Sec. 1. There is hereby created the Texas Civil Judicial Council for the continuous study of and report upon the organization, rules, procedure and practice of the civil judicial system of the State of Texas, the work accomplished and the results produced by that system and its various parts, and methods for its improvement; provided that the Council also may make such statistical and other investigations concerning the criminal judicial system of the State as hereinafter stipulated.

Ex Officio Members

Sec. 3. The ex officio members of the Council shall consist of the following:

(2) two Justices of the Courts of Civil Appeals, to be designated by the Governor for overlapping four-year terms, one to be designated in January, 1971, for a four-year term and one to be designated in January, 1973, for a four-year term with the replacement in each case to be designated by the Governor in January of odd-numbered years;

(3) two presiding judges of the administrative judicial districts, to be designated by the Governor for four-year terms, one to be designated in January, 1971, for a four-year term and one to be designated in January, 1973, for a four-year term, with the replacement in each case to be designated by the Governor in January of odd-numbered years;

The foregoing references to justices and judges, other than the Chief Justice of the Supreme Court, include respectively such retired justices and judges of the same grade as are legally eligible for assignment to part-time judicial duties. In the event of the Chairman of the Senate Jurisprudence Committee or the Chairman of the House Judiciary Committee is reappointed to such position, his immediate predecessor shall continue to serve on the Council as immediate past Chairman, it being the intent of the Legislature that two members of the Senate and two members of the House be at all times members of the Council; provided, however, that in the case of legislative members, cessation of membership in the Legislature shall not terminate their membership on the Council, but they shall continue to serve for their full term notwithstanding their cessation of membership in the Legislature. The Governor of Texas shall select the appointive members of the Council for six-year overlapping terms, three to be appointed to serve until July 1, 1975, three to serve until July 1, 1977, and three to serve until July 1, 1979, and thereafter their successors shall be appointed for terms of six years; provided that appointive members of the Council holding office on the effective date of this Act shall continue in office for the balance of the term to which they were appointed, and their successors shall be selected in the manner and for the term herein provided. Vacancies in the appointive membership of the Council shall be filled by appointment of the Governor for the unexpired term only.

All members of the Council shall continue to serve until their successors have been appointed and qualified.

Five members of the Council shall constitute a quorum for the transaction of any business of the Council.

Duties of Council

Sec. 5. It shall be the duty of the Council:

1. To make a continuous study of the organization of the civil courts; the rules and methods of procedure and the practice of the civil judicial system of the State; of the work accomplished, the results attained and the uniformity of the discretionary powers of the civil courts, to the end that procedure may be simplified, business expedited, and justice better administered.

2. To receive and consider suggestions from judges, public officers, members of the bar, and citizens, touching remedies for faults in the administration of civil justice.

3. To formulate methods for simplifying civil judicial procedure, expediting the transaction of civil judicial business, and correcting faults in the administration of civil justice.

4. To gather civil judicial statistics and other pertinent data from the several judges and other court officials of the State.

5. To make a complete detailed report, on or before December 1st of each year, to the Governor and to the Supreme Court, of all its proceedings, suggestions and recommendations, and such supplemental reports from time to time as the Council may deem advisable. All such reports shall be considered public reports and may be given to the press as soon as filed.

6. To make investigations and reports upon such matters, touching the administration of civil justice as may be referred to the Council by the Supreme Court or the Legislature.

7. To hold one meeting in each calendar year, and such other meetings as may be ordered by the Council or under its authority, and at such time and place as may be designated by it or under its authority; provided, that the first meeting of said Council shall be held prior to October 6, 1929, upon call of its president.

Powers of Council

Sec. 6. The Council shall have power:

1. To hold public meetings or hearings, by and through committees of three or more of its members, require the production of books and documents, require reports from the several courts of this State, including courts not of record, as may be deemed necessary, to administer oaths and take testimony.

For the purposes of any hearing, any Council officer, in advance of such hearing, or any Council member or officer sit-

ting at such hearing, may issue under his official signature and cause to be served by registered or certified mail or by any adult person upon any prospective witness, a subpoena or like appropriate order. Upon the failure of a witness to testify, or upon his failure to appear or to produce books and documents as so ordered, any district judge of the county of residence of such witness shall, on written motion by, or on behalf of, the Council or Committee conducting said hearing, compel said witness to testify or, as the case may be, to appear and testify, by the same means, including attachment and penalties, whereby said judge may compel the testimony and appearance of witnesses in the trial of a cause pending in his own court.

2. To elect from its membership a president and such other officers as it may deem advisable; provided the secretary need not be a member of the Council; and provided further that the president of the Council may appoint, for and during his term as president, such committees as he may deem necessary for the proper organization of the Council.

3. To make such rules and regulations as it may deem expedient for its government and that of its officers and committees; and to prescribe the duties of its officers and committees.

4. To appoint committees from its membership, and charge such committees with such of its duties and delegate to such committees such of its powers as it may deem proper.

5. To require the supplying of statistical data and other information pertaining to the amount and character of the civil and criminal business transacted by the courts of this State and other information pertaining to their conduct and operation; and to prescribe procedures and forms for the supplying of such statistical data and other information.

It shall be an official duty of every justice, judge, clerk or other officer of every court of this State to comply with the reasonable requirements of the Council for the supplying of statistical data appertaining to the amount and character of the business transacted by his court and of such other information concerning said court or the office of the clerk thereof as may be within the scope of the functions of the Council. Failure to supply such data or information within a reasonable time after request therefor shall be presumptively deemed a willful refusal to supply the same.

Due performance of the duty to supply data and information as aforesaid shall be enforceable by writ of mandamus, the corresponding actions for which shall be brought, and the corresponding courts shall have jurisdiction of the same, as follows: if against a district clerk or a clerk, judge or other officer of a trial court other than a district court, in a district

court of the county of residence of the respondent; if against a district judge or clerk of a court of civil appeals, in the Court of Civil Appeals for the Supreme Judicial District in which the respondent resides; in all other cases, in the Supreme Court of Texas. The Attorney General of Texas shall file and prosecute the foregoing actions on behalf of the Council upon its written request, which shall be presumptively taken as the action of the Council if signed by its president or by as many as five of its members; but no such action shall be filed if the attorney general shall in writing certify his opinion that the same is without merit.

Compensation Limited to Traveling and Necessary Expenses

Sec. 7. No member of the Council shall receive any compensation for his services as such member, but shall be paid for actual traveling and other necessary expenses incurred in the discharge of his duties as such member, to be paid upon verified, itemized account approved by the President of the Council or by a Vice President thereof when so authorized in writing by the President. The necessary clerical expenses of the Council and its officers and committees shall be paid in like manner.

Partial Invalidity

Sec. 8. If any section or portion of any section of this Act shall for any reason be de-

clared invalid, such invalidity shall not affect any other section or portion of section of this Act.

When any person is an habitual drunkard or an addict to cocaine, morphine or other narcotics, and in all cases where a child is caused to become a delinquent child or a dependent and neglected child under the age of seventeen years, whether previously convicted or not, the parent, guardian or person having the custody of, or the person responsible for such child, habitual drunkard or narcotic addict, or any person who by any act encourages, causes, acts in conjunction with, or contributes to the delinquency, dependency or the neglect of such child, habitual drunkard or narcotic addict, or who shall in any manner cause, encourage, act in conjunction with or contribute to the delinquency, dependency or the neglect of any such child under the age of seventeen years, or habitual drunkard or narcotic addict, shall be fined not exceeding Five Hundred (\$500.00) Dollars or be imprisoned in jail not to exceed one year, or both. By the term "delinquency" as used herein is also meant any act which tends to debase or injure the morals, health or welfare of such child, habitual drunkard or narcotic addict, and includes drinking intoxicating liquor, the use of narcotics, going into or remaining in any bawdy house, assignation house, disorderly house, or road house, hotel, public dance hall where prostitutes, gamblers or thieves are permitted to enter and ply their trade, going into a place where intoxicating liquors or narcotics are kept, drunk, used or

The fact that a child has not been declared a delinquent child or a neglected or dependent child, as defined by the Statutes of this State, shall not be a defense under this Act.

[1925 P.C.; Acts 1929, 41st Leg., p. 238, ch. 103, § 1; Acts 1949, 51st Leg., p. 910, ch. 488, § 1.]

Art. 2338-1b. Contributing to Delinquency of Child or Acting in Conjunction with Child

Sec. 1. In all cases where any child shall be a delinquent, dependent or neglected child, as defined in the statutes of this State, irrespective of whether any former proceedings have been had to determine the status of such child, the parent or parents, legal guardian, or any person having such custody of such child, or any other person or persons who shall by any act encourage, cause or contribute to the dependency of delinquency of such child, or who acts in conjunction with such child in the acts which cause such child to be dependent or delinquent, shall be guilty of a misdemeanor, and upon conviction shall be punished by fine not exceeding Five Hundred (\$500.00) Dollars, or by imprisonment in the county jail for not more than six (6) months, or by both fine and imprisonment; provided, however, that the court in which the case is heard may suspend the sentence for violation of the provisions of this Act, and imposed conditions upon the defendant as to his future conduct, and may make such suspensions dependent upon the fulfillment by the defendant of such conditions; and in case of the breach of such conditions or any part of them, the court may impose sentence as though there had been no such suspension. The court may also as a condition of such suspension, require a bond in such sum as the Court may designate, to be approved by the Judge requiring it, to secure the performance by such person of the conditions placed by the court on such suspension; the bond by its terms shall be made payable to the County Judge of the county in which the prosecution is pending, and any money received from a breach of any of the provisions of the bond shall be paid into the County Treasury. The

provisions of law regulating forfeiture of appearance bonds shall govern so far as they are applicable. Exclusive jurisdiction of the offense defined in this Act is hereby conferred on Juvenile Courts, in accordance with the provisions of law establishing such courts.

Sec. 2. By the term "delinquency," as used in this Act, is meant any act which tends to debase or injure morals, health or welfare of a child, drinking intoxicating liquor, the use of narcotics, going into or remaining in any bawdy house, assignation house, disorderly house or roadhouse, hotel, public dance hall, or other gathering place where prostitutes, gamblers or thieves are permitted to enter and ply their trade, going into a place where intoxicating liquors or narcotics are kept, drunk, used, sold or given away, or associating with thieves and immoral persons, or enticing a minor to leave home or to leave the custody of its parents, guardians or persons standing in lieu thereof, without first receiving the consent of the parent, guardian or other person, in addition to all of the other acts which any other laws now in effect define to be delinquency or which create any child a delinquent.

Art. 2338-2. Designation of District Court as Juvenile Court in Certain Counties

Sec. 1. In counties having ten (10) or more District Courts, either temporary or permanent, and having a Juvenile Board composed of District Judges and the County Judge of said county, such Juvenile Board shall designate one (1) of the District Courts to be the Juvenile Court of such county and may change the designation of such Juvenile Court from time to time when in the opinion of the Juvenile Board the best interest of the people require it.

Provided, however, the Juvenile Board of any county having a population of eight hundred and six thousand (806,000) or more according to the last preceding Federal Census, may designate one or more District Courts, or one or more Courts of Domestic Relations, or the County Court, or one or more of both of such District Courts and Courts of Domestic Relations, or one or more of such District Courts, Courts of Domestic Relations and County Court or any combination thereof, as Juvenile Courts of such county, with all the rights and authority and subject to the same terms and restrictions as provided in this Act; provided, however, that the Juvenile Board of any county having a population of eight hundred and six thousand (806,000) or more according to the last preceding Federal Census, may make such new designation or designations as to it shall seem proper without reference to the

provision of Section 4, requiring a new designation within any particular period of time, it being the legislative intent that the matter of designation of one or more Juvenile Courts in any such county be within the discretion of the Juvenile Board of such county.

