of preventing the unfair use of information which may have been obtained by such beneficial owner, director, or
officer by reason of his relationship to such company, any profit realized by him from any purchase and sale, or any sale and purchase, of any equity security of such company (other than an exempted security) within any period of less than six months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the company, irrespective of any intention on the part of such beneficial owner, director, or officer in entering into such transaction of holding the security purchased or of not repurchasing the security sold for a period exceeding six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the company, or by the owner of any security of the company in the name and in behalf of the company if the company shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized. This Section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the State Board of Insurance by rules and regulations may exempt as not comprehended within the purpose of this Section.

Sale of unowned securities; nondelivery of owned securities

Sec. 4. It shall be unlawful for any such beneficial owner, director, or officer, directly or indirectly, to sell any equity security of such company (other than an exempted security) if the person selling the security or his principal (i) does not own the security sold, or (ii) if owning the security, does not deliver it against such sale within twenty days thereafter, or does not within five days after such sale deposit it in the mails or other usual channels of transportation; but no person shall be deemed to have violated this Section if he proves that notwithstanding the exercise of good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.

Solicitation of proxy, consent or authorization with respect to unlisted equity securities; disclosure by companies in absence of proxy solicitation by management

Sec. 5. (1) It shall be unlawful for any person, in contravention of such rules and regulations as the State Board of Insurance may prescribe as necessary or appropriate in the public interest or for the protection of investors, to solicit or to permit the use of his name to solicit any proxy or consent or authorization in respect of any equity security (other than an exempted security) of a domestic stock insurance company not listed on a national securities exchange registered as such under the United States Securities Exchange Act of 1934, as amended.

(2) Unless proxies, consents, or authorizations in respect of a security of a domestic stock insurance company subject to subsection (1) of this Section 5 are solicited by or on behalf of the management of such company from the holders of record of stock of such company in accordance with the rules and regulations prescribed under this Section 5 prior to any annual or other meeting, such company shall, in accordance with such rules and regulations prescribed by the Board, file with the Commissioner and transmit to all holders of record of such security, information substantially equivalent to the information which would be required to be transmitted if a solicitation were made.

Investment accounts; primary or secondary markets

Sec. 6. The provisions of Section 3 of this Article shall not apply to any purchase and sale, or sale and purchase, and the provisions of Section 4 of this Article shall not apply to any sale, of an equity security of a
domestic stock insurance company not then or theretofore held by him in an investment account, by a dealer in the ordinary course of his business and incident to the establishment or maintenance by him of a primary or secondary market (otherwise than on an exchange as defined in the Securities Exchange Act of 1934) for such security. The State Board of Insurance may, by such rules and regulations as it deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market.

Foreign or domestic arbitrage transactions

Sec. 7. The provisions of Sections 2, 3 and 4 of this Article shall not apply to foreign or domestic arbitrage transactions unless made in contravention of such rules and regulations as the State Board of Insurance may adopt in order to carry out the purposes of this Act.

(b) The first such child support service fee shall be due on the date such payor of child support, alimony, or separate maintenance has been ordered by the District Court to commence payments of child support, alimony, or separate maintenance following passage of this amendment and thereafter for all such persons ordered to pay child support, alimony, or separate maintenance on each succeeding annual anniversary of the original court order for payment. In those instances where the payee is charged with the responsibility of making such service fee payments, the first such payment shall become due on the date of receipt of the initial child support payment and annually thereafter on the anniversary of the date of the receipt of the first child support allotment check so long as the payor is a member of the Armed Services and so long as child support allotment payments exceed the amount of child support ordered by the court.

Art. 5143e. Uniform Interstate Compact on Juveniles

Short title
Section 1. This Act may be cited as the Uniform Interstate Compact on Juveniles.

Execution of interstate compact
Sec. 2. The Governor shall execute a compact on the behalf of the state with any other state or states legally joining in it in substantially the following form:

INTERSTATE COMPACT ON JUVENILES

The contracting states solemnly agree:

ARTICLE I

FINDINGS AND PURPOSE

That juveniles who are not under proper supervision and control, or who have absconded, escaped, or run away are likely to endanger their own health, morals, and welfare, and the health, morals, and welfare of others. The cooperation of the states party to this compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to (1) cooperative supervision of delinquent juveniles on probation or parole; (2) the return, from one state to another, of delinquent juveniles who have escaped or absconded; (3) the return, from one state to another, of nondelinquent juveniles who have run away from home; and (4) additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to undertake cooperatively. In carrying out the provisions of this compact the party states shall be guided by the noncriminal, reformative, and protective policies which guide their laws concerning delinquent, neglected, or dependent juveniles generally. It shall be the policy of the states party to this compact to cooperate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the foregoing purposes.

ARTICLE II

EXISTING RIGHTS AND REMEDIES

That all remedies and procedures provided by this compact shall be in addition to and not in substitution for other rights, remedies, and procedures, and shall not be in derogation of parental rights and responsibilities.
ARTICLE III
DEFINITIONS

That, for the purpose of this compact, "delinquent juvenile" means any juvenile who has been adjudged delinquent and who, at the time the provisions of this compact are invoked, is still subject to the jurisdiction of the court that has made such adjudication or to the jurisdiction or supervision of an agency or institution pursuant to an order of such court; "probation or parole" means any kind of conditional release of juveniles authorized under the laws of the states party hereto; "court" means any court having jurisdiction over delinquent, neglected, or dependent children; "state" means any state, territory, or possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico; and "residence" or any variant thereof means a place at which a home or regular place of abode is maintained.

ARTICLE IV
RETURN OF RUNAWAYS

(a) That the parent, guardian, person, or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, person, or agency may petition the appropriate court in the demanding state for the issuance of a requisition for his return. The petition shall state the name and age of the juvenile, the name of the petitioner, and the basis of entitlement to the juvenile's custody, the circumstances of his running away, his location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering his own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner's entitlement to the juvenile's custody is based, such as birth certificates, letters of guardianship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with such petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the purposes of this compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, he shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person, or agency entitled to his legal custody, and that it is in the best interest and for the protection of such juvenile that he be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected, or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, person, or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file.
subject to the provisions of law governing records of such court. Upon
the receipt of a requisition demanding the return of a juvenile who has
run away, the court or the executive authority to whom the requisition is
addressed shall issue an order to any peace officer or other appropriate
person directing him to take into custody and detain such juvenile. Such
detention order must substantially recite the facts necessary to the
validity of its issuance hereunder. No juvenile detained upon such order
shall be delivered over to the officer whom the court demanding him shall
have appointed to receive him unless he shall first be taken forthwith
before a judge of a court in the state, who shall inform him of the demand
made for his return, and who may appoint counsel or guardian ad litem
for him. If the judge of such court shall find that the requisition is in
order, he shall deliver such juvenile over to the officer whom the court
demanding him shall have appointed to receive him. The judge, however,
may fix a reasonable time to be allowed for the purpose of testing the
legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run
away from another state party to this compact without the consent of a
parent, guardian, person, or agency entitled to his legal custody, such
juvenile may be taken into custody without a requisition and brought
forthwith before a judge of the appropriate court who may appoint counsel
or guardian ad litem for such juvenile and who shall determine after a
hearing whether sufficient cause exists to hold the person, subject to the
order of the court, for his own protection and welfare, for such a time not
exceeding 90 days as will enable his return to another state party to this
compact pursuant to a requisition for his return from a court of that state.
If, at the time when a state seeks the return of a juvenile who has run
away, there is pending in the state wherein he is found any criminal
charge, or any proceeding to have him adjudicated a delinquent juvenile
for an act committed in such state, or if he is suspected of having com-
mitted within such state a criminal offense or an act of juvenile delin-
quency, he shall not be returned without the consent of such state until
discharged from prosecution or other form of proceeding, imprisonment,
detention, or supervision for such offense of juvenile delinquency. The
duly accredited officers of any state party to this compact, upon the
establishment of their authority and the identity of the juvenile being re-
turned, shall be permitted to transport such juvenile through any and all
states party to this compact, without interference. Upon his return to the
state from which he ran away, the juvenile shall be subject to such further
proceedings as may be appropriate under the laws of that state.

(b) That the state to which a juvenile is returned under this article
shall be responsible for payment of the transportation costs of such re-
turn.

(c) That “juvenile” as used in this article means any person who is a
minor under the law of the state of residence of the parent, guardian, per-
son, or agency entitled to the legal custody of such minor.

ARTICLE V

RETURN OF ESCAPEES AND ABSCONDEES

(a) That the appropriate person or authority from whose probation or
parole supervision a delinquent juvenile has absconded or from whose
institutional custody he has escaped shall present to the appropriate court
or to the executive authority of the state where the delinquent juvenile is
alleged to be located a written requisition for the return of such delinquent
juvenile. Such requisition shall state the name and age of the delinquent
juvenile, the particulars of his adjudication as a delinquent juvenile, the
circumstances of the breach of the terms of his probation or parole or of
his escape from an institution or agency vested with his legal custody or supervision, and the location of such delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the judgment, formal adjudication, or order of commitment which subjects such delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Such further affidavits and other documents as may be deemed proper may be submitted with such requisition. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such delinquent juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No delinquent juvenile detained upon such order shall be delivered over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him unless he shall first be taken forthwith before a judge of an appropriate court in the state, who shall inform him of the demand made for his return and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such delinquent juvenile over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with this legal custody or supervision in any state party to this compact, such person may be taken into custody in any other state party to this compact without a requisition. But in such event, he must be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for such person and who shall determine, after a hearing, whether sufficient cause exists to hold the person subject to the order of the court for such a time, not exceeding 90 days, as will enable his detention under a detention order issued on a requisition pursuant to this article. If, at the time when a state seeks the return of a delinquent juvenile who has either absconded while on probation or parole or escaped from an institution or agency vested with his legal custody or supervision, there is pending in the state wherein he is detained any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention, or supervision for such offense of juvenile delinquency. The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the delinquent juvenile being returned, shall be permitted to transport such delinquent juvenile through any and all states party to this compact, without interference. Upon his return to the state from which he escaped or absconded, the delinquent juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a delinquent juvenile is returned under this article shall be responsible for the payment of the transportation costs of such return.
ARTICLE VI

VOLUNTARY RETURN PROCEDURE

That any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this compact, and any juvenile who has run away from any state party to this compact, who is taken into custody without a requisition in another state party to this compact under the provisions of Article IV(a) or of Article V(a), may consent to his immediate return to the state from which he absconded, escaped, or ran away. Such consent shall be given by the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, by executing or subscribing in writing, in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, consent to his return to the demanding state. Before such consent shall be executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile of his rights under this compact. When the consent has been duly executed, it shall be forwarded to and filed with the compact administrator of the state in which the court is located and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver him to the duly accredited officer or officers of the state demanding his return, and shall cause to be delivered to such officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned, order him to return unaccompanied to such state and shall provide him with a copy of such court order; in such event a copy of the consent shall be forwarded to the compact administrator of the state to which said juvenile or delinquent juvenile is ordered to return.

ARTICLE VII

COOPERATIVE SUPERVISION OF PROBATIONERS AND PAROLEES

(a) That the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state") may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this compact (herein called "receiving state") while on probation or parole, and the receiving state shall accept such delinquent juvenile, if the parent, guardian, or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies, and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee under this compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian, or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

(b) That each receiving state will assume the duties of visitation and of supervision over any such delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail for its own delinquent juveniles released on probation or parole.
(c) That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning such a delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any such delinquent juvenile on probation or parole. For that purpose, no formalities will be required, other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within the receiving state, but if, at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against him within the receiving state any criminal charge or any proceedings to have him adjudicated a delinquent juvenile for any act committed in such state or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment, detention, or supervision for such offense of juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this compact, without interference.

(d) That the sending state shall be responsible under this article for paying the costs of transporting any delinquent juvenile to the receiving state or of returning any delinquent juvenile to the sending state.

ARTICLE VIII
RESPONSIBILITY FOR COSTS

(a) That the provisions of Articles IV(b), V(b), and VII(d) of this compact shall not be construed to alter or affect any internal relationship among the departments, agencies, and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(b) That nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency, or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to Articles IV(b), V(b), or VII(d) of this compact.

ARTICLE IX
DETENTION PRACTICES

That, to every extent possible, it shall be the policy of states party to this compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail, or lockup nor be detained or transported in association with criminal, vicious, or dissolute persons.

ARTICLE X
SUPPLEMENTARY AGREEMENTS

That the duly constituted administrative authorities of a state party to this compact may enter into supplementary agreements with any other state or states party hereto for the cooperative care, treatment, and rehabilitation of delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment, and rehabilitation. Such care, treatment, and rehabilitation may be provided in an institution located within any state entering into
such supplementary agreement. Such supplementary agreements shall (1) provide the rates to be paid for the care, treatment, and custody of such delinquent juveniles, taking into consideration the character of facilities, services, and subsistence furnished; (2) provide that the delinquent juvenile shall be given a court hearing prior to his being sent to another state for care, treatment, and custody; (3) provide that the state receiving such a delinquent juvenile in one of its institutions shall act solely as agent for the state sending such delinquent juvenile; (4) provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state; (5) provide for reasonable inspection of such institutions by the sending state; (6) provide that the consent of the parent, guardian, person, or agency entitled to the legal custody of said delinquent juvenile shall be secured prior to his being sent to another state; and (7) make provision for such other matters and details as shall be necessary to protect the rights and equities of such delinquent juveniles and of the cooperating states.

ARTICLE XI

ACCEPTANCE OF FEDERAL AND OTHER AID

That any state party to this compact may accept any and all donations, gifts, and grants of money, equipment, and services from the federal or any local government, or any agency thereof and from any person, firm, or corporation, for any of the purposes and functions of this compact, and may receive and utilize, the same subject to the terms, conditions, and regulations governing such donations, gifts, and grants.

ARTICLE XII

COMPACT ADMINISTRATORS

That the governor of each state party to this compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE XIII

EXECUTION OF COMPACT

That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form or execution to be in accordance with the laws of the executing state.

ARTICLE XIV

RENUNCIATION

That this compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this compact shall be by the same authority which executed it, by sending six months notice in writing of its intention to withdraw from the compact to the other states party hereto. The duties and obligations of a renouncing state under Article VII hereof shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under Article X hereof shall be subject to renunciation as provided by such supplementary agreements, and shall not be subject to the six months renunciation notice of the present article.
ARTICLE XV

SEVERABILITY

That the provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstances shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

Execution of additional article

Sec. 3. The Governor shall also execute on the behalf of the state with any other state or states legally joining in it, an additional article to the Interstate Compact on Juveniles in substantially the following form:

ARTICLE XVI

ADDITIONAL ARTICLE

That this article shall provide additional remedies, and shall be binding only as among and between those party states which specifically execute the same.

For the purposes of this article, "child," as used herein, means any minor within the jurisdictional age limits of any court in the home state.

When any child is brought before a court of a state of which such child is not a resident, and such state is willing to permit such child's return to the home state of such child, such home state, upon being so advised by the state in which such proceeding is pending, shall immediately institute proceedings to determine the residence and jurisdictional facts as to such child in such home state, and upon finding that such child is in fact a resident of said state and subject to the jurisdiction of the court thereof shall within five days authorize the return of such child to the home state, and to the parent or custodial agency legally authorized to accept such custody in such home state, and at the expense of such home state, to be paid from such funds as such home state may procure, designate, or provide, prompt action being of the essence.

Execution of amendment

Sec. 4. The Governor shall also execute on the behalf of the state with any other state or states legally joining in it, an amendment to the Interstate Compact on Juveniles in substantially the following form:

(b) All provisions and procedures of Articles V and VI of the Interstate Compact on Juveniles shall be construed to apply to any juvenile charged with being a delinquent by reason of a violation of any criminal law. Any juvenile charged with being a delinquent by reason of violating any criminal law shall be returned to the requesting state upon a requisi-
tion to the state where the juvenile may be found. A petition in such case shall be filed in a court of competent jurisdiction in the requesting state where the violation of criminal law is alleged to have been committed. The petition may be filed regardless of whether the juvenile has left the state before or after the filing of the petition. The requisition described in Article V of the compact shall be forwarded by the judge of the court in which the petition has been filed.

**Juvenile compact administrator**

**Sec. 5.** Under the compact, the Governor may designate an officer as the compact administrator. The administrator, acting jointly with like officers of other party states, shall adopt regulations to carry out more effectively the terms of the compact. The compact administrator serves at the pleasure of the Governor. The compact administrator shall cooperate with all departments, agencies, and officers of and in the government of this state and its subdivisions in facilitating the proper administration of the compact or of a supplementary agreement entered into by this state.

**Supplementary agreements**

**Sec. 6.** The compact administrator may make supplementary agreements with appropriate officials of other states pursuant to the compact. If a supplementary agreement requires or contemplates the use of an institution or facility of this state or requires or contemplates the provision of a service of this state, the supplementary agreement has no force or effect until approved by the head of the department or agency under whose jurisdiction the institution is operated, or whose department or agency is charged with performing the service.

**Financial arrangements**

**Sec. 7.** The compact administrator may make or arrange for the payments necessary to discharge the financial obligations imposed upon this state by the compact or by a supplementary agreement made under the compact, subject to legislative appropriations.

