1975 Supplement
to
Compact Edition

ST. PAUL, MINN.
WEST PUBLISHING CO.
This 1975 Supplement to West's Texas Statutes and Codes, Compact Edition, includes the text of all the general and permanent laws of the State of Texas enacted at the Regular Session of the 64th Legislature, and the text of changes in the Texas Constitution as adopted by the people at the Special Election held on April 22, 1975.

The laws in West's Texas Statutes and Codes are under the same classification as Vernon's Annotated Texas Statutes and Vernon's Texas Codes Annotated. Therefore, the user of this Supplement may go from any article or section herein to the same article or section in the annotated editions, where the complete constructions of the laws by the state and federal courts, historical data relative to the origin and development of the law, and other helpful research aids, are conveniently available.

Parks and Wildlife Code

Included in this Supplement is the complete text of the Parks and Wildlife Code, as enacted by Acts 1975, 64th Leg., ch. 545, and amended by Acts 1975, 64th Leg., ch. 456. The Code is another unit of the Texas Legislative Council's on-going statutory revision program, authorized by Civil Statutes, Art. 5429b-. A Disposition Table, providing a means of tracing repealed subject matter into the new Code, and a detailed descriptive word Index, facilitating the search for specific provisions therein, are also included following the text of the Code.

Special Law Tables

Special laws pertaining to education and water, enacted or amended in 1975, are tabulated following the Education and Water Codes.

Indexes

The index references following each Code, the Penal Auxiliary Laws and the Civil Statutes cover both new and amending laws. With respect to new laws the coverage is complete. For amending laws, references are added only when the existing Compact Edition references are inadequate to cover the changed provisions.

OF THE
STATE OF TEXAS 1876

Adopted February 15, 1876

As amended to November 4, 1975

ARTICLE III

LEGISLATIVE DEPARTMENT

REQUIREMENTS AND LIMITATIONS

§ 24. Compensation and Expenses of Members of Legislature; Duration of Sessions

Sec. 24. Members of the Legislature shall receive from the Public Treasury a salary of Six Hundred Dollars ($600) per month. Each member shall also receive a per diem of Thirty Dollars ($30) for each day during each Regular and Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

In addition to the per diem the Members of each House shall be entitled to mileage at the same rate as prescribed by law for employees of the State of Texas.

[Adopted April 22, 1975.]

ARTICLE XVI

GENERAL PROVISIONS

§ 67. State and Local Retirement Systems

Sec. 67. (a) General Provisions. (1) The legislature may enact general laws establishing systems and programs of retirement and related disability and death benefits for public employees and officers. Financing of benefits must be based on sound actuarial principles. The assets of a system are held in trust for the benefit of members and may not be diverted.

(2) A person may not receive benefits from more than one system for the same service, but the legislature may provide by law that a person with service covered by more than one system or program is entitled to a fractional benefit from each system or program based on service rendered under each system or program calculated as to amount upon the benefit formula used in that system or program. Transfer of service credit between the Employees Retirement System of Texas and the Teacher Retirement System of Texas also may be authorized by law.

(3) Each statewide benefit system must have a board of trustees to administer the system and to invest the funds of the system in such securities as the board may consider prudent investments. In making investments, a board shall exercise the judgment and care under the circumstances then prevailing that persons of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital. The legislature by law may further restrict the investment discretion of a board.

(4) General laws establishing retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this section remain in effect, subject to the general powers of the legislature established in this subsection.

(b) State Retirement Systems. (1) The legislature shall establish by law a Teacher Retirement System of Texas to provide benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state. Other employees may be included under the system by law.
(2) The legislature shall establish by law an Employees Retirement System of Texas to provide benefits for officers and employees of the state and such state-compensated officers and employees of appellate courts and judicial districts as may be included under the system by law.

(3) The amount contributed by a person participating in the Employees Retirement System of Texas or the Teacher Retirement System of Texas shall be established by the legislature but may not be less than six percent of current compensation. The amount contributed by the state may not be less than six percent nor more than 10 percent of the aggregate compensation paid to individuals participating in the system. In an emergency, as determined by the governor, the legislature may appropriate such additional sums as are actuarially determined to be required to fund benefits authorized by law.

(c) Local Retirement Systems. (1) The legislature shall provide by law for:

(A) the creation by any city or county of a system of benefits for its officers and employees;

(B) a statewide system of benefits for the officers and employees of counties or other political subdivisions of the state in which counties or other political subdivisions may voluntarily participate; and

(C) a statewide system of benefits for officers and employees of cities in which cities may voluntarily participate.

(2) Benefits under these systems must be reasonably related to participant tenure and contributions.

(d) Judicial Retirement System. (1) Notwithstanding any other provision of this section, the system of retirement, disability, and survivors' benefits heretofore established in the constitution or by law for justices, judges, and commissioners of the appellate courts and judges of the district and criminal district courts is continued in effect. Contributions required and benefits payable are to be as provided by law.

(2) General administration of the Judicial Retirement System of Texas is by the Board of Trustees of the Employees Retirement System of Texas under such regulations as may be provided by law.

(e) Anticipatory Legislation. Legislation enacted in anticipation of this amendment is not void because it is anticipatory.

[Adopted April 22, 1975.]

SUBCHAPTER B. CREDITABLE SERVICE

§ 3.23. Membership Service Credits

(a) Under such rules and regulations as the State Board of Trustees may adopt, a member shall be allowed membership service credit for each year of service rendered in accordance with the provisions of this chapter if he has made and maintained with the retirement system all deposits and payments required by this chapter or prior existing laws.

(b) Any member who performed one or more years of military duty while a member of the retirement system shall be permitted to deposit to his individual account in the member savings account for each year of duty an amount equal to his deposits made with the retirement system during the last preceding full year of service as a teacher or auxiliary employee. He shall then be entitled to one year of membership service credit for each year of military duty.

(c) Any member who performed one or more years of military duty prior to becoming a member of the retirement system shall be permitted to deposit to his individual account in the member savings account for each year of such military duty, but not to exceed five years, an amount equal to his deposits made with the retirement system during the first full year of service as a teacher or auxiliary employee after becoming a member of the retirement system. He shall then be entitled to one year of membership service credit for each year of military duty.

(d) In addition to the deposits required for the membership service credit authorized in Subsections (b) and (c) of this section, the member shall be required to pay a fee of five percent per annum of such deposits from the date the member receives 10 years of credit for service actually rendered in the public schools of Texas until the date of deposit. Fees shall be credited to the state contribution account.

§ 3.25. Reinstatement of Service Credits

(a) Any teacher or auxiliary employee who has executed a waiver of membership in the retirement system shall have the privilege of electing to receive full membership service credit, provided such teacher or auxiliary employee after becoming a member of the retirement system shall deposit all back deposits, assessments, and dues which he would have paid or deposited had he been a member of the retirement system during each of the years he actually taught or was employed as an auxiliary employee in the public schools following the date on which he first became eligible for membership in the retirement system, together with interest from the date each amount was payable at the rate of five percent per annum. The interest shall be credited to the state contribution account.

(b) Any person who terminates or has terminated membership in the retirement system by withdrawal of deposits or by absence from service shall have the privilege of reinstating such terminated membership by rendering service for two subsequent consecutive creditable years or for a subsequent continuous period equal in duration to the period from the date of the relevant withdrawal to the beginning date of such period of creditable service, whichever is shorter, and by depositing the amount withdrawn plus membership fees for the years during which membership was terminated plus a reinstatement fee of five percent per annum from the date of withdrawal to date of redeposit. The reinstatement fee shall be credited to the state contribution account.

(c) Any person who terminates or has terminated membership in the retirement system by retiring under the provisions of Section 3.31 of this chapter shall have the privilege of reinstating such terminated membership by rendering service for five consecutive years and depositing an amount equal to service retirement benefits received plus a reinstatement fee of five percent per annum from the date of his return to employment to the date of redeposit and an amount equal to six percent of his total annual compensation after his return to employment plus a reinstatement fee of five percent per annum on such percentage of compensation from the end of the respective year of service to the date of deposit plus membership fees for the years after his return to employment. Upon payment of the amount required by this subsection the reinstated member shall receive credit for each year's service both before and after his initial retirement. Reinstatement fee shall be credited to the state contribution account.

Until that date the fees and interest charges, if any, in effect immediately prior to the adoption of this Act shall be continued."

"Sec. 11. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable."

§ 3.26. Purchase of Credit for Out-of-State Service

(a) Any member of the retirement system who has been employed as a teacher or as an auxiliary employee in any public school system maintained in whole or in part by any other state or territory of the United States or by the United States for children of United States citizens may purchase equivalent membership service credits under this retirement system for such service.

(b) For each year that out-of-state service credit is desired, the member shall deposit to his individual account with the retirement system 12 percent of the annual compensation received during his first year as a teacher or auxiliary employee of this state which is both after the out-of-state service and September 1, 1956, or, in the event the member has no creditable service in Texas after September 1, 1956, 12 percent of his rate of annual compensation during his last creditable year of service in Texas prior to that date and subsequent to the out-of-state service. In addition the member shall pay a fee at the rate of five percent per annum of the amount which the member is eligible to deposit for each year of credit under Subsection (c)(1) of this section.

Such fee shall accrue on each amount from the date the member is first eligible to make the deposit for credit until the date of deposit, except that no fees shall begin to accrue before the member completes 10 years of actual service in the public schools in Texas. A deposit for at least one year's credit must be made with the initial application and all payments for out-of-state service for which credit is desired must be made before retirement.

(c) For each year that deposits are made, the member shall be granted immediately upon payment of the required deposit one year's membership service credit subject, however, to the special conditions which are:

(1) No person shall be allowed to acquire credits on the basis of employment as a teacher or auxiliary employee outside this state in excess of one year for each one year of service in Texas.

(2) In the event credits for employment outside this state must be disallowed in part because of the member's failure to qualify the non-Texas service under the provisions of this section, his deposits made for the years disallowed (considered to be those last purchased) will be refunded to him.

(3) No more than 10 years' total credit can be purchased under the provisions of this section.

(d) No member by reason of any credits purchased for non-Texas teaching or auxiliary employment shall be entitled to service retirement benefits under this section until he has actually rendered at least 10 years of creditable service in Texas, excluding any credit for non-Texas employment. Equivalent membership service credits granted for out-of-state service shall not be used in computing the member's "best-ten-years-average compensation."

(e) All such deposits shall be credited, pending retirement, to the member's individual account in the member's savings account.

psychological, social, cultural, environmental, and related factors which bear on the individual's ability to benefit from educational programs;

(2) shall be jointly developed by a representative of an educational program who is qualified and experienced in working with individuals handicapped by serious visual loss, by the blind or handicapped individual and his parent or guardian, and by representatives of other public or private organizations providing or capable of providing specialized services which tend to assure greater effectiveness of the educational effort exerted in behalf of the blind or visually handicapped individual;

(3) specifies in measurable terms the goals and objectives to be accomplished as a result of the educational and specialized services to be provided by the various organizations working with the blind or visually handicapped individual;

(9) reflects that the individual has been provided a detailed explanation of the various service resources available to him within the community and throughout the state;

(10) reflects that the individualized written service plan has been reviewed as frequently as necessary, but in no event less than once annually, by competent educational authorities, representatives of cooperating organizations, the individual and his parent or guardian, and that the plan has been modified, refined, or redeveloped in a manner consistent with determinations made through such review;

(11) describes in detail the arrangements made to provide the blind or visually handicapped individual with orientation and mobility training, instruction in Braille or use of large print, other training to compensate for serious visual loss, access to special media, and special tools, appliances, aids, or devices commonly utilized by individuals with serious visual losses; and

(12) sets forth the plans and arrangements made for contacts with and continuing services to the blind or visually handicapped individual during periods in which he might not be involved in school programs.

(c) With the approval of the State Board of Education, the commissioner of education may add additional positions and months of service to the Texas Public Education Compensation Plan to reflect curriculum and program changes authorized by law. The pay grade assigned to each new position shall be comparable to the pay grade for authorized personnel with similar academic training, experience, and duties.

(d) A person certified to teach in the public schools of Texas who holds a bachelor of laws or doctor of jurisprudence degree from an accredited law school shall have his minimum salary calculated on the basis of a master's degree.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.102. Regular Education Program Personnel

(a) Regular education program personnel units shall be allotted to each school district on the basis of the district's current average daily attendance during the 180-day school term for the 1975–1976 school year and on the basis of the district's current average daily attendance for the best 170 days of the 180-day school term for each school year thereafter.

(b) A district's average daily attendance in regular education programs is determined by subtracting from the average daily attendance the average daily full-time equivalent student attendance in vocational and special education programs. A district's full-time equivalent students in average daily attendance in vocational and special education programs are determined by applying to the average daily attendance in the programs the ratio of the number of hours per school day devoted to the programs to six hours. Until the beginning of the 1977–1978 school year, the attendance of kindergarten students may not be counted for personnel unit allotment purposes for more than one-half of a school day during the full school year or for the full school day for more than one-half of the school year unless the student is educationally handicapped. An educationally handicapped student is a student who cannot speak and comprehend the English language or who is from a...
family whose income, according to standards promulgated by the State Board of Education, is at or below a subsistence level.

(c) Each school district shall be allotted personnel units on the basis of the district's average daily attendance in regular education programs as follows:

(1) one personnel unit for each 19 students in average daily attendance in kindergarten and grades 1 through 3;
(2) one personnel unit for each 21 students in average daily attendance in grades 4 through 6;
(3) one personnel unit for each 20 students in average daily attendance in grades 7 through 9; and
(4) one personnel unit for each 18 students in average daily attendance in grades 10 through 12.

(d) The personnel unit allotment for a school district which contains at least 300 square miles and which has not more than 1,000 students in average daily attendance in its regular education program shall be adjusted according to the following formula:

\[
[1 + (1000 - ADA) (.000455)] \times \text{RPU} = \text{APU}
\]

where RPU is the district's regular personnel units determined in accordance with Subsection (c) of this section; and APU is the district's adjusted personnel units.

(e) Fractional personnel units in excess of one-half shall be counted as whole units.

(f) A school district may use its personnel units for any combination of personnel classified under the Texas Public Education Compensation Plan which the district feels will best meet the needs of the students in the district, provided that the total of the number of personnel units for each position chosen multiplied by the personnel unit value for that position specified on the salary schedule, does not exceed the total number of personnel units to which the district is entitled under the provisions of this section. The commissioner, with the approval of the State Board of Education, shall establish minimum standards for staffing patterns for all personnel.

(g) A district need not employ personnel for the full number of personnel units to which it is entitled. [Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.103. Vocational Personnel Units

(a) Vocational personnel units for each school district shall be determined and allotted as prescribed by this section.

(b) Each school district having a four-year accredited high school shall be eligible, under rules and regulations of the State Board of Education, for two vocational teacher units to teach one or more vocational programs provided there is a need thereof, and provided the programs have been approved by the commissioner of education.

(c) Additional vocational teacher units for districts with four-year accredited high schools may be allotted according to needs determined by a survey of the community and approved by the commissioner of education.

(d) A district having an accredited high school which qualifies, according to the rules and regulations of the State Board of Education, for less than one vocational teacher unit, may be allotted by the commissioner of education a fractional part of a vocational teacher professional unit. A fractional part of a vocational teacher professional unit shall entitle a district to employ a part-time vocational teacher or assign a classroom teacher to serve as part-time vocational teacher.

(e) Each school district having a four-year accredited high school shall be eligible, under rules and regulations approved by the State Board of Education, for such specialized vocational supervisor units and vocational counselor units as there is a need, and in the number determined by application of formulas adopted by the State Board of Education and subject to approval by the commissioner of education.

(f) Vocational professional unit allotments, except classroom teachers who also served as part-time vocational teachers, shall be made in addition to other professional unit allotments. In addition to the regular operating allowance, there shall be an additional allocation of $400 for each vocational teacher unit.

(g) School districts which, because of limited enrollments, tax resources, or facilities are unable to offer appropriate vocational education in all occupational areas needed may enter into contracts with post-secondary public institutions, as defined by the State Board of Education, to provide for such appropriate vocational education instruction provided the instructors and instructional materials and equipment utilized meet secondary school program requirements.

(h) The contract shall be executed pursuant to rules and regulations of the State Board of Education and the cost to the state shall not exceed the cost that would result if the programs were operated by the respective school districts entering into the contracts.

(i) The legislature shall set a limit on the amount of funds that may be expended under the provisions of this section each year in the General Appropriations Act. Should the amount of funds required to fully fund the provisions of this section pursuant to the rules and regulations of the State Board of Education exceed the amount set by the legislature, the commissioner, with the approval of the board,
§ 16.103 TEXAS EDUCATION CODE

shall make such adjustments as are necessary to reduce the total cost of the vocational education program to the limit set by the legislature.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.104. Comprehensive Special Education Program for Exceptional Children

(a) It is the intention of this section to provide for a comprehensive special education program for exceptional children in Texas.

(b) As used in this section:

(1) "Exceptional children" means children between the ages of 3 and 21, inclusive, with educational handicaps (physical, retarded, emotionally disturbed, and/or children with language and/or learning disabilities) as herein and after more specifically defined; autistic children; and children leaving and not attending public school for a time because of pregnancy—disabilities which render regular services and classes of the public schools inconsistent with their educational needs.

(2) "Physically handicapped children" means children of educable mind whose body functions or members are so impaired from any cause that they cannot be adequately or safely educated in the regular classes of the public schools without the provision of special services.

(3) "Mentally retarded children" means children whose mental capacity is such that they cannot be adequately educated in the regular classes of the public schools without the provision of special services.

Text of subds. (2) and (3), subsec. (b), of Section 16.16, as amended by Acts 1975, 64th Leg., p. 2381, ch. 734, §§ 7, 8

(2) "Handicapped children" means children who have physical or mental disabilities, singularly or in combination, that:

(A) cannot readily be corrected through routine medical services of a nonextended nature;

(B) for the children constitute or result in a substantial handicap to the deriving of benefits from regular classroom programs and routine school activities; and

(C) can reasonably be expected to render the children eligible for vocational rehabilitation services or, if the handicaps are particularly severe, eligible for referral to vocational rehabilitation agencies for evaluation of eligibility for vocational rehabilitation services, at the time when the children reach the age at which vocational rehabilitation services may appropriately be provided.

(4) "Emotionally disturbed children" means children whose emotional condition is medically and/or psychologically determined to be such that they cannot be adequately and safely educated in the regular classes of the public schools without the provision of special services.

(5) "Language and/or learning disabled children" means children who are so deficient in the acquisition of language and/or learning skills including, but not limited to, the ability to think, speak, read, write, spell, or to make mathematical calculations, as identified by educational and/or psychological and/or medical diagnosis that they must be provided special services for educational progress. The term "language and/or learning disabled children" shall also apply to children diagnosed as having specific development dyslexia.

(6) "Special services" required for the instruction of or program for exceptional children means special teaching in the public school curriculum inside and/or outside the regular classroom; corrective teaching, such as lipreading, speech correction, sight conservation, corrective health habits; transportation, special seats, books, instructional media, and supplies; professional counseling with students and parents; supervision of professional services and pupil evaluation services; established teaching techniques for children with language and/or learning disabilities.

(c) Under rules, regulations, and/or formulas adopted by the State Board of Education subject to the provisions of this section, exceptional children teacher units, in addition to other professional and paraprofessional unit allotments herein authorized, shall be allotted to any eligible school district in the number determinable thereunder. Exceptional children teacher units for pupils who are both severely physically handicapped and mentally retarded shall be allocated on a separate formula from other type units.

(d) Professional personnel for the operation and maintenance of a program of special education shall be:

(1) exceptional children teachers;

(2) special education supervisors;

(3) special education counselors;

(4) special service teachers, such as itinerant teachers of the homebound and visiting teachers, whose duties may or may not be performed in whole or in part on the campus of any school; and

(5) psychologists and other pupil evaluation specialists. The minimum salary for such spe-
specialist to be used in computing salary allotment for purposes of this section shall be established by the commissioner of education.

(e) Paraprofessional personnel for the operation and maintenance of a program of special education shall consist of persons engaged as teacher aides, who may or may not hold a teacher certificate. The qualifications and minimum salary levels of paraprofessional personnel for salary allotment purposes of this section shall be established by the commissioner of education.

(f) Quantitative bases for the allotment of all special education unit personnel under Subsection (c) of this section shall be established by the commissioner of education under rules adopted by the State Board of Education. Any school district, at its expense, may employ any special education personnel in excess of its state allotment and may supplement the minimum salary allotted by the state for any special education personnel, and any district is authorized at local expense to pay for all or part of further or continuing training or education of its special education personnel.

(g) Special education unit personnel may be employed and/or utilized on a full-time, part-time, or consultative basis, or may be allotted by the commissioner of education, pursuant to cooperative districts' agreement, jointly to serve two or more school districts. Two or more school districts may operate jointly their special education program and any school district may contract where feasible with any other school district for all or any part of the program of special education for the children of either district, under rules and regulations established by the commissioner of education.