Sec. 2. Such Juvenile Courts shall give preference to child delinquency, dependency, neglect, support, change of custody and adoption, and to contempt proceedings growing out of or ancillary to such cases, and all other District Courts in such counties may from time to time transfer to such District Court as has been designated as the Juvenile Court of such county all such cases on their dockets.

Sec. 3. Concurrent Jurisdiction with District Courts

Sec. 6. of District**

Sec. 6. If it shall appear on hearing by the court that the organization of a district as prayed for is feasible and practicable, would benefit the land included therein, and will be conclusive to the public safety, welfare and convenience, and aid in the conservation of the real property or natural resources within said district, the court shall so find and grant the petition and fix the boundaries thereof; otherwise it shall deny the petition.

Appeal to District Court by Persons Aggrieved

When the foregoing has been accomplished, such election shall be held not less than thirty (30) nor more than sixty (60) days after the order calling the same; and notice of such election shall be given in the same mode and manner as hereinabove required for hearing on the petition to form the District. The notice shall contain the proposition submitted, the classification of voters who are authorized to vote, and the time and place for holding the election. same as to the remaining portion of the proposed district, excluding any or all such incorporated municipalities in the event any one or more of such incorporated municipalities should fail to cast a majority vote in favor of the district and the tax.

This finding shall be made as to each particular city, town or village whose territory is proposed to be included within the area of the proposed district.

No district hereafter created shall include the area of any incorporated city, town, or village, unless the majority of the electors residing in the municipality and participating in the election called by the Commissioners Court to confirm the district and levy the tax voted in favor of both the creation of the district and the levy of the tax.

Should a majority of the voters residing in a municipality and participating in the election vote against creation of the district or levy of the tax, the municipality shall not be included within the district, but its exclusion shall not affect the creation of the district embracing the remainder of the proposed territory if the findings of the Commissioners Courts made as required in Section 6 and in this section of this Act are favorable to the creation of the district, as thus restricted. Should any non-consenting city, town or village ever annex territory into such proposed Rural Fire Prevention District, then the Board of Fire Commissioners shall, after due notice, immediately de-annex such area from its district and shall cease to provide any further services to the residents of that area.

**Election Favoring Confirmation of District; Order
of Commissioners Court**

Sec. 9. If a majority of those voting at such election, as provided in Section 2 or Section 2(a) of this Act, vote in favor of the confirmation of the district, it shall thenceforth be deemed an organized Rural Fire Prevention District under this Act; and the Commissioners Courts of the several counties wherein such district is created shall enter orders accordingly in their minutes in the following substantial form:

Whereas, at an election duly and regularly held on the _____ day of _____, A.D. 19____, within that portion of _____ County, State of Texas, described as: (insert description unless the district is county-wide) there was submitted to the legal voters thereof the question whether the above described territory shall be formed into a Rural Fire Prevention District under the provisions of the laws of this state; and

Whereas, at such election _____ votes were cast in favor of formation of said district and _____ votes were cast against such formation; and

Whereas, the formation of such Rural Fire Prevention District received the affirmative vote of the majority votes cast at such election as provided by law;

Now, therefore, the County Commissioners Court of _____ County, State of Texas, does hereby find, declare and order that the tract hereinbefore described has been duly and legally formed into a Rural Fire Prevention District (or a portion thereof) under the name of _____, under and pursuant to Article III, Section 48-d of the Constitution of Texas, and with the powers vested in such district conferred by law.

Further Powers of Districts

Sec. 11. Any fire protection district organized under the provisions of this Act shall further have the authority:

(2) To lease, own and maintain real property, improvements and fixtures thereon, suitable and convenient for housing, repairing and caring for fire-fighting equipment;

(3) To enter into contracts with any others, including incorporated cities or towns or other districts whereby fire fighting facilities and fire extinguishment services and/or emergency rescue and ambulance services may be available to the district, upon such terms as the governing body of the district shall determine. The contract may provide for reciprocal operation of services and facilities if the contracting parties find that such operation would be mutually beneficial, and not detrimental to the district.

(4) The Board of Fire Commissioners may cause inspections to be made within the district pertinent to the causes and prevention of fires therein, and may promote such educational programs as it may deem proper to more fully effect the purposes of this Act.

(5) To lease, own, maintain, operate and provide emergency rescue equipment and all other necessary or proper apparatus, instrumentalities, machinery, and equipment for the prevention of loss of life from fire or other hazards, which may result in serious injuries to persons.

Such tax levy shall be certified to the County Tax Assessor-Collector, who shall be the Assessor-Collector for the district. The County Tax Assessor-Collector shall assess property in the district for the purpose of the Rural Fire Prevention District tax at the same values as shown on the county tax rolls, unless a different method of assessing the values has been adopted under the provisions of Subdivisions (2) through (8) of this section.

(2) The Board of Fire Commissioners may by a majority vote of the members order an election in the district, at the expense of the district, on the proposition of assessing property in the district for the purpose of the Rural Fire Prevention District tax at a percentage of actual market value different from the percentage used by the county. The Board of Fire Commissioners shall cause notice of the election to be published by posting notice of the election at each precinct 20 days before the election. The notice shall state the time of holding the election and the question to be voted on. If the district encompasses more than one county it shall be mandatory upon the Board of Fire Commissioners to hold such an election whether such tax be the same percentage of actual market value used by any one or more counties within the district.

(3) Residents of the district eligible to vote in a general election are eligible to vote in the district election provided for in Subdivision (2) of this section.

(4) Except as provided in this Act, the general laws of this state apply to elections held under this Act.

AGAINST assessing property in the _____ Rural Fire Prevention District for the purpose of the rural fire prevention district tax at a percentage of actual market value not to exceed _____ percent of actual market value.

(6) If the proposition carries, the Board of Fire Commissioners shall certify that fact to the County Tax Assessor-Collector, notifying him of the percentage of actual market value approved for fire prevention district tax purposes.

(7) The County Tax Assessor-Collector shall assess property for the purpose of the rural fire prevention district tax on separate assessment blanks furnished by the district, at the percentage of actual market value approved in the election.

(8) In a county where the County Tax Assessor-Collector makes a separate assessment of property in a district under the provisions of this section, the rural fire prevention district shall reimburse the County Tax Assessor-Collector for any additional expense incurred in assessing and collecting taxes for the district, not to exceed one percent of the taxes collected in each year.

The Board of Development hereinafter provided for shall annually in advance, prepare and submit to the Commissioners Court a budget for the ensuing year in the same manner as required of counties. Art. 2352e. Water Supply for County Purposes; Authority to Acquire Treatment and Distribution Facilities

Adoption of Provisions of Act by Commissioners Court

Sec. 1. The provisions of this Act may be adopted by an order of the Commissioners Court of any county within this state only

upon the unanimous vote of the members of such court.

Authority to Acquire or Construct Source of Supply; Pools, Lakes, Reservoirs, Wells, Dams; Treatment and Distribution Facilities; Limitation on Cost

Sec. 2. The Commissioners Court of any county is hereby authorized to acquire by purchase, construction or otherwise an adequate source of fresh water, either surface or subterranean, for the purpose of supplying water to the courthouse and for other county purposes provided that such county shall comply with the provisions of Chapter I, Title 128, R.C.S. of Texas, 1925, as amended, relating to water permits, where applicable; and in the furtherance of such project such county shall be authorized and empowered to purchase, construct, repair and maintain pools, lakes, reservoirs, wells, dams, and such treatment and distribution facilities as may be required, all of which is hereinafter sometimes referred to as the project; provided, however, that no project or projects adopted by any one county under the provisions of this Act shall exceed the total cost of Two Hundred Fifty Thousand Dollars (\$250,000), exclusive of interest.

Sale of Water Not Needed for County Purposes

Sec. 3. The Commissioners Court of any county is hereby authorized and empowered to sell, contract to sell, deliver and distribute any or all water of the project which is not needed for county purposes to any municipal corporation or political subdivision of this state now created or existing or hereafter established under the laws of the State of Texas, or to any individual, corporation or company under such terms and conditions as the court may determine to be in the best interests of the county, but in no event may the county sell water under the terms of this Section if an adequate public water supply is available to such municipal corporation, political subdivision, individual, corporation or company at the time the provisions of this Act are adopted by the county, nor shall the county sell water under this Act for irrigation purposes. The cost of supplying the water, including any increase in the cost of acquisition, storage, treatment and distribution facilities shall be considered a part of the cost of the project as such term is used in the preceding and following Sections.

Bond Issue; Ad Valorem Tax; Rates and Charges for Water; Limitation on Cost of Project

Sec. 4. (a) For the purpose of paying the cost of the project, including, without limitation, legal, fiscal, engineering expenses, and interest during the construction of the project, the county may, after approval in an election as hereinafter provided, issue its negotiable bonds payable from and secured by a pledge of the net revenues of the project. When so provided in the order, and after an election, authorizing the issuance of bonds, bonds issued by the county may be additionally secured by levy of an ad valorem tax on the taxable property of the county out of the Permanent Im-

provement Tax prescribed under Article 8, Section 9 of the Constitution. If the bonds are to be supported by a tax, the Commissioners Court shall levy such tax sufficient to pay the interest on the bonds as it accrues and the principal as it matures, but the order authorizing the issuance of the bonds may provide that the amount of tax to be collected each year may be reduced or abated to the extent that money is on hand from the pledged revenues applicable to the payment of interest and principal.

(b) As to bonds issued by the county secured solely by a pledge of net revenues of the project as aforesaid, it shall be the mandatory duty of the Commissioners Court to contract for and impose such rates and charges, for water supplied by the project as will be fully sufficient to operate and maintain the project and produce all amounts required to pay principal and interest on the bonds when due, and establish such reserves as may be provided in the order authorizing the issuance of such bonds.

(c) All water used by the county for its own facilities shall be paid for out of general funds of the county legally available for such purpose and no free service shall be allowed.

(d) Prior to the construction of the proposed work or any future additional improvements, works or construction, the Commissioners Court must enter a resolution ordering an election on a day certain. Based on such order, notice of such election shall be given, returns made, result declared, orders entered, tax levied, certified, assessed, or collected, and all other matters applicable shall be performed as required by the resolution and order. The order shall set forth the proposed project, the amount of bonds to be issued to pay for the same, their rate of interest and maturity dates, and shall show whether or not a tax shall be levied to redeem such bonds and if so the amount of the tax.

(e) In the event a majority of the electors who own taxable property in the county and who have duly rendered the same for taxation approve the issuance of the bonds, then the Commissioners Court shall issue such bonds as hereinafter provided. In no event shall any single project proposed by the Commissioners Court require the issuance of bonds whose total par value is in excess of Two Hundred Fifty Thousand Dollars (\$250,000).

(f) The Commissioners Court shall have full discretion in fixing the details of the bonds and in determining the manner of sale thereof provided the bonds shall bear interest at not exceeding six percent (6%) per annum and mature in not more than forty (40) years from their date and such order may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the county in relation to the acquisition of properties and the construction, maintenance, operation, repair and insurance of the

project, and the custody, safeguarding, and application of all moneys, and may set forth the rights and remedies of the bondholders and may contain such other provisions as the Commissioners Court may deem reasonable and proper for the security of the bondholders, including but without limitation covenants prescribing all happenings or occurrences which constitute events of default and the rights, liabilities, powers and duties arising upon breach by the county of any of its duties or obligations. The bonds may be made redeemable prior to maturity in such manner and at such prices as may be determined by the Commissioners Court in the order authorizing their issuance. All bonds issued hereunder shall and are hereby declared to have all the qualifications and incidents of negotiable instruments under the Negotiable Instruments Law of Texas. The proceeds of the bonds shall be used solely to pay the cost of the project as above provided, and shall be disbursed under such restrictions as may be provided in the bond order, and there shall be and is hereby created and granted a lien upon such moneys until so applied in favor of the holders of the bonds. Pending the use of the proceeds of the sale of such bonds for the construction of the project such proceeds may be invested in direct obligations of the United States Government having maturities not more than ninety-one (91) days from the date of investment. Unless otherwise provided in such order or indenture, if the proceeds of the bonds prove insufficient to pay the cost of the project, additional bonds may be issued under the methods herein prescribed to the amount of the deficit.

