Art. 6823a. Travel Regulations Act of 1959

#### Short Title

Sec. 1. This Act is the "Travel Regulations Act of 1959."

#### Application of Act

Sec. 2. The provisions of this Act shall apply to all officers, heads of state agencies, state employees, and prospective state employees incurring expenses when requested to visit a state agency, department, or institution of higher education for the purpose of being interviewed and evaluated for employment. Heads of state agencies shall mean elected state officials, excluding members of the Legislature who shall receive travel reimbursement as provided by the Constitution, appointed state officials, appointed state officials whose appointment is subject to Senate confirmation, directors of legislative interim committees or boards, heads of state hospitals and special schools, and heads of state institutions of higher education.

#### Basis of Reimbursement or Advance; Per Diem and Transportation Allowance: Rate and Computation; Revolving Petty Cash Fund

Sec. 3. a. A reimbursement or advance from funds appropriated by the Legislature for traveling and other necessary expenses incurred by the various officials, heads of state agencies, and employees of the state in the active discharge of their duties shall be on the basis of either a per diem or actual expenses as specifically fixed and appropriated by the Legislature in General Appropriation Acts. A per diem allowance shall mean a flat daily rate payment in lieu of actual expenses incurred for meals and lodging and as such shall be legally construed as additional compensation for official travel purposes only.

b. The rate of per diem and transportation allowance and method of computing those rates shall be those set forth in General Appropriation Acts providing for the expenses of the state government from year to year.

c. All agencies, boards, commissions, departments, and institutions are authorized to establish a revolving petty cash fund out of funds in the State Treasury or local funds in accordance with Section 6, Subsection g of this Article. The sole purpose of the petty cash fund shall be to advance projected travel expense. This fund shall be reimbursed by warrants drawn and approved by the Comptroller of Public Accounts out of funds in the State Treasury or checks drawn against funds held outside the treasury.

#### Acceptance of Money From Corporation or Person Under Examination; Violation

Sec. 4. Unless otherwise provided by law, officers and employees traveling to the performance of their official duties shall not accept any sums of money for wages or expenses, from any corporation, firm, or person who may be or is being audited, examined, inspected or investigated, and must receive their traveling expenses from the amounts appropriated in the Appropriation Acts. The Comptroller is hereby prohibited from paying the salary of any employee of the state who violates these provisions.

#### Advanced Approval of Governor; Travel Outside United States

Sec. 5. Any travel connected with official business of the state for which reimbursement for travel expenses incurred is claimed or for which an advance for travel expenses to be incurred is sought, with the exception of travel to, in, and from the several states, United States possessions, Mexico, and Canada, must have the advance written approval of the Governor. Blanket authority by the Governor may be given to the International Trade Development Division personnel of the Texas Industrial Commission and to the Department of Public Safety to law enforcement personnel.

#### Rules and Regulations; Standard Expense Account Forms; Reimbursement or Advance Payment for Travel by Private Conveyance; Overpayment

Sec. 6. a. The Comptroller of Public Accounts is to promulgate rules and regulations to facilitate the execution of the travel regulations, as defined in this Act or as may hereafter be contained in General Appropriations Acts, and shall, with the concurrence of the State Auditor, prescribe the form on which travel expenses are to be submitted. The Comptroller shall approve claims for travel expenses and issue warrants on basis of approved claims.

Such rules and regulations as are prescribed by the Comptroller shall be subject to final approval by the Attorney General. After such approval has been given, official copies of the rules and regulations, including administrative policies and/or interpretations of these rules and regulations, shall be filed with the Secretary of State.

b. Standard expense account forms shall be used by all state agencies in preparing the expense accounts for traveling state employees. Such forms shall contain information stating (1) the point of origin and the town, place or point of destination of each trip and the reimbursable mileage travelled, or projected, between each point, town, or place. This provision shall also apply to intra-city mileage; (2) the actual period of time the employee is away, or plans to be away, from his designated headquarters entitling him to travel expenses; and (3) a brief statement which clearly shows the purpose of the trip and the character of official business performed or to be performed.

c. In determining transportation reimbursement or advance payment for travel by private conveyance, the Comptroller shall determine the mileage by shortest highway distance between point of origin and the destination via intermediate points at which official state business is conducted and other necessary mileage at points where official state business is conducted. In determining the amounts of reimbursement or advance payment for transportation by personal car within the State, the Comptroller shall compute all distances according to the shortest route between points. In determining the amount of reimbursement or advance payment for transportation by personal car within this state, the Comptroller shall adopt a mileage guide including a chart of distances showing the shortest route between points, and which shall include all Farm-to-Market roads and shall be reissued annually.

d. When two or more employees travel in a single private conveyance, only one shall receive a transportation allowance, but this provision shall not preclude each traveler from receiving a per diem allowance.

e. When two, three, or four officials or employees of the same state agency with the same itiner-

ary on the same dates are required to travel on the same official state business for which travel reimbursement for mileage in a personal car is claimed, or for which an advance payment is sought, a payment will be claimed and allowed for only one of the employees except as provided hereafter. To the extent of mileage claimed, the Comptroller shall consider such travel claims as multiple claims and may pay only one such claim. If more than four employees attend such meeting or conference in more than one car, full mileage shall be allowed for one car for each four employees and for any fraction in excess of a multiple of four employees. If, in any instance, it is not feasible for these officials or employees to travel in the same car, then prior official approval from the head of the state department or agency shall be obtained and shall be considered as authorization and the basis for reimbursement, or advance payment, for travel for each person authorized to use his personal car in such travel.

f. Should an officer or employee of the state receive an overpayment for travel expenses from money appropriated in the Appropriations Acts, he is to reimburse the state for such overpayment.

g. The Comptroller shall, by promulgation of appropriate rules and regulations, establish a procedure by which a state officer or employee may receive in advance the projected travel expense to be incurred in a particular exercise of official duties. The Comptroller shall require a final accounting after the actual travel expense has been determined to provide for reimbursement and adjustment, as necessary, to equalize the allowance and the actual expense incurred.

#### Double Travel Expense Payments; Compensation by Non-State Agency

Sec. 7. Double travel expense payments to state officials or employees are prohibited. When an employee engages in travel for which he is to be compensated by a non-state agency, he shall not receive any reimbursement, and may not seek an advance payment, for such travel from authorized amounts in the General Appropriation Acts.

#### Local Transportation Allowance; Limits

Sec. 8. An employee whose duties customarily require travel within his designated headquarters may be authorized a local transportation allowance for this travel. Such allowance, however, may not exceed the transportation allowance for use of a privately owned automobile as set by the Legislature in the General Appropriations Acts, except that an employee with a physical handicap which precludes his personal operation of a privately owned automobile may, without regard to the standard otherwise set in the General Appropriations Acts, be authorized a reasonable transportation allowance not to exceed the amount to which such handicapped employee would be entitled for similar travel occurring outside of his designated headquarters.

#### **Disallowance of Per Diem Reimbursement**

Sec. 9. Neither a per diem allowance nor partial per diem allowance as set out in the General Appropriations Acts shall be allowed for the period of time on those days when an employee is:

(1) At his official designated headquarters.

(2) Absent from post of duty for personal reasons.

(3) Absent from post of duty for any reason not connected with duties of the agency by which the employee is employed.

(4) Away from designated headquarters for a period of less than six consecutive hours.

When an employee leaves his post of duty for any reason not connected with the duties of the agency by which such employee is employed, or for personal reasons, the employee shall clearly show he is absent for personal reasons on the expense account and will also show the hour and date of departure from post of duty and the hour and date he returned to said post of duty.

#### Public Conveyances; Courtesy Cards

Sec. 10. The provisions of this Act shall not preclude reimbursement of claims, or requests for advance payments, by officials or employees for use of public conveyances. Transportation is authorized by courtesy cards for air, rail and bus lines.

#### Exclusions

Sec. 11. None of the provisions of this Act shall apply to reimbursement for travel expenses incurred by officials or employees of athletic departments of the institutions of higher education, to reimbursement for travel expenses to officials or employees of institutions of higher education from gifts or bequests, or to reimbursement for travel expenses of officials or employees when expenses for such travel are paid or reimbursed to the institutions of higher education under provisions of contracts between the institutions and the Federal Government or other contracting agencies. The governing boards of the respective institutions of higher education shall make such necessary rules and regulations as may be deemed advisable for the administration and control of such travel.

(c) When a person sues for the title or possession of real property or sues for the foreclosure or enforcement of a mortgage or of a lien on real property, a writ of sequestration may be issued if a reasonable conclusion may be drawn that there is immediate danger that the defendant or party in possession thereof will make use of his possession to injure or ill-treat such property or waste or convert to his own use the timber, rents, fruits, or revenue thereof.

(d) A writ of sequestration may be issued when any person sues for the title or possession of any property from which he has been ejected by force or violence.

In addition to all other elements of damages, the party moving to dissolve the writ may recover his reasonable attorney's fees incurred in the dissolution of the writ.

### Art. 6889–5. Interstate Civil Defense and Disaster Compact

Sec. 1. Whereas the Congress of the United States of America has granted its consent to civil defense compacts by an Act entitled "Federal Civil Defense Act of 1950" (Public Law 920, Eighty-first Congress, 2nd Session, Approved January 12, 1951<sup>1</sup>), the Legislature of this State hereby ratifies a compact on behalf of the State of Texas with any other state legally joining therein in the form substantially as follows:

## INTERSTATE CIVIL DEFENSE AND DISASTER COMPACT

The contracting States solemnly agree:

"Article 1. The purpose of this compact is to provide mutual aid among the States in meeting any emergency or disaster from enemy attack or other cause (natural or otherwise) including sabotage and subversive acts and direct attacks by bombs, shellfire, and atomic, radiological, chemical, bacteriological means, and other weapons. The prompt, full and effective utilization of the resources of the respective States, including such resources as may be available from the United States Government or any other source, are essential to the safety, care and welfare of the people thereof in the event of enemy action or other emergency, and any other resources, including personnel, equipment or supplies, shall be incorporated into a plan or plans of mutual aid to be developed among the civil defense agencies or similar bodies of the States that are parties hereto. The Directors or Co-ordinators of Civil Defense of all party states shall constitute a committee to formulate plans and take all necessary steps for the implementation of this compact.

"Article 2. It shall be the duty of each party state to formulate civil defense plans and programs for application within such state. There shall be frequent consultation between the Representatives of the States and with the United States Government and the free exchange of information and plans, including inventories of any materials and equipment available for civil defense. In carrying out such civil defense plans and programs the party states shall so far as possible provide and follow uniform standards, practices and rules and regulations including:

(a) Insignia, arm bands and any other distinctive articles to designate and distinguish the different civil defense services;

(b) Blackouts and practice blackouts, air raid drills, mobilization of civil defense forces and other tests and exercises;

(c) Warnings and signals for drills or attacks and the mechanical devices to be used in connection therewith;

(d) The effective screening or extinguishing of all lights and lighting devices and appliances;

(e) Shutting off water mains, gas mains, electric power connections and the suspension of all other utility services;

(f) All materials or equipment used or to be used for civil defense purposes in order to assure that such materials and equipment will be easily and freely interchangeable when used in or by any other party states;

(g) The conduct of civilians and the movement and cessation of movement of pedestrians and vehicular traffic, prior, during and subsequent to drills or attacks;

(h) The safety of public meetings or gatherings; and

(i) Mobile support units.

"Article 3. Any party state requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state. Each party state shall extend to the civil defense forces of any other party state, while operating within its state limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving state), duties, rights, privileges and immunities as if they were performing their duties in the state in which normally employed or rendering services. Civil defense forces will continue under the command and control of their regular leaders but the organizational units will come under the operational control of the civil defense authorities of the state receiving assistance.

"Article 4. Whenever any person holds a license, certificate or other permit issued by any state evidencing the meeting of qualifications for professional, mechanical or other skills, such person may render aid involving such skill in any party state to meet an emergency or disaster and such state shall give due recognition to such license, certificate or other permit as if issued in the state in which aid is rendered.

"Article 5. No party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged, or on account of the maintenance or use of any equipment or supplies in connection therewith.

"Article 6. Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two (2) or more states may differ from that appropriate among other states party hereto, this instrument contains elements of a broad base common to all states, and nothing herein contained shall preclude any state from entering into supplementary agreements with another state or states. Such supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons, and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, equipment and supplies.

"Article 7. Each party state shall provide for the payment of compensation and death benefits to injured members of the civil defense forces of that state and the representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within such state.

"Article 8. Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and provided further that any two (2) or more party states may enter into supplementary agreements establishing a different allocation of costs as among those states. The United States Government may relieve the party state receiving aid from any liability and reimburse the party state supplying civil defense forces for the compensation paid to and the transportation, subsistence and maintenance expenses of such forces during the time of the rendition of such aid

or assistance outside the state and may also pay fair and reasonable compensation for the use or utilization of the supplies, materials, equipment or facilities so utilized or consumed.

'Article 9. Plans for the orderly evacuation and reception of the civilian population as the result of an emergency or disaster shall be worked out from time to time between representatives of the party states and the various local civil defense areas thereof. Such plans shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, medical care, and burial services will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees shall be reimbursed generally for the out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines, medical care, and burial services. Such expenditures shall be reimbursed by the party state of which the evacuees are residents, or by the United States Government under plans approved by it. After the termination of the emergency or disaster the party state of which the evacuees are resident shall assume the responsibility for the ultimate support or repatriation of such evacuees.

"Article 10. This compact shall be available to any state, territory or possession of the United States, and the District of Columbia. The term 'state' may also include any neighboring foreign country or province or state thereof.

"Article 11. The committee established pursuant to Article 1 of this compact may request the Civil Defense Agency of the United States Government to act as an informational and coordinating body under this compact, and representatives of such agency of the United States Government may attend meetings of such committee.

"Article 12. This compact shall become operative immediately upon its ratification by any state as between it and any other state or states so ratifying and shall be subject to approval by Congress unless prior Congressional approval has been given. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Civil Defense Agency and other appropriate agencies of the United States Government.

"Article 13. This compact shall continue in force and remain binding on each party state until the Legislature or the Governor of such party state takes action to withdraw therefrom. Such action shall not be effective until ninety (90) days after notice thereof has been sent by the Governor of the party state desiring to withdraw to the Governors of all other party states.

"Article 14. This compact shall be construed to effectuate the purpose stated in Article 1, hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any persons or circumstance is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected thereby.

"Article 15. This compact shall become binding and obligatory when it shall have been signed by the Governors of the respective states enumerated in this compact; when it shall have been ratified by the Legislature of each state that requires ratification of said compact by the Legislature; and when ratified by the Congress of the United States. Failure of the United States Congress to ratify within sixty (60) days after transmittal, the consent shall be considered as granted. Notice of ratification by each of the states which are a party to this compact shall be given by the Governor of that state to the Governors of the other states and to the President of the United States, and the President is hereby requested to give notice to the Governor of each state of approval by the Congress of the United States.

Sec. 1a. The office of Interstate Civil Defense and Disaster Compact Administrator for Texas is subject to the Texas Sunset Act; <sup>2</sup> and unless continued in existence as provided by that Act the office is abolished, and this Act expires effective September 1, 1987.

Sec. 2. Duly authenticated copies of this Act shall, upon its approval, be transmitted to the Governor of each state, to the President of the Senate of the United States, to the Speaker of the House of Representatives, to the Federal Civil Defense Administration, to the Secretary of State of the United States, and to the Council of State Governments.

(2) interfere with dissemination of news or comment on public affairs, but any communications facility or organization, including radio and television stations, wire services, and newspapers, may be required to transmit or print public service messages furnishing information or instructions in connection with a disaster or potential disaster;

(3) affect the jurisdiction or responsibilities of police forces, fire fighting forces, units of the armed forces of the United States, or of any of their personnel when on active duty, but state, local, and interjurisdictional emergency management plans shall place reliance on the forces available for performance of functions related to disasters; or

(4) limit, modify, or abridge the authority of the governor to proclaim martial law or exercise any other powers vested in him under the constitution or laws of this state independent of or in conjunction with any provisions of this Act.

1 42 U.S.C.A. §§ 5121 et seq., 5174.

The Governor and Emergency Management

Sec. 5. (a) The governor is responsible for meeting the dangers to the state and people presented by disasters and disruptions to the state and people caused by energy emergencies.

(b) Under this Act, the governor may issue executive orders, proclamations, and regulations and amend or rescind them. Executive orders, proclamations, and regulations have the force and effect of law.

(c) The governor may establish by executive order an Emergency Management Council to advise and assist him in all matters relating to disaster preparedness, emergency services, energy emergencies, and disaster recovery. The Emergency Management Council is composed of the heads of state agencies, boards, and commissions and representatives of organized volunteer groups.

(d) A state of disaster may be declared by executive order or proclamation of the governor if he finds a disaster has occurred or that the occurrence or the threat of disaster is imminent. The state of disaster continues until the governor finds that the threat or danger has passed or the disaster has been dealt with to the extent that emergency conditions no longer exist and terminates the state of

disaster by executive order, but no state of disaster may continue for longer than 30 days unless renewed by the governor. The legislature by law may terminate a state of disaster at any time. On termination by the legislature, the governor shall issue an executive order ending the state of disaster. All executive orders or proclamations issued under this subsection shall indicate the nature of the disaster, the area threatened, and the conditions which have brought it about or which make possible termination of the state of disaster. An executive order or proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and, unless the circumstances attendant on the disaster prevent or impede, promptly filed with the Division of Emergency Management, the secretary of state, and the county clerk or city secretary in the area or areas to which it applies.

(e) An executive order or proclamation setting forth a state of disaster activates the disaster recovery and rehabilitation aspects of the state emergency management plan applicable to the area in question and is authority for the deployment and use of any forces to which the plan applies and for use or distribution of any supplies, equipment, and materials and facilities assembled, stockpiled, or arranged to be made available pursuant to this Act or any other provision of law relating to disasters. The preparedness and response aspects of the plan shall be activated as provided in the plan.

(f) During the continuance of any state of disaster and the pursuant recovery period, the governor is commander-in-chief of state agencies, boards, and commissions having emergency responsibilities. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement embodied in appropriate executive orders or plans, but nothing in this Act restricts his authority to do so by orders issued at the time of the disaster.

(g) In addition to any other powers conferred on the governor by law, he may:

(1) suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders, rules, or regulations of any state agency if strict compliance with the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the disaster;

(2) utilize all available resources of the state government and of each political subdivision of the state which are reasonably necessary to cope with the disaster;

(3) temporarily reassign resources, personnel, or functions of state executive departments and agencies or their units for the purpose of performing or facilitating emergency services;

(4) subject to any applicable requirements for compensation under Section 12 of this Act, commandeer or utilize any private property if he finds this necessary to cope with the disaster;

(5) recommend the evacuation of all or part of the population from any stricken or threatened area in the state if he deems this action necessary for the preservation of life or other disaster mitigation, response, or recovery;

(6) prescribe routes, modes of transportation, and destinations in connection with evacuation;

(7) control ingress and egress to and from a disaster area and the movement of persons and the occupancy of premises in the area;

(8) suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, and combustibles;

(9) enter into purchase, lease, or other arrangements with an agency of the United States for temporary housing units to be occupied by disaster victims and to make units available to any political subdivision of the state;

(10) assist any political subdivision which is the locus of temporary housing for disaster victims to acquire sites necessary for temporary housing and to do all things required to prepare the site to receive and utilize temporary housing units by advancing or lending funds available to the governor from any appropriation made by the legislature or from any other source; "passing through" funds made available by any agency, public or private; or becoming a copartner with the political subdivision for the execution and performance of any temporary housing for disaster victims project;

(11) under such regulations as he shall prescribe, temporarily suspend or modify for not to exceed 60 days any public health, safety, zoning, transportation within or across the state, or other requirement of law or regulation within this state when by proclamation he deems the suspension or modification essential to provide temporary housing for disaster victims;

(12) on his determination that a local government of the state has or will suffer a substantial loss of tax and other revenues from a major disaster and has demonstrated a need for financial assistance to perform its governmental functions, apply to the federal government on behalf of the local government for a loan, receive and disburse the proceeds of any approved loan to any applicant local government, determine the amount needed by any applicant local government to restore or resume its governmental functions, certify that to the federal government provided that no application amount may exceed 25 percent of the annual operating budget of the applicant for the fiscal year in which the major disaster occurs, and recommend to the federal government, based on his review, the cancellation of all or any part of repayment when in the first three full fiscal-year periods following the major disaster the revenues of the local government are insufficient to meet its operating expenses, including additional disaster-related expenses of a municipal operation character;

(13) through the use of state departments or agencies or the use of any of the state's instrumentalities, clear or remove from publicly or privately owned land or water, debris and wreckage that may threaten public health or safety or public or private property in any state of disaster declared by the governor or major disaster as declared by the President of the United States;

(14) accept funds from the federal government and utilize the funds to make grants to any local government for the purpose of removing debris or wreckage from publicly or privately owned land or water;

(15) on his determination that financial assistance is essential to meet disaster-related necessary expenses or serious needs of individuals or families adversely affected by a major disaster which cannot be otherwise adequately met from other means of assistance, accept a grant by the federal government to fund financial assistance, subject to terms and conditions as may be imposed on the grant, and enter into an agreement with the federal government or any officer or agency of the United States pledging the state to participate in funding not more than 25 percent of the financial assistance authorized in this subsection;

(16) make financial grants to meet disaster-related necessary expenses or serious needs of individuals or families adversely affected by a major disaster which cannot otherwise adequately be met from other means of assistance, which shall not exceed an aggregate amount in excess of that established by federal statute to an individual or family in any single major disaster declared by the President of the United States; and

(17) make rules and regulations as are necessary for carrying out the purposes of this Act, including standards of eligibility for persons applying for benefits, procedures for applying and administration, methods of investigation, filing, and approving applications, and formation of local or statewide boards to pass on applications and procedures for appeals.

(h) The governor may designate in the state emergency management plan the Department of Human Resources or other state agency to carry out the functions of providing financial aid to individuals or families qualified for disaster relief. The designated agency may employ temporary personnel for these functions to be paid from funds appropriated to the agency, federal funds, or the Disaster Contingency Fund. The merit system does not apply to the temporary positions. The governor may allocate funds appropriated under this Act to implement the purposes of this Act.

(i) Nothing in this Act may be construed to limit the governor's authority to apply for, administer, or expend any grant, gift, or payment in aid of disaster prevention, preparedness, response, or recovery.

(i) No debris or wreckage from public or private property may be removed until the affected local government, corporation, organization, or individual presents an unconditional authorization for removal to the governor. No debris or wreckage may be removed from private property until the state is indemnified against any claim arising from removal. Whenever the governor provides for clearance of debris or wreckage under the provisions of this Act, state employees or other individuals acting by authority of the governor may enter on private land or water to perform tasks necessary to the removal or clearance operation. Except in cases of willful misconduct, gross negligence, or bad faith, a state employee or agent performing his duties while complying with orders of the governor issued under the provisions of this Act shall not be liable for the death of or injury to persons or damage to property.

(k) Any political subdivision of this state is expressly authorized to acquire, temporarily or permanently, by purchase, lease, or otherwise, sites required for installation of temporary housing units for disaster victims and to enter into whatever arrangements (including purchase of temporary housing units and payment of transportation charges) which are necessary to prepare or equip the sites to utilize the housing units.

#### State Division of Emergency Management

Sec. 6. (a) A Division of Emergency Management is established in the office of the governor. The division shall have a director and a state coordinator. The director shall be appointed by and serve at the pleasure of the governor. The coordinator shall be appointed by the director. The division shall have other coordinating and planning officers and other professional, technical, secretarial, and clerical employees necessary for the performance of its functions.

(b) The division shall prepare and maintain a comprehensive state emergency management plan and keep it current. The plan may include:

(1) provisions for prevention and minimization of injury and damage caused by disaster;

(2) provisions for prompt and effective response to disaster;

(3) provisions for emergency relief;

(4) provisions for energy emergencies;

(5) identification of areas particularly vulnerable to disasters;

(6) recommendations for zoning, building, and other land-use controls, safety measures for securing mobile homes or other nonpermanent or semipermanent structures, and other preventive and preparedness measures designed to eliminate or reduce disasters or their impact; (7) provisions for assistance to local officials in designing local emergency management plans;

(8) authorization and procedures for the erection or other construction of temporary works designed to protect against or mitigate danger, damage, or loss from flood, conflagration, or other disaster;

(9) preparation and distribution to the appropriate state and local officials of state catalogs of federal, state, and private assistance programs;

(10) organization of manpower and channels of assistance;

(12) coordination of the state emergency management plan with the emergency management plans of the federal government;

(13) coordination of federal and state energy emergency plans; and

(14) other necessary matters relating to disasters.

(c) The division shall take an integral part in the development and revision of local and interjurisdictional emergency management plans prepared under Section 8 of this Act. To this end it shall employ or otherwise secure the services of professional and technical personnel capable of providing expert assistance to political subdivisions and disaster agencies. These personnel shall consult with subdivisions and agencies on a regularly scheduled basis and shall make field reviews of the areas, circumstances, and conditions to which particular local and interjurisdictional emergency management plans are intended to apply and may suggest revisions.

(d) In preparing and revising the state emergency management plan, the division shall seek the advice and assistance of local government, business, labor, industry, agriculture, civic, and volunteer organizations and community leaders. In advising local and interjurisdictional agencies, the division shall encourage them also to seek advice from these sources.

(e) The state emergency management plan or any part of it may be incorporated in regulations of the division or executive orders which have the force and effect of law.

(f) The division shall:

(1) determine requirements of the state and its political subdivisions for food, clothing, and other necessities in event of a disaster;

(2) procure and pre-position supplies, medicines, materials, and equipment;

(3) promulgate standards and requirements for local and interjurisdictional emergency management plans;

(4) periodically review local and interjurisdictional emergency management plans;

(5) provide for mobile support units;

(6) establish and operate training programs and programs of public information or assist political subdivisions and disaster agencies to establish and operate the programs;

(7) make surveys of public and private industries, resources, and facilities in the state which are necessary to carry out the purposes of this Act;

(8) plan and make arrangements for the availability and use of any private facilities, services, and property and provide for payment for use under terms and conditions agreed on if the facilities are used and payment is necessary;

(9) establish a register of persons with types of training and skills important in disaster prevention, preparedness, response, and recovery;

(10) establish a register of mobile and construction equipment and temporary housing available for use in a disaster;

(11) prepare, for issuance by the governor, executive orders and regulations necessary or appropriate in coping with disasters;

(12) cooperate with the federal government and any public or private agency or entity in achieving any purpose of this Act and in implementing programs for disaster prevention, preparation, response, and recovery; and

(13) do other things necessary, incidental, or appropriate for the implementation of this Act.