**Sec. 8.** The courts, departments, agencies, and officers of this state and its subdivisions shall enforce this compact and shall do all things appropriate to effectuate its purposes and intent which are within their respective jurisdictions.

**Additional procedures not precluded**

**Sec. 9.** In addition to the procedures provided in Articles IV and VI of the compact for the return of a runaway juvenile, the particular states, the juvenile, or his parents, the courts, or other legal custodian involved may agree upon and adopt any plan or procedure legally authorized under the laws of this state and the other respective party states for the return of the runaway juvenile. Acts 1965, 59th Leg., p. 676, ch. 324.

Effective Aug. 30, 1965, 90 days after date of adjournment.

**Title of Act:**

(a) Interest and penalties on past due contributions. If any employer subject to the provisions of this Act shall fail to pay contributions due under this Act on the date on which they are due and payable as prescribed by the Commission, such employer shall forfeit to the State of Texas a penalty of one per cent (1%) of such contributions, and after the expiration of one (1) month such employer shall forfeit an additional penalty of one per cent (1%) of such contributions for each month or fraction thereof, until such contributions and penalties shall have been paid in full; provided, however, that the penalties applicable to the contributions due for any period (as prescribed by the regulations of the Commission) shall not exceed twenty-five per cent (25%) of the amount of contributions due at due date; provided, however, that for the exclusive purpose of this subsection, after July 1, 1965, the forfeit of penalty provided herein shall not apply to any employer who failed to pay contributions due under this Act because of the bona fide belief that all or some of their employees are covered under the unemployment insurance law of any other state if such employer paid, pursuant to the unemployment insurance law of such other state, the contributions thereunder when due on all such wages of such employees.

In addition to the penalties provided above, whenever the maximum penalty of twenty-five per cent (25%) shall accrue or shall have accrued as provided above in cases in which the liability of the employer is reduced to judgment, thereafter in addition to the penalties provided above such judgment shall bear interest at the rate of six per cent (6%) per annum in like manner as other civil judgments. As amended Acts 1965, 59th Leg., p. 318, ch. 150, § 2, eff. July 1, 1965.
Art. 5221b-12 REVISED STATUTES 998

(b) Collections. If, after due notice, any employer defaults in any payment of contributions, penalties or interest thereon, the amount due shall be collected by civil action in the name of the state and the Attorney General, and the employer adjudged in default shall pay the costs of such action; provided, however, that no court action shall be begun to collect contributions or penalties from an employer after the expiration of three (3) years from the due date of such contributions, except that, in any case of a willful attempt in any manner to evade any of the provisions of the Unemployment Compensation Law or Commission rules and regulations promulgated thereunder, such action may be begun at any time.

An employer liable for contributions, penalties, or interest under this Act who fails to pay such sums when due, after judgment has been entered therefor and execution returned unsatisfied, forfeit his right to employ individuals in this state until he enters into a bond with sureties to be approved by the Commission, in an amount not to exceed double the sum then due plus contributions estimated by the Commission to become due by said employer during the next calendar year, said bond to be conditioned upon payment of all contributions, penalties, interest, and court costs due and owing by the employer within thirty (30) days after the expiration of the next ensuing calendar year, and in the event the employer fails to furnish such bond the Commission may proceed by injunction to prevent the continuance of such employment upon such failure by the employer by applying to the court which previously entered judgment against the employer for contributions, penalties, or interest, and a temporary injunction enjoining the employer from employing persons in this state without first posting bond as aforesaid may be granted after reasonable notice of not less than ten (10) days by said court. As amended Acts 1965, 59th Leg., p. 318, ch. 150, § 2, eff. July 1, 1965.

(c) (1) If any employer shall fail to file any reports of wages paid or contributions due as required by this Act or by the rules or regulations of the Commission, such employer shall forfeit to the state for the Unemployment Compensation Special Administration Fund as penalties: (i) for the first month, or part thereof, of violation the sum of Ten Dollars ($10.00) and in addition thereto one per cent (1%) of the amount of taxable wages paid which the employer failed to report to the Commission; and (ii) for the second successive month, or part thereof, of violation, an additional two per cent (2%) of the amount of taxable wages paid which the employer failed to report to the Commission; and (iii) for the third successive month, or part thereof, of violation, an additional three per cent (3%) of the amount of taxable wages which the employer failed to report to the Commission. The penalties hereinafore provided in (i), (ii), and (iii) are cumulative and in addition to any other penalties provided in this Act, and if such penalties are not paid to the Commission at the time they are forfeited, they shall be collected by civil action as provided in this Section.

(2) If any employing unit shall (i) fail to keep any of the records required to be kept by the provisions of this Act or by the rules or regulations of the Commission, (ii) make a false report to the Commission, or (iii) fail or refuse to abide by the provisions of this Act or the rules or regulations of the Commission promulgated hereunder, or violate the same, and if no civil penalty is otherwise provided by this Act, such employing unit shall forfeit to the state for the Unemployment Compensation Special Administration Fund as a penalty the sum of Twenty-Five Dollars ($25.00). In cases where the violation is of a continuing nature, each day’s violation after written notice of the existence of the violation is given to the employer by the Commission shall constitute a separate offense and incur another penalty. If such penalties are not paid when demanded by the Commission or its duly authorized representative, they shall be collected by civil action as provided in this Section.
(3) If any employer shall fail to make any reports to the Commission, required by this Act or by rules or regulations of the Commission, the Commission may estimate, from any sources of information available to it, the amount of taxable wages paid by such employer during the period in question, and the Commission may proceed to collect taxes and penalties on the basis of such estimates the same as if the estimated wages had been properly reported by the employer.

(4) The collection remedies provided in this Section shall be cumulative and no action shall be construed as an election on the part of the Commission to pursue any given remedy or action hereunder to the exclusion of any other remedy or action for which provision is made in this Act or in the General Laws of the State of Texas. As amended Acts 1965, 59th Leg., p. 318, ch. 150, § 2, eff. July 1, 1965.

(f) All sums due by any employing unit under this Act shall become a lien upon all the property both real and personal belonging to such employing unit or to any individual so indebted. Such lien shall attach at the time any contributions, penalties, interest or other charges become delinquent and may be recorded in the “State Tax Liens” book kept by county clerks as provided in Article 107A, Revised Civil Statutes of Texas, 1925, as amended 1, and such liens may be released in the manner there provided for other state tax liens. The Commission shall pay by warrant drawn by the State Comptroller to the County Clerk of the county in which a notice of lien provided by this subsection has been filed the usual fee for filing and recording other similar instruments. Such fee shall be added to the amount due from the employer. When the liability secured by the lien is fully paid, the Commission shall mail to the employer a release of the said lien and it shall be the employer’s responsibility to file such release with the appropriate County Clerk and to pay the County Clerk’s fee for recording the release. As amended Acts 1965, 59th Leg., p. 318, ch. 150, § 3, eff. July 1, 1965.

1 See V.A.T.S. Tax-Gen. art. 1.07A.

(l) Taxes, penalties, interest and court costs owed by an employer under a final court judgment under this Act shall be deemed to be a debt owed to the State of Texas by the employer for the purposes of Article 4350, Vernon’s Texas Civil Statutes, provided, however, that this subsection shall apply only to warrants which would otherwise be issued by the State Comptroller in refund of taxes, fees, assessments and other deposits required under the laws of Texas and to warrants otherwise owed to the employer as compensation for goods and services (other than warrants owed in payment for services performed as an elective or appointive employee of this state and warrants owed in reimbursement of expenses incurred in the performance of such state employment). Added Acts 1965, 59th Leg., p. 318, ch. 150, § 4, eff. July 1, 1965.

(m) Any qualified attorney who is a regular salaried employee of the Commission may represent any employment security agency of any other state in proceedings in court in this state to collect contributions, penalties, interest, and court costs for which liability has been incurred by an employing unit under an unemployment compensation law or unemployment insurance law of any other state, provided that such liability has been reduced to judgment in a court of record in the state of the requesting agency, and provided further, that the unemployment compensation law or unemployment insurance law of the requesting state provides for like action on behalf of the Commission by the requesting state agency. Venue of such proceedings shall be the same as for actions to collect delinquent

CHAPTER SIXTEEN—MISCELLANEOUS PROVISIONS

See, now, art. 4101—2, § 4.
Art. 5248g. Grant of portions of bed and banks of Pecos, Devils and Rio Grande Rivers to United States

Section 1. The Governor of the State of Texas is hereby authorized to grant to the United States of America in accordance with the conditions hereinafter set out, such of those portions of the bed and banks of the Pecos and Devils Rivers in Val Verde County and the Rio Grande in Brewster, Cameron, Hidalgo, Hudspeth, Jeff Davis, Kinney, Maverick, Presidio, Starr, Terrell, Val Verde, Webb and Zapata Counties as may be necessary or expedient in the construction and use of the storage and flood control dams and their resultant reservoirs, diversion works and appurtenances thereto, provided for in the Treaty between the United States of America and United Mexican States, concluded February 3, 1944.

Sec. 2. When the United States Commissioner, International Boundary and Water Commission, United States and Mexico, shall make application to the Governor of the State of Texas describing the area which is deemed necessary or expedient for use under said Treaty, the Governor shall issue a grant for and on behalf of the State of Texas to the United States of America conveying to it the area described in the application, which said grant shall reserve unto the State of Texas all minerals except rock, sand and gravel needed by the United States in the operation or construction by the United States or its agents of any of the works described in Section 1 of this Act subject to the proviso that the minerals so reserved to the state shall not be explored for, developed or produced in a manner which will at any time prevent or interfere with the operation or construction by the United States of America of any of the works described in Section 1 of this Act; and providing further, that prior to exploring for or developing such reserved minerals the written consent and approval of the United States Section, International Boundary and Water Commission, United States and Mexico, or its successor agency, shall be obtained as to the proposed area sought to be explored or developed by the State of Texas, including, but not by way of limitation, the location of and production facilities for oil and/or gas wells. Successive applications may be made by the said United States Commissioner, and successive grants may be made to the United States of America by the Governor for and on behalf of the State of Texas, embracing various tracts within the limits herein specified, and no time limit shall be imposed upon such grants; provided, however, that nothing herein shall be construed as divesting, limiting, or otherwise affecting the property rights, including, but not by way of limitation, the riparian rights, under the laws of the State of Texas, of the private owners of land abutting the Pecos, Devils, and Rio Grande Rivers in the counties herein referred to. The authority herein granted to the Governor of the State of Texas extends only to the bed and banks of the Pecos, Devils, and Rio Grande Rivers to the extent that title to such bed and banks is by law vested in the State of Texas whether under the civil law, or common law, or court decisions of the State of Texas, or otherwise; provided, however, that any grant or grants made to the United States of America in accordance with this authority shall contain a reservation that in the event any part of the property so granted shall ever cease to be used
for the purposes set out within this Act for a continuous period of five (5) years after the beginning of such use, the part or parts of said property which are not so used shall immediately and automatically revert to the State of Texas after the expiration of said five (5) year period. As amended Acts 1962, 57th Leg. 3rd C.S., p. 167, ch. 61, § 1.

The 1962 amendment inserted the references to the Pecos and Devils Rivers.

If the date specified in the conveyance is a date after July 1, 1971, such condition subsequent shall provide that if said condition is breached, title to the tract or parcel of land covered by said conveyance that is not so improved (except for such portions as may be devoted to channels, canals, or waterways) shall revert to the City of Corpus Christi, and the right of re-entry retained by said city in the conveyance shall be immediately exercised; and said city may thereafter retain such portion or portions of such tract or parcel, or may convey such portion or portions in the same manner as provided above. Art. 5949

TITLE 99—NOTARIES PUBLIC

Art. 5949. [6002] [3503] Notary public

Appointment; number and terms

1. The Secretary of State of the State of Texas shall appoint a convenient number of Notaries Public to serve each county of the state. Such appointments may be made at any time, and the terms of all appointments shall end on the first day of June of each odd-numbered year, unless sooner revoked by the Secretary of State.

Eligibility

2. To be eligible for appointment as Notary Public for any county, a person shall be at least twenty-one (21) years of age, be a citizen of the United States of America and of Texas and a resident of the county for which he is appointed; provided, that where such person resides within the limits of a county containing an incorporated city, town or village partially located in another county, said person may be appointed Notary Public for either of such counties, but shall be authorised to act only in the county for which such appointment is made; provided further, that nothing herein shall invalidate any commission as Notary Public which has been issued and is outstanding at the time this Act becomes effective.

Procedure for appointment; application; contents; duties of county clerks

3. Appointments to the office of Notary Public shall be made as follows:

Any person desiring appointment as a Notary Public shall make application in duplicate to the county clerk of his county of residence, or the county in which the applicant seeks to act as Notary Public, on forms prescribed by the Secretary of State, which includes his name as it will be used in acting as such Notary Public, his post-office address, a statement that he has never been convicted of a crime involving moral turpitude, and shall satisfy the clerk that he is at least twenty-one (21) years of age and otherwise qualified by law for the appointment which is sought. One copy of each application, along with the names of all persons making such application shall be sent in duplicate by the county clerk to the Secretary of State with the certificate of the county clerk that according to the information furnished him, such person is eligible for appointment as Notary Public for such county. The Secretary of State shall act upon all such names submitted at the earliest practicable time and notify the county clerk whether such appointment or appointments have been made. Upon receiving notice from the Secretary of State of such appointments, the county clerk shall forthwith notify all persons so appointed to appear before him within fifteen (15) days from the date of such appointment and qualify as hereinafter provided. The appointment of any person failing to qualify within the time allowed shall be void, and if any such person desires thereafter to qualify, his name shall be resubmitted in the same manner as hereinafore provided.

Fees

4. At the time of such qualification the county clerk shall collect the fees allowed him by law for administering the oath and approving and filing the bond of such Notary Public, together with the fee allowed by law to the Secretary of State for issuing a commission to such Notary Public.

Notice to Secretary of State; issuance of commission; rejection of application; appeal

5. Immediately after the qualification of any Notary Public, the county clerk shall forthwith notify the Secretary of State that such per-
son has qualified and the date of such qualification, and shall remit with such notice the fee due the Secretary of State, whereupon, the Secretary of State shall cause a commission to be issued for the county in which such Notary Public has qualified, which commission shall be effective as of the date of qualification in that county. All such commissions shall be forwarded to the proper county clerk for delivery to such persons entitled to receive them. Nothing herein shall prevent any qualified Notary Public from performing the duties of his office from and after his qualification and before the receipt of his commission.

The Secretary of State may, for good cause, reject any application, or revoke the commission of any Notary Public, but such action shall be taken subject to the right of notice, hearing and adjudication, and the right of appeal therefrom. Such appeal shall be made to the District Court of Travis County, Texas, but upon such appeal the Secretary of State shall have the burden of proof and such trial shall be conducted de novo.

“Good cause” shall include final conviction for a crime involving moral turpitude, any false statement knowingly made in an application, and final conviction for the violation of any law concerning the regulation of the conduct of Notaries Public in this state, or any other state.

Expiration of term; reappointment; changes of address; dates of reappointment

6. Any qualified Notary Public whose term is expiring may be reappointed by the Secretary of State without the necessity of the county clerk resubmitting his name to the Secretary of State, provided such appointment is made in sufficient time for such Notary Public to requalify on the expiration date of the term for which he is then serving; and provided further, that each Notary shall notify the Secretary of State and the county clerk of any change of address within ten (10) days and if any such Notary has removed his residence to a county other than the one for which he was appointed, his office shall be automatically vacant, and if he desires to act as Notary Public in the county to which he has removed his residence, he shall surrender his commission to the Secretary of State, and make new application in accordance with eligibility requirements of this Article.

The Secretary of State shall reappoint Notaries Public on May 1 of each odd-numbered year, which reappointment shall be effective June 1 of said year for the next term of office. The County Clerk of each county shall notify such persons, who are reappointed from his or her county, to qualify within the first fifteen (15) days of May of each odd-numbered year which qualifying shall become effective as of June 1 and shall not be effective prior thereto.

Bond

7. Any person appointed a Notary Public, before entering upon his official duties, shall execute a bond in the sum of One Thousand ($1,000.00) Dollars with two or more solvent individuals, or one solvent surety company authorized to do business in this state, as surety, such bond to be approved by the county clerk of his county, payable to the Governor, and conditioned for the faithful performance of the duties of his office; and shall also take and subscribe the official oath of office which shall be endorsed on said bond with the certificate of the official administering the same. Said bond shall be deposited in the office of the county clerk and shall not be void on the first recovery, and may be sued on in the name of the party injured from time to time until the whole amount thereof has been recovered. Any such person shall be deemed to be qualified when he has taken the official oath of office, furnished the bond and paid the fees herein provided for, all within the time allowed therefor.
Failure or refusal of county clerk to perform duties

8. If any county clerk fails or refuses to forward the names of persons requesting appointments, notices of qualification, or to remit any fees due to the Secretary of State, or to notify any applicant of his appointment within sixty (60) days after receipt of same by the county clerk, the Secretary of State shall certify such failure or refusal to the State Comptroller, the County Auditor and Commissioners Court of such county, after which no claim or account in favor of such clerk shall be approved or paid until the Secretary of State shall certify to such officials that all requirements hereunder have been complied with.

