PREFACE

This Pamphlet contains the text of the Tax Code as amended through the 1983 Regular and First Called Sessions of the 68th Legislature.

The Tax Code constitutes a unit of the Texas Legislative Council's statutory revision program. Title 1 of the Code was originally enacted by Acts 1979, 66th Leg., ch. 841. Title 2 of the Code was originally enacted by Acts 1981, 67th Leg., ch. 389.

Disposition and Derivation Tables are included preceding the Code, thus providing a means of tracing repealed subject matter into the Code and, on the other hand, of searching out the source of Code sections.

The Table entries covering Title 1, the Property Tax Code, were supplied by C. Richard Fine. From July, 1978 to June, 1979, Mr. Fine served as legislative assistant to State Representative Wayne Peveto, House sponsor of the legislation enacting the Property Tax Code. He served as legal counselor to the State Property Tax Board from June, 1979 to November, 1981. Mr. Fine is a graduate of the University of Texas School of Law.

The Table entries covering Title 2, State Taxation, were provided through the courtesy of the Texas Legislative Council.

A detailed descriptive word Index at the end of the Code is furnished to facilitate the search for specific textual provisions.

Comprehensive coverage of the judicial constructions and interpretations of the Code, together with cross references, references to law review commentaries discussing particular provisions, and other editorial features, is provided in the volumes of Vernon's Texas Statutes and Codes Annotated.

§ 1.01

This title may be cited as the Property Tax Code.

§ 1.02. Applicability of Title

This title applies to a taxing unit that is created by or pursuant to any general, special, or local law enacted before or after the enactment of this title. This title supersedes any provision of a municipal charter or ordinance relating to property taxation. Nothing in this title invalidates or restricts the right of voters to utilize municipal-level initiative and referendum to set a tax rate, level of spending, or limitation on tax increase for that municipality.

§ 1.03. Construction of Title

The Code Construction Act applies to the construction of each provision of this title except as otherwise expressly provided by this title.

§ 1.04. Definitions

In this title:

1. "Property" means any matter or thing capable of private ownership.
2. "Real property" means:
   (A) land;
   (B) an improvement;
   (C) a mine or quarry;
   (D) a mineral in place;
   (E) standing timber; or
   (F) an estate or interest, other than a mortgage or deed of trust creating a lien on property or an interest securing payment or performance of an obligation, in a property enumerated in Paragraphs (A) through (E) of this subdivision.
3. "Improvement" means:
   (A) a building, structure, fixture, or fence erected on or affixed to land; or
   (B) a transportable structure that is designed to be occupied for residential or business purposes, whether or not it is affixed to land.
4. "Personal property" means property that is not real property.
5. "Intangible personal property" means personal property that can be seen, weighed, measured, felt, or otherwise perceived by the senses, but does not include a document or other perceptible object that constitutes evidence of a valuable interest, claim, or right and has negligible or no intrinsic value.
6. "Market value" means:
   (A) exposed for sale in the open market with a reasonable time for the seller to find a purchaser;
   (B) both the seller and the purchaser know of all the uses and purposes to which the property is adapted and for which it is capable of being used and of the enforceable restrictions on its use; and
   (C) both the seller and purchaser seek to maximize their gains and neither is in a position...
§ 1.05. City Fiscal Year

The governing body of a home-rule city may establish by ordinance a fiscal year different from that fixed in its charter if a different fiscal year is desirable to adapt budgeting and other fiscal activities to the tax cycle required by this title.

[Acts 1979, 66th Leg., p. 2220, ch. 841, § 1, eff. Jan. 1, 1982.]
§ 1.10 TAX CODE

retained in electronic data-processing equipment. However, a physical document for each must be prepared and made readily available to the public.

§ 1.11. Communications to Fiduciary

(a) On the written request of a property owner, an appraisal office or an assessor or collector shall deliver all notices, tax bills, and other communications relating to the owner’s property or taxes to the owner’s fiduciary.

(b) A request pursuant to this section remains in effect until revoked by the owner.

§ 1.12. Weighted Average Level of Appraisal

For purposes of this title, “weighted average level of appraisal” is determined by dividing the total appraisal value, as determined by the appraisal office or the appraisal review board, of a reasonable and representative sample of properties in the appraisal district by the sum of the following with respect to those properties:

1. The total value determined according to law of properties that qualify for appraisal for tax purposes according to a standard other than market value; and
2. The total market value of all other properties.

§ 1.13. Masters for Tax Suits

Text of section as added by Acts 1983, 68th Leg., p. 5058, ch. 916, § 1, eff. Sept. 1, 1983.

(a) The court may, in delinquent tax suits, for good cause appoint a master in chancery for each case as desired, who shall be a citizen of this state and not an attorney for either party to the action, nor related to either party, who shall perform all of the duties required of him by the court, and shall be under orders of the court, and have such power as the master of chancery has in a court of equity.

(b) The order of reference to the master may specify or limit his powers, and may direct him to report only upon particular issues, or to do or perform particular acts, or to receive and report evidence only, and may fix the time and place for beginning and closing the hearings and for the filing of the master’s report. Subject to the limitations and specifications stated in the order, the master has and shall exercise the power to regulate all proceedings in every hearing before him and to do all acts and take all measures necessary or proper for the efficient performance of his duties under the order. He may require the production before him of evidence upon all matters embraced in the reference, including the production of books, papers, vouchers, documents, and other writings applicable thereto. He may rule upon the admissibility of evidence, unless otherwise directed by the order of reference, and has the authority to put witnesses on oath, and may, himself, examine them, and may call the parties to the action and examine them upon oath. When a party so requests, the master shall make a record of the evidence offered and excluded in the same manner as provided for a court sitting in the trial of a case.

(c) The clerk of the court shall forthwith furnish the master with a copy of the order of reference.

(d) The parties may procure the attendance of witnesses before the master by the issuance and service of process as provided by law.

(e) The court may confirm, modify, correct, reject, reverse, or recommit the report, after it is filed, as the court may deem proper and necessary in the particular circumstances of the case. The court shall award reasonable compensation to such master to be taxed as costs of suit.

§ 1.13. Appraisers for Taxing Units Prohibited

A taxing unit may not employ any person for the purpose of appraising property for taxation purposes except to the extent necessary to perform a contract under Section 6.05(b) of this code.

For text as added by Acts 1983, 68th Leg., p. 5058, ch. 916, § 1, see § 1.13, ante Oct. 1, 1985.

§ 5.08. Professional and Technical Assistance

(a) The board may provide professional and technical assistance on request to an appraisal review board. The board may require reimbursement for the costs of providing the assistance.
(b) The board may provide information to and consult with persons actively engaged in appraising property for tax purposes about any matter relating to property taxation without charge.

Section 1 of Acts 1979, 66th Leg., p. 2217, enacted Title 1 of the Tax Code, the Property Tax Code. Section 5 of said Act was the effective date provision. Subsection (b) thereof provided: “Chapter 5 takes effect January 1, 1980. The board shall provide advice and assistance as provided by Section 5.08 to local officials on the implementation of the Property Tax Code.”

§ 5.09. Annual Report

(a) The board shall publish an annual report of its operations under this code and of the operations of the appraisal districts. The report shall include for each appraisal district, each county, and each school district and may include for other taxing units the total appraised values, assessed values, and taxable values of taxable property by class of property, the assessment ratio, and the tax rate.
(b) The board shall deliver a copy of each annual report to the governor, the lieutenant governor, and each member of the legislature.

§ 5.10. Ratio Studies

(a) The board shall conduct a biennial study in each appraisal district to determine for each odd-numbered year the degree of uniformity of and the weighted average level of appraisals by the appraisal district within each major kind of property. The board shall publish the findings of the study before the end of the even-numbered year following the year for which the study is conducted. In conducting the study, the board shall use appropriate standard statistical analysis techniques to compute measures of central tendency and average dispersion.
(b) The published findings of a ratio study conducted by the State Property Tax Board shall be distributed to all members of the legislature and to all appraisal districts.

§ 6.02. Appraisal Districts Established

(a) An appraisal district is established in each county.

(b) The district is responsible for appraising property in the district for ad valorem tax purposes of each taxing unit that imposes ad valorem taxes on property in the district.

(c) An appraisal district is a political subdivision of the state.

§ 6.02. District Boundaries

(a) Except as otherwise provided by this section, the appraisal district's boundaries are the same as the county's boundaries.

(b) A taxing unit that has boundaries extending into two or more counties may choose to participate in only one of the appraisal districts. In that event, the boundaries of the district chosen extend outside the county to the extent of the unit's boundaries. To be effective, the choice must be approved by resolution of the board of directors of the district chosen.

(c) A taxing unit that has chosen to participate in a single appraisal district under Subsection (b) of this section may revoke that choice and, if permitted to do so by Subsection (b), choose to participate in a single appraisal district other than the one previously chosen. A taxing unit that has withdrawn from an appraisal district under this subsection and chosen to participate in another single appraisal district may not under this subsection withdraw from that district.

(d) A taxing unit that makes a choice under this section must do so by an official action of its governing body in the manner required by law for official action by the body. A choice made by a taxing unit under this section takes effect beginning on the next January 1 that is at least 90 days from the date on which the choice is made.

(e) If a taxing unit ceases to have territory in the county for which the appraisal district in which the unit participates is established, but still has territory in two or more counties, the unit may choose to participate in only one district in the manner prescribed by this section.

(f) All costs of operating an appraisal district in territory outside the county for which the appraisal district is established are allocated to the taxing unit that chooses to add that territory to the district. If two or more taxing units add the same territory to an appraisal district, costs of operating the district in that territory are allocated to the units in the proportion the total dollar amount of taxes each unit imposes in that territory bears to the total dollar amount of taxes all taxing units participating in the appraisal district impose in that territory.

§ 6.01. Appraisal Districts Established

(a) An appraisal district is established in each county.

(b) The district is responsible for appraising property in the district for ad valorem tax purposes of each taxing unit that imposes ad valorem taxes on property in the district.

(c) An appraisal district is a political subdivision of the state.

[duplicate lines]

§ 6.02. District Boundaries

(a) Except as otherwise provided by this section, the appraisal district's boundaries are the same as the county's boundaries.

(b) A taxing unit that has boundaries extending into two or more counties may choose to participate in only one of the appraisal districts. In that event, the boundaries of the district chosen extend outside the county to the extent of the unit's boundaries. To be effective, the choice must be approved by resolution of the board of directors of the district chosen.

(c) A taxing unit that has chosen to participate in a single appraisal district under Subsection (b) of this section may revoke that choice and, if permitted to do so by Subsection (b), choose to participate in a single appraisal district other than the one previously chosen. A taxing unit that has withdrawn from an appraisal district under this subsection and chosen to participate in another single appraisal district may not under this subsection withdraw from that district.

(d) A taxing unit that makes a choice under this section must do so by an official action of its governing body in the manner required by law for official action by the body. A choice made by a taxing unit under this section takes effect beginning on the next January 1 that is at least 90 days from the date on which the choice is made.

(e) If a taxing unit ceases to have territory in the county for which the appraisal district in which the unit participates is established, but still has territory in two or more counties, the unit may choose to participate in only one district in the manner prescribed by this section.

(f) All costs of operating an appraisal district in territory outside the county for which the appraisal district is established are allocated to the taxing unit that chooses to add that territory to the district. If two or more taxing units add the same territory to an appraisal district, costs of operating the district in that territory are allocated to the units in the proportion the total dollar amount of taxes each unit imposes in that territory bears to the total dollar amount of taxes all taxing units participating in the appraisal district impose in that territory.

§ 6.02 TAX CODE

shall prepare a ballot, listing the candidates alphabetically
according to the first letter in each candidate's surname, and shall deliver a copy of the
ballot to the presiding officer of the governing body
each taxing unit that is entitled to vote.

The governing body of each taxing unit entitled
to vote shall determine its vote by resolution
and submit it to the county clerk before November
15. The county clerk shall count the votes, declare

the board of directors of the existence of the vacancy,
and the county clerk shall prepare and deliver to
the board of directors within the next five days a

elect by majority vote of its members one of the
nominees to fill the vacancy.

1980. Amended by Acts 1981, 67th Leg., 1st C.S., p. 120,
ch. 13, § § 15, 167(a), eff. Aug. 14, 1981.]

Section 1 of Acts 1979, 66th Leg., p. 2217, ch. 841, enacted Title 1
of the Tax Code, the Property Tax Code. Section 3 of said Act was
effective date provision. Subsection (c) thereof provided, in part:

"(1) Except as otherwise provided by this subsection, Subchapter
A of Chapter 6 takes effect January 1, 1980.

"(2) For the purpose of appointing the first members of the
appraisal district board of directors, Section 6.03 takes effect
September 1, 1979."

Section 156(a) of the 1981 amendatory act provides:

"A change in the membership of an appraisal district board of
directors or in the method of selection that was made under
Section 6.02(b), Property Tax Code, prior to the effective date of
this Act expires December 31, 1981, and does not apply to appoint-
ment of members for terms beginning January 1, 1982."

§ 6.031. Changes in Board Membership or Selection

(a) The board of directors of an appraisal district,
by resolution adopted and delivered to each taxing
unit participating in the district before August 15,
may increase the number of members on the board
of directors of the district to not more than 13, change the method or procedure for appointing the members, or both, unless the governing body of a taxing unit that is entitled to vote on the appointment of board members adopts a resolution opposing the change, and files it with the board of directors before September 1. If a change is rejected, the board shall notify, in writing, each taxing unit participating in the district before September 15.

(b) The taxing units participating in an appraisal district may increase the number of members on the board of directors of the district to not more than 13, change the method or procedure for appointing the members, or both, if the governing bodies of three-fourths of the taxing units that are entitled to vote on the appointment of board members adopt resolutions providing for the change. However, a change under this subsection is not valid if it reduces the voting entitlement of one or more taxing units that do not adopt a resolution proposing it to less than a majority of the voting entitlement under Section 6.03 of this code or if it reduces the voting entitlement of any taxing unit that does not adopt a resolution proposing it to less than 50 percent of its voting entitlement under Section 6.03 of this code and if that taxing unit's allocation of the budget is not reduced to the same proportional percentage amount, or if it expands the types of taxing units that are entitled to vote on appointment of board members.

(c) An official copy of a resolution under this section must be filed with the county clerk of the county the appraisal district primarily serves after June 30 and before October 1 of a year in which board members are appointed or the resolution is ineffective.

(d) Before October 5 of each year in which board members are appointed, the county clerk shall determine whether a sufficient number of eligible taxing units have filed valid resolutions proposing a change for the change to take effect. The clerk shall notify each taxing unit participating in the district of each change that is adopted before October 10.

(e) A change in membership or selection made as provided by this section remains in effect until changed in a manner provided by this section or rescinded by resolution of a majority of the governing bodies that are entitled to vote on appointment of board members under Section 6.03 of this code.

(f) A provision of Section 6.03 of this code that is subject to change under this section but is not expressly changed by resolution of a sufficient number of eligible taxing units remains in effect.

[S 6.05 Property Tax Code]
§ 6.05  TAX CODE

may not employ any person for the purpose of appraising property for taxation purposes except to the extent necessary to perform a contract under Section 6.05(b), Property Tax Code. This section expires October 1, 1985."

§ 6.06. Appraisal District Budget and Financing

(a) Each year the chief appraiser shall prepare a proposed budget for the operations of the district for the following tax year and shall submit copies to each taxing unit participating in the district and to the district board of directors before June 15. He shall include in the budget a list showing each proposed position, the proposed salary for the position, all benefits proposed for the position, each proposed capital expenditure, and an estimate of the amount of the budget that will be allocated to each taxing unit.

(b) The board of directors shall hold a public hearing to consider the budget. The secretary of the board shall deliver to the presiding officer of the governing body of each taxing unit participating in the district not later than the 10th day before the date of the hearing a written notice of the date, time, and place fixed for the hearing. The board shall complete its hearings, make any amendments to the proposed budget it desires, and finally approve a budget before September 15. If governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving a budget and file them with the secretary of the board within 30 days after its adoption, the budget does not take effect, and the board shall adopt a new budget within 30 days of the disapproval.

(c) The board may amend the approved budget at any time, but the secretary of the board must deliver a written copy of a proposed amendment to the presiding officer of the governing body of each taxing unit participating in the district not later than the 30th day before the date the board acts on it.

(d) Each taxing unit participating in the district is allocated a portion of the amount of the budget equal to the proportion that the total dollar amount of property taxes imposed in the district by the unit for the tax year in which the budget proposal is prepared bears to the sum of the total dollar amount of property taxes imposed in the district by each participating unit for that year. If a taxing unit participates in two or more districts, only the taxes imposed in a district are used to calculate the unit's cost allocations in that district. If the number of real property parcels in a taxing unit is less than 5 percent of the total number of real property parcels in the district and the taxing unit imposes in excess of 25 percent of the total amount of the property taxes imposed in the district by all of the participating taxing units for a year, the unit's allocation may not exceed a percentage of the appraisal district's budget equal to three times the unit's percentage of the total number of real property parcels appraised by the district.

(e) Unless the governing body of a unit and the chief appraiser agree to a different method of payment, each taxing unit shall pay its allocation in four equal payments to be made at the end of each calendar quarter, and the first payment shall be made before January 1 of the year in which the budget takes effect. A payment is delinquent if not paid on the due date it is due. A delinquent payment incurs a penalty of 5 percent of the amount of the payment and accrues interest at an annual rate of 10 percent. If the budget is amended, any change in the amount of a unit's allocation is apportioned among the payments remaining.

(f) Payments shall be made to a depository designated by the district board of directors. The district's funds may be disbursed only by a written check, draft, or order signed by the chairman and secretary of the board or, if authorized by resolution of the board, by the chief appraiser.

(g) If a taxing unit decides not to impose taxes for any tax year, the unit is not liable for any of the costs of operating the district in that year, and those costs are allocated among the other taxing units as if that unit had not imposed taxes in the year used to calculate allocations. However, if that unit has made any payments, it is not entitled to a refund.

(h) If a newly formed taxing unit or a taxing unit that did not impose taxes in the preceding year imposes taxes in any tax year, that unit is allocated a portion of the amount budgeted to operate the district as if it had imposed taxes in the preceding year, except that the amount of taxes the unit imposes in the current year is used to calculate its allocation. Before the amount of taxes to be imposed for the current year is known, the allocation may be based on an estimate to which the district board of directors and the governing body of the unit agree, and the payments made after that amount is known shall be adjusted to reflect the amount imposed. The payments of a newly formed taxing unit that has no source of funds are postponed until the unit has received adequate tax or other revenues.

Section 1 of Acts 1981, 67th Leg., p. 2227, ch. 841, enacted Title 1 of the Texas Code, the Property Tax Code. Section 3 of said Act was the effective date provision. Subdivisions (a)(2) to (a)(5) thereof provided:

"(a) Section 6.06 takes effect January 1, 1981. However, for the purpose of preparing and adopting a budget for 1981, Subsections (a) through (e) of Section 6.06 take effect September 1, 1980. The board shall perform the chief appraiser's functions as provided by Section 6.06 before the district employs a chief appraiser.

"(b) Between January 1, 1980, and January 1, 1982, the appraisal district board of directors shall prepare for the district's operations pursuant to the Property Tax Code. The board of directors shall establish, equip, and staff the appraisal office before January 1, 1982. In 1980, the board of directors shall operate with funds distributed by the State Property Tax Board and in 1981 shall operate with the state funds and with the money paid to the district pursuant to Section 6.06, Property Tax Code."
§ 6.09. Changes in Method of Financing

(a) The board of directors of an appraisal district, by resolution adopted and delivered to each taxing unit participating in the district after June 15 and before August 15, may prescribe a different method of allocating the costs of operating the district unless the governing body of any taxing unit that participates in the district adopts a resolution opposing the different method, and files it with the board of directors before September 1. If a board proposal is rejected, the board shall notify, in writing, each taxing unit participating in the district before September 15.

(b) The taxing units participating in an appraisal district may adopt a different method of allocating the costs of operating the district if the governing bodies of three-fourths of the taxing units that are entitled to vote on the appointment of board members adopt resolutions providing for the other method. However, a change under this subsection is not valid if it requires any taxing unit to pay a greater proportion of the appraisal district’s costs than the unit would pay under Section 6.06 of this code without the consent of the governing body of that unit.

(c) An official copy of a resolution under this section must be filed with the county clerk of the county the appraisal district primarily serves after April 30 and before May 15 or the resolution is ineffective.

(d) Before May 20, the county clerk shall determine whether a sufficient number of eligible taxing units have filed valid resolutions proposing a change in the allocation of district costs for the change to take effect. Before May 25, the clerk shall notify each taxing unit participating in the district of each change that is adopted.

(e) A change in allocation of district costs made as provided by this section remains in effect until changed in a manner provided by this section or rescinded by resolution of a majority of the governing bodies that are entitled to vote on appointment of board members under Section 6.08 of this code.

§ 6.07. Taxing Unit Boundaries

If a new taxing unit is formed or an existing taxing unit’s boundaries are altered, the unit shall notify the appraisal office of the new boundaries within 30 days after the date the unit is formed or its boundaries are altered.

§ 6.08. Notice of Optional Exemptions

If a taxing unit adopts, amends, or repeals an exemption that the unit by law has the option to adopt or not, the taxing unit shall notify the appraisal office of its action and of the terms of the exemption within 30 days after the date of its action.

§ 6.09. Designation of District Depository

(a) The appraisal district depository must be a banking corporation incorporated under the laws of this state or the United States or a savings and loan association in this state whose deposits are insured by the Federal Savings and Loan Insurance Corporation.

(b) The appraisal district board of directors shall designate as the district depository the financial...
§ 6.09

institutions or institutions that offer the most favorable terms and conditions for the handling of the district's funds.

(c) The board shall solicit bids to be designated as depository for the district at least once in each two-year period.

(d) To the extent that funds in the depository are not insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, they shall be secured in the manner provided by law for the security of funds of counties.

§ 6.10. Disapproval of Board Actions

If the governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving an action, other than adoption of the budget, by the appraisal district board of directors and file them with the secretary of the board within 15 days after the action is taken, the action is revoked effective the day after the day on which the required number of resolutions is filed.

§ 6.11. Competitive Bidding Requirement

(a) The board of directors of an appraisal district may not make a contract requiring an expenditure of more than $5,000 unless the proposed contract is submitted to competitive bidding.

(b) The board of directors is subject to the same requirements and has the same powers regarding the following matters as apply to a commissioners court under The Certificate of Obligation Act of 1971 (Article 238a.1, Vernon's Texas Civil Statutes):

(1) notice of the contract;
(2) issuance of the contract to the lowest responsible bidder;
(3) rejection of bids;
(4) expenditure of funds on the completion and acceptance of the contract;
(5) exceptions to the competitive bidding requirement;
(6) change orders; and
(7) effect of noncompliance with the competitive bidding requirements.

(c) The notice of the contract shall be published in a newspaper of general circulation in the district. If there is no newspaper of general circulation in the district, the notice shall be posted at the appraisal office for the district.

[Sections 6.12 to 6.20 reserved for expansion]

SUBCHAPTER B. ASSESSORS AND COLLECTORS

§ 6.21. County Assessor-Collector

(a) The assessor-collector for a county is determined as provided by Article VIII, Sections 14, 16, and 16a, of the Texas Constitution.

(b) If a county with a population of less than 10,000 authorizes a separate county assessor-collector as provided by Article VIII, Section 16a, of the Texas Constitution, the commissioners court may appoint a county assessor-collector to serve until an assessor-collector is elected at the next general election and has qualified.

[Acts 1979, 66th Leg., p. 2227, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 6.22. Assessor and Collector for Other Taxing Units

(a) The assessor and collector for a taxing unit other than a county or a home-rule city are determined by the law creating or authorizing creation of the unit.

(b) The assessor and collector for a home-rule city are determined by the city's charter and ordinances.

(c) The governing body of a taxing unit authorized to have its own assessor and collector by official action in the manner required by law for official action by the body may require the county to assess and collect the taxes the unit imposes in the county in the manner in which the county assesses and collects its taxes. The governing body of the unit may revoke the requirement at any time by the same official action.

[Acts 1979, 66th Leg., p. 2227, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 6.23. Duties of Assessor and Collector

(a) The county assessor-collector shall assess and collect taxes on property in the county for the county. He shall also assess and collect taxes on property for another taxing unit if:

(1) the law creating or authorizing creation of the county requires it to use the county assessor-collector for the taxes the unit imposes in the county;
(2) the law creating or authorizing creation of the unit does not mention who assesses and collects its taxes and the unit imposes taxes in the county;
(3) the governing body of the unit requires the county to assess and collect its taxes as provided by Subsection (c) of Section 6.22 of this code; or
(4) required by an intergovernmental contract.

(b) The assessor and collector for a taxing unit other than a county shall assess, collect, or assess and collect taxes, as applicable, for the unit. He
shall also assess, collect, or assess and collect taxes, as applicable, for another unit if:

(1) required by or pursuant to the law creating or authorizing creation of the other unit; or

(2) required by an intergovernmental contract.

§ 6.24. Contracts for Assessment and Collection

(a) The governing body of a taxing unit other than a county may contract as provided by the Interlocal Cooperation Act with the governing body of another unit or with the board of directors of an appraisal district for the other unit or the district to perform duties relating to the assessment or collection of taxes.

(b) The commissioners court with the approval of the county assessor-collector may contract as provided by the Interlocal Cooperation Act with the governing body of another taxing unit in the county or with the board of directors of the appraisal district for the other unit or the district to perform duties relating to the assessment or collection of taxes for the county. If a county contracts to have its taxes assessed and collected by another taxing unit or by the appraisal district, the contract shall require the other unit or the district to assess and collect all taxes the county is required to assess and collect.

(d) A contract under this section may provide for the entity that collects taxes to contract with an attorney, as provided by Section 6.30 of this code, for collection of delinquent taxes.

§ 6.26. Election to Consolidate Assessing and Collecting Functions

(a) The qualified voters residing in an appraisal district by petition submitted to the county clerk of the county principally served by the appraisal district may require that an election be held to determine whether or not to require the appraisal district, the county assessor-collector, or another taxing unit that is assessing and collecting property taxes to assess, collect, or assess and collect the unit's property taxes.

(c) A petition is valid if:

(1) it states that it is intended to require an election in the appraisal district or taxing unit on the question of consolidation of assessing or collecting functions or both;

(2) it states the functions to be consolidated and identifies the entity or office that will be required to perform the functions; and

(3) it is signed by a number of qualified voters equal to at least 10 percent of the number of qualified voters, according to the most recent official list of qualified voters, residing in the appraisal district, if the petition is authorized by Subsection (a) of this section, or in the taxing unit, if the petition is authorized by Subsection (b) of this section, or by 10,000 qualified voters, whichever number is less.

(d) Not later than the 10th day after the day the petition is submitted, the commissioners court, if the petition is authorized by Subsection (a) of this section, or the governing body of the taxing unit, if the petition is authorized by Subsection (b) of this section, shall determine whether the petition is valid and pass a resolution stating its finding. The signature of a person may not be counted for purposes of validating the petition under Subsection (c)(3) of this section if:

(1) the person does not enter beside his signature at the time of his signing the date on which he signs the petition; or

(2) the person signs the petition more than 30 days before the date on which the petition is submitted to the county clerk or the governing body.

(e) If the commissioners court or the governing body finds that the petition is valid, it shall order that an election be held in the district or taxing unit on the next uniform election date prescribed by the Texas Election Code that is more than 60 days after the last day on which it could have acted to approve or disapprove the petition. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Requiring the (name of entity or office) to (assess, collect, or assess and collect, as applicable) property taxes for (all taxing units in the appraisal district for ... county or name of taxing unit or units, as applicable)."

(f) If a majority of the qualified voters voting on the question in the election favor the proposition, the entity or office named by the ballot shall perform the functions named by the ballot beginning with the next time property taxes are assessed or collected, as applicable, that is more than 90 days after the date of the election. If the governing bodies (and appraisal district board of directors
when the district is involved) agree, a function may be consolidated when performance of the function begins in less than 90 days after the date of the election.

(g) A taxing unit shall pay the actual cost of performance of the functions to the office or entity that performs functions for it pursuant to an election as provided by this section.

(h) If a taxing unit is required by election pursuant to Subsection (b) of this section to assess, collect, or assess and collect property taxes for another taxing unit, it shall also perform the functions for all taxing units for which the other unit previously performed those functions pursuant to law or intergovernmental contract.

(i) If functions are consolidated by an election, a taxing unit may not terminate the consolidation within two years after the date of the consolidation.

(j) An appraisal district may not be required by an election to assess, collect, or assess and collect taxes on property outside the district's boundaries. A taxing unit may not be required by an election to assess, collect, or assess and collect taxes on property outside the boundaries of the appraisal district that appraises property for the unit.

Section 2 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies to petitions submitted under Section 6.26, Tax Code, on or after the effective date of this Act. Petitions submitted under Section 6.26, Tax Code, before the effective date of this Act are covered by Section 6.26 as it existed when the petition was submitted for validation, and the former law is continued in effect for that purpose."

§ 6.27. Compensation for Assessment and Collection

(b) The county assessor-collector is entitled to a reasonable fee, which may not exceed the actual costs incurred, for assessing and collecting taxes for a taxing unit pursuant to Subdivisions (1) through (3) of Subsection (a) of Section 6.23 of this code.

(c) The assessor or collector for a taxing unit other than a county is entitled to reasonable compensation, which may not exceed the actual costs incurred, for assessing or collecting taxes for a taxing unit pursuant to Subsection (b) of Section 6.23 of this code.

§ 6.28. Bonds for State and County Taxes

(a) To qualify for office, a person elected or appointed as county assessor-collector must, within 20 days after receiving notice of his election or appointment, give bonds to the state and to the county, conditioned on the faithful performance of his duties as assessor-collector.

(b) The bond for state taxes must be payable to the governor and his successors in office in an amount equal to five percent of the net state collections from motor vehicle sales and use taxes and motor vehicle registration fees in the county during the year ending August 31 preceding the date bond is given, except that the amount of bond may not be less than $2,500 or more than $100,000. To be effective, the bond must be approved by the commissioners court and the state comptroller of public accounts.

(c) The bond for county taxes must be payable to the commissioners court in an amount equal to 10 percent of the total amount of county taxes imposed in the preceding tax year, except that the amount of the bond may not be more than $100,000. To be effective, the bond must be approved by the commissioners court.

(d) The state comptroller of public accounts or the commissioners court may require a new bond for state taxes at any time. The commissioners court may require a new bond for county taxes at any time. However, the total amount of state bonds or county bonds required of an assessor-collector may not exceed $100,000 at one time. The commissioners court shall suspend the assessor-collector from office and begin removal proceedings if he fails to give new bond within a reasonable time after demand.

(e) The assessor-collector's official oath and bonds for state and county taxes shall be recorded in the office of the county clerk, and the county judge shall submit the bond for state taxes to the state comptroller of public accounts.

(f) A county shall pay a reasonable premium for the assessor-collector's bonds for state and county taxes out of the county general revenue fund on presentation to the commissioners court of a bill for the premium authenticated as required by law for other claims against the county. A court of competent jurisdiction may determine the reasonableness of any amount claimed as premium.

§ 6.29. Bonds for Other Taxes

(a) A taxing unit, other than a county, that has its own collector shall require him to give bond conditioned on the faithful performance of his duties. To be effective, the bond must be made payable to and must be approved by the governing body of the unit
in an amount determined by the governing body. The governing body may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The governing body may prescribe additional requirements for the bond.

(b) A taxing unit whose taxes are collected by the collector for another taxing unit may require the collector to give bond conditioned on the faithful performance of his duties. To be effective, the bond must be made payable to and must be approved by the governing body of the unit requiring bond in an amount determined by the governing body. (b) The governing body of a taxing unit other than a county may determine who represents the unit to enforce the collection of delinquent taxes. If a taxing unit collects taxes for another taxing unit, the attorney representing the unit to enforce the collection of delinquent taxes may represent the other unit with consent of its governing body.

(c) The governing body of a taxing unit may contract with any competent attorney to represent the unit to enforce the collection of delinquent taxes. The attorney's compensation is set in the contract, but the total amount of compensation provided may not exceed 20 percent of the amount of delinquent tax, penalty, and interest collected.

(e) A contract with an attorney that does not conform to the requirements of this section is void.

§ 11.13. Residence Homestead

(a) A family or single adult is entitled to an exemption from taxation for the county purposes authorized in Article VIII, Section 1-a, of the Texas Constitution of $3,000 of the assessed value of his residence homestead.

(b) An adult is entitled to exemption from taxation by a school district of $5,000 of the assessed value of his residence homestead.

(c) In addition to the exemption provided by Subsection (b) of this section, an adult who is disabled or is 65 or older is entitled to an exemption from taxation by a school district of $50,000 of the appraised value of his residence homestead.

(d) In addition to the exemptions provided by Subsections (b) and (c) of this section, an individual who is disabled or is 65 or older is entitled to an exemption from taxation by a taxing unit of a portion (the amount of which is fixed as provided by Subsection (e) of this section) of the appraised value of his residence homestead if the exemption is adopted either:

(1) by the governing body of the taxing unit; or

(2) by a favorable vote of a majority of the qualified voters of the taxing unit at an election called by the governing body of the taxing unit, and the governing body shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the taxing unit.

(e) The amount of an exemption adopted as provided by Subsection (d) of this section is $5,000 of the appraised value of the residence homestead unless a larger amount is specified by:

(1) the governing body authorizing the exemption if the exemption is authorized as provided by Subdivision (1) of Subsection (d) of this section; or

(2) the petition for the election if the exemption is authorized as provided by Subdivision (2) of Subsection (d) of this section.

(f) Once authorized, an exemption adopted as provided by Subsection (d) of this section may be repealed or decreased or increased in amount by the governing body of the taxing unit or by the procedure authorized by Subdivision (2) of Subsection (d) of this section. In the case of a decrease, the amount of the exemption may not be reduced to less than $5,000 of the market value.

(g) If the residence homestead exemption provided by Subsection (d) of this section is adopted by a county that levies a tax for the county purposes authorized by Article VIII, Section 1-a, of the Texas Constitution, the residence homestead exemptions provided by Subsections (a) and (d) of this section may not be aggregated for the county tax purposes. An individual who is eligible for both exemptions is entitled to take only the exemption authorized as provided by Subsection (d) of this section for purposes of that county tax.

(h) Joint or community owners may not each receive the same exemption provided by or pursuant to this section for the same residence homestead in the same year. An eligible disabled person who is 65 or older may not receive both a disabled and an elderly residence homestead exemption but may choose either.

(k) A qualified residential structure does not lose its character as a residence homestead if a portion of the structure is rented to another or is used primarily for other purposes that are incompatible with the owner's residential use of the structure. However, the amount of any residence homestead exemption does not apply to the value of that portion of the structure that is used primarily for purposes that are incompatible with the owner's residential use.

(l) A qualified residential structure does not lose its character as a residence homestead when the owner who qualifies for the exemption temporarily stops occupying it as a principal residence if that owner does not establish a different principal residence and intends to return and occupy the structure as his principal residence.

(n) In addition to any other exemptions provided by this section, an individual is entitled to an exemption from taxation by a taxing unit of a percentage of the appraised value of his residence homestead if the exemption is adopted by the governing body of the taxing unit in the manner provided by law for official action by the body. If the percentage set by the taxing unit produces an exemption from taxation by a taxing unit of a percentage adopted by the taxing unit may not exceed 20 percent for the tax year 1988 and each subsequent tax year.

"Sec. 1. (b) Taxes imposed by the school district for 1982 on the applicant's homestead may not exceed the amount of taxes the district would have imposed on the homestead for 1979 if the individual had applied for and received in 1979 the residence homestead exemption for individuals 65 years of age or older.

"Sec. 4. (a) The chief appraiser shall publish in a newspaper a notice of the tax relief provided by this Act. The notice shall be published once each week for three weeks immediately preceding the date of the deadline prescribed by Section 1 of this Act for filing an application for the tax relief.

SUBCHAPTER B. SPECIAL APPRAISAL PROVISIONS

§ 23.11. Banking Corporation

(a) The stock of a banking corporation that is located in this state is appraised by subtracting the actual cash value of the bank's stock from the market value of the real property owned by the bank. Real property owned by a banking corporation subject to this section is appraised in the same manner as other real property, but a banking corporation's personal property is not subject to taxation except as provided by Section 23.15 of this code.

(b) Except as provided by Subsection (b) of this section and shall apply generally accepted appraisal techniques in computing the market value as defined in Subsection (a) of this section.

(d) Subsections (b) and (c) of this section apply only to an inventory held for sale, lease, or rental.

§ 23.12. Inventory

(a) The market value of an inventory is the price for which it would sell as a unit to a purchaser who would continue the business.

(b) The chief appraiser shall establish procedures for the equitable and uniform appraisal of inventory for taxation. In conjunction with the establishment of the procedures, the chief appraiser shall:

1. By applying the same enforcement, verification, and audit procedures, techniques, and criteria to the discovery, physical examination, or quantification of all inventories without regard to the kind, nature, or character of the property comprising the inventory.

(c) In appraising an inventory, the chief appraiser shall use the information obtained pursuant to Subsection (b) of this section and shall apply generally accepted appraisal techniques in computing the market value as defined in Subsection (a) of this section.

§ 23.13. Taxable Leases

A taxable leasehold or other possessory interest in real property that is exempt from taxation to the owner of the estate or interest encumbered by the possessory interest is appraised at the market value of the leasehold or other possessory interest. However, the appraised value may not be less than the total rental paid for the interest for the current tax year.

[Acts 1979, 66th Leg., p. 2253, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.14. Unincorporated Bank

(a) Except as provided by Subsection (b) of this section, the real property and the tangible and intangible personal property owned by an unincorporated bank are appraised at market value.

(b) Money on hand, in transit, or on deposit and notes and accounts receivable, unpaid interest accrued, and other credits are appraised by deducting the total amount of the bank's deposit liability from the total market value of all of those items.

[Acts 1979, 66th Leg., p. 2253, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.15. Intangibles of an Insurance Company

§ 23.17. Mineral Interest Not Being Produced

An interest in a mineral that may be removed by surface mining or quarrying from a deposit and that is not being produced is appraised at the price for which the interest would sell while the mineral is in place and not being produced. The appraised value is determined by applying a per acre value to the
number of acres covered by the interest. The aggregate of the appraised value of the interest and the appraised value of all other interests that if not under separate ownership would constitute a fee simple estate in real property may not exceed the appraised value that would be placed on the fee estate if the interest in minerals were not owned separately.

[Acts 1979, 66th Leg., p. 2253, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.18. Property Owned by a Nonprofit Homeowners' Organization for the Benefit of Its Members

(a) Because many residential subdivisions are developed on the basis of a nonprofit corporation or association maintaining nominal ownership to property, such as swimming pools, parks, meeting halls, parking lots, tennis courts, or other similar property, that is held for the use, benefit, and enjoyment of the members of the organization, that nominally owned property is to be appraised as provided by this section on the basis of a nominal value to avoid double taxation of the property that would result from taxation on the basis of market value of both the property of the organization and the residential units or lots of the members of the organization, whose property values are enhanced by the right to use the organization’s property.

(b) All property owned by an organization that qualifies as a nonprofit homeowners' organization under this section is appraised at a nominal value as provided by this section if:

(1) the property is held for the use, benefit, and enjoyment of all members of the organization equally;

(2) each member of the organization owns an easement, license, or other nonrevocable right for the use and enjoyment on an equal basis of all property held by the organization, even if the right is subject to a restriction imposed by the instruments conveying the right or interest or granting the easement or subject to a rule, regulation, or bylaw imposed by the organization pursuant to authority granted by articles of incorporation, declaration of covenants, conditions and restrictions, the bylaws, or articles of association of the organization;

(3) each member’s easement, license, or other nonrevocable right to the use and enjoyment of the property is appurtenant to and an integral part of the taxable real property owned by the member.

(c) The chief appraiser, in appraising property owned by a member of a qualified nonprofit homeowners' organization who is entitled to the use and enjoyment of facilities owned by the organization, shall consider the enhanced value of the property resulting from the member's right to the use and benefit of those facilities.

(d) An organization qualifies as a nonprofit homeowners' organization under this section if:

(1) it engages in residential real estate management;

(2) it is organized and operated to provide for the acquisition, construction, management, maintenance, and care of property nominally owned by the organization and held for the use, benefit, and enjoyment of its members;

(3) 60 percent or more of the gross income of the organization consists of amounts received as membership dues, fees, or assessments from owners of residences or residential lots within an area subject to the jurisdiction and assessment of the organization;

1 So enrolled bill; probably should read “Section 2101”.

§ 23.41. Appraisal

(a) Land designated for agricultural use is appraised at its value based on the land's capacity to produce agricultural products. The value of land based on its capacity to produce agricultural products is determined by capitalizing the average net income the land would have yielded under prudent management from production of agricultural products during the five years preceding the current year. However, if the value of land as determined
§ 23.41  TAX CODE

by capitalization of average net income exceeds the market value of the land as determined by other generally accepted appraisal methods, the land shall be appraised by application of the other appraisal methods.

(b) The State Property Tax Board shall promulgate rules specifying the methods to apply and the procedures to use in appraising land designated for agricultural use.

(c) The board shall compile, publish, and distribute to the appraisal offices information about soil type, general topography, general weather conditions, and other factors affecting land’s capacity to produce agricultural products for use in classifying agricultural land.