(g) The division may employ temporary personnel to be paid from funds appropriated to the division, federal funds, or the Disaster Contingency Fund. The merit system does not apply to the temporary positions.

(h) The division may provide assistance to private aviators, including partial reimbursement for funds expended, to meet the actual costs of aircraft operation in performing search, rescue, or disaster-related functions requested by the governor or the governor's designee. The reimbursements shall be limited to the actual cost of aircraft operation not reimbursable from other sources.

#### Financing\_

Sec. 7. (a) It is the intent of the legislature and declared to be the policy of the state that funds to meet disasters always be available.

(b) The Disaster Emergency Funding Board, which is composed of the governor, the lieutenant governor, the chairman of the State Board of Insurance, the commissioner of the Department of Human Resources, and the director of the division, is established.

(c) A disaster contingency fund is established which shall receive money appropriated by the legislature.

(d) It is the legislative intent that the first recourse shall be to funds regularly appropriated to state and local agencies. If the governor finds that the demands placed on these funds in coping with a particular disaster are unreasonably great, he may with the concurrence of the Disaster Emergency Funding Board make funds available from the Disaster Contingency Fund.

(e) Whenever the federal government or any other public or private agency or individual offers to the state or through the state to any political subdivision of the state, services, equipment, supplies, materials, or funds as gifts, grants, or loans for purposes of emergency services or disaster recovery, the governor, if required by the donor, and the political subdivision through the presiding officer of its governing body may accept the offer in behalf of the state or its political subdivision. Where any gift, grant, or loan is accepted by the state, the governor or on his designation the Emergency Management Council or the state coordinator may dispense the gift, grant, or loan directly to accomplish the purpose for which it was made or allocate and transfer to any political subdivision of this state, services, equipment, supplies, materials, or funds in the amount he or his designated agent may determine. The funds received by the state shall be placed in a special fund or funds and shall be disbursed by warrants issued by the comptroller of public accounts an order of the governor or his designated agent, who may be named by him either in a written agreement accepting the funds or in a written authorization filed with the secretary of state. Where the funds are to be used for the purchase of equipment, supplies, or commodities of any kind, it is not necessary that bids be obtained or that the purchases be approved by any other agency. On receipt of an order for disbursement, the comptroller shall issue a warrant without delay. Political subdivisions are authorized to accept and utilize all services, equipment, supplies, materials, and funds to the full extent authorized by the agreement under which they are received by the state or by the political subdivision.

#### Local and Interjurisdictional Disaster Agencies and Services

Sec. 8. (a) Each political subdivision within this state is within the jurisdiction of and served by the division and by a local or interjurisdictional agency responsible for disaster preparedness and coordination of response.

(b) Each county shall maintain an emergency management program or participate in a local or interjurisdictional emergency management program which, except as otherwise provided under this Act, has jurisdiction over and serves the entire county or interjurisdictional area.

(c) The governor shall determine which municipal corporations need emergency management programs of their own and shall recommend that they be established and maintained. He shall make his determinations on the basis of the municipality's disaster vulnerability and capability of response related to population size and concentration. The emergency management program of a county must be coordinated with the emergency management programs of municipalities situated within its borders but shall not apply in a municipality having its own emergency management program.

(d) The governor may recommend that a political subdivision establish and maintain a program and form an interjurisdictional agency jointly with one or more other political subdivisions if he finds that the establishment and maintenance of a joint program or participation in it is made necessary by circumstances or conditions that make it unusually difficult to provide disaster prevention, preparedness, response, or recovery services under other provisions of this Act.

(e) Each city which does not have a program and has not made arrangements to secure or participate in the services of an existing program shall designate a liaison officer to facilitate the cooperation and protection of that subdivision in the work of disaster prevention, preparedness, response, and recovery. Each county shall provide an office and a liaison officer to coordinate with state and federal emergency management personnel concerning disaster preparedness, response, or recovery services under other provisions of this Act.

(f) The presiding officer of the governing body of each political subdivision shall notify the division of the manner in which the political subdivision is providing or securing an emergency management program, identify the person who heads the agency responsible for the program, and furnish additional pertinent information that the division requires.

(g) Each local and interjurisdictional agency shall prepare and keep current a local or interjurisdictional emergency management plan for its area providing for disaster preparedness, response, recovery, and rehabilitation. The plan shall provide for:

(1) wage, price, and rent controls and other economic stabilization methods in the event of disaster; and

(2) curfews, blockades, and limitations on utility usage in an area affected by a disaster, rules governing ingress and egress to the affected area, and other security measures.

(h) The local or interjurisdictional disaster agency shall prepare in written form and distribute to all appropriate officials a clear and complete statement of the disaster responsibilities of all local agencies and officials and of the disaster channels of assistance.

(i) A political subdivision may make appropriations for emergency management services as provided by law for making appropriations for ordinary expenses of the political subdivisions and may enter into agreements for the purpose of organizing emergency management service divisions, provide for a mutual method of financing the organization of units on a basis satisfactory to the political subdivisions, and render aid to other subdivisions under mutual aid agreements provided that the functioning of said units shall be coordinated by the Emergency Management Council. For the payment of the cost of any equipment, construction, acquisition, or any improvements for carrying out the provisions of this Act, counties and incorporated cities and towns may issue time warrants. These time warrants shall be issued in accordance with the provisions of the Bond and Warrant Law of 1931, as amended (Article 2368a, Vernon's Texas Civil Statutes). Time warrants shall not be issued for financing permanent construction or improvements for emergency management purposes except on the right of a referendum vote as provided in Section 4 of that law.

## **Qualifications for Rendering Aid**

Sec. 9. If any person holds a license, certificate, or other permit issued by any state or political subdivision of any state evidencing the meeting of qualifications for professional, mechanical, or other skills, the person may render aid involving the skill in this state to meet an emergency or disaster, and this state shall give due consideration to the license, certificate, or other permit.

## **Declaration of Local Disasters**

Sec. 10. (a) A local state of disaster may be declared by the presiding officer of the governing body of a political subdivision. It may not be continued or renewed for a period in excess of seven days except by or with the consent of the governing body of the political subdivision. Any order or proclamation declaring, continuing, or terminating a local state of disaster shall be given prompt and general publicity and shall be filed promptly with the city secretary or county clerk as applicable.

(b) The effect of a declaration of a local state of disaster is to activate the recovery and rehabilitation aspects of any and all applicable local or interjurisdictional emergency management plans and to authorize the furnishing of aid and assistance under the declaration. The preparedness and response aspects of the plans shall be activated as provided in the plans.

#### **Disaster Prevention**

Sec. 11. (a) In addition to disaster prevention measures as included in the state, local, and interjurisdictional emergency management plans, the governor shall consider on a continuing basis steps that could be taken to mitigate the harmful consequences of disasters. At his direction and pursuant to any other authority and competence they have, state agencies including but not limited to those charged with responsibilities in connection with floodplain management, stream encroachment and flow regulation, weather modification, fire prevention and control, air quality, public works, land use and land-use planning, and construction standards shall make studies of disaster-prevention-related matters. The governor from time to time shall make recommendations to the legislature, local governments, and other appropriate public and private entities as may facilitate measures for prevention or reduction of the harmful consequences of disasters.

(b) The Department of Water Resources and other state agencies in conjunction with the division shall keep land uses and construction of structures and other facilities under continuing study and identify areas which are particularly susceptible to severe land shifting, subsidence, flood, or other catastrophic occurrence. The studies undertaken under this subsection shall concentrate on means of reducing or avoiding the dangers caused by this occurrence or its consequences.

(c) If the division believes on the basis of the studies or other competent evidence that an area is susceptible to a disaster of catastrophic proportions without adequate warning, that existing building standards and land-use controls in that area are inadequate and could add substantially to the magnitude of the disaster, and that changes in zoning regulations, other land-use regulations, or building requirements are essential in order to further the purposes of this section, it shall specify the essential changes to the governor. If the governor on review of the recommendations finds after public hearing that the changes are essential, he shall make appropriate recommendations to the agencies or local governments with jurisdiction over the area and subject matter. If no action or insufficient action pursuant to his recommendations is taken within the time specified by the governor, he shall so inform the legislature and request legislative action appropriate to mitigate the impact of disaster.

(d) The governor, at the same time that he makes his recommendations pursuant to Subsection (c) of this section, may suspend the standard or control which he finds to be inadequate to protect the public safety and by regulation place a new standard or control in effect. The new standard or control shall remain in effect until rejected by concurrent resolution of both houses of the legislature or amended by the governor. During the time it is in effect, the standard or control contained in the governor's regulation shall be administered and given effect by all relevant regulatory agencies of the state and local governments to which it applies. The governor's action is subject to judicial review but is not subject to temporary stay pending litigation.

## Compensation

Sec. 12. (a) Each person in this state shall conduct himself and keep and manage his affairs and property in ways that will reasonably assist and will not unreasonably detract from the ability of the state and the public successfully to manage emergencies. This obligation includes appropriate personal service and use or restriction on the use of property in time of disaster. This Act neither increases nor decreases these obligations but recognizes their existence under the constitution and statutes of this state and the common law. Compensation for services or for the taking or use of property shall be only to the extent that obligations recognized in this Act are exceeded in a particular case and then only to the extent that the claimant may not be deemed to have volunteered his services or property without compensation.

(b) No personal services may be compensated by the state or any subdivision or agency of the state except pursuant to statute or ordinance.

(c) Compensation for property shall be made only if the property was commandeered or otherwise used in coping with a disaster and its use or destruction was ordered by the governor or a member of the disaster forces of this state.

(d) Any person claiming compensation for the use, damage, loss, or destruction of property under this Act shall file a claim for compensation with the division in the form and manner the division provides.

(e) Unless the amount of compensation on account of property damaged, lost, or destroyed is agreed between the claimant and the division, the amount of compensation shall be calculated in the same manner as compensation due for taking of property pursuant to the condemnation laws of this state.

(f) Nothing in this section applies to or authorizes compensation for the destruction or damaging of standing timber or other property in order to provide a firebreak or to the release of water or the breach of impoundments in order to reduce pressure or other danger from actual or threatened flood, or contravention of Article I, Section 17, of the Texas Constitution, or statutes pertaining to that section.

#### Communications

Sec. 13. The division shall ascertain in cooperation with other state agencies what means exist for rapid and efficient communication in times of disaster. The division shall consider the desirability of supplementing these communication resources or of integrating them into a comprehensive state or state-federal telecommunication or other communication system or network. In studying the character and feasibility of any system or its several parts, the division shall evaluate the possibility of their multipurpose use for general state and local governmental purposes. The division shall make recommendations to the governor as appropriate.

#### Mutual Aid

Sec. 14. (a) Political subdivisions not participating in interjurisdictional arrangements pursuant to this Act nevertheless shall be encouraged and assisted by the division to conclude suitable arrangements for furnishing mutual aid in coping with disasters. The arrangements shall include provision of aid by persons and units in public employ. (b) In reviewing local emergency management plans, the division shall consider whether they obtain adequate provisions for the rendering and receipt of mutual aid.

(c) In reviewing local and interjurisdictional emergency management plans, the division may require mutual aid agreements between political subdivisions if it determines that the political subdivisions have available equipment, supplies, and forces necessary to provide mutual aid on a regional basis and that the political subdivisions have not already made adequate provision for mutual aid.

## Weather Modification

Sec. 15. The division shall keep continuously apprised of weather conditions which present danger of precipitation or other climatic activities severe enough to constitute a disaster. If the division determines that precipitation that may result from weather modification operations, either by itself or in conjunction with other precipitation or climatic conditions or activity, would create or contribute to the severity of a disaster, it shall request in the name of the governor that the officer or agency empowered to issue permits for weather modification operations suspend the issuance of the permits. On the governor's request, no permits may be issued until the division informs the officer or agency that the danger has passed.

### Insurance Coverage

Sec. 16. Property damage insurance covering state facilities may be purchased by agencies of the state when necessary to qualify for federal disaster assistance funds. If sufficient funds are not available for the required insurance, then the agency may petition the Disaster Emergency Funding Board to purchase the insurance in the agency's behalf. The board may expend money from the Disaster Contingency Fund to purchase the required insurance.

#### Penalty for Violation of Emergency Management Plan

Sec. 17. A state, local, or interjurisdictional emergency management plan may provide that failure to comply with the plan or with a rule, order, or ordinance adopted pursuant to the plan is an offense. The plan may not prescribe as punishment for the offense a fine that exceeds \$1,000 or confinement in jail for a term that exceeds 180 days.

#### Severability

Sec. 18. If any provision of this Act or the application thereof is held invalid, such invalidity shall not affect other provisions or applications of the Act, and to this end the provisions of this Act are held to be severable. All plans, regulations, and executive orders and proclamations not in conflict herewith are continued in full force and effect.

#### Repealer

Sec. 19. The Texas Disaster Act of 1973 (Article 6889–6, Vernon's Texas Civil Statutes) is repealed.

[Acts 1975, 64th Leg., p. 731, ch. 289, eff. May 22, 1975. Amended by Acts 1977, 65th Leg., p. 1164, ch. 443, § 1, eff. June 15, 1977; Acts 1981, 67th Leg., p. 332, ch. 134, §§ 1 to 7, eff. Aug. 31, 1981; Acts 1981, 67th Leg., p. 3318, ch. 869, §§ 1 to 4, eff. Aug. 31, 1981.]

# Art. 7465c. Responsibility of Veterinarian Toward Animals in His Care

Sec. 1. (a) Unless otherwise provided by contract between a veterinarian and his client, a veterinarian may dispose of any animal abandoned in his care if he gives notice of his intention to do so by certified mail sent to the last known address of the client. The veterinarian must allow the client 12 days from the mailing of the certified mail in which to retrieve the animal.

(b) Contact of the veterinarian by the client by mail, telephone, or personal communication does not extend the obligation of the veterinarian to treat, board, or care for an animal unless both the client and the veterinarian agree. If no agreement is made to extend the care for the animal, the animal is considered abandoned after 12 days from the date the veterinarian notifies the client that the animal must be removed from the veterinarian's care.

(c) The giving of notice by a veterinarian as prescribed in Subsection (a) of this section does not relieve the client of his liability for payment for treatment, board, or care furnished.

Sec. 2. A veterinarian who, on his own initiative or at the request of a person other than the owner, renders emergency treatment to an ill or injured animal is not liable to the owner for damages to the animal except in cases of gross negligence. ## PART 1

# Art. 8306. Damages and Compensation for Personal Injuries

#### Defenses

Sec. 1. In an action to recover damages for personal injuries sustained by an employé in the course of his employment, or for death resulting from personal injury so sustained, it shall not be a defense: 1. That the employé was guilty of contributory negligence.

2. That the injury was caused by the negligence of a fellow employé.

3. That the employé had assumed the risk of the injury incident to his employment; but such employer may defend in such action on the ground that the injury was caused by the willful intention of the employé to bring about the injury, or was so caused while the employé was in a state of intoxication.

4. In all such actions against an employer who is not a subscriber, as defined hereafter in this law, it shall be necessary to a recovery for the plaintiff to prove negligence of such employer or some agent or servant of such employer acting within the general scope of his employment.

## Application of Law; Exceptions

Sec. 2. The provisions of this law shall not apply to actions to recover damages for personal injuries nor for death resulting from personal injuries sustained by domestic servants or casual employees engaged in employment incidental to a personal residence, farm laborers, ranch laborers, nor to the employees of any person, firm or corporation operating any steam, electric, street, or interurban railway as a common carrier.

## Nonresidents; Employment of Labor; Service of Process on Chairman of Industrial Accident Board

Sec. 2a. The acceptance by a nonresident of this State of the rights, privileges and benefits extended by law to such persons of employing labor within the State of Texas shall be deemed equivalent to an appointment by such nonresident of the Chairman of the Industrial Accident Board of this State, or his successor in office, to be his true and lawful attorney and agent upon whom may be served all lawful process in any civil action or proceeding now pending or hereafter instituted against said nonresident growing out of any accident resulting in the injury or death of any employee of said nonresident, occurring in the course of employment of the employee in this State, or occurring in the course of employment of the employee in a foreign jurisdiction when the employee is a Texas resident recruited in this State, when the action or proceeding is brought by the employee, his heirs or legal representative. Service of process under this Section shall be in the same

manner and method as that prescribed in Chapter 125, Acts of the Forty-first Legislature, Regular Session, 1929, as last amended by Chapter 502, Acts of the Fifty-sixth Legislature, Regular Session, 1959 (compiled as Article 2039a of Vernon's Texas Civil Statutes), which relates to citation of nonresident motor vehicle operators by serving the Chairman of the State Highway Commission.

## Exclusiveness of Remedy; Exemption of Compensation From Legal Process; Assignability; Recovery From Third Persons; Liability of Subscriber

Sec. 3. (a) The employees of a subscriber and the parents of minor employees shall have no right of action against their employer or against any agent, servant or employee of said employer for damages for personal injuries, and the representatives and beneficiaries of deceased employees shall have no right of action against such subscribing employer or his agent, servant or employee for damages for injuries resulting in death, but such employees and their representatives and beneficiaries shall look for compensation solely to the association, as the same is hereinafter provided for.

(b) All compensation allowed under the succeeding sections herein shall be exempt from garnishment, attachment, judgment and all other suits or claims, and no such right of action and no such compensation and no part thereof or of either shall be assignable, except as otherwise herein provided, and any attempt to assign the same shall be void.

(c) In the event the association denies liability in a claim and an accident or health insurance company provides benefits to the employee for medical aid, hospital services, nursing services or medicine, then the right to recover such amount may be assigned by the employee to the health or accident insurance company.

(d) If an action for damages on account of injury to or death of an employee of a subscriber is brought by such employee, or by the representatives or beneficiaries of such deceased employee, or by the association for the joint use and benefit of itself and such employee or such representatives or beneficiaries, against a person other than the subscriber, as provided in Section 6a, Article 8307, Revised Civil Statutes of Texas, 1925, and if such action results in a judgment against such other person, or results in a settlement by such other person, the subscriber, his agent, servant or employee, shall have no liability to reimburse or hold such other person harmless on such judgment or settlement, nor shall the subscriber, his agent, servant or employee, have any tort or contract liability for damages to such other person because of such judgment or settlement, in the absence of a written agreement expressly assuming such liability, exe-cuted by the subscriber prior to such injury or death.

(e) The Association, its agent, servant or employee, shall have no liability with respect to any accident based on the allegation that such accident was caused or could have been prevented by a program, inspection, or other activity or service undertaken by the association for the prevention of accidents in connection with operations of its subscriber; provided, however, this immunity shall not affect the liability of the association for compensation or as otherwise provided in this law.

(f) No part of this Section is intended to lessen or alter the employee's existing rights or cause of action either against his employer, its subscriber, or any third party.

# Waiver of Common Law or Statutory Right of Action

Sec. 3a. An employé of a subscriber shall be held to have waived his right of action at common law or under any statute of this State to recover damages for injuries sustained in the course of his employment if he shall not have given his employer, at the time of his contract of hire, notice in writing that he claimed said right or if the contract of hire was made before the employer became a subscriber, if the employé shall not have given the said notice within five days of notice of such subscription. An employé who has given notice to his employer that he claimed his right of action at common law or under any statute may thereafter waive such claim by notice in writing, which shall take effect five days after its delivery to his employer or his agent. Any employé of a subscriber who has not waived his right of action at common law or under any statute to recover damages for injury sustained in the course of his employment, as above provided in this section, shall, as well as his legal beneficiaries and representatives have his or their cause of action for such injuries as now exist by the common law and statutes of this State, which action shall be subject to all defenses under the common law and statutes of this State.

# Compensation, When to be Paid

Sec. 3b. If an employé who has not given notice of his claim of common law or statutory rights of action, or who has given such notice and waived the same, sustains an injury in the course of his employment, he shall be paid compensation by the association as hereinafter provided, if his employer is a subscriber at the time of the injury.

## Notice of Provision for Compensation

Sec. 3c. From and after the time of the receipt by the Industrial Accident Board of notice from any employer that the latter has become a subscriber under this law, all employés of said subscriber then and thereafter employed, shall be conclusively deemed to have notice of the fact that such subscriber has provided with the association for the payment of compensation under this law. If any employer ceases to be a subscriber he shall on or before the date on which his policy expires give notice to that effect to the Industrial Accident Board, and to such subscribers' employés by posting notices to that effect in three public places around such subscribers' plant.

## Rights of Employés When Employer Not Subscriber

Sec. 4. Employés whose employers are not at the time of the injury subscribers to said association, and the representatives and beneficiaries of deceased employés who at the time of the injury were working for nonsubscribing employers can not participate in the benefits of said insurance association, but they shall be entitled to bring suit and may recover judgment against such employers, or any of them, for all damages, sustained by reason of any personal injury received in the course of employment or by reason of death resulting from such injury, and the provisions of section 1 of this law shall be applied in all such actions.

# Exemplary Damages

Sec. 5. Nothing in this law shall be taken or held to prohibit the recovery of exemplary damages by the surviving husband, wife, heirs of his or her body, or such of them as there may be of any deceased employé whose death is occasioned by homicide from the wilful act or omission or gross negligence of any person, firm or corporation from the employer of such employé at the time of the injury causing the death of the latter. In any suit so brought for exemplary damages the trial shall be de novo, and no presumption shall exist that any award, ruling or finding of the Industrial Accident Board was correct. In any such suit, such award, ruling or finding shall neither be pleaded nor offered in evidence.

# Accrual of Compensation; Medical Aid, Etc.

Sec. 6. No compensation shall be paid under this law for an injury which does not incapacitate the employee for a period of at least one week from earning full wages, but if incapacity extends beyond one week compensation shall begin to accrue on the eighth day after the injury. The medical aid, hospi-tal services, chiropractic services, and medicines, as provided for in Section 7 hereof, shall be supplied as and when needed and according to the terms and provisions of said Section 7. If incapacity does not follow at once after the infliction of the injury or within eight days thereof but does result subsequently, compensation shall begin to accrue with the eighth day after the date incapacity commenced. In any event the employee shall be entitled to the medical aid, hospital service, chiropractic service, and medicines provided in this law. Provided further, that if such incapacity continues for four (4) weeks or longer, compensation shall be computed from the inception date of such incapacity.

# **Medical Services**

Sec. 7. The employee shall have the sole right to select or choose the persons or facilities to furnish medical aid, chiropractic services, hospital services, and nursing and the association shall be obligated for same or, alternatively, at the employee's option, the association shall furnish such medical aid, hospital services, nursing, chiropractic services, and medicines as may reasonably be required at the time of the injury and at any time thereafter to cure and relieve from the effects naturally resulting from the injury. Such treatment shall include treatments necessary to physical rehabilitation, including proper fitting and training in the use of prosthetic appliances, for such period as the nature of the injury may require or as necessary to reasonably restore the employee to his normal level of physical capacity or as necessary to give reasonable relief from pain, but shall not include any other phase of vocational rehabilitation. The obligation of the association to be responsible for hospital services as herein provided shall not be held to include any obligation on the part of the association to pay for medical, nursing or surgical services not ordinarily provided by hospitals as a part of their services.

Upon receipt thereof, the Board shall promptly analyze each notice of injury incurred by an injured employee covered under this law. If the Board concludes that vocational rehabilitation is indicated in any such case, it immediately shall take the necessary steps to inform the injured employee of the services and facilities available to him under the Texas Rehabilitation Commission and the Board immediately shall notify said Commission of such case. In each such case recommendation of services and facilities shall be made after consultation by the Board with the physician or chiropractor furnishing medical aid or chiropractic services as required by this Section, who shall retain general supervision of treatment of the injured employee and, should the employee request it, the Board shall consult with a physician or chiropractor specially trained in such treatment. The Board shall co-operate with said Texas Rehabilitation Commission with reference to the work of said Commission in providing said services and facilities to injured employees covered under the provisions of this law.

Provided that any physician or chiropractor rendering medical or chiropractic care to any injured worker shall render an initial report as soon as practical identifying the injured worker and stating the nature and extent of the injury and thereafter shall render subsequent reports reasonably necessary to keep the status of the claimant's condition known.

Hospitals shall, upon request of either the injured worker, his attorney, or the association, furnish records pertaining to treatment or hospitalization for which compensation is being sought. All reports and records requested hereunder shall be made to the association and the injured worker or his attorney. The failure of the physician or chiropractor to make such reports or of the hospital to furnish requested records shall relieve the association and the injured worker from any obligation to pay for the services rendered by the physician, chiropractor, or hospital. All charges for the furnishing of reports and records hereunder shall be subject to regulation by the Board in accordance with Section 7b hereof, provided however, such charges shall in no event be less than the fair and reasonable charge for the furnishing of said reports and records. If the furnishing of said reports and records is required under this Section, the association shall pay the fair and reasonable charge for furnishing said reports and records. There shall be no additional charge for furnishing a copy of the required reports and records to the injured worker or his attorney.

In the event that the association shall contend before the Board that charges for medical aid, hospital services, chiropractic services, nursing services, or medicines are not fair and reasonable, the Board's award shall make an express finding of the amounts which are fair and reasonable charges for the aid or services rendered or the medicines provided. If the amount found is less than those charges submitted by the provider of the aid, services, or medicines, then said provider shall be entitled to appeal the Board's determination as if it were a party to the action. In any subsequent appeal from the award of the Board, if the person or facility providing medical aid, hospital services, chiropractic services, nursing services, or medicines recovers an amount equal to or in excess of the charges submitted to the Board, such person or facility shall be entitled to recover from the association an additional amount equal to 12 percent of the amount unpaid and reasonable attorney's fees. If the amount so recovered is less than the charges submitted to the Board, the association shall be entitled to recover its reasonable attorney's fees from the person or facility providing the medical aid, hospital services, chiropractic services, nursing services, or medicines.

In order to assist the Board in its regulation of fees and charges under Section 7b of Article 8306, the Board shall cause to be established voluntary arbitration panels to the extent it deems necessary or appropriate. The panels shall be composed of representatives of provider groups and the insurance industry for the purpose of the voluntary arbitration of disputed fees and charges. The Board shall actively supervise the voluntary arbitration panels so established. Nothing herein shall alter the rights of the injured employee under Article 8309a. No finding by any voluntary arbitration panel shall be admissible in evidence in any trial de novo.

## Change in Medical Aid, Hospital Services, Chiropractic Services and Medicines

Sec. 7a. If it be shown that the employee is receiving medical aid, hospital services, chiropractic services, and medicines provided for by Section 7 hereof in such manner that there is reasonable ground for believing that the life, health or recovery of the employee is being endangered or impaired thereby, the Board may order a change in the physician, chiropractor or other requirements of said section after holding a hearing on the change. If the employee fails promptly to comply with such order after receiving it, the Board may relieve the association from its responsibility to pay for or alternatively furnish medical aid, hospital services, chiropractic services, and medicines until such time as the employee complies with the order of the Board.