(h) To each school district operating an approved special education program there shall be annually allotted a special service allowance in an amount to be determined by the commissioner of education for pupil evaluation, special seats, books, instructional media, and other supplies required for quality instruction.

(i) The minimum monthly base pay and increments for teaching experience for an exceptional children teacher or a special service teacher conducting a 10, 11, or 12 months special education program approved by the commissioner of education shall be the same as that of a classroom teacher as provided in Subchapter B of this chapter; provided that such counselors and supervisors shall have qualifications approved by the commissioner of education. The annual salary of special education counselors and supervisors shall be the monthly base salary, plus increments, multiplied by 10, 11, or 12, as applicable.

(k) The salary costs of special education teacher units, other professional and paraprofessional units authorized in Subsections (e), (d), and (e) of this section, and operating costs as provided in Subsection (h), computed as other costs of the Foundation School Program for local fund assignment purposes, shall be paid from the Foundation Program School Fund. Provided further, that any school district may supplement any part of the comprehensive special education program it operates or participates in with funds or sources available to it from local sources, public and/or private.

(l) Under rules and regulations of the State Board of Education, eligible school districts may contract with nonprofit community mental health and/or mental retardation centers, public or private, or any other nonprofit organization, institution, or agency approved by the State Board of Education, for the provision of services to exceptional children as defined by this section who reside with their parents or guardians.

(m) Under rules and regulations of the State Board of Education, eligible school districts and regional education service centers may contract with nonprofit community mental health and/or mental retardation centers, public or private, or any other nonprofit organization, institution, or agency approved by the State Board of Education, for the provision of services to exceptional children as defined by this section, who reside with their parents or guardians.

The legislature shall set a limit on the amount of funds that may be expended under the provisions of this section each year in the General Appropriations Act. Should the amount of funds required to fully fund the provisions of this section pursuant to the rules and regulations of the State Board of Education exceed the amount set by the legislature, the commissioner, with the approval of the board, shall make such adjustments as are necessary to reduce the total cost of the special education program to the limit set by the legislature.

(p) The State Board of Education shall adopt such policies and procedures for the administration of the
comprehensive special education program for exceptional children in Texas as might be necessary to assure that:

(1) in the event that comprehensive special education services cannot be provided to all exceptional children, handicapped children throughout the State of Texas will be served first;

(2) the priority in services to handicapped children will be determined according to the severity of the handicaps of the children eligible for special education services; and

(3) sufficiently detailed records are kept and reports received to allow meaningful evaluation of the effectiveness of the policies and procedures adopted pursuant to this subsection.

(q) Special services extended to children who are handicapped by a hearing or visual impairment, or by both hearing and visual impairments, shall be provided by qualified staff certified by reputable public or private nonprofit organizations in the fields of work for the blind or work for the deaf as having the professional credentials and competencies required for certification within those fields.

In addition to the meaning of certain terms defined in the foregoing Section 16.16 of this code, when comprehensive special education services are required for children with serious visual or hearing handicaps or a combination of such handicaps, the following terms, in addition to continuing to have their usual defined meaning to the extent not inconsistent with the language of this chapter, shall have the following meanings:

(1) “Exceptional children” includes children from date of birth through age 22, inclusive;

(2) “Special services” includes parental counseling and training, competent orientation and mobility training, and express authority to provide nonacademic services either directly or through contract or working arrangements with other organizations, either within or without the classroom.

§ 16.203. County and District Transportation Funds
(a) State warrants for transportation, payable to the county school transportation fund in each county, shall be for the total amount of transportation funds for which the county is eligible under the provisions of this subchapter.

(b) When requested by the board of trustees of an independent school district, the county school board shall authorize an independent district to:

(1) employ its school bus drivers;

(c) Allowable total base costs of maintenance, operation, salaries, depreciation, etc., for each bus shall be:

- 72 capacity bus: $5,823 per year
- 60-71 capacity bus: 5,128 per year
- 49-59 capacity bus: 4,933 per year
- 42-48 capacity bus: 4,738 per year
- 30-41 capacity bus: 4,543 per year
- 20-29 capacity bus: 4,348 per year
- 15-19 capacity bus: 3,568 per year
- 1-14 capacity bus: 150 per pupil per year

(d) The capacity of a bus means the number of eligible children being transported who live two or more miles from school along the approved route served by the bus. A bus that makes two or more routes or serves two or more schools shall be considered as having a capacity equal to the largest number of eligible children on the bus at any one time.

(e) For each one percent increase of dirt road above 40 percent, one-half of one percent shall be added to the allowable total cost.

(f) For each five-mile (or major fraction thereof) increase in daily bus travel above 55 miles, one percent shall be added to the total cost of operation. For each five miles (or major fraction thereof) less than 45 miles daily travel, one percent shall be deducted from the total cost of operation.

(g) The state commissioner of education may grant not to exceed $75 per pupil per year for private or commercial transportation for eligible pupils from isolated areas. The need for this type of transportation grant shall be determined on an individual basis and the amount granted shall not exceed the actual cost. The grants shall be made only in extreme hardship cases, and no grants shall be made if the pupils live within two miles of an approved school bus route or city public transportation service.

(h) The cost of transporting vocational education students from one campus to another inside a district or from a sending district to an area vocational school or to an approved post-secondary institution under a contract for instruction approved by the Central Education Agency shall be reimbursed based on the number of actual miles traveled times the district’s official extracurricular travel per mile rate as set by their local board of trustees and approved by the Central Education Agency.

(i) A school district that provides special transportation services for exceptional students who would be unable to attend classes without the service is entitled to funds equal to the actual cost of the transportation not exceeding $260 for each exceptional student transported.

§ 16.207. Routes and Systems: Evaluation and Approval

(a) All bus routes and transportation systems shall be reviewed by the state commissioner of education and he shall be responsible for establishing criteria for evaluating the several transportation systems of this state, but all the criteria shall be subject to approval by the State Board of Education.

(b) The commissioner shall evaluate all transportation systems as rapidly as possible.

(c) No new bus routes or extensions shall be approved prior to the survey of the transportation system of the district or county requesting them.

(d) Extension of a city’s boundaries for city purposes only, after June 8, 1949, so as to include within the city boundaries part of a school district into which public transportation lines or facilities are then operated shall not affect the district’s eligibility for transportation aid. Rather, all such districts shall be entitled to receive transportation aid under the provisions of this chapter, if otherwise qualified, to the same extent as if no part thereof had been annexed by the city and its public transportation lines had not operated therein.

(e) In approving a transportation system for a district or county, consideration shall be given to providing transportation for only those pupils who live two or more miles from the school they attend, but no consideration shall be given to providing transportation for pupils transferred from one district to another when their grades are taught in their home district unless transferred as provided by law and transportation has been approved by the county school board as provided by law.

(f) There shall be no duplication of bus routes and services within sending districts by buses operated by two school districts and/or counties except on approval by the state commissioner of education.

§ 16.208. Use of Transportation Funds for Other Purposes

No funds paid to the several transportation units for the operation of transportation systems in this state shall be expended for any other purpose.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.209. Rules of Commissioner

The commissioner of education shall formulate rules and regulations, subject to approval by the State Board of Education for enforcing the provisions of this subchapter.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

Appeals to the commissioner of education and to the State Board of Education may be had from policy decisions of the county school boards affecting transportation.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.211. Purchase of Vehicles

(a) Motor vehicles used for the purpose of transporting school children, including school buses, their chassis and/or bodies purchased through the state board of control, shall be paid for by the state board of control as set out in applicable laws. The legislature may appropriate out of any money in the state treasury not otherwise appropriated a sum not exceeding $250,000, or as much thereof as necessary, for the state board of control to be used for such purposes.

(b) Any sum appropriated shall be known as the school bus revolving fund. When motor vehicles and school buses are delivered to the various schools coming within the provisions of this chapter, the governing bodies of those schools shall reimburse the state board of control for the money expended for such school buses including their chassis and/or bodies and the money shall be deposited by the state board of control in the school bus revolving fund.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.212. Contract With Public Transportation Company

(a) As an alternative to maintaining and operating a complete public school transportation system under this subchapter, and if the respective governing board is able to obtain an economically advantageous contract, a county school board for its transportation system or a board of trustees of an independent school district which has been authorized to be responsible for the maintenance and operation of its school buses may contract with public transportation companies for all or any part of its public school transportation.

(b) A contract is economically advantageous if the cost of the service contracted for is equal to or less than the total cost to the school district for providing its own complete bus service. The total cost to the school district is the state transportation cost allotment plus the supplementary funds necessarily provided by the local school district to provide complete transportation services.

(c) This section in no way prohibits the local school board from supplementing the state transportation cost allotment with local funds necessary to provide complete transportation services.

(d) The state commissioner of education, subject to the approval of the State Board of Education, shall make rules for the administration of this section.

(e) Contracts for alternative public school transportation may include provisions for transporting students to and from approved school activities.

(f) Upon approval of the contract by the State Board of Education, the portion of the annual transportation allotment which is to be used to finance the contract for alternative transportation services shall be included in the annual transportation cost allotment for the respective county or district.

Chapter 583 amended Section 16.63 without reference to revision of this chapter 16 by Acts 1975, ch. 334.

[Sections 16.213 to 16.250 reserved for expansion]
§ 16.251 TEXAS EDUCATION CODE

of this chapter, constitute the total cost of the Foundation School Program.

(b) The program shall be financed by:

(1) ad valorem tax revenue generated by an equalized local school district effort;

(2) state and county available school funds distributed in accordance with law; and

(3) state funds appropriated for the purposes of public school education and allocated to each district in an amount sufficient to finance the cost of each district’s Foundation School Program not covered by other funds specified in this subsection.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.252. Local Share of Program Cost

(a) A school district’s share of its guaranteed entitlement under the Foundation School Program is determined by multiplying the total taxable value of property in the district by an index rate of 30 cents per $100 valuation for the 1975–1976 school year and 35 cents per $100 valuation for each school year thereafter. Provided that for the 1975–1976 school year, the local fund assignment of any school district shall not exceed 100 percent of the maintenance tax revenue collected in that district in 1974–1975; and provided further that for the 1976–1977 school year, the local fund assignment of any school district shall not exceed 150 percent of the maintenance tax revenue collected in that district in 1975–1976. Provided further that for the 1975–1976 school year no district’s local fund assignment shall exceed an amount equal to its local fund assignment for the 1974–1975 school year multiplied by two, and for the 1976–1977 school year no district’s local fund assignment shall exceed an amount equal to its local fund assignment for the 1974–1975 school year multiplied by three.

(b) A district’s share of the program cost for the 1975–1976 and 1976–1977 school years is based on the value of the district’s property for the 1974 tax year as reported in the “Official Compilation of 1974 School District Market Value Data,” Office of the Governor, State of Texas. The commissioner may adjust the values reported in the official compilation to correct apparent discrepancies and may reduce the local share of a district in which local natural or economic disaster has dramatically reduced the value of the property since 1974. The commissioner’s decision is final. For succeeding school years, a district’s share is based on the value of its property for the tax year commencing in the school year two years before the school year for which the share is calculated. However, the commissioner may reduce the local share of a district in which local natural or economic disaster has dramatically reduced the value of taxable property in the intervening two-year period.

(c) A school district need not raise its total local share of its program cost.

[Amended by Acts 1976, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.253. Excess of Local Funds Over Amount Assigned

Local maintenance funds in excess of the amount assigned to a district may be expended for any lawful school purpose or carried over to the next school year.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.254. Distribution of Foundation School Fund

(a) The commissioner of education shall determine annually:

(1) the amount of money necessary to operate a Foundation School Program in each school district;

(2) the amount of local funds assigned to each school district for the support of the program; and

(3) the amount of state and county available school funds distributed to each school district.

(b) The commissioner of education shall then grant to each school district from the Foundation School Program appropriation the amount of funds necessary to provide the difference between Subdivision (1) and the sum of Subdivisions (2) and (3) of Subsection (a) of this section.

(c) The commissioner shall approve warrants to each school district equaling the amount of its grant. Warrants for all money expended according to the provisions of this chapter shall be approved and transmitted to treasurers or depositories of school districts in the same manner as warrants for state apportionment are transmitted.

(d) Notwithstanding the provisions of Subsection (b) of this section, for the 1975–1976 and 1976–1977 school years no school district shall receive less state aid per student in average daily attendance than 104 percent of the amount it received per student in average daily attendance under the Foundation School Program for the 1974–1975 school year.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.255. Falsification of Records; Report

(a) When, in the opinion of the director of school audits of the Central Education Agency, audits or reviews of accounting, enrollment, or other records of a school district reveal deliberate falsification of the records, or violation of the provisions of this chapter, whereby the district’s share of state funds allocated under the authority of this chapter would be, or has been, illegally increased, the director shall promptly and fully report the fact to the State Board of Education and the state auditor.
(b) In the event of overallocation of state funds, as determined by the State Board of Education or the state auditor by reference to the director's report, the Central Education Agency shall, by withholding from subsequent allocations of state funds, recover from the district an amount, or amounts, equal to the overallocation.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.256. Duties of Tax Assessors
(a) Each school district tax assessor shall report to the commissioner the full taxable value of property in the district each year. The tax assessor shall also report the assessed value and assessment level utilized for tax purposes of all property in the district.

(b) The reports shall be made on forms developed by the commissioner with the approval of the governor. The commissioner shall specify the time at which the reports are to be submitted.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.257 to 16.300 reserved for expansion

SUBCHAPTER H. EQUALIZATION AID FOR PROGRAM ENRICHMENT
§ 16.301. District Eligibility
A school district with a local fund assignment per student in average daily attendance which is less than 125 percent of the total statewide local fund assignment per student in average daily attendance in the state is eligible for state equalization aid for the enrichment of its educational program beyond the level guaranteed under the Foundation School Program. The amount of state equalization aid shall not exceed $70 per student in average daily attendance.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.302. Determination of Equalization Aid Entitlement
The amount of state equalization aid to which a district is entitled is determined by the formula:

\[
SEA = \left( 1 - \frac{DLFA/ADA}{(SLFA/ADA) \times 1.25} \right) \times ADA \times $70
\]

where

"SEA" is the state equalization aid guaranteed to the district;

"DLFA/ADA" is the district's local fund assignment divided by the number of students in average daily attendance in the district;

"SLFA/ADA" is the total statewide local fund assignment divided by the number of students in average daily attendance in the state; and

"ADA" is the number of students in average daily attendance in the district.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.303. Required Local Effort
(a) In order to receive the full amount of equalization aid available to a district, the district must raise local funds in an amount which exceeds its local fund assignment by the difference between the amount derived by multiplying the number of students in average daily attendance in the district by $70 and the amount of equalization guaranteed by the state.

(b) If the district chooses to raise local funds in an amount less than that required to receive the full state equalization entitlement, the amount of state aid shall be reduced in proportion to the amount of local funds actually raised by the district.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

§ 16.304. Payment of State Aid; Limitation
(a) The state's equalization aid for program enrichment shall be paid from the Foundation School Fund pursuant to regulations of the State Board of Education.

(b) If the amount of state aid required by this subchapter exceeds $50 million per year for the 1975–1976 or 1976–1977 school year, the amount of state equalization aid guaranteed to each district shall be reduced proportionately until the total amount of funds required equals $50 million. Each district's required local share shall also be reduced in proportion to the amount by which the state's share is reduced.

[Amended by Acts 1975, 64th Leg., p. 877, ch. 334, § 1, eff. Sept. 1, 1975.]

An authority heretofore created may, upon approval of the city or cities which created the same, issue revenue bonds to obtain funds to purchase student loan notes which are guaranteed under the provisions of the Higher Education Act of 1965 (Public Law 89-329). Revenue bonds issued for such purpose shall be issued in accordance with and with the effect provided in this chapter, except Section 53.38 shall not apply, as said chapter has been modified by Chapter 9, Acts of the 61st Legislature, Regular Session, 1969, as amended (Article 717k-2, Vernon's Texas Civil Statutes), and by Chapter 784, Acts of the 61st Legislature, Regular Session, 1969 (Article 717k-3, Vernon's Texas Civil Statutes). (e) In lieu of establishing an authority under the provisions of this chapter, the governing body of a home-rule city or cities may request a nonprofit corporation heretofore organized to exercise the powers enumerated and provided in this section for and on its behalf. If the corporation agrees to exercise such powers, the directors of such corporation shall thereafter be appointed by and be subject to removal by the governing body of the home-rule city or cities, and except as herein provided, Sections 53.14, 53.15, 53.31, 53.32, 53.38, and 53.41 through 53.48 of the Texas Education Code shall apply to and govern such corporation, its procedures, and bonds.

The lower fee in any case shall be not less than $14 per semester credit hour, and the total of such charge shall be not less than $200 per semester or 12-week summer session, and not less than $100 per 6-week summer term. However, if a student is a citizen of a country that charges citizens of the United States tuition at publicly funded colleges and universities in an amount which is equal to or less than $200 per semester or 12-week summer session or comparable period, or $100 per 6-week summer term or comparable period, as determined by the Coordinating Board, Texas College and University System, the student shall be charged $14 per semester credit hour, but not less than $200 per semester or 12-week summer session nor less than $100 per six-week summer term.

CHAPTER 55. FINANCING PERMANENT IMPROVEMENTS

SUBCHAPTER B. REVENUE BONDS AND FACILITIES

§ 55.16. Rentals, Rates, Charges, and Fees

Each board shall be authorized to fix and collect rentals, rates, charges, and/or fees from students and others for the occupancy, services, use, and/or availability of all or any of its property, buildings, structures, activities, operations, or other facilities, in such amounts and in such manner as may be determined by the board; provided, however, that all student use fees shall be fixed and collected in proportion to the number of semester credit hours for which a student registers, and shall not exceed $6 per semester hour, except that those schools charging more than $6 per semester hour as of May 1, 1975, shall not exceed the amount being charged as of that date, and except that the legislature may specifically authorize individual boards to levy fees in excess of the $6 limit set herein. The legislature, giving due consideration to the historical and continuing interest of the people of the State of Texas in encouraging deserving and qualified persons to realize their aspirations for education beyond high school finds and declares that postsecondary education for those who desire such an education and are properly qualified therefor is important to the welfare and security of this state and the nation and, consequently, is an important public purpose. It is, therefore, the policy of the legislature and the purpose of this Chapter to establish financial assistance programs to enable qualified students to receive a postsecondary education.

(d) The board shall classify and prescribe the role and scope for each public institution of higher education in Texas, shall make such changes in classification or role and scope of each institution as it deems necessary, and shall hear applications from the institutions for changes in classification or role and scope. The board shall make recommendation to the legislature with respect to maximum enrollment limits for each public institution of higher education in the State of Texas and may recommend to the legislature maximum enrollment limits for any department, school, degree program, or certificate program at any such institution.

(e) The board shall review periodically all degree and certificate programs offered by the institutions of higher education to assure that they meet the present and future needs of the state. The board shall also order the initiation, consolidation, or elimination of degree or certificate programs where that action is in the best interest of the institutions themselves or the general requirements of the State of Texas, or when that action offers hope of achieving excellence by a concentration of available resources. No new department, school, degree program, or certificate program may be added at any institution of higher education except with specific prior approval of the board. Once approved, no department, school, degree program, or certificate program at any institution of higher education may be expanded to include subject matter courses that are outside of approved degree and certificate programs except with specific prior approval of the board.

(f) The board shall encourage and develop in cooperation with the State Board of Vocational Education new certificate programs in technical and vocational education in institutions of higher education as the needs of technology and industry may demand and shall recommend the elimination of certificate programs for which a need no longer exists. 5. endorse, or delay until the next succeeding session of the legislature has the opportunity to approve or disapprove, the proposed purchase of any real property by an institution of higher education, except a public junior college;

6. develop and publish standards, rules, and regulations to guide the institutions and agencies of higher education in making application for the approval of new construction and major repair and rehabilitation of all buildings and facilities regardless of proposed use;

§ 61.066. Studies and Recommendations; Reports

(a) The board shall make studies and recommendations directed toward the achievement of excellence or toward improved effectiveness and efficiency in any phase of higher education in Texas and shall report on their studies and recommendations to the governor and the legislature. (b) The board shall prepare biennial reports with reference to new programs in higher education as well as restructuring existing programs to meet the changing needs of the populace of the state. This will include but will not be limited to projected student enrollments at the various institutions, the areas of study which they will enter, and the projected demand for the various professional activities. In addition, the board shall make specific recommendations regarding the physical needs at each campus with the physical, mental, and educational needs of the student population in mind. § 61.072. Regulation of Foreign Student Tuition

SUBCHAPTER D. CONTRACTS WITH BAYLOR COLLEGE OF MEDICINE AND BAYLOR UNIVERSITY COLLEGE OF DENTISTRY

§ 61.096. Restrictions: Medical School Admission Policies

As a restriction of the authority granted to the Coordinating Board by Sections 61.092 and 61.098 of this Code, no contract shall be entered into with the Baylor College of Medicine until the Baylor College of Medicine promulgates appropriate rules and regulations pertaining to the admission of students to medical schools under its jurisdiction which will provide for admission of those students to its entering class each year who are equally or as well qualified as all other students, and who have entered a contract with or received a commitment for a stipend, grant, loan or scholarship from the State Rural Medical Education Board. The State Rural Medical Education Board may contract with medical students providing for such students to engage in a general or family practice of medicine for not less than four years after licensing and a period of medical residency, as determined by the rules and regulations established by the State Rural Medical Education Board, in cities of Texas which have a population of less than 5,000 or in rural areas, as that term may be defined by the State Rural Medical Education Board, and said Board is hereby given the authority to define and from time to time redefine the term rural area, at the time the medical practice is commenced. This contract shall provide for a monthly stipend of at least $100 to be granted by the State Rural Medical Education Board to each person under contract with the State while enrolled as a medical school student.