**Bonds Not Supported by Tax Levy as Revenue
Bonds**

Sec. 5. If the bonds are not supported by a tax levy, they shall never constitute a debt of the county, but shall be solely a charge upon the pledged revenues, and shall never be reckoned in determining the power of the county to issue bonds or incur other debt for any purpose authorized by law, and each bond shall contain this cause: "The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

Bonds; Signature; Registration; Approval by Attorney
General; Incontestability

Sec. 6. The bonds shall be signed by the county judge and attested by the county clerk, but the facsimile signature of such officials may be printed or lithographed on the bonds in accordance with the provisions of Chapter 293, Acts of the 54th Legislature, 1955. The county treasurer shall register the bonds, but he need not sign them. The seal of the Commissioners Court shall be impressed on the bonds or a facsimile of the seal may be printed or lithographed thereon. The bonds and the record relating to their issuance shall be presented to the Attorney General of Texas, and if they have been issued in accordance with the Constitution and this law he shall approve them.

Upon approval by the Attorney General the bonds shall be registered by the Comptroller of Public Accounts, and thereafter the bonds and the provisions made for their security and payment shall be incontestable.

Acquisition of Land and Easements; Eminent Domain; Relocation

Sec. 7. For the purpose of carrying out any power or authority conferred by this Act the county shall have the right to acquire land and easements, by condemnation in the manner provided by Title 52, Revised Civil Statutes, as amended, relating to eminent domain. The amount of and character of interest in land and easements thus to be acquired shall be determined by the Commissioners Court. In the event that the county, in the exercise of the power of eminent domain or power of relocation, or any other power granted hereunder, makes necessary the relocation, raising, rerouting, or changing the grade of, or altering the construction of any highway, railroad, electric transmission line or pipeline or telephone or telegraph properties and facilities, all such necessary relocation, raising, rerouting, changing of grade or alteration of construction shall be accomplished at the sole expense of the county. The term "sole expense" shall mean the actual cost of relocation, raising, rerouting, change in grade or alteration of construction in providing comparable replacement without enhancement of such facilities, after deducting therefrom the net salvage value derived from the old facility.

Additional Bonds; Pledge of Revenues; Security

Sec. 8. Additional bonds payable solely by a pledge of the net revenues of the project as well as additional bonds payable from the net revenues of the project and additionally secured by levy of an ad valorem tax on the taxable property of the county may be issued for the purpose of improving, repairing or extending the project or for any or all such purposes if permitted by the order authorizing the original issue of bonds, and if authorized by proper election.

Refunding Bonds; Issuance; Interest

Sec. 9. Subject to any restrictions which may appear in the bond authorizing order, the Commissioners Court may provide for the issuance of bonds for the purpose of refunding any of the bonds issued under this Act and at the time outstanding. The issuance of such refunding bonds, the maturities and other terms thereof, the rights of the holders thereof, and the duties of the county in respect to the same, shall be governed by the foregoing provisions of this Act insofar as the same may be applicable, but no such refunding bonds shall be delivered unless delivered in exchange for the bonds authorized to be refunded thereby or unless sold and delivered to provide funds for the payment of matured or redeemable bonds maturing or redeemable within six (6) months. Such refunding bonds shall bear interest at the same or lower rate than borne by the bonds

refunded, unless it is shown mathematically that a saving will result in the total of interest to be paid.

Bonds as Legal Investments; Bonds as Security for Deposits of Public Funds

Sec. 10. All bonds issued under this law shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fiduciaries, trustees, guardians, and for the sinking funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas. Such bonds shall be eligible to secure the deposit of any and all public funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for said deposits to the extent of their face value.

Mandamus to Compel Levy and Collection of Taxes and to Perform Agreements

Sec. 11. The holder or holders of any of such bonds herein authorized to be issued shall have the right, in addition to all other rights, by mandamus or other proceedings in any court of competent jurisdiction to enforce his or their rights against the county and its employees and against the agents and the employees thereof, including but not limited to the right to require the county to impose and collect sufficient rates and charges to carry out the agreements contained in the bond order and to perform all agreements and covenants therein contained and duties arising therefrom.

Taxes Pledged to Pay Bonds

Sec. 12. Obligations issued pursuant to the provisions of this Act which are secured wholly or partially by a pledge of taxes out of the Permanent Improvement Tax prescribed under Article 8, Section 9 of the Constitution shall be considered as payable wholly from such tax for the purpose of determining the availability of taxing power of the county to pay obligations which are payable from such tax.

Law Cumulative

Sec. 13. This Act is declared cumulative of all other Acts or laws and the powers, rights and privileges and functions hereby conferred shall not prevent the exercise by any county of any and all other powers, rights, privileges, or functions conferred upon such county by any other Act or law now existing or hereafter enacted. Specifically, nothing herein shall prevent any county from issuing warrants in connection with the project in the manner prescribed by Chapter 163, Acts of the 42nd Legislature, 1931, as amended.

Facilities, Etc., Free From Taxation; Bonds Tax Exempt

Sec. 14. The accomplishment of the purposes stated in this Act being for the benefit of the people of this state, and for the improvement of their commerce and property, the

county in carrying out the purposes of this Act will be performing an essential governmental function and shall not be required to pay any tax or assessment on the project or any part thereof, and the bonds issued hereunder and their transfer and the income therefrom including any profits made on the sale thereof, shall at all times be free from taxation within this state.

Partial Invalidity

Sec. 15. If any clause, sentence, paragraph, or part of this Act shall for any reason be adjudged by any court of competent jurisdiction to be invalid or ineffective, such judgment shall not affect, impair, or invalidate the remainder of this Act, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment has been rendered.

Competitive Bidding for Contracts for Public Works; Notice to Bidders; Advertisement; Exceptions; Conflicting Provisions; Noncompliance with Law

Sec. 2. No county, acting through its Commissioners Court, and no city in this state shall hereafter make any contract calling for or requiring the expenditure of payment of Three Thousand Dollars (\$3,000.00) or more out of any fund or funds of any city or county or subdivision of any county creating or imposing an obligation or liability of any nature or character upon such county or any subdivision of such county, or upon such city, without first submitting such proposed contract to competitive bids. Notice of the time and place when and where such contracts shall be let shall be published in such county (if concerning a county contract or contracts for such subdivision of such county) and in such city, (if concerning a city contract), once a week for two (2) consecutive weeks prior to the time set for letting such contract, the date of the first publication to be at least fourteen (14) days prior to the date set for letting said contract; and said contract shall be let to the lowest responsible bidder. The court and/or governing body shall have the right to reject any and all bids, and if the contract is for the construction of public works, then the successful bidder shall be required to give a good and sufficient bond in the full amount of the contract price, for the faithful performance of such contract, executed by some surety company authorized to do business in this state in accordance with the provisions of Article 5160, Revised Statutes of 1925, and the amendments thereto. However, the city or county in making any contract calling for or requiring the expenditure of payment of Three Thousand Dollars (\$3,000.00) or more and less than Fifty Thousand Dollars (\$50,000.00) may, in lieu of the bond requirement, provide in the contract that no money will be paid to the contractor until completion and acceptance of the work by the city or county. If there is no newspaper published in such county, the notice of the letting of such contract by such county shall be given by causing notice thereof to be posted at the County Court House door for fourteen (14) days prior to the time of letting such contract. If there is no news-

paper published in such city, then the notice of letting such contract shall be given by causing notice thereof to be posted at the City Hall for fourteen (14) days prior to the time of letting such contract. Provided, that in case of public calamity, where it becomes necessary to act at once to appropriate money to relieve the necessity of the citizens, or to preserve the property of such county, subdivision, or city, or when it is necessary to preserve or protect the public health of the citizens of such county or city, or in case of unforeseen damage to public property, machinery or equipment, this provision shall not apply; and provided further, as to contracts for personal or professional services; work done by such county or city and paid for by the day, as such work progresses; and the purchase of land and right-of-way for authorized needs and purposes, the provisions hereof requiring competitive bids shall not apply and in such cases the notice herein provided shall be given but only with respect to an intention to issue time warrants with right of referendum as contemplated in Sections 3 and 4 hereof respectively.

Provisions in reference to notice to bidders, advertisement thereof, requirements as to the taking of sealed bids based upon specifications for public improvements or purchases, the furnishing of surety bonds by contractors and the manner of letting of contracts, as contained in the charter of a city, if in conflict with the provisions of this Act, shall be followed in such city notwithstanding any other provisions of this Act.

Any and all such contracts or agreements hereafter made by any county or city in this state, without complying with the terms of this Section, shall be void and shall not be enforceable in any court of this state and the performance of same and the payment of any money thereunder may be enjoined by any property taxpaying citizen of such county or city. Provided, however, that the provisions of this Act shall not apply to counties having a population of more than three hundred fifty thousand (350,000) inhabitants according to the last preceding or any future Federal Census.

Lump Sum Basis; Unit Price Basis; Changes in Plans and Specifications

Sec. 2a. Contracts for the construction of public works or the purchase of materials, equipment and supplies may be let under the provisions of Section 2 on a lump sum basis or on a unit price basis, as the governing body or Commissioners Court shall determine. In the event a contract is to be let on a unit price basis, the information furnished bidders shall specify the approximate quantities estimated upon the best available information, but the compensation paid the contractor shall be based upon the actual quantities constructed or supplied.

In the event it becomes necessary to make changes in the plans or specifications after

performance of a contract has been commenced, or it becomes necessary to decrease or increase the quantity of work to be performed or materials, equipment or supplies to be furnished, the Commissioners Court or governing body shall be authorized to approve change orders effecting such changes but the total contract price shall not be increased thereby unless due provision has been made to provide for the payment of such added cost either by appropriating available funds for that purpose or by authorizing the issuance of time warrants as provided in the Act amended hereby.

Where any change order involves a decrease or increase in cost of five thousand dollars or less, the Commissioner's Court or governing body may grant general authority to one of its administrative officials to approve such change orders.

Provided, however, that the original contract price may not be increased under the provisions of this Section 2a by more than twenty-five (25%) per cent or decreased more than twenty-five (25%) per cent without the consent of the contractor to such decrease.

Contracts for Purchase of Machinery

Sec. 2b. Contracts for the purchase of machinery for the construction and/or maintenance of roads and/or streets, may be made by the governing bodies of all counties and cities within the State in accordance with the provisions of this Section. The order for purchase and notice for bids shall provide full specification of the machinery desired and contracts for the purchase thereof shall be let to the lowest and best bidder.

Issuance of Time Warrants

Sec. 3. When it shall be the intention of the Commissioners' Court, or of the governing body, to issue time warrants for the payment of all or any part of the proposed contract, the notice to bidders required under Section 2 of this Act shall recite that fact, setting out the maximum amount of the proposed time warrant indebtedness, the rate of interest such time warrants are to bear, and the maximum maturity date thereof.