# Fees and Charges for Medical Aid, Hospital Services, Chiropractic Services or Medicines

Sec. 7b. All fees and charges under Sections 7 and 7a hereof shall be fair and reasonable, shall be subject to regulation of the Board and shall be limited to such charges as are reasonable for similar treatment of injured persons of a like standard of living where such treatment is paid for by the injured person himself or someone acting for him. In determining what fees are reasonable, the Board may also consider the increased security of payment afforded by this law. Where such medical aid, hospital service, chiropractic service or medicines are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting the same, and the amount so paid shall be promptly reported to the Board.

# Attorneys' Fees Regulated by the Board

Sec. 7c. All fees of attorneys for representing claimants before the Board under the provisions of this law shall be subject to the approval of the Board. No attorneys' fees for representing claimants before the Board shall be allowed or approved against any party or parties not represented by such attorney, nor exceeding an amount equal to twenty-five per cent (25%) of the total recovery, in addition to the reasonable expenses incurred by the attorney in the preparation and presentation of the said claim before the Board, such expenses to be allowed by the Board. Where an attorney represents only a part of those interested in the allowance of a claim before the Board and his services in prosecuting such claim and obtaining an award there inures to the benefit of others jointly interested therein, then the Board may take these facts into consideration and allow the attorney a reasonable charge, to be assessed against the interest of those receiving benefits from the service of such attorney. The attorneys' fees herein provided for may be redeemed by the association by the payment of a lump sum or may be commuted by the agreement of the parties subject to the approval of the Board, but not until the claim represented by said attorney has been finally determined by the Board and recognized and accepted by the association. After the approval, as first above provided for, if the association be notified in writing of such claim or agreement for legal services, the same shall be a lien against any amount thereafter to be paid as compensation; provided, that where the employee's compensation is payable by the association in periodical installments, the Board shall fix at the time

of approval the proportion of each installment to be paid on account of said legal services.

# Attorneys' Fees Regulated by the Court

Sec. 7d. For representing the interest of any claimant in any manner carried from the Board into the courts, it shall be lawful for the attorney representing such interest to contract with any beneficiary under this law for an attorneys' fee for such representation, not to exceed twenty-five per cent (25%) of the amount recovered, such fee for services so rendered to be fixed and allowed by the trial court in which such matter may be heard and determined.

In fixing and allowing such attorneys' fees the court must take into consideration the benefit accruing to the beneficiary as a result of such services. No attorneys' fees (other than the amount which the Board may have approved) shall be allowed for representing a claimant in the trial court unless the court finds that benefits have accrued to the claimant by virtue of such representation, and then such attorneys' fees may be allowed only on a basis of services performed and benefits accruing to the beneficiary.

Provided, however, that in all cases involving fatal injuries where the Association admits liability on all issues involved and tenders payments of maximum benefits in writing under this Act while the death benefits claim of such beneficiaries is pending before the Board, then no attorney fee shall be allowed.

# Artificial Appliances

Sec. 7-e. (a) In all cases where liability for compensation exists for an injury sustained by an employee in the course of his employment where artificial appliances of any kind would materially and beneficially improve the future usefulness and occupational opportunities of such injured employee, the association shall furnish such employee with the artificial appliance or appliances needed by him for such occupational opportunities and shall continue to furnish the needed artificial appliance or appliances until a satisfactory fit is obtained in the judgment of the attending physician or physicians. The association shall also be liable for replacing or repairing any artificial appliances so furnished, when needed as determined by the physician or physicians, unless the need for such repair or replacement is due to lack of proper care by the employee. The cost of such artificial appliances so furnished to any such employee shall be in keeping with the salary or wages received by such employee.

(b) In the event the association shall fail or refuse to furnish or provide such artificial appliances, such employee shall make application to the Board for such artificial appliances. On receipt of such application the Board shall order a medical examination of the employee and obtain such other evidence as in their opinion they may deem necessary, after which the Board shall determine whether or not the artificial appliances would materially and beneficially improve the future usefulness and occupational opportunities of the injured employee and in the event they find that such improvement would exist, then the Board shall order the association to furnish the artificial appliances.

# Death Benefit

Sec. 8. (a) If death results from the injury, the association shall pay the legal beneficiaries of the deceased employee a weekly payment equal to sixty-six and two-thirds per cent  $(66^{2}\%)$  of the employee's average weekly wage, but not less than the minimum weekly benefit nor more than the maximum weekly benefit set forth in Section 29 of this article.

(b) The weekly benefits payable to the widow or widower of a deceased employee shall be continued until the death or remarriage of the beneficiary. In the event of remarriage a lump sum payment equal in amount to the benefits due for a period of two (2) years shall be paid to the widow or widower. The weekly benefits payable to a child shall be continued until the child reaches eighteen (18) years of age, or beyond such age if actually dependent, or until twenty-five (25) years of age if enrolled as a fulltime student in any accredited educational institution. All other legal beneficiaries are entitled to weekly benefits for a period of three hundred and sixty (360) weeks.

(c) Upon the termination of the eligibility of any child to receive benefits, the portion of compensation paid to such child shall thereafter be paid to any remaining child or children entitled to benefits under the provisions of this Act. If there is no other eligible child then such benefits shall be added to those being paid to the surviving spouse entitled to receive benefits under the provisions of this Act.

(d) The benefits payable to a widow, widower, or children under this section shall not be paid in a lump sum except in events of remarriage or in case of bona fide disputes as to the liability of the association for the death. Any settlement of a disputed case shall be approved by the board or court only upon an express finding that a bona fide dispute exists as to such liability.

If the association fails to admit liability prior to the final award, decision, or ruling of the board or disputes liability subsequent to such award, decision, or ruling, the court shall award reasonable attorney's fees, in a lump sum, not to exceed 25 per cent of the recovery.

Upon settlement of all cases where the carrier admits liability for the death but a dispute exists as to the proper beneficiary or beneficiaries, the settlement shall be paid in periodic payments as provided by the law, with a reasonable attorney's fee not to exceed twenty-five per cent (25%) of the settlement. The attorney's fee shall be paid periodically and not in a lump sum.

# Persons to Whom Death Benefits Payable; Exemptions; Distributions; Payments

Sec. 8a. The compensation provided for in the foregoing section of this law shall be for the sole and exclusive benefit of the surviving husband who has not, for good cause and for a period of three years prior thereto, abandoned his wife at the time of the injury, and of the wife who has not, at the time of the injury without good cause and for a period of three years prior thereto, abandoned her husband, and of the minor children, parents and stepmother, without regard to the question of dependency, dependent grandparents, dependent children, dependent grandchildren and dependent brothers and sisters of the deceased employee; and the amount recovered thereunder shall not be liable for the debts of the deceased nor the debts of the beneficiary or beneficiaries and shall be distributed among the beneficiaries as may be entitled to the same as hereinbefore provided, according to the laws of descent and distribution of this State; provided, the right in such beneficiary or beneficiaries to recover compensation for death be determined by the facts that exist at the date of the death of the deceased and that said right be a complete, absolute and vested one. Any parent who, during a substantial period of the minority of the deceased worker, shall have abandoned the worker shall be deemed to have waived any entitlement to benefits, and such parent's benefits shall be paid as if the parent had predeceased the deceased worker. The burden of proof shall be upon any beneficiary seeking to disqualify the parent on the grounds of abandonment or failure to support. Such compensation shall not pass to the estate of the deceased to be administered upon, but shall be paid directly to said beneficiaries when the same are capable of taking, under the laws of this State, or to their guardian in case of lunacy, infancy or other disqualifying cause; except payments may be made directly to the person hav-ing custody of the person of such beneficiary, who shall be entitled to receive and receipt for such payments unless or until the association is notified that a guardian has been appointed, in which event payment shall thereafter be made to such guardian. The compensation provided for in this law shall be paid weekly to the beneficiaries herein specified, subject to the provisions of this law.

## **Death After Period of Total or Partial Incapacity**

Sec. 8b. (a) In case death occurs as a result of the injury after a period of total or partial incapacity, for which compensation has been paid, the period of incapacity shall be deducted from the total period of compensation and the benefits paid thereunder from the maximum allowed for the death.

(b) Section 8b does not apply to lifetime death benefits as provided by Section 8 of this article but applies only to those beneficiaries receiving 360 weeks of benefits.

# **Funeral Expenses**

Sec. 9. (a) If the deceased employee leaves no legal beneficiaries, the association shall pay all expenses incident to his last sickness as a result of the injury, and in addition a funeral benefit not to exceed \$2,500.

(b) If the deceased employee leaves a legal beneficiary or beneficiaries, and is buried at the expense of the beneficiary or beneficiaries, or is buried at the expense of his employer or any other person, the expense of such burial, not to exceed \$2,500, shall be payable without discount for present payment to the person or persons at whose expense the burial occurred, subject to the approval of the Board; and such burial expense, regardless of to whom it is paid, shall be in addition to the compensation due the beneficiary or beneficiaries of such deceased employee.

# **Total Incapacity**

Sec. 10. (a) While the incapacity for work resulting from the injury is total, the association shall pay the injured employee a weekly compensation equal to sixty-six and two-thirds per cent (66%%) of his average weekly wages, but not more than the maximum weekly benefit nor less than the minimum weekly benefit set forth in Section 29 of this article.

(b) If the injury is one of the six (6) enumerated in Section 11a of this article as constituting conclusive total and permanent incapacity, the association shall pay the compensation for the life of the employee, but in no other case of total and permanent incapacity shall the period covered by such compensation be greater than four hundred and one (401) weeks from the date of injury. For the purpose of this section only, the total and permanent loss of use of a member shall be considered to be the total and permanent loss of the member.

(c) No attorney's fee may be allowed in a case involving lifetime benefits under Subsection (b) of this section if the association admits liability while the case is pending before the Board and makes payments. If liability is not admitted before the Board, an attorney representing the claimant is entitled to a reasonable attorney's fee not to exceed twenty-five per cent (25%) of the compensation recovered. The association shall deduct attorney's fees allowed by the Board or court in equal periodic payments not to exceed twenty-five per cent (25%) of the compensation payment. If compensation is being paid in periodic payments, any attorney's fee allowed by the Board or court shall be paid in periodic payments.

(d) The lifetime benefits to the employee payable under this section may not be paid in a lump sum except in a case of bona fide disputes as to liability of the association. Any settlement of a disputed case shall be approved by the Board or court only upon an express finding that a bona fide dispute exists as to such liability.

## Partial Incapacity

Sec. 11. While the incapacity for work resulting from the injury is partial, the association shall pay the injured employee a weekly compensation equal to sixty-six and two-thirds per cent (662/3%) of the difference between his average weekly wages before the injury and his average weekly wage earning capacity during the existence of such partial incapacity, but in no case more than the maximum weekly benefit set forth in Section 29 of this article. The period covered by such compensation shall be in no case greater than three hundred (300) weeks: provided that in no case shall the period of compensation for total and partial incapacity exceed four hundred and one (401) weeks from the date of injury. Compensation for all partial incapacity resulting from a general injury shall be computed in the manner provided in this Section, and shall not be computed on a basis of a percentage of disability.

## **Injuries Constituting Total and Permanent Incapacity**

Sec. 11a. In cases of the following injuries, the incapacity shall conclusively be held to be total and permanent, to-wit:

(1) The total and permanent loss of the sight of both eyes.

(2) The loss of both feet at or above the ankle.

(3) The loss of both hands at or above the wrist.

(4) A similar loss of one hand and one foot.

(5) An injury to the spine resulting in permanent and complete paralysis of both arms or both legs or of one arm and one leg.

(6) An injury to the skull resulting in incurable insanity or imbecility.

In any of the above enumerated cases it shall be considered that the total loss of the use of a member shall be equivalent to and draw the same compensation during the time of such total loss of the use thereof as for the total and permanent loss of such member.

The above enumeration is not to be taken as exclusive but in all other cases the burden of proof shall be on the claimant to prove that his injuries have resulted in permanent, total incapacity.

# **Specific Compensation**

Sec. 12. For the injuries enumerated in the following schedule the employee shall receive in lieu of all other compensation except medical aid, hospital services and medicines as elsewhere herein provided, a weekly compensation equal to sixty-six and two-thirds per cent (66%%) of the average weekly wages of such employee, but not less than the minimum weekly benefit per week nor exceeding the maximum weekly benefit set forth in Section 29 of this article, for the respective periods stated herein, to wit:

For the loss of a thumb, sixty-six and two-thirds per cent (66%) of the average weekly wages during sixty (60) weeks.

For the loss of a first finger, commonly called the index finger, sixty-six and two-thirds per cent  $(66-\frac{4}{3}\%)$  of the average weekly wages during forty-five (45) weeks.

For the loss of a second finger, sixty-six and two-thirds per cent  $(66-\frac{2}{3})$  of the average weekly wage during thirty (30) weeks.

For the loss of a third finger, sixty-six and twothirds per cent  $(66-\frac{2}{3}\%)$  of the average weekly wages during twenty-one (21) weeks.

For the loss of a fourth finger, commonly known as the little finger, sixty-six and two-thirds per cent (66-%) of the average weekly wages during fifteen (15) weeks.

The loss of the second or distal phalange of the thumb shall be considered to be equal to the loss of one-half  $(\frac{1}{2})$  of such thumb; the loss of more than one-half  $(\frac{1}{2})$  of such thumb shall be considered to be equal to the loss of the whole thumb.

The loss of the third or distal phalange of any finger shall be considered to be equal to the loss of one-third ( $\frac{1}{3}$ ) of such finger.

The loss of more than the middle and distal phalange of any finger shall be considered to be equal to the loss of the whole finger, provided that in no case shall the amount received for the loss of a thumb and more than one (1) finger on the same hand exceed the amount provided in this schedule for the loss of a hand.

For the loss of the metacarpal bone (bone or palm) for the corresponding thumb, finger or fingers above, add ten (10) weeks to the number of weeks as above subject to the limitation that in no case shall the amount received for the loss or injury to any one (1) hand be more than for the loss of the hand.

For ankylosis (total stiffness of) or contracture (due to scars or injuries) which make the fingers useless, the same number of weeks shall apply to such finger or fingers or parts of fingers (not thumb) as given above.

For the loss of a hand, sixty-six and two-thirds per cent (66-%) of the average weekly wage during one hundred and fifty (150) weeks.

For the loss of an arm at or above the elbow, sixty-six and two-thirds per cent (66-%%) of the average weekly wage during two hundred (200) weeks.

For the loss of one (1) of the toes other than the great toe, sixty-six and two-thirds  $(66-\frac{2}{3})$  of the average weekly wages during ten (10) weeks.

For the loss of the great toe, sixty-six and twothirds per cent  $(66-\frac{2}{3}\%)$  of the average weekly wages during thirty (30) weeks.

The loss of more than two-thirds of any toe shall be considered to be equal to the loss of the whole toe.

The loss of less than two-thirds of any toe shall be considered to be equal to the loss of one-half  $(\frac{1}{2})$  of the toe.

For the loss of a foot, sixty-six and two-thirds per cent (66-%%) of the average weekly wages during one hundred and twenty-five (125) weeks.

For the loss of a leg, at or above the knee, sixty-six and two-thirds per cent  $(66-\frac{2}{3}\%)$  of the average weekly wages during two hundred (200) weeks.

For the total and permanent loss of the sight of one (1) eye, sixty-six and two-thirds per cent  $(66-\frac{2}{3})$  of the average weekly wages during one hundred (100) weeks.

In the foregoing enumerated cases of permanent, partial incapacity, it shall be considered that the permanent loss of the use of a member shall be equivalent to and draw the same compensation as the loss of that member.

For the complete and permanent loss of the hearing in both ears, sixty-six and two-thirds percent  $(66-\sqrt[2]{3})$  of the average weekly wages during one hundred and fifty (150) weeks.

For the loss of an eye and leg above the knee, sixty-six and two-thirds per cent (66-%%) of the average weekly wages during a period of three hundred and fifty (350) weeks.

For the loss of an eye and an arm above the elbow, sixty-six and two-thirds per cent  $(66-\frac{2}{3})$  of the average weekly wages during a period of three hundred and fifty (350) weeks.

For the loss of an eye and a hand, sixty-six and two-thirds per cent (66-3) of the average weekly wages during a period of three hundred and twenty-five (325) weeks.

For the loss of an eye and a foot, sixty-six and two-thirds per cent  $(66-\frac{2}{3})$  of the average weekly wages during a period of three hundred (300) weeks.

Where the employee sustains concurrent injuries resulting in concurrent incapacities, he shall receive compensation only for the injury which produces the longest period of incapacity; but this Section shall not affect liability for the concurrent loss or the loss of the use thereof of more than one (1) member, for which member compensation is provided in this schedule, compensation for specific injuries under this law shall be cumulative as to time and not concurrent.

In all cases of permanent partial incapacity it shall be considered that the permanent loss of the use of the member is equivalent to, and shall draw the same compensation as the loss of that member; but the compensation in and by said schedule provided shall be in lieu of all other compensation in such cases.

In all other cases of partial incapacity, including any disfigurement which will impair the future usefulness or occupational opportunities of the injured employee, compensation shall be determined according to the percentage of incapacity, taking into account among other things any previous incapacity, the nature of the physical injury or disfigurement, the occupation of the injured employee, and the age at the time of the injury. The compensation paid therefor shall be calculated by first determining a basic figure amounting to sixty-six and twothirds per cent (66-2/3%) of the average weekly wages of the employee, but which basic figure shall not exceed the maximum weekly benefit set forth in Section 29 of this article; such basic figure shall then be multiplied by the percentage of incapacity caused by the injury, and the result shall be the weekly compensation which shall be paid for such period not exceeding three hundred (300) weeks as the Board may determine. Whenever the weekly payments under this paragraph would be less than Three Dollars (\$3) per week, the period may be shortened, and the payments correspondingly increased by the Board.

## Injured Employé, Refusal of Employment

Sec. 12a. If the injured employé refuses employment reasonably suited to his incapacity and physical condition, procured for him in the locality where injured or at a place agreeable to him, he shall not be entitled to compensation during the period of such refusal, unless in opinion of the board such refusal is justifiable. This section shall not apply in cases of specific injuries for which a schedule is fixed by this law.

#### Hernia

Sec. 12b. In all claims for hernia resulting from injury sustained in the course of employment, it must be definitely proven to the satisfaction of the board:

1. That there was an injury resulting in hernia.

2. That the hernia appeared suddenly and immediately following the injury.

3. That the hernia did not exist in any degree prior to the injury for which compensation is claimed.

4. That the injury was accompanied by pain.

In all such cases where liability for compensation exists, the association shall provide competent surgical treatment by radical operation. In case the injured employé refuses to submit to the operation, the board shall immediately order a medical examination of such employé by a physician or physicians of its own selection at a time and place to be by them named, at which examination the employé and

10

the association, or either of them, shall have the right to have his or their physician present. The physician or physicians so selected shall make to the board a written report, signed and sworn to, setting forth the facts developed at such examination and giving his or their opinion as to the advisability or non-advisability of an operation. If it be shown to the board by such examination and such report thereof and the expert opinions thereon that the employé has any chronic disease or is otherwise in such physical condition as to render it more than ordinarily unsafe to submit to such operation he shall, if unwilling to submit to the operation, be entitled to compensation for incapacity under the general provisions of this law. If the examination and the written report thereof and the expert opinions thereon then on file before the board do not show to the board the existence of disease or other physical condition rendering the operation more than ordinarily unsafe and the board shall unanimously so find and so reduce its findings to writing and file the same in the case and furnish the employé and the association with a copy of its findings, then if the employé with the knowledge of the result of such examination, such report, such opinions and such findings, thereafter refuses to submit within a reasonable time, which time shall be fixed in the findings of the board, to such operation, he shall be entitled to compensation for incapacity under the general provisions of this law for a period not exceeding one year.

If the employé submits to the operation and the same is successful, which shall be determined by the board, he shall in addition to the surgical benefits herein provided for be entitled to compensation for twenty-six weeks from the date of the operation. If such operation is not successful and does not result in death, he shall be paid compensation under the general provisions of this law the same as if such operation had not been had; other than in determining the compensation to be paid to the employé, the board may take into consideration any minor benefits that accrued to the employé by reason thereof or any aggravation or increased injury which accrued to him by reason thereof.

If the hernia results in death within one year after it is sustained, or the operation results in death, such death shall be held a result of the injury causing such hernia and compensated accordingly under this law. This paragraph shall not apply where the employé has wilfully refused to submit to an operation which has been found by the examination herein provided for not to be more than ordinarily unsafe.

## Subsequent Injury; Second Injury Fund

Sec. 12c. If an employee who has suffered a previous injury shall suffer a subsequent injury which results in a condition of incapacity to which both injuries or their effects have contributed, the association shall be liable because of such injury only for the compensation to which the subsequent injury would have entitled the injured employee had there been no previous injury; provided that there shall be created a fund known as the "Second Injury Fund," hereinafter described, from which an employee who has suffered a subsequent injury shall be compensated for the combined incapacities resulting from both injuries. Provided further, however, that notice of injury to the employer and filing of a claim with the Industrial Accident Board as required by law shall also be deemed and considered notice to and filing of a claim against the "Second Injury Fund".

## Permanent and Total Incapacity Through Loss of or Loss of Use of, Another Member or Organ

Sec. 12c-1. If an employee who has previously lost, or lost the use of, one hand, one arm, one foot, one leg, or one eye, becomes permanently and totally incapacitated through the loss or loss of use of another member or organ, the association shall be liable only for the compensation payable for such second injury; provided, however, that in addition to such compensation and after the combination of the payments therefor, the employee shall be paid the remainder of the compensation that would be due for the total permanent incapacity out of the special fund known as "Second Injury Fund," hereinafter defined.

# Second Injury Fund; How Created; Presumptions

Sec. 12c-2. The special fund known as the "Second Injury Fund" shall be created in the following manner:

(a) In every case of the death of an employee under this Act where there is no person entitled to compensation surviving said employee, the association shall pay to the Industrial Accident Board the full death benefits, but not to exceed 360 weeks of compensation, as provided in Section 8, of Article 8306, Revised Civil Statutes of Texas, 1925, as amended, to be deposited with the Treasurer of the State for the benefit of said Fund and the Board shall direct the distribution thereof.

(b) Unless a claim for fatal benefits is filed with the Board by a beneficiary or beneficiaries within eight (8) months following the date of death of the employee, it shall be presumed for purposes of this section only that no person entitled to compensation under Section 8a of this article survived the deceased employee; provided, however, that the presumption created hereby shall not apply against minor beneficiaries or to beneficiaries of unsound mind for whom no guardian has been appointed.

(c) If the Board enters an initial award ordering payments to the Fund hereunder and it is determined by a subsequent final award of the Board or judgment of a court of competent jurisdiction that a beneficiary under Section 8a of the article is entitled to fatal benefits, the Board shall order reimbursement from the Fund to the association of the amounts paid by it to the Fund in good faith by reason of the initial award of the Board.

## Change of Condition, Mistake or Fraud; Review

Sec. 12d. Upon its own motion or upon the application of any person interested showing a change of condition, mistake or fraud, the Board at any time within the compensation period, may review any award or order, ending, diminishing or increasing compensation previously awarded, within the maximum and minimum provided in this Law, or change or revoke its previous order denying compensation, sending immediately to the parties a copy of its subsequent order or award. Provided, when such previous order has denied compensation, application to review same shall be made to the Board within twelve months after its entry, and not afterward. Review under this Section shall be only upon notice to the parties interested.

## Surgical Operation

Sec. 12e. In all cases where liability for compensation exists for an injury sustained by an employé in the course of his employment and a surgical operation for such injury will effect a cure of the employé or will materially and beneficially improve his condition, the association or the employé may demand that a surgical operation be had upon the employé as herein provided, and the association shall provide and pay for all necessary surgical treatment, medicines and hospital services incident to the performance of said operation, provided the same is had. In case either of said parties demands in writing to the board such operation, the board shall immediately order a medical examination of the employé in the same manner as is provided for in the section of this law relating to hernia. If it be shown by the examination, report of facts and opinions of experts, all reduced to writing and filed with the board, that such operation is advisable and will relieve the condition of the injured employé or will materially benefit him, the board shall so state in writing and upon unanimous order of said board in writing, a copy of which shall be delivered to the employé and the association, shall direct the employé at a time and place therein stated to submit himself to an operation for said injury. If the board should find that said operation is not advisable, then the employé shall continue to be compensated for his incapacity under the general provisions of this law. If the board shall unanimously find and so state in writing that said operation is advisable, it shall make its order to that effect, stating the time and place when and where such operation is to be performed, naming the physicians therein who shall perform said operation, and if the employé refuses to submit to such operation, the board may order or direct the association to suspend the whole or any part of his compensation during the time of said period of refusal. The results of such operation, the question as to whether the injured employé shall be required to submit thereto and the benefits and liabilities arising therefrom shall attach, be treated, handled and determined by the board in the same way as is provided in the case of hernia in this law.

## Physicians or Chiropractors Employed by Subscriber or Association

Sec. 12f. In all cases where a subscriber or the association has in his or its employ a physician or physicians, a chiropractor or chiropractors, regularly paid in any manner whatsoever by such subscriber or association to administer to or treat injured employees, the name or names of such physicians or chiropractors at the date of employment of the same shall be filed with the Board together with a copy of the contract of such employment. If the contract of such physician or physicians, chiropractor or chiropractors is not in writing, then the same shall be reduced to writing and a copy thereof filed with the Board. Such contract shall state fully the extent and scope of the employment and the compensation to be paid such physicians or chiropractors. If the association or subscriber willfully fails or refuses to comply with this provision of this law, then an injured employee or any person acting for him shall have the right to provide hospital services, chiropractic services, medical aid and medicine for said injured employee, at the expense of and the same shall be charged to the association, and the subscriber or association shall notify the employee at or before the time of injury what physician or physicians, chiropractor or chiropractors are contracted with to attend and render professional services to his or its employees.

## **Insurance** Premiums

Sec. 12g. It shall be unlawful for any subscriber or any employer who seeks to comply with the provisions of this law to either directly or indirectly collect of or from his employés by any means or pretense whatever any premium under this law or part thereof paid or to be paid upon any policy of such insurance under this law which covers such employés, or any intended policy of such insurance designed to cover such employés. If any such subscriber or any employer of labor in this State violates this provision of this law, then any employé or the legal beneficiary of any employé of such employer or subscriber shall be entitled to all the benefits of this law and in addition thereto shall have a separate right of action to recover damages against such employer without regard to the compensation paid or to be paid to such employé or beneficiary under this law. The association shall in no wise be responsible because of such separate action by such employé or beneficiary against such employer on such separate cause of action.