(d) Each year the board shall compile, publish, and distribute to appraisal offices schedules of the agricultural costs and prices for use in calculating average net income for each type of agricultural operation. The board shall use information provided by other state agencies and educational institutions, federal agencies, and other entities interested in agriculture in developing the classifications of land and the schedules.

(e) Improvements other than appurtenances to the land, the mineral estate, and all land used for residential purposes and for processing harvested agricultural products are appraised separately at market value. Riparian water rights, private roads, dams, reservoirs, water wells, and canals, ditches, terraces, and similar reshapings of or additions to the soil for agricultural purposes are appurtenances to the land, and the effect of each on the value of the land for agricultural use shall be considered in appraising the land. However, the State Property Tax Board shall provide that in calculating average net income from land a deduction from income be allowed for an appurtenance subject to depreciation or depletion.

§ 23.42. Eligibility

(a) An individual is entitled to have land he owns designated for agricultural use if, on January 1:

(1) the land has been devoted exclusively to or developed continuously for agriculture for the three years preceding the current year;

(2) he is using and intends to use the land for agriculture as an occupation or a business venture for profit during the current year; and

(3) agriculture is his primary occupation and primary source of income.

(b) Use of land for nonagricultural purposes does not deprive an owner of his right to an agricultural designation if the nonagricultural use is secondary to and compatible with the agricultural use of the land.

(c) Agriculture is an individual’s primary occupation and primary source of income if as of January 1 he devotes a greater portion of his time to and derives a greater portion of his gross income from agriculture than any other occupation. The time an individual devotes to each occupation and the gross income he derives from each is determined by averaging the time he devoted to each and the gross income he derived from each for any number of consecutive years not exceeding five years immediately preceding January 1 of the current year, that he has engaged in agriculture as an occupation. However, if he has not been engaged in agriculture as an occupation for the entire year preceding January 1, the time he has devoted to and the income he has derived from each occupation since the date he began engaging in agriculture as an occupation determine whether agriculture is his primary occupation and primary source of income.

(d) For purposes of this section:

(1) “Agriculture” means the use of land to produce plant or animal products, including fish or poultry products, under natural conditions but does not include the processing of plant or animal products after harvesting or the production of timber or forest products.

(2) “Occupation” includes employment and a business venture that requires continual supervision or management.

§ 23.43. Application

(a) An individual claiming the right to have his land designated for agricultural use must apply for the designation each year he claims it. Application for the designation is made by filing a sworn application form with the chief appraiser for the appraisal district in which the land is located.

(b) A claimant must deliver a completed application form to the chief appraiser before May 1 and must furnish the information required by the form. For good cause shown the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days.

(c) If a claimant fails to timely file a completed application form in a given year, he may not receive the agricultural designation for that year.

(d) The State Property Tax Board in prescribing the contents of the application forms shall ensure that each form requires a claimant to furnish the information necessary to determine the validity of the claim. The board shall require that the form permit a claimant who has previously been allowed an agricultural designation to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported.

[Acts 1979, 66th Leg., p. 2254, ch. 841, § 1, eff. Jan. 1, 1982]
(e) Before February 1 the chief appraiser shall deliver an application form to each individual whose land was designated for agricultural use during the preceding year. He shall include with the application a brief explanation of the requirements for obtaining agricultural designation.

(f) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

§ 23.431. Late Application for Agricultural Designation

(a) The chief appraiser shall accept and approve or deny an application for an agricultural designation after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If an application for agricultural designation is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed without the agricultural designation.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person’s liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit to which an application for agricultural designation allowed after a late application applies shall add the amount of the penalty to the owner’s tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

§ 23.44. Action on Application

(a) The chief appraiser shall determine individually each claimant’s right to the agricultural designation. After considering the application and all relevant information, the chief appraiser shall, as the law and facts warrant:

(1) approve the application and designate the land for agricultural use;

(2) disapprove the application and request additional information from the claimant in support of the claim; or

(3) deny the application.

(b) If the chief appraiser requests additional information from a claimant, the claimant must furnish the information within 30 days after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing additional information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for agricultural designation filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, he shall deliver a written notice of the denial to the claimant within five days after the date of denial. The notice must include a brief explanation of the procedures for protesting the denial.

§ 23.45. Application Confidential

(a) An application for agricultural designation filed with a chief appraiser is confidential and not open to public inspection. The application and the information it contains about specific property or a specific owner may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

(b) Information made confidential by this section may be disclosed:

(1) in a judicial or administrative proceeding pursuant to a lawful subpoena;

(2) to the person who filed the application or to his representative authorized in writing to receive the information;

(3) to the director of the State Property Tax Board and his employees authorized by him in writing to receive the information or to an assessor or a chief appraiser if requested in writing;

(4) in a judicial or administrative proceeding relating to property taxation to which the person who filed the application is a party;

(5) for statistical purposes if in a form that does not identify specific property or a specific property owner; or

(6) if and to the extent the information is required to be included in a public document or record that the appraisal office is required to prepare or maintain.

(c) A person who legally has access to an application for agricultural designation or who legally obtains the confidential information the application contains commits a Class B misdemeanor if he knowingly:

(1) permits inspection of the application by a person not authorized to inspect it by Subsection (b) of this section; or
SUBCHAPTER D. APPRAISAL OF AGRICULTURAL LAND

§ 23.51. Definitions
In this subchapter:
(1) "Qualified open-space land" means land that is currently devoted principally to agricultural use to the degree of intensity generally accepted in the area and that has been devoted principally to agricultural use for five of the preceding seven years or land that is used principally as an ecological laboratory by a public or private college or university. Qualified open-space land includes all appurtenances to the land. For the purposes of this subdivision, appurtenances to the land means private roads, dams, reservoirs, water wells, canals, ditches, terraces, and other reshapings of the soil, fences, and riparian water rights.

(2) "Agricultural use" includes but is not limited to the following activities: cultivating the soil, producing crops for human food, animal feed, or planting seed or for the production of fibers; floriculture, viticulture, and horticulture; raising livestock; and planting cover crops or leaving land idle for the purpose of participating in any governmental program or normal crop or livestock rotation procedure.

(3) "Category" means the value classification of land considering the agricultural use to which the land is principally devoted. Categories of land include but are not limited to irrigated cropland, dry cropland, improved pasture, native pasture, orchard, and waste and may be further divided according to soil type, soil capability, irrigation, general topography, geographical factors, and other factors which influence the productive capacity of the category. The chief appraiser shall obtain information from the Texas Agricultural Extension Service, Soil Conservation Service, and other recognized agricultural sources for the purposes of determining the categories of production existing in the appraisal district.

(4) "Net to land" means the average annual net income derived from the use of open-space land that would have been earned from the land during the five-year period preceding the appraisal by an owner using ordinary prudence in the management of the land and the farm crops or livestock produced or supported on the land and, in addition, any income received from hunting or recreational leases. The chief appraiser shall calculate net to land using an owner-operator budget, subtracting all ordinary and prudent expenses incurred in pursuit of agricultural use, including all ordinary and prudent expenses incurred in connection with hunting and recreational leases and including owner labor and fixed and variable costs, from the five-year average agricultural income using estimates, including but not limited to those available from the Texas Agricultural Ex-
Appraisal of Qualified Agricultural Land

(a) The appraised value of qualified open-space land is determined on the basis of the category of the land, using accepted income capitalization methods applied to average net to land. The appraised value so determined may not exceed the market value as determined by other appraisal methods.

(b) The chief appraiser shall determine the appraised value according to this subchapter and, when requested by a landowner, the appraised value according to Subchapter C of this chapter of each category of open-space land owned by that landowner and shall make each value and the market value according to the preceding year's appraisal roll available to a person seeking to apply for appraisal as provided by this subchapter or as provided by Subchapter C of this chapter.

(c) The chief appraiser may not change the appraised value of a parcel of open-space land unless the owner has applied for and the land has qualified for appraisal as provided by this subchapter or by Subchapter C of this chapter or unless the change is made as a result of a reappraisal.

(d) The State Property Tax Board by rule shall develop and distribute to each appraisal office appraisal manuals setting forth this method of appraising qualified open-space land, and each appraisal office shall use the appraisal manuals in appraising qualified open-space land. The State Property Tax Board by rule shall develop and the appraisal office shall enforce procedures to verify that land meets the conditions contained in Subdivision (1) of Section 23.51 of this code. The rules, before taking effect, must be approved by a majority vote of a committee comprised of the following officials or their designees: the governor, the comptroller, the attorney general, the agriculture commissioner, and the Commissioner of the General Land Office.

(e) For the purposes of Section 23.55 of this code, the chief appraiser also shall determine the market value of qualified open-space land and shall record both the market value and the appraised value in the appraisal records.

(f) The appraisal of minerals or subsurface rights to minerals is not within the provisions of this subchapter.

§ 23.53. Capitalization Rate

The capitalization rate to be used in determining the appraised value of qualified open-space land as provided by this subchapter is 10 percent or the interest rate specified by the Federal Land Bank of Houston on December 31 of the preceding year plus 2 1/2 percentage points, whichever percentage is greater.

§ 23.54. Application

(a) A person claiming that his land is eligible for appraisal under this subchapter must file a valid application with the chief appraiser.

(b) To be valid, the application must:

(1) be on a form provided by the appraisal office and prescribed by the State Property Tax Board; and

(2) contain the information necessary to determine the validity of the claim.

(c) The State Property Tax Board shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The board, in prescribing the contents of the application form, shall require that the form permit a claimant who has previously been allowed appraisal under this subchapter to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported.

(d) The form must be filed before May 1. However, for good cause the chief appraiser may extend the filing deadline for not more than 60 days.
§ 23.54  TAX CODE

(e) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter in subsequent years without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(f) The appraisal office shall make a sufficient number of printed application forms readily available at no charge.

(g) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

(h) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends or after a change in the category of agricultural use. If a person fails to notify the appraisal office as required by this subsection a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this subchapter and the taxes that would otherwise have been imposed.

(i) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty constitutes a lien against the property against which the penalty is imposed. The lien exists in favor of all taxing units for which the additional tax is imposed.

(j) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter in subsequent years without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(k) The appraisal office shall make a sufficient number of printed application forms readily available at no charge.

(l) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

(m) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends or after a change in the category of agricultural use. If a person fails to notify the appraisal office as required by this subsection a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this subchapter and the taxes that would otherwise have been imposed.

(n) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty constituting a lien against the property against which the penalty is imposed. The lien exists in favor of all taxing units for which the additional tax is imposed.

(o) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the 10 preceding years because of failure of the person whose land was allowed appraisal under this subchapter to give notice that its eligibility has ended, he shall add the difference between the appraised value of the land under this subchapter and the market value of the land to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation.

§ 23.541. Late Application for Appraisal as Agricultural Land

(a) The chief appraiser shall accept and approve or deny an application for appraisal under this subchapter after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If appraisal under this subchapter is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed if the property were taxed at market value.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person's liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit that taxes land based on an appraisal under this subchapter after a late application shall add the amount of the penalty to the owner's tax bill, and the tax collector for the unit shall collect the penalty at the same time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

§ 23.55. Change of Use of Land

(a) If the use of land that has been appraised as provided by this subchapter changes, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the five years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land been taxed on the basis of market value in each of those years, plus interest at an annual rate of seven percent calculated from the dates on which the differences would have become due.

(b) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax and interest imposed by this section and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.
§ 23.71. Definitions

In this subchapter:
§ 23.71  TAX CODE

(1) "Category of the land" means the value classification of land for timber production, based on soil type, soil capability, general topography, weather, location, and other pertinent factors, as determined by competent governmental sources.

(2) "Net to land" means the average net income that would have been earned by a category of land over the preceding five years by a person using ordinary prudence in the management of the land and the timber produced on the land. The net income for each year is determined by multiplying the land's potential average annual growth, expressed in cords or board feet of wood, by the average stumpage value, taking into consideration the three general types of timber as produced on the four different soil types, as determined by using information from the U.S. Forest Service, U.S. Geological Survey, the Soil Conservation Service, the Texas Forest Service, and colleges and universities within this state, and by subtracting from the product reasonable management costs and other reasonable expenses directly attributable to the production of the timber.

[Acts 1979, 66th Leg., p. 2261, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.72. Qualification for Productivity Appraisal

Land qualifies for appraisal as provided by this subchapter if it is currently and actively devoted principally to production of timber or forest products to the degree of intensity generally accepted in the area with intent to produce income and has been devoted principally to production of timber or forest products for five of the preceding seven years.

[Acts 1979, 66th Leg., p. 2261, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.73. Appraisal of Qualified Timber Land

(a) The appraised value of qualified timber land is determined on the basis of the category of the land, using accepted income capitalization methods applied to average net to land. The appraised value so determined may not exceed the market value of the land as determined by other appraisal methods.

(b) The State Property Tax Board by rule shall develop and distribute to each appraisal office appraisal manuals setting forth this method of appraising qualified timber land, and each appraisal office shall use the appraisal manuals in appraising qualified timber land. The State Property Tax Board by rule shall develop and the appraisal office shall enforce procedures to verify that land meets the conditions contained in Section 23.72 of this code. The rules, before taking effect, must be approved by majority vote of a committee comprised of the following officials or their designees: the governor, the comptroller, the attorney general, the agriculture commissioner, and the Commissioner of the General Land Office.

(c) For the purposes of Section 23.76 of this code, the chief appraiser also shall determine the market value of qualified timber land and shall record both the market value and the appraised value in the appraisal records.

(d) The appraisal of minerals or subsurface rights to minerals is not within the provisions of this subchapter.

§ 23.74. Capitalization Rate

The capitalization rate to be used in determining the appraised value of qualified timber land as provided by this subchapter is the interest rate specified by the Federal Land Bank of Houston on December 31 of the preceding year plus 2½ percentage points.

[Acts 1979, 66th Leg., p. 2262, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.75. Application

(a) A person claiming that his land is eligible for appraisal as provided by this subchapter must file a valid application with the chief appraiser.

(b) To be valid, the application must:

(1) be on a form provided by the appraisal office and prescribed by the State Property Tax Board; and

(2) contain the information necessary to determine the validity of the claim.

(c) The State Property Tax Board shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The board, in prescribing the contents of the application form, shall require that the form permit a claimant who has previously been allowed appraisal under this subchapter to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported.

(d) The form must be filed before May 1. However, for good cause the chief appraiser may extend the filing deadline for not more than 60 days.

(e) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter in subsequent years without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.
The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit’s tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the 10 preceding years because of failure of the person whose land was allowed appraisal under this subchapter to give notice that its eligibility had ended, he shall add the difference between the appraised value of the land under this subchapter and the market value of the land to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation. [Acts 1979, 66th Leg., p. 2362, ch. 841, § 1, eff. Jan. 1, 1982. Amended by Acts 1981, 67th Leg., 1st C.S., p. 146, ch. 13, § 74, eff. Jan. 1, 1982.]

§ 23.751. Late Application for Appraisal as Timber Land

(a) The chief appraiser shall accept and approve or deny an application for appraisal under this subchapter after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If approval under this subchapter is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed if the property were taxed at market value.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person’s liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit that taxes land based on an appraisal under this subchapter after a late application shall add the amount of the penalty to the owner’s tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

§ 23.76. Change of Use of Land

(a) If the use of land that has been appraised as provided by this subchapter changes, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the five years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land been taxed on the basis of market value in each of those years, plus interest at an annual rate of seven percent calculated from the dates on which the differences would have become due.

(b) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax and interest imposed by this section and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) The additional tax imposed by this section does not apply to a year for which the tax has already been imposed.

(d) If the change of use applies to only part of a parcel that has been appraised as provided by this subchapter, the additional tax applies only to that part of the parcel and equals the difference between the taxes imposed on that part of the parcel and the taxes that would have been imposed had that part been taxed on the basis of market value.

(e) The assessor shall prepare and deliver a statement for the additional taxes and interest as soon as practicable after the change of use occurs. The taxes and interest are due and become delinquent and incur penalties and interests as provided by law for ad valorem taxes imposed by the taxing unit if not paid before February 1 of the year after the year in which the change of use occurs.

(f) The sanctions provided by Subsection (a) of this section do not apply if the change of use occurs...

as a result of a sale for right-of-way or a condemnation.

(g) If the use of the land changes to a use that qualifies under Subchapter C or D of this chapter, the sanctions provided by Subsection (a) of this section do not apply.

§ 23.77. Land Ineligible for Appraisal as Timber Land

Land is not eligible for appraisal as provided by this subchapter if:

(1) the land is located inside the corporate limits of an incorporated city or town, unless:
   (A) the city or town is not providing the land with governmental and proprietary services substantially equivalent in standard and scope to those services it provides in other parts of the city or town with similar topography, land utilization, and population density; or
   (B) the land has been devoted principally to production of timber or forest products continuously for the preceding five years;

(2) the land is owned by an individual who is a nonresident alien or by a foreign government if that individual or government is required by federal law or by rule adopted pursuant to federal law to register his ownership or acquisition of that property; or

(3) the land is owned by a corporation, partnership, trust, or other legal entity if the entity is required by federal law or by rule adopted pursuant to federal law to register its ownership or acquisition of that land and a nonresident alien or a foreign government or any combination of nonresident aliens and foreign governments own a majority interest in the entity.

[Acts 1979, 66th Leg., p. 2263, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 23.78. Minimum Taxable Value of Timber Land

The taxable value of qualified timber land appraised as provided by this subchapter may not be less than the appraised value of that land for the preceding five years, except that the taxable value used for any tax year may not exceed the market value of the land as determined by other generally accepted appraisal methods. If the appraised value of timber land determined as provided by this subchapter is less than a taxing unit's appraised value of that land in 1978, the assessor for the unit shall substitute the 1978 appraised value for that land on the unit's appraisal roll.

§ 23.79. Action on Applications

(a) The chief appraiser shall determine separately each applicant's right to have his land appraised under this subchapter. After considering the application and all relevant information, the chief appraiser shall, as the law and facts warrant:

   (1) approve the application and allow appraisal under this subchapter;

   (2) disapprove the application and request additional information from the applicant in support of the claim; or

   (3) deny the application.

(b) If the chief appraiser requests additional information from an applicant, the applicant must furnish it within 30 days after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, he shall deliver a written notice of the denial to the applicant within five days after the date he makes the determination. He shall include with the notice a brief explanation of the procedures for protesting his action.

SUBCHAPTER F. APPRAISAL OF RECREATIONAL, PARK, AND SCENIC LAND

§ 23.81. Definitions

In this subchapter:

(1) "Recreational, park, or scenic use" means use for individual or group sporting activities, for park or camping activities, for development of historical, archaeological, or scientific sites, or for the conservation and preservation of scenic areas.

(2) "Deed restriction" means a valid and enforceable provision that limits the use of land and that is included in a written instrument filed and recorded in the deed records of the county in which the land is located.

§ 23.82. Voluntary Restrictions

(a) The owner of a fee simple estate in land of at least five acres may limit the use of the land to recreational, park, or scenic use by filing with the county clerk of the county in which the land is located a written instrument executed in the form and manner of a deed.

(b) The instrument must describe the land, name each owner of the land, and provide that the re-
striected land may be used only for recreational, park, or scenic uses during the term of the deed restriction. The term of the deed restriction must be for at least 10 years, and the length of the term must be stated in the instrument.

(c) The county attorney of the county in which the restricted land is located or any person owning or having an interest in the restricted land may enforce a deed restriction that complies with the requirements of this section.

§ 23.83. Appraisal of Restricted Land

(a) A person is entitled to have land he owns appraised under this subchapter if, on January 1:

(1) the land is restricted as provided by this subchapter;

(2) the land is used in a way that does not result in accrual of distributable profits, realization of private gain resulting from payment of compensation in excess of a reasonable allowance for salary or other compensation for services rendered, or realization of any other form of private gain;

(3) the land has been devoted exclusively to recreational, park, or scenic uses for the preceding year; and

(4) he is using and intends to use the land exclusively for those purposes in the current year.

(b) The chief appraiser may not consider any factor other than one relating to the value of the land as restricted. Sales of comparable land not restricted as provided by this subchapter may not be used to determine the value of restricted land.

(c) Improvements other than appurtenances to the land and the mineral estate are appraised separately at market value. Riparian water rights, private roads, dams, reservoirs, water wells, and canals, ditches, terraces, and similar reshapings of or additions to the soil are appurtenances to the land and the effect of each on the value of the land for recreational, park, or scenic uses shall be considered in appraising the land.

(d) If land is appraised under this subchapter for a year, the chief appraiser shall determine at the end of that year whether the land was used exclusively for recreational, park, or scenic uses. If the land was not used exclusively for recreational, park, or scenic uses, the assessor for each taxing unit shall impose an additional tax equal to the difference in the amount of tax imposed and the amount that would have been imposed for that year if the land had not been restricted to recreational, park, or scenic uses. The assessor shall include the amount of additional tax plus interest on the next bill for taxes on the land.

(e) The State Property Tax Board shall promulgate rules specifying the methods to apply and the procedures to use in appraising land under this subchapter.

§ 23.84. Application

(a) A person claiming the right to have his land appraised under this subchapter must apply for the right the first year he claims it. Application for appraisal under this chapter is made by filing a sworn application form with the chief appraiser for the appraisal district in which the land is located.

(b) A claimant must deliver a completed application form to the chief appraiser before May 1 and must furnish the information required by the form. For good cause shown the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days.

(c) If a claimant fails to timely file a completed application form, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter during the term of the deed restriction without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser, if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(d) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends.

(e) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the 10 preceding years, he shall add the difference between the appraised value of the land under this subchapter and the market value of the land if it had not been restricted to recreational, park, or scenic uses to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation.

(f) The State Property Tax Board in prescribing the contents of the application forms shall ensure that each form requires a claimant to furnish the information necessary to determine the validity of the claim and that the form requires the claimant to state that the land for which he claims appraisal under this subchapter will be used exclusively for
The notice must include a brief explanation of the procedures for protesting the denial.

If the chief appraiser requests additional information from a claimant, the claimant must furnish the information within 30 days after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing additional information by written order for a single period not to exceed 15 days.

The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) The chief appraiser shall determine individual information from the claimant in support of the claim; or

(3) deny the application.

(b) If the chief appraiser requests additional information from a claimant, the claimant must furnish the information within 5 days after the date of denial.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

The notice shall include a brief explanation of the procedures for protesting the denial.

Airport property not restricted as provided by this chapter as restricted. Sales of comparable real estate other than one relating to the value of the public or regularly provides services to the public in connection with airport purposes.

§ 23.92. Voluntary Restrictions

(a) The owner of a fee simple estate in property of at least five acres may limit the use of that part of the property which is airport property to public access airport property by filing with the county clerk of the county in which the property is located.

(b) The instrument must describe the property and the restricted part of the property, name each owner of the property, and provide that the restricted property may only be used as public access airport property during the term of the deed restriction. The term of the deed restriction must be for at least 10 years, and the length of the term must be stated in the instrument.

(c) The county attorney of the county in which the restricted property is located or any person owning or having an interest in the restricted property may enforce a deed restriction that complies with the requirements of this section.

§ 23.93. Appraisal of Restricted Land

(a) A person is entitled to have airport property appraised under this chapter if, on January 1:

(1) the property is restricted as provided by this subchapter;

(2) the property has been devoted exclusively to use as public access airport property for the preceding year; and

(3) he is using and intends to use the property exclusively as public access airport property in the current year.

(b) The chief appraiser may not consider any factor other than one relating to the value of the airport property as restricted. Sales of comparable airport property not restricted as provided by this subchapter may not be used to determine the value of restricted property.

(c) Improvements to the property that qualify as public access airport property are appraised as provided by this subchapter, but other improvements and the mineral estate are appraised separately at market value.

(d) If airport property is appraised under this subchapter for a year, the chief appraiser shall determine at the end of that year whether the property was used exclusively as public access airport property. If the property was used exclusively as public access airport property, the assessor for each taxing unit shall impose an additional tax equal to the difference in the amount of tax imposed and the amount that would have been imposed for that year if the property had not been restricted to use as public access airport property. The assessor shall include the amount of additional tax plus interest on the next bill for taxes on the land.

(e) The State Property Tax Board shall promulgate rules specifying the methods to apply and the procedures to use in appraising property under this subchapter.

§ 23.94. Application

(a) A person claiming the right to have his airport property appraised under this subchapter must apply for the right the first year he claims it. Application for appraisal under this subchapter is made by filing a sworn application form with the chief appraiser for each appraisal district in which the land is located.

(b) A claimant must deliver a completed application form to the chief appraiser before May 1 and must furnish the information required by the form. For good cause shown the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days.

(c) If a claimant fails to timely file a completed application form, the property is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the property is eligible for appraisal under this subchapter during the term of the deed restriction without a new application unless the ownership of the property changes or its eligibility under this subchapter ends. However, the chief appraiser, if he has good cause to believe the property's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the property is currently eligible under this subchapter by delivering a written notice that a new application is required, accom-
§ 23.94

The notice must include a brief explanation of the procedures for protesting the denial.

§ 23.96. Taxation for Preceding Years

(a) If airport property that has been appraised under this subchapter is no longer subject to a deed restriction, an additional tax is imposed on the property equal to the difference between the taxes imposed on the property for each of the five years preceding the year in which the deed restriction expires that the property was appraised as provided by this subchapter and the tax that would have been imposed had the property not been restricted to use as public access airport property in each of those years, plus interest at an annual rate of seven percent calculated from the dates on which the differences would have become due.

(b) A tax lien attaches to the property on the date the deed restriction expires to secure payment of the additional tax and interest imposed by this section and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) The assessor shall prepare and deliver a statement for the additional taxes as soon as practicable after the deed restriction expires. The taxes become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next date on which the unit's taxes become delinquent that is more than 10 days after the date the statement is delivered.

§ 23.97. Penalty for Violating Deed Restriction

(a) If airport property appraised under this subchapter is used as other than public access airport property before the term of the deed restriction expires, a penalty is imposed on the property equal to the difference between the taxes imposed on the property on the basis of appraisal under this subchapter for the year in which the violation occurs and the amount that would have been imposed for that year had the property not been restricted to use as public access airport property.

(b) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who filed the application for appraisal under this subchapter. The notice...
shall include a brief explanation of the procedures for protesting the imposition of the penalty.

(c) The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit’s tax bill for taxes on the property against which the penalty is imposed. The county assessor-collector shall add the amount of the penalty to the county’s tax bill for taxes on the property. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

(c) The report must contain all the information required by the form and must be signed by the individual required to file the report by Subsection (a) of this section. When a corporation is required to file the report, an officer of the corporation or an employee or agent who has been designated in writing by the board of directors or by an authorized officer to sign in behalf of the corporation must sign the report.

(d) Reports must be filed before March 1. For good cause shown the board may extend the filing deadline by written order for a single period not to exceed 60 days.

§ 24.03. Additional Information

(b) A business shall furnish any additional information required as provided by Subsection (a) of this section within 15 days after the date notice is mailed. For good cause shown the board may extend the deadline for a single period not to exceed 15 days.

(b) If the business has property used in its transportation business located in another state or country or used both inside and outside this state, the board shall allocate to this state the proportion of the total market value of the business's transportation operation that fairly reflects its use in this state.

(c) The board shall deduct the market value of the business's tangible operating property located in or allocable to this state from the market value of all the transportation operation allocable to this state determined as provided by Subsection (b) of this section. The remainder is the market value of the intangibles of the business in this state.

[Acts 1979, 66th Leg., p. 2265, ch. 841, § 1, eff. Jan. 1, 1980.]

§ 24.07. Intrastate Apportionment

The board shall apportion to each county in which a transportation business described by Section 24.01 of this code operates the proportion of the market value of its intangibles in this state determined as provided by Section 24.05 of this code that fairly reflects its use in the county.

[Acts 1979, 66th Leg., p. 2265, ch. 841, § 1, eff. Jan. 1, 1980.]

§ 24.08. Protest Hearing

(a) After it apportions intangible values among the counties, the board shall determine the date, time, and place it will convene for a public hearing to decide protests of its appraisal, interstate allocation, or intrastate apportionment.

(b) The board shall convene a hearing to determine protests before June 15 of each year. The board shall finally decide all protests before July 15 of each year.

(c) Section 19 and Subsections (c) through (f) of Section 16, Administrative Procedure and Texas Register Act, do not apply to hearings under this section. The board's decision may be appealed as provided by Chapter 42 of this code.

2 the amount of that value allocated to this state in the case of an interstate or international business;

4 the market value of its intangibles in this state; and

§ 24.12. Omitted Property

(a) If the board discovers that the intangible value of the transportation operation in this state of a business described by Section 24.01 of this code has not been appraised and apportioned to the counties in one of the two preceding years, the board shall appraise the property and apportion its value as of January 1 for each year it was omitted.

(b) The board shall note that the appraisal and allocation are for intangibles that escaped taxation in a prior year and shall indicate the year and the appraised value for each year.

§ 24.13. Imposition of Tax

The county assessor-collector and commissioners court may not change the apportioned values certified as provided by this subchapter. The county assessor-collector shall add each business’s intangibles and the value apportioned to the county as certified to him to the appraisal roll certified to him by the chief appraiser pursuant to Section 26.01 of this code for county tax purposes. He shall calculate the county tax due on the intangible value as provided by Section 26.09 of this code.

§ 24.14. Exemption from Gross Receipts Tax

§ 24.36. Certification to State Property Tax Board

On approval of the appraised value of the rolling stock as provided by Chapter 41 of this code, the chief appraiser shall certify to the State Property Tax Board the amount of market value allocated to each county in which the railroad using it operates according to the ratio the mileage of road owned by the railroad in the county bears to the total mileage of road the railroad owns in this state.

§ 24.37. Intrastate Apportionment

The State Property Tax Board shall apportion the appraised value of each owner's rolling stock to each county in which the railroad using it operates according to the ratio the mileage of road owned by the railroad in the county bears to the total mileage of road the railroad owns in this state.

[Acts 1979, 66th Leg., p. 2268, ch. 841, § 1, eff. Jan. 1, 1980.]

§ 24.38. Certification of Appraised Value

He shall calculate the county tax due on the rolling stock as provided by section 26.09 of this code.

§ 24.40. Omitted Property

(a) If a chief appraiser discovers that rolling stock used in this state and subject to appraisal by him has not been appraised and apportioned to the counties in one of the two preceding years, he shall appraise the property as of January 1 for each year it was omitted, submit the appraisal for review and protest, and certify the approved value to the State Property Tax Board.

(b) The certification shall show that the appraisal is for property that escaped taxation in a prior year and shall indicate the year and the appraised value for each year.

(11) an identification of each taxing unit in which the property is taxable.

§ 25.03. Description
(a) Property shall be described in the appraisal records with sufficient certainty to identify it.

(b) If a person who is not entitled to exemption owns an improvement on exempt land, the improvement shall be listed in the name of the owner of the improvement.

(c) When a person other than the owner of an improvement owns the land on which the improvement is located, the land and the improvement shall be listed separately in the name of the owner of each if either owner files with the chief appraiser before May 1 a written request for separate taxation on a form furnished for that purpose together with proof of separate ownership. After an improvement qualifies for taxation separate from land, the qualification remains effective in subsequent tax years and need not be requested again. However, the qualification ceases when ownership of the land or the improvement is transferred or either owner files a request to cancel the separate taxation.

(d) Within 30 days after an owner of land or an improvement owns the land on which the improvement is located, the land and the improvement shall be listed in the name of the owner of the land in the name of the owner of each if either owner files a request to cancel the separate taxation.

A resolution adopted as provided by this subsection remains effective in subsequent tax years unless it is revoked by a similar resolution.

(c) If property is listed and taxes imposed proportionately as authorized by Subsection (b) of this section, the amount of tax to be imposed on the association’s property shall be divided by the number of parcels of real property in the development. The quotient is the proportionate amount of tax to be imposed on each parcel, and a tax lien attaches to each parcel to secure payment of its proportionate share of the tax on the association’s property.

(d) For purposes of this section, “planned unit development association” means an association that owns and maintains property in a real property development project for the benefit of its members, who are owners of individual parcels of real property in the development and are members of the association because of that ownership.

(b) The plan shall provide for reappraisal of all real property in the district at least once every four years.

(c) A taxing unit by resolution adopted by its governing body may require the appraisal office to appraise all property within the unit or to identify and appraise newly annexed territory and new improvements in the unit as of a date specified in the resolution. On or before the deadline requested by the taxing unit, which deadline may not be less than 20 days after the date the resolution is delivered to the appraisal office, the chief appraiser shall complete the appraisal and deliver to the unit an estimate of the total appraised value of property taxable by the unit as of the date specified in such resolution. The unit must pay the appraisal district for the cost of making the appraisal. The chief appraiser shall provide sufficient personnel to make the reappraisals required by this subsection on or before the deadline requested by the taxing unit.

An appraisal made pursuant to this subsection may not be used by a taxing unit as the basis for the imposition of taxes.

Section 18(e) of the 1981 amendatory act provides:

"The amendment by this Act of Section 25.18(b), Property Tax Code, to the extent it requires periodic reappraisal of all real property in an appraisal district, does not take effect until the date the appraisal review board begins considering protests under Chapter 41 of this code, the chief appraiser shall deliver a written notice to a property owner of the appraised value of his property if:

(1) the appraised value of the property is greater than it was in the preceding year;

(2) the appraised value of the property is greater than the value rendered by the property owner; or

(3) the property was not on the appraisal roll in the preceding year.

(b) The chief appraiser shall separate real from personal property and include in the notice for each:

(1) a list of the taxing units in which the property is taxable;

(2) the appraised value of the property in the preceding year;

(3) the assessed and taxable value of the property in the preceding year for each taxing unit taxing the property;

(4) the appraised value of the property for the current year and the kind and amount of each partial exemption, if any, approved for the current year;

(5) if the appraised value is greater than it was in the preceding year:

(A) the tax rate that would be announced pursuant to Section 26.04 of this code if the total values being submitted to the appraisal review board were to be approved by the board with an explanation that that rate would raise the same amount of revenue for operating purposes from property taxed in the preceding year as the unit raised for those purposes in the preceding year;

(B) the amount of tax that would be imposed on the property on the basis of the rate described by Paragraph (A) of this subdivision; and

(C) a statement that the governing body of the unit may not adopt a rate that will increase tax revenues for operating purposes from properties taxed in the preceding year without publishing notice in a newspaper that it is considering a tax increase and holding a hearing for taxpayers to discuss the tax increase;

(6) in italic typeface, the following statement:

"The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials, and all inquiries concerning your taxes should be directed to those officials";

(7) a brief explanation of the time and procedure for protesting the value;

(8) the date and place the appraisal review board will begin hearing protests; and

(9) a brief explanation that:

(A) the governing body of each taxing unit decides whether or not taxes on the property will increase and the appraisal district only determines the value of the property; and

(B) a taxpayer who objects to increasing taxes and government expenditures should complain to the governing bodies of the taxing units and only complaints about value should be presented to the appraisal office and the appraisal review board.

(c) In making the preliminary calculation required by Subsection (b)(5)(A) of this section of the effective tax rate that will not increase taxes, taxes imposed by a unit in the preceding year on property not yet appraised and submitted to the appraisal review board for the current year shall be excluded.

(d) In the case of the residence homestead of a person 65 years of age or older that is subject to the limitation on a tax increase over the preceding year for school tax purposes, the chief appraiser shall
indicate on the notice that the preceding year's taxes may not be increased.

(e) On the notice, the chief appraiser shall enclose the information required by Subsections (b)(2)-(6) of this section in a printed rectangle with dimensions of not less than 15 square inches. The chief appraiser shall have the information required by Subsections (b)(2)-(3) printed in bold-faced type that is distinct from and located above the other information enclosed in the rectangle.

(f) Failure to receive the notice required by this section does not affect the validity of the appraisal of the property, the imposition of any tax on the basis of the appraisal, the existence of any tax lien, or any proceeding instituted to collect the tax.

(g) The chief appraiser, with the approval of the appraisal district board of directors, may dispense with the notice required by Subdivision (1) of Subsection (a) of this section if the amount of increase in appraised value is $1,000 or less.

§ 25.192. Submission for Review and Protest

(a) By May 15 or as soon thereafter as practicable, the chief appraiser shall submit the completed appraisal records to the appraisal review board for review and determination of protests. However, the chief appraiser may not submit the records until he has delivered the notices required by Subsection (d) of Section 25.19(b), Property Tax Code, in the first year or operation under the Property Tax Code. However, the legislature recognizes that, in some districts, full compliance in that first year may be impracticable. For that reason, an appraisal district is not required to comply with Section 25.19(b)(2) and (6) or with that part of Section 25.19(b)(6) that relates to current taxes using the preceding year's tax rate in the first year the district appraises property for a taxing unit to the extent that compliance is impracticable.

(b) The chief appraiser shall make and subscribe an affidavit on the submission substantially as follows:

"I, _________, (Chief Appraiser) for _______ solemnly swear that I have made or caused to be made a diligent inquiry to ascertain all property in the district subject to appraisal by me and that I have included in the records all property that I am aware of at an appraised value determined as required by law."

§ 25.195. Inspection by Property Owner

After the chief appraiser has submitted the appraisal records to the appraisal review board as provided by Section 25.22(a) of this code, a property owner or his designated agent may inspect the appraisal records, together with supporting data as defined in Section 25.01(c) of this code and schedules used in making appraisals for the appraisal records, relating to property of the property owner.

[Acts 1983, 66th Leg., p. 5079, ch. 920, § 1, eff. Aug. 29, 1983.]

§ 25.20. Notice to Taxing Units

(a) By May 15 or as soon thereafter as practicable, the chief appraiser shall submit to each taxing unit in the district a certified estimate of the total appraised value of all property in the district that is taxable by the unit.

(b) The chief appraiser shall give the assessor for a taxing unit in the district reasonable access to the appraisal records at any time.

§ 25.21. Omitted Property

(a) If the chief appraiser discovers that real property was not taxed in any one of the 10 preceding years or that personal property was not taxed in one of the two preceding years, he shall appraise the property as of January 1 of each year that it escaped taxation and enter the property and its appraised value in the appraisal records.

(b) The entry shall show that the appraisal is for property that escaped taxation in a prior year and shall indicate the year and the appraised value for each year.

§ 25.22. Submission for Review and Protest

(a) By May 15 or as soon thereafter as practicable, the chief appraiser shall submit the completed appraisal records to the appraisal review board for review and determination of protests. However, the chief appraiser may not submit the records until he has delivered the notices required by Subsection (d) of Section 25.19(b), Property Tax Code, in the first year of operation under the Property Tax Code. However, the legislature recognizes that, in some districts, full compliance in that first year may be impracticable. For that reason, an appraisal district is not required to comply with Section 25.19(b)(2) and (6) or with that part of Section 25.19(b)(6) that relates to current taxes using the preceding year's tax rate in the first year the district appraises property for a taxing unit to the extent that compliance is impracticable.

(b) The chief appraiser shall make and subscribe an affidavit on the submission substantially as follows:

"I, _________, (Chief Appraiser) for _______ solemnly swear that I have made or caused to be made a diligent inquiry to ascertain all property in the district subject to appraisal by me and that I have included in the records all property that I am aware of at an appraised value determined as required by law."

§ 25.23. Supplemental Appraisal Records

(a) After submission of appraisal records, the chief appraiser shall prepare supplemental appraisal records listing each taxable property he discovers that is not included in the records already submitted, including property that escaped taxation in a prior tax year, and listing property on which the
§ 25.23  TAX CODE

appraisal review board has not determined a protest at the time of its approval of the appraisal records.

(b) Supplemental appraisal records shall be in the form prescribed by the State Property Tax Board and shall include the items required by Section 25.02 of this code.

(c) As soon as practicable after determining the appraisal value of a property listed in supplemental appraisal records, the chief appraiser shall deliver the notices required by Sections 25.19 and 25.20 of this code, if applicable, and submit the records for review and determination of protest as provided by Section 25.22 of this code.

(d) Supplemental appraisal records are subject to review and protest as provided by Chapters 41 and 42 of this code. However, a property owner must file a notice of protest within 10 days after the date the records are submitted for review, and the appraisal review board shall complete its review within 30 days after the date the records are submitted or as soon thereafter as practicable.

(e) The chief appraiser shall add supplemental appraisal records, as changed by the appraisal review board and approved by that board, to the appraisal roll for the district and certify the addition to the taxing units.

§ 25.24.  Appraisal Roll

The appraisal records, as changed by order of the appraisal review board and approved by that board, constitute the appraisal roll for the district.

§ 25.25.  Correction of Appraisal Roll

(a) Except as provided by Chapters 41 and 42 of this code and by this section, the appraisal roll may not be changed.

(b) The chief appraiser may change the appraisal roll at any time to correct a name or address, a description of property, or a clerical error that does not affect the amount of tax liability.

(c) At any time, the appraisal review board, on motion of the chief appraiser, or of a property owner may direct by written order changes in the appraisal roll to correct:

(1) clerical errors that affect a property owner's liability for a tax; or

(2) multiple appraisals of a property in a single tax year.

(d) The chief appraiser shall certify each change made as provided by this section to the assessor for each unit affected by the change within five days after the date the change is entered.