Referendum on Bond Issues

Sec. 4. If, by the time set for the letting of the contract, as many as ten per cent (10%) in number of the qualified voters of said county, or city, as the case may be, whose names appear on the last approved tax rolls as property taxpayers, petition the Commissioners' Court, or governing body, in writing to submit to a referendum vote the question as to the issuance of bonds for such purpose, then such Commissioners' Court, or governing body, shall not be authorized to make said expenditure, and shall not finally award said contract unless the proposition to issue bonds for such purpose is sustained by a majority of the votes cast at such election. The law in reference to elections for the issuance of city and county bonds as contained in Chapters 1 and 2, Title

22, Revised Statutes of 1925,¹ shall govern in so far as consistent with the provisions of this Act. The law in reference to the issuance, approval, registration and sale of bonds as contained in Chapters 1 and 2, Title 22, Revised Statutes of 1925, shall govern in so far as consistent with the provisions of this Act. Provided, that all such bonds shall mature and be payable as provided herein for funding bonds.

If such petition is not so filed with the County Clerk, or the City Secretary or Clerk, then the Commissioners' Court or the governing body may proceed with the final award of the contract and with the issuance of said warrants, but in the absence of such petition, the Commissioners' Court or governing body may at its discretion also submit such question to a vote of the people.

¹ Article 701 et seq.

Expenditures Permissible Without Notice or Referendum

Sec. 5. The notice required in Sections 2 and 3, and the right to referendum election defined in Section 4, shall not be applicable to expenditures payable out of current funds or bond funds, as above described, nor to additional expenditures by counties unless in excess of Five Hundred (\$500.00) Dollars for each One Million (\$1,000,000.00) Dollars, or a part thereof, of taxable property in said county, according to the last approved tax rolls; provided, however, that in counties of a valuation of less than Six Million (\$6,000,000.00) Dollars, said restriction of Five Hundred (\$500.00) Dollars for each One Million (\$1,000,000.00) Dollars shall not apply, but in lieu thereof the maximum authorized warrants shall be Three Thousand (\$3,000.00) Dollars annually; said Five Hundred (\$500.00) Dollars for every One Million (\$1,000,000.00) Dollars of property shall be the maximum amount of time warrants for all purposes to be issued by such county during the current calendar year; including the proposed expenditure, except in the counties of a valuation of less than Six Million (\$6,000,000.00) Dollars as above provided; and provided further than no such warrants shall ever be issued by a county in excess of One Hundred Thousand (\$100,000.00) Dollars for any one year, without the duty to give notice and the right to referendum provided in Section 3. If in excess of the maximum, the expenditure cannot be authorized until the expiration of the time for filing the petition for referendum vote has expired. The notice required and the right to referendum election defined in Sections 2, 3 and 4 shall not be applicable to expenditures payable out of the current funds or bond funds, as above described, nor to additional expenditures by cities unless in excess of Seven Thousand, Five Hundred (\$7,500.00) Dollars for cities having a population of five thousand (5,000) people, or less, as shown by the Federal Census immediately preceding; in excess of Ten Thousand (\$10,000.00) Dollars for cities having a population of more than five thousand (5,000), and less than

twenty-five thousand (25,000) as shown by the Federal Census immediately preceding; in excess of Twenty-five Thousand (\$25,000.00) Dollars for cities having a population of more than twenty-five thousand (25,000) and less than fifty thousand (50,000), as shown by the Federal Census immediately preceding, and in excess of One Hundred Thousand (\$100,000.00) Dollars for cities having a population of more than fifty thousand (50,000) as shown by the Federal Census immediately preceding. Said respective amounts above described shall be the maximum amounts of time warrants for all purposes to be issued by such cities during the current calendar year, without the duty to give notice and the right to referendum, provided in Sections 2, 3 and 4; otherwise, the expenditure cannot be authorized until the expiration of time for the filing of petition for referendum vote has expired, including the proposed expenditure.

Provided, that in case of public calamity caused by fire, flood, storm, or to protect the public health, or in case of unforeseen damage to public property, machinery or equipment, the Commissioners Court or the governing body may issue such time warrants as are necessary to provide for the immediate repair, preservation or protection of public property and the lives and health of the citizens of such county or city, irrespective of the limitations contained in this Section and the restrictions imposed by Sections 2, 3 and 4 hereof.

Improvements Exempt from Operation of Act

Sec. 6. The provisions of Sections 2, 3 and 4 of this Act shall not apply to expenditures for, or relating to paving drainage, street widening and other public improvements, the cost of at least one-third of which is to be paid by or through special assessments levied on properties to be benefited thereby. The provisions of this Act shall not affect projects for public improvements theretofore lawfully authorized by a vote of the people, and where there may be a deficiency of funds to complete same in accordance with the plans and purposes authorized by the voters. The provisions of this Act shall not apply to bonds or warrants issued under Title 118, Revised Civil Statutes of 1925,¹ pertaining to sea walls.

Provisions Inapplicable to Reconstruction or Repair of Court Houses or Jails

Sec. 6a. The provisions of Section 4 of the "Bond and Warrant Law of 1931"¹ shall not apply to the issuance of warrants for the building, construction, reconstruction and/or repair of a court house and/or jail in any county where the court house has been torn down or demolished and where notice was given under Section 2 of said Bond and Warrant Law prior to the taking effect of this Act, and there was no county court house at the time such notice was published, but in such cases warrants may be issued for the building, construction, reconstruction and/or repair of court

houses and/or jails, without notice, and no election shall be called upon any petition filed under Section 4 of said Bond and Warrant Law. All proceedings for the issuance of warrants, and all warrants issued or to be issued for any such purpose or purposes in any such case are hereby validated.

Refunding Indebtedness; Procedure

Sec. 7. The Commissioners' Court of any county or the governing body of any city in the State of Texas may pass all necessary orders and ordinances to provide for funding or refunding the whole or any part of any legal debt of such county or city, by canceling evidences thereof and issuing to the holders or creditors, notes, bonds or treasury warrants, with or without coupons, bearing interest payable annually, or semi-annually, at a rate not to exceed six per cent (6%) per annum. The exercise of such authority shall be regulated as follows:

(a) Such Commissioners' Court and such governing bodies shall have the right at all times to issue refunding bonds for the refunding of any outstanding bonds legally issued and outstanding matured interest on any legally issued outstanding bonds, subject to laws applicable to the issuance of refunding bonds and without the necessity of any notice or right to a referendum vote.

(b) Such Commissioners' Courts and governing bodies shall have the power to provide for funding the whole or any part of any legal debt of their respective counties or cities, existing at the time this Act becomes effective, except that which was created upon the condition that it should never become a charge upon the general revenues of such county or city, but canceling the evidences of such indebtedness and issuing to the holders or creditors, notes, bonds, or treasury warrants; provided that if funding bonds are delivered, the evidences of the original indebtedness shall be surrendered to the Comptroller of the State of Texas and cancelled by him prior to the registration of such funding bonds, and prior to their delivery to said holders or creditors.

(c) Such Commissioners' Courts and such governing bodies shall have the power to fund or refund any and all outstanding legal indebtedness, existing at the time this Act becomes effective, into notes or treasury warrants with or without coupons, in accordance with this Act and in accordance with the law as it exists at the time this Act becomes effective.

The funding bonds hereby authorized shall be payable serially not exceeding forty (40) years from the date thereof, unless the Commissioners' Court or governing body affirmatively adjudge that the finan-

cial condition of such county or city will not permit in such installment as will make the burden of taxation to support same, approximately uniform throughout the term of said bond issue. Such bonds shall be executed and issued in the same manner now provided by law for the execution and issuance of bonds to refund outstanding county or city bonds. Said bonds shall bear interest not exceeding six per cent (6%) per annum, and shall be approved by the Attorney General and registered by the State Comptroller in the same manner as other county or city refunding or funding bonds.

(d) After this Act becomes effective, no item of indebtedness thereafter issued, except bonds and matured coupons thereon, and except items of indebtedness to be issued under contracts made before this law becomes effective, shall be funded or refunded except in the manner hereinafter in this subsection prescribed, to-wit:

Notice of intention to issue such funding bonds, including a statement of the amount and purpose of such bonds, shall be published at least once a week for three (3) successive weeks in a newspaper of general circulation within such county, or within such city, as the case may be, at least thirty (30) days before the meeting of the Commissioners' Court or of the governing body, at which time it is proposed to issue such bonds. If no newspaper is published in such county or city, as the case may be, such notice may be posted at the Courthouse door of the county, or at the City Hall, as the case may be. At any time before the date fixed for the issuance of such bonds, not less than ten per cent (10%) of the qualified property tax-paying voters of the county, as shown by the records in the office of the County Tax Collector, or in the office of the City Tax Collector, as the case may be, may file a petition in the office of the County Clerk or City Secretary or Clerk, praying the Court or the governing body to order an election for the purpose of submitting the proposition to issue such bonds to a vote of the qualified property tax-paying voters of the county or city as the case may be. Upon the filing of such petition, such Court or governing body shall at the next meeting thereof, order an election to be held in such county or city to determine whether or not such funding bonds shall be issued as indicated in such petition.

The Commissioners' Court or governing body shall determine the time and the place or places of holding said election; and the manner of holding same shall be governed by the

laws of the State regulating elections for the issuance of other county or city bonds under Chapters 1 and 2, Title 22, Revised Civil Statutes of 1925.¹ If the proposition for the issuance of such bonds be sustained by a majority of the property taxpaying voters, voting at such election, then such bonds shall be authorized and shall be issued by such Commissioners' Court or governing body.

In the event no such petition is presented to the Commissioners' Court or governing body within the time hereinabove prescribed, no election on the proposition shall be required, and such Court or governing body shall then have the power to pass all necessary orders to provide for canceling or funding the indebtedness described in such published notice of intention to fund said debts, and may cancel the evidences thereof by issuing to the holders the necessary amount of funding bonds.

The funding bonds hereby authorized shall be payable serially not exceeding forty years from the date thereof, unless the Commissioners' Court or governing body affirmatively adjudge that the financial condition of such county or city will not permit, in such installments as will make the burden of taxation to support same, approximately uniform throughout the term of said bond issue. Such bonds shall be executed and issued in the same manner now provided by law for the execution and issuance of bonds to refund outstanding county or city bonds. Said bonds shall bear interest not exceeding six per cent (6%) per annum, and shall be approved by the Attorney General and registered by the State Comptroller in the same manner as other county or city refunding or funding bonds.

The Commissioners' Court of any county and the governing body of any city shall at all times have power without notice or the right to referendum to fund or refund any item of indebtedness created in accordance with the provisions of this Act to prevent or relieve a default or an impending default in the payment of principal or interest.

¹ Article 701 et seq.

Tax Levy for Payment of Bonds or Warrants

Sec. 8. It is hereby made the duty of all Commissioners' Courts and of all governing bodies, as the case may be, to levy, and have assessed and collected, taxes sufficient to pay the interest as it accrues and the principal as it matures on all bonds and time warrants issued in accordance with the provisions of this Act. The same duties in reference to the levying, assessment and collection of taxes, as are imposed by the provisions of Chapters 1 and 2, of Title 22, Revised Civil Statutes of 1925,¹ to assure the payment of taxes on bonds therein authorized, are imposed on said Commissioners' Courts and said governing bodies in reference to all bonds and time warrants issued in accordance with this Act; provided that if a tax, meeting the requirements of Article 11, Sections 5 and 7 of the Constitution shall have been levied to pay principal and interest there-

on, any bond or warrant may thereafter be funded or refunded through the issuance of funding or refunding bonds or warrants irrespective of the fact that due to decline of property values or for other reasons, the City or County seeking to issue such funding or refunding bonds or warrants does not then have available taxing power sufficient to pay the principal and interest of such funding or refunding bonds or warrants.

¹ Article 701 et seq.

Refunding Inapplicable to Utility Bonds Payable from Revenues

Sec. 8a. Provided any city or town which has theretofore issued bonds, warrants, certificates, or other securities payable from revenues and income of any utility or utilities owned by such city or town may fund, refund, or extend such bonds, warrants, certificates or other securities, without the necessity of complying with the referendum provisions hereof, provided such refunding does not increase the amount of such indebtedness, taking into consideration interest adjustments; provided, however, that no such bonds, warrants, certificates, or other securities payable from revenues, or from the income of any utility, which may be funded, refunded or extended by a city or town, shall ever be made a charge upon moneys raised or to be raised by taxation.