Public records; inspection

9. All matters pertaining to the appointment and qualification of Notaries Public shall be public records in the offices of the county clerks and in the office of the Secretary of State after any such Notary Public has qualified, and shall be open to inspection of any interested person at such reasonable times and in such manner as will not interfere with the affairs of office of the custodian of such records; but neither a county clerk nor the Secretary of State shall be required to furnish lists of the names of persons appointed before their qualification nor lists of unreasonable numbers of qualified Notaries Public.

Administration and enforcement of act; regulations

10. The Secretary of State may make regulations necessary for the administration and enforcement of this Act consistent with all of its provisions. As amended Acts 1965, 59th Leg., p. 1517, ch. 660, § 1. Effective Aug. 30, 1965, 90 days after date of adjournment.

The names of all such persons shall be sent forthwith in duplicate by the County Clerk to the Secretary of State with the certificate of the County Clerk certifying that according to the information furnished him, such person is eligible for appointment as Notary Public for such county. The Secretary of State shall act upon all such names submitted at the earliest practicable time and notify the County Clerk whether such appointment or appointments have been made. Upon receiving notice from the Secretary of State of any such appointments, the County Clerk shall forthwith notify all persons so appointed to appear before him within ten (10) days from the date of such notice, and qualify as hereinafter provided. The appointment of any person failing to qualify within such ten (10) day period shall be void, and if any such person desires thereafter to qualify, his name shall be resubmitted in the same manner as hereinafore provided. As amended Acts 1965, 59th Leg., p. 182, ch. 74, § 1, emerg. eff. April 8, 1965.

6(a). Any qualified Notary Public whose term is expiring may be reappointed by the Secretary of State without the necessity of the County Clerk resubmitting his name to the Secretary of State, provided that if any such Notary has removed his residence to a county other than the
one for which he was appointed, his office shall be automatically vacated, and if he desires to act as Notary Public in such other county his commission shall be surrendered to the Secretary of State and his name shall be submitted by the clerk of such other county as hereinabove provided.

(b). The Secretary of State shall reappoint Notaries Public on May 1 of each odd-numbered year, which reappointment shall be effective June 1 of said year for the next term of office. Art. 6005

REVISED STATUTES

TITLE 102—OIL AND GAS

GENERAL PROVISIONS

6005d. False applications and reports; abolition of oaths [New].

Art. 6005. [7848] Plugging abandoned wells

Definitions

Section 1. In this Article, unless the context requires a different definition,

(1) "well" means a hole drilled for the purpose of:
   (a) producing oil or gas; or
   (b) injecting any fluid or gas into the ground in connection with the
       exploration or production of oil or gas; or
   (c) obtaining geological information by taking cores or through seis­
       mic operations;

(2) "operator" means a person who is responsible for the physical
    operation and control of a well at the time the well is about to be aban­
    doned or ceases operation;

(3) "nonoperator" means a person who owns a working interest in a
    well at the time the well is about to be abandoned or ceases operation and
    is not an "operator" as defined in Section 1, paragraph (2), herein. It is
    understood that the terms "operator" and "nonoperator" as defined in this
    Article do not mean a royalty interest owner or an overriding royalty inter­
    est owner;

(4) "landowner" means the owner of the land upon which the well
    is situated at the time the well is abandoned and one who holds a mineral
    interest therein;

(5) "person" means any natural person, corporation, association, part­
    nership, receiver, trustee, guardian, executor and a fiduciary or represen­
    tatives of any kind;

(6) "Commission" means the Railroad Commission of Texas.

Duty of operator

Sec. 2. The operator of a well shall properly plug the well when
required and in accordance with the Commission's rules and regulations
which are in effect at the time of plugging.

Duty of nonoperator

Sec. 3. If the operator of a well fails to comply with Section 2
of this Article, then each nonoperator is responsible for his proportionate
share of the cost of the proper plugging of the well within a reasonable
time, according to the rules and regulations of the Commission in effect
at the time the responsibility attaches.

Duty of landowner

Sec. 4. If the operator fails to comply with Section 2 of this Ar­
   ticle and the nonoperator fails to comply with Section 3 of this Article,
   then, in that event each landowner is responsible for his proportionate
   share of the cost of proper plugging of the well within a reasonable time,
   according to the rules and regulations of the Commission in effect at the
time the responsibility attaches.
Cause of action

Sec. 5. If a landowner plugs or replugs a well under Section 4 of this Article then the landowner shall have a cause of action against the operator and nonoperator or either of them, as the case may be, in any court or competent jurisdiction for all reasonable costs and expenses incurred in the plugging or replugging of the well, to be secured by a lien upon the interest of the operator and the nonoperator, or either of them as the case may be, in the oil and gas underlying the lease upon which the well is located and upon the interest of the operator and the nonoperator, or either of them, as the case may be, in all fixtures, machinery and equipment found or used on said lease; provided, however, that if the landowner is responsible for the well not being properly plugged, then the said landowner shall not have a cause of action under this Article.

Recovery against others

Sec. 6. If an operator, nonoperator or landowner owns only a partial interest in the well, oil and gas or land, as the case may be, and said operator, nonoperator or landowner pays a larger proportion of the cost of plugging the well than his proportionate interest in the well, oil and gas or land, as the case may be, then he shall have a cause of action against the other operators, nonoperators or landowners, as the case may be, for their proportionate shares of the cost of plugging.

Duty of commission

Sec. 7. (a) If it comes to the Commission's attention that a well which has been abandoned or is not being operated is causing or is likely to cause pollution of fresh water above or below the ground or if gas or oil is escaping from said well, the Commission, after due notice, at a hearing, shall determine whether or not the well was properly plugged under Section 2, Section 3 or Section 4 of this Article.

(b) If the Commission finds that the well was not properly plugged, it shall order the operator to plug the well according to the rules and regulations of the Commission in effect at the time the order is issued. If the operator cannot be found or is no longer in existence, or if the operator has no assets with which to properly plug the well, the Commission shall order the nonoperators to plug the well according to the rules and regulations of the Commission in effect at the time the order is issued. If the nonoperators cannot be found or are no longer in existence, or if the nonoperators have no assets with which to properly plug the well, the Commission shall order the landowners to properly plug the well according to the rules and regulations of the Commission in effect at the time the order is issued.

Power of the commission

Sec. 8. (a) Upon the determination by the Commission under Section 7(a) of this Article that such a well has not been properly plugged, or needs replugging, the Commission, through its employees or through a person acting as agent for the Commission, may plug or replug such a well, if

1. the well was properly plugged according to regulations in effect at the time the well was abandoned or ceased to be operated; or
2. neither the operator, nonoperator nor the landowner properly plugged the well, and
   A. neither the operator, nonoperator nor the landowner can be found; or
   B. neither the operator, nonoperator nor the landowner has assets with which to properly plug the well.
(b) The Commission, its employees, or its agents, or the operator, or the nonoperator, or the landowner may enter the land of another for the purpose of plugging or replugging the well which the Commission has determined, under the provisions of Section 7(a), has not been properly plugged. The Commission, its employees, its agents, the operator, non-operator and the landowner shall not be liable for any damages which may occur as a result of acts done or omitted to be done by them or each of them in a good faith effort to carry out the provisions of this Article.

Cause of action of state

Sec. 9. If the Commission plugs a well under Section 8 of this Article, the State has a cause of action for all reasonable expenses incurred in plugging or replugging the well according to the rules and regulations of the Commission in effect at the time the well is plugged or re-plugged. The cause of action is first against the operator, to be secured by a lien upon his interest in the oil and gas in the land and all his fixtures, machinery and equipment found or used on the land where the well is situated, and second, against the nonoperator at the time the well should have been plugged, to be secured by a lien upon his interest in the oil or gas in the land, and third, against the landowner, to be secured by a lien upon his interest in the land.

Accepting money from private persons

Sec. 10. The Commission may accept money from private persons and use the money to plug or replug any well. Paying money to the Commission is not an admission that the person paying the money is obligated to plug or replug the well. Evidence that a person has paid money to the Commission is not admissible against the person in any suit in which the person's obligation to plug a well is an issue, and introducing the evidence is a compulsory ground for mistrial.

Commission enforcement

Sec. 11. In addition to the powers specifically granted to the Commission under the provisions of this Article, the Commission may enforce the provisions of this Article or any rule, regulation or order of the Commission promulgated hereunder, in the same manner and upon the same conditions as provided for in Title 102 of the Revised Civil Statutes of Texas, 1925.

Appeals to courts

Sec. 12. Any person affected hereby may sue to test the validity of any rule, regulations or order promulgated by the Commission under this Article in the same manner, upon the same conditions, and to the same court or courts, as prescribed for suits testing the validity of rules, regulations and orders of the Commission promulgated under the general oil conservation statutes of this State.

Protection of waters against pollution

Sec. 13. The conservation and development of all of the natural resources of this State are hereby declared a public right and duty. It is further hereby declared that the protection of waters and lands of the State against pollution or the escape of oil or gas is in the public interest. It is therefore necessary and desirable in the exercise of the police power of the State to provide additional means whereby wells which are drilled for the exploration, development or production of oil or gas, or as injection or salt water disposal wells, and which have been abandoned and are leaking salt water, oil, gas or other deleterious substances into fresh water formations or upon the surface of the land, may be plugged, re-plugged or
Art. 6008c. Mineral Interest Pooling Act

Section 1. This Act may be cited and referred to as the Mineral Interest Pooling Act. The term "mineral" as used herein is limited to oil and gas.

Sec. 2. (a) When two or more separately-owned tracts of land are embraced within a common reservoir of oil or gas for which the Railroad Commission of Texas (hereinafter called "Commission") has established the size and shape of proration units, whether by temporary or permanent field rules, and where there are separately-owned interests in oil or gas embraced within an existing or proposed proration unit in the common reservoir, and the owners have not agreed to pool their interests, and where one or more of the owners have drilled or propose to drill a well on the proration unit to the common reservoir, the Commission, to avoid the drilling of unnecessary wells, or to protect correlative rights, or to prevent waste, shall, on the application to the Commission of any such owner, establish a unit and pool all of the interests therein within an area containing the approximate acreage of such proration unit, which unit shall in no event exceed 160 acres for an oil well or 640 acres for a gas well, plus 10% tolerance. The applicant shall set forth in detail the nature of voluntary pooling offers made to the owners of the other interests in the proposed unit, and the Commission shall dismiss such application if it finds that a fair and reasonable offer to voluntarily pool has not been made by the applicant. The Commission shall not require the owner of a mineral interest, the productive acreage of which is equal to or in excess of the standard proration unit for the reservoir, to pool his interest with others, unless requested by the holder of an adjoining mineral interest, the productive acreage of which is smaller than such pattern, who has not been provided a reasonable opportunity to pool voluntarily, in which event the Commission shall pool the smaller tract with adjacent acreage on a fair and reasonable basis and may authorize a larger allowable for such unit if it exceeds the size of the standard proration unit for the reservoir. The Commission shall only pool such acreage which at the time of its order reasonably appears to lie within the productive limits of the reservoir.

(b) A pooling agreement, offer to pool, or pooling order shall not be considered fair and reasonable if it provides for an operating agreement containing any of the following provisions:

(1) Preferential right of the operator to purchase mineral interests in the unit;

(2) A call on or option to purchase production from the unit;

(3) Operating charges which include any part of district or central office expense other than reasonable overhead charges;

(4) Prohibition against non-operators questioning the operation of the unit.

(c) Upon the filing of an application for the pooling of interests into a unit under this Act, at least 30 days notice shall be given to all interested parties, including notice by publication if there are unknown owners or
owners whose whereabouts are unknown, in the manner and form prescribed by the Commission before hearing on such application, notwithstanding Article 6036a, Vernon's Civil Statutes of Texas.

(d) All orders effecting such pooling shall be made after notice, as provided above, and hearing, and shall be upon such terms and conditions as are fair and reasonable, and will afford to the owner or owners of each tract or interest in the unit the opportunity to produce or receive his fair share. Each order shall describe the lands included in the unit, identifying the reservoir to which it applies, shall designate the location of the well, and appoint an operator for the unit. All operations upon, and production from, any portion of a unit for which a pooling order has been entered, shall be deemed for all purposes the conduct of such operations upon and production from, each separately-owned tract in the pooled unit, and if any gas well on a pooled unit is shut in, it shall be deemed that the shut-in gas well is on each separately-owned tract in the pooled unit. If only part of a tract is included in the unit, operations upon, production from, or a shut-in gas well on, the unit shall maintain an oil and gas lease on the tract as to the part excluded from the unit only if the lease thereon would be maintained had the unit been created voluntarily under the provisions of the lease. For the purpose of determining the portions of production owned by the persons owning interests in the pooled unit, such production shall be allocated to the respective tracts within the unit in the proportion that the number of surface acres included within each tract bears to the number of surface acres included in the entire unit, unless the Commission finds that allocation on a surface-acreage basis does not allocate to each tract its fair share, which as to any non-consenting owner shall in no event be less than he would receive under a surface-acreage allocation. The pooling order of the Commission shall, as to each owner who elects not to pay his proportionate share of the drilling and completion costs in advance, make provision for reimbursement solely out of production, to the parties advancing the costs, of all actual and reasonable drilling, completing and operating costs plus a charge for risk not to exceed 100% of such drilling and completing costs. If there is any dispute relative to such costs, the Commission shall determine the proper costs and their allocation among working interest owners after due notice to interested parties and a hearing thereon.

(e) A unit established by order of the Commission under authority of this Act may not subsequently be modified or dissolved without the consent of all mineral owners affected, except as may be necessary to permit its enlargement as provided in Section 2(a) above; provided however, such unit shall be automatically dissolved one year after its effective date if no production or drilling operations have been had thereon, or six months after the completion of a dry hole thereon or cessation of production therefrom. Upon termination of any lease pooled by order of the Commission under authority of this Act, interests covered thereby shall be deemed pooled as unleased mineral interests.

(f) This Act shall not apply to any reservoir discovered and produced prior to March 8, 1961.

(g) Any person or party at interest aggrieved by an order of the Commission effecting pooling under this Act may appeal such order within 30 days to the District Court of the county in which the land or any part thereof covered by such order is located, and not elsewhere, notwithstanding the provisions of Section 8 of Article 6049c, Vernon's Civil Statutes of Texas.

(h) This Act shall not apply to any lands owned by the State of Texas, nor to lands in which the State of Texas has an interest directly or indirectly, nor shall this Act amend, repeal, change, alter or affect in any manner
Art. 6036c
False applications and reports; abolition of oaths

Provided that if any penalties prescribed elsewhere in this Title overlap as to offenses which are also punishable under this Article, then the penalties prescribed by this Article shall be in addition to such other penalties.

Provided further, that from and after the effective date of this Act no application, report, or other document required or permitted to be filed with the Railroad Commission of Texas under Title 102, shall be required to be under oath, verification, acknowledgment, or affirmation. Added Acts 1965, 59th Leg., p. 915, ch. 449, § 1, emerg. eff. June 16, 1965.

Section 2 of Acts 1965, 59th Leg., p. 915, ch. 449 was a severability provision: section 3 of the act of 1965 provided: “The provisions of this Act are cumulative of existing law, but in the event any provision of this Act shall conflict with any other law the provisions of this Act shall prevail as to such conflict only.”
Art. 6049a. Regulating storage tanks for hire and pipe lines as public utilities

In addition to persons enumerated in Section 8 hereof, any and all persons, associations of persons, or corporations operating any crude oil gathering system, whether by pipeline or by truck, other than persons, associations of persons, or corporations transporting only crude oil from properties in which any such person, association of persons, or corporation owns an operating interest, which may now or hereafter purchase crude oil or petroleum in this state, whether they be common carriers or affiliated with common carriers shall be a common purchaser of such crude oil or petroleum offered for purchase without discrimination in favor of one producer or person as against another in the same field and without unjust or unreasonable discrimination as between fields in this state as provided in Section 8 hereof. Such common purchasers shall be subject to the same regulation concerning rates and charges for gathering, transporting, loading and delivering crude petroleum as set out in Section 6a hereof. As amended Acts 1965, 59th Leg., p. 611, ch. 303, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Operation of gathering systems for crude petroleum

Sec. 8aaa. It is declared that the operation of gathering systems for crude petroleum by pipeline or by truck in connection with the purchase, or purchase and sale of crude petroleum, is a business in the mode of the conduct of which the public is interested, and as such is subject to regulation by law; and accordingly it is provided that from and after the expiration of thirty (30) days from the time this law takes effect the business of purchasing, or of purchasing and selling crude petroleum by the use of a gathering system for crude petroleum, whether by pipeline or by truck, shall not be conducted, unless the person, association of persons or corporation operating such gathering system so used in connection with such business be a common purchaser within the purview of this law and subject to the jurisdiction herein conferred upon the Commission; provided, however, the operation of any crude oil gathering system by persons, association of persons or corporation transporting only crude oil from properties in which any such person, association of persons or corporation owns an operating interest, shall not be deemed to be in the business of purchasing, or of purchasing and selling crude petroleum within the meaning of this Article. Added Acts 1965, 59th Leg., p. 611, ch. 303, § 2.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Prevention of discrimination

Sec. 11d. The Railroad Commission shall make inquiry in each field concerning the connections of the various producers and when discrimination is found to be practiced by any common purchaser as defined in this Act the said Railroad Commission shall issue an order to such common purchaser to make such reasonable extensions of their lines, such reasonable connections and such ratable purchases as will prevent such discrimination. The Commission may issue a show cause order to any common purchaser requesting it to appear and show cause why it should not purchase the allowable production of any producer so discriminated against. As amended Acts 1965, 59th Leg., p. 611, ch. 303, § 3.