§ 26.01.  Submission of Rolls to Taxing Units

(a) By July 25, the chief appraiser shall prepare and certify to the assessor for each taxing unit participating in the district that part of the appraisal roll for the district that lists the property taxable by the unit. The part certified to the assessor is the appraisal roll for the unit. The chief appraiser shall consult with the assessor for each taxing unit and notify each unit in writing by April 1 of the form in which the roll will be provided to each unit.

(b) When a chief appraiser submits an appraisal roll for county taxes to a county assessor-collector, he also shall certify the roll to the State Property Tax Board. However, the State Property Tax Board by rule may provide for submission of only a summary of the appraisal roll. In that event, the chief appraiser shall certify the summary in the form and manner prescribed by the board's rule.

(c) The board of directors may, at its discretion, extend the July deadline provided by Subsection (a) of this section to a date certain when it is reasonably necessary to complete the appraisal roll and shall notify each unit of the amended deadline.

(c) The chief appraiser shall prepare and certify to the assessor for each taxing unit a listing of those properties which are taxable by that unit but which are under protest and therefore not included on the appraisal roll approved by the appraisal review board and certified by the chief appraiser. This listing shall include the appraised market val-

§ 26.02. Assessment Ratios Prohibited

The assessment of property for taxation on the basis of a percentage of its appraised value is prohibited. All property shall be assessed on the basis of 100 percent of its appraised value.

§ 26.04. Submission of Roll to Governing Body

(a) On receipt of the appraisal roll, the assessor for a taxing unit shall determine the total appraised value, the total assessed value, and the total taxable value of property taxable by the unit. He shall also determine, using information provided by the appraisal office, the appraised, assessed, and taxable value of property added to the appraisal roll since the preceding tax year by annexation of territory and the appraised, assessed, and taxable value of the improvements on the roll that were made after January 1 of the preceding tax year. The sum of the taxable value of annexed property and the taxable value of improvements made after January 1 of the preceding tax year is the taxable value of new property.

(b) The assessor shall submit the appraisal roll for the unit showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property to the governing body of the unit by August 1 or as soon thereafter as practicable.

(c) An officer or employee designated by the governing body shall subtract from the total amount of property taxes imposed by the unit in the preceding year:

(1) the amount of taxes imposed in the preceding year to pay principal of and interest on debt of the unit and to pay lawfully incurred contractual obligations providing security for the payment of principal of and interest on bonds or other evidences of indebtedness issued on behalf of the unit by another political subdivision;

(2) the amount of taxes imposed in the preceding year on property in territory that has ceased to be a part of the unit;
§ 26.04  TAX CODE  60

(3) the amount of taxes imposed in the preceding year on taxable value that is exempt in the current year;

(4) the amount of taxes imposed in the preceding year that is not taxable in the current year because property appraised at market value in the preceding year is required by law to be appraised at less than market value in the current year; and

Text of subd. (3) as added by Acts 1983, 68th Leg., p. 2165, ch. 400, § 1

(5) the amount of taxes imposed in the preceding year pursuant to Subsection (d) of this section to recoup taxes lost in the year before as a result of an error or errors.

Text of subd. (3) as added by Acts 1983, 68th Leg., p. 5376, ch. 987, § 3

(5) the amount of taxes imposed in the preceding year dedicated to the use of a junior college district under Section 20.48(c), Texas Education Code.

Text of subsec. (d) as amended by Acts 1983, 68th Leg., p. 2165, ch. 400, § 1; Acts 1983, 68th Leg., p. 5402, ch. 1001, § 1

(d) The designated officer or employee shall calculate the tax rate that if applied to the total taxable value submitted to the governing body less the taxable value of new property would impose the amount of property taxes determined as provided by Subsection (c) of this section. He shall add to that rate the amount that, if applied to the total taxable value submitted to the governing body, will impose the amount of taxes needed to pay the principal of and interest on bonds or other evidences of indebtedness issued on behalf of the unit by another political subdivision. He shall also add to that rate the amount that, if applied to the total taxable value submitted to the governing body, would impose the amount of taxes needed for the governing body's dedication, if any, to a junior college under Section 20.48(c), Texas Education Code, for the current tax year.

(e) By August 7 or as soon thereafter as practicable, the designated officer or employee shall publicize:

(1) the tax rate calculated as provided by this section and the calculations used to determine it in a manner designed to come to the attention of all owners of property in the unit and shall submit the rate to the governing body of the unit; and

(2) the estimated amount of interest and sinking fund balances and the estimated amount of maintenance and operation or general fund balances remaining at the end of the current fiscal year that are not encumbered with or by corresponding existing debt obligation, except that for a school district, estimated funds necessary for the operation of the district prior to the receipt of the first state education aid payment in the succeeding school year shall be subtracted from the estimated fund balances.

(f) If as a result of consolidation of taxing units a taxing unit includes territory that was in two or more taxing units in the preceding year, the amount of taxes imposed in each in the preceding year is combined for purposes of calculating the tax rate under this section.

(g) In Subsections (e) and (d) of this section, "debts" means an obligation secured by property taxes of the unit and not payable from revenues budgeted for current maintenance and operating expenses, and includes bonds, warrants, certificates of indebtedness, and other lawfully authorized evidences of indebtedness issued or assumed by the unit.

Section 30 of Acts 1983, 68th Leg., p. 5402, ch. 1001 provides:

"This Act takes effect January 1, 1984. Section 26.04, Tax Code, as amended by this Act, applies to the calculation of the tax rate for the 1984 tax year and each subsequent tax year. The tax rate for a tax year prior to 1984 is covered by the law in effect when the tax year began, and the former law is continued in effect for that purpose."
§ 26.05. Tax Rate

(a) By September 1 or as soon thereafter as practicable, the governing body of each taxing unit shall adopt a tax rate for the current tax year and shall notify the assessor for the unit of the rate adopted.

(b) A taxing unit may not impose property taxes in any year until the governing body has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order, depending on the method prescribed by law for adoption of a law by the governing body. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget.

(c) The governing body may not adopt a tax rate that exceeds the tax rate calculated as provided by Section 26.04 of this code by more than three percent until it has held a public hearing on the proposed increase and has otherwise complied with Section 26.06 of this code. The governing body of a taxing unit shall reduce a tax rate set by law or by vote of the electorate to the rate calculated as provided by Section 26.04 of this code and may not adopt a higher rate unless it first complies with Section 26.06 of this code.

§ 26.06. Notice, Hearing, and Vote on Tax Increase

(a) A public hearing required by Section 26.06 of this code may not be held before the seventh day after the date the notice of the public hearing on the proposed increase is given. The hearing must be on a weekday that is not a public holiday. The hearing must be held inside the boundaries of the unit in a publicly owned building or, if a publicly owned newspaper is not available, in a publicly owned building to which the public normally has access. At the hearing, the governing body must afford adequate opportunity for proponents and opponents of the tax increase to present their views.

(b) The notice of a public hearing may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 18-point or larger type. The notice must be given in either of the following forms as determined by the governing body:

1. **NOTICE OF PUBLIC HEARING ON TAX INCREASE**

   "The (name of the taxing unit) will hold a public hearing on a proposal to increase your property taxes by (percentage of increase over the rate submitted under Section 26.04 of this code) percent on (date and time public hearing was conducted).

   "A public meeting to vote on the tax rate will be held on (date and time) at (meeting place)."

2. **NOTICE OF VOTE ON TAX RATE**

   "The (name of the taxing unit) conducted a public hearing on a proposal to increase your property taxes by (percentage of increase over the rate submitted under Section 26.04 of this code) percent on (date and time public hearing was conducted).

   "A public meeting to vote on the tax rate will be held on (date and time) at (meeting place)."

(2) **NOTICE OF PUBLIC HEARING ON TAX INCREASE**

"The (name of taxing unit) will hold a public hearing on a proposal to increase total property tax revenues from (the total amount of property taxes levied by the unit for the preceding year) in (the preceding year) to (the total amount of property taxes that would be levied by the unit for the current year based on the proposed tax rate) in (the year to which the proposed tax rate applies). Your individual taxes may increase at a greater or lesser rate, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

"The public hearing will be held on (date and time) at (meeting place).

"(Names of all members of the governing body, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating the absences)."

(3) **NOTICE OF VOTE ON TAX RATE**

"The (name of taxing unit) conducted a public hearing on a proposal to increase your property taxes by (percentage of increase over the rate submitted under Section 26.04 of this code) percent on (date and time public hearing was conducted).

"A public meeting to vote on the tax rate will be held on (date and time) at (meeting place)."

§ 26.06 TAX CODE

based on the proposed tax rate) in (year to which
the proposed tax rate applies).

"A public hearing to vote on the tax rate will be
held on (date and time) at (meeting place)."

(e) The meeting to vote on the increase may not
be earlier than the third day or later than the 14th
day after the date of the public hearing. The
meeting must be held inside the boundaries of the
unit in a publicly owned building or, if a suitable
publicly owned building is not available, in a suit­
able building to which the public normally has ac­
cess. If the governing body does not adopt an
increased rate by the 14th day, it must give a new
notice under Subsection (d) of this section before it
may adopt a rate that exceeds the tax rate calculat­
ed as provided by Section 26.04 of this code;

[Acts 1979, 66th Leg., p. 2278, ch. 841, § 1, eff. Jan. 1,
5464, ch. 1029, § 1, eff. Sept. 1, 1983.]

Section 2 of the 1983 amendatory act provides:

"This Act takes effect September 1, 1983, and applies to public
notice given under Section 26.06(b) or (d), Tax Code, on or after
that date."

§ 26.07. Election to Repeal Increase

(a) If the governing body of a taxing unit other
than a school district adopts a tax rate that exceeds
the rate calculated as provided by Section 26.04 of
this code by more than eight percent, the qualified
voters of the taxing unit by petition may require
that an election be held to determine whether or not
to reduce the tax rate adopted for the current year
to a rate that exceeds the rate calculated as provid­
ed by Section 26.04 of this code by only eight
percent.

(b) A petition is valid only if:

(1) it states that it is intended to require an
election in the taxing unit on the question of
reducing the tax rate for the current year;

(2) it is signed by a number of qualified voters
of the taxing unit equal to at least 10 percent of
the number of qualified voters of the taxing unit
according to the most recent official list of quali­
fied voters not counting the signatures of voters
gathered by a person who received compensation
for circulating the petition; and

(3) it is submitted to the governing body on or
before the 90th day after the date on which the
governing body adopted the tax rate for the cur­
rent year.

(c) Not later than the 20th day after the day a
petition is submitted, the governing body shall de­
determine whether or not the petition is valid and pass
a resolution stating its finding. If the governing
body fails to act within the time allowed, the peti­tion
is treated as if it had been found valid.

(d) If the governing body finds that the petition is
valid (or fails to act within the time allowed), it shall
order that an election be held in the taxing unit on a
date not less than 30 or more than 90 days after the
last day on which it could have acted to approve or
disapprove the petition. A state law requiring local
elections to be held on a specified date does not apply
to the election unless a specified date falls
within the time permitted by this section. At the
election, the ballots shall be prepared to permit
voting for or against the proposition: "Reducing
the tax rate in (name of taxing unit) for the current
year from (the rate adopted) to (the rate that is only
eight percent greater than the rate calculated as
provided by Section 26.04 of this code)."

(e) If a majority of the qualified voters voting on
the question in the election favor the proposition, the
tax rate for the taxing unit for the current year
is the tax rate that is eight percent greater than the
rate calculated as provided by Section 26.04 of this
code; otherwise, the tax rate for the current year is
the one adopted by the governing body.

(f) If the tax rate is reduced by an election called
under this section after tax bills for the unit are
mailed, the assessor for the unit shall prepare and
mail corrected tax bills. He shall include with the
bill a brief explanation of the reason for and effect
of the corrected bill. The date on which the taxes
become delinquent for the year is extended by a
number of days equal to the number of days bet­
tween the date the first tax bills were sent and the
date the corrected tax bills were sent.

(g) If a property owner pays taxes calculated
using the higher tax rate when the rate is reduced
by an election called under this section, the taxing
unit shall refund the difference between the amount
of taxes paid and the amount due under the reduced
rate.

[Acts 1979, 66th Leg., p. 2278, ch. 841, § 1, eff. Jan. 1,
ch. 13, § 119, eff. Jan. 1, 1982.]

§ 26.08. Election to Limit School Taxes

(a) If the governing body of a school district
adopts a rate that exceeds the rate calculated as
provided by Section 26.04 of this code by more than
eight percent, the qualified voters of the district by
petition may require that an election be held to
determine whether or not to limit the tax rate the
governing body may adopt for the following year.

When increased expenditure of funds by a school
district is necessary to respond to a disaster, such
as a tornado, hurricane, flood, or other calamity (not
including a drought) which has impacted a school
district and the governor has requested federal dis­
aster assistance for the area in which the school
district is located, a petition is not valid under this
section to repeal a tax increase adopted the next
time the district adopts a tax rate after the date the
disaster occurs.

(b) A petition is valid only if:

(1) it states that it is intended to require an
election in the school district on the question of
limiting the tax rate for the following year;

(2) it is signed by a number of qualified voters
of the school district equal to at least 10 percent
§ 26.085. Election to Limit Dedication of School Funds to Junior College

(a) If the percentage of the total tax levy of a school district dedicated by the governing body of the school district to a junior college district under Section 20.48(e), Texas Education Code, exceeds the percentage of the total tax levy of the school district for the preceding year dedicated to the junior college district under that section, the qualified voters of the school district by petition may require

(1) that an election be held to determine whether to limit the percentage of the total tax levy dedicated to the junior college district to the same percentage as the percentage of the preceding year's total tax levy dedicated to the junior college district.

(b) A petition is valid only if:

(1) it states that it is intended to require an election on the question of limiting the amount of school district tax funds to be dedicated to the junior college district for the current year;

(2) it is signed by a number of qualified voters of the school district equal to at least 10 percent of the number of qualified voters of the school district according to the most recent official list of qualified voters, not counting the signatures of voters gathered by a person who received compensation for circulating the petition; and

(3) it is submitted to the governing body on or before the 90th day after the date on which the governing body made the dedication to the junior college district.

(c) Not later than the 20th day after the day a petition is submitted, the governing body shall determine whether or not the petition is valid and pass a resolution stating its finding. If the governing body fails to act within the time allowed, the petition is treated as if it had been found valid.

(d) If the governing body finds that the petition is valid (or fails to act within the time allowed), it shall order that an election be held in the school district on a date not less than 30 or more than 90 days after the last day on which it could have acted to approve or disapprove the petition. A state law requiring local elections to be held on a specified date does not apply to the election unless a specified date falls within the time permitted by this section.

At the election, the ballots shall be prepared to permit voting for or against the proposition: "Limiting the ad valorem tax rate in (name of school district) for (the following year)."

(e) If a majority of the qualified voters voting on the question in the election favor the proposition, the governing body may not adopt a tax rate in the following year that exceeds the rate calculated as provided by Section 26.04 of this code for that year by more than eight percent, except that in making the calculation under Subsection (d) of Section 26.04 of this code, the assessor shall use the amount of taxes determined as provided by Subsection (e) of Section 26.04 of this code in the year in which the tax increase that initiated the referendum occurred rather than the year in which the calculation occurs.

(f) For purposes of this section, local tax funds dedicated to a junior college district under Section 20.48(e), Texas Education Code, shall be eliminated from the calculation of the tax rate adopted by the governing body of the school district. However, the funds dedicated to the junior college district are subject to Section 26.085 of this code.

§ 26.085. Election to Limit Dedication of School Funds to Junior College

(a) If the percentage of the total tax levy of a school district dedicated by the governing body of the school district to a junior college district under Section 20.48(e), Texas Education Code, exceeds the percentage of the total tax levy of the school district for the preceding year dedicated to the junior college district under that section, the qualified vot-

total tax levy dedicated to the junior college district is the percentage adopted by the governing body. [Acts 1983, 66th Leg., p. 5374, ch. 587, § 2, eff. June 19, 1983.]

§ 26.09. Calculation of Tax

(a) On receipt of notice of the tax rate for the current tax year, the assessor for a taxing unit other than a county shall calculate the tax imposed on each property included on the appraisal roll for the unit.

(b) The county assessor-collector shall add the properties and their values certified to him as provided by Chapter 24 of this code to the appraisal roll for county tax purposes. The county assessor-collector shall use the appraisal roll certified to him as provided by Section 26.01 with the added properties and values to calculate county taxes.

(c) The tax is calculated by:

1. Subtracting from the appraised value of a property as shown on the appraisal roll for the unit the amount of any partial exemption allowed the property owner that applies to appraised value to determine net appraised value;
2. Multiplying the net appraised value by the assessment ratio to determine assessed value;
3. Subtracting from the assessed value of a property as shown on the appraisal roll for the unit the amount of any partial exemption allowed the property owner to determine taxable value; and
4. Multiplying the taxable value by the tax rate.

(d) If a property is subject to taxation for a prior year in which it escaped taxation, the assessor shall calculate the tax for each year separately. In calculating the tax, he shall use the assessment ratio and tax rate in effect in the unit for the year for which back taxes are being imposed. To the amount of back taxes due, he shall add interest calculated at the rate provided by Subsection (c) of Section 26.09 of this code from the date the tax would have become delinquent had the tax been imposed in the proper tax year.

§ 26.10. Prorating Taxes—Loss of Exemption

If the appraisal roll shows that a property is eligible for taxation for only part of a year because an exemption, other than a residence homestead exemption, applicable on January 1 of that year terminated during the year, the tax due against the property is calculated by multiplying the tax due for the entire year as determined as provided by Section 26.09 of this code by a fraction, the denominator of which is 365 and the numerator of which is the number of days the exemption is not applicable. [Acts 1979, 66th Leg., p. 2282, ch. 841, § 1, eff. Jan. 1, 1982. Amended by Acts 1983, 68th Leg., p. 6002, ch. 588, § 1, eff. Jan. 1, 1984.]

§ 26.11. Prorating Taxes—Acquisition by Government

(a) If the federal government, the state, or a political subdivision of the state acquires the right to possess of taxable property under a court order issued in condemnation proceedings or acquires title to taxable property, the amount of the tax due on the property is calculated by multiplying the amount of taxes imposed on the property for the entire year as determined as provided by Section 26.09 of this code by a fraction, the denominator of which is 365 and the numerator of which is the number of days that elapsed prior to the date of the conveyance or the date of the order granting the right of possession.

(b) If the amount of taxes to be imposed on the property for the year of transfer has not been determined at the time of transfer, the assessor for each taxing unit in which the property is taxable may use the taxes imposed on the property for the preceding tax year as the basis for determining the amount of taxes to be imposed for the current tax year.

(c) If the amount of prorated taxes determined to be due as provided by this section is tendered to the collector for the unit, he shall accept the tender. The payment absolves the transferor of liability for taxes by the unit on the property for the year of the transfer. [Acts 1979, 66th Leg., p. 2282, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 26.12. Units Created During Tax Year

The assessor for the unit shall submit the appraisal roll to the governing body of the unit within five days after receipt from the appraisal office. The limitations imposed by Section 26.02 of this code do not apply to the unit in the year it is created. The assessor shall calculate the taxes and prepare

(b) If a taxing unit annexes territory during a tax year that was located in another taxing unit of like kind on January 1, each unit shall impose taxes on property located within its boundaries on the date the appraisal office submits the unit's appraisal roll to the appraisal district and approved by the board of equalization or appraisal review board for the district. The chief appraiser shall prepare and deliver an appraisal roll for each unit in accordance with the requirements of this subsection, if a correction in the tax roll that changes the tax liability of a property owner is made after the tax bill is mailed, the assessor shall prepare and mail a corrected tax bill in the manner provided by Chapter 31 of this code for tax bills generally. He shall include with the bill a brief explanation of the reason for and effect of the corrected bill.

(c) For purposes of this section, “taxing units of like kind” are taxing units that are authorized by the laws by or pursuant to which they are created to perform essentially the same services.

(d) Except as provided by Subsection (e) of this section, if a correction in the tax roll that changes the tax liability of a property owner is made after the tax bill is mailed, the assessor shall prepare and mail a corrected tax bill in the manner provided by Chapter 31 of this code for tax bills generally. He shall include with the bill a brief explanation of the reason for and effect of the corrected bill.

(e) If a correction increases the tax liability of a property owner after he has paid the tax, the taxing unit shall refund to the property owner the difference between the tax paid and the tax legally due.

(f) If a correction decreases the tax liability of a property owner after he has paid the tax, the taxing unit shall refund to the property owner the difference between the tax paid and the tax legally due.

§ 26.14. Annexation of Property During Tax Year

(b) If a taxing unit annexes territory during a tax year that was located in another taxing unit of like kind on January 1, each unit shall impose taxes on property located within its boundaries on the date the appraisal office submits the unit's appraisal roll to the appraisal district and approved by the board of equalization or appraisal review board for the district. The chief appraiser shall prepare and deliver an appraisal roll for each unit in accordance with the requirements of this subsection.

(c) For purposes of this section, “taxing units of like kind” are taxing units that are authorized by the laws by or pursuant to which they are created to perform essentially the same services.

(d) Except as provided by Subsection (e) of this section, if a correction in the tax roll that changes the tax liability of a property owner is made after the tax bill is mailed, the assessor shall prepare and mail a corrected tax bill in the manner provided by Chapter 31 of this code for tax bills generally. He shall include with the bill a brief explanation of the reason for and effect of the corrected bill.

(e) If a correction increases the tax liability of a property owner after he has paid the tax, the taxing unit shall refund to the property owner the difference between the tax paid and the tax legally due.

(f) If a correction decreases the tax liability of a property owner after he has paid the tax, the taxing unit shall refund to the property owner the difference between the tax paid and the tax legally due.

§ 26.15. Correction of Tax Roll
(a) Except as provided by Chapters 41 and 42 of this code and in this section, the tax roll for a taxing unit may not be changed after it is completed.

(b) The assessor for a taxing unit may not change the tax roll after it is completed.

The assessor shall enter the corrections ordered by the governing body.
§ 31.01  Tax Bills

(a) Except as provided by Subsection (f) of this section, the assessor for each taxing unit shall prepare and mail a tax bill to each person in whose name the property is listed on the tax roll or to his authorized agent. The assessor shall mail tax bills by October 1 or as soon thereafter as practicable. The assessor shall mail to the state agency or institution the tax bill for any taxable property owned by the agency or institution. The agency or institution shall pay the taxes from funds appropriated for payment of the taxes or, if there are none, from funds appropriated for the administration of the agency or institution.

(b) The county assessor-collector shall mail the tax bill for Permanent University Fund land to the comptroller. The comptroller shall pay all county tax bills on Permanent University Fund land with warrants drawn on the General Revenue Fund and mailed to the county assessors-collectors before February 1.

(c) The tax bill or a separate statement accompanying the tax bill shall:

(1) identify the property subject to the tax;
(2) state the appraised value, assessed value, and taxable value of the property;
(3) if the property is land appraised as provided by Subchapter C, D, or E, Chapter 23 of this code, state the market value and the taxable value for purposes of deferred or additional taxation as provided by Section 23.46, 23.55, or 23.76, as applicable, of this code;
(4) state the assessment ratio for the unit;
(5) state the type and amount of any partial exemption applicable to the property, indicating whether it applies to appraised or assessed value;
(6) state the total tax rate for the unit;
(7) state the amount of tax due, the due date, and the delinquency date;
(8) state the rate of penalty, if any, imposed for delinquent payment of the tax;
(9) state the rates of penalty and interest imposed for delinquent payment of the tax; and
(10) include any other information required by the State Property Tax Board.

(d) Each tax bill shall also state the amount of penalty, if any, imposed pursuant to Sections 23.481, 23.54, 23.541, 23.75, 23.751, 23.87, and 23.97 of this code.

(e) An assessor may include taxes for more than one taxing unit in the same tax bill, but he shall include the information required by Subsection (c) of this section for the tax imposed by each unit included in the bill.

(f) The governing body of a taxing unit may provide in the manner required by law for official action by the body that a tax bill not be sent until the total amount of unpaid taxes the unit collects on the property is $5 or more. Penalties and interest do not accrue during a period when a bill is not sent because of the provisions of this section.

(g) Except as provided by Subsection (f) of this section, failure to send or receive the tax bill required by this section does not affect the validity of the tax, penalty, or interest, the due date, the existence of a tax lien, or any procedure instituted to collect a tax.

§ 31.02. Delinquency Date

Except as provided by Sections 31.03 and 31.04 of this code, taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed.

[Acts 1979, 66th Leg., p. 2285, ch. 841, § 1, eff. Jan. 1, 1982.]

Acts 1981, 67th Leg., 1st C.S., p. 182, ch. 13, § 166, provides:

"Municipal Delinquency Dates. The Property Tax Code does not affect the date a city's taxes for 1981 become delinquent if a city ordinance or charter provides an earlier delinquency date."

§ 31.03. Split Payment of Taxes

(a) The governing body of a taxing unit that collects its own taxes may provide, in the manner required by law for official action by the body, that a person who pays one-half of the unit's taxes before December 1 may pay the remaining one-half of the taxes without penalty or interest before July 1 of the following year.

(b) The split-payment option, if adopted, applies to taxes for all units for which the adopting taxing unit collects taxes.

(c) If one or more taxing units contract with the appraisal district for collection of taxes, the split-payment option provided by Subsection (a) of this section does not apply to taxes collected by the district unless approved by resolution adopted by a majority of the governing bodies of the taxing units whose taxes the district collects and filed with the secretary of the appraisal district board of directors.
After an appraisal district provides for the split-payment option, the option applies to all taxes collected by the district until revoked. It may be revoked in the same manner as provided for adoption.

§ 31.05. Discounts

(a) The governing body of a taxing unit that collects its own taxes may adopt the discounts provided by Subsection (b) or Subsection (c) of this section, or both, in the manner required by law for official action by the body. The discounts, if adopted, apply to taxes for a taxing unit for which the adopting taxing unit collects taxes if the governing body of the other unit, in the manner required by law for official action by the body, adopts the discounts or approves of their application to its taxes by the collecting unit. If a taxing unit adopts both discounts under Subsections (b) and (c) of this section, the discounts adopted under Subsection (b) apply unless the unit mails its tax bills after September 30, in which case only the discounts under Subsection (c) apply.

(b) A taxing unit may adopt the following discounts to apply regardless of the date on which it mails its tax bills:

(1) three percent if the tax is paid in October or earlier;
(2) two percent if the tax is paid in November; and
(3) one percent if the tax is paid in December.

(c) A taxing unit may adopt the following discounts to apply when it mails its tax bills after September 30:

(1) three percent if the tax is paid before or during the next full calendar month following the date on which the tax bills were mailed;
(2) two percent if the tax is paid during the second full calendar month following the date on which the tax bills were mailed; and
(3) one percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.

Section 3(a) of the 1983 amendatory act provides:

"This Act applies to taxes due for tax bills mailed on or after the effective date of this Act. All the discounts provided by Section 31.05, Tax Code, as amended by this Act, are effective in a taxing unit in which the discounts provided by Section 31.05, Tax Code, were in effect immediately before the effective date of this Act, as if the new discounts had been adopted by the governing body of the taxing unit or by the governing body of the taxing unit collecting its taxes."

§ 31.06. Medium of Payment

(a) Taxes are payable only in currency of the United States. However, a collector may accept a check or money order in payment of taxes.
(b) Acceptance by a collector of a check or money order constitutes payment of a tax as of the date of acceptance if the check or money order is duly paid or honored. If the check or money order is not duly paid or honored, the collector shall deliver written notice of nonpayment to the person who attempted payment by check or money order. Until payment is made in full by cash or by a check or money order that is duly paid or honored, the lien securing payment of the tax remains in effect, whether or not the person receives notice of nonpayment.

(c) If a check or money order accepted in payment of taxes is not duly paid or honored, the amount of any charge against the taxing unit for processing the check or order is added to the amount of tax due in the same manner as penalties and interest are added for taxes that are delinquent. The tax lien on the property also secures payment of the amount of the charge.

§ 31.06. Tax Certificate

(a) At the request of any person, a collector for a taxing unit shall issue a certificate showing the amount of delinquent taxes, penalties, and interest due the unit on a property according to the unit's current tax records. The collector shall charge a fee of $4 for each certificate issued. The collector shall pay all fees collected under this section into the treasury of the taxing unit that employs him.

(b) A person may pay the tax imposed on any one property without simultaneously paying taxes imposed on other property he owns.

(c) A taxpayer applies to the tax collector of a taxing unit for a refund of an overpayment or erroneous payment of taxes and the auditor for the unit determines that the payment was erroneous or excessive, the tax collector shall refund the amount of the excessive or erroneous payment from available current tax collections or from funds appropriated by the unit for making refunds. However, if the amount of the refund exceeds $500, the collector may not make the refund unless the governing body of the taxing unit also determines that the payment was erroneous or excessive and approves the refund.

(d) A tax certificate issued through fraud or collusion is void.

§ 31.07. Certain Payments Accepted

(a) A person may pay the tax imposed on any one property by a taxing unit separate from taxes imposed on that property by other taxing units using the same collector unless the tax is included in a separate bill.

(b) Except as provided by Subsection (c) of this section, if a person transfers property accompanied by a tax certificate erroneously showing that no delinquent taxes, penalties, or interest are due a taxing unit on the property, the unit's tax lien on the property is extinguished and the purchaser of the property is absolved of liability to the unit for delinquent taxes, penalties, or interest on the property. The person who was liable for the tax for the year it was imposed remains personally liable for the delinquent tax, penalties, and interest.

(c) If a check or money order accepted in payment of taxes is not duly paid or honored, the amount of any charge against the taxing unit for processing the check or order is added to the amount of tax due in the same manner as penalties and interest are added for taxes that are delinquent. The tax lien on the property also secures payment of the amount of the charge.

§ 31.08. Tax Certificate

(a) At the request of any person, a collector for a taxing unit shall issue a certificate showing the amount of delinquent taxes, penalties, and interest due the unit on a property according to the unit's current tax records. The collector shall charge a fee of $4 for each certificate issued. The collector shall pay all fees collected under this section into the treasury of the taxing unit that employs him.

(b) Except as provided by Subsection (c) of this section, if a person transfers property accompanied by a tax certificate erroneously showing that no delinquent taxes, penalties, or interest are due a taxing unit on the property, the unit's tax lien on the property is extinguished and the purchaser of the property is absolved of liability to the unit for delinquent taxes, penalties, or interest on the property. The person who was liable for the tax for the year it was imposed remains personally liable for the delinquent tax, penalties, and interest.

(c) A tax certificate issued through fraud or collusion is void.

§ 31.10. Reports and Remittances of Other Taxes

(a) Each month the collector of taxes for a taxing unit shall prepare and submit to the governing body of the unit a written report made under oath accounting for all taxes collected for the unit during the preceding month. Reports of collections made in the months of October through January are due on the 25th day of the month following the month that is the subject of the report. Reports of collections made in all other months are due on the 15th day of the month following the month that is the subject of the report. A collector for more than one taxing unit may prepare one report accounting for taxes collected for all units, and he may submit a certified copy of the report as his monthly report to the governing body of each unit.

(b) The collector for a taxing unit shall prepare and submit to the governing body of the unit an annual report made under oath accounting for all taxes of the unit collected or delinquent on property taxed by the unit during the preceding 12-month period. Annual reports are due on the 60th day following the last day of the fiscal year.

(c) At least monthly the collector for a taxing unit shall deposit in the unit's depository all taxes collected for the unit. The governing body of a unit may require deposits to be made more frequently.

§ 31.11. Refunds of Overpayments or Erroneous Payments

(a) If a taxpayer applies to the tax collector of a taxing unit for a refund of an overpayment or erroneous payment of taxes and the auditor for the unit determines that the payment was erroneous or excessive, the tax collector shall refund the amount of the excessive or erroneous payment from available current tax collections or from funds appropriated by the unit for making refunds. However, if the amount of the refund exceeds $500, the collector may not make the refund unless the governing body of the taxing unit also determines that the payment was erroneous or excessive and approves the refund.

(b) An application for a refund must be made within three years after the date of the payment or the taxpayer waives the right to the refund.

CHAPTER 32. TAX LIENS AND PERSONAL LIABILITY

Sec.
32.01. Tax Lien.
32.02. Restrictions on a Mineral Interest Tax Lien.
32.05. Restrictions on Personal Property Tax Lien.
Sec. 32.04. Priorities Among Tax Liens.
32.05. Priority of Tax Liens Over Other Property Interests.
32.06. Transfer of Tax Lien.
32.07. Personal Liability for Tax.

§ 32.01. Tax Lien

On January 1 of each year, a tax lien attaches to property to secure the payment of all taxes, penalties, and interest ultimately imposed for the year on that property, whether or not the taxes are imposed in the year the lien attaches. The lien exists in favor of each taxing unit having power to tax the property.

§ 32.02. Restrictions on a Mineral Interest Tax Lien

(a) If a mineral estate is severed from a surface estate and if different persons own the mineral estate and surface estate, the lien resulting from taxes imposed against each interest in the mineral estate exists only for the duration of the interest it encumbers. After an interest in the mineral estate terminates, the lien encumbering it expires and is not enforceable:

(1) against any part of the surface estate not owned by the owner of the interest encumbered by the lien;

(2) against any part of the mineral estate not owned by the owner of the interest encumbered by the lien; or

(3) against the owner of the surface estate as a personal obligation, unless he also owns the interest encumbered by the lien.

(b) Taxes imposed on a severed interest in a mineral estate that has terminated remain the personal liability of the person who owned the interest on January 1 of the year for which the tax was imposed.

[Acts 1979, 66th Leg., p. 2287, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 32.03. Restrictions on Personal Property Tax Lien

A tax lien may not be enforced against personal property transferred to a bona fide purchaser for value who does not have actual notice of the existence of the lien.

[Acts 1979, 66th Leg., p. 2287, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 32.04. Priorities Among Tax Liens

(a) Whether or not a tax lien provided by this chapter takes priority over a tax lien of the United States is determined by federal law. In the absence of federal law, a tax lien provided by this chapter takes priority over a tax lien of the United States.

(b) Tax liens provided by this chapter have equal priority.

[Acts 1979, 66th Leg., p. 2287, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 32.05. Priority of Tax Liens Over Other Property Interests

(a) A tax lien on real property takes priority over a homestead interest in the property.

(b) Except as provided by Subsection (c) of this section, a tax lien provided by this chapter takes priority over the claim of any creditor of a person whose property is encumbered by the lien and over the claim of any holder of a lien on property encumbered by the tax lien, whether or not the debt or lien existed before attachment of the tax lien.

(c) A tax lien provided by this chapter is inferior to claims for any survivor's allowance, funeral expenses, or expenses of the last illness of a decedent made against the estate of a decedent as provided by law.

[Acts 1979, 66th Leg., p. 2287, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 32.06. Transfer of Tax Lien

(a) A person may authorize another person to pay the taxes imposed by a taxing unit on his real property by filing with the collector for the unit a sworn document stating the authorization, naming the person authorized to pay the taxes, and describing the property.

(b) If a person authorized to pay another's taxes pursuant to Subsection (a) of this section pays the taxes and any penalties and interest imposed, the collector shall issue a tax receipt to the person paying the taxes. In addition, the collector shall certify on the sworn document that payment of the taxes and any penalties and interest imposed, the collector shall issue a tax receipt to the person paying the taxes. The collector shall attach to the document his seal of office and deliver the document to the person paying the taxes. The collector shall keep a record of all tax liens transferred as provided by this section.

(c) Except as otherwise provided by this section, the transferee of a tax lien and any successor in interest is entitled to foreclose the lien in the manner provided by law for foreclosure of tax liens.

(d) To be enforceable, a tax lien transferred as provided by this section must be recorded in the deed records of each county in which the property encumbered by the lien is located.

(e) A person holding a tax lien transferred as provided by this section may not charge a greater rate of interest than 10 percent a year on the taxes, penalties, interest, and recording expenses paid to acquire and record the lien.
§ 32.06 TAX CODE

(f) The holder of a preexisting lien on property encumbered by a tax lien transferred as provided by this section is entitled, within six months after the date on which the tax lien is recorded in all counties in which the property is located, to pay the holder of the tax lien the amount paid for the lien, plus interest accrued and recording expenses, and becomes subrogated to all rights in the lien.

(g) A suit to foreclose a tax lien transferred as provided by this section may not be instituted within one year from the date on which the lien is recorded in all counties in which the property is located.

(b) After one year from the date on which a tax lien transferred as provided by this section is recorded in all counties in which the property is located, the holder of the lien may file suit to foreclose the lien unless a contract between the holder of the lien and the owner of the property encumbered by the lien provides otherwise. If the suit results in foreclosure of the lien, the person filing suit is entitled to recover attorney's fees in an amount not to exceed 10 percent of the judgment. The proceeds of a sale following foreclosure as provided by this subsection shall be applied first to the payment of court costs, then to payment of the judgment, including accrued interest, and then to the payment of any attorney's fees fixed in the judgment. Any remaining proceeds shall be paid to other holders of liens on the property in the order of their priority and then to the person whose property was sold at the tax sale.

(i) The person whose property is sold as provided by this section or any person holding a first lien against the property is entitled, within one year after the date the property is sold, to redeem the property from the purchaser at the tax sale by paying him the tax sale purchase price, plus costs and interest accrued on the judgment to the date of redemption or 110 percent of the amount of the judgment, whichever is less. If a person redeems the property as provided by this subsection, the purchaser at the tax sale shall deliver a deed to the property to the person redeeming the property. If the person who owned the property at the time of foreclosure redeems the property, all liens existing on the property at the time of the tax sale remain in effect to the extent not paid from the sale proceeds.

(j) This section does not abridge the right of an owner of real property to enter into a contract for the payment of taxes with the holder of a lien on the property or affect a contract between the owner and holder of a lien for the payment of taxes on the property.

SUBCHAPTER A. GENERAL PROVISIONS

§ 33.01. Penalties and Interest

(a) A delinquent tax incurs a penalty of six percent of the amount of the tax for the first calendar month it is delinquent plus one percent for each additional month or portion of a month the tax remains unpaid prior to July 1 of the year in which it becomes delinquent. However, a tax delinquent on July 1 incurs a total penalty of twelve percent of the amount of the delinquent tax without regard to the number of months the tax has been delinquent.

(b) If a person who exercises the split-payment option provided by Section 31.03 of this code fails to make the second payment before July 1, the second payment is delinquent and incurs a penalty of twelve percent of the amount of unpaid tax.
(c) A delinquent tax accrues interest at a rate of one percent for each month or portion of a month the tax remains unpaid.

§ 33.06. Installment Payment of Delinquent Taxes

(a) The collector for a taxing unit that collects its own taxes may enter an agreement with a person delinquent in the payment of the tax for payment of the tax, penalties, and interest in installments. The agreement must be in writing and may not extend for a period of more than 36 months.

(b) Interest accrues as provided by Subsection (c) of Section 33.01 of this code on the unpaid balance during the period of the agreement.

(c) A property owner's execution of an installment agreement under this section is an irrevocable admission of liability for all taxes, penalties, and interest that are subject to the agreement.

(d) Property may not be seized and sold and a suit may not be filed to collect a delinquent tax subject to an installment agreement unless the property owner:

(1) fails to make a payment as required by the agreement;

(2) fails to pay other property taxes collected by the unit when due as required by the collector; or

(3) breaches any other condition of the agreement.

(e) Execution of an installment agreement tolls the limitation periods provided by Section 33.05 of this code for the period during which enforced collection is barred by Subsection (d) of this section.

§ 33.05. Limitation on Collection of Taxes

(a) Personal property may not be seized and a suit may not be filed:

(1) to collect a tax on personal property that has been delinquent more than four years; or

(2) to collect a tax on real property that has been delinquent more than 20 years.

(b) A tax delinquent for more than the limitation period prescribed by this section and any penalty and interest on the tax is presumed paid unless a suit to collect the tax is pending.

§ 33.06. Deferred Collection of Certain Taxes

(a) An individual is entitled to defer or abate a suit to collect a delinquent tax if he is 65 or older and he owns and occupies as a residence homestead the property on which the tax subject to the suit is delinquent.

(b) To obtain a deferral, an individual must file with the chief appraiser for the appraisal district in which the property is located an affidavit stating the facts required to be established by Subsection
§ 33.06  TAX CODE

(a) of this section. The chief appraiser shall notify each taxing unit participating in the district of the filing. After an affidavit is filed under this subsection, a taxing unit may not file suit to collect delinquent taxes on the property until the individual no longer owns and occupies the property as a residence homestead.

(c) To obtain an abatement, the individual must file in the court in which suit is pending an affidavit stating the facts required to be established by Subsection (a) of this section. If no controverting affidavit is filed by the taxing unit filing suit or if, after a hearing, the court finds the individual is entitled to the deferral, the court shall abate the suit until the individual no longer owns and occupies the property as a residence homestead.

(d) A tax lien remains on the property and penalties and interest continue to accrue during the period collection of taxes is deferred as provided by this section. A plea of limitation, laches, or want of prosecution does not apply against the taxing unit because of deferral of collection as provided by this section.

(e) Each year the chief appraiser for each appraisal district shall publicize in a manner reasonably designed to notify all residents of the district or county the provisions of this section and, specifically, the method by which eligible persons may obtain a deferral.

§ 33.07. Additional Penalty for Collection Costs

(a) A taxing unit or appraisal district may provide, in the manner required by law for official action by the body, that taxes that remain delinquent on July 1 of the year in which they become delinquent incur an additional penalty to defray costs of collection, if the unit or district or another unit that collects taxes for the unit has contracted with an attorney pursuant to Section 6.30 of this code. The amount of the penalty may not exceed 15 percent of the amount of taxes, penalty, and interest due.