§ 61.301. Purpose

It is the policy and purpose of the State of Texas to prevent deception of the public resulting from the conferring and use of fraudulent or substandard college and university degrees; it is also the purpose of this subchapter to regulate the use of academic terminology in naming or otherwise designating educational institutions, the advertising, solicitation or representation by educational institutions or their agents, and the maintenance and preservation of essential academic records. Because degrees and equivalent indicators of educational attainment are used by employers in judging the training of prospective employees, by public and private professional groups in determining qualifications for admission to and continuance of practice, and by the general public in assessing the competence of persons engaged in a wide range of activities necessary to the general welfare, regulation by law of the evidences of college and university educational attainment is in the public interest. To the same end the protection of legitimate institutions and of those holding degrees from them is also in the public interest.

CHAPTER 130. JUNIOR COLLEGE DISTRICTS

SUBCHAPTER E. BOARDS OF TRUSTEES OF JUNIOR COLLEGE DISTRICTS

§ 130.052. Governing Board of Junior College of Other than Independent School District

[See Compact Edition, Volume 1 for text of (a) to (h)]

(i) The governing board of a countywide junior or community college district that contains a city with a population of more than 800,000 residents may set the date for an election held under the provisions of this section on any day in April by a resolution adopted not less than 90 days before the date selected; provided, however, that such election may not be held on the same date as the election of the governing board of any independent school district in such county unless the election date of all independent school districts in such county is on such date. The elections in each trustee district may be conducted jointly with the elections held in April in a city or school district in the trustee district. When a runoff election is necessary, the board may order the election for a date to coincide with the date of the runoff election for city officials, if the city is
holding a runoff election; otherwise, the board shall set the date of the runoff election for not later than three weeks following the regular election. When members of the board and municipal officers are to be elected on the same day, the governing bodies of the district and the city shall enter into an agreement governing the conduct of the joint election in accordance with the provisions of Article 978b, Revised Civil Statutes of Texas, 1925, as amended. [Amended by Acts 1975, 64th Leg., p. 2035, ch. 673, § 1, eff. June 20, 1975.]

§ 130.086. Branch Campuses

(a) The board of trustees of a junior college district may establish and operate branch campuses, centers, or extension facilities, without regard to the geographical bounds of the junior college district, provided that each branch campus, center, or extension facility and each course or program offered in such locations is subject to the prior and continuing approval of the Coordinating Board, Texas College and University System.

(b) Such branch campuses, centers, or extension facilities shall be within the role and scope of the junior college as determined by the Coordinating Board, Texas College and University System.

(d) Before any course may be offered by a junior college within the district of another operating public junior college, it must be established that the second public junior college is not capable of or is unable to offer the course. If the course is to be offered in a county which has a population of more than 97,500 persons, according to the last preceding federal census, and which has no state-supported senior college or university within its boundaries, it must also be established that any other college or university in the county is not able and willing to offer the course. After the need is established and the course is not locally available, then the first junior college may offer the course when approval is granted by the Coordinating Board, Texas College and University System, under the provisions of Subsection (a).

(f) Out-of-district branch campuses, centers, or extension facilities of junior colleges existing prior to September 1, 1971, shall be reviewed by the Coordinating Board, Texas College and University System, to determine their feasibility and desirability with respect to the junior college and the population of the geographical area served by the branch campus, center, or extension facility. [Amended by Acts 1975, 64th Leg., p. 2035, ch. 673, § 2, eff. June 20, 1975; Acts 1975, 64th Leg., p. 2102, ch. 689, §§ 1 to 4, June 20, 1975.]

[Amended by Acts 1975, 64th Leg., p. 1184, ch. 442, § 1, eff. June 19, 1975.]

SUBCHAPTER C. VOIDABLE MARRIAGES

§ 2.41. Underage

(a) The licensed or informal marriage of a person under 14 years of age, unless a court order has been obtained as provided in Section 1.53 of this code, is voidable and subject to annulment on the petition of a next friend for the benefit of the underage party or on the petition of the parent or the judicially designated managing conservator or guardian (whether an individual, authorized agency, or court) of the person of the underage party. A suit filed under this subsection by a next friend must be brought within 90 days after the 14th birthday of the person.
the underage party, or it is barred. (b) The licensed or informal marriage of a person 14 years of age or older but under 18 years of age, without parental consent as provided in Section 1.52 or 1.92 of this code or without a court order as provided by Section 1.53 of this code, is voidable and subject to annulment on the petition of a next friend for the benefit of the underage party, or on the petition of the parent or the judicially designated managing conservator or guardian (whether an individual, authorized agency or court) of the person of the underage party. However, in no case may a suit by a parent, managing conservator, or guardian of the person be brought under this subsection after the underage person has reached 18 years of age.

(1) this state is the last state in which marital cohabitation between petitioner and the respondent occurred and the suit is commenced within two years after the date on which cohabitation ended; or

(2) notwithstanding Subdivision (1) above, there is any basis consistent with the constitution of this state or the United States for the exercise of the personal jurisdiction.

(b) A court acquiring jurisdiction under this section also acquires jurisdiction in a suit affecting the parent-child relation if Section 11.051 of this code is applicable.

[Added by Acts 1975, 64th Leg., p. 622, ch. 254, § 8, eff. Sept. 1, 1975.]

[Sections 3.27 to 3.50 reserved for expansion]

(d) Where no parent-child relationship exists, service by publication may be completed by posting the citation at the courthouse door for a period of seven days in the county where the suit is filed.

(e) Where the petitioner or his or her attorney of record shall make oath that no children presently under 18 years of age were born or adopted by the parties and that no appreciable amount of property was accumulated by the parties during the marriage, the court may dispense with the appointment of an attorney ad litem; but, in every such case a statement of the evidence, approved and signed by the judge, shall be filed with the papers of the cause as a part of the record thereof.

The sole purpose of the report is to aid the court in determining whether the suit for divorce should be continued pending further counseling, and the report shall not be admitted as evidence in the suit. Copies of the report shall be furnished to the parties.

The court shall consider the circumstances of the parties, including the needs of the parties' family, and the availability of counseling services, in making its order. At the expiration of the period of time specified by the court, the counselor to whom the parties were directed shall report to the court whether the parties have complied with the court's order. Thereafter, the court shall proceed as in divorce suits generally.

(d) No person who has counseled parties to a suit for divorce under this section is competent to testify in any action involving the parties or their children. The files, records, and other work-products of the counselor are privileged and confidential for all purposes and may not be admitted as evidence in any action involving the parties or their children.

(e) On the filing of a motion to which the provisions of Subsection (d) of this section apply, the court shall deny the motion and refuse to schedule a hearing unless the court determines, on the basis of the affidavit, that adequate facts to support an allegation listed in Subdivision (1) or (2) of Subsection (d) of this section are stated in the affidavit. (a) Unless a contrary intent clearly appears elsewhere in this title, any right granted to a child by this title or by the constitution or laws of this state or the United States may be waived in proceedings under this title if:

1. the waiver is made by the child and the attorney for the child;
2. the child and the attorney waiving the right are informed of and understand the right and the possible consequences of waiving it;
3. the waiver is voluntary; and
4. the waiver is made in writing or in court proceedings that are recorded.

(b) Notwithstanding any of the provisions of Subsection (a) of this section, the statement of a child is admissible in evidence in any future proceeding concerning the matter about which the statement was given if:

1. when the child is in a detention facility or other place of confinement or in the custody of an officer, the statement is made in writing and the statement shows that the child has at some time prior to the making thereof received from a magistrate a warning that:
   (A) he may remain silent and not make any statement at all and that any statement he makes may be used in evidence against him;
   (B) he has the right to have an attorney present to advise him either prior to any questioning or during the questioning;
   (C) if he is unable to employ an attorney, he has the right to have an attorney to counsel with him prior to or during any interviews with peace officers or attorneys representing the state;
   (D) he has the right to terminate the interview at any time;
   (E) if he is 15 years of age or older at the time of the violation of a penal law of the grade of felony the juvenile court may waive its jurisdiction and he may be tried as an adult; and
   (F) the statement must be signed in the presence of a magistrate by the child with

§ 51.16. Sealing of Files and Records

[See Compact Edition, Volume 1 for text of (a) to (g)]

(h) A person whose files and records have been sealed under this Act is not required in any proceeding or in any application for employment, information, or licensing to state that he has been the subject of a proceeding under this Act; and any statement that he has never been found to be a delinquent child shall never be held against the person in any criminal or civil proceeding.

[Amended by Acts 1975, 64th Leg., p. 2156, ch. 693, § 13, eff. Sept. 1, 1975.]

CHAPTER 54. JUDICIAL PROCEEDINGS

§ 54.01. Detention Hearing

(a) If the child is not released under Section 53.02 of this code, a detention hearing without a jury shall be held promptly, but not later than the second working day after he is taken into custody; provided, however, that when a child is detained on a Friday or Saturday, then such detention hearing shall be held on the first working day after the child is taken into custody.

[See Compact Edition, Volume 1 for text of (b) to (l)]

(m) The detention hearing required in this section may be held in the county of the designated place of detention where the child is being held even though the designated place of detention is outside the county of residence of the child or the county in which the alleged delinquent conduct or conduct indicating a need for supervision occurred.

[Amended by Acts 1975, 64th Leg., p. 2156, ch. 693, §§ 14 and 15, eff. Sept. 1, 1976.]

§ 54.02. Waiver of Jurisdiction and Discretionary Transfer to Criminal Court

[See Compact Edition, Volume 1 for text of (a) to (i)]
(j) The juvenile court may waive its exclusive original jurisdiction and transfer a person to the appropriate district court or criminal district court for criminal proceedings if:

1. the person is 18 years of age or older;
2. the person was 15 years of age or older and under 17 years of age at the time he is alleged to have committed a felony;
3. no adjudication concerning the alleged offense has been made or no adjudication hearing concerning the offense has been conducted; and
4. the juvenile court finds from a preponderance of the evidence that after due diligence of the state it was not practicable to proceed in juvenile court before the 18th birthday of the person because:
   A. the state did not have probable cause to proceed in juvenile court and new evidence has been found since the 18th birthday of the person; or
   B. the person could not be found.

(k) The petition and notice requirements of Sections 53.04, 53.05, 53.06, and 53.07 of this code must be satisfied, and the summons must state that the hearing is for the purpose of considering waiver of jurisdiction under Subsection (j) of this section.

(l) The juvenile court shall conduct a hearing without a jury to consider waiver of jurisdiction under Subsection (j) of this section.

(Added by Acts 1975, 64th Leg., p. 2157, ch. 693, § 19, eff. Sept. 1, 1975.)

§ 54.03. Adjudication Hearing

[See Compact Edition, Volume 1 for text of (a) and (b)]

(c) Trial shall be by jury unless jury is waived in accordance with Section 51.09 of this code. Jury verdicts under this title must be unanimous.

[See Compact Edition, Volume 1 for text of (d) to (h)]

(Added by Acts 1975, 64th Leg., p. 2157, ch. 693, § 17, eff. Sept. 1, 1975.)

§ 54.041. Order Prohibiting Harmful Contacts

When a child has been found to have engaged in delinquent conduct or conduct indicating a need for supervision and the juvenile court has made a finding that the child is in need of rehabilitation or that the protection of the public or the child requires that disposition be made, the juvenile court, on notice to all persons affected and on hearing, may enjoin all contact between the child and a person who is found to be a contributing cause of the child's delinquent conduct or conduct indicating a need for supervision.

(Added by Acts 1975, 64th Leg., p. 2157, ch. 693, § 18, eff. Sept. 1, 1975.)

§ 54.10. Hearings Before Referee

(a) The hearing provided in Sections 54.01, 54.03, and 54.04 of this code may be held by a referee appointed in accordance with Section 51.04(g) of this code provided:

1. the parties have been informed by the referee that they are entitled to have the hearing before the juvenile court judge or in the case of a detention hearing provided for in Section 54.01 of this code, a substitute judge as authorized by Section 51.04(f) of this code; or
2. the child and the attorney for the child have in accordance with the requirements of Section 51.09 of this code waived the right to have the hearing before the juvenile court judge or substitute judge.

(b) At the conclusion of the hearing, the referee shall transmit written findings and recommendations to the juvenile court judge. The juvenile court judge shall adopt, modify, or reject the referee's recommendations within 24 hours. In the same case of a detention hearing as authorized by Section 54.01 of this code, the failure of the juvenile court to act within 24 hours results in release of the child by operation of law and a recommendation that the child be released operates to secure his immediate release subject to the power of the juvenile court judge to modify or reject that recommendation.

(Added by Acts 1975, 64th Leg., p. 2157, ch. 693, § 19, eff. Sept. 1, 1975.)

[See Compact Edition, Volume 1 for text of (a) and (b)]

(c) If the juvenile court enters an order of temporary hospitalization of the child, the child shall be cared for, treated, and released in conformity to the Texas Mental Health Code except:

1. a juvenile court order of temporary hospitalization of a child automatically expires when the child becomes 18 years of age;
2. the head of a mental hospital shall notify the juvenile court that ordered temporary hospitalization at least 10 days prior to discharge of the child; and
3. appeal from juvenile court proceedings under this section shall be to the court of civil appeals as in other proceedings under this title.

[See Compact Edition, Volume 1 for text of (d)]

(e) If the child is discharged from the mental hospital before reaching 18 years of age, the juvenile court may:
   (1) dismiss the juvenile court proceedings with prejudice; or
   (2) continue with proceedings under this title as though no order of temporary hospitalization had been made.

[Amended by Acts 1975, 64th Leg., p. 2157, ch. 693, §§ 20 and 21, eff. Sept. 1, 1975.]

§ 55.03. Mentally Retarded Child

[See Compact Edition, Volume 1 for text of (a) to (d)]

(e) If the child is discharged from the facility for the care and treatment of mentally retarded persons before reaching 18 years of age, the juvenile court may:

(1) dismiss the juvenile court proceedings with prejudice; or
   (2) continue with proceedings under this title as though no order of commitment had been made.

[Amended by Acts 1975, 64th Leg., p. 2158, ch. 693, § 22, eff. Sept. 1, 1975.]

§ 55.04. Mental Disease or Defect Excluding Fitness to Proceed

[See Compact Edition, Volume 1 for text of (a) to (d)]

SUBCHAPTER B. PROPERTY OF THE STATE

1.011. Property of the State.
1.012. Private Fresh Water.

SUBCHAPTER C. DEFINITIONS

SUBCHAPTER A. PURPOSE AND POLICY

§ 1.001. Purpose of Code

(a) This code is enacted as a part of the state's continuing statutory revision program, begun by the Texas Legislative Council in 1963 as directed by the legislature in Chapter 488, Acts of the 58th Legislature, 1963 (Article 5429b—1, Vernon's Texas Civil Statutes). The program contemplates a topic-by-topic revision of the state's general and permanent statute law without substantive change.

(b) Consistent with the objectives of the statutory revision program, the purpose of this code is to make the general and permanent parks and wildlife law more accessible and understandable by:

1. rearranging the statutes into a more logical order;
2. employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;
3. eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and
4. restating the law in modern American English to the greatest extent possible.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 1.002. Construction of Code

The Code Construction Act (Article 5429b—2, Vernon's Texas Civil Statutes) applies to the construction of each provision in this code, except as otherwise expressly provided by this code.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

[Sections 1.003 to 1.100 reserved for expansion]

SUBCHAPTER B. PROPERTY OF THE STATE

§ 1.011. Property of the State

(a) All wild animals, fur-bearing animals, wild birds, and wild fowl inside the borders of this state are the property of the people of this state.

(b) All fish and other aquatic animal life contained in the freshwater rivers, creeks, and streams and in lagoons, creeks, lakes, bays, and inlets in this state and of that part of the Gulf of Mexico within the jurisdiction of this state are the property of this state. The state may permit the use of the waters and bottoms and the taking of the products of the bottoms and waters.

(d) The Parks and Wildlife Department shall regulate the taking and conservation of fish, oysters, shrimp, crabs, turtles, terrapins, mussels, lobsters, and all other kinds and forms of marine life, or sand, gravel, marl, mud shell, and all other kinds of shell in accordance with the authority vested in it by this code.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 1.012. Private Fresh Water

Any freshwater lake, river, creek, or bayou in this state contained in any survey of private land may not be sold but shall remain open to the public. If the Parks and Wildlife Department stocks the water with fish, it is authorized to protect the fish under rules as it may prescribe.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

SUBCHAPTER B. IDENTIFICATION OF MOTORBOATS: REQUIRED NUMBERING

§ 31.021. Required Numbering

(a) Each undocumented motorboat on the water of this state shall be numbered in accordance with the provisions of this chapter unless specifically exempted. The numbering system shall be in accord with the Federal Boating Act of 1958 and subsequent federal legislation.

(b) No person may operate or give permission for the operation of any motorboat on the water of this state unless the motorboat is numbered as required by this chapter, unless the certificate of number awarded to the motorboat is in full force and effect, and unless the identifying number set forth in the certificate is properly displayed on each side of the bow of the motorboat. [Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 31.022. Exemptions From Required Numbering

(a) A motorboat is not required to be numbered under the provisions of this chapter if it is:

(1) operated within this state for a period not exceeding 90 consecutive days and is covered by a number in full force and effect which has been awarded under federal law or a federally approved numbering system of another state;
(2) from a country other than the United States temporarily using the water of this state;
(3) owned by the United States, a state, or a subdivision of a state; or
(4) a ship's lifeboat.

(b) The department may exempt from numbering a class of motorboats if it finds that the numbering of the motorboats of that class will not materially aid in their identification. The department may also exempt a motorboat if it finds that it belongs to a class of motorboats that would be exempt from numbering under a numbering system of an agency of the federal government if it were subject to federal law.

(c) All canoes, punts, rowboats, sailboats, and rubber rafts when paddled, poled, oared, or windblown are exempt from the numbering provisions of this chapter. [Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

(b) On receipt of the application in approved form, the department shall enter it on the records of its office and issue to the applicant a certificate of number stating the number awarded to the motorboat and the name and address of the owner.
§ 31.025. Renewal of Certificates of Number

An application for the renewal of each certificate of number shall be prepared by the department and mailed to the owner of the vessel during the period of the last 90 days before the expiration date of the certificate. The same number shall be issued on renewal. Applications not received during the 90-day period shall be treated in the same manner as original applications.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

(c) Owners of newly purchased motorboats or other motorboats not previously operated in this state shall pay the full registration fee.

(d) In order to establish a two-year staggered registration period, fees for currently registered motorboats may be less than the full fee specified in Subsection (a) of this section if the expiration date established by the department is prior to March 21, 1974.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 31.031. Numbering Pattern

(a) The numbering pattern used consists of the prefix "TX" followed by a combination of exactly four numerals and further followed by a suffix of two letters. The group of numerals appearing between the letters shall be separated from the letters by hyphens or equivalent spaces.

(b) All basic numbers of each series shall begin with 1000. TX-1000-AA through TX-9999-AA will be allotted to dealers and manufacturers. TX-1000-AB through TX-9999-ZZ will be allotted to all other boat owners and livery operators.

(c) The letters "G", "I", "O", and "Q" shall be omitted from all letter sequences.

The owner shall paint on or attach to each side of the motorboat or vessel near the bow the identification number and a validation decal in the manner prescribed by the department. The number shall read from left to right and shall be of block characters of good proportion of not less than three inches in height. An authorized agent may be assigned a block or blocks of numbers and certificates that, on award in conformity with this chapter and with rules and regulations of the department, are valid as if awarded directly by the department.

(b) An authorized agent shall execute a faithful performance bond of not less than $1,000 in favor of the State of Texas.