# **Indemnity or Insurance Contracts**

Sec. 12h. Every contract or agreement of an employer, the purpose of which is to indemnify him from loss or damage on account of the injury of an employé by accidental means or on account of the negligence of such employer or his officer, agent or servant, shall be absolutely void unless it also covers liability for the payment of the compensation provided for by this law. This section shall not apply to employers of labor who are not eligible under the terms hereof to become subscribers thereto, nor to employers whose employés have elected to reject the provisions of this law, nor to employers eligible to come under the terms of this law who do not elect to do so, but who choose to carry insurance upon their employés independently of this law and without attempting in such insurance to provide compensation under the terms of this law. Any evasion of this section whereby an insurance company shall undertake, under the guise of writing insurance against the risk of the employers who do not see proper to come under this law, to write insurance substantially or in any material respect similar to the insurance provided for by this law shall render such insurance void as provided for in this section.

#### Minors

Sec. 121.<sup>1</sup> If it be established that the injured employee were a minor when injured and that under normal condition his wages would be expected to increase, that fact may be considered in arriving at his average weekly wages, and compensation may be fixed accordingly.

A minor who has been employed in any hazardous or other employment which is prohibited by any Statute of this State, shall nevertheless be entitled to receive compensation under the terms and provisions of this Act. Provided, that this Section shall not be construed to excuse or justify any person, firm or corporation employing or permitting to be employed a minor in any hazardous or other employment prohibited by any Statute of this State.

1 So in enrolled bill. Probably should be "12i."

# Minor or Incompetent Injured Employé

Sec. 13. If an injured employé is mentally incompetent or is a minor or is under any other disqualifying cause at the time when any right or privileges accrue to him or exist under this law, his guardian or next friend may in his behalf claim and exercise such rights and privileges except as otherwise herein provided. In case of partial incapacity or temporary total incapacity, payment of compensation may be made direct to the minor and his receipt taken therefor, if the authority to so pay and receipt therefor is first obtained from the board.

# Waiver of Right to Compensation

Sec. 14. No agreement by any employé to waive his rights to compensation under this law shall be valid.

## Lump Sum Settlement

Sec. 15. (a) In cases where death or incapacity in any degree results from an injury, the liability of the association may be redeemed by the payment of a lump-sum by agreement of the parties thereto subject to the approval of the Industrial Accident Board. Where in the judgment of the Board manifest hardship and injury would otherwise result, the Board may compel the association to redeem the liability by payment of the award of the Board in a lump-sum, and a discount shall be allowed for present payment in accordance with Article 8306a, of the Revised Civil Statutes of 1925, as amended.

(b) Notwithstanding Subsection (a) of this section, a lump-sum settlement, award, or judgment may not be made in violation of Section 8(b) or 8(d), Article 8306, Revised Statutes.

# **Increase of Weekly Compensation**

Sec. 15a. In any case where compensation is payable weekly at a definite sum and for a definite period, and it appears to the Board that the amount of compensation being paid is inadequate to meet the necessities of the employee or beneficiary, the Board shall have the power to increase the amount of compensation by correspondingly decreasing the number of weeks for which the same is to be paid, allowing discount for present payment at the rate of four (4%) per cent, compounded annually; provided that in no case shall the amount to which it is increased exceed the amount of the average weekly wages upon which the compensation is based; provided it is not intended hereby to prevent lump sum settlement when approved by the Board.

The provisions of this section shall also apply to compensation which is payable under any law enacted pursuant to Section 59, Section 60, or Section 61 of Article III of the Constitution of Texas.

## Death, Survival of Cause of Action

Sec. 16. In all cases of injury resulting in death, where such injury was sustained in the course of employment, cause of action shall survive.

## Non-resident and Resident Alien Beneficiaries

Sec. 17. Non-resident alien beneficiaries and resident alien beneficiaries shall be entitled to compensation under this law. Non-resident alien beneficiaries may be officially represented by the consular officers of the nation of which such alien or aliens may be citizens or subjects, and in such cases the consular officers shall have the right to receive for distribution for such non-resident alien beneficiaries all compensation awarded hereunder, and the receipt of such consular officers shall be a full discharge of all sums paid to and received by them. The association may at any time, subject to the approval of the board, commute all future installments of compensation payable to alien beneficiaries, not residents of the United States, by paying to such alien beneficiaries the sum agreed upon and filing receipts therefor with the board.

## Weekly Compensation; Non-payment; Forfeiture or Revocation of Association's License

Sec. 18. It is the purpose of this law that the compensation herein provided for shall be paid from week to week and as it accrues and directly to the person entitled thereto, unless the liability is redeemed as in such cases provided elsewhere herein. If the association willfully fails or refuses to pay compensation as and when the same matures and accrues, the board shall notify said association that such is the course it is pursuing. If after such notice the association continues to willfully refuse and fail to meet these payments of compensation as provided for in this law, the board shall have the power to hold that such association is not complying with the provisions of this law, and shall certify such fact to the Commissioner of Insurance, and said certificate shall be sufficient cause to justify said Commissioner to revoke or forfeit the license or permit of such association to do business in Texas; provided, said power of the board shall not be held to deny the association the right to bring suit or suits to set aside any ruling, order or decision of the board.

#### Timeliness of commencement of benefits or filing of controversion; suspension of benefits; penalties

Sec. 18a. (a) Within 20 days from the receipt of written notice of injury which produces compensable lost time the association, including self-insureds, shall either initiate weekly indemnity compensation or file with the Board a statement of controversion, or in claims of fatal benefits, a statement of position. The statement of controversion or statement of position shall fully set forth in writing the reasons why the association or self-insured has failed or refused to commence the payment of weekly indemnity compensation. When a statement of controversion has been filed, the Board shall promptly set such claim for a prehearing conference on the merits. If the association or self-insured fails to initiate weekly indemnity compensation or file a statement of controversion or statement of position within the allotted time, the Board shall notify the association or self-insured in writing to its designated Austin Industrial Accident Board representative of its possible violation of the Workers' Compensation Act. If within 10 days from receipt of such Board notice the association or self-insured has still failed to either commence the payment of weekly indemnity benefits or to file a statement of controversion or in claims for fatal benefits, a statement of position, the Board shall promptly set such claim for a prehearing conference on the merits and thereafter the Board after notice and hearing thereon, by majority vote, may assess a penalty not to exceed 15 percent of the weekly indemnity compensation then past due.

(b) If the association, including self-insureds, suspends or stops the payment of weekly indemnity compensation or medical benefits, the association including self-insureds, shall within 10 days file with the Board a statement which fully sets out the reasons why such benefits have been suspended. If the association, including self-insureds, fails to take any such action within the allotted time, the Board shall notify the association, including self-insureds, in writing to its designated Austin Industrial Accident Board representative of its possible violation of the Workers' Compensation Act. If within 10 days from receipt of such Board notice, the association or self-insured has still failed to act, the Board shall promptly set such claim for a prehearing conference on the merits and thereafter the Board after notice and hearing thereon, by majority vote, may assess a penalty not to exceed 15 percent of the weekly indemnity compensation and medical benefits then past due.

(c) All penalties provided under Subsections (a) and (b) shall be for the benefit of the employee, subject to attorney's fees as allowed by the Act.

(d) If it appears to the Board that the association, or self-insured, may be, as a general business practice, controverting claims by reason of its failure to promptly and adequately investigate such claims, or is controverting claims when the evidence then available clearly indicates compensability, or is suspending the payment of weekly indemnity compensation or medical benefits without stating fully in writing the reasons therefor, the Board, after notice and hearing, may, upon a finding by a majority of the members of the Board that the association or self-insured is in fact engaging in such conduct, issue an order directing the association or self-insured to cease and desist from such pattern of conduct or may fine the association or self-insured an amount not to exceed \$10,000 or both. A cease and desist order may be imposed for a period not to exceed 12 months. If the association or self-insured violates a cease and desist order while the same is in effect, the Board, after notice and hearing, upon a finding by a majority of the members of the Board that such violation occurred, may certify such fact to the commissioner of insurance, and said certificate shall be sufficient cause for the said commissioner to conduct a hearing into the facts relevant to the revocation of the license or permit of such association to do business in Texas or the revocation of the certificate of self-insurance of such self-insured; provided, said power of the Board shall not be held to deny the association or self-insured the right to bring suit or suits to set aside any ruling, order, or decision of the Board rendered pursuant to this section.

(e) Appeals arising from the assessment of any penalty under Subsection (a) or (b) of this section shall be de novo and according to the provisions of Section 5, Article 8307, Revised Statutes, either as to the assessment of any penalty alone and/or as to any ruling, decision, or award on the merits, but no decision of the Board as to any penalty shall be admissible before the jury. Appeals arising from Subsection (d) of this section shall be according to the provisions of Section 5, Article 8307, Revised Statutes, except venue for such appeals under Subsection (d) shall lie solely in any of the District Courts of Travis County, Texas. (f) Nothing in this section shall be considered in lieu of or in substitution of any other right or remedy as provided by law.

a. In the county of Texas where the contract of hiring was made or where the employee was recruited; or

b. In the county of Texas where such employee or his beneficiaries or any of them reside when the suit is brought, or

c. In the county where the employee or the employer resided when the contract of hiring was made or when the employee was recruited, as the one filing such suit may elect.

Providing that such injury shall have occurred within one year from the date such injured employee leaves this State; and provided, further, that no recovery can be had by the injured employee hereunder in the event he has elected to pursue his remedy and recovers in the state where such injury occurred.

## "Injury" or "Personal Injury", and "Occupational Disease" Defined; Ordinary Diseases

Sec. 20. ## **Retroactive Effect of Statute**

Sec. 23. The provisions of this Act do not apply to cases of incapacity or death resulting from a disease in which the last injurious exposure to the hazards of such disease occurred before the date on which this Act takes effect.

Provided, however, where suits are legally brought by any claimant or beneficiary under any of the provisions of this Act and recovery is had for past due weekly installments, such claimant or beneficiary shall be entitled to recover interest on such past due installments at the rate of four (4%) per cent, compounded annually. Any judgment rendered pursuant to any of the provisions of this Act shall bear interest from the date it is rendered until paid at the rate of four (4%) per cent, compounded annually.

Provided, however, future installments of compensation payable to alien beneficiaries, not residents of the United States, may be commuted and paid according to the terms and provisions of Section 17, Article 8306 of the Revised Civil Statutes of 1925; and provided further, when either party shall appeal from the award of the Industrial Accident Board to the District Court, the District Court shall try the matter appealed from only, and shall not in said trial adjudicate in any way any right to exemplary damages, as is granted in Section 26 of Article XVI of the Constitution of Texas.

The provisions of this section shall also apply to compensation which is payable under any law enacted pursuant to Section 59, Section 60, or Section 61 of Article III of the Constitution of Texas.

Sec. 2. Forms and printed materials used by any state agency which incorporate the term "workmen's compensation" shall be modified to substitute the term "workers' compensation" after the present supply of forms and materials is exhausted. # PART 2

# Art. 8307. Industrial Accident Board

# Members; Powers

Sec. 1. The Industrial Accident Board shall consist of three members, one to be biennially appointed by the Governor for a term of six years. # **Application of Sunset Act**

Sec. 1a. The Industrial Accident Board is subject to the Texas Sunset Act, as amended (Article 5429k, Vernon's Texas Civil Statutes); and unless continued in existence as provided by that Act the board is abolished, and this article expires effective September 1, 1995.

## **Eligibility of Members**

Sec. 2. (a) At the time of the initial appointment one member of the Industrial Accident Board shall be an employer of labor in some industry or business covered by this law; one shall be employed in some business industry as a wage earner, and the third member shall be a practicing attorney of recognized ability, and shall act in the capacity of legal adviser to the board, in addition to his other duties as a member thereof, and be chairman of said board.

## **Grounds for Removal**

Sec. 2a. (a) It is a ground for removal from the board if a member:

(1) does not have at the time of initial appointment the qualifications required by Subsection (a) of Section 2 of this article for appointment to the board; or

(2) violates a prohibition established by Subsection (b) or (c) of Section 2 of this article.

(b) The validity of an action of the board is not affected by the fact that it was taken when a ground for removal of a member of the board existed.

## Secretary; Pre-hearing Officers; Clerical Services; Expenses

Sec. 3. The Board may appoint a Secretary, prehearing officers and other employees as may be necessary to properly administer this Act. It shall also be allowed a reasonable sum, the amount to be determined by the Legislature, for pre-hearing officers, clerical and other services, office equipment, traveling expenses and all other expenses necessary.

Annual Funds Report; Intraagency Career Ladder Program; Annual Performance Evaluations; Information About Complaints; Equal Opportunity Implementation Plan

Sec. 3a. (a) During January of each year, the board shall file with the governor and the presiding officer of each house of the legislature a complete and detailed written report accounting for all funds received and disbursed by the board during the preceding fiscal year.

(b) The executive director or his designee shall develop an intraagency career ladder program, one part of which shall be the intraagency posting of all nonentry level positions for at least 10 days before any public posting.

(c) The executive director or his designee shall develop a system of annual performance evaluations based on measurable job tasks. All merit pay for board employees must be based on the system established under this subsection.

(d) The board shall prepare information describing the functions of the board and describing the board's procedures by which complaints are filed with and resolved by the board. The board shall make the information available to the general public and appropriate state agencies in accordance with Section 9a of Article 8307, as amended.

(e) The executive director or his/her designee shall prepare and maintain a written plan to assure implementation of a program of equal employment opportunity whereby all personnel transactions are made without regard to race, color, disability, sex, religion, age, or national origin. The plans shall include:

(1) a comprehensive analysis of all the agency's work force by race, sex, ethnic origin, class of position, and salary or wage;

(2) plans for recruitment, evaluation, selection, appointment, training, promotion, and other personnel policies;

(3) steps reasonably designed to overcome any identified underutilization of minorities and women in the agency's work force; and

(4) objectives and goals, timetables for the achievement of the objectives and goals, and assignments of responsibility for their achievement.

The plans shall be filed with the governor's office within 60 days of the effective date of this Act, cover an annual period, and be updated at least annually. Progress reports shall be submitted to the governor's office within 30 days of November 1 and April 1 of each year and shall include the steps the agency has taken within the reporting period to comply with these requirements.

## Information on Qualifications and Standards of Conduct

Sec. 3b. The board shall provide to its members and employees as often as is necessary information regarding their qualifications under Section 2 of this article and their responsibilities under applicable laws relating to standards of conduct for state officers or employees.

# Audit

Sec. 3c. The State Auditor shall audit the financial transactions of the board during each fiscal year.

# **Complaint Information File and Notification of Parties**

Sec. 3d. (a) The board shall keep an information file about each written complaint from a member of the general public that is unrelated to a specific workers' compensation claim file.

(b) If a member of the general public files such written complaint with the board, the board, at least as frequently as quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless the notice would jeopardize an undercover investigation.

## Rules: Physical Examination; Suspension of Compensation; Procedure and Powers

Sec. 4. The Board may make rules not inconsistent with this law for carrying out and enforcing its provisions, and may require any employee claiming to have sustained injury to submit himself for examination before such Board or someone acting under its authority at some reasonable time and place within the State, and as often as may be reasonably ordered by the Board to a physician or physicians, a chiropractor or chiropractors authorized to practice under the laws of this State. If the employee or the association requests, he or it shall be entitled to have a physician or physicians, chiropractor or chiropractors of his or its own selection present to participate in such examination. Refusal of the employee to submit to such examination shall deprive him of his right to compensation during the continuance of such refusal. When a right to compensation is thus suspended no compensation shall be payable in respect to the period of suspension. If any employee shall persist in insanitary or injurious practices which tend to either imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment, chiropractic service or other remedial treatment recognized by the State, as is reasonably essential to promote his recovery, the board may in its discretion order or direct the association to reduce or suspend the compensation of any such injured employee. No compensation shall be reduced or suspended under the terms of this Section without reasonable notice to the employee and an opportunity to be heard.

When authorized by the Board, the Association shall have the privilege of having any injured employee examined by a physician or physicians, chiropractor or chiropractors of its own selection, at reasonable times, at a place or places suitable to the condition of the injured employee and convenient and accessible to him. The Association shall pay for such examination and the reasonable expense incident to the injured employee in submitting thereto. The injured employee shall have the privilege to have a physician or chiropractor of his own selection present to participate in such examination. Provided, when such examination is directed by the Board at the request of the Association, the Association shall pay the fee of the physician or chiropractor selected by the employee, such fee to be fixed by the Board.

Process and procedure shall be as summary as may be under this law. The Board or any member thereof shall have the power to subpoena witnesses, administer oaths, inquire into matters of fact, examine such parts of the books and records of the parties to a proceeding as relate to questions in dispute, punish for contempt in the same manner and to the same extent as a District Court may do, and to bar persons guilty of unethical or fraudulent conduct from practicing before the Board. All rulings and decisions of the board relating to disputed claims shall be upon questions of fact and in accord with the provisions of this law.

# Notice of Injury; Claim for Compensation

Sec. 4a. Unless the Association or subscriber have notice of the injury, no proceeding for compensation for injury under this law shall be maintained unless a notice of the injury shall have been given to the Association or subscriber within thirty (30) days after the happening of an injury or the first distinct manifestation of an occupational disease, and unless a claim for compensation with respect to such injury shall have been made within one (1) year after the occurrence of the injury or of the first distinct manifestation of an occupational disease; or, in case of death of the employee or in the event of his physical or mental incapacity, within one (1) year after death or the removal of such physical or mental incapacity. For good cause the Board may, in meritorious cases, waive the strict compliance with the foregoing limitations as to notice, and the filing of the claim before the Board.

## Administrative Procedure and Texas Register Act; Open Meetings Law; Application

Sec. 4b. (a) Sections 1 through 12 of the Administrative Procedure and Texas Register Act (Article 6252-13a, Vernon's Texas Civil Statutes) apply to the Industrial Accident Board. However, Section 4(a)(3) and Sections 13 through 20 of the Administrative Procedure and Texas Register Act do not apply, and Section 4(b) of that Act shall not apply to orders and decisions of the Industrial Accident Board.

(b) The board is subject to the open meetings law, Chapter 271, Acts of the 60th Legislature, Regular Session, 1967, as amended (Article 6252–17, Vernon's Texas Civil Statutes), except that prehearing conferences, hearings, and determinations on workers' compensation claims are not open meetings under that law.

## Determination of Questions; Suit to Set Aside Final Ruling and Decision; Revocation of Association's License

Sec. 5. All questions arising under this law, if not settled by agreement of the parties interested therein and within the provisions of this law, shall, except as otherwise provided, be determined by the Board. Any interested party who is not willing and does not consent to abide by the final ruling and decision of said Board shall, within twenty (20) days after the rendition of said final ruling and decision by said Board, file with said Board notice that he will not abide by said final ruling and decision. And he shall within twenty (20) days after giving such notice bring suit in the county where the injury occurred, or in the county where the employee resided at the time the injury occurred (or, if such employee is deceased, then in the county where the employee resided at the time of his death), to set aside said final ruling and decision, and said Board shall proceed no further toward the adjustment of such claim, other than hereinafter provided. In all cases of occupational diseases, for the purpose of determining venue when an appeal is effected to set aside the final ruling and decision of the Board, suit shall be brought in a court of competent jurisdiction in the said county in which the employee was last exposed to the disease alleged, prior to the manifes-tation of the disease, or death therefrom, or in the county in which the adverse party resides, or has a permanent place or business, or by agreement of the parties in a court of competent jurisdiction in any county in this state. Whenever such suit is brought, the rights and liability of the parties thereto shall be determined by the provisions of this law, and the suit of the injured employee or person suing on account of the death of such employee shall be against the Association, if the employer of such injured or deceased employee at the time of such injury or death was a subscriber as defined in this law. If the final order of the Board is against the Association, then the Association and not the employer shall bring suit to set aside said final ruling and decision of the Board, if it so desires, and the court shall in either event determine the issues in such cause, instead of the Board, upon trial de novo, and the burden of proof shall be upon the party claiming compensation. The Industrial Accident Board shall furnish any interested party in said claim pending in court, upon request, free of charge, with a certified copy of the notice of the employer becoming a subscriber, filed with the Board, and the same when properly certified to shall be admissible in evidence in any court in this state upon trial of such claim therein pending, and shall be prima facie proof of all facts stated in such notice in the trial of said cause unless same is

denied under oath by the opposing party therein. In case of recovery, the same shall not exceed the maximum compensation allowed under the provisions of this law. If any party to such final ruling and decision of the Board, after having given notice as above provided, fails within said twenty (20) days to institute and prosecute a suit to set the same aside, then said final ruling and decision shall be binding upon all parties thereto; and, if the same is against the Association, it shall at once comply with such final ruling and decision; and failing to do so, the Board shall certify the fact to the Commissioner of Insurance, and such certificate shall be sufficient cause to justify said Commissioner to revoke or forfeit the license or permit of such Association to do business in Texas.

Notwithstanding any other provision of this law, as amended, no award of the Board, and no judgment of the court, having jurisdiction of a claim against the association for the cost or expense of items of medical aid, hospital services, nursing, chiropractic services, medicines or prosthetic appliances furnished to an employee under circumstances creating a liability therefor on the part of the association under the provisions of this law, shall include in such award or judgment any cost or expense of any such items not actually furnished to and received by the employee prior to the date of said award or judgment. The first such final award or judgment rendered on such claim shall be res judicata of the liability of the association for all such cost or expense which could have been claimed up to the date of said award or judgment and of the issue that the injury of said employee is subject to the provisions of this law with respect to such items, but shall not be res judicata of the obligation of the association to furnish or pay for any such items after the date of said award or judgment. After the first such final award or judgment, the Board shall have continuing jurisdiction in the same case to render successive awards to determine the liability of the association for the cost or expense of any such items actually furnished to and received by said employee not more than six (6) months prior to the date of each such successive award, until the association shall have fully discharged its obligation under this law to furnish all such medical aid, hospital services, nursing, chiropractic services, medicines or prosthetic appliances to which said employee may be entitled; provided, each such successive award of the Board shall be subject to a suit to set aside said award by a court of competent jurisdiction, in the same manner as provided in the case of other awards under this law.

## **Rights and Remedies of Claimant**

Sec. 5a. In all cases where the board shall make a final order, ruling or decision as provided in the preceding section and against the association, and the association shall fail and refuse to obey or comply with the same and shall fail or refuse to bring suit to set the same aside as in said section is WTSC Civil Statutes=-3 provided, then in that event, the claimant in addition to the rights and remedies given him and the board in said section may bring suit where the injury occurred, upon said order, ruling or decision. If he secures a judgment sustaining such order, ruling or decision in whole or in part, he shall also be entitled to recover the further sum of twelve per cent as damages upon the amount of compensation so recovered in said judgment, together with a reasonable attorney's fee for the prosecution and collection of such claim.

Where the board has made an award against an association requiring the payment to an injured employé or his beneficiaries of any weekly or monthly payments, under the terms of this law, and such association should thereafter fail or refuse, without justifiable cause, to continue to make said payments promptly as they mature, then the said injured employé or his beneficiaries, in case of his death, shall have the right to mature the entire claim and to institute suit thereon to collect the full amount thereof, together with twelve per cent penalties and attorney's fees, as herein provided for. Suit may be brought under the provisions of this section, either in the county where the accident occurred, or in any county where the claimants reside, or where one or more of such claimants may have his place of residence at the time of the institution of the suit.

# Computation of Time for Notice or Suit

Sec. 5b. In computing the twenty (20) days for the filing with the Board notices of unwillingness to abide by the final ruling and decision of the Board, and likewise in computing the twenty (20) days to institute a suit to set aside the final ruling of said Board, if the last day is a legal holiday or is Sunday, then, and in such case, such last day shall not be counted, and the time shall be and the same is hereby extended so as to include the next succeeding business day; but this provision shall not extend to or include any cases now filed or now pending in the trial court or on appeal from the trial court; the rights of the parties in such suits now pending or on appeal from the trial courts shall be determined by the law existing prior to the passage of this Act.

#### Multiple Subscribers; Payment of Claims; Deposit of Proportionate Share Prior to Liability Determination

Sec. 5c. In any proceeding in which it is determined that compensation, including costs for medical services incurred, is allowable in a sum certain for injuries sustained by an employee, but there is a dispute with respect to which of two or more subscribers said employee was serving at the time of injury, the Association and other workmen's compensation insurer, or insurers, of each such subscriber shall be required to deposit with the Board or court a proportionate share of the compensation awarded, including costs for medical services incurred, for the injuries received. Such proportion-

# Art. 8307

ate share due from the Association and other workmen's compensation insurer, or insurers, shall be determined by dividing the compensation awarded, including costs for medical services incurred, by the number of subscribers who are alleged to have been the employer of the injured employee at the time of injury, and the Association and workmen's compensation insurer of each such subscriber shall pay such proportionate share, or shares, depending on whether they insure one or more of such subscribers. The Board or court shall deliver the full amount of the workmen's compensation award, including costs for medical services incurred, in the same manner as if the sum had been paid only by the responsible insurer. Thereafter, upon final de-termination of liability for compensation, whether by agreement, award of the Board or order of the court, the insurer, or insurers found not to be liable shall be entitled to reimbursement for its, or their, proportionate share deposited with the Board or court from the insurer who is determined to be liable for compensation and medical costs incurred.

## Contract by Prime Contractor to Provide Benefits for Sub-Contractor

Sec. 6. (a) A subcontractor and prime contractor may make a written contract whereby the prime contractor will provide workers' compensation benefits to the sub-contractor and to employees of the sub-contractor. Notwithstanding the provisions of Section 12(g), Article 8306, Revised Statutes, the contract may provide that the actual premiums (based on payroll) paid or incurred by the prime contractor for workers' compensation insurance coverage for the sub-contractor and employees of the sub-contractor may be deducted from the contract price or any other monies owed to the sub-contractor by the prime contractor. In any such contract, the sub-contractor and his employees shall be considered employees of the prime contractor only for purposes of the workers' compensation laws of this state (Article 8306, Revised Statutes, et seq.) and for no other purpose.

(b) The term "sub-contractor" means a person who has contracted to perform all or any part of the work or services which a prime contractor has contracted with another party to perform.

(c) The term "prime contractor" includes "principal contractor," "original contractor," or "general contractor" as those terms are commonly used and means the person who has undertaken to procure the performance of work or services. The prime contractor may engage sub-contractors to perform all or any part of the work or services.