(b) A tax lien attaches to the property on which the tax is imposed to secure payment of the penalty.

(c) If a penalty is imposed pursuant to this section, a taxing unit may not recover attorney's fees in a suit to collect delinquent taxes subject to the penalty.

(d) If a taxing unit or appraisal district provides for a penalty under this section, the collector shall deliver a notice of delinquency and of the penalty to the property owner at least 30 and not more than 60 days before July 1.

§ 33.21. Property Subject to Seizure

(a) A person's personal property is subject to seizure for the payment of a delinquent tax, penalty, and interest he owes a taxing unit on property.

(b) A person's personal property is subject to seizure for the payment of a tax imposed by a taxing unit on his property before the tax becomes delinquent if:

(1) the collector discovers that property on which the tax has been or will be imposed is about to be removed from the county; and

(2) the collector knows of no other personal property in the county from which the tax may be satisfied.

(c) Current wages in the possession of an employer are not subject to seizure.

§ 33.22. Institution of Seizure

(a) At any time after a tax becomes delinquent, a collector may apply for a tax warrant to any court in any county in which the person liable for the tax has personal property. If more than one collector participates in the seizure, all may make a joint application.

(b) A collector may apply at any time for a tax warrant authorizing seizure of property as provided by Subsection (b) of Section 33.21 of this code.

c) The court shall issue the tax warrant if the applicant shows by affidavit that:

(1) the person whose property he intends to seize is delinquent in the payment of taxes, penalties, and interest in the amount stated in the application; or

(2) the applicant has reason to believe the property owner is about to remove from the county personal property on which a tax has been or will be imposed, the applicant knows of no other personal property the person owns in the county from which the tax may be satisfied, and taxes in a stated amount have been imposed on the property or taxes in an estimated amount will be imposed on the property.

[Acts 1979, 66th Leg., p. 2289, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.23. Tax Warrant

(a) A tax warrant shall direct a peace officer in the county and the collector to seize as much of the person's personal property as may be reasonably necessary for the payment of all taxes, penalties, and interest included in the application and all costs of seizure and sale. The warrant shall direct the
person whose property is seized to disclose to the officer executing the warrant the name and the address if known of any other person having an interest in the property.

(b) A bond may not be required of a taxing unit for issuance or delivery of a tax warrant, and a fee or court cost may not be charged for issuance or delivery of a warrant.

(c) After a tax warrant is issued, the collector shall take possession of the property pending its sale. The person against whom a tax warrant is issued shall surrender the property on demand.

§ 33.24. Bond for Payment of Taxes

A person may prevent seizure of property or sale of property seized by delivering to the collector a cash or surety bond conditioned on payment of the tax before delinquency. The bond must be approved by the collector in an amount determined by him, but he may not require an amount greater than the amount of tax if imposed or the collector’s reasonable estimate of the amount of tax if not yet imposed.

§ 33.25. Notice of Tax Sale

(a) After a seizure of personal property, the collector shall make a reasonable inquiry to determine the identity and address of any person having an interest in the property other than the person against whom the tax warrant is issued. He shall deliver as soon as possible a written notice stating the time and place of the sale and briefly describing the property seized to the person against whom the warrant is issued and to any other person he discovers has an interest in the property whose address he ascertains.

(b) Failure to send or receive the notice provided by this section does not affect the validity of the sale or title to the seized property.

[Acts 1979, 66th Leg., p. 2293, ch. 841, § 1, eff. Jan. 1, 1982.]

SUBCHAPTER C. DELINQUENT TAX SUITS

§ 33.41. Suit to Collect Delinquent Tax

(a) At any time after its tax on property becomes delinquent, a taxing unit may file suit to foreclose the lien securing payment of the tax, to enforce personal liability for the tax, or both. The suit must be in a court of competent jurisdiction for the county in which the tax was imposed.

(b) A suit to collect a delinquent tax takes precedence over all other suits pending in appellate courts.

§ 33.42. Taxes Included in Foreclosure Suit

(a) In a suit to foreclose a lien securing payment of its tax on real property, a taxing unit shall include all delinquent taxes due the unit on the property.

(b) If a taxing unit’s tax on real property becomes delinquent after the unit files suit to foreclose a tax lien on the property but before entry of judgment, the court shall include the amount of the tax and any penalty and interest in its judgment.

(c) If a tax required by this section to be included in a suit is omitted from the judgment in the suit, the taxing unit may not enforce collection of the tax at a later time.

[Acts 1979, 66th Leg., p. 2293, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.43. Petition

(a) A petition initiating a suit to collect a delinquent property tax is sufficient if it alleges that:

1. the taxing unit is legally constituted and authorized to impose and collect ad valorem taxes on property;
2. tax in a stated amount was legally imposed on each separately described property for each year specified and on each person named if known who owned the property on January 1 of the year for which the tax was imposed;
3. the tax was imposed in the county in which the suit is filed;
4. the tax is delinquent;
5. penalties, interest, and costs authorized by law in a stated amount for each separately assessed property are due;
6. the person sued owned the property on January 1 of the year for which the tax was imposed;
7. the person sued owns the property when the suit is filed if the suit seeks to foreclose a tax lien;
8. the taxing unit asserts a lien on each separately described property to secure the payment of all taxes, penalties, interest, and costs due if the suit seeks to foreclose a tax lien;
9. all things required by law to be done have been done properly by the appropriate officials; and
10. the attorney signing the petition is legally authorized to prosecute the suit on behalf of the taxing unit.

(b) If the petition alleges that the person sued owns the property on which the taxing unit asserts a lien, the prayer in the petition shall be for foreclo-
§ 33.43  TAX CODE  74

sure of the lien and payment of all taxes, penalties, interest, and costs that are due or will become due and that are secured by the lien. If the petition alleges that the person sued owned the property on January 1 of the year for which the tax was imposed, the prayer shall be for personal judgment for all taxes, penalties, interest, and costs that are due or will become due on the property. If the petition contains the appropriate allegations, the prayer may be for both foreclosure of a lien on the property and personal judgment.

(c) If the suit is for personal judgment against the person who owned personal property on January 1 of the year for which the tax was imposed on the property, the personal property may be described generally.

(d) The petition need not be verified.

(e) The State Property Tax Board shall prepare forms for petitions initiating suits to collect delinquent taxes. An attorney representing a taxing unit may use the forms or develop his own form.

§ 33.44. Joinder of Other Taxing Units

(a) A taxing unit filing suit to foreclose a tax lien on real property shall join other taxing units that have claims for delinquent taxes against all or part of the same property.

(b) For purposes of joining a county, citation may be served on the county tax assessor-collector. For purposes of joining any other taxing unit, citation may be served on the officer charged with collecting taxes for the unit or on the presiding officer or secretary of the governing body of the unit. Citation may be served by certified mail, return receipt requested. A person on whom service is authorized by this subsection may waive the issuance and service of citation in behalf of his taxing unit.

(c) A taxing unit joined in a suit as provided by this section must file its claim for delinquent taxes against the property or its lien on the property or in the manner prescribed by law for the partition of real property in district court.

(b) The court shall apportion the taxes, penalties, interest, and costs sued for to the owners of the property in proportion to the interest of each. If an owner pays the taxes, penalties, interest, and costs apportioned to him, the property partitioned to him is free from further claim or lien for the taxes involved in the suit. If an owner refuses to pay the amount apportioned to him, the suit shall proceed against him for that amount.

(c) The court shall allow reasonable attorney's fees and costs of partitioning for each property partitioned. The fee shall be taxed as costs against each owner in proportion to his interest and constitutes a lien against the property until paid.

§ 33.47. Tax Records as Evidence

(a) In a suit to collect a delinquent tax, the taxing unit's current tax roll and delinquent tax roll or certified copies of the entries showing the property and the amount of the tax imposed are prima facie evidence that each person charged with a duty relating to the imposition of the tax has complied with all requirements of law and that the amount of tax alleged to be delinquent against the property listed is the correct amount.

(b) If the description of a property in the tax roll or delinquent tax roll is insufficient to identify the property, the records of the appraisal office are admissible to identify the property.

§ 33.48. Recovery of Costs and Expenses

(a) In addition to other costs authorized by law, a taxing unit is entitled to recover the following costs and expenses in a suit to collect a delinquent tax:

(1) all usual court costs, including the cost of serving process;

(2) expenses of foreclosure sale;

(3) reasonable expenses, subject to approval by the court, that are incurred by the taxing unit in determining the name, identity, and location of necessary parties and in procuring necessary legal descriptions of the property on which a delinquent tax is due; and

(4) reasonable attorney's fees approved by the court and not exceeding 15 percent of the total amount of taxes, penalties, and interest adjudged due the unit.

(b) Each item specified by Subsection (a) of this section is a charge against the property subject to foreclosure in the suit and shall be collected out of the proceeds of the sale of the property or, if the
suit is for personal judgment, charged against the defendant.

(c) Fees collected for attorneys and other officials are fees of office, except that fees for contract attorneys representing a taxing unit that is joined or intervenes shall be applied toward the compensation due the attorney under the contract.

§ 33.49. Liability of Taxing Unit for Costs

(a) Except as provided by Subsection (b) of this section, a taxing unit is not liable in a suit to collect taxes for court costs, including any fees for service of process, and may not be required to post security for the costs.

(b) A taxing unit shall pay the cost of publishing citations, notices of sale, or other notices from the unit’s general fund as soon as practicable after receipt of the publisher’s claim for payment. The taxing unit is entitled to reimbursement from other taxing units that are parties to the suit for their proportionate share of the publication costs on satisfaction of any portion of the tax indebtedness before further distribution of the proceeds. A taxing unit may not pay a word or line rate for publication of citation or other required notice that exceeds the rate the newspaper publishing the notice charges private entities for similar classes of advertising.

[Acts 1979, 66th Leg., p. 2295, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.50. Adjudged Value

(a) In a suit for foreclosure of a tax lien on property, the court shall determine the market value of the property on the date of trial. The appraised value of the property according to the most recent appraisal roll approved by the appraisal review board is presumed to be its market value on the date of trial, and the person being sued has the burden of establishing that the market value of the property differs from that appraised value. The court shall incorporate a finding of the market value of the property on the date of trial in the judgment.

(b) If the judgment in a suit to collect a delinquent tax is for foreclosure of a tax lien on property, the order of sale shall specify that the property may not be sold to a person owning an interest in the property or to any party to the suit, other than a taxing unit, for less than the market value of the property stated in the judgment or the aggregate amount of the judgments against the property, whichever is less.

[Acts 1979, 66th Leg., p. 2296, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.51. Writ of Possession

If the court orders the foreclosure of a tax lien and the sale of real property, the judgment shall provide for the issuance of a writ of possession to the purchaser at the sale or his assigns within 20 days after the period of redemption expires.

[Acts 1979, 66th Leg., p. 2296, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.52. Judgment for Current Taxes

(a) If the court orders the foreclosure of a tax lien and the sale of real property, the judgment shall order that the taxing unit recover from the proceeds of the sale the amount of tax on the property for the current tax year prorated to the day of judgment.

(b) If the amount of tax for the current tax year has not been determined on the date of judgment, the court shall order recovery of the amount of tax imposed on the property for the preceding tax year, prorated to the date of judgment.

[Acts 1979, 66th Leg., p. 2296, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.53. Order of Sale

If judgment in a suit to collect a delinquent tax is for foreclosure of a tax lien, the court shall order the property sold in satisfaction of the amount of the judgment.

[Acts 1979, 66th Leg., p. 2296, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 33.54. Limitation on Actions Relating to Property Sold for Taxes

(a) Except as provided by Subsection (b) of this section, a cause of action relating to the title to property may not be maintained against the purchaser of the property at a tax sale unless the action commences within three years after the deed executed to the purchaser at the tax sale is filed of record.

(b) If a person other than the purchaser at the tax sale or his successor in interest pays taxes on the property during the three years following the date the deed is filed and that person was not served citation in the suit to foreclose the tax lien, the three-year limitations period does not apply to that person.

(c) When actions are barred by this section, the purchaser at the tax sale or his successor in interest shall be held to have full title to the property, precluding all other claims.

[Acts 1979, 66th Leg., p. 2296, ch. 841, § 1, eff. Jan. 1, 1982.]

CHAPTER 34. TAX SALES AND REDEMPTION

SUBCHAPTER A. TAX SALES

Sec.
34.01. Sale of Property.
34.02. Distribution of Proceeds.
34.03. Disposition of Excess Proceeds.
§ 34.01  TAX CODE

Sec. 34.01. Sale of Property
(a) Property seized or ordered sold pursuant to foreclosure of a tax lien shall be sold in the manner similar property is sold under execution except as otherwise provided by this subchapter.

(b) The owner of real property subject to sale may file with the officer charged with the sale a written request that the property be divided and that only as many portions be sold as is necessary to pay the tax, penalties, interest, and costs adjudged due against the property. In the request the owner shall describe the desired portions and shall specify the order in which the portions should be sold.

(c) If a sufficient bid is not received, the officer making the sale shall bid the property off to a taxing unit that is a party to the judgment for the total amount of the judgment against the property. In the request the offeree shall describe the desired portions and shall specify the order in which the portions should be sold.

(d) For each part of the property sold, the officer shall prepare a deed vesting good and perfect title in the offeree or reselling taxing unit. The deed may be impeached only for fraud.

§ 34.02. Distribution of Proceeds
(a) The proceeds of a tax sale shall be applied first to the payment of costs. The remainder shall be distributed to all taxing units participating in the sale in satisfaction of the taxes, penalties, and interest due each.

(b) If the proceeds are not sufficient to pay the costs and taxes, penalties, and interest due all participants in the sale, each participant is entitled to a share of the proceeds after payment of costs in an amount equal to the proportion its taxes, penalties, and interest bear to the total amount of taxes, penalties, and interest due all participants in the sale.

(c) If the sale is pursuant to foreclosure of a tax lien, the officer conducting the sale shall pay any excess proceeds after payment of all costs and of all taxes, penalties, and interest due all participants in the sale to the clerk of the court issuing the order of sale.

(d) If the sale is pursuant to seizure of personal property, the officer conducting the sale shall distribute any excess proceeds as provided by law for excess proceeds in the case of execution.

[Acts 1979, 66th Leg., p. 2297, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 34.03. Disposition of Excess Proceeds
(a) The clerk of the court shall keep the excess proceeds paid into court as provided by Subsection (c) of Section 34.02 of this code for a period of seven years after the date of the sale unless otherwise ordered by the court.

(b) If no claimant establishes entitlement to the proceeds within seven years, the clerk shall distribute the excess proceeds to each taxing unit participating in the sale in an amount equal to the proportion its taxes, penalties, and interests bear to the total amount of taxes, penalties, and interest due all participants in the sale.

(c) The clerk shall note on the execution docket in each case the amount of the excess proceeds, the date they were received, and the date they were transmitted to the taxing units participating in the sale.

§ 34.04. Claims for Excess Proceeds
(a) A person may file a petition in the court that ordered the sale setting forth a claim to the excess proceeds within seven years from the date of the sale of the property.

(b) A copy of the petition shall be served on the county attorney or, if there is no county attorney, the district attorney and on all parties to the suit that ordered the sale, if any, not later than the 20th day before the date set for a hearing on the petition.

(c) At the hearing if the court finds that the claimant is entitled to recover the excess proceeds, it shall order that the proceeds be paid to him. Interest or costs may not be allowed.

(d) A claim for the excess proceeds may not be filed after the expiration of seven years from the date the property is sold.

§ 34.05. Resale by Taxing Unit

(a) If property is sold to a taxing unit that is a party to the judgment, the taxing unit may sell the property at any time, subject to any right of redemption existing at the time of the sale.

(b) Unless the property is sold pursuant to Subsections (c) and (d) of this section, it may not be sold for less than the market value specified in the judgment of foreclosure or the total amount of the judgments against the property, whichever is less, without the consent of each taxing unit entitled to receive proceeds of the sale under the judgment. Joinder of the taxing units in the conveyance of the property constitutes consent. The presiding officer of the governing body of a taxing unit may consent in behalf of the taxing unit.

(c) The taxing unit purchasing the property by resolution of its governing body may request the sheriff to sell the property at a public sale. If the purchasing taxing unit has not sold the property within six months after the date on which the owner's right of redemption terminates, any taxing unit that is entitled to receive proceeds of the sale by resolution of its governing body may request the sheriff in writing to sell the property at a public sale. On receipt of a request made under this subsection, the sheriff shall sell the property as provided by Subsection (d) of this section.

(d) Except as provided by this subsection, all public sales requested as provided by Subsection (c) of this section shall be conducted in the manner prescribed by the Rules of Civil Procedure for the sale of property under execution. The notice of the sale must contain a description of the property to be sold, which must be a legal description in the case of real property, the number and style of the suit under which the property was sold at the tax foreclosure sale, and the date of the tax foreclosure sale. The officer conducting the sale shall reject any bid for the property if it is his judgment that the amount bid is insufficient. If all bids are insufficient, the property shall be readvertised and offered for sale again. The acceptance of a bid by the officer conducting the sale is conclusive and binding on the question of its sufficiency. An action to set aside the sale on the grounds that the bid is insufficient may not be sustained in court, except that a taxing unit that participates in distribution of proceeds of the sale may file an action within one year after the date of the sale to set aside the sale on the grounds of fraud or collusion between the officer making the sale and the purchaser.

(e) The presiding officer of a taxing unit or the sheriff selling real property pursuant to this section shall execute a deed to the property conveying to the purchaser the right, title, and interest acquired or held by each taxing unit that was a party to the judgment foreclosing tax liens on the property. The conveyance shall be made subject to any remaining right of redemption at the time of the sale.

(f) An action attacking the validity of a resale of property pursuant to this section may not be instituted after the expiration of one year after the date of the resale.

§ 34.06. Distribution of Proceeds of Resale

(a) The proceeds of a resale of property purchased by a taxing unit at a tax foreclosure sale shall be paid to the purchasing taxing unit.

(b) The purchasing taxing unit shall pay all costs and expenses of court and sale and shall distribute the remainder of the proceeds as provided by Section 34.02 of this code for distribution of proceeds after payment of costs.

[Acts 1979, 66th Leg., p. 2299, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 34.07. Subrogation of Purchaser at Void Sale

(a) The purchaser at a void or defective tax sale is subrogated to the rights of the taxing unit in whose behalf the property was sold to the same extent a purchaser at a void or defective sale conducted in behalf of a judgment creditor is subrogated to the rights of the judgment creditor.

(b) Except as provided by Subsection (c) of this section, the purchaser at a void or defective tax sale is subrogated to the tax lien of the taxing unit in whose behalf the property was sold to the same extent a purchaser at a void or defective mortgage or other lien foreclosure sale is subrogated to the lien of the lienholder, and the purchaser is entitled to a reforeclosure of the lien to which he is subrogated.

(c) If the purchaser at a void or defective tax sale paid less than the total amount of the judgment against the property, he is subrogated to the tax lien only in the amount he paid at the sale.

(d) In lieu of pursuing the rights to which he is subrogated, a purchaser at a void tax sale may elect to file an action against the taxing units to which the proceeds of the sale were distributed to recover the amount paid at the sale. A purchaser who files a suit authorized by this subsection waives all rights to which he would otherwise be subrogated.

[Acts 1979, 66th Leg., p. 2299, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 34.08. Repealed by Acts 1983, 68th Leg., p. 4829, ch. 851, § 28, eff. Aug. 29, 1983

[Sections 34.09 to 34.20 reserved for expansion]

SUBCHAPTER B. REDEMPTION

§ 34.21. Right of Redemption

(a) The owner of real property sold at a tax sale may redeem the property within two years after the date on which the purchaser's deed is filed for
§ 34.21

record by paying the purchaser the amount he bid for the property, the amount of the deed recording fee, and the amount paid by the purchaser as taxes, penalties, interest, and costs on the property, plus 25 percent of the aggregate total if the property is redeemed during the first year of the redemption period or 50 percent of the aggregate total if the property is redeemed during the second year of the redemption period.

(b) If the owner of the property makes an affidavit that he has made diligent search in the county in which the property is located for the purchaser at the tax sale and has failed to find him, that the purchaser at the sale is not a resident of the county in which the property is located, that he and the purchaser cannot agree on the amount of redemption money due, or that the purchaser refuses to give him a quitclaim deed to the property, the owner may redeem the land by paying the required amount to the assessor-collector for the county in which the property is located. The assessor-collector receiving the payment shall give the owner a signed receipt witnessed by two persons. The receipt, when recorded, is notice to all persons that the property described has been redeemed. The assessor-collector shall on demand pay the money received by him to the purchaser at the tax sale.

[A acts 1979, 66th Leg., p. 2300, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 34.22. Evidence of Title to Redeem Real Property

(a) A person asserting ownership of real property sold for taxes is entitled to redeem the property if he had title to the property or he was in possession of the property in person or by tenant either at the time suit to foreclose the tax lien on the property was instituted or at the time the property was sold. A defect in the chain of title to the property does not defeat an offer to redeem.

(b) A person who establishes title to real property that is superior to the title of one who has previously redeemed the property is entitled to redeem the property during the redemption period by paying the amounts provided by law to the person who previously redeemed the property.

[A acts 1979, 66th Leg., p. 2300, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 34.23. Distribution of Redemption Proceeds

(a) If the owner of property sold for taxes to a taxing unit redeems the property before the property is resold, the taxing unit shall distribute the redemption proceeds in the manner that proceeds of the resale of property are distributed.

(b) If the owner of property sold for taxes redeems the property from the taxing unit after the property has been resold, the taxing unit shall pay the purchaser at the resale the amount he paid for the property, plus 25 percent of that amount if the redemption occurs within one year after the date the property is resold or 50 percent of that amount if the redemption occurs more than one year after the date the property is resold. The taxing unit shall distribute the redemption proceeds remaining after payment of the amount due the purchaser at resale to the taxing units adjudged to have tax liens against the property in the proportion the amount of each unit's lien bears to the total amount of all liens established in the foreclosure suit.

[A acts 1979, 66th Leg., p. 2300, ch. 841, § 1, eff. Jan. 1, 1982.]

SUBCHAPTER A. REVIEW OF APPRAISAL RECORDS BY APPRAISAL REVIEW BOARD

§ 41.01. Scope of Review

The appraisal review board shall examine the appraisal records for the appraisal district to determine whether:
(1) appraisals are substantially uniform in terms of their relationship to the appraised value required by law;
(2) an exemption or a partial exemption is improperly granted;
(3) land is improperly granted appraisal as provided by Subchapter C, D, or E, Chapter 23 of this code; 1 or
(4) the records do not conform to the requirements of law in any other respect.

§ 41.02. Action by Board

If after reviewing the appraisal records the appraisal review board finds that appraisals are not substantially uniform or that the records do not conform to the requirements of law in some other respect, the board shall refer the matter to the appraisal office and by written order shall direct the chief appraiser to make the reappraisals or corrections in the records that are necessary to conform the records to the requirements of law.

[Acts 1979, 66th Leg., p. 2302, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 41.03. Challenge by Taxing Unit

A taxing unit is entitled to challenge before the appraisal review board:

(1) the level of appraisals of any category of property in the district or in any territory in the district, but not the appraised value of a single taxpayer’s property;
(2) an exclusion of property from the appraisal records;
(3) a grant in whole or in part of a partial exemption;
(4) a determination that land qualifies for appraisal as provided by Subchapter C, D, or E, Chapter 23 of this code; 1 or
(5) failure to identify the taxing unit as one in which a particular property is taxable.

§ 41.04. Challenge Petition

The appraisal review board is not required to hear or determine a challenge unless the taxing unit initiating the challenge files a petition with the board before June 1 or within 15 days after the date that the appraisal records are submitted to the appraisal review board, whichever is later. The petition must include an explanation of the grounds for the challenge.

§ 41.05. Hearing on Challenge

(a) On the filing of a challenge petition, the appraisal review board shall schedule a hearing on the challenge.

(b) The taxing unit initiating the challenge and each taxing unit in which property involved in the challenge is or may be taxable are entitled to an opportunity to appear to offer evidence or argument.

(c) The chief appraiser shall appear at each hearing to represent the appraisal office.

[Acts 1979, 66th Leg., p. 2302, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 41.06. Notice of Challenge Hearing

(a) The secretary of the appraisal review board shall deliver to the presiding officer of the governing body of each taxing unit entitled to appear at a challenge hearing written notice of the date, time, and place fixed for the hearing. The secretary shall deliver the notice not later than the 10th day before the date of the hearing.

(b) The secretary shall give the chief appraiser advance notice of the date, time, place, and subject matter of each challenge hearing.

[Acts 1979, 66th Leg., p. 2303, ch. 841, § 1, eff. Jan. 1, 1982.]

§ 41.07. Determination of Challenge

(a) The appraisal review board shall determine each challenge and make its decision by written order.

(b) If on determining a challenge the board finds that the appraisal records are incorrect in some respect raised by the challenge, the board shall refer the matter to the appraisal office and by its order shall direct the chief appraiser to make the reappraisals or corrections in the records that are necessary to conform the records to the requirements of law.

(c) The board shall determine all challenges before approval of the appraisal records as provided by Section 41.12 of this code.

(d) The board shall deliver by certified mail a notice of the issuance of the order and a copy of the order to the taxing unit.

SUBCHAPTER A. COLLECTION DUTIES AND POWERS

§ 111.001. Comptroller to Collect Taxes
The comptroller shall collect the taxes imposed by this title except as otherwise provided by this title.

§ 111.002. Comptroller's Rules; Compliance; Forfeiture
(a) The comptroller may adopt rules that do not conflict with the laws of this state or the constitution of this state or the United States for the enforcement of the provisions of this title and the collection of taxes and other revenues under this title.
(b) A person who does not comply with a rule made under this section forfeits to the state an amount of not less than $25 nor more than $500. Each day on which a failure to comply occurs or continues is a separate violation.
(c) If a forfeiture is not paid, the attorney general shall file suit to recover the forfeiture in a court of competent jurisdiction in Travis County or in any other county where venue lies.
(d) Any other provision of this code that imposes a different penalty for the violation of a comptroller's rule made for the enforcement or collection of a specific tax imposed by this title prevails over the penalty provided by this section.
(e) The comptroller may at any time examine and investigate the expenditure of appropriated money for a state institution or for any other purpose or for improvements made by the state on state property or money received and disbursed by any board authorized to receive and disburse state money. The comptroller shall investigate any state institution when required by information coming to his own knowledge.

§ 111.004. Power to Examine Records and Persons

(a) For the purpose of carrying out the terms of this title the comptroller may examine at the principal or any other office in the United States of any person, firm, agent, or corporation permitted to do business in this state, all books, records and papers and also any of their officers or employees under oath.

(b) If any person refuses to permit an examination or answer any question authorized by Subsection (a) of this section, the comptroller may certify the fact of the refusal to the secretary of state, who shall immediately forfeit the charter or the permit to do business of the person until the examination as required is completed.

(c) No charge may be made by the comptroller to examine a book, record, or paper or to question an officer or employee.

(d) The comptroller’s authority to examine books, records, and papers under this chapter extends to all books, records, papers, and other objects which the comptroller determines are necessary for conducting a complete examination under this title.

§ 111.0041. Records

(a) Any taxpayer who is required by this title to keep records shall keep those records open to inspection by the comptroller, the attorney general, or the authorized representatives of either of them for four years.

(b) This section prevails over any other conflicting provision of this title except Section 191.024(b) of this code.

§ 111.0042. Sampling in Auditing; Projecting Assessments

(b) Sampling auditing methods are appropriate if:

1. the taxpayer’s records are so detailed, complex, or voluminous that an audit of all detailed records would be unreasonable or impractical;

2. the taxpayer’s records are inadequate or insufficient, so that a competent audit for the period in question is not otherwise possible; or

3. the cost of an audit of all detailed records to the taxpayer or to the state will be unreasonable in relation to the benefits derived, and sampling procedures will produce a reasonable result.

(c) Before using a sample technique to establish a tax liability, the comptroller or his designee must notify the taxpayer in writing of the sampling procedure to be used.

(d) The sample must reflect as nearly as possible the normal conditions under which the business was operated during the period to which the audit applies. If a taxpayer can demonstrate that a transaction in a sample period is not representative of the taxpayer’s business operations, the transaction shall be eliminated from the sample and be separately assessed in the audit. If records are inadequate to reflect accurately the business operations of the taxpayer, the comptroller or his designee shall determine the best information available and base his audit report on that information.

(e) If the taxpayer demonstrates that any sampling method used by the comptroller was not in accordance with generally recognized sampling techniques, the audit will be dismissed as to that portion of the audit established by projection based upon the sampling method, and a new audit may be performed.

§ 111.0043. General Audit and Prehearing Powers

(a) In this section:

1. “Person” includes an individual, corporation, partner, partnership, officer, or director of a corporation, joint venture, trust, trustee, agent, or association.

2. “Taxpayer” means the person whose tax obligation the comptroller is seeking to determine.

(b)(1) Before a determination of or a hearing on a taxpayer’s tax obligation, if any, the comptroller may issue a subpoena addressed to the sheriff or constable of any county in this state to require any person who the comptroller determines may provide assistance in the examination of a taxpayer’s tax obligation to appear at the place and time stated in the subpoena for the taking of his oral deposition before an official authorized to take depositions. The subpoena may require the person to produce at the time of the deposition books, documents, records, papers, accounts, and other objects as may be specified by the comptroller. The subpoena must include a statement setting out the reason why the requested material is needed.

2. The deposition shall be taken in the county of the person’s residence or in the county where the person is employed or regularly transacts
business. The subpoena shall specify that the person shall remain in attendance from day to day until the deposition is begun and completed.

(3) The officer taking the oral deposition may not sustain objections to any of the testimony taken or exclude any of it.

(4) When the testimony is fully transcribed, the deposition shall be submitted to the person for examination and read to or by the person, unless the examination and reading are waived in writing by the person and by the comptroller. However, if the person is represented by an attorney of record, the deposition officer shall notify the attorney of record in writing by registered mail or certified mail that the deposition is ready for examination and reading at the office of the deposition officer. If the person does not appear and examine, read, and sign the deposition within 10 days after the mailing of the notice, the deposition shall be returned and may be used as fully as though signed. The officer shall enter on the deposition any changes in form or substance that the person desires to make and a statement of the reasons given by the person for making them. The deposition shall then be signed by the person, unless the person and the comptroller by stipulation waive the signing or the person is ill, cannot be found, or refuses to sign. If the deposition is not signed by the person, the officer shall sign it and state on the record the fact of the waiver, illness, or absence of the person or the fact of the refusal to sign, together with the reason, if any, given for failure to sign. The deposition may then be used as fully as though signed.

(5) The deposition shall be returned to the comptroller by the official taking the deposition either by mail or by delivering it in person.

(c) Before a determination of or a hearing on a taxpayer's tax obligation, if any, the comptroller may:

(1) issue a subpoena addressed to the sheriff or constable of any county in this state to require any person to produce at the place and time stated in the subpoena books, documents, records, papers, accounts, and other objects that the comptroller determines may assist in an examination of a person's tax obligation;

(2) issue an order to a person to permit entry upon designated land or other property in his possession or control for the purpose of inspecting, measuring, surveying, or photographing the property or any designated object or operation on the property that may be material to any matter involved in the examination; the order must specify the time, place, and manner of making the inspection, measurement, or survey and taking the copies and photographs and may prescribe any terms and conditions that are just;

(3) serve or have served by his designated agent any subpoena or order issued under this section by delivering a copy of the subpoena to the person.

(d) A person, other than the taxpayer, who is subpoenaed to give a deposition or to produce books, records, papers, or other objects under the authority of this section is entitled to receive after presentation of a voucher sworn by the person and approved by the comptroller:

(1) mileage of 20 cents a mile, or a greater amount as prescribed by agency rule, for going to and returning from the place of the hearing or the place where the deposition is taken, if the place is more than 25 miles from the person's place of residence; and

(2) a fee of $20 a day, or a greater amount as prescribed by agency rule, for each day or part of a day the person is necessarily present as a deponent.

(e) If a person fails to comply with a subpoena or order issued under this section, the comptroller may:

(1) acting through the attorney general, bring suit to enforce the subpoena or order in a district court of Travis County; the court, if it determines that good cause exists for the issuance of a subpoena or order, shall order the compliance with the requirements of the subpoena or order; failure to obey the order of the court may be punishable by the court as contempt;

(2) use records, books, papers, and other documents obtained or depositions taken under this section only in an administrative hearing of the comptroller or a judicial proceeding brought by or against the comptroller; the information may be made available to the federal government or to another state under an exchange agreement; and

(3) delegate his authority to issue subpoenas or orders and to participate in the taking of depositions as specified in this section to any attorney employed by him.

(f) If a foreign corporation doing business in this state has such contact with this state that it becomes subject to the taxes administered and collected by the comptroller and fails to appoint or maintain a registered agent in this state, or if the registered agent cannot with reasonable diligence be found at the registered office, then the secretary of state shall be an agent of the corporation and may be served with any subpoena or other order issued under this section in the manner provided for service of process in Article 8.10, Texas Business Corporation Act, as amended.

(g) Any person, including the taxpayer, shall be entitled to obtain upon request a copy of any statement he has previously made concerning the examination of its subject matter and which is in the possession, custody, or control of the comptroller. Copies of statements made to the comptroller by any person which are used as a basis for an assessment against a taxpayer may be obtained by the
taxpayer upon request. If the request is refused, the person may move for an agency order under this subsection. For the purpose of this section, a statement previously made is:

(1) a written statement signed or otherwise adopted or approved by the person making it; or

(2) a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement by the person making it and contemporaneously recorded.

§ 111.0044. Special Procedures for Third-Party Orders and Subpoenas

(a)(1) If any order or subpoena described in Section 111.0043 of this code is served on any person who is a third-party recordkeeper, and the order or subpoena requires the production of any portion of records made or kept of the business transactions or affairs of any person (other than the person ordered or subpoenaed) who is identified in the description of the record contained in the order or subpoena, then notice of the order or subpoena shall be given to any person so identified within three days of the day on which the service on the third-party recordkeeper is made but no later than the 14th day before the day fixed in the order or subpoena as the day upon which the records are to be examined. The notice shall be accompanied by a copy of the order or subpoena which has been served and shall contain directions for staying compliance with the order or subpoena under Subsection (b)(2) of this section.

(2) The notice shall be sufficient if, on or before the third day, the notice is delivered in hand to the person entitled to notice or is mailed by certified or registered mail to the last mailing address of the person or, in the absence of a last known address, is left with the person ordered or subpoenaed. If the notice is mailed, it shall be sufficient if mailed to the last known address of the person entitled to notice.

(3) For purposes of this section, the term "third-party recordkeeper" means:

(A) a mutual savings bank, cooperative bank, domestic building and loan association, or other savings institution chartered and supervised as a savings and loan or similar association under federal or state law, a bank as defined in Section 581 of the Internal Revenue Code of 1954, as amended (26 U.S.C. 581), or any credit union within the meaning of Section 501(c)(14)(A), Internal Revenue Code;

(B) any consumer reporting agency as defined under Section 603(f) of the Fair Credit Reporting Act (15 U.S.C. 1681a(f));

(C) any person extending credit through the use of credit cards or similar devices; and

(D) any broker as defined in Section 3(a)(4) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(4)).

(4) Subsection (a)(1) of this section may not apply to an order or subpoena served on the person with respect to whose liability the order or subpoena is issued or an officer or employee of the person; or any order or subpoena to determine whether or not records of the business transactions or affairs of an identified person have been made or kept; or any order or subpoena described in Subsection (e) of this section.

(5) An order or subpoena to which this subsection applies shall identify the taxpayer to whom the order or subpoena relates and to whom the records pertain and shall provide other information to enable the person ordered or subpoenaed to locate the records required under the order or subpoena.

(b)(1) Notwithstanding any other law or rule of law, a person who is entitled to notice of an order or subpoena under Subsection (a) of this section shall have the right to intervene in any proceeding with respect to the enforcement of the order or subpoena under Subsection (e) of Section 111.0043 of this code.

(2) Notwithstanding any other law or rule of law, a person who is entitled to notice of an order or subpoena under Subsection (a) of this section shall have the right to stay compliance with the order or subpoena if, not later than the 14th day after the day the notice is given in the manner provided in Subsection (a)(2) of this section:

(A) notice in writing is given to the person ordered or subpoenaed not to comply with the order or subpoena;

(B) a copy of the notice not to comply with the order or subpoena is mailed or certified mail to the person and to the office of the comptroller directs in the notice referred to in Subsection (a)(1) of this section; and

(C) suit is filed against the comptroller in a district court of Travis County to stay compliance with the order or subpoena.

(e) No examination of any records required to be produced under an order or subpoena as to which notice is required under Subsection (a) of this section may be made:

(1) before the expiration of the 14-day period allowed for the notice not to comply under Subsection (b)(2) of this section; or

(2) when the requirements of Subsection (b)(2) of this section have been met, except in accordance with an order issued by a district court of Travis County authorizing examination of the records or with the consent of the person staying compliance.

(d) If any person takes any action as provided in Subsection (b) of this section and such person is the person with respect to whose liability the order or subpoena is issued under Section 111.0043 of this code (or is the agent, nominee, or other person

acting under the direction or control of such person, then the running of any period of limitations under Subchapter D of this chapter ¹ with respect to the person shall be suspended for the period during which a proceeding and appeals of the proceeding with respect to the enforcement of such order are pending.

(e) Any order or subpoena issued under Section 111.0043 of this code that does not identify the person with respect to whose liability the order is issued may be served only after a court proceeding in which the comptroller establishes that:

(1) the order relates to the investigation of a particular person or ascertainable group or class of persons;

(2) there is a reasonable basis for believing that the person or group or class of persons may fail or may have failed to comply with any provision of state law; and

(3) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the order is issued) is not readily available from other sources.

(f) In the case of an order or subpoena issued under Section 111.0043 of this code, the provisions of Subsections (a)(1) and (b) of this section may not apply if, upon petition by the comptroller, the court determines, on the basis of the facts and circumstances alleged, that there is reasonable cause to believe the giving of notice may lead to attempts to conceal, destroy, or alter records relevant to the examination, to prevent the communication of information from other persons through intimidation, bribery, or collusion, or to flee to avoid prosecution, testifying, or production of records.

(g)(1) A district court of Travis County has jurisdiction to hear and determine proceedings brought under Subsection (e) or (f) of this section. The determinations required to be made under Subsections (e) and (f) of this section shall be ex parte and shall be made solely upon the petition and supporting affidavits. An order denying the petition shall be deemed a final order that may be appealed.

(2) Except for cases the court considers of greater importance, a proceeding brought for the enforcement of any order, or a proceeding under this section, and appeals, take precedence on the docket over all cases and shall be assigned for hearing and decided at the earliest practicable date.

The comptroller shall by rule establish the rates and conditions for payments to reimburse reasonably necessary costs directly incurred by third-party recordkeepers in searching for, reproducing, or transporting books, papers, records, or other data required to be produced by order or subpoena upon request of the comptroller. The reimbursement shall be in addition to mileage and fees paid under Subsections (d)(1) and (d)(2) of Section 111.0043 of this code.

If a petition for redetermination is not filed before the expiration of the period provided by this subsection, the determination is final on the expiration of the period.

(c) If the petition requests a hearing on the redetermination, the person filing the petition is entitled to a hearing and to receive notice of the hearing at least 20 days before the day of the hearing.

(d) An order or decision of the comptroller on a petition for redetermination becomes final 15 days after service on the petitioner of the notice of the order or decision.

§ 111.051. Reports and Payments: Due Dates

(a) The comptroller may set the date for filing a report for and making a payment of a tax imposed by this title.

(b) A date set by the comptroller under this section prevails over a different date prescribed by this title for the filing of a report for or the payment of a tax, except that the comptroller may not set a report or payment date for the state sales and use tax that conflicts with the dates prescribed by Chapter 151 of this code.

§ 111.052. Form of Report

(a) The comptroller may revise the form of a report required under this title to eliminate specific information that may be required by any other provision of this title.

(b) Information that is no longer required because of a revision under Subsection (a) of this section may be required again at any time by the comptroller.

§ 111.053. Filing Dates: Weekends and Holidays

§ 111.054. Timely Filing: Mail Delivery

(a) If a tax payment or a report is placed in a U.S. Post Office or in the hands of a common or contract carrier properly addressed to the comptroller on or before the date the payment or report is required to be made or filed, the payment or report is made or filed on time.
§ 111.055. Timely Filing: Diligence

§ 111.056. Filing Within 10 Days: Penalty and Interest

If a report is filed or a tax payment is made before the expiration of 10 days after the date on which the report or payment is due and if the report as originally filed shows the correct amount of the tax due or the amount of the payment is for the correct amount due, no assessment for penalty or interest may be made solely on the grounds of late filing after the expiration of 90 days after the date the report was required to be filed or the payment required to be made.

§ 111.057. Extension for Filing Report

(a) The comptroller may grant a reasonable extension of time, not to exceed 45 days, for the filing of a report required by this title.

The request must be in writing and include the reason an extension is needed.

§ 111.058. Filing Extension Because of Natural Disaster

(b) The person owing the tax may file a request for an extension at any time before the expiration of 90 days after the original due date.