(b) Liens of all kinds, including reservations or transfers of title to secure debts or claims, are disregarded in determining ownership of a vessel. A lienholder who acquires possession and title by virtue of a default in the terms of the lien instrument, or any person who acquires ownership through an action as an lienholder, may apply for a number and shall attach a notarized affidavit of repossession to his application.

(c) A person who acquires ownership of a vessel by inheritance, devise, or bequest may apply for a certificate of number and shall include a notarized affidavit of heirship with his application and prescribed fee.

(d) A person who acquires ownership of a vessel by bankruptcy proceedings, through receivership, or by any other involuntary divestiture of ownership may apply for a certificate of number and shall include a copy of the court order authorizing the action with his application and prescribed fee.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

Amendment by Acts 1975, 64th Leg., p. 1286, ch. 481, § 2, eff. Jan. 1, 1976

Acts 1975, 64th Leg., p. 1286, ch. 481, § 2, purports to amend § 5 of Civil Statutes, Art. 9206 [now, this section and Section 31.042], effective Jan. 1, 1976, without reference to repeal of said article by Acts 1975, 64th Leg., p. 1804, ch. 546, § 2(a)(4). As so amended, § 5 reads:

"Sec. 5. (a) Ownership of a motorboat or an outboard motor shall be evidenced by a certificate of title issued by the Department or, if the vessel or outboard motor is new, by manufacturer's or importer's certificate on a form prescribed by the Department. Ownership of any vessel other than a motorboat or an outboard motor of any horsepower may but need not be evidenced by a certificate of title or, if new, by a manufacturer's or importer's certificate. A separate certificate of title or manufacturer's or importer's certificate shall be secured for a motorboat and an outboard motor.

"(b) No person may sell, assign, transfer, or otherwise dispose of an interest in a motorboat or outboard motor without either (1) delivering to the transferee a certificate of title in the name of the transferor properly endorsed to show the transfer, or (2) if the transferee is not a manufacturer or dealer and the vessel or outboard motor is new, delivering to the Department a manufacturer's or importer's certificate showing the endorsement of the manufacturer and all intervening owners, or (3) if the transferee is a manufacturer or dealer and the vessel or outboard motor is new, delivering to the Department a manufacturer's or importer's certificate showing the endorsement of the manufacturer and all intervening owners, or (4) if the motorboat or outboard motor is not covered by a certificate of title or manufacturer's or importer's certificate, delivering to the Department (if the transferor is a manufacturer or dealer) or to the transferee (if the transferor is not a manufacturer or dealer) sufficient evidence of title and other information so that a certificate of title will be issued thereto to the transferee. No person shall acquire an interest in a motorboat or outboard motor until a certificate of title to the motorboat or outboard motor has been issued in the name of such person, or if such person is a dealer or manufacturer and the motorboat or outboard motor is new, until the
manufacturer's or importer's certificate is properly endorsed showing the signature of the manufacturer and all intervening owners.

"(c) Except as provided in Subsection (f) of this Section 5, all liens, encumbrances, and security interests in a motorboat or outboard motor created after the effective date of this Act shall (i) be noted on the certificate of title pertaining to such motorboat or outboard motor, (ii) take priority according to the order of time in which they are noted on the certificate of title, and (iii) be valid as against other general creditors of the owner of the motorboat or outboard motor, subsequent purchasers thereof, and holders of unnoted or subsequent liens or security interests thereon.

"(d) Application for a certificate of title shall be made to the Department on forms it prescribes showing, among other items, the name and address of the owner, a description of the motorboat or outboard motor (including, as appropriate, its manufacturer, make, model, year, length, construction material, manufacturer's or builder's number, hull identification number (HIN), motor number, outdrive number, horsepower), name and address of purchaser and date of purchase, name and address of any security interest owner, and such other information as the Department may prescribe to reflect the ownership of the motorboat or outboard motor, a security interest thereon, or to further describe the above items. The application shall be accompanied by the fee provided herein and by such evidence as the Department shall reasonably require to establish that the applicant or other person is entitled to a certificate of title or a noted security interest. Such evidence may include a certificate of title issued by another state or jurisdiction, manufacturer's or importer's certificate, bill of sale, assignment, contract, promissory note, security agreement, invoice, bill of lading, affidavit, probate or heirship proceedings or information, judgment of a court of competent jurisdiction, or other documents. Every manufacturer or dealer selling or exchanging a motorboat or outboard motor to a person not a manufacturer or dealer shall make application for a certificate of title in the name of the purchaser or transferee. In all other cases the purchaser shall make the application for a certificate of title. The application shall be made within 20 days after the date of sale of the motorboat or outboard motor. If a dealer acquires a used vessel or outboard motor covered by a certificate of title, the dealer need not secure a certificate of title in his name but may apply for a certificate of title in the name of the person, other than another dealer, to whom he subsequently sells or otherwise transfers the motorboat or outboard motor, submitting the certificate of title with an appropriate assignment endorsement.

"(e) The certificate of title issued by the Department shall contain the name and address of the owner of the motorboat or outboard motor, the owner of any security interest therein, a description of the motorboat or outboard motor, and be in the form prescribed by the Department. If there is no lien on the motorboat or outboard motor, the original certificate of title, marked 'Original,' shall be delivered to the owner and a copy retained by the Department. If there is a lien, the original certificate shall be sent to the first lien holder and the duplicate original, marked 'Duplicate Original,' shall be delivered to the owner and a copy retained by the Department. Title may be transferred only by surrender of the original certificate of title properly endorsed to show the transfer.

"(f) The manufacturer's or importer's certificate shall describe the motorboat or outboard motor per Subsection (d) above, certify to the manufacture or other origin of the motorboat or outboard motor, be signed by the manufacturer or the equivalent thereof, and show thereon the endorsement of the original and each subsequent transferee up to and including the applicant for the certificate of title. No lien, encumbrance, or security agreement shall be shown thereon. Any security interest or other lien may be perfected as provided by Chapter 9 of the Business and Commerce Code as long as the motorboat or outboard motor is new.

"(g) The provisions of Subsections (d), (e), and (f) shall likewise apply to those vessels on which a certificate may but is not required to be issued.

"(h) The Department shall by regulation provide for the replacement of lost, stolen, or mutilated certificates.

"(i) A certificate of title shall be required as proof of ownership of a motorboat on an application for a number as required by this Act unless a certificate of title has not otherwise been required by the terms of this section; in which event a certified statement of ownership will be sufficient to secure a number. A certificate of number may be cancelled and the identification number voided by the Department even though such action occurs before the expiration date on the certificate, and such certificate is not surrendered to this Department. Certain causes for cancellation of certificates and voiding of numbers include but are not limited to the following:
§ 31.036  PARKS AND WILDLIFE CODE

“(1) Surrender of certificate for cancellation;
“(2) Issuance of a new number for the same boat;
“(3) Issuance of a marine document by the Bureau of Customs for the same vessel;
“(4) False or fraudulent certification in an application for number;
“(5) Failure to pay the prescribed fee; and
“(6) The dismantling, destruction, or change in the form or character of a motorboat or outboard motor so that it does not fit the definition thereof or is not correctly described in the certificate.

“(j) The provisions of this Section 5 shall not apply to vessels with a valid marine document issued by the Bureau of Customs of the United States or any federal agency successor thereto, nor to any outboard motor of less than 12 horsepower as determined by the manufacturer’s rating, nor to any motorboat 14 feet in length or less.

“(k) The fee for the issuance of a certificate of title or the notation of a security interest or other lien or encumbrance shall be treated as fees collected pursuant to Section 27 of this Act and shall be $2.00 until September 1, 1977, and $1.50 then and thereafter.”

§ 31.037. Change in Ownership Interest; Notice to Department

(a) The owner of a motorboat numbered in this state shall notify the department within a reasonable time of the transfer of all or any part of his ownership to the department within a reasonable time after the transfer of all or any part of his evidence of his ownership to the department within a reasonable time after the transfer of all or any part of his security interest, or of the destruction or abandonment of the motorboat. The notice shall be accompanied by a surrender of the certificate of number. The application must state that the applicant is a dealer or manufacturer within the meaning of this chapter, and the facts stated on the application must be sworn before an officer authorized to administer oaths.

(b) If the boat is destroyed or abandoned, the department shall cancel the certificate and enter the cancellation in its records.

(c) The purchaser of a motorboat shall present evidence of his ownership to the department within a reasonable time along with his name, address, and the number of the motorboat and shall at the same time pay to the department a fee of $1. On receipt of the application and fee the department shall transfer the certificate of number issued for the motorboat to the new owner. Unless the application is made and fee paid within a reasonable time the motorboat is without a certificate of number, and it is unlawful for any person to operate the motorboat until the certificate is issued.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 31.038. Change of Address; Notice to Department

(a) The holder of a certificate of number shall notify the department within a reasonable time if his address no longer conforms to the address appearing on the certificate and shall inform the department of his new address.

(b) The department may provide in its regulations for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or for the alteration of the outstanding certificate to show the new address of the holder. Changes of address shall be noted on the records of the department.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 31.039. Public Records

(b) To receive certificates of number, the owner of a boat livery shall apply directly to the department on application forms provided by the department. The application must state that the applicant is a boat livery within the meaning of this chapter, and the facts stated in the application must be sworn before an officer authorized to administer oaths.

(c) The owner of a boat livery shall keep a record of the name and address of the persons hiring any vessel designed or operated as a motorboat, the vessel’s certificate of number, the time and date of departure, and the expected time of return. The record shall be kept for six months.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

§ 31.041. Dealer’s and Manufacturer’s Number

(a) A dealer or manufacturer of motorboats in this state may obtain a dealer’s and manufacturer’s number for motorboats he wishes to show, demonstrate, or test on the water of this state instead of securing a certificate of number for each boat. The number shall be attached to any motorboat that he sends temporarily on the water.

(b) The application for a number must state that the applicant is a dealer or manufacturer within the meaning of this chapter, and the facts stated on the application must be sworn before an officer authorized to administer oaths. The two-year fee for a
dealer's and manufacturer's number is $25. No number may be issued until the provisions of this section have been satisfied.

(c) A dealer or manufacturer holding a dealer's and manufacturer's number may issue a reasonable temporary facsimile of the number which may be used by any authorized person. A person purchasing a motorboat may use the dealer's number for a period not to exceed 15 days prior to filing an application for a certificate of number. The form of the facsimile and the manner of display shall be prescribed by the department.

[Acts 1975, 64th Leg., p. 1405, ch. 545, § 1, eff. Sept. 1, 1975.]

- (1) surrender of the certificate for cancellation;
- (2) issuance of a new number for the same boat;
- (3) issuance of a marine document by the Bureau of Customs for the same vessel;

The application must be signed by the owner of the vessel and must be accompanied by a fee of $1. On receipt of the application in approved form, the department shall enter the information on the records of its office and shall issue to the applicant a serial number.

(c) No person may willfully destroy, remove, alter, cover, or deface the manufacturer's serial number or plate bearing the serial number or the serial number issued by the department. No person may possess a boat with a serial number that has been altered, defaced, mutilated, or removed. CHAPTER 1. GENERAL PROVISIONS

§ 1.07. Definitions
(a) In this code:

(9.1) "Corporation" includes nonprofit corporations, professional associations created pursuant to statute, and joint stock companies.

[Amended by Acts 1975, 64th Leg., p. 912, ch. 342, § 1, eff. Sept. 1, 1975.]

Saving provisions. Section 17 of the 1975 Act provided:

"Sec. 17. (a) Except as provided in Subsections (b) and (c) of this section, this Act applies only to offenses committed on or after its effective date, and a criminal action for an offense committed before this Act's effective date is governed by the law existing before the effective date, which law is continued in effect for this purpose, as if this Act were not in force. For purposes of this section, an offense is committed on or after the effective date of this Act if any element of the offense occurs on or after the effective date.

"(b) Conduct constituting an offense under existing law that is repealed by this Act and that does not constitute an offense under this Act may not be prosecuted after the effective date of this Act. If, on the effective date of this Act, a criminal action is pending for conduct that was an offense under the laws repealed by this Act and that does not constitute an offense under this Act, the action is dismissed on the effective date of this Act. However, a conviction existing on the effective date of this Act is valid and unaffected by this Act. For purposes of this section, "conviction" means a finding of guilt in a court of competent jurisdiction, and it is of no consequence that the conviction is not final.

"(c) In a criminal action pending on or commenced on or after the effective date of this Act, for an offense committed before the effective date of this Act, the defendant, if adjudged guilty, shall be assessed punishment under this Act if he so elects by written motion filed with the trial court before the sentencing hearing begins."

[Amended by Acts 1975, 64th Leg., p. 912, ch. 342, § 2, eff. Sept. 1, 1975.]

For saving provisions see note set out under Section 1.07.

§ 2.06. Repealed by Acts 1975, 64th Leg., p. 918, ch. 342, § 16, eff. Sept. 1, 1975
For saving provisions see note set out under Section 1.07.

CHAPTER 2. BURDEN OF PROOF

§ 2.05. Presumption

When this code or another penal law establishes a presumption with respect to any fact, it has the following consequences:

(1) if there is sufficient evidence of the facts that give rise to the presumption, the issue of the existence of the presumed fact must be submitted to the jury, unless the court is satisfied that the evidence as a whole clearly precludes a finding beyond a reasonable doubt of the presumed fact; and

(2) if the existence of the presumed fact is submitted to the jury, the court shall charge the jury, in terms of the presumption and the specific element to which it applies, as follows:

(A) that the facts giving rise to the presumption must be proven beyond a reasonable doubt;

(B) that if such facts are proven beyond a reasonable doubt the jury may find that the element of the offense sought to be presumed exists, but it is not bound to so find;

(C) that even though the jury may find the existence of such element, the state must prove beyond a reasonable doubt each of the other elements of the offense charged; and

(D) if the jury has a reasonable doubt as to the existence of a fact or facts giving rise to the presumption, the presumption fails and the jury shall not consider the presumption for any purpose.

[Amended by Acts 1975, 64th Leg., p. 912, ch. 342, § 1, eff. Sept. 1, 1975.]

For saving provisions see note set out under Section 1.07.

§ 2.06. Repealed by Acts 1975, 64th Leg., p. 918, ch. 342, § 16, eff. Sept. 1, 1975

(c) An offense under Subsection (a)(1) of this section is one category lower than the offense intended.

An offense under Subsection (a)(2) of this section is a felony of the third degree.

[Amended by Acts 1975, 64th Leg., p. 913, ch. 342, § 7, eff. Sept. 1, 1975.]

"(a) Sections 1, 2, and 4 of this Act apply only to offenses committed on or after the effective date of this Act, and except as provided in Subsections (b), (c), and (d) of this section, a criminal action for an offense committed before the effective date of this Act is governed by the law existing before the effective date, which law is continued in effect for this purpose as though this law were not in force."

§ 21.09. Rape of a Child

(a) A person commits an offense if he has sexual intercourse with a female not his wife and she is younger than 17 years.

(b) If the defendant proposes to ask any question concerning specific instances, opinion evidence, or reputation evidence of the victim's sexual conduct, either by direct examination or cross-examination of any witness, the defendant must inform the court out of the hearing of the jury prior to asking any such question. After this notice, the court shall conduct an in camera hearing, recorded by the court reporter, to determine whether the proposed evidence is admissible under Subsection (a) of this section. The court shall determine what evidence is admissible and shall accordingly limit the questioning. The defendant shall not go outside these limits nor refer to any evidence ruled inadmissible in camera without prior approval of the court without the presence of the jury.

(c) The court shall seal the record of the in camera hearing required in Subsection (b) of this section for delivery to the appellate court in the event of an appeal.

(d) This section does not limit the right of the state or the accused to impeach credibility by showing prior felony convictions nor the right of the accused to produce evidence of promiscuous sexual conduct of a child 14 years old or older as a defense to rape of a child, sexual abuse of a child, or indecency with a child. If evidence of a previous felony conviction involving sexual conduct or evidence of promiscuous sexual conduct is admitted, the court shall instruct the jury as to the purpose of the evidence and as to its limited use.

CHAPTER EIGHT. TEXAS LIQUOR CONTROL ACT

I. INTOXICATING LIQUORS

Art. 666-16. Surety Company Bond Required; Amount

All bonds required by this Act shall be executed by a surety company duly authorized and qualified to do business in this state. The Commission shall not cancel any surety bond until said surety company shall have paid and discharged in full all of its liabilities upon said bond to the state to the date of said cancellations. The holders of all permits, except Carriers, Local Cartage, Wine and Beer Retailers, Non-resident Sellers and Manufacturer's Agents as defined in Section 15% of Article I of this Act, and Agents as defined in Section 15(10) of Article I of this Act, shall be required to make bonds in sums of not less than One Thousand Dollars ($1,000) and not exceeding Twenty-Five Thousand Dollars ($25,000).

The Commission in its discretion may fix the amount of bond which shall be required for each class of permittees. All bonds required of permittees shall be payable to the State of Texas conditioned that so long as the applicant holds such permit unrevoked he will not violate any of the laws of this state relative to the traffic in, transportation, sale, or delivery of liquor or any of the valid rules or regulations of the Commission, and in the case of such permittees as are required to account for taxes and fees that such permittees will account for and pay all permit fees and taxes levied by this Act. All bonds required of permittees shall be payable in Travis County, Texas. In all instances where other permits are required, incidental to the operation of a business for which a basic permit is procured, the Commission may in its discretion accept one bond to support all such permits and in such amounts as it may require. No bond shall be required of any retail licensee or retail permittee who is not responsible for the primary payment of any alcoholic beverage excise tax to the State of Texas. [Amended by Acts 1975, 64th Leg., p. 579, ch. 235, § 1, eff. May 20, 1975.]

Art. 666-20b. Mixed Beverage Permittee, Refill of Containers Prohibited; Validation of Identification Stamp Required; Facilities for Validation; Use of Automatic Measuring Device; Consumption on Premises Required.

(a) No Mixed Beverage Permittee may refill with any substance a container which contained distilled spirits on which the tax prescribed in Section 21, Article I, of this Act has been paid.

(b) A Mixed Beverage Permittee or any person employed by the permittee who empties a bottle containing distilled spirits on which the tax prescribed in Section 21, Article I, of this Act has been paid, shall immediately after emptying the bottle invalidate the identification stamp on the bottle in the manner provided by rule or regulation of the Commission or Administrator.

(c) Every Mixed Beverage Permittee shall provide at all service counters where distilled spirits are poured from bottles the necessary facilities for the invalidation of identification stamps on bottles so that persons emptying distilled spirits bottles may immediately invalidate the identification stamps on them.

(d) Any Mixed Beverage Permittee, his officer, agent, or employee, who is found in possession of an emptied distilled spirits bottle which contained distilled spirits on which the tax prescribed in Section 21, Article I, of this Act has been paid, on which the identification stamp has not been invalidated is guilty of a separate violation of this Section for each bottle.

(e) An empty distilled spirits bottle which has locked on it an automatic measuring and dispensing device of a type approved by the Administrator or Commission, so as to prevent the refilling of the bottle without unlocking and removing the device from the bottle, is not required to have its identification stamp invalidated as required in Subsections (a) through (d) of this Section, but the stamp shall be invalidated immediately upon the unlocking and removal of the device. Subsection (d) of this Section does not apply to the possession of an empty distilled
spirits bottle until the device has been unlocked and removed from the bottle.

(f) No holder of a Mixed Beverage Permit shall sell any alcoholic beverage to any other holder of a Mixed Beverage Permit or to any other person, except for consumption on the licensed premises of the selling permit holder, or as provided in Subsection (g) of this section.

(g) No holder of a Mixed Beverage Permit shall permit any person to take any alcoholic beverages purchased on the licensed premises from the premises where sold; provided, however, where a person orders wine with his food and has a portion of the open container remaining, he shall have the right to remove same from the premises. [Amended by Acts 1975, 64th Leg., p. 1386, ch. 546, § 1, eff. Sept. 1, 1975.]

Art. 666-20d. Gross Receipts Tax on Mixed Beverage and Private Club Permittees; Collection and Disposition; Procedures; Violations; Penalties; Permits Restricted

[See Compact Edition, Volume 1 for text of (a) to (I)].

(m) If two or more establishments operated under a permit or permits named in Subsection (a) of this section are located in the same county and are under the same or substantially the same ownership, the holder or holders of the permits may apply to the Administrator, on a form furnished by the Administrator for that purpose, for permission to keep all required records for those establishments at a single location in the county. The single location need not be the licensed premises of one of the establishments. If the Administrator decides to approve the application, he must do so in writing and may impose any conditions regarding the keeping of the records that he finds appropriate. If records are kept at a single location under this subsection, the records for each establishment must still be kept separately. [Amended by Acts 1975, 64th Leg., p. 1378, ch. 546, § 1, eff. Sept. 1, 1975.]