Effective Aug. 30, 1965, 90 days after date of adjournment.
Duties and responsibilities of common purchasers, purchasers, gatherers or transporters

Sec. 11dd. Notwithstanding the provisions of any Statute or law, including Article 6049a, Revised Civil Statutes, 1925, as amended, none of the provisions of this Act\(^1\) shall increase or decrease the duties or responsibilities of any common purchaser, purchaser, gatherer or transporter of natural gas, residue gas, or casinghead gas. Added Acts 1965, 59th Leg., p. 611, ch. 303, § 4.

\(^1\) Acts 1965, 59th Leg., p. 611, ch. 303 which amended sections 5a and 11d and which added sections 8aaa and 11dd to this article.

Effective Aug. 30, 1965, 90 days after date of adjournment.

Acts 1965, 59th Leg., p. 611, ch. 303, § 5 was a severability provision; section 6 thereof provided that the Act should be construed as being in addition to and cumulative of all other laws now in force and that the Act should not be construed as any impairment of a limitation of any law now in force, except as provided in section 11dd of this article.

When any oil has been retained in storage for a period of more than six (6) years without being used, consumed or moved into the regular channels of commerce, it shall be presumed that such oil is “unlawful oil.” This presumption shall be rebutted by proof that such oil: (1) was produced from a well or wells within the production allowable then applicable to such well or wells; and (2) was not produced in violation of any law of the State of Texas or order of the Commission; and (3) if transported from the lease from which it was produced, that such transportation was not in violation of any law of the State of Texas or order of the Commission. The court may order the oil or products sold in whole or in part as may be deemed proper and the sale shall be conducted at the court house door of the county where
the oil and/or products are located and shall conform in all respects
to the sale of personal property as aforesaid. The money realized from

one-half of the money received from the sale of the unlawful oil and/or

Art. 6081g. Cities of 60,000 or more bordering on Gulf of Mexico granted use and occupancy for park purposes of tidelands and waters

Sec. 4. That for the purpose of obtaining funds for any of the purposes provided in Section 1 of, or elsewhere in, this Act, any city of the class defined in said Section 1, through its governing body, is hereby authorized, and shall have the power, from time to time, to issue bonds, notes or warrants secured by a pledge of and payable from the net revenues derived from the operation of all or any designated part or parts of such pier, structures, or improvements. As additional security for such bonds, notes or warrants, said city is hereby authorized, and shall have the power, to mortgage and encumber all or any designated part or parts of such pier, structures, or improvements and the furnishings and equipment thereof, together with all lands and interests, easements and other rights in land acquired or to be acquired and used in connection therewith, including the right of use and occupancy of the tidelands and waters and bed of the Gulf of Mexico herein granted (and, if the city now or hereafter owns, or has title to or rights in, the tidelands or bed of the Gulf of Mexico or the waters thereof, including said tidelands, bed, and waters and the rights therein). As further additional security for such bonds, notes or warrants, said city may, by the terms of any such mortgage, grant to the purchaser under sale or foreclosure thereunder a franchise to operate the properties purchased for a period of not over seventy-five (75) years after the purchase thereof; and during such period, in the case of any pier, structures, or improvements located at the time of said sale or foreclosure, wholly or in part, over and into state-owned tidelands and waters and bed of the Gulf of Mexico, such purchaser, his, their, or its heirs, successors or assigns shall have a like right of use and occupancy of said state-owned tidelands and waters and bed of the Gulf of Mexico in connection with such pier, structures or improve-
ments for like purposes as are herein granted to the city, and such right of use and occupancy upon the termination of such period or upon the cessation of the use of the properties for such purpose occurring prior to the termination of such period shall revert to the city.

The power to issue bonds, notes and warrants payable from net revenues and the power to mortgage and encumber in this Section granted may be exercised as to property acquired, built, erected, constructed, furnished or equipped for the purposes of this Act authorized, whether the entire cost thereof shall be defrayed wholly from the proceeds of revenue bonds, notes or warrants issued pursuant to this Section 4, or partly from such proceeds and partly with the proceeds from bonds or warrants issued under authority of Section 3 and Section 5 hereof, or either of them, or with funds obtained from any other lawful source.

All bonds issued under the authority of this Section shall be made payable to bearer or to the order of a named payee and shall be negotiable instruments and are hereby declared to have all the qualities and incidents of negotiable instruments under the Negotiable Instruments Law of the State of Texas, but shall be payable solely from the special fund herein provided, and, at the option of the city, additionally secured by the mortgage and franchise above authorized. Such bonds shall bear interest not exceeding six per cent (6%) per annum, have such dates and such maturities serially or otherwise not exceeding forty (40) years from their date or dates, be in such denominations and be payable as to principal and interest at such place or places (which may be at any bank, either within or without the state), in such medium of payment, contain such provisions for redemption prior to maturity and be in such form as the governing body of the city may determine. No such bond or the interest coupons appurtenant thereto bearing the signature or facsimile signature of any official of the city duly authorized to sign the same at the time such signature may be actually affixed thereto, shall be invalid by reason of such official ceasing to hold office prior to the delivery of such bond, or not having held office on the date of such bond.

Interest on such bonds may be payable in such manner as the governing body of the city may prescribe, and such bonds may in the discretion of the governing body of the city be made registrable as to principal and interest, or as to principal only, under such terms as the governing body may prescribe, or may be issued not subject to registration. Such bonds may be executed in the manner set forth in the proceedings authorizing the issuance of the same, and such proceedings may provide that the bonds and coupons, either or both, shall be executed by facsimile signatures and that the seal of the city on the bonds shall be the printed facsimile seal.

In the proceedings authorizing the issuance of such bonds, the governing body may prohibit the further issuance of bonds payable from the pledged revenues, or may reserve the right to issue additional bonds to be secured by a pledge of and payable from said net revenues in all respects on a parity with, or subordinate to, the lien and pledge in support of the bonds being issued, subject to such conditions as are set forth in said proceedings. When any bonds recite that they are secured partially or otherwise by a pledge of the proceeds of a contract or contracts made between the city and another party or parties (public agencies or otherwise), including but without in any way limiting the generalization of the foregoing, lease contracts and operation contracts, a copy of such contract or contracts and of the proceedings authorizing the same shall be submitted to the Attorney General, and the approval by the Attorney General of the bonds shall constitute an approval of such contract or contracts, and thereafter the contract or contracts shall be incontestable except for forgery or fraud.
No obligation issued and secured under authority of this Section shall ever be a debt of the city issuing the same, but shall be solely a charge upon the income and properties encumbered and shall never be reckoned in determining the power of such city to issue any bonds for any purpose authorized by law. Every such obligation shall contain substantially the following clause: "The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

The nature of the pledge of income and encumbrance of properties to secure any such obligations and the control, management and operation of such properties while any such obligation remains unpaid, shall be subject to and be governed by the provisions of Articles 1111 to 1118, both inclusive, Vernon’s Texas Civil Statutes, as amended, in like manner as are parks and systems named in Article 1111, as amended; provided, that no election shall be necessary to authorize the issuance of bonds under this Section.

The governing body of the city is hereby authorized to provide by ordinance for the issuance of revenue refunding bonds of the city for the purpose of refunding any revenue bonds issued under the provisions of this Section and then outstanding, together with accrued interest thereon, interest on past due principal, interest on past due interest, and judgments of courts of competent jurisdiction pertaining to past due principal and interest. The issuance of such revenue refunding bonds, the maturities and all other details thereof, the rights of the holders thereof and the duties and powers of the city in respect to the same, shall be governed by the provisions of this Act insofar as the same may be applicable. Such revenue refunding bonds may bear interest at a rate or rates higher than that borne by the underlying bonds, but such rate or rates to be borne by the revenue refunding bonds shall not exceed six per cent (6%) per annum. As amended Acts 1965, 59th Leg., p. 1634, ch. 671, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

(b) The factor of one and one-tenth per cent (1.1%) may be increased in increments of one-tenth of one per cent (0.1%), not to exceed a maximum of two per cent (2%) provided that:

(1) the increase is first approved by an actuary; and
(2) the increase applies only to active full-time firemen in the department at the time of the increase and those who enter the department thereafter.

Retirement for disability: cities of 900,000 or more population

Sec. 7B. Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city in the state having a population of nine hundred thousand (900,000) or more according to the last preceding Federal Census, which city is now within or may come within the provisions of this Act, shall become physically or mentally disabled while in and/or in consequence of the performance of his duty or shall become physically or mentally disabled from any cause whatsoever after he has become entitled to a pension certificate, said Board of Trustees shall, upon his request, or without such request if it shall deem proper and for the good of the department, retire such person from active service either for total or partial disability as the case may warrant and shall order that he be paid a monthly pension allowance from such fund:

(1) if for total disability, an amount equal to forty-two and one-half per cent (42 1/2%) of the average monthly salary for the highest three (3) calendar years during his service, or so much thereof as he may have served; provided, however, that the monthly pension allowance provided by this Section shall not be less than One Hundred and Fifty Dollars ($150) per month;

(2) if the disability be less than total, then such sum as in the judgment of the Board of Trustees may be proper and commensurate with the degree of disability; provided further, that if and when such disability shall cease, such disability allowance shall be discontinued and such person shall be restored to active service at not less than the same salary he received at the time of his retirement for disability. As amended Acts 1965, 59th Leg., p. 55, ch. 20, § 2, emerg. eff. March 16, 1965.
Death or disability from cause not resulting from performance of duties; cities of 900,000 or more population

Sec. 7C. (a) Whenever a person serving as an active fireman duly enrolled in any regularly active fire department in any city in the state having a population of nine hundred thousand (900,000) or more according to the last preceding Federal Census, which city is now within or may hereafter come within the provisions of this Act, shall die or become disabled from any cause other than a disability acquired in the performance of his duty as a fireman, a monthly pension allowance shall be paid to such fireman or his beneficiaries.

(b) Such monthly pension allowance shall be computed as follows:

(1) If such fireman shall become disabled, he shall be paid a monthly pension allowance equal to twenty-two and one-half per cent (22 1/2%) of the average monthly salary of such fireman plus two per cent (2%) of such average monthly salary for each full year of service and of participation in a fund, provided, however, that such monthly pension allowance shall not exceed forty-two and one-half per cent (42 1/2%) of such average monthly salary. The average monthly salary shall be based on the monthly average of such fireman’s salary for the highest three (3) calendar years during his service, or so much thereof as he may have served preceding the date of such retirement.

(2) If such fireman shall die and shall leave surviving him both a widow who married such fireman prior to his retirement, and a child or children of such fireman under the age of eighteen (18) years, said Board of Trustees shall order paid to the widow, so long as she remains the widow of such fireman, a monthly pension allowance equal to one-half (1/2) of the amount such fireman would have been entitled to receive, if disabled, under the provisions of subdivision (1); and in addition thereto the Board of Trustees shall order paid to such widow or other person having the care and custody of such child or children under the age of eighteen (18) years a monthly pension allowance, for the use and benefit of such child or children, equal to the amount hereinabove provided for the widow. If such fireman shall leave no child under the age of eighteen (18) years surviving him or if at any time after the death of such fireman no child is entitled to allowance, then the monthly pension allowance to be paid such widow, so long as she remains a widow, shall equal the full amount such fireman would have been entitled to receive, if disabled under subdivision (1), provided, however, that such allowance to a widow, as herein provided if no child is entitled to allowance, shall not exceed one-half (1/2) of the maximum base salary provided for the position of pipeman at the time of the death of such fireman.

(3) If such fireman shall die and if his widow dies after being entitled to her allowance as herein provided, or in the event there be no widow to receive an allowance, then the amount of the monthly pension allowance to be paid, for the use and benefit of the child or children under the age of eighteen (18) years, to the person having the care and custody of such child or children shall be computed as follows: an amount equal to one-half (1/2) of the amount such fireman would have been entitled to receive, if disabled under subdivision (1) shall be paid for each of such fireman’s children under the age of eighteen (18) years, provided that the total monthly pension allowance provided hereby for children shall not exceed the amount to which such fireman would have been entitled under subdivision (1), nor shall such allowance for such children exceed one-half (1/2) of the maximum base salary provided for the position of pipeman at the time of the death of such fireman.
(4) If such fireman shall die and only if no widow or child is entitled to an allowance under the provisions of this Section, a monthly pension allowance equal to one-half (1/2) of the amount such fireman would have been entitled to receive, if disabled, under the provisions of subdivision (1) shall be paid to each parent of such deceased fireman upon proof to the Board of Trustees that such parent was dependent upon such fireman immediately prior to the death of such fireman, provided that the total monthly pension allowance provided hereby for parents shall not exceed one-half (1/2) of the maximum base salary provided for the position of pipeman at the time of the death of such fireman.

(c) Provided further, however, that in no event shall the total of the allowances paid to a fireman or to his beneficiaries under the provisions of this Section be less than Eighty Dollars ($80) per month, provided that such minimum shall not be applicable if only one (1) child or only one (1) parent is entitled to an allowance.

(d) Allowance or benefits payable under the provisions of this Section for any minor child shall cease when such child becomes eighteen (18) years of age or marries.

(e) Provided, however, that the provisions of this Section shall not apply if the death or disability of the fireman was caused while such fireman was gainfully employed by someone other than the respective fire department for which he was employed.

(f) Provided further, that the provisions of this Section shall not be applicable to a fireman or his beneficiaries if such fireman's death or disability results from suicide or attempted suicide before such fireman shall have completed two (2) years of service with the fire department for which he was employed. As amended Acts 1965, 59th Leg., p. 55, ch. 20, § 3, emerg. eff. March 16, 1965.

Sec. 7D. (a) A person, serving as an active fireman duly enrolled in any regularly active fire department in any city or town in the state having a population of not less than one hundred eighty-five thousand (185,000) nor more than two hundred twenty-five thousand (225,000), according to the last preceding Federal Census, who becomes totally and permanently disabled, the Board of Trustees shall, upon his request, or without his request if it shall deem proper and for the good of the department, retire such person from active service and order that he be paid from the Firemen's Relief and Retirement Fund of such city or town a monthly amount equal to his accrued unreduced pension as determined under Subsection (a), Section 6C. If a person becomes totally and permanently disabled while in or as a consequence of the performance of his duty, the amount to be paid shall not be less than One Hundred Fifty Dollars ($150), and if a person becomes disabled from any other cause, the amount to be paid shall not be less than Fifty Dollars ($50).

(b) When the disability of a person who has been granted a pension under Subsection (a) ceases, such pension shall be discontinued and such person shall be restored to active service at not less than the same salary he received at the time of his retirement for disability.

(c) The provisions of this Section shall not apply if the disability of the fireman was caused while he was gainfully employed by someone other than the respective fire department for which he was employed. Added Acts 1965, 59th Leg., p. 20, § 2, emerg. eff. March 1, 1965.

Pension allowances for totally disabled children of firemen

Sec. 7G. (a) If a fireman who is covered by a provision of this Act dies and leaves a child who is totally disabled as a result of a physical or mental illness, injury or retardation, that child is entitled to receive any pension allowance to which he is entitled under this Act and is further entitled to continue receiving the allowance so long as he remains totally disabled. If the child is not entitled to a pension allowance under this Act solely because he is over the maximum age at the time of the death of his parent and the child is totally disabled as a result of a physical or mental illness, injury or retardation, the child is entitled to receive as an allowance that to which he would have been entitled had he been under the maximum age at the time of the death of his parent.

(b) This Section does not apply to any particular relief and retirement fund until after an election is held and the majority of the participating members of that fund vote to include the provisions of this Section within that fund. Added Acts 1965, 59th Leg., p. 328, ch. 153, § 1, emerg. eff. May 13, 1965.

Cities of 185,000 but less than 225,000; contributions to funds

Sec. 10D. (a) Any city having a population of more than one hundred and eighty-five thousand (185,000) inhabitants but less than two hundred and twenty-five thousand (225,000) inhabitants, according to the last preceding Federal Census, which has fully paid firemen and a Firemen's Relief and Retirement Fund has been or is created under the provisions of this Act, shall contribute and appropriate each month to such fund an amount equal to seven and one half percent (7½%) of the monthly payroll of the fire department of the city, and each full-time fireman shall pay into the pension fund seven and one-half per cent (7½%) of his monthly salary. The governing body of a city may authorize the city to make an additional contribution to its Firemen's Relief and Retirement Fund in whatever amount the governing body of the city may fix. The firemen by a majority vote in favor of an increase in contributions above the seven and one-half per cent (7½%), shall increase each member's contribution above seven and one-half per cent (7½%) in whatever amount the pension board recommends.