(c) If an extension under this section is granted, interest on the unpaid tax does not begin to accrue until the day after the day on which the extension expires, and tax penalties are assessed and determined as though the last day of the extension were the original due date.

§ 111.059. Oath Not Required

A report, return, declaration, claim for refund, or other document required or permitted to be filed with the comptroller is not required to be made or submitted under oath, verification, acknowledgment, or affirmation.

§ 111.060. Interest on Delinquent Tax

(a) The yearly interest rate on all delinquent taxes imposed by this title is 10 percent, except that no interest accrues on the taxes imposed by Chapter 154 of this code.

(c) Subsection (b) of this section does not apply to the taxes imposed by Chapters 152 and 211 of this code.

Section 29(b) of Acts 1981, 67th Leg., p. 1787, ch. 389, provides:

"Sections 1 through 18 of S.B. No. 196, Acts of the 67th Legislature, Regular Session, 1981 (Chapter 20), are repealed. Section 20 of S.B. No. 196, Acts of the 67th Legislature, Regular Session, 1981, applies to the provisions of Title 2, Tax Code, that incorporate the amendments contained in S.B. No. 196 in the same manner that Section 20 of S.B. No. 196 applies to the provisions of S.B. No. 196."*

Section 20 of Acts 1981, 67th Leg., p. 30, ch. 20, provides:

"(a) This Act takes effect January 1, 1982.

(b) The amendment by this Act in extending the period of limitations against a claim by the comptroller of public accounts for an erroneously made tax refund or credit does not apply to a claim against which the period of limitation provided by Section 139 of Article 111A, Title 22A, Taxation—General, Revised Civil Statutes of Texas, 1923, as amended, as in effect immediately before the effective date of this Act, expired before the effective date of this Act.

(c) Sections 1 through 3 of this Act apply to all taxes erroneously paid for tax periods which are after the effective date of this Act.

(d) Sections 4 through 18 of this Act apply to all unpaid taxes that are delinquent on the effective date of this Act and that become delinquent after the effective date of this Act."

[Sections 111.061 to 111.100 reserved for expansion]
§ 111.101. Settlement Before Redetermination
(a) After the comptroller examines a taxpayer’s records and before a petition for redetermination of the tax is filed, the comptroller may settle a claim for a tax, penalty, or interest imposed by this title if the cost of collection of the amount due would exceed the amount of tax due and if the amount due is not more than $300.

(b) A settlement under this section is not effective unless it is approved by the assistant comptroller for legal services.

§ 111.102. Settlement on Redetermination
As a part of a redetermination order, the comptroller may settle a claim for a tax, penalty, or interest imposed by this title if:

1. The cost of collection of the amount of tax due would exceed the amount of tax due and the amount of tax due is not more than $1,000;
2. Collection of the amount of tax due would make the taxpayer insolvent and the taxpayer has submitted to the comptroller all financial records, including income tax reports and an inventory of all property owned wherever located; or
3. The taxpayer is insolvent, in liquidation, or has ceased to do business and:
   (A) the taxpayer has no property that may be seized by the courts of this or another state; or
   (B) the value of the taxpayer’s property is less than the amount of tax due and the amount of debts against the property.

§ 111.103. Settlement of Penalty and Interest Only
(a) The comptroller may settle a claim for a tax penalty or interest on a tax imposed by this title if the taxpayer exercised reasonable diligence to comply with the provisions of this title.

(b) A settlement under this section is not effective unless it is approved by the assistant comptroller for legal services.

§ 111.104. Refunds
(a) If the comptroller finds that an amount of tax, penalty, or interest has been unlawfully or erroneously collected, the comptroller shall credit the amount against any other amount when due and payable by the taxpayer from whom the amount was collected. The remainder of the amount, if any, may be refunded to the taxpayer from money appropriated for tax refund purposes.

(b) A tax refund claim may be filed with the comptroller by the person who paid the tax or by the person’s attorney, assignee, or other successor.

(c) A claim for a refund must:
   1. Be written;
   2. State the grounds on which the claim is founded; and
   3. Be filed before the expiration of the applicable limitation period as provided by this code or before the expiration of six months after a jeopardy or deficiency determination becomes final, whichever period expires later.

(d) A refund claim for an amount of tax that has been found due in a jeopardy or deficiency determination is limited to the amount of tax, penalty, and interest and to the tax payment period for which the determination was issued. The failure to file a timely tax refund claim is a waiver of any demand against the state for an alleged overpayment.

(e) This section applies to all taxes and license fees collected or administered by the comptroller except the state property tax.

(f) No taxes, penalties, or interest may be refunded to a person who has collected the taxes from another person unless the person has refunded all the taxes and interest to the person from whom the taxes were collected.

(c) Sections 1 through 3 of this Act apply to all taxes erroneously paid for tax periods which are after the effective date of this Act.

(d) Sections 4 through 18 of this Act apply to all unpaid taxes that are delinquent on the effective date of this Act and that become delinquent after the effective date of this Act."

§ 111.105. Tax Refund: Hearing
(a) A person claiming a refund under Section 111.104 of this code is entitled to an oral hearing on the claim if the person requests a hearing. The person is entitled to 20 days’ notice of the time and place of the hearing.
§ 111.106. Interest on Refund or Credit

In a comptroller's final decision on a claim for refund or in an audit, interest shall be allowed at the rate of 10 percent a year on the amount found to be erroneously paid from 60 days after the date of payment or the due date of the tax report, whichever is later, to the date of allowance of credit on account of the comptroller's final decision or audit or to a date within 10 days prior to the date of the refund warrant, the date to be determined by the comptroller; except that a credit taken by a taxpayer on his return does not accrue interest.

§ 111.107. When Refund or Credit is Permitted

A person may request a refund or credit or the comptroller may make a refund or issue a credit for the overpayment of a tax imposed by this title at any time before the expiration of the period during which the comptroller may assess a deficiency for the tax and not thereafter unless the refund or credit is requested:

§ 111.201

SUBCHAPTER D. LIMITATIONS

§ 111.201. Assessment Limitation

No tax imposed by this title may be assessed after four years from the date that the tax becomes due and payable.

Section 29(l) of Acts 1981, 67th Leg., p. 1787, ch. 389, provides:

Section 10 of Acts 1981, 67th Leg., p. 243, ch. 102, eff. Aug. 31, 1981, provides:

"The amendment by this Act in narrowing the period of limitations for collection of tax does not apply to the estates of persons who died prior to the effective date of this Act."

§ 111.202. Suit Limitation

At any time within three years after a deficiency or jeopardy determination has become due and payable or within three years after the last recording of a lien, the comptroller may bring an action in the courts of this state, or any other state, or of the United States in the name of the people of the State of Texas to collect the amount delinquent together with penalties and interest.

For provisions as to application of 1981 amendment of article from which this section was derived, see note under § 111.201.

§ 111.203. Agreements to Extend Period of Limitation

(a) Before the expiration of the periods prescribed in Sections 111.104, 111.201, and 111.202 of this code for the filing of a refund claim or for the assessment and collection of any tax imposed by this title, the comptroller and a taxpayer may agree in writing to the filing of a refund claim or to an assessment and collection after that time. The agreement must contain the reasons the comptroller and the taxpayer wish to extend the period. At any time before the expiration of the period agreed on, the refund may be made, the tax may be assessed and collected, or an action may be commenced in any court to collect the amount delinquent.

(b) The extended period agreed on under Subsection (a) of this section may be extended by subsequent agreements made before the expiration of the extended period. All subsequent agreements must set forth the reasons for extending the period.

(c) No single extension agreement may be for a period of more than 24 months from the expiration date of the period being extended.

(d) The period for filing a refund claim or for assessment and collection of a tax may be extended if:

(1) without an extension, there might occur a revenue loss to the state;

(2) either the taxpayer or the comptroller, despite good faith efforts, requires more time to prepare for or complete the audit;

(3) without an extension, circumstances beyond the control of either the comptroller or the taxpayer would make an audit by the comptroller impractical or burdensome for either party; or

(4) an issue of law involved in the audit is awaiting determination in either litigation or an administrative proceeding.

(e) If, during an extended period agreed on under Subsection (a) of this section, the comptroller finds that an amount of tax, penalty, or interest has been unlawfully or erroneously collected, the comptroller shall credit the amount against any other amount then due and payable by the taxpayer from whom the amount was collected. The remainder of the amount if any may be refunded to the taxpayer.

For provisions as to application of 1981 amendment of article from which this section was derived, see note under § 111.201.

§ 111.204. Beginning of Period of Limitation

In determining the beginning date for a period of limitation provided in this title, the date that a tax is due and payable is the day after the last day on which a payment is required by the chapter of this title imposing the tax.

§ 111.205. Exception to Assessment Limitation

The limitation provided by Section 111.201 of this code does not apply and the comptroller may assess a tax imposed by this title at any time if:

(1) with intent to evade the tax, the taxpayer files a false or fraudulent report;

(2) no report for the tax has been filed;

(3) information contained in the report of the tax contains a gross error and the amount of tax due and payable after correction of the error is 25 percent or more greater than the amount initially reported; or

(4) a taxpayer has filed a timely claim for refund with the comptroller; however, the assessment is limited to the period and type of tax for which the refund is sought.

§ 111.206. Exception to Limitation: Determination Resulting From Administrative Proceeding

(a) This section applies only to a final determination resulting from:

(1) an administrative proceeding of a local, state, or federal regulatory agency; or

(2) a judicial proceeding arising from an administrative proceeding of a local, state, or federal regulatory agency.

(b) A final determination that affects the amount of liability of a tax imposed by this title shall be reported to the comptroller before the expiration of 60 days after the day on which the determination becomes final. The report must include a detailed statement of the reasons for the difference in tax liability as required by the comptroller.

(c) Notwithstanding the expiration of a period of limitation provided in this title, the comptroller may assess and collect or bring suit for the collection of any tax deficiency, including penalties and interest, resulting from a final determination or from investigation at any time before the expiration of one year after:

(1) the day the report required by Subsection (b) of this section is received, if the report is filed within the 60-day period; or

(2) if the report is not made or is made after the 60-day period, the day the report is received or the day the final determination is discovered, whichever period is the shorter.

(d) If a final determination or investigation results in the taxpayer having overpaid the amount of tax due the state, the comptroller shall refund or assess and collect or bring suit for the collection of any tax deficiency, including penalties and interest, resulting from a final determination or from investigation at any time before the expiration of one year after:

(1) the day the report required by Subsection (b) of this section is received, if the report is filed within the 60-day period; or

(2) if the report is not made or is made after the 60-day period, the day the report is received or the day the final determination is discovered, whichever period is the shorter.

(e) This section does not shorten any period of limitation elsewhere provided in this title.

§ 111.207. Tolling of Limitation Period

(a) In determining the expiration date for a period when a tax imposed by this title may be assessed or collected, the following periods are not considered:

(1) the period following the date of a tax payment made under protest;

(2) the period during which a judicial proceeding is pending in a court of competent jurisdiction to determine the amount of the tax due; and

(3) the period during which an administrative proceeding is pending before the comptroller for a redetermination of the tax liability.

(b) The suspension of a period of limitation under Subsection (a) of this section applies only to the amount of taxes in issue under Subdivision (1), (2), or (3) of that subsection.

(c) A bankruptcy case commenced under Title 11 of the United States Code suspends the running of the period prescribed by any section of this title for the assessment or collection of any tax imposed by this title until the bankruptcy case is dismissed or closed. After the case is dismissed or closed, the running of the period resumes until finally expired.

(d) In determining the expiration date for filing a refund claim for a tax imposed by this title, the period during which an administrative proceeding is pending before the comptroller for the same period and type of tax is not considered; however, this provision does not authorize the filing of a refund claim for the same transaction or item, for the same type of tax, and for the same time period as a refund claim previously filed and granted or denied in whole or in part by the comptroller.

[Sections 111.208 to 111.250 reserved for expansion]

SUBCHAPTER E. ASSIGNMENT OF TAX CLAIMS

§ 111.251. Assignment on Payment by Third Person

(a) A person may voluntarily pay to the comptroller the tax, fine, penalty, and interest due for a period of time under this title by another person after the tax becomes due or may pay a judgment for those taxes, and when the tax or judgment is paid, the comptroller may assign all rights, liens, judgments, and remedies of the state to secure and enforce tax payments to the person paying the tax or the judgment.

(b) A person paying a tax or judgment for another under Subsection (a) of this section is subrogated to and succeeds to all rights, liens, judgments, and remedies of the state to secure and enforce tax payments to the person paying the tax or the judgment.

§ 111.252. Notice to Taxpayer

(a) No assignment under Section 111.251 of this code may be made until after the expiration of 30 days after notice of the assignments is given to the taxpayer from whom the tax is due or against whom the judgment is taken.

(b) Notice of the assignment must be sent by certified mail to the taxpayer at his last known address as shown in the comptroller's records.

§ 112.253 TAX CODE

§ 112.253. Venue for Enforcement of Assigned Claims

Venue for the enforcement of an assigned tax claim or judgment under this subchapter by the assignee is governed by the general law establishing venue and not by the special venue provisions of this title.

§ 112.254. Reassignment

(a) The rights, liens, judgments, and remedies assigned under Section 112.251 of this code may be reassigned by any assignee.

(b) If notice is given as required by Section 112.252 of this code, all rights, liens, judgments, and remedies originally held by the state to enforce and secure the tax claim or judgment pass to each person receiving a reassignment unless the reassignment is expressly limited in writing.

§ 112.255. Recording of Assignment

The assignee of a tax claim or judgment under this subchapter may record the assignment in the state tax lien record book in the office of the county clerk. A recorded assignment shall be indexed to show the names of the assignor and assignee and the date of the assignment.

(b) The issues to be determined in the suit are limited to those arising from the reasons expressed in the written protest as originally filed.

The trial of the issues in a suit under this subchapter is de novo.

§ 112.055. Class Actions

(b) In a class action, all taxpayers who are within the same class as the persons bringing the suit, who are represented in the class action, and who have paid taxes under protest as required by Section 112.051 of this code, are not required to file separate suits, but are entitled to and are governed by the decision rendered in the class action.

§ 112.056. Additional Protest Payments Before Hearing
(a) A petitioner shall pay additional taxes when due under protest after the filing of a suit authorized by this subchapter and before the trial. The petitioner may amend the original petition to include all additional taxes paid under protest before five days before the day the suit is set for a hearing or may elect to file a separate suit. No such election shall prevent the court from exercising its power to consolidate or sever suits and claims under the Texas Rules of Civil Procedure.

(b) If a petitioner pays additional taxes under protest after the filing of a suit authorized by this subchapter and before the trial and if the total of the original payment and additional payments exceeds the jurisdictional limitations of the court in which the suit was originally filed, the petitioner may file suit in the proper court of Travis County at any time before the expiration of 90 days following the day the additional taxes that caused the excess in the jurisdictional amount were paid. The court in which a suit is refiled as authorized by this subsection may dispose of those taxes paid under protest more than 90 days before the refiled suit if those taxes were included in the original suit.

(c) This section applies to additional taxes paid under protest only if a written protest is filed with the additional taxes and the protest states the same reason for contending the payment of taxes that was stated in the original protest.

§ 112.057. Protest Payments During Appeal
(a) If a person appeals the judgment of a trial court in a suit authorized by this subchapter, the person shall continue to pay additional taxes under protest as the taxes become due during the appeal.

§ 112.058. Submission of Protest Payments to Treasurer
(a) An officer who receives payments made under protest as required by Section 112.051 of this code shall each day send to the treasurer the payments, a list of the persons making the payments, and a written statement that the payments were made under protest.

(b) The comptroller shall issue a deposit receipt to each state department for the daily total of payments received from each department.

(c) The treasurer shall make and keep a suspense cash book in which deposit receipts are entered.

(d) The treasurer shall, immediately on receipt, place the payments in state depositories bearing interest in the same manner that other funds are required to be placed in state depositories at interest.

(e) The treasurer shall allocate the interest earned on these funds and credit the amount allocated to the suspense account until the status of the funds is finally determined.

§ 112.059. Disposition of Protest Payments Belonging to the State
(a) If a suit authorized by this subchapter is not brought in the manner or within the time required or if the suit is properly filed and results in a final determination that a tax payment or a portion of a tax payment made under protest, including the pro rata amount of interest earned on the payment, belongs to the state, the treasurer shall transfer the proper amount from the suspense account to the appropriate state fund by the issuance of a deposit warrant.

(b) Each warrant issued under this section shall be entered in the suspense cash book and the appro-

SUBCHAPTER C. INJUNCTIONS

§ 112.101. Requirements Before Injunction

(a) No restraining order or injunction that prohibits the collection of a state tax; license, registration, fee, or penalty assessed for the failure to pay the state tax or fee may be granted in this state or may be granted against a state official or a representative of an official in this state unless the applicant for the order or injunction has first:

(1) paid into the suspense account of the treasurer all taxes, fees, and penalties then due by the applicant to the state; or

(2) filed with the treasurer a good and sufficient bond to guarantee the payment of the taxes, fees, and penalties in an amount equal to twice the amount of the taxes, fees, and penalties then due and that may reasonably be expected to become due during the period the order or injunction is in effect.

(b) The amount of the bond and the sureties on the bond authorized by Subsection (a)(2) of this section must be approved by and acceptable to the judge of the court granting the order or injunction and the attorney general.

(c) The application for the restraining order or injunction must state under oath of the applicant or the agent or attorney of the applicant that:

(1) the payment of taxes, fees, and penalties has been made as provided by Subsection (a)(1) of this section; or

(2) a bond has been approved and filed as provided by Subsection (a)(2) and Subsection (b) of this section.

§ 112.102. Records After Injunction

(a) After the granting of a restraining order or injunction under this subchapter, the applicant shall make and keep a well-bound record book of all taxes accruing during the period that the order or injunction is effective.

(b) The record book is open for inspection by the attorney general and the state officer authorized to enforce the collection of the tax to which the order or injunction applies during the period that the order or injunction is effective and for one year after the date that the order or injunction expires.

(c) The record book must include a record of each purchase, receipt, sale, or other disposition of a commodity, product, material, or article on which the tax is levied or by which the tax is measured.

§ 112.103. Reports After Injunction

(a) On each Monday during the period that an order or injunction granted under this subchapter is effective, the applicant shall make and file a report with the state officer authorized to enforce the collection of the tax to which the order or injunction applies.

(b) The report must include the following weekly information:

(1) the amount of the tax accruing;

(2) a description of the total purchases, receipts, sales, and other dispositions of all commodities, products, materials, and articles on which the tax is levied or by which the tax is measured;

(3) the name and address of each person to whom a commodity, product, material, or article is sold or distributed; and

(4) if payment of the tax is evidenced or measured by the sale or use of stamps or tickets, a complete record of all stamps or tickets used, sold, or handled.

(c) The report shall be made on a form prescribed by the state officer with whom the report is required to be filed.

§ 112.104. Additional Payments or Bond

(2) a description of the total purchases, receipts, sales, and other dispositions of all commodities, products, materials, and articles on which the tax is levied or by which the tax is measured;

(3) the name and address of each person to whom a commodity, product, material, or article is sold or distributed; and

[Sections 112.061 to 112.100 reserved for expansion]
those taxes, fees, and penalties accrue and before they become delinquent.

(b) If the attorney general determines that the amount of a bond filed under this subchapter is insufficient to cover double the amount of taxes, fees, and penalties accruing after the restraining order or injunction is granted, the attorney general shall demand that the applicant file an additional bond.

§ 112.105. Dismissal of Injunction

(a) The attorney general or the state official authorized to enforce the collection of a tax to which an order or injunction under this subchapter applies may file in the court that has granted the order or injunction an affidavit stating that the applicant has failed to comply with or has violated a provision of this subchapter.

(b) On the filing of an affidavit authorized by Subsection (a) of this section, the clerk of the court shall give notice to the applicant to appear before the court to show cause why the order or injunction should not be dismissed. The notice shall be served by the sheriff of the county where the applicant resides or by any other peace officer in the state.

(c) The date of the show-cause hearing, which shall be within five days of service of the notice or as soon as the court can hear it, shall be named in the notice.

(d) If the court finds that the applicant failed, at any time before the suit is finally disposed of by the court of last resort, to make and keep a record, file a report, file an additional bond on the demand of the attorney general, or pay additional taxes, fees, and penalties as required by this subchapter, the court shall dismiss the application and dissolve the order or injunction.

§ 112.106. Final Dismissal or Dissolution of Injunction

(a) If a restraining order or injunction is finally dismissed or dissolved, the treasurer shall:

1. If a bond was filed, make demand on the applicant and the applicant's sureties for the immediate payment of all taxes, fees, and penalties due the state; or

2. If no bond was filed, transfer the amount of taxes, fees, and penalties from the suspense account to the proper fund to which the taxes, fees, and penalties are allocated.

(b) Taxes, fees, and penalties that are secured by a bond and remain unpaid after a demand for payment shall be recovered in a suit by the attorney general against the applicant and the applicant's sureties in a court of competent jurisdiction of Travis County or in any other court having jurisdiction of the suit.

§ 112.107. Refund

If the final judgment in a suit under this subchapter maintains the right of the applicant for a permanent injunction to prevent the collection of the tax, the treasurer shall refund to the applicant the money deposited in the suspense account under this subchapter with the pro rata interest earned on the money.

§ 112.108. Final Dismissal or Dissolution of Injunction

(a) If a restraining order or injunction is finally dismissed or dissolved, the treasurer shall:

1. If a bond was filed, make demand on the applicant and the applicant's sureties for the immediate payment of all taxes, fees, and penalties due the state; or

2. If no bond was filed, transfer the amount of taxes, fees, and penalties from the suspense account to the proper fund to which the taxes, fees, and penalties are allocated.

(b) Taxes, fees, and penalties that are secured by a bond and remain unpaid after a demand for payment shall be recovered in a suit by the attorney general against the applicant and the applicant's sureties in a court of competent jurisdiction of Travis County or in any other court having jurisdiction of the suit.

(b) The remainder of the amount of a judgment not credited to a tax, penalty, or interest due shall be refunded to the plaintiff.

(c) The plaintiff is entitled to interest at the rate of 10 percent a year on the amount of a judgment for the plaintiff beginning from the date that the tax was paid until:

(1) the date that the amount is credited against the plaintiff's tax liability; or

(2) a date determined by the comptroller that is not sooner than 10 days before the actual date on which a refund warrant is issued.

Section 39(d) of Acts 1981, 67th Leg., p. 1727, ch. 269, provides:

"Sections 1 through 18 of S.B. No. 196, Acts of the 67th Legislature, Regular Session, 1981 (Chapter 20), are repealed. Section 20 of S.B. No. 196, Acts of the 67th Legislature, Regular Session, 1981, applies to the provisions of Title 2, Tax Code, that incorporate the amendments contained in S.B. No. 196 in the same manner that Section 20 of S.B. No. 196 applies to the provisions of S.B. No. 196." Section 20 of Acts 1981, 67th Leg., p. 30, ch. 20, provides:

(a) This Act takes effect January 1, 1982.

(b) The amendment by this Act in extending the period of limitations against a claim by the comptroller of public accounts for an erroneously made tax refund or credit does not apply to a claim against which the period of limitation provided by Section 39(h) of Article 111A, Title 122A, Taxation—General, Revised Civil Statutes of Texas, 1925, as amended, as in effect immediately before the effective date of this Act, expired before the effective date of this Act.

(c) Sections 1 through 3 of this Act apply to all taxes erroneously paid for tax periods which are after the effective date of this Act.

(d) Sections 4 through 18 of this Act apply to all unpaid taxes that are delinquent on the effective date of this Act and that become delinquent after the effective date of this Act."

§ 113.001. Tax Liability Secured by Lien

(a) All taxes, fines, interest, and penalties due by a person to the state under this title are secured by a lien on all of the person's property that is subject to execution and is owned at the time the lien attaches.
(b) The lien for taxes attaches to all of the property of a person liable for the taxes on the day the tax becomes due and payable.  

§ 113.002. Tax Lien Notice
(a) The comptroller shall issue and file a tax lien notice required by this chapter.
(b) A tax lien notice must include the following information:
   (1) the name and address of the taxpayer;
   (2) the type of tax that is owing;
   (3) each period for which the tax is claimed to be delinquent; and
   (4) the amount of tax only due for each period, excluding the amount of any penalty, interest, or other charge.
(c) A tax lien notice may include other relevant information that the comptroller considers proper.  

§ 113.003. Execution of Documents
The comptroller may execute, certify, authenticate, or sign any instrument authorized under this chapter to be issued by the comptroller or under the comptroller's authority with a facsimile signature and seal.  

§ 113.004. State Tax Lien Book
The county clerk of each county shall provide at the expense of the county a well-bound book, entitled "State Tax Liens," in which notices of state tax liens filed by the comptroller are recorded.  

§ 113.005. Duties of County Clerk

   (1) record the notice in the state tax lien book;
   (2) note on the notice the date and hour of its recording;
   (3) enter in an alphabetical index the name of each person to whom the notice applies, along with the volume and page number of the state tax lien book where the notice is recorded;
   (4) furnish to the comptroller, on a form prescribed by the comptroller, a notice showing that the tax lien notice is recorded and filed, the date and hour of its recording and filing, and the volume and page number of the state tax lien book where the lien is recorded; and
   (5) send the comptroller a statement of the fee due for recording and indexing the lien.
   (b) This section prevails over conflicting provisions of other law.  

§ 113.006. Effect of Filing Tax Lien Notice
(a) The filing and recording of a tax lien notice constitutes a record of the notice.
(b) One tax lien notice is sufficient to cover all taxes of the same nature that may accrue after the filing of the notice.  

§ 113.007. Evidence of Tax Payment
A payment in whole or in part of a tax secured by a state tax lien may be evidenced by a receipt, acknowledgment, or release signed by an authorized representative of the state agency that filed the lien.  

§ 113.008. Release of Lien on Specific Property
(a) With the approval of the attorney general, the comptroller may release a state tax lien on specific real or personal property when payment of the reasonable cash market value of the property is made to the comptroller.
(b) The value of the property to be released shall be determined in the manner prescribed by the comptroller.  

§ 113.009. Filing of Tax Lien Release

(b) The county clerk may send the comptroller a statement of the customary fee due for the filing and indexing of the release of the tax lien notice, and the comptroller may pay the fee charged. The comptroller may collect the amount of the fee paid under this subsection by the comptroller from the taxpayer against whom the lien was filed.  

§ 113.010. Release of Lien by Assignee
A release in whole or in part by an assignee of the state's claim for a tax and of its tax lien or of a judgment for a tax secured by a tax lien may be filed and recorded with the county clerk for the same fee and in the same manner as a release by

[Sections 113.012 to 113.100 reserved for expansion]

SUBCHAPTER B. APPLICATIONS AND STATUS OF STATE TAX LIENS

§ 113.101. Applicability of Lien Before Filing

(a) No lien created by this title is effective against a person listed in Subsection (b) of this section who acquires a lien, title, or other right or interest in property before the filing, recording, and indexing of the lien:

(1) on real property, in the county where the property is located; or

(2) on personal property, in the county where the taxpayer resided at the time the tax became due and payable or in the county where the taxpayer filed the report.

(b) This section applies to a bona fide purchaser, mortgagee, holder of a deed of trust, judgment creditor, or any other person who acquired the lien, title, or right or interest in the property for bona fide consideration.

§ 113.102. Applicability of Lien to Merchandise Purchase

No lien created by this title is effective against a bona fide purchaser for value of goods, wares, or merchandise daily exposed for sale in the regular course of business if the purchase and actual or constructive possession of the goods, wares, or merchandise is completed before the goods, wares, or merchandise are seized under a valid legal writ or other lawful process.

§ 113.103. Applicability of Lien to Financial Institutions

(a) A bank or savings and loan institution is not required to recognize the claim of the state to a deposit or to withhold payment of a deposit to a depositor or to the depositor’s order unless the bank or institution has been served by the comptroller with a notice of the state’s claim.

(b) Notice of a state claim must be in writing and be served by certified mail to the bank or institution or served personally on the president or any vice-president, cashier, or assistant cashier of the bank or institution.

§ 113.104. Preferential Transfers

(a) The comptroller may recover in a suit brought in Travis County by the attorney general the property or the value of property transferred in a preferential transfer.

(b) The transfer of property or an interest in property by a person who at the time of the transfer is insolvent and has received or withheld money as a tax under this title or who is delinquent in the payment of a tax imposed by this title is a preferential transfer if the transfer occurred during the six-month period before the date of the filing of a tax lien notice against the transferor as permitted by this chapter and if the transfer is made with intent to defraud the state. The transfer of the property or the interest in property without adequate and sufficient consideration creates a rebuttable presumption that the transfer was made with intent to defraud the state. A transfer with sufficient consideration creates a rebuttable presumption that the transfer was not made with intent to defraud the state.

(c) All property subject to execution of a transferee in a preferential transfer is subject to a prior lien in favor of the state to secure the recovery of the value of the property transferred in a preferential transfer.

(d) The remedies provided by this section are cumulative of other remedies of the comptroller as a creditor.

§ 113.105. Tax Lien; Period of Validity

The state tax lien on personal property and real estate continues until the taxes secured by the lien are paid.

§ 113.106. Lien; Suit to Determine Validity

(a) In an action to determine the validity of a state tax lien, the lien shall be:

(1) perpetuated and foreclosed; or

(2) nullified.

(b) If a lien is perpetuated and foreclosed, no further action or notice on the judgment is required, and the notice of the state tax lien on record continues in effect.

(c) If all or part of a lien is nullified, a certified copy of the judgment may be filed with the county clerk of the county where the tax lien notice was
filed and may be recorded in the same manner as a release by the comptroller.

(d) Execution, order for sale, or other process for the enforcement of the lien may be issued on the judgment at any time.

§ 113.107. Assignment of Judgment on Lien

(a) A judgment perpetuating and foreclosing a tax lien may be transferred and assigned for the amount of the taxes covered in the judgment and may be reassigned by a subsequent holder.

(b) An assignment shall be filed and recorded and shall be released in the same manner as are liens before judgment.

(c) If notice of the assignment is given as provided by Subchapter E of Chapter 111 of this code, the assignee is fully subrogated to and succeeds to all rights, liens, and remedies of the state.

§ 113.201. Place of Filing

(a) Notices of liens upon real property for taxes payable to the United States, and certificates and notices affecting the liens shall be filed in the office of the county clerk of the county in which the real property subject to a federal tax lien is situated.

(b) Notices of liens upon personal property, whether tangible or intangible, for taxes payable to the United States and certificates and notices affecting the liens shall be filed as follows:

(1) If the person against whose interest the tax lien applies is a corporation or a partnership whose principal executive office is in this state, as these entities are defined in the internal revenue laws of the United States, in the office of the secretary of state; and

(2) In all other cases in the office of the county clerk of the county where the taxpayer resides at the time of filing of the notice of lien.

§ 113.202. Certification

Certification by the secretary of the treasury of the United States or his delegate of notices of liens, certificates, or other notices affecting tax liens entitles them to be filed and no other attestation, certification, or acknowledgment is necessary.

§ 113.203. Duties of Filing Officer

(a) If a notice of a federal tax lien, a refiling of a notice of tax lien, or a notice of revocation of any certificate described in Subsection (b) of this section is presented to the filing officer and:

(1) He is the secretary of state, he shall cause the notice to be marked, held, and indexed in accordance with the provisions of Section 9.403(d), Uniform Commercial Code, as if the notice were a financing statement within the meaning of that code; or

(2) He is any other officer described in Section 113.201 of this code, he shall endorse thereon his identification and the date and time of receipt and forthwith file it alphabetically or enter it in an alphabetical index showing the name and address of the person named in the notice, the date and time of receipt, the serial number of the district director, and the total unpaid balance of the assessment appearing on the notice of lien.

(b) If a certificate of release, nonattachment, discharge, or subordination of any tax lien is presented to the secretary of state for filing, he shall:

(1) Cause a certificate of release or nonattachment to be marked, held, and indexed as if the certificate were a termination statement within the meaning of the Uniform Commercial Code, except that the notice of lien to which the certificate relates shall not be removed from the files; and

(2) Cause a certificate of discharge or subordination to be held, marked, and indexed as if the certificate were a release of collateral within the meaning of the Uniform Commercial Code.

(c) If a refiled notice of a federal tax lien referred to in Subsection (a) or any of the certificates or notices referred to in Subsection (b) is presented for filing with any other filing officer specified in Section 113.201 of this code, he shall permanently attach the refiled notice of the certificate to the original notice of lien and shall enter the refiled notice or the certificate with the date of filing in any alphabetical federal tax lien index on the line where the original notice of lien is entered.

(d) Upon request of any person, the filing officer shall issue his certificate showing whether there is on file, on the date and hour stated therein, any notice of a federal tax lien or certificate or notice affecting the lien, filed on or after January 1, 1972, naming a particular person, and if a notice or certificate is on file, giving the date and hour of filing of each notice or certificate. The fee for a certificate is $1. Upon request the filing officer shall furnish a copy of any notice of a federal tax lien or notice or certificate affecting a federal tax lien for a fee of $1 per page.

§ 113.204. Fees

The fee under this subchapter for filing and indexing each notice of lien or certificate or notice affecting the tax lien is:
(1) for a notice of tax lien, $2;
(2) for a certificate of discharge or subordination, $1; and
(3) for all other notices, including a certificate of release or nonattachment, $1.

§ 113.205. Purpose

This subchapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states that enact it. The fees specified under the provisions of this subchapter for filing and indexing a notice of lien or certificate or notice affecting a tax lien shall be assessed in lieu of fees for such filing and indexing provided in Article 3930, Revised Civil Statutes of Texas, 1925, as amended.

§ 113.206. Short Title

This subchapter may be cited as the Uniform Federal Tax Lien Registration Act.

MULTISTATE TAX COMPACT

ARTICLE I. PURPOSES

The purposes of this compact are to:

1. Facilitate proper determination of state and local tax liability of multistate taxpayers, including the equitable apportionment of tax bases and settlement of apportionment disputes.

2. Promote uniformity or compatibility in significant components of tax systems.

3. Facilitate taxpayer convenience and compliance in the filing of tax returns and in other phases of tax administration.

4. Avoid duplicative taxation.

ARTICLE II. DEFINITIONS

As used in this compact:

1. “State” means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

2. “Subdivision” means any governmental unit or special district of a state.

3. “Taxpayer” means any corporation, partnership, firm, association, governmental unit or agency or person acting as a business entity in more than one state.

4. “Income tax” means a tax imposed on or measured by net income including any tax imposed or measured by an amount arrived at by deducting expenses from gross income, one or more forms of which expenses are not specifically and directly related to particular transactions.

5. “Capital stock tax” means a tax measured in any way by the capital of a corporation considered in its entirety.

6. “Gross receipts tax” means a tax, other than a sales tax, which is imposed on or measured by the gross volume of business, in terms of gross receipts or in other terms, and in the determination of which no deduction is allowed which would constitute the tax an income tax.

7. “Sales tax” means a tax imposed with respect to the transfer for a consideration of ownership, possession or custody of tangible personal property or the rendering of services measured by the price of the tangible personal property transferred or services rendered and which is required by state or local law to be separately stated from the sales price by the seller, or which is customarily separately stated from the sales price, but does not include a tax imposed exclusively on the sale of a specifically identified commodity or article or class of commodities or articles.

8. “Use tax” means a nonrecurring tax, other than a sales tax, which (a) is imposed on or with respect to the exercise or enjoyment of any right or power over tangible personal property incident to the ownership, possession or custody of that property or the leasing of that property from another including any consumption, keeping, retention, or other use of tangible personal property and (b) is complementary to a sales tax.
9. "Tax" means an income tax, capital stock tax, gross receipts tax, sales tax, use tax, and any other tax which has a multistate impact, except that the provisions of Articles III, IV and V of this compact shall apply only to the taxes specifically designated therein and the provisions of Article IX of this compact shall apply only in respect to determinations pursuant to Article IV.

ARTICLE III. ELEMENTS OF INCOME TAX LAWS

Taxpayer Option, State and Local Taxes

1. Any taxpayer subject to an income tax whose income is subject to apportionment and allocation for tax purposes pursuant to the laws of a party state or pursuant to the laws of subdivisions in two or more party states may elect to apportion and allocate his income in the manner provided by the laws of such state or by the laws of such states and subdivisions without reference to this compact, or may elect to apportion and allocate in accordance with Article IV. This election for any tax year may be made in all party states or subdivisions thereof or in any one or more of the party states or subdivisions without reference to the election made in the others. For the purposes of this paragraph, taxes imposed by subdivisions shall be considered separately from state taxes and the apportionment and allocation also may be applied to the entire tax base. In no instance wherein Article IV is employed for all subdivisions of a state may the sum of all apportionments and allocations to subdivisions within a state be greater than the apportionment and allocation that would be assignable to that state if the apportionment or allocation were being made with respect to a state income tax.

Taxpayer Option, Short Form

2. Each party state or any subdivision thereof which imposes an income tax shall provide by law that any taxpayer required to file a return, whose only activities within the taxing jurisdiction consist of sales and do not include owning or renting real estate or tangible personal property, and whose dollar volume of gross sales made during the tax year within the state or subdivision, as the case may be, is not in excess of $100,000 may elect to report and pay any tax due on the basis of a percentage of such volume, and shall adopt rates which shall produce a tax which reasonably approximates the tax otherwise due. The Multistate Tax Commission, not more than once in five years, may adjust the $100,000 figure in order to reflect such changes as may occur in the real value of the dollar, and such adjusted figure, upon adoption by the commission, shall replace the $100,000 figure specifically provided herein. Each party state and subdivision thereof may make the same election available to taxpayers additional to those specified in this paragraph.

Coverage

3. Nothing in this article relates to the reporting or payment of any tax other than an income tax.

ARTICLE IV. DIVISION OF INCOME

1. As used in this article, unless the context otherwise requires:

(a) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

(b) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(c) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(d) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company.

(e) "Nonbusiness income" means all income other than business income.

(f) "Public utility" means any business entity (1) which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipe line, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and (2) whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency.

(g) "Sales" means all gross receipts of the taxpayer not allocated under paragraphs of this article.

(h) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.

(i) "This state" means the state in which the relevant tax return is filed or, in the case of application of this article to the apportionment and allocation of income for local tax purposes, the subdivision or local taxing district in which the relevant tax return is filed.

2. Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or public utility or the rendering of purely personal services by an individual, shall allocate and apportion his net income as provided in this article. If a taxpayer has income from business activity as a public utility but derives the greater percentage of his income from activities subject to this article, the taxpayer may elect to allocate and apportion his entire net income as provided in this article.
3. For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if (1) in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

4. Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in paragraphs 5 through 8 of this article.

5. (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state: (1) if and to the extent that the property is utilized in this state, or (2) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or uncertain, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

6. (a) Capital gains and losses from sales of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales of tangible personal property are allocable to this state if (1) the property had a situs in this state at the time of the sale, or (2) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(c) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

7. Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

8. (a) Patent and copyright royalties are allocable to this state: (1) if and to the extent that the patent or copyright is utilized by the payer in this state, or (2) if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

9. All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

10. The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

11. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

12. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the tax administrator may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

13. The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.

14. Compensation is paid in this state if:

(a) the individual's service is performed entirely within the state;

(b) the individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

(c) some of the service is performed in the state and (1) the base of operations or, if there is no
base of operations, the place from which the service is directed or controlled is in the state, or
(2) the base of operations or the place from which the service is directed or controlled is not in any
state in which some part of the service is performed, but the individual’s residence is in this state.
15. The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this
state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere
during the tax period.
16. Sales of tangible personal property are in this state if:
(a) the property is delivered or shipped to a
purchaser, other than the United States government,
within this state regardless of the f. o. b. point or other conditions of the sale; or
(b) the property is shipped from an office,
store, warehouse, factory, or other place of stor­
age in this state and (1) the purchaser is the
United States government or (2) the taxpayer is
not taxable in the state of the purchaser.
17. Sales, other than sales of tangible personal
property, are in this state if:
(a) the income-producing activity is performed
in this state; or
(b) the income-producing activity is performed
both in and outside this state and a greater pro­
portion of the income-producing activity is per­
formed in this state than in any other state, based
on costs of performance.
18. If the allocation and apportionment provi­sions of this article do not fairly represent the
extent of the taxpayer’s business activity in this
state, the taxpayer may petition for or the tax administrator may require, in respect to all or any
part of the taxpayer’s business activity, if reason­able:
(a) separate accounting;
(b) the exclusion of any one or more of the
factors;
(c) the inclusion of one or more additional fac­
tors which will fairly represent the taxpayer’s
business activity in this state; or
(d) the employment of any other method to
effectuate an equitable allocation and apportion­
ment of the taxpayer’s income.
ARTICLE V. ELEMENTS OF SALES AND USE
TAX LAWS
Tax Credit
1. Each purchaser liable for a use tax on tangi­
ble personal property shall be entitled to full credit
for the combined amount or amounts of legally
imposed sales or use taxes paid by him with respect
to the same property to another state and any
subdivision thereof. The credit shall be applied
first against the amount of any use tax due the
state, and any unused portion of the credit shall
then be applied against the amount of any use tax
due a subdivision.
Exemption Certificates, Vendors May Rely
2. Whenever a vendor receives and accepts in
good faith from a purchaser a resale or other ex­
emption certificate or other written evidence of ex­
emption authorized by the appropriate state or sub­
division taxing authority, the vendor shall be re­
lieved of liability for a sales or use tax with respect
to the transaction.
ARTICLE VI. THE COMMISSION
Organization and Management
1. (a) The Multistate Tax Commission is hereby
established. It shall be composed of one “member”
from each party state who shall be the head of the
state agency charged with the administration of the
types of taxes to which this compact applies. If
there is more than one such agency, the state shall
provide by law for the selection of the commission
member from the heads of the relevant agencies.
State law may provide that a member of the com­
mission be represented by an alternate but only if
there is on file with the commission written notifica­
tion of the designation and identity of the alternate.
The attorney general of each party state or his
designee, or other counsel if the laws of the party
state specifically provide, shall be entitled to attend
the meetings of the commission, but shall not vote.
Such attorneys general, designees, or other counsel
shall receive all notices of meetings required under
paragraph 1(e) of this article.
(b) Each party state shall provide by law for
the selection of representatives from its subdivi­
sions affected by this compact to consult with the
commission member from that state.
(c) Each member shall be entitled to one vote.
The commission shall not act unless a majority of the
members are present, and no action shall be
binding unless approved by a majority of the total
number of members.
(d) The commission shall adopt an official seal
to be used as it may provide.
(e) The commission shall hold an annual meet­
ing and such other regular meetings as its bylaws
may provide and such special meetings as its
executive committee may determine. The com­
mission bylaws shall specify the dates of the
annual and any other regular meetings, and shall
provide for the giving of notice of annual, regular
and special meetings. Notices of special meet­
ings shall include the reasons therefor and an
agenda of the items to be considered.
(f) The commission shall elect annually, from
among its members, a chairman, a vice-chairman
and a treasurer. The commission shall appoint an
executive director who shall serve at its pleasure,
and it shall fix his duties and compensation. The
executive director shall be secretary of the com­
mission. The commission shall make provision
for the bonding of such of its officers and employ­
ees as it may deem appropriate.
(g) Irrespective of the civil service, personnel
or other merit system laws of any party state, the
executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and procedures.