Art. 666-21e. Importation and Taxation of Liquor Bottled in Metric Containers; Rules and Regulations

The Texas Alcoholic Beverage Commission is hereby directed to adopt rules and regulations permitting liquor bottled in containers sized under the metric system to be imported into this state and to collect taxes on liquor so bottled at the same rate and under the same provisions as taxes are presently collected under Section 21 of this article and to convert to table form the amount of tax which, at the same rate, will be due on each specified category of liquor as and when the alcoholic beverage industry converts from the United States standard gallon system of measurement to the metric system so that taxes can be uniformly imposed regardless of the container size. [Amended by Acts 1975, 64th Leg., p. 116, ch. 53, § 1, eff. April 18, 1975.]

Art. 666-58. Renewal of Mixed Beverage Permit Held by Corporation; Change of Ownership; Rules and Regulations; Application for Original Permit

(a) A mixed beverage permit held by a corporation may not be renewed if the Commission or Administrator finds that legal or beneficial ownership of over fifty percent (50%) of the stock of the corporation has changed since the original permit was issued.

(b) The Commission or Administrator may adopt reasonable rules and regulations in accordance with the provisions of this Section.

(c) A corporation which is barred from renewing a permit because of this Section may file an application for an original permit and may be issued an original permit if otherwise qualified.

(d) This Section does not apply to a change in corporate control brought about by the death of a shareholder if his surviving spouse or descendants are his successors in interest.

(e) This Section does not apply to a change in corporate control brought about when legal or beneficial ownership of over fifty percent (50%) of the stock of the corporation has been transferred to a person who possesses the qualifications required for other applicants for permits and is or has been an officer of the corporation since the original permit was issued. [Amended by Acts 1975, 64th Leg., p. 371, ch. 162, § 1, eff. Sept. 1, 1975.]

(b) Each holder of a general, local, or branch distributor's license shall enter into a written agreement with each manufacturer from whom the distributor purchases beer for distribution and sale in
Texas setting forth the nonexclusive territorial limits within which each brand so purchased may be distributed and sold. A copy of the agreement, and any amendments to it, shall be filed with the administrator.

(c) Nothing contained in Subsections (a) and (b) of this section limits or alters the right of any holder of a general, local, or branch distributor's license to sell beer to any other holder of a general, local, or branch distributor's license; provided, however, a distributor who has purchased beer from another distributor may distribute and sell the beer only within a territory for which the manufacturer of the brand has designated it may be sold by a distributor.

(d) Nothing contained in Subsections (a), (b), and (c) of this section limits or alters the right of any holder of a retail license or permit to purchase beer at the licensed premises of any holder of a general, local, or branch distributor's license and to transport such beer to his licensed premises; provided, however, the beer so purchased may be sold by a retailer only within a territory for which the manufacturer of the brand has designated it may be sold by a distributor.

TRIAL AND ITS INCIDENTS
CHAPTER THIRTY-FIVE. FORMATION OF THE JURY

See, now, Civil Statutes, Art. 2122.
Art. 36.14

CODE OF CRIMINAL PROCEDURE

CHAPTER THIRTY-SIX. THE TRIAL BEFORE THE JURY

Art. 36.14. Charge of Court

Subject to the provisions of Article 36.07 in each felony case and in each misdemeanor case tried in a court of record, the judge shall, before the argument begins, deliver to the jury, except in pleas of guilty, where a jury has been waived, a written charge distinctly setting forth the law applicable to the case; not expressing any opinion as to the weight of the evidence, not summing up the testimony, discussing the facts or using any argument in his charge calculated to arouse the sympathy or excite the passions of the jury. Before said charge is read to the jury, the defendant or his counsel shall have a reasonable time to examine the same and he shall present his objections thereto in writing, distinctly specifying each ground of objection. Said objections may embody errors claimed to have been committed in the charge, as well as errors claimed to have been committed by omissions therefrom or in failing to charge upon issues arising from the facts, and in no event shall it be necessary for the defendant or his counsel to present special requested charges to preserve or maintain any error assigned to the charge, as herein provided. The requirement that the objections to the court's charge be in writing will be complied with if the objections are dictated to the court reporter in the presence of and with the consent of the court, before the reading of the court's charge to the jury, and are subsequently transcribed, endorsed with the court's ruling and official signature, and filed with the clerk in time to be included in the transcript. Compliance with the provisions of this Article is all that is necessary to preserve, for review, the exceptions and objections presented to the charge and any amendment or modification thereof. In no event shall it be necessary for the defendant to except to the action of the court in over-ruling defendant's exceptions or objections to the charge.

[Amended by Acts 1975, 64th Leg., p. 617, ch. 253, § 1, eff. Sept. 1, 1975.]

A conviction under Chapter 21, Penal Code,\(^1\) is supportable on the uncorroborated testimony of the victim of the sexual offense if the victim informed any person, other than the defendant, of the alleged offense within six months after the date on which the offense is alleged to have occurred. The court shall instruct the jury that the time which lapsed between the alleged offense and the time it was reported shall be considered by the jury only for the purpose of assessing the weight to be given to the testimony of the victim.

PROCEEDINGS AFTER VERDICT

CHAPTER FORTY-TWO. JUDGMENT AND SENTENCE

Art. 42.01. Judgment

Sec. 1. A "judgment" is the declaration of the court entered of record, showing:

1. The title and number of the case;
2. That the case was called for trial and that the parties appeared;
3. The plea of the defendant;
4. The selection, impaneling and swearing of the jury;
5. The submission of the evidence;
6. That the jury was charged by the court;
7. The return of the verdict;
8. The verdict;
9. In the case of a conviction, that it is adjudged to be guilty of the offense as found by the jury; or in case of acquittal, that the defendant be discharged;
10. That the defendant be punished as has been determined.

Sec. 2. The judge may order the clerk of the court, the prosecuting attorney, or the attorney or attorneys representing any defendant to prepare the judgment, or the court may prepare the same.

Sec. 3. The provisions of this Article shall apply to both felony and misdemeanor cases.

[Amended by Acts 1975, 64th Leg., p. 245, ch. 95, § 1, eff. Sept. 1, 1975.]

Art. 42.07. Reasons to Prevent Sentence

Before pronouncing sentence, the defendant shall be asked whether he has anything to say why the sentence should not be pronounced against him. The only reasons which can be shown, on account of which sentence cannot be pronounced, are:

1. That the defendant has received a pardon from the proper authority, on the presentation...
of which, legally authenticated, he shall be discharged.

2. That the defendant is incompetent to stand trial; and if evidence be shown to support a finding of incompetency to stand trial, no sentence shall be pronounced, and the court shall proceed under Article 46.02 of this code;

3. Where there has not been a motion for a new trial or a motion in arrest of judgment made, the defendant may answer that he has good grounds for either or both of these motions and either or both motions may be immediately entered and disposed of, although more than ten days may have elapsed since the rendition of the verdict; and

4. When a person who has been convicted escapes after conviction and before sentence and an individual supposed to be the same has been arrested he may before sentence is pronounced, deny that he is the person convicted, and an issue be accordingly tried before a jury as to his identity.

[Amended by Acts 1975, 64th Leg., p. 1102, ch. 415, § 3, eff. June 19, 1975.]

Art. 42.12. Adult Probation and Parole Law

[See Compact Edition, Volume 1 for text of 1 to 2]

B. Probations

Sec. 3. The judges of the courts of the State of Texas having original jurisdiction of criminal actions, when it shall appear to the satisfaction of the court that the ends of justice and the best interests of the public as well as the defendant will be served thereby, shall have the power, after conviction or plea of not guilty for any crime or offense, where the maximum punishment assessed against the defendant does not exceed ten years imprisonment, to suspend the imposition of the sentence and may place the defendant on probation or impose a sentence which is set forth in the offense for which the defendant was convicted. Any such person placed on probation may be arrested and detained as provided in Section 3a hereafter provided. In all cases where the punishment is assessed by the Court it may fix the period of probation without regard to the term of punishment assessed, but in no event may the period of probation be greater than 10 years or less than the minimum prescribed for the offense for which the defendant was convicted. Any such person placed on probation, whether in a trial by jury or before the court, shall be under the supervision of such court.

Sec. 3a. Where there is a conviction in any court of this State and the punishment assessed by the jury shall not exceed ten years, the jury may recommend probation for a period of any term of years authorized for the offense for which the defendant was convicted, but in no event for more than ten years, upon written sworn motion made therefor by the defendant, filed before the trial begins. When the jury recommends probation, it may also assess a fine applicable to the offense for which the defendant was convicted. When the trial is to a jury, and the defendant has no counsel, the court shall inform the defendant of his right to make such motion, and the court shall appoint counsel to prepare and present same, if desired by the defendant. In no case shall probation be recommended by the jury except when the sworn motion and proof shall show, and the court shall find in their verdict that the defendant has never before been convicted of a felony in this or any other State. This law is not to be construed as preventing the jury from passing on the guilt of the defendant, but he may enter a plea of not guilty. In all eligible cases, probation shall be granted by the court, if the jury recommends it in their verdict, for the period recommended by the jury.

If probation is granted by the jury the court may impose only those conditions which are set forth in Section 6 hereof.

[See Compact Edition, Volume 1 for text of 3b and 3c]

Sec. 3d. (a) When in its opinion the best interest of society and the defendant will be served, the court may, after receiving a plea of guilty or plea of nolo contendere, hearing the evidence, and finding that it substantiates the defendant's guilt, defer further proceedings without entering an adjudication of guilt, and place the defendant on probation on reasonable terms and conditions as the court may require and for a period as the court may prescribe not to exceed 10 years. However, upon written motion of the defendant requesting final adjudication filed within 30 days after entering such plea and the deferment of adjudication, the court shall proceed to final adjudication as in all other cases.

(b) On violation of a condition of probation imposed under Subsection (a) of this section, the defendant may be arrested and detained as provided in Section 8 of this Article. The defendant is entitled to a hearing limited to the determination by the court of whether it proceeds with an adjudication of guilt on the original charge. No appeal may be taken from this determination. After an adjudication of guilt, all proceedings, including assessment of punishment, pronouncement of sentence, granting of probation, and defendant's appeal continue as if the adjudication of guilt had not been deferred.

(c) On expiration of a probationary period imposed under Subsection (a) of this section, if the court has not proceeded to adjudication of guilt, the court shall dismiss the proceedings against the defendant and discharge him. The court may dismiss the proceedings and discharge the defendant prior to
the expiration of the term of probation if in its opinion the best interest of society and the defendant will be served. A dismissal and discharge under this section may not be deemed a conviction for the purposes of disqualifications or disabilities imposed by law for conviction of an offense, except that upon conviction of a subsequent offense, the fact that the defendant had previously received probation shall be admissible before the court or jury to be considered on the issue of penalty.

[See Compact Edition, Volume 1 for text of 5 to 6a]

Sec. 6b. (a) When the court having jurisdiction of the case grants probation to the defendant, in addition to the conditions imposed under Section 6 of this article, the court may require as a condition of probation that the defendant submit to a period of detention in a penal institution to serve a term of imprisonment not to exceed 30 days or one-third of the sentence whichever is lesser.

(b) The imprisonment imposed shall be treated as a condition of probation, and in the event of a sentence of imprisonment upon the revocation of probation, the term of imprisonment served hereunder shall be credited toward service of such subsequent imprisonment.

[See Compact Edition, Volume 1 for text of 7]

Sec. 8. (a) At any time during the period of probation the court may issue a warrant for violation of any of the conditions of the probation and cause the defendant to be arrested. Any probation officer, police officer or other officer with power of arrest may arrest such defendant without a warrant upon the order of the judge of such court to be noted on the docket of the court. A probationer so arrested may be detained in the county jail or other appropriate place of detention until he can be taken before the court. Such officer shall forthwith report such arrest and detention to such court. If the defendant has not been released on bail, on motion by the defendant the court shall cause the defendant to be brought before it for a hearing within 20 days of filing of said motion, and after a hearing without a jury, may either continue, modify, or revoke the probation. The court may continue the hearing for good cause shown by either the defendant or the state. If probation is revoked, the court may proceed to dispose of the case as if there had been no probation, or if it determines that the best interests of society and the probationer would be served by a shorter term of imprisonment, reduce the term of imprisonment originally assessed to any term of imprisonment not less than the minimum prescribed for the offense of which the probationer was convicted.

[See Compact Edition, Volume 1 for text of 9 to 11]

Sec. 11a. The provisions of Sections 6a, 10, and 11 of this Article also apply to Article 42.13.

C. Paroles

[See Compact Edition, Volume 1 for text of 12 to 14]

Sec. 14A. (a) To aid and assist the Board of Paroles and Paroles in parole matters, provision is hereby made for the appointment of parole commissioners.

(b) There shall be appointed no less than six commissioners.

(c) One-third of the commissioners shall be appointed by the governor; one-third of the commissioners by the Chief Justice of the Supreme Court of Texas; and one-third of the commissioners by the Presiding Judge of the Texas Court of Criminal Appeals. One of the commissioners appointed by each of the appointing authorities shall reside in Walker County.

(d) Each commissioner shall hold office for a term of six years; provided that of the commissioners first appointed, the commissioners appointed by one of the appointing authorities shall serve for two years; the commissioners appointed by one of the appointing authorities shall serve for four years; and the other one-third of the commissioners shall serve for six years. Prior to appointment, the appointing authority shall draw lots for the length of the first term for his respective appointees. All terms shall begin on September 1, 1975.

(e) In matters of parole decisions, the commissioners shall have the same duties and authority as the board members. A parole panel, as hereinafter provided, may recommend the granting, denying, or revocation of parole, and may conduct parole revocation hearings. The commissioners may interview inmates for parole consideration, and they shall perform their duties as directed by the board in its rules and regulations affecting these commissioners.

(f) The board may provide and promulgate a written plan for the administrative review of actions taken by a parole panel.

(g) The commissioners shall be compensated while holding office at a salary to be set by the legislature. They shall be reimbursed for their expenses in the same manner and in the same amount as are board members.

(h) The board members shall continue to exercise their responsibility for the administrative operation of the board of pardons and paroles.

(i) In matters of parole decisions, the board members and commissioners may act in panels comprised of three persons in each panel. The composition of the respective panels shall be designated by the
board. A majority of each panel shall constitute a quorum for the transaction of its business, and its decisions shall be by a majority vote. In parole matters, those functions given to the board throughout Article 42.12, Code of Criminal Procedure, 1965, as amended, may be enlarged and extend to the parole panels, as provided by board rules. The powers of the board and the board members can be delegated by the board to the parole panels and to the commissioners as needed for the convenience of and assistance to the board.

(j) In case of a vacancy among the parole commissioners, the appointing authority who appointed the commissioner now absent shall fill the vacancy with another appointment, and the person so appointed shall continue in office for the unexpired portion of the term for which the commissioner so vacating his office has been appointed.

Art. 42.13. Misdemeanor Probation Law

[See Compact Edition, Volume 1 for text of 1 and 2]

Probation Authorized in Misdemeanor Cases

Sec. 3. (a) A defendant who has been found guilty of a misdemeanor wherein the maximum permissible punishment is by confinement in jail or by a fine in excess of $200.00 or by both such fine and imprisonment may be granted probation if:

(1) he applies by written motion under oath to the court for probation before trial;

(2) he has not been granted probation nor been under probation under this Act or any other Act in the preceding 5 years; provided that the court may grant probation regardless of the prior probation of the defendant, except for a like offense within the last 5 years;

(3) he has paid all costs of his trial and so much of any fine imposed as the court directs; and

(4) the court believes that the ends of justice and the best interests of society and of the defendant will be served by granting him probation.

(b) If a defendant satisfies all the requirements of Section 3(a)(1), (2), (3) and (4) of this Article, and the jury hearing his case recommends probation in its verdict, the court must grant the defendant probation. The court may grant the defendant probation regardless of the recommendation of the jury or the prior conviction of the defendant, except for a like offense within the last five years. The court may, however, extend the term of the probationary period to any length of time not exceeding the maximum time of confinement allowed by law. In the event probation is revoked in accordance with Section 6, the judgment of the court shall not prescribe any penalty in excess of that imposed by the jury.

(c) A defendant's application for probation must be made under oath and must also contain statements (1) either that he has never before been convicted in this or another jurisdiction of a felony or of a misdemeanor for which the maximum permissible punishment is by confinement in jail or by a fine in excess of $200 or by both such fine and imprisonment, or, if he has been so convicted, setting forth such fact and specifying the time and place of such conviction, the nature of the offense for which he was convicted, and the final punishment assessed therein; and (2) that he has not been granted probation nor been under probation under this Article or any other Article in the preceding five years, or if he has been granted probation or been under probation in the preceding five years, setting forth such fact and specifying the time and place of such probation, and the nature of the offense for which he was placed on probation. The application may contain what other information the court directs.

(d) When a defendant has applied for probation, the court during the trial of his case must receive competent evidence concerning the defendant's entitlement to probation.

ARTICLE 46.02
CODE OF CRIMINAL PROCEDURE

MISCELLANEOUS PROCEEDINGS

CHAPTER FORTY-SIX. INSANITY AS DEFENSE

Art. 46.03. Insanity Defense [NEW].

Art. 46.02. Incompetency to Stand Trial

Incompetency to Stand Trial

Sec. 1. (a) A person is incompetent to stand trial if he does not have:

(1) sufficient present ability to consult with his lawyer with a reasonable degree of rational understanding; or
(2) a rational as well as factual understanding of the proceedings against him.

(b) A defendant is presumed competent to stand trial and shall be found competent to stand trial unless proved incompetent by a preponderance of the evidence.

Raising the Issue of Incompetency to Stand Trial

Sec. 2. (a) The issue of the defendant's incompetency to stand trial shall be determined in advance of the trial on the merits if the court determines there is evidence to support a finding of incompetency to stand trial on its own motion or on written motion by the defendant or his counsel filed prior to the date set for trial on the merits asserting that the defendant is incompetent to stand trial.

(b) If during the trial evidence of the defendant's incompetency is brought to the attention of the court from any source, the court must conduct a hearing out of the presence of the jury to determine whether or not there is evidence to support a finding of incompetency to stand trial.

Examination of the Defendant

Sec. 3. (a) At any time the issue of the defendant's incompetency to stand trial is raised, the court may, on its own motion or motion by the defendant, his counsel, or the prosecuting attorney, appoint disinterested experts experienced and qualified in mental health or mental retardation to examine the defendant with regard to his competency to stand trial and to testify at any trial or hearing on this issue, but the court may not order the defendant to a facility operated by the Texas Department of Mental Health and Mental Retardation for examination without the consent of the head of that facility.

(b) If the defendant is free on bail, the court in its discretion may order him to submit to examination. If the defendant fails or refuses to submit to examination, the court may order him to custody for examination for a reasonable period not to exceed 14 days.

(c) The court shall advise any expert appointed pursuant to this section of the nature of the offense with which the defendant is charged and the meaning of incompetency to stand trial.

(d) A written report of the examination shall be submitted to the court within 21 days of the order of examination, and the court shall furnish copies of the report to the defense counsel and the prosecuting attorney. The report shall include a description of the procedures used in the examination, the examiner's observations and findings pertaining to the defendant's competency to stand trial, and recommended treatment. If the examiner concludes that the defendant is incompetent to stand trial, the report shall include the examiner's observations and findings about whether there is a substantial probability that the defendant will attain the competence to stand trial in the foreseeable future.

(e) The appointed experts shall be paid by the county in which the indictment was returned or information was filed. A facility operated by the Texas Department of Mental Health and Mental Retardation which accepts a defendant for examination under Subsection (a) of this section shall be reimbursed by the county in which the indictment was returned or information was filed for such expenses incurred as are reasonably necessary and incidental to the proper examination of the defendant.

(f) No statement made by the defendant during the examination or hearing on his competency to stand trial may be admitted in evidence against the defendant on the issue of guilt in any criminal proceeding.

(g) When a defendant wishes to be examined by a psychiatrist or other expert of his own choice, the court on timely request shall provide the examiner with reasonable opportunity to examine the defendant.

(h) The experts appointed under this section to examine the defendant with regard to his competency to stand trial also may be appointed by the court to examine the defendant with regard to the insanity defense pursuant to Section 3 of Article 46.03 of this code, but separate written reports concerning the defendant's competency to stand trial and the insanity defense shall be filed with the court.

Incompetency Hearing

Sec. 4. (a) If the court determines that there is evidence to support a finding of incompetency to stand trial, a jury shall be impaneled to determine the defendant's competency to stand trial. This determination shall be made by a jury that has not
been selected to determine the guilt or innocence of the defendant.

(b) The defendant is entitled to counsel at the competency hearing. If the defendant is indigent and the court has not yet appointed counsel to represent the defendant, the court shall appoint counsel prior to the competency hearing.

(c) If the defendant is found competent to stand trial, the court shall dismiss the jury that decided the issue and may continue the trial on the merits before the court or with the jury selected for that purpose.