Bonds Issued in Violation of Act Invalid

Sec. 9. Any warrant bond, funding bond, refunding bond or other evidence of debt or obligation created, or attempted to be created, by the County Commissioners' Court of any county, or the governing body of any city in this State, in violation of or contrary to the provisions of this Act, shall be void, and the payment thereof may be enjoined by any taxpaying citizen of such county, or any taxpaying citizen of such city, in any court of competent jurisdiction in such county.

Provided, however, that notwithstanding anything contained in this Act, Articles 709 to 715, inclusive, of the Revised Statutes of Texas for 1925, shall apply with full force and effect to all bonds, funding bonds and refunding bonds issued under this Act.

Application to Special Charter Cities

Sec. 10. In all cities operating under Special Charter the provisions of this Act shall apply, providing for a referendum vote where the proposed expenditure is not payable out of current funds, or bond funds, and requires the issuance of time warrants in excess of the permitted amount. This Act shall not repeal provisions of Special Charters providing any additional rights to referendum elections. The rights, power and duties conferred on and imposed on all cities in reference to the issuance of funding or refunding bonds and warrants shall be applicable to all cities, irrespective of charter provisions to the contrary. All laws, General and Special, and parts of laws in conflict herewith are hereby expressly repealed.

Article 2368, Revised Civil Statutes of 1925, is expressly repealed.

Mortgage of Utility Systems Permissible

Sec. 11. Nothing herein shall be so construed as to preclude any city or town in this State, whether organized under General or Special Law or operating under Special Charter, from encumbering or mortgaging its light system, water system, sewer system or any other utility, either, both or all, and the franchise and the income thereof and everything pertaining thereto acquired or to be acquired, to secure the payment of funds to purchase same or to make or purchase extensions, additions, or improvements thereto, as contemplated in Articles 1111 to 1118, both inclusive, of the Revised Civil Statutes of Texas, 1925, with amendments thereto, or by valid provisions of the charter of such city or town, or by the provisions of Article 1175, Revised Civil Statutes of Texas, 1925, provided that in making such contracts or agreements or encumbrances and in issuing revenue bonds, warrants or other obligations to be paid out of the property and income from such system or systems, the governing body of such city or town shall comply with the provisions of this Act in regard to notice and competitive bids and the right to a referendum of such question.

Provided, however, that no competitive bids shall be required in case the municipality proposes to acquire an existing utility plant, and in such cases the voters shall be entitled to a referendum, only on the question of whether or not the utility shall be purchased, in the manner and under the conditions set forth in this Act.

Provided, further, that notwithstanding any provisions of this Act, and notwithstanding any provision of its Special Charter, if such city or town is acting under authority of House Bill No. 981, passed by the Regular Session of the 42d Legislature,¹ the requirements of this Act in reference to notice, competitive bids and the rights to referendum shall not apply until after June 1, 1932.

¹ Article 1118a.

Inapplicable to Warrants Based or Issued on Current Funds

Sec. 11a. Nothing contained in this Act shall be construed as requiring any city to give any notice as a condition precedent to issuing warrants payable out of current funds of said city and the issuance of any such warrants by any such city shall not be subject to the terms and provisions of this Act; provided, however, that at the time of the authorization of such warrants the Governing Body of the city, shall also pass an order setting aside such an amount of the current funds as will discharge the principal and interest of the warrants issued and based upon such current funds. And thereafter the so appropriated portion of such current funds shall not be used for any purpose other than to discharge said warrants. And no such warrants shall ever be refunded,

but they must be discharged out of the designated funds.

Saved From Repeal

Acts 1949, ch. 36, p. 67 [Art. 2368f], relating to the issuance of the time warrants in counties with a population in excess of 300,000 by section 3 excepts section 2 of this article, as amended, from the repeal of the conflicting laws except as to the warrants authorized by that act.

Acts 1971, 62nd Leg., p. 2824, ch. 923, enacting the Certificate of Obligation Act (Article 2368a.1), provided in section 10 that nothing herein shall be construed as repealing the Bond and Warrant Law of 1931. See article 2368a.1, § 10.

(a) The governing body of an issuer may authorize certificates for the purpose of paying any contractual obligation to be incurred for the construction of any public work or for the purchase of materials, supplies, equipment, machinery, the purchase of land and rights-of-way for authorized needs and purposes, or for the payment of contractual obligations for professional services (including tax appraisal engineers, engineering, architectural, attorneys, mapping, auditing, financial advisors, fiscal agent) or for any one or more of such purposes.

(b) Certificates may be authorized in an amount not in excess of 25% of any contractual obligation incurred for construction of public works in order to provide for change orders as work progresses (as contemplated by Section 6) but only such amount of certificates as required to discharge contractual obligation after execution of such change orders shall be delivered by an issuer.

Notice to Bidders

Sec. 5. No certificates of indebtedness may be authorized by any issuer unless the notice to bidders (where the same is required) states (i) the successful bidder or bidders will be required to accept such certificates in payment of all or a portion of the contract price or (ii) that the governing body of any issuer has made provision for the contractor to sell and assign such certificates to another and that

each bidder is required (at the time of the receipt of bids) to elect whether he will accept such certificates in payment of all or a part of the contract price or assign such certificates in accordance with such arrangements.

Competitive Bids; Notice, Publication; Change Orders, Payment of Added Cost; Rejection of Bids; Performance Bond

If such notice is given under the provisions of this Act, it shall be published once a week for two consecutive weeks in a newspaper as defined in Chapter 84, Acts of the 43rd Legislature, 1st Called Session, 1933, as amended (Article 28a, Vernon's Texas Civil Statutes), of general circulation in the city or county which is to receive bids, the date of the first publication to be 14 days prior to the date set for the receipt of bids, and shall specify that plans and specifications for the work to be done or specifications for machinery, supplies, equipment or materials to be purchased are on file with a designated official of the issuer where they may be examined without charge. All contracts for the construction of public works, the purchase of materials, equipment, supplies, or machinery let under the provisions of this Act shall be let to the lowest responsible bidder and may be let on a lump sum basis or on a unit price basis, as the governing body shall determine. In the event a contract is to be let on a unit price basis, the information furnished bidders shall specify the approximate quantities estimated upon the best available information, but the compensation paid the contractor shall be based upon the actual quantities constructed or supplied.

(c) After performance of a construction contract has been commenced, if it becomes necessary to (i) make changes in the plans or specifications or (ii) decrease or increase the quantity of work to be performed or materials, equipment or supplies to be furnished, the governing body shall be authorized to approve change orders effecting such changes but the total contract price shall not be increased thereby unless due provision has been made to provide for the payment of such added cost either by appropriating current or bond funds for that purpose, by authorizing the issuance of certificates, or by any one or more such procedures, but the original contract price may not be increased by more than twenty-five per cent (25%) or decreased more than twenty-five

per cent (25%) without the consent of the contractor to such decrease.

(d) The governing body shall have the right to reject any and all bids, and if the contract is for the construction of public works and is for or requires the expenditure of \$2,000 or more, then the successful bidder shall be required to give a good and sufficient payment and performance bond each in the full amount of the contract price, executed by some surety company authorized to do business in this State in accordance with the provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended.

Sec. 2. Whenever any county in this State may have acquired a building (other than the courthouse) at the county seat which is used partly for public business and which is partly rented for private purposes, where such building was acquired by such county in settlement of an obligation owed to the county, and the Commissioners Court of such county desires to enlarge, remodel, renovate, add onto, repair, improve, or otherwise alter such building, and funds are not available for such purpose, the Commissioners Court of such county shall have the power to issue negotiable bonds, notes, warrants, or other evidences of indebtedness to secure funds for such purpose and to pledge, assign, encumber, and hypothecate the net income and revenues from the portion of such

There shall be charged and collected as rental for those parts of such building not used for public purposes, a sufficient amount to pay all operating, maintenance, depreciation, replacement, betterment, and interest charges, and expenses, and to create an interest and sinking fund sufficient to pay any securities issued hereunder.

Sec. 4. Each contract bond, warrant, note, or other evidence of indebtedness issued pursuant to this law shall contain this clause: "The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation." Where bonds are issued hereunder, they may be presented to the Attorney General for his approval as is provided for the approval of municipal bonds issued by counties. In such case, upon approval, the bonds shall be registered by the State Comptroller as in the case of other municipal bonds. Projects financed in accordance with this law are hereby declared to be self-liquidating in character and supported by charge other than by taxation. Securities issued under the provisions hereof shall be subject to the applicable provisions of the Bond and Warrant Law of 1931 as amended (House Bill No. 312, Acts of 1931, Forty-second Legislature, page 269, Chapter 163, as amended)¹ except as same may be inconsistent herewith and under no circumstances shall any vote of the taxpayers be required upon any securities issued hereunder.

Sec. 5. Before adopting any rules or regulations, or revising rules or regulations theretofore adopted in connection with the subject matter of this Act, the Commissioners' Court shall give at least fifteen (15) days' notice of such proposed adoption or revision of rules or regulations by publishing a notice at least once

in each week for two (2) successive weeks in some newspaper published in the county in which such rules, regulations, or revisions are to be made effective of its intention so to do, and that a hearing is to be held before said court at a fixed time and day to be specified in the notice. At the time and place fixed for hearing, any employee or taxpayer may appear to protest against the adoption of any such rule or regulation, or revision of existing rules. If sustained, the regulations shall be adjusted accordingly. Upon the adjustment or the overruling of protests, the court shall adopt the regulations and direct their recording upon its minutes, and upon approval thereof, as herein provided, they shall become effective on the date set out therein. The notice published shall contain a brief summary of the rules or regulations, or the amendments or changes therein, which it is proposed to make.

Persons Subject to Regulations

Sec. 6. Juvenile officers and probation officers appointed under the terms of Title 82, Revised Civil Statutes of Texas, 1925, as amended,² shall be subject to the provisions of such regulations as hereinbefore provided, including those for retirement, to the extent that the juvenile board of any county affected by this Act may determine. In like manner, court reporters in the various courts in such counties shall be subject to the provisions of such regulations to the extent that a majority of the District Judges of such counties in meeting assembled may determine by a vote of the majority present; an order to be entered in the minutes of each of the courts of such judges and a certified copy thereof to be supplied to the Commissioners Court. In like manner, the County Auditor and his assistants in such counties shall be subject to the provisions of such regulations hereinbefore provided for to the extent that the County Auditor in such counties may determine, with the approval of the District Judges, or a majority of them; unless a majority of the judges of the District Courts in such counties voting in a meeting of which all of the District Judges shall have notice, shall adopt the rules and regulations promulgated by the Commissioners Court and make them uniformly applicable so far as practicable to all the juvenile, probation officers, court reporters, and the County Auditor and his assistants. Nothing contained herein shall be construed as authorizing any change in regard to the time, method and manner of appointment or discharge of juvenile and probation officers, or the County Auditor or his assistants, or court reporters, or as authorizing any change in the number thereof or the salaries to be paid, it being the intention of the Legislature that all of such matters shall continue to be regulated by the Statutes applying thereto. If any juvenile, or probation officer, or County Auditor or his assistants shall be jointly employed by two (2) or more subdivisions of Government, the rules and regulations applying to them may be adapted or amended accordingly. For the pur-

pose of adapting such regulations to such employees, they may, if necessary to give equal application to the regulations to all employees, be considered as being upon the same basis as if they were employed by one such unit, and the total salary paid by such unit, and the necessary expense of administration and contributions may be prorated to the different employing units.