(b) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

Committees

2. (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice-chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

Powers

3. In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax laws and administration.

(c) Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.

(d) Do all things necessary and incidental to the administration of its functions pursuant to this compact.

Finance

4. (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: one-tenth in equal shares; and the remainder in proportion to the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph 1(i) of this article: provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph 1(i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by
duly constituted officers of the party states and by any persons authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII. UNIFORM REGULATIONS AND FORMS
1. Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms. The commission may also act with respect to the provisions of Article IV of this compact.

2. Prior to the adoption of any regulation, the commission shall:
   (a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.
   (b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

3. The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

ARTICLE VIII. INTERSTATE AUDITS
1. This article shall be in force only in those party states that specifically provide therefor by statute.

2. Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or government for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

3. The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident, provided that such state has adopted this article.

4. The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

5. The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

6. Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

7. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

8. In no event shall the commission make any charge against a taxpayer for an audit.

9. As used in this article, “tax,” in addition to the meaning ascribed to it in Article II, means any tax or license fee imposed in whole or in part for revenue purposes.
ARTICLE IX. ARBITRATION

1. Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of Article VII.

2. The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

3. Whenever a taxpayer who has elected to employ Article IV, or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant provisions of Article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

4. The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

5. The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

6. The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

7. The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

8. Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.

9. The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

10. The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.

11. The commission shall publish the determinations of boards together with the statements of the reasons therefor.

12. The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

13. Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceeding.

ARTICLE X. ENTRY INTO FORCE AND WITHDRAWAL

1. This compact shall enter into force when enacted into law by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.
2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

3. No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

ARTICLE XI. EFFECT ON OTHER LAWS AND JURISDICTION

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement Article III 2 of this compact.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax; provided that the definition of “tax” in Article VIII 9 may apply for the purposes of that article and the commission’s powers of study and recommendation pursuant to Article VI 3 may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

ARTICLE XII. CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

(b) The comptroller may designate one of his division chiefs as an alternate representative on the commission.

§ 141.003. Local Government Council

After consultation with representatives of local governments, the governor shall appoint three persons who are representative of political subdivisions affected or likely to be affected by the compact. The comptroller and his alternate shall consult regularly with these appointees in accordance with Article VI 1(b) of the compact.

(3) two members of the senate appointed by the president of the senate; and
(4) two members of the house appointed by the speaker of the house.

(b) The comptroller is chairman of the advisory committee.

(c) The committee shall meet at the call of the chairman or at the request of a majority of the members, but in any event the committee shall meet at least three times a year.

(d) The committee may consider any matters relating to recommendations of the Multistate Tax Commission and the activities of the members representing this state on the commission.

SUBCHAPTER C. IMPOSITION AND COLLECTION OF SALES TAX

§ 151.051. Sales Tax Imposed

(a) A tax is imposed on each sale of a taxable item in this state.

(b) The sales tax rate is four percent of the sales price of the taxable item sold.

§ 151.052. Collection by Retailer

(a) A seller who makes a sale subject to the sales tax imposed by this chapter shall add the amount of the tax to the sales price, and when the amount of the tax is added:

(1) it becomes a part of the sales price;

(2) it is a debt of the purchaser to the seller until paid; and

(3) if unpaid, it is recoverable at law in the same manner as the original sales price.

(b) The owner or former owner of tangible personal property, a factor of the owner or former owner, or an agent of the owner, former owner, or factor shall collect the sales tax and add the amount
of the tax to the sales price of the tangible personal property if the person delivers the property to a consumer in this state or to another person for redelivery to a consumer in this state under a sale of the property that is not a sale for resale and that is made by a seller not engaged in business in this state.

(c) When several taxable items are sold together and at the same time, the sales tax is determined on the sum of the sales prices of the items sold exclusive of any item the sale of which is exempted by this chapter.

§ 151.053. Sales Tax Brackets

(a) If the sales price involves a fraction of a dollar, the sales tax to be added to the sales price shall be determined under the following schedule:

<table>
<thead>
<tr>
<th>AMOUNT OF SALE</th>
<th>TAX</th>
</tr>
</thead>
<tbody>
<tr>
<td>$ .01 to $.12</td>
<td>No tax</td>
</tr>
<tr>
<td>$.13 to $.37</td>
<td>$.01</td>
</tr>
<tr>
<td>$.38 to $.62</td>
<td>$.02</td>
</tr>
<tr>
<td>$.63 to $.87</td>
<td>$.03</td>
</tr>
<tr>
<td>$.88 to 1.12</td>
<td>$.04</td>
</tr>
</tbody>
</table>

(b) Successive brackets for the schedule in this section shall be computed by multiplying the percentage rate of the sales tax times the amount of the sale. A fraction of one cent that is less than one-half of one cent is not collected and a fraction of one cent that is equal to one-half of one cent or more is collected as one cent of tax.

§ 151.054. Gross Receipts Presumed Subject to Tax

(a) Except as provided by Subsections (b) and (c) of this section, all gross receipts of a seller are presumed to have been subject to the sales tax until the contrary is established.

(b) The burden of showing that a sale of tangible personal property is a sale for resale is on the seller unless the seller receives in good faith from a purchaser, who is in the business of selling, leasing, or renting taxable items, a resale certificate stating that the tangible personal property is acquired for the purpose of selling, leasing, or renting it in the regular course of business or for the purpose of transferring it as an integral part of a taxable service performed in the regular course of business.

(c) A sale of liquor, wine, beer, or malt liquor by the holder of a manufacturer's license, wholesaler's permit, general class B wholesaler's permit, local class B wholesaler's permit, local distributor's permit, or a general, local, or branch distributor's license issued under the Alcoholic Beverage Code to the holder of a retail license or permit issued under the Alcoholic Beverage Code is presumed to be a sale for resale. In a sale to which this section applies, the seller is not required to receive a resale certificate from the purchaser.

§ 151.055. Sales of Items Acquired for Lease or Rental

(a) If a person purchases tangible personal property by means of a sale for resale for the purpose of renting or leasing the property for use but subsequently sells the property in an occasional sale before the person has collected and paid to the state an amount of sales tax on rental or lease charges equal to the amount of sales tax that would have been due if the person had not acquired the property at a sale for resale, the person at the time of the occasional sale shall include in his receipts from taxable sales the amount by which the purchase price of the item at the occasional sale exceeds the amount received from renting or leasing the property.

(b) If tangible personal property is rented or leased under an agreement that provides that all or a portion of the rental or lease payments may be credited against the purchase price of the item and the property is sold to the lessee, the lessor shall collect the sales tax only on that portion of the sales price that exceeds the amount of lease or rental charges on which the tax has previously been collected and paid.

§ 151.056. Property Consumed in Repairs and Contracts

(a) A contractor or repairman is the consumer of tangible personal property furnished by him and incorporated into the property of his customer if the contract between the contractor or repairman and his customer contains a lump-sum price covering both the performance of the service and the furnishing of the necessary incidental material.

(b) A contractor or repairman is the seller of tangible personal property furnished by him and incorporated into the property of his customer, from whom he shall collect the tax, if the contract between the contractor or repairman and his customer contains separate amounts for the performance of the service and for the furnishing of the necessary incidental material. The tax rate is applied to the price of the materials as agreed in the contract or the price of the materials to the contractor or repairman, whichever is the greater.

(c) If a contractor or repairman has paid the sales tax to his supplier when the tangible personal property is purchased, the contractor or repairman may credit the amount of the tax paid to the supplier against the tax imposed as provided in Subsection (b) of this section with respect to a subsequent sale of the property.
§ 151.056  TAX CODE

(d) In this section, "contractor" or "repairman" means a person who performs a repair service on tangible personal property or makes an improvement on real estate and who, as a necessary or incidental part of the service, incorporates tangible personal property into the property repaired or improved.

(e) This section does not apply to the use or consumption of tangible personal property as a necessary or incidental part of a taxable service.

§ 151.104. Sale for Storage, Use, or Consumption Presumed

(a) A sale of tangible personal property by a person for delivery in this state is presumed to be a sale for storage, use, or consumption in this state until the contrary is established.

(b) The burden of showing that a sale of tangible personal property for delivery in this state is not for storage, use, or consumption in this state is on the person making the sale unless the person receives in good faith from a purchaser, who is in the business of selling, leasing, or renting taxable items, a resale certificate stating that the property is acquired for the purpose of selling, leasing, or renting it in the regular course of business or for the purpose of transferring it as an integral part of a taxable service performed in the regular course of business.

§ 151.105. Importation for Storage, Use, or Consumption Presumed

(b) The registration must include:

1. the name and address of each agent of the retailer operating in the state;
2. the location of all distribution or sales houses or offices or other places of business in the state; and
3. other information that the comptroller requires.

A purchaser may give a resale certificate for the acquisition of tangible personal property if the purchaser intends to sell, lease, or rent it in the regular course of business or transfer it as an integral part of a taxable service performed in the regular course of business or if, at the time of the sale, the purchaser is unable to ascertain whether it will be sold, leased, rented, or transferred in the regular course of business or used for some other purpose.

§ 151.152. Resale Certificate: Form

(a) A resale certificate must be substantially in the form prescribed by the comptroller.

(b) A resale certificate must:

(1) be signed by the purchaser and contain the purchaser's name and address;

§ 151.153. Resale Certificate: Commingled Fungible Goods

If a purchaser gives a resale certificate with respect to the purchase of fungible goods and then commingles the goods with other similar fungible goods for which a resale certificate was not given, sales from the mass of commingled fungible goods are deemed to be sales of goods covered by the resale certificate until the quantity of goods covered by the certificate equals the quantity of goods sold.

§ 151.154. Resale Certificate: Liability of Purchaser

(a) If a purchaser who gives a resale certificate makes any use of the tangible personal property other than retention, demonstration, or display while holding it for sale, lease, or rental in the regular course of business or for transfer as an integral part of a taxable service in the regular course of business, the purchaser shall be liable for payment of the sales tax on the fair market rental value for any period during which the tangible personal property is used other than for retention, demonstration, or display. The fair market rental value of the tangible personal property is the amount that a purchaser would pay on the open market to rent or lease the tangible personal property for his use. If the item has no fair market rental value, the original purchase price shall be the measure of the tax. At any time, the person making the divergent use may cease paying tax on the fair market rental value and pay sales tax on the original purchase price without credit for taxes previously paid on the fair market rental value.

(b) A purchaser of tangible personal property who gives a resale certificate is not liable for the tax imposed by this chapter if he donates the property to an organization exempted under Section 151.309 or 151.310(a)(1) or (2) of this code; except that any use by the purchaser of the property other than retention, demonstration, or display shall be subject to taxes imposed by Subsection (a) of this section.

§ 151.155. Exemption Certificate

(a) If a purchaser certifies in writing to a seller that a taxable item sold, leased, or rented to the purchaser will be used in a manner or for a purpose that qualifies the sale of the item for an exemption from the taxes imposed by this chapter, and if the purchaser then uses the item in some other manner or for some other purpose, the purchaser is liable for the payment of the sales tax on the fair market rental value for any period during which the item is used in the divergent manner or for the divergent purpose. The fair market rental value is the amount that a purchaser would pay on the open market to rent or lease the property for his use. If the item has no fair market rental value, the original purchase price shall be the measure of tax. At any time, the person making the divergent use may cease paying tax on the fair market rental value and pay sales tax on the original purchase price without credit for taxes previously paid on the fair market rental value.
(b) A purchaser of tangible personal property who gives an exemption certificate is not liable for the tax imposed by this chapter if he donates the property to an organization exempted under Section 151.309 or 151.310(c)(1) or (2) of this code, except that any use by the purchaser of the property other than retention, demonstration, or display shall be subject to taxes imposed by Subsection (a) of this section.

§ 151.411. Method of Reporting: Sellers Having Sales Below Taxable Amount

(a) If not less than 50 percent of the total receipts of a seller from the sale of taxable tangible personal property and taxable services come from separate transactions in which the sales price is 12 cents or less, the seller may exclude the receipts from these transactions when reporting and paying the sales tax.

(b) A seller may not exclude any receipts from sales as permitted under Subsection (a) of this section unless the seller has received from the comptroller before the filing of the tax report written approval allowing the exclusion, and all receipts from taxable tangible personal property and taxable services are subject to the tax until the approval is granted.

(c) The comptroller shall approve the reporting and computation of the sales tax as permitted under Subsection (a) of this section by a seller if the seller qualifies for the exclusion and if the seller submits to the comptroller satisfactory evidence that the seller can and will maintain records adequate to substantiate the authorized exclusion.

§ 151.412. Optional Method of Reporting: Percentage of Sales

(a) A seller who is a retail grocer, a seller who operates a separate grocery department having separate records that are separately auditable, or any other seller whose taxable receipts from the sale of taxable items are less than 10 percent of the total receipts of the seller may determine the total taxable receipts of the grocer, separate grocery department, or other seller by:

1. adding the amount of all invoices for merchandise sold to the seller during the preceding calendar or fiscal year to obtain the total sum of merchandise purchased;

2. adding the amount of all invoices for exempt merchandise sold to the seller during the preceding calendar or fiscal year to obtain the total sum of exempt merchandise purchased;

3. dividing the sum obtained under Subdivision (2) of this subsection by the sum obtained under Subdivision (1) of this subsection to obtain a percentage relationship;

4. multiplying the percentage obtained under Subdivision (3) of this subsection times the total sales by the seller for the reporting period to obtain the total nontaxable sales of the seller; and

5. subtracting the total nontaxable sales of the seller obtained under Subdivision (3) of this subsection times the total sales by the seller during the reporting period to obtain the total taxable receipts of the seller from sales of taxable personal property.

(b) A seller determining taxable receipts as provided by Subsection (a) of this section shall add to the total taxable receipts the sales prices of all purchases made by the seller that are subject to the use tax and on which the use tax has not been paid.

(c) If the comptroller audits a seller who qualifies for and uses the method of reporting allowed by this section and determines that the actual tax liability of the seller computed on the actual taxable receipts of the seller differs from the amount reported and paid under this section, the comptroller shall collect the difference due to the state, if any, or refund or credit the seller with the difference that is an overpayment to the state, if any.

(d) The comptroller may not assess a penalty or interest against a seller because of an underpayment of the actual tax due disclosed by an audit under Subsection (c) of this section unless the audit discloses willful evasion of the tax or fraud. The state may not pay interest on an overpayment disclosed by an audit under Subsection (c) of this section.

§ 151.413. Optional Method of Reporting: Small Grocers

(a) A seller who is a retail grocer and whose annual total receipts do not exceed $100,000 may pay the taxes imposed by this chapter by multiplying 15 percent times the total receipts of the seller to obtain the amount of taxable receipts.

(b) A state audit of a retailer electing to report his taxable receipts as provided by this section is
limited to determining whether or not the grocer is eligible to use this method. No additional tax may be assessed or a refund or credit granted because of a showing that the tax liability of the retail grocer electing this method of reporting differs or would differ under any other method of reporting.

(c) A retail grocer who elects to report under this section shall continue to report as provided by this section for three years unless the grocer's total receipts for a year exceed $100,000.

(d) If a retail grocer electing to report under this section has gross receipts in excess of $100,000 for a year, the grocer is ineligible to continue reporting under this section beginning on the first day of the calendar month after the month in which the limitation was exceeded, shall report the ineligibility to the comptroller, and shall immediately cease to use the method of reporting permitted by this section.

(e) Subsection (b) of this section does not apply to audits or the tax liability of a retail grocer who fails to report his ineligibility to the comptroller as required by Subsection (d) of this section.

§ 151.414. "Retail Grocer" Defined

In this subchapter, "retail grocer" means a retail vendor who sells food for human consumption off the premises, together with household supplies and nondurable household goods.

§ 151.415. Assessment of Penalties and Interest Against Seller Using Optional Method of Reporting

The comptroller may assess a penalty and interest against a seller using an optional method of reporting under Section 151.412 or Section 151.413 of this code if the seller fails to file a tax report on or before its due date or fails to remit the correct amount of tax due with the report. This section prevails over Section 151.412(d) and Section 151.413(b) of this code.

§ 151.416. Commingled Receipts and Tax

A seller who has an accounting system under which the taxes collected under this chapter are commingled with the receipts from the sales of taxable items may compute his taxable receipts by:

1. Subtracting from the total receipts of the seller the receipts from the sales of items that are exempted or are specifically excluded from the taxes imposed by this chapter to obtain a remainder consisting of the commingled receipts from taxable sales and the taxes collected; and

2. Dividing this remainder by 1.04 to obtain a quotient that is the taxable receipts that may be reported under Section 151.410 of this code.

§ 151.417. Direct Payment of Tax by Purchaser

(a) The holder of a direct payment permit issued by the comptroller may give a blanket exemption certificate to sellers who sell, lease, or rent taxable items to the holder of the direct payment permit. The blanket exemption certificate covers all future sales of taxable items to the permit holder and relieves the seller of the obligation of collecting the taxes imposed by this chapter from the permit holder.

(b) A blanket exemption certificate given under this section must contain the direct payment permit number and the statement that the direct payment permit holder agrees to accrue and pay to this state all taxes that are or may become due on the taxable items sold under the exemption certificate to the permit holder.

§ 151.418. Issuance of Direct Payment Permit

(a) The comptroller shall issue a direct payment permit to an applicant who qualifies as provided by Section 151.419 of this code.

(b) The comptroller is the sole judge of an applicant's qualifications, and the comptroller's refusal to issue a permit to an applicant is not appealable.

(c) An applicant for a direct payment permit who has been denied the issuance of a permit may:

1. Request permission from the comptroller to submit an amended application; or

2. Submit a new application for a direct payment permit after a reasonable period after the denial of the original application.

§ 151.419. Application for Direct Payment Permit: Qualifications

(a) A person desiring a direct payment permit must file with the comptroller a written application for the permit.

(b) The application must be accompanied with:

1. An agreement that is signed by the applicant or a responsible officer of an applicant corporation, that is in a form prescribed by the comptroller, and that provides that the applicant agrees to:

   A. Accrue and pay all taxes imposed by Subchapter D of this chapter on the storage and use of all taxable items sold to or leased or rented by the permit holder unless the items are exempted from the taxes imposed by this chapter;
§ 151.419. Revocation of Direct Payment Permit

(a) A person to whom a direct payment permit has been issued holds the permit as a matter of revocable privilege and not as a matter of right. The comptroller on his own initiative may cancel a direct payment permit, and the cancellation is not appealable.

(b) A person whose direct payment permit is canceled by the comptroller is entitled to written notice by the comptroller by registered mail.

(c) A person who annually purchases taxable items that have a value when purchased of $800,000 or more excluding the value of taxable items for which resale certificates were or could have been given.

§ 151.420. Voluntary Relinquishment of Direct Payment Permit

(a) The holder of a direct payment permit may notify the comptroller that the direct payment permit is to be voluntarily relinquished.

(b) A direct payment permit and the direct payment agreement remain valid and enforceable until the comptroller issues a termination notice.

§ 151.421. Cancellation or Termination of Direct Payment Permit: Duty of Permit Holder

(a) On the receipt of a notice issued under Section 151.420 of this code canceling a direct payment permit or of a notice issued under Section 151.421 of this code terminating a direct payment permit, the person who held the permit shall immediately notify each seller to whom a blanket exemption certificate has been given that the exemption certificate is no longer valid.

(b) The failure of a person to notify a seller as required by Subsection (a) of this section is a failure and refusal to pay the taxes imposed by this chapter by the person required to make the notification.

§ 151.422. Discount for Prepayments

(a) A taxpayer who prepays the taxpayer's tax liability on the basis of a reasonable estimate of the tax liability for a quarter in which a prepayment is made or for a month in which a prepayment is made may deduct and withhold one percent of the amount of the prepayment in addition to the amount permitted to be deducted and withheld under Section 151.423 of this code. A reasonable estimate of the tax liability must be at least 90 percent of the tax ultimately due or the amount of tax paid in the same quarter, or month, if a monthly prepayer, in the last preceding year. Failure to prepay a reasonable estimate of the tax will result in the loss of the entire prepayment discount.

(b) In order to qualify for the deduction permitted by Subsection (a) of this section, the taxpayer must make the tax prepayment:

(1) on or before the 15th day of the second month of the calendar quarter for which the prepayment is made if the taxpayer pays the tax quarterly; or

(2) on or before the 15th day of the month for which the prepayment is made if the taxpayer pays the tax monthly.

(c) A taxpayer who prepays the tax liability as permitted by this section must file a report when due as provided by this chapter. The amount of a prepayment made by a taxpayer under this section shall be credited against the amount of actual tax liability of the taxpayer as shown on the tax report of the taxpayer. If there is a tax liability owed by the taxpayer in excess of the prepayment credit, the taxpayer shall send to the comptroller the remaining tax liability at the time of filing the quarterly or monthly report. The taxpayer is entitled to the deduction permitted under Section 151.423 of this code on the amount of the remaining tax liability.
§ 151.425. Forfeiture of Discount or Reimbursement

If a taxpayer fails to file a report required by this chapter when due or to pay the tax when due, the taxpayer forfeits any claim to a deduction or discount allowed under Section 151.423 or Section 151.424 of this code.

§ 151.426. Credits and Refunds for Bad Debts, Returned Merchandise, and Repossessions

(a) A seller may withhold the payment of the tax on a portion of the sales price of a taxable item that remains unpaid by the purchaser if:

(1) during the reporting period in which the item was sold, leased, or rented the seller determines that the unpaid portion will remain unpaid;

(2) the seller enters the unpaid portion of the sales price in the seller's books as a bad debt; and

(3) the bad debt is claimed as a deduction for federal tax purposes during the same or a subsequent reporting period.

(b) If the portion of a debt determined to be bad under Subsection (a) of this section is paid, the seller shall report and pay the tax on the portion during the reporting period in which the payment is made.

(c) A retailer is entitled to credit or reimbursement for taxes paid on the portion of:

(1) an account determined to be worthless and actually charged off for federal income tax purposes; or

(2) the remaining unpaid sales price of a taxable item when the item is repossessed under a conditional sales contract.

(d) A seller is entitled to credit for the amount of taxes paid on the amount of a refund or credit made to a purchaser under a bona fide agreement in which the sales price of a taxable item is renegotiated. This credit applies to a refund or credit made under an agreement in settlement of a claim for an alleged breach of warranty on a taxable item sold by the seller to the person with whom the agreement is made.

§ 151.427. Deduction for Property on Which the Tax is Paid and Held for Resale

(a) A seller who has paid the tax imposed by this chapter on the sales price of tangible personal property acquired for storage or use may deduct the amount of the tax paid if the seller resells, leases, or rents the item to another in the regular course of business before the seller has made any use of the property other than retaining, displaying, or demonstrating it while holding it for sale in the regular course of business.

(b) If a deduction is taken under Subsection (a) of this section, the person who sold the property to the seller may not receive a credit or refund with respect to the sale of the property to the seller.

(c) The deduction allowed by Subsection (a) of this section must be taken in accordance with any rule on the deduction made by the comptroller.

§ 151.428. Interest Charged by Retailer on Amounts of Taxes Financed

(a) A retailer who sells taxable items on credit or under any other deferred payment agreement and charges interest or time price differential on the amount of the credit extended for the payment of the sales price of the item and the amount of all sales taxes, and who remits the tax and files tax reports to the comptroller on the basis of the cash system of accounting, shall pay to the comptroller at the time of making each tax report under this chapter an amount calculated according to whichever of the following yields the greater amount:

(1) one-half of the amount of interest or time price differential received by the retailer on credit extended to the purchaser for the payment of the amount of all sales taxes imposed; or

(2) (A) the amount of interest or time price differential received by the retailer on credit extended to the purchaser for the payment of the amount of all sales taxes imposed, less

(B) an amount of interest or time price differential at a rate of nine percent per year received on credit extended by the retailer to the purchaser for the payment of the sales tax.

(b) The deduction provided by Paragraph (B) of Subdivision (2) of Subsection (a) of this section is allowed only if the rate of interest or time price differential charged by the retailer on the credit extended on the sales price and the method of computing the interest or time price differential are uniform with the rate charged by the retailer on the credit extended on the sales price.

(c) The reporting, collection, refund, and penalty provisions of this chapter and Subtitle B of this title apply to the payments required by this section, except that Sections 151.422 and 151.424 of this code do not apply to this section.
§ 151.428 TAX CODE

(d) The payments required by this section are in addition to other taxes imposed by this chapter, the Local Sales and Use Tax Act, as amended (Article 1066c, Vernon’s Texas Civil Statutes), Section 111B, Chapter 141, Acts of the 63rd Legislature, Regular Session, 1973, as amended (Article 1118x, Vernon’s Texas Civil Statutes), and Section 16, Chapter 683, Acts of the 66th Legislature, Regular Session, 1979, as amended (Article 1118y, Vernon’s Texas Civil Statutes).

(e) The revenue received under this section is allocated as provided by Section 151.801 of this code.

The comptroller shall add a penalty of 25 percent of the amount of a deficiency determination if a part of the deficiency on which a determination is made is due to fraud or an intent to evade the application of this chapter or a rule made under this chapter or Chapter 111 of this code.

§ 151.503. Determination if No Report Filed

(a) If a person fails to file a report, the comptroller shall estimate the amount of receipts of the person subject to the sales tax, the amount of total sales prices of taxable items sold, leased, or rented by the person to another for storage, use, or consumption in this state, and the total sales prices of taxable items acquired by the person for storage, use, or consumption without the payment of the use tax to a retailer for each period or the total period for which the person failed to report as required by this chapter.

(b) The estimate required by Subsection (a) of this section may be made on any information available to the comptroller.

(c) On the basis of the estimate, the comptroller shall compute and determine the amount required to be paid to the state for each period.

(d) The comptroller shall add to the determination an amount equal to 10 percent of the amount computed under Subsection (c) of this section as a penalty.

(c) A determination under this section may be issued for one or more periods, and more than one determination may be issued for a single period.

§ 151.504. Determination When a Business is Discontinued

If a business is discontinued, the comptroller may make a determination of tax liability under this subchapter before the date a report or tax payment is due with respect to the discontinued business.

§ 151.505. When Determination Becomes Final

A determination made under Section 151.501, 151.503, or 151.504 of this code becomes final on the expiration of 30 days after the day on which the determination was served by personal service or by mail, unless a petition for a redetermination is filed before the determination becomes final.

§ 151.506. Jeopardy Determination

The amount determined is due and payable immediately.

(b) A determination made under this section becomes final on the expiration of 20 days after the day on which the notice of the determination was served by personal service or by mail unless a petition for a redetermination is filed before the determination becomes final.

§ 151.508. Offsets

In making a determination, the comptroller may offset an overpayment for one or more periods against an underpayment, penalty, and interest accrued on the underpayment for the same period or one or more other periods. Any interest accrued on the overpayment shall be included in the offset.

§ 151.509. Petition for Redetermination

(a) A person against whom a determination has been made for taxes imposed by this chapter or any other person having a direct interest in the determination may file a petition with the comptroller requesting a redetermination of the amount of taxes claimed to be owed. The petition must be filed before the determination becomes final and not thereafter.

(b) A person petitioning for a redetermination of a determination made under Section 151.506 of this code must file, before the determination becomes final, security as the comptroller requires to ensure compliance with this chapter. The security may be sold by the comptroller in the manner provided by Section 151.611 of this code.

§ 151.510. Hearing on Redetermination

(a) If a petition for a redetermination is filed before the determination becomes final, the petitioner is entitled on a request stated in the petition to an oral hearing on the redetermination and to at least 20 days’ notice of the time and place of the hearing.

(b) The comptroller may continue the hearing from time to time as is necessary.

§ 151.511. Redetermination

(a) The comptroller may decrease the amount of a determination at any time before the determination becomes final.

(b) The comptroller may increase the amount of a determination that is not final if the additional claim is asserted by the comptroller at or before a hearing on a redetermination.

(c) If an additional claim is asserted, the petitioner is entitled to a 30-day continuance of the hearing to permit the petitioner to obtain and present evidence applicable to the items on which the additional claim is based.

(d) An order or decision of the comptroller on a petition for redetermination becomes final 15 days after service on the petitioner of the notice of the order or decision.

Notice must be in writing and may be mailed by United States registered mail or certified mail to the permittee or applicant at his last known address, or may be delivered by the comptroller to the permittee or applicant, and no other notice is necessary. In case of service by mail of a notice required by this chapter, the service is complete at the time of deposit in the United States Post Office.

(c) The comptroller may prescribe rules of procedure and evidence for the hearings in accordance with the Administrative Procedure and Texas Register Act (Article 6252-13a, Vernon's Texas Civil Statutes).

(d) If, after the hearing or the opportunity to be heard, the permit is canceled or the issuance or reissuance refused by the comptroller, all taxes that have been collected or that have accrued, although the taxes are not then due and payable to the state, except by the provisions of this chapter, shall become due and payable concurrently with the notice of cancellation of the permit. § 153.006

For the purpose of determining the amount of tax collected and payable to the state, the amount of tax accruing and due, and whether a tax liability has been incurred under this chapter, the comptroller may:

(1) inspect any premises where motor fuel; crude petroleum; natural gas; derivatives or condensates of crude petroleum, natural gas, or their products; methyl alcohol; ethyl alcohol; or other blending agents are produced, made, prepared, stored, transported, sold, or offered for sale or exchange;

(2) examine the books and records required to be kept and records incident to the business of any distributor, supplier, dealer, or any person receiving or possessing, delivering, or selling motor fuel, crude oil, derivatives or condensates of crude petroleum, natural gas, or their products, or any blending agents;

(4) take samples of any and all of these products stored on the premises.

§ 153.007. Enforcement of Permit Cancellation or Refusal

(a) The comptroller may examine any books and records incident to the conduct of the business of a person whose permit has been canceled on the person's failure to file the reports required by this chapter or to remit all taxes due. The comptroller shall issue an audit deficiency determination of the amount of delinquent taxes, penalties, and interest delinquent to the attorney general, who may file suit against the person or his surety or both to collect the taxes, penalty, and interest delinquent. The demand for payment shall be addressed to the person whose permit has been canceled on the permit order of cancellation, it shall be unlawful for any person to continue to operate under his permit until the person's permit is reissued by the comptroller. The attorney general may file suit to enjoin the person from continuing to operate his business under a canceled permit. The attorney general may file suit to enjoin the person from continuing to operate under his permit until the person's permit is reissued by the comptroller.

(b) If the forfeiture of the bond or other security does not satisfy the delinquency, the comptroller shall certify the taxes, penalty, and interest delinquent to the attorney general, who may file suit against the person or his surety or both to collect the amount due. After being given notice of an order of cancellation, it shall be unlawful for any person to continue to operate his business under a canceled permit. The attorney general may file suit to enjoin the person from continuing to operate under his permit until the person's permit is reissued by the comptroller.

(c) An appeal from an order of the comptroller canceling or refusing the issuance or reissuance of a permit may be taken to a district court of Travis County by the aggrieved permittee or applicant. The trial shall be de novo under the same rules as ordinary civil suits, except that:

(1) an appeal must be perfected and filed within 30 days after the effective date of the order, decision; or ruling of the comptroller;

(2) the trial of the case shall begin within 10 days after its filing; and

(3) the order, decision, or ruling of the comptroller may be suspended or modified by the court pending a trial on the merits.

§ 153.008. Inspection of Premises and Records

For the purpose of determining the amount of tax collected and payable to the state, the amount of tax accruing and due, and whether a tax liability has been incurred under this chapter, the comptroller may:

(1) inspect any premises where motor fuel; crude petroleum; natural gas; derivatives or condensates of crude petroleum, natural gas, or their products; methyl alcohol; ethyl alcohol; or other blending agents are produced, made, prepared, stored, transported, sold, or offered for sale or exchange;

(2) examine the books and records required to be kept and records incident to the business of any distributor, supplier, dealer, or any person receiving or possessing, delivering, or selling motor fuel, crude oil, derivatives or condensates of crude petroleum, natural gas, or their products, or any blending agents;

(3) examine and either gauge or measure the contents of all storage tanks, containers, and other property or equipment; and

(4) take samples of any and all of these products stored on the premises.

§ 153.009. Calibration of Cargo Tanks and Containers

(a) Before initially transporting gasoline or diesel fuel for sale or distribution, a person shall have the cargo tanks or other containers used for transporting gasoline or diesel fuel tested, measured, and calibrated by the comptroller, an authorized representative of another state, or a commercial calibration company that meets the calibration standards approved by the comptroller. The person shall obtain a measurement certificate showing the capacity by liquid volume for each cargo tank or container and its compartments before transporting gasoline or diesel fuel.

(b) The owner of a cargo tank or container tested and measured by the comptroller may be required to pay to the state a reasonable fee for the water used to calibrate tank capacity.

(c) The measurement certificate or a duplicate measurement certificate shall be carried with the vehicle for which it was issued. The certificate number and the total capacities of each cargo tank must be marked on the rear of the vehicle. Compartment capacities must be marked on each compartment dome.

(d) Cargo tanks or containers that have been damaged, repaired, or modified in any way that might affect their capacity must be retested or remeasured before transporting gasoline or diesel fuel. The comptroller shall mark "out of order" on a cargo tank that is not in conformity with this section or with a rule promulgated under this section.

§ 153.010. Authority to Stop and Examine

In order to enforce the provisions of this chapter, the comptroller or a peace officer may stop a motor vehicle that appears to be operating with or transporting motor fuel in order to examine the cargo manifest or invoices required to be carried, examine a permit or copy of a permit that may be required to be carried, take samples from the fuel supply or cargo tanks, and make any other investigation that could reasonably be made to determine whether the taxes have been paid or accounted for by a distributor, supplier, dealer, user, or any person required to be so permitted.

§ 153.011. Impoundment and Seizure

(a) If after examination or other investigation, it is found that the owner or operator of any motor vehicle or cargo tanks has not paid all motor fuel taxes due, or does not possess a valid permit as a distributor, supplier, user, dealer, or interstate trucker to use or transport motor fuel in motor vehicles operating on the public highways, the comptroller or peace officer may impound the motor vehicle or cargo tanks. Unless proof is produced within 72 hours after the beginning of impoundment that the owner or operator has paid the taxes and has paid all other taxes established by audit or investigation by the comptroller to be due on the motor vehicle or cargo tanks and cargo may be held until all taxes, penalties, and interest found to be due, or post the bond required, the comptroller payable to the treasurer in an amount equal to twice the amount of taxes, penalties, interest, and costs found to be due, to guarantee the operator holds a valid permit to use or transport motor fuel for such purposes, the motor vehicle or cargo tanks and cargo may be held until all taxes, penalties, and interest found to be due this state and all costs of impoundment have been paid, or until the owner or operator has filed a bond with the comptroller payable to the treasurer in an amount equal to twice the amount of taxes, penalties, interest, and costs found to be due, to guarantee the payment of such liabilities to the state.

(b) If the owner or operator does not produce the required permit, pay the taxes, penalties, and interest due, or post the bond required, the comptroller may seize the impounded property.

(c) The comptroller may seize:

(1) all motor fuel on which taxes are imposed by this chapter that is found in the possession, custody, or control of any person for the purpose of being sold, transported, removed, or used by him in violation of this chapter;

(2) all motor fuel that is removed or is deposited, stored, or concealed in any place with intent to avoid payment of taxes;

(3) any automobile, truck, tank truck, boat, conveyance, or other vehicle used in the removal or transportation of the motor fuel to avoid payment of taxes; and

(4) all equipment, paraphernalia, storage tanks, or tangible personal property incident to and used for avoiding the payment of taxes and found in the place, building, or vehicle where the motor fuel is found.

(d) The comptroller, when making a seizure under this section, shall immediately make a written report showing the name of the agent or representative making the seizure, the place where or the person from whom the property was seized, an inventory of the property, and an appraisal at the usual and ordinary retail price of each article seized. The report shall be prepared in duplicate and signed by the agent or representative making the seizure. The original report shall be given to the person from whom the property is taken, and the duplicate shall be filed in the office of the comptroller and be open to public inspection.

§ 153.012. Sale of Seized Property

(a) The comptroller may sell property seized under Section 153.011 of this code.

(b) Notice of the time and place of a sale shall be given to the delinquent person in writing by certified mail at least 20 days before the date set for the sale. The notice shall be enclosed in an envelope addressed to the person at his last known address or place of business. It shall be deposited in the United States mail, postage prepaid. The notice shall also be published once a week for two consecutive weeks before the date of the sale in a newspaper of general circulation published in the county in which the property seized is to be sold. If there is no newspaper of general circulation in the county, notice shall be posted in three public places in the county 14 days before the date set for the sale. The notice must contain a description of the property to be sold, a statement of the amount due, including interest, penalties, and costs, the name of the person liable for the amount unless a claim is filed, an advertisement showing the name of the agent or representative making the seizure, the place where or the person from whom the property was seized, an inventory of the property, and an appraisal at the usual and ordinary retail price of each article seized. The unsold portion of any property seized may be left at the place of sale at the risk of the person from whom the property was seized, an inventory of the property, and an appraisal at the usual and ordinary retail price of each article seized. The unsold portion of any property seized may be left at the place of sale at the risk of the person liable for the amount unless a claim is

(c) At the sale, the comptroller shall sell the property and shall deliver to the purchaser a bill of sale for personal property and a deed for real property sold. The bill of sale or deed vests the interest or title of the person liable for the amount in the purchaser. The unsold portion of any property seized may be left at the place of sale at the risk of the person liable for the amount.

(d) The proceeds of a sale shall be allocated according to the following priorities:

(1) the payment of expenses of seizure, appraisal, custody, advertising, auction, and any other expenses incident to the seizure and sale;

(2) the payment of the tax, penalty, and interest; and

(3) the repayment of the remaining balance to the person liable for the amount unless a claim is

presented before the sale by any other person who has an ownership interest evidenced by a financing statement or lien, in which case the comptroller shall withhold the remaining balance pending a determination of the rights of the respective parties.

§ 153.013  Presumptions

(a) A distributor, supplier, dealer, interstate trucker, or user who fails to keep a record, issue an invoice, or file a report required by this chapter, is presumed to have been sold or used for taxable purposes all motor fuel shown by an audit by the comptroller to have been sold to the distributor, supplier, dealer, interstate trucker, or user. Motor fuel unaccounted for is presumed to have been sold or used for taxable purposes. The comptroller may fix or establish the amount of taxes, penalties, and interest due the state from the records of deliveries or from any records or information available to him. If a tax claim, as developed from this procedure, is not paid, after the opportunity to request a redetermination, the claim and any audit made by the comptroller or any report filed by the distributor, supplier, dealer, interstate trucker, or user, are evidence in any suit or judicial proceedings filed by the attorney general, and are prima facie evidence of the correctness of the claim or audit. A prima facie presumption of the correctness of the claim may be overcome at the trial by evidence adduced by the distributor, supplier, dealer, interstate trucker, or user.

(b) In the absence of records showing the number of miles actually operated per gallon of motor fuel consumed, it is presumed that not less than one gallon of motor fuel was consumed for every four miles traveled. An interstate trucker may produce evidence of motor fuel consumption to establish another mileage factor. If an examination or audit made by the comptroller from the records of an interstate trucker shows that a greater amount of motor fuel was consumed than was reported by the interstate trucker for tax purposes, the interstate trucker is liable for the tax, penalties, and interest on the additional amount shown or he is entitled to a credit or refund on overpayments of tax established by the audit.

§ 153.014  Venue of Tax Collection Suits

The venue of a suit, injunction, or other proceeding at law available for the establishment or collection of a claim for delinquent taxes, penalties, or interest accruing under this chapter and the enforcement of the terms and provisions of this chapter is in Travis County or in any other county having venue under existing venue statutes.