(d) If the issue of incompetency to stand trial is raised other than by written motion in advance of trial pursuant to Subsection (a) of Section 2 of this article and the court determines that there is evidence to support a finding of incompetency to stand trial, the court shall set the issue for determination immediately or at any time prior to the sentencing of the defendant. If the competency hearing is delayed until after a verdict on the guilt or innocence of the defendant is returned, the competency hearing shall be held as soon thereafter as reasonably possible, but a competency hearing may be held only if the verdict in the trial on the merits is "guilty." If the defendant is found incompetent to stand trial after the beginning of the trial on the merits, the court shall declare a mistrial in the trial on the merits. A subsequent trial and conviction of the defendant for the same offense is not barred and jeopardy does not attach by reason of a mistrial under this section.

(e) Instructions submitting the issue of incompetency to stand trial shall be framed to require the jury to state in its verdict:

(1) whether the defendant is incompetent to stand trial; and

(2) if found incompetent to stand trial, whether there is no substantial probability that the defendant will attain the competency to stand trial within the foreseeable future.

(f) If the jury is unable to agree on a unanimous verdict after a reasonable opportunity to deliberate, the court shall declare a mistrial of the incompetency hearing, discharge the jury, and impanel another jury to determine the incompetency of the defendant to stand trial.

Incompetency Dispositions

Sec. 5. (a) When a defendant has been determined incompetent to stand trial, and unless it is determined there is no substantial probability that the defendant will attain competency to stand trial in the foreseeable future, the court shall enter an order committing the defendant to the maximum security unit of Rusk State Hospital, to the maximum security unit of any other facility designated by the Texas Department of Mental Health and Mental Retardation, to an agency of the United States operating a mental hospital, or to a Veterans Administration hospital for a period not to exceed 12 months and placing him in the custody of the sheriff for transportation to the facility to be confined therein for further examination and treatment toward the specific objective of attaining competency to stand trial. A transcript of all medical testimony received by the jury shall be forthwith prepared by the court reporter and shall accompany the patient to the facility.

(b) No person shall be committed to a mental health or mental retardation facility under this section except on competent medical or psychiatric testimony.

(c) The facility to which the defendant is committed shall develop an individual program of treatment and shall report on the defendant's progress towards achieving competency to the court at least every 90 days.

(d) Nothing in this section precludes the court from allowing the defendant to be released on bail if the court determines that the defendant can be adequately treated on an outpatient basis for the purpose of attaining competency to stand trial.

(e) The head of a facility to which a person has been committed pursuant to Subsection (a) of this section shall promptly notify the committing court:

(1) when he is of the opinion that the defendant has attained competency to stand trial; or

(2) when he is of the opinion that there is no substantial probability that the defendant will attain the competency to stand trial in the foreseeable future; or

(3) 14 days prior to the expiration of 12 months following the date of the commitment order.

(f) On notification to the committing court under Subsection (e) of this section, the sheriff of the county in which the committing court is located shall forthwith transport the defendant to the committing court.

(g) When the head of a facility to which the defendant is committed discharges the defendant and the defendant is returned to court, a final report shall be filed with the court documenting the applicable reason therefor under Subsection (e) of this section, and the court shall furnish copies to the defense counsel and the prosecuting attorney. If the defendant has no counsel and the court determines that the defendant is indigent, the court shall appoint counsel to represent him. When the report is filed with the court, the court is authorized to make a determination based solely on the report...
with regard to the defendant's competency to stand trial, unless the prosecuting attorney or the defense counsel objects in writing or in open court to the findings of the report within 15 days from the time the report is served on the parties. In the event of objection, the issue shall be set for a hearing before the court or, on motion by the defendant, his counsel, the prosecuting attorney, or the court, the hearing shall be held before a jury. The hearing shall be held within 30 days following the date of objection unless continued for good cause.

(h) If the defendant is found competent to stand trial, criminal proceedings against him may be resumed. If the defendant is found incompetent to stand trial, the court shall proceed under Section 6 of this article or shall release the defendant. No defendant who has been committed to a facility under Subsection (a) of this section may be recommitted to a facility under that subsection in connection with the same offense.

(i) If the charges pending against a defendant are dismissed, the committing court shall send a copy of the order of dismissal to the head of the facility in which the defendant is held and the defendant shall then be discharged.

Civil Commitment

Sec. 6. (a) If a defendant is found incompetent to stand trial and there is found no substantial probability that he will become competent in the foreseeable future, or if the defendant has been previously committed to a facility under Subsection (a) of Section 5 of this article and it appears to the court that the defendant requires observation or treatment in a mental health or mental retardation facility for his own welfare and protection or the protection of others, the court shall transfer the defendant to the appropriate court for civil commitment proceedings and may order the defendant detained in jail or other suitable place pending the prompt initiation and prosecution by the attorney for the state or other person designated by the court of appropriate civil proceedings to determine whether the defendant will be committed to a mental health or mental retardation facility, or the court may give the defendant into the care of a responsible person on satisfactory security being given for his proper care and protection; otherwise the defendant shall be discharged.

(b) A person committed to a mental health or mental retardation facility as a result of the proceedings initiated pursuant to Subsection (a) of this section shall be committed to the maximum security unit of Rusk State Hospital or the maximum security unit of any other facility designated by the Texas Department of Mental Health and Mental Retardation. Within 30 days following commitment, the person shall be transferred to a nonsecurity unit of a mental health or mental retardation facility designated by the Texas Department of Mental Health and Mental Retardation unless the person is determined to be manifestly dangerous by a review board with the Texas Department of Mental Health and Mental Retardation.

(c) A transcript of all medical testimony received in both the criminal proceedings and the civil commitment proceedings shall be prepared forthwith by the court reporters and shall accompany the patient to the mental health or mental retardation facility.

(d) The head of a mental health or mental retardation facility to which a person has been committed or transferred as a result of the proceedings initiated pursuant to Subsection (a) of this section and who has received written notice from a prosecuting attorney that criminal charges are pending against the person shall notify the prosecuting attorney in writing at least 14 days prior to the discharge of the person. A written report as to the competency of the person to stand trial shall accompany the notice.

(e) On written notice by the head of a mental health or mental retardation facility that in his opinion a person who has been civilly committed to that facility and against whom criminal charges are pending is competent to stand trial, or on good cause shown by the defendant, his counsel, or the prosecuting attorney, the court in which the criminal charges are pending may hold a hearing to determine the competency of the defendant to stand trial. The hearing shall be before a jury unless waived by agreement of the parties. The order setting the hearing shall order the defendant placed in the custody of the sheriff for transportation to the court. The court may appoint disinterested experts to examine the defendant in accordance with the provisions of Section 8 of this article. If the defendant is found to be competent to stand trial, the proceedings on the criminal charges may be continued. If the defendant is found incompetent to stand trial and is under an order of commitment to a mental health or mental retardation facility, the court shall order him placed in the custody of the sheriff for transportation to that facility.

Time Credited

Sec. 7. The time a person charged with a criminal offense is confined in a mental health or mental retardation facility pending trial shall be credited to the term of his sentence on subsequent sentencing or resentencing.

[Amended by Acts 1976, 64th Leg., p. 1095, ch. 415, § 1, eff. June 19, 1975.]
Art. 46.03. Insanity Defense

The Insanity Defense

Sec. 1. (a) The insanity defense provided in Section 8.01 of the Penal Code shall be submitted to the jury only if supported by competent evidence.

(b) When the insanity defense is submitted, the trier of facts shall determine and include in the verdict or judgment or both whether the defendant is guilty, not guilty, or not guilty by reason of insanity.

(c) A defendant who has been found not guilty by reason of insanity shall stand acquitted of the offense charged and may not be considered a person charged with a criminal offense.

Raising the Insanity Defense

Sec. 2. (a) A defendant planning to offer evidence of the insanity defense shall file a notice of his intention to offer such evidence with the court and the prosecuting attorney:

1. At least 10 days prior to the date the case is set for trial; or
2. If the court sets a pretrial hearing before the 10-day period, the defendant shall give notice at the hearing; or
3. If the defendant raises the issue of his incompetency to stand trial before the 10-day period, he shall at the same time file notice of his intention to offer evidence of the insanity defense.

(b) Unless notice is timely filed pursuant to Subsection (a) of this section, evidence on the insanity defense is not admissible unless the court finds that good cause exists for failure to give notice.

Examination of the Defendant

Sec. 3. (a) If notice of intention to raise the insanity defense is filed under Section 2 of this article, the court may, on its own motion or motion by the defendant, his counsel, or the prosecuting attorney, appoint disinterested experts experienced and qualified in mental health or mental retardation to examine the defendant with regard to the insanity defense and to testify thereto at any trial or hearing on this issue, but the court may not order the defendant to a state mental hospital for examination without the consent of the head of the state mental hospital.

(b) If the defendant is free on bail, the court in its discretion may order him to submit to examination. If the defendant fails or refuses to submit to examination, the court may order him to custody for a reasonable period for examination.

(c) The court shall advise any expert appointed under this section of the nature of the offense with which the defendant is charged and the elements of the insanity defense.

(d) A written report of the examination shall be submitted to the court within 21 days of the order of examination and the court shall furnish copies of the report to the defense counsel and prosecuting attorney. The report shall include a description of the procedures used in the examination and the examiner's observations and findings pertaining to the insanity defense.

(e) The appointed experts shall be paid by the county in which the indictment was returned or information was filed. A state mental hospital that accepts a defendant for examination under Subsection (a) of this section shall be reimbursed by the county in which the indictment was returned or information was filed for such expenses incurred as are reasonably necessary and incidental to the proper examination of the defendant.

(f) When a defendant wishes to be examined by a psychiatrist or other expert of his own choice, the court on timely request shall provide the examiner with reasonable opportunity to examine the defendant.

(g) The experts appointed under this section to examine the defendant with regard to the insanity defense also may be appointed by the court to examine the defendant with regard to his competency to stand trial pursuant to Section 3 of Article 46.02 of this code, provided that separate written reports concerning the defendant's competency to stand trial and the insanity defense shall be filed with the court.

Civil Commitment

Sec. 4. (a) If a defendant is found not guilty by reason of insanity in the trial of a criminal offense and it appears to the court that the defendant requires observation or treatment in a mental health or mental retardation facility for his own welfare and protection or the protection of others, the court shall transfer the defendant to the appropriate court for civil commitment proceedings and may order the defendant detained in jail or other suitable place pending the prompt initiation and prosecution by the attorney for the state or other person designated by the court of appropriate civil proceedings to determine whether the defendant shall be committed to a mental health or mental retardation facility, or the court may give the defendant into the care of a responsible person on satisfactory security being given for his proper care and protection; otherwise the defendant shall be discharged.

(b) A person committed to a mental health or mental retardation facility as a result of the pro-
ceedings initiated pursuant to Subsection (a) of this section shall be committed to the maximum security unit of Rusk State Hospital or the maximum security unit of any other facility designated by the Texas Department of Mental Health and Mental Retardation. Within 30 days following commitment, the person shall be transferred to a nonsecurity unit of a mental health or mental retardation facility designated by the Texas Department of Mental Health and Mental Retardation unless the person is determined to be manifestly dangerous by a review board within the Texas Department of Mental Health and Mental Retardation.

(c) A transcript of all medical testimony received in both the criminal proceedings and the civil commitment proceedings shall be prepared forthwith by the court reporters and shall accompany the patient to the mental health or mental retardation facility.

CHAPTER FIFTY-ONE. FUGITIVES FROM JUSTICE

Article 51.14. Interstate Agreement on Detainers [NEW].

Art. 51.14. Interstate Agreement on Detainers

This article may be cited as the “Interstate Agreement on Detainers Act.” This agreement on detainers is hereby enacted into law and entered into by this state with all other jurisdictions legally joined therein in the form substantially as follows:

The contracting states solemnly agree that:

ARTICLE I.

The party states find that charges outstanding against a prisoner, detainers based on untried indictments, informations, or complaints, and difficulties in securing speedy trial of persons already incarcerated in other jurisdictions, produce uncertainties which obstruct programs of prisoner treatment and rehabilitation. Accordingly, it is the policy of the party states and the purpose of this agreement to encourage the expeditious and orderly disposition of such charges and determination of the proper status of any and all detainers based on untried indictments, informations, or complaints. The party states also find that proceedings with reference to such charges and detainers, when emanating from another jurisdiction, cannot properly be had in the absence of cooperative procedures. It is the further purpose of this agreement to provide such cooperative procedures.

ARTICLE II.

As used in this agreement: (a) “State” shall mean a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.

(b) “Sending state” shall mean a state in which a prisoner is incarcerated at the time that he initiates a request for final disposition pursuant to Article III hereof or at the time that a request for custody or availability is initiated pursuant to Article IV hereof.

ARTICLE III.

(a) Whenever a person has entered upon a term of imprisonment in a penal or correctional institution of a party state, and whenever during the continuance of the term of imprisonment there is pending in any other party state any untried indictment, information, or complaint on the basis of which a detainer has been lodged against the prisoner, he shall be brought to trial within 180 days after he shall have caused to be delivered to the prosecuting officer and the appropriate court of the prosecuting officer's jurisdiction written notice of the place of his imprisonment and his request for a final disposition to be made of the indictment, information, or complaint; provided that for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance. The request of the prisoner shall be accompanied by a certificate of the appropriate official having custody of the prisoner, stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decision of the state parole agency relating to the prisoner.
(b) The written notice and request for final disposition referred to in Paragraph (a) hereof shall be given or sent by the prisoner to the warden, commissioner of corrections, or other official having custody of him, who shall promptly forward it together with the certificate to the appropriate prosecuting official and court by registered or certified mail, return receipt requested.

(c) The warden, commissioner of corrections, or other official having custody of the prisoner shall promptly inform him of the source and contents of any detainer lodged against him and shall also inform him of his right to make a request for final disposition of the indictment, information, or complaint on which the detainer is based.

(d) Any request for final disposition made by a prisoner pursuant to Paragraph (a) hereof shall operate as a request for final disposition of all untried indictments, informations, or complaints on the basis of which detainers have been lodged against the prisoner from the state to whose prosecuting official the request for final disposition is specifically directed. The warden, commissioner of corrections, or other official having custody of the prisoner shall forthwith notify all appropriate prosecuting officers and courts in the several jurisdictions within the state to which the prisoner's request for final disposition is being sent of the proceeding being initiated by the prisoner. Any notification sent pursuant to this paragraph shall be accompanied by copies of the prisoner's written notice, request, and the certificate. If trial is not had on any indictment, information, or complaint contemplated hereby prior to the return of the prisoner to the original place of imprisonment, such indictment, information, or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

(e) Any request for final disposition made by a prisoner pursuant to Paragraph (a) hereof shall also be deemed to be a waiver of extradition with respect to any charge or proceeding contemplated thereby or included therein by reason of Paragraph (d) hereof, and a waiver of extradition to the receiving state to serve any sentence there imposed upon him after completion of his term of imprisonment in the sending state. The request for final disposition shall also constitute a consent by the prisoner to the production of his body in any court where his presence may be required in order to effectuate the purposes of this agreement and a further consent voluntarily to be returned to the original place of imprisonment in accordance with the provisions of this agreement. Nothing in this paragraph shall prevent the imposition of a concurrent sentence if otherwise permitted by law.

(f) Escape from custody by the prisoner subsequent to his execution of the request for final disposition referred to in Paragraph (a) hereof shall void the request.

ARTICLE IV.

(a) The appropriate officer of the jurisdiction in which an untried indictment, information, or complaint is pending shall be entitled to have a prisoner against whom he has lodged a detainer and who is serving a term of imprisonment in any party state made available in accordance with Paragraph (a) of Article V hereof upon presentation of a written request for temporary custody or availability to the appropriate authorities of the state in which the prisoner is incarcerated; provided that the court having jurisdiction of such indictment, information, or complaint shall have duly approved, recorded, and transmitted the request; and provided further that there shall be a period of 30 days after receipt by the appropriate authorities before the request be honored, within which period the governor of the sending state may disapprove the request for temporary custody or availability, either upon his own motion or upon motion of the prisoner.

(b) Upon receipt of the officer's written request as provided in Paragraph (a) hereof, the appropriate authorities having the prisoner in custody shall furnish the officer with a certificate stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner. Said authorities simultaneously shall furnish all other officers and appropriate courts in the receiving state who have lodged detainers against the prisoner with similar certificates and with notices informing them of the request for custody or availability and of the reasons therefor.

(c) In respect of any proceeding made possible by this article, trial shall be commenced within 120 days of the arrival of the prisoner in the receiving state, but for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance.

(d) Nothing contained in this article shall be construed to deprive any prisoner of any right which he may have to contest the legality of his delivery as provided in Paragraph (a) hereof, but such delivery may not be opposed or denied on the ground that the executing authority of the sending state has not affirmatively consented to or ordered such delivery.

(e) If trial is not had on any indictment, information, or complaint contemplated hereby prior to the prisoner's being returned to the original place of imprisonment pursuant to Paragraph (e) of Article V hereof, such indictment, information, or complaint shall not be of any further force or effect, and the
court shall enter an order dismissing the same with prejudice.

ARTICLE V.

(a) In response to a request made under Article III or Article IV hereof, the appropriate authority in a sending state shall offer to deliver temporary custody of such prisoner to the appropriate authority in the state where such indictment, information, or complaint is pending against such person in order that speedy and efficient prosecution may be had. If the request for final disposition is made by the prisoner, the offer of temporary custody shall accompany the written notice provided for in Article III of this agreement. In the case of a federal prisoner, the appropriate authority in the receiving state shall be entitled to temporary custody as provided by this agreement or to the prisoner’s presence in federal custody at the place of trial, whichever custodial arrangement may be approved by the custodian.

(b) The officer or other representative of a state accepting an offer of temporary custody shall present the following upon demand:

(1) proper identification and evidence of his authority to act for the state into whose temporary custody this prisoner is to be given;

(2) a duly certified copy of the indictment, information, or complaint on the basis of which the detainer has been lodged and on the basis of which the request for temporary custody of the prisoner has been made.

(c) If the appropriate authority shall refuse or fail to accept temporary custody of said person, or in the event that an action on the indictment, information, or complaint on the basis of which the detainer has been lodged is not brought to trial within the period provided in Article III or Article IV hereof, the appropriate court of the jurisdiction where the indictment, information, or complaint has been pending shall enter an order dismissing the same with prejudice, and any detainer based thereon shall cease to be of any force or effect.

(d) The temporary custody referred to in this agreement shall be only for the purpose of permitting prosecution on the charge or charges contained in one or more untried indictments, informations, or complaints which form the basis of the detainer or for prosecution on any other charge or charges arising out of the same transaction. Except for his attendance at court and while being transported to or from any place at which his presence may be required, the prisoner shall be held in a suitable jail or other facility regularly used for persons awaiting prosecution.

(e) At the earliest practicable time consonant with the purposes of this agreement, the prisoner shall be returned to the sending state.

(f) During the continuance of temporary custody or while the prisoner is otherwise being made available for trial as required by this agreement, time being served on the sentence shall continue to run but good time shall be earned by the prisoner only if, and to the extent that, the law and practice of the jurisdiction which imposed the sentence may allow.

(g) For all purposes other than that for which temporary custody as provided in this agreement is exercised, the prisoner shall be deemed to remain in the custody of and subject to the jurisdiction of the sending state and any escape from temporary custody may be dealt with in the same manner as an escape from the original place of imprisonment or in any other manner permitted by law.

(h) From the time that a party state receives custody of a prisoner pursuant to this agreement until such prisoner is returned to the territory and custody of the sending state, the state in which the one or more untried indictments, informations, or complaints are pending or in which trial is being had shall be responsible for the prisoner and shall also pay all costs of transporting, caring for, keeping, and returning the prisoner. The provisions of this paragraph shall govern unless the states concerned shall have entered into a supplementary agreement providing for a different allocation of costs and responsibilities as between or among themselves. Nothing herein contained shall be construed to alter or affect any internal relationship among the departments, agencies, and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

ARTICLE VI.

(a) In determining the duration and expiration dates of the time periods provided in Articles III and IV of this agreement, the running of said time periods shall be tolled whenever and for as long as the prisoner is unable to stand trial, as determined by the court having jurisdiction of the matter.

(b) No provision of this agreement, and no remedy made available by this agreement shall apply to any person who is adjudged to be mentally ill.

ARTICLE VII.

Each state party to this agreement shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this agreement, and who shall provide, within and without the state, information necessary to the effective operation of this agreement.

ARTICLE VIII.

This agreement shall enter into full force and effect as to a party state when such state has enacted the same into law. A state party to this
agreement may withdraw herefrom by enacting a statute repealing the same. However, the withdrawal of any state shall not affect the status of any proceedings already initiated by inmates or by state officers at the time such withdrawal takes effect, nor shall it affect their rights in respect thereof.

ARTICLE IX.