(b) Money deducted from salaries or compensation as provided by this Section and the payments and contributions provided by this Section shall become and form a part of the Firemen's Relief and Retirement Fund of the city in which the contributing firemen serve.

However, no person is eligible to membership in the fund who has reached his thirtieth birthday at the time he enters service as a fireman and any person who enters service as a fireman may be denied or excused from membership in the fund if the Board of Trustees of the fund determines that he is not of sound health. (e) The severance benefit of a fireman who subsequently terminates his employment before he is eligible for retirement shall be an amount equal to the sum total of his monthly contributions made while a participating member of the Firemen's Relief and Retirement Fund. If the member's employment is terminated by death before retirement and he leaves no surviving beneficiary entitled to pension benefits, his estate shall receive his contributions without interest.

(f) The provisions stated herein shall apply to all active full-time members of the fire department at the time of the final passage of this Act and those persons who shall become members of the fire department at any time in the future.

(g) When, in the opinion of the Board of Trustees, there is on hand in the Firemen's Relief and Retirement Fund of any city under this Act a surplus over and above a reasonable and safe amount to take care of the current demands upon such fund, such surplus, or so much of it as in the judgment of said board is deemed safe, may be invested in federal, state, county, or municipal bonds, and in shares or share accounts of savings and loan associations, where such shares or share accounts are insured under and by virtue of the Federal Savings and Loan Insurance Corporation, and in such securities in which the State Permanent School Fund of Texas or the Permanent University Fund of The University of Texas may be invested under present laws, and may also invest in notes and other evidence of debt secured by mortgages insured or guaranteed by the Federal Housing Administration under the provisions of the National Housing Act, and the interest or dividends therefrom and thereon shall be deposited into such fund as a part thereof.

(h) The mayor shall appoint an investment advisory committee consisting of not less than three (3) nor more than five (5) qualified persons to be selected from the personnel of the banks of the city. Such appointees shall be experienced in the handling of such securities and investment matters and shall serve for a two (2) year term. The purpose of this committee shall be to advise and make recommendations on investment procedure and policy, and to review the investments made by the board. From such reviews and observations the committee shall make an annual report to the Board of Pension Fund Trustees of such city within ninety (90) days after the end of each calendar year. Added Acts 1963, 58th Leg., p. 25, ch. 19, § 1, as amended Acts 1965, 59th Leg., p. 20, ch. 10, § 3, emerg. eff. March 1, 1965.

The applicant shall pay the cost of any physical examination required in such instance by the Board of Trustees. As amended Acts 1965, 59th Leg., p. 55, ch. 20, § 4, emerg. eff. March 16, 1965.
Sec. 12A. (a) If a member of any fire department in any city having a population of nine hundred thousand (900,000) or more according to the last preceding Federal Census, which city is now within or may hereafter come within the provisions of this Act, who has been retired on allowance because of length of service or disability, shall thereafter die from any cause whatsoever or if while in service, any member shall die from any cause growing out of and/or in consequence of the performance of his duty, or shall die from any cause whatsoever after he has become entitled to an allowance or pension certificate, and if such fireman shall leave surviving a widow, a child or children under the age of eighteen (18) years or a dependent parent or parents, said Board of Trustees shall order paid a monthly allowance which shall be based, as hereinafter provided, upon the amount which such fireman would have been entitled to receive had he continued to live and be retired on allowance at the date of his death. The allowance or allowances provided hereby shall be paid as follows:

(1) If such member shall die and shall leave surviving him both a widow who married such member prior to his retirement and a child or children of such member under the age of eighteen (18) years, said Board of Trustees shall order paid to the widow, so long as she remains the widow of such member, a monthly pension allowance equal to one-half ($\frac{1}{2}$) of said amount such member would have been entitled to receive; and in addition thereto the Board of Trustees shall order paid to such widow or other person having the care and custody of such child or children under the age of eighteen (18) years a monthly pension allowance, for the use and benefit of such child or children, equal to the amount hereinaabove provided for the widow. If such member shall leave no child under the age of eighteen (18) years surviving him or if at any time after the death of such member no child is entitled to allowance, then the monthly pension allowance to be paid such widow, so long as she remains a widow, shall equal the full amount such member would have been entitled to receive, provided, however, that such allowance to a widow, as herein provided if no child is entitled to allowance, shall not exceed one-half ($\frac{1}{2}$) of the maximum base salary provided for the position of pipeman at the time of the death of such member.

(2) If such member shall die and if his widow dies after being entitled to her allowance as herein provided, or in the event there be no widow to receive an allowance, then the amount of the monthly pension allowance to be paid, for the use and benefit of the child or children under the age of eighteen (18) years, to the person having the care and custody of such child or children shall be computed as follows: an amount equal to one-half ($\frac{1}{2}$) of said amount such member would have been entitled to receive shall be paid for each of such member's children under the age of eighteen (18) years, provided that the total monthly pension allowance provided hereby for children shall not exceed said amount which such member would have been entitled to receive, nor shall such allowance for such children exceed one-half ($\frac{1}{2}$) of the maximum base salary provided for the position of pipeman at the time of the death of such member.

(3) If such member shall die and only if no widow or child is entitled to an allowance under the provisions of this Section, a monthly pension allowance equal to one-half ($\frac{1}{2}$) of said amount such member would have been entitled to receive shall be paid to each parent of such deceased member upon proof to the Board of Trustees that
such parent was dependent upon such member immediately prior to the death of such member, provided that the total monthly pension allowance provided hereby for parents shall not exceed one-half ($\frac{1}{2}$) of the maximum base salary provided for the position of pipeman at the time of the death of such member.

(b) Provided further, however, that in no event shall the total of the allowances paid to one (1) member's beneficiaries under the provisions of this Section be less than Eighty Dollars ($80) per month, provided that such minimum shall not be applicable if only one (1) child or only one (1) parent is entitled to an allowance.

(c) Allowance or benefits payable under the provisions of this Section for any minor child shall cease when such child becomes eighteen (18) years of age or marries. As amended Acts 1965, 59th Leg., p. 56, ch. 20, § 5, emerg. eff. March 16, 1965.

In no event shall the widow receive less than the amount she would be entitled to under Sections 6A and 12.

(b) Each child of a deceased member under the age of eighteen (18) is entitled to receive as a monthly pension Twenty Dollars ($20) if there is a surviving widow entitled to a pension, or Forty Dollars ($40) if not. Each child of such deceased retired member under the age of eighteen (18) is entitled to receive as a monthly pension Twenty Dollars ($20) if there is a widow entitled to a pension or Forty Dollars ($40) if not.

(h) Benefits hereunder shall be payable on the first day of each month commencing with the month following the one in which the member's death occurs.

(i) The Board of Trustees shall determine all questions of dependency, and their determination shall be final and conclusive on all parties. All unmarried, legitimate, and legally adopted children under age eighteen (18), in the absence of a determination to the contrary, are considered dependent. Added Acts 1965, 59th Leg., p. 20, ch. 10, § 4, emerg. eff. March 1, 1965.

All moneys.
Art. 6243g  REVISED STATUTES  1098

of every kind and character collected or to be collected for said Fund shall be paid over to said treasurer and shall be administered and paid out only in accordance with the provisions of this Act.

Contributions by members

Sec. 7. Commencing with the first day of the month from the date any city comes under the provisions hereof, each member of the Pension Fund shall pay into such Fund the sum of not less than Ten Dollars ($10) per month, which payments shall be deducted by the city from the salary of each and every member at the rate of Five Dollars ($5) for each semi-monthly or bi-weekly pay check, and paid to the treasurer of said Pension Fund.

Contributions by city

Sec. 8. In addition to the payments provided for in the next preceding Section, such city shall pay monthly into such Pension Fund, from the General or other appropriate Fund, of any such city, an amount equal to one and one-half (1 1/2) the total sum paid into such Fund by salary deductions of members as set out in the next preceding Section.

Increase in contributions

Sec. 9. The payments and/or contributions to be paid into the Pension Fund by the members thereof and such city, may at any time, be increased by ordinance of any such city to an amount not to exceed Seven Dollars and Fifty Cents ($7.50) for each pay period at the rate of Seven Dollars and Fifty Cents ($7.50) for each semi-monthly or bi-weekly payroll, payable by each member, and one and one-half (1 1/2) times the amount payable by each member by the city, which payments shall be made in the same manner as provided in Sections 7 and 8 respectively of this Act, it being the intention hereof that such city shall contribute to such Pension Fund an amount equal to one and one-half (1 1/2) the amounts paid by each member thereto, but no more.

Surplus: investment

Sec. 10. Whenever, in the opinion of the said Pension Board, there is on hand in said Pension Fund a surplus over and above a reasonably safe amount to take care of current demands upon such Funds, such surplus, or so much thereof as in the judgment of the said Pension Board is deemed proper, may be invested in bonds or other interest bearing obligations and securities of the United States, the State of Texas, or any county, city or other political subdivision of the State of Texas, or in first lien real estate mortgage securities insured by the Federal Housing Administration under the National Housing Act of the United States, as amended from time to time, and in such corporation bonds, preferred stocks and common stocks as the Pension Board may deem to be proper investments for said Funds. In making each and all of such investments said Pension Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs not in regard to speculation but in regard to the permanent disposition of their funds, considering the safety of their capital; provided, however, that not more than fifty percent (50%) of said Funds shall be invested at any given time in corporate stocks, nor shall investments in securities issued by any one (1) corporation be more than five percent (5%) of this Fund, nor shall more than five percent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which,
except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. The Board shall have authority to buy and sell any of its authorized investments.

Retirement on pension

Sec. 11. (a) Any member of such Pension System who has been in the service of the city for the period of twenty (20) years and has attained fifty-five (55) years of age shall be entitled to a retirement pension of One Hundred Twenty Dollars ($120) per month for the rest of his life, upon his retirement from the service of said city. Upon the completion of said twenty (20) years of service and attaining fifty-five (55) years of age, such Pension Board shall issue to said member a certificate showing that he is entitled to said Retirement Pension and thereafter when such member retires, whether such retirement be voluntary or involuntary, such monthly payment shall begin forthwith and continue for the remainder of said member's life. Upon the date of any member's retirement for any reason, if he shall have served in excess of twenty (20) years, he shall, in addition to the said sum of One Hundred Twenty Dollars ($120) receive an additional sum of Six Dollars ($6) per month for each additional year served in excess of twenty (20) years. Provided, that where any member of any such System has completed ten (10) years service with such city and shall thereafter attain sixty (60) years of age, he may, at his option, retire and, upon retirement, shall receive a monthly Pension which shall be calculated on the pro rata basis that his term of service bears to the full term of twenty (20) years.

(b) If a member upon reaching the age of seventy (70) years does not retire from the service of the city, he shall not accrue any additional benefits, nor shall he make any further contributions into the Fund nor shall the city make any further contributions in his behalf. When a member retires after age seventy (70), his pension benefits shall be computed from his years of service at the time he reached the age of seventy (70).

Disability pensions

Sec. 12. If any member has completed ten (10) years, but less than twenty (20) years service with the city; and shall thereafter become totally and permanently disabled for any reason whatsoever, he shall be retired on a monthly pension which shall be calculated on the pro rata basis that his term of service bears to the full term of twenty (20) years. If any member has completed twenty (20) years service with the city and thereafter becomes totally and permanently disabled for any reason whatsoever, he shall be retired on the full One Hundred Twenty Dollars ($120) per month pension, plus any bonus accrued for additional service as provided in Section 11 above.

If any member has completed less than ten (10) years service and becomes totally and permanently disabled as a result of the performance of his duties, or as a consequence of such performance, he shall be retired on a monthly pension of Sixty Dollars ($60) per month.

By total and permanent disability is meant such disability as permanently incapacitates a member from performing the usual and customary duties which he has been performing for such city.

Before any disability pension is allowed, the Pension Board shall require such medical examination and such other evidence as it may see fit to establish such total and permanent disability, as above provided. If any member is eligible for retirement under Section 11 hereof, he shall not be retired on disability pension. The Board's decision shall be final.
When any member has been retired for total and permanent disability, he shall be subject at all times to re-examination by the Pension Board and shall submit himself to such further examination as the Pension Board may require. If any member shall refuse to submit himself to any such examination, the Pension Board may, within its discretion, order said payments stopped. If a member who has been retired under the provisions of this Section should thereafter recover so that in the opinion of the Pension Board he is able to perform the usual and customary duties formerly handled by him for said city, and such member is reinstated or tendered reinstatement to the position he had at the time of his retirement, then the Pension Board shall order such pension payments stopped.

**Monthly allowance to widows and children**

Sec. 13. If any member of the Pension System, as herein defined, shall die from any cause whatsoever after having completed ten (10) years of service with the city, or if, while in the service of the city, any member shall die from any cause growing out of or in consequence of the performance of his duty, or shall die after he has been retired on pension because of length of service or disability and shall leave a surviving widow or widower and/or a child or children under the age of eighteen (18) years, said Board shall order paid a monthly allowance as follows:

(a) To the widow or widower, so long as she or he remains a single person and provided she or he shall have married such member prior to his or her retirement, a sum equal to one-half (½) of the retirement benefits that the deceased member would have been entitled to had he or she been totally and permanently disabled at the time of his or her retirement or death.

(b) To the guardian of each child the sum of Twelve Dollars ($12) per month until such child reaches the age of eighteen (18) years.

(c) In the event the widow or widower dies after being entitled to her or his allowance as provided, or in the event there be no widow or widower to receive such allowance, the amount to be paid to the guardian of any child or children under the age of eighteen (18) years shall be increased to the sum of Twenty-Four Dollars ($24) per month for each such child; provided, however, that the total allowance to be paid all beneficiaries or dependents; as herein provided, shall not exceed the monthly pension to be paid the pensioner had he continued to live or be retired on pension at the date of his death. Allowances or benefits payable to any minor child shall cease when such child becomes eighteen (18) years of age or marries. By the term 'guardian,' as used herein shall be meant the surviving widow or widower, or any guardian appointed by law, or the person standing in loco parentis to such dependent minor child responsible for his or her care and upbringing.

**Refund of contributions**

Sec. 14. If any member's employment by the city is terminated for other than total and permanent disability arising as a result of or as a consequence of the performance of his duties prior to his having completed ten (10) years of service with the city, he shall not be paid any pension whatsoever, but he shall receive the amount paid by him into the Pension Fund by way of salary deduction without interest as provided in Section 16 of this Act. In the event of his death, if there are no widow or children to receive the allowance provided for the Section 13 above, his beneficiary, and if none, his estate shall receive the said amount.
Computing period of service

Sec. 15. In computing the years of service required for retirement pension, interruption of less than three (3) months out of service shall be construed as continuous service without any deduction therefor; provided that the member shall pay into the Pension Fund all monthly contributions for the months out of service, but if out of service for more than three (3) months and less than ten (10) years, credit shall be given for prior service, but deduction shall be made for the length of time out of service. If out of service more than ten (10) years, no service prior to said time shall be counted. Any member's contribution to the Pension Fund based at one-half ($1/2$) regular rate shall be computed on the basis of one-half ($1/2$) service credit.

Termination of employment; death; re-employment

Sec. 16. When any member of such Pension System shall leave the employment of such city, either voluntarily or involuntarily, before becoming eligible for a retirement or disability pension, he shall thereupon cease to be a member of such Pension System, and shall have refunded to him all of the payments made by him into said Pension Fund by way of salary deductions without interest, provided, that if such member leaving the employment of the city has completed twenty (20) years, or more, of service with the city prior to becoming fifty-five (55) years of age, he may, at his option, allow his prior payments to remain in the Pension Fund until he becomes fifty-five (55) years of age, whereupon he shall be entitled to a retirement pension for life for such amount as he had earned at the time of leaving the employment of the city; or if, while still employed by the city, whether eligible for a pension or not, a member dies and leaves no survivors as is provided for in Section 13 hereof, his designated beneficiary, if any, and if none, his estate, shall be entitled to said refund; further provided, it is not the intention of this Amendatory Act to change the status of any former member of the Pension System whose services with the city were terminated under a previous Act.

It is contemplated that said sum shall be paid such departing member, his beneficiary or estate in a lump sum, but if, in the opinion of the Pension Board, the funds on hand are too low to justify such lump sum payment, said payment shall be refunded on a monthly basis in such amounts as may be determined by the Pension Board.

When a member has left the service of such city, as aforesaid, and has therefore ceased to be a member of such Pension System, if such person shall thereafter be re-employed by the city, he shall thereupon be reinstated as a member of such Pension System, provided he is in good physical and mental condition as evidenced by a written certificate executed under oath by a duly licensed and practicing physician residing in said city, satisfactory to the Pension Board. Prior service of such member with such city shall not be counted toward his retirement pension unless such member returns to the service of the city within ten (10) years from his separation therefrom, and also shall, within three (3) months after his re-employment by the city, repay in one lump sum to such Pension Fund all monies withdrawn by him upon his separation from the service plus interest thereon at the rate of six percent (6%) per annum from the date of such withdrawal.