Appeals

Sec. 9. (a) Any employee who, under a final decision of the commission, is demoted, suspended, or removed from his position, may appeal the decision by filing a petition in a district court of the county within 30 days after the date of the decision.

(b) Appeals under this section shall be tried de novo.

(c) If the district court renders judgment for the petitioner, it may order reinstatement, back pay, and any other appropriate relief.

(d) Suits instituted under this section have precedence over other civil cases, and the judgment of the district court is appealable as in other civil cases.

Exemptions

Sec. 10. (a) Any person who is an employee of a county covered by this Act on the effective date of this Act shall not be required to take any competitive examination or perform any other act to maintain his present employment.

[Acts 1949, 51st Leg., p. 734, ch. 396, § 1.]

Art. 2372j. County Office Building and Other Buildings; Certain Counties of 90,000 to 225,000

Sec. 1. In all counties having a population in excess of ninety thousand (90,000) persons and not more than two hundred and twenty-five thousand (225,000) persons according to the last preceding Federal Census, having an assessed valuation on property for ad valorem tax purposes of more than One Hundred and Twenty-five Million Dollars (\$125,000,000) and having at least four (4) incorporated cities within the county, at least one (1) of which cities having a population of more than fifty thousand (50,000) inhabitants according to the last preceding Federal Census, whenever the Commissioners Court of any such county determines that the county courthouse is not adequate in size or facilities to properly house all county offices and permit the proper exercise of the duties of such office, and/or that the county jail is not adequate in size or facilities to properly confine prisoners, and/or that there is a need for an agricultural building, said Commissioners Court may purchase, construct, or otherwise acquire either in the city

of the county seat or elsewhere in the county, a county office building or buildings for any such offices for which the courthouse is not adequate, and/or for which there is a need, including the site or sites therefor. Without limitation of the generalization of the foregoing, any such jail, agricultural building, or other structure or improvement may include an auditorium to be used by the Commissioners Court or any other county officer or county office for any proper county purpose or public purpose. Payment for such buildings or improvements, including the site or sites therefor, shall be made from the Constitutional Permanent Improvement Fund.

Sec. 2. All proceedings heretofore had by the Commissioners Court of any such county within the past two (2) years providing for and/or establishing any of the buildings herein authorized by Section 1 of this Act, are hereby approved and validated as the proper, lawful and authorized proceedings of any such county and/or its Commissioners Court; provided, however, nothing in this Act shall affect any case or cause of action now pending in any court in this State.

Sec. 3. This Act shall be cumulative of all other laws on the same subject.

Sec. 4. If any Section, subsection, sentence, phrase or word of this Act shall be held unconstitutional or invalid, such invalidity shall not affect the remaining portions of this Act and the Legislature hereby declares it would have enacted such remaining portions despite such invalidity.

[Acts 1949, 51st Leg., p. 781, ch. 421.]

Art. 2372k. Real Estate Subdivisions in Counties of 190,000; Requirements as to Roads

Sec. 1. (a) In all counties having a population of not less than one hundred ninety thousand (190,000), according to the last preceding or any future Federal Census, the Commissioners Courts of such counties shall have the authority to require the owner or owners of any tract of land situated outside of the boundaries of any incorporated town or city in such counties, who may hereafter divide the same in two or more parts for the purpose of laying out any subdivision of any such tract of land, or for laying out suburban lots or building lots, and streets, alleys or parks or other portions intended for public use, or the use of purchasers or owners of lots of any such tract of land, to provide for a right-of-way of not less than sixty (60) feet for any road or street within such subdivision.

(b) The Commissioners Courts of any such counties shall have the authority to promulgate reasonable specifications to be followed in the construction of any such roads or streets within such subdivisions, which specifications may include provisions for the construction of adequate drainage for such roads or streets.

Sec. 2. The Commissioners Courts of any such counties shall have the authority to re-

quire the owner or owners of any such tract of land which may be so subdivided to give a good and sufficient bond for the proper construction and maintenance of such roads or streets, executed by some surety company authorized to do business in this State. Such bond shall be made payable to the County Judge, or his successors in office, of the county wherein such subdivision lies, and conditioned that the owner or owners of any such tract of land to be subdivided will construct any roads or streets within such subdivision in accordance with the specifications promulgated by the Commissioners Court of such county and will maintain such roads or streets for a period of one year from the date of the approval by such Commissioners Court of any map or plat of any such subdivision. The bond shall be in such amount as may be determined by the Commissioners Court but shall not exceed a sum equal to Three (\$3.00) Dollars for each lineal foot of road or street within such subdivision.

Sec. 3. The Commissioners Courts of any such counties shall have the authority to refuse to approve and authorize any map or plat of any such subdivision unless such map or plat provides for not less than the minimum right-of-way for roads or streets as required in Section 1(a) hereof; and there is submitted with such map or plat a bond as required by Section 2 hereof.

Sec. 4. All laws or parts of laws in conflict with the provisions of this Act are hereby expressly repealed.

Sec. 5. If any section, subsection, paragraph, sentence, clause or provision of this law be declared unconstitutional or invalid by the courts, it shall not affect the constitutionality or validity of the remainder thereof, and it is hereby declared that this Act would nevertheless have been passed without such section, subsection, paragraph, sentence, clause or provisions so declared unconstitutional.

Art. 2372l. Zoning of Padre Island

Legislative Finding

Sec. 1. The Legislature finds as a matter of fact that that portion of Padre Island lying within Cameron and Willacy Counties is frequented for recreational purposes by citizens from every part of the State and that the orderly development and utilization of this area is a matter of concern to the entire State. The Legislature further finds as a matter of fact that buildings on islands which are frequented as resort areas tend to become congested and to be put to uses which interfere with the proper use of the area as a place of recreation, to the detriment of the health, safety, morals, and the general welfare of the public.

Authority of Commissioners' Courts

Sec. 2. For the purpose of promoting health, safety, peace, morals and the general welfare of the community, including the recreational use of county parks, the Commissioners

Courts of Cameron and Willacy Counties are hereby empowered to regulate and restrict the height, number of stories, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures and land for trade, industry, residence, or other purposes, and to regulate the placing of water, sewerage, park and other public requirements on such island in areas of such island lying outside the corporate limits of a city, town or village, and within two miles of any publicly owned park or recreational development and all areas which lie within two miles of any beach, wharf or bath house which is used by as many as five hundred persons annually.

Districts

Sec. 3. For any or all of said purposes the Commissioners Court of each said county may divide said area in said islands into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this Act; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures, or land. All such regulations shall be uniform for each class or kind of building throughout each district, but the regulations in one district may differ from those in other districts.

Purposes in View

Sec. 4. Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the streets and roads; to secure safety from fire, panic, and other dangers; to promote health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, parks, and other public requirements, and to assist in developing said island into parks, playgrounds and places of recreation for the inhabitants of the State of Texas, and other states and nations. Such regulations shall be made with reasonable consideration, among other things, to the character of the district and its peculiar suitability for particular uses, and with a review to conserving the value of buildings and encouraging the most appropriate use of land throughout said islands, and it is hereby provided that this Act shall not enable said Commissioners Courts to require the removal or destruction of property existing at the time said Commissioners Courts shall take advantage of this Act.

Method of Procedure

Sec. 5. The said Commissioners Courts shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established, and enforced, and from time to time amended, supplemented, or changed. However,

no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen (15) days notice of the time and place of such hearing shall be published in a paper of general circulation in each said county.

Changes

Sec. 6. Such regulations, restrictions, and boundaries may from time to time be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against such change, signed by the owners of twenty (20%) per cent or more either of the area of the lots included in such proposed change, or of those immediately adjacent in the rear thereof extending 200 feet therefrom, or from the street frontage of such opposite lots, such amendment shall not become effective except by the favorable vote of three-fourths of all the members of the Commissioners Court. The provisions of the previous section relative to public hearing and official notice shall apply equally to all changes or amendments.

Zoning Commission

Sec. 7. In order to avail itself of the powers conferred by this Act, the said Commissioners Courts shall appoint a commission, all of whom shall be residents of each said county, and to be known as the Zoning Commission, to be composed of seven (7) members, to recommend the boundaries of the various original districts, and appropriate regulations to be enforced therein. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and said Commissioners Court shall not hold its public hearings or take action until it has received the final report of such commission. Where a Board of Park Commissioners for each said county already exists, it may be appointed as the Zoning Commission. Written notice of all public hearings on proposed changes in classification shall be sent to all owners of property, or to the person rendering the same for county taxes, affected by such proposed changes of classification, and to all owners of property, or to the person rendering the same for county taxes, located within two hundred (200) feet of any property affected thereby, within not less than ten (10) days before any such hearing is held. Such notice may be served by depositing the same, properly addressed and postage paid, in the post office.

The Zoning Commission shall choose from its own membership its chairman for such tenure (not extending beyond the term of his office as a member of said commission) as it sees fit and at any time may choose from its own membership for any particular meeting or occasion, an acting chairman; and it may employ its own secretary, and at any time an acting secretary, and other technical and clerical help to be paid by each said county, compensation not in excess of the amount determined by prior order of the said Commissioners Court.

No member of the commission shall be entitled to compensation as such, but may be entitled to expenses actually incurred while serving on the commission in accordance with the provisions of any order entered by the County Commissioners Court to that effect.

Board of Adjustment

Sec. 8. The said Commissioners Court may provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this Act may provide that the said board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the zoning regulations in harmony with their general purpose and intent and in accordance with general or specific rules therein contained.

The board of adjustment shall consist of five members, each to be appointed for a term of two (2) years and removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant.

The board shall adopt rules in accordance with the provisions of any order adopted pursuant to this Act. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. Such chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.

Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board, or bureau of the county or of any municipality affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board, by filing with the officer from whom the appeal is taken, and with the Board of Adjustment, a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.

An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the Board of Adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Adjustment or by a court of record on

application on notice to the officer from whom the appeal is taken and on due cause shown.

The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney.

The Board of Adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by an administrative official in the enforcement of this Act or of any order adopted pursuant thereto;
2. To hear and decide special exceptions to the terms of the order upon which such board is required to pass under such order;
3. To authorize upon appeal in specific cases such variance from the terms of the order as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the order will result in unnecessary hardship, and so that the spirit of the order shall be observed and substantial justice done.

In exercising the above mentioned powers such board may, in conformity with the provisions of this Act, reverse or reaffirm, wholly or partly, or may modify the order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

The concurring vote of four (4) members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such order, or to effect any variation in such order.

Any person, or persons, jointly or severally, aggrieved by any decision of the Board of Adjustment, or any taxpayer, or any officer, department, board, or bureau of the county or of the municipality, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within ten (10) days after the filing of the decision in the office of the board.

Upon the presentation of such petition the court may allow a writ of certiorari directed to the Board of Adjustment to review such decision of the Board of Adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten (10) days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to

the board and on due cause shown, grant a restraining order.

The Board of Adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence, or in bad faith, or with malice in making the decision appealed from.

All issues in any proceeding under this section shall have preference over all other civil actions and proceedings.

Enforcement and Remedies

Sec. 9. The said Commissioners Court may provide by order for the enforcement of this Act and of any order or regulation made thereunder. A violation of this Act or of such order or regulation is hereby declared to be a misdemeanor, and such local legislative body may provide for the punishment thereof by fine or imprisonment or both. It is also empowered to provide civil penalties for such violation.

Districts

Sec. 3. For any or all of the purposes set forth in Section 2 of this Act, the commissioners court may divide the area into zoned districts of such number, shape, and area as it may consider best suited to carry out the purposes of this Act; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures, or land. All regulations shall be uniform for each class or kind of building throughout each district, but the regulations in one district may differ from those in other districts.