(a) This agreement shall be liberally construed so as to effectuate its purposes. The provisions of this agreement shall be severable and if any phrase, clause, sentence, or provision of this agreement is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state party hereto, the agreement shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(b) As used in this article, "appropriate court" means a court of record with criminal jurisdiction.

(c) All courts, departments, agencies, officers, and employees of this state and its political subdivisions are hereby directed to enforce this article and to cooperate with one another and with other party states in enforcing the agreement and effectuating its purpose.

(d) Any prisoner escapes from lawful custody while in another state as a result of the application of this article shall be punished as though such escape had occurred within this state.

(e) The governor is empowered to designate the officer who will serve as central administrator of and information agent for the agreement pursuant to the provisions of Article VII hereof.

(f) Copies of this article, upon its enactment, shall be transmitted to the governor of each state, the Attorney General and the Secretary of State of the United States, and the council of state governments.

TITLE 2. STATE WATER ADMINISTRATION

SUBTITLE A. WATER RIGHTS

CHAPTER 5. WATER RIGHTS

SUBCHAPTER D. PERMITS TO USE STATE WATER

§ 5.1211. Amendments to Water Rights Required

(a) All holders of permits, certified filings, and certificates of adjudication issued under Section 5.323 of this code shall obtain from the commission authority to change the place of use, purpose of use, point of diversion, rate of diversion, acreage to be irrigated, or otherwise alter a water right.

(b) The commission shall adopt rules to effectuate the provisions of this section.

[Added by Acts 1975, 64th Leg., p. 1249, ch. 472, § 1, eff. Sept. 1, 1975.]

Section 2 of the 1975 Act provided:

"No action or proceeding commenced prior to the effective date of this Act and no right accrued by actual change prior to the effective date of this Act shall be affected by the enactment of this Act."

Section 3 thereof, the emergency provision, provided, in part: "The fact that a recent decision of the Austin Court of Civil Appeals may have limited the primary jurisdiction of the Texas Water Rights Commission to supervise and regulate changes in water rights and to administer the Water Rights Adjudication Act creates an emergency..."

§ 5.145. Effects of Permit on Bays and Estuaries

In its consideration of an application for a permit to store, take, or divert water, the commission shall assess the effects, if any, of the issuance of such permit upon the bays and estuaries of Texas.

Section 2 of the 1975 amendatory act provided:

"All laws or parts of laws in conflict with this Act are hereby repealed to the extent of such conflict, however, this Act is meant to be cumulative of existing law and is meant to be reconciled with existing law where possible, and should any section or provisions hereof be declared unconstitutional or invalid, such invalidity shall not impair any remaining sections or provisions of this Act and this Act would have been passed as to the remaining portions hereof regardless of the invalidity of any part."

§ 5.172. General Principal

A permit, certified filing, or certificate of adjudication is subject to cancellation in whole or in part for 10 years' nonuse as provided by this subchapter.

If no part of the water authorized to be appropriated under a permit, certified filing, or certificate of adjudication has been put to beneficial use at any time during the 10-year period immediately preceding the cancellation proceedings authorized by this subchapter, then the appropriation is presumed to have been willfully abandoned, and the permit, certified filing, or certificate of adjudication is subject to cancellation in whole as provided by this subchapter. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]
See note under Section 5.171.

§ 5.174. Commission to Initiate Proceedings
When the commission finds that its records do not show that any water has been beneficially used under a permit, certified filing, or certificate of adjudication during the past 10 years, it shall initiate proceedings, terminated by public hearing, to cancel the permit, certified filing, or certificate of adjudication. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]

Notice shall be sent by certified mail, return receipt requested, to the last address shown by the records of the commission. The commission shall also send notice by regular mail to all other holders of permits, certified filings, certificates of adjudication, and claims of water rights pursuant to Section 5.308 of this code in the same watershed.
(b) The commission shall also have the notice of the hearing published once a week for two consecutive weeks, at least 30 days before the date of the hearing, in a newspaper published in each county in which diversion of water from the source of supply was authorized or proposed to be made, and in each county in which the water was authorized or proposed to be used, as shown by the records of the commission. If in any such county no newspaper is published, then the notice may be published in a newspaper having general circulation in the county. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]
See note under Section 5.171.

§ 5.176. Hearing
The commission shall hold a hearing and shall give the holder of the permit, certified filing, or certificate of adjudication and other interested persons an opportunity to be heard and to present evidence that water has, or has not, been beneficially used for the purposes authorized by the permit, certified filing, or certificate of adjudication during the 10-year period. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]
See note under Section 5.171.

§ 5.177. Commission Finding; Action
At the conclusion of the hearing, if the commission finds that no water has been beneficially used for authorized purposes during the 10-year period, the appropriation is deemed to have been willfully abandoned, of no further force and effect, and the commission shall cancel the permit, certified filing, or certificate of adjudication. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]
See note under Section 5.171.

§ 5.178. Cancellation in Part
If some part of the water authorized to be appropriated under a permit, certified filing, or certificate of adjudication has not been put to beneficial use at any time during the 10-year period immediately preceding the cancellation proceedings authorized by this subchapter, then the permit, certified filing, or certificate of adjudication is subject to partial cancellation, as provided by this subchapter, to the extent of the 10 years' nonuse. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]
See note under Section 5.171.

§ 5.179. Commission May Initiate Proceedings
When the commission finds that its records do not show proof that some portion of the water has been used during the past 10 years, it may initiate proceedings, terminated by public hearing, to cancel the permit, certified filing, or certificate of adjudication in part. [Amended by Acts 1975, 64th Leg., p. 49, ch. 27, § 1, eff. March 27, 1975.]

CHAPTER 61. ARTICLE 52, NAVIGATION DISTRICTS

SUBCHAPTER D. POWERS AND DUTIES

§ 61.116. Lease of State Owned Lands and Flats

(a) Any district organized under this chapter or any special law or any general law under which navigation districts may be created may apply for a lease from the State of Texas of the surface estate of any lands and flats belonging to the state which are covered or partly covered by the water of any of the bays or other arms of the sea; however, any navigation district created after the effective date of this Act may not lease the surface estate of any such lands or flats which are located within 10 miles of the boundary of any navigation district in existence on the effective date of this Act, without first receiving the written approval of the district now in existence. The words "navigation district," "district," or "districts" as used in Sections 61.116, 61.117, and 60.038 of the Texas Water Code shall apply to any incorporated city in this state which owns and operates wharves, docks, and other marine port facilities.

(b) The state, through the School Land Board, may lease these state owned lands or flats to eligible navigation districts only for purposes reasonably related to the promotion of navigation. The term "navigation" as used herein refers to marine commerce and immediately related activities, including but not limited to port development; channel construction and maintenance; commercial and sport fishing; recreational boating; industrial site locations; transportation, shipping, and storage facilities; pollution abatement facilities; and all other activities necessary or appropriate to the promotion of marine commerce; but specifically does not refer to residential development.

(c) In making application for a lease of state owned lands or flats, the district shall include the following information:
(1) a description of the lands or flats sought to be leased;

(2) a plan showing how it proposes to utilize the land and a timetable indicating approximately when such utilization will take place;

(3) a draft environmental impact statement assessing the effect of the proposed use on the environment, which statement shall generally conform to the requirements of the National Environmental Policy Act, until such time as the legislature shall impose different requirements; however, a draft environmental impact statement shall not be required if the proposed use requires no dredging, filling, or bulkheading. If the proposed use does require dredging, filling, or bulkheading, but the lease shall be processed as provided in Subsections (d), (e), and (f) of this section without the filing of a draft environmental impact statement if the applicant so requests in writing; but in such a case, the School Land Board shall include in the lease provisions requiring (i) that the draft environmental impact statement required by federal law be filed with the School Land Board before the district makes any use of such lands or flats which requires dredging, filling, or bulkheading; (ii) that approval of such use be obtained from the School Land Board after copies of the summary of the draft environmental impact statement and a description of the proposed use are circulated for comment and a hearing held as provided in Subsections (d) and (e) of this section and the School Land Board shall be authorized to give its approval to make such amendments to the lease as may then be deemed necessary by it as a result of information developed in the draft environmental impact statement; and (iii) that the lease shall cease to be effective at a time specifically stated in the lease unless prior to that time accord concerning environmental issues has been reached between the district and the School Land Board;

(4) proof satisfactory to the board establishing the public convenience and necessity for acquisition of lands sought to be leased.

(d) Upon receipt of an application and accompanying information, the School Land Board shall submit copies thereof to the member agencies of the Intergency Council on Natural Resources and the Environment and all other appropriate state agencies for review and comment. In addition, the board shall submit for review and comment the proposed terms and conditions of the lease. The board shall allow 30 days for such review and comment, and may extend the review period for an additional 30 days upon written request by the executive director of any state agency.

(e) Following the expiration of the period provided for review and comment, or following the expiration of the 30 day extension of such period, if applicable, the School Land Board shall cause a hearing to be held in the county in which the land proposed to be leased is located. Notice of the hearing shall be given by publication for at least three days, not less than two weeks nor more than four weeks prior to the hearing, in the daily paper having the greatest circulation in the county. Members of the board or their designated representatives shall conduct the hearing, at which any party may offer testimony in support of or in opposition to the application, and the board shall consider the record of the hearing in making a decision on the application.

(f) After submission of all evidence, the School Land Board shall authorize the issuance or denial of the proposed lease and shall determine the reasonable cost to the district, term of years, special limitations, if any, and other conditions necessary to best serve the interest of the general public. In establishing the consideration to be paid to the state for the lease, due weight shall be given to the depth of the water over the submerged land, its proximity to development activities, and its proposed use. Final action shall be taken by the board no more than 60 days following the public hearing.

(g) The funds derived from the lease shall be paid to the General Land Office for transfer to the proper funds of the state.

(h) Districts may sublease lands leased from the state under the provisions of this section to third parties for activities reasonably related to navigation, but such sublease shall be subject to the approval of the School Land Board according to the procedures, requirements, and criteria set forth in Subsections (c) and (d) of Section 61.116 of this code; provided, however, that no approval by the School Land Board shall be required if the sublease is for a purpose contemplated by the district and approved by the board in the district's original lease. It is further provided that no environmental impact statement shall ever be necessary for any sublease which requires no dredging, filling, or bulkheading, and which would not have a substantial impact upon the environment, or which requires only insubstantial dredging, filling, or bulkheading, as determined by the board; nor shall a district in obtaining approval for a sublease under any circumstances be required to reveal the name of the tenant to whom the sublease is to be made.

(i) If lands or flats leased from the state under the provisions of this section are utilized by the district or its lessee for any purpose or use not approved by the School Land Board, the district shall be given notice and an opportunity to change and correct the use. If the use is not changed and
corrected within a reasonable time after receipt of such notice, the lease may be terminated by the School Land Board and the lands or flats shall revert to the State of Texas.

[Amended by Acts 1975, 64th Leg., p. 801, ch. 310, § 2, eff. May 27, 1975.]

§ 61.117. Limitations on Sales and Use of State Lands and Flats

(a) The State of Texas shall retain its rights in all mines and minerals, including oil, gas, and geothermal resources, in and under the land, together with the right to enter the land for the purpose of development when it leases land under Section 61.116 of this code.

(b) All leases of land under Section 61.116 are subject to oil, gas, or mineral leases in existence at the time of the lease to the district.

(c) Any land which has been franchised or leased or is being used by any navigation district or by the United States for the purpose of navigation, industry, or other purpose incident to the operation of a port shall not be entered or possessed by the State of Texas or by anyone claiming under the State of Texas for the purpose of exploring for oil, gas, or other minerals except by directional drilling. No easement, lease, or permit may be granted on land which has been leased to a navigation district or the United States as the bulkhead line or from the nearest dredged bottom edge of any channel, slip, or turning basin which has been dredged, or which has been authorized by the United States as a federal project for future construction, whichever is nearer.

(d) No surface drilling location may be nearer than 600 feet and special permission from the Commissioner of the General Land Office is necessary to make any surface location nearer than 2,160 feet, measured at right angles from the nearest bulkhead line designated by a navigation district or the United States as the bulkhead line or from the nearest dredged bottom edge of any channel, slip, or turning basin which has been dredged, or which has been authorized by the United States as a federal project for future construction, whichever is nearer.

(e) In the event land is leased to a navigation district for construction of a navigation project, the School Land Board may in the lease designate the district to be the agent of the State of Texas with authority to grant to the United States of America such easements for dredging and disposal of dredged material as may be required for federal participation in the project. In designating the district to be the agent of the State of Texas for the purpose of granting spoil easements, the board may include a requirement that the district obtain the approval of the board before granting any such easement. Such approval may be given in the form of accepting a master plan for spoil disposal.

(f) Districts which, prior to the enactment of this provision, have obtained patents to state owned lands or flats under Article 8225, Revised Civil Statutes of Texas, 1925, or under any general or special act, and which still claim title to any such lands or flats, may not hereafter dispose of any such lands or flats which were conveyed to them by the State of Texas and may not lease such lands or flats for a use for which districts are not authorized to lease their other lands; however, in the event a district possesses lands which it finds to be in excess of its needs, it may sell such surplus lands or flats back to the State of Texas for the same consideration as originally paid to the state or exchange them for other lands with the State of Texas. It is further provided that the limitation on resale of lands or flats acquired from the State of Texas shall not prevent a district from exchanging such lands or flats for land, or rights in land, of an adjacent littoral owner for the purpose of adjusting or straightening the boundary between such lands. All such exchanges made after December 31, 1973, shall be subject to the approval of the School Land Board.

(g) Any district which, prior to the effective date of this Act has maintained, and which at the effective date of this Act is maintaining, any channel, dredged material disposal site, or other navigational aid or improvement on state owned lands to which the district holds no patent or lease from the state shall notify the General Land Office of the boundaries of such submerged land used by furnishing a map or other drawing acceptable to the General Land Office.

[Amended by Acts 1975, 64th Leg., p. 801, ch. 310, § 3, eff. May 27, 1976.]

1 Repealed. Sections 4 and 5 of the 1975 amendatory act provided:

"Sec. 4. Venue for any action arising under this Act brought by or against the State of Texas, or involving the state’s claim to title to land conveyed or sought to be conveyed under this Act, shall lie in a district court of Travis County, Texas."

"Sec. 5. Any and all laws or parts of laws in conflict with the provisions of this Act are repealed to the extent of such conflict."

TEXAS BUSINESS CORPORATION ACT

PART ONE

Art. 1.02. Definitions
A. As used in this Act, unless the context otherwise requires, the term:

[See Compact Edition, Volume 2 for text of 1 to 18]

(19) "Conspicuous" or "conspicuously", when prescribed for information appearing on a certificate for shares or other securities, means the location of such information or use of type of sufficient size, color, or character that a reasonable person against whom such information may operate should notice it. For example, a printed or typed statement in capitals, or boldface or underlined type, or in type that is larger than or that contrasts in color with that used for other statements on the same certificate, is "conspicuous."

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, § 1, eff. Sept. 1, 1975.]

PART TWO

Art. 2.19. Certificates Representing Shares

B. In the event a corporation is authorized to issue shares of more than one class, each certificate representing shares issued by such corporation (1) shall conspicuously set forth on the face or back of the certificate a full statement of (a) all of the designations, preferences, limitations, and relative rights of the shares of each class authorized to be issued and, (b) if the corporation is authorized to issue shares of any preferred or special class in series, the variations in the relative rights and preferences of the shares of each such series to the extent they have been fixed and determined and the authority of the board of directors to fix and determine the relative rights and preferences of subsequent series; or (2) shall conspicuously state on the face or back of the certificate that (a) such a statement is set forth in the articles of incorporation on file in the office of the Secretary of State and (b) the corporation will furnish a copy of such statement to the record holder of the certificate without charge on written request to the corporation at its principal place of business or registered office. In the event a corporation has by its articles of incorporation limited or denied the preemptive right of shareholders to acquire unissued or treasury shares of the corporation, each certificate representing shares issued by such corporation (1) shall conspicuously set forth on the face or back of the certificate a full statement of the limitation or denial of preemptive rights contained in the articles of incorporation, or (2) shall conspicuously state on the face or back of the certificate that (a) such a statement is set forth in the articles of incorporation on file in the office of the Secretary of State and (b) the corporation will furnish a copy of such statement to the record holder of the certificate without charge on request to the corporation at its principal place of business or registered office.

[See Compact Edition, Volume 2 for text of C to E]

G. In the event any restriction on the transfer, or registration of the transfer, of shares shall be imposed or agreed to by the corporation, as permitted by this Act, each certificate representing shares so restricted (1) shall conspicuously set forth a full or summary statement of the restriction on the face of the certificate, or (2) shall set forth such statement on the back of the certificate and conspicuously refer to the same on the face of the certificate, or (3) shall conspicuously state on the face or back of the certificate that such a restriction exists pursuant to a specified document and (a) that the corporation will furnish to the record holder of the certificate without charge upon written request to the corporation at its principal place of business or registered office a copy of the specified document, or (b) if such document is one required or permitted to be and has been filed under this Act, that such specified document is on file in the office of the Secretary of State and contains a full statement of such restriction. Unless such document was on file in the office of the Secretary of State at the time of the request, a corporation which fails within a reasonable time to furnish the record holder of a certificate upon such request and without charge a copy of the specified document shall not be permitted thereafter to enforce its rights under the restriction imposed on the shares represented by such certificate.

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, §§ 2, 3 and 22, Sept. 1, 1975.]

Art. 2.22. Transfer of Shares and Other Securities and Restrictions on Transfer

C. Any restriction on the transfer or registration of transfer of a security of a corporation, if reasona-
ble and noted conspicuously on the security may be
enforced against the holder of the restricted security or
any successor or transferee of the holder including
an executor, administrator, trustee, guardian, or
other fiduciary entrusted with like responsibility for
the person or estate of the holder. Unless noted
conspicuously on the security, a restriction, even
though otherwise enforceable, is ineffective except
against a person with actual knowledge of the re-
striction.

E. A corporation that has adopted a bylaw, or is
a party to an agreement, restricting the transfer of
its shares or other securities may file such bylaw or
agreement as a matter of public record with the
Secretary of State, as follows:

(1) The corporation shall file a copy of the
bylaw or agreement in the office of the Secre-
tary of State together with an attached state-
ment setting forth:

(a) the name of the corporation;
(b) that the copy of the bylaw or agree-
ment is a true and correct copy of the same; and
(c) that such filing has been duly autho-
rized by the board of directors or, in the
case of a close corporation managed by its
shareholders pursuant to Article 2.30–1, by
its shareholders.

(2) Such statement shall be executed in dupli-
cate by the corporation by its president or a
vice-president and verified by the officer sign-
ing such statement, and shall be delivered to the
Secretary of State with copies of such bylaw or
agreement restricting the transfer of shares or other
securities attached thereto. If the Secre-
tary of State finds that such statement con-
forms to law and all franchise taxes and fees
have been paid as prescribed by law, he shall:

(a) endorse on each of such duplicate
originals the word “Filed”, and the month,
day, and year of the filing thereof;
(b) file one of such duplicate originals in
his office; and
(c) return the other duplicate original to
the corporation or its representative.

(3) After the filing of such statement by the
Secretary of State, the bylaw or agreement
restricting the transfer of shares or other secur-
nities shall become a matter of public record and
the fact of such filing shall be stated on any
certificate representing the shares or other secu-
rities so restricted if required by Section G,
Article 2.19, of this Act.

F. A corporation that is a party to an agreement
restricting the transfer of its shares or other securi-
ties may make such agreement part of its articles of
incorporation without restating the provisions of
such agreement therein by complying with the pro-
visions of Part Four of this Act for amendment of
the articles of incorporation. If such agreement
shall alter any provision of the original or amended
articles of incorporation, the articles of amendment
shall identify by reference or description the altered
provision. If such agreement is to be an addition to
the original or amended articles of incorporation, the
articles of amendment shall state that fact. The
articles of amendment shall have attached thereto a
copy of the agreement restricting the transfer of
shares or other securities, and shall state that the
attached copy of such agreement is a true and
correct copy of the same and that its inclusion as
part of the articles of incorporation has been duly
authorized in the manner required by this Act to
amend the articles of incorporation.

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, §§ 4 and
5, Sept. 1, 1975.]
the issued securities evidencing the right to acquire shares of the close corporation shall be held of record by no more than a specified number of persons, not exceeding thirty-five (35) in the aggregate. To determine the number of holders of record for purposes of this definition, shares and securities evidencing rights to acquire shares which are held (1) by husband and wife as (a) community property, (b) joint tenants (with or without right of survivorship), or (c) tenants by the entirety, or (2) by an estate of a decedent or an incompetent, or (3) by an express trust, partnership, association, or corporation created or organized and existing other than for the primary purpose of holding shares or securities evidencing rights to acquire shares in a close corporation, shall be treated as held by one person. Nothing in this definition shall be deemed to affect the right of any corporation which has not elected to be a close corporation as provided in this Article, or its shareholders, directors, or officers to exercise any power or right, granted or permitted by any provision of this Act. To the extent not inconsistent with any provision of this Act dealing specifically with a close corporation, all other provisions of this Act shall apply to a close corporation.