Reduction of benefits; dissolution of system

Sec. 17. In the event said Pension Fund becomes seriously depleted in the opinion of the Pension Board, said Pension Board may proportionately and temporarily reduce the benefits of all pensioners
Art. 6243g  
REVISED STATUTES 1102

and beneficiaries, but such reductions shall thereafter be paid to such pensioners and beneficiaries, as and when said Fund is, in the opinion of the Pension Board, sufficiently re-established to do so. Should the reserve and surplus in the Pension Fund become exhausted and, at such time, the outgo of the Pension Fund exceeds the income thereto, then, in such event, the governing body of the city shall have the right, by ordinance duly passed, to dissolve the Pension System and require liquidation thereof without any liability to the city whatsoever.

Any member or survivor receiving a retirement pension may at his option, receive any smaller retirement pension after properly requesting same in writing to the Pension Board.

Legal services

Sec. 18. The City Attorney of such city shall handle all legal matters for the Pension System which are referred to him by the Pension Board or city without additional compensation therefor. The Pension Board may, however, if it deems necessary, employ outside legal advice to the exclusion of, or to assist, the City Attorney, and pay reasonable compensation therefor out of said Pension Fund.

Actuary

Sec. 19. Such Pension Board may, at its discretion, from time to time, employ an actuary which cost shall be paid for by the city. The governing body of the city may require that an actuarial study, survey and report be made of such Pension System not more than once every five (5) years.

Exemption from execution, attachment or other writ

Sec. 20. No portion of any such Pension Fund, either before or after its order of disbursement by said Pension Board, and no amounts due or to become due any beneficiary or pensioner, under this Act, shall ever be held, seized, taken, subjected to, detained, or levied upon by virtue of any execution, attachment, garnishment, injunction, or other writ, and no order or decree, or any process or proceeding whatsoever, shall issue out of or by any court of this state for the payment or satisfaction in whole or in part out of said Pension Fund, of any debt, damage, claim, demand, or judgment against any such members, pensioners, dependents, or any person whomsoever, nor shall such Pension Fund or any part thereof, or any claim thereto, be directly or indirectly assigned or transferred and any attempt to transfer or assign the same or any part thereof; or any claim thereto, shall be void. Said Fund shall be sacredly held, kept, and disbursed for the purposes provided by this Act, and for no other purpose whatsoever.

Members in military service

Sec. 21. Members of the Pension System engaged in active military service shall not be required to make the monthly payments into the Pension Fund provided for in this Act, nor shall they lose any previous years of service with the city caused by such military service. Furthermore, the city shall not be required to make any monthly payments into the Pension Fund on such member while he is engaged in the military service. Any member who engages in active military service shall, if he returns to employment by the city within three (3) months after termination of such service, receive credit for his time in such service and shall immediately at the beginning of his first full pay period begin repaying to the Pension Fund the equivalent of all monthly contributions for the total of the number of months elapsed since he went into such service, such repayment to be completed within twenty-four (24) months of re-employment, and the city shall pay into the

Employment on retirement when act enacted

Sec. 22. Subject to the provisions of Section 17, any former employee of any city now on retirement by such city shall hereafter be paid at the same rate he is now receiving and it is not the intention of this Act to change the status of any member now on pension by such city.

Cities with pension provisions in their charter

Sec. 23. The terms of this Act shall not apply to any city operating a municipal employees pension program under the terms and provisions of their charter. As amended Acts 1965, 59th Leg., p. 246, ch. 107, § 1, emerg. eff. May 3, 1965.

Such member may, within one year from the date of issuance or modification of such certificate, request the Board to modify or change his prior-service certificate, otherwise such certificate shall be final and conclusive for retirement purposes as to such service.

Treasurer

Sec. 5. The city treasurer or director of the treasury is hereby designated as the treasurer of the Pension Fund for the Police Officers’ Pension System, and his official bond to the city shall operate to cover his position as treasurer of such Pension Fund and his sureties shall be liable in connection with the treasurer’s actions pertaining to such Fund as fully as they are liable under the term of the bond for the other actions and conduct of the treasurer. All moneys of every kind and character collected or to be collected for the Fund shall be paid over to the treasurer and shall be administered and paid out only in accordance with the provisions of this Act.

Contributions by members

Sec. 6. Commencing with the first of the month following the expiration of thirty (30) days after the passage of this Act or after the date of publication of the final census report which shows that the city has attained a population of nine hundred thousand (900,000) or more inhabitants, each member of the Pension Fund shall pay into such Fund each month, the sum of five per cent (5%) of the base salary provided for the classified position in the police department held by the member. Such payments shall be deducted by the city from the salary of each member monthly and paid to the treasurer of the Pension Fund. Should an emergency arise and the Pension Board deem it necessary for the welfare of the Pension System, the Board may raise the monthly payments of each member of the Pension System to an amount not to exceed seven and one-half per cent (7½%) of the base salary provided for the classified position in the police department held by the member.
Monthly payment by city

Sec. 7. In addition to the payments in the next preceding Section, the City shall pay monthly into the Pension Fund, from the general or other appropriate fund of the City, an amount equal to seven and one-half per cent (7½%) of the payroll of the police department. However, should the Police Pension Board deem it necessary for the welfare of the Pension System to increase the contributions of each member of the Police Pension System within the statutory limits of Section 6 of this Act, then the contribution made to the Police Pension System by the City shall, with the approval of the City Council, be increased by one and one-half (1½) times the percentage increase in contribution of the members. As an example: If contributing members are assessed at a six per cent (6%) contribution rate, then the City shall, by appropriate Council action, raise its contribution to nine per cent (9%) of the payroll of the police department. However, in no event shall the City be required to pay into such Pension Fund any amount in excess of eleven and one-quarter per cent (11¼%) of the payroll of the police department as the City's contribution to the Pension Fund, nor shall the City be required to raise its rate of contribution before the next budget year following the effective date of this Act.

Reduction of benefits

Sec. 8. In the event the Pension Fund becomes seriously depleted, in the opinion of the Pension Board, the Pension Board may proportionately and temporarily reduce the benefits of all pensioners and beneficiaries, but such reductions shall thereafter be paid to such pensioners and beneficiaries as and when the Fund is, in the opinion of the Pension Board, sufficiently re-established to do so.

Investment of surplus

Sec. 9. Whenever in the opinion of the said Pension Board, there is on hand in said Pension Fund a surplus over and above a reasonably safe amount to take care of current demands upon such funds, such surplus, or so much thereof as in the judgment of the said Pension Board is deemed proper, may be invested in bonds or other interest-bearing obligations and securities of the United States, the State of Texas, or any county, city or other political subdivision of the State of Texas, or in first lien real estate mortgage securities insured by the Federal Housing Administration under the National Housing Act of the United States, as amended from time to time and in such corporation bonds, preferred stocks and common stocks as the Pension Board may deem to be proper investments for said funds. The funds may also be invested in a sum not to exceed ten per cent (10%) with a Federal credit union restricted to employees of the city. In making each and all such investments, such Pension Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital; provided, however, that not more than fifty per cent (50%) of said funds shall be invested at any given time in corporate stocks and bonds, nor shall more than five per cent (5%) of said funds be invested in securities issued by any one (1) corporation, nor more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase, and which, except for bank stocks and insurance stocks, are listed...
Investment review committee

Sec. 9a. The Mayor shall appoint an Investment Review Committee, consisting of three (3) qualified persons to be selected from the Trust Departments of the banks of the City of Houston, Texas. Such persons shall be experienced in securities and investment matters. The Investment Review Committee shall be appointed for a two-year term. Such Committee shall (a) review the investments of the Fund to determine their suitability and desirability for the Fund; (b) review the investment procedures and policies pursued by the Board in the administration of the Fund; and (c) submit an annual report of its findings and recommendations to the Pension Board of the Houston Police Officers' Pension System and the Mayor of the city within ninety (90) days after the end of each calendar year.

Transfer of existing pension fund

Sec. 10. Immediately upon passage of this Act, the city pension officer or anyone discharging the duties of the pension officer shall transfer the pro rata share of any existing pension fund to the Police Officers' Pension Fund.

Retirement; amount of pension

Sec. 11. (a) From and after the passage of this Act, any member of such Pension System who has been in the service of the city police department for the period of twenty (20) years shall be entitled to a retirement pension of an amount equal to thirty per cent (30%) of the base salary provided for the classified position in the police department held by the member, provided that if the member has not held the same classified position for five (5) years prior to the date of retirement, the retirement pension shall be based on the average monthly base salary of the member for the five (5) years preceding retirement.

(b) From and after the passage of this Act, any member of such Pension System who has been in the service of the city police department for a period of years in excess of twenty (20) years, and who elects to retire from the service of the police department, shall in addition to the thirty per cent (30%) of his base salary be paid an additional sum equal to one per cent (1%) of his base salary per month for each year of service in the police department in excess of twenty (20) years. For example, a member with twenty-five (25) years' service would be entitled to thirty-five per cent (35%); a member with thirty (30) years, forty per cent (40%); etc.

(c) It shall be compulsory for any member to retire from the service of the police department upon attaining the age of sixty-five (65) years. Failure of any member of the Pension System to comply with this provision shall deprive the member and his dependents of any of the benefits provided for herein. If at the time of retirement because of maximum age requirements, the member has completed less than twenty (20) years of service, his monthly retirement pension shall be prorated on the basis of one and one-half per cent (1 1/2%) of the base salary of the position of the member per month for each year of service completed.

(d) Upon a member's completion of twenty (20) years of service in the police department, the Pension Board shall issue to the member a certificate showing that he is entitled to the retirement pension. Thereafter when such member retires, whether such retirement be voluntary or involuntary, such monthly payment shall begin forthwith and continue for the remainder of the member's life. However, when such member has
Art. 6243g-l  REVISED STATUTES

completed twenty (20) years service in the police department and if the physicians of the Pension Board agree that the member is physically fit to continue his active duties in the police department, they may so certify, and the member may continue in the service of the city police department until the member attains the age of sixty-five (65) years, at which time his retirement pension shall be computed as hereinbefore stated.

(e) No member shall be required to make any payments into the Pension Fund after the member has received the aforesaid certificate and the member has retired from the service of the police department.

Disability benefits

Sec. 12. Any member of the police department who becomes incapacitated for the performance of his duty by reason of any bodily injury received in, or illness caused by, the performance of his duty shall, upon presentation to the Pension Board of proof of permanent disability, be retired and shall receive a retirement allowance equal to the percentage of his disability. Such allowance shall be computed on the same basis as a service retirement with regard to length of service; for example, if the member is fifty per cent (50%) disabled he shall receive one-half (½) the retirement allowance granted a member as a service retirement for the period of service he has completed, provided that in case of a disability retirement before the member has completed twenty (20) years of service, he shall receive an allowance based on the minimum allowed for twenty (20) years' service. Such allowance as is granted by the Pension Board shall be paid the member for the remainder of his life or so long as he remains incapacitated. When any member has been retired for permanent, total or partial disability, he shall be subject at all times to re-examination by the Pension Board and shall submit himself to such further examination as the Pension Board may require. If any member refuses to submit himself to any such examination, the Pension Board may, within its discretion, order the payments stopped. If a member who has been retired under the provisions of this Section should thereafter recover, so that in the opinion of the Pension Board he is able to perform the usual and customary duties formerly handled by him for the city in the police department, and such member is reinstated or tendered reinstatement to the position he held at the time of his retirement, then the Pension Board shall order such payment stopped. No person shall be retired either for total or partial disability unless he files with the Pension Board an application for allowance, at which time the Pension Board shall have him examined by no fewer than three (3) physicians, to be chosen by the Pension Board and who are to make their report to the Pension Board.

Rights of survivors

Sec. 13. (a) If any member of the police department who has been retired on allowance because of length of service or disability thereafter dies from any cause whatsoever, or dies from any cause whatsoever after he has become entitled to an allowance or pension certificate, or if while in service any member dies from any cause growing out of or in consequence of the performance of his duty, and leaves surviving a widow, a child or children under the age of eighteen (18) years or a dependent parent, the Board shall order paid a monthly allowance as follows: (a) to the widow, so long as she remains a widow, a sum equal to the allowance which was granted to the member at the time of his retirement or which would have been granted to the member upon service or disability pension based on his length of service in the police department; (b) to the guardian of each child, the sum of Fifteen Dollars ($15) a month until the child reaches the age of eighteen (18) years or marries; (c) to the dependent parent, only in case no widow is entitled to allowance, the sum
the widow would have received, to be paid to but one (1) parent and such
parent to be determined by the Pension Board; and (d) in the event the
widow dies after being entitled to her allowance, or in the event there
be no widow or dependent parent to receive such allowance, then the
amount to be paid to the guardian of any dependent minor child or chil-
dren under the age of eighteen (18) years shall be increased to the sum of
Twenty-five Dollars ($25) per month for each dependent child, provided
that such minor child under eighteen (18) years of age is unmarried. Al-
lowance or benefits payable to any minor child shall cease when such child
becomes eighteen (18) years of age or marries.

(b) If any member of the Pension System has not completed ten (10)
years or more years of service in the police department and is killed or
dies from any cause growing out of or in consequence of any act which
is clearly not in the actual performance of his official duty, his surviving
widow and/or dependent child or children shall be refunded any contribu-
tions which the member made to the Pension System, provided that
only contributions made by the member himself shall be refunded.

Computation of length of service

Sec. 14. In computing the length of service required for retire-
ment pension, continuous service shall be required; provided, however,
that in case of interruption of less than two (2) years, credit shall be
given for previous service. If out of service more than two (2) years, no
service prior to the interruption shall be counted, other than as provided
in Section 22.

Termination of employment; re-employment

Sec. 15. When any member of the Pension System leaves the
employment of the police department other than as provided for in
Section 12 or Section 22, either voluntarily or involuntarily, before be-
coming eligible for a retirement or disability pension, he shall cease
to be a member of the Pension System. No member leaving the employ-
ment of the police department and the membership in the Pension Sys-
tem shall be refunded any money paid by the member into the System
as contributions or any of the moneys paid into the System by any source
except as stated in Section 13 (b) and in Section 22. If such person is
thereafter re-employed by the city police department, he shall there-
upon be reinstated as a member of such Pension System provided he is
in good physical and mental condition as evidenced by a written cer-
tificate executed under oath by a duly licensed and practicing physician
or physicians in the city, satisfactory to the Pension Board. Prior service
of such member with the city police department shall not be counted
toward his retirement pension unless such member returns to the service
within two (2) years from his separation therefrom and makes within
six (6) months after his re-employment by the city in the police de-
partment written application to the Pension Board for reinstatement
in the Pension System.

Transfer from another department

Sec. 16. No prior credit shall be allowed for service to any per-
son who transfers from some other department in the city to the
police department. For example, if one is transferred from some other
department of the city to the city police department, such person's
service will be computed from the day he enters the city police de-
partment.

Donations

Sec. 17. The Police Officers' Pension System may accept gifts
and donations, and such gifts and donations shall be added to the Pen-
sion Fund for the use of such system.
Conviction of felony

Sec. 18. Whenever any person who has been granted an allowance hereunder is convicted of a felony, then the Board shall order the allowance so granted or allowed such person discontinued, and in lieu thereof shall order to be paid to his wife or dependent child, children, or dependent parent the amount herein provided to be paid such dependent or dependents in case of the death of the person so originally granted or entitled to allowance.

Legal advice

Sec. 19. The city attorney of the city shall handle all legal matters for the Pension System which are referred to him by the Pension Board or city without additional compensation therefor. The Pension Board may, however, if it deems necessary, employ outside advice to the exclusion of, or to assist, the city attorney, and pay reasonable compensation therefor out of the Pension Fund.

Exemption of benefits from execution, etc.; assignment

Sec. 20. No portion of the Pension Fund, either before or after its order of disbursement by the Pension Board, and no amounts due or to become due any beneficiary or pensioner under this Act, shall be held, seized, taken, subjected to, detained, or levied upon by virtue of any execution, attachment, garnishment, injunction, or other writ, and no order or decree, and no process or proceedings whatsoever, shall issue out of or by any court of this State for the payment or satisfaction, in whole or in part, out of the Pension Fund, of any debt, damage, claim, demand, or judgment against any members, pensioners, dependents, or any person whomsoever, nor shall such pension funds or any part thereof or any claim thereto, be directly or indirectly assigned or transferred. Any attempt to transfer or assign the same or any part thereof or any claim thereto shall be void. The Pension Fund shall be sacredly held, kept, and disbursed for the purposes provided in this Act, and for no other purpose whatsoever.

Actuary

Sec. 21. Such Pension Board may employ an actuary and pay his compensation therefor out of the Pension Fund no more than once every ten (10) years.

Members in military service

Sec. 22. Members of the Pension System engaged in active military service shall not be required to make the monthly payments into the Pension Fund provided for in this Act, nor shall they lose any previous years' service with the city caused by such military service. Such military service shall count as continuous service in the police department provided that when the member is discharged from the military service, he shall return to the city police department under provisions of the city charter, and his military service shall not exceed the national emergency for that period of military service. The city, however, shall be required to make its regular monthly payments into the Pension Fund on each member while he is engaged in the military service. In the event of death of a member of the Pension System, either directly or indirectly caused from such military service, his widow or dependent parent or other dependents shall be entitled to receive a refund as stated in Section 13(b).

Actions for funds misapplied, etc.