(d) If any subscriber to this law with the purpose and intention of avoiding any liability imposed by its terms sublets the whole or any part of the work to be performed or done by said subscriber to any sub-contractor, then in the event any employe of such sub-contractor sustains an injury in the course of his employment he shall be deemed to be and taken for all purposes of this law to be the employe of the subscriber, and in addition thereto such employe shall have an independent right of action against such sub-contractor, which shall in no way be affected by any compensation to be received by him under the provisions of this law.

## Recovery From Third Person; Subrogation; Attorney's Fees

Sec. 6a. Where the injury for which compensation is payable under this law was caused under circumstances creating a legal liability in some person other than the subscriber to pay damages in respect thereof, the employee may proceed either at law against that person to recover damages or against the association for compensation under this law, and if he proceeds at law against the person other than the subscriber, then he shall not be held to have waived his rights to compensation under this law. If the claimant is a beneficiary under the death benefits provisions of Section 8a, Article 8306, Revised Civil Statutes of Texas, 1925, as amended, a judgment shall not constitute an election but the amount of such recovery shall first pay costs and attorney's fees and then reimburse the association, and if there be any excess it shall be paid to the beneficiaries in the same ratio as they received death benefits and the association shall suspend further payments of benefits until the suspended benefits shall equal the amount of such excess at which time benefits shall be resumed. If compensation be claimed under this law by the injured employee or his legal beneficiaries, then the association shall be subrogated to the rights of the injured employee, and may enforce in the name of the injured employee or of his legal beneficiaries the liability of said other person, and in case the recovery is for a sum greater than that paid or assumed by the association to the employee or his legal beneficiaries, then out of the sum so recovered the association shall reimburse itself and pay said costs and the excess so recovered shall be paid to the injured employee or his beneficiaries. However, when the claimant is represented by an attorney, and the association's interest is not actively represented by an attorney, the association shall pay such fee to the claimant's attorney not to exceed one-third (1/3) of said subrogation recovery or as may have been agreed upon between the claimant's attorney and the association or in the absence of such agreement the court shall allow a reasonable attorney's fee to the claimant's attorney for recovery of the association's interest which in no case shall exceed thirty-three and one-third per cent (331/3%) payable out of the association's part of the recovery. In any case where the claimant's attorney is also representing the subrogated association, a full written disclosure must be made to the claimant, prior to actual employment by the association as an attorney, and acknowledged by the claimant, and a signed copy of the same furnished to all concerned parties and made a part of the file in the Industrial Accident Board. A copy of the disclosure with authorization and consent, shall also be filed with

the claimant's pleadings prior to any judgment entered and approved by the court. Unless the claimant's attorney complies with all of the requirements as prescribed in this section, the attorney shall not be entitled to receive any of the fees prescribed in this section to which he would be entitled pursuant to an agreement with the association.

If the association obtains an attorney to actively represent its interest and if the attorney actively participates in obtaining a recovery, the court shall award and apportion an attorney's fee allowable out of the association's subrogation recovery between such attorneys taking into account the benefit accruing to the association as a result of each attorney's service, the aggregate of such fees not to exceed thirty-three and one-third per cent  $(33^{1}/_{3}\%)$  of the subrogated interest.

If at the conclusion of a third party action a workmen's compensation beneficiary is entitled to compensation, the net amount recovered by such beneficiary from the third party action shall be applied to reimburse the association for past benefits and medical expenses paid and any amount in excess of past benefits and medical expenses shall be treated as an advance against future benefit payments of compensation to which the beneficiary is entitled to receive under the Act. When the advance is adequate to cover all future compensation and medical benefit payments as provided by this law, no further payments shall be made by the association but if insufficient, the association shall resume such payments when the advance is exhausted. The reasonable and necessary medical expenses incurred by the claimant on account of the injury shall be deducted from the advance in the same manner as benefit payments.

## **Record of Injuries; Reports**

Sec. 7. (a) Every subscriber shall keep a record of all injuries, fatal or otherwise, sustained by his employees in the course of their employment. After the occurrence of an accident resulting in an injury to an employee, causing his absence from work for more than one (1) day, or after the employee notifies the employer of a definite manifestation of an occupational disease, a written report thereof shall be made within eight (8) days following the employee's absence from work and notice thereof to the employer or notice of manifestation of an occupational disease to the Board on blanks to be procured from the Board for that purpose. The subscriber shall deliver a copy of the report to the association. Upon the termination of the incapacity of the injured employee, or if such incapacity extends beyond a period of sixty (60) days, the subscriber shall make a supplemental report upon blanks to be procured for that purpose.

(b) The report shall contain the name and nature of the business of the employer, the location of the establishment, the name, age, sex and occupation of the injured employee, and the character of work in which he was engaged at the time of the injury, and shall state the date and hour of receiving such injury or of the definite manifestation of the occupational disease, and the nature and cause of the injury, and such other information as the Board may require.

(c) Any employer shall give the Board any information demanded by the Board relating to any injury to any employee or required by statute, which information is in the possession of or can be ascertained by the employer by the use of reasonable diligence.

(d) If any employer fails to comply with any of the requirements of Subsection (a), (b), or (c) of this section, the Board shall give such employer written notice by certified mail return receipt requested that such employer shall file the requested report or information with the Board within ten (10) days or shall request a hearing with the Board. If no hearing is requested and the employer fails to comply with the Board's request or order, the Board shall impose a civil penalty against such employer of not more than Five Hundred Dollars (\$500). If a hearing is requested by an employer, the Board shall set such hearing within ten (10) days at its office in Austin, Texas. If the Board determines by majority vote that such employer is not in compliance with Subsection (a), (b), or (c) of this section, the Board shall impose a civil penalty against such employer of not more than Five Hundred Dollars (\$500). Such employer, if dissatisfied with the Board's determination, may sue the Board to set aside the Board's ruling by bringing a de novo suit within twenty (20) days thereafter in the district court in Travis County, Texas. The Board shall be represented by the Attorney General of Texas.

# Failure to File Report; Limitation on Filing of Claim

Sec. 7a. Where the association or subscriber has been given notice or the association or subscriber has knowledge of an injury or death of an employee and fails, neglects, or refuses to file a report thereof as required by the provisions of Section 7 of this Article, the limitation in Section 4a of this Article in respect to the filing of a claim for compensation shall not begin to run against the claim of the injured employee or his dependents entitled to compensation, or in favor of either the association or subscriber until such report shall have been furnished as required by Section 7 of this Article.

# Claim Forms to Employee; Filing Requirements

Sec. 7b. Upon receipt of the written report required under Section 7 of this Article the Industrial Accident Board shall immediately furnish the injured employee claim forms which shall clearly inform the employee of the filing requirements of Section 4a of this Article, and if applicable, Section 7a of this Article.

# Quorum of Board; Seal; Proceedings as Evidence

Sec. 8. A majority of the Board shall constitute a quorum to transact business, and the Act or

decision of any two members thereof shall be held the act or decision of the Board, except as otherwise herein specifically provided. No vacancy shall impair the right of the remaining member or members of the Board to exercise all the powers of the Board. The Board to exercise all the powers of the Board. The Board to exercise all the powers of the Board. The Board to exercise all the words "Industrial Accident Board, State of Texas." Any Order, award or proceeding of said Board when duly attested by any member of the Board or its secretary, shall be admissible as evidence of the act of said Board in any Court of this State.

# Certified Copy of Records; Fees

Sec. 9. Upon the written request and payment of the fees therefor, which fees shall be the same as those charged for similar services in the Secretary of State's office, the board shall furnish to any person entitled thereto a certified copy of any order, award, decision or paper on file in the office of said board, and the fees so received for such copies shall be paid into the State Treasury and credited to the general revenue fund. No fee or salary shall be paid to any person in said department for making such copies in excess of the fees charged for such copies.

# Confidentiality of Records; Fraudulent Claims or Claimants

Sec. 9a. (a) Information in a worker's claim file is confidential and may not be disclosed except as provided in this section.

(b) If there is a workers' compensation claim for the named claimant open or pending before the Industrial Accident Board or on appeal to a court of competent jurisdiction from the Board or which is the subject matter of a subsequent suit where the carrier is subrogated to the rights of the named claimant at the time a record search or request for information is presented to the Board, the information shall be furnished as provided in this section. The first, middle, and last name of the claimant, age and social security number, and, if possible, dates of injury and the names of prior employers must be given in the request for information by the requesting party. The Board will furnish the requested information or a record check only to the following:

- (1) the claimant;
- (2) the attorney for the claimant;
- (3) the carrier;
- (4) the employer at the time of the current injury;
- (5) third-party litigants; or
- (6) the State Board of Insurance.

A third-party litigant in a suit arising out of an occurrence with respect to which a workers' compensation claim was filed is entitled to the information without regard to whether or not the compensation claim is still pending.

(c) All information of the Industrial Accident Board concerning any person who has been finally adjudicated to be a fraudulent claimant as provided in this section is not confidential and shall be furnished to any person requesting the information, notwithstanding any other provision of this law.

(d) The Board shall release to any employer with whom a person has made application for employment within the 14 days prior to the request the date of injury and nature of injury to that person if that person has had three or more general injury claims filed in the preceding five years in which weekly compensation payments have been made. The request for information shall give the name, address, and social security number of the person about whom information is sought. The Board shall release this information only if the employer has written authorization from the person about whom information is sought. The Board shall release the information by telephone, but the employer must file the written authorization with the Board within 10 days after the information is released. If the employer requests information about three or more persons at the same time, the Board may refuse to release the information except on written request from the employer and receipt of the written authorization from each person about whom the information is sought. An employer who receives the information but fails to file the authorization within the required period is guilty of a misdemeanor and on conviction shall be fined not more than \$1,000. Failure to file each authorization is a separate offense.

(e)(1) The attorney general shall promptly investigate any allegation of fraud on the part of an employer, employee, attorney, person or facility furnishing medical services authorized by Section 7 of Article 8306, Revised Civil Statutes of Texas, 1925, or insurance company or its representative relating to any claim. In order to carry out the requirements of this section, the attorney general is vested with complete power to investigate and prosecute any and all allegations of fraudulent claim practices which may be submitted to the Board or which may be uncovered through the attorney general's own efforts. The attorney general shall cooperate with professional grievance committees, law enforcement officials, the Industrial Accident Board, and other state agencies in the investigation and prosecution of fraudulent practices. It shall be the responsibility of the attorney general to prosecute those cases in which he finds the reasonable probability that acts of fraud exist before all hearings of the Board or on appeal from the determination of such hearings.

(2) In those cases in which a claimant makes a fifth claim for compensation within any five-year period, the Board shall automatically notify the attorney general who shall investigate to determine if the probability of fraud exists in connection with the current claim or any of the prior claims.

(3) Whenever the attorney general believes that any person, facility, or company may be in possession, custody, or control of any documentary material relevant to the subject matter under investigation, an authorized member of the attorney general's staff may execute in writing and serve on the person, facility, or company a civil investigative demand requiring the person, facility, or company to produce the documentary material and permit inspection and copying.

(A) Each demand shall:

(i) make reference to this section and state the general subject matter of the investigation;

(ii) describe the class or classes of documentary material to be produced with reasonable specificity so as to fairly indicate the material demanded;

(iii) prescribe a return date within which the documentary material is to be produced; and

(iv) identify the members of the attorney general's staff to whom the documentary material is to be made available for inspection and copying.

(B) A civil investigative demand may contain a requirement or disclosure of documentary material which would be discoverable under the Texas Rules of Civil Procedure.

(C) Service of any demand may be made by:

(i) delivering a duly executed copy of the demand to the person, facility, or company to be served or to a partner or to any officer or agent authorized by appointment or by law to receive service of process on behalf of that person, facility, or company;

(ii) delivering a duly executed copy of the demand to the principal place of business in the state of the person, facility, or company to be served;

(iii) mailing by registered mail or certified mail a duly executed copy of the demand addressed in the case of a claimant to his last known address, or in the case of any other person, facility, or company, to the principal place of business in this state, or if the person, facility, or company has no place of business in this state, to the principal office or place of business in any other state.

(D) Documentary material demanded pursuant to this subsection shall be produced for inspection and copying during normal business hours at the principal office or place of business or residence of the person, facility, or company served or at other times and places as may be agreed on by the person served and the attorney general's staff.

(E) No documentary material produced pursuant to a demand under this subsection, unless otherwise ordered by the Industrial Accident Board for good cause shown, shall be produced for inspection or copying by nor shall its contents be disclosed to any person other than the designated members of the attorney general's staff without the consent of the person who produced the material. The attorney general shall prescribe reasonable terms and conditions allowing the documentary material to be available for inspection and copying by the person, facility, or company who produced the material or any duly authorized representative of such person, facility, or company. The attorney general may use the documentary material or copies of it as he determines necessary in the prosecution of fraudulent claim practices, including presentation before the Industrial Accident Board and any court.

(F) At any time before the return date specified in the demand or within 10 days after the demand has been served, whichever period is shorter, a petition to extend the return date for or to modify or set aside the demand, stating good cause, may be filed with the Industrial Accident Board.

(G) A person, facility, or company on whom a demand is served under this subsection shall comply with the terms of the demand unless otherwise provided by order of the Industrial Accident Board.

(H) Personal service of a similar investigative demand under this subsection may be made on any person, facility, or company outside of this state if the person, facility, or company has engaged in fraudulent claim practices in this state. Such persons, facilities, or companies shall be deemed to have submitted themselves to the jurisdiction of this state within the meaning of this section.

(4)(A) Any person, facility, or company who, with intent to avoid, evade, or prevent compliance, in whole or in part, with Subdivision (3) of Subsection (e) of this section, removes from any place, conceals, withholds, or destroys, mutilates, alters, or by any means falsifies any documentary material is guilty of a Class A misdemeanor.

(B) If a person, facility, or company fails to comply with a civil investigative demand for documentary material served on him under Subdivision (3) of Subsection (e) of this section, or if satisfactory copying or reproduction of the material cannot be done and the person, facility, or company refuses to surrender the material, the attorney general may file with the Industrial Accident Board a petition for an order of the Board for enforcement of Subdivision (3) of Subsection (e) of this section.

(C) When a petition is filed with the Industrial Accident Board under Subsection (e)(4)(B) of this section, the Industrial Accident Board shall have jurisdiction to hear and determine the matter presented and to enter any order required to carry into effect the provisions of Subdivision (3) of Subsection (e) of this section. Any final order entered is subject to immediate and preferential review by any district court in Travis County. Failure to comply with any final order entered to carry into effect the provisions of Subdivision (3) of Subsection (e) of this section is punishable by contempt.

(5) If the attorney general finds that a reasonable probability of fraud exists, the attorney general shall request a hearing and the Board shall set the matter for hearing. On the setting of this matter, the Board or any member thereof shall, no later than five days following receipt of the request for hearing, notify the person under investigation, as well as the other parties involved in the case, in writing of the allegation against him and of his rights to attend and offer evidence at the hearing. This notice must be mailed by certified mail to the last known address of the person, must state the time and place for the hearing, which shall be no less than 30 nor more than 45 days after the attorney general has filed the request for hearing, and must notify the person of his right to counsel and his right of access to the complete Board files relating to the claim or claims under investigation. Provided, however, that the 45-day limitation may be waived by the Industrial Accident Board upon receipt by the Board of a written request for waiver signed by the person under investigation or his attorney. Any investigation initiated under this section shall be concluded within 60 days unless by a unanimous vote of the Board the time is extended. In those cases in which a claimant has a claim pending before the Board, extension may not exceed an additional 60 days.

(f) In addition to the powers granted under Section 4 of this article, as amended, the Board or any member thereof has the power to compel the attendance of witnesses, take evidence, and require the production of any records in conjunction with this hearing. The person under investigation has the same power to compel the attendance of witnesses and the production of records and documents.

(g) After this hearing, the Board shall reduce its findings to writing and provide the person under investigation, as well as the other parties involved in the case, with a copy. If the Board determines that the claimant has been fraudulent in any or all of his claims for compensation, the Board shall then classify that claimant as a fraudulent claimant, which designation is final unless appealed by the claimant as provided in this section. If the Board determines that any other person except an employer under investigation has been fraudulent in connection with a claim for compensation, the Board may exercise its authority under Section 4 of this article, as amended, or report its findings to the appropriate professional grievance committee, law enforcement officials, or other state agencies for prosecution, or both. An employer who has been adjudicated to be fraudulent shall be subject to the provisions of Chapter 115, Acts of the 62nd Legislature, Regular Session, 1971 (Article 8307c, Vernon's Texas Civil Statutes), as if he had discriminated against an employee for filing a claim. Actions taken by the Board in accordance with this procedure may be appealed by the aggrieved person by trial de novo to a district court of competent jurisdiction in the county of his residence, whose final judgment shall be determinative of his classification as a fraudulent claimant. Appeal shall be in accord-ance with Section 5 of this article, as amended. (h) Pending an investigation and hearing or appeal of allegations of fraud under this section, the Board may not approve a compromise settlement agreement or make a final award in connection with the worker's claims then pending before the Board.

(i) If any worker shall be finally adjudicated to be a fraudulent claimant, the Board may terminate any compensation which the fraudulent claimant is currently drawing and require repayment to the association of any amounts so drawn.

(j) If any worker is finally adjudicated to be a fraudulent claimant, that fact shall automatically be furnished to any employer, any insurance carrier, or any attorney for the claimant as regards all claims then pending before the Board and as regards all future claims which that claimant may thereafter file with the Industrial Accident Board; otherwise, the Board shall process the claim as generally provided under the workers' compensation law.

(k) Nothing in the preceding sections shall diminish the power of the Industrial Accident Board on its own initiative to investigate or punish fraudulent acts.

(l) This section does not give authority to withhold information from committees of the legislature to use for legislative purposes.

(m) Any information pertaining to a worker's compensation file which is confidential by virtue of any of the terms of this Act shall retain such confidentiality when released to any investigative, legislative, or law enforcement agency including the attorney general, district attorneys, grand juries, or legislative committees. Any individual who shall publish, disclose, or distribute any such confidential information which is possessed by any investigative, legislative, or law enforcement agency to any other individual, corporation, or association not entitled to have received such information directly from the Industrial Accident Board under the provisions of this law commits an offense, and any person, corporation, or association who receives any such confidential information when such person was not entitled to have received the same from the Industrial Accident Board under the provisions of this law commits an offense. An offense under this subsection is a Class A misdemeanor. Any district court of Travis County shall have jurisdiction to enjoin possession and the use by any individual, corporation, or association of any information made confidential by this Act when such possession or use is not authorized by this Act. This subsection does not prohibit an employer from releasing information about a former employee to another employer with whom the employee has made application for employment, provided such information was lawfully acquired by the employer releasing the same.

(n) Nothing herein prohibits any person from receiving from the Industrial Accident Board all information contained in any record or file of the Industrial Accident Board begun after September 1, 1971, in statistical form and in a manner so as not to disclose the name or identity of any person, except as provided in this section.

## Hearings; Investigations; Appearance of Claimants; Pre-hearing Conferences and Officers; Rules and Regulations

Sec. 10. (a) Said Board or any member thereof may hold hearings or take testimony or make investigations at any point within this state, reporting the result thereof, if the same is made by one member, to the Board. The Board shall also employ and use the assistance of a sufficient number of pre-hearing officers for the purpose of adjusting and settling claims for compensation; provided, however, that pre-hearing officers shall not be empowered to take testimony.

Notwithstanding any provision of this Act, no claimant shall be required to appear before the Board or Board Member within a distance greater than one hundred (100) miles from the courthouse of the county of the claimant's residence or within a greater distance than one hundred (100) miles of the courthouse of the county where the injury occurred.

(b) The Board shall examine and review all controverted claims and shall schedule and hold prehearing conferences on such claims as the Board may designate. It shall have the power to direct the parties, their attorneys, or authorized agents of the parties to appear before the Board, any member thereof or a pre-hearing officer for pre-hearing conferences to attempt to adjust and settle the claim amicably and to take such other action other than taking of testimony that may aid in the disposition of the claim. Provided, however, that no matter occurring during, or fact developed in, a pre-hearing conference shall be deemed as admissions or evidence or impeachment against the association, employee or the subscriber in any other proceedings except before the Board.

Provided further that pre-hearing officers shall prepare a report to the Board Members on cases not settled at pre-hearing conference, stating the prehearing officer's recommendations for the award, and the basis therefor, with copies of said recommendations furnished to all interested parties and the association shall furnish a copy of the recommendation to the subscriber.

The Board shall provide a reasonable time to all interested parties in each case for filing a formal statement of respective positions, both factual and legal, as well as reply to pre-hearing officer's recommendations, all of which evidence shall be duly considered by the Board Members in making said final award. Unrepresented claimants are exempted from the provision requiring formal statement of respective positions.

The Association and counsel for claimant shall be required to admit, deny, or qualify each point in the pre-hearing officer's recommendations.

The Board shall promulgate procedural rules and regulations not inconsistent with this law to govern such pre-hearing conferences and provided further, such rules and regulations shall not affect nor change any substantive portion of this law.

## **Association Suspending Payments**

Sec. 11. When the association suspends or stops payment of compensation, it shall immediately notify the board of that fact, giving the board the name, number and style of the claim, the amount paid thereon, the date of the suspension or stopping of payment thereon, and the reason for such suspension or stopping.

# Compensation Payments; Compromise; Commutation

Sec. 12. The board upon application of either party may, in its discretion, having regard to the welfare of the employe and the convenience of the association, authorize compensation to be paid monthly or quarterly.

Where the liability of the association or the extent of the injury of the employe is uncertain, indefinite or incapable of being satisfactorily established, the board may approve any compromise, adjustment, settlement or commutation thereof made between the parties.

## Settlement of Suits to Set Aside Awards

Sec. 12a. On the application of either party to a suit to set aside the award of the board, the court may approve a settlement agreement presented at any time before the jury has returned in the trial of the suit. In approving the settlement agreement, the court may either conduct a hearing on the agreement or approve it without a hearing if the claimant submits a sworn affidavit acknowledging his agreement to settle the cause of action and evidencing his full understanding of all the provisions of the settlement agreement.

## Compromise Settlement Agreements and Agreed Judgments; Disputes Concerning Payment of Health-Care Benefits.

Sec. 12b. Whenever in any compromise settlement agreement approved by the board or in any agreed judgment approved by the court, any dispute arises concerning the payment of medical, hospital, nursing, chiropractic or podiatry services or aids or treatment, or for medicines or prosthetic appliances for the injured employee as provided in Section 7, Article 8306, Revised Statutes, as amended, or as provided in such compromise settlement agreements or agreed judgments, all such disputes concerning the payment thereof shall be first presented by any party to the Industrial Accident Board within six months from the time such dispute has arisen (except where "good cause" is shown for any delay) for the board's determination. A dispute arises when a written refusal of payment has been filed with the board. However, when the terms of a compromise settlement agreement or agreed judgment provides an expiration time for the payment of such future health-care benefits, the carrier's payment obligation under the terms of such compromise settlement agreement or agreed judgment to pay such expenses incurred prior to the expiration time provided therein shall cease four years after the expiration time provided under the terms of such compromise settlement agreement or agreed judgment. Any final ruling, decision, denial, or award of the board may be appealed by any party according to and under the provisions of Section 5 of Article 8307 of this Act. The board, however, shall have no jurisdiction to rescind or set aside any compromise settlement agreement approved by the board or any agreed judgment approved by the court.

# Medical Committee; Examination of Employee; Report

Sec. 13. (a) If, on the hearing of a claim for compensation for occupational disease, any controverted medical question or questions shall arise, upon the request of either party, or its own motion, the Board shall appoint a Medical Committee consisting of three (3) doctors, duly qualified in the diagnosis and treatment of occupational diseases, and licensed to practice in the state, and the Board shall reserve its decision and award until it shall have received a report from such Medical Committee. The date of incapacity, if in dispute, shall be deemed to be a medical question.

(b) The Medical Committee, upon reference to it of a case of occupational disease, shall notify the employee, or, in case he be dead, his beneficiary or beneficiaries, and the Association to appear before the Medical Committee at a time and place stated in the notice. If the employee be living he shall appear before the Medical Committee at the time and place specified, and he shall submit to such examinations including clinical and x-ray examinations as the Medical Committee may require. The employee, or, if he be dead, his beneficiary or beneficiaries, and the Association shall be entitled to have present at all such examinations a physician of his or its own selection, who shall be given an opportunity to witness the same, and whose services shall be paid for by the person who engaged his services. The claimant and the Association shall produce to the Medical Committee all reports, medical and x-ray examinations which may be in their respective possession or control showing the past or present condition of the employee, to assist the Medical Committee in reaching its conclusion.

(c) The Medical Committee shall, if it deems advisable, inspect or cause to be inspected, the plant or industrial operation or process, where the exposure to the occupational disease is alleged to have occurred, to determine whether such conditions exist in such plant, industrial operation or process as to produce the occupational disease complained of.

(d) The Medical Committee shall, as soon as practicable after it has completed its consideration of a case, report to the Board its opinion regarding all medical questions involved in the case. The Medical Committee shall include in its report a statement of what, if any, physician or physicians were present at the examination on behalf of the claimant or Association and what, if any, medical reports and x-rays were produced by or on behalf of the claimant or Association.

(e) The Medical Committee shall file its report in triplicate with the Board, which shall send one copy thereof to the claimant and one copy to the Association. All fees, costs, and expenses incident to the functioning of said Medical Committee shall be paid by the party requesting same; the Board shall determine the reasonableness of said fees, costs and expenditures.

(f) If the employee refuses to submit to such examination, all action on his claim for compensation shall be suspended during such period as he persists in such refusal.

(g) Where a case of occupational disease is pending in any court of this state, upon the motion of either party, or upon its own motion, the court shall appoint a Medical Committee consisting of three (3) doctors duly qualified in the diagnosis and treatment of occupational diseases and licensed to practice in the state, and shall direct the employee to submit to examination, including clinical and x-ray examination, as the Medical Committee may require or deem advisable. The Medical Committee shall report its findings and conclusions in open court, and such may be rebuttable. The court shall pass on the reasonableness of the fees, costs and other expenditures of the Medical Committee, which fees shall be taxed as costs.

## Autopsy

Sec. 14. Upon the filing of a claim for compensation for death by reason of an occupational disease where an autopsy is necessary to accurately and scientifically determine the cause of death, upon the request of either party, or on its own motion, such autopsy shall be ordered by the Board. The Board shall designate a duly licensed physician, who is a specialist in such examinations, to perform or attend such autopsy, and to certify his findings thereon. Such findings are to be filed with the Board and shall be a public record. All proceedings for compensation shall be suspended upon refusal of the beneficiaries of the deceased employee to permit such autopsy when ordered, and no compensation shall be payable for any period during which such autopsy is refused. No autopsy shall be held in any case, by any person, without notice first being given to the parties in interest, (if they reside in this state or their whereabouts can be reasonably ascertained,) of the time and place thereof, and reasonable time and opportunity given such parties in interest to have a representative or representatives present to witness the same. If such notice is not given, all evidence obtained by such autopsy

shall be suppressed on motion duly made to the Board.