B. The articles of incorporation also may set forth the qualifications of shareholders and/or security-holders, either by specifying classes of persons who shall be entitled to be holders of record of any class of shares or securities, or by specifying classes of persons who shall not be entitled to be holders of record of any class of shares or securities, or both.

C. Nothing contained in this Article shall be deemed to prohibit or preclude the inclusion of any other matters required or permitted to be set forth in articles of incorporation by this Act, to the extent they are not inconsistent with the matters actually set forth in articles of incorporation of a close corporation pursuant to Sections A and B of this Article.

D. To form a close corporation, all of the initial subscribers to the corporation's shares and securities evidencing the right to acquire its shares shall serve as incorporators and the articles of incorporation, in addition to the matters required or permitted to be set forth therein by this Act, also shall include a statement that the incorporators include all such subscribers. The filing of the articles of incorporation by the Secretary of State shall constitute acceptance by the close corporation of the subscriptions of all such subscribers.

E. If an existing corporation desires to become a close corporation, it shall adopt articles of amendment in the manner provided by this Act which state that it has elected to become a close corporation and which make such other amendments to its articles of incorporation as may be required in order that the articles of incorporation, as so amended, shall set forth the matters required of a close corporation by this Act. The articles of amendment may include any other matter permitted to be set forth in the articles of incorporation of a close corporation by this Act and, to the extent not inconsistent with its status as a close corporation, any other matter that may be set forth in articles of incorporation. The election to become a close corporation and any amendments in connection therewith shall be approved by the affirmative vote of the holders of all of the outstanding shares of each class, whether or not entitled to vote thereon by the articles of incorporation.

F. If a close corporation desires to terminate its status as a close corporation, it shall adopt articles of amendment in the manner provided by this Act which state that it has elected to terminate its status as a close corporation and which delete the provisions required or permitted to be set forth in the articles of incorporation of a close corporation under this Act that are not permitted for corporations generally. Such election to terminate its status as a close corporation and amendments required in connection therewith shall be approved by the affirmative vote of the holders of at least two-thirds of the outstanding shares of each class, whether or not entitled to vote thereon by the articles of incorporation, unless a greater or lesser vote is required or permitted by the articles of incorporation for such termination. Any provision of the articles of incorporation requiring a greater vote for such termination shall not be amended, repealed, or modified by any vote less than that required to terminate the corporation's status as a close corporation. Any provision restricting the transfer of the shares or other securities evidencing the right to acquire shares contained in or made part of the articles of incorporation pursuant to Article 2.30-2 of this Act, shall remain in effect to the extent not prohibited by other provisions of this Act whether or not thereafter contained in or made a part of the articles of incorporation of a close corporation or bylaws unless, in connection with the adoption of articles of amendment to terminate the corporation's status as a close corporation, a resolution is adopted or an agreement is entered into terminating or amending such restrictions on transfer by the number or percentage of shareholders and/or security-holders (whether or not entitled to vote in the case of a resolution) required by the articles of incorporation, bylaws or agreement for termination or amendment of such restrictions on transfer.

G. If the articles of incorporation of a close corporation expressly so state and if each certificate representing its issued and outstanding shares so conspicuously states, the business and affairs of such close corporation shall be managed by the sharehold-
ers of the close corporation rather than by a board of directors, and the following provisions shall apply:

(1) Whenever the context requires, the shareholders of such close corporation shall be deemed directors of such corporation for purposes of applying any of the provisions of this Act.

(2) The shareholders of such close corporation shall be subject to the liabilities imposed by this Act or by law for any action taken or neglected to be taken by directors of a corporation.

(3) Any action required or permitted by this Act to be taken by the board of directors of a corporation shall or may be taken by action of the shareholders of such close corporation at a meeting thereof or in the manner permitted by this Act without a meeting. Any such action taken shall be on the basis of the vote, cast in person or by proxy, by the holders of shares having a majority of the total voting power of all outstanding shares entitled to vote with respect to such action, unless the articles of incorporation either in general or on specified matters provide (a) for a greater vote or (b) for a vote on the basis of one or some other specified number of votes per such shareholder. In addition, any action consented to by all the shareholders shall be binding upon the corporation. Such consent may be evidenced (a) by the full knowledge of such action by all the shareholders and their failure to object thereto in a timely manner or (b) a consent in writing to such action in accordance with Article 9.10 of this Act or any other writing executed by or on behalf of all the shareholders reasonably evidencing such consent or (c) by any other means reasonably evidencing such consent.

H. A close corporation that is managed by its shareholders in accordance with this Act may elect to have its business and affairs managed by a board of directors by amending its articles of incorporation in the manner provided in this Act. At the meeting of shareholders to approve such amendment, there shall be elected such number of directors specified in the articles of amendment or provided for in the bylaws. The name and post office address of each person who is to serve as a director on the amendment becoming effective shall be set forth in the articles of amendment.

I. If any event occurs as a result of which one or more of the provisions or conditions included in a close corporation’s articles of incorporation pursuant to Section A of this Article to qualify it as a close corporation has been breached:

(1) The corporation’s status as a close corporation shall terminate unless:

(a) within thirty (30) days after the occurrence of the event, or within thirty (30) days after the event has been discovered, whichever is later, the corporation (i) files with the Secretary of State a certificate, executed by the corporation by its president or a vice-president and verified by the officer signing such statement, setting forth (A) the name of such corporation, and (B) a statement that a specified provision or condition included in its articles of incorporation pursuant to Section A of this Article to qualify it as a close corporation has been breached, and (ii) delivers to each shareholder of record, either personally or by mail (if mailed, in accordance with the requirements of the second sentence of Article 2.25), a copy of such certificate; and

(b) the corporation, within sixty (60) days after the filing of such certificate, takes such steps as are necessary to correct the situation which threatens its status as a close corporation, including, without limitation, the refusal to register the transfer of any shares which have been wrongfully transferred, or commencement in a court of competent jurisdiction of a proceeding to prevent the corporation from losing its status as a close corporation or to restore its status as such, as permitted by Article 2.30–3 of this Act.

(2) When the situation which threatens the status of the corporation as a close corporation has been remedied, and if the corporation has not amended its articles of incorporation in accordance with Section F of this Article, the corporation shall file with the Secretary of State a certificate, executed by the corporation’s president or a vice-president and verified by the officer signing such statement, setting forth (a) the name of such corporation, (b) a reference to the statement previously filed with the Secretary of State by such corporation pursuant to paragraph (a) of Subsection (1) of this Section, and (c) a statement that no breach of any of the provisions or conditions included in its articles of incorporation pursuant to Section A of this Article exists.

(3) If within the sixty (60) day period provided in Subsection (1)(b) of this Section, the situation which threatened the status of such corporation as a close corporation is not remedied, the corporation’s status as a close corporation shall thereafter be terminated, unless its status as a close corporation has been stayed by a court of competent jurisdiction pending final adjudication in a proceeding under Article 2.30–3 or in any other proceeding that will result in the
corporation being unable to maintain or being restored to its status as a close corporation. If pursuant to Section G of this Article the business and affairs of such corporation are being managed by its shareholders rather than by a board of directors, the president shall call a meeting of the shareholders entitled to vote thereon to elect a board of directors; and if he fails to call such a meeting within thirty (30) days from the date when the corporation's status as a close corporation so terminated, any shareholder, whether or not entitled to vote, may call such meeting with the same rights and powers as are provided in this Act with respect to the call of an annual meeting of shareholders by a shareholder. At such meeting there shall be elected such number of directors as have been specified in the articles of incorporation or the bylaws of such corporation or, if no such number is specified, one (1) director shall be elected. During the period until such director(s) is elected, the person or persons to whom management of the corporation has been delegated by the shareholders shall act as a board of directors and the business and affairs of the corporation shall be conducted in the manner provided for corporations generally under this Act.

J. A corporation which met the definition of a close corporation immediately prior to the effective date of the 1975 amendment to this Article 2.30–1 shall retain its status as a close corporation for a period of one year after such effective date, provided it continues during such one-year period to meet all the requirements of a close corporation set forth in Section A of this Article, as amended, other than the inclusion of the required statements in its articles of incorporation. After such one-year period, a corporation no longer shall have the status of a close corporation unless during such year it shall have amended its articles of incorporation to set out the matters required to be stated therein by Section A of this Article; provided, however, that nothing in this Article shall require a close corporation to so amend its articles of incorporation if, before the effective date of the 1975 amendment to this Article, the articles of incorporation of such corporation provided that its business and affairs were to be managed by its shareholders or granted any shareholder or other holders of any specified number or percentage of shares of any class of shares an option to dissolve the close corporation. Should any such corporation subsequently amend its articles of incorporation, the matters required to be stated by Section A shall be set forth in the articles of amendment and approved in the manner required by that Section. No agreement among the shareholders of a close corporation as heretofore permitted to be entered into by Article 2.30–2, or any other act performed by or in behalf of such corporation, before the effective date of the 1975 amendment to this Article 2.30–1, shall be invalidated or otherwise affected by such corporation electing to become a close corporation in the manner provided by this Article.

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, § 6, eff. Sept. 1, 1975.]

Art. 2.30–2. Agreements Among Shareholders of a Close Corporation

A. The shareholders of a close corporation or the subscribers to its shares, if no shares have been issued, may enter into a written agreement executed by all the holders of and subscribers to shares of the corporation to regulate any phase of the business and affairs of the corporation or the relations of the holders of or subscribers to shares of the corporation, including, but not limited to, the following:

1. Management of the business and affairs of the corporation whether by the board of directors in a manner otherwise than provided in this Act or by one or more of the shareholders or one or more other parties to be selected by the shareholders;

2. Restrictions on the transfer of shares or other securities more restrictive than otherwise would be permitted to be imposed by Article 2.22, if not manifestly unreasonable;

3. Exercise or division of voting requirements or power beyond those that would otherwise be permitted by this Act;

4. Terms and conditions of employment of any shareholder, director, officer, or employee regardless of the length of time of such employment;

5. Persons who shall or may be directors and officers of the corporation;

6. Declaration and payment of dividends or division of profits;

7. Arbitration of issues as to which the shareholders are deadlocked in voting power or as to which the directors or other parties managing the corporation are deadlocked in the event the shareholders are unable to break the deadlock; or

8. Treatment of the business and affairs of the corporation as if it were a partnership or arrangement of the relations among the shareholders or between the shareholders and the corporation in a manner that would otherwise be appropriate only among partners.

B. Such shareholders' agreement shall either (1) be set forth in or made part of the original or amended articles of incorporation; or (2) be set forth in or made part of the bylaws of the corporation, provided such bylaws and a counterpart of the agreement be placed on file by the corporation at its
principal place of business and its registered office and shall be subject to the same right of examination by a shareholder of the corporation, in person, or by agent, attorney, or accountant, as are the books and records of the corporation. If the agreement is set forth in or made part of the original articles of incorporation, all of the parties to the agreement at the time of incorporation who shall have subscribed to shares of the corporation shall serve as incorporators of the close corporation. If set forth in or made part of an amendment to the articles of incorporation, the provisions of this Act for amendment of the articles of incorporation shall be complied with. In addition, such amendment shall have been adopted by an affirmative vote of all of the subscribers to shares if no shares have been issued, or of the holders of all outstanding shares, whether or not entitled to vote by the articles of incorporation. If set forth in or made part of the bylaws of the corporation either when originally adopted or later amended, such provision of the bylaws shall have been adopted, amended, or ratified by an affirmative vote of all the subscribers to shares, if no shares have been issued, or of the holders of all outstanding shares, whether or not entitled to vote by the articles of incorporation. Once such agreement has been set forth in or made part of the articles of incorporation or bylaws as provided herein, it may not be amended or removed therefrom, unless otherwise provided by the articles of incorporation or the bylaws, as the case may be, except by the affirmative vote or consent of all of the subscribers to shares, if no shares have been issued, or of the holders of all outstanding shares, whether or not entitled to vote by the articles of incorporation. If these provisions are not complied with, such agreement, even though otherwise enforceable among the parties thereto, shall not be enforceable by any party thereto who is knowingly responsible for such noncompliance nor against any transferee of shares except one who has actual knowledge of the existence of the agreement or who has acquired his shares by gift, bequest, or inheritance from a party to the agreement.

C. Each certificate representing shares issued by a close corporation whose shareholders have entered into an agreement permitted by this Article shall (1) set forth conspicuously a full or summary statement of such agreement on the face of the certificate; or (2) set forth such statement on the back of the certificate and conspicuously refer to the same on the face of the certificate; or (3) if the agreement has been set forth in or made part of the articles of incorporation, conspicuously state on the face or back of the certificate that such shares are subject to an agreement among all the shareholders of the close corporation and that the corporation will furnish to the record holder of the certificate without charge upon written request to the corporation at its principal place of business or registered office a copy of such agreement and that such agreement either is set forth in the articles of incorporation or it is made a part thereof and is on file in the office of the Secretary of State; or (4) if the agreement has been set forth in or made part of the bylaws and a counterpart of the agreement placed on file by the corporation at its principal place of business and its registered office, conspicuously state on the face or back of the certificate that such shares are subject to an agreement among all the shareholders of the close corporation and that the corporation will furnish to the record holder of the certificate without charge upon written request to the corporation at its principal place of business or registered office a copy of such bylaw or agreement. An agreement permitted by this Article, which is noted conspicuously on the certificate representing shares of a close corporation in the manner prescribed in the preceding paragraph, shall be binding on and enforceable against a holder of such a certificate or any successor or transferee of such holder, including an executor, administrator, trustee, guardian, or other fiduciary entrusted with like responsibility for the person or estate of such holder. Unless noted conspicuously on the certificates representing shares of the close corporation in the manner prescribed in the preceding paragraph, an agreement permitted by this Article, even though otherwise enforceable, shall be ineffective except against a person with actual knowledge of such agreement.

D. If an agreement authorized by this Article contains any provisions which would not be valid under other provisions of the Act, such provisions shall be valid only so long as the corporation maintains its status as a close corporation under this Act. No other provision of the agreement shall be affected unless the parties thereto otherwise provide.

E. In the event a close corporation shall have a board of directors, the effect of an agreement authorized by this Article shall be to relieve the director or directors of, and to impose upon the shareholders who are parties to or are bound by the agreement and who voted for or assented to the transaction in question, the liabilities imposed by this Act or by law for action taken or neglected to be taken by directors to the extent that and so long as the discretion or powers of the directors in their management of corporate affairs is controlled by any such provision.

F. The provisions of this Article shall not be construed to prohibit any other agreements among two or more shareholders or security-holders permitted by other provisions of this Act.

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, § 7, eff. Sept. 1, 1975.]
Art. 2.30-3. Proceedings to Prevent Loss of Close Corporation Status or to Enforce Agreements Among Shareholders of a Close Corporation

C. Any court of competent jurisdiction in which a proceeding provided for in Section A of this Article may be brought may enjoin or set aside any transfer or threatened transfer of shares or any securities of a close corporation which will adversely affect its status as a close corporation, or which is contrary to restrictions on the transfer of such shares permitted by Article 2.22 or 2.30-2 of this Act, and may enjoin any public offering, solicitation, or advertisement of shares or securities evidencing the right to acquire shares of the close corporation.

D. Nothing contained in this Article shall be construed to prevent or impair the ability of the close corporation or its shareholders or security-holders from properly terminating its status as a close corporation and from terminating or amending any restrictions on the transfer of shares or securities evidencing the right to acquire shares of the corporation in accordance with Article 2.30-1 of this Act, or shall impair the power of any court of competent jurisdiction in any proceeding properly brought before it to enforce any restriction on the transfer of shares or other securities permitted by Article 2.22 or 2.30-2 of this Act or any agreement among any number of holders of the shares or securities of a corporation or any number of the holders of such shares or securities and the corporation not provided for in Article 2.30-2 of this Act and to grant whatever remedies may be properly available in such proceedings.

[Amended by Acts 1975, 64th Leg., p. 305, ch. 134, §§ 8, 9, eff. Sept. 1, 1975.]

Art. 2.36. Executive and Other Committees

A. Share and Membership Certificates: Recall

Sec. 30. (a) The by-laws may give the directors the power to use the reserve funds to recall, at par value, the membership certificates of any member in excess of the amount requisite for membership, and may also provide that if any member has failed to patronize the association during a time specified and in accordance with the by-laws, the directors may recall the member's membership certificates, thereby terminating his membership in the association. When membership certificates are recalled, they shall be either reissued or cancelled. No recall may be made if the solvency of the association would be jeopardized.

(b) The directors shall have the power to use the reserve funds to recall and repurchase at par value,
together with any investment dividends due on the
investment certificates of any investor. The by-laws
may establish specific procedures, terms and condi-
tions for such recall and repurchase.

Certificates: Attachment

Sec. 31. The holdings of any member of an asso-
ciation, to the extent of the minimum amount neces-
sary for membership, but not to exceed $50, are exempt
from attachment, execution, or garnishment
for the debts of the owner. If any holdings in
excess of this amount are subjected to attachment,
execution, or garnishment, the directors of the asso-
ciation may either admit the purchaser to member-
ship, or may purchase the holdings at par value.

Liability of Members

Sec. 32. Members are not jointly or severally lia-
ble for debts of the association, nor is a subscriber
liable, except to the extent of the unpaid amount on
the membership certificates or on the invested capi-
l certificates subscribed by him. No subscriber
may be released from liability by assignment of his
interest in the membership capital certificates or the
invested capital certificates, but he is jointly and
severally liable with the assignee until the member-
ship certificates or investor certificates are fully
paid up.

Expulsion

Sec. 33. A member may be expelled by the vote
of a majority of the members voting at a regular or
special meeting. The member against whom the
charges are to be preferred shall be informed of the
charges in writing at least 10 days in advance of the
meeting, and shall be given an opportunity to be
heard in person or by counsel at the meeting. If the
association votes to expel a member, the board of
directors shall purchase the member's capital hold-
ings at par value if and when such purchases may be
made without jeopardizing the solvency of the asso-
ciation.

Allocation and Distribution of Net Savings

Sec. 34. (a) At least once each year the members
or the directors, as the articles or by-laws may
provide, shall apportion the net savings of the associ-
ation in the following order:

(1) investment dividends, within the limita-
tions of Section 25 may be paid on invested
capital, or if the by-laws so provide, on the
membership certificates, but the investment div-
idends may be paid only out of the surplus of
the aggregate of the assets over the aggregate
of the liabilities;

(2) a portion of the remainder, as determined
by the articles or by-laws, may be allocated to
an educational fund to be used in teaching coop-
eration, and a portion may also be allocated to
funds for the general welfare of the members of the
association;

(3) a portion of the remainder may be allocat-
ed to retained earnings;

(4) the remainder shall be allocated at the
same uniform rate to all patrons of the associa-
tion in proportion to their individual patronage
as follows:

(A) in the case of a member patron, the
proportionate amount of savings return dis-
tributed to the member may be in the form
of cash, property, membership certificates,
investment certificates or in any combina-
tion of these;

(B) in the case of a subscriber patron, his
proportionate amount of savings returns as
the articles or by-laws provide, may be dis-
tributed to him or credited to his account
until the amount of capital subscribed for
has been fully paid.

(b) This section does not prevent an association
engaged in rendering services from disposing of the
net savings from the rendering of services in a
manner calculated to lower the fees charged for
services or otherwise to further the common benefit
of the members.

(c) This section does not prevent an association
from adopting a system in which the payment of
savings returns which would otherwise be distribut-
ed are deferred for a fixed period of time, nor from
adopting a system in which the savings returns
distributed are partly in cash, partly in shares, with
the shares to be retired at a fixed future date, in the
order of their serial number or date of issue.

Recordkeeping

Sec. 35. (a) To record its business operation, ev-
ey association shall keep a set of books according to
standard accounting practices.

annual meeting of the association which shall in-

statement;

(2) the amount and nature of the association's
authorized, subscribed, and paid-in capital, the
number of its shareholders, and the number of

(d) The committee shall report on the quality of the annual report and the bookkeeping system at the annual meeting.

(a) Every association having 100 or more members or an annual business amounting to $20,000 or more shall prepare, within 120 days of the close of its operations each year, a report of its condition, sworn to by the president and secretary, which shall be filed in its registered office. The report shall state:

(1) the name and principal address of the association;
(2) the names, addresses, occupations, and date of expiration of the terms of the officers and directors, and their compensation, if any;
(3) the amount and nature of the association’s authorized, subscribed, and paid-in capital, the number of its shareholders and the number of shareholders who were admitted or withdrew during the year, the par value of its shares, and the rate at which any investment dividends have been paid;