Sec. 23. The Pension Board shall have the power and authority to recover by civil action from any offending party, or from his bonds-
man, if any, any moneys paid out or obtained from the Pension Fund through fraud, misrepresentation, theft, embezzlement, or misapplication, and may institute, conduct and maintain such action in the name of the Board for the use and benefit of such funds.

**Former employees on retirement when act enacted**

Sec. 24. The former employees of any such police department now on retirement shall hereafter be paid a monthly pension out of the Pension Fund provided for herein in the same amount and under the same conditions as are provided herein for present and future employees of the Police Department becoming members of the Pension System. Re-enacted and amended Acts 1963, 58th Leg., p. 1262, ch. 485, as amended Acts 1965, 59th Leg., p. 640, ch. 315, § 1.

Such reduction in the rate of contribution may be made effective at the beginning of a designated calendar month, provided that the election above required shall have been held and such ordinance shall have been adopted at least ninety (90) days before the date fixed for reduction of contributions, and provided that written notice of such reduction shall have been given to the Director at least sixty (60) days before the date on which such reduction is to be made effective. As amended Acts 1965, 59th Leg., p. 1571, ch. 682, § 1, emerg. eff. June 18, 1965.

2. Method of financing

Sec. V.

8. Expense Fund:

"The Expense Fund shall be the Fund from which the expenses of administration and maintenance of the System shall be paid. Transfers to and payments from this Fund shall be made as follows:

(a) The Director shall prepare annually an itemized budget showing the amount required to defray the expenses for the ensuing fiscal year and shall submit the report to the Board for its review, amendment and adoption.

(b) The amount estimated to be required to meet the expenses of the System shall be paid from the interest reserve account of the Endowment Fund to the extent available. The Board, as evidenced by a resolution of the Board recorded in its minutes, may transfer to the Expense Fund the amount required to cover the expenses as estimated for the year.

(c) If the amount estimated to be required to meet said expenses of the system is in excess of the amount in the interest reserve account of the Endowment Fund, the Board, by a resolution recorded in its minutes, shall assess the estimated additional amount against the participating municipalities in proportion to the number of members as provided in Section IV of this Act. As amended Acts 1965, 59th Leg., p. 1571, ch. 682, § 4, emerg. eff. June 18, 1965.

Optional provision for increased current service annuities

Sec. XIV. Any participating municipality electing to do so may provide for an increased current service annuity reserve at retirement of employees of such municipality, upon the following terms and conditions:

1. The council by ordinance may provide that for each month of current service thereafter rendered by its participating employees, the city will contribute out of its account in the Municipality Current Service Accumulation Fund to the current service annuity reserve of each such member if he retires and at the time of his retirement a sum that is either (at the option of the employing municipality) one hundred fifty per centum (150%) of the accumulated deposits of the member for such month of employment, or two hundred per centum (200%) of the member's accumulated deposits for such month.

2. In the event an employing municipality elects to contribute toward a current service annuity for its employees at the increased rate above provided, the current service annuity reserve of each such employee-member at his retirement (whether for service or for disability) shall consist of:

(a) The accumulated deposits credited to his account in the Employee's Saving Fund at the time of his retirement, which deposits shall be transferred at such time to the Current Service Annuity Reserve Fund; and

(b) An additional sum which shall be the aggregate of the following: (i) an amount equal to the accumulated deposits made by the member during each month of current service in which the participating municipality for which such service was rendered has undertaken to match such deposits on an equal basis; plus (ii) an amount one and one-half
times the member's accumulated deposits arising out of periods of employment during which the employing participating municipality had elected to contribute at one hundred fifty per centum (150%) of the deposits made by the employee-member; plus (iii) an amount twice the member's accumulated deposits arising out of periods of employment during which the employing participating municipality had elected to contribute as above provided on a basis of two hundred per centum (200%) of the deposits made by the employee-member.

Upon retirement of any such employee-member, such aggregate sum shall be transferred from the Municipality Current Service Accumulation Fund into the Current Service Annuity Reserve Fund, and the account of the affected participating municipality in the Municipality Current Service Accumulation Fund shall be reduced by the amount so transferred; if the accumulated deposits of the member arose from service rendered in more than one participating municipality, the accounts of the affected participating municipalities in the Municipality Current Service Accumulation Fund shall be reduced by the respective amounts chargeable to such participating municipalities.

3. The current service annuity of any member affected by this section shall mean the annuity, actuarially determined of the total of his own transferred deposits, and those transferred out of the Municipality Current Service Accumulation Fund on account of his service.

4. In the event any participating municipality elects to provide for the greater current service annuities herein authorized, it shall make normal contributions monthly to the System in the manner prescribed by Paragraph (b), Subsection 2 of Section IV hereof, but as to such municipality the term 'present and prospective liabilities' shall include the liabilities defined in Section IV hereof and the additional amounts arising out of its undertaking to contribute (at retirement) one hundred fifty per centum (150%) and two hundred per centum (200%) of its members' accumulated deposits for the periods designated by the municipality.

5. Any participating municipality which has elected for any year to contribute (at retirement) one hundred fifty per centum (150%) of its members' accumulated deposits arising from service during such period, shall be liable for total contributions at a rate per centum of earnings which shall not exceed two per centum (2%) more than the otherwise applicable maximum rate prescribed by Paragraph (a), Subsection 2 of Section IV hereof, and for any year in which the municipality has elected for any year to contribute (at retirement) two hundred per centum (200%) of its members' accumulated deposits arising from service during such year, the municipality shall be liable for total contributions at a rate per centum of earnings which shall not exceed four per centum (4%) more than the otherwise applicable maximum rate prescribed by Paragraph (a) of Subsection 2 of Section IV.

Sec. 22. Authority of Department to suspend or revoke a license

(a) When under Section 10 of this Act the Director believes the licensee to be incapable of safely operating a motor vehicle, the Director may notify said licensee of such fact and summons him to appear for hearing as provided hereinafter. Such hearing shall be had not less than ten (10) days after notification to the licensee or operator under any of the provisions of this Section, and upon charges in writing a copy of which shall be given to said operator or licensee not less than ten (10) days before said hearing. For the purpose of hearing such cases jurisdiction is vested in the mayor of the city, or judge of the police court, or a justice of the peace in the county or subdivision thereof where the operator or licensee resides. Such court may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relative books and papers. It shall be the duty of the court to set the matter for hearing upon ten (10) days' written notice to the Department. Upon such hearing, the issues to be determined are whether the license shall be suspended or whether the license shall be revoked, and, in the event of a suspension, the length of time of the suspension, which shall not exceed one (1) year. The officer who presides at such hearing shall report the finding to the Department which shall have authority to suspend the license for the length of time reported; provided, however, that in the event of such affirmative finding, the licensee may appeal to the county court of the county wherein the hearing was held, said appeal to be tried de novo. Under no circumstances shall the substantial evidence rule as interpreted and applied by the courts of Texas in other cases ever be used or applied to appeals prosecuted under the provisions of this Act. The Legislature hereby specifically declares that the provisions of this Section shall not be severable from the balance of this Act, and further specifically declares that this Act would not have been passed without the inclusion of this Section. If this Section, or any part thereof, is for any reason ever held by any court to be invalid, unconstitutional or inoperative in any way, such holding shall apply to this entire Act, and in such event this entire Act shall be null, void and of no force and effect. Any such licensee as may bring suit to vacate and set aside such ruling and decision shall send a copy
thereof, certified to by the clerk of said court, to the Department by registered mail. "Sec. 2. This Act shall be in force and in effect from and after September 1, 1965.

"Sec. 3. All laws in conflict herewith are repealed to the extent of such conflict. The provisions of this Act shall take precedence over those provisions in Section 15, Chapter 173, Acts of the Forty-seventh Legislature, Regular Session, 1941, as amended (codified as Article 6687b, Vernon's Texas Civil Statutes), only insofar as they relate to the Operator's and Chauffeur's License Fund."

(2) Every person, before commencing business as a distributor of tobacco products, and at such other time as the Comptroller or his duly appointed agent shall prescribe or direct, shall make application for the permit provided for in this Article. The application shall be in such form as the Comptroller or his duly appointed agent shall prescribe and shall set forth truthfully and accurately all of the information called for on and by the form. The Comptroller or his duly appointed agent may require upon or supplementary to such application all information pertaining to the applicant's financial standing, business experience, trade connections, previous business affiliation, prior employment, prior convictions for felonies and any and all other information, without regard to the rule of ejusdem generis, which he may deem necessary to determine whether the applicant is entitled to a permit provided that in the case of applicants which are corporations, associations, joint ventures, syndicates, partnerships, proprietorships or other similar entities all such information enumerated above may be required as to each officer, director, 10 per cent or more stockholder, partner, member, owner and managing employee or employees. Such application may be rejected and the permit denied if the Comptroller or his duly appointed agent after notice and opportunity for hearing finds that:

(a) The premises on which it is proposed to conduct the business are not adequate to protect the revenue; or

(b) The applicant or managing employee (including, in the case of a corporation, any officer, director, manager or any stockholder who holds directly or through family or partner relationship 10 per cent or more of the stock of such corporation and, in the case of a partnership, a partner or manager) is, by reason of his business experience, financial standing, trade connections, previous business affiliation, including prior employment, or prior conviction of a felony not likely to maintain operations in compliance with this Chapter, or has failed to disclose any material information required or made any material false statement in the application therefor.
Art. 7.09

REVISED STATUTES

(3) If the Comptroller or his duly appointed agent has reason to believe any person holding a permit has not in good faith complied with the provisions of this Article or rules and regulations or with any other provision of this Chapter involving intent to defraud, or has violated the conditions upon which such permit was issued, or has failed to maintain his premises in such manner as to protect the revenue or has failed to notify the Comptroller or his duly appointed agent of any change in the business affecting ownership, control or operation thereof, the Comptroller or his duly appointed agent shall issue an order stating the facts charged, citing such person to show cause why his permit should not be suspended or revoked.

(4) If after a hearing the Comptroller or his duly appointed agent finds that such person has not in good faith complied with this Article or rules and regulations or with any other provision of this Chapter involving intent to defraud, has violated the conditions of such permit, has failed to disclose any material information required or made any material false statement in application therefor, or has failed to maintain his premises in such manner as to protect the revenue, or has engaged in any activities which endanger the revenue, such permit shall be suspended for such period as the Comptroller or his duly appointed agent deems proper or shall be revoked.

(5) Applications for permits to conduct business as wholesalers or retail dealers shall be made on forms prescribed by the Comptroller, to be furnished upon written request, failure to furnish which shall be no excuse for the failure to file the same unless an absolute refusal is shown. Said forms shall set forth:

(a) The manner in which such wholesale dealer or retail dealer transacts or intends to transact such business as wholesale dealer or retail dealer;

(b) The principal office, residence and place of business in Texas for which the permit is to apply;

(c) And, if other than an individual, the principal officers or members thereof not to exceed three (3) and their addresses. The Comptroller may require any other information as he may desire in said applications.

(6) No distributor, wholesale dealer or retail dealer shall sell any cigarettes until such application has been filed and the fee prescribed paid for a permit and until such permit is obtained. Said permits shall expire on the last day of February of each year, but may be renewed upon like application and upon payment of another fee in the amount prescribed for the kind of permit desired. An application shall be filed and a permit obtained for each place of business owned or operated by a distributor, wholesale dealer or retail dealer. Provided, however, that any distributor manufacturing, importing, or acquiring in any manner, cigarettes for his own personal use or consumption and not to be disposed of by sale, gift, or otherwise shall not be required to obtain a distributor's permit but shall be required to make the report required herein of a distributor and to comply with all other provisions of this Act affecting a distributor; provided, further, that the Treasurer shall be authorized to sell stamps to such distributors acquiring cigarettes for their own personal use or consumption and not for sale or other disposal, in lesser quantities than unbroken sheets of one hundred (100) stamps.

(7) Upon receipt of the application and fee herein provided for, and if the applicant has, in the judgment of the Comptroller or his designated agent, complied with all conditions of issuance as enumerated above and the Comptroller or his designated agent has determined that
For Annotatons and Historical Notes, see V.A.T.S.

issuance of the permit will not jeopardize the revenue, then the Comptroller shall issue to every distributor, wholesale dealer or retail dealer for the place of business designated, a nonassignable consecutively numbered permit, designating the kind of permit and authorizing the sale of cigarettes in this State. Said permit shall provide that the same is revocable and shall be forfeited or suspended if the conditions of issuance as set forth above are not complied with, upon any violation of provisions of this Act or any reasonable rule or regulation adopted by the Comptroller. If such permit is revoked or suspended said distributor, wholesale dealer or retail dealer shall not sell any cigarettes from such place of business until a new permit is granted or the suspension of the old permit removed. Provided, that the Treasurer may refuse to sell stamps to any person who has not obtained a permit to engage in business as a distributor or to any distributor whose permit has been revoked or suspended until such permit has been reinstated or a new permit issued.

(8) The permit shall at all times be publicly displayed by the distributor, wholesale dealer or retail dealer at his place of business so as to be easily seen by the public and the persons authorized to inspect the same. Provided, that any distributor, wholesale dealer, or retail dealer who is the legal owner and holder and is operating under any unexpired permit which has been issued by the Comptroller as provided by Chapter 241, Acts of the Regular Session of the Forty-fourth Legislature, as amended, shall not be required to make application for and obtain from the Comptroller a permit as required herein prior to the expiration of the twelve (12) months for which such permit was issued. Provided, further, that any person who operates both as a distributor and wholesale dealer in the same place of business shall only be required to obtain a distributor's permit for the particular place of business where such operation of said business is conducted, but if any distributor or wholesale dealer sells cigarettes at both wholesale and retail, an additional permit as a retail dealer shall be required. Any unexpired permit may be returned to the Comptroller for credit on the unexpired portion only upon the purchase of a permit of a higher classification.

(9) If the application is for a permit to sell cigarettes from or by means of a cigarette vending machine, train, automobile or other vehicle, the serial number of said vending machine, the make and motor number and State Highway license number of said automobile or other vehicle and the name of the railway company and number of said train shall be shown on the application. As amended Acts 1965, 59th Leg., p. 1262, ch. 580, § 3; emerg. eff. June 17, 1965.

Art. 7.21 Forfeiture or Suspension of Permits

If any distributing agent, distributor, wholesale dealer or retail dealer has violated any provision of this Act, or any rule and regulation promulgated hereunder, the Comptroller shall have the power and authority to forfeit or suspend the permit or permits of said distributing agent, distributor, wholesale dealer or retail dealer by giving written notice stating the reason justifying such forfeiture or suspension and the same shall be forfeited or suspended five (5) days from the date of said notice. Any notice required to be given by the Comptroller may be mailed to the distributing agent, distributor, wholesale dealer or the retail dealer, as the case may be, at any place designated as the place of business on the application for permit required herein. No new permit shall be issued within a period of one (1) year to anyone whose permit or permits have been forfeited, except at the discretion of the Comptroller. If any permit is forfeited or suspended no cigarettes shall be sold from the place of business for which said permit applied until a new permit is granted or the suspension of the old permit removed. CHAPTER 9—MOTOR FUEL (GASOLINE) TAX

Art. 9.13 Claims for Refunds

(6a) Allocation of unclaimed aircraft and motorboat fuel refunds to Available School Fund, Texas Aeronautics Commission Fund, and Land and Water Recreation and Safety Fund. Each month the Comptroller, after making the deductions for refund purposes as provided in Article 9.13, Section (13) of this Chapter, shall determine as accurately as possible the number of gallons of motor fuel used in aircraft and the number of gallons of motor fuel used in motorboats upon which the motor fuel tax has been paid to this State, and upon which refund of the tax thereon has not been made and against which a six (6) months' limitation has run for filing claim for refund of said tax (called "unclaimed refunds"), and from the number of gallons so determined the Comptroller shall compute the amount of taxes that would have been refunded under the law had claims for same been filed in accordance with the law, and shall allocate and deposit such unclaimed refunds as follows:

(A) Twenty-five per cent (25%) of the revenues based on unclaimed refunds of taxes paid on motor fuel used in aircraft shall be allocated, deposited, and set aside in the State Treasury placed to the credit of the Available School Fund. The remaining seventy-five per cent (75%) of such revenues shall be allocated, deposited, and set aside
in the State Treasury in a special fund to be called the Texas Aeronautics Commission Fund and the same shall be credited to, and is hereby appropriated to, the Texas Aeronautics Commission for the purposes set forth in this Section, and which said Texas Aeronautics Commission Fund shall be administered by the Texas Aeronautics Commission, together with any other funds appropriated by the Legislature, for the support, maintenance and operation of the Texas Aeronautics Commission in the performance of its safety and all of its other functions, duties and responsibilities as may be now or hereafter delegated to such Commission as prescribed by law, and also for the payment of the Commissioners, the director, assistant director, the staff, and for equipment and supplies, including aircraft and automotive equipment as authorized by law.

(B) Twenty-five per cent (25%) of the revenues based on unclaimed refunds of taxes paid on motor fuel used in motorboats shall be placed to the credit of the Available School Fund. The remaining seventy-five per cent (75%) of such revenues shall be allocated, deposited, and set aside in the State Treasury in a special fund to be called the Land and Water Recreation and Safety Fund, and the same shall be credited to, and is hereby appropriated to, the Parks and Wildlife Department for the purpose of acquiring land for recreational purposes and for enforcement of the Texas Water Safety Act.