"Sec. 8. A member of the Industrial Accident Board who was appointed before the effective date of this Act and was eligible to be a member of the board under the law as it existed at the time of his appointment may serve the remainder of the term for which he was appointed. The grounds for removal from the board in Subsection (a) of Section 2a, Article 8307, Revised Statutes, do not apply to a member of the board who was appointed before the effective date of this Act.

"Sec. 9. "Sec. 10. The requirements under Subsections (b) and (c), Section 3a, Article 8307, Revised Statutes, as added by this Act, that the executive director of the Industrial Accident Board develop an intraagency career ladder program and a system of annual performance evaluations shall be implemented before September 1, 1984. Any interested party who is not willing and does not consent to abide by the final ruling and decision of the Industrial Accident Board shall, in the manner and within the time provided by Section 5 of Article 8307, Revised Civil Statutes of 1925, file notice with said Board, and bring suit in the county where the injury occurred, or in the county where the employee resided at the time the injury occurred or, if such employee is deceased, then in the county where the employee resided at the time of his death to set aside said final ruling and decision; however, in the event such suit is brought in any county other than the county where the injury occurred, or in the county of the employee's residence at the time of injury or death, the Court in which same is filed shall, upon ascertaining that it does not have jurisdiction to render judgment upon the merits, transfer the case to a proper Court in the county where the injury occurred or in the county where the employee resided at the time of injury or at the time of death. Provided, however, that notice of said transfer shall be given to the parties and said suit when filed in the court to which the transfer is made, shall be considered for all purposes, the same as if originally filed in said court.

## Art. 8307b. Presumptions on Appeal From Board; Denial by Verified Pleadings

In the trial of any case appealed to the court from the board the following, if plead, shall be presumed to be true as plead and have been done and filed in legal time and manner, unless denied by verified pleadings:

(1) Notice of injury;

(2) Claim for compensation;

(3) Award of the board;

(4) Notice of intention not to abide by the award of the board;

(5) Filing of suit to set aside the award.

Such denial may be made in original or amended pleadings; but if in amended pleadings such must be filed not less than seven days before the case proceeds to trial. In case of such denial the things so denied shall not be presumed to be true, and if essential to the case of the party alleging them must be proved.

## Art. 8307c. Protection of Claimants From Discrimination by Employers; Remedies: Jurisdiction

Sec. 2. A person who violates any provision of Section 1 of this Act shall be liable for reasonable damages suffered by an employee as a result of the violation, and an employee discharged in violation of the Act shall be entitled to be reinstated to his former position. The burden of proof shall be upon the employee.

At any time before the jury has retired in the trial of a workmen's compensation case on appeal from an award of the Industrial Accident Board, the plaintiff may take a nonsuit after notice to the other parties to the suit and a hearing held by which time all parties must perfect their cause of action, but he shall not thereby prejudice the right of an adverse party to be heard on his claim for affirmative relief. When the case is tried by the judge of a district or county court, such nonsuit, after notice and hearing, may be taken at any time before the decision is announced.

1 33 U.S.C.A. §§ 901 to 950.

#### Votes

Sec. 8. In any meeting of the subscribers each subscriber shall have one vote, and if a subscriber has 500 employés to whom the association is bound to pay compensation he shall be entitled to two votes and he shall be entitled to one additional vote for each additional 500 employés to whom the association is bound to pay compensation, but no subscriber shall cast, by his own right or by right of proxy, more than 20 votes.

# Minimum Number of Subscribers

Sec. 9. No policies shall be issued by the association until not less than 50 members have subscribed, who have not less than 2,000 employés to whom the association may be bound to pay compensation.

# List of Subscribers to be Filed

Sec. 10. No policies shall be issued by the association until a list of the subscribers with the number of employés of each, together with such information as the Commissioner of Insurance may require, shall have been filed with the Commissioner, nor until the president and secretary of the association shall have certified under oath that every subscription on the list so filed is genuine and made with an agreement with each subscriber that he will take the policy so subscribed for by him within thirty days of the granting of a license to the association by the Commissioner to issue policies.

# **Subscribers Falling Below Minimum**

Sec. 11. If the number of subscribers falls below fifty, or the number of employés to whom the association may be bound to pay compensation falls below 2,000, no further policies shall be issued until other employers have subscribed who, together with existing subscribers, amount to not less than fifty, who have not less than 2,000 employés to whom the association may be bound to pay compensation, said subscriptions to be subject to the provisions of the preceding section.

# Investigation; License to Issue Policies

Sec. 12. Upon the filing of the certificates provided for in the two preceding sections, the Commissioner of Insurance shall make such investigations as he may deem proper and, if his findings warrant it, grant a license to the association to issue policies.

## **Distribution of Subscribers Into Groups**

Sec. 13. The board of directors may distribute the subscribers into groups for the purpose of segregating the experience of each such group as to premiums and losses, and for the purpose of determining dividends payable to and assessments payable by the subscribers within each group, but for the purpose of determining the solvency of the association, the funds of the association shall be deemed one and indivisible. The board of directors shall have power to re-arrange any of the groups by withdrawing any subscriber and transferring him wholly or in part to any group and to set up new groups at its discretion.

# Limit of Liability of Subscribers, Fixing

Sec. 14. The association may, in its by-laws and policies, fix the limit of liability of the subscribers for the payment of assessments hereinafter provided for, but such limit of liability of the subscribers shall not, except by special agreement in writing between the association and subscriber, be fixed at an amount greater than an amount equal to and in addition to an annual premium.

#### Assessments

Sec. 15. If the association, at the end of any calendar year, is not possessed of admitted assets in excess of unearned premiums sufficient for the payment of its incurred losses and expenses, it shall make an assessment for the amount needed to pay such losses and expenses, first upon the subscribers within each group whose earned premiums compared with its incurred losses and expenses show a deficiency for the group, and second only upon the subscribers within each group whose earned premiums compared with its incurred losses and expenses show a surplus, and in no event shall it make an assessment for any aggregate amount more than is needed to pay losses and expenses. Every subscriber shall, in accordance with the law and his contract, pay his proportionate part of any assessment which may be levied by the association on account of losses and expenses incurred during any calendar year while he is a subscriber.

# Dividends

Sec. 16. The board of directors may, from time to time, by vote fix the amount to be paid as dividends to its subscribers, in such manner and under such plan as shall be determined by said directors in the exercise of their powers and discretion. No such dividend shall take effect until the same has been approved by the Board of Insurance Commissioners, and no such dividend shall be approved until adequate reserves have been provided by the Association, said reserves to be computed on the same basis as required for other classes of stock or mutual companies, reciprocals, inter-insurance exchanges, or Lloyds' associations under the laws of this State and applicable rules of the Board of Insurance Commissioners. Dividends and assessments may be fixed by and for groups, but the entire assets of the Association, including the liability of the subscriber to assessment within the limits fixed by the by-laws or by special agreement in writing as authorized, shall be subject to the payment of any approved claim for compensation against the Association.

It shall be the duty of the Board of Insurance Commissioners to determine promptly after the filing of the annual Statement of the Association, whether or not such an amount of surplus exists and if it finds that it does, it shall so state in a certificate. Such certificate shall remain in full force and effect for one (1) year or until such time as a later report to or <sup>1</sup> examination by the Department of Insurance shall show the surplus to be less than Two Hundred Thousand (\$200,000.00) Dollars, whereupon the Board of Insurance Commissioners shall cancel and revoke such certificate and require the Association to issue policies subject to assessment under Article 8308, Section 15, as they were prior to the time when such surplus of Two Hundred Thousand (\$200,000.00) Dollars or more was first accumulated.

Sec. 18. (a) Any employer may assume with respect to any employee or classification of employees not within the coverage of this law, other than any such employee or classification of employees for whom a rule of liability or a method of compensation has been or may be established by the Congress of the United States, the liability for compensation imposed upon employers by this law with respect to employees within the coverage of this law, and the purchase and acceptance by such employer of valid workmen's compensation insurance applicable to such employee or classification of employees shall constitute as to such employer subscription to this law without any further act on the part of such employer, but only with respect to such employee or such classification of employees as is within the coverage of said workmen's compensation insurance, and such subscription shall take effect from the effective date of such workmen's compensation insurance and shall continue as long only as such employer remains a subscriber, and each such employee shall be held to have waived his right of action at common law or under any statute of this State to recover damages for injuries sustained in the course of his employment if he shall not have given his employer notice that he claimed such right, in accordance with the provisions of Article 8306, Section 3a. It is specifically provided, however, that under no circumstances shall the failure of any employer to assume with respect to any employee or classification of employees the liability for compensation and to purchase workmen's compensation insurance applicable to such employee or classification of employees, as made optional with the employer by this law, be construed as depriving such employer of the common law defenses listed in Section 1 of Article 8306, Revised Civil Statutes of the State of Texas.

(b) A claim for compensation under insurance provided under Subsection (a) of this section is subject to the jurisdiction of the Board as other claims for compensation under this law.

#### Information to be Furnished when Employer Becomes Subscriber; Failure to Comply; Notice; Penalty

Sec. 18a. (a) Whenever any employer of labor in this State becomes a subscriber to this law, the insurance company shall immediately notify the Board of such fact, stating in such notice the subscriber's name and place of business, the name of the insurance company and the effective date of the policy. No further notice shall be required except as provided in Section 20a of this Article. A subscriber shall notify the Board of a change of name or address.

(b) If the association fails to comply with any of the requirements of Subsection (a) of this section, the Board shall give such association written notice that such association shall file the requested report or information with the Board within 10 days or shall request a hearing with the Board. If no hearing is requested and the association fails to comply with the Board's request or order, the Board shall impose a civil penalty against such association of not more than \$500 for each offense. If a hearing is requested by the association, the Board shall set such hearing within 10 days at its office in Austin, Texas. If the Board determines by majority vote that such association is not in compliance with Subsection (a) of this section, the Board shall impose a civil penalty against such association of not more than \$500 for each offense.

(c) The association may appeal the Board's ruling de novo as provided in Section 5, Article 8307, Revised Civil Statutes of Texas, 1925, as amended. The Board's ruling if adverse to the association and not appealed as provided above shall be enforced as provided in Section 5a, Article 8307, Revised Civil Statutes of Texas, 1925, as amended.

#### Notice by Subscriber to Persons Under Contract

Sec. 19. Every subscriber shall, as soon as he secures a policy, give notice in writing or print, or in such manner or way as may be directed or approved by the board, to all persons under contract of hire with him that he has provided for payment of compensation for injuries with the association.

#### Notice by Subscriber of Insurance; Notice of Expiration

Sec. 20. Every subscriber shall, after receiving a policy, give notice in writing or print, or in such manner or way as may be directed or approved by the board to all persons with whom he is about to enter into a contract of hire that he has provided for payment of compensation for injuries by the association. If any employer ceases to be a subscriber, he shall on or before the date on which his policy expires, give notice to that effect in writing or print or in such other manner or way as the board may direct or approve to all persons under contract of hire with him. In case of the renewal of his policy no notice shall be required under this law. He shall file a copy of said notice with the board.

#### Notice of Cancellation or Nonrenewal

Sec. 20a. If the association cancels a policy or does not renew it on its anniversary date, the association shall send notice of the cancellation or nonrenewal to the subscriber by certified mail at least 10 days prior to the effective date of cancellation or nonrenewal and to the board by certified mail or in person on or before the date of cancellation or nonrenewal. Failure of the association to give the notice as required by this section shall extend the policy until the required notice is given to the subscriber and to the Industrial Accident Board, or until a subsequent notice is filed under the provisions of Section 18a of this article, at which time the subsequent insurance company shall be deemed to be the only insurance company liable under the provisions of this Act from and after the effective date of such subsequent policy of insurance.

#### **Payment of Judgment and Costs**

Sec. 21. If a subscriber, who has complied with all the rules, regulations and demands of the association, is required by any Judgment of a Court at Law, or by any Judgment of a Court of Equity or of admiralty and maritime jurisdiction to pay any employee any damages, actual or exemplary, on account of any personal injury sustained by any such employee in the course of his employment during the period of subscription the association shall pay to the subscriber the full amount of the Judgment and the costs assessed therewith, if the subscriber shall have given the Association notice of the bringing of the action upon which the Judgment was recovered and an opportunity to appear and defend the same in his or its name.

#### Failure to Issue Policies

Sec. 22. The corporate powers of the association shall not expire because of failure to issue policies or to make insurance.

#### Reserves

Sec. 23. The association shall set up and maintain reserves adequate to meet anticipated losses, carry all claims to maturity and policies to termination, which reserves shall be computed in accordance with such rules as shall be approved by the Commissioner of Insurance and may be invested in such securities as are permitted to casualty companies organized under the General Laws; and, for the protection of its reserves and surpluses against the liability herein imposed, shall have the same right to reinsure or be reinsured as casualty companies organized under General Laws.

#### Termination of Status as Subscriber

Sec. 3. Any subscriber who has paid a premium as provided in section 1, part 4, of this law may upon application to the board and to the association and after a showing satisfactory to the board that he has notified all of his employés, in such manner as may be required by the board, cease to be a subscriber, and be entitled to a refund of the unearned portion of his premium, subject, however, to any rule approved by the Commissioner of Insurance as to the minimum premiums or short rate cancellation.

#### Liability for Misrepresentation of Pay Roll

Sec. 3a. Any subscriber who shall willfully misrepresent the amount of his pay roll to the association writing his insurance upon which any premium under this law is to be based shall be liable to the association insuring the compensation of his employés in an amount not to exceed ten times the amount of the difference between the premium which he paid and the amount which said subscriber should have paid had his pay roll been correctly computed; and the liability to said association for such misrepresentation if it was deceived thereby, may be enforced by suit therefor.

#### Effect of Amendments on Existing Right, Remedies, Etc.

Sec. 3b. No inchoate, vested, matured, existing or other rights, remedies, powers, duties or authority, either of any employee or legal beneficiary, or of the board, or of the association, or of any other person shall be in any way affected by any of the amendments herein made to the original law hereby amended, but all such rights, remedies, powers, duties, and authority shall remain and be in force as under the original law just as if the amendments hereby adopted had never been made, and to that end it is hereby declared that said original law is not repealed, but the same is, and shall remain in full force and effect as to all such rights, remedies, powers, duties and authority; and further this law in so far as it adopts the law of which it is an amendment is a continuation thereof, and only in other respects a new enactment. The maximum weekly benefit and the total amount payable in effect upon the date of injury shall remain the applicable maximum weekly benefit and total amount payable for the injury or death regardless of the increase of any benefits that shall take effect at any later date.

#### **Advance Payments of Compensation**

Sec. 4. (a) In cases of emergency or impending necessity the association may make advanced payments of compensation to any employee during the period of his incapacity or to his beneficiaries within the terms of this law, and when the same is either directed or approved by the Board it shall be credited as against any unaccrued compensation due said employee or beneficiaries.

ly made by the employer in a sum not to exceed the weekly benefit amount under this Act received by the employee multiplied by the number of weeks, including fractions thereof, for which payments were made and not to exceed ten (10) weeks, during which the employee earned no wages from the employer, shall be construed as employer compensation under this law and such payments of employer compensation shall be paid by the association directly to the employer. Such employer payments of employer compensation shall not be construed as an admission of liability. The payments of employer compensation provided for herein shall in no way affect the payment of benefits from any other source.

#### Reports of Accidents as Admissions and Evidence

Sec. 5. The reports of accidents required by this law to be made by subscribers shall not be deemed as admissions and evidence against the association or the subscriber in any proceedings before the board or elsewhere in a contested case where the facts set out therein or in any one of them is sought to be contradicted by the association or subscriber.

#### Payment of Compensation; Exhaustion of Earned Annual and Sick Leave

Sec. 9. It is the purpose of this Act that the compensation herein provided for shall be paid from week to week and as it accrues and directly to the person entitled thereto, unless the liability is redeemed as in such cases provided elsewhere herein; except that the institution may provide that an injured workman may remain on the payroll until his earned annual and sick leave is exhausted, during which time the services provided in Section 7, Article 8306, as amended, will remain available to the workman but no workmen's compensation payment will accrue or become due and payable to the injured workman.

#### Examination by Physicians or Chiropractors; Process and Procedure

Sec. 10. The Board may require any workman claiming to have sustained injury to submit himself for examination before such Board or some one acting under its authority at some reasonable time and place within the State, and as often as may be reasonably ordered by the Board to a physician or physicians, chiropractor or chiropractors, authorized to practice under the Laws of this State. If the workman or the institution requests, he or it shall be entitled to have a physician or physicians, a chiropractor or chiropractors of his or its own selection present to participate in such examination. Refusal of the workman to submit to such examination shall deprive him of his right to compensation during the continuance of such refusal. When a right to compensation is thus suspended no compensation shall be payable in respect to the period of suspension. If any workman shall persist in insanitary or injurious practices which tend to either imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment, chiropractic, or other remedial treatment recognized by the State, as is reasonably essential to promote his recovery, the Board may in its discretion order or direct the institution to reduce or suspend the compensation of any such injured workman. No compensation shall be reduced or suspended under the terms of this Section without reasonable notice to the workman and an opportunity to be heard.

The institution shall have the privilege of having any injured workman examined by a physician or physicians, a chiropractor or chiropractors of its own selection, at reasonable times, at a place or places suitable to the condition of the injured workman and convenient and accessible to him. The institution shall pay for such examination and the reasonable expense incident to the injured workman in submitting thereto. The injured workman shall have the privilege to have a physician or chiropractor of his own selection present to participate in such examination. Provided, when such examination is directed by the Board or the institution, the institution shall pay the fee of the physician or chiropractor selected by the workman, such fee to be fixed by the Board.

Process and procedure shall be as summary as may be under this Act. The Board or any member thereof shall have power to subpoena witnesses, administer oaths, inquire into matters of fact, examine such parts of the books and records of the parties to a proceeding as relate to questions in dispute. All rulings and decisions of the Board relating to disputed claims shall be upon questions of fact and in accord with the provisions of this Act.

#### Decisions of Board; Suits; Enforcement of Award

Sec. 11. All questions arising under this Act, if not settled by agreement of the parties interested therein and within the provisions of this Act, shall, except as otherwise provided, be determined by the Board. Any interested party who is not willing and does not consent to abide by the final ruling and decision of said Board shall within twenty (20) days after the rendition of said final ruling and decision by said Board, file with said Board notice that he will not abide by said final ruling and decision. And he shall within twenty (20) days after giving such notice bring suit in the county where the injury occurred to set aside said final ruling and decision and said Board shall proceed no further toward the adjustment of such claim, other than hereinafter provided. Whenever such suit is brought, the rights and liability of the parties thereto shall be determined by the provisions of this Act and the suit of the injured workman or person suing on account of the death of such workman shall be against the institution. If the final order of the Board is against the institution, then the institution shall bring suit to set aside said final ruling and decision of the Board, if it so desires, and the court

shall in either event determine the issues in such cause instead of the Board upon trial de novo and the burden of proof shall be upon the party claiming compensation. The Board shall furnish any interested party in said claim pending in court upon request free of charge, with a certified copy of the notice of the institution becoming an insurer filed with the Board and the same when properly certified to shall be admissible in evidence in any court in this State upon trial of such claim therein pending and shall be prima-facie proof of all facts stated in such notice in the trial of said cause unless same is denied under oath by the opposing party therein. In case of recovery the same shall not exceed the maximum compensation allowed under the provisions of this Act. If any party to any such final ruling and decision of the Board, after having given notice as above provided, fails within said twenty (20) days to institute and prosecute a suit to set the same aside, then said final ruling and decision shall be binding upon all parties thereto, and, if the same is against the institution, it shall at once comply with such final ruling and decision.

In all cases where the Board shall make a final order, ruling, or decision, as provided in the preceding Section and against the institution, and the institution shall willfully fail and refuse to obey or comply with the same and shall fail or refuse to bring suit to set the same aside as in said Section is provided, then in that event the claimant in addition to the rights and remedies given him and the Board in said Section may, after demanding compliance, bring suit in a Court of competent jurisdiction, upon said order, ruling, or decision. If he secures a judgment sustaining such order, ruling, or decision in whole or in part, he shall also be entitled to recover the further sum of twelve per cent (12%) as damages upon the amount of compensation so recovered in said judgment, together with a reasonable attorney's fee for the prosecution and collection of such claim.

Where the Board has made an award against the institution requiring the payment to an injured workman or his beneficiaries of any weekly or monthly payments, under the terms of this Act, and the institution should thereafter fail or refuse, without justifiable cause, to continue to make said payments promptly as they mature, then the said injured workman or his beneficiaries, in case of his death, shall have the right to mature the entire claim and to institute suit thereon to collect the full amount thereof, together with twelve per cent (12%)penalties and attorney's fees as herein provided for. Suit may be brought under provisions of this Section, either in the county where the accident occurred, or in any county where the claimants reside, or where one or more of such claimants may have his place of residence at the time of the institution of the suit.

#### **Record of Injuries; Reports**

Sec. 12. The institution shall hereafter keep a record of all injuries fatal or otherwise, sustained by its workmen in the course of their employment. Within eight (8) days after the occurrence of an accident resulting in an injury to a workman, causing his absence from work for more than one day, a written report thereof shall be made to the Board on blanks to be procured from the Board for that purpose. Upon the termination of the incapacity of the injured workman, or if such incapacity extends beyond a period of sixty (60) days, the institution shall make a supplemental report upon blanks to be procured for that purpose. The said report shall contain the name, age, sex and occupation of the injured workman and the character of work in which he was engaged at the time of the injury, and shall state the place, date and hour of receiving such injury and the nature and cause of the injury, and such other information as the Board may require. The institution shall be responsible for the submission of the reports in the time specified in this Section.

#### Rules and Regulations; Physicians or Chiropractors for Examinations; Reports of Examinations

Sec. 13. The institution is authorized to promulgate and publish such rules and regulations and to prescribe and furnish such forms as may be necessary to the effective administration of this Act, and the institution shall have authority to make and enforce such rules for the prevention of accidents and injuries as may be deemed necessary. The institution may obtain and record, on a form and in a manner prescribed by the institution, the medical history of a person to be employed in the service of the institution. The institution may designate a convenient number of regularly licensed practicing physicians, surgeons and chiropractors for the purpose of making physical examinations of persons to be employed in the service of the institution to determine who may be physically fit to be classified as "workman" as that term is defined in subsection 2 of Section 2 of this Act, and said physicians, surgeons and chiropractors so designated and so conducting such examinations shall make and file with the institution a complete transcript of said examination in writing and sworn to upon a form to be furnished by the institution. The institution, in a form and manner prescribed by the institution, shall preserve as a part of the permanent records of the institution all reports of all such examinations and medical histories so filed with it.

# Requiring Physical Examination for Certification as Workman

Sec. 14. The institution may require that no person be certified as a workman in the institution under the terms and provisions of this Act until he has submitted himself for a physical examination as provided in Section 13 herein and has been certified by the examining physician, surgeon, or chiroprac-

#### Certification as Workman of Person having Preexisting Disqualifying Physical Condition; Waiver of Insurance Coverage

Sec. 15. In the discretion of the institution, any person who indicates a preexisting disqualifying physical condition in a medical history provided under Section 13, or any person found to have a preexisting disqualifying medical condition in a physical examination as provided in Section 14 may be certified as a workman on the condition that such person shall execute in writing, prior to his employment, a waiver of coverage under the provisions of this Act for the preexisting disqualifying physical condition. Such waiver shall be valid and binding on the workman so executing it and, in the event of injury or death of the workman suffered in the course of his employment and attributable to the condition for which coverage was waived, no compensation or death benefits shall be paid to him or his beneficiaries.

#### Certified Copies of Orders, Awards and Decisions

Sec. 16. Any order, award, or proceeding of said Board when duly attested by any member of the Board or its secretary shall be admissible as evidence of the act of said Board in any court of this State.

Upon the written request and payment of the fees therefor, which fees shall be the same as those charged for similar services in the Secretary of State's office, the Board shall furnish to any person entitled thereto a certified copy of any order, award, decision, or paper on file in the office of said Board and the fees so received for such copies shall be paid into the State Treasury and credited to the General Revenue Fund; provided that the institution shall be furnished such certified copies without charge. No fee or salary shall be paid to any person in said Board for making such copies in excess of the fees charged for such copies.

#### Suit to Set Aside Final Decision

Sec. 17. Any interested party who is not willing and does not consent to abide by the final ruling and decision of the Board shall, in the manner and within the time provided by Section 11 of this Act, file notice with said Board, and bring suit in the county where the injury occurred to set aside said final ruling and decision; however, in the event such suit is brought in any county other than the county where the injury occurred, the court in which same is filed shall, upon ascertaining that it does not have jurisdiction to render judgment upon the merit, transfer the case to the proper court in the county where the injury occurred. Provided, however, that notice of said transfer shall be given to the parties and said suit when filed in the court to which the transfer is made, shall be considered for all purposes, the same as if originally filed in said court.

#### **Hearing of Claim**

Sec. 18. When an injured workman has sustained an injury in the course of his employment, and filed claim for compensation and given notice as required by law, the Board shall hear his claim for compensation within a reasonable time; provided, however, when such injured workman is being paid compensation as provided in this Act, and the institution is furnishing either hospitalization, medical treatment, or chiropractic care to such workman, the Board may, within its discretion, delay or postpone the hearing of his claim, and no appeal shall be taken from any such order made by the Board.

#### Amounts to be Set Aside for Awards and Expenses

Sec. 19. The institutions covered by this Act are hereby authorized to set aside from available appropriations other than itemized salary appropriations an amount not to exceed two per cent (2%) of the annual workman pay roll of the institution for the payment of all costs, administrative expense, charges, benefits, and awards authorized by this Act.

The amounts so set aside shall be set up in a separate account in the records of the institution, which account shall show the disbursements authorized by this Act; provided the amounts so set aside in this account shall not exceed two per cent (2%) of the annual workman pay roll at any one time. A statement of the amounts set aside for and disbursements from said account shall be included in reports made to the Governor and the Legislature as required by the Statutes.

#### Attorney General as Legal Representative

Sec. 20. The Attorney General of the State of Texas shall be the legal representative of the institution and is hereby given power and authority to bring and defend all suits and hearings necessary to carry out the purposes of this Act.