Purposes in View

Sec. 4. These regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the streets and roads; to secure safety from fire, panic, and other dangers; to promote health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, parks, and other public requirements, and to assist in developing said area into parks, playgrounds and places of recreation for the inhabitants of the State of Texas, and other states and nations. In making these regulations the commissioner's court shall give reasonable consideration to the character of the district and its peculiar suitability for

particular uses, with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the area. However, this Act shall not enable the commissioners court to require the removal or destruction of property existing at the time the commissioners court implements the provisions of this Act, nor may the commissioners court limit or otherwise restrict the right of a landowner acting in his own behalf to construct improvements to be used for agricultural purposes, or otherwise use his land for agricultural purposes. However, the commissioners court may limit, restrict, or prohibit any commercial agricultural enterprise such as feed lots.

Zoning Commission

Sec. 5. (a) The commissioners court shall appoint a zoning commission, to be composed of five members, to recommend the boundaries of the various original zoned districts, and appropriate regulations to be enforced therein. The commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and the commissioners court shall not hold its public hearings or take action until it has received the final report of the commission. Written notice of all public hearings on proposed changes in classification shall be sent to all owners of property, or to the person rendering the same for county taxes, affected by such proposed changes of classification, and to all owners of property, or to the person rendering the same for county taxes, located within 200 feet of any property affected thereby, within not less than 10 days before any such hearing is held. This notice may be served by depositing a letter, properly addressed and postage paid, containing all necessary information, in the post office.

(b) The zoning commission consists of an ex officio chairman and four additional members. The chairman shall be a public official in Val Verde County, and shall be appointed by the Commissioners Court of Val Verde County to hold a term of office of two years. Initial appointment of the four additional members of the zoning commission shall be made by the commissioners court with members to be assigned terms of one, two, three, and four years. Thereafter, in the event of resignation, end of term, or vacancy occurring in the membership, new members shall be selected by the commissioners court. A vacancy in the office of ex officio chairman shall be filled by appointment of the commissioners court.

(c) The zoning commission may employ a secretary, and an acting secretary, and other technical and clerical help to be paid not in excess of an amount determined by prior order of the commissioners court.

(d) Members of the commission shall receive compensation in the amount of \$10 per month, and may also be entitled to expenses actually incurred while serving on the commission in

accordance with the provisions of any order entered by the commissioners court to that effect. However, the chairman shall not receive compensation under this subsection if he receives compensation in his capacity as a public official in Val Verde County.

(e) No person may be appointed to, or serve on, the commission after his 70th birthday.

Method of Procedure

Sec. 6. (a) No preliminary report, or proposed order, rule, or regulation of the zoning commission is effective until it has been approved and adopted by the commissioners court.

(b) The commissioners court shall hold a public hearing before adopting any preliminary report or proposed order, rule, or regulation of the zoning commission, and it shall publish public notice of the hearing at least 15 days in advance of the hearing in a newspaper of general circulation in Val Verde County.

(c) A preliminary report, or proposed order, rule, or regulation of the zoning commission may be amended, supplemented, altered, modified, or rejected by a majority vote of the commissioners court. However, in the event of a protest against any such change, signed by the owners of 20 percent or more either of the lots included in the change, or of those immediately adjacent in the rear thereof extending 200 feet therefrom, or from the street frontage of these opposite lots, the change shall not become effective except upon favorable vote of three-fourths of all the members of the commissioners court. The commissioners court shall hold a public hearing after receiving such a protest, and the provisions of public notice set forth in Subsection (b) of this section shall apply to the hearing.

Appeals

Sec. 7. (a) Any person aggrieved, or any officer, department, board, or bureau of Val Verde County, or of any municipality in Val Verde County, may petition the commissioners court for a special exception to any final report, order, rule, or regulation adopted by the commissioners court. The commissioners court shall hold a public hearing on the petition and shall publish public notice of the hearing at least 15 days in advance of the hearing in a newspaper of general circulation in Val Verde County.

(b) The commissioners court may grant any petition for a special exception by majority vote; however, in the event of a protest against the special exception presented at the hearing and signed by the owners of 20 percent or more either of the lots included in the change, or of those immediately adjacent in the rear thereof extending 200 feet therefrom, or from the street frontage of these opposite lots, the change shall not become effective except upon favorable vote of three-fourths of all the members of the commissioners court.

Enforcement and Remedies

Sec. 8. (a) The commissioners court may provide by order for the enforcement of this Act and of any order or regulation made thereunder. Any person who violates any provision of this Act, or any rule or regulation made pursuant to this Act by the commissioners court, is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than \$500 nor more than \$1,000. Each day that a violation occurs constitutes a separate offense. Trial of offenses under this section shall be in the district court.

(b) In the event any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, or land is used, in violation of this Act or any order or other regulation made pursuant to the authority conferred on the commissioners court by this Act, the proper authorities of the county may, in addition to other remedies, institute an appropriate action or proceeding to prevent the unlawful action or use, to restrain, correct, or abate the violation, to prevent the occupancy of the building, structure, or land, or to prevent any illegal act, conduct of business, or other use in or about the premises.

Conflict With Other Laws

Sec. 9. (a) Whenever the regulations made by the commissioners court pursuant to the authority granted in this Act require a greater width or size of yards, courts, or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose higher standards than are required in any other statute or local order or regulation, the provisions of the regulations made pursuant to this Act shall govern.

(b) Wherever the provisions of any other statute or local order or regulation require a greater width or size of yards, courts, or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of a lot to be left unoccupied, or impose other higher standards than are required by the regulations made pursuant to this Act, the provisions of the statute or other local order or regulation shall govern.

Inapplicability to Telephone Systems

Sec. 10. The provisions of this Act or of any orders, regulations, or restrictions made or entered under the authority of this Act, shall not apply to the location, construction, maintenance, or use of central office buildings of corporations, firms, or individuals engaged in the furnishing of telephone service to the public, or to the location, construction, maintenance, or use of any equipment in connection with such buildings or as a part of such telephone systems, necessary in the furnishing of telephone service to the public.

Art. 2372m. Rabies; Regulations

Declaration of Danger of Epizootic; Powers; Duration of Regulations

Sec. 1. The Commissioners Court of any county in this State is hereby authorized, by an order duly entered in the minutes of proceedings of said court in order to prevent the introduction or spread of rabies, to declare the area of said county to be in danger of a rabies epizootic in the animal population thereof. Upon such order being duly entered, as above described, that the existence of such epizootic would be a menace to the health and safety of the people of each area of the county, said Commissioners Court shall be authorized to promulgate and establish regulations in accordance with this Act, including but not limited to, the requirement for restraint of domestic animals, anti-rabies vaccination of dogs, registration of dogs, quarantining of biting animals and rabies suspects.

The Commissioners Court may declare such emergency to exist after a public hearing held by the Court concerning the proposed regulation. Said regulations shall remain in effect until amended or rescinded by the Court after a public hearing concerning the proposed amendment or rescission.

Regulations Authorized

Sec. 2. The regulations necessary for the control of animals of such county as determined by the Commissioners Court shall be set forth in the minutes of the Court. The said Court shall have the power and authority upon the basis of preventing the introduction or spread of rabies in the county to protect public health and safety of the people, to determine and fix any reasonable regulation to control animals, which may include the following but which shall not limit the power of the Court to act:

A. To authorize the County Health Officer or his delegate to enforce a rabies quarantine in the county and cause the removal or disposition of animals which may endanger the public health and safety.

B. Require each and every dog in the county to be registered with the county unless registered with a local municipality within the county. Such registration shall be evidenced by an identification tag to be furnished by the enforcing agency, which tag shall carry the registration number of the dog and, as required by this Act, an anti-rabies vaccination is a condition precedent to the issuance of such a registration, the tag bearing the number and fact of such vaccination shall be securely fastened to a collar or harness worn by such dog. Such registration shall be good for one (1) year from the date of registration and the owner of such dog shall be required to renew the registration each year.

C. To require a current anti-rabies vaccination of dogs by the time they reach 4 months of age with a vaccine (preferably

modified live virus) approved by the United States Department of Agriculture as a condition precedent to the issuance of such registration to help prevent the spread of rabies in the animal population, since the existence of a rabies epizootic would be a menace to the health and safety of the people in such county. A rabies vaccination shall remain current for such period as determined by the court upon due consideration of the specific type of anti-rabies vaccine to be administered and the local rabies situation. Evidence of the current vaccination certified by a licensed veterinarian, shall be furnished to the enforcement agency before issuance of such registration and evidence of such shall be carried on the tag required to be fastened to the collar or harness of the dog.

D. To declare any dog, whether registered and tagged or unregistered and untagged, that is not restrained by the owner within the county to be a public nuisance and require that such animal be detained or impounded by any person or persons designated by the Court. The Commissioners Court shall have authority to direct the holding of such dog until claimed, to charge the owner of such animal for impoundment and board during the period of retention at a rate to be set by the Court, and to dispose of any animals which are unclaimed by their owners.

E. To allow the enforcement agency (whether it be the county or local municipality therein) to collect a fee set by the Commissioners Court order for the registration of any dog. Such fees shall be used only to help defray the expense of administration of these regulations promulgated by the Commissioners Court.

F. To require the reporting to the enforcement agency of all animal bites and the quarantining for a minimum of 10 days under the supervision of a licensed veterinarian of the biting animal suspected of being rabid or being exposed to a possibly rabid animal.

G. The promulgation and establishment of regulations by the Commissioners Court of any county in accordance with this Act shall not prevent or jeopardize a corporate municipality within the county to establish more stringent rules and regulations to prevent the introduction and spread of rabies and the control of animals within their corporate limits, and such ordinances established by said corporate municipalities shall supersede the county order within the municipality so that dual enforcement will not occur.

Punishment for Violations

Sec. 3. Any owner who fails to restrain a dog in the county, whether registered and tagged or not, or any owner who fails to vaccinate or register any dog in violation of any or-

der of the Commissioners Court promulgated pursuant to this Act or otherwise violating any provision thereof or any provision of any regulation established by the Court, shall be guilty of a misdemeanor and shall upon conviction be punished by a fine not exceeding Fifty Dollars (\$50) for the first offense; by a fine not exceeding One Hundred Dollars (\$100) for the second offense; and by a fine not exceeding Two Hundred Dollars (\$200) or imprisonment in the County Jail not to exceed sixty (60) days, or both such fine and imprisonment for each subsequent offense.

Art. 2372n. Public Platform Tonnage Scales

Sec. 1. In each county in this State, upon the presentation of a suitable petition in writing signed by not less than five hundred (500) inhabitants of the county, the Commissioners Court shall have the power and authority to purchase and install one (1) or more public platform tonnage scales suitable and adapted for the weighing of livestock, produce, agricultural products or any other articles, goods or wares as will permit, facilitate and encourage the development of truck farming, cattle raising or other trades or businesses in which the availability of such public scales is necessary or desirable.

Sec. 2. The Commissioners Court in each county shall have authority to prescribe rules and regulations concerning use of such scales and prescribe the fees to be charged for such use, and the Commissioners Court shall have the power and authority to operate such public scales, to provide adequate personnel for the operation of such scales, or to lease, let or rent such scales to responsible private individuals, corporations, business concerns or associations upon the terms and conditions prescribed by the Commissioners Court. Provided, however, that such public scales provided for in this Act shall at all times be available for use by the public.

Sec. 3. Any and all money which may be collected or received by virtue of the use or operation of such scales and through any contract which may be executed under the provisions of this Act shall be designated to the General Fund of the county.

(c) The notice shall specify the charges of violation of this Act made against the licensee, and no other charges shall be made at the hearing pursuant to the notice.

(d) The hearing shall afford to the licensee opportunity to be heard, to present witnesses in his behalf, and to question witnesses against him.