Any unexpended portion of the Texas Aeronautics Commission Fund or the Land and Water Recreation and Safety Fund not used, and on hand, at the end of each fiscal year shall be returned to the Comptroller of Public Accounts and he shall place the same to the credit of these funds, respectively, to be used for the purposes stated herein. Added Acts 1961, 57th Leg., p. 817, ch. 371, § 2, as amended Acts 1965, 59th Leg., p. 1580, ch. 686, § 1. Effective Aug. 30, 1965, 90 days after date of adjournment.

(13) All net moneys paid into the Treasury under the provisions of this Chapter, except the filing fees provided herein, and except the funds placed in the Available School Fund, the Texas Aeronautics Commission Fund and the Land and Water Recreation and Safety Fund as provided in Section (6a) of this Article, shall be set aside in a special fund to be known as the Highway Motor Fuel Tax Fund and no part of said fund shall be credited to the Available School Fund until a report is made by the Comptroller to the Treasurer showing the total maximum amount of refunds that may be required to be paid by the State out of such funds, or allocated to the Texas Aeronautics Commission Fund or the Land and Water Recreation and Safety Fund as provided in Section (6a) of this Article. The Comptroller shall on the 25th of each month, or as soon thereafter as is possible, compute and ascertain the maximum amount of funds that may be due by the State on the sale of motor fuel during the preceding month upon which a refund may be due, or which shall be allocated to the Available School Fund, the Texas Aeronautics Commission Fund, and the Land and Water Recreation and Safety Fund as provided in Section (6a) of this Article, and shall certify to the Treasurer the maximum amount, and the Treasurer shall reserve said amount each month out of which to pay refunds, or to allocate the unclaimed refunds as provided in said Section (6a), and shall not distribute that part of said fund until the expiration of the time in which a refund can be made as provided by law, but as soon as said report has been made by the Comptroller and the maximum amount of refunds, and unclaimed refunds provided in said Section (6a), shall have been determined, he shall deduct said maximum amount from the total taxes paid for the month, and apply the remainder as provided by law. If a claimant has lost or loses, or for any reason

fails to receive a warrant after the same has been issued by the Comptroller, then, upon satisfactory proof thereof, the Comptroller may issue such claimant a duplicate warrant as provided in Article 4365, Revised Civil Statutes of Texas, 1925 (as amended by Section 1, Chapter 219, Acts of the 53rd Legislature, Regular Session, 1953). As amended Acts 1961, 57th Leg., p. 817, ch. 371, § 3; Acts 1965, 59th Leg., p. 1580, ch. 686, § 1.

Effective Aug. 30, 1965, 90 days after date of adjournment.

(14) So much of said fund is hereby appropriated and set aside as may be necessary to pay the refunds, and to allocate and deposit the unclaimed refunds to the Available School Fund, the Texas Aeronautics Commission Fund, and the Land and Water Recreation and Safety Fund as provided in said Section (6a), and if a specific amount be necessary then there is hereby appropriated and set aside for said purposes the sum of Two Hundred Thousand Dollars ($200,000), or so much thereof as may be necessary. In no event shall any refund be made to any person in excess of the actual amount paid by such person, and the one and one-half per cent (1½%) deducted originally by the distributor upon the first sale or distribution of the motor fuel shall be deducted in computing the refund if a refund is claimed, then the Comptroller shall deduct fifty cents (50¢) from all such refunds as a filing fee, which fee shall be deducted from the warrant issued in payment of such refund, which said filing fee shall be set aside for the use and benefit of the Comptroller in the administration and enforcement of this Article, as well as for payment of expenses in furnishing the form of invoice of exemption and other forms provided for herein, and the same is hereby appropriated for such purpose. All such filing fees shall be paid into the State Treasury and shall be paid out on vouchers and warrants in such manner as may be prescribed by law. In the event the refund on motor fuel used in aircraft or motorboats is not claimed within six (6) months, as provided by this Chapter, the Comptroller shall deposit the remainder as provided in said Section (6a). As amended Acts 1961, 57th Leg., p. 817, ch. 371, § 4; Acts 1965, 59th Leg., p. 1580, ch. 686, § 1.

II. ADDITIONAL INHERITANCE TAX—FEDERAL ESTATE TAX CREDIT

Subject heading, "II. Additional Inheritance Tax—Federal Estate Tax Credit," was inserted by Acts 1965, 59th Leg., p. 830, ch. 402, § 7.

Art. 14.12 Additional inheritance and transfer tax

(A) Impose Additional Tax. In addition to the inheritance tax already levied by this State under existing laws, an inheritance and transfer tax is hereby levied upon the net estate of every decedent dying after this Act shall take effect, and whose estate, or any portion thereof, is, or hereafter shall be, made taxable under the inheritance tax laws of this State, or that may be subject to such taxes under any law of this State that may be hereinafter enacted. Said tax shall be, and is, levied upon the entire net value of the taxable estate of the decedent situated and taxable in the State of Texas, and the tax on each such estate shall be equal to the difference between the sum of such taxes due this State as inheritance or transfer taxes and eighty per cent (80%) of the total sum of the estate and transfer taxes imposed on such estate by the United States Government under the Revenue Act of 1926, by reason of the property of such estate which is situated in this State and taxable under the laws of this State.

(B) When No Tax Due. In the event the amount of inheritance and transfer taxes assessed against any certain estate under the in-
heritage tax laws of this State shall equal or exceed eighty per cent (80%) of the estate or transfer taxes assessed and computed by the United States under the Revenue Act of 1926, against said estate or property belonging thereto and situated within the State of Texas, then such additional taxes shall be collected hereunder, it being the purpose and intention of this Article to collect only a sufficient additional tax when necessary, for the State to get the full benefit of the eighty per cent (80%) credit to the States provided for by Section 301, Chapter 27, of the Federal Revenue Act of 1926.

(C) Tax on Estate Subject to Federal Tax But on Which No State Tax Is Due. Where no inheritance tax is imposed on an estate, which is situated in this State, under the laws of this State, by reason of its value not exceeding in value the amount of exemptions, and an estate tax is imposed on such estate by the Federal Government, then there shall be, and is hereby levied and shall be collected from such estate, an inheritance or transfer tax sufficient in amount to equal eighty per cent (80%) of said tax imposed by the Federal Government under the Revenue Act of 1926, on that portion of said estate which is situated in the State of Texas.

In computing and determining the rate of the tax in such cases named in this Section, the State Comptroller shall compute the same upon the net valuations of said estate as determined and used by the United States in computing the amount of the Federal Government tax due upon said estate, and said tax shall be paid from the whole of such estate before partition and distribution among the joint or several owners of same.

(D) Computation of Tax. In determining what is eighty per cent (80%) of the United States estate tax mentioned in the preceding Sections, the same shall be computed as eighty per cent (80%) of such taxes actually assessed and determined by the Federal Government under the Revenue Act of 1926, against every estate situated wholly in this State, or in case an estate is situated partly in this State and partly outside of this State, then such eighty per cent (80%) shall be computed as eighty per cent (80%) of the total amount of the Federal taxes finally determined and assessed by the Federal Government under the Revenue Act of 1926, on and against that part of the estate situated in the State of Texas, and said amount of Federal tax shall be determined by multiplying the total Federal estate tax on the entire estate by a percentage which shall be the same percentage as the percentage of the net estate located in Texas is to the total net estate of the decedent, wherever located, before deducting specific exemptions.

(E) Act Not to Increase Combined Tax Due to State and Federal Government. This Article shall always be construed so as not to increase the total amount of taxes payable to the State and the Federal Government combined upon the estates of decedents, the only purpose of said additional tax being to take full advantage of the eighty per cent (80%) credit allowed by the Federal Revenue Act of 1926, to those who have paid any estate, inheritance, legacy, or succession tax to any state or territory, or the District of Columbia, in respect to any property included in the decedent's gross estate. As amended Acts 1965, 59th Leg., p. 830, ch. 402, § 7, eff. July 1, 1965.
Art. 14.13 Powers and duties of Comptroller

(A) The State Comptroller of Public Accounts is hereby charged with the duty of administering and enforcing this Chapter and of collecting all revenues levied by this Chapter. The Comptroller shall promulgate and publish rules and regulations not inconsistent with this Chapter, or the laws or Constitution of this State, for the enforcement of this Chapter and the collection of the revenues levied thereunder.

(B) The Comptroller is authorized to examine any books, records, documents, or property that might be necessary for the proper enforcement of this Chapter. The Comptroller may bring suit in the name of the State of Texas through the Attorney General for the collection of any revenue levied by this Chapter or for the execution of the lien for such revenues. The Comptroller shall prescribe forms requiring whatever information he deems necessary and shall furnish all forms necessary in making the reports and collecting the tax provided for by this Chapter.

The State Comptroller is authorized and directed to confer with the Internal Revenue Service of the United States to ascertain the value of estates in Texas which have been assessed or valued for taxes by the Federal Government, and he shall cooperate with and may enter into an exchange of information agreement with the Internal Revenue Service, furnishing to said Service all available information concerning estates of decedents in Texas which said Service may request.

(D) Compromise Agreement. When the Comptroller claims that a decedent was domiciled in this State at the time of his death and the taxing authorities of another state or states make a like claim on behalf of their state or states, the Comptroller may with the approval of the Attorney General, make a written agreement of compromise with the other taxing authorities and the personal representative of the estate that a certain sum shall be accepted in full satisfaction of any and all death taxes imposed by this State, including any interest or penalties to the date of filing the agreement. The agreement shall also fix the amounts to be accepted by the other states in full satisfaction of death taxes. As amended Acts 1965, 59th Leg., p. 830, ch. 402, § 7, eff. July 1, 1965.

Acts 1965, 59th Leg., p. 830, ch. 402, §§ 1-8 amended and added various articles to this chapter and added article 1.032 to chapter one. Such preliminary report shall provide such information as the Comptroller deems necessary.
(B) Inventory and Appraisement. Within twenty (20) days after an inventory and appraisal and a list of claims shall have been filed and approved by the County or Probate Court, in the estate of a decedent, it shall be the duty of the Clerk of said Court to furnish the Comptroller a written report setting forth such information as the Comptroller deems necessary; provided, however, that a certified copy of the inventory and appraisal and list of claims may be filed with the Comptroller in lieu. Said Clerk shall also give the Comptroller any other information which that official may call for in reference to any such estate, such information shall be furnished within ten (10) days after being called for. (C) Final Return. A final tax return must be filed within fifteen (15) months of the date of death of the decedent giving such information as the Comptroller deems necessary for the enforcement of this Chapter, unless the Comptroller has determined on the basis of the preliminary report that no tax is due. If complete information is not available at the time the final return is due, the Comptroller shall provide for an additional period of time for the filing of a supplementary report.

(D) Report of Determination of Federal Tax. Within thirty (30) days after receiving notice or information of the final assessment and determination of the value of the estate assessed and determined by the Federal Government for the purpose of fixing Federal estate taxes thereon, the personal representative shall make to the Comptroller a report of the value of said estate as so fixed and determined. Said report shall be made in such form and contain such information as the Comptroller directs.

(E) Refunds. When it shall appear that a taxpayer to whom the provisions of this Chapter shall apply has erroneously paid more taxes than were due on account of a mistake of fact or law, the State Comptroller may refund such overpayment by warrant on the State Treasury from any funds appropriated for such purpose. Any tax levied by any authority, federal, state, or foreign, upon profit or gain defined as principal under the terms of Subsection B of Section 27 of this Act, shall be paid out of principal, notwithstanding said tax may be denominated a tax upon income by the taxing authority.

C. Expenses paid out of income according to Subsection A of this Section which represents regularly recurring charges shall be considered to have accrued from day to day, and shall be apportioned on that basis whenever the right of the tenant begins or ends at some date other than the payment date of the expenses. Where the expenses to
be paid out of the income are of unusual amount the trustee may distribute them throughout an entire year or part thereof, or throughout a series of years. After such distribution, where the right of the tenant ends during the period, the expense shall be apportioned between tenant and remainderman on the basis of such distribution.

D. Where the costs of, or special taxes or assessments for, an improvement representing an addition of value to property held by the trustee as part of principal are paid out of principal, as provided in Subsection B, the trustee shall reserve out of income and add to the principal each year a sum equal to the cost of the improvement divided by the number of years of the reasonably expected duration of the improvement. Jurisdiction during appeal; administration, allocation and distribution of waters

Sec. 9. In any such case where the Trial Court has taken such waters into judicial custody and has appointed a water master and has entered final judgment adjudicating and determining the asserted rights of the parties to divert or use such waters from which judgment an appeal is prosecuted by one or more parties, the Trial Court shall have and is hereby vested with, jurisdiction to retain all waters so taken into judicial custody in such custody until the entry of final judgment in the case and until such time shall have exclusive jurisdiction to administer, allocate and distribute such waters in accordance with its final judgment or as otherwise herein provided in Section 10 and such retention of jurisdiction for such purposes shall not render the judgment of the Trial Court nonappealable and neither the Court of Civil Appeals nor the Supreme Court shall have jurisdiction over the allocation and distribution of such waters so remaining in the judicial custody of the Trial Court prior to the entry of final judgment in the case.

Manner of allocation of waters during appeal; supersedeas bond; effect; adjustment in allocation

Sec. 10. The allocation and distribution of such waters during the pendency of appeal and until final judgment or decree in such case shall be limited to those parties adjudicated by the final judgment of the Trial Court to have a valid right to divert or use such waters upon the land, and in the amount, as provided by such judgment and to no other parties: provided, however, that if any party or parties prosecuting an appeal from such final judgment of the Trial Court files a supersedeas bond as provided by law or the Rules of Civil Procedure, there shall continue to be allocated to such party or parties so filing such supersedeas bond or bonds the same amount of water, for the same acreage, for which they received an allotment during the pendency of the case in the Trial Court and before the entry of final judgment by the Trial Court, in which event all necessary adjustments in the
allocation and distribution of waters among those parties adjudicated by the final judgment of the Trial Court to have a valid right to divert or use the same shall be made in order to provide for allocation and distribution to both such parties and the parties filing a supersedeas bond on appeal. Save as so limited, the enforcement of the judgment of the Trial Court shall not be suspended during any such appeal and the filing of any such supersedeas bond shall only have the effect of suspending the enforcement of such judgment against the party filing the same.

Violation of court orders; use of water in excess of allocation; withdrawal of allocation; notice and hearing; punishment

Sec. 11. During the prosecution of appeal and until the entry of final judgment in the case the Trial Court shall have, and is hereby granted, power and authority, after notice and hearing, to withdraw or limit allocations of water in the judicial custody of the Court to any party who violates any order of the Court or who uses water in excess of the amount allocated to such party or upon land other than that for which the allocation of water is made as provided by the final judgment or as hereinabove provided until such violation has been corrected to the satisfaction of the Trial Court or the water so used made good and in addition thereto shall have the power to punish any such party for contempt for violation of any injunction contained in the judgment of the Trial Court.

Continuation of water master during appeal

Sec. 12. During the prosecution of such appeal and until the entry of final judgment in the case, the Trial Court is authorized to continue the appointment of the water master with power to allocate and distribute the waters in the judicial custody of the Trial Court as provided in Section 10 of the Act, under the supervision and direction of such Court.

Deputies and assistants during appeal; powers and duties; expenses

Sec. 13. During the pendency of such appeal and until the entry of final judgment in the case the water master shall, under such terms and conditions as the Court may order, have authority to appoint such necessary deputies and assistants and to perform such duties and assume such responsibility as may be delegated to him by the Trial Court, including the power to police the stream and advise the Court of violations of the Court's allocation of any waters within the judicial custody of the Court, as provided by the final judgment of the Trial Court or as hereinabove provided, and to incur such expenses as the Trial Court may deem reasonable and necessary.

Compensation during appeal; assessment of costs

Sec. 14. The compensation of the water master and his staff during the prosecution of appeal and until the entry of final judgment in the case shall be fixed by the Trial Court, and the cost and expense of the water master and his office including all salaries and expenses authorized and approved by the Court shall be assessed by the Court monthly, or at such time intervals as may be ordered by the Court against all persons receiving an allocation of the waters in the judicial custody of the Trial Court. Such assessment of cost shall be based either on an acreage basis, an acre foot of allocated water basis, a per capita basis or such other basis as the Trial Court after notice and hearing may determine to be the most equitable distribution of costs and the Trial Court may within its discretion assess costs on one such basis against various parties receiving an allocation of water and against other parties on a different basis.
Sec. 15. In determining the distribution of cost and expenses provided for in Section 14, the costs are not to be considered as ordinary Court costs to be taxed in the manner otherwise provided by law, but are to be considered as costs necessary to protect the rights and privileges of the parties receiving allocations of water during the pendency of the appeal and until final judgment or decree in such case and shall be borne by such parties. If the costs assessed pursuant to the provisions of Section 14 of this Act are not paid within the time prescribed by the Trial Court, the Trial Court may after notice and hearing withdraw or limit allocations of water to any party failing or refusing to pay its share of such cost until all costs assessed against such party are paid in full.