#### Notice by Clerk on Appeal

Sec. 21. In every case appealed from the Board to any District or County Court, the Clerk of such Court shall, within twenty (20) days after the filing thereof, mail to the Board a notice giving the style, number, and date of filing such suit, and shall, within twenty (20) days after judgment is rendered in such suit, mail to the Board a certified copy of such judgment. The duties devolving upon District and County Clerks under this Act shall constitute a part of their ex officio duties and for such services they shall not be entitled to any fee.

In every such case the attorney preparing the judgment shall file the original and a copy of same with the Clerk of the Court. However, the failure of such attorney to comply with this provision shall not excuse the failure of the Clerk of a District or County Court to mail a certified copy of such judgment to the Board as above provided.

Any Clerk of a District or County Court who fails to comply with the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Two Hundred and Fifty Dollars (\$250).

#### Partial Invalidity

Sec. 22. If any section, paragraph, or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining sections, paragraphs, or provisions of this Act, but the same shall remain in full force and effect.

Sec. 8. Repealed by Acts 1969, 61st Leg., p. 2311, ch. 781, § 3, eff. June 14, 1969.

#### Weekly Payments; Annual and Sick Leave

Sec. 9. It is the purpose of this Act that compensation herein provided for shall be paid from week to week and as it accrues and directly to the person entitled thereto, unless the liability is redeemed as in such cases provided elsewhere herein; except that the institution may provide that an injured workman may remain on the payroll until his earned annual and sick leave is exhausted, during which time the services in Section 7, Article 8306, Revised Civil Statutes of Texas, 1925, as amended, and as may be hereafter amended, will remain available to the workman, but no workmen's compensation payment will accrue or become due and payable to the injured employee.

#### Medical Examinations; Insanitary or Injurious Practices; Process and Procedure

Sec. 10. The Board may require any workman claiming to have sustained injury to submit himself for examination before such Board or someone acting under its authority at some reasonable time and place within the State, and as often as may be reasonably ordered by the Board to a physician or physicians authorized to practice under the Laws of this State. If the workman or the institution requests, he or it shall be entitled to have a physician or physicians of his or its own selection present to participate in such examination. Refusal of the workman to submit to such examination shall deprive him of his right to compensation during the continuance of such refusal. When a right to compensation is thus suspended no compensation shall be payable in respect to the period of suspension. If any workman shall persist in insanitary or injurious practices which tend to either imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment or other remedial treatment recognized by the State, as is reasonably essential to promote his recovery, the Board may in its discretion order or direct the institution to reduce or suspend the compensation of any such injured workman. No compensation shall be reduced or suspended under the terms of this Section without reasonable notice to the workman and an opportunity to be heard.

The institution shall have the privilege of having any injured workman examined by a physician or physicians of its own selection, at reasonable times, at a place or places suitable to the condition of the injured workman and convenient and accessible to him. The institution shall pay for such examination and the reasonable expense incident to the injured workman in submitting thereto. The injured workman shall have the privilege to have a physician of his own selection present to participate in such examination. Provided, when such examination is directed by the Board or the institution, the institution shall pay the fee of the physician selected by the workman, such fee to be fixed by the Board.

Process and procedure shall be as summary as may be under this Act. The Board or any member thereof shall have power to subpoena witnesses, administer oaths, inquire into matters of fact, examine such parts of the books and records of the parties to a proceeding as relate to questions in dispute. All rulings and decisions of the Board relating to disputed claims shall be upon questions of fact and in accord with the provisions of this Act.

#### Board to Determine Questions; Suits to Set Aside or Enforce Rulings; Failure to Make Payments

Sec. 11. All questions arising under this Act, if not settled by agreement of the parties interested therein and within the provisions of this Act, shall, except as otherwise provided, be determined by the Board. Any interested party who is not willing and does not consent to abide by the final ruling and decision of said Board shall within twenty (20) days after the rendition of said final ruling and decision by the said Board, file with said Board notice that he will not abide by said final ruling and decision. And he shall within twenty (20) days after giving such notice bring suit in the county where the injury occurred to set aside said final ruling and decision and said Board shall proceed no further toward the adjustment of such claim, other than hereinafter provided. Whenever such suit is brought, the rights and liability of the parties thereto shall be determined by the provisions of this Act and the suit of the injured workman or person suing on account of the death of such workman shall be against the institution. If the final order of the Board is against the institution, then the institution shall bring suit to set aside said final ruling and decision of the Board, if it so desires, and the court shall in either event determine the issues in such cause instead of the Board upon trial de novo and the burden of proof shall be upon the party claiming compensation. The Board shall furnish any interested party in said claim pending in court upon request free of charge, with a certified copy of the notice of the institution becoming an insurer filed with the Board and the same when properly certified to shall be admissible in evidence in any court in this State upon trial of such claim therein pending and shall be prima-facie proof of all facts stated in such notice in the trial of said cause unless same is denied under oath by the opposing party therein.

In case of recovery the same shall not exceed the maximum compensation allowed under the provisions of this Act. If any party to any such final ruling and decision of the Board, after having given notice as above provided, fails within said twenty (20) days to institute and prosecute a suit to set the same aside, then said final ruling and decision shall be binding upon all parties thereto, and, if the same is against the institution, it shall at once comply with such final ruling and decision.

In all cases where the Board shall make a final order, ruling, or decision, as provided in the preceding section and against the institution, and the institution shall willfully fail and refuse to obey or comply with the same and shall fail or refuse to bring suit to set the same aside as in said Section is provided, then in that event the claimant in addition to the rights and remedies given him and the Board in said Section may, after demanding compliance, bring suit in a Court of competent jurisdiction, upon said order, ruling, or decision. If he secures a judgment sustaining such order, ruling, or decision in whole or in part, he shall also be entitled to recover the further sum of twelve per cent (12%) as damages upon the amount of compensation so recovered in said judgment, together with a reasonable attorney's fee for the prosecution and collection of such claim.

Where the Board has made an award against the institution requiring the payment to an injured workman or his beneficiaries of any weekly or monthly payments, under the terms of this Act, and the institution should thereafter fail or refuse, without justifiable cause, to continue to make said payments promptly as they mature, then the said injured workman or his beneficiaries, in case of his death, shall have the right to mature the entire claim and to institute suit thereon to collect the full amount thereof, together with twelve per cent (12%) penalties and attorney's fees as herein provided for. Suit may be brought under provisions of this Section, either in the county where the accident occurred, or in any county where the claimants reside, or where one or more of such claimants may have his place of residence at the time of the institution of the suit.

#### **Records and Reports**

Sec. 12. The institution shall hereafter keep a record of all injuries fatal or otherwise, sustained by its workmen in the course of their employment. Within eight (8) days after the occurrence of an accident resulting in an injury to a workman, causing his absence from work for more than one day, a written report thereof shall be made to the Board on blanks to be procured from the Board for that purpose. Upon the termination of the incapacity of the injured workman, or if such incapacity extends beyond a period of sixty (60) days, the institution shall make a supplemental report upon blanks to be procured for that purpose. The said report shall contain the name, age, sex and occupation of the

injured workman and the character of work in which he was engaged at the time of the injury, and shall state the place, date and hour of receiving such injury and the nature and cause of the injury, and such other information as the Board may require. The institution shall be responsible for the submission of the reports in the time specified in this Section.

#### Rules and Regulations; Designation of Physicians and Surgeons; Reports of Examinations

Sec. 13. The institution is authorized to promulgate and publish such rules and regulations and to prescribe and furnish such forms as may be necessary to the effective administration of this Act, and the institution shall have authority to make and enforce such rules for the prevention of accidents and injuries as may be deemed necessary. It shall be the duty of the institution to designate a convenient number of regularly licensed practicing physicians and surgeons for the purpose of making physical examinations of all persons employed or to be employed in the service of the institution to determine who may be physically fit to be classified as "workman" as that term is defined in subsection 2 of Section 2 of this Act, and said physicians and surgeons so designated and so conducting such examinations shall make and file with the institution a complete transcript of said examination in writing and sworn to upon a form to be furnished by the institution. It shall be the duty of the institution to preserve as a part of the permanent records of the institution all reports of such examinations so filed with it.

Sec. 14. Repealed by Acts 1973, 63rd Leg., p. 200, ch. 88, § 18, eff. July 1, 1974.

#### Waiver of Rights

Sec. 15. An agreement to waive his rights under this Act made in writing by any workman prior to his employment shall be valid.

#### **Evidence; Certified Copies**

Sec. 16. Any order, award, or proceeding of said Board when duly attested by any member of the Board or its secretary shall be admissible as evidence of the Act of said Board in any Court of this State.

Upon the written request and payment of the fees therefor, which fees shall be the same as those charged for similar services in the Secretary of State's office, the Board shall furnish to any person entitled thereto a certified copy of any order, award, decision, or paper on file in the office of said Board and the fees so received for such copies shall be paid into the State Treasury and credited to the General Revenue Fund; provided that the institution shall be furnished such certified copies without charge. No fee or salary shall be paid to any person in said Board for making such copies in excess of the fees charged for such copies.

#### Venue of Suits; Transfer to Proper County

Sec. 17. Any interested party who is not willing and does not consent to abide by the final ruling and decision of the Board shall, in the manner and within the time provided by Section 11 of this Act. file notice with said Board, and bring suit in the county where the injury occurred to set aside said final ruling and decision; however, in the event such suit is brought in any county other than the county where the injury occurred, the court in which same is filed shall, upon ascertaining that it does not have jurisdiction to render judgment upon the merit, transfer the case to the proper court in the county where the injury occurred. Provided, however, that notice of said transfer shall be given to the parties and said suit when filed in the court to which the transfer is made, shall be considered for all purposes, the same as if originally filed in said court.

#### Time for Hearing

Sec. 18. When an injured workman has sustained an injury in the course of employment and filed claim for compensation and given notice as required by law, the Board shall hear his claim for compensation within a reasonable time. Provided, however, when such injured workman is being paid compensation as provided in this Act, and the institution is furnishing either hospitalization or medical treatment to such workman, the Board may, within its discretion, delay or postpone the hearing of his claim, and no appeal shall be taken from any such order made by the Board.

#### Setting Aside Funds; Account; Reports

Sec. 19. The institutions covered by this Act are hereby authorized to set aside from available appropriations other than itemized salary appropriations an amount not to exceed two per cent (2%) of the annual workman payroll of the institution for the payment of all costs, administrative expense, charges, benefits, and awards authorized by this Act.

The amounts so set aside shall be set up in a separate account in the records of the institution, which account shall show the disbursements authorized by this act; provided the amounts so set aside in this account shall not exceed two per cent (2%) of the annual workman payroll at any one time. A statement of the amounts set aside for and disbursements from said account shall be included in reports made to the Governor and the Legislature as required by the Statutes.

#### Legal Representative

Sec. 20. The Attorney General of the State of Texas shall be the legal representative of the institution and is hereby given power and authority to bring and defend all suits and hearings necessary to carry out the purposes of this Act.

#### Duties of Clerk of Court and Attorneys

Sec. 21. That in every case appealed from the Board to any District or County Court, the Clerk of such Court shall, within twenty (20) days after the filing thereof, mail to the Board a notice giving the style, number, and date of filing such suit, and shall, within twenty (20) days after judgment is rendered in such suit, mail to the Board a certified copy of such judgment. The duties devolving upon District and County Clerks under this Act shall constitute a part of their ex officio duties and for such services they shall not be entitled to any fee.

In every such case the attorney preparing the judgment shall file the original and a copy of same with the Clerk of the Court. However, the failure of such attorney to comply with this provision shall not excuse the failure of the Clerk of a District or County Court to mail a certified copy of such judgment to the Board as above provided.

Any Clerk of a District or County Court who fails to comply with the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Two Hundred and Fifty Dollars (\$250).

#### Partial Unconstitutionality

Sec. 22. If any section, sentence, clause or part of this Act is for any reason held to be unconstitutional, such decision shall not affect the remaining portions of this Act. The Legislature hereby declares that it would have passed this Act and each sentence, clause and part thereof despite the fact that one or more sections, sentences, clauses or parts thereof be declared unconstitutional.

No person in the service of a political subdivision who is paid on a piecework basis or on a basis other than by the hour, day, week, month, or year shall be considered an employee and entitled to compensation under the terms of the provisions of this article. Provided, however, a political subdivision may cover volunteer firefighters, policemen, emergency medical personnel, and other volunteers that are specifically named who shall be entitled to full medical benefits and the minimum compensation payments provided under the law. A political subdivision may cover an elected official as an employee by a majority vote of the members of the governing body of the political subdivision. A political subdivision may cover children who are in a program established by the political subdivision to assist children in rendering personal services to a charitable or educational institution as authorized by Subsection (b), Section 54.041, Family Code. Members of a self-insurance fund created hereunder may provide coverage for themselves as well as their staff by a majority vote of such members of the fund. No class of persons who are paid as a result of jury service or an appointment to serve in the conduct of elections may be considered employees under this article unless declared to be employees by a majority vote of the members of the governing body of a political subdivision.

(3) "Board" means the Industrial Accident Board.

#### Self-insurance; Effective Date; Notice to Board and Employees; Municipal Utilities

Sec. 2. (a) All political subdivisions of this state shall become either self-insurers, provide insurance under workmen's compensation insurance contracts or policies, or enter into interlocal agreements with other political subdivisions providing for self-insurance, extending workmen's compensation benefits to their employees.

(b) Subsection (a) of this section and Sections 1 and 4, Article 8306, Revised Civil Statutes of Texas, 1925, as amended or as may hereafter be amended, shall not apply to political subdivisions having an annual budget within the amounts indicated below, until the effective date shown for such budget bracket:

| Budget Bracket         | Effective Date |  |
|------------------------|----------------|--|
| \$0 to \$250,000       | June 30, 1977  |  |
| \$250,001 to \$500,000 | June 30, 1976  |  |
| \$500,001 to \$750,000 | June 30, 1975  |  |

(c) Each political subdivision shall notify the board stating the method by which their employees will receive benefits, the approximate number of employees covered, and the estimated amount of payroll.

(d) Notice shall also be given to the employees of a political subdivision of the provision so made for benefits and the effective date thereof; and employees of a political subdivision shall be conclusively deemed to have accepted the compensation provisions in lieu of common-law or statutory liability or cause of action, if any, for injuries received in the course of employment or death resulting from injuries so received.

(e) In cities, towns, or villages in which a public utility or utilities is operated by a board of trustees set up and appointed in accordance with Article 1115, Revised Civil Statutes of Texas, 1925, or any similar law, such board of trustees shall have all of the powers and authority of the governing body of the city with reference to the adoption of a program of self-insurance under this article or in the taking out of a policy or policies of workmen's compensation insurance hereunder, and all funds set aside or expended for such purposes shall be considered operating expenses of the municipal utilities. All funds set aside or paid by such boards of trustees in connection with self-insurance or for premiums on policies of insurance shall be paid out of the revenues of the utilities operated by the board of trustees and neither the provisions for self-insurance nor the obligations incurred under insurance policies shall be general liabilities of the city, town, or village, but shall constitute only obligations payable out of the revenues. The boards of trustees shall be authorized to adopt all resolutions, give all notices and to do all things concerning workmen's compensation under this article with reference to employees employed by the boards of trustees which the governing body of the city, town, or village would be authorized to do with reference to other city employees, or groups of employees.

#### Adoption of General Workers' Compensation Laws

Sec. 3. (a) The following laws as amended or as they may hereafter be amended are adopted except to the extent that they are inconsistent with this article:

(1) Article 8306, except Sections 5 and 28, and Articles 8307, 8307b, and 8309, Revised Civil Statutes of Texas, 1925, as amended;

(2) Chapter 248, General Laws, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 8306a, Vernon's Texas Civil Statutes);

(4) Chapter 208, General Laws, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 8307a, Vernon's Texas Civil Statutes);

(5) Chapter 115, Acts of the 62nd Legislature, Regular Session, 1971 (Article 8307c, Vernon's Texas Civil Statutes), except that if the city provides by Charter or ordinance for ultimate access to the district court for wrongful discharge, Chapter 115, Acts of the 62nd Legislature, Regular Session, 1971 (Article 8307c, Vernon's Texas Civil Statutes) is not applicable;

(6) Chapter 358, Acts of the 64th Legislature, 1975 (Article 8307d, Vernon's Texas Civil Statutes); and

(7) Chapter 179, General Laws, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 8309a, Vernon's Texas Civil Statutes).

(b) Provided that whenever in the above adopted laws the words "association," "subscriber," or "employer," or their equivalents appear, they shall be construed to and shall mean "a political subdivision."

#### Establishment of Joint Fund

Sec. 4. A joint fund, as herein provided for, may be established by the concurrence of any two or more political subdivisions. The fund may be operated under the rules, regulations, and bylaws as established by the political subdivisions which desire to participate therein. Each political subdivision shall be and is hereby empowered to pay into said fund its proportionate part as due and to contract for the fund, by and through its directors, to make the payments due hereunder to the employees of the contracting political subdivision. The joint insurance fund herein provided for shall not be considered insurance for the purpose of any other statute of this state and shall not be subject to the regulations of the State Board of Insurance.

#### Purpose

Sec. 5. (a) It is the purpose of this article that the compensation herein provided for shall be paid from week to week and as it accrues and directly to the person entitled thereto, unless the liability is redeemed as in such cases provided elsewhere herein. Provided further, however, that any and all sums for incapacity received in accordance with Chapter 325, Acts of the 50th Legislature, 1947, as amended (Article 1269m, Vernon's Texas Civil Statutes), and any other statutes now in force and effect that provide for payment for incapacity to work because of injury on the job that is also covered by this Act are hereby offset as against the benefits provided under this Act to the extent applicable. Provided that when an employee's wage is offset as prescribed above, both the employer and the employee shall pay into the pension fund on the amount of money by which his wage was offset and provided further that under no circumstances shall an employee's pension benefit be reduced as a result of his injuries or any compensation received under the provision of this Act, unless such reduction is a result of a pension revision passed by majority vote of the affected members of a pension system.

(b) When benefits are offset as in Subsection (a) of Section 5 of this Act, the employer shall not withhold the offset portion of the employees wages until such time as the benefits from this Act are received.

#### **Rules and Regulations; Forms**

(a) The political subdivision is hereby authorized to set aside from available appropriations, other than itemized salary appropriations, an amount sufficient for the payment of all costs, administrative expenses, charges, benefits, insurance, attorney fees, and awards authorized by this article.

(b) The amount so set aside shall be set up in a separate account in the records of the political subdivision, which account shall show the disbursements authorized by this article. A statement of the amount set aside for the disbursements from the account shall be included in an annual report made to the political subdivision treasurer and the

duly and legally constituted governing body of the political subdivision.

#### Suits and Proceedings; Municipal Utilities

Sec. 8. The political subdivision attorney, his assistants, or outside counsel may represent the political subdivision in the bringing of defense or suits and proceedings in connection with workmen's compensation benefits provided by the political subdivision as a self-insurer, except in cases where municipal utilities are operated by boards of trustees set up and appointed in accordance with Article 1115, Revised Civil Statutes of Texas, 1925, and similar statutes, and in such instances the regularly employed attorneys or outside counsel for the boards of trustees shall represent the city in all cases and proceedings involving workmen's compensation for the employees employed under the jurisdiction of the boards of trustees and for whom benefits have been provided by the board of trustees on a self-insurer basis.

#### **CETA Employees**

Sec. 9. Notwithstanding any other provision of this law or any applicable workers' compensation law, an employee hired in accordance with the federal Comprehensive Employment and Training Act of 1973<sup>1</sup> shall be considered an employee of the federal Comprehensive Employment and Training Act prime sponsor, or its contractor or subcontractor, whichever assumes responsibility for disbursement of wages directly to the employee, and the "bor-rowed servant doctrine" shall not apply.

#### PART 5

#### Art. 8309-1. Crime Victims Compensation Act

#### Short Title

Sec. 1. This Act may be cited as the Crime Victims Compensation Act.

#### **Declaration of Purpose**

Sec. 2. The legislature recognizes that many innocent persons suffer personal injury or death as a result of criminal acts. Crime victims and persons who intervene in crimes on behalf of peace officers may suffer disabilities, incur financial burdens, or become dependent on public assistance. The legislature finds and determines that there is a need for indemnification of victims of crime and citizens who suffer personal injury or death in the prevention of crime or the apprehension of criminals.

#### Definitions

Sec. 3. In this Act:

(1) "Board" means the Industrial Accident Board.

(2) "Claimant" means a victim or an authorized person acting on behalf of any victim.

(3) "Collateral source" means a source of benefits or advantages for pecuniary loss awardable other than under this Act which the victim has received, or which is readily available to him or her from:

(A) the offender under an order of restitution to the claimant imposed by a court as a condition of probation:

(B) the United States or a federal agency, a state or any of its political subdivisions, or an instrumentality of two or more states, unless the law providing for the benefits or advantages makes them in excess of or secondary to benefits under this Act;

(C) Social Security, Medicare and Medicaid;

(D) state-required temporary nonoccupational disability insurance;

(E) workers' compensation;

(F) wage continuation programs of any employer;

(G) proceeds of a contract of insurance payable to the victim for loss which he or she sustained because of the criminally injurious conduct; or

(H) a contract providing prepaid hospital and other health care services, or benefits for disability.

(4) "Criminally injurious conduct" means conduct that:

(A) occurs or is attempted in this state;

(B) poses a substantial threat of personal injury or death;

(C) is punishable by fine, imprisonment, or death, or would be so punishable but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state; and

(D) is not conduct arising out of the ownership, maintenance, or use of a motor vehicle, aircraft, or water vehicle except when intended to cause personal injury or death in violation of Section 38, Uniform Act Regulating Traffic on Highways, as amended (Article 6701*l* –1 or 6701*l* –2, Revised Civil Statutes), or Article 6701*l* –1 or 6701*l* –2, Revised Civil Statutes of Texas, 1925, as amended.

(5) "Dependent" means:

(A) a surviving spouse;

(B) a person who is a dependent of a deceased victim or intervenor within the meaning of Section 152, Internal Revenue Code of 1954, as amended (26 U.S.C. Section 152); or

(C) a posthumous child of the deceased intervenor or victim.

(6) "Financial stress" means financial hardship experienced by a claimant as a result of pecuniary loss from criminally injurious conduct giving rise to a claim under this Act. A claimant suffers financial stress only if he or she cannot maintain his or her customary level of health, safety, and education for himself or herself and his or her dependents without undue financial hardship. In making its finding, the board shall consider all relevant factors, including:

(A) the number of the claimant's dependents;

(B) the usual living expenses of the claimant and his or her family;

(C) the special needs of the claimant and his or her dependents;

(D) the claimant's income and potential earning capacity; and

(E) the claimant's resources.

(7) "Pecuniary loss" means the amount of expense reasonably and necessarily incurred:

(A) regarding personal injury for:

(i) medical, hospital, nursing, or psychiatric care or counseling, and physical therapy; (ii) actual loss of past earnings and anticipated loss of future earnings because of a disability resulting from the personal injury at a rate not to exceed \$150 per week; and

(iii) care of minor children enabling a victim or his or her spouse, but not both of them, to continue gainful employment at a rate not to exceed \$30 per child per week up to a maximum of \$75 per week for any number of children; and

(B) as a consequence of death for:

(i) funeral and burial expenses;

(ii) loss of support to a dependent or dependents not otherwise compensated for as a pecuniary loss for personal injury, for as long as the dependence would have existed had the victim survived, at a rate of not more than a total of \$150 per week for all dependents; and

(iii) care of minor children enabling the surviving spouse of a victim to engage in lawful employment, where that expense is not otherwise compensated for as a pecuniary loss for personal injury, at a rate not to exceed \$30 per week per child, up to a maximum of \$75 per week for any number of children.

(C) pecuniary loss does not include loss attributable to pain and suffering.

(8) "Intervenor" means a person who goes to the aid of another and is killed or injured in the good faith effort to prevent criminally injurious conduct, to apprehend a person reasonably suspected of having engaged in such conduct, or to aid a police officer. Intervenor does not include a peace officer, fireman, lifeguard, or person whose employment includes the duty to protect the public safety acting within the course and scope of his or her employment.

(9) "Victim" means:

(A) a person who is a Texas resident at the time of the crime and who suffers personal injury or death as a result of criminally injurious conduct;

(B) an intervenor;

(C) a dependent of a deceased victim; and

(D) in the event of a death, a person who legally assumes the obligation or who voluntarily pays the medical or burial expenses incurred as a direct result of the crime.

(10) "Crime of violence" means any offense defined in the Penal Code that results in personal injury to a resident of this state. No act involving the operation of a motor vehicle, aircraft, or water vehicle that results in injury or death constitutes a crime of violence for the purposes of this Act, except that a crime of violence includes injury or death intentionally inflicted through the use of a motor vehicle, aircraft, or water vehicle, or injury or death sustained in an accident caused by a driver in violation of Section 38, Uniform Act Regulating Traffic on Highways, as amended (Article 6701d, Vernon's Texas Civil Statutes), or Article 67011-1 or 67011-2, Revised Civil Statutes of Texas, 1925, as amended.

#### Application

Sec. 4. (a) An applicant shall apply in writing in a form that conforms substantially to that prescribed by the board.

(b) No claimant may file an application unless the victim reports the crime to the appropriate state or local public safety or law enforcement agency within 72 hours after the crime is committed or within a longer period that is justified by extraordinary circumstances as determined by the board.

(c) A claimant must file an application not later than one year after the date of the crime, except that the board may extend the time for filing for good cause shown by the claimant.

(d) The application shall be verified and shall contain the following:

(1) a description of the date, nature, and circumstances of the criminally injurious conduct;

(2) a complete financial statement, including the cost of medical care or burial expenses and the loss of wages or support the claimant has incurred or will incur and the extent to which the claimant has been indemnified for these expenses from any collateral source;

(3) when appropriate, a statement indicating the extent of any disability resulting from the injury incurred;

(4) an authorization permitting the attorney general to verify the contents of the application; and

(5) other information as the board may require.

### **Review**, Verification, Hearing

Sec. 5. (a) The board shall appoint a clerk to review all applications for assistance made by claimants under Section 4 of this Act in order to ensure that they are complete. If an application is not complete, the clerk shall return it to the claimant with a brief statement of the additional information required. Within 30 days after receiving the returned application, the claimant may either supply the additional information or appeal the action to the board, which shall review the application to determine whether or not it is complete.

(b) Immediately on receipt of the application, the board shall send a copy of the application and all pertinent documents to the attorney general. The attorney general may investigate the application, appear in hearings on the application, and present evidence supporting or opposing approval of the application.

(c) The board shall appoint one of its members to determine whether a hearing is necessary. If the member determines that a hearing is not necessary, he or she may approve the application in accordance with the provisions of Section 6 of this Act. If the member determines that a hearing is necessary or if the attorney general or the claimant requests a hearing, the board shall then consider the application at a hearing at a time and place of its choosing. The board shall notify all interested persons, including the attorney general, not less than 10 days prior to the date of the hearing.