§ 153.015  Other Motor Fuel Taxes Prohibited

The taxes imposed by this chapter are in lieu of any other excise or occupation tax imposed by a political subdivision of the state on the sale, use, or distribution of gasoline, diesel fuel, or liquefied gas.

[Sections 153.016 to 153.100 reserved for expansion]

SUBCHAPTER B. GASOLINE TAX

§ 153.101  Gasoline Tax Imposed

A tax is imposed on the first sale or use of gasoline in this state.

§ 153.102  Tax Rates

(a) The gasoline tax rate is five cents for each gross or volumetric gallon or fractional part sold or used in this state except as provided by Subsection (b) of this section.

(b) The gasoline tax rate for gasoline sold to a transit company for exclusive use in its transit carrier vehicles under an exemption certificate promulgated by the comptroller is four cents for each gallon.

§ 153.103  Computation of Tax

(a) The amount of the tax shall be computed and paid over to the state on the temperature-adjusted volume of gallons of taxable gasoline sold to wholesalers, jobbers, dealers, or other persons purchasing gasoline for resale, where such sales are made in single deliveries of 5,000 gallons or more, or in lesser quantities where required by city ordinance, as computed from the authorized measurement certificate issued for the cargo tank making deliveries. The comptroller may publish and distribute a table to be used for converting the measurement of gross gallons of gasoline to temperature-adjusted gallons of gasoline.

(b) The amount of the tax shall be computed and paid to the state on the gross or volumetric gallons of taxable gasoline sold where the sales are made in single deliveries of less than 5,000 gallons or in quantities less than the maximum prescribed by city ordinance, if the maximum is less than 5,000 gallons.

(c) For a distributor whose gasoline deliveries are made to retail outlets that are operated by him or deliveries by him on consignment, the tax on sales to users and consumers shall be computed on the basis of actual sales.

(d) If the comptroller is not satisfied with a tax return or the amount of tax required to be paid to
the state by any distributor who elects to report on the basis of actual sales, the comptroller may compute and determine the amount required to be paid on the basis of the beginning inventory, showing the total gallons of gasoline in storage at the location on the first day of the calendar month, plus the total gallons of gasoline delivered into the storage facility during the month, less the total gallons of gasoline in the storage facility at the end of the calendar month.

§ 153.104. Exceptions

The tax imposed by this subchapter does not apply to gasoline:

(a) brought into this state in the fuel tank of a vehicle with a capacity of less than 42 gallons when the tank is connected to the carburetor or fuel injection system of the power plant providing the propulsion of the vehicle;

(b) delivered by a permitted distributor to a common or contract carrier, oceangoing vessel (including ship, tanker, or boat), or a barge for export from this state if the gasoline is moved forthwith outside the state;

(c) sold by a permitted distributor to another permitted distributor;

(d) sold to the federal government for its exclusive use;

(e) delivered by a permitted distributor into a storage facility of a permitted aviation fuel dealer from which gasoline will be delivered solely into the fuel supply tanks of aircraft or aircraft servicing equipment; or

(f) sold by one aviation fuel dealer to another aviation fuel dealer who will deliver the aviation fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment.

§ 153.105. Collection of Tax; Allowances

(a) A person who makes a sale or use of gasoline on which the tax has not been previously paid in this state for any purpose other than those excepted by Section 153.104 of this code shall at the time of sale or use collect the tax from the purchaser or recipient of gasoline in addition to the selling price and is also liable to the state for the taxes collected at the time and in the manner as provided by this chapter. A person is liable to the state for the tax at the applicable tax rate for each gallon of gasoline or fractional part thereof used or consumed by him in a taxable manner and shall report and pay the tax as provided by this chapter. In each subsequent sale of gasoline on which the tax has been collected, the amount of the tax shall be added to the selling price so that the tax is paid ultimately by the person using or consuming the gasoline for the purpose of propelling a vehicle upon the public highways of this state.

(b) Gasoline is deemed to be used when it is delivered into a fuel supply tank.

(c) If gasoline is purchased, in a single delivery of 5,000 gallons or more, or in lesser quantities where required by city ordinance, by any person for the purpose of resale, the seller, distributor, or broker shall sell the product to the retailer or any other person purchasing the product on the basis of temperature-corrected gallonage to 60 degrees Fahrenheit and the tax shall be computed and paid over to the state on the temperature-corrected basis. All other sales shall be reported to the comptroller on the basis of gross or volumetric gallons of taxable gasoline sold.

(d) For each one degree Fahrenheit that the temperature of gasoline taken at the time of loading for sale differs from 60 degrees Fahrenheit, an adjustment in the contract price shall be made equal to the stipulated value of six-hundredths of one percent of the total volume delivered.

(e) The tax on two percent of the taxable gallons of gasoline sold in this state shall be allocated to the distributor making the first taxable sale or use of the gasoline and paying the tax to the state for the expenses of collecting, accounting for, reporting, and remitting the tax collected and for keeping records.

§ 153.106. Permits: Application

(a) A distributor, interstate trucker, or aviation fuel dealer shall file an application with the comptroller for one of the nonassignable permits provided for in this subchapter.

(b) The comptroller shall promulgate the application form, which must contain the following information:

(1) the name under which the applicant transacts or intends to transact business;

(2) the principal office, residence, or place of business in Texas of the applicant;

(3) if the applicant is not an individual, the names of the principal officers of an applicant corporation, or the names of the members of an applicant partnership, and the office, street, or post office addresses of each; and

(4) other information required by the comptroller.

§ 153.107. Distributor's Permit

A person performing the functions of a distributor shall obtain a distributor's permit.

§ 153.108. Interstate Trucker’s Permit

An interstate trucker’s permit authorizes a person who imports gasoline into Texas in the fuel supply tanks of motor vehicles having an aggregate capacity of 42 or more gallons to report and pay the tax due on the gasoline imported into this state or to claim a credit or refund of the tax paid on gasoline purchased in Texas and used in other states.

§ 153.109. Trip Permits

(a) In lieu of an annual interstate trucker’s permit, a person bringing a motor vehicle into this state for commercial purposes with fuel supply tanks having an aggregate capacity of 42 or more gallons may obtain a trip permit. The trip permit must be obtained prior to entry into state or at the time of entry.

(b) No more than five trip permits for each person may be issued during a calendar year.

(c) A fee for each trip permit shall be collected from the applicant and shall be an amount equivalent to the tax payable on the quantity of gasoline that could be imported in the fuel supply tanks of the motor vehicle, but not less than $5.

(d) No reports are required with respect to the vehicle.

(e) Operating a motor vehicle without a valid interstate trucker’s or trip permit may subject the operator to a penalty under Section 153.402 of this code.

§ 153.110. Aviation Fuel Dealer’s Permit

A person who delivers gasoline exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment shall obtain an aviation fuel dealer’s permit. A person who obtains an aviation fuel dealer’s permit may sell aviation fuel to another aviation fuel dealer who will deliver the aviation fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment. The holder of an aviation fuel dealer’s permit may not act as a distributor of gasoline other than as provided by this section.

§ 153.111. Distributor May Perform Other Functions

A distributor may operate under the distributor’s permit as an interstate trucker or an aviation fuel dealer without securing a separate permit, but is subject to all other conditions, requirements, and liabilities imposed on those permittees.

§ 153.112. Permits: Periods of Validity

(a) A distributor’s permit is permanent and is valid so long as the permitting entity has in force and effect the required bond or security and furnishes timely reports as required, or until the permit is surrendered by the holder or canceled by the comptroller.

(b) An aviation fuel dealer’s permit is permanent and is valid until the permit is surrendered by the holder or canceled by the comptroller.

(c) An interstate trucker’s permit is valid from the date of its issuance through December 31 of each calendar year or until the permit is surrendered by the holder or canceled by the comptroller. The comptroller may renew the permit for each ensuing calendar year if the permittee furnishes timely reports as required.

(d) A trip permit is valid for the period stated on it as determined by the comptroller.

§ 153.113. Display of Permit

(a) A permit must be posted in a conspicuous place or kept available for inspection at the principal place of business of the owner. A copy of the permit must be kept at each place of business or other place of storage from which gasoline is sold, distributed, or used, and in each motor vehicle used by the permit holder to transport gasoline purchased by him for resale, distribution, or use.

(b) A person holding an interstate trucker’s permit shall reproduce the permit and carry a photocopy with each motor vehicle being operated into or from the state.

§ 153.114. List of Distributors and Aviation Fuel Dealers

The comptroller, on or before December 29 of each year, shall mail or distribute to all permitted distributors a printed alphabetical list of permitted distributors and aviation fuel dealers who are qualified to purchase gasoline tax free during the ensuing calendar year. A supplemental list of additions and deletions shall be delivered to the distributors each month. A current and effective permit or the list furnished by the comptroller is evidence of the validity of the permit until the comptroller notifies distributors of a change in the status of a permit holder.

§ 153.115. Tax Payments by an Interstate Truck­er; Allowance

(a) An interstate trucker who imports gasoline into Texas in the fuel supply tanks of motor vehi-
cles having an aggregate capacity of 42 or more gallons for each vehicle shall report and pay the tax at the imposed rate on gasoline that is imported and used on Texas highways. The number of gallons of gasoline used on Texas highways shall be computed by dividing the total miles traveled in all states by the total number of gallons of gasoline delivered into the fuel supply tanks of motor vehicles in all states. The mileage factor obtained shall be divided into the total Texas miles traveled in order to determine the number of gallons of gasoline used in Texas.

(b) An interstate trucker shall remit all taxes due by him based on the applicable tax rate for each gallon on gasoline consumed within the state at the time of filing of his quarterly reports.

(c) A permitted interstate trucker is entitled to deduct one-half of one percent of the taxable gallons of gasoline on payment of the taxes to the state for the expense of recordkeeping, reporting, and remitting the tax.

§ 153.116. Bonds and Other Security for Taxes

(a) A distributor shall post a surety bond equal to two times the highest tax that could accrue on tax-free gasoline purchased or acquired during a reporting period. The minimum bond is $1,000. The maximum bond is $100,000 unless the comptroller believes there is undue risk of loss of tax revenues, in which event he may require one or more bonds or securities in a total amount exceeding $100,000.

(b) A bond must be a continuing instrument, must constitute a new and separate obligation in the penal sum named in the bond for each calendar year or portion of a year while the bond is in force, and must remain in effect until the surety on the bond is released and discharged.

(c) In lieu of filing a surety bond, an applicant for a permit may substitute the following security:

(1) cash in the form of U.S. currency in an amount equal to the required bond to be deposited in the suspense account of the state treasury; or

(2) an assignment to the comptroller of a certificate of deposit in any bank or savings and loan association in Texas that is a member of the FDIC or the FSLIC in an amount at least equal to the bond amount required.

(d) If the amount of an existing bond becomes insufficient or a security becomes unsatisfactory or unacceptable, the comptroller may require the filing of a new or of an additional bond or security.

(e) No surety bond or other form of security may be released until it is determined by examination or audit that no tax, penalty, or interest liability exists. The cash or securities shall be released within 60 days after the comptroller determines that no liability exists.

(f) The comptroller may use the cash or certificate of deposit security to satisfy a final determination of delinquent liability or a judgment secured in any action by this state to recover gasoline taxes, costs, penalties, and interest found to be due this state by a person in whose behalf the cash or certificate security was deposited.

(g) A surety on a bond furnished by a permittee shall be released and discharged from liability to the state accruing on the bond after the expiration of 90 days after the date on which the surety files with the comptroller a written request to be released and discharged. The request does not relieve, release, or discharge the surety from a liability already accrued, or that accrues before the expiration of the 90-day period. The comptroller, promptly on receipt of the request, shall notify the permittee who furnished the bond, and unless the permittee, before the expiration date of the existing security, files with the comptroller a new bond with a surety company duly authorized to do business under the laws of the state, or other authorized security, in the amount required in this section, the comptroller shall cancel the permit in the manner provided by this chapter.

§ 153.117. Records

(a) A distributor shall keep a record showing the number of gallons of:

(1) all gasoline inventories on hand at the first of each month;

(2) all gasoline refined, compounded, or blended;

(3) all gasoline purchased or received, showing the name of the seller and date of each purchase or receipt;

(4) all gasoline sold, distributed, or used, showing the name of the purchaser and the date of each sale or use; and

(5) all gasoline lost by fire or other accident.

(b) A dealer shall keep a record showing the number of gallons of:

(1) gasoline inventories on hand at the first of each month;

(2) all gasoline purchased or received, showing the name of the seller and the date of each purchase or receipt;
§ 153.117  TAX CODE 164

(3) all gasoline sold or used, showing the date of the sale or use; and
(4) all gasoline lost by fire or other accident.
(c) An interstate trucker shall keep a record of:
(1) the total miles traveled in all states by all vehicles traveling into or from Texas and the total quantity of gasoline consumed in those vehicles; and
(2) the total miles traveled in Texas and the total quantity of gasoline purchased and delivered into the fuel supply tanks of motor vehicles in Texas.
(d) An aviation fuel dealer shall keep a record showing the number of gallons of:
(1) all gasoline inventories on hand at the first of each month;
(2) all gasoline purchased or received, showing the name of the seller and date of each purchase or receipt;
(3) all gasoline sold or used in aircraft or aircraft servicing equipment; and
(4) all gasoline lost by fire or other accident.
(e) The records of an aviation fuel dealer made under Subsection (d)(3) of this section must show:
(1) the name of the purchaser or user of gasoline;
(2) the date of the sale or use of gasoline; and
(3) the registration or "N" number of the airplane or a description or number of the aircraft or a description or number of the aircraft servicing equipment in which gasoline is used.
(f) The comptroller may require selective schedules from a distributor, dealer, aviation fuel dealer, interstate trucker, or common or contract carrier for any purchases, sales, or deliveries of gasoline when the schedules are not inconsistent with the requirements of this chapter.
(g) The records required must be kept for four years and are open to inspection at all times by the comptroller and the attorney general.

§ 153.118. Reports and Payments

(a) On or before the 25th day of the month, a distributor shall file a report and remit the amount of tax required to be collected during the preceding month. The report shall be executed by the distributor or his representative and shall be filed with the comptroller on a form provided or approved by the comptroller, containing complete and detailed information not inconsistent with the requirements of this chapter of gasoline transactions. A distributor required to file a report under this section who has not sold or used any gasoline during the reporting period shall file with the comptroller the report setting forth the facts or information. The failure of a distributor to obtain forms from the comptroller is no excuse for the failure to file a report containing all the information required to be reported.

(b) On or before the 25th day of the month following the end of each calendar quarter, an interstate trucker shall file a report and remit the amount of tax due. The report shall be properly executed and filed with the comptroller and must contain complete and detailed information as the comptroller may require on forms provided for that purpose. An interstate trucker who has not used any gasoline during the reporting period shall file with the comptroller the report setting forth the facts or information. The failure of an interstate trucker to obtain forms from the comptroller is no excuse for the failure to file a report containing all the information required to be reported.

(c) An interstate trucker who maintains all fuel records in Texas and all or substantially all of whose highway use is made with gasoline purchased within this state with the tax paid may be exempted from the quarterly reporting requirements under an annual affidavit to the comptroller attesting to the intrastate, or substantial intrastate, tax-paid purchases of gasoline.

(d) An aviation fuel dealer is not required to file a report with the comptroller.

(e) On or before August 16th of each odd-numbered calendar year each person required to pay a tax under this section must remit a reasonable estimate of the tax liability for gasoline which was required to be collected during the preceding month. A reasonable estimate must be at least an amount equal to the tax due on July 25th for gasoline tax owing in June.

§ 153.119. Refunds of Taxes Paid on Excepted Uses of Gasoline

(a) A person who exports, sells to the federal government, loses by fire or other accident, or uses gasoline for the purpose of operating or propelling a motorboat, tractor used for agricultural purposes, or stationary engine, or for another purpose except in a vehicle operated or intended to be operated on the public highways of this state, and who has paid the tax imposed on gasoline by this chapter either directly or indirectly is, when the person has complied with the invoice and filing provisions of this section and the rules of the comptroller, entitled to reimbursement of the tax paid by him, less a filing fee and any amount allowed distributors, wholesalers or jobbers, dealers, or others under Section 153.105(c) of this code.

(b) A person may file a refund claim for tax paid on the gasoline used in motor vehicles that are operated exclusively off the public highways except for incidental travel on the public highways as determined by the comptroller, but not for that portion used in incidental travel.
(c) A permitted interstate trucker is entitled to a credit equivalent to the tax rate for each gallon paid on all gasoline on which the gasoline tax has been paid and later consumed in vehicles outside the state. If the amount of credit to which the interstate trucker is entitled for any calendar quarter exceeds the amount of tax for which the interstate trucker is liable for gasoline consumed in the vehicles during the reporting period, the excess shall be allowed as a credit or refund on a timely filed quarterly report against tax for which the interstate trucker would be otherwise liable for any of the three succeeding quarters. Evidence of the mileage traveled and gallonage consumed and the payment of the gasoline tax on a form as may be required by or is satisfactory to the comptroller shall be furnished by an interstate trucker claiming a credit or tax refund.

(d) If the quantity of gasoline used in Texas by auxiliary power units or power take-off equipment on any motor vehicle can be accurately measured while the motor vehicle is stationary by any metering or other measuring device or methods designed to measure the fuel separately from fuel used to propel the motor vehicle, the comptroller may approve and adopt the use of any device as a basis for determining the quantity of gasoline consumed in those operations for tax credit or tax refund.

(e) A person who exports or loses by fire or other accident 100 or more gallons of gasoline on which the tax has been paid, or sells gasoline in any quantity to the United States government for the exclusive use of that government on which the tax has been paid, may file a claim for a refund of the net tax paid to the state in the manner provided by this chapter or as the comptroller may direct. A permitted distributor who establishes proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical calculation error.

(f) The right to receive a refund under this section is not assignable, except that a person residing or maintaining a place of business outside the state who purchases 100 or more gallons of gasoline and forthwith exports the entire quantity may assign his right to claim a refund to the permitted distributor from whom the gasoline was purchased or to any permitted distributor who has paid the tax on the gasoline either directly or through another permitted distributor in Texas. If a distributor secures an assignment and the proof of export required by the comptroller, he may credit the tax paid on any monthly report filed with the comptroller within one year after the first day of the month following the date of delivery of the gasoline to the exporter.

§ 153.128. Claims for Refunds

(a) A refund claim must be filed on form provided by the comptroller, be supported by the original invoice issued by the seller, and contain:

1. The stamped or preprinted name and address of the seller;
2. The name of the purchaser;
3. The date of delivery of the gasoline;
4. The date of issuance of the invoice (if different from the date of fuel delivery);
5. The number of gallons of gasoline delivered;
6. The amount of tax, either separately stated from the selling price or a notation that the selling price includes the tax; and
7. The type of vehicle or equipment, such as a motorboat, railway engine, highway vehicle, off-highway vehicle, or refrigeration unit or stationary engine into which the fuel is delivered.

(b) The invoice shall be made out in duplicate. The original invoice shall be delivered to the purchaser of the gasoline no later than 30 days after the date of delivery of the gasoline. The duplicate invoice shall be retained by the seller at his place of business. If the delivery of gasoline is made through an automated method whereby the purchase is automatically applied to the purchaser's account, one invoice may be issued at the time of billing covering multiple purchases made during a 30-day billing cycle.

(c) A person who files a claim for a tax refund on gasoline used for a purpose for which a tax refund is not authorized or who files an invoice supporting a refund claim on which the date, figures, or any material information has been falsified or altered forfeits his right to the entire amount of the refund claim filed unless the claimant provides proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical calculation error.

§ 153.121. When Gasoline Tax Refund May be Filed

(a) Except as provided by this section, a claim for a refund must be filed with the comptroller within one year after the first day of the calendar month following the purchase, use, delivery, export, or loss by fire or other accident of gasoline, whichever period expires last.

(b) An interstate trucker may accumulate credits for four successive calendar quarters, but he must take the credit or claim a refund on a report filed on or before the 25th day following the fourth quarter.

(c) If an audit of a distributor determines that tax-free sales were made to an unauthorized purchaser and the purchaser could have filed for a refund if the tax had been paid at the time of the sale, the unauthorized purchaser must file a refund
claim within one year after the date of the final assessment. [Acts 1981, 67th Leg., p. 1614, ch. 389, § 1, eff. Jan. 1, 1982.]

§ 153.122. Gasoline Tax Refund Payment and Filing Fee

(a) After examination of the refund claim, the comptroller before issuing a refund warrant shall deduct from the amount of the refund:

(1) the two percent deducted originally by the distributor on the first sale or distribution of the gasoline; and

(2) $1.50 as a filing fee.

(b) The filing fees shall be set aside for the use and benefit of the comptroller in the administration and enforcement of this section. All filing fees shall be paid into the state treasury and shall be paid out on vouchers and warrants in the manner prescribed by law. [Acts 1981, 67th Leg., p. 1614, ch. 389, § 1, eff. Jan. 1, 1982.]

§ 153.123. Gasoline and Alcohol Mixtures: Special Fund and Tax Credits and Payments

(a) For a gasoline and alcohol mixture which meets the requirements of Subsection (e) of this section and except as provided in Subsection (b), a credit may be claimed by a distributor, pursuant to Subsection (d) of this section, in the following amounts:

(1) until January 1, 1987, five cents per gallon on the first sale or use of that mixture;

(2) from January 1, 1987, through December 31, 1987, four cents per gallon on the first sale or use of that mixture;

(3) from January 1, 1988, through December 31, 1988, three cents per gallon on the first sale or use of that mixture;

(4) from January 1, 1989, through December 31, 1989, two cents per gallon on the first sale or use of that mixture;

(5) from January 1, 1990, through December 31, 1990, one cent per gallon on the first sale or use of that mixture; and

(6) on and after January 1, 1991, no credit may be claimed.

(b)(1) On or before the 30th day preceding each calendar quarter, the comptroller shall estimate (based on the most recent data available) the total volume, in gallons, of first sales or uses of gasoline and alcohol mixture meeting the requirements of Subsection (e) of this section, and the total amount of credits which will be allowed to distributors under Subsection (d), both for the next calendar quarter. If the total amount of that estimated credit exceeds $2,712,500, the comptroller shall estimate and publish in the Texas Register a credit per gallon (rounded to the nearest one-tenth cent) of mixture which, if applied to first sales or uses of gasoline and alcohol mixture containing alcohol produced from renewable sources produced outside the state, would limit the total of the credits allowed to $2,712,500 for the next calendar quarter. Such estimated amount shall be the maximum amount of the credit which may be claimed for the next calendar quarter for first sales or uses of gasoline and alcohol mixture containing alcohol produced from renewable sources produced outside the state.

(2) If the total amount of the estimated credit resulting from first sales or uses of gasoline and alcohol mixtures containing alcohol from renewable sources produced in the state only exceeds $2,712,500 for the next calendar quarter, then no credit may be claimed for such mixtures containing alcohol produced from renewable sources from outside the state, and the comptroller shall estimate and publish in the Texas Register a credit per gallon (rounded to the nearest one-tenth cent) of mixture which, if applied to first sales or uses of such mixtures containing alcohol produced from renewable sources produced in the state, would limit the total of the credits allowed to $2,712,500 for the next calendar quarter. Such estimated amount shall be the maximum of the credit which may be claimed for the next calendar quarter for first sales or uses of gasoline and alcohol mixture produced from renewable sources from within the state.

(3) In arriving at estimates of credits per gallon of mixture which will limit total credits to $2,712,500 per calendar quarter, the comptroller shall consider actual total credits during the second preceding calendar quarter and shall, if necessary, include an adjustment in the estimate for the next calendar quarter to account for the difference between actual total credits during the second preceding calendar quarter and $2,712,500.

(4) Except as provided in this subdivision, no mixture that contains alcohol that was produced or distilled in another state is eligible for a credit on its first sale or use in the state. If the comptroller certifies that another state provides an exemption from that state's taxes applicable to gasoline or a credit or refund for taxes collected or an amount in lieu of taxes collected on a mixture that includes alcohol produced or distilled in Texas, and if the alcohol produced in the other state meets the specifications provided by Subdivisions (1), (2), and (3) of Subsection (e) of this section, then the specifications for the mixture for which the transfer shall be made to the gasoline and alcohol mixture fund and for which credits or payments shall be made shall include mixtures that include alcohol produced and distilled in the other state or in Texas and the other state. However, if a mixture of alcohol produced or distilled in another state and gasoline qualifies under this subsection for a transfer and a credit, the amount of the transfer and credit under this section for the mixture may not exceed

§ 153.121 TAX CODE 166
the amount of the exemption, credit, or refund (stated in or converted to cents for each gallon of the mixture) provided by the state in which the alcohol was produced or distilled.

(5) The provisions of Section 153.128, Tax Code, are not severable. If any portion of Section 153-123, Tax Code, is held to be unlawful or unconstitutional, the entire section shall have no force and effect.

(c) A distributor required by this subchapter to make and keep records of motor fuel sales, distributions, uses, or consumptions and who is required to make reports to the comptroller shall include separate entries on the good reports, in the detail as the comptroller may prescribe, the sale, distribution, use, or consumption of the gasoline and alcohol mixture defined in Subsection (e) of this section. The records and reports shall include the amount of all alcohol manufactured or purchased as a motor fuel blending agent.

(d) A distributor may claim a credit on the first sale or use of the gasoline and alcohol mixture described in Subsection (e) of this section or on the gasoline used for mixing with ethyl alcohol if the mixture meets the specifications described in Subsection (e) of this section, in the amount per gallon specified in Subsections (a) and (b) of this section. The credit may take this on his monthly Texas gasoline distribution report. The comptroller shall, on or before the 25th day of each month, transfer the total amount of credits allowed the distributor may require the comptroller to accomplish the purposes of this section.

(1) the mixture must contain at least 10 percent ethyl alcohol;
(2) the alcohol added to the gasoline must have been produced or distilled from a renewable source only.

§ 153.203  
(4) diesel fuel sold or delivered by a permitted supplier into the storage facility of a permitted aviation fuel dealer, from which diesel fuel will be sold or delivered solely into the fuel supply tanks of aircraft or aircraft servicing equipment;
(5) diesel fuel sold or delivered by a permitted supplier into fuel supply tanks of railway engines, motorboats, or refrigeration units or other stationary equipment powered by a separate motor from a separate fuel supply tank;
(6) kerosene when delivered by a permitted supplier into a storage facility at a retail business from which all deliveries are exclusively for heating, cooking, lighting, or similar nonhighway use; or
(7) diesel fuel sold or delivered by one aviation fuel dealer to another aviation fuel dealer who will deliver the diesel fuel exclusively into the supply tanks of aircraft or aircraft servicing equipment.

§ 153.204. Computation of Tax

(a) The amount of the tax shall be computed and paid to the state on the temperature-adjusted volume of gallons of taxable diesel fuel sold to wholesalers, jobbers, dealers, or other persons purchasing diesel fuel for resale, where such sales are made in single deliveries of 5,000 gallons or more, or in lesser quantities where required by city ordinance, as computed from the authorized measurement certificate issued for the cargo tank making deliveries. The comptroller may publish and distribute a table to be used for converting the measurement of gross gallons of diesel fuel to temperature-adjusted gallons of diesel fuel.

(b) The amount of the tax shall be computed and paid to the state on the gross or volumetric gallons of taxable diesel fuel sold where the sales are made in single deliveries of 5,000 gallons or more, or in quantities less than the maximum prescribed by city ordinance, if the maximum is less than 5,000 gallons.

(c) For a supplier whose diesel fuel deliveries are made to retail outlets that are operated by him or by a person to purchase diesel fuel for resale, the tax on sales to users and consumers shall be computed on the basis of actual sales.

(d) If the comptroller is not satisfied with a tax return or the amount of tax required to be paid to the state by a supplier who elects to report on the basis of actual sales, the comptroller may compute and determine the amount required to be paid on the basis of the beginning inventory, showing the total gallons of diesel fuel in storage at the location on the first day of the calendar month, plus the total gallons of diesel fuel delivered into the storage facility during the month, and less the total gallons of diesel fuel in the storage facility at the end of the calendar month.

§ 153.205. Statement for Purchase of Diesel Fuel Tax Free

(a) The first sale or use of diesel fuel in this state is taxable, except that the sale of diesel fuel may be made without collecting the tax if the purchaser furnishes to a permitted supplier a signed statement that stipulates that:

1. the purchaser does not operate any diesel-powered motor vehicles on the public highway;
2. all of the diesel fuel will be consumed by the purchaser and no diesel fuel purchased on a signed statement will be resold; and
3. none of the diesel fuel purchased in this state will be delivered or permitted by the purchaser to be delivered into fuel supply tanks of motor vehicles.

(b) The signed statement from the purchaser relieves the permitted supplier from the burden of proof that the sale of diesel fuel was not taxable to the purchaser and remains in effect unless:

1. the statement is revoked in writing by the purchaser or supplier;
2. the comptroller notifies the supplier in writing that the purchaser may no longer make tax-free purchases; or
3. the supplier is put on notice by making taxable sales of diesel fuel to a purchaser who has previously submitted a signed statement to this supplier.

(c) A taxable sale to a person who has previously submitted a signed statement creates a rebuttable presumption that the supplier had reasonable notice that all subsequent sales should have been taxable.

(d) A taxable use of any part of the diesel fuel purchased under a signed statement shall, in addition to any criminal penalty, forfeit the right of the person to purchase diesel fuel tax free for a period of one year from the date of the offense, and any tax, interest, and penalty found to be due through false or erroneous execution or continuance of a promise statement by the purchaser, if assessed to the supplier, is a debt of the purchaser to the supplier until paid, and is recoverable at law in the same manner as the purchase price of the fuel. The person may, however, claim a refund of the tax paid on any diesel fuel used for nonhighway purposes under Section 153.222 of this code.

(e) The statement must be signed by the purchaser or his representative.

(f) The comptroller's regulations may allow separate operating divisions of corporations to give separate signed statements as if they were different legal entities.
(g) The comptroller may promulgate necessary forms and rules to comply with this section.

§ 153.206. Collection and Payment of Tax; Allowances

(a) A supplier who makes a sale or use of diesel fuel in this state for a purpose other than those exceptions listed in Section 153.203 of this code shall at the time of sale or use be liable to the state for the tax imposed in this subchapter and shall report and pay the tax in the manner provided in the subchapter.

(b) A dealer shall collect the tax at the rate imposed on each gallon of diesel fuel delivered by him into the fuel supply tanks of a motor vehicle and shall report and pay to the state any tax collected that has not been paid to a permitted supplier.

(c) A user, except a diesel tax prepaid user, shall report and pay to the state the tax at the rate imposed on each gallon of diesel fuel delivered by him into the fuel supply tanks of a motor vehicle, unless the tax has been paid to a permitted supplier or a dealer, or, as a diesel tax prepaid user, the tax has been prepaid directly to the comptroller.

(d) An interstate trucker who imports diesel fuel into Texas in the fuel supply tanks of a motor vehicle having an aggregate capacity of 42 or more gallons for each vehicle shall report and pay the tax at the rate imposed on diesel fuel that is imported and used on Texas highways. The number of gallons of diesel fuel used on Texas highways shall be computed by dividing the total miles traveled in all states by the total number of gallons of diesel fuel delivered into the fuel supply tanks of motor vehicles in all states. The mileage factor obtained shall be divided into the total Texas miles traveled in order to determine the number of gallons of diesel fuel used in Texas. An interstate trucker shall remit all taxes due by him based on the diesel fuel tax rate for each gallon of diesel fuel consumed within the state at the time of the filing of the quarterly report.

(e) Diesel fuel is deemed to be used when it is delivered into fuel supply tanks.

(f) If diesel fuel is purchased, in a single delivery of 5,000 gallons or more, or in lesser quantities where required by city ordinance, by any person for the purpose of resale, the seller, distributor, or broker shall sell the product to the retailer or any other person purchasing the product on the basis of temperature-corrected gallonage to 60 degrees Fahrenheit and the tax shall be computed and paid over to the state on the temperature-corrected basis. All other sales shall be reported to the comptroller on the basis of gross or volumetric gallons of taxable gasoline sold.

(g) For each one degree Fahrenheit that the temperature of diesel fuel taken at the time of loading for sale or consignment differs from 60 degrees Fahrenheit, an adjustment in the contract price shall be made equal to the stipulated value of four-hundredths of one percent of the total volume delivered.

(h) The tax on two percent of the taxable gallons of diesel fuel sold in this state shall be allocated to the supplier making the first taxable sale or use of the diesel fuel and paying the tax to the state for the expenses of collecting, accounting for, reporting, and remitting the tax collected and for keeping records.

(i) A bonded user or permitted interstate trucker is entitled to deduct one-half of one percent of the taxable gallons of diesel fuel on payment of the taxes to this state for the expense of recordkeeping, reporting, and remitting the tax.

§ 153.207. Permits; Application

(a) A bonded supplier, bonded user, interstate trucker, diesel tax prepaid user, or aviation fuel dealer shall file an application with the comptroller for one of the nonassignable permits provided for in this subchapter.

(b) The comptroller shall promulgate the application form, which must contain the following information:

1. The name under which the applicant transacts or intends to transact business;
2. The principal office, residence, or place of business in Texas of the applicant;
3. If the applicant is not an individual, names of the principal officers of an applicant corporation, names of each partner in an applicant partnership, and the office, street, or post office address of each; and
4. Other information required by the comptroller.

(c) The comptroller shall determine from the information shown in the application or other investigation the kind and class of permit to be issued.

§ 153.208. Bonded Supplier’s Permit

(a) A bonded supplier’s permit authorizes a person to sell tax-free diesel fuel to:

1. Another bonded supplier;
2. A bonded user;
3. An aviation fuel dealer;
4. A diesel tax prepaid user if delivered into his bulk storage facilities only; and
5. A person issuing a signed statement.

(b) A bonded supplier’s permit authorizes a person to supply tax-paid diesel fuel to suppliers and other purchasers.
§ 153.208

(c) A bonded supplier may not make a tax-free sale or delivery of diesel fuel into the fuel supply tanks of a motor vehicle other than a motor vehicle owned by the United States.

§ 153.209. Bonded User Permit

A bonded user permit authorizes a user whose purchases of diesel fuel are predominantly for non-highway use to purchase diesel fuel tax-free from permitted suppliers and to report and pay taxes to this state on that part of the diesel fuel that is delivered into the fuel supply tanks of motor vehicles owned or operated by him.

(a) A diesel tax prepaid user permit authorizes a person whose use of diesel fuel is predominantly for non-highway use to purchase diesel fuel tax-free from permitted suppliers and to report and pay taxes to the state on that part of the diesel fuel that is delivered into the fuel supply tanks of motor vehicles owned or operated by him. If he elects to obtain a diesel tax prepaid user permit, he must prepay the tax at the rate prescribed for each motor vehicle based on the class of registered gross weight. A person whose purchases of diesel fuel are predominantly for highway use does not qualify for a diesel tax prepaid user permit.

(b) The vehicle classes and amounts of tax are:

§ 153.211. Interstate Trucker's Permit

An interstate trucker's permit authorizes a person who imports diesel fuel into the state in the fuel supply tanks of motor vehicles having an aggregate capacity of 42 or more gallons for each vehicle to report and pay the tax due on diesel fuel imported into this state or to claim a credit or a refund of the tax paid on diesel fuel purchased in this state and is valid until the permit is surrendered by the holder or canceled by the comptroller.

§ 153.212. Trip Permits

(a) In lieu of an annual interstate trucker's permit, a person bringing motor vehicles into this state for commercial purposes with fuel supply tanks having an aggregate capacity of 42 or more gallons for each vehicle may obtain a trip permit.

(b) The trip permit must be obtained before entry into the state or at the time of entry. No more than five trip permits may be issued during a calendar year to a person operating interstate.

(c) A fee for each trip permit shall be collected from the applicant. The fee is an amount equal to the tax payable on the quantity of diesel fuel that could be imported in the fuel supply tanks of the motor vehicle, but not less than $5.

§ 153.213. Aviation Fuel Dealer's Permit

An aviation fuel dealer's permit authorizes a person to deliver diesel fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment. The holder of an aviation fuel dealer's permit may sell or deliver diesel fuel to another aviation fuel dealer who will deliver the diesel fuel exclusively into the fuel supply tanks of aircraft or aircraft servicing equipment. The holder of an aviation fuel dealer's permit may not act as a supplier of diesel fuel other than as allowed by this section.

§ 153.214. Supplier May Perform Other Functions

A supplier may operate under the supplier's permit as a user, dealer, interstate trucker, or aviation fuel dealer without securing a separate permit, but is subject to all other conditions, requirements, and liabilities imposed on those permittees.

§ 153.215. Permits: Periods of Validity

(a) A bonded supplier's and bonded user permit is permanent and valid as long as the permittee has in force and effect the required bond or security and furnishes timely reports as required, or until the permit is surrendered by the holder or canceled by the comptroller.

(b) An aviation fuel dealer's permit is permanent and is valid until the permit is surrendered by the holder or canceled by the comptroller.

(c) An interstate trucker's permit is valid from the date of its issuance through December 31 of each calendar year or until the permit is surrendered by the holder or canceled by the comptroller. The comptroller may renew the permit for each ensuing calendar year if the permittee furnishes timely reports as required.

(d) A trip permit is valid for the period stated on it as determined by the comptroller.

(e) A diesel tax prepaid user permit is valid from the date of its initial issuance through the last day of the same month of the year following the year it was issued unless the motor vehicle for which the tax is prepaid is sold or no longer used on the public
highway. After its initial issuance, a diesel tax prepaid user permit shall be issued annually and is valid for one year from the date of its issuance unless the motor vehicle for which the tax is prepaid is sold or no longer used on the public highway. A diesel tax prepaid user must make application for a new permit each year.

§ 153.216. Display of Permit

(a) A permit must be posted in a conspicuous place or kept available for inspection at the principal place of business of the owner. A copy of the permit must be kept at each place of business or other place of storage from which diesel fuel is sold, distributed, or used, and in each motor vehicle used by the permit holder to transport diesel fuel purchased by him for resale, distribution, or use.

(b) A person holding an interstate trucker’s permit shall reproduce the permit and carry a photofacty with each motor vehicle being operated into or out of the state.

§ 153.217. List of Suppliers, Bonded Users, and Aviation Fuel Dealers

(a) The comptroller, on or before December 20 of each calendar year, shall mail or distribute to each bonded supplier a printed alphabetical list of permitted suppliers, bonded users, and aviation fuel dealers who are qualified to purchase diesel fuel tax free during the ensuing calendar year. A supplemental list of additions and deletions shall be delivered to each supplier each month.

(b) The comptroller, on or before January 31 of each calendar year, shall mail or distribute to each bonded supplier a printed alphabetical list of diesel tax prepaid user permittees who are qualified to purchase diesel fuel tax free during the ensuing calendar year. A supplemental list of additions and deletions shall be delivered to each supplier each month.

§ 153.218. Bonds and Other Security for Taxes

(a) A supplier or bonded user shall post a surety bond equal to two times the highest tax that will or may be expected to accrue on taxable sales and uses of diesel fuel during a reporting period. The minimum bond for a supplier is $1,000. The minimum bond for a bonded user is $500.

(b) A bond must be a continuing instrument, must constitute a new and separate obligation, in the penal sum named in the bond, for each calendar year or portion of a year while the bond is in force, and must remain in effect until the surety on the bond is released and discharged.

(c) In lieu of filing a surety bond, an applicant for a permit may substitute the following security:

(1) cash in the form of U.S. currency in an amount equal to the required bond to be deposited in the suspense account of the state treasury; or

(2) an assignment to the comptroller of a certificate of deposit in any bank or savings and loan association in the state that is a member of the FDIC or the FSLIC in an amount at least equal to the bond amount required.

(d) If the amount of an existing bond becomes insufficient, or a surety on a bond becomes unsatisfactory or unacceptable, the comptroller may require the filing of a new or an additional bond.

(e) No surety bond or other form of security may be released until it is determined by examination or audit that no tax, penalty, or interest liability exists. The cash or securities shall be released within 60 days after the comptroller determines that no liability exists.

(f) The comptroller may use the cash or certificate of deposit to satisfy a final determination of delinquent liability or a judgment secured in an action by this state to recover diesel fuel taxes, costs, penalties, and interest found to be due this state by a person in whose behalf the cash or securities were deposited.

(g) A surety on any bond furnished by a permittee shall be released and discharged from liability to the state accruing on the bond after the expiration of 30 days after the date on which the surety files with the comptroller a written request to be released and discharged. The request does not relieve, release, or discharge the surety from a liability already accrued or that accrues before the expiration of the 30-day period. The comptroller promptly on receipt of the request shall notify the permittee who furnished the bond, and unless the permittee, before the expiration date of the existing security, files with the comptroller a new bond with a surety company duly authorized to do business under the laws of the state, or other authorized security, in the amount required in this section, the comptroller shall cancel the permit in the manner provided in this chapter.

(h) A permittee may request an examination or audit to obtain release of the security when he relinquishes the permit or when he desires to substitute one form of security for an existing one.