Court Review

Sec. 11. An appeal may be taken from any board's order revoking, suspending, or refusing to issue a license. The appeal must be made within 30 days after written notice of the suspension, revocation, or refusal by filing a petition in a district court in the county in which the license is issued or refused. If no appeal is taken within 30 days after written notice of suspension, revocation, or refusal, such action shall become final. An appeal shall be by trial de novo, as in proceedings appealed from justice to county courts. The decision of the board shall have full force and effect pending the termination of the appeal. All appeals taken from actions of the board shall be against the board and not against the members individually.

(c) If the court determines that the person who surrendered the principal did so without reasonable cause, the court in its discretion may require that all or a part of the fees paid as a condition for making the bail bond shall be returned to the principal. In making the determination the court shall determine what fees, whether denominated fees for the making of the bond or not, were in fact paid for the purpose of inducing the surety to make the bond.

Sec. 14. The sheriff of any county has the sole responsibility of receiving and approving bail bonds for the purpose of gaining the release of a named principal held in custody by any authority in his county upon accusation of an offense of which the county or district court has jurisdiction.

Sec. 3. The Commissioners Court of any eligible county is hereby authorized and empowered to sell, contract to sell, deliver and distribute any or all natural gas of the Project which is not needed for county purposes to any municipal corporation or political subdivision of this state now existing or hereafter established under the laws of the State of Texas, or to any individual, corporation or company under such terms and conditions as the court may determine to be in the best interest of the county. The cost of supplying the natural gas, including any increase in the cost of the distribution lines or facilities, shall be considered as a part of the Project as such term is used in the preceding and the following Sections.

Bonds; Rates and Charges; Manner of Sale; Redemption; Proceeds

Sec. 4. (a) For the purpose of paying the cost of the Project, including, without limitation, legal, fiscal, engineering expenses, and interest during the construction of the Project, the county may issue its negotiable bonds, payable from and secured by a pledge of the net revenues of the Project.

(b) It shall be the mandatory duty of the Commissioners Court to contract for and impose such rates and charges, for gas supplied by the Project as will be fully sufficient to operate and maintain the Project and produce all amounts required to pay principal and interest on the bonds when due, and establish such reserves as may be provided in the order authorizing the issuance of such bonds.

(c) All gas used by the county for its own facilities shall be paid out of General Funds of the county legally available for such purpose and no free service shall be allowed.

(d) The Commissioners Court shall have full discretion in fixing the details of the bonds and in determining the manner of sale thereof provided the bonds shall bear interest at not exceeding six percent (6%) per annum and mature in not more than forty (40) years from their date and such order may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the county in relation to the acquisition of properties and the construction, maintenance, operation, repair and insurance of the Project, and the custody, safeguarding, and application of all moneys, and may set forth the rights and remedies of the bondholders and may contain such other provisions as the Commissioners Court may deem reasonable and proper for the security of the bondholders, including but without limitation covenants prescribing all happenings or occurrences which constitute events of default and the rights, liabilities, powers and duties arising upon breach by the county of any of its duties or obligations. The bonds may be made redeemable prior to maturity in such manner and at such

prices as may be determined by the Commissioners Court in the order authorizing their issuance. All bonds issued hereunder shall and are hereby declared to have all the qualifications and incidents of negotiable instruments under the Negotiable Instruments Law of Texas. The proceeds of the bonds shall be disbursed under such restrictions as may be provided in the bond order, and there shall be and is hereby created and granted a lien upon such moneys until so applied in favor of the holders of the bonds. Pending use of the proceeds of the sale of such bonds for the construction of the Project such proceeds may be invested in direct obligations of the United States Government having maturities not more than ninety-one (91) days from the date of investment. Unless otherwise provided in such order or indenture, if the proceeds of the bonds prove insufficient to pay the cost of the Project, additional bonds may be issued under the methods herein prescribed to the amount of the deficit.

Debt of County; Pledge of Revenues

Sec. 5. The bonds shall never constitute a debt of the county, but shall be solely a charge upon the pledged revenues, and shall never be reckoned in determining the power of the county to issue bonds or incur other debt for any purpose authorized by law, and each bond shall contain this clause: "The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

Form of Bonds; Approval

Sec. 6. The amount of and character of interest in land and easements thus to be acquired shall be determined by the Commissioners Court. In the event that the county, in the exercise of the power of eminent domain or power of relocation, raising, rerouting or changing the grade of, or altering the construction of any highway, railroad, electric transmission line or pipeline or telephone or telegraph properties and facilities, all such necessary relocations, raising, rerouting, changing of grade or alteration of construction shall be accomplished at the sole expense of the county.

Such refunding bonds shall bear interest at the same or lower rate than borne by the bonds refunded, unless it is shown mathematically that a savings will result in the total of interest to be paid.

Notice of Intention to Issue Bonds

Sec. 10. No bonds may be authorized under and pursuant to the provisions of this Act until such time as the Commissioners Court of such county has, after adoption of the provisions hereof as provided in Section 1, given notice of intention to issue bonds. of the first publication being at least fourteen (14) full days prior to the date set for the authorization of such bonds. Upon the time and place specified in said notice, the court may proceed with the authorization of bonds pursuant to the provisions of this Act, provided, however, if a petition executed by more than ten percent (10%) of the resident qualified property taxpaying voters of the county asking that an election be called on the issuance of such bonds is presented to the court, the court may not proceed with the authorization of bonds until such time as a proposition for the issuance of bonds has been approved by a majority of the resident qualified property taxpaying voters of the county at an election held for such purpose. Notice of any such election shall be given by publishing a substantial copy of the resolution calling the election in a newspaper of general circulation in such county one (1) each week for two (2) consecutive weeks, the first publication being at least fourteen (14) full days prior to the election. The returns of the election shall be made to the Commissioners Court within five (5) days of the holding of such election. The General Laws relating to elections shall be applicable to such elections except as modified by the provisions of this Act.

Such bonds shall be eligible to secure the deposit of any and all public funds of cities, towns, villages, counties, school districts, or other political corporations or subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for said deposits to the extent of their face value.

Creation; Judge

Sec. 1. There is hereby created and established in each of the several counties of this State a court of inferior jurisdiction to be known as the "Small Claims Court". The justices of the peace in their several counties and precincts shall sit as judges of said courts and exercise the jurisdiction hereby conferred in all cases arising under the provisions of this Chapter.

Jurisdiction

Sec. 2. The Small Claims Court shall have and exercise concurrent jurisdiction with the Justice of the Peace Court in all actions for the recovery of money by any person, association of persons, corporation or by any attorney for such parties, or other legal entity only where the amount involved, exclusive of costs, does not exceed the sum of One Hundred and Fifty Dollars (\$150), except that when the claim is for wages or salary earned, or for work or labor performed under any contract of employment, the jurisdictional amount, exclusive of costs, shall not exceed Two Hundred Dollars (\$200). Provided, however, that no action may be brought in the Small Claims Court by any assignee of such action or upon any assigned claim or by any person, firm, partnership, association or corporation engaged, either primarily or secondarily, in the business of lending money at interest, nor by any collection agency or collection agent. Provided, further, however, that nothing in this Act shall prevent the bringing of any action by a legal heir or heirs on any account or claim otherwise within the jurisdiction of these Courts.

Venue

Sec. 3. All actions brought under the provisions of this Act shall be brought in the county and precinct in which the defendant resides except that when a defendant has contracted to perform an obligation in a particular county the action upon such obligation may be brought in such county. Except nothing in this Section shall conflict with Article 2392 of the Revised Civil Statutes.

Commencement of Action

Sec. 4. Actions shall be commenced under the provisions of this Act whenever the claimant, or the personal representative of a deceased claimant, appears before the judge of the Small Claims Court and files a statement

of his claim under oath. Such statement shall be in substantially the following form:

Judge

Filing Fee; Process

Sec. 5. Upon the filing of the said affidavit and the payment of a Three Dollar (\$3) filing fee, the Judge shall issue process in the same manner as any other case in Justice Court, service being by citation served by an officer of the State duly authorized to serve other citations. Service of citation may be made in any manner authorized for service of citation in a district or county court or justice court.

The Three Dollar (\$3) filing fee provided for in this Section, the Three Dollar (\$3) jury fee provided for in Section 11 of this Act and the Two Dollar (\$2) citation fee provided in Section 5a shall constitute the only fees or costs authorized to be charged in the Small Claims Court; provided, however, such fees shall constitute only the Court costs accruing up to and including entry of judgment in the Small Claims Court and do not affect any fee or Court cost accruing in any Court after the entry of said judgment and do not apply to any proceeding or execution after entry of judgment in said Court.

Fee for Service of Citation

Sec. 5a. A fee of Two Dollars (\$2) shall be charged for the service of citation provided for in Section 5 and shall be accountable as a fee of office by the officer serving citation.

Failure of Parties to Appear; Postponement

Sec. 6. Upon the date set for the hearing of such action, if the defendant fails to appear at the time and place specified in the notice and order to appear, he having been duly served therewith as herein provided, the judge shall enter judgment for the amount proved to be due the plaintiff. If the plaintiff does not appear, the judge may enter an order dismissing the action. No postponement or continuance shall be granted except for good cause shown.

Hearing

Sec. 7. If both parties appear, the judge shall proceed to hear the case. No formal pleading other than the affidavit hereinabove described, shall be required. The judge shall hear the testimony of the parties and such other witnesses as they may produce, together with such other evidence as may be offered. The hearing shall be informal, with the sole objective of dispensing speedy justice between the parties.

Plea of Privilege

Sec. 8. Provided nothing in this Act shall prevent a plea of privilege which shall be filed in writing as set out in the Texas Rules of Civil Procedure and appeal may be taken from the final ruling of the justice to the County Court where a trial de novo shall be had on such plea.

Evidence and Witnesses

Sec. 9. In every case before the Small Claims Court, it shall be the duty of the judge to develop all of the facts in the particular case. In the exercise of this duty, the judge may propound any question of any witness or party to the suit or upon his own motion may summon any party to appear as a witness in the suit as, in the discretion of the judge, appears necessary to effect a correct judgment and speedily dispose of such case.

Judgment and Execution

Sec. 10. Upon the conclusion of the hearing the judge shall render such judgment as the justice of the case shall require. If the judgment is against the defendant, he shall pay the same forthwith, and in default of such payment execution may issue as in the justice courts.

Jury Trial

Sec. 11. If either party desires a trial by jury he shall, at least one (1) calendar day prior to the date upon which the hearing is to be held, file with the Small Claims Court a request for a trial by jury, depositing with the judge, at the time such request is filed, a jury fee of Three Dollars (\$3). Thereupon, a jury shall be had as in other civil cases in the justice courts.

Right of Appeal

Sec. 12. Where the amount in controversy, exclusive of costs, exceeds the sum of Twenty Dollars (\$20), upon the rendition of final judg-

ment by the judge of the Small Claims Court, a dissatisfied party may appeal to the County Court or County Court at Law of the proper county in the same manner as is now provided by statute for appeals from the justice court to the County Court.

Hearing on Appeal; Costs; Finality of Judgment

Sec. 13. It shall be the duty of the County Court or County Court at Law to dispose of all such appeals with all convenient speed. The trial on appeal shall be de novo, but no further pleadings shall be required and the procedure shall be the same as that herein prescribed for the Small Claims Court. In the event of such an appeal to the County Court, all costs not

heretofore paid by the parties shall accrue until judgment is rendered by the County Court. It is specifically provided that the judgment of the County Court or County Court at Law shall be final.

Blank Forms, Docket Books and Supplies

Sec. 14. The Commissioners Court of each of the several counties shall furnish to the justices of the peace a reasonable supply of blank forms, docket books, and other supplies necessary for the use of such justices and judges when sitting as a Small Claims Court.