(d) At the hearing the board shall:

(1) review the application for assistance and the report prepared by the attorney general and any other evidence obtained as a result of his or her investigation; and

(2) receive other evidence that the board finds necessary or desirable to evaluate the application properly.

(e) Incident to its review, verification, and hearing duties under this Act, the board shall have the following powers:

(1) to request from prosecuting attorneys and law enforcement officers investigations and data to enable the board to determine whether and the extent to which a claimant qualifies for an award;

(2) the powers given to the board under Section 4, Article 8307, Revised Civil Statutes of Texas, 1925, as amended (Article 8307, Vernon's Texas Civil Statutes), except as modified by this Act; and

(3) if the mental, physical, or emotional condition of a victim is material to a claim, to order the victim to submit to a mental or physical examination by a physician or psychologist and to order an autopsy of a deceased victim. The order may be made for good cause shown upon notice to the person to be examined and to all persons who have appeared. The order shall specify the time, place, manner, conditions, and scope of the examination or autopsy and the person by whom it is to be made and shall require that person to file with the board a detailed written report of the examination or autopsy. The report shall set out his or her findings, including results of all tests made, diagnoses, prognoses, and other conclusions and reports of earlier examinations of the same conditions. The physician or psychologist shall be compensated from funds appropriated for the administration of this Act.

(f) On request of the person examined, the board shall furnish him or her a copy of the report. If the victim is deceased, the board on request shall furnish the claimant a copy of the report.

#### Approval or Rejection of Claim

Sec. 6. (a) The board shall award compensation for pecuniary loss arising from criminally injurious conduct if satisfied by a preponderance of the evidence that the requirements set forth in this Act have been met.

(b) The board shall establish that as a direct result of criminally injurious conduct the victim suffered physical injury or death that resulted in a pecuniary loss which the victim is unable to recoup without suffering financial stress and for which he or she is not compensated from any collateral source.

(c) The board shall deny the application if:

(1) the criminally injurious conduct is not reported or the application is not made in the manner specified in Section 4 of this Act;

(2) the victim or person whose injury or death gives rise to the application knowingly and willingly participated in the criminally injurious conduct;

(3) the claimant will not suffer financial stress as a result of the pecuniary loss arising out of criminally injurious conduct; or

(4) the victim resided in the same household as the offender or his or her accomplice.

(d) The board may deny or reduce an award otherwise payable:

(1) if the victim has not substantially cooperated with appropriate law enforcement agencies;

(2) if the behavior of the victim at the time of the act or omission giving rise to the claim was such that he or she bears a share of the responsibility for the act or omission; or

(3) to the extent that pecuniary loss is recouped from other persons, including collateral sources.

#### Types of Assistance; Awards

Sec. 7. (a) If an application for compensation is approved under Section 6 of this Act, the board shall determine what type of state assistance will best aid the claimant. The board may take any or all of the following actions:

(1) authorize cash payment or payments to or on behalf of the claimant for pecuniary loss as defined in Subdivision (7), Section 3 of this Act;

(2) refer the claimant to a state agency for vocational or other rehabilitative services; and

(3) provide counseling services for victims or contract with private entities to provide these services.

(b) Awards payable to a victim and all other claimants sustaining pecuniary loss because of injury or death of that victim may not exceed \$25,000 in the aggregate.

(c) The board may provide for the payment of an award in a lump sum or in installments. The part of an award equal to the amount of pecuniary loss accrued to the date of the award shall be paid in a lump sum. An award for allowable expense that would accrue after the award is made may not be paid in a lump sum. Except as provided in Subsection (d) of this section, the part of an award that may not be paid in a lump sum shall be paid in installments.

(d) At the instance of the claimant, the board may compute future pecuniary loss to a lump sum but only upon a finding by the board that: (1) the award in a lump sum will promote the interests of the claimant; or

(2) the present value of all future pecuniary loss does not exceed \$1,000.

(e) An award for future pecuniary loss payable in installments may be made only for a period as to which the board can reasonably determine future pecuniary loss.

(f) An award is not subject to execution, attachment, garnishment, or other process, except that an award is not exempt from a claim of a creditor to the extent that he or she provided products, services, or accommodations, the costs of which are included in the award.

(g) An assignment or agreement to assign a right to reparations for loss accruing in the future is unenforceable except:

(1) an assignment of a right to reparations for work loss to secure payment of alimony, maintenance, or child support; or

(2) an assignment of a right to reparations to the extent that the benefits are for the cost of products, services, or accommodations necessitated by the injury or death on which the claim is based and are provided or to be provided by the assignee.

#### **Emergency** Award

Sec. 8. If prior to taking action on an application it appears likely that a final award will be made and that the claimant will suffer undue hardship if immediate economic relief is not had, the board or board member may make an emergency award in an amount not to exceed \$1,500. The amount paid shall be deducted from the final award or repaid by and recoverable from the claimant to the extent that it exceeds the final award.

#### **Reconsideration; Judicial Review**

Sec. 9. (a) The board on its own motion or on request of the claimant may reconsider a decision making or denying an award or determining its amount. The board shall reconsider at least annually every award being paid in installments. An order on reconsideration of an award shall not require refund of amounts previously paid unless the award was obtained by fraud.

(b) The right of reconsideration does not affect the finality of a board decision for the purpose of judicial review.

(c) Within 20 days after the rendition of a final ruling and decision by the board, the claimant or the attorney general may file with the board notice of dissatisfaction with the final ruling and decision. The dissatisfied party shall within 20 days after giving the notice bring suit in the district court having jurisdiction in the county where the injury or death occurred or the county where the victim resided at the time the death or injury occurred, and the board shall provide for the suspension of payments to a claimant and may not reconsider an award during the pendency of an appeal of the ruling and decision on that claim. The court shall determine the issues in the cause by trial de novo, and the burden of proof is on the claimant. In computing the 20 days for filing a notice of dissatisfaction or the 20 days to bring suit, if the last day is a legal holiday or Sunday, the last day shall not be counted, and the time shall be extended to include the next business day.

#### Rules and Regulations; Notice of Provisions of Act

Sec. 10. (a) The board shall promulgate and adopt rules consistent with this Act governing its administration, including rules relating to the method of filing claims and the proof of entitlement to compensation. Sections 1 through 12 of the Administrative Procedure and Texas Register Act, as amended (Article 6252-13a, Vernon's Texas Civil Statutes), except Subdivision (3) of Subsection (a) and Subsection (b) of Section 4, apply to the board. Sections 13 through 20 of that Act do not apply to the board or its orders and decisions.

(b) The board may appoint hearing officers to conduct hearings or prehearing conferences under this Act when hearings or prehearing conferences are necessary to determine eligibility for compensation.

(c) When hearings or prehearing conferences are conducted, they shall be open to the public unless in a particular case the hearing officer or board determines that the hearing or prehearing conference or a part of it should be held in private because a criminal suspect has not been apprehended or because it is in the interest of the claimant.

(d) The board may suspend the proceedings pending disposition of a criminal prosecution that has been commenced or is imminent, but may make an emergency award under Section 8 of this Act.

(e) Every hospital licensed under the laws of this state shall display prominently in its emergency room posters giving notification of the existence and general provisions of this Act. The board shall set standards for the location of the display and shall provide posters, application forms, and general information regarding this Act to each hospital and physician licensed to practice in the State of Texas.

(f) Every local law enforcement agency shall inform victims of criminally injurious conduct of the provisions of this Act and provide application forms to victims who desire to seek assistance. The board shall provide application forms and all other documents that local law enforcement agencies may require to comply with this section. The attorney general shall set standards to be followed by local law enforcement agencies for this purpose and may require them to file with him or her a description of the procedures adopted by each agency to comply.

#### Subrogation; Notice of Private Action

Sec. 11. (a) If compensation is awarded, the state is subrogated to all the claimant's rights to receive or recover benefits for pecuniary loss to the extent compensation is awarded from a source which is or if readily available to the claimant would be a collateral source.

(b) Before a claimant may bring an action to recover damages related to criminally injurious conduct for which compensation is claimed or awarded, the claimant must give the board prior written notice of the proposed action. After receiving the notice, the board shall promptly:

(1) join in the action as a party plaintiff to recover reparations awarded;

(2) require the claimant to bring the action in his or her individual name as a trustee in behalf of the state to recover reparations awarded; or

(3) reserve its rights and do neither in the proposed action.

(c) If, as requested by the board under Subsection (b) of this section, the claimant brings the action as trustee and recovers compensation awarded by the board, he or she may deduct from the reparations recovered in behalf of the state the reasonable expenses of the suit, including attorney's fees, expended in pursuing the recovery for the state. The claimant shall justify this deduction in writing to the board on a form provided by the board.

#### **Attorney's Fees**

Sec. 12. As part of an order, the board shall determine and award reasonable attorney's fees, commensurate with services rendered, to be paid by the state to the attorney representing the claimant. Additional attorney's fees may be awarded by a court in the event of review. Attorney's fees may be denied on a finding that the claim or appeal is frivolous. If requested in writing by a person who fails the examination, the board shall send to the person not later than the 30th day after the day on which the request is received by the board an analysis of the person's performance on the examination.

### Reciprocity

Sec. 9. (a) The board may certify for registration without examination an applicant who is registered as a licensed irrigator or licensed installer in another state or country that has requirements for registration that are at least substantially equivalent to the requirements of this state and that extends the same privilege of reciprocity to licensed irrigators or licensed installers registered in this state.

(b) The application for registration under this section shall be accompanied by a fee of not to exceed \$50 for a licensed irrigator or \$35 for a licensed installer as determined by the board.

### Renewal

Sec. 10. (a) Certificates of registration expire on August 31 of each year.

(b) The board or the executive secretary shall notify every person registered under this Act of the date of expiration of his or her certificate and the amount of the fee that is required for renewal for one year. The notice shall be mailed at least two months in advance of the date of expiration of the certificate.

(c) A person may renew his or her certificate at any time during the months of July and August of each year by payment of the fee adopted by the board in an amount of not more than \$100 for a licensed irrigator or \$50 for a licensed installer.

(d) Failure of a registrant to renew his or her certificate by August 31 does not deprive the registrant of the right to renewal, but the fee paid for renewal of a certificate after the August 31 expiration date shall be increased 10 percent for each month or part of a month that renewal payment is delayed. If the registrant fails to renew within 90 days after the date of expiration of the registration certificate, the registrant must reapply for registration and must qualify under Section 8 of this Act to act as a licensed irrigator or licensed installer.

(e) Renewal certificates carry the same registration number as the original certificates.

(f) By rule, the board may adopt a system under which certificates of registration may expire on various dates during the year. Renewals may be made at any time during the two-month period before the designated expiration date, and renewal fees paid after the expiration date shall be increased 10 percent for each month or part of a month that renewal payment is delayed. If a registrant fails to renew within 90 days after the expiration date of the registration, the registrant must reapply for registration and must qualify under Section 8 of this Act to act as a licensed irrigator or a licensed installer. For the year in which the expiration date is changed, registration fees payable on August 31 shall be prorated on a monthly basis so that each registrant will pay only that portion of the registration fee that is allocable to the number of months during which the registration is valid, and on renewal of the registration on the new expiration date, the total of the registration fee is payable.

#### Revocation

Sec. 11. (a) The commission may revoke a certificate of registration of any registrant whom it finds guilty of:

(1) violations of this Act or rules adopted under this Act;

(2) fraud or deceit in obtaining a certificate of registration; or

(3) gross negligence, incompetency, or misconduct while acting as a licensed irrigator or licensed installer.

(b) The commission shall hear complaints under Subsection (a) of this section subject to standards adopted by the board in its rules.

(c) Any person may file a complaint with the board. The complaint shall be in writing, shall be notarized, and shall set forth the facts alleged. Three copies of the written allegations shall be filed with the executive director. One copy shall be sent by certified mail to the alleged violator.

(d) On receipt of written allegations, the board, if it considers the information sufficient to support further action, shall issue an order referring the complaint to the commission for setting a hearing.

(e) If the executive director determines through investigation that evidence exists of a violation, he may refer such evidence to the board or may proceed directly to the commission to request setting of a hearing.

(f) The commission may compel the attendance of a witness before it as in civil cases in the district court by issuance of a subpoena.

# Penalty; Injunction

Sec. 12. (a) A person who represents himself or herself as a licensed irrigator or licensed installer in this state without being licensed or exempted under this Act, who presents or attempts to use as his or her own the certificate of registration or the seal of another person who is a licensed irrigator or licensed installer, who gives false or forged evidence of any kind to the board or to any member of the board in obtaining or assisting in obtaining for another a certificate of registration, or who violates a provision of this Act or a rule adopted under this Act shall be guilty of a Class C misdemeanor. Each day a violation of this subsection occurs constitutes a separate offense.

(b) The board or the executive director may request the attorney general to seek injunctive relief to prevent any of the acts of violation listed in Subsection (a) of this section.

All expenses incurred by the Consumer Credit Commissioner in conducting such examinations shall be paid only from such fees, and no such expense shall ever be charged against the funds of this State.

(f) The Consumer Credit Commissioner may make regulations necessary for the enforcement of this Section and consistent with all its provisions. Before making a regulation the Consumer Credit Commissioner shall give each licensee at least thirty (30) days' written notice of a public hearing, stating the time and place thereof and the terms or substance of the proposed regulation. At the hearing, any licensee or other person may be heard and may introduce evidence, data, or arguments or place the same on file. The Consumer Credit Commissioner, after consideration of all relevant matters presented, shall adopt and promulgate every regulation in written form, stating the date of adoption and date of promulgation. Each regulation shall be entered in a permanent record book which shall be a public record and be kept in the Consumer Credit Commissioner's office. A copy of every regulation shall be mailed to each licensee, and no regulation shall become effective until the expiration of at least twenty (20) days after such mailing. On the application of any person and payment of the cost thereof, the Consumer Credit Commissioner shall furnish such person a certified copy of any such regulation.

Any person claiming against the bond may maintain an action at law against the invention developer and the surety. The aggregate liability of the surety to all persons for all breaches of conditions of the bond required by this subsection is limited to the amount of the bond.

(c) Instead of furnishing the bond required by Subsection (a) of this section, the invention developer may deposit with the secretary of state a cash deposit equal to the amount of the bond required by this section. The cash deposit may be satisfied by:

A new license may be obtained by com-plying with the requirements and procedures for obtaining an original license. At least 30 days before the expiration of a license, the State Fire Marshal shall send written notice of the impending license expiration to the licensee at his or its last known address. (b) The State Board of Insurance by rule may adopt a system under which licenses expire on various dates during the year. For the year in which the license expiration date is less than one year from its issuance or anniversary date, the license fee shall be prorated on a monthly basis so that each licensee shall pay only that portion of the license fee that is allocable to the number of months during which the license is valid. On each subsequent renewal of the license, the total license renewal fee is payable. On adoption of a staggered renewal system under this subsection, the renewal dates provided by Section 5 of this Act no longer apply.

No license, as provided in Section 5, shall be issued for either, a manufacturer, a distributor, a jobber or a retailer unless the place of manufacture, or in case of a distributor, a jobber or a retailer, the place of storage of said fireworks, shall meet the requirements and specifications recommended from time to time by the State Fire Marshal.

#### Storing, Locating, or Display of Fireworks; Safety Measures

Sec. 7. Be it further enacted, the placing, storing, locating, or displaying of fireworks in any window where the sun may shine through glass on the fireworks so displayed or to permit the presence of lighted cigars, cigarettes, or pipes within ten (10) feet of where the fireworks are offered for sale, is hereby declared unlawful and prohibited. Fireworks offered for retail sale must be protected from

direct contact with the public at all times. Fireworks shall not be sold at retail or displayed to the public within any building or portion thereof or any vehicle which allows for entry any persons other than employees within such building or vehicle unless such fireworks are kept where they cannot be reached or handled by such persons. At all places where fireworks are stored or sold, there must be posted signs with the words "Fireworks—No Smoking" in letters not less than four (4) inches high. No fireworks are to be sold at retail at any location where paints, oils, or varnishes are kept for use or sale, unless such paints, oils and varnishes are kept in the original unbroken containers, nor where resin, turpentine, gasoline, or other inflammable substance which may generate inflammable vapor is used, stored, or sold, or where the licensing authority or any police, fire or regulatory body having direct supervision over the establishment shall determine that any condition exists which makes the sale of fireworks at such location unusually hazardous.

## Sale to Children Under Ten Years of Age, Intoxicated or Irresponsible Persons; Throwing From or Into Motor Vehicle

Sec. 8. Be it further enacted, that it shall be unlawful to offer for retail sale or to sell any fireworks to children under the age of ten (10) years or to any intoxicated or irresponsible person. No person shall ignite or discharge any permissible articles of fireworks within or throw the same from a motor vehicle while within, nor shall any person place or throw any ignited article of fireworks into or at such a motor vehicle.

## Manufacturing, Possessing or Selling; Permit

Sec. 9. Be it further enacted, that no person, firm, corporation or association, without securing a permit from the State Fire Marshal, shall manufacture, possess or sell any dangerous fireworks for any use or purpose, including agricultural purposes or wild life control. Before any dangerous fireworks may be manufactured, possessed, sold or used, a permit therefor specifying the uses to be made thereof must be secured from the State Fire Marshal. Any permittee, whether governmental agency or commercial manufacturer, which distributes or sells at wholesale or retail agricultural or wild life fireworks shall require good and sufficient proof of the lawful intended use of such fireworks by the purchaser. The purchaser shall be required to exhibit the permit obtained from the State Fire Marshal as a condition to such purchase; a true copy of such permit and records specifying the uses to be made shall be given to the purchaser and only thereafter shall the purchaser be permitted to use the fireworks in the manner designated in the permit. Each such permit shall be good only for the specific purposes stated therein and for the time designated therein and at the end thereof shall be surrendered to the State Fire Marshal. The State Fire Marshal shall be paid \$1.00 for each such permit.

## Class A Fireworks; Display, Etc.; Application for Permit; Surety Bond

Sec. 10. Be it further enacted, that "Class A Fireworks," as used in this part, shall include the following:

Colored bomb shells over 15 inches in circumference or consisting of more than one break;

Detonating shells, also known as aerial bombs, over nine inches in circumference or consisting of more than one break;

Ground bombardments, also known as detonating reports, of all sizes which explode on the ground;

Such other fireworks which may be designated for such classification by the State Fire Marshal.

Any adult person or any firm, copartnership, corporation or association planning to make a public display of fireworks shall first make written application for a permit to the chief of the fire department or the chief fire prevention officer of the city or county in which the display is to be held, or to the State Fire Marshal, or to such authorized deputy as he may designate for such purpose if there be no chief of the fire department or chief fire prevention officer in the area, at least 24 hours in advance of the date of the proposed display.

It shall be the duty of the officer to whom the application for a permit is made to make an investigation as to whether such a display as proposed shall be of such a character and so located that it may be hazardous to property or dangerous to any person, and he shall in the exercise of reasonable discretion grant or deny the application, subject to such reasonable conditions, if any, as he may prescribe.

The applicant for such display permit shall at the time of application furnish proof that he carries compensation insurance for his employees as provided by the laws of this state, and he shall file with the officer to whom the application is made, a bond issued by an authorized surety company to be approved by such officer, conditioned upon the applicant's payment of all damages to persons or property which shall or may result from or be caused by such public display of fireworks, or any negligence on the part of the applicant, or his or its agents, servants, employees, or subcontractors in the presentation thereof, or a certificate evidencing the carrying of appropriate public liability insurance issued by an insurance carrier authorized to transact business in this state for the benefit of the person named therein as assured, as evidence of ability to respond in damages in at least such amount, said policies to be similarly approved. If

the permit is granted, the sale, possession, and use of fireworks for public display is lawful for that purpose only. No permit granted is transferable.

In the case of an applicant for a permit to display Class A fireworks, or a combination of Class A and Class B fireworks, the amount of such a surety bond shall be not less than Ten Thousand Dollars (\$10,000.00), and the amount of such insurance shall be not less than Twenty Thousand Dollars (\$20,-000.00).

In the case of an application for a permit to display Class B fireworks exclusively, the amount of the surety bond shall be not less than One Thousand Dollars (\$1,000.00), and the amount of the insurance shall be not less than Five Thousand Dollars (\$5,000.00). Provided, that in lieu of filing a surety bond, an applicant for such a Class B permit may file a bond in the sum of at least One Thousand Dollars (\$1,000.00) with at least two good and sufficient sureties, subject to like conditions and to the approval of the officer issuing the permit.

Every public display of fireworks which includes in whole or in part "Class A Fireworks" shall be handled or supervised by a competent and experienced pyrotechnic operator approved by the chief of the fire department or the chief fire prevention officer of the city or county in which the display is to be held, or by the State Fire Marshal or his authorized deputy therefor, if there be no chief of the fire department or chief fire prevention officer in the area.

Public display of "Class B Fireworks" may be supervised or handled by any competent adult person approved by the officer issuing the permit.

The State Fire Marshal shall adopt reasonable rules and regulations not inconsistent with the provisions of this part, for the granting of permits for, and the presentation of, public displays of fireworks.

All public displays of fireworks shall be of such a character and so located, discharged, or fired as not to be hazardous or dangerous to persons or property.

Notwithstanding the provisions of this part, any adult person, or any firm, corporation, or copartnership may secure a general license for the public display of fireworks within the State of Texas, subject to the provisions of this part relative to the securing of local permits for displaying of fireworks in any city or county, excepting that in lieu of filing such bonds or certificate of public liability insurance as hereinabove provided in this part, a surety bond similarly conditioned in the amount of Twenty-five Thousand Dollars (\$25,000.00) or a certificate evidencing public liability insurance in a like amount shall be filed with the State Fire Marshal, who shall have the authority to issue such licenses, subject to such reasonable rules and regulations, not inconsistent herewith, which he may adopt. A certificate evidencing such general license, when so obtained,

shall be filed with the legislative body or officer granting a permit for the display of fireworks prior to the issuance thereof.

No permit shall be granted for the discharge of dangerous fireworks except in connection with public display of fireworks.

No person shall transport, convey or deliver any dangerous fireworks except for permittees making delivery to any other permittees, or to locations of public displays of fireworks authorized hereunder or to distributors outside of this state.

For purposes of license the sale and/or possession of "Class A" and "Class B" fireworks only, as described herein, shall require a Distributor's permit.

#### Violations as Misdemeanors; Punishment

Sec. 11. Be it further enacted, that any individual, firm, partnership, or corporation that violates any provisions of this Act shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00), or imprisoned for not more than one (1) year, or both, in the discretion of the court or jury.

## License Fees; Disposition of Proceeds

Sec. 12. Be it further enacted, that all moneys derived from the license fees provided in Section 5 of this Act must be deposited in the State Treasury to the credit of the State Board of Insurance operating fund to be made available in such amounts as may be appropriated by the Legislature for the use of the State Fire Marshal in the administration of this Act and upon requisition by the State Fire Marshal. All such moneys deposited in the State Treasury and thus appropriated may be used by the State Fire Marshal for salaries and expenses of all persons employed for the administration and enforcement of this Act including all necessary travel expenses of the State Fire Marshal, or any assistant or appointee, and the Attorney General or persons authorized to act for either, when performing duties hereunder.

The unused portion of said funds in the State Board of Insurance operating fund for the past fiscal year shall remain in the fund for use as provided by this section.

## **Partial Invalidity**

Sec. 13. Be it further enacted, if any portion of this Act be held unconstitutional, such holding shall not invalidate the remainder thereof.

#### Repealer

Sec. 14. Be it further enacted, that any Acts, laws or parts of laws in conflict herewith are hereby repealed to the extent of the conflict. However, this Act shall not repeal or affect any town, city or municipal ordinance which prohibits the sale and use of fireworks within the town, city or municipal boundaries which is in effect before the effective date of this Act, or that may be enacted after the effective date of this Act. Provided, however, that nothing herein shall be construed to limit or restrict the powers of cities, towns or villages as defined and delegated by Title 28, Revised Civil Statutes of Texas, to enact ordinances prohibiting or imposing further regulations on fireworks; and provided, however, that any ordinance or ordinances heretofore enacted by any city under the authority of the above mentioned Title shall remain in full force and effect until thereafter amended by such city.

## **Effective Date**

Sec. 15. Be it further enacted, that this Act shall be and become effective on February 1st next from and after the passage of this Act, and any and all fireworks other than those defined in Section 2 above in the possession of any manufacturer, distributor, jobber or retailer for use in the State of Texas from and after the effective date of this Act shall be considered as a violation hereof and such persons, firms, corporations or associations shall be subject to the penalties herein provided.

There shall be printed eight thousand copies of each of said volumes of said Civil and Criminal Codes. The binding shall be of the best style and workmanship and in law buckram of the best quality, and the title page of each volume shall recite and show that it is published by authority of the State of Texas, and each shall be authenticated by the certificate of the Secretary of State annexed thereto, as other laws when published are required to be certified; and said State Board of Control shall require said edition to be electrotyped and shall secure and preserve the plates as the property of the State, same to be delivered to the Secretary of State.

Sec. 23j. Copies for Officials.-The Secretary of State shall furnish one copy of each volume to each member of the Legislature including the Lieutenant Governor and to each county judge in the State and shall in addition thereto furnish each county judge of the State a sufficient number of each of said volumes to supply each elective county and precinct officer, with one copy of each of said volumes and the Secretary of State shall furnish one copy of each volume to each of the judges of the Supreme Court, the Courts of Civil and Criminal Appeals, to each district judge, to each district attorney, and each executive at the seat of government and four copies to the librarian of the State Library. Sec. 231. Appropriation.—Sixty thousand dollars, or so much of that sum as may be necessary, is hereby appropriated for the purpose of carrying into effect the provisions of this Act.

Sec. 23m. Emergency Clause.—The necessity for the publication of the Revised Statutes and the Penal Code and Code of Criminal Procedure of the State of Texas in as complete a form as possible, and their early distribution among the people, creates an imperative public necessity and emergency that the rule requiring bills to be read on three several days be suspended, and this Act take effect and be in force from and after its passage, and it is so enacted.

Sec. 24. Date Effective.—That these Revised Statutes shall take effect and be in force at twelve

o'clock, meridian, on the first day of September, Anno Domini, one thousand nine hundred and twenty-five.

Sec. 25. Reading Act.—The importance and great length of this Act, the fact that it is impossible to read the same on any one day or on any three consecutive days, the length of time required for its publication, and the near approach of the end of the present session of the Legislature, create an imperative public necessity requiring that the constitutional rule which requires that bills be read on three several days in each house be and the same is hereby suspended.