Section 4 of the 1983 amendatory act provides:

“A bond or other security of an interstate trucker permitted under Chapter 153, Tax Code, and on file with the comptroller of public accounts on the effective date of this Act is not affected by this Act and continues in force and effect until discharged by the comptroller as provided by Section 153.116 or 153.218, Tax Code, as amended.”
§ 153.219. Records

(a) A supplier shall keep a record showing the number of gallons of:

(1) all diesel fuel inventories on hand at the first of each month;
(2) all diesel fuel purchased or received, showing the name of the seller and the date of each purchase or receipt;
(3) all diesel fuel sold, distributed, or used showing the name of the purchaser and the date of sale, distribution, or use; and
(4) all diesel fuel lost by fire or other accident.

(b) A dealer shall keep a record showing the number of gallons of:

(1) all diesel fuel inventories on hand at the first of each month;
(2) all diesel fuel purchased or received, showing the name of the seller, the date of each purchase or receipt;
(3) all diesel fuel sold, distributed, or used; and
(4) all diesel fuel lost by fire or other accident.

(c) A bonded user or other user with nonhighway equipment uses who files a claim for a refund shall keep a record showing the number of gallons of:

(1) inventories of all diesel fuel on hand at the first of each month;
(2) all diesel fuel purchased or received, showing the name of the seller and the date of each purchase or receipt;
(3) all diesel fuel sold, distributed, or used; and
(4) all diesel fuel lost by fire or other accident.

(d) An aviation fuel dealer shall keep a record showing the number of gallons of:

(1) all diesel fuel inventories on hand at the first of each month;
(2) all diesel fuel purchased or received, showing the name of the seller, the date of each purchase or receipt;
(3) all diesel fuel sold, distributed, or used; and
(4) all diesel fuel lost by fire or other accident.

(e) The records of an aviation fuel dealer made under Subsection (d)(3) of this section must show:

(1) the name of the purchaser or user of diesel fuel;
(2) the date of the sale, distribution, or use of the diesel fuel; and
(3) the registration or "N" number of the airplane or a description or number of the aircraft servicing equipment in which diesel fuel is used.

(f) A permitted interstate trucker shall keep a record of:

(1) the total miles traveled in all states by all vehicles traveling into or from Texas and the total quantity of diesel fuel consumed in those vehicles; and
(2) the total miles traveled in Texas and the total quantity of diesel fuel delivered into the fuel supply tanks of motor vehicles in Texas.

(g) The comptroller may require selective schedules from a supplier, dealer, aviation fuel dealer, interstate trucker, or common or contract carrier for a purchase, sale, or delivery of diesel fuel if the schedules are not inconsistent with the requirements of this chapter.

(h) The records required must be kept for four years and are open to inspection at all times by the comptroller or the attorney general.

§ 153.220. Invoices

(a) A delivery of diesel fuel into the fuel supply tanks of a motor vehicle having an aggregate capacity of 42 or more gallons shall be evidenced by an invoice issued in duplicate by a dealer or an invoice or a distribution log issued by a bonded user or other user.

(b) An invoice must be carried in the vehicle until the next purchase or delivery of fuel into that vehicle. A distribution log must be carried with the vehicle until the end of the calendar month.

(c) A dealer shall also issue an invoice for a sale, distribution, or use for a purpose other than propelling a motor vehicle on the public highways of this state.

(d) The invoice or distribution log must contain:

(1) the name and address of the person making the delivery stamped or preprinted on it;
(2) a statement of the amount of the diesel fuel tax separate from the selling price or a statement that the diesel fuel tax is included in the selling price;
(3) a statement that no diesel fuel tax was collected by the seller if the invoice is to be used by the seller to support a refund claim; and
(4) spaces for providing the following:
   (A) the name of the purchaser;
   (B) the date of delivery of the fuel;
   (C) the number of gallons delivered;
   (D) the odometer or hubmeter reading;
   (E) the state highway license or unit number;
   (F) the type of vehicle or equipment, such as a motorboat, railway engine, highway vehicle, off-highway vehicle, or refrigeration unit or stationary engine into which the fuel is delivered; and
   (G) the signature of the recipient.

(e) If the delivery of tax-paid diesel fuel is made through an automated method whereby the purchase is automatically applied to the purchaser's account, one invoice may be issued at the time of
billing covering multiple purchases made during a 30-day billing cycle.

(f) If the fuel delivery into the fuel supply tanks of a motor vehicle is through a method where there is no seller or agent present, then the purchaser or recipient must prepare the required invoice at the time of delivery.

§ 153.221. Reports and Payments

(a) On or before the 25th day of each month, a supplier shall file a report of diesel fuel transactions and remit the amount of tax required to be collected during the preceding month. A report must be filed on a form provided by the comptroller and contain information required by the comptroller, showing complete and detailed information of diesel fuel transactions during the preceding month. A supplier required to file a report under this section who has not sold, used, or distributed any diesel fuel during the reporting period shall file with the comptroller the report setting for the facts or information. The failure of a supplier to obtain forms from the comptroller is no excuse for the failure to file a report. The report must be executed by the supplier or his representative and is subject to the penalties provided in this chapter.

(b) On or before the 25th day of the month following the end of each calendar quarter, a bonded user or interstate trucker shall file a report and remit the amount of tax due except as provided by Subsection (d) of this section. A report must be executed and filed with the comptroller and contain complete and detailed information on diesel fuel transactions during the preceding calendar quarter and other information required by the comptroller on forms provided for that purpose. A bonded user or interstate trucker required to file a report under this section who has not sold, used, or distributed any diesel fuel during the reporting period shall file with the comptroller the report setting forth the facts or information. The failure of a bonded user or interstate trucker to obtain forms from the comptroller is no excuse for the failure to file a report containing all the information required to be reported.

(c) No report is required to be filed by:

(1) an aviation fuel dealer;
(2) a trip permit user;
(3) a diesel tax prepaid user;
(4) a person issuing signed statements; or
(5) a common or contract carrier.

(d) A permitted interstate trucker who maintains all fuel records in Texas, and all, or substantially all, of whose highway use is made with diesel fuel purchased within this state with the tax paid may be exempted from the quarterly reporting requirement under an annual affidavit to the comptroller attesting to the intrastate, or substantially intrastate, purchases of tax-paid diesel fuel.

(e) On or before August 15th of each odd-numbered calendar year each person required to pay a tax under this section must remit a reasonable estimate of the tax liability for diesel fuel which was required to be collected during the preceding month. A reasonable estimate must be at least an amount equal to the tax due on July 25th for diesel fuel tax owing in June.

§ 153.222. Refunds of Taxes Paid on Excepted Uses of Diesel Fuel

(a) A dealer who has paid tax on diesel fuel that has been used or sold for use by the dealer for any purpose other than propelling a motor vehicle on the public highways of this state or that has been sold to the United States for its exclusive use, and a user who has paid tax on any diesel fuel that has been used by him for purposes other than propelling a motor vehicle on the public highways may file a claim for a refund of taxes paid, less the deduction allowed vendors and a filing fee.

(b) A person may file a refund claim for tax paid on the diesel fuel used in motor vehicles that are operated exclusively off the public highways except for incidental travel on the public highways as determined by the comptroller, but not for that portion used in the incidental travel.

(c) A permitted interstate trucker is entitled to a credit equivalent to the tax rate for each gallon paid on all diesel fuel on which the diesel fuel tax has been paid and later consumed in motor vehicles outside the state. If the amount of credit to which the interstate trucker is entitled for any calendar quarter exceeds the amount of tax for which the interstate trucker is liable for any of the three succeeding quarters, the excess shall be allowed as a credit or refund on a timely filed quarterly report against the tax for which the interstate trucker would be otherwise liable for any of the three succeeding quarters. Evidence of the mileage traveled and gallonage consumed and the payment of the diesel fuel tax, on a form that may be required by or is satisfactory to the comptroller, shall be furnished by the interstate trucker claiming the credit or tax refund.

(d) If the quantity of diesel fuel used in Texas by auxiliary power units or power take-off equipment on any motor vehicle can be accurately measured while the motor vehicle is stationary by any metering or other measuring device or method designed to measure the fuel separately from fuel used to propel the motor vehicle, the comptroller may approve and adopt the use of any device as a basis for determining the quantity of diesel fuel consumed in those operations for tax credit or tax refund. If no separate metering device or other approved measuring method is provided, the following credit or refund procedures are authorized. A permitted supplier or bonded user who operates diesel-powered
motor vehicles equipped with a power take-off or a diesel-powered auxiliary power unit mounted on the motor vehicle and using the fuel supply tank of the motor vehicle may be allowed a five percent deduction from the taxable gallons used in this state in each motor vehicle so equipped. A user who is required to pay the tax on diesel fuel used in motor vehicles so equipped may file a claim for a refund not to exceed five percent of the total taxable fuel used in this state in each motor vehicle so equipped.

(e) A person who exports or loses by fire or other accident 100 or more gallons of diesel fuel on which the tax has been paid, or who sells diesel fuel in any quantity to the United States for its exclusive use for a purpose for which a tax is imposed, or who sells diesel fuel in any quantity to the United States for its exclusive use to the United Nations, or who exports or loses by fire or other accident diesel fuel to the United Nations, may file a claim for a refund of the net tax paid to the state as the comptroller may direct.

§ 153.223. Claims for Refunds

(a) A refund claim must be filed with the comptroller on forms provided by the comptroller and show the date of filing, the period covered in the claim, the number of gallons of diesel fuel subject to refund, and other information required by the comptroller. A claim must be supported by one or more original invoices issued to or by the claimant, or such other information as the comptroller deems necessary.

(b) If a motor vehicle is sold, transferred, or destroyed, the owner is entitled to a refund of the unused portion of the advance taxes paid for that year. The owner or operator must submit to the comptroller an affidavit identifying the vehicle, the permit number; the circumstances entitling him to a refund, and other information required by the comptroller. On receipt of the affidavit and when satisfied as to the circumstances, the comptroller shall refund to the owner or operator that portion of the payment that corresponds to the number of complete months remaining in the year for which the vehicle was no longer utilized. No refund may be made if the use of the vehicle ceased within the last month of the year.

(c) A person who files a claim for a tax refund on diesel fuel used for a purpose for which a tax refund is not authorized, or who files an invoice supporting a refund claim on which the date, figures, or any material information has been falsified or altered, forfeits his right to the entire amount of the refund claim filed unless the claimant provides proof satisfactory to the comptroller that the incorrect refund claim filed was due to a clerical or mathematical calculation error.

§ 153.224. When Diesel Fuel Tax Refund May Be Filed

(a) Except as provided by this section, a claim for a refund must be filed with the comptroller within one year after the first day of the calendar month following the purchase, use, delivery, export, or loss by fire or other accident of diesel fuel, whichever period expires latest.

(b) An interstate trucker may accumulate credits for four successive calendar quarters, but he must take the credit or claim a refund on a report filed on or before the 25th day following the quarter.

(c) If an audit of a supplier determines that tax-free sales were made to an unauthorized purchaser and the purchaser could have filed for a refund if the tax had been paid at the time of the sale, the unauthorized purchaser must file a refund claim within one year after the date of the final assessment.

§ 153.225. Diesel Fuel Tax Refund Payments and Filing Fee

(a) After examination and approval of the refund claim, the comptroller before issuing a refund warrant shall deduct from the amount of the refund payment:

1. the 1½ percent deducted originally by the supplier on the sale or delivery of the diesel fuel; and

2. $1.50 as a filing fee.

(b) The filing fees shall be set aside for the use and benefit of the comptroller in the administration and enforcement of the provisions of this chapter, and for payment of expenses in furnishing the claim forms and other forms. All filing fees shall be paid into the state treasury and shall be paid out on vouchers and warrants in the manner prescribed by law.

SUBCHAPTER D. LIQUEFIED GAS TAX

§ 153.301. Tax Imposed; Rate

(a) A tax is imposed on the use of liquefied gas for the propulsion of motor vehicles on the public highways of this state.

(b) The liquefied gas tax rate is five cents a gallon.

§ 153.302. Payment of Tax

(a) A person using a liquefied gas-propelled motor vehicle, including a motor vehicle equipped to
§ 153.306. Interstate Trucker’s Permit

An interstate trucker’s permit authorizes an interstate trucker operating a motor vehicle with a base license plate issued by a state other than Texas to import liquefied gas into this state in the fuel supply tanks of motor vehicles owned or operated by him for commercial purposes, to report and pay the tax due, and to make sales or distributions in Texas from his cargo tanks, but no delivery may be made in Texas into the fuel supply tanks of motor vehicles not bearing a current liquefied gas tax decal without first obtaining the required dealer’s permit to make taxable sales. The interstate trucker’s permit for users operating a motor vehicle with a base license plate issued by a state other than Texas is in lieu of the liquefied gas tax decal permit required to operate motor vehicles on the highways of the state.

§ 153.307. Permits: Periods of Validity

(a) A dealer’s permit is permanent and valid as long as the permittee furnishes timely reports as required, or until the permit is surrendered by the holder or canceled by the comptroller.

(b) An interstate trucker’s permit is valid from the date of its issuance through December 31 of each calendar year, or until the permit is surrendered by the holder or canceled by the comptroller. The comptroller may renew the permit for each ensuing calendar year if the permittee furnishes timely reports as required.

(c) A liquefied gas tax decal permit is valid from the date of its initial issuance through the last day of the same month of the year following the year it was issued unless the motor vehicle for which the tax is prepaid is sold or no longer used on the public highway. After its initial issuance, a liquefied gas tax decal permit shall be issued annually and is valid for one year from the date of its issuance unless the motor vehicle for which the tax is prepaid is sold or no longer used on the public highway. A liquefied gas tax decal permittee must make application for a new permit each year. The ending odometer reading must be provided on the renewal application. In the absence of an ending odometer reading, the previous year’s mileage of the motor vehicle shall be presumed to be at least 10,000 miles.

(d) A motor vehicle dealer’s liquefied gas tax decal permit shall be issued annually and is valid from the date of its issuance through December 31 of each calendar year unless the motor vehicle is sold at which time the decal shall be removed by the dealer from the motor vehicle. A motor vehicle dealer’s liquefied gas tax decal permittee must make application for a new permit each year.

§ 153.308. Computation of Taxes; Allowances

(a) A permitted dealer who makes a sale or delivery of liquefied gas into a fuel supply tank of a motor vehicle on which the tax is required to be collected is liable to the state for the tax imposed, and shall report and pay the tax in the manner required by this subchapter.

(b) A permitted interstate trucker shall report and pay to this state the tax at the rate imposed on each gallon of liquefied gas delivered by him into the fuel supply tank of a motor vehicle, unless the tax has been paid to a permitted dealer, and shall report and pay the tax on each gallon of liquefied gas imported into this state in the fuel supply tanks of motor vehicles owned or operated by him and consumed in the operation of the motor vehicles on the public highways of this state.

(c) The tax on one percent of the taxable gallons of liquefied gas sold in this state shall be allocated to the permitted dealer making the sale for the expense of collecting, accounting for, reporting, and remitting the taxes collected and keeping the records. The allocation allowance shall be deducted by the permitted dealers in the payment to the state.

(d) The tax of one-half of one percent of the taxable gallons of liquefied gas used in this state by persons permitted as interstate truckers shall be allocated to the interstate trucker making the use of the liquefied gas for the expense of accounting for, reporting, and remitting the taxes due.

(e) A liquefied gas tax decal permittee required to report beginning and ending odometer readings may deduct the miles travelled outside the State of Texas from the total miles travelled. A record of miles travelled by the vehicle in states other than...
Texas must be maintained and submitted with the renewal each year. A decal may not be renewed for an amount less than the rate for 4,999 miles annually.

§ 153.310. Reports and Payments

(a) A permitted dealer, on or before the 25th day of the month following the end of each calendar quarter, shall file a report and remit the amount of tax due. A permitted dealer who has not made taxable sales during the reporting period shall file with the comptroller the report setting forth the facts or information.

(b) Every permitted interstate trucker, on or before the 25th day of the month following the end of each calendar quarter, shall file a report and remit the amount of tax due. A report shall be filed with the comptroller and must contain the number of miles traveled in this state, the number of miles traveled outside this state, and other information required by the comptroller on forms provided for that purpose. An interstate trucker who is required to file a report under this section and who has not made interstate trips or used liquefied gas in motor vehicles in Texas during the reporting period shall file with the comptroller the report setting forth the facts or information.

§ 153.311. Refunds; Transfer of Decals

(a) If a motor vehicle bearing a liquefied gas tax decal is sold or transferred, the seller and purchaser shall promptly notify the comptroller of the sale or transfer and a new decal shall be issued in the new purchaser's name.

(b) If a motor vehicle bearing a liquefied gas tax decal is destroyed or the liquefied gas carburetor system removed, the owner is entitled to a refund of the unused portion of the advance taxes paid for that year. The owner or operator shall submit to the comptroller an affidavit identifying the vehicle, the permit number, the decal number assigned to the vehicle, the circumstances entitling him to a refund, and all other information required by the comptroller. On receipt of the affidavit and when satisfied as to the circumstances, the comptroller shall refund that portion of the tax payment that corresponds to the number of complete months remaining in the year for which the tax has been paid, beginning with the month following the date on which the vehicle or the liquefied gas carburetor was no longer utilized. No refund may be made if the use of the vehicle ceased within the last month of the year.

(c) A permitted interstate trucker is entitled to a refund of the amount of the Texas liquefied gas tax paid on each gallon of liquefied gas subsequently used outside this state. On verification by the comptroller that the interstate trucker's report was timely filed with all information required, he shall issue a warrant to the interstate trucker for the amount of the refund less the one percent deducted originally by the permitted dealer making the sale and a filing fee of $1.50. Failure to file an interstate trucker report by the 25th of the month following the end of a calendar quarter forfeits the right to a refund.

[Sections 153.313 to 153.400 reserved for expansion]

SUBCHAPTER E. PENALTIES AND OFFENSES

§ 153.401. Failure to Pay Tax or Report

(a) If a person having a permit as a distributor, supplier, user, dealer, or interstate trucker fails to file a report as required by this chapter or fails to pay a tax imposed by this chapter when due, the person forfeits five percent of the amount due as a penalty, and if the person fails to file the report or pay the tax within 30 days after the day on which the tax or report is due, the person forfeits an additional five percent.

(b) The minimum penalty imposed by this section is $1.

Section 1600 of the 1983 amendatory act provides:

"A provision of this Act that changes a penalty for the failure to pay or report a tax or assessment as required by law applies to taxes or assessments that become delinquent on or after the effective date of this Act. The penalty for the failure to pay or report a tax or assessment that became delinquent before the effective date of this Act is the penalty in effect for that tax or assessment immediately before the effective date of this Act, and the laws providing for those penalties are continued in effect for the sole purpose of assessing, collecting, and enforcing those penalties on taxes or assessments delinquent before the effective date of this Act."

§ 153.402. Prohibited Acts; Civil Penalties

A person forfeits to the state a civil penalty of not less than $25 nor more than $200 if the person:

1. Refuses to stop and permit the inspection and examination of a motor vehicle transporting or using motor fuel on demand of a peace officer or the comptroller;
§ 153.402  TAX CODE  178

(2) operates a motor vehicle in this state without a valid interstate trucker's or a trip permit when the person is required to hold one of those permits;

(3) operates a liquefied gas-propelled motor vehicle that is required to be licensed in Texas, including motor vehicles equipped with dual carburetion, and does not display a current liquefied gas tax decal;

(4) transports gasoline or diesel fuel for sale or distribution in a cargo tank that has not been calibrated by the comptroller, by an authorized representative of another state, or by a commercial calibration company that meets the calibration standards approved by the comptroller;

(5) transports motor fuel in any cargo tank designated "out of order" by the comptroller;

(6) makes a tax-free sale or delivery of liquefied gas into the fuel supply tank of a motor vehicle that does not display a current Texas liquefied gas tax decal;

   (2) the name of the distributor;

(c) If the draft is not paid within 20 days after the date of the draft, the bank shall return the draft and stamps to the treasurer. When the treasurer receives the order for stamps or a meter setting, the treasurer shall ship the stamps or the set meter with a certified statement showing the amount due. Except as provided in this section, the distributor shall forward payment in full within 30 days after the date the stamps or set meter and certified statement are received.

The treasurer shall accept payment by a company check or by a personal check of a bonded distributor.

(b) If a bonded distributor fails to pay in full by the due date, the treasurer shall notify the distributor within five days after the due date to appear before the treasurer to show cause why the treasurer should not deny the distributor the privilege of ordering stamps without advance payment. (a) A licensed distributor is entitled to a discount of 2.75 percent of the face value of stamps purchased, except that an out-of-state purchaser residing in a state that does not give a discount on cigarette tax stamps purchased by a cigarette distributor residing in this state may not purchase stamps at a discount as provided by this section.

(b) If a distributor violates a provision of this chapter, the distributor shall pay the full face value for stamps purchased during the period of the offense. The comptroller shall send the treasurer an affidavit setting forth a violation, and the treasurer shall refuse to supply stamps at the discount until the distributor has paid any unauthorized discounts and has satisfied the comptroller that the distributor is not in violation of a provision of this chapter.

"(b) This Act becomes effective January 1, 1982."

[Sections 157.002 to 157.100 reserved for expansion]

SUBCHAPTER B. IMPOSITION OF TAX

§ 157.101. Tax Imposed

There is levied a motor vehicle sales and use tax on interstate motor vehicles, trailers, and semitrailers operated by motor carriers which are residents of this state or are domiciled or doing business in this state.

§ 157.102. Tax Rate

(a) Except as provided in Subsections (c), (d), and (e) of this section, the payment of the tax is the responsibility of the motor carrier operating the motor vehicle and the tax rate on an interstate motor vehicle shall be calculated as follows:

(1) The carrier's total miles operated in Texas by interstate truck-tractors and interstate commercial motor vehicles during the preceding year is divided by the total miles operated by the same interstate truck-tractors and interstate commercial motor vehicles operated in Texas during the preceding year;

(2) The percentage calculated in Subdivision (1) of this subsection is multiplied by four percent of the purchase price of each interstate motor vehicle purchased in Texas or first brought into the State of Texas during the reporting period. If a lease price is used in this formula, charges for gasoline, maintenance, insurance, and pass-through charges, such as federal highway use tax and fees for licensing and registration, may be excluded from the lease price;

(3)(A) From the amount computed in Subdivision (1) of this subsection may be deducted the amount of sales and use taxes paid on the interstate vehicle under this subsection. This subdivision may not be utilized by a motor carrier contracting with a person being controlled or having controlling interest in the motor carrier. Controlling interest is defined as 50 percent of ownership.

(b) If a motor carrier has not operated in Texas during the preceding year, it shall estimate the miles it will drive during the year and use the estimate in the calculations set forth in Subsection (a) of this section. The carrier shall adjust any overpayments or underpayments of tax based on actual mileage in the first reporting period after a year of operation.

(e)(1) The payment of the tax is the responsibility of the motor carriers operating the motor vehicle, and the tax rate on an interstate trailer or semitrailer being purchased or first brought into Texas during a reporting period shall be calculated as follows:

(A) The number of truck-tractors operated in Texas by the motor carrier during the reporting period is divided by the total number of truck-tractors operated by a motor carrier in the reporting period;

(B) The percentage calculated in Paragraph (A) of this subdivision is multiplied by four percent of the purchase price of all trailers and semitrailers purchased during the reporting period;

(C) The amount calculated in Paragraph (B) of this subdivision is multiplied by the formula in Subsection (a)(1) of this section;

(D) From the amount calculated in Paragraph (C) of this subdivision shall be deducted the amount of sales and use taxes paid on all trailers and semitrailers purchased in the reporting period multiplied by the percentages calculated in Paragraph (A) of this subdivision and in Subsection (a)(1) of this section;

(2) However, if the motor carrier can prove that the actual number of trailers or semitrailers being purchased in Texas or first brought into Texas during a reporting period is less than the number under the formula in Subsection (c)(1) of this section, the motor carrier may pay tax on the lesser number using the formula in Subsection (a) of this section. If a motor carrier chooses to use the actual number of trailers or semitrailers purchased in Texas or first brought into Texas during a reporting period and then uses the formula for other reporting periods, the motor carrier must remit tax on trailers and semitrailers purchased during the period it used the actual count when the trailers or semitrailers are first brought into the state.

(d) If a motor carrier contracts to hire an interstate motor vehicle with a driver to transport persons or property over the authority of the carrier's permits, the tax rate is $25 per truck-tractor per contract and $25 per trailer or semitrailer per contract and is the responsibility of the motor carrier operating the motor vehicle. However, if a sales and use tax of at least four percent of the purchase price of the motor vehicle has been paid or if tax under Subsection (a), (b), or (c) of this section has been paid, no tax is due on the vehicle under this subsection. This subsection may not be utilized by a motor carrier contracting with a person being controlled or having controlling interest in the motor carrier. Controlling interest is defined as 50 percent of ownership.

(e) If a motor carrier contracts to use trip-leased equipment, the tax rate is 3% per motor vehicle per contract and is the responsibility of the motor carrier operating the motor vehicle. However, if a sales and use tax of at least four percent of the purchase price of the motor vehicle has been paid or if tax

(a) The tax imposed by this chapter is at the rate of 7.5 percent of the market value of gas produced and saved in this state by the producer.

(b) The minimum tax rate on sweet and sour gas produced and saved in this state is $121 \frac{1}{1000}$ of one cent of one cent for each 1,000 cubic feet.

§ 201.053. Gas Not Taxed
The tax imposed by this chapter does not apply to gas:
(1) injected into the earth in this state, unless sold for that purpose;
(2) produced from oil wells with oil lawfully vented or flared; or
(3) used for lifting oil, unless sold for that purpose.

§ 201.054. Tax on Liquid Hydrocarbons
(a) There is imposed on each producer a tax on the market value of liquid hydrocarbons, other than condensate, recovered from gas produced in the state by a producer.

§ 201.101. Market Value
The market value of gas is its value at the mouth of the well from which it is produced.

§ 201.102. Cash Sales
If gas is sold for cash only, the tax shall be computed on the producer's gross cash receipts. Payments from a purchaser of gas to a producer for the purpose of reimbursing the producer for taxes due under this chapter are not part of the gross cash receipts.

§ 201.103. Value if Consideration Includes Extracts
If the consideration for the sale of gas includes products extracted from the gas, a portion of the residue gas, or both, the tax shall be computed on the gross value of all things of value received by the producer, including a bonus or premium.

§ 201.104. Returned Cycle Gas
(a) If gas is processed for its liquid hydrocarbon content and the residue gas is returned to a gas-producing formation by cycling methods, as distinguished from repressuring or pressure maintenance methods, the taxable value of the gas is three-fifths the value of all liquid hydrocarbons extracted, separated, and saved from the gas.

(b) The value of the liquid hydrocarbons for the purpose of this section is the highest posted price of crude oil in the field where the gas is produced. If no oil is produced in that field, the value is the highest posted price for crude oil in the nearest oil field.

(c) The value of the liquid hydrocarbons is determined when they are extracted and separated from gas and before they are absorbed, refined, or processed. The quantity of the liquid hydrocarbons is the yield from the gas at the processing plant.

(d) The valuation method prescribed by this section controls over the valuation methods described in Sections 201.102 and 201.103 of this code only in circumstances in which Subsection (a) of this section applies.

§ 201.105. Value of Liquid Hydrocarbons Other Than Condensate
The taxable value of liquid hydrocarbons other than condensate is the producer's total gross receipts for all liquid hydrocarbons, including condensate, recovered from gas produced by him less the taxable value of the condensate recovered from that gas.

§ 201.106. Value of Condensate

(b) If a gas-producing lease is transferred, the producer acquiring the lease shall note the date of the transfer and the name and address of the person from whom the lease was acquired on the first report that covers the lease and that he is required by Section 201.203 of this code to file.

§ 201.251. Liability of Producer and Purchaser
The tax imposed by this chapter is the primary liability of the producer and is a liability of the first
purchaser and each subsequent purchaser. Failure of the first purchaser to pay the tax does not relieve the producer or a subsequent purchaser from liability for the tax. A purchaser of gas produced in the state shall satisfy himself that the tax on that gas has been or will be paid by the person liable for the tax.

§ 201.252. Producer’s Remedy

If a purchaser withholds the amount of the tax imposed by this chapter from payments to a producer for the sale of gas and fails to pay the tax as provided by this chapter, the producer may sue the purchaser to recover the amount of the tax withheld, penalties and interest that have accrued from failure to pay the tax, court costs, and reasonable attorney’s fees.

The amount for which the producer is liable under this subsection is an additional penalty.

§ 201.303. Tax Lien

(a) If a tax imposed by this chapter is delinquent or if interest or a penalty on a delinquent tax has not been paid, the state has a prior lien for the tax, penalty, and interest on all property and equipment used by the producer to produce gas.

(b) The lien may be enforced by a suit filed by the attorney general. Venue of the suit is in Travis County.

§ 201.304. Suit for Taxes; Sworn Denial

[Sections 201.305 to 201.350 reserved for expansion]

SUBCHAPTER H. PENALTIES

Board of Tax Professional Examiners; Qualifications; Term of Office

Sec. 4. (a) The Board of Tax Professional Examiners is established.

(b) The board consists of six members appointed by the governor with the advice and consent of the senate. A vacancy on the board is filled in the same manner for the unexpired portion of the term.

(c) To be eligible to serve on the board an individual must be a resident of this state, be actively engaged in property tax administration, have at least five years experience in appraisal for property tax purposes, and be certified as a registered professional appraiser or registered Texas assessor under this Act. However, for the members first appointed, certification by a recognized professional association of assessors or appraisers satisfies the certification requirement for eligibility.

(d) Members hold office for terms of six years, with the terms of two members expiring on March 1 of each odd-numbered year.

Expenses

Sec. 5. Board members receive no compensation for their services, but each is entitled to be reimbursed for the necessary expenses incurred in the discharge of his duties.

Regular and Special Meetings; Election of Officers; Quorum

Sec. 6. (a) The board shall hold at least one regular meeting in each calendar quarter. Special meetings shall be held at such times as are required, according to the bylaws and rules of procedure enacted by the board.

(b) Members of the board shall receive notice of special meetings at least 15 days in advance of the meeting date.

(c) The board shall elect annually from its membership a chairman, vice-chairman, and secretary-treasurer. The election of officers shall be held at the first regular meeting of each calendar year. A majority of the members constitutes a quorum.

Rules and Regulations

Sec. 7. The board may make and enforce all rules and regulations necessary for the performance of its duties, establish standards of professional practice, conduct, education, and ethics for appraisers, assessors, and collectors in keeping with the purposes and intent of the Act, and insure strict compliance with and enforce all provisions of this Act.

Receipt and Accounting of Money; Assessors Registration Fund; Record of Proceedings; Roster of Registrants

Sec. 8. (a) The board shall receive and account for all money derived under the provisions of this Act and shall pay it to the State Treasurer. The State Treasurer shall designate a separate fund to be known as the "Assessors Registration Fund," which may be used only by the board for the purpose of administering this Act.

(b) The board shall keep an accurate record of all proceedings, which shall be available to the public at all times. The board shall also maintain a roster of all persons registered with the board, showing their names, places of employment, and classification. The roster shall be placed on file with the Secretary of State. Copies of the roster shall be made available to persons registered under this Act and to the public on request.
Executive director; personnel

Sec. 9. (a) The board shall employ an executive director who shall administer the operations of the board as directed by the board.

(b) The director may employ other personnel to assist him in the performance of his duties.

Initiation of Proceedings; Notice; Dismissal of Complaints Without Hearing

Sec. 10. (a) The board may initiate proceedings under this Act, either on its own motion or on the complaint of any person, to insure strict compliance with this Act and all rules adopted by the board. The violation of a provision of this Act or a rule of the board is a sufficient ground to refuse, suspend, or revoke a registration granted under the terms of this Act. The board shall adopt rules for the conduct of proceedings under this section. The rules shall require that written notice be sent by certified mail at least 20 days before a hearing to every party stating the nature of the complaint and the time and place of the hearing before the board.

(b) The board may dismiss without a hearing a complaint involving a disagreement on the matter of the appraised value of a property and that has not been resolved in the complainant’s favor by an appraisal review board or court.

Persons Required to Register

Sec. 11. The following persons shall register with the board:

(1) all chief appraisers, appraisal supervisors and assistants, property tax appraisers, appraisal engineers, and other persons with authority to render judgment on, recommend, or certify appraised values to the appraisal review board of an appraisal district;

(2) the tax assessor-collector, tax collector, or other person designated by the governing body of a taxing unit as the chief appraiser and other persons who perform assessment or collection functions for the unit whom the chief appraiser of the unit’s tax office requires to register; and

(3) all persons engaged in appraisals of real or personal property for ad valorem tax purposes for an appraisal district or a taxing unit.

Identification Card

Sec. 12. While on official duty, persons registered and authorized to engage in appraisal, assessment, or collections shall carry a serially numbered identification card issued by the board stating the expiration date of the registration and describing any classification into which the holder is placed for purposes of registration.

Annual and Renewal Fees; Reinstatement

Sec. 13. Registrants shall pay to the board an annual fee not to exceed $35. The annual registration period expires on December 31 of each year, and registration must be renewed annually. The board shall determine the amount of the renewal fee for each coming year on or before December 1 of each year and mail renewal notices to all persons registered under this Act on or before that date. A person registered under this Act who fails to pay the annual renewal fee on or before January 31 of each year shall be deleted from the list of persons duly registered. Persons applying for reinstatement within 90 days shall pay a penalty, not to exceed $25, set by the board. Reinstatement thereafter may be obtained only by a new application to and examination by the board. The board may not waive the collection of a fee or penalty described under this Act.

Applications for Registration; Processing Fee

Sec. 14. All applications for registration shall be made on printed forms provided by the board, and applications made otherwise may not be accepted. The board in prescribing the contents of application forms shall ensure that each form requires sufficient information to determine an applicant’s proper classification. The form shall be accompanied by the code of ethics. The completed application, including the code of ethics, shall be signed and sworn to before a notary public or other person qualified to administer oaths. Initial application for registration shall be accompanied by a processing fee of $50 which shall be retained by the board without regard to the disposition of the application and the registration fee required by Section 13 of this Act which shall be refunded if the board disapproves the application. The board shall act on all applications within 30 days after they are received by the board. Applicants approved by the board shall be registered and notified of the requirements for professional certification by the board.

Qualifications of Applicants

Sec. 15. An applicant must be at least 18 years of age, a resident of the State of Texas, a person of good moral character and actively engaged in appraisal, assessment, or collection for a taxing unit. The applicant must be a graduate of an accredited high school or establish high school graduation equivalency. When an application is approved, the board shall classify and register the applicant, and inform the applicant of requirements that he must meet to maintain current registration.

Classification System

Sec. 16. The board by rule shall adopt a classification system for registrants and establish minimum requirements for each classification. Requirements must be based on experience in property taxation administration, education and training, pro-
fessional performance and achievements, and compliance with the code of ethics.

Requirements for Certification

Sec. 17. (a) The board by rule shall adopt minimum requirements for the certification of registrants. For an employee of a taxing unit's tax office, the requirements for certification shall emphasize, but shall not necessarily be limited to, the areas of responsibility of the registrant in performing his duties for the taxing unit.

(b) The rules shall require that:

(1) a person registered as an appraiser attain certification as a registered professional appraiser within five years after his initial registration;

(2) a person registered as an assessor or assessor-collector attain certification as a registered Texas assessor within five years after his initial registration; and

(3) a person registered as a collector attain certification as a registered Texas collector within three years after his initial registration.

Recertification; Specialized Classifications, Designations and Requirements

Sec. 18. The board may adopt rules:

(1) regarding recertification to assure that all persons certified continue to be duly registered and professionally competent so long as they are active in appraisal, assessment, or collections; and

(2) establishing specialized classifications, designations, and requirements that are necessary to accomplish the purposes of this Act and maintain high standards of professional practice in all phases of property taxation.

Discrimination Prohibited

Sec. 21. No person may be denied the right to register under the terms of this Act because of race, color, creed, sex, or ethnic origin.

Unprofessional Manner or Violation of Act Required by Appraisal District Board of Directors or Governing Body Prohibited

Sec. 22. No appraisal district board of directors or governing body of a taxing unit of this state may, as a necessity for employment, require that an appraiser, assessor, or collector act in an unprofessional manner or commit acts in violation of this Act. A complaint of a violation of this section shall be thoroughly investigated by the board.

Offenses and Penalties; Complaint Concerning Unauthorized Practices

Sec. 24. (a) A person who is required under Section II of this Act to register with the board commits a Class C misdemeanor if he fails to register.

(b) A person commits an offense if he performs an appraisal, assessment, or collections function during a period in which his registration or certification with the board is revoked or suspended. An offense under this subsection is a Class B misdemeanor.

(c) A person may file a complaint concerning the unauthorized practice of appraisal, assessment, or collections under this section with the county attorney of the county where the practice occurred or with the board.

Saved from Repeal

This article was saved from repeal by § 39(c)(5) of Acts 1981, 67th Leg., p. 1785, ch. 383, which enacted Title 2 of the Tax Code.

Section 7(b) of Acts 1983, 68th Leg., p. 365, ch. 81, provides:

"The increase in the processing fee for an initial application made by Subsection (a) of this section does not apply to an application filed before the effective date of this section. The processing fee for such an application is the fee in effect on the date the application was filed."

Sections 3 and 4(b) of Acts 1983, 68th Leg., p. 3832, ch. 980, provide:

"Sec. 3. (a) The name of the Board of Tax Assessor Examiners is changed to the Board of Tax Professional Examiners, and its members serve as members of the Board of Tax Professional Examiners for the terms to which each was appointed to serve on the Board of Tax Assessor Examiners. All books, records, property, and personnel of the Board of Tax Assessor Examiners are transferred to the Board of Tax Professional Examiners.

(b) The change in law made by this Act to Section 24, The Texas Assessors Registration and Certification Act (Article 7244b, Vernon's Texas Civil Statutes), applies only to an offense committed on or after the effective date of this Act. For purposes of this subsection, an offense is committed before the effective date of this Act if any element of the offense occurs before the effective date.

"Sec. 4. (b) The Board of Tax Assessor Examiners may adopt rules and forms before September 1, 1983, to be effective on and after September 1, 1983, under the law as amended by this Act,
and may make other reasonable preparations before the effective date of this Act in anticipation of the effective date."

Sec. 3. The acceptance of a check for the payment of taxes and fees listed in Section 2 of this Act does not constitute payment of the tax or fee, and the tax or fee is not considered paid until the check is honored by the bank on which the check is drawn. This section does not prohibit a tax collector from issuing receipts, license plates, certificates, or other instruments on the receipt of a check, but the issuance is conditional on the payment of the check by the drawee bank.

Identification Required

Sec. 4. When a tax collector receives a check as conditional payment of a tax or fee listed in Section 2 of this Act, he shall require adequate identification of the maker and note on the check or otherwise record the type of identification of the maker and information from the identification to assist in
locating the maker in the event the check is not honored.

Liability of Tax Collector and Bondsmen

Sec. 5. Except as provided in Section 8 of this Act, a tax collector and his bondsmen are not liable for the amount of any taxes and fees for which the tax collector has accepted a check that is not honored by the drawee bank if the tax collector complied with the requirements of Section 4 of this Act and if the tax collector did not know or should not reasonably have known that the check was not properly drawn or that it would not be honored.

Procedures for Collection of Dishonored Checks

Sec. 6. A tax collector may establish procedures for the collection of dishonored checks. The procedures may include:

1. official notification to the maker that the check has not been honored and that the receipt, registration, certificate, or other instrument issued on the receipt of the check is not valid until payment of the tax or fee is made;

2. notification of the sheriff or other law enforcement officers that a check has not been honored and that the receipt, registration, certificate, or other instrument held by the maker is not valid; and

3. notification to the State Department of Highways and Public Transportation, the State Comptroller of Public Accounts, or the Department of Public Safety that the receipt, registration, certificate, or instrument held by the maker is not valid.

Dishonored Checks; Remission Not Required; Notice; Assistance in Collection

Sec. 7. If taxes and fees listed in Section 2 of this Act are required to be remitted to the State Comptroller of Public Accounts or the State Department of Highways and Public Transportation and if payment was made to the tax collector by a check that was not honored by the drawee bank, the amount of the tax or fee is not required to be remitted, but the tax collector shall notify the appropriate department of the amount of the fee or tax, the type of fee or tax involved, and the name and address of the maker. The State Department of Highways and Public Transportation and the State Comptroller of Public Accounts shall assist the tax collector in collecting the fee or tax and may cancel or revoke any receipt, registration, certificate, or instrument issued in the name of the state conditioned on the payment of the fee or tax.

Liability of Tax Collector for Violations of Act

Sec. 8. If the State Comptroller of Public Accounts or the State Department of Highways and Public Transportation determines that the tax collector of a county has accepted payment for fees and taxes to be remitted to that department in violation of Section 4 of this Act or that more than two percent of the fees and taxes to be received from the tax collector are not remitted because of the acceptance of checks that are not honored by the drawee bank, the department may notify the tax collector that he may not accept a check for the payment of any fee or tax to be remitted to that department. A tax collector who, after notice that he may not receive a check for the payment of fees or taxes to be remitted to a department, accepts a check for the payment of a fee or tax, is liable to the state for the amount of the check accepted.

Rules for Acceptance of Checks and Collection of Dishonored Checks

Sec. 9. The State Comptroller of Public Accounts and the State Department of Highways and Public Transportation may make rules concerning the acceptance of checks by tax collectors and for the collection of dishonored checks.
